Sec. 1.5. Findings. The General Assembly finds all of the following:

(1) Inherited hemophilia and other bleeding disorders are devastating health conditions that can cause serious financial, social, and emotional hardships for patients and their families. Hemophilia, which occurs predominantly in males, is a rare but well-known type of inherited bleeding disorder in which one of

New matter indicated in italics - deletions by strikeout
several proteins normally found in blood are either deficient or inactive, and causing pain, swelling, and permanent damage to joints and muscles. The disorder affects Americans of all racial and ethnic backgrounds. In about one-third of all cases, there is no known family history of the disorder. In these cases, the disease developed after a new or spontaneous gene mutation.

(2) Hemophilia is one of a spectrum of devastating chronic bleeding disorders impacting Americans. Von Willebrand Disease, another type of bleeding disorder, is caused by a deficiency on the von Willebrand protein. Persons with the disorder often bruise easily, have frequent nosebleeds, or bleed after tooth extraction, tonsillectomy, or other surgery. In some instances, women will have prolonged menstrual bleeding. The disorder occurs in about 1% to 2% of the U.S. population.

(3) Appropriat care and treatment are necessities for maintaining optimum health for persons afflicted with hemophilia and other bleeding disorders.

(4) While hemophilia and other bleeding disorders are incurable, advancements in drug therapies are allowing individuals greater latitude in managing their conditions, fostering independence, and minimizing chronic complications such as damage to the joints and muscles, blood-transmitted infectious diseases, and chronic liver diseases. At the same time, treatment for clotting disorders is saving more and more lives. The rarity of these disorders coupled with the delicate processes for producing factors, however, makes treating these disorders extremely costly. As a result, insurance coverage is a major concern for patients and their families.

(5) It is thus the intent of the General Assembly to coordinate State support for through implementation of this Act to establish an advisory board to provide expert advice to the State on health and insurance policies, plans, and public health programs that impact individuals with hemophilia and other bleeding disorders with the health insurance protections made available to all Americans under the Patient Protection and Affordable Care Act.

If the Department determines that the elements of the plan may meet federal Medicaid standards and a related State Medicaid Plan Amendment is prepared in a manner and form suitable for submission, that State Plan Amendment shall be submitted in a timely manner for review by the Centers for Medicare and Medicaid Services of the United States Department of Health and Human Services and subject to approval by the Centers for Medicare and Medicaid Services of the United States Department of Health and Human Services. (305 ILCS 5/5A-4) (from Ch. 23, par. 5A-4)
Sec. 5A-4. Payment of assessment; penalty.

(a) The assessment imposed by Section 5A-2 for State fiscal year 2009 and each subsequent State fiscal year shall be due and payable in monthly installments, each equaling one-twelfth of the assessment for the year, on the fourteenth State business day of each month. No installment payment of an assessment imposed by Section 5A-2 shall be due and payable, however, until after the Comptroller has issued the payments required under this Article.

Except as provided in subsection (a-5) of this Section, the assessment imposed by subsection (b-5) of Section 5A-2 for the portion of State fiscal year 2012 beginning June 10, 2012 through June 30, 2012, and for State fiscal year 2013 and each subsequent State fiscal year shall be due and payable in monthly installments, each equaling one-twelfth of the assessment for the year, on the 14th State business day of each month. No installment payment of an assessment imposed by subsection (b-5) of Section 5A-2 shall be due and payable, however, until after: (i) the Department notifies the hospital provider, in writing, that the payment methodologies to hospitals required under Section 5A-12.4, have been approved by the Centers for Medicare and Medicaid Services of the U.S. Department of Health and Human Services, and the waiver under 42 CFR 433.68 for the assessment imposed by subsection (b-5) of Section 5A-2, if necessary, has been granted by the Centers for Medicare and Medicaid Services of the U.S. Department of Health and Human Services; and (ii) the Comptroller has issued the payments required under Section 5A-12.4. Upon notification to the Department of approval of the payment methodologies required under Section 5A-12.4 and the waiver granted under 42 CFR 433.68, if necessary, all installments otherwise due under subsection (b-5) of Section 5A-2 prior to the date of notification shall be due and payable to the Department upon written direction from the
Department and issuance by the Comptroller of the payments required under Section 5A-12.4.

(a-5) The Illinois Department may accelerate the schedule upon which assessment installments are due and payable by hospitals with a payment ratio greater than or equal to one. Such acceleration of due dates for payment of the assessment may be made only in conjunction with a corresponding acceleration in access payments identified in Section 5A-12.2 or Section 5A-12.4 to the same hospitals. For the purposes of this subsection (a-5), a hospital's payment ratio is defined as the quotient obtained by dividing the total payments for the State fiscal year, as authorized under Section 5A-12.2 or Section 5A-12.4, by the total assessment for the State fiscal year imposed under Section 5A-2 or subsection (b-5) of Section 5A-2.

(b) The Illinois Department is authorized to establish delayed payment schedules for hospital providers that are unable to make installment payments when due under this Section due to financial difficulties, as determined by the Illinois Department.

(c) If a hospital provider fails to pay the full amount of an installment when due (including any extensions granted under subsection (b)), there shall, unless waived by the Illinois Department for reasonable cause, be added to the assessment imposed by Section 5A-2 a penalty assessment equal to the lesser of (i) 5% of the amount of the installment not paid on or before the due date plus 5% of the portion thereof remaining unpaid on the last day of each 30-day period thereafter or (ii) 100% of the installment amount not paid on or before the due date. For purposes of this subsection, payments will be credited first to unpaid installment amounts (rather than to penalty or interest), beginning with the most delinquent installments.

(d) Any assessment amount that is due and payable to the Illinois Department more frequently than once per calendar quarter shall be remitted to the Illinois Department by the hospital provider by means of electronic funds transfer. The Illinois Department may provide for remittance by other means if (i) the amount due is less than $10,000 or (ii) electronic funds transfer is unavailable for this purpose.

4. (Blank).
5. Other reasonable information as determined by the Illinois Department.

(b) If a hospital provider conducts, operates, or maintains more than one hospital licensed by the Illinois Department of Public Health, the provider shall pay the assessment for each hospital separately.

(c) Notwithstanding any other provision in this Article, in the case of a person who ceases to conduct, operate, or maintain a hospital in respect of which the person is subject to assessment under this Article as a hospital provider, the assessment for the State fiscal year in which the cessation occurs shall be adjusted by multiplying the assessment computed under Section 5A-2 by a fraction, the numerator of which is the number of days in the year during which the provider conducts, operates, or maintains the hospital and the denominator of which is 365. Immediately upon ceasing to conduct, operate, or maintain a hospital, the person shall pay the assessment for the year as so adjusted (to the extent not previously paid).

(d) Notwithstanding any other provision in this Article, a provider who commences conducting, operating, or maintaining a hospital, upon
notice by the Illinois Department, shall pay the assessment computed under Section 5A-2 and subsection (e) in installments on the due dates stated in the notice and on the regular installment due dates for the State fiscal year occurring after the due dates of the initial notice.

(f) Every hospital provider subject to assessment under this Article shall keep sufficient records to permit the determination of adjusted gross hospital revenue for the hospital's fiscal year. All such records shall be kept in the English language and shall, at all times during regular business hours of the day, be subject to inspection by the Illinois Department or its duly authorized agents and employees.

(g) The Illinois Department may, by rule, provide a hospital provider a reasonable opportunity to request a clarification or correction of any clerical or computational errors contained in the calculation of its assessment, but such corrections shall not extend to updating the cost report information used to calculate the assessment.

These payments shall be paid in 12 equal installments on or before the 7th State business day of each month, except that no payment shall be due within 100 days after the later of the date of notification of federal approval of the payment methodologies required under this Section or any waiver required under 42 CFR 433.68, at which time the sum of amounts required under this Section prior to the date of notification is due and payable. Payments under this Section are not due and payable, however, until (i) the methodologies described in this Section are approved by the federal government in an appropriate State Plan amendment and (ii) the assessment imposed under subsection (b-5) of Section 5A-2 of this Article is determined to be a permissible tax under Title XIX of the Social Security Act. The Illinois Department shall take all actions necessary to implement the payments under this Section effective July 1, 2012, including but not limited to providing public notice pursuant to federal requirements, the filing of a State Plan amendment, and the adoption of administrative rules. (d) Dual-eligible adjustment. In addition to rates paid for inpatient services, the Department shall pay each Illinois general acute care hospital that had a ratio of crossover days to total inpatient days for programs under Title XIX of the Social Security Act administered by the Department (utilizing information from 2009 paid claims) greater than 50%, and a case mix index equal to or greater than the 75th percentile of case mix indices for all Illinois hospitals, a rate of $400 for each Medicaid inpatient day during State fiscal year 2009 including crossover days.

(e) Medicaid volume adjustment. In addition to rates paid for inpatient hospital services, the Department shall pay to each Illinois general acute care hospital that provided more than 10,000 Medicaid inpatient days of care in State fiscal year 2009, has a Medicaid inpatient utilization rate of at least 29.05% as calculated by the Department for the Rate Year 2011 Disproportionate Share determination, and is not eligible for Medicaid Percentage Adjustment payments in rate year 2011 an amount equal to $135 for each Medicaid inpatient day of care provided during State fiscal year 2009.

(2) In addition to the rates paid for outpatient hospital services, the Department shall pay each Illinois freestanding psychiatric hospital an amount equal to $200 multiplied by the hospital's ambulatory procedure listing services for category 5A for State fiscal year 2009.

(h) Specialty hospital adjustment. In addition to the rates paid for outpatient hospital services, the Department shall pay each Illinois long term acute care hospital and each Illinois hospital devoted exclusively to the treatment of cancer, an amount equal to $700 multiplied by the hospital's outpatient ambulatory procedure listing services and by the hospital's end stage renal disease treatment services (including services provided to individuals eligible for both Medicaid and Medicare) provided for State fiscal year 2009.

(h-1) ER Safety Net Payments. In addition to rates paid for outpatient hospital services, the Department shall pay to each Illinois general acute care hospital with an emergency room ratio equal to or greater than 55%, that is not eligible for Medicaid percentage adjustments payments in rate year 2011, with a case mix index equal to or greater than the 20th percentile, and that is not designated as a trauma center by the Illinois Department of Public Health on July 1, 2011, as follows:

(i) Physician supplemental adjustment. In addition to the rates paid for physician services, the Department shall make an adjustment payment for services provided by physicians as follows:

New matter indicated in italics - deletions by strikeout
(i) Illinois general acute care hospitals that provided at least 17,000 Medicaid inpatient days of care in State fiscal year 2009 and are eligible for Medicaid Percentage Adjustment Payments in rate year 2011; and (ii) Illinois freestanding children's hospitals, as defined in 89 Ill. Adm. Code 149.50(c)(3)(A).

(2) The amount of the adjustment for each eligible hospital under this subsection (i) shall be determined by rule by the Department to spend a total pool of at least $6,960,000 annually. This pool shall be allocated among the eligible hospitals based on the difference between the upper payment limit for what could have been paid under Medicaid for physician services provided during State fiscal year 2009 by physicians employed by or who had a contract with the hospital and the amount that was paid under Medicaid for such services, provided however, that in no event shall physicians at any individual hospital collectively receive an annual, aggregate adjustment in excess of $435,000, except that any amount that is not distributed to a hospital because of the upper payment limit shall be reallocated among the remaining eligible hospitals that are below the upper payment limitation, on a proportionate basis.

(i-5) For any children's hospital which did not charge for its services during the base period, the Department shall use data supplied by the hospital to determine payments using similar methodologies for freestanding children's hospitals under this Section or Section 5A-12.2.

(j) For purposes of this Section, a hospital that is enrolled to provide Medicaid services during State fiscal year 2009 shall have its utilization and associated reimbursements annualized prior to the payment calculations being performed under this Section.

(k) For purposes of this Section, the terms "Medicaid days", "ambulatory procedure listing services", and "ambulatory procedure listing payments" do not include any days, charges, or services for which Medicare or a managed care organization reimbursed on a capitated basis was liable for payment, except where explicitly stated otherwise in this Section.

(l) Definitions. Unless the context requires otherwise or unless provided otherwise in this Section, the terms used in this Section for qualifying criteria and payment calculations shall have the same meanings as those terms have been given in the Illinois Department's administrative regulations.
rules as in effect on October 1, 2011. Other terms shall be defined by the Illinois Department by rule.

As used in this Section, unless the context requires otherwise:

"Case mix index" means, for a given hospital, the sum of the per admission (DRG) relative weighting factors in effect on January 1, 2005, for all general acute care admissions for State fiscal year 2009, excluding Medicare crossover admissions and transplant admissions reimbursed under 89 Ill. Adm. Code 148.82, divided by the total number of general acute care admissions for State fiscal year 2009, excluding Medicare crossover admissions and transplant admissions reimbursed under 89 Ill. Adm. Code 148.82.

"Emergency room ratio" means, for a given hospital, a fraction, the denominator of which is the number of the hospital's outpatient ambulatory procedure listing and end-stage renal disease treatment services provided for State fiscal year 2009 and the numerator of which is the hospital's outpatient ambulatory procedure listing services for categories 3A, 3B, and 3C for State fiscal year 2009.

"Medicaid inpatient day" means, for a given hospital, the sum of days of inpatient hospital days provided to recipients of medical assistance under Title XIX of the federal Social Security Act, excluding days for individuals eligible for Medicare under Title XVIII of that Act (Medicaid/Medicare crossover days), as tabulated from the Department's paid claims data for admissions occurring during State fiscal year 2009 that was adjudicated by the Department through June 30, 2010.

"Outpatient ambulatory procedure listing services" means, for a given hospital, ambulatory procedure listing services, as described in 89 Ill. Adm. Code 148.140(b), provided to recipients of medical assistance under Title XIX of the federal Social Security Act, excluding services for individuals eligible for Medicare under Title XVIII of the Act (Medicaid/Medicare crossover days), as tabulated from the Department's paid claims data for services occurring in State fiscal year 2009 that were adjudicated by the Department through September 2, 2010.

"Outpatient end-stage renal disease treatment services" means, for a given hospital, the services, as described in 89 Ill. Adm. Code 148.140(c), provided to recipients of medical assistance under Title XIX of the federal Social Security Act, excluding payments for individuals eligible for Medicare under Title XVIII of the Act (Medicaid/Medicare crossover days), as tabulated from the Department's paid claims data for
services occurring in State fiscal year 2009 that were adjudicated by the Department through September 2, 2010.

(m) The Department may adjust payments made under this Section 5A-12.4 to comply with federal law or regulations regarding hospital-specific payment limitations on government-owned or government-operated hospitals.

(n) Notwithstanding any of the other provisions of this Section, the Department is authorized to adopt rules that change the hospital access improvement payments specified in this Section, but only to the extent necessary to conform to any federally approved amendment to the Title XIX State plan. Any such rules shall be adopted by the Department as authorized by Section 5-50 of the Illinois Administrative Procedure Act. Notwithstanding any other provision of law, any changes implemented as a result of this subsection (n) shall be given retroactive effect so that they shall be deemed to have taken effect as of the effective date of this Section.

(o) The Department of Healthcare and Family Services must submit a State Medicaid Plan Amendment to the Centers for Medicare and Medicaid Services to implement the payments under this Section within 30 days of the effective date of this Act.

ARTICLE 9.

Section 9-5. The Illinois Public Aid Code is amended by changing Sections 3-1.2, 5-2b, 5-4, 5-5, 5-5e, 5-5e.1, and 5-5f as follows:

(305 ILCS 5/3-1.2) (from Ch. 23, par. 3-1.2)
Sec. 3-1.2. Need. Income available to the person, when added to contributions in money, substance, or services from other sources, including contributions from legally responsible relatives, must be insufficient to equal the grant amount established by Department regulation for such person.

In determining earned income to be taken into account, consideration shall be given to any expenses reasonably attributable to the earning of such income. If federal law or regulations permit or require exemption of earned or other income and resources, the Illinois Department shall provide by rule and regulation that the amount of income to be disregarded be increased (1) to the maximum extent so required and (2) to the maximum extent permitted by federal law or regulation in effect as of the date this Amendatory Act becomes law. The Illinois Department may also provide by rule and regulation that the amount of resources to be
disregarded be increased to the maximum extent so permitted or required.
Subject to federal approval, resources (for example, land, buildings, 
equipment, supplies, or tools), including farmland property and personal 
property used in the income-producing operations related to the farmland 
(for example, equipment and supplies, motor vehicles, or tools), necessary 
for self-support, up to $6,000 of the person's equity in the income-
producing property, provided that the property produces a net annual income of at least 6% of the excluded equity value of the property, are 
exempt. Equity value in excess of $6,000 shall not be excluded. If the activity produces income that is less than 6% of the exempt equity due to 
reasons beyond the person's control (for example, the person's illness or 
crop failure) and there is a reasonable expectation that the property will 
again produce income equal to or greater than 6% of the equity value (for example, a medical prognosis that the person is expected to respond to 
treatment or that drought-resistant corn will be planted), the equity value in 
the property up to $6,000 is exempt. If the person owns more than one 
piece of property and each produces income, each piece of property shall 
be looked at to determine whether the 6% rule is met, and then the 
amounts of the person's equity in all of those properties shall be totaled to 
determine whether the total equity is $6,000 or less. The total equity value of all properties that is exempt shall be limited to $6,000.

In determining the resources of an individual or any dependents, 
the Department shall exclude from consideration the value of funeral and 
burial spaces, funeral and burial insurance the proceeds of which can only 
be used to pay the funeral and burial expenses of the insured and funds 
specifically set aside for the funeral and burial arrangements of the 
individual or his or her dependents, including prepaid funeral and burial 
plans, to the same extent that such items are excluded from consideration 
under the federal Supplemental Security Income program (SSI).

Prepaid funeral or burial contracts are exempt to the following 
extent:

(1) Funds in a revocable prepaid funeral or burial contract 
are exempt up to $1,500, except that any portion of a contract that 
clearly represents the purchase of burial space, as that term is 
defined for purposes of the Supplemental Security Income 
program, is exempt regardless of value.

(2) Funds in an irrevocable prepaid funeral or burial 
contract are exempt up to $5,874, except that any portion of a 
contract that clearly represents the purchase of burial space, as that
term is defined for purposes of the Supplemental Security Income program, is exempt regardless of value. This amount shall be adjusted annually for any increase in the Consumer Price Index. The amount exempted shall be limited to the price of the funeral goods and services to be provided upon death. The contract must provide a complete description of the funeral goods and services to be provided and the price thereof. Any amount in the contract not so specified shall be treated as a transfer of assets for less than fair market value.

(3) A prepaid, guaranteed-price funeral or burial contract, funded by an irrevocable assignment of a person's life insurance policy to a trust, is exempt. The amount exempted shall be limited to the amount of the insurance benefit designated for the cost of the funeral goods and services to be provided upon the person's death. The contract must provide a complete description of the funeral goods and services to be provided and the price thereof. Any amount in the contract not so specified shall be treated as a transfer of assets for less than fair market value. The trust must include a statement that, upon the death of the person, the State will receive all amounts remaining in the trust, including any remaining payable proceeds under the insurance policy up to an amount equal to the total medical assistance paid on behalf of the person. The trust is responsible for ensuring that the provider of funeral services under the contract receives the proceeds of the policy when it provides the funeral goods and services specified under the contract. The irrevocable assignment of ownership of the insurance policy must be acknowledged by the insurance company.

Notwithstanding any other provision of this Code to the contrary, an irrevocable trust containing the resources of a person who is determined to have a disability shall be considered exempt from consideration. A pooled Such trust must be established and managed by a non-profit association that pools funds but maintains a separate account for each beneficiary. The trust may be established by the person, a parent, grandparent, legal guardian, or court. It must be established for the sole benefit of the person and language contained in the trust shall stipulate that any amount remaining in the trust (up to the amount expended by the Department on medical assistance) that is not retained by the trust for reasonable administrative costs related to wrapping up the affairs of the subaccount shall be paid to the Department upon the death of the person.

After a person reaches age 65, any funding by or on behalf of the person to the trust shall be treated as a transfer of assets for less than fair market value unless the person is a ward of a county public guardian or the State guardian pursuant to Section 13-5 of the Probate Act of 1975 or Section 30 of the Guardianship and Advocacy Act and lives in the community, or the person is a ward of a county public guardian or the State guardian pursuant to Section 13-5 of the Probate Act of 1975 or Section 30 of the Guardianship and Advocacy Act and a court has found that any expenditures from the trust will maintain or enhance the person's quality of life. If the trust contains proceeds from a personal injury settlement, any Department charge must be satisfied in order for the transfer to the trust to be treated as a transfer for fair market value.

The homestead shall be exempt from consideration except to the extent that it meets the income and shelter needs of the person. "Homestead" means the dwelling house and contiguous real estate owned and occupied by the person, regardless of its value. Subject to federal approval, a person shall not be eligible for long-term care services, however, if the person's equity interest in his or her homestead exceeds the minimum home equity as allowed and increased annually under federal law. Subject to federal approval, on and after the effective date of this amendatory Act of the 97th General Assembly, homestead property transferred to a trust shall no longer be considered homestead property.

Occasional or irregular gifts in cash, goods or services from persons who are not legally responsible relatives which are of nominal value or which do not have significant effect in meeting essential requirements shall be disregarded. The eligibility of any applicant for or recipient of public aid under this Article is not affected by the payment of any grant under the "Senior Citizens and Disabled Persons Property Tax Relief Act" or any distributions or items of income described under subparagraph (X) of paragraph (2) of subsection (a) of Section 203 of the Illinois Income Tax Act.

The Illinois Department may, after appropriate investigation, establish and implement a consolidated standard to determine need and eligibility for and amount of benefits under this Article or a uniform cash supplement to the federal Supplemental Security Income program for all or any part of the then current recipients under this Article; provided, however, that the establishment or implementation of such a standard or supplement shall not result in reductions in benefits under this Article for the then current recipients of such benefits.

Sec. 5-2b. Medically fragile and technology dependent children eligibility and program. Notwithstanding any other provision of law, on and after September 1, 2012, subject to federal approval, medical assistance under this Article shall be available to children who qualify as persons with a disability, as defined under the federal Supplemental Security Income program and who are medically fragile and technology dependent. The program shall allow eligible children to receive the medical assistance provided under this Article in the community, shall be limited to families with income up to 500% of the federal poverty level, and must maximize, to the fullest extent permissible under federal law, federal reimbursement and family cost-sharing, including co-pays, premiums, or any other family contributions, except that the Department shall be permitted to incentivize the utilization of selected services through the use of cost-sharing adjustments. The Department shall establish the policies, procedures, standards, services, and criteria for this program by rule.

Sec. 5-4. Amount and nature of medical assistance. (a) The amount and nature of medical assistance shall be determined in accordance with the standards, rules, and regulations of the Department of Healthcare and Family Services, with due regard to the requirements and conditions in each case, including contributions available from legally responsible relatives. However, the amount and nature of such medical assistance shall not be affected by the payment of any grant under the Senior Citizens and Disabled Persons Property Tax Relief Act or any distributions or items of income described under subparagraph (X) of paragraph (2) of subsection (a) of Section 203 of the Illinois Income Tax Act. The amount and nature of medical assistance shall not be affected by the receipt of donations or benefits from fundraisers in cases of serious illness, as long as neither the person nor members of the person's family have actual control over the donations or benefits or the disbursement of the donations or benefits.

In determining the income and resources available to the institutionalized spouse and to the community spouse, the Department of Healthcare and Family Services shall follow the procedures established by federal law. If an institutionalized spouse or community spouse refuses to
comply with the requirements of Title XIX of the federal Social Security Act and the regulations duly promulgated thereunder by failing to provide the total value of assets, including income and resources, to the extent either the institutionalized spouse or community spouse has an ownership interest in them pursuant to 42 U.S.C. 1396r-5, such refusal may result in the institutionalized spouse being denied eligibility and continuing to remain ineligible for the medical assistance program based on failure to cooperate.

Subject to federal approval, the community spouse resource allowance shall be established and maintained at the higher of $109,560 or the minimum level permitted pursuant to Section 1924(f)(2) of the Social Security Act, as now or hereafter amended, or an amount set after a fair hearing, whichever is greater. The monthly maintenance allowance for the community spouse shall be established and maintained at the higher of $2,739 per month or the minimum level permitted pursuant to Section 1924(d)(3)(C) of the Social Security Act, as now or hereafter amended, or an amount set after a fair hearing, whichever is greater. Subject to the approval of the Secretary of the United States Department of Health and Human Services, the provisions of this Section shall be extended to persons who but for the provision of home or community-based services under Section 4.02 of the Illinois Act on the Aging, would require the level of care provided in an institution, as is provided for in federal law.

(b) Spousal support for institutionalized spouses receiving medical assistance.

(i) The Department may seek support for an institutionalized spouse, who has assigned his or her right of support from his or her spouse to the State, from the resources and income available to the community spouse.

(ii) The Department may bring an action in the circuit court to establish support orders or itself establish administrative support orders by any means and procedures authorized in this Code, as applicable, except that the standard and regulations for determining ability to support in Section 10-3 shall not limit the amount of support that may be ordered.

(iii) Proceedings may be initiated to obtain support, or for the recovery of aid granted during the period such support was not provided, or both, for the obtainment of support and the recovery of the aid provided. Proceedings for the recovery of aid may be taken separately or they may be consolidated with actions to obtain support.

New matter indicated in italics - deletions by strikeout
support. Such proceedings may be brought in the name of the person or persons requiring support or may be brought in the name of the Department, as the case requires.

(iv) The orders for the payment of moneys for the support of the person shall be just and equitable and may direct payment thereof for such period or periods of time as the circumstances require, including support for a period before the date the order for support is entered. In no event shall the orders reduce the community spouse resource allowance below the level established in subsection (a) of this Section or an amount set after a fair hearing, whichever is greater, or reduce the monthly maintenance allowance for the community spouse below the level permitted pursuant to subsection (a) of this Section.

(305 ILCS 5/5-5) (from Ch. 23, par. 5-5)

Sec. 5-5. Medical services. The Illinois Department, by rule, shall determine the quantity and quality of and the rate of reimbursement for the medical assistance for which payment will be authorized, and the medical services to be provided, which may include all or part of the following: (1) inpatient hospital services; (2) outpatient hospital services; (3) other laboratory and X-ray services; (4) skilled nursing home services; (5) physicians' services whether furnished in the office, the patient's home, a hospital, a skilled nursing home, or elsewhere; (6) medical care, or any other type of remedial care furnished by licensed practitioners; (7) home health care services; (8) private duty nursing service; (9) clinic services; (10) dental services, including prevention and treatment of periodontal disease and dental caries disease for pregnant women, provided by an individual licensed to practice dentistry or dental surgery; for purposes of this item (10), "dental services" means diagnostic, preventive, or corrective procedures provided by or under the supervision of a dentist in the practice of his or her profession; (11) physical therapy and related services; (12) prescribed drugs, dentures, and prosthetic devices; and eyeglasses prescribed by a physician skilled in the diseases of the eye, or by an optometrist, whichever the person may select; (13) other diagnostic, screening, preventive, and rehabilitative services, including to ensure that the individual's need for intervention or treatment of mental disorders or substance use disorders or co-occurring mental health and substance use disorders is determined using a uniform screening, assessment, and evaluation process inclusive of criteria, for children and adults; for

New matter indicated in italics - deletions by strikeout
purposes of this item (13), a uniform screening, assessment, and evaluation process refers to a process that includes an appropriate evaluation and, as warranted, a referral; “uniform” does not mean the use of a singular instrument, tool, or process that all must utilize; (14) transportation and such other expenses as may be necessary; (15) medical treatment of sexual assault survivors, as defined in Section 1a of the Sexual Assault Survivors Emergency Treatment Act, for injuries sustained as a result of the sexual assault, including examinations and laboratory tests to discover evidence which may be used in criminal proceedings arising from the sexual assault; (16) the diagnosis and treatment of sickle cell anemia; and (17) any other medical care, and any other type of remedial care recognized under the laws of this State, but not including abortions, or induced miscarriages or premature births, unless, in the opinion of a physician, such procedures are necessary for the preservation of the life of the woman seeking such treatment, or except an induced premature birth intended to produce a live viable child and such procedure is necessary for the health of the mother or her unborn child. The Illinois Department, by rule, shall prohibit any physician from providing medical assistance to anyone eligible therefor under this Code where such physician has been found guilty of performing an abortion procedure in a wilful and wanton manner upon a woman who was not pregnant at the time such abortion procedure was performed. The term "any other type of remedial care" shall include nursing care and nursing home service for persons who rely on treatment by spiritual means alone through prayer for healing.

Notwithstanding any other provision of this Section, a comprehensive tobacco use cessation program that includes purchasing prescription drugs or prescription medical devices approved by the Food and Drug Administration shall be covered under the medical assistance program under this Article for persons who are otherwise eligible for assistance under this Article.

Notwithstanding any other provision of this Code, the Illinois Department may not require, as a condition of payment for any laboratory test authorized under this Article, that a physician's handwritten signature appear on the laboratory test order form. The Illinois Department may, however, impose other appropriate requirements regarding laboratory test order documentation.

On and after July 1, 2012, the Department of Healthcare and Family Services may provide the following services to persons eligible for

New matter indicated in italics - deletions by strikeout
assistance under this Article who are participating in education, training or employment programs operated by the Department of Human Services as successor to the Department of Public Aid:

(1) dental services provided by or under the supervision of a dentist; and

(2) eyeglasses prescribed by a physician skilled in the diseases of the eye, or by an optometrist, whichever the person may select.

Notwithstanding any other provision of this Code and subject to federal approval, the Department may adopt rules to allow a dentist who is volunteering his or her service at no cost to render dental services through an enrolled not-for-profit health clinic without the dentist personally enrolling as a participating provider in the medical assistance program. A not-for-profit health clinic shall include a public health clinic or Federally Qualified Health Center or other enrolled provider, as determined by the Department, through which dental services covered under this Section are performed. The Department shall establish a process for payment of claims for reimbursement for covered dental services rendered under this provision.

The Illinois Department, by rule, may distinguish and classify the medical services to be provided only in accordance with the classes of persons designated in Section 5-2.

The Department of Healthcare and Family Services must provide coverage and reimbursement for amino acid-based elemental formulas, regardless of delivery method, for the diagnosis and treatment of (i) eosinophilic disorders and (ii) short bowel syndrome when the prescribing physician has issued a written order stating that the amino acid-based elemental formula is medically necessary.

The Illinois Department shall authorize the provision of, and shall authorize payment for, screening by low-dose mammography for the presence of occult breast cancer for women 35 years of age or older who are eligible for medical assistance under this Article, as follows:

(A) A baseline mammogram for women 35 to 39 years of age.

(B) An annual mammogram for women 40 years of age or older.

(C) A mammogram at the age and intervals considered medically necessary by the woman’s health care provider for women under 40 years of age and having a family history of breast cancer.

cancer, prior personal history of breast cancer, positive genetic testing, or other risk factors.

(D) A comprehensive ultrasound screening of an entire breast or breasts if a mammogram demonstrates heterogeneous or dense breast tissue, when medically necessary as determined by a physician licensed to practice medicine in all of its branches.

All screenings shall include a physical breast exam, instruction on self-examination and information regarding the frequency of self-examination and its value as a preventative tool. For purposes of this Section, "low-dose mammography" means the x-ray examination of the breast using equipment dedicated specifically for mammography, including the x-ray tube, filter, compression device, and image receptor, with an average radiation exposure delivery of less than one rad per breast for 2 views of an average size breast. The term also includes digital mammography.

On and after January 1, 2012, providers participating in a quality improvement program approved by the Department shall be reimbursed for screening and diagnostic mammography at the same rate as the Medicare program's rates, including the increased reimbursement for digital mammography.

The Department shall convene an expert panel including representatives of hospitals, free-standing mammography facilities, and doctors, including radiologists, to establish quality standards.

Subject to federal approval, the Department shall establish a rate methodology for mammography at federally qualified health centers and other encounter-rate clinics. These clinics or centers may also collaborate with other hospital-based mammography facilities.

The Department shall establish a methodology to remind women who are age-appropriate for screening mammography, but who have not received a mammogram within the previous 18 months, of the importance and benefit of screening mammography.

The Department shall establish a performance goal for primary care providers with respect to their female patients over age 40 receiving an annual mammogram. This performance goal shall be used to provide additional reimbursement in the form of a quality performance bonus to primary care providers who meet that goal.

The Department shall devise a means of case-managing or patient navigation for beneficiaries diagnosed with breast cancer. This program shall initially operate as a pilot program in areas of the State with the
highest incidence of mortality related to breast cancer. At least one pilot program site shall be in the metropolitan Chicago area and at least one site shall be outside the metropolitan Chicago area. An evaluation of the pilot program shall be carried out measuring health outcomes and cost of care for those served by the pilot program compared to similarly situated patients who are not served by the pilot program.

Any medical or health care provider shall immediately recommend, to any pregnant woman who is being provided prenatal services and is suspected of drug abuse or is addicted as defined in the Alcoholism and Other Drug Abuse and Dependency Act, referral to a local substance abuse treatment provider licensed by the Department of Human Services or to a licensed hospital which provides substance abuse treatment services. The Department of Healthcare and Family Services shall assure coverage for the cost of treatment of the drug abuse or addiction for pregnant recipients in accordance with the Illinois Medicaid Program in conjunction with the Department of Human Services.

All medical providers providing medical assistance to pregnant women under this Code shall receive information from the Department on the availability of services under the Drug Free Families with a Future or any comparable program providing case management services for addicted women, including information on appropriate referrals for other social services that may be needed by addicted women in addition to treatment for addiction.

The Illinois Department, in cooperation with the Departments of Human Services (as successor to the Department of Alcoholism and Substance Abuse) and Public Health, through a public awareness campaign, may provide information concerning treatment for alcoholism and drug abuse and addiction, prenatal health care, and other pertinent programs directed at reducing the number of drug-affected infants born to recipients of medical assistance.

Neither the Department of Healthcare and Family Services nor the Department of Human Services shall sanction the recipient solely on the basis of her substance abuse.

The Illinois Department shall establish such regulations governing the dispensing of health services under this Article as it shall deem appropriate. The Department should seek the advice of formal professional advisory committees appointed by the Director of the Illinois Department for the purpose of providing regular advice on policy and administrative matters, information dissemination and educational activities for medical
and health care providers, and consistency in procedures to the Illinois Department.

The Illinois Department may develop and contract with Partnerships of medical providers to arrange medical services for persons eligible under Section 5-2 of this Code. Implementation of this Section may be by demonstration projects in certain geographic areas. The Partnership shall be represented by a sponsor organization. The Department, by rule, shall develop qualifications for sponsors of Partnerships. Nothing in this Section shall be construed to require that the sponsor organization be a medical organization.

The sponsor must negotiate formal written contracts with medical providers for physician services, inpatient and outpatient hospital care, home health services, treatment for alcoholism and substance abuse, and other services determined necessary by the Illinois Department by rule for delivery by Partnerships. Physician services must include prenatal and obstetrical care. The Illinois Department shall reimburse medical services delivered by Partnership providers to clients in target areas according to provisions of this Article and the Illinois Health Finance Reform Act, except that:

(1) Physicians participating in a Partnership and providing certain services, which shall be determined by the Illinois Department, to persons in areas covered by the Partnership may receive an additional surcharge for such services.

(2) The Department may elect to consider and negotiate financial incentives to encourage the development of Partnerships and the efficient delivery of medical care.

(3) Persons receiving medical services through Partnerships may receive medical and case management services above the level usually offered through the medical assistance program.

Medical providers shall be required to meet certain qualifications to participate in Partnerships to ensure the delivery of high quality medical services. These qualifications shall be determined by rule of the Illinois Department and may be higher than qualifications for participation in the medical assistance program. Partnership sponsors may prescribe reasonable additional qualifications for participation by medical providers, only with the prior written approval of the Illinois Department.

Nothing in this Section shall limit the free choice of practitioners, hospitals, and other providers of medical services by clients. In order to ensure patient freedom of choice, the Illinois Department shall
immediately promulgate all rules and take all other necessary actions so that provided services may be accessed from therapeutically certified optometrists to the full extent of the Illinois Optometric Practice Act of 1987 without discriminating between service providers.

The Department shall apply for a waiver from the United States Health Care Financing Administration to allow for the implementation of Partnerships under this Section.

The Illinois Department shall require health care providers to maintain records that document the medical care and services provided to recipients of Medical Assistance under this Article. Such records must be retained for a period of not less than 6 years from the date of service or as provided by applicable State law, whichever period is longer, except that if an audit is initiated within the required retention period then the records must be retained until the audit is completed and every exception is resolved. The Illinois Department shall require health care providers to make available, when authorized by the patient, in writing, the medical records in a timely fashion to other health care providers who are treating or serving persons eligible for Medical Assistance under this Article. All dispensers of medical services shall be required to maintain and retain business and professional records sufficient to fully and accurately document the nature, scope, details and receipt of the health care provided to persons eligible for medical assistance under this Code, in accordance with regulations promulgated by the Illinois Department. The rules and regulations shall require that proof of the receipt of prescription drugs, dentures, prosthetic devices and eyeglasses by eligible persons under this Section accompany each claim for reimbursement submitted by the dispenser of such medical services. No such claims for reimbursement shall be approved for payment by the Illinois Department without such proof of receipt, unless the Illinois Department shall have put into effect and shall be operating a system of post-payment audit and review which shall, on a sampling basis, be deemed adequate by the Illinois Department to assure that such drugs, dentures, prosthetic devices and eyeglasses for which payment is being made are actually being received by eligible recipients. Within 90 days after the effective date of this amendatory Act of 1984, the Illinois Department shall establish a current list of acquisition costs for all prosthetic devices and any other items recognized as medical equipment and supplies reimbursable under this Article and shall update such list on a quarterly basis, except that the acquisition costs of all

New matter indicated in italics - deletions by strikeout
prescription drugs shall be updated no less frequently than every 30 days as required by Section 5-5.12.

The rules and regulations of the Illinois Department shall require that a written statement including the required opinion of a physician shall accompany any claim for reimbursement for abortions, or induced miscarriages or premature births. This statement shall indicate what procedures were used in providing such medical services.

The Illinois Department shall require all dispensers of medical services, other than an individual practitioner or group of practitioners, desiring to participate in the Medical Assistance program established under this Article to disclose all financial, beneficial, ownership, equity, surety or other interests in any and all firms, corporations, partnerships, associations, business enterprises, joint ventures, agencies, institutions or other legal entities providing any form of health care services in this State under this Article.

The Illinois Department may require that all dispensers of medical services desiring to participate in the medical assistance program established under this Article disclose, under such terms and conditions as the Illinois Department may by rule establish, all inquiries from clients and attorneys regarding medical bills paid by the Illinois Department, which inquiries could indicate potential existence of claims or liens for the Illinois Department.

Enrollment of a vendor shall be subject to a provisional period and shall be conditional for one year. During the period of conditional enrollment, the Department may terminate the vendor's eligibility to participate in, or may disenroll the vendor from, the medical assistance program without cause. Unless otherwise specified, such termination of eligibility or disenrollment is not subject to the Department's hearing process. However, a disenrolled vendor may reapply without penalty.

The Department has the discretion to limit the conditional enrollment period for vendors based upon category of risk of the vendor. Prior to enrollment and during the conditional enrollment period in the medical assistance program, all vendors shall be subject to enhanced oversight, screening, and review based on the risk of fraud, waste, and abuse that is posed by the category of risk of the vendor. The Illinois Department shall establish the procedures for oversight, screening, and review, which may include, but need not be limited to: criminal and financial background checks; fingerprinting; license, certification, and authorization verifications; unscheduled or unannounced site visits;

New matter indicated in italics - deletions by strikeout
database checks; prepayment audit reviews; audits; payment caps; payment suspensions; and other screening as required by federal or State law.

The Department shall define or specify the following: (i) by provider notice, the "category of risk of the vendor" for each type of vendor, which shall take into account the level of screening applicable to a particular category of vendor under federal law and regulations; (ii) by rule or provider notice, the maximum length of the conditional enrollment period for each category of risk of the vendor; and (iii) by rule, the hearing rights, if any, afforded to a vendor in each category of risk of the vendor that is terminated or disenrolled during the conditional enrollment period.

To be eligible for payment consideration, a vendor's payment claim or bill, either as an initial claim or as a resubmitted claim following prior rejection, must be received by the Illinois Department, or its fiscal intermediary, no later than 180 days after the latest date on the claim on which medical goods or services were provided, with the following exceptions:

(1) In the case of a provider whose enrollment is in process by the Illinois Department, the 180-day period shall not begin until the date on the written notice from the Illinois Department that the provider enrollment is complete.

(2) In the case of errors attributable to the Illinois Department or any of its claims processing intermediaries which result in an inability to receive, process, or adjudicate a claim, the 180-day period shall not begin until the provider has been notified of the error.

(3) In the case of a provider for whom the Illinois Department initiates the monthly billing process.

(4) In the case of a provider operated by a unit of local government with a population exceeding 3,000,000 when local government funds finance federal participation for claims payments.

For claims for services rendered during a period for which a recipient received retroactive eligibility, claims must be filed within 180 days after the Department determines the applicant is eligible. For claims for which the Illinois Department is not the primary payer, claims must be submitted to the Illinois Department within 180 days after the final adjudication by the primary payer.
In the case of long term care facilities, admission documents shall be submitted within 30 days of an admission to the facility through the Medical Electronic Data Interchange (MEDI) or the Recipient Eligibility Verification (REV) System, or shall be submitted directly to the Department of Human Services using required admission forms. Confirmation numbers assigned to an accepted transaction shall be retained by a facility to verify timely submittal. Once an admission transaction has been completed, all resubmitted claims following prior rejection are subject to receipt no later than 180 days after the admission transaction has been completed.

Claims that are not submitted and received in compliance with the foregoing requirements shall not be eligible for payment under the medical assistance program, and the State shall have no liability for payment of those claims.

To the extent consistent with applicable information and privacy, security, and disclosure laws, State and federal agencies and departments shall provide the Illinois Department access to confidential and other information and data necessary to perform eligibility and payment verifications and other Illinois Department functions. This includes, but is not limited to: information pertaining to licensure; certification; earnings; immigration status; citizenship; wage reporting; unearned and earned income; pension income; employment; supplemental security income; social security numbers; National Provider Identifier (NPI) numbers; the National Practitioner Data Bank (NPDB); program and agency exclusions; taxpayer identification numbers; tax delinquency; corporate information; and death records.

The Illinois Department shall enter into agreements with State agencies and departments, and is authorized to enter into agreements with federal agencies and departments, under which such agencies and departments shall share data necessary for medical assistance program integrity functions and oversight. The Illinois Department shall develop, in cooperation with other State departments and agencies, and in compliance with applicable federal laws and regulations, appropriate and effective methods to share such data. At a minimum, and to the extent necessary to provide data sharing, the Illinois Department shall enter into agreements with State agencies and departments, and is authorized to enter into agreements with federal agencies and departments, including but not limited to: the Secretary of State; the Department of Revenue; the
Department of Public Health; the Department of Human Services; and the Department of Financial and Professional Regulation.

Beginning in fiscal year 2013, the Illinois Department shall set forth a request for information to identify the benefits of a pre-payment, post-adjudication, and post-edit claims system with the goals of streamlining claims processing and provider reimbursement, reducing the number of pending or rejected claims, and helping to ensure a more transparent adjudication process through the utilization of: (i) provider data verification and provider screening technology; and (ii) clinical code editing; and (iii) pre-pay, pre- or post-adjudicated predictive modeling with an integrated case management system with link analysis. Such a request for information shall not be considered as a request for proposal or as an obligation on the part of the Illinois Department to take any action or acquire any products or services.

The Illinois Department shall establish policies, procedures, standards and criteria by rule for the acquisition, repair and replacement of orthotic and prosthetic devices and durable medical equipment. Such rules shall provide, but not be limited to, the following services: (1) immediate repair or replacement of such devices by recipients; and (2) rental, lease, purchase or lease-purchase of durable medical equipment in a cost-effective manner, taking into consideration the recipient's medical prognosis, the extent of the recipient's needs, and the requirements and costs for maintaining such equipment. Subject to prior approval, such rules shall enable a recipient to temporarily acquire and use alternative or substitute devices or equipment pending repairs or replacements of any device or equipment previously authorized for such recipient by the Department.

The Department shall execute, relative to the nursing home prescreening project, written inter-agency agreements with the Department of Human Services and the Department on Aging, to effect the following: (i) intake procedures and common eligibility criteria for those persons who are receiving non-institutional services; and (ii) the establishment and development of non-institutional services in areas of the State where they are not currently available or are undeveloped; and (iii) notwithstanding any other provision of law, subject to federal approval, on and after July 1, 2012, an increase in the determination of need (DON) scores from 29 to 37 for applicants for institutional and home and community-based long term care; if and only if federal approval is not granted, the Department may, in conjunction with other affected agencies, implement utilization controls or

changes in benefit packages to effectuate a similar savings amount for this population; and (iv) no later than July 1, 2013, minimum level of care eligibility criteria for institutional and home and community-based long term care. In order to select the minimum level of care eligibility criteria, the Governor shall establish a workgroup that includes affected agency representatives and stakeholders representing the institutional and home and community-based long term care interests. This Section shall not restrict the Department from implementing lower level of care eligibility criteria for community-based services in circumstances where federal approval has been granted.

The Illinois Department shall develop and operate, in cooperation with other State Departments and agencies and in compliance with applicable federal laws and regulations, appropriate and effective systems of health care evaluation and programs for monitoring of utilization of health care services and facilities, as it affects persons eligible for medical assistance under this Code.

The Illinois Department shall report annually to the General Assembly, no later than the second Friday in April of 1979 and each year thereafter, in regard to:

Section 11-20. The Illinois Public Aid Code is amended by changing Section 5-30 as follows:

(305 ILCS 5/5-30)
Sec. 5-30. Care coordination.

(a) At least 50% of recipients eligible for comprehensive medical benefits in all medical assistance programs or other health benefit programs administered by the Department, including the Children's Health Insurance Program Act and the Covering ALL KIDS Health Insurance Act, shall be enrolled in a care coordination program by no later than January 1, 2015. For purposes of this Section, "coordinated care" or "care coordination" means delivery systems where recipients will receive their care from providers who participate under contract in integrated delivery systems that are responsible for providing or arranging the majority of care, including primary care physician services, referrals from primary care physicians, diagnostic and treatment services, behavioral health services, in-patient and outpatient hospital services, dental services, and rehabilitation and long-term care services. The Department shall designate or contract for such integrated delivery systems (i) to ensure enrollees have a choice of systems and of primary care providers within such systems; (ii) to ensure that enrollees receive quality care in a culturally and linguistically appropriate manner; and (iii) to ensure that coordinated care programs meet the diverse needs of enrollees with developmental, mental health, physical, and age-related disabilities.

(b) Payment for such coordinated care shall be based on arrangements where the State pays for performance related to health care outcomes, the use of evidence-based practices, the use of primary care delivered through comprehensive medical homes, the use of electronic medical records, and the appropriate exchange of health information electronically made either on a capitated basis in which a fixed monthly premium per recipient is paid and full financial risk is assumed for the delivery of services, or through other risk-based payment arrangements.

New matter indicated in italics - deletions by strikeout
(c) To qualify for compliance with this Section, the 50% goal shall be achieved by enrolling medical assistance enrollees from each medical assistance enrollment category, including parents, children, seniors, and people with disabilities to the extent that current State Medicaid payment laws would not limit federal matching funds for recipients in care coordination programs. In addition, services must be more comprehensively defined and more risk shall be assumed than in the Department's primary care case management program as of the effective date of this amendatory Act of the 96th General Assembly.

(d) The Department shall report to the General Assembly in a separate part of its annual medical assistance program report, beginning April, 2012 until April, 2016, on the progress and implementation of the care coordination program initiatives established by the provisions of this amendatory Act of the 96th General Assembly. The Department shall include in its April 2011 report a full analysis of federal laws or regulations regarding upper payment limitations to providers and the necessary revisions or adjustments in rate methodologies and payments to providers under this Code that would be necessary to implement coordinated care with full financial risk by a party other than the Department.

(e) Integrated Care Program for individuals with chronic mental health conditions.

(1) The Integrated Care Program shall encompass services administered to recipients of medical assistance under this Article to prevent exacerbations and complications using cost-effective, evidence-based practice guidelines and mental health management strategies.

(2) The Department may utilize and expand upon existing contractual arrangements with integrated care plans under the Integrated Care Program for providing the coordinated care provisions of this Section.

(3) Payment for such coordinated care shall be based on arrangements where the State pays for performance related to mental health outcomes on a capitated basis in which a fixed monthly premium per recipient is paid and full financial risk is assumed for the delivery of services, or through other risk-based payment arrangements such as provider-based care coordination.

(4) The Department shall examine whether chronic mental health management programs and services for recipients with

New matter indicated in italics - deletions by strikeout
specific chronic mental health conditions do any or all of the following:

(A) Improve the patient's overall mental health in a more expeditious and cost-effective manner.

(B) Lower costs in other aspects of the medical assistance program, such as hospital admissions, emergency room visits, or more frequent and inappropriate psychotropic drug use.

(5) The Department shall work with the facilities and any integrated care plan participating in the program to identify and correct barriers to the successful implementation of this subsection (e) prior to and during the implementation to best facilitate the goals and objectives of this subsection (e).

(f) A hospital that is located in a county of the State in which the Department mandates some or all of the beneficiaries of the Medical Assistance Program residing in the county to enroll in a Care Coordination Program, as set forth in Section 5-30 of this Code, shall not be eligible for any non-claims based payments not mandated by Article V-A of this Code for which it would otherwise be qualified to receive, unless the hospital is a Coordinated Care Participating Hospital no later than 60 days after the effective date of this amendatory Act of the 97th General Assembly or 60 days after the first mandatory enrollment of a beneficiary in a Coordinated Care program. For purposes of this subsection, "Coordinated Care Participating Hospital" means a hospital that meets one of the following criteria:

(1) The hospital has entered into a contract to provide hospital services to enrollees of the care coordination program.

(2) The hospital has not been offered a contract by a care coordination plan that pays at least as much as the Department would pay, on a fee-for-service basis, not including disproportionate share hospital adjustment payments or any other supplemental adjustment or add-on payment to the base fee-for-service rate.

(g) No later than August 1, 2013, the Department shall issue a purchase of care solicitation for Accountable Care Entities (ACE) to serve any children and parents or caretaker relatives of children eligible for medical assistance under this Article. An ACE may be a single corporate structure or a network of providers organized through contractual

New matter indicated in italics - deletions by strikeout
relationships with a single corporate entity. The solicitation shall require that:

1. An ACE operating in Cook County be capable of serving at least 40,000 eligible individuals in that county; an ACE operating in Lake, Kane, DuPage, or Will Counties be capable of serving at least 20,000 eligible individuals in those counties and an ACE operating in other regions of the State be capable of serving at least 10,000 eligible individuals in the region in which it operates. During initial periods of mandatory enrollment, the Department shall require its enrollment services contractor to use a default assignment algorithm that ensures if possible an ACE reaches the minimum enrollment levels set forth in this paragraph.

2. An ACE must include at a minimum the following types of providers: primary care, specialty care, hospitals, and behavioral healthcare.

3. An ACE shall have a governance structure that includes the major components of the health care delivery system, including one representative from each of the groups listed in paragraph (2).

4. An ACE must be an integrated delivery system, including a network able to provide the full range of services needed by Medicaid beneficiaries and system capacity to securely pass clinical information across participating entities and to aggregate and analyze that data in order to coordinate care.

5. An ACE must be capable of providing both care coordination and complex case management, as necessary, to beneficiaries. To be responsive to the solicitation, a potential ACE must outline its care coordination and complex case management model and plan to reduce the cost of care.

6. In the first 18 months of operation, unless the ACE selects a shorter period, an ACE shall be paid care coordination fees on a per member per month basis that are projected to be cost neutral to the State during the term of their payment and, subject to federal approval, be eligible to share in additional savings generated by their care coordination.

7. In months 19 through 36 of operation, unless the ACE selects a shorter period, an ACE shall be paid on a pre-paid capitation basis for all medical assistance covered services, under contract terms similar to Managed Care Organizations (MCO), with the Department sharing the risk through either stop-loss

New matter indicated in italics - deletions by strikeout
insurance for extremely high cost individuals or corridors of shared risk based on the overall cost of the total enrollment in the ACE. The ACE shall be responsible for claims processing, encounter data submission, utilization control, and quality assurance.

(8) In the fourth and subsequent years of operation, an ACE shall convert to a Managed Care Community Network (MCCN), as defined in this Article, or Health Maintenance Organization pursuant to the Illinois Insurance Code, accepting full-risk capitation payments.

The Department shall allow potential ACE entities 5 months from the date of the posting of the solicitation to submit proposals. After the solicitation is released, in addition to the MCO rate development data available on the Department's website, subject to federal and State confidentiality and privacy laws and regulations, the Department shall provide 2 years of de-identified summary service data on the targeted population, split between children and adults, showing the historical type and volume of services received and the cost of those services to those potential bidders that sign a data use agreement. The Department may add up to 2 non-state government employees with expertise in creating integrated delivery systems to its review team for the purchase of care solicitation described in this subsection. Any such individuals must sign a no-conflict disclosure and confidentiality agreement and agree to act in accordance with all applicable State laws.

During the first 2 years of an ACE's operation, the Department shall provide claims data to the ACE on its enrollees on a periodic basis no less frequently than monthly.

Nothing in this subsection shall be construed to limit the Department's mandate to enroll 50% of its beneficiaries into care coordination systems by January 1, 2015, using all available care coordination delivery systems, including Care Coordination Entities (CCE), MCCNs, or MCOs, nor be construed to affect the current CCEs, MCCNs, and MCOs selected to serve seniors and persons with disabilities prior to that date.

(h) Department contracts with MCOs and other entities reimbursed by risk based capitation shall have a minimum medical loss ratio of 85%, shall require the MCO or other entity to pay claims within 30 days of receiving a bill that contains all the essential information needed to adjudicate the bill, and shall require the entity to pay a penalty

New matter indicated in italics - deletions by strikeout
that is at least equal to the penalty imposed under the Illinois Insurance Code for any claims not paid within this time period. The requirements of this subsection shall apply to contracts with MCOs entered into or renewed or extended after June 1, 2013.

(305 ILCS 5/5-5.02) (from Ch. 23, par. 5-5.02)

Sec. 5-5.02. Hospital reimbursements.

(a) Reimbursement to Hospitals; July 1, 1992 through September 30, 1992. Notwithstanding any other provisions of this Code or the Illinois Department's Rules promulgated under the Illinois Administrative Procedure Act, reimbursement to hospitals for services provided during the period July 1, 1992 through September 30, 1992, shall be as follows:

(1) For inpatient hospital services rendered, or if applicable, for inpatient hospital discharges occurring, on or after July 1, 1992 and on or before September 30, 1992, the Illinois Department shall reimburse hospitals for inpatient services under the reimbursement methodologies in effect for each hospital, and at the inpatient payment rate calculated for each hospital, as of June 30, 1992. For purposes of this paragraph, "reimbursement methodologies" means all reimbursement methodologies that pertain to the provision of inpatient hospital services, including, but not limited to, any adjustments for disproportionate share, targeted access, critical care access and uncompensated care, as defined by the Illinois Department on June 30, 1992.

(2) For the purpose of calculating the inpatient payment rate for each hospital eligible to receive quarterly adjustment payments for targeted access and critical care, as defined by the Illinois Department on June 30, 1992, the adjustment payment for the period July 1, 1992 through September 30, 1992, shall be 25% of the annual adjustment payments calculated for each eligible hospital, as of June 30, 1992. The Illinois Department shall determine by rule the adjustment payments for targeted access and critical care beginning October 1, 1992.

(3) For the purpose of calculating the inpatient payment rate for each hospital eligible to receive quarterly adjustment payments for uncompensated care, as defined by the Illinois Department on June 30, 1992, the adjustment payment for the period August 1,
1992 through September 30, 1992, shall be one-sixth of the total uncompensated care adjustment payments calculated for each eligible hospital for the uncompensated care rate year, as defined by the Illinois Department, ending on July 31, 1992. The Illinois Department shall determine by rule the adjustment payments for uncompensated care beginning October 1, 1992.

(b) Inpatient payments. For inpatient services provided on or after October 1, 1993, in addition to rates paid for hospital inpatient services pursuant to the Illinois Health Finance Reform Act, as now or hereafter amended, or the Illinois Department's prospective reimbursement methodology, or any other methodology used by the Illinois Department for inpatient services, the Illinois Department shall make adjustment payments, in an amount calculated pursuant to the methodology described in paragraph (c) of this Section, to hospitals that the Illinois Department determines satisfy any one of the following requirements:

(1) Hospitals that are described in Section 1923 of the federal Social Security Act, as now or hereafter amended, except that for rate year 2015 and after a hospital described in Section 1923(b)(1)(B) of the federal Social Security Act and qualified for the payments described in subsection (c) of this Section for rate year 2014 provided the hospital continues to meet the description in Section 1923(b)(1)(B) in the current determination year; or

(2) Illinois hospitals that have a Medicaid inpatient utilization rate which is at least one-half a standard deviation above the mean Medicaid inpatient utilization rate for all hospitals in Illinois receiving Medicaid payments from the Illinois Department; or

(3) Illinois hospitals that on July 1, 1991 had a Medicaid inpatient utilization rate, as defined in paragraph (h) of this Section, that was at least the mean Medicaid inpatient utilization rate for all hospitals in Illinois receiving Medicaid payments from the Illinois Department and which were located in a planning area with one-third or fewer excess beds as determined by the Health Facilities and Services Review Board, and that, as of June 30, 1992, were located in a federally designated Health Manpower Shortage Area; or

(4) Illinois hospitals that:

(A) have a Medicaid inpatient utilization rate that is at least equal to the mean Medicaid inpatient utilization rate
for all hospitals in Illinois receiving Medicaid payments from the Department; and

(B) also have a Medicaid obstetrical inpatient utilization rate that is at least one standard deviation above the mean Medicaid obstetrical inpatient utilization rate for all hospitals in Illinois receiving Medicaid payments from the Department for obstetrical services; or

(5) Any children's hospital, which means a hospital devoted exclusively to caring for children. A hospital which includes a facility devoted exclusively to caring for children shall be considered a children's hospital to the degree that the hospital's Medicaid care is provided to children if either (i) the facility devoted exclusively to caring for children is separately licensed as a hospital by a municipality prior to February 28, 2013 September 30, 1998 or (ii) the hospital has been designated by the State as a Level III perinatal care facility, has a Medicaid Inpatient Utilization rate greater than 55% for the rate year 2003 disproportionate share determination, and has more than 10,000 qualified children days as defined by the Department in rulemaking.

(c) Inpatient adjustment payments. The adjustment payments required by paragraph (b) shall be calculated based upon the hospital's Medicaid inpatient utilization rate as follows:

(1) hospitals with a Medicaid inpatient utilization rate below the mean shall receive a per day adjustment payment equal to $25;

(2) hospitals with a Medicaid inpatient utilization rate that is equal to or greater than the mean Medicaid inpatient utilization rate but less than one standard deviation above the mean Medicaid inpatient utilization rate shall receive a per day adjustment payment equal to the sum of $25 plus $1 for each one percent that the hospital's Medicaid inpatient utilization rate exceeds the mean Medicaid inpatient utilization rate;

utilization rate exceeds one standard deviation above the mean Medicaid inpatient utilization rate; and

(4) hospitals with a Medicaid inpatient utilization rate that is equal to or greater than 1.5 standard deviations above the mean Medicaid inpatient utilization rate shall receive a per day adjustment payment equal to the sum of $90 plus $2 for each one percent that the hospital's Medicaid inpatient utilization rate exceeds 1.5 standard deviations above the mean Medicaid inpatient utilization rate.

(d) Supplemental adjustment payments. In addition to the adjustment payments described in paragraph (c), hospitals as defined in clauses (1) through (5) of paragraph (b), excluding county hospitals (as defined in subsection (c) of Section 15-1 of this Code) and a hospital organized under the University of Illinois Hospital Act, shall be paid supplemental inpatient adjustment payments of $60 per day. For purposes of Title XIX of the federal Social Security Act, these supplemental adjustment payments shall not be classified as adjustment payments to disproportionate share hospitals.

(e) The inpatient adjustment payments described in paragraphs (c) and (d) shall be increased on October 1, 1993 and annually thereafter by a percentage equal to the lesser of (i) the increase in the DRI hospital cost index for the most recent 12 month period for which data are available, or (ii) the percentage increase in the statewide average hospital payment rate over the previous year's statewide average hospital payment rate. The sum of the inpatient adjustment payments under paragraphs (c) and (d) to a hospital, other than a county hospital (as defined in subsection (c) of Section 15-1 of this Code) or a hospital organized under the University of Illinois Hospital Act, however, shall not exceed $275 per day; that limit shall be increased on October 1, 1993 and annually thereafter by a percentage equal to the lesser of (i) the increase in the DRI hospital cost index for the most recent 12-month period for which data are available or (ii) the percentage increase in the statewide average hospital payment rate over the previous year's statewide average hospital payment rate.

(f) Children's hospital inpatient adjustment payments. For children's hospitals, as defined in clause (5) of paragraph (b), the adjustment payments required pursuant to paragraphs (c) and (d) shall be multiplied by 2.0.

New matter indicated in italics - deletions by strikeout
shall be an adjustment payment as determined by rules issued by the Illinois Department.

(h) For the purposes of this Section the following terms shall be defined as follows:

(1) "Medicaid inpatient utilization rate" means a fraction, the numerator of which is the number of a hospital's inpatient days provided in a given 12-month period to patients who, for such days, were eligible for Medicaid under Title XIX of the federal Social Security Act, and the denominator of which is the total number of the hospital's inpatient days in that same period.

(3) "Medicaid obstetrical inpatient utilization rate" means the ratio of Medicaid obstetrical inpatient days to total Medicaid inpatient days for all Illinois hospitals receiving Medicaid payments from the Illinois Department.

(i) Inpatient adjustment payment limit. In order to meet the limits of Public Law 102-234 and Public Law 103-66, the Illinois Department shall by rule adjust disproportionate share adjustment payments.

(j) University of Illinois Hospital inpatient adjustment payments. For hospitals organized under the University of Illinois Hospital Act, there shall be an adjustment payment as determined by rules adopted by the Illinois Department.

(k) The Illinois Department may by rule establish criteria for and develop methodologies for adjustment payments to hospitals participating under this Article.

Section 11-35. The Illinois Public Aid Code is amended by changing Section 5-5.2 as follows:

Sec. 5-5.2. Payment.

(a) All nursing facilities that are grouped pursuant to Section 5-5.1 of this Act shall receive the same rate of payment for similar services.

(b) It shall be a matter of State policy that the Illinois Department shall utilize a uniform billing cycle throughout the State for the long-term care providers.

(c) Notwithstanding any other provisions of this Code, the methodologies for reimbursement of nursing services as provided under this Article shall no longer be applicable for bills payable for nursing services rendered on or after a new reimbursement system based on the Resource Utilization Groups (RUGs) has been fully operationalized, which shall take effect for services provided on or after January 1, 2014.

(d) The new nursing services reimbursement methodology utilizing RUG-IV 48 grouper model, which shall be referred to as the RUGs reimbursement system, taking effect January 1, 2014, shall be based on the following: A new nursing services reimbursement methodology utilizing RUGs IV 48 grouper model shall be established and may include an Illinois-specific default group, as needed.

New matter indicated in italics - deletions by strikeout
(1) The methodology The new RUGs-based nursing services reimbursement methodology shall be resident-driven, facility-specific, and cost-based.

(2) Costs shall be annually rebased and case mix index quarterly updated. The nursing services methodology will be assigned to the Medicaid enrolled residents on record as of 30 days prior to the beginning of the rate period in the Department's Medicaid Management Information System (MMIS) as present on the last day of the second quarter preceding the rate period.

(3) Regional The methodology shall include regional wage adjustors based on the Health Service Areas (HSA) groupings and adjusters in effect on April 30, 2012 shall be included.

(4) Case The Department shall assign a case mix index shall be assigned to each resident class based on the Centers for Medicare and Medicaid Services staff time measurement study in effect on July 1, 2013, utilizing an index maximization approach.

(5) The pool of funds available for distribution by case mix and the base facility rate shall be determined using the formula contained in subsection (d-1).

(d-1) Calculation of base year Statewide RUG-IV nursing base per diem rate.

(1) Base rate spending pool shall be:

(A) The base year resident days which are calculated by multiplying the number of Medicaid residents in each nursing home as indicated in the MDS data defined in paragraph (4) by 365.

(B) Each facility's nursing component per diem in effect on July 1, 2012 shall be multiplied by subsection (A).

(C) Thirteen million is added to the product of subparagraph (A) and subparagraph (B) to adjust for the exclusion of nursing homes defined in paragraph (5).

(2) For each nursing home with Medicaid residents as indicated by the MDS data defined in paragraph (4), weighted days adjusted for case mix and regional wage adjustment shall be calculated. For each home this calculation is the product of:

(A) Base year resident days as calculated in subparagraph (A) of paragraph (1).
(B) The nursing home's regional wage adjustor based on the Health Service Areas (HSA) groupings and adjustors in effect on April 30, 2012.

(C) Facility weighted case mix which is the number of Medicaid residents as indicated by the MDS data defined in paragraph (4) multiplied by the associated case weight for the RUG-IV 48 grouper model using standard RUG-IV procedures for index maximization.

(D) The sum of the products calculated for each nursing home in subparagraphs (A) through (C) above shall be the base year case mix, rate adjusted weighted days.

(3) The Statewide RUG-IV nursing base per diem rate on January 1, 2014 shall be the quotient of the paragraph (1) divided by the sum calculated under subparagraph (D) of paragraph (2).

(4) Minimum Data Set (MDS) comprehensive assessments for Medicaid residents on the last day of the quarter used to establish the base rate.

(5) Nursing facilities designated as of July 1, 2012 by the Department as "Institutions for Mental Disease" shall be excluded from all calculations under this subsection. The data from these facilities shall not be used in the computations described in paragraphs (1) through (4) above to establish the base rate.

(e) Notwithstanding any other provision of this Code, the Department shall by rule develop a reimbursement methodology reflective of the intensity of care and services requirements of low need residents in the lowest RUG IV groupers and corresponding regulations. Only that portion of the RUGs Reimbursement System spending pool described in subsection (d-1) attributed to the groupers as of July 1, 2013 for which the methodology in this Section is developed may be diverted for this purpose. The Department shall submit the rules no later than January 1, 2014 for an implementation date no later than January 1, 2015. If the Department does not implement this reimbursement methodology by the required date, the nursing component per diem on January 1, 2015 for residents classified in RUG-IV groups PA1, PA2, BA1, and BA2 shall be the blended rate of the calculated RUG-IV nursing component per diem and the nursing component per diem in effect on July 1, 2012. This blended rate shall be applied only to nursing homes whose resident population is greater than or equal to 70% of the total residents served and whose

New matter indicated in italics - deletions by strikeout
RUG-IV nursing component per diem rate is less than the nursing component per diem in effect on July 1, 2012. This blended rate shall be in effect until the reimbursement methodology is implemented or until July 1, 2019, whichever is sooner.

(e-1) Notwithstanding any other provision of this Article, rates established pursuant to this subsection shall not apply to any and all nursing facilities designated by the Department as "Institutions for Mental Disease" and shall be excluded from the RUGs Reimbursement System applicable to facilities not designated as "Institutions for the Mentally Diseased" by the Department.

(e-2) For dates of services beginning January 1, 2014, the RUG-IV nursing component per diem for a nursing home shall be the product of the statewide RUG-IV nursing base per diem rate, the facility average case mix index, and the regional wage adjustor. Transition rates for services provided between January 1, 2014 and December 31, 2014 shall be as follows:

(1) The transition RUG-IV per diem nursing rate for nursing homes whose rate calculated in this subsection (e-2) is greater than the nursing component rate in effect July 1, 2012 shall be paid the sum of:

(A) The nursing component rate in effect July 1, 2012; plus

(B) The difference of the RUG-IV nursing component per diem calculated for the current quarter minus the nursing component rate in effect July 1, 2012 multiplied by 0.88.

(2) The transition RUG-IV per diem nursing rate for nursing homes whose rate calculated in this subsection (e-2) is less than the nursing component rate in effect July 1, 2012 shall be paid the sum of:

(A) The nursing component rate in effect July 1, 2012; plus

(B) The difference of the RUG-IV nursing component per diem calculated for the current quarter minus the nursing component rate in effect July 1, 2012 multiplied by 0.13.

(f) Notwithstanding any other provision of this Code, on and after July 1, 2012, reimbursement rates associated with the nursing or support components of the current nursing facility rate methodology shall not
increase beyond the level effective May 1, 2011 until a new reimbursement system based on the RUGs IV 48 grouper model has been fully operationalized.

(g) Notwithstanding any other provision of this Code, on and after July 1, 2012, for facilities not designated by the Department of Healthcare and Family Services as "Institutions for Mental Disease", rates effective May 1, 2011 shall be adjusted as follows:

1. Individual nursing rates for residents classified in RUG IV groups PA1, PA2, BA1, and BA2 during the quarter ending March 31, 2012 shall be reduced by 10%;
2. Individual nursing rates for residents classified in all other RUG IV groups shall be reduced by 1.0%;
3. Facility rates for the capital and support components shall be reduced by 1.7%.

(h) Notwithstanding any other provision of this Code, on and after July 1, 2012, nursing facilities designated by the Department of Healthcare and Family Services as "Institutions for Mental Disease" and "Institutions for Mental Disease" that are facilities licensed under the Specialized Mental Health Rehabilitation Act shall have the nursing, socio-developmental, capital, and support components of their reimbursement rate effective May 1, 2011 reduced in total by 2.7%.

Section 11-40. The Mental Health and Developmental Disabilities Code is amended by adding Section 6-104.3 as follows:

(405 ILCS 5/6-104.3 new)

Sec. 6-104.3. Comparable programs for the services contained in the Specialized Mental Health Rehabilitation Act of 2013. any managed care entity, care coordination entity, or accountable care entity to gather the data necessary to report and monitor the progress of the services offered under this Section. The services to be provided under this Section shall be subject to a specific appropriation of the General Assembly for the specific purposes of this Section.

The Department shall adopt any emergency rules necessary to implement this Section.

Section 11-45. The Illinois Public Aid Code is amended by adding Section 5-5.4h as follows:

(305 ILCS 5/5-5.4h new)

Sec. 5-5.4h. Medicaid reimbursement for pediatric skilled nursing facilities.

(a) Facilities uniquely licensed as pediatric skilled nursing facilities that serve severely and chronically ill pediatric patients shall have a specific reimbursement system designed to recognize the characteristics and needs of the patients they serve.

(b) For dates of services starting July 1, 2013 and until a new reimbursement system is designed, pediatric skilled nursing facilities that meet the following criteria:

(1) serve exceptional care patients; and
(2) have 30% or more of their patients receiving ventilator care;

shall receive Medicaid reimbursement on a 30-day expedited schedule.

ARTICLE 12.

Section 12-1. Short title. This Article 12 may be referred to as the Resident First Act.

Section 12-5. Purpose. The purpose of this Article is to reprioritize the State's oversight of nursing homes to focus on the needs of the residents first. As unfunded mandates have increased, the State also reduced or eliminated its financial support for services nursing home residents need. In doing so, the State turned its back on frail elderly citizens for whom nursing home care is not a luxury but a necessity.

Section 12-10. Findings. The General Assembly finds the following:

(1) The needs of residents must always take precedence.
(2) Medicaid eligibility delays adversely impact quality.
(3) Payment delays further compound quality-of-care issues.
(4) Nursing homes are viable members of our communities.

New matter indicated in italics - deletions by strikeout
(5) When a nursing home closes, residents lose touch with their families, jobs are lost, and the local economy suffers.

(6) Increasing the number of State employees dedicated to Medicaid long term care determinations and updating the State's out-of-date data processing systems would positively impact the excessive eligibility determination delays experienced by nursing home residents.

Section 12-15. The Nursing Home Care Act is amended by changing Sections 2-202, 3-212, 3-301, and 3-305 as follows:

Sec. 2-202. (a) Before a person is admitted to a facility, or at the expiration of the period of previous contract, or when the source of payment for the resident's care changes from private to public funds or from public to private funds, a written contract shall be executed between a licensee and the following in order of priority:

(1) the person, or if the person is a minor, his parent or guardian; or

(2) the person's guardian, if any, or agent, if any, as defined in Section 2-3 of the Illinois Power of Attorney Act; or

(3) a member of the person's immediate family.

An adult person shall be presumed to have the capacity to contract for admission to a long term care facility unless he has been adjudicated a "disabled person" within the meaning of Section 11a-2 of the Probate Act of 1975, or unless a petition for such an adjudication is pending in a circuit court of Illinois.

If there is no guardian, agent or member of the person's immediate family available, able or willing to execute the contract required by this Section and a physician determines that a person is so disabled as to be unable to consent to placement in a facility, or if a person has already been found to be a "disabled person", but no order has been entered allowing residential placement of the person, that person may be admitted to a facility before the execution of a contract required by this Section; provided that a petition for guardianship or for modification of guardianship is filed within 15 days of the person's admission to a facility, and provided further that such a contract is executed within 10 days of the disposition of the petition.

No adult shall be admitted to a facility if he objects, orally or in writing, to such admission, except as otherwise provided in Chapters III
and IV of the Mental Health and Developmental Disabilities Code or Section 11a-14.1 of the Probate Act of 1975.

If a person has not executed a contract as required by this Section, then such a contract shall be executed on or before July 1, 1981, or within 10 days after the disposition of a petition for guardianship or modification of guardianship that was filed prior to July 1, 1981, whichever is later.

Before a licensee enters a contract under this Section, it shall provide the prospective resident and his or her guardian, if any, with written notice of the licensee's policy regarding discharge of a resident whose private funds for payment of care are exhausted.

Before a licensee enters into a contract under this Section, it shall provide the resident or prospective resident and his or her guardian, if any, with a copy of the licensee's policy regarding the assignment of Social Security representative payee status as a condition of the contract when the resident's or prospective resident's care is being funded under Title XIX of the Social Security Act and Article V of the Illinois Public Aid Code.

(b) A resident shall not be discharged or transferred at the expiration of the term of a contract, except as provided in Sections 3-401 through 3-423.

(c) At the time of the resident's admission to the facility, a copy of the contract shall be given to the resident, his guardian, if any, and any other person who executed the contract.

(d) A copy of the contract for a resident who is supported by nonpublic funds other than the resident's own funds shall be made available to the person providing the funds for the resident's support.

(e) The original or a copy of the contract shall be maintained in the facility and be made available upon request to representatives of the Department and the Department of Healthcare and Family Services.

(f) The contract shall be written in clear and unambiguous language and shall be printed in not less than 12-point type. The general form of the contract shall be prescribed by the Department.

(g) The contract shall specify:
   (1) the term of the contract;
   (2) the services to be provided under the contract and the charges for the services;
   (3) the services that may be provided to supplement the contract and the charges for the services;
   (4) the sources liable for payments due under the contract;

New matter indicated in italics - deletions by strikeout
(5) the amount of deposit paid; and
(6) the rights, duties and obligations of the resident, except that the specification of a resident's rights may be furnished on a separate document which complies with the requirements of Section 2-211.

(h) The contract shall designate the name of the resident's representative, if any. The resident shall provide the facility with a copy of the written agreement between the resident and the resident's representative which authorizes the resident's representative to inspect and copy the resident's records and authorizes the resident's representative to execute the contract on behalf of the resident required by this Section.

(i) The contract shall provide that if the resident is compelled by a change in physical or mental health to leave the facility, the contract and all obligations under it shall terminate on 7 days notice. No prior notice of termination of the contract shall be required, however, in the case of a resident's death. The contract shall also provide that in all other situations, a resident may terminate the contract and all obligations under it with 30 days notice. All charges shall be prorated as of the date on which the contract terminates, and, if any payments have been made in advance, the excess shall be refunded to the resident. This provision shall not apply to life-care contracts through which a facility agrees to provide maintenance and care for a resident throughout the remainder of his life nor to continuing-care contracts through which a facility agrees to supplement all available forms of financial support in providing maintenance and care for a resident throughout the remainder of his life.

(j) In addition to all other contract specifications contained in this Section admission contracts shall also specify:

(1) whether the facility accepts Medicaid clients;
(2) whether the facility requires a deposit of the resident or his family prior to the establishment of Medicaid eligibility;
(3) in the event that a deposit is required, a clear and concise statement of the procedure to be followed for the return of such deposit to the resident or the appropriate family member or guardian of the person;
(4) that all deposits made to a facility by a resident, or on behalf of a resident, shall be returned by the facility within 30 days of the establishment of Medicaid eligibility, unless such deposits must be drawn upon or encumbered in accordance with Medicaid...
eligibility requirements established by the Department of Healthcare and Family Services.

(k) It shall be a business offense for a facility to knowingly and intentionally both retain a resident's deposit and accept Medicaid payments on behalf of that resident.

(210 ILCS 45/3-212) (from Ch. 111 1/2, par. 4153-212)

Sec. 3-212. Inspection.

(a) The Department, whenever it deems necessary in accordance with subsection (b), shall inspect, survey and evaluate every facility to determine compliance with applicable licensure requirements and standards. Submission of a facility's current Consumer Choice Information Report required by Section 2-214 shall be verified at time of inspection. An inspection should occur within 120 days prior to license renewal. The Department may periodically visit a facility for the purpose of consultation. An inspection, survey, or evaluation, other than an inspection of financial records, shall be conducted without prior notice to the facility. A visit for the sole purpose of consultation may be announced. The Department shall provide training to surveyors about the appropriate assessment, care planning, and care of persons with mental illness (other than Alzheimer's disease or related disorders) to enable its surveyors to determine whether a facility is complying with State and federal requirements about the assessment, care planning, and care of those persons.

(a-1) An employee of a State or unit of local government agency charged with inspecting, surveying, and evaluating facilities who directly or indirectly gives prior notice of an inspection, survey, or evaluation, other than an inspection of financial records, to a facility or to an employee of a facility is guilty of a Class A misdemeanor.

An inspector or an employee of the Department who intentionally prenotifies a facility, orally or in writing, of a pending complaint investigation or inspection shall be guilty of a Class A misdemeanor. Superiors of persons who have prenotified a facility shall be subject to the same penalties, if they have knowingly allowed the prenotification. A person found guilty of prenotifying a facility shall be subject to disciplinary action by his or her employer.

If the Department has a good faith belief, based upon information that comes to its attention, that a violation of this subsection has occurred, it must file a complaint with the Attorney General or the State's Attorney

in the county where the violation took place within 30 days after discovery of the information.

(a-2) An employee of a State or unit of local government agency charged with inspecting, surveying, or evaluating facilities who willfully profits from violating the confidentiality of the inspection, survey, or evaluation process shall be guilty of a Class 4 felony and that conduct shall be deemed unprofessional conduct that may subject a person to loss of his or her professional license. An action to prosecute a person for violating this subsection (a-2) may be brought by either the Attorney General or the State's Attorney in the county where the violation took place.

(b) In determining whether to make more than the required number of unannounced inspections, surveys and evaluations of a facility the Department shall consider one or more of the following: previous inspection reports; the facility's history of compliance with standards, rules and regulations promulgated under this Act and correction of violations, penalties or other enforcement actions; the number and severity of complaints received about the facility; any allegations of resident abuse or neglect; weather conditions; health emergencies; other reasonable belief that deficiencies exist.

(b-1) The Department shall not be required to determine whether a facility certified to participate in the Medicare program under Title XVIII of the Social Security Act, or the Medicaid program under Title XIX of the Social Security Act, and which the Department determines by inspection under this Section or under Section 3-702 of this Act to be in compliance with the certification requirements of Title XVIII or XIX, is in compliance with any requirement of this Act that is less stringent than or duplicates a federal certification requirement. In accordance with subsection (a) of this Section or subsection (d) of Section 3-702, the Department shall determine whether a certified facility is in compliance with requirements of this Act that exceed federal certification requirements. If a certified facility is found to be out of compliance with federal certification requirements, the results of an inspection conducted pursuant to Title XVIII or XIX of the Social Security Act may be used as the basis for enforcement remedies authorized and commenced, with the Department's discretion to evaluate whether penalties are warranted, under this Act. Enforcement of this Act against a certified facility shall be commenced pursuant to the requirements of this Act, unless enforcement remedies sought pursuant to Title XVIII or XIX of the Social Security Act exceed those authorized by
this Act. As used in this subsection, "enforcement remedy" means a sanction for violating a federal certification requirement or this Act.

(c) Upon completion of each inspection, survey and evaluation, the appropriate Department personnel who conducted the inspection, survey or evaluation shall submit a copy of their report to the licensee upon exiting the facility, and shall submit the actual report to the appropriate regional office of the Department. Such report and any recommendations for action by the Department under this Act shall be transmitted to the appropriate offices of the associate director of the Department, together with related comments or documentation provided by the licensee which may refute findings in the report, which explain extenuating circumstances that the facility could not reasonably have prevented, or which indicate methods and timetables for correction of deficiencies described in the report. Without affecting the application of subsection (a) of Section 3-303, any documentation or comments of the licensee shall be provided within 10 days of receipt of the copy of the report. Such report shall recommend to the Director appropriate action under this Act with respect to findings against a facility. The Director shall then determine whether the report's findings constitute a violation or violations of which the facility must be given notice. Such determination shall be based upon the severity of the finding, the danger posed to resident health and safety, the comments and documentation provided by the facility, the diligence and efforts to correct deficiencies, correction of the reported deficiencies, the frequency and duration of similar findings in previous reports and the facility's general inspection history. Violations shall be determined under this subsection no later than 75 90 days after completion of each inspection, survey and evaluation.

(d) The Department shall maintain all inspection, survey and evaluation reports for at least 5 years in a manner accessible to and understandable by the public.

(e) Revisit surveys. The Department shall conduct a revisit to its licensure and certification surveys, consistent with federal regulations and guidelines.

(f) Notwithstanding any other provision of this Act, the Department shall, no later than 180 days after the effective date of this amendatory Act of the 98th General Assembly, implement a single survey process that encompasses federal certification and State licensure requirements, health and life safety requirements, and an enhanced complaint investigation initiative.

New matter indicated in italics - deletions by strikeout
(1) To meet the requirement of a single survey process, the portions of the health and life safety survey associated with federal certification and State licensure surveys must be started within 7 working days of each other. Nothing in this paragraph (1) of subsection (f) of this Section applies to a complaint investigation.

(2) The enhanced complaint and incident report investigation initiative shall permit the facility to challenge the amount of the fine due to the excessive length of the investigation which results in one or more of the following conditions:

(A) prohibits the timely development and implementation of a plan of correction;
(B) creates undue financial hardship impacting the quality of care delivered to the resident;
(C) delays initiation of corrective training; and
(D) negatively impacts quality assurance and patient improvement standards.

This paragraph (2) does not apply to complaint investigations exited within 14 working days or a situation that triggers an extended survey.

(a) If after receiving the report specified in subsection (c) of Section 3-212 the Director or his designee determines that a facility is in violation of this Act or of any rule promulgated thereunder, he shall serve a notice of violation upon the licensee within 10 days thereafter. Each notice of violation shall be prepared in writing and shall specify the nature of the violation, and the statutory provision or rule alleged to have been violated. The notice shall inform the licensee of any action the Department may take under the Act, including the requirement of a facility plan of correction under Section 3-303; placement of the facility on a list prepared under Section 3-304; assessment of a penalty under Section 3-305; a conditional license under Sections 3-311 through 3-317; or license suspension or revocation under Section 3-119. The Director or his designee shall also inform the licensee of rights to a hearing under Section 3-703.

computed for all days of the violation, including the duration of the first plan of correction compliance time.

(5) For the purpose of computing a penalty under subsections (2) through (4), the number of residents per day shall be based on the average number of residents in the facility during the 30 days preceding the discovery of the violation.

(6) When the Department finds that a provision of Article II has been violated with regard to a particular resident, the Department shall issue an order requiring the facility to reimburse the resident for injuries incurred, or $100, whichever is greater. In the case of a violation involving any action other than theft of money belonging to a resident, reimbursement shall be ordered only if a provision of Article II has been violated with regard to that or any other resident of the facility within the 2 years immediately preceding the violation in question.

(7) For purposes of assessing fines under this Section, a repeat violation shall be a violation which has been cited during one inspection of the facility for which an accepted plan of correction was not complied with or a new citation of the same rule if the licensee is not substantially addressing the issue routinely throughout the facility.

(7.5) If an occurrence results in more than one type of violation as defined in this Act (that is, a Type "AA", Type "A", Type "B", or Type "C" violation), the Department shall assess only one fine, which shall not exceed the maximum fine that may be assessed for that occurrence is the maximum fine that may be assessed for the most serious type of violation charged. For purposes of the preceding sentence, a Type "AA" violation is the most serious type of violation that may be charged, followed by a Type "A", Type "B", or Type "C" violation, in that order.

(8) The minimum and maximum fines that may be assessed pursuant to this Section shall be twice those otherwise specified for any facility that willfully makes a misstatement of fact to the Department, or willfully fails to make a required notification to the Department, if that misstatement or failure delays the start of a survey or impedes a survey.

(9) High risk designation. If the Department finds that a facility has violated a provision of the Illinois Administrative Code that has a high risk designation, or that a facility has violated the same provision of the Illinois Administrative Code 3 or more times in the previous 12 months, the Department may assess a fine of up to 2 times the maximum fine otherwise allowed.

(10) If a licensee has paid a civil monetary penalty imposed pursuant to the Medicare and Medicaid Certification Program for the equivalent federal violation giving rise to a fine under this Section, the Department shall offset the fine by the amount of the civil monetary penalty. The offset may not reduce the fine by more than 75% of the original fine, however.

Section 12-20. The Illinois Public Aid Code is amended by changing Section 5-5 and by adding Section 11-5.4 as follows:

(305 ILCS 5/5-5) (from Ch. 23, par. 5-5)

Sec. 5-5. Medical services. The Illinois Department, by rule, shall determine the quantity and quality of and the rate of reimbursement for the medical assistance for which payment will be authorized, and the medical services to be provided, which may include all or part of the following: (1) inpatient hospital services; (2) outpatient hospital services; (3) other laboratory and X-ray services; (4) skilled nursing home services; (5) physicians' services whether furnished in the office, the patient's home, a hospital, a skilled nursing home, or elsewhere; (6) medical care, or any other type of remedial care furnished by licensed practitioners; (7) home health care services; (8) private duty nursing service; (9) clinic services; (10) dental services, including prevention and treatment of periodontal disease and dental caries disease for pregnant women, provided by an individual licensed to practice dentistry or dental surgery; for purposes of this item (10), "dental services" means diagnostic, preventive, or corrective procedures provided by or under the supervision of a dentist in the practice of his or her profession; (11) physical therapy and related services; (12) prescribed drugs, dentures, and prosthetic devices; and eyeglasses prescribed by a physician skilled in the diseases of the eye, or by an optometrist, whichever the person may select; (13) other diagnostic, screening, preventive, and rehabilitative services, including to ensure that the individual's need for intervention or treatment of mental disorders or substance use disorders or co-occurring mental health and substance use disorders is determined using a uniform screening, assessment, and evaluation process inclusive of criteria, for children and adults; for purposes of this item (13), a uniform screening, assessment, and evaluation process refers to a process that includes an appropriate evaluation and, as warranted, a referral; "uniform" does not mean the use of a singular instrument, tool, or process that all must utilize; (14) transportation and such other expenses as may be necessary; (15) medical

treatment of sexual assault survivors, as defined in Section 1a of the Sexual Assault Survivors Emergency Treatment Act, for injuries sustained as a result of the sexual assault, including examinations and laboratory tests to discover evidence which may be used in criminal proceedings arising from the sexual assault; (16) the diagnosis and treatment of sickle cell anemia; and (17) any other medical care, and any other type of remedial care recognized under the laws of this State, but not including abortions, or induced miscarriages or premature births, unless, in the opinion of a physician, such procedures are necessary for the preservation of the life of the woman seeking such treatment, or except an induced premature birth intended to produce a live viable child and such procedure is necessary for the health of the mother or her unborn child. The Illinois Department, by rule, shall prohibit any physician from providing medical assistance to anyone eligible therefor under this Code where such physician has been found guilty of performing an abortion procedure in a wilful and wanton manner upon a woman who was not pregnant at the time such abortion procedure was performed. The term "any other type of remedial care" shall include nursing care and nursing home service for persons who rely on treatment by spiritual means alone through prayer for healing.

Notwithstanding any other provision of this Section, a comprehensive tobacco use cessation program that includes purchasing prescription drugs or prescription medical devices approved by the Food and Drug Administration shall be covered under the medical assistance program under this Article for persons who are otherwise eligible for assistance under this Article.

Notwithstanding any other provision of this Code, the Illinois Department may not require, as a condition of payment for any laboratory test authorized under this Article, that a physician's handwritten signature appear on the laboratory test order form. The Illinois Department may, however, impose other appropriate requirements regarding laboratory test order documentation.

On and after July 1, 2012, the Department of Healthcare and Family Services may provide the following services to persons eligible for assistance under this Article who are participating in education, training or employment programs operated by the Department of Human Services as successor to the Department of Public Aid:

(1) dental services provided by or under the supervision of a dentist; and

New matter indicated in italics - deletions by strikeout
(2) eyeglasses prescribed by a physician skilled in the
diseases of the eye, or by an optometrist, whichever the person may
select.

Notwithstanding any other provision of this Code and subject to
federal approval, the Department may adopt rules to allow a dentist who is
volunteering his or her service at no cost to render dental services through
an enrolled not-for-profit health clinic without the dentist personally
enrolling as a participating provider in the medical assistance program. A
not-for-profit health clinic shall include a public health clinic or Federally
Qualified Health Center or other enrolled provider, as determined by the
Department, through which dental services covered under this Section are
performed. The Department shall establish a process for payment of claims
for reimbursement for covered dental services rendered under this
provision.

The Illinois Department, by rule, may distinguish and classify the
medical services to be provided only in accordance with the classes of
persons designated in Section 5-2.

The Department of Healthcare and Family Services must provide
coverage and reimbursement for amino acid-based elemental formulas,
regardless of delivery method, for the diagnosis and treatment of (i)
eosinophilic disorders and (ii) short bowel syndrome when the prescribing
physician has issued a written order stating that the amino acid-based
elemental formula is medically necessary.

The Illinois Department shall authorize the provision of, and shall
authorize payment for, screening by low-dose mammography for the
presence of occult breast cancer for women 35 years of age or older who
are eligible for medical assistance under this Article, as follows:

(A) A baseline mammogram for women 35 to 39 years of age.

(B) An annual mammogram for women 40 years of age or
older.

(C) A mammogram at the age and intervals considered
medically necessary by the woman's health care provider for
women under 40 years of age and having a family history of breast
cancer, prior personal history of breast cancer, positive genetic
testing, or other risk factors.

(D) A comprehensive ultrasound screening of an entire
breast or breasts if a mammogram demonstrates heterogeneous or
dense breast tissue, when medically necessary as determined by a physician licensed to practice medicine in all of its branches.

All screenings shall include a physical breast exam, instruction on self-examination and information regarding the frequency of self-examination and its value as a preventative tool. For purposes of this Section, "low-dose mammography" means the x-ray examination of the breast using equipment dedicated specifically for mammography, including the x-ray tube, filter, compression device, and image receptor, with an average radiation exposure delivery of less than one rad per breast for 2 views of an average size breast. The term also includes digital mammography.

On and after January 1, 2012, providers participating in a quality improvement program approved by the Department shall be reimbursed for screening and diagnostic mammography at the same rate as the Medicare program's rates, including the increased reimbursement for digital mammography.

The Department shall convene an expert panel including representatives of hospitals, free-standing mammography facilities, and doctors, including radiologists, to establish quality standards.

Subject to federal approval, the Department shall establish a rate methodology for mammography at federally qualified health centers and other encounter-rate clinics. These clinics or centers may also collaborate with other hospital-based mammography facilities.

The Department shall establish a methodology to remind women who are age-appropriate for screening mammography, but who have not received a mammogram within the previous 18 months, of the importance and benefit of screening mammography.

The Department shall establish a performance goal for primary care providers with respect to their female patients over age 40 receiving an annual mammogram. This performance goal shall be used to provide additional reimbursement in the form of a quality performance bonus to primary care providers who meet that goal.

The Department shall devise a means of case-managing or patient navigation for beneficiaries diagnosed with breast cancer. This program shall initially operate as a pilot program in areas of the State with the highest incidence of mortality related to breast cancer. At least one pilot program site shall be in the metropolitan Chicago area and at least one site shall be outside the metropolitan Chicago area. An evaluation of the pilot program shall be carried out measuring health outcomes and cost of care.

for those served by the pilot program compared to similarly situated patients who are not served by the pilot program.

Any medical or health care provider shall immediately recommend, to any pregnant woman who is being provided prenatal services and is suspected of drug abuse or is addicted as defined in the Alcoholism and Other Drug Abuse and Dependency Act, referral to a local substance abuse treatment provider licensed by the Department of Human Services or to a licensed hospital which provides substance abuse treatment services. The Department of Healthcare and Family Services shall assure coverage for the cost of treatment of the drug abuse or addiction for pregnant recipients in accordance with the Illinois Medicaid Program in conjunction with the Department of Human Services.

All medical providers providing medical assistance to pregnant women under this Code shall receive information from the Department on the availability of services under the Drug Free Families with a Future or any comparable program providing case management services for addicted women, including information on appropriate referrals for other social services that may be needed by addicted women in addition to treatment for addiction.

The Illinois Department, in cooperation with the Departments of Human Services (as successor to the Department of Alcoholism and Substance Abuse) and Public Health, through a public awareness campaign, may provide information concerning treatment for alcoholism and drug abuse and addiction, prenatal health care, and other pertinent programs directed at reducing the number of drug-affected infants born to recipients of medical assistance.

Neither the Department of Healthcare and Family Services nor the Department of Human Services shall sanction the recipient solely on the basis of her substance abuse.

The Illinois Department shall establish such regulations governing the dispensing of health services under this Article as it shall deem appropriate. The Department should seek the advice of formal professional advisory committees appointed by the Director of the Illinois Department for the purpose of providing regular advice on policy and administrative matters, information dissemination and educational activities for medical and health care providers, and consistency in procedures to the Illinois Department.

The Illinois Department may develop and contract with Partnerships of medical providers to arrange medical services for persons
eligible under Section 5-2 of this Code. Implementation of this Section may be by demonstration projects in certain geographic areas. The Partnership shall be represented by a sponsor organization. The Department, by rule, shall develop qualifications for sponsors of Partnerships. Nothing in this Section shall be construed to require that the sponsor organization be a medical organization.

The sponsor must negotiate formal written contracts with medical providers for physician services, inpatient and outpatient hospital care, home health services, treatment for alcoholism and substance abuse, and other services determined necessary by the Illinois Department by rule for delivery by Partnerships. Physician services must include prenatal and obstetrical care. The Illinois Department shall reimburse medical services delivered by Partnership providers to clients in target areas according to provisions of this Article and the Illinois Health Finance Reform Act, except that:

1. Physicians participating in a Partnership and providing certain services, which shall be determined by the Illinois Department, to persons in areas covered by the Partnership may receive an additional surcharge for such services.
2. The Department may elect to consider and negotiate financial incentives to encourage the development of Partnerships and the efficient delivery of medical care.
3. Persons receiving medical services through Partnerships may receive medical and case management services above the level usually offered through the medical assistance program.

Medical providers shall be required to meet certain qualifications to participate in Partnerships to ensure the delivery of high quality medical services. These qualifications shall be determined by rule of the Illinois Department and may be higher than qualifications for participation in the medical assistance program. Partnership sponsors may prescribe reasonable additional qualifications for participation by medical providers, only with the prior written approval of the Illinois Department.

Nothing in this Section shall limit the free choice of practitioners, hospitals, and other providers of medical services by clients. In order to ensure patient freedom of choice, the Illinois Department shall immediately promulgate all rules and take all other necessary actions so that provided services may be accessed from therapeutically certified optometrists to the full extent of the Illinois Optometric Practice Act of 1987 without discriminating between service providers.
The Department shall apply for a waiver from the United States Health Care Financing Administration to allow for the implementation of Partnerships under this Section.

The Illinois Department shall require health care providers to maintain records that document the medical care and services provided to recipients of Medical Assistance under this Article. Such records must be retained for a period of not less than 6 years from the date of service or as provided by applicable State law, whichever period is longer, except that if an audit is initiated within the required retention period then the records must be retained until the audit is completed and every exception is resolved. The Illinois Department shall require health care providers to make available, when authorized by the patient, in writing, the medical records in a timely fashion to other health care providers who are treating or serving persons eligible for Medical Assistance under this Article. All dispensers of medical services shall be required to maintain and retain business and professional records sufficient to fully and accurately document the nature, scope, details and receipt of the health care provided to persons eligible for medical assistance under this Code, in accordance with regulations promulgated by the Illinois Department. The rules and regulations shall require that proof of the receipt of prescription drugs, dentures, prosthetic devices and eyeglasses by eligible persons under this Section accompany each claim for reimbursement submitted by the dispenser of such medical services. No such claims for reimbursement shall be approved for payment by the Illinois Department without such proof of receipt, unless the Illinois Department shall have put into effect and shall be operating a system of post-payment audit and review which shall, on a sampling basis, be deemed adequate by the Illinois Department to assure that such drugs, dentures, prosthetic devices and eyeglasses for which payment is being made are actually being received by eligible recipients. Within 90 days after the effective date of this amendatory Act of 1984, the Illinois Department shall establish a current list of acquisition costs for all prosthetic devices and any other items recognized as medical equipment and supplies reimbursable under this Article and shall update such list on a quarterly basis, except that the acquisition costs of all prescription drugs shall be updated no less frequently than every 30 days as required by Section 5-5.12.

The rules and regulations of the Illinois Department shall require that a written statement including the required opinion of a physician shall accompany any claim for reimbursement for abortions, or induced
miscarriages or premature births. This statement shall indicate what procedures were used in providing such medical services.

Notwithstanding any other law to the contrary, the Illinois Department shall, within 365 days after the effective date of this amendatory Act of the 98th General Assembly, establish procedures to permit skilled care facilities licensed under the Nursing Home Care Act to submit monthly billing claims for reimbursement purposes. Following development of these procedures, the Department shall have an additional 365 days to test the viability of the new system and to ensure that any necessary operational or structural changes to its information technology platforms are implemented.

The Illinois Department shall require all dispensers of medical services, other than an individual practitioner or group of practitioners, desiring to participate in the Medical Assistance program established under this Article to disclose all financial, beneficial, ownership, equity, surety or other interests in any and all firms, corporations, partnerships, associations, business enterprises, joint ventures, agencies, institutions or other legal entities providing any form of health care services in this State under this Article.

The Illinois Department may require that all dispensers of medical services desiring to participate in the medical assistance program established under this Article disclose, under such terms and conditions as the Illinois Department may by rule establish, all inquiries from clients and attorneys regarding medical bills paid by the Illinois Department, which inquiries could indicate potential existence of claims or liens for the Illinois Department.

Enrollment of a vendor shall be subject to a provisional period and shall be conditional for one year. During the period of conditional enrollment, the Department may terminate the vendor's eligibility to participate in, or may disenroll the vendor from, the medical assistance program without cause. Unless otherwise specified, such termination of eligibility or disenrollment is not subject to the Department's hearing process. However, a disenrolled vendor may reapply without penalty.

The Department has the discretion to limit the conditional enrollment period for vendors based upon category of risk of the vendor.

Prior to enrollment and during the conditional enrollment period in the medical assistance program, all vendors shall be subject to enhanced oversight, screening, and review based on the risk of fraud, waste, and abuse that is posed by the category of risk of the vendor. The Illinois

Department shall establish the procedures for oversight, screening, and review, which may include, but need not be limited to: criminal and financial background checks; fingerprinting; license, certification, and authorization verifications; unscheduled or unannounced site visits; database checks; prepayment audit reviews; audits; payment caps; payment suspensions; and other screening as required by federal or State law.

The Department shall define or specify the following: (i) by provider notice, the "category of risk of the vendor" for each type of vendor, which shall take into account the level of screening applicable to a particular category of vendor under federal law and regulations; (ii) by rule or provider notice, the maximum length of the conditional enrollment period for each category of risk of the vendor; and (iii) by rule, the hearing rights, if any, afforded to a vendor in each category of risk of the vendor that is terminated or disenrolled during the conditional enrollment period.

To be eligible for payment consideration, a vendor's payment claim or bill, either as an initial claim or as a resubmitted claim following prior rejection, must be received by the Illinois Department, or its fiscal intermediary, no later than 180 days after the latest date on the claim on which medical goods or services were provided, with the following exceptions:

(1) In the case of a provider whose enrollment is in process by the Illinois Department, the 180-day period shall not begin until the date on the written notice from the Illinois Department that the provider enrollment is complete.

(2) In the case of errors attributable to the Illinois Department or any of its claims processing intermediaries which result in an inability to receive, process, or adjudicate a claim, the 180-day period shall not begin until the provider has been notified of the error.

(3) In the case of a provider for whom the Illinois Department initiates the monthly billing process.

For claims for services rendered during a period for which a recipient received retroactive eligibility, claims must be filed within 180 days after the Department determines the applicant is eligible. For claims for which the Illinois Department is not the primary payer, claims must be submitted to the Illinois Department within 180 days after the final adjudication by the primary payer.

In the case of long term care facilities, admission documents shall be submitted within 30 days of an admission to the facility through the Medical Electronic Data Interchange (MEDI) or the Recipient Eligibility Verification (REV) System, or shall be submitted directly to the Department of Human Services using required admission forms. Confirmation numbers assigned to an accepted transaction shall be retained by a facility to verify timely submittal. Once an admission transaction has been completed, all resubmitted claims following prior rejection are subject to receipt no later than 180 days after the admission transaction has been completed.

Claims that are not submitted and received in compliance with the foregoing requirements shall not be eligible for payment under the medical assistance program, and the State shall have no liability for payment of those claims.

To the extent consistent with applicable information and privacy, security, and disclosure laws, State and federal agencies and departments shall provide the Illinois Department access to confidential and other information and data necessary to perform eligibility and payment verifications and other Illinois Department functions. This includes, but is not limited to: information pertaining to licensure; certification; earnings; immigration status; citizenship; wage reporting; unearned and earned income; pension income; employment; supplemental security income; social security numbers; National Provider Identifier (NPI) numbers; the National Practitioner Data Bank (NPDB); program and agency exclusions; taxpayer identification numbers; tax delinquency; corporate information; and death records.

The Illinois Department shall enter into agreements with State agencies and departments, and is authorized to enter into agreements with federal agencies and departments, under which such agencies and departments shall share data necessary for medical assistance program integrity functions and oversight. The Illinois Department shall develop, in cooperation with other State departments and agencies, and in compliance with applicable federal laws and regulations, appropriate and effective methods to share such data. At a minimum, and to the extent necessary to provide data sharing, the Illinois Department shall enter into agreements with State agencies and departments, and is authorized to enter into agreements with federal agencies and departments, including but not limited to: the Secretary of State; the Department of Revenue; the
Department of Public Health; the Department of Human Services; and the Department of Financial and Professional Regulation.

Beginning in fiscal year 2013, the Illinois Department shall set forth a request for information to identify the benefits of a pre-payment, post-adjudication, and post-edit claims system with the goals of streamlining claims processing and provider reimbursement, reducing the number of pending or rejected claims, and helping to ensure a more transparent adjudication process through the utilization of: (i) provider data verification and provider screening technology; and (ii) clinical code editing; and (iii) pre-pay, pre- or post-adjudicated predictive modeling with an integrated case management system with link analysis. Such a request for information shall not be considered as a request for proposal or as an obligation on the part of the Illinois Department to take any action or acquire any products or services.

The Illinois Department shall establish policies, procedures, standards and criteria by rule for the acquisition, repair and replacement of orthotic and prosthetic devices and durable medical equipment. Such rules shall provide, but not be limited to, the following services: (1) immediate repair or replacement of such devices by recipients; and (2) rental, lease, purchase or lease-purchase of durable medical equipment in a cost-effective manner, taking into consideration the recipient's medical prognosis, the extent of the recipient's needs, and the requirements and costs for maintaining such equipment. Subject to prior approval, such rules shall enable a recipient to temporarily acquire and use alternative or substitute devices or equipment pending repairs or replacements of any device or equipment previously authorized for such recipient by the Department.

The Department shall execute, relative to the nursing home prescreening project, written inter-agency agreements with the Department of Human Services and the Department on Aging, to effect the following: (i) intake procedures and common eligibility criteria for those persons who are receiving non-institutional services; and (ii) the establishment and development of non-institutional services in areas of the State where they are not currently available or are undeveloped; and (iii) notwithstanding any other provision of law, subject to federal approval, on and after July 1, 2012, an increase in the determination of need (DON) scores from 29 to 37 for applicants for institutional and home and community-based long term care; if and only if federal approval is not granted, the Department may, in conjunction with other affected agencies, implement utilization controls or
changes in benefit packages to effectuate a similar savings amount for this population; and (iv) no later than July 1, 2013, minimum level of care eligibility criteria for institutional and home and community-based long term care. In order to select the minimum level of care eligibility criteria, the Governor shall establish a workgroup that includes affected agency representatives and stakeholders representing the institutional and home and community-based long term care interests. This Section shall not restrict the Department from implementing lower level of care eligibility criteria for community-based services in circumstances where federal approval has been granted.

The Illinois Department shall develop and operate, in cooperation with other State Departments and agencies and in compliance with applicable federal laws and regulations, appropriate and effective systems of health care evaluation and programs for monitoring of utilization of health care services and facilities, as it affects persons eligible for medical assistance under this Code.

The Illinois Department shall report annually to the General Assembly, no later than the second Friday in April of 1979 and each year thereafter, in regard to:

(a) actual statistics and trends in utilization of medical services by public aid recipients;
(b) actual statistics and trends in the provision of the various medical services by medical vendors;
(c) current rate structures and proposed changes in those rate structures for the various medical vendors; and
(d) efforts at utilization review and control by the Illinois Department.

The period covered by each report shall be the 3 years ending on the June 30 prior to the report. The report shall include suggested legislation for consideration by the General Assembly. The filing of one copy of the report with the Speaker, one copy with the Minority Leader and one copy with the Clerk of the House of Representatives, one copy with the President, one copy with the Minority Leader and one copy with the Secretary of the Senate, one copy with the Legislative Research Unit, and such additional copies with the State Government Report Distribution Center for the General Assembly as is required under paragraph (t) of Section 7 of the State Library Act shall be deemed sufficient to comply with this Section.
Rulemaking authority to implement Public Act 95-1045, if any, is conditioned on the rules being adopted in accordance with all provisions of the Illinois Administrative Procedure Act and all rules and procedures of the Joint Committee on Administrative Rules; any purported rule not so adopted, for whatever reason, is unauthorized.

On and after July 1, 2012, the Department shall reduce any rate of reimbursement for services or other payments or alter any methodologies authorized by this Code to reduce any rate of reimbursement for services or other payments in accordance with Section 5-5e.

Sec. 11-5.4. Expedited long-term care eligibility determination and enrollment.

(a) An expedited long-term care eligibility determination and enrollment system shall be established to reduce long-term care determinations to 90 days or fewer by July 1, 2014 and streamline the long-term care enrollment process. Establishment of the system shall be a joint venture of the Department of Human Services and Healthcare and Family Services and the Department on Aging. The Governor shall name a lead agency no later than 30 days after the effective date of this amendatory Act of the 98th General Assembly to assume responsibility for the full implementation of the establishment and maintenance of the system. Project outcomes shall include an enhanced eligibility determination tracking system accessible to providers and a centralized application review and eligibility determination with all applicants reviewed within 90 days of receipt by the State of a complete application. If the Department of Healthcare and Family Services' Office of the Inspector General determines that there is a likelihood that a non-allowable transfer of assets has occurred, and the facility in which the applicant resides is notified, an extension of up to 90 days shall be permissible. On or before December 31, 2015, a streamlined application and enrollment process shall be put in place based on the following principles:

(1) Minimize the burden on applicants by collecting only the data necessary to determine eligibility for medical services, long-term care services, and spousal impoverishment offset.

New matter indicated in italics - deletions by strikeout
(2) Integrate online data sources to simplify the application process by reducing the amount of information needed to be entered and to expedite eligibility verification.
(3) Provide online prompts to alert the applicant that information is missing or not complete.

(b) The Department shall, on or before July 1, 2014, assess the feasibility of incorporating all information needed to determine eligibility for long-term care services, including asset transfer and spousal impoverishment financials, into the State's integrated eligibility system identifying all resources needed and reasonable timeframes for achieving the specified integration.

(c) The lead agency shall file interim reports with the Chairs and Minority Spokespersons of the House and Senate Human Services Committees no later than September 1, 2013 and on February 1, 2014. The Department of Healthcare and Family Services shall include in the annual Medicaid report for State Fiscal Year 2014 and every fiscal year thereafter information concerning implementation of the provisions of this Section.

(d) No later than August 1, 2014, the Auditor General shall report to the General Assembly concerning the extent to which the timeframes specified in this Section have been met and the extent to which State staffing levels are adequate to meet the requirements of this Section.

ARTICLE 99.

Section 99-5. The Illinois Administrative Procedure Act is amended by changing Section 5-45 as follows:

(5 ILCS 100/5-45) (from Ch. 127, par. 1005-45)

Sec. 5-45. Emergency rulemaking.
(a) "Emergency" means the existence of any situation that any agency finds reasonably constitutes a threat to the public interest, safety, or welfare.

(b) If any agency finds that an emergency exists that requires adoption of a rule upon fewer days than is required by Section 5-40 and states in writing its reasons for that finding, the agency may adopt an emergency rule without prior notice or hearing upon filing a notice of emergency rulemaking with the Secretary of State under Section 5-70. The notice shall include the text of the emergency rule and shall be published in the Illinois Register. Consent orders or other court orders adopting settlements negotiated by an agency may be adopted under this Section. Subject to applicable constitutional or statutory provisions, an emergency

rule becomes effective immediately upon filing under Section 5-65 or at a stated date less than 10 days thereafter. The agency's finding and a statement of the specific reasons for the finding shall be filed with the rule. The agency shall take reasonable and appropriate measures to make emergency rules known to the persons who may be affected by them.

(c) An emergency rule may be effective for a period of not longer than 150 days, but the agency's authority to adopt an identical rule under Section 5-40 is not precluded. No emergency rule may be adopted more than once in any 24 month period, except that this limitation on the number of emergency rules that may be adopted in a 24 month period does not apply to (i) emergency rules that make additions to and deletions from the Drug Manual under Section 5-5.16 of the Illinois Public Aid Code or the generic drug formulary under Section 3.14 of the Illinois Food, Drug and Cosmetic Act, (ii) emergency rules adopted by the Pollution Control Board before July 1, 1997 to implement portions of the Livestock Management Facilities Act, (iii) emergency rules adopted by the Illinois Department of Public Health under subsections (a) through (i) of Section 2 of the Department of Public Health Act when necessary to protect the public's health, (iv) emergency rules adopted pursuant to subsection (n) of this Section, (v) emergency rules adopted pursuant to subsection (o) of this Section, or (vi) emergency rules adopted pursuant to subsection (c-5) of this Section. Two or more emergency rules having substantially the same purpose and effect shall be deemed to be a single rule for purposes of this Section.

(c-5) To facilitate the maintenance of the program of group health benefits provided to annuitants, survivors, and retired employees under the State Employees Group Insurance Act of 1971, rules to alter the contributions to be paid by the State, annuitants, survivors, retired employees, or any combination of those entities, for that program of group health benefits, shall be adopted as emergency rules. The adoption of those rules shall be considered an emergency and necessary for the public interest, safety, and welfare.

(d) In order to provide for the expeditious and timely implementation of the State's fiscal year 1999 budget, emergency rules to implement any provision of Public Act 90-587 or 90-588 or any other budget initiative for fiscal year 1999 may be adopted in accordance with this Section by the agency charged with administering that provision or initiative, except that the 24-month limitation on the adoption of emergency rules and the provisions of Sections 5-115 and 5-125 do not

A. The Director shall establish and operate an automated directory of newly hired employees which shall be known as the "Illinois Directory of New Hires" which shall contain the information required to be reported by employers to the Department under subsection B. In the administration of the Directory, the Director shall comply with any requirements concerning the Employer New Hire Reporting Program established by the federal Personal Responsibility and Work Opportunity Reconciliation Act of 1996. The Director is authorized to use the information contained in the Directory of New Hires to administer any of the provisions of this Act.

B. Each employer in Illinois, except a department, agency, or instrumentality of the United States, shall file with the Department a report in accordance with rules adopted by the Department (but in any event not later than 20 days after the date the employer hires the employee or, in the case of an employer transmitting reports magnetically or electronically, by 2 monthly transmissions, if necessary, not less than 12 days nor more than 16 days apart) providing the following information concerning each newly
hired employee: the employee's name, address, and social security number, the date services for remuneration were first performed by the employee, the employee's projected monthly wages, and the employer's name, address, Federal Employer Identification Number assigned under Section 6109 of the Internal Revenue Code of 1986, and such other information as may be required by federal law or regulation, provided that each employer may voluntarily file the address to which the employer wants income withholding orders to be mailed, if it is different from the address given on the Federal Employer Identification Number. An employer in Illinois which transmits its reports electronically or magnetically and which also has employees in another state may report all newly hired employees to a single designated state in which the employer has employees if it has so notified the Secretary of the United States Department of Health and Human Services in writing. An employer may, at its option, submit information regarding any rehired employee in the same manner as information is submitted regarding a newly hired employee. Each report required under this subsection shall, to the extent practicable, be made on an Internal Revenue Service Form W-4 or, at the option of the employer, an equivalent form, and may be transmitted by first class mail, by telefax, magnetically, or electronically.

C. An employer which knowingly fails to comply with the reporting requirements established by this Section shall be subject to a civil penalty of $15 for each individual whom it fails to report. An employer shall be considered to have knowingly failed to comply with the reporting requirements established by this Section with respect to an individual if the employer has been notified by the Department that it has failed to report an individual, and it fails, without reasonable cause, to supply the required information to the Department within 21 days after the date of mailing of the notice. Any individual who knowingly conspires with the newly hired employee to cause the employer to fail to report the information required by this Section or who knowingly conspires with the newly hired employee to cause the employer to file a false or incomplete report shall be guilty of a Class B misdemeanor with a fine not to exceed $500 with respect to each employee with whom the individual so conspires.

D. As used in this Section, "newly hired employee" means an individual who (i) is an employee within the meaning of Chapter 24 of the Internal Revenue Code of 1986 and (ii) either has not previously been employed by the employer or was previously employed by the employer

but has been separated from that prior employment for at least 60 consecutive days; however, "newly hired employee" does not include an employee of a federal or State agency performing intelligence or counterintelligence functions, if the head of that agency has determined that the filing of the report required by this Section with respect to the employee could endanger the safety of the employee or compromise an ongoing investigation or intelligence mission.

Notwithstanding Section 205, and for the purposes of this Section only, the term "employer" has the meaning given by Section 3401(d) of the Internal Revenue Code of 1986 and includes any governmental entity and labor organization as defined by Section 2(5) of the National Labor Relations Act, and includes any entity (also known as a hiring hall) which is used by the organization and an employer to carry out the requirements described in Section 8(f)(3) of that Act of an agreement between the organization and the employer.

Sec. 2401. Recording and release of lien. A. The lien created by Section 2400 shall be invalid only as to any innocent purchaser for value of stock in trade of any employer in the usual course of such employer's business, and shall be invalid as to any innocent purchaser for value of any of the other assets to which such lien has attached, unless notice thereof has been filed by the Director in the office of the recorder of the county within which the property subject to the lien is situated. The Director may, in his discretion, for good cause shown and upon the reimbursement of any recording fees paid by the Director with respect to the lien, issue a certificate of withdrawal of notice of lien filed against any employer, which certificate shall be recorded in the same manner as herein provided for the recording of notice of liens. Such withdrawal of notice of lien shall invalidate such lien as against any person acquiring any of such employer's property or any interest therein, subsequent to the recordation of the withdrawal of notice of lien, but shall not otherwise affect the validity of

such lien, nor shall it prevent the Director from re-recording notice of such lien. In the event notice of such lien is re-recorded, such notice shall be effective as against third persons only as of the date of such re-recording.

B. The recorder of each county shall procure at the expense of the county a file labeled "Unemployment Compensation Contribution Lien Notice" and an index book labeled "Unemployment Compensation Contribution Lien Index." When a notice of any such lien is presented to him for filing, he shall file it in numerical order in the file and shall enter it alphabetically in the index. The entry shall show the name and last known business address of the employer named in the notice, the serial number of the notice, the date and hour of filing, and the amount of contribution, interest and penalty thereon due and unpaid. When a certificate of complete or partial release of such lien issued by the Director is presented for filing in the office of the recorder where a notice of lien was filed, the recorder shall permanently attach the certificate of release to the notice of lien and shall enter the certificate of release and the date in the Unemployment Compensation Contribution Lien Index on the line where the notice of lien is entered. In case title to land to be affected by the Notice of Lien is registered under the provisions of "An Act Concerning Land Titles", approved May 1, 1897, as amended, such notice shall be filed in the office of the Registrar of Titles of the county within which the property subject to the lien is situated and shall be entered upon the register of titles as a memorial or charge upon each folium of the register of title affected by such notice, and the Director shall not have a preference over the rights of any bona fide purchaser, mortgagee, judgment creditor or other lien holder arising prior to the registration of such notice.

C. The Director shall have the power to issue a certificate of partial release of any part of the property subject to the lien, upon the reimbursement of any recording fees paid by the Director with respect to the lien, if he shall find that the fair market value of that part of such property remaining subject to the lien is at least equal to the amount of all prior liens upon such property plus double the amount of the liability for contributions, interest and penalties thereon remaining unsatisfied.

D. Where the amount of or the liability for the payment of any contribution, interest or penalty is contested by any employing unit against whose property a lien has attached, and the determination of the Director with reference to such contribution has not become final, the Director may issue a certificate of release of lien upon the reimbursement of any recording fees paid by the Director with respect to the lien and the
furnishing of bond by such employing unit in 125% the amount of the sum of such contribution, interest and penalty, for which lien is claimed, with good and sufficient surety to be approved by the Director conditioned upon the prompt payment of such contribution, together with interest and penalty thereon, by such employing unit to the Director immediately upon the decision of the Director in respect to the liability for such contribution, interest and penalty becoming final.

E. When a lien obtained pursuant to this Act has been satisfied and upon the reimbursement of any recording fees paid by the Director with respect to the lien, the Department shall issue a release to the person, or his agent, against whom the lien was obtained and such release shall contain in legible letters a statement as follows:

FOR THE PROTECTION OF THE OWNER, THIS RELEASE SHALL BE FILED WITH THE RECORDER OR THE REGISTRAR OF TITLES, IN WHOSE OFFICE, THE LIEN WAS FILED.

When the land is acquired by the State no compensation shall be allowed for any construction, alteration, or addition in violation of this Section unless the Department has failed to acquire the land by purchase or has abandoned an eminent domain proceeding initiated under the provisions of this paragraph. Any land needed for modifications to the inaugural airport boundary or the ultimate airport boundary may be acquired at any time by the State. Section 4-65. The Vital Records Act is amended by changing Section 21 as follows:
(410 ILCS 535/21) (from Ch. 111 1/2, par. 73-21)

Sec. 21. (1) The funeral director or person acting as such who first assumes custody of a dead body or fetus shall make a written report to the registrar of the district in which death occurred or in which the body or fetus was found within 24 hours after taking custody of the body or fetus on a form prescribed and furnished by the State Registrar and in accordance with the rules promulgated by the State Registrar. Except as specified in paragraph (2) of this Section, the written report shall serve as a permit to transport, bury or entomb the body or fetus within this State, provided that the funeral director or person acting as such shall certify that the physician in charge of the patient's care for the illness or condition which resulted in death has been contacted and has affirmatively stated that he will sign the medical certificate of death or the fetal death certificate. If a funeral director fails to file written reports under this Section in a timely manner, the local registrar may suspend the funeral director's privilege of filing written reports by mail. In a county with a population greater than 3,000,000, if a funeral director or person acting as such inter or entombs a dead body without having previously certified that the physician in charge of the patient's care for the illness or condition that resulted in death has been contacted and has affirmatively stated that he or she will sign the medical certificate of death, then that funeral director or person acting as such is responsible for payment of the specific

costs incurred by the county medical examiner in disinterring and
reinterring or reentombing the dead body.

(2) The written report as specified in paragraph (1) of this Section
shall not serve as a permit to:

(a) Remove body or fetus from this State;
(b) Cremate the body or fetus; or
(c) Make disposal of any body or fetus in any manner when
death is subject to the coroner's or medical examiner's
investigation.

(3) In accordance with the provisions of paragraph (2) of this
Section the funeral director or person acting as such who first assumes
custody of a dead body or fetus shall obtain a permit for disposition of
such dead human body prior to final disposition or removal from the State
of the body or fetus. Such permit shall be issued by the registrar of the
district where death occurred or the body or fetus was found. No such
permit shall be issued until a properly completed certificate of death has
been filed with the registrar. The registrar shall insure the issuance of a
permit for disposition within an expedited period of time to accommodate
Sunday or holiday burials of decedents whose time of death and religious
tenets or beliefs necessitate Sunday or holiday burials.

(4) A permit which accompanies a dead body or fetus brought into
this State shall be authority for final disposition of the body or fetus in this
State, except in municipalities where local ordinance requires the issuance
of a local permit prior to disposition.

(5) A permit for disposition of a dead human body shall be
required prior to disinterment of a dead body or fetus, and when the
disinterred body is to be shipped by a common carrier. Such permit shall
be issued to a licensed funeral director or person acting as such, upon
proper application, by the local registrar of the district in which
disinterment is to be made. In the case of disinterment, proper application
shall include a statement providing the name and address of any surviving
spouse of the deceased, or, if none, any surviving children of the deceased,
or if no surviving spouse or children, a parent, brother, or sister of the
deceased. The application shall indicate whether the applicant is one of
these parties and, if so, whether the applicant is a surviving spouse or a
surviving child. Prior to the issuance of a permit for disinterment, the local
registrar shall, by certified mail, notify the surviving spouse, unless he or
she is the applicant, or if there is no surviving spouse, all surviving
children except for the applicant, of the application for the permit. The

person or persons notified shall have 30 days from the mailing of the notice to object by obtaining an injunction enjoining the issuance of the permit. After the 30-day period has expired, the local registrar shall issue the permit unless he or she has been enjoined from doing so or there are other statutory grounds for refusal. The notice to the spouse or surviving children shall inform the person or persons being notified of the right to seek an injunction within 30 days. Notwithstanding any other provision of this subsection (5), a court may order issuance of a permit for disinterment without notice or prior to the expiration of the 30-day period where the petition is made by an agency of any governmental unit and good cause is shown for disinterment without notice or for the early order. Nothing in this subsection (5) limits the authority of the City of Chicago to acquire property or otherwise exercise its powers under the O'Hare Modernization Act or requires that City, or any person acting on behalf of that City, to obtain a permit under this subsection (5) when exercising powers under the O'Hare Modernization Act. The Illinois Department of Transportation, and any person acting on its behalf under a public-private agreement entered into in accordance with the Public-Private Agreements for the South Suburban Airport Act, is exempt from this subsection (5), provided that the Illinois Department of Transportation, or any such person, takes reasonable steps to comply with the provisions of this subsection (5) so long as compliance does not interfere with the design, development, operation, or maintenance of the South Suburban Airport or the exercise of their powers under the Public-Private Agreements for the South Suburban Airport Act.

(a) When the right (i) to take private property for public use, without the owner's consent, (ii) to construct or maintain any public road, railroad, plankroad, turnpike road, canal, or other public work or improvement, or (iii) to damage property not actually taken has been or is conferred by general law or special charter upon any corporate or municipal authority, public body, officer or agent, person, commissioner, or corporation and when (i) the compensation to be paid for or in respect of the property sought to be appropriated or damaged for the purposes mentioned cannot be agreed upon by the parties interested, (ii) the owner

of the property is incapable of consenting, (iii) the owner's name or residence is unknown, or (iv) the owner is a nonresident of the State, then the party authorized to take or damage the property so required, or to construct, operate, and maintain any public road, railroad, plankroad, turnpike road, canal, or other public work or improvement, may apply to the circuit court of the county where the property or any part of the property is situated, by filing with the clerk a complaint. The complaint shall set forth, by reference, (i) the complainant's authority in the premises, (ii) the purpose for which the property is sought to be taken or damaged, (iii) a description of the property, and (iv) the names of all persons interested in the property as owners or otherwise, as appearing of record, if known, or if not known stating that fact; and shall pray the court to cause the compensation to be paid to the owner to be assessed.

(b) If it appears that any person not in being, upon coming into being, is, or may become or may claim to be, entitled to any interest in the property sought to be appropriated or damaged, the court shall appoint some competent and disinterested person as guardian ad litem to appear for and represent that interest in the proceeding and to defend the proceeding on behalf of the person not in being. Any judgment entered in the proceeding shall be as effectual for all purposes as though the person was in being and was a party to the proceeding.

(c) If the proceeding seeks to affect the property of persons under guardianship, the guardians shall be made parties defendant.

(d) Any interested persons whose names are unknown may be made parties defendant by the same descriptions and in the same manner as provided in other civil cases.

(e) When the property to be taken or damaged is a common element of property subject to a declaration of condominium ownership, pursuant to the Condominium Property Act, or of a common interest community, the complaint shall name the unit owners' association in lieu of naming the individual unit owners and lienholders on individual units. Unit owners, mortgagees, and other lienholders may intervene as parties defendant. For the purposes of this Section, "common interest community" has the same meaning as set forth in subsection (c) of Section 9-102 of the Code of Civil Procedure. "Unit owners' association" or "association" shall refer to both the definition contained in Section 2 of the Condominium Property Act and subsection (c) of Section 9-102 of the Code of Civil Procedure.
(f) When the property is sought to be taken or damaged by the State for the purposes of establishing, operating, or maintaining any State house or State charitable or other institutions or improvements, the complaint shall be signed by the Governor, or the Governor's designee, or as otherwise provided by law.

(g) No property, except property described in Section 3 of the Sports Stadium Act, property to be acquired in furtherance of actions under Article 11, Divisions 124, 126, 128, 130, 135, 136, and 139, of the Illinois Municipal Code, property to be acquired in furtherance of actions under Section 3.1 of the Intergovernmental Cooperation Act, property to be acquired that is a water system or waterworks pursuant to the home rule powers of a unit of local government, and property described as Site B in Section 2 of the Metropolitan Pier and Exposition Authority Act, and property that may be taken as provided in the Public-Private Agreements for the South Suburban Airport Act belonging to a railroad or other public utility subject to the jurisdiction of the Illinois Commerce Commission may be taken or damaged, pursuant to the provisions of this Act, without the prior approval of the Illinois Commerce Commission.

(f) Except for businesses contemplated under subdivision (a)(3)(E) of this Section, in the event that a business is designated a High Impact Business and it is later determined after reasonable notice and an opportunity for a hearing as provided under the Illinois Administrative Procedure Act, that the business would have placed in service in qualified property the investments and created or retained the requisite number of jobs without the benefits of the High Impact Business designation, the Department shall be required to immediately revoke the designation and notify the Director of the Department of Revenue who shall begin proceedings to recover all wrongfully exempted State taxes with interest. The business shall also be ineligible for all State funded Department programs for a period of 10 years.

(2) If the recipient fails to create or retain the requisite number of jobs within and for the time period specified, in the legislation authorizing, or the administrative rules implementing,
the development assistance programs and the development assistance agreement, the recipient shall be deemed to no longer qualify for the State economic assistance and the applicable recapture provisions shall take effect.

(3) If the recipient receives State economic assistance in the form of a High Impact Business designation pursuant to Section 5.5 of the Illinois Enterprise Zone Act and the business receives the benefit of the exemption authorized under Section 51 of the Retailers' Occupation Tax Act (for the sale of building materials incorporated into a High Impact Business location) or the utility tax exemption authorized under Section 9-222.1A of the Public Utilities Act and the recipient fails to create or retain the requisite number of jobs, as determined by the legislation authorizing the development assistance programs or the administrative rules implementing such legislation, or both, within the requisite period of time, the recipient shall be required to pay to the State the full amount of both the State tax exemption and the utility tax exemption that it received as a result of the High Impact Business designation.

(4) If the recipient receives a grant or loan pursuant to the Large Business Development Program, the Business Development Public Infrastructure Program, or the Industrial Training Program and the recipient fails to create or retain the requisite number of jobs for the requisite time period, as provided in the legislation authorizing the development assistance programs or the administrative rules implementing such legislation, or both, or in the development assistance agreement, the recipient shall be required to repay to the State a pro rata amount of the grant; that amount shall reflect the percentage of the deficiency between the requisite number of jobs to be created or retained by the recipient and the actual number of such jobs in existence as of the date the Department determines the recipient is in breach of the job creation or retention covenants contained in the development assistance agreement. If the recipient of development assistance under the Large Business Development Program, the Business Development Public Infrastructure Program, or the Industrial Training Program ceases operations at the specific project site, during the 5-year period commencing on the date of assistance, the recipient shall be

required to repay the entire amount of the grant or to accelerate repayment of the loan back to the State.

(5) If the recipient receives a tax credit under the Economic Development for a Growing Economy tax credit program, the development assistance agreement must provide that (i) if the number of new or retained employees falls below the requisite number set forth in the development assistance agreement, the allowance of the credit shall be automatically suspended until the number of new and retained employees equals or exceeds the requisite number in the development assistance agreement; (ii) if the recipient discontinues operations at the specific project site during the 5-year period after the beginning of the first tax year for which the Department issues a tax credit certificate, the recipient shall forfeit all credits taken by the recipient during such 5-year period; and (iii) in the event of a revocation or suspension of the credit, the Department shall contact the Director of Revenue to initiate proceedings against the recipient to recover wrongfully exempted Illinois State income taxes and the recipient shall promptly repay to the Department of Revenue any wrongfully exempted Illinois State income taxes. (b) The Director may elect to waive enforcement of any contractual provision arising out of the development assistance agreement required by this Act based on a finding that the waiver is necessary to avert an imminent and demonstrable hardship to the recipient that may result in such recipient's insolvency or discharge of workers. If a waiver is granted, the recipient must agree to a contractual modification, including recapture provisions, to the development assistance agreement. The existence of any waiver granted pursuant to this subsection (b) (c), the date of the granting of such waiver, and a brief summary of the reasons supporting the granting of such waiver shall be disclosed consistent with the provisions of Section 25 of this Act.

Taxpayers who are new to Illinois shall be deemed to have met the 1% growth in base employment for the first year in which they file employment records with the Illinois Department of Employment Security. The provisions added to this Section by Public Act 85-1200 (and restored by Public Act 87-895) shall be construed as declaratory of existing law and not as a new enactment. If, in any year, the increase in base employment within Illinois over the preceding year is less than 1%, the additional credit shall be limited to that percentage times a fraction, the numerator of which is .5% and the denominator of which is 1%, but shall not exceed .5%. The investment credit shall not be allowed to the extent that it would reduce a taxpayer's liability in any tax year below zero, nor may any credit for qualified property be allowed for any year other than

the year in which the property was placed in service in Illinois. For
tax years ending on or after December 31, 1987, and on or before
December 31, 1988, the credit shall be allowed for the tax year in
which the property is placed in service, or, if the amount of the
credit exceeds the tax liability for that year, whether it exceeds the
original liability or the liability as later amended, such excess may
be carried forward and applied to the tax liability of the 5 taxable
years following the excess credit years if the taxpayer (i) makes
investments which cause the creation of a minimum of 2,000 full-
time equivalent jobs in Illinois, (ii) is located in an enterprise zone
established pursuant to the Illinois Enterprise Zone Act and (iii) is
certified by the Department of Commerce and Community Affairs
(now Department of Commerce and Economic Opportunity) as
complying with the requirements specified in clause (i) and (ii) by
July 1, 1986. The Department of Commerce and Community
Affairs (now Department of Commerce and Economic Opportunity)
shall notify the Department of Revenue of all such
certifications immediately. For tax years ending after December 31,
1988, the credit shall be allowed for the tax year in which the
property is placed in service, or, if the amount of the credit exceeds
the tax liability for that year, whether it exceeds the original
liability or the liability as later amended, such excess may be
 carried forward and applied to the tax liability of the 5 taxable
years following the excess credit years. The credit shall be applied
to the earliest year for which there is a liability. If there is credit
from more than one tax year that is available to offset a liability,
earlier credit shall be applied first.

(2) The term "qualified property" means property which:

(A) is tangible, whether new or used, including
buildings and structural components of buildings and signs
that are real property, but not including land or
improvements to real property that are not a structural
component of a building such as landscaping, sewer lines,
local access roads, fencing, parking lots, and other
appurtenances;

(B) is depreciable pursuant to Section 167 of the
Internal Revenue Code, except that "3-year property" as
defined in Section 168(c)(2)(A) of that Code is not eligible
for the credit provided by this subsection (e);

New matter indicated in italics - deletions by strikeout
(C) is acquired by purchase as defined in Section 179(d) of the Internal Revenue Code;
(D) is used in Illinois by a taxpayer who is primarily engaged in manufacturing, or in mining coal or fluorite, or in retailing, or was placed in service on or after July 1, 2006 in a River Edge Redevelopment Zone established pursuant to the River Edge Redevelopment Zone Act; and
(E) has not previously been used in Illinois in such a manner and by such a person as would qualify for the credit provided by this subsection (e) or subsection (f).

(3) For purposes of this subsection (e), "manufacturing" means the material staging and production of tangible personal property by procedures commonly regarded as manufacturing, processing, fabrication, or assembling which changes some existing material into new shapes, new qualities, or new combinations. For purposes of this subsection (e) the term "mining" shall have the same meaning as the term "mining" in Section 613(c) of the Internal Revenue Code. For purposes of this subsection (e), the term "retailing" means the sale of tangible personal property for use or consumption and not for resale, or services rendered in conjunction with the sale of tangible personal property for use or consumption and not for resale. For purposes of this subsection (e), "tangible personal property" has the same meaning as when that term is used in the Retailers' Occupation Tax Act, and, for taxable years ending after December 31, 2008, does not include the generation, transmission, or distribution of electricity.

(4) The basis of qualified property shall be the basis used to compute the depreciation deduction for federal income tax purposes.

(5) If the basis of the property for federal income tax depreciation purposes is increased after it has been placed in service in Illinois by the taxpayer, the amount of such increase shall be deemed property placed in service on the date of such increase in basis.

(6) The term "placed in service" shall have the same meaning as under Section 46 of the Internal Revenue Code.

(7) If during any taxable year, any property ceases to be qualified property in the hands of the taxpayer within 48 months
after being placed in service, or the situs of any qualified property is moved outside Illinois within 48 months after being placed in service, the Personal Property Tax Replacement Income Tax for such taxable year shall be increased. Such increase shall be determined by (i) recomputing the investment credit which would have been allowed for the year in which credit for such property was originally allowed by eliminating such property from such computation and, (ii) subtracting such recomputed credit from the amount of credit previously allowed. For the purposes of this paragraph (7), a reduction of the basis of qualified property resulting from a redetermination of the purchase price shall be deemed a disposition of qualified property to the extent of such reduction.

(8) Unless the investment credit is extended by law, the basis of qualified property shall not include costs incurred after December 31, 2018, except for costs incurred pursuant to a binding contract entered into on or before December 31, 2018.

(9) Each taxable year ending before December 31, 2000, a partnership may elect to pass through to its partners the credits to which the partnership is entitled under this subsection (e) for the taxable year. A partner may use the credit allocated to him or her under this paragraph only against the tax imposed in subsections (c) and (d) of this Section. If the partnership makes that election, those credits shall be allocated among the partners in the partnership in accordance with the rules set forth in Section 704(b) of the Internal Revenue Code, and the rules promulgated under that Section, and the allocated amount of the credits shall be allowed to the partners for that taxable year. The partnership shall make this election on its Personal Property Tax Replacement Income Tax return for that taxable year. The election to pass through the credits shall be irrevocable.

For taxable years ending on or after December 31, 2000, a partner that qualifies its partnership for a subtraction under subparagraph (I) of paragraph (2) of subsection (d) of Section 203 or a shareholder that qualifies a Subchapter S corporation for a subtraction under subparagraph (S) of paragraph (2) of subsection (b) of Section 203 shall be allowed a credit under this subsection (e) equal to its share of the credit earned under this subsection (e) during the taxable year by the partnership or Subchapter S corporation.
corporation, determined in accordance with the determination of income and distributive share of income under Sections 702 and 704 and Subchapter S of the Internal Revenue Code. This paragraph is exempt from the provisions of Section 250.

(f) Investment credit; Enterprise Zone; River Edge Redevelopment Zone.

(1) A taxpayer shall be allowed a credit against the tax imposed by subsections (a) and (b) of this Section for investment in qualified property which is placed in service in an Enterprise Zone created pursuant to the Illinois Enterprise Zone Act or, for property placed in service on or after July 1, 2006, a River Edge Redevelopment Zone established pursuant to the River Edge Redevelopment Zone Act. For partners, shareholders of Subchapter S corporations, and owners of limited liability companies, if the liability company is treated as a partnership for purposes of federal and State income taxation, there shall be allowed a credit under this subsection (f) to be determined in accordance with the determination of income and distributive share of income under Sections 702 and 704 and Subchapter S of the Internal Revenue Code. The credit shall be .5% of the basis for such property. The credit shall be available only in the taxable year in which the property is placed in service in the Enterprise Zone or River Edge Redevelopment Zone and shall not be allowed to the extent that it would reduce a taxpayer's liability for the tax imposed by subsections (a) and (b) of this Section to below zero. For tax years ending on or after December 31, 1985, the credit shall be allowed for the tax year in which the property is placed in service, or, if the amount of the credit exceeds the tax liability for that year, whether it exceeds the original liability or the liability as later amended, such excess may be carried forward and applied to the tax liability of the 5 taxable years following the excess credit year. The credit shall be applied to the earliest year for which there is a liability. If there is credit from more than one tax year that is available to offset a liability, the credit accruing first in time shall be applied first.

(2) The term qualified property means property which:
   (A) is tangible, whether new or used, including buildings and structural components of buildings;

(B) is depreciable pursuant to Section 167 of the Internal Revenue Code, except that "3-year property" as defined in Section 168(c)(2)(A) of that Code is not eligible for the credit provided by this subsection (f);

(C) is acquired by purchase as defined in Section 179(d) of the Internal Revenue Code;

(D) is used in the Enterprise Zone or River Edge Redevelopment Zone by the taxpayer; and

(E) has not been previously used in Illinois in such a manner and by such a person as would qualify for the credit provided by this subsection (f) or subsection (e).

(3) The basis of qualified property shall be the basis used to compute the depreciation deduction for federal income tax purposes.

(4) If the basis of the property for federal income tax depreciation purposes is increased after it has been placed in service in the Enterprise Zone or River Edge Redevelopment Zone by the taxpayer, the amount of such increase shall be deemed property placed in service on the date of such increase in basis.

(5) The term "placed in service" shall have the same meaning as under Section 46 of the Internal Revenue Code.

(6) If during any taxable year, any property ceases to be qualified property in the hands of the taxpayer within 48 months after being placed in service, or the situs of any qualified property is moved outside the Enterprise Zone or River Edge Redevelopment Zone within 48 months after being placed in service, the tax imposed under subsections (a) and (b) of this Section for such taxable year shall be increased. Such increase shall be determined by (i) recomputing the investment credit which would have been allowed for the year in which credit for such property was originally allowed by eliminating such property from such computation, and (ii) subtracting such recomputed credit from the amount of credit previously allowed. For the purposes of this paragraph (6), a reduction of the basis of qualified property resulting from a redetermination of the purchase price shall be deemed a disposition of qualified property to the extent of such reduction.

(7) There shall be allowed an additional credit equal to 0.5% of the basis of qualified property placed in service during the
taxable year in a River Edge Redevelopment Zone, provided such property is placed in service on or after July 1, 2006, and the taxpayer's base employment within Illinois has increased by 1% or more over the preceding year as determined by the taxpayer's employment records filed with the Illinois Department of Employment Security. Taxpayers who are new to Illinois shall be deemed to have met the 1% growth in base employment for the first year in which they file employment records with the Illinois Department of Employment Security. If, in any year, the increase in base employment within Illinois over the preceding year is less than 1%, the additional credit shall be limited to that percentage times a fraction, the numerator of which is 0.5% and the denominator of which is 1%, but shall not exceed 0.5%.

(1) A taxpayer conducting a trade or business, for taxable years ending on or after December 31, 2006, in a River Edge Redevelopment Zone or conducting a trade or business in a federally designated Foreign Trade Zone or Sub-Zone shall be allowed a credit against the tax imposed by subsections (a) and (b) of this Section in the amount of $500 per eligible employee hired to work in the zone during the taxable year.

(2) To qualify for the credit:

(A) the taxpayer must hire 5 or more eligible employees to work in a River Edge Redevelopment Zone or federally designated Foreign Trade Zone or Sub-Zone during the taxable year;

(C) the eligible employees must be employed 180 consecutive days in order to be deemed hired for purposes of this subsection.

(3) An "eligible employee" means an employee who is:

(B) Hired after the River Edge Redevelopment Zone or federally designated Foreign Trade Zone or Sub-Zone was designated or the trade or business was located in that zone, whichever is later.

(C) Employed in the River Edge Redevelopment Zone or Foreign Trade Zone or Sub-Zone. An employee is employed in a federally designated Foreign Trade Zone or Sub-Zone if his services are rendered there or it is the base of operations for the services performed.

(D) A full-time employee working 30 or more hours per week.

(4) For tax years ending on or after December 31, 1985 and prior to December 31, 1988, the credit shall be allowed for the tax year in which the eligible employees are hired. For tax years ending on or after December 31, 1988, the credit shall be allowed for the tax year immediately following the tax year in which the eligible employees are hired. If the amount of the credit exceeds the tax liability for that year, whether it exceeds the original liability or the liability as later amended, such excess may be carried forward and applied to the tax liability of the 5 taxable years following the excess credit year. The credit shall be applied to the earliest year for which there is a liability. If there is credit from more than one tax year that is available to offset a liability, earlier credit shall be applied first.

credit against the tax imposed by subsections (a) and (b) of this Section for investment in qualified property which is placed in service by a Department of Commerce and Economic Opportunity designated High Impact Business. The credit shall be .5% of the basis for such property. The credit shall not be available (i) until the minimum investments in qualified property set forth in subdivision (a)(3)(A) of Section 5.5 of the Illinois Enterprise Zone Act have been satisfied or (ii) until the time authorized in subsection (b-5) of the Illinois Enterprise Zone Act for entities designated as High Impact Businesses under subdivisions (a)(3)(B), (a)(3)(C), and (a)(3)(D) of Section 5.5 of the Illinois Enterprise Zone Act, and shall not be allowed to the extent that it would reduce a taxpayer's liability for the tax imposed by subsections (a) and (b) of this Section to below zero. The credit applicable to such investments shall be taken in the taxable year in which such investments have been completed. The credit for additional investments beyond the minimum investment by a designated high impact business authorized under subdivision (a)(3)(A) of Section 5.5 of the Illinois Enterprise Zone Act shall be available only in the taxable year in which the property is placed in service and shall not be allowed to the extent that it would reduce a taxpayer's liability for the tax imposed by subsections (a) and (b) of this Section to below zero. For tax years ending on or after December 31, 1987, the credit shall be allowed for the tax year in which the property is placed in service, or, if the amount of the credit exceeds the tax liability for that year, whether it exceeds the original liability or the liability as later amended, such excess may be carried forward and applied to the tax liability of the 5 taxable years following the excess credit year. The credit shall be applied to the earliest year for which there is a liability. If there is credit from more than one tax year that is available to offset a liability, the credit accruing first in time shall be applied first.

Changes made in this subdivision (h)(1) by Public Act 88-670 restore changes made by Public Act 85-1182 and reflect existing law.

(2) The term qualified property means property which:
   (A) is tangible, whether new or used, including buildings and structural components of buildings;

New matter indicated in italics - deletions by strikeout
(B) is depreciable pursuant to Section 167 of the Internal Revenue Code, except that "3-year property" as defined in Section 168(c)(2)(A) of that Code is not eligible for the credit provided by this subsection (h);

(C) is acquired by purchase as defined in Section 179(d) of the Internal Revenue Code; and

(D) is not eligible for the Enterprise Zone Investment Credit provided by subsection (f) of this Section.

(3) The basis of qualified property shall be the basis used to compute the depreciation deduction for federal income tax purposes.

(4) If the basis of the property for federal income tax depreciation purposes is increased after it has been placed in service in a federally designated Foreign Trade Zone or Sub-Zone located in Illinois by the taxpayer, the amount of such increase shall be deemed property placed in service on the date of such increase in basis.

(5) The term "placed in service" shall have the same meaning as under Section 46 of the Internal Revenue Code.

(6) If during any taxable year ending on or before December 31, 1996, any property ceases to be qualified property in the hands of the taxpayer within 48 months after being placed in service, or the situs of any qualified property is moved outside Illinois within 48 months after being placed in service, the tax imposed under subsections (a) and (b) of this Section for such taxable year shall be increased. Such increase shall be determined by (i) recomputing the investment credit which would have been allowed for the year in which credit for such property was originally allowed by eliminating such property from such computation, and (ii) subtracting such recomputed credit from the amount of credit previously allowed. For the purposes of this paragraph (6), a reduction of the basis of qualified property resulting from a redetermination of the purchase price shall be deemed a disposition of qualified property to the extent of such reduction.

(7) Beginning with tax years ending after December 31, 1996, if a taxpayer qualifies for the credit under this subsection (h) and thereby is granted a tax abatement and the taxpayer relocates
its entire facility in violation of the explicit terms and length of the contract under Section 18-183 of the Property Tax Code, the tax imposed under subsections (a) and (b) of this Section shall be increased for the taxable year in which the taxpayer relocated its facility by an amount equal to the amount of credit received by the taxpayer under this subsection (h).

(i) Credit for Personal Property Tax Replacement Income Tax. For tax years ending prior to December 31, 2003, a credit shall be allowed against the tax imposed by subsections (a) and (b) of this Section for the tax imposed by subsections (c) and (d) of this Section. This credit shall be computed by multiplying the tax imposed by subsections (c) and (d) of this Section by a fraction, the numerator of which is base income allocable to Illinois and the denominator of which is Illinois base income, and further multiplying the product by the tax rate imposed by subsections (a) and (b) of this Section.

Any credit earned on or after December 31, 1986 under this subsection which is unused in the year the credit is computed because it exceeds the tax liability imposed by subsections (a) and (b) for that year (whether it exceeds the original liability or the liability as later amended) may be carried forward and applied to the tax liability imposed by subsections (a) and (b) of the 5 taxable years following the excess credit year, provided that no credit may be carried forward to any year ending on or after December 31, 2003. This credit shall be applied first to the earliest year for which there is a liability. If there is a credit under this subsection from more than one tax year that is available to offset a liability the earliest credit arising under this subsection shall be applied first.

If, during any taxable year ending on or after December 31, 1986, the tax imposed by subsections (c) and (d) of this Section for which a taxpayer has claimed a credit under this subsection (i) is reduced, the amount of credit for such tax shall also be reduced. Such reduction shall be determined by recomputing the credit to take into account the reduced tax imposed by subsections (c) and (d). If any portion of the reduced amount of credit has been carried to a different taxable year, an amended return shall be filed for such taxable year to reduce the amount of credit claimed.

(j) Training expense credit. Beginning with tax years ending on or after December 31, 1986 and prior to December 31, 2003, a taxpayer shall be allowed a credit against the tax imposed by subsections (a) and (b) under this Section for all amounts paid or accrued, on behalf of all persons

employed by the taxpayer in Illinois or Illinois residents employed outside of Illinois by a taxpayer, for educational or vocational training in semi-technical or technical fields or semi-skilled or skilled fields, which were deducted from gross income in the computation of taxable income. The credit against the tax imposed by subsections (a) and (b) shall be 1.6% of such training expenses. For partners, shareholders of subchapter S corporations, and owners of limited liability companies, if the liability company is treated as a partnership for purposes of federal and State income taxation, there shall be allowed a credit under this subsection (j) to be determined in accordance with the determination of income and distributive share of income under Sections 702 and 704 and subchapter S of the Internal Revenue Code.

Any credit allowed under this subsection which is unused in the year the credit is earned may be carried forward to each of the 5 taxable years following the year for which the credit is first computed until it is used. This credit shall be applied first to the earliest year for which there is a liability. If there is a credit under this subsection from more than one tax year that is available to offset a liability the earliest credit arising under this subsection shall be applied first. No carryforward credit may be claimed in any tax year ending on or after December 31, 2003.

(k) Research and development credit. For tax years ending after July 1, 1990 and prior to December 31, 2003, and beginning again for tax years ending on or after December 31, 2004, and ending prior to January 1, 2016, a taxpayer shall be allowed a credit against the tax imposed by subsections (a) and (b) of this Section for increasing research activities in this State. The credit allowed against the tax imposed by subsections (a) and (b) shall be equal to 6 1/2% of the qualifying expenditures for increasing research activities in this State. For partners, shareholders of subchapter S corporations, and owners of limited liability companies, if the liability company is treated as a partnership for purposes of federal and State income taxation, there shall be allowed a credit under this subsection to be determined in accordance with the determination of income and distributive share of income under Sections 702 and 704 and subchapter S of the Internal Revenue Code.

For purposes of this subsection, "qualifying expenditures" means the qualifying expenditures as defined for the federal credit for increasing research activities which would be allowable under Section 41 of the Internal Revenue Code and which are conducted in this State, "qualifying expenditures for increasing research activities in this State" means the
excess of qualifying expenditures for the taxable year in which incurred over qualifying expenditures for the base period, "qualifying expenditures for the base period" means the average of the qualifying expenditures for each year in the base period, and "base period" means the 3 taxable years immediately preceding the taxable year for which the determination is being made.

Any credit in excess of the tax liability for the taxable year may be carried forward. A taxpayer may elect to have the unused credit shown on its final completed return carried over as a credit against the tax liability for the following 5 taxable years or until it has been fully used, whichever occurs first; provided that no credit earned in a tax year ending prior to December 31, 2003 may be carried forward to any year ending on or after December 31, 2003.

If an unused credit is carried forward to a given year from 2 or more earlier years, that credit arising in the earliest year will be applied first against the tax liability for the given year. If a tax liability for the given year still remains, the credit from the next earliest year will then be applied, and so on, until all credits have been used or no tax liability for the given year remains. Any remaining unused credit or credits then will be carried forward to the next following year in which a tax liability is incurred, except that no credit can be carried forward to a year which is more than 5 years after the year in which the expense for which the credit is given was incurred.

No inference shall be drawn from this amendatory Act of the 91st General Assembly in construing this Section for taxable years beginning before January 1, 1999.

(l) Environmental Remediation Tax Credit.

(i) For tax years ending after December 31, 1997 and on or before December 31, 2001, a taxpayer shall be allowed a credit against the tax imposed by subsections (a) and (b) of this Section for certain amounts paid for unreimbursed eligible remediation costs, as specified in this subsection. For purposes of this Section, "unreimbursed eligible remediation costs" means costs approved by the Illinois Environmental Protection Agency ("Agency") under Section 58.14 of the Environmental Protection Act that were paid in performing environmental remediation at a site for which a No Further Remediation Letter was issued by the Agency and recorded under Section 58.10 of the Environmental Protection Act. The credit must be claimed for the taxable year in which Agency
approval of the eligible remediation costs is granted. The credit is not available to any taxpayer if the taxpayer or any related party caused or contributed to, in any material respect, a release of regulated substances on, in, or under the site that was identified and addressed by the remedial action pursuant to the Site Remediation Program of the Environmental Protection Act. After the Pollution Control Board rules are adopted pursuant to the Illinois Administrative Procedure Act for the administration and enforcement of Section 58.9 of the Environmental Protection Act, determinations as to credit availability for purposes of this Section shall be made consistent with those rules. For purposes of this Section, "taxpayer" includes a person whose tax attributes the taxpayer has succeeded to under Section 381 of the Internal Revenue Code and "related party" includes the persons disallowed a deduction for losses by paragraphs (b), (c), and (f)(1) of Section 267 of the Internal Revenue Code by virtue of being a related taxpayer, as well as any of its partners. The credit allowed against the tax imposed by subsections (a) and (b) shall be equal to 25% of the unreimbursed eligible remediation costs in excess of $100,000 per site, except that the $100,000 threshold shall not apply to any site contained in an enterprise zone as determined by the Department of Commerce and Community Affairs (now Department of Commerce and Economic Opportunity). The total credit allowed shall not exceed $40,000 per year with a maximum total of $150,000 per site. For partners and shareholders of subchapter S corporations, there shall be allowed a credit under this subsection to be determined in accordance with the determination of income and distributive share of income under Sections 702 and 704 and subchapter S of the Internal Revenue Code.

(ii) A credit allowed under this subsection that is unused in the year the credit is earned may be carried forward to each of the 5 taxable years following the year for which the credit is first earned until it is used. The term "unused credit" does not include any amounts of unreimbursed eligible remediation costs in excess of the maximum credit per site authorized under paragraph (i). This credit shall be applied first to the earliest year for which there is a liability. If there is a credit under this subsection from more than one tax year that is available to offset a liability, the earliest credit

arising under this subsection shall be applied first. A credit allowed under this subsection may be sold to a buyer as part of a sale of all or part of the remediation site for which the credit was granted. The purchaser of a remediation site and the tax credit shall succeed to the unused credit and remaining carry-forward period of the seller. To perfect the transfer, the assignor shall record the transfer in the chain of title for the site and provide written notice to the Director of the Illinois Department of Revenue of the assignor's intent to sell the remediation site and the amount of the tax credit to be transferred as a portion of the sale. In no event may a credit be transferred to any taxpayer if the taxpayer or a related party would not be eligible under the provisions of subsection (i).

(iii) For purposes of this Section, the term "site" shall have the same meaning as under Section 58.2 of the Environmental Protection Act.

(m) Education expense credit. Beginning with tax years ending after December 31, 1999, a taxpayer who is the custodian of one or more qualifying pupils shall be allowed a credit against the tax imposed by subsections (a) and (b) of this Section for qualified education expenses incurred on behalf of the qualifying pupils. The credit shall be equal to 25% of qualified education expenses, but in no event may the total credit under this subsection claimed by a family that is the custodian of qualifying pupils exceed $500. In no event shall a credit under this subsection reduce the taxpayer's liability under this Act to less than zero.

This subsection is exempt from the provisions of Section 250 of this Act.

For purposes of this subsection:

"Qualifying pupils" means individuals who (i) are residents of the State of Illinois, (ii) are under the age of 21 at the close of the school year for which a credit is sought, and (iii) during the school year for which a credit is sought were full-time pupils enrolled in a kindergarten through twelfth grade education program at any school, as defined in this subsection.

"Qualified education expense" means the amount incurred on behalf of a qualifying pupil in excess of $250 for tuition, book fees, and lab fees at the school in which the pupil is enrolled during the regular school year.

"School" means any public or nonpublic elementary or secondary school in Illinois that is in compliance with Title VI of the Civil Rights Act of 1964 and attendance at which satisfies the requirements of Section
26-1 of the School Code, except that nothing shall be construed to require a child to attend any particular public or nonpublic school to qualify for the credit under this Section.

"Custodian" means, with respect to qualifying pupils, an Illinois resident who is a parent, the parents, a legal guardian, or the legal guardians of the qualifying pupils.

(n) River Edge Redevelopment Zone site remediation tax credit.

(i) For tax years ending on or after December 31, 2006, a taxpayer shall be allowed a credit against the tax imposed by subsections (a) and (b) of this Section for certain amounts paid for unreimbursed eligible remediation costs, as specified in this subsection. For purposes of this Section, "unreimbursed eligible remediation costs" means costs approved by the Illinois Environmental Protection Agency ("Agency") under Section 58.14a of the Environmental Protection Act that were paid in performing environmental remediation at a site within a River Edge Redevelopment Zone for which a No Further Remediation Letter was issued by the Agency and recorded under Section 58.10 of the Environmental Protection Act. The credit must be claimed for the taxable year in which Agency approval of the eligible remediation costs is granted. The credit is not available to any taxpayer if the taxpayer or any related party caused or contributed to, in any material respect, a release of regulated substances on, in, or under the site that was identified and addressed by the remedial action pursuant to the Site Remediation Program of the Environmental Protection Act. Determinations as to credit availability for purposes of this Section shall be made consistent with rules adopted by the Pollution Control Board pursuant to the Illinois Administrative Procedure Act for the administration and enforcement of Section 58.9 of the Environmental Protection Act. For purposes of this Section, "taxpayer" includes a person whose tax attributes the taxpayer has succeeded to under Section 381 of the Internal Revenue Code and "related party" includes the persons disallowed a deduction for losses by paragraphs (b), (c), and (f)(1) of Section 267 of the Internal Revenue Code by virtue of being a related taxpayer, as well as any of its partners. The credit allowed against the tax imposed by subsections (a) and (b) shall be equal to 25% of the unreimbursed eligible remediation costs in excess of $100,000 per site.

(ii) A credit allowed under this subsection that is unused in the year the credit is earned may be carried forward to each of the 5 taxable years following the year for which the credit is first earned until it is used. This credit shall be applied first to the earliest year for which there is a liability. If there is a credit under this subsection from more than one tax year that is available to offset a liability, the earliest credit arising under this subsection shall be applied first. A credit allowed under this subsection may be sold to a buyer as part of a sale of all or part of the remediation site for which the credit was granted. The purchaser of a remediation site and the tax credit shall succeed to the unused credit and remaining carry-forward period of the seller. To perfect the transfer, the assignor shall record the transfer in the chain of title for the site and provide written notice to the Director of the Illinois Department of Revenue of the assignor's intent to sell the remediation site and the amount of the tax credit to be transferred as a portion of the sale. In no event may a credit be transferred to any taxpayer if the taxpayer or a related party would not be eligible under the provisions of subsection (i).

(iii) For purposes of this Section, the term "site" shall have the same meaning as under Section 58.2 of the Environmental Protection Act.

Section 5-33. The Use Tax Act is amended by changing Section 9 as follows:

(35 ILCS 105/9) (from Ch. 120, par. 439.9)

Sec. 9. Except as to motor vehicles, watercraft, aircraft, and trailers that are required to be registered with an agency of this State, each retailer required or authorized to collect the tax imposed by this Act shall pay to the Department the amount of such tax (except as otherwise provided) at the time when he is required to file his return for the period during which such tax was collected, less a discount of 2.1% prior to January 1, 1990, and 1.75% on and after January 1, 1990, or $5 per calendar year, whichever is greater, which is allowed to reimburse the retailer for expenses incurred in collecting the tax, keeping records, preparing and filing returns, remitting the tax and supplying data to the Department on request. In the case of retailers who report and pay the tax on a transaction

New matter indicated in italics - deletions by strikeout
by transaction basis, as provided in this Section, such discount shall be taken with each such tax remittance instead of when such retailer files his periodic return. A retailer need not remit that part of any tax collected by him to the extent that he is required to remit and does remit the tax imposed by the Retailers' Occupation Tax Act, with respect to the sale of the same property.

Where such tangible personal property is sold under a conditional sales contract, or under any other form of sale wherein the payment of the principal sum, or a part thereof, is extended beyond the close of the period for which the return is filed, the retailer, in collecting the tax (except as to motor vehicles, watercraft, aircraft, and trailers that are required to be registered with an agency of this State), may collect for each tax return period, only the tax applicable to that part of the selling price actually received during such tax return period.

Except as provided in this Section, on or before the twentieth day of each calendar month, such retailer shall file a return for the preceding calendar month. Such return shall be filed on forms prescribed by the Department and shall furnish such information as the Department may reasonably require.

The Department may require returns to be filed on a quarterly basis. If so required, a return for each calendar quarter shall be filed on or before the twentieth day of the calendar month following the end of such calendar quarter. The taxpayer shall also file a return with the Department for each of the first two months of each calendar quarter, on or before the twentieth day of the following calendar month, stating:

1. The name of the seller;
2. The address of the principal place of business from which he engages in the business of selling tangible personal property at retail in this State;
3. The total amount of taxable receipts received by him during the preceding calendar month from sales of tangible personal property by him during such preceding calendar month, including receipts from charge and time sales, but less all deductions allowed by law;
4. The amount of credit provided in Section 2d of this Act;
5. The amount of tax due;
5-5. The signature of the taxpayer; and
6. Such other reasonable information as the Department may require.

New matter indicated in italics - deletions by strikeout
If a taxpayer fails to sign a return within 30 days after the proper notice and demand for signature by the Department, the return shall be considered valid and any amount shown to be due on the return shall be deemed assessed.

Beginning October 1, 1993, a taxpayer who has an average monthly tax liability of $150,000 or more shall make all payments required by rules of the Department by electronic funds transfer. Beginning October 1, 1994, a taxpayer who has an average monthly tax liability of $100,000 or more shall make all payments required by rules of the Department by electronic funds transfer. Beginning October 1, 1995, a taxpayer who has an average monthly tax liability of $50,000 or more shall make all payments required by rules of the Department by electronic funds transfer. Beginning October 1, 2000, a taxpayer who has an annual tax liability of $200,000 or more shall make all payments required by rules of the Department by electronic funds transfer. The term "annual tax liability" shall be the sum of the taxpayer's liabilities under this Act, and under all other State and local occupation and use tax laws administered by the Department, for the immediately preceding calendar year. The term "average monthly tax liability" means the sum of the taxpayer's liabilities under this Act, and under all other State and local occupation and use tax laws administered by the Department, for the immediately preceding calendar year divided by 12. Beginning on October 1, 2002, a taxpayer who has a tax liability in the amount set forth in subsection (b) of Section 2505-210 of the Department of Revenue Law shall make all payments required by rules of the Department by electronic funds transfer.

Before August 1 of each year beginning in 1993, the Department shall notify all taxpayers required to make payments by electronic funds transfer. All taxpayers required to make payments by electronic funds transfer shall make those payments for a minimum of one year beginning on October 1.

Any taxpayer not required to make payments by electronic funds transfer may make payments by electronic funds transfer with the permission of the Department.

All taxpayers required to make payment by electronic funds transfer and any taxpayers authorized to voluntarily make payments by electronic funds transfer shall make those payments in the manner authorized by the Department.

New matter indicated in italics - deletions by strikeout
The Department shall adopt such rules as are necessary to effectuate a program of electronic funds transfer and the requirements of this Section.

Before October 1, 2000, if the taxpayer's average monthly tax liability to the Department under this Act, the Retailers' Occupation Tax Act, the Service Occupation Tax Act, the Service Use Tax Act was $10,000 or more during the preceding 4 complete calendar quarters, he shall file a return with the Department each month by the 20th day of the month next following the month during which such tax liability is incurred and shall make payments to the Department on or before the 7th, 15th, 22nd and last day of the month during which such liability is incurred. On and after October 1, 2000, if the taxpayer's average monthly tax liability to the Department under this Act, the Retailers' Occupation Tax Act, the Service Occupation Tax Act, and the Service Use Tax Act was $20,000 or more during the preceding 4 complete calendar quarters, he shall file a return with the Department each month by the 20th day of the month next following the month during which such tax liability is incurred and shall make payment to the Department on or before the 7th, 15th, 22nd and last day of the month during which such liability is incurred. If the month during which such tax liability is incurred began prior to January 1, 1985, each payment shall be in an amount equal to 1/4 of the taxpayer's actual liability for the month or an amount set by the Department not to exceed 1/4 of the average monthly liability of the taxpayer to the Department for the preceding 4 complete calendar quarters (excluding the month of highest liability and the month of lowest liability in such 4 quarter period). If the month during which such tax liability is incurred begins on or after January 1, 1985, and prior to January 1, 1987, each payment shall be in an amount equal to 22.5% of the taxpayer's actual liability for the month or 27.5% of the taxpayer's liability for the same calendar month of the preceding year. If the month during which such tax liability is incurred begins on or after January 1, 1987, and prior to January 1, 1988, each payment shall be in an amount equal to 22.5% of the taxpayer's actual liability for the month or 26.25% of the taxpayer's liability for the same calendar month of the preceding year. If the month during which such tax liability is incurred begins on or after January 1, 1988, and prior to January 1, 1989, or begins on or after January 1, 1996, each payment shall be in an amount equal to 22.5% of the taxpayer's actual liability for the month or 25% of the taxpayer's liability for the same calendar month of the preceding year. If the month during which such tax liability is incurred begins on or after January 1, 1996, each payment shall be in an amount equal to 22.5% of the taxpayer's actual liability for the month or 25% of the taxpayer's liability for the same calendar month of the preceding year. If the month during which such tax liability is incurred begins on or after January 1, 1996, each payment shall be in an amount equal to 22.5% of the taxpayer's actual liability for the month or 25% of the taxpayer's liability for the same calendar month of the preceding year. If the month during which such tax liability is incurred begins on or after January 1, 1996, each payment shall be in an amount equal to 22.5% of the taxpayer's actual liability for the month or 25% of the taxpayer's liability for the same calendar month of the preceding year.
begins on or after January 1, 1989, and prior to January 1, 1996, each payment shall be in an amount equal to 22.5% of the taxpayer's actual liability for the month or 25% of the taxpayer's liability for the same calendar month of the preceding year or 100% of the taxpayer's actual liability for the quarter monthly reporting period. The amount of such quarter monthly payments shall be credited against the final tax liability of the taxpayer's return for that month. Before October 1, 2000, once applicable, the requirement of the making of quarter monthly payments to the Department shall continue until such taxpayer's average monthly liability to the Department during the preceding 4 complete calendar quarters (excluding the month of highest liability and the month of lowest liability) is less than $9,000, or until such taxpayer's average monthly liability to the Department as computed for each calendar quarter of the 4 preceding complete calendar quarter period is less than $10,000. However, if a taxpayer can show the Department that a substantial change in the taxpayer's business has occurred which causes the taxpayer to anticipate that his average monthly tax liability for the reasonably foreseeable future will fall below the $10,000 threshold stated above, then such taxpayer may petition the Department for change in such taxpayer's reporting status. On and after October 1, 2000, once applicable, the requirement of the making of quarter monthly payments to the Department shall continue until such taxpayer's average monthly liability to the Department during the preceding 4 complete calendar quarters (excluding the month of highest liability and the month of lowest liability) is less than $19,000 or until such taxpayer's average monthly liability to the Department as computed for each calendar quarter of the 4 preceding complete calendar quarter period is less than $20,000. However, if a taxpayer can show the Department that a substantial change in the taxpayer's business has occurred which causes the taxpayer to anticipate that his average monthly tax liability for the reasonably foreseeable future will fall below the $20,000 threshold stated above, then such taxpayer may petition the Department for a change in such taxpayer's reporting status. The Department shall change such taxpayer's reporting status unless it finds that such change is seasonal in nature and not likely to be long term. If any such quarter monthly payment is not paid at the time or in the amount required by this Section, then the taxpayer shall be liable for penalties and interest on the difference between the minimum amount due and the amount of such quarter monthly payment actually and timely paid, except insofar as the taxpayer has previously made payments for that month to the

New matter indicated in italics - deletions by strikeout
Department in excess of the minimum payments previously due as provided in this Section. The Department shall make reasonable rules and regulations to govern the quarter monthly payment amount and quarter monthly payment dates for taxpayers who file on other than a calendar monthly basis.

If any such payment provided for in this Section exceeds the taxpayer's liabilities under this Act, the Retailers' Occupation Tax Act, the Service Occupation Tax Act and the Service Use Tax Act, as shown by an original monthly return, the Department shall issue to the taxpayer a credit memorandum no later than 30 days after the date of payment, which memorandum may be submitted by the taxpayer to the Department in payment of tax liability subsequently to be remitted by the taxpayer to the Department or be assigned by the taxpayer to a similar taxpayer under this Act, the Retailers' Occupation Tax Act, the Service Occupation Tax Act or the Service Use Tax Act, in accordance with reasonable rules and regulations to be prescribed by the Department, except that if such excess payment is shown on an original monthly return and is made after December 31, 1986, no credit memorandum shall be issued, unless requested by the taxpayer. If no such request is made, the taxpayer may credit such excess payment against tax liability subsequently to be remitted by the taxpayer to the Department under this Act, the Retailers' Occupation Tax Act, the Service Occupation Tax Act or the Service Use Tax Act, in accordance with reasonable rules and regulations prescribed by the Department. If the Department subsequently determines that all or any part of the credit taken was not actually due to the taxpayer, the taxpayer's 2.1% or 1.75% vendor's discount shall be reduced by 2.1% or 1.75% of the difference between the credit taken and that actually due, and the taxpayer shall be liable for penalties and interest on such difference.

If the retailer is otherwise required to file a monthly return and if the retailer's average monthly tax liability to the Department does not exceed $200, the Department may authorize his returns to be filed on a quarter annual basis, with the return for January, February, and March of a given year being due by April 20 of such year; with the return for April, May and June of a given year being due by July 20 of such year; with the return for July, August and September of a given year being due by October 20 of such year, and with the return for October, November and December of a given year being due by January 20 of the following year.

If the retailer is otherwise required to file a monthly or quarterly return and if the retailer's average monthly tax liability to the Department

New matter indicated in italics - deletions by strikeout
does not exceed $50, the Department may authorize his returns to be filed
on an annual basis, with the return for a given year being due by January
20 of the following year.

Such quarter annual and annual returns, as to form and substance,
shall be subject to the same requirements as monthly returns.

Notwithstanding any other provision in this Act concerning the
time within which a retailer may file his return, in the case of any retailer
who ceases to engage in a kind of business which makes him responsible
for filing returns under this Act, such retailer shall file a final return under
this Act with the Department not more than one month after discontinuing
such business.

In addition, with respect to motor vehicles, watercraft, aircraft, and
trailers that are required to be registered with an agency of this State, every
retailer selling this kind of tangible personal property shall file, with the
Department, upon a form to be prescribed and supplied by the Department,
a separate return for each such item of tangible personal property which
the retailer sells, except that if, in the same transaction, (i) a retailer of
aircraft, watercraft, motor vehicles or trailers transfers more than one
aircraft, watercraft, motor vehicle or trailer to another aircraft, watercraft,
motor vehicle or trailer retailer for the purpose of resale or (ii) a retailer of
aircraft, watercraft, motor vehicles, or trailers transfers more than one
aircraft, watercraft, motor vehicle, or trailer to a purchaser for use as a
qualifying rolling stock as provided in Section 3-55 of this Act, then that
seller may report the transfer of all the aircraft, watercraft, motor vehicles
or trailers involved in that transaction to the Department on the same
uniform invoice-transaction reporting return form. For purposes of this
Section, "watercraft" means a Class 2, Class 3, or Class 4 watercraft as
defined in Section 3-2 of the Boat Registration and Safety Act, a personal
watercraft, or any boat equipped with an inboard motor.

The transaction reporting return in the case of motor vehicles or
trailers that are required to be registered with an agency of this State, shall
be the same document as the Uniform Invoice referred to in Section 5-402
of the Illinois Vehicle Code and must show the name and address of the
seller; the name and address of the purchaser; the amount of the selling
price including the amount allowed by the retailer for traded-in property, if
any; the amount allowed by the retailer for the traded-in tangible personal
property, if any, to the extent to which Section 2 of this Act allows an
exemption for the value of traded-in property; the balance payable after
deducting such trade-in allowance from the total selling price; the amount

New matter indicated in italics - deletions by strikeout
of tax due from the retailer with respect to such transaction; the amount of
tax collected from the purchaser by the retailer on such transaction (or
satisfactory evidence that such tax is not due in that particular instance, if
that is claimed to be the fact); the place and date of the sale; a sufficient
identification of the property sold; such other information as is required in
Section 5-402 of the Illinois Vehicle Code, and such other information as
the Department may reasonably require.

The transaction reporting return in the case of watercraft and
aircraft must show the name and address of the seller; the name and
address of the purchaser; the amount of the selling price including the
amount allowed by the retailer for traded-in property, if any; the amount
allowed by the retailer for the traded-in tangible personal property, if any,
to the extent to which Section 2 of this Act allows an exemption for the
value of traded-in property; the balance payable after deducting such trade-
in allowance from the total selling price; the amount of tax due from the
retailer with respect to such transaction; the amount of tax collected from
the purchaser by the retailer on such transaction (or satisfactory evidence
that such tax is not due in that particular instance, if that is claimed to be
the fact); the place and date of the sale, a sufficient identification of the
property sold, and such other information as the Department may
reasonably require.

Such transaction reporting return shall be filed not later than 20
days after the date of delivery of the item that is being sold, but may be
filed by the retailer at any time sooner than that if he chooses to do so. The
transaction reporting return and tax remittance or proof of exemption from
the tax that is imposed by this Act may be transmitted to the Department
by way of the State agency with which, or State officer with whom, the
tangible personal property must be titled or registered (if titling or
registration is required) if the Department and such agency or State officer
determine that this procedure will expedite the processing of applications
for title or registration.

With each such transaction reporting return, the retailer shall remit
the proper amount of tax due (or shall submit satisfactory evidence that the
sale is not taxable if that is the case), to the Department or its agents,
whereupon the Department shall issue, in the purchaser's name, a tax
receipt (or a certificate of exemption if the Department is satisfied that the
particular sale is tax exempt) which such purchaser may submit to the
agency with which, or State officer with whom, he must title or register the
tangible personal property that is involved (if titling or registration is

New matter indicated in italics - deletions by strikeout
required) in support of such purchaser's application for an Illinois certificate or other evidence of title or registration to such tangible personal property.

No retailer's failure or refusal to remit tax under this Act precludes a user, who has paid the proper tax to the retailer, from obtaining his certificate of title or other evidence of title or registration (if titling or registration is required) upon satisfying the Department that such user has paid the proper tax (if tax is due) to the retailer. The Department shall adopt appropriate rules to carry out the mandate of this paragraph.

If the user who would otherwise pay tax to the retailer wants the transaction reporting return filed and the payment of tax or proof of exemption made to the Department before the retailer is willing to take these actions and such user has not paid the tax to the retailer, such user may certify to the fact of such delay by the retailer, and may (upon the Department being satisfied of the truth of such certification) transmit the information required by the transaction reporting return and the remittance for tax or proof of exemption directly to the Department and obtain his tax receipt or exemption determination, in which event the transaction reporting return and tax remittance (if a tax payment was required) shall be credited by the Department to the proper retailer's account with the Department, but without the 2.1% or 1.75% discount provided for in this Section being allowed. When the user pays the tax directly to the Department, he shall pay the tax in the same amount and in the same form in which it would be remitted if the tax had been remitted to the Department by the retailer.

Where a retailer collects the tax with respect to the selling price of tangible personal property which he sells and the purchaser thereafter returns such tangible personal property and the retailer refunds the selling price thereof to the purchaser, such retailer shall also refund, to the purchaser, the tax so collected from the purchaser. When filing his return for the period in which he refunds such tax to the purchaser, the retailer may deduct the amount of the tax so refunded by him to the purchaser from any other use tax which such retailer may be required to pay or remit to the Department, as shown by such return, if the amount of the tax to be deducted was previously remitted to the Department by such retailer. If the retailer has not previously remitted the amount of such tax to the Department, he is entitled to no deduction under this Act upon refunding such tax to the purchaser.
Any retailer filing a return under this Section shall also include (for
the purpose of paying tax thereon) the total tax covered by such return
upon the selling price of tangible personal property purchased by him at
retail from a retailer, but as to which the tax imposed by this Act was not
collected from the retailer filing such return, and such retailer shall remit
the amount of such tax to the Department when filing such return.

If experience indicates such action to be practicable, the
Department may prescribe and furnish a combination or joint return which
will enable retailers, who are required to file returns hereunder and also
under the Retailers' Occupation Tax Act, to furnish all the return
information required by both Acts on the one form.

Where the retailer has more than one business registered with the
Department under separate registration under this Act, such retailer may
not file each return that is due as a single return covering all such
registered businesses, but shall file separate returns for each such
registered business.

Beginning January 1, 1990, each month the Department shall pay
into the State and Local Sales Tax Reform Fund, a special fund in the
State Treasury which is hereby created, the net revenue realized for the
preceding month from the 1% tax on sales of food for human consumption
which is to be consumed off the premises where it is sold (other than
alcoholic beverages, soft drinks and food which has been prepared for
immediate consumption) and prescription and nonprescription medicines,
drugs, medical appliances and insulin, urine testing materials, syringes and
needles used by diabetics.

Beginning January 1, 1990, each month the Department shall pay
into the County and Mass Transit District Fund 4% of the net revenue
realized for the preceding month from the 6.25% general rate on the
selling price of tangible personal property which is purchased outside
Illinois at retail from a retailer and which is titled or registered by an
agency of this State's government.

Beginning January 1, 1990, each month the Department shall pay
into the State and Local Sales Tax Reform Fund, a special fund in the
State Treasury, 20% of the net revenue realized for the preceding month
from the 6.25% general rate on the selling price of tangible personal
property, other than tangible personal property which is purchased outside
Illinois at retail from a retailer and which is titled or registered by an
agency of this State's government.

Beginning August 1, 2000, each month the Department shall pay into the State and Local Sales Tax Reform Fund 100% of the net revenue realized for the preceding month from the 1.25% rate on the selling price of motor fuel and gasohol. Beginning September 1, 2010, each month the Department shall pay into the State and Local Sales Tax Reform Fund 100% of the net revenue realized for the preceding month from the 1.25% rate on the selling price of sales tax holiday items.

Beginning January 1, 1990, each month the Department shall pay into the Local Government Tax Fund 16% of the net revenue realized for the preceding month from the 6.25% general rate on the selling price of tangible personal property which is purchased outside Illinois at retail from a retailer and which is titled or registered by an agency of this State's government.

Beginning October 1, 2009, each month the Department shall pay into the Capital Projects Fund an amount that is equal to an amount estimated by the Department to represent 80% of the net revenue realized for the preceding month from the sale of candy, grooming and hygiene products, and soft drinks that had been taxed at a rate of 1% prior to September 1, 2009 but that is now taxed at 6.25%.

Beginning July 1, 2011, each month the Department shall pay into the Clean Air Act (CAA) Permit Fund 80% of the net revenue realized for the preceding month from the 6.25% general rate on the selling price of sorbents used in Illinois in the process of sorbent injection as used to comply with the Environmental Protection Act or the federal Clean Air Act, but the total payment into the Clean Air Act (CAA) Permit Fund under this Act and the Retailers' Occupation Tax Act shall not exceed $2,000,000 in any fiscal year.

Beginning July 1, 2013, each month the Department shall pay into the Underground Storage Tank Fund from the proceeds collected under this Act, the Service Use Tax Act, the Service Occupation Tax Act, and the Retailers' Occupation Tax Act an amount equal to the average monthly deficit in the Underground Storage Tank Fund during the prior year, as certified annually by the Illinois Environmental Protection Agency, but the total payment into the Underground Storage Tank Fund under this Act, the Service Use Tax Act, the Service Occupation Tax Act, and the Retailers' Occupation Tax Act shall not exceed $18,000,000 in any State fiscal year. As used in this paragraph, the "average monthly deficit" shall be equal to the difference between the average monthly claims for payment by the fund

and the average monthly revenues deposited into the fund, excluding payments made pursuant to this paragraph.

Of the remainder of the moneys received by the Department pursuant to this Act, (a) 1.75% thereof shall be paid into the Build Illinois Fund and (b) prior to July 1, 1989, 2.2% and on and after July 1, 1989, 3.8% thereof shall be paid into the Build Illinois Fund; provided, however, that if in any fiscal year the sum of (1) the aggregate of 2.2% or 3.8%, as the case may be, of the moneys received by the Department and required to be paid into the Build Illinois Fund pursuant to Section 3 of the Retailers' Occupation Tax Act, Section 9 of the Use Tax Act, Section 9 of the Service Use Tax Act, and Section 9 of the Service Occupation Tax Act, such Acts being hereinafter called the "Tax Acts" and such aggregate of 2.2% or 3.8%, as the case may be, of moneys being hereinafter called the "Tax Act Amount", and (2) the amount transferred to the Build Illinois Fund from the State and Local Sales Tax Reform Fund shall be less than the Annual Specified Amount (as defined in Section 3 of the Retailers' Occupation Tax Act), an amount equal to the difference shall be immediately paid into the Build Illinois Fund from other moneys received by the Department pursuant to the Tax Acts; and further provided, that if on the last business day of any month the sum of (1) the Tax Act Amount required to be deposited into the Build Illinois Bond Account in the Build Illinois Fund during such month and (2) the amount transferred during such month to the Build Illinois Fund from the State and Local Sales Tax Reform Fund shall have been less than 1/12 of the Annual Specified Amount, an amount equal to the difference shall be immediately paid into the Build Illinois Fund from other moneys received by the Department pursuant to the Tax Acts; and, further provided, that in no event shall the payments required under the preceding proviso result in aggregate payments into the Build Illinois Fund pursuant to this clause (b) for any fiscal year in excess of the greater of (i) the Tax Act Amount or (ii) the Annual Specified Amount for such fiscal year; and, further provided, that the amounts payable into the Build Illinois Fund under this clause (b) shall be payable only until such time as the aggregate amount on deposit under each trust indenture securing Bonds issued and outstanding pursuant to the Build Illinois Bond Act is sufficient, taking into account any future investment income, to fully provide, in accordance with such indenture, for the defeasance of or the payment of the principal of, premium, if any, and interest on the Bonds secured by such indenture and on any Bonds expected to be issued thereafter and all fees and costs payable with respect

If on the last business day of any month in which Bonds are outstanding pursuant to the Build Illinois Bond Act, the aggregate of the moneys deposited in the Build Illinois Bond Account in the Build Illinois Fund in such month shall be less than the amount required to be transferred in such month from the Build Illinois Bond Account to the Build Illinois Bond Retirement and Interest Fund pursuant to Section 13 of the Build Illinois Bond Act, an amount equal to such deficiency shall be immediately paid from other moneys received by the Department pursuant to the Tax Acts to the Build Illinois Fund; provided, however, that any amounts paid to the Build Illinois Fund in any fiscal year pursuant to this sentence shall be deemed to constitute payments pursuant to clause (b) of the preceding sentence and shall reduce the amount otherwise payable for such fiscal year pursuant to clause (b) of the preceding sentence. The moneys received by the Department pursuant to this Act and required to be deposited into the Build Illinois Fund are subject to the pledge, claim and charge set forth in Section 12 of the Build Illinois Bond Act.

Subject to payment of amounts into the Build Illinois Fund as provided in the preceding paragraph or in any amendment thereto hereafter enacted, the following specified monthly installment of the amount requested in the certificate of the Chairman of the Metropolitan Pier and Exposition Authority provided under Section 8.25f of the State Finance Act, but not in excess of the sums designated as "Total Deposit", shall be deposited in the aggregate from collections under Section 9 of the Use Tax Act, Section 9 of the Service Use Tax Act, Section 9 of the Service Occupation Tax Act, and Section 3 of the Retailers' Occupation Tax Act into the McCormick Place Expansion Project Fund in the specified fiscal years.

New matter indicated in italics - deletions by strikeout
Beginning July 20, 1993 and in each month of each fiscal year thereafter, one-eighth of the amount requested in the certificate of the Chairman of the Metropolitan Pier and Exposition Authority for that fiscal year, less the amount deposited into the McCormick Place Expansion Project Fund by the State Treasurer in the respective month under subsection (g) of Section 13 of the Metropolitan Pier and Exposition Authority Act, plus cumulative deficiencies in the deposits required under this Section for previous months and years, shall be deposited into the McCormick Place Expansion Project Fund, until the full amount requested for the fiscal year, but not in excess of the amount specified above as "Total Deposit", has been deposited.

Subject to payment of amounts into the Build Illinois Fund and the McCormick Place Expansion Project Fund pursuant to the preceding paragraphs or in any amendments thereto hereafter enacted, beginning July 1, 1993, the Department shall each month pay into the Illinois Tax Increment Fund 0.27% of 80% of the net revenue realized for the preceding month from the 6.25% general rate on the selling price of tangible personal property.

Subject to payment of amounts into the Build Illinois Fund and the McCormick Place Expansion Project Fund pursuant to the preceding paragraphs or in any amendments thereto hereafter enacted, beginning with the receipt of the first report of taxes paid by an eligible business and continuing for a 25-year period, the Department shall each month pay into the Energy Infrastructure Fund 80% of the net revenue realized from the 6.25% general rate on the selling price of Illinois-mined coal that was sold to an eligible business. For purposes of this paragraph, the term "eligible business" means a new electric generating facility certified pursuant to Section 605-332 of the Department of Commerce and Economic Opportunity Law of the Civil Administrative Code of Illinois.

Of the remainder of the moneys received by the Department pursuant to this Act, 75% thereof shall be paid into the State Treasury and 25% shall be reserved in a special account and used only for the transfer to the Common School Fund as part of the monthly transfer from the General Revenue Fund in accordance with Section 8a of the State Finance Act.

As soon as possible after the first day of each month, upon certification of the Department of Revenue, the Comptroller shall order transferred and the Treasurer shall transfer from the General Revenue Fund to the Motor Fuel Tax Fund an amount equal to 1.7% of 80% of the net revenue realized under this Act for the second preceding month.

New matter indicated in italics - deletions by strikeout
Beginning April 1, 2000, this transfer is no longer required and shall not be made.

Net revenue realized for a month shall be the revenue collected by the State pursuant to this Act, less the amount paid out during that month as refunds to taxpayers for overpayment of liability.

For greater simplicity of administration, manufacturers, importers and wholesalers whose products are sold at retail in Illinois by numerous retailers, and who wish to do so, may assume the responsibility for accounting and paying to the Department all tax accruing under this Act with respect to such sales, if the retailers who are affected do not make written objection to the Department to this arrangement.

Section 5-35. The Service Use Tax Act is amended by changing Section 9 as follows:

(35 ILCS 110/9) (from Ch. 120, par. 439.39)

Sec. 9. Each serviceman required or authorized to collect the tax herein imposed shall pay to the Department the amount of such tax (except as otherwise provided) at the time when he is required to file his return for the period during which such tax was collected, less a discount of 2.1% prior to January 1, 1990 and 1.75% on and after January 1, 1990, or $5 per calendar year, whichever is greater, which is allowed to reimburse the serviceman for expenses incurred in collecting the tax, keeping records, preparing and filing returns, remitting the tax and supplying data to the Department on request. A serviceman need not remit that part of any tax collected by him to the extent that he is required to pay and does pay the tax imposed by the Service Occupation Tax Act with respect to his sale of service involving the incidental transfer by him of the same property.

Except as provided hereinafter in this Section, on or before the twentieth day of each calendar month, such serviceman shall file a return for the preceding calendar month in accordance with reasonable Rules and Regulations to be promulgated by the Department. Such return shall be filed on a form prescribed by the Department and shall contain such information as the Department may reasonably require.

The Department may require returns to be filed on a quarterly basis. If so required, a return for each calendar quarter shall be filed on or before the twentieth day of the calendar month following the end of such calendar quarter. The taxpayer shall also file a return with the Department

New matter indicated in italics - deletions by strikeout
for each of the first two months of each calendar quarter, on or before the twentieth day of the following calendar month, stating:

1. The name of the seller;
2. The address of the principal place of business from which he engages in business as a serviceman in this State;
3. The total amount of taxable receipts received by him during the preceding calendar month, including receipts from charge and time sales, but less all deductions allowed by law;
4. The amount of credit provided in Section 2d of this Act;
5. The amount of tax due;
5-5. The signature of the taxpayer; and
6. Such other reasonable information as the Department may require.

If a taxpayer fails to sign a return within 30 days after the proper notice and demand for signature by the Department, the return shall be considered valid and any amount shown to be due on the return shall be deemed assessed.

Beginning October 1, 1993, a taxpayer who has an average monthly tax liability of $150,000 or more shall make all payments required by rules of the Department by electronic funds transfer. Beginning October 1, 1994, a taxpayer who has an average monthly tax liability of $100,000 or more shall make all payments required by rules of the Department by electronic funds transfer. Beginning October 1, 1995, a taxpayer who has an average monthly tax liability of $50,000 or more shall make all payments required by rules of the Department by electronic funds transfer. Beginning October 1, 2000, a taxpayer who has an annual tax liability of $200,000 or more shall make all payments required by rules of the Department by electronic funds transfer. The term "annual tax liability" shall be the sum of the taxpayer's liabilities under this Act, and under all other State and local occupation and use tax laws administered by the Department, for the immediately preceding calendar year. The term "average monthly tax liability" means the sum of the taxpayer's liabilities under this Act, and under all other State and local occupation and use tax laws administered by the Department, for the immediately preceding calendar year divided by 12. Beginning on October 1, 2002, a taxpayer who has a tax liability in the amount set forth in subsection (b) of Section 2505-210 of the Department of Revenue Law shall make all payments required by rules of the Department by electronic funds transfer.
Before August 1 of each year beginning in 1993, the Department shall notify all taxpayers required to make payments by electronic funds transfer. All taxpayers required to make payments by electronic funds transfer shall make those payments for a minimum of one year beginning on October 1.

Any taxpayer not required to make payments by electronic funds transfer may make payments by electronic funds transfer with the permission of the Department.

All taxpayers required to make payment by electronic funds transfer and any taxpayers authorized to voluntarily make payments by electronic funds transfer shall make those payments in the manner authorized by the Department.

The Department shall adopt such rules as are necessary to effectuate a program of electronic funds transfer and the requirements of this Section.

If the serviceman is otherwise required to file a monthly return and if the serviceman's average monthly tax liability to the Department does not exceed $200, the Department may authorize his returns to be filed on a quarter annual basis, with the return for January, February and March of a given year being due by April 20 of such year; with the return for April, May and June of a given year being due by July 20 of such year; with the return for July, August and September of a given year being due by October 20 of such year, and with the return for October, November and December of a given year being due by January 20 of the following year.

If the serviceman is otherwise required to file a monthly or quarterly return and if the serviceman's average monthly tax liability to the Department does not exceed $50, the Department may authorize his returns to be filed on an annual basis, with the return for a given year being due by January 20 of the following year.

Such quarter annual and annual returns, as to form and substance, shall be subject to the same requirements as monthly returns.

Notwithstanding any other provision in this Act concerning the time within which a serviceman may file his return, in the case of any serviceman who ceases to engage in a kind of business which makes him responsible for filing returns under this Act, such serviceman shall file a final return under this Act with the Department not more than 1 month after discontinuing such business.

Where a serviceman collects the tax with respect to the selling price of property which he sells and the purchaser thereafter returns such

property and the serviceman refunds the selling price thereof to the purchaser, such serviceman shall also refund, to the purchaser, the tax so collected from the purchaser. When filing his return for the period in which he refunds such tax to the purchaser, the serviceman may deduct the amount of the tax so refunded by him to the purchaser from any other Service Use Tax, Service Occupation Tax, retailers' occupation tax or use tax which such serviceman may be required to pay or remit to the Department, as shown by such return, provided that the amount of the tax to be deducted shall previously have been remitted to the Department by such serviceman. If the serviceman shall not previously have remitted the amount of such tax to the Department, he shall be entitled to no deduction hereunder upon refunding such tax to the purchaser.

Any serviceman filing a return hereunder shall also include the total tax upon the selling price of tangible personal property purchased for use by him as an incident to a sale of service, and such serviceman shall remit the amount of such tax to the Department when filing such return.

If experience indicates such action to be practicable, the Department may prescribe and furnish a combination or joint return which will enable servicemen, who are required to file returns hereunder and also under the Service Occupation Tax Act, to furnish all the return information required by both Acts on the one form.

Where the serviceman has more than one business registered with the Department under separate registration hereunder, such serviceman shall not file each return that is due as a single return covering all such registered businesses, but shall file separate returns for each such registered business.

Beginning January 1, 1990, each month the Department shall pay into the State and Local Tax Reform Fund, a special fund in the State Treasury, the net revenue realized for the preceding month from the 1% tax on sales of food for human consumption which is to be consumed off the premises where it is sold (other than alcoholic beverages, soft drinks and food which has been prepared for immediate consumption) and prescription and nonprescription medicines, drugs, medical appliances and insulin, urine testing materials, syringes and needles used by diabetics.

Beginning January 1, 1990, each month the Department shall pay into the State and Local Sales Tax Reform Fund 20% of the net revenue realized for the preceding month from the 6.25% general rate on transfers of tangible personal property, other than tangible personal property which
is purchased outside Illinois at retail from a retailer and which is titled or registered by an agency of this State's government.

Beginning August 1, 2000, each month the Department shall pay into the State and Local Sales Tax Reform Fund 100% of the net revenue realized for the preceding month from the 1.25% rate on the selling price of motor fuel and gasohol.

Beginning October 1, 2009, each month the Department shall pay into the Capital Projects Fund an amount that is equal to an amount estimated by the Department to represent 80% of the net revenue realized for the preceding month from the sale of candy, grooming and hygiene products, and soft drinks that had been taxed at a rate of 1% prior to September 1, 2009 but that is now taxed at 6.25%.

Beginning July 1, 2013, each month the Department shall pay into the Underground Storage Tank Fund from the proceeds collected under this Act, the Use Tax Act, the Service Occupation Tax Act, and the Retailers' Occupation Tax Act an amount equal to the average monthly deficit in the Underground Storage Tank Fund during the prior year, as certified annually by the Illinois Environmental Protection Agency, but the total payment into the Underground Storage Tank Fund under this Act, the Use Tax Act, the Service Occupation Tax Act, and the Retailers' Occupation Tax Act shall not exceed $18,000,000 in any State fiscal year. As used in this paragraph, the "average monthly deficit" shall be equal to the difference between the average monthly claims for payment by the fund and the average monthly revenues deposited into the fund, excluding payments made pursuant to this paragraph.

Of the remainder of the moneys received by the Department pursuant to this Act, (a) 1.75% thereof shall be paid into the Build Illinois Fund and (b) prior to July 1, 1989, 2.2% and on and after July 1, 1989, 3.8% thereof shall be paid into the Build Illinois Fund; provided, however, that if in any fiscal year the sum of (1) the aggregate of 2.2% or 3.8%, as the case may be, of the moneys received by the Department and required to be paid into the Build Illinois Fund pursuant to Section 3 of the Retailers' Occupation Tax Act, Section 9 of the Use Tax Act, Section 9 of the Service Use Tax Act, and Section 9 of the Service Occupation Tax Act, such Acts being hereinafter called the "Tax Acts" and such aggregate of 2.2% or 3.8%, as the case may be, of moneys being hereinafter called the "Tax Act Amount", and (2) the amount transferred to the Build Illinois Fund from the State and Local Sales Tax Reform Fund shall be less than the Annual Specified Amount (as defined in Section 3 of the Retailers'
Occupation Tax Act), an amount equal to the difference shall be immediately paid into the Build Illinois Fund from other moneys received by the Department pursuant to the Tax Acts; and further provided, that if on the last business day of any month the sum of (1) the Tax Act Amount required to be deposited into the Build Illinois Bond Account in the Build Illinois Fund during such month and (2) the amount transferred during such month to the Build Illinois Fund from the State and Local Sales Tax Reform Fund shall have been less than 1/12 of the Annual Specified Amount, an amount equal to the difference shall be immediately paid into the Build Illinois Fund from other moneys received by the Department pursuant to the Tax Acts; and, further provided, that in no event shall the payments required under the preceding proviso result in aggregate payments into the Build Illinois Fund pursuant to this clause (b) for any fiscal year in excess of the greater of (i) the Tax Act Amount or (ii) the Annual Specified Amount for such fiscal year; and, further provided, that the amounts payable into the Build Illinois Fund under this clause (b) shall be payable only until such time as the aggregate amount on deposit under each trust indenture securing Bonds issued and outstanding pursuant to the Build Illinois Bond Act is sufficient, taking into account any future investment income, to fully provide, in accordance with such indenture, for the defeasance of or the payment of the principal of, premium, if any, and interest on the Bonds secured by such indenture and on any Bonds expected to be issued thereafter and all fees and costs payable with respect thereto, all as certified by the Director of the Bureau of the Budget (now Governor's Office of Management and Budget). If on the last business day of any month in which Bonds are outstanding pursuant to the Build Illinois Bond Act, the aggregate of the moneys deposited in the Build Illinois Bond Account in the Build Illinois Fund in such month shall be less than the amount required to be transferred in such month from the Build Illinois Bond Account to the Build Illinois Bond Retirement and Interest Fund pursuant to Section 13 of the Build Illinois Bond Act, an amount equal to such deficiency shall be immediately paid from other moneys received by the Department pursuant to the Tax Acts to the Build Illinois Fund; provided, however, that any amounts paid to the Build Illinois Fund in any fiscal year pursuant to this sentence shall be deemed to constitute payments pursuant to clause (b) of the preceding sentence and shall reduce the amount otherwise payable for such fiscal year pursuant to clause (b) of the preceding sentence. The moneys received by the Department pursuant to this Act and required to be deposited into the Build Illinois Fund are

subject to the pledge, claim and charge set forth in Section 12 of the Build Illinois Bond Act.

Subject to payment of amounts into the Build Illinois Fund as provided in the preceding paragraph or in any amendment thereto hereafter enacted, the following specified monthly installment of the amount requested in the certificate of the Chairman of the Metropolitan Pier and Exposition Authority provided under Section 8.25f of the State Finance Act, but not in excess of the sums designated as "Total Deposit", shall be deposited in the aggregate from collections under Section 9 of the Use Tax Act, Section 9 of the Service Use Tax Act, Section 9 of the Service Occupation Tax Act, and Section 3 of the Retailers' Occupation Tax Act into the McCormick Place Expansion Project Fund in the specified fiscal years.

Where such tangible personal property is sold under a conditional sales contract, or under any other form of sale wherein the payment of the principal sum, or a part thereof, is extended beyond the close of the period for which the return is filed, the serviceman, in collecting the tax may collect, for each tax return period, only the tax applicable to the part of the selling price actually received during such tax return period.

Except as provided hereinafter in this Section, on or before the twentieth day of each calendar month, such serviceman shall file a return for the preceding calendar month in accordance with reasonable rules and regulations to be promulgated by the Department of Revenue. A Manufacturer's Purchase Credit reported on any original or amended return filed under this Act after October 20, 2003 for reporting periods prior to September 1, 2004 shall be disallowed. Manufacturer's Purchase Credit reported on annual returns due on or after January 1, 2005 will be disallowed for periods prior to September 1, 2004. The term "average monthly tax liability" means the sum of the taxpayer's liabilities under this Act, and under all other State and local occupation and use tax laws administered by the Department, for the immediately preceding calendar year divided by 12. The Department shall adopt such rules as are necessary to effectuate a program of electronic funds transfer and the requirements of this Section.

may be required to pay or remit to the Department, as shown by such return, provided that the amount of the tax to be deducted shall previously have been remitted to the Department by such serviceman. If the serviceman shall not previously have remitted the amount of such tax to the Department, he shall be entitled to no deduction hereunder upon refunding such tax to the purchaser.

If experience indicates such action to be practicable, the Department may prescribe and furnish a combination or joint return which will enable servicemen, who are required to file returns hereunder and also under the Retailers' Occupation Tax Act, the Use Tax Act or the Service Use Tax Act, to furnish all the return information required by all said Acts on the one form.

Where the serviceman has more than one business registered with the Department under separate registrations hereunder, such serviceman shall file separate returns for each registered business.

Beginning July 1, 2013, each month the Department shall pay into the Underground Storage Tank Fund from the proceeds collected under this Act, the Use Tax Act, the Service Use Tax Act, and the Retailers' Occupation Tax Act an amount equal to the average monthly deficit in the Underground Storage Tank Fund during the prior year, as certified annually by the Illinois Environmental Protection Agency, but the total payment into the Underground Storage Tank Fund under this Act, the Use Tax Act, the Service Use Tax Act, and the Retailers' Occupation Tax Act shall not exceed $18,000,000 in any State fiscal year. As used in this paragraph, the "average monthly deficit" shall be equal to the difference between the average monthly claims for payment by the fund and the average monthly revenues deposited into the fund, excluding payments made pursuant to this paragraph.

such month to the Build Illinois Fund from the State and Local Sales Tax Reform Fund shall have been less than 1/12 of the Annual Specified Amount, an amount equal to the difference shall be immediately paid into the Build Illinois Fund from other moneys received by the Department pursuant to the Tax Acts; and, further provided, that in no event shall the payments required under the preceding proviso result in aggregate payments into the Build Illinois Fund pursuant to this clause (b) for any fiscal year in excess of the greater of (i) the Tax Act Amount or (ii) the Annual Specified Amount for such fiscal year; and, further provided, that the amounts payable into the Build Illinois Fund under this clause (b) shall be payable only until such time as the aggregate amount on deposit under each trust indenture securing Bonds issued and outstanding pursuant to the Build Illinois Bond Act is sufficient, taking into account any future investment income, to fully provide, in accordance with such indenture, for the defeasance of or the payment of the principal of, premium, if any, and interest on the Bonds secured by such indenture and on any Bonds expected to be issued thereafter and all fees and costs payable with respect thereto, all as certified by the Director of the Bureau of the Budget (now Governor's Office of Management and Budget). If on the last business day of any month in which Bonds are outstanding pursuant to the Build Illinois Bond Act, the aggregate of the moneys deposited in the Build Illinois Bond Account in the Build Illinois Fund in such month shall be less than the amount required to be transferred in such month from the Build Illinois Bond Account to the Build Illinois Bond Retirement and Interest Fund pursuant to Section 13 of the Build Illinois Bond Act, an amount equal to such deficiency shall be immediately paid from other moneys received by the Department pursuant to the Tax Acts to the Build Illinois Fund; provided, however, that any amounts paid to the Build Illinois Fund in any fiscal year pursuant to this sentence shall be deemed to constitute payments pursuant to clause (b) of the preceding sentence and shall reduce the amount otherwise payable for such fiscal year pursuant to clause (b) of the preceding sentence. The moneys received by the Department pursuant to this Act and required to be deposited into the Build Illinois Fund are subject to the pledge, claim and charge set forth in Section 12 of the Build Illinois Bond Act.

Subject to payment of amounts into the Build Illinois Fund as provided in the preceding paragraph or in any amendment thereto hereafter enacted, the following specified monthly installment of the amount requested in the certificate of the Chairman of the Metropolitan Pier and
Exposition Authority provided under Section 8.25f of the State Finance Act, but not in excess of the sums designated as "Total Deposit", shall be deposited in the aggregate from collections under Section 9 of the Use Tax Act, Section 9 of the Service Use Tax Act, Section 9 of the Service Occupation Tax Act, and Section 3 of the Retailers' Occupation Tax Act into the McCormick Place Expansion Project Fund in the specified fiscal years.

and each fiscal year thereafter that bonds are outstanding under Section 13.2 of the Metropolitan Pier and Exposition Authority Act, but not after fiscal year 2060.

Beginning July 20, 1993 and in each month of each fiscal year thereafter, one-eighth of the amount requested in the certificate of the Chairman of the Metropolitan Pier and Exposition Authority for that fiscal year, less the amount deposited into the McCormick Place Expansion Project Fund by the State Treasurer in the respective month under subsection (g) of Section 13 of the Metropolitan Pier and Exposition Authority Act, plus cumulative deficiencies in the deposits required under this Section for previous months and years, shall be deposited into the McCormick Place Expansion Project Fund, until the full amount requested for the fiscal year, but not in excess of the amount specified above as "Total Deposit", has been deposited.

Subject to payment of amounts into the Build Illinois Fund and the McCormick Place Expansion Project Fund pursuant to the preceding paragraphs or in any amendments thereto hereafter enacted, beginning July 1, 1993, the Department shall each month pay into the Illinois Tax Increment Fund 0.27% of 80% of the net revenue realized for the preceding month from the 6.25% general rate on the selling price of tangible personal property.

with the receipt of the first report of taxes paid by an eligible business and
continuing for a 25-year period, the Department shall each month pay into
the Energy Infrastructure Fund 80% of the net revenue realized from the
6.25% general rate on the selling price of Illinois-mined coal that was sold
to an eligible business. For purposes of this paragraph, the term "eligible
business" means a new electric generating facility certified pursuant to
Section 605-332 of the Department of Commerce and Economic

Remaining moneys received by the Department pursuant to this
Act shall be paid into the General Revenue Fund of the State Treasury.

The Department may, upon separate written notice to a taxpayer,
require the taxpayer to prepare and file with the Department on a form
prescribed by the Department within not less than 60 days after receipt of
the notice an annual information return for the tax year specified in the
notice. Such annual return to the Department shall include a statement of
gross receipts as shown by the taxpayer's last Federal income tax return. If
the total receipts of the business as reported in the Federal income tax
return do not agree with the gross receipts reported to the Department of
Revenue for the same period, the taxpayer shall attach to his annual return
a schedule showing a reconciliation of the 2 amounts and the reasons for
the difference. The taxpayer's annual return to the Department shall also
disclose the cost of goods sold by the taxpayer during the year covered by
such return, opening and closing inventories of such goods for such year,
cost of goods used from stock or taken from stock and given away by the
taxpayer during such year, payroll information of the taxpayer's business
during such year and any additional reasonable information which the
Department deems would be helpful in determining the accuracy of the
monthly, quarterly or annual returns filed by such taxpayer as hereinbefore
provided for in this Section.

If the annual information return required by this Section is not filed
when and as required, the taxpayer shall be liable as follows:

(i) Until January 1, 1994, the taxpayer shall be liable for a
penalty equal to 1/6 of 1% of the tax due from such taxpayer under
this Act during the period to be covered by the annual return for
each month or fraction of a month until such return is filed as
required, the penalty to be assessed and collected in the same
manner as any other penalty provided for in this Act.

(ii) On and after January 1, 1994, the taxpayer shall be liable for a penalty as described in Section 3-4 of the Uniform Penalty and Interest Act.

The chief executive officer, proprietor, owner or highest ranking manager shall sign the annual return to certify the accuracy of the information contained therein. Any person who willfully signs the annual return containing false or inaccurate information shall be guilty of perjury and punished accordingly. The annual return form prescribed by the Department shall include a warning that the person signing the return may be liable for perjury.

The foregoing portion of this Section concerning the filing of an annual information return shall not apply to a serviceman who is not required to file an income tax return with the United States Government.

As soon as possible after the first day of each month, upon certification of the Department of Revenue, the Comptroller shall order transferred and the Treasurer shall transfer from the General Revenue Fund to the Motor Fuel Tax Fund an amount equal to 1.7% of 80% of the net revenue realized under this Act for the second preceding month. Beginning April 1, 2000, this transfer is no longer required and shall not be made.

Net revenue realized for a month shall be the revenue collected by the State pursuant to this Act, less the amount paid out during that month as refunds to taxpayers for overpayment of liability.

For greater simplicity of administration, it shall be permissible for manufacturers, importers and wholesalers whose products are sold by numerous servicemen in Illinois, and who wish to do so, to assume the responsibility for accounting and paying to the Department all tax accruing under this Act with respect to such sales, if the servicemen who are affected do not make written objection to the Department to this arrangement.

Section 5-40. The Retailers' Occupation Tax Act is amended by changing Sections 2-54, 3, 5k, 5l, and 9 as follows:

(35 ILCS 120/2-54)

Sec. 2-54. Building materials exemption; River Edge Redevelopment Zones.

(a) Each retailer that makes a qualified sale of building materials to be incorporated into real estate within a River Edge Redevelopment Zone

New matter indicated in italics - deletions by strikeout
in accordance with the River Edge Redevelopment Zone Act by remodeling, rehabilitating, or new construction may deduct receipts from those sales when calculating the tax imposed by this Act. For purposes of this Section, "qualified sale" means a sale of building materials that will be incorporated into real estate as part of an industrial or commercial project for which a Certificate of Eligibility for Sales Tax Exemption has been issued by the corporate authorities of the municipality in which the building project is located.

(b) Before July 1, 2013, to document the exemption allowed under this Section, the retailer must obtain from the purchaser a copy of the Certificate of Eligibility for Sales Tax Exemption issued by the corporate authorities of the municipality in which the real estate into which the building materials will be incorporated is located. The Certificate of Eligibility for Sales Tax Exemption must contain all of the following:

1. A statement that the commercial or industrial project identified in the Certificate meets all the requirements of the jurisdiction in which the project is located.
2. The location or address of the building project.
3. The signature of the chief executive officer of the municipality in which the building project is located, or the chief executive officer's delegate.

(c) Before July 1, 2013, in addition, the retailer must obtain a certificate from the purchaser that contains all of the following:

1. A statement that the building materials are being purchased for incorporation into real estate located in a River Edge Redevelopment Zone included in a redevelopment project area in accordance with River Edge Redevelopment Zone Act.
2. The location or address of the real estate into which the building materials will be incorporated.
3. The name of the River Edge Redevelopment Zone in which that real estate is located.
4. A description of the building materials being purchased.
5. The purchaser's signature and date of purchase.

(d) On and after July 1, 2013, to document the exemption allowed under this Section the retailer must obtain from the purchaser the purchaser's River Edge Building Materials Exemption Certificate number issued by the Department. A construction contractor or other entity shall
not make tax-free purchases unless it has an active Exemption Certificate issued by the Department at the time of purchase.

Upon request from the corporate authorities of the municipality in which the building project is located, the Department shall issue a River Edge Building Materials Exemption Certificate for each construction contractor or other entity identified by the corporate authorities of the municipality in which the building project is located. The Department shall make the Exemption Certificates available to the corporate authorities of the municipality in which the building project is located and each construction contractor or other entity. The request for River Edge Building Materials Exemption Certificates from the corporate authorities of the municipality in which the building project is located to the Department must include the following information:

1. the name and address of the construction contractor or other entity;
2. the name and number of the River Edge Redevelopment Zone in which the building project is located;
3. the name and location or address of the building project in the River Edge Redevelopment Zone;
4. the estimated amount of the exemption for each construction contractor or other entity for which a request for Exemption Certificate is made, based on a stated estimated average tax rate and the percentage of the contract that consists of materials;
5. the period of time over which supplies for the project are expected to be purchased; and
6. other reasonable information as the Department may require, including but not limited to FEIN numbers, to determine if the contractor or other entity, or any partner, or a corporate officer, and in the case of a limited liability company, any manager or member, of the construction contractor or other entity, is or has been the owner, a partner, a corporate officer, and in the case of a limited liability company, a manager or member, of a person that is in default for moneys due to the Department under this Act or any other tax or fee Act administered by the Department.

The Department shall issue the River Edge Building Materials Exemption Certificates within 3 business days after receipt of request from the corporate authorities of the municipality in which the building project is located. This requirement does not apply in circumstances where the
Department, for reasonable cause, is unable to issue the Exemption Certificate within 3 business days. The Department may refuse to issue an Exemption Certificate if the owner, any partner, or a corporate officer, and in the case of a limited liability company, any manager or member, of the construction contractor or other entity is or has been the owner, a partner, a corporate officer, and in the case of a limited liability company, a manager or member, of a person that is in default for moneys due to the Department under this Act or any other tax or fee Act administered by the Department. The River Edge Building Materials Exemption Certificate shall contain language stating that, if the construction contractor or other entity who is issued the Exemption Certificate makes a tax-exempt purchase as described in this Section that is not eligible for exemption under this Section, or allows another person to make a tax-exempt purchase, as described in this Section, that is not eligible for exemption under this Section, then, in addition to any tax or other penalty imposed, the construction contractor or other entity is subject to a penalty equal to the tax that would have been paid by the retailer under this Act as well as any applicable local retailers' occupation tax on the purchase that is not eligible for the exemption.

The Department, in its discretion, may require that the request for River Edge Building Materials Exemption Certificates be submitted electronically. The Department may, in its discretion, issue the Exemption Certificates electronically. The River Edge Building Materials Exemption Certificate number shall be designed in such a way that the Department can identify from the unique number on the Exemption Certificate issued to a given construction contractor or other entity, the name of the River Edge Redevelopment Zone in which the building project is located, the project for which the Exemption Certificate is issued, and the construction contractor or other entity to whom the Exemption Certificate is issued. The Exemption Certificate shall contain an expiration date, which shall be no more than 2 years after the date of issuance. At the request of the corporate authorities of the municipality in which the building project is located, the Department may renew an Exemption Certificate. After the Department issues Exemption Certificates for a given River Edge building project, the corporate authorities of the municipality in which the building project is located may notify the Department of additional construction contractors or other entities eligible for a River Edge Building Materials Exemption Certificate. Upon notification by the corporate authorities of the municipality in which the building project is located, and subject to the
other provisions of this subsection (d), the Department shall issue a River Edge Building Materials Exemption Certificate to each additional construction contractor or other entity identified by the corporate authorities of the municipality in which the building project is located. The corporate authorities of the municipality in which the building project is located may notify the Department to rescind a Building Materials Exemption Certificate previously issued by the Department but that has not yet expired. Upon notification by the corporate authorities of the municipality in which the building project is located, and subject to the other provisions of this subsection (d), the Department shall issue the rescission of the River Edge Building Materials Exemption Certificate to the construction contractor or other entity identified by the corporate authorities of the municipality in which the building project is located and provide a copy to the corporate authorities of the municipality in which the building project is located.

If the Department of Revenue determines that a construction contractor or other entity that was issued an Exemption Certificate under this subsection (d) made a tax-exempt purchase, as described in this Section, that was not eligible for exemption under this Section, or allowed another person to make a tax-exempt purchase, as described in this Section, that was not eligible for exemption under this Section, then, in addition to any tax or other penalty imposed, the construction contractor or other entity is subject to a penalty equal to the tax that would have been paid by the retailer under this Act as well as any applicable local retailers' occupation tax on the purchase that was not eligible for the exemption.

Notwithstanding anything to the contrary in this Section, for River Edge building projects already in existence and for which construction contracts are already in place on July 1, 2013, the request for River Edge Building Materials Exemption Certificates from the corporate authorities of the municipality in which the building project is located to the Department for these pre-existing construction contractors and other entities must include the information required under subsection (d), but not including the information listed in items (4) and (5). For any new construction contract entered into on or after July 1, 2013, however, all of the information in this subsection (d) must be provided.

(e) The provisions of this Section are exempt from Section 2-70.

The Department may adopt rules to require that this statement be filed in an electronic or telephonic format. Such rules may provide for exceptions.
Beginning on October 1, 2003, every distributor, importing distributor, and manufacturer of alcoholic liquor as defined in the Liquor Control Act of 1934, shall file a statement with the Department of Revenue, no later than the 10th day of the month for the preceding month during which transactions occurred, by electronic means, showing the total amount of gross receipts from the sale of alcoholic liquor sold or distributed during the preceding month to purchasers; identifying the purchaser to whom it was sold or distributed; the purchaser's tax registration number; and such other information reasonably required by the Department. A distributor, importing distributor, or manufacturer of alcoholic liquor must personally deliver, mail, or provide by electronic means to each retailer listed on the monthly statement a report containing a cumulative total of that distributor's, importing distributor's, or manufacturer's total sales of alcoholic liquor to that retailer no later than the 10th day of the month for the preceding month during which the transaction occurred. The distributor, importing distributor, or manufacturer shall notify the retailer as to the method by which the distributor, importing distributor, or manufacturer will provide the sales information. If the retailer is unable to receive the sales information by electronic means, the distributor, importing distributor, or manufacturer shall furnish the sales information by personal delivery or by mail. For purposes of this paragraph, the term "electronic means" includes, but is not limited to, the use of a secure Internet website, e-mail, or facsimile.

If a total amount of less than $1 is payable, refundable or creditable, such amount shall be disregarded if it is less than 50 cents and shall be increased to $1 if it is 50 cents or more.

Beginning October 1, 1993, a taxpayer who has an average monthly tax liability of $150,000 or more shall make all payments required by rules of the Department by electronic funds transfer. Beginning October 1, 1994, a taxpayer who has an average monthly tax liability of $100,000 or more shall make all payments required by rules of the Department by electronic funds transfer. Beginning October 1, 1995, a taxpayer who has an average monthly tax liability of $50,000 or more shall make all payments required by rules of the Department by electronic funds transfer. Beginning October 1, 2000, a taxpayer who has an annual tax liability of $200,000 or more shall make all payments required by rules of
the Department by electronic funds transfer. The term "annual tax liability" shall be the sum of the taxpayer's liabilities under this Act, and under all other State and local occupation and use tax laws administered by the Department, for the immediately preceding calendar year. The term "average monthly tax liability" shall be the sum of the taxpayer's liabilities under this Act, and under all other State and local occupation and use tax laws administered by the Department, for the immediately preceding calendar year divided by 12. Beginning on October 1, 2002, a taxpayer who has a tax liability in the amount set forth in subsection (b) of Section 2505-210 of the Department of Revenue Law shall make all payments required by rules of the Department by electronic funds transfer.

Before August 1 of each year beginning in 1993, the Department shall notify all taxpayers required to make payments by electronic funds transfer. All taxpayers required to make payments by electronic funds transfer shall make those payments for a minimum of one year beginning on October 1.

Any taxpayer not required to make payments by electronic funds transfer may make payments by electronic funds transfer with the permission of the Department.

All taxpayers required to make payment by electronic funds transfer and any taxpayers authorized to voluntarily make payments by electronic funds transfer shall make those payments in the manner authorized by the Department.

The Department shall adopt such rules as are necessary to effectuate a program of electronic funds transfer and the requirements of this Section.

Any amount which is required to be shown or reported on any return or other document under this Act shall, if such amount is not a whole-dollar amount, be increased to the nearest whole-dollar amount in any case where the fractional part of a dollar is 50 cents or more, and decreased to the nearest whole-dollar amount where the fractional part of a dollar is less than 50 cents.

If the retailer is otherwise required to file a monthly return and if the retailer's average monthly tax liability to the Department does not exceed $200, the Department may authorize his returns to be filed on a quarter annual basis, with the return for January, February and March of a given year being due by April 20 of such year; with the return for April, May and June of a given year being due by July 20 of such year; with the return for July, August and September of a given year being due by

New matter indicated in italics - deletions by strikeout
October 20 of such year, and with the return for October, November and December of a given year being due by January 20 of the following year.

If the retailer is otherwise required to file a monthly or quarterly return and if the retailer's average monthly tax liability with the Department does not exceed $50, the Department may authorize his returns to be filed on an annual basis, with the return for a given year being due by January 20 of the following year.

Such quarter annual and annual returns, as to form and substance, shall be subject to the same requirements as monthly returns.

Notwithstanding any other provision in this Act concerning the time within which a retailer may file his return, in the case of any retailer who ceases to engage in a kind of business which makes him responsible for filing returns under this Act, such retailer shall file a final return under this Act with the Department not more than one month after discontinuing such business.

Where the same person has more than one business registered with the Department under separate registrations under this Act, such person may not file each return that is due as a single return covering all such registered businesses, but shall file separate returns for each such registered business.

In addition, with respect to motor vehicles, watercraft, aircraft, and trailers that are required to be registered with an agency of this State, every retailer selling this kind of tangible personal property shall file, with the Department, upon a form to be prescribed and supplied by the Department, a separate return for each such item of tangible personal property which the retailer sells, except that if, in the same transaction, (i) a retailer of aircraft, watercraft, motor vehicles or trailers transfers more than one aircraft, watercraft, motor vehicle or trailer to another aircraft, watercraft, motor vehicle retailer or trailer retailer for the purpose of resale or (ii) a retailer of aircraft, watercraft, motor vehicles, or trailers transfers more than one aircraft, watercraft, motor vehicle, or trailer to a purchaser for use as a qualifying rolling stock as provided in Section 2-5 of this Act, then that seller may report the transfer of all aircraft, watercraft, motor vehicles or trailers involved in that transaction to the Department on the same uniform invoice-transaction reporting return form. For purposes of this Section, "watercraft" means a Class 2, Class 3, or Class 4 watercraft as defined in Section 3-2 of the Boat Registration and Safety Act, a personal watercraft, or any boat equipped with an inboard motor.
Any retailer who sells only motor vehicles, watercraft, aircraft, or trailers that are required to be registered with an agency of this State, so that all retailers' occupation tax liability is required to be reported, and is reported, on such transaction reporting returns and who is not otherwise required to file monthly or quarterly returns, need not file monthly or quarterly returns. However, those retailers shall be required to file returns on an annual basis.

The transaction reporting return, in the case of motor vehicles or trailers that are required to be registered with an agency of this State, shall be the same document as the Uniform Invoice referred to in Section 5-402 of The Illinois Vehicle Code and must show the name and address of the seller; the name and address of the purchaser; the amount of the selling price including the amount allowed by the retailer for traded-in property, if any; the amount allowed by the retailer for the traded-in tangible personal property, if any, to the extent to which Section 1 of this Act allows an exemption for the value of traded-in property; the balance payable after deducting such trade-in allowance from the total selling price; the amount of tax due from the retailer with respect to such transaction; the amount of tax collected from the purchaser by the retailer on such transaction (or satisfactory evidence that such tax is not due in that particular instance, if that is claimed to be the fact); the place and date of the sale; a sufficient identification of the property sold; such other information as is required in Section 5-402 of The Illinois Vehicle Code, and such other information as the Department may reasonably require.

The transaction reporting return in the case of watercraft or aircraft must show the name and address of the seller; the name and address of the purchaser; the amount of the selling price including the amount allowed by the retailer for traded-in property, if any; the amount allowed by the retailer for the traded-in tangible personal property, if any, to the extent to which Section 1 of this Act allows an exemption for the value of traded-in property; the balance payable after deducting such trade-in allowance from the total selling price; the amount of tax due from the retailer with respect to such transaction; the amount of tax collected from the purchaser by the retailer on such transaction (or satisfactory evidence that such tax is not due in that particular instance, if that is claimed to be the fact); the place and date of the sale, a sufficient identification of the property sold, and such other information as the Department may reasonably require.

Such transaction reporting return shall be filed not later than 20 days after the day of delivery of the item that is being sold, but may be
filed by the retailer at any time sooner than that if he chooses to do so. The transaction reporting return and tax remittance or proof of exemption from the Illinois use tax may be transmitted to the Department by way of the State agency with which, or State officer with whom the tangible personal property must be titled or registered (if titling or registration is required) if the Department and such agency or State officer determine that this procedure will expedite the processing of applications for title or registration.

With each such transaction reporting return, the retailer shall remit the proper amount of tax due (or shall submit satisfactory evidence that the sale is not taxable if that is the case), to the Department or its agents, whereupon the Department shall issue, in the purchaser's name, a use tax receipt (or a certificate of exemption if the Department is satisfied that the particular sale is tax exempt) which such purchaser may submit to the agency with which, or State officer with whom, he must title or register the tangible personal property that is involved (if titling or registration is required) in support of such purchaser's application for an Illinois certificate or other evidence of title or registration to such tangible personal property.

No retailer's failure or refusal to remit tax under this Act precludes a user, who has paid the proper tax to the retailer, from obtaining his certificate of title or other evidence of title or registration (if titling or registration is required) upon satisfying the Department that such user has paid the proper tax (if tax is due) to the retailer. The Department shall adopt appropriate rules to carry out the mandate of this paragraph.

If the user who would otherwise pay tax to the retailer wants the transaction reporting return filed and the payment of the tax or proof of exemption made to the Department before the retailer is willing to take these actions and such user has not paid the tax to the retailer, such user may certify to the fact of such delay by the retailer and may (upon the Department being satisfied of the truth of such certification) transmit the information required by the transaction reporting return and the remittance for tax or proof of exemption directly to the Department and obtain his tax receipt or exemption determination, in which event the transaction reporting return and tax remittance (if a tax payment was required) shall be credited by the Department to the proper retailer's account with the Department, but without the 2.1% or 1.75% discount provided for in this Section being allowed. When the user pays the tax directly to the Department, he shall pay the tax in the same amount and in the same form
in which it would be remitted if the tax had been remitted to the Department by the retailer.

Refunds made by the seller during the preceding return period to purchasers, on account of tangible personal property returned to the seller, shall be allowed as a deduction under subdivision 5 of his monthly or quarterly return, as the case may be, in case the seller had theretofore included the receipts from the sale of such tangible personal property in a return filed by him and had paid the tax imposed by this Act with respect to such receipts.

Where the seller is a corporation, the return filed on behalf of such corporation shall be signed by the president, vice-president, secretary or treasurer or by the properly accredited agent of such corporation.

Where the seller is a limited liability company, the return filed on behalf of the limited liability company shall be signed by a manager, member, or properly accredited agent of the limited liability company.

Except as provided in this Section, the retailer filing the return under this Section shall, at the time of filing such return, pay to the Department the amount of tax imposed by this Act less a discount of 2.1% prior to January 1, 1990 and 1.75% on and after January 1, 1990, or $5 per calendar year, whichever is greater, which is allowed to reimburse the retailer for the expenses incurred in keeping records, preparing and filing returns, remitting the tax and supplying data to the Department on request. Any prepayment made pursuant to Section 2d of this Act shall be included in the amount on which such 2.1% or 1.75% discount is computed. In the case of retailers who report and pay the tax on a transaction by transaction basis, as provided in this Section, such discount shall be taken with each such tax remittance instead of when such retailer files his periodic return.

Before October 1, 2000, if the taxpayer's average monthly tax liability to the Department under this Act, the Use Tax Act, the Service Occupation Tax Act, and the Service Use Tax Act, excluding any liability for prepaid sales tax to be remitted in accordance with Section 2d of this Act, was $10,000 or more during the preceding 4 complete calendar quarters, he shall file a return with the Department each month by the 20th day of the month next following the month during which such tax liability is incurred and shall make payments to the Department on or before the 7th, 15th, 22nd and last day of the month during which such liability is incurred. On and after October 1, 2000, if the taxpayer's average monthly tax liability to the Department under this Act, the Use Tax Act, the Service Occupation Tax Act, and the Service Use Tax Act, excluding any liability

for prepaid sales tax to be remitted in accordance with Section 2d of this Act, was $20,000 or more during the preceding 4 complete calendar quarters, he shall file a return with the Department each month by the 20th day of the month next following the month during which such tax liability is incurred and shall make payment to the Department on or before the 7th, 15th, 22nd and last day of the month during which such liability is incurred. If the month during which such tax liability is incurred began prior to January 1, 1985, each payment shall be in an amount equal to 1/4 of the taxpayer's actual liability for the month or an amount set by the Department not to exceed 1/4 of the average monthly liability of the taxpayer to the Department for the preceding 4 complete calendar quarters (excluding the month of highest liability and the month of lowest liability in such 4 quarter period). If the month during which such tax liability is incurred begins on or after January 1, 1985 and prior to January 1, 1987, each payment shall be in an amount equal to 22.5% of the taxpayer's actual liability for the month or 27.5% of the taxpayer's liability for the same calendar month of the preceding year. If the month during which such tax liability is incurred begins on or after January 1, 1987 and prior to January 1, 1988, each payment shall be in an amount equal to 22.5% of the taxpayer's actual liability for the month or 25% of the taxpayer's liability for the same calendar month of the preceding year. If the month during which such tax liability is incurred begins on or after January 1, 1988, and prior to January 1, 1989, each payment shall be in an amount equal to 22.5% of the taxpayer's actual liability for the month or 25% of the taxpayer's liability for the same calendar month of the preceding year. If the month during which such tax liability is incurred begins on or after January 1, 1989, and prior to January 1, 1996, each payment shall be in an amount equal to 22.5% of the taxpayer's actual liability for the month or 25% of the taxpayer's liability for the same calendar month of the preceding year or 100% of the taxpayer's actual liability for the quarter monthly reporting period. The amount of such quarter monthly payments shall be credited against the final tax liability of the taxpayer's return for that month. Before October 1, 2000, once applicable, the requirement of the making of quarter monthly payments to the Department by taxpayers having an average monthly tax liability of $10,000 or more as determined in the manner provided above shall continue until such taxpayer's average monthly liability to the Department during the preceding 4 complete calendar quarters (excluding the month of highest liability and the month of lowest liability) is less than

New matter indicated in italics - deletions by strikeout
$9,000, or until such taxpayer's average monthly liability to the Department as computed for each calendar quarter of the 4 preceding complete calendar quarter period is less than $10,000. However, if a taxpayer can show the Department that a substantial change in the taxpayer's business has occurred which causes the taxpayer to anticipate that his average monthly tax liability for the reasonably foreseeable future will fall below the $10,000 threshold stated above, then such taxpayer may petition the Department for a change in such taxpayer's reporting status. On and after October 1, 2000, once applicable, the requirement of the making of quarter monthly payments to the Department by taxpayers having an average monthly tax liability of $20,000 or more as determined in the manner provided above shall continue until such taxpayer's average monthly liability to the Department during the preceding 4 complete calendar quarters (excluding the month of highest liability and the month of lowest liability) is less than $19,000 or until such taxpayer's average monthly liability to the Department as computed for each calendar quarter of the 4 preceding complete calendar quarter period is less than $20,000. However, if a taxpayer can show the Department that a substantial change in the taxpayer's business has occurred which causes the taxpayer to anticipate that his average monthly tax liability for the reasonably foreseeable future will fall below the $20,000 threshold stated above, then such taxpayer may petition the Department for a change in such taxpayer's reporting status. The Department shall change such taxpayer's reporting status unless it finds that such change is seasonal in nature and not likely to be long term. If any such quarter monthly payment is not paid at the time or in the amount required by this Section, then the taxpayer shall be liable for penalties and interest on the difference between the minimum amount due as a payment and the amount of such quarter monthly payment actually and timely paid, except insofar as the taxpayer has previously made payments for that month to the Department in excess of the minimum payments previously due as provided in this Section. The Department shall make reasonable rules and regulations to govern the quarter monthly payment amount and quarter monthly payment dates for taxpayers who file on other than a calendar monthly basis.

The provisions of this paragraph apply before October 1, 2001. Without regard to whether a taxpayer is required to make quarter monthly payments as specified above, any taxpayer who is required by Section 2d of this Act to collect and remit prepaid taxes and has collected prepaid taxes which average in excess of $25,000 per month during the preceding

2 complete calendar quarters, shall file a return with the Department as required by Section 2f and shall make payments to the Department on or before the 7th, 15th, 22nd and last day of the month during which such liability is incurred. If the month during which such tax liability is incurred began prior to the effective date of this amendatory Act of 1985, each payment shall be in an amount not less than 22.5% of the taxpayer's actual liability under Section 2d. If the month during which such tax liability is incurred begins on or after January 1, 1986, each payment shall be in an amount equal to 22.5% of the taxpayer's actual liability for the month or 27.5% of the taxpayer's liability for the same calendar month of the preceding calendar year. If the month during which such tax liability is incurred begins on or after January 1, 1987, each payment shall be in an amount equal to 22.5% of the taxpayer's actual liability for the month or 26.25% of the taxpayer's liability for the same calendar month of the preceding year. The amount of such quarter monthly payments shall be credited against the final tax liability of the taxpayer's return for that month filed under this Section or Section 2f, as the case may be. Once applicable, the requirement of the making of quarter monthly payments to the Department pursuant to this paragraph shall continue until such taxpayer's average monthly prepaid tax collections during the preceding 2 complete calendar quarters is $25,000 or less. If any such quarter monthly payment is not paid at the time or in the amount required, the taxpayer shall be liable for penalties and interest on such difference, except insofar as the taxpayer has previously made payments for that month in excess of the minimum payments previously due.

The provisions of this paragraph apply on and after October 1, 2001. Without regard to whether a taxpayer is required to make quarter monthly payments as specified above, any taxpayer who is required by Section 2d of this Act to collect and remit prepaid taxes and has collected prepaid taxes that average in excess of $20,000 per month during the preceding 4 complete calendar quarters shall file a return with the Department as required by Section 2f and shall make payments to the Department on or before the 7th, 15th, 22nd and last day of the month during which the liability is incurred. Each payment shall be in an amount equal to 22.5% of the taxpayer's actual liability for the month or 25% of the taxpayer's liability for the same calendar month of the preceding year. The amount of the quarter monthly payments shall be credited against the final tax liability of the taxpayer's return for that month filed under this Section or Section 2f, as the case may be. Once applicable, the

requirement of the making of quarter monthly payments to the Department pursuant to this paragraph shall continue until the taxpayer's average monthly prepaid tax collections during the preceding 4 complete calendar quarters (excluding the month of highest liability and the month of lowest liability) is less than $19,000 or until such taxpayer's average monthly liability to the Department as computed for each calendar quarter of the 4 preceding complete calendar quarters is less than $20,000. If any such quarter monthly payment is not paid at the time or in the amount required, the taxpayer shall be liable for penalties and interest on such difference, except insofar as the taxpayer has previously made payments for that month in excess of the minimum payments previously due.

If any payment provided for in this Section exceeds the taxpayer's liabilities under this Act, the Use Tax Act, the Service Occupation Tax Act and the Service Use Tax Act, as shown on an original monthly return, the Department shall, if requested by the taxpayer, issue to the taxpayer a credit memorandum no later than 30 days after the date of payment. The credit evidenced by such credit memorandum may be assigned by the taxpayer to a similar taxpayer under this Act, the Use Tax Act, the Service Occupation Tax Act or the Service Use Tax Act, in accordance with reasonable rules and regulations to be prescribed by the Department. If no such request is made, the taxpayer may credit such excess payment against tax liability subsequently to be remitted to the Department under this Act, the Use Tax Act, the Service Occupation Tax Act or the Service Use Tax Act, in accordance with reasonable rules and regulations prescribed by the Department. If the Department subsequently determined that all or any part of the credit taken was not actually due to the taxpayer, the taxpayer's 2.1% and 1.75% vendor's discount shall be reduced by 2.1% or 1.75% of the difference between the credit taken and that actually due, and that taxpayer shall be liable for penalties and interest on such difference.

If a retailer of motor fuel is entitled to a credit under Section 2d of this Act which exceeds the taxpayer's liability to the Department under this Act for the month which the taxpayer is filing a return, the Department shall issue the taxpayer a credit memorandum for the excess.

Beginning January 1, 1990, each month the Department shall pay into the Local Government Tax Fund, a special fund in the State treasury which is hereby created, the net revenue realized for the preceding month from the 1% tax on sales of food for human consumption which is to be consumed off the premises where it is sold (other than alcoholic beverages, soft drinks and food which has been prepared for immediate

consumption) and prescription and nonprescription medicines, drugs, medical appliances and insulin, urine testing materials, syringes and needles used by diabetics.

Beginning January 1, 1990, each month the Department shall pay into the County and Mass Transit District Fund, a special fund in the State treasury which is hereby created, 4% of the net revenue realized for the preceding month from the 6.25% general rate.

Beginning August 1, 2000, each month the Department shall pay into the County and Mass Transit District Fund 20% of the net revenue realized for the preceding month from the 1.25% rate on the selling price of motor fuel and gasohol. Beginning September 1, 2010, each month the Department shall pay into the County and Mass Transit District Fund 20% of the net revenue realized for the preceding month from the 1.25% rate on the selling price of sales tax holiday items.

Beginning January 1, 1990, each month the Department shall pay into the Local Government Tax Fund 16% of the net revenue realized for the preceding month from the 6.25% general rate on the selling price of tangible personal property.

Beginning August 1, 2000, each month the Department shall pay into the Local Government Tax Fund 80% of the net revenue realized for the preceding month from the 1.25% rate on the selling price of motor fuel and gasohol. Beginning September 1, 2010, each month the Department shall pay into the Local Government Tax Fund 80% of the net revenue realized for the preceding month from the 1.25% rate on the selling price of sales tax holiday items.

Beginning October 1, 2009, each month the Department shall pay into the Capital Projects Fund an amount that is equal to an amount estimated by the Department to represent 80% of the net revenue realized for the preceding month from the sale of candy, grooming and hygiene products, and soft drinks that had been taxed at a rate of 1% prior to September 1, 2009 but that is now taxed at 6.25%.

Beginning July 1, 2011, each month the Department shall pay into the Clean Air Act (CAA) Permit Fund 80% of the net revenue realized for the preceding month from the 6.25% general rate on the selling price of sorbents used in Illinois in the process of sorbent injection as used to comply with the Environmental Protection Act or the federal Clean Air Act, but the total payment into the Clean Air Act (CAA) Permit Fund under this Act and the Use Tax Act shall not exceed $2,000,000 in any fiscal year.

Beginning July 1, 2013, each month the Department shall pay into the Underground Storage Tank Fund from the proceeds collected under this Act, the Use Tax Act, the Service Use Tax Act, and the Service Occupation Tax Act an amount equal to the average monthly deficit in the Underground Storage Tank Fund during the prior year, as certified annually by the Illinois Environmental Protection Agency, but the total payment into the Underground Storage Tank Fund under this Act, the Use Tax Act, the Service Use Tax Act, and the Service Occupation Tax Act shall not exceed $18,000,000 in any State fiscal year. As used in this paragraph, the "average monthly deficit" shall be equal to the difference between the average monthly claims for payment by the fund and the average monthly revenues deposited into the fund, excluding payments made pursuant to this paragraph.

Of the remainder of the moneys received by the Department pursuant to this Act, (a) 1.75% thereof shall be paid into the Build Illinois Fund and (b) prior to July 1, 1989, 2.2% and on and after July 1, 1989, 3.8% thereof shall be paid into the Build Illinois Fund; provided, however, that if in any fiscal year the sum of (1) the aggregate of 2.2% or 3.8%, as the case may be, of the moneys received by the Department and required to be paid into the Build Illinois Fund pursuant to this Act, Section 9 of the Use Tax Act, Section 9 of the Service Use Tax Act, and Section 9 of the Service Occupation Tax Act, such Acts being hereinafter called the "Tax Acts" and such aggregate of 2.2% or 3.8%, as the case may be, of moneys being hereinafter called the "Tax Act Amount", and (2) the amount transferred to the Build Illinois Fund from the State and Local Sales Tax Reform Fund shall be less than the Annual Specified Amount (as hereinafter defined), an amount equal to the difference shall be immediately paid into the Build Illinois Fund from other moneys received by the Department pursuant to the Tax Acts; the "Annual Specified Amount" means the amounts specified below for fiscal years 1986 through 1993:

and means the Certified Annual Debt Service Requirement (as defined in Section 13 of the Build Illinois Bond Act) or the Tax Act Amount, whichever is greater, for fiscal year 1994 and each fiscal year thereafter; and further provided, that if on the last business day of any month the sum of (1) the Tax Act Amount required to be deposited into the Build Illinois Bond Account in the Build Illinois Fund during such month and (2) the amount transferred to the Build Illinois Fund from the State and Local Sales Tax Reform Fund shall have been less than 1/12 of the Annual Specified Amount, an amount equal to the difference shall be immediately paid into the Build Illinois Fund from other moneys received by the Department pursuant to the Tax Acts; and, further provided, that in no event shall the payments required under the preceding proviso result in aggregate payments into the Build Illinois Fund pursuant to this clause (b) for any fiscal year in excess of the greater of (i) the Tax Act Amount or (ii) the Annual Specified Amount for such fiscal year. The amounts payable into the Build Illinois Fund under clause (b) of the first sentence in this paragraph shall be payable only until such time as the aggregate amount on deposit under each trust indenture securing Bonds issued and outstanding pursuant to the Build Illinois Bond Act is sufficient, taking into account any future investment income, to fully provide, in accordance with such indenture, for the defeasance of or the payment of the principal of, premium, if any, and interest on the Bonds secured by such indenture and on any Bonds expected to be issued thereafter and all fees and costs payable with respect thereto, all as certified by the Director of the Bureau of the Budget (now Governor's Office of Management and Budget). If on the last business day of any month in which Bonds are outstanding pursuant to the Build Illinois Bond Act, the aggregate of moneys deposited in the Build Illinois Bond Account in the Build Illinois Fund in such month shall be less than the amount required to be transferred in such month from the Build Illinois Bond Account to the Build Illinois Bond Retirement and Interest Fund pursuant to Section 13 of the Build Illinois Bond Act, an amount equal to such deficiency shall be immediately paid from other moneys received by the Department pursuant to the Tax Acts to the Build Illinois Fund; provided, however, that any amounts paid to the Build Illinois Fund in any fiscal year pursuant to this sentence shall be deemed to constitute payments pursuant to clause (b) of the first sentence of this paragraph and shall reduce the amount otherwise payable for such fiscal year pursuant to that clause (b). The moneys received by the
Department pursuant to this Act and required to be deposited into the Build Illinois Fund are subject to the pledge, claim and charge set forth in Section 12 of the Build Illinois Bond Act.

Subject to payment of amounts into the Build Illinois Fund as provided in the preceding paragraph or in any amendment thereto hereafter enacted, the following specified monthly installment of the amount requested in the certificate of the Chairman of the Metropolitan Pier and Exposition Authority provided under Section 8.25f of the State Finance Act, but not in excess of sums designated as "Total Deposit", shall be deposited in the aggregate from collections under Section 9 of the Use Tax Act, Section 9 of the Service Use Tax Act, Section 9 of the Service Occupation Tax Act, and Section 3 of the Retailers' Occupation Tax Act into the McCormick Place Expansion Project Fund in the specified fiscal years.

1, 1993, the Department shall each month pay into the Illinois Tax Increment Fund 0.27% of 80% of the net revenue realized for the preceding month from the 6.25% general rate on the selling price of tangible personal property.

Subject to payment of amounts into the Build Illinois Fund and the McCormick Place Expansion Project Fund pursuant to the preceding paragraphs or in any amendments thereto hereafter enacted, beginning with the receipt of the first report of taxes paid by an eligible business and continuing for a 25-year period, the Department shall each month pay into the Energy Infrastructure Fund 80% of the net revenue realized from the 6.25% general rate on the selling price of Illinois-mined coal that was sold to an eligible business. For purposes of this paragraph, the term "eligible business" means a new electric generating facility certified pursuant to Section 605-332 of the Department of Commerce and Economic Opportunity Law of the Civil Administrative Code of Illinois.

Of the remainder of the moneys received by the Department pursuant to this Act, 75% thereof shall be paid into the State Treasury and 25% shall be reserved in a special account and used only for the transfer to the Common School Fund as part of the monthly transfer from the General Revenue Fund in accordance with Section 8a of the State Finance Act.

The Department may, upon separate written notice to a taxpayer, require the taxpayer to prepare and file with the Department on a form prescribed by the Department within not less than 60 days after receipt of the notice an annual information return for the tax year specified in the notice. Such annual return to the Department shall include a statement of gross receipts as shown by the retailer's last Federal income tax return. If the total receipts of the business as reported in the Federal income tax return do not agree with the gross receipts reported to the Department of Revenue for the same period, the retailer shall attach to his annual return a schedule showing a reconciliation of the 2 amounts and the reasons for the difference. The retailer's annual return to the Department shall also disclose the cost of goods sold by the retailer during the year covered by such return, opening and closing inventories of such goods for such year, costs of goods used from stock or taken from stock and given away by the retailer during such year, payroll information of the retailer's business during such year and any additional reasonable information which the Department deems would be helpful in determining the accuracy of the monthly, quarterly or annual returns filed by such retailer as provided for in this Section.

If the annual information return required by this Section is not filed when and as required, the taxpayer shall be liable as follows:

(i) Until January 1, 1994, the taxpayer shall be liable for a penalty equal to 1/6 of 1% of the tax due from such taxpayer under this Act during the period to be covered by the annual return for each month or fraction of a month until such return is filed as required, the penalty to be assessed and collected in the same manner as any other penalty provided for in this Act.

(ii) On and after January 1, 1994, the taxpayer shall be liable for a penalty as described in Section 3-4 of the Uniform Penalty and Interest Act.

The chief executive officer, proprietor, owner or highest ranking manager shall sign the annual return to certify the accuracy of the information contained therein. Any person who willfully signs the annual return containing false or inaccurate information shall be guilty of perjury and punished accordingly. The annual return form prescribed by the Department shall include a warning that the person signing the return may be liable for perjury.

The provisions of this Section concerning the filing of an annual information return do not apply to a retailer who is not required to file an income tax return with the United States Government.

As soon as possible after the first day of each month, upon certification of the Department of Revenue, the Comptroller shall order transferred and the Treasurer shall transfer from the General Revenue Fund to the Motor Fuel Tax Fund an amount equal to 1.7% of 80% of the net revenue realized under this Act for the second preceding month. Beginning April 1, 2000, this transfer is no longer required and shall not be made.

Net revenue realized for a month shall be the revenue collected by the State pursuant to this Act, less the amount paid out during that month as refunds to taxpayers for overpayment of liability.

For greater simplicity of administration, manufacturers, importers and wholesalers whose products are sold at retail in Illinois by numerous retailers, and who wish to do so, may assume the responsibility for accounting and paying to the Department all tax accruing under this Act with respect to such sales, if the retailers who are affected do not make written objection to the Department to this arrangement.

Any person who promotes, organizes, provides retail selling space for concessionaires or other types of sellers at the Illinois State Fair,
DuQuoin State Fair, county fairs, local fairs, art shows, flea markets and similar exhibitions or events, including any transient merchant as defined by Section 2 of the Transient Merchant Act of 1987, is required to file a report with the Department providing the name of the merchant's business, the name of the person or persons engaged in merchant's business, the permanent address and Illinois Retailers Occupation Tax Registration Number of the merchant, the dates and location of the event and other reasonable information that the Department may require. The report must be filed not later than the 20th day of the month next following the month during which the event with retail sales was held. Any person who fails to file a report required by this Section commits a business offense and is subject to a fine not to exceed $250.

Any person engaged in the business of selling tangible personal property at retail as a concessionaire or other type of seller at the Illinois State Fair, county fairs, art shows, flea markets and similar exhibitions or events, or any transient merchants, as defined by Section 2 of the Transient Merchant Act of 1987, may be required to make a daily report of the amount of such sales to the Department and to make a daily payment of the full amount of tax due. The Department shall impose this requirement when it finds that there is a significant risk of loss of revenue to the State at such an exhibition or event. Such a finding shall be based on evidence that a substantial number of concessionaires or other sellers who are not residents of Illinois will be engaging in the business of selling tangible personal property at retail at the exhibition or event, or other evidence of a significant risk of loss of revenue to the State. The Department shall notify concessionaires and other sellers affected by the imposition of this requirement. In the absence of notification by the Department, the concessionaires and other sellers shall file their returns as otherwise required in this Section.

Sec. 5k. Building materials exemption; enterprise zone.

(a) Each retailer who makes a qualified sale of building materials to be incorporated into real estate in an enterprise zone established by a county or municipality under the Illinois Enterprise Zone Act by remodeling, rehabilitation or new construction, may deduct receipts from such sales when calculating the tax imposed by this Act. For purposes of this Section, before July 1, 2013, "qualified sale" means a sale of building materials...
materials that will be incorporated into real estate as part of a building project for which a Certificate of Eligibility for Sales Tax Exemption has been issued by the administrator of the enterprise zone in which the building project is located, and on and after July 1, 2013, "qualified sale" means a sale of building materials that will be incorporated into real estate as part of a building project for which an Enterprise Zone Building Materials Exemption Certificate has been issued to the purchaser by the Department. A construction contractor or other entity shall not make tax-free purchases unless it has an active Exemption Certificate issued by the Department at the time of the purchase.

(b) Before July 1, 2013, to document the exemption allowed under this Section, the retailer must obtain from the purchaser a copy of the Certificate of Eligibility for Sales Tax Exemption issued by the administrator of the enterprise zone into which the building materials will be incorporated. On and after July 1, 2013, to document the exemption allowed under this Section, the retailer must obtain from the purchaser the certification required under subsection (c), which must contain the Enterprise Zone Building Materials Exemption Certificate number issued to the purchaser by the Department. Upon request from the enterprise zone administrator, the Department shall issue an Enterprise Zone Building Materials Exemption Certificate for each construction contractor or other entity identified by the enterprise zone administrator. The Department shall make the Exemption Certificates available directly to each enterprise zone administrator, construction contractor, or other entity. The Department shall also provide the enterprise zone administrator with a copy of each Exemption Certificate issued. The request for Enterprise Zone Building Materials Exemption Certificates from the enterprise zone administrator to the Department must include the following information:

(1) the name and address of the construction contractor or other entity;
(2) the name and number of the enterprise zone;
(3) the name and location or address of the building project in the enterprise zone;
(4) the estimated amount of the exemption for each construction contractor or other entity for which a request for Exemption Certificate is made, based on a stated estimated average tax rate and the percentage of the contract that consists of materials;

New matter indicated in italics - deletions by strikeout
(5) the period of time over which supplies for the project are expected to be purchased; and
(6) other reasonable information as the Department may require, including, but not limited to FEIN numbers, to determine if the contractor or other entity, or any partner, or a corporate officer, and in the case of a limited liability company, any manager or member, of the construction contractor or other entity, is or has been the owner, a partner, a corporate officer, and in the case of a limited liability company, a manager or member, of a person that is in default for moneys due to the Department under this Act or any other tax or fee Act administered by the Department.

The Department shall issue the Enterprise Zone Building Materials Exemption Certificates within 3 business days after receipt of request from the zone administrator. This requirement does not apply in circumstances where the Department, for reasonable cause, is unable to issue the Exemption Certificate within 3 business days. The Department may refuse to issue an Exemption Certificate if the owner, any partner, or a corporate officer, and in the case of a limited liability company, any manager or member, of the construction contractor or other entity is or has been the owner, a partner, a corporate officer, and in the case of a limited liability company, a manager or member, of a person that is in default for moneys due to the Department under this Act or any other tax or fee Act administered by the Department. The Enterprise Zone Building Materials Exemption Certificate shall contain language stating that if the construction contractor or other entity who is issued the Exemption Certificate makes a tax-exempt purchase, as described in this Section, that is not eligible for exemption under this Section or allows another person to make a tax-exempt purchase, as described in this Section, that is not eligible for exemption under this Section, then, in addition to any tax or other penalty imposed, the construction contractor or other entity is subject to a penalty equal to the tax that would have been paid by the retailer under this Act as well as any applicable local retailers’ occupation tax on the purchase that is not eligible for the exemption.

The Department, in its discretion, may require that the request for Enterprise Zone Building Materials Exemption Certificates be submitted electronically. The Department may, in its discretion, issue the Exemption Certificates electronically. The Enterprise Zone Building Materials Exemption Certificate number shall be designed in such a way that the Department can identify from the unique number on the Exemption Certificate.
Certificate issued to a given construction contractor or other entity, the name of the Enterprise Zone, the project for which the Exemption Certificate is issued, and the construction contractor or other entity to whom the Exemption Certificate is issued. The Exemption Certificate shall contain an expiration date, which shall be no more than 2 years after the date of issuance. At the request of the zone administrator, the Department may renew an Exemption Certificate. After the Department issues Exemption Certificates for a given enterprise zone project, the enterprise zone administrator may notify the Department of additional construction contractors or other entities eligible for an Enterprise Zone Building Materials Exemption Certificate. Upon notification by the enterprise zone administrator and subject to the other provisions of this subsection (b), the Department shall issue an Enterprise Zone Building Materials Exemption Certificate to each additional construction contractor or other entity identified by the enterprise zone administrator. An enterprise zone administrator may notify the Department to rescind an Enterprise Zone Building Materials Exemption Certificate previously issued by the Department but that has not yet expired. Upon notification by the enterprise zone administrator and subject to the other provisions of this subsection (b), the Department shall issue the rescission of the Enterprise Zone Building Materials Exemption Certificate to the construction contractor or other entity identified by the enterprise zone administrator and provide a copy to the enterprise zone administrator.

If the Department of Revenue determines that a construction contractor or other entity that was issued an Exemption Certificate under this subsection (b) made a tax-exempt purchase, as described in this Section, that was not eligible for exemption under this Section or allowed another person to make a tax-exempt purchase, as described in this Section, that was not eligible for exemption under this Section, then, in addition to any tax or other penalty imposed, the construction contractor or other entity is subject to a penalty equal to the tax that would have been paid by the retailer under this Act as well as any applicable local retailers' occupation tax on the purchase that was not eligible for the exemption.

(c) In addition, the retailer must obtain certification from the purchaser that contains:

(1) a statement that the building materials are being purchased for incorporation into real estate located in an Illinois enterprise zone;

New matter indicated in italics - deletions by strikeout
(2) the location or address of the real estate into which the building materials will be incorporated;
(3) the name of the enterprise zone in which that real estate is located;
(4) a description of the building materials being purchased;
(5) on and after July 1, 2013, the purchaser's Enterprise Zone Building Materials Exemption Certificate number issued by the Department; and
(6) the purchaser's signature and date of purchase.

(d) The deduction allowed by this Section for the sale of building materials may be limited, to the extent authorized by ordinance, adopted after the effective date of this amendatory Act of 1992, by the municipality or county that created the enterprise zone into which the building materials will be incorporated. The ordinance, however, may neither require nor prohibit the purchase of building materials from any retailer or class of retailers in order to qualify for the exemption allowed under this Section. The provisions of this Section are exempt from Section 2-70.

(e) Notwithstanding anything to the contrary in this Section, for enterprise zone projects already in existence and for which construction contracts are already in place on July 1, 2013, the request for Enterprise Zone Building Materials Exemption Certificates from the enterprise zone administrator to the Department for these pre-existing construction contractors and other entities must include the information required under subsection (b), but not including the information listed in items (4) and (5). For any new construction contract entered into on or after July 1, 2013, however, all of the information in subsection (b) must be provided.

Sec. 10-10.2. Accounting.
(a) Any business receiving tax incentives due to its location within a River Edge Redevelopment Zone must annually report to the Department of Revenue information reasonably required by the Department to enable the Department of Revenue to verify and calculate the total tax benefits for property taxes and taxes imposed by the State that are received by the business, broken down by incentive category, annually to the Department of Revenue. To the extent that a business receiving tax incentives has obtained a River Edge Building Materials Exemption Certificate, that business is required to report those building materials exemption benefits only under subsection (a-5) of this Section. No additional reporting for those building materials exemption benefits is required under this subsection (a). Reports will be due no later than May
March 30 of each year and shall cover the previous calendar year. The first report will be for the 2012 calendar year and will be due no later than May 31, 2013. Failure to report data may result in ineligibility to receive incentives. The Department, in consultation with the Department of Revenue, is authorized to adopt rules governing ineligibility to receive exemptions, including the length of ineligibility. Factors to be considered in determining whether a business is ineligible shall include, but are not limited to, prior compliance with the reporting requirements, cooperation in discontinuing and correcting violations, the extent of the violation, and whether the violation was willful or inadvertent. For the first offense, a business shall be given 60 days to comply.

(a-5) Each contractor or other entity that has been issued a River Edge Building Materials Exemption Certificate under Section 2-54 of the Retailers' Occupation Tax Act shall annually report to the Department of Revenue the total tax benefits for taxes imposed by the State that are received under River Edge building materials exemption. Reports shall contain information reasonably required by the Department of Revenue to enable it to verify and calculate the total tax benefits for taxes imposed by the State, and shall be broken down by River Edge Redevelopment Zone. Reports are due no later than May 31 of each year and shall cover the previous calendar year. The first report will be for the 2013 calendar year and will be due no later than May 31, 2014. Failure to report data may result in revocation of the River Edge Building Materials Exemption Certificate issued to the contractor or other entity. The Department of Revenue is authorized to adopt rules governing revocation determinations, including the length of revocations. Factors to be considered in revocations shall include, but are not limited to, prior compliance with the reporting requirements, cooperation in discontinuing and correcting violations, and whether the certificate was used unlawfully during the preceding year.

(b) Each person required to file a return under the Gas Revenue Tax Act, the Gas Use Tax Act, the Electricity Excise Tax Act, or the Telecommunications Excise Tax Act shall file, on or before May 31 of each year, a report with the Department of Revenue, in the manner and form required by the Department of Revenue, containing information reasonably required by the Department of Revenue to enable the Department of Revenue to verify and calculate the amount of the deduction for taxes imposed by the State that is taken under each Act,

(70 ILCS 210/5.4)
Sec. 5.4. Exhibitor rights and work rule reforms.
(a) Legislative findings.

(1) The Authority is a political subdivision of the State of Illinois subject to the plenary authority of the General Assembly and was created for the benefit of the general public to promote business, industry, commerce, and tourism within the City of Chicago and the State of Illinois.

(2) The Authority owns and operates McCormick Place and Navy Pier, which have collectively 2.8 million square feet of exhibit hall space, 700,000 square feet of meeting room space.

(3) The Authority is a vital economic engine that annually generates 65,000 jobs and $8 billion of economic activity for the State of Illinois through the trade shows, conventions, and other meetings held and attended at McCormick Place and Navy Pier.

(4) The Authority supports the operation of McCormick Place and Navy Pier through not only fees on the rental of exhibit and meeting room space, electrical and utility service, food and beverage services, and parking, but also hotel room rates paid by persons staying at the Authority-owned hotel.

(5) The Authority has a compelling and proprietary interest in the success, competitiveness, and continued viability of McCormick Place and Navy Pier as the owner and operator of the convention facilities and its obligation to ensure that these facilities produce sufficient operating revenues.

(6) The Authority's convention facilities were constructed and renovated through the issuance of public bonds that are directly repaid by State hotel, auto rental, food and beverage, and airport and departure taxes paid principally by persons who attend, work at, exhibit, and provide goods and services to conventions, shows, exhibitions, and meetings at McCormick Place and Navy Pier.

New matter indicated in italics - deletions by strikeout
(7) State law also dedicates State occupation and use tax revenues to fulfill debt service obligations on these bonds should State hotel, auto rental, food and beverage, and airport and departure taxes fail to generate sufficient revenue.

(8) Through fiscal year 2010, $55 million in State occupation and use taxes will have been allocated to make debt service payments on the Authority's bonds due to shortfalls in State hotel, auto rental, food and beverage, and airport and departure taxes. These shortfalls are expected to continue in future fiscal years and would require the annual dedication of approximately $40 million in State occupation and use taxes to fulfill debt service payments.

(9) In 2009, managers of the International Plastics Showcase announced that 2009 was the last year they would host their exhibition at McCormick Place, as they had since 1971, because union labor work rules and electric and food service costs make it uneconomical for the show managers and exhibitors to use McCormick Place as a convention venue as compared to convention facilities in Orlando, Florida and Las Vegas, Nevada. The exhibition used over 740,000 square feet of exhibit space, attracted over 43,000 attendees, generated $4.8 million of revenues to McCormick Place, and raised over $200,000 in taxes to pay debt service on convention facility bonds.

(10) After the International Plastics Showcase exhibition announced its departure, other conventions and exhibitions managers and exhibitors also stated that they would not return to McCormick Place and Navy Pier for the same reasons cited by the International Plastics Showcase exhibition. In addition, still other managers and exhibitors stated that they would not select McCormick Place as a convention venue unless the union labor work rules and electrical and food service costs were made competitive with those in Orlando and Las Vegas.

(11) The General Assembly created the Joint Committee on the Metropolitan Pier and Exposition Authority to conduct hearings and obtain facts to determine how union labor work rules and electrical and food service costs make McCormick Place and Navy Pier uneconomical as a convention venue.

(12) Witness testimony and fact-gathering revealed that while the skilled labor provided by trade unions at McCormick

New matter indicated in italics - deletions by strikeout
Place and Navy Pier is second to none and is actually "exported" to work on conventions and exhibitions held in Orlando and Las Vegas, restrictive work rules on the activities show exhibitors may perform present exhibitors and show managers with an uninviting atmosphere and result in significantly higher costs than competing convention facilities.

(13) Witness testimony and fact-gathering also revealed that the mark-up on electrical and food service imposed by the Authority to generate operating revenue for McCormick Place and Navy Pier also substantially increased exhibitor and show organizer costs to the point of excess when compared to competing convention facilities.

(14) Witness testimony and fact-gathering further revealed that the additional departure of conventions, exhibitions, and trade shows from Authority facilities threatens the continued economic viability of these facilities and the stability of sufficient tax revenues necessary to support debt service.

(15) In order to safeguard the Authority's and State of Illinois' shared compelling and proprietary interests in McCormick Place and Navy Pier and in response to local economic needs, the provisions contained in this Section set forth mandated changes and reforms to restore and ensure that (i) the Authority's facilities remain economically competitive with other convention venues and (ii) conventions, exhibitions, trade shows, and other meetings are attracted to and retained at Authority facilities by producing an exhibitor-friendly environment and by reducing costs for exhibitors and show managers.

(16) The provisions set forth in this Section are reasonable, necessary, and narrowly tailored to safeguard the Authority's and State of Illinois' shared and compelling proprietary interests and respond to local economic needs as compared to the available alternative set forth in House Bill 4900 of the 96th General Assembly and proposals submitted to the Joint Committee on the Metropolitan Pier and Exposition Authority. Action by the State offers the only comprehensive means to remedy the circumstances set forth in these findings, despite the concerted and laudable voluntary efforts of the Authority, labor unions, show contractors, show managers, and exhibitors.

(8) (Blank).

(9) (Blank).

(10) (Blank).

(11) (Blank).

(12) The Authority has the power to determine, after consultation with the Advisory Council, the work jurisdiction and scope of work of union employees on Authority premises during the move-in, move-out, and run of a show, provided that any affected labor organization may contest the Authority's determination through a binding decision of an independent, third-party arbitrator. When making the determination, the Authority or arbitrator, as the case may be, shall consider the training and skills required to perform the task, past practices on Authority premises, safety, and the need for efficiency and exhibitor satisfaction. These factors shall be considered in their totality and not in isolation. The Authority's determination must be made in writing, set forth an explanation and statement of the reason or reasons supporting the determination, and be provided to each affected labor organization. The changes in this item (12) by this amendatory Act of the 97th General Assembly are declarative of existing law and shall not be construed as a new enactment. Nothing in this item permits the Authority to eliminate any labor organization representing union employees that provide labor services on the move-in, move-out,

The Authority also has the power to determine violations of this subsection and implement appropriate remedies, including, but not limited to, barring violators from Authority premises. The provisions set forth in this Section are binding and equally applicable to any show conducted at Navy Pier, and this statement of the law is declarative of existing law and shall not be construed as a new enactment. The Authority may waive the applicability of only item (6) of this subsection (c) to the extent necessary and required to comply with paragraph 1 of Section F of the 2011 Settlement Agreement, as set forth on Page 12 of that Agreement.

(d) Advisory Council.

New matter indicated in italics - deletions by strikeout
(1) An Advisory Council is hereby established to ensure an active and productive dialogue between all affected stakeholders to ensure exhibitor satisfaction for conventions, exhibitions, trade shows, and meetings held on Authority premises.

(2) The composition of the Council shall be determined by the Authority consistent with its existing practice for labor-management relations.

(3) The Council shall hold meetings no less than once every 90 days.

(e) Audit of exhibitor rights.

The Authority shall retain the services of a person to complete, at least once twice per calendar year, a financial statement audit and compliance attestation engagement that may consist of an examination or an agreed-upon procedures engagement that, in the opinion of the licensed public accounting firm selected by the Authority in accordance with the provisions of this Act and with the concurrence of the Authority, is better suited to determine and verify compliance with the exhibitor rights set forth in this Section, and that cost reductions or other efficiencies resulting from the exhibitor rights have been fairly passed along to exhibitors. In the event an agreed-upon procedures engagement is performed, the Authority shall first consult with the Advisory Committee and solicit its suggestions and advice with respect to the specific procedures to be agreed upon in the engagement. Thereafter, the public accounting firm and the Authority shall agree upon the specific procedures to be followed in the engagement. It is intended that the design of the engagement and the procedures to be followed shall allow for flexibility in targeting specific areas for examination and to revise the procedures where appropriate for achieving the purpose of the engagement. The financial statement audit shall be performed in accordance with generally accepted auditing standards. The compliance attestation engagement shall be (i) performed in accordance with attestation standards established by the American Institute of Certified Public Accountants and shall examine the compliance with the requirements set forth in this Section and (ii) conducted by a licensed public accounting firm, selected by the Authority from a list of firms prequalified to do business with the Illinois Auditor General. Upon request, a show...
contractor or manager shall provide the Authority or person retained to provide attestation auditing services with any information and other documentation reasonably necessary to perform the obligations set forth in this subsection. Upon completion, the report shall be submitted to the Authority and made publicly available on the Authority's website.

Within 30 days of the next regularly scheduled meeting of the Advisory Committee following the effective date of this amendatory Act of the 98th General Assembly, the Authority, in conjunction with the Advisory Committee, shall adopt a uniform set of procedures to expeditiously investigate and address exhibitor complaints and concerns. The procedures shall require full disclosure and cooperation among the Authority, show managers, show contractors, exhibitor-appointed contractors, professional service providers, and labor unions.

(f) Exhibitor service reforms. The Authority shall make every effort to substantially reduce exhibitor's costs for participating in shows.

(1) Any contract to provide food or beverage services in the buildings and facilities of the Authority, except Navy Pier, shall be provided at a rate not to exceed the cost established in the contract. The Board shall periodically review all food and beverage contracts.

(2) A department or unit of the Authority shall not serve as the exclusive provider of electrical services.

(3) Exhibitors shall receive a detailed statement of all costs associated with utility services, including the cost of labor, equipment, and materials.

(g) Severability. If any provision of this Section or its application to any person or circumstance is held invalid, the invalidity of that provision or application does not affect other provisions or applications of this Section that can be given effect without the invalid provision or application.

remedies of those holders until the bonds, together with interest thereon, interest on any unpaid installments of interest, and all costs and expenses in connection with any action or proceedings by or on behalf of those holders are fully met and discharged; provided that any increase in the Tax Act Amounts specified in Section 3 of the Retailers' Occupation Tax Act, Section 9 of the Use Tax Act, Section 9 of the Service Use Tax Act, and Section 9 of the Service Occupation Tax Act required to be deposited into the Build Illinois Bond Account in the Build Illinois Fund pursuant to any law hereafter enacted shall not be deemed to impair the rights of such holders so long as the increase does not result in the aggregate debt service payable in the current or any future fiscal year of the State on all bonds issued pursuant to the Build Illinois Bond Act and the Metropolitan Pier and Exposition Authority Act and payable from tax revenues specified in Section 3 of the Retailers' Occupation Tax Act, Section 9 of the Use Tax Act, Section 9 of the Service Use Tax Act, and Section 9 of the Service Occupation Tax Act exceeding 33 1/3% of such tax revenues for the most recently completed fiscal year of the State at the time of such increase. In addition, the State pledges to and agrees with the holders of the bonds of the Authority issued under this Section that the State will not limit or alter the basis on which State funds are to be paid to the Authority as provided in this Act or the use of those funds so as to impair the terms of any such contract; provided that any increase in the Tax Act Amounts specified in Section 3 of the Retailers' Occupation Tax Act, Section 9 of the Use Tax Act, Section 9 of the Service Use Tax Act, and Section 9 of the Service Occupation Tax Act required to be deposited into the Build Illinois Bond Account in the Build Illinois Fund pursuant to any law hereafter enacted shall not be deemed to impair the terms of any such contract so long as the increase does not result in the aggregate debt service payable in the current or any future fiscal year of the State on all bonds issued pursuant to the Build Illinois Bond Act and the Metropolitan Pier and Exposition Authority Act and payable from tax revenues specified in Section 3 of the Retailers' Occupation Tax Act, Section 9 of the Use Tax Act, Section 9 of the Service Use Tax Act, and Section 9 of the Service Occupation Tax Act exceeding 33 1/3% of such tax revenues for the most recently completed fiscal year of the State at the time of such increase. not be construed as a guarantee by the State of the debts of the Authority. The bonds shall contain a statement to this effect on the face of the bonds. (Source: P.A. 96-898, eff. 5-27-10.)

The Department of Revenue shall notify the public utilities of the exemption status of business enterprises from the tax or pass-on charges of State utility taxes. The exemption status shall take effect within 3 months after certification of the business enterprise.

(415 ILCS 5/57.7)

Sec. 57.7. Leaking underground storage tanks; site investigation and corrective action.

(a) Site investigation.

(1) For any site investigation activities required by statute or rule, the owner or operator shall submit to the Agency for approval a site investigation plan designed to determine the nature, concentration, direction of movement, rate of movement, and extent of the contamination as well as the significant physical features of the site and surrounding area that may affect contaminant transport and risk to human health and safety and the environment.

investigation budget that includes, but is not limited to, an accounting of all costs associated with the implementation and completion of the site investigation plan.

(2) If any of the applicable indicator contaminants exceed the remediation objectives approved for the site, within 30 days after the Agency approves the site investigation completion report the owner or operator shall submit to the Agency for approval a corrective action plan designed to mitigate any threat to human health, human safety, or the environment resulting from the
underground storage tank release. The plan shall describe the selected remedy and evaluate its ability and effectiveness to achieve the remediation objectives approved for the site. At a minimum, the report shall include all of the following:

(A) Executive summary.
(B) Statement of remediation objectives.

If the owner or operator intends to seek payment from the Fund, the owner or operator must also submit a revised budget.

(c) Agency review and approval.

(1) Agency approval of any plan and associated budget, as described in this subsection (c), shall be considered final approval for purposes of seeking and obtaining payment from the Underground Storage Tank Fund if the costs associated with the completion of any such plan are less than or equal to the amounts approved in such budget.

(2) In the event the Agency fails to approve, disapprove, or modify any plan or report submitted pursuant to this Title in writing within 120 days of the receipt by the Agency, the plan or report shall be considered to be rejected by operation of law for purposes of this Title and rejected for purposes of payment from the Underground Storage Tank Fund.

(A) For purposes of those plans as identified in paragraph (5) of this subsection (c), the Agency's review may be an audit procedure. Such review or audit shall be consistent with the procedure for such review or audit as promulgated by the Board under Section 57.14. The Agency has the authority to establish an auditing program to verify compliance of such plans with the provisions of this Title.

(B) For purposes of corrective action plans submitted pursuant to subsection (b) of this Section for which payment from the Fund is not being sought, the Agency need not take action on such plan until 120 days after it receives the corrective action completion report required under subsection (b) of this Section. In the event the Agency approved the plan, it shall proceed under the provisions of this subsection (c).
(3) In approving any plan submitted pursuant to subsection (a) or (b) of this Section, the Agency shall determine, by a procedure promulgated by the Board under Section 57.14, that the costs associated with the plan are reasonable, will be incurred in the performance of site investigation or corrective action, and will not be used for site investigation or corrective action activities in excess of those required to meet the minimum requirements of this Title. The Agency shall also determine, pursuant to the Project Labor Agreements Act, whether the corrective action shall include a project labor agreement if payment from the Underground Storage Tank Fund is to be requested.

(A) For purposes of payment from the Fund, corrective action activities required to meet the minimum requirements of this Title shall include, but not be limited to, the following use of the Board's Tiered Approach to Corrective Action Objectives rules adopted under Title XVII of this Act:

(i) For the site where the release occurred, the use of Tier 2 remediation objectives that are no more stringent than Tier 1 remediation objectives.

and 57.7, or after completion of any other required activities at the underground storage tank site.

(1) In the case of any approved plan and budget for which payment is being sought, the Agency shall make a payment determination within 120 days of receipt of the application. Such determination shall be considered a final decision. The Agency's review shall be limited to generally accepted auditing and accounting practices. In no case shall the Agency conduct additional review of any plan which was completed within the budget, beyond auditing for adherence to the corrective action measures in the proposal. If the Agency fails to approve the payment application within 120 days, such application shall be deemed approved by operation of law and the Agency shall proceed to reimburse the owner or operator the amount requested in the payment application. However, in no event shall the Agency reimburse the owner or operator an amount greater than the amount approved in the plan.

(2) If sufficient funds are available in the Underground Storage Tank Fund, the Agency shall, within 60 days, forward to the Office of the State Comptroller a voucher in the amount approved under the payment application.

(3) In the case of insufficient funds, the Agency shall form a priority list for payment and shall notify persons in such priority list monthly of the availability of funds and when payment shall be made. Payment shall be made to the owner or operator at such time as sufficient funds become available for the costs associated with site investigation and corrective action and costs expended for activities performed where no proposal is required, if applicable. Such priority list shall be available to any owner or operator upon request. Priority for payment shall be determined by the date the Agency receives a complete request for partial or final payment. Upon receipt of notification from the Agency that the requirements of this Title have been met, the Comptroller shall make payment to the owner or operator of the amount approved by the Agency, if sufficient money exists in the Fund. If there is insufficient money in the Fund, then payment shall not be made. If the owner or operator appeals a final Agency payment determination and it is determined that the owner or operator is eligible for payment or additional payment, the priority date for the payment or additional

payment shall be the same as the priority date assigned to the original request for partial or final payment.

(4) Any deductible, as determined pursuant to the Office of the State Fire Marshal's eligibility and deductibility final determination in accordance with Section 57.9, shall be subtracted from any payment invoice paid to an eligible owner or operator. Only one deductible shall apply per underground storage tank site.

(5) In the event that costs are or will be incurred in addition to those approved by the Agency, or after payment, the owner or operator may submit successive plans containing amended budgets. The requirements of Section 57.7 shall apply to any amended plans.

(6) For purposes of this Section, a complete application shall consist of:

(A) A certification from a Licensed Professional Engineer or Licensed Professional Geologist as required under this Title and acknowledged by the owner or operator.

(C) A copy of the Office of the State Fire Marshal's eligibility and deductibility determination.

(D) Proof that approval of the payment requested will not result in the limitations set forth in subsection (g) of this Section being exceeded.

(E) A federal taxpayer identification number and legal status disclosure certification on a form prescribed and provided by the Agency.

(F) If the Agency determined under subsection (c)(3) of Section 57.7 of this Act that corrective action must include a project labor agreement, a certification from the owner or operator that the corrective action was (i) performed under a project labor agreement that meets the requirements of Section 25 of the Project Labor Agreements Act and (ii) implemented in a manner consistent with the terms and conditions of the Project
Labor Agreements Act and in full compliance with all statutes, regulations, and Executive Orders as required under that Act and the Prevailing Wage Act.

(b) Commencement of site investigation or corrective action upon availability of funds. The Board shall adopt regulations setting forth procedures based on risk to human health or the environment under which the owner or operator who has received approval for any budget plan submitted pursuant to Section 57.7, and who is eligible for payment from the Underground Storage Tank Fund pursuant to an Office of the State Fire Marshal eligibility and deductibility determination, may elect to defer site investigation or corrective action activities until funds are available in an amount equal to the amount approved in the budget. The regulations shall establish criteria based on risk to human health or the environment to be used for determining on a site-by-site basis whether deferral is appropriate. The regulations also shall establish the minimum investigatory requirements for determining whether the risk based criteria are present at a site considering deferral and procedures for the notification of owners or operators of insufficient funds, Agency review of request for deferral, notification of Agency final decisions, returning deferred sites to active status, and earmarking of funds for payment.

(c) When the owner or operator requests indemnification for payment of costs incurred as a result of a release of petroleum from an underground storage tank, if the owner or operator has satisfied the requirements of subsection (a) of this Section, the Agency shall forward a copy of the request to the Attorney General. The Attorney General shall review and approve the request for indemnification if:

(l) Corrective action does not include legal defense costs. Legal defense costs include legal costs for seeking payment under this Title unless the owner or operator prevails before the Board in which case the Board may authorize payment of legal fees.

(m) The Agency may apportion payment of costs for plans submitted under Section 57.7 if:

(1) the owner or operator was deemed eligible to access the Fund for payment of corrective action costs for some, but not all, of the underground storage tanks at the site; and

(2) the owner or operator failed to justify all costs attributable to each underground storage tank at the site.

(n) The Agency shall not pay costs associated with a corrective action plan incurred after the Agency provides notification to the owner or operator pursuant to item (7) of subsection (b) of Section 57.7 that a revised corrective action plan is required. Costs associated with any subsequently approved corrective action plan shall be eligible for reimbursement if they meet the requirements of this Title.

PUBLIC ACT 98-0112
(House Bill No. 1570)

AN ACT concerning gaming.
Be it enacted by the People of the State of Illinois, represented in the General Assembly:
Section 5. The Video Gaming Act is amended by changing Section 25 as follows:

New matter indicated in italics - deletions by strikeout
Sec. 25. Restriction of licensees.

(a) Manufacturer. A person may not be licensed as a manufacturer of a video gaming terminal in Illinois unless the person has a valid manufacturer's license issued under this Act. A manufacturer may only sell video gaming terminals for use in Illinois to persons having a valid distributor's license.

(b) Distributor. A person may not sell, distribute, or lease or market a video gaming terminal in Illinois unless the person has a valid distributor's license issued under this Act. A distributor may only sell video gaming terminals for use in Illinois to persons having a valid distributor's or terminal operator's license.

(c) Terminal operator. A person may not own, maintain, or place a video gaming terminal unless he has a valid terminal operator's license issued under this Act. A terminal operator may only place video gaming terminals for use in Illinois in licensed establishments, licensed truck stop establishments, licensed fraternal establishments, and licensed veterans establishments. No terminal operator may give anything of value, including but not limited to a loan or financing arrangement, to a licensed establishment, licensed truck stop establishment, licensed fraternal establishment, or licensed veterans establishment as any incentive or inducement to locate video terminals in that establishment. Of the after-tax profits from a video gaming terminal, 50% shall be paid to the terminal operator and 50% shall be paid to the licensed establishment, licensed truck stop establishment, licensed fraternal establishment, or licensed veterans establishment, notwithstanding any agreement to the contrary. A video terminal operator that violates one or more requirements of this subsection is guilty of a Class 4 felony and is subject to termination of his or her license by the Board.

(d) Licensed technician. A person may not service, maintain, or repair a video gaming terminal in this State unless he or she (1) has a valid technician's license issued under this Act, (2) is a terminal operator, or (3) is employed by a terminal operator, distributor, or manufacturer.

(d-5) Licensed terminal handler. No person, including, but not limited to, an employee or independent contractor working for a manufacturer, distributor, supplier, technician, or terminal operator licensed pursuant to this Act, shall have possession or control of a video gaming terminal, or access to the inner workings of a video gaming terminal, unless permitted by the Board.
terminal, unless that person possesses a valid terminal handler's license issued under this Act.

(e) Licensed establishment. No video gaming terminal may be placed in any licensed establishment, licensed veterans establishment, licensed truck stop establishment, or licensed fraternal establishment unless the owner or agent of the owner of the licensed establishment, licensed veterans establishment, licensed truck stop establishment, or licensed fraternal establishment has entered into a written use agreement with the terminal operator for placement of the terminals. A copy of the use agreement shall be on file in the terminal operator's place of business and available for inspection by individuals authorized by the Board. A licensed establishment, licensed truck stop establishment, licensed veterans establishment, or licensed fraternal establishment may operate up to 5 video gaming terminals on its premises at any time.

(f) (Blank).

(g) Financial interest restrictions. As used in this Act, "substantial interest" in a partnership, a corporation, an organization, an association, a business, or a limited liability company means:

(A) When, with respect to a sole proprietorship, an individual or his or her spouse owns, operates, manages, or conducts, directly or indirectly, the organization, association, or business, or any part thereof; or

(B) When, with respect to a partnership, the individual or his or her spouse shares in any of the profits, or potential profits, of the partnership activities; or

(C) When, with respect to a corporation, an individual or his or her spouse is an officer or director, or the individual or his or her spouse is a holder, directly or beneficially, of 5% or more of any class of stock of the corporation; or

(D) When, with respect to an organization not covered in (A), (B) or (C) above, an individual or his or her spouse is an officer or manages the business affairs, or the individual or his or her spouse is the owner of or otherwise controls 10% or more of the assets of the organization; or

(E) When an individual or his or her spouse furnishes 5% or more of the capital, whether in cash, goods, or services, for the operation of any business, association, or organization during any calendar year; or

New matter indicated in italics - deletions by strikeout
(F) When, with respect to a limited liability company, an individual or his or her spouse is a member, or the individual or his or her spouse is a holder, directly or beneficially, of 5% or more of the membership interest of the limited liability company.

For purposes of this subsection (g), "individual" includes all individuals or their spouses whose combined interest would qualify as a substantial interest under this subsection (g) and whose activities with respect to an organization, association, or business are so closely aligned or coordinated as to constitute the activities of a single entity.

(h) Location restriction. A licensed establishment, licensed truck stop establishment, licensed fraternal establishment, or licensed veterans establishment that is (i) located within 1,000 feet of a facility operated by an organization licensee or an inter-track wagering licensee licensed under the Illinois Horse Racing Act of 1975 or the home dock of a riverboat licensed under the Riverboat Gambling Act or (ii) located within 100 feet of a school or a place of worship under the Religious Corporation Act, is ineligible to operate a video gaming terminal. The location restrictions in this subsection (h) do not apply if a facility operated by an organization licensee, an inter-track wagering licensee, or an inter-track wagering location licensee, a school, or a place of worship moves to or is established within the restricted area after a licensed establishment, licensed truck stop establishment, licensed fraternal establishment, or licensed veterans establishment becomes licensed under this Act. For the purpose of this subsection, "school" means an elementary or secondary public school, or an elementary or secondary private school registered with or recognized by the State Board of Education.

Notwithstanding the provisions of this subsection (h), the Board may waive the requirement that a licensed establishment, licensed truck stop establishment, licensed fraternal establishment, or licensed veterans establishment not be located within 1,000 feet from a facility operated by an organization licensee or an inter-track wagering licensee, or an inter-track wagering location licensee licensed under the Illinois Horse Racing Act of 1975 or the home dock of a riverboat licensed under the Riverboat Gambling Act. The Board shall not grant such waiver if there is any common ownership or control, shared business activity, or contractual arrangement of any type between the establishment and the organization licensee, inter-track wagering licensee, inter-track wagering location licensee, or owners licensee of a riverboat. The Board shall adopt rules to implement the provisions of this paragraph.
(i) Undue economic concentration. In addition to considering all other requirements under this Act, in deciding whether to approve the operation of video gaming terminals by a terminal operator in a location, the Board shall consider the impact of any economic concentration of such operation of video gaming terminals. The Board shall not allow a terminal operator to operate video gaming terminals if the Board determines such operation will result in undue economic concentration. For purposes of this Section, "undue economic concentration" means that a terminal operator would have such actual or potential influence over video gaming terminals in Illinois as to:

(1) substantially impede or suppress competition among terminal operators;

(2) adversely impact the economic stability of the video gaming industry in Illinois; or

(3) negatively impact the purposes of the Video Gaming Act.

The Board shall adopt rules concerning undue economic concentration with respect to the operation of video gaming terminals in Illinois. The rules shall include, but not be limited to, (i) limitations on the number of video gaming terminals operated by any terminal operator within a defined geographic radius and (ii) guidelines on the discontinuation of operation of any such video gaming terminals the Board determines will cause undue economic concentration.

(j) The provisions of the Illinois Antitrust Act are fully and equally applicable to the activities of any licensee under this Act.

For purposes of eligibility for aid under this Article, the Department shall (a) disregard all earned income between the grant amount and 50% of the Federal Poverty Level and (b) disregard the value of all assets held by the family.

In considering income to be taken into account, consideration shall be given to any expenses reasonably attributable to the earning of such income. The State Board of Elections shall periodically update the form based on changes to federal or State law. The State Board of Elections shall promulgate any rules necessary for the implementation of this Section; provided that the rules comport with the letter and spirit of
the National Voter Registration Act of 1993 and Help America Vote Act of 2002 and maximize the opportunity for a person to register to vote.

(e) Forms available in paper form. The State Board of Elections shall make the voter registration form available in regular paper stock and form in sufficient quantities for the general public. The State Board of Elections may provide the voter registration form to the Secretary of State, county clerks, boards of election commissioners, designated agencies of the State of Illinois, and any other person or entity designated to have these forms by the Election Code in regular paper stock and form or some other format deemed suitable by the Board. Each county clerk or board of election commissioners has the authority to design and print its own voter registration form so long as the form complies with the requirements of this Section. The State Board of Elections, county clerks, boards of election commissioners, or other designated agencies of the State of Illinois required to have these forms under the Election Code shall provide a member of the public with any reasonable number of forms that he or she may request. Nothing in this Section shall permit the State Board of Elections, county clerk, board of election commissioners, or other appropriate election official who may accept a voter registration form to refuse to accept a voter registration form because the form is printed on photocopier or regular paper stock and form.

(f) (Blank). Internet voter registration study. The State Board of Elections shall investigate the feasibility of offering voter registration on its website and consider voter registration methods of other states in an effort to maximize the opportunity for all Illinois citizens to register to vote. Sec. 1A-16.5. Online voter registration.

(a) The State Board of Elections shall establish and maintain a system for online voter registration that permits a person to apply to register to vote or to update his or her existing voter registration. In accordance with technical specifications provided by the State Board of Elections, each election authority shall maintain a voter registration system capable of receiving and processing voter registration application

information, including electronic signatures, from the online voter registration system established by the State Board of Elections.

(b) The online voter registration system shall employ security measures to ensure the accuracy and integrity of voter registration applications submitted electronically pursuant to this Section.

(c) The Board may receive voter registration information provided by applicants using the State Board of Elections' website, may cross reference that information with data or information contained in the Secretary of State's database in order to match the information submitted by applicants, and may receive from the Secretary of State the applicant's digitized signature upon a successful match of that applicant's information with that contained in the Secretary of State's database.

(d) Notwithstanding any other provision of law, a person who is qualified to register to vote and who has an authentic Illinois driver's license or State identification card issued by the Secretary of State may submit an application to register to vote electronically on a website maintained by the State Board of Elections.

(e) An online voter registration application shall contain all of the information that is required for a paper application as provided in Section 1A-16 of this Code, except that the applicant shall be required to provide:

(1) the applicant's full Illinois driver's license or State identification card number;

(2) the last 4 digits of the applicant's social security number; and

(3) the date the Illinois driver's license or State identification card was issued.

(f) For an applicant's registration or change in registration to be accepted, the applicant shall mark the box associated with the following statement included as part of the online voter registration application:

By clicking on the box below, I swear or affirm all of the following:

(1) I am the person whose name and identifying information is provided on this form, and I desire to register to vote in the State of Illinois.

(2) All the information I have provided on this form is true and correct as of the date I am submitting this form.

(3) I authorize the Secretary of State to transmit to the State Board of Elections my signature that is on file with the Secretary of State and understand that such signature will be used by my local election authority
on this online voter registration application for admission as an elector as if I had signed this form personally."

(g) Immediately upon receiving a completed online voter registration application, the online voter registration system shall send, by electronic mail, a confirmation notice that the application has been received. Within 48 hours of receiving such an application, the online voter registration system shall send by electronic mail, a notice informing the applicant of whether the following information has been matched with the Secretary of State database:

(1) that the applicant has an authentic Illinois driver's license or State identification card issued by the Secretary of State and that the driver's license or State identification number provided by the applicant matches the driver's license or State identification card number for that person on file with the Secretary of State;

(2) that the date of issuance of the Illinois driver's license or State identification card listed on the application matches the date of issuance of that card for that person on file with the Secretary of State;

(3) that the date of birth provided by the applicant matches the date of birth for that person on file with the Secretary of State; and

(4) that the last 4 digits of the applicant's social security number matches the last four digits for that person on file with the Secretary of State.

(h) If the information provided by the applicant matches the information on the Secretary of State's databases for any driver's license and State identification card holder and is matched as provided in subsection (g) above, the online voter registration system shall:

(1) retrieve from the Secretary of State's database files an electronic copy of the applicant's signature from his or her Illinois driver's license or State identification card and such signature shall be deemed to be the applicant's signature on his or her online voter registration application;

(2) within 2 days of receiving the application, forward to the county clerk or board of election commissioners having jurisdiction over the applicant's voter registration: (i) the application, along with the applicant's relevant data that can be directly loaded into the jurisdiction's voter registration system and
(ii) a copy of the applicant's electronic signature and a certification from the State Board of Elections that the applicant's driver's license or State identification card number, driver's license or State identification card date of issuance, and date of birth and social security information have been successfully matched.

(i) Upon receipt of the online voter registration application, the county clerk or board of election commissioners having jurisdiction over the applicant's voter registration shall promptly search its voter registration database to determine whether the applicant is already registered to vote at the address on the application and whether the new registration would create a duplicate registration. If the applicant is already registered to vote at the address on the application, the clerk or board, as the case may be, shall send the applicant by first class mail, and electronic mail if the applicant has provided an electronic mail address on the original voter registration form for that address, a disposition notice as otherwise required by law informing the applicant that he or she is already registered to vote at such address. If the applicant is not already registered to vote at the address on the application and the applicant is otherwise eligible to register to vote, the clerk or board, as the case may be, shall:

1. enter the name and address of the applicant on the list of registered voters in the jurisdiction; and
2. send by mail, and electronic mail if the applicant has provided an electronic mail address on the voter registration form, a disposition notice to the applicant as otherwise provided by law setting forth the applicant's name and address as it appears on the application and stating that the person is registered to vote.

(j) An electronic signature of the person submitting a duplicate registration application or a change of address form that is retrieved and imported from the Secretary of State's driver's license or State identification card database as provided herein may, in the discretion of the clerk or board, be substituted for and replace any existing signature for that individual in the voter registration database of the county clerk or board of election commissioners.

(k) Any new registration or change of address submitted electronically as provided in this Section shall become effective as of the date it is received by the county clerk or board of election commissioners having jurisdiction over said registration. Disposition notices prescribed in this Section shall be sent within 5 business days of receipt of the online registration.
application or change of address by the county clerk or board of election commissioners.

(i) All provisions of this Code governing voter registration and applicable thereto and not inconsistent with this Section shall apply to online voter registration under this Section. All applications submitted on a website maintained by the State Board of Elections shall be deemed timely filed if they are submitted no later than 11:59 p.m. on the final day for voter registration prior to an election. After the registration period for an upcoming election has ended and until the 2nd day following such election, the web page containing the online voter registration form on the State Board of Elections website shall inform users of the procedure for grace period voting.

(m) The State Board of Elections shall maintain a list of the name, street address, e-mail address, and likely precinct, ward, township, and district numbers, as the case may be, of people who apply to vote online through the voter registration system and those names and that information shall be stored in an electronic format on its website, arranged by county and accessible to State and local political committees.

(n) The Illinois State Board of Elections shall submit a report to the General Assembly and the Governor by January 31, 2014 detailing the progress made to implement the online voter registration system described in this Section.

(o) The online voter registration system provided for in this Section shall be fully operational by July 1, 2014.

(1) The centralized statewide voter registration list shall be compiled from the voter registration data bases of each election authority in this State.

(2) With the exception of voter registration forms submitted electronically through an online voter registration system, all new voter registration forms and applications to register to vote, including those reviewed by the Secretary of State at a driver services facility, shall be transmitted only to the appropriate election authority as required by Articles 4, 5, and 6 of this Code and not to the State Board of Elections. The election authority shall process and verify each voter registration form and electronically enter verified registrations on an expedited basis onto the statewide voter registration list. All original registration cards shall remain permanently in the office of the election authority as required by this Code.

(3) The centralized statewide voter registration list shall:
   (i) Be designed to allow election authorities to utilize the registration data on the statewide voter registration list pertinent to voters registered in their election jurisdiction on locally maintained software programs that are unique to each jurisdiction.
   (ii) Allow each election authority to perform essential election management functions, including but not limited to production of voter lists, processing of absentee voters, production of individual, pre-printed applications to vote, administration of election judges, and polling place administration, but shall not prevent any election authority from using information from that election authority's own systems.

(4) The registration information maintained by each election authority shall be synchronized with that authority's information on the statewide list at least once every 24 hours.

To protect the privacy and confidentiality of voter registration information, the disclosure of any portion of the centralized statewide voter registration list to any person or entity other than to a State or local political committee and other than to a governmental entity for a governmental purpose is specifically prohibited except as follows: subject to security measures adopted by the State Board of Elections which, at a minimum, shall include the keeping of a catalog or database, available for public view, including the name, address, and telephone number of the person viewing the list as well as the time of that viewing, any person may view the list on a computer screen at the Springfield office of the State Board of Elections, during normal business hours other than during the 27 days before an election, but the person viewing the list under this exception may not print, duplicate, transmit, or alter the list.

The registration cards shall be deemed public records and shall be open to inspection during regular business hours, except during the 27 days immediately preceding any election. On written request of any candidate or objector or any person intending to object to a petition, the election authority shall extend its hours for inspection of registration cards and other records of the election authority during the period beginning with the filing of petitions under Sections 7-10, 8-8, 10-6 or 28-3 and continuing through the termination of electoral board hearings on any objections to petitions containing signatures of registered voters in the jurisdiction of the election authority. The extension shall be for a period of hours sufficient to allow adequate opportunity for examination of the records but the election authority is not required to extend its hours beyond the period beginning at its normal opening for business and ending at midnight. If the business hours are so extended, the election authority shall post a public notice of such extended hours. Registration record cards may also be inspected, upon approval of the officer in charge of the cards, during the 27 days immediately preceding any election. Registration record cards shall also be open to inspection by certified judges and poll watchers and challengers at the polling place on election day, but only to the extent necessary to determine the question of the right of a person to vote or to serve as a judge of election. At no time shall poll watchers or challengers be allowed to physically handle the registration record cards.

Updated copies of computer tapes or computer discs or other electronic data processing information containing voter registration information shall be furnished by the county clerk within 10 days after December 15 and May 15 each year and within 10 days after each registration period is closed to the State Board of Elections in a form prescribed by the Board. Registration information shall include, but not be limited to, the following information: name, sex, residence, telephone number, if any, age, party affiliation, if applicable, precinct, ward, township, county, and representative, legislative and congressional districts. not less than $50 per tape or disc and shall be paid from appropriations made to the State Board of Elections for reimbursement to the election authority for such purpose. The State Board shall furnish copies of such tapes, discs, other electronic data or compilations thereof to state political committees registered pursuant to the Illinois Campaign Finance Act or the Federal Election Campaign Act and to governmental entities, at their request and at a reasonable cost. To protect the privacy and confidentiality of voter registration information, the disclosure of electronic voter registration records to any person or entity other than to a State or local political committee and other than to a governmental entity for a governmental purpose is specifically prohibited except as follows: subject to security measures adopted by the State Board of Elections which, at a minimum, shall include the keeping of a catalog or database, available for public view, including the name, address, and telephone number of the person viewing the list as well as the time of that viewing, any person may view the centralized statewide voter registration list on a computer screen at the Springfield office of the State Board of Elections, during normal business hours other than during the 27 days before an election, but the person viewing the list under this exception may not print, duplicate, transmit, or alter the list. Copies of the tapes, discs, or other electronic data shall be furnished by the county clerk to local political committees and governmental entities at their request and at a reasonable cost. Reasonable cost of the tapes, discs, et cetera for this purpose would be the cost of duplication plus 15% for administration. The individual representing a political committee requesting copies of such tapes shall make a sworn affidavit that the information shall be used only for bona fide political purposes, including by or for candidates for office or incumbent office holders. Such tapes, discs or other electronic data shall not be used under any circumstances by any political committee or individuals for purposes of commercial solicitation or other business purposes. If such tapes contain information on county residents related to the operations of county government in addition to registration information, that information shall not be used under any circumstances for commercial solicitation or other business purposes. The prohibition in this Section against using the computer tapes or computer discs or other electronic data processing information containing voter registration information for purposes of commercial solicitation or other business purposes shall be prospective only from the effective date of this amended Act of 1979. Any person who violates this provision shall be guilty of a Class 4 felony.
The State Board of Elections shall promulgate, by October 1, 1987, such regulations as may be necessary to ensure uniformity throughout the State in electronic data processing of voter registration information. The regulations shall include, but need not be limited to, specifications for uniform medium, communications protocol and file structure to be employed by the election authorities of this State in the electronic data processing of voter registration information. Each election authority utilizing electronic data processing of voter registration information shall comply with such regulations on and after May 15, 1988.

If the applicant for registration was last registered in another county within this State, he shall also sign a certificate authorizing cancellation of the former registration. The certificate shall be in substantially the following form:

The certificate shall contain on the outside a request for the postmaster to return it within 5 days if it cannot be delivered to the addressee at the address given thereon. Upon the return by the post office of a certificate which it has been unable to deliver at the given address because the addressee cannot be found there or because no such address exists, a notice shall be at once sent through the United States mail to such person at the address appearing upon his registration record card requiring him to appear before the election authority county clerk, within 5 days, to answer questions touching his right to register. If the person notified fails to appear at the election authority's county clerk's office within 5 days as directed or if he appears and fails to prove his right to register, the election authority county clerk shall mark his registration card as incomplete and he shall not be permitted to vote until his registration is satisfactorily completed.

Sec. 4-33. Computerization of voter records.
(a) The State Board of Elections shall design a registration record card that, except as otherwise provided in this Section, shall be used in duplicate by all election authorities in the State adopting a computer-based voter registration file as provided in this Section. The Board shall prescribe the form and specifications, including but not limited to the weight of paper, color, and print of the cards. The cards shall contain boxes or spaces for the information required under Sections 4-8 and 4-21; provided that the cards shall also contain: (i) A space for a person to fill in his or her Illinois driver's license number if the person has a driver's license; (ii) A space for a person without a driver's license to fill in the last four digits of his or her social security number if the person has a social security number.

(b) The election authority may develop and implement a system to prepare, use, and maintain a computer-based voter registration file that includes a computer-stored image of the signature of each voter. The computer-based voter registration file may be used for all purposes for which the original registration cards are to be used, provided that a system for the storage of at least one copy of the original registration cards remains in effect. In the case of voter registration forms received via an online voter registration system, the original registration cards will include the signature received from the Secretary of State database. The electronic file shall be the master file.

(c) Any system created, used, and maintained under subsection (b) of this Section shall meet the following standards:

(1) Access to any computer-based voter registration file shall be limited to those persons authorized by the election authority, and each access to the computer-based voter registration file, other than an access solely for inquiry, shall be recorded.

New matter indicated in italics - deletions by strikeout
(2) No copy, summary, list, abstract, or index of any computer-based voter registration file that includes any computer-stored image of the signature of any registered voter shall be made available to the public outside of the offices of the election authority.

(3) Any copy, summary, list, abstract, or index of any computer-based voter registration file that includes a computer-stored image of the signature of a registered voter shall be produced in such a manner that it cannot be reproduced.

(4) Each person desiring to vote shall sign an application for a ballot, and the signature comparison authorized in Articles 17 and 18 of this Code may be made to a copy of the computer-stored image of the signature of the registered voter.

(5) Any voter list produced from a computer-based voter registration file that includes computer-stored images of the signatures of registered voters and is used in a polling place during an election shall be preserved by the election authority in secure storage until the end of the second calendar year following the election in which it was used.

(d) Before the first election in which the election authority elects to use a voter list produced from the computer-stored images of the signatures of registered voters in a computer-based voter registration file for signature comparison in a polling place, the State Board of Elections shall certify that the system used by the election authority complies with the standards set forth in this Section. The State Board of Elections may request a sample poll list intended to be used in a polling place to test the accuracy of the list and the adequacy of the computer-stored images of the signatures of the registered voters.

(e) With respect to a jurisdiction that has copied all of its voter signatures into a computer-based registration file, all references in this Act or any other Act to the use, other than storage, of paper-based voter registration records shall be deemed to refer to their computer-based equivalents.

(f) Nothing in this Section prevents an election authority from submitting to the State Board of Elections a duplicate copy of some, as the State Board of Elections shall determine, or all of the data contained in each voter registration record that is part of the electronic master file. The duplicate copy of the registration record shall be maintained by the State Board of Elections under the same terms and limitations applicable to the
election authority and shall be of equal legal dignity with the original
registration record maintained by the election authority as proof of any fact
contained in the voter registration record.

(10 ILCS 5/4-50)
Sec. 4-50. Grace period. Notwithstanding any other provision of
this Code to the contrary, each election authority shall establish procedures
for the registration of voters and for change of address during the period
from the close of registration for a primary or election and until the 3rd
day before the primary or election. During this grace period, an
unregistered qualified elector may register to vote, and a registered voter
may submit a change of address form, in person in the office of the
election authority or at a voter registration location specifically designated
for this purpose by the election authority. The election authority shall
register that individual, or change a registered voter's address, in the same
manner as otherwise provided by this Article for registration and change of
address.

If a voter who registers or changes address during this grace period
wishes to vote at the first election or primary occurring after the grace
period, he or she must do so by grace period voting, either in person in the
office of the election authority or at a location specifically designated
for this purpose by the election authority, or by mail, at the discretion of the
election authority. The election authority shall offer in-person grace
period voting at the authority's office and may offer in-person grace
period voting at additional locations specifically designated for the
purpose of grace period voting by the election authority. The election
authority may allow grace period voting by mail only if the election
authority has no ballots prepared at the authority's office. Grace period
voting shall be in a manner substantially similar to voting under Article
19.

Within one day after a voter casts a grace period ballot, or within
one day after the ballot is received by the election authority if the election
authority allows grace period voting by mail, the election authority shall
transmit by electronic means pursuant to a process established by the
State Board of Elections the voter's name, street address, e-mail address,
and precinct, ward, township, and district numbers, as the case may be, to
the State Board of Elections, which shall maintain those names and that
information in an electronic format on its website, arranged by county and
accessible to State and local political committees. The name of each

person issued a grace period ballot shall also be placed on the appropriate precinct list of persons to whom absentee and early ballots have been issued, for use as provided in Sections 17-9 and 18-5.

A person who casts a grace period ballot shall not be permitted to revoke that ballot and vote another ballot with respect to that primary or election. Ballots cast by persons who register or change address during the grace period must be transmitted to and counted at the election authority's central ballot counting location and shall not be transmitted to and counted at precinct polling places. The grace period ballots determined to be valid shall be added to the vote totals for the precincts for which they were cast in the order in which the ballots were opened.

Signature of Registration Officer.
(To be signed in presence of Registrant.)

Space shall be provided upon the face of each registration record card for the notation of the voting record of the person registered thereon.

Each registration record card shall be numbered according to towns and precincts, wards, cities and villages, as the case may be, and may be serially or otherwise marked for identification in such manner as the county clerk may determine.

The registration cards shall be deemed public records and shall be open to inspection during regular business hours, except during the 27 days immediately preceding any election. On written request of any candidate or objector or any person intending to object to a petition, the election authority shall extend its hours for inspection of registration cards and other records of the election authority during the period beginning with the filing of petitions under Sections 7-10, 8-8, 10-6 or 28-3 and continuing through the termination of electoral board hearings on any objections to petitions containing signatures of registered voters in the jurisdiction of the election authority. The extension shall be for a period of hours sufficient to allow adequate opportunity for examination of the records but the election authority is not required to extend its hours beyond the period beginning at its normal opening for business and ending at midnight. If the business hours are so extended, the election authority shall post a public notice of such extended hours. Registration record cards may also be inspected, upon approval of the officer in charge of the cards, during the 27 days immediately preceding any election. Registration record cards shall also be open to inspection by certified judges and poll watchers and challengers at the polling place on election day, but only to the extent necessary to determine the question of the right of a person to vote or to serve as a judge of election. At no time shall poll watchers or challengers be allowed to physically handle the registration record cards.

Updated copies of computer tapes or computer discs or other electronic data processing information containing voter registration information shall be furnished by the county clerk within 10 days after December 15 and May 15 each year and within 10 days after each registration period is closed to the State Board of Elections in a form prescribed by the Board. For the purposes of this Section, a registration period is closed 27 days before the date of any regular or special election. Registration information shall include, but not be limited to, the following information: name, sex, residence, telephone number, if any, age, party

affiliation, if applicable, precinct, ward, township, county, and representative, legislative and congressional districts. In the event of noncompliance, the State Board of Elections is directed to obtain compliance forthwith with this nondiscretionary duty of the election authority by instituting legal proceedings in the circuit court of the county in which the election authority maintains the registration information. The costs of furnishing updated copies of tapes or discs shall be paid at a rate of $0.00034 per name of registered voters in the election jurisdiction, but not less than $50 per tape or disc and shall be paid from appropriations made to the State Board of Elections for reimbursement to the election authority for such purpose. The State Board shall furnish copies of such tapes, discs, other electronic data or compilations thereof to state political committees registered pursuant to the Illinois Campaign Finance Act or the Federal Election Campaign Act and to governmental entities, at their request and at a reasonable cost. To protect the privacy and confidentiality of voter registration information, the disclosure of electronic voter registration records to any person or entity other than to a State or local political committee and other than to a governmental entity for a governmental purpose is specifically prohibited except as follows: subject to security measures adopted by the State Board of Elections which, at a minimum, shall include the keeping of a catalog or database, available for public view, including the name, address, and telephone number of the person viewing the list as well as the time of that viewing, any person may view the centralized statewide voter registration list on a computer screen at the Springfield office of the State Board of Elections, during normal business hours other than during the 27 days before an election, but the person viewing the list under this exception may not print, duplicate, transmit, or alter the list. Copies of the tapes, discs or other electronic data shall be furnished by the county clerk to local political committees and governmental entities at their request and at a reasonable cost. Reasonable cost of the tapes, discs, et cetera for this purpose would be the cost of duplication plus 15% for administration. The individual representing a political committee requesting copies of such tapes shall make a sworn affidavit that the information shall be used only for bona fide political purposes, including by or for candidates for office or incumbent office holders. Such tapes, discs or other electronic data shall not be used under any circumstances by any political committee or individuals for purposes of commercial solicitation or other business purposes. If such tapes contain information on county residents related to the operations of county

government in addition to registration information, that information shall not be used under any circumstances for commercial solicitation or other business purposes. The prohibition in this Section against using the computer tapes or computer discs or other electronic data processing information containing voter registration information for purposes of commercial solicitation or other business purposes shall be prospective only from the effective date of this amended Act of 1979. Any person who violates this provision shall be guilty of a Class 4 felony.

The State Board of Elections shall promulgate, by October 1, 1987, such regulations as may be necessary to ensure uniformity throughout the State in electronic data processing of voter registration information. The regulations shall include, but need not be limited to, specifications for uniform medium, communications protocol and file structure to be employed by the election authorities of this State in the electronic data processing of voter registration information. Each election authority utilizing electronic data processing of voter registration information shall comply with such regulations on and after May 15, 1988.

If the applicant for registration was last registered in another county within this State, he shall also sign a certificate authorizing cancellation of the former registration. The certificate shall be in substantially the following form:

To the County Clerk of .... County, Illinois. To the Election Commission of the City of ...., Illinois.

This is to certify that I am registered in your (county) (city) and that my residence was ....

Sec. 5-43. Computerization of voter records.

(a) The State Board of Elections shall design a registration record card that, except as otherwise provided in this Section, shall be used in duplicate by all election authorities in the State adopting a computer-based voter registration file as provided in this Section. The Board shall prescribe the form and specifications, including but not limited to the weight of paper, color, and print of the cards. The cards shall contain boxes or spaces for the information required under Sections 5-7 and 5-28.1; provided that the cards shall also contain: (i) A space for the person to fill in his or her Illinois driver's license number if the person has a driver's license; (ii) A space for a person without a driver's license to fill in the last four digits of his or her social security number if the person has a social security number.

(b) The election authority may develop and implement a system to prepare, use, and maintain a computer-based voter registration file that includes a computer-stored image of the signature of each voter. The computer-based voter registration file may be used for all purposes for which the original registration cards are to be used, provided that a system for the storage of at least one copy of the original registration cards remains in effect. In the case of voter registration forms received via an online voter registration system, the original registration cards will include the signature received from the Secretary of State database. The electronic file shall be the master file.

(c) Any system created, used, and maintained under subsection (b) of this Section shall meet the following standards:

(1) Access to any computer-based voter registration file shall be limited to those persons authorized by the election authority, and each access to the computer-based voter registration file, other than an access solely for inquiry, shall be recorded.

(2) No copy, summary, list, abstract, or index of any computer-based voter registration file that includes any computer-stored image of the signature of any registered voter shall be made available to the public outside of the offices of the election authority.

New matter indicated in italics - deletions by strikeout
(3) Any copy, summary, list, abstract, or index of any computer-based voter registration file that includes a computer-stored image of the signature of a registered voter shall be produced in such a manner that it cannot be reproduced.

(4) Each person desiring to vote shall sign an application for a ballot, and the signature comparison authorized in Articles 17 and 18 of this Code may be made to a copy of the computer-stored image of the signature of the registered voter.

(5) Any voter list produced from a computer-based voter registration file that includes computer-stored images of the signatures of registered voters and is used in a polling place during an election shall be preserved by the election authority in secure storage until the end of the second calendar year following the election in which it was used.

(d) Before the first election in which the election authority elects to use a voter list produced from the computer-stored images of the signatures of registered voters in a computer-based voter registration file for signature comparison in a polling place, the State Board of Elections shall certify that the system used by the election authority complies with the standards set forth in this Section. The State Board of Elections may request a sample poll list intended to be used in a polling place to test the accuracy of the list and the adequacy of the computer-stored images of the signatures of the registered voters.

(e) With respect to a jurisdiction that has copied all of its voter signatures into a computer-based registration file, all references in this Act or any other Act to the use, other than storage, of paper-based voter registration records shall be deemed to refer to their computer-based equivalents.

(f) Nothing in this Section prevents an election authority from submitting to the State Board of Elections a duplicate copy of some, as the State Board of Elections shall determine, or all of the data contained in each voter registration record that is part of the electronic master file. The duplicate copy of the registration record shall be maintained by the State Board of Elections under the same terms and limitations applicable to the election authority and shall be of equal legal dignity with the original registration record maintained by the election authority as proof of any fact contained in the voter registration record.

Sec. 5-50. Grace period. Notwithstanding any other provision of this Code to the contrary, each election authority shall establish procedures for the registration of voters and for change of address during the period from the close of registration for a primary or election and until the 3rd day before the primary or election. During this grace period, an unregistered qualified elector may register to vote, and a registered voter may submit a change of address form, in person in the office of the election authority or at a voter registration location specifically designated for this purpose by the election authority. The election authority shall register that individual, or change a registered voter's address, in the same manner as otherwise provided by this Article for registration and change of address.

If a voter who registers or changes address during this grace period wishes to vote at the first election or primary occurring after the grace period, he or she must do so by grace period voting, either in person in the office of the election authority or at a location specifically designated for this purpose by the election authority, or by mail, at the discretion of the election authority. The election authority shall offer in-person grace period voting at his or her office and may offer in-person grace period voting at additional locations specifically designated for the purpose of grace period voting by the election authority. The election authority may allow grace period voting by mail only if the election authority has no ballots prepared at the authority's office. Grace period voting shall be in a manner substantially similar to voting under Article 19.

Within one day after a voter casts a grace period ballot, or within one day after the ballot is received by the election authority if the election authority allows grace period voting by mail, the election authority shall transmit by electronic means pursuant to a process established by the State Board of Elections the voter's name, street address, e-mail address, and precinct, ward, township, and district numbers, as the case may be, to the State Board of Elections, which shall maintain those names and that information in an electronic format on its website, arranged by county and accessible to State and local political committees. The name of each person issued a grace period ballot shall also be placed on the appropriate precinct list of persons to whom absentee and early ballots have been issued, for use as provided in Sections 17-9 and 18-5.

A person who casts a grace period ballot shall not be permitted to revoke that ballot and vote another ballot with respect to that primary or election. Ballots cast by persons who register or change address during the
 Sect. 6-19.5. Rejection of Article by superseding county board of election commissioners. In addition to any other method of rejection provided in this Article, when a county board of election commissioners is established in accordance with subsection (c) of Section 6A-1 in a county in which is located any portion of a municipality with a municipal board of election commissioners, the application of the provisions of this Article to the territory of that municipality located within that county is rejected.

Sec. 6-29. For the purpose of registering voters under this Article, the office of the Board of Election Commissioners shall be open during ordinary business hours of each week day, from 9 a.m. to 12 o'clock noon on the last four Saturdays immediately preceding the end of the period of registration preceding each election, and such other days and such other times as the board may direct. During the 27 days immediately preceding any election there shall be no registration of voters at the office of the Board of Election Commissioners in cities, villages and incorporated towns of fewer than 200,000 inhabitants. In cities, villages and incorporated towns of 200,000 or more inhabitants, there shall be no registration of voters at the office of the Board of Election Commissioners during the 35 days immediately preceding any election; provided, however, where no precinct registration is being conducted prior to any election then registration may be taken in the office of the Board up to and including the 28th day prior to such election. The Board of Election Commissioners may set up and establish as many branch offices for the purpose of taking registrations as it may deem necessary, and the branch offices may be open on any or all dates and hours during which registrations may be taken in the main office. All officers and employees of the Board of Election Commissioners who are authorized by such board to take registrations under this Article shall be considered officers of the circuit court, and shall be subject to the same control as is provided by Section 14-5 of this Act with respect to judges of election.
In any election called for the submission of the revision or alteration of, or the amendments to the Constitution, submitted by a Constitutional Convention, the final day for registration at the office of the election authority charged with the printing of the ballot of this election shall be the 15th day prior to the date of election.

The Board of Election Commissioners shall appoint one or more registration teams, consisting of 2 of its employees for each team, for the purpose of accepting the registration of any voter who files an affidavit, within the period for taking registrations provided for in this article, that he is physically unable to appear at the office of the Board or at any appointed place of registration. On the day or days when a precinct registration is being conducted such teams shall consist of one member from each of the 2 leading political parties who are serving on the Precinct Registration Board. Each team so designated shall visit each disabled person and shall accept the registration of such person the same as if he had applied for registration in person.

Any otherwise qualified person who is absent from his county of residence due to business of the United States, or who is temporarily residing outside the territorial limits of the United States, may make application to become registered by mail to the Board of Election Commissioners within the periods for registration provided for in this Article or by simultaneous application for absentee registration and absentee ballot as provided in Article 20 of this Code.

The extension shall be for a period of hours sufficient to allow adequate opportunity for examination of the records but the election authority is not required to extend its hours beyond the period beginning at its normal opening for business and ending at midnight. If the business hours are so extended, the election authority shall post a public notice of such extended hours. Registration record cards may also be inspected, upon approval of the officer in charge of the cards, during the 27 days immediately preceding any election. Registration record cards shall also be open to inspection by certified judges and poll watchers and challengers at the polling place on election day, but only to the extent necessary to determine the question of the right of a person to vote or to serve as a judge of election. At no time shall poll watchers or challengers be allowed to physically handle the registration record cards.

Updated copies of computer tapes or computer discs or other electronic data processing information containing voter registration information shall be furnished by the Board of Election Commissioners within 10 days after December 15 and May 15 each year and within 10 days after each registration period is closed to the State Board of Elections in a form prescribed by the State Board. For the purposes of this Section, a registration period is closed 27 days before the date of any regular or special election. Registration information shall include, but not be limited to, the following information: name, sex, residence, telephone number, if any, age, party affiliation, if applicable, precinct, ward, township, county, and representative, legislative and congressional districts. In the event of noncompliance, the State Board of Elections is directed to obtain compliance forthwith with this nondiscretionary duty of the election authority by instituting legal proceedings in the circuit court of the county in which the election authority maintains the registration information. The costs of furnishing updated copies of tapes or discs shall be paid at a rate of $.00034 per name of registered voters in the election jurisdiction, but not less than $50 per tape or disc and shall be paid from appropriations made to the State Board of Elections for reimbursement to the election authority for such purpose. political committee and other than to a governmental entity for a governmental purpose is specifically prohibited except as follows: subject to security measures adopted by the State Board of Elections which, at a minimum, shall include the keeping of a catalog or database, available for public view, including the name, address, and telephone number of the person viewing the list as well as the time of that viewing, any person may view the centralized statewide voter registration list on a computer screen at the Springfield office of the State Board of Elections, during normal business hours other than during the 27 days before an election, but the person viewing the list under this exception may not print, duplicate, transmit, or alter the list. Copies of the tapes, discs or other electronic data shall be furnished by the Board of Election Commissioners to local political committees and governmental entities at their request and at a reasonable cost. Reasonable cost of the tapes, discs, etcetera for this purpose would be the cost of duplication plus 15% for administration. The individual representing a political committee requesting copies of such tapes shall make a sworn affidavit that the information shall be used only for bona fide political purposes, including by or for candidates for office or incumbent office holders. Such tapes, discs or other electronic data shall not be used under any circumstances by any political committee or individuals for purposes of commercial solicitation or other business purposes. If such tapes contain information on county residents related to the operations of county government in addition to registration information, that information shall not be used under any circumstances for commercial solicitation or other business purposes. The prohibition in this Section against using the computer tapes or computer discs or other electronic data processing information containing voter registration information for purposes of commercial solicitation or other business purposes shall be prospective only from the effective date of this amended Act of 1979. Any person who violates this provision shall be guilty of a Class 4 felony.

The State Board of Elections shall promulgate, by October 1, 1987, such regulations as may be necessary to ensure uniformity throughout the State in electronic data processing of voter registration information. The regulations shall include, but need not be limited to, specifications for uniform medium, communications protocol and file structure to be employed by the election authorities of this State in the electronic data processing of voter registration information. Each election authority...
utilizing electronic data processing of voter registration information shall comply with such regulations on and after May 15, 1988.

If the applicant for registration was last registered in another county within this State, he shall also sign a certificate authorizing cancellation of the former registration. The certificate shall be in substantially the following form:

It shall be the duty of the Board of Election Commissioners when complaint is made to them, to investigate the action of such canvassers and to cause them or either of them to be brought before the circuit court and to prosecute them as for contempt, and also at the discretion of the Board of Election Commissioners, to cause them to be prosecuted criminally for such wilful neglect of duty.

Sec. 6-57. To each person who registers at the office of the board of election commissioners or at any place designated by such board under Section 6-51 of this Article, after the first registration under this Article, the board shall send by mail, and electronic mail if the registrant has provided the board of election committees with an e-mail address, a notice setting forth the elector's name and address as it appears on the registration record card, and shall request him in case of any error to present the notice on or before the tenth day next ensuing at the office of the Board of Election Commissioners in order to secure the correction of the error. Such notice shall contain on the outside a request for the postmaster to return it within five days if it cannot be delivered to the addressee at the address given thereon. Sec. 6-79. Computerization of voter records.
(a) The State Board of Elections shall design a registration record card that, except as otherwise provided in this Section, shall be used in duplicate by all election authorities in the State adopting a computer-based voter registration file as provided in this Section. The Board shall prescribe the form and specifications, including but not limited to the weight of paper, color, and print of the cards. The cards shall contain boxes or spaces for the information required under Sections 6-31.1 and 6-35; provided that the cards shall also contain: (i) A space for the person to fill in his or her Illinois driver's license number if the person has a driver's license; (ii) A space for a person without a driver's license to fill in the last four digits of his or her social security number if the person has a social security number.

(b) The election authority may develop and implement a system to prepare, use, and maintain a computer-based voter registration file that includes a computer-stored image of the signature of each voter. The computer-based voter registration file may be used for all purposes for which the original registration cards are to be used, provided that a system for the storage of at least one copy of the original registration cards remains in effect. In the case of voter registration forms received via an online voter registration system, the original registration cards will include the signature received from the Secretary of State database. The electronic file shall be the master file.

(c) Any system created, used, and maintained under subsection (b) of this Section shall meet the following standards:

(1) Access to any computer-based voter registration file shall be limited to those persons authorized by the election

authority, and each access to the computer-based voter registration file, other than an access solely for inquiry, shall be recorded.

(2) No copy, summary, list, abstract, or index of any computer-based voter registration file that includes any computer-stored image of the signature of any registered voter shall be made available to the public outside of the offices of the election authority.

(3) Any copy, summary, list, abstract, or index of any computer-based voter registration file that includes a computer-stored image of the signature of a registered voter shall be produced in such a manner that it cannot be reproduced.

(4) Each person desiring to vote shall sign an application for a ballot, and the signature comparison authorized in Articles 17 and 18 of this Code may be made to a copy of the computer-stored image of the signature of the registered voter.

(5) Any voter list produced from a computer-based voter registration file that includes computer-stored images of the signatures of registered voters and is used in a polling place during an election shall be preserved by the election authority in secure storage until the end of the second calendar year following the election in which it was used.

(d) Before the first election in which the election authority elects to use a voter list produced from the computer-stored images of the signatures of registered voters in a computer-based voter registration file for signature comparison in a polling place, the State Board of Elections shall certify that the system used by the election authority complies with the standards set forth in this Section. The State Board of Elections may request a sample poll list intended to be used in a polling place to test the accuracy of the list and the adequacy of the computer-stored images of the signatures of the registered voters.

(e) With respect to a jurisdiction that has copied all of its voter signatures into a computer-based registration file, all references in this Act or any other Act to the use, other than storage, of paper-based voter registration records shall be deemed to refer to their computer-based equivalents.

(f) Nothing in this Section prevents an election authority from submitting to the State Board of Elections a duplicate copy of some, as the State Board of Elections shall determine, or all of the data contained in each voter registration record that is part of the electronic master file. The
duplicate copy of the registration record shall be maintained by the State Board of Elections under the same terms and limitations applicable to the election authority and shall be of equal legal dignity with the original registration record maintained by the election authority as proof of any fact contained in the voter registration record.

Sec. 6-100. Grace period. Notwithstanding any other provision of this Code to the contrary, each election authority shall establish procedures for the registration of voters and for change of address during the period from the close of registration for a primary or election and until the 3rd day before the primary or election. During this grace period, an unregistered qualified elector may register to vote, and a registered voter may submit a change of address form, in person in the office of the election authority or at a voter registration location specifically designated for this purpose by the election authority. The election authority shall register that individual, or change a registered voter's address, in the same manner as otherwise provided by this Article for registration and change of address.

If a voter who registers or changes address during this grace period wishes to vote at the first election or primary occurring after the grace period, he or she must do so by grace period voting, either in person in the office of the election authority or at a location specifically designated for this purpose by the election authority, or by mail, at the discretion of the election authority. The election authority shall offer in-person grace period voting at the authority's office and may offer in-person grace period voting at additional locations specifically designated for the purpose of grace period voting by the election authority. The election authority may allow grace period voting by mail only if the election authority has no ballots prepared at the authority's office. Grace period voting shall be in a manner substantially similar to voting under Article 19.

Within one day after a voter casts a grace period ballot, or within one day after the ballot is received by the election authority if the election authority allows grace period voting by mail, the election authority shall transmit by electronic means pursuant to a process established by the State Board of Elections the voter's name, street address, e-mail address, and precinct, ward, township, and district numbers, as the case may be, to the State Board of Elections, which shall maintain those names and that

The name of each person issued a grace period ballot shall also be placed on the appropriate precinct list of persons to whom absentee and early ballots have been issued, for use as provided in Sections 17-9 and 18-5.

A person who casts a grace period ballot shall not be permitted to revoke that ballot and vote another ballot with respect to that primary or election. Ballots cast by persons who register or change address during the grace period must be transmitted to and counted at the election authority's central ballot counting location and shall not be transmitted to and counted at precinct polling places. The grace period ballots determined to be valid shall be added to the vote totals for the precincts for which they were cast in the order in which the ballots were opened.

The fact that some territory in a county is within the corporate limits of a city, village or incorporated town with a board of election commissioners does not prevent that county from establishing a county board of election commissioners in accordance with this Article if no portion of such city, village or incorporated town was within the county at the time of the establishment of the board of election commissioners for such city, village or incorporated town. If such a county establishes a county board of election commissioners pursuant to this Article, the county board of election commissioners shall, with respect to the territory in the county within the corporate limits of the city, village or incorporated town, supersede the board of election commissioners of that city, village or incorporated town.

(b) Any county with a population of more than 700,000 persons as of the 2010 federal decennial census that borders another state and borders no more than 2 other Illinois counties, shall be subject to a county board of election commissioners beginning 90 days after the effective date of this amendatory Act of the 98th General Assembly.

All petitions received thereafter shall be deemed filed in the order of actual receipt. However, 2 or more petitions filed within the last hour of the filing deadline shall be deemed filed simultaneously. Where 2 or more petitions are received simultaneously, the State Board of Elections, the election authority or the local election official with whom such petitions are filed shall break ties and determine the order of filing by means of a lottery or other fair and impartial method of random selection approved by the State Board of Elections. Such lottery shall be conducted within 9 days following the last day for petition filing and shall be open to the public. Seven days written notice of the time and place of conducting such random selection shall be given, by the State Board of Elections, the election authority, or local election official, to the Chairman of each political party, and to each organization of citizens within the election jurisdiction which was entitled, under this Code, at the next preceding election, to have pollwatchers present on the day of election. The State Board of Elections, the election authority or local election official shall post in a conspicuous, open and public place, at the entrance of the office, notice of the time and place of such lottery. The State Board of Elections shall adopt rules and regulations governing the procedures for the conduct of such lottery. Sec. 10-7. Any person whose name has been presented as a candidate may cause his name to be withdrawn from any such nomination by his request in writing, signed by him and duly acknowledged before an officer qualified to take acknowledgment of deeds, and presented to the principal office or permanent branch office of the Board, the election authority, or the local election official, as the case may be, not later than the date for certification of candidates for the ballot. No name so withdrawn shall be printed upon the ballots under the party appellation or title from which the candidate has withdrawn his name. If such a request for withdrawal is received after the date for certification of the candidates for the ballot, then the votes cast for the withdrawn candidate are invalid and shall not be reported by the election authority. If the name of the same person has been presented as a candidate for 2 or more offices which are incompatible so that the same person could not serve in more than one of such offices if elected, that person must withdraw as a candidate for all but one of such offices within the 5 business days following the last day for petition filing. If he fails to withdraw as a candidate for all but one of such offices within such time, his name shall not be certified, nor printed on the ballot, for any office. However, nothing in this section shall be construed as precluding a judge who is seeking retention in office from also being a candidate for another judicial office. Except as otherwise herein provided,
in case the certificate of nomination or petition as provided for in this Article shall contain or exhibit the name of any candidate for any office upon more than one of said certificates or petitions (for the same office), then and in that case the Board or election authority or local election official, as the case may be, shall immediately notify said candidate of said fact and that his name appears unlawfully upon more than one of said certificates or petitions and that within 3 days from the receipt of said notification, said candidate must elect as to which of said political party appellations or groups he desires his name to appear and remain under upon said ballot, and if said candidate refuses, fails or neglects to make such election, then and in that case the Board or election authority or local election official, as the case may be, shall permit the name of said candidate to appear or be printed or placed upon said ballot only under the political party appellation or group appearing on the certificate of nomination or petition, as the case may be, first filed, and shall strike or cause to be stricken the name of said candidate from all certificates of nomination and petitions filed after the first such certificate of nomination or petition.

Whenever the name of a candidate for an office is withdrawn from a new political party petition, it shall constitute a vacancy in nomination for that office which may be filled in accordance with Section 10-11 of this Article; provided, that if the names of all candidates for all offices on a new political party petition are withdrawn or such petition is declared invalid by an electoral board or upon judicial review, no vacancies in nomination for those offices shall exist and the filing of any notice or resolution purporting to fill vacancies in nomination shall have no legal effect.

Whenever the name of an independent candidate for an office is withdrawn or an independent candidate's petition is declared invalid by an electoral board or upon judicial review, no vacancy in nomination for that office shall exist and the filing of any notice or resolution purporting to fill a vacancy in nomination shall have no legal effect.

All certificates of nomination and nomination papers when presented or filed shall be open, under proper regulation, to public inspection, and the State Board of Elections and the several election authorities and local election officials having charge of nomination papers shall preserve the same in their respective offices not less than 6 months.

board other than the State Board of Elections shall send a call by registered
or certified mail to each of the members of the electoral board, and to the
objector who filed the objector's petition, and either to the candidate
whose certificate of nomination or nomination papers are objected to or to
the principal proponent or attorney for proponents of a question of public
policy, as the case may be, whose petitions are objected to, and shall also
cause the sheriff of the county or counties in which such officers and
persons reside to serve a copy of such call upon each of such officers and
persons, which call shall set out the fact that the electoral board is required
to meet to hear and pass upon the objections to nominations made for the
office, designating it, and shall state the day, hour and place at which the
electoral board shall meet for the purpose, which place shall be in the
county court house in the county in the case of the County Officers
Electoral Board, the Municipal Officers Electoral Board, the Township
Officers Electoral Board or the Education Officers Electoral Board, except
that the Municipal Officers Electoral Board, the Township Officers
Electoral Board, and the Education Officers Electoral Board may meet at
the location where the governing body of the municipality, township, or
school or community college district, respectively, holds its regularly
scheduled meetings, if that location is available; provided that voter
records may be removed from the offices of an election authority only at
the discretion and under the supervision of the election authority. In those
cases where the State Board of Elections is the electoral board designated
under Section 10-9, the chairman of the State Board of Elections shall,
within 24 hours after the receipt of the certificate of nomination or
nomination papers or petitions for a proposed amendment to Article IV of
the Constitution or proposed statewide question of public policy, send a

the electoral board shall meet for the purpose, which place may be in the
Capitol Building or in the principal or permanent branch office of the State
Board. The day of the meeting shall not be less than 3 nor more than 5
days after the receipt of the certificate of nomination or nomination papers
and the objector's petition by the chairman of the electoral board.

The electoral board shall have the power to administer oaths and to

chairman may issue subpoenas requiring the attendance of witnesses and subpoenas duces tecum requiring the production of such books, papers, records and documents as may be evidence of any matter under inquiry before the electoral board, in the same manner as witnesses are subpoenaed in the Circuit Court.

Service of such subpoenas shall be made by any sheriff or other person in the same manner as in cases in such court and the fees of such sheriff shall be the same as is provided by law, and shall be paid by the objector or candidate who causes the issuance of the subpoena. In case any person so served shall knowingly neglect or refuse to obey any such subpoena, or to testify, the electoral board shall at once file a petition in the circuit court of the county in which such hearing is to be heard, or has been attempted to be heard, setting forth the facts, of such knowing refusal or neglect, and accompanying the petition with a copy of the citation and the answer, if one has been filed, together with a copy of the subpoena and the return of service thereon, and shall apply for an order of court requiring such person to attend and testify, and forthwith produce books and papers, before the electoral board. Any circuit court of the state, excluding the judge who is sitting on the electoral board, upon such showing shall order such person to appear and testify, and to forthwith produce such books and papers, before the electoral board at a place to be fixed by the court. If such person shall knowingly fail or refuse to obey such order of the court without lawful excuse, the court shall punish him or her by fine and imprisonment, as the nature of the case may require and may be lawful in cases of contempt of court.

The electoral board on the first day of its meeting shall adopt rules of procedure for the introduction of evidence and the presentation of arguments and may, in its discretion, provide for the filing of briefs by the parties to the objection or by other interested persons.

In the event of a State Electoral Board hearing on objections to a petition for an amendment to Article IV of the Constitution pursuant to Section 3 of Article XIV of the Constitution, or to a petition for a question of public policy to be submitted to the voters of the entire State, the certificates of the county clerks and boards of election commissioners showing the results of the random sample of signatures on the petition shall be prima facie valid and accurate, and shall be presumed to establish the number of valid and invalid signatures on the petition sheets reviewed in the random sample, as prescribed in Section 28-11 and 28-12 of this Code. Either party, however, may introduce evidence at such hearing to

dispute the findings as to particular signatures. In addition to the foregoing, in the absence of competent evidence presented at such hearing by a party substantially challenging the results of a random sample, or showing a different result obtained by an additional sample, this certificate of a county clerk or board of election commissioners shall be presumed to establish the ratio of valid to invalid signatures within the particular election jurisdiction.

The electoral board shall take up the question as to whether or not the certificate of nomination or nomination papers or petitions are in proper form, and whether or not they were filed within the time and under the conditions required by law, and whether or not they are the genuine certificate of nomination or nomination papers or petitions which they purport to be, and whether or not in the case of the certificate of nomination in question it represents accurately the decision of the caucus or convention issuing it, and in general shall decide whether or not the certificate of nomination or nominating papers or petitions on file are valid or whether the objections thereto should be sustained and the decision of a majority of the electoral board shall be final subject to judicial review as provided in Section 10-10.1. The electoral board must state its findings in writing and must state in writing which objections, if any, it has sustained. A copy of the decision shall be served upon the parties to the proceedings in open proceedings before the electoral board. If a party does not appear for receipt of the decision, the decision shall be deemed to have been served on the absent party on the date when a copy of the decision is personally delivered or on the date when a copy of the decision is deposited in the United States mail, in a sealed envelope or package, with postage prepaid, addressed to each party affected by the decision or to such party's attorney of record, if any, at the address on record for such person in the files of the electoral board.

Upon the expiration of the period within which a proceeding for judicial review must be commenced under Section 10-10.1, the electoral board shall, unless a proceeding for judicial review has been commenced within such period, transmit, by registered or certified mail, a certified copy of its ruling, together with the original certificate of nomination or nomination papers or petitions and the original objector's petition, to the officer or board with whom the certificate of nomination or nomination papers or petitions, as objected to, were on file, and such officer or board shall abide by and comply with the ruling so made to all intents and purposes.

Sec. 17-23. Pollwatchers in a general election shall be authorized in the following manner:

(1) Each established political party shall be entitled to appoint two pollwatchers per precinct. Such pollwatchers must be affiliated with the political party for which they are pollwatching. For all elections, the pollwatchers must be registered to vote in Illinois.

(2) Each candidate shall be entitled to appoint two pollwatchers per precinct. For all elections, the pollwatchers must be registered to vote in Illinois.

(3) Each organization of citizens within the county or political subdivision, which has among its purposes or interests the investigation or prosecution of election frauds, and which shall have registered its name and address and the name and addresses of its principal officers with the proper election authority at least 40 days before the election, shall be entitled to appoint one pollwatcher per precinct. For all elections, the pollwatcher must be registered to vote in Illinois.

(3.5) Each State nonpartisan civic organization within the county or political subdivision shall be entitled to appoint one pollwatcher per precinct, provided that no more than 2 pollwatchers appointed by State nonpartisan civic organizations shall be present in a precinct polling place at the same time. Each organization shall have registered the names and addresses of its principal officers with the proper election authority at least 40 days before the election. The pollwatchers must be registered to vote in Illinois. For the purpose of this paragraph, a "State nonpartisan civic organization" means any corporation, unincorporated association, or organization that:

(i) as part of its written articles of incorporation, bylaws, or charter or by separate written declaration, has among its stated purposes the provision of voter information and education, the protection of individual voters' rights, and the promotion of free and equal elections;

(ii) is organized or primarily conducts its activities within the State of Illinois; and

(iii) continuously maintains an office or business location within the State of Illinois, together with a current listed telephone number (a post office box number without a current listed telephone number is not sufficient).
(4) In any general election held to elect candidates for the offices of a municipality of less than 3,000,000 population that is situated in 2 or more counties, a pollwatcher who is a resident of Illinois shall be eligible to serve as a pollwatcher in any poll located within such municipality, provided that such pollwatcher otherwise complies with the respective requirements of subsections (1) through (3) of this Section and is a registered voter in Illinois.

(5) Each organized group of proponents or opponents of a ballot proposition, which shall have registered the name and address of its organization or committee and the name and address of its chairman with the proper election authority at least 40 days before the election, shall be entitled to appoint one pollwatcher per precinct. The pollwatcher must be registered to vote in Illinois.

All pollwatchers shall be required to have proper credentials. Such credentials shall be printed in sufficient quantities, shall be issued by and under the facsimile signature(s) of the election authority or the State Board of Elections and shall be available for distribution by the election authority and State Board of Elections at least 2 weeks prior to the election. Such credentials shall be authorized by the real or facsimile signature of the State or local party official or the candidate or the presiding officer of the civic organization or the chairman of the proponent or opponent group, as the case may be. Neither the election authority nor the State Board of Elections may not require any such party official or the candidate or the presiding officer of the civic organization or the chairman of the proponent or opponent group to submit the names or other information concerning pollwatchers before making credentials available to such persons or organizations.

Pollwatcher credentials shall be in substantially the following form:

POLLWATCHER CREDENTIALS
TO THE JUDGES OF ELECTION:

In accordance with the provisions of the Election Code, the undersigned hereby appoints .......... (name of pollwatcher) who resides at .......... (address) in the county of ..........., .......... (township or municipality) of .......... (name), State of Illinois and who is duly registered to vote from this address, to act as a pollwatcher in the .......... precinct of the .......... ward (if applicable) of the .......... (township or municipality) of .......... at the .......... election to be held on (insert date).

........................(Signature of Appointing Authority)
Under penalties provided by law pursuant to Section 29-10 of the Election Code, the undersigned pollwatcher certifies that he or she resides at ................ (address) in the county of ............, ........ (township or municipality) of .......... (name), State of Illinois, and is duly registered to vote in Illinois.

(Precinct and/or Ward in Which Pollwatcher Resides) (Signature of Pollwatcher)

Pollwatchers must present their credentials to the Judges of Election upon entering the polling place. Pollwatcher credentials properly executed and signed shall be proof of the qualifications of the pollwatcher authorized thereby. Such credentials are retained by the Judges and returned to the Election Authority at the end of the day of election with the other election materials. Once a pollwatcher has surrendered a valid credential, he may leave and reenter the polling place provided that such continuing action does not disrupt the conduct of the election. Pollwatchers may be substituted during the course of the day, but established political parties, candidates and qualified civic organizations can have only as many pollwatchers at any given time as are authorized in this Article. A substitute must present his signed credential to the judges of election upon entering the polling place. Election authorities must provide a sufficient number of credentials to allow for substitution of pollwatchers. After the polls have closed pollwatchers shall be allowed to remain until the canvass of votes is completed; but may leave and reenter only in cases of necessity, provided that such action is not so continuous as to disrupt the canvass of votes.

Candidates seeking office in a district or municipality encompassing 2 or more counties shall be admitted to any and all polling places throughout such district or municipality without regard to the counties in which such candidates are registered to vote. Actions of such candidates shall be governed in each polling place by the same privileges and limitations that apply to pollwatchers as provided in this Section. Any such candidate who engages in an activity in a polling place which could reasonably be construed by a majority of the judges of election as campaign activity shall be removed forthwith from such polling place.

Pollwatchers shall be permitted to observe all proceedings and view all reasonably requested records relating to the conduct of the election, provided the secrecy of the ballot is not impinged, and to station themselves in a position in the voting room as will enable them to observe the judges making the signature comparison between the voter application and the voter registration record card; provided, however, that such pollwatchers shall not be permitted to station themselves in such close proximity to the judges of election so as to interfere with the orderly conduct of the election and shall not, in any event, be permitted to handle election materials. Pollwatchers may challenge for cause the voting qualifications of a person offering to vote and may call to the attention of the judges of election any incorrect procedure or apparent violations of this Code.

If a majority of the judges of election determine that the polling place has become too overcrowded with pollwatchers so as to interfere with the orderly conduct of the election, the judges shall, by lot, limit such

pollwatchers to a reasonable number, except that each established or new political party shall be permitted to have at least one pollwatcher present.

Representatives of an election authority, with regard to an election under its jurisdiction, the State Board of Elections, and law enforcement agencies, including but not limited to a United States Attorney, a State's attorney, the Attorney General, and a State, county, or local police department, in the performance of their official election duties, shall be permitted at all times to enter and remain in the polling place. Upon entering the polling place, such representatives shall display their official credentials or other identification to the judges of election.

Uniformed police officers assigned to polling place duty shall follow all lawful instructions of the judges of election.

Sec. 18A-15. Validating and counting provisional ballots.

(a) The county clerk or board of election commissioners shall complete the validation and counting of provisional ballots within 14 calendar days of the day of the election. The county clerk or board of election commissioners shall have 7 calendar days from the completion of the validation and counting of provisional ballots to conduct its final canvass. The State Board of Elections shall complete within 31 calendar days of the election or sooner if all the returns are received, its final canvass of the vote for all public offices.

(b) If a county clerk or board of election commissioners determines that all of the following apply, then a provisional ballot is valid and shall be counted as a vote:

(1) the provisional voter cast the provisional ballot in the correct precinct based on the address provided by the provisional voter. The provisional voter's affidavit shall serve as a change of address request by that voter for registration purposes for the next ensuing election if it bears an address different from that in the records of the election authority. Votes for federal and statewide offices on a provisional ballot cast in the incorrect precinct that meet the other requirements of this subsection shall be valid and counted in accordance with rules adopted by the State Board of Elections. As used in this item, "federal office" is defined as

New matter indicated in italics - deletions by strikeout
provided in Section 20-1 and "statewide office" means the Governor, Attorney General, Secretary of State, Comptroller, and Treasurer. Votes for General Assembly, countywide, citywide, or township office on a provisional ballot cast in the incorrect precinct but in the correct legislative district, representative district, county, municipality, or township, as the case may be, shall be valid and counted in accordance with rules adopted by the State Board of Elections. As used in this item, "citywide office" means an office elected by the electors of an entire municipality. As used in this item, "township office" means an office elected by the electors of an entire township;

(2) the affidavit executed by the provisional voter pursuant to subsection (b)(2) of Section 18A-5 contains, at a minimum, the provisional voter's first and last name, house number and street name, and signature or mark;

(3) the provisional voter is a registered voter based on information available to the county clerk or board of election commissioners provided by or obtained from any of the following:
   i. the provisional voter;
   ii. an election judge;
   iii. the statewide voter registration database maintained by the State Board of Elections;
   iv. the records of the county clerk or board of election commissioners' database; or
   v. the records of the Secretary of State; and

(4) for a provisional ballot cast under item (6) of subsection (a) of Section 18A-5, the voter did not vote by absentee ballot in the election at which the provisional ballot was cast.

(c) With respect to subsection (b)(3) of this Section, the county clerk or board of election commissioners shall investigate and record whether or not the specified information is available from each of the 5 identified sources. If the information is available from one or more of the identified sources, then the county clerk or board of election commissioners shall seek to obtain the information from each of those sources until satisfied, with information from at least one of those sources, that the provisional voter is registered and entitled to vote. The county clerk or board of election commissioners shall use any information it obtains as the basis for determining the voter registration status of the provisional voter. If a conflict exists among the information available to

New matter indicated in italics - deletions by strikeout
the county clerk or board of election commissioners as to the registration status of the provisional voter, then the county clerk or board of election commissioners shall make a determination based on the totality of the circumstances. In a case where the above information equally supports or opposes the registration status of the voter, the county clerk or board of election commissioners shall decide in favor of the provisional voter as being duly registered to vote. If the statewide voter registration database maintained by the State Board of Elections indicates that the provisional voter is registered to vote, but the county clerk's or board of election commissioners' voter registration database indicates that the provisional voter is not registered to vote, then the information found in the statewide voter registration database shall control the matter and the provisional voter shall be deemed to be registered to vote. If the records of the county clerk or board of election commissioners indicates that the provisional voter is registered to vote, but the statewide voter registration database maintained by the State Board of Elections indicates that the provisional voter is not registered to vote, then the information found in the records of the county clerk or board of election commissioners shall control the matter and the provisional voter shall be deemed to be registered to vote. If the provisional voter's signature on his or her provisional ballot request varies from the signature on an otherwise valid registration application solely because of the substitution of initials for the first or middle name, the election authority may not reject the provisional ballot.

(d) In validating the registration status of a person casting a provisional ballot, the county clerk or board of election commissioners shall not require a provisional voter to complete any form other than the affidavit executed by the provisional voter under subsection (b)(2) of Section 18A-5. In addition, the county clerk or board of election commissioners shall not require all provisional voters or any particular class or group of provisional voters to appear personally before the county clerk or board of election commissioners or as a matter of policy require provisional voters to submit additional information to verify or otherwise support the information already submitted by the provisional voter. Within 2 calendar days after the election, the election authority shall transmit by electronic means pursuant to a process established by the State Board of Elections the name, street address, e-mail address, and precinct, ward, township, and district numbers, as the case may be, of each person casting a provisional ballot to the State Board of Elections, which shall maintain those names and that information in an electronic format on its website,

arranged by county and accessible to State and local political committees. The provisional voter may, within 7 ± calendar days after the election, submit additional information to the county clerk or board of election commissioners. This information must be received by the county clerk or board of election commissioners within the 7-calendar-day ± calendar-day period.

(e) If the county clerk or board of election commissioners determines that subsection (b)(1), (b)(2), or (b)(3) does not apply, then the provisional ballot is not valid and may not be counted. The provisional ballot envelope containing the ballot cast by the provisional voter may not be opened. The county clerk or board of election commissioners shall write on the provisional ballot envelope the following: "Provisional ballot determined invalid."

(f) If the county clerk or board of election commissioners determines that a provisional ballot is valid under this Section, then the provisional ballot envelope shall be opened. The outside of each provisional ballot envelope shall also be marked to identify the precinct and the date of the election.

(g) Provisional ballots determined to be valid shall be counted at the election authority's central ballot counting location and shall not be counted in precincts. The provisional ballots determined to be valid shall be added to the vote totals for the precincts from which they were cast in the order in which the ballots were opened. The validation and counting of provisional ballots shall be subject to the provisions of this Code that apply to pollwatchers. If the provisional ballots are a ballot of a punch card voting system, then the provisional ballot shall be counted in a manner consistent with Article 24A. If the provisional ballots are a ballot of optical scan or other type of approved electronic voting system, then the provisional ballots shall be counted in a manner consistent with Article 24B.

(h) As soon as the ballots have been counted, the election judges or election officials shall, in the presence of the county clerk or board of election commissioners, place each of the following items in a separate envelope or bag: (1) all provisional ballots, voted or spoiled; (2) all provisional ballot envelopes of provisional ballots voted or spoiled; and (3) all executed affidavits of the provisional ballots voted or spoiled. All provisional ballot envelopes for provisional voters who have been determined not to be registered to vote shall remain sealed. The county clerk or board of election commissioners shall treat the provisional ballot

envelope containing the written affidavit as a voter registration application for that person for the next election and process that application. The election judges or election officials shall then securely seal each envelope or bag, initial the envelope or bag, and plainly mark on the outside of the envelope or bag in ink the precinct in which the provisional ballots were cast. The election judges or election officials shall then place each sealed envelope or bag into a box, secure and seal it in the same manner as described in item (6) of subsection (b) of Section 18A-5. Each election judge or election official shall take and subscribe an oath before the county clerk or board of election commissioners that the election judge or election official securely kept the ballots and papers in the box, did not permit any person to open the box or otherwise touch or tamper with the ballots and papers in the box, and has no knowledge of any other person opening the box. For purposes of this Section, the term "election official" means the county clerk, a member of the board of election commissioners, as the case may be, and their respective employees.

municipal and township clerk's offices under this Section shall be conducted from the 22nd day through the day before the election.

Municipal and township clerks (or road district clerks) who have regularly scheduled working hours at regularly designated offices other than a place of residence and whose offices are open for business during the same hours as the office of the election authority shall conduct in-person absentee voting for said elections. Municipal and township clerks (or road district clerks) who have no regularly scheduled working hours but who have regularly designated offices other than a place of residence shall conduct in-person absentee voting for said elections during the hours of 8:30 a.m. to 4:30 p.m. or 9:00 a.m. to 5:00 p.m., weekdays, and 9:00 a.m. to 12:00 noon on Saturdays, but not during such hours as the office of the election authority is closed, unless the clerk files a written waiver with the election authority not later than July 1 of each year stating that he or she is unable to conduct such voting and the reasons therefor. Such clerks who conduct in-person absentee voting may extend their hours for that purpose to include any hours in which the election authority's office is open. Municipal and township clerks (or road district clerks) who have no regularly scheduled office hours and no regularly designated offices other than a place of residence may not conduct in-person absentee voting for said elections. The election authority may devise alternative methods for in-person absentee voting before said elections for those precincts located within the territorial area of a municipality or township (or road district) wherein the clerk of such municipality or township (or road district) has waived or is not entitled to conduct such voting. In addition, electors may vote by absentee ballot under the provisions of Section 19-1 at the office of the election authority having jurisdiction over their residence. Unless specifically authorized by the election authority, municipal, township, and road district clerks shall not conduct in-person absentee voting. No less than 45 days before the date of an election, the election authority shall notify the municipal, township, and road district clerks within its jurisdiction if they are to conduct in-person absentee voting. Election authorities, however, may conduct in-person absentee voting in one or more designated appropriate public buildings from the fourth day before the election through the day before the election.

In conducting in-person absentee voting under this Section, the respective clerks shall be required to verify the signature of the absentee voter by comparison with the signature on the official registration record card. The clerk also shall reasonably ascertain the identity of such
applicant, shall verify that each such applicant is a registered voter, and shall verify the precinct in which he or she is registered and the proper ballots of the political subdivisions in which the applicant resides and is entitled to vote, prior to providing any absentee ballot to such applicant. The clerk shall verify the applicant's registration and from the most recent poll list provided by the county clerk, and if the applicant is not listed on that poll list then by telephoning the office of the county clerk.

Within one day after a voter casts an in-person absentee ballot, the appropriate election authority shall transmit by electronic means pursuant to a process established by the State Board of Elections the voter's name, street address, e-mail address, and precinct, ward, township, and district numbers, as the case may be, to the State Board of Elections, which shall maintain those names and that information in an electronic format on its website, arranged by county and accessible to State and local political committees.

Absentee voting procedures in the office of the municipal, township and road district clerks shall be subject to all of the applicable provisions of this Article 19. Pollwatchers may be appointed to observe in-person absentee voting procedures and view all reasonably requested records relating to the conduct of the election, provided the secrecy of the ballot is not impinged, at the office of the municipal, township or road district clerks' offices where such absentee voting is conducted. Such pollwatchers shall qualify and be appointed in the same manner as provided in Sections 7-34 and 17-23, except each candidate, political party or organization of citizens may appoint only one pollwatcher for each location where in-person absentee voting is conducted. Pollwatchers must be registered to vote in Illinois and possess valid pollwatcher credentials. All requirements in this Article applicable to election authorities shall apply to the respective local clerks, except where inconsistent with this Section.

The sealed absentee ballots in their carrier envelope shall be delivered by the respective clerks, or by the election authority on behalf of a clerk if the clerk and the election authority agree, to the election authority's central ballot counting location before the close of the polls on the day of the general primary, consolidated primary, consolidated, or general election.

Not more than 23 days before the general and consolidated elections, the county clerk shall make available to those municipal, township and road district clerks conducting in-person absentee voting

The respective clerks shall receipt for all ballots received, shall return all unused or spoiled ballots to the county clerk on the day of the election and shall strictly account for all ballots received.

The ballots delivered to the respective clerks shall include absentee ballots for each precinct in the municipality, township or road district, or shall include such separate ballots for each political subdivision conducting an election of officers or a referendum on that election day as will permit any resident of the municipality, township or road district to vote absentee in the office of the proper clerk.

The clerks of all municipalities, townships and road districts may distribute applications for absentee ballot for the use of voters who wish to mail such applications to the appropriate election authority. Any person may produce, reproduce, distribute, or return to an election authority the application for absentee ballot. Upon receipt, the appropriate election authority shall accept and promptly process any application for absentee ballot.

Sec. 27-6. Courses in physical education required; special activities.

(a) Pupils enrolled in the public schools and State universities engaged in preparing teachers shall be required to engage daily during the school day, except on block scheduled days for those public schools engaged in block scheduling, in courses of physical education for such periods as are compatible with the optimum growth and developmental needs of individuals at the various age levels except when appropriate excuses are submitted to the school by a pupil's parent or guardian or by a person licensed under the Medical Practice Act of 1987 and except as provided in subsection (b) of this Section.

Special activities in physical education shall be provided for pupils whose physical or emotional condition, as determined by a person licensed under the Medical Practice Act of 1987, prevents their participation in the courses provided for normal children.

(b) A school board is authorized to excuse pupils enrolled in grades 11 and 12 from engaging in physical education courses if those pupils request to be excused for any of the following reasons: (1) for ongoing participation in an interscholastic athletic program; (2) to enroll in academic classes which are required for admission to an institution of higher learning, provided that failure to take such classes will result in the pupil being denied admission to the institution of his or her choice; or (3) to enroll in academic classes which are required for graduation from high school, provided that failure to take such classes will result in the pupil being unable to graduate. A school board may also excuse pupils in grades 9 through 12 enrolled in a marching band program for credit from engaging in physical education courses if those pupils request to be excused for ongoing participation in such marching band program. However, a pupil requiring adapted physical education must receive that service in accordance with the individualized education program developed for the pupil. If requested, a school board is authorized to excuse a pupil from engaging in a physical education course if the pupil has an individualized educational program under Article 14 of this Code, is participating in an adaptive athletic program outside of the school setting, and documents such participation as determined by the school board. (a) Purpose. The purpose of this Section is to provide for assistance to disadvantaged business enterprises with project financing costs for those firms that are ready, willing, and able to participate on Department construction contracts. The Department's disparity study recommends and supports a financing program to address this barrier faced by disadvantaged business enterprises.

(b) For the purposes of this Section:

"Construction" means building, altering, repairing, improving, or demolishing any public structure or building, or making improvements of any kind to public real property. Construction does not include the routine operation, routine repair, or routine maintenance of existing structures, buildings, or real property.

"Construction-related services" means those services including construction design, layout, inspection, support, feasibility or location study, research, development, planning, or other investigative study undertaken by a construction agency concerning construction or potential construction.

"Contractor" means one who participates, through a contract or subcontract at any tier, in a United States Department of Transportation-assisted or Illinois Department of Transportation-assisted highway, rail, transit, or airport program.

"Escrow account" means a fiduciary account established with (1) a banking corporation which is both organized under the Illinois Banking Act and authorized to accept and administer trusts in this State; or (2) a national banking association which has its principal place of business in this State and which is authorized to accept and administer trusts in this State.

"Fund Control Agent" means a person who provides managerial and technical assistance to disadvantaged business enterprises and holds the authority to manage a loan under this Section. The Fund Control Agent will be procured by the Department under a request for proposal process governed by the Illinois Procurement Code and rules adopted under that Code.

"Loan" or "loan assistance funds" means a low-interest line of credit made available to a selected disadvantaged business enterprise under this program for the purposes set forth in subsection (f) below.

(c) The Department may enter into agreements to make loans to disadvantaged business enterprises certified by the Department for participation on Department-procured construction and construction-
related contracts. For purposes of this Section, the term "disadvantaged business enterprise" has the meaning ascribed to it by 49 CFR Part 26.

The Department shall establish a loan selection committee to review applications and select eligible disadvantaged business enterprises for low-interest loans under this program. A selection committee shall be comprised of at least 3 members appointed by the Secretary of the Department and shall include at least one public member from the construction or financing industry. The public member may not be employed or associated with any disadvantaged business enterprise holding a contract with the Department nor may the public member's firm be considered for a contract with the Department while he or she is serving as a public member of the committee. Terms of service for public members shall not exceed 5 years. No public member of the loan selection committee shall hold consecutive terms, nor shall any member receive any compensation other than for reasonable expenses for service related to this committee.

The Department shall establish through administrative rules the requirements for eligibility and criteria for loan applications, approved use of funds, amount of loans, interest rates, collateral, and terms. The Department is authorized to adopt rules to implement this Section.

The Department shall notify the prime contractor on a project that a subcontractor on the same project has been awarded a loan from the Working Capital Revolving Loan Fund. If the loan agreement is amended by the parties of the loan agreement, the prime contractor shall not be a party to any disadvantaged business enterprise loan agreement between the Department and participating subcontractor and shall not incur any liability for loan debt accrued as a result of the loan agreement.

(d) Loan funds shall be disbursed to the escrow account, subject to appropriation, from the Working Capital Revolving Loan Fund established as a special fund in the State treasury. Loaned funds that are repaid to the Department shall be deposited into the Working Capital Revolving Loan Fund. Other appropriations, grants, awards, and donations to the Department for the purpose of the revolving loan program established by this Section shall be deposited into the Working Capital Revolving Loan Fund.

(e) A funds control process shall be established to serve as an intermediary between the Department and the contractor to verify payments and to ensure paperwork is properly filed. The Fund Control Agent and contractor shall enter into an agreement regarding the control

and disbursement of all payments to be made by the Fund Control Agent under the contract. The Department shall authorize and direct the Fund Control Agent to review all disbursement requests and supporting documents received from the contractor. The Fund Control Agent shall direct the escrow account to disburse escrow funds to the subcontractor, material supplier, and other appropriate entities by written request for the disbursement. The disadvantaged business enterprise shall maintain control over its business operations by directing the payments of the loan funds through its relationship with the Funds Control Agent. The funds control process shall require the Fund Control Agent to intercept payments made from a contractor to a subcontractor receiving a loan made under this Act and allow the Fund Control Agent to deduct any unpaid loan repayments owed to the State before releasing the payment to the subcontractor.

(f) Loan assistance funds shall be allowed for current liabilities or working capital expenses associated with participation in the performance of contracts procured and awarded by the Department for transportation construction and construction-related purposes. Loan funds shall not be used for:

1. refinancing or payment of existing long-term debt;
2. payment of non-current taxes;
3. payments, advances, or loans to stockholders, officers, directors, partners, or member owners of limited liability companies; or
4. the purchase or lease of non-construction motor vehicles or equipment.

The loan agreement shall provide for the terms and conditions of repayment which shall not extend repayment longer than final payment made by the Department following completion and acceptance of the work authorized for loan assistance under the program. The funds shall be loaned with interest.

(g) The number of loans one disadvantaged business enterprise may receive under this program is limited to 3. Loans shall not be granted simultaneously. An applicant shall not be permitted to obtain a loan under this program for a different and additional project until payment in full of any outstanding loans granted under this program have been received by the Department.

(h) The rate of interest for any loan shall be set by rule.
(i) The loan amount to any successful applicant shall not exceed 55% percent of the contract or subcontract supporting the loan.

(j) Nothing in this Section shall impair the contractual rights of the Department and the prime contractor or the contractual rights between a prime contractor and subcontractor.

(k) Nothing in this Section is intended nor shall be construed to vest applicants denied funds by the Department in accordance with this Section a right to challenge, protest, or contest the awarding of funds by the Department to successful applicants or any loan or agreement executed in connection with it.

(l) The debt delinquency prohibition under Section 50-11 of the Illinois Procurement Code applies to any future contracts or subcontracts in the event of a loan default.

(m) Investment income which is attributable to the investment of moneys in the Working Capital Revolving Loan Fund shall be retained in the Working Capital Revolving Loan Fund.

(n) By January 1, 2014 and January 1 of each succeeding year, the Department shall report to the Governor and the General Assembly on the utilization and status of the revolving loan program. The report shall, at a minimum, include the amount transferred from the Road Fund to the Working Capital Revolving Loan Fund, the number and size of approved loans, the amounts disbursed to and from the escrow account, the amounts, if any, repaid to the Working Capital Revolving Loan Fund, the interest and fees paid by loan recipients, and the interest earned on balances in the Working Capital Revolving Loan Fund, and the names of any contractors who are delinquent or in default of payment. The January 1, 2017 report shall include an evaluation of the program by the Department to determine the program's viability and progress towards its stated purpose.

(o) The Department's authority to execute additional loans or request transfers to the Working Capital Revolving Loan Fund expires on June 1, 2018. The Comptroller shall order transferred and the Treasurer shall transfer any available balance remaining in the Working Capital Revolving Loan Fund to the Road Fund on January 1, 2019, or as soon thereafter as may be practical. Any loan repayments, interest, or fees that are by the terms of a loan agreement payable to the Working Capital Revolving Loan Fund after June 20, 2018 shall instead be paid into the Road Fund as the successor fund to the Working Capital Revolving Loan Fund.

AN ACT concerning alternative treatment for serious diseases causing chronic pain and debilitating conditions.

Be it enacted by the People of the State of Illinois, represented in the General Assembly:

Section 1. Short title. This Act may be cited as the Compassionate Use of Medical Cannabis Pilot Program Act.

Section 5. Findings.

(a) The recorded use of cannabis as a medicine goes back nearly 5,000 years. Modern medical research has confirmed the beneficial uses of cannabis in treating or alleviating the pain, nausea, and other symptoms associated with a variety of debilitating medical conditions, including cancer, multiple sclerosis, and HIV/AIDS, as found by the National Academy of Sciences' Institute of Medicine in March 1999.

(b) Studies published since the 1999 Institute of Medicine report continue to show the therapeutic value of cannabis in treating a wide array of debilitating medical conditions. These include relief of the neuropathic pain caused by multiple sclerosis, HIV/AIDS, and other illnesses that often fail to respond to conventional treatments and relief of nausea, vomiting, and other side effects of drugs used to treat HIV/AIDS and hepatitis C, increasing the chances of patients continuing on life-saving treatment regimens.

(c) Cannabis has many currently accepted medical uses in the United States, having been recommended by thousands of licensed physicians to at least 600,000 patients in states with medical cannabis laws. The medical utility of cannabis is recognized by a wide range of medical and public health organizations, including the American Academy of HIV Medicine, the American College of Physicians, the American Nurses Association, the American Public Health Association, the Leukemia & Lymphoma Society, and many others.

(d) Data from the Federal Bureau of Investigation's Uniform Crime Reports and the Compendium of Federal Justice Statistics show that approximately 99 out of every 100 cannabis arrests in the U.S. are made under state law, rather than under federal law. Consequently, changing State law will have the practical effect of protecting from arrest the vast majority of seriously ill patients who have a medical need to use cannabis.
(e) Alaska, Arizona, California, Colorado, Connecticut, Delaware, Hawaii, Maine, Massachusetts, Michigan, Montana, Nevada, New Jersey, New Mexico, Oregon, Rhode Island, Vermont, Washington, and Washington, D.C. have removed state-level criminal penalties from the medical use and cultivation of cannabis. Illinois joins in this effort for the health and welfare of its citizens.

(f) States are not required to enforce federal law or prosecute people for engaging in activities prohibited by federal law. Therefore, compliance with this Act does not put the State of Illinois in violation of federal law.

(g) State law should make a distinction between the medical and non-medical uses of cannabis. Hence, the purpose of this Act is to protect patients with debilitating medical conditions, as well as their physicians and providers, from arrest and prosecution, criminal and other penalties, and property forfeiture if the patients engage in the medical use of cannabis.

Section 10. Definitions. The following terms, as used in this Act, shall have the meanings set forth in this Section:

(a) "Adequate supply" means:

1. 2.5 ounces of usable cannabis during a period of 14 days and that is derived solely from an intrastate source.

2. Subject to the rules of the Department of Public Health, a patient may apply for a waiver where a physician provides a substantial medical basis in a signed, written statement asserting that, based on the patient's medical history, in the physician's professional judgment, 2.5 ounces is an insufficient adequate supply for a 14-day period to properly alleviate the patient's debilitating medical condition or symptoms associated with the debilitating medical condition.

3. This subsection may not be construed to authorize the possession of more than 2.5 ounces at any time without authority from the Department of Public Health.

4. The pre-mixed weight of medical cannabis used in making a cannabis infused product shall apply toward the limit on the total amount of medical cannabis a registered qualifying patient may possess at any one time.

(d)(1) There is a rebuttable presumption that a registered qualifying patient is engaged in, or a designated caregiver is assisting with, the medical use of cannabis in accordance with this Act if the qualifying patient or designated caregiver:

   (A) is in possession of a valid registry identification card; and

   (B) is in possession of an amount of cannabis that does not exceed the amount allowed under subsection (a) of Section 10.

   (2) The presumption may be rebutted by evidence that conduct related to cannabis was not for the purpose of treating or alleviating the
qualifying patient's debilitating medical condition or symptoms associated with the debilitating medical condition in compliance with this Act.

(e) A physician is not subject to arrest, prosecution, or penalty in any manner, or denied any right or privilege, including but not limited to civil penalty or disciplinary action by the Medical Disciplinary Board or by any other occupational or professional licensing board, solely for providing written certifications or for otherwise stating that, in the physician's professional opinion, a patient is likely to receive therapeutic or palliative benefit from the medical use of cannabis to treat or alleviate the patient's debilitating medical condition or symptoms associated with the debilitating medical condition, provided that nothing shall prevent a professional licensing or disciplinary board from sanctioning a physician for: (1) issuing a written certification to a patient who is not under the physician's care for a debilitating medical condition; or (2) failing to properly evaluate a patient's medical condition or otherwise violating the standard of care for evaluating medical conditions.

(k) Any cannabis, cannabis paraphernalia, illegal property, or interest in legal property that is possessed, owned, or used in connection with the medical use of cannabis as allowed under this Act, or acts incidental to that use, may not be seized or forfeited. This Act does not prevent the seizure or forfeiture of cannabis exceeding the amounts allowed under this Act, nor shall it prevent seizure or forfeiture if the basis for the action is unrelated to the cannabis that is possessed, manufactured, transferred, or used under this Act.

(l) Mere possession of, or application for, a registry identification card or registration certificate does not constitute probable cause or reasonable suspicion, nor shall it be used as the sole basis to support the search of the person, property, or home of the person possessing or applying for the registry identification card. The possession of, or application for, a registry identification card does not preclude the existence of probable cause if probable cause exists on other grounds.

(m) Nothing in this Act shall preclude local or State law enforcement agencies from searching a registered cultivation center where there is probable cause to believe that the criminal laws of this State have been violated and the search is conducted in conformity with the Illinois Constitution, the Constitution of the United States, and all State statutes.

Section 40. Discrimination prohibited.

(a)(1) No school, employer, or landlord may refuse to enroll or lease to, or otherwise penalize, a person solely for his or her status as a registered qualifying patient or a registered designated caregiver, unless failing to do so would put the school, employer, or landlord in violation of federal law or unless failing to do so would cause it to lose a monetary or licensing-related benefit under federal law or rules. This does not prevent a landlord from prohibiting the smoking of cannabis on the premises.

(2) For the purposes of medical care, including organ transplants, a registered qualifying patient's authorized use of cannabis in accordance with this Act is considered the equivalent of the authorized use of any other medication used at the direction of a physician, and may not constitute the use of an illicit substance or otherwise disqualify a qualifying patient from needed medical care.

(b) A person otherwise entitled to custody of or visitation or parenting time with a minor may not be denied that right, and there is no presumption of neglect or child endangerment, for conduct allowed under this Act, unless the person's actions in relation to cannabis were such that they created an unreasonable danger to the safety of the minor as established by clear and convincing evidence.

(c) No school, landlord, or employer may be penalized or denied any benefit under State law for enrolling, leasing to, or employing a cardholder.

(c) Nothing in this Act shall limit an employer from disciplining a registered qualifying patient for violating a workplace drug policy.
(d) Nothing in this Act shall limit an employer's ability to discipline an employee for failing a drug test if failing to do so would put the employer in violation of federal law or cause it to lose a federal contract or funding.

New matter indicated by italics - deletions by strikeout
(B) the privilege tax imposed by Section 409 of the Illinois Insurance Code, the fire insurance company tax imposed by Section 12 of the Fire Investigation Act, and the fire department taxes imposed under Section 11-10-1 of the Illinois Municipal Code,
equals 1.25% for taxable years ending prior to December 31, 2003, or 1.75% for taxable years ending on or after December 31, 2003, of the net taxable premiums written for the taxable year, as described by subsection (1) of Section 409 of the Illinois Insurance Code. This subsection (d-1) is exempt from the provisions of Section 250.

(e) Investment credit. A taxpayer shall be allowed a credit against the Personal Property Tax Replacement Income Tax for investment in qualified property.

(1) A taxpayer shall be allowed a credit equal to .5% of the basis of qualified property placed in service during the taxable year, provided such property is placed in service on or after July 1, 1984. There shall be allowed an additional credit equal to .5% of the basis of qualified property placed in service during the taxable year, provided such property is placed in service on or after July 1, 1986, and the taxpayer's base employment within Illinois has increased by 1% or more over the preceding year as determined by the taxpayer's employment records filed with the Illinois Department of Employment Security. Taxpayers who are new to Illinois shall be deemed to have met the 1% growth in base employment for the first year in which they file employment records with the Illinois Department of Employment Security. The provisions added to this Section by Public Act 85-1200 (and restored by Public Act 87-895) shall be construed as declaratory of existing law and not as a new enactment. If, in any year, the increase in base employment within Illinois over the preceding year
is less than 1%, the additional credit shall be limited to that percentage times a fraction, the numerator of which is .5% and the denominator of which is 1%, but shall not exceed .5%. The investment credit shall not be allowed to the extent that it would reduce a taxpayer's liability in any tax year below zero, nor may any credit for qualified property be allowed for any year other than the year in which the property was placed in service in Illinois. For tax years ending on or after December 31, 1987, and on or before December 31, 1988, the credit shall be allowed for the tax year in which the property is placed in service, or, if the amount of the credit exceeds the tax liability for that year, whether it exceeds the original liability or the liability as later amended, such excess may be carried forward and applied to the tax liability of the 5 taxable years following the excess credit years if the taxpayer (i) makes investments which cause the creation of a minimum of 2,000 full-time equivalent jobs in Illinois, (ii) is located in an enterprise zone established pursuant to the Illinois Enterprise Zone Act and (iii) is certified by the Department of Commerce and Community Affairs (now Department of Commerce and Economic Opportunity) as complying with the requirements specified in clause (i) and (ii) by July 1, 1986. The Department of Commerce and Community Affairs (now Department of Commerce and Economic Opportunity) shall notify the Department of Revenue of all such certifications immediately. For tax years ending after December 31, 1988, the credit shall be allowed for the tax year in which the property is placed in service, or, if the amount of the credit exceeds the tax liability for that year, whether it exceeds the original liability or the liability as later amended, such excess may be carried forward and applied to the tax liability of the 5 taxable years following the excess credit years. The credit shall be applied to the earliest year for which there is a liability. If there is credit from more than one tax year that is available to offset a liability, earlier credit shall be applied first.

for the credit provided by this subsection (e);

179(d) of the Internal Revenue Code;

combinations. For purposes of this subsection (e) the term
"mining" shall have the same meaning as the term "mining" in
Section 613(c) of the Internal Revenue Code. For purposes of this
subsection (e), the term "retailing" means the sale of tangible
personal property for use or consumption and not for resale, or
services rendered in conjunction with the sale of tangible personal

this subsection (e), "tangible personal property" has the same

Act, and, for taxable years ending after December 31, 2008, does
not include the generation, transmission, or distribution of
electricity.

(4) The basis of qualified property shall be the basis used to
compute the depreciation deduction for federal income tax
purposes.

(5) If the basis of the property for federal income tax
depreciation purposes is increased after it has been placed in

shall be deemed property placed in service on the date of such increase in basis.

(6) The term "placed in service" shall have the same meaning as under Section 46 of the Internal Revenue Code.

(7) If during any taxable year, any property ceases to be qualified property in the hands of the taxpayer within 48 months after being placed in service, or the situs of any qualified property is moved outside Illinois within 48 months after being placed in service, the Personal Property Tax Replacement Income Tax for such taxable year shall be increased. Such increase shall be determined by (i) recomputing the investment credit which would have been allowed for the year in which credit for such property was originally allowed by eliminating such property from such computation and, (ii) subtracting such recomputed credit from the amount of credit previously allowed. For the purposes of this paragraph (7), a reduction of the basis of qualified property resulting from a redetermination of the purchase price shall be deemed a disposition of qualified property to the extent of such reduction.

(8) Unless the investment credit is extended by law, the basis of qualified property shall not include costs incurred after December 31, 2018, except for costs incurred pursuant to a binding contract entered into on or before December 31, 2018.

(9) Each taxable year ending before December 31, 2000, a partnership may elect to pass through to its partners the credits to which the partnership is entitled under this subsection (e) for the taxable year. A partner may use the credit allocated to him or her under this paragraph only against the tax imposed in subsections (c) and (d) of this Section. If the partnership makes that election, those credits shall be allocated among the partners in the partnership in accordance with the rules set forth in Section 704(b) of the Internal Revenue Code, and the rules promulgated under that Section, and the allocated amount of the credits shall be allowed to the partners for that taxable year. The partnership shall make this election on its Personal Property Tax Replacement Income Tax return for that taxable year. The election to pass through the credits shall be irrevocable.

subsection (I) of paragraph (2) of subsection (d) of Section 203 or a shareholder that qualifies a Subchapter S corporation for a subtraction under subparagraph (S) of paragraph (2) of subsection (b) of Section 203 shall be allowed a credit under this subsection (e) equal to its share of the credit earned under this subsection (e) during the taxable year by the partnership or Subchapter S corporation, determined in accordance with the determination of income and distributive share of income under Sections 702 and 704 and Subchapter S of the Internal Revenue Code. This paragraph is exempt from the provisions of Section 250.

(f) Investment credit; Enterprise Zone; River Edge Redevelopment Zone.

(1) A taxpayer shall be allowed a credit against the tax imposed by subsections (a) and (b) of this Section for investment in qualified property which is placed in service in an Enterprise Zone created pursuant to the Illinois Enterprise Zone Act or, for property placed in service on or after July 1, 2006, a River Edge Redevelopment Zone established pursuant to the River Edge Redevelopment Zone Act. For partners, shareholders of Subchapter S corporations, and owners of limited liability companies, if the liability company is treated as a partnership for purposes of federal and State income taxation, there shall be allowed a credit under this subsection (f) to be determined in accordance with the determination of income and distributive share of income under Sections 702 and 704 and Subchapter S of the Internal Revenue Code. The credit shall be .5% of the basis for such property. The credit shall be available only in the taxable year in which the property is placed in service in the Enterprise Zone or River Edge Redevelopment Zone and shall not be allowed to the extent that it would reduce a taxpayer's liability for the tax imposed by subsections (a) and (b) of this Section to below zero. For tax years ending on or after December 31, 1985, the credit shall be allowed for the tax year in which the property is placed in service, or, if the amount of the credit exceeds the tax liability for that year, whether it exceeds the original liability or the liability as later amended, such excess may be carried forward and applied to the tax liability of the 5 taxable years following the excess credit year. The credit shall be applied to the earliest year for which there is a liability. If there is credit from more than one tax year that is available to

offset a liability, the credit accruing first in time shall be applied first.

(2) The term qualified property means property which:
   (A) is tangible, whether new or used, including buildings and structural components of buildings;
   (B) is depreciable pursuant to Section 167 of the Internal Revenue Code, except that "3-year property" as defined in Section 168(c)(2)(A) of that Code is not eligible for the credit provided by this subsection (f);
   (C) is acquired by purchase as defined in Section 179(d) of the Internal Revenue Code;
   (D) is used in the Enterprise Zone or River Edge Redevelopment Zone by the taxpayer; and
   (E) has not been previously used in Illinois in such a manner and by such a person as would qualify for the credit provided by this subsection (f) or subsection (e).

(3) The basis of qualified property shall be the basis used to compute the depreciation deduction for federal income tax purposes.

(4) If the basis of the property for federal income tax depreciation purposes is increased after it has been placed in service in the Enterprise Zone or River Edge Redevelopment Zone by the taxpayer, the amount of such increase shall be deemed property placed in service on the date of such increase in basis.

(5) The term "placed in service" shall have the same meaning as under Section 46 of the Internal Revenue Code.

(6) If during any taxable year, any property ceases to be qualified property in the hands of the taxpayer within 48 months after being placed in service, or the situs of any qualified property is moved outside the Enterprise Zone or River Edge Redevelopment Zone within 48 months after being placed in service, the tax imposed under subsections (a) and (b) of this Section for such taxable year shall be increased. Such increase shall be determined by (i) recomputing the investment credit which would have been allowed for the year in which credit for such property was originally allowed by eliminating such property from such computation, and (ii) subtracting such recomputed credit from the amount of credit previously allowed. For the purposes of this paragraph (6), a reduction of the basis of qualified property

resulting from a redetermination of the purchase price shall be
deemed a disposition of qualified property to the extent of such
reduction.

(7) There shall be allowed an additional credit equal to
0.5% of the basis of qualified property placed in service during the
taxable year in a River Edge Redevelopment Zone, provided such
property is placed in service on or after July 1, 2006, and the
taxpayer's base employment within Illinois has increased by 1% or
more over the preceding year as determined by the taxpayer's
employment records filed with the Illinois Department of
Employment Security. Taxpayers who are new to Illinois shall be
deemed to have met the 1% growth in base employment for the
first year in which they file employment records with the Illinois
Department of Employment Security. If, in any year, the increase in
base employment within Illinois over the preceding year is less
than 1%, the additional credit shall be limited to that percentage
times a fraction, the numerator of which is 0.5% and the
denominator of which is 1%, but shall not exceed 0.5%.

(g) Jobs Tax Credit; River Edge Redevelopment Zone and Foreign
Trade Zone or Sub-Zone.

(1) A taxpayer conducting a trade or business, for taxable
years ending on or after December 31, 2006, in a River Edge
Redevelopment Zone or conducting a trade or business in a
federally designated Foreign Trade Zone or Sub-Zone shall be

of this Section in the amount of $500 per eligible employee hired
to work in the zone during the taxable year.

(B) the taxpayer's total employment within the
River Edge Redevelopment Zone or federally designated

(C) the eligible employees must be employed 180 consecutive days in order to be deemed hired for purposes of this subsection.

(3) An "eligible employee" means an employee who is:

(A) Certified by the Department of Commerce and Economic Opportunity as "eligible for services" pursuant to regulations promulgated in accordance with Title II of the Job Training Partnership Act, Training Services for the Disadvantaged or Title III of the Job Training Partnership Act, Employment and Training Assistance for Dislocated Workers Program.

(B) Hired after the River Edge Redevelopment Zone or federally designated Foreign Trade Zone or Sub-Zone was designated or the trade or business was located in that zone, whichever is later.

(C) Employed in the River Edge Redevelopment Zone or Foreign Trade Zone or Sub-Zone. An employee is employed in a federally designated Foreign Trade Zone or Sub-Zone if his services are rendered there or it is the base of operations for the services performed.

(D) A full-time employee working 30 or more hours per week.

(4) For tax years ending on or after December 31, 1985 and prior to December 31, 1988, the credit shall be allowed for the tax year in which the eligible employees are hired. For tax years ending on or after December 31, 1988, the credit shall be allowed for the tax year immediately following the tax year in which the eligible employees are hired. If the amount of the credit exceeds the tax liability for that year, whether it exceeds the original liability or the liability as later amended, such excess may be carried forward and applied to the tax liability of the 5 taxable years following the excess credit year. The credit shall be applied to the earliest year for which there is a liability. If there is credit from more than one tax year that is available to offset a liability, earlier credit shall be applied first.
(5) The Department of Revenue shall promulgate such rules and regulations as may be deemed necessary to carry out the purposes of this subsection (g).

(6) The credit shall be available for eligible employees hired on or after January 1, 1986.

(h) Investment credit; High Impact Business.

(1) Subject to subsections (b) and (b-5) of Section 5.5 of the Illinois Enterprise Zone Act, a taxpayer shall be allowed a credit against the tax imposed by subsections (a) and (b) of this Section for investment in qualified property which is placed in service by a Department of Commerce and Economic Opportunity designated High Impact Business. The credit shall be .5% of the basis for such property. The credit shall not be available (i) until the minimum investments in qualified property set forth in subdivision (a)(3)(A) of Section 5.5 of the Illinois Enterprise Zone Act have been satisfied or (ii) until the time authorized in subsection (b-5) of the Illinois Enterprise Zone Act for entities designated as High Impact Businesses under subdivisions (a)(3)(B), (a)(3)(C), and (a)(3)(D) of Section 5.5 of the Illinois Enterprise Zone Act, and shall not be allowed to the extent that it would reduce a taxpayer's liability for the tax imposed by subsections (a) and (b) of this Section to below zero. The credit applicable to such investments shall be taken in the taxable year in which such investments have been completed. The credit for additional investments beyond the minimum investment by a designated high impact business authorized under subdivision (a)(3)(A) of Section 5.5 of the Illinois Enterprise Zone Act shall be available only in the taxable year in which the property is placed in service and shall not be allowed to the extent that it would reduce a taxpayer's liability for the tax imposed by subsections (a) and (b) of this Section to below zero. For tax years ending on or after December 31, 1987, the credit shall be allowed for the tax year in which the property is placed in service, or, if the amount of the credit exceeds the tax liability for that year, whether it exceeds the original liability or the liability as later amended, such excess may be carried forward and applied to the tax liability of the 5 taxable years following the excess credit year. The credit shall be applied to the earliest year for which there is a liability. If there is credit

from more than one tax year that is available to offset a liability, the credit accruing first in time shall be applied first.

Changes made in this subdivision (h)(1) by Public Act 88-670 restore changes made by Public Act 85-1182 and reflect existing law.

(2) The term qualified property means property which:

(A) is tangible, whether new or used, including buildings and structural components of buildings;

(B) is depreciable pursuant to Section 167 of the Internal Revenue Code, except that "3-year property" as defined in Section 168(c)(2)(A) of that Code is not eligible for the credit provided by this subsection (h);

(C) is acquired by purchase as defined in Section 179(d) of the Internal Revenue Code; and

(D) is not eligible for the Enterprise Zone Investment Credit provided by subsection (f) of this Section.

(3) The basis of qualified property shall be the basis used to compute the depreciation deduction for federal income tax purposes.

(4) If the basis of the property for federal income tax depreciation purposes is increased after it has been placed in service in a federally designated Foreign Trade Zone or Sub-Zone located in Illinois by the taxpayer, the amount of such increase shall be deemed property placed in service on the date of such increase in basis.

(5) The term "placed in service" shall have the same meaning as under Section 46 of the Internal Revenue Code.

(6) If during any taxable year ending on or before December 31, 1996, any property ceases to be qualified property in the hands of the taxpayer within 48 months after being placed in service, or the situs of any qualified property is moved outside Illinois within 48 months after being placed in service, the tax imposed under subsections (a) and (b) of this Section for such taxable year shall be increased. Such increase shall be determined by (i) recomputing the investment credit which would have been allowed for the year in which credit for such property was originally allowed by eliminating such property from such computation, and (ii) subtracting such recomputed credit from the

amount of credit previously allowed. For the purposes of this paragraph (6), a reduction of the basis of qualified property resulting from a redetermination of the purchase price shall be deemed a disposition of qualified property to the extent of such reduction.

(7) Beginning with tax years ending after December 31, 1996, if a taxpayer qualifies for the credit under this subsection (h) and thereby is granted a tax abatement and the taxpayer relocates its entire facility in violation of the explicit terms and length of the contract under Section 18-183 of the Property Tax Code, the tax imposed under subsections (a) and (b) of this Section shall be increased for the taxable year in which the taxpayer relocated its facility by an amount equal to the amount of credit received by the taxpayer under this subsection (h).

(i) Credit for Personal Property Tax Replacement Income Tax. For tax years ending prior to December 31, 2003, a credit shall be allowed against the tax imposed by subsections (a) and (b) of this Section for the tax imposed by subsections (c) and (d) of this Section. This credit shall be computed by multiplying the tax imposed by subsections (c) and (d) of this Section by a fraction, the numerator of which is base income allocable to Illinois and the denominator of which is Illinois base income, and further multiplying the product by the tax rate imposed by subsections (a) and (b) of this Section.

Any credit earned on or after December 31, 1986 under this subsection which is unused in the year the credit is computed because it exceeds the tax liability imposed by subsections (a) and (b) for that year (whether it exceeds the original liability or the liability as later amended) may be carried forward and applied to the tax liability imposed by subsections (a) and (b) of the 5 taxable years following the excess credit year, provided that no credit may be carried forward to any year ending on or after December 31, 2003. This credit shall be applied first to the earliest year for which there is a liability. If there is a credit under this subsection from more than one tax year that is available to offset a liability the earliest credit arising under this subsection shall be applied first.

If, during any taxable year ending on or after December 31, 1986, the tax imposed by subsections (c) and (d) of this Section for which a taxpayer has claimed a credit under this subsection (i) is reduced, the amount of credit for such tax shall also be reduced. Such reduction shall be determined by recomputing the credit to take into account the reduced credit.
tax imposed by subsections (c) and (d). If any portion of the reduced amount of credit has been carried to a different taxable year, an amended return shall be filed for such taxable year to reduce the amount of credit claimed.

(j) Training expense credit. Beginning with tax years ending on or after December 31, 1986 and prior to December 31, 2003, a taxpayer shall be allowed a credit against the tax imposed by subsections (a) and (b) under this Section for all amounts paid or accrued, on behalf of all persons employed by the taxpayer in Illinois or Illinois residents employed outside of Illinois by a taxpayer, for educational or vocational training in semi-technical or technical fields or semi-skilled or skilled fields, which were deducted from gross income in the computation of taxable income. The credit against the tax imposed by subsections (a) and (b) shall be 1.6% of such training expenses. For partners, shareholders of subchapter S corporations, and owners of limited liability companies, if the liability company is treated as a partnership for purposes of federal and State income taxation, there shall be allowed a credit under this subsection (j) to be determined in accordance with the determination of income and distributive share of income under Sections 702 and 704 and subchapter S of the Internal Revenue Code.

Any credit allowed under this subsection which is unused in the year the credit is earned may be carried forward to each of the 5 taxable years following the year for which the credit is first computed until it is used. This credit shall be applied first to the earliest year for which there is a liability. If there is a credit under this subsection from more than one tax year that is available to offset a liability the earliest credit arising under this subsection shall be applied first. No carryforward credit may be claimed in any tax year ending on or after December 31, 2003.

(k) Research and development credit. For tax years ending after July 1, 1990 and prior to December 31, 2003, and beginning again for tax years ending on or after December 31, 2004, and ending prior to January 1, 2016, a taxpayer shall be allowed a credit against the tax imposed by subsections (a) and (b) of this Section for increasing research activities in this State. The credit allowed against the tax imposed by subsections (a) and (b) shall be equal to 6 1/2% of the qualifying expenditures for increasing research activities in this State. For partners, shareholders of subchapter S corporations, and owners of limited liability companies, if the liability company is treated as a partnership for purposes of federal and State income taxation, there shall be allowed a credit under this subsection

New matter indicated by italics - deletions by strikeout
to be determined in accordance with the determination of income and distributive share of income under Sections 702 and 704 and subchapter S of the Internal Revenue Code.

For purposes of this subsection, "qualifying expenditures" means the qualifying expenditures as defined for the federal credit for increasing research activities which would be allowable under Section 41 of the Internal Revenue Code and which are conducted in this State, "qualifying expenditures for increasing research activities in this State" means the excess of qualifying expenditures for the taxable year in which incurred over qualifying expenditures for the base period, "qualifying expenditures for the base period" means the average of the qualifying expenditures for each year in the base period, and "base period" means the 3 taxable years immediately preceding the taxable year for which the determination is being made.

Any credit in excess of the tax liability for the taxable year may be carried forward. A taxpayer may elect to have the unused credit shown on its final completed return carried over as a credit against the tax liability for the following 5 taxable years or until it has been fully used, whichever occurs first; provided that no credit earned in a tax year ending prior to December 31, 2003 may be carried forward to any year ending on or after December 31, 2003.

If an unused credit is carried forward to a given year from 2 or more earlier years, that credit arising in the earliest year will be applied first against the tax liability for the given year. If a tax liability for the given year still remains, the credit from the next earliest year will then be applied, and so on, until all credits have been used or no tax liability for the given year remains. Any remaining unused credit or credits then will be carried forward to the next following year in which a tax liability is incurred, except that no credit can be carried forward to a year which is more than 5 years after the year in which the expense for which the credit is given was incurred.

No inference shall be drawn from this amendatory Act of the 91st General Assembly in construing this Section for taxable years beginning before January 1, 1999.

(l) Environmental Remediation Tax Credit.

(i) For tax years ending after December 31, 1997 and on or before December 31, 2001, a taxpayer shall be allowed a credit against the tax imposed by subsections (a) and (b) of this Section for certain amounts paid for unreimbursed eligible remediation
costs, as specified in this subsection. For purposes of this Section, "unreimbursed eligible remediation costs" means costs approved by the Illinois Environmental Protection Agency ("Agency") under Section 58.14 of the Environmental Protection Act that were paid in performing environmental remediation at a site for which a No Further Remediation Letter was issued by the Agency and recorded under Section 58.10 of the Environmental Protection Act. The credit must be claimed for the taxable year in which Agency approval of the eligible remediation costs is granted. The credit is not available to any taxpayer if the taxpayer or any related party caused or contributed to, in any material respect, a release of regulated substances on, in, or under the site that was identified and addressed by the remedial action pursuant to the Site Remediation Program of the Environmental Protection Act. After the Pollution Control Board rules are adopted pursuant to the Illinois Administrative Procedure Act for the administration and enforcement of Section 58.9 of the Environmental Protection Act, determinations as to credit availability for purposes of this Section shall be made consistent with those rules. For purposes of this Section, "taxpayer" includes a person whose tax attributes the taxpayer has succeeded to under Section 381 of the Internal Revenue Code and "related party" includes the persons disallowed a deduction for losses by paragraphs (b), (c), and (f)(1) of Section 267 of the Internal Revenue Code by virtue of being a related taxpayer, as well as any of its partners. The credit allowed against the tax imposed by subsections (a) and (b) shall be equal to 25% of the unreimbursed eligible remediation costs in excess of $100,000 per site, except that the $100,000 threshold shall not apply to any site contained in an enterprise zone as determined by the Department of Commerce and Community Affairs (now Department of Commerce and Economic Opportunity). The total credit allowed shall not exceed $40,000 per year with a maximum total of $150,000 per site. For partners and shareholders of subchapter S corporations, there shall be allowed a credit under this subsection to be determined in accordance with the determination of income and distributive share of income under Sections 702 and 704 and subchapter S of the Internal Revenue Code.

New matter indicated by italics - deletions by strikeout
(ii) A credit allowed under this subsection that is unused in the year the credit is earned may be carried forward to each of the 5 taxable years following the year for which the credit is first earned until it is used. The term "unused credit" does not include any amounts of unreimbursed eligible remediation costs in excess of the maximum credit per site authorized under paragraph (i). This credit shall be applied first to the earliest year for which there is a liability. If there is a credit under this subsection from more than one tax year that is available to offset a liability, the earliest credit arising under this subsection shall be applied first. A credit allowed under this subsection may be sold to a buyer as part of a sale of all or part of the remediation site for which the credit was granted. The purchaser of a remediation site and the tax credit shall succeed to the unused credit and remaining carry-forward period of the seller. To perfect the transfer, the assignor shall record the transfer in the chain of title for the site and provide written notice to the Director of the Illinois Department of Revenue of the assignor's intent to sell the remediation site and the amount of the tax credit to be transferred as a portion of the sale. In no event may a credit be transferred to any taxpayer if the taxpayer or a related party would not be eligible under the provisions of subsection (i).

(iii) For purposes of this Section, the term "site" shall have the same meaning as under Section 58.2 of the Environmental Protection Act.

(m) Education expense credit. Beginning with tax years ending after December 31, 1999, a taxpayer who is the custodian of one or more qualifying pupils shall be allowed a credit against the tax imposed by subsections (a) and (b) of this Section for qualified education expenses incurred on behalf of the qualifying pupils. The credit shall be equal to 25% of qualified education expenses, but in no event may the total credit under this subsection claimed by a family that is the custodian of qualifying pupils exceed $500. In no event shall a credit under this subsection reduce the taxpayer's liability under this Act to less than zero. This subsection is exempt from the provisions of Section 250 of this Act.

For purposes of this subsection:
"Qualifying pupils" means individuals who (i) are residents of the State of Illinois, (ii) are under the age of 21 at the close of the school year for which a credit is sought, and (iii) during the school year for which a credit is sought were full-time pupils enrolled in a kindergarten through
twelfth grade education program at any school, as defined in this subsection.

"Qualified education expense" means the amount incurred on behalf of a qualifying pupil in excess of $250 for tuition, book fees, and lab fees at the school in which the pupil is enrolled during the regular school year.

"School" means any public or nonpublic elementary or secondary school in Illinois that is in compliance with Title VI of the Civil Rights Act of 1964 and attendance at which satisfies the requirements of Section 26-1 of the School Code, except that nothing shall be construed to require a child to attend any particular public or nonpublic school to qualify for the credit under this Section.

"Custodian" means, with respect to qualifying pupils, an Illinois resident who is a parent, the parents, a legal guardian, or the legal guardians of the qualifying pupils.

(n) River Edge Redevelopment Zone site remediation tax credit.

For purposes of this Section, "unreimbursed eligible remediation costs" means costs approved by the Illinois Environmental Protection Agency ("Agency") under Section 58.14a of the Environmental Protection Act that were paid in performing environmental remediation at a site within a River Edge Redevelopment Zone for which a No Further Remediation Letter was issued by the Agency and recorded under Section 58.10 of the Environmental Protection Act. The credit must be claimed for the taxable year in which Agency approval of the eligible remediation costs is granted. The credit is not available to any taxpayer if the taxpayer or any related party caused or contributed to, in any material respect, a release of regulated substances on, in, or under the site that was identified and addressed by the remedial action pursuant to the Site Remediation Program of the Environmental Protection Act. Determinations as to credit availability for purposes of this Section shall be made consistent with rules adopted by the Pollution Control Board pursuant to the Illinois Administrative Procedure Act for the administration and enforcement of Section 58.9 of the Environmental Protection Act.

Section 915. The Use Tax Act is amended by changing Section 3-10 as follows:

(35 ILCS 105/3-10)

Sec. 3-10. Rate of tax. Unless otherwise provided in this Section, the tax imposed by this Act is at the rate of 6.25% of either the selling
price or the fair market value, if any, of the tangible personal property. In all cases where property functionally used or consumed is the same as the property that was purchased at retail, then the tax is imposed on the selling price of the property. In all cases where property functionally used or consumed is a by-product or waste product that has been refined, manufactured, or produced from property purchased at retail, then the tax is imposed on the lower of the fair market value, if any, of the specific property so used in this State or on the selling price of the property purchased at retail. For purposes of this Section "fair market value" means the price at which property would change hands between a willing buyer and a willing seller, neither being under any compulsion to buy or sell and both having reasonable knowledge of the relevant facts. The fair market value shall be established by Illinois sales by the taxpayer of the same property as that functionally used or consumed, or if there are no such sales by the taxpayer, then comparable sales or purchases of property of like kind and character in Illinois.

Beginning on July 1, 2000 and through December 31, 2000, with respect to motor fuel, as defined in Section 1.1 of the Motor Fuel Tax Law, and gasohol, as defined in Section 3-40 of the Use Tax Act, the tax is imposed at the rate of 1.25%.

Beginning on August 6, 2010 through August 15, 2010, with respect to sales tax holiday items as defined in Section 3-6 of this Act, the tax is imposed at the rate of 1.25%.

With respect to gasohol, the tax imposed by this Act applies to (i) 70% of the proceeds of sales made on or after January 1, 1990, and before July 1, 2003, (ii) 80% of the proceeds of sales made on or after July 1, 2003 and on or before December 31, 2018, and (iii) 100% of the proceeds of sales made thereafter. If, at any time, however, the tax under this Act on sales of gasohol is imposed at the rate of 1.25%, then the tax imposed by this Act applies to 100% of the proceeds of sales of gasohol made during that time.

With respect to majority blended ethanol fuel, the tax imposed by this Act does not apply to the proceeds of sales made on or after July 1, 2003 and on or before December 31, 2018 but applies to 100% of the proceeds of sales made thereafter.

With respect to biodiesel blends with no less than 1% and no more than 10% biodiesel, the tax imposed by this Act applies to (i) 80% of the proceeds of sales made on or after July 1, 2003 and on or before December 31, 2018 and (ii) 100% of the proceeds of sales made thereafter. If, at any
time, however, the tax under this Act on sales of biodiesel blends with no less than 1% and no more than 10% biodiesel is imposed at the rate of 1.25%, then the tax imposed by this Act applies to 100% of the proceeds of sales of biodiesel blends with no less than 1% and no more than 10% biodiesel made during that time.

With respect to 100% biodiesel and biodiesel blends with more than 10% but no more than 99% biodiesel, the tax imposed by this Act does not apply to the proceeds of sales made on or after July 1, 2003 and on or before December 31, 2018 but applies to 100% of the proceeds of sales made thereafter.

With respect to food for human consumption that is to be consumed off the premises where it is sold (other than alcoholic beverages, soft drinks, and food that has been prepared for immediate consumption) and prescription and nonprescription medicines, drugs, medical appliances, modifications to a motor vehicle for the purpose of rendering it usable by a disabled person, and insulin, urine testing materials, syringes, and needles used by diabetics, for human use, the tax is imposed at the rate of 1%. For the purposes of this Section, until September 1, 2009: the term "soft drinks" means any complete, finished, ready-to-use, non-alcoholic drink, whether carbonated or not, including but not limited to soda water, cola, fruit juice, vegetable juice, carbonated water, and all other preparations commonly known as soft drinks of whatever kind or description that are contained in any closed or sealed bottle, can, carton, or container, regardless of size; but "soft drinks" does not include coffee, tea, non-carbonated water, infant formula, milk or milk products as defined in the Grade A Pasteurized Milk and Milk Products Act, or drinks containing 50% or more natural fruit or vegetable juice.

Notwithstanding any other provisions of this Act, beginning September 1, 2009, "soft drinks" means non-alcoholic beverages that contain natural or artificial sweeteners. "Soft drinks" do not include beverages that contain milk or milk products, soy, rice or similar milk substitutes, or greater than 50% of vegetable or fruit juice by volume.

Until August 1, 2009, and notwithstanding any other provisions of this Act, "food for human consumption that is to be consumed off the premises where it is sold" includes all food sold through a vending machine, except soft drinks and food products that are dispensed hot from a vending machine, regardless of the location of the vending machine. premises where it is sold" includes all food sold through a vending machine, except soft drinks, candy, and food products that are dispensed hot from a vending machine, regardless of the location of the vending machine.

Notwithstanding any other provisions of this Act, beginning September 1, 2009, "food for human consumption that is to be consumed off the premises where it is sold" does not include candy. For purposes of this Section, "candy" means a preparation of sugar, honey, or other natural or artificial sweeteners in combination with chocolate, fruits, nuts or other ingredients or flavorings in the form of bars, drops, or pieces. "Candy" does not include any preparation that contains flour or requires refrigeration.

Notwithstanding any other provisions of this Act, beginning September 1, 2009, "nonprescription medicines and drugs" does not include grooming and hygiene products. For purposes of this Section, "grooming and hygiene products" includes, but is not limited to, soaps and cleaning solutions, shampoo, toothpaste, mouthwash, antiperspirants, and sun tan lotions and screens, unless those products are available by prescription only, regardless of whether the products meet the definition of "over-the-counter-drugs". For the purposes of this paragraph, "over-the-counter-drug" means a drug for human use that contains a label that identifies the product as a drug as required by 21 C.F.R. § 201.66. The "over-the-counter-drug" label includes:

(A) A "Drug Facts" panel; or
(B) A statement of the "active ingredient(s)" with a list of those ingredients contained in the compound, substance or preparation.

Beginning on the effective date of this amendatory Act of the 98th General Assembly, "prescription and nonprescription medicines and drugs" includes medical cannabis purchased from a registered dispensing organization under the Compassionate Use of Medical Cannabis Pilot Program Act.

If the property that is purchased at retail from a retailer is acquired outside Illinois and used outside Illinois before being brought to Illinois for use here and is taxable under this Act, the "selling price" on which the tax is computed shall be reduced by an amount that represents a reasonable allowance for depreciation for the period of prior out-of-state use.

Section 925. The Service Occupation Tax Act is amended by changing Section 3-10 as follows:

(35 ILCS 115/3-10) (from Ch. 120, par. 439.103-10)

Sec. 3-10. Rate of tax. Unless otherwise provided in this Section, the tax imposed by this Act is at the rate of 6.25% of the "selling price", as defined in Section 2 of the Service Use Tax Act, of the tangible personal property. For the purpose of computing this tax, in no event shall the "selling price" be less than the cost price to the serviceman of the tangible personal property transferred. The selling price of each item of tangible personal property transferred as an incident of a sale of service may be shown as a distinct and separate item on the serviceman's billing to the service customer. If the selling price is not so shown, the selling price of the tangible personal property is deemed to be 50% of the serviceman's entire billing to the service customer. When, however, a serviceman contracts to design, develop, and produce special order machinery or equipment, the tax imposed by this Act shall be based on the serviceman's cost price of the tangible personal property transferred incident to the completion of the contract.

Beginning on July 1, 2000 and through December 31, 2000, with respect to motor fuel, as defined in Section 1.1 of the Motor Fuel Tax Law, and gasohol, as defined in Section 3-40 of the Use Tax Act, the tax is imposed at the rate of 1.25%.

thereafter. If, at any time, however, the tax under this Act on sales of gasohol, as defined in the Use Tax Act, is imposed at the rate of 1.25%, then the tax imposed by this Act applies to 100% of the proceeds of sales of gasohol made during that time.

(b) Within 90 days after the notice of statutory summary suspension or revocation served under Section 11-501.1, the person may make a written request for a judicial hearing in the circuit court of venue. This judicial hearing, request, or process shall not stay or delay the statutory summary suspension or revocation. The hearings shall proceed in the court in the same manner as in other civil proceedings.

4. Whether the person, after being advised by the officer that the privilege to operate a motor vehicle would be suspended if the person submits to a chemical test, or tests, and the test discloses an alcohol concentration of 0.08 or more, or any amount of a drug, substance, or compound in the person's blood or urine resulting from the unlawful use or consumption of cannabis listed in the

Cannabis Control Act, a controlled substance listed in the Illinois
Controlled Substances Act, an intoxicating compound as listed in
the Use of Intoxicating Compounds Act, or methamphetamine as
listed in the Methamphetamine Control and Community Protection
Act, and the person did submit to and complete the test or tests that
determined an alcohol concentration of 0.08 or more.

4.2. If the person is a qualifying patient licensed under the
Compassionate Use of Medical Cannabis Pilot Program Act who
is in possession of a valid registry card issued under that Act, after
being advised by the officer that the privilege to operate a motor
vehicle would be suspended or revoked if the person refused to
submit to and complete the test or tests, did refuse to submit to or
complete the test or tests authorized under Section 11-501.1.

4.5. If the person is a qualifying patient licensed under the
Compassionate Use of Medical Cannabis Pilot Program Act who
is in possession of a valid registry card issued under that Act,
whether that person, after being advised by the officer that the
privilege to operate a motor vehicle would be suspended if the
person submits to a standardized field sobriety test, or tests, and
the test indicates impairment resulting from the consumption of
cannabis, did submit to and complete the test or tests that indicated
impairment.

5. If the person's driving privileges were revoked, whether
the person was involved in a motor vehicle accident that caused
Type A injury or death to another.

Upon the conclusion of the judicial hearing, the circuit court shall

when the person's driver's license is deposited in lieu of bail, a suspension notice issued by the Secretary of State, a duplicate or corrected driver's license, a probationary driver's license or a temporary driver's license.

(b) If any conviction forming the basis of a suspension or revocation authorized under this Section is appealed, the Secretary of State may rescind or withhold the entry of the order of suspension or revocation, as the case may be, provided that a certified copy of a stay order of a court is filed with the Secretary of State. If the conviction is affirmed on appeal, the date of the conviction shall relate back to the time the original judgment of conviction was entered and the 6 month limitation prescribed shall not apply.

(c) 1. Upon suspending or revoking the driver's license or permit of any person as authorized in this Section, the Secretary of State shall immediately notify the person in writing of the revocation or suspension. The notice to be deposited in the United States mail, postage prepaid, to the last known address of the person.

2. If the Secretary of State suspends the driver's license of a person under subsection 2 of paragraph (a) of this Section, a person's privilege to operate a vehicle as an occupation shall not be suspended, provided an affidavit is properly completed, the appropriate fee received, and a permit issued prior to the effective date of the suspension, unless 5 offenses were committed, at least 2 of which occurred while operating a commercial vehicle in connection with the driver's regular occupation. All other driving privileges shall be suspended by the Secretary of State. Any driver prior to operating a vehicle for occupational purposes only must submit the affidavit on forms to be provided by the Secretary of State setting forth the facts of the person's occupation. The affidavit shall also state the number of offenses committed while operating a vehicle in connection with the driver's regular occupation. The affidavit shall be accompanied by the driver's license. Upon receipt of a properly completed affidavit, the Secretary of State shall issue the driver a permit to operate a vehicle in connection with the driver's regular occupation only. Unless the permit is issued by the Secretary of State prior to the date of suspension, the privilege to drive any motor vehicle shall be suspended as set forth in the notice that was mailed under this Section. If an affidavit is received subsequent to the effective date
of this suspension, a permit may be issued for the remainder of the suspension period.

The provisions of this subparagraph shall not apply to any driver required to possess a CDL for the purpose of operating a commercial motor vehicle.

Any person who falsely states any fact in the affidavit required herein shall be guilty of perjury under Section 6-302 and upon conviction thereof shall have all driving privileges revoked without further rights.

3. At the conclusion of a hearing under Section 2-118 of this Code, the Secretary of State shall either rescind or continue an order of revocation or shall substitute an order of suspension; or, good cause appearing therefor, rescind, continue, change, or extend the order of suspension. If the Secretary of State does not rescind the order, the Secretary may upon application, to relieve undue hardship (as defined by the rules of the Secretary of State), issue a restricted driving permit granting the privilege of driving a motor vehicle between the petitioner's residence and petitioner's place of employment or within the scope of the petitioner's employment related duties, or to allow the petitioner to transport himself or herself, or a family member of the petitioner's household to a medical facility, to receive necessary medical care, to allow the petitioner to transport himself or herself to and from alcohol or drug remedial or rehabilitative activity recommended by a licensed service provider, or to allow the petitioner to transport himself or herself or a family member of the petitioner's household to classes, as a student, at an accredited educational institution, or to allow the petitioner to transport children, elderly persons, or disabled persons who do not hold driving privileges and are living in the petitioner's household to and from daycare. The petitioner must demonstrate that no alternative means of transportation is reasonably available and that the petitioner will not endanger the public safety or welfare. Those multiple offenders identified in subdivision (b)4 of Section 6-208 of this Code, however, shall not be eligible for the issuance of a restricted driving permit.

(A) If a person's license or permit is revoked or suspended due to 2 or more convictions of violating Section 11-501 of this Code or a similar provision of a local ordinance or a similar out-of-state offense, or Section 9-3 of

New matter indicated by italics - deletions by strikeout
the Criminal Code of 1961 or the Criminal Code of 2012, where the use of alcohol or other drugs is recited as an element of the offense, or a similar out-of-state offense, or a combination of these offenses, arising out of separate occurrences, that person, if issued a restricted driving permit, may not operate a vehicle unless it has been equipped with an ignition interlock device as defined in Section 1-129.1.

(B) If a person's license or permit is revoked or suspended 2 or more times within a 10 year period due to any combination of:

(i) a single conviction of violating Section 11-501 of this Code or a similar provision of a local ordinance or a similar out-of-state offense or Section 9-3 of the Criminal Code of 1961 or the Criminal Code of 2012, where the use of alcohol or other drugs is recited as an element of the offense, or a similar out-of-state offense; or

(ii) a statutory summary suspension or revocation under Section 11-501.1; or

(iii) a suspension under Section 6-203.1; arising out of separate occurrences; that person, if issued a restricted driving permit, may not operate a vehicle unless it has been equipped with an ignition interlock device as defined in Section 1-129.1.

(C) The person issued a permit conditioned upon the use of an ignition interlock device must pay to the Secretary of State DUI Administration Fund an amount not to exceed $30 per month. The Secretary shall establish by rule the amount and the procedures, terms, and conditions relating to these fees.

(D) If the restricted driving permit is issued for employment purposes, then the prohibition against operating a motor vehicle that is not equipped with an ignition interlock device does not apply to the operation of an occupational vehicle owned or leased by that person's employer when used solely for employment purposes.

(E) In each case the Secretary may issue a restricted driving permit for a period deemed appropriate, except that
all permits shall expire within one year from the date of issuance. The Secretary may not, however, issue a restricted driving permit to any person whose current revocation is the result of a second or subsequent conviction for a violation of Section 11-501 of this Code or a similar provision of a local ordinance or any similar out-of-state offense, or Section 9-3 of the Criminal Code of 1961 or the Criminal Code of 2012, where the use of alcohol or other drugs is recited as an element of the offense, or any similar out-of-state offense, or any combination of those offenses, until the expiration of at least one year from the date of the revocation. A restricted driving permit issued under this Section shall be subject to cancellation, revocation, and suspension by the Secretary of State in like manner and for like cause as a driver's license issued under this Code may be cancelled, revoked, or suspended; except that a conviction upon one or more offenses against laws or ordinances regulating the movement of traffic shall be deemed sufficient cause for the revocation, suspension, or cancellation of a restricted driving permit. The Secretary of State may, as a condition to the issuance of a restricted driving permit, require the applicant to participate in a designated driver remedial or rehabilitative program. The Secretary of State is authorized to cancel a restricted driving permit if the permit holder does not successfully complete the program.

(c-3) In the case of a suspension under paragraph 43 of subsection (a), reports received by the Secretary of State under this Section shall, except during the actual time the suspension is in effect, be privileged information and for use only by the courts, police officers, prosecuting authorities, the driver licensing administrator of any other state, the Secretary of State, or the parent or legal guardian of a driver under the age of 18. However, beginning January 1, 2008, if the person is a CDL holder, the suspension shall also be made available to the driver licensing administrator of any other state, the U.S. Department of Transportation, and the affected driver or motor carrier or prospective motor carrier upon request.

(c-4) In the case of a suspension under paragraph 43 of subsection (a), the Secretary of State shall notify the person by mail that his or her

driving privileges and driver's license will be suspended one month after the date of the mailing of the notice.

(c-5) The Secretary of State may, as a condition of the reissuance of a driver's license or permit to an applicant whose driver's license or permit has been suspended before he or she reached the age of 21 years pursuant to any of the provisions of this Section, require the applicant to participate in a driver remedial education course and be retested under Section 6-109 of this Code.

(d) This Section is subject to the provisions of the Drivers License Compact.

(e) The Secretary of State shall not issue a restricted driving permit to a person under the age of 16 years whose driving privileges have been suspended or revoked under any provisions of this Code.

(f) In accordance with 49 C.F.R. 384, the Secretary of State may not issue a restricted driving permit for the operation of a commercial motor vehicle to a person holding a CDL whose driving privileges have been suspended, revoked, cancelled, or disqualified under any provisions of this Code.

Sec. 6-206.1. Monitoring Device Driving Permit. Declaration of Policy. It is hereby declared a policy of the State of Illinois that the driver who is impaired by alcohol, other drug or drugs, or intoxicating compound or compounds is a threat to the public safety and welfare. Therefore, to provide a deterrent to such practice, a statutory summary driver's license suspension is appropriate. It is also recognized that driving is a privilege and therefore, that the granting of driving privileges, in a manner consistent with public safety, is warranted during the period of suspension in the form of a monitoring device driving permit. A person who drives and fails to comply with the requirements of the monitoring device driving permit commits a violation of Section 6-303 of this Code.

The following procedures shall apply whenever a first offender, as defined in Section 11-500 of this Code, is arrested for any offense as defined in Section 11-501 or a similar provision of a local ordinance and is subject to the provisions of Section 11-501.1:

New matter indicated by italics - deletions by strikeout
(a) Upon mailing of the notice of suspension of driving privileges as provided in subsection (h) of Section 11-501.1 of this Code, the Secretary shall also send written notice informing the person that he or she will be issued a monitoring device driving permit (MDDP). The notice shall include, at minimum, information summarizing the procedure to be followed for issuance of the MDDP, installation of the breath alcohol ignition installation device (BAIID), as provided in this Section, exemption from BAIID installation requirements, and procedures to be followed by those seeking indigent status, as provided in this Section. The notice shall also include information summarizing the procedure to be followed if the person wishes to decline issuance of the MDDP. A copy of the notice shall also be sent to the court of venue together with the notice of suspension of driving privileges, as provided in subsection (h) of Section 11-501. However, a MDDP shall not be issued if the Secretary finds that:

(1) The offender's driver's license is otherwise invalid;
(2) Death or great bodily harm resulted from the arrest for Section 11-501;
(3) The offender has been previously convicted of reckless homicide or aggravated driving under the influence involving death; or
(4) The offender is less than 18 years of age; or
(5) The offender is a qualifying patient licensed under the Compassionate Use of Medical Cannabis Pilot Program Act who is in possession of a valid registry card issued under that Act and refused to submit to standardized field sobriety tests as required by subsection (a-5) of Section 11-501.1 or did submit to testing and failed the test or tests.

Any offender participating in the MDDP program must pay the Secretary a MDDP Administration Fee in an amount not to exceed $30 per month, to be deposited into the Monitoring Device Driving Permit Administration Fee Fund. The Secretary shall establish by rule the amount and the procedures, terms, and conditions relating to these fees. The offender must have an ignition interlock device installed within 14 days of the date the Secretary issues the MDDP. The ignition interlock device provider must notify the Secretary, in a manner and form prescribed by the Secretary, of the installation. If the Secretary does not receive notice of installation, the Secretary shall cancel the MDDP.
A MDDP shall not become effective prior to the 31st day of the original statutory summary suspension.

Upon receipt of the notice, as provided in paragraph (a) of this Section, the person may file a petition to decline issuance of the MDDP with the court of venue. The court shall admonish the offender of all consequences of declining issuance of the MDDP including, but not limited to, the enhanced penalties for driving while suspended. After being so admonished, the offender shall be permitted, in writing, to execute a notice declining issuance of the MDDP. This notice shall be filed with the court and forwarded by the clerk of the court to the Secretary. The offender may, at any time thereafter, apply to the Secretary for issuance of a MDDP.

(a-1) A person issued a MDDP may drive for any purpose and at any time, subject to the rules adopted by the Secretary under subsection (g). The person must, at his or her own expense, drive only vehicles equipped with an ignition interlock device as defined in Section 1-129.1, but in no event shall such person drive a commercial motor vehicle.

(a-2) Persons who are issued a MDDP and must drive employer-owned vehicles in the course of their employment duties may seek permission to drive an employer-owned vehicle that does not have an ignition interlock device. The employer shall provide to the Secretary a form, as prescribed by the Secretary, completed by the employer verifying that the employee must drive an employer-owned vehicle in the course of employment. If approved by the Secretary, the form must be in the driver's possession while operating an employer-owner vehicle not equipped with an ignition interlock device. No person may use this exemption to drive a school bus, school vehicle, or a vehicle designed to transport more than 15 passengers. No person may use this exemption to drive an employer-owned motor vehicle that is owned by an entity that is wholly or partially owned by the person holding the MDDP, or by a family member of the person holding the MDDP. No person may use this exemption to drive an employer-owned vehicle that is made available to the employee for personal use. No person may drive the exempted vehicle more than 12 hours per day, 6 days per week.

(a-3) Persons who are issued a MDDP and who must drive a farm tractor to and from a farm, within 50 air miles from the originating farm are exempt from installation of a BAIID on the farm tractor, so long as the farm tractor is being used for the exclusive purpose of conducting farm operations.

(c-1) If the holder of the MDDP is convicted of or receives court supervision for a violation of Section 6-206.2, 6-303, 11-204, 11-204.1, 11-401, 11-501, 11-503, 11-506 or a similar provision of a local ordinance or a similar out-of-state offense or is convicted of or receives court supervision for any offense for which alcohol or drugs is an element of the offense and in which a motor vehicle was involved (for an arrest other than the one for which the MDDP is issued), or de-installs the BAIID without prior authorization from the Secretary, the MDDP shall be cancelled.

(c-5) If the Secretary determines that the person seeking the MDDP is indigent, the Secretary shall provide the person with a written document as evidence of that determination, and the person shall provide that written document to an ignition interlock device provider. The provider shall install an ignition interlock device on that person's vehicle without charge to the person, and seek reimbursement from the Indigent BAIID Fund. If the Secretary has deemed an offender indigent, the BAIID provider shall also provide the normal monthly monitoring services and the de-installation without charge to the offender and seek reimbursement from the Indigent BAIID Fund. Any other monetary charges, such as a lockout fee or reset fee, shall be the responsibility of the MDDP holder. A BAIID provider may not seek a security deposit from the Indigent BAIID Fund.

(d) MDDP information shall be available only to the courts, police officers, and the Secretary, except during the actual period the MDDP is valid, during which time it shall be a public record.

(g) The Secretary shall adopt rules for implementing this Section. The rules adopted shall address issues including, but not limited to: compliance with the requirements of the MDDP; methods for determining compliance with those requirements; the consequences of noncompliance with those requirements; what constitutes a violation of the MDDP; methods for determining indigency; and the duties of a person or entity that supplies the ignition interlock device.

(h) The rules adopted under subsection (g) shall provide, at a minimum, that the person is not in compliance with the requirements of the MDDP if he or she:

New matter indicated by italics - deletions by strikeout
(1) tampers or attempts to tamper with or circumvent the proper operation of the ignition interlock device;

(2) provides valid breath samples that register blood alcohol levels in excess of the number of times allowed under the rules;

(3) fails to provide evidence sufficient to satisfy the Secretary that the ignition interlock device has been installed in the designated vehicle or vehicles; or

(4) fails to follow any other applicable rules adopted by the Secretary.

(i) Any person or entity that supplies an ignition interlock device as provided under this Section shall, in addition to supplying only those devices which fully comply with all the rules adopted under subsection (g), provide the Secretary, within 7 days of inspection, all monitoring reports of each person who has had an ignition interlock device installed. These reports shall be furnished in a manner or form as prescribed by the Secretary.

(j) Upon making a determination that a violation of the requirements of the MDDP has occurred, the Secretary shall extend the summary suspension period for an additional 3 months beyond the originally imposed summary suspension period, during which time the person shall only be allowed to drive vehicles equipped with an ignition interlock device; provided further there are no limitations on the total number of times the summary suspension may be extended. The Secretary may, however, limit the number of extensions imposed for violations occurring during any one monitoring period, as set forth by rule. Any person whose summary suspension is extended pursuant to this Section shall have the right to contest the extension through a hearing with the Secretary, pursuant to Section 2-118 of this Code. If the summary suspension has already terminated prior to the Secretary receiving the monitoring report that shows a violation, the Secretary shall be authorized to suspend the person's driving privileges for 3 months, provided that the Secretary may, by rule, limit the number of suspensions to be entered pursuant to this paragraph for violations occurring during any one monitoring period. Any person whose license is suspended pursuant to this paragraph, after the summary suspension had already terminated, shall have the right to contest the suspension through a hearing with the Secretary, pursuant to Section 2-118 of this Code. The only permit the person shall be eligible for during this new suspension period is a MDDP.

(k) A person who has had his or her summary suspension extended for the third time, or has any combination of 3 extensions and new suspensions, entered as a result of a violation that occurred while holding the MDDP, so long as the extensions and new suspensions relate to the same summary suspension, shall have his or her vehicle impounded for a period of 30 days, at the person's own expense. A person who has his or her summary suspension extended for the fourth time, or has any combination of 4 extensions and new suspensions, entered as a result of a violation that occurred while holding the MDDP, so long as the extensions and new suspensions relate to the same summary suspension, shall have his or her vehicle subject to seizure and forfeiture. The Secretary shall notify the prosecuting authority of any third or fourth extensions or new suspension entered as a result of a violation that occurred while the person held a MDDP. Upon receipt of the notification, the prosecuting authority shall impound or forfeit the vehicle. The impoundment or forfeiture of a vehicle shall be conducted pursuant to the procedure specified in Article 36 of the Criminal Code of 2012.

(l) A person whose driving privileges have been suspended under Section 11-501.1 of this Code and who had a MDDP that was cancelled, or would have been cancelled had notification of a violation been received prior to expiration of the MDDP, pursuant to subsection (c-1) of this Section, shall not be eligible for reinstatement when the summary suspension is scheduled to terminate. Instead, the person's driving privileges shall be suspended for a period of not less than twice the original summary suspension period, or for the length of any extensions entered under subsection (j), whichever is longer. During the period of suspension, the person shall be eligible only to apply for a restricted driving permit. If a restricted driving permit is granted, the offender may only operate vehicles equipped with a BAIID in accordance with this Section.

(m) Any person or entity that supplies an ignition interlock device under this Section shall, for each ignition interlock device installed, pay 5% of the total gross revenue received for the device, including monthly monitoring fees, into the Indigent BAIID Fund. This 5% shall be clearly indicated as a separate surcharge on each invoice that is issued. The Secretary shall conduct an annual review of the fund to determine whether the surcharge is sufficient to provide for indigent users. The Secretary may increase or decrease this surcharge requirement as needed.
(n) Any person or entity that supplies an ignition interlock device under this Section that is requested to provide an ignition interlock device to a person who presents written documentation of indigency from the Secretary, as provided in subsection (c-5) of this Section, shall install the device on the person's vehicle without charge to the person and shall seek reimbursement from the Indigent BAIID Fund.

(o) The Indigent BAIID Fund is created as a special fund in the State treasury. The Secretary shall, subject to appropriation by the General Assembly, use all money in the Indigent BAIID Fund to reimburse ignition interlock device providers who have installed devices in vehicles of indigent persons. The Secretary shall make payments to such providers every 3 months. If the amount of money in the fund at the time payments are made is not sufficient to pay all requests for reimbursement submitted during that 3 month period, the Secretary shall make payments on a pro-rata basis, and those payments shall be considered payment in full for the requests submitted.

(p) The Monitoring Device Driving Permit Administration Fee Fund is created as a special fund in the State treasury. The Secretary shall, subject to appropriation by the General Assembly, use the money paid into this fund to offset its administrative costs for administering MDDPs.

(q) The Secretary is authorized to prescribe such forms as it deems necessary to carry out the provisions of this Section.

Sec. 11-501.1. Suspension of drivers license; statutory summary alcohol, other drug or drugs, or intoxicating compound or compounds related suspension or revocation; implied consent.

(a) Any person who drives or is in actual physical control of a motor vehicle upon the public highways of this State shall be deemed to have given consent, subject to the provisions of Section 11-501.2, to a chemical test or tests of blood, breath, or urine for the purpose of determining the content of alcohol, other drug or drugs, or intoxicating compound or compounds or any combination thereof in the person's blood if arrested, as evidenced by the issuance of a Uniform Traffic Ticket, for any offense as defined in Section 11-501 or a similar provision of a local ordinance, or if arrested for violating Section 11-401. If a law enforcement officer has probable cause to believe the person was under the influence of alcohol, other drug or drugs, intoxicating compound or compounds, or any combination thereof, the law enforcement officer shall request a chemical test or tests which shall be administered at the direction of the arresting officer. The law enforcement agency employing the officer shall designate which of the aforesaid tests shall be administered. A urine test may be administered even after a blood or breath test or both has been administered. For purposes of this Section, an Illinois law enforcement officer of this State who is investigating the person for any offense defined in Section 11-501 may travel into an adjoining state, where the person has been transported for medical care, to complete an investigation and to request that the person submit to the test or tests set forth in this Section. The requirements of this Section that the person be arrested are inapplicable, but the officer shall issue the person a Uniform Traffic Ticket for an offense as defined in Section 11-501 or a similar provision of a local ordinance prior to requesting that the person submit to the test or tests. The issuance of the Uniform Traffic Ticket shall not constitute an arrest, but shall be for the purpose of notifying the person that he or she is subject to
the provisions of this Section and of the officer's belief of the existence of probable cause to arrest. Upon returning to this State, the officer shall file the Uniform Traffic Ticket with the Circuit Clerk of the county where the offense was committed, and shall seek the issuance of an arrest warrant or a summons for the person.

(a-5) In addition to the requirements and provisions of subsection (a), any person issued a registry card under the Compassionate Use of Medical Cannabis Pilot Program Act who drives or is in actual physical control of a motor vehicle upon the public highways of this State shall be deemed to have given consent, subject to the provisions of Section 11-501.2, to standardized field sobriety tests approved by the National Highway Traffic Safety Administration if arrested, as evidenced by the issuance of a Uniform Traffic Ticket, for any offense as defined in Section 11-501 or a similar provision of a local ordinance, or if arrested for violating Section 11-401. The person's status as a registry card holder alone is not a sufficient basis for conducting these tests. The officer must have an independent, cannabis-related factual basis giving reasonable suspicion that the person is driving under the influence of cannabis for conducting standardized field sobriety tests. This independent basis of suspicion shall be listed on the standardized field sobriety test results and any influence reports made by the arresting officer.

(b) Any person who is dead, unconscious, or who is otherwise in a condition rendering the person incapable of refusal, shall be deemed not to have withdrawn the consent provided by paragraph (a) of this Section and the test or tests may be administered, subject to the provisions of Section 11-501.2.

(c) A person requested to submit to a test as provided above shall be warned by the law enforcement officer requesting the test that a refusal to submit to the test will result in the statutory summary suspension of the person's privilege to operate a motor vehicle, as provided in Section 6-208.1 of this Code, and will also result in the disqualification of the person's privilege to operate a commercial motor vehicle, as provided in Section 6-514 of this Code, if the person is a CDL holder. The person shall also be warned that a refusal to submit to the test, when the person was involved in a motor vehicle accident that caused personal injury or death to another, will result in the statutory summary revocation of the person's privilege to operate a motor vehicle, as provided in Section 6-208.1, and will also result in the disqualification of the person's privilege to operate a commercial motor vehicle, as provided in Section 6-514 of this Code, if

the person is a CDL holder. The person shall also be warned by the law enforcement officer that if the person submits to the test or tests provided in paragraph (a) of this Section and the alcohol concentration in the person's blood or breath is 0.08 or greater, or any amount of a drug, substance, or compound resulting from the unlawful use or consumption of cannabis as covered by the Cannabis Control Act, a controlled substance listed in the Illinois Controlled Substances Act, an intoxicating compound listed in the Use of Intoxicating Compounds Act, or methamphetamine as listed in the Methamphetamine Control and Community Protection Act is detected in the person's blood or urine, or if the person fails the standardized field sobriety tests as required by paragraph (a-5), a statutory summary suspension of the person's privilege to operate a motor vehicle, as provided in Sections 6-208.1 and 11-501.1 of this Code, and a disqualification of the person's privilege to operate a commercial motor vehicle, as provided in Section 6-514 of this Code, if the person is a CDL holder, will be imposed.

A person who is under the age of 21 at the time the person is requested to submit to a test as provided above shall, in addition to the warnings provided for in this Section, be further warned by the law enforcement officer requesting the test that if the person submits to the test or tests provided in paragraph (a) or (a-5) of this Section and the alcohol concentration in the person's blood or breath is greater than 0.00 and less than 0.08, a suspension of the person's privilege to operate a motor vehicle, as provided under Sections 6-208.2 and 11-501.8 of this Code, will be imposed. The results of this test shall be admissible in a civil or criminal action or proceeding arising from an arrest for an offense as defined in Section 11-501 of this Code or a similar provision of a local ordinance or pursuant to Section 11-501.4 in prosecutions for reckless homicide brought under the Criminal Code of 1961 or the Criminal Code of 2012. These test results, however, shall be admissible only in actions or proceedings directly related to the incident upon which the test request was made.

(d) If the person refuses testing or submits to a test that discloses an alcohol concentration of 0.08 or more, or any amount of a drug, substance, or intoxicating compound in the person's breath, blood, or urine resulting from the unlawful use or consumption of cannabis listed in the Cannabis Control Act, a controlled substance listed in the Illinois Controlled Substances Act, an intoxicating compound listed in the Use of Intoxicating Compounds Act, or methamphetamine as listed in the

Methamphetamine Control and Community Protection Act, the law enforcement officer shall immediately submit a sworn report to the circuit court of venue and the Secretary of State, certifying that the test or tests was or were requested under paragraph (a) or (a-5) and the person refused to submit to a test, or tests, or submitted to testing that disclosed an alcohol concentration of 0.08 or more. A sworn report indicating refusal or failure of testing under paragraph (a-5) of this Section shall include the factual basis of the arresting officer's reasonable suspicion that the person was under the influence of cannabis. The person's possession of a valid registry card under the Compassionate Use of Medical Cannabis Pilot Program Act alone is not sufficient basis for reasonable suspicion.

(e) Upon receipt of the sworn report of a law enforcement officer submitted under paragraph (d), the Secretary of State shall enter the statutory summary suspension or revocation and disqualification for the periods specified in Sections 6-208.1 and 6-514, respectively, and effective as provided in paragraph (g).

If the person is a first offender as defined in Section 11-500 of this Code, and is not convicted of a violation of Section 11-501 of this Code or a similar provision of a local ordinance, then reports received by the Secretary of State under this Section shall, except during the actual time the Statutory Summary Suspension is in effect, be privileged information and for use only by the courts, police officers, prosecuting authorities or the Secretary of State, unless the person is a CDL holder, is operating a commercial motor vehicle or vehicle required to be placarded for hazardous materials, in which case the suspension shall not be privileged. Reports received by the Secretary of State under this Section shall also be made available to the parent or guardian of a person under the age of 18 years that holds an instruction permit or a graduated driver's license, regardless of whether the statutory summary suspension is in effect. A statutory summary revocation shall not be privileged information.

(f) The law enforcement officer submitting the sworn report under paragraph (d) shall serve immediate notice of the statutory summary suspension or revocation on the person and the suspension or revocation and disqualification shall be effective as provided in paragraph (g).

(1) In cases where the blood alcohol concentration of 0.08 or greater or any amount of a drug, substance, or compound resulting from the unlawful use or consumption of cannabis as covered by the Cannabis Control Act, a controlled substance listed in the Illinois Controlled Substances Act, an intoxicating

compound listed in the Use of Intoxicating Compounds Act, or methamphetamine as listed in the Methamphetamine Control and Community Protection Act is established by a subsequent analysis of blood or urine collected at the time of arrest, the arresting officer or arresting agency shall give notice as provided in this Section or by deposit in the United States mail of the notice in an envelope with postage prepaid and addressed to the person at his address as shown on the Uniform Traffic Ticket and the statutory summary suspension and disqualification shall begin as provided in paragraph (g). The officer shall confiscate any Illinois driver's license or permit on the person at the time of arrest. If the person has a valid driver's license or permit, the officer shall issue the person a receipt, in a form prescribed by the Secretary of State, that will allow that person to drive during the periods provided for in paragraph (g). The officer shall immediately forward the driver's license or permit to the circuit court of venue along with the sworn report provided for in paragraph (d).

(2) In cases indicating refusal or failure of testing under paragraph (a-5) of this Section the arresting officer or arresting agency shall give notice as provided in this Section or by deposit in the United States mail of the notice in an envelope with postage prepaid and addressed to the person at his or her address as shown on the Uniform Traffic Ticket and the statutory summary suspension and disqualification shall begin as provided in paragraph (g). This notice shall include the factual basis of the arresting officer's reasonable suspicion that the person was under the influence of cannabis. The person's possession of a valid registry card under the Compassionate Use of Medical Cannabis Pilot Program Act alone is not sufficient basis for reasonable suspicion.

(g) The statutory summary suspension or revocation and disqualification referred to in this Section shall take effect on the 46th day following the date the notice of the statutory summary suspension or revocation was given to the person.

(h) The following procedure shall apply whenever a person is arrested for any offense as defined in Section 11-501 or a similar provision of a local ordinance:

Upon receipt of the sworn report from the law enforcement officer, the Secretary of State shall confirm the statutory summary suspension or

revocation by mailing a notice of the effective date of the suspension or
revocation to the person and the court of venue. The Secretary of State
shall also mail notice of the effective date of the disqualification to the
person. However, should the sworn report be defective by not containing
sufficient information or be completed in error, the confirmation of the
statutory summary suspension or revocation shall not be mailed to the
person or entered to the record; instead, the sworn report shall be
forwarded to the court of venue with a copy returned to the issuing agency
identifying any defect.

(i) As used in this Section, "personal injury" includes any Type A
injury as indicated on the traffic accident report completed by a law
enforcement officer that requires immediate professional attention in either
a doctor's office or a medical facility. A Type A injury includes severely
bleeding wounds, distorted extremities, and injuries that require the
injured party to be carried from the scene.

Sec. 11-501.2. Chemical and other tests.

(a) Upon the trial of any civil or criminal action or proceeding
arising out of an arrest for an offense as defined in Section 11-501 or a
similar local ordinance or proceedings pursuant to Section 2-118.1,
evidence of the concentration of alcohol, other drug or drugs, or
intoxicating compound or compounds, or any combination thereof in a
person's blood or breath at the time alleged, as determined by analysis of
the person's blood, urine, breath or other bodily substance, shall be
admissible. Where such test is made the following provisions shall apply:

1. Chemical analyses of the person's blood, urine, breath or
other bodily substance to be considered valid under the provisions
of this Section shall have been performed according to standards
promulgated by the Department of State Police by a licensed
physician, registered nurse, trained phlebotomist, certified
paramedic, or other individual possessing a valid permit issued by
that Department for this purpose. The Director of State Police is
authorized to approve satisfactory techniques or methods, to
ascertain the qualifications and competence of individuals to
conduct such analyses, to issue permits which shall be subject to
termination or revocation at the discretion of that Department and
to certify the accuracy of breath testing equipment. The

Department of State Police shall prescribe regulations as necessary to implement this Section.

2. When a person in this State shall submit to a blood test at the request of a law enforcement officer under the provisions of Section 11-501.1, only a physician authorized to practice medicine, a licensed physician assistant, a licensed advanced practice nurse, a registered nurse, trained phlebotomist, or certified paramedic, or other qualified person approved by the Department of State Police may withdraw blood for the purpose of determining the alcohol, drug, or alcohol and drug content therein. This limitation shall not apply to the taking of breath or urine specimens.

When a blood test of a person who has been taken to an adjoining state for medical treatment is requested by an Illinois law enforcement officer, the blood may be withdrawn only by a physician authorized to practice medicine in the adjoining state, a licensed physician assistant, a licensed advanced practice nurse, a registered nurse, a trained phlebotomist acting under the direction of the physician, or certified paramedic. The law enforcement officer requesting the test shall take custody of the blood sample, and the blood sample shall be analyzed by a laboratory certified by the Department of State Police for that purpose.

3. The person tested may have a physician, or a qualified technician, chemist, registered nurse, or other qualified person of their own choosing administer a chemical test or tests in addition to any administered at the direction of a law enforcement officer. The failure or inability to obtain an additional test by a person shall not preclude the admission of evidence relating to the test or tests taken at the direction of a law enforcement officer.

4. Upon the request of the person who shall submit to a chemical test or tests at the request of a law enforcement officer, full information concerning the test or tests shall be made available to the person or such person's attorney.

5. Alcohol concentration shall mean either grams of alcohol per 100 milliliters of blood or grams of alcohol per 210 liters of breath.

(a-5) Law enforcement officials may use standardized field sobriety tests approved by the National Highway Traffic Safety Administration when conducting investigations of a violation of Section 11-501 or similar local ordinance by drivers suspected of driving under the influence of alcohol.
the influence of cannabis. The General Assembly finds that standardized field sobriety tests approved by the National Highway Traffic Safety Administration are divided attention tasks that are intended to determine if a person is under the influence of cannabis. The purpose of these tests is to determine the effect of the use of cannabis on a person's capacity to think and act with ordinary care and therefore operate a motor vehicle safely. Therefore, the results of these standardized field sobriety tests, appropriately administered, shall be admissible in the trial of any civil or criminal action or proceeding arising out of an arrest for a cannabis-related offense as defined in Section 11-501 or a similar local ordinance or proceedings under Section 2-118.1. Where a test is made the following provisions shall apply:

1. The person tested may have a physician, or a qualified technician, chemist, registered nurse, or other qualified person of their own choosing administer a chemical test or tests in addition to the standardized field sobriety test or tests administered at the direction of a law enforcement officer. The failure or inability to obtain an additional test by a person does not preclude the admission of evidence relating to the test or tests taken at the direction of a law enforcement officer.

2. Upon the request of the person who shall submit to a standardized field sobriety test or tests at the request of a law enforcement officer, full information concerning the test or tests shall be made available to the person or the person's attorney.

3. At the trial of any civil or criminal action or proceeding arising out of an arrest for an offense as defined in Section 11-501 or a similar local ordinance or proceedings under Section 2-118.1 in which the results of these standardized field sobriety tests are admitted, the cardholder may present and the trier of fact may consider evidence that the cardholder lacked the physical capacity to perform the standardized field sobriety tests.

(b) Upon the trial of any civil or criminal action or proceeding arising out of acts alleged to have been committed by any person while driving or in actual physical control of a vehicle while under the influence of alcohol, the concentration of alcohol in the person's blood or breath at the time alleged as shown by analysis of the person's blood, urine, breath, or other bodily substance shall give rise to the following presumptions:

New matter indicated by italics - deletions by strikeout
1. If there was at that time an alcohol concentration of 0.05 or less, it shall be presumed that the person was not under the influence of alcohol.

2. If there was at that time an alcohol concentration in excess of 0.05 but less than 0.08, such facts shall not give rise to any presumption that the person was or was not under the influence of alcohol, but such fact may be considered with other competent evidence in determining whether the person was under the influence of alcohol.

3. If there was at that time an alcohol concentration of 0.08 or more, it shall be presumed that the person was under the influence of alcohol.

4. The foregoing provisions of this Section shall not be construed as limiting the introduction of any other relevant evidence bearing upon the question whether the person was under the influence of alcohol.

(c) 1. If a person under arrest refuses to submit to a chemical test under the provisions of Section 11-501.1, evidence of refusal shall be admissible in any civil or criminal action or proceeding arising out of acts alleged to have been committed while the person under the influence of alcohol, other drug or drugs, or intoxicating compound or compounds, or any combination thereof was driving or in actual physical control of a motor vehicle.

2. Notwithstanding any ability to refuse under this Code to submit to these tests or any ability to revoke the implied consent to these tests, if a law enforcement officer has probable cause to believe that a motor vehicle driven by or in actual physical control of a person under the influence of alcohol, other drug or drugs, or intoxicating compound or compounds, or any combination thereof has caused the death or personal injury to another, the law enforcement officer shall request, and that person shall submit, upon the request of a law enforcement officer, to a chemical test or tests of his or her blood, breath or urine for the purpose of determining the alcohol content thereof or the presence of any other drug or combination of both.

   This provision does not affect the applicability of or imposition of driver's license sanctions under Section 11-501.1 of this Code.

3. For purposes of this Section, a personal injury includes any Type A injury as indicated on the traffic accident report completed by a law enforcement officer that requires immediate professional attention in either a doctor's office or a medical facility. A Type A injury includes severe
bleeding wounds, distorted extremities, and injuries that require the injured party to be carried from the scene.

(House Bill No. 2267)

AN ACT concerning education.

Be it enacted by the People of the State of Illinois, represented in the General Assembly:

Section 5. The School Code is amended by changing Sections 7-2a, 7-4, 10-22.22c, 11E-20, 11E-45, and 11E-70 as follows:

(105 ILCS 5/7-2a) (from Ch. 122, par. 7-2a)

Sec. 7-2a. (a) Except as provided in subsection (b) of this Section, any petition for dissolution filed under this Article must specify the school district or districts to which all of the territory of the district proposed to be dissolved will be annexed. Any petition for dissolution may be made by the board of education of the district or a majority of the legal voters residing in the district proposed to be dissolved. No petition from any other district affected by the proposed dissolution shall be required.

(b) Any school district with a population of less than 5,000 residents or an enrollment of less than 750 students, as determined by the district's current fall housing report filed with the State Board of Education, shall be dissolved and its territory annexed as provided in Section 7-11 by the regional board of school trustees upon the filing with the regional board of school trustees of a petition adopted by resolution of the board of education or a petition signed by a majority of the registered

voters of the district seeking such dissolution. No petition shall be adopted or signed under this subsection until the board of education or the petitioners, as the case may be, shall have given at least 10 days’ notice to be published once in a newspaper having general circulation in the district and shall have conducted a public informational meeting to inform the residents of the district of the proposed dissolution and to answer questions concerning the proposed dissolution. The petition shall be filed with and decided solely by the regional board of school trustees of the region in which the regional superintendent of schools has supervision of the school district being dissolved. The regional board of school trustees shall not act on a petition filed by a board of education if within 45 days after giving notice of the hearing required under Section 7-11 a petition in opposition to the petition of the board to dissolve, signed by a majority of the registered voters of the district, is filed with the regional board of school trustees. The regional board of school trustees shall have no authority to deny dissolution requested in a proper petition for dissolution filed under this subsection (b), but shall exercise its discretion in accordance with Section 7-11 on the issue of annexing the territory of a district being dissolved, giving consideration to but not being bound by the wishes expressed by the residents of the various school districts that may be affected by such annexation.

When dissolution and annexation become effective for purposes of administration and attendance as determined pursuant to Section 7-11, the positions of teachers in contractual continued service in the district being dissolved are transferred to an annexing district or to annexing districts pursuant to the provisions of Section 24-12 relative to teachers having contractual continued service status whose positions are transferred from one board to the control of a different board, and those said provisions of Section 24-12 shall apply to said transferred teachers. In the event that the territory is added to 2 or more districts, the decision on which positions shall be transferred to which annexing districts shall be made giving consideration to the proportionate percent of pupils transferred and the annexing districts' staffing needs, and the transfer of specific individuals into such positions shall be based upon the request of those teachers in order of seniority in the dissolving district. The contractual continued service status of any teacher thereby transferred to an annexing district is not lost and the different board is subject to this Act with respect to such transferred teacher in the same manner as if such teacher was that district's employee and had been its employee during the time such teacher was
actually employed by the board of the dissolving district from which the
position was transferred.

annexing district and the annexed district need not be contiguous if the

Sec. 10-22.22c. (a) Subject to the following provisions of this Section two or more contiguous school districts each of which has an enrollment in grades 9 through 12 of less than 600 students may, when in their judgment the interest of the districts and of the students therein will be best served, jointly operate one or more cooperative high schools. Such action shall be taken for a minimum period of 20 school years, and may be taken only with the approval of the voters of each district. A district with 600 or more students enrolled in grades 9 through 12 may qualify for inclusion with one or more districts having less than 600 such students by receiving a size waiver from the State Board of Education based on a finding that such inclusion would significantly increase the educational opportunities of the district's students, and by meeting the other prerequisites of this Section. The board of each district contemplating such joint operation shall, by proper resolution, cause the proposition to enter into such joint operation to be submitted to the voters of the district at a regularly scheduled election. Notice shall be published at least 10 days prior to the date of the election at least once in one or more newspapers published in the district or, if no newspaper is published in the district, in one or more newspapers with a general circulation within the district. The notice shall be substantially in the following form:

into an agreement with School District No. ...., .... County
(Counties), Illinois to jointly
operate (a) cooperative high
school (schools)?                              NO
-----------------------------------

If the majority of those voting on the proposition in each district vote in favor of the proposition, the school boards of the participating districts may, if they agree on terms, execute a contract for such joint operation subject to the following provisions of this Section.

(b) The agreement for joint operation of any such cooperative high school shall include, but not be limited to, provisions for administration, staff, programs, financing, facilities, and transportation. Such agreements may be modified, extended, or terminated by approval of each of the participating districts, provided that a district may withdraw from the agreement during its initial 20-year term only if the district is reorganizing with one or more districts under other provisions of this Code. Even if 2 or more of the participating district boards approve an extension of the agreement, any other participating district shall, upon failure of its board to approve such extension, disengage from such participation at the end of the then current agreement term.

(c) A governing board, which shall govern the operation of any such cooperative high school, shall be composed of an equal number of board members from each of the participating districts, except that where
all participating district boards concur, membership on the governing board may be apportioned to reflect the number of students in each respective district who attend the cooperative high school. The membership of the governing board shall be not less than 6 nor more than 10 and shall be set by the agreement entered into by the participating districts. The school board of each participating district shall select, from its membership, its representatives on the governing board. The governing board shall prepare and adopt a budget for the cooperative high school. The governing board shall administer the cooperative high school in accordance with the agreement of the districts and shall have the power to hire, supervise, and terminate staff; to enter into contracts; to adopt policies for the school; and to take all other actions necessary and proper for the operation of the school. However, the governing board may not levy taxes or incur any indebtedness except within the annual budget approved by the participating districts.

(d) (Blank).

(e) Each participating district shall pay its per capita cost of educating the students residing in its district and attending any such cooperative high school into the budget for the maintenance and operation of the cooperative high school.

The manner of determining per capita cost shall be set forth in the agreement. Each district shall pay the amount owed the governing board under the terms of the agreement from the fund that the district would have used if the district had incurred the costs directly and may levy taxes and issue bonds as otherwise authorized for these purposes in order to make payments to the governing board.

(f) Additional school districts having an enrollment in grades 9 through 12 of less than 600 students may be added to the agreement in accordance with the process described in subsection (a) of this Section. In the event additional districts are added, a new contract shall be executed in accordance with the provisions of this Section.

(g) Upon formation of the cooperative high school, the school board of each participating district shall:

(1) confer and coordinate with each other and the governing board, if the governing board is then in existence, as to staffing needs for the cooperative high school;

(2) in consultation with any exclusive employee representatives and the governing board, if the governing board is then in existence, establish a combined list of teachers in all

New matter indicated by italics - deletions by strikeout
participating districts, categorized by positions, showing the length of service and the contractual continued service status, if any, of each teacher in each participating district who is qualified to hold any such positions at the cooperative high school, and then distribute this list to the exclusive employee representatives on or before February 1 of the school year prior to the commencement of the operation of the cooperative high school or within 30 days after the date of the referendum election if the proposition receives a majority of those voting in each district, whichever occurs first. This list is in addition to and not a substitute for the list mandated by Section 24-12 of this Code; and

(3) transfer to the governing board of the cooperative high school the employment and the position of so many of the full-time or part-time high school teachers employed by a participating district as are jointly determined by the school boards of the participating districts and the governing board, if the governing board is then in existence, to be needed at the cooperative high school, provided that these teacher transfers shall be done:

(A) by categories listed on the seniority list mentioned in subdivision (2) of this subsection (g);

(B) in each category, by having teachers in contractual continued service being transferred before any teachers who are not in contractual continued service; and

(C) in order from greatest seniority first through lesser amounts of seniority.

A teacher who is not in contractual continued service shall not be transferred if there is a teacher in contractual continued service in the same category who is qualified to hold the position that is to be filled.

If there are more teachers who have entered upon contractual continued service than there are available positions at the cooperative high school or within other assignments in the district, a school board shall first remove or dismiss all teachers who have not entered upon contractual continued service before removing or dismissing any teacher who has entered upon contractual continued service and who is legally qualified (i) to hold a position at the cooperative high school planned to be held by a teacher who has not entered upon contractual continued service or (ii) to hold another position in the participating district. As between teachers who have entered upon contractual continued service, the teacher or teachers with the shorter length of continuing service in any of the participating districts.
districts shall be dismissed first. Any teacher dismissed as a result of such a decrease shall be paid all earned compensation on or before the third business day following the last day of pupil attendance in the regular school term. If the school board that has dismissed a teacher or the governing board has any vacancies for the following school term or within one calendar year from the beginning of the following school term, the positions thereby becoming available shall be tendered to the teachers so removed or dismissed so far as they are legally qualified to hold such positions. However, if the number of honorable dismissal notices in all participating districts exceeds 15% of full-time equivalent positions filled by certified employees (excluding principals and administrative personnel) during the preceding school year in all participating districts and if the school board that has dismissed a teacher or the governing board has any vacancies for the following school term or within 2 calendar years from the beginning of the following school term, the positions so becoming available shall be tendered to the teachers who were so notified, removed, or dismissed whenever these teachers are legally qualified to hold such positions.

The provisions of Section 24-12 of this Code concerning teachers whose positions are transferred from one board to the control of a different board shall apply to the teachers who are transferred. The contractual continued service of any transferred teacher is not lost and the governing board is subject to this Code with respect to the teacher in the same manner as if the teacher had been the governing board's employee during the time the teacher was actually employed by the board of the district from which the position and the teacher's employment were transferred. The time spent in employment with a participating district by any teacher who has not yet entered upon contractual continued service and who is transferred to the governing board is not lost when computing the time necessary for the teacher to enter upon contractual continued service, and the governing board is subject to this Code with respect to the teacher in the same manner as if the teacher had been the governing board's employee during the time the teacher was actually employed by the school board from which the position and the teacher's employment were transferred.

If the cooperative high school is dissolved, any teacher who was transferred from a participating district shall be transferred back to the district and Section 24-12 of this Code shall apply. In that case, a district is
subject to this Code in the same manner as if the teacher transferred back had been continuously in the service of the receiving district.

(h) Upon formation of the cooperative high school, the school board of each participating district shall:

(1) confer and coordinate with each other and the governing board, if the governing board is then in existence, as to needs for educational support personnel for the cooperative high school;

(2) in consultation with any exclusive employee representative or bargaining agent and the governing board, if the governing board is then in existence, establish a combined list of educational support personnel in participating districts, categorized by positions, showing the length of continuing service of each full-time educational support personnel employee who is qualified to hold any such position at the cooperative high school, and then distribute this list to the exclusive employee representative or bargaining agent on or before February 1 of the school year prior to the commencement of the operation of the cooperative high school or within 30 days after the date of the referendum election if the proposition receives a majority of those voting in each district, whichever occurs first; and

(3) transfer to the governing board of the cooperative high school the employment and the positions of so many of the full-time educational support personnel employees employed by a participating district as are jointly determined by the school boards of the participating districts and the governing board, if the governing board is then in existence, to be needed at the cooperative high school, provided that the full-time educational personnel employee transfers shall be done by categories on the seniority list mentioned in subdivision (2) of this subsection (h) and done in order from greatest seniority first through lesser amounts of seniority.

If there are more full-time educational support personnel employees than there are available positions at the cooperative high school or in the participating district, a school board shall first remove or dismiss those educational support personnel employees with the shorter length of continuing service in any of the participating districts, within the respective category of position. The governing board is subject to this Code with respect to the educational support personnel employee as if the educational support personnel employee had been the governing board's

employee during the time the educational support personnel employee was actually employed by the school board of the district from which the employment and position were transferred. Any educational support personnel employee dismissed as a result of such a decrease shall be paid all earned compensation on or before the third business day following his or her last day of employment. If the school board that has dismissed the educational support personnel employee or the governing board has any vacancies for the following school term or within one calendar year from the beginning of the following school term, the positions thereby becoming available within a specific category of position shall be tendered to the employees so removed or dismissed from that category of position so far as they are legally qualified to hold such positions. If the cooperative high school is dissolved, any educational support personnel employee who was transferred from a participating district shall be transferred back to the district and Section 10-23.5 of this Code shall apply. In that case, a district is subject to this Code in the same manner as if the educational support personnel employee transferred back had been continuously in the service of the receiving district.

(i) Two or more school districts not contiguous to each other, each of which has an enrollment in grades 9 through 12 of less than 600 students, may jointly operate one or more cooperative high schools if the following requirements are met and documented within 2 calendar years prior to the proposition filing date, pursuant to subsection (a) of this Section:

Section 99. Effective date. This Act takes effect upon becoming law.

Passed in the General Assembly May 14, 2013.
Approved August 2, 2013.
Effective August 2, 2013.

PUBLIC ACT 98-0126
(Senate Bill No. 0494)

AN ACT concerning local government.

Be it enacted by the People of the State of Illinois, represented in the General Assembly:

Section 5. The Counties Code is amended by adding Division 5-44 to Article 5 and Sections 5-44005, 5-44010, 5-44015, 5-44020, 5-44025, 5-44030, 5-44035, 5-44040, 5-44045, 5-44050, and 5-44055 as follows:

(55 ILCS 5/Div. 5-44 heading new)

Division 5-44. Local Government Reduction and Efficiency

(55 ILCS 5/5-44005 new)

Sec. 5-44005. Findings and purpose.
(a) The General Assembly finds:

(1) Illinois has more units of local government than any other state.

(2) The large number of units of local government results in the inefficient delivery of governmental services at a higher cost to taxpayers.

(3) In a number of cases, units of local government provide services that are duplicative in nature, as they are provided by other units of local government.

New matter indicated by italics - deletions by strikeout
It is in the best interest of taxpayers that more efficient service delivery structures be established in order to replace units of local government that are not financially sustainable.

Units of local government managed by appointed governing boards not directly accountable to the electorate can encourage a lack of oversight and complacency that is not in the best interest of taxpayers.

Various provisions of Illinois law governing the dissolution of units of local government are inconsistent and outdated.

The lack of a streamlined method to consolidate government functions and to dissolve units of local government results in an unfair tax burden on the citizens of the State of Illinois residing in those units of local government and prevents the expenditure of limited public funds for critical programs and services.

The purpose of this Act is to provide county boards with supplemental authority regarding the dissolution of units of local government and the consolidation of governmental functions.

Sec. 5-44010. Applicability. The powers and authorities provided by this Division 5-44 apply only to counties with a population of more than 900,000 and less than 3,000,000 that are contiguous to a county with a population of more than 3,000,000 and units of local government within such counties.

Sec. 5-44015. Powers; supplemental. The Sections of this Division 5-44 are intended to be supplemental and in addition to all other powers and authorities granted to any county board, shall be construed liberally, and shall not be construed as a limitation of any power or authority otherwise granted.

Sec. 5-44020. Definitions. In this Division 5-44:
"Fire protection jurisdiction" means a fire protection district, municipal fire department, or service organized under Section 5-1056.1 of the Counties Code, Sections 195 and 200 of the Township Code, Section 10-2.1 of the Illinois Municipal Code, or the Illinois Fire Protection District Act.
"Governing board" means the individual or individuals who constitute the corporate authorities of a unit of local government; and "Unit of local government" or "unit" means any unit of local government located entirely within one county, to which the county board chairman or county executive directly appoints a majority of its governing board with the advice and consent of the county board, but shall not include a fire protection district that directly employs any regular full-time employees or a special district organized under the Water Commission Act of 1985.

(55 ILCS 5/5-44025 new)
Sec. 5-44025. Dissolution of units of local government.
(a) A county board may, by ordinance, propose the dissolution of a unit of local government. The ordinance shall detail the purpose and cost savings to be achieved by such dissolution, and be published in a newspaper of general circulation served by the unit of local government and on the county's website, if applicable.

(b) Upon the effective date of an ordinance enacted pursuant to subsection (a) of this Section, the chairman of the county board shall cause an audit of all claims against the unit, all receipts of the unit, the inventory of all real and personal property owned by the unit or under its control or management, and any debts owed by the unit. The chairman may, at his or her discretion, undertake any other audit or financial review of the affairs of the unit. The person or entity conducting such audit shall report the findings of the audit to the county board and to the chairman of the county board within 30 days.

(c) Following the return of the audit report required by subsection (b) of this Section, the county board may adopt an ordinance dissolving the unit 150 days following the effective date of the ordinance. Upon adoption of the ordinance, but not before the end of the 30-day period set forth in subsection (e) of this Section and prior to its effective date, the chairman of the county board shall petition the circuit court for an order designating a trustee-in-dissolution for the unit, immediately terminating the terms of the members of the governing board of the unit of local government on the effective date of the ordinance, and providing for the compensation of the trustee, which shall be paid from the corporate funds of the unit.

(d) Upon the effective date of an ordinance enacted under subsection (c) of this Section, and notwithstanding any other provision of law, the State's attorney, or his or her designee, shall become the exclusive

New matter indicated by italics - deletions by strikeout
legal representative of the dissolving unit of local government. The county treasurer shall become the treasurer of the unit of local government and the county clerk shall become the secretary of the unit of local government.

(e) Any dissolution of a unit of local government proposed pursuant to this Act shall be subject to a backdoor referendum. In addition to, or as part of, the authorizing ordinance enacted pursuant to subsection (c) of this Section, a notice shall be published that includes: (1) the specific number of voters required to sign a petition requesting that the question of dissolution be submitted to referendum; (2) the time when such petition must be filed; (3) the date of the prospective referendum; and (4) the statement of the cost savings and the purpose or basis for the dissolution as set forth in the authorizing ordinance under subsection (a) of this Section. The county's election authority shall provide a petition form to anyone requesting one. If no petition is filed with the county's election authority within 30 days of publication of the authorizing ordinance and notice, the ordinance shall become effective.

However, the election authority shall certify the question for submission at the next election held in accordance with general election law if a petition: (1) is filed within the 30-day period; (2) is signed by electors numbering either 7.5% of the registered voters in the governmental unit or 200 registered voters, whichever is less; and (3) asks that the question of dissolution be submitted to referendum.

The election authority shall submit the question to voters residing in the area served by the unit of local government in substantially the following form:

Shall the county board be authorized to dissolve [name of unit of local government]?

The election authority shall record the votes as "Yes" or "No".

If a majority of the votes cast on the question at such election are in favor of dissolution of the unit of local government and provided that notice of the referendum was provided as set forth in Section 12-5 of the Election Code, the county board is authorized to proceed pursuant to subsection (c) of this Section.

(55 ILCS 5/5-44030 new)

Sec. 5-44030. Trustee-in-dissolution; powers and duties.

(a) The trustee-in-dissolution shall have the following powers and duties:

New matter indicated by italics - deletions by strikeout
(1) to execute all of the powers and duties of the previous board;

(2) to levy and rebate taxes, subject to the approval of the county board, for the purpose of paying the debts, obligations, and liabilities of the unit that are outstanding on the date of the dissolution and the necessary expenses of closing up the affairs of the district if these funds are not available from the unit of local government's general fund;

(3) to present, within 30 days of his or her appointment, a plan for the consolidation and dissolution of the unit of local government to the county board for its approval. The plan shall identify what functions, if any, of the unit of local government shall be undertaken by the county upon dissolution and whether any taxes previously levied for the provision of these functions shall be maintained;

(4) to enter into an intergovernmental agreement with one or more governmental entities to utilize existing resources including, but not limited to, labor, materials, and property, as may be needed to carry out the foregoing duties;

(5) to enter into an intergovernmental agreement with the county to combine or transfer any of the powers, privileges, functions, or authority of the unit of local government to the county as may be required to facilitate the transition; and

(6) to sell the property of the unit and, in case any excess remains after all liabilities of the unit are paid, the excess shall be transferred to a special fund created and maintained by the county treasurer to be expended solely to defer the costs incurred by the county in performing the duties of the unit, subject to the requirements of Section 5-44035 of this Division. Nothing in this Section shall prohibit the county from acquiring any or all real or personal property of the district.

(b) For fire protection jurisdictions, the trustee-in-dissolution shall not have:

(1) the powers enumerated in this Section unless the dissolution of that unit of local government shall not increase the average response times nor decrease the level of services provided; and

New matter indicated by italics - deletions by strikeout
(2) the power to decrease the levy that is in effect on or before the date of dissolution of the fire protection jurisdiction that affects the provision of fire and emergency medical services.

(55 ILCS 5/5-44035 new)

Sec. 5-44035. Outstanding indebtedness.
(a) In case any unit dissolved pursuant to this Division has bonds or notes outstanding that are a lien on funds available in the treasury at the time of consolidation, such lien shall be unimpaired by such dissolution and the lien shall continue in favor of the bond or note holders. The funds available subject to such a lien shall be set apart and held for the purpose of retiring such secured debt and no such funds shall be transferred into the general funds of the county.

(b) In case any unit dissolved pursuant to this Division has unsecured debts outstanding at the time of dissolution, any funds in the treasury of such unit or otherwise available and not committed shall, to the extent necessary, be applied to the payment of such debts.

(c) All property in the territory served by the dissolved unit of government shall be subject to taxation to pay the debts, bonds, and obligations of the dissolved district. The county board shall abate this taxation upon the discharge of all outstanding obligations.

(55 ILCS 5/5-44040 new)

Sec. 5-44040. Effect of dissolution. Immediately upon the dissolution of a unit of local government pursuant to this Division:

(a) Notwithstanding the provisions of the Special Service Area Tax Law of the Property Tax Code that pertain to the establishment of special service areas, all or part of the territory formerly served by the dissolved unit of local government may be established as a special service area or areas of the county if the county board by resolution determines that this designation is necessary for it to provide services. The special service area, if created, shall include all territory formerly served by the dissolved unit of local government if the dissolved unit has outstanding indebtedness. If the boundaries of a special service area created under this subsection include territory within a municipality, the corporate authorities of that municipality may, with the consent of the county, assume responsibility for the special service area and become its governing body.

All or part of the territory formerly served by a dissolved fire protection jurisdiction shall not be established as a special service area.
unless the creation of the special service area does not increase the average response times nor decrease the level of service provided.

(b) In addition to any other powers provided by law, the governing body of a special service area created pursuant to this subsection shall assume and is authorized to exercise all the powers and duties of the dissolved unit with respect to the special service area. The governing body is also authorized to continue to levy any tax previously imposed by the unit of local government within the special service area. However, the governing board shall not have the power to decrease the levy that is in effect on or before the date of dissolution of the fire protection jurisdiction that affects the provision of fire and emergency medical services.

(c) Subsequent increases of the current tax levy within the special service area or areas shall be made in accordance with the provisions of the Special Service Area Tax Law of the Property Tax Code.

(55 ILCS 5/5-44045 new)

Sec. 5-44045. Abatement of levy. Whenever a county has dissolved a unit of local government pursuant to this Division, the county or municipality shall, within 6 months of the effective date of the dissolution and every year thereafter, evaluate the need to continue any existing tax levy until the county or municipality abates the levy in the manner set forth by the Special Service Area Tax Law of the Property Tax Code.

(55 ILCS 5/5-44050 new)

Sec. 5-44050. Tax collection and enforcement. The dissolution of a unit of government pursuant to this Division shall not adversely affect proceedings for the collection or enforcement of any tax. Those proceedings shall continue to finality as though no dissolution had taken place. The proceeds thereof shall be paid over to the treasurer of the county to be used for the purpose for which the tax was levied or assessed. Proceedings to collect and enforce such taxes may be instituted and carried on in the name of the unit.

(55 ILCS 5/5-44055 new)

Sec. 5-44055. Litigation. All suits pending in any court on behalf of or against a unit dissolved pursuant to this Division may be prosecuted or defended in the name of the county by the State's attorney. All judgments obtained for a unit dissolved pursuant to this Division shall be collected and enforced by the county for its benefit.

AN ACT concerning criminal law.

Be it enacted by the People of the State of Illinois, represented in the General Assembly:

Section 5. The Criminal Identification Act is amended by changing Section 5.2 as follows:

(20 ILCS 2630/5.2)

Sec. 5.2. Expungement and sealing.

(a) General Provisions.

(1) Definitions. In this Act, words and phrases have the meanings set forth in this subsection, except when a particular context clearly requires a different meaning.

(A) The following terms shall have the meanings ascribed to them in the Unified Code of Corrections, 730 ILCS 5/5-1-2 through 5/5-1-22:

(i) Business Offense (730 ILCS 5/5-1-2),
(ii) Charge (730 ILCS 5/5-1-3),
(iii) Court (730 ILCS 5/5-1-6),
(iv) Defendant (730 ILCS 5/5-1-7),
(v) Felony (730 ILCS 5/5-1-9),
(vi) Imprisonment (730 ILCS 5/5-1-10),
(vii) Judgment (730 ILCS 5/5-1-12),
(viii) Misdemeanor (730 ILCS 5/5-1-14),
(ix) Offense (730 ILCS 5/5-1-15),
(x) Parole (730 ILCS 5/5-1-16),
(xi) Petty Offense (730 ILCS 5/5-1-17),
(xii) Probation (730 ILCS 5/5-1-18),
(xiii) Sentence (730 ILCS 5/5-1-19),
(xiv) Supervision (730 ILCS 5/5-1-21), and
(xv) Victim (730 ILCS 5/5-1-22).

(B) As used in this Section, "charge not initiated by arrest" means a charge (as defined by 730 ILCS 5/5-1-3) brought against a defendant where the defendant is not arrested prior to or as a direct result of the charge.

(C) "Conviction" means a judgment of conviction or sentence entered upon a plea of guilty or upon a verdict or finding of guilty of an offense, rendered by a legally
constituted jury or by a court of competent jurisdiction authorized to try the case without a jury. An order of supervision successfully completed by the petitioner is not a conviction. An order of qualified probation (as defined in subsection (a)(1)(J)) successfully completed by the petitioner is not a conviction. An order of supervision or an order of qualified probation that is terminated unsatisfactorily is a conviction, unless the unsatisfactory termination is reversed, vacated, or modified and the judgment of conviction, if any, is reversed or vacated.

(D) "Criminal offense" means a petty offense, business offense, misdemeanor, felony, or municipal ordinance violation (as defined in subsection (a)(1)(H)). As used in this Section, a minor traffic offense (as defined in subsection (a)(1)(G)) shall not be considered a criminal offense.

(E) "Expunge" means to physically destroy the records or return them to the petitioner and to obliterate the petitioner's name from any official index or public record, or both. Nothing in this Act shall require the physical destruction of the circuit court file, but such records relating to arrests or charges, or both, ordered expunged shall be impounded as required by subsections (d)(9)(A)(ii) and (d)(9)(B)(ii).

(F) As used in this Section, "last sentence" means the sentence, order of supervision, or order of qualified probation (as defined by subsection (a)(1)(J)), for a criminal offense (as defined by subsection (a)(1)(D)) that terminates last in time in any jurisdiction, regardless of whether the petitioner has included the criminal offense for which the sentence or order of supervision or qualified probation was imposed in his or her petition. If multiple sentences, orders of supervision, or orders of qualified probation terminate on the same day and are last in time, they shall be collectively considered the "last sentence" regardless of whether they were ordered to run concurrently.

(G) "Minor traffic offense" means a petty offense, business offense, or Class C misdemeanor under the Illinois
Vehicle Code or a similar provision of a municipal or local ordinance.

(H) "Municipal ordinance violation" means an offense defined by a municipal or local ordinance that is criminal in nature and with which the petitioner was charged or for which the petitioner was arrested and released without charging.

(I) "Petitioner" means an adult or a minor prosecuted as an adult who has applied for relief under this Section.

(J) "Qualified probation" means an order of probation under Section 10 of the Cannabis Control Act, Section 410 of the Illinois Controlled Substances Act, Section 70 of the Methamphetamine Control and Community Protection Act, Section 5-6-3.3 of the Unified Code of Corrections, Section 12-4.3(b)(1) and (2) of the Criminal Code of 1961 (as those provisions existed before their deletion by Public Act 89-313), Section 10-102 of the Illinois Alcoholism and Other Drug Dependency Act, Section 40-10 of the Alcoholism and Other Drug Abuse and Dependency Act, or Section 10 of the Steroid Control Act. For the purpose of this Section, "successful completion" of an order of qualified probation under Section 10-102 of the Illinois Alcoholism and Other Drug Dependency Act and Section 40-10 of the Alcoholism and Other Drug Abuse and Dependency Act means that the probation was terminated satisfactorily and the judgment of conviction was vacated.

(K) "Seal" means to physically and electronically maintain the records, unless the records would otherwise be destroyed due to age, but to make the records unavailable without a court order, subject to the exceptions in Sections 12 and 13 of this Act. The petitioner's name shall also be obliterated from the official index required to be kept by the circuit court clerk under Section 16 of the Clerks of Courts Act, but any index issued by the circuit court clerk before the entry of the order to seal shall not be affected.

(L) "Sexual offense committed against a minor" includes but is not limited to the offenses of indecent
solicitation of a child or criminal sexual abuse when the victim of such offense is under 18 years of age.

(M) "Terminate" as it relates to a sentence or order of supervision or qualified probation includes either satisfactory or unsatisfactory termination of the sentence, unless otherwise specified in this Section.

(2) Minor Traffic Offenses. Orders of supervision or convictions for minor traffic offenses shall not affect a petitioner's eligibility to expunge or seal records pursuant to this Section.

(3) Exclusions. Except as otherwise provided in subsections (b)(5), (b)(6), (b)(8), (e), and (e-5) of this Section, the court shall not order:

(i) the charge is amended to a misdemeanor and is otherwise eligible to be sealed pursuant to subsection (c);

(ii) the charge is brought along with another charge as a part of one case and the charge results in acquittal, dismissal, or conviction when the conviction was reversed or vacated, and another charge brought in the same case results in a disposition for a misdemeanor offense that is eligible to be sealed pursuant to subsection (c) or a disposition listed in paragraph (i), (iii), or (iv) of this subsection;

(iii) the charge results in first offender probation as set forth in subsection (c)(2)(E);

(iv) the charge is for a Class 4 felony offense listed in subsection (c)(2)(F) or the charge is amended to a Class 4 felony offense listed in subsection (c)(2)(F). of charges amended to a Class 4 felony offense listed in (c)(2)(F) may be sealed, regardless of the disposition, subject to any waiting periods set forth in subsection (c)(3);

(v) the charge results in acquittal, dismissal, or the petitioner's release without conviction; or

(vi) the charge results in a conviction, but the conviction was reversed or vacated.

(b) Expungement.

(1) A petitioner may petition the circuit court to expunge the records of his or her arrests and charges not initiated by arrest when:

(A) He or she has never been convicted of a criminal offense; and

(B) Each arrest or charge not initiated by arrest sought to be expunged resulted in: (i) acquittal, dismissal, or the petitioner's release without charging, unless excluded by subsection (a)(3)(B); (ii) a conviction which was vacated or reversed, unless excluded by subsection (a)(3)(B); (iii) an order of supervision and such supervision was successfully completed by the petitioner, unless excluded by subsection (a)(3)(A) or (a)(3)(B); or (iv) an order of qualified probation (as defined in subsection (a)(1)(J)) and such probation was successfully completed by the petitioner.

(2) Time frame for filing a petition to expunge.

(A) When the arrest or charge not initiated by arrest sought to be expunged resulted in an acquittal, dismissal, the petitioner's release without charging, or the reversal or vacation of a conviction, there is no waiting period to petition for the expungement of such records.

(B) When the arrest or charge not initiated by arrest sought to be expunged resulted in an order of supervision, successfully completed by the petitioner, the following time frames will apply:

(i) Those arrests or charges that resulted in orders of supervision under Section 3-707, 3-708, 3-710, or 5-401.3 of the Illinois Vehicle Code or a similar provision of a local ordinance, or under
Section 11-1.50, 12-3.2, or 12-15 of the Criminal Code of 1961 or the Criminal Code of 2012, or a similar provision of a local ordinance, shall not be eligible for expungement until 5 years have passed following the satisfactory termination of the supervision.

(i-5) Those arrests or charges that resulted in orders of supervision for a misdemeanor violation of subsection (a) of Section 11-503 of the Illinois Vehicle Code or a similar provision of a local ordinance, that occurred prior to the offender reaching the age of 25 years and the offender has no other conviction for violating Section 11-501 or 11-503 of the Illinois Vehicle Code or a similar provision of a local ordinance shall not be eligible for expungement until the petitioner has reached the age of 25 years.

(ii) Those arrests or charges that resulted in orders of supervision for any other offenses shall not be eligible for expungement until 2 years have passed following the satisfactory termination of the supervision.

The records of the circuit court clerk shall be sealed until further order of the court upon good cause shown and the name of the aggrieved person obliterated on the official index required to be kept by the circuit court clerk under Section 16 of the Clerks of Courts Act, but the order shall not affect any index issued by the circuit court clerk before the entry of the order. Nothing in this Section shall limit the Department of State Police or other criminal justice agencies or prosecutors from listing under an offender's name the false names he or she has used.

(5) Whenever a person has been convicted of criminal sexual assault, aggravated criminal sexual assault, predatory criminal sexual assault of a child, criminal sexual abuse, or aggravated criminal sexual abuse, the victim of that offense may request that the State's Attorney of the county in which the conviction occurred file a verified petition with the presiding trial judge at the petitioner's trial to have a court order entered to seal the records of the circuit court clerk in connection with the proceedings of the trial court concerning that offense. However, the records of the arresting authority and the Department of State Police concerning the offense shall not be sealed. The court, upon good cause shown, shall make the records of the circuit court clerk in connection with the proceedings of the trial court concerning the offense available for public inspection.

(6) If a conviction has been set aside on direct review or on collateral attack and the court determines by clear and convincing evidence that the petitioner was factually innocent of the charge, the court that finds the petitioner factually innocent of the charge shall enter an expungement order for the conviction for which the petitioner has been determined to be innocent as provided in subsection (b) of Section 5-5-4 of the Unified Code of Corrections.

(7) Nothing in this Section shall prevent the Department of State Police from maintaining all records of any person who is admitted to probation upon terms and conditions and who fulfills

Sec. 5-5-4. Resentences.

(a) Where a conviction or sentence has been set aside on direct review or on collateral attack, the court shall not impose a new sentence for the same offense or for a different offense based on the same conduct which is more severe than the prior sentence less the portion of the prior sentence previously satisfied unless the more severe sentence is based upon conduct on the part of the defendant occurring after the original sentencing. If a sentence is vacated on appeal or on collateral attack due to the failure of the trier of fact at trial to determine beyond a reasonable doubt the existence of a fact (other than a prior conviction) necessary to increase the punishment for the offense beyond the statutory maximum otherwise applicable, either the defendant may be re-sentenced to a term within the range otherwise provided or, if the State files notice of its intention to again seek the extended sentence, the defendant shall be afforded a new trial.

(b) If a conviction or sentence has been set aside on direct review or on collateral attack and the court determines by clear and convincing evidence that the defendant was factually innocent of the charge, the court shall enter an order expunging the record of arrest from the official records of the arresting authority and order that the records of the clerk of the circuit court and Department of State Police be sealed until further order of the court upon good cause shown or as otherwise provided herein, and the name of the defendant obliterated from the official index requested to be kept by the circuit court clerk under Section 16 of the Clerks of Courts Act in connection with the arrest and conviction for the offense but the order shall not affect any index issued by the circuit court clerk before the entry of the order. *The court shall enter the expungement order regardless of whether the defendant has prior criminal convictions.*

All records sealed by the Department of State Police may be disseminated by the Department only as required by law or to the arresting authority, the State's Attorney, the court upon a later arrest for the same or similar offense, or for the purpose of sentencing for any subsequent felony. Upon conviction for any subsequent offense, the Department of Corrections shall have access to all sealed records of the Department pertaining to that individual.

Upon entry of the order of expungement, the clerk of the circuit court shall promptly mail a copy of the order to the person whose records were expunged and sealed.

(c) If a conviction has been vacated as a result of a claim of actual innocence based on newly discovered evidence made under Section 122-1 of the Code of Criminal Procedure of 1963 or Section 2-1401 of the Code of Civil Procedure, and the provisions of paragraphs (1) and (2) of subsection (g) of Section 2-702 of the Code of Civil Procedure are otherwise satisfied, the court shall enter an order for a certificate of innocence and an order expunging the conviction for which the petitioner has been determined to be innocent as provided in subsection (h) of Section 2-702 of the Code of Civil Procedure.

Section 15. The Code of Civil Procedure is amended by changing Section 2-702 as follows:

(735 ILCS 5/2-702)

Sec. 2-702. Petition for a certificate of innocence that the petitioner was innocent of all offenses for which he or she was incarcerated.

(a) The General Assembly finds and declares that innocent persons who have been wrongly convicted of crimes in Illinois and subsequently imprisoned have been frustrated in seeking legal redress due to a variety of substantive and technical obstacles in the law and that such persons should have an available avenue to obtain a finding of innocence so that they may obtain relief through a petition in the Court of Claims. The General Assembly further finds misleading the current legal nomenclature which compels an innocent person to seek a pardon for being wrongfully incarcerated. It is the intent of the General Assembly that the court, in exercising its discretion as permitted by law regarding the weight and admissibility of evidence submitted pursuant to this Section, shall, in the interest of justice, give due consideration to difficulties of proof caused by the passage of time, the death or unavailability of witnesses, the destruction of evidence or other factors not caused by such persons or those acting on their behalf.

(b) Any person convicted and subsequently imprisoned for one or more felonies by the State of Illinois which he or she did not commit, may, under the conditions hereinafter provided, file a petition for certificate of innocence in the circuit court of the county in which the person was convicted. The petition shall request a certificate of innocence finding that the petitioner was innocent of all offenses for which he or she was incarcerated.

New matter indicated by italics - deletions by strikeout
(c) In order to present the claim for certificate of innocence of an unjust conviction and imprisonment, the petitioner must attach to his or her petition documentation demonstrating that:

   (1) he or she has been convicted of one or more felonies by the State of Illinois and subsequently sentenced to a term of imprisonment, and has served all or any part of the sentence; and
   (2) his or her judgment of conviction was reversed or vacated, and the indictment or information dismissed or, if a new trial was ordered, either he or she was found not guilty at the new trial or he or she was not retried and the indictment or information dismissed; or the statute, or application thereof, on which the indictment or information was based violated the Constitution of the United States or the State of Illinois; and
   (3) his or her claim is not time barred by the provisions of subsection (i) of this Section.

(d) The petition shall state facts in sufficient detail to permit the court to find that the petitioner is likely to succeed at trial in proving that the petitioner is innocent of the offenses charged in the indictment or information or his or her acts or omissions charged in the indictment or information did not constitute a felony or misdemeanor against the State of Illinois, and the petitioner did not by his or her own conduct voluntarily cause or bring about his or her conviction. The petition shall be verified by the petitioner.

(e) A copy of the petition shall be served on the Attorney General and the State's Attorney of the county where the conviction was had. The Attorney General and the State's Attorney of the county where the conviction was had shall have the right to intervene as parties.

(f) In any hearing seeking a certificate of innocence, the court may take judicial notice of prior sworn testimony or evidence admitted in the criminal proceedings related to the convictions which resulted in the alleged wrongful incarceration, if the petitioner was either represented by counsel at such prior proceedings or the right to counsel was knowingly waived.

(g) In order to obtain a certificate of innocence the petitioner must prove by a preponderance of evidence that:

   (1) the petitioner was convicted of one or more felonies by the State of Illinois and subsequently sentenced to a term of imprisonment, and has served all or any part of the sentence;

Upon conviction for any subsequent offense, the Department of Corrections shall have access to all sealed records of the Department pertaining to that individual.
Upon entry of the order of expungement, the clerk of the circuit court shall promptly mail a copy of the order to the person whose records were expunged and sealed.

Be it enacted by the People of the State of Illinois, represented in the General Assembly:
Section 5. The Counties Code is amended by changing Section 5-1182 as follows:

(55 ILCS 5/5-1182)
Sec. 5-1182. Charitable organizations; solicitation.

(1) The persons to be engaged in the solicitation are law enforcement personnel, firefighters, or other persons employed to protect the public safety of a local agency, and those persons are soliciting solely in an area that is within the service area of that local agency.

New matter indicated by italics - deletions by strikeout
(2) The charitable organization files an application with the municipality or county having jurisdiction over the location or locations where the solicitation is to occur. The applications shall be filed not later than 10 business days before the date that the solicitation is to begin and shall include all of the following:

(A) The date or dates and times of day when the solicitation is to occur.

(B) The location or locations where the solicitation is to occur along with a list of 3 alternate locations listed in order of preference.

(C) The manner and conditions under which the solicitation is to occur.

(D) Proof of a valid liability insurance policy in the amount of at least $1,000,000 insuring the charity or local agency against bodily injury and property damage arising out of or in connection with the solicitation.

The county shall approve the application within 5 business days after the filing date of the application, but may impose reasonable conditions in writing that are consistent with the intent of this Section and are based on articulated public safety concerns. If the county determines that the applicant's location cannot be permitted due to significant safety concerns, such as high traffic volumes, poor geometrics, construction, maintenance operations, or past accident history, then the county may deny the application for that location and must approve one of the 3 alternate locations following the order of preference submitted by the applicant on the alternate location list. By acting under this Section, a local agency does not waive or limit any immunity from liability provided by any other provision of law.

(b) For purposes of this Section, "local agency" means a municipality, county, special district, fire district, joint powers of authority, or other political subdivision of the State of Illinois.

(c) A home rule unit may not regulate a charitable organization in a manner that is inconsistent with this Section. This Section is a limitation under subsection (i) of Section 6 of Article VII of the Illinois Constitution on the concurrent exercise by home rule units of powers and functions exercised by the State.

(c) Notwithstanding any other provision in this Article, this Code, or any other law, after notice to the insurance company, the receivership court may grant an order on the complaint for rehabilitation or liquidation within 24 hours after the filing of a complaint pursuant to this Section.

(d) If the receivership court does not make a determination on a complaint for rehabilitation or liquidation filed by the Director pursuant to this Section within 24 hours after its filing, then it shall be deemed granted by operation of law upon the expiration of the 24-hour period. At the time that an order is deemed granted under this Section, the provisions of Article XIII of this Code shall be deemed to be in effect, and the
Director shall be deemed to be affirmed as receiver and have all of the applicable powers provided by this Code, regardless of whether an order has been entered. The receivership court shall expeditiously enter an order of rehabilitation or liquidation that:

(1) is effective as of the date that it is deemed granted by operation of law; and

(2) conforms to the provisions for rehabilitation or liquidation contained in Article XIII of this Code, as applicable.

(e) Any order of rehabilitation or liquidation made pursuant to this Section shall not be subject to any stay or injunction pending appeal.

(f) Nothing in this Section shall be construed to supersede or impair any other power or authority of the Director or the court under this Article or Code.

(House Bill No. 1005)

AN ACT concerning health.

Be it enacted by the People of the State of Illinois, represented in the General Assembly:

Section 5. The Mental Health and Developmental Disabilities Code is amended by changing Sections 2-108 and 2-109 as follows:

(405 ILCS 5/2-108) (from Ch. 91 1/2, par. 2-108)

Sec. 2-108. Use of restraint. Restraint may be used only as a therapeutic measure to prevent a recipient from causing physical harm to himself or physical abuse to others. Restraint may only be applied by a person who has been trained in the application of the particular type of restraint to be utilized. In no event shall restraint be utilized to punish or discipline a recipient, nor is restraint to be used as a convenience for the staff.

(a) Except as provided in this Section, restraint shall be employed only upon the written order of a physician, clinical psychologist, clinical social worker, clinical professional counselor, or registered nurse with supervisory responsibilities. No restraint shall be ordered unless the

physician, clinical psychologist, clinical social worker, *clinical professional counselor*, or registered nurse with supervisory responsibilities, after personally observing and examining the recipient, is clinically satisfied that the use of restraint is justified to prevent the recipient from causing physical harm to himself or others. In no event may restraint continue for longer than 2 hours unless within that time period a nurse with supervisory responsibilities or a physician confirms, in writing, following a personal examination of the recipient, that the restraint does not pose an undue risk to the recipient's health in light of the recipient's physical or medical condition. The order shall state the events leading up to the need for restraint and the purposes for which restraint is employed. The order shall also state the length of time restraint is to be employed and the clinical justification for that length of time. No order for restraint shall be valid for more than 16 hours. If further restraint is required, a new order must be issued pursuant to the requirements provided in this Section.

(b) In the event there is an emergency requiring the immediate use of restraint, it may be ordered temporarily by a qualified person only where a physician, clinical psychologist, clinical social worker, *clinical professional counselor*, or registered nurse with supervisory responsibilities is not immediately available. In that event, an order by a nurse, clinical psychologist, clinical social worker, *clinical professional counselor*, or physician shall be obtained pursuant to the requirements of this Section as quickly as possible, and the recipient shall be examined by a physician or supervisory nurse within 2 hours after the initial employment of the emergency restraint. Whoever orders restraint in emergency situations shall document its necessity and place that documentation in the recipient's record.

(c) The person who orders restraint shall inform the facility director or his designee in writing of the use of restraint within 24 hours.

(d) The facility director shall review all restraint orders daily and shall inquire into the reasons for the orders for restraint by any person who routinely orders them.

(e) Restraint may be employed during all or part of one 24 hour period, the period commencing with the initial application of the restraint. However, once restraint has been employed during one 24 hour period, it shall not be used again on the same recipient during the next 48 hours without the prior written authorization of the facility director.

(f) Restraint shall be employed in a humane and therapeutic manner and the person being restrained shall be observed by a qualified
person as often as is clinically appropriate but in no event less than once every 15 minutes. The qualified person shall maintain a record of the observations. Specifically, unless there is an immediate danger that the recipient will physically harm himself or others, restraint shall be loosely applied to permit freedom of movement. Further, the recipient shall be permitted to have regular meals and toilet privileges free from the restraint, except when freedom of action may result in physical harm to the recipient or others.

(g) Every facility that employs restraint shall provide training in the safe and humane application of each type of restraint employed. The facility shall not authorize the use of any type of restraint by an employee who has not received training in the safe and humane application of that type of restraint. Each facility in which restraint is used shall maintain records detailing which employees have been trained and are authorized to apply restraint, the date of the training and the type of restraint that the employee was trained to use.

(h) Whenever restraint is imposed upon any recipient whose primary mode of communication is sign language, the recipient shall be permitted to have his hands free from restraint for brief periods each hour, except when freedom may result in physical harm to the recipient or others.

(i) A recipient who is restrained may only be secluded at the same time pursuant to an explicit written authorization as provided in Section 2-109 of this Code. Whenever a recipient is restrained, a member of the facility staff shall remain with the recipient at all times unless the recipient has been secluded. A recipient who is restrained and secluded shall be observed by a qualified person as often as is clinically appropriate but in no event less than every 15 minutes.

(j) Whenever restraint is used, the recipient shall be advised of his right, pursuant to Sections 2-200 and 2-201 of this Code, to have any person of his choosing, including the Guardianship and Advocacy Commission or the agency designated pursuant to the Protection and Advocacy for Developmentally Disabled Persons Act notified of the restraint. A recipient who is under guardianship may request that any person of his choosing be notified of the restraint whether or not the guardian approves of the notice. Whenever the Guardianship and Advocacy Commission is notified that a recipient has been restrained, it shall contact that recipient to determine the circumstances of the restraint and whether further action is warranted.

Sec. 2-109. Seclusion. Seclusion may be used only as a therapeutic measure to prevent a recipient from causing physical harm to himself or physical abuse to others. In no event shall seclusion be utilized to punish or discipline a recipient, nor is seclusion to be used as a convenience for the staff.

(a) Seclusion shall be employed only upon the written order of a physician, clinical psychologist, clinical social worker, clinical professional counselor, or registered nurse with supervisory responsibilities. No seclusion shall be ordered unless the physician, clinical psychologist, clinical social worker, clinical professional counselor, or registered nurse with supervisory responsibilities, after personally observing and examining the recipient, is clinically satisfied that the use of seclusion is justified to prevent the recipient from causing physical harm to himself or others. In no event may seclusion continue for longer than 2 hours unless within that time period a nurse with supervisory responsibilities or a physician confirms in writing, following a personal examination of the recipient, that the seclusion does not pose an undue risk to the recipient's health in light of the recipient's physical or medical condition. The order shall state the events leading up to the need for seclusion and the purposes for which seclusion is employed. The order shall also state the length of time seclusion is to be employed and the clinical justification for the length of time. No order for seclusion shall be valid for more than 16 hours. If further seclusion is required, a new order must be issued pursuant to the requirements provided in this Section.

(b) The person who orders seclusion shall inform the facility director or his designee in writing of the use of seclusion within 24 hours.

(c) The facility director shall review all seclusion orders daily and shall inquire into the reasons for the orders for seclusion by any person who routinely orders them.

(d) Seclusion may be employed during all or part of one 16 hour period, that period commencing with the initial application of the seclusion. However, once seclusion has been employed during one 16 hour period, it shall not be used again on the same recipient during the next 48 hours without the prior written authorization of the facility director.

(e) The person who ordered the seclusion shall assign a qualified person to observe the recipient at all times. A recipient who is restrained

and secluded shall be observed by a qualified person as often as is
clinically appropriate but in no event less than once every 15 minutes.

(f) Safety precautions shall be followed to prevent injuries to the
recipient in the seclusion room. Seclusion rooms shall be adequately
lighted, heated, and furnished. If a door is locked, someone with a key
shall be in constant attendance nearby.

(g) Whenever seclusion is used, the recipient shall be advised of
his right, pursuant to Sections 2-200 and 2-201 of this Code, to have any
person of his choosing, including the Guardianship and Advocacy
Commission notified of the seclusion. A person who is under guardianship
may request that any person of his choosing be notified of the seclusion
whether or not the guardian approves of the notice. Whenever the
Guardianship and Advocacy Commission is notified that a recipient has
been secluded, it shall contact that recipient to determine the
circumstances of the seclusion and whether further action is warranted.

PUBLIC ACT 98-0138
(House Bill No. 1020)

AN ACT concerning local government.
Be it enacted by the People of the State of Illinois, represented in
the General Assembly:

Section 5. The Counties Code is amended by changing Section 5-1121 as follows:

(55 ILCS 5/5-1121)

Sec. 5-1121. Demolition, repair, or enclosure.

(a) The county board of each county may demolish, repair, or
enclose or cause the demolition, repair, or enclosure of dangerous and
unsafe buildings or uncompleted and abandoned buildings within the
territory of the county, but outside the territory of any municipality, and
may remove or cause the removal of garbage, debris, and other hazardous,
noxious, or unhealthy substances or materials from those buildings. If a
township within the county makes a formal request to the county board as

New matter indicated by italics - deletions by strikeout
provided in Section 85-50 of the Township Code that the county board commence specified proceedings under this Section with respect to property located within the township but outside the territory of any municipality, then, at the next regular county board meeting occurring at least 10 days after the formal request is made to the county board, the county board shall either commence the requested proceedings or decline to do so (either formally or by failing to commence the proceedings within 60 days after the request) and shall notify the township board making the request of the county board's decision. In any county having adopted, by referendum or otherwise, a county health department as provided by Division 5-25 of the Counties Code or its predecessor, the county board of any such county may upon a formal request by the city, village, or incorporated town demolish, repair or cause the demolition or repair of dangerous and unsafe buildings or uncompleted and abandoned buildings within the territory of any city, village, or incorporated town having a population of less than 50,000.

The county board shall apply to the circuit court of the county in which the building is located (i) for an order authorizing action to be taken with respect to a building if the owner or owners of the building, including the lien holders of record, after at least 15 days' written notice by mail to do so, have failed to commence proceedings to put the building in a safe condition or to demolish it or (ii) for an order requiring the owner or owners of record to demolish, repair, or enclose the building or to remove garbage, debris, and other hazardous, noxious, or unhealthy substances or materials from the building. It is not a defense to the cause of action that the building is boarded up or otherwise enclosed, although the court may order the defendant to have the building boarded up or otherwise enclosed. Where, upon diligent search, the identity or whereabouts of the owner or owners of the building, including the lien holders of record, is not ascertainable, notice mailed to the person or persons in whose name the real estate was last assessed and the posting of such notice upon the premises sought to be demolished or repaired is sufficient notice under this Section.

The hearing upon the application to the circuit court shall be expedited by the court and shall be given precedence over all other suits.

The cost of the demolition, repair, enclosure, or removal incurred by the county, by an intervenor, or by a lien holder of record, including court costs, attorney's fees, and other costs related to the enforcement of this Section, is recoverable from the owner or owners of the real estate or

New matter indicated by italics - deletions by strikeout
the previous owner or both if the property was transferred during the 15 day notice period and is a lien on the real estate; the lien is superior to all prior existing liens and encumbrances, except taxes, if, within 180 days after the repair, demolition, enclosure, or removal, the county, the lien holder of record, or the intervenor who incurred the cost and expense shall file a notice of lien for the cost and expense incurred in the office of the recorder in the county in which the real estate is located or in the office of the registrar of titles of the county if the real estate affected is registered under the Registered Titles (Torrens) Act.

The notice must consist of a sworn statement setting out (1) a description of the real estate sufficient for its identification, (2) the amount of money representing the cost and expense incurred, and (3) the date or dates when the cost and expense was incurred by the county, the lien holder of record, or the intervenor. Upon payment of the cost and expense by the owner of or persons interested in the property after the notice of lien has been filed, the lien shall be released by the county, the person in whose name the lien has been filed, or the assignee of the lien, and the release may be filed of record as in the case of filing notice of lien. Unless the lien is enforced under subsection (b), the lien may be enforced by foreclosure proceedings as in the case of mortgage foreclosures under Article XV of the Code of Civil Procedure or mechanics' lien foreclosures. An action to foreclose this lien may be commenced at any time after the date of filing of the notice of lien. The costs of foreclosure incurred by the county, including court costs, reasonable attorney's fees, advances to preserve the property, and other costs related to the enforcement of this subsection, plus statutory interest, are a lien on the real estate and are recoverable by the county from the owner or owners of the real estate.

All liens arising under this subsection (a) shall be assignable. The assignee of the lien shall have the same power to enforce the lien as the assigning party, except that the lien may not be enforced under subsection (b).

If the appropriate official of any county determines that any dangerous and unsafe building or uncompleted and abandoned building within its territory fulfills the requirements for an action by the county under the Abandoned Housing Rehabilitation Act, the county may petition under that Act in a proceeding brought under this subsection.

(b) In any case where a county has obtained a lien under subsection (a), the county may enforce the lien under this subsection (b) in the same proceeding in which the lien is authorized.
A county desiring to enforce a lien under this subsection (b) shall petition the court to retain jurisdiction for foreclosure proceedings under this subsection. Notice of the petition shall be served, by certified or registered mail, on all persons who were served notice under subsection (a). The court shall conduct a hearing on the petition not less than 15 days after the notice is served. If the court determines that the requirements of this subsection (b) have been satisfied, it shall grant the petition and retain jurisdiction over the matter until the foreclosure proceeding is completed. The costs of foreclosure incurred by the county, including court costs, reasonable attorneys' fees, advances to preserve the property, and other costs related to the enforcement of this subsection, plus statutory interest, are a lien on the real estate and are recoverable by the county from the owner or owners of the real estate. If the court denies the petition, the county may enforce the lien in a separate action as provided in subsection (a).

All persons designated in Section 15-1501 of the Code of Civil Procedure as necessary parties in a mortgage foreclosure action shall be joined as parties before issuance of an order of foreclosure. Persons designated in Section 15-1501 of the Code of Civil Procedure as permissible parties may also be joined as parties in the action.

The provisions of Article XV of the Code of Civil Procedure applicable to mortgage foreclosures shall apply to the foreclosure of a lien under this subsection (b), except to the extent that those provisions are inconsistent with this subsection. For purposes of foreclosures of liens under this subsection, however, the redemption period described in subsection (b) of Section 15-1603 of the Code of Civil Procedure shall end 60 days after the date of entry of the order of foreclosure.

(c) In addition to any other remedy provided by law, the county board of any county may petition the circuit court to have property declared abandoned under this subsection (c) if:

(1) the property has been tax delinquent for 2 or more years or bills for water service for the property have been outstanding for 2 or more years;

(2) the property is unoccupied by persons legally in possession; and

(3) the property contains a dangerous or unsafe building.

All persons having an interest of record in the property, including tax purchasers and beneficial owners of any Illinois land trust having title to the property, shall be named as defendants in the petition and shall be
served with process. In addition, service shall be had under Section 2-206 of the Code of Civil Procedure as in other cases affecting property.

The county, however, may proceed under this subsection in a proceeding brought under subsection (a). Notice of the petition shall be served by certified or registered mail on all persons who were served notice under subsection (a).

If the county proves that the conditions described in this subsection exist and the owner of record of the property does not enter an appearance in the action, or, if title to the property is held by an Illinois land trust, if neither the owner of record nor the owner of the beneficial interest of the trust enters an appearance, the court shall declare the property abandoned.

If that determination is made, notice shall be sent by certified or registered mail to all persons having an interest of record in the property, including tax purchasers and beneficial owners of any Illinois land trust having title to the property, stating that title to the property will be transferred to the county unless, within 30 days of the notice, the owner of record enters an appearance in the action, or unless any other person having an interest in the property files with the court a request to demolish the dangerous or unsafe building or to put the building in safe condition.

If the owner of record enters an appearance in the action within the 30 day period, the court shall vacate its order declaring the property abandoned. In that case, the county may amend its complaint in order to initiate proceedings under subsection (a).

If a request to demolish or repair the building is filed within the 30 day period, the court shall grant permission to the requesting party to demolish the building within 30 days or to restore the building to safe condition within 60 days after the request is granted. An extension of that period for up to 60 additional days may be given for good cause. If more than one person with an interest in the property files a timely request, preference shall be given to the person with the lien or other interest of the highest priority.

If the requesting party proves to the court that the building has been demolished or put in a safe condition within the period of time granted by the court, the court shall issue a quitclaim judicial deed for the property to the requesting party, conveying only the interest of the owner of record, upon proof of payment to the county of all costs incurred by the county in connection with the action, including but not limited to court costs, attorney's fees, administrative costs, the costs, if any, associated with building enclosure or removal, and receiver's certificates. The interest in
the property so conveyed shall be subject to all liens and encumbrances on the property. In addition, if the interest is conveyed to a person holding a certificate of purchase for the property under the Property Tax Code, the conveyance shall be subject to the rights of redemption of all persons entitled to redeem under that Act, including the original owner of record.

If no person with an interest in the property files a timely request or if the requesting party fails to demolish the building or put the building in safe condition within the time specified by the court, the county may petition the court to issue a judicial deed for the property to the county. A conveyance by judicial deed shall operate to extinguish all existing ownership interests in, liens on, and other interest in the property, including tax liens.

(d) Each county may use the provisions of this subsection to expedite the removal of certain buildings that are a continuing hazard to the community in which they are located.

If a residential building is 2 stories or less in height as defined by the county's building code, and the official designated to be in charge of enforcing the county's building code determines that the building is open and vacant and an immediate and continuing hazard to the community in which the building is located, then the official shall be authorized to post a notice not less than 2 feet by 2 feet in size on the front of the building. The notice shall be dated as of the date of the posting and shall state that unless the building is demolished, repaired, or enclosed, and unless any garbage, debris, and other hazardous, noxious, or unhealthy substances or materials are removed so that an immediate and continuing hazard to the community no longer exists, then the building may be demolished, repaired, or enclosed, or any garbage, debris, and other hazardous, noxious, or unhealthy substances or materials may be removed, by the county.

Not later than 30 days following the posting of the notice, the county shall do both of the following:

(1) Cause to be sent, by certified mail, return receipt requested, a notice to all owners of record of the property, the beneficial owners of any Illinois land trust having title to the property, and all lienholders of record in the property, stating the intent of the county to demolish, repair, or enclose the building or remove any garbage, debris, or other hazardous, noxious, or unhealthy substances or materials if that action is not taken by the owner or owners.

New matter indicated by italics - deletions by strikeout
(2) Cause to be published, in a newspaper published or circulated in the county where the building is located, a notice setting forth (i) the permanent tax index number and the address of the building, (ii) a statement that the property is open and vacant and constitutes an immediate and continuing hazard to the community, and (iii) a statement that the county intends to demolish, repair, or enclose the building or remove any garbage, debris, or other hazardous, noxious, or unhealthy substances or materials if the owner or owners or lienholders of record fail to do so. This notice shall be published for 3 consecutive days.

A person objecting to the proposed actions of the county board may file his or her objection in an appropriate form in a court of competent jurisdiction.

If the building is not demolished, repaired, or enclosed, or the garbage, debris, or other hazardous, noxious, or unhealthy substances or materials are not removed, within 30 days of mailing the notice to the owners of record, the beneficial owners of any Illinois land trust having title to the property, and all lienholders of record in the property, or within 30 days of the last day of publication of the notice, whichever is later, the county board shall have the power to demolish, repair, or enclose the building or to remove any garbage, debris, or other hazardous, noxious, or unhealthy substances or materials.

The county may proceed to demolish, repair, or enclose a building or remove any garbage, debris, or other hazardous, noxious, or unhealthy substances or materials under this subsection within a 120-day period following the date of the mailing of the notice if the appropriate official determines that the demolition, repair, enclosure, or removal of any garbage, debris, or other hazardous, noxious, or unhealthy substances or materials is necessary to remedy the immediate and continuing hazard. If, however, before the county proceeds with any of the actions authorized by this subsection, any person has sought a hearing under this subsection before a court and has served a copy of the complaint on the chief executive officer of the county, then the county shall not proceed with the demolition, repair, enclosure, or removal of garbage, debris, or other substances until the court determines that that action is necessary to remedy the hazard and issues an order authorizing the county to do so.

Following the demolition, repair, or enclosure of a building, or the removal of garbage, debris, or other hazardous, noxious, or unhealthy substances or materials under this subsection, the county may file a notice.
of lien against the real estate for the cost of the demolition, repair, enclosure, or removal within 180 days after the repair, demolition, enclosure, or removal occurred, for the cost and expense incurred, in the office of the recorder in the county in which the real estate is located or in the office of the registrar of titles of the county if the real estate affected is registered under the Registered Titles (Torrens) Act. The notice of lien shall consist of a sworn statement setting forth (i) a description of the real estate, such as the address or other description of the property, sufficient for its identification; (ii) the expenses incurred by the county in undertaking the remedial actions authorized under this subsection; (iii) the date or dates the expenses were incurred by the county; (iv) a statement by the official responsible for enforcing the building code that the building was open and vacant and constituted an immediate and continuing hazard to the community; (v) a statement by the official that the required sign was posted on the building, that notice was sent by certified mail to the owners of record, and that notice was published in accordance with this subsection; and (vi) a statement as to when and where the notice was published. The lien authorized by this subsection may thereafter be released or enforced by the county as provided in subsection (a).

(e) In any case where a county has obtained a lien under subsection (a), the county may also bring an action for a money judgment against the owner or owners of the real estate in the amount of the lien in the same manner as provided for bringing causes of action in Article II of the Code of Civil Procedure and, upon obtaining a judgment, file a judgment lien against all of the real estate of the owner or owners and enforce that lien as provided for in Article XII of the Code of Civil Procedure.

(B) As used in this Section, "charge not initiated by arrest" means a charge (as defined by 730 ILCS 5/5-1-3) brought against a defendant where the defendant is not arrested prior to or as a direct result of the charge.

(C) "Conviction" means a judgment of conviction or sentence entered upon a plea of guilty or upon a verdict or finding of guilty of an offense, rendered by a legally
constituted jury or by a court of competent jurisdiction authorized to try the case without a jury. An order of supervision successfully completed by the petitioner is not a conviction. An order of qualified probation (as defined in subsection (a)(1)(J)) successfully completed by the petitioner is not a conviction. An order of supervision or an order of qualified probation that is terminated unsatisfactorily is a conviction, unless the unsatisfactory termination is reversed, vacated, or modified and the judgment of conviction, if any, is reversed or vacated.

(D) "Criminal offense" means a petty offense, business offense, misdemeanor, felony, or municipal ordinance violation (as defined in subsection (a)(1)(H)). As used in this Section, a minor traffic offense (as defined in subsection (a)(1)(G)) shall not be considered a criminal offense.

(E) "Expunge" means to physically destroy the records or return them to the petitioner and to obliterate the petitioner's name from any official index or public record, or both. Nothing in this Act shall require the physical destruction of the circuit court file, but such records relating to arrests or charges, or both, ordered expunged shall be impounded as required by subsections (d)(9)(A)(ii) and (d)(9)(B)(ii).

(F) As used in this Section, "last sentence" means the sentence, order of supervision, or order of qualified probation (as defined by subsection (a)(1)(J)), for a criminal offense (as defined by subsection (a)(1)(D)) that terminates last in time in any jurisdiction, regardless of whether the petitioner has included the criminal offense for which the sentence or order of supervision or qualified probation was imposed in his or her petition. If multiple sentences, orders of supervision, or orders of qualified probation terminate on the same day and are last in time, they shall be collectively considered the "last sentence" regardless of whether they were ordered to run concurrently.

(G) "Minor traffic offense" means a petty offense, business offense, or Class C misdemeanor under the Illinois
Vehicle Code or a similar provision of a municipal or local ordinance.

(H) "Municipal ordinance violation" means an offense defined by a municipal or local ordinance that is criminal in nature and with which the petitioner was charged or for which the petitioner was arrested and released without charging.

(I) "Petitioner" means an adult or a minor prosecuted as an adult who has applied for relief under this Section.

(J) "Qualified probation" means an order of probation under Section 10 of the Cannabis Control Act, Section 410 of the Illinois Controlled Substances Act, Section 70 of the Methamphetamine Control and Community Protection Act, Section 5-6-3.3 of the Unified Code of Corrections, Section 12-4.3(b)(1) and (2) of the Criminal Code of 1961 (as those provisions existed before their deletion by Public Act 89-313), Section 10-102 of the Illinois Alcoholism and Other Drug Dependency Act, Section 40-10 of the Alcoholism and Other Drug Abuse and Dependency Act, or Section 10 of the Steroid Control Act. For the purpose of this Section, "successful completion" of an order of qualified probation under Section 10-102 of the Illinois Alcoholism and Other Drug Dependency Act and Section 40-10 of the Alcoholism and Other Drug Abuse and Dependency Act means that the probation was terminated satisfactorily and the judgment of conviction was vacated.

(K) "Seal" means to physically and electronically maintain the records, unless the records would otherwise be destroyed due to age, but to make the records unavailable without a court order, subject to the exceptions in Sections 12 and 13 of this Act. The petitioner's name shall also be obliterated from the official index required to be kept by the circuit court clerk under Section 16 of the Clerks of Courts Act, but any index issued by the circuit court clerk before the entry of the order to seal shall not be affected.

(L) "Sexual offense committed against a minor" includes but is not limited to the offenses of indecent

solicitation of a child or criminal sexual abuse when the victim of such offense is under 18 years of age.

(M) "Terminate" as it relates to a sentence or order of supervision or qualified probation includes either satisfactory or unsatisfactory termination of the sentence, unless otherwise specified in this Section.

(2) Minor Traffic Offenses. Orders of supervision or convictions for minor traffic offenses shall not affect a petitioner's eligibility to expunge or seal records pursuant to this Section.

(3) Exclusions. Except as otherwise provided in subsections (b)(5), (b)(6), (e), and (e-5) of this Section, the court shall not order:

(A) the sealing or expungement of the records of arrests or charges not initiated by arrest that result in an order of supervision for or conviction of: (i) any sexual offense committed against a minor; (ii) Section 11-501 of the Illinois Vehicle Code or a similar provision of a local ordinance; or (iii) Section 11-503 of the Illinois Vehicle Code or a similar provision of a local ordinance, unless the arrest or charge is for a misdemeanor violation of subsection (a) of Section 11-503 or a similar provision of a local ordinance, that occurred prior to the offender reaching the age of 25 years and the offender has no other conviction for violating Section 11-501 or 11-503 of the Illinois Vehicle Code or a similar provision of a local ordinance.

(B) the sealing or expungement of records of minor traffic offenses (as defined in subsection (a)(1)(G)), unless the petitioner was arrested and released without charging.

(C) the sealing of the records of arrests or charges not initiated by arrest which result in an order of supervision, an order of qualified probation (as defined in subsection (a)(1)(J)), or a conviction for the following offenses:

(i) offenses included in Article 11 of the Criminal Code of 1961 or the Criminal Code of 2012 or a similar provision of a local ordinance, except Section 11-14 of the Criminal Code of 1961 or the Criminal Code of 2012, or a similar provision of a local ordinance;
(ii) Section 11-1.50, 12-3.4, 12-15, 12-30, 26-5, or 48-1 of the Criminal Code of 1961 or the Criminal Code of 2012, or a similar provision of a local ordinance;

(iii) offenses defined as "crimes of violence" in Section 2 of the Crime Victims Compensation Act or a similar provision of a local ordinance;

(iv) offenses which are Class A misdemeanors under the Humane Care for Animals Act; or

(v) any offense or attempted offense that would subject a person to registration under the Sex Offender Registration Act.

(D) the sealing of the records of an arrest which results in the petitioner being charged with a felony offense or records of a charge not initiated by arrest for a felony offense unless:

(i) the charge is amended to a misdemeanor and is otherwise eligible to be sealed pursuant to subsection (c);

(ii) the charge is brought along with another charge as a part of one case and the charge results in acquittal, dismissal, or conviction when the conviction was reversed or vacated, and another charge brought in the same case results in a disposition for a misdemeanor offense that is eligible to be sealed pursuant to subsection (c) or a disposition listed in paragraph (i), (iii), or (iv) of this subsection;

(iii) the charge results in first offender probation as set forth in subsection (c)(2)(E);

(iv) the charge is for a Class 4 felony offense listed in subsection (c)(2)(F) or the charge is amended to a Class 4 felony offense listed in subsection (c)(2)(F). Records of arrests which result in the petitioner being charged with a Class 4 felony offense listed in subsection (c)(2)(F), records of charges not initiated by arrest for Class 4 felony offenses listed in subsection (c)(2)(F), and records

of charges amended to a Class 4 felony offense listed in (c)(2)(F) may be sealed, regardless of the disposition, subject to any waiting periods set forth in subsection (c)(3);

(v) the charge results in acquittal, dismissal, or the petitioner's release without conviction; or

(vi) the charge results in a conviction, but the conviction was reversed or vacated.

(b) Expungement.

(1) A petitioner may petition the circuit court to expunge the records of his or her arrests and charges not initiated by arrest when:

(A) He or she has never been convicted of a criminal offense; and

(B) Each arrest or charge not initiated by arrest sought to be expunged resulted in: (i) acquittal, dismissal, or the petitioner's release without charging, unless excluded by subsection (a)(3)(B); (ii) a conviction which was vacated or reversed, unless excluded by subsection (a)(3)(B); (iii) an order of supervision and such supervision was successfully completed by the petitioner, unless excluded by subsection (a)(3)(A) or (a)(3)(B); or (iv) an order of qualified probation (as defined in subsection (a)(1)(J)) and such probation was successfully completed by the petitioner.

(2) Time frame for filing a petition to expunge.

(A) When the arrest or charge not initiated by arrest sought to be expunged resulted in an acquittal, dismissal, the petitioner's release without charging, or the reversal or vacation of a conviction, there is no waiting period to petition for the expungement of such records.

(B) When the arrest or charge not initiated by arrest sought to be expunged resulted in an order of supervision, successfully completed by the petitioner, the following time frames will apply:

(i) Those arrests or charges that resulted in orders of supervision under Section 3-707, 3-708, 3-710, or 5-401.3 of the Illinois Vehicle Code or a similar provision of a local ordinance, or under
Section 11-1.50, 12-3.2, or 12-15 of the Criminal Code of 1961 or the Criminal Code of 2012, or a similar provision of a local ordinance, shall not be eligible for expungement until 5 years have passed following the satisfactory termination of the supervision.

(i-5) Those arrests or charges that resulted in orders of supervision for a misdemeanor violation of subsection (a) of Section 11-503 of the Illinois Vehicle Code or a similar provision of a local ordinance, that occurred prior to the offender reaching the age of 25 years and the offender has no other conviction for violating Section 11-501 or 11-503 of the Illinois Vehicle Code or a similar provision of a local ordinance shall not be eligible for expungement until the petitioner has reached the age of 25 years.

(ii) Those arrests or charges that resulted in orders of supervision for any other offenses shall not be eligible for expungement until 2 years have passed following the satisfactory termination of the supervision.

(C) When the arrest or charge not initiated by arrest sought to be expunged resulted in an order of qualified probation, successfully completed by the petitioner, such records shall not be eligible for expungement until 5 years have passed following the satisfactory termination of the probation.

(3) Those records maintained by the Department for persons arrested prior to their 17th birthday shall be expunged as provided in Section 5-915 of the Juvenile Court Act of 1987.

(4) Whenever a person has been arrested for or convicted of any offense, in the name of a person whose identity he or she has stolen or otherwise come into possession of, the aggrieved person from whom the identity was stolen or otherwise obtained without authorization, upon learning of the person having been arrested using his or her identity, may, upon verified petition to the chief judge of the circuit wherein the arrest was made, have a court order entered nunc pro tunc by the Chief Judge to correct the arrest

arresting authority, the Department, other criminal justice agencies,
the prosecutor, and the trial court concerning such arrest, if any, by
removing his or her name from all such records in connection with
the arrest and conviction, if any, and by inserting in the records the
name of the offender, if known or ascertainable, in lieu of the
aggrieved's name. The records of the circuit court clerk shall be
sealed until further order of the court upon good cause shown and
the name of the aggrieved person obliterated on the official index
required to be kept by the circuit court clerk under Section 16 of
the Clerks of Courts Act, but the order shall not affect any index
issued by the circuit court clerk before the entry of the order.
Nothing in this Section shall limit the Department of State Police
or other criminal justice agencies or prosecutors from listing under
an offender's name the false names he or she has used.

(5) Whenever a person has been convicted of criminal
sexual assault, aggravated criminal sexual assault, predatory
criminal sexual assault of a child, criminal sexual abuse, or
aggravated criminal sexual abuse, the victim of that offense may
request that the State's Attorney of the county in which the
conviction occurred file a verified petition with the presiding trial
judge at the petitioner's trial to have a court order entered to seal
the records of the circuit court clerk in connection with the
proceedings of the trial court concerning that offense. However, the
records of the arresting authority and the Department of State
Police concerning the offense shall not be sealed. The court, upon
good cause shown, shall make the records of the circuit court clerk
in connection with the proceedings of the trial court concerning the
offense available for public inspection.

(6) If a conviction has been set aside on direct review or on
collateral attack and the court determines by clear and convincing
evidence that the petitioner was factually innocent of the charge,
the court shall enter an expungement order as provided in
subsection (b) of Section 5-5-4 of the Unified Code of Corrections.

(7) Nothing in this Section shall prevent the Department of
State Police from maintaining all records of any person who is
admitted to probation upon terms and conditions and who fulfills

The court may, upon conviction for a subsequent felony offense, order the unsealing of prior felony conviction records previously ordered sealed by the court.
(5) Notice of eligibility for sealing. Upon entry of a disposition for an eligible record under this subsection (c), the petitioner shall be informed by the court of the right to have the records sealed and the procedures for the sealing of the records.

Upon becoming eligible to petition for the expungement or sealing of records under this Section, the petitioner shall file a petition requesting the expungement or sealing of records with the clerk of the court where the arrests occurred or the charges were brought, or both. If arrests occurred or charges were brought in multiple jurisdictions, a petition must be filed in each such jurisdiction. The petitioner shall pay the applicable fee, if not waived.

(iii) in response to an inquiry for expunged records, the court, the Department, or the agency receiving such inquiry, shall reply as it does in response to inquiries when no records ever existed.

(B) Upon entry of an order to expunge records pursuant to (b)(2)(B)(i) or (b)(2)(C), or both:

(i) the records shall be expunged (as defined in subsection (a)(1)(E)) by the arresting agency and any other agency as ordered by the court, within 60 days of the date of service of the order, unless a motion to vacate, modify, or reconsider the order is filed pursuant to paragraph (12) of subsection (d) of this Section;

(10) Fees. The Department may charge the petitioner a fee equivalent to the cost of processing any order to expunge or seal records. Notwithstanding any provision of the Clerks of Courts Act to the contrary, the circuit court clerk may charge a fee equivalent to the cost associated with the sealing or expungement of records by the circuit court clerk. From the total filing fee collected for the petition to seal or expunge, the circuit court clerk shall deposit $10 into the Circuit Court Clerk Operation and Administrative Fund, to be used to offset the costs incurred by the circuit court clerk in performing the additional duties required to serve the petition to seal or expunge on all parties. The circuit court clerk shall collect and forward the Department of State Police portion of the fee to the Department and it shall be deposited in the State Police Services Fund.

(11) Final Order. No court order issued under the expungement or sealing provisions of this Section shall become final for purposes of appeal until 30 days after service of the order on the petitioner and all parties entitled to notice of the petition.

Upon entry of the order of expungement, the circuit court clerk shall promptly mail a copy of the order to the person who was pardoned.

(e-5) Whenever a person who has been convicted of an offense is granted a certificate of eligibility for sealing by the Prisoner Review Board which specifically authorizes sealing, he or she may, upon verified petition to the Chief Judge of the circuit where the person had been convicted, any judge of the circuit designated by the Chief Judge, or in counties of less than 3,000,000 inhabitants, the presiding trial judge at the petitioner's trial, have a court order entered sealing the record of arrest from the official records of the arresting authority and order that the records of the circuit court clerk and the Department be sealed until further order of the court upon good cause shown or as otherwise provided herein, and the name of the petitioner obliterated from the official index requested to be kept by the circuit court clerk under Section 16 of the Clerks of Courts Act in connection with the arrest and conviction for the offense for which he or she had been granted the certificate but the order shall not affect any index issued by the circuit court clerk before the entry of the order. PUBLIC ACT 98-0144
(Senate Bill No. 0084)

AN ACT concerning education.

Be it enacted by the People of the State of Illinois, represented in the General Assembly:

Section 5. The School Code is amended by changing Section 21-14 as follows:

(105 ILCS 5/21-14) (from Ch. 122, par. 21-14)
Sec. 21-14. Registration and renewal of certificates.
(a) A limited four-year certificate or a certificate issued after July 1, 1955, shall be renewable at its expiration or within 60 days thereafter by the county superintendent of schools having supervision and control over the school where the teacher is teaching upon certified evidence of meeting the requirements for renewal as required by this Act and prescribed by the State Board of Education in consultation with the State Teacher Certification Board. An elementary supervisory certificate shall

New matter indicated by italics - deletions by strikeout
not be renewed at the end of the first four-year period covered by the certificate unless the holder thereof has filed certified evidence with the State Teacher Certification Board that he has a master's degree or that he has earned 8 semester hours of credit in the field of educational administration and supervision in a recognized institution of higher learning. The holder shall continue to earn 8 semester hours of credit each four-year period until such time as he has earned a master's degree.

All certificates not renewed as provided in this Section or registered in accordance with this Code shall lapse after a period of 6 months from the expiration of the last year of registration. Such certificates may be immediately reinstated upon payment by the applicant to the State Board of Education of (1) any and all back fees, including without limitation registration fees, owed from the time of expiration of the certificate until the date of reinstatement; and (2) a $500 penalty or the demonstration of proficiency by completing 9 semester hours of coursework from a regionally accredited institution of higher education in the content area that most aligns with the educator's endorsement area or areas; provided that, until September 1, 2012, certificates that have lapsed solely for the failure to pay a registration fee may be immediately reinstated upon payment only of any and all back fees, including without limitation registration fees, owed from the time of expiration of the certificate until the date of reinstatement. Penalty Any and all back fees and penalty amounts shall be deposited by the State Board of Education into the Teacher Certificate Fee Revolving Fund. Beginning on the effective date of this amendatory Act of the 98th General Assembly, all back fees for registration must be paid and kept in accordance with Sections 3-12 and 21-16 of this Code. Any certificate may be voluntarily surrendered by the certificate holder. A voluntarily surrendered certificate shall be treated as a revoked certificate.

(b) When those teaching certificates issued before February 15, 2000 are renewed for the first time after February 15, 2000, all such teaching certificates shall be exchanged for Standard Teaching Certificates as provided in subsection (c) of Section 21-2. All Initial and Standard Teaching Certificates, including those issued to persons who previously held teaching certificates issued before February 15, 2000, shall be renewable under the conditions set forth in this subsection (b).

Initial Teaching Certificates are valid for 4 years of teaching, as provided in subsection (b) of Section 21-2 of this Code, and are renewable every 4 years until the person completes 4 years of teaching. If the holder

New matter indicated by italics - deletions by strikeout
of an Initial Certificate has completed 4 years of teaching but has not completed the requirements set forth in paragraph (2) of subsection (c) of Section 21-2 of this Code, then the Initial Certificate may be reinstated for one year, during which the requirements must be met. A holder of an Initial Certificate who has not completed 4 years of teaching may continuously register the certificate for additional 4-year periods without penalty. Initial Certificates that are not registered shall lapse consistent with subsection (a) of this Section and may be reinstated only in accordance with subsection (a). Standard Teaching Certificates are renewable every 5 years as provided in subsection (c) of Section 21-2 and subsection (c) of this Section. For purposes of this Section, "teaching" is defined as employment and performance of services in an Illinois public or State-operated elementary school, secondary school, or cooperative or joint agreement with a governing body or board of control, in a certificated teaching position, or in a charter school operating in compliance with the Charter Schools Law.

(c) In compliance with subsection (c) of Section 21-2 of this Code, which provides that a Standard Teaching Certificate may be renewed by the State Teacher Certification Board based upon proof of continuing professional development, the State Board of Education and the State Teacher Certification Board shall jointly:

(1) establish a procedure for renewing Standard Teaching Certificates, which shall include but not be limited to annual timelines for the renewal process and the components set forth in subsections (d) through (k) of this Section;

(2) establish the standards for certificate renewal;

(3) approve or disapprove the providers of continuing professional development activities;

(4) determine the maximum credit for each category of continuing professional development activities, based upon recommendations submitted by a continuing professional development activity task force, which shall consist of 6 staff members from the State Board of Education, appointed by the State Superintendent of Education, and 6 teacher representatives, 3 of whom are selected by the Illinois Education Association and 3 of whom are selected by the Illinois Federation of Teachers;

(5) designate the type and amount of documentation required to show that continuing professional development activities have been completed; and
(6) provide, on a timely basis to all Illinois teachers, certificate holders, regional superintendents of schools, school districts, and others with an interest in continuing professional development, information about the standards and requirements established pursuant to this subsection (c).

(d) Any Standard Teaching Certificate held by an individual employed and performing services in an Illinois public or State-operated elementary school, secondary school, or cooperative or joint agreement with a governing body or board of control in a certificated teaching position or a charter school in compliance with the Charter Schools Law must be maintained Valid and Active through certificate renewal activities specified in the certificate renewal procedure established pursuant to subsection (c) of this Section, provided that a holder of a Valid and Active certificate who is only employed on either a part-time basis or day-to-day basis as a substitute teacher shall pay only the required registration fee to renew his or her certificate and maintain it as Valid and Active. All other Standard Teaching Certificates held may be maintained as Valid and Exempt through the registration process provided for in the certificate renewal procedure established pursuant to subsection (c) of this Section. A Valid and Exempt certificate must be immediately activated, through procedures developed jointly by the State Board of Education and the State Teacher Certification Board, upon the certificate holder becoming employed and performing services in an Illinois public or State-operated elementary school, secondary school, or cooperative or joint agreement with a governing body or board of control in a certificated teaching position or a charter school operating in compliance with the Charter Schools Law. A holder of a Valid and Exempt certificate may activate his or her certificate through procedures provided for in the certificate renewal procedure established pursuant to subsection (c) of this Section.

(e)(1) A Standard Teaching Certificate that has been maintained as Valid and Active for the 5 years of the certificate's validity shall be renewed as Valid and Active upon the certificate holder: (i) completing an advanced degree from an approved institution in an education-related field; (ii) completing at least 8 semester hours of coursework as described in subdivision (B) of paragraph (3) of this subsection (e); (iii) (blank); (iv) completing the National Board for Professional Teaching Standards process as described in subdivision (D) of paragraph (3) of this subsection (e); or (v) earning 120 continuing professional development units ("CPDU") as described in subdivision (E) of paragraph (3) of this

New matter indicated by italics - deletions by strikeout
subsection (e). The maximum continuing professional development units for each continuing professional development activity identified in subdivisions (F) through (J) of paragraph (3) of this subsection (e) shall be jointly determined by the State Board of Education and the State Teacher Certification Board. If, however, the certificate holder has maintained the certificate as Valid and Exempt for a portion of the 5-year period of validity, the number of continuing professional development units needed to renew the certificate as Valid and Active shall be proportionately reduced by the amount of time the certificate was Valid and Exempt. Furthermore, if a certificate holder is employed and performs teaching services on a part-time basis for all or a portion of the certificate's 5-year period of validity, the number of continuing professional development units needed to renew the certificate as Valid and Active shall be reduced by 50% for the amount of time the certificate holder has been employed and performed teaching services on a part-time basis. Part-time shall be defined as less than 50% of the school day or school term.

Notwithstanding any other requirements to the contrary, if a Standard Teaching Certificate has been maintained as Valid and Active for the 5 years of the certificate's validity and the certificate holder has completed his or her certificate renewal plan before July 1, 2002, the certificate shall be renewed as Valid and Active.

(2) Beginning July 1, 2004, in order to satisfy the requirements for continuing professional development provided for in subsection (c) of Section 21-2 of this Code, each Valid and Active Standard Teaching Certificate holder shall complete professional development activities that address the certificate or those certificates that are required of his or her certificated teaching position, if the certificate holder is employed and performing services in an Illinois public or State-operated elementary school, secondary school, or cooperative or joint agreement with a governing body or board of control, or that certificate or those certificates most closely related to his or her teaching position, if the certificate holder is employed in a charter school. Except as otherwise provided in this subsection (e), the certificate holder's activities must address purposes (A), (B), (C), or (D) and must reflect purpose (E) of the following continuing professional development purposes:

(B) Develop the certificate holder's knowledge and skills in areas determined to be critical for all Illinois teachers, as defined by the State Board of Education, known as "State priorities".

(C) Address the knowledge, skills, and goals of the certificate holder's local school improvement plan, if the teacher is employed in an Illinois public or State-operated elementary school, secondary school, or cooperative or joint agreement with a governing body or board of control.

(D) Expand the certificate holder's knowledge and skills in an additional teaching field or toward the acquisition of another teaching certificate, endorsement, or relevant education degree.

(E) Address the needs of serving students with disabilities, including adapting and modifying the general curriculum related to the Illinois Learning Standards to meet the needs of students with disabilities and serving such students in the least restrictive environment. Teachers who hold certificates endorsed for special education must devote at least 50% of their continuing professional development activities to this purpose. Teachers holding other certificates must devote at least 20% of their activities to this purpose.

AN ACT concerning regulation.

Be it enacted by the People of the State of Illinois, represented in the General Assembly:

Section 5. The Illinois Dental Practice Act is amended by changing Sections 16 and 17 as follows:

Sec. 16. Expiration, renewal and restoration of licenses. The expiration date and renewal date for each license issued under this Act shall be set by rule. The renewal period for each license issued under this Act shall be 3 years. A dentist or dental hygienist may renew a license during the month preceding its expiration date by paying the required fee. A dentist or dental hygienist shall provide proof of current Basic Life Support (BLS) certification by an organization that has adopted the American Heart Association's guidelines on BLS intended for health care providers at the time of renewal as provided by rule. Basic Life Support certification training taken as a requirement of this Section shall be counted for no more than 4 hours during each licensure period towards the continuing education hours under Section 16.1 of this Act. The Department shall provide by rule for exemptions from this requirement for a dentist or dental hygienist with a physical disability that would preclude him or her from performing BLS.

New matter indicated by italics - deletions by strikeout
Any dentist or dental hygienist whose license has expired or whose license is on inactive status may have his license restored at any time within 5 years after the expiration thereof, upon payment of the required fee and a showing of proof of compliance with current continuing education requirements, as provided by rule.

Any person whose license has been expired for more than 5 years or who has had his license on inactive status for more than 5 years may have his license restored by making application to the Department and filing proof acceptable to the Department of taking continuing education and of his fitness to have the license restored, including sworn evidence certifying to active practice in another jurisdiction, and by paying the required restoration fee. A person practicing on an expired license is deemed to be practicing without a license. However, a holder of a license may renew the license within 90 days after its expiration by complying with the requirements for renewal and payment of an additional fee. A license renewal within 90 days after expiration shall be effective retroactively to the expiration date.

If a person whose license has expired or who has had his license on inactive status for more than 5 years has not maintained an active practice satisfactory to the department, the Department shall determine, by an evaluation process established by rule, his or her fitness to resume active status and may require the person to complete a period of evaluated clinical experience and may require successful completion of a practical examination.

However, any person whose license expired while he or she was (i) on active duty with the Armed Forces of the United States or called into service or training by the State militia or (ii) in training or education under the supervision of the United States preliminary to induction into the military service, may have his or her license renewed, reinstated, or restored without paying any lapsed renewal or restoration fee, if within 2 years after termination of such service, training, or education other than by dishonorable discharge, he or she furnishes the Department with satisfactory proof that he or she has been so engaged and that his or her service, training, or education has been so terminated.

(n) Willfully making or filing false records or reports in his or her practice, including, but not limited to, false records filed with State agencies or departments.

(o) Allowing one's license under this Act to be used by an unlicensed person in violation of this Act.

(p) Practicing under a false or, except as provided by law, an assumed name.

(q) Gross and willful overcharging for professional services.

(r) (Blank).

(s) Willfully failing to report an instance of suspected child abuse or neglect as required by the Abused and Neglected Child Reporting Act.

(t) Cheating on or attempting to subvert a licensing examination administered under this Act.

(u) Mental illness or disability that results in the inability to practice under this Act with reasonable judgment, skill, or safety.

(v) Physical illness, including, but not limited to, deterioration through the aging process or loss of motor skill that results in a licensee's inability to practice under this Act with reasonable judgment, skill, or safety.

(w) Advising an individual to discontinue, reduce, increase, or otherwise alter the intake of a drug prescribed by a physician licensed to practice medicine in all its branches or by a prescriber as defined in Section 102 of the Illinois Controlled Substance Act.

(2) The Department may refuse to issue or may suspend without hearing, as provided for in the Code of Civil Procedure, the license of any person who fails to file a return, or pay the tax, penalty, or interest shown in a filed return, or pay any final assessment of the tax, penalty, or interest as required by any tax Act administered by the Illinois Department of Revenue, until such time as the requirements of any such tax Act are
satisfied in accordance with subsection (g) of Section 2105-15 of the Civil Administrative Code of Illinois.

(3) The Department shall deny a license or renewal authorized by this Act to a person who has defaulted on an educational loan or scholarship provided or guaranteed by the Illinois Student Assistance Commission or any governmental agency of this State in accordance with item (5) of subsection (a) of Section 2105-15 of the Civil Administrative Code of Illinois.

(4) In cases where the Department of Healthcare and Family Services has previously determined a licensee or a potential licensee is more than 30 days delinquent in the payment of child support and has subsequently certified the delinquency to the Department, the Department may refuse to issue or renew or may revoke or suspend that person's license or may take other disciplinary action against that person based solely upon the certification of delinquency made by the Department of Healthcare and Family Services in accordance with item (5) of subsection (a) of Section 1205-15 of the Civil Administrative Code of Illinois.

(5) The determination by a circuit court that a licensee is subject to involuntary admission or judicial admission, as provided in the Mental Health and Developmental Disabilities Code, operates as an automatic suspension. The suspension shall end only upon a finding by a court that the patient is no longer subject to involuntary admission or judicial admission and the issuance of an order so finding and discharging the patient.

(6) In enforcing this Act, the Department, upon a showing of a possible violation, may compel an individual licensed to practice under this Act, or who has applied for licensure under this Act, to submit to a mental or physical examination, or both, as required by and at the expense of the Department. The Department may order the examining physician to present testimony concerning the mental or physical examination of the licensee or applicant. No information shall be excluded by reason of any common law or statutory privilege relating to communications between the licensee or applicant and the examining physician. The examining physicians shall be specifically designated by the Department. The individual to be examined may have, at his or her own expense, another physician of his or her choice present during all aspects of this examination. The examination shall be performed by a physician licensed to practice medicine in all its branches. Failure of an individual to submit
to a mental or physical examination, when directed, shall result in an automatic suspension without hearing.

A person holding a license under this Act or who has applied for a license under this Act who, because of a physical or mental illness or disability, including, but not limited to, deterioration through the aging process or loss of motor skill, is unable to practice the profession with reasonable judgment, skill, or safety, may be required by the Department to submit to care, counseling, or treatment by physicians approved or designated by the Department as a condition, term, or restriction for continued, reinstated, or renewed licensure to practice. Submission to care, counseling, or treatment as required by the Department shall not be considered discipline of a license. If the licensee refuses to enter into a care, counseling, or treatment agreement or fails to abide by the terms of the agreement, then the Department may file a complaint to revoke, suspend, or otherwise discipline the license of the individual. The Secretary may order the license suspended immediately, pending a hearing by the Department. Fines shall not be assessed in disciplinary actions involving physical or mental illness or impairment.

In instances in which the Secretary immediately suspends a person's license under this Section, a hearing on that person's license must be convened by the Department within 15 days after the suspension and completed without appreciable delay. The Department shall have the authority to review the subject individual's record of treatment and counseling regarding the impairment to the extent permitted by applicable federal statutes and regulations safeguarding the confidentiality of medical records.

An individual licensed under this Act and affected under this Section shall be afforded an opportunity to demonstrate to the Department that he or she can resume practice in compliance with acceptable and prevailing standards under the provisions of his or her license.

AN ACT concerning insurance.
Be it enacted by the People of the State of Illinois, represented in the General Assembly:
Section 5. The Illinois Insurance Code is amended by changing Section 356z.3a as follows:
(215 ILCS 5/356z.3a)
Sec. 356z.3a. Nonparticipating facility-based physicians and providers.
(a) For purposes of this Section, "facility-based provider" means a physician or other provider who provide radiology, anesthesia, pathology, neonatology, or emergency department services to insureds, beneficiaries, or enrollees in a participating hospital or participating ambulatory surgical treatment center.
(b) When a beneficiary, insured, or enrollee utilizes a participating network hospital or a participating network ambulatory surgery center and, due to any reason, in network services for radiology, anesthesia, pathology, emergency physician, or neonatology are unavailable and are provided by a nonparticipating facility-based physician or provider, the insurer or health plan shall ensure that the beneficiary, insured, or enrollee shall incur no greater out-of-pocket costs than the beneficiary, insured, or enrollee would have incurred with a participating physician or provider for covered services.
(c) If a beneficiary, insured, or enrollee agrees in writing, notwithstanding any other provision of this Code, any benefits a beneficiary, insured, or enrollee receives for services under the situation in subsection (b) are assigned to the nonparticipating facility-based providers. The insurer or health plan shall provide the nonparticipating provider with a written explanation of benefits that specifies the proposed reimbursement and the applicable deductible, copayment or coinsurance amounts owed by the insured, beneficiary or enrollee. The insurer or health plan shall pay any reimbursement directly to the nonparticipating facility-based provider. The nonparticipating facility-based physician or provider shall not bill the beneficiary, insured, or enrollee, except for applicable deductible, copayment, or coinsurance amounts that would apply if the beneficiary, insured, or enrollee utilized a participating physician or provider for covered services. If a beneficiary, insured, or

enrollee specifically rejects assignment under this Section in writing to the nonparticipating facility-based provider, then the nonparticipating facility-based provider may bill the beneficiary, insured, or enrollee for the services rendered.

(d) For bills assigned under subsection (c), the nonparticipating facility-based provider may bill the insurer or health plan for the services rendered, and the insurer or health plan may pay the billed amount or attempt to negotiate reimbursement with the nonparticipating facility-based provider. If attempts to negotiate reimbursement for services provided by a nonparticipating facility-based provider do not result in a resolution of the payment dispute within 30 days after receipt of written explanation of benefits by the insurer or health plan, then an insurer or health plan or nonparticipating facility-based physician or provider may initiate binding arbitration to determine payment for services provided on a per bill basis. The party requesting arbitration shall notify the other party arbitration has been initiated and state its final offer before arbitration. In response to this notice, the nonrequesting party shall inform the requesting party of its final offer before the arbitration occurs. Arbitration shall be initiated by filing a request with the Department of Insurance.

(e) The Department of Insurance shall publish a list of approved arbitrators or entities that shall provide binding arbitration. These arbitrators shall be American Arbitration Association or American Health Lawyers Association trained arbitrators. Both parties must agree on an arbitrator from the Department of Insurance's list of arbitrators. If no agreement can be reached, then a list of 5 arbitrators shall be provided by the Department of Insurance. From the list of 5 arbitrators, the insurer can veto 2 arbitrators and the provider can veto 2 arbitrators. The remaining arbitrator shall be the chosen arbitrator. This arbitration shall consist of a review of the written submissions by both parties. Binding arbitration shall provide for a written decision within 45 days after the request is filed with the Department of Insurance. Both parties shall be bound by the arbitrator's decision. The arbitrator's expenses and fees, together with other expenses, not including attorney's fees, incurred in the conduct of the arbitration, shall be paid as provided in the decision.

(f) This Section 356z.3a does not apply to a beneficiary, insured, or enrollee who willfully chooses to access a nonparticipating facility-based physician or provider for health care services available through the insurer's or plan's network of participating physicians and providers.
these circumstances, the contractual requirements for nonparticipating facility-based provider reimbursements will apply.

(g) Section 368a of this Act shall not apply during the pendency of a decision under subsection (d) any interest required to be paid a provider under Section 368a shall not accrue until after 30 days of an arbitrator's decision as provided in subsection (d), but in no circumstances longer than 150 days from date the nonparticipating facility-based provider billed for services rendered.

(h) Nothing in this Section shall be interpreted to change the prudent layperson provisions with respect to emergency services under the Managed Care Reform and Patient Rights Act.

(b) A life, health, or life and health insurer's or fraternal benefit society's RBC shall be determined under the formula set forth in the RBC...
Instructions. The formula shall take into account (and may adjust for the covariance between):

1. the risk with respect to the insurer's assets;
2. the risk of adverse insurance experience with respect to the insurer's liabilities and obligations;

(3) Provides projections of the insurer's financial results in the current year and at least the 4 succeeding years, both in the absence of proposed corrective actions and giving effect to the proposed corrective actions, including projections of statutory operating income, net income, capital, and surplus. If the Director determines the RBC Plan is unsatisfactory, the notification to the insurer shall set forth the reasons for the determination and may set forth proposed revisions that will render the RBC Plan satisfactory in the judgment of the Director. Upon notification from the Director, the insurer shall prepare a Revised RBC Plan, which may incorporate by reference

(e) In the event the Director notifies an insurer that its RBC Plan or Revised RBC Plan is unsatisfactory, the Director may, at the Director's discretion and subject to the insurer's right to a hearing under Section 35A-35, specify in the notification that the notification constitutes a regulatory action level event.

The insurer shall file a copy of the RBC Plan or Revised RBC Plan in that state no later than 15 days after receiving the written request for the copy or the date on which the RBC Plan or Revised RBC Plan is filed under subsection (c) or (d) of this Section.

(b) In the event of a mandatory control level event with respect to a life, health, or life and health insurer or a fraternal benefit society, the...
Director shall take actions necessary to place the insurer in receivership under Article XIII. In that event, the mandatory control level event shall be deemed sufficient grounds for the Director to take action under Article XIII, and the Director shall have the rights, powers, and duties with respect to the insurer that are set forth in Article XIII. If the Director takes action under this subsection regarding an Adjusted RBC Report, the insurer shall be entitled to the protections of Article XIII. If the Director finds that there is a reasonable expectation that the mandatory control level event may be eliminated within 90 days after it occurs, the Director may delay action for not more than 90 days after the mandatory control level event.

In either case, the mandatory control level event is deemed sufficient grounds for the Director to take action under Article XIII, and the Director has the rights, powers, and duties with respect to the insurer that are set forth in Article XIII. If the Director takes action regarding an Adjusted RBC Report, the insurer shall be entitled to the protections of Article XIII. If the Director finds that there is a reasonable expectation that the mandatory control level event may be eliminated within 90 days after it occurs, the Director may delay action for not more than 90 days after the mandatory control level event.

(d) In the case of a mandatory control level event with respect to a health organization, the Director shall take the actions necessary to place the insurer in receivership under Article XIII or, in the case of an insurer that is writing no business and that is running-off its existing business, may allow the insurer to continue its run-off under the supervision of the Director. If the Director takes action regarding an Adjusted RBC Report, the insurer shall be entitled to the protections of Article XIII. If the Director finds that there is a reasonable expectation that the mandatory control level event may be eliminated within 90 days after it occurs, the Director may delay action for not more than 90 days after the mandatory control level event.

Section 99. Effective date. This Act takes effect upon becoming law.

Passed in the General Assembly May 9, 2013.
Approved August 2, 2013.
Effective August 2, 2013.
AN ACT concerning regulation.

Be it enacted by the People of the State of Illinois, represented in the General Assembly:

Section 5. The Illinois Insurance Code is amended by changing Section 412 as follows:

(215 ILCS 5/412) (from Ch. 73, par. 1024)
Sec. 412. Refunds; penalties; collection.

(1) (a) Whenever it appears to the satisfaction of the Director that because of some mistake of fact, error in calculation, or erroneous interpretation of a statute of this or any other state, any authorized company has paid to him, pursuant to any provision of law, taxes, fees, or other charges in excess of the amount legally chargeable against it, during the 6 year period immediately preceding the discovery of such overpayment, he shall have power to refund to such company the amount of the excess or excesses by applying the amount or amounts thereof toward the payment of taxes, fees, or other charges already due, or which may thereafter become due from that company until such excess or excesses have been fully refunded, or upon a written request from the authorized company, the Director shall provide a cash refund within 120 days after receipt of the written request if all necessary information has been filed with the Department in order for it to perform an audit of the annual return for the year in which the overpayment occurred or within 120 days after the date the Department receives all the necessary information to perform such audit. The Director shall not provide a cash refund if there are insufficient funds in the Insurance Premium Tax Refund Fund to provide a cash refund, if the amount of the overpayment is less than $100, or if the amount of the overpayment can be fully offset against the taxpayer's estimated liability for the year following the year of the cash refund request. Any cash refund shall be paid from the Insurance Premium Tax Refund Fund, a special fund hereby created in the State treasury.

(b) Beginning January 1, 2000 and thereafter, the Department shall deposit a percentage of the amounts collected under Sections 409, 444, and 444.1 of this Code into the Insurance...
Premium Tax Refund Fund. The percentage deposited into the Insurance Premium Tax Refund Fund shall be the annual percentage. The annual percentage shall be calculated as a fraction, the numerator of which shall be the amount of cash refunds approved by the Director for payment and paid during the preceding calendar year as a result of overpayment of tax liability under Sections 409, 444, and 444.1 of this Code and the denominator of which shall be the amounts collected pursuant to Sections 409, 444, and 444.1 of this Code during the preceding calendar year. However, if there were no cash refunds paid in a preceding calendar year, the Department shall deposit 5% of the amount collected in that preceding calendar year pursuant to Sections 409, 444, and 444.1 of this Code into the Insurance Premium Tax Refund Fund instead of an amount calculated by using the annual percentage.

(c) Beginning July 1, 1999, moneys in the Insurance Premium Tax Refund Fund shall be expended exclusively for the purpose of paying cash refunds resulting from overpayment of tax liability under Sections 409, 444, and 444.1 of this Code as determined by the Director pursuant to subsection 1(a) of this Section. Cash refunds made in accordance with this Section may be made from the Insurance Premium Tax Refund Fund only to the extent that amounts have been deposited and retained in the Insurance Premium Tax Refund Fund.

(d) This Section shall constitute an irrevocable and continuing appropriation from the Insurance Premium Tax Refund Fund for the purpose of paying cash refunds pursuant to the provisions of this Section.

(2) When any insurance company or any surplus line producer fails to file any tax return required under Sections 408.1, 409, 444, 444.1 and 445 of this Code or Section 12 of the Fire Investigation Act on the date prescribed, including any extensions, there shall be added as a penalty $400 or 10% of the amount of such tax, whichever is greater, for each month or part of a month of failure to file, the entire penalty not to exceed $2,000 or 50% of the tax due, whichever is greater.

(3) (a) When any insurance company or any surplus line producer fails to pay the full amount due under the provisions of this Section, Sections 408.1, 409, 444, 444.1 or 445 of this Code, or
Section 12 of the Fire Investigation Act, there shall be added to the amount due as a penalty an amount equal to 10% of the deficiency.

(b) If such failure to pay is determined by the Director to be wilful, after a hearing under Sections 402 and 403, there shall be added to the tax as a penalty an amount equal to the greater of 50% of the deficiency or 10% of the amount due and unpaid for each month or part of a month that the deficiency remains unpaid commencing with the date that the amount becomes due. Such amount shall be in lieu of any determined under paragraph (a).

(4) Any insurance company or any surplus line producer which fails to pay the full amount due under this Section or Sections 408.1, 409, 444, 444.1 or 445 of this Code, or Section 12 of the Fire Investigation Act is liable, in addition to the tax and any penalties, for interest on such deficiency at the rate of 12% per annum, or at such higher adjusted rates as are or may be established under subsection (b) of Section 6621 of the Internal Revenue Code, from the date that payment of any such tax was due, determined without regard to any extensions, to the date of payment of such amount.

(5) The Director, through the Attorney General, may institute an action in the name of the People of the State of Illinois, in any court of competent jurisdiction, for the recovery of the amount of such taxes, fees, and penalties due, and prosecute the same to final judgment, and take such steps as are necessary to collect the same.

(6) In the event that the certificate of authority of a foreign or alien company is revoked for any cause or the company withdraws from this State prior to the renewal date of the certificate of authority as provided in Section 114, the company may recover the amount of any such tax paid in advance. Except as provided in this subsection, no revocation or withdrawal excuses payment of or constitutes grounds for the recovery of any taxes or penalties imposed by this Code.

(7) When an insurance company or domestic affiliated group fails to pay the full amount of any fee of $200 or more due under Section 408 of this Code, there shall be added to the amount due as a penalty the greater of $100 or an amount equal to 10% of the deficiency for each month or part of a month that the deficiency remains unpaid.

(8) The Department shall have a lien for the taxes, fees, charges, fines, penalties, interest, other charges, or any portion thereof, imposed or assessed pursuant to this Code, upon all the real and personal property of any company or person to whom the assessment or final order has been

New matter indicated by italics - deletions by strikeout
issued or whenever a tax return is filed without payment of the tax or penalty shown therein to be due, including all such property of the company or person acquired after receipt of the assessment, issuance of the order, or filing of the return. The company or person is liable for the filing fee incurred by the Department for filing the lien and the filing fee incurred by the Department to file the release of that lien. The filing fees shall be paid to the Department in addition to payment of the tax, fee, charge, fine, penalty, interest, other charges, or any portion thereof, included in the amount of the lien. However, where the lien arises because of the issuance of a final order of the Director or tax assessment by the Department, the lien shall not attach and the notice referred to in this Section shall not be filed until all administrative proceedings or proceedings in court for review of the final order or assessment have terminated or the time for the taking thereof has expired without such proceedings being instituted.

Upon the granting of Department review after a lien has attached, the lien shall remain in full force except to the extent to which the final assessment may be reduced by a revised final assessment following the rehearing or review. The lien created by the issuance of a final assessment shall terminate, unless a notice of lien is filed, within 3 years after the date all proceedings in court for the review of the final assessment have terminated or the time for the taking thereof has expired without such proceedings being instituted, or (in the case of a revised final assessment issued pursuant to a rehearing or review by the Department) within 3 years after the date all proceedings in court for the review of such revised final assessment have terminated or the time for the taking thereof has expired without such proceedings being instituted. Where the lien results from the filing of a tax return without payment of the tax or penalty shown therein to be due, the lien shall terminate, unless a notice of lien is filed, within 3 years after the date when the return is filed with the Department.

The time limitation period on the Department's right to file a notice of lien shall not run during any period of time in which the order of any court has the effect of enjoining or restraining the Department from filing such notice of lien. If the Department finds that a company or person is about to depart from the State, to conceal himself or his property, or to do any other act tending to prejudice or to render wholly or partly ineffectual proceedings to collect the amount due and owing to the Department unless such proceedings are brought without delay, or if the Department finds that the collection of the amount due from any company

or person will be jeopardized by delay, the Department shall give the company or person notice of such findings and shall make demand for immediate return and payment of the amount, whereupon the amount shall become immediately due and payable. If the company or person, within 5 days after the notice (or within such extension of time as the Department may grant), does not comply with the notice or show to the Department that the findings in the notice are erroneous, the Department may file a notice of jeopardy assessment lien in the office of the recorder of the county in which any property of the company or person may be located and shall notify the company or person of the filing. The jeopardy assessment lien shall have the same scope and effect as the statutory lien provided for in this Section. If the company or person believes that the company or person does not owe some or all of the tax for which the jeopardy assessment lien against the company or person has been filed, or that no jeopardy to the revenue in fact exists, the company or person may protest within 20 days after being notified by the Department of the filing of the jeopardy assessment lien and request a hearing, whereupon the Department shall hold a hearing in conformity with the provisions of this Code and, pursuant thereto, shall notify the company or person of its findings as to whether or not the jeopardy assessment lien will be released. If not, and if the company or person is aggrieved by this decision, the company or person may file an action for judicial review of the final determination of the Department in accordance with the Administrative Review Law. If, pursuant to such hearing (or after an independent determination of the facts by the Department without a hearing), the Department determines that some or all of the amount due covered by the jeopardy assessment lien is not owed by the company or person, or that no jeopardy to the revenue exists, or if on judicial review the final judgment of the court is that the company or person does not owe some or all of the amount due covered by the jeopardy assessment lien against them, or that no jeopardy to the revenue exists, the Department shall release its jeopardy assessment lien to the extent of such finding of nonliability for the amount, or to the extent of such finding of no jeopardy to the revenue. The Department shall also release its jeopardy assessment lien against the company or person whenever the amount due and owing covered by the lien, plus any interest which may be due, are paid and the company or person has paid the Department in cash or by guaranteed remittance an amount representing the filing fee for the lien and the filing

New matter indicated by italics - deletions by strikeout
fee for the release of that lien. The Department shall file that release of lien with the recorder of the county where that lien was filed.

Nothing in this Section shall be construed to give the Department a preference over the rights of any bona fide purchaser, holder of a security interest, mechanics lienholder, mortgagee, or judgment lien creditor arising prior to the filing of a regular notice of lien or a notice of jeopardy assessment lien in the office of the recorder in the county in which the property subject to the lien is located. For purposes of this Section, "bona fide" shall not include any mortgage of real or personal property or any other credit transaction that results in the mortgagee or the holder of the security acting as trustee for unsecured creditors of the company or person mentioned in the notice of lien who executed such chattel or real property mortgage or the document evidencing such credit transaction. The lien shall be inferior to the lien of general taxes, special assessments, and special taxes levied by any political subdivision of this State. In case title to land to be affected by the notice of lien or notice of jeopardy assessment lien is registered under the provisions of the Registered Titles (Torrens) Act, such notice shall be filed in the office of the Registrar of Titles of the county within which the property subject to the lien is situated and shall be entered upon the register of titles as a memorial or charge upon each folium of the register of titles affected by such notice, and the Department shall not have a preference over the rights of any bona fide purchaser, mortgagee, judgment creditor, or other lienholder arising prior to the registration of such notice. The regular lien or jeopardy assessment lien shall not be effective against any purchaser with respect to any item in a retailer's stock in trade purchased from the retailer in the usual course of the retailer's business.

Fines under this Section are recoverable by the sanitary district in a civil action. The sanitary district is authorized to apply to the circuit court for injunctive relief or mandamus when, in the opinion of the chief administrative officer, the relief is necessary to protect the sewerage system of the sanitary district.

The board of trustees shall have the authority to change the name of the District, by ordinance, to the North Shore Water Reclamation District. If an ordinance is passed pursuant to this paragraph, all provisions of this Act shall apply to the newly renamed district.

(70 ILCS 2305/7) (from Ch. 42, par. 283)

Sec. 7. Powers of the board of trustees. The board of trustees of any sanitary district organized under this Act may provide for the treatment disposal of the sewage thereof and save and preserve the water supplied to the inhabitants of such district from contamination. For that purpose the board may construct and maintain an enclosed conduit or conduits, main pipes, wholly or partially submerged, buried or otherwise, and by means of pumps or otherwise cause such sewage to flow or to be forced through such conduit or conduits, pipe or pipes to and into any ditch or canal constructed and operated by any other sanitary district, after having first acquired the right so to do. Such board may provide for the drainage of such district by laying out, establishing, constructing and maintaining one or more channels, drains, ditches and outlets for carrying off and disposing of the drainage (including the sewage) of such district, together with such adjuncts and additions thereto as may be necessary or proper to cause such channels or outlets to accomplish the end for which they are designed, in a satisfactory manner, including pumps and pumping stations and the operation of the same. Such board shall provide suitable and modernly equipped sewage treatment disposal works or plants for the separation and treatment disposal of all solids and deleterious matter from the liquids, and shall treat and purify the residue of such sewage so that

when it flows into any lake, it will not injuriously contaminate the waters thereof. The board shall adopt any feasible method to accomplish the object for which such sanitary district may be created, and may also provide means whereby the sanitary district may reach and procure supplies of water for diluting and flushing purposes. The board of trustees of any sanitary district formed under this Act may also enter into an agreement to sell, convey, or disburse treated wastewater to any public or private entity located within or outside of the boundaries of the sanitary district. Any use of treated wastewater by any public or private entity shall be subject to the orders of the Pollution Control Board. The agreement may not exceed 20 years.

Nothing set forth in this Section may be construed to empower, authorize or require such board of trustees to operate a system of water works for the purpose of furnishing or delivering water to any such municipality or to the inhabitants thereof without payment therefor at such rates as the board may determine. Nothing in this Act shall require a sanitary district to extend service to any individual residence or other building within the district, and it is the intent of the Illinois General Assembly that any construction contemplated by this Section shall be restricted to construction of works and main or interceptor sewers, conduits, channels and similar facilities, but not individual service lines. Nothing in this Act contained authorizes the trustees to flow the sewage of such district into Lake Michigan. Any such plan for sewage disposal by any sanitary district organized hereunder is prohibited, unless such sewage has been treated and purified as provided in this Section, all laws of the Federal government relating to the pollution of navigable waters have been complied with, the approval of plans and constructions of outlets and connection with any of the streams or navigable bodies of water within or bordering upon the State has been obtained from the Department of Natural Resources of the State. The discharge of any sewage from any such district into any of the streams or navigable bodies of water within or bordering upon the State is subject to the orders of the Pollution Control Board. Nothing in this Act contained may be construed as superseding or in any manner limiting the provisions of the Environmental Protection Act.

After the construction of such sewage disposal plant, if the board finds that it will promote the prevention of pollution of waters of the State, such board of trustees may adopt ordinances or rules and regulations, prohibiting or regulating the discharge to sewers of inadmissible wastes or
substances toxic to biological wastewater treatment processes. Inadmissible wastes include those which create a fire or explosion hazard in the sewer or treatment works; those which will impair the hydraulic capacity of sewer systems; and those which in any quantity, create a hazard to people, sewer systems, treatment processes, or receiving waters. Substances that may be toxic to wastewater treatment processes include copper, chromium, lead, zinc, arsenic and nickel and any poisonous compounds such as cyanide or radioactive wastes which pass through wastewater treatment plants in hazardous concentrations and menace users of the receiving waters. Such ordinances or rules and regulations shall be effective throughout the sanitary district, in the incorporated areas as well as the unincorporated areas and all public sewers therein.

Sec. 7.1. In providing works for the treatment disposal of industrial sewage, commonly called industrial wastes, whether the industrial sewage is disposed of in combination with municipal sewage or independently, the sanitary district has power to apportion and collect therefore, from the producer thereof, fair additional construction, maintenance and operating costs over and above those covered by normal taxes, and in case of dispute as to the fairness of such additional construction, maintenance and operating costs, then the same shall be determined by an arbitration board of 3 engineers, one appointed by the sanitary district, one appointed by such producer or producers or their legal representatives, and the third to be appointed by the 2 engineers selected as above described. In the event the 2 engineers so selected fail to agree upon a third engineer then upon the petition of either of the parties the circuit judge shall appoint such third engineer. A decision of a majority of the arbitration board shall be binding on both parties and the cost of the services of the arbitration board shall be shared by both parties equally. Such decision is an administrative decision and is subject to judicial review as provided in the Administrative Review Law.

In providing works, including the main pipes referred to in Section 7, for the treatment disposal of raw sewage, in the manner provided in this Act, whether such sewage is treated disposed of in combination with municipal sewage or independently, the sanitary district has power to collect a fair and reasonable charge for connection to its system in addition to those charges covered by normal taxes, for the construction, expansion and extension of the works of the system, the charge to be assessed against

new or additional users of the system and to be known as a connection charge. Such construction, expansion and extension of the works of the system shall include proposed or existing collector systems and may, at the discretion of such district, include connections by individual properties. The charge for connection shall be determined by the district and may equal or exceed the actual cost to the district of the construction, expansion or extension of the works of the system required by the connection. The funds thus collected shall be used by the sanitary district for its general corporate purposes with primary application thereof being made by the necessary expansion of the works of the system to meet the requirements of the new users thereof.

Sec. 9. The corporation may borrow money for corporate purposes and may issue bonds therefor, but shall not become indebted, in any manner, or for any purpose, to an amount in the aggregate to exceed 4.50% 5.75% on the valuation of taxable property therein, to be ascertained by the last assessment for state and county taxes previous to the incurring of such indebtedness or, until January 1, 1983, if greater, the sum that is produced by multiplying the district's 1978 equalized assessed valuation by the debt limitation percentage in effect on January 1, 1979. Whenever the board of trustees of such district desires to issue bonds hereunder they shall certify the question to the proper election officials who shall submit the question at an election to be held in such district in accordance with the general election law. In addition to the requirements of the general election law, the notice of election shall state the amount of bonds to be issued. The result of the election shall be entered upon the records of the district. If it shall appear that a majority of the voters voting at the election on the question shall have voted in favor of the issue of the bonds, the board of trustees shall order and direct the execution of the bonds for and on behalf of the district. All bonds issued hereunder shall mature in not exceeding 20 annual installments. The question shall be in substantially the following form:

Provided that the corporation may borrow money for corporate purposes, and may issue bonds therefor, without holding an election or referendum upon the question, if the corporation or the board of trustees thereof has been directed by an order issued by the circuit court or by an administrative agency of the State of Illinois having jurisdiction to issue such order, to abate its discharge of untreated or inadequately treated sewage, and such borrowing is deemed necessary by the board of trustees of the Sanitary District to make possible compliance with such order. The amount of money that the corporation may borrow to abate such sewage discharge shall be limited to that required for that purpose plus such reasonable future expansion as shall be approved by the court or an administrative agency of the State of Illinois having jurisdiction. The ordinance providing for such bonds shall set out the fact that such bonds are deemed necessary to make possible compliance with the order, and shall be published or posted in the manner provided in this Act for publication or posting of ordinances making appropriations. The ordinance shall be in full force and effect after its adoption and publication or posting, as herein provided, notwithstanding any provision in this Act or any other law to the contrary.

(70 ILCS 2305/11) (from Ch. 42, par. 287)

Sec. 11. Except as otherwise provided in this Section, all contracts for purchases or sales by the municipality, the expense of which will exceed the mandatory competitive bid threshold, shall be let to the lowest responsible bidder therefor upon not less than 14 days' public notice of the terms and conditions upon which the contract is to be let, having been given by publication in a newspaper of general circulation published in the district, and the board may reject any and all bids and readvertise. In determining the lowest responsible bidder, the board shall take into consideration the qualities and serviceability of the articles supplied, their conformity with specifications, their suitability to the requirements of the district, the availability of support services, the uniqueness of the service, materials, equipment, or supplies as it applies to network integrated computer systems, the compatibility of the service, materials, equipment or supplies with existing equipment, and the delivery terms. Contracts for services in excess of the mandatory competitive bid threshold may, subject to the provisions of this Section, be let by competitive bidding at the discretion of the district board of trustees. All contracts for purchases or sales that will not exceed the mandatory competitive bid threshold may be
made in the open market without publication in a newspaper as above provided, but whenever practical shall be based on at least 3 competitive bids. For purposes of this Section, the "mandatory competitive bid threshold" is a dollar amount equal to 0.1% of the total general fixed assets of the district as reported in the most recent required audit report. In no event, however, shall the mandatory competitive bid threshold dollar amount be less than $10,000, nor more than $40,000.

Cash, a cashier's check, a certified check, or a bid bond with adequate surety approved by the board of trustees as a deposit of good faith, in a reasonable amount, but not in excess of 10% of the contract amount, may be required of each bidder by the district on all bids involving amounts in excess of the mandatory competitive bid threshold and, if so required, the advertisement for bids shall so specify.

Contracts which by their nature are not adapted to award by competitive bidding, including, without limitation, contracts for the services of individuals, groups or firms possessing a high degree of professional skill where the ability or fitness of the individual or organization plays an important part, contracts for financial management services undertaken pursuant to "An Act relating to certain investments of public funds by public agencies", approved July 23, 1943, as now or hereafter amended, contracts for the purchase or sale of utilities, contracts for commodities including supply contracts for natural gas and electricity, contracts for materials economically procurable only from a single source of supply, contracts for services, supplies, materials, parts, or equipment which are available only from a single source or contracts for maintenance, repairs, OEM supplies, or OEM parts from the manufacturer or from a source authorized by the manufacturer, contracts for the use, purchase, delivery, movement, or installation of data processing equipment, software, or services and telecommunications and interconnect equipment, software, or services, contracts for duplicating machines and supplies, contracts for goods or services procured from another governmental agency, purchases of equipment previously owned by an entity other than the district itself, purchases of used equipment, purchases at auction or similar transactions which by their very nature are not suitable to competitive bids, and leases of real property where the sanitary district is the lessee shall not be subject to the competitive bidding requirements of this Section.

The District may use a design-build procurement method for any public project which shall not be subject to the competitive bidding
requirements of this Section provided the Board of Trustees approves the contract for the public project by a vote of 4 of the 5 trustees. For the purposes of this Section, "design-build" means a delivery system that provides responsibility within a single contract for the furnishing of architecture, engineering, land surveying and related services as required, and the labor, materials, equipment, and other construction services for the project.

In the case of an emergency affecting the public health or safety so declared by the Board of Trustees of the municipality at a meeting thereof duly convened, which declaration shall require the affirmative vote of four of the five Trustees elected, and shall set forth the nature of the danger to the public health or safety, contracts totaling not more than the emergency contract cap may be let to the extent necessary to resolve such emergency without public advertisement or competitive bidding. For purposes of this Section, the dollar amount of an emergency contract shall not exceed the emergency contract cap, which is a dollar amount equal to 0.4% of the total general fixed assets of the district as reported in the most recent required audit report. In no event, however, shall the emergency contract cap dollar amount be less than $40,000, nor more than $350,000. The Resolution or Ordinance in which such declaration is embodied shall fix the date upon which such emergency shall terminate which date may be extended or abridged by the Board of Trustees as in their judgment the circumstances require. A full written account of any such emergency, together with a requisition for the materials, supplies, labor or equipment required therefor shall be submitted immediately upon completion and shall be open to public inspection for a period of at least one year subsequent to the date of such emergency purchase. Within 30 days after the passage of the resolution or ordinance declaring an emergency affecting the public health or safety, the municipality shall submit to the Illinois Environmental Protection Agency the full written account of any such emergency along with a copy of the resolution or ordinance declaring the emergency, in accordance with requirements as may be provided by rule.

To address operating emergencies not affecting the public health or safety, the Board of Trustees shall authorize, in writing, officials or employees of the sanitary district to purchase in the open market and without advertisement any supplies, materials, equipment, or services for immediate delivery to meet the bona fide operating emergency, without filing a requisition or estimate therefor, in an amount not in excess of $100,000; provided that the Board of Trustees must be notified of the

operating emergency. A full, written account of each operating emergency and a requisition for the materials, supplies, equipment, and services required to meet the operating emergency must be immediately submitted by the officials or employees authorized to make purchases to the Board of Trustees. The account must be available for public inspection for a period of at least one year after the date of the operating emergency purchase. The exercise of authority with respect to purchases for a bona fide operating emergency is not dependent on a declaration of an operating emergency by the Board of Trustees.

The competitive bidding requirements of this Section do not apply to contracts, including contracts for both materials and services incidental thereto, for the repair or replacement of a sanitary district's treatment plant, sewers, equipment, or facilities damaged or destroyed as the result of a sudden or unexpected occurrence, including, but not limited to, a flood, fire, tornado, earthquake, storm, or other natural or man-made disaster, if the board of trustees determines in writing that the awarding of those contracts without competitive bidding is reasonably necessary for the sanitary district to maintain compliance with a permit issued under the National Pollution Discharge Elimination System (NPDES) or any successor system or with any outstanding order relating to that compliance issued by the United States Environmental Protection Agency, the Illinois Environmental Protection Agency, or the Illinois Pollution Control Board. The authority to issue contracts without competitive bidding pursuant to this paragraph expires 6 months after the date of the writing determining that the awarding of contracts without competitive bidding is reasonably necessary.

No Trustee shall be interested, directly or indirectly, in any contract, work or business of the municipality, or in the sale of any article, whenever the expense, price or consideration of the contract work, business or sale is paid either from the treasury or by any assessment levied by any Statute or Ordinance. No Trustee shall be interested, directly or indirectly, in the purchase of any property which (1) belongs to the municipality, or (2) is sold for taxes or assessments of the municipality, or (3) is sold by virtue of legal process in the suit of the municipality.

A contract for any work or other public improvement, to be paid for in whole or in part by special assessment or special taxation, shall be entered into and the performance thereof controlled by the provisions of Division 2 of Article 9 of the "Illinois Municipal Code", approved May 29, 1961, as heretofore or hereafter amended, as near as may be. However,
contracts may be let for making proper and suitable connections between
the mains and outlets of the respective sanitary sewers in the district with
any conduit, conduits, main pipe or pipes that may be constructed by such
sanitary district.

Sec. 20. (a) The board of trustees of any such sanitary district shall
have power and authority to prevent the pollution of any waters from
which a water supply may be obtained by any city, town or village within
said district, and shall have the right and power to appoint and support a
sufficient police force, the members of which may have and exercise
police powers over the territory within such drainage district, and over the
waters from which said water supply may be obtained, for a distance of
three miles from the shore thereof, for the purpose of preventing the
pollution of said waters, and any interference with any of the property of
such drainage district; but such police officers when acting within the
limits of any such city, town or village, shall act in aid of the regular police
force thereof, and shall then be subject to the direction of its chief of
police, city or village marshals or other head thereof: Provided, that in so
doing they shall not be prevented or hindered from executing the orders
and authority of said board of trustees of such drainage district: Provided,
further, that before compelling a change in any method of disposal of
sewage so as to prevent the said pollution of any water, the board of
trustees of such district shall first provide some other method of sewage
treatment disposal.

(b) The board of trustees of any sanitary district organized under
this Act is authorized to apply to the circuit court for injunctive relief or
mandamus when, in the opinion of the board of trustees, such relief is
necessary to prevent the pollution of any waters from which a water supply
may be obtained by any municipality within the district.

(c) The sanitary district shall have the power and authority to
prevent the pollution of any waters from which a water supply may be
obtained by any city, town or village. The sanitary district, acting through
the chief administrative officer of such sanitary district, shall have the
power to commence an action or proceeding in the circuit court in and for
the county in which the district is located for the purpose of having the
pollution stopped and prevented either by mandamus or injunction. The
court shall specify a time, not exceeding 20 days after the service of the
copy of the petition, in which the party complained of must answer the

petition, and in the meantime, the party be restrained. In case of default in answer or after answer, the court shall immediately inquire into the facts and circumstances of the case and enter an appropriate order in respect to the matters complained of. An appeal may be taken in the same manner and with the same effect as appeals are taken in other actions for mandamus or injunction.

Sec. 5.2. Expungement and sealing.
(a) General Provisions.
(1) Definitions. In this Act, words and phrases have the meanings set forth in this subsection, except when a particular context clearly requires a different meaning.
(A) The following terms shall have the meanings ascribed to them in the Unified Code of Corrections, 730 ILCS 5/5-1-2 through 5/5-1-22:
(i) Business Offense (730 ILCS 5/5-1-2),

(x) Parole (730 ILCS 5/5-1-16),
(xi) Petty Offense (730 ILCS 5/5-1-17),
(xii) Probation (730 ILCS 5/5-1-18),
(xiii) Sentence (730 ILCS 5/5-1-19),
(xiv) Supervision (730 ILCS 5/5-1-21), and
(xv) Victim (730 ILCS 5/5-1-22).

(B) As used in this Section, "charge not initiated by arrest" means a charge (as defined by 730 ILCS 5/5-1-3) brought against a defendant where the defendant is not arrested prior to or as a direct result of the charge.

(C) "Conviction" means a judgment of conviction or sentence entered upon a plea of guilty or upon a verdict or finding of guilty of an offense, rendered by a legally constituted jury or by a court of competent jurisdiction authorized to try the case without a jury. An order of supervision successfully completed by the petitioner is not a conviction. An order of qualified probation (as defined in subsection (a)(1)(J)) successfully completed by the petitioner is not a conviction. An order of supervision or an order of qualified probation that is terminated unsatisfactorily is a conviction, unless the unsatisfactory termination is reversed, vacated, or modified and the judgment of conviction, if any, is reversed or vacated.

(D) "Criminal offense" means a petty offense, business offense, misdemeanor, felony, or municipal ordinance violation (as defined in subsection (a)(1)(H)). As used in this Section, a minor traffic offense (as defined in subsection (a)(1)(G)) shall not be considered a criminal offense.

(E) "Expunge" means to physically destroy the records or return them to the petitioner and to obliterate the petitioner's name from any official index or public record, or both. Nothing in this Act shall require the physical destruction of the circuit court file, but such records relating to arrests or charges, or both, ordered expunged shall be impounded as required by subsections (d)(9)(A)(ii) and (d)(9)(B)(ii).

(F) As used in this Section, "last sentence" means the sentence, order of supervision, or order of qualified
probation (as defined by subsection (a)(1)(J)), for a criminal offense (as defined by subsection (a)(1)(D)) that terminates last in time in any jurisdiction, regardless of whether the petitioner has included the criminal offense for which the sentence or order of supervision or qualified probation was imposed in his or her petition. If multiple sentences, orders of supervision, or orders of qualified probation terminate on the same day and are last in time, they shall be collectively considered the "last sentence" regardless of whether they were ordered to run concurrently.

(G) "Minor traffic offense" means a petty offense, business offense, or Class C misdemeanor under the Illinois Vehicle Code or a similar provision of a municipal or local ordinance.

(H) "Municipal ordinance violation" means an offense defined by a municipal or local ordinance that is criminal in nature and with which the petitioner was charged or for which the petitioner was arrested and released without charging.

(I) "Petitioner" means an adult or a minor prosecuted as an adult who has applied for relief under this Section.

(J) "Qualified probation" means an order of probation under Section 10 of the Cannabis Control Act, Section 410 of the Illinois Controlled Substances Act, Section 70 of the Methamphetamine Control and Community Protection Act, Section 5-6-3.3 of the Unified Code of Corrections, Section 12-4.3(b)(1) and (2) of the Criminal Code of 1961 (as those provisions existed before their deletion by Public Act 89-313), Section 10-102 of the Illinois Alcoholism and Other Drug Dependency Act, Section 40-10 of the Alcoholism and Other Drug Abuse and Dependency Act, or Section 10 of the Steroid Control Act. For the purpose of this Section, "successful completion" of an order of qualified probation under Section 10-102 of the Illinois Alcoholism and Other Drug Dependency Act and Section 40-10 of the Alcoholism and Other Drug Abuse and Dependency Act means that the
probation was terminated satisfactorily and the judgment of conviction was vacated.

(K) "Seal" means to physically and electronically maintain the records, unless the records would otherwise be destroyed due to age, but to make the records unavailable without a court order, subject to the exceptions in Sections 12 and 13 of this Act. The petitioner's name shall also be obliterated from the official index required to be kept by the circuit court clerk under Section 16 of the Clerks of Courts Act, but any index issued by the circuit court clerk before the entry of the order to seal shall not be affected.

(L) "Sexual offense committed against a minor" includes but is not limited to the offenses of indecent solicitation of a child or criminal sexual abuse when the victim of such offense is under 18 years of age.

(M) "Terminate" as it relates to a sentence or order of supervision or qualified probation includes either satisfactory or unsatisfactory termination of the sentence, unless otherwise specified in this Section.

(2) Minor Traffic Offenses. Orders of supervision or convictions for minor traffic offenses shall not affect a petitioner's eligibility to expunge or seal records pursuant to this Section.

(3) Exclusions. Except as otherwise provided in subsections (b)(5), (b)(6), (e), and (e-5) of this Section, the court shall not order:

(A) the sealing or expungement of the records of arrests or charges not initiated by arrest that result in an order of supervision for or conviction of: (i) any sexual offense committed against a minor; (ii) Section 11-501 of the Illinois Vehicle Code or a similar provision of a local ordinance; or (iii) Section 11-503 of the Illinois Vehicle Code or a similar provision of a local ordinance, unless the arrest or charge is for a misdemeanor violation of subsection (a) of Section 11-503 or a similar provision of a local ordinance, that occurred prior to the offender reaching the age of 25 years and the offender has no other conviction for violating Section 11-501 or 11-503 of the Illinois Vehicle Code or a similar provision of a local ordinance.
(B) the sealing or expungement of records of minor traffic offenses (as defined in subsection (a)(1)(G)), unless the petitioner was arrested and released without charging.

(C) the sealing of the records of arrests or charges not initiated by arrest which result in an order of supervision, an order of qualified probation (as defined in subsection (a)(1)(J)), or a conviction for the following offenses:

(i) offenses included in Article 11 of the Criminal Code of 1961 or the Criminal Code of 2012 or a similar provision of a local ordinance, except Section 11-14 of the Criminal Code of 1961 or the Criminal Code of 2012, or a similar provision of a local ordinance;

(ii) Section 11-1.50, 12-3.4, 12-15, 12-30, 26-5, or 48-1 of the Criminal Code of 1961 or the Criminal Code of 2012, or a similar provision of a local ordinance;

(iii) offenses defined as "crimes of violence" in Section 2 of the Crime Victims Compensation Act or a similar provision of a local ordinance;

(iv) offenses which are Class A misdemeanors under the Humane Care for Animals Act; or

(v) any offense or attempted offense that would subject a person to registration under the Sex Offender Registration Act.

(D) the sealing of the records of an arrest which results in the petitioner being charged with a felony offense or records of a charge not initiated by arrest for a felony offense unless:

(i) the charge is amended to a misdemeanor and is otherwise eligible to be sealed pursuant to subsection (c);

(ii) the charge is brought along with another charge as a part of one case and the charge results in acquittal, dismissal, or conviction when the conviction was reversed or vacated, and another charge brought in the same case results in a

disposition for a misdemeanor offense that is eligible to be sealed pursuant to subsection (c) or a disposition listed in paragraph (i), (iii), or (iv) of this subsection;

(iii) the charge results in first offender probation as set forth in subsection (c)(2)(E);

(iv) the charge is for a Class 4 felony offense listed in subsection (c)(2)(F) or the charge is amended to a Class 4 felony offense listed in subsection (c)(2)(F). Records of arrests which result in the petitioner being charged with a Class 4 felony offense listed in subsection (c)(2)(F), records of charges not initiated by arrest for Class 4 felony offenses listed in subsection (c)(2)(F), and records of charges amended to a Class 4 felony offense listed in (c)(2)(F) may be sealed, regardless of the disposition, subject to any waiting periods set forth in subsection (c)(3);

(v) the charge results in acquittal, dismissal, or the petitioner's release without conviction; or

(vi) the charge results in a conviction, but the conviction was reversed or vacated.

(b) Expungement.

(1) A petitioner may petition the circuit court to expunge the records of his or her arrests and charges not initiated by arrest when:

(A) He or she has never been convicted of a criminal offense; and

(B) Each arrest or charge not initiated by arrest sought to be expunged resulted in: (i) acquittal, dismissal, or the petitioner's release without charging, unless excluded by subsection (a)(3)(B); (ii) a conviction which was vacated or reversed, unless excluded by subsection (a)(3)(B); (iii) an order of supervision and such supervision was successfully completed by the petitioner, unless excluded by subsection (a)(3)(A) or (a)(3)(B); or (iv) an order of qualified probation (as defined in subsection (a)(1)(J)) and such probation was successfully completed by the petitioner.
(2) Time frame for filing a petition to expunge.

(A) When the arrest or charge not initiated by arrest sought to be expunged resulted in an acquittal, dismissal, the petitioner's release without charging, or the reversal or vacation of a conviction, there is no waiting period to petition for the expungement of such records.

(B) When the arrest or charge not initiated by arrest sought to be expunged resulted in an order of supervision, successfully completed by the petitioner, the following time frames will apply:

(i) Those arrests or charges that resulted in orders of supervision under Section 3-707, 3-708, 3-710, or 5-401.3 of the Illinois Vehicle Code or a similar provision of a local ordinance, or under Section 11-1.50, 12-3.2, or 12-15 of the Criminal Code of 1961 or the Criminal Code of 2012, or a similar provision of a local ordinance, shall not be eligible for expungement until 5 years have passed following the satisfactory termination of the supervision.

(i-5) Those arrests or charges that resulted in orders of supervision for a misdemeanor violation of subsection (a) of Section 11-503 of the Illinois Vehicle Code or a similar provision of a local ordinance, that occurred prior to the offender reaching the age of 25 years and the offender has no other conviction for violating Section 11-501 or 11-503 of the Illinois Vehicle Code or a similar provision of a local ordinance shall not be eligible for expungement until the petitioner has reached the age of 25 years.

(ii) Those arrests or charges that resulted in orders of supervision for any other offenses shall not be eligible for expungement until 2 years have passed following the satisfactory termination of the supervision.

(C) When the arrest or charge not initiated by arrest sought to be expunged resulted in an order of qualified probation, successfully completed by the petitioner, such
(3) Those records maintained by the Department for persons arrested prior to their 17th birthday shall be expunged as provided in Section 5-915 of the Juvenile Court Act of 1987.

(4) Whenever a person has been arrested for or convicted of any offense, in the name of a person whose identity he or she has stolen or otherwise come into possession of, the aggrieved person from whom the identity was stolen or otherwise obtained without authorization, upon learning of the person having been arrested using his or her identity, may, upon verified petition to the chief judge of the circuit wherein the arrest was made, have a court order entered nunc pro tunc by the Chief Judge to correct the arrest record, conviction record, if any, and all official records of the arresting authority, the Department, other criminal justice agencies, the prosecutor, and the trial court concerning such arrest, if any, by removing his or her name from all such records in connection with the arrest and conviction, if any, and by inserting in the records the name of the offender, if known or ascertainable, in lieu of the aggrieved's name. The records of the circuit court clerk shall be sealed until further order of the court upon good cause shown and the name of the aggrieved person obliterated on the official index required to be kept by the circuit court clerk under Section 16 of the Clerks of Courts Act, but the order shall not affect any index issued by the circuit court clerk before the entry of the order. Nothing in this Section shall limit the Department of State Police or other criminal justice agencies or prosecutors from listing under an offender's name the false names he or she has used.

(5) Whenever a person has been convicted of criminal sexual assault, aggravated criminal sexual assault, predatory criminal sexual assault of a child, criminal sexual abuse, or aggravated criminal sexual abuse, the victim of that offense may request that the State's Attorney of the county in which the conviction occurred file a verified petition with the presiding trial judge at the petitioner's trial to have a court order entered to seal the records of the circuit court clerk in connection with the proceedings of the trial court concerning that offense. However, the records of the arresting authority and the Department of State

Police concerning the offense shall not be sealed. The court, upon good cause shown, shall make the records of the circuit court clerk in connection with the proceedings of the trial court concerning the offense available for public inspection.

(6) If a conviction has been set aside on direct review or on collateral attack and the court determines by clear and convincing evidence that the petitioner was factually innocent of the charge, the court shall enter an expungement order as provided in subsection (b) of Section 5-5-4 of the Unified Code of Corrections.

(7) Nothing in this Section shall prevent the Department of State Police from maintaining all records of any person who is admitted to probation upon terms and conditions and who fulfills those terms and conditions pursuant to Section 10 of the Cannabis Control Act, Section 410 of the Illinois Controlled Substances Act, Section 70 of the Methamphetamine Control and Community Protection Act, Section 5-6-3.3 of the Unified Code of Corrections, Section 12-4.3 or subdivision (b)(1) of Section 12-3.05 of the Criminal Code of 1961 or the Criminal Code of 2012, Section 10-102 of the Illinois Alcoholism and Other Drug Dependency Act, Section 40-10 of the Alcoholism and Other Drug Abuse and Dependency Act, or Section 10 of the Steroid Control Act.

(c) Sealing.

(1) Applicability. Notwithstanding any other provision of this Act to the contrary, and cumulative with any rights to expungement of criminal records, this subsection authorizes the sealing of criminal records of adults and of minors prosecuted as adults.

(2) Eligible Records. The following records may be sealed:

(4) Subsequent felony convictions. A person may not have subsequent felony conviction records sealed as provided in this subsection (c) if he or she is convicted of any felony offense after the date of the sealing of prior felony convictions as provided in this subsection (c). The court may, upon conviction for a subsequent felony offense, order the unsealing of prior felony conviction records previously ordered sealed by the court.

(5) Notice of eligibility for sealing. Upon entry of a disposition for an eligible record under this subsection (c), the petitioner shall be informed by the court of the right to have the records sealed and the procedures for the sealing of the records.

(d) Procedure. The following procedures apply to expungement under subsections (b) and (e), and sealing under subsections (c) and (e-5):

(1) Filing the petition. If arrests occurred or charges were brought in multiple jurisdictions, a petition must be filed in each such jurisdiction. The petitioner shall pay the applicable fee, if not waived.

(2) Contents of petition. The petition shall be verified and shall contain the petitioner's name, date of birth, current address and, for each arrest or charge not initiated by arrest sought to be sealed or expunged, the case number, the date of arrest (if any), the identity of the arresting authority, and such other information as the court may require. During the pendency of the proceeding, the petitioner shall promptly notify the circuit court clerk of any change of his or her address. (4) Service of petition. The circuit court clerk shall promptly serve a copy of the petition on the State's Attorney or prosecutor charged with the duty of prosecuting the offense, the Department of State Police, the arresting agency and the chief legal officer of the unit of local government effecting the arrest.

(5) Objections.

(A) Any party entitled to notice of the petition may file an objection to the petition. All objections shall be in writing, shall be filed with the circuit court clerk, and shall state with specificity the basis of the objection.

(B) Objections to a petition to expunge or seal must be filed within 60 days of the date of service of the petition.

(6) Entry of order.

(A) The Chief Judge of the circuit wherein the charge was brought, any judge of that circuit designated by the Chief Judge, or in counties of less than 3,000,000 inhabitants, the presiding trial judge at the petitioner's trial, if any, shall rule on the petition to expunge or seal as set forth in this subsection (d)(6).

(B) Unless the State's Attorney or prosecutor, the Department of State Police, the arresting agency, or the chief legal officer files an objection to the petition to expunge or seal within 60 days from the date of service of the petition, the court shall enter an order granting or denying the petition.

(7) Hearings. If an objection is filed, the court shall set a date for a hearing and notify the petitioner and all parties entitled to notice of the petition of the hearing date at least 30 days prior to the hearing. Prior to the hearing, the State's Attorney shall consult with the Department as to the appropriateness of the relief sought in the petition to expunge or seal. At the hearing, the court shall hear evidence on whether the petition should or should not be granted, and shall grant or deny the petition to expunge or seal the records based on the evidence presented at the hearing.
(8) Service of order. After entering an order to expunge or seal records, the court must provide copies of the order to the Department, in a form and manner prescribed by the Department, to the petitioner, to the State's Attorney or prosecutor charged with the duty of prosecuting the offense, to the arresting agency, to the chief legal officer of the unit of local government effecting the arrest, and to such other criminal justice agencies as may be ordered by the court.

(9) Implementation Effect of order. 

(A) Upon entry of an order to expunge records pursuant to (b)(2)(A) or (b)(2)(B)(ii), or both:

(i) the records shall be expunged (as defined in subsection (a)(1)(E)) by the arresting agency, the Department, and any other agency as ordered by the court, within 60 days of the date of service of the order, unless a motion to vacate, modify, or reconsider the order is filed pursuant to paragraph (12) of subsection (d) of this Section;

(ii) the records of the circuit court clerk shall be impounded until further order of the court upon good cause shown and the name of the petitioner obliterated on the official index required to be kept by the circuit court clerk under Section 16 of the Clerks of Courts Act, but the order shall not affect any index issued by the circuit court clerk before the entry of the order; and

(iii) in response to an inquiry for expunged records, the court, the Department, or the agency receiving such inquiry, shall reply as it does in response to inquiries when no records ever existed.

(B) Upon entry of an order to expunge records pursuant to (b)(2)(B)(i) or (b)(2)(C), or both:

(i) the records shall be expunged (as defined in subsection (a)(1)(E)) by the arresting agency and any other agency as ordered by the court, within 60 days of the date of service of the order, unless a motion to vacate, modify, or reconsider the order is filed pursuant to paragraph (12) of subsection (d) of this Section;
(ii) the records of the circuit court clerk shall be impounded until further order of the court upon good cause shown and the name of the petitioner obliterated on the official index required to be kept by the circuit court clerk under Section 16 of the Clerks of Courts Act, but the order shall not affect any index issued by the circuit court clerk before the entry of the order;

(iii) the records shall be impounded by the Department within 60 days of the date of service of the order as ordered by the court, unless a motion to vacate, modify, or reconsider the order is filed pursuant to paragraph (12) of subsection (d) of this Section;

(iv) records impounded by the Department may be disseminated by the Department only as required by law or to the arresting authority, the State's Attorney, and the court upon a later arrest for the same or a similar offense or for the purpose of sentencing for any subsequent felony, and to the Department of Corrections upon conviction for any offense; and

(v) in response to an inquiry for such records from anyone not authorized by law to access such records the court, the Department, or the agency receiving such inquiry shall reply as it does in response to inquiries when no records ever existed.

(C) Upon entry of an order to seal records under subsection (c), the arresting agency, any other agency as ordered by the court, the Department, and the court shall seal the records (as defined in subsection (a)(1)(K)). In response to an inquiry for such records from anyone not authorized by law to access such records the court, the Department, or the agency receiving such inquiry shall reply as it does in response to inquiries when no records ever existed.

(D) The Department shall send written notice to the petitioner of its compliance with each order to expunge or seal records within 60 days of the date of service of that

order or, if a motion to vacate, modify, or reconsider is filed, within 60 days of service of the order resolving the motion, if that order requires the Department to expunge or seal records. In the event of an appeal from the circuit court order, the Department shall send written notice to the petitioner of its compliance with an Appellate Court or Supreme Court judgment to expunge or seal records within 60 days of the issuance of the court's mandate. The notice is not required while any motion to vacate, modify, or reconsider, or any appeal or petition for discretionary appellate review, is pending.

(10) Fees. The Department may charge the petitioner a fee equivalent to the cost of processing any order to expunge or seal records. Notwithstanding any provision of the Clerks of Courts Act to the contrary, the circuit court clerk may charge a fee equivalent to the cost associated with the sealing or expungement of records by the circuit court clerk. From the total filing fee collected for the petition to seal or expunge, the circuit court clerk shall deposit $10 into the Circuit Court Clerk Operation and Administrative Fund, to be used to offset the costs incurred by the circuit court clerk in performing the additional duties required to serve the petition to seal or expunge on all parties. The circuit court clerk shall collect and forward the Department of State Police portion of the fee to the Department and it shall be deposited in the State Police Services Fund.

(11) Final Order. No court order issued under the expungement or sealing provisions of this Section shall become final for purposes of appeal until 30 days after service of the order on the petitioner and all parties entitled to notice of the petition.

(12) Motion to Vacate, Modify, or Reconsider. Under Section 2-1203 of the Code of Civil Procedure, the petitioner or any party entitled to notice may file a motion to vacate, modify, or reconsider the order granting or denying the petition to expunge or seal within 60 days of service of the order. If filed more than 60 days after service of the order, a petition to vacate, modify, or reconsider shall comply with subsection (c) of Section 2-1401 of the Code of Civil Procedure. Upon filing of a motion to vacate, modify, or reconsider, notice of the motion shall be served upon the petitioner and all parties entitled to notice of the petition.

(13) Effect of Order. An order granting a petition under the expungement or sealing provisions of this Section shall not be considered void because it fails to comply with the provisions of this Section or because of any error asserted in a motion to vacate, modify, or reconsider. The circuit court retains jurisdiction to determine whether the order is voidable and to vacate, modify, or reconsider its terms based on a motion filed under paragraph (12) of this subsection (d).

(14) Compliance with Order Granting Petition to Seal Records. Unless a court has entered a stay of an order granting a petition to seal, all parties entitled to notice of the petition must fully comply with the terms of the order within 60 days of service of the order even if a party is seeking relief from the order through a motion filed under paragraph (12) of this subsection (d) or is appealing the order.

(15) Compliance with Order Granting Petition to Expunge Records. While a party is seeking relief from the order granting the petition to expunge through a motion filed under paragraph (12) of this subsection (d) or is appealing the order, and unless a court has entered a stay of that order, the parties entitled to notice of the petition must seal, but need not expunge, the records until there is a final order on the motion for relief or, in the case of an appeal, the issuance of that court's mandate.

(16) The changes to this subsection (d) made by this amendatory Act of the 98th General Assembly apply to all petitions pending on the effective date of this amendatory Act of the 98th General Assembly and to all orders ruling on a petition to expunge or seal on or after the effective date of this amendatory Act of the 98th General Assembly.

(e) Whenever a person who has been convicted of an offense is granted a pardon by the Governor which specifically authorizes expungement, he or she may, upon verified petition to the Chief Judge of the circuit where the person had been convicted, any judge of the circuit designated by the Chief Judge, or in counties of less than 3,000,000 inhabitants, the presiding trial judge at the defendant's trial, have a court order entered expunging the record of arrest from the official records of the arresting authority and order that the records of the circuit court clerk and the Department be sealed until further order of the court upon good cause shown or as otherwise provided herein, and the name of the

defendant obliterated from the official index requested to be kept by the
circuit court clerk under Section 16 of the Clerks of Courts Act in
connection with the arrest and conviction for the offense for which he or
she had been pardoned but the order shall not affect any index issued by
the circuit court clerk before the entry of the order. All records sealed by
the Department may be disseminated by the Department only to the
arresting authority, the State's Attorney, and the court upon a later arrest
for the same or similar offense or for the purpose of sentencing for any
subsequent felony. Upon conviction for any subsequent offense, the
Department of Corrections shall have access to all sealed records of the
Department pertaining to that individual. Upon entry of the order of
expungement, the circuit court clerk shall promptly mail a copy of the
order to the person who was pardoned.

(e-5) Whenever a person who has been convicted of an offense is
granted a certificate of eligibility for sealing by the Prisoner Review Board
which specifically authorizes sealing, he or she may, upon verified petition
to the Chief Judge of the circuit where the person had been convicted, any
judge of the circuit designated by the Chief Judge, or in counties of less
than 3,000,000 inhabitants, the presiding trial judge at the petitioner's trial,
have a court order entered sealing the record of arrest from the official
records of the arresting authority and order that the records of the circuit
court clerk and the Department be sealed until further order of the court
upon good cause shown or as otherwise provided herein, and the name of
the petitioner obliterated from the official index requested to be kept by
the circuit court clerk under Section 16 of the Clerks of Courts Act in
connection with the arrest and conviction for the offense for which he or
she had been granted the certificate but the order shall not affect any index
issued by the circuit court clerk before the entry of the order. All records
sealed by the Department may be disseminated by the Department only as
required by this Act or to the arresting authority, a law enforcement
agency, the State's Attorney, and the court upon a later arrest for the same
or similar offense or for the purpose of sentencing for any subsequent
felony. Upon conviction for any subsequent offense, the Department of
Corrections shall have access to all sealed records of the Department
pertaining to that individual. Upon entry of the order of sealing, the circuit
court clerk shall promptly mail a copy of the order to the person who was
granted the certificate of eligibility for sealing.

(20 ILCS 2630/5.2)
Sec. 5.2. Expungement and sealing.
(a) General Provisions.

New matter indicated by italics - deletions by strikeout
(1) Definitions. In this Act, words and phrases have the meanings set forth in this subsection, except when a particular context clearly requires a different meaning.

(A) The following terms shall have the meanings ascribed to them in the Unified Code of Corrections, 730 ILCS 5/5-1-2 through 5/5-1-22:

(i) Business Offense (730 ILCS 5/5-1-2),
(ii) Charge (730 ILCS 5/5-1-3),
(iii) Court (730 ILCS 5/5-1-6),
(iv) Defendant (730 ILCS 5/5-1-7),
(v) Felony (730 ILCS 5/5-1-9),
(vi) Imprisonment (730 ILCS 5/5-1-10),
(vii) Judgment (730 ILCS 5/5-1-12),
(viii) Misdemeanor (730 ILCS 5/5-1-14),
(ix) Offense (730 ILCS 5/5-1-15),
(x) Parole (730 ILCS 5/5-1-16),
(xi) Petty Offense (730 ILCS 5/5-1-17),
(xii) Probation (730 ILCS 5/5-1-18),
(xiii) Sentence (730 ILCS 5/5-1-19),
(xiv) Supervision (730 ILCS 5/5-1-21), and
(xv) Victim (730 ILCS 5/5-1-22).

(B) As used in this Section, "charge not initiated by arrest" means a charge (as defined by 730 ILCS 5/5-1-3) brought against a defendant where the defendant is not arrested prior to or as a direct result of the charge.

(C) "Conviction" means a judgment of conviction or sentence entered upon a plea of guilty or upon a verdict or finding of guilty of an offense, rendered by a legally constituted jury or by a court of competent jurisdiction authorized to try the case without a jury. An order of supervision successfully completed by the petitioner is not a conviction. An order of qualified probation (as defined in subsection (a)(1)(J)) successfully completed by the petitioner is not a conviction. An order of supervision or an order of qualified probation that is terminated unsatisfactorily is a conviction, unless the unsatisfactory termination is reversed, vacated, or modified and the judgment of conviction, if any, is reversed or vacated.
(D) "Criminal offense" means a petty offense, business offense, misdemeanor, felony, or municipal ordinance violation (as defined in subsection (a)(1)(H)). As used in this Section, a minor traffic offense (as defined in subsection (a)(1)(G)) shall not be considered a criminal offense.

(E) "Expunge" means to physically destroy the records or return them to the petitioner and to obliterate the petitioner's name from any official index or public record, or both. Nothing in this Act shall require the physical destruction of the circuit court file, but such records relating to arrests or charges, or both, ordered expunged shall be impounded as required by subsections (d)(9)(A)(ii) and (d)(9)(B)(ii).

(F) As used in this Section, "last sentence" means the sentence, order of supervision, or order of qualified probation (as defined by subsection (a)(1)(J)), for a criminal offense (as defined by subsection (a)(1)(D)) that terminates last in time in any jurisdiction, regardless of whether the petitioner has included the criminal offense for which the sentence or order of supervision or qualified probation was imposed in his or her petition. If multiple sentences, orders of supervision, or orders of qualified probation terminate on the same day and are last in time, they shall be collectively considered the "last sentence" regardless of whether they were ordered to run concurrently.

(G) "Minor traffic offense" means a petty offense, business offense, or Class C misdemeanor under the Illinois Vehicle Code or a similar provision of a municipal or local ordinance.

(H) "Municipal ordinance violation" means an offense defined by a municipal or local ordinance that is criminal in nature and with which the petitioner was charged or for which the petitioner was arrested and released without charging.

(I) "Petitioner" means an adult or a minor prosecuted as an adult who has applied for relief under this Section.
(J) "Qualified probation" means an order of probation under Section 10 of the Cannabis Control Act, Section 410 of the Illinois Controlled Substances Act, Section 70 of the Methamphetamine Control and Community Protection Act, Section 5-6-3.3 or 5-6-3.4 of the Unified Code of Corrections, Section 12-4.3(b)(1) and (2) of the Criminal Code of 1961 (as those provisions existed before their deletion by Public Act 89-313), Section 10-102 of the Illinois Alcoholism and Other Drug Dependency Act, Section 40-10 of the Alcoholism and Other Drug Abuse and Dependency Act, or Section 10 of the Steroid Control Act. For the purpose of this Section, "successful completion" of an order of qualified probation under Section 10-102 of the Illinois Alcoholism and Other Drug Dependency Act and Section 40-10 of the Alcoholism and Other Drug Abuse and Dependency Act means that the probation was terminated satisfactorily and the judgment of conviction was vacated.

(K) "Seal" means to physically and electronically maintain the records, unless the records would otherwise be destroyed due to age, but to make the records unavailable without a court order, subject to the exceptions in Sections 12 and 13 of this Act. The petitioner's name shall also be obliterated from the official index required to be kept by the circuit court clerk under Section 16 of the Clerks of Courts Act, but any index issued by the circuit court clerk before the entry of the order to seal shall not be affected.

(L) "Sexual offense committed against a minor" includes but is not limited to the offenses of indecent solicitation of a child or criminal sexual abuse when the victim of such offense is under 18 years of age.

(M) "Terminate" as it relates to a sentence or order of supervision or qualified probation includes either satisfactory or unsatisfactory termination of the sentence, unless otherwise specified in this Section.

(2) Minor Traffic Offenses. Orders of supervision or convictions for minor traffic offenses shall not affect a petitioner's eligibility to expunge or seal records pursuant to this Section.
(3) Exclusions. Except as otherwise provided in subsections (b)(5), (b)(6), (e), and (e-5) of this Section, the court shall not order:

(A) the sealing or expungement of the records of arrests or charges not initiated by arrest that result in an order of supervision for or conviction of: (i) any sexual offense committed against a minor; (ii) Section 11-501 of the Illinois Vehicle Code or a similar provision of a local ordinance; or (iii) Section 11-503 of the Illinois Vehicle Code or a similar provision of a local ordinance, unless the arrest or charge is for a misdemeanor violation of subsection (a) of Section 11-503 or a similar provision of a local ordinance, that occurred prior to the offender reaching the age of 25 years and the offender has no other conviction for violating Section 11-501 or 11-503 of the Illinois Vehicle Code or a similar provision of a local ordinance.

(B) the sealing or expungement of records of minor traffic offenses (as defined in subsection (a)(1)(G)), unless the petitioner was arrested and released without charging.

(C) the sealing of the records of arrests or charges not initiated by arrest which result in an order of supervision, an order of qualified probation (as defined in subsection (a)(1)(J)), or a conviction for the following offenses:

(i) offenses included in Article 11 of the Criminal Code of 1961 or the Criminal Code of 2012 or a similar provision of a local ordinance, except Section 11-14 of the Criminal Code of 1961 or the Criminal Code of 2012, or a similar provision of a local ordinance;

(ii) Section 11-1.50, 12-3.4, 12-15, 12-30, 26-5, or 48-1 of the Criminal Code of 1961 or the Criminal Code of 2012, or a similar provision of a local ordinance;

(iii) offenses defined as "crimes of violence" in Section 2 of the Crime Victims Compensation Act or a similar provision of a local ordinance;
(iv) offenses which are Class A misdemeanors under the Humane Care for Animals Act; or

(v) any offense or attempted offense that would subject a person to registration under the Sex Offender Registration Act.

(D) the sealing of the records of an arrest which results in the petitioner being charged with a felony offense or records of a charge not initiated by arrest for a felony offense unless:

(i) the charge is amended to a misdemeanor and is otherwise eligible to be sealed pursuant to subsection (c);

(ii) the charge is brought along with another charge as a part of one case and the charge results in acquittal, dismissal, or conviction when the conviction was reversed or vacated, and another charge brought in the same case results in a disposition for a misdemeanor offense that is eligible to be sealed pursuant to subsection (c) or a disposition listed in paragraph (i), (iii), or (iv) of this subsection;

(iii) the charge results in first offender probation as set forth in subsection (c)(2)(E);

(iv) the charge is for a Class 4 felony offense listed in subsection (c)(2)(F) or the charge is amended to a Class 4 felony offense listed in subsection (c)(2)(F). Records of arrests which result in the petitioner being charged with a Class 4 felony offense listed in subsection (c)(2)(F), records of charges not initiated by arrest for Class 4 felony offenses listed in subsection (c)(2)(F), and records of charges amended to a Class 4 felony offense listed in (c)(2)(F) may be sealed, regardless of the disposition, subject to any waiting periods set forth in subsection (c)(3);

(v) the charge results in acquittal, dismissal, or the petitioner's release without conviction; or
(vi) the charge results in a conviction, but the conviction was reversed or vacated.

(b) Expungement.

(1) A petitioner may petition the circuit court to expunge the records of his or her arrests and charges not initiated by arrest when:

(A) He or she has never been convicted of a criminal offense; and

(B) Each arrest or charge not initiated by arrest sought to be expunged resulted in: (i) acquittal, dismissal, or the petitioner's release without charging, unless excluded by subsection (a)(3)(B); (ii) a conviction which was vacated or reversed, unless excluded by subsection (a)(3)(B); (iii) an order of supervision and such supervision was successfully completed by the petitioner, unless excluded by subsection (a)(3)(A) or (a)(3)(B); or (iv) an order of qualified probation (as defined in subsection (a)(1)(J)) and such probation was successfully completed by the petitioner.

(2) Time frame for filing a petition to expunge.

(A) When the arrest or charge not initiated by arrest sought to be expunged resulted in an acquittal, dismissal, the petitioner's release without charging, or the reversal or vacation of a conviction, there is no waiting period to petition for the expungement of such records.

(B) When the arrest or charge not initiated by arrest sought to be expunged resulted in an order of supervision, successfully completed by the petitioner, the following time frames will apply:
