(House Bill No. 3380)

Be it enacted by the People of the State of Illinois, represented in the General Assembly:
Section 5. The Consumer Fraud and Deceptive Business Practices Act is amended by changing Section 2MM as follows:
(815 ILCS 505/2MM)
Sec. 2MM. Verification of accuracy of consumer reporting information used to extend consumers credit and security freeze on credit reports.

(a) A credit card issuer who mails an offer or solicitation to apply for a credit card and who receives a completed application in response to the offer or solicitation which lists an address that is not substantially the same as the address on the offer or solicitation may not issue a credit card

based on that application until reasonable steps have been taken to verify the applicant's change of address.

(b) Any person who uses a consumer credit report in connection with the approval of credit based on the application for an extension of credit, and who has received notification of a police report filed with a consumer reporting agency that the applicant has been a victim of financial identity theft, as defined in Section 16-30 or 16G-15 of the Criminal Code of 1961 or the Criminal Code of 2012, may not lend money or extend credit without taking reasonable steps to verify the consumer's identity and confirm that the application for an extension of credit is not the result of financial identity theft.

(c) A consumer may request that a security freeze be placed on his or her credit report by sending a request in writing by certified mail to a consumer reporting agency at an address designated by the consumer reporting agency to receive such requests.

The following persons may request that a security freeze be placed on the credit report of a disabled person:

(1) a guardian of the disabled person that is the subject of the request, appointed under Article X1a of the Probate Act of 1975; and

(2) an agent of the disabled person that is the subject of the request, under a written durable power of attorney that complies with Illinois Power of Attorney Act.

The following persons may request that a security freeze be placed on the credit report of a minor:

(1) a guardian of the minor that is the subject of the request, appointed under Article XI of the Probate Act of 1975; and

(2) a parent of the minor that is the subject of the request; and

(3) a guardian appointed under the Juvenile Court Act of 1987 for a minor under the age of 18 who is the subject of the request or, with a court order authorizing the guardian consent power, for a youth who is the subject of the request who has attained the age of 18, but who is under the age of 21.

This subsection (c) does not prevent a consumer reporting agency from advising a third party that a security freeze is in effect with respect to the consumer's credit report.
(d) A consumer reporting agency shall place a security freeze on a consumer's credit report no later than 5 business days after receiving a written request from the consumer:

1. a written request described in subsection (c);
2. proper identification; and
3. payment of a fee, if applicable.

(e) Upon placing the security freeze on the consumer's credit report, the consumer reporting agency shall send to the consumer within 10 business days a written confirmation of the placement of the security freeze and a unique personal identification number or password or similar device, other than the consumer's Social Security number, to be used by the consumer when providing authorization for the release of his or her credit report for a specific party or period of time.

(f) If the consumer wishes to allow his or her credit report to be accessed for a specific party or period of time while a freeze is in place, he or she shall contact the consumer reporting agency using a point of contact designated by the consumer reporting agency, request that the freeze be temporarily lifted, and provide the following:

1. Proper identification;
2. The unique personal identification number or password or similar device provided by the consumer reporting agency;
3. The proper information regarding the third party or time period for which the report shall be available to users of the credit report; and
4. A fee, if applicable.

A security freeze for a minor may not be temporarily lifted. This Section does not require a consumer reporting agency to provide to a minor or a parent or guardian of a minor on behalf of the minor a unique personal identification number, password, or similar device provided by the consumer reporting agency for the minor, or parent or guardian of the minor, to use to authorize the consumer reporting agency to release information from a minor.

(g) A consumer reporting agency shall develop a contact method to receive and process a request from a consumer to temporarily lift a freeze on a credit report pursuant to subsection (f) in an expedited manner.

A contact method under this subsection shall include: (i) a postal address; and (ii) an electronic contact method chosen by the consumer reporting agency, which may include the use of telephone, fax, Internet, or other electronic means.

New matter indicated by italics - deletions by strikeout
(h) A consumer reporting agency that receives a request from a consumer to temporarily lift a freeze on a credit report pursuant to subsection (f), shall comply with the request no later than 3 business days after receiving the request.

(i) A consumer reporting agency shall remove or temporarily lift a freeze placed on a consumer's credit report only in the following cases:

1. upon consumer request, pursuant to subsection (f) or subsection (l) of this Section; or
2. if the consumer's credit report was frozen due to a material misrepresentation of fact by the consumer.

If a consumer reporting agency intends to remove a freeze upon a consumer's credit report pursuant to this subsection, the consumer reporting agency shall notify the consumer in writing prior to removing the freeze on the consumer's credit report.

(j) If a third party requests access to a credit report on which a security freeze is in effect, and this request is in connection with an application for credit or any other use, and the consumer does not allow his or her credit report to be accessed for that specific party or period of time, the third party may treat the application as incomplete.

(k) If a consumer requests a security freeze, the credit reporting agency shall disclose to the consumer the process of placing and temporarily lifting a security freeze, and the process for allowing access to information from the consumer's credit report for a specific party or period of time while the freeze is in place.

(l) A security freeze shall remain in place until the consumer or person authorized under subsection (c) to act on behalf of the minor or disabled person that is the subject of the security freeze requests, using a point of contact designated by the consumer reporting agency, that the security freeze be removed. A credit reporting agency shall remove a security freeze within 3 business days of receiving a request for removal from the consumer, who provides:

1. Proper identification;
2. The unique personal identification number or password or similar device provided by the consumer reporting agency; and
3. A fee, if applicable.

(m) A consumer reporting agency shall require proper identification of the person making a request to place or remove a security freeze and may require proper identification and proper authority from
the person making the request to place or remove a freeze on behalf of the disabled person or minor.

(n) The provisions of subsections (c) through (m) of this Section do not apply to the use of a consumer credit report by any of the following:

(1) A person or entity, or a subsidiary, affiliate, or agent of that person or entity, or an assignee of a financial obligation owing by the consumer to that person or entity, or a prospective assignee of a financial obligation owing by the consumer to that person or entity in conjunction with the proposed purchase of the financial obligation, with which the consumer has or had prior to assignment an account or contract, including a demand deposit account, or to whom the consumer issued a negotiable instrument, for the purposes of reviewing the account or collecting the financial obligation owing for the account, contract, or negotiable instrument. For purposes of this subsection, "reviewing the account" includes activities related to account maintenance, monitoring, credit line increases, and account upgrades and enhancements.

(2) A subsidiary, affiliate, agent, assignee, or prospective assignee of a person to whom access has been granted under subsection (f) of this Section for purposes of facilitating the extension of credit or other permissible use.

(3) Any state or local agency, law enforcement agency, trial court, or private collection agency acting pursuant to a court order, warrant, or subpoena.

(4) A child support agency acting pursuant to Title IV-D of the Social Security Act.

(5) The State or its agents or assigns acting to investigate fraud.

(6) The Department of Revenue or its agents or assigns acting to investigate or collect delinquent taxes or unpaid court orders or to fulfill any of its other statutory responsibilities.

(7) The use of credit information for the purposes of prescreening as provided for by the federal Fair Credit Reporting Act.

(8) Any person or entity administering a credit file monitoring subscription or similar service to which the consumer has subscribed.

New matter indicated by italics - deletions by strikeout
(9) Any person or entity for the purpose of providing a consumer with a copy of his or her credit report or score upon the consumer's request.

(10) Any person using the information in connection with the underwriting of insurance.

(n-5) This Section does not prevent a consumer reporting agency from charging a fee of no more than $10 to a consumer for each freeze, removal, or temporary lift of the freeze, regarding access to a consumer credit report, except that a consumer reporting agency may not charge a fee to (i) a consumer 65 years of age or over for placement and removal of a freeze, or (ii) a victim of identity theft who has submitted to the consumer reporting agency a valid copy of a police report, investigative report, or complaint that the consumer has filed with a law enforcement agency about unlawful use of his or her personal information by another person.

(o) If a security freeze is in place, a consumer reporting agency shall not change any of the following official information in a credit report without sending a written confirmation of the change to the consumer within 30 days of the change being posted to the consumer's file: (i) name, (ii) date of birth, (iii) Social Security number, and (iv) address. Written confirmation is not required for technical modifications of a consumer's official information, including name and street abbreviations, complete spellings, or transposition of numbers or letters. In the case of an address change, the written confirmation shall be sent to both the new address and to the former address.

(p) The following entities are not required to place a security freeze in a consumer report, however, pursuant to paragraph (3) of this subsection, a consumer reporting agency acting as a reseller shall honor any security freeze placed on a consumer credit report by another consumer reporting agency:

(1) A check services or fraud prevention services company, which issues reports on incidents of fraud or authorizations for the purpose of approving or processing negotiable instruments, electronic funds transfers, or similar methods of payment.

(2) A deposit account information service company, which issues reports regarding account closures due to fraud, substantial overdrafts, ATM abuse, or similar negative information regarding a consumer to inquiring banks or other financial institutions for use
only in reviewing a consumer request for a deposit account at the inquiring bank or financial institution.

(3) A consumer reporting agency that:
   (A) acts only to resell credit information by assembling and merging information contained in a database of one or more consumer reporting agencies; and
   (B) does not maintain a permanent database of credit information from which new credit reports are produced.

(q) For purposes of this Section:
   "Credit report" has the same meaning as "consumer report", as ascribed to it in 15 U.S.C. Sec. 1681a(d).
   "Consumer reporting agency" has the meaning ascribed to it in 15 U.S.C. Sec. 1681a(f).
   "Security freeze" means a notice placed in a consumer's credit report, at the request of the consumer and subject to certain exceptions, that prohibits the consumer reporting agency from releasing the consumer's credit report or score relating to an extension of credit, without the express authorization of the consumer.
   "Extension of credit" does not include an increase in an existing open-end credit plan, as defined in Regulation Z of the Federal Reserve System (12 C.F.R. 226.2), or any change to or review of an existing credit account.
   "Proper authority" means documentation that shows that a parent, guardian, or agent has authority to act on behalf of a minor or disabled person. "Proper authority" includes (1) an order issued by a court of law that shows that a guardian has authority to act on behalf of a minor or disabled person, (2) a written, notarized statement signed by a parent that expressly describes the authority of the parent to act on behalf of the minor, or (3) a durable power of attorney that complies with the Illinois Power of Attorney Act.
   "Proper identification" means information generally deemed sufficient to identify a person. Only if the consumer is unable to reasonably identify himself or herself with the information described above, may a consumer reporting agency require additional information concerning the consumer's employment and personal or family history in order to verify his or her identity.

(r) Any person who violates this Section commits an unlawful practice within the meaning of this Act.

The decision shall be made, in writing, at the close of the hearing, or within 60 days thereof, and shall state the reasons upon which it is based. Decisions of the Department under this Section are administrative decisions subject to judicial review under the Administrative Review Law.

Sec. 6.5. Health benefits for TRS benefit recipients and TRS dependent beneficiaries.

(a) Purpose. It is the purpose of this amendatory Act of 1995 to transfer the administration of the program of health benefits established for benefit recipients and their dependent beneficiaries under Article 16 of the Illinois Pension Code to the Department of Central Management Services.

(b) Transition provisions. The Board of Trustees of the Teachers' Retirement System shall continue to administer the health benefit program established under Article 16 of the Illinois Pension Code through December 31, 1995. Beginning January 1, 1996, the Department of Central Management Services shall be responsible for administering a program of health benefits for TRS benefit recipients and TRS dependent beneficiaries under this Section. The Department of Central Management Services and the Teachers' Retirement System shall cooperate in this endeavor and shall coordinate their activities so as to ensure a smooth transition and uninterrupted health benefit coverage.

(c) Eligibility. All persons who were enrolled in the Article 16 program at the time of the transfer shall be eligible to participate in the program established under this Section without any interruption or delay in coverage or limitation as to pre-existing medical conditions. Eligibility to participate shall be determined by the Teachers' Retirement System. Eligibility information shall be communicated to the Department of Central Management Services in a format acceptable to the Department.

A TRS dependent beneficiary who is a child age 19 or over and mentally or physically disabled does not become ineligible to participate by reason of (i) becoming ineligible to be claimed as a dependent for Illinois or federal income tax purposes or (ii) receiving earned income, so long as those earnings are insufficient for the child to be fully self-sufficient.

(d) Coverage. The level of health benefits provided under this Section shall be similar to the level of benefits provided by the program previously established under Article 16 of the Illinois Pension Code.

Group life insurance benefits are not included in the benefits to be provided to TRS benefit recipients and TRS dependent beneficiaries under this Act.

The program of health benefits under this Section may include any or all of the benefit limitations, including but not limited to a reduction in benefits based on eligibility for federal medicare benefits, that are
provided under subsection (a) of Section 6 of this Act for other health benefit programs under this Act.

(e) Insurance rates and premiums. The Director shall determine the insurance rates and premiums for TRS benefit recipients and TRS dependent beneficiaries, and shall present to the Teachers' Retirement System of the State of Illinois, by April 15 of each calendar year, the rate-setting methodology (including but not limited to utilization levels and costs) used to determine the amount of the health care premiums.

For Fiscal Year 1996, the premium shall be equal to the premium actually charged in Fiscal Year 1995; in subsequent years, the premium shall never be lower than the premium charged in Fiscal Year 1995.

For Fiscal Year 2003, the premium shall not exceed 110% of the premium actually charged in Fiscal Year 2002.

For Fiscal Year 2004, the premium shall not exceed 112% of the premium actually charged in Fiscal Year 2003.

For Fiscal Year 2005, the premium shall not exceed a weighted average of 106.6% of the premium actually charged in Fiscal Year 2004.

For Fiscal Year 2007, the premium shall not exceed a weighted average of 103.9% of the premium actually charged in Fiscal Year 2006.

For Fiscal Year 2008 and thereafter, the premium in each fiscal year shall not exceed 105% of the premium actually charged in the previous fiscal year.

Rates and premiums may be based in part on age and eligibility for federal medicare coverage. However, the cost of participation for a TRS dependent beneficiary who is an unmarried child age 19 or over and mentally or physically disabled shall not exceed the cost for a TRS dependent beneficiary who is an unmarried child under age 19 and participates in the same major medical or managed care program.

The cost of health benefits under the program shall be paid as follows:

(1) For a TRS benefit recipient selecting a managed care program, up to 75% of the total insurance rate shall be paid from the Teacher Health Insurance Security Fund. Effective with Fiscal
Year 2007 and thereafter, for a TRS benefit recipient selecting a managed care program, 75% of the total insurance rate shall be paid from the Teacher Health Insurance Security Fund.

(2) For a TRS benefit recipient selecting the major medical coverage program, up to 50% of the total insurance rate shall be paid from the Teacher Health Insurance Security Fund if a managed care program is accessible, as determined by the Teachers' Retirement System. Effective with Fiscal Year 2007 and thereafter, for a TRS benefit recipient selecting the major medical coverage program, 50% of the total insurance rate shall be paid from the Teacher Health Insurance Security Fund if a managed care program is accessible, as determined by the Department of Central Management Services.

(3) For a TRS benefit recipient selecting the major medical coverage program, up to 75% of the total insurance rate shall be paid from the Teacher Health Insurance Security Fund if a managed care program is not accessible, as determined by the Teachers' Retirement System. Effective with Fiscal Year 2007 and thereafter, for a TRS benefit recipient selecting the major medical coverage program, 75% of the total insurance rate shall be paid from the Teacher Health Insurance Security Fund if a managed care program is not accessible, as determined by the Department of Central Management Services.

(3.1) For a TRS dependent beneficiary who is Medicare primary and enrolled in a managed care plan, or the major medical coverage program if a managed care plan is not available, 25% of the total insurance rate shall be paid from the Teacher Health Security Fund as determined by the Department of Central Management Services. For the purpose of this item (3.1), the term "TRS dependent beneficiary who is Medicare primary" means a TRS dependent beneficiary who is participating in Medicare Parts A and B.

(4) Except as otherwise provided in item (3.1), the balance of the rate of insurance, including the entire premium of any coverage for TRS dependent beneficiaries that has been elected, shall be paid by deductions authorized by the TRS benefit recipient to be withheld from his or her monthly annuity or benefit payment from the Teachers' Retirement System; except that (i) if the balance of the cost of coverage exceeds the amount of the monthly annuity

or benefit payment, the difference shall be paid directly to the Teachers' Retirement System by the TRS benefit recipient, and (ii) all or part of the balance of the cost of coverage may, at the school board's option, be paid to the Teachers' Retirement System by the school board of the school district from which the TRS benefit recipient retired, in accordance with Section 10-22.3b of the School Code. The Teachers' Retirement System shall promptly deposit all moneys withheld by or paid to it under this subdivision (e)(4) into the Teacher Health Insurance Security Fund. These moneys shall not be considered assets of the Retirement System.

(f) Financing. Beginning July 1, 1995, all revenues arising from the administration of the health benefit programs established under Article 16 of the Illinois Pension Code or this Section shall be deposited into the Teacher Health Insurance Security Fund, which is hereby created as a nonappropriated trust fund to be held outside the State Treasury, with the State Treasurer as custodian. Any interest earned on moneys in the Teacher Health Insurance Security Fund shall be deposited into the Fund.

Moneys in the Teacher Health Insurance Security Fund shall be used only to pay the costs of the health benefit program established under this Section, including associated administrative costs, and the costs associated with the health benefit program established under Article 16 of the Illinois Pension Code, as authorized in this Section. Beginning July 1, 1995, the Department of Central Management Services may make expenditures from the Teacher Health Insurance Security Fund for those costs.

After other funds authorized for the payment of the costs of the health benefit program established under Article 16 of the Illinois Pension Code are exhausted and until January 1, 1996 (or such later date as may be agreed upon by the Director of Central Management Services and the Secretary of the Teachers' Retirement System), the Secretary of the Teachers' Retirement System may make expenditures from the Teacher Health Insurance Security Fund as necessary to pay up to 75% of the cost of providing health coverage to eligible benefit recipients (as defined in Sections 16-153.1 and 16-153.3 of the Illinois Pension Code) who are enrolled in the Article 16 health benefit program and to facilitate the transfer of administration of the health benefit program to the Department of Central Management Services.

(g) Contract for benefits. The Director shall by contract, self-insurance, or otherwise make available the program of health benefits for TRS benefit recipients and their TRS dependent beneficiaries that is provided for in this Section. The contract or other arrangement for the provision of these health benefits shall be on terms deemed by the Director to be in the best interest of the State of Illinois and the TRS benefit recipients based on, but not limited to, such criteria as administrative cost, service capabilities of the carrier or other contractor, and the costs of the benefits.

(g-5) Committee. A Teacher Retirement Insurance Program Committee shall be established, to consist of 10 persons appointed by the Governor.

The Committee shall convene at least 4 times each year, and shall consider and make recommendations on issues affecting the program of health benefits provided under this Section. Recommendations of the Committee shall be based on a consensus of the members of the Committee.

In addition, the Committee shall identify proposed solutions to the funding shortfalls that are affecting the Teacher Health Insurance Security Fund, and it shall report those solutions to the Governor and the General Assembly within 6 months after August 15, 2011 (the effective date of Public Act 97-386).

(a) The State shall pay the cost of basic non-contributory group life insurance and, subject to member paid contributions set by the Department or required by this Section and except as provided in this Section, the basic program of group health benefits on each eligible member, except a member, not otherwise covered by this Act, who has retired as a participating member under Article 2 of the Illinois Pension Code but is ineligible for the retirement annuity under Section 2-119 of the Illinois Pension Code, and part of each eligible member's and retired member's premiums for health insurance coverage for enrolled dependents as provided by Section 9. The State shall pay the cost of the basic program of group health benefits only after benefits are reduced by the amount of benefits covered by Medicare for all members and dependents who are eligible for benefits under Social Security or the Railroad Retirement system or who had sufficient Medicare-covered government employment, except that such reduction in benefits shall apply only to those members and dependents who (1) first become eligible for such Medicare coverage on or after July 1, 1992; or (2) are Medicare-eligible members or dependents of a local government unit which began participation in the program on or after July 1, 1992; or (3) remain eligible for, but no longer receive Medicare coverage which they had been receiving on or after July 1, 1992. The Department may determine the aggregate level of the State's contribution on the basis of actual cost of medical services adjusted for age, sex or geographic or other demographic characteristics which affect the costs of such programs.

The cost of participation in the basic program of group health benefits for the dependent or survivor of a living or deceased retired employee who was formerly employed by the University of Illinois in the Cooperative Extension Service and would be an annuitant but for the fact that he or she was made ineligible to participate in the State Universities Retirement System by clause (4) of subsection (a) of Section 15-107 of the Illinois Pension Code shall not be greater than the cost of participation that would otherwise apply to that dependent or survivor if he or she were the dependent or survivor of an annuitant under the State Universities Retirement System.

Any such annuitant, survivor, or retired employee who has waived or terminated coverage may enroll or re-enroll in the program of group health benefits only during the annual benefit choice period, as determined by the Director; except that in the event of termination of coverage due to nonpayment of premiums, the annuitant, survivor, or retired employee may not re-enroll in the program.

(a-8.5) Beginning on the effective date of this amendatory Act of the 97th General Assembly, the Director of Central Management Services shall, on an annual basis, determine the amount that the State shall contribute toward the basic program of group health benefits on behalf of annuitants (including individuals who (i) participated in the General Assembly Retirement System, the State Employees' Retirement System of Illinois, the State Universities Retirement System, the Teachers' Retirement System of the State of Illinois, or the Judges Retirement System of Illinois and (ii) qualify as annuitants under subsection (b) of Section 3 of this Act), survivors (including individuals who (i) receive an annuity as a survivor of an individual who participated in the General Assembly Retirement System, the State Employees' Retirement System of Illinois, the State Universities Retirement System, the Teachers' Retirement System of the State of Illinois, or the Judges Retirement System of Illinois and (ii) qualify as survivors under subsection (q) of Section 3 of this Act), and retired employees (as defined in subsection (p) of Section 3 of this Act). The remainder of the cost of coverage for each annuitant, survivor, or retired employee, as determined by the Director of Central Management Services, shall be the responsibility of that annuitant, survivor, or retired employee.

Contributions required of annuitants, survivors, and retired employees shall be the same for all retirement systems and shall also be based on whether an individual has made an election under Section 15-135.1 of the Illinois Pension Code. Contributions may be based on annuitants', survivors', or retired employees' Medicare eligibility, but may not be based on Social Security eligibility.

A separate calculation of the premiums based upon the actual cost of each health care plan shall be so certified.

The Director of Central Management Services shall provide to the Executive Secretary of the State Employees’ Retirement System of Illinois such information, statistics, and other data as he or she may require to review the premium amounts certified by the Director of Central Management Services.

The Department of Central Management Services, or any successor agency designated to procure healthcare contracts pursuant to this Act, is authorized to establish funds, separate accounts provided by any bank or banks as defined by the Illinois Banking Act, or separate accounts provided by any savings and loan association or associations as defined by the Illinois Savings and Loan Act of 1985 to be held by the Director, outside the State treasury, for the purpose of receiving the transfer of moneys from the Local Government Health Insurance Reserve Fund. The Department may promulgate rules further defining the methodology for the transfers. Any interest earned by moneys in the funds or accounts shall inure to the Local Government Health Insurance Reserve Fund. The transferred moneys, and interest accrued thereon, shall be used exclusively for transfers to administrative service organizations or their financial institutions for payments of claims to claimants and providers under the self-insurance health plan. The transferred moneys, and interest accrued thereon, shall not be used for any other purpose including, but not limited to, reimbursement of administration fees due the administrative service organization pursuant to its contract or contracts with the Department.

(b) State employees who become eligible for this program on or after January 1, 1980 in positions normally requiring actual performance of duty not less than 1/2 of a normal work period but not equal to that of a normal work period, shall be given the option of participating in the available program. If the employee elects coverage, the State shall contribute on behalf of such employee to the cost of the employee's benefit and any applicable dependent supplement, that sum which bears the same percentage as that percentage of time the employee regularly works when compared to normal work period.

(c) The basic non-contributory coverage from the basic program of group health benefits shall be continued for each employee not in pay status or on active service by reason of (1) leave of absence due to illness or injury, (2) authorized educational leave of absence or sabbatical leave, or (3) military leave. This coverage shall continue until expiration of authorized leave and return to active service, but not to exceed 24 months for leaves under item (1) or (2). This 24-month limitation and the requirement of returning to active service shall not apply to persons receiving ordinary or accidental disability benefits or retirement benefits through the appropriate State retirement system or benefits under the Workers' Compensation or Occupational Disease Act.

(d) The basic group life insurance coverage shall continue, with full State contribution, where such person is (1) absent from active service by reason of disability arising from any cause other than self-inflicted, (2) on authorized educational leave of absence or sabbatical leave, or (3) on military leave.

(e) Where the person is in non-pay status for a period in excess of 30 days or on leave of absence, other than by reason of disability, educational or sabbatical leave, or military leave, such person may continue coverage only by making personal payment equal to the amount normally contributed by the State on such person's behalf. Such payments and coverage may be continued: (1) until such time as the person returns to a status eligible for coverage at State expense, but not to exceed 24 months or (2) until such person's employment or annuitant status with the State is terminated (exclusive of any additional service imposed pursuant to law).

(f) The Department shall establish by rule the extent to which other employee benefits will continue for persons in non-pay status or who are not in active service.

(g) The State shall not pay the cost of the basic non-contributory group life insurance, program of health benefits and other employee benefits for members who are survivors as defined by paragraphs (1) and (2) of subsection (q) of Section 3 of this Act. The costs of benefits for these survivors shall be paid by the survivors or by the University of Illinois Cooperative Extension Service, or any combination thereof. However, the State shall pay the amount of the reduction in the cost of participation, if any, resulting from the amendment to subsection (a) made by this amendatory Act of the 91st General Assembly.

Personnel Code who are not considered employees under this Act shall be given the option of participating in the programs of group life insurance, health benefits and other employee benefits. Such persons electing coverage may participate only by making payment equal to the amount normally contributed by the State for similarly situated employees. Such amounts shall be determined by the Director. Such payments and coverage may be continued until such time as the person becomes an employee pursuant to this Act or such person's appointment is terminated.

(i) Any unit of local government within the State of Illinois may apply to the Director to have its employees, annuitants, and their dependents provided group health coverage under this Act on a non-insured basis. To participate, a unit of local government must agree to enroll all of its employees, who may select coverage under either the State group health benefits plan or a health maintenance organization that has contracted with the State to be available as a health care provider for employees as defined in this Act. A unit of local government must remit the entire cost of providing coverage under the State group health benefits plan or, for coverage under a health maintenance organization, an amount determined by the Director based on an analysis of the sex, age, geographic location, or other relevant demographic variables for its employees, except that the unit of local government shall not be required to enroll those of its employees who are covered spouses or dependents under this plan or another group policy or plan providing health benefits as long as (1) an appropriate official from the unit of local government attests that each employee not enrolled is a covered spouse or dependent under this plan or another group policy or plan, and (2) at least 50% of the employees are enrolled and the unit of local government remits the entire cost of providing coverage to those employees, except that a participating school district must have enrolled at least 50% of its full-time employees who have not waived coverage under the district's group health plan by participating in a component of the district's cafeteria plan. A participating school district is not required to enroll a full-time employee who has waived coverage under the district's health plan, provided that an appropriate official from the participating school district attests that the full-time employee has waived coverage by participating in a component of the district's cafeteria plan. For the purposes of this subsection, "participating school district" includes a unit of local government whose primary purpose is education as defined by the Department's rules.
Employees of a participating unit of local government who are not enrolled due to coverage under another group health policy or plan may enroll in the event of a qualifying change in status, special enrollment, special circumstance as defined by the Director, or during the annual Benefit Choice Period. A participating unit of local government may also elect to cover its annuitants. Dependent coverage shall be offered on an optional basis, with the costs paid by the unit of local government, its employees, or some combination of the two as determined by the unit of local government. The unit of local government shall be responsible for timely collection and transmission of dependent premiums.

The Director shall annually determine monthly rates of payment, subject to the following constraints:

1. In the first year of coverage, the rates shall be equal to the amount normally charged to State employees for elected optional coverages or for enrolled dependents coverages or other contributory coverages, or contributed by the State for basic insurance coverages on behalf of its employees, adjusted for differences between State employees and employees of the local government in age, sex, geographic location or other relevant demographic variables, plus an amount sufficient to pay for the additional administrative costs of providing coverage to employees of the unit of local government and their dependents.

2. In subsequent years, a further adjustment shall be made to reflect the actual prior years' claims experience of the employees of the unit of local government.

In the case of coverage of local government employees under a health maintenance organization, the Director shall annually determine for each participating unit of local government the maximum monthly amount the unit may contribute toward that coverage, based on an analysis of (i) the age, sex, geographic location, and other relevant demographic variables of the unit's employees and (ii) the cost to cover those employees under the State group health benefits plan. The Director may similarly determine the maximum monthly amount each unit of local government may contribute toward coverage of its employees' dependents under a health maintenance organization.

Monthly payments by the unit of local government or its employees for group health benefits plan or health maintenance organization coverage shall be deposited in the Local Government Health Insurance Reserve Fund.

Employees of a participating rehabilitation facility who are not enrolled due to coverage under another group health policy or plan may enroll in the event of a qualifying change in status, special enrollment, special circumstance as defined by the Director, or during the annual Benefit Choice Period. (2) In subsequent years, a further adjustment shall be made to reflect the actual prior years' claims experience of the employees of the domestic violence shelter or service.

Monthly payments by the domestic violence shelter or service or its employees for group health insurance shall be deposited in the Local Government Health Insurance Reserve Fund.

(1) A public community college or entity organized pursuant to the Public Community College Act may apply to the Director initially to have only annuitants not covered prior to July 1, 1992 by the district's health plan provided health coverage under this Act on a non-insured basis. Effective January 1, 2011, no provision of this Act shall apply to an exempt person or entity as defined in item (1.8) of subsection (d) of Section 1-4 of this Act. Notwithstanding anything to the contrary in the preceding sentence, an individual acting as a mortgage loan originator who is not employed by and acting for an entity described in item (1) of subsection (tt) of Section 1-4 of this Act shall be subject to the mortgage loan originator licensing requirements of Article VII of this Act, and provided that an individual acting as a mortgage loan originator under item (1.8) of subsection (d) of Section 1-4 of this Act shall be further subject to a determination by the U.S. Department of Housing and Urban Development through final rulemaking or other authorized agency determination under the federal Secure and Fair Enforcement for Mortgage Licensing Act of 2008.

(a-1) A person who is exempt from licensure pursuant to paragraph (ii) of item (1) of subsection (d) of Section 1-4 of this Act as a federally chartered savings bank that is registered with the Nationwide Mortgage Licensing System and Registry may apply to the Secretary for an exempt company registration for the purpose of sponsoring one or more individuals subject to the mortgage loan originator licensing requirements of Article VII of this Act. Registration with the Division of Banking of the Department shall not affect the exempt status of the applicant.

(1) A mortgage loan originator eligible for licensure under this subsection shall (A) be covered under an exclusive written contract with, and originate residential mortgage loans solely on behalf of, that exempt person; and (B) hold a current, valid insurance producer license under Article XXXI of the Illinois Insurance Code.

supervise the activities of all its sponsored mortgage loan
originators; (D) comply with all rules and orders (including the
averments contained in Section 2-4 of this Act as applicable to a
non-licensed exempt entity provided for in this Section) that the
Secretary deems necessary to ensure compliance with the federal
SAFE Act; and (E) pay an annual registration fee established by
the Director.

(3) The Secretary may deny an exempt company
registration to an exempt person or fine, suspend, or revoke an
exempt company registration if the Secretary finds one of the
following:

(A) that the exempt person is not a person of
honesty, truthfulness, or good character;
(B) that the exempt person violated any applicable
law, rule, or order;
(C) that the exempt person refused or failed to
furnish, within a reasonable time, any information or make
any report that may be required by the Secretary;
(D) that the exempt person had a final judgment
entered against him or her in a civil action on grounds of
fraud, deceit, or misrepresentation, and the conduct on

person to manage a loan originator;
(E) that the exempt person had an order entered
against him or her involving fraud, deceit, or
misrepresentation by an administrative agency of this State,
the federal government, or any other state or territory of
the United States, and the facts relating to the order
indicate that it would be contrary to the interest of the
public to permit the exempt person to manage a loan
originator;
(F) that the exempt person made a material
misstatement or suppressed or withheld information on the
application for an exempt company registration or any
document required to be filed with the Secretary; or

Sec. 4-2. Examination; prohibited activities.

(a) The business affairs of a licensee under this Act shall be examined for compliance with this Act as often as the Secretary Commissioner deems necessary and proper. The Secretary Commissioner shall promulgate rules with respect to the frequency and manner of examination. The Secretary Commissioner shall appoint a suitable person to perform such examination. The Secretary Commissioner and his appointees may examine the entire books, records, documents, and operations of each licensee and its subsidiary, affiliate, or agent, and may examine any of the licensee's or its subsidiary's, affiliate's, or agent's officers, directors, employees and agents under oath. (d) The expenses of any examination of the licensee and affiliates shall be borne by the licensee and assessed by the Secretary Commissioner as established by regulation.

(e) Upon completion of the examination, the Secretary Commissioner shall issue a report to the licensee. All confidential supervisory information, including the examination report and the work papers of the report, shall belong to the Secretary's Commissioner's office and may not be disclosed to anyone other than the licensee, law enforcement officials or other regulatory agencies that have an appropriate regulatory interest as determined by the Secretary Commissioner, or to a party presenting a lawful subpoena to the Office of the Secretary Commissioner. The Secretary Commissioner may immediately appeal to the court of jurisdiction the disclosure of such confidential supervisory information and seek a stay of the subpoena pending the outcome of the appeal. Reports required of licensees by the Secretary Commissioner under this Act and results of examinations performed by the Secretary Commissioner under this Act shall be the property of only the Secretary Commissioner, but may be shared with the licensee. Access under this Act to the books and records of each licensee shall be limited to the Secretary Commissioner and his agents as provided in this Act and to the licensee and its authorized agents and designees. The Secretary Commissioner may impose any conditions and limitations on the disclosure of confidential supervisory information that are necessary to protect the confidentiality of such information. Except as authorized by the Secretary Commissioner, no person obtaining access to confidential supervisory information may make a copy of the confidential supervisory information. The Secretary Commissioner may condition a decision to disclose confidential supervisory information on entry of a protective order by the court or administrative tribunal presiding in the particular case or on a written agreement of confidentiality. In a case in which a protective order or
agreement has already been entered between parties other than the *Secretary Commissioner*, the *Secretary Commissioner* may nevertheless condition approval for release of confidential supervisory information upon the inclusion of additional or amended provisions in the protective order. The *Secretary Commissioner* may authorize a party who obtained the records for use in one case to provide them to another party in another case, subject to any conditions that the *Secretary Commissioner* may impose on either or both parties. The requestor shall promptly notify other parties to a case the release of confidential supervisory information obtained and, upon entry of a protective order, shall provide copies of confidential supervisory information to the other parties.

(f) The *Secretary Commissioner*, deputy commissioners, and employees of the Office of Banks and Real Estate shall be subject to the restrictions provided in Section 2.5 of the Division of Banking Act including, without limitation, the restrictions on (i) owning shares of stock or holding any other equity interest in an entity regulated under this Act or in any corporation or company that owns or controls an entity regulated under this Act; (ii) being an officer, director, employee, or agent of an entity regulated under this Act; and (iii) obtaining a loan or accepting a gratuity from an entity regulated under this Act.

(g) After the initial examination for those licensees whose only mortgage activity is servicing fewer than 1,000 Illinois residential loans, the examination required in subsection (a) may be waived upon submission of a letter from the licensee's independent certified auditor that the licensee serviced fewer than 1,000 Illinois residential loans during the year in which the audit was performed.

(h) An exempt entity under subsection (a-1) of Section 1-3 of this Act shall cooperate with the Secretary in the examination and investigation of its sponsored and licensed mortgage loan originators at a frequency determined by the Secretary. The exempt entity under subsection (a-1) of Section 1-3 of this Act shall cooperate with the Secretary in providing mortgage loan originator documents and access to mortgage loan originator offices for the purposes of examination and investigation. The activities of the exempt entity shall not relieve a mortgage loan originator of his or her individual requirements under Section 7-15 of this Act. An exempt entity under subsection (a-1) of Section 1-3 of this Act shall pay to the Department any examination fees invoiced by the Secretary for examination of its sponsored mortgage loan originators. PUBLIC ACT 98-0493
(Senate Bill No. 1911)

AN ACT concerning State government.

Be it enacted by the People of the State of Illinois, represented in the General Assembly:

Section 5. The Department of Public Health Powers and Duties Law of the Civil Administrative Code of Illinois is amended by adding Section 2310-665 as follows:

(20 ILCS 2310/2310-665 new)

New matter indicated by italics - deletions by strikeout
Sec. 2310-665. Hepatitis C Task Force.

(a) The General Assembly finds and declares the following:

(1) Viral hepatitis is a contagious and life-threatening disease that has a substantial and increasing effect upon the lifespans and quality of life of at least 5,000,000 persons living in the United States and as many as 180,000,000 worldwide. According to the U.S. Department of Health and Human Services (HHS), the chronic form of the hepatitis C virus (HCV) and hepatitis B virus (HBV) account for the vast majority of hepatitis-related mortalities in the U.S., yet as many as 65% to 75% of infected Americans remain unaware that they are infected with the virus, prompting the U.S. Centers for Disease Control and Prevention (CDC) to label these viruses as the silent epidemic. HCV and HBV are major public health problems that cause chronic liver diseases, such as cirrhosis, liver failure, and liver cancer. The 5-year survival rate for primary liver cancer is less than 5%. These viruses are also the leading cause of liver transplantation in the United States. While there is a vaccine for HBV, no vaccine exists for HCV. However, there are anti-viral treatments for HCV that can improve the prognosis or actually clear the virus from the patient's system. Unfortunately, the vast majority of infected patients remain unaware that they have the virus since there are generally no symptoms. Therefore, there is a dire need to aid the public in identifying certain risk factors that would warrant testing for these viruses. Millions of infected patients remain undiagnosed and continue to be at elevated risks for developing more serious complications. More needs to be done to educate the public about this disease and the risk factors that warrant testing. In some cases, infected patients play an unknowing role in further spreading this infectious disease.

(2) The existence of HCV was definitively published and discovered by medical researchers in 1989. Prior to this date, HCV is believed to have spread unchecked. The American Association for the Study of Liver Diseases (AASLD) recommends that primary care physicians screen all patients for a history of any viral hepatitis risk factor and test those individuals with at least one identifiable risk factor for the virus. Some of the most common risk factors have been identified by AASLD, HHS, and the

U.S. Department of Veterans Affairs, as well as other public health and medical research organizations, and include the following:

(A) anyone who has received a blood transfusion prior to 1992;
(B) anyone who is a Vietnam-era veteran;
(C) anyone who has abnormal liver function tests;
(D) anyone infected with the HIV virus;
(E) anyone who has used a needle to inject drugs;
(F) any health care, emergency medical, or public safety worker who has been stuck by a needle or exposed to any mucosal fluids of an HCV-infected person; and
(G) any children born to HCV-infected mothers.

A 1994 study determined that Caucasian Americans statistically accounted for the most number of infected persons in the United States, while the highest incidence rates were among African and Hispanic Americans.

(3) In January of 2010, the Institute of Medicine (IOM), commissioned by the CDC, issued a comprehensive report entitled *Hepatitis and Liver Cancer: A National Strategy for Prevention and Control of Hepatitis B and C*. The key findings and recommendations from the IOM's report are (A) there is a lack of knowledge and awareness about chronic viral hepatitis on the part of health care and social service providers, (B) there is a lack of knowledge and awareness about chronic viral hepatitis among at-risk populations, members of the public, and policy makers, and (C) there is insufficient understanding about the extent and seriousness of the public health problem, so inadequate public resources are being allocated to prevention, control, and surveillance programs.

(4) In this same 2010 IOM report, researchers compared the prevalence and incidences of HCV, HBV, and HIV and found that, although there are only 1,100,000 HIV/AIDS infected persons in the United States and over 4,000,000 Americans infected with viral hepatitis, the percentage of those with HIV that are unaware they have HIV is only 21% as opposed to approximately 70% of those with viral hepatitis being unaware that they have viral hepatitis. It appears that public awareness of risk factors associated with each of these diseases could be a major factor in the alarming disparity between the percentage of the population

New matter indicated by italics - deletions by strikeout
that is infected with one of these blood viruses, but unaware that they are infected.

(5) In light of the widely varied nature of the risk factors mentioned in this subsection (a), the previous findings by the Institute of Medicine, and the clear evidence of the disproportional public awareness between HIV and viral hepatitis, it is clearly in the public interest for this State to establish a task force to gather testimony and develop an action plan to (A) increase public awareness of the risk factors for these viruses, (B) improve access to screening for these viruses, and (C) provide those infected with information about the prognosis, treatment options, and elevated risk of developing cirrhosis and liver cancer. There is clear and increasing evidence that many adults in Illinois and in the United States have at least one of the risk factors mentioned in this subsection (a).

(6) The General Assembly also finds that it is in the public interest to bring communities of Illinois-based veterans of American military service into familiarity with the issues created by this disease, because many veterans, especially Vietnam-era veterans, have at least one of the previously enumerated risk factors and are especially prone to being affected by this disease; and because veterans of American military service should enjoy in all cases, and do enjoy in most cases, adequate access to health care services that include medical management and care for preexisting and long-term medical conditions, such as infection with the hepatitis virus.

(b) There is established the Hepatitis C Task Force within the Department of Public Health. The purpose of the Task Force shall be to:

(1) develop strategies to identify and address the unmet needs of persons with hepatitis C in order to enhance the quality of life of persons with hepatitis C by maximizing productivity and independence and addressing emotional, social, financial, and vocational challenges of persons with hepatitis C;

(2) develop strategies to provide persons with hepatitis C greater access to various treatments and other therapeutic options that may be available; and

(3) develop strategies to improve hepatitis C education and awareness.

(c) The Task Force shall consist of 17 members as follows:

New matter indicated by italics - deletions by strikeout
(1) the Director of Public Health, the Director of Veterans' Affairs, and the Director of Human Services, or their designees, who shall serve ex officio;

(2) ten public members who shall be appointed by the Director of Public Health from the medical, patient, and service provider communities, including, but not limited to, HCV Support, Inc.; and

(3) four members of the General Assembly, appointed one each by the President of the Senate, the Minority Leader of the Senate, the Speaker of the House of Representatives, and the Minority Leader of the House of Representatives.

Vacancies in the membership of the Task Force shall be filled in the same manner provided for in the original appointments.

(d) The Task Force shall organize within 120 days following the appointment of a majority of its members and shall select a chairperson and vice-chairperson from among the members. The chairperson shall appoint a secretary, who need not be a member of the Task Force.

(e) The public members shall serve without compensation and shall not be reimbursed for necessary expenses incurred in the performance of their duties, unless funds become available to the Task Force.

(f) The Task Force shall be entitled to call to its assistance and avail itself of the services of the employees of any State, county, or municipal department, board, bureau, commission, or agency as it may require and as may be available to it for its purposes.

(g) The Task Force may meet and hold hearings as it deems appropriate.

(h) The Department of Public Health shall provide staff support to the Task Force.

(i) The Task Force shall report its findings and recommendations to the Governor and to the General Assembly, along with any legislative bills that it desires to recommend for adoption by the General Assembly, no later than December 31, 2015.

(j) The Task Force is abolished and this Section is repealed on January 1, 2016.

Petty cash funds may be established and maintained from moneys which are appropriated to the agency for Contractual Services. In the case of an agency which receives a single appropriation for its ordinary and

contingent expenses, the agency may establish a petty cash fund from the appropriated funds.

Before the establishment of any petty cash fund, the agency shall submit to the State Comptroller a survey of the need for the fund. The survey shall also establish that sufficient internal accounting controls exist. The Comptroller shall investigate such need and if he determines that it exists and that adequate accounting controls exist, shall approve the establishment of the fund. The Comptroller shall have the power to revoke any approval previously made under this Section.

Petty cash funds established under this Section shall be operated and maintained on the imprest system and no fund shall exceed $1,000, except that the Department of Revenue may maintain a fund not exceeding $2,000 for each Department of Revenue facility and the Secretary of State may maintain a fund of not exceeding $2,000 for each Chicago Motor Vehicle Facility, each Springfield Public Service Facility, and the Motor Vehicle Facilities in Champaign, Decatur, Marion, Naperville, Peoria, Rockford, Granite City, Quincy, and Carbondale, to be used solely for the purpose of making change. Except for purchases made by procurement card as provided in subsection (b) of this Section, single transactions shall be limited to amounts less than $50, and all transactions occurring in the fund shall be reported and accounted for as may be provided in the uniform accounting system developed by the State Comptroller and the rules and regulations implementing that accounting system. All amounts in any such fund of less than $1,000 but over $100 shall be kept in a checking account in a bank, or savings and loan association or trust company which is insured by the United States government or any agency of the United States government, except that in funds maintained in each Department of Revenue Facility, Chicago Motor Vehicle Facilities, each Springfield Public Service Facility, and the Motor Vehicle Facilities in Champaign, Decatur, Marion, Naperville, Peoria, Rockford, Granite City, Quincy, and Carbondale, all amounts in the fund may be retained on the premises of such facilities.

No bank or savings and loan association shall receive public funds as permitted by this Section, unless it has complied with the requirements established pursuant to Section 6 of "An Act relating to certain investments of public funds by public agencies", approved July 23, 1943, as now or hereafter amended.

An internal audit shall be performed of any petty cash fund which receives reimbursements of more than $5,000 in a fiscal year.
Upon succession in the custodianship of any petty cash fund, both the former and successor custodians shall sign a statement, in triplicate, showing the exact status of the fund at the time of the transfer. The original copy shall be kept on file in the office wherein the fund exists, and each signer shall be entitled to retain one copy.

(b) The Comptroller may provide by rule for the use of purchasing cards by State agencies to pay for purchases that otherwise may be paid out of the agency's petty cash fund. Any rule adopted hereunder shall impose a single transaction limit, which shall not be greater than $500.

The rules of the Comptroller may include but shall not be limited to:

(1) standards for the issuance of purchasing cards to State agencies based upon the best interests of the State;
(2) procedures for recording purchasing card transactions within the State accounting system, which may provide for summary reporting;
(3) procedures for auditing purchasing card transactions on a post-payment basis;
(4) standards for awarding contracts with a purchasing card vendor to acquire purchasing cards for use by State agencies; and
(5) procedures for the Comptroller to charge against State agency appropriations for payment of purchasing card expenditures without the use of the voucher and warrant system.

(B) A copyright is utilized in a state to the extent that printing or other publication originates in the state. (35 ILCS 5/304) (from Ch. 120, par. 3-304)

Sec. 304. Business income of persons other than residents.

(a) In general. The business income of a person other than a resident shall be allocated to this State if such person's business income is derived solely from this State. If a person other than a resident derives business income from this State and one or more other states, then, for tax years ending on or before December 30, 1998, and except as otherwise provided by this Section, such person's business income shall be apportioned to this State by multiplying the income by a fraction, the numerator of which is the sum of the property factor (if any), the payroll factor (if any) and 200% of the sales factor (if any), and the denominator of which is 4 reduced by the number of factors other than the sales factor which have a denominator of zero and by an additional 2 if the sales factor has a denominator of zero. For tax years ending on or after December 31, 1998, and except as otherwise provided by this Section, persons other than residents who derive business income from this State and one or more other states shall compute their apportionment factor by weighting their property, payroll, and sales factors as provided in subsection (h) of this Section.

(1) Property factor.

(A) The property factor is a fraction, the numerator of which is the average value of the person's real and tangible personal property owned or rented and used in the trade or business in this State during the taxable year and the denominator of which is the average value of all the person's real and tangible personal property owned or rented and used in the trade or business during the taxable year.
(B) Property owned by the person is valued at its original cost. Property rented by the person is valued at 8 times the net annual rental rate. Net annual rental rate is the annual rental rate paid by the person less any annual rental rate received by the person from sub-rentals.

(C) The average value of property shall be determined by averaging the values at the beginning and ending of the taxable year but the Director may require the averaging of monthly values during the taxable year if reasonably required to reflect properly the average value of the person's property.

(2) Payroll factor.

(A) The payroll factor is a fraction, the numerator of which is the total amount paid in this State during the taxable year by the person for compensation, and the denominator of which is the total compensation paid everywhere during the taxable year.

(B) Compensation is paid in this State if:

(i) The individual's service is performed entirely within this State;

(ii) The individual's service is performed both within and without this State, but the service performed without this State is incidental to the individual's service performed within this State; or

(iii) Some of the service is performed within this State and either the base of operations, or if there is no base of operations, the place from which the service is directed or controlled is within this State, or the base of operations or the place from which the service is directed or controlled is not in any state in which some part of the service is performed, but the individual's residence is in this State.

(iv) Compensation paid to nonresident professional athletes.

(a) General. The Illinois source income of a nonresident individual who is a member of a professional athletic team includes the portion of the individual's total compensation for services performed as a member of a professional athletic team during the taxable year which the number of duty days spent within this State performing services for the team in any manner during the taxable year.
bears to the total number of duty days spent both within and without this State during the taxable year.

(b) Travel days. Travel days that do not involve either a game, practice, team meeting, or other similar team event are not considered duty days spent in this State. However, such travel days are considered in the total duty days spent both within and without this State.

(c) Definitions. For purposes of this subpart (iv):

(1) The term "professional athletic team" includes, but is not limited to, any professional baseball, basketball, football, soccer, or hockey team.

(2) The term "member of a professional athletic team" includes those employees who are active players, players on the disabled list, and any other persons required to travel and who travel with and perform services on behalf of a professional athletic team on a regular basis. This includes, but is not limited to, coaches, managers, and trainers.

(3) Except as provided in items (C) and (D) of this subpart (3), the term "duty days" means all days during the taxable year from the beginning of the professional athletic team's official pre-season training period through the last game in which the team competes or is scheduled to compete. Duty days shall be counted for the year in which they occur, including where a team's official pre-season training period through the last game in which the team competes or is scheduled to compete, occurs during more than one tax year.

(A) Duty days shall also include days on which a member of a professional athletic team performs service for a team on a date that does not fall within the foregoing period (e.g., participation in instructional leagues, the "All Star Game", or promotional "caravans"). Performing a service for a professional athletic team includes conducting training and rehabilitation

activities, when such activities are conducted at team facilities.

(B) Also included in duty days are game days, practice days, days spent at team meetings, promotional caravans, preseason training camps, and days served with the team through all post-season games in which the team competes or is scheduled to compete.

(C) Duty days for any person who joins a team during the period from the beginning of the professional athletic team’s official pre-season training period through the last game in which the team competes, or is scheduled to compete, shall begin on the day that person joins the team. Conversely, duty days for any person who leaves a team during this period shall end on the day that person leaves the team. Where a person switches teams during a taxable year, a separate duty-day calculation shall be made for the period the person was with each team.

(D) Days for which a member of a professional athletic team is not compensated and is not performing services for the team in any manner, including days when such member of a professional athletic team has been suspended without pay and prohibited from performing any services for the team, shall not be treated as duty days.

(E) Days for which a member of a professional athletic team is on the disabled list and does not conduct rehabilitation activities at facilities of the team, and is not otherwise performing services for the team in Illinois, shall not be considered duty days spent in this State. All days on the disabled list, however, are considered to be included
in total duty days spent both within and without this State.

(4) The term "total compensation for services performed as a member of a professional athletic team" means the total compensation received during the taxable year for services performed:

   (A) from the beginning of the official pre-season training period through the last game in which the team competes or is scheduled to compete during that taxable year; and

   (B) during the taxable year on a date which does not fall within the foregoing period (e.g., participation in instructional leagues, the "All Star Game", or promotional caravans).

This compensation shall include, but is not limited to, salaries, wages, bonuses as described in this subpart, and any other type of compensation paid during the taxable year to a member of a professional athletic team for services performed in that year. This compensation does not include strike benefits, severance pay, termination pay, contract or option year buy-out payments, expansion or relocation payments, or any other payments not related to services performed for the team.

For purposes of this subparagraph, "bonuses" included in "total compensation for services performed as a member of a professional athletic team" subject to the allocation described in Section 302(c)(1) are: bonuses earned as a result of play (i.e., performance bonuses) during the season, including bonuses paid for championship, playoff or "bowl" games played by a team, or for selection to all-star league or other honorary positions; and bonuses paid for signing a contract, unless the payment of the signing bonus is not conditional upon the signee playing any games for the team or

(3) Sales factor.

(A) The sales factor is a fraction, the numerator of which is the total sales of the person in this State during the taxable year, and the denominator of which is the total sales of the person everywhere during the taxable year.

(B) Sales of tangible personal property are in this State if:

(i) The property is delivered or shipped to a purchaser, other than the United States government, within this State regardless of the f. o. b. point or other conditions of the sale; or

(ii) The property is shipped from an office, store, warehouse, factory or other place of storage in this State and either the purchaser is the United States government or the person is not taxable in the state of the purchaser; provided, however, that premises owned or leased by a person who has independently contracted with the seller for the printing of newspapers, periodicals or books shall not be deemed to be an office, store, warehouse, factory or other place of storage for purposes of this Section. Sales of tangible personal property are not in this State if the seller and purchaser would be members of the same unitary business group but for the fact that either the seller or purchaser is a person with 80% or more of total business activity outside of the United States and the property is purchased for resale.

(B-1) Patents, copyrights, trademarks, and similar items of intangible personal property.

(i) Gross receipts from the licensing, sale, or other disposition of a patent, copyright, trademark, or similar item of intangible personal property, other than gross receipts governed by paragraph (B-7) of this item (3), are in this State to the extent the item is utilized in this State during the year the gross receipts are included in gross income.

(ii) Place of utilization.

(I) A patent is utilized in a state to the extent that it is employed in production, fabrication, manufacturing, or other processing in the state or to the extent that a patented product is produced in the state. If a patent is utilized in more than one state, the extent to which it is utilized in any one state shall be a fraction equal to the gross receipts of the licensee or purchaser from sales or leases of items produced, fabricated, manufactured, or processed within that state using the patent and of patented items produced within that state, divided by the total of such gross receipts for all states in which the patent is utilized.

(II) A copyright is utilized in a state to the extent that printing or other publication originates in the state. If a copyright is utilized in more than one state, the extent to which it is utilized in any one state shall be a fraction equal to the gross receipts from sales or licenses of materials printed or published in that state divided by the total of such gross receipts for all states in which the copyright is utilized.

(III) Trademarks and other items of intangible personal property governed by this paragraph (B-1) are utilized in the state in which the commercial domicile of the licensee or purchaser is located.

(iii) If the state of utilization of an item of property governed by this paragraph (B-1) cannot be determined from the taxpayer's books and records or from the books and records of any person related to the taxpayer within the meaning of Section 267(b) of the Internal Revenue Code, 26 U.S.C. 267, the gross receipts attributable to that item shall be excluded from both the numerator and the denominator of the sales factor.

(B-2) Gross receipts from the license, sale, or other disposition of patents, copyrights, trademarks, and similar items of intangible personal property, other than gross receipts governed by

New matter indicated by italics - deletions by strikeout
paragraph (B-7) of this item (3), may be included in the numerator or denominator of the sales factor only if gross receipts from licenses, sales, or other disposition of such items comprise more than 50% of the taxpayer's total gross receipts included in gross income during the tax year and during each of the 2 immediately preceding tax years; provided that, when a taxpayer is a member of a unitary business group, such determination shall be made on the basis of the gross receipts of the entire unitary business group.

(B-7) For taxable years ending on or after December 31, 2008, receipts from the sale of broadcasting services are in this State if the broadcasting services are received in this State. For purposes of this paragraph (B-7), the following terms have the following meanings:

"Advertising revenue" means consideration received by the taxpayer in exchange for broadcasting services or allowing the broadcasting of commercials or announcements in connection with the broadcasting of film or radio programming, from sponsorships of the programming, or from product placements in the programming.

"Audience factor" means the ratio that the audience or subscribers located in this State of a station, a network, or a cable system bears to the total audience or total subscribers for that station, network, or cable system. The audience factor for film or radio programming shall be determined by reference to the books and records of the taxpayer or by reference to published rating statistics provided the method used by the taxpayer is consistently used from year to year for this purpose and fairly represents the taxpayer's activity in this State.

"Broadcast" or "broadcasting" or "broadcasting services" means the transmission or provision of film or radio programming, whether through the public airwaves,
by cable, by direct or indirect satellite transmission, or by any other means of communication, either through a station, a network, or a cable system.

"Film" or "film programming" means the broadcast on television of any and all performances, events, or productions, including but not limited to news, sporting events, plays, stories, or other literary, commercial, educational, or artistic works, either live or through the use of video tape, disc, or any other type of format or medium. Each episode of a series of films produced for television shall constitute separate "film" notwithstanding that the series relates to the same principal subject and is produced during one or more tax periods.

"Radio" or "radio programming" means the broadcast on radio of any and all performances, events, or productions, including but not limited to news, sporting events, plays, stories, or other literary, commercial, educational, or artistic works, either live or through the use of an audio tape, disc, or any other format or medium. Each episode in a series of radio programming produced for radio broadcast shall constitute a separate "radio programming" notwithstanding that the series relates to the same principal subject and is produced during one or more tax periods.

(i) In the case of advertising revenue from broadcasting, the customer is the advertiser and the service is received in this State if the commercial domicile of the advertiser is in this State.

(ii) In the case where film or radio programming is broadcast by a station, a network, or a cable system for a fee or other remuneration received from the recipient of the broadcast, the portion of the service that is received in this State is measured by the portion of the recipients of the broadcast located in this State. Accordingly, the fee or other remuneration for such service that is included in the Illinois numerator of the sales factor is the total of those fees or other remuneration received from recipients in Illinois. For purposes of

this paragraph, a taxpayer may determine the location of the recipients of its broadcast using the address of the recipient shown in its contracts with the recipient or using the billing address of the recipient in the taxpayer's records.

(iii) In the case where film or radio programming is broadcast by a station, a network, or a cable system for a fee or other remuneration from the person providing the programming, the portion of the broadcast service that is received by such station, network, or cable system in this State is measured by the portion of recipients of the broadcast located in this State. Accordingly, the amount of revenue related to such an arrangement that is included in the Illinois numerator of the sales factor is the total fee or other total remuneration from the person providing the programming related to that broadcast multiplied by the Illinois audience factor for that broadcast.

(iv) In the case where film or radio programming is provided by a taxpayer that is a network or station to a customer for broadcast in exchange for a fee or other remuneration from that customer the broadcasting service is received at the location of the office of the customer from which the services were ordered in the regular course of the customer's trade or business. Accordingly, in such a case the revenue derived by the taxpayer that is included in the taxpayer's Illinois numerator of the sales factor is the revenue from such customers who receive the broadcasting service in Illinois.

(v) In the case where film or radio programming is provided by a taxpayer that is not a network or station to another person for broadcasting in exchange for a fee or other remuneration from that person, the broadcasting service is received at the location of the office of the customer from which the services were ordered in the regular course of the customer's trade or business. Accordingly, in such a case the revenue derived by the taxpayer that is included in the taxpayer's Illinois numerator of the sales factor is the revenue from such customers who receive the broadcasting service in Illinois.
business. Accordingly, in such a case the revenue derived by the taxpayer that is included in the taxpayer's Illinois numerator of the sales factor is the revenue from such customers who receive the broadcasting service in Illinois.

(B-8) Gross receipts from winnings under the Illinois Lottery Law from the assignment of a prize under Section 13-1 of the Illinois Lottery Law are received in this State. This paragraph (B-8) applies only to taxable years ending on or after December 31, 2013.

(C) For taxable years ending before December 31, 2008, sales, other than sales governed by paragraphs (B), (B-1), (B-2), and (B-8) are in this State if:

(i) The income-producing activity is performed in this State; or

(ii) The income-producing activity is performed both within and without this State and a greater proportion of the income-producing activity is performed within this State than without this State, based on performance costs.

(C-5) For taxable years ending on or after December 31, 2008, sales, other than sales governed by paragraphs (B), (B-1), (B-2), (B-5), and (B-7), are in this State if any of the following criteria are met:

(i) Sales from the sale or lease of real property are in this State if the property is located in this State.

(ii) Sales from the lease or rental of tangible personal property are in this State if the property is located in this State during the rental period. Sales from the lease or rental of tangible personal property that is characteristically moving property, including, but not limited to, motor vehicles, rolling stock, aircraft, vessels, or mobile equipment are in this State to the extent that the property is used in this State.

(iii) In the case of interest, net gains (but not less than zero) and other items of income from intangible personal property, the sale is in this State if:

(a) in the case of a taxpayer who is a dealer in the item of intangible personal property within the meaning of Section 475 of the Internal Revenue

Code, the income or gain is received from a customer in this State. For purposes of this subparagraph, a customer is in this State if the customer is an individual, trust or estate who is a resident of this State and, for all other customers, if the customer's commercial domicile is in this State. Unless the dealer has actual knowledge of the residence or commercial domicile of a customer during a taxable year, the customer shall be deemed to be a customer in this State if the billing address of the customer, as shown in the records of the dealer, is in this State; or

(b) in all other cases, if the income-producing activity of the taxpayer is performed in this State or, if the income-producing activity of the taxpayer is performed both within and without this State, if a greater proportion of the income-producing activity of the taxpayer is performed within this State than in any other state, based on performance costs.

(iv) Sales of services are in this State if the services are received in this State. For the purposes of this section, gross receipts from the performance of services provided to a corporation, partnership, or trust may only be attributed to a state where that corporation, partnership, or trust has a fixed place of business. If the state where the services are received is not readily determinable or is a state where the corporation, partnership, or trust receiving the service does not have a fixed place of business, the services shall be deemed to be received at the location of the office of the customer from which the services were ordered in the regular course of the customer's trade or business. If the ordering office cannot be determined, the services shall be deemed to be received at the office of the customer to which the services are billed. If the taxpayer is not taxable in the state in which the services are received, the sale must be excluded from both the numerator and the denominator of the sales factor. The Department shall adopt rules

prescribing where specific types of service are received, including, but not limited to, publishing, and utility service.

(D) For taxable years ending on or after December 31, 1995, the following items of income shall not be included in the numerator or denominator of the sales factor: dividends; amounts included under Section 78 of the Internal Revenue Code; and Subpart F income as defined in Section 952 of the Internal Revenue Code. No inference shall be drawn from the enactment of this paragraph (D) in construing this Section for taxable years ending before December 31, 1995.

(E) Paragraphs (B-1) and (B-2) shall apply to tax years ending on or after December 31, 1999, provided that a taxpayer may elect to apply the provisions of these paragraphs to prior tax years. Such election shall be made in the form and manner prescribed by the Department, shall be irrevocable, and shall apply to all tax years; provided that, if a taxpayer's Illinois income tax liability for any tax year, as assessed under Section 903 prior to January 1, 1999, was computed in a manner contrary to the provisions of paragraphs (B-1) or (B-2), no refund shall be payable to the taxpayer for that tax year to the extent such refund is the result of applying the provisions of paragraph (B-1) or (B-2) retroactively. In the case of a unitary business group, such election shall apply to all members of such group for every tax year such group is in existence, but shall not apply to any taxpayer for any period during which that taxpayer is not a member of such group.

(b) Insurance companies.

(1) In general. Except as otherwise provided by paragraph (2), business income of an insurance company for a taxable year shall be apportioned to this State by multiplying such income by a fraction, the numerator of which is the direct premiums written for insurance upon property or risk in this State, and the denominator of which is the direct premiums written for insurance upon property or risk everywhere. For purposes of this subsection, the term "direct premiums written" means the total amount of direct premiums written, assessments and annuity considerations as reported for the taxable year on the annual statement filed by the company with the Illinois Director of Insurance in the form approved by the National Convention of Insurance Commissioners or such other form as may be prescribed in lieu thereof.

(2) Reinsurance. If the principal source of premiums written by an insurance company consists of premiums for reinsurance accepted by it, the business income of such company shall be apportioned to this State by multiplying such income by a fraction, the numerator of which is the sum of (i) direct premiums written for insurance upon property or risk in this State, plus (ii) premiums written for reinsurance accepted in respect of property or risk in this State, and the denominator of which is the sum of (iii) direct premiums written for insurance upon property or risk everywhere, plus (iv) premiums written for reinsurance accepted in respect of property or risk everywhere. For purposes of this paragraph, premiums written for reinsurance accepted in respect of property or risk in this State, whether or not otherwise determinable, may, at the election of the company, be determined on the basis of the proportion which premiums written for reinsurance accepted from companies commercially domiciled in Illinois bears to premiums written for reinsurance accepted from all sources, or, alternatively, in the proportion which the sum of the direct premiums written for insurance upon property or risk in this State by each ceding company from which reinsurance is accepted bears to the sum of the total direct premiums written by each such ceding company for the taxable year. The election made by a company under this paragraph for its first taxable year ending on or after December 31, 2011, shall be binding for that company for that taxable year and for all subsequent taxable years, and may be altered only with the written permission of the Department, which shall not be unreasonably withheld.

(c) Financial organizations.

(1) In general. For taxable years ending before December 31, 2008, business income of a financial organization shall be apportioned to this State by multiplying such income by a fraction, the numerator of which is its business income from sources within this State, and the denominator of which is its business income from all sources. For the purposes of this subsection, the business income of a financial organization from sources within this State is the sum of the amounts referred to in subparagraphs (A) through (E) following, but excluding the adjusted income of an international banking facility as determined in paragraph (2):
(A) Fees, commissions or other compensation for financial services rendered within this State;
(B) Gross profits from trading in stocks, bonds or other securities managed within this State;
(C) Dividends, and interest from Illinois customers, which are received within this State;
(D) Interest charged to customers at places of business maintained within this State for carrying debit balances of margin accounts, without deduction of any costs incurred in carrying such accounts; and
(E) Any other gross income resulting from the operation as a financial organization within this State. In computing the amounts referred to in paragraphs (A) through (E) of this subsection, any amount received by a member of an affiliated group (determined under Section 1504(a) of the Internal Revenue Code but without reference to whether any such corporation is an "includible corporation" under Section 1504(b) of the Internal Revenue Code) from another member of such group shall be included only to the extent such amount exceeds expenses of the recipient directly related thereto.

(2) International Banking Facility. For taxable years ending before December 31, 2008:

(A) Adjusted Income. The adjusted income of an international banking facility is its income reduced by the amount of the floor amount.

(B) Floor Amount. The floor amount shall be the amount, if any, determined by multiplying the income of the international banking facility by a fraction, not greater than one, which is determined as follows:

(i) The numerator shall be:

The average aggregate, determined on a quarterly basis, of the financial organization's loans to banks in foreign countries, to foreign domiciled borrowers (except where secured primarily by real estate) and to foreign governments and other foreign official institutions, as reported for its branches, agencies and offices within the state on its "Consolidated Report of Condition", Schedule A,
Lines 2.c., 5.b., and 7.a., which was filed with the Federal Deposit Insurance Corporation and other regulatory authorities, for the year 1980, minus

The average aggregate, determined on a quarterly basis, of such loans (other than loans of an international banking facility), as reported by the financial institution for its branches, agencies and offices within the state, on the corresponding Schedule and lines of the Consolidated Report of Condition for the current taxable year, provided, however, that in no case shall the amount determined in this clause (the subtrahend) exceed the amount determined in the preceding clause (the minuend); and

(ii) the denominator shall be the average aggregate, determined on a quarterly basis, of the international banking facility's loans to banks in foreign countries, to foreign domiciled borrowers (except where secured primarily by real estate) and to foreign governments and other foreign official institutions, which were recorded in its financial accounts for the current taxable year.

(C) Change to Consolidated Report of Condition and in Qualification. In the event the Consolidated Report of Condition which is filed with the Federal Deposit Insurance Corporation and other regulatory authorities is altered so that the information required for determining the floor amount is not found on Schedule A, lines 2.c., 5.b. and 7.a., the financial institution shall notify the Department and the Department may, by regulations or otherwise, prescribe or authorize the use of an alternative source for such information. The financial institution shall also notify the Department should its international banking facility fail to qualify as such, in whole or in part, or should there be any amendment or change to the Consolidated Report of Condition, as originally filed, to the extent such amendment or change alters the information used in determining the floor amount.
(3) For taxable years ending on or after December 31, 2008, the business income of a financial organization shall be apportioned to this State by multiplying such income by a fraction, the numerator of which is its gross receipts from sources in this State or otherwise attributable to this State's marketplace and the denominator of which is its gross receipts everywhere during the taxable year. "Gross receipts" for purposes of this subparagraph (3) means gross income, including net taxable gain on disposition of assets, including securities and money market instruments, when derived from transactions and activities in the regular course of the financial organization's trade or business. The following examples are illustrative:

(i) Receipts from the lease or rental of real or tangible personal property are in this State if the property is located in this State during the rental period. Receipts from the lease or rental of tangible personal property that is characteristically moving property, including, but not limited to, motor vehicles, rolling stock, aircraft, vessels, or mobile equipment are from sources in this State to the extent that the property is used in this State.

(ii) Interest income, commissions, fees, gains on disposition, and other receipts from assets in the nature of loans that are secured primarily by real estate or tangible personal property are from sources in this State if the security is located in this State.

(iii) Interest income, commissions, fees, gains on disposition, and other receipts from consumer loans that are not secured by real or tangible personal property are from sources in this State if the debtor is a resident of this State.

(iv) Interest income, commissions, fees, gains on disposition, and other receipts from commercial loans and installment obligations that are not secured by real or tangible personal property are from sources in this State if the proceeds of the loan are to be applied in this State. If it cannot be determined where the funds are to be applied, the income and receipts are from sources in this State if the office of the borrower from which the loan was negotiated in the regular course of business is located in this State. If the location of this office cannot be determined, the income

and receipts shall be excluded from the numerator and denominator of the sales factor.

(v) Interest income, fees, gains on disposition, service charges, merchant discount income, and other receipts from credit card receivables are from sources in this State if the card charges are regularly billed to a customer in this State.

(vi) Receipts from the performance of services, including, but not limited to, fiduciary, advisory, and brokerage services, are in this State if the services are received in this State within the meaning of subparagraph (a)(3)(C-5)(iv) of this Section.

(vii) Receipts from the issuance of travelers checks and money orders are from sources in this State if the checks and money orders are issued from a location within this State.

(viii) Receipts from investment assets and activities and trading assets and activities are included in the receipts factor as follows:

(1) Interest, dividends, net gains (but not less than zero) and other income from investment assets and activities from trading assets and activities shall be included in the receipts factor. Investment assets and activities and trading assets and activities include but are not limited to: investment securities; trading account assets; federal funds; securities purchased and sold under agreements to resell or repurchase; options; futures contracts; forward contracts; notional principal contracts such as swaps; equities; and foreign currency transactions. With respect to the investment and trading assets and activities described in subparagraphs (A) and (B) of this paragraph, the receipts factor shall include the amounts described in such subparagraphs.

(A) The receipts factor shall include the amount by which interest from federal funds sold and securities purchased under resale agreements exceeds interest expense
on federal funds purchased and securities sold under repurchase agreements.

(B) The receipts factor shall include the amount by which interest, dividends, gains and other income from trading assets and activities, including but not limited to assets and activities in the matched book, in the arbitrage book, and foreign currency transactions, exceed amounts paid in lieu of interest, amounts paid in lieu of dividends, and losses from such assets and activities.

(2) The numerator of the receipts factor includes interest, dividends, net gains (but not less than zero), and other income from investment assets and activities and from trading assets and activities described in paragraph (1) of this subsection that are attributable to this State.

(A) The amount of interest, dividends, net gains (but not less than zero), and other income from investment assets and activities in the investment account to be attributed to this State and included in the numerator is determined by multiplying all such income from such assets and activities by a fraction, the numerator of which is the gross income from such assets and activities which are properly assigned to a fixed place of business of the taxpayer within this State and the denominator of which is the gross income from all such assets and activities.

(B) The amount of interest from federal funds sold and purchased and from securities purchased under resale agreements and securities sold under repurchase agreements attributable to this State and included in the numerator is determined by multiplying the amount described in subparagraph (A) of paragraph (1) of this subsection from such funds and such
securities by a fraction, the numerator of which is the gross income from such funds and such securities which are properly assigned to a fixed place of business of the taxpayer within this State and the denominator of which is the gross income from all such funds and such securities.

(C) The amount of interest, dividends, gains, and other income from trading assets and activities, including but not limited to assets and activities in the matched book, in the arbitrage book and foreign currency transactions (but excluding amounts described in subparagraphs (A) or (B) of this paragraph), attributable to this State and included in the numerator is determined by multiplying the amount described in subparagraph (B) of paragraph (1) of this subsection by a fraction, the numerator of which is the gross income from such trading assets and activities which are properly assigned to a fixed place of business of the taxpayer within this State and the denominator of which is the gross income from all such assets and activities.

(D) Properly assigned, for purposes of this paragraph (2) of this subsection, means the investment or trading asset or activity is assigned to the fixed place of business with which it has a preponderance of substantive contacts. An investment or trading asset or activity assigned by the taxpayer to a fixed place of business without the State shall be presumed to have been properly assigned if:

(i) the taxpayer has assigned, in the regular course of its business, such asset or activity on its records to a fixed place of business consistent
with federal or state regulatory requirements;

(ii) such assignment on its records is based upon substantive contacts of the asset or activity to such fixed place of business; and

(iii) the taxpayer uses such records reflecting assignment of such assets or activities for the filing of all state and local tax returns for which an assignment of such assets or activities to a fixed place of business is required.

(E) The presumption of proper assignment of an investment or trading asset or activity provided in subparagraph (D) of paragraph (2) of this subsection may be rebutted upon a showing by the Department, supported by a preponderance of the evidence, that the preponderance of substantive contacts regarding such asset or activity did not occur at the fixed place of business to which it was assigned on the taxpayer's records. If the fixed place of business that has a preponderance of substantive contacts cannot be determined for an investment or trading asset or activity to which the presumption in subparagraph (D) of paragraph (2) of this subsection does not apply or with respect to which that presumption has been rebutted, that asset or activity is properly assigned to the state in which the taxpayer's commercial domicile is located. For purposes of this subparagraph (E), it shall be presumed, subject to rebuttal, that taxpayer's commercial domicile is in the state of the United States or the District of Columbia to which the greatest number of employees are regularly connected with the
management of the investment or trading income or out of which they are working, irrespective of where the services of such employees are performed, as of the last day of the taxable year.

(4) (Blank).
(5) (Blank).

(c-1) Federally regulated exchanges. For taxable years ending on or after December 31, 2012, business income of a federally regulated exchange shall, at the option of the federally regulated exchange, be apportioned to this State by multiplying such income by a fraction, the numerator of which is its business income from sources within this State, and the denominator of which is its business income from all sources. For purposes of this subsection, the business income within this State of a federally regulated exchange is the sum of the following:

(1) Receipts attributable to transactions executed on a physical trading floor if that physical trading floor is located in this State.

(2) Receipts attributable to all other matching, execution, or clearing transactions, including without limitation receipts from the provision of matching, execution, or clearing services to another entity, multiplied by (i) for taxable years ending on or after December 31, 2012 but before December 31, 2013, 63.77%; and (ii) for taxable years ending on or after December 31, 2013, 27.54%.

(3) All other receipts not governed by subparagraphs (1) or (2) of this subsection (c-1), to the extent the receipts would be characterized as "sales in this State" under item (3) of subsection (a) of this Section.

"Federally regulated exchange" means (i) a "registered entity" within the meaning of 7 U.S.C. Section 1a(40)(A), (B), or (C), (ii) an "exchange" or "clearing agency" within the meaning of 15 U.S.C. Section 78c (a)(1) or (23), (iii) any such entities regulated under any successor regulatory structure to the foregoing, and (iv) all taxpayers who are members of the same unitary business group as a federally regulated exchange, determined without regard to the prohibition in Section 1501(a)(27) of this Act against including in a unitary business group taxpayers who are ordinarily required to apportion business income under different subsections of this Section; provided that this subparagraph (iv)
shall apply only if 50% or more of the business receipts of the unitary business group determined by application of this subparagraph (iv) for the taxable year are attributable to the matching, execution, or clearing of transactions conducted by an entity described in subparagraph (i), (ii), or (iii) of this paragraph.

In no event shall the Illinois apportionment percentage computed in accordance with this subsection (c-1) for any taxpayer for any tax year be less than the Illinois apportionment percentage computed under this subsection (c-1) for that taxpayer for the first full tax year ending on or after December 31, 2013 for which this subsection (c-1) applied to the taxpayer.

(d) Transportation services. For taxable years ending before December 31, 2008, business income derived from furnishing transportation services shall be apportioned to this State in accordance with paragraphs (1) and (2):

(1) Such business income (other than that derived from transportation by pipeline) shall be apportioned to this State by multiplying such income by a fraction, the numerator of which is the revenue miles of the person in this State, and the denominator of which is the revenue miles of the person everywhere. For purposes of this paragraph, a revenue mile is the transportation of 1 passenger or 1 net ton of freight the distance of 1 mile for a consideration. Where a person is engaged in the transportation of both passengers and freight, the fraction above referred to shall be determined by means of an average of the passenger revenue mile fraction and the freight revenue mile fraction, weighted to reflect the person's

(A) relative railway operating income from total passenger and total freight service, as reported to the Interstate Commerce Commission, in the case of transportation by railroad, and

(B) relative gross receipts from passenger and freight transportation, in case of transportation other than by railroad.

(2) Such business income derived from transportation by pipeline shall be apportioned to this State by multiplying such income by a fraction, the numerator of which is the revenue miles of the person in this State, and the denominator of which is the revenue miles of the person everywhere. For the purposes of this
paragraph, a revenue mile is the transportation by pipeline of 1 barrel of oil, 1,000 cubic feet of gas, or of any specified quantity of any other substance, the distance of 1 mile for a consideration.

(3) For taxable years ending on or after December 31, 2008, business income derived from providing transportation services other than airline services shall be apportioned to this State by using a fraction, (a) the numerator of which shall be (i) all receipts from any movement or shipment of people, goods, mail, oil, gas, or any other substance (other than by airline) that both originates and terminates in this State, plus (ii) that portion of the person's gross receipts from movements or shipments of people, goods, mail, oil, gas, or any other substance (other than by airline) that originates in one state or jurisdiction and terminates in another state or jurisdiction, that is determined by the ratio that the miles traveled in this State bears to total miles everywhere and (b) the denominator of which shall be all revenue derived from the movement or shipment of people, goods, mail, oil, gas, or any other substance (other than by airline). Where a taxpayer is engaged in the transportation of both passengers and freight, the fraction above referred to shall first be determined separately for passenger miles and freight miles. Then an average of the passenger miles fraction and the freight miles fraction shall be weighted to reflect the taxpayer's:

(A) relative railway operating income from total passenger and total freight service, as reported to the Surface Transportation Board, in the case of transportation by railroad; and

(B) relative gross receipts from passenger and freight transportation, in case of transportation other than by railroad.

(4) For taxable years ending on or after December 31, 2008, business income derived from furnishing airline transportation services shall be apportioned to this State by multiplying such income by a fraction, the numerator of which is the revenue miles of the person in this State, and the denominator of which is the revenue miles of the person everywhere. For purposes of this paragraph, a revenue mile is the transportation of one passenger or one net ton of freight the distance of one mile for a consideration. If a person is engaged in the transportation of both passengers and

New matter indicated by italics - deletions by strikeout
freight, the fraction above referred to shall be determined by means of an average of the passenger revenue mile fraction and the freight revenue mile fraction, weighted to reflect the person's relative gross receipts from passenger and freight airline transportation.

(e) Combined apportionment. Where 2 or more persons are engaged in a unitary business as described in subsection (a)(27) of Section 1501, a part of which is conducted in this State by one or more members of the group, the business income attributable to this State by any such member or members shall be apportioned by means of the combined apportionment method.

(f) Alternative allocation. If the allocation and apportionment provisions of subsections (a) through (e) and of subsection (h) do not fairly represent the extent of a person's business activity in this State, the person may petition for, or the Director may, without a petition, permit or require, in respect of all or any part of the person's business activity, if reasonable:

1. Separate accounting;
2. The exclusion of any one or more factors;
3. The inclusion of one or more additional factors which will fairly represent the person's business activities in this State; or
4. The employment of any other method to effectuate an equitable allocation and apportionment of the person's business income.

(g) Cross reference. For allocation of business income by residents, see Section 301(a).

(h) For tax years ending on or after December 31, 1998, the apportionment factor of persons who apportion their business income to this State under subsection (a) shall be equal to:

1. for tax years ending on or after December 31, 1998 and before December 31, 1999, 16 2/3% of the property factor plus 16 2/3% of the payroll factor plus 66 2/3% of the sales factor;
2. for tax years ending on or after December 31, 1999 and before December 31, 2000, 8 1/3% of the property factor plus 8 1/3% of the payroll factor plus 83 1/3% of the sales factor;
3. for tax years ending on or after December 31, 2000, the sales factor.

If, in any tax year ending on or after December 31, 1998 and before December 31, 2000, the denominator of the payroll, property, or sales factor is zero, the apportionment factor computed in paragraph (1) or (2) of this subsection for that year shall be divided by an amount equal to 100%
minus the percentage weight given to each factor whose denominator is equal to zero.

(35 ILCS 5/701) (from Ch. 120, par. 7-701)
Sec. 701. Requirement and Amount of Withholding.
(a) In General. Every employer maintaining an office or transacting business within this State and required under the provisions of the Internal Revenue Code to withhold a tax on:

(1) compensation paid in this State (as determined under Section 304(a)(2)(B) to an individual; or
(2) payments described in subsection (b) shall deduct and withhold from such compensation for each payroll period (as defined in Section 3401 of the Internal Revenue Code) an amount equal to the amount by which such individual's compensation exceeds the proportionate part of this withholding exemption (computed as provided in Section 702) attributable to the payroll period for which such compensation is payable multiplied by a percentage equal to the percentage tax rate for individuals provided in subsection (b) of Section 201.

(b) Payment to Residents. Any payment (including compensation, but not including a payment from which withholding is required under Section 710 of this Act) to a resident by a payor maintaining an office or transacting business within this State (including any agency, officer, or employee of this State or of any political subdivision of this State) and on which withholding of tax is required under the provisions of the Internal Revenue Code shall be deemed to be compensation paid in this State by an employer to an employee for the purposes of Article 7 and Section 601(b)(1) to the extent such payment is included in the recipient's base income and not subjected to withholding by another state. Notwithstanding any other provision to the contrary, no amount shall be withheld from unemployment insurance benefit payments made to an individual pursuant to the Unemployment Insurance Act unless the individual has voluntarily elected the withholding pursuant to rules promulgated by the Director of Employment Security.

(c) Special Definitions. Withholding shall be considered required under the provisions of the Internal Revenue Code to the extent the Internal Revenue Code either requires withholding or allows for voluntary withholding the payor and recipient have entered into such a voluntary

withholding agreement. For the purposes of Article 7 and Section 1002(c) the term "employer" includes any payor who is required to withhold tax pursuant to this Section.

(d) Reciprocal Exemption. The Director may enter into an agreement with the taxing authorities of any state which imposes a tax on or measured by income to provide that compensation paid in such state to residents of this State shall be exempt from withholding of such tax; in such case, any compensation paid in this State to residents of such state shall be exempt from withholding. All reciprocal agreements shall be subject to the requirements of Section 2505-575 of the Department of Revenue Law (20 ILCS 2505/2505-575).

(e) Notwithstanding subsection (a)(2) of this Section, no withholding is required on payments for which withholding is required under Section 3405 or 3406 of the Internal Revenue Code.

Sec. 710. Withholding from lottery winnings. (a) In General.

(1) Any person making a payment to a resident or nonresident of winnings under the Illinois Lottery Law and not required to withhold Illinois income tax from such payment under Subsection (b) of Section 701 of this Act because those winnings are not subject to Federal income tax withholding, must withhold Illinois income tax from such payment at a rate equal to the percentage tax rate for individuals provided in subsection (b) of Section 201, provided that withholding is not required if such payment of winnings is less than $1,000.

(2) In the case of an assignment of a lottery prize under Section 13.1 of the Illinois Lottery Law, any person making a payment of the purchase price after December 31, 2013, shall withhold from the amount of each payment at a rate equal to the percentage tax rate for individuals provided in subsection (b) of Section 201.

(b) Credit for taxes withheld. Any amount withheld under Subsection (a) shall be a credit against the Illinois income tax liability of the person to whom the payment of winnings was made for the taxable year in which that person incurred an Illinois income tax liability with respect to those winnings.

(35 ILCS 5/905) (from Ch. 120, par. 9-905)
Sec. 905. Limitations on Notices of Deficiency.
(a) In general. Except as otherwise provided in this Act:
   (1) A notice of deficiency shall be issued not later than 3 years after the date the return was filed, and
   (2) No deficiency shall be assessed or collected with respect to the year for which the return was filed unless such notice is issued within such period.
(b) Substantial omission of items.
   (1) Omission of more than 25% of income. If the taxpayer omits from base income an amount properly includible therein which is in excess of 25% of the amount of base income stated in the return, a notice of deficiency may be issued not later than 6 years after the return was filed. For purposes of this paragraph, there shall not be taken into account any amount which is omitted in the return if such amount is disclosed in the return, or in a statement attached to the return, in a manner adequate to apprise the Department of the nature and the amount of such item.
   (2) Reportable transactions. If a taxpayer fails to include on any return or statement for any taxable year any information with respect to a reportable transaction, as required under Section 501(b) of this Act, a notice of deficiency may be issued not later than 6 years after the return is filed with respect to the taxable year in which the taxpayer participated in the reportable transaction and said deficiency is limited to the non-disclosed item.
   (3) Withholding. If an employer omits from a return required under Section 704A of this Act for any period beginning on or after January 1, 2013, an amount required to be withheld and to be reported on that return which is in excess of 25% of the total amount of withholding required to be reported on that return, a notice of deficiency may be issued not later than 6 years after the return was filed.
(c) No return or fraudulent return. If no return is filed or a false and fraudulent return is filed with intent to evade the tax imposed by this Act, a notice of deficiency may be issued at any time. For purposes of this subsection (c), any taxpayer who is required to join in the filing of a return filed under the provisions of subsection (e) of Section 502 of this Act for a taxable year ending on or after December 31, 2013 and who is not included on that return and does not file its own return for that taxable year shall be deemed to have failed to file a return; provided that the
amount of any proposed assessment set forth in a notice of deficiency issued under this subsection (c) shall be limited to the amount of any increase in liability under this Act that should have reported on the return required under the provisions of subsection (e) of Section 502 of this Act for that taxable year resulting from proper inclusion of that taxpayer on that return.

(d) Failure to report federal change. If a taxpayer fails to notify the Department in any case where notification is required by Section 304(c) or 506(b), or fails to report a change or correction which is treated in the same manner as if it were a deficiency for federal income tax purposes, a notice of deficiency may be issued (i) at any time or (ii) on or after August 13, 1999, at any time for the taxable year for which the notification is required or for any taxable year to which the taxpayer may carry an Article 2 credit, or a Section 207 loss, earned, incurred, or used in the year for which the notification is required; provided, however, that the amount of any proposed assessment set forth in the notice shall be limited to the amount of any deficiency resulting under this Act from the recomputation of the taxpayer's net income, Article 2 credits, or Section 207 loss earned, incurred, or used in the taxable year for which the notification is required after giving effect to the item or items required to be reported.

(e) Report of federal change.

(1) Before August 13, 1999, in any case where notification of an alteration is given as required by Section 506(b), a notice of deficiency may be issued at any time within 2 years after the date such notification is given, provided, however, that the amount of any proposed assessment set forth in such notice shall be limited to the amount of any deficiency resulting under this Act from recomputation of the taxpayer's net income, net loss, or Article 2 credits for the taxable year after giving effect to the item or items reflected in the reported alteration.

(2) On and after August 13, 1999, in any case where notification of an alteration is given as required by Section 506(b), a notice of deficiency may be issued at any time within 2 years after the date such notification is given for the taxable year for which the notification is given or for any taxable year to which the taxpayer may carry an Article 2 credit, or a Section 207 loss, earned, incurred, or used in the year for which the notification is given, provided, however, that the amount of any proposed assessment set forth in such notice shall be limited to the amount
of any deficiency resulting under this Act from recomputation of the taxpayer's net income, Article 2 credits, or Section 207 loss earned, incurred, or used in the taxable year for which the notification is given after giving effect to the item or items reflected in the reported alteration.

(f) Extension by agreement. Where, before the expiration of the time prescribed in this Section for the issuance of a notice of deficiency, both the Department and the taxpayer shall have consented in writing to its issuance after such time, such notice may be issued at any time prior to the expiration of the period agreed upon. In the case of a taxpayer who is a partnership, Subchapter S corporation, or trust and who enters into an agreement with the Department pursuant to this subsection on or after January 1, 2003, a notice of deficiency may be issued to the partners, shareholders, or beneficiaries of the taxpayer at any time prior to the expiration of the period agreed upon. Any proposed assessment set forth in the notice, however, shall be limited to the amount of any deficiency resulting under this Act from recomputation of items of income, deduction, credits, or other amounts of the taxpayer that are taken into account by the partner, shareholder, or beneficiary in computing its liability under this Act. The period so agreed upon may be extended by subsequent agreements in writing made before the expiration of the period previously agreed upon.

(g) Erroneous refunds. In any case in which there has been an erroneous refund of tax payable under this Act, a notice of deficiency may be issued at any time within 2 years from the making of such refund, or within 5 years from the making of such refund if it appears that any part of the refund was induced by fraud or the misrepresentation of a material fact, provided, however, that the amount of any proposed assessment set forth in such notice shall be limited to the amount of such erroneous refund.

Beginning July 1, 1993, in any case in which there has been a refund of tax payable under this Act attributable to a net loss carryback as provided for in Section 207, and that refund is subsequently determined to be an erroneous refund due to a reduction in the amount of the net loss which was originally carried back, a notice of deficiency for the erroneous refund amount may be issued at any time during the same time period in which a notice of deficiency can be issued on the loss year creating the carryback amount and subsequent erroneous refund. The amount of any
proposed assessment set forth in the notice shall be limited to the amount of such erroneous refund.

(h) Time return deemed filed. For purposes of this Section a tax return filed before the last day prescribed by law (including any extension thereof) shall be deemed to have been filed on such last day.

(i) Request for prompt determination of liability. For purposes of subsection (a)(1), in the case of a tax return required under this Act in respect of a decedent, or by his estate during the period of administration, or by a corporation, the period referred to in such Subsection shall be 18 months after a written request for prompt determination of liability is filed with the Department (at such time and in such form and manner as the Department shall by regulations prescribe) by the executor, administrator, or other fiduciary representing the estate of such decedent, or by such corporation, but not more than 3 years after the date the return was filed. This subsection shall not apply in the case of a corporation unless:

1. (A) such written request notifies the Department that the corporation contemplates dissolution at or before the expiration of such 18-month period, (B) the dissolution is begun in good faith before the expiration of such 18-month period, and (C) the dissolution is completed;
2. (A) such written request notifies the Department that a dissolution has in good faith been begun, and (B) the dissolution is completed; or
3. a dissolution has been completed at the time such written request is made.

(j) Withholding tax. In the case of returns required under Article 7 of this Act (with respect to any amounts withheld as tax or any amounts required to have been withheld as tax) a notice of deficiency shall be issued not later than 3 years after the 15th day of the 4th month following the close of the calendar year in which such withholding was required.

(k) Penalties for failure to make information reports. A notice of deficiency for the penalties provided by Subsection 1405.1(c) of this Act may not be issued more than 3 years after the due date of the reports with respect to which the penalties are asserted.

(l) Penalty for failure to file withholding returns. A notice of deficiency for penalties provided by Section 1004 of this Act for taxpayer's failure to file withholding returns may not be issued more than three years after the 15th day of the 4th month following the close of the calendar year.
in which the withholding giving rise to taxpayer's obligation to file those returns occurred.

(m) Transferee liability. A notice of deficiency may be issued to a transferee relative to a liability asserted under Section 1405 during time periods defined as follows:

1) Initial Transferee. In the case of the liability of an initial transferee, up to 2 years after the expiration of the period of limitation for assessment against the transferor, except that if a court proceeding for review of the assessment against the transferor has begun, then up to 2 years after the return of the certified copy of the judgment in the court proceeding.

2) Transferee of Transferee. In the case of the liability of a transferee, up to 2 years after the expiration of the period of limitation for assessment against the preceding transferee, but not more than 3 years after the expiration of the period of limitation for assessment against the initial transferor; except that if, before the expiration of the period of limitation for the assessment of the liability of the transferee, a court proceeding for the collection of the tax or liability in respect thereof has been begun against the initial transferor or the last preceding transferee, as the case may be, then the period of limitation for assessment of the liability of the transferee shall expire 2 years after the return of the certified copy of the judgment in the court proceeding.

(n) Notice of decrease in net loss. On and after August 23, 2002, no notice of deficiency shall be issued as the result of a decrease determined by the Department in the net loss incurred by a taxpayer in any taxable year ending prior to December 31, 2002 under Section 207 of this Act unless the Department has notified the taxpayer of the proposed decrease within 3 years after the return reporting the loss was filed or within one year after an amended return reporting an increase in the loss was filed, provided that in the case of an amended return, a decrease proposed by the Department more than 3 years after the original return was filed may not exceed the increase claimed by the taxpayer on the original return.

Section 25. The Use Tax Act is amended by changing Section 9 as follows:

(35 ILCS 105/9) (from Ch. 120, par. 439.9)

Sec. 9. Except as to motor vehicles, watercraft, aircraft, and trailers that are required to be registered with an agency of this State, each retailer
required or authorized to collect the tax imposed by this Act shall pay to the Department the amount of such tax (except as otherwise provided) at the time when he is required to file his return for the period during which such tax was collected, less a discount of 2.1% prior to January 1, 1990, and 1.75% on and after January 1, 1990, or $5 per calendar year, whichever is greater, which is allowed to reimburse the retailer for expenses incurred in collecting the tax, keeping records, preparing and filing returns, remitting the tax and supplying data to the Department on request. In the case of retailers who report and pay the tax on a transaction by transaction basis, as provided in this Section, such discount shall be taken with each such tax remittance instead of when such retailer files his periodic return. The Department may disallow the discount for retailers whose certificate of registration is revoked at the time the return is filed, but only if the Department's decision to revoke the certificate of registration has become final. A retailer need not remit that part of any tax collected by him to the extent that he is required to remit and does remit the tax imposed by the Retailers' Occupation Tax Act, with respect to the sale of the same property.

Where such tangible personal property is sold under a conditional sales contract, or under any other form of sale wherein the payment of the principal sum, or a part thereof, is extended beyond the close of the period for which the return is filed, the retailer, in collecting the tax (except as to motor vehicles, watercraft, aircraft, and trailers that are required to be registered with an agency of this State), may collect for each tax return period, only the tax applicable to that part of the selling price actually received during such tax return period.

Except as provided in this Section, on or before the twentieth day of each calendar month, such retailer shall file a return for the preceding calendar month. Such return shall be filed on forms prescribed by the Department and shall furnish such information as the Department may reasonably require.

The Department may require returns to be filed on a quarterly basis. If so required, a return for each calendar quarter shall be filed on or before the twentieth day of the calendar month following the end of such calendar quarter. The taxpayer shall also file a return with the Department for each of the first two months of each calendar quarter, on or before the twentieth day of the following calendar month, stating:

1. The name of the seller;

New matter indicated by italics - deletions by strikeout
2. The address of the principal place of business from which he engages in the business of selling tangible personal property at retail in this State;

3. The total amount of taxable receipts received by him during the preceding calendar month from sales of tangible personal property by him during such preceding calendar month, including receipts from charge and time sales, but less all deductions allowed by law;

4. The amount of credit provided in Section 2d of this Act;

5. The amount of tax due;

5-5. The signature of the taxpayer; and

6. Such other reasonable information as the Department may require.

If a taxpayer fails to sign a return within 30 days after the proper notice and demand for signature by the Department, the return shall be considered valid and any amount shown to be due on the return shall be deemed assessed.

Beginning October 1, 1993, a taxpayer who has an average monthly tax liability of $150,000 or more shall make all payments required by rules of the Department by electronic funds transfer. Beginning October 1, 1994, a taxpayer who has an average monthly tax liability of $100,000 or more shall make all payments required by rules of the Department by electronic funds transfer. Beginning October 1, 1995, a taxpayer who has an average monthly tax liability of $50,000 or more shall make all payments required by rules of the Department by electronic funds transfer. Beginning October 1, 2000, a taxpayer who has an annual tax liability of $200,000 or more shall make all payments required by rules of the Department by electronic funds transfer. The term "annual tax liability" shall be the sum of the taxpayer's liabilities under this Act, and under all other State and local occupation and use tax laws administered by the Department, for the immediately preceding calendar year. The term "average monthly tax liability" means the sum of the taxpayer's liabilities under this Act, and under all other State and local occupation and use tax laws administered by the Department, for the immediately preceding calendar year divided by 12. Beginning on October 1, 2002, a taxpayer who has a tax liability in the amount set forth in subsection (b) of Section 2505-210 of the Department of Revenue Law shall make all payments required by rules of the Department by electronic funds transfer.
Before August 1 of each year beginning in 1993, the Department shall notify all taxpayers required to make payments by electronic funds transfer. All taxpayers required to make payments by electronic funds transfer shall make those payments for a minimum of one year beginning on October 1.

Any taxpayer not required to make payments by electronic funds transfer may make payments by electronic funds transfer with the permission of the Department.

All taxpayers required to make payment by electronic funds transfer and any taxpayers authorized to voluntarily make payments by electronic funds transfer shall make those payments in the manner authorized by the Department.

The Department shall adopt such rules as are necessary to effectuate a program of electronic funds transfer and the requirements of this Section.

Before October 1, 2000, if the taxpayer's average monthly tax liability to the Department under this Act, the Retailers' Occupation Tax Act, the Service Occupation Tax Act, the Service Use Tax Act was $10,000 or more during the preceding 4 complete calendar quarters, he shall file a return with the Department each month by the 20th day of the month next following the month during which such tax liability is incurred and shall make payments to the Department on or before the 7th, 15th, 22nd and last day of the month during which such liability is incurred. On and after October 1, 2000, if the taxpayer's average monthly tax liability to the Department under this Act, the Retailers' Occupation Tax Act, the Service Occupation Tax Act, and the Service Use Tax Act was $20,000 or more during the preceding 4 complete calendar quarters, he shall file a return with the Department each month by the 20th day of the month next following the month during which such tax liability is incurred and shall make payment to the Department on or before the 7th, 15th, 22nd and last day of the month during which such liability is incurred. If the month during which such tax liability is incurred began prior to January 1, 1985, each payment shall be in an amount equal to 1/4 of the taxpayer's actual liability for the month or an amount set by the Department not to exceed 1/4 of the average monthly liability of the taxpayer to the Department for the preceding 4 complete calendar quarters (excluding the month of highest liability and the month of lowest liability in such 4 quarter period). If the month during which such tax liability is incurred begins on or after January 1, 1985, and prior to January 1, 1987, each payment shall be in an

New matter indicated by italics - deletions by strikeout
amount equal to 22.5% of the taxpayer's actual liability for the month or 27.5% of the taxpayer's liability for the same calendar month of the preceding year. If the month during which such tax liability is incurred begins on or after January 1, 1987, and prior to January 1, 1988, each payment shall be in an amount equal to 22.5% of the taxpayer's actual liability for the month or 26.25% of the taxpayer's liability for the same calendar month of the preceding year. If the month during which such tax liability is incurred begins on or after January 1, 1988, and prior to January 1, 1989, or begins on or after January 1, 1996, each payment shall be in an amount equal to 22.5% of the taxpayer's actual liability for the month or 25% of the taxpayer's liability for the same calendar month of the preceding year. If the month during which such tax liability is incurred begins on or after January 1, 1989, and prior to January 1, 1996, each payment shall be in an amount equal to 22.5% of the taxpayer's actual liability for the month or 25% of the taxpayer's liability for the same calendar month of the preceding year or 100% of the taxpayer's actual liability for the quarter monthly reporting period. The amount of such quarter monthly payments shall be credited against the final tax liability of the taxpayer's return for that month. Before October 1, 2000, once applicable, the requirement of the making of quarter monthly payments to the Department shall continue until such taxpayer's average monthly liability to the Department during the preceding 4 complete calendar quarters (excluding the month of highest liability and the month of lowest liability) is less than $9,000, or until such taxpayer's average monthly liability to the Department as computed for each calendar quarter of the 4 preceding complete calendar quarter period is less than $10,000. However, if a taxpayer can show the Department that a substantial change in the taxpayer's business has occurred which causes the taxpayer to anticipate that his average monthly tax liability for the reasonably foreseeable future will fall below the $10,000 threshold stated above, then such taxpayer may petition the Department for change in such taxpayer's reporting status. On and after October 1, 2000, once applicable, the requirement of the making of quarter monthly payments to the Department shall continue until such taxpayer's average monthly liability to the Department during the preceding 4 complete calendar quarters (excluding the month of highest liability and the month of lowest liability) is less than $19,000 or until such taxpayer's average monthly liability to the Department as computed for each calendar quarter of the 4 preceding complete calendar quarter period is less than $20,000. However, if a taxpayer can show the

New matter indicated by italics - deletions by strikeout
Department that a substantial change in the taxpayer's business has occurred which causes the taxpayer to anticipate that his average monthly tax liability for the reasonably foreseeable future will fall below the $20,000 threshold stated above, then such taxpayer may petition the Department for a change in such taxpayer's reporting status. The Department shall change such taxpayer's reporting status unless it finds that such change is seasonal in nature and not likely to be long term. If any such quarter monthly payment is not paid at the time or in the amount required by this Section, then the taxpayer shall be liable for penalties and interest on the difference between the minimum amount due and the amount of such quarter monthly payment actually and timely paid, except insofar as the taxpayer has previously made payments for that month to the Department in excess of the minimum payments previously due as provided in this Section. The Department shall make reasonable rules and regulations to govern the quarter monthly payment amount and quarter monthly payment dates for taxpayers who file on other than a calendar monthly basis.

If any such payment provided for in this Section exceeds the taxpayer's liabilities under this Act, the Retailers' Occupation Tax Act, the Service Occupation Tax Act and the Service Use Tax Act, as shown by an original monthly return, the Department shall issue to the taxpayer a credit memorandum no later than 30 days after the date of payment, which memorandum may be submitted by the taxpayer to the Department in payment of tax liability subsequently to be remitted by the taxpayer to the Department or be assigned by the taxpayer to a similar taxpayer under this Act, the Retailers' Occupation Tax Act, the Service Occupation Tax Act or the Service Use Tax Act, in accordance with reasonable rules and regulations to be prescribed by the Department, except that if such excess payment is shown on an original monthly return and is made after December 31, 1986, no credit memorandum shall be issued, unless requested by the taxpayer. If no such request is made, the taxpayer may credit such excess payment against tax liability subsequently to be remitted by the taxpayer to the Department under this Act, the Retailers' Occupation Tax Act, the Service Occupation Tax Act or the Service Use Tax Act, in accordance with reasonable rules and regulations prescribed by the Department. If the Department subsequently determines that all or any part of the credit taken was not actually due to the taxpayer, the taxpayer's 2.1% or 1.75% vendor's discount shall be reduced by 2.1% or 1.75% of the

difference between the credit taken and that actually due, and the taxpayer shall be liable for penalties and interest on such difference.

If the retailer is otherwise required to file a monthly return and if the retailer's average monthly tax liability to the Department does not exceed $200, the Department may authorize his returns to be filed on a quarter annual basis, with the return for January, February, and March of a given year being due by April 20 of such year; with the return for April, May and June of a given year being due by July 20 of such year; with the return for July, August and September of a given year being due by October 20 of such year, and with the return for October, November and December of a given year being due by January 20 of the following year.

If the retailer is otherwise required to file a monthly or quarterly return and if the retailer's average monthly tax liability to the Department does not exceed $50, the Department may authorize his returns to be filed on an annual basis, with the return for a given year being due by January 20 of the following year.

Such quarter annual and annual returns, as to form and substance, shall be subject to the same requirements as monthly returns.

Notwithstanding any other provision in this Act concerning the time within which a retailer may file his return, in the case of any retailer who ceases to engage in a kind of business which makes him responsible for filing returns under this Act, such retailer shall file a final return under this Act with the Department not more than one month after discontinuing such business.

In addition, with respect to motor vehicles, watercraft, aircraft, and trailers that are required to be registered with an agency of this State, every retailer selling this kind of tangible personal property shall file, with the Department, upon a form to be prescribed and supplied by the Department, a separate return for each such item of tangible personal property which the retailer sells, except that if, in the same transaction, (i) a retailer of aircraft, watercraft, motor vehicles or trailers transfers more than one aircraft, watercraft, motor vehicle or trailer to another aircraft, watercraft, motor vehicle or trailer retailer for the purpose of resale or (ii) a retailer of aircraft, watercraft, motor vehicles, or trailers transfers more than one aircraft, watercraft, motor vehicle, or trailer to a purchaser for use as a qualifying rolling stock as provided in Section 3-55 of this Act, then that seller may report the transfer of all the aircraft, watercraft, motor vehicles or trailers involved in that transaction to the Department on the same uniform invoice-transaction reporting return form. For purposes of this

New matter indicated by italics - deletions by strikeout
Section, "watercraft" means a Class 2, Class 3, or Class 4 watercraft as defined in Section 3-2 of the Boat Registration and Safety Act, a personal watercraft, or any boat equipped with an inboard motor.

The transaction reporting return in the case of motor vehicles or trailers that are required to be registered with an agency of this State, shall be the same document as the Uniform Invoice referred to in Section 5-402 of the Illinois Vehicle Code and must show the name and address of the seller; the name and address of the purchaser; the amount of the selling price including the amount allowed by the retailer for traded-in property, if any; the amount allowed by the retailer for the traded-in tangible personal property, if any, to the extent to which Section 2 of this Act allows an exemption for the value of traded-in property; the balance payable after deducting such trade-in allowance from the total selling price; the amount of tax due from the retailer with respect to such transaction; the amount of tax collected from the purchaser by the retailer on such transaction (or satisfactory evidence that such tax is not due in that particular instance, if that is claimed to be the fact); the place and date of the sale; a sufficient identification of the property sold; such other information as is required in Section 5-402 of the Illinois Vehicle Code, and such other information as the Department may reasonably require.

The transaction reporting return in the case of watercraft and aircraft must show the name and address of the seller; the name and address of the purchaser; the amount of the selling price including the amount allowed by the retailer for traded-in property, if any; the amount allowed by the retailer for the traded-in tangible personal property, if any, to the extent to which Section 2 of this Act allows an exemption for the value of traded-in property; the balance payable after deducting such trade-in allowance from the total selling price; the amount of tax due from the retailer with respect to such transaction; the amount of tax collected from the purchaser by the retailer on such transaction (or satisfactory evidence that such tax is not due in that particular instance, if that is claimed to be the fact); the place and date of the sale, a sufficient identification of the property sold, and such other information as the Department may reasonably require.

Such transaction reporting return shall be filed not later than 20 days after the date of delivery of the item that is being sold, but may be filed by the retailer at any time sooner than that if he chooses to do so. The transaction reporting return and tax remittance or proof of exemption from the tax that is imposed by this Act may be transmitted to the Department
by way of the State agency with which, or State officer with whom, the tangible personal property must be titled or registered (if titling or registration is required) if the Department and such agency or State officer determine that this procedure will expedite the processing of applications for title or registration.

With each such transaction reporting return, the retailer shall remit the proper amount of tax due (or shall submit satisfactory evidence that the sale is not taxable if that is the case), to the Department or its agents, whereupon the Department shall issue, in the purchaser's name, a tax receipt (or a certificate of exemption if the Department is satisfied that the particular sale is tax exempt) which such purchaser may submit to the agency with which, or State officer with whom, he must title or register the tangible personal property that is involved (if titling or registration is required) in support of such purchaser's application for an Illinois certificate or other evidence of title or registration to such tangible personal property.

No retailer's failure or refusal to remit tax under this Act precludes a user, who has paid the proper tax to the retailer, from obtaining his certificate of title or other evidence of title or registration (if titling or registration is required) upon satisfying the Department that such user has paid the proper tax (if tax is due) to the retailer. The Department shall adopt appropriate rules to carry out the mandate of this paragraph.

If the user who would otherwise pay tax to the retailer wants the transaction reporting return filed and the payment of tax or proof of exemption made to the Department before the retailer is willing to take these actions and such user has not paid the tax to the retailer, such user may certify to the fact of such delay by the retailer, and may (upon the Department being satisfied of the truth of such certification) transmit the information required by the transaction reporting return and the remittance for tax or proof of exemption directly to the Department and obtain his tax receipt or exemption determination, in which event the transaction reporting return and tax remittance (if a tax payment was required) shall be credited by the Department to the proper retailer's account with the Department, but without the 2.1% or 1.75% discount provided for in this Section being allowed. When the user pays the tax directly to the Department, he shall pay the tax in the same amount and in the same form in which it would be remitted if the tax had been remitted to the Department by the retailer.
Where a retailer collects the tax with respect to the selling price of tangible personal property which he sells and the purchaser thereafter returns such tangible personal property and the retailer refunds the selling price thereof to the purchaser, such retailer shall also refund, to the purchaser, the tax so collected from the purchaser. When filing his return for the period in which he refunds such tax to the purchaser, the retailer may deduct the amount of the tax so refunded by him to the purchaser from any other use tax which such retailer may be required to pay or remit to the Department, as shown by such return, if the amount of the tax to be deducted was previously remitted to the Department by such retailer. If the retailer has not previously remitted the amount of such tax to the Department, he is entitled to no deduction under this Act upon refunding such tax to the purchaser.

Any retailer filing a return under this Section shall also include (for the purpose of paying tax thereon) the total tax covered by such return upon the selling price of tangible personal property purchased by him at retail from a retailer, but as to which the tax imposed by this Act was not collected from the retailer filing such return, and such retailer shall remit the amount of such tax to the Department when filing such return.

If experience indicates such action to be practicable, the Department may prescribe and furnish a combination or joint return which will enable retailers, who are required to file returns hereunder and also under the Retailers' Occupation Tax Act, to furnish all the return information required by both Acts on the one form.

Where the retailer has more than one business registered with the Department under separate registration under this Act, such retailer may not file each return that is due as a single return covering all such registered businesses, but shall file separate returns for each such registered business.

Beginning January 1, 1990, each month the Department shall pay into the State and Local Sales Tax Reform Fund, a special fund in the State Treasury which is hereby created, the net revenue realized for the preceding month from the 1% tax on sales of food for human consumption which is to be consumed off the premises where it is sold (other than alcoholic beverages, soft drinks and food which has been prepared for immediate consumption) and prescription and nonprescription medicines, drugs, medical appliances and insulin, urine testing materials, syringes and needles used by diabetics.
Beginning January 1, 1990, each month the Department shall pay into the County and Mass Transit District Fund 4% of the net revenue realized for the preceding month from the 6.25% general rate on the selling price of tangible personal property which is purchased outside Illinois at retail from a retailer and which is titled or registered by an agency of this State's government.

Beginning January 1, 1990, each month the Department shall pay into the State and Local Sales Tax Reform Fund, a special fund in the State Treasury, 20% of the net revenue realized for the preceding month from the 6.25% general rate on the selling price of tangible personal property, other than tangible personal property which is purchased outside Illinois at retail from a retailer and which is titled or registered by an agency of this State's government.

Beginning August 1, 2000, each month the Department shall pay into the State and Local Sales Tax Reform Fund 100% of the net revenue realized for the preceding month from the 1.25% rate on the selling price of motor fuel and gasohol. Beginning September 1, 2010, each month the Department shall pay into the State and Local Sales Tax Reform Fund 100% of the net revenue realized for the preceding month from the 1.25% rate on the selling price of sales tax holiday items.

Beginning January 1, 1990, each month the Department shall pay into the Local Government Tax Fund 16% of the net revenue realized for the preceding month from the 6.25% general rate on the selling price of tangible personal property which is purchased outside Illinois at retail from a retailer and which is titled or registered by an agency of this State's government.

Beginning October 1, 2009, each month the Department shall pay into the Capital Projects Fund an amount that is equal to an amount estimated by the Department to represent 80% of the net revenue realized for the preceding month from the sale of candy, grooming and hygiene products, and soft drinks that had been taxed at a rate of 1% prior to September 1, 2009 but that is now taxed at 6.25%.

Beginning July 1, 2011, each month the Department shall pay into the Clean Air Act (CAA) Permit Fund 80% of the net revenue realized for the preceding month from the 6.25% general rate on the selling price of sorbents used in Illinois in the process of sorbent injection as used to comply with the Environmental Protection Act or the federal Clean Air Act, but the total payment into the Clean Air Act (CAA) Permit Fund

under this Act and the Retailers' Occupation Tax Act shall not exceed $2,000,000 in any fiscal year.

Of the remainder of the moneys received by the Department pursuant to this Act, (a) 1.75% thereof shall be paid into the Build Illinois Fund and (b) prior to July 1, 1989, 2.2% and on and after July 1, 1989, 3.8% thereof shall be paid into the Build Illinois Fund; provided, however, that if in any fiscal year the sum of (1) the aggregate of 2.2% or 3.8%, as the case may be, of the moneys received by the Department and required to be paid into the Build Illinois Fund pursuant to this Act and the Retailers' Occupation Tax Act, Section 9 of the Use Tax Act, Section 9 of the Service Use Tax Act, and Section 9 of the Service Occupation Tax Act, such Acts being hereinafter called the "Tax Acts" and such aggregate of 2.2% or 3.8%, as the case may be, of moneys being hereinafter called the "Tax Act Amount", and (2) the amount transferred to the Build Illinois Fund from the State and Local Sales Tax Reform Fund shall be less than the Annual Specified Amount (as defined in Section 3 of the Retailers' Occupation Tax Act), an amount equal to the difference shall be immediately paid into the Build Illinois Fund from other moneys received by the Department pursuant to the Tax Acts; and further provided, that if on the last business day of any month the sum of (1) the Tax Act Amount required to be deposited into the Build Illinois Bond Account in the Build Illinois Fund during such month and (2) the amount transferred during such month to the Build Illinois Fund from the State and Local Sales Tax Reform Fund shall have been less than 1/12 of the Annual Specified Amount, an amount equal to the difference shall be immediately paid into the Build Illinois Fund from other moneys received by the Department pursuant to the Tax Acts; and, further provided, that in no event shall the payments required under the preceding proviso result in aggregate payments into the Build Illinois Fund pursuant to this clause (b) for any fiscal year in excess of the greater of (i) the Tax Act Amount or (ii) the Annual Specified Amount for such fiscal year; and, further provided, that the amounts payable into the Build Illinois Fund under this clause (b) shall be payable only until such time as the aggregate amount on deposit under each trust indenture securing Bonds issued and outstanding pursuant to the Build Illinois Bond Act is sufficient, taking into account any future investment income, to fully provide, in accordance with such indenture, for the defeasance of or the payment of the principal of, premium, if any, and interest on the Bonds secured by such indenture and on any Bonds expected to be issued thereafter and all fees and costs payable with respect
thereto, all as certified by the Director of the Bureau of the Budget (now Governor's Office of Management and Budget). If on the last business day of any month in which Bonds are outstanding pursuant to the Build Illinois Bond Act, the aggregate of the moneys deposited in the Build Illinois Bond Account in the Build Illinois Fund in such month shall be less than the amount required to be transferred in such month from the Build Illinois Bond Account to the Build Illinois Bond Retirement and Interest Fund pursuant to Section 13 of the Build Illinois Bond Act, an amount equal to such deficiency shall be immediately paid from other moneys received by the Department pursuant to the Tax Acts to the Build Illinois Fund; provided, however, that any amounts paid to the Build Illinois Fund in any fiscal year pursuant to this sentence shall be deemed to constitute payments pursuant to clause (b) of the preceding sentence and shall reduce the amount otherwise payable for such fiscal year pursuant to clause (b) of the preceding sentence. The moneys received by the Department pursuant to this Act and required to be deposited into the Build Illinois Fund are subject to the pledge, claim and charge set forth in Section 12 of the Build Illinois Bond Act.

Subject to payment of amounts into the Build Illinois Fund as provided in the preceding paragraph or in any amendment thereto hereafter enacted, the following specified monthly installment of the amount requested in the certificate of the Chairman of the Metropolitan Pier and Exposition Authority provided under Section 8.25f of the State Finance Act, but not in excess of the sums designated as "Total Deposit", shall be deposited in the aggregate from collections under Section 9 of the Use Tax Act, Section 9 of the Service Use Tax Act, Section 9 of the Service Occupation Tax Act, and Section 3 of the Retailers' Occupation Tax Act into the McCormick Place Expansion Project Fund in the specified fiscal years.

but not after fiscal year 2060.

Beginning July 20, 1993 and in each month of each fiscal year thereafter, one-eighth of the amount requested in the certificate of the Chairman of the Metropolitan Pier and Exposition Authority for that fiscal year, less the amount deposited into the McCormick Place Expansion Project Fund by the State Treasurer in the respective month under subsection (g) of Section 13 of the Metropolitan Pier and Exposition Authority Act, plus cumulative deficiencies in the deposits required under this Section for previous months and years, shall be deposited into the McCormick Place Expansion Project Fund, until the full amount requested for the fiscal year, but not in excess of the amount specified above as "Total Deposit", has been deposited.

Subject to payment of amounts into the Build Illinois Fund and the McCormick Place Expansion Project Fund pursuant to the preceding paragraphs or in any amendments thereto hereafter enacted, beginning July 1, 1993, the Department shall each month pay into the Illinois Tax Increment Fund 0.27% of 80% of the net revenue realized for the preceding month from the 6.25% general rate on the selling price of tangible personal property.

Subject to payment of amounts into the Build Illinois Fund and the McCormick Place Expansion Project Fund pursuant to the preceding paragraphs or in any amendments thereto hereafter enacted, beginning with the receipt of the first report of taxes paid by an eligible business and continuing for a 25-year period, the Department shall each month pay into the Energy Infrastructure Fund 80% of the net revenue realized from the 6.25% general rate on the selling price of Illinois-mined coal that was sold to an eligible business. For purposes of this paragraph, the term "eligible business" means a new electric generating facility certified pursuant to Section 605-332 of the Department of Commerce and Economic Opportunity Law of the Civil Administrative Code of Illinois.

Of the remainder of the moneys received by the Department pursuant to this Act, 75% thereof shall be paid into the State Treasury and 25% shall be reserved in a special account and used only for the transfer to the Common School Fund as part of the monthly transfer from the General Revenue Fund in accordance with Section 8a of the State Finance Act.

As soon as possible after the first day of each month, upon certification of the Department of Revenue, the Comptroller shall order transferred and the Treasurer shall transfer from the General Revenue Fund to the Motor Fuel Tax Fund an amount equal to 1.7% of 80% of the
net revenue realized under this Act for the second preceding month. Beginning April 1, 2000, this transfer is no longer required and shall not be made.

Net revenue realized for a month shall be the revenue collected by the State pursuant to this Act, less the amount paid out during that month as refunds to taxpayers for overpayment of liability.

For greater simplicity of administration, manufacturers, importers and wholesalers whose products are sold at retail in Illinois by numerous retailers, and who wish to do so, may assume the responsibility for accounting and paying to the Department all tax accruing under this Act with respect to such sales, if the retailers who are affected do not make written objection to the Department to this arrangement.

Section 26. The Service Use Tax Act is amended by changing Section 9 as follows:

(35 ILCS 110/9) (from Ch. 120, par. 439.39)

Sec. 9. Each serviceman required or authorized to collect the tax herein imposed shall pay to the Department the amount of such tax (except as otherwise provided) at the time when he is required to file his return for the period during which such tax was collected, less a discount of 2.1% prior to January 1, 1990 and 1.75% on and after January 1, 1990, or $5 per calendar year, whichever is greater, which is allowed to reimburse the serviceman for expenses incurred in collecting the tax, keeping records, preparing and filing returns, remitting the tax and supplying data to the Department on request. The Department may disallow the discount for servicemen whose certificate of registration is revoked at the time the return is filed, but only if the Department's decision to revoke the certificate of registration has become final. A serviceman need not remit that part of any tax collected by him to the extent that he is required to pay and does pay the tax imposed by the Service Occupation Tax Act with respect to his sale of service involving the incidental transfer by him of the same property.

Except as provided hereinafter in this Section, on or before the twentieth day of each calendar month, such serviceman shall file a return for the preceding calendar month in accordance with reasonable Rules and Regulations to be promulgated by the Department. Such return shall be filed on a form prescribed by the Department and shall contain such information as the Department may reasonably require.

The Department may require returns to be filed on a quarterly basis. If so required, a return for each calendar quarter shall be filed on or before the twentieth day of the calendar month following the end of such calendar quarter. The taxpayer shall also file a return with the Department for each of the first two months of each calendar quarter, on or before the twentieth day of the following calendar month, stating:

1. The name of the seller;
2. The address of the principal place of business from which he engages in business as a serviceman in this State;
3. The total amount of taxable receipts received by him during the preceding calendar month, including receipts from charge and time sales, but less all deductions allowed by law;
4. The amount of credit provided in Section 2d of this Act;
5. The amount of tax due;
5-5. The signature of the taxpayer; and
6. Such other reasonable information as the Department may require.

If a taxpayer fails to sign a return within 30 days after the proper notice and demand for signature by the Department, the return shall be considered valid and any amount shown to be due on the return shall be deemed assessed.

Beginning October 1, 1993, a taxpayer who has an average monthly tax liability of $150,000 or more shall make all payments required by rules of the Department by electronic funds transfer. Beginning October 1, 1994, a taxpayer who has an average monthly tax liability of $100,000 or more shall make all payments required by rules of the Department by electronic funds transfer. Beginning October 1, 1995, a taxpayer who has an average monthly tax liability of $50,000 or more shall make all payments required by rules of the Department by electronic funds transfer. Beginning October 1, 2000, a taxpayer who has an annual tax liability of $200,000 or more shall make all payments required by rules of the Department by electronic funds transfer. The term "annual tax liability" shall be the sum of the taxpayer's liabilities under this Act, and under all other State and local occupation and use tax laws administered by the Department, for the immediately preceding calendar year. The term "average monthly tax liability" means the sum of the taxpayer's liabilities under this Act, and under all other State and local occupation and use tax laws administered by the Department, for the immediately preceding calendar year divided by 12. Beginning on October 1, 2002, a taxpayer

who has a tax liability in the amount set forth in subsection (b) of Section 2505-210 of the Department of Revenue Law shall make all payments required by rules of the Department by electronic funds transfer.

Before August 1 of each year beginning in 1993, the Department shall notify all taxpayers required to make payments by electronic funds transfer. All taxpayers required to make payments by electronic funds transfer shall make those payments for a minimum of one year beginning on October 1.

Any taxpayer not required to make payments by electronic funds transfer may make payments by electronic funds transfer with the permission of the Department.

All taxpayers required to make payment by electronic funds transfer and any taxpayers authorized to voluntarily make payments by electronic funds transfer shall make those payments in the manner authorized by the Department.

The Department shall adopt such rules as are necessary to effectuate a program of electronic funds transfer and the requirements of this Section.

If the serviceman is otherwise required to file a monthly return and if the serviceman's average monthly tax liability to the Department does not exceed $200, the Department may authorize his returns to be filed on a quarterly annual basis, with the return for January, February and March of a given year being due by April 20 of such year; with the return for April, May and June of a given year being due by July 20 of such year; with the return for July, August and September of a given year being due by October 20 of such year, and with the return for October, November and December of a given year being due by January 20 of the following year.

If the serviceman is otherwise required to file a monthly or quarterly return and if the serviceman's average monthly tax liability to the Department does not exceed $50, the Department may authorize his returns to be filed on an annual basis, with the return for a given year being due by January 20 of the following year.

Such quarterly annual and annual returns, as to form and substance, shall be subject to the same requirements as monthly returns.

Notwithstanding any other provision in this Act concerning the time within which a serviceman may file his return, in the case of any serviceman who ceases to engage in a kind of business which makes him responsible for filing returns under this Act, such serviceman shall file a
final return under this Act with the Department not more than 1 month after discontinuing such business.

Where a serviceman collects the tax with respect to the selling price of property which he sells and the purchaser thereafter returns such property and the serviceman refunds the selling price thereof to the purchaser, such serviceman shall also refund, to the purchaser, the tax so collected from the purchaser. When filing his return for the period in which he refunds such tax to the purchaser, the serviceman may deduct the amount of the tax so refunded by him to the purchaser from any other Service Use Tax, Service Occupation Tax, retailers' occupation tax or use tax which such serviceman may be required to pay or remit to the Department, as shown by such return, provided that the amount of the tax to be deducted shall previously have been remitted to the Department by such serviceman. If the serviceman shall not previously have remitted the amount of such tax to the Department, he shall be entitled to no deduction hereunder upon refunding such tax to the purchaser.

Any serviceman filing a return hereunder shall also include the total tax upon the selling price of tangible personal property purchased for use by him as an incident to a sale of service, and such serviceman shall remit the amount of such tax to the Department when filing such return.

If experience indicates such action to be practicable, the Department may prescribe and furnish a combination or joint return which will enable servicemen, who are required to file returns hereunder and also under the Service Occupation Tax Act, to furnish all the return information required by both Acts on the one form.

Where the serviceman has more than one business registered with the Department under separate registration hereunder, such serviceman shall not file each return that is due as a single return covering all such registered businesses, but shall file separate returns for each such registered business.

Beginning January 1, 1990, each month the Department shall pay into the State and Local Tax Reform Fund, a special fund in the State Treasury, the net revenue realized for the preceding month from the 1% tax on sales of food for human consumption which is to be consumed off the premises where it is sold (other than alcoholic beverages, soft drinks and food which has been prepared for immediate consumption) and prescription and nonprescription medicines, drugs, medical appliances and insulin, urine testing materials, syringes and needles used by diabetics.
Beginning January 1, 1990, each month the Department shall pay into the State and Local Sales Tax Reform Fund 20% of the net revenue realized for the preceding month from the 6.25% general rate on transfers of tangible personal property, other than tangible personal property which is purchased outside Illinois at retail from a retailer and which is titled or registered by an agency of this State's government.

Beginning August 1, 2000, each month the Department shall pay into the State and Local Sales Tax Reform Fund 100% of the net revenue realized for the preceding month from the 1.25% rate on the selling price of motor fuel and gasohol.

Beginning October 1, 2009, each month the Department shall pay into the Capital Projects Fund an amount that is equal to an amount estimated by the Department to represent 80% of the net revenue realized for the preceding month from the sale of candy, grooming and hygiene products, and soft drinks that had been taxed at a rate of 1% prior to September 1, 2009 but that is now taxed at 6.25%.

Of the remainder of the moneys received by the Department pursuant to this Act, (a) 1.75% thereof shall be paid into the Build Illinois Fund and (b) prior to July 1, 1989, 2.2% and on and after July 1, 1989, 3.8% thereof shall be paid into the Build Illinois Fund; provided, however, that if in any fiscal year the sum of (1) the aggregate of 2.2% or 3.8%, as the case may be, of the moneys received by the Department and required to be paid into the Build Illinois Fund pursuant to Section 3 of the Retailers' Occupation Tax Act, Section 9 of the Use Tax Act, Section 9 of the Service Use Tax Act, and Section 9 of the Service Occupation Tax Act, such Acts being hereinafter called the "Tax Acts" and such aggregate of 2.2% or 3.8%, as the case may be, of moneys being hereinafter called the "Tax Act Amount", and (2) the amount transferred to the Build Illinois Fund from the State and Local Sales Tax Reform Fund shall be less than the Annual Specified Amount (as defined in Section 3 of the Retailers' Occupation Tax Act), an amount equal to the difference shall be immediately paid into the Build Illinois Fund from other moneys received by the Department pursuant to the Tax Acts; and further provided, that if on the last business day of any month the sum of (1) the Tax Act Amount required to be deposited into the Build Illinois Bond Account in the Build Illinois Fund during such month and (2) the amount transferred during such month to the Build Illinois Fund from the State and Local Sales Tax Reform Fund shall have been less than 1/12 of the Annual Specified Amount, an amount equal to the difference shall be immediately paid into
the Build Illinois Fund from other moneys received by the Department pursuant to the Tax Acts; and, further provided, that in no event shall the payments required under the preceding proviso result in aggregate payments into the Build Illinois Fund pursuant to this clause (b) for any fiscal year in excess of the greater of (i) the Tax Act Amount or (ii) the Annual Specified Amount for such fiscal year; and, further provided, that the amounts payable into the Build Illinois Fund under this clause (b) shall be payable only until such time as the aggregate amount on deposit under each trust indenture securing Bonds issued and outstanding pursuant to the Build Illinois Bond Act is sufficient, taking into account any future investment income, to fully provide, in accordance with such indenture, for the defeasance of or the payment of the principal of, premium, if any, and interest on the Bonds secured by such indenture and on any Bonds expected to be issued thereafter and all fees and costs payable with respect thereto, all as certified by the Director of the Bureau of the Budget (now Governor's Office of Management and Budget). If on the last business day of any month in which Bonds are outstanding pursuant to the Build Illinois Bond Act, the aggregate of the moneys deposited in the Build Illinois Bond Account in the Build Illinois Fund in such month shall be less than the amount required to be transferred in such month from the Build Illinois Bond Account to the Build Illinois Bond Retirement and Interest Fund pursuant to Section 13 of the Build Illinois Bond Act, an amount equal to such deficiency shall be immediately paid from other moneys received by the Department pursuant to the Tax Acts to the Build Illinois Fund; provided, however, that any amounts paid to the Build Illinois Fund in any fiscal year pursuant to this sentence shall be deemed to constitute payments pursuant to clause (b) of the preceding sentence and shall reduce the amount otherwise payable for such fiscal year pursuant to clause (b) of the preceding sentence. The moneys received by the Department pursuant to this Act and required to be deposited into the Build Illinois Fund are subject to the pledge, claim and charge set forth in Section 12 of the Build Illinois Bond Act.

Subject to payment of amounts into the Build Illinois Fund as provided in the preceding paragraph or in any amendment thereto hereafter enacted, the following specified monthly installment of the amount requested in the certificate of the Chairman of the Metropolitan Pier and Exposition Authority provided under Section 8.25f of the State Finance Act, but not in excess of the sums designated as "Total Deposit", shall be deposited in the aggregate from collections under Section 9 of the Use Tax Act.

Section 27. The Service Occupation Tax Act is amended by changing Section 9 as follows:

(35 ILCS 115/9) (from Ch. 120, par. 439.109)

Sec. 9. Each serviceman required or authorized to collect the tax herein imposed shall pay to the Department the amount of such tax at the time when he is required to file his return for the period during which such tax was collectible, less a discount of 2.1% prior to January 1, 1990, and 1.75% on and after January 1, 1990, or $5 per calendar year, whichever is greater, which is allowed to reimburse the serviceman for expenses incurred in collecting the tax, keeping records, preparing and filing returns, remitting the tax and supplying data to the Department on request. The Department may disallow the discount for servicemen whose certificate of registration is revoked at the time the return is filed, but only if the Department's decision to revoke the certificate of registration has become final.

Where such tangible personal property is sold under a conditional sales contract, or under any other form of sale wherein the payment of the principal sum, or a part thereof, is extended beyond the close of the period for which the return is filed, the serviceman, in collecting the tax may
collect, for each tax return period, only the tax applicable to the part of the selling price actually received during such tax return period.

Except as provided hereinafter in this Section, on or before the twentieth day of each calendar month, such serviceman shall file a return for the preceding calendar month in accordance with reasonable rules and regulations to be promulgated by the Department of Revenue. Such return shall be filed on a form prescribed by the Department and shall contain such information as the Department may reasonably require.

The Department may require returns to be filed on a quarterly basis. If so required, a return for each calendar quarter shall be filed on or before the twentieth day of the calendar month following the end of such calendar quarter. The taxpayer shall also file a return with the Department for each of the first two months of each calendar quarter, on or before the twentieth day of the following calendar month, stating:

1. The name of the seller;
2. The address of the principal place of business from which he engages in business as a serviceman in this State;
3. The total amount of taxable receipts received by him during the preceding calendar month, including receipts from charge and time sales, but less all deductions allowed by law;
4. The amount of credit provided in Section 2d of this Act;
5. The amount of tax due;
5-5. The signature of the taxpayer; and
6. Such other reasonable information as the Department may require.

If a taxpayer fails to sign a return within 30 days after the proper notice and demand for signature by the Department, the return shall be considered valid and any amount shown to be due on the return shall be deemed assessed.

Prior to October 1, 2003, and on and after September 1, 2004 a serviceman may accept a Manufacturer's Purchase Credit certification from a purchaser in satisfaction of Service Use Tax as provided in Section 3-70 of the Service Use Tax Act if the purchaser provides the appropriate documentation as required by Section 3-70 of the Service Use Tax Act. A Manufacturer's Purchase Credit certification, accepted prior to October 1, 2003 or on or after September 1, 2004 by a serviceman as provided in Section 3-70 of the Service Use Tax Act, may be used by that serviceman to satisfy Service Occupation Tax liability in the amount claimed in the certification, not to exceed 6.25% of the receipts subject to tax from a

qualifying purchase. A Manufacturer's Purchase Credit reported on any original or amended return filed under this Act after October 20, 2003 for reporting periods prior to September 1, 2004 shall be disallowed. Manufacturer's Purchase Credit reported on annual returns due on or after January 1, 2005 will be disallowed for periods prior to September 1, 2004. No Manufacturer's Purchase Credit may be used after September 30, 2003 through August 31, 2004 to satisfy any tax liability imposed under this Act, including any audit liability.

If the serviceman's average monthly tax liability to the Department does not exceed $200, the Department may authorize his returns to be filed on a quarter annual basis, with the return for January, February and March of a given year being due by April 20 of such year; with the return for April, May and June of a given year being due by July 20 of such year; with the return for July, August and September of a given year being due by October 20 of such year, and with the return for October, November and December of a given year being due by January 20 of the following year.

If the serviceman's average monthly tax liability to the Department does not exceed $50, the Department may authorize his returns to be filed on an annual basis, with the return for a given year being due by January 20 of the following year.

Such quarter annual and annual returns, as to form and substance, shall be subject to the same requirements as monthly returns.

Notwithstanding any other provision in this Act concerning the time within which a serviceman may file his return, in the case of any serviceman who ceases to engage in a kind of business which makes him responsible for filing returns under this Act, such serviceman shall file a final return under this Act with the Department not more than 1 month after discontinuing such business.

Beginning October 1, 1993, a taxpayer who has an average monthly tax liability of $150,000 or more shall make all payments required by rules of the Department by electronic funds transfer. The term "average monthly tax liability" means the sum of the taxpayer's liabilities under this Act, and under all other State and local occupation and use tax laws administered by the Department, for the immediately preceding calendar year divided by 12. Beginning on October 1, 2002, a taxpayer who has a tax liability in the amount set forth in subsection (b) of Section 2505-210 of the Department of Revenue Law shall make all payments required by rules of the Department by electronic funds transfer.

Before August 1 of each year beginning in 1993, the Department shall notify all taxpayers required to make payments by electronic funds transfer. All taxpayers required to make payments by electronic funds transfer shall make those payments for a minimum of one year beginning on October 1.

Any taxpayer not required to make payments by electronic funds transfer may make payments by electronic funds transfer with the permission of the Department.

All taxpayers required to make payment by electronic funds transfer and any taxpayers authorized to voluntarily make payments by electronic funds transfer shall make those payments in the manner authorized by the Department.

The Department shall adopt such rules as are necessary to effectuate a program of electronic funds transfer and the requirements of this Section.

Where a serviceman collects the tax with respect to the selling price of tangible personal property which he sells and the purchaser thereafter returns such tangible personal property and the serviceman refunds the selling price thereof to the purchaser, such serviceman shall also refund, to the purchaser, the tax so collected from the purchaser. When filing his return for the period in which he refunds such tax to the purchaser, the serviceman may deduct the amount of the tax so refunded by him to the purchaser from any other Service Occupation Tax, Service Use Tax, Retailers' Occupation Tax or Use Tax which such serviceman may be required to pay or remit to the Department, as shown by such return, provided that the amount of the tax to be deducted shall previously have been remitted to the Department by such serviceman. If the serviceman shall not previously have remitted the amount of such tax to

Where the serviceman has more than one business registered with the Department under separate registrations hereunder, such serviceman shall file separate returns for each registered business.

Beginning January 1, 1990, each month the Department shall pay into the Local Government Tax Fund the revenue realized for the preceding month from the 1% tax on sales of food for human consumption which is to be consumed off the premises where it is sold (other than alcoholic beverages, soft drinks and food which has been prepared for immediate consumption) and prescription and nonprescription medicines, drugs, medical appliances and insulin, urine testing materials, syringes and needles used by diabetics.

The taxpayer's annual return to the Department shall also disclose the cost of goods sold by the taxpayer during the year covered by such return, opening and closing inventories of such goods for such year, cost of goods used from stock or taken from stock and given away by the taxpayer during such year, payroll information of the taxpayer's business during such year and any additional reasonable information which the Department deems would be helpful in determining the accuracy of the monthly, quarterly or annual returns filed by such taxpayer as hereinbefore provided for in this Section.

If the annual information return required by this Section is not filed when and as required, the taxpayer shall be liable as follows:

(i) Until January 1, 1994, the taxpayer shall be liable for a penalty equal to 1/6 of 1% of the tax due from such taxpayer under this Act during the period to be covered by the annual return for each month or fraction of a month until such return is filed as required, the penalty to be assessed and collected in the same manner as any other penalty provided for in this Act.

For greater simplicity of administration, it shall be permissible for manufacturers, importers and wholesalers whose products are sold by numerous servicemen in Illinois, and who wish to do so, to assume the responsibility for accounting and paying to the Department all tax accruing under this Act with respect to such sales, if the servicemen who are affected do not make written objection to the Department to this arrangement.

Section 30. The Retailers' Occupation Tax Act is amended by changing Sections 2a and 3 as follows:

(35 ILCS 120/2a) (from Ch. 120, par. 441a)

Sec. 2a. It is unlawful for any person to engage in the business of selling tangible personal property at retail in this State without a certificate of registration from the Department. Application for a certificate of registration shall be made to the Department upon forms furnished by it. Each such application shall be signed and verified and shall state: (1) the name and social security number of the applicant; (2) the address of his principal place of business; (3) the address of the principal place of business from which he engages in the business of selling tangible personal property at retail in this State and the addresses of all other places of business, if any (enumerating such addresses, if any, in a separate list attached to and made a part of the application), from which he engages in the business of selling tangible personal property at retail in this State; (4) the name and address of the person or persons who will be responsible for filing returns and payment of taxes due under this Act; (5) in the case of a corporation, the name, title, and social security number of each corporate officer; (6) in the case of a limited liability company, the name, social security number, and FEIN number of each manager and member; and (7) such other information as the Department may reasonably require. The application shall contain an acceptance of responsibility signed by the person or persons who will be responsible for filing returns and payment of the taxes due under this Act. If the applicant will sell tangible personal property at retail through vending machines, his application to register
shall indicate the number of vending machines to be so operated. If requested by the Department at any time, that person shall verify the total number of vending machines he or she uses in his or her business of selling tangible personal property at retail.

The Department may deny a certificate of registration to any applicant if a person who is named as the owner, any partner, any manager or member of a limited liability company, or a corporate officer of the applicant on the application for the certificate of registration, is or has been named as the owner, a partner, a manager or member of a limited liability company, or a corporate officer, on the application for the certificate of registration of another retailer that is in default for moneys due under this Act or any other tax or fee Act administered by the Department. For purposes of this paragraph only, in determining whether a person is in default for moneys due, the Department shall include only amounts established as a final liability within the 20 years prior to the date of the Department's notice of denial of a certificate of registration.

The Department may require an applicant for a certificate of registration hereunder to, at the time of filing such application, furnish a bond from a surety company authorized to do business in the State of Illinois, or an irrevocable bank letter of credit or a bond signed by 2 personal sureties who have filed, with the Department, sworn statements disclosing net assets equal to at least 3 times the amount of the bond to be required of such applicant, or a bond secured by an assignment of a bank account or certificate of deposit, stocks or bonds, conditioned upon the applicant paying to the State of Illinois all moneys becoming due under this Act and under any other State tax law or municipal or county tax ordinance or resolution under which the certificate of registration that is issued to the applicant under this Act will permit the applicant to engage in business without registering separately under such other law, ordinance or resolution. In making a determination as to whether to require a bond or other security, the Department shall take into consideration whether the owner, any partner, any manager or member of a limited liability company, or a corporate officer of the applicant is or has been the owner, a partner, a manager or member of a limited liability company, or a corporate officer of another retailer that is in default for moneys due under this Act or any other tax or fee Act administered by the Department; and whether the owner, any partner, any manager or member of a limited liability company, or a corporate officer of the applicant is or has been the owner, a partner, a manager or member of a limited liability company, or a corporate officer...
of another retailer whose certificate of registration has been revoked within the previous 5 years under this Act or any other tax or fee Act administered by the Department. If a bond or other security is required, the Department shall fix the amount of the bond or other security, taking into consideration the amount of money expected to become due from the applicant under this Act and under any other State tax law or municipal or county tax ordinance or resolution under which the certificate of registration that is issued to the applicant under this Act will permit the applicant to engage in business without registering separately under such other law, ordinance, or resolution. The amount of security required by the Department shall be such as, in its opinion, will protect the State of Illinois against failure to pay the amount which may become due from the applicant under this Act and under any other State tax law or municipal or county tax ordinance or resolution under which the certificate of registration that is issued to the applicant under this Act will permit the applicant to engage in business without registering separately under such other law, ordinance or resolution, but the amount of the security required by the Department shall not exceed three times the amount of the applicant's average monthly tax liability, or $50,000.00, whichever amount is lower.

No certificate of registration under this Act shall be issued by the Department until the applicant provides the Department with satisfactory security, if required, as herein provided for.

Upon receipt of the application for certificate of registration in proper form, and upon approval by the Department of the security furnished by the applicant, if required, the Department shall issue to such applicant a certificate of registration which shall permit the person to whom it is issued to engage in the business of selling tangible personal property at retail in this State. The certificate of registration shall be conspicuously displayed at the place of business which the person so registered states in his application to be the principal place of business from which he engages in the business of selling tangible personal property at retail in this State.

No certificate of registration issued to a taxpayer who files returns required by this Act on a monthly basis shall be valid after the expiration of 5 years from the date of its issuance or last renewal. The expiration date of a sub-certificate of registration shall be that of the certificate of registration to which the sub-certificate relates. A certificate of registration shall automatically be renewed, subject to revocation as provided by this

Act, for an additional 5 years from the date of its expiration unless otherwise notified by the Department as provided by this paragraph. Where a taxpayer to whom a certificate of registration is issued under this Act is in default to the State of Illinois for delinquent returns or for moneys due under this Act or any other State tax law or municipal or county ordinance administered or enforced by the Department, the Department shall, not less than 120 days before the expiration date of such certificate of registration, give notice to the taxpayer to whom the certificate was issued of the account period of the delinquent returns, the amount of tax, penalty and interest due and owing from the taxpayer, and that the certificate of registration shall not be automatically renewed upon its expiration date unless the taxpayer, on or before the date of expiration, has filed and paid the delinquent returns or paid the defaulted amount in full. A taxpayer to whom such a notice is issued shall be deemed an applicant for renewal. The Department shall promulgate regulations establishing procedures for taxpayers who file returns on a monthly basis but desire and qualify to change to a quarterly or yearly filing basis and will no longer be subject to renewal under this Section, and for taxpayers who file returns on a yearly or quarterly basis but who desire or are required to change to a monthly filing basis and will be subject to renewal under this Section.

The Department may in its discretion approve renewal by an applicant who is in default if, at the time of application for renewal, the applicant files all of the delinquent returns or pays to the Department such percentage of the defaulted amount as may be determined by the Department and agrees in writing to waive all limitations upon the Department for collection of the remaining defaulted amount to the Department over a period not to exceed 5 years from the date of renewal of the certificate; however, no renewal application submitted by an applicant who is in default shall be approved if the immediately preceding renewal by the applicant was conditioned upon the installment payment agreement described in this Section. The payment agreement herein provided for shall be in addition to and not in lieu of the security that may be required by this Section of a taxpayer who is no longer considered a prior continuous compliance taxpayer. The execution of the payment agreement as provided in this Act shall not toll the accrual of interest at the statutory rate.

The Department may suspend a certificate of registration if the Department finds that the person to whom the certificate of registration has been issued knowingly sold contraband cigarettes.

A certificate of registration issued under this Act more than 5 years before the effective date of this amendatory Act of 1989 shall expire and be subject to the renewal provisions of this Section on the next anniversary of the date of issuance of such certificate which occurs more than 6 months after the effective date of this amendatory Act of 1989. A certificate of registration issued less than 5 years before the effective date of this amendatory Act of 1989 shall expire and be subject to the renewal provisions of this Section on the 5th anniversary of the issuance of the certificate.

If the person so registered states that he operates other places of business from which he engages in the business of selling tangible personal property at retail in this State, the Department shall furnish him with a sub-certificate of registration for each such place of business, and the applicant shall display the appropriate sub-certificate of registration at each such place of business. All sub-certificates of registration shall bear the same registration number as that appearing upon the certificate of registration to which such sub-certificates relate.

If the applicant will sell tangible personal property at retail through vending machines, the Department shall furnish him with a sub-certificate of registration for each such vending machine, and the applicant shall display the appropriate sub-certificate of registration on each such vending machine by attaching the sub-certificate of registration to a conspicuous part of such vending machine. If a person who is registered to sell tangible personal property at retail through vending machines adds an additional vending machine or additional vending machines to the number of vending machines he or she uses in his or her business of selling tangible personal property at retail, he or she shall notify the Department, on a form prescribed by the Department, to request an additional sub-certificate or additional sub-certificates of registration, as applicable. With each such request, the applicant shall report the number of sub-certificates of registration he or she is requesting as well as the total number of vending machines from which he or she makes retail sales.

Where the same person engages in 2 or more businesses of selling tangible personal property at retail in this State, which businesses are substantially different in character or engaged in under different trade names or engaged in under other substantially dissimilar circumstances (so that it is more practicable, from an accounting, auditing or bookkeeping standpoint, for such businesses to be separately registered), the Department may require or permit such person (subject to the same

requirements concerning the furnishing of security as those that are provided for hereinbefore in this Section as to each application for a certificate of registration) to apply for and obtain a separate certificate of registration for each such business or for any of such businesses, under a single certificate of registration supplemented by related sub-certificates of registration.

Any person who is registered under the "Retailers' Occupation Tax Act" as of March 8, 1963, and who, during the 3-year period immediately prior to March 8, 1963, or during a continuous 3-year period part of which passed immediately before and the remainder of which passes immediately after March 8, 1963, has been so registered continuously and who is determined by the Department not to have been either delinquent or deficient in the payment of tax liability during that period under this Act or under any other State tax law or municipal or county tax ordinance or resolution under which the certificate of registration that is issued to the registrant under this Act will permit the registrant to engage in business without registering separately under such other law, ordinance or resolution, shall be considered to be a Prior Continuous Compliance taxpayer. Also any taxpayer who has, as verified by the Department, faithfully and continuously complied with the condition of his bond or other security under the provisions of this Act for a period of 3 consecutive years shall be considered to be a Prior Continuous Compliance taxpayer.

Every Prior Continuous Compliance taxpayer shall be exempt from all requirements under this Act concerning the furnishing of a bond or other security as a condition precedent to his being authorized to engage in the business of selling tangible personal property at retail in this State. This exemption shall continue for each such taxpayer until such time as he may be determined by the Department to be delinquent in the filing of any returns, or is determined by the Department (either through the Department's issuance of a final assessment which has become final under the Act, or by the taxpayer's filing of a return which admits tax that is not paid to be due) to be delinquent or deficient in the paying of any tax under this Act or under any other State tax law or municipal or county tax ordinance or resolution under which the certificate of registration that is issued to the registrant under this Act will permit the registrant to engage in business without registering separately under such other law, ordinance or resolution, at which time that taxpayer shall become subject to all the financial responsibility requirements of this Act and, as a condition of being allowed to continue to engage in the business of selling tangible personal property at retail in this State, shall be required to file a bond or other security as a condition precedent to his being authorized to engage in business.

personal property at retail, may be required to post bond or other acceptable security with the Department covering liability which such taxpayer may thereafter incur. Any taxpayer who fails to pay an admitted or established liability under this Act may also be required to post bond or other acceptable security with this Department guaranteeing the payment of such admitted or established liability.

No certificate of registration shall be issued to any person who is in default to the State of Illinois for moneys due under this Act or under any other State tax law or municipal or county tax ordinance or resolution under which the certificate of registration that is issued to the applicant under this Act will permit the applicant to engage in business without registering separately under such other law, ordinance or resolution.

Any person aggrieved by any decision of the Department under this Section may, within 20 days after notice of such decision, protest and request a hearing, whereupon the Department shall give notice to such person of the time and place fixed for such hearing and shall hold a hearing in conformity with the provisions of this Act and then issue its final administrative decision in the matter to such person. In the absence of such a protest within 20 days, the Department's decision shall become final without any further determination being made or notice given.

With respect to security other than bonds (upon which the Department may sue in the event of a forfeiture), if the taxpayer fails to pay, when due, any amount whose payment such security guarantees, the Department shall, after such liability is admitted by the taxpayer or established by the Department through the issuance of a final assessment that has become final under the law, convert the security which that taxpayer has furnished into money for the State, after first giving the taxpayer at least 10 days' written notice, by registered or certified mail, to pay the liability or forfeit such security to the Department. If the security consists of stocks or bonds or other securities which are listed on a public exchange, the Department shall sell such securities through such public exchange. If the security consists of an irrevocable bank letter of credit, the Department shall convert the security in the manner provided for in the Uniform Commercial Code. If the security consists of a bank certificate of deposit, the Department shall convert the security into money by demanding and collecting the amount of such bank certificate of deposit from the bank which issued such certificate. If the security consists of a type of stocks or other securities which are not listed on a public exchange, the Department shall sell such security to the highest and best bidder after
giving at least 10 days' notice of the date, time and place of the intended sale by publication in the "State Official Newspaper". If the Department realizes more than the amount of such liability from the security, plus the expenses incurred by the Department in converting the security into money, the Department shall pay such excess to the taxpayer who furnished such security, and the balance shall be paid into the State Treasury.

The Department shall discharge any surety and shall release and return any security deposited, assigned, pledged or otherwise provided to it by a taxpayer under this Section within 30 days after:

  1. such taxpayer becomes a Prior Continuous Compliance taxpayer; or
  2. such taxpayer has ceased to collect receipts on which he is required to remit tax to the Department, has filed a final tax return, and has paid to the Department an amount sufficient to discharge his remaining tax liability, as determined by the Department, under this Act and under every other State tax law or municipal or county tax ordinance or resolution under which the certificate of registration issued under this Act permits the registrant to engage in business without registering separately under such other law, ordinance or resolution. The Department shall make a final determination of the taxpayer's outstanding tax liability as expeditiously as possible after his final tax return has been filed; if the Department cannot make such final determination within 45 days after receiving the final tax return, within such period it shall so notify the taxpayer, stating its reasons therefor.

Each return shall be accompanied by the statement of prepaid tax issued pursuant to Section 2e for which credit is claimed.

Prior to October 1, 2003, and on and after September 1, 2004 a retailer may accept a Manufacturer's Purchase Credit certification from a purchaser in satisfaction of Use Tax as provided in Section 3-85 of the Use Tax Act if the purchaser provides the appropriate documentation as required by Section 3-85 of the Use Tax Act. A Manufacturer's Purchase Credit certification, accepted by a retailer prior to October 1, 2003 and on and after September 1, 2004 as provided in Section 3-85 of the Use Tax Act, may be used by that retailer to satisfy Retailers' Occupation Tax liability in the amount claimed in the certification, not to exceed 6.25% of the receipts subject to tax from a qualifying purchase. A Manufacturer's Purchase Credit reported on any original or amended return filed under this Act after October 20, 2003 for reporting periods prior to September 1, 2004 shall be disallowed. may be used after September 30, 2003 through August 31, 2004 to satisfy any tax liability imposed under this Act, including any audit liability.

The Department may require returns to be filed on a quarterly basis. If so required, a return for each calendar quarter shall be filed on or before the twentieth day of the calendar month following the end of such calendar quarter. The taxpayer shall also file a return with the Department for each of the first two months of each calendar quarter, on or before the twentieth day of the following calendar month, stating:

1. The name of the seller;
2. The address of the principal place of business from which he engages in the business of selling tangible personal property at retail in this State;
3. The total amount of taxable receipts received by him during the preceding calendar month from sales of tangible personal property by him during such preceding calendar month, including receipts from charge and time sales, but less all deductions allowed by law;
4. The amount of credit provided in Section 2d of this Act;
5. The amount of tax due; and
6. Such other reasonable information as the Department may require.

Beginning on October 1, 2003, any person who is not a licensed distributor, importing distributor, or manufacturer, as defined in the Liquor Control Act of 1934, but is engaged in the business of selling, at retail, alcoholic liquor shall file a statement with the Department of Revenue, in a format and at a time prescribed by the Department, showing the total amount paid for alcoholic liquor purchased during the preceding month and such other information as is reasonably required by the Department. The Department may adopt rules to require that this statement be filed in an electronic or telephonic format. Such rules may provide for exceptions from the filing requirements of this paragraph. For the purposes of this paragraph, the term "alcoholic liquor" shall have the meaning prescribed in the Liquor Control Act of 1934.

Beginning on October 1, 2003, every distributor, importing distributor, and manufacturer of alcoholic liquor as defined in the Liquor Control Act of 1934, shall file a statement with the Department of Revenue, no later than the 10th day of the month for the preceding month during which transactions occurred, by electronic means, showing the total amount of gross receipts from the sale of alcoholic liquor sold or
distributed during the preceding month to purchasers; identifying the purchaser to whom it was sold or distributed; the purchaser's tax registration number; and such other information reasonably required by the Department. A distributor, importing distributor, or manufacturer of alcoholic liquor must personally deliver, mail, or provide by electronic means to each retailer listed on the monthly statement a report containing a cumulative total of that distributor's, importing distributor's, or manufacturer's total sales of alcoholic liquor to that retailer no later than the 10th day of the month for the preceding month during which the transaction occurred. The distributor, importing distributor, or manufacturer shall notify the retailer as to the method by which the distributor, importing distributor, or manufacturer will provide the sales information. If the retailer is unable to receive the sales information by electronic means, the distributor, importing distributor, or manufacturer shall furnish the sales information by personal delivery or by mail. For purposes of this paragraph, the term "electronic means" includes, but is not limited to, the use of a secure Internet website, e-mail, or facsimile.

If a total amount of less than $1 is payable, refundable or creditable, such amount shall be disregarded if it is less than 50 cents and shall be increased to $1 if it is 50 cents or more.

Beginning October 1, 1993, a taxpayer who has an average monthly tax liability of $150,000 or more shall make all payments required by rules of the Department by electronic funds transfer. Beginning October 1, 1994, a taxpayer who has an average monthly tax liability of $100,000 or more shall make all payments required by rules of the Department by electronic funds transfer. Beginning October 1, 1995, a taxpayer who has an average monthly tax liability of $50,000 or more shall make all payments required by rules of the Department by electronic funds transfer. Beginning October 1, 2000, a taxpayer who has an annual tax liability of $200,000 or more shall make all payments required by rules of the Department by electronic funds transfer. The term "annual tax liability" shall be the sum of the taxpayer's liabilities under this Act, and under all other State and local occupation and use tax laws administered by the Department, for the immediately preceding calendar year. The term "average monthly tax liability" shall be the sum of the taxpayer's liabilities under this Act, and under all other State and local occupation and use tax laws administered by the Department, for the immediately preceding calendar year divided by 12. Beginning on October 1, 2002, a taxpayer who has a tax liability in the amount set forth in subsection (b) of Section

2505-210 of the Department of Revenue Law shall make all payments required by rules of the Department by electronic funds transfer.

Before August 1 of each year beginning in 1993, the Department shall notify all taxpayers required to make payments by electronic funds transfer. All taxpayers required to make payments by electronic funds transfer shall make those payments for a minimum of one year beginning on October 1.

Any taxpayer not required to make payments by electronic funds transfer may make payments by electronic funds transfer with the permission of the Department.

All taxpayers required to make payment by electronic funds transfer and any taxpayers authorized to voluntarily make payments by electronic funds transfer shall make those payments in the manner authorized by the Department.

The Department shall adopt such rules as are necessary to effectuate a program of electronic funds transfer and the requirements of this Section.

Any amount which is required to be shown or reported on any return or other document under this Act shall, if such amount is not a whole-dollar amount, be increased to the nearest whole-dollar amount in any case where the fractional part of a dollar is 50 cents or more, and decreased to the nearest whole-dollar amount where the fractional part of a dollar is less than 50 cents.

If the retailer is otherwise required to file a monthly return and if the retailer's average monthly tax liability to the Department does not exceed $200, the Department may authorize his returns to be filed on a quarter annual basis, with the return for January, February and March of a given year being due by April 20 of such year; with the return for April, May and June of a given year being due by July 20 of such year; with the return for July, August and September of a given year being due by October 20 of such year, and with the return for October, November and December of a given year being due by January 20 of the following year.

If the retailer is otherwise required to file a monthly or quarterly return and if the retailer's average monthly tax liability with the Department does not exceed $50, the Department may authorize his returns to be filed on an annual basis, with the return for a given year being due by January 20 of the following year.

Such quarter annual and annual returns, as to form and substance, shall be subject to the same requirements as monthly returns.

Notwithstanding any other provision in this Act concerning the time within which a retailer may file his return, in the case of any retailer who ceases to engage in a kind of business which makes him responsible for filing returns under this Act, such retailer shall file a final return under this Act with the Department not more than one month after discontinuing such business.

Where the same person has more than one business registered with the Department under separate registrations under this Act, such person may not file each return that is due as a single return covering all such registered businesses, but shall file separate returns for each such registered business.

In addition, with respect to motor vehicles, watercraft, aircraft, and trailers that are required to be registered with an agency of this State, every retailer selling this kind of tangible personal property shall file, with the Department, upon a form to be prescribed and supplied by the Department, a separate return for each such item of tangible personal property which the retailer sells, except that if, in the same transaction, (i) a retailer of aircraft, watercraft, motor vehicles or trailers transfers more than one aircraft, watercraft, motor vehicle or trailer to another aircraft, watercraft, motor vehicle retailer or trailer retailer for the purpose of resale or (ii) a retailer of aircraft, watercraft, motor vehicles, or trailers transfers more than one aircraft, watercraft, motor vehicle, or trailer to a purchaser for use as a qualifying rolling stock as provided in Section 2-5 of this Act, then that seller may report the transfer of all aircraft, watercraft, motor vehicles or trailers involved in that transaction to the Department on the same uniform invoice-transaction reporting return form. For purposes of this Section, "watercraft" means a Class 2, Class 3, or Class 4 watercraft as defined in Section 3-2 of the Boat Registration and Safety Act, a personal watercraft, or any boat equipped with an inboard motor.

Any retailer who sells only motor vehicles, watercraft, aircraft, or trailers that are required to be registered with an agency of this State, so that all retailers' occupation tax liability is required to be reported, and is reported, on such transaction reporting returns and who is not otherwise required to file monthly or quarterly returns, need not file monthly or quarterly returns. However, those retailers shall be required to file returns on an annual basis.

The transaction reporting return, in the case of motor vehicles or trailers that are required to be registered with an agency of this State, shall be the same document as the Uniform Invoice referred to in Section 5-402.
of The Illinois Vehicle Code and must show the name and address of the seller; the name and address of the purchaser; the amount of the selling price including the amount allowed by the retailer for traded-in property, if any; the amount allowed by the retailer for the traded-in tangible personal property, if any, to the extent to which Section 1 of this Act allows an exemption for the value of traded-in property; the balance payable after deducting such trade-in allowance from the total selling price; the amount of tax due from the retailer with respect to such transaction; the amount of tax collected from the purchaser by the retailer on such transaction (or satisfactory evidence that such tax is not due in that particular instance, if that is claimed to be the fact); the place and date of the sale; a sufficient identification of the property sold; such other information as is required in Section 5-402 of The Illinois Vehicle Code, and such other information as the Department may reasonably require.

The transaction reporting return in the case of watercraft or aircraft must show the name and address of the seller; the name and address of the purchaser; the amount of the selling price including the amount allowed by the retailer for traded-in property, if any; the amount allowed by the retailer for the traded-in tangible personal property, if any, to the extent to which Section 1 of this Act allows an exemption for the value of traded-in property; the balance payable after deducting such trade-in allowance from the total selling price; the amount of tax due from the retailer with respect to such transaction; the amount of tax collected from the purchaser by the retailer on such transaction (or satisfactory evidence that such tax is not due in that particular instance, if that is claimed to be the fact); the place and date of the sale, a sufficient identification of the property sold, and such other information as the Department may reasonably require.

Such transaction reporting return shall be filed not later than 20 days after the day of delivery of the item that is being sold, but may be filed by the retailer at any time sooner than that if he chooses to do so. The transaction reporting return and tax remittance or proof of exemption from the Illinois use tax may be transmitted to the Department by way of the State agency with which, or State officer with whom the tangible personal property must be titled or registered (if titling or registration is required) if the Department and such agency or State officer determine that this procedure will expedite the processing of applications for title or registration.

With each such transaction reporting return, the retailer shall remit the proper amount of tax due (or shall submit satisfactory evidence that the

sale is not taxable if that is the case), to the Department or its agents, whereupon the Department shall issue, in the purchaser's name, a use tax receipt (or a certificate of exemption if the Department is satisfied that the particular sale is tax exempt) which such purchaser may submit to the agency with which, or State officer with whom, he must title or register the tangible personal property that is involved (if titling or registration is required) in support of such purchaser's application for an Illinois certificate or other evidence of title or registration to such tangible personal property.

No retailer's failure or refusal to remit tax under this Act precludes a user, who has paid the proper tax to the retailer, from obtaining his certificate of title or other evidence of title or registration (if titling or registration is required) upon satisfying the Department that such user has paid the proper tax (if tax is due) to the retailer. The Department shall adopt appropriate rules to carry out the mandate of this paragraph.

If the user who would otherwise pay tax to the retailer wants the transaction reporting return filed and the payment of the tax or proof of exemption made to the Department before the retailer is willing to take these actions and such user has not paid the tax to the retailer, such user may certify to the fact of such delay by the retailer and may (upon the Department being satisfied of the truth of such certification) transmit the information required by the transaction reporting return and the remittance for tax or proof of exemption directly to the Department and obtain his tax receipt or exemption determination, in which event the transaction reporting return and tax remittance (if a tax payment was required) shall be credited by the Department to the proper retailer's account with the Department, but without the 2.1% or 1.75% discount provided for in this Section being allowed. When the user pays the tax directly to the Department, he shall pay the tax in the same amount and in the same form in which it would be remitted if the tax had been remitted to the Department by the retailer.

Refunds made by the seller during the preceding return period to purchasers, on account of tangible personal property returned to the seller, shall be allowed as a deduction under subdivision 5 of his monthly or quarterly return, as the case may be, in case the seller had theretofore included the receipts from the sale of such tangible personal property in a return filed by him and had paid the tax imposed by this Act with respect to such receipts.

Where the seller is a corporation, the return filed on behalf of such corporation shall be signed by the president, vice-president, secretary or treasurer or by the properly accredited agent of such corporation.

Where the seller is a limited liability company, the return filed on behalf of the limited liability company shall be signed by a manager, member, or properly accredited agent of the limited liability company.

Except as provided in this Section, the retailer filing the return under this Section shall, at the time of filing such return, pay to the Department the amount of tax imposed by this Act less a discount of 2.1% prior to January 1, 1990 and 1.75% on and after January 1, 1990, or $5 per calendar year, whichever is greater, which is allowed to reimburse the retailer for the expenses incurred in keeping records, preparing and filing returns, remitting the tax and supplying data to the Department on request. Any prepayment made pursuant to Section 2d of this Act shall be included in the amount on which such 2.1% or 1.75% discount is computed. In the case of retailers who report and pay the tax on a transaction by transaction basis, as provided in this Section, such discount shall be taken with each such tax remittance instead of when such retailer files his periodic return. The Department may disallow the discount for retailers whose certificate of registration is revoked at the time the return is filed, but only if the Department's decision to revoke the certificate of registration has become final.

Before October 1, 2000, if the taxpayer's average monthly tax liability to the Department under this Act, the Use Tax Act, the Service Occupation Tax Act, and the Service Use Tax Act, excluding any liability for prepaid sales tax to be remitted in accordance with Section 2d of this Act, was $10,000 or more during the preceding 4 complete calendar quarters, he shall file a return with the Department each month by the 20th day of the month next following the month during which such tax liability is incurred and shall make payments to the Department on or before the 7th, 15th, 22nd and last day of the month during which such liability is incurred. On and after October 1, 2000, if the taxpayer's average monthly tax liability to the Department under this Act, the Use Tax Act, the Service Occupation Tax Act, and the Service Use Tax Act, excluding any liability for prepaid sales tax to be remitted in accordance with Section 2d of this Act, was $20,000 or more during the preceding 4 complete calendar quarters, he shall file a return with the Department each month by the 20th day of the month next following the month during which such tax liability is incurred and shall make payment to the Department on or before the 7th,
15th, 22nd and last day of the month during which such liability is incurred. If the month during which such tax liability is incurred began prior to January 1, 1985, each payment shall be in an amount equal to 1/4 of the taxpayer's actual liability for the month or an amount set by the Department not to exceed 1/4 of the average monthly liability of the taxpayer to the Department for the preceding 4 complete calendar quarters (excluding the month of highest liability and the month of lowest liability in such 4 quarter period). If the month during which such tax liability is incurred begins on or after January 1, 1985 and prior to January 1, 1987, each payment shall be in an amount equal to 22.5% of the taxpayer's actual liability for the month or 27.5% of the taxpayer's liability for the same calendar month of the preceding year. If the month during which such tax liability is incurred begins on or after January 1, 1987 and prior to January 1, 1988, each payment shall be in an amount equal to 22.5% of the taxpayer's actual liability for the month or 26.25% of the taxpayer's liability for the same calendar month of the preceding year. If the month during which such tax liability is incurred begins on or after January 1, 1988, and prior to January 1, 1989, or begins on or after January 1, 1996, each payment shall be in an amount equal to 22.5% of the taxpayer's actual liability for the month or 25% of the taxpayer's liability for the same calendar month of the preceding year or 100% of the taxpayer's actual liability for the quarter monthly reporting period. The amount of such quarter monthly payments shall be credited against the final tax liability of the taxpayer's return for that month. Before October 1, 2000, once applicable, the requirement of the making of quarter monthly payments to the Department by taxpayers having an average monthly tax liability of $10,000 or more as determined in the manner provided above shall continue until such taxpayer's average monthly liability to the Department during the preceding 4 complete calendar quarters (excluding the month of highest liability and the month of lowest liability) is less than $9,000, or until such taxpayer's average monthly liability to the Department as computed for each calendar quarter of the 4 preceding complete calendar quarter period is less than $10,000. However, if a taxpayer can show the Department that a substantial change in the taxpayer's business has occurred which causes the taxpayer to anticipate

that his average monthly tax liability for the reasonably foreseeable future will fall below the $10,000 threshold stated above, then such taxpayer may petition the Department for a change in such taxpayer's reporting status. On and after October 1, 2000, once applicable, the requirement of the making of quarter monthly payments to the Department by taxpayers having an average monthly tax liability of $20,000 or more as determined in the manner provided above shall continue until such taxpayer's average monthly liability to the Department during the preceding 4 complete calendar quarters (excluding the month of highest liability and the month of lowest liability) is less than $19,000 or until such taxpayer's average monthly liability to the Department as computed for each calendar quarter of the 4 preceding complete calendar quarter period is less than $20,000. However, if a taxpayer can show the Department that a substantial change in the taxpayer's business has occurred which causes the taxpayer to anticipate that his average monthly tax liability for the reasonably foreseeable future will fall below the $20,000 threshold stated above, then such taxpayer may petition the Department for a change in such taxpayer's reporting status. The Department shall change such taxpayer's reporting status unless it finds that such change is seasonal in nature and not likely to be long term. If any such quarter monthly payment is not paid at the time or in the amount required by this Section, then the taxpayer shall be liable for penalties and interest on the difference between the minimum amount due as a payment and the amount of such quarter monthly payment actually and timely paid, except insofar as the taxpayer has previously made payments for that month to the Department in excess of the minimum payments previously due as provided in this Section. The Department shall make reasonable rules and regulations to govern the quarter monthly payment amount and quarter monthly payment dates for taxpayers who file on other than a calendar monthly basis.

The provisions of this paragraph apply before October 1, 2001. Without regard to whether a taxpayer is required to make quarter monthly payments as specified above, any taxpayer who is required by Section 2d of this Act to collect and remit prepaid taxes and has collected prepaid taxes which average in excess of $25,000 per month during the preceding 2 complete calendar quarters, shall file a return with the Department as required by Section 2f and shall make payments to the Department on or before the 7th, 15th, 22nd and last day of the month during which such liability is incurred. If the month during which such tax liability is incurred began prior to the effective date of this amendatory Act of 1985, each

payment shall be in an amount not less than 22.5% of the taxpayer's actual liability under Section 2d. If the month during which such tax liability is incurred begins on or after January 1, 1986, each payment shall be in an amount equal to 22.5% of the taxpayer's actual liability for the month or 27.5% of the taxpayer's liability for the same calendar month of the preceding calendar year. If the month during which such tax liability is incurred begins on or after January 1, 1987, each payment shall be in an amount equal to 22.5% of the taxpayer's actual liability for the month or 26.25% of the taxpayer's liability for the same calendar month of the preceding year. The amount of such quarter monthly payments shall be credited against the final tax liability of the taxpayer's return for that month filed under this Section or Section 2f, as the case may be. Once applicable, the requirement of the making of quarter monthly payments to the Department pursuant to this paragraph shall continue until such taxpayer's average monthly prepaid tax collections during the preceding 2 complete calendar quarters is $25,000 or less. If any such quarter monthly payment is not paid at the time or in the amount required, the taxpayer shall be liable for penalties and interest on such difference, except insofar as the taxpayer has previously made payments for that month in excess of the minimum payments previously due.

The provisions of this paragraph apply on and after October 1, 2001. Without regard to whether a taxpayer is required to make quarter monthly payments as specified above, any taxpayer who is required by Section 2d of this Act to collect and remit prepaid taxes and has collected prepaid taxes that average in excess of $20,000 per month during the preceding 4 complete calendar quarters shall file a return with the Department as required by Section 2f and shall make payments to the Department on or before the 7th, 15th, 22nd and last day of the month during which the liability is incurred. Each payment shall be in an amount equal to 22.5% of the taxpayer's actual liability for the month or 25% of the taxpayer's liability for the same calendar month of the preceding year. The amount of the quarter monthly payments shall be credited against the final tax liability of the taxpayer's return for that month filed under this Section or Section 2f, as the case may be. Once applicable, the requirement of the making of quarter monthly payments to the Department pursuant to this paragraph shall continue until the taxpayer's average monthly prepaid tax collections during the preceding 4 complete calendar quarters (excluding the month of highest liability and the month of lowest liability) is less than $19,000 or until such taxpayer's average monthly

liability to the Department as computed for each calendar quarter of the 4 preceding complete calendar quarters is less than $20,000. If any such quarter monthly payment is not paid at the time or in the amount required, the taxpayer shall be liable for penalties and interest on such difference, except insofar as the taxpayer has previously made payments for that month in excess of the minimum payments previously due.

If any payment provided for in this Section exceeds the taxpayer's liabilities under this Act, the Use Tax Act, the Service Occupation Tax Act and the Service Use Tax Act, as shown on an original monthly return, the Department shall, if requested by the taxpayer, issue to the taxpayer a credit memorandum no later than 30 days after the date of payment. The credit evidenced by such credit memorandum may be assigned by the taxpayer to a similar taxpayer under this Act, the Use Tax Act, the Service Occupation Tax Act or the Service Use Tax Act, in accordance with reasonable rules and regulations to be prescribed by the Department. If no such request is made, the taxpayer may credit such excess payment against tax liability subsequently to be remitted to the Department under this Act, the Use Tax Act, the Service Occupation Tax Act or the Service Use Tax Act, in accordance with reasonable rules and regulations prescribed by the Department. If the Department subsequently determined that all or any part of the credit taken was not actually due to the taxpayer, the taxpayer's 2.1% and 1.75% vendor's discount shall be reduced by 2.1% or 1.75% of the difference between the credit taken and that actually due, and that taxpayer shall be liable for penalties and interest on such difference.

If a retailer of motor fuel is entitled to a credit under Section 2d of this Act which exceeds the taxpayer's liability to the Department under this Act for the month which the taxpayer is filing a return, the Department shall issue the taxpayer a credit memorandum for the excess.

Beginning January 1, 1990, each month the Department shall pay into the Local Government Tax Fund, a special fund in the State treasury which is hereby created, the net revenue realized for the preceding month from the 1% tax on sales of food for human consumption which is to be consumed off the premises where it is sold (other than alcoholic beverages, soft drinks and food which has been prepared for immediate consumption) and prescription and nonprescription medicines, drugs, medical appliances and insulin, urine testing materials, syringes and needles used by diabetics.

Beginning July 1, 2011, each month the Department shall pay into the Clean Air Act (CAA) Permit Fund 80% of the net revenue realized for the preceding month from the 6.25% general rate on the selling price of sorbents used in Illinois in the process of sorbent injection as used to comply with the Environmental Protection Act or the federal Clean Air Act, but the total payment into the Clean Air Act (CAA) Permit Fund under this Act and the Use Tax Act shall not exceed $2,000,000 in any fiscal year.

Chairman of the Metropolitan Pier and Exposition Authority for that fiscal
year, less the amount deposited into the McCormick Place Expansion
Project Fund by the State Treasurer in the respective month under

Subject to payment of amounts into the Build Illinois Fund and the
McCormick Place Expansion Project Fund pursuant to the preceding

The Department may, upon separate written notice to a taxpayer, require the taxpayer to prepare and file with the Department on a form prescribed by the Department within not less than 60 days after receipt of the notice an annual information return for the tax year specified in the notice. Such annual return to the Department shall include a statement of gross receipts as shown by the retailer's last Federal income tax return. If the total receipts of the business as reported in the Federal income tax return do not agree with the gross receipts reported to the Department of Revenue for the same period, the retailer shall attach to his annual return a schedule showing a reconciliation of the 2 amounts and the reasons for the difference. The retailer's annual return to the Department shall also disclose the cost of goods sold by the retailer during the year covered by such return, opening and closing inventories of such goods for such year, costs of goods used from stock or taken from stock and given away by the retailer during such year, payroll information of the retailer's business during such year and any additional reasonable information which the Department deems would be helpful in determining the accuracy of the monthly, quarterly or annual returns filed by such retailer as provided for in this Section.

If the annual information return required by this Section is not filed when and as required, the taxpayer shall be liable as follows:

(i) Until January 1, 1994, the taxpayer shall be liable for a penalty equal to 1/6 of 1% of the tax due from such taxpayer under this Act during the period to be covered by the annual return for each month or fraction of a month until such return is filed as required, the penalty to be assessed and collected in the same manner as any other penalty provided for in this Act.

(ii) On and after January 1, 1994, the taxpayer shall be liable for a penalty as described in Section 3-4 of the Uniform Penalty and Interest Act.

The chief executive officer, proprietor, owner or highest ranking manager shall sign the annual return to certify the accuracy of the information contained therein. Any person who willfully signs the annual return containing false or inaccurate information shall be guilty of perjury and punished accordingly. The annual return form prescribed by the Department shall include a warning that the person signing the return may be liable for perjury.

The provisions of this Section concerning the filing of an annual information return do not apply to a retailer who is not required to file an income tax return with the United States Government.

As soon as possible after the first day of each month, upon certification of the Department of Revenue, the Comptroller shall order transferred and the Treasurer shall transfer from the General Revenue Fund to the Motor Fuel Tax Fund an amount equal to 1.7% of 80% of the net revenue realized under this Act for the second preceding month. Beginning April 1, 2000, this transfer is no longer required and shall not be made.

Net revenue realized for a month shall be the revenue collected by the State pursuant to this Act, less the amount paid out during that month as refunds to taxpayers for overpayment of liability.

For greater simplicity of administration, manufacturers, importers and wholesalers whose products are sold at retail in Illinois by numerous retailers, and who wish to do so, may assume the responsibility for accounting and paying to the Department all tax accruing under this Act with respect to such sales, if the retailers who are affected do not make written objection to the Department to this arrangement.

Any person who promotes, organizes, provides retail selling space for concessionaires or other types of sellers at the Illinois State Fair, DuQuoin State Fair, county fairs, local fairs, art shows, flea markets and similar exhibitions or events, including any transient merchant as defined by Section 2 of the Transient Merchant Act of 1987, is required to file a report with the Department providing the name of the merchant's business, the name of the person or persons engaged in merchant's business, the permanent address and Illinois Retailers Occupation Tax Registration Number of the merchant, the dates and location of the event and other reasonable information that the Department may require. The report must be filed not later than the 20th day of the month next following the month during which the event with retail sales was held. Any person who fails to file a report required by this Section commits a business offense and is subject to a fine not to exceed $250.

Any person engaged in the business of selling tangible personal property at retail as a concessionaire or other type of seller at the Illinois State Fair, county fairs, art shows, flea markets and similar exhibitions or events, or any transient merchants, as defined by Section 2 of the Transient Merchant Act of 1987, may be required to make a daily report of the amount of such sales to the Department and to make a daily payment of
the full amount of tax due. The Department shall impose this requirement when it finds that there is a significant risk of loss of revenue to the State at such an exhibition or event. Such a finding shall be based on evidence that a substantial number of concessionaires or other sellers who are not residents of Illinois will be engaging in the business of selling tangible personal property at retail at the exhibition or event, or other evidence of a significant risk of loss of revenue to the State. The Department shall notify concessionaires and other sellers affected by the imposition of this requirement. In the absence of notification by the Department, the concessionaires and other sellers shall file their returns as otherwise required in this Section.

Sec. 8-8-3.5. Tax Increment Financing Report. The reports filed under subsection (d) of Section 11-74.4-5 of the Tax Increment Allocation Redevelopment Act and the reports filed under subsection (d) of Section 11-74.6-22 of the Industrial Jobs Recovery Law in the Illinois Municipal Code must be separate from any other annual report filed with the Comptroller. The Comptroller must, in cooperation with reporting municipalities, create a format for the reporting of information described in paragraphs (1.5) and (5) and in subparagraph (G) of paragraph (7) of subsection (d) of Section 11-74.4-5 of the Tax Increment Allocation Redevelopment Act and the information described in paragraphs (1.5) and (5) and in subparagraph (G) of paragraph (7) of subsection (d) of Section 11-74.6-22 of the Industrial Jobs Recovery Law that facilitates consistent reporting among the reporting municipalities. The Comptroller may allow these reports to be filed electronically and may display the report, or portions of the report, electronically via the Internet. All reports filed under this Section must be made available for examination and copying by the public at all reasonable times. If the required report is not filed within the time extended by the Comptroller, the Comptroller may charge a municipality a fee of $5 per day for the first 15 days past due, $10 per day for 16 through 30 days past due, $15 per day for 31 through 45 days past due, and $20 per day for the 46th day and every day thereafter. All fees collected pursuant to this Section shall be deposited into the Comptroller's Administrative Fund.

Sec. 7.12. Internet pilot program.

(a) The General Assembly finds that:

1) the consumer market in Illinois has changed since the creation of the Illinois State Lottery in 1974;

2) the Internet has become an integral part of everyday life for a significant number of Illinois residents not only in regards to their professional life, but also in regards to personal business and communication; and

3) the current practices of selling lottery tickets does not appeal to the new form of market participants who prefer to make purchases on the Internet at their own convenience.

It is the intent of the General Assembly to create an Internet pilot program for the sale of lottery tickets to capture this new form of market participant.

(b) The Department shall create a pilot program that allows an individual 18 years of age or older to purchase lottery tickets or shares on the Internet without using a Lottery retailer with on-line status, as those terms are defined by rule. The Department shall restrict the sale of lottery tickets on the Internet to transactions initiated and received or otherwise

New matter indicated by italics - deletions by strikeout
made exclusively within the State of Illinois. The Department shall adopt rules necessary for the administration of this program. These rules shall include, among other things, requirements for marketing of the Lottery to infrequent players, as well as limitations on the purchases that may be made through any one individual's lottery account. The provisions of this Act and the rules adopted under this Act shall apply to the sale of lottery tickets or shares under this program.

Before beginning the pilot program, the Department of the Lottery must submit a request to the United States Department of Justice for review of the State's plan to implement a pilot program for the sale of lottery tickets on the Internet and its propriety under federal law. The Department shall implement the Internet pilot program only if the Department of Justice does not object to the implementation of the program within a reasonable period of time after its review.

The Department is obligated to implement the pilot program set forth in this Section and Sections 7.15 and 7.16 only at such time, and to such extent, that the Department of Justice does not object to the implementation of the program within a reasonable period of time after its review. While the Illinois Lottery may only offer Lotto, Mega Millions, and Powerball games through the pilot program, the Department shall request review from the federal Department of Justice for the Illinois Lottery to sell lottery tickets on the Internet on behalf of the State of Illinois that are not limited to just these games.

The Department shall authorize the private manager to implement and administer the program pursuant to the management agreement entered into under Section 9.1 and in a manner consistent with the provisions of this Section. If a private manager has not been selected pursuant to Section 9.1 at the time the Department is obligated to implement the pilot program, then the Department shall not proceed with the pilot program until after the selection of the private manager, at which time the Department shall authorize the private manager to implement and administer the program pursuant to the management agreement entered into under Section 9.1 and in a manner consistent with the provisions of this Section.

The pilot program shall last for not less than 36 months, but not more than 48 months from the date of its initial operation.

Nothing in this Section shall be construed as prohibiting the Department from implementing and operating a website portal whereby individuals who are 18 years of age or older with an Illinois mailing

address may apply to purchase lottery tickets via subscription. Nothing in
this Section shall also be construed as prohibiting the sale of Lotto, Mega
Millions, and Powerball games by a lottery licensee pursuant to the
Department's rules.

(c) There is created the Internet Lottery Study Committee as an
advisory body within the Department. The Department shall conduct a
study to determine the impact of the Internet pilot program on lottery
licensees. The Department shall also determine the feasibility of the sale of
stored value cards by lottery licensees as a non-exclusive option for use by
individuals 18 years of age or older who purchase tickets for authorized
lottery games in the Internet pilot program. For the purposes of this study,
it is anticipated that the stored value cards will have, but need not be
limited to, the following characteristics: (1) the cards will be available
only to individuals 18 years of age and older; (2) the cards will be
rechargeable, closed-loop cards that can only be loaded with cash; (3) the
cards will have unique identifying numbers to be used for on-line play; (4)
the cards will have on-line play subtracted from the card's value; (5) the
cards may have on-line winnings added to them; (6) the cards will be used
at Lottery retailers to cash out winnings of up to $600; and (7) the cards
will meet all technological, programming, and security requirements
mandated by the Department and the governing bodies of both Mega
Millions and Powerball.

To the fullest extent possible, but subject to available resources,
the Department shall ensure that the study evaluates and analyzes at least
the following issues:

(1) economic benefits to the State from Internet Lottery
sales from stored value cards and from resulting sales taxes;

(2) economic benefits to local governments from sales
taxes generated from Internet Lottery sales through stored value
cards;

(3) economic benefits to Lottery retailers from Internet
Lottery sales and from ancillary retail product sales in connection
with the same;

(4) enhanced player age verification from face-to-face
interaction;

(5) enhanced control of gambling addiction from face-to-
face interaction;

(6) elimination of credit card overspending through the use
of stored value cards and resulting reduced debt issues;

New matter indicated by italics - deletions by strikeout
(7) the feasibility of the utilization of existing Lottery machines to dispense stored value cards;
(8) the technological, programming, and security requirements to make stored value cards an appropriate sales alternative; and
(9) the cost and project time estimates for implementation, including adaptation of existing Lottery machines, programming, and technology enhancements and impact to operations.

The Study Committee shall consist of the Director Superintendent or his or her designee; the chief executive officer of the Lottery's private manager or his or her designee; a representative appointed by the Governor's Office; 2 representatives of the lottery licensee community appointed by the Director Superintendent; one representative of a statewide association representing food retailers appointed by the Director Superintendent; and one representative of a statewide association representing retail merchants appointed by the Director Superintendent.

Members of the Study Committee shall be appointed within 30 days after the effective date of this amendatory Act of the 97th General Assembly. No later than 6 months after the effective date of this amendatory Act of the 97th General Assembly, the Department shall provide to the members of the Study Committee the proposed findings and recommendations of the study in order to solicit input from the Study Committee. Within 30 calendar days thereafter, the Study Committee shall convene a meeting of the members to discuss the proposed findings and recommendations of the study. No later than 15 calendar days after meeting, the Study Committee shall submit to the Department any written changes, additions, or corrections the Study Committee wishes the Department to make to the study. The Department shall consider the propriety of and respond to each change, addition, or correction offered by the Study Committee in the study. The Department shall also set forth any such change, addition, or correction offered by members of the Study Committee and the Department's responses thereto in the appendix to the study. No later than 15 calendar days after receiving the changes, additions, or corrections offered by the Study Committee, the Department shall deliver copies of the final study and appendices, if any, to the Governor, President of the Senate, Minority Leader of the Senate, Speaker of the House of Representatives, Minority Leader of the House of Representatives, and each of the members of the Study Committee.

b. To attend meetings of the Board or to appoint a designee to attend in his stead.

g. To enter into contracts for the operation of the lottery, or any part thereof, and into contracts for the promotion of the lottery on behalf of the Department with any person, firm or corporation, to perform any of the functions provided for in this Act or the rules and regulations promulgated thereunder. The Department shall not expend State funds on a contractual basis for such functions unless those functions and expenditures are expressly authorized by the General Assembly.

h. To enter into an agreement or agreements with the management of state lotteries operated pursuant to the laws of other states for the purpose of creating and operating a multi-state lottery game wherein a separate and distinct prize pool would be combined to award larger prizes to the public than could be offered by the several state lotteries, individually. No tickets or shares offered in connection with a multi-state lottery game shall be sold within the State of Illinois, except those offered by and through the Department. No such agreement shall purport to pledge the full faith and credit of the State of Illinois, nor shall the Department expend State funds on a contractual basis in connection with any such game unless such expenditures are expressly authorized by the General Assembly, provided, however, that in the event of error or omission by the Illinois State Lottery in the conduct of the game, as determined by the multi-state game directors, the Department shall be authorized to pay a prize winner or winners the lesser of a disputed prize or $1,000,000, any such payment to be made solely from funds appropriated for game prize purposes. The Department shall be authorized to share in the ordinary operating expenses of any such multi-state lottery game, from funds appropriated by the General Assembly, and in the event the multi-state game control offices are physically located within the State of Illinois, the Department is authorized to advance start-up operating costs not to exceed $150,000, subject to proportionate reimbursement of such costs by the other participating state lotteries. The Department shall be authorized to share proportionately in the costs of establishing a liability reserve fund from funds appropriated by the General Assembly. The Department is authorized to transfer prize award funds attributable to Illinois sales of multi-state lottery game tickets to the multi-state control office, or its designated depository, for deposit to such game pool account or accounts as may be established by the multi-state game directors, the records of which account or accounts shall be available at all times for inspection in an audit by the Auditor General of Illinois and any other auditors pursuant to the laws of the State of Illinois. No multi-state game prize awarded to a

nonresident of Illinois, with respect to a ticket or share purchased in a state other than the State of Illinois, shall be deemed to be a prize awarded under this Act for the purpose of taxation under the Illinois Income Tax Act. The Department shall promulgate such rules as may be appropriate to implement the provisions of this Section.

i. To make a continuous study and investigation of (1) the operation and the administration of similar laws which may be in effect in other states or countries, (2) any literature on the subject which from time to time may be published or available, (3) any Federal laws which may affect the operation of the lottery, and (4) the reaction of Illinois citizens to existing and potential features of the lottery with a view to recommending or effecting changes that will tend to serve the purposes of this Act.

j. To report monthly to the State Treasurer and the Lottery Control Board a full and complete statement of lottery revenues, prize disbursements and other expenses for each month and the amounts to be transferred to the Common School Fund pursuant to Section 7.2 or such other funds as are otherwise authorized by Section 21.2 of this Act, and to make an annual report, which shall include a full and complete statement of lottery revenues, prize disbursements and other expenses, to the Governor and the Board. No license as an agent to sell lottery tickets or shares shall be issued to any person to engage in business exclusively as a lottery sales agent.

Before issuing such license the Director Superintendent shall consider (a) the financial responsibility and security of the person and his business or activity, (b) the accessibility of his place of business or activity to the public, (c) the sufficiency of existing licenses to serve the public convenience, (d) the volume of expected sales, and (e) such other factors as he or she may deem appropriate.

Be it enacted by the People of the State of Illinois, represented in the General Assembly:

Section 5. The Intergovernmental Cooperation Act is amended by changing Section 6 as follows:

(5 ILCS 220/6) (from Ch. 127, par. 746)

Sec. 6. Joint self-insurance. An intergovernmental contract may, among other undertakings, authorize public agencies to jointly self-insure and authorize each public agency member of the contract to utilize its funds to pay to a joint insurance pool its costs and reserves to protect, wholly or partially, itself or any public agency member of the contract against liability or loss in the designated insurable area.

A joint insurance pool shall have an annual audit performed by an independent certified public accountant and shall file an annual audited financial report with the Director of Insurance no later than 150 days after the end of the pool's immediately preceding fiscal year. The Director of Insurance shall issue rules necessary to implement this audit and report requirement. The rule shall establish the due date for filing the initial annual audited financial report. Within 30 days after January 1, 1991, and within 30 days after each January 1 thereafter, public agencies that are jointly self-insured to protect against liability under the Workers' Compensation Act and the Workers' Occupational Diseases Act shall file with the Illinois Workers' Compensation Commission a report indicating an election to self-insure.

The joint insurance pool shall also annually file with the Director a statement of actuarial opinion by an independent actuary who is an associate or fellow in a casualty actuarial society that the pool's reserves are in accordance with sound loss-reserving standards and adequate for the payment of claims. This opinion shall be filed no later than 150 days after the end of each fiscal year. The joint insurance pool shall be exempt from filing a statement of actuarial opinion by an independent actuary who is an associate or fellow in a casualty actuarial society that the joint insurance pool's reserves are in accordance with sound loss-reserving standards and payment of claims for the primary level of coverage if the joint insurance pool files with the Director, by the reporting deadline, a statement of actuarial opinion from the provider of the joint pool's

aggregate coverage, reinsurance, or other similar excess insurance coverage.

The Director may assess penalties against a joint insurance pool that fails to comply with the auditing, statement of actuarial opinion, and examination requirements of this Section in an amount equal to $500 per day for each violation, up to a maximum of $10,000 for each violation. The Director (or his or her staff) or a Director-selected independent auditor (or actuarial firm) that is not owned or affiliated with an insurance brokerage firm, insurance company, or other insurance industry affiliated entity may examine, as often as the Director deems advisable, the affairs, transactions, accounts, records, and assets and liabilities of each joint insurance pool that fails to comply with this Section. The joint insurance pool shall cooperate fully with the Director's representatives in all evaluations and audits of the joint insurance pool and resolve issues raised in those evaluations and audits. The failure to resolve those issues may constitute a violation of this Section, and may, after notice and an opportunity to be heard, result in the imposition of penalties pursuant to this Section. No sanctions under this Section may become effective until 30 days after the date that a notice of sanctions is delivered by registered or certified mail to the joint insurance pool. The Director shall have the authority to extend the time for filing any statement by any joint insurance pool for reasons that he or she considers good and sufficient.

If a joint insurance pool requires a member to submit written notice in order for the member to withdraw from a qualified pool, then the period in which the member must provide the written notice cannot be greater than 120 days, except that this requirement applies only to joint insurance pool agreements entered into, modified, or renewed on or after the effective date of this amendatory Act of the 98th General Assembly.

For purposes of this Section, "public agency member" means any public agency defined or created under this Act, any local public entity as defined in Section 1-206 of the Local Governmental and Governmental Employees Tort Immunity Act, and any public agency, authority, instrumentality, council, board, service region, district, unit, bureau, or, commission, or any municipal corporation, college, or university, whether corporate or otherwise, and any other local governmental body or similar entity that is presently existing or created after the effective date of this amendatory Act of the 92nd General Assembly, whether or not specified in this Section. debts related to intergovernmental activities described in this Section, or public agency members created by or as part of a public agency with these powers, may enter into contracts or otherwise associate among themselves as permitted in this Section.

No joint insurance pool or other intergovernmental cooperative offering health insurance shall interfere with the statutory obligation of any public agency member to bargain over or to reach agreement with a labor organization over a mandatory subject of collective bargaining as those terms are used in the Illinois Public Labor Relations Act. No intergovernmental contract of insurance offering health insurance shall limit the rights or obligations of public agency members to engage in collective bargaining, and it shall be unlawful for a joint insurance pool or other intergovernmental cooperative offering health insurance to discriminate against public agency members or otherwise retaliate against such members for limiting their participation in a joint insurance pool as a result of a collective bargaining agreement.

It shall not be considered a violation of this Section for an intergovernmental contract of insurance relating to health insurance coverage, life insurance coverage, or both to permit the pool or cooperative, if a member withdraws employees or officers into a union-sponsored program, to re-price the costs of benefits provided to the continuing employees or officers based upon the same underwriting criteria used by that pool or cooperative in the normal course of its business, but no member shall be expelled from a pool or cooperative if the continuing employees or officers meet the general criteria required of other members.

(a-5) Any person who is not a federally licensed firearm dealer and who desires to transfer or sell a firearm while that person is on the grounds of a gun show must, before selling or transferring the firearm, request the Department of State Police to conduct a background check on the prospective recipient of the firearm in accordance with Section 3.1.

(a-10) Any person who is not a federally licensed firearm dealer and who desires to transfer or sell a firearm to any person who is not a federally licensed firearm dealer shall, before selling or transferring the firearms, contact the Department of State Police with the transferee's or purchaser's Firearm Owner's Identification Card number to determine the validity of the transferee's or purchaser's Firearm Owner's Identification Card. This subsection shall not be effective until January 1, 2014. The Department of State Police may adopt rules concerning the implementation of this subsection. The Department of State Police shall provide the seller or transferor an approval number if the purchaser's Firearm Owner's Identification Card is valid. Approvals issued by the Department for the purchase of a firearm pursuant to this subsection are valid for 30 days from the date of issue.

(a-15) The provisions of subsection (a-10) of this Section do not apply to:

(k) Sells or transfers ownership of a firearm to a person who does not display to the seller or transferor of the firearm a currently valid Firearm Owner's Identification Card that has previously been issued in the transferee's name by the Department of State Police under the provisions of the Firearm Owners Identification Card Act. This paragraph (k) does not apply to the transfer of a firearm to a person who is exempt from the requirement of possessing a Firearm Owner's Identification Card under Section 2 of the Firearm Owners Identification Card Act. (1) In addition to the other requirements of this paragraph (k), all persons who are not federally licensed firearms dealers must also have complied with subsection (a-10) of Section 3 of the Firearm Owners Identification Card Act by determining the validity of a purchaser's Firearm Owner's Identification Card.

(2) All sellers or transferors who have complied with the requirements of subparagraph (1) of this paragraph (k) shall not be liable for damages in any civil action arising from the use or misuse by the transferee of the firearm transferred, except for willful or wanton misconduct on the part of the seller or transferor.

(1) Not being entitled to the possession of a firearm, delivers the firearm, knowing it to have been stolen or converted. It may be inferred that a person who possesses a firearm with knowledge that its serial number has been removed or altered has knowledge that the firearm is stolen or converted.

(B) Paragraph (h) of subsection (A) does not include firearms sold within 6 months after enactment of Public Act 78-355 (approved August 21, 1973, effective October 1, 1973), nor is any firearm legally owned or possessed by any citizen or purchased by any citizen within 6 months after the enactment of Public Act 78-355 subject to confiscation or seizure under the provisions of that Public Act. (9) The pet shop operator's license number issued by the Illinois Department of Agriculture.

(b) The information required in subsection (a) shall be provided to the customer in written form by the pet shop operator and shall have an acknowledgement of disclosures form, which must be signed by the customer and the pet shop operator at the time of sale. The acknowledgement of disclosures form shall include the following:

(1) A blank space for the dated signature and printed name of the pet shop operator, which shall be immediately beneath the following statement: "I hereby attest that all of the above information is true and correct to the best of my knowledge."

following statement: "I hereby attest that this disclosure was posted on or near the cage of the dog or cat for sale and that I have read all of the disclosures. I further understand that I am entitled to keep a signed copy of this disclosure."

(c) A copy of the disclosures and the signed acknowledgement of disclosures form shall be provided to the customer at the time of sale and the original copy shall be maintained by the pet shop operator for a period of 2 years from the date of sale. (e) If there is an outbreak of distemper, parvovirus, or any other contagious and potentially life-threatening disease, the pet shop operator shall notify the Department immediately upon becoming aware of the disease. (f) A customer who purchased a dog or cat from a pet shop is entitled to a remedy under this Section if:

(1) within 21 days after the date of sale, a licensed veterinarian states in writing that at the time of sale (A) the dog or cat was unfit for purchase due to illness or disease, the presence of symptoms of a contagious or infectious disease, or obvious signs of severe parasitism that are extreme enough to influence the general health of the animal, excluding fleas or ticks, or (B) the dog or cat has died from a disease that existed in the dog or cat on or before the date of delivery to the customer; or

(2) within one year after the date of sale, a licensed veterinarian states in writing that the dog or cat possesses a congenital or hereditary condition that adversely affects the health of the dog or cat or requires either hospitalization or a non-elective surgical procedure or has died of a congenital or hereditary condition. (F) the findings of the examination or necropsy, including any lab results or copies of the results.

(g) A customer entitled to a remedy under subsection (f) of this Section may:

(1) return the dog or cat to the pet shop for a full refund of the purchase price;
(2) exchange the dog or cat for another dog or cat of comparable value chosen by the customer;
(3) retain the dog or cat and be reimbursed for reasonable veterinary fees for diagnosis and treatment of the dog or cat, not to exceed the purchase price of the dog or cat; or
(4) if the dog or cat is deceased, be reimbursed for the full purchase price of the dog or cat plus reasonable veterinary fees associated with the diagnosis and treatment of the dog or cat, not to exceed 2 times the purchase price of the dog or cat.

For the purposes of this subsection (g), veterinary fees shall be considered reasonable if (i) the services provided are appropriate for the diagnosis and treatment of the disease, illness, or congenital or hereditary condition and (ii) the cost of the services is comparable to that charged for similar services by other licensed veterinarians located in close proximity to the treating veterinarian.

(h) Unless the pet shop contests a reimbursement required under subsection (g) of this Section, the reimbursement shall be made to the customer no later than 10 business days after the pet shop operator receives the veterinarian's statement under subsection (f) of this Section.

(i) To obtain a remedy under this Section, a customer shall:

(1) notify the pet shop as soon as reasonably possible and not to exceed 3 business days after a diagnosis by a licensed veterinarian of a disease, illness, or congenital or hereditary condition of the dog or cat for which the customer is seeking a remedy;

New matter indicated by italics - deletions by strikeout
(2) provide to the pet shop a written statement provided for under subsection (f) of this Section by a licensed veterinarian within 5 business days after a diagnosis by the veterinarian;

(3) upon request of the pet shop, take the dog or cat for an examination by a second licensed veterinarian; the customer may either choose the second licensed veterinarian or allow the pet shop to choose the second veterinarian, if the pet shop agrees to do so. The party choosing the second veterinarian shall assume the cost of the resulting examination; and

(4) if the customer requests a reimbursement of veterinary fees, provide to the pet shop an itemized bill for the disease, illness, or congenital or hereditary condition of the dog or cat for which the customer is seeking a remedy.

(j) A customer is not entitled to a remedy under this Section if:

(1) the illness or death resulted from: (A) maltreatment or neglect by the customer; (B) an injury sustained after the delivery of the dog or cat to the customer; or (C) an illness or disease contracted after the delivery of the dog or cat to the customer;

(2) the customer does not carry out the recommended treatment prescribed by the veterinarian who made the diagnosis; or

(3) the customer does not return to the pet shop all documents provided to register the dog or cat, unless the documents have already been sent to the registry organization.

(k) A pet shop may contest a remedy under this Section by having the dog or cat examined by a second licensed veterinarian pursuant to paragraph (3) of subsection (i) of this Section if the dog or cat is still living. If the dog or cat is deceased, the pet shop may choose to have the second veterinarian review any records provided by the veterinarian who examined or treated the dog or cat for the customer before its death.

If the customer and the pet shop have not reached an agreement within 10 business days after the examination of the medical records and the dog or cat, if alive, or the dog's or cat's medical records, if deceased, by the second veterinarian, then:

(1) the customer may bring suit in a court of competent jurisdiction to resolve the dispute; or

(2) if the customer and the pet shop agree in writing, the parties may submit the dispute to binding arbitration.

New matter indicated by italics - deletions by strikeout
If the court or arbiter finds that either party acted in bad faith in seeking or denying the requested remedy, then the offending party may be required to pay reasonable attorney's fees and court costs of the adverse party.

(l) This Section shall not apply to any adoption of dogs or cats, including those in which a pet shop or other organization rents or donates space to facilitate the adoption.

(m) If a pet shop offers its own warranty on a pet, a customer may choose to waive the remedies provided under subsection (f) of this Section in favor of choosing the warranty provided by the pet shop. If a customer waives the rights provided by subsection (f), the only remedies available to the customer are those provided by the pet shop's warranty. For the statement to be an effective waiver of the customer's right to refund or exchange the animal under subsection (f), the pet shop must provide, in writing, a statement of the remedy under subsection (f) that the customer is waiving as well as a written copy of the pet shop's warranty. For the statement to be an effective waiver of the customer's right to refund or exchange the animal under subsection (f), it shall be substantially similar to the following language:

"I have agreed to accept the warranty provided by the pet shop in lieu of the remedies under subsection (f) of Section 3.15 of the Animal Welfare Act. I have received a copy of the pet shop's warranty and a statement of the remedies provided under subsection (f) of Section 3.15 of the Animal Welfare Act. This is a waiver pursuant to subsection (m) of Section 3.15 of the Animal Welfare Act whereby I, the customer, relinquish any and all right to return the animal for congenital and hereditary disorders provided by subsection (f) of Section 3.15 of the Animal Welfare Act. I agree that my exclusive remedy is the warranty provided by the pet shop at the time of sale."

(625 ILCS 5/11-601) (from Ch. 95 1/2, par. 11-601)

Sec. 11-601. General speed restrictions.

(a) No vehicle may be driven upon any highway of this State at a speed which is greater than is reasonable and proper with regard to traffic conditions and the use of the highway, or endangers the safety of any person or property. The fact that the speed of a vehicle does not exceed the applicable maximum speed limit does not relieve the driver from the duty to decrease speed when approaching and crossing an intersection, approaching and going around a curve, when approaching a hill crest, when traveling upon any narrow or winding roadway, or when special hazard exists with respect to pedestrians or other traffic or by reason of weather or highway conditions. Speed must be decreased as may be
necessary to avoid colliding with any person or vehicle on or entering the highway in compliance with legal requirements and the duty of all persons to use due care.

(b) No person may drive a vehicle upon any highway of this State at a speed which is greater than the applicable statutory maximum speed limit established by paragraphs (c), (d), (e), (f) or (g) of this Section, by Section 11-605 or by a regulation or ordinance made under this Chapter.

(c) Unless some other speed restriction is established under this Chapter, the maximum speed limit in an urban district for all vehicles is:
   1. 30 miles per hour; and
   2. 15 miles per hour in an alley.

(d) Unless some other speed restriction is established under this Chapter, the maximum speed limit outside an urban district for any vehicle is (1) 65 miles per hour (i) for all highways under the jurisdiction of the Illinois State Toll Highway Authority, unless some other speed limit is designated, and (ii) for all or part of highways that are designated by the Department, have at least 4 lanes of traffic, and have a separation between the roadways moving in opposite directions and (2) 55 miles per hour for all other highways, roads, and streets.

(d-1) Unless some other speed restriction is established under this Chapter, the maximum speed limit outside an urban district for any vehicle is (1) 70 miles per hour on any interstate highway as defined by Section 1-133.1 of this Code; (2) 65 miles per hour for all or part of highways that are designated by the Department, have at least 4 lanes of traffic, and have a separation between the roadways moving in opposite directions; and (3) 55 miles per hour for all other highways, roads, and streets. The counties of Cook, DuPage, Kane, Lake, Madison, McHenry, St. Clair, and Will may adopt ordinances setting a maximum speed limit on highways, roads, and streets that is lower than the limits established by this Section.

(e) In the counties of Cook, DuPage, Kane, Lake, McHenry, and Will, unless some lesser speed restriction is established under this Chapter, the maximum speed limit outside an urban district for a second division vehicle designed or used for the carrying of a gross weight of 8,001 pounds or more (including the weight of the vehicle and maximum load) is 55 miles per hour.

(f) (Blank).

(f) Unless some other speed restriction is established under this Chapter, the maximum speed limit outside an urban district for a bus is:

New matter indicated by italics - deletions by strikeout
1. 65 miles per hour upon any highway which has at least 4 lanes of traffic and of which the roadways for traffic moving in opposite directions are separated by a strip of ground which is not surfaced or suitable for vehicular traffic, except that the maximum speed limit for a bus on all highways, roads, or streets not under the jurisdiction of the Department or the Illinois State Toll Highway Authority is 55 miles per hour; and

1.5. 70 miles per hour upon any interstate highway as defined by Section 1-133.1 of this Code outside the counties of Cook, DuPage, Kane, Lake, McHenry, and Will; and
2. 55 miles per hour on any other highway.

(g) (Blank).

(625 ILCS 5/11-601.5)

Sec. 11-601.5. Driving 26 ± miles per hour or more in excess of applicable limit.

(a) A person who drives a vehicle upon any highway of this State at a speed that is 26 ± miles per hour or more but less than 35 ± miles per hour in excess of the applicable maximum speed limit established under this Chapter or a local ordinance commits a Class B misdemeanor.

(b) A person who drives a vehicle upon any highway of this State at a speed that is 35 ± miles per hour or more in excess of the applicable maximum speed limit established under this Chapter or a local ordinance commits a Class A misdemeanor.

(625 ILCS 5/11-602) (from Ch. 95 1/2, par. 11-602)

Sec. 11-602. Alteration of limits by Department. Whenever the Department determines, upon the basis of an engineering and traffic investigation concerning any highway for which the Department has maintenance responsibility, that a maximum speed limit prescribed in Section 11-601 of this Chapter is greater or less than is reasonable or safe with respect to the conditions found to exist at any intersection or other place on such highway or along any part or zone thereof, the Department shall determine and declare a reasonable and safe absolute maximum speed limit applicable to such intersection or place, or along such part or zone. However, such limit shall conform with the maximum speed limit restrictions provided for in Section 11-601 of this Code and not exceed 65 miles per hour on a highway or street which is especially designed for through traffic and to, from, or over which owners of or persons having an

interest in abutting property or other persons have no right or easement, or
only a limited right or easement, of access, crossing, light, air, or view, and
shall not exceed 55 miles per hour on any other highway. Where a
highway under the Department's jurisdiction is contiguous to school
property, the Department may, at the school district's request, set a reduced
maximum speed limit for student safety purposes in the portion of the
highway that faces the school property and in the portions of the highway
that extend one-quarter mile in each direction from the opposite ends of
the school property. A limit determined and declared as provided in this
Section becomes effective, and suspends the applicability of the limit
prescribed in Section 11-601 of this Chapter, when appropriate signs
giving notice of the limit are erected at such intersection or other place, or
along such part or zone of the highway. Electronic speed-detecting devices
shall not be used within 500 feet beyond any such sign in the direction of
travel; if so used in violation hereof, evidence obtained thereby shall be
inadmissible in any prosecution for speeding. However, nothing in this
Section prohibits the use of such electronic speed-detecting devices within
500 feet of a sign within a special school speed zone indicating such zone,
conforming to the requirements of Section 11-605 of this Act, nor shall
evidence obtained thereby be inadmissible in any prosecution for speeding
provided the use of such device shall apply only to the enforcement of the
speed limit in such special school speed zone.

(625 ILCS 5/11-603) (from Ch. 95 1/2, par. 11-603)

Sec. 11-603. Alteration of limits by Toll Highway Authority.
Whenever the Illinois State Toll Highway Authority determines, upon the
basis of an engineering and traffic investigation concerning a toll highway
under its jurisdiction, that a maximum speed limit prescribed in Section
11-601 of this Chapter is greater or less than is reasonable or safe with
respect to conditions found to exist at any place or along any part or zone
of such highway, the Authority shall determine and declare by regulation a
reasonable and safe absolute maximum speed limit at such place or along
such part or zone, and the speed limit shall conform with the maximum
speed limit restrictions provided for in Section 11-601 of this Code not
exceeding 65 miles per hour. A limit so determined and declared becomes
effective, and suspends the application of the limit prescribed in Section
11-601 of this Chapter, when (a) the Department concurs in writing with
the Authority's regulation, and (b) appropriate signs giving notice of the
limit are erected at such place or along such part or zone of the highway.

Section 5. The Illinois Vehicle Code is amended by repealing Section 11-1419.
Approved August 19, 2013.
Effective January 1, 2014.

PUBLIC ACT 98-0513
(Senate Bill No. 1762)

AN ACT concerning education.
Be it enacted by the People of the State of Illinois, represented in the General Assembly:
Section 5. The School Code is amended by changing Sections 2-3.25g, 24-11, 24-12, and 24-16.5 as follows:
(105 ILCS 5/2-3.25g) (from Ch. 122, par. 2-3.25g)
Sec. 2-3.25g. Waiver or modification of mandates within the School Code and administrative rules and regulations.
(a) In this Section:
"Board" means a school board or the governing board or administrative district, as the case may be, for a joint agreement.
"Eligible applicant" means a school district, joint agreement made up of school districts, or regional superintendent of schools
on behalf of schools and programs operated by the regional office of education.

"Implementation date" has the meaning set forth in Section 24A-2.5 of this Code.

"State Board" means the State Board of Education.

(b) Notwithstanding any other provisions of this School Code or any other law of this State to the contrary, eligible applicants may petition the State Board of Education for the waiver or modification of the mandates of this School Code or of the administrative rules and regulations promulgated by the State Board of Education. Waivers or modifications of administrative rules and regulations and modifications of mandates of this School Code may be requested when an eligible applicant demonstrates that it can address the intent of the rule or mandate in a more effective, efficient, or economical manner or when necessary to stimulate innovation or improve student performance. Waivers of mandates of the School Code may be requested when the waivers are necessary to stimulate innovation or improve student performance. Waivers may not be requested from laws, rules, and regulations pertaining to special education, teacher certification, teacher tenure and seniority, or Section 5-2.1 of this Code or from compliance with the No Child Left Behind Act of 2001 (Public Law 107-110). Eligible on and after the applicable implementation date, eligible applicants may not seek a waiver or seek a modification of a mandate regarding the requirements for (i) student performance data to be a significant factor in teacher or principal evaluations or (ii) for teachers and principals to be rated using the 4 categories of "excellent", "proficient", "needs improvement", or "unsatisfactory". On September 1, 2014 the applicable implementation date, any previously authorized waiver or modification from such requirements shall terminate.

(c) Eligible applicants, as a matter of inherent managerial policy, and any Independent Authority established under Section 2-3.25f may submit an application for a waiver or modification authorized under this Section. Each application must include a written request by the eligible applicant or Independent Authority and must demonstrate that the intent of the mandate can be addressed in a more effective, efficient, or economical manner or be based upon a specific plan for improved student performance and school improvement. Any eligible applicant requesting a waiver or modification for the reason that intent of the mandate can be addressed in a more economical manner shall include in the application a fiscal analysis

showing current expenditures on the mandate and projected savings resulting from the waiver or modification. Applications and plans developed by eligible applicants must be approved by the board or regional superintendent of schools applying on behalf of schools or programs operated by the regional office of education following a public hearing on the application and plan and the opportunity for the board or regional superintendent to hear testimony from staff directly involved in its implementation, parents, and students. The time period for such testimony shall be separate from the time period established by the eligible applicant for public comment on other matters. If the applicant is a school district or joint agreement requesting a waiver or modification of Section 27-6 of this Code, the public hearing shall be held on a day other than the day on which a regular meeting of the board is held.

(c-5) If the applicant is a school district, then the district shall post information that sets forth the time, date, place, and general subject matter of the public hearing on its Internet website at least 14 days prior to the hearing. If the district is requesting to increase the fee charged for driver education authorized pursuant to Section 27-24.2 of this Code, the website information shall include the proposed amount of the fee the district will request. All school districts must publish a notice of the public hearing at least 7 days prior to the hearing in a newspaper of general circulation within the school district that sets forth the time, date, place, and general subject matter of the hearing. Districts requesting to increase the fee charged for driver education shall include in the published notice the proposed amount of the fee the district will request. If the applicant is a joint agreement or regional superintendent, then the joint agreement or regional superintendent shall post information that sets forth the time, date, place, and general subject matter of the public hearing on its Internet website at least 14 days prior to the hearing. If the joint agreement or regional superintendent is requesting to increase the fee charged for driver education authorized pursuant to Section 27-24.2 of this Code, the website information shall include the proposed amount of the fee the applicant will request. All joint agreements and regional superintendents must publish a notice of the public hearing at least 7 days prior to the hearing in a newspaper of general circulation in each school district that is a member of the joint agreement or that is served by the educational service region that sets forth the time, date, place, and general subject matter of the hearing, provided that a notice appearing in a newspaper generally circulated in more than one school district shall be deemed to fulfill this requirement.

with respect to all of the affected districts. Joint agreements or regional superintendents requesting to increase the fee charged for driver education shall include in the published notice the proposed amount of the fee the applicant will request. The eligible applicant must notify in writing the affected exclusive collective bargaining agent and those State legislators representing the eligible applicant's territory of its intent to seek approval of a waiver or modification and of the hearing to be held to take testimony from staff. The affected exclusive collective bargaining agents shall be notified of such public hearing at least 7 days prior to the date of the hearing and shall be allowed to attend such public hearing. The eligible applicant shall attest to compliance with all of the notification and procedural requirements set forth in this Section.

(d) A request for a waiver or modification of administrative rules and regulations or for a modification of mandates contained in this School Code shall be submitted to the State Board of Education within 15 days after approval by the board or regional superintendent of schools. The application as submitted to the State Board of Education shall include a description of the public hearing. Except with respect to contracting for adaptive driver education, an eligible applicant wishing to request a modification or waiver of administrative rules of the State Board of Education regarding contracting with a commercial driver training school to provide the course of study authorized under Section 27-24.2 of this Code must provide evidence with its application that the commercial driver training school with which it will contract holds a license issued by the Secretary of State under Article IV of Chapter 6 of the Illinois Vehicle Code and that each instructor employed by the commercial driver training school to provide instruction to students served by the school district holds a valid teaching certificate or teaching license, as applicable, issued under the requirements of this Code and rules of the State Board of Education. Such evidence must include, but need not be limited to, a list of each instructor assigned to teach students served by the school district, which list shall include the instructor's name, personal identification number as required by the State Board of Education, birth date, and driver's license number. If the modification or waiver is granted, then the eligible applicant shall notify the State Board of Education of any changes in the personnel providing instruction within 15 calendar days after an instructor leaves the program or a new instructor is hired. Such notification shall include the instructor's name, personal identification number as required by the State Board of Education, birth date, and driver's license number. If
a school district maintains an Internet website, then the district shall post a copy of the final contract between the district and the commercial driver training school on the district's Internet website. If no Internet website exists, then the district shall make available the contract upon request. A record of all materials in relation to the application for contracting must be maintained by the school district and made available to parents and guardians upon request. The instructor's date of birth and driver's license number and any other personally identifying information as deemed by the federal Driver's Privacy Protection Act of 1994 must be redacted from any public materials. Following receipt of the waiver or modification request, the State Board shall have 45 days to review the application and request. If the State Board fails to disapprove the application within that 45 day period, the waiver or modification shall be deemed granted. The State Board may disapprove any request if it is not based upon sound educational practices, endangers the health or safety of students or staff, compromises equal opportunities for learning, or fails to demonstrate that the intent of the rule or mandate can be addressed in a more effective, efficient, or economical manner or have improved student performance as a primary goal. Any request disapproved by the State Board may be appealed to the General Assembly by the eligible applicant as outlined in this Section.

A request for a waiver from mandates contained in this School Code shall be submitted to the State Board within 15 days after approval by the board or regional superintendent of schools. The application as submitted to the State Board of Education shall include a description of the public hearing. The description shall include, but need not be limited to, the means of notice, the number of people in attendance, the number of people who spoke as proponents or opponents of the waiver, a brief description of their comments, and whether there were any written statements submitted. The State Board shall review the applications and requests for completeness and shall compile the requests in reports to be filed with the General Assembly. The State Board shall file reports outlining the waivers requested by eligible applicants and appeals by eligible applicants of requests disapproved by the State Board with the Senate and the House of Representatives before each March 1 and October 1. The General Assembly may disapprove the report of the State Board in whole or in part within 60 calendar days after each house of the General Assembly next convenes after the report is filed by adoption of a resolution by a record vote of the majority of members elected in each
house. If the General Assembly fails to disapprove any waiver request or appealed request within such 60 day period, the waiver or modification shall be deemed granted. Any resolution adopted by the General Assembly disapproving a report of the State Board in whole or in part shall be binding on the State Board.

(e) An approved waiver or modification (except a waiver from or modification to a physical education mandate) may remain in effect for a period not to exceed 5 school years and may be renewed upon application by the eligible applicant. However, such waiver or modification may be changed within that 5-year period by a board or regional superintendent of schools applying on behalf of schools or programs operated by the regional office of education following the procedure as set forth in this Section for the initial waiver or modification request. If neither the State Board of Education nor the General Assembly disapproves, the change is deemed granted.

An approved waiver from or modification to a physical education mandate may remain in effect for a period not to exceed 2 school years and may be renewed no more than 2 times upon application by the eligible applicant. An approved waiver from or modification to a physical education mandate may be changed within the 2-year period by the board or regional superintendent of schools, whichever is applicable, following the procedure set forth in this Section for the initial waiver or modification request. If neither the State Board of Education nor the General Assembly disapproves, the change is deemed granted.

(105 ILCS 5/24-11) (from Ch. 122, par. 24-11)

(a) As used in this and the succeeding Sections of this Article:
"Teacher" means any or all school district employees regularly required to be certified under laws relating to the certification of teachers.
"Board" means board of directors, board of education, or board of school inspectors, as the case may be.
"School term" means that portion of the school year, July 1 to the following June 30, when school is in actual session.
"Program" means a program of a special education joint agreement.
"Program of a special education joint agreement" means instructional, consultative, supervisory, administrative, diagnostic, and related services that are managed by a special educational joint agreement designed to service 2 or more school districts that are members of the joint agreement.

"PERA implementation date" means the implementation date of an evaluation system for teachers as specified by Section 24A-2.5 of this Code for all schools within a school district or all programs of a special education joint agreement.

(b) This Section and Sections 24-12 through 24-16 of this Article apply only to school districts having less than 500,000 inhabitants.

(c) Any teacher who is first employed as a full-time teacher in a school district or program prior to the PERA implementation date and who is employed in that district or program for a probationary period of 4 consecutive school terms shall enter upon contractual continued service in the district or in all of the programs that the teacher is legally qualified to hold, unless the teacher is given written notice of dismissal by certified mail, return receipt requested, by the employing board at least 45 days before the end of any school term within such period.

(d) For any teacher who is first employed as a full-time teacher in a school district or program on or after the PERA implementation date, the probationary period shall be one of the following periods, based upon the teacher's school terms of service and performance, before the teacher shall enter upon contractual continued service in the district or in all of the programs that the teacher is legally qualified to hold, unless the teacher is given written notice of dismissal by certified mail, return receipt requested, by the employing board at least 45 days before the end of any school term within such period:

(1) 4 consecutive school terms of service in which the teacher receives overall annual evaluation ratings of at least "Proficient" in the last school term and at least "Proficient" in either the second or third school term;

(2) 3 consecutive school terms of service in which the teacher receives 3 overall annual evaluations of "Excellent"; or

(3) 2 consecutive school terms of service in which the teacher receives 2 overall annual evaluations of "Excellent" service, but only if the teacher (i) previously attained contractual continued service in a different school district or program in this State, (ii) voluntarily departed or was honorably dismissed from

New matter indicated by italics - deletions by strikeout
that school district or program in the school term immediately prior to the teacher's first school term of service applicable to the attainment of contractual continued service under this subdivision (3), and (iii) received, in his or her 2 most recent overall annual or biennial evaluations from the prior school district or program, ratings of at least "Proficient", with both such ratings occurring after the school district's or program's PERA implementation date. For a teacher to attain contractual continued service under this subdivision (3), the teacher shall provide official copies of his or her 2 most recent overall annual or biennial evaluations from the prior school district or program to the new school district or program within 60 days from the teacher's first day of service with the new school district or program. The prior school district or program must provide the teacher with official copies of his or her 2 most recent overall annual or biennial evaluations within 14 days after the teacher's request. If a teacher has requested such official copies prior to 45 days after the teacher's first day of service with the new school district or program and the teacher's prior school district or program fails to provide the teacher with the official copies required under this subdivision (3), then the time period for the teacher to submit the official copies to his or her new school district or program must be extended until 14 days after receipt of such copies from the prior school district or program. If the prior school district or program fails to provide the teacher with the official copies required under this subdivision (3) within 90 days from the teacher's first day of service with the new school district or program, then the new school district or program shall rely upon the teacher's own copies of his or her evaluations for purposes of this subdivision (3).

If the teacher does not receive overall annual evaluations of "Excellent" in the school terms necessary for eligibility to achieve accelerated contractual continued service in subdivisions (2) and (3) of this subsection (d), the teacher shall be eligible for contractual continued service pursuant to subdivision (1) of this subsection (d). If, at the conclusion of 4 consecutive school terms of service that count toward attainment of contractual continued service, the teacher's performance does not qualify the teacher for contractual continued service under subdivision (1) of this subsection (d), then the teacher shall not enter upon contractual continued service and shall be dismissed. If a performance evaluation is

New matter indicated by italics - deletions by strikeout
not conducted for any school term when such evaluation is required to be conducted under Section 24A-5 of this Code, then the teacher's performance evaluation rating for such school term for purposes of determining the attainment of contractual continued service shall be deemed "Proficient".

(e) For the purposes of determining contractual continued service, a school term shall be counted only toward attainment of contractual continued service if the teacher actually teaches or is otherwise present and participating in the district's or program's educational program for 120 days or more, provided that the days of leave under the federal Family Medical Leave Act that the teacher is required to take until the end of the school term shall be considered days of teaching or participation in the district's or program's educational program. A school term that is not counted toward attainment of contractual continued service shall not be considered a break in service for purposes of determining whether a teacher has been employed for 4 consecutive school terms, provided that the teacher actually teaches or is otherwise present and participating in the district's or program's educational program in the following school term.

(f) If the employing board determines to dismiss the teacher in the last year of the probationary period as provided in subsection (c) of this Section or subdivision (1) or (2) of subsection (d) of this Section, but not subdivision (3) of subsection (d) of this Section, the written notice of dismissal provided by the employing board must contain specific reasons for dismissal. Any full-time teacher who does not receive written notice from the employing board at least 45 days before the end of any school term as provided in this Section and whose performance does not require dismissal after the fourth probationary year pursuant to subsection (d) of this Section shall be re-employed for the following school term.

(g) Contractual continued service shall continue in effect the terms and provisions of the contract with the teacher during the last school term of the probationary period, subject to this Act and the lawful regulations of the employing board. This Section and succeeding Sections do not modify any existing power of the board except with respect to the procedure of the discharge of a teacher and reductions in salary as hereinafter provided. Contractual continued service status shall not restrict the power of the board to transfer a teacher to a position which the teacher is qualified to fill or to make such salary adjustments as it deems desirable, but unless reductions in salary are uniform or based upon some reasonable classification, any teacher whose salary is reduced shall be entitled to a
notice and a hearing as hereinafter provided in the case of certain dismissals or removals.

(h) If, by reason of any change in the boundaries of school districts or by reason of the creation of a new school district, the position held by any teacher having a contractual continued service status is transferred from one board to the control of a new or different board, then the contractual continued service status of the teacher is not thereby lost, and such new or different board is subject to this Code with respect to the teacher in the same manner as if the teacher were its employee and had been its employee during the time the teacher was actually employed by the board from whose control the position was transferred.

(i) The employment of any teacher in a program of a special education joint agreement established under Section 3-15.14, 10-22.31 or 10-22.31a shall be governed by this and succeeding Sections of this Article. For purposes of attaining and maintaining contractual continued service and computing length of continuing service as referred to in this Section and Section 24-12, employment in a special educational joint program shall be deemed a continuation of all previous certificated employment of such teacher for such joint agreement whether the employer of the teacher was the joint agreement, the regional superintendent, or one of the participating districts in the joint agreement.

(j) For any teacher employed after July 1, 1987 as a full-time teacher in a program of a special education joint agreement, whether the program is operated by the joint agreement or a member district on behalf of the joint agreement, in the event of a reduction in the number of programs or positions in the joint agreement in which the notice of dismissal is provided on or before the end of the 2010-2011 school term, the teacher in contractual continued service is eligible for employment in the joint agreement programs for which the teacher is legally qualified in order of greater length of continuing service in the joint agreement, unless an alternative method of determining the sequence of dismissal is established in a collective bargaining agreement. For any teacher employed after July 1, 1987 as a full-time teacher in a program of a special education joint agreement, whether the program is operated by the joint agreement or a member district on behalf of the joint agreement, in the event of a reduction in the number of programs or positions in the joint agreement in which the notice of dismissal is provided during the 2011-2012 school term or a subsequent school term, the teacher shall be included on the honorable dismissal lists of all joint agreement programs for positions for

which the teacher is qualified and is eligible for employment in such programs in accordance with subsections (b) and (c) of Section 24-12 of this Code and the applicable honorable dismissal policies of the joint agreement.

(k) For any teacher employed after July 1, 1987 as a full-time teacher in a program of a special education joint agreement, whether the program is operated by the joint agreement or a member district on behalf of the joint agreement, in the event of the dissolution of a joint agreement, in which the notice to teachers of the dissolution is provided during the 2010-2011 school term, the teacher in contractual continued service who is legally qualified shall be assigned to any comparable position in a member district currently held by a teacher who has not entered upon contractual continued service or held by a teacher who has entered upon contractual continued service with a shorter length of contractual continued service.

Any teacher employed after July 1, 1987 as a full-time teacher in a program of a special education joint agreement, whether the program is operated by the joint agreement or a member district on behalf of the joint agreement, in the event of the dissolution of a joint agreement in which the notice to teachers of the dissolution is provided during the 2011-2012 school term or a subsequent school term, the teacher who is qualified shall be included on the order of honorable dismissal lists of each member district and shall be assigned to any comparable position in any such district in accordance with subsections (b) and (c) of Section 24-12 of this Code and the applicable honorable dismissal policies of each member district.

(l) The governing board of the joint agreement, or the administrative district, if so authorized by the articles of agreement of the joint agreement, rather than the board of education of a school district, may carry out employment and termination actions including dismissals under this Section and Section 24-12.

(m) The employment of any teacher in a special education program authorized by Section 14-1.01 through 14-14.01, or a joint educational program established under Section 10-22.31a, shall be under this and the succeeding Sections of this Article, and such employment shall be deemed a continuation of the previous employment of such teacher in any of the participating districts, regardless of the participation of other districts in the program.

(n) Any teacher employed as a full-time teacher in a special education program prior to September 23, 1987 in which 2 or more school
districts participate for a probationary period of 2 consecutive years shall enter upon contractual continued service in each of the participating districts, subject to this and the succeeding Sections of this Article, and, notwithstanding Section 24-1.5 of this Code, in the event of the termination of the program shall be eligible for any vacant position in any of such districts for which such teacher is qualified. (105 ILCS 5/24-12) (from Ch. 122, par. 24-12)

Sec. 24-12. Removal or dismissal of teachers in contractual continued service.

(a) This subsection (a) applies only to honorable dismissals and recalls in which the notice of dismissal is provided on or before the end of the 2010-2011 school term. If a teacher in contractual continued service is removed or dismissed as a result of a decision of the board to decrease the number of teachers employed by the board or to discontinue some particular type of teaching service, written notice shall be mailed to the teacher and also given the teacher either by certified mail, return receipt requested or personal delivery with receipt at least 60 days before the end of the school term, together with a statement of honorable dismissal and the reason therefor, and in all such cases the board shall first remove or dismiss all teachers who have not entered upon contractual continued service before removing or dismissing any teacher who has entered upon contractual continued service and who is legally qualified to hold a position currently held by a teacher who has not entered upon contractual continued service.

As between teachers who have entered upon contractual continued service, the teacher or teachers with the shorter length of continuing service with the district shall be dismissed first unless an alternative method of determining the sequence of dismissal is established in a collective bargaining agreement or contract between the board and a professional faculty members' organization and except that this provision shall not impair the operation of any affirmative action program in the district, regardless of whether it exists by operation of law or is conducted on a voluntary basis by the board. Any teacher dismissed as a result of such decrease or discontinuance shall be paid all earned compensation on or before the third business day following the last day of pupil attendance in the regular school term.

If the board has any vacancies for the following school term or within one calendar year from the beginning of the following school term,
the positions thereby becoming available shall be tendered to the teachers so removed or dismissed so far as they are legally qualified to hold such positions; provided, however, that if the number of honorable dismissal notices based on economic necessity exceeds 15% of the number of full time equivalent positions filled by certified employees (excluding principals and administrative personnel) during the preceding school year, then if the board has any vacancies for the following school term or within 2 calendar years from the beginning of the following school term, the positions so becoming available shall be tendered to the teachers who were so notified and removed or dismissed whenever they are legally qualified to hold such positions. Each board shall, in consultation with any exclusive employee representatives, each year establish a list, categorized by positions, showing the length of continuing service of each teacher who is qualified to hold any such positions, unless an alternative method of determining a sequence of dismissal is established as provided for in this Section, in which case a list shall be made in accordance with the alternative method. Copies of the list shall be distributed to the exclusive employee representative on or before February 1 of each year. Whenever the number of honorable dismissal notices based upon economic necessity exceeds 5, or 150% of the average number of teachers honorably dismissed in the preceding 3 years, whichever is more, then the board also shall hold a public hearing on the question of the dismissals. Following the hearing and board review the action to approve any such reduction shall require a majority vote of the board members.

(b) This subsection (b) applies only to honorable dismissals and recalls in which the notice of dismissal is provided during the 2011-2012 school term or a subsequent school term. If any teacher, whether or not in contractual continued service, is removed or dismissed as a result of a decision of a school board to decrease the number of teachers employed by the board, a decision of a school board to discontinue some particular type of teaching service, or a reduction in the number of programs or positions in a special education joint agreement, then written notice must be mailed to the teacher and also given to the teacher either by certified mail, return receipt requested, or personal delivery with receipt at least 45 days before the end of the school term, together with a statement of honorable dismissal and the reason therefor, and in all such cases the sequence of dismissal shall occur in accordance with this subsection (b); except that this subsection (b) shall not impair the operation of any affirmative action.
program in the school district, regardless of whether it exists by operation of law or is conducted on a voluntary basis by the board.

Each teacher must be categorized into one or more positions for which the teacher is qualified to hold, based upon legal qualifications and any other qualifications established in a district or joint agreement job description, on or before the May 10 prior to the school year during which the sequence of dismissal is determined. Within each position and subject to agreements made by the joint committee on honorable dismissals that are authorized by subsection (c) of this Section, the school district or joint agreement must establish 4 groupings of teachers qualified to hold the position as follows:

(1) Grouping one shall consist of each teacher who is not in contractual continued service and who (i) has not received a performance evaluation rating, (ii) is employed for one school term or less to replace a teacher on leave, or (iii) is employed on a part-time basis. "Part-time basis" for the purposes of this subsection (b) means a teacher who is employed to teach less than a full-day, teacher workload or less than 5 days of the normal student attendance week, unless otherwise provided for in a collective bargaining agreement between the district and the exclusive representative of the district's teachers. For the purposes of this Section, a teacher (A) who is employed as a full-time teacher but who actually teaches or is otherwise present and participating in the district's educational program for less than a school term or (B) who, in the immediately previous school term, was employed on a full-time basis and actually taught or was otherwise present and participated in the district's educational program for 120 days or more is not considered employed on a part-time basis. Grouping one shall consist of each teacher not in contractual continued service who has not received a performance evaluation rating.

(2) Grouping 2 shall consist of each teacher with a Needs Improvement or Unsatisfactory performance evaluation rating on either of the teacher's last 2 performance evaluation ratings.

(3) Grouping 3 shall consist of each teacher with a performance evaluation rating of at least Satisfactory or Proficient on both of the teacher's last 2 performance evaluation ratings, if 2 ratings are available, or on the teacher's last performance evaluation rating.
evaluation rating, if only one rating is available, unless the teacher qualifies for placement into grouping 4.

(4) Grouping 4 shall consist of each teacher whose last 2 performance evaluation ratings are Excellent and each teacher with 2 Excellent performance evaluation ratings out of the teacher's last 3 performance evaluation ratings with a third rating of Satisfactory or Proficient.

Among teachers qualified to hold a position, teachers must be dismissed in the order of their groupings, with teachers in grouping one dismissed first and teachers in grouping 4 dismissed last.

Within grouping one, the sequence of dismissal must be at the discretion of the school district or joint agreement. Within grouping 2, the sequence of dismissal must be based upon average performance evaluation ratings, with the teacher or teachers with the lowest average performance evaluation rating dismissed first. A teacher's average performance evaluation rating must be calculated using the average of the teacher's last 2 performance evaluation ratings, if 2 ratings are available, or the teacher's last performance evaluation rating, if only one rating is available, using the following numerical values: 4 for Excellent; 3 for Proficient or Satisfactory; 2 for Needs Improvement; and 1 for Unsatisfactory. As between or among teachers in grouping 2 with the same average performance evaluation rating and within each of groupings 3 and 4, the teacher or teachers with the shorter length of continuing service with the school district or joint agreement must be dismissed first unless an alternative method of determining the sequence of dismissal is established in a collective bargaining agreement or contract between the board and a professional faculty members' organization.

Each board, including the governing board of a joint agreement, shall, in consultation with any exclusive employee representatives, each year establish a sequence of honorable dismissal list categorized by positions and the groupings defined in this subsection (b). Copies of the list must be distributed to the exclusive bargaining representative at least 75 days before the end of the school term, provided that the school district or joint agreement may, with notice to any exclusive employee representatives, move teachers from grouping one into another grouping during the period of time from 75 days until 45 days before the end of the school term. Each year, each board shall also establish, in consultation with any exclusive employee representatives, a list showing the length of continuing service of each teacher who is qualified to hold any such

positions, unless an alternative method of determining a sequence of dismissal is established as provided for in this Section, in which case a list must be made in accordance with the alternative method. Copies of the list must be distributed to the exclusive employee representative at least 75 days before the end of the school term.

Any teacher dismissed as a result of such decrease or discontinuance must be paid all earned compensation on or before the third business day following the last day of pupil attendance in the regular school term.

If the board or joint agreement has any vacancies for the following school term or within one calendar year from the beginning of the following school term, the positions thereby becoming available must be tendered to the teachers so removed or dismissed who were in groupings 3 or 4 of the sequence of dismissal and are qualified to hold the positions, based upon legal qualifications and any other qualifications established in a district or joint agreement job description, on or before the May 10 prior to the date of the positions becoming available, provided that if the number of honorable dismissal notices based on economic necessity exceeds 15% of the number of full-time equivalent positions filled by certified employees (excluding principals and administrative personnel) during the preceding school year, then the recall period is for the following school term or within 2 calendar years from the beginning of the following school term. Among teachers eligible for recall pursuant to the preceding sentence, the order of recall must be in inverse order of dismissal, unless an alternative order of recall is established in a collective bargaining agreement or contract between the board and a professional faculty members' organization. Whenever the number of honorable dismissal notices based upon economic necessity exceeds 5 notices or 150% of the average number of teachers honorably dismissed in the preceding 3 years, whichever is more, then the school board or governing board of a joint agreement, as applicable, shall also hold a public hearing on the question of the dismissals. Following the hearing and board review, the action to approve any such reduction shall require a majority vote of the board members.

For purposes of this subsection (b), subject to agreement on an alternative definition reached by the joint committee described in subsection (c) of this Section, a teacher's performance evaluation rating means the overall performance evaluation rating resulting from an annual or biennial performance evaluation conducted pursuant to Article

24A of this Code by the school district or joint agreement determining the sequence of dismissal, not including any performance evaluation conducted during or at the end of a remediation period. For performance evaluation ratings determined prior to September 1, 2012, any school district or joint agreement with a performance evaluation rating system that does not use either of the rating category systems specified in subsection (d) of Section 24A-5 of this Code for all teachers must establish a basis for assigning each teacher a rating that complies with subsection (d) of Section 24A-5 of this Code for all of the performance evaluation ratings that are to be used to determine the sequence of dismissal. A teacher's grouping and ranking on a sequence of honorable dismissal shall be deemed a part of the teacher's performance evaluation, and that information may be disclosed to the exclusive bargaining representative as part of a sequence of honorable dismissal list, notwithstanding any laws prohibiting disclosure of such information. A performance evaluation rating may be used to determine the sequence of dismissal, notwithstanding the pendency of any grievance resolution or arbitration procedures relating to the performance evaluation. If a teacher has received at least one performance evaluation rating conducted by the school district or joint agreement determining the sequence of dismissal and a subsequent performance evaluation is not conducted in any school year in which such evaluation is required to be conducted under Section 24A-5 of this Code, the teacher's performance evaluation rating for that school year for purposes of determining the sequence of dismissal is deemed Proficient. If a performance evaluation rating is nullified as the result of an arbitration, administrative agency, or court determination, then the school district or joint agreement is deemed to have conducted a performance evaluation for that school year, but the performance evaluation rating may not be used in determining the sequence of dismissal.

Nothing in this subsection (b) shall be construed as limiting the right of a school board or governing board of a joint agreement to dismiss a teacher not in contractual continued service in accordance with Section 24-11 of this Code.

Any provisions regarding the sequence of honorable dismissals and recall of honorably dismissed teachers in a collective bargaining agreement entered into on or before January 1, 2011 and in effect on the effective date of this amendatory Act of the 97th General Assembly that may conflict with this amendatory Act of the 97th General Assembly shall

remain in effect through the expiration of such agreement or June 30, 2013, whichever is earlier.

(c) Each school district and special education joint agreement must use a joint committee composed of equal representation selected by the school board and its teachers or, if applicable, the exclusive bargaining representative of its teachers, to address the matters described in paragraphs (1) through (5) of this subsection (c) pertaining to honorable dismissals under subsection (b) of this Section.

(1) The joint committee must consider and may agree to criteria for excluding from grouping 2 and placing into grouping 3 a teacher whose last 2 performance evaluations include a Needs Improvement and either a Proficient or Excellent.

(2) The joint committee must consider and may agree to an alternative definition for grouping 4, which definition must take into account prior performance evaluation ratings and may take into account other factors that relate to the school district's or program's educational objectives. An alternative definition for grouping 4 may not permit the inclusion of a teacher in the grouping with a Needs Improvement or Unsatisfactory performance evaluation rating on either of the teacher's last 2 performance evaluation ratings.

(3) The joint committee may agree to including within the definition of a performance evaluation rating a performance evaluation rating administered by a school district or joint agreement other than the school district or joint agreement determining the sequence of dismissal.

(4) For each school district or joint agreement that administers performance evaluation ratings that are inconsistent with either of the rating category systems specified in subsection (d) of Section 24A-5 of this Code, the school district or joint agreement must consult with the joint committee on the basis for assigning a rating that complies with subsection (d) of Section 24A-5 of this Code to each performance evaluation rating that will be used in a sequence of dismissal.

(5) Upon request by a joint committee member submitted to the employing board by no later than 10 days after the distribution of the sequence of honorable dismissal list, a representative of the employing board shall, within 5 days after the request, provide to members of the joint committee a list showing the most recent and
prior performance evaluation ratings of each teacher identified only by length of continuing service in the district or joint agreement and not by name. If, after review of this list, a member of the joint committee has a good faith belief that a disproportionate number of teachers with greater length of continuing service with the district or joint agreement have received a recent performance evaluation rating lower than the prior rating, the member may request that the joint committee review the list to assess whether such a trend may exist. Following the joint committee's review, but by no later than the end of the applicable school term, the joint committee or any member or members of the joint committee may submit a report of the review to the employing board and exclusive bargaining representative, if any. Nothing in this paragraph (5) shall impact the order of honorable dismissal or a school district's or joint agreement's authority to carry out a dismissal in accordance with subsection (b) of this Section.

Agreement by the joint committee as to a matter requires the majority vote of all committee members, and if the joint committee does not reach agreement on a matter, then the otherwise applicable requirements of subsection (b) of this Section shall apply. Except as explicitly set forth in this subsection (c), a joint committee has no authority to agree to any further modifications to the requirements for honorable dismissals set forth in subsection (b) of this Section. The joint committee must be established, and the first meeting of the joint committee each school year must occur on or before December 1, 2011 or 30 days after the effective date of this amendatory Act of the 97th General Assembly, whichever is later.

The joint committee must reach agreement on a matter on or before February 1 of a school year in order for the agreement of the joint committee to apply to the sequence of dismissal determined during that school year. Subject to the February 1 deadline for agreements, the agreement of a joint committee on a matter shall apply to the sequence of dismissal until the agreement is amended or terminated by the joint committee.

(d) Notwithstanding anything to the contrary in this subsection (d), the requirements and dismissal procedures of Section 24-16.5 of this Code shall apply to any dismissal sought under Section 24-16.5 of this Code.

(1) If a dismissal of a teacher in contractual continued service is sought for any reason or cause other than an honorable

New matter indicated by italics - deletions by strikeout
dismissal under subsections (a) or (b) of this Section or a dismissal sought under Section 24-16.5 of this Code, including those under Section 10-22.4, the board must first approve a motion containing specific charges by a majority vote of all its members. Written notice of such charges, including a bill of particulars and the teacher's right to request a hearing, must be mailed to the teacher and also given to the teacher either by certified mail, return receipt requested, or personal delivery with receipt within 5 days of the adoption of the motion. Any written notice sent on or after July 1, 2012 shall inform the teacher of the right to request a hearing before a mutually selected hearing officer, with the cost of the hearing officer split equally between the teacher and the board, or a hearing before a board-selected hearing officer, with the cost of the hearing officer paid by the board.

Before setting a hearing on charges stemming from causes that are considered remediable, a board must give the teacher reasonable warning in writing, stating specifically the causes that, if not removed, may result in charges; however, no such written warning is required if the causes have been the subject of a remediation plan pursuant to Article 24A of this Code.

If, in the opinion of the board, the interests of the school require it, the board may suspend the teacher without pay, pending the hearing, but if the board's dismissal or removal is not sustained, the teacher shall not suffer the loss of any salary or benefits by reason of the suspension.

(2) No hearing upon the charges is required unless the teacher within 17 days after receiving notice requests in writing of the board that a hearing be scheduled before a mutually selected hearing officer or a hearing officer selected by the board. The secretary of the school board shall forward a copy of the notice to the State Board of Education.

(3) Within 5 business days after receiving a notice of hearing in which either notice to the teacher was sent before July 1, 2012 or, if the notice was sent on or after July 1, 2012, the teacher has requested a hearing before a mutually selected hearing officer, the State Board of Education shall provide a list of 5 prospective, impartial hearing officers from the master list of qualified, impartial hearing officers maintained by the State Board of Education. Each person on the master list must (i) be accredited by
a national arbitration organization and have had a minimum of 5 years of experience directly related to labor and employment relations matters between employers and employees or their exclusive bargaining representatives and (ii) beginning September 1, 2012, have participated in training provided or approved by the State Board of Education for teacher dismissal hearing officers so that he or she is familiar with issues generally involved in evaluative and non-evaluative dismissals.

If notice to the teacher was sent before July 1, 2012 or, if the notice was sent on or after July 1, 2012, the teacher has requested a hearing before a mutually selected hearing officer, the board and the teacher or their legal representatives within 3 business days shall alternately strike one name from the list provided by the State Board of Education until only one name remains. Unless waived by the teacher, the teacher shall have the right to proceed first with the striking. Within 3 business days of receipt of the list provided by the State Board of Education, the board and the teacher or their legal representatives shall each have the right to reject all prospective hearing officers named on the list and notify the State Board of Education of such rejection. Within 3 business days after receiving this notification, the State Board of Education shall appoint a qualified person from the master list who did not appear on the list sent to the parties to serve as the hearing officer, unless the parties notify it that they have chosen to alternatively select a hearing officer under paragraph (4) of this subsection (d).

If the teacher has requested a hearing before a hearing officer selected by the board, the board shall select one name from the master list of qualified impartial hearing officers maintained by the State Board of Education within 3 business days after receipt and shall notify the State Board of Education of its selection.

A hearing officer mutually selected by the parties, selected by the board, or selected through an alternative selection process under paragraph (4) of this subsection (d) (A) must not be a resident of the school district, (B) must be available to commence the hearing within 75 days and conclude the hearing within 120 days after being selected as the hearing officer, and (C) must issue a decision as to whether the teacher must be dismissed and give a copy of that decision to both the teacher and the board within 30

New matter indicated by italics - deletions by strikeout
days from the conclusion of the hearing or closure of the record, whichever is later.

(4) In the alternative to selecting a hearing officer from the list received from the State Board of Education or accepting the appointment of a hearing officer by the State Board of Education or if the State Board of Education cannot provide a list or appoint a hearing officer that meets the foregoing requirements, the board and the teacher or their legal representatives may mutually agree to select an impartial hearing officer who is not on the master list either by direct appointment by the parties or by using procedures for the appointment of an arbitrator established by the Federal Mediation and Conciliation Service or the American Arbitration Association. The parties shall notify the State Board of Education of their intent to select a hearing officer using an alternative procedure within 3 business days of receipt of a list of prospective hearing officers provided by the State Board of Education, notice of appointment of a hearing officer by the State Board of Education, or receipt of notice from the State Board of Education that it cannot provide a list that meets the foregoing requirements, whichever is later.

(5) If the notice of dismissal was sent to the teacher before July 1, 2012, the fees and costs for the hearing officer must be paid by the State Board of Education. If the notice of dismissal was sent to the teacher on or after July 1, 2012, the hearing officer's fees and costs must be paid as follows in this paragraph (5). The fees and permissible costs for the hearing officer must be determined by the State Board of Education. If the board and the teacher or their legal representatives mutually agree to select an impartial hearing officer who is not on a list received from the State Board of Education, they may agree to supplement the fees determined by the State Board to the hearing officer, at a rate consistent with the hearing officer's published professional fees. If the hearing officer is mutually selected by the parties, then the board and the teacher or their legal representatives shall each pay 50% of the fees and costs and any supplemental allowance to which they agree. If the hearing officer is selected by the board, then the board shall pay 100% of the hearing officer's fees and costs. The fees and costs must be paid to the hearing officer within 14 days after the board and the teacher

or their legal representatives receive the hearing officer's decision set forth in paragraph (7) of this subsection (d).

(6) The teacher is required to answer the bill of particulars and aver affirmative matters in his or her defense, and the time for initially doing so and the time for updating such answer and defenses after pre-hearing discovery must be set by the hearing officer. The State Board of Education shall promulgate rules so that each party has a fair opportunity to present its case and to ensure that the dismissal process proceeds in a fair and expeditious manner. These rules shall address, without limitation, discovery and hearing scheduling conferences; the teacher's initial answer and affirmative defenses to the bill of particulars and the updating of that information after pre-hearing discovery; provision for written interrogatories and requests for production of documents; the requirement that each party initially disclose to the other party and then update the disclosure no later than 10 calendar days prior to the commencement of the hearing, the names and addresses of persons who may be called as witnesses at the hearing, a summary of the facts or opinions each witness will testify to, and all other documents and materials, including information maintained electronically, relevant to its own as well as the other party's case (the hearing officer may exclude witnesses and exhibits not identified and shared, except those offered in rebuttal for which the party could not reasonably have anticipated prior to the hearing); pre-hearing discovery and preparation, including provision for written interrogatories and requests for production of documents, provided that discovery depositions are prohibited; the conduct of the hearing; the right of each party to be represented by counsel, the offer of evidence and witnesses and the cross-examination of witnesses; the authority of the hearing officer to issue subpoenas and subpoenas duces tecum, provided that the hearing officer may limit the number of witnesses to be subpoenaed on behalf of each party to no more than 7; the length of post-hearing briefs; and the form, length, and content of hearing officers' decisions. The hearing officer shall hold a hearing and render a final decision for dismissal pursuant to Article 24A of this Code or shall report to the school board findings of fact and a recommendation as to whether or not the teacher must be dismissed for conduct. The hearing officer shall commence the hearing within 75 days and conclude

New matter indicated by italics - deletions by strikeout
the hearing within 120 days after being selected as the hearing officer, provided that the hearing officer may modify these timelines upon the showing of good cause or mutual agreement of the parties. Good cause for the purpose of this subsection (d) shall mean the illness or otherwise unavoidable emergency of the teacher, district representative, their legal representatives, the hearing officer, or an essential witness as indicated in each party's pre-hearing submission. In a dismissal hearing pursuant to Article 24A of this Code, the hearing officer shall consider and give weight to all of the teacher's evaluations written pursuant to Article 24A that are relevant to the issues in the hearing.

Each party shall have no more than 3 days to present its case, unless extended by the hearing officer to enable a party to present adequate evidence and testimony, including due to the other party's cross-examination of the party's witnesses, for good cause or by mutual agreement of the parties. The State Board of Education shall define in rules the meaning of "day" for such purposes. All testimony at the hearing shall be taken under oath administered by the hearing officer. The hearing officer shall cause a record of the proceedings to be kept and shall employ a competent reporter to take stenographic or stenotype notes of all the testimony. The costs of the reporter's attendance and services at the hearing shall be paid by the party or parties who are responsible for paying the fees and costs of the hearing officer. Either party desiring a transcript of the hearing shall pay for the cost thereof. Any post-hearing briefs must be submitted by the parties by no later than 21 days after a party's receipt of the transcript of the hearing, unless extended by the hearing officer for good cause or by mutual agreement of the parties.

(7) The hearing officer shall, within 30 days from the conclusion of the hearing or closure of the record, whichever is later, make a decision as to whether or not the teacher shall be dismissed pursuant to Article 24A of this Code or report to the school board findings of fact and a recommendation as to whether or not the teacher shall be dismissed for cause and shall give a copy of the decision or findings of fact and recommendation to both the teacher and the school board. If a hearing officer fails without good cause, specifically provided in writing to both parties and the State Board of Education, to render a decision or findings of fact and

New matter indicated by italics - deletions by strikeout
recommendation within 30 days after the hearing is concluded or the record is closed, whichever is later, the parties may mutually agree to select a hearing officer pursuant to the alternative procedure, as provided in this Section, to rehear the charges heard by the hearing officer who failed to render a decision or findings of fact and recommendation or to review the record and render a decision. If any hearing officer fails without good cause, specifically provided in writing to both parties and the State Board of Education, to render a decision or findings of fact and recommendation within 30 days after the hearing is concluded or the record is closed, whichever is later, the hearing officer shall be removed from the master list of hearing officers maintained by the State Board of Education for not more than 24 months. The parties and the State Board of Education may also take such other actions as it deems appropriate, including recovering, reducing, or withholding any fees paid or to be paid to the hearing officer. If any hearing officer repeats such failure, he or she must be permanently removed from the master list maintained by the State Board of Education and may not be selected by parties through the alternative selection process under this paragraph (7) or paragraph (4) of this subsection (d). The board shall not lose jurisdiction to discharge a teacher if the hearing officer fails to render a decision or findings of fact and recommendation within the time specified in this Section. If the decision of the hearing officer for dismissal pursuant to Article 24A of this Code or of the school board for dismissal for cause is in favor of the teacher, then the hearing officer or school board shall order reinstatement to the same or substantially equivalent position and shall determine the amount for which the school board is liable, including, but not limited to, loss of income and benefits.

(8) The school board, within 45 days after receipt of the hearing officer's findings of fact and recommendation as to whether (i) the conduct at issue occurred, (ii) the conduct that did occur was remediable, and (iii) the proposed dismissal should be sustained, shall issue a written order as to whether the teacher must be retained or dismissed for cause from its employ. The school board's written order shall incorporate the hearing officer's findings of fact, except that the school board may modify or supplement the
findings of fact if, in its opinion, the findings of fact are against the manifest weight of the evidence.

If the school board dismisses the teacher notwithstanding the hearing officer's findings of fact and recommendation, the school board shall make a conclusion in its written order, giving its reasons therefor, and such conclusion and reasons must be included in its written order. The failure of the school board to strictly adhere to the timelines contained in this Section shall not render it without jurisdiction to dismiss the teacher. The school board shall not lose jurisdiction to discharge the teacher for cause if the hearing officer fails to render a recommendation within the time specified in this Section. The decision of the school board is final, unless reviewed as provided in paragraph (9) of this subsection (d).

If the school board retains the teacher, the school board shall enter a written order stating the amount of back pay and lost benefits, less mitigation, to be paid to the teacher, within 45 days after its retention order. Should the teacher object to the amount of the back pay and lost benefits or amount mitigated, the teacher shall give written objections to the amount within 21 days. If the parties fail to reach resolution within 7 days, the dispute shall be referred to the hearing officer, who shall consider the school board's written order and teacher's written objection and determine the amount to which the school board is liable. The costs of the hearing officer's review and determination must be paid by the board.

(9) The decision of the hearing officer pursuant to Article 24A of this Code or of the school board's decision to dismiss for cause is final unless reviewed as provided in Section 24-16 of this Act. If the school board's decision to dismiss for cause is contrary to the hearing officer's recommendation, the court on review shall give consideration to the school board's decision and its supplemental findings of fact, if applicable, and the hearing officer's findings of fact and recommendation in making its decision. In the event such review is instituted, the school board shall be responsible for preparing and filing the record of proceedings, and such costs associated therewith must be divided equally between the parties.

(10) If a decision of the hearing officer for dismissal pursuant to Article 24A of this Code or of the school board for
dismissal for cause is adjudicated upon review or appeal in favor of
the teacher, then the trial court shall order reinstatement and shall
remand the matter to the school board with direction for entry of an
order setting the amount of back pay, lost benefits, and costs, less
mitigation. The teacher may challenge the school board's order
setting the amount of back pay, lost benefits, and costs, less
mitigation, through an expedited arbitration procedure, with the
costs of the arbitrator borne by the school board.

Any teacher who is reinstated by any hearing or
adjudication brought under this Section shall be assigned by the
board to a position substantially similar to the one which that
teacher held prior to that teacher's suspension or dismissal.

(11) Subject to any later effective date referenced in this
Section for a specific aspect of the dismissal process, the
changes made by this amendatory Act of the 97th General
Assembly shall apply to dismissals instituted on or after September
1, 2011 or the effective date of this amendatory Act of the 97th
General Assembly, whichever is later. Any dismissal instituted
prior to September 1, 2011 the effective date of these changes
must be carried out in accordance with the requirements of this Section
prior to amendment by this amendatory Act of 97th General
Assembly.

"PERA-trained board member" means a member of a board that has completed a training program on PERA evaluations either administered or approved by the State Board of Education.

"PERA evaluation" means a performance evaluation of a teacher after the implementation date of an evaluation system for teachers, as specified by Section 24A-2.5 of this Code, using a performance evaluation instrument and process that meets the minimum requirements for teacher evaluation instruments and processes set forth in rules adopted by the State Board of Education to implement Public Act 96-861.

"School district" means a school district or a program of a special education joint agreement.

"Second evaluator" means an evaluator who either conducts the mid-point and final remediation evaluation or conducts an independent assessment of whether the teacher completed the remediation plan with a rating equal to or better than a "Proficient" rating, all in accordance with subdivision (c) of this Section.

Section 24A-5 of this Code, as may be supplemented by administrative rules adopted by the State Board of Education.

"Teacher representatives" means the exclusive bargaining representative of a school district's teachers or, if no exclusive bargaining representatives exists, a representative committee selected by teachers.

(b) This Section applies to all school districts, including those having 500,000 or more inhabitants. The optional dismissal process set forth in this Section is an alternative to those set forth in Sections 24-12 and 34-85 of this Code. Nothing in this Section is intended to change the existing practices or precedents under Section 24-12 or 34-85 of this Code, nor shall this Section be interpreted as implying standards and procedures that should or must be used as part of a remediation that precedes a dismissal sought under Section 24-12 or 34-85 of this Code.

A board may dismiss a teacher who has entered upon contractual continued service under this Section if the following are met:

(1) the cause of dismissal is that the teacher has failed to complete a remediation plan with a rating equal to or better than a "Proficient" rating;
(2) the "Unsatisfactory" performance evaluation rating that preceded remediation resulted from a PERA evaluation; and
(3) the school district has complied with subsection (c) of this Section.

A school district may not, through agreement with a teacher or its teacher representatives, waive its right to dismiss a teacher under this Section.

(c) Each school district electing to use the dismissal process set forth in this Section must comply with the pre-remediation and remediation activities and requirements set forth in this subsection (c).

(1) Before a school district's first remediation relating to a dismissal under this Section, the school district must create and establish a list of at least 2 evaluators who will be available to serve as second evaluators under this Section. The school district shall provide its teacher representatives with an opportunity to submit additional names of teacher evaluators who will be available to serve as second evaluators and who will be added to the list created and established by the school district, provided that, unless otherwise agreed to by the school district, the teacher representatives may not submit more teacher evaluators for inclusion on the list than the number of evaluators submitted by the
school district. Each teacher evaluator must either have (i) National Board of Professional Teaching Standards certification, with no "Unsatisfactory" or "Needs Improvement" performance evaluating ratings in his or her 2 most recent performance evaluation ratings; or (ii) "Excellent" performance evaluation ratings in 2 of his or her 3 most recent performance evaluations, with no "Needs Improvement" or "Unsatisfactory" performance evaluation ratings in his or her last 3 ratings. If the teacher representatives do not submit a list of teacher evaluators within 21 days after the school district's request, the school district may proceed with a remediation using a list that includes only the school district's selections. Either the school district or the teacher representatives may revise or add to their selections for the list at any time with notice to the other party, subject to the limitations set forth in this paragraph (1).

(2) Before a school district's first remediation relating to a dismissal under this Section, the school district shall, in good faith cooperation with its teacher representatives, establish a process for the selection of a second evaluator from the list created pursuant to paragraph (1) of this subsection (c). Such process may be amended at any time in good faith cooperation with the teacher representatives. If the teacher representatives are given an opportunity to cooperate with the school district and elect not to do so, the school district may, at its discretion, establish or amend the process for selection. Before the hearing officer and as part of any judicial review of a dismissal under this Section, a teacher may not challenge a remediation or dismissal on the grounds that the process used by the school district to select a second evaluator was not established in good faith cooperation with its teacher representatives.

(3) For each remediation preceding a dismissal under this Section, the school district shall select a second evaluator from the list of second evaluators created pursuant to paragraph (1) of this subsection (c), using the selection process established pursuant to paragraph (2) of this subsection (c). The selected second evaluator may not be the same individual who determined the teacher's "Unsatisfactory" performance evaluation rating preceding remediation, and, if the second evaluator is an administrator, may not be a direct report to the individual who determined the teacher's

"Unsatisfactory" performance evaluation rating preceding remediation. The school district's authority to select a second evaluator from the list of second evaluators must not be delegated or limited through any agreement with the teacher representatives, provided that nothing shall prohibit a school district and its teacher representatives from agreeing to a formal peer evaluation process as permitted under Article 24A of this Code that could be used to meet the requirements for the selection of second evaluators under this subsection (c).

(4) The second evaluator selected pursuant to paragraph (3) of this subsection (c) must either (i) conduct the mid-point and final evaluation during remediation or (ii) conduct an independent assessment of whether the teacher completed the remediation plan with a rating equal to or better than a "Proficient" rating, which independent assessment shall include, but is not limited to, personal or video-recorded observations of the teacher that relate to the teacher practice components of the remediation plan. Nothing in this subsection (c) shall be construed to limit or preclude the participation of the evaluator who rated a teacher as "Unsatisfactory" in remediation.

(d) To institute a dismissal proceeding under this Section, the board must first provide written notice to the teacher within 30 days after the completion of the final remediation evaluation. The notice shall comply with the applicable hearing requirements and, in addition, must specify that dismissal is sought under this Section and include a copy of each performance evaluation relating to the scope of the hearing as described in this subsection (d).

The applicable hearing requirements shall apply to the teacher's request for a hearing, the selection and qualifications of the hearing officer, and pre-hearing and hearing procedures, except that all of the following must be met:

(1) The hearing officer must, in addition to meeting the qualifications set forth in the applicable hearing requirements, have successfully completed the pre-qualification program described in subsection (b) of Section 24A-3 of this Code, unless the State Board of Education waives this requirement to provide an adequate pool of hearing officers for consideration.

(2) The scope of the hearing must be limited as follows:

New matter indicated by italics - deletions by strikeout
(A) The school district must demonstrate the following:

(i) that the "Unsatisfactory" performance evaluation rating that preceded remediation applied the teacher practice components and student growth components and determined an overall evaluation rating of "Unsatisfactory" in accordance with the standards and requirements of the school district's evaluation plan;

(ii) that the remediation plan complied with the requirements of Section 24A-5 of this Code;

(iii) that the teacher failed to complete the remediation plan with a performance evaluation rating equal to or better than a "Proficient" rating, based upon a final remediation evaluation meeting the applicable standards and requirements of the school district's evaluation plan; and

(iv) that if the second evaluator selected pursuant to paragraph (3) of subsection (c) of this Section does not conduct the mid-point and final evaluation and makes an independent assessment that the teacher completed the remediation plan with a rating equal to or better than a "Proficient" rating, the school district must demonstrate that the final remediation evaluation is a more valid assessment of the teacher's performance than the assessment made by the second evaluator.

(B) The teacher may only challenge the substantive and procedural aspects of (i) the "Unsatisfactory" performance evaluation rating that led to the remediation, (ii) the remediation plan, and (iii) the final remediation evaluation. To the extent the teacher challenges procedural aspects, including any in applicable collective bargaining agreement provisions, of a relevant performance evaluation rating or the remediation plan, the teacher must demonstrate how an alleged procedural defect materially affected the teacher's ability to demonstrate a level of performance necessary to avoid remediation or dismissal or successfully complete the remediation plan. Without any
such material effect, a procedural defect shall not impact the assessment by the hearing officer, board, or reviewing court of the validity of a performance evaluation or a remediation plan.

(C) The hearing officer shall only consider and give weight to performance evaluations relevant to the scope of the hearing as described in clauses (A) and (B) of this subdivision (2).

(3) Each party shall be given only 2 days to present evidence and testimony relating to the scope of the hearing, unless a longer period is mutually agreed to by the parties or deemed necessary by the hearing officer to enable a party to present adequate evidence and testimony to address the scope of the hearing, including due to the other party's cross-examination of the party's witnesses.

(e) The provisions of Sections 24-12 and 34-85 pertaining to the decision or recommendation of the hearing officer do not apply to dismissal proceedings under this Section. For any dismissal proceedings under this Section, the hearing officer shall not issue a decision, and shall issue only findings of fact and a recommendation, including the reasons therefor, to the board to either retain or dismiss the teacher and shall give a copy of the report to both the teacher and the superintendent of the school district. The hearing officer's findings of fact and recommendation must be issued within 30 days from the close of the record of the hearing.

The State Board of Education shall adopt rules regarding the length of the hearing officer's findings of fact and recommendation. If a hearing officer fails without good cause, specifically provided in writing to both parties and the State Board of Education, to render a recommendation within 30 days after the hearing is concluded or the record is closed, whichever is later, the parties may mutually agree to select a hearing officer pursuant to the alternative procedure, as provided in Section 24-12 or 34-85, to rehear the charges heard by the hearing officer who failed to render a recommendation or to review the record and render a recommendation. If any hearing officer fails without good cause, specifically provided in writing to both parties and the State Board of Education, to render a recommendation within 30 days after the hearing is concluded or the record is closed, whichever is later, the hearing officer shall be removed from the master list of hearing officers maintained by the State Board of Education for not more than 24 months. The parties and the
State Board of Education may also take such other actions as it deems appropriate, including recovering, reducing, or withholding any fees paid or to be paid to the hearing officer. If any hearing officer repeats such failure, he or she shall be permanently removed from the master list of hearing officers maintained by the State Board of Education.

(f) The board, within 45 days after receipt of the hearing officer's findings of fact and recommendation, shall decide, through adoption of a written order, whether the teacher must be dismissed from its employ or retained, provided that only PERA-trained board members may participate in the vote with respect to the decision.

If the board dismisses the teacher notwithstanding the hearing officer's recommendation of retention, the board shall make a conclusion, giving its reasons therefor, and such conclusion and reasons must be included in its written order. The failure of the board to strictly adhere to the timelines contained in this Section does not render it without jurisdiction to dismiss the teacher. The board shall not lose jurisdiction to discharge the teacher if the hearing officer fails to render a recommendation within the time specified in this Section. The decision of the board is final, unless reviewed as provided in subsection (g) of this Section.

If the board retains the teacher, the board shall enter a written order stating the amount of back pay and lost benefits, less mitigation, to be paid to the teacher, within 45 days of its retention order.

(g) A teacher dismissed under this Section may apply for and obtain judicial review of a decision of the board in accordance with the provisions of the Administrative Review Law, except as follows:

(1) for a teacher dismissed by a school district having 500,000 inhabitants or more, such judicial review must be taken directly to the appellate court of the judicial district in which the board maintains its primary administrative office, and any direct appeal to the appellate court must be filed within 35 days from the date that a copy of the decision sought to be reviewed was served upon the teacher;

(2) for a teacher dismissed by a school district having less than 500,000 inhabitants after the hearing officer recommended dismissal, such judicial review must be taken directly to the appellate court of the judicial district in which the board maintains its primary administrative office, and any direct appeal to the appellate court must be filed within 35 days from the date that a

copy of the decision sought to be reviewed was served upon the teacher; and

(3) for all school districts, if the hearing officer recommended dismissal, the decision of the board may be reversed only if it is found to be arbitrary, capricious, an abuse of discretion, or not in accordance with law.

In the event judicial review is instituted by a teacher, any costs of preparing and filing the record of proceedings must be paid by the teacher. If a decision of the board is adjudicated upon judicial review in favor of the teacher, then the court shall remand the matter to the board with direction for entry of an order setting the amount of back pay, lost benefits, and costs, less mitigation. The teacher may challenge the board's order setting the amount of back pay, lost benefits, and costs, less mitigation, through an expedited arbitration procedure with the costs of the arbitrator borne by the board.

Section 10. The Illinois Educational Labor Relations Act is amended by changing Sections 12 and 13 as follows:

(115 ILCS 5/12) (from Ch. 48, par. 1712)

Sec. 12. Impasse procedures.

(a) This subsection (a) applies only to collective bargaining between an educational employer that is not a public school district organized under Article 34 of the School Code and an exclusive representative of its employees. If the parties engaged in collective bargaining have not reached an agreement by 90 days before the scheduled start of the forthcoming school year, the parties shall notify the Illinois Educational Labor Relations Board concerning the status of negotiations. This notice shall include a statement on whether mediation has been used.

Upon demand of either party, collective bargaining between the employer and an exclusive bargaining representative must begin within 60 days of the date of certification of the representative by the Board, or in the case of an existing exclusive bargaining representative, within 60 days of the receipt by a party of a demand to bargain issued by the other party. Once commenced, collective bargaining must continue for at least a 60 day period, unless a contract is entered into.

Except as otherwise provided in subsection (b) of this Section, if after a reasonable period of negotiation and within 90 days of the scheduled start of the forthcoming school year, the parties engaged in collective bargaining have reached an impasse, either party may petition

New matter indicated by italics - deletions by strikeout
the Board to initiate mediation. Alternatively, the Board on its own motion may initiate mediation during this period. However, mediation shall be initiated by the Board at any time when jointly requested by the parties and the services of the mediators shall continuously be made available to the employer and to the exclusive bargaining representative for purposes of arbitration of grievances and mediation or arbitration of contract disputes. If requested by the parties, the mediator may perform fact-finding and in so doing conduct hearings and make written findings and recommendations for resolution of the dispute. Such mediation shall be provided by the Board and shall be held before qualified impartial individuals. Nothing prohibits the use of other individuals or organizations such as the Federal Mediation and Conciliation Service or the American Arbitration Association selected by both the exclusive bargaining representative and the employer.

If the parties engaged in collective bargaining fail to reach an agreement within 45 days of the scheduled start of the forthcoming school year and have not requested mediation, the Illinois Educational Labor Relations Board shall invoke mediation.

Whenever mediation is initiated or invoked under this subsection (a), the parties may stipulate to defer selection of a mediator in accordance with rules adopted by the Board.

(a-5) This subsection (a-5) applies only to collective bargaining between a public school district or a combination of public school districts, including, but not limited to, joint cooperatives, that is not organized under Article 34 of the School Code and an exclusive representative of its employees.

(1) Any time 15 days after mediation has commenced, either party may initiate the public posting process declare an impasse. The mediator may initiate the public posting process declare an impasse at any time 15 days after mediation has commenced during the mediation process. Initiation of the public posting process Notification of an impasse must be filed in writing with the Board, and copies of the notification must be submitted to the parties on the same day the initiation notification is filed with the Board.

(2) Within 7 days after the initiation of the public posting process declaration of impasse, each party shall submit to the mediator, the Board, and the other party in writing the most recent final offer of the party, including a cost summary of the offer.

New matter indicated by italics - deletions by strikeout
Seven days after receipt of the parties' final offers, the Board shall make public the final offers and each party's cost summary dealing with those issues on which the parties have failed to reach agreement by immediately posting the offers on its Internet website, unless otherwise notified by the mediator or jointly by the parties that agreement has been reached. On the same day of publication by the Board's mediator, at a minimum, the school district shall distribute notice of the availability of the offers on the Board's Internet website to all news media that have filed an annual request for notices from the school district pursuant to Section 2.02 of the Open Meetings Act. The parties' offers shall remain on the Board's Internet website until the parties have reached and ratified an agreement.

(a-10) This subsection (a-10) applies only to collective bargaining between a public school district organized under Article 34 of the School Code and an exclusive representative of its employees.

(1) For collective bargaining agreements between an educational employer to which this subsection (a-10) applies and an exclusive representative of its employees, if the parties fail to reach an agreement after a reasonable period of mediation, the dispute shall be submitted to fact-finding in accordance with this subsection (a-10). Either the educational employer or the exclusive representative may initiate fact-finding by submitting a written demand to the other party with a copy of the demand submitted simultaneously to the Board.

(2) Within 3 days following a party's demand for fact-finding, each party shall appoint one member of the fact-finding panel, unless the parties agree to proceed without a tri-partite panel. Following these appointments, if any, the parties shall select a qualified impartial individual to serve as the fact-finder and chairperson of the fact-finding panel, if applicable. An individual shall be considered qualified to serve as the fact-finder and chairperson of the fact-finding panel, if applicable, if he or she was not the same individual who was appointed as the mediator and if he or she satisfies the following requirements: membership in good standing with the National Academy of Arbitrators, Federal Mediation and Conciliation Service, or American Arbitration Association for a minimum of 10 years; membership on the mediation roster for the Illinois Labor Relations Board or Illinois
Educational Labor Relations Board; issuance of at least 5 interest arbitration awards arising under the Illinois Public Labor Relations Act; and participation in impasse resolution processes arising under private or public sector collective bargaining statutes in other states. If the parties are unable to agree on a fact-finder, the parties shall request a panel of fact-finders who satisfy the requirements set forth in this paragraph (2) from either the Federal Mediation and Conciliation Service or the American Arbitration Association and shall select a fact-finder from such panel in accordance with the procedures established by the organization providing the panel.

(3) The fact-finder shall have the following duties and powers:

(A) to require the parties to submit a statement of disputed issues and their positions regarding each issue either jointly or separately;
(B) to identify disputed issues that are economic in nature;
(C) to meet with the parties either separately or in executive sessions;
(D) to conduct hearings and regulate the time, place, course, and manner of the hearings;
(E) to request the Board to issue subpoenas requiring the attendance and testimony of witnesses or the production of evidence;
(F) to administer oaths and affirmations;
(G) to examine witnesses and documents;
(H) to create a full and complete written record of the hearings;
(I) to attempt mediation or remand a disputed issue to the parties for further collective bargaining;
(J) to require the parties to submit final offers for each disputed issue either individually or as a package or as a combination of both; and
(K) to employ any other measures deemed appropriate to resolve the impasse.

(4) If the dispute is not settled within 75 days after the appointment of the fact-finding panel, the fact-finding panel shall issue a private report to the parties that contains advisory findings of fact and recommended terms of settlement for all disputed

issues and that sets forth a rationale for each recommendation. The fact-finding panel, acting by a majority of its members, shall base its findings and recommendations upon the following criteria as applicable:

(A) the lawful authority of the employer;
(B) the federal and State statutes or local ordinances and resolutions applicable to the employer;
(C) prior collective bargaining agreements and the bargaining history between the parties;
(D) stipulations of the parties;
(E) the interests and welfare of the public and the students and families served by the employer;
(F) the employer's financial ability to fund the proposals based on existing available resources, provided that such ability is not predicated on an assumption that lines of credit or reserve funds are available or that the employer may or will receive or develop new sources of revenue or increase existing sources of revenue;
(G) the impact of any economic adjustments on the employer's ability to pursue its educational mission;
(H) the present and future general economic conditions in the locality and State;
(I) a comparison of the wages, hours, and conditions of employment of the employees involved in the dispute with the wages, hours, and conditions of employment of employees performing similar services in public education in the 10 largest U.S. cities;
(J) the average consumer prices in urban areas for goods and services, which is commonly known as the cost of living;
(K) the overall compensation presently received by the employees involved in the dispute, including direct wage compensation; vacations, holidays, and other excused time; insurance and pensions; medical and hospitalization benefits; the continuity and stability of employment and all other benefits received; and how each party's proposed compensation structure supports the educational goals of the district;

(L) changes in any of the circumstances listed in items (A) through (K) of this paragraph (4) during the fact-finding proceedings;

(M) the effect that any term the parties are at impasse on has or may have on the overall educational environment, learning conditions, and working conditions with the school district; and

(N) the effect that any term the parties are at impasse on has or may have in promoting the public policy of this State.

(5) The fact-finding panel's recommended terms of settlement shall be deemed agreed upon by the parties as the final resolution of the disputed issues and incorporated into the collective bargaining agreement executed by the parties, unless either party tenders to the other party and the chairperson of the fact-finding panel a notice of rejection of the recommended terms of settlement with a rationale for the rejection, within 15 days after the date of issuance of the fact-finding panel's report. If either party submits a notice of rejection, the chairperson of the fact-finding panel shall publish the fact-finding panel's report and the notice of rejection for public information by delivering a copy to all newspapers of general circulation in the community with simultaneous written notice to the parties.

(b) If, after a period of bargaining of at least 60 days, a dispute or impasse exists between an educational employer whose territorial boundaries are coterminal with those of a city having a population in excess of 500,000 and the exclusive bargaining representative over a subject or matter set forth in Section 4.5 of this Act, the parties shall submit the dispute or impasse to the dispute resolution procedure agreed to between the parties. The procedure shall provide for mediation of disputes by a rotating mediation panel and may, at the request of either party, include the issuance of advisory findings of fact and recommendations.

(c) The costs of fact finding and mediation shall be shared equally between the employer and the exclusive bargaining agent, provided that, for purposes of mediation under this Act, if either party requests the use of mediation services from the Federal Mediation and Conciliation Service, the other party shall either join in such request or bear the additional cost of mediation services from another source. All other costs and expenses of complying with this Section must be borne by the party incurring them.

New matter indicated by italics - deletions by strikeout
(c-5) If an educational employer or exclusive bargaining representative refuses to participate in mediation or fact finding when required by this Section, the refusal shall be deemed a refusal to bargain in good faith.

(d) Nothing in this Act prevents an employer and an exclusive bargaining representative from mutually submitting to final and binding impartial arbitration unresolved issues concerning the terms of a new collective bargaining agreement.

(115 ILCS 5/13) (from Ch. 48, par. 1713)

Sec. 13. Strikes.

(a) Notwithstanding the existence of any other provision in this Act or other law, educational employees employed in school districts organized under Article 34 of the School Code shall not engage in a strike at any time during the 18 month period that commences on the effective date of this amendatory Act of 1995. An educational employee employed in a school district organized under Article 34 of the School Code who participates in a strike in violation of this Section is subject to discipline by the employer. In addition, no educational employer organized under Article 34 of the School Code may pay or cause to be paid to an educational employee who participates in a strike in violation of this subsection any wages or other compensation for any period during which an educational employee participates in the strike, except for wages or compensation earned before participation in the strike. Notwithstanding the existence of any other provision in this Act or other law, during the 18-month period that strikes are prohibited under this subsection nothing in this subsection shall be construed to require an educational employer to submit to a binding dispute resolution process.

(b) Notwithstanding the existence of any other provision in this Act or any other law, educational employees other than those employed in a school district organized under Article 34 of the School Code and, after the expiration of the 18 month period that commences on the effective date of this amendatory Act of 1995, educational employees in a school district organized under Article 34 of the School Code shall not engage in a strike except under the following conditions:

(1) they are represented by an exclusive bargaining representative;

(2) mediation has been used without success and, for educational employers and exclusive bargaining representatives to
if an impasse has been declared under subsection (a-5) of Section 12 of this Act applies, at least 14 days have elapsed after the Board mediator has made public the parties' final offers;

(2.5) if fact-finding was invoked pursuant to subsection (a-10) of Section 12 of this Act, at least 30 days have elapsed after a fact-finding report has been released for public information;

(2.10) for educational employees employed in a school district organized under Article 34 of the School Code, at least three-fourths of all bargaining unit employees who are members of the exclusive bargaining representative have affirmatively voted to authorize the strike; provided, however, that all members of the exclusive bargaining representative at the time of a strike authorization vote shall be eligible to vote;

(3) at least 10 days have elapsed after a notice of intent to strike has been given by the exclusive bargaining representative to the educational employer, the regional superintendent and the Illinois Educational Labor Relations Board;

(4) the collective bargaining agreement between the educational employer and educational employees, if any, has expired or been terminated; and

(5) the employer and the exclusive bargaining representative have not mutually submitted the unresolved issues to arbitration.

If, however, in the opinion of an employer the strike is or has become a clear and present danger to the health or safety of the public, the employer may initiate in the circuit court of the county in which such danger exists an action for relief which may include, but is not limited to, injunction. The court may grant appropriate relief upon the finding that such clear and present danger exists. An unfair practice or other evidence of lack of clean hands by the educational employer is a defense to such action. Except as provided for in this paragraph, the jurisdiction of the court under this Section is limited by the Labor Dispute Act.

Approved August 20, 2013.
Effective January 1, 2014.
AN ACT concerning civil law.

Be it enacted by the People of the State of Illinois, represented in the General Assembly:

Section 5. The Code of Civil Procedure is amended by changing Sections 9-121, 9-205, 9-207, 15-1202.5, 15-1501, 15-1506, 15-1508, 15-1508.5, 15-1701, 15-1703, and 15-1704 and by adding Sections 9-207.5, 15-1224, and 15-1225 as follows:

(735 ILCS 5/9-121)
Sec. 9-121. Sealing of court file.
(a) Definition. As used in this Section, "court file" means the court file created when a forcible entry and detainer action is filed with the court.

(b) Discretionary sealing of court file. The court may order that a court file in a forcible entry and detainer action be placed under seal if the court finds that the plaintiff's action is sufficiently without a basis in fact or law, which may include a lack of jurisdiction, that placing the court file under seal is clearly in the interests of justice, and that those interests are not outweighed by the public's interest in knowing about the record.

(c) Mandatory sealing of court file. The court file relating to a forcible entry and detainer action brought against a tenant under Section 9-207.5 of this Code or as set forth in subdivision (h)(6) of Section 15-1701 of this Code shall be placed under seal when the tenant would have lawful possession of the premises but for the foreclosure on the property shall be sealed pursuant to Section 15-1701.

(6) The State of Illinois or any political subdivision thereof, where a foreclosure involves real estate upon which the State or such subdivision has an interest or a claim for lien, in which case "An Act in relation to immunity for the State of Illinois", approved December 10, 1971, as amended, shall not be effective;

Any person who has or claims an interest in real estate which is the subject of a foreclosure or an interest in any debt secured by the mortgage shall have an unconditional right to appear and become a party in such foreclosure in accordance with subsection (e) of Section 15-1501, provided, that neither such appearance by a lessee whose interest in the real estate is subordinate to the interest being foreclosed, nor the act of making such lessee a party, shall result in the termination of the lessee's lease unless the termination of the lease or lessee's interest in the mortgaged real estate is specifically ordered by the court in the judgment of foreclosure.

(e) Time of Intervention.

(1) Of Right. A person not a party, other than a nonrecord claimant given notice in accordance with paragraph (2) of subsection (c) of Section 15-1502, who has or claims an interest in the mortgaged real estate may appear and become a party at any time prior to the entry of judgment of foreclosure. (2) In Court's Discretion. After the right to intervene expires and prior to the sale in accordance with the judgment, the court may permit a person who has or claims an interest in the mortgaged real estate to appear and become a party on such terms as the court may deem just.

(3) Later Right. After the sale of the mortgaged real estate in accordance with a judgment of foreclosure and prior to the entry of an order confirming the sale, a person who has or claims an interest in the mortgaged real estate, may appear and become a party, on such terms as the court may deem just, for the sole purpose of claiming an interest in the proceeds of sale. Any such party shall be deemed a party from the commencement of the foreclosure, and the interest of such party in the real estate shall be subject to all orders and judgments entered in the foreclosure.

(4) Termination of Interest. Except as provided in Section 15-1501(d), the interest of any person who is allowed to appear and become a party shall be terminated, and the interest of such party in the real estate shall attach to the proceeds of sale.

(f) Separate Actions. Any mortgagee or claimant, other than the mortgagee who commences a foreclosure, whose interest in the mortgaged real estate is recorded prior to the filing of a notice of foreclosure in accordance with this Article but who is not made a party to such foreclosure, shall not be barred from filing a separate foreclosure (i) as an intervening defendant or counterclaimant in accordance with subsections (d) and (e) of Section 15-1501 if a judgment of foreclosure has not been entered in the original foreclosure or (ii) in a new foreclosure subsequent to the entry of a judgment of foreclosure in the original foreclosure.

number of the holder of the certificate of sale or deed issued pursuant to that certificate or, if no certificate or deed was issued, the purchaser, whom a municipality or county may contact with concerns about the real estate. The confirmation order may also:

(b-5) Notice with respect to residential real estate. With respect to residential real estate, the notice required under subsection (b) of this Section shall be sent to the mortgagor even if the mortgagor has previously been held in default. In the event the mortgagor has filed an appearance, the notice shall be sent to the address indicated on the appearance. In all other cases, the notice shall be sent to the mortgagor at the common address of the foreclosed property. The notice shall be sent by first class mail. Unless the right to possession has been previously terminated by the court, the notice shall include the following language in 12-point boldface capitalized type:

requirement in this subsection (b-10), then such notice to the municipality or county shall be provided pursuant to Section 2-211 of the Code of Civil Procedure.

(c) Failure to Give Notice. If any sale is held without compliance with subsection (c) of Section 15-1507 of this Article, any party entitled to the notice provided for in paragraph (3) of that subsection (c) who was not so notified may, by motion supported by affidavit made prior to confirmation of such sale, ask the court which entered the judgment to set aside the sale. Any such party shall guarantee or secure by bond a bid equal to the successful bid at the prior sale, unless the party seeking to set aside the sale is the mortgagor, the real estate sold at the sale is residential real estate, and the mortgagor occupies the residential real estate at the time the motion is filed. In that event, no guarantee or bond shall be required of the mortgagor. Any subsequent sale is subject to the same notice requirement as the original sale.

(d) Validity of Sale. Except as provided in subsection (c) of Section 15-1508, no sale under this Article shall be held invalid or be set aside because of any defect in the notice thereof or in the publication of the same, or in the proceedings of the officer conducting the sale, except upon good cause shown in a hearing pursuant to subsection (b) of Section 15-1508. At any time after a sale has occurred, any party entitled to notice under paragraph (3) of subsection (c) of Section 15-1507 may recover from the mortgagee any damages caused by the mortgagee's failure to comply with such paragraph (3). Any party who recovers damages in a judicial proceeding brought under this subsection may also recover from the mortgagee the reasonable expenses of litigation, including reasonable attorney's fees.

(d-5) Making Home Affordable Program. The court that entered the judgment shall set aside a sale held pursuant to Section 15-1507, upon motion of the mortgagor at any time prior to the confirmation of the sale, if the mortgagor proves by a preponderance of the evidence that (i) the mortgagor has applied for assistance under the Making Home Affordable Program established by the United States Department of the Treasury pursuant to the Emergency Economic Stabilization Act of 2008, as amended by the American Recovery and Reinvestment Act of 2009, and (ii) the mortgaged real estate was sold in material violation of the program's requirements for proceeding to a judicial sale. The provisions of this subsection (d-5), except for this sentence, shall become inoperative on January 1, 2014 for all actions filed under this Article after December 31,
2013, in which the mortgagor did not apply for assistance under the Making Home Affordable Program on or before December 31, 2013.

(e) Deficiency Judgment. In any order confirming a sale pursuant to the judgment of foreclosure, the court shall also enter a personal judgment for deficiency against any party (i) if otherwise authorized and (ii) to the extent requested in the complaint and proven upon presentation of the report of sale in accordance with Section 15-1508. Except as otherwise provided in this Article, a judgment may be entered for any balance of money that may be found due to the plaintiff, over and above the proceeds of the sale or sales, and enforcement may be had for the collection of such balance, the same as when the judgment is solely for the payment of money. Such judgment may be entered, or enforcement had, only in cases where personal service has been had upon the persons personally liable for the mortgage indebtedness, unless they have entered their appearance in the foreclosure action.

(f) Satisfaction. Upon confirmation of the sale, the judgment stands satisfied to the extent of the sale price less expenses and costs. If the order confirming the sale includes a deficiency judgment, the judgment shall become a lien in the manner of any other judgment for the payment of money.

(g) The order confirming the sale shall include, notwithstanding any previous orders awarding possession during the pendency of the foreclosure, an award to the purchaser of possession of the mortgaged real estate, as of the date 30 days after the entry of the order, against the parties to the foreclosure whose interests have been terminated.

An order of possession authorizing the removal of a person from possession of the mortgaged real estate shall be entered and enforced only against those persons personally named as individuals in the complaint or the petition under subsection (h) of Section 15-1701. No order of possession issued under this Section shall be entered against a lessee with a bona fide lease of a dwelling unit in residential real estate in foreclosure, whether or not the lessee has been made a party in the foreclosure. An order of possession and shall not be entered and enforced against any person who is only generically described as an unknown owner or nonrecord claimant or by another generic designation in the complaint.

Notwithstanding the preceding paragraph, the failure to personally name, include, or seek an award of possession of the mortgaged real estate against a person in the confirmation order shall not abrogate any right that
the purchaser may have to possession of the mortgaged real estate and to maintain a proceeding against that person for possession under Article IX of this Code or, if applicable, under subsection (h) of Section 15-1701; and possession against a person who (1) has not been personally named as a party to the foreclosure and (2) has not been provided an opportunity to be heard in the foreclosure proceeding may be sought only by maintaining a proceeding under Article IX of this Code or, if applicable, under subsection (h) of Section 15-1701.

(h) With respect to mortgaged real estate containing 5 or more dwelling units, the order confirming the sale shall also provide that (i) the mortgagor shall transfer to the purchaser the security deposits, if any, that the mortgagor received to secure payment of rent or to compensate for damage to the mortgaged real estate from any current occupant of a dwelling unit of the mortgaged real estate, as well as any statutory interest that has not been paid to the occupant, and (ii) the mortgagor shall provide an accounting of the security deposits that are transferred, including the name and address of each occupant for whom the mortgagor holds the deposit and the amount of the deposit and any statutory interest.

(b) Hearing. Upon motion and notice in accordance with court rules applicable to motions generally, which motion shall not be made prior to sale, the court shall conduct a hearing to confirm the sale. The confirmation order also may address the matters identified in items (1) through (3) of subsection (b) of this Section. the county within the boundary of which the foreclosed property is located if the foreclosed property is located in an unincorporated territory. A municipality or county must clearly publish on its website a single address to which a copy of the order shall be sent. If a municipality or county does not maintain a website, then the municipality or county must publicly post in its main office a single address to which a copy of the order shall be sent. In the event that a municipality or county has not complied with the publication requirement in this subsection (b-10), then a copy of the order shall be sent by first class mail, postage prepaid, to the chairperson of the county board or county clerk in the case of a county, to the mayor or city clerk in the case of a city, to the president of the board of trustees or village clerk in the case of a village, or to the president or town clerk in the case of a town.

(b-15) Notice of confirmation order sent to known insurers. With respect to residential real estate, the party filing the complaint shall send a copy of the confirmation order required under subsection (b) by first class mail, postage prepaid, to the last known property insurer of the foreclosed property. Failure to send or receive a copy of the order shall not impair or abrogate in any way the rights of the mortgagee or purchaser or affect the status of the foreclosure proceedings.

(c) Failure to Give Notice. If any sale is held without compliance with subsection (c) of Section 15-1507 of this Article, any party entitled to the notice provided for in paragraph (3) of that subsection (c) who was not so notified may, by motion supported by affidavit made prior to confirmation of such sale, ask the court which entered the judgment to set aside the sale. Any such party shall guarantee or secure by bond a bid equal to the successful bid at the prior sale, unless the party seeking to set aside the sale is the mortgagor, the real estate sold at the sale is residential real estate, and the mortgagor occupies the residential real estate at the time the motion is filed. In that event, no guarantee or bond shall be required of the mortgagor. Any subsequent sale is subject to the same notice requirement as the original sale.

(d) Validity of Sale. Except as provided in subsection (c) of Section 15-1508, no sale under this Article shall be held invalid or be set aside because of any defect in the notice thereof or in the publication of the same, or in the proceedings of the officer conducting the sale, except upon good cause shown in a hearing pursuant to subsection (b) of Section 15-1508. At any time after a sale has occurred, any party entitled to notice under paragraph (3) of subsection (c) of Section 15-1507 may recover

from the mortgagee any damages caused by the mortgagee's failure to comply with such paragraph (3). Any party who recovers damages in a judicial proceeding brought under this subsection may also recover from the mortgagee the reasonable expenses of litigation, including reasonable attorney's fees.

(d-5) Making Home Affordable Program. The court that entered the judgment shall set aside a sale held pursuant to Section 15-1507, upon motion of the mortgagor at any time prior to the confirmation of the sale, if the mortgagor proves by a preponderance of the evidence that (i) the mortgagor has applied for assistance under the Making Home Affordable Program established by the United States Department of the Treasury pursuant to the Emergency Economic Stabilization Act of 2008, as amended by the American Recovery and Reinvestment Act of 2009, and (ii) the mortgaged real estate was sold in material violation of the program's requirements for proceeding to a judicial sale. The provisions of this subsection (d-5), except for this sentence, shall become inoperative on January 1, 2014 for all actions filed under this Article after December 31, 2013, in which the mortgagor did not apply for assistance under the Making Home Affordable Program on or before December 31, 2013.

(e) Deficiency Judgment. In any order confirming a sale pursuant to the judgment of foreclosure, the court shall also enter a personal judgment for deficiency against any party (i) if otherwise authorized and (ii) to the extent requested in the complaint and proven upon presentation of the report of sale in accordance with Section 15-1508. Except as otherwise provided in this Article, a judgment may be entered for any balance of money that may be found due to the plaintiff, over and above the proceeds of the sale or sales, and enforcement may be had for the collection of such balance, the same as when the judgment is solely for the payment of money. Such judgment may be entered, or enforcement had, only in cases where personal service has been had upon the persons personally liable for the mortgage indebtedness, unless they have entered their appearance in the foreclosure action.

(f) Satisfaction. Upon confirmation of the sale, the judgment stands satisfied to the extent of the sale price less expenses and costs. If the order confirming the sale includes a deficiency judgment, the judgment shall become a lien in the manner of any other judgment for the payment of money.

(g) The order confirming the sale shall include, notwithstanding any previous orders awarding possession during the pendency of the
foreclosure, an award to the purchaser of possession of the mortgaged real estate, as of the date 30 days after the entry of the order, against the parties to the foreclosure whose interests have been terminated.

An order of possession authorizing the removal of a person from possession of the mortgaged real estate shall be entered and enforced only against those persons personally named as individuals in the complaint or the petition under subsection (h) of Section 15-1701. No order of possession issued under this Section shall be entered against a lessee with a bona fide lease of a dwelling unit in residential real estate in foreclosure, whether or not the lessee has been made a party in the foreclosure. An order of possession and shall not be entered and enforced against any person who is only generically described as an unknown owner or nonrecord claimant or by another generic designation in the complaint.

Notwithstanding the preceding paragraph, the failure to personally name, include, or seek an award of possession of the mortgaged real estate against a person in the confirmation order shall not abrogate any right that the purchaser may have to possession of the mortgaged real estate and to maintain a proceeding against that person for possession under Article IX of this Code or, if applicable, under subsection (h) of Section 15-1701; and possession against a person who (1) has not been personally named as a party to the foreclosure and (2) has not been provided an opportunity to be heard in the foreclosure proceeding may be sought only by maintaining a proceeding under Article IX of this Code or, if applicable, under subsection (h) of Section 15-1701.

(h) With respect to mortgaged real estate containing 5 or more dwelling units, the order confirming the sale shall also provide that (i) the mortgagor shall transfer to the purchaser the security deposits, if any, that the mortgagor received to secure payment of rent or to compensate for damage to the mortgaged real estate from any current occupant of a dwelling unit of the mortgaged real estate, as well as any statutory interest that has not been paid to the occupant, and (ii) the mortgagor shall provide an accounting of the security deposits that are transferred, including the name and address of each occupant for whom the mortgagor holds the deposit and the amount of the deposit and any statutory interest.

Sec. 15-1701. Right to possession.

(a) General. The provisions of this Article shall govern the right to possession of the mortgaged real estate during foreclosure. Possession under this Article includes physical possession of the mortgaged real estate to the same extent to which the mortgagor, absent the foreclosure, would have been entitled to physical possession. For the purposes of Part 17, real estate is residential real estate only if it is residential real estate at the time the foreclosure is commenced.

(b) Pre-Judgment. Prior to the entry of a judgment of foreclosure:

(1) In the case of residential real estate, the mortgagor shall be entitled to possession of the real estate except if (i) the mortgagee shall object and show good cause, (ii) the mortgagee is so authorized by the terms of the mortgage or other written instrument, and (iii) the court is satisfied that there is a reasonable probability that the mortgagee will prevail on a final hearing of the cause, the court shall upon request place the mortgagee in possession. If the residential real estate consists of more than one dwelling unit, then for the purpose of this Part residential real estate shall mean only that dwelling unit or units occupied by persons described in clauses (i), (ii) and (iii) of Section 15-1219.

New matter indicated by italics - deletions by strikeout
(2) In all other cases, if (i) the mortgagee is so authorized by the terms of the mortgage or other written instrument, and (ii) the court is satisfied that there is a reasonable probability that the mortgagee will prevail on a final hearing of the cause, the mortgagee shall upon request be placed in possession of the real estate, except that if the mortgagor shall object and show good cause, the court shall allow the mortgagor to remain in possession.

(c) Judgment Through 30 Days After Sale Confirmation. After the entry of a judgment of foreclosure and through the 30th day after a foreclosure sale is confirmed:

(1) Subsection (b) of Section 15-1701 shall be applicable, regardless of the provisions of the mortgage or other instrument, except that after a sale pursuant to the judgment the holder of the certificate of sale (or, if none, the purchaser at the sale) shall have the mortgagee's right to be placed in possession, with all rights and duties of a mortgagee in possession under this Article.

(2) Notwithstanding paragraph (1) of subsection (b) and paragraph (1) of subsection (c) of Section 15-1701, upon request of the mortgagee, a mortgagor of residential real estate shall not be allowed to remain in possession between the expiration of the redemption period and through the 30th day after sale confirmation unless (i) the mortgagor pays to the mortgagee or such holder or purchaser, whichever is applicable, monthly the lesser of the interest due under the mortgage calculated at the mortgage rate of interest applicable as if no default had occurred or the fair rental value of the real estate, or (ii) the mortgagor otherwise shows good cause. Any amounts paid by the mortgagor pursuant to this subsection shall be credited against the amounts due from the mortgagor.

(d) After 30 Days After Sale Confirmation. The holder of the certificate of sale or deed issued pursuant to that certificate or, if no certificate or deed was issued, the purchaser, except to the extent the holder or purchaser may consent otherwise, shall be entitled to possession of the mortgaged real estate, as of the date 30 days after the order confirming the sale is entered, against those parties to the foreclosure whose interests the court has ordered terminated, without further notice to any party, further order of the court, or resort to proceedings under any other statute other than this Article. This right to possession shall be limited by the provisions governing entering and enforcing orders of
possession under subsection (g) of Section 15-1508. If the holder or purchaser determines that there are occupants of the mortgaged real estate who have not been made parties to the foreclosure and had their interests terminated therein, the holder or purchaser may bring a proceeding under subsection (h) of this Section, if applicable, or under Article IX 9 of this Code to terminate the rights of possession of any such occupants. The holder or purchaser shall not be entitled to proceed against any such occupant under Article IX 9 of this Code until after 30 days after the order confirming the sale is entered.

(e) Termination of Leases. A lease of all or any part of the mortgaged real estate shall not be terminated automatically solely by virtue of the entry into possession by (i) a mortgagee or receiver prior to the entry of an order confirming the sale, (ii) the holder of the certificate of sale, (iii) the holder of the deed issued pursuant to that certificate, or (iv) if no certificate or deed was issued, the purchaser at the sale.

(f) Other Statutes; Instruments. The provisions of this Article providing for possession of mortgaged real estate shall supersede any other inconsistent statutory provisions. In particular, and without limitation, whenever a receiver is sought to be appointed in any action in which a foreclosure is also pending, a receiver shall be appointed only in accordance with this Article. Except as may be authorized by this Article, no mortgage or other instrument may modify or supersede the provisions of this Article.

(g) Certain Leases. Leases of the mortgaged real estate entered into by a mortgagee in possession or a receiver and approved by the court in a foreclosure shall be binding on all parties, including the mortgagor after redemption, the purchaser at a sale pursuant to a judgment of foreclosure and any person acquiring an interest in the mortgaged real estate after entry of a judgment of foreclosure in accordance with Sections 15-1402 and 15-1403.

(h) Proceedings Against Certain Occupants.

(1) The mortgagee-in-possession of the mortgaged real estate under Section 15-1703, a receiver appointed under Section 15-1704, a holder of the certificate of sale or deed, or the purchaser may, at any time during the pendency of the foreclosure and up to 90 days after the date of the order confirming the sale, file a supplemental petition for possession against a person not personally named as a party to the foreclosure. This subsection (h)
does not apply to any lessee with a bona fide lease of a dwelling unit in residential real estate in foreclosure.

(2) The supplemental petition for possession shall name each such occupant against whom possession is sought and state the facts upon which the claim for relief is premised.

(3) The petitioner shall serve upon each named occupant the petition, a notice of hearing on the petition, and, if any, a copy of the certificate of sale or deed. The proceeding for the termination of such occupant's possessory interest, including service of the notice of the hearing and the petition, shall in all respects comport with the requirements of Article IX of this Code, except as otherwise specified in this Section. The hearing shall be no less than 21 days from the date of service of the notice.

(4) The supplemental petition shall be heard as part of the foreclosure proceeding and without the payment of additional filing fees. An order for possession obtained under this Section shall name each occupant whose interest has been terminated, shall recite that it is only effective as to the occupant so named and those holding under them, and shall be enforceable for no more than 120 days after its entry, except that the 120-day period may be extended to the extent and in the manner provided in Section 9-117 of Article IX of Article IX and except as provided in item (5) of this subsection (h).

(5) In a case of foreclosure where the occupant is current on his or her rent, or where timely written notice of to whom and where the rent is to be paid has not been provided to the occupant, or where the occupant has made good-faith efforts to make rental payments in order to keep current, any order of possession must allow the occupant to retain possession of the property covered in his or her rental agreement (i) for 120 days following the notice of the hearing on the supplemental petition that has been properly served upon the occupant, or (ii) through the duration of his or her lease, whichever is shorter, provided that if the duration of his or her lease is less than 30 days from the date of the order, the order shall allow the occupant to retain possession for 30 days from the date of the order. A mortgagee in possession, receiver, holder of a certificate of sale or deed, or purchaser at the judicial sale, who asserts that the occupant is not current in rent, shall file an affidavit to that effect in the supplemental petition.
proceeding. If the occupant has been given timely written notice of to whom and where the rent is to be paid, this item (5) (4) shall only apply if the occupant continues to pay his or her rent in full during the 120-day period or has made good-faith efforts to pay the rent in full during that period. No mortgagee-in-possession, receiver or holder of a certificate of sale or deed, or purchaser who fails to file a supplemental petition under this subsection during the pendency of a mortgage foreclosure shall file a forcible entry and detainer action against an occupant of the mortgaged real estate until 90 days after a notice of intent to file such action has been properly served upon the occupant.

(6) (5) The court records relating to a supplemental petition for possession filed under this subsection (h) against an occupant who is entitled to notice under item (5) (4) of this subsection (h), or relating to a forcible entry and detainer action brought against an occupant who would have lawful possession of the premises but for the foreclosure of a mortgage on the property, shall be ordered sealed and shall not be disclosed to any person, other than a law enforcement officer or any other representative of a governmental entity, except upon further order of the court.

(i) Termination of bona fide leases. The holder of the certificate of sale, the holder of the deed issued pursuant to that certificate, or, if no certificate or deed was issued, the purchaser at the sale shall not terminate a bona fide lease of a dwelling unit in residential real estate in foreclosure except pursuant to Article IX of this Code.

(3) the same powers, duties and liabilities as a receiver appointed for the real estate in accordance with this Article. If an order placing a mortgagee in possession is modified, revoked or set aside, the mortgagee shall not be liable for any damages to the extent such damages arise solely out of the fact that the mortgagor was removed from possession or that the mortgagee was placed in possession.

(a-5) Notice to occupants.

(1) Following the order placing the mortgagee in possession of the mortgaged real estate, but no later than 21 days after the entry of such order, the mortgagee in possession shall make a good faith effort to ascertain the identities and addresses of all occupants of dwelling units of the mortgaged real estate.

(2) Following the order placing the mortgagee in possession of the mortgaged real estate, but no later than 21 days after the entry of such order, the mortgagee in possession shall notify all known occupants of dwelling units of the mortgaged real estate that the mortgagee has taken possession of the mortgaged real estate. The notice shall be in writing and shall:

   (iii) provide the name, address, and telephone number of the individual or entity whom occupants may contact with concerns about the mortgaged real estate or to request repairs of that property;

   (iv) include the following language, or language that is substantially similar: "This is NOT a notice to vacate the premises. You may wish to contact a lawyer or your local legal aid or housing counseling agency to discuss any rights that you may have."); and

(4) In the event that a mortgagee in possession ascertains the identity and address of an occupant of a dwelling unit of the mortgaged real estate more than 21 days after being placed in possession of the mortgaged real estate pursuant to Section 15-1703, the mortgagee in possession shall provide the notice required by item (2) of this subsection (a-5) within 7 days of ascertaining the identity and address of the occupant.

(5)(i) A mortgagee in possession who fails to comply with items (1), (2), (3), and (4) of this subsection (a-5) may not collect any rent due and owing from a known occupant, or terminate a known occupant's tenancy for non-payment of such rent, until the mortgagee in possession has served the notice described in item (2) of this subsection (a-5) upon the known occupant. After providing such notice, the mortgagee in possession may collect any and all rent otherwise due and owing the mortgagee in possession from the known occupant and may terminate the known occupant's tenancy for non-payment of such rent if the mortgagee in possession otherwise has such right to terminate.

(ii) An occupant who previously paid rent for the current rental period to the mortgagor, or other entity with the authority to operate, manage, and conserve the mortgaged real estate at the time of payment, shall not be held liable for that rent by the mortgagee in possession, and the occupant's tenancy shall not be terminated for non-payment of rent for that rental period.

(6) Within 21 days of the order placing the mortgagee in possession of the mortgaged real estate, the mortgagee in possession shall post a written notice on the primary entrance of each dwelling unit subject to the foreclosure action that informs the occupants that the mortgagee in possession is now operating and managing the mortgaged real estate. (735 ILCS 5/15-1704) (from Ch. 110, par. 15-1704)
Sec. 15-1704. Receivers.

(a) Receiver. Notwithstanding the provisions of subsections (b), (c) and (d) of Section 15-1701, and except as provided in Section 15-1702, upon request of any party and a showing of good cause, the court shall appoint a receiver for the mortgaged real estate.

(b) Powers. A receiver appointed pursuant to this Article shall have possession of the mortgaged real estate and other property subject to the mortgage during the foreclosure, shall have full power and authority to operate, manage and conserve such property, and shall have all the usual powers of receivers in like cases. Without limiting the foregoing, a receiver shall have the power and authority to:

(1) secure tenants and execute leases for the real estate, the duration and terms of which are reasonable and customary for the
type of use involved, and such leases shall have the same priority as if made by the owner of the real estate; but, unless approved by the Court, the receiver shall not execute oil, gas or other mineral leases, or (even if otherwise allowed by law) leases extending beyond the time of the receiver's possession; provided, however, with respect to residential real estate leased by the receiver, nothing in this Section shall affect the legal rights of any lessee with respect to the safety and habitability of the residential real estate;

(2) collect the rents, issues and profits from the mortgaged real estate;
(3) insure the mortgaged real estate against loss by fire or other casualty;
(4) employ counsel, custodians, janitors and other help; and
(5) pay taxes which may have been or may be levied against the mortgaged real estate.

(c) Duties. A receiver appointed pursuant to this Article must manage the mortgaged real estate as would a prudent person, taking into account the effect of the receiver's management on the interest of the mortgagor. A receiver may, without an order of the court, delegate managerial functions to a person in the business of managing real estate of the kind involved who is financially responsible, not related to the mortgagee or receiver and prudently selected. However, the receiver shall remain responsible to the mortgagor or other persons for the acts or omissions of such management agent. When fees are paid to such a management agent, the receiver's fees may be adjusted to the extent the court deems appropriate. In managing the mortgaged real estate and other property subject to the mortgage, a receiver or receiver's delegate, to the extent the receiver receives sufficient receipts from the mortgaged real estate, such other property or other sources, except to the extent ordered otherwise by the court:

(1) shall maintain the existing casualty and liability insurance required in accordance with the mortgage or applicable to the real estate and other property subject to the mortgage at the time the receiver took possession;
(2) shall use reasonable efforts to maintain the real estate and other property subject to the mortgage in at least as good condition as existed at the time the receiver took possession, excepting reasonable wear and tear and damage by any casualty;

New matter indicated by italics - deletions by strikeout
(2.5) shall accept all rental payments from an occupant of the mortgaged property, and any payments from a third party or any rental assistance program in support of an occupant's housing;

(3) shall apply receipts to payment of ordinary operating expenses, including royalties, rents and other expenses of management;

(4) shall pay any shared or common expense assessments due to any association of owners of interests in real estate to the extent that such assessments are or may become a lien against the mortgaged real estate;

(5) may pay the amounts due under any mortgage if the mortgagor thereof is not a party in the foreclosure;

(6) may carry such additional casualty and liability insurance as is reasonably available and reasonable as to amounts and risks covered;

(7) may make other repairs and improvements necessary to comply with building, housing, and other similar codes or with existing contractual obligations affecting the mortgaged real estate;

(8) may hold receipts as reserves reasonably required for the foregoing purposes; and

(9) may take such other actions as may be reasonably necessary to conserve the mortgaged real estate and other property subject to the mortgage, or as otherwise authorized by the court.

(d) Allocation of Receipts. Receipts received from operation of the real estate and other property subject to the mortgage by the receiver shall be applied in the following order of priority.

(1) to reimbursement of the receiver for all reasonable costs and expenses incurred by the receiver or the receiver's delegates;

(2) to payment of insurance premiums authorized in paragraph (1) of subsection (c) of Section 15-1704;

(3) to payment of the receiver's delegates of any reasonable management fees for managing real estate of the type involved;

(4) to payment of receiver's fees allowed by the court;

Such notice shall be in writing and shall:

(g) Increase of rents. Notwithstanding any other provision of this Article, a receiver shall not charge an occupant of the mortgaged real estate a rental amount above that which the occupant had been paying for use and occupancy of the mortgaged real estate prior to the appointment of a receiver without leave of court. The court may allow an increase of rent if, upon motion by the receiver, the court finds by a preponderance of the evidence, that the increase of rent is necessary to operate, manage, and conserve the mortgaged real estate pursuant to this Section. A list of the current rents for each unit in the mortgaged real estate, and a list of the proposed rent increase for each of those units, must be attached to a motion for a rent increase under this subsection (g). AN ACT in relation to homeless persons.

Be it enacted by the People of the State of Illinois, represented in the General Assembly:

Section 1. Short title. This Act may be cited as the Bill of Rights for the Homeless Act.

Section 5. Legislative intent. It is the long-standing policy of this State that no person should suffer unnecessarily from cold or hunger, be deprived of shelter or the basic rights incident to shelter, or be subject to unfair discrimination based on his or her homeless status. At the present time, many persons have been rendered homeless as a result of economic hardship, a severe shortage of safe and affordable housing, and a shrinking social safety net. It is the intent of this Act to lessen the adverse effects and conditions caused by the lack of residence or a home.

Section 10. Bill of Rights.

(a) No person's rights, privileges, or access to public services may be denied or abridged solely because he or she is homeless. Such a person shall be granted the same rights and privileges as any other citizen of this State. A person experiencing homelessness has the following rights:

(3) the right not to face discrimination while maintaining employment due to his or her lack of permanent mailing address, or his or her mailing address being that of a shelter or social service provider;

(4) the right to emergency medical care free from discrimination based on his or her housing status;

(5) the right to vote, register to vote, and receive documentation necessary to prove identity for voting without discrimination due to his or her housing status;

(6) the right to protection from disclosure of his or her records and information provided to homeless shelters and service providers to State, municipal, and private entities without appropriate legal authority; and the right to confidentiality of personal records and information in accordance with all limitations on disclosure established by the federal Homeless Management Information Systems, the federal Health Insurance Portability and Accountability Act, and the federal Violence Against Women Act; and

(7) the right to a reasonable expectation of privacy in his or her personal property to the same extent as personal property in a permanent residence.

PUBLIC ACT 98-0517
(Senate Bill No. 1550)

AN ACT concerning education.

Be it enacted by the People of the State of Illinois, represented in the General Assembly:

Section 5. The School Code is amended by changing Section 14-8.03 as follows:

(a) For purposes of this Section, "transition services" means a coordinated set of activities for a child with a disability that (i) is designed to be within a results-oriented process that is focused on improving the academic and functional achievement of the child with a disability to facilitate the child's movement from school to post-school activities, including post-secondary education, vocational education, integrated employment (including supported employment), continuing and adult education, adult services, independent living, or community participation; (ii) is based on the individual child's needs, taking into account the child's strengths, preferences, and interests; and (iii) includes instruction, related services, community experiences, the development of employment and other post-school adult living objectives, and, if appropriate, acquisition of daily living skills, benefits planning, work incentives education, and the provision of a functional vocational evaluation. Transition services for a child with a disability may be special education, if provided as specially designed instruction, or a related service if required to assist a child with a disability to benefit from special education.

(a-5) Beginning no later than the first individualized education plan (IEP) in effect when the student turns age 14 1/2 (or younger if determined appropriate by the IEP Team) and updated annually thereafter, the IEP must include (i) measurable post-secondary goals based upon age-appropriate transition assessments and other information available regarding the student that are related to training, education, employment, and, where appropriate, independent living skills and (ii) the transition services needed to assist the student in reaching those goals, including courses of study.
(b) Transition planning must be conducted as part of the IEP process and must be governed by the procedures applicable to the development, review, and revision of the IEP, including notices to the parents and student, parent and student participation, and annual review. To appropriately assess and develop IEP transition goals and transition services for a child with a disability, additional participants may be necessary and may be invited by the school district, parent, or student to participate in the transition planning process. Additional participants may include without limitation a representative from the Department of Human Services or another State agency, a case coordinator, or persons representing other public or community agencies or services, such as adult service providers or public community colleges. The IEP shall identify each person responsible for coordinating and delivering transition services. If the IEP team determines that the student requires transition services from a public or private entity outside of the school district, the IEP team shall identify potential outside resources, assign one or more IEP team members to contact the appropriate outside entities, make the necessary referrals, provide any information and documents necessary to complete the referral, follow up with the entity to ensure that the student has been successfully linked to the entity, and monitor the student's progress to determine if the student's IEP transition goals and benchmarks are being met. The student's IEP shall indicate one or more specific time periods during the school year when the IEP team shall review the services provided by the outside entity and the student's progress in such activities. The public school's responsibility for delivering educational services does not extend beyond the time the student leaves school or when the student's eligibility ends due to age under this Article.

(c) A school district shall submit annually a summary of each eligible student's IEP transition goals and transition services resulting from the IEP Team meeting to the appropriate local Transition Planning Committee. If students with disabilities who are ineligible for special education services request transition services, local public school districts shall assist those students by identifying post-secondary school goals, delivering appropriate education services, and coordinating with other agencies and services for assistance.

2. No such policy may be cancelled or annulled as respects any loss or damage, by any agreement between the carrier and the insured after the insured has become responsible for such loss or damage, and any such cancellation or annulment shall be void.

3. The insurance carrier shall, however, have the right to settle any claim covered by the policy, and if such settlement is made in good faith, the amount thereof shall be deductible from the limits of liability specified in the policy.

form of policy filed upon the ground that it does not comply with the
requirements of this Act, the Department shall give written notice of its
decision and its reasons therefor to the carrier and the policy shall not be
accepted as proof of financial responsibility under this Act.

(l) Insurance Carrier Required to File Certificate. --An insurance
carrier who has issued a motor vehicle liability policy or policies or an
operator's policy meeting the requirements of this Act shall, upon the
request of the insured therein, deliver to the insured for filing, or at the
request of the insured, shall file direct, with the Secretary of State a

AN ACT concerning State government.

Section 5. The Department of Public Health Powers and Duties Law of the Civil Administrative Code of Illinois is amended by adding Section 2310-665 as follows:

(20 ILCS 2310/2310-665 new)

Sec. 2310-665. Multiple Sclerosis Task Force.
(a) The General Assembly finds and declares the following:

(1) Multiple sclerosis (MS) is a chronic, often disabling, disease that attacks the central nervous system, which is comprised of the brain, spinal cord, and optic nerves. MS is the number one disabling disease among young adults, striking in the prime of life. It is a disease in which the body, through its immune system, launches a defensive and damaging attack against its own tissues. MS damages the nerve-insulating myelin sheath that surrounds and protects the brain. The damage to the myelin sheath slows down or blocks messages between the brain and the body.

(2) Most people experience their first symptoms of MS between the ages of 20 and 40, but MS can appear in young children and teens as well as much older adults. MS symptoms can include visual disturbances, muscle weakness, trouble with coordination and balance, sensations such as numbness, prickling or pins and needles, and thought and memory problems. MS patients can also experience partial or complete paralysis, speech impediments, tremors, dizziness, stiffness and spasms, fatigue, paresthesias, pain, and loss of sensation.

(3) The cause of MS remains unknown; however, having a first-degree relative, such as a parent or sibling, with MS significantly increases a person's risk of developing the disease. According to the National Institute of Neurological Disorders and Stroke, it is estimated that there are approximately 250,000 to 350,000 persons in the United States who are diagnosed with MS. This estimate suggests that approximately 200 new cases are diagnosed each week. Other sources report a population of at least 400,000 in the United States. The estimate of persons with MS in Illinois is 20,000, with at least 2 areas of MS clusters identified in Illinois.

(4) Presently, there is no cure for MS. The complex and variable nature of the disease makes it very difficult to diagnose, treat, and research. The cost to the family, often with young children, can be overwhelming. Among common diagnoses, non-
stroke neurologic illnesses, such as multiple sclerosis, were associated with the highest out-of-pocket expenditures (a mean of $34,167), followed by diabetes ($26,971), injuries ($25,096), stroke ($23,380), mental illnesses ($23,178), and heart disease ($21,955). Median out-of-pocket costs for health care among people with MS, excluding insurance premiums, were almost twice as much as the general population. The costs associated with MS increase with greater disability. Costs for severely disabled individuals are more than twice those for persons with a relatively mild form of the disease. A recent study of medical bankruptcy found that 62.1% of all personal bankruptcies in the United States were related to medical costs.

(5) Therefore, it is in the public interest for the State to establish a Multiple Sclerosis Task Force in order to identify and address the unmet needs of persons with MS and develop ways to enhance their quality of life.

(b) There is established the Multiple Sclerosis Task Force in the Department of Public Health. The purpose of the Task Force shall be to:

(1) develop strategies to identify and address the unmet needs of persons with MS in order to enhance the quality of life of persons with MS by maximizing productivity and independence and addressing emotional, social, financial, and vocational challenges of persons with MS;

(2) develop strategies to provide persons with MS greater access to various treatments and other therapeutic options that may be available; and

(3) develop strategies to improve multiple sclerosis education and awareness.

(c) The Task Force shall consist of 16 members as follows:

(1) the Director of Public Health and the Director of Human Services, or their designees, who shall serve ex officio; and

(2) fourteen public members, who shall be appointed by the Director of Public Health as follows: 2 neurologists licensed to practice medicine in this State; 3 registered nurses or other health professionals with MS certification and extensive expertise with progressed MS; one person upon the recommendation of the National Multiple Sclerosis Society; 3 persons who represent agencies that provide services or support to individuals with MS in this State; 3 persons who have MS, at least one of whom having
progressed MS; and 2 members of the public with a demonstrated expertise in issues relating to the work of the Task Force.

Vacancies in the membership of the Task Force shall be filled in the same manner provided for in the original appointments.

(d) The Task Force shall organize within 120 days following the appointment of a majority of its members and shall select a chairperson and vice-chairperson from among the members. The chairperson shall appoint a secretary who need not be a member of the Task Force.

(e) The public members shall serve without compensation and shall not be reimbursed for necessary expenses incurred in the performance of their duties unless funds become available to the Task Force.

(f) The Task Force may meet and hold hearings as it deems appropriate.

(g) The Department of Public Health shall provide staff support to the Task Force.

(h) The Task Force shall report its findings and recommendations to the Governor and to the General Assembly, along with any legislative bills that it desires to recommend for adoption by the General Assembly, no later than December 31, 2015.

(i) The Task Force is abolished and this Section is repealed on January 1, 2016.

(b) An individual whose first license is that of a broker received after April 30, 2011, must provide evidence of having completed 30 hours of post-license education in courses approved by the Advisory Council, 15 hours of which must consist of situational and case studies presented in the classroom or by other interactive delivery method presenting instruction and real-time discussion between the instructor and the students, and personally take and pass an examination approved by the Department prior to the first renewal of their broker's license.

(c) Any salesperson until April 30, 2011 or any managing broker, broker, or leasing agent whose license under this Act has expired shall be eligible to renew the license during the 2-year period following the expiration date, provided the managing broker, broker, salesperson, or leasing agent pays the fees as prescribed by rule and completes continuing education and other requirements provided for by the Act or by rule. Beginning on May 1, 2012, a managing broker licensee, broker, or leasing agent whose license has been expired for more than 2 years but less than 5 years may have it restored by (i) applying to the Department, (ii) paying the required fee, (iii) completing the continuing education requirements for the most recent pre-renewal period that ended prior to the date of the application for reinstatement, and (iv) filing acceptable proof of fitness to have his or her license restored, as set by rule. A managing broker, broker, or leasing agent whose license has been expired for more than 5 years shall be required to meet the requirements for a new license.

(d) Notwithstanding any other provisions of this Act to the contrary, any managing broker, broker, salesperson, or leasing agent whose license expired while he or she was (i) on active duty with the Armed Forces of the United States or called into service or training by the state militia, (ii) engaged in training or education under the supervision of the United States preliminary to induction into military service, or (iii) serving as the Coordinator of Real Estate in the State of Illinois or as an employee of the Department may have his or her license renewed, reinstated or restored without paying any lapsed renewal fees if within 2 years after the termination of the service, training or education by furnishing the Department with satisfactory evidence of service, training, or education and it has been terminated under honorable conditions.

(e) The Department shall establish and maintain a register of all persons currently licensed by the State and shall issue and prescribe a form of pocket card. Upon payment by a licensee of the appropriate fee as prescribed by rule for engagement in the activity for which the licensee is
qualified and holds a license for the current period, the Department shall issue a pocket card to the licensee. The pocket card shall be verification that the required fee for the current period has been paid and shall indicate that the person named thereon is licensed for the current renewal period as a managing broker, broker, salesperson, or leasing agent as the case may be. The pocket card shall further indicate that the person named thereon is authorized by the Department to engage in the licensed activity appropriate for his or her status (managing broker, broker, salesperson, or leasing agent). Each licensee shall carry on his or her person his or her pocket card or, if such pocket card has not yet been issued, a properly issued sponsor card when engaging in any licensed activity and shall display the same on demand.

Every licensee associated with or employed by a broker whose license is revoked, suspended, terminated, or expired shall be considered as inoperative until such time as the sponsoring broker's license is reinstated or renewed, or the licensee changes employment as set forth in subsection (c) of Section 5-40 of this Act.

2010. In addition, beginning with the pre-renewal period for managing broker licensees that begins after the effective date of this Act, those licensees renewing or obtaining a managing broker's license must successfully complete a 12-hour broker management continuing education course approved by the Department each pre-renewal period. The broker management continuing education course must be completed in the classroom or by other interactive delivery method presenting instruction and real-time discussion between the instructor and the students. Successful completion of the course shall include achieving a passing score as provided by rule on a test developed and administered in accordance with rules adopted by the Department. No license may be renewed except upon the successful completion of the required courses or their equivalent or upon a waiver of those requirements for good cause shown as determined by the Secretary with the recommendation of the Advisory Council. The requirements of this Article are applicable to all managing brokers, brokers, and salespersons except those brokers and salespersons who, during the pre-renewal period:

(1) serve in the armed services of the United States;
(2) serve as an elected State or federal official;
(3) serve as a full-time employee of the Department; or
(4) are admitted to practice law pursuant to Illinois Supreme Court rule.

(c) A person licensed as a salesperson as of April 30, 2011 shall not be required to complete the 18 hours of continuing education for the pre-renewal period ending April 30, 2012 if that person takes the 30-hour post-licensing course to obtain a broker's license. A person licensed as a broker as of April 30, 2011 shall not be required to complete the 12 hours of broker management continuing education for the pre-renewal period ending April 30, 2012, unless that person passes the proficiency exam provided for in Section 5-47 of this Act to qualify for a managing broker's license.

(d) A person receiving an initial license during the 90 days before the renewal date shall not be required to complete the continuing education courses provided for in subsection (b) of this Section as a condition of initial license renewal.

(e) The continuing education requirement for salespersons, brokers and managing brokers shall consist of a core curriculum and an elective curriculum, to be established by the Advisory Council. In meeting the continuing education requirements of this Act, at least 3 hours per year or

their equivalent, 6 hours for each two-year pre-renewal period, shall be
required to be completed in the core curriculum. In establishing the core
curriculum, the Advisory Council shall consider subjects that will educate
licensees on recent changes in applicable laws and new laws and refresh
the licensee on areas of the license law and the Department policy that the
Advisory Council deems appropriate, and any other areas that the
Advisory Council deems timely and applicable in order to prevent
violations of this Act and to protect the public. In establishing the elective
curriculum, the Advisory Council shall consider subjects that cover the
various aspects of the practice of real estate that are covered under the
scope of this Act. However, the elective curriculum shall not include any
offerings referred to in Section 5-85 of this Act.

(f) The subject areas of continuing education courses approved by
the Advisory Council may include without limitation the following:

(6) property management;
(7) residential brokerage;
(8) farm property management;
(9) rights and duties of sellers, buyers, and brokers;
(10) commercial brokerage and leasing; and
(11) real estate financing.

(g) In lieu of credit for those courses listed in subsection (f) of this
Section, credit may be earned for serving as a licensed instructor in an
approved course of continuing education. The amount of credit earned for
teaching a course shall be the amount of continuing education credit for
which the course is approved for licensees taking the course.

(h) Credit hours may be earned for self-study programs approved
by the Advisory Council.

(i) A broker or salesperson may earn credit for a specific
continuing education course only once during the prerenewal period.

(j) No more than 6 hours of continuing education credit may be
taken or earned in one calendar day.

(k) To promote the offering of a uniform and consistent course
content, the Department may provide for the development of a single
broker management course to be offered by all continuing education
providers who choose to offer the broker management continuing education course. The Department may contract for the development of the 12-hour broker management continuing education course with an outside vendor or consultant and, if the course is developed in this manner, the Department or the outside consultant shall license the use of that course to all approved continuing education providers who wish to provide the course.

(l) Except as specifically provided in this Act, continuing education credit hours may not be earned for completion of pre or post-license courses. The approved 30-hour post-license course for broker licensees shall satisfy the continuing education requirement for the pre-renewal period in which the course is taken. The approved 45-hour brokerage administration and management course shall satisfy the 12-hour broker management continuing education requirement for the pre-renewal period in which the course is taken.

Section 99. Effective date. This Act takes effect upon becoming law.

Approved August 23, 2013.
Effective August 23, 2013.
AN ACT concerning civil law.

Be it enacted by the People of the State of Illinois, represented in the General Assembly:

Section 5. The Adoption Act is amended by changing Section 1 as follows:

(750 ILCS 50/1) (from Ch. 40, par. 1501)

Sec. 1. Definitions. When used in this Act, unless the context otherwise requires:

A. "Child" means a person under legal age subject to adoption under this Act.

B. "Related child" means a child subject to adoption where either or both of the adopting parents stands in any of the following relationships to the child by blood or marriage: parent, grand-parent, brother, sister, step-parent, step-grandparent, step-brother, step-sister, uncle, aunt, great-uncle, great-aunt, or cousin of first degree. A child whose parent has executed a final irrevocable consent to adoption or a final irrevocable surrender for purposes of adoption, or whose parent has had his or her parental rights terminated, is not a related child to that person, unless the consent is determined to be void or is void pursuant to subsection O of Section 10.

C. "Agency" for the purpose of this Act means a public child welfare agency or a licensed child welfare agency.

D. "Unfit person" means any person whom the court shall find to be unfit to have a child, without regard to the likelihood that the child will be placed for adoption. The grounds of unfitness are any one or more of the following, except that a person shall not be considered an unfit person for the sole reason that the person has relinquished a child in accordance with the Abandoned Newborn Infant Protection Act:

(a) Abandonment of the child.
(a-1) Abandonment of a newborn infant in a hospital.
(a-2) Abandonment of a newborn infant in any setting where the evidence suggests that the parent intended to relinquish his or her parental rights.
(b) Failure to maintain a reasonable degree of interest, concern or responsibility as to the child's welfare.
(c) Desertion of the child for more than 3 months next preceding the commencement of the Adoption proceeding.

(d) Substantial neglect of the child if continuous or repeated.

(d-1) Substantial neglect, if continuous or repeated, of any child residing in the household which resulted in the death of that child.

(e) Extreme or repeated cruelty to the child.

(f) There is a rebuttable presumption, which can be overcome only by clear and convincing evidence, that a parent is unfit if:

(1) Two or more findings of physical abuse have been entered regarding any children under Section 2-21 of the Juvenile Court Act of 1987, the most recent of which was determined by the juvenile court hearing the matter to be supported by clear and convincing evidence; or

(2) The parent has been convicted or found not guilty by reason of insanity and the conviction or finding resulted from the death of any child by physical abuse; or

(3) There is a finding of physical child abuse resulting from the death of any child under Section 2-21 of the Juvenile Court Act of 1987.

No conviction or finding of delinquency pursuant to Article 5 of the Juvenile Court Act of 1987 shall be considered a criminal conviction for the purpose of applying any presumption under this item (f).

(g) Failure to protect the child from conditions within his environment injurious to the child's welfare.

(h) Other neglect of, or misconduct toward the child; provided that in making a finding of unfitness the court hearing the adoption proceeding shall not be bound by any previous finding, order or judgment affecting or determining the rights of the parents toward the child sought to be adopted in any other proceeding except such proceedings terminating parental rights as shall be had under either this Act, the Juvenile Court Act or the Juvenile Court Act of 1987.

(i) Depravity. Conviction of any one of the following crimes shall create a presumption that a parent is depraved which can be overcome only by clear and convincing evidence: (1) first
degree murder in violation of paragraph 1 or 2 of subsection (a) of Section 9-1 of the Criminal Code of 1961 or conviction of second degree murder in violation of subsection (a) of Section 9-2 of the Criminal Code of 1961 of a parent of the child to be adopted; (2) first degree murder or second degree murder of any child in violation of the Criminal Code of 1961; (3) attempt or conspiracy to commit first degree murder or second degree murder of any child in violation of the Criminal Code of 1961; (4) solicitation to commit murder of any child, solicitation to commit murder of any child for hire, or solicitation to commit second degree murder of any child in violation of the Criminal Code of 1961; (5) predatory criminal sexual assault of a child in violation of Section 11-1.40 or 12-14.1 of the Criminal Code of 1961; (6) heinous battery of any child in violation of the Criminal Code of 1961; or (7) aggravated battery of any child in violation of the Criminal Code of 1961.

There is a rebuttable presumption that a parent is depraved if the parent has been criminally convicted of at least 3 felonies under the laws of this State or any other state, or under federal law, or the criminal laws of any United States territory; and at least one of these convictions took place within 5 years of the filing of the petition or motion seeking termination of parental rights.

There is a rebuttable presumption that a parent is depraved if that parent has been criminally convicted of either first or second degree murder of any person as defined in the Criminal Code of 1961 within 10 years of the filing date of the petition or motion to terminate parental rights.

No conviction or finding of delinquency pursuant to Article 5 of the Juvenile Court Act of 1987 shall be considered a criminal conviction for the purpose of applying any presumption under this item (i).

(j) Open and notorious adultery or fornication.

(j-1) (Blank).

(k) Habitual drunkenness or addiction to drugs, other than those prescribed by a physician, for at least one year immediately prior to the commencement of the unfitness proceeding.

There is a rebuttable presumption that a parent is unfit under this subsection with respect to any child to which that parent gives birth where there is a confirmed test result that at birth the child's blood, urine, or meconium contained any amount of a

controlled substance as defined in subsection (f) of Section 102 of the Illinois Controlled Substances Act or metabolites of such substances, the presence of which in the newborn infant was not the result of medical treatment administered to the mother or the newborn infant; and the biological mother of this child is the biological mother of at least one other child who was adjudicated a neglected minor under subsection (c) of Section 2-3 of the Juvenile Court Act of 1987.

(i) Failure to demonstrate a reasonable degree of interest, concern or responsibility as to the welfare of a new born child during the first 30 days after its birth.

(m) Failure by a parent (i) to make reasonable efforts to correct the conditions that were the basis for the removal of the child from the parent during any 9-month period following the adjudication of neglected or abused minor under Section 2-3 of the Juvenile Court Act of 1987 or dependent minor under Section 2-4 of that Act, or (ii) to make reasonable progress toward the return of the child to the parent within 9 months after an adjudication of neglected or abused minor under Section 2-3 of the Juvenile Court Act of 1987 or dependent minor under Section 2-4 of that Act. If a service plan has been established as required under Section 8.2 of the Abused and Neglected Child Reporting Act to correct the conditions that were the basis for the removal of the child from the parent and if those services were available, then, for purposes of this Act, "failure to make reasonable progress toward the return of the child to the parent" includes (f) the parent's failure to substantially fulfill his or her obligations under the service plan and correct the conditions that brought the child into care within 9 months after the adjudication under Section 2-3 or 2-4 of the Juvenile Court Act of 1987 and (f) the parent's failure to substantially fulfill his or her obligations under the service plan and correct the conditions that brought the child into care during any 9-month period after the end of the initial 9-month period following the adjudication under Section 2-3 or 2-4 of the Juvenile Court Act of 1987.

New matter indicated by italics - deletions by strikeout
Notwithstanding any other provision, when a petition or motion seeks to terminate parental rights on the basis of item (ii) (iii) of this subsection (m), the petitioner shall file with the court and serve on the parties a pleading that specifies the 9-month period or periods relied on. The pleading shall be filed and served on the parties no later than 3 weeks before the date set by the court for closure of discovery, and the allegations in the pleading shall be treated as incorporated into the petition or motion. Failure of a respondent to file a written denial of the allegations in the pleading shall not be treated as an admission that the allegations are true.

(m-1) Pursuant to the Juvenile Court Act of 1987, a child has been in foster care for 15 months out of any 22 month period which begins on or after the effective date of this amendatory Act of 1998 unless the child's parent can prove by a preponderance of the evidence that it is more likely than not that it will be in the best interests of the child to be returned to the parent within 6 months of the date on which a petition for termination of parental rights is filed under the Juvenile Court Act of 1987. The 15 month time limit is tolled during any period for which there is a court finding that the appointed custodian or guardian failed to make reasonable efforts to reunify the child with his or her family, provided that (i) the finding of no reasonable efforts is made within 60 days of the period when reasonable efforts were not made or (ii) the parent filed a motion requesting a finding of no reasonable efforts within 60 days of the period when reasonable efforts were not made. For purposes of this subdivision (m-1), the date of entering foster care is the earlier of: (i) the date of a judicial finding at an adjudicatory hearing that the child is an abused, neglected, or dependent minor; or (ii) 60 days after the date on which the child is removed from his or her parent, guardian, or legal custodian.

(n) Evidence of intent to forgo his or her parental rights, whether or not the child is a ward of the court, (1) as manifested by his or her failure for a period of 12 months: (i) to visit the child, (ii) to communicate with the child or agency, although able to do so and not prevented from doing so by an agency or by court order, or (iii) to maintain contact with or plan for the future of the child, although physically able to do so, or (2) as manifested by the father's failure, where he and the mother of the child were unmarried to each other at the time of the child's birth, (i) to
commence legal proceedings to establish his paternity under the Illinois Parentage Act of 1984 or the law of the jurisdiction of the child's birth within 30 days of being informed, pursuant to Section 12a of this Act, that he is the father or the likely father of the child or, after being so informed where the child is not yet born, within 30 days of the child's birth, or (ii) to make a good faith effort to pay a reasonable amount of the expenses related to the birth of the child and to provide a reasonable amount for the financial support of the child, the court to consider in its determination all relevant circumstances, including the financial condition of both parents; provided that the ground for termination provided in this subparagraph (n)(2)(ii) shall only be available where the petition is brought by the mother or the husband of the mother.

Contact or communication by a parent with his or her child that does not demonstrate affection and concern does not constitute reasonable contact and planning under subdivision (n). In the absence of evidence to the contrary, the ability to visit, communicate, maintain contact, pay expenses and plan for the future shall be presumed. The subjective intent of the parent, whether expressed or otherwise, unsupported by evidence of the foregoing parental acts manifesting that intent, shall not preclude a determination that the parent has intended to forgo his or her parental rights. In making this determination, the court may consider but shall not require a showing of diligent efforts by an authorized agency to encourage the parent to perform the acts specified in subdivision (n).

It shall be an affirmative defense to any allegation under paragraph (2) of this subsection that the father's failure was due to circumstances beyond his control or to impediments created by the mother or any other person having legal custody. Proof of that fact need only be by a preponderance of the evidence.

(o) Repeated or continuous failure by the parents, although physically and financially able, to provide the child with adequate food, clothing, or shelter.

(p) Inability to discharge parental responsibilities supported by competent evidence from a psychiatrist, licensed clinical social worker, or clinical psychologist of mental impairment, mental illness or an intellectual disability as defined in Section 1-116 of the Mental Health and Developmental Disabilities Code, or
developmental disability as defined in Section 1-106 of that Code, and there is sufficient justification to believe that the inability to discharge parental responsibilities shall extend beyond a reasonable time period. However, this subdivision (p) shall not be construed so as to permit a licensed clinical social worker to conduct any medical diagnosis to determine mental illness or mental impairment.

(q) (Blank).

(r) The child is in the temporary custody or guardianship of the Department of Children and Family Services, the parent is incarcerated as a result of criminal conviction at the time the petition or motion for termination of parental rights is filed, prior to incarceration the parent had little or no contact with the child or provided little or no support for the child, and the parent's incarceration will prevent the parent from discharging his or her parental responsibilities for the child for a period in excess of 2 years after the filing of the petition or motion for termination of parental rights.

(s) The child is in the temporary custody or guardianship of the Department of Children and Family Services, the parent is incarcerated at the time the petition or motion for termination of parental rights is filed, the parent has been repeatedly incarcerated as a result of criminal convictions, and the parent's repeated incarceration has prevented the parent from discharging his or her parental responsibilities for the child.

(t) A finding that at birth the child's blood, urine, or meconium contained any amount of a controlled substance as defined in subsection (f) of Section 102 of the Illinois Controlled Substances Act, or a metabolite of a controlled substance, with the exception of controlled substances or metabolites of such substances, the presence of which in the newborn infant was the result of medical treatment administered to the mother or the newborn infant, and that the biological mother of this child is the biological mother of at least one other child who was adjudicated a neglected minor under subsection (c) of Section 2-3 of the Juvenile Court Act of 1987, after which the biological mother had the opportunity to enroll in and participate in a clinically appropriate substance abuse counseling, treatment, and rehabilitation program.
E. "Parent" means the father or mother of a lawful child of the parties or child born out of wedlock. For the purpose of this Act, a person who has executed a final and irrevocable consent to adoption or a final and irrevocable surrender for purposes of adoption, or whose parental rights have been terminated by a court, is not a parent of the child who was the subject of the consent or surrender, unless the consent is void pursuant to subsection O of Section 10.

F. A person is available for adoption when the person is:
   (a) a child who has been surrendered for adoption to an agency and to whose adoption the agency has thereafter consented;
   (b) a child to whose adoption a person authorized by law, other than his parents, has consented, or to whose adoption no consent is required pursuant to Section 8 of this Act;
   (c) a child who is in the custody of persons who intend to adopt him through placement made by his parents;
   (c-1) a child for whom a parent has signed a specific consent pursuant to subsection O of Section 10;
   (d) an adult who meets the conditions set forth in Section 3 of this Act; or
   (e) a child who has been relinquished as defined in Section 10 of the Abandoned Newborn Infant Protection Act.

A person who would otherwise be available for adoption shall not be deemed unavailable for adoption solely by reason of his or her death.

G. The singular includes the plural and the plural includes the singular and the "male" includes the "female", as the context of this Act may require.

H. "Adoption disruption" occurs when an adoptive placement does not prove successful and it becomes necessary for the child to be removed from placement before the adoption is finalized.

I. "Foreign placing agency" is an agency or individual operating in a country or territory outside the United States that is authorized by its country to place children for adoption either directly with families in the United States or through United States based international agencies.

Eligible students in this State may continue to apply for Illinois Future Teacher Corps scholarships under the current rules governing such applications during the transition period. Fiscal Year 2012 shall be the last year that such scholarships are available:

(3) The Commission shall, by March 30, 2010, develop an estimate of General Revenue Funds that it expects will remain unexpended at the end of FY 2010 from the FY 2010 appropriation for the Illinois Future Teacher Corps. Any amount of appropriated funds exceeding the estimated amount of scholarship assistance may be awarded by the Commission to the Foundation for management expenses expected to be incurred by the Foundation in providing the mentoring, guidance, and in-service supports that will increase the likelihood that qualified students will complete their teaching commitments and elect to continue teaching in hard-to-staff schools. The Commission is authorized to establish rules relating to its collection activities for repayment of scholarships under this Section. Payments received by the Commission under this subsection (j) shall be remitted to the State Comptroller for deposit into the General Revenue Fund, except that that portion of a recipient's repayment that equals the amount in expenses that the Commission has reasonably incurred in attempting collection from that recipient shall be remitted to the State Comptroller for deposit into the Commission's Accounts Receivable Fund.

PUBLIC ACT 98-0535
(Senate Bill No. 1830)

AN ACT concerning government.

Be it enacted by the People of the State of Illinois, represented in the General Assembly:

Section 5. The Illinois Public Labor Relations Act is amended by changing Sections 12 and 14 as follows:

(5 ILCS 315/12) (from Ch. 48, par. 1612)
Sec. 12. Mediation.
(a) The State and Local Panels in joint session shall establish a Public Employees Mediation Roster, the services of which shall be available to public employers and to labor organizations upon request of the parties for the purposes of mediation of grievances or contract disputes. Upon the request of either party, services of the Public Employees Mediation Roster shall be available for purposes of arbitrating disputes over interpretation or application of the terms of an agreement pursuant to Section 8. The members of the Roster shall be appointed by majority vote of the members of both panels. Members shall be impartial, competent, and reputable citizens of the United States, residents of the State of Illinois, and shall qualify by taking and subscribing to the constitutional oath or affirmation of office. The function of the mediator
shall be to communicate with the employer and exclusive representative or
their representatives and to endeavor to bring about an amicable and
voluntary settlement. Compensation of Roster members for services
performed as mediators shall be paid equally by the parties to a mediated
labor dispute. The Board shall have authority but not the obligation to
promulgate regulations setting compensation levels for members of the
Roster, and establishing procedures for suspension or dismissal of
mediators for good cause shown following hearing.

(b) A mediator in a mediated labor dispute shall be selected by the
Board from among the members of the Roster.

(c) Nothing in this Act or any other law prohibits the use of other
mediators selected by the parties for the resolution of disputes over
interpretation or application of the terms or conditions of the collective
bargaining agreements between a public employer and a labor
organization.

(d) If requested by the parties to a labor dispute, a mediator may
perform fact-finding as set forth in Section 13.

(5 ILCS 315/14) (from Ch. 48, par. 1614)
Sec. 14. Security Employee, Peace Officer and Fire Fighter
Disputes.

(a) In the case of collective bargaining agreements involving units
of security employees of a public employer, Peace Officer Units, or units
of fire fighters or paramedics, and in the case of disputes under Section 18,
unless the parties mutually agree to some other time limit, mediation shall
commence 30 days prior to the expiration date of such agreement or at
such later time as the mediation services chosen under subsection (b) of
Section 12 can be provided to the parties. In the case of negotiations for an
initial collective bargaining agreement, mediation shall commence upon
15 days notice from either party or at such later time as the mediation
services chosen pursuant to subsection (b) of Section 12 can be provided
to the parties. In mediation under this Section, if either party requests the
use of mediation services from the Federal Mediation and Conciliation
Service, the other party shall either join in such request or bear the
additional cost of mediation services from another source. The mediator
shall have a duty to keep the Board informed on the progress of the
mediation. If any dispute has not been resolved within 15 days after the
first meeting of the parties and the mediator, or within such other time
limit as may be mutually agreed upon by the parties, either the exclusive

representative or employer may request of the other, in writing, arbitration, and shall submit a copy of the request to the Board.

(b) Within 10 days after such a request for arbitration has been made, the employer shall choose a delegate and the employees' exclusive representative shall choose a delegate to a panel of arbitration as provided in this Section. The employer and employees shall forthwith advise the other and the Board of their selections.

(c) Within 7 days after the request of either party, the parties shall request a panel of impartial arbitrators from which they shall select the neutral chairman according to the procedures provided in this Section. If the parties have agreed to a contract that contains a grievance resolution procedure as provided in Section 8, the chairman shall be selected using their agreed contract procedure unless they mutually agree to another procedure. If the parties fail to notify the Board of their selection of neutral chairman within 7 days after receipt of the list of impartial arbitrators, the Board shall appoint, at random, a neutral chairman from the list. In the absence of an agreed contract procedure for selecting an impartial arbitrator, either party may request a panel from the Board. Within 7 days of the request of either party, the Board shall select from the Public Employees Labor Mediation Roster 7 persons who are on the labor arbitration panels of either the American Arbitration Association or the Federal Mediation and Conciliation Service, or who are members of the National Academy of Arbitrators, as nominees for impartial arbitrator of the arbitration panel. The parties may select an individual on the list provided by the Board or any other individual mutually agreed upon by the parties. Within 7 days following the receipt of the list, the parties shall notify the Board of the person they have selected. Unless the parties agree on an alternate selection procedure, they shall alternatively strike one name from the list provided by the Board until only one name remains. A coin toss shall determine which party shall strike the first name. If the parties fail to notify the Board in a timely manner of their selection for neutral chairman, the Board shall appoint a neutral chairman from the Illinois Public Employees Mediation/Arbitration Roster.

(d) The chairman shall call a hearing to begin within 15 days and give reasonable notice of the time and place of the hearing. The hearing shall be held at the offices of the Board or at such other location as the Board deems appropriate. The chairman shall preside over the hearing and shall take testimony. Any oral or documentary evidence and other data deemed relevant by the arbitration panel may be received in evidence. The

proceedings shall be informal. Technical rules of evidence shall not apply and the competency of the evidence shall not thereby be deemed impaired. A verbatim record of the proceedings shall be made and the arbitrator shall arrange for the necessary recording service. Transcripts may be ordered at the expense of the party ordering them, but the transcripts shall not be necessary for a decision by the arbitration panel. The expense of the proceedings, including a fee for the chairman, established in advance by the Board, shall be borne equally by each of the parties to the dispute. The delegates, if public officers or employees, shall continue on the payroll of the public employer without loss of pay. The hearing conducted by the arbitration panel may be adjourned from time to time, but unless otherwise agreed by the parties, shall be concluded within 30 days of the time of its commencement. Majority actions and rulings shall constitute the actions and rulings of the arbitration panel. Arbitration proceedings under this Section shall not be interrupted or terminated by reason of any unfair labor practice charge filed by either party at any time.

(e) The arbitration panel may administer oaths, require the attendance of witnesses, and the production of such books, papers, contracts, agreements and documents as may be deemed by it material to a just determination of the issues in dispute, and for such purpose may issue subpoenas. If any person refuses to obey a subpoena, or refuses to be sworn or to testify, or if any witness, party or attorney is guilty of any contempt while in attendance at any hearing, the arbitration panel may, or the attorney general if requested shall, invoke the aid of any circuit court within the jurisdiction in which the hearing is being held, which court shall issue an appropriate order. Any failure to obey the order may be punished by the court as contempt.

(f) At any time before the rendering of an award, the chairman of the arbitration panel, if he is of the opinion that it would be useful or beneficial to do so, may remand the dispute to the parties for further collective bargaining for a period not to exceed 2 weeks. If the dispute is remanded for further collective bargaining the time provisions of this Act shall be extended for a time period equal to that of the remand. The chairman of the panel of arbitration shall notify the Board of the remand.

(g) At or before the conclusion of the hearing held pursuant to subsection (d), the arbitration panel shall identify the economic issues in dispute, and direct each of the parties to submit, within such time limit as the panel shall prescribe, to the arbitration panel and to each other its last offer of settlement on each economic issue. The determination of the
arbitration panel as to the issues in dispute and as to which of these issues are economic shall be conclusive. The arbitration panel, within 30 days after the conclusion of the hearing, or such further additional periods to which the parties may agree, shall make written findings of fact and promulgate a written opinion and shall mail or otherwise deliver a true copy thereof to the parties and their representatives and to the Board. As to each economic issue, the arbitration panel shall adopt the last offer of settlement which, in the opinion of the arbitration panel, more nearly complies with the applicable factors prescribed in subsection (h). The findings, opinions and order as to all other issues shall be based upon the applicable factors prescribed in subsection (h).

(h) Where there is no agreement between the parties, or where there is an agreement but the parties have begun negotiations or discussions looking to a new agreement or amendment of the existing agreement, and wage rates or other conditions of employment under the proposed new or amended agreement are in dispute, the arbitration panel shall base its findings, opinions and order upon the following factors, as applicable:

1. The lawful authority of the employer.
2. Stipulations of the parties.
3. The interests and welfare of the public and the financial ability of the unit of government to meet those costs.
4. Comparison of the wages, hours and conditions of employment of the employees involved in the arbitration proceeding with the wages, hours and conditions of employment of other employees performing similar services and with other employees generally:
   A. In public employment in comparable communities.
   B. In private employment in comparable communities.
5. The average consumer prices for goods and services, commonly known as the cost of living.
6. The overall compensation presently received by the employees, including direct wage compensation, vacations, holidays and other excused time, insurance and pensions, medical and hospitalization benefits, the continuity and stability of employment and all other benefits received.

(7) Changes in any of the foregoing circumstances during the pendency of the arbitration proceedings.

(8) Such other factors, not confined to the foregoing, which are normally or traditionally taken into consideration in the determination of wages, hours and conditions of employment through voluntary collective bargaining, mediation, fact-finding, arbitration or otherwise between the parties, in the public service or in private employment.

(i) In the case of peace officers, the arbitration decision shall be limited to wages, hours, and conditions of employment (which may include residency requirements in municipalities with a population under 1,000,000, but those residency requirements shall not allow residency outside of Illinois) and shall not include the following: i) residency requirements in municipalities with a population of at least 1,000,000; ii) the type of equipment, other than uniforms, issued or used; iii) manning; iv) the total number of employees employed by the department; v) mutual aid and assistance agreements to other units of government; and vi) the criterion pursuant to which force, including deadly force, can be used; provided, nothing herein shall preclude an arbitration decision regarding equipment or manning levels if such decision is based on a finding that the equipment or manning considerations in a specific work assignment involve a serious risk to the safety of a peace officer beyond that which is inherent in the normal performance of police duties. Limitation of the terms of the arbitration decision pursuant to this subsection shall not be construed to limit the factors upon which the decision may be based, as set forth in subsection (h).

In the case of fire fighter, and fire department or fire district paramedic matters, the arbitration decision shall be limited to wages, hours, and conditions of employment (which may include residency requirements in municipalities with a population under 1,000,000, but those residency requirements shall not allow residency outside of Illinois) and shall not include the following matters: i) residency requirements in municipalities with a population of at least 1,000,000; ii) the type of equipment (other than uniforms and fire fighter turnout gear) issued or used; iii) the total number of employees employed by the department; iv) mutual aid and assistance agreements to other units of government; and v) the criterion pursuant to which force, including deadly force, can be used; provided, however, nothing herein shall preclude an arbitration decision regarding equipment levels if such decision is based on a finding that the

equipment considerations in a specific work assignment involve a serious risk to the safety of a fire fighter beyond that which is inherent in the normal performance of fire fighter duties. Limitation of the terms of the arbitration decision pursuant to this subsection shall not be construed to limit the facts upon which the decision may be based, as set forth in subsection (h).

The changes to this subsection (i) made by Public Act 90-385 (relating to residency requirements) do not apply to persons who are employed by a combined department that performs both police and firefighting services; these persons shall be governed by the provisions of this subsection (i) relating to peace officers, as they existed before the amendment by Public Act 90-385.

To preserve historical bargaining rights, this subsection shall not apply to any provision of a fire fighter collective bargaining agreement in effect and applicable on the effective date of this Act; provided, however, nothing herein shall preclude arbitration with respect to any such provision.

(j) Arbitration procedures shall be deemed to be initiated by the filing of a letter requesting mediation as required under subsection (a) of this Section. The commencement of a new municipal fiscal year after the initiation of arbitration procedures under this Act, but before the arbitration decision, or its enforcement, shall not be deemed to render a dispute moot, or to otherwise impair the jurisdiction or authority of the arbitration panel or its decision. Increases in rates of compensation awarded by the arbitration panel may be effective only at the start of the fiscal year next commencing after the date of the arbitration award. If a new fiscal year has commenced either since the initiation of arbitration procedures under this Act or since any mutually agreed extension of the statutorily required period of mediation under this Act by the parties to the labor dispute causing a delay in the initiation of arbitration, the foregoing limitations shall be inapplicable, and such awarded increases may be retroactive to the commencement of the fiscal year, any other statute or charter provisions to the contrary, notwithstanding. At any time the parties, by stipulation, may amend or modify an award of arbitration.

(k) Orders of the arbitration panel shall be reviewable, upon appropriate petition by either the public employer or the exclusive bargaining representative, by the circuit court for the county in which the dispute arose or in which a majority of the affected employees reside, but only for reasons that the arbitration panel was without or exceeded its
statutory authority; the order is arbitrary, or capricious; or the order was procured by fraud, collusion or other similar and unlawful means. Such petitions for review must be filed with the appropriate circuit court within 90 days following the issuance of the arbitration order. The pendency of such proceeding for review shall not automatically stay the order of the arbitration panel. The party against whom the final decision of any such court shall be adverse, if such court finds such appeal or petition to be frivolous, shall pay reasonable attorneys' fees and costs to the successful party as determined by said court in its discretion. If said court's decision affirms the award of money, such award, if retroactive, shall bear interest at the rate of 12 percent per annum from the effective retroactive date.

(l) During the pendency of proceedings before the arbitration panel, existing wages, hours, and other conditions of employment shall not be changed by action of either party without the consent of the other but a party may so consent without prejudice to his rights or position under this Act. The proceedings are deemed to be pending before the arbitration panel upon the initiation of arbitration procedures under this Act.

(m) Security officers of public employers, and Peace Officers, Fire Fighters and fire department and fire protection district paramedics, covered by this Section may not withhold services, nor may public employers lock out or prevent such employees from performing services at any time.

(n) All of the terms decided upon by the arbitration panel shall be included in an agreement to be submitted to the public employer's governing body for ratification and adoption by law, ordinance or the equivalent appropriate means.

The governing body shall review each term decided by the arbitration panel. If the governing body fails to reject one or more terms of the arbitration panel's decision by a 3/5 vote of those duly elected and qualified members of the governing body, within 20 days of issuance, or in the case of firefighters employed by a state university, at the next regularly scheduled meeting of the governing body after issuance, such term or terms shall become a part of the collective bargaining agreement of the parties. If the governing body affirmatively rejects one or more terms of the arbitration panel's decision, it must provide reasons for such rejection with respect to each term so rejected, within 20 days of such rejection and the parties shall return to the arbitration panel for further proceedings and issuance of a supplemental decision with respect to the rejected terms. Any supplemental decision by an arbitration panel or other decision maker

agreed to by the parties shall be submitted to the governing body for ratification and adoption in accordance with the procedures and voting requirements set forth in this Section. The voting requirements of this subsection shall apply to all disputes submitted to arbitration pursuant to this Section notwithstanding any contrary voting requirements contained in any existing collective bargaining agreement between the parties.

(o) If the governing body of the employer votes to reject the panel's decision, the parties shall return to the panel within 30 days from the issuance of the reasons for rejection for further proceedings and issuance of a supplemental decision. All reasonable costs of such supplemental proceeding including the exclusive representative's reasonable attorney's fees, as established by the Board, shall be paid by the employer.

(p) Notwithstanding the provisions of this Section the employer and exclusive representative may agree to submit unresolved disputes concerning wages, hours, terms and conditions of employment to an alternative form of impasse resolution.

same or related act or acts. The limitation that the minor shall only be placed in a juvenile detention home does not apply as follows:

Persons 18 years of age and older who have a petition of delinquency filed against them may be confined in an adult detention facility. In making a determination whether to confine a person 18 years of age or older who has a petition of delinquency filed against the person, these factors, among other matters, shall be considered:

(D) any mental health history of the person;
(E) any educational history of the person;

Department of Juvenile Justice shall be made only if a term of incarceration is permitted by law for adults found guilty of the offense for which the minor was adjudicated delinquent. The time during which a minor is in custody before being released upon the request of a parent, guardian or legal custodian shall be considered as time spent in detention.

(c) When a minor is found to be guilty for an offense which is a violation of the Illinois Controlled Substances Act, the Cannabis Control Act, or the Methamphetamine Control and Community Protection Act and made a ward of the court, the court may enter a disposition order requiring the minor to undergo assessment, counseling or treatment in a substance abuse program approved by the Department of Human Services.

(2) Any sentencing order other than commitment to the Department of Juvenile Justice may provide for protective supervision under Section 5-725 and may include an order of protection under Section 5-730.

(3) Unless the sentencing order expressly so provides, it does not operate to close proceedings on the pending petition, but is subject to modification until final closing and discharge of the proceedings under Section 5-750.

(4) In addition to any other sentence, the court may order any minor found to be delinquent to make restitution, in monetary or non-monetary form, under the terms and conditions of Section 5-5-6 of the Unified Code of Corrections, except that the "sentencing hearing" referred to in that Section shall be the sentencing hearing for purposes of this Section. The parent, guardian or legal custodian of the minor may be ordered by the court to pay some or all of the restitution on the minor's behalf, pursuant to the Parental Responsibility Law. The State's Attorney is authorized to act on behalf of any victim in seeking restitution in proceedings under this Section, up to the maximum amount allowed in Section 5 of the Parental Responsibility Law.

(5) Any sentencing order where the minor is committed or placed in accordance with Section 5-740 shall provide for the parents or guardian of the estate of the minor to pay to the legal custodian or guardian of the person of the minor such sums as are determined by the custodian or guardian of the person of the minor as necessary for the minor's needs. The payments may not exceed the maximum amounts provided for by Section 9.1 of the Children and Family Services Act.
(6) Whenever the sentencing order requires the minor to attend school or participate in a program of training, the truant officer or designated school official shall regularly report to the court if the minor is a chronic or habitual truant under Section 26-2a of the School Code. Notwithstanding any other provision of this Act, in instances in which educational services are to be provided to a minor in a residential facility where the minor has been placed by the court, costs incurred in the provision of those educational services must be allocated based on the requirements of the School Code.

(7) In no event shall a guilty minor be committed to the Department of Juvenile Justice for a period of time in excess of that period for which an adult could be committed for the same act.

(8) A minor found to be guilty for reasons that include a violation of Section 21-1.3 of the Criminal Code of 1961 or the Criminal Code of 2012 shall be ordered to perform community service for not less than 30 and not more than 120 hours, if community service is available in the jurisdiction. The community service shall include, but need not be limited to, the cleanup and repair of the damage that was caused by the violation or similar damage to property located in the municipality or county in which the violation occurred. The order may be in addition to any other order authorized by this Section.

(8.5) A minor found to be guilty for reasons that include a violation of Section 3.02 or Section 3.03 of the Humane Care for Animals Act or paragraph (d) of subsection (1) of Section 21-1 of the Criminal Code of 1961 or paragraph (4) of subsection (a) of Section 21-1 of the Criminal Code of 2012 shall be ordered to undergo medical or psychiatric treatment rendered by a psychiatrist or psychological treatment rendered by a clinical psychologist. The order may be in addition to any other order authorized by this Section.

(9) In addition to any other sentencing order, the court shall order any minor found to be guilty for an act which would constitute, predatory criminal sexual assault of a child, aggravated criminal sexual assault, criminal sexual assault, aggravated criminal sexual abuse, or criminal sexual abuse if committed by an adult to undergo medical testing to determine whether the defendant has any sexually transmissible disease including a test for infection with human immunodeficiency virus (HIV) or any other identified causative agency of acquired immunodeficiency syndrome (AIDS). Any medical test shall be performed only by appropriately licensed medical practitioners and may include an analysis of

any bodily fluids as well as an examination of the minor's person. Except as otherwise provided by law, the results of the test shall be kept strictly confidential by all medical personnel involved in the testing and must be personally delivered in a sealed envelope to the judge of the court in which the sentencing order was entered for the judge's inspection in camera. Acting in accordance with the best interests of the victim and the public, the judge shall have the discretion to determine to whom the results of the testing may be revealed. The court shall notify the minor of the results of the test for infection with the human immunodeficiency virus (HIV). The court shall also notify the victim if requested by the victim, and if the victim is under the age of 15 and if requested by the victim's parents or legal guardian, the court shall notify the victim's parents or the legal guardian, of the results of the test for infection with the human immunodeficiency virus (HIV). The court shall provide information on the availability of HIV testing and counseling at the Department of Public Health facilities to all parties to whom the results of the testing are revealed. The court shall order that the cost of any test shall be paid by the county and may be taxed as costs against the minor.

(10) When a court finds a minor to be guilty the court shall, before entering a sentencing order under this Section, make a finding whether the offense committed either: (a) was related to or in furtherance of the criminal activities of an organized gang or was motivated by the minor's membership in or allegiance to an organized gang, or (b) involved a violation of subsection (a) of Section 12-7.1 of the Criminal Code of 1961 or the Criminal Code of 2012, a violation of any Section of Article 24 of the Criminal Code of 1961 or the Criminal Code of 2012, or a violation of any statute that involved the wrongful use of a firearm. If the court determines the question in the affirmative, and the court does not commit the minor to the Department of Juvenile Justice, the court shall order the minor to perform community service for not less than 30 hours nor more than 120 hours, provided that community service is available in the jurisdiction and is funded and approved by the county board of the county where the offense was committed. The community service shall include, but need not be limited to, the cleanup and repair of any damage caused by a violation of Section 21-1.3 of the Criminal Code of 1961 or the Criminal Code of 2012 and similar damage to property located in the municipality or county in which the violation occurred. When possible and reasonable, the community service shall be performed in the minor's neighborhood. This order shall be in addition to any other order authorized by this Section.
except for an order to place the minor in the custody of the Department of Juvenile Justice. For the purposes of this Section, "organized gang" has the meaning ascribed to it in Section 10 of the Illinois Streetgang Terrorism Omnibus Prevention Act.

(11) If the court determines that the offense was committed in furtherance of the criminal activities of an organized gang, as provided in subsection (10), and that the offense involved the operation or use of a motor vehicle or the use of a driver's license or permit, the court shall notify the Secretary of State of that determination and of the period for which the minor shall be denied driving privileges. If, at the time of the determination, the minor does not hold a driver's license or permit, the court shall provide that the minor shall not be issued a driver's license or permit until his or her 18th birthday. If the minor holds a driver's license or permit at the time of the determination, the court shall provide that the minor's driver's license or permit shall be revoked until his or her 21st birthday, or until a later date or occurrence determined by the court. If the minor holds a driver's license at the time of the determination, the court may direct the Secretary of State to issue the minor a judicial driving permit, also known as a JDP. The JDP shall be subject to the same terms as a JDP issued under Section 6-206.1 of the Illinois Vehicle Code, except that the court may direct that the JDP be effective immediately.

(12) If a minor is found to be guilty of a violation of subsection (a-7) of Section 1 of the Prevention of Tobacco Use by Minors Act, the court may, in its discretion, and upon recommendation by the State's Attorney, order that minor and his or her parents or legal guardian to attend a smoker's education or youth diversion program as defined in that Act if that program is available in the jurisdiction where the offender resides. Attendance at a smoker's education or youth diversion program shall be time-credited against any community service time imposed for any first violation of subsection (a-7) of Section 1 of that Act. In addition to any other penalty that the court may impose for a violation of subsection (a-7) of Section 1 of that Act, the court, upon request by the State's Attorney, may in its discretion require the offender to remit a fee for his or her attendance at a smoker's education or youth diversion program.

For purposes of this Section, "smoker's education program" or "youth diversion program" includes, but is not limited to, a seminar designed to educate a person on the physical and psychological effects of smoking tobacco products and the health consequences of smoking.
tobacco products that can be conducted with a locality's youth diversion program.

In addition to any other penalty that the court may impose under this subsection (12):

(a) If a minor violates subsection (a-7) of Section 1 of the Prevention of Tobacco Use by Minors Act, the court may impose a sentence of 15 hours of community service or a fine of $25 for a first violation.

(b) A second violation by a minor of subsection (a-7) of Section 1 of that Act that occurs within 12 months after the first violation is punishable by a fine of $50 and 25 hours of community service.

(c) A third or subsequent violation by a minor of subsection (a-7) of Section 1 of that Act that occurs within 12 months after the first violation is punishable by a $100 fine and 30 hours of community service.

(Senate Bill No. 1872)

AN ACT concerning criminal law.
Be it enacted by the People of the State of Illinois, represented in the General Assembly:

Section 5. The Criminal Code of 2012 is amended by changing Section 11-14 as follows:

(b) Sentence.
A violation of this Section is a Class A misdemeanor; unless committed within 1,000 feet of real property comprising a school, in which case it is a Class 4 felony. A second or subsequent violation of this Section, or any combination of convictions under this Section and Section 11-14.1 (solicitation of a sexual act), 11-14.3 (promoting prostitution), 11-
14.4 (promoting juvenile prostitution), 11-15 (soliciting for a prostitute), 11-15.1 (soliciting for a juvenile prostitute), 11-16 (pandering), 11-17 (keeping a place of prostitution), 11-17.1 (keeping a place of juvenile prostitution), 11-18 (patronizing a prostitute), 11-18.1 (patronizing a juvenile prostitute), 11-19 (pimping), 11-19.1 (juvenile pimping or aggravated juvenile pimping), or 11-19.2 (exploitation of a child), is a Class 4 felony.

(c) *(Blank)*. First offender; felony prostitution.

(1) Whenever any person who has not previously been convicted of or placed on probation for felony prostitution or any law of the United States or of any other state relating to felony prostitution pleads guilty to or is found guilty of felony prostitution, the court, without entering a judgment and with the consent of such person, may sentence the person to probation.

(2) When a person is placed on probation, the court shall enter an order specifying a period of probation of 24 months and shall defer further proceedings in the case until the conclusion of the period or until the filing of a petition alleging violation of a term or condition of probation.

(3) The conditions of probation shall be that the person: (i) not violate any criminal statute of any jurisdiction; (ii) refrain from possessing a firearm or other dangerous weapon; (iii) submit to periodic drug testing at a time and in a manner as ordered by the court, but no less than 3 times during the period of the probation, with the cost of the testing to be paid by the probationer; and (iv) perform no less than 30 hours of community service, provided community service is available in the jurisdiction and is funded and approved by the county board.

(8) There may be only one discharge and dismissal under this Section, Section 410 of the Illinois Controlled Substances Act, Section 70 of the Methamphetamine Control and Community Protection Act, Section 10 of the Cannabis Control Act, or Section 5-6-3.3 of the Unified Code of Corrections.

(9) If a person is convicted of prostitution within 5 years subsequent to a discharge and dismissal under this subsection, the discharge and dismissal under this subsection shall be admissible in the sentencing proceeding for that conviction as evidence in aggravation.

AN ACT concerning criminal law.

Be it enacted by the People of the State of Illinois, represented in the General Assembly:

Section 5. The Juvenile Court Act of 1987 is amended by changing Section 5-401.5 as follows:

(705 ILCS 405/5-401.5)
Sec. 5-401.5. When statements by minor may be used.

(a) In this Section, "custodial interrogation" means any interrogation (i) during which a reasonable person in the subject's position would consider himself or herself to be in custody and (ii) during which a question is asked that is reasonably likely to elicit an incriminating response.

In this Section, "electronic recording" includes motion picture, audiotape, videotape, or digital recording.

In this Section, "place of detention" means a building or a police station that is a place of operation for a municipal police department or county sheriff department or other law enforcement agency at which persons are or may be held in detention in connection with criminal charges against those persons or allegations that those persons are delinquent minors.

(b) An oral, written, or sign language statement of a minor who, at the time of the commission of the offense was under the age of 17 years, made as a result of a custodial interrogation conducted at a police station or other place of detention on or after the effective date of this amendatory Act of the 93rd General Assembly shall be presumed to be inadmissible as evidence against the minor in any criminal proceeding or juvenile court proceeding, for an act that if committed by an adult would be brought under Section 9-1, 9-1.2, 9-2, 9-2.1, 9-3, 9-3.2, or 9-3.3, of the Criminal Code of 1961 or the Criminal Code of 2012, or under clause (d)(1)(F) of Section 11-501 of the Illinois Vehicle Code unless:

(1) an electronic recording is made of the custodial interrogation; and

(2) the recording is substantially accurate and not intentionally altered.

(b-5) Under the following circumstances, an oral, written, or sign language statement of a minor who, at the time of the commission of the
offense was under the age of 17 years, made as a result of a custodial interrogation conducted at a police station or other place of detention shall be presumed to be inadmissible as evidence against the minor, unless an electronic recording is made of the custodial interrogation and the recording is substantially accurate and not intentionally altered:

(1) in any criminal proceeding or juvenile court proceeding, for an act that if committed by an adult would be brought under Section 11-1.40 or 20-1.1 of the Criminal Code of 1961 or the Criminal Code of 2012, if the custodial interrogation was conducted on or after June 1, 2014;

(2) in any criminal proceeding or juvenile court proceeding, for an act that if committed by an adult would be brought under Section 10-2, 18-4, or 19-6 of the Criminal Code of 1961 or the Criminal Code of 2012, if the custodial interrogation was conducted on or after June 1, 2015; and

(3) in any criminal proceeding or juvenile court proceeding, for an act that if committed by an adult would be brought under Section 11-1.30 or 18-2 or subsection (e) of Section 12-3.05 of the Criminal Code of 1961 or the Criminal Code of 2012, if the custodial interrogation was conducted on or after June 1, 2016.

(b-10) If, during the course of an electronically recorded custodial interrogation conducted under this Section of a minor who, at the time of the commission of the offense was under the age of 17 years, the minor makes a statement that creates a reasonable suspicion to believe the minor has committed an act that if committed by an adult would be an offense other than an offense required to be recorded under subsection (b) or (b-5), the interrogators may, without the minor's consent, continue to record the interrogation as it relates to the other offense notwithstanding any provision of law to the contrary. Any oral, written, or sign language statement of a minor made as a result of an interrogation under this subsection shall be presumed to be inadmissible as evidence against the minor in any criminal proceeding or juvenile court proceeding, unless the recording is substantially accurate and not intentionally altered.

(c) Every electronic recording made under this Section must be preserved until such time as the minor's adjudication for any offense relating to the statement is final and all direct and habeas corpus appeals are exhausted, or the prosecution of such offenses is barred by law.

New matter indicated by italics - deletions by strikeout
(d) If the court finds, by a preponderance of the evidence, that the minor was subjected to a custodial interrogation in violation of this Section, then any statements made by the minor during or following that non-recorded custodial interrogation, even if otherwise in compliance with this Section, are presumed to be inadmissible in any criminal proceeding or juvenile court proceeding against the minor except for the purposes of impeachment.

(e) Nothing in this Section precludes the admission (i) of a statement made by the minor in open court in any criminal proceeding or juvenile court proceeding, before a grand jury, or at a preliminary hearing, (ii) of a statement made during a custodial interrogation that was not recorded as required by this Section because electronic recording was not feasible, (iii) of a voluntary statement, whether or not the result of a custodial interrogation, that has a bearing on the credibility of the accused as a witness, (iv) of a spontaneous statement that is not made in response to a question, (v) of a statement made after questioning that is routinely asked during the processing of the arrest of the suspect, (vi) of a statement made during a custodial interrogation by a suspect who requests, prior to making the statement, to respond to the interrogator's questions only if an electronic recording is made of the statement, provided that an electronic recording is made of the statement of agreeing to respond to the interrogator's question, only if a recording is not made of the statement, (vii) of a statement made during a custodial interrogation that is conducted out-of-state, (viii) of a statement given in violation of subsection (b) at a time when the interrogators are unaware that a death has in fact occurred, (ix) of a statement given in violation of subsection (b-5) at a time when the interrogators are unaware of facts and circumstances that would create probable cause to believe that the minor committed an act that if committed by an adult would be an offense required to be recorded under subsection (b-5), or (x) or (ix) of any other statement that may be admissible under law. The State shall bear the burden of proving, by a preponderance of the evidence, that one of the exceptions described in this subsection (e) is applicable. Nothing in this Section precludes the admission of a statement, otherwise inadmissible under this Section, that is used only for impeachment and not as substantive evidence.

(f) The presumption of inadmissibility of a statement made by a suspect at a custodial interrogation at a police station or other place of detention may be overcome by a preponderance of the evidence that the
statement was voluntarily given and is reliable, based on the totality of the circumstances.

(g) Any electronic recording of any statement made by a minor during a custodial interrogation that is compiled by any law enforcement agency as required by this Section for the purposes of fulfilling the requirements of this Section shall be confidential and exempt from public inspection and copying, as provided under Section 7 of the Freedom of Information Act, and the information shall not be transmitted to anyone except as needed to comply with this Section.

(h) A statement, admission, confession, or incriminating information made by or obtained from a minor related to the instant offense, as part of any behavioral health screening, assessment, evaluation, or treatment, whether or not court-ordered, shall not be admissible as evidence against the minor on the issue of guilt only in the instant juvenile court proceeding. The provisions of this subsection (h) are in addition to and do not override any existing statutory and constitutional prohibition on the admission into evidence in delinquency proceedings of information obtained during screening, assessment, or treatment.

In this Section, "place of detention" means a building or a police station that is a place of operation for a municipal police department or county sheriff department or other law enforcement agency, not a courthouse, that is owned or operated by a law enforcement agency at which persons are or may be held in detention in connection with criminal charges against those persons.

In this Section, "electronic recording" includes motion picture, audiotape, or videotape, or digital recording.

(b-10) If, during the course of an electronically recorded custodial interrogation conducted under this Section, the accused makes a statement that creates a reasonable suspicion to believe the accused has committed an offense other than an offense required to be recorded under subsection (b) or (b-5), the interrogators may, without the accused's consent, continue to record the interrogation as it relates to the other offense notwithstanding any provision of law to the contrary. Any oral, written, or sign language statement of an accused made as a result of an interrogation under this subsection shall be presumed to be inadmissible as evidence against the accused in any criminal proceeding, unless the recording is substantially accurate and not intentionally altered.

that may be deemed conducive to the interests of its inhabitants, including
the lease, for up to 10 years, or for up to 25 years if the lease is for a
wireless telecommunications tower, at fair market value, of corporate
property for which no use or need during the lease period is anticipated at
the time of leasing. The property may be leased to another governmental
body, however, or to a not-for-profit corporation that has contracted to
construct or fund the construction of a structure or improvement upon the
real estate owned by the township and that has contracted with the
township to allow the township to use at least a portion of the structure or
improvement to be constructed upon the real estate leased and not
otherwise used by the township, for any term not exceeding 50 years and
for any consideration. In the case of a not-for-profit corporation, the
township shall hold a public hearing on the proposed lease. The township
clerk shall give notice of the hearing by publication in a newspaper
published in the township, or in a newspaper published in the county and
having general circulation in the township if no newspaper is published in
the township, and by posting notices in at least 5 public places at least 10
days before the public hearing.

(b) If a new tax is to be levied or an existing tax rate is to be

the township is presented to the township clerk. If a petition is presented to
the township clerk, the clerk shall order a referendum on the proposition.
The referendum shall be held at the next annual or special township
meeting or at an election in accordance with the general election law. If the
referendum is ordered to be held at the township meeting, the township
clerk shall give notice that at the next annual or special township meeting
the proposition shall be voted upon. The notice shall set forth the
proposition and shall be given by publication in a newspaper published in

(C) Upon termination, suspension, or exclusion of a vendor of goods or services from participation in the medical assistance program authorized by this Article, a person with management responsibility for such vendor during the time of any conduct which served as the basis for that vendor's termination, suspension, or exclusion is barred from participation in the medical assistance program.

Upon termination, suspension, or exclusion of a corporate vendor, the officers and persons owning, directly or indirectly, 5% or more of the shares of stock or other evidences of ownership in the vendor during the time of any conduct which served as the basis for that vendor's termination, suspension, or exclusion are barred from participation in the medical assistance program. A person who owns, directly or indirectly, 5% or more of the shares of stock or other evidences of ownership in a terminated, suspended, or excluded vendor may not transfer his or her ownership interest in that vendor to his or her spouse, child, brother, sister, parent, grandparent, grandchild, uncle, aunt, niece, nephew, cousin, or relative by marriage.

A person who owns, directly or indirectly, 5% or more of the shares of stock or other evidences of ownership in a corporate or limited liability company vendor who owes a debt to the Department, if that vendor has not made payment arrangements acceptable to the Department, shall not transfer his or her ownership interest in that vendor, or vendor assets of any kind, to his or her spouse, child, brother, sister, parent, grandparent, grandchild, uncle, aunt, niece, nephew, cousin, or relative by marriage.

Rules adopted by the Illinois Department to implement these provisions shall specifically include a definition of the term "management
responsibility" as used in this Section. Such definition shall include, but
not be limited to, typical job titles, and duties and descriptions which will
be considered as within the definition of individuals with management
responsibility for a provider.

A vendor or a prior vendor who has been terminated, excluded, or
suspended from the medical assistance program, or from another state or
federal medical assistance or health care program, and any individual
currently or previously barred from the medical assistance program, or
from another state or federal medical assistance or health care program, as
a result of being an officer or a person owning, directly or indirectly, 5%
or more of the shares of stock or other evidences of ownership in a
corporate or limited liability company vendor during the time of any
conduct which served as the basis for that vendor's termination,
suspension, or exclusion, may be required to post a surety bond as part of a
condition of enrollment or participation in the medical assistance program.
The Illinois Department shall establish, by rule, the criteria and
requirements for determining when a surety bond must be posted and the
value of the bond.

A vendor or a prior vendor who has a debt owed to the Illinois
Department and any individual currently or previously barred from the
medical assistance program, or from another state or federal medical
assistance or health care program, as a result of being an officer or a
person owning, directly or indirectly, 5% or more of the shares of stock or
other evidences of ownership in that corporate or limited liability company
vendor during the time of any conduct which served as the basis for the
debt, may be required to post a surety bond as part of a condition of
enrollment or participation in the medical assistance program. The Illinois
Department shall establish, by rule, the criteria and requirements for
determining when a surety bond must be posted and the value of the bond.

(D) If a vendor has been suspended from the medical assistance
program under Article V of the Code, the Director may require that such
vendor correct any deficiencies which served as the basis for the
suspension. The Director shall specify in the suspension order a specific
period of time, which shall not exceed one year from the date of the order,
during which a suspended vendor shall not be eligible to participate. At the
conclusion of the period of suspension the Director shall reinstate such
vendor, unless he finds that such vendor has not corrected deficiencies
upon which the suspension was based.
If a vendor has been terminated, suspended, or excluded from the medical assistance program under Article V, such vendor shall be barred from participation for at least one year, except that if a vendor has been terminated, suspended, or excluded based on a conviction of a violation of Article VIII A or a conviction of a felony based on fraud or a willful misrepresentation related to (i) the medical assistance program under Article V, (ii) a federal or another state's medical assistance or health care program, or (iii) the provision of health care services, then the vendor shall be barred from participation for 5 years or for the length of the vendor's sentence for that conviction, whichever is longer. At the end of one year a vendor who has been terminated, suspended, or excluded may apply for reinstatement to the program. Upon proper application to be reinstated such vendor may be deemed eligible by the Director providing that such vendor meets the requirements for eligibility under this Code. If such vendor is deemed not eligible for reinstatement, he shall be barred from again applying for reinstatement for one year from the date his application for reinstatement is denied.

A vendor whose termination, suspension, or exclusion from participation in the Illinois medical assistance program under Article V was based solely on an action by a governmental entity other than the Illinois Department may, upon reinstatement by that governmental entity or upon reversal of the termination, suspension, or exclusion, apply for rescission of the termination, suspension, or exclusion from participation in the Illinois medical assistance program. Upon proper application for rescission, the vendor may be deemed eligible by the Director if the vendor meets the requirements for eligibility under this Code.

If a vendor has been terminated, suspended, or excluded and reinstated to the medical assistance program under Article V and the vendor is terminated, suspended, or excluded a second or subsequent time from the medical assistance program, the vendor shall be barred from participation for at least 2 years, except that if a vendor has been terminated, suspended, or excluded a second time based on a conviction of a violation of Article VIII A or a conviction of a felony based on fraud or a willful misrepresentation related to (i) the medical assistance program under Article V, (ii) a federal or another state's medical assistance or health care program, or (iii) the provision of health care services, then the vendor shall be barred from participation for life. At the end of 2 years, a vendor who has been terminated, suspended, or excluded may apply for reinstatement to the program. Upon application to be reinstated, the vendor

may be deemed eligible if the vendor meets the requirements for eligibility under this Code. If the vendor is deemed not eligible for reinstatement, the vendor shall be barred from again applying for reinstatement for 2 years from the date the vendor's application for reinstatement is denied.

(E) The Illinois Department may recover money improperly or erroneously paid, or overpayments, either by setoff, crediting against future billings or by requiring direct repayment to the Illinois Department. The Illinois Department may suspend or deny payment, in whole or in part, if such payment would be improper or erroneous or would otherwise result in overpayment.

(1) Payments may be suspended, denied, or recovered from a vendor or alternate payee: (i) for services rendered in violation of the Illinois Department's provider notices, statutes, rules, and regulations; (ii) for services rendered in violation of the terms and conditions prescribed by the Illinois Department in its vendor agreement; (iii) for any vendor who fails to grant the Office of Inspector General timely access to full and complete records, including, but not limited to, records relating to recipients under the medical assistance program for the most recent 6 years, in accordance with Section 140.28 of Title 89 of the Illinois Administrative Code, and other information for the purpose of audits, investigations, or other program integrity functions, after reasonable written request by the Inspector General; this subsection (E) does not require vendors to make available the medical records of patients for whom services are not reimbursed under this Code or to provide access to medical records more than 6 years old; (iv) when the vendor has knowingly made, or caused to be made, any false statement or representation of a material fact in connection with the administration of the medical assistance program; or (v) when the vendor previously rendered services while terminated, suspended, or excluded from participation in the medical assistance program or while terminated or excluded from participation in another state or federal medical assistance or health care program.

(2) Notwithstanding any other provision of law, if a vendor has the same taxpayer identification number (assigned under Section 6109 of the Internal Revenue Code of 1986) as is assigned to a vendor with past-due financial obligations to the Illinois Department, the Illinois Department may make any necessary adjustments to payments to that vendor in order to satisfy any past-
due obligations, regardless of whether the vendor is assigned a different billing number under the medical assistance program.

If the Illinois Department establishes through an administrative hearing that the overpayments resulted from the vendor or alternate payee knowingly making, using, or causing to be made or used, a false record or statement to obtain payment or other benefit from the medical assistance program under Article V, the Department may recover interest on the amount of the payment or other benefit at the rate of 5% per annum. In addition to any other penalties that may be prescribed by law, such a vendor or alternate payee shall be subject to civil penalties consisting of an amount not to exceed 3 times the amount of payment or other benefit resulting from each such false record or statement, and the sum of $2,000 for each such false record or statement for payment or other benefit. For purposes of this paragraph, "knowingly" means that a vendor or alternate payee with respect to information: (i) has actual knowledge of the information; (ii) acts in deliberate ignorance of the truth or falsity of the information; or (iii) acts in reckless disregard of the truth or falsity of the information. (a) knowingly presents or causes to be presented to an officer, employee, or agent of the State, a claim that the Department determines:

(i) is for a medical or other item or service that the person knows or should know was not provided as claimed, including any person who engages in a pattern or practice of presenting or causing to be presented a claim for an item or service that is based on a code that the person knows or should know will result in a greater payment to the person than the code the person knows or should know is applicable to the item or service actually provided;

(ii) notify the Department in writing of the reason for the overpayment.

(b) An overpayment must be reported and returned under subparagraph (a) by the later of:

(i) the date which is 60 days after the date on which the overpayment was identified; or

(ii) the date any corresponding cost report is due, if applicable.

(E-10) A vendor who disputes an overpayment identified as part of a Department audit shall utilize the Department's self-referral disclosure protocol as set forth under this Code to identify, investigate, and return to the Department any undisputed audit overpayment amount. Unless the disputed overpayment amount is subject to a fraud payment suspension, or involves a termination sanction, the Department shall defer the recovery of the disputed overpayment amount up to one year after the date of the Department's final audit determination, or earlier, or as required by State or federal law. If the administrative hearing extends beyond one year, and such delay was not caused by the request of the vendor, then the Department shall not recover the disputed overpayment amount until the date of the final administrative decision. If a final administrative decision establishes that the disputed overpayment amount is owed to the Department, then the amount shall be immediately due to the Department. The Department shall be entitled to recover interest from the vendor on the overpayment amount from the date of the overpayment through the date the vendor returns the overpayment to the Department at a rate not to exceed the Wall Street Journal Prime Rate, as published from time to time, but not to exceed 5%. Any interest billed by the Department shall be due immediately upon receipt of the Department's billing statement.

(F) The Illinois Department may withhold payments to any vendor or alternate payee prior to or during the pendency of any audit or proceeding under this Section, and through the pendency of any administrative appeal or administrative review by any court proceeding. The Illinois Department shall state by rule with as much specificity as practicable the conditions under which payments will not be withheld under this Section. Payments may be denied for bills submitted with service dates occurring during the pendency of a proceeding, after a final decision has been rendered, or after the conclusion of any administrative appeal, where the final administrative decision is to terminate, exclude, or suspend eligibility to participate in the medical assistance program. The

Illinois Department shall state by rule with as much specificity as practicable the conditions under which payments will not be denied for such bills. The Illinois Department shall state by rule a process and criteria by which a vendor or alternate payee may request full or partial release of payments withheld under this subsection. The Department must complete a proceeding under this Section in a timely manner.

Notwithstanding recovery allowed under subsection (E) or this subsection (F), the Illinois Department may withhold payments to any vendor or alternate payee who is not properly licensed, certified, or in compliance with State or federal agency regulations. Payments may be denied for bills submitted with service dates occurring during the period of time that a vendor is not properly licensed, certified, or in compliance with State or federal regulations. Facilities licensed under the Nursing Home Care Act shall have payments denied or withheld pursuant to subsection (I) of this Section.

(F-5) The Illinois Department may temporarily withhold payments to a vendor or alternate payee if any of the following individuals have been indicted or otherwise charged under a law of the United States or this or any other state with an offense that is based on alleged fraud or willful misrepresentation on the part of the individual related to (i) the medical assistance program under Article V of this Code, (ii) a federal or another state's medical assistance or health care program, or (iii) the provision of health care services:

(1) If the vendor or alternate payee is a corporation: an officer of the corporation or an individual who owns, either directly or indirectly, 5% or more of the shares of stock or other evidence of ownership of the corporation.

(2) If the vendor is a sole proprietorship: the owner of the sole proprietorship.

(3) If the vendor or alternate payee is a partnership: a partner in the partnership.

(4) If the vendor or alternate payee is any other business entity authorized by law to transact business in this State: an officer of the entity or an individual who owns, either directly or indirectly, 5% or more of the evidences of ownership of the entity.

If the Illinois Department withholds payments to a vendor or alternate payee under this subsection, the Department shall not release those payments to the vendor or alternate payee while any criminal proceeding related to the indictment or charge is pending unless the

Department determines that there is good cause to release the payments before completion of the proceeding. If the indictment or charge results in the individual's conviction, the Illinois Department shall retain all withheld payments, which shall be considered forfeited to the Department. If the indictment or charge does not result in the individual's conviction, the Illinois Department shall release to the vendor or alternate payee all withheld payments.

(F-10) If the Illinois Department establishes that the vendor or alternate payee owes a debt to the Illinois Department, and the vendor or alternate payee subsequently fails to pay or make satisfactory payment arrangements with the Illinois Department for the debt owed, the Illinois Department may seek all remedies available under the law of this State to recover the debt, including, but not limited to, wage garnishment or the filing of claims or liens against the vendor or alternate payee.

(F-15) Enforcement of judgment.

(1) Any fine, recovery amount, other sanction, or costs imposed, or part of any fine, recovery amount, other sanction, or cost imposed, remaining unpaid after the exhaustion of or the failure to exhaust judicial review procedures under the Illinois Administrative Review Law is a debt due and owing the State and may be collected using all remedies available under the law.

(2) After expiration of the period in which judicial review under the Illinois Administrative Review Law may be sought for a final administrative decision, unless stayed by a court of competent jurisdiction, the findings, decision, and order of the Director may be enforced in the same manner as a judgment entered by a court of competent jurisdiction.

(3) In any case in which any person or entity has failed to comply with a judgment ordering or imposing any fine or other sanction, any expenses incurred by the Illinois Department to enforce the judgment, including, but not limited to, attorney's fees, court costs, and costs related to property demolition or foreclosure, after they are fixed by a court of competent jurisdiction or the Director, shall be a debt due and owing the State and may be collected in accordance with applicable law. Prior to any expenses being fixed by a final administrative decision pursuant to this subsection (F-15), the Illinois Department shall provide notice to the individual or entity that states that the individual or entity shall appear at a hearing before the administrative hearing officer to

determine whether the individual or entity has failed to comply with the judgment. The notice shall set the date for such a hearing, which shall not be less than 7 days from the date that notice is served. If notice is served by mail, the 7-day period shall begin to run on the date that the notice was deposited in the mail.

(4) Upon being recorded in the manner required by Article XII of the Code of Civil Procedure or by the Uniform Commercial Code, a lien shall be imposed on the real estate or personal estate, or both, of the individual or entity in the amount of any debt due and owing the State under this Section. The lien may be enforced in the same manner as a judgment of a court of competent jurisdiction. A lien shall attach to all property and assets of such person, firm, corporation, association, agency, institution, or other legal entity until the judgment is satisfied.

(5) The Director may set aside any judgment entered by default and set a new hearing date upon a petition filed at any time (i) if the petitioner's failure to appear at the hearing was for good cause, or (ii) if the petitioner established that the Department did not provide proper service of process. If any judgment is set aside pursuant to this paragraph (5), the hearing officer shall have authority to enter an order extinguishing any lien which has been recorded for any debt due and owing the Illinois Department as a result of the vacated default judgment.

(G) The provisions of the Administrative Review Law, as now or hereafter amended, and the rules adopted pursuant thereto, shall apply to and govern all proceedings for the judicial review of final administrative decisions of the Illinois Department under this Section. The term "administrative decision" is defined as in Section 3-101 of the Code of Civil Procedure.

(G-5) Vendors who pose a risk of fraud, waste, abuse, or harm.

(1) Notwithstanding any other provision in this Section, the Department may terminate, suspend, or exclude vendors who pose a risk of fraud, waste, abuse, or harm from participation in the medical assistance program prior to an evidentiary hearing but after reasonable notice and opportunity to respond as established by the Department by rule.

(2) Vendors who pose a risk of fraud, waste, abuse, or harm shall submit to a fingerprint-based criminal background check on current and future information available in the State system and

current information available through the Federal Bureau of Investigation's system by submitting all necessary fees and information in the form and manner prescribed by the Department of State Police. The following individuals shall be subject to the check:

(A) In the case of a vendor that is a corporation, every shareholder who owns, directly or indirectly, 5% or more of the outstanding shares of the corporation.
(B) In the case of a vendor that is a partnership, every partner.
(C) In the case of a vendor that is a sole proprietorship, the sole proprietor.
(D) Each officer or manager of the vendor.
Each such vendor shall be responsible for payment of the cost of the criminal background check.

(3) Vendors who pose a risk of fraud, waste, abuse, or harm may be required to post a surety bond. The Department shall establish, by rule, the criteria and requirements for determining when a surety bond must be posted and the value of the bond.

(4) The Department, or its agents, may refuse to accept requests for authorization from specific vendors who pose a risk of fraud, waste, abuse, or harm, including prior-approval and post-approval requests, if:

(A) the Department has initiated a notice of termination, suspension, or exclusion of the vendor from participation in the medical assistance program; or

(B) the Department has issued notification of its withholding of payments pursuant to subsection (F-5) of this Section; or

(C) the Department has issued a notification of its withholding of payments due to reliable evidence of fraud or willful misrepresentation pending investigation.

(5) As used in this subsection, the following terms are defined as follows:

(A) "Fraud" means an intentional deception or misrepresentation made by a person with the knowledge that the deception could result in some unauthorized benefit to himself or herself or some other person. It includes any
act that constitutes fraud under applicable federal or State law.

(B) "Abuse" means provider practices that are inconsistent with sound fiscal, business, or medical practices and that result in an unnecessary cost to the medical assistance program or in reimbursement for services that are not medically necessary or that fail to meet professionally recognized standards for health care. It also includes recipient practices that result in unnecessary cost to the medical assistance program. Abuse does not include diagnostic or therapeutic measures conducted primarily as a safeguard against possible vendor liability.

(C) "Waste" means the unintentional misuse of medical assistance resources, resulting in unnecessary cost to the medical assistance program. Waste does not include diagnostic or therapeutic measures conducted primarily as a safeguard against possible vendor liability.

(D) "Harm" means physical, mental, or monetary damage to recipients or to the medical assistance program.

(G-6) The Illinois Department, upon making a determination based upon information in the possession of the Illinois Department that continuation of participation in the medical assistance program by a vendor would constitute an immediate danger to the public, may immediately suspend such vendor's participation in the medical assistance program without a hearing. In instances in which the Illinois Department immediately suspends the medical assistance program participation of a vendor under this Section, a hearing upon the vendor's participation must be convened by the Illinois Department within 15 days after such suspension and completed without appreciable delay. Such hearing shall be held to determine whether to recommend to the Director that the vendor's medical assistance program participation be denied, terminated, suspended, placed on provisional status, or reinstated. In the hearing, any evidence relevant to the vendor constituting an immediate danger to the public may be introduced against such vendor; provided, however, that the vendor, or his or her counsel, shall have the opportunity to discredit, impeach, and submit evidence rebutting such evidence.

(H) Nothing contained in this Code shall in any way limit or otherwise impair the authority or power of any State agency responsible for licensing of vendors.
(I) Based on a finding of noncompliance on the part of a nursing home with any requirement for certification under Title XVIII or XIX of the Social Security Act (42 U.S.C. Sec. 1395 et seq. or 42 U.S.C. Sec. 1396 et seq.), the Illinois Department may impose one or more of the following remedies after notice to the facility:

1. Termination of the provider agreement.
2. Temporary management.
3. Denial of payment for new admissions.
4. Civil money penalties.
5. Closure of the facility in emergency situations or transfer of residents, or both.
7. Denial of all payments when the U.S. Department of Health and Human Services has imposed this sanction.

The Illinois Department shall by rule establish criteria governing continued payments to a nursing facility subsequent to termination of the facility's provider agreement if, in the sole discretion of the Illinois Department, circumstances affecting the health, safety, and welfare of the facility's residents require those continued payments. The Illinois Department may condition those continued payments on the appointment of temporary management, sale of the facility to new owners or operators, or other arrangements that the Illinois Department determines best serve the needs of the facility's residents.

Except in the case of a facility that has a right to a hearing on the finding of noncompliance before an agency of the federal government, a facility may request a hearing before a State agency on any finding of noncompliance within 60 days after the notice of the intent to impose a remedy. Except in the case of civil money penalties, a request for a hearing shall not delay imposition of the penalty. The choice of remedies is not appealable at a hearing. The level of noncompliance may be challenged only in the case of a civil money penalty. The Illinois Department shall provide by rule for the State agency that will conduct the evidentiary hearings.

The Illinois Department may collect interest on unpaid civil money penalties.

The Illinois Department may adopt all rules necessary to implement this subsection (I).
(J) The Illinois Department, by rule, may permit individual practitioners to designate that Department payments that may be due the practitioner be made to an alternate payee or alternate payees.

(a) Such alternate payee or alternate payees shall be required to register as an alternate payee in the Medical Assistance Program with the Illinois Department.

(b) If a practitioner designates an alternate payee, the alternate payee and practitioner shall be jointly and severally liable to the Department for payments made to the alternate payee. Pursuant to subsection (E) of this Section, any Department action to suspend or deny payment or recover money or overpayments from an alternate payee shall be subject to an administrative hearing.

(c) Registration as an alternate payee or alternate payees in the Illinois Medical Assistance Program shall be conditional. At any time, the Illinois Department may deny or cancel any alternate payee's registration in the Illinois Medical Assistance Program without cause. Any such denial or cancellation is not subject to an administrative hearing.

(d) The Illinois Department may seek a revocation of any alternate payee, and all owners, officers, and individuals with management responsibility for such alternate payee shall be permanently prohibited from participating as an owner, an officer, or an individual with management responsibility with an alternate payee in the Illinois Medical Assistance Program, if after reasonable notice and opportunity for a hearing the Illinois Department finds that:

(1) the alternate payee is not complying with the Department's policy or rules and regulations, or with the terms and conditions prescribed by the Illinois Department in its alternate payee registration agreement; or

(2) the alternate payee has failed to keep or make available for inspection, audit, or copying, after receiving a written request from the Illinois Department, such records regarding payments claimed as an alternate payee; or

(3) the alternate payee has failed to furnish any information requested by the Illinois Department regarding payments claimed as an alternate payee; or

(4) the alternate payee has knowingly made, or caused to be made, any false statement or representation of a material fact in connection with the administration of the Illinois Medical Assistance Program; or

(5) the alternate payee, a person with management responsibility for an alternate payee, an officer or person owning, either directly or indirectly, 5% or more of the shares of stock or other evidences of ownership in a corporate alternate payee, or a partner in a partnership which is an alternate payee:

(a) was previously terminated, suspended, or excluded from participation as a vendor in the Illinois Medical Assistance Program, or was previously revoked as an alternate payee in the Illinois Medical Assistance Program, or was terminated, suspended, or excluded from participation as a vendor in a medical assistance program in another state that is of the same kind as the program of medical assistance provided under Article V of this Code; or

(b) was a person with management responsibility for a vendor previously terminated, suspended, or excluded from participation as a vendor in the Illinois Medical Assistance Program, or was previously revoked as an alternate payee in the Illinois Medical Assistance Program, or was terminated, suspended, or excluded from participation as a vendor in a medical assistance program in another state that is of the same kind as the program of medical assistance provided under Article V of this Code, during the time of conduct which was the basis for that vendor's termination, suspension, or exclusion or alternate payee's revocation; or

(c) was an officer, or person owning, either directly or indirectly, 5% or more of the shares of stock or other evidences of ownership in a corporate vendor previously terminated, suspended, or excluded from participation as a vendor in the
Illinois Medical Assistance Program, or was previously revoked as an alternate payee in the Illinois Medical Assistance Program, or was terminated, suspended, or excluded from participation as a vendor in a medical assistance program in another state that is of the same kind as the program of medical assistance provided under Article V of this Code, during the time of conduct which was the basis for that vendor's termination, suspension, or exclusion; or

(d) was an owner of a sole proprietorship or partner in a partnership previously terminated, suspended, or excluded from participation as a vendor in the Illinois Medical Assistance Program, or was previously revoked as an alternate payee in the Illinois Medical Assistance Program, or was terminated, suspended, or excluded from participation as a vendor in a medical assistance program in another state that is of the same kind as the program of medical assistance provided under Article V of this Code, during the time of conduct which was the basis for that vendor's termination, suspension, or exclusion or alternate payee's revocation; or

(6) the alternate payee, a person with management responsibility for an alternate payee, an officer or person owning, either directly or indirectly, 5% or more of the shares of stock or other evidences of ownership in a corporate alternate payee, or a partner in a partnership which is an alternate payee:

(a) has engaged in conduct prohibited by applicable federal or State law or regulation relating to the Illinois Medical Assistance Program; or

(c) was an officer, or person owning, either directly or indirectly, 5% or more of the shares of stock or other evidences of ownership in a vendor or alternate payee at the time such vendor or alternate payee engaged in practices prohibited by applicable federal or State law or regulation relating to the Illinois Medical Assistance Program; or

(d) was an owner of a sole proprietorship or partner in a partnership which was a vendor or alternate payee at the time such vendor or alternate payee engaged in practices prohibited by applicable federal or State law or regulation relating to the Illinois Medical Assistance Program; or

(7) the direct or indirect ownership of the vendor or alternate payee (including the ownership of a vendor or alternate payee that is a partner's interest in a vendor or alternate payee, or ownership of 5% or more of the shares of stock or other evidences of ownership in a corporate vendor or alternate payee) has been transferred by an individual who is terminated, suspended, or excluded or barred from participating as a vendor or is prohibited or revoked as an alternate payee to the individual's spouse, child, brother, sister, parent, grandparent, grandchild, uncle, aunt, niece, nephew, cousin, or relative by marriage.

(K) The Illinois Department of Healthcare and Family Services may withhold payments, in whole or in part, to a provider or alternate payee where there is credible evidence, received from State or federal law enforcement or federal oversight agencies or from the results of a preliminary Department audit, that the circumstances giving rise to the need for a withholding of payments may involve fraud or willful misrepresentation under the Illinois Medical Assistance program. The Department shall by rule define what constitutes "credible" evidence for purposes of this subsection. The Department may withhold payments without first notifying the provider or alternate payee of its intention to withhold such payments. A provider or alternate payee may request a reconsideration of payment withholding, and the Department must grant such a request. The Department shall state by rule a process and criteria by which a provider or alternate payee may request full or partial release of

payments withheld under this subsection. This request may be made at any
time after the Department first withholds such payments.

(a) The Illinois Department must send notice of its
withholding of program payments within 5 days of taking such
action. The notice must set forth the general allegations as to the
nature of the withholding action, but need not disclose any specific
information concerning its ongoing investigation. The notice must
do all of the following:

(1) State that payments are being withheld in
accordance with this subsection.

(2) State that the withholding is for a temporary
period, as stated in paragraph (b) of this subsection, and cite
the circumstances under which withholding will be
terminated.

(3) Specify, when appropriate, which type or types
of Medicaid claims withholding is effective.

(4) Inform the provider or alternate payee of the
right to submit written evidence for reconsideration of the
withholding by the Illinois Department.

(5) Inform the provider or alternate payee that a
written request may be made to the Illinois Department for
full or partial release of withheld payments and that such
requests may be made at any time after the Department first
withholds such payments.

(b) All withholding-of-payment actions under this
subsection shall be temporary and shall not continue after any of
the following:

(1) The Illinois Department or the prosecuting
authorities determine that there is insufficient evidence of
fraud or willful misrepresentation by the provider or
alternate payee.

(2) Legal proceedings related to the provider's or
alternate payee's alleged fraud, willful misrepresentation,
violations of this Act, or violations of the Illinois
Department's administrative rules are completed.

(3) The withholding of payments for a period of 3
years.

(c) The Illinois Department may adopt all rules necessary to
implement this subsection (K).

(K-5) The Illinois Department may withhold payments, in whole or in part, to a provider or alternate payee upon initiation of an audit, quality of care review, investigation when there is a credible allegation of fraud, or the provider or alternate payee demonstrating a clear failure to cooperate with the Illinois Department such that the circumstances give rise to the need for a withholding of payments. As used in this subsection, "credible allegation" is defined to include an allegation from any source, including, but not limited to, fraud hotline complaints, claims data mining, patterns identified through provider audits, civil actions filed under the Illinois False Claims Act, and law enforcement investigations. An allegation is considered to be credible when it has indicia of reliability. The Illinois Department may withhold payments without first notifying the provider or alternate payee of its intention to withhold such payments. A provider or alternate payee may request a hearing or a reconsideration of payment withholding, and the Illinois Department must grant such a request. The Illinois Department shall state by rule a process and criteria by which a provider or alternate payee may request a hearing or a reconsideration for the full or partial release of payments withheld under this subsection. This request may be made at any time after the Illinois Department first withholds such payments.

(a) The Illinois Department must send notice of its withholding of program payments within 5 days of taking such action. The notice must set forth the general allegations as to the nature of the withholding action but need not disclose any specific information concerning its ongoing investigation. The notice must do all of the following:

1. State that payments are being withheld in accordance with this subsection.
2. State that the withholding is for a temporary period, as stated in paragraph (b) of this subsection, and cite the circumstances under which withholding will be terminated.
3. Specify, when appropriate, which type or types of claims are withheld.
4. Inform the provider or alternate payee of the right to request a hearing or a reconsideration of the withholding by the Illinois Department, including the ability to submit written evidence.

(5) Inform the provider or alternate payee that a written request may be made to the Illinois Department for a hearing or a reconsideration for the full or partial release of withheld payments and that such requests may be made at any time after the Illinois Department first withholds such payments.

(b) All withholding of payment actions under this subsection shall be temporary and shall not continue after any of the following:

(1) The Illinois Department determines that there is insufficient evidence of fraud, or the provider or alternate payee demonstrates clear cooperation with the Illinois Department, as determined by the Illinois Department, such that the circumstances do not give rise to the need for withholding of payments; or

(2) The withholding of payments has lasted for a period in excess of 3 years.

(c) The Illinois Department may adopt all rules necessary to implement this subsection (K-5).

(L) The Illinois Department shall establish a protocol to enable health care providers to disclose an actual or potential violation of this Section pursuant to a self-referral disclosure protocol, referred to in this subsection as "the protocol". The protocol shall include direction for health care providers on a specific person, official, or office to whom such disclosures shall be made. The Illinois Department shall post information on the protocol on the Illinois Department's public website. The Illinois Department may adopt rules necessary to implement this subsection (L). In addition to other factors that the Illinois Department finds appropriate, the Illinois Department may consider a health care provider's timely use or failure to use the protocol in considering the provider's failure to comply with this Code.

(M) Notwithstanding any other provision of this Code, the Illinois Department, at its discretion, may exempt an entity licensed under the Nursing Home Care Act and the ID/DD Community Care Act from the provisions of subsections (A-15), (B), and (C) of this Section if the licensed entity is in receivership.

Be it enacted by the People of the State of Illinois, represented in the General Assembly:
Section 5. The Public Utilities Act is amended by adding Section 16-103.2 as follows:
(220 ILCS 5/16-103.2 new)
Sec. 16-103.2. Market Settlement Service.
(a) Notwithstanding anything to the contrary, an electric utility shall be permitted, at its election, to provide Market Settlement Service, which, for purposes of this Section, shall mean a tariffed, unbundled electric power and energy supply service applicable to all of the electric utility's retail customers having maximum demands exceeding 400 kilowatts, as measured in accordance with the electric utility's retail tariffs, that do not otherwise purchase all of their electric power and

energy supply service from the electric utility. Market Settlement Service shall apply to the difference between (i) the actual quantities of electric power and energy supply provided to any such retail customer during a given period and (ii) the quantities of such supply that were deemed to have been provided to such retail customer for the purposes of the applicable regional transmission organization’s final wholesale market settlements during that same period. An electric utility providing Market Settlement Service may also, at its election, include in Market Settlement Service electric capacity, transmission services, or other services that are also provided by or through a regional transmission organization to retail customers who receive tariffed electric power and energy supply service with hourly pricing provisions at quantities assigned to such retail customer pursuant to the electric utility's Market Settlement Service tariff. Charges (if the actual quantities provided were greater) or credits (if the actual quantities provided were less) shall be calculated based on the same unit rate or rates set forth in the electric utility's tariff or tariffs for electric power and energy supply service with hourly pricing provisions applicable to its retail customers having maximum demands exceeding 400 kilowatts, provided, however, that any reconciliation provision set forth in such tariff or tariffs, including any charges or credits resulting therefrom, shall not apply to Market Settlement Service.

An electric utility providing Market Settlement Service shall be permitted to recover all of its reasonable and prudently incurred administrative and operational costs of providing this service from all of its retail customers through its delivery services charges. An electric utility providing Market Settlement Service shall be permitted to recover its reasonable and prudent initial implementation and start-up costs from retail consumers having maximum demands exceeding 400 kilowatts through its delivery service charges.

(b) Market Settlement Service shall be provided pursuant to a tariff of the electric utility on file with the Commission. The electric utility's Market Settlement Service tariff shall include provisions for the determination of the quantities subject to Market Settlement Service for any retail customer that receives only a portion of its electric power and energy requirements from an alternative retail electric supplier or electric utility operating outside of its service territory. Notwithstanding subsection (a) of this Section, the electric utility may elect to (i) exclude from Market Settlement Service any portion of the difference described in subsection (a) of this Section attributable to a delayed initial retail electric

service bill for a given period and (ii) provide Market Settlement Service limited to an entire retail billing period or periods, without proration, notwithstanding that the applicable regional transmission organization's final wholesale market settlements may have occurred on a date within a retail billing period.

(c) An electric utility that has a tariff in effect pursuant to this Section shall not be subject to, or allowed to pursue, any other claims, adjustments, settlements, or offsets related to the cost of any difference in the actual quantities of electric energy, capacity, transmission services, or other services included in Market Settlement Service, provided, however, that the provisions of this subsection (c) shall not, consistent with the provisions of this Act, (i) preclude any subsequent and separate adjustments made to the same retail customer's electric service account pursuant to a tariff authorized by this Section because of other differences, whether for the same or a different meter or for the same or different period or (ii) reduce or impair in any way an electric utility's authority to charge a retail customer for unmetered electric service related to the retail customer's unlawful tampering with or interference with electric service, including, but not limited to, any other charges allowed by law or the electric utility's tariffs.

(d) A tariff authorized by this Section may be established outside of either (i) a filing seeking a general change in rates under Article IX of this Act or (ii) a filing authorized under Section 16-108.5 of this Act. The Commission shall review and, by order, approve, or approve as modified, the proposed tariff within 180 days after the date on which it is filed. In the event the Commission approves such a tariff with modifications, the electric utility shall not be obligated to place the modified tariff into effect. In such event, the electric utility must, within 14 days after any Commission order, withdraw its proposed tariff and its election to provide Market Settlement Service. If a Market Settlement Service tariff does become effective, such tariff shall remain in effect thereafter at the discretion of the electric utility.

(e) Notwithstanding anything in this Act to the contrary, an electric utility providing Market Settlement Service shall not be liable to any retail customer, alternative retail electric supplier, or electric utility operating outside of its service territory for any adjustment in the quantity of any transmission or retail electric supply service for which the applicable regional transmission organization under its tariffs, agreements, and

regulations under Section 11-208.8, or automated traffic law regulations
under Section 11-208.6, 11-208.9, or 11-1201.1, may also cause a
suspension of a person's drivers license pursuant to this Section. Such
municipality or county may invoke this sanction by making a certified
report to the Secretary of State upon a person's failure to satisfy any fine or
penalty imposed by final judgment for 10 or more violations of local
standing, parking, or compliance regulations or a combination of 5 or
more automated speed enforcement system or automated traffic law
violations after exhaustion of judicial review procedures, but only if:

(1) the municipality or county complies with the provisions
of this Section in all respects except in regard to enacting an
ordinance pursuant to Section 11-208.3;

(2) the municipality or county has sent a notice of
impending drivers license suspension as prescribed by an
ordinance enacted pursuant to subsection (g) of this Section; and

(3) in municipalities or counties with a population of
1,000,000 or more, the municipality or county has verified that the
alleged violator's State vehicle registration number and vehicle
make are correct as they appear on the citations.

(g) Any municipality or county, other than a municipality or county
establishing standing, parking, and compliance regulations pursuant to
Section 11-208.3, automated speed enforcement system regulations under
Section 11-208.8, or automated traffic law regulations under Section 11-
208.6, 11-208.9, or 11-1201.1, may provide by ordinance for the sending
of a notice of impending drivers license suspension to the person who has
failed to satisfy any fine or penalty imposed by final judgment for 10 or
more violations of local standing, parking, or compliance regulations or a
combination of 5 or more automated speed enforcement system or
automated traffic law violations after exhaustion of judicial review
procedures. An ordinance so providing shall specify that the notice sent to
the person liable for any fine or penalty shall state that failure to pay the

fine or penalty owing within 45 days of the notice's date will result in the municipality or county notifying the Secretary of State that the person's drivers license is eligible for suspension pursuant to this Section. The notice of impending drivers license suspension shall be sent by first class United States mail, postage prepaid, to the address recorded with the Secretary of State or at the last address known to the lessor of the cited vehicle at the time of lease or, if any notice sent under Section 11-208.3 of this Code is returned as undeliverable, to the last known address recorded in a United States Post Office approved database.

(h) An administrative hearing to contest an impending suspension or a suspension made pursuant to this Section may be had upon filing a written request with the Secretary of State. The filing fee for this hearing shall be $20, to be paid at the time the request is made. A municipality or county which files a certified report with the Secretary of State pursuant to this Section shall reimburse the Secretary for all reasonable costs incurred by the Secretary as a result of the filing of the report, including but not limited to the costs of providing the notice required pursuant to subsection (b) and the costs incurred by the Secretary in any hearing conducted with respect to the report pursuant to this subsection and any appeal from such a hearing.

(i) The provisions of this Section shall apply on and after January 1, 1988.

(j) For purposes of this Section, the term "compliance violation" is defined as in Section 11-208.3.

No unit of local government, including a home rule unit, may enact an ordinance requiring motorcycle users to wear protective headgear. Nothing in this subsection (e) shall affect the authority of a unit of local government to regulate motorcycles for traffic control purposes or in accordance with Section 12-602 of this Code. No unit of local government, including a home rule unit, may regulate motorcycles in a manner inconsistent with this Code. (625 ILCS 5/11-208.3) (from Ch. 95 1/2, par. 11-208.3)

Sec. 11-208.3. Administrative adjudication of violations of traffic regulations concerning the standing, parking, or condition of vehicles, automated traffic law violations, and automated speed enforcement system violations.

(a) Any municipality or county may provide by ordinance for a system of administrative adjudication of vehicular standing and parking violations and vehicle compliance violations as described in this subsection, automated traffic law violations as defined in Section 11-208.6, 11-208.9, or 11-1201.1, and automated speed enforcement system violations as defined in Section 11-208.8. The administrative system shall have as its purpose the fair and efficient enforcement of municipal or county regulations through the administrative adjudication of automated speed enforcement system or automated traffic law violations and violations of municipal or county ordinances regulating the standing and parking of vehicles, the condition and use of vehicle equipment, and the display of municipal or county wheel tax licenses within the municipality's or county's borders. The administrative system shall only have authority to adjudicate civil offenses carrying fines not in excess of $500 or requiring the completion of a traffic education program, or both, that occur after the effective date of the ordinance adopting such a system under this Section. For purposes of this Section, "compliance violation" means a violation of a municipal or county regulation governing the condition or use of equipment on a vehicle or governing the display of a municipal or county wheel tax license.

(b) Any ordinance establishing a system of administrative adjudication under this Section shall provide for:

(1) A traffic compliance administrator authorized to adopt, distribute and process parking, compliance, and automated speed enforcement system or automated traffic law violation notices and other notices required by this Section, collect money paid as fines and penalties for violation of parking and compliance ordinances and automated speed enforcement system or automated traffic law violations, and operate an administrative adjudication system. The

New matter indicated by italics - deletions by strikeout
traffic compliance administrator also may make a certified report to the Secretary of State under Section 6-306.5.

(2) A parking, standing, compliance, automated speed enforcement system, or automated traffic law violation notice that shall specify the date, time, and place of violation of a parking, standing, compliance, automated speed enforcement system, or automated traffic law regulation; the particular regulation violated; any requirement to complete a traffic education program; the fine and any penalty that may be assessed for late payment or failure to complete a required traffic education program, or both, when so provided by ordinance; the vehicle make and state registration number; and the identification number of the person issuing the notice. With regard to automated speed enforcement system or automated traffic law violations, vehicle make shall be specified on the automated speed enforcement system or automated traffic law violation notice if the make is available and readily discernible. With regard to municipalities or counties with a population of 1 million or more, it shall be grounds for dismissal of a parking violation if the state registration number or vehicle make specified is incorrect. The violation notice shall state that the completion of any required traffic education program, the payment of any indicated fine, and the payment of any applicable penalty for late payment or failure to complete a required traffic education program, or both, shall operate as a final disposition of the violation. The notice also shall contain information as to the availability of a hearing in which the violation may be contested on its merits. The violation notice shall specify the time and manner in which a hearing may be had.

(3) Service of the parking, standing, or compliance violation notice by affixing the original or a facsimile of the notice to an unlawfully parked vehicle or by handing the notice to the operator of a vehicle if he or she is present and service of an automated speed enforcement system or automated traffic law violation notice by mail to the address of the registered owner or lessee of the cited vehicle as recorded with the Secretary of State or the lessor of the motor vehicle within 30 days after the Secretary of State or the lessor of the motor vehicle notifies the municipality or county of the identity of the owner or lessee of the vehicle, but not later than 90 days after the violation, except that in the case of a

New matter indicated by italics - deletions by strikeout
lessee of a motor vehicle, service of an automated traffic law violation notice may occur no later than 210 days after the violation. A person authorized by ordinance to issue and serve parking, standing, and compliance violation notices shall certify as to the correctness of the facts entered on the violation notice by signing his or her name to the notice at the time of service or in the case of a notice produced by a computerized device, by signing a single certificate to be kept by the traffic compliance administrator attesting to the correctness of all notices produced by the device while it was under his or her control. In the case of an automated traffic law violation, the ordinance shall require a determination by a technician employed or contracted by the municipality or county that, based on inspection of recorded images, the motor vehicle was being operated in violation of Section 11-208.6, 11-208.9, or 11-1201.1 or a local ordinance. If the technician determines that the vehicle entered the intersection as part of a funeral procession or in order to yield the right-of-way to an emergency vehicle, a citation shall not be issued. In municipalities with a population of less than 1,000,000 inhabitants and counties with a population of less than 3,000,000 inhabitants, the automated traffic law ordinance shall require that all determinations by a technician that a motor vehicle was being operated in violation of Section 11-208.6, 11-208.9, or 11-1201.1 or a local ordinance must be reviewed and approved by a law enforcement officer or retired law enforcement officer of the municipality or county issuing the violation. In municipalities with a population of 1,000,000 or more inhabitants and counties with a population of 3,000,000 or more inhabitants, the automated traffic law ordinance shall require that all determinations by a technician that a motor vehicle was being operated in violation of Section 11-208.6, 11-208.9, or 11-1201.1 or a local ordinance must be reviewed and approved by a law enforcement officer or retired law enforcement officer of the municipality or county issuing the violation or by an additional fully-trained reviewing technician who is not employed by the contractor who employs the technician who made the initial determination. In the case of an automated speed enforcement system violation, the ordinance shall require a determination by a technician employed by the municipality, based upon an inspection of recorded images, video or other documentation, including
documentation of the speed limit and automated speed enforcement signage, and documentation of the inspection, calibration, and certification of the speed equipment, that the vehicle was being operated in violation of Article VI of Chapter 11 of this Code or a similar local ordinance. If the technician determines that the vehicle speed was not determined by a calibrated, certified speed equipment device based upon the speed equipment documentation, or if the vehicle was an emergency vehicle, a citation may not be issued. The automated speed enforcement ordinance shall require that all determinations by a technician that a violation occurred be reviewed and approved by a law enforcement officer or retired law enforcement officer of the municipality issuing the violation or by an additional fully trained reviewing technician who is not employed by the contractor who employs the technician who made the initial determination. Routine and independent calibration of the speeds produced by automated speed enforcement systems and equipment shall be conducted by a qualified technician. Speeds produced by an automated speed enforcement system shall be compared with speeds produced by lidar or other independent equipment. Qualified technicians shall test radar or lidar equipment no less frequently than once each week, and shall test loop based equipment no less frequently than once a year. Radar equipment shall be checked for accuracy by a qualified technician when the unit is serviced, when unusual or suspect readings persist, or when deemed necessary by a reviewing technician. Radar equipment shall be checked with certified tuning forks, the internal circuit test, and diode display test whenever the radar is turned on. Technicians must be alert for any unusual or suspect readings, and if unusual or suspect readings of a radar unit persist, that unit shall immediately be removed from service and not returned to service until it has been checked by a qualified technician and determined to be functioning properly. Documentation of the calibration results, including the equipment tested, test date, technician performing the test, and test results, shall be maintained and available for use in the determination of an automated speed enforcement system violation and issuance of a citation. The technician performing the calibration and testing of the automated speed enforcement equipment shall be trained and certified in the use of equipment for

speed enforcement purposes. Training on the speed enforcement equipment may be conducted by law enforcement, civilian, or manufacturer's personnel and shall be equivalent to the equipment use and operations training included in the Speed Measuring Device Operator Program developed by the National Highway Traffic Safety Administration (NHTSA). The technician who performs the work shall keep accurate records on each piece of equipment the technician calibrates and tests. As used in this paragraph, "fully-trained reviewing technician" means a person who has received at least 40 hours of supervised training in subjects which shall include image inspection and interpretation, the elements necessary to prove a violation, license plate identification, and traffic safety and management. In all municipalities and counties, the automated speed enforcement system or automated traffic law ordinance shall require that no additional fee shall be charged to the alleged violator for exercising his or her right to an administrative hearing, and persons shall be given at least 25 days following an administrative hearing to pay any civil penalty imposed by a finding that Section 11-208.6, 11-208.8, 11-208.9, or 11-1201.1 or a similar local ordinance has been violated. The original or a facsimile of the violation notice or, in the case of a notice produced by a computerized device, a printed record generated by the device showing the facts entered on the notice, shall be retained by the traffic compliance administrator, and shall be a record kept in the ordinary course of business. A parking, standing, compliance, automated speed enforcement system, or automated traffic law violation notice issued, signed and served in accordance with this Section, a copy of the notice, or the computer generated record shall be prima facie correct and shall be prima facie evidence of the correctness of the facts shown on the notice. The notice, copy, or computer generated record shall be admissible in any subsequent administrative or legal proceedings.

(4) An opportunity for a hearing for the registered owner of the vehicle cited in the parking, standing, compliance, automated speed enforcement system, or automated traffic law violation notice in which the owner may contest the merits of the alleged violation, and during which formal or technical rules of evidence shall not apply; provided, however, that under Section 11-1306 of this Code the lessee of a vehicle cited in the violation notice

New matter indicated by italics - deletions by strikeout
likewise shall be provided an opportunity for a hearing of the same kind afforded the registered owner. The hearings shall be recorded, and the person conducting the hearing on behalf of the traffic compliance administrator shall be empowered to administer oaths and to secure by subpoena both the attendance and testimony of witnesses and the production of relevant books and papers. Persons appearing at a hearing under this Section may be represented by counsel at their expense. The ordinance may also provide for internal administrative review following the decision of the hearing officer.

(5) Service of additional notices, sent by first class United States mail, postage prepaid, to the address of the registered owner of the cited vehicle as recorded with the Secretary of State or, if any notice to that address is returned as undeliverable, to the last known address recorded in a United States Post Office approved database, or, under Section 11-1306 or subsection (p) of Section 11-208.6 or 11-208.9, or subsection (p) of Section 11-208.8 of this Code, to the lessee of the cited vehicle at the last address known to the lessor of the cited vehicle at the time of lease or, if any notice to that address is returned as undeliverable, to the last known address recorded in a United States Post Office approved database. The service shall be deemed complete as of the date of deposit in the United States mail. The notices shall be in the following sequence and shall include but not be limited to the information specified herein:

(i) A second notice of parking, standing, or compliance violation. This notice shall specify the date and location of the violation cited in the parking, standing, or compliance violation notice, the particular regulation violated, the vehicle make and state registration number, any requirement to complete a traffic education program, the fine and any penalty that may be assessed for late payment or failure to complete a traffic education program, or both, when so provided by ordinance, the availability of a hearing in which the violation may be contested on its merits, and the time and manner in which the hearing may be had. The notice of violation shall also state that failure to complete a required traffic education program, to pay the indicated fine and any applicable penalty, or to appear at a
hearing on the merits in the time and manner specified, will result in a final determination of violation liability for the cited violation in the amount of the fine or penalty indicated, and that, upon the occurrence of a final determination of violation liability for the failure, and the exhaustion of, or failure to exhaust, available administrative or judicial procedures for review, any incomplete traffic education program or any unpaid fine or penalty, or both, will constitute a debt due and owing the municipality or county.

(ii) A notice of final determination of parking, standing, compliance, automated speed enforcement system, or automated traffic law violation liability. This notice shall be sent following a final determination of parking, standing, compliance, automated speed enforcement system, or automated traffic law violation liability and the conclusion of judicial review procedures taken under this Section. The notice shall state that the incomplete traffic education program or the unpaid fine or penalty, or both, is a debt due and owing the municipality or county. The notice shall contain warnings that failure to complete any required traffic education program or to pay any fine or penalty due and owing the municipality or county, or both, within the time specified may result in the municipality's or county's filing of a petition in the Circuit Court to have the incomplete traffic education program or unpaid fine or penalty, or both, rendered a judgment as provided by this Section, or may result in suspension of the person's drivers license for failure to complete a traffic education program or to pay fines or penalties, or both, for 10 or more parking violations under Section 6-306.5, or a combination of 5 or more automated traffic law violations under Section 11-208.6 or 11-208.9 or automated speed enforcement system violations under Section 11-208.8.

(6) A notice of impending drivers license suspension. This notice shall be sent to the person liable for failure to complete a required traffic education program or to pay any fine or penalty that remains due and owing, or both, on 10 or more parking violations or combination of 5 or more unpaid automated speed enforcement
system or automated traffic law violations. The notice shall state that failure to complete a required traffic education program or to pay the fine or penalty owing, or both, within 45 days of the notice's date will result in the municipality or county notifying the Secretary of State that the person is eligible for initiation of suspension proceedings under Section 6-306.5 of this Code. The notice shall also state that the person may obtain a photostatic copy of an original ticket imposing a fine or penalty by sending a self addressed, stamped envelope to the municipality or county along with a request for the photostatic copy. The notice of impending drivers license suspension shall be sent by first class United States mail, postage prepaid, to the address recorded with the Secretary of State or, if any notice to that address is returned as undeliverable, to the last known address recorded in a United States Post Office approved database.

(7) Final determinations of violation liability. A final determination of violation liability shall occur following failure to complete the required traffic education program or to pay the fine or penalty, or both, after a hearing officer's determination of violation liability and the exhaustion of or failure to exhaust any administrative review procedures provided by ordinance. Where a person fails to appear at a hearing to contest the alleged violation in the time and manner specified in a prior mailed notice, the hearing officer's determination of violation liability shall become final: (A) upon denial of a timely petition to set aside that determination, or (B) upon expiration of the period for filing the petition without a filing having been made.

(8) A petition to set aside a determination of parking, standing, compliance, automated speed enforcement system, or automated traffic law violation liability that may be filed by a person owing an unpaid fine or penalty. A petition to set aside a determination of liability may also be filed by a person required to complete a traffic education program. The petition shall be filed with and ruled upon by the traffic compliance administrator in the manner and within the time specified by ordinance. The grounds for the petition may be limited to: (A) the person not having been the owner or lessee of the cited vehicle on the date the violation notice was issued, (B) the person having already completed the required traffic education program or paid the fine or penalty, or

New matter indicated by italics - deletions by strikeout
both, for the violation in question, and (C) excusable failure to appear at or request a new date for a hearing. With regard to municipalities or counties with a population of 1 million or more, it shall be grounds for dismissal of a parking violation if the state registration number, or vehicle make if specified, is incorrect. After the determination of parking, standing, compliance, automated speed enforcement system, or automated traffic law violation liability has been set aside upon a showing of just cause, the registered owner shall be provided with a hearing on the merits for that violation.

(9) Procedures for non-residents. Procedures by which persons who are not residents of the municipality or county may contest the merits of the alleged violation without attending a hearing.

(10) A schedule of civil fines for violations of vehicular standing, parking, compliance, automated speed enforcement system, or automated traffic law regulations enacted by ordinance pursuant to this Section, and a schedule of penalties for late payment of the fines or failure to complete required traffic education programs, provided, however, that the total amount of the fine and penalty for any one violation shall not exceed $250, except as provided in subsection (c) of Section 11-1301.3 of this Code.

(11) Other provisions as are necessary and proper to carry into effect the powers granted and purposes stated in this Section.

(c) Any municipality or county establishing vehicular standing, parking, compliance, automated speed enforcement system, or automated traffic law regulations under this Section may also provide by ordinance for a program of vehicle immobilization for the purpose of facilitating enforcement of those regulations. The program of vehicle immobilization shall provide for immobilizing any eligible vehicle upon the public way by presence of a restraint in a manner to prevent operation of the vehicle. Any ordinance establishing a program of vehicle immobilization under this Section shall provide:

(1) Criteria for the designation of vehicles eligible for immobilization. A vehicle shall be eligible for immobilization when the registered owner of the vehicle has accumulated the number of incomplete traffic education programs or unpaid final determinations of parking, standing, compliance, automated speed

enforcement system, or automated traffic law violation liability, or both, as determined by ordinance.

(2) A notice of impending vehicle immobilization and a right to a hearing to challenge the validity of the notice by disproving liability for the incomplete traffic education programs or unpaid final determinations of parking, standing, compliance, automated speed enforcement system, or automated traffic law violation liability, or both, listed on the notice.

(3) The right to a prompt hearing after a vehicle has been immobilized or subsequently towed without the completion of the required traffic education program or payment of the outstanding fines and penalties on parking, standing, compliance, automated speed enforcement system, or automated traffic law violations, or both, for which final determinations have been issued. An order issued after the hearing is a final administrative decision within the meaning of Section 3-101 of the Code of Civil Procedure.

(4) A post immobilization and post-towing notice advising the registered owner of the vehicle of the right to a hearing to challenge the validity of the impoundment.

(d) Judicial review of final determinations of parking, standing, compliance, automated speed enforcement system, or automated traffic law violations and final administrative decisions issued after hearings regarding vehicle immobilization and impoundment made under this Section shall be subject to the provisions of the Administrative Review Law.

(e) Any fine, penalty, incomplete traffic education program, or part of any fine or any penalty remaining unpaid after the exhaustion of, or the failure to exhaust, administrative remedies created under this Section and the conclusion of any judicial review procedures shall be a debt due and owing the municipality or county and, as such, may be collected in accordance with applicable law. Completion of any required traffic education program and payment in full of any fine or penalty resulting from a standing, parking, compliance, automated speed enforcement system, or automated traffic law violation shall constitute a final disposition of that violation.

(f) After the expiration of the period within which judicial review may be sought for a final determination of parking, standing, compliance, automated speed enforcement system, or automated traffic law violation, the municipality or county may commence a proceeding in the Circuit

Court for purposes of obtaining a judgment on the final determination of violation. Nothing in this Section shall prevent a municipality or county from consolidating multiple final determinations of parking, standing, compliance, automated speed enforcement system, or automated traffic law violations against a person in a proceeding. Upon commencement of the action, the municipality or county shall file a certified copy or record of the final determination of parking, standing, compliance, automated speed enforcement system, or automated traffic law violation, which shall be accompanied by a certification that recites facts sufficient to show that the final determination of violation was issued in accordance with this Section and the applicable municipal or county ordinance. Service of the summons and a copy of the petition may be by any method provided by Section 2-203 of the Code of Civil Procedure or by certified mail, return receipt requested, provided that the total amount of fines and penalties for final determinations of parking, standing, compliance, automated speed enforcement system, or automated traffic law violations does not exceed $2500. If the court is satisfied that the final determination of parking, standing, compliance, automated speed enforcement system, or automated traffic law violation was entered in accordance with the requirements of this Section and the applicable municipal or county ordinance, and that the registered owner or the lessee, as the case may be, had an opportunity for an administrative hearing and for judicial review as provided in this Section, the court shall render judgment in favor of the municipality or county and against the registered owner or the lessee for the amount indicated in the final determination of parking, standing, compliance, automated speed enforcement system, or automated traffic law violation, plus costs. The judgment shall have the same effect and may be enforced in the same manner as other judgments for the recovery of money.

(g) The fee for participating in a traffic education program under this Section shall not exceed $25.

A low-income individual required to complete a traffic education program under this Section who provides proof of eligibility for the federal earned income tax credit under Section 32 of the Internal Revenue Code or the Illinois earned income tax credit under Section 212 of the Illinois Income Tax Act shall not be required to pay any fee for participating in a required traffic education program.

Sec. 11-208.9. Automated traffic law enforcement system; approaching, overtaking, and passing a school bus.

(a) As used in this Section, "automated traffic law enforcement system" means a device with one or more motor vehicle sensors working in conjunction with the visual signals on a school bus, as specified in Sections 12-803 and 12-805 of this Code, to produce recorded images of motor vehicles that fail to stop before meeting or overtaking, from either direction, any school bus stopped at any location for the purpose of receiving or discharging pupils in violation of Section 11-1414 of this Code or a similar provision of a local ordinance.

An automated traffic law enforcement system is a system, in a municipality or county operated by a governmental agency, that produces a recorded image of a motor vehicle's violation of a provision of this Code or a local ordinance and is designed to obtain a clear recorded image of the vehicle and the vehicle's license plate. The recorded image must also display the time, date, and location of the violation.

(b) As used in this Section, "recorded images" means images recorded by an automated traffic law enforcement system on:

1. 2 or more photographs;
2. 2 or more microphotographs;
3. 2 or more electronic images; or
4. a video recording showing the motor vehicle and, on at least one image or portion of the recording, clearly identifying the registration plate number of the motor vehicle.

(c) A municipality or county that produces a recorded image of a motor vehicle's violation of a provision of this Code or a local ordinance must make the recorded images of a violation accessible to the alleged violator by providing the alleged violator with a website address, accessible through the Internet.

(d) For each violation of a provision of this Code or a local ordinance recorded by an automated traffic law enforcement system, the county or municipality having jurisdiction shall issue a written notice of the violation to the registered owner of the vehicle as the alleged violator. The notice shall be delivered to the registered owner of the vehicle, by mail, within 30 days after the Secretary of State notifies the municipality or county of the identity of the owner of the vehicle, but in no event later than 90 days after the violation.

(e) The notice required under subsection (d) shall include:

New matter indicated by italics - deletions by strikeout
(1) the name and address of the registered owner of the vehicle;
(2) the registration number of the motor vehicle involved in the violation;
(3) the violation charged;
(4) the location where the violation occurred;
(5) the date and time of the violation;
(6) a copy of the recorded images;
(7) the amount of the civil penalty imposed and the date by which the civil penalty should be paid;
(8) a statement that recorded images are evidence of a violation of overtaking or passing a school bus stopped for the purpose of receiving or discharging pupils;
(9) a warning that failure to pay the civil penalty or to contest liability in a timely manner is an admission of liability and may result in a suspension of the driving privileges of the registered owner of the vehicle;
(10) a statement that the person may elect to proceed by:
   (A) paying the fine; or
   (B) challenging the charge in court, by mail, or by administrative hearing; and
(11) a website address, accessible through the Internet, where the person may view the recorded images of the violation.

(f) If a person charged with a traffic violation, as a result of an automated traffic law enforcement system under this Section, does not pay the fine or successfully contest the civil penalty resulting from that violation, the Secretary of State shall suspend the driving privileges of the registered owner of the vehicle under Section 6-306.5 of this Code for failing to pay any fine or penalty due and owing as a result of a combination of 5 violations of the automated traffic law enforcement system or the automated speed enforcement system under Section 11-208.8 of this Code.

(g) Based on inspection of recorded images produced by an automated traffic law enforcement system, a notice alleging that the violation occurred shall be evidence of the facts contained in the notice and admissible in any proceeding alleging a violation under this Section.

(h) Recorded images made by an automated traffic law enforcement system are confidential and shall be made available only to the alleged violator and governmental and law enforcement agencies for
purposes of adjudicating a violation of this Section, for statistical purposes, or for other governmental purposes. Any recorded image evidencing a violation of this Section, however, may be admissible in any proceeding resulting from the issuance of the citation.

(i) The court or hearing officer may consider in defense of a violation:

(1) that the motor vehicle or registration plates of the motor vehicle were stolen before the violation occurred and not under the control of or in the possession of the owner at the time of the violation;

(2) that the driver of the motor vehicle received a Uniform Traffic Citation from a police officer for a violation of Section 11-1414 of this Code within one-eighth of a mile and 15 minutes of the violation that was recorded by the system;

(3) that the visual signals required by Sections 12-803 and 12-805 of this Code were damaged, not activated, not present in violation of Sections 12-803 and 12-805, or inoperable; and

(4) any other evidence or issues provided by municipal or county ordinance.

(j) To demonstrate that the motor vehicle or the registration plates were stolen before the violation occurred and were not under the control or possession of the owner at the time of the violation, the owner must submit proof that a report concerning the stolen motor vehicle or registration plates was filed with a law enforcement agency in a timely manner.

(k) Unless the driver of the motor vehicle received a Uniform Traffic Citation from a police officer at the time of the violation, the motor vehicle owner is subject to a civil penalty not exceeding $150 for a first time violation or $500 for a second or subsequent violation, plus an additional penalty of not more than $100 for failure to pay the original penalty in a timely manner, if the motor vehicle is recorded by an automated traffic law enforcement system. A violation for which a civil penalty is imposed under this Section is not a violation of a traffic regulation governing the movement of vehicles and may not be recorded on the driving record of the owner of the vehicle, but may be recorded by the municipality or county for the purpose of determining if a person is subject to the higher fine for a second or subsequent offense.
(l) A school bus equipped with an automated traffic law enforcement system must be posted with a sign indicating that the school bus is being monitored by an automated traffic law enforcement system.

(m) A municipality or county that has one or more school buses equipped with an automated traffic law enforcement system must provide notice to drivers by posting a list of school districts using school buses equipped with an automated traffic law enforcement system on the municipality or county website. School districts that have one or more school buses equipped with an automated traffic law enforcement system must provide notice to drivers by posting that information on their websites.

(n) A municipality or county operating an automated traffic law enforcement system shall conduct a statistical analysis to assess the safety impact in each school district using school buses equipped with an automated traffic law enforcement system following installation of the system. The statistical analysis shall be based upon the best available crash, traffic, and other data, and shall cover a period of time before and after installation of the system sufficient to provide a statistically valid comparison of safety impact. The statistical analysis shall be consistent with professional judgment and acceptable industry practice. The statistical analysis also shall be consistent with the data required for valid comparisons of before and after conditions and shall be conducted within a reasonable period following the installation of the automated traffic law enforcement system. The statistical analysis required by this subsection shall be made available to the public and shall be published on the website of the municipality or county. If the statistical analysis for the 36-month period following installation of the system indicates that there has been an increase in the rate of accidents at the approach to school buses monitored by the system, the municipality or county shall undertake additional studies to determine the cause and severity of the accidents, and may take any action that it determines is necessary or appropriate to reduce the number or severity of the accidents involving school buses equipped with an automated traffic law enforcement system.

(o) The compensation paid for an automated traffic law enforcement system must be based on the value of the equipment or the services provided and may not be based on the number of traffic citations issued or the revenue generated by the system.

(p) No person who is the lessor of a motor vehicle pursuant to a written lease agreement shall be liable for an automated speed or traffic
law enforcement system violation involving such motor vehicle during the
period of the lease; provided that upon the request of the appropriate
authority received within 120 days after the violation occurred, the lessor
provides within 60 days after such receipt the name and address of the
lessee. The drivers license number of a lessee may be subsequently
individually requested by the appropriate authority if needed for
enforcement of this Section.

Upon the provision of information by the lessor pursuant to this
subsection, the county or municipality may issue the violation to the lessee
of the vehicle in the same manner as it would issue a violation to a
registered owner of a vehicle pursuant to this Section, and the lessee may
be held liable for the violation.

(q) A municipality or county shall make a certified report to the
Secretary of State pursuant to Section 6-306.5 of this Code whenever a
registered owner of a vehicle has failed to pay any fine or penalty due and
owing as a result of a combination of 5 offenses for automated traffic law
or speed enforcement system violations.

(r) After a municipality or county enacts an ordinance providing
for automated traffic law enforcement systems under this Section, each
school district within that municipality or county's jurisdiction may
implement an automated traffic law enforcement system under this
Section. The elected school board for that district must approve the
implementation of an automated traffic law enforcement system. The
school district shall be responsible for entering into a contract, approved
by the elected school board of that district, with vendors for the
installation, maintenance, and operation of the automated traffic law
enforcement system. The school district must enter into an
intergovernmental agreement, approved by the elected school board of
that district, with the municipality or county with jurisdiction over that
school district for the administration of the automated traffic law
enforcement system. The proceeds from a school district's automated
traffic law enforcement system's fines shall be divided equally between the
school district and the municipality or county administering the automated
traffic law enforcement system.

(735 ILCS 5/2-1402) (from Ch. 110, par. 2-1402)
Sec. 2-1402. Supplementary proceedings.

A supplementary proceeding shall be commenced by the service of a citation issued by the clerk. The procedure for conducting supplementary proceedings shall be prescribed by rules. It is not a prerequisite to the commencement of a supplementary proceeding that a certified copy of the judgment has been returned wholly or partly unsatisfied. All citations issued by the clerk shall have the following language, or language substantially similar thereto, stated prominently on the front, in capital letters: "IF YOU FAIL TO APPEAR IN COURT AS DIRECTED IN THIS NOTICE, YOU MAY BE ARRESTED AND BROUGHT BEFORE THE COURT TO ANSWER TO A CHARGE OF CONTEMPT OF COURT, WHICH MAY BE PUNISHABLE BY IMPRISONMENT IN THE COUNTY JAIL." The court shall not grant a continuance of the supplementary proceeding except upon good cause shown.

(b) Any citation served upon a judgment debtor or any other person shall include a certification by the attorney for the judgment creditor or the judgment creditor setting forth the amount of the judgment, the date of the judgment, or its revival date, the balance due thereon, the name of the court, and the number of the case, and a copy of the citation notice required by this subsection. (b-10) Any action properly initiated under this Section may proceed notwithstanding an absent or incomplete Income and Asset Form, and a judgment debtor may be examined for the purpose of allowing the judgment creditor to discover income and assets belonging to the judgment debtor or in which the judgment debtor has an interest.

(c) When assets or income of the judgment debtor not exempt from the satisfaction of a judgment, a deduction order or garnishment are discovered, the court may, by appropriate order or judgment:

(1) Compel the judgment debtor to deliver up, to be applied in satisfaction of the judgment, in whole or in part, money, choses in action, property or effects in his or her possession or control, so discovered, capable of delivery and to which his or her title or right of possession is not substantially disputed.

(2) Compel the judgment debtor to pay to the judgment creditor or apply on the judgment, in installments, a portion of his or her income, however or whenever earned or acquired, as the court may deem proper, having due regard for the reasonable requirements of the judgment debtor and his or her family, if dependent upon him or her, as well as any payments required to be made by prior order of court or under wage assignments outstanding; provided that the judgment debtor shall not be compelled to pay income which would be considered exempt as wages under the Wage Deduction Statute. The court may modify an order for installment payments, from time to time, upon application of either party upon notice to the other.

(3) Compel any person cited, other than the judgment debtor, to deliver up any assets so discovered, to be applied in satisfaction of the judgment, in whole or in part, when those assets are held under such circumstances that in an action by the judgment debtor he or she could recover them in specie or obtain a judgment for the proceeds or value thereof as for conversion or
embezzlement. A judgment creditor may recover a corporate judgment debtor's property on behalf of the judgment debtor for use of the judgment creditor by filing an appropriate petition within the citation proceedings.

(4) Enter any order upon or judgment against the person cited that could be entered in any garnishment proceeding.

(5) Compel any person cited to execute an assignment of any chose in action or a conveyance of title to real or personal property or resign memberships in exchanges, clubs, or other entities in the same manner and to the same extent as a court could do in any proceeding by a judgment creditor to enforce payment of a judgment or in aid of the enforcement of a judgment.

(6) Authorize the judgment creditor to maintain an action against any person or corporation that, it appears upon proof satisfactory to the court, is indebted to the judgment debtor, for the recovery of the debt, forbid the transfer or other disposition of the debt until an action can be commenced and prosecuted to judgment, direct that the papers or proof in the possession or control of the debtor and necessary in the prosecution of the action be delivered to the creditor or impounded in court, and provide for the disposition of any moneys in excess of the sum required to pay the judgment creditor's judgment and costs allowed by the court.

(c-5) If a citation is directed to a judgment debtor who is a natural person, no payment order shall be entered under subsection (c) unless the Income and Asset Form was served upon the judgment debtor as required by subsection (b-1), the judgment debtor has had an opportunity to assert exemptions, and the payments are from non-exempt sources.

(d) No order or judgment shall be entered under subsection (c) in favor of the judgment creditor unless there appears of record a certification of mailing showing that a copy of the citation and a copy of the citation notice was mailed to the judgment debtor as required by subsection (b).

(d-5) If upon examination the court determines that the judgment debtor does not possess any non-exempt income or assets, then the citation shall be dismissed.

(e) All property ordered to be delivered up shall, except as otherwise provided in this Section, be delivered to the sheriff to be collected by the sheriff or sold at public sale and the proceeds thereof applied towards the payment of costs and the satisfaction of the judgment. If the judgment debtor's property is of such a nature that it is not readily

New matter indicated by italics - deletions by strikeout
delivered up to the sheriff for public sale or if another method of sale is more appropriate to liquidate the property or enhance its value at sale, the court may order the sale of such property by the debtor, third party respondent, or by a selling agent other than the sheriff upon such terms as are just and equitable. The proceeds of sale, after deducting reasonable and necessary expenses, are to be turned over to the creditor and applied to the balance due on the judgment.

(f) (1) The citation may prohibit the party to whom it is directed from making or allowing any transfer or other disposition of, or interfering with, any property not exempt from the enforcement of a judgment therefrom, a deduction order or garnishment, belonging to the judgment debtor or to which he or she may be entitled or which may thereafter be acquired by or become due to him or her, and from paying over or otherwise disposing of any moneys not so exempt which are due or to become due to the judgment debtor, until the further order of the court or the termination of the proceeding, whichever occurs first. The third party may not be obliged to withhold the payment of any moneys beyond double the amount of the balance due sought to be enforced by the judgment creditor. The court may punish any party who violates the restraining provision of a citation as and for a contempt, or if the party is a third party may enter judgment against him or her in the amount of the unpaid portion of the judgment and costs allowable under this Section, or in the amount of the value of the property transferred, whichever is lesser.

(2) The court may enjoin any person, whether or not a party to the supplementary proceeding, from making or allowing any transfer or other disposition of, or interference with, the property of the judgment debtor not exempt from the enforcement of a judgment, a deduction order or garnishment, or the property or debt not so exempt concerning which any person is required to attend and be examined until further direction in the premises. The injunction order shall remain in effect until vacated by the court or until the proceeding is terminated, whichever first occurs.

(g) If it appears that any property, chose in action, credit or effect discovered, or any interest therein, is claimed by any person, the court shall, as in garnishment proceedings, permit or require the claimant to appear and maintain his or her right. The rights of the person cited and the
rights of any adverse claimant shall be asserted and determined pursuant to the law relating to garnishment proceedings.

(h) Costs in proceedings authorized by this Section shall be allowed, assessed and paid in accordance with rules, provided that if the court determines, in its discretion, that costs incurred by the judgment creditor were improperly incurred, those costs shall be paid by the judgment creditor.

(i) This Section is in addition to and does not affect enforcement of judgments or proceedings supplementary thereto, by any other methods now or hereafter provided by law.

(j) This Section does not grant the power to any court to order installment or other payments from, or compel the sale, delivery, surrender, assignment or conveyance of any property exempt by statute from the enforcement of a judgment thereon, a deduction order, garnishment, attachment, sequestration, process or other levy or seizure.

(k) (Blank).

(k-3) The court may enter any order upon or judgment against the respondent cited that could be entered in any garnishment proceeding under Part 7 of Article XII of this Code. This subsection (k-3) shall be construed as being declarative of existing law and not as a new enactment.

(k-5) If the court determines that any property held by a third party respondent is wages pursuant to Section 12-801, the court shall proceed as if a wage deduction proceeding had been filed and proceed to enter such necessary and proper orders as would have been entered in a wage deduction proceeding including but not limited to the granting of the statutory exemptions allowed by Section 12-803 and all other remedies allowed plaintiff and defendant pursuant to Part 8 of Article 12 of this Act.

(k-10) If a creditor discovers personal property of the judgment debtor that is subject to the lien of a citation to discover assets, the creditor may have the court impress a lien against a specific item of personal property, including a beneficial interest in a land trust. The lien survives the termination of the citation proceedings and remains as a lien against the personal property in the same manner that a judgment lien recorded against real property pursuant to Section 12-101 remains a lien on real property. If the judgment is revived before dormancy, the lien shall remain. A lien against personal property may, but need not, be recorded in the office of the recorder or filed as an informational filing pursuant to the Uniform Commercial Code.
(l) At any citation hearing at which the judgment debtor appears and seeks a declaration that certain of his or her income or assets are exempt, the court shall proceed to determine whether the property which the judgment debtor declares to be exempt is exempt from judgment. At any time before the return date specified on the citation, the judgment debtor may request, in writing, a hearing to declare exempt certain income and assets by notifying the clerk of the court before that time, using forms as may be provided by the clerk of the court. The clerk of the court will obtain a prompt hearing date from the court and will provide the necessary forms that must be prepared by the judgment debtor or the attorney for the judgment debtor and sent to the judgment creditor, or the judgment creditor's attorney, regarding the time and location of the hearing. This notice may be sent by regular first class mail. At the hearing, the court shall immediately, unless for good cause shown that the hearing is to be continued, shall proceed to determine whether the property which the judgment debtor declares to be exempt is exempt from judgment. The restraining provisions of subsection (f) shall not apply to any property determined by the court to be exempt.

(m) The judgment or balance due on the judgment becomes a lien when a citation is served in accordance with subsection (a) of this Section. The lien binds nonexempt personal property, including money, choses in action, and effects of the judgment debtor as follows:

(1) When the citation is directed against the judgment debtor, upon all personal property belonging to the judgment debtor in the possession or control of the judgment debtor or which may thereafter be acquired or come due to the judgment debtor to the time of the disposition of the citation.

(2) When the citation is directed against a third party, upon all personal property belonging to the judgment debtor in the possession or control of the third party or which thereafter may be acquired or come due the judgment debtor and comes into the possession or control of the third party to the time of the disposition of the citation.

The lien established under this Section does not affect the rights of citation respondents in property prior to the service of the citation upon them and does not affect the rights of bona fide purchasers or lenders without notice of the citation. The lien is effective for the period specified by Supreme Court Rule.

This subsection (m), as added by Public Act 88-48, is a declaration of existing law.

(n) If any provision of this Act or its application to any person or circumstance is held invalid, the invalidity of that provision or application does not affect the provisions or applications of the Act that can be given effect without the invalid provision or application.

(o) The changes to this Section made by this amendatory Act of the 97th General Assembly apply only to supplementary proceedings commenced under this Section on or after the effective date of this amendatory Act of the 97th General Assembly. The requirements or limitations set forth in subsections (b-1), (b-5), (b-10), (c-5), and (d-5) do not apply to the enforcement of any order or judgment resulting from an adjudication of a municipal ordinance violation that is subject to Supreme Court Rules 570 through 579, or from an administrative adjudication of such an ordinance violation.

Sec. 2-1602. Revival of judgment.

(a) A judgment may be revived by filing a petition to revive the judgment in the seventh year after its entry, or in the seventh year after its last revival, or in the twentieth year after its entry, or at any other time within 20 years after its entry if the judgment becomes dormant. The provisions of this amendatory Act of the 96th General Assembly are declarative of existing law.

(b) A petition to revive a judgment shall be filed in the original case in which the judgment was entered. The petition shall include a statement as to the original date and amount of the judgment, court costs expended, accrued interest, and credits to the judgment, if any.

(c) Service of notice of the petition to revive a judgment shall be made in accordance with Supreme Court Rule 106.

(d) An order reviving a judgment shall be for the original amount of the judgment. The plaintiff may recover interest and court costs from the date of the original judgment. Credits to the judgment shall be reflected by the plaintiff in supplemental proceedings or execution.

(e) If a judgment debtor has filed for protection under the United States Bankruptcy Code and failed to successfully adjudicate and remove a lien filed by a judgment creditor, then the judgment may be revived only as to the property to which a lien attached before the filing of the bankruptcy action.

(f) A judgment may be revived as to fewer than all judgment debtors, and such order for revival of judgment shall be final, appealable, and enforceable.

(g) This Section does not apply to a child support judgment or to a judgment recovered in an action for damages for an injury described in Section 13-214.1, which need not be revived as provided in this Section and which may be enforced at any time as provided in Section 12-108.

(h) If a judgment becomes dormant during the pendency of an enforcement proceeding against wages under Part 14 of this Article or under Article XII, the enforcement may continue to conclusion without revival of the underlying judgment so long as the enforcement is done under court supervision and includes a wage deduction order or turn over order and is against an employer, garnishee, or other third party respondent.

(735 ILCS 5/12-101) (from Ch. 110, par. 12-101)

Sec. 12-101. Lien of judgment. With respect to the creation of liens on real estate by judgments, all real estate in the State of Illinois is divided into 2 classes.

The first class consists of all real property, the title to which is registered under "An Act concerning land titles", approved May 1, 1897, as amended.

The second class consists of all real property not registered under "An Act concerning land titles".

As to real estate in class one, a judgment is a lien on the real estate of the person against whom it is entered for the same period as in class two, when Section 85 of "An Act concerning land titles", has been complied with.

As to real estate included within class two, a judgment is a lien on the real estate of the person against whom it is entered in any county in this State, including the county in which it is entered, only from the time a transcript, certified copy or memorandum of the judgment is filed in the office of the recorder in the county in which the real estate is located. The lien may be foreclosed by an action brought in the name of the judgment creditor or its assignee of record under Article XV in the same manner as a mortgage of real property, except that the redemption period shall be 6 months from the date of sale and the real estate homestead exemption under Section 12-901 shall apply. A judgment resulting from the entry of an order requiring child support payments shall be a lien upon the real estate.
estate of the person obligated to make the child support payments, but shall not be enforceable in any county of this State until a transcript, certified copy, or memorandum of the lien is filed in the office of the recorder in the county in which the real estate is located. Any lien hereunder arising out of an order for support shall be a lien only as to and from the time that an installment or payment is due under the terms of the order. Further, the order for support shall not be a lien on real estate to the extent of payments made as evidenced by the records of the Clerk of the Circuit Court or State agency receiving payments pursuant to the order. Sec. 5-750. Commitment to the Department of Juvenile Justice.

(1) Except as provided in subsection (2) of this Section, when any delinquent has been adjudged a ward of the court under this Act, the court may commit him or her to the Department of Juvenile Justice, if it finds that (a) his or her parents, guardian or legal custodian are unfit or are unable, for some reason other than financial circumstances alone, to care for, protect, train or discipline the minor, or are unwilling to do so, and the best interests of the minor and the public will not be served by placement under Section 5-740, or it is necessary to ensure the protection of the public from the consequences of criminal activity of the delinquent; and (b) commitment to the Department of Juvenile Justice is the least restrictive alternative based on evidence that efforts were made to locate less restrictive alternatives to secure confinement and the reasons why efforts were unsuccessful in locating a less restrictive alternative to secure confinement. Before the court commits a minor to the Department of Juvenile Justice, it shall make a finding that secure confinement is necessary, following a review of the following individualized factors:

(A) Age of the minor.

New matter indicated by italics - deletions by strikeout
(B) Criminal background of the minor.
(C) Review of results of any assessments of the minor, including child centered assessments such as the CANS.
(D) Educational background of the minor, indicating whether the minor has ever been assessed for a learning disability, and if so what services were provided as well as any disciplinary incidents at school.

(E) Physical, mental and emotional health of the minor, indicating whether the minor has ever been diagnosed with a health issue and if so what services were provided and whether the minor was compliant with services.

(F) Community based services that have been provided to the minor, and whether the minor was compliant with the services, and the reason the services were unsuccessful.

(G) Services within the Department of Juvenile Justice that will meet the individualized needs of the minor.

(1.5) Before the court commits a minor to the Department of Juvenile Justice, the court must find reasonable efforts have been made to prevent or eliminate the need for the minor to be removed from the home, or reasonable efforts cannot, at this time, for good cause, prevent or eliminate the need for removal, and removal from home is in the best interests of the minor, the minor's family, and the public.

(2) When a minor of the age of at least 13 years is adjudged delinquent for the offense of first degree murder, the court shall declare the minor a ward of the court and order the minor committed to the Department of Juvenile Justice until the minor's 21st birthday, without the possibility of aftercare release parole, furlough, or non-emergency authorized absence for a period of 5 years from the date the minor was committed to the Department of Juvenile Justice, except that the time that a minor spent in custody for the instant offense before being committed to the Department of Juvenile Justice shall be considered as time credited towards that 5 year period. Nothing in this subsection (2) shall preclude the State's Attorney from seeking to prosecute a minor as an adult as an alternative to proceeding under this Act.

(3) Except as provided in subsection (2), the commitment of a delinquent to the Department of Juvenile Justice shall be for an indeterminate term which shall automatically terminate upon the delinquent attaining the age of 21 years unless the delinquent is sooner discharged from aftercare release parole or custodianship is otherwise

terminated in accordance with this Act or as otherwise provided for by law.

(3.5) Every delinquent minor committed to the Department of Juvenile Justice under this Act shall be eligible for aftercare release without regard to the length of time the minor has been confined or whether the minor has served any minimum term imposed. Aftercare release shall be administered by the Department of Juvenile Justice, under the direction of the Director.

(4) When the court commits a minor to the Department of Juvenile Justice, it shall order him or her conveyed forthwith to the appropriate reception station or other place designated by the Department of Juvenile Justice, and shall appoint the Director of Juvenile Justice legal custodian of the minor. The clerk of the court shall issue to the Director of Juvenile Justice a certified copy of the order, which constitutes proof of the Director's authority. No other process need issue to warrant the keeping of the minor.

(5) If a minor is committed to the Department of Juvenile Justice, the clerk of the court shall forward to the Department:
(a) the disposition ordered;
(b) all reports;
(c) the court's statement of the basis for ordering the disposition; and
(d) all additional matters which the court directs the clerk to transmit.

(6) Whenever the Department of Juvenile Justice lawfully discharges from its custody and control a minor committed to it, the Director of Juvenile Justice shall petition the court for an order terminating his or her custodianship. The custodianship shall terminate automatically 30 days after receipt of the petition unless the court orders otherwise.

Sec. 5-815. Habitual Juvenile Offender.
(a) Definition. Any minor having been twice adjudicated a delinquent minor for offenses which, had he been prosecuted as an adult, would have been felonies under the laws of this State, and who is thereafter adjudicated a delinquent minor for a third time shall be adjudged an Habitual Juvenile Offender where:
1. the third adjudication is for an offense occurring after adjudication on the second; and

New matter indicated by italics - deletions by strikeout
2. the second adjudication was for an offense occurring after adjudication on the first; and
3. the third offense occurred after January 1, 1980; and
4. the third offense was based upon the commission of or attempted commission of the following offenses: first degree murder, second degree murder or involuntary manslaughter; criminal sexual assault or aggravated criminal sexual assault; aggravated or heinous battery involving permanent disability or disfigurement or great bodily harm to the victim; burglary of a home or other residence intended for use as a temporary or permanent dwelling place for human beings; home invasion; robbery or armed robbery; or aggravated arson.

Nothing in this Section shall preclude the State's Attorney from seeking to prosecute a minor as an adult as an alternative to prosecution as an habitual juvenile offender.

A continuance under supervision authorized by Section 5-615 of this Act shall not be permitted under this Section.

(b) Notice to minor. The State shall serve upon the minor written notice of intention to prosecute under the provisions of this Section within 5 judicial days of the filing of any delinquency petition, adjudication upon which would mandate the minor's disposition as an Habitual Juvenile Offender.

(c) Petition; service. A notice to seek adjudication as an Habitual Juvenile Offender shall be filed only by the State's Attorney.

The petition upon which such Habitual Juvenile Offender notice is based shall contain the information and averments required for all other delinquency petitions filed under this Act and its service shall be according to the provisions of this Act.

No prior adjudication shall be alleged in the petition.

(d) Trial. Trial on such petition shall be by jury unless the minor demands, in open court and with advice of counsel, a trial by the court without jury.

Except as otherwise provided herein, the provisions of this Act concerning delinquency proceedings generally shall be applicable to Habitual Juvenile Offender proceedings.

(e) Proof of prior adjudications. No evidence or other disclosure of prior adjudications shall be presented to the court or jury during any adjudicatory hearing provided for under this Section unless otherwise permitted by the issues properly raised in such hearing. In the event the...
minor who is the subject of these proceedings elects to testify on his own behalf, it shall be competent to introduce evidence, for purposes of impeachment, that he has previously been adjudicated a delinquent minor upon facts which, had he been tried as an adult, would have resulted in his conviction of a felony or of any offense that involved dishonesty or false statement. Introduction of such evidence shall be according to the rules and procedures applicable to the impeachment of an adult defendant by prior conviction.

After an admission of the facts in the petition or adjudication of delinquency, the State's Attorney may file with the court a verified written statement signed by the State's Attorney concerning any prior adjudication of an offense set forth in subsection (a) of this Section which offense would have been a felony or of any offense that involved dishonesty or false statement had the minor been tried as an adult.

The court shall then cause the minor to be brought before it; shall inform him of the allegations of the statement so filed, and of his right to a hearing before the court on the issue of such prior adjudication and of his right to counsel at such hearing; and unless the minor admits such adjudication, the court shall hear and determine such issue, and shall make a written finding thereon.

A duly authenticated copy of the record of any such alleged prior adjudication shall be prima facie evidence of such prior adjudication or of any offense that involved dishonesty or false statement.

Any claim that a previous adjudication offered by the State's Attorney is not a former adjudication of an offense which, had the minor been prosecuted as an adult, would have resulted in his conviction of a felony or of any offense that involved dishonesty or false statement, is waived unless duly raised at the hearing on such adjudication, or unless the State's Attorney's proof shows that such prior adjudication was not based upon proof of what would have been a felony.

(f) Disposition. If the court finds that the prerequisites established in subsection (a) of this Section have been proven, it shall adjudicate the minor an Habitual Juvenile Offender and commit him to the Department of Juvenile Justice until his 21st birthday, without possibility of aftercare release parole, furlough, or non-emergency authorized absence. However, the minor shall be entitled to earn one day of good conduct credit for each day served as reductions against the period of his confinement. Such good conduct credits shall be earned or revoked according to the procedures
For purposes of determining good conduct credit, commitment as an Habitual Juvenile Offender shall be considered a determinate commitment, and the difference between the date of the commitment and the minor's 21st birthday shall be considered the determinate period of his confinement.

Sec. 5-820. Violent Juvenile Offender.

(a) Definition. A minor having been previously adjudicated a delinquent minor for an offense which, had he or she been prosecuted as an adult, would have been a Class 2 or greater felony involving the use or threat of physical force or violence against an individual or a Class 2 or greater felony for which an element of the offense is possession or use of a firearm, and who is thereafter adjudicated a delinquent minor for a second time for any of those offenses shall be adjudicated a Violent Juvenile Offender if:

1. The second adjudication is for an offense occurring after adjudication on the first; and
2. The second offense occurred on or after January 1, 1995.

(b) Notice to minor. The State shall serve upon the minor written notice of intention to prosecute under the provisions of this Section within 5 judicial days of the filing of a delinquency petition, adjudication upon which would mandate the minor's disposition as a Violent Juvenile Offender.

(c) Petition; service. A notice to seek adjudication as a Violent Juvenile Offender shall be filed only by the State's Attorney. The petition upon which the Violent Juvenile Offender notice is based shall contain the information and averments required for all other delinquency petitions filed under this Act and its service shall be according to the provisions of this Act.

No prior adjudication shall be alleged in the petition.

(d) Trial. Trial on the petition shall be by jury unless the minor demands, in open court and with advice of counsel, a trial by the court without a jury.
Except as otherwise provided in this Section, the provisions of this Act concerning delinquency proceedings generally shall be applicable to Violent Juvenile Offender proceedings.

(e) Proof of prior adjudications. No evidence or other disclosure of prior adjudications shall be presented to the court or jury during an adjudicatory hearing provided for under this Section unless otherwise permitted by the issues properly raised in that hearing. In the event the minor who is the subject of these proceedings elects to testify on his or her own behalf, it shall be competent to introduce evidence, for purposes of impeachment, that he or she has previously been adjudicated a delinquent minor upon facts which, had the minor been tried as an adult, would have resulted in the minor's conviction of a felony or of any offense that involved dishonesty or false statement. Introduction of such evidence shall be according to the rules and procedures applicable to the impeachment of an adult defendant by prior conviction.

After an admission of the facts in the petition or adjudication of delinquency, the State's Attorney may file with the court a verified written statement signed by the State's Attorney concerning any prior adjudication of an offense set forth in subsection (a) of this Section that would have been a felony or of any offense that involved dishonesty or false statement had the minor been tried as an adult.

The court shall then cause the minor to be brought before it; shall inform the minor of the allegations of the statement so filed, of his or her right to a hearing before the court on the issue of the prior adjudication and of his or her right to counsel at the hearing; and unless the minor admits the adjudication, the court shall hear and determine the issue, and shall make a written finding of the issue.

A duly authenticated copy of the record of any alleged prior adjudication shall be prima facie evidence of the prior adjudication or of any offense that involved dishonesty or false statement.

Any claim that a previous adjudication offered by the State's Attorney is not a former adjudication of an offense which, had the minor been prosecuted as an adult, would have resulted in his or her conviction of a Class 2 or greater felony involving the use or threat of force or violence, or a firearm, a felony or of any offense that involved dishonesty or false statement is waived unless duly raised at the hearing on the adjudication, or unless the State's Attorney's proof shows that the prior adjudication was not based upon proof of what would have been a felony.
(f) Disposition. If the court finds that the prerequisites established in subsection (a) of this Section have been proven, it shall adjudicate the minor a Violent Juvenile Offender and commit the minor to the Department of Juvenile Justice until his or her 21st birthday, without possibility of aftercare release parole, furlough, or non-emergency authorized absence. However, the minor shall be entitled to earn one day of good conduct credit for each day served as reductions against the period of his or her confinement. The good conduct credits shall be earned or revoked according to the procedures applicable to the allowance and revocation of good conduct credit for adult prisoners serving determinate sentences for felonies.

For purposes of determining good conduct credit, commitment as a Violent Juvenile Offender shall be considered a determinate commitment, and the difference between the date of the commitment and the minor's 21st birthday shall be considered the determinate period of his or her confinement.

(g) Nothing in this Section shall preclude the State's Attorney from seeking to prosecute a minor as a habitual juvenile offender or as an adult as an alternative to prosecution as a Violent Juvenile Offender.

(h) A continuance under supervision authorized by Section 5-615 of this Act shall not be permitted under this Section.

(725 ILCS 5/103-5) (from Ch. 38, par. 103-5)

Sec. 103-5. Speedy trial.

(a) Every person in custody in this State for an alleged offense shall be tried by the court having jurisdiction within 120 days from the date he or she was taken into custody unless delay is occasioned by the defendant, by an examination for fitness ordered pursuant to Section 104-13 of this Act, by a fitness hearing, by an adjudication of unfitness to stand trial, by a continuance allowed pursuant to Section 114-4 of this Act after a court's determination of the defendant's physical incapacity for trial, or by an interlocutory appeal. Delay shall be considered to be agreed to by the defendant unless he or she objects to the delay by making a written demand for trial or an oral demand for trial on the record. The provisions of this subsection (a) do not apply to a person on bail or recognizance for an offense but who is in custody for a violation of his or her parole, aftercare release, or mandatory supervised release for another offense.

The 120-day term must be one continuous period of incarceration. In computing the 120-day term, separate periods of incarceration may not be combined. If a defendant is taken into custody a second (or subsequent) time for the same offense, the term will begin again at day zero.

(b) Every person on bail or recognizance shall be tried by the court having jurisdiction within 160 days from the date defendant demands trial unless delay is occasioned by the defendant, by an examination for fitness ordered pursuant to Section 104-13 of this Act, by a fitness hearing, by an

adjudication of unfitness to stand trial, by a continuance allowed pursuant to Section 114-4 of this Act after a court's determination of the defendant's physical incapacity for trial, or by an interlocutory appeal. The defendant's failure to appear for any court date set by the court operates to waive the defendant's demand for trial made under this subsection.

For purposes of computing the 160 day period under this subsection (b), every person who was in custody for an alleged offense and demanded trial and is subsequently released on bail or recognizance and demands trial, shall be given credit for time spent in custody following the making of the demand while in custody. Any demand for trial made under this subsection (b) shall be in writing; and in the case of a defendant not in custody, the demand for trial shall include the date of any prior demand made under this provision while the defendant was in custody.

(c) If the court determines that the State has exercised without success due diligence to obtain evidence material to the case and that there are reasonable grounds to believe that such evidence may be obtained at a later day the court may continue the cause on application of the State for not more than an additional 60 days. If the court determines that the State has exercised without success due diligence to obtain results of DNA testing that is material to the case and that there are reasonable grounds to believe that such results may be obtained at a later day, the court may continue the cause on application of the State for not more than an additional 120 days.

(d) Every person not tried in accordance with subsections (a), (b) and (c) of this Section shall be discharged from custody or released from the obligations of his bail or recognizance.

(e) If a person is simultaneously in custody upon more than one charge pending against him in the same county, or simultaneously demands trial upon more than one charge pending against him in the same county, he shall be tried, or adjudged guilty after waiver of trial, upon at least one such charge before waiver of trial, upon at least one such charge before expiration relative to any of such pending charges of the period prescribed by subsections (a) and (b) of this Section. Such person shall be tried upon all of the remaining charges thus pending within 160 days from the date on which judgment relative to the first charge thus prosecuted is rendered pursuant to the Unified Code of Corrections or, if such trial upon such first charge is terminated without judgment and there is no subsequent trial of, or adjudication of guilt after waiver of trial of, such first charge within a reasonable time, the person shall be tried upon all of the remaining charges thus pending within 160 days from the date on which judgment relative to the first charge thus prosecuted is rendered pursuant to the Unified Code of Corrections.
days from the date on which such trial is terminated; if either such period of 160 days expires without the commencement of trial of, or adjudication of guilt after waiver of trial of, any of such remaining charges thus pending, such charge or charges shall be dismissed and barred for want of prosecution unless delay is occasioned by the defendant, by an examination for fitness ordered pursuant to Section 104-13 of this Act, by a fitness hearing, by an adjudication of unfitness for trial, by a continuance allowed pursuant to Section 114-4 of this Act after a court's determination of the defendant's physical incapacity for trial, or by an interlocutory appeal; provided, however, that if the court determines that the State has exercised without success due diligence to obtain evidence material to the case and that there are reasonable grounds to believe that such evidence may be obtained at a later day the court may continue the cause on application of the State for not more than an additional 60 days.

(f) Delay occasioned by the defendant shall temporarily suspend for the time of the delay the period within which a person shall be tried as prescribed by subsections (a), (b), or (e) of this Section and on the day of expiration of the delay the said period shall continue at the point at which it was suspended. Where such delay occurs within 21 days of the end of the period within which a person shall be tried as prescribed by subsections (a), (b), or (e) of this Section, the court may continue the cause on application of the State for not more than an additional 21 days beyond the period prescribed by subsections (a), (b), or (e). This subsection (f) shall become effective on, and apply to persons charged with alleged offenses committed on or after, March 1, 1977.

Sec. 110-5. Determining the amount of bail and conditions of release.

(a) In determining the amount of monetary bail or conditions of release, if any, which will reasonably assure the appearance of a defendant as required or the safety of any other person or the community and the likelihood of compliance by the defendant with all the conditions of bail, the court shall, on the basis of available information, take into account such matters as the nature and circumstances of the offense charged, whether the evidence shows that as part of the offense there was a use of violence or threatened use of violence, whether the offense involved corruption of public officials or employees, whether there was physical harm or threats of physical harm to any public official, public employee,
judge, prosecutor, juror or witness, senior citizen, child or handicapped person, whether evidence shows that during the offense or during the arrest the defendant possessed or used a firearm, machine gun, explosive or metal piercing ammunition or explosive bomb device or any military or paramilitary armament, whether the evidence shows that the offense committed was related to or in furtherance of the criminal activities of an organized gang or was motivated by the defendant's membership in or allegiance to an organized gang, the condition of the victim, any written statement submitted by the victim or proffer or representation by the State regarding the impact which the alleged criminal conduct has had on the victim and the victim's concern, if any, with further contact with the defendant if released on bail, whether the offense was based on racial, religious, sexual orientation or ethnic hatred, the likelihood of the filing of a greater charge, the likelihood of conviction, the sentence applicable upon conviction, the weight of the evidence against such defendant, whether there exists motivation or ability to flee, whether there is any verification as to prior residence, education, or family ties in the local jurisdiction, in another county, state or foreign country, the defendant's employment, financial resources, character and mental condition, past conduct, prior use of alias names or dates of birth, and length of residence in the community, the consent of the defendant to periodic drug testing in accordance with Section 110-6.5, whether a foreign national defendant is lawfully admitted in the United States of America, whether the government of the foreign national maintains an extradition treaty with the United States by which the foreign government will extradite to the United States its national for a trial for a crime allegedly committed in the United States, whether the defendant is currently subject to deportation or exclusion under the immigration laws of the United States, whether the defendant, although a United States citizen, is considered under the law of any foreign state a national of that state for the purposes of extradition or non-extradition to the United States, the amount of unrecovered proceeds lost as a result of the alleged offense, the source of bail funds tendered or sought to be tendered for bail, whether from the totality of the court's consideration, the loss of funds posted or sought to be posted for bail will not deter the defendant from flight, whether the evidence shows that the defendant is engaged in significant possession, manufacture, or delivery of a controlled substance or cannabis, either individually or in consort with others, whether at the time of the offense charged he or she was on bond or pre-trial release pending trial, probation, periodic imprisonment or conditional

discharge pursuant to this Code or the comparable Code of any other state or federal jurisdiction, whether the defendant is on bond or pre-trial release pending the imposition or execution of sentence or appeal of sentence for any offense under the laws of Illinois or any other state or federal jurisdiction, whether the defendant is under parole, *aftercare release, or* mandatory supervised release, or work release from the Illinois Department of Corrections or *Illinois Department of Juvenile Justice* or any penal institution or corrections department of any state or federal jurisdiction, the defendant's record of convictions, whether the defendant has been convicted of a misdemeanor or ordinance offense in Illinois or similar offense in other state or federal jurisdiction within the 10 years preceding the current charge or convicted of a felony in Illinois, whether the defendant was convicted of an offense in another state or federal jurisdiction that would be a felony if committed in Illinois within the 20 years preceding the current charge or has been convicted of such felony and released from the penitentiary within 20 years preceding the current charge if a penitentiary sentence was imposed in Illinois or other state or federal jurisdiction, the defendant's records of juvenile adjudication of delinquency in any jurisdiction, any record of appearance or failure to appear by the defendant at court proceedings, whether there was flight to avoid arrest or prosecution, whether the defendant escaped or attempted to escape to avoid arrest, whether the defendant refused to identify himself or herself, or whether there was a refusal by the defendant to be fingerprinted as required by law. Information used by the court in its findings or stated in or offered in connection with this Section may be by way of proffer based upon reliable information offered by the State or defendant. All evidence shall be admissible if it is relevant and reliable regardless of whether it would be admissible under the rules of evidence applicable at criminal trials. If the State presents evidence that the offense committed by the defendant was related to or in furtherance of the criminal activities of an organized gang or was motivated by the defendant's membership in or allegiance to an organized gang, and if the court determines that the evidence may be substantiated, the court shall prohibit the defendant from associating with other members of the organized gang as a condition of bail or release. For the purposes of this Section, "organized gang" has the meaning ascribed to it in Section 10 of the Illinois Streetgang Terrorism Omnibus Prevention Act.

(b) The amount of bail shall be:

New matter indicated by italics - deletions by strikeout
(1) Sufficient to assure compliance with the conditions set forth in the bail bond, which shall include the defendant's current address with a written admonishment to the defendant that he or she must comply with the provisions of Section 110-12 regarding any change in his or her address. The defendant's address shall at all times remain a matter of public record with the clerk of the court.

(2) Not oppressive.

(3) Considerate of the financial ability of the accused.

(4) When a person is charged with a drug related offense involving possession or delivery of cannabis or possession or delivery of a controlled substance as defined in the Cannabis Control Act, the Illinois Controlled Substances Act, or the Methamphetamine Control and Community Protection Act, the full street value of the drugs seized shall be considered. "Street value" shall be determined by the court on the basis of a proffer by the State based upon reliable information of a law enforcement official contained in a written report as to the amount seized and such proffer may be used by the court as to the current street value of the smallest unit of the drug seized.

(b-5) Upon the filing of a written request demonstrating reasonable cause, the State's Attorney may request a source of bail hearing either before or after the posting of any funds. If the hearing is granted, before the posting of any bail, the accused must file a written notice requesting that the court conduct a source of bail hearing. The notice must be accompanied by justifying affidavits stating the legitimate and lawful source of funds for bail. At the hearing, the court shall inquire into any matters stated in any justifying affidavits, and may also inquire into matters appropriate to the determination which shall include, but are not limited to, the following:

If the hearing is granted after the accused has posted bail, the court shall conduct a hearing consistent with this subsection (b-5). At the conclusion of the hearing, the court must issue an order either approving or disapproving the bail.

These agencies shall have access to summaries of the defendant's criminal history, which shall not include victim interviews or information, for the risk evaluation. Based on the information collected from the 12 points to be considered at a bail hearing for a violation of an order of protection, the results of any risk evaluation conducted and the other circumstances of the violation, the court may order that the person, as a condition of bail, be placed under electronic surveillance as provided in Section 5-8A-7 of the Unified Code of Corrections.

Sec. 110-6.1. Denial of bail in non-probationable felony offenses.

(a) Upon verified petition by the State, the court shall hold a hearing to determine whether bail should be denied to a defendant who is charged with a felony offense for which a sentence of imprisonment, without probation, periodic imprisonment or conditional discharge, is required by law upon conviction, when it is alleged that the defendant's admission to bail poses a real and present threat to the physical safety of any person or persons.
(1) A petition may be filed without prior notice to the defendant at the first appearance before a judge, or within the 21 calendar days, except as provided in Section 110-6, after arrest and release of the defendant upon reasonable notice to defendant; provided that while such petition is pending before the court, the defendant if previously released shall not be detained.

(2) The hearing shall be held immediately upon the defendant's appearance before the court, unless for good cause shown the defendant or the State seeks a continuance. A continuance on motion of the defendant may not exceed 5 calendar days, and a continuance on the motion of the State may not exceed 3 calendar days. The defendant may be held in custody during such continuance.

(b) The court may deny bail to the defendant where, after the hearing, it is determined that:

(1) the proof is evident or the presumption great that the defendant has committed an offense for which a sentence of imprisonment, without probation, periodic imprisonment or conditional discharge, must be imposed by law as a consequence of conviction, and

(2) the defendant poses a real and present threat to the physical safety of any person or persons, by conduct which may include, but is not limited to, a forcible felony, the obstruction of justice, intimidation, injury, physical harm, an offense under the Illinois Controlled Substances Act which is a Class X felony, or an offense under the Methamphetamine Control and Community Protection Act which is a Class X felony, and

(3) the court finds that no condition or combination of conditions set forth in subsection (b) of Section 110-10 of this Article, can reasonably assure the physical safety of any other person or persons.

(c) Conduct of the hearings.

(1) The hearing on the defendant's culpability and dangerousness shall be conducted in accordance with the following provisions:

by counsel, and if he is indigent, to have counsel appointed for him. Defendant shall have the opportunity to testify, to present witnesses in his own behalf, and to cross-examine witnesses if any are called by the State. The defendant has the right to present witnesses in his favor. When the ends of justice so require, the court may exercises its discretion and compel the appearance of a complaining witness. The court shall state on the record reasons for granting a defense request to compel the presence of a complaining witness. Cross-examination of a complaining witness at the pretrial detention hearing for the purpose of impeaching the witness' credibility is insufficient reason to compel the presence of the witness. In deciding whether to compel the appearance of a complaining witness, the court shall be considerate of the emotional and physical well-being of the witness. The pre-trial detention hearing is not to be used for purposes of discovery, and the post arraignment rules of discovery do not apply. The State shall tender to the defendant, prior to the hearing, copies of defendant's criminal history, if any, if available, and any written or recorded statements and the substance of any oral statements made by any person, if relied upon by the State in its petition. The rules concerning the admissibility of evidence in criminal trials do not apply to the presentation and consideration of information at the hearing. At the trial concerning the offense for which the hearing was conducted neither the finding of the court nor any transcript or other record of the hearing shall be admissible in the State's case in chief, but shall be admissible for impeachment, or as provided in Section 115-10.1 of this Code, or in a perjury proceeding.

(B) A motion by the defendant to suppress evidence or to suppress a confession shall not be entertained. Evidence that proof may have been obtained as the result of an unlawful search and seizure or through improper interrogation is not relevant to this state of the prosecution. (2) The facts relied upon by the court to support a finding that the defendant poses a real and present threat to the physical

safety of any person or persons shall be supported by clear and convincing evidence presented by the State.

(d) Factors to be considered in making a determination of dangerousness. The court may, in determining whether the defendant poses a real and present threat to the physical safety of any person or persons, consider but shall not be limited to evidence or testimony concerning:

1. The nature and circumstances of any offense charged, including whether the offense is a crime of violence, involving a weapon.

2. The history and characteristics of the defendant including:
   
   A. Any evidence of the defendant's prior criminal history indicative of violent, abusive or assaultive behavior, or lack of such behavior. Such evidence may include testimony or documents received in juvenile proceedings, criminal, quasi-criminal, civil commitment, domestic relations or other proceedings.
   
   B. Any evidence of the defendant's psychological, psychiatric or other similar social history which tends to indicate a violent, abusive, or assaultive nature, or lack of any such history.

3. The identity of any person or persons to whose safety the defendant is believed to pose a threat, and the nature of the threat;

4. Any statements made by, or attributed to the defendant, together with the circumstances surrounding them;

5. The age and physical condition of any person assaulted by the defendant;

6. Whether the defendant is known to possess or have access to any weapon or weapons;

7. Whether, at the time of the current offense or any other offense or arrest, the defendant was on probation, parole, aftercare release, mandatory supervised release or other release from custody pending trial, sentencing, appeal or completion of sentence for an offense under federal or state law;

8. Any other factors, including those listed in Section 110-5 of this Article deemed by the court to have a reasonable bearing
upon the defendant's propensity or reputation for violent, abusive or assaultive behavior, or lack of such behavior.

(e) Detention order. The court shall, in any order for detention:

(1) briefly summarize the evidence of the defendant's culpability and its reasons for concluding that the defendant should be held without bail;

(2) direct that the defendant be committed to the custody of the sheriff for confinement in the county jail pending trial;

(3) direct that the defendant be given a reasonable opportunity for private consultation with counsel, and for communication with others of his choice by visitation, mail and telephone; and

(4) direct that the sheriff deliver the defendant as required for appearances in connection with court proceedings.

(f) If the court enters an order for the detention of the defendant pursuant to subsection (e) of this Section, the defendant shall be brought to trial on the offense for which he is detained within 90 days after the date on which the order for detention was entered. If the defendant is not brought to trial within the 90 day period required by the preceding sentence, he shall not be held longer without bail. In computing the 90 day period, the court shall omit any period of delay resulting from a continuance granted at the request of the defendant.

(g) Rights of the defendant. Any person shall be entitled to appeal any order entered under this Section denying bail to the defendant.

(h) The State may appeal any order entered under this Section denying any motion for denial of bail.

(i) Nothing in this Section shall be construed as modifying or limiting in any way the defendant's presumption of innocence in further criminal proceedings.

Sec. 110-6.3. Denial of bail in stalking and aggravated stalking offenses.

(a) Upon verified petition by the State, the court shall hold a hearing to determine whether bail should be denied to a defendant who is charged with stalking or aggravated stalking, when it is alleged that the defendant's admission to bail poses a real and present threat to the physical safety of the alleged victim of the offense, and denial of release on bail or

personal recognizance is necessary to prevent fulfillment of the threat upon which the charge is based.

(1) A petition may be filed without prior notice to the defendant at the first appearance before a judge, or within 21 calendar days, except as provided in Section 110-6, after arrest and release of the defendant upon reasonable notice to defendant; provided that while the petition is pending before the court, the defendant if previously released shall not be detained.

(2) The hearing shall be held immediately upon the defendant's appearance before the court, unless for good cause shown the defendant or the State seeks a continuance. A continuance on motion of the defendant may not exceed 5 calendar days, and the defendant may be held in custody during the continuance. A continuance on the motion of the State may not exceed 3 calendar days; however, the defendant may be held in custody during the continuance under this provision if the defendant has been previously found to have violated an order of protection or has been previously convicted of, or granted court supervision for, any of the offenses set forth in Sections 11-1.20, 11-1.30, 11-1.40, 11-1.50, 11-1.60, 12-2, 12-3.05, 12-3.2, 12-3.3, 12-4, 12-4.1, 12-7.3, 12-7.4, 12-13, 12-14, 12-14.1, 12-15 or 12-16 of the Criminal Code of 1961 or the Criminal Code of 2012, against the same person as the alleged victim of the stalking or aggravated stalking offense.

(b) The court may deny bail to the defendant when, after the hearing, it is determined that:

(1) the proof is evident or the presumption great that the defendant has committed the offense of stalking or aggravated stalking; and

(2) the defendant poses a real and present threat to the physical safety of the alleged victim of the offense; and

(3) the denial of release on bail or personal recognizance is necessary to prevent fulfillment of the threat upon which the charge is based; and

(4) the court finds that no condition or combination of conditions set forth in subsection (b) of Section 110-10 of this Code, including mental health treatment at a community mental health center, hospital, or facility of the Department of Human
Services, can reasonably assure the physical safety of the alleged victim of the offense.

(c) Conduct of the hearings.

(1) The hearing on the defendant's culpability and threat to the alleged victim of the offense shall be conducted in accordance with the following provisions:

(A) Information used by the court in its findings or stated in or offered at the hearing may be by way of proffer based upon reliable information offered by the State or by defendant. Defendant has the right to be represented by counsel, and if he is indigent, to have counsel appointed for him. Defendant shall have the opportunity to testify, to present witnesses in his own behalf, and to cross-examine witnesses if any are called by the State. The defendant has the right to present witnesses in his favor. When the ends of justice so require, the court may exercise its discretion and compel the appearance of a complaining witness. The court shall state on the record reasons for granting a defense request to compel the presence of a complaining witness. Cross-examination of a complaining witness at the pretrial detention hearing for the purpose of impeaching the witness' credibility is insufficient reason to compel the presence of the witness. In deciding whether to compel the appearance of a complaining witness, the court shall be considerate of the emotional and physical well-being of the witness. The pretrial detention hearing is not to be used for the purposes of discovery, and the post arraignment rules of discovery do not apply. The State shall tender to the defendant, prior to the hearing, copies of defendant's criminal history, if any, if available, and any written or recorded statements and the substance of any oral statements made by any person, if relied upon by the State. The rules concerning the admissibility of evidence in criminal trials do not apply to the presentation and consideration of information at the hearing. At the trial concerning the offense for which the hearing was conducted neither the finding of the court nor any transcript or other record of the hearing shall be admissible in the State's case in chief, but shall be admissible for
impeachment, or as provided in Section 115-10.1 of this Code, or in a perjury proceeding.

(B) A motion by the defendant to suppress evidence or to suppress a confession shall not be entertained. Evidence that proof may have been obtained as the result of an unlawful search and seizure or through improper interrogation is not relevant to this state of the prosecution.

(2) The facts relied upon by the court to support a finding that:

(A) the defendant poses a real and present threat to the physical safety of the alleged victim of the offense; and

(B) the denial of release on bail or personal recognizance is necessary to prevent fulfillment of the threat upon which the charge is based;

shall be supported by clear and convincing evidence presented by the State.

(d) Factors to be considered in making a determination of the threat to the alleged victim of the offense. The court may, in determining whether the defendant poses, at the time of the hearing, a real and present threat to the physical safety of the alleged victim of the offense, consider but shall not be limited to evidence or testimony concerning:

(1) The nature and circumstances of the offense charged;

(2) The history and characteristics of the defendant including:

(A) Any evidence of the defendant's prior criminal history indicative of violent, abusive or assaultive behavior, or lack of that behavior. The evidence may include testimony or documents received in juvenile proceedings, criminal, quasi-criminal, civil commitment, domestic relations or other proceedings;

(B) Any evidence of the defendant's psychological, psychiatric or other similar social history that tends to indicate a violent, abusive, or assaultive nature, or lack of any such history.

(3) The nature of the threat which is the basis of the charge against the defendant;

(4) Any statements made by, or attributed to the defendant, together with the circumstances surrounding them;

New matter indicated by italics - deletions by strikeout
(5) The age and physical condition of any person assaulted by the defendant;
(6) Whether the defendant is known to possess or have access to any weapon or weapons;
(7) Whether, at the time of the current offense or any other offense or arrest, the defendant was on probation, parole, aftercare release, mandatory supervised release or other release from custody pending trial, sentencing, appeal or completion of sentence for an offense under federal or state law;
(8) Any other factors, including those listed in Section 110-5 of this Code, deemed by the court to have a reasonable bearing upon the defendant's propensity or reputation for violent, abusive or assaultive behavior, or lack of that behavior.

(e) The court shall, in any order denying bail to a person charged with stalking or aggravated stalking:

(1) briefly summarize the evidence of the defendant's culpability and its reasons for concluding that the defendant should be held without bail;
(2) direct that the defendant be committed to the custody of the sheriff for confinement in the county jail pending trial;
(3) direct that the defendant be given a reasonable opportunity for private consultation with counsel, and for communication with others of his choice by visitation, mail and telephone; and
(4) direct that the sheriff deliver the defendant as required for appearances in connection with court proceedings.

(f) If the court enters an order for the detention of the defendant under subsection (e) of this Section, the defendant shall be brought to trial on the offense for which he is detained within 90 days after the date on which the order for detention was entered. If the defendant is not brought to trial within the 90 day period required by this subsection (f), he shall not be held longer without bail. In computing the 90 day period, the court shall omit any period of delay resulting from a continuance granted at the request of the defendant. The court shall immediately notify the alleged victim of the offense that the defendant has been admitted to bail under this subsection.

(g) Any person shall be entitled to appeal any order entered under this Section denying bail to the defendant.
(h) The State may appeal any order entered under this Section denying any motion for denial of bail.

(i) Nothing in this Section shall be construed as modifying or limiting in any way the defendant's presumption of innocence in further criminal proceedings.

Sec. 112A-2. Commencement of Actions.

(a) Actions for orders of protection are commenced in conjunction with a delinquency petition or a criminal prosecution by filing a petition for an order of protection, under the same case number as the delinquency petition or the criminal prosecution, to be granted during pre-trial release of a defendant, with any dispositional order issued under Section 5-710 of the Juvenile Court Act of 1987, or as a condition of release, supervision, conditional discharge, probation, periodic imprisonment, parole, aftercare release, or mandatory supervised release, or in conjunction with imprisonment or a bond forfeiture warrant, provided that:

(i) the violation is alleged in an information, complaint, indictment or delinquency petition on file, and the alleged offender and victim are family or household members; and

(ii) the petition, which is filed by the State's Attorney, names a victim of the alleged crime as a petitioner.

(b) Withdrawal or dismissal of any petition for an order of protection prior to adjudication where the petitioner is represented by the state shall operate as a dismissal without prejudice.

(c) Voluntary dismissals or withdrawal of any delinquency petition or criminal prosecution or a finding of not guilty shall not require dismissal of the action for the order of protection; instead, in the discretion of the State's Attorney, it may be treated as an independent action and, if necessary and appropriate, transferred to a different court or division. Dismissal of any delinquency petition or criminal prosecution shall not affect the validity of any previously issued order of protection, and thereafter subsection (b) of Section 112A-20 shall be inapplicable to that order.

Sec. 112A-20. Duration and extension of orders.

New matter indicated by italics - deletions by strikeout
(a) Duration of emergency and interim orders. Unless re-opened or extended or voided by entry of an order of greater duration:

(1) Emergency orders issued under Section 112A-17 shall be effective for not less than 14 nor more than 21 days;
(2) Interim orders shall be effective for up to 30 days.

(b) Duration of plenary orders. Except as otherwise provided in this Section, a plenary order of protection shall be valid for a fixed period of time not to exceed 2 years. A plenary order of protection entered in conjunction with a criminal prosecution shall remain in effect as follows:

(1) if entered during pre-trial release, until disposition, withdrawal, or dismissal of the underlying charge; if, however, the case is continued as an independent cause of action, the order’s duration may be for a fixed period of time not to exceed 2 years;
(2) if in effect in conjunction with a bond forfeiture warrant, until final disposition or an additional period of time not exceeding 2 years; no order of protection, however, shall be terminated by a dismissal that is accompanied by the issuance of a bond forfeiture warrant;
(3) until expiration of any supervision, conditional discharge, probation, periodic imprisonment, parole, aftercare release, or mandatory supervised release and for an additional period of time thereafter not exceeding 2 years; or
(4) until the date set by the court for expiration of any sentence of imprisonment and subsequent parole, aftercare release, or mandatory supervised release and for an additional period of time thereafter not exceeding 2 years.

(c) Computation of time. The duration of an order of protection shall not be reduced by the duration of any prior order of protection.

(d) Law enforcement records. When a plenary order of protection expires upon the occurrence of a specified event, rather than upon a specified date as provided in subsection (b), no expiration date shall be entered in Department of State Police records. To remove the plenary order from those records, either party shall request the clerk of the court to file a certified copy of an order stating that the specified event has occurred or that the plenary order has been vacated or modified with the sheriff, and the sheriff shall direct that law enforcement records shall be promptly corrected in accordance with the filed order.

(e) Extension of Orders. Any emergency, interim or plenary order of protection may be extended one or more times, as required, provided
that the requirements of Section 112A-17, 112A-18 or 112A-19, as appropriate, are satisfied. If the motion for extension is uncontested and petitioner seeks no modification of the order, the order may be extended on the basis of petitioner's motion or affidavit stating that there has been no material change in relevant circumstances since entry of the order and stating the reason for the requested extension. An extension of a plenary order of protection may be granted, upon good cause shown, to remain in effect until the order of protection is vacated or modified. Extensions may be granted only in open court and not under the provisions of Section 112A-17(c), which applies only when the court is unavailable at the close of business or on a court holiday.

(f) Termination date. Any order of protection which would expire on a court holiday shall instead expire at the close of the next court business day.

(g) Statement of purpose. The practice of dismissing or suspending a criminal prosecution in exchange for issuing an order of protection undermines the purposes of this Article. This Section shall not be construed as encouraging that practice.

(725 ILCS 5/112A-22) (from Ch. 38, par. 112A-22)
Sec. 112A-22. Notice of orders.

(a) Entry and issuance. Upon issuance of any order of protection, the clerk shall immediately, or on the next court day if an emergency order is issued in accordance with subsection (c) of Section 112A-17, (i) enter the order on the record and file it in accordance with the circuit court procedures and (ii) provide a file stamped copy of the order to respondent, if present, and to petitioner.

(b) Filing with sheriff. The clerk of the issuing judge shall, or the petitioner may, on the same day that an order of protection is issued, file a copy of that order with the sheriff or other law enforcement officials charged with maintaining Department of State Police records or charged with serving the order upon respondent. If the order was issued in accordance with subsection (c) of Section 112A-17, the clerk shall on the next court day, file a certified copy of the order with the Sheriff or other law enforcement officials charged with maintaining Department of State Police records. If the respondent, at the time of the issuance of the order, is committed to the custody of the Illinois Department of Corrections or Illinois Department of Juvenile Justice or is on parole, aftercare release, or mandatory supervised release, the sheriff or other law enforcement
officials charged with maintaining Department of State Police records shall notify the Department of Corrections or Department of Juvenile Justice within 48 hours of receipt of a copy of the order of protection from the clerk of the issuing judge or the petitioner. Such notice shall include the name of the respondent, the respondent's IDOC inmate number or IDJJ youth identification number, the respondent's date of birth, and the LEADS Record Index Number.

(c) Service by sheriff. Unless respondent was present in court when the order was issued, the sheriff, other law enforcement official or special process server shall promptly serve that order upon respondent and file proof of such service, in the manner provided for service of process in civil proceedings. Instead of serving the order upon the respondent, however, the sheriff, other law enforcement official, special process server, or other persons defined in Section 112A-22.10 may serve the respondent with a short form notification as provided in Section 112A-22.10. If process has not yet been served upon the respondent, it shall be served with the order or short form notification if such service is made by the sheriff, other law enforcement official, or special process server.

(c-5) If the person against whom the order of protection is issued is arrested and the written order is issued in accordance with subsection (c) of Section 112A-17 and received by the custodial law enforcement agency before the respondent or arrestee is released from custody, the custodial law enforcement agent shall promptly serve the order upon the respondent or arrestee before the respondent or arrestee is released from custody. In no event shall detention of the respondent or arrestee be extended for hearing on the petition for order of protection or receipt of the order issued under Section 112A-17 of this Code.

(d) Extensions, modifications and revocations. Any order extending, modifying or revoking any order of protection shall be promptly recorded, issued and served as provided in this Section.

(e) Notice to health care facilities and health care practitioners. Upon the request of the petitioner, the clerk of the circuit court shall send a certified copy of the order of protection to any specified health care facility or health care practitioner requested by the petitioner at the mailing address provided by the petitioner.

(f) Disclosure by health care facilities and health care practitioners. After receiving a certified copy of an order of protection that prohibits a respondent's access to records, no health care facility or health care practitioner shall allow a respondent access to the records of any child who

is a protected person under the order of protection, or release information in those records to the respondent, unless the order has expired or the respondent shows a certified copy of the court order vacating the corresponding order of protection that was sent to the health care facility or practitioner. Nothing in this Section shall be construed to require health care facilities or health care practitioners to alter procedures related to billing and payment. The health care facility or health care practitioner may file the copy of the order of protection in the records of a child who is a protected person under the order of protection, or may employ any other method to identify the records to which a respondent is prohibited access. No health care facility or health care practitioner shall be civilly or professionally liable for reliance on a copy of an order of protection, except for willful and wanton misconduct.

(g) Notice to schools. Upon the request of the petitioner, within 24 hours of the issuance of an order of protection, the clerk of the issuing judge shall send a certified copy of the order of protection to the day-care facility, pre-school or pre-kindergarten, or private school or the principal office of the public school district or any college or university in which any child who is a protected person under the order of protection or any child of the petitioner is enrolled as requested by the petitioner at the mailing address provided by the petitioner. If the child transfers enrollment to another day-care facility, pre-school, pre-kindergarten, private school, public school, college, or university, the petitioner may, within 24 hours of the transfer, send to the clerk written notice of the transfer, including the name and address of the institution to which the child is transferring. Within 24 hours of receipt of notice from the petitioner that a child is transferring to another day-care facility, pre-school, pre-kindergarten, private school, public school, college, or university, the clerk shall send a certified copy of the order to the institution to which the child is transferring.

(h) Disclosure by schools. After receiving a certified copy of an order of protection that prohibits a respondent's access to records, neither a day-care facility, pre-school, pre-kindergarten, public or private school, college, or university nor its employees shall allow a respondent access to a protected child's records or release information in those records to the respondent. The school shall file the copy of the order of protection in the records of a child who is a protected person under the order of protection. When a child who is a protected person under the order of protection transfers to another day-care facility, pre-school, pre-kindergarten, public
or private school, college, or university, the institution from which the
child is transferring may, at the request of the petitioner, provide, within
24 hours of the transfer, written notice of the order of protection, along
with a certified copy of the order, to the institution to which the child is
transferring.

Section 90. The Privacy of Child Victims of Criminal Sexual Offenses Act is amended by changing Section 3 as follows:
(725 ILCS 190/3) (from Ch. 38, par. 1453)
Sec. 3. Confidentiality of Law Enforcement and Court Records. A court may for the child's protection and for good cause shown, prohibit any person or agency present in court from further disclosing the child's identity.

When a criminal sexual offense is committed or alleged to have been committed by a school district employee or any individual contractually employed by a school district, a copy of the criminal history record information relating to the investigation of the offense or alleged offense shall be transmitted to the superintendent of schools of the district immediately upon request or if the law enforcement agency knows that a school district employee or any individual contractually employed by a school district has committed or is alleged to have committed a criminal sexual offense, the superintendent of schools of the district shall be immediately provided a copy of the criminal history record information.

The superintendent shall be restricted from specifically revealing the name of the victim without written consent of the victim or victim's parent or guardian.

A court may prohibit such disclosure only after giving notice and a hearing to all affected parties. In determining whether to prohibit disclosure of the minor's identity the court shall consider:

(a) the best interest of the child; and
(b) whether such nondisclosure would further a compelling State interest.

For the purposes of this Act, "criminal history record information" means:

(i) chronologically maintained arrest information, such as traditional arrest logs or blotters;
(ii) the name of a person in the custody of a law enforcement agency and the charges for which that person is being held;
(iii) court records that are public;
(iv) records that are otherwise available under State or local law; or
(v) records in which the requesting party is the individual identified, except as provided under part (vii) of paragraph (c) of subsection (1) of Section 7 of the Freedom of Information Act.

If the petition alleges that a sexually violent offense or act that is a basis for the allegation under paragraph (b)(1) of this Section was an act that was sexually motivated as provided under paragraph (e)(2) of Section 5 of this Act, the petition shall state the grounds on which the offense or act is alleged to be sexually motivated.

(725 ILCS 207/30)
Sec. 30. Detention; probable cause hearing; transfer for examination.

(a) Upon the filing of a petition under Section 15 of this Act, the court shall review the petition to determine whether to issue an order for detention of the person who is the subject of the petition. The person shall be detained only if there is cause to believe that the person is eligible for commitment under subsection (f) of Section 35 of this Act. A person detained under this Section shall be held in a facility approved by the Department. If the person is serving a sentence of imprisonment, is in a Department of Corrections correctional facility or juvenile correctional facility or is committed to institutional care, and the court orders detention under this Section, the court shall order that the person be transferred to a detention facility approved by the Department. A detention order under this Section remains in effect until the person is discharged after a trial under Section 35 of this Act or until the effective date of a commitment order under Section 40 of this Act, whichever is applicable.

(b) Whenever a petition is filed under Section 15 of this Act, the court shall hold a hearing to determine whether there is probable cause to believe that the person named in the petition is a sexually violent person. If the person named in the petition is in custody, the court shall hold the probable cause hearing within 72 hours after the petition is filed, excluding Saturdays, Sundays and legal holidays. The court may grant a continuance of the probable cause hearing for no more than 7 additional days upon the motion of the respondent, for good cause. If the person named in the petition has been released, is on parole, is on aftercare release, is on mandatory supervised release, or otherwise is not in custody, the court shall hold the probable cause hearing within a reasonable time after the

(c) If the court determines after a hearing that there is probable cause to believe that the person named in the petition is a sexually violent person, the court shall order that the person be taken into custody if he or she is not in custody and shall order the person to be transferred within a reasonable time to an appropriate facility for an evaluation as to whether the person is a sexually violent person. If the person who is named in the petition refuses to speak to, communicate with, or otherwise fails to cooperate with the examining evaluator from the Department of Human Services or the Department of Corrections, that person may only introduce evidence and testimony from any expert or professional person who is retained or court-appointed to conduct an examination of the person that results from a review of the records and may not introduce evidence resulting from an examination of the person. Notwithstanding the provisions of Section 10 of the Mental Health and Developmental Disabilities Confidentiality Act, all evaluations conducted pursuant to this Act and all Illinois Department of Corrections treatment records shall be admissible at all proceedings held pursuant to this Act, including the probable cause hearing and the trial.

If the court determines that probable cause does not exist to believe that the person is a sexually violent person, the court shall dismiss the petition.

(d) The Department shall promulgate rules that provide the qualifications for persons conducting evaluations under subsection (c) of this Section.

(e) If the person named in the petition claims or appears to be indigent, the court shall, prior to the probable cause hearing under subsection (b) of this Section, appoint counsel.

(725 ILCS 207/40)
(Text of Section before amendment by P.A. 97-1098)
Sec. 40. Commitment.

(a) If a court or jury determines that the person who is the subject of a petition under Section 15 of this Act is a sexually violent person, the court shall order the person to be committed to the custody of the Department for control, care and treatment until such time as the person is no longer a sexually violent person.
(b)(1) The court shall enter an initial commitment order under this Section pursuant to a hearing held as soon as practicable after the judgment is entered that the person who is the subject of a petition under Section 15 is a sexually violent person. If the court lacks sufficient information to make the determination required by paragraph (b)(2) of this Section immediately after trial, it may adjourn the hearing and order the Department to conduct a predisposition investigation or a supplementary mental examination, or both, to assist the court in framing the commitment order. If the Department's examining evaluator previously rendered an opinion that the person who is the subject of a petition under Section 15 does not meet the criteria to be found a sexually violent person, then another evaluator shall conduct the predisposition investigation and/or supplementary mental examination. A supplementary mental examination under this Section shall be conducted in accordance with Section 3-804 of the Mental Health and Developmental Disabilities Code. The State has the right to have the person evaluated by experts chosen by the State.

(2) An order for commitment under this Section shall specify either institutional care in a secure facility, as provided under Section 50 of this Act, or conditional release. In determining whether commitment shall be for institutional care in a secure facility or for conditional release, the court shall consider the nature and circumstances of the behavior that was the basis of the allegation in the petition under paragraph (b)(1) of Section 15, the person's mental history and present mental condition, and what arrangements are available to ensure that the person has access to and will participate in necessary treatment. All treatment, whether in institutional care, in a secure facility, or while on conditional release, shall be conducted in conformance with the standards developed under the Sex Offender Management Board Act and conducted by a treatment provider approved by the Board. The Department shall arrange for control, care and treatment of the person in the least restrictive manner consistent with the requirements of the person and in accordance with the court's commitment order.

(3) If the court finds that the person is appropriate for conditional release, the court shall notify the Department. The Department shall prepare a plan that identifies the treatment and services, if any, that the person will receive in the community. The plan shall address the person's need, if any, for supervision, counseling, medication, community support services, residential services, vocational services, and alcohol or other drug abuse treatment. The Department may contract with a county health
department, with another public agency or with a private agency to provide the treatment and services identified in the plan. The plan shall specify who will be responsible for providing the treatment and services identified in the plan. The plan shall be presented to the court for its approval within 60 days after the court finding that the person is appropriate for conditional release, unless the Department and the person to be released request additional time to develop the plan. The conditional release program operated under this Section is not subject to the provisions of the Mental Health and Developmental Disabilities Confidentiality Act.

(4) An order for conditional release places the person in the custody and control of the Department. A person on conditional release is subject to the conditions set by the court and to the rules of the Department. Before a person is placed on conditional release by the court under this Section, the court shall so notify the municipal police department and county sheriff for the municipality and county in which the person will be residing. The notification requirement under this Section does not apply if a municipal police department or county sheriff submits to the court a written statement waiving the right to be notified. Notwithstanding any other provision in the Act, the person being supervised on conditional release shall not reside at the same street address as another sex offender being supervised on conditional release under this Act, mandatory supervised release, parole, aftercare release, probation, or any other manner of supervision. If the Department alleges that a released person has violated any condition or rule, or that the safety of others requires that conditional release be revoked, he or she may be taken into custody under the rules of the Department.

At any time during which the person is on conditional release, if the Department determines that the person has violated any condition or rule, or that the safety of others requires that conditional release be revoked, the Department may request the Attorney General or State's Attorney to request the court to issue an emergency ex parte order directing any law enforcement officer to take the person into custody and transport the person to the county jail. The Department may request, or the Attorney General or State's Attorney may request independently of the Department, that a petition to revoke conditional release be filed. When a petition is filed, the court may order the Department to issue a notice to the person to be present at the Department or other agency designated by the court, order a summons to the person to be present, or order a body attachment for all law enforcement officers to take the person into custody.

New matter indicated by italics - deletions by strikeout
and transport him or her to the county jail, hospital, or treatment facility. The Department shall submit a statement showing probable cause of the detention and a petition to revoke the order for conditional release to the committing court within 48 hours after the detention. The court shall hear the petition within 30 days, unless the hearing or time deadline is waived by the detained person. Pending the revocation hearing, the Department may detain the person in a jail, in a hospital or treatment facility. The State has the burden of proving by clear and convincing evidence that any rule or condition of release has been violated, or that the safety of others requires that the conditional release be revoked. If the court determines after hearing that any rule or condition of release has been violated, or that the safety of others requires that conditional release be revoked, it may revoke the order for conditional release and order that the released person be placed in an appropriate institution until the person is discharged from the commitment under Section 65 of this Act or until again placed on conditional release under Section 60 of this Act.

(5) An order for conditional release places the person in the custody, care, and control of the Department. The court shall order the person be subject to the following rules of conditional release, in addition to any other conditions ordered, and the person shall be given a certificate setting forth the conditions of conditional release. These conditions shall be that the person:

(A) not violate any criminal statute of any jurisdiction;

(B) report to or appear in person before such person or agency as directed by the court and the Department;

(C) refrain from possession of a firearm or other dangerous weapon;

(D) not leave the State without the consent of the court or, in circumstances in which the reason for the absence is of such an emergency nature, that prior consent by the court is not possible without the prior notification and approval of the Department;

(E) at the direction of the Department, notify third parties of the risks that may be occasioned by his or her criminal record or sexual offending history or characteristics, and permit the supervising officer or agent to make the notification requirement;

(F) attend and fully participate in assessment, treatment, and behavior monitoring including, but not limited to, medical, psychological or psychiatric treatment specific to sexual offending, drug addiction, or alcoholism, to the extent appropriate to the

person based upon the recommendation and findings made in the Department evaluation or based upon any subsequent recommendations by the Department;

(G) waive confidentiality allowing the court and Department access to assessment or treatment results or both;

(H) work regularly at a Department approved occupation or pursue a course of study or vocational training and notify the Department within 72 hours of any change in employment, study, or training;

(I) not be employed or participate in any volunteer activity that involves contact with children, except under circumstances approved in advance and in writing by the Department officer;

(J) submit to the search of his or her person, residence, vehicle, or any personal or real property under his or her control at any time by the Department;

(K) financially support his or her dependents and provide the Department access to any requested financial information;

(L) serve a term of home confinement, the conditions of which shall be that the person:

(i) remain within the interior premises of the place designated for his or her confinement during the hours designated by the Department;

(ii) admit any person or agent designated by the Department into the offender's place of confinement at any time for purposes of verifying the person's compliance with the condition of his or her confinement;

(iii) if deemed necessary by the Department, be placed on an electronic monitoring device;

(M) comply with the terms and conditions of an order of protection issued by the court pursuant to the Illinois Domestic Violence Act of 1986. A copy of the order of protection shall be transmitted to the Department by the clerk of the court;

(N) refrain from entering into a designated geographic area except upon terms the Department finds appropriate. The terms may include consideration of the purpose of the entry, the time of day, others accompanying the person, and advance approval by the Department;

(Text of Section after amendment by P.A. 97-1098)

Sec. 40. Commitment.

(a) If a court or jury determines that the person who is the subject of a petition under Section 15 of this Act is a sexually violent person, the court shall order the person to be committed to the custody of the Department for control, care and treatment until such time as the person is no longer a sexually violent person.

(b)(1) The court shall enter an initial commitment order under this Section pursuant to a hearing held as soon as practicable after the judgment is entered that the person who is the subject of a petition under Section 15 is a sexually violent person. If the court lacks sufficient
information to make the determination required by paragraph (b)(2) of this Section immediately after trial, it may adjourn the hearing and order the Department to conduct a predisposition investigation or a supplementary mental examination, or both, to assist the court in framing the commitment order. If the Department's examining evaluator previously rendered an opinion that the person who is the subject of a petition under Section 15 does not meet the criteria to be found a sexually violent person, then another evaluator shall conduct the predisposition investigation and/or supplementary mental examination. A supplementary mental examination under this Section shall be conducted in accordance with Section 3-804 of the Mental Health and Developmental Disabilities Code. The State has the right to have the person evaluated by experts chosen by the State.

(2) An order for commitment under this Section shall specify either institutional care in a secure facility, as provided under Section 50 of this Act, or conditional release. In determining whether commitment shall be for institutional care in a secure facility or for conditional release, the court shall consider the nature and circumstances of the behavior that was the basis of the allegation in the petition under paragraph (b)(1) of Section 15, the person's mental history and present mental condition, and what arrangements are available to ensure that the person has access to and will participate in necessary treatment. All treatment, whether in institutional care, in a secure facility, or while on conditional release, shall be conducted in conformance with the standards developed under the Sex Offender Management Board Act and conducted by a treatment provider licensed under the Sex Offender Evaluation and Treatment Provider Act. The Department shall arrange for control, care and treatment of the person in the least restrictive manner consistent with the requirements of the person and in accordance with the court's commitment order.

(3) If the court finds that the person is appropriate for conditional release, the court shall notify the Department. The Department shall prepare a plan that identifies the treatment and services, if any, that the person will receive in the community. The plan shall address the person's need, if any, for supervision, counseling, medication, community support services, residential services, vocational services, and alcohol or other drug abuse treatment. The Department may contract with a county health department, with another public agency or with a private agency to provide the treatment and services identified in the plan. The plan shall specify who will be responsible for providing the treatment and services identified in the plan. The plan shall be presented to the court for its approval within
60 days after the court finding that the person is appropriate for conditional release, unless the Department and the person to be released request additional time to develop the plan. The conditional release program operated under this Section is not subject to the provisions of the Mental Health and Developmental Disabilities Confidentiality Act.

(4) An order for conditional release places the person in the custody and control of the Department. A person on conditional release is subject to the conditions set by the court and to the rules of the Department. Before a person is placed on conditional release by the court under this Section, the court shall so notify the municipal police department and county sheriff for the municipality and county in which the person will be residing. The notification requirement under this Section does not apply if a municipal police department or county sheriff submits to the court a written statement waiving the right to be notified. Notwithstanding any other provision in the Act, the person being supervised on conditional release shall not reside at the same street address as another sex offender being supervised on conditional release under this Act, mandatory supervised release, parole, aftercare release, probation, or any other manner of supervision. If the Department alleges that a released person has violated any condition or rule, or that the safety of others requires that conditional release be revoked, he or she may be taken into custody under the rules of the Department.

At any time during which the person is on conditional release, if the Department determines that the person has violated any condition or rule, or that the safety of others requires that conditional release be revoked, the Department may request the Attorney General or State's Attorney to request the court to issue an emergency ex parte order directing any law enforcement officer to take the person into custody and transport the person to the county jail. The Department may request, or the Attorney General or State's Attorney may request independently of the Department, that a petition to revoke conditional release be filed. When a petition is filed, the court may order the Department to issue a notice to the person to be present at the Department or other agency designated by the court, order a summons to the person to be present, or order a body attachment for all law enforcement officers to take the person into custody and transport him or her to the county jail, hospital, or treatment facility. The Department shall submit a statement showing probable cause of the detention and a petition to revoke the order for conditional release to the committing court within 48 hours after the detention. The court shall hear

New matter indicated by italics - deletions by strikeout
the petition within 30 days, unless the hearing or time deadline is waived by the detained person. Pending the revocation hearing, the Department may detain the person in a jail, in a hospital or treatment facility. The State has the burden of proving by clear and convincing evidence that any rule or condition of release has been violated, or that the safety of others requires that the conditional release be revoked. If the court determines after hearing that any rule or condition of release has been violated, or that the safety of others requires that conditional release be revoked, it may revoke the order for conditional release and order that the released person be placed in an appropriate institution until the person is discharged from the commitment under Section 65 of this Act or until again placed on conditional release under Section 60 of this Act.

(5) An order for conditional release places the person in the custody, care, and control of the Department. The court shall order the person be subject to the following rules of conditional release, in addition to any other conditions ordered, and the person shall be given a certificate setting forth the conditions of conditional release. These conditions shall be that the person:

(A) not violate any criminal statute of any jurisdiction;
(B) report to or appear in person before such person or agency as directed by the court and the Department;
(C) refrain from possession of a firearm or other dangerous weapon;
(D) not leave the State without the consent of the court or, in circumstances in which the reason for the absence is of such an emergency nature, that prior consent by the court is not possible without the prior notification and approval of the Department;
(E) at the direction of the Department, notify third parties of the risks that may be occasioned by his or her criminal record or sexual offending history or characteristics, and permit the supervising officer or agent to make the notification requirement;
(F) attend and fully participate in assessment, treatment, and behavior monitoring including, but not limited to, medical, psychological or psychiatric treatment specific to sexual offending, drug addiction, or alcoholism, to the extent appropriate to the person based upon the recommendation and findings made in the Department evaluation or based upon any subsequent recommendations by the Department;
(G) waive confidentiality allowing the court and Department access to assessment or treatment results or both;

(H) work regularly at a Department approved occupation or pursue a course of study or vocational training and notify the Department within 72 hours of any change in employment, study, or training;

(I) not be employed or participate in any volunteer activity that involves contact with children, except under circumstances approved in advance and in writing by the Department officer;

(J) submit to the search of his or her person, residence, vehicle, or any personal or real property under his or her control at any time by the Department;

(K) financially support his or her dependents and provide the Department access to any requested financial information;

(L) serve a term of home confinement, the conditions of which shall be that the person:

(i) remain within the interior premises of the place designated for his or her confinement during the hours designated by the Department;

(ii) admit any person or agent designated by the Department into the offender's place of confinement at any time for purposes of verifying the person's compliance with the condition of his or her confinement;

(iii) if deemed necessary by the Department, be placed on an electronic monitoring device;

(M) comply with the terms and conditions of an order of protection issued by the court pursuant to the Illinois Domestic Violence Act of 1986. A copy of the order of protection shall be transmitted to the Department by the clerk of the court;

(N) refrain from entering into a designated geographic area except upon terms the Department finds appropriate. The terms may include consideration of the purpose of the entry, the time of day, others accompanying the person, and advance approval by the Department;

(O) refrain from having any contact, including written or oral communications, directly or indirectly, with certain specified persons including, but not limited to, the victim or the victim's family, and report any incidental contact with the victim or the victim's family to the Department within 72 hours; refrain from

aftercare release, or if it denies parole or aftercare release it shall provide for a rehearing not less frequently than once every year, except that the Board may, after denying parole, schedule a rehearing no later than 5 years from the date of the parole denial, if the Board finds that it is not reasonable to expect that parole would be granted at a hearing prior to the scheduled rehearing date. (a) The length of parole for a person sentenced under the law in
effect prior to the effective date of this amendatory Act of 1977 and the
length of mandatory supervised release for those sentenced under the law
in effect on and after such effective date shall be as set out in Section 5-8-
1 unless sooner terminated under paragraph (b) of this Section. The
aftercare release parole period of a juvenile committed to the Department
under the Juvenile Court Act or the Juvenile Court Act of 1987 shall

that he or she is likely to remain at liberty without committing another
offense.

(b-1) Provided that the subject is in compliance with the terms and
conditions of his or her parole, aftercare release, or mandatory supervised
release, the Prisoner Review Board may reduce the period of a parolee or

(c) The order of discharge shall become effective upon entry of the order of the Board. The Board shall notify the clerk of the committing court of the order. Upon receipt of such copy, the clerk shall make an entry on the record judgment that the sentence or commitment has been satisfied pursuant to the order.

Sec. 3-3-9. Violations; changes of conditions; preliminary hearing; revocation of parole, aftercare release, or mandatory supervised release; revocation hearing.

(a) If prior to expiration or termination of the term of parole, aftercare release, or mandatory supervised release, a person violates a condition set by the Prisoner Review Board or a condition of parole, aftercare release, or mandatory supervised release under Section 3-3-7 of this Code to govern that term, the Board may:

(1) continue the existing term, with or without modifying or enlarging the conditions; or

(2) parole or release the person to a half-way house; or

(3) revoke the parole, aftercare release, or mandatory supervised release and reconfine the person for a term computed in the following manner:

   (i) (A) For those sentenced under the law in effect prior to this amendatory Act of 1977, the recommittal shall be for any portion of the imposed maximum term of imprisonment or confinement which had not been served at the time of parole and the parole term, less the time elapsed between the parole of the person and the commission of the violation for which parole was revoked;

   (B) Except as set forth in paragraph (C), for those subject to mandatory supervised release under paragraph (d) of Section 5-8-1 of this Code, the recommittal shall
be for the total mandatory supervised release term, less the
time elapsed between the release of the person and the
commission of the violation for which mandatory
supervised release is revoked. The Board may also order
that a prisoner serve up to one year of the sentence imposed
by the court which was not served due to the accumulation
of sentence credit;

(C) For those subject to sex offender supervision
under clause (d)(4) of Section 5-8-1 of this Code, the
reconfinement period for violations of clauses (a)(3)
through (b-1)(15) of Section 3-3-7 shall not exceed 2 years
from the date of reconfinement;

(ii) the person shall be given credit against the term
of reimprisonment or reconfinement for time spent in
custody since he or she was paroled or released which has
not been credited against another sentence or period of
confine;

(iii) persons committed under the Juvenile Court
Act or the Juvenile Court Act of 1987 may be continued
under the existing term of aftercare release parole with or
without modifying the conditions of aftercare release
parole, paroled or released on aftercare release to a group
home or other residential facility, or recommitted until the
age of 21 unless sooner terminated;

(iv) this Section is subject to the release under
supervision and the reparole and rerelease provisions of
Section 3-3-10.

(b) The Board may revoke parole, aftercare release, or mandatory
supervised release for violation of a condition for the duration of the term
and for any further period which is reasonably necessary for the
adjudication of matters arising before its expiration. The issuance of a
warrant of arrest for an alleged violation of the conditions of parole,
aftercare release, or mandatory supervised release shall toll the running of
the term until the final determination of the charge. When parole, aftercare
release, or mandatory supervised release is not revoked that period shall
be credited to the term, unless a community-based sanction is imposed as
an alternative to revocation and reincarceration, including a diversion
established by the Illinois Department of Corrections Parole Services Unit

(b-5) The Board shall revoke parole, aftercare release, or mandatory supervised release for violation of the conditions prescribed in paragraph (7.6) of subsection (a) of Section 3-3-7.

(c) A person charged with violating a condition of parole, aftercare release, or mandatory supervised release shall have a preliminary hearing before a hearing officer designated by the Board to determine if there is cause to hold the person for a revocation hearing. However, no preliminary hearing need be held when revocation is based upon new criminal charges and a court finds probable cause on the new criminal charges or when the revocation is based upon a new criminal conviction and a certified copy of that conviction is available.

(d) Parole, aftercare release, or mandatory supervised release shall not be revoked without written notice to the offender setting forth the violation of parole, aftercare release, or mandatory supervised release charged against him or her.

(e) A hearing on revocation shall be conducted before at least one member of the Prisoner Review Board. The Board may meet and order its actions in panels of 3 or more members. The action of a majority of the panel shall be the action of the Board. In consideration of persons committed to the Department of Juvenile Justice, the member hearing the matter and at least a majority of the panel shall be experienced in juvenile matters. A record of the hearing shall be made. At the hearing the offender shall be permitted to:

1. appear and answer the charge; and
2. bring witnesses on his or her behalf.

(f) The Board shall either revoke parole, aftercare release, or mandatory supervised release or order the person's term continued with or without modification or enlargement of the conditions.

(g) Parole, aftercare release, or mandatory supervised release shall not be revoked for failure to make payments under the conditions of parole or release unless the Board determines that such failure is due to the offender's willful refusal to pay.

(b) If the Board sets no earlier release date:

(1) A person sentenced for any violation of law which occurred before January 1, 1973, shall be released under supervision 6 months prior to the expiration of his or her maximum sentence of imprisonment less good time credit under Section 3-6-3.

(2) Any person who has violated the conditions of his or her parole or aftercare release and been reconfined under Section 3-3-9 shall be released under supervision 6 months prior to the expiration of the term of his or her reconfinement under paragraph (a) of Section 3-3-9 less good time credit under Section 3-6-3. This paragraph shall not apply to persons serving terms of mandatory supervised release.

(3) Nothing herein shall require the release of a person who has violated his or her parole within 6 months of the date when his or her release under this Section would otherwise be mandatory.

(f-6) The Illinois Department of State Police may contract with third parties for the purposes of implementing this amendatory Act of the 93rd General Assembly, except as provided in subsection (n) of this Section. Any other party contracting to carry out the functions of this Section shall be subject to the same restrictions and requirements of this Section insofar as applicable, as the Illinois Department of State Police, and to any additional restrictions imposed by the Illinois Department of State Police.

(g) For the purposes of this Section, "qualifying offense" means any of the following:

(1) any violation or inchoate violation of Section 11-1.50, 11-1.60, 11-6, 11-9.1, 11-11, 11-18.1, 12-15, or 12-16 of the Criminal Code of 1961 or the Criminal Code of 2012;

(2) any former statute of this State which defined a felony sexual offense;

(3) (blank);

(4) any inchoate violation of Section 9-3.1, 9-3.4, 11-9.3, 12-7.3, or 12-7.4 of the Criminal Code of 1961 or the Criminal Code of 2012; or

(5) any violation or inchoate violation of Article 29D of the Criminal Code of 1961 or the Criminal Code of 2012.
(g-5) (Blank).

(h) The Illinois Department of State Police shall be the State central repository for all genetic marker grouping analysis information obtained pursuant to this Act. The Illinois Department of State Police may promulgate rules for the form and manner of the collection of blood, saliva, or tissue specimens and other procedures for the operation of this Act. The provisions of the Administrative Review Law shall apply to all actions taken under the rules so promulgated.

(i) (1) A person required to provide a blood, saliva, or tissue specimen shall cooperate with the collection of the specimen and any deliberate act by that person intended to impede, delay or stop the collection of the blood, saliva, or tissue specimen is a Class 4 felony.

(2) In the event that a person's DNA specimen is not adequate for any reason, the person shall provide another DNA specimen for analysis. Duly authorized law enforcement and corrections personnel may employ reasonable force in cases in which an individual refuses to provide a DNA specimen required under this Act.

(j) Any person required by subsection (a), or any person who was previously required by subsection (a-3.2), to submit specimens of blood, saliva, or tissue to the Illinois Department of State Police for analysis and categorization into genetic marker grouping, in addition to any other disposition, penalty, or fine imposed, shall pay an analysis fee of $250. If the analysis fee is not paid at the time of sentencing, the court shall establish a fee schedule by which the entire amount of the analysis fee shall be paid in full, such schedule not to exceed 24 months from the time of conviction. The inability to pay this analysis fee shall not be the sole ground to incarcerate the person.

(k) All analysis and categorization fees provided for by subsection (j) shall be regulated as follows:

(1) The State Offender DNA Identification System Fund is hereby created as a special fund in the State Treasury.

(2) All fees shall be collected by the clerk of the court and forwarded to the State Offender DNA Identification System Fund for deposit. The clerk of the circuit court may retain the amount of $10 from each collected analysis fee to offset administrative costs incurred in carrying out the clerk's responsibilities under this Section.
(3) Fees deposited into the State Offender DNA Identification System Fund shall be used by Illinois State Police crime laboratories as designated by the Director of State Police. These funds shall be in addition to any allocations made pursuant to existing laws and shall be designated for the exclusive use of State crime laboratories. These uses may include, but are not limited to, the following:

(A) Costs incurred in providing analysis and genetic marker categorization as required by subsection (d).

(B) Costs incurred in maintaining genetic marker groupings as required by subsection (e).

(C) Costs incurred in the purchase and maintenance of equipment for use in performing analyses.

(D) Costs incurred in continuing research and development of new techniques for analysis and genetic marker categorization.

(E) Costs incurred in continuing education, training, and professional development of forensic scientists regularly employed by these laboratories.

(l) The failure of a person to provide a specimen, or of any person or agency to collect a specimen, shall in no way alter the obligation of the person to submit such specimen, or the authority of the Illinois Department of State Police or persons designated by the Department to collect the specimen, or the authority of the Illinois Department of State Police to accept, analyze and maintain the specimen or to maintain or upload results of genetic marker grouping analysis information into a State or national database.

(m) If any provision of this amendatory Act of the 93rd General Assembly is held unconstitutional or otherwise invalid, the remainder of this amendatory Act of the 93rd General Assembly is not affected.

(n) Neither the Department of State Police, the Division of Forensic Services, nor any laboratory of the Division of Forensic Services may contract out forensic testing for the purpose of an active investigation or a matter pending before a court of competent jurisdiction without the written consent of the prosecuting agency. For the purposes of this subsection (n), "forensic testing" includes the analysis of physical evidence in an investigation or other proceeding for the prosecution of a violation of the Criminal Code of 1961 or the Criminal Code of 2012 or for matters adjudicated under the Juvenile Court Act of 1987, and includes the use of

forensic databases and databanks, including DNA, firearm, and fingerprint databases, and expert testimony.

(o) Mistake does not invalidate a database match. The detention, arrest, or conviction of a person based upon a database match or database information is not invalidated if it is determined that the specimen was obtained or placed in the database by mistake.

(b) Withdrawal or dismissal of any petition for a stalking no contact order prior to adjudication where the petitioner is represented by the State shall operate as a dismissal without prejudice. For any action commenced under item (2) of subsection (a) of this Section, dismissal of the conjoined case (or a finding of not guilty) shall not require dismissal of the action for a stalking no contact order; instead, it may be treated as an independent action and, if necessary and appropriate, transferred to a different court or division.

If the order was issued in accordance with subsection (c) of Section 95, the clerk shall, on the next court day, file a certified copy of the order with the sheriff or other law enforcement officials charged with maintaining Department of State Police records. If the respondent, at the time of the issuance of the order, is committed to the custody of the Illinois Department of Corrections or Illinois Department of Juvenile Justice or is on parole, aftercare release, or mandatory supervised release, the sheriff or other law enforcement officials charged with maintaining Department of State Police records shall notify the Department of Corrections or Department of Juvenile Justice within 48 hours of receipt of a copy of the stalking no contact order from the clerk of the issuing judge or the petitioner. Such notice shall include the name of the respondent, the respondent's IDOC inmate number or IDJJ youth identification number, the respondent's date of birth, and the LEADS Record Index Number.

(c) Unless the respondent was present in court when the order was issued, the sheriff, other law enforcement official, or special process server shall promptly serve that order upon the respondent and file proof of such service in the manner provided for service of process in civil proceedings. Instead of serving the order upon the respondent, however, the sheriff, other law enforcement official, special process server, or other persons defined in Section 117 may serve the respondent with a short form notification as provided in Section 117. (e) The Attorney General shall make the short form notification form available to law enforcement agencies in this State.

Sec. 216. Duration and extension of orders.

(a) Unless re-opened or extended or voided by entry of an order of greater duration, an emergency order shall be effective for not less than 14 nor more than 21 days.

(b) Except as otherwise provided in this Section, a plenary civil no contact order shall be effective for a fixed period of time, not to exceed 2 years. A plenary civil no contact order entered in conjunction with a criminal prosecution shall remain in effect as follows:

(1) if entered during pre-trial release, until disposition, withdrawal, or dismissal of the underlying charge; if however, the case is continued as an independent cause of action, the order's duration may be for a fixed period of time not to exceed 2 years;

(2) if in effect in conjunction with a bond forfeiture warrant, until final disposition or an additional period of time not exceeding 2 years; no civil no contact order, however, shall be terminated by a dismissal that is accompanied by the issuance of a bond forfeiture warrant;

(3) until expiration of any supervision, conditional discharge, probation, periodic imprisonment, parole, aftercare release, or mandatory supervised release and for an additional period of time thereafter not exceeding 2 years; or

(4) until the date set by the court for expiration of any sentence of imprisonment and subsequent parole, aftercare release,
or mandatory supervised release and for an additional period of
time thereafter not exceeding 2 years.

(c) Any emergency or plenary order may be extended one or more
times, as required, provided that the requirements of Section 214 or 215,
as appropriate, are satisfied. If the motion for extension is uncontested and
the petitioner seeks no modification of the order, the order may be
extended on the basis of the petitioner's motion or affidavit stating that
there has been no material change in relevant circumstances since entry of
the order and stating the reason for the requested extension. Extensions
may be granted only in open court and not under the provisions of
subsection (c) of Section 214, which applies only when the court is
unavailable at the close of business or on a court holiday.

(d) Any civil no contact order which would expire on a court
holiday shall instead expire at the close of the next court business day.

(d-5) An extension of a plenary civil no contact order may be
granted, upon good cause shown, to remain in effect until the civil no
contact order is vacated or modified.

(e) The practice of dismissing or suspending a criminal prosecution
in exchange for the issuance of a civil no contact order undermines the
purposes of this Act. This Section shall not be construed as encouraging
that practice.

Such notice shall include the name of the respondent, the respondent's IDOC inmate number or *IDJJ youth identification number*, the respondent's date of birth, and the LEADS Record Index Number.

In no event shall detention of the respondent or arrestee be extended for hearing on the petition for civil no contact order or receipt of the order issued under Section 214 of this Act.

When a plenary order of protection expires upon the occurrence of a specified event, rather than upon a specified date as provided in subsection (b), no expiration date shall be entered in Department of State Police records. To remove the plenary order from those records, either party shall request the clerk of the court to file a certified copy of an order stating that the specified event has occurred or that the plenary order has been vacated or modified with the Sheriff, and the Sheriff shall direct that law enforcement records shall be promptly corrected in accordance with the filed order.

(e) Extension of orders. Any emergency, interim or plenary order may be extended one or more times, as required, provided that the requirements of Section 217, 218 or 219, as appropriate, are satisfied. If the motion for extension is uncontested and petitioner seeks no modification of the order, the order may be extended on the basis of petitioner's motion or affidavit stating that there has been no material change in relevant circumstances since entry of the order and stating the reason for the requested extension. An extension of a plenary order of protection may be granted, upon good cause shown, to remain in effect until the order of protection is vacated or modified. Extensions may be

granted only in open court and not under the provisions of subsection (c) of Section 217, which applies only when the court is unavailable at the close of business or on a court holiday.

(f) Termination date. Any order of protection which would expire on a court holiday shall instead expire at the close of the next court business day.

(g) Statement of purpose. The practice of dismissing or suspending a criminal prosecution in exchange for the issuance of an order of protection undermines the purposes of this Act. This Section shall not be construed as encouraging that practice.

(750 ILCS 60/222) (from Ch. 40, par. 2312-22)
Sec. 222. Notice of orders.

(a) Entry and issuance. Upon issuance of any order of protection, the clerk shall immediately, or on the next court day if an emergency order is issued in accordance with subsection (c) of Section 217, (i) enter the order on the record and file it in accordance with the circuit court procedures and (ii) provide a file stamped copy of the order to respondent, if present, and to petitioner.

(b) Filing with sheriff. The clerk of the issuing judge shall, or the petitioner may, on the same day that an order of protection is issued, file a certified copy of that order with the sheriff or other law enforcement officials charged with maintaining Department of State Police records or charged with serving the order upon respondent. If the order was issued in accordance with subsection (c) of Section 217, the clerk shall on the next court day, file a certified copy of the order with the Sheriff or other law enforcement officials charged with maintaining Department of State Police records. If the respondent, at the time of the issuance of the order, is committed to the custody of the Illinois Department of Corrections or Illinois Department of Juvenile Justice or is on parole, aftercare release, or mandatory supervised release, the sheriff or other law enforcement officials charged with maintaining Department of State Police records shall notify the Department of Corrections or Department of Juvenile Justice within 48 hours of receipt of a copy of the order of protection from the clerk of the issuing judge or the petitioner. Such notice shall include the name of the respondent, the respondent's IDOC inmate number or IDJJ youth identification number, the respondent's date of birth, and the LEADS Record Index Number.
(c) Service by sheriff. Unless respondent was present in court when the order was issued, the sheriff, other law enforcement official or special process server shall promptly serve that order upon respondent and file proof of such service, in the manner provided for service of process in civil proceedings. Instead of serving the order upon the respondent, however, the sheriff, other law enforcement official, special process server, or other persons defined in Section 222.10 may serve the respondent with a short form notification as provided in Section 222.10. If process has not yet been served upon the respondent, it shall be served with the order or short form notification if such service is made by the sheriff, other law enforcement official, or special process server. A single fee may be charged for service of an order obtained in civil court, or for service of such an order together with process, unless waived or deferred under Section 210.

(c-5) If the person against whom the order of protection is issued is arrested and the written order is issued in accordance with subsection (c) of Section 217 and received by the custodial law enforcement agency before the respondent or arrestee is released from custody, the custodial law enforcement agent shall promptly serve the order upon the respondent or arrestee before the respondent or arrestee is released from custody. In no event shall detention of the respondent or arrestee be extended for hearing on the petition for order of protection or receipt of the order issued under Section 217 of this Act.

(d) Extensions, modifications and revocations. Any order extending, modifying or revoking any order of protection shall be promptly recorded, issued and served as provided in this Section.

(e) Notice to schools. Upon the request of the petitioner, within 24 hours of the issuance of an order of protection, the clerk of the issuing judge shall send a certified copy of the order of protection to the day-care facility, pre-school or pre-kindergarten, or private school or the principal office of the public school district or any college or university in which any child who is a protected person under the order of protection or any child of the petitioner is enrolled as requested by the petitioner at the mailing address provided by the petitioner. If the child transfers enrollment to another day-care facility, pre-school, pre-kindergarten, private school, public school, college, or university, the petitioner may, within 24 hours of the transfer, send to the clerk written notice of the transfer, including the name and address of the institution to which the child is transferring. Within 24 hours of receipt of notice from the petitioner that a child is

transferring to another day-care facility, pre-school, pre-kindergarten, private school, public school, college, or university, the clerk shall send a certified copy of the order to the institution to which the child is transferring.

(f) Disclosure by schools. After receiving a certified copy of an order of protection that prohibits a respondent's access to records, neither a day-care facility, pre-school, pre-kindergarten, public or private school, college, or university nor its employees shall allow a respondent access to a protected child's records or release information in those records to the respondent. The school shall file the copy of the order of protection in the records of a child who is a protected person under the order of protection. When a child who is a protected person under the order of protection transfers to another day-care facility, pre-school, pre-kindergarten, public or private school, college, or university, the institution from which the child is transferring may, at the request of the petitioner, provide, within 24 hours of the transfer, written notice of the order of protection, along with a certified copy of the order, to the institution to which the child is transferring.

(g) Notice to health care facilities and health care practitioners. Upon the request of the petitioner, the clerk of the circuit court shall send a certified copy of the order of protection to any specified health care facility or health care practitioner requested by the petitioner at the mailing address provided by the petitioner.

(h) Disclosure by health care facilities and health care practitioners. After receiving a certified copy of an order of protection that prohibits a respondent's access to records, no health care facility or health care practitioner shall allow a respondent access to the records of any child who is a protected person under the order of protection, or release information in those records to the respondent, unless the order has expired or the respondent shows a certified copy of the court order vacating the corresponding order of protection that was sent to the health care facility or practitioner. Nothing in this Section shall be construed to require health care facilities or health care practitioners to alter procedures related to billing and payment. The health care facility or health care practitioner may file the copy of the order of protection in the records of a child who is a protected person under the order of protection, or may employ any other method to identify the records to which a respondent is prohibited access. No health care facility or health care practitioner shall be civilly or
professionally liable for reliance on a copy of an order of protection, except for willful and wanton misconduct.

Section 150. The Line of Duty Compensation Act is amended by changing Section 2 as follows:

(820 ILCS 315/2) (from Ch. 48, par. 282)

Sec. 2. As used in this Act, unless the context otherwise requires:

(a) "Law enforcement officer" or "officer" means any person employed by the State or a local governmental entity as a policeman, peace officer, auxiliary policeman or in some like position involving the enforcement of the law and protection of the public interest at the risk of that person's life. This includes supervisors, wardens, superintendents and their assistants, guards and keepers, correctional officers, youth supervisors, parole agents, aftercare specialists, school teachers and correctional counsellors in all facilities of both the Department of Corrections and the Department of Juvenile Justice, while within the facilities under the control of the Department of Corrections or the Department of Juvenile Justice or in the act of transporting inmates or wards from one location to another or while performing their official duties, and all other Department of Correction or Department of Juvenile Justice employees who have daily contact with inmates.

The death of the foregoing employees of the Department of Corrections or the Department of Juvenile Justice in order to be included herein must be by the direct or indirect willful act of an inmate, ward, work-releasee, parolee, aftercare releasee, parole violator, aftercare release violator, person under conditional release, or any person sentenced or committed, or otherwise subject to confinement in or to the Department of Corrections or the Department of Juvenile Justice.

(e) "Killed in the line of duty" means losing one's life as a result of injury received in the active performance of duties as a law enforcement officer, civil defense worker, civil air patrol member, paramedic, fireman, or chaplain if the death occurs within one year from the date the injury was received and if that injury arose from violence or other accidental cause. In the case of a State employee, "killed in the line of duty" means losing one's life as a result of injury received in the active performance of one's duties as a State employee, if the death occurs within one year from the date the injury was received and if that injury arose from a willful act of violence by another State employee committed during such other employee's course of employment and after January 1, 1988. The term excludes death resulting from the willful misconduct or intoxication of the officer, civil defense worker, civil air patrol member, paramedic, fireman, chaplain, or State employee. However, the burden of proof of such willful misconduct or intoxication of the officer, civil defense worker, civil air patrol member, paramedic, fireman, chaplain, or State employee is on the Attorney General. Subject to the conditions set forth in subsection (a) with respect to inclusion under this Act of Department of Corrections and Department of Juvenile Justice employees described in that subsection, for the purposes of this Act, instances in which a law enforcement officer receives an injury in the active performance of duties as a law enforcement officer include but are not limited to instances when:

(1) the injury is received as a result of a willful act of violence committed other than by the officer and a relationship exists between the commission of such act and the officer's performance of his duties as a law enforcement officer, whether or not the injury is received while the officer is on duty as a law enforcement officer;

(2) the injury is received by the officer while the officer is attempting to prevent the commission of a criminal act by another or attempting to apprehend an individual the officer suspects has committed a crime, whether or not the injury is received while the officer is on duty as a law enforcement officer;

(3) the injury is received by the officer while the officer is travelling to or from his employment as a law enforcement officer or during any meal break, or other break, which takes place during

In the case of an Armed Forces member, "killed in the line of duty" means losing one's life while on active duty in connection with the September 11, 2001 terrorist attacks on the United States, Operation Enduring Freedom, or Operation Iraqi Freedom.

(f) "Volunteer fireman" means a person having principal employment other than as a fireman, but who is carried on the rolls of a regularly constituted fire department either for the purpose of the prevention or control of fire or the underwater recovery of drowning victims, the members of which are under the jurisdiction of the corporate authorities of a city, village, incorporated town, or fire protection district, and includes a volunteer member of a fire department organized under the "General Not for Profit Corporation Act", approved July 17, 1943, as now or hereafter amended, which is under contract with any city, village, incorporated town, fire protection district, or persons residing therein, for fire fighting services. "Volunteer fireman" does not mean an individual who volunteers assistance without being regularly enrolled as a fireman.

(g) "Civil defense worker" means any person employed by the State or a local governmental entity as, or otherwise serving as, a member of a civil defense work force, including volunteer civil defense work forces engaged in serving the public interest during periods of disaster, whether natural or man-made.

PUBLIC ACT 98-0559
(Senate Bill No. 1214)

AN ACT concerning transportation.

Be it enacted by the People of the State of Illinois, represented in the General Assembly:

Section 5. The Toll Highway Act is amended by changing Section 10 as follows:

(605 ILCS 10/10) (from Ch. 121, par. 100-10)

Sec. 10. The Authority shall have power:

(a) To pass resolutions, make by-laws, rules and regulations for the management, regulation and control of its affairs, and to fix tolls, and to make, enact and enforce all needful rules and regulations in connection

New matter indicated by italics - deletions by strikeout
with the construction, operation, management, care, regulation or protection of its property or any toll highways, constructed or reconstructed hereunder.

(a-5) To fix, assess, and collect civil fines for a vehicle's operation on a toll highway without the required toll having been paid. The Authority may establish by rule a system of civil administrative adjudication to adjudicate only alleged instances of a vehicle's operation on a toll highway without the required toll having been paid, as detected by the Authority's video or photo surveillance system. In cases in which the operator of the vehicle is not the registered vehicle owner, the establishment of ownership of the vehicle creates a rebuttable presumption that the vehicle was being operated by an agent of the registered vehicle owner. If the registered vehicle owner liable for a violation under this Section was not the operator of the vehicle at the time of the violation, the owner may maintain an action for indemnification against the operator in the circuit court. Rules establishing a system of civil administrative adjudication must provide for written notice, by first class mail or other means provided by law, to the address of the registered owner of the cited vehicle as recorded with the Secretary of State or to the lessee of the cited vehicle at the last address known to the lessor of the cited vehicle at the time of the lease, of the alleged violation and an opportunity to be heard on the question of the violation and must provide for the establishment of a toll-free telephone number to receive inquiries concerning alleged violations. The notice shall also inform the registered vehicle owner that failure to contest in the manner and time provided shall be deemed an admission of liability and that a final order of liability may be entered on that admission. A duly authorized agent of the Authority may perform or execute the preparation, certification, affirmation, or mailing of the notice. A notice of violation, sworn or affirmed to or certified by a duly authorized agent of the Authority, or a facsimile of the notice, based upon an inspection of photographs, microphotographs, videotape, or other recorded images produced by a video or photo surveillance system, shall be admitted as prima facie evidence of the correctness of the facts contained in the notice or facsimile. Only civil fines, along with the corresponding outstanding toll, and costs may be imposed by administrative adjudication. A fine may be imposed under this paragraph only if a violation is established by a preponderance of the evidence. Judicial review of all final orders of the Authority under this paragraph shall be conducted in the circuit court of the county in which the
administrative decision was rendered in accordance with the Administrative Review Law.

The Authority may maintain a listing or searchable database on its website of persons or entities that have been issued one or more final orders of liability with a total amount due of more than $1,000 for tolls, fines, unpaid late fees, or administrative costs that remain unpaid after the exhaustion of, or the failure to exhaust, the judicial review procedures under the Administrative Review Law. Each entry may include the person's or entity's name as listed on the final order of liability.

Any outstanding toll, fine, additional late payment fine, other sanction, or costs imposed, or part of any fine, other sanction, or costs imposed, remaining unpaid after the exhaustion of, or the failure to exhaust, judicial review procedures under the Administrative Review Law are a debt due and owing the Authority and may be collected in accordance with applicable law. After expiration of the period in which judicial review under the Administrative Review Law may be sought, unless stayed by a court of competent jurisdiction, a final order of the Authority under this subsection (a-5) may be enforced in the same manner as a judgment entered by a court of competent jurisdiction. Notwithstanding any other provision of this Act, the Authority may, with the approval of the Attorney General, retain a law firm or law firms with expertise in the collection of government fines and debts for the purpose of collecting fines, costs, and other moneys due under this subsection (a-5).

A system of civil administrative adjudication may also provide for a program of vehicle immobilization, tow, or impoundment for the purpose of facilitating enforcement of any final order or orders of the Authority under this subsection (a-5) that result in a finding or liability for 5 or more violations after expiration of the period in which judicial review under the Administrative Review Law may be sought. The registered vehicle owner of a vehicle immobilized, towed, or impounded for nonpayment of a final order of the Authority under this subsection (a-5) shall have the right to request a hearing before the Authority's civil administrative adjudicatory system to challenge the validity of the immobilization, tow, or impoundment. This hearing, however, shall not constitute a readjudication of the merits of previously adjudicated notices. Judicial review of all final orders of the Authority under this subsection (a-5) shall be conducted in the circuit court of the county in which the administrative decision was rendered in accordance with the Administrative Review Law.

New matter indicated by italics - deletions by strikeout
No commercial entity that is the lessor of a vehicle under a written lease agreement shall be liable for an administrative notice of violation for toll evasion issued under this subsection (a-5) involving that vehicle during the period of the lease if the lessor provides a copy of the leasing agreement to the Authority within 21 days of the issue date on the notice of violation. The leasing agreement also must contain a provision or addendum informing the lessee that the lessee is liable for payment of all tolls and any fines for toll evasion. Each entity must also post a sign at the leasing counter notifying the lessee of that liability. The copy of the leasing agreement provided to the Authority must contain the name, address, and driver's license number of the lessee, as well as the check-out and return dates and times of the vehicle and the vehicle license plate number and vehicle make and model.

As used in this subsection (a-5), "lessor" includes commercial leasing and rental entities but does not include public passenger vehicle entities.

The Authority shall establish an amnesty program for violations adjudicated under this subsection (a-5). Under the program, any person who has an outstanding notice of violation for toll evasion or a final order of a hearing officer for toll evasion dated prior to the effective date of this amendatory Act of the 94th General Assembly and who pays to the Authority the full percentage amounts listed in this paragraph remaining due on the notice of violation or final order of the hearing officer and the full fees and costs paid by the Authority to the Secretary of State relating to suspension proceedings, if applicable, on or before 5:00 p.m., Central Standard Time, of the 60th day after the effective date of this amendatory Act of the 94th General Assembly shall not be required to pay more than the listed percentage of the original fine amount and outstanding toll as listed on the notice of violation or final order of the hearing officer and the full fees and costs paid by the Authority to the Secretary of State relating to suspension proceedings, if applicable. The payment percentage scale shall be as follows: a person with 25 or fewer violations shall be eligible for amnesty upon payment of 50% of the original fine amount and the outstanding tolls; a person with more than 25 but fewer than 51 violations shall be eligible for amnesty upon payment of 60% of the original fine amount and the outstanding tolls; and a person with 51 or more violations shall be eligible for amnesty upon payment of 75% of the original fine amount and the outstanding tolls. In such a situation, the Executive Director of the Authority or his or her designee is authorized and directed...
to waive any late fine amount above the applicable percentage of the original fine amount. Partial payment of the amount due shall not be a basis to extend the amnesty payment deadline nor shall it act to relieve the person of liability for payment of the late fine amount. In order to receive amnesty, the full amount of the applicable percentage of the original fine amount and outstanding toll remaining due on the notice of violation or final order of the hearing officer and the full fees and costs paid by the Authority to the Secretary of State relating to suspension proceedings, if applicable, must be paid in full by 5:00 p.m., Central Standard Time, of the 60th day after the effective date of this amendatory Act of the 94th General Assembly. This amendatory Act of the 94th General Assembly has no retroactive effect with regard to payments already tendered to the Authority that were full payments or payments in an amount greater than the applicable percentage, and this Act shall not be the basis for either a refund or a credit. This amendatory Act of the 94th General Assembly does not apply to toll evasion citations issued by the Illinois State Police or other authorized law enforcement agencies and for which payment may be due to or through the clerk of the circuit court. The Authority shall adopt rules as necessary to implement the provisions of this amendatory Act of the 94th General Assembly. The Authority, by a resolution of the Board of Directors, shall have the discretion to implement similar amnesty programs in the future. The Authority, at its discretion and in consultation with the Attorney General, is further authorized to settle an administrative fine or penalty if it determines that settling for less than the full amount is in the best interests of the Authority after taking into account the following factors: (1) the merits of the Authority's claim against the respondent; (2) the amount that can be collected relative to the administrative fine or penalty owed by the respondent; (3) the cost of pursuing further enforcement or collection action against the respondent; (4) the likelihood of collecting the full amount owed; and (5) the burden on the judiciary. The provisions in this Section may be extended to other toll facilities in the State of Illinois through a duly executed agreement between the Authority and the operator of the toll facility.

(b) To prescribe rules and regulations applicable to traffic on highways under the jurisdiction of the Authority, concerning:

(1) Types of vehicles permitted to use such highways or parts thereof, and classification of such vehicles;

(2) Designation of the lanes of traffic to be used by the different types of vehicles permitted upon said highways;

New matter indicated by italics - deletions by strikeout
(3) Stopping, standing, and parking of vehicles;
(4) Control of traffic by means of police officers or traffic control signals;
(5) Control or prohibition of processions, convoys, and assemblages of vehicles and persons;
(6) Movement of traffic in one direction only on designated portions of said highways;
(7) Control of the access, entrance, and exit of vehicles and persons to and from said highways; and
(8) Preparation, location and installation of all traffic signs; and to prescribe further rules and regulations applicable to such traffic, concerning matters not provided for either in the foregoing enumeration or in the Illinois Vehicle Code. Notice of such rules and regulations shall be posted conspicuously and displayed at appropriate points and at reasonable intervals along said highways, by clearly legible markers or signs, to provide notice of the existence of such rules and regulations to persons traveling on said highways. At each toll station, the Authority shall make available, free of charge, pamphlets containing all of such rules and regulations.

(c) The Authority, in fixing the rate for tolls for the privilege of using the said toll highways, is authorized and directed, in fixing such rates, to base the same upon annual estimates to be made, recorded and filed with the Authority. Said estimates shall include the following: The estimated total amount of the use of the toll highways; the estimated amount of the revenue to be derived therefrom, which said revenue, when added to all other receipts and income, will be sufficient to pay the expense of maintaining and operating said toll highways, including the administrative expenses of the Authority, and to discharge all obligations of the Authority as they become due and payable.

(d) To accept from any municipality or political subdivision any lands, easements or rights in land needed for the operation, construction, relocation or maintenance of any toll highways, with or without payment therefor, and in its discretion to reimburse any such municipality or political subdivision out of its funds for any cost or expense incurred in the acquisition of land, easements or rights in land, in connection with the construction and relocation of the said toll highways, widening, extending roads, streets or avenues in connection therewith, or for the construction of any roads or streets forming extension to and connections with or between
any toll highways, or for the cost or expense of widening, grading, surfacing or improving any existing streets or roads or the construction of any streets and roads forming extensions of or connections with any toll highways constructed, relocated, operated, maintained or regulated hereunder by the Authority. Where property owned by a municipality or political subdivision is necessary to the construction of an approved toll highway, if the Authority cannot reach an agreement with such municipality or political subdivision and if the use to which the property is being put in the hands of the municipality or political subdivision is not essential to the existence or the administration of such municipality or political subdivision, the Authority may acquire the property by condemnation.

(Senate Bill No. 1280)

AN ACT concerning civil law.
Be it enacted by the People of the State of Illinois, represented in the General Assembly:
Section 5. The Illinois Power of Attorney Act is amended by changing Sections 2-7 and 2-10 as follows:
(755 ILCS 45/2-7) (from Ch. 110 1/2, par. 802-7)
(a) The agent shall be under no duty to exercise the powers granted by the agency or to assume control of or responsibility for any of the principal's property, care or affairs, regardless of the principal's physical or mental condition. Whenever a power is exercised, the agent shall act in good faith for the benefit of the principal using due care, competence, and diligence in accordance with the terms of the agency and shall be liable for negligent exercise. An agent who acts with due care for the benefit of the principal shall not be liable or limited merely because the agent also benefits from the act, has individual or conflicting interests in relation to the property, care or affairs of the principal or acts in a different manner with respect to the agency and the agent's individual interests. The agent shall not be affected by any amendment or termination of the agency until the agent has actual knowledge thereof. The agent shall not be liable for

any loss due to error of judgment nor for the act or default of any other person.

(b) An agent that has accepted appointment must act in accordance with the principal's expectations to the extent actually known to the agent and otherwise in the principal's best interests.

(c) An agent shall keep a record of all receipts, disbursements, and significant actions taken under the authority of the agency and shall provide a copy of this record when requested to do so by:

(1) the principal, a guardian, another fiduciary acting on behalf of the principal, and, after the death of the principal, the personal representative or successors in interest of the principal's estate;

(2) a representative of a provider agency, as defined in Section 2 of the Elder Abuse and Neglect Act, acting in the course of an assessment of a complaint of elder abuse or neglect under that Act;

(3) a representative of the Office of the State Long Term Care Ombudsman, acting in the course of an investigation of a complaint of financial exploitation of a nursing home resident under Section 4.04 of the Illinois Act on the Aging;

(4) a representative of the Office of Inspector General for the Department of Human Services, acting in the course of an assessment of a complaint of financial exploitation of an adult with disabilities pursuant to Section 35 of the Abuse of Adults with Disabilities Intervention Act; or

(5) a court under Section 2-10 of this Act; or

(6) a representative of the Office of State Guardian or public guardian for the county in which the principal resides acting in the course of investigating whether to file a petition for guardianship of the principal under Section 11a-4 or 11a-8 of the Probate Act of 1975.

(d) If the agent fails to provide his or her record of all receipts, disbursements, and significant actions within 21 days after a request under subsection (c), the elder abuse provider agency, the State Guardian, the public guardian, or the State Long Term Care Ombudsman may petition the court for an order requiring the agent to produce his or her record of receipts, disbursements, and significant actions. If the court finds that the agent's failure to provide his or her record in a timely manner to the elder abuse provider agency, the State Guardian, the public guardian, or the

State Long Term Care Ombudsman was without good cause, the court may assess reasonable costs and attorney's fees against the agent, and order such other relief as is appropriate.

(e) An agent is not required to disclose receipts, disbursements, or other significant actions conducted on behalf of the principal except as otherwise provided in the power of attorney or as required under subsection (c).

(f) An agent that violates this Act is liable to the principal or the principal's successors in interest for the amount required (i) to restore the value of the principal's property to what it would have been had the violation not occurred, and (ii) to reimburse the principal or the principal's successors in interest for the attorney's fees and costs paid on the agent's behalf. (755 ILCS 45/2-10) (from Ch. 110 1/2, par. 802-10)

Sec. 2-10. Agency-court relationship.

(a) Upon petition by any interested person (including the agent), with such notice to interested persons as the court directs and a finding by the court that the principal lacks either the capacity to control or the capacity to revoke the agency, the court may construe a power of attorney, review the agent's conduct, and grant appropriate relief including compensatory damages.

(b) If the court finds that the agent is not acting for the benefit of the principal in accordance with the terms of the agency or that the agent's action or inaction has caused or threatens substantial harm to the principal's person or property in a manner not authorized or intended by the principal, the court may order a guardian of the principal's person or estate to exercise any powers of the principal under the agency, including the power to revoke the agency, or may enter such other orders without appointment of a guardian as the court deems necessary to provide for the best interests of the principal.

(c) If the court finds that the agency requires interpretation, the court may construe the agency and instruct the agent, but the court may not amend the agency.

(d) If the court finds that the agent has not acted for the benefit of the principal in accordance with the terms of the agency and the Illinois Power of Attorney Act, or that the agent's action caused or threatened substantial harm to the principal's person or property in a manner not
authorized or intended by the principal, then the agent shall not be
authorized to pay or be reimbursed from the estate of the principal the
attorneys' fees and costs of the agent in defending a proceeding brought
pursuant to this Section.

(e) Upon a finding that the agent's action has caused substantial
harm to the principal's person or property, the court may assess against the
agent reasonable costs and attorney's fees to a prevailing party who is a
provider agency as defined in Section 2 of the Elder Abuse and Neglect
Act, a representative of the Office of the State Long Term Care
Ombudsman, the State Guardian, a public guardian, or a governmental
agency having regulatory authority to protect the welfare of the principal.

(f) As used in this Section, the term "interested person" includes
(1) the principal or the agent; (2) a guardian of the person, guardian of the
estate, or other fiduciary charged with management of the principal's
property; (3) the principal's spouse, parent, or descendant; (4) a person
who would be a presumptive heir-at-law of the principal; (5) a person
named as a beneficiary to receive any property, benefit, or contractual right
upon the principal's death, or as a beneficiary of a trust created by or for
the principal; (6) a provider agency as defined in Section 2 of the Elder
Abuse and Neglect Act, a representative of the Office of the State Long
Term Care Ombudsman, the State Guardian, a public guardian,
or a
governmental agency having regulatory authority to protect the welfare of
the principal; and (7) the principal's caregiver or another person who
demonstrates sufficient interest in the principal's welfare.

(g) Absent court order directing a guardian to exercise powers of
the principal under the agency, a guardian will have no power, duty or
liability with respect to any property subject to the agency or any personal
or health care matters covered by the agency.

(h) Proceedings under this Section shall be commenced in the
county where the guardian was appointed or, if no Illinois guardian is
acting, then in the county where the agent or principal resides or where the
principal owns real property.

(i) This Section shall not be construed to limit any other remedies
available.

PUBLIC ACT 98-0563
(Senate Bill No. 1358)

AN ACT concerning public aid.
Be it enacted by the People of the State of Illinois, represented in the General Assembly:

Section 5. The Illinois Public Aid Code is amended by changing Sections 10-15.1 and 10-16.5 as follows:

(305 ILCS 5/10-15.1)

Sec. 10-15.1. Judicial registration of administrative support orders. 
(a) A final administrative support order established by the Illinois Department under this Article X may be registered in the appropriate circuit court of this State by the Department or by a party to the order by filing:

(1) Two copies, including one certified copy of the order to be registered, any modification of the administrative support order, any voluntary acknowledgment of paternity pertaining to the child covered by the order, and the documents showing service of the notice of support obligation that commenced the procedure for establishment of the administrative support order pursuant to Section 10-4 of this Code.

(2) A sworn statement by the person requesting registration or a certified copy of the Department payment record showing the amount of any past due support accrued under the administrative support order.

(3) The name of the obligor and, if known, the obligor's address and social security number.

(4) The name of the obligee and the obligee's address, unless the obligee alleges in an affidavit or pleading under oath that the health, safety, or liberty of the obligee or child would be jeopardized by disclosure of specific identifying information, in which case that information must be sealed and may not be disclosed to the other party or public. After a hearing in which the court takes into consideration the health, safety, or liberty of the party or child, the court may order disclosure of information that the court determines to be in the interest of justice.
(b) The filing of an administrative support order under subsection 
(a) constitutes registration with the circuit court.

(c) (Blank). A petition or comparable pleading seeking a remedy 
that must be affirmatively sought under other law of this State may be filed 
at the same time as the request for registration or later. The pleading must 
specify the grounds for the remedy sought:

(c-5) Every notice of registration must be accompanied by a copy 
of the registered administrative support order and the documents and 
relevant information accompanying the order pursuant to subsection (a).

(d) (Blank). When an administrative support order is registered, the 
clerk of the circuit court shall notify the nonregistering party and the 
Illinois Department, unless the Department is requesting registration of its 
order. The notice, which shall be served on the nonregistering party by any 
method provided by law for service of a summons, must be accompanied 
by a copy of the registered administrative support order and the documents 
and relevant information accompanying the order:

(d-5) The registering party shall serve notice of the registration on 
the other party by first class mail, unless the administrative support order 
was entered by default or the registering party is also seeking an 
affirmative remedy. The registering party shall serve notice on the 
Department in all cases by first class mail.

(1) If the administrative support order was entered by 
default against the obligor, the obligor must be served with the 
registration by any method provided by law for service of 
summons.

(2) If a petition or comparable pleading seeking an 
affirmative remedy is filed with the registration, the non-moving 
party must be served with the registration and the affirmative 
pleading by any method provided by law for service of summons.

(e) A notice of registration of an administrative support order must 
provide the following information:

(1) That a registered administrative order is enforceable in 
the same manner as an order for support issued by the circuit court.

(2) That a hearing to contest enforcement of the registered 
administrative support order must be requested within 30 days after 
the date of service of the notice.

(3) That failure to contest, in a timely manner, the 
enforcement of the registered administrative support order shall 
result in confirmation of the order and enforcement of the order

and the alleged arrearages and precludes further contest of that order with respect to any matter that could have been asserted.

(4) The amount of any alleged arrearages.

(f) A nonregistering party seeking to contest enforcement of a registered administrative support order shall request a hearing within 30 days after the date of service of notice of the registration. The nonregistering party may seek to vacate the registration, to assert any defense to an allegation of noncompliance with the registered administrative support order, or to contest the remedies being sought or the amount of any alleged arrearages.

(g) If the nonregistering party fails to contest the enforcement of the registered administrative support order in a timely manner, the order shall be confirmed by operation of law.

(h) If a nonregistering party requests a hearing to contest the enforcement of the registered administrative support order, the circuit court shall schedule the matter for hearing and give notice to the parties and the Illinois Department of the date, time, and place of the hearing.

(i) A party contesting the enforcement of a registered administrative support order or seeking to vacate the registration has the burden of proving one or more of the following defenses:

(1) The Illinois Department lacked personal jurisdiction over the contesting party.

(2) The administrative support order was obtained by fraud.

(3) The administrative support order has been vacated, suspended, or modified by a later order.

(4) The Illinois Department has stayed the administrative support order pending appeal.

(5) There is a defense under the law to the remedy sought.

(6) Full or partial payment has been made.

(j) If a party presents evidence establishing a full or partial payment defense under subsection (i), the court may stay enforcement of the registered order, continue the proceeding to permit production of additional relevant evidence, and issue other appropriate orders. An uncontested portion of the registered administrative support order may be enforced by all remedies available under State law.

(k) If a contesting party does not establish a defense under subsection (i) to the enforcement of the administrative support order, the court shall issue an order confirming the administrative support order. Confirmation of the registered administrative support order, whether by

operation of law or after notice and hearing, precludes further contest of
the order with respect to any matter that could have been asserted at the
time of registration. Upon confirmation, the registered administrative
support order shall be treated in the same manner as a support order
entered by the circuit court, including the ability of the court to entertain a
petition to modify the administrative support order due to a substantial
change in circumstances, or petitions for visitation or custody of the child
or children covered by the administrative support order. Nothing in this
Section shall be construed to alter the effect of a final administrative
support order, or the restriction of judicial review of such a final order to
the provisions of the Administrative Review Law, as provided in Section
10-11 of this Code.

Sec. 10-16.5. Interest on support obligations. A support obligation,
or any portion of a support obligation, which becomes due and remains
unpaid as of the end of each month, excluding the child support that was
due for that month to the extent that it was not paid in that month, shall
accrue simple interest as set forth in Section 12-109 of the Code of Civil
Procedure. An order for support entered or modified on or after January 1,
2006 shall contain a statement that a support obligation required under the
order, or any portion of a support obligation required under the order, that
becomes due and remains unpaid as of the end of each month, excluding
the child support that was due for that month to the extent that it was not
paid in that month, shall accrue simple interest as set forth in Section 12-

order for support does not affect the validity of the order or the accrual of
interest as provided in this Section.

In cases in which IV-D services are being provided, the
Department shall provide, by rule, for a one-time notice to obligees
advising the obligee that he or she must notify the Department within 60
days of the notice that he or she wishes to have the Department compute
any interest that accrued on a specific docket in his or her case between
May 1, 1987 and December 31, 2005. If the obligee fails to notify the
Department within the 60-day period: (i) the Department shall have no
further duty to enforce and collect interest accrued on support obligations
established under this Code or under any other law that are owed to the
obligee prior to January 1, 2006; and (ii) any interest due on that docket

Section 10. The Code of Civil Procedure is amended by changing Section 12-109 as follows:

(735 ILCS 5/12-109) (from Ch. 110, par. 12-109)
Sec. 12-109. Interest on judgments.
(a) Every judgment except those arising by operation of law from child support orders shall bear interest thereon as provided in Section 2-1303.

(b) Every judgment arising by operation of law from a child support order shall bear interest as provided in this subsection. The interest on judgments arising by operation of law from child support orders shall be calculated by applying one-twelfth of the current statutory interest rate as provided in Section 2-1303 to the unpaid child support balance as of the end of each calendar month. The unpaid child support balance at the end of the month is the total amount of child support ordered, excluding the child support that was due for that month to the extent that it was not paid in that month and including judgments for retroactive child support, less all payments received and applied as set forth in this subsection. The accrued interest shall not be included in the unpaid child support balance when calculating interest at the end of the month. The unpaid child support balance as of the end of each month shall be determined by calculating the current monthly child support obligation and applying all payments received for that month, except federal income tax refund intercepts, first to the current monthly child support obligation and then applying any payments in excess of the current monthly child support obligation to the unpaid child support balance owed from previous months. The current monthly child support obligation shall be determined from the document that established the support obligation. Federal income tax refund intercepts and any payments in excess of the current monthly child support obligation shall be applied to the unpaid child support balance. Any payments in excess of the current monthly child support obligation and the unpaid child support balance shall be applied to the accrued interest on the unpaid child support balance. Interest on child support obligations may be collected by any means available under State law for the collection of child support judgments, federal and State laws, rules, and regulations providing for the collection of child support.

(Senate Bill No. 1409)

AN ACT concerning local government.
Be it enacted by the People of the State of Illinois, represented in the General Assembly:

Section 1. Short title. This Act may be cited as the Elmwood Park Grade Separation Authority Act.

Section 5. Definitions. As used in this Act:
"Authority" means the Elmwood Park Grade Separation Authority.
"Person" includes an individual, partnership, firm, public or private corporation, and government or unit of government.
"Railroad" or "Railroads" means the Canadian Pacific Railway and other railroads operating or owning trackage or right-of-way within the area of the Authority.
"Village" means the Village of Elmwood Park.

Section 10. Legislative declaration. The General Assembly declares that the welfare, health, prosperity, and moral and general well being of the people of the State are, in large measure, dependent upon the sound and orderly development of municipal areas. The Village of Elmwood Park by reason of the location there of Grand Avenue and its use for vehicular travel in access to the entire west metropolitan Chicago area, including municipalities in 2 counties, as well as commercial and industrial growth patterns and accessibility to O'Hare International Airport, manufacturing and freight related services, has become and will increasingly be the hub of transportation from all parts of the region and throughout the west metropolitan area. Motor vehicle traffic, pedestrian travel, and the safety of both motorists and pedestrians are substantially aggravated by the location of a major railroad right-of-way that divides the Village into north and south halves. The presence of the railroad right-of-way has effectively impeded the development of highway usage and rights-of-way and is detrimental to the orderly expansion of industry and commerce and to progress throughout the region. Additionally, the railroad

grade crossing located on Grand Avenue within the Village of Elmwood Park has posed a significant safety hazard to the public. The Illinois Commerce Commission Collision History illustrates that there have been 8 fatalities and 29 injuries since 1956 at the railroad grade crossing located on Grand Avenue within the Village. The presence of the railroad right-of-way at grade crossing within the Village is detrimental to the safety of the public, as well as to the orderly expansion of industry and commerce and to progress of the region. To alleviate this situation, it is necessary to separate the grade crossing on Grand Avenue within the Village, to relocate the railroad tracks and right-of-way, and to acquire property for separation of the railroad or highway and to create an agency to facilitate and accomplish that grade separation.

Section 15. Creation; duration; termination of the Authority. There is created a body politic and corporate, a unit of local government, named the Elmwood Park Grade Separation Authority that embraces that portion of Leyden Township within the Village of Elmwood Park, Cook County, Illinois. The Authority shall continue in existence until the accomplishment of its objectives or until the Authority officials resolve that it is impossible or economically unfeasible to fulfill its objectives. Objectives of the Authority include the grade separation of railroad tracks from the right-of-way of Grand Avenue in the Village of Elmwood Park, the relocation of railroad tracks and roadway to facilitate the grade separation, and other necessary, related improvements to the right-of-way and at-grade crossing closure within the Village of Elmwood Park. The Authority shall be dissolved upon its voluntary termination or 6 months after the first use of the railway on the grade separation structure by a Railroad. Upon termination or dissolution of the Authority after the construction of the grade separation project, the Department of Transportation shall own and maintain the grade separation structure and the Canadian Pacific Railway Company shall own and maintain the railway along the grade separation structure.

Section 20. Procedural capacity; seal; office. The Authority may sue and be sued in its corporate name, but execution shall not in any case issue against any property of the Authority. The Authority shall be subject to the jurisdiction of the Illinois Commerce Commission. It may adopt a common seal and change the seal at pleasure. The principal office of the Authority shall be in the Village of Elmwood Park, Illinois.

The Authority may enter into contracts for the performance of its objectives, including agreements with other State entities and departments,
as well as provide for the letting of construction contracts, consultant service agreements, professional and trade services, and other agreements consistent with the purposes and objectives of the Authority established by this Act. The Authority may accept jurisdictional transfer of public right-of-way for purposes of eliminating at-grade street and railroad crossings.

Section 25. Acquisition of property. The Authority shall have the power to acquire by gift, purchase, legacy, or by the exercise of eminent domain the fee simple title to real property located within the boundaries of the Authority, including temporary and permanent easements, as well as reversionary interests in the streets, alleys, and other public places and personal property, required for its purposes, and title thereto shall be taken in the corporate name of the Authority. Any such property that is already devoted to a public use may nevertheless be acquired, provided that no property belonging to the United States of America or the State of Illinois may be acquired without the consent of such governmental unit. No property devoted to a public use belonging to a corporation subject to the jurisdiction of the Illinois Commerce Commission may be acquired without a prior finding by the Illinois Commerce Commission that the taking would not result in the imposition of an undue burden on intrastate commerce. Eminent domain proceedings shall be conducted in all respects in the manner provided for the exercise of the right of eminent domain under the Eminent Domain Act. No condemnation proceedings for the acquisition of new property shall be instituted without the prior concurrence of the affected Railroads in the route, width and title to be acquired thereby. Consistent with the Land Acquisition and Procedures Manual prepared by the Department of Transportation and updated through October 23, 2012, when a railroad company owns the fee title to its operating right-of-way and such property is acquired by the Authority to construct a grade separation facility, no compensation of any kind shall be made to the railroad to construct a grade separation facility where an existing highway crossing is eliminated; however, consideration shall be given if the size of the acquisition is different than the original right-of-way. All land and appurtenances thereto, acquired or owned by the Authority, are to be deemed acquired or owned for a public use or public purpose.

Section 30. Sale or exchange of property. The Authority has the power to sell, transfer, exchange, vacate, or assign property acquired for the purposes of this Act, as it deems appropriate.
Section 35. Acceptance of grants, loans, and appropriations. The Authority has the power to apply for and accept grants, loans, advances, and appropriations from the federal government and from the State of Illinois, or any agency or instrumentality thereof, to be used for the purposes of the Authority, and to enter into any agreement in relation to such grants, loans, advances, and appropriations. The Authority may also accept from the State, or any State agency, department, or commission, any county or other political subdivision, any municipal corporation, any Railroads, school authorities, or jointly therefrom, grants of funds or services for any of the purposes of this Act. The Authority shall be treated as a rail carrier subject to the Illinois Commerce Commission's jurisdiction and eligible to receive money from the Grade Crossing Protection Fund, any fund of the State, or other source available for purposes of promoting safety and separation of at-grade railroad crossings or highway improvements.

The Illinois Commerce Commission Crossing Safety Improvement Program FY 2014-2018 Plan shall be revised to include this Authority's grade separation project as one of the bridge projects contemplated for FY 2015 through FY 2018, and funds from the Grade Crossing Protection Fund shall be allocated in the FY 2015 through FY 2018 Plan for said grade separation project. No Order of the Illinois Commerce Commission shall be effective or binding on the Authority to construct the grade separation project unless the federal government, the State of Illinois, or any agency or instrumentality thereof has granted or appropriated sufficient funds for the construction of the grade separation project and the Authority is in receipt of those funds. Notwithstanding, the Illinois Commerce Commission shall not withhold approval of the construction of the Authority's grade separation project or the issuance of any Orders that authorize the construction of the Authority's grade separation project.

Section 40. Borrowing money and issuance of bonds. The Authority may incur debt and borrow money from time to time and, in evidence thereof, may issue and sell bonds in such amount or amounts as the Authority may determine in order to provide funds for carrying out the purposes of this Act and to pay all costs and expenses incident thereto. The Authority may refund and refinance, from time to time, bonds so issued and sold, as often as may be deemed to be advantageous by the Authority.

Section 45. Taxing powers. The Authority may not levy real property taxes for any purpose whatsoever.
Section 50. Board; composition; qualification; compensation and expenses. The Authority shall be governed by a 9-member board consisting of members appointed by the Governor with the advice and consent of the Senate. Five members shall be voting members and 4 members shall be non-voting members. The voting members shall consist of the following:

1) two former public officials who served within the Township of Leyden or the Village of Elmwood Park and recommended to the Governor by the Village President of the Village of Elmwood Park;
2) two prior employees of Canadian Pacific Railway with management experience; and
3) one resident of the Township of Leyden or the Village of Elmwood Park.

The non-voting members shall consist of the following:

1) the Village President of the Village of Elmwood Park;
2) one current employee of Canadian Pacific Railway with management experience;
3) one current employee of Northeast Illinois Regional Commuter Railroad Corporation with management experience; and
4) one current employee of the Department of Transportation with management experience.

The members of the board shall serve without compensation, but may be reimbursed for actual expenses incurred by them in the performance of their duties prescribed by the Authority. However, any member of the board who serves as secretary or treasurer may receive compensation for services as that officer.

Section 55. Removal of members. The Governor may remove from office any board member immediately in case of incompetency, neglect of duty or malfeasance of office, or otherwise upon 15 days' written notice to the other members. Absence from any 3 consecutive regular meetings of the board shall be deemed neglect of duty.

Section 60. Organization; chair and temporary secretary. As soon as possible after the effective date of this amendatory Act of the 98th General Assembly, the board shall organize for the transaction of business, select a chair from its voting members and a temporary secretary from its own number, and adopt bylaws to govern its proceedings. The initial chair and successors shall be elected by the board from time to time from among members. The Authority may act through its board members by entering

into an agreement that a member act on the Authority's behalf, in which instance the act or performance directed shall be deemed to be exclusively of, for, and by the Authority and not the individual act of the member or its represented person.

Section 65. Meetings; quorum; resolutions. Regular meetings of the board shall be held at least quarterly, the time and place of those meetings to be fixed by the board. Special meetings may be called by the chair or by a majority of the members of the board by giving notice in writing that states the time, place, and purpose of the meeting. Notice of special meetings shall be served by special delivery letter deposited in the mail at least 48 hours before the meeting. A majority of the members of the board shall constitute a quorum for the transaction of business. All action of the Authority shall be by resolution of the board and, except as otherwise provided in this Act, the affirmative vote of at least a majority shall be necessary for the adoption of any resolution. The chair shall be entitled to vote on any and all matters coming before the board.

Section 70. Secretary and treasurer; oaths; bond of treasurer. The board may appoint a secretary and a treasurer, who need not be members of the board, to hold office during the pleasure of the Authority and fix their duties and compensation. Before entering into the duties of their respective offices, they shall take and subscribe to the constitutional oath of office, and the treasurer shall execute a bond with corporate sureties to be approved by the Authority. The bond shall be payable to the Authority in whatever penal sum may be directed by the board, conditioned upon the faithful performance of the duties of the office and the payment of all money received by the treasurer according to law and the orders of the Authority. The Authority may, at any time, require a new bond for the treasurer in such penal sum as may then be determined by the board.

Section 75. Deposit and withdrawal of funds; signatures. All funds deposited by the treasurer in any bank or savings and loan association shall be placed in the name of the Authority and shall be withdrawn or paid out only by check or draft upon the bank or savings and loan association, signed by the treasurer and countersigned by the chair of the board. Subject to prior approval of the designations by a majority of the board, the chair may designate any other member or any officer of the Authority to affix the signature of the treasurer to any Authority check or draft for payment of salaries or wages and for payment of any other obligation of not more than $2,500.
No bank or savings and loan association shall receive public funds as permitted by this Section unless it has complied with the requirements established under Section 6 of the Public Funds Investment Act.

Section 80. Delivery of check after executing officer ceases to hold office. If any officer whose signature appears upon any check or draft issued pursuant to this Act ceases to hold office before the delivery of the check or draft to the payee, the officer's signature nevertheless shall be valid and sufficient for all purposes with the same effect as if the officer had remained in office until delivery of the check or draft.

Section 85. Rules. The Authority may make and the board may adopt all rules and regulations proper or necessary and to carry into effect the powers granted to it. The rules and regulations shall be consistent with the guidelines, objectives, and project scope as set out by the Illinois Commerce Commission.

Section 90. Fiscal year. The Authority shall designate its fiscal year.

Section 95. Reports and financial statements. Within 60 days after the end of its fiscal year, the Authority shall cause to be prepared by a certified public accountant a complete and detailed report and financial statement of the operations and assets and liabilities as relate to the Elmwood Park Grade Separation Authority railroad grade separation project. A reasonably sufficient number of copies of the report shall be prepared for distribution to persons interested, upon request, and a copy of the report shall be filed with the Illinois Commerce Commission and with the county clerk of Cook County.

Section 100. Construction. Nothing in this Act shall be construed to confer upon the Authority the right, power, or duty to order or enforce the abandonment of any present property of the railroads or the use in substitution therefor of any property acquired for the railroads in the absence of a contract duly executed by the railroads and the Authority setting forth the terms and conditions upon which relocation of the right-of-way and physical facilities of the railroads is to be accomplished. No such contract shall be or become enforceable until the provisions of the contract have been approved or authorized by the Illinois Commerce Commission.

Any construction improvements to signaling or any other aspect of the grade separation project dictated by the Railroad or the Northeast Illinois Regional Commuter Railroad Corporation shall be paid for respectively by the Railroad or the Northeast Illinois Regional Commuter

Notwithstanding, upon order of the Illinois Commerce Commission, the Authority shall succeed to and assume the performance and actions of the represented persons under the terms of the order and amending orders previously entered relative to the Elmwood Park Grade Separation Authority project undertaken by the Authority and consistent with the objectives of the Authority.
