Candidates may elect to take the National Registry of Emergency Medical Technicians examination in lieu of the Department's examination, but are responsible for making their own arrangements for taking the National Registry examination. In prescribing licensure testing requirements for honorably discharged members of the armed forces of the United States under this paragraph (2), the Department shall ensure that a candidate's military emergency medical training, emergency medical curriculum completed, and clinical experience, as described in paragraph (2.5), are recognized.

(2.5) Review applications for EMT licensure from honorably discharged members of the armed forces of the United States with military emergency medical training. (F) The licensee is mentally impaired to the extent that he or she cannot exercise the appropriate judgment, skill and safety for performing the functions for which he or she is licensed, as verified by a physician, unless the person is on inactive status pursuant to Department regulations;

(G) The licensee has violated this Act or any rule adopted by the Department pursuant to this Act; or

(H) The licensee has been convicted (or entered a plea of guilty or nolo-contendere) by a court of competent jurisdiction of a Class X, Class 1, or Class 2 felony in this State or an out-of-state equivalent offense.

Such a person must fulfill the education requirement within 6 months after his or her release from active duty.

(2) Within 30 days after the effective date of this amendatory Act of the 98th General Assembly, the Commission shall adopt emergency rules to implement the provisions of this
Public Act 98-0057

(3) The Commission shall issue an order approving, or approving with modification to ensure compliance with this Section, the tariff no later than 120 days after such filing of the tariffs filed pursuant to this Section. The utility shall have 7 days following the date of service of the order to notify the Commission in writing whether it will accept any modifications so identified in the order or whether it has elected not to proceed with the tariff. If the order includes no modifications or if the utility notifies the Commission that it will accept such modifications, the tariff shall take effect on the first day of the calendar year in which the Commission issues the order, subject to petitions for rehearing and appellate procedures. After the tariff takes effect, the utility may, upon 10 days' notice to the Commission, file to withdraw the tariff at any time, and the Commission shall approve such filing without suspension or hearing, subject to a final reconciliation as provided in subsection (e) of this Section.

(4) When a natural gas utility withdraws the surcharge tariff, the utility shall not recover any additional charges through the surcharge approved pursuant to this Section, subject to the resolution of the final reconciliation pursuant to subsection (e) of this Section. The utility's qualifying infrastructure investment net of accumulated depreciation may be transferred to the natural gas utility's rate base in the utility's next general rate case. The utility's delivery base rates in effect upon withdrawal of the surcharge tariff shall not be adjusted at the time the surcharge tariff is withdrawn.

(5) A natural gas utility that is subject to its delivery base rates being fixed at their current rates pursuant to a Commission order entered in Docket No. 11-0046, notwithstanding the effective date of its tariff authorized pursuant to this Section, shall reflect in a tariff surcharge only those projects placed in service after the fixed rate period of the merger agreement has expired by its terms. (b) For purposes of this Section, "qualifying infrastructure plant" includes only plant additions placed in service not reflected in the rate base used to establish the utility's delivery base rates. "Costs associated
with investments in qualifying infrastructure plant" shall include a return on qualifying infrastructure plant and recovery of depreciation and amortization expense on qualifying infrastructure plant, net of the depreciation included in the utility's base rates on any plant retired in conjunction with the installation of the qualifying infrastructure plant. Collectively the "qualifying infrastructure plant" and "costs associated with investments in qualifying infrastructure plant" are referred to as the "qualifying infrastructure investment" and that are related to one or more of the following:

(1) the installation of facilities to retire and replace underground natural gas facilities, including facilities appurtenant to facilities constructed of those materials such as meters, regulators, and services, and that are constructed of cast iron, wrought iron, ductile iron, unprotected coated steel, unprotected bare steel, mechanically coupled steel, copper, Cellulose Acetate Butyrate (CAB) plastic, pre-1973 DuPont Aldyl "A" polyethylene, PVC, or other types of materials identified by a State or federal governmental agency as being prone to leakage;

(2) the relocation of meters from inside customers' facilities to outside;

(3) the upgrading of the gas distribution system from a low pressure to a medium pressure system, including installation of high-pressure facilities to support the upgrade;

(4) modernization investments by a combination utility, as defined in subsection (b) of Section 16-108.5 of this Act, to install:

   (A) advanced gas meters in connection with the installation of advanced electric meters pursuant to Sections 16-108.5 and 16-108.6 of this Act; and

   (B) the communications hardware and software and associated system software that creates a network between advanced gas meters and utility business systems and allows the collection and distribution of gas-related information to customers and other parties in addition to providing information to the utility itself;

(5) replacing high-pressure transmission pipelines and associated facilities identified as having a higher risk of leakage or failure or installing or replacing high-pressure transmission pipelines and associated facilities to establish records and maximum allowable operating pressures;

New matter indicated in italics - deletions by strikeout
(6) replacing difficult to locate mains and service pipes and associated facilities; and
(7) replacing or installing transmission and distribution regulator stations, regulators, valves, and associated facilities to establish over-pressure protection.

With respect to the installation of the facilities identified in paragraph (1) of subsection (b) of this Section, the natural gas utility shall determine priorities for such installation with consideration of projects either: (i) integral to a general government public facilities improvement program or (ii) ranked in the highest risk categories in the utility's most recent Distribution Integrity Management Plan where removal or replacement is the remedial measure.

(c) Qualifying infrastructure investment, defined in subsection (b) of this Section, recoverable through a tariff authorized by subsection (a) of this Section, shall not include costs or expenses incurred in the ordinary course of business for the ongoing or routine operations of the utility, including, but not limited to:

(1) operating and maintenance costs; and
(2) costs of facilities that are revenue-producing, which means facilities that are constructed or installed for the purpose of serving new customers.

(d) Gas utility commitments. A natural gas utility that has in effect a natural gas surcharge tariff pursuant to this Section shall:

(1) recognize that the General Assembly identifies improved public safety and reliability of natural gas facilities as the cornerstone upon which this Section is designed, and qualifying projects should be encouraged, selected, and prioritized based on these factors; and
(2) provide information to the Commission as requested to demonstrate that (i) the projects included in the tariff are indeed qualifying projects and (ii) the projects are selected and prioritized taking into account improved public safety and reliability.

(3) The amount of qualifying infrastructure investment eligible for recovery under the tariff in the applicable calendar year is limited to the lesser of (i) the actual qualifying infrastructure plant placed in service in the applicable calendar year and (ii) the difference by which total plant additions in the applicable calendar year exceed the baseline amount, and subject to the limitation in subsection (g) of this Section. A natural gas

utility can recover the costs of qualifying infrastructure investments through an approved surcharge tariff from the beginning of each calendar year subject to the reconciliation initiated under paragraph (2) of subsection (e) of this Section, during which the Commission may make adjustments to ensure that the limits defined in this paragraph are not exceeded. Further, if total plant additions in a calendar year do not exceed the baseline amount in the applicable calendar year, the Commission, during the reconciliation initiated under paragraph (2) of subsection (e) of this Section for the applicable calendar year, shall adjust the amount of qualifying infrastructure investment eligible for recovery under the tariff to zero.

(4) For purposes of this Section, "baseline amount" means an amount equal to the utility's average of total depreciation expense, as reported on page 336, column (b) of the utility's ILCC Form 21, for the calendar years 2006 through 2010.

(e) Review of investment.

(1) The amount of qualifying infrastructure investment shall be shown on an Information Sheet supplemental to the surcharge tariff and filed with the Commission monthly or some other time period at the option of the utility. The Information Sheet shall be accompanied by data showing the calculation of the qualifying infrastructure investment adjustment. Unless otherwise ordered by the Commission, each qualifying infrastructure investment adjustment shown on an Information Sheet shall become effective pursuant to the utility's approved tariffs.

(2) For each calendar year in which a surcharge tariff is in effect, the natural gas utility shall file a petition with the Commission to initiate hearings to reconcile amounts billed under each surcharge authorized pursuant to this Section with the actual prudently incurred costs recoverable under this tariff in the preceding year. The petition filed by the natural gas utility shall include testimony and schedules that support the accuracy and the prudence of the qualifying infrastructure investment for the calendar year being reconciled. The petition filed shall also include the number of jobs attributable to the natural gas surcharge tariff as required by rule. The review of the utility's investment shall include identification and review of all plant that

New matter indicated in italics - deletions by strikeout
was ranked within the highest risk categories in that utility's most recent Distribution Integrity Management Plan.

(f) The rate of return applied shall be the overall rate of return authorized by the Commission in the utility's last gas rate case.

(g) The cumulative amount of increases billed under the surcharge, since the utility's most recent delivery service rate order, shall not exceed an annual average 4% of the utility's delivery base rate revenues, but shall not exceed 5.5% in any given year. On the effective date of new delivery base rates, the surcharge shall be reduced to zero with respect to qualifying infrastructure investment that is transferred to the rate base used to establish the utility's delivery base rates, provided that the utility may continue to charge or refund any reconciliation adjustment determined pursuant to subsection (e) of this Section.

(h) If a gas utility obtains a surcharge tariff under this Section 9-220.3, then it and its affiliates are excused from the rate case filing requirements contained in Sections 9-220(h) and 9-220(h-1). In the event a natural gas utility, prior to the effective date of this amendatory Act of the 98th General Assembly, made a rate case filing that is still pending on the effective date of this amendatory Act of the 98th General Assembly, the natural gas utility may, at the time it files its surcharge tariff with the Commission, also file a notice with the Commission to withdraw its rate case filing. Any affiliate of such natural gas utility may also file to withdraw its rate case filing. Upon receipt of such notice, the Commission shall dismiss the rate case filing with prejudice and such tariffs and the record related thereto shall not be the subject of any further hearing, investigation, or proceeding of any kind related to rates for gas delivery services. Notwithstanding the foregoing, a natural gas utility shall not be permitted to withdraw a rate case filing for which a proposed order recommending a rate reduction is pending. A natural gas utility shall not be permitted to withdraw the gas delivery services tariffs that are the subject of Commission Docket Nos. 12-0511/12-0512 (cons.). None of the costs incurred for the withdrawn rate case are recoverable from ratepayers.

(i) The Commission shall promulgate rules and regulations to carry out the provisions of this Section under the emergency rulemaking provisions set forth in Section 5-45 of the Illinois Administrative Procedure Act, and such emergency rules shall be effective no later than 30 days after the effective date of this amendatory Act of the 98th General Assembly.

PUBLIC ACT 98-0060
(House Bill No. 2401)

AN ACT concerning criminal law.
Be it enacted by the People of the State of Illinois, represented in the General Assembly:
Section 5. The Probation and Probation Officers Act is amended by changing Section 16.1 as follows:
(730 ILCS 110/16.1)
Sec. 16.1. Redeploy Illinois Program.
(a) The purpose of this Section is to encourage the deinstitutionalization of juvenile offenders by establishing projects in counties or groups of counties that reallocate State funds from juvenile correctional confinement to local jurisdictions, which will establish a continuum of local, community-based sanctions and treatment alternatives for juvenile offenders who would be incarcerated if those local services and sanctions did not exist. It is also intended to offer alternatives, when appropriate, to avoid commitment to the Department of Juvenile Justice, to direct child welfare services for minors charged with a criminal offense or adjudicated delinquent under Section 5 of the Children and Family Services Act. The allotment of funds will be based on a formula that rewards local jurisdictions for the establishment or expansion of local alternatives to incarceration, and requires them to pay for utilization of incarceration as a sanction. In addition, there shall be an allocation of resources (amount to be determined annually by the Redeploy Illinois Oversight Board) set aside at the beginning of each fiscal year to be made available for any county or groups of counties which need resources only occasionally for services to avoid commitment to the Department of Juvenile Justice for a limited number of youth. This redeployment of funds shall be made in a manner consistent with the Juvenile Court Act of 1987 and the following purposes and policies:

New matter indicated in italics - deletions by strikeout
(1) The juvenile justice system should protect the community, impose accountability to victims and communities for violations of law, and equip juvenile offenders with competencies to live responsibly and productively.

(2) Juveniles should be treated in the least restrictive manner possible while maintaining the safety of the community.

(3) A continuum of services and sanctions from least restrictive to most restrictive should be available in every community.

(4) There should be local responsibility and authority for planning, organizing, and coordinating service resources in the community. People in the community can best choose a range of services which reflect community values and meet the needs of their own youth.

(5) Juveniles who pose a threat to the community or themselves need special care, including secure settings. Such services as detention, long-term incarceration, or residential treatment are too costly to provide in each community and should be coordinated and provided on a regional or Statewide basis.

(6) The roles of State and local government in creating and maintaining services to youth in the juvenile justice system should be clearly defined. The role of the State is to fund services, set standards of care, train service providers, and monitor the integration and coordination of services. The role of local government should be to oversee the provision of services.

(b) Each county or circuit participating in the Redeploy Illinois program must create a local plan demonstrating how it will reduce the county or circuit's utilization of secure confinement of juvenile offenders in the Illinois Department of Juvenile Justice or county detention centers by the creation or expansion of individualized services or programs that may include but are not limited to the following:

(1) Assessment and evaluation services to provide the juvenile justice system with accurate individualized case information on each juvenile offender including mental health, substance abuse, educational, and family information;

(2) Direct services to individual juvenile offenders including educational, vocational, mental health, substance abuse, supervision, and service coordination; and

New matter indicated in italics - deletions by strikeout
(3) Programs that seek to restore the offender to the community, such as victim offender panels, teen courts, competency building, enhanced accountability measures, restitution, and community service. The local plan must be directed in such a manner as to emphasize an individualized approach to providing services to juvenile offenders in an integrated community based system including probation as the broker of services. The plan must also detail the reduction in utilization of secure confinement. The local plan shall be limited to services and shall not include costs for:

(i) capital expenditures;
(ii) renovations or remodeling;
(iii) personnel costs for probation.

The local plan shall be submitted to the Department of Human Services.

(c) A county or group of counties may develop an agreement with the Department of Human Services to reduce their number of commitments of juvenile offenders, excluding minors sentenced based upon a finding of guilt of first degree murder or an offense which is a Class X forcible felony as defined in the Criminal Code of 1961, to the Department of Juvenile Justice, and then use the savings to develop local programming for youth who would otherwise have been committed to the Department of Juvenile Justice. A county or group of counties shall agree to limit their commitments to 75% of the level of commitments from the average number of juvenile commitments for the past 3 years, and will receive the savings to redeploy for local programming for juveniles who would otherwise be held in confinement. For any county or group of counties with a decrease of juvenile commitments of at least 25%, based on the average reductions of the prior 3 years, which are chosen to participate or continue as sites, the Redeploy Illinois Oversight Board has the authority to reduce the required percentage of future commitments to achieve the purpose of this Section. The agreement shall set forth the following:

(1) a Statement of the number and type of juvenile offenders from the county who were held in secure confinement by the Illinois Department of Juvenile Justice or in county detention the previous year, and an explanation of which, and how many, of these offenders might be served through the proposed Redeploy Illinois Program for which the funds shall be used;

New matter indicated in italics - deletions by strikeout
(2) a Statement of the service needs of currently confined juveniles;
(3) a Statement of the type of services and programs to provide for the individual needs of the juvenile offenders, and the research or evidence base that qualifies those services and programs as proven or promising practices;
(4) a budget indicating the costs of each service or program to be funded under the plan;
(5) a summary of contracts and service agreements indicating the treatment goals and number of juvenile offenders to be served by each service provider; and
(6) a Statement indicating that the Redeploy Illinois Program will not duplicate existing services and programs. Funds for this plan shall not supplant existing county funded programs.

In a county with a population exceeding 2,000,000, the Redeploy Illinois Oversight Board may authorize the Department of Human Services to enter into an agreement with that county to reduce the number of commitments by the same percentage as is required by this Section of other counties, and with all of the same requirements of this Act, including reporting and evaluation, except that the agreement may encompass a clearly identifiable geographical subdivision of that county. The geographical subdivision may include, but is not limited to, a police district or group of police districts, a geographical area making up a court calendar or group of court calendars, a municipal district or group of municipal districts, or a municipality or group of municipalities.

(d) (Blank).

(d-5) A county or group of counties that does not have an approved Redeploy Illinois program, as described in subsection (b), and that has committed fewer than 10 Redeploy eligible youth to the Department of Juvenile Justice on average over the previous 3 years, may develop an individualized agreement with the Department of Human Services through the Redeploy Illinois program to provide services to youth to avoid commitment to the Department of Juvenile Justice. The agreement shall set forth the following:

(1) a statement of the number and type of juvenile offenders from the county who were at risk under any of the categories listed above during the 3 previous years, and an explanation of which of these offenders would be served through the proposed Redeploy Illinois program for which the funds shall be used, or through

New matter indicated in italics - deletions by strikeout
individualized contracts with existing Redploy programs in neighboring counties;

(2) a statement of the service needs;

(3) a statement of the type of services and programs to provide for the individual needs of the juvenile offenders, and the research or evidence that qualifies those services and programs as proven or promising practices;

(4) a budget indicating the costs of each service or program to be funded under the plan;

(5) a summary of contracts and service agreements indicating the treatment goals and number of juvenile offenders to be served by each service provider; and

(6) a statement indicating that the Redploy Illinois program will not duplicate existing services and programs. Funds for this plan shall not supplant existing county funded programs.

(e) The Department of Human Services shall be responsible for the following:

(1) Reviewing each Redploy Illinois Program plan for compliance with standards established for such plans. A plan may be approved as submitted, approved with modifications, or rejected. No plan shall be considered for approval if the circuit or county is not in full compliance with all regulations, standards and guidelines pertaining to the delivery of basic probation services as established by the Supreme Court.

(2) Monitoring on a continual basis and evaluating annually both the program and its fiscal activities in all counties receiving an allocation under the Redploy Illinois Program. Any program or service that has not met the goals and objectives of its contract or service agreement shall be subject to denial for funding in subsequent years. The Department of Human Services shall evaluate the effectiveness of the Redploy Illinois Program in each circuit or county. In determining the future funding for the Redploy Illinois Program under this Act, the evaluation shall include, as a primary indicator of success, a decreased number of confinement days for the county's juvenile offenders.

(f) Any Redploy Illinois Program allocations not applied for and approved by the Department of Human Services shall be available for redistribution to approved plans for the remainder of that fiscal year. Any county that invests local moneys in the Redploy Illinois Program shall be
given first consideration for any redistribution of allocations. Jurisdictions participating in Redeploy Illinois that exceed their agreed upon level of commitments to the Department of Juvenile Justice shall reimburse the Department of Corrections for each commitment above the agreed upon level.

(g) Implementation of Redeploy Illinois.
(1) Oversight of Redeploy Illinois.
   (i) Redeploy Illinois Oversight Board. The Department of Human Services shall convene an oversight board to oversee the Redeploy Illinois Program. The Board shall include, but not be limited to, designees from the Department of Juvenile Justice, the Administrative Office of Illinois Courts, the Illinois Juvenile Justice Commission, the Illinois Criminal Justice Information Authority, the Department of Children and Family Services, the State Board of Education, the Cook County State's Attorney, and a State's Attorney selected by the President of the Illinois State's Attorney's Association, the Cook County Public Defender, a representative of the defense bar appointed by the Chief Justice of the Illinois Supreme Court, a representative of probation appointed by the Chief Justice of the Illinois Supreme Court, and judicial representation appointed by the Chief Justice of the Illinois Supreme Court. Up to an additional 9 members may be appointed by the Secretary of Human Services from recommendations by the Oversight Board; these appointees shall possess a knowledge of juvenile justice issues and reflect the collaborative public/private relationship of Redeploy programs.
   (ii) Responsibilities of the Redeploy Illinois Oversight Board. The Oversight Board shall:
       (A) Identify jurisdictions to be included in the program of Redeploy Illinois.
       (B) Develop a formula for reimbursement of local jurisdictions for local and community-based services utilized in lieu of commitment to the Department of Juvenile Justice, as well as for any charges for local jurisdictions for commitments above the agreed upon limit in the approved plan.

New matter indicated in italics - deletions by strikeout
(C) Identify resources sufficient to support the administration and evaluation of Redeploy Illinois.

(D) Develop a process and identify resources to support on-going monitoring and evaluation of Redeploy Illinois.

(E) Develop a process and identify resources to support training on Redeploy Illinois.

(E-5) Review proposed individualized agreements and approve where appropriate the distribution of resources.

(F) Report to the Governor and the General Assembly on an annual basis on the progress of Redeploy Illinois.

(iii) Length of Planning Phase. The planning phase may last up to, but may in no event last longer than, July 1, 2004.

(2) (Blank).

(3) There shall be created the Redeploy County Review Committee composed of the designees of the Secretary of Human Services and the Directors of Juvenile Justice, of Children and Family Services, and of the Governor's Office of Management and Budget who shall constitute a subcommittee of the Redeploy Illinois Oversight Board.

(h) Responsibilities of the County Review Committee. The County Review Committee shall:

(1) Review individualized agreements from counties requesting resources on an occasional basis for services for youth described in subsection (d-5).

(2) Report its decisions to the Redeploy Illinois Oversight Board at regularly scheduled meetings.

(3) Monitor the effectiveness of the resources in meeting the mandates of the Redeploy Illinois program set forth in this Section so these results might be included in the Report described in clause (g)(1)(ii)(F).

(4) During the third quarter, assess the amount of remaining funds available and necessary to complete the fiscal year so that any unused funds may be distributed as defined in subsection (f).
(5) Ensure that the number of youth from any applicant county receiving individualized resources will not exceed the previous three-year average of Redeploy eligible recipients and that counties are in conformity with all other elements of this law.

(i) Implementation of this Section is subject to appropriation.

(j) Rulemaking authority to implement this amendatory Act of the 95th General Assembly, if any, is conditioned on the rules being adopted in accordance with all provisions of and procedures and rules implementing the Illinois Administrative Procedure Act; any purported rule not so adopted, for whatever reason, is unauthorized.

investigation of the conduct of a law enforcement officer, an independent agency or its staff created by ordinance and charged by a unit of local government with the duty of investigating the conduct of law enforcement officers. For purposes of this Section, "criminal street gang" has the meaning ascribed to it in Section 10 of the Illinois Streetgang Terrorism Omnibus Prevention Act.

(2) Prosecutors, probation officers, social workers, or other individuals assigned by the court to conduct a pre-adjudication or pre-disposition investigation, and individuals responsible for supervising or providing temporary or permanent care and custody for minors pursuant to the order of the juvenile court, when essential to performing their responsibilities.

(B) Any information provided to appropriate school officials whom the school has determined to have a legitimate educational or safety interest by local law enforcement officials about a minor who is the subject of a current police investigation that is directly related to school safety shall consist of oral information only, and not written law enforcement records, and shall be used solely by the appropriate school official or officials to protect the safety of students and employees in the school and aid in the proper rehabilitation of the child. The information derived orally from the local law enforcement officials shall be kept separate from and shall not become a part of the official school record of the child and shall not be a public record. This limitation on the use of information about a minor who is the subject of a current police investigation shall in no way limit the use of this information by prosecutors in pursuing criminal charges arising out of the information disclosed during a police investigation of the minor. For purposes of this paragraph, "investigation" means an official systematic inquiry by a law enforcement agency into actual or suspected criminal activity.

(9) Mental health professionals on behalf of the Illinois Department of Corrections or the Department of Human Services or prosecutors who are evaluating, prosecuting, or investigating a potential or actual petition brought under the Sexually Violent Persons Commitment Act relating to a person who is the subject of juvenile law enforcement records or the respondent to a petition brought under the Sexually Violent Persons Commitment Act who is the subject of the juvenile law enforcement records sought. (B) (1) Except as provided in paragraph (2), no law enforcement officer or other person or agency may knowingly transmit to the Department of Corrections or the Department of State Police or to the Federal Bureau of Investigation any fingerprint or photograph relating to a minor who has been arrested or taken into custody before his or her 18th birthday, unless the court in proceedings under this Act authorizes the transmission or enters an order under Section 5-805 permitting or requiring the institution of criminal proceedings.

(2) Law enforcement officers or other persons or agencies shall transmit to the Department of State Police copies of fingerprints and descriptions of all minors who have been arrested or taken into custody before their 18th birthday for the offense of unlawful use of weapons under Article 24 of the Criminal Code of 1961 or the Criminal Code of 2012, a Class X or Class 1 felony, a forcible felony as defined in Section 2-8 of the Criminal Code of 1961 or the Criminal Code of 2012, or a Class 2 or greater felony under the Cannabis Control Act, the Illinois Controlled Substances Act, the Methamphetamine Control and Community Protection Act, or Chapter 4 of the Illinois Vehicle Code, pursuant to Section 5 of the Criminal Identification Act. Nothing in this Act prohibits a law enforcement agency from fingerprinting a minor taken into custody or arrested before his or her 18th birthday for an offense other than those listed in this paragraph (2).

(C) The records of law enforcement officers, or of an independent agency created by ordinance and charged by a unit of local government with the duty of investigating the conduct of law enforcement officers, concerning all minors under 18 years of age must be maintained separate from the records of arrests and may not be open to public

For purposes of obtaining documents pursuant to this Section, a civil subpoena is not an order of the court.

(1) In cases where the law enforcement, or independent agency, records concern a pending juvenile court case, the party seeking to inspect the records shall provide actual notice to the attorney or guardian ad litem of the minor whose records are sought.

(2) In cases where the records concern a juvenile court case that is no longer pending, the party seeking to inspect the records shall provide actual notice to the minor or the minor's parent or legal guardian, and the matter shall be referred to the chief judge presiding over matters pursuant to this Act.

(3) In determining whether the records should be available for inspection, the court shall consider the minor's interest in confidentiality and rehabilitation over the moving party's interest in obtaining the information. Any records obtained in violation of this subsection (C) shall not be admissible in any criminal or civil proceeding, or operate to disqualify a minor from subsequently holding public office or securing employment, or operate as a forfeiture of any public benefit, right, privilege, or right to receive any license granted by public authority.

(D) Nothing contained in subsection (C) of this Section shall prohibit the inspection or disclosure to victims and witnesses of photographs contained in the records of law enforcement agencies when the inspection and disclosure is conducted in the presence of a law enforcement officer for the purpose of the identification or apprehension of any person subject to the provisions of this Act or for the investigation or prosecution of any crime.

(E) Law enforcement officers, and personnel of an independent agency created by ordinance and charged by a unit of local government with the duty of investigating the conduct of law enforcement officers, may not disclose the identity of any minor in releasing information to the general public as to the arrest, investigation or disposition of any case involving a minor.

The information provided under this subsection (F) shall remain confidential and shall not be publicly disclosed, except as otherwise allowed by law.

(G) Nothing in this Section shall prohibit the right of a Civil Service Commission or appointing authority of any state, county or municipality examining the character and fitness of an applicant for employment with a law enforcement agency, correctional institution, or fire department from obtaining and examining the records of any law enforcement agency relating to any record of the applicant having been arrested or taken into custody before the applicant's 18th birthday.

chief executive of the agency that prepared the particular records; provided that publication of such research results in no disclosure of a minor's identity and protects the confidentiality of the record.

(9) The Secretary of State to whom the Clerk of the Court shall report the disposition of all cases, as required in Section 6-204 of the Illinois Vehicle Code. However, information reported relative to these offenses shall be privileged and available only to the Secretary of State, courts, and police officers.

(11) Mental health professionals on behalf of the Illinois Department of Corrections or the Department of Human Services or prosecutors who are evaluating, prosecuting, or investigating a potential or actual petition brought under the Sexually Violent Persons Commitment Act relating to a person who is the subject of juvenile court records or the respondent to a petition brought under the Sexually Violent Persons Commitment Act, who is the subject of juvenile court records sought. Any records and any information obtained from those records under this paragraph (11) may be used only in sexually violent persons commitment proceedings.

(A-1) Findings and exclusions of paternity entered in proceedings occurring under Article II of this Act shall be disclosed, in a manner and form approved by the Presiding Judge of the Juvenile Court, to the Department of Healthcare and Family Services when necessary to discharge the duties of the Department of Healthcare and Family Services under Article X of the Illinois Public Aid Code.

(B) A minor who is the victim in a juvenile proceeding shall be provided the same confidentiality regarding disclosure of identity as the minor who is the subject of record.

(C) Except as otherwise provided in this subsection (C), juvenile court records shall not be made available to the general public but may be inspected by representatives of agencies, associations and news media or other properly interested persons by general or special order of the court presiding over matters pursuant to this Act.

(0.2) In cases where the records concern a juvenile court case that is no longer pending, the party seeking to inspect the juvenile court records shall provide actual notice to the minor or the minor's parent or legal guardian, and the matter shall be referred to the chief judge presiding over matters pursuant to this Act.

(0.3) In determining whether the records should be available for inspection, the court shall consider the minor's interest in confidentiality and rehabilitation over the moving party's interest in obtaining the information. The State's Attorney, the minor, and the minor's parents, guardian, and counsel shall at all times have the right to examine court files and records. For purposes of obtaining documents pursuant to this Section, a civil subpoena is not an order of the court.

(0.4) Any records obtained in violation of this subsection (C) shall not be admissible in any criminal or civil proceeding, or operate to disqualify a minor from subsequently holding public office, or operate as a forfeiture of any public benefit, right, privilege, or right to receive any license granted by public authority.

(1) The court shall allow the general public to have access to the name, address, and offense of a minor who is adjudicated a delinquent minor under this Act under either of the following circumstances:

(A) The adjudication of delinquency was based upon the minor's commission of first degree murder, attempt to commit first degree murder, aggravated criminal sexual assault, or criminal sexual assault; or

(B) The court has made a finding that the minor was at least 13 years of age at the time the act was committed and the adjudication of delinquency was based upon the minor's commission of: (i) an act in furtherance of the commission of a felony as a member of or on behalf of a criminal street gang, (ii) an act involving the use of a firearm in the commission of a felony, (iii) an act that would be a Class X felony offense under or the minor's second or subsequent Class 2 or greater felony offense under the Cannabis Control Act if committed by an adult, (iv) an act that would be a second or subsequent offense

(2) The court shall allow the general public to have access to the name, address, and offense of a minor who is at least 13 years of age at the time the offense is committed and who is convicted, in criminal proceedings permitted or required under Section 5-4, under either of the following circumstances:

(A) The minor has been convicted of first degree murder, attempt to commit first degree murder, aggravated criminal sexual assault, or criminal sexual assault,

(B) The court has made a finding that the minor was at least 13 years of age at the time the offense was committed and the conviction was based upon the minor's commission of: (i) an offense in furtherance of the commission of a felony as a member of or on behalf of a criminal street gang, (ii) an offense involving the use of a firearm in the commission of a felony, (iii) a Class X felony offense under or a second or subsequent Class 2 or greater felony offense under the Cannabis Control Act, (iv) a second or subsequent offense under Section 402 of the Illinois Controlled Substances Act, (v) an offense under Section 401 of the Illinois Controlled Substances Act, (vi) an act that would be a second or subsequent offense under Section 60 of the Methamphetamine Control and Community Protection Act, or (vii) an act that would be an offense under another Section of the Methamphetamine Control and Community Protection Act.

juvenile who is the subject of the adjudication, notwithstanding any other provision of this Act, shall be treated as an adult for the purpose of affording such rights to the victim.

(E) Nothing in this Section shall affect the right of a Civil Service Commission or appointing authority of any state, county or municipality examining the character and fitness of an applicant for employment with a law enforcement agency, correctional institution, or fire department to ascertain whether that applicant was ever adjudicated to be a delinquent minor and, if so, to examine the records of disposition or evidence which were made in proceedings under this Act.

(F) Following any adjudication of delinquency for a crime which would be a felony if committed by an adult, or following any adjudication of delinquency for a violation of Section 24-1, 24-3, 24-3.1, or 24-5 of the Criminal Code of 1961 or the Criminal Code of 2012, the State's Attorney shall ascertain whether the minor respondent is enrolled in school and, if so, shall provide a copy of the dispositional order to the principal or chief administrative officer of the school. Sec. 1-9. Expungement of law enforcement and juvenile court records.

(1) Expungement of law enforcement and juvenile court delinquency records shall be governed by Section 5-915.

(2) This subsection (2) applies to expungement of law enforcement and juvenile court records other than delinquency proceedings. Whenever any person has attained the age of 18 or whenever all juvenile court proceedings relating to that person have been terminated, whichever is later, the person may petition the court to expunge law enforcement records relating to incidents occurring before his 18th birthday or his juvenile court records, or both, if the minor was placed under supervision pursuant to Sections 2-20, 3-21, or 4-18, and such order of supervision has since been successfully terminated.

(3) The chief judge of the circuit in which an arrest was made or a charge was brought or any judge of that circuit designated by the chief judge may, upon verified petition of a person who is the subject of an arrest or a juvenile court proceeding pursuant to subsection (2) of this Section, order the law enforcement records or juvenile court records, or both, to be expunged from the official records of the arresting authority and the clerk of the circuit court. Notice of the petition shall be served upon the State's Attorney and upon the arresting authority which is the subject of the petition for expungement.

Sec. 2-10. Temporary custody hearing. At the appearance of the minor before the court at the temporary custody hearing, all witnesses present shall be examined before the court in relation to any matter connected with the allegations made in the petition.

New matter indicated in italics - deletions by strikeout
(1) If the court finds that there is not probable cause to believe that the minor is abused, neglected or dependent it shall release the minor and dismiss the petition.

(2) If the court finds that there is probable cause to believe that the minor is abused, neglected or dependent, the court shall state in writing the factual basis supporting its finding and the minor, his or her parent, guardian, custodian and other persons able to give relevant testimony shall be examined before the court. The Department of Children and Family Services shall give testimony concerning indicated reports of abuse and neglect, of which they are aware of through the central registry, involving the minor's parent, guardian or custodian. After such testimony, the court may, consistent with the health, safety and best interests of the minor, enter an order that the minor shall be released upon the request of parent, guardian or custodian if the parent, guardian or custodian appears to take custody. If it is determined that a parent's, guardian's, or custodian's compliance with critical services mitigates the necessity for removal of the minor from his or her home, the court may enter an Order of Protection setting forth reasonable conditions of behavior that a parent, guardian, or custodian must observe for a specified period of time, not to exceed 12 months, without a violation; provided, however, that the 12-month period shall begin anew after any violation. Custodian shall include any agency of the State which has been given custody or wardship of the child. If it is consistent with the health, safety and best interests of the minor, the court may also prescribe shelter care and order that the minor be kept in a suitable place designated by the court or in a shelter care facility designated by the Department of Children and Family Services or a licensed child welfare agency; however, a minor charged with a criminal offense under the Criminal Code of 1961 or the Criminal Code of 2012 or adjudicated delinquent shall not be placed in the custody of or committed to the Department of Children and Family Services by any court, except a minor less than 15 years of age and committed to the Department of Children and Family Services under Section 5-710 of this Act or a minor for whom an independent basis of abuse, neglect, or dependency exists. An independent basis exists when the allegations or adjudication of abuse, neglect, or dependency do not arise from the same facts, incident, or circumstances which give rise to a charge or adjudication of delinquency.

In placing the minor, the Department or other agency shall, to the extent compatible with the court's order, comply with Section 7 of the Children and Family Services Act. In determining the health, safety and

New matter indicated in italics - deletions by strikeout
best interests of the minor to prescribe shelter care, the court must find that it is a matter of immediate and urgent necessity for the safety and protection of the minor or of the person or property of another that the minor be placed in a shelter care facility or that he or she is likely to flee the jurisdiction of the court, and must further find that reasonable efforts have been made or that, consistent with the health, safety and best interests of the minor, no efforts reasonably can be made to prevent or eliminate the necessity of removal of the minor from his or her home. The court shall require documentation from the Department of Children and Family Services as to the reasonable efforts that were made to prevent or eliminate the necessity of removal of the minor from his or her home or the reasons why no efforts reasonably could be made to prevent or eliminate the necessity of removal. When a minor is placed in the home of a relative, the Department of Children and Family Services shall complete a preliminary background review of the members of the minor's custodian's household in accordance with Section 4.3 of the Child Care Act of 1969 within 90 days of that placement. If the minor is ordered placed in a shelter care facility of the Department of Children and Family Services or a licensed child welfare agency, the court shall, upon request of the appropriate Department or other agency, appoint the Department of Children and Family Services Guardianship Administrator or other appropriate agency executive temporary custodian of the minor and the court may enter such other orders related to the temporary custody as it deems fit and proper, including the provision of services to the minor or his family to ameliorate the causes contributing to the finding of probable cause or to the finding of the existence of immediate and urgent necessity.

Where the Department of Children and Family Services Guardianship Administrator is appointed as the executive temporary custodian, the Department of Children and Family Services shall file with the court and serve on the parties a parent-child visiting plan, within 10 days, excluding weekends and holidays, after the appointment. The parent-child visiting plan shall set out the time and place of visits, the frequency of visits, the length of visits, who shall be present at the visits, and where appropriate, the minor's opportunities to have telephone and mail communication with the parents.

Where the Department of Children and Family Services Guardianship Administrator is appointed as the executive temporary custodian, and when the child has siblings in care, the Department of Children and Family Services shall file with the court and serve on the
parties a sibling placement and contact plan within 10 days, excluding weekends and holidays, after the appointment. The sibling placement and contact plan shall set forth whether the siblings are placed together, and if they are not placed together, what, if any, efforts are being made to place them together. If the Department has determined that it is not in a child's best interest to be placed with a sibling, the Department shall document in the sibling placement and contact plan the basis for its determination. For siblings placed separately, the sibling placement and contact plan shall set the time and place for visits, the frequency of the visits, the length of visits, who shall be present for the visits, and where appropriate, the child's opportunities to have contact with their siblings in addition to in person contact. If the Department determines it is not in the best interest of a sibling to have contact with a sibling, the Department shall document in the sibling placement and contact plan the basis for its determination. The sibling placement and contact plan shall specify a date for development of the Sibling Contact Support Plan, under subsection (f) of Section 7.4 of the Children and Family Services Act, and shall remain in effect until the Sibling Contact Support Plan is developed.

For good cause, the court may waive the requirement to file the parent-child visiting plan or the sibling placement and contact plan, or extend the time for filing either plan. Any party may, by motion, request the court to review the parent-child visiting plan to determine whether it is reasonably calculated to expeditiously facilitate the achievement of the permanency goal. A party may, by motion, request the court to review the parent-child visiting plan or the sibling placement and contact plan to determine whether it is consistent with the minor's best interest. The court may refer the parties to mediation where available. The frequency, duration, and locations of visitation shall be measured by the needs of the child and family, and not by the convenience of Department personnel. Child development principles shall be considered by the court in its analysis of how frequent visitation should be, how long it should last, where it should take place, and who should be present. If upon motion of the party to review either plan and after receiving evidence, the court determines that the parent-child visiting plan is not reasonably calculated to expeditiously facilitate the achievement of the permanency goal or that the restrictions placed on parent-child contact or sibling placement or contact are contrary to the child's best interests, the court shall put in writing the factual basis supporting the determination and enter specific findings based on the evidence. The court shall enter an order for the

New matter indicated in italics - deletions by strikeout
Department to implement changes to the parent-child visiting plan or sibling placement or contact plan, consistent with the court's findings. At any stage of proceeding, any party may by motion request the court to enter any orders necessary to implement the parent-child visiting plan, sibling placement or contact plan or subsequently developed Sibling Contact Support Plan. Nothing under this subsection (2) shall restrict the court from granting discretionary authority to the Department to increase opportunities for additional parent-child contacts or sibling contacts, without further court orders. Nothing in this subsection (2) shall restrict the Department from immediately restricting or terminating parent-child contact or sibling contacts, without either amending the parent-child visiting plan or the sibling contact plan or obtaining a court order, where the Department or its assigns reasonably believe that continuation of the contact, as set out in the plan, would be contrary to the child's health, safety, and welfare. The Department shall file with the court and serve on the parties any amendments to the plan within 10 days, excluding weekends and holidays, of the change of the visitation.

Acceptance of services shall not be considered an admission of any allegation in a petition made pursuant to this Act, nor may a referral of services be considered as evidence in any proceeding pursuant to this Act, except where the issue is whether the Department has made reasonable efforts to reunite the family. In making its findings that it is consistent with the health, safety and best interests of the minor to prescribe shelter care, the court shall state in writing (i) the factual basis supporting its findings concerning the immediate and urgent necessity for the protection of the minor or of the person or property of another and (ii) the factual basis supporting its findings that reasonable efforts were made to prevent or eliminate the removal of the minor from his or her home or that no efforts reasonably could be made to prevent or eliminate the removal of the minor from his or her home. The parents, guardian, custodian, temporary custodian and minor shall each be furnished a copy of such written findings. The temporary custodian shall maintain a copy of the court order and written findings in the case record for the child. The order together with the court's findings of fact in support thereof shall be entered of record in the court.

Once the court finds that it is a matter of immediate and urgent necessity for the protection of the minor that the minor be placed in a shelter care facility, the minor shall not be returned to the parent, custodian
or guardian until the court finds that such placement is no longer necessary for the protection of the minor.

If the child is placed in the temporary custody of the Department of Children and Family Services for his or her protection, the court shall admonish the parents, guardian, custodian or responsible relative that the parents must cooperate with the Department of Children and Family Services, comply with the terms of the service plans, and correct the conditions which require the child to be in care, or risk termination of their parental rights.

(3) If prior to the shelter care hearing for a minor described in Sections 2-3, 2-4, 3-3 and 4-3 the moving party is unable to serve notice on the party respondent, the shelter care hearing may proceed ex-parte. A shelter care order from an ex-parte hearing shall be endorsed with the date and hour of issuance and shall be filed with the clerk's office and entered of record. The order shall expire after 10 days from the time it is issued unless before its expiration it is renewed, at a hearing upon appearance of the party respondent, or upon an affidavit of the moving party as to all diligent efforts to notify the party respondent by notice as herein prescribed. 3. To present evidence concerning:
   a. Whether or not the child or children were abused, neglected or dependent.

The Notice for rehearings shall be substantially as follows:

NOTICE OF PARENT'S AND CHILDREN'S RIGHTS TO REHEARING ON TEMPORARY CUSTODY

If you were not present at and did not have adequate notice of the Shelter Care Hearing at which temporary custody of ............... was awarded to ................., you have the right to request a full rehearing on whether the State should have temporary custody of ............... To request this rehearing, you must file with the Clerk of the Juvenile Court (address): ................., in person or by mailing a statement (affidavit) setting forth the following:

1. That you were not present at the shelter care hearing.
2. That you did not get adequate notice (explaining how the notice was inadequate).
3. Your signature.
4. Signature must be notarized.

New matter indicated in italics - deletions by strikeout
The rehearing should be scheduled within 48 hours of your filing this affidavit.

At the rehearing, your rights are the same as at the initial shelter care hearing. The enclosed notice explains those rights.

At the Shelter Care Hearing, children have the following rights:

1. To have a guardian ad litem appointed.
2. To be declared competent as a witness and to present testimony concerning:
   a. Whether they are abused, neglected or dependent.
   b. Whether there is "immediate and urgent necessity" to be removed from home.
   c. Their best interests.
3. To cross examine witnesses for other parties.
4. To obtain an explanation of any proceedings and orders of the court.

(4) If the parent, guardian, legal custodian, responsible relative, minor age 8 or over, or counsel of the minor did not have actual notice of or was not present at the shelter care hearing, he or she may file an affidavit setting forth these facts, and the clerk shall set the matter for rehearing not later than 48 hours, excluding Sundays and legal holidays, after the filing of the affidavit. At the rehearing, the court shall proceed in the same manner as upon the original hearing.

(5) Only when there is reasonable cause to believe that the minor taken into custody is a person described in subsection (3) of Section 5-105 may the minor be kept or detained in a detention home or county or municipal jail. This Section shall in no way be construed to limit subsection (6).

(6) No minor under 16 years of age may be confined in a jail or place ordinarily used for the confinement of prisoners in a police station. Minors under 18 years of age must be kept separate from confined adults and may not at any time be kept in the same cell, room, or yard with adults confined pursuant to the criminal law.

(7) If the minor is not brought before a judicial officer within the time period as specified in Section 2-9, the minor must immediately be released from custody.

(8) If neither the parent, guardian or custodian appears within 24 hours to take custody of a minor released upon request pursuant to

New matter indicated in italics - deletions by strikeout
subsection (2) of this Section, then the clerk of the court shall set the
matter for rehearing not later than 7 days after the original order and shall
issue a summons directed to the parent, guardian or custodian to appear.
At the same time the probation department shall prepare a report on the
minor. If a parent, guardian or custodian does not appear at such rehearing,
the judge may enter an order prescribing that the minor be kept in a
suitable place designated by the Department of Children and Family
Services or a licensed child welfare agency.

(9) Notwithstanding any other provision of this Section any
interested party, including the State, the temporary custodian, an agency
providing services to the minor or family under a service plan pursuant to
Section 8.2 of the Abused and Neglected Child Reporting Act, foster
parent, or any of their representatives, on notice to all parties entitled to
notice, may file a motion that it is in the best interests of the minor to
modify or vacate a temporary custody order on any of the following
grounds:

(a) It is no longer a matter of immediate and urgent
necessity that the minor remain in shelter care; or

(b) There is a material change in the circumstances of the
natural family from which the minor was removed and the child
can be cared for at home without endangering the child's health or
safety; or

(c) A person not a party to the alleged abuse, neglect or
dependency, including a parent, relative or legal guardian, is
capable of assuming temporary custody of the minor; or

(d) Services provided by the Department of Children and
Family Services or a child welfare agency or other service provider
have been successful in eliminating the need for temporary custody
and the child can be cared for at home without endangering the
child's health or safety.

In ruling on the motion, the court shall determine whether it is
consistent with the health, safety and best interests of the minor to modify
or vacate a temporary custody order.

The clerk shall set the matter for hearing not later than 14 days
after such motion is filed. In the event that the court modifies or vacates a
temporary custody order but does not vacate its finding of probable cause,
the court may order that appropriate services be continued or initiated in
behalf of the minor and his or her family.

(10) When the court finds or has found that there is probable cause to believe a minor is an abused minor as described in subsection (2) of Section 2-3 and that there is an immediate and urgent necessity for the abused minor to be placed in shelter care, immediate and urgent necessity shall be presumed for any other minor residing in the same household as the abused minor provided:

(a) Such other minor is the subject of an abuse or neglect petition pending before the court; and

(b) A party to the petition is seeking shelter care for such other minor.

Once the presumption of immediate and urgent necessity has been raised, the burden of demonstrating the lack of immediate and urgent necessity shall be on any party that is opposing shelter care for the other minor.

The changes made to this Section by this amendatory Act of the 98th General Assembly apply to a minor who has been arrested or taken into custody on or after the effective date of this amendatory Act.

Sec. 3-12. Shelter care hearing. At the appearance of the minor before the court at the shelter care hearing, all witnesses present shall be examined before the court in relation to any matter connected with the allegations made in the petition.

(1) If the court finds that there is not probable cause to believe that the minor is a person requiring authoritative intervention, it shall release the minor and dismiss the petition.

(2) If the court finds that there is probable cause to believe that the minor is a person requiring authoritative intervention, the minor, his or her parent, guardian, custodian and other persons able to give relevant testimony shall be examined before the court. After such testimony, the court may enter an order that the minor shall be released upon the request of a parent, guardian or custodian if the parent, guardian or custodian appears to take custody. Custodian shall include any agency of the State which has been given custody or wardship of the child. The Court shall require documentation by representatives of the Department of Children and Family Services or the probation department as to the reasonable efforts that were made to prevent or eliminate the necessity of removal of the minor from his or her home, and shall consider the testimony of any person as to those reasonable efforts. If the court finds that it is a matter of

immediate and urgent necessity for the protection of the minor or of the person or property of another that the minor be placed in a shelter care facility, or that he or she is likely to flee the jurisdiction of the court, and further finds that reasonable efforts have been made or good cause has been shown why reasonable efforts cannot prevent or eliminate the necessity of removal of the minor from his or her home, the court may prescribe shelter care and order that the minor be kept in a suitable place designated by the court or in a shelter care facility designated by the Department of Children and Family Services or a licensed child welfare agency; otherwise it shall release the minor from custody. If the court prescribes shelter care, then in placing the minor, the Department or other agency shall, to the extent compatible with the court's order, comply with Section 7 of the Children and Family Services Act. If the minor is ordered placed in a shelter care facility of the Department of Children and Family Services or a licensed child welfare agency, the court shall, upon request of the Department or other agency, appoint the Department of Children and Family Services Guardianship Administrator or other appropriate agency executive temporary custodian of the minor and the court may enter such other orders related to the temporary custody as it deems fit and proper, including the provision of services to the minor or his family to ameliorate the causes contributing to the finding of probable cause or to the finding of the existence of immediate and urgent necessity. Acceptance of services shall not be considered an admission of any allegation in a petition made pursuant to this Act, nor may a referral of services be considered as evidence in any proceeding pursuant to this Act, except where the issue is whether the Department has made reasonable efforts to reunite the family. In making its findings that reasonable efforts have been made or that good cause has been shown why reasonable efforts cannot prevent or eliminate the necessity of removal of the minor from his or her home, the court shall state in writing its findings concerning the nature of the services that were offered or the efforts that were made to prevent removal of the child and the apparent reasons that such services or efforts could not prevent the need for removal. The parents, guardian, custodian, temporary custodian and minor shall each be furnished a copy of such written findings. The temporary custodian shall maintain a copy of the court order and written findings in the case record for the child.

The order together with the court's findings of fact and support thereof shall be entered of record in the court.

New matter indicated in italics - deletions by strikeout
Once the court finds that it is a matter of immediate and urgent necessity for the protection of the minor that the minor be placed in a shelter care facility, the minor shall not be returned to the parent, custodian or guardian until the court finds that such placement is no longer necessary for the protection of the minor.

(3) If prior to the shelter care hearing for a minor described in Sections 2-3, 2-4, 3-3 and 4-3 the petitioner is unable to serve notice on the party respondent, the shelter care hearing may proceed ex-parte. A shelter care order from an ex-parte hearing shall be endorsed with the date and hour of issuance and shall be filed with the clerk's office and entered of record. The order shall expire after 10 days from the time it is issued unless before its expiration it is renewed, at a hearing upon appearance of the party respondent, or upon an affidavit of the moving party as to all diligent efforts to notify the party respondent by notice as herein prescribed. The notice prescribed shall be in writing and shall be personally delivered to the minor or the minor's attorney and to the last known address of the other person or persons entitled to notice. Proceedings may be instituted under the provisions of this Article concerning any minor who prior to the minor's 17th birthday has violated or attempted to violate, regardless of where the act occurred, any federal or State law or municipal or county ordinance, and any minor who prior to his or her 18th birthday has violated or attempted to violate, regardless of where the act occurred, any federal, State, county or municipal law or ordinance classified as a misdemeanor offense. If before trial or plea, an information or indictment is filed that includes one or more charges under the criminal laws of this State and additional charges that are classified as misdemeanors that are subject to proceedings under this Act, all of the charges arising out of the same incident shall be prosecuted under the criminal laws of this State. If after trial or plea the court finds that the minor committed an offense that is solely classified as a misdemeanor, the court must proceed under Section 5-705 and 5-710 of this Act. Except as provided in Sections 5-125, 5-130, 5-805, and 5-810 of this Article, no minor who was under 18 years of age at the time of the alleged offense may be prosecuted under the criminal laws of this State.

*The changes made to this Section by this amendatory Act of the 98th General Assembly apply to violations or attempted violations committed on or after the effective date of this amendatory Act.*

Sec. 5-130. Excluded jurisdiction.
(1) (a) The definition of delinquent minor under Section 5-120 of this Article shall not apply to any minor who at the time of an offense was at least 15 years of age and who is charged with: (i) first degree murder, (ii) aggravated criminal sexual assault, (iii) aggravated battery with a firearm as described in Section 12-4.2 or subdivision (e)(1), (e)(2), (e)(3), or (e)(4) of Section 12-3.05 where the minor personally discharged a firearm as defined in Section 2-15.5 of the Criminal Code of 1961 or the Criminal Code of 2012, (iv) armed robbery when the armed robbery was committed with a firearm, or (v) aggravated vehicular hijacking when the hijacking was committed with a firearm.

These charges and all other charges arising out of the same incident shall be prosecuted under the criminal laws of this State.

(b) (i) If before trial or plea an information or indictment is filed that does not charge an offense specified in paragraph (a) of this subsection (1) the State's Attorney may proceed on any lesser charge or charges, but only in Juvenile Court under the provisions of this Article. The State's Attorney may proceed on a lesser charge if before trial the minor defendant knowingly and with advice of counsel waives, in writing, his or her right to have the matter proceed in Juvenile Court.

(ii) If before trial or plea an information or indictment is filed that includes one or more charges specified in paragraph (a) of this subsection (1) and additional charges that are not specified in that paragraph, all of the charges arising out of the same incident shall be prosecuted under the Criminal Code of 1961 or the Criminal Code of 2012.

(c) (i) If after trial or plea the minor is convicted of any offense covered by paragraph (a) of this subsection (1), then, in sentencing the minor, the court shall have available any or all dispositions prescribed for that offense under Chapter V of the Unified Code of Corrections.

(ii) If after trial or plea the court finds that the minor committed an offense not covered by paragraph (a) of this subsection (1), that finding shall not invalidate the verdict or the prosecution of the minor under the criminal laws of the State; however, unless the State requests a hearing for the purpose of sentencing the minor under Chapter V of the Unified Code of Corrections, the Court must proceed under Sections 5-705 and 5-710 of this Article. To request a hearing, the State must file a written motion within 10 days following the entry of a finding or the return of a verdict.
Reasonable notice of the motion shall be given to the minor or his or her counsel. If the motion is made by the State, the court shall conduct a hearing to determine if the minor should be sentenced under Chapter V of the Unified Code of Corrections. In making its determination, the court shall consider among other matters: (a) whether there is evidence that the offense was committed in an aggressive and premeditated manner; (b) the age of the minor; (c) the previous history of the minor; (d) whether there are facilities particularly available to the Juvenile Court or the Department of Juvenile Justice for the treatment and rehabilitation of the minor; (e) whether the security of the public requires sentencing under Chapter V of the Unified Code of Corrections; and (f) whether the minor possessed a deadly weapon when committing the offense. The rules of evidence shall be the same as if at trial. If after the hearing the court finds that the minor should be sentenced under Chapter V of the Unified Code of Corrections, then the court shall sentence the minor accordingly having available to it any or all dispositions so prescribed.

(2) (Blank).

(3) (a) The definition of delinquent minor under Section 5-120 of this Article shall not apply to any minor who at the time of the offense was at least 15 years of age and who is charged with a violation of the provisions of paragraph (1), (3), (4), or (10) of subsection (a) of Section 24-1 of the Criminal Code of 1961 or the Criminal Code of 2012 while in school, regardless of the time of day or the time of year, or on the real property comprising any school, regardless of the time of day or the time of year. School is defined, for purposes of this Section as any public or private elementary or secondary school, community college, college, or university. These charges and all other charges arising out of the same incident shall be prosecuted under the criminal laws of this State.

(b) (i) If before trial or plea an information or indictment is filed that does not charge an offense specified in paragraph (a) of this subsection (3) the State's Attorney may proceed on any lesser charge or charges, but only in Juvenile Court under the provisions of this Article. The State's Attorney may proceed under the criminal laws of this State on a lesser charge if before trial the minor defendant knowingly and with advice of counsel waives, in writing, his or her right to have the matter proceed in Juvenile Court.

the charges arising out of the same incident shall be prosecuted under the
criminal laws of this State.

(c) (i) If after trial or plea the minor is convicted of any offense
covered by paragraph (a) of this subsection (3), then, in sentencing the
minor, the court shall have available any or all dispositions prescribed for
that offense under Chapter V of the Unified Code of Corrections.

(ii) If after trial or plea the court finds that the minor committed an
offense not covered by paragraph (a) of this subsection (3), that finding
shall not invalidate the verdict or the prosecution of the minor under the
criminal laws of the State; however, unless the State requests a hearing for
the purpose of sentencing the minor under Chapter V of the Unified Code
of Corrections, the Court must proceed under Sections 5-705 and 5-710 of
this Article. To request a hearing, the State must file a written motion
within 10 days following the entry of a finding or the return of a verdict.
Reasonable notice of the motion shall be given to the minor or his or her
ounsel. If the motion is made by the State, the court shall conduct a
hearing to determine if the minor should be sentenced under Chapter V of
the Unified Code of Corrections. In making its determination, the court
shall consider among other matters: (a) whether there is evidence that the
offense was committed in an aggressive and premeditated manner; (b) the
age of the minor; (c) the previous history of the minor; (d) whether there
are facilities particularly available to the Juvenile Court or the Department
of Juvenile Justice for the treatment and rehabilitation of the minor; (e)
whether the security of the public requires sentencing under Chapter V of
the Unified Code of Corrections; and (f) whether the minor possessed a
deadly weapon when committing the offense. The rules of evidence shall
be the same as if at trial. If after the hearing the court finds that the minor
should be sentenced under Chapter V of the Unified Code of Corrections,
then the court shall sentence the minor accordingly having available to it
any or all dispositions so prescribed.

(4) (a) The definition of delinquent minor under Section 5-120 of
this Article shall not apply to any minor who at the time of an offense was
at least 13 years of age and who is charged with first degree murder
committed during the course of either aggravated criminal sexual assault,
criminal sexual assault, or aggravated kidnaping. However, this subsection
(4) does not include a minor charged with first degree murder based
exclusively upon the accountability provisions of the Criminal Code of
1961 or the Criminal Code of 2012.
(b) (i) If before trial or plea an information or indictment is filed that does not charge first degree murder committed during the course of aggravated criminal sexual assault, criminal sexual assault, or aggravated kidnapping, the State's Attorney may proceed on any lesser charge or charges, but only in Juvenile Court under the provisions of this Article. The State's Attorney may proceed under the criminal laws of this State on a lesser charge if before trial the minor defendant knowingly and with advice of counsel waives, in writing, his or her right to have the matter proceed in Juvenile Court.

(ii) If before trial or plea an information or indictment is filed that includes first degree murder committed during the course of aggravated criminal sexual assault, criminal sexual assault, or aggravated kidnapping, and additional charges that are not specified in paragraph (a) of this subsection, all of the charges arising out of the same incident shall be prosecuted under the criminal laws of this State.

(c) (i) If after trial or plea the minor is convicted of first degree murder committed during the course of aggravated criminal sexual assault, criminal sexual assault, or aggravated kidnapping, in sentencing the minor, the court shall have available any or all dispositions prescribed for that offense under Chapter V of the Unified Code of Corrections.

(ii) If the minor was not yet 15 years of age at the time of the offense, and if after trial or plea the court finds that the minor committed an offense other than first degree murder committed during the course of either aggravated criminal sexual assault, criminal sexual assault, or aggravated kidnapping, the finding shall not invalidate the verdict or the prosecution of the minor under the criminal laws of the State; however, unless the State requests a hearing for the purpose of sentencing the minor under Chapter V of the Unified Code of Corrections, the Court must proceed under Sections 5-705 and 5-710 of this Article. To request a hearing, the State must file a written motion within 10 days following the entry of a finding or the return of a verdict. Reasonable notice of the motion shall be given to the minor or his or her counsel. If the motion is made by the State, the court shall conduct a hearing to determine whether the minor should be sentenced under Chapter V of the Unified Code of Corrections. In making its determination, the court shall consider among other matters: (a) whether there is evidence that the offense was committed in an aggressive and premeditated manner; (b) the age of the minor; (c) the previous delinquent history of the minor; (d) whether there are facilities particularly available to the Juvenile Court or the Department

of Juvenile Justice for the treatment and rehabilitation of the minor; (e) whether the best interest of the minor and the security of the public require sentencing under Chapter V of the Unified Code of Corrections; and (f) whether the minor possessed a deadly weapon when committing the offense. The rules of evidence shall be the same as if at trial. If after the hearing the court finds that the minor should be sentenced under Chapter V of the Unified Code of Corrections, then the court shall sentence the minor accordingly having available to it any or all dispositions so prescribed.

(5) (a) The definition of delinquent minor under Section 5-120 of this Article shall not apply to any minor who is charged with a violation of subsection (a) of Section 31-6 or Section 32-10 of the Criminal Code of 1961 or the Criminal Code of 2012 when the minor is subject to prosecution under the criminal laws of this State as a result of the application of the provisions of Section 5-125, or subsection (1) or (2) of this Section. These charges and all other charges arising out of the same incident shall be prosecuted under the criminal laws of this State.

(b) (i) If before trial or plea an information or indictment is filed that does not charge an offense specified in paragraph (a) of this subsection (5), the State's Attorney may proceed on any lesser charge or charges, but only in Juvenile Court under the provisions of this Article. The State's Attorney may proceed under the criminal laws of this State on a lesser charge if before trial the minor defendant knowingly and with advice of counsel waives, in writing, his or her right to have the matter proceed in Juvenile Court.

(ii) If before trial or plea an information or indictment is filed that includes one or more charges specified in paragraph (a) of this subsection (5) and additional charges that are not specified in that paragraph, all of the charges arising out of the same incident shall be prosecuted under the criminal laws of this State.

(c) (i) If after trial or plea the minor is convicted of any offense covered by paragraph (a) of this subsection (5), then, in sentencing the minor, the court shall have available any or all dispositions prescribed for that offense under Chapter V of the Unified Code of Corrections.

(ii) If after trial or plea the court finds that the minor committed an offense not covered by paragraph (a) of this subsection (5), the conviction shall not invalidate the verdict or the prosecution of the minor under the criminal laws of this State; however, unless the State requests a hearing for the purpose of sentencing the minor under Chapter V of the Unified Code
of Corrections, the Court must proceed under Sections 5-705 and 5-710 of this Article. To request a hearing, the State must file a written motion within 10 days following the entry of a finding or the return of a verdict. Reasonable notice of the motion shall be given to the minor or his or her counsel. If the motion is made by the State, the court shall conduct a hearing to determine if whether the minor should be sentenced under Chapter V of the Unified Code of Corrections. In making its determination, the court shall consider among other matters: (a) whether there is evidence that the offense was committed in an aggressive and premeditated manner; (b) the age of the minor; (c) the previous delinquent history of the minor; (d) whether there are facilities particularly available to the Juvenile Court or the Department of Juvenile Justice for the treatment and rehabilitation of the minor; (e) whether the security of the public requires sentencing under Chapter V of the Unified Code of Corrections; and (f) whether the minor possessed a deadly weapon when committing the offense. The rules of evidence shall be the same as if at trial. If after the hearing the court finds that the minor should be sentenced under Chapter V of the Unified Code of Corrections, then the court shall sentence the minor accordingly having available to it any or all dispositions so prescribed.

(6) The definition of delinquent minor under Section 5-120 of this Article shall not apply to any minor who, pursuant to subsection (1) or (3) or Section 5-805 or 5-810, has previously been placed under the jurisdiction of the criminal court and has been convicted of a crime under an adult criminal or penal statute. Such a minor shall be subject to prosecution under the criminal laws of this State.

(7) The procedures set out in this Article for the investigation, arrest and prosecution of juvenile offenders shall not apply to minors who are excluded from jurisdiction of the Juvenile Court, except that minors under 18 years of age shall be kept separate from confined adults.

(8) Nothing in this Act prohibits or limits the prosecution of any minor for an offense committed on or after his or her 18th birthday even though he or she is at the time of the offense a ward of the court.

(9) If an original petition for adjudication of wardship alleges the commission by a minor 13 years of age or over of an act that constitutes a crime under the laws of this State, the minor, with the consent of his or her counsel, may, at any time before commencement of the adjudicatory hearing, file with the court a motion that criminal prosecution be ordered and that the petition be dismissed insofar as the act or acts involved in the

New matter indicated in italics - deletions by strikeout
criminal proceedings are concerned. If such a motion is filed as herein provided, the court shall enter its order accordingly.

(10) If, prior to August 12, 2005 (the effective date of Public Act 94-574), a minor is charged with a violation of Section 401 of the Illinois Controlled Substances Act under the criminal laws of this State, other than a minor charged with a Class X felony violation of the Illinois Controlled Substances Act or the Methamphetamine Control and Community Protection Act, any party including the minor or the court sua sponte may, before trial, move for a hearing for the purpose of trying and sentencing the minor as a delinquent minor. To request a hearing, the party must file a motion prior to trial. Reasonable notice of the motion shall be given to all parties. On its own motion or upon the filing of a motion by one of the parties including the minor, the court shall conduct a hearing to determine whether the minor should be tried and sentenced as a delinquent minor under this Article. In making its determination, the court shall consider among other matters:

(a) The age of the minor;
(b) Any previous delinquent or criminal history of the minor;
(c) Any previous abuse or neglect history of the minor;
(d) Any mental health or educational history of the minor, or both;

and

(e) Whether there is probable cause to support the charge, whether the minor is charged through accountability, and whether there is evidence the minor possessed a deadly weapon or caused serious bodily harm during the offense.

Any material that is relevant and reliable shall be admissible at the hearing. In all cases, the judge shall enter an order permitting prosecution under the criminal laws of Illinois unless the judge makes a finding based on a preponderance of the evidence that the minor would be amenable to the care, treatment, and training programs available through the facilities of the juvenile court based on an evaluation of the factors listed in this subsection (10).

The changes made to this Section by this amendatory Act of the 98th General Assembly apply to a minor who has been arrested or taken into custody on or after the effective date of this amendatory Act.

Sec. 5-401.5. When statements by minor may be used.
(a) In this Section, "custodial interrogation" means any interrogation (i) during which a reasonable person in the subject's position would consider himself or herself to be in custody and (ii) during which a question is asked that is reasonably likely to elicit an incriminating response.

In this Section, "electronic recording" includes motion picture, audiotape, videotape, or digital recording.

In this Section, "place of detention" means a building or a police station that is a place of operation for a municipal police department or county sheriff department or other law enforcement agency at which persons are or may be held in detention in connection with criminal charges against those persons or allegations that those persons are delinquent minors.

(b) An oral, written, or sign language statement of a minor who, at the time of the commission of the offense was under the age of 18 years, made as a result of a custodial interrogation conducted at a police station or other place of detention on or after the effective date of this amendatory Act of the 93rd General Assembly shall be presumed to be inadmissible as evidence against the minor in any criminal proceeding or juvenile court proceeding, for an act that if committed by an adult would be brought under Section 9-1, 9-1.2, 9-2, 9-2.1, 9-3, 9-3.2, or 9-3.3, of the Criminal Code of 1961 or the Criminal Code of 2012, or under clause (d)(1)(F) of Section 11-501 of the Illinois Vehicle Code unless:

(1) an electronic recording is made of the custodial interrogation; and

(2) the recording is substantially accurate and not intentionally altered.

(c) Every electronic recording required under this Section must be preserved until such time as the minor's adjudication for any offense relating to the statement is final and all direct and habeas corpus appeals are exhausted, or the prosecution of such offenses is barred by law.

(d) If the court finds, by a preponderance of the evidence, that the minor was subjected to a custodial interrogation in violation of this Section, then any statements made by the minor during or following that non-recorded custodial interrogation, even if otherwise in compliance with this Section, are presumed to be inadmissible in any criminal proceeding or juvenile court proceeding against the minor except for the purposes of impeachment.

New matter indicated in italics - deletions by strikeout
(e) Nothing in this Section precludes the admission (i) of a statement made by the minor in open court in any criminal proceeding or juvenile court proceeding, before a grand jury, or at a preliminary hearing, (ii) of a statement made during a custodial interrogation that was not recorded as required by this Section because electronic recording was not feasible, (iii) of a voluntary statement, whether or not the result of a custodial interrogation, that has a bearing on the credibility of the accused as a witness, (iv) of a spontaneous statement that is not made in response to a question, (v) of a statement made after questioning that is routinely asked during the processing of the arrest of the suspect, (vi) of a statement made during a custodial interrogation by a suspect who requests, prior to making the statement, to respond to the interrogator's questions only if an electronic recording is not made of the statement, provided that an electronic recording is made of the statement of agreeing to respond to the interrogator's question, only if a recording is not made of the statement, (vii) of a statement made during a custodial interrogation that is conducted out-of-state, (viii) of a statement given at a time when the interrogators are unaware that a death has in fact occurred, or (ix) of any other statement that may be admissible under law. The State shall bear the burden of proving, by a preponderance of the evidence, that one of the exceptions described in this subsection (e) is applicable. Nothing in this Section precludes the admission of a statement, otherwise inadmissible under this Section, that is used only for impeachment and not as substantive evidence.

(f) The presumption of inadmissibility of a statement made by a suspect at a custodial interrogation at a police station or other place of detention may be overcome by a preponderance of the evidence that the statement was voluntarily given and is reliable, based on the totality of the circumstances.

(g) Any electronic recording of any statement made by a minor during a custodial interrogation that is compiled by any law enforcement agency as required by this Section for the purposes of fulfilling the requirements of this Section shall be confidential and exempt from public inspection and copying, as provided under Section 7 of the Freedom of Information Act, and the information shall not be transmitted to anyone except as needed to comply with this Section.

(h) A statement, admission, confession, or incriminating information made by or obtained from a minor related to the instant offense, as part of any behavioral health screening, assessment, evaluation,
or treatment, whether or not court-ordered, shall not be admissible as evidence against the minor on the issue of guilt only in the instant juvenile court proceeding. The provisions of this subsection (h) are in addition to and do not override any existing statutory and constitutional prohibition on the admission into evidence in delinquency proceedings of information obtained during screening, assessment, or treatment.

The changes made to this Section by this amendatory Act of the 98th General Assembly apply to statements of a minor made on or after the effective date of this amendatory Act.

Sec. 5-410. Non-secure custody or detention.

(1) Any minor arrested or taken into custody pursuant to this Act who requires care away from his or her home but who does not require physical restriction shall be given temporary care in a foster family home or other shelter facility designated by the court.

(2) (a) Any minor 10 years of age or older arrested pursuant to this Act where there is probable cause to believe that the minor is a delinquent minor and that (i) secured custody is a matter of immediate and urgent necessity for the protection of the minor or of the person or property of another, (ii) the minor is likely to flee the jurisdiction of the court, or (iii) the minor was taken into custody under a warrant, may be kept or detained in an authorized detention facility. No minor under 12 years of age shall be detained in a county jail or a municipal lockup for more than 6 hours.

(b) The written authorization of the probation officer or detention officer (or other public officer designated by the court in a county having 3,000,000 or more inhabitants) constitutes authority for the superintendent of any juvenile detention home to detain and keep a minor for up to 40 hours, excluding Saturdays, Sundays and court-designated holidays. These records shall be available to the same persons and pursuant to the same conditions as are law enforcement records as provided in Section 5-905.

(b-4) The consultation required by subsection (b-5) shall not be applicable if the probation officer or detention officer (or other public officer designated by the court in a county having 3,000,000 or more inhabitants) utilizes a scorable detention screening instrument, which has been developed with input by the State's Attorney, to determine whether a minor should be detained, however, subsection (b-5) shall still be applicable where no such screening instrument is used or where the probation officer, detention officer (or other public officer designated by
the court in a county having 3,000,000 or more inhabitants) deviates from the screening instrument.

(b-5) Subject to the provisions of subsection (b-4), if a probation officer or detention officer (or other public officer designated by the court in a county having 3,000,000 or more inhabitants) does not intend to detain a minor for an offense which constitutes one of the following offenses he or she shall consult with the State's Attorney's Office prior to the release of the minor: first degree murder, second degree murder, involuntary manslaughter, criminal sexual assault, aggravated criminal sexual assault, aggravated battery with a firearm as described in Section 12-4.2 or subdivision (e)(1), (e)(2), (e)(3), or (e)(4) of Section 12-3.05, aggravated or heinous battery involving permanent disability or disfigurement or great bodily harm, robbery, aggravated robbery, armed robbery, vehicular hijacking, aggravated vehicular hijacking, vehicular invasion, arson, aggravated arson, kidnapping, aggravated kidnapping, home invasion, burglary, or residential burglary.

(c) Except as otherwise provided in paragraph (a), (d), or (e), no minor shall be detained in a county jail or municipal lockup for more than 12 hours, unless the offense is a crime of violence in which case the minor may be detained up to 24 hours. For the purpose of this paragraph, "crime of violence" has the meaning ascribed to it in Section 1-10 of the Alcoholism and Other Drug Abuse and Dependency Act.

(i) The period of detention is deemed to have begun once the minor has been placed in a locked room or cell or handcuffed to a stationary object in a building housing a county jail or municipal lockup. Time spent transporting a minor is not considered to be time in detention or secure custody.

(ii) Any minor so confined shall be under periodic supervision and shall not be permitted to come into or remain in contact with adults in custody in the building.

(iii) Upon placement in secure custody in a jail or lockup, the minor shall be informed of the purpose of the detention, the time it is expected to last and the fact that it cannot exceed the time specified under this Act.

(iv) A log shall be kept which shows the offense which is the basis for the detention, the reasons and circumstances for the decision to detain and the length of time the minor was in detention.
(v) Violation of the time limit on detention in a county jail or municipal lockup shall not, in and of itself, render inadmissible evidence obtained as a result of the violation of this time limit. Minors under 18 years of age shall be kept separate from confined adults and may not at any time be kept in the same cell, room or yard with adults confined pursuant to criminal law. Persons 18 years of age and older who have a petition of delinquency filed against them may be confined in an adult detention facility. In making a determination whether to confine a person 18 years of age or older who has a petition of delinquency filed against the person, these factors, among other matters, shall be considered:

(A) The age of the person;
(B) Any previous delinquent or criminal history of the person;
(C) Any previous abuse or neglect history of the person; and
(D) Any mental health or educational history of the person, or both.

(d) (i) If a minor 12 years of age or older is confined in a county jail in a county with a population below 3,000,000 inhabitants, then the minor's confinement shall be implemented in such a manner that there will be no contact by sight, sound or otherwise between the minor and adult prisoners. Minors 12 years of age or older must be kept separate from confined adults and may not at any time be kept in the same cell, room, or yard with confined adults. This paragraph (d)(i) shall only apply to confinement pending an adjudicatory hearing and shall not exceed 40 hours, excluding Saturdays, Sundays and court designated holidays. To accept or hold minors during this time period, county jails shall comply with all monitoring standards promulgated by the Department of Corrections and training standards approved by the Illinois Law Enforcement Training Standards Board.

(ii) To accept or hold minors, 12 years of age or older, after the time period prescribed in paragraph (d)(i) of this subsection (2) of this Section but not exceeding 7 days including Saturdays, Sundays and holidays pending an adjudicatory hearing, county jails shall comply with all temporary detention standards promulgated by the Department of Corrections and training standards approved by the Illinois Law Enforcement Training Standards Board.

(iii) To accept or hold minors 12 years of age or older, after the time period prescribed in paragraphs (d)(i) and (d)(ii) of this subsection (2) of this Section, county jails shall comply with all programmatic and training standards for juvenile detention homes promulgated by the Department of Corrections.

(e) When a minor who is at least 15 years of age is prosecuted under the criminal laws of this State, the court may enter an order directing that the juvenile be confined in the county jail. However, any juvenile confined in the county jail under this provision shall be separated from adults who are confined in the county jail in such a manner that there will be no contact by sight, sound or otherwise between the juvenile and adult prisoners.

(f) For purposes of appearing in a physical lineup, the minor may be taken to a county jail or municipal lockup under the direct and constant supervision of a juvenile police officer. During such time as is necessary to conduct a lineup, and while supervised by a juvenile police officer, the sight and sound separation provisions shall not apply.

(g) For purposes of processing a minor, the minor may be taken to a County Jail or municipal lockup under the direct and constant supervision of a law enforcement officer or correctional officer. During such time as is necessary to process the minor, and while supervised by a law enforcement officer or correctional officer, the sight and sound separation provisions shall not apply.

(3) If the probation officer or State's Attorney (or such other public officer designated by the court in a county having 3,000,000 or more inhabitants) determines that the minor may be a delinquent minor as described in subsection (3) of Section 5-105, and should be retained in custody but does not require physical restriction, the minor may be placed in non-secure custody for up to 40 hours pending a detention hearing.

(4) Any minor taken into temporary custody, not requiring secure detention, may, however, be detained in the home of his or her parent or guardian subject to such conditions as the court may impose.

The changes made to this Section by this amendatory Act of the 98th General Assembly apply to a minor who has been arrested or taken into custody on or after the effective date of this amendatory Act.

(3) A minor who is the victim or alleged victim in a juvenile proceeding shall be provided the same confidentiality regarding disclosure of identity as the minor who is the subject of record. Information identifying victims and alleged victims of sex offenses, shall not be disclosed or open to public inspection under any circumstances. Nothing in this Section shall prohibit the victim or alleged victim of any sex offense from voluntarily disclosing his or her identity.

(4) Relevant information, reports and records shall be made available to the Department of Juvenile Justice when a juvenile offender has been placed in the custody of the Department of Juvenile Justice.

(5) Except as otherwise provided in this subsection (5), juvenile court records shall not be made available to the general public but may be inspected by representatives of agencies, associations and news media or other properly interested persons by general or special order of the court. The State's Attorney, the minor, his or her parents, guardian and counsel shall at all times have the right to examine court files and records.

(b) The court shall allow the general public to have access to the name, address, and offense of a minor who is at least 13 years of age at the time the offense is committed and who is convicted, in criminal proceedings permitted or required under Section 5-805, under either of the following circumstances:

(i) The minor has been convicted of first degree murder, attempt to commit first degree murder, aggravated criminal sexual assault, or criminal sexual assault,

(ii) The court has made a finding that the minor was at least 13 years of age at the time the offense was committed and the conviction was based upon the minor's commission of: (A) an offense in furtherance of the commission of a felony as a member of or on behalf of a criminal street gang, (B) an offense involving the use of a firearm in the commission of a felony, (C) a Class X felony offense under the Cannabis Control Act or a second or subsequent Class 2 or greater felony offense under the Cannabis Control Act, (D) a second or subsequent offense under Section 402 of the Illinois Controlled Substances Act, (E) an offense under Section 401 of the Illinois Controlled Substances Act, or (F) an offense under the Methamphetamine Control and Community Protection Act.

whether that applicant was ever adjudicated to be a delinquent minor and, if so, to examine the records or evidence which were made in proceedings under this Act.

(8) Following any adjudication of delinquency for a crime which would be a felony if committed by an adult, or following any adjudication of delinquency for a violation of Section 24-1, 24-3, 24-3.1, or 24-5 of the Criminal Code of 1961 or the Criminal Code of 2012, the State's Attorney shall ascertain whether the minor respondent is enrolled in school and, if so, shall provide a copy of the sentencing order to the principal or chief administrative officer of the school. Access to such juvenile records shall be limited to the principal or chief administrative officer of the school and any guidance counselor designated by him or her.

(9) Nothing contained in this Act prevents the sharing or disclosure of information or records relating or pertaining to juveniles subject to the provisions of the Serious Habitual Offender Comprehensive Action Program when that information is used to assist in the early identification and treatment of habitual juvenile offenders.

(11) The Clerk of the Circuit Court shall report to the Department of State Police, in the form and manner required by the Department of State Police, the final disposition of each minor who has been arrested or taken into custody before his or her 18th birthday for those offenses required to be reported under Section 5 of the Criminal Identification Act. Sec. 5-905. Law enforcement records.

New matter indicated in italics - deletions by strikeout
(a) A judge of the circuit court and members of the staff of the court designated by the judge;

(b) Law enforcement officers, probation officers or prosecutors or their staff, or, when necessary for the discharge of its official duties in connection with a particular investigation of the conduct of a law enforcement officer, an independent agency or its staff created by ordinance and charged by a unit of local government with the duty of investigating the conduct of law enforcement officers;

(c) The minor, the minor's parents or legal guardian and their attorneys, but only when the juvenile has been charged with an offense;

(d) Adult and Juvenile Prisoner Review Boards;

(e) Authorized military personnel;

(f) Persons engaged in bona fide research, with the permission of the judge of juvenile court and the chief executive of the agency that prepared the particular recording; provided that publication of such research results in no disclosure of a minor's identity and protects the confidentiality of the record;

(g) Individuals responsible for supervising or providing temporary or permanent care and custody of minors pursuant to orders of the juvenile court or directives from officials of the Department of Children and Family Services or the Department of Human Services who certify in writing that the information will not be disclosed to any other party except as provided under law or order of court;

(h) The appropriate school official only if the agency or officer believes that there is an imminent threat of physical harm to students, school personnel, or others who are present in the school or on school grounds.

(A) Inspection and copying shall be limited to law enforcement records transmitted to the appropriate school official or officials whom the school has determined to have a legitimate educational or safety interest by a local law enforcement agency under a reciprocal reporting system established and maintained between the school district and the local law enforcement agency under Section 10-20.14 of the School Code concerning a minor enrolled

in a school within the school district who has been arrested or taken into custody for any of the following offenses:

(i) any violation of Article 24 of the Criminal Code of 1961 or the Criminal Code of 2012;

(ii) a violation of the Illinois Controlled Substances Act;

(iii) a violation of the Cannabis Control Act;

(iv) a forcible felony as defined in Section 2-8 of the Criminal Code of 1961 or the Criminal Code of 2012;

(v) a violation of the Methamphetamine Control and Community Protection Act;

(vi) a violation of Section 1-2 of the Harassing and Obscene Communications Act;

(vii) a violation of the Hazing Act; or

The information derived from the law enforcement records shall be kept separate from and shall not become a part of the official school record of that child and shall not be a public record. The information shall be used solely by the appropriate school official or officials whom the school has determined to have a legitimate educational or safety interest to aid in the proper rehabilitation of the child and to protect the safety of students and employees in the school. If the designated law enforcement and school officials deem it to be in the best interest of the minor, the student may be referred to in-school or community based social services if those services are available. "Rehabilitation services" may include interventions by school support personnel, evaluation for eligibility for special education, referrals to community-based agencies such as youth services, behavioral healthcare service providers, drug and alcohol prevention or treatment programs, and other interventions as deemed appropriate for the student.
(B) Any information provided to appropriate school officials whom the school has determined to have a legitimate educational or safety interest by local law enforcement officials about a minor who is the subject of a current police investigation that is directly related to school safety shall consist of oral information only, and not written law enforcement records, and shall be used solely by the appropriate school official or officials to protect the safety of students and employees in the school and aid in the proper rehabilitation of the child. The information derived orally from the local law enforcement officials shall be kept separate from and shall not become a part of the official school record of the child and shall not be a public record. This limitation on the use of information about a minor who is the subject of a current police investigation shall in no way limit the use of this information by prosecutors in pursuing criminal charges arising out of the information disclosed during a police investigation of the minor. For purposes of this paragraph, "investigation" means an official systematic inquiry by a law enforcement agency into actual or suspected criminal activity;

(i) The president of a park district. Inspection and copying shall be limited to law enforcement records transmitted to the president of the park district by the Illinois State Police under Section 8-23 of the Park District Code or Section 16a-5 of the Chicago Park District Act concerning a person who is seeking employment with that park district and who has been adjudicated a juvenile delinquent for any of the offenses listed in subsection (c) of Section 8-23 of the Park District Code or subsection (c) of Section 16a-5 of the Chicago Park District Act.

(2) Information identifying victims and alleged victims of sex offenses, shall not be disclosed or open to public inspection under any circumstances. Nothing in this Section shall prohibit the victim or alleged victim of any sex offense from voluntarily disclosing his or her identity.

(2.5) If the minor is a victim of aggravated battery, battery, attempted first degree murder, or other non-sexual violent offense, the identity of the victim may be disclosed to appropriate school officials, for the purpose of preventing foreseeable future violence involving minors, by a local law enforcement agency pursuant to an agreement established

between the school district and a local law enforcement agency subject to the approval by the presiding judge of the juvenile court.

(3) Relevant information, reports and records shall be made available to the Department of Juvenile Justice when a juvenile offender has been placed in the custody of the Department of Juvenile Justice.

(4) Nothing in this Section shall prohibit the inspection or disclosure to victims and witnesses of photographs contained in the records of law enforcement agencies when the inspection or disclosure is conducted in the presence of a law enforcement officer for purposes of identification or apprehension of any person in the course of any criminal investigation or prosecution.

(5) The records of law enforcement officers, or of an independent agency created by ordinance and charged by a unit of local government with the duty of investigating the conduct of law enforcement officers, concerning all minors under 18 years of age must be maintained separate from the records of adults and may not be open to public inspection or their contents disclosed to the public except by order of the court or when the institution of criminal proceedings has been permitted under Section 5-130 or 5-805 or required under Section 5-130 or 5-805 or such a person has been convicted of a crime and is the subject of pre-sentence investigation or when provided by law.

(6) Except as otherwise provided in this subsection (6), law enforcement officers, and personnel of an independent agency created by ordinance and charged by a unit of local government with the duty of investigating the conduct of law enforcement officers, may not disclose the identity of any minor in releasing information to the general public as to the arrest, investigation or disposition of any case involving a minor. Any victim or parent or legal guardian of a victim may petition the court to disclose the name and address of the minor and the minor's parents or legal guardian, or both. Upon a finding by clear and convincing evidence that the disclosure is either necessary for the victim to pursue a civil remedy against the minor or the minor's parents or legal guardian, or both, or to protect the victim's person or property from the minor, then the court may order the disclosure of the information to the victim or to the parent or legal guardian of the victim only for the purpose of the victim pursuing a civil remedy against the minor or the minor's parents or legal guardian, or both, or to protect the victim's person or property from the minor.

(7) Nothing contained in this Section shall prohibit law enforcement agencies when acting in their official capacity from

communicating with each other by letter, memorandum, teletype or intelligence alert bulletin or other means the identity or other relevant information pertaining to a person under 18 years of age. The information provided under this subsection (7) shall remain confidential and shall not be publicly disclosed, except as otherwise allowed by law.

(8) No person shall disclose information under this Section except when acting in his or her official capacity and as provided by law or order of court.

The changes made to this Section by this amendatory Act of the 98th General Assembly apply to law enforcement records of a minor who has been arrested or taken into custody on or after the effective date of this amendatory Act.

Sec. 5-915. Expungement of juvenile law enforcement and court records.

(0.05) For purposes of this Section and Section 5-622:

"Expunge" means to physically destroy the records and to obliterate the minor's name from any official index or public record, or both. Nothing in this Act shall require the physical destruction of the internal office records, files, or databases maintained by a State's Attorney's Office or other prosecutor.

"Law enforcement record" includes but is not limited to records of arrest, station adjustments, fingerprints, probation adjustments, the issuance of a notice to appear, or any other records maintained by a law enforcement agency relating to a minor suspected of committing an offense.

(1) Whenever any person has attained the age of 18 or whenever all juvenile court proceedings relating to that person have been terminated, whichever is later, the person may petition the court to expunge law enforcement records relating to incidents occurring before his or her 18th birthday or his or her juvenile court records, or both, but only in the following circumstances:

(a) the minor was arrested and no petition for delinquency was filed with the clerk of the circuit court; or

(b) the minor was charged with an offense and was found not delinquent of that offense; or

New matter indicated in italics - deletions by strikeout
(c) the minor was placed under supervision pursuant to Section 5-615, and the order of supervision has since been successfully terminated; or

(d) the minor was adjudicated for an offense which would be a Class B misdemeanor, Class C misdemeanor, or a petty or business offense if committed by an adult.

(2) Any person may petition the court to expunge all law enforcement records relating to any incidents occurring before his or her 18th/17th birthday which did not result in proceedings in criminal court and all juvenile court records with respect to any adjudications except those based upon first degree murder and sex offenses which would be felonies if committed by an adult, if the person for whom expungement is sought has had no convictions for any crime since his or her 18th/17th birthday and:

(a) has attained the age of 21 years; or

(b) 5 years have elapsed since all juvenile court proceedings relating to him or her have been terminated or his or her commitment to the Department of Juvenile Justice pursuant to this Act has been terminated;

whichever is later of (a) or (b). Nothing in this Section 5-915 precludes a minor from obtaining expungement under Section 5-622.

(2.5) If a minor is arrested and no petition for delinquency is filed with the clerk of the circuit court as provided in paragraph (a) of subsection (1) at the time the minor is released from custody, the youth officer, if applicable, or other designated person from the arresting agency, shall notify verbally and in writing to the minor or the minor's parents or guardians that if the State's Attorney does not file a petition for delinquency, the minor has a right to petition to have his or her arrest record expunged when the minor attains the age of 18/17 or when all juvenile court proceedings relating to that minor have been terminated and that unless a petition to expunge is filed, the minor shall have an arrest record and shall provide the minor and the minor's parents or guardians with an expungement information packet, including a petition to expunge juvenile records obtained from the clerk of the circuit court.

(2.6) If a minor is charged with an offense and is found not delinquent of that offense; or if a minor is placed under supervision under Section 5-615, and the order of supervision is successfully terminated; or if a minor is adjudicated for an offense that would be a Class B misdemeanor, a Class C misdemeanor, or a business or petty offense if
committed by an adult; or if a minor has incidents occurring before his or her 18th birthday that have not resulted in proceedings in criminal court, or resulted in proceedings in juvenile court, and the adjudications were not based upon first degree murder or sex offenses that would be felonies if committed by an adult; then at the time of sentencing or dismissal of the case, the judge shall inform the delinquent minor of his or her right to petition for expungement as provided by law, and the clerk of the circuit court shall provide an expungement information packet to the delinquent minor, written in plain language, including a petition for expungement, a sample of a completed petition, expungement instructions that shall include information informing the minor that (i) once the case is expunged, it shall be treated as if it never occurred, (ii) he or she may apply to have petition fees waived, (iii) once he or she obtains an expungement, he or she may not be required to disclose that he or she had a juvenile record, and (iv) he or she may file the petition on his or her own or with the assistance of an attorney. The failure of the judge to inform the delinquent minor of his or her right to petition for expungement as provided by law does not create a substantive right, nor is that failure grounds for: (i) a reversal of an adjudication of delinquency, (ii) a new trial; or (iii) an appeal.

(2.7) For counties with a population over 3,000,000, the clerk of the circuit court shall send a "Notification of a Possible Right to Expungement" post card to the minor at the address last received by the clerk of the circuit court on the date that the minor attains the age of 18 based on the birthdate provided to the court by the minor or his or her guardian in cases under paragraphs (b), (c), and (d) of subsection (1); and when the minor attains the age of 21 based on the birthdate provided to the court by the minor or his or her guardian in cases under subsection (2).

(2.8) The petition for expungement for subsection (1) shall be substantially in the following form:

(5) Records which have not been expunged are sealed, and may be obtained only under the provisions of Sections 5-901, 5-905 and 5-915.

(6) Nothing in this Section shall be construed to prohibit the maintenance of information relating to an offense after records or files concerning the offense have been expunged if the information is kept in a manner that does not enable identification of the offender. This information may only be used for statistical and bona fide research purposes.

(7)(a) The State Appellate Defender shall establish, maintain, and carry out, by December 31, 2004, a juvenile expungement program to provide information and assistance to minors eligible to have their juvenile records expunged.

Applications for employment must contain specific language that states that the applicant is not obligated to disclose expunged juvenile records of conviction or arrest. Employers may not ask if an applicant has had a juvenile record expunged. Effective January 1, 2005, the Department of Labor shall develop a link on the Department's website to inform employers that employers may not ask if an applicant had a juvenile record expunged and that application for employment must contain specific language that states that the applicant is not obligated to disclose expunged juvenile records of arrest or conviction.

(b) A person whose juvenile records have been expunged is not entitled to remission of any fines, costs, or other money paid as a consequence of expungement. AN ACT concerning courts.
Be it enacted by the People of the State of Illinois, represented in
the General Assembly:
Section 5. The Juvenile Court Act of 1987 is amended by changing
Section 5-615 as follows:
(705 ILCS 405/5-615)
Sec. 5-615. Continuance under supervision.
(1) The court may enter an order of continuance under supervision
for an offense other than first degree murder, a Class X felony or a forcible
felony:
(a) upon an admission or stipulation by the appropriate
respondent or minor respondent of the facts supporting the petition
and before the court makes a finding of delinquency proceeding to
adjudication, or after hearing the evidence at the trial, and (b) in the
absence of objection made in open court by the minor, his or her
parent, guardian, or legal custodian, the minor's attorney or the
State's Attorney; or -
(b) upon a finding of delinquency and after considering the
circumstances of the offense and the history, character, and
condition of the minor, if the court is of the opinion that:
(i) the minor is not likely to commit further crimes;
(ii) the minor and the public would be best served if
the minor were not to receive a criminal record; and
(iii) in the best interests of justice an order of
continuance under supervision is more appropriate than a
sentence otherwise permitted under this Act.
(2) (Blank). If the minor, his or her parent, guardian, or legal
custodian, the minor's attorney or State's Attorney objects in open court to
any continuance and insists upon proceeding to findings and adjudication;
the court shall so proceed.
(3) Nothing in this Section limits the power of the court to order a
continuance of the hearing for the production of additional evidence or for
any other proper reason.
(4) When a hearing where a minor is alleged to be a delinquent is
continued pursuant to this Section, the period of continuance under
supervision may not exceed 24 months. The court may terminate a

continuance under supervision at any time if warranted by the conduct of the minor and the ends of justice or vacate the finding of delinquency or both.

(b) make a report to and appear in person before any person or agency as directed by the court;
(c) work or pursue a course of study or vocational training;

(l) attend a non-residential program for youth;
(m) contribute to his or her own support at home or in a foster home;
(n) perform some reasonable public or community service;
(o) make restitution to the victim, in the same manner and under the same conditions as provided in subsection (4) of Section 5-710, except that the "sentencing hearing" referred to in that Section shall be the adjudicatory hearing for purposes of this Section;

(p) comply with curfew requirements as designated by the court;

(q) refrain from entering into a designated geographic area except upon terms as the court finds appropriate. The terms may include consideration of the purpose of the entry, the time of day, other persons accompanying the minor, and advance approval by a probation officer;

(r) refrain from having any contact, directly or indirectly, with certain specified persons or particular types of persons, including but not limited to members of street gangs and drug users or dealers;

(r-5) undergo a medical or other procedure to have a tattoo symbolizing allegiance to a street gang removed from his or her body;

(t) comply with any other conditions as may be ordered by the court.

(6) A minor whose case is continued under supervision under subsection (5) shall be given a certificate setting forth the conditions imposed by the court. Those conditions may be reduced, enlarged, or modified by the court on motion of the probation officer or on its own motion, or that of the State's Attorney, or, at the request of the minor after notice and hearing.

(7) If a petition is filed charging a violation of a condition of the continuance under supervision, the court shall conduct a hearing. If the court finds that a condition of supervision has not been fulfilled, the court may proceed to findings, and adjudication, and disposition or adjudication and disposition. The filing of a petition for violation of a condition of the continuance under supervision shall toll the period of continuance under

supervision until the final determination of the charge, and the term of the continuance under supervision shall not run until the hearing and disposition of the petition for violation; provided where the petition alleges conduct that does not constitute a criminal offense, the hearing must be held within 30 days of the filing of the petition unless a delay shall continue the tolling of the period of continuance under supervision for the period of the delay.

(8) When a hearing in which a minor is alleged to be a delinquent for reasons that include a violation of Section 21-1.3 of the Criminal Code of 1961 or the Criminal Code of 2012 is continued under this Section, the court shall, as a condition of the continuance under supervision, require the minor to perform community service for not less than 30 and not more than 120 hours, if community service is available in the jurisdiction. The community service shall include, but need not be limited to, the cleanup and repair of the damage that was caused by the alleged violation or similar damage to property located in the municipality or county in which the alleged violation occurred. The condition may be in addition to any other condition.

(8.5) When a hearing in which a minor is alleged to be a delinquent for reasons that include a violation of Section 3.02 or Section 3.03 of the Humane Care for Animals Act or paragraph (d) of subsection (1) of Section 21-1 of the Criminal Code of 1961 or paragraph (4) of subsection (a) of Section 21-1 or the Criminal Code of 2012 is continued under this Section, the court shall, as a condition of the continuance under supervision, require the minor to undergo medical or psychiatric treatment rendered by a psychiatrist or psychological treatment rendered by a clinical psychologist. The condition may be in addition to any other condition.

(9) When a hearing in which a minor is alleged to be a delinquent is continued under this Section, the court, before continuing the case, shall make a finding whether the offense alleged to have been committed either: (i) was related to or in furtherance of the activities of an organized gang or was motivated by the minor's membership in or allegiance to an organized gang, or (ii) is a violation of paragraph (13) of subsection (a) of Section 12-2 or paragraph (2) of subsection (c) of Section 12-2 of the Criminal Code of 1961 or the Criminal Code of 2012, a violation of any Section of Article 24 of the Criminal Code of 1961 or the Criminal Code of 2012, or a violation of any statute that involved the unlawful use of a firearm. If the court determines the question in the affirmative the court shall, as a condition of the continuance under supervision and as part of or in
addition to any other condition of the supervision, require the minor to perform community service for not less than 30 hours, provided that community service is available in the jurisdiction and is funded and approved by the county board of the county where the offense was committed. The community service shall include, but need not be limited to, the cleanup and repair of any damage caused by an alleged violation of Section 21-1.3 of the Criminal Code of 1961 or the Criminal Code of 2012 and similar damage to property located in the municipality or county in which the alleged violation occurred. When possible and reasonable, the community service shall be performed in the minor's neighborhood. For the purposes of this Section, "organized gang" has the meaning ascribed to it in Section 10 of the Illinois Streetgang Terrorism Omnibus Prevention Act.

(10) The court shall impose upon a minor placed on supervision, as a condition of the supervision, a fee of $50 for each month of supervision ordered by the court, unless after determining the inability of the minor placed on supervision to pay the fee, the court assesses a lesser amount. The court may not impose the fee on a minor who is made a ward of the State under this Act while the minor is in placement. The fee shall be imposed only upon a minor who is actively supervised by the probation and court services department. A court may order the parent, guardian, or legal custodian of the minor to pay some or all of the fee on the minor's behalf.

(11) If a minor is placed on supervision for a violation of subsection (a-7) of Section 1 of the Prevention of Tobacco Use by Minors Act, the court may, in its discretion, and upon recommendation by the State's Attorney, order that minor and his or her parents or legal guardian to attend a smoker's education or youth diversion program as defined in that Act if that program is available in the jurisdiction where the offender resides. Attendance at a smoker's education or youth diversion program shall be time-credited against any community service time imposed for any first violation of subsection (a-7) of Section 1 of that Act. In addition to any other penalty that the court may impose for a violation of subsection (a-7) of Section 1 of that Act, the court, upon request by the State's Attorney, may in its discretion require the offender to remit a fee for his or her attendance at a smoker's education or youth diversion program.

For purposes of this Section, "smoker's education program" or "youth diversion program" includes, but is not limited to, a seminar designed to educate a person on the physical and psychological effects of
smoking tobacco products and the health consequences of smoking tobacco products that can be conducted with a locality's youth diversion program.

In addition to any other penalty that the court may impose under this subsection (11):

(a) If a minor violates subsection (a-7) of Section 1 of the Prevention of Tobacco Use by Minors Act, the court may impose a sentence of 15 hours of community service or a fine of $25 for a first violation.

(b) A second violation by a minor of subsection (a-7) of Section 1 of that Act that occurs within 12 months after the first violation is punishable by a fine of $50 and 25 hours of community service.

(c) A third or subsequent violation by a minor of subsection (a-7) of Section 1 of that Act that occurs within 12 months after the first violation is punishable by a $100 fine and 30 hours of community service.

(d) Any second or subsequent violation not within the 12-month time period after the first violation is punishable as provided for a first violation.

Section 160. The Code of Criminal Procedure of 1963 is amended by changing Section 112A-14 as follows:

   (725 ILCS 5/112A-14) (from Ch. 38, par. 112A-14)

Sec. 112A-14. Order of protection; remedies.

   (a) Issuance of order. If the court finds that petitioner has been abused by a family or household member, as defined in this Article, an order of protection prohibiting such abuse shall issue; provided that petitioner must also satisfy the requirements of one of the following Sections, as appropriate: Section 112A-17 on emergency orders, Section 112A-18 on interim orders, or Section 112A-19 on plenary orders. Petitioner shall not be denied an order of protection because petitioner or respondent is a minor. The court, when determining whether or not to issue an order of protection, shall not require physical manifestations of abuse on the person of the victim. Modification and extension of prior orders of protection shall be in accordance with this Article.

   (b) Remedies and standards. The remedies to be included in an order of protection shall be determined in accordance with this Section and one of the following Sections, as appropriate: Section 112A-17 on emergency orders, Section 112A-18 on interim orders, and Section 112A-19 on plenary orders. The remedies listed in this subsection shall be in addition to other civil or criminal remedies available to petitioner.

New matter indicated in italics - deletions by strikeout
(1) Prohibition of abuse. Prohibit respondent's harassment, interference with personal liberty, intimidation of a dependent, physical abuse or willful deprivation, as defined in this Article, if such abuse has occurred or otherwise appears likely to occur if not prohibited.

(2) Grant of exclusive possession of residence. Prohibit respondent from entering or remaining in any residence, household, or premises of the petitioner, including one owned or leased by respondent, if petitioner has a right to occupancy thereof. The grant of exclusive possession of the residence, household, or premises shall not affect title to real property, nor shall the court be limited by the standard set forth in Section 701 of the Illinois Marriage and Dissolution of Marriage Act.

(A) Right to occupancy. A party has a right to occupancy of a residence or household if it is solely or jointly owned or leased by that party, that party's spouse, a person with a legal duty to support that party or a minor child in that party's care, or by any person or entity other than the opposing party that authorizes that party's occupancy (e.g., a domestic violence shelter). Standards set forth in subparagraph (B) shall not preclude equitable relief.

(B) Presumption of hardships. If petitioner and respondent each has the right to occupancy of a residence or household, the court shall balance (i) the hardships to respondent and any minor child or dependent adult in respondent's care resulting from entry of this remedy with (ii) the hardships to petitioner and any minor child or dependent adult in petitioner's care resulting from continued exposure to the risk of abuse (should petitioner remain at the residence or household) or from loss of possession of the residence or household (should petitioner leave to avoid the risk of abuse). When determining the balance of hardships, the court shall also take into account the accessibility of the residence or household. Hardships need not be balanced if respondent does not have a right to occupancy.

The balance of hardships is presumed to favor possession by petitioner unless the presumption is rebutted.
by a preponderance of the evidence, showing that the hardships to respondent substantially outweigh the hardships to petitioner and any minor child or dependent adult in petitioner's care. The court, on the request of petitioner or on its own motion, may order respondent to provide suitable, accessible, alternate housing for petitioner instead of excluding respondent from a mutual residence or household.

(3) Stay away order and additional prohibitions. Order respondent to stay away from petitioner or any other person protected by the order of protection, or prohibit respondent from entering or remaining present at petitioner's school, place of employment, or other specified places at times when petitioner is present, or both, if reasonable, given the balance of hardships. Hardships need not be balanced for the court to enter a stay away order or prohibit entry if respondent has no right to enter the premises.

If an order of protection grants petitioner exclusive possession of the residence, or prohibits respondent from entering the residence, or orders respondent to stay away from petitioner or other protected persons, then the court may allow respondent access to the residence to remove items of clothing and personal adornment used exclusively by respondent, medications, and other items as the court directs. The right to access shall be exercised on only one occasion as the court directs and in the presence of an agreed-upon adult third party or law enforcement officer.

(4) Counseling. Require or recommend the respondent to undergo counseling for a specified duration with a social worker, psychologist, clinical psychologist, psychiatrist, family service agency, alcohol or substance abuse program, mental health center guidance counselor, agency providing services to elders, program designed for domestic violence abusers or any other guidance service the court deems appropriate. The court may order the respondent in any intimate partner relationship to report to an Illinois Department of Human Services protocol approved partner abuse intervention program for an assessment and to follow all recommended treatment.

(5) Physical care and possession of the minor child. In order to protect the minor child from abuse, neglect, or unwarranted...
separation from the person who has been the minor child's primary caretaker, or to otherwise protect the well-being of the minor child, the court may do either or both of the following: (i) grant petitioner physical care or possession of the minor child, or both, or (ii) order respondent to return a minor child to, or not remove a minor child from, the physical care of a parent or person in loco parentis.

If a court finds, after a hearing, that respondent has committed abuse (as defined in Section 112A-3) of a minor child, there shall be a rebuttable presumption that awarding physical care to respondent would not be in the minor child's best interest.

(6) Temporary legal custody. Award temporary legal custody to petitioner in accordance with this Section, the Illinois Marriage and Dissolution of Marriage Act, the Illinois Parentage Act of 1984, and this State's Uniform Child-Custody Jurisdiction and Enforcement Act.

If a court finds, after a hearing, that respondent has committed abuse (as defined in Section 112A-3) of a minor child, there shall be a rebuttable presumption that awarding temporary legal custody to respondent would not be in the child's best interest.

(7) Visitation. Determine the visitation rights, if any, of respondent in any case in which the court awards physical care or temporary legal custody of a minor child to petitioner. The court shall restrict or deny respondent's visitation with a minor child if the court finds that respondent has done or is likely to do any of the following: (i) abuse or endanger the minor child during visitation; (ii) use the visitation as an opportunity to abuse or harass petitioner or petitioner's family or household members; (iii) improperly conceal or detain the minor child; or (iv) otherwise act in a manner that is not in the best interests of the minor child. The court shall not be limited by the standards set forth in Section 607.1 of the Illinois Marriage and Dissolution of Marriage Act. If the court grants visitation, the order shall specify dates and times for the visitation to take place or other specific parameters or conditions that are appropriate. No order for visitation shall refer merely to the term "reasonable visitation".

Petitioner may deny respondent access to the minor child if, when respondent arrives for visitation, respondent is under the influence of drugs or alcohol and constitutes a threat to the safety
and well-being of petitioner or petitioner's minor children or is behaving in a violent or abusive manner.

If necessary to protect any member of petitioner's family or household from future abuse, respondent shall be prohibited from coming to petitioner's residence to meet the minor child for visitation, and the parties shall submit to the court their recommendations for reasonable alternative arrangements for visitation. A person may be approved to supervise visitation only after filing an affidavit accepting that responsibility and acknowledging accountability to the court.

(8) Removal or concealment of minor child. Prohibit respondent from removing a minor child from the State or concealing the child within the State.

(9) Order to appear. Order the respondent to appear in court, alone or with a minor child, to prevent abuse, neglect, removal or concealment of the child, to return the child to the custody or care of the petitioner or to permit any court-ordered interview or examination of the child or the respondent.

(10) Possession of personal property. Grant petitioner exclusive possession of personal property and, if respondent has possession or control, direct respondent to promptly make it available to petitioner, if:

(i) petitioner, but not respondent, owns the property; or

(ii) the parties own the property jointly; sharing it would risk abuse of petitioner by respondent or is impracticable; and the balance of hardships favors temporary possession by petitioner.

If petitioner's sole claim to ownership of the property is that it is marital property, the court may award petitioner temporary possession thereof under the standards of subparagraph (ii) of this paragraph only if a proper proceeding has been filed under the Illinois Marriage and Dissolution of Marriage Act, as now or hereafter amended.

No order under this provision shall affect title to property.

(i) petitioner, but not respondent, owns the property; or
(ii) the parties own the property jointly, and the balance of hardships favors granting this remedy.

If petitioner's sole claim to ownership of the property is that it is marital property, the court may grant petitioner relief under subparagraph (ii) of this paragraph only if a proper proceeding has been filed under the Illinois Marriage and Dissolution of Marriage Act, as now or hereafter amended.

The court may further prohibit respondent from improperly using the financial or other resources of an aged member of the family or household for the profit or advantage of respondent or of any other person.

(11.5) Protection of animals. Grant the petitioner the exclusive care, custody, or control of any animal owned, possessed, leased, kept, or held by either the petitioner or the respondent or a minor child residing in the residence or household of either the petitioner or the respondent and order the respondent to stay away from the animal and forbid the respondent from taking, transferring, encumbering, concealing, harming, or otherwise disposing of the animal.

(12) Order for payment of support. Order respondent to pay temporary support for the petitioner or any child in the petitioner's care or custody, when the respondent has a legal obligation to support that person, in accordance with the Illinois Marriage and Dissolution of Marriage Act, which shall govern, among other matters, the amount of support, payment through the clerk and withholding of income to secure payment. An order for child support may be granted to a petitioner with lawful physical care or custody of a child, or an order or agreement for physical care or custody, prior to entry of an order for legal custody. Such a support order shall expire upon entry of a valid order granting legal custody to another, unless otherwise provided in the custody order.

(13) Order for payment of losses. Order respondent to pay petitioner for losses suffered as a direct result of the abuse. Such losses shall include, but not be limited to, medical expenses, lost earnings or other support, repair or replacement of property damaged or taken, reasonable attorney's fees, court costs and

moving or other travel expenses, including additional reasonable expenses for temporary shelter and restaurant meals.

(i) Losses affecting family needs. If a party is entitled to seek maintenance, child support or property distribution from the other party under the Illinois Marriage and Dissolution of Marriage Act, as now or hereafter amended, the court may order respondent to reimburse petitioner's actual losses, to the extent that such reimbursement would be "appropriate temporary relief", as authorized by subsection (a)(3) of Section 501 of that Act.

(ii) Recovery of expenses. In the case of an improper concealment or removal of a minor child, the court may order respondent to pay the reasonable expenses incurred or to be incurred in the search for and recovery of the minor child, including but not limited to legal fees, court costs, private investigator fees, and travel costs.

(14) Prohibition of entry. Prohibit the respondent from entering or remaining in the residence or household while the respondent is under the influence of alcohol or drugs and constitutes a threat to the safety and well-being of the petitioner or the petitioner's children.

(14.5) Prohibition of firearm possession.

(A) A person who is subject to an existing order of protection, interim order of protection, emergency order of protection, or plenary order of protection, issued under this Code may not lawfully possess weapons under Section 8.2 of the Firearm Owners Identification Card Act. (a) Prohibit a respondent against whom an order of protection was issued from possessing any firearms during the duration of the order if the order:

(1) was issued after a hearing of which such person received actual notice, and at which such person had an opportunity to participate;

(2) restrains such person from harassing, stalking, or threatening an intimate partner of such person or child of such intimate partner or person, or engaging in other conduct that would place an intimate partner in reasonable fear of bodily injury to the partner or child; and

(2)(i) includes a finding that such person represents a credible threat to the physical safety of such intimate partner or child; or (ii) by its terms explicitly prohibits the use, attempted use, or threatened use of physical force against such intimate partner or child that would reasonably be expected to cause bodily injury.

(B) Any firearms in the possession of the respondent, except as provided in subparagraph (C) of this paragraph (14.5) subsection (b), shall be ordered by the court to be turned over to a person with a valid Firearm Owner's Identification Card the local law enforcement agency for safekeeping. The court shall issue an order that the respondent's Firearm Owner's Identification Card be turned over to the local law enforcement agency, which in turn shall immediately mail the card to the Department of State Police Firearm Owner's Identification Card Office for safekeeping. The period of safekeeping shall be for the duration of the order of protection. The firearm or firearms and Firearm Owner's Identification Card, if unexpired, shall at the respondent's request be returned to the respondent at expiration of the order of protection.

(C) (b) If the respondent is a peace officer as defined in Section 2-13 of the Criminal Code of 2012, the court shall order that any firearms used by the respondent in the performance of his or her duties as a peace officer be surrendered to the chief law enforcement executive of the agency in which the respondent is employed, who shall retain the firearms for safekeeping for the duration of the order of protection.

(D) (c) Upon expiration of the period of safekeeping, if the firearms or Firearm Owner's Identification Card cannot be returned to respondent because respondent cannot be located, fails to respond to requests to retrieve the firearms, or is not lawfully eligible to possess a firearm, upon petition from the local law enforcement agency, the court may order the local law enforcement agency to destroy the firearms, use the firearms for training purposes, or for any other application
as deemed appropriate by the local law enforcement agency; or that the firearms be turned over to a third party who is lawfully eligible to possess firearms, and who does not reside with respondent.

(15) Prohibition of access to records. If an order of protection prohibits respondent from having contact with the minor child, or if petitioner's address is omitted under subsection (b) of Section 112A-5, or if necessary to prevent abuse or wrongful removal or concealment of a minor child, the order shall deny respondent access to, and prohibit respondent from inspecting, obtaining, or attempting to inspect or obtain, school or any other records of the minor child who is in the care of petitioner.

(16) Order for payment of shelter services. Order respondent to reimburse a shelter providing temporary housing and counseling services to the petitioner for the cost of the services, as certified by the shelter and deemed reasonable by the court.

(17) Order for injunctive relief. Enter injunctive relief necessary or appropriate to prevent further abuse of a family or household member or to effectuate one of the granted remedies, if supported by the balance of hardships. If the harm to be prevented by the injunction is abuse or any other harm that one of the remedies listed in paragraphs (1) through (16) of this subsection is designed to prevent, no further evidence is necessary to establish that the harm is an irreparable injury.

(c) Relevant factors; findings.

(1) In determining whether to grant a specific remedy, other than payment of support, the court shall consider relevant factors, including but not limited to the following:

(i) the nature, frequency, severity, pattern and consequences of the respondent's past abuse of the petitioner or any family or household member, including the concealment of his or her location in order to evade service of process or notice, and the likelihood of danger of future abuse to petitioner or any member of petitioner's or respondent's family or household; and

(ii) the danger that any minor child will be abused or neglected or improperly removed from the jurisdiction, improperly concealed within the State or improperly separated from the child's primary caretaker.

New matter indicated in italics - deletions by strikeout
(2) In comparing relative hardships resulting to the parties from loss of possession of the family home, the court shall consider relevant factors, including but not limited to the following:
   (i) availability, accessibility, cost, safety, adequacy, location and other characteristics of alternate housing for each party and any minor child or dependent adult in the party's care;
   (ii) the effect on the party's employment; and
   (iii) the effect on the relationship of the party, and any minor child or dependent adult in the party's care, to family, school, church and community.

(3) Subject to the exceptions set forth in paragraph (4) of this subsection, the court shall make its findings in an official record or in writing, and shall at a minimum set forth the following:
   (i) That the court has considered the applicable relevant factors described in paragraphs (1) and (2) of this subsection.
   (ii) Whether the conduct or actions of respondent, unless prohibited, will likely cause irreparable harm or continued abuse.
   (iii) Whether it is necessary to grant the requested relief in order to protect petitioner or other alleged abused persons.

(4) For purposes of issuing an ex parte emergency order of protection, the court, as an alternative to or as a supplement to making the findings described in paragraphs (c)(3)(i) through (c)(3)(iii) of this subsection, may use the following procedure:
   When a verified petition for an emergency order of protection in accordance with the requirements of Sections 112A-5 and 112A-17 is presented to the court, the court shall examine petitioner on oath or affirmation. An emergency order of protection shall be issued by the court if it appears from the contents of the petition and the examination of petitioner that the averments are sufficient to indicate abuse by respondent and to support the granting of relief under the issuance of the emergency order of protection.

(5) Never married parties. No rights or responsibilities for a minor child born outside of marriage attach to a putative father
until a father and child relationship has been established under the Illinois Parentage Act of 1984. Absent such an adjudication, no putative father shall be granted temporary custody of the minor child, visitation with the minor child, or physical care and possession of the minor child, nor shall an order of payment for support of the minor child be entered.

(d) Balance of hardships; findings. If the court finds that the balance of hardships does not support the granting of a remedy governed by paragraph (2), (3), (10), (11), or (16) of subsection (b) of this Section, which may require such balancing, the court's findings shall so indicate and shall include a finding as to whether granting the remedy will result in hardship to respondent that would substantially outweigh the hardship to petitioner from denial of the remedy. The findings shall be an official record or in writing.

(e) Denial of remedies. Denial of any remedy shall not be based, in whole or in part, on evidence that:

(1) Respondent has cause for any use of force, unless that cause satisfies the standards for justifiable use of force provided by Article 7 of the Criminal Code of 2012;

(2) Respondent was voluntarily intoxicated;

(3) Petitioner acted in self-defense or defense of another, provided that, if petitioner utilized force, such force was justifiable under Article 7 of the Criminal Code of 2012;

(4) Petitioner did not act in self-defense or defense of another;

(5) Petitioner left the residence or household to avoid further abuse by respondent;

(6) Petitioner did not leave the residence or household to avoid further abuse by respondent;

(7) Conduct by any family or household member excused the abuse by respondent, unless that same conduct would have excused such abuse if the parties had not been family or household members.

Sec. 12. Power to levy taxes. The board of commissioners annually may levy taxes for corporate purposes upon property within the territorial limits of such sanitary district, the aggregate amount of which, exclusive of the amount levied for (a) the payment of bonded indebtedness and the interest on bonded indebtedness (b) employees' annuity and benefit purposes (c) construction purposes, and (d) for the purpose of establishing and maintaining a reserve fund for the payment of claims, awards, losses, judgments, or liabilities, settlements, or demands and associated attorney's fees and costs that which might be imposed on or incurred by such sanitary district in matters including, but not limited to, under the Workers' Compensation Act or the Workers' Occupational Diseases Act, and any claim in tort, including but not limited to, any claim imposed upon such sanitary district under the Local Governmental and Governmental Employees Tort Immunity Act, any claim of deprivation of any constitutional or statutory right or protection, for all expenses, fees, and costs, both direct and in support of and for all costs related to the repair or replacement of any property owned by such sanitary district which is

damaged by fire, flood, explosion, vandalism or any other peril, natural or manmade, shall not exceed the sum produced by extending the rate of .46% for each of the years 1979 through 2004 and by extending the rate of 0.41% for the year 2005 and each year thereafter, upon the assessed valuation of all taxable property within the sanitary district as equalized and determined for State and local taxes.

In addition, for stormwater management purposes, including but not limited to those provided in subsection (f) of Section 7(h), the board of commissioners may levy taxes for the year 2005 and each year thereafter at a rate not to exceed 0.05% of the assessed valuation of all taxable property within the District as equalized and determined for State and local taxes. And in addition thereto, for construction purposes as defined in Section 5.2 of this Act, the board of commissioners may levy taxes for the year 1985 and each year thereafter which shall be at a rate not to exceed .10% of the assessed valuation of all taxable property within the sanitary district as equalized and determined for State and local taxes. Amounts realized from taxes so levied for construction purposes shall be limited for use to such purposes and shall not be available for appropriation or used to defray the cost of repairs to or expense of maintaining or operating existing or future facilities, but such restrictions, however, shall not apply to additions, alterations, enlargements, and replacements which will add appreciably to the value, utility, or the useful life of said facilities. Such rates shall be extended against the assessed valuation of the taxable property within the corporate limits as the same shall be assessed and equalized for the county taxes for the year in which the levy is made and said board shall cause the amount to be raised by taxation in each year to be certified to the county clerk on or before the thirtieth day of March; provided, however, that if during the budget year the General Assembly authorizes an increase in such rates, the board of commissioners may adopt a supplemental levy and shall make such certification to the County Clerk on or before the thirtieth day of December.

For the purpose of establishing and maintaining a reserve fund for the payment of claims, awards, losses, judgments, or liabilities, settlements, or demands and associated attorney's fees and costs that which might be imposed on or incurred by such sanitary district in matters including, but not limited to, under the Workers' Compensation Act or the Workers' Occupational Diseases Act, and any claim in tort, including but not limited to, any claim imposed upon such sanitary district under the Local Governmental and Governmental Employees Tort Immunity Act,
any claim of deprivation of any constitutional or statutory right or protection, for all expenses, fees, and costs, both direct and in support and for all costs related to the repair or replacement, where the cost thereof exceeds the sum of $10,000, of any property owned by such sanitary district which is damaged by fire, flood, explosion, vandalism or any other peril, natural or man-made, such sanitary district may also levy annually upon all taxable property within its territorial limits a tax not to exceed .005% of the assessed valuation of said taxable property as equalized and determined for State and local taxes; provided, however, the aggregate amount which may be accumulated in such reserve fund shall not exceed .05% of such assessed valuation.

All taxes so levied and certified shall be collected and enforced in the same manner and by the same officers as State and county taxes, and shall be paid over by the officer collecting the same to the treasurer of the sanitary district, in the manner and at the time provided by the general revenue law. No part of the taxes hereby authorized shall be used by such sanitary district for the construction of permanent, fixed, immovable bridges across any channel constructed under the provisions of this Act. All bridges built across such channel shall not necessarily interfere with or obstruct the navigation of such channel, when the same becomes a navigable stream, as provided in Section 24 of this Act, but such bridges shall be so constructed that they can be raised, swung or moved out of the way of vessels, tugs, boats or other water craft navigating such channel. Nothing in this Act shall be so construed as to compel said district to maintain or operate said bridges, as movable bridges, for a period of 9 years from and after the time when the water has been turned into said channel pursuant to law, unless the needs of general navigation of the Des Plaines and Illinois Rivers, when connected by said channel, sooner require it. In levying taxes the board of commissioners, in order to produce the net amount required by the levies for payment of bonds and interest thereon, shall include an amount or rate estimated to be sufficient to cover losses in collection of taxes, the cost of collecting taxes, abatements in the amount of such taxes as extended on the collector's books and the amount of such taxes collection of which will be deferred; the amount so added for the purpose of producing the net amount required shall not exceed any applicable maximum tax rate or amount.

PUBLIC ACT 98-0073
(Senate Bill No. 0047)

AN ACT concerning public aid.

Be it enacted by the People of the State of Illinois, represented in
the General Assembly:

Section 5. The Illinois Public Aid Code is amended by changing
Section 11-22 as follows:

(305 ILCS 5/11-22) (from Ch. 23, par. 11-22)

Sec. 11-22. Charge upon claims and causes of action for injuries.
The Illinois Department shall have a charge upon all claims, demands and
causes of action for injuries to an applicant for or recipient of (i) financial
aid under Articles III, IV, and V, (ii) health care benefits provided under
the Covering ALL KIDS Health Insurance Act, or (iii) health care benefits
provided under the Veterans' Health Insurance Program Act or the
Veterans' Health Insurance Program Act of 2008 for the total amount of
medical assistance provided the recipient from the time of injury to the
date of recovery upon such claim, demand or cause of action. In addition,
if the applicant or recipient was employable, as defined by the Department,
at the time of the injury, the Department shall also have a charge upon any
such claims, demands and causes of action for the total amount of aid
provided to the recipient and his dependents, including all cash assistance
and medical assistance only to the extent includable in the claimant's
action, from the time of injury to the date of recovery upon such claim,
demand or cause of action. Any definition of "employable" adopted by the
Department shall apply only to persons above the age of compulsory
school attendance.

If the injured person was employable at the time of the injury and
is provided aid under Articles III, IV, or V and any dependent or member
of his family is provided aid under Article VI, or vice versa, both the
Illinois Department and the local governmental unit shall have a charge
upon such claims, demands and causes of action for the aid provided to the
injured person and any dependent member of his family, including all cash

New matter indicated in italics - deletions by strikeout
assistance, medical assistance and food stamps, from the time of the injury to the date of recovery.

"Recipient", as used herein, means (i) in the case of financial aid provided under this Code, the grantee of record and any persons whose needs are included in the financial aid provided to the grantee of record or otherwise met by grants under the appropriate Article of this Code for which such person is eligible, (ii) in the case of health care benefits provided under the Covering ALL KIDS Health Insurance Act, the child to whom those benefits are provided, and (iii) in the case of health care benefits provided under the Veterans' Health Insurance Program Act or the Veterans' Health Insurance Program Act of 2008, the veteran to whom benefits are provided.

In each case, the notice shall be served by certified mail or registered mail, or by facsimile or electronic messaging when requested by the party or parties against whom the applicant or recipient has a claim, demand, or cause of action, upon the party or parties against whom the applicant or recipient has a claim, demand or cause of action. The notice shall claim the charge and describe the interest the Illinois Department, the local governmental unit, or the county, has in the claim, demand, or cause of action. The charge shall attach to any verdict or judgment entered and to any money or property which may be recovered on account of such claim, demand, cause of action or suit from and after the time of the service of the notice.

On petition filed by the Illinois Department, or by the local governmental unit or county if either is claiming a charge, or by the recipient, or by the defendant, the court, on written notice to all interested parties, may adjudicate the rights of the parties and enforce the charge. The court may approve the settlement of any claim, demand or cause of action either before or after a verdict, and nothing in this Section shall be construed as requiring the actual trial or final adjudication of any claim, demand or cause of action upon which the Illinois Department, the local governmental unit or county has charge. The court may determine what portion of the recovery shall be paid to the injured person and what portion shall be paid to the Illinois Department, the local governmental unit or county having a charge against the recovery. In making this determination, the court shall conduct an evidentiary hearing and shall consider competent evidence pertaining to the following matters:

(1) the amount of the charge sought to be enforced against the recovery when expressed as a percentage of the gross amount

New matter indicated in italics - deletions by strikeout
of the recovery; the amount of the charge sought to be enforced against the recovery when expressed as a percentage of the amount obtained by subtracting from the gross amount of the recovery the total attorney's fees and other costs incurred by the recipient incident to the recovery; and whether the Department, unit of local government or county seeking to enforce the charge against the recovery should as a matter of fairness and equity bear its proportionate share of the fees and costs incurred to generate the recovery from which the charge is sought to be satisfied;

(2) the amount, if any, of the attorney's fees and other costs incurred by the recipient incident to the recovery and paid by the recipient up to the time of recovery, and the amount of such fees and costs remaining unpaid at the time of recovery;

(3) the total hospital, doctor and other medical expenses incurred for care and treatment of the injury to the date of recovery therefor, the portion of such expenses theretofore paid by the recipient, by insurance provided by the recipient, and by the Department, unit of local government and county seeking to enforce a charge against the recovery, and the amount of such previously incurred expenses which remain unpaid at the time of recovery and by whom such incurred, unpaid expenses are to be paid;

(4) whether the recovery represents less than substantially full recompense for the injury and the hospital, doctor and other medical expenses incurred to the date of recovery for the care and treatment of the injury, so that reduction of the charge sought to be enforced against the recovery would not likely result in a double recovery or unjust enrichment to the recipient;

(5) the age of the recipient and of persons dependent for support upon the recipient, the nature and permanency of the recipient's injuries as they affect not only the future employability and education of the recipient but also the reasonably necessary and foreseeable future material, maintenance, medical, rehabilitative and training needs of the recipient, the cost of such reasonably necessary and foreseeable future needs, and the resources available to meet such needs and pay such costs;

(6) the realistic ability of the recipient to repay in whole or in part the charge sought to be enforced against the recovery when judged in light of the factors enumerated above.

New matter indicated in italics - deletions by strikeout
The burden of producing evidence sufficient to support the exercise by the court of its discretion to reduce the amount of a proven charge sought to be enforced against the recovery shall rest with the party seeking such reduction.

The court may reduce and apportion the Illinois Department's lien proportionate to the recovery of the claimant. The court may consider the nature and extent of the injury, economic and noneconomic loss, settlement offers, comparative negligence as it applies to the case at hand, hospital costs, physician costs, and all other appropriate costs. The Illinois Department shall pay its pro rata share of the attorney fees based on the Illinois Department's lien as it compares to the total settlement agreed upon. This Section shall not affect the priority of an attorney's lien under the Attorneys Lien Act. The charges of the Illinois Department described in this Section, however, shall take priority over all other liens and charges existing under the laws of the State of Illinois with the exception of the attorney's lien under said statute.

Whenever the Department or any unit of local government has a statutory charge under this Section against a recovery for damages incurred by a recipient because of its advancement of any assistance, such charge shall not be satisfied out of any recovery until the attorney's claim for fees is satisfied, irrespective of whether or not an action based on recipient's claim has been filed in court.

This Section shall be inapplicable to any claim, demand or cause of action arising under (a) the Workers' Compensation Act or the predecessor Workers' Compensation Act of June 28, 1913, (b) the Workers' Occupational Diseases Act or the predecessor Workers' Occupational Diseases Act of March 16, 1936; and (c) the Wrongful Death Act.

Appointments to fill vacancies in unexpired terms and new terms shall be filled by the Governor or by the Council if the Governor delegates that power to the Council by executive order. Members shall serve until their successors are appointed and qualified. No member, except the representative of the client assistance program, shall serve for more than 2 full terms.

Members appointed to the Council for full terms on or after the effective date of this amendatory Act of the 98th General Assembly shall be appointed for terms of 3 years. No Council member, other than the vocational rehabilitation administrator and the representative of the Client Assistance Program, shall serve for more than 2 consecutive terms as a representative of one of the 13 enumerated categories. If an individual, other than the vocational rehabilitation administrator and the representative of the Client Assistance Program, has completed 2 consecutive terms and is eligible to seek appointment as a representative of one of the other enumerated categories, then that individual may be appointed to serve as a representative of one of those other enumerated categories after a meaningful break in Council service, as defined by the Council through its by-laws.

Vacancies for unexpired terms shall be filled. Individuals appointed by the appointing authority to fill an unexpired term shall complete the remainder of the vacated term. When the initial term of a person appointed to fill a vacancy is completed, the individual appointed to fill that vacancy may be re-appointed by the appointing authority to the vacated position for one subsequent term.

If an excessive number of expired terms and vacated terms combine to place an undue burden on the Council, the appointing authority may appoint members for terms of 1, 2, or 3 years. The appointing authority shall determine the terms of Council members to ensure the number of terms expiring each year is as close to equal as possible.

Notwithstanding the foregoing, a member who is serving on the Council on the effective date of this amendatory Act of the 98th General Assembly and whose term expires as a result of the changes made by this amendatory Act of the 98th General Assembly may complete the unexpired portion of his or her term.

Members shall be reimbursed in accordance with State laws, rules, and rates for their actual expenses incurred in the performance of their approved, Council-related duties, including expenses for travel, child care, or personal assistance services. A member who is not employed or who must forfeit wages from other employment may be paid reasonable compensation, as determined by the Department, for each day the member is engaged in performing approved duties of the Council.

The Council shall meet at least 4 times per year at times and places designated by the Chairperson upon 10 days written notice to the members. Special meetings may be called by the Chairperson or 7 members of the Council upon 7 days written notice to the other members. Nine members shall constitute a quorum. No member of the Council shall cast a vote on any matter that would provide direct financial benefit to the member or otherwise give the appearance of a conflict of interest under Illinois law.

The Council shall prepare and submit to the vocational rehabilitation administrator the reports and findings that the vocational rehabilitation administrator may request or that the Council deems fit. The Council shall select jointly with the vocational rehabilitation administrator a pool of qualified persons to serve as impartial hearing officers. The Council shall, with the vocational rehabilitation unit in the Department, jointly develop, agree to, and review annually State goals and priorities and jointly submit annual reports of progress to the federal Commissioner of the Rehabilitation Services Administration.

To the extent that there is a disagreement between the Council and the unit within the Department of Human Services responsible for the administration of the vocational rehabilitation program, regarding the

PUBLIC ACT 98-0077
(Senate Bill No. 0070)

AN ACT concerning gaming.

Be it enacted by the People of the State of Illinois, represented in the General Assembly:

Section 5. The Video Gaming Act is amended by changing Section
25 as follows:

(230 ILCS 40/25)
Sec. 25. Restriction of licensees.
(a) Manufacturer. A person may not be licensed as a manufacturer of a video gaming terminal in Illinois unless the person has a valid manufacturer's license issued under this Act. A manufacturer may only sell video gaming terminals for use in Illinois to persons having a valid distributor's license.

(b) Distributor. A person may not sell, distribute, or lease or market a video gaming terminal in Illinois unless the person has a valid distributor's license issued under this Act. A distributor may only sell video gaming terminals for use in Illinois to persons having a valid distributor's or terminal operator's license.

(c) Terminal operator. A person may not own, maintain, or place a video gaming terminal unless he has a valid terminal operator's license issued under this Act. A terminal operator may only place video gaming terminals for use in Illinois in licensed establishments, licensed truck stop establishments, licensed fraternal establishments, and licensed veterans establishments. No terminal operator may give anything of value, including but not limited to a loan or financing arrangement, to a licensed establishment, licensed truck stop establishment, licensed fraternal establishment, or licensed veterans establishment as any incentive or

New matter indicated in italics - deletions by strikeout
inducement to locate video terminals in that establishment. Of the after-tax profits from a video gaming terminal, 50% shall be paid to the terminal operator and 50% shall be paid to the licensed establishment, licensed truck stop establishment, licensed fraternal establishment, or licensed veterans establishment, notwithstanding any agreement to the contrary. A video terminal operator that violates one or more requirements of this subsection is guilty of a Class 4 felony and is subject to termination of his or her license by the Board.

(d) Licensed technician. A person may not service, maintain, or repair a video gaming terminal in this State unless he or she (1) has a valid technician's license issued under this Act, (2) is a terminal operator, or (3) is employed by a terminal operator, distributor, or manufacturer.

(d-5) Licensed terminal handler. No person, including, but not limited to, an employee or independent contractor working for a manufacturer, distributor, supplier, technician, or terminal operator licensed pursuant to this Act, shall have possession or control of a video gaming terminal, or access to the inner workings of a video gaming terminal, unless that person possesses a valid terminal handler's license issued under this Act.

(e) Licensed establishment. No video gaming terminal may be placed in any licensed establishment, licensed veterans establishment, licensed truck stop establishment, or licensed fraternal establishment unless the owner or agent of the owner of the licensed establishment, licensed veterans establishment, licensed truck stop establishment, or licensed fraternal establishment has entered into a written use agreement with the terminal operator for placement of the terminals. A copy of the use agreement shall be on file in the terminal operator's place of business and available for inspection by individuals authorized by the Board. A licensed establishment, licensed truck stop establishment, licensed veterans establishment, or licensed fraternal establishment may operate up to 5 video gaming terminals on its premises at any time.

(f) (Blank).

(g) Financial interest restrictions. As used in this Act, "substantial interest" in a partnership, a corporation, an organization, an association, a business, or a limited liability company means:

(A) When, with respect to a sole proprietorship, an individual or his or her spouse owns, operates, manages, or conducts, directly or indirectly, the organization, association, or business, or any part thereof; or

New matter indicated in italics - deletions by strikeout
(B) When, with respect to a partnership, the individual or his or her spouse shares in any of the profits, or potential profits, of the partnership activities; or

(C) When, with respect to a corporation, an individual or his or her spouse is an officer or director, or the individual or his or her spouse is a holder, directly or beneficially, of 5% or more of any class of stock of the corporation; or

(D) When, with respect to an organization not covered in (A), (B) or (C) above, an individual or his or her spouse is an officer or manages the business affairs, or the individual or his or her spouse is the owner of or otherwise controls 10% or more of the assets of the organization; or

(E) When an individual or his or her spouse furnishes 5% or more of the capital, whether in cash, goods, or services, for the operation of any business, association, or organization during any calendar year; or

(F) When, with respect to a limited liability company, an individual or his or her spouse is a member, or the individual or his or her spouse is a holder, directly or beneficially, of 5% or more of the membership interest of the limited liability company.

For purposes of this subsection (g), "individual" includes all individuals or their spouses whose combined interest would qualify as a substantial interest under this subsection (g) and whose activities with respect to an organization, association, or business are so closely aligned or coordinated as to constitute the activities of a single entity.

(h) Location restriction. A licensed establishment, licensed truck stop establishment, licensed fraternal establishment, or licensed veterans establishment that is (i) located within 1,000 feet of a facility operated by an organization licensee or an inter-track wagering licensee licensed under the Illinois Horse Racing Act of 1975 or the home dock of a riverboat licensed under the Riverboat Gambling Act or (ii) located within 100 feet of a school or a place of worship under the Religious Corporation Act, is ineligible to operate a video gaming terminal. The location restrictions in this subsection (h) do not apply if (A) a facility operated by an organization licensee, an inter-track wagering licensee, or an inter-track wagering location licensee, a school, or a place of worship moves to or is established within the restricted area after a licensed establishment, licensed truck stop establishment, licensed fraternal establishment, or licensed veterans establishment becomes licensed under this Act or (B) a school or place of
worship moves to or is established within the restricted area after a licensed establishment, licensed truck stop establishment, licensed fraternal establishment, or licensed veterans establishment obtains its original liquor license. For the purpose of this subsection, "school" means an elementary or secondary public school, or an elementary or secondary private school registered with or recognized by the State Board of Education.

Notwithstanding the provisions of this subsection (h), the Board may waive the requirement that a licensed establishment, licensed truck stop establishment, licensed fraternal establishment, or licensed veterans establishment not be located within 1,000 feet from a facility operated by an organization licensee, an inter-track wagering licensee, or an inter-track wagering location licensee licensed under the Illinois Horse Racing Act of 1975 or the home dock of a riverboat licensed under the Riverboat Gambling Act. The Board shall not grant such waiver if there is any common ownership or control, shared business activity, or contractual arrangement of any type between the establishment and the organization licensee, inter-track wagering licensee, inter-track wagering location licensee, or owners licensee of a riverboat. The Board shall adopt rules to implement the provisions of this paragraph.

(i) Undue economic concentration. In addition to considering all other requirements under this Act, in deciding whether to approve the operation of video gaming terminals by a terminal operator in a location, the Board shall consider the impact of any economic concentration of such operation of video gaming terminals. The Board shall not allow a terminal operator to operate video gaming terminals if the Board determines such operation will result in undue economic concentration. For purposes of this Section, "undue economic concentration" means that a terminal operator would have such actual or potential influence over video gaming terminals in Illinois as to:

   (1) substantially impede or suppress competition among terminal operators;
   (2) adversely impact the economic stability of the video gaming industry in Illinois; or
   (3) negatively impact the purposes of the Video Gaming Act.

The Board shall adopt rules concerning undue economic concentration with respect to the operation of video gaming terminals in Illinois. The rules shall include, but not be limited to, (i) limitations on the
number of video gaming terminals operated by any terminal operator within a defined geographic radius and (ii) guidelines on the discontinuation of operation of any such video gaming terminals the Board determines will cause undue economic concentration.

(j) The provisions of the Illinois Antitrust Act are fully and equally applicable to the activities of any licensee under this Act.

Except as otherwise provided by Department rule, on and after the effective date of this amendatory Act of the 98th General Assembly, any licensing requirement adopted pursuant to this Section that may be satisfied by an industrial hygienist licensed pursuant to the Industrial Hygienists Licensure Act repealed in this amendatory Act may be satisfied by a Certified Industrial Hygienist certified by the American Board of Industrial Hygiene.

(c) In carrying out its responsibilities under this Act, the Department shall:

(1) Publish a list of response action contractors licensed under this Act, except that the Department shall not be required to publish a list of licensed asbestos workers; and

(d) The provisions of the Illinois Administrative Procedure Act are hereby expressly adopted and shall apply to all administrative rules and procedures of the Department of Public Health under this Act, except that in case of conflict between the Illinois Administrative Procedure Act and this Act the provisions of this Act shall control, and except that Section 5-35 of the Illinois Administrative Procedure Act relating to procedures for rulemaking does not apply to the adoption of any rule required by federal law in connection with which the Department is precluded by law from exercising any discretion.

(e) All final administrative decisions of the Department under this Act shall be subject to judicial review pursuant to the provisions of the Administrative Review Law and the rules adopted under it. The term "administrative decision" has the meaning ascribed to it in Section 3-101 of the Code of Civil Procedure.

(f) The Director, after notice and opportunity for hearing to the applicant or license holder, may deny, suspend, or revoke a license or expunge such person from the State list in any case in which he or she finds that there has been a substantial failure to comply with the provisions of this Act or the standards or rules established under it. be transcribed unless the decision is sought to be reviewed under the
Administrative Review Law. A copy or copies of the transcript may be
obtained by any interested party on payment of the cost of preparing the

motion or on the written request of any party to the proceeding, issue

witnesses, and subpoenas duces tecum requiring the production of books,
papers, records, or memoranda. All subpoenas and subpoenas duces tecum
issued under this Act may be served by any person of legal age. The fees
of witnesses for attendance and travel shall be the same as the fees of

The maximum amount payable under this subdivision (A) with respect to the hazardous waste generated by a single generator and deposited in monofills is $30,000 per year. If, as a result of the use of multiple monofills, waste fees in excess of the maximum are assessed with respect to a single waste generator, the generator may apply to the Agency for a credit.

(B) 9 cents or $18.18 per cubic yard, if the hazardous waste disposal site is located on the site where such waste was produced, provided however the maximum amount of fees payable under this paragraph (B) is $30,000 per year for each such hazardous waste disposal site.

After treatment at such hazardous waste treatment site, the waste shall not be subject to any other fee imposed by this subsection (b). For purposes of this subsection (b), the term "treatment" is defined as in Section 3.505 but shall not include recycling, reclamation or reuse.

(2) The General Assembly shall annually appropriate to the Fund such amounts as it deems necessary to fulfill the purposes of this Act.

(3) The Agency shall have the authority to accept, receive, and administer on behalf of the State any moneys made available to the State from any source for the purposes of the Hazardous Waste Fund set forth in subsection (d) of this Section.

(4) Of the amount collected as fees provided for in this Section, the Agency shall manage the use of such funds to assure that sufficient funds are available for match towards federal expenditures for response action at sites which are listed on the National Priorities List; provided, however, that this shall not apply to additional monies appropriated to the Fund by the General Assembly, nor shall it apply in the event that the Director finds that revenues in the Hazardous Waste Fund must be used to address conditions which create or may create an immediate danger to the environment or public health or to the welfare of the people of the State of Illinois.

(5) Notwithstanding the other provisions of this subsection (b), sludge from a publicly-owned sewage works generated in Illinois, coal mining wastes and refuse generated in Illinois, bottom boiler ash, flyash and flue gas desulphurization sludge from public utility electric generating facilities located in Illinois, and bottom boiler ash and flyash from all incinerators which process solely municipal waste shall not be subject to the fee.

(c) The Agency shall establish procedures, not later than January 1, 1984, relating to the collection of the fees authorized by this Section. Such
procedures shall include, but not be limited to: (1) necessary records identifying the quantities of hazardous waste received or disposed; (2) the form and submission of reports to accompany the payment of fees to the Agency; and (3) the time and manner of payment of fees to the Agency, which payments shall be not more often than quarterly.

(d) Beginning July 1, 1996, the Agency shall deposit all such receipts in the State Treasury to the credit of the Hazardous Waste Fund, except as provided in subsection (e) of this Section. All monies in the Hazardous Waste Fund shall be used by the Agency for the following purposes:

(1) Taking whatever preventive or corrective action is necessary or appropriate, in circumstances certified by the Director, including but not limited to removal or remedial action whenever there is a release or substantial threat of a release of a hazardous substance or pesticide; provided, the Agency shall expend no more than $1,000,000 on any single incident without appropriation by the General Assembly.

The University of Illinois may enter into contracts with business, industrial, university, governmental or other qualified individuals or organizations to assist in the research and development intended to recycle, reduce the volume of, separate, detoxify or reduce the hazardous properties of hazardous wastes in Illinois. Monies in the Fund may also be used by the University of Illinois for technical studies, monitoring activities, and educational and research activities which are related to the protection of underground waters. Monies in the Hazardous Waste Research Fund may be used to administer the Illinois Health and Hazardous Substances Registry Act. Monies in the Hazardous Waste Research Fund shall not be used for any sanitary landfill or the acquisition or construction of any facility. This does not preclude the purchase of equipment for the purpose of public demonstration projects. The University of Illinois shall adopt guidelines for cost sharing, selecting, and administering projects under this subsection.

(f) Notwithstanding any other provision or rule of law, and subject only to the defenses set forth in subsection (j) of this Section, the following persons shall be liable for all costs of removal or remedial action incurred by the State of Illinois or any unit of local government as a result of a release or substantial threat of a release of a hazardous substance or pesticide:

(4) any person who accepts or accepted any hazardous substances or pesticides for transport to disposal, storage or treatment facilities or sites from which there is a release or a substantial threat of a release of a hazardous substance or pesticide.

Any monies received by the State of Illinois pursuant to this subsection (f) shall be deposited in the State Treasury to the credit of the Hazardous Waste Fund.

In accordance with the other provisions of this Section, costs of removal or remedial action incurred by a unit of local government may be recovered in an action before the Board brought by the unit of local government under subsection (i) of this Section. Any monies so recovered shall be paid to the unit of local government.

(g)(1) No indemnification, hold harmless, or similar agreement or conveyance shall be effective to transfer from the owner or operator of any vessel or facility or from any person who may be liable for a release or substantial threat of a release under this Section, to any other person the liability imposed under this Section. Nothing in this Section shall bar any agreement to insure, hold harmless or indemnify a party to such agreements for any liability under this Section.

(2) Nothing in this Section, including the provisions of paragraph (g)(1) of this Section, shall bar a cause of action that an owner or operator or any other person subject to liability under this Section, or a guarantor, has or would have, by reason of subrogation or otherwise against any person.

(h) For purposes of this Section:

(1) The term "facility" means:

(A) any building, structure, installation, equipment, pipe or pipeline including but not limited to any pipe into a sewer or publicly owned treatment works, well, pit, pond, lagoon, impoundment, ditch, landfill, storage container, motor vehicle, rolling stock, or aircraft; or

(B) any site or area where a hazardous substance has been deposited, stored, disposed of, placed, or otherwise come to be located.

(2) The term "owner or operator" means:

New matter indicated in italics - deletions by strikeout
(A) any person owning or operating a vessel or facility;

(B) in the case of an abandoned facility, any person owning or operating the abandoned facility or any person who owned, operated, or otherwise controlled activities at the abandoned facility immediately prior to such abandonment;

(C) in the case of a land trust as defined in Section 2 of the Land Trustee as Creditor Act, the person owning the beneficial interest in the land trust;

(D) in the case of a fiduciary (other than a land trustee), the estate, trust estate, or other interest in property held in a fiduciary capacity, and not the fiduciary. For the purposes of this Section, "fiduciary" means a trustee, executor, administrator, guardian, receiver, conservator or other person holding a facility or vessel in a fiduciary capacity;

(E) in the case of a "financial institution", meaning the Illinois Housing Development Authority and that term as defined in Section 2 of the Illinois Banking Act, that has acquired ownership, operation, management, or control of a vessel or facility through foreclosure or under the terms of a security interest held by the financial institution or under the terms of an extension of credit made by the financial institution, the financial institution only if the financial institution takes possession of the vessel or facility and the financial institution exercises actual, direct, and continual or recurrent managerial control in the operation of the vessel or facility that causes a release or substantial threat of a release of a hazardous substance or pesticide resulting in removal or remedial action;

(F) In the case of an owner of residential property, the owner if the owner is a person other than an individual, or if the owner is an individual who owns more than 10 dwelling units in Illinois, or if the owner, or an agent, representative, contractor, or employee of the owner, has caused, contributed to, or allowed the release or threatened release of a hazardous substance or pesticide. The term "residential property" means single family residences of one

to 4 dwelling units, including accessory land, buildings, or improvements incidental to those dwellings that are exclusively used for the residential use. For purposes of this subparagraph (F), the term "individual" means a natural person, and shall not include corporations, partnerships, trusts, or other non-natural persons.

(G) In the case of any facility, title or control of which was conveyed due to bankruptcy, foreclosure, tax delinquency, abandonment, or similar means to a unit of State or local government, any person who owned, operated, or otherwise controlled activities at the facility immediately beforehand.

(H) The term "owner or operator" does not include a unit of State or local government which acquired ownership or control through bankruptcy, tax delinquency, abandonment, or other circumstances in which the government acquires title by virtue of its function as sovereign. The exclusion provided under this paragraph shall not apply to any State or local government which has caused or contributed to the release or threatened release of a hazardous substance from the facility, and such a State or local government shall be subject to the provisions of this Act in the same manner and to the same extent, both procedurally and substantively, as any nongovernmental entity, including liability under Section 22.2(f).

(i) The costs and damages provided for in this Section may be imposed by the Board in an action brought before the Board in accordance with Title VIII of this Act, except that Section 33(c) of this Act shall not apply to any such action.

(j)(1) There shall be no liability under this Section for a person otherwise liable who can establish by a preponderance of the evidence that the release or substantial threat of release of a hazardous substance and the damages resulting therefrom were caused solely by:

(A) an act of God;
(B) an act of war;
(C) an act or omission of a third party other than an employee or agent of the defendant, or other than one whose act or omission occurs in connection with a contractual relationship, existing directly or indirectly, with the defendant (except where the

sole contractual arrangement arises from a published tariff and acceptance for carriage by a common carrier by rail), if the defendant establishes by a preponderance of the evidence that (i) he exercised due care with respect to the hazardous substance concerned, taking into consideration the characteristics of such hazardous substance, in light of all relevant facts and circumstances, and (ii) he took precautions against foreseeable acts or omissions of any such third party and the consequences that could foreseeably result from such acts or omissions; or

(D) any combination of the foregoing paragraphs.

(2) There shall be no liability under this Section for any release permitted by State or federal law.

(3) There shall be no liability under this Section for damages as a result of actions taken or omitted in the course of rendering care, assistance, or advice in accordance with this Section or the National Contingency Plan pursuant to the Comprehensive Environmental Response, Compensation and Liability Act of 1980 (P.L. 96-510) or at the direction of an on-scene coordinator appointed under such plan, with respect to an incident creating a danger to public health or welfare or the environment as a result of any release of a hazardous substance or a substantial threat thereof. This subsection shall not preclude liability for damages as the result of gross negligence or intentional misconduct on the part of such person. For the purposes of the preceding sentence, reckless, willful, or wanton misconduct shall constitute gross negligence.

(4) There shall be no liability under this Section for any person (including, but not limited to, an owner of residential property who applies a pesticide to the residential property or who has another person apply a pesticide to the residential property) for response costs or damages as the result of the storage, handling and use, or recommendation for storage, handling and use, of a pesticide consistent with:

(A) its directions for storage, handling and use as stated in its label or labeling;

(B) its warnings and cautions as stated in its label or labeling; and

(C) the uses for which it is registered under the Federal Insecticide, Fungicide and Rodenticide Act and the Illinois Pesticide Act.

(4.5) There shall be no liability under subdivision (f)(1) of this Section for response costs or damages as the result of a release of a

pesticide from an agrichemical facility site if the Agency has received notice from the Department of Agriculture pursuant to Section 19.3 of the Illinois Pesticide Act, the owner or operator of the agrichemical facility is proceeding with a corrective action plan under the Agrichemical Facility Response Action Program implemented under that Section, and the Agency has provided a written endorsement of a corrective action plan.

(4.6) There shall be no liability under subdivision (f)(1) of this Section for response costs or damages as the result of a substantial threat of a release of a pesticide from an agrichemical facility site if the Agency has received notice from the Department of Agriculture pursuant to Section 19.3 of the Illinois Pesticide Act and the owner or operator of the agrichemical facility is proceeding with a corrective action plan under the Agrichemical Facility Response Action Program implemented under that Section.

(5) Nothing in this subsection (j) shall affect or modify in any way the obligations or liability of any person under any other provision of this Act or State or federal law, including common law, for damages, injury, or loss resulting from a release or substantial threat of a release of any hazardous substance or for removal or remedial action or the costs of removal or remedial action of such hazardous substance.

(6)(A) The term "contractual relationship", for the purpose of this subsection includes, but is not limited to, land contracts, deeds or other instruments transferring title or possession, unless the real property on which the facility concerned is located was acquired by the defendant after the disposal or placement of the hazardous substance on, in, or at the facility, and one or more of the circumstances described in clause (i), (ii), or (iii) of this paragraph is also established by the defendant by a preponderance of the evidence:

(i) At the time the defendant acquired the facility the defendant did not know and had no reason to know that any hazardous substance which is the subject of the release or threatened release was disposed of on, in or at the facility.

(ii) The defendant is a government entity which acquired the facility by escheat, or through any other involuntary transfer or acquisition, or through the exercise of eminent domain authority by purchase or condemnation.

(iii) The defendant acquired the facility by inheritance or bequest.

New matter indicated in italics - deletions by strikeout
In addition to establishing the foregoing, the defendant must establish that he has satisfied the requirements of subparagraph (C) of paragraph (l) of this subsection (j).

(B) To establish the defendant had no reason to know, as provided in clause (i) of subparagraph (A) of this paragraph, the defendant must have undertaken, at the time of acquisition, all appropriate inquiry into the previous ownership and uses of the property consistent with good commercial or customary practice in an effort to minimize liability. For purposes of the preceding sentence, the court shall take into account any specialized knowledge or experience on the part of the defendant, the relationship of the purchase price to the value of the property if uncontaminated, commonly known or reasonably ascertainable information about the property, the obviousness of the presence or likely presence of contamination at the property, and the ability to detect such contamination by appropriate inspection.

(C) Nothing in this paragraph (6) or in subparagraph (C) of paragraph (1) of this subsection shall diminish the liability of any previous owner or operator of such facility who would otherwise be liable under this Act. Notwithstanding this paragraph (6), if the defendant obtained actual knowledge of the release or threatened release of a hazardous substance at such facility when the defendant owned the real property and then subsequently transferred ownership of the property to another person without disclosing such knowledge, such defendant shall be treated as liable under subsection (f) of this Section and no defense under subparagraph (C) of paragraph (1) of this subsection shall be available to such defendant.

(D) Nothing in this paragraph (6) shall affect the liability under this Act of a defendant who, by any act or omission, caused or contributed to the release or threatened release of a hazardous substance which is the subject of the action relating to the facility.

(E)(i) Except as provided in clause (ii) of this subparagraph (E), a defendant who has acquired real property shall have established a rebuttable presumption against all State claims and a conclusive presumption against all private party claims that the defendant has made all appropriate inquiry within the meaning of subdivision (6)(B) of this subsection (j) if the defendant proves that immediately prior to or at the time of the acquisition:

(I) the defendant obtained a Phase I Environmental Audit of the real property that meets or exceeds the requirements of this
subparagraph (E), and the Phase I Environmental Audit did not disclose the presence or likely presence of a release or a substantial threat of a release of a hazardous substance or pesticide at, on, to, or from the real property; or

(II) the defendant obtained a Phase II Environmental Audit of the real property that meets or exceeds the requirements of this subparagraph (E), and the Phase II Environmental Audit did not disclose the presence or likely presence of a release or a substantial threat of a release of a hazardous substance or pesticide at, on, to, or from the real property.

(ii) No presumption shall be created under clause (i) of this subparagraph (E), and a defendant shall be precluded from demonstrating that the defendant has made all appropriate inquiry within the meaning of subdivision (6)(B) of this subsection (j), if:

(I) the defendant fails to obtain all Environmental Audits required under this subparagraph (E) or any such Environmental Audit fails to meet or exceed the requirements of this subparagraph (E);

(II) a Phase I Environmental Audit discloses the presence or likely presence of a release or a substantial threat of a release of a hazardous substance or pesticide at, on, to, or from real property, and the defendant fails to obtain a Phase II Environmental Audit;

(III) a Phase II Environmental Audit discloses the presence or likely presence of a release or a substantial threat of a release of a hazardous substance or pesticide at, on, to, or from the real property;

(IV) the defendant fails to maintain a written compilation and explanatory summary report of the information reviewed in the course of each Environmental Audit under this subparagraph (E); or

(V) there is any evidence of fraud, material concealment, or material misrepresentation by the defendant of environmental conditions or of related information discovered during the course of an Environmental Audit.

(iii) For purposes of this subparagraph (E), the term "environmental professional" means an individual (other than a practicing attorney) who, through academic training, occupational experience, and reputation (such as engineers, industrial hygienists, or geologists) can
objectively conduct one or more aspects of an Environmental Audit and who either:

(I) maintains at the time of the Environmental Audit and for at least one year thereafter at least $500,000 of environmental consultants' professional liability insurance coverage issued by an insurance company licensed to do business in Illinois; or

(II) is an Illinois licensed professional engineer or a Certified Industrial Hygienist certified by the American Board of Industrial Hygiene or an Illinois licensed industrial hygienist.

An environmental professional may employ persons who are not environmental professionals to assist in the preparation of an Environmental Audit if such persons are under the direct supervision and control of the environmental professional.

(iv) For purposes of this subparagraph (E), the term "real property" means any interest in any parcel of land, and includes, but is not limited to, buildings, fixtures, and improvements.

(v) For purposes of this subparagraph (E), the term "Phase I Environmental Audit" means an investigation of real property, conducted by environmental professionals, to discover the presence or likely presence of a release or a substantial threat of a release of a hazardous substance or pesticide at, on, to, or from real property, and whether a release or a substantial threat of a release of a hazardous substance or pesticide has occurred or may occur at, on, to, or from the real property. Until such time as the United States Environmental Protection Agency establishes standards for making appropriate inquiry into the previous ownership and uses of the facility pursuant to 42 U.S.C. Sec. 9601(35)(B)(ii), the investigation shall comply with the procedures of the American Society for Testing and Materials, including the document known as Standard E1527-97, entitled "Standard Procedures for Environmental Site Assessment: Phase I Environmental Site Assessment Process". Upon their adoption, the standards promulgated by USEPA pursuant to 42 U.S.C. Sec. 9601(35)(B)(ii) shall govern the performance of Phase I Environmental Audits. In addition to the above requirements, the Phase I Environmental Audit shall include a review of recorded land title records for the purpose of determining whether the real property is subject to an environmental land use restriction such as a No Further Remediation Letter, Environmental Land Use Control, or Highway Authority Agreement.

(vi) For purposes of subparagraph (E), the term "Phase II Environmental Audit" means an investigation of real property, conducted
by environmental professionals, subsequent to a Phase I Environmental Audit. If the Phase I Environmental Audit discloses the presence or likely presence of a hazardous substance or a pesticide or a release or a substantial threat of a release of a hazardous substance or pesticide:

(I) In or to soil, the defendant, as part of the Phase II Environmental Audit, shall perform a series of soil borings sufficient to determine whether there is a presence or likely presence of a hazardous substance or pesticide and whether there is or has been a release or a substantial threat of a release of a hazardous substance or pesticide:

(II) In or to groundwater, the defendant, as part of the Phase II Environmental Audit, shall: review information regarding local geology, water well locations, and locations of waters of the State as may be obtained from State, federal, and local government records, including but not limited to the United States Geological Survey, the State Geological Survey of the University of Illinois, and the State Water Survey of the University of Illinois; and perform groundwater monitoring sufficient to determine whether there is a presence or likely presence of a hazardous substance or pesticide, and whether there is or has been a release or a substantial threat of a release of a hazardous substance or pesticide:

(III) On or to media other than soil or groundwater, the defendant, as part of the Phase II Environmental Audit, shall perform an investigation sufficient to determine whether there is a presence or likely presence of a hazardous substance or pesticide, and whether there is or has been a release or a substantial threat of a release of a hazardous substance or pesticide:

(vii) The findings of each Environmental Audit prepared under this subparagraph (E) shall be set forth in a written audit report. Each audit report shall contain an affirmation by the defendant and by each environmental professional who prepared the Environmental Audit that the facts stated in the report are true and are made under a penalty of perjury as defined in Section 32-2 of the Criminal Code of 1961. It is perjury for any person to sign an audit report that contains a false material statement that the person does not believe to be true.
(viii) The Agency is not required to review, approve, or certify the results of any Environmental Audit. The performance of an Environmental Audit shall in no way entitle a defendant to a presumption of Agency approval or certification of the results of the Environmental Audit.

The presence or absence of a disclosure document prepared under the Responsible Property Transfer Act of 1988 shall not be a defense under this Act and shall not satisfy the requirements of subdivision (6)(A) of this subsection (j).

(7) No person shall be liable under this Section for response costs or damages as the result of a pesticide release if the Agency has found that a pesticide release occurred based on a Health Advisory issued by the U.S. Environmental Protection Agency or an action level developed by the Agency, unless the Agency notified the manufacturer of the pesticide and provided an opportunity of not less than 30 days for the manufacturer to comment on the technical and scientific justification supporting the Health Advisory or action level.

(8) No person shall be liable under this Section for response costs or damages as the result of a pesticide release that occurs in the course of a farm pesticide collection program operated under Section 19.1 of the Illinois Pesticide Act, unless the release results from gross negligence or intentional misconduct.

(k) If any person who is liable for a release or substantial threat of release of a hazardous substance or pesticide fails without sufficient cause to provide removal or remedial action upon or in accordance with a notice and request by the Agency or upon or in accordance with any order of the Board or any court, such person may be liable to the State for punitive damages in an amount at least equal to, and not more than 3 times, the amount of any costs incurred by the State of Illinois as a result of such failure to take such removal or remedial action. The punitive damages imposed by the Board shall be in addition to any costs recovered from such person pursuant to this Section and in addition to any other penalty or relief provided by this Act or any other law.

Any monies received by the State pursuant to this subsection (k) shall be deposited in the Hazardous Waste Fund.

(l) Beginning January 1, 1988, and prior to January 1, 2013, the Agency shall annually collect a $250 fee for each Special Waste Hauling Permit Application and, in addition, shall collect a fee of $20 for each waste hauling vehicle identified in the annual permit application and for each vehicle which is added to the permit during the annual period.
Beginning January 1, 2013, the Agency shall issue 3-year Special Waste Hauling Permits instead of annual Special Waste Hauling Permits and shall collect a $750 fee for each Special Waste Hauling Permit Application. In addition, beginning January 1, 2013, the Agency shall collect a fee of $60 for each waste hauling vehicle identified in the permit application and for each vehicle that is added to the permit during the 3-year period. The Agency shall deposit 85% of such fees collected under this subsection in the State Treasury to the credit of the Hazardous Waste Research Fund; and shall deposit the remaining 15% of such fees collected in the State Treasury to the credit of the Environmental Protection Permit and Inspection Fund. The majority of such receipts which are deposited in the Hazardous Waste Research Fund pursuant to this subsection shall be used by the University of Illinois for activities which relate to the protection of underground waters.

used in accordance with the terms of the Environmental Protection Permit and Inspection Fund.

(b) The Agency shall collect from the owner or operator of any of the following types of hazardous waste disposal sites or management facilities which require a RCRA permit under subsection (f) of Section 21 of this Act, or a UIC permit under subsection (g) of Section 12 of this Act, an annual fee in the amount of:

1. $35,000 ($70,000 beginning in 2004) for a hazardous waste disposal site receiving hazardous waste if the hazardous waste disposal site is located off the site where such waste was produced;

(c) Where two or more operational units are located within a single hazardous waste disposal site, the Agency shall collect from the owner or operator of such site an annual fee equal to the highest fee imposed by subsection (b) of this Section upon any single operational unit within the site.

New matter indicated in italics - deletions by strikeout
(d) The fee imposed upon a hazardous waste disposal site under this Section shall be the exclusive permit and inspection fee applicable to hazardous waste disposal at such site, provided that nothing in this Section shall be construed to diminish or otherwise affect any fee imposed upon the owner or operator of a hazardous waste disposal site by Section 22.2.

(e) The Agency shall establish procedures, no later than December 1, 1984, relating to the collection of the hazardous waste disposal site fees authorized by this Section. Such procedures shall include, but not be limited to the time and manner of payment of fees to the Agency, which shall be quarterly, payable at the beginning of each quarter for hazardous waste disposal site fees. Annual fees required under paragraph (7) of subsection (b) of this Section shall accompany the annual report required by Board regulations for the calendar year for which the report applies.

Section 13. The Illinois Pesticide Act is amended by changing Section 19.3 as follows:

Sec. 19.3. Agrichemical Facility Response Action Program.

(a) It is the policy of the State of Illinois that an Agrichemical Facility Response Action Program be implemented to reduce potential agrichemical pollution and minimize environmental degradation risk potential at these sites. In this Section, "agrichemical facility" means a site where agrichemicals are stored or handled, or both, in preparation for end use. "Agrichemical facility" does not include basic manufacturing or central distribution sites utilized only for wholesale purposes. As used in
this Section, "agrichemical" means pesticides or commercial fertilizers at an agrichemical facility.

The program shall provide guidance for assessing the threat of soil agrichemical contaminants to groundwater and recommending which sites need to establish a voluntary corrective action program.

The program shall establish appropriate site-specific soil cleanup objectives, which shall be based on the potential for the agrichemical contaminants to move from the soil to groundwater and the potential of the specific soil agrichemical contaminants to cause an exceedence of a Class I or Class III groundwater quality standard or a health advisory level. The Department shall use the information found and procedures developed in the Agrichemical Facility Site Contamination Study or other appropriate physical evidence to establish the soil agrichemical contaminant levels of concern to groundwater in the various hydrological settings to establish site-specific cleanup objectives.

No remediation of a site may be recommended unless (i) the agrichemical contamination level in the soil exceeds the site-specific cleanup objectives or (ii) the agrichemical contaminant level in the soil exceeds levels where physical evidence and risk evaluation indicates probability of the site causing an exceedence of a groundwater quality standard.

When a remediation plan must be carried out over a number of years due to limited financial resources of the owner or operator of the agrichemical facility, those soil agrichemical contaminated areas that have the greatest potential to adversely impact vulnerable Class I groundwater aquifers and adjacent potable water wells shall receive the highest priority rating and be remediated first.

(b) The Agrichemical Facility Response Action Program Board ("the Board") is created. The Board members shall consist of the following:

   (1) The Director or the Director's designee.
   (2) One member who represents pesticide manufacturers.
   (3) Two members who represent retail agrichemical dealers.
   (4) One member who represents agrichemical distributors.
   (5) One member who represents active farmers.
   (6) One member at large.

The public members of the Board shall be appointed by the Governor for terms of 2 years. Those persons on the Board who represent
pesticide manufacturers, agrichemical dealers, agrichemical distributors, and farmers shall be selected from recommendations made by the associations whose membership reflects those specific areas of interest. The members of the Board shall be appointed within 90 days after the effective date of this amendatory Act of 1995. Vacancies on the Board shall be filled within 30 days. The Board may fill any membership position vacant for a period exceeding 30 days.

The members of the Board shall be paid no compensation, but shall be reimbursed for their expenses incurred in performing their duties. If a civil proceeding is commenced against a Board member arising out of an act or omission occurring within the scope of the Board member's performance of his or her duties under this Section, the State, as provided by rule, shall indemnify the Board member for any damages awarded and court costs and attorney's fees assessed as part of a final and unreversed judgement, or shall pay the judgment, unless the court or jury finds that the conduct or inaction that gave rise to the claim or cause of action was intentional, willful or wanton misconduct and was not intended to serve or benefit interests of the State.

The chairperson of the Board shall be selected by the Board from among the public members.

c) The Board has the authority to do the following:

(1) Cooperate with the Department and review and approve an agrichemical facility remediation program as outlined in the handbook or manual as set forth in subdivision (d)(8) of this Section.

(2) Review and give final approval to each agrichemical facility corrective action plan.

(3) Approve any changes to an agrichemical facility's corrective action plan that may be necessary.

(4) Upon completion of the corrective action plan, recommend to the Department that the site-specific cleanup objectives have been met and that a notice of closure be issued by the Department stating that no further remedial action is required to remedy the past agrichemical contamination.

(5) When a soil agrichemical contaminant assessment confirms that remedial action is not required in accordance with the Agrichemical Facility Response Action Program, recommend that a notice of closure be issued by the Department stating that no
further remedial action is required to remedy the past agrichemical contamination.

(6) Periodically review the Department's administration of the Agrichemical Incident Response Trust Fund and actions taken with respect to the Fund. The Board shall also provide advice to the Interagency Committee on Pesticides regarding the proper handling of agrichemical incidents at agrichemical facilities in Illinois.

(d) The Director has the authority to do the following:

(1) When requested by the owner or operator of an agrichemical facility, may investigate the agrichemical facility site contamination.

(2) After completion of the investigation under subdivision (d)(1) of this Section, recommend to the owner or operator of an agrichemical facility that a voluntary assessment be made of the soil agrichemical contaminant when there is evidence that the evaluation of risk indicates that groundwater could be adversely impacted.

(3) Review and make recommendations on any corrective action plan submitted by the owner or operator of an agrichemical facility to the Board for final approval.

(4) On approval by the Board, issue an order to the owner or operator of an agrichemical facility that has filed a voluntary corrective action plan that the owner or operator may proceed with that plan.

(5) Provide remedial project oversight, monitor remedial work progress, and report to the Board on the status of remediation projects.

(6) Provide staff to support the activities of the Board.

(7) Take appropriate action on the Board's recommendations regarding policy needed to carry out the Board's responsibilities under this Section.

(8) In cooperation with the Board, incorporate the following into a handbook or manual: the procedures for site assessment; pesticide constituents of concern and associated parameters; guidance on remediation techniques, land application, and corrective action plans; and other information or instructions that the Department may find necessary.

New matter indicated in italics - deletions by strikeout
(9) Coordinate preventive response actions at agrichemical facilities pursuant to the Groundwater Quality Standards adopted pursuant to Section 8 of the Illinois Groundwater Protection Act to mitigate resource groundwater impairment.

Upon completion of the corrective action plan and upon recommendation of the Board, the Department shall issue a notice of closure stating that site-specific cleanup objectives have been met and no further remedial action is required to remedy the past agrichemical contamination.

When a soil agrichemical contaminant assessment confirms that remedial action is not required in accordance with the Agrichemical Facility Response Action Program and upon the recommendation of the Board, a notice of closure shall be issued by the Department stating that no further remedial action is required to remedy the past agrichemical contamination.

(e) Upon receipt of notification of an agrichemical contaminant in groundwater pursuant to the Groundwater Quality Standards, the Department shall evaluate the severity of the agrichemical contamination and shall submit to the Environmental Protection Agency an informational notice characterizing it as follows:

(1) An agrichemical contaminant in Class I or Class III groundwater has exceeded the levels of a standard adopted pursuant to the Illinois Groundwater Protection Act or a health advisory established by the Illinois Environmental Protection Agency or the United States Environmental Protection Agency; or

(2) An agrichemical has been detected at a level that requires preventive notification pursuant to a standard adopted pursuant to the Illinois Groundwater Protection Act.

(f) When agrichemical contamination is characterized as in subdivision (e)(1) of this Section, a facility may elect to participate in the Agrichemical Facility Response Action Program. In these instances, the scope of the corrective action plans developed, approved, and completed under this program shall be limited to the soil agrichemical contamination present at the site unless implementation of the plan is coordinated with the Illinois Environmental Protection Agency as follows:

(1) Upon receipt of notice of intent to include groundwater in an action by a facility, the Department shall also notify the Illinois Environmental Protection Agency.

New matter indicated in italics - deletions by strikeout
(2) Upon receipt of the corrective action plan, the Department shall coordinate a joint review of the plan with the Illinois Environmental Protection Agency.

(3) The Illinois Environmental Protection Agency may provide a written endorsement of the corrective action plan.

Be it enacted by the People of the State of Illinois, represented in the General Assembly:

Section 5. The Mental Health and Developmental Disabilities Administrative Act is amended by changing Section 14 as follows:

Sec. 14. Chester Mental Health Center. To maintain and operate a facility for the care, custody, and treatment of persons with mental illness or habilitation of persons with developmental disabilities hereinafter designated, to be known as the Chester Mental Health Center.

Within the Chester Mental Health Center there shall be confined the following classes of persons, whose history, in the opinion of the Department, discloses dangerous or violent tendencies and who, upon examination under the direction of the Department, have been found a fit subject for confinement in that facility:

approved by the Secretary of the Department. During the period of
confinement, the persons confined shall be observed at least every 15

not be considered seclusion as defined in the Mental Health and
Developmental Disabilities Code.

The facility director of the Chester Mental Health Center may
authorize the temporary use of handcuffs on a recipient for a period not to
exceed 10 minutes when necessary in the course of transport of the
recipient within the facility to maintain custody or security. Use of
handcuffs is subject to the provisions of Section 2-108 of the Mental
Health and Developmental Disabilities Code. The facility shall keep a

circumstances indicating the need for use of handcuffs, and time of
application of handcuffs and time of release therefrom. The facility
director shall allow the Illinois Guardianship and Advocacy Commission,
the agency designated by the Governor under Section 1 of the Protection
and Advocacy for Developmentally Disabled Persons Act, and the
Department to examine and copy such record upon request.

If and when it shall appear to the satisfaction of the Department
that any person confined in the Chester Mental Health Center is not or has
ceased to be such a source of danger to the public as to require his
subjection to the regimen of the center, the Department is hereby
authorized to transfer such person to any State facility for treatment of
persons with mental illness or habilitation of persons with developmental
disabilities, as the nature of the individual case may require.

Subject to the provisions of this Section, the Department, except

The changes added to this Section by this amendatory Act of the 98th General Assembly are inoperative on and after June 30, 2015.

The person shall be detained only if there is cause to believe that the person is eligible for commitment under subsection (f) of Section 35 of this Act. A person detained under this Section shall be held in a facility approved by the Department. The Department may elect to place persons who have been ordered by the court to be detained in a State-operated mental health facility or a portion of that facility. Persons placed in a State-operated mental health facility under this Act shall be separated and shall not comingle with the recipients of the mental health facility. The portion of a State-operated mental health facility that is used for the persons detained under this Act shall not be a part of the mental health facility for the enforcement and implementation of the Mental Health and Developmental Disabilities Code nor shall their care and treatment be subject to the provisions of the Mental Health and Developmental Disabilities Code. The changes added to this Section by this amendatory Act of the 98th General Assembly are inoperative on and after June 30, 2015. approved by the Department. A detention order under this Section remains in effect until the person is discharged after a trial under Section 35 of this Act or until the effective date of a commitment order under Section 40 of this Act, whichever is applicable.

(b) Whenever a petition is filed under Section 15 of this Act, the court shall hold a hearing to determine whether there is probable cause to believe that the person named in the petition is a sexually violent person. If the person named in the petition is in custody, the court shall hold the probable cause hearing within 72 hours after the petition is filed, excluding Saturdays, Sundays and legal holidays. The court may grant a continuance of the probable cause hearing for no more than 7 additional days upon the motion of the respondent, for good cause. If the person named in the petition has been released, is on parole, is on mandatory supervised release, or otherwise is not in custody, the court shall hold the probable cause hearing within a reasonable time after the filing of the petition. At the probable cause hearing, the court shall admit and consider all relevant hearsay evidence.

(c) If the court determines after a hearing that there is probable cause to believe that the person named in the petition is a sexually violent person, the court shall order that the person be taken into custody if he or she is not in custody and shall order the person to be transferred within a reasonable time to an appropriate facility for an evaluation as to whether the person is a sexually violent person. If the person who is named in the petition refuses to speak to, communicate with, or otherwise fails to cooperate with the examining evaluator from the Department of Human Services or the Department of Corrections, that person may only introduce evidence and testimony from any expert or professional person who is retained or court-appointed to conduct an examination of the person that results from a review of the records and may not introduce evidence resulting from an examination of the person. Notwithstanding the provisions of Section 10 of the Mental Health and Developmental Disabilities Confidentiality Act, all evaluations conducted pursuant to this Act and all Illinois Department of Corrections treatment records shall be admissible at all proceedings held pursuant to this Act, including the probable cause hearing and the trial.

If the court determines that probable cause does not exist to believe that the person is a sexually violent person, the court shall dismiss the petition.

New matter indicated in italics - deletions by strikeout
(d) The Department shall promulgate rules that provide the qualifications for persons conducting evaluations under subsection (c) of this Section.

(e) If the person named in the petition claims or appears to be indigent, the court shall, prior to the probable cause hearing under subsection (b) of this Section, appoint counsel.

   (1) Require an income withholding notice to be prepared and served immediately upon any payor of the obligor by the obligee or public office, unless a written agreement is reached between and signed by both parties providing for an alternative arrangement, approved and entered into the record by the court, which ensures payment of support. In that case, the order for support shall provide that an income withholding notice is to be prepared and served only if the obligor becomes delinquent in paying the order for support; and

   (2) Contain a dollar amount to be paid until payment in full of any delinquency that accrues after entry of the order for support. (f) If the order for support, under the exception to immediate withholding contained in subsection (a) of this Section, provides that an income withholding notice is to be prepared and served only if the obligor becomes delinquent in paying the order for support, the obligor may execute a written waiver of that condition and request immediate service on the payor.

(g) The obligee or public office may serve the income withholding notice on the payor or its superintendent, manager, or other agent by ordinary mail or certified mail return receipt requested, by facsimile transmission or other electronic means, by personal delivery, or by any method provided by law for service of a summons. Section 10. The Juvenile Court Act of 1987 is amended by changing Section 3-28 as follows:

(705 ILCS 405/3-28) (from Ch. 37, par. 803-28)

Sec. 3-28. Placement; legal custody or guardianship.

(1) If the court finds that the parents, guardian or legal custodian of a minor adjudged a ward of the court are unfit or are unable, for some reason other than financial circumstances alone, to care for, protect, train or discipline the minor or are unwilling to do so, and that appropriate services aimed at family preservation and family reunification have been unsuccessful in rectifying the conditions which have led to such a finding of unfitness or inability to care for, protect, train or discipline the minor, and that it is in the best interest of the minor to take him from the custody of his parents, guardian or custodian, the court may:

(a) place him in the custody of a suitable relative or other person;
(b) place him under the guardianship of a probation officer;
(c) commit him to an agency for care or placement, except an institution under the authority of the Department of Juvenile Justice Corrections or of the Department of Children and Family Services;
(d) commit him to some licensed training school or industrial school; or
(e) commit him to any appropriate institution having among its purposes the care of delinquent children, including a child protective facility maintained by a Child Protection District serving the county from which commitment is made, but not including any institution under the authority of the Department of Juvenile Justice Corrections or of the Department of Children and Family Services.

(2) When making such placement, the court, wherever possible, shall select a person holding the same religious belief as that of the minor or a private agency controlled by persons of like religious faith of the minor and shall require the Department of Children and Family Services to otherwise comply with Section 7 of the Children and Family Services Act in placing the child. In addition, whenever alternative plans for placement

New matter indicated in italics - deletions by strikeout
are available, the court shall ascertain and consider, to the extent appropriate in the particular case, the views and preferences of the minor.

(3) When a minor is placed with a suitable relative or other person, the court shall appoint him the legal custodian or guardian of the person of the minor. When a minor is committed to any agency, the court shall appoint the proper officer or representative thereof as legal custodian or guardian of the person of the minor. Legal custodians and guardians of the person of the minor have the respective rights and duties set forth in paragraph (9) of Section 1-3 except as otherwise provided by order of the court; but no guardian of the person may consent to adoption of the minor unless that authority is conferred upon him in accordance with Section 3-30. An agency whose representative is appointed guardian of the person or legal custodian of the minor may place him in any child care facility, but such facility must be licensed under the Child Care Act of 1969 or have been approved by the Department of Children and Family Services as meeting the standards established for such licensing. No agency may place such minor in a child care facility unless such placement is in compliance with the rules and regulations for placement under this Section promulgated by the Department of Children and Family Services under Section 5 of "An Act creating the Department of Children and Family Services, codifying its powers and duties, and repealing certain Acts and Sections herein named". Like authority and restrictions shall be conferred by the court upon any probation officer who has been appointed guardian of the person of a minor.

(4) No placement by any probation officer or agency whose representative is appointed guardian of the person or legal custodian of a minor may be made in any out of State child care facility unless it complies with the Interstate Compact on the Placement of Children.

(5) The clerk of the court shall issue to such legal custodian or guardian of the person a certified copy of the order of the court, as proof of his authority. No other process is necessary as authority for the keeping of the minor.

(6) Custody or guardianship granted hereunder continues until the court otherwise directs, but not after the minor reaches the age of 19 years except as set forth in Section 3-32.

The court shall appoint a guardian ad litem to report to the court concerning the respondent's best interests consistent with the provisions of this Section, except that the appointment of a guardian ad litem shall not be required when the court determines that such appointment is not necessary for the protection of the respondent or a reasonably informed decision on the petition. If the guardian ad litem is not a licensed attorney, he or she shall be qualified, by training or experience, to work with or advocate for the developmentally disabled, mentally ill, physically disabled, the elderly, or persons disabled because of mental deterioration, depending on the type of disability that is alleged in the petition. for any other purpose nor be redisclosed except in connection with the proceedings. (b) The court (1) may appoint counsel for the respondent, if the court finds that the interests of the respondent will be best served by the appointment, and (2) shall appoint counsel upon respondent's request or if the respondent takes a position adverse to that of the guardian ad litem. The respondent shall be permitted to obtain the appointment of counsel either at the hearing or by any written or oral request communicated to the court prior to the hearing. The summons shall inform the respondent of this right to obtain appointed counsel. The court may allow counsel for the respondent reasonable compensation.

(c) If the respondent is unable to pay the fee of the guardian ad litem or appointed counsel, or both, the court may enter an order for the petitioner to pay all such fees or such amounts as the respondent or the respondent's estate may be unable to pay. However, in cases where the Office of State Guardian is the petitioner, consistent with Section 30 of the Guardianship and Advocacy Act, where the public guardian is the petitioner, consistent with Section 13-5 of the Probate Act of 1975, where an elder abuse provider agency is the petitioner, pursuant to Section 9 of the Elder Abuse and Neglect Act, or where the Department of Human Services Office of Inspector General is the petitioner, consistent with Section 45 of the Abuse of Adults with Disabilities Intervention Act, or where the Department of Children and Family Services is the petitioner under subparagraph (d) of subsection (1) of Section 2-27 of the Juvenile Court Act of 1987, no guardian ad litem or legal fees shall be assessed against the Office of State Guardian, the public guardian, the elder abuse provider agency, or the Department of Human Services Office of Inspector General, or the Department of Children and Family Services.

(b) The loan funds, subject to appropriation, must be paid out of the Emerald Ash Borer Revolving Loan Fund, a special fund created in the State treasury. The moneys in the Fund consist of any moneys transferred or appropriated into the Fund as well as all repayments of loans made under this program. Moneys in the Fund may be used only for loans to units of local government for the treatment of standing trees and replanting of trees within emerald ash borer quarantine areas established by the Department of Agriculture and for no other purpose. All interest earned on moneys in the Fund must be deposited into the Fund.

(c) A loan for the treatment of standing trees and replanting of trees on public lands within emerald ash borer quarantine areas established by the Department of Agriculture may not exceed $5,000,000 to any one unit of local government. The repayment period for the loan may not exceed 20 years. The unit of local government shall repay, each year, at least 5% of the principal amount borrowed or the remaining balance of the loan, whichever is less. All repayments of loans must be deposited into the Emerald Ash Borer Revolving Loan Fund.

(e) The Department of Agriculture may enter into agreements with a unit of local government under which the unit of local government is authorized to assist the Department in carrying out its duties in a quarantined area, including inspection and eradication of any dangerous insect or dangerous plant disease, and including the transportation, processing, and disposal of diseased material. The Department is

authorized to provide compensation or financial assistance to the unit of local government for its costs.

(f) The Authority, with the assistance of the Department of Agriculture and the Department of Natural Resources, shall adopt rules to administer the program under this Section.

Sec. 825-110. Implementation of ARRA provisions regarding qualified energy conservation bonds.

(a) Definitions.

(i) "Affected local government" means any county or municipality within the State if the county or municipality has a population of 100,000 or more, as defined in Section 54D(c)(2)(C) of the Code.

(ii) "Allocation amount" means the $133,846,000 amount of qualified energy conservation bonds authorized under ARRA for the financing of qualifying projects located within the State and the sub-allocation of those amounts among each affected local government.

(iii) "ARRA" means, collectively, the American Recovery and Reinvestment Act of 2009, including, without limitation, Section 54D of the Code; the guidance provided by the Internal Revenue Service applicable to qualified energy conservation bonds; and any legislation subsequently adopted by the United States Congress to extend or expand the economic development bond financing incentives authorized by ARRA.

(iv) "ARRA implementing regulations" means the regulations promulgated by the Authority as further described in subdivision (c)(iv) of this Section to implement the provisions of this Section.

(v) "Code" means the Internal Revenue Code of 1986, as amended.

(vi) "Qualified energy conservation bond" means any qualified energy conservation bond issued pursuant to Section 54D of the Code.

(vii) "Qualified energy conservation bond allocation" means an allocation of authority to issue qualified energy conservation bonds granted pursuant to Section 54D of the Code.

New matter indicated in italics - deletions by strikeout

(ix) "Sub-allocation" means the portion of the allocation amount allocated to each affected local government.

(x) "Waived qualified energy conservation bond allocation" means the amount of the qualified energy conservation bond allocation that an affected local government elects to reallocate to the State pursuant to Section 54D(e)(2)(B) of the Code.

(xi) "Waiver agreement" means an agreement between the Authority and an affected local government providing for the reallocation, in whole or in part, of that affected local government's sub-allocation to the Authority. The waiver agreement may provide for the payment of an affected local government's reasonable fees and costs as determined by the Authority in connection with the affected local government's reallocation of its sub-allocation.

(b) Findings.

It is found and declared that:

(i) it is in the public interest and for the benefit of the State to maximize the use of economic development incentives authorized by ARRA;

(ii) those incentives include the maximum use of the allocation amount for the issuance of qualified energy conservation bonds to promote energy conservation under the applicable provisions of ARRA; and

(iii) those incentives also include the issuance by the Authority of qualified energy conservation bonds for the purposes of financing qualifying projects to be financed with proceeds of qualified energy conservation bonds.

(c) Powers of Authority.
(i) In order to carry out the provisions of ARRA and further the purposes of this Section, the Authority has:

(A) the power to receive from any affected local government its sub-allocation that it voluntarily waives to the Authority, in whole or in part, for allocation by the Authority to a regional authority specifically designated by that affected local government, and the Authority shall reallocate that waived qualified energy conservation bond allocation to the regional authority specifically designated by that affected local government; provided that (1) the affected local government must take official action by resolution or ordinance, as applicable, to waive the sub-allocation to the Authority and specifically designate that its waived qualified energy conservation bond allocation should be reallocated to a regional authority; (2) the regional authority must use the sub-allocation to issue qualified energy conservation bonds on or before August 16, 2010 and, if qualified energy conservation bonds are not issued on or before August 16, 2010, the sub-allocation shall be deemed waived to the Authority for reallocation by the Authority to qualifying projects; and (3) the proceeds of the qualified energy conservation bonds must be used for qualifying projects within the jurisdiction of the applicable regional authority;

(B) at the Authority's sole discretion, the power to reallocate any sub-allocation deemed waived to the Authority pursuant to subsection (c)(i)(A)(2) back to the Regional Authority that had the sub-allocation;

(C) the power to enter into waiver agreements with affected local governments to provide for the reallocation, in whole or in part, of their sub-allocations, to receive waived qualified energy conservation bond allocations from those affected local governments, and to use those waived qualified energy conservation bond allocations, in whole or in part, to issue qualified energy conservation bonds of the Authority for qualifying projects or to reallocate those qualified energy conservation bond allocations, in whole or in part, to a county or municipality to issue its own energy conservation bonds for qualifying projects; and

New matter indicated in italics - deletions by strikeout
(D) the power to issue qualified energy conservation bonds for any project authorized to be financed with proceeds thereof under the applicable provisions of ARRA.

(ii) In addition to the powers set forth in item (i), the Authority shall be the sole recipient, on behalf of the State, of any waived qualified energy conservation bond allocations. Qualified energy conservation bond allocations can be reallocated to the Authority only by voluntary waiver as provided in this Section.

(iii) In addition to the powers set forth in items (i) and (ii), the Authority has any powers otherwise enjoyed by the Authority in connection with the issuance of its bonds if those powers are not in conflict with any provisions with respect to qualified energy conservation bonds set forth in ARRA.

(iv) The Authority has the power to adopt regulations providing for the implementation of any of the provisions contained in this Section, including the provisions regarding waiver agreements and reallocation of all or any portion of the allocation amount and sub-allocations and the issuance of qualified energy conservation bonds; except that those regulations shall not (1) provide any waiver or reallocation of an affected local government's sub-allocation other than a voluntary waiver as described in subsection (c) or (2) be inconsistent with the provisions of subsection (c)(i). Regulations adopted by the Authority for determining reallocation of all or any portion of a waived qualified energy conservation allocation may include, but are not limited to, (1) the ability of the county or municipality to issue qualified energy conservation bonds by the end of a given calendar year, (2) the amount of jobs that will be retained or created, or both, by the qualifying project to be financed by qualified energy conservation bonds, and (3) the geographical proximity of the qualifying project to be financed by qualified energy conservation bonds to a municipality or county that reallocated its sub-allocation to the Authority.

(d) Established dates for notice.

Any affected local government or regional authority that has issued qualified energy conservation bonds on or before the effective date of this Section must report its issuance of qualified energy conservation bonds to the Authority within 30 days after the effective date of this Section. After the effective date of this Section, any affected local government or any

New matter indicated in italics - deletions by strikeout
regional authority must report its issuance of qualified energy conservation bonds to the Authority not less than 30 days after those bonds are issued.

(e) Reports to the General Assembly.

Starting 60 days after the effective date of this Section and ending when there is no longer any allocation amount, the Authority shall file a report before the end of the 15th day of each fiscal year with the General Assembly detailing its implementation of this Section, including but not limited to the dollar amount of the allocation amount that has been reallocated by the Authority pursuant to this Section, the qualified energy conservation bonds issued in the State as of the date of the report, and descriptions of the qualifying projects financed by those qualified energy conservation bonds.

Section 10. The Illinois Environmental Facilities Financing Act is amended by changing Sections 2 and 3 and by adding Section 7.5 as follows:

(20 ILCS 3515/2) (from Ch. 127, par. 722)

Sec. 2. Declaration of necessity and purpose - Liberal construction.

(a) The General Assembly finds:

(i) that environmental damage seriously endangers the public health and welfare;

(ii) that such environmental damage results from air, water, and other resource pollution and from public water supply, solid waste disposal, noise, surface mining and other environmental problems;

(iii) that to reduce, control and prevent such pollution and problems, quality and land reclamation standards have been established necessitating the employment of anti-pollution and reclamation devices, equipment and facilities and stringent time schedules have been and will be imposed for compliance with such standards;

(iv) that it is desirable to provide additional and alternative methods of financing the costs of the acquisition and installation of the devices, equipment and facilities required to comply with the quality and land reclamation standards;

(v) that the alternative method of financing provided in this Act is therefore in the public interest and serves a public purpose in protecting and promoting the health and welfare of the citizens of this state by reducing, controlling and preventing environmental damage;

(vi) that it is desirable to promote the use of Illinois coal in a manner that is consistent with air quality and land reclamation standards; and

(vii) that it is desirable to promote the use of alternative methods for managing hazardous wastes and to provide additional and alternative methods of financing the costs of establishing the recycling, incineration, physical, chemical and biological treatment, and other facilities necessary to meet the requirements of the Environmental Protection Act; and

(viii) that the environmental damage and pollution that occurs within this State often results from sources in other states, and that providing financing alternatives for environmental facilities that are located outside the State that are owned, operated, leased, managed by, or otherwise affiliated with, institutions located within the State can reduce, control, or prevent environmental damage and pollution within this State.

(b) It is the purpose of this Act, as more specifically described in later sections, to authorize the State authority to acquire, construct, reconstruct, repair, alter, improve, extend, own, finance, lease, sell and otherwise dispose of pollution control and surface mined land reclamation facilities to the end that the State authority may be able to promote the health and welfare of the people of this State and to vest such State authority with all powers to enable such State authority to accomplish such purpose; it is not intended by this Act that the State authority shall itself be authorized to operate any such pollution control, hazardous waste treatment or surface mined land reclamation facilities; nor shall any such facilities be geographically located outside the State of Illinois, except as otherwise provided in this Act. It is the intent of the General Assembly that access to the benefits of the financing herein provided for shall be equally available to all persons.

(c) It is the intent of the General Assembly that the State authority shall give special consideration to small businesses as defined in paragraph (i) of Section 3 of this Act in authorizing the issuance of bonds for the financing of pollution control or hazardous waste treatment facilities in order to assist small businesses in surviving the economic burdens imposed by the required financing of such facilities.

(d) Notwithstanding paragraph (b) of this Section, it is the intent of the General Assembly that with respect to applications involving environmental facilities for new coal-fired electric steam generating plants and new coal-fired industrial boilers as defined in paragraph (j) of Section 3 of this Act, the State authority shall only finance such facilities where Illinois coal will be used as the primary source of fuel. The Authority shall impose appropriate financial penalties on any person who receives financing from the State Authority for environmental facilities based on a commitment to use Illinois coal as the primary source of fuel at a new coal-fired electric utility steam generating plant or new coal-fired industrial boiler and later uses a non-Illinois coal as the primary source of fuel.

(e) It is the intent of the General Assembly that the Authority give special consideration to projects which involve a reduction in volume of hazardous waste products generated, or the recycling, re-use, reclamation, or treatment of hazardous waste.

(f) This Act shall be liberally construed to accomplish the intentions expressed herein.

"Renewable energy resources" includes energy and its associated renewable energy credit or renewable energy credits from wind, solar thermal energy, photovoltaic cells and panels, biodiesel, anaerobic digestion, crops and untreated and unadulterated organic waste biomass, tree waste, hydropower that does not involve new construction or significant expansion of hydropower dams, and other alternative sources of environmentally preferable energy. For purposes of this Act, landfill gas produced in the State is considered a renewable energy resource.

"Renewable energy resources" does not include the incineration or burning of tires, garbage, general household, institutional, and commercial waste, industrial lunchroom or office waste, landscape waste other than tree waste, railroad crossties, utility poles, or construction or demolition debris, other than untreated and unadulterated waste wood.

"Revenue bond" means any bond, note, or other evidence of indebtedness issued by the Authority, the principal and interest of which is payable solely from revenues or income derived from any project or activity of the Agency.

"Sequester" means permanent storage of carbon dioxide by injecting it into a saline aquifer, a depleted gas reservoir, or an oil reservoir, directly or through an enhanced oil recovery process that may involve intermediate storage, regardless of whether these activities are conducted by a clean coal facility, a clean coal SNG facility, a clean coal SNG brownfield facility, or a party with which a clean coal facility, clean coal SNG facility, or clean coal SNG brownfield facility has contracted for such purposes.

"Sourcing agreement" means (i) in the case of an electric utility, an agreement between the owner of a clean coal facility and such electric utility, which agreement shall have terms and conditions meeting the requirements of paragraph (3) of subsection (d) of Section 1-75, (ii) in the case of an alternative retail electric supplier, an agreement between the owner of a clean coal facility and such alternative retail electric supplier,
which agreement shall have terms and conditions meeting the requirements of Section 16-115(d)(5) of the Public Utilities Act, and (iii) in case of a gas utility, an agreement between the owner of a clean coal SNG brownfield facility and the gas utility, which agreement shall have the terms and conditions meeting the requirements of subsection (h-1) of Section 9-220 of the Public Utilities Act.

"Substitute natural gas" or "SNG" means a gas manufactured by gasification of hydrocarbon feedstock, which is substantially interchangeable in use and distribution with conventional natural gas.

"Total resource cost test" or "TRC test" means a standard that is met if, for an investment in energy efficiency or demand-response measures, the benefit-cost ratio is greater than one. The benefit-cost ratio is the ratio of the net present value of the total benefits of the program to the net present value of the total costs as calculated over the lifetime of the measures. A total resource cost test compares the sum of avoided electric utility costs, representing the benefits that accrue to the system and the participant in the delivery of those efficiency measures, as well as other quantifiable societal benefits, including avoided natural gas utility costs, to the sum of all incremental costs of end-use measures that are implemented due to the program (including both utility and participant contributions), plus costs to administer, deliver, and evaluate each demand-side program, to quantify the net savings obtained by substituting the demand-side program for supply resources. In calculating avoided costs of power and energy that an electric utility would otherwise have had to acquire, reasonable estimates shall be included of financial costs likely to be imposed by future regulations and legislation on emissions of greenhouse gases.

Section 20. The Illinois Municipal Code is amended by changing Section 11-20-12 as follows:

(65 ILCS 5/11-20-12) (from Ch. 24, par. 11-20-12)
Sec. 11-20-12. Removal of infected trees.

(a) The corporate authorities of each municipality may provide for the treatment or removal of elm trees infected with Dutch elm disease or ash trees infected with the emerald ash borer (Agrilus planipennis Fairmaire) from any parcel of private property within the municipality if the owners of that parcel, after reasonable notice, refuse or neglect to treat or remove the infected trees. The municipality may collect, from the owners of the parcel, the reasonable removal cost.

(b) The municipality's removal cost under this Section is a lien upon the underlying parcel in accordance with Section 11-20-15.

(c) For the purpose of this Section, "removal cost" means the total cost of the removal of the infected trees. "Treatment" means the administration, by environmentally sensitive processes and methods, of products and materials proven by academic research to protect elm and

ash trees from an invasive disease in order to prevent or reverse the damage and preserve the trees.

(d) In the case of an abandoned residential property as defined in Section 11-20-15.1, the municipality may elect to obtain a lien for the removal cost pursuant to Section 11-20-15.1, in which case the provisions of Section 11-20-15.1 shall be the exclusive remedy for the removal cost.

The provisions of this subsection (d), other than this sentence, are inoperative upon certification by the Secretary of the Illinois Department of Financial and Professional Regulation, after consultation with the United States Department of Housing and Urban Development, that the Mortgage Electronic Registration System program is effectively registering substantially all mortgaged residential properties located in the State of Illinois, is available for access by all municipalities located in the State of Illinois without charge to them, and such registration includes the telephone number for the mortgage servicer.

Section 25. The Public Utilities Act is amended by changing Sections 8-103 and 8-104 as follows:

(220 ILCS 5/8-103)

Sec. 8-103. Energy efficiency and demand-response measures.

(a) It is the policy of the State that electric utilities are required to use cost-effective energy efficiency and demand-response measures to reduce delivery load. Requiring investment in cost-effective energy efficiency and demand-response measures will reduce direct and indirect costs to consumers by decreasing environmental impacts and by avoiding or delaying the need for new generation, transmission, and distribution infrastructure. It serves the public interest to allow electric utilities to recover costs for reasonably and prudently incurred expenses for energy efficiency and demand-response measures. As used in this Section, "cost-effective" means that the measures satisfy the total resource cost test. The low-income measures described in subsection (f)(4) of this Section shall not be required to meet the total resource cost test. For purposes of this Section, the terms "energy-efficiency", "demand-response", "electric utility", and "total resource cost test" shall have the meanings set forth in the Illinois Power Agency Act. For purposes of this Section, the amount per kilowatthour means the total amount paid for electric service expressed on a per kilowatthour basis. For purposes of this Section, the total amount

New matter indicated in italics - deletions by strikeout
paid for electric service includes without limitation estimated amounts
paid for supply, transmission, distribution, surcharges, and add-on-taxes.

(b) Electric utilities shall implement cost-effective energy efficiency measures to meet the following incremental annual energy savings goals:

1. 0.2% of energy delivered in the year commencing June 1, 2008;
2. 0.4% of energy delivered in the year commencing June 1, 2009;
3. 0.6% of energy delivered in the year commencing June 1, 2010;
4. 0.8% of energy delivered in the year commencing June 1, 2011;
5. 1% of energy delivered in the year commencing June 1, 2012;
6. 1.4% of energy delivered in the year commencing June 1, 2013;
7. 1.8% of energy delivered in the year commencing June 1, 2014; and
8. 2% of energy delivered in the year commencing June 1, 2015 and each year thereafter.

Electric utilities may comply with this subsection (b) by meeting the annual incremental savings goal in the applicable year or by showing that the total cumulative annual savings within a 3-year planning period associated with measures implemented after May 31, 2014 was equal to the sum of each annual incremental savings requirement from May 31, 2014 through the end of the applicable year.

(c) Electric utilities shall implement cost-effective demand-response measures to reduce peak demand by 0.1% over the prior year for eligible retail customers, as defined in Section 16-111.5 of this Act, and for customers that elect hourly service from the utility pursuant to Section 16-107 of this Act, provided those customers have not been declared competitive. This requirement commences June 1, 2008 and continues for 10 years.

(d) Notwithstanding the requirements of subsections (b) and (c) of this Section, an electric utility shall reduce the amount of energy efficiency and demand-response measures implemented over a 3-year planning period in any single year by an amount necessary to limit the estimated

New matter indicated in italics - deletions by strikeout
average annual increase in the amounts paid by retail customers in connection with electric service due to the cost of those measures to:

(1) in 2008, no more than 0.5% of the amount paid per kilowatthour by those customers during the year ending May 31, 2007;

(2) in 2009, the greater of an additional 0.5% of the amount paid per kilowatthour by those customers during the year ending May 31, 2008 or 1% of the amount paid per kilowatthour by those customers during the year ending May 31, 2007;

(3) in 2010, the greater of an additional 0.5% of the amount paid per kilowatthour by those customers during the year ending May 31, 2009 or 1.5% of the amount paid per kilowatthour by those customers during the year ending May 31, 2007;

(4) in 2011, the greater of an additional 0.5% of the amount paid per kilowatthour by those customers during the year ending May 31, 2010 or 2% of the amount paid per kilowatthour by those customers during the year ending May 31, 2007; and

(5) thereafter, the amount of energy efficiency and demand-response measures implemented for any single year shall be reduced by an amount necessary to limit the estimated average net increase due to the cost of these measures included in the amounts paid by eligible retail customers in connection with electric service to no more than the greater of 2.015% of the amount paid per kilowatthour by those customers during the year ending May 31, 2007 or the incremental amount per kilowatthour paid for these measures in 2011.

No later than June 30, 2011, the Commission shall review the limitation on the amount of energy efficiency and demand-response measures implemented pursuant to this Section and report to the General Assembly its findings as to whether that limitation unduly constrains the procurement of energy efficiency and demand-response measures.

(e) Electric utilities shall be responsible for overseeing the design, development, and filing of energy efficiency and demand-response plans with the Commission. Electric utilities shall implement 100% of the demand-response measures in the plans. Electric utilities shall implement 75% of the energy efficiency measures approved by the Commission, and may, as part of that implementation, outsource various aspects of program development and implementation. The remaining 25% of those energy efficiency measures approved by the Commission shall be implemented by

New matter indicated in italics - deletions by strikeout
the Department of Commerce and Economic Opportunity, and must be
designed in conjunction with the utility and the filing process. The
Department may outsource development and implementation of energy
efficiency measures. A minimum of 10% of the entire portfolio of cost-
effective energy efficiency measures shall be procured from units of local
government, municipal corporations, school districts, and community
college districts. The Department shall coordinate the implementation of
these measures.

The apportionment of the dollars to cover the costs to implement
the Department's share of the portfolio of energy efficiency measures shall
be made to the Department once the Department has executed rebate
agreements, grants, or contracts for energy efficiency measures and
provided supporting documentation for those rebate agreements, grants,
and contracts to the utility. The Department is authorized to adopt any
rules necessary and prescribe procedures in order to ensure compliance by
applicants in carrying out the purposes of rebate agreements for energy
efficiency measures implemented by the Department made under this
Section.

The details of the measures implemented by the Department shall
be submitted by the Department to the Commission in connection with the
utility's filing regarding the energy efficiency and demand-response
measures that the utility implements.

A utility providing approved energy efficiency and demand-
response measures in the State shall be permitted to recover costs of those
measures through an automatic adjustment clause tariff filed with and
approved by the Commission. The tariff shall be established outside the
context of a general rate case. Each year the Commission shall initiate a
review to reconcile any amounts collected with the actual costs and to
determine the required adjustment to the annual tariff factor to match
annual expenditures.

Each utility shall include, in its recovery of costs, the costs
estimated for both the utility's and the Department's implementation of
energy efficiency and demand-response measures. Costs collected by the
utility for measures implemented by the Department shall be submitted to
the Department pursuant to Section 605-323 of the Civil Administrative
Code of Illinois, shall be deposited into the Energy Efficiency Portfolio
Standards Fund, and shall be used by the Department solely for the
purpose of implementing these measures. A utility shall not be required to
advance any moneys to the Department but only to forward such funds as

New matter indicated in italics - deletions by strikeout
it has collected. The Department shall report to the Commission on an annual basis regarding the costs actually incurred by the Department in the implementation of the measures. Any changes to the costs of energy efficiency measures as a result of plan modifications shall be appropriately reflected in amounts recovered by the utility and turned over to the Department.

The portfolio of measures, administered by both the utilities and the Department, shall, in combination, be designed to achieve the annual savings targets described in subsections (b) and (c) of this Section, as modified by subsection (d) of this Section.

The utility and the Department shall agree upon a reasonable portfolio of measures and determine the measurable corresponding percentage of the savings goals associated with measures implemented by the utility or Department.

No utility shall be assessed a penalty under subsection (f) of this Section for failure to make a timely filing if that failure is the result of a lack of agreement with the Department with respect to the allocation of responsibilities or related costs or target assignments. In that case, the Department and the utility shall file their respective plans with the Commission and the Commission shall determine an appropriate division of measures and programs that meets the requirements of this Section.

If the Department is unable to meet incremental annual performance goals for the portion of the portfolio implemented by the Department, then the utility and the Department shall jointly submit a modified filing to the Commission explaining the performance shortfall and recommending an appropriate course going forward, including any program modifications that may be appropriate in light of the evaluations conducted under item (7) of subsection (f) of this Section. In this case, the utility obligation to collect the Department's costs and turn over those funds to the Department under this subsection (e) shall continue only if the Commission approves the modifications to the plan proposed by the Department.

(f) No later than November 15, 2007, each electric utility shall file an energy efficiency and demand-response plan with the Commission to meet the energy efficiency and demand-response standards for 2008 through 2010. No later than October 1, 2010, each electric utility shall file an energy efficiency and demand-response plan with the Commission to meet the energy efficiency and demand-response standards for 2011 through 2013. Every 3 years thereafter, each electric utility shall file, no
later than September 1, an energy efficiency and demand-response plan with the Commission. If a utility does not file such a plan by September 1 of an applicable year, it shall face a penalty of $100,000 per day until the plan is filed. Each utility's plan shall set forth the utility's proposals to meet the utility's portion of the energy efficiency standards identified in subsection (b) and the demand-response standards identified in subsection (c) of this Section as modified by subsections (d) and (e), taking into account the unique circumstances of the utility's service territory. The Commission shall seek public comment on the utility's plan and shall issue an order approving or disapproving each plan within 5 months after its submission. If the Commission disapproves a plan, the Commission shall, within 30 days, describe in detail the reasons for the disapproval and describe a path by which the utility may file a revised draft of the plan to address the Commission's concerns satisfactorily. If the utility does not refile with the Commission within 60 days, the utility shall be subject to penalties at a rate of $100,000 per day until the plan is filed. This process shall continue, and penalties shall accrue, until the utility has successfully filed a portfolio of energy efficiency and demand-response measures. Penalties shall be deposited into the Energy Efficiency Trust Fund. In submitting proposed energy efficiency and demand-response plans and funding levels to meet the savings goals adopted by this Act the utility shall:

(1) Demonstrate that its proposed energy efficiency and demand-response measures will achieve the requirements that are identified in subsections (b) and (c) of this Section, as modified by subsections (d) and (e).

(2) Present specific proposals to implement new building and appliance standards that have been placed into effect.

(3) Present estimates of the total amount paid for electric service expressed on a per kilowatthour basis associated with the proposed portfolio of measures designed to meet the requirements that are identified in subsections (b) and (c) of this Section, as modified by subsections (d) and (e).

(4) Coordinate with the Department to present a portfolio of energy efficiency measures proportionate to the share of total annual utility revenues in Illinois from households at or below 150% of the poverty level. The energy efficiency programs shall be targeted to households with incomes at or below 80% of area median income.

New matter indicated in italics - deletions by strikeout
(5) Demonstrate that its overall portfolio of energy efficiency and demand-response measures, not including programs covered by item (4) of this subsection (f), are cost-effective using the total resource cost test and represent a diverse cross-section of opportunities for customers of all rate classes to participate in the programs.

(6) Include a proposed cost-recovery tariff mechanism to fund the proposed energy efficiency and demand-response measures and to ensure the recovery of the prudently and reasonably incurred costs of Commission-approved programs.

(7) Provide for an annual independent evaluation of the performance of the cost-effectiveness of the utility's portfolio of measures and the Department's portfolio of measures, as well as a full review of the 3-year results of the broader net program impacts and, to the extent practical, for adjustment of the measures on a going-forward basis as a result of the evaluations. The resources dedicated to evaluation shall not exceed 3% of portfolio resources in any given year.

(g) No more than 3% of energy efficiency and demand-response program revenue may be allocated for demonstration of breakthrough equipment and devices.

(h) This Section does not apply to an electric utility that on December 31, 2005 provided electric service to fewer than 100,000 customers in Illinois.

(i) If, after 2 years, an electric utility fails to meet the efficiency standard specified in subsection (b) of this Section, as modified by subsections (d) and (e), it shall make a contribution to the Low-Income Home Energy Assistance Program. The combined total liability for failure to meet the goal shall be $1,000,000, which shall be assessed as follows: a large electric utility shall pay $665,000, and a medium electric utility shall pay $335,000. If, after 3 years, an electric utility fails to meet the efficiency standard specified in subsection (b) of this Section, as modified by subsections (d) and (e), it shall make a contribution to the Low-Income Home Energy Assistance Program. The combined total liability for failure to meet the goal shall be $1,000,000, which shall be assessed as follows: a large electric utility shall pay $665,000, and a medium electric utility shall pay $335,000. In addition, the responsibility for implementing the energy efficiency measures of the utility making the payment shall be transferred to the Illinois Power Agency if, after 3 years, or in any subsequent 3-year

New matter indicated in italics - deletions by strikeout
period, the utility fails to meet the efficiency standard specified in subsection (b) of this Section, as modified by subsections (d) and (e). The Agency shall implement a competitive procurement program to procure resources necessary to meet the standards specified in this Section as modified by subsections (d) and (e), with costs for those resources to be recovered in the same manner as products purchased through the procurement plan as provided in Section 16-111.5. The Director shall implement this requirement in connection with the procurement plan as provided in Section 16-111.5.

For purposes of this Section, (i) a "large electric utility" is an electric utility that, on December 31, 2005, served more than 2,000,000 electric customers in Illinois; (ii) a "medium electric utility" is an electric utility that, on December 31, 2005, served 2,000,000 or fewer but more than 100,000 electric customers in Illinois; and (iii) Illinois electric utilities that are affiliated by virtue of a common parent company are considered a single electric utility.

(j) If, after 3 years, or any subsequent 3-year period, the Department fails to implement the Department's share of energy efficiency measures required by the standards in subsection (b), then the Illinois Power Agency may assume responsibility for and control of the Department's share of the required energy efficiency measures. The Agency shall implement a competitive procurement program to procure resources necessary to meet the standards specified in this Section, with the costs of these resources to be recovered in the same manner as provided for the Department in this Section.

(k) No electric utility shall be deemed to have failed to meet the energy efficiency standards to the extent any such failure is due to a failure of the Department or the Agency.

Sec. 8-104. Natural gas energy efficiency programs.

(a) It is the policy of the State that natural gas utilities and the Department of Commerce and Economic Opportunity are required to use cost-effective energy efficiency to reduce direct and indirect costs to consumers. It serves the public interest to allow natural gas utilities to recover costs for reasonably and prudently incurred expenses for cost-effective energy efficiency measures.

New matter indicated in italics - deletions by strikeout
(b) For purposes of this Section, "energy efficiency" means measures that reduce the amount of energy required to achieve a given end use. "Energy efficiency" also includes measures that reduce the total Btus of electricity and natural gas needed to meet the end use or uses. "Cost-effective" and "cost-effective" means that the measures satisfy the total resource cost test which, for purposes of this Section, means a standard that is met if, for an investment in energy efficiency, the benefit-cost ratio is greater than one. The benefit-cost ratio is the ratio of the net present value of the total benefits of the measures to the net present value of the total costs as calculated over the lifetime of the measures. The total resource cost test compares the sum of avoided natural gas utility costs, representing the benefits that accrue to the system and the participant in the delivery of those efficiency measures, as well as other quantifiable societal benefits, including avoided electric utility costs, to the sum of all incremental costs of end use measures (including both utility and participant contributions), plus costs to administer, deliver, and evaluate each demand-side measure, to quantify the net savings obtained by substituting demand-side measures for supply resources. In calculating avoided costs, reasonable estimates shall be included for financial costs likely to be imposed by future regulation of emissions of greenhouse gases. The low-income programs described in item (4) of subsection (f) of this Section shall not be required to meet the total resource cost test.

(c) Natural gas utilities shall implement cost-effective energy efficiency measures to meet at least the following natural gas savings requirements, which shall be based upon the total amount of gas delivered to retail customers, other than the customers described in subsection (m) of this Section, during calendar year 2009 multiplied by the applicable percentage. Natural gas utilities may comply with this Section by meeting the annual incremental savings goal in the applicable year or by showing that total cumulative annual savings within a 3-year planning period associated with measures implemented after May 31, 2011 were equal to the sum of each annual incremental savings requirement from May 31, 2011 through the end of the applicable year:

(1) 0.2% by May 31, 2012;
(2) an additional 0.4% by May 31, 2013, increasing total savings to .6%;
(3) an additional 0.6% by May 31, 2014, increasing total savings to 1.2%;

New matter indicated in italics - deletions by strikeout
(4) an additional 0.8% by May 31, 2015, increasing total savings to 2.0%;
(5) an additional 1% by May 31, 2016, increasing total savings to 3.0%;
(6) an additional 1.2% by May 31, 2017, increasing total savings to 4.2%;
(7) an additional 1.4% by May 31, 2018, increasing total savings to 5.6%;
(8) an additional 1.5% by May 31, 2019, increasing total savings to 7.1%; and
(9) an additional 1.5% in each 12-month period thereafter.

(d) Notwithstanding the requirements of subsection (c) of this Section, a natural gas utility shall limit the amount of energy efficiency implemented in any 3-year reporting period established by subsection (f) of Section 8-104 of this Act, by an amount necessary to limit the estimated average increase in the amounts paid by retail customers in connection with natural gas service to no more than 2% in the applicable 3-year reporting period. The energy savings requirements in subsection (c) of this Section may be reduced by the Commission for the subject plan, if the utility demonstrates by substantial evidence that it is highly unlikely that the requirements could be achieved without exceeding the applicable spending limits in any 3-year reporting period. No later than September 1, 2013, the Commission shall review the limitation on the amount of energy efficiency measures implemented pursuant to this Section and report to the General Assembly, in the report required by subsection (k) of this Section, its findings as to whether that limitation unduly constrains the procurement of energy efficiency measures.

(e) Natural gas utilities shall be responsible for overseeing the design, development, and filing of their efficiency plans with the Commission. The utility shall utilize 75% of the available funding associated with energy efficiency programs approved by the Commission, and may outsource various aspects of program development and implementation. The remaining 25% of available funding shall be used by the Department of Commerce and Economic Opportunity to implement energy efficiency measures that achieve no less than 20% of the requirements of subsection (c) of this Section. Such measures shall be designed in conjunction with the utility and approved by the Commission. The Department may outsource development and implementation of energy efficiency measures. A minimum of 10% of the entire portfolio of
cost-effective energy efficiency measures shall be procured from local
government, municipal corporations, school districts, and community
college districts. Five percent of the entire portfolio of cost-effective
energy efficiency measures may be granted to local government and
municipal corporations for market transformation initiatives. The
Department shall coordinate the implementation of these measures and
shall integrate delivery of natural gas efficiency programs with electric
efficiency programs delivered pursuant to Section 8-103 of this Act, unless
the Department can show that integration is not feasible.

The apportionment of the dollars to cover the costs to implement
the Department's share of the portfolio of energy efficiency measures shall
be made to the Department once the Department has executed rebate
agreements, grants, or contracts for energy efficiency measures and
provided supporting documentation for those rebate agreements, grants,
and contracts to the utility. The Department is authorized to adopt any
rules necessary and prescribe procedures in order to ensure compliance by
applicants in carrying out the purposes of rebate agreements for energy
efficiency measures implemented by the Department made under this
Section.

The details of the measures implemented by the Department shall
be submitted by the Department to the Commission in connection with the
utility's filing regarding the energy efficiency measures that the utility
implements.

A utility providing approved energy efficiency measures in this
State shall be permitted to recover costs of those measures through an
automatic adjustment clause tariff filed with and approved by the
Commission. The tariff shall be established outside the context of a
general rate case and shall be applicable to the utility's customers other
than the customers described in subsection (m) of this Section. Each year
the Commission shall initiate a review to reconcile any amounts collected
with the actual costs and to determine the required adjustment to the
annual tariff factor to match annual expenditures.

Each utility shall include, in its recovery of costs, the costs
estimated for both the utility's and the Department's implementation of
energy efficiency measures. Costs collected by the utility for measures
implemented by the Department shall be submitted to the Department
pursuant to Section 605-323 of the Civil Administrative Code of Illinois,
shall be deposited into the Energy Efficiency Portfolio Standards Fund,
and shall be used by the Department solely for the purpose of

implementing these measures. A utility shall not be required to advance any moneys to the Department but only to forward such funds as it has collected. The Department shall report to the Commission on an annual basis regarding the costs actually incurred by the Department in the implementation of the measures. Any changes to the costs of energy efficiency measures as a result of plan modifications shall be appropriately reflected in amounts recovered by the utility and turned over to the Department.

The portfolio of measures, administered by both the utilities and the Department, shall, in combination, be designed to achieve the annual energy savings requirements set forth in subsection (c) of this Section, as modified by subsection (d) of this Section.

The utility and the Department shall agree upon a reasonable portfolio of measures and determine the measurable corresponding percentage of the savings goals associated with measures implemented by the Department.

No utility shall be assessed a penalty under subsection (f) of this Section for failure to make a timely filing if that failure is the result of a lack of agreement with the Department with respect to the allocation of responsibilities or related costs or target assignments. In that case, the Department and the utility shall file their respective plans with the Commission and the Commission shall determine an appropriate division of measures and programs that meets the requirements of this Section.

If the Department is unable to meet performance requirements for the portion of the portfolio implemented by the Department, then the utility and the Department shall jointly submit a modified filing to the Commission explaining the performance shortfall and recommending an appropriate course going forward, including any program modifications that may be appropriate in light of the evaluations conducted under item (8) of subsection (f) of this Section. In this case, the utility obligation to collect the Department's costs and turn over those funds to the Department under this subsection (e) shall continue only if the Commission approves the modifications to the plan proposed by the Department.

(f) No later than October 1, 2010, each gas utility shall file an energy efficiency plan with the Commission to meet the energy efficiency standards through May 31, 2014. Every 3 years thereafter, each utility shall file, no later than October 1, an energy efficiency plan with the Commission. If a utility does not file such a plan by October 1 of the applicable year, then it shall face a penalty of $100,000 per day until the

New matter indicated in italics - deletions by strikeout
plan is filed. Each utility's plan shall set forth the utility's proposals to meet the utility's portion of the energy efficiency standards identified in subsection (c) of this Section, as modified by subsection (d) of this Section, taking into account the unique circumstances of the utility's service territory. The Commission shall seek public comment on the utility's plan and shall issue an order approving or disapproving each plan. If the Commission disapproves a plan, the Commission shall, within 30 days, describe in detail the reasons for the disapproval and describe a path by which the utility may file a revised draft of the plan to address the Commission's concerns satisfactorily. If the utility does not refile with the Commission within 60 days after the disapproval, the utility shall be subject to penalties at a rate of $100,000 per day until the plan is filed. This process shall continue, and penalties shall accrue, until the utility has successfully filed a portfolio of energy efficiency measures. Penalties shall be deposited into the Energy Efficiency Trust Fund and the cost of any such penalties may not be recovered from ratepayers. In submitting proposed energy efficiency plans and funding levels to meet the savings goals adopted by this Act the utility shall:

(1) Demonstrate that its proposed energy efficiency measures will achieve the requirements that are identified in subsection (c) of this Section, as modified by subsection (d) of this Section.

(2) Present specific proposals to implement new building and appliance standards that have been placed into effect.

(3) Present estimates of the total amount paid for gas service expressed on a per therm basis associated with the proposed portfolio of measures designed to meet the requirements that are identified in subsection (c) of this Section, as modified by subsection (d) of this Section.

(4) Coordinate with the Department to present a portfolio of energy efficiency measures proportionate to the share of total annual utility revenues in Illinois from households at or below 150% of the poverty level. Such programs shall be targeted to households with incomes at or below 80% of area median income.

(5) Demonstrate that its overall portfolio of energy efficiency measures, not including programs covered by item (4) of this subsection (f), are cost-effective using the total resource cost test and represent a diverse cross section of opportunities for customers of all rate classes to participate in the programs.

New matter indicated in italics - deletions by strikeout
(6) Demonstrate that a gas utility affiliated with an electric utility that is required to comply with Section 8-103 of this Act has integrated gas and electric efficiency measures into a single program that reduces program or participant costs and appropriately allocates costs to gas and electric ratepayers. The Department shall integrate all gas and electric programs it delivers in any such utilities' service territories, unless the Department can show that integration is not feasible or appropriate.

(7) Include a proposed cost recovery tariff mechanism to fund the proposed energy efficiency measures and to ensure the recovery of the prudently and reasonably incurred costs of Commission-approved programs.

(8) Provide for quarterly status reports tracking implementation of and expenditures for the utility's portfolio of measures and the Department's portfolio of measures, an annual independent review, and a full independent evaluation of the 3-year results of the performance and the cost-effectiveness of the utility's and Department's portfolios of measures and broader net program impacts and, to the extent practical, for adjustment of the measures on a going forward basis as a result of the evaluations. The resources dedicated to evaluation shall not exceed 3% of portfolio resources in any given 3-year period.

(g) No more than 3% of expenditures on energy efficiency measures may be allocated for demonstration of breakthrough equipment and devices.

(h) Illinois natural gas utilities that are affiliated by virtue of a common parent company may, at the utilities' request, be considered a single natural gas utility for purposes of complying with this Section.

(i) If, after 3 years, a gas utility fails to meet the efficiency standard specified in subsection (c) of this Section as modified by subsection (d), then it shall make a contribution to the Low-Income Home Energy Assistance Program. The total liability for failure to meet the goal shall be assessed as follows:

(1) a large gas utility shall pay $600,000;
(2) a medium gas utility shall pay $400,000; and
(3) a small gas utility shall pay $200,000.

For purposes of this Section, (i) a "large gas utility" is a gas utility that on December 31, 2008, served more than 1,500,000 gas customers in Illinois; (ii) a "medium gas utility" is a gas utility that on December 31,
2008, served fewer than 1,500,000, but more than 500,000 gas customers in Illinois; and (iii) a "small gas utility" is a gas utility that on December 31, 2008, served fewer than 500,000 and more than 100,000 gas customers in Illinois. The costs of this contribution may not be recovered from ratepayers.

If a gas utility fails to meet the efficiency standard specified in subsection (c) of this Section, as modified by subsection (d) of this Section, in any 2 consecutive 3-year planning periods, then the responsibility for implementing the utility's energy efficiency measures shall be transferred to an independent program administrator selected by the Commission. Reasonable and prudent costs incurred by the independent program administrator to meet the efficiency standard specified in subsection (c) of this Section, as modified by subsection (d) of this Section, may be recovered from the customers of the affected gas utilities, other than customers described in subsection (m) of this Section. The utility shall provide the independent program administrator with all information and assistance necessary to perform the program administrator's duties including but not limited to customer, account, and energy usage data, and shall allow the program administrator to include inserts in customer bills. The utility may recover reasonable costs associated with any such assistance.

(j) No utility shall be deemed to have failed to meet the energy efficiency standards to the extent any such failure is due to a failure of the Department.

(k) Not later than January 1, 2012, the Commission shall develop and solicit public comment on a plan to foster statewide coordination and consistency between statutorily mandated natural gas and electric energy efficiency programs to reduce program or participant costs or to improve program performance. Not later than September 1, 2013, the Commission shall issue a report to the General Assembly containing its findings and recommendations.

(l) This Section does not apply to a gas utility that on January 1, 2009, provided gas service to fewer than 100,000 customers in Illinois.

(m) Subsections (a) through (k) of this Section do not apply to customers of a natural gas utility that have a North American Industry Classification System code number that is 22111 or any such code number beginning with the digits 31, 32, or 33 and (i) annual usage in the aggregate of 4 million therms or more within the service territory of the affected gas utility or with aggregate usage of 8 million therms or more in

this State and complying with the provisions of item (l) of this subsection (m); or (ii) using natural gas as feedstock and meeting the usage requirements described in item (i) of this subsection (m), to the extent such annual feedstock usage is greater than 60% of the customer's total annual usage of natural gas.

(1) Customers described in this subsection (m) of this Section shall apply, on a form approved on or before October 1, 2009 by the Department, to the Department to be designated as a self-directing customer ("SDC") or as an exempt customer using natural gas as a feedstock from which other products are made, including, but not limited to, feedstock for a hydrogen plant, on or before the 1st day of February, 2010. Thereafter, application may be made not less than 6 months before the filing date of the gas utility energy efficiency plan described in subsection (f) of this Section; however, a new customer that commences taking service from a natural gas utility after February 1, 2010 may apply to become a SDC or exempt customer up to 30 days after beginning service. Such application shall contain the following:

(A) the customer's certification that, at the time of its application, it qualifies to be a SDC or exempt customer described in this subsection (m) of this Section;

(B) in the case of a SDC, the customer's certification that it has established or will establish by the beginning of the utility's 3-year planning period commencing subsequent to the application, and will maintain for accounting purposes, an energy efficiency reserve account and that the customer will accrue funds in said account to be held for the purpose of funding, in whole or in part, energy efficiency measures of the customer's choosing, which may include, but are not limited to, projects involving combined heat and power systems that use the same energy source both for the generation of electrical or mechanical power and the production of steam or another form of useful thermal energy or the use of combustible gas produced from biomass, or both;

(C) in the case of a SDC, the customer's certification that annual funding levels for the energy efficiency reserve account will be equal to 2% of the customer's cost of natural gas, composed of the customer's
commodity cost and the delivery service charges paid to the
gas utility, or $150,000, whichever is less;

(D) in the case of a SDC, the customer's
certification that the required reserve account balance will
be capped at 3 years' worth of accruals and that the
customer may, at its option, make further deposits to the
account to the extent such deposit would increase the
reserve account balance above the designated cap level;

(E) in the case of a SDC, the customer's certification
that by October 1 of each year, beginning no sooner than
October 1, 2012, the customer will report to the Department
information, for the 12-month period ending May 31 of the
same year, on all deposits and reductions, if any, to the
reserve account during the reporting year, and to the extent
deposits to the reserve account in any year are in an amount
less than $150,000, the basis for such reduced deposits;
reserve account balances by month; a description of energy
efficiency measures undertaken by the customer and paid
for in whole or in part with funds from the reserve account;
an estimate of the energy saved, or to be saved, by the
measure; and that the report shall include a verification by
an officer or plant manager of the customer or by a
registered professional engineer or certified energy
efficiency trade professional that the funds withdrawn from
the reserve account were used for the energy efficiency
measures;

(F) in the case of an exempt customer, the
customer's certification of the level of gas usage as
feedstock in the customer's operation in a typical year and
that it will provide information establishing this level, upon
request of the Department;

(G) in the case of either an exempt customer or a
SDC, the customer's certification that it has provided the
gas utility or utilities serving the customer with a copy of
the application as filed with the Department;

(H) in the case of either an exempt customer or a
SDC, certification of the natural gas utility or utilities
serving the customer in Illinois including the natural gas
utility accounts that are the subject of the application; and

New matter indicated in italics - deletions by strikeout
(I) in the case of either an exempt customer or a SDC, a verification signed by a plant manager or an authorized corporate officer attesting to the truthfulness and accuracy of the information contained in the application.

(2) The Department shall review the application to determine that it contains the information described in provisions (A) through (I) of item (1) of this subsection (m), as applicable. The review shall be completed within 30 days after the date the application is filed with the Department. Absent a determination by the Department within the 30-day period, the applicant shall be considered to be a SDC or exempt customer, as applicable, for all subsequent 3-year planning periods, as of the date of filing the application described in this subsection (m). If the Department determines that the application does not contain the applicable information described in provisions (A) through (I) of item (1) of this subsection (m), it shall notify the customer, in writing, of its determination that the application does not contain the required information and identify the information that is missing, and the customer shall provide the missing information within 15 working days after the date of receipt of the Department's notification.

(3) The Department shall have the right to audit the information provided in the customer's application and annual reports to ensure continued compliance with the requirements of this subsection. Based on the audit, if the Department determines the customer is no longer in compliance with the requirements of items (A) through (I) of item (1) of this subsection (m), as applicable, the Department shall notify the customer in writing of the noncompliance. The customer shall have 30 days to establish its compliance, and failing to do so, may have its status as a SDC or exempt customer revoked by the Department. The Department shall treat all information provided by any customer seeking SDC status or exemption from the provisions of this Section as strictly confidential.

(4) Upon request, or on its own motion, the Commission may open an investigation, no more than once every 3 years and not before October 1, 2014, to evaluate the effectiveness of the self-directing program described in this subsection (m).

(n) The applicability of this Section to customers described in subsection (m) of this Section is conditioned on the existence of the SDC
program. In no event will any provision of this Section apply to such customers after January 1, 2020.

PUBLIC ACT 98-0091
(House Bill No. 2591)

AN ACT concerning employment.

Be it enacted by the People of the State of Illinois, represented in the General Assembly:

Section 1. Short title. This Act may be cited as the Illinois Employment First Act.

Section 5. Policy. It is the policy of this State that competitive and integrated employment shall be considered the first option when serving persons with disabilities of working age. This policy applies to programs and services that provide services and supports to help persons with disabilities obtain employment. All State agencies shall follow this policy and ensure that it is effectively implemented in their programs and services. Nothing in this Section shall be construed to require any employer to give preference to hiring persons with disabilities.

Section 10. Definitions. As used in this Act:

"Competitive employment" means work in the competitive labor market that is performed on a full-time or part-time basis in an integrated setting and for which an individual is compensated at or above the minimum wage, but not less than the customary wage and level of benefits paid by the employer for the same or similar work performed by individuals who are not disabled.

"Disability" has the meaning ascribed to that term in Section 10 of the Disabilities Services Act of 2003.

"Integrated setting" means with respect to an employment outcome, a setting typically found in the community in which applicants or eligible individuals interact with non-disabled individuals, other than non-disabled individuals who are providing services to those applicants or eligible

individuals, to the same extent that non-disabled individuals in comparable positions interact with other persons.

"State agency" means and includes all boards, commissions, agencies, institutions, authorities, and bodies politic and corporate of the State, created by or in accordance with the Illinois Constitution or State statute, of the executive branch of State government and does include colleges, universities, public employee retirement systems, and institutions under the jurisdiction of the governing boards of the University of Illinois, Southern Illinois University, Illinois State University, Eastern Illinois University, Northern Illinois University, Western Illinois University, Chicago State University, Governors State University, Northeastern Illinois University, and the Illinois Board of Higher Education.

Section 15. Agency coordination. All State agencies shall coordinate efforts and shall collaborate within and among such agencies to ensure that State programs, policies, procedures, and funding support competitive and integrated employment of persons with disabilities. All State agencies shall, whenever feasible, share data and information across systems in order to track progress toward full implementation of this Act. State agencies are authorized to adopt rules to implement this Act.

Section 20. Establishment of measurable goals and objectives. The Employment and Economic Opportunity for Persons with Disabilities Task Force established under the Employment and Economic Opportunity for Persons with Disabilities Task Force Act shall establish measurable goals and objectives for the State to ensure implementation of this Act and monitor the measured progress toward implementation of this Act. All State agencies shall fully cooperate with the Task Force and provide data and information to assist the Task Force in carrying out its responsibilities. The Task Force shall include in its annual report a progress report on the implementation of this Act and any recommendations with respect to the implementation of this Act.

Section 99. Effective date. This Act takes effect upon becoming law.

Passed in the General Assembly May 14, 2013.
Approved July 16, 2013.
Effective July 16, 2013.
PUBLIC ACT 98-0092
(House Bill No. 2993)

AN ACT concerning public employee benefits.

Be it enacted by the People of the State of Illinois, represented in the General Assembly:

(40 ILCS 5/1-160)
Sec. 1-160. Provisions applicable to new hires.

(a) The provisions of this Section apply to a person who, on or after January 1, 2011, first becomes a member or a participant under any reciprocal retirement system or pension fund established under this Code, other than a retirement system or pension fund established under Article 2, 3, 4, 5, 6, 15 or 18 of this Code, notwithstanding any other provision of this Code to the contrary, but do not apply to any self-managed plan established under this Code, to any person with respect to service as a sheriff's law enforcement employee under Article 7, or to any participant of the retirement plan established under Section 22-101.

(b) "Final average salary" means the average monthly (or annual) salary obtained by dividing the total salary or earnings calculated under the Article applicable to the member or participant during the 96 consecutive months (or 8 consecutive years) of service within the last 120 months (or 10 years) of service in which the total salary or earnings calculated under the applicable Article was the highest by the number of months (or years) of service in that period. For the purposes of a person who first becomes a member or participant of any retirement system or pension fund to which this Section applies on or after January 1, 2011, in this Code, "final average salary" shall be substituted for the following:

(1) In Article Articles 7 (except for service as sheriff's law enforcement employees) and 15, "final rate of earnings".

(2) In Articles 8, 9, 10, 11, and 12, "highest average annual salary for any 4 consecutive years within the last 10 years of service immediately preceding the date of withdrawal".

(3) In Article 13, "average final salary".

New matter indicated in italics - deletions by strikeout
(4) In Article 14, "final average compensation".
(5) In Article 17, "average salary".
(6) In Section 22-207, "wages or salary received by him at the date of retirement or discharge".

(b-5) Beginning on January 1, 2011, for all purposes under this Code (including without limitation the calculation of benefits and employee contributions), the annual earnings, salary, or wages (based on the plan year) of a member or participant to whom this Section applies shall not exceed $106,800; however, that amount shall annually thereafter be increased by the lesser of (i) 3% of that amount, including all previous adjustments, or (ii) one-half the annual unadjusted percentage increase (but not less than zero) in the consumer price index-u for the 12 months ending with the September preceding each November 1, including all previous adjustments.

For the purposes of this Section, "consumer price index-u" means the index published by the Bureau of Labor Statistics of the United States Department of Labor that measures the average change in prices of goods and services purchased by all urban consumers, United States city average, all items, 1982-84 = 100. The new amount resulting from each annual adjustment shall be determined by the Public Pension Division of the Department of Insurance and made available to the boards of the retirement systems and pension funds by November 1 of each year.

(c) A member or participant is entitled to a retirement annuity upon written application if he or she has attained age 67 and has at least 10 years of service credit and is otherwise eligible under the requirements of the applicable Article.

A member or participant who has attained age 62 and has at least 10 years of service credit and is otherwise eligible under the requirements of the applicable Article may elect to receive the lower retirement annuity provided in subsection (d) of this Section.

(d) The retirement annuity of a member or participant who is retiring after attaining age 62 with at least 10 years of service credit shall be reduced by one-half of 1% for each full month that the member's age is under age 67.

(e) Any retirement annuity or supplemental annuity shall be subject to annual increases on the January 1 occurring either on or after the attainment of age 67 or the first anniversary of the annuity start date, whichever is later. Each annual increase shall be calculated at 3% or one-half the annual unadjusted percentage increase (but not less than zero) in

New matter indicated in italics - deletions by strikeout
the consumer price index-u for the 12 months ending with the September preceding each November 1, whichever is less, of the originally granted retirement annuity. If the annual unadjusted percentage change in the consumer price index-u for the 12 months ending with the September preceding each November 1 is zero or there is a decrease, then the annuity shall not be increased.

(f) The initial survivor's or widow's annuity of an otherwise eligible survivor or widow of a retired member or participant who first became a member or participant on or after January 1, 2011 shall be in the amount of 66 2/3% of the retired member's or participant's retirement annuity at the date of death. In the case of the death of a member or participant who has not retired and who first became a member or participant on or after January 1, 2011, eligibility for a survivor's or widow's annuity shall be determined by the applicable Article of this Code. The initial benefit shall be 66 2/3% of the earned annuity without a reduction due to age. A child's annuity of an otherwise eligible child shall be in the amount prescribed under each Article if applicable. Any survivor's or widow's annuity shall be increased (1) on each January 1 occurring on or after the commencement of the annuity if the deceased member died while receiving a retirement annuity or (2) in other cases, on each January 1 occurring after the first anniversary of the commencement of the annuity. Each annual increase shall be calculated at 3% or one-half the annual unadjusted percentage increase (but not less than zero) in the consumer price index-u for the 12 months ending with the September preceding each November 1, whichever is less, of the originally granted survivor's annuity. If the annual unadjusted percentage change in the consumer price index-u for the 12 months ending with the September preceding each November 1 is zero or there is a decrease, then the annuity shall not be increased.

(g) The benefits in Section 14-110 apply only if the person is a State policeman, a fire fighter in the fire protection service of a department, or a security employee of the Department of Corrections or the Department of Juvenile Justice, as those terms are defined in subsection (b) of Section 14-110. A person who meets the requirements of this Section is entitled to an annuity calculated under the provisions of Section 14-110, in lieu of the regular or minimum retirement annuity, only if the person has withdrawn from service with not less than 20 years of eligible creditable service and has attained age 60, regardless of whether the attainment of age 60 occurs while the person is still in service.

New matter indicated in italics - deletions by strikeout
(h) If a person who first becomes a member or a participant of a retirement system or pension fund subject to this Section on or after January 1, 2011 is receiving a retirement annuity or retirement pension under that system or fund and becomes a member or participant under any other system or fund created by this Code and is employed on a full-time basis, except for those members or participants exempted from the provisions of this Section under subsection (a) of this Section, then the person's retirement annuity or retirement pension under that system or fund shall be suspended during that employment. Upon termination of that employment, the person's retirement annuity or retirement pension payments shall resume and be recalculated if recalculation is provided for under the applicable Article of this Code.

If a person who first becomes a member of a retirement system or pension fund subject to this Section on or after January 1, 2012 and is receiving a retirement annuity or retirement pension under that system or fund and accepts on a contractual basis a position to provide services to a governmental entity from which he or she has retired, then that person's annuity or retirement pension earned as an active employee of the employer shall be suspended during that contractual service. A person receiving an annuity or retirement pension under this Code shall notify the pension fund or retirement system from which he or she is receiving an annuity or retirement pension, as well as his or her contractual employer, of his or her retirement status before accepting contractual employment. A person who fails to submit such notification shall be guilty of a Class A misdemeanor and required to pay a fine of $1,000. For an employee with less than 48 months or 4 consecutive academic years of service, the average earnings during his or her entire period of service. The earnings of an employee with more than 36 months of service prior to the date of becoming a participant are, for such period, considered equal to the average earnings during the last 36 months of such service.

(b) This subsection (b) applies to a Tier 2 member person to whom subsection (a) does not apply.

For an employee who is paid on an hourly basis or who receives an annual salary in installments during 12 months of each academic year, the average annual earnings obtained by dividing by 8 the total earnings of the employee during the 96 consecutive months in which the total earnings were the highest within the last 120 months prior to termination.

(e) For a Tier 1 member participant who retires on or after the effective date of this amendatory Act of 1997 with at least 20 years of service as a firefighter or police officer under this Article, the final rate of earnings shall be the annual rate of earnings received by the participant on his or her last day as a firefighter or police officer under this Article, if that is greater than the final rate of earnings as calculated under the other provisions of this Section.
(f) If a Tier 1 member participant to whom subsection (a) of this Section applies is an employee for at least 6 months during the academic year in which his or her employment is terminated, the annual final rate of earnings shall be 25% of the sum of (1) the annual basic compensation for that year, and (2) the amount earned during the 36 months immediately preceding that year, if this is greater than the final rate of earnings as calculated under the other provisions of this Section.

(g) In the determination of the final rate of earnings for an employee, that part of an employee's earnings for any academic year beginning after June 30, 1997, which exceeds the employee's earnings with that employer for the preceding year by more than 20 percent shall be excluded; in the event that an employee has more than one employer this limitation shall be calculated separately for the earnings with each employer. In making such calculation, only the basic compensation of employees shall be considered, without regard to vacation or overtime or to contracts for summer employment.

(h) The following are not considered as earnings in determining final rate of earnings: (1) severance or separation pay, (2) retirement pay, (3) payment for unused sick leave, and (4) payments from an employer for the period used in determining final rate of earnings for any purpose other than (i) services rendered, (ii) leave of absence or vacation granted during that period, and (iii) vacation of up to 56 work days allowed upon termination of employment; except that, if the benefit has been collectively bargained between the employer and the recognized collective bargaining agent pursuant to the Illinois Educational Labor Relations Act, payment received during a period of up to 2 academic years for unused sick leave may be considered as earnings in accordance with the applicable collective bargaining agreement, subject to the 20% increase limitation of this Section. Any unused sick leave considered as earnings under this Section shall not be taken into account in calculating service credit under Section 15-113.4.

(i) Intermittent periods of service shall be considered as consecutive in determining final rate of earnings.

Sec. 15-136. Retirement annuities - Amount. The provisions of this Section 15-136 apply only to those participants who are participating in the traditional benefit package or the portable benefit package and do not apply to participants who are participating in the self-managed plan.

(a) The amount of a participant's retirement annuity, expressed in the form of a single-life annuity, shall be determined by whichever of the following rules is applicable and provides the largest annuity:

Rule 1: The retirement annuity shall be 1.67% of final rate of earnings for each of the first 10 years of service, 1.90% for each of the next 10 years of service, 2.10% for each year of service in excess of 20 but not exceeding 30, and 2.30% for each year in excess of 30; or for persons who retire on or after January 1, 1998, 2.2% of the final rate of earnings for each year of service.

Rule 2: The retirement annuity shall be the sum of the following, determined from amounts credited to the participant in accordance with the actuarial tables and the effective rate of interest in effect at the time the retirement annuity begins:

(i) the normal annuity which can be provided on an actuarially equivalent basis, by the accumulated normal contributions as of the date the annuity begins;

(ii) an annuity from employer contributions of an amount equal to that which can be provided on an actuarially equivalent basis from the accumulated normal contributions made by the participant under Section 15-113.6 and Section 15-113.7 plus 1.4 times all other accumulated normal contributions made by the participant; and

New matter indicated in italics - deletions by strikeout
(iii) the annuity that can be provided on an actuarially equivalent basis from the entire contribution made by the participant under Section 15-113.3.

With respect to a police officer or firefighter who retires on or after August 14, 1998, the accumulated normal contributions taken into account under clauses (i) and (ii) of this Rule 2 shall include the additional normal contributions made by the police officer or firefighter under Section 15-157(a).

The amount of a retirement annuity calculated under this Rule 2 shall be computed solely on the basis of the participant's accumulated normal contributions, as specified in this Rule and defined in Section 15-116. Neither an employee or employer contribution for early retirement under Section 15-136.2 nor any other employer contribution shall be used in the calculation of the amount of a retirement annuity under this Rule 2.

This amendatory Act of the 91st General Assembly is a clarification of existing law and applies to every participant and annuitant without regard to whether status as an employee terminates before the effective date of this amendatory Act.

This Rule 2 does not apply to a person who first becomes an employee under this Article on or after July 1, 2005.

Rule 3: The retirement annuity of a participant who is employed at least one-half time during the period on which his or her final rate of earnings is based, shall be equal to the participant's years of service not to exceed 30, multiplied by (1) $96 if the participant's final rate of earnings is less than $3,500, (2) $108 if the final rate of earnings is at least $3,500 but less than $4,500, (3) $120 if the final rate of earnings is at least $4,500 but less than $5,500, (4) $132 if the final rate of earnings is at least $5,500 but less than $6,500, (5) $144 if the final rate of earnings is at least $6,500 but less than $7,500, (6) $156 if the final rate of earnings is at least $7,500 but less than $8,500, (7) $168 if the final rate of earnings is at least $8,500 but less than $9,500, and (8) $180 if the final rate of earnings is $9,500 or more, except that the annuity for those persons having made an election under Section 15-154(a-1) shall be calculated and payable under the portable retirement benefit program pursuant to the provisions of Section 15-136.4.

Rule 4: A participant who is at least age 50 and has 25 or more years of service as a police officer or firefighter, and a participant who is age 55 or over and has at least 20 but less than 25 years of service as a police officer or firefighter, shall be entitled to a retirement annuity of 2

New matter indicated in italics - deletions by strikeout
1/4% of the final rate of earnings for each of the first 10 years of service as a police officer or firefighter, 2 1/2% for each of the next 10 years of service as a police officer or firefighter, and 2 3/4% for each year of service as a police officer or firefighter in excess of 20. The retirement annuity for all other service shall be computed under Rule 1. A Tier 2 member is eligible for a retirement annuity calculated under Rule 4 only if that Tier 2 member meets the service requirements for that benefit calculation as prescribed under this Rule 4 in addition to the applicable age requirement under subsection (a-5) of Section 15-135.

For purposes of this Rule 4, a participant's service as a firefighter shall also include the following:

(i) service that is performed while the person is an employee under subsection (h) of Section 15-107; and

(ii) in the case of an individual who was a participating employee employed in the fire department of the University of Illinois's Champaign-Urbana campus immediately prior to the elimination of that fire department and who immediately after the elimination of that fire department transferred to another job with the University of Illinois, service performed as an employee of the University of Illinois in a position other than police officer or firefighter, from the date of that transfer until the employee's next termination of service with the University of Illinois.

Rule 5: The retirement annuity of a participant who elected early retirement under the provisions of Section 15-136.2 and who, on or before February 16, 1995, brought administrative proceedings pursuant to the administrative rules adopted by the System to challenge the calculation of his or her retirement annuity shall be the sum of the following, determined from amounts credited to the participant in accordance with the actuarial tables and the prescribed rate of interest in effect at the time the retirement annuity begins:

(i) the normal annuity which can be provided on an actuarially equivalent basis, by the accumulated normal contributions as of the date the annuity begins; and

(ii) an annuity from employer contributions of an amount equal to that which can be provided on an actuarially equivalent basis from the accumulated normal contributions made by the participant under Section 15-113.6 and Section 15-113.7 plus 1.4 times all other accumulated normal contributions made by the participant; and

New matter indicated in italics - deletions by strikeout
(iii) an annuity which can be provided on an actuarially equivalent basis from the employee contribution for early retirement under Section 15-136.2; and an annuity from employer contributions of an amount equal to that which can be provided on an actuarially equivalent basis from the employee contribution for early retirement under Section 15-136.2.

In no event shall a retirement annuity under this Rule 5 be lower than the amount obtained by adding (1) the monthly amount obtained by dividing the combined employee and employer contributions made under Section 15-136.2 by the System's annuity factor for the age of the participant at the beginning of the annuity payment period and (2) the amount equal to the participant's annuity if calculated under Rule 1, reduced under Section 15-136(b) as if no contributions had been made under Section 15-136.2.

With respect to a participant who is qualified for a retirement annuity under this Rule 5 whose retirement annuity began before the effective date of this amendatory Act of the 91st General Assembly, and for whom an employee contribution was made under Section 15-136.2, the System shall recalculate the retirement annuity under this Rule 5 and shall pay any additional amounts due in the manner provided in Section 15-186.1 for benefits mistakenly set too low.

The amount of a retirement annuity calculated under this Rule 5 shall be computed solely on the basis of those contributions specifically set forth in this Rule 5. Except as provided in clause (iii) of this Rule 5, neither an employee nor employer contribution for early retirement under Section 15-136.2, nor any other employer contribution, shall be used in the calculation of the amount of a retirement annuity under this Rule 5.

The General Assembly has adopted the changes set forth in Section 25 of this amendatory Act of the 91st General Assembly in recognition that the decision of the Appellate Court for the Fourth District in Mattis v. State Universities Retirement System et al. might be deemed to give some right to the plaintiff in that case. The changes made by Section 25 of this amendatory Act of the 91st General Assembly are a legislative implementation of the decision of the Appellate Court for the Fourth District in Mattis v. State Universities Retirement System et al. with respect to that plaintiff.

The changes made by Section 25 of this amendatory Act of the 91st General Assembly apply without regard to whether the person is in service as an employee on or after its effective date.

(b) For a Tier 1 member, the retirement annuity provided under Rules 1 and 3 above shall be reduced by 1/2 of 1% for each month the participant is under age 60 at the time of retirement. However, this reduction shall not apply in the following cases:

(1) For a disabled participant whose disability benefits have been discontinued because he or she has exhausted eligibility for disability benefits under clause (6) of Section 15-152;

(2) For a participant who has at least the number of years of service required to retire at any age under subsection (a) of Section 15-135; or

(3) For that portion of a retirement annuity which has been provided on account of service of the participant during periods when he or she performed the duties of a police officer or firefighter, if these duties were performed for at least 5 years immediately preceding the date the retirement annuity is to begin.

(b-5) The retirement annuity of a Tier 2 member who is retiring after attaining age 62 with at least 10 years of service credit shall be reduced by 1/2 of 1% for each full month that the member's age is under age 67.

(c) The maximum retirement annuity provided under Rules 1, 2, 4, and 5 shall be the lesser of (1) the annual limit of benefits as specified in Section 415 of the Internal Revenue Code of 1986, as such Section may be amended from time to time and as such benefit limits shall be adjusted by the Commissioner of Internal Revenue, and (2) 80% of final rate of earnings.

(d) A Tier 1 member whose status as an employee terminates after August 14, 1969 shall receive automatic increases in his or her retirement annuity as follows:

Effective January 1 immediately following the date the retirement annuity begins, the annuitant shall receive an increase in his or her monthly retirement annuity of 0.125% of the monthly retirement annuity provided under Rule 1, Rule 2, Rule 3, or Rule 4, or Rule 5, contained in this Section, multiplied by the number of full months which elapsed from the date the retirement annuity payments began to January 1, 1972, plus 0.1667% of such annuity, multiplied by the number of full months which elapsed from January 1, 1972, or the date the retirement annuity payments began, whichever is later, to January 1, 1978, plus 0.25% of such annuity multiplied by the number of full months which elapsed from January 1,
1978, or the date the retirement annuity payments began, whichever is later, to the effective date of the increase.

The annuitant shall receive an increase in his or her monthly retirement annuity on each January 1 thereafter during the annuitant's life of 3% of the monthly annuity provided under Rule 1, Rule 2, Rule 3, or Rule 4, or Rule 5 contained in this Section. The change made under this subsection by P.A. 81-970 is effective January 1, 1980 and applies to each annuitant whose status as an employee terminates before or after that date.

Beginning January 1, 1990, all automatic annual increases payable under this Section shall be calculated as a percentage of the total annuity payable at the time of the increase, including all increases previously granted under this Article.

The change made in this subsection by P.A. 85-1008 is effective January 26, 1988, and is applicable without regard to whether status as an employee terminated before that date.

(d-5) A retirement annuity of a Tier 2 member shall receive annual increases on the January 1 occurring either on or after the attainment of age 67 or the first anniversary of the annuity start date, whichever is later. Each annual increase shall be calculated at 3% or one half the annual unadjusted percentage increase (but not less than zero) in the consumer price index-u for the 12 months ending with the September preceding each November 1, whichever is less, of the originally granted retirement annuity. If the annual unadjusted percentage change in the consumer price index-u for the 12 months ending with the September preceding each November 1 is zero or there is a decrease, then the annuity shall not be increased.

(e) If, on January 1, 1987, or the date the retirement annuity payment period begins, whichever is later, the sum of the retirement annuity provided under Rule 1 or Rule 2 of this Section and the automatic annual increases provided under the preceding subsection or Section 15-136.1, amounts to less than the retirement annuity which would be provided by Rule 3, the retirement annuity shall be increased as of January 1, 1987, or the date the retirement annuity payment period begins, whichever is later, to the amount which would be provided by Rule 3 of this Section. Such increased amount shall be considered as the retirement annuity in determining benefits provided under other Sections of this Article. This paragraph applies without regard to whether status as an employee terminated before the effective date of this amendatory Act of

1987, provided that the annuitant was employed at least one-half time during the period on which the final rate of earnings was based.

(f) A participant is entitled to such additional annuity as may be provided on an actuarially equivalent basis, by any accumulated additional contributions to his or her credit. However, the additional contributions made by the participant toward the automatic increases in annuity provided under this Section shall not be taken into account in determining the amount of such additional annuity.

(g) If, (1) by law, a function of a governmental unit, as defined by Section 20-107 of this Code, is transferred in whole or in part to an employer, and (2) a participant transfers employment from such governmental unit to such employer within 6 months after the transfer of the function, and (3) the sum of (A) the annuity payable to the participant under Rule 1, 2, or 3 of this Section (B) all proportional annuities payable to the participant by all other retirement systems covered by Article 20, and (C) the initial primary insurance amount to which the participant is entitled under the Social Security Act, is less than the retirement annuity which would have been payable if all of the participant's pension credits validated under Section 20-109 had been validated under this system, a supplemental annuity equal to the difference in such amounts shall be payable to the participant.

(h) On January 1, 1981, an annuitant who was receiving a retirement annuity on or before January 1, 1971 shall have his or her retirement annuity then being paid increased $1 per month for each year of creditable service. On January 1, 1982, an annuitant whose retirement annuity began on or before January 1, 1977, shall have his or her retirement annuity then being paid increased $1 per month for each year of creditable service.

(i) On January 1, 1987, any annuitant whose retirement annuity began on or before January 1, 1977, shall have the monthly retirement annuity increased by an amount equal to 8¢ per year of creditable service times the number of years that have elapsed since the annuity began.

(a) Beginning January 1, 1997, any person who is receiving a monthly retirement annuity under this Article which, after inclusion of (1) all one-time and automatic annual increases to which the person is entitled, (2) any supplemental annuity payable under Section 15-136.1, and

New matter indicated in italics - deletions by strikeout
(3) any amount deducted under Section 15-138 or 15-140 to provide a reversionary annuity, is less than the minimum monthly retirement benefit amount specified in subsection (b) of this Section, shall be entitled to a monthly supplemental payment equal to the difference.

(b) For purposes of the calculation in subsection (a), the minimum monthly retirement benefit amount is the sum of $25 for each year of service credit, up to a maximum of 30 years of service.

(c) This Section applies to all persons receiving a retirement annuity under this Article, without regard to whether or not employment terminated prior to the effective date of this Section. The annual increase provided in subsection (e) of Section 1-160 does not apply to any benefit provided under this Section.

(40 ILCS 5/15-139) (from Ch. 108 1/2, par. 15-139)
Sec. 15-139. Retirement annuities; cancellation; suspended during employment.

(a) If an annuitant returns to employment for an employer within 60 days after the beginning of the retirement annuity payment period, the retirement annuity shall be cancelled, and the annuitant shall refund to the System the total amount of the retirement annuity payments which he or she received. If the retirement annuity is cancelled, the participant shall continue to participate in the System.

(b) If an annuitant retires prior to age 60 and receives or becomes entitled to receive during any month compensation in excess of the monthly retirement annuity (including any automatic annual increases) for services performed after the date of retirement for any employer under this System, that portion of the monthly retirement annuity provided by employer contributions shall not be payable.

If an annuitant retires at age 60 or over and receives or becomes entitled to receive during any academic year compensation in excess of the difference between his or her highest annual earnings prior to retirement and his or her annual retirement annuity computed under Rule 1, Rule 2, Rule 3, or Rule 4, or Rule 5 of Section 15-136, or under Section 15-136.4, for services performed after the date of retirement for any employer under this System, that portion of the monthly retirement annuity provided by employer contributions shall be reduced by an amount equal to the compensation that exceeds such difference.

However, any remuneration received for serving as a member of the Illinois Educational Labor Relations Board shall be excluded from...
"compensation" for the purposes of this subsection (b), and serving as a member of the Illinois Educational Labor Relations Board shall not be deemed to be a return to employment for the purposes of this Section. This provision applies without regard to whether service was terminated prior to the effective date of this amendatory Act of 1991.

(c) If an employer certifies that an annuitant has been reemployed on a permanent and continuous basis or in a position in which the annuitant is expected to serve for at least 9 months, the annuitant shall resume his or her status as a participating employee and shall be entitled to all rights applicable to participating employees upon filing with the board an election to forgo all annuity payments during the period of reemployment. Upon subsequent retirement, the retirement annuity shall consist of the annuity which was terminated by the reemployment, plus the additional retirement annuity based upon service granted during the period of reemployment, but the combined retirement annuity shall not exceed the maximum annuity applicable on the date of the last retirement.

The total service and earnings credited before and after the initial date of retirement shall be considered in determining eligibility of the employee or the employee's beneficiary to benefits under this Article, and in calculating final rate of earnings.

In determining the death benefit payable to a beneficiary of an annuitant who again becomes a participating employee under this Section, accumulated normal and additional contributions shall be considered as the sum of the accumulated normal and additional contributions at the date of initial retirement and the accumulated normal and additional contributions credited after that date, less the sum of the annuity payments received by the annuitant.

The survivors insurance benefits provided under Section 15-145 shall not be applicable to an annuitant who resumes his or her status as a participating employee, unless the annuitant, at the time of initial retirement, has a survivors insurance beneficiary who could qualify for such benefits.

If the participant's employment is terminated because of circumstances other than death before 9 months from the date of reemployment, the provisions of this Section regarding resumption of status as a participating employee shall not apply. The normal and survivors insurance contributions which are deducted during this period shall be refunded to the annuitant without interest, and subsequent benefits

under this Article shall be the same as those which were applicable prior to
the date the annuitant resumed employment.

The amendments made to this Section by this amendatory Act of
the 91st General Assembly apply without regard to whether the annuitant
was in service on or after the effective date of this amendatory Act.

Sec. 15-139.1. Tier 2 member retirement annuities; suspended
during employment. If a Tier 2 member is receiving a retirement annuity
under this System and becomes a member or participant under any other
system or fund created by this Code and is employed on a full-time basis,
then the person's retirement annuity shall be suspended during that
employment. Upon termination of that employment, the person's
retirement annuity shall resume and be recalculated if recalculation is
provided for under this Article.

(40 ILCS 5/15-145) (from Ch. 108 1/2, par. 15-145)

Sec. 15-145. Survivors insurance benefits; conditions and amounts.

(a) The survivors insurance benefits provided under this Section
shall be payable to the eligible survivors of a Tier 1 member participant
covered under the traditional benefit package upon the death of (1) a
participating employee with at least 1 1/2 years of service, (2) a participant
who terminated employment with at least 10 years of service, and (3) an
annuitant in receipt of a retirement annuity or disability retirement annuity
under this Article.

Service under the State Employees' Retirement System of Illinois,
the Teachers' Retirement System of the State of Illinois and the Public
School Teachers' Pension and Retirement Fund of Chicago shall be
considered in determining eligibility for survivors benefits under this
Section.

If by law, a function of a governmental unit, as defined by Section
20-107, is transferred in whole or in part to an employer, and an employee
transfers employment from this governmental unit to such employer within
6 months after the transfer of this function, the service credits in the
governmental unit's retirement system which have been validated under
Section 20-109 shall be considered in determining eligibility for survivors
benefits under this Section.

(b) A surviving spouse of a deceased participant, or of a deceased
annuitant who did not take a refund or additional annuity consisting of
accumulated survivors insurance contributions, shall receive a survivors

New matter indicated in italics - deletions by strikeout
annuity of 30% of the final rate of earnings. Payments shall begin on the
day following the participant's or annuitant's death or the date the
surviving spouse attains age 50, whichever is later, and continue until the
death of the surviving spouse. The annuity shall be payable to the
surviving spouse prior to attainment of age 50 if the surviving spouse has
in his or her care a deceased participant's or annuitant's dependent
unmarried child under age 18 (under age 22 if a full-time student) who is
eligible for a survivors annuity.

Remarriage of a surviving spouse prior to attainment of age 55 that
occurs before the effective date of this amendatory Act of the 91st General
Assembly shall disqualify him or her for the receipt of a survivors annuity
until July 6, 2000.

A surviving spouse whose survivors annuity has been terminated
due to remarriage may apply for reinstatement of that annuity. The
reinstated annuity shall begin to accrue on July 6, 2000, except that if, on
July 6, 2000, the annuity is payable to an eligible surviving child or parent,
payment of the annuity to the surviving spouse shall not be reinstated until
the annuity is no longer payable to any eligible surviving child or parent.
The reinstated annuity shall include any one-time or annual increases
received prior to the date of termination, as well as any increases that
would otherwise have accrued from the date of termination to the date of
reinstatement. An eligible surviving spouse whose expectation of
receiving a survivors annuity was lost due to remarriage before attainment
of age 50 shall also be entitled to reinstatement under this subsection, but
the resulting survivors annuity shall not begin to accrue sooner than upon
the surviving spouse's attainment of age 50.

The changes made to this subsection by this amendatory Act of the
92nd General Assembly (pertaining to remarriage prior to age 55 or 50)
apply without regard to whether the deceased participant or annuitant was
in service on or after the effective date of this amendatory Act.

(c) Each dependent unmarried child under age 18 (under age 22 if a
full-time student) of a deceased participant, or of a deceased annuitant who
did not take a refund or additional annuity consisting of accumulated
survivors insurance contributions, shall receive a survivors annuity equal
to the sum of (1) 20% of the final rate of earnings, and (2) 10% of the final
rate of earnings divided by the number of children entitled to this benefit.
Payments shall begin on the day following the participant's or annuitant's
death and continue until the child marries, dies, or attains age 18 (age 22 if
a full-time student). If the child is in the care of a surviving spouse who is

eligible for survivors insurance benefits, the child's benefit shall be paid to the surviving spouse.

Each unmarried child over age 18 of a deceased participant or of a deceased annuitant who had a survivor's insurance beneficiary at the time of his or her retirement, and who was dependent upon the participant or annuitant by reason of a physical or mental disability which began prior to the date the child attained age 18 (age 22 if a full-time student), shall receive a survivor's annuity equal to the sum of (1) 20% of the final rate of earnings, and (2) 10% of the final rate of earnings divided by the number of children entitled to survivors benefits. Payments shall begin on the day following the participant's or annuitant's death and continue until the child marries, dies, or is no longer disabled. If the child is in the care of a surviving spouse who is eligible for survivors insurance benefits, the child's benefit may be paid to the surviving spouse. For the purposes of this Section, disability means inability to engage in any substantial gainful activity by reason of any medically determinable physical or mental impairment that can be expected to result in death or that has lasted or can be expected to last for a continuous period of at least one year.

(d) Each dependent parent of a deceased participant, or of a deceased annuitant who did not take a refund or additional annuity consisting of accumulated survivors insurance contributions, shall receive a survivors annuity equal to the sum of (1) 20% of final rate of earnings, and (2) 10% of final rate of earnings divided by the number of parents who qualify for the benefit. Payments shall begin when the parent reaches age 55 or the day following the participant's or annuitant's death, whichever is later, and continue until the parent dies. Remarriage of a parent prior to attainment of age 55 shall disqualify the parent for the receipt of a survivors annuity.

(e) In addition to the survivors annuity provided above, each survivors insurance beneficiary shall, upon death of the participant or annuitant, receive a lump sum payment of $1,000 divided by the number of such beneficiaries.

(f) The changes made in this Section by Public Act 81-712 pertaining to survivors annuities in cases of remarriage prior to age 55 shall apply to each survivors insurance beneficiary who remarries after June 30, 1979, regardless of the date that the participant or annuitant terminated his employment or died.

The change made to this Section by this amendatory Act of the 91st General Assembly, pertaining to remarriage prior to age 55, applies

without regard to whether the deceased participant or annuitant was in service on or after the effective date of this amendatory Act of the 91st General Assembly.

(g) On January 1, 1981, any person who was receiving a survivors annuity on or before January 1, 1971 shall have the survivors annuity then being paid increased by 1% for each full year which has elapsed from the date the annuity began. On January 1, 1982, any survivor whose annuity began after January 1, 1971, but before January 1, 1981, shall have the survivor's annuity then being paid increased by 1% for each year which has elapsed from the date the survivor's annuity began. On January 1, 1987, any survivor who began receiving a survivor's annuity on or before January 1, 1977, shall have the monthly survivor's annuity increased by $1 for each full year which has elapsed since the date the survivor's annuity began.

(h) If the sum of the lump sum and total monthly survivor benefits payable under this Section upon the death of a participant amounts to less than the sum of the death benefits payable under items (2) and (3) of Section 15-141, the difference shall be paid in a lump sum to the beneficiary of the participant who is living on the date that this additional amount becomes payable.

(i) If the sum of the lump sum and total monthly survivor benefits payable under this Section upon the death of an annuitant receiving a retirement annuity or disability retirement annuity amounts to less than the death benefit payable under Section 15-142, the difference shall be paid to the beneficiary of the annuitant who is living on the date that this additional amount becomes payable.

(j) Effective on the later of (1) January 1, 1990, or (2) the January 1 on or next after the date on which the survivor annuity begins, if the deceased member died while receiving a retirement annuity, or in all other cases the January 1 nearest the first anniversary of the date the survivor annuity payments begin, every survivors insurance beneficiary shall receive an increase in his or her monthly survivors annuity of 3%. On each January 1 after the initial increase, the monthly survivors annuity shall be increased by 3% of the total survivors annuity provided under this Article, including previous increases provided by this subsection. Such increases shall apply to the survivors insurance beneficiaries of each participant and annuitant, whether or not the employment status of the participant or annuitant terminates before the effective date of this amendatory Act of

New matter indicated in italics - deletions by strikeout
1990. This subsection (j) also applies to persons receiving a survivor annuity under the portable benefit package.

(k) If the Internal Revenue Code of 1986, as amended, requires that the survivors benefits be payable at an age earlier than that specified in this Section the benefits shall begin at the earlier age, in which event, the survivor's beneficiary shall be entitled only to that amount which is equal to the actuarial equivalent of the benefits provided by this Section.

(l) The changes made to this Section and Section 15-131 by this amendatory Act of 1997, relating to benefits for certain unmarried children who are full-time students under age 22, apply without regard to whether the deceased member was in service on or after the effective date of this amendatory Act of 1997. These changes do not authorize the repayment of a refund or a re-election of benefits, and any benefit or increase in benefits resulting from these changes is not payable retroactively for any period before the effective date of this amendatory Act of 1997.

Sec. 15-145.1. Survivor's insurance benefits for Tier 2 Members; amount. The initial survivor's insurance benefit of a survivors insurance beneficiary of a Tier 2 member shall be in the amount of 66 2/3% of the Tier 2 member's retirement annuity at the date of death. In the case of the death of a Tier 2 member who has not retired, eligibility for a survivor's insurance benefit shall be determined by the applicable Section of this Article. The initial benefit shall be 66 2/3% of the earned annuity without a reduction due to age and shall be increased (1) on each January 1 occurring on or after the commencement of the annuity if the deceased Tier 2 member died while receiving a retirement annuity or (2) in other cases, on each January 1 occurring after the first anniversary of the commencement of the benefit. Each annual increase shall be calculated at 3% or one half the annual unadjusted percentage increase (but not less than zero) in the consumer price index-u for the 12 months ending with the September preceding each November 1, whichever is less, of the originally granted survivor's insurance benefit. If the annual unadjusted percentage change in the consumer price index-u for the 12 months ending with the September preceding each November 1 is zero or there is a decrease, then the survivor's insurance benefit shall not be increased. A beneficiary of a Tier 2 member who elects the Portable Benefit Package provided under this Article shall not be eligible for the survivor's insurance benefit that is provided under this Section. If 2 or more persons are eligible to receive

survivor's insurance benefits as provided under this Section based on the same deceased Tier 2 member, the calculation of the survivor's insurance benefits shall be based on the total calculation of the survivor's insurance benefit and divided pro rata.

Sec. 15-146. Survivors insurance benefits - Minimum amounts.

(a) The minimum total survivors annuity payable on account of the death of a participant shall be 50% of the retirement annuity which would have been provided under Rule 1, Rule 2, or Rule 3, or Rule 5 of Section 15-136 upon the participant's attainment of the minimum age at which the penalty for early retirement would not be applicable or the date of the participant's death, whichever is later, on the basis of credits earned prior to the time of death.

(b) The minimum total survivors annuity payable on account of the death of an annuitant shall be 50% of the retirement annuity which is payable under Section 15-136 at the time of death or 50% of the disability retirement annuity payable under Section 15-153.2. This minimum survivors annuity shall apply to each participant and annuitant who dies after September 16, 1979, whether or not his or her employee status terminates before or after that date.

(c) If an annuitant has elected a reversionary annuity, the retirement annuity referred to in this Section is that which would have been payable had such election not been filed.

(d) Beginning January 1, 2002, any person who is receiving a survivors annuity under this Article which, after inclusion of all one-time and automatic annual increases to which the person is entitled, is less than the sum of $17.50 for each year (up to a maximum of 30 years) of the deceased member's service credit, shall be entitled to a monthly supplemental payment equal to the difference.

If 2 or more persons are receiving survivors annuities based on the same deceased member, the calculation of the supplemental payment under this subsection shall be based on the total of those annuities and divided pro rata. The supplemental payment is not subject to any limitation on the maximum amount of the annuity and shall not be included in the calculation of any automatic annual increase under Section 15-145. The annual increase provided in subsection (f) of Section 1-160 does not apply to any benefit provided under this subsection.

Sec. 15-146.1. Survivors insurance benefits-Maximum amounts.

(a) The maximum total survivors annuity payable on account of any deceased participating employee shall be the lesser of: (1) 80% of the final rate of earnings; or (2) (A) $400 per month if one survivors insurance beneficiary is entitled to a survivors annuity, or (B) $600 per month if there are 2 or more such beneficiaries.

(b) The maximum total survivors annuity payable on account of the death of any person occurring after retirement or after termination of his or her employee status shall be the lesser of: (1) 80% of the final rate of earnings; (2) (A) $400 per month if one survivors insurance beneficiary is entitled to a survivors annuity, or (B) $600 per month if there are 2 or more such beneficiaries; or (3) 80% of the retirement annuity payable to the annuitant at the date of retirement under the provisions of Rule 1, Rule 2, or Rule 3, or Rule 5 of Section 15-136, or 80% of the retirement annuity which would have been payable to the participant upon attainment of the minimum age at which the penalty for early retirement would not be applicable or the date of death, whichever is later, based upon credits earned as of the date of death.

(c) The maximum total survivors annuity payable on account of the death of any person whose death occurs while in receipt of a disability retirement annuity under Section 15-153.2 shall be the lesser of (1) 80% of his or her final rate of earnings, (2) (A) $400 per month if one survivors insurance beneficiary is entitled to a survivors annuity, or (B) $600 per month if 2 or more survivors insurance beneficiaries qualify for this benefit, or (3) 80% of the retirement annuity which would have been payable upon attainment of the age at which the penalty for early retirement would not be applicable or the date of death, whichever is later, based upon the participant's credits on the date of death, or 80% of the disability retirement annuity whichever is greater.

(d) If the minimum annuity provided under Section 15-146 exceeds the maximum annuity provided under this Section, the minimum annuity shall be payable.

(e) If an annuitant has elected a reversionary annuity, the retirement annuity referred to in this Section is that which would have been payable had such election not been filed.

(f) If a survivors insurance beneficiary qualifies for a survivors or widows annuity because of pension credits established by the participant or annuitant in another system covered by Article 20, and the combined survivors annuities exceed the highest survivors annuity which could be

provided by either system based upon the combined pension credits, the survivors annuity payable by this system shall be reduced to that amount which, when added to the survivors annuity payable by the other system, would equal this highest survivors annuity. If the other system has a similar provision for adjustment of the survivors annuity, the respective proportional survivors annuities shall be reduced proportionately according to the ratio which the amount of each proportional survivors annuity bears to the aggregate of all proportional survivors annuities. If a survivors annuity is payable by another system covered by Article 20, and the survivor elects to waive the survivors annuity and accept a lump sum payment or death benefit in lieu of the survivors annuity, this system shall, for the purpose of adjusting the survivors annuity under this subsection, assume that the survivor was entitled to a survivors annuity which, in accordance with actuarial tables of this system, is the actuarial equivalent of the amount of the lump sum payment or death benefit.

(g) The total monthly survivors annuity payable to the beneficiaries of any annuitant who terminated employment before July 14, 1959 and whose death occurs after September 16, 1977 shall not exceed $200.

(h) Whenever a reduction in the survivors annuity is made as authorized above, the survivors annuity to each dependent parent shall be proportionately reduced or eliminated, and if further reduction is necessary, the survivors annuity payable to every other person shall be proportionately decreased.

(i) This Section applies to the survivors insurance benefits provided to the eligible survivors of a Tier I member.

(40 ILCS 5/15-155) (from Ch. 108 1/2, par. 15-155)

Sec. 15-155. Employer contributions.

(a) The State of Illinois shall make contributions by appropriations of amounts which, together with the other employer contributions from trust, federal, and other funds, employee contributions, income from investments, and other income of this System, will be sufficient to meet the cost of maintaining and administering the System on a 90% funded basis in accordance with actuarial recommendations.

The Board shall determine the amount of State contributions required for each fiscal year on the basis of the actuarial tables and other assumptions adopted by the Board and the recommendations of the actuary, using the formula in subsection (a-1).
(a-1) For State fiscal years 2012 through 2045, the minimum contribution to the System to be made by the State for each fiscal year shall be an amount determined by the System to be sufficient to bring the total assets of the System up to 90% of the total actuarial liabilities of the System by the end of State fiscal year 2045. In making these determinations, the required State contribution shall be calculated each year as a level percentage of payroll over the years remaining to and including fiscal year 2045 and shall be determined under the projected unit credit actuarial cost method.

For State fiscal years 1996 through 2005, the State contribution to the System, as a percentage of the applicable employee payroll, shall be increased in equal annual increments so that by State fiscal year 2011, the State is contributing at the rate required under this Section.

Notwithstanding any other provision of this Article, the total required State contribution for State fiscal year 2006 is $166,641,900.

Notwithstanding any other provision of this Article, the total required State contribution for State fiscal year 2007 is $252,064,100.

For each of State fiscal years 2008 through 2009, the State contribution to the System, as a percentage of the applicable employee payroll, shall be increased in equal annual increments from the required State contribution for State fiscal year 2007, so that by State fiscal year 2011, the State is contributing at the rate otherwise required under this Section.

Notwithstanding any other provision of this Article, the total required State contribution for State fiscal year 2010 is $702,514,000 and shall be made from the State Pensions Fund and proceeds of bonds sold in fiscal year 2010 pursuant to Section 7.2 of the General Obligation Bond Act, less (i) the pro rata share of bond sale expenses determined by the System's share of total bond proceeds, (ii) any amounts received from the General Revenue Fund in fiscal year 2010, (iii) any reduction in bond proceeds due to the issuance of discounted bonds, if applicable.

Notwithstanding any other provision of this Article, the total required State contribution for State fiscal year 2011 is the amount recertified by the System on or before April 1, 2011 pursuant to Section 15-165 and shall be made from the State Pensions Fund and proceeds of bonds sold in fiscal year 2011 pursuant to Section 7.2 of the General Obligation Bond Act, less (i) the pro rata share of bond sale expenses determined by the System's share of total bond proceeds, (ii) any amounts received from the General Revenue Fund in fiscal year 2011, and (iii) any

New matter indicated in italics - deletions by strikeout
reduction in bond proceeds due to the issuance of discounted bonds, if applicable.

Beginning in State fiscal year 2046, the minimum State contribution for each fiscal year shall be the amount needed to maintain the total assets of the System at 90% of the total actuarial liabilities of the System.

Amounts received by the System pursuant to Section 25 of the Budget Stabilization Act or Section 8.12 of the State Finance Act in any fiscal year do not reduce and do not constitute payment of any portion of the minimum State contribution required under this Article in that fiscal year. Such amounts shall not reduce, and shall not be included in the calculation of, the required State contributions under this Article in any future year until the System has reached a funding ratio of at least 90%. A reference in this Article to the "required State contribution" or any substantially similar term does not include or apply to any amounts payable to the System under Section 25 of the Budget Stabilization Act.

Notwithstanding any other provision of this Section, the required State contribution for State fiscal year 2005 and for fiscal year 2008 and each fiscal year thereafter, as calculated under this Section and certified under Section 15-165, shall not exceed an amount equal to (i) the amount of the required State contribution that would have been calculated under this Section for that fiscal year if the System had not received any payments under subsection (d) of Section 7.2 of the General Obligation Bond Act, minus (ii) the portion of the State's total debt service payments for that fiscal year on the bonds issued in fiscal year 2003 for the purposes of that Section 7.2, as determined and certified by the Comptroller, that is the same as the System's portion of the total moneys distributed under subsection (d) of Section 7.2 of the General Obligation Bond Act. In determining this maximum for State fiscal years 2008 through 2010, however, the amount referred to in item (i) shall be increased, as a percentage of the applicable employee payroll, in equal increments calculated from the sum of the required State contribution for State fiscal year 2007 plus the applicable portion of the State's total debt service payments for fiscal year 2007 on the bonds issued in fiscal year 2003 for the purposes of Section 7.2 of the General Obligation Bond Act, so that, by State fiscal year 2011, the State is contributing at the rate otherwise required under this Section.

(b) If an employee is paid from trust or federal funds, the employer shall pay to the Board contributions from those funds which are sufficient

to cover the accruing normal costs on behalf of the employee. However, universities having employees who are compensated out of local auxiliary funds, income funds, or service enterprise funds are not required to pay such contributions on behalf of those employees. The local auxiliary funds, income funds, and service enterprise funds of universities shall not be considered trust funds for the purpose of this Article, but funds of alumni associations, foundations, and athletic associations which are affiliated with the universities included as employers under this Article and other employers which do not receive State appropriations are considered to be trust funds for the purpose of this Article.

(b-1) The City of Urbana and the City of Champaign shall each make employer contributions to this System for their respective firefighter employees who participate in this System pursuant to subsection (h) of Section 15-107. The rate of contributions to be made by those municipalities shall be determined annually by the Board on the basis of the actuarial assumptions adopted by the Board and the recommendations of the actuary, and shall be expressed as a percentage of salary for each such employee. The Board shall certify the rate to the affected municipalities as soon as may be practical. The employer contributions required under this subsection shall be remitted by the municipality to the System at the same time and in the same manner as employee contributions.

(c) Through State fiscal year 1995: The total employer contribution shall be apportioned among the various funds of the State and other employers, whether trust, federal, or other funds, in accordance with actuarial procedures approved by the Board. State of Illinois contributions for employers receiving State appropriations for personal services shall be payable from appropriations made to the employers or to the System. The contributions for Class I community colleges covering earnings other than those paid from trust and federal funds, shall be payable solely from appropriations to the Illinois Community College Board or the System for employer contributions.

(d) Beginning in State fiscal year 1996, the required State contributions to the System shall be appropriated directly to the System and shall be payable through vouchers issued in accordance with subsection (c) of Section 15-165, except as provided in subsection (g).

(e) The State Comptroller shall draw warrants payable to the System upon proper certification by the System or by the employer in accordance with the appropriation laws and this Code.

New matter indicated in italics - deletions by strikeout
(f) Normal costs under this Section means liability for pensions and other benefits which accrues to the System because of the credits earned for service rendered by the participants during the fiscal year and expenses of administering the System, but shall not include the principal of or any redemption premium or interest on any bonds issued by the Board or any expenses incurred or deposits required in connection therewith.

(g) If the amount of a participant's earnings for any academic year used to determine the final rate of earnings, determined on a full-time equivalent basis, exceeds the amount of his or her earnings with the same employer for the previous academic year, determined on a full-time equivalent basis, by more than 6%, the participant's employer shall pay to the System, in addition to all other payments required under this Section and in accordance with guidelines established by the System, the present value of the increase in benefits resulting from the portion of the increase in earnings that is in excess of 6%. This present value shall be computed by the System on the basis of the actuarial assumptions and tables used in the most recent actuarial valuation of the System that is available at the time of the computation. The System may require the employer to provide any pertinent information or documentation.

Whenever it determines that a payment is or may be required under this subsection (g), the System shall calculate the amount of the payment and bill the employer for that amount. The bill shall specify the calculations used to determine the amount due. If the employer disputes the amount of the bill, it may, within 30 days after receipt of the bill, apply to the System in writing for a recalculation. The application must specify in detail the grounds of the dispute and, if the employer asserts that the calculation is subject to subsection (h) or (i) of this Section, must include an affidavit setting forth and attesting to all facts within the employer's knowledge that are pertinent to the applicability of subsection (h) or (i). Upon receiving a timely application for recalculation, the System shall review the application and, if appropriate, recalculate the amount due.

The employer contributions required under this subsection (g) (f) may be paid in the form of a lump sum within 90 days after receipt of the bill. If the employer contributions are not paid within 90 days after receipt of the bill, then interest will be charged at a rate equal to the System's annual actuarially assumed rate of return on investment compounded annually from the 91st day after receipt of the bill. Payments must be concluded within 3 years after the employer's receipt of the bill.
(h) This subsection (h) applies only to payments made or salary increases given on or after June 1, 2005 but before July 1, 2011. The changes made by Public Act 94-1057 shall not require the System to refund any payments received before July 31, 2006 (the effective date of Public Act 94-1057).

When assessing payment for any amount due under subsection (g), the System shall exclude earnings increases paid to participants under contracts or collective bargaining agreements entered into, amended, or renewed before June 1, 2005.

When assessing payment for any amount due under subsection (g), the System shall exclude earnings increases paid to a participant at a time when the participant is 10 or more years from retirement eligibility under Section 15-135.

When assessing payment for any amount due under subsection (g), the System shall exclude earnings increases resulting from overload work, including a contract for summer teaching, or overtime when the employer has certified to the System, and the System has approved the certification, that: (i) in the case of overloads (A) the overload work is for the sole purpose of academic instruction in excess of the standard number of instruction hours for a full-time employee occurring during the academic year that the overload is paid and (B) the earnings increases are equal to or less than the rate of pay for academic instruction computed using the participant's current salary rate and work schedule; and (ii) in the case of overtime, the overtime was necessary for the educational mission.

When assessing payment for any amount due under subsection (g), the System shall exclude any earnings increase resulting from (i) a promotion for which the employee moves from one classification to a higher classification under the State Universities Civil Service System, (ii) a promotion in academic rank for a tenured or tenure-track faculty position, or (iii) a promotion that the Illinois Community College Board has recommended in accordance with subsection (k) of this Section. These earnings increases shall be excluded only if the promotion is to a position that has existed and been filled by a member for no less than one complete academic year and the earnings increase as a result of the promotion is an increase that results in an amount no greater than the average salary paid for other similar positions.

(i) When assessing payment for any amount due under subsection (g), the System shall exclude any salary increase described in subsection (h) of this Section given on or after July 1, 2011 but before July 1, 2014.
under a contract or collective bargaining agreement entered into, amended, or renewed on or after June 1, 2005 but before July 1, 2011. Notwithstanding any other provision of this Section, any payments made or salary increases given after June 30, 2014 shall be used in assessing payment for any amount due under subsection (g) of this Section.

(j) The System shall prepare a report and file copies of the report with the Governor and the General Assembly by January 1, 2007 that contains all of the following information:

(1) The number of recalculations required by the changes made to this Section by Public Act 94-1057 for each employer.
(2) The dollar amount by which each employer's contribution to the System was changed due to recalculations required by Public Act 94-1057.
(3) The total amount the System received from each employer as a result of the changes made to this Section by Public Act 94-4.
(4) The increase in the required State contribution resulting from the changes made to this Section by Public Act 94-1057.

(k) The Illinois Community College Board shall adopt rules for recommending lists of promotional positions submitted to the Board by community colleges and for reviewing the promotional lists on an annual basis. When recommending promotional lists, the Board shall consider the similarity of the positions submitted to those positions recognized for State universities by the State Universities Civil Service System. The Illinois Community College Board shall file a copy of its findings with the System. The System shall consider the findings of the Illinois Community College Board when making determinations under this Section. The System shall not exclude any earnings increases resulting from a promotion when the promotion was not submitted by a community college. Nothing in this subsection (k) shall require any community college to submit any information to the Community College Board.

(l) For purposes of determining the required State contribution to the System, the value of the System's assets shall be equal to the actuarial value of the System's assets, which shall be calculated as follows:

As of June 30, 2008, the actuarial value of the System's assets shall be equal to the market value of the assets as of that date. In determining the actuarial value of the System's assets for fiscal years after June 30, 2008, any actuarial gains or losses from investment return incurred in a
fiscal year shall be recognized in equal annual amounts over the 5-year period following that fiscal year.

(m) For purposes of determining the required State contribution to the system for a particular year, the actuarial value of assets shall be assumed to earn a rate of return equal to the system's actuarially assumed rate of return.

Sec. 15-157. Employee Contributions.

(a) Each participating employee shall make contributions towards the retirement benefits payable under the retirement program applicable to the employee from each payment of earnings applicable to employment under this system on and after the date of becoming a participant as follows: Prior to September 1, 1949, 3 1/2% of earnings; from September 1, 1949 to August 31, 1955, 5%; from September 1, 1955 to August 31, 1969, 6%; from September 1, 1969, 6 1/2%. These contributions are to be considered as normal contributions for purposes of this Article.

Each participant who is a police officer or firefighter shall make normal contributions of 8% of each payment of earnings applicable to employment as a police officer or firefighter under this system on or after September 1, 1981, unless he or she files with the board within 60 days after the effective date of this amendatory Act of 1991 or 60 days after the board receives notice that he or she is employed as a police officer or firefighter, whichever is later, a written notice waiving the retirement formula provided by Rule 4 of Section 15-136. This waiver shall be irrevocable. If a participant had met the conditions set forth in Section 15-132.1 prior to the effective date of this amendatory Act of 1991 but failed to make the additional normal contributions required by this paragraph, he or she may elect to pay the additional contributions plus compound interest at the effective rate. If such payment is received by the board, the service shall be considered as police officer service in calculating the retirement annuity under Rule 4 of Section 15-136. While performing service described in clause (i) or (ii) of Rule 4 of Section 15-136, a participating employee shall be deemed to be employed as a firefighter for the purpose of determining the rate of employee contributions under this Section.

(b) Starting September 1, 1969, each participating employee shall make additional contributions of 1/2 of 1% of earnings to finance a portion of the cost of the annual increases in retirement annuity provided under
Section 15-136, except that with respect to participants in the self-managed plan this additional contribution shall be used to finance the benefits obtained under that retirement program.

(c) In addition to the amounts described in subsections (a) and (b) of this Section, each participating employee shall make contributions of 1% of earnings applicable under this system on and after August 1, 1959. The contributions made under this subsection (c) shall be considered as survivor's insurance contributions for purposes of this Article if the employee is covered under the traditional benefit package, and such contributions shall be considered as additional contributions for purposes of this Article if the employee is participating in the self-managed plan or has elected to participate in the portable benefit package and has completed the applicable one-year waiting period. Contributions in excess of $80 during any fiscal year beginning before August 31, 1969 and in excess of $120 during any fiscal year thereafter until September 1, 1971 shall be considered as additional contributions for purposes of this Article.

(d) If the board by board rule so permits and subject to such conditions and limitations as may be specified in its rules, a participant may make other additional contributions of such percentage of earnings or amounts as the participant shall elect in a written notice thereof received by the board.

(e) That fraction of a participant's total accumulated normal contributions, the numerator of which is equal to the number of years of service in excess of that which is required to qualify for the maximum retirement annuity, and the denominator of which is equal to the total service of the participant, shall be considered as accumulated additional contributions. The determination of the applicable maximum annuity and the adjustment in contributions required by this provision shall be made as of the date of the participant's retirement.

(f) Notwithstanding the foregoing, a participating employee shall not be required to make contributions under this Section after the date upon which continuance of such contributions would otherwise cause his or her retirement annuity to exceed the maximum retirement annuity as specified in clause (1) of subsection (c) of Section 15-136.

(g) A participating employee may make contributions for the purchase of service credit under this Article.

(h) A Tier 2 member shall not make contributions on earnings that exceed the limitation as prescribed under subsection (b) of Section 15-111 of this Article.

Sec. 15-158.2. Self-managed plan.

(a) Purpose. The General Assembly finds that it is important for colleges and universities to be able to attract and retain the most qualified employees and that in order to attract and retain these employees, colleges and universities should have the flexibility to provide a defined contribution plan as an alternative for eligible employees who elect not to participate in a defined benefit retirement program provided under this Article. Accordingly, the State Universities Retirement System is hereby authorized to establish and administer a self-managed plan, which shall offer participating employees the opportunity to accumulate assets for retirement through a combination of employee and employer contributions that may be invested in mutual funds, collective investment funds, or other investment products and used to purchase annuity contracts, either fixed or variable or a combination thereof. The plan must be qualified under the Internal Revenue Code of 1986.

(b) Adoption by employers. Each employer subject to this Article may elect to adopt the self-managed plan established under this Section; this election is irrevocable. An employer's election to adopt the self-managed plan makes available to the eligible employees of that employer the elections described in Section 15-134.5.

The State Universities Retirement System shall be the plan sponsor for the self-managed plan and shall prepare a plan document and prescribe such rules and procedures as are considered necessary or desirable for the administration of the self-managed plan. Consistent with its fiduciary duty to the participants and beneficiaries of the self-managed plan, the Board of Trustees of the System may delegate aspects of plan administration as it sees fit to companies authorized to do business in this State, to the employers, or to a combination of both.

(c) Selection of service providers and funding vehicles. The System, in consultation with the employers, shall solicit proposals to provide administrative services and funding vehicles for the self-managed plan from insurance and annuity companies and mutual fund companies, banks, trust companies, or other financial institutions authorized to do business in this State. In reviewing the proposals received and approving and contracting with no fewer than 2 and no more than 7 companies, the

New matter indicated in italics - deletions by strikeout
Board of Trustees of the System shall consider, among other things, the following criteria:

(1) the nature and extent of the benefits that would be provided to the participants;
(2) the reasonableness of the benefits in relation to the premium charged;
(3) the suitability of the benefits to the needs and interests of the participating employees and the employer;
(4) the ability of the company to provide benefits under the contract and the financial stability of the company; and
(5) the efficacy of the contract in the recruitment and retention of employees.

The System, in consultation with the employers, shall periodically review each approved company. A company may continue to provide administrative services and funding vehicles for the self-managed plan only so long as it continues to be an approved company under contract with the Board.

(d) Employee Direction. Employees who are participating in the program must be allowed to direct the transfer of their account balances among the various investment options offered, subject to applicable contractual provisions. The participant shall not be deemed a fiduciary by reason of providing such investment direction. A person who is a fiduciary shall not be liable for any loss resulting from such investment direction and shall not be deemed to have breached any fiduciary duty by acting in accordance with that direction. Neither the System nor the employer guarantees any of the investments in the employee's account balances.

(e) Participation. An employee eligible to participate in the self-managed plan must make a written election in accordance with the provisions of Section 15-134.5 and the procedures established by the System. Participation in the self-managed plan by an electing employee shall begin on the first day of the first pay period following the later of the date the employee's election is filed with the System or the effective date as of which the employee's employer begins to offer participation in the self-managed plan. Employers may not make the self-managed plan available earlier than January 1, 1998. An employee's participation in any other retirement program administered by the System under this Article shall terminate on the date that participation in the self-managed plan begins.

New matter indicated in italics - deletions by strikeout
An employee who has elected to participate in the self-managed plan under this Section must continue participation while employed in an eligible position, and may not participate in any other retirement program administered by the System under this Article while employed by that employer or any other employer that has adopted the self-managed plan, unless the self-managed plan is terminated in accordance with subsection (i).

*Notwithstanding any other provision of this Article, a Tier 2 member shall have the option to enroll in the self-managed plan.*

Participation in the self-managed plan under this Section shall constitute membership in the State Universities Retirement System.

A participant under this Section shall be entitled to the benefits of Article 20 of this Code.

(f) Establishment of Initial Account Balance. If at the time an employee elects to participate in the self-managed plan he or she has rights and credits in the System due to previous participation in the traditional benefit package, the System shall establish for the employee an opening account balance in the self-managed plan, equal to the amount of contribution refund that the employee would be eligible to receive under Section 15-154 if the employee terminated employment on that date and elected a refund of contributions, except that this hypothetical refund shall include interest at the effective rate for the respective years. The System shall transfer assets from the defined benefit retirement program to the self-managed plan, as a tax free transfer in accordance with Internal Revenue Service guidelines, for purposes of funding the employee's opening account balance.

(g) No Duplication of Service Credit. Notwithstanding any other provision of this Article, an employee may not purchase or receive service or service credit applicable to any other retirement program administered by the System under this Article for any period during which the employee was a participant in the self-managed plan established under this Section.

(h) Contributions. The self-managed plan shall be funded by contributions from employees participating in the self-managed plan and employer contributions as provided in this Section.

The contribution rate for employees participating in the self-managed plan under this Section shall be equal to the employee contribution rate for other participants in the System, as provided in Section 15-157. This required contribution shall be made as an "employer pick-up" under Section 414(h) of the Internal Revenue Code of 1986 or

New matter indicated in italics - deletions by strikeout
any successor Section thereof. Any employee participating in the System's traditional benefit package prior to his or her election to participate in the self-managed plan shall continue to have the employer pick up the contributions required under Section 15-157. However, the amounts picked up after the election of the self-managed plan shall be remitted to and treated as assets of the self-managed plan. In no event shall an employee have an option of receiving these amounts in cash. Employees may make additional contributions to the self-managed plan in accordance with procedures prescribed by the System, to the extent permitted under rules prescribed by the System.

The program shall provide for employer contributions to be credited to each self-managed plan participant at a rate of 7.6% of the participating employee's salary, less the amount used by the System to provide disability benefits for the employee. The amounts so credited shall be paid into the participant's self-managed plan accounts in a manner to be prescribed by the System.

An amount of employer contribution, not exceeding 1% of the participating employee's salary, shall be used for the purpose of providing the disability benefits of the System to the employee. Prior to the beginning of each plan year under the self-managed plan, the Board of Trustees shall determine, as a percentage of salary, the amount of employer contributions to be allocated during that plan year for providing disability benefits for employees in the self-managed plan.

The State of Illinois shall make contributions by appropriations to the System of the employer contributions required for employees who participate in the self-managed plan under this Section. The amount required shall be certified by the Board of Trustees of the System and paid by the State in accordance with Section 15-165. The System shall not be obligated to remit the required employer contributions to any of the insurance and annuity companies, mutual fund companies, banks, trust companies, financial institutions, or other sponsors of any of the funding vehicles offered under the self-managed plan until it has received the required employer contributions from the State. In the event of a deficiency in the amount of State contributions, the System shall implement those procedures described in subsection (c) of Section 15-165 to obtain the required funding from the General Revenue Fund.

(i) Termination. The self-managed plan authorized under this Section may be terminated by the System, subject to the terms of any relevant contracts, and the System shall have no obligation to reestablish

New matter indicated in italics - deletions by strikeout
the self-managed plan under this Section. This Section does not create a right to continued participation in any self-managed plan set up by the System under this Section. If the self-managed plan is terminated, the participants shall have the right to participate in one of the other retirement programs offered by the System and receive service credit in such other retirement program for any years of employment following the termination.

(j) Vesting; Withdrawal; Return to Service. A participant in the self-managed plan becomes vested in the employer contributions credited to his or her accounts in the self-managed plan on the earliest to occur of the following: (1) completion of 5 years of service with an employer described in Section 15-106; (2) the death of the participating employee while employed by an employer described in Section 15-106, if the participant has completed at least 1 1/2 years of service; or (3) the participant's election to retire and apply the reciprocal provisions of Article 20 of this Code.

A participant in the self-managed plan who receives a distribution of his or her vested amounts from the self-managed plan while not yet eligible for retirement under this Article (and Article 20, if applicable) shall forfeit all service credit and accrued rights in the System; if subsequently re-employed, the participant shall be considered a new employee. If a former participant again becomes a participating employee (or becomes employed by a participating system under Article 20 of this Code) and continues as such for at least 2 years, all such rights, service credits, and previous status as a participant shall be restored upon repayment of the amount of the distribution, without interest.

(k) Benefit amounts. If an employee who is vested in employer contributions terminates employment, the employee shall be entitled to a benefit which is based on the account values attributable to both employer and employee contributions and any investment return thereon.

If an employee who is not vested in employer contributions terminates employment, the employee shall be entitled to a benefit based solely on the account values attributable to the employee's contributions and any investment return thereon, and the employer contributions and any investment return thereon shall be forfeited. Any employer contributions which are forfeited shall be held in escrow by the company investing those contributions and shall be used as directed by the System for future allocations of employer contributions or for the restoration of amounts
previously forfeited by former participants who again become participating employees.

duly elected. A vacancy occurring in the elective membership of the board

board for the remainder of the term. Nothing in this subsection shall
preclude the adoption of rules providing for internet or phone balloting in
addition, or as an alternative, to election by mail.

required State contributions made by this amendatory Act of the 94th General Assembly.

On or before April 1, 2011, the Board shall recalculate and recertify to the Governor the amount of the required State contribution to the System for State fiscal year 2011, applying the changes made by Public Act 96-889 to the System's assets and liabilities as of June 30, 2009 as though Public Act 96-889 was approved on that date.

(a-5) On or before November 1 of each year, beginning November 1, 2012, the Board shall submit to the State Actuary, the Governor, and the General Assembly a proposed certification of the amount of the required State contribution to the System for the next fiscal year, along with all of the actuarial assumptions, calculations, and data upon which that proposed certification is based. On or before January 1 of each year, beginning January 1, 2013, the State Actuary shall issue a preliminary report concerning the proposed certification and identifying, if necessary, recommended changes in actuarial assumptions that the Board must consider before finalizing its certification of the required State contributions. On or before January 15, 2013 and each January 15 thereafter, the Board shall certify to the Governor and the General Assembly the amount of the required State contribution for the next fiscal year. The Board's certification must note, in a written response to the State Actuary, any deviations from the State Actuary's recommended changes, the reason or reasons for not following the State Actuary's recommended changes, and the fiscal impact of not following the State Actuary's recommended changes on the required State contribution.

(b) The Board shall certify to the State Comptroller or employer, as the case may be, from time to time, by its chairperson president and secretary, with its seal attached, the amounts payable to the System from the various funds.

(c) Beginning in State fiscal year 1996, on or as soon as possible after the 15th day of each month the Board shall submit vouchers for payment of State contributions to the System, in a total monthly amount of one-twelfth of the required annual State contribution certified under subsection (a). From the effective date of this amendatory Act of the 93rd General Assembly through June 30, 2004, the Board shall not submit vouchers for the remainder of fiscal year 2004 in excess of the fiscal year 2004 certified contribution amount determined under this Section after taking into consideration the transfer to the System under subsection (b) of Section 6z-61 of the State Finance Act. These vouchers shall be paid by

the State Comptroller and Treasurer by warrants drawn on the funds appropriated to the System for that fiscal year.

If in any month the amount remaining unexpended from all other appropriations to the System for the applicable fiscal year (including the appropriations to the System under Section 8.12 of the State Finance Act and Section 1 of the State Pension Funds Continuing Appropriation Act) is less than the amount lawfully vouchered under this Section, the difference shall be paid from the General Revenue Fund under the continuing appropriation authority provided in Section 1.1 of the State Pension Funds Continuing Appropriation Act.

(d) So long as the payments received are the full amount lawfully vouchered under this Section, payments received by the System under this Section shall be applied first toward the employer contribution to the self-managed plan established under Section 15-158.2. Payments shall be applied second toward the employer's portion of the normal costs of the System, as defined in subsection (f) of Section 15-155. The balance shall be applied toward the unfunded actuarial liabilities of the System.

(e) In the event that the System does not receive, as a result of legislative enactment or otherwise, payments sufficient to fully fund the employer contribution to the self-managed plan established under Section 15-158.2 and to fully fund that portion of the employer's portion of the normal costs of the System, as calculated in accordance with Section 15-155(a-1), then any payments received shall be applied proportionately to the optional retirement program established under Section 15-158.2 and to the employer's portion of the normal costs of the System, as calculated in accordance with Section 15-155(a-1).

AN ACT concerning revenue.

Be it enacted by the People of the State of Illinois, represented in the General Assembly:

Section 5. The Property Tax Code is amended by changing Section 20-15 and by adding Section 9-275 as follows:

(35 ILCS 200/9-275 new)

Sec. 9-275. Erroneous homestead exemptions.

(a) For purposes of this Section:

"Erroneous homestead exemption" means a homestead exemption that was granted for real property in a taxable year if the property was not eligible for that exemption in that taxable year. If the taxpayer receives an erroneous homestead exemption under a single Section of this Code for the same property in multiple years, that exemption is considered a single erroneous homestead exemption for purposes of this Section. However, if the taxpayer receives erroneous homestead exemptions under multiple Sections of this Code for the same property, or if the taxpayer receives erroneous homestead exemptions under the same Section of this Code for multiple properties, then each of those exemptions is considered a separate erroneous homestead exemption for purposes of this Section.

"Homestead exemption" means an exemption under Section 15-165 (disabled veterans), 15-167 (returning veterans), 15-168 (disabled persons), 15-169 (disabled veterans standard homestead), 15-170 (senior citizens), 15-172 (senior citizens assessment freeze), 15-175 (general
homestead), 15-176 (alternative general homestead), or 15-177 (long-time occupant).

(b) Notwithstanding any other provision of law, in counties with 3,000,000 or more inhabitants, the chief county assessment officer shall include the following information with each assessment notice sent in a general assessment year: (1) a list of each homestead exemption available under Article 15 of this Code and a description of the eligibility criteria for that exemption; (2) a list of each homestead exemption applied to the property in the current assessment year; (3) information regarding penalties and interest that may be incurred under this Section if the property owner received an erroneous homestead exemption in a previous taxable year; and (4) notice of the 60-day grace period available under this subsection. If, within 60 days after receiving his or her assessment notice, the property owner notifies the chief county assessment officer that he or she received an erroneous homestead exemption in a previous assessment year, and if the property owner pays the principal amount of back taxes due and owing with respect to that exemption, plus interest as provided in subsection (f), then the property owner shall not be liable for the penalties provided in subsection (f) with respect to that exemption.

(c) The chief county assessment officer in a county with 3,000,000 or more inhabitants may cause a lien to be recorded against property that (1) is located in the county and (2) received one or more erroneous homestead exemptions if, upon determination of the chief county assessment officer, the property owner received: (A) one or 2 erroneous homestead exemptions for real property, including at least one erroneous homestead exemption granted for the property against which the lien is sought, during any of the 3 assessment years immediately prior to the assessment year in which the notice of intent to record at tax lien is served; or (2) 3 or more erroneous homestead exemptions for real property, including at least one erroneous homestead exemption granted for the property against which the lien is sought, during any of the 6 assessment years immediately prior to the assessment year in which the notice of intent to record at tax lien is served. Prior to recording the lien against the property, the chief county assessment officer shall cause to be served, by both regular mail and certified mail, return receipt requested, on the person to whom the most recent tax bill was mailed and the owner of record, a notice of intent to record a tax lien against the property.

(d) The notice of intent to record a tax lien described in subsection (c) shall: (1) identify, by property index number, the property against
which the lien is being sought; (2) identify each specific homestead exemption that was erroneously granted and the year or years in which each exemption was granted; (3) set forth the arrearage of taxes that would have been due if not for the erroneous homestead exemptions; (4) inform the property owner that he or she may request a hearing within 30 days after service and may appeal the hearing officer's ruling to the circuit court; and (5) inform the property owner that he or she may pay the amount due, plus interest and penalties, within 30 days after service.

(e) The notice must also include a form that the property owner may return to the chief county assessment officer to request a hearing. The property owner may request a hearing by returning the form within 30 days after service. The hearing shall be held within 90 days after the property owner is served. The chief county assessment officer shall promulgate rules of service and procedure for the hearing. The chief county assessment officer must generally follow rules of evidence and practices that prevail in the county circuit courts, but, because of the nature of these proceedings, the chief county assessment officer is not bound by those rules in all particulars. The chief county assessment officer shall appoint a hearing officer to oversee the hearing. The property owner shall be allowed to present evidence to the hearing officer at the hearing. After taking into consideration all the relevant testimony and evidence, the hearing officer shall make an administrative decision on whether the property owner was erroneously granted a homestead exemption for the assessment year in question. The property owner may appeal the hearing officer's ruling to the circuit court of the county where the property is located as a final administrative decision under the Administrative Review Law.

(f) A lien against the property imposed under this Section shall be filed with the county recorder of deeds, but may not be filed sooner than 60 days after the notice was delivered to the property owner if the property owner does not request a hearing, or until the conclusion of the hearing and all appeals if the property owner does request a hearing. If a lien is filed pursuant to this Section and the property owner received one or 2 erroneous homestead exemptions during any of the 3 assessment years immediately prior to the assessment year in which the notice of intent to record at tax lien is served, then the arrearages of taxes that might have been assessed for that property, plus 10% interest per annum, shall be charged against the property by the county treasurer. However, if a lien is filed pursuant to this Section and the property owner received 3

or more erroneous homestead exemptions during any of the 6 assessment years immediately prior to the assessment year in which the notice of intent to record at tax lien is served, the arrearages of taxes that might have been assessed for that property, plus a penalty of 50% of the total amount of unpaid taxes for each year for that property and 10% interest per annum, shall be charged against the property by the county treasurer.

(g) If a person received an erroneous homestead exemption under Section 15-170 and: (1) the person was the spouse, child, grandchild, brother, sister, niece, or nephew of the previous owner; and (2) the person received the property by bequest or inheritance; then the person is not liable for the penalties imposed under this subsection for any year or years during which the county did not require an annual application for the exemption. However, that person is responsible for any interest owed under subsection (f).

(h) If the erroneous homestead exemption was granted as a result of a clerical error or omission on the part of the chief county assessment officer, and if the owner has paid its tax bills as received for the year in which the error occurred, then the interest and penalties authorized by this Section with respect to that homestead exemption shall not be chargeable to the owner. However, nothing in this Section shall prevent the collection of the principal amount of back taxes due and owing.

(i) A lien under this Section is not valid as to (1) any bona fide purchaser for value without notice of the erroneous homestead exemption whose rights in and to the underlying parcel arose after the erroneous homestead exemption was granted but before the filing of the notice of lien; or (2) any mortgagee, judgment creditor, or other lienor whose rights in and to the underlying parcel arose before the filing of the notice of lien. A title insurance policy for the property that is issued by a title company licensed to do business in the State showing that the property is free and clear of any liens imposed under this Section shall be prima facie evidence that the property owner is without notice of the erroneous homestead exemption. Nothing in this Section shall be deemed to impair the rights of subsequent creditors and subsequent purchasers under Section 30 of the Conveyances Act.

(j) When a lien is filed against the property pursuant to this Section, the chief county assessment officer shall mail a copy of the lien to the person to whom the most recent tax bill was mailed and to the owner of record, and the outstanding liability created by such a lien is due and payable within 30 days after the mailing of the lien by the chief county

New matter indicated in italics - deletions by strikeout
assessment officer. Payment shall be made to the chief county assessment officer who shall, upon receipt of the full amount due, provide in reasonable form a release of the lien and shall transmit the funds received to the county treasurer for distribution as provided in subsection (i) of this Section. This liability is deemed delinquent and shall bear interest beginning on the day after the due date.

(k) The unpaid taxes shall be paid to the appropriate taxing districts. Interest shall be paid to the county where the property is located. The penalty shall be paid to the chief county assessment officer's office for the administration of the provisions of this amendatory Act of the 98th General Assembly.

(l) The chief county assessment officer in a county with 3,000,000 or more inhabitants shall establish an amnesty period for all taxpayers owing any tax due to an erroneous homestead exemption granted in a tax year prior to the 2013 tax year. The amnesty period shall begin on the effective date of this amendatory Act of the 98th General Assembly and shall run through December 31, 2013. If, during the amnesty period, the taxpayer pays the entire arrearage of taxes due for tax years prior to 2013, the county clerk shall abate and not seek to collect any interest or penalties that may be applicable and shall not seek civil or criminal prosecution for any taxpayer for tax years prior to 2013. Failure to pay all such taxes due during the amnesty period established under this Section shall invalidate the amnesty period for that taxpayer.

The chief county assessment officer in a county with 3,000,000 or more inhabitants shall (i) mail notice of the amnesty period with the tax bills for the second installment of taxes for the 2012 assessment year and (ii) as soon as possible after the effective date of this amendatory Act of the 98th General Assembly, publish notice of the amnesty period in a newspaper of general circulation in the county. Notices shall include information on the amnesty period, its purpose, and the method in which to make payment.

Taxpayers who are a party to any criminal investigation or to any civil or criminal litigation that is pending in any circuit court or appellate court, or in the Supreme Court of this State, for nonpayment, delinquency, or fraud in relation to any property tax imposed by any taxing district located in the State on the effective date of this amendatory Act of the 98th General Assembly may not take advantage of the amnesty period.
A taxpayer who has claimed 3 or more homestead exemptions in error shall not be eligible for the amnesty period established under this subsection.

(35 ILCS 200/20-15)

Sec. 20-15. Information on bill or separate statement. There shall be printed on each bill, or on a separate slip which shall be mailed with the bill:

(a) a statement itemizing the rate at which taxes have been extended for each of the taxing districts in the county in whose district the property is located, and in those counties utilizing electronic data processing equipment the dollar amount of tax due from the person assessed allocable to each of those taxing districts, including a separate statement of the dollar amount of tax due which is allocable to a tax levied under the Illinois Local Library Act or to any other tax levied by a municipality or township for public library purposes,

(b) a separate statement for each of the taxing districts of the dollar amount of tax due which is allocable to a tax levied under the Illinois Pension Code or to any other tax levied by a municipality or township for public pension or retirement purposes,

(c) the total tax rate,

(d) the total amount of tax due, and

(e) the amount by which the total tax and the tax allocable to each taxing district differs from the taxpayer's last prior tax bill.

The county treasurer shall ensure that only those taxing districts in which a parcel of property is located shall be listed on the bill for that property.

In all counties the statement shall also provide:

(1) the property index number or other suitable description,

(2) the assessment of the property,

(3) the statutory amount of each homestead exemption applied to the property,

(4) the assessed value of the property after application of all homestead exemptions,

(5) the equalization factors imposed by the county and by the Department, and

(6) the equalized assessment resulting from the application of the equalization factors to the basic assessment.

New matter indicated in italics - deletions by strikeout
In all counties which do not classify property for purposes of taxation, for property on which a single family residence is situated the statement shall also include a statement to reflect the fair cash value determined for the property. In all counties which classify property for purposes of taxation in accordance with Section 4 of Article IX of the Illinois Constitution, for parcels of residential property in the lowest assessment classification the statement shall also include a statement to reflect the fair cash value determined for the property.

In all counties, the statement must include information that certain taxpayers may be eligible for tax exemptions, abatements, and other assistance programs and that, for more information, taxpayers should consult with the office of their township or county assessor and with the Illinois Department of Revenue.

In all counties, the statement shall include information that certain taxpayers may be eligible for the Senior Citizens and Disabled Persons Property Tax Relief Act and that applications are available from the Illinois Department on Aging.

In counties which use the estimated or accelerated billing methods, these statements shall only be provided with the final installment of taxes due. The provisions of this Section create a mandatory statutory duty. They are not merely directory or discretionary. The failure or neglect of the collector to mail the bill, or the failure of the taxpayer to receive the bill, shall not affect the validity of any tax, or the liability for the payment of any tax.

PUBLIC ACT 98-0094
(House Bill No. 2869)

AN ACT concerning finance.

Be it enacted by the People of the State of Illinois, represented in the General Assembly:

Section 5. The State Finance Act is amended by changing Section 6z-78 as follows:

(30 ILCS 105/6z-78)

New matter indicated in italics - deletions by strikeout
Sec. 6z-78. Capital Projects Fund; bonded indebtedness; transfers. Money in the Capital Projects Fund shall, if and when the State of Illinois incurs any bonded indebtedness using the bond authorizations enacted in Public Act 96-36, Public Act 96-1554, Public Act 97-771, and this amendatory Act of the 98th 97th General Assembly, be set aside and used for the purpose of paying and discharging annually the principal and interest on that bonded indebtedness then due and payable.

In addition to other transfers to the General Obligation Bond Retirement and Interest Fund made pursuant to Section 15 of the General Obligation Bond Act, upon each delivery of general obligation bonds using bond authorizations enacted in Public Act 96-36, Public Act 96-1554, Public Act 97-771, and this amendatory Act of the 98th 97th General Assembly the State Comptroller shall compute and certify to the State Treasurer the total amount of principal of, interest on, and premium, if any, on such bonds during the then current and each succeeding fiscal year. With respect to the interest payable on variable rate bonds, such certifications shall be calculated at the maximum rate of interest that may be payable during the fiscal year, after taking into account any credits permitted in the related indenture or other instrument against the amount of such interest required to be appropriated for the period.

(a) Except as provided for in subsection (b), on or before the last day of each month, the State Treasurer and State Comptroller shall transfer from the Capital Projects Fund to the General Obligation Bond Retirement and Interest Fund an amount sufficient to pay the aggregate of the principal of, interest on, and premium, if any, on the bonds payable on their next payment date, divided by the number of monthly transfers occurring between the last previous payment date (or the delivery date if no payment date has yet occurred) and the next succeeding payment date. Interest payable on variable rate bonds shall be calculated at the maximum rate of interest that may be payable for the relevant period, after taking into account any credits permitted in the related indenture or other instrument against the amount of such interest required to be appropriated for that period. Interest for which moneys have already been deposited into the capitalized interest account within the General Obligation Bond Retirement and Interest Fund shall not be included in the calculation of the amounts to be transferred under this subsection.

(b) On or before the last day of each month, the State Treasurer and State Comptroller shall transfer from the Capital Projects Fund to the General Obligation Bond Retirement and Interest Fund an amount
sufficient to pay the aggregate of the principal of, interest on, and premium, if any, on the bonds issued prior to January 1, 2012 pursuant to Section 4(d) of the General Obligation Bond Act payable on their next payment date, divided by the number of monthly transfers occurring between the last previous payment date (or the delivery date if no payment date has yet occurred) and the next succeeding payment date. If the available balance in the Capital Projects Fund is not sufficient for the transfer required in this subsection, the State Treasurer and State Comptroller shall transfer the difference from the Road Fund to the General Obligation Bond Retirement and Interest Fund; except that such Road Fund transfers shall constitute a debt of the Capital Projects Fund which shall be repaid according to subsection (c). Interest payable on variable rate bonds shall be calculated at the maximum rate of interest that may be payable for the relevant period, after taking into account any credits permitted in the related indenture or other instrument against the amount of such interest required to be appropriated for that period. Interest for which moneys have already been deposited into the capitalized interest account within the General Obligation Bond Retirement and Interest Fund shall not be included in the calculation of the amounts to be transferred under this subsection.

(c) On the first day of any month when the Capital Projects Fund is carrying a debt to the Road Fund due to the provisions of subsection (b), the State Treasurer and State Comptroller shall transfer from the Capital Projects Fund to the Road Fund an amount sufficient to discharge that debt. These transfers to the Road Fund shall continue until the Capital Projects Fund has repaid to the Road Fund all transfers made from the Road Fund pursuant to subsection (b). Notwithstanding any other law to the contrary, transfers to the Road Fund from the Capital Projects Fund shall be made prior to any other expenditures or transfers out of the Capital Projects Fund.

A business owned and controlled by females who are also minorities shall be certified as both a "Female owned business" and a "Minority owned business". The Council shall select and designate whether such business is to be certified as a "Female-owned business" or "Minority-owned business" if the females are also minorities.

(9) "Control" means the exclusive or ultimate and sole control of the business including, but not limited to, capital investment and all other financial matters, property, acquisitions, contract negotiations, legal matters, officer-director-employee selection and comprehensive hiring, operating responsibilities, cost-control matters, income and dividend matters, financial transactions and rights of other shareholders or joint partners. Control shall be real, substantial and continuing, not pro forma. Control shall include the power to direct or cause the direction of
the management and policies of the business and to make the day-
to-day as well as major decisions in matters of policy, management
and operations. Control shall be exemplified by possessing the
requisite knowledge and expertise to run the particular business
and control shall not include simple majority or absentee
ownership.

(10) "Business concern or business" means a business that
has annual gross sales of less than $75,000,000 as evidenced by the
federal income tax return of the business. A firm with gross sales
in excess of this cap may apply to the Council for certification for a
particular contract if the firm can demonstrate that the contract
would have significant impact on businesses owned by minorities,
females, or persons with disabilities as suppliers or subcontractors
or in employment of minorities, females, or persons with
disabilities.

(B) When a business concern is owned at least 51% by any
combination of minority persons, females, or persons with disabilities,
even though none of the 3 classes alone holds at least a 51% interest, the
ownership requirement for purposes of this Act is considered to be met.
The certification category for the business is that of the class holding the
largest ownership interest in the business. If 2 or more classes have equal
ownership interests, the certification category shall be determined by the
business concern.

AN ACT concerning criminal law.

Be it enacted by the People of the State of Illinois, represented in the General Assembly:

Section 5. The Criminal Code of 2012 is amended by changing Section 32-13 as follows:

(720 ILCS 5/32-13)
Sec. 32-13. Unlawful clouding of title.
(a) Any person who intentionally records or files or causes to be recorded or filed any document in the office of the recorder or registrar of
titles of any county of this State that is a cloud on the title of land in this State, knowing that the theory upon which the purported cloud on title is based is not recognized as a legitimate legal theory by the courts of this State or of the United States, commits the offense of unlawful clouding of title.

(b) Unlawful clouding of title is a Class A misdemeanor for a first offense if the cloud on the title has a value that does not exceed $10,000. Unlawful clouding of title is a Class 4 felony if the cloud on the title has a value that exceeds $10,000, or for a second or subsequent offense.

Irrespective of whether or not a person charged under this Section is convicted of the offense of unlawful clouding of title, when the evidence demonstrates that, as a matter of law, the cloud on title is not a type of cloud recognized or authorized by the courts of this State or the United States, the court shall forthwith direct the recorder or registrar of titles to expunge the cloud.

AN ACT concerning local government.

Be it enacted by the People of the State of Illinois, represented in the General Assembly:

Section 5. The Counties Code is amended by adding Section 3-5010.5 as follows:

(55 ILCS 5/3-5010.5 new)

Sec. 3-5010.5. Fraud referral and review.

(a) Legislative findings. The General Assembly finds that property fraud, including fraudulent filings intended to cloud or fraudulently transfer title to property by recording false or altered documents and deeds, is a rapidly growing problem throughout the State. In order to combat the increase in the number of these filings, a recorder may establish a process to review and refer documents suspected to be fraudulent.

(b) Definitions. The terms "recording" and "filing" are used interchangeably in this Section.

(c) Establishment and use of a fraud referral and review process. A recorder who establishes a fraud referral and review process under the provisions of this Section may use it to review deeds and instruments and refer any of them to an administrative law judge for review pursuant to subsection (g) of this Section that cause the recorder to reasonably believe that the filing may be fraudulent, unlawfully altered, or intended to unlawfully cloud or transfer the title of any real property. The recorder may enter into an intergovernmental agreement with local law enforcement officials for the purposes of this referral and review. A recorder may request that the Secretary of the Department of Financial and Professional Regulation assist in reviewing possible fraudulent filings. Upon request, the Secretary, or his or her designee, shall assist in identifying the validity of filings. The recorder shall notify the Secretary when a document suspected to be fraudulent is discovered.

In counties with a population of less than 3 million, a recorder shall provide public notice 90 days before the establishment of the fraud referral and review process. The notice shall include a statement of the recorder's intent to create a fraud referral and review process and shall be published in a newspaper of general circulation in the county and, if

New matter indicated in italics - deletions by strikeout
feasible, posted on the recorder's website and at the recorder's office or offices.

In determining whether to refer a document to an administrative law judge for review, a recorder may take into consideration any of the following factors:

(1) whether the owner of the property or his or her designated representative has reported to the recorder that another individual is attempting or has attempted to record a fraudulent deed or other instrument upon the property;

(2) whether a law enforcement official has contacted the recorder indicating that he or she has probable cause to suspect title or recording fraud;

(3) whether the filer's name has a copyright attached to it or the property owner's name has nonstandard punctuation attached to it;

(4) whether the documents assert fines that do not exist or have no basis under current law or that require payment in gold or silver;

(5) whether the documents are maritime liens, or liens under the Federal Maritime Lien Act or the Preferred Ship Mortgage Act, or not authorized by the United States Coast Guard;

(6) whether the documents are land patents not authorized and certified by the United States Department of the Interior Bureau of Land Management;

(7) whether the documents are representing that the subject of the lien is releasing itself from a lien held by another entity, with no apparent cooperation or authorization provided by the lienholder;

(8) whether the documents are protesting or disputing a foreclosure proceeding that are not filed within the foreclosure suit and with the court presiding over the matter;

(9) whether the documents are Uniform Commercial Code filings referencing birth certificates or other private records that are not in compliance with Section 9-501 of the Uniform Commercial Code;

(10) whether the documents are re-recording deeds to re-notarize or attach notary certification if prior notarization already appears unaltered on the document of record;

New matter indicated in italics - deletions by strikeout
(11) whether the documents are asserting diplomatic credentials or immunity, non-United States citizenship, or independence from the laws of the United States;

(12) whether the documents are claims that a bank cannot hold title after a foreclosure;

(13) whether the documents are deeds not properly signed by the last legal owner of record or his or her court appointed representative or attorney-in-fact under a power of attorney;

(14) whether the documents are manipulated or altered federal or State legal or court forms that release a lien;

(15) whether a document is not related to a valid existing or potential adverse transaction, existing lien, or judgment of a court of competent jurisdiction;

(16) a document that is not related to a valid existing or potential commercial or financial transaction, existing agricultural or other lien, or judgment of a court of competent jurisdiction;

(17) whether the document is filed with the intent to harass or defraud the person identified in the record or any other person;

(18) whether the document is filed with the intent to harass or defraud any member of a governmental office, including, but not limited to, the recorder's office, local government offices, the State of Illinois, or the Federal government; and

(19) whether the documents are previous court determinations, including a previous determination by a court of competent jurisdiction that a particular document is fraudulent, invalid, or forged.

(d) Determinations. If a recorder determines, after review by legal staff and counsel, that a deed or instrument that is recorded in the grantor's index or the grantee's index may be fraudulent, unlawfully altered, or intended to unlawfully cloud or transfer the title of any real property, he or she shall refer the deed or instrument to an administrative law judge for review pursuant to subsection (g) of this Section. The recorder shall record a Notice of Referral in the grantor's index or the grantee's index identifying the document, corresponding document number in question, and the date of referral. The recorder shall also notify the parties set forth in subsection (e) of this Section. The recorder may, at his or her discretion, notify law enforcement officials regarding a filing determined to be fraudulent, unlawfully altered, or intended to unlawfully cloud or transfer the title of any real property.

New matter indicated in italics - deletions by strikeout
(e) Notice. The recorder shall use county property tax records to identify and provide notice to the last owner of record by telephone, if available, and certified mail both when: (1) a deed or instrument has been referred for review and determination; and (2) a final determination has been made regarding the deed or instrument. Notice, by mail, shall also be sent to the physical address of the property associated with the deed or instrument.

(f) Administrative decision. The recorder's decision to add a Notice of Referral and refer a document for review is a final administrative decision that is subject to review by the circuit court of the county where the real property is located under the Administrative Review Law. The standard of review by the circuit court shall be de novo.

(g) Referral and review process. Prior to referral, the recorder shall notify the last owner of record of the document or documents suspected to be fraudulent. The person, entity, or legal representative thereof shall confirm in writing his or her belief that a document or documents are suspected to be fraudulent and may request that the recorder refer the case for review. Upon request, the recorder shall bring a case to its county department of administrative hearings and, within 10 business days after receipt, an administrative law judge shall schedule a hearing to occur no later than 30 days after receiving the referral. The referral and case shall clearly identify the person, persons, or entity believed to be the last true owner of record as the petitioner. Notice of the hearing shall be provided by the administrative law judge to the filer, or the party represented by the filer, of the suspected fraudulent document, the legal representative of the recorder of deeds who referred the case, and the last owner of record, as identified in the referral.

If clear and convincing evidence shows the document in question to be fraudulent, the administrative law judge shall rule the document to be fraudulent and forward the judgment to all the parties identified in this subsection. Upon receiving notice of the judgment of fraud, the recorder shall, within 5 business days, record a new document that includes a copy of the judgment in front of the Notice of Referral that shall clearly state that the document in question has been found to be fraudulent and shall not be considered to affect the chain of title of the property in any way.

If the administrative law judge finds the document to be legitimate, the recorder shall, within 5 business days after receiving notice, record a copy of the judgment.

New matter indicated in italics - deletions by strikeout
A decision by an administrative law judge shall not preclude a State's attorney or sheriff from proceeding with a criminal investigation or criminal charges. If a county does not have an administrative law judge that specializes in public records, one shall be appointed within 3 months after the effective date of this amendatory Act of the 98th General Assembly, or the original case shall be forwarded to the proper circuit court with jurisdiction.

Nothing in this Section precludes a private right of action by any party with an interest in the property affected by the review and referral, or the filer of the document or documents suspected to be fraudulent. Nothing in this Section requires a person or entity who may have had a fraudulent document or encumbrance filed against his or her property to use the fraud review and referral process or administrative review created by this Section.

(h) Fees. The recorder shall retain any filing fees associated with filing a deed or instrument that is determined to be fraudulent, unlawfully altered, or intended to unlawfully cloud or transfer the title of any real property under this Section.

(i) Liability. Neither a recorder nor any of his or her employees or agents shall be subject to personal liability by reason of any error or omission in the performance of any duty under this Section, except in case of willful or wanton conduct. Neither the recorder nor any of his or her employees shall incur liability for the referral or review, or failure to refer or review, a document or instrument under this Section.

(j) Applicability. This Section applies only to filings provided to the recorder on and after the effective date of this amendatory Act of the 98th General Assembly.

(k) This Section is repealed June 1, 2018.

Section 99. Effective date. This Act takes effect upon becoming law.

"Public employer" or "employer" as used in this Act, however, does not mean and shall not include the General Assembly of the State of Illinois, the Executive Ethics Commission, the Offices of the Executive Inspectors General, the Legislative Ethics Commission, the Office of the Legislative Inspector General, the Office of the Auditor General's Inspector General, the Office of the Governor, the Governor's Office of Management and Budget, the Illinois Finance Authority, the Office of the Lieutenant Governor, the State Board of Elections, and educational employers or employers as defined in the Illinois Educational Labor Relations Act, except with respect to a state university in its employment of firefighters and peace officers and except with respect to a school district in the employment of peace officers in its own police department in existence on the effective date of this amendatory Act of the 96th General Assembly. County boards and county sheriffs shall be designated as joint or co-employers of county peace officers appointed under the authority of a county sheriff. Nothing in this subsection (o) shall be construed to prevent the State Panel or the Local Panel from determining that employers are joint or co-employers.

(o-5) With respect to wages, fringe benefits, hours, holidays, vacations, proficiency examinations, sick leave, and other conditions of employment, the public employer of public employees who are court reporters, as defined in the Court Reporters Act, shall be determined as follows:

(1) For court reporters employed by the Cook County Judicial Circuit, the chief judge of the Cook County Circuit Court is the public employer and employer representative.

majority of employees being responsible for the supervision and control of inmates at correctional facilities.

(q) "Short-term employee" means an employee who is employed for less than 2 consecutive calendar quarters during a calendar year and who does not have a reasonable assurance that he or she will be rehired by the same employer for the same service in a subsequent calendar year.

(q-5) "State agency" means an agency directly responsible to the Governor, as defined in Section 3.1 of the Executive Reorganization Implementation Act, and the Illinois Commerce Commission, the Illinois Workers' Compensation Commission, the Civil Service Commission, the Pollution Control Board, the Illinois Racing Board, and the Department of State Police Merit Board.

(r) "Supervisor" is:

(1) An employee whose principal work is substantially different from that of his or her subordinates and who has authority, in the interest of the employer, to hire, transfer, suspend, lay off, recall, promote, discharge, direct, reward, or discipline employees, to adjust their grievances, or to effectively recommend any of those actions, if the exercise of that authority is not of a merely routine or clerical nature, but requires the consistent use of independent judgment. Except with respect to police employment, the term "supervisor" includes only those individuals who devote a preponderance of their employment time to exercising that authority, State supervisors notwithstanding. Nothing in this definition prohibits an individual from also meeting the definition of "managerial employee" under subsection (j) of this Section. In addition, in determining supervisory status in police employment, rank shall not be determinative. The Board shall consider, as evidence of bargaining unit inclusion or exclusion, the common law enforcement policies and relationships between police officer ranks and certification under applicable civil service law, ordinances, personnel codes, or Division 2.1 of Article 10 of the Illinois Municipal Code, but these factors shall not be the sole or predominant factors considered by the Board in determining police supervisory status.

Notwithstanding the provisions of the preceding paragraph, in determining supervisory status in fire fighter employment, no fire fighter shall be excluded as a supervisor who has established representation rights under Section 9 of this Act. Further, in new
fire fighter units, employees shall consist of fire fighters of the rank of company officer and below. If a company officer otherwise qualifies as a supervisor under the preceding paragraph, however, he or she shall not be included in the fire fighter unit. If there is no rank between that of chief and the highest company officer, the employer may designate a position on each shift as a Shift Commander, and the persons occupying those positions shall be supervisors. All other ranks above that of company officer shall be supervisors.

(2) With respect only to State employees in positions under the jurisdiction of the Attorney General, Secretary of State, Comptroller, or Treasurer (i) that were certified in a bargaining unit on or after December 2, 2008, (ii) for which a petition is filed with the Illinois Public Labor Relations Board on or after April 5, 2013 (the effective date of Public Act 97-1172) this amendatory Act of the 97th General Assembly, or (iii) for which a petition is pending before the Illinois Public Labor Relations Board on that date, an employee who qualifies as a supervisor under (A) Section 152 of the National Labor Relations Act and (B) orders of the National Labor Relations Board interpreting that provision or decisions of courts reviewing decisions of the National Labor Relations Board.

(s)(1) "Unit" means a class of jobs or positions that are held by employees whose collective interests may suitably be represented by a labor organization for collective bargaining. Except with respect to non-State fire fighters and paramedics employed by fire departments and fire protection districts, non-State peace officers, and peace officers in the Department of State Police, a bargaining unit determined by the Board shall not include both employees and supervisors, or supervisors only, except as provided in paragraph (2) of this subsection (s) and except for bargaining units in existence on July 1, 1984 (the effective date of this Act). With respect to non-State fire fighters and paramedics employed by fire departments and fire protection districts, non-State peace officers, and peace officers in the Department of State Police, a bargaining unit determined by the Board shall not include both supervisors and nonsupervisors, or supervisors only, except as provided in paragraph (2) of this subsection (s) and except for bargaining units in existence on January 1, 1986 (the effective date of this amendatory Act of 1985). A bargaining unit determined by the Board to contain peace officers shall contain no employees other than peace officers unless otherwise agreed to by the
employer and the labor organization or labor organizations involved. Notwithstanding any other provision of this Act, a bargaining unit, including a historical bargaining unit, containing sworn peace officers of the Department of Natural Resources (formerly designated the Department of Conservation) shall contain no employees other than such sworn peace officers upon the effective date of this amendatory Act of 1990 or upon the expiration date of any collective bargaining agreement in effect upon the effective date of this amendatory Act of 1990 covering both such sworn peace officers and other employees.

(2) Notwithstanding the exclusion of supervisors from bargaining units as provided in paragraph (1) of this subsection (s), a public employer may agree to permit its supervisory employees to form bargaining units and may bargain with those units. This Act shall apply if the public employer chooses to bargain under this subsection.

(3) Public employees who are court reporters, as defined in the Court Reporters Act, shall be divided into 3 units for collective bargaining purposes. One unit shall be court reporters employed by the Cook County Judicial Circuit; one unit shall be court reporters employed by the 12th, 18th, 19th, and, on and after December 4, 2006, the 22nd judicial circuits; and one unit shall be court reporters employed by all other judicial circuits.

(t) "Active petition for certification in a bargaining unit" means a petition for certification filed with the Board under one of the following case numbers: S-RC-11-110; S-RC-11-098; S-UC-11-080; S-RC-11-086; S-RC-11-074; S-RC-11-076; S-RC-11-078; S-UC-11-052; S-UC-11-054; S-RC-11-062; S-RC-11-060; S-RC-11-042; S-RC-11-014; S-RC-11-016; S-RC-11-020; S-RC-11-030; S-RC-11-004; S-RC-10-244; S-RC-10-228; S-RC-10-222; S-RC-10-220; S-RC-10-214; S-RC-10-196; S-RC-10-194; S-RC-10-178; S-RC-10-176; S-RC-10-162; S-RC-10-156; S-RC-10-088; S-RC-10-074; S-RC-10-076; S-RC-10-078; S-RC-10-060; S-RC-10-070; S-RC-10-044; S-RC-10-038; S-RC-10-040; S-RC-10-042; S-RC-10-018; S-RC-10-024; S-RC-10-004; S-RC-10-006; S-RC-10-008; S-RC-10-010; S-RC-10-012; S-RC-09-202; S-RC-09-182; S-RC-09-180; S-RC-09-156; S-UC-09-196; S-UC-09-182; S-RC-08-130; S-RC-07-110; or S-RC-07-100.

Sec. 6.1. Gubernatorial designation of certain public employment positions as excluded from collective bargaining.

(a) Notwithstanding any provision of this Act to the contrary, except subsections (e) and (f) of this Section, the Governor is authorized to designate up to 3,580 State employment positions collectively within State agencies directly responsible to the Governor, and, upon designation, those positions and employees in those positions, if any, are hereby excluded from the self-organization and collective bargaining provisions of Section 6 of this Act. Only those employment positions that have been certified in a bargaining unit on or after December 2, 2008, that have a pending petition for certification in a bargaining unit on April 5, 2013 (the effective date of Public Act 97-1172) this amendatory Act of the 97th General Assembly, or that neither have been certified in a bargaining unit on or after December 2, 2008 nor have a pending petition for certification in a bargaining unit on the effective date of this amendatory Act of the 97th General Assembly are eligible to be designated by the Governor under this Section. The Governor may not designate under this Section, however, more than 1,900 employment positions that have been certified in a bargaining unit on or after December 2, 2008.

(b) In order to properly designate a State employment position under this Section, the Governor shall provide in writing to the Board: the job title and job duties of the employment position; the name of the State employee currently in the employment position, if any; the name of the State agency employing the public employee; and the category under which the position qualifies for designation under this Section.

To qualify for designation under this Section, the employment position must meet one or more of the following requirements:

1. It must authorize an employee in that position to act as a legislative liaison;

2. It must have a title of, or authorize a person who holds that position to exercise substantially similar duties as an, Agency General Counsel, Agency Chief of Staff, Agency Executive Director, Agency Deputy Director, Agency Chief Fiscal Officer, Agency Human Resources Director, Senior Public Service Administrator, Public Information Officer, or Chief Information Officer;
(3) it must be a Rutan-exempt, as designated by the employer, position and completely exempt from jurisdiction B of the Personnel Code;

(4) it must be a term appointed position pursuant to Section 8b.18 or 8b.19 of the Personnel Code; or

(5) it must authorize an employee in that position to have significant and independent discretionary authority as an employee.

Within 60 days after the Governor makes a designation under this Section, the Board shall determine, in a manner that is consistent with the requirements of due process, whether the designation comports with the requirements of this Section.

(c) For the purposes of this Section, a person has significant and independent discretionary authority as an employee if he or she (i) is engaged in executive and management functions of a State agency and charged with the effectuation of management policies and practices of a State agency or represents management interests by taking or recommending discretionary actions that effectively control or implement the policy of a State agency or (ii) qualifies as a supervisor of a State agency as that term is defined under Section 152 of the National Labor Relations Act or any orders of the National Labor Relations Board interpreting that provision or decisions of courts reviewing decisions of the National Labor Relations Board.

(d) The Governor must exercise the authority afforded under this Section within 365 calendar days after April 5, 2013 (the effective date of this amendatory Act of the 97th General Assembly). Any designation made by the Governor under this Section shall be presumed to have been properly made.

If the Governor chooses not to designate a position under this Section, then that decision does not preclude a State agency from otherwise challenging the certification of that position under this Act.

The qualifying categories set forth in paragraphs (1) through (5) of subsection (b) of this Section are operative and function solely within this Section and do not expand or restrict the scope of any other provision contained in this Act.

(e) The provisions of this Section do not apply to any employee who is employed by a public employer and who is classified as, or holds the employment title of, Chief Stationary Engineer, Assistant Chief Stationary Engineer, Sewage Plant Operator, Water Plant Operator, Stationary Engineer, Plant Operating Engineer, and any employee who

(f) The provisions of this Section also do not apply to any mental health administrator in the Department of Corrections who is classified as or who holds the position of Public Service Administrator (Option 8K), any employee of the Office of the Inspector General in the Department of Human Services who is classified as or who holds the position of Public Service Administrator (Option 7), any Deputy of Intelligence in the Department of Corrections who is classified as or who holds the position of Public Service Administrator (Option 7), or any employee of the Department of State Police who handles issues concerning the Illinois State Police Sex Offender Registry and who is classified as or holds the position of Public Service Administrator (Option 7).

used in this Section, "manufacture" means to construct or assemble a vessel or alter a vessel in such manner as to change its weight capacity.

(2) A capacity plate shall bear the following information permanently marked thereon in such manner as to be clearly visible and legible from the position designed or normally intended to be occupied by the operator of the vessel when under way:

a. For all vessels designed for or represented by the manufacturer as being suitable for use with outboard motor:
   1. The total weight of persons, motor, gear and other articles placed aboard which the vessel is capable of carrying with safety under normal conditions.
   2. The recommended number of persons commensurate with the weight capacity of the vessel and the presumed weight in pounds of each such person. In no instance may such presumed weight per person be less than 150 pounds.
   3. Clear notice that the information appearing on the capacity plate is applicable under normal conditions and that the weight of the outboard motor and associated equipment is considered to be part of total weight capacity.
   4. The maximum horsepower of the motor the vessel is designed or intended to accommodate.

b. For all other vessels to which this Section applies:
   1. The total weight of persons, gear and other articles placed aboard which the vessel is capable of carrying with safety under normal conditions.
   2. The recommended number of persons commensurate with the weight capacity of the vessel and the presumed weight in pounds of each such person. In no instance shall such presumed weight per person be less than 150 pounds.
   3. Clear notice that the information appearing on the capacity plate is applicable under normal conditions.

(3) The information relating to maximum capacity required to appear on capacity plates by Subsection B (2) of this Section shall be determined in accordance with such methods and formulas as shall be prescribed by rule or regulation adopted by the Department. In prescribing such methods and formulas, the Department shall be guided by and give due regard to the necessity for uniformity in methods and formulas lawful for use in determining small vessel capacity in the several states and to any
methods and formulas which may be recognized or recommended by the United States Coast Guard or any agency successor thereto.

(4) Any vessel to which this Section applies, not having a capacity plate meeting the requirements of law affixed thereto by the manufacturer thereof, may have such affixed by any other person in accordance with such rules and regulations as the Department may prescribe and may thereafter be offered for sale in this State, but no action taken pursuant to this Section or in the manner described herein, shall relieve any manufacturer from liability for failure to comply with the requirements of this Section.

(5) The information appearing on a capacity plate shall be deemed to warrant that the manufacturer, or the person affixing the capacity plate is permitted by Subsection B (4) of this Section, as the case may be, has correctly and faithfully employed a method and formula for the calculation of maximum weight capacity prescribed by the Department and that the information appearing on the capacity plate with respect to maximum weight capacity and recommended number of persons is the result of the application of such method and formula, and with respect to information concerning horsepower limitations, that such information is not a deliberate or negligent misrepresentation.

(6) If any vessel required by this Section to have a capacity plate affixed thereto is of such design or construction as to make it impracticable or undesirable to affix such plate, the manufacturer, or other person having the responsibility for affixing the plate, may represent such impracticability or undesirability to the Department in writing. Upon determination by the Department that such representation has merit and that a proper and effective substitute for the capacity plate which will serve the same purpose is feasible, the Department may authorize such alternative compliance and such alternative compliance shall thereafter be deemed compliance with the capacity plate requirements of this Section.

(7) The Department may by rules or regulations exempt from the requirements of this Section vessels which it finds to be of such unconventional design or construction that the information required on capacity plates would not assist in promoting safety or is not reasonably obtainable.

(8) The Department is authorized to issue and amend rules and regulations to carry out the purposes of this Section.
Failure to affix a proper capacity plate shall constitute a separate violation of this subsection B for each vessel with respect to which such failure occurs.

Sec. 5-22. Operation of watercraft upon the approach of an authorized emergency watercraft.

(a) As used in this Section, "authorized emergency watercraft" includes any watercraft operated by the Illinois Department of Natural Resources Police, the Illinois Department of State Police, a county sheriff, a local law enforcement agency, a fire department, a provider of emergency medical services, or the United States Coast Guard, equipped with alternately flashing red, blue, red and white, red and blue, or red in combination with white or blue lights, while engaged in official duties. Any authorized emergency watercraft must be clearly emblazoned with markings identifying it as a watercraft operated by the qualifying agency.

(b) Upon the immediate approach of an authorized emergency watercraft making use of rotating or flashing visual signals and lawfully making use of a visual signal, the operator of every other watercraft shall yield the right-of-way and shall immediately reduce the speed of the watercraft, so as not to create a wake, and shall yield way to the emergency watercraft, moving to the right to permit the safe passage of the emergency watercraft, and shall stop and remain in that position until the authorized emergency watercraft has passed, unless otherwise directed by a police officer.

(c) Upon approaching a stationary authorized emergency watercraft, when the authorized emergency watercraft is giving a signal by displaying rotating or alternately flashing red, blue, red and white, red and blue, or red in combination with white or blue lights, a person operating an approaching watercraft shall proceed with due caution at no-wake speed and yield the right-of-way by moving safely away from that authorized emergency watercraft, proceeding with due caution at a no-wake speed with due regard to safety and water conditions, maintaining no-wake speed until sufficiently away from the emergency watercraft so as not to create a wake that would otherwise rock or otherwise disturb the authorized emergency watercraft.

(d) This Section shall not operate to relieve the operator of an authorized emergency watercraft from the duty to operate that watercraft with due regard for the safety of all persons using the waterway.
(e) A person who violates this Section commits a business offense punishable by a fine of not less than $100 or more than $10,000. It is a factor in aggravation if the person committed the offense while in violation of Section 5-16 of this Act.

(f) If a violation of this Section results in damage to the property of another person, in addition to any other penalty imposed, the person’s watercraft operating privileges shall be suspended for a fixed period of not less than 90 days and not more than one year.

(g) If a violation of this Section results in injury to another person, in addition to any other penalty imposed, the person's watercraft operating privileges shall be suspended for a fixed period of not less than 180 days and not more than 2 years.

(h) If a violation of subsection (c) of this Section results in great bodily harm or permanent disability or disfigurement to, or the death of, another person, in addition to any other penalty imposed, the person's watercraft operating privileges shall be suspended for 2 years.

(i) The Department of Natural Resources shall, upon receiving a record of a judgment entered against a person under this Section:

(1) suspend the person's watercraft operating privileges for the mandatory period; or

(2) extend the period of an existing suspension by the appropriate mandatory period.

Any driver prior to operating a vehicle for occupational purposes only must submit the affidavit on forms to be provided by the Secretary of State setting forth the facts of the person's occupation. The affidavit shall also state the number of offenses committed while operating a vehicle in connection with the driver's regular occupation. The affidavit shall be accompanied by the driver's license. Upon receipt of a properly completed affidavit, the Secretary of State shall issue the driver a permit to operate a vehicle in connection with the driver's regular occupation only. Unless the permit is issued by the Secretary of State prior to the date of suspension, the privilege to drive any motor vehicle shall be suspended as set forth in the notice that was mailed under this Section. If an affidavit is received subsequent to the effective date of this suspension, a permit may be issued for the remainder of the suspension period.

The provisions of this subparagraph shall not apply to any driver required to possess a CDL for the purpose of operating a commercial motor vehicle.

drug remedial or rehabilitative activity recommended by a licensed service provider, or to allow the petitioner to transport himself or herself or a family member of the petitioner's household to classes, as a student, at an accredited educational institution, or to allow the petitioner to transport children, elderly persons, or disabled persons who do not hold driving privileges and are living in the petitioner's household to and from daycare. The petitioner must demonstrate that no alternative means of transportation is reasonably available and that the petitioner will not endanger the public safety or welfare. Those multiple offenders identified in subdivision (b)4 of Section 6-208 of this Code, however, shall not be eligible for the issuance of a restricted driving permit.

(A) If a person's license or permit is revoked or suspended due to 2 or more convictions of violating Section 11-501 of this Code or a similar provision of a local ordinance or a similar out-of-state offense, or Section 9-3 of the Criminal Code of 1961 or the Criminal Code of 2012, where the use of alcohol or other drugs is recited as an element of the offense, or a similar out-of-state offense, or a combination of these offenses, arising out of separate occurrences, that person, if issued a restricted driving permit, may not operate a vehicle unless it has been equipped with an ignition interlock device as defined in Section 1-129.1.

(B) If a person's license or permit is revoked or suspended 2 or more times within a 10 year period due to any combination of:

(i) a single conviction of violating Section 11-501 of this Code or a similar provision of a local ordinance or a similar out-of-state offense or Section 9-3 of the Criminal Code of 1961 or the Criminal Code of 2012, where the use of alcohol or other drugs is recited as an element of the offense, or a similar out-of-state offense; or

(ii) a statutory summary suspension or revocation under Section 11-501.1; or

(iii) a suspension under Section 6-203.1; arising out of separate occurrences; that person, if issued a restricted driving permit, may not operate a vehicle unless it
has been equipped with an ignition interlock device as defined in Section 1-129.1.

(C) The person issued a permit conditioned upon the use of an ignition interlock device must pay to the Secretary of State DUI Administration Fund an amount not to exceed $30 per month. The Secretary shall establish by rule the amount and the procedures, terms, and conditions relating to these fees.

(D) If the restricted driving permit is issued for employment purposes, then the prohibition against operating a motor vehicle that is not equipped with an ignition interlock device does not apply to the operation of an occupational vehicle owned or leased by that person's employer when used solely for employment purposes.

(E) In each case the Secretary may issue a restricted driving permit for a period deemed appropriate, except that all permits shall expire within one year from the date of issuance. The Secretary may not, however, issue a restricted driving permit to any person whose current revocation is the result of a second or subsequent conviction for a violation of Section 11-501 of this Code or a similar provision of a local ordinance or any similar out-of-state offense, or Section 9-3 of the Criminal Code of 1961 or the Criminal Code of 2012, where the use of alcohol or other drugs is recited as an element of the offense, or any similar out-of-state offense, or any combination of those offenses, until the expiration of at least one year from the date of the revocation. A restricted driving permit issued under this Section shall be subject to cancellation, revocation, and suspension by the Secretary of State in like manner and for like cause as a driver's license issued under this Code may be cancelled, revoked, or suspended; except that a conviction upon one or more offenses against laws or ordinances regulating the movement of traffic shall be deemed sufficient cause for the revocation, suspension, or cancellation of a restricted driving permit. The Secretary of State may, as a condition to the issuance of a restricted driving permit, require the applicant to participate in a designated driver remedial or rehabilitative program. The

Secretary of State is authorized to cancel a restricted driving permit if the permit holder does not successfully complete the program.

(c-3) In the case of a suspension under paragraph 43 of subsection (a), reports received by the Secretary of State under this Section shall, except during the actual time the suspension is in effect, be privileged information and for use only by the courts, police officers, prosecuting authorities, the driver licensing administrator of any other state, the Secretary of State, or the parent or legal guardian of a driver under the age of 18. However, beginning January 1, 2008, if the person is a CDL holder, the suspension shall also be made available to the driver licensing administrator of any other state, the U.S. Department of Transportation, and the affected driver or motor carrier or prospective motor carrier upon request.

(c-4) In the case of a suspension under paragraph 43 of subsection (a), the Secretary of State shall notify the person by mail that his or her driving privileges and driver's license will be suspended one month after the date of the mailing of the notice.

(c-5) The Secretary of State may, as a condition of the reissuance of a driver's license or permit to an applicant whose driver's license or permit has been suspended before he or she reached the age of 21 years pursuant to any of the provisions of this Section, require the applicant to participate in a driver remedial education course and be retested under Section 6-109 of this Code.

(d) This Section is subject to the provisions of the Driver's License Compact.

(e) The Secretary of State shall not issue a restricted driving permit to a person under the age of 16 years whose driving privileges have been suspended or revoked under any provisions of this Code.

(f) In accordance with 49 C.F.R. 384, the Secretary of State may not issue a restricted driving permit for the operation of a commercial motor vehicle to a person holding a CDL whose driving privileges have been suspended, revoked, cancelled, or disqualified under any provisions of this Code.

Section 10. The Boat Registration and Safety Act is amended by adding Section 5-16c as follows:

(625 ILCS 45/5-16c new)

Sec. 5-16c. Operator involvement in personal injury or fatal boating accident; chemical tests.

(a) Any person who operates or is in actual physical control of a motorboat within this State and who has been involved in a personal injury or fatal boating accident shall be deemed to have given consent to a breath test using a portable device as approved by the Department of State Police or to a chemical test or tests of blood, breath, or urine for the purpose of determining the content of alcohol, other drug or drugs, or intoxicating compound or compounds of the person’s blood if arrested as evidenced by the issuance of a uniform citation for a violation of the Boat Registration and Safety Act or a similar provision of a local ordinance, with the exception of equipment violations contained in Article IV of this Act or similar provisions of local ordinances. The test or tests shall be administered at the direction of the arresting officer. The law enforcement agency employing the officer shall designate which of the aforesaid tests shall be administered. A urine test may be administered even after a blood or breath test or both has been administered. Compliance with this Section does not relieve the person from the requirements of any other Section of this Act.

(b) Any person who is dead, unconscious, or who is otherwise in a condition rendering that person incapable of refusal shall be deemed not to have withdrawn the consent provided by subsection (a) of this Section. In addition, if an operator of a motorboat is receiving medical treatment as a result of a boating accident, any physician licensed to practice medicine, licensed physician assistant, licensed advanced practice nurse, registered nurse, or a phlebotomist acting under the direction of a licensed physician shall withdraw blood for testing purposes to ascertain the presence of alcohol, other drug or drugs, or intoxicating compound or compounds, upon the specific request of a law enforcement officer. However, this testing shall not be performed until, in the opinion of the medical personnel on scene, the withdrawal can be made without interfering with or endangering the well-being of the patient.

(c) A person requested to submit to a test under subsection (a) of this Section shall be warned by the law enforcement officer requesting the test that a refusal to submit to the test, or submission to the test resulting in an alcohol concentration of 0.08 or more, or any amount of a drug,
substance, or intoxicating compound resulting from the unlawful use or consumption of cannabis listed in the Cannabis Control Act, a controlled substance listed in the Illinois Controlled Substances Act, an intoxicating compound listed in the Use of Intoxicating Compounds Act, or methamphetamine as listed in the Methamphetamine Control and Community Protection Act as detected in the person's blood or urine, may result in the suspension of the person's privilege to operate a motor vehicle and may result in the disqualification of the person's privilege to operate a commercial motor vehicle, as provided in Section 6-514 of the Illinois Vehicle Code, if the person is a CDL holder. The length of the suspension shall be the same as outlined in Section 6-208.1 of the Illinois Vehicle Code regarding statutory summary suspensions.

(d) If the person refuses testing or submits to a test which discloses an alcohol concentration of 0.08 or more, or any amount of a drug, substance, or intoxicating compound in the person's blood or urine resulting from the unlawful use or consumption of cannabis listed in the Cannabis Control Act, a controlled substance listed in the Illinois Controlled Substances Act, an intoxicating compound listed in the Use of Intoxicating Compounds Act, or methamphetamine as listed in the Methamphetamine Control and Community Protection Act, the law enforcement officer shall immediately submit a sworn report to the Secretary of State on a form prescribed by the Secretary of State, certifying that the test or tests were requested under subsection (a) of this Section and the person refused to submit to a test or tests or submitted to testing which disclosed an alcohol concentration of 0.08 or more, or any amount of a drug, substance, or intoxicating compound in the person's blood or urine, resulting from the unlawful use or consumption of cannabis listed in the Cannabis Control Act, a controlled substance listed in the Illinois Controlled Substances Act, an intoxicating compound listed in the Use of Intoxicating Compounds Act, or methamphetamine as listed in the Methamphetamine Control and Community Protection Act.

Upon receipt of the sworn report of a law enforcement officer, the Secretary of State shall enter the suspension and disqualification to the person's driving record and the suspension and disqualification shall be effective on the 46th day following the date notice of the suspension was given to the person.

The law enforcement officer submitting the sworn report shall serve immediate notice of this suspension on the person and this
suspension and disqualification shall be effective on the 46th day following the date notice was given.

In cases where the blood alcohol concentration of 0.08 or more, or any amount of a drug, substance, or intoxicating compound resulting from the unlawful use or consumption of cannabis listed in the Cannabis Control Act, a controlled substance listed in the Illinois Controlled Substances Act, an intoxicating compound listed in the Use of Intoxicating Compounds Act, or methamphetamine as listed in the Methamphetamine Control and Community Protection Act, is established by a subsequent analysis of blood or urine collected at the time of arrest, the arresting officer shall give notice as provided in this Section or by deposit in the United States mail of this notice in an envelope with postage prepaid and addressed to the person at his or her address as shown on the uniform citation and the suspension and disqualification shall be effective on the 46th day following the date notice was given.

Upon receipt of the sworn report of a law enforcement officer, the Secretary of State shall also give notice of the suspension and disqualification to the person by mailing a notice of the effective date of the suspension and disqualification to the person. However, should the sworn report be defective by not containing sufficient information or be completed in error, the notice of the suspension and disqualification shall not be mailed to the person or entered to the driving record, but rather the sworn report shall be returned to the issuing law enforcement agency.

(e) A person may contest this suspension of his or her driving privileges and disqualification of his or her CDL privileges by requesting an administrative hearing with the Secretary of State in accordance with Section 2-118 of the Illinois Vehicle Code. At the conclusion of a hearing held under Section 2-118 of the Illinois Vehicle Code, the Secretary of State may rescind, continue, or modify the orders of suspension and disqualification. If the Secretary of State does not rescind the orders of suspension and disqualification, a restricted driving permit may be granted by the Secretary of State upon application being made and good cause shown. Effective January 1, 2014.

July 22, 2013

To the Honorable Members of the 98th General Assembly:

Today, I sign Senate Bill 26. In my State of the State address I called for the General Assembly to increase access to health care by authorizing the Department of Healthcare and Family Services to implement the Affordable Care Act provisions creating a new eligibility category for Medicaid. This bill achieves that goal, providing hundreds of thousands of Illinoisans with needed access to health coverage and bringing billions of dollars in federal funds into our State.

This bill also includes a series of changes to the Specialized Mental Health Rehabilitation Act of 2011. During the weeks this bill has been under review, I have heard from numerous stakeholders with concerns about these changes and the implications for the State’s rebalancing efforts.

I am committed to making sure all Illinois citizens, including those with physical, mental health or developmental disabilities, have the opportunity to meet their full potential. Soon after taking office, I settled three class action Olmstead lawsuits, agreeing to move individuals out of private nursing facilities into community-based care. I have closed outdated state institutions and invested in community-based settings. I also recently signed Employment First legislation to expand employment opportunities for people with disabilities.

New matter indicated in italics - deletions by strikeout
My staff will work with the General Assembly and stakeholders to ensure that the rules implementing the provisions of this bill that expand the role of Specialized Mental Health Rehabilitation Facilities (SMHRFs) do not undermine the state’s compliance with the Olmstead consent decrees or overall rebalancing goals. It is my intent to pursue follow-up legislation to address any problems that arise in advancing these goals as the law is implemented.

Sincerely,

PAT QUINN
Governor

PUBLIC ACT 98-0104
(Senate Bill No. 0026)

AN ACT concerning public aid.

Be it enacted by the People of the State of Illinois, represented in the General Assembly:

ARTICLE 1.
SHORT TITLE, PRIOR LAW, AND DEFINITIONS

Section 1-101. Short title. This Act may be cited as the Specialized Mental Health Rehabilitation Act of 2013.

Section 1-101.3. Legislative findings. Illinois is committed to providing behavioral health services in the most community-integrated settings possible, based on the needs of consumers who qualify for State support. This goal is consistent with federal law and regulations and recent court decrees. A variety of services and settings are necessary to ensure that people with serious mental illness receive high quality care that is oriented toward their safety, rehabilitation, and recovery.

The State of Illinois has an inordinately high inpatient hospitalization rate for behavioral health services. This is not productive for those needing behavioral health services. It is also the least cost effective form of behavioral health delivery possible. The General Assembly finds that alternatives to inpatient hospitalization for behavioral health are necessary to both improve outcomes and reduce costs.

New matter indicated in italics - deletions by strikeout
Residential settings are an important component of the system of behavioral health care that Illinois is developing. When residential treatment is necessary, these facilities must offer high quality rehabilitation and recovery care, help consumers achieve and maintain their highest level of independent functioning, and prepare them to live in permanent supportive housing and other community-integrated settings. Facilities licensed under this Act will be multi-faceted facilities that provide triage and crisis stabilization to inpatient hospitalization, provide stabilization for those in post crisis stabilization, and provide transitional living assistance to prepare those with serious mental illness to reintegrate successfully into community living settings. Those licensed under this Act will provide care under a coordinated care model and seek appropriate national accreditation and provide productive and measurable outcomes.

Section 1-101.5. Prior law.

(a) This Act provides for licensure of long term care facilities that are federally designated as institutions for the mentally diseased on the effective date of this Act and specialize in providing services to individuals with a serious mental illness. On and after the effective date of this Act, these facilities shall be governed by this Act instead of the Nursing Home Care Act.

(b) All consent decrees that apply to facilities federally designated as institutions for the mentally diseased shall continue to apply to facilities licensed under this Act.

Section 1-101.6. Mental health system planning. The General Assembly finds the services contained in this Act are necessary for the effective delivery of mental health services for the citizens of the State of Illinois. The General Assembly also finds that the mental health system in the State requires further review to develop additional needed services. To ensure the adequacy of community-based services and to offer choice to all individuals with serious mental illness who choose to live in the community, and for whom the community is the appropriate setting, but are at risk of institutional care, the Governor shall convene a working group to develop the process and procedure for identifying needed services in the different geographic regions of the State. The Governor shall include the Division of Mental Health of the Department of Human Services, the Department of Healthcare and Family Services, the Department of Public Health, community mental health providers, statewide associations of mental health providers, mental health advocacy groups, and any other entity as deemed appropriate for participation in the

Staffing ratios shall be consistent with national accreditation standards in behavioral health from a recognized national accreditation entity as set forth in the definition of "accreditation" in Section 2-102. The rules shall be created for each type of care offered at the facilities and be crafted to address the different type of services offered. Background checks conducted pursuant to this Section shall be based on the consumer's name, date of birth, and other identifiers as required by the Department of State Police. If the results of the background check are inconclusive, the facility shall initiate a fingerprint-based check, unless the fingerprint check is waived by the Director of Public Health based on verification by the facility that the consumer meets criteria related to the consumer's health or lack of potential risk which may be established by Departmental rule. A waiver issued pursuant to this Section shall be valid only while the consumer is immobile or while the criteria supporting the waiver exist. The facility shall provide for or arrange for any required fingerprint-based checks to be taken on the premises of the facility. If a fingerprint-based check is required, the facility shall arrange for it to be conducted in a manner that is respectful of the consumer's dignity and that minimizes any emotional or physical hardship to the consumer.

If the identified offender is a convicted or registered sex offender or if the Identified Offender Report and Recommendation reveals that the identified offender poses a significant risk of harm to others within the facility, the offender shall be required to have his or her own room within the facility.

(e) The licensed forensic psychologist shall complete the Identified Offender Report and Recommendation within 14 business days after receiving the Criminal History Report and shall promptly provide the Identified Offender Report and Recommendation to the Department of State Police, which shall provide the Identified Offender Report and Recommendation to the following:

(h) Except for willful and wanton misconduct, any person authorized to participate in the development of a Criminal History Report or Identified Offender Report and Recommendation is immune from criminal or civil liability for any acts or omissions as the result of his or her good faith effort to comply with this Section.

A consumer may be discharged from a facility after he or she gives the executive director, a physician, or a nurse of the facility written notice of the desire to be discharged. If a guardian has been appointed for a consumer, the consumer shall be discharged upon written consent of his or her guardian. In the event of a requested consumer discharge, the facility is relieved from any responsibility for the consumer's care, safety, and well-being upon the consumer's discharge. The Department shall by rule establish criteria, hearings, and procedures for involuntary discharge.

Section 3-112. Grievances. A consumer shall be permitted to present grievances on behalf of himself or herself or others to the executive director, the consumers' advisory council, State governmental agencies, or other persons without threat of discharge or reprisal in any form or manner whatsoever. The executive director shall provide all consumers or their representatives with the name, address, and telephone number of the appropriate State governmental office where complaints may be lodged.

Section 3-113. Labor. A consumer may refuse to perform labor for a facility.

Section 3-114. Unlawful discrimination. No consumer shall be subjected to unlawful discrimination as defined in Section 1-103 of the Illinois Human Rights Act by any owner, licensee, executive director, employee, or agent of a facility. Unlawful discrimination does not include an action by any licensee, executive director, employee, or agent of a facility that is required by this Act or rules adopted under this Act.

Section 3-115. Informed consent; restraints. Informed consent shall be required for restraints consistent with the requirements contained in subsection (c) of Section 2-106 of the Nursing Home Care Act.

Section 3-116. Experimental research. No consumer shall be subjected to experimental research or treatment without first obtaining his or her informed, written consent. The conduct of any experimental research or treatment shall be authorized and monitored by an institutional review board appointed by the executive director. The membership, operating procedures and review criteria for the institutional review board shall be prescribed under rules and regulations of the Department and shall comply with the requirements for institutional review boards established by the federal Food and Drug Administration. No person who has received

compensation in the prior 3 years from an entity that manufactures, distributes, or sells pharmaceuticals, biologics, or medical devices may serve on the institutional review board.

No facility shall permit experimental research or treatment to be conducted on a consumer, or give access to any person or person's records for a retrospective study about the safety or efficacy of any care or treatment, without the prior written approval of the institutional review board. No executive director, or person licensed by the State to provide medical care or treatment to any person, may assist or participate in any experimental research on or treatment of a consumer, including a retrospective study, that does not have the prior written approval of the board. Such conduct shall be grounds for professional discipline by the Department of Financial and Professional Regulation.

The institutional review board may exempt from ongoing review research or treatment initiated on a consumer before the individual's admission to a facility and for which the board determines there is adequate ongoing oversight by another institutional review board. Nothing in this Section shall prevent a facility, any facility employee, or any other person from assisting or participating in any experimental research on or treatment of a consumer, if the research or treatment began before the person's admission to a facility, until the board has reviewed the research or treatment and decided to grant or deny approval or to exempt the research or treatment from ongoing review.

be construed to limit the right of a consumer to inspect or copy the consumer's own records.

(b) Confidential medical, social, personal, or financial information identifying a consumer shall not be available for public inspection in a manner that identifies a consumer.

Section 3-207. Notice of imminent death. A facility shall immediately notify the consumer's next of kin, representative, and physician of the consumer's death or when the consumer's death appears to be imminent.

Section 3-208. Policies and procedures. A facility shall establish written policies and procedures to implement the responsibilities and rights provided under this Article. The policies shall include the procedure for the investigation and resolution of consumer complaints. The policies and procedures shall be clear and unambiguous and shall be available for inspection by any person. A summary of the policies and procedures, printed in not less than 12-point font, shall be distributed to each consumer and representative.

Section 3-209. Explanation of rights. Each consumer and consumer's guardian or other person acting on behalf of the consumer shall be given a written explanation of all of his or her rights. The explanation shall be given at the time of admission to a facility or as soon thereafter as the condition of the consumer permits, but in no event later than 48 hours after admission and again at least annually thereafter. At the time of the implementation of this Act, each consumer shall be given a written summary of all of his or her rights. If a consumer is unable to read such written explanation, it shall be read to the consumer in a language the consumer understands.

Persons who are identified as being at high risk for hepatitis B, hepatitis C, or HIV shall be offered an opportunity to undergo laboratory testing in order to determine infection status if they will be admitted to the facility for at least 7 days and are not known to be infected with any of the listed viruses. All HIV testing shall be conducted in compliance with the AIDS Confidentiality Act. All persons determined to be susceptible to the hepatitis B virus shall be offered immunization within 10 days after admission to any facility. A facility shall document in the consumer's medical record that he or she was verbally screened for risk factors associated with hepatitis B, hepatitis C, and HIV, and whether or not the consumer was immunized against hepatitis B.

Section 3-212. Order for transportation of consumer by ambulance. If a facility orders transportation of a consumer of the facility by ambulance, then the facility must maintain a written record that shows (i) the name of the person who placed the order for that transportation and (ii) the medical reason for that transportation.

(30) appropriate fines and sanctions associated with violations of laws, rules, or regulations.

Section 4-105. Provisional licensure duration. A provisional license shall be valid upon fulfilling the requirements established by the Department by emergency rule. The license shall remain valid as long as a facility remains in compliance with the licensure provisions established in rule. The provisional license shall expire when the administrative rule established by the Department for provisional licensure expires at the end of a 3-year period.

Section 4-106. Provisional licensure outcomes. The Department of Healthcare and Family Services, in conjunction with the Division of Mental Health of the Department of Human Services and the Department
of Public Health, shall establish a methodology by which financial and clinical data are reported and monitored from each program that is implemented in a facility after the effective date of this Act. The Department of Healthcare and Family Services shall work in concert with a managed care entity, a care coordination entity, or an accountable care entity to gather the data necessary to report and monitor the progress of the services offered under this Act.

Section 4-107. Provisional licensure period completion. After the provisional licensure period is completed, no individual with mental illness whose service plan provides for placement in community-based settings shall be housed or offered placement in a facility at public expense unless, after being fully informed, he or she declines the opportunity to receive services in a community-based setting.

Section 4-108. Surveys and inspections. The Department shall conduct surveys of licensed facilities and their certified programs and services. The Department shall review the records or premises, or both, as it deems appropriate for the purpose of determining compliance with this Act and the rules promulgated under this Act. The Department shall have access to and may reproduce or photocopy any books, records, and other documents maintained by the facility to the extent necessary to carry out this Act and the rules promulgated under this Act. The Department shall not divulge or disclose the contents of a record under this Section as otherwise prohibited by this Act. Any holder of a license or applicant for a license shall be deemed to have given consent to any authorized officer, employee, or agent of the Department to enter and inspect the facility in accordance with this Article. Refusal to permit such entry or inspection shall constitute grounds for denial, suspension, or revocation of a license under this Act.

(1) The Department shall conduct surveys to determine compliance and may conduct surveys to investigate complaints.

(2) Determination of compliance with the service requirements shall be based on a survey centered on individuals that sample services being provided.

(3) Determination of compliance with the general administrative requirements shall be based on a review of facility records and observation of individuals and staff. Section 4-109. License sanctions and revocation.

New matter indicated in italics - deletions by strikeout
(a) The Department may revoke a license for any failure to substantially comply with this Act and the rules promulgated under this Act, including, but not limited to, the following:

1. fails to correct deficiencies identified as a result of an on-site survey by the Department and fails to submit a plan of correction within 30 days after receipt of the notice of violation;
2. submits false information either on Department forms, required certifications, plans of correction or during an on-site inspection;
3. refuses to permit or participate in a scheduled or unscheduled survey; or
4. willfully violates any rights of individuals being served.

(b) The Department may refuse to license or relicense a facility if the owner or authorized representative or licensee has been convicted of a felony related to the provision of healthcare or mental health services, as shown by a certified copy of the court of conviction.

(c) Facilities, as a result of an on-site survey, shall be recognized according to levels of compliance with standards as set forth in this Act. Facilities with findings from Level 1 to Level 3 will be considered to be in good standing with the Department. Findings from Level 3 to Level 5 will result in a notice of violations, a plan of correction and defined sanctions. Findings resulting in Level 6 will result in a notice of violations and defined sanction. The levels of compliance are:

1. Level 1: Full compliance with this Act and the rules promulgated under this Act.
2. Level 2: Acceptable compliance with this Act and the rules promulgated under this Act. No written plan of correction will be required from the licensee.
3. Level 3: Partial compliance with this Act and the rules promulgated under this Act. An administrative warning is issued. The licensee shall submit a written plan of correction.
4. Level 4: Minimal compliance with this Act and the rules promulgated under this Act. The licensee shall submit a written plan of correction, and the Department will issue a probationary license. A resurvey shall occur within 90 days.
5. Level 5: Unsatisfactory compliance with this Act and the rules promulgated under this Act. The facility shall submit a written plan of correction, and the Department will issue a restricted license. A resurvey shall occur within 60 days.

New matter indicated in italics - deletions by strikeout
(6) Level 6: Revocation of the license to provide services. Revocation may occur as a result of a licensee's consistent and repeated failure to take necessary corrective actions to rectify documented violations, or the failure to protect clients from situations that produce an imminent risk.

(d) Prior to initiating formal action to sanction a license, the Department shall allow the licensee an opportunity to take corrective action to eliminate or ameliorate a violation of this Act except in cases in which the Department determines that emergency action is necessary to protect the public or individual interest, safety, or welfare.

(e) Subsequent to an on-site survey, the Department shall issue a written notice to the licensee. The Department shall specify the particular Sections of this Act or the rules promulgated under this Act, if any, with which the facility is not compliant. The Department's notice shall require any corrective actions be taken within a specified time period as required by this Act.

(f) Sanctions shall be imposed according to the following definitions:

(1) Administrative notice: A written notice issued by the Department that specifies rule violations requiring a written plan of correction with time frames for corrections to be made and a notice that any additional violation of this Act or the rules promulgated under this Act may result in a higher level sanction. (Level 3)

(2) Probation: Compliance with this Act and the rules promulgated under this Act is minimally acceptable and necessitates immediate corrective action. Individuals' life safety or quality of care are not in jeopardy. The probationary period is time limited to 90 days. During the probationary period, the facility must make corrective changes sufficient to bring the facility back into good standing with the Department. Failure to make corrective changes within that given time frame may result in a determination to initiate a higher-level sanction. The admission of new individuals shall be prohibited during the probationary period. (Level 4)

(3) Restricted license: A licensee is sanctioned for unsatisfactory compliance. The admission of new individuals shall be prohibited during the restricted licensure period. Corrective action sufficient to bring the licensee back into good standing with the Department must be taken within 60 days. During the restricted

New matter indicated in italics - deletions by strikeout
licensure period a monitor will be assigned to oversee the progress of the facility in taking corrective action. If corrective actions are not taken, the facility will be subject to a higher-level sanction. (Level 5)

(4) Revocation: Revocation of the license is withdrawal by formal actions of the license. The revocation shall be in effect until such time that the provider submits a re-application and the licensee can demonstrate its ability to operate in good standing with the Department. The Department has the right not to reinstate a license. If revocation occurs as a result of imminent risk, all individuals shall be immediately relocated and all funding will be transferred. (Level 6)

(5) Financial penalty: A financial penalty may be imposed upon finding of violation in any one or combination of the provisions of this Act. In determining an appropriate financial penalty, the Department may consider the deterrent effect of the penalty on the organization and on other providers, the nature of the violation, the degree to which the violation resulted in a benefit to the organization or harm to the public, and any other relevant factor to be examined in mitigation or aggravation of the organization's conduct. The financial penalty may be imposed in conjunction with other sanctions or separately. Higher level sanctions may be imposed in situations where there are repeat violations.

Section 4-110. Citation review and appeal procedures.
(a) Upon receipt of Level 3 to 6 citations, the licensee may provide additional written information and argument disputing the citation with 10 working days. The Department shall respond within 20 days to the licensee's disputation.

(b) If a licensee contests the Department's decision regarding a Level 4 to 6 citation or penalty, it can request a hearing by submitting a written request within 20 working days of the Department's dispute resolution decision. The Department shall notify the licensee of the time and place of the hearing not less than 14 days prior to the hearing date.

(c) A license may not be denied or revoked unless the licensee is given written notice of the grounds for the Department's action. Except when revocation of a license is based on imminent risk, the facility or program whose license has been revoked may operate and receive

New matter indicated in italics - deletions by strikeout
reimbursement for services during the period preceding the hearing, until such time as a final decision is made.

Section 4-111. Notwithstanding the existence or pursuit of any other remedy, the Director of the Department may, in the manner provided by law, upon the advice of the Attorney General who shall represent the Director of the Department in the proceedings, maintain an action in the name of the State for injunction or other process against any person or governmental unit to restrain or prevent the establishment of a facility without a license issued pursuant to this Act, or to restrain or prevent the opening, conduction, operating, or maintaining of a facility without a license issued pursuant to this Act. In addition, the Director of the Department may, in the manner provided by law, in the name of the People of the State and through the Attorney General who shall represent the Director of the Department in the proceedings, maintain an action for injunction or other relief or process against any licensee or other person to enforce and compel compliance with the provisions of this Act and the standards, rules, and regulations established by virtue of this Act and any order entered for any response action pursuant to this Act and such standards, rules, and regulations.

PART 2.

At the end of the provisional licensure period established in Article 3, Part 1 of this Act, the Department shall license a facility as a specialized mental health rehabilitation facility under this Act that successfully completes and obtains valid national accreditation in behavioral health from a recognized national accreditation entity and complies with licensure standards as established by the Department of Public Health in administrative rule. Rules governing licensure standards shall include, but not be limited to, appropriate fines and sanctions associated with violations of laws or regulations. VA Medical Center, Illiana Health Care System, Edward Hines, Jr. VA Hospital, Marion VA Medical Center, and Captain James A. Lovell Federal Health Care Center.

Application for a disabled voter's or nursing home resident's identification card shall be made either: (a) in writing, with voter's sworn affidavit, to the county clerk or board of election commissioners, as the case may be, and shall be accompanied by the affidavit of the attending physician specifically describing the nature of the physical incapacity or the fact that the voter is a nursing home resident and is physically unable to be present at the polls on election days; or (b) by presenting, in writing or otherwise, to the county clerk or board of election commissioners, as the case may be, proof that the applicant has secured an Illinois Person with a Disability Identification Card indicating that the person named thereon has a Class 1A or Class 2 disability. Upon the receipt of either the sworn-to application and the physician's affidavit or proof that the applicant has secured an Illinois Person with a Disability Identification Card indicating that the person named thereon has a Class 1A or Class 2 disability, the county clerk or board of election commissioners shall issue a disabled voter's or nursing home resident's identification card. Such identification cards shall be issued for a period of 5 years, upon the expiration of which time the voter may secure a new card by making application in the same manner as is prescribed for the issuance of an original card, accompanied by a new affidavit of the attending physician. The date of expiration of such five-year period shall be made known to any interested person by the election authority upon the request of such person. Applications for the renewal of the identification cards shall be mailed to the voters holding such cards not less than 3 months prior to the date of expiration of the cards.

Each disabled voter's or nursing home resident's identification card shall bear an identification number, which shall be clearly noted on the voter's original and duplicate registration record cards. In the event the holder becomes physically capable of resuming normal voting, he must surrender his disabled voter's or nursing home resident's identification card to the county clerk or board of election commissioners before the next election.

The holder of a disabled voter's or nursing home resident's identification card may make application by mail for an official ballot within the time prescribed by Section 19-2. Such application shall contain the same information as is included in the form of application for ballot by
a physically incapacitated elector prescribed in Section 19-3 except that it shall also include the applicant's disabled voter's identification card number and except that it need not be sworn to. If an examination of the records discloses that the applicant is lawfully entitled to vote, he shall be mailed a ballot as provided in Section 19-4. The ballot envelope shall be the same as that prescribed in Section 19-5 for physically disabled voters, and the manner of voting and returning the ballot shall be the same as that provided in this Article for other absentee ballots, except that a statement to be subscribed to by the voter but which need not be sworn to shall be placed on the ballot envelope in lieu of the affidavit prescribed by Section 19-5.

Any person who knowingly subscribes to a false statement in connection with voting under this Section shall be guilty of a Class A misdemeanor.

For the purposes of this Section, "nursing home resident" includes a resident of (i) a federally operated veterans' home, hospital, or facility located in Illinois or (ii) a facility licensed under the ID/DD Community Care Act or the Specialized Mental Health Rehabilitation Act of 2013. (10 ILCS 5/19-12.2) (from Ch. 46, par. 19-12.2)

Sec. 19-12.2. Voting by physically incapacitated electors who have made proper application to the election authority not later than 5 days before the regular primary and general election of 1980 and before each election thereafter shall be conducted on the premises of (i) federally operated veterans' homes, hospitals, and facilities located in Illinois or (ii) facilities licensed or certified pursuant to the Nursing Home Care Act, the Specialized Mental Health Rehabilitation Act of 2013, or the ID/DD Community Care Act for the sole benefit of residents of such homes, hospitals, and facilities. For the purposes of this Section, "federally operated veterans' home, hospital, or facility" means the long-term care facilities at the Jesse Brown VA Medical Center, Illiana Health Care System, Edward Hines, Jr. VA Hospital, Marion VA Medical Center, and Captain James A. Lovell Federal Health Care Center. Such voting shall be
conducted during any continuous period sufficient to allow all applicants to cast their ballots between the hours of 9 a.m. and 7 p.m. either on the Friday, Saturday, Sunday or Monday immediately preceding the regular election. This absentee voting on one of said days designated by the election authority shall be supervised by two election judges who must be selected by the election authority in the following order of priority: (1) from the panel of judges appointed for the precinct in which such home, hospital, or facility is located, or from a panel of judges appointed for any other precinct within the jurisdiction of the election authority in the same ward or township, as the case may be, in which the home, hospital, or facility is located or, only in the case where a judge or judges from the precinct, township or ward are unavailable to serve, (3) from a panel of judges appointed for any other precinct within the jurisdiction of the election authority. The two judges shall be from different political parties.

Not less than 30 days before each regular election, the election authority shall have arranged with the chief administrative officer of each home, hospital, or facility in his or its election jurisdiction a mutually convenient time period on the Friday, Saturday, Sunday or Monday immediately preceding the election for such voting on the premises of the home, hospital, or facility and shall post in a prominent place in his or its office a notice of the agreed day and time period for conducting such voting at each home, hospital, or facility; provided that the election authority shall not later than noon on the Thursday before the election also post the names and addresses of those homes, hospitals, and facilities from which no applications were received and in which no supervised absentee voting will be conducted. All provisions of this Code applicable to pollwatchers shall be applicable herein. To the maximum extent feasible, voting booths or screens shall be provided to insure the privacy of the voter. Voting procedures shall be as described in Article 17 of this Code, except that ballots shall be treated as absentee ballots and shall not be counted until the close of the polls on the following day. After the last voter has concluded voting, the judges shall seal the ballots in an envelope and affix their signatures across the flap of the envelope. Immediately thereafter, the judges shall bring the sealed envelope to the office of the election authority who shall deliver such ballots to the election authority's central ballot counting location prior to the closing of the polls on the day of election. The judges of election shall also report to the election authority the name of any applicant in the home, hospital, or facility who, due to unforeseen circumstance or condition or because of a religious holiday,
was unable to vote. In this event, the election authority may appoint a qualified person from his or its staff to deliver the ballot to such applicant on the day of election. This staff person shall follow the same procedures prescribed for judges conducting absentee voting in such homes, hospitals, or facilities and shall return the ballot to the central ballot counting location before the polls close. However, if the home, hospital, or facility from which the application was made is also used as a regular precinct polling place for that voter, voting procedures heretofore prescribed may be implemented by 2 of the election judges of opposite party affiliation assigned to that polling place during the hours of voting on the day of the election. Judges of election shall be compensated not less than $25.00 for conducting absentee voting in such homes, hospitals, or facilities.

Not less than 120 days before each regular election, the Department of Public Health shall certify to the State Board of Elections a list of the facilities licensed or certified pursuant to the Nursing Home Care Act, the Specialized Mental Health Rehabilitation Act of 2013, or the ID/DD Community Care Act. The lists shall indicate the approved bed capacity and the name of the chief administrative officer of each such home, hospital, or facility, and the State Board of Elections shall certify the same to the appropriate election authority within 20 days thereafter.

Such determination shall be made in writing and shall become a part of the facility record of such absolutely or conditionally discharged person. When the determination indicates that the condition of the person to be granted an absolute discharge or a conditional discharge is described under subparagraph (c) or (d) of this Section, the name and address of the continuing care facility or home to which such person is to be released shall be entered in the facility record. Where a discharge from a mental health facility is made under subparagraph (c), the Department shall assign the person so discharged to an existing community based not-for-profit agency for participation in day activities suitable to the person's needs, such as but not limited to social and vocational rehabilitation, and other recreational, educational and financial activities unless the community based not-for-profit agency is unqualified to accept such assignment.

Where the clientele of any not-for-profit agency increases as a result of assignments under this amendatory Act of 1977 by more than 3% over the prior year, the Department shall fully reimburse such agency for the costs of providing services to such persons in excess of such 3% increase. The Department shall keep written records detailing how many persons have been assigned to a community based not-for-profit agency and how many persons were not so assigned because the community based agency was unable to accept the assignments, in accordance with criteria, standards, and procedures promulgated by rule. Whenever a community based agency is found to be unable to accept the assignments, the name of the agency and the reason for the finding shall be included in the report.

Insofar as desirable in the interests of the former recipient, the facility, program or home in which the discharged person is to be placed shall be located in or near the community in which the person resided prior to hospitalization or in the community in which the person's family or nearest next of kin presently reside. Placement of the discharged person in facilities, programs or homes located outside of this State shall not be made by the Department unless there are no appropriate facilities, programs or homes available within this State. Out-of-state placements shall be subject to return of recipients so placed upon the availability of facilities, programs or homes within this State to accommodate these recipients, except where placement in a contiguous state results in locating

a recipient in a facility or program closer to the recipient's home or family. If an appropriate facility or program becomes available equal to or closer to the recipient's home or family, the recipient shall be returned to and placed at the appropriate facility or program within this State.

To place any person who is under a program of the Department at board in a suitable family home or in such other facility or program as the Department may consider desirable. The Department may place in licensed nursing homes, sheltered care homes, or homes for the aged those persons whose behavioral manifestations and medical and nursing care needs are such as to be substantially indistinguishable from persons already living in such facilities. Prior to any placement by the Department under this Section, a determination shall be made by the personnel of the Department, as to the capability and suitability of such facility to adequately meet the needs of the person to be discharged. When specialized programs are necessary in order to enable persons in need of supervised living to develop and improve in the community, the Department shall place such persons only in specialized residential care facilities which shall meet Department standards including restricted admission policy, special staffing and programming for social and vocational rehabilitation, in addition to the requirements of the appropriate State licensing agency. The Department shall not place any new person in a facility the license of which has been revoked or not renewed on grounds of inadequate programming, staffing, or medical or adjunctive services, regardless of the pendency of an action for administrative review regarding such revocation or failure to renew. Before the Department may transfer any person to a licensed nursing home, sheltered care home or home for the aged or place any person in a specialized residential care facility the Department shall notify the person to be transferred, or a responsible relative of such person, in writing, at least 30 days before the proposed transfer, with respect to all the relevant facts concerning such transfer, except in cases of emergency when such notice is not required. If either the person to be transferred or a responsible relative of such person objects to such transfer, in writing to the Department, at any time after receipt of notice and before the transfer, the facility director of the facility in which the person was a recipient shall immediately schedule a hearing at the facility with the presence of the facility director, the person who objected to such proposed transfer, and a psychiatrist who is familiar with the record of the person to be transferred. Such person to be transferred or a responsible relative may be represented by such counsel or interested party

as he may appoint, who may present such testimony with respect to the
proposed transfer. Testimony presented at such hearing shall become a
part of the facility record of the person-to-be-transferred. The record of
testimony shall be held in the person-to-be-transferred's record in the
central files of the facility. If such hearing is held a transfer may only be
implemented, if at all, in accordance with the results of such hearing.
Within 15 days after such hearing the facility director shall deliver his
findings based on the record of the case and the testimony presented at the
hearing, by registered or certified mail, to the parties to such hearing. The
findings of the facility director shall be deemed a final administrative
decision of the Department. For purposes of this Section, "case of
emergency" means those instances in which the health of the person to be
transferred is imperiled and the most appropriate mental health care or
medical care is available at a licensed nursing home, sheltered care home
or home for the aged or a specialized residential care facility.

Prior to placement of any person in a facility under this Section the
Department shall ensure that an appropriate training plan for staff is
provided by the facility. Said training may include instruction and
demonstration by Department personnel qualified in the area of mental
illness or intellectual disabilities, as applicable to the person to be placed.
Training may be given both at the facility from which the recipient is
transferred and at the facility receiving the recipient, and may be available
on a continuing basis subsequent to placement. In a facility providing
services to former Department recipients, training shall be available as
necessary for facility staff. Such training will be on a continuing basis as
the needs of the facility and recipients change and further training is
required.

The Department shall not place any person in a facility which does
not have appropriately trained staff in sufficient numbers to accommodate
the recipient population already at the facility. As a condition of further or
future placements of persons, the Department shall require the
employment of additional trained staff members at the facility where said
persons are to be placed. The Secretary, or his or her designate, shall
establish written guidelines for placement of persons in facilities under
this Act. The Department shall keep written records detailing which
facilities have been determined to have staff who have been appropriately
trained by the Department and all training which it has provided or
required under this Section.

Bills for the support for a person boarded out shall be payable monthly out of the proper maintenance funds and shall be audited as any other accounts of the Department. If a person is placed in a facility or program outside the Department, the Department may pay the actual costs of residence, treatment or maintenance in such facility and may collect such actual costs or a portion thereof from the recipient or the estate of a person placed in accordance with this Section.

Other than those placed in a family home the Department shall cause all persons who are placed in a facility, as defined by the ID/DD Community Care Act or the Specialized Mental Health Rehabilitation Act of 2013, or in designated community living situations or programs, to be visited at least once during the first month following placement, and once every month thereafter for the first year following placement when indicated, but at least quarterly. After the first year, the Department shall determine at what point the appropriate licensing entity for the facility or designated community living situation or program will assume the responsibility of ensuring that appropriate services are being provided to the resident. Once that responsibility is assumed, the Department may discontinue such visits. If a long term care facility has periodic care plan conferences, the visitor may participate in those conferences, if such participation is approved by the resident or the resident's guardian. Visits shall be made by qualified and trained Department personnel, or their designee, in the area of mental health or developmental disabilities applicable to the person visited, and shall be made on a more frequent basis when indicated. The Department may not use as designee any personnel connected with or responsible to the representatives of any facility in which persons who have been transferred under this Section are placed. In the course of such visit there shall be consideration of the following areas, but not limited thereto: effects of transfer on physical and mental health of the person, sufficiency of nursing care and medical coverage required by the person, sufficiency of staff personnel and ability to provide basic care for the person, social, recreational and programmatic activities available for the person, and other appropriate aspects of the person's environment.

A report containing the above observations shall be made to the Department, to the licensing agency, and to any other appropriate agency subsequent to each visitation. The report shall contain recommendations to improve the care and treatment of the resident, as necessary, which shall

be reviewed by the facility's interdisciplinary team and the resident or the resident's legal guardian.

Upon the complaint of any person placed in accordance with this Section or any responsible citizen or upon discovery that such person has been abused, neglected, or improperly cared for, or that the placement does not provide the type of care required by the recipient's current condition, the Department immediately shall investigate, and determine if the well-being, health, care, or safety of any person is affected by any of the above occurrences, and if any one of the above occurrences is verified, the Department shall remove such person at once to a facility of the Department or to another facility outside the Department, provided such person's needs can be met at said facility. The Department may also provide any person placed in accordance with this Section who is without available funds, and who is permitted to engage in employment outside the facility, such sums for the transportation, and other expenses as may be needed by him until he receives his wages for such employment.

The Department shall promulgate rules and regulations governing the purchase of care for persons who are wards of or who are receiving services from the Department. Such rules and regulations shall apply to all monies expended by any agency of the State of Illinois for services rendered by any person, corporate entity, agency, governmental agency or political subdivision whether public or private outside of the Department whether payment is made through a contractual, per-diem or other arrangement. No funds shall be paid to any person, corporation, agency, governmental entity or political subdivision without compliance with such rules and regulations.

The rules and regulations governing purchase of care shall describe categories and types of service deemed appropriate for purchase by the Department.

Any provider of services under this Act may elect to receive payment for those services, and the Department is authorized to arrange for that payment, by means of direct deposit transmittals to the service provider's account maintained at a bank, savings and loan association, or other financial institution. The financial institution shall be approved by the Department, and the deposits shall be in accordance with rules and regulations adopted by the Department.

Unless otherwise provided in this Section, the tax imposed by this Act is at the rate of 6.25% of the selling price of tangible personal property transferred as an incident to the sale of service, but, for the purpose of computing this tax, in no event shall the selling price be less than the cost price of the property to the serviceman.

Beginning on July 1, 2000 and through December 31, 2000, with respect to motor fuel, as defined in Section 1.1 of the Motor Fuel Tax Law, and gasohol, as defined in Section 3-40 of the Use Tax Act, the tax is imposed at the rate of 1.25%.

With respect to gasohol, as defined in the Use Tax Act, the tax imposed by this Act applies to (i) 70% of the selling price of property transferred as an incident to the sale of service on or after January 1, 1990, and before July 1, 2003, (ii) 80% of the selling price of property transferred as an incident to the sale of service on or after July 1, 2003 and on or before December 31, 2018, and (iii) 100% of the selling price thereafter. If, at any time, however, the tax under this Act on sales of biodiesel blends, as defined in the Use Tax Act, with no less than 1% and no more than 10% biodiesel is imposed at the rate of 1.25%, then the tax imposed by this Act applies to 100% of the proceeds of sales of biodiesel blends with no less than 1% and no more than 10% biodiesel made during that time.

With respect to 100% biodiesel, as defined in the Use Tax Act, and biodiesel blends, as defined in the Use Tax Act, with more than 10% but no more than 99% biodiesel, the tax imposed by this Act does not apply to the proceeds of the selling price of property transferred as an incident to

The selling price of each item of tangible personal property transferred as an incident of a sale of service may be shown as a distinct and separate item on the serviceman's billing to the service customer. If the selling price is not so shown, the selling price of the tangible personal property is deemed to be 50% of the serviceman's entire billing to the service customer. If, at any time, however, the tax under this Act on sales of gasohol, as defined in the Use Tax Act, is imposed at the rate of 1.25%, then the tax imposed by this Act applies to 100% of the proceeds of sales of gasohol made during that time.

With respect to majority blended ethanol fuel, as defined in the Use Tax Act, the tax imposed by this Act does not apply to the selling price of property transferred as an incident to the sale of service on or after July 1, 2003 and on or before December 31, 2018 but applies to 100% of the selling price thereafter.

Section 6-160. The Property Tax Code is amended by changing Sections 15-168, 15-170, and 15-172 as follows:

(35 ILCS 200/15-168)

Sec. 15-168. Disabled persons' homestead exemption.

(a) Beginning with taxable year 2007, an annual homestead exemption is granted to disabled persons in the amount of $2,000, except as provided in subsection (c), to be deducted from the property's value as equalized or assessed by the Department of Revenue. The disabled person shall receive the homestead exemption upon meeting the following requirements:

(1) The property must be occupied as the primary residence by the disabled person.
(2) The disabled person must be liable for paying the real estate taxes on the property.
(3) The disabled person must be an owner of record of the property or have a legal or equitable interest in the property as evidenced by a written instrument. In the case of a leasehold interest in property, the lease must be for a single family residence.

A person who is disabled during the taxable year is eligible to apply for this homestead exemption during that taxable year. Application must be made during the application period in effect for the county of residence. If a homestead exemption has been granted under this Section and the person awarded the exemption subsequently becomes a resident of a facility licensed under the Nursing Home Care Act, the Specialized Mental Health Rehabilitation Act of 2013, or the ID/DD Community Care Act, then the exemption shall continue (i) so long as the residence continues to be occupied by the qualifying person's spouse or (ii) if the residence remains unoccupied but is still owned by the person qualified for the homestead exemption.

(b) For the purposes of this Section, "disabled person" means a person unable to engage in any substantial gainful activity by reason of a medically determinable physical or mental impairment which can be expected to result in death or has lasted or can be expected to last for a continuous period of not less than 12 months. Disabled persons filing claims under this Act shall submit proof of disability in such form and manner as the Department shall by rule and regulation prescribe. Proof that a claimant is eligible to receive disability benefits under the Federal Social Security Act shall constitute proof of disability for purposes of this Act. Issuance of an Illinois Person with a Disability Identification Card

stating that the claimant is under a Class 2 disability, as defined in Section 4A of the Illinois Identification Card Act, shall constitute proof that the person named thereon is a disabled person for purposes of this Act. A disabled person not covered under the Federal Social Security Act and not presenting an Illinois Person with a Disability Identification Card stating that the claimant is under a Class 2 disability shall be examined by a physician designated by the Department, and his status as a disabled person determined using the same standards as used by the Social Security Administration. The costs of any required examination shall be borne by the claimant.

(c) For land improved with (i) an apartment building owned and operated as a cooperative or (ii) a life care facility as defined under Section 2 of the Life Care Facilities Act that is considered to be a cooperative, the maximum reduction from the value of the property, as equalized or assessed by the Department, shall be multiplied by the number of apartments or units occupied by a disabled person. The disabled person shall receive the homestead exemption upon meeting the following requirements:

(1) The property must be occupied as the primary residence by the disabled person.

(2) The disabled person must be liable by contract with the owner or owners of record for paying the apportioned property taxes on the property of the cooperative or life care facility. In the case of a life care facility, the disabled person must be liable for paying the apportioned property taxes under a life care contract as defined in Section 2 of the Life Care Facilities Act.

(3) The disabled person must be an owner of record of a legal or equitable interest in the cooperative apartment building. A leasehold interest does not meet this requirement.

If a homestead exemption is granted under this subsection, the cooperative association or management firm shall credit the savings resulting from the exemption to the apportioned tax liability of the qualifying disabled person. The chief county assessment officer may request reasonable proof that the association or firm has properly credited the exemption. A person who willfully refuses to credit an exemption to the qualified disabled person is guilty of a Class B misdemeanor.

(d) The chief county assessment officer shall determine the eligibility of property to receive the homestead exemption according to guidelines established by the Department. After a person has received an

exemption under this Section, an annual verification of eligibility for the
exemption shall be mailed to the taxpayer.

In counties with fewer than 3,000,000 inhabitants, the chief county
assessment officer shall provide to each person granted a homestead
exemption under this Section a form to designate any other person to
receive a duplicate of any notice of delinquency in the payment of taxes
assessed and levied under this Code on the person's qualifying property.
The duplicate notice shall be in addition to the notice required to be
provided to the person receiving the exemption and shall be given in the
manner required by this Code. The person filing the request for the
duplicate notice shall pay an administrative fee of $5 to the chief county
assessment officer. The assessment officer shall then file the executed
designation with the county collector, who shall issue the duplicate notices
as indicated by the designation. A designation may be rescinded by the
disabled person in the manner required by the chief county assessment
officer.

(e) A taxpayer who claims an exemption under Section 15-165 or
15-169 may not claim an exemption under this Section.

Sec. 15-170. Senior Citizens Homestead Exemption. An annual
homestead exemption limited, except as described here with relation to
cooperatives or life care facilities, to a maximum reduction set forth below
from the property's value, as equalized or assessed by the Department, is
granted for property that is occupied as a residence by a person 65 years of
age or older who is liable for paying real estate taxes on the property and is
an owner of record of the property or has a legal or equitable interest
therein as evidenced by a written instrument, except for a leasehold
interest, other than a leasehold interest of land on which a single family
residence is located, which is occupied as a residence by a person 65 years
or older who has an ownership interest therein, legal, equitable or as a
lessee, and on which he or she is liable for the payment of property taxes.
Before taxable year 2004, the maximum reduction shall be $2,500 in
counties with 3,000,000 or more inhabitants and $2,000 in all other
counties. For taxable years 2004 through 2005, the maximum reduction
shall be $3,000 in all counties. For taxable years 2006 and 2007, the
maximum reduction shall be $3,500 and, for taxable years 2008 and
thereafter, the maximum reduction is $4,000 in all counties.
For land improved with an apartment building owned and operated as a cooperative, the maximum reduction from the value of the property, as equalized by the Department, shall be multiplied by the number of apartments or units occupied by a person 65 years of age or older who is liable, by contract with the owner or owners of record, for paying property taxes on the property and is an owner of record of a legal or equitable interest in the cooperative apartment building, other than a leasehold interest. For land improved with a life care facility, the maximum reduction from the value of the property, as equalized by the Department, shall be multiplied by the number of apartments or units occupied by persons 65 years of age or older, irrespective of any legal, equitable, or leasehold interest in the facility, who are liable, under a contract with the owner or owners of record of the facility, for paying property taxes on the property. In a cooperative or a life care facility where a homestead exemption has been granted, the cooperative association or the management firm of the cooperative or facility shall credit the savings resulting from that exemption only to the apportioned tax liability of the owner or resident who qualified for the exemption. Any person who willfully refuses to so credit the savings shall be guilty of a Class B misdemeanor. Under this Section and Sections 15-175, 15-176, and 15-177, "life care facility" means a facility, as defined in Section 2 of the Life Care Facilities Act, with which the applicant for the homestead exemption has a life care contract as defined in that Act.

When a homestead exemption has been granted under this Section and the person qualifying subsequently becomes a resident of a facility licensed under the Assisted Living and Shared Housing Act, the Nursing Home Care Act, the Specialized Mental Health Rehabilitation Act of 2013, or the ID/DD Community Care Act, the exemption shall continue so long as the residence continues to be occupied by the qualifying person's spouse if the spouse is 65 years of age or older, or if the residence remains unoccupied but is still owned by the person qualified for the homestead exemption.

A person who will be 65 years of age during the current assessment year shall be eligible to apply for the homestead exemption during that assessment year. Application shall be made during the application period in effect for the county of his residence.

Beginning with assessment year 2003, for taxes payable in 2004, property that is first occupied as a residence after January 1 of any assessment year by a person who is eligible for the senior citizens
homestead exemption under this Section must be granted a pro-rata exemption for the assessment year. The amount of the pro-rata exemption is the exemption allowed in the county under this Section divided by 365 and multiplied by the number of days during the assessment year the property is occupied as a residence by a person eligible for the exemption under this Section. The chief county assessment officer must adopt reasonable procedures to establish eligibility for this pro-rata exemption.

The assessor or chief county assessment officer may determine the eligibility of a life care facility to receive the benefits provided by this Section, by affidavit, application, visual inspection, questionnaire or other reasonable methods in order to insure that the tax savings resulting from the exemption are credited by the management firm to the apportioned tax liability of each qualifying resident. The assessor may request reasonable proof that the management firm has so credited the exemption.

The chief county assessment officer of each county with less than 3,000,000 inhabitants shall provide to each person allowed a homestead exemption under this Section a form to designate any other person to receive a duplicate of any notice of delinquency in the payment of taxes assessed and levied under this Code on the property of the person receiving the exemption. The duplicate notice shall be in addition to the notice required to be provided to the person receiving the exemption, and shall be given in the manner required by this Code. The person filing the request for the duplicate notice shall pay a fee of $5 to cover administrative costs to the supervisor of assessments, who shall then file the executed designation with the county collector. Notwithstanding any other provision of this Code to the contrary, the filing of such an executed designation requires the county collector to provide duplicate notices as indicated by the designation. A designation may be rescinded by the person who executed such designation at any time, in the manner and form required by the chief county assessment officer.

The assessor or chief county assessment officer may determine the eligibility of residential property to receive the homestead exemption provided by this Section by application, visual inspection, questionnaire or other reasonable methods. The determination shall be made in accordance with guidelines established by the Department.

In counties with 3,000,000 or more inhabitants, beginning in taxable year 2010, each taxpayer who has been granted an exemption under this Section must reapply on an annual basis. The chief county assessment officer shall mail the application to the taxpayer. In counties

New matter indicated in italics - deletions by strikeout
with less than 3,000,000 inhabitants, the county board may by resolution provide that if a person has been granted a homestead exemption under this Section, the person qualifying need not reapply for the exemption.

In counties with less than 3,000,000 inhabitants, if the assessor or chief county assessment officer requires annual application for verification of eligibility for an exemption once granted under this Section, the application shall be mailed to the taxpayer.

The assessor or chief county assessment officer shall notify each person who qualifies for an exemption under this Section that the person may also qualify for deferral of real estate taxes under the Senior Citizens Real Estate Tax Deferral Act. The notice shall set forth the qualifications needed for deferral of real estate taxes, the address and telephone number of county collector, and a statement that applications for deferral of real estate taxes may be obtained from the county collector.

Notwithstanding Sections 6 and 8 of the State Mandates Act, no reimbursement by the State is required for the implementation of any mandate created by this Section.

Sec. 15-172. Senior Citizens Assessment Freeze Homestead Exemption.

(a) This Section may be cited as the Senior Citizens Assessment Freeze Homestead Exemption.

(b) As used in this Section:
"Applicant" means an individual who has filed an application under this Section.
"Base amount" means the base year equalized assessed value of the residence plus the first year's equalized assessed value of any added improvements which increased the assessed value of the residence after the base year.
"Base year" means the taxable year prior to the taxable year for which the applicant first qualifies and applies for the exemption provided that in the prior taxable year the property was improved with a permanent structure that was occupied as a residence by the applicant who was liable for paying real property taxes on the property and who was either (i) an owner of record of the property or had legal or equitable interest in the property as evidenced by a written instrument or (ii) had a legal or
equitable interest as a lessee in the parcel of property that was single family residence. If in any subsequent taxable year for which the applicant applies and qualifies for the exemption the equalized assessed value of the residence is less than the equalized assessed value in the existing base year (provided that such equalized assessed value is not based on an assessed value that results from a temporary irregularity in the property that reduces the assessed value for one or more taxable years), then that subsequent taxable year shall become the base year until a new base year is established under the terms of this paragraph. For taxable year 1999 only, the Chief County Assessment Officer shall review (i) all taxable years for which the applicant applied and qualified for the exemption and (ii) the existing base year. The assessment officer shall select as the new base year the year with the lowest equalized assessed value. An equalized assessed value that is based on an assessed value that results from a temporary irregularity in the property that reduces the assessed value for one or more taxable years shall not be considered the lowest equalized assessed value. The selected year shall be the base year for taxable year 1999 and thereafter until a new base year is established under the terms of this paragraph.

"Chief County Assessment Officer" means the County Assessor or Supervisor of Assessments of the county in which the property is located.

"Equalized assessed value" means the assessed value as equalized by the Illinois Department of Revenue.

"Household" means the applicant, the spouse of the applicant, and all persons using the residence of the applicant as their principal place of residence.

"Household income" means the combined income of the members of a household for the calendar year preceding the taxable year.

"Income" has the same meaning as provided in Section 3.07 of the Senior Citizens and Disabled Persons Property Tax Relief Act, except that, beginning in assessment year 2001, "income" does not include veteran's benefits.

"Internal Revenue Code of 1986" means the United States Internal Revenue Code of 1986 or any successor law or laws relating to federal income taxes in effect for the year preceding the taxable year.

"Life care facility that qualifies as a cooperative" means a facility as defined in Section 2 of the Life Care Facilities Act.

"Maximum income limitation" means:

1) $35,000 prior to taxable year 1999;
2) $40,000 in taxable years 1999 through 2003;
(3) $45,000 in taxable years 2004 through 2005;
(4) $50,000 in taxable years 2006 and 2007; and
(5) $55,000 in taxable year 2008 and thereafter.

"Residence" means the principal dwelling place and appurtenant structures used for residential purposes in this State occupied on January 1 of the taxable year by a household and so much of the surrounding land, constituting the parcel upon which the dwelling place is situated, as is used for residential purposes. If the Chief County Assessment Officer has established a specific legal description for a portion of property constituting the residence, then that portion of property shall be deemed the residence for the purposes of this Section.

"Taxable year" means the calendar year during which ad valorem property taxes payable in the next succeeding year are levied.

(c) Beginning in taxable year 1994, a senior citizens assessment freeze homestead exemption is granted for real property that is improved with a permanent structure that is occupied as a residence by an applicant who (i) is 65 years of age or older during the taxable year, (ii) has a household income that does not exceed the maximum income limitation, (iii) is liable for paying real property taxes on the property, and (iv) is an owner of record of the property or has a legal or equitable interest in the property as evidenced by a written instrument. This homestead exemption shall also apply to a leasehold interest in a parcel of property improved with a permanent structure that is a single family residence that is occupied as a residence by a person who (i) is 65 years of age or older during the taxable year, (ii) has a household income that does not exceed the maximum income limitation, (iii) has a legal or equitable ownership interest in the property as lessee, and (iv) is liable for the payment of real property taxes on that property.

In counties of 3,000,000 or more inhabitants, the amount of the exemption for all taxable years is the equalized assessed value of the residence in the taxable year for which application is made minus the base amount. In all other counties, the amount of the exemption is as follows: (i) through taxable year 2005 and for taxable year 2007 and thereafter, the amount of this exemption shall be the equalized assessed value of the residence in the taxable year for which application is made minus the base amount; and (ii) for taxable year 2006, the amount of the exemption is as follows:

(1) For an applicant who has a household income of $45,000 or less, the amount of the exemption is the equalized

New matter indicated in italics - deletions by strikeout
assessed value of the residence in the taxable year for which application is made minus the base amount.

(2) For an applicant who has a household income exceeding $45,000 but not exceeding $46,250, the amount of the exemption is (i) the equalized assessed value of the residence in the taxable year for which application is made minus the base amount (ii) multiplied by 0.8.

(3) For an applicant who has a household income exceeding $46,250 but not exceeding $47,500, the amount of the exemption is (i) the equalized assessed value of the residence in the taxable year for which application is made minus the base amount (ii) multiplied by 0.6.

(4) For an applicant who has a household income exceeding $47,500 but not exceeding $48,750, the amount of the exemption is (i) the equalized assessed value of the residence in the taxable year for which application is made minus the base amount (ii) multiplied by 0.4.

(5) For an applicant who has a household income exceeding $48,750 but not exceeding $50,000, the amount of the exemption is (i) the equalized assessed value of the residence in the taxable year for which application is made minus the base amount (ii) multiplied by 0.2.

When the applicant is a surviving spouse of an applicant for a prior year for the same residence for which an exemption under this Section has been granted, the base year and base amount for that residence are the same as for the applicant for the prior year.

Each year at the time the assessment books are certified to the County Clerk, the Board of Review or Board of Appeals shall give to the County Clerk a list of the assessed values of improvements on each parcel qualifying for this exemption that were added after the base year for this parcel and that increased the assessed value of the property.

In the case of land improved with an apartment building owned and operated as a cooperative or a building that is a life care facility that qualifies as a cooperative, the maximum reduction from the equalized assessed value of the property is limited to the sum of the reductions calculated for each unit occupied as a residence by a person or persons (i) 65 years of age or older, (ii) with a household income that does not exceed the maximum income limitation, (iii) who is liable, by contract with the owner or owners of record, for paying real property taxes on the property,

New matter indicated in italics - deletions by strikeout
and (iv) who is an owner of record of a legal or equitable interest in the cooperative apartment building, other than a leasehold interest. In the instance of a cooperative where a homestead exemption has been granted under this Section, the cooperative association or its management firm shall credit the savings resulting from that exemption only to the apportioned tax liability of the owner who qualified for the exemption. Any person who willfully refuses to credit that savings to an owner who qualifies for the exemption is guilty of a Class B misdemeanor.

When a homestead exemption has been granted under this Section and an applicant then becomes a resident of a facility licensed under the Assisted Living and Shared Housing Act, the Nursing Home Care Act, the Specialized Mental Health Rehabilitation Act of 2013, or the ID/DD Community Care Act, the exemption shall be granted in subsequent years so long as the residence (i) continues to be occupied by the qualified applicant's spouse or (ii) if remaining unoccupied, is still owned by the qualified applicant for the homestead exemption.

Beginning January 1, 1997, when an individual dies who would have qualified for an exemption under this Section, and the surviving spouse does not independently qualify for this exemption because of age, the exemption under this Section shall be granted to the surviving spouse for the taxable year preceding and the taxable year of the death, provided that, except for age, the surviving spouse meets all other qualifications for the granting of this exemption for those years.

When married persons maintain separate residences, the exemption provided for in this Section may be claimed by only one of such persons and for only one residence.

For taxable year 1994 only, in counties having less than 3,000,000 inhabitants, to receive the exemption, a person shall submit an application by February 15, 1995 to the Chief County Assessment Officer of the county in which the property is located. In counties having 3,000,000 or more inhabitants, for taxable year 1994 and all subsequent taxable years, to receive the exemption, a person may submit an application to the Chief County Assessment Officer of the county in which the property is located during such period as may be specified by the Chief County Assessment Officer. The Chief County Assessment Officer in counties of 3,000,000 or more inhabitants shall annually give notice of the application period by mail or by publication. In counties having less than 3,000,000 inhabitants, beginning with taxable year 1995 and thereafter, to receive the exemption, a person shall submit an application by July 1 of each taxable year to the
Chief County Assessment Officer of the county in which the property is located. A county may, by ordinance, establish a date for submission of applications that is different than July 1. The applicant shall submit with the application an affidavit of the applicant's total household income, age, marital status (and if married the name and address of the applicant's spouse, if known), and principal dwelling place of members of the household on January 1 of the taxable year. The Department shall establish, by rule, a method for verifying the accuracy of affidavits filed by applicants under this Section, and the Chief County Assessment Officer may conduct audits of any taxpayer claiming an exemption under this Section to verify that the taxpayer is eligible to receive the exemption. Each application shall contain or be verified by a written declaration that it is made under the penalties of perjury. A taxpayer's signing a fraudulent application under this Act is perjury, as defined in Section 32-2 of the Criminal Code of 2012. The applications shall be clearly marked as applications for the Senior Citizens Assessment Freeze Homestead Exemption and must contain a notice that any taxpayer who receives the exemption is subject to an audit by the Chief County Assessment Officer.

Notwithstanding any other provision to the contrary, in counties having fewer than 3,000,000 inhabitants, if an applicant fails to file the application required by this Section in a timely manner and this failure to file is due to a mental or physical condition sufficiently severe so as to render the applicant incapable of filing the application in a timely manner, the Chief County Assessment Officer may extend the filing deadline for a period of 30 days after the applicant regains the capability to file the application, but in no case may the filing deadline be extended beyond 3 months of the original filing deadline. In order to receive the extension provided in this paragraph, the applicant shall provide the Chief County Assessment Officer with a signed statement from the applicant's physician stating the nature and extent of the condition, that, in the physician's opinion, the condition was so severe that it rendered the applicant incapable of filing the application in a timely manner, and the date on which the applicant regained the capability to file the application.

Beginning January 1, 1998, notwithstanding any other provision to the contrary, in counties having fewer than 3,000,000 inhabitants, if an applicant fails to file the application required by this Section in a timely manner and this failure to file is due to a mental or physical condition sufficiently severe so as to render the applicant incapable of filing the application in a timely manner, the Chief County Assessment Officer may

extend the filing deadline for a period of 3 months. In order to receive the extension provided in this paragraph, the applicant shall provide the Chief County Assessment Officer with a signed statement from the applicant's physician stating the nature and extent of the condition, and that, in the physician's opinion, the condition was so severe that it rendered the applicant incapable of filing the application in a timely manner.

In counties having less than 3,000,000 inhabitants, if an applicant was denied an exemption in taxable year 1994 and the denial occurred due to an error on the part of an assessment official, or his or her agent or employee, then beginning in taxable year 1997 the applicant's base year, for purposes of determining the amount of the exemption, shall be 1993 rather than 1994. In addition, in taxable year 1997, the applicant's exemption shall also include an amount equal to (i) the amount of any exemption denied to the applicant in taxable year 1995 as a result of using 1994, rather than 1993, as the base year, (ii) the amount of any exemption denied to the applicant in taxable year 1996 as a result of using 1994, rather than 1993, as the base year, and (iii) the amount of the exemption erroneously denied for taxable year 1994.

For purposes of this Section, a person who will be 65 years of age during the current taxable year shall be eligible to apply for the homestead exemption during that taxable year. Application shall be made during the application period in effect for the county of his or her residence.

The Chief County Assessment Officer may determine the eligibility of a life care facility that qualifies as a cooperative to receive the benefits provided by this Section by use of an affidavit, application, visual inspection, questionnaire, or other reasonable method in order to insure that the tax savings resulting from the exemption are credited by the management firm to the apportioned tax liability of each qualifying resident. The Chief County Assessment Officer may request reasonable proof that the management firm has so credited that exemption.

Except as provided in this Section, all information received by the chief county assessment officer or the Department from applications filed under this Section, or from any investigation conducted under the provisions of this Section, shall be confidential, except for official purposes or pursuant to official procedures for collection of any State or local tax or enforcement of any civil or criminal penalty or sanction imposed by this Act or by any statute or ordinance imposing a State or local tax. Any person who divulges any such information in any manner,
except in accordance with a proper judicial order, is guilty of a Class A misdemeanor.

Nothing contained in this Section shall prevent the Director or chief county assessment officer from publishing or making available reasonable statistics concerning the operation of the exemption contained in this Section in which the contents of claims are grouped into aggregates in such a way that information contained in any individual claim shall not be disclosed.

(d) Each Chief County Assessment Officer shall annually publish a notice of availability of the exemption provided under this Section. The notice shall be published at least 60 days but no more than 75 days prior to the date on which the application must be submitted to the Chief County Assessment Officer of the county in which the property is located. The notice shall appear in a newspaper of general circulation in the county.

Notwithstanding Sections 6 and 8 of the State Mandates Act, no reimbursement by the State is required for the implementation of any mandate created by this Section.

Section 6-165. The Regional Transportation Authority Act is amended by changing Section 4.03 as follows:

(70 ILCS 3615/4.03) (from Ch. 111 2/3, par. 704.03)

Sec. 4.03. Taxes.

(a) In order to carry out any of the powers or purposes of the Authority, the Board may by ordinance adopted with the concurrence of 12 of the then Directors, impose throughout the metropolitan region any or all of the taxes provided in this Section. Except as otherwise provided in this Act, taxes imposed under this Section and civil penalties imposed incident thereto shall be collected and enforced by the State Department of Revenue. The Department shall have the power to administer and enforce the taxes and to determine all rights for refunds for erroneous payments of the taxes. Nothing in this amendatory Act of the 95th General Assembly is intended to invalidate any taxes currently imposed by the Authority. The increased vote requirements to impose a tax shall only apply to actions taken after the effective date of this amendatory Act of the 95th General Assembly.

(b) The Board may impose a public transportation tax upon all persons engaged in the metropolitan region in the business of selling at
retail motor fuel for operation of motor vehicles upon public highways. The tax shall be at a rate not to exceed 5% of the gross receipts from the sales of motor fuel in the course of the business. As used in this Act, the term "motor fuel" shall have the same meaning as in the Motor Fuel Tax Law. The Board may provide for details of the tax. The provisions of any tax shall conform, as closely as may be practicable, to the provisions of the Municipal Retailers Occupation Tax Act, including without limitation, conformity to penalties with respect to the tax imposed and as to the powers of the State Department of Revenue to promulgate and enforce rules and regulations relating to the administration and enforcement of the provisions of the tax imposed, except that reference in the Act to any municipality shall refer to the Authority and the tax shall be imposed only with regard to receipts from sales of motor fuel in the metropolitan region, at rates as limited by this Section.

(c) In connection with the tax imposed under paragraph (b) of this Section the Board may impose a tax upon the privilege of using in the metropolitan region motor fuel for the operation of a motor vehicle upon public highways, the tax to be at a rate not in excess of the rate of tax imposed under paragraph (b) of this Section. The Board may provide for details of the tax.

(d) The Board may impose a motor vehicle parking tax upon the privilege of parking motor vehicles at off-street parking facilities in the metropolitan region at which a fee is charged, and may provide for reasonable classifications in and exemptions to the tax, for administration and enforcement thereof and for civil penalties and refunds thereunder and may provide criminal penalties thereunder, the maximum penalties not to exceed the maximum criminal penalties provided in the Retailers' Occupation Tax Act. The Authority may collect and enforce the tax itself or by contract with any unit of local government. The State Department of Revenue shall have no responsibility for the collection and enforcement unless the Department agrees with the Authority to undertake the collection and enforcement. As used in this paragraph, the term "parking facility" means a parking area or structure having parking spaces for more than 2 vehicles at which motor vehicles are permitted to park in return for an hourly, daily, or other periodic fee, whether publicly or privately owned, but does not include parking spaces on a public street, the use of which is regulated by parking meters.

(e) The Board may impose a Regional Transportation Authority Retailers' Occupation Tax upon all persons engaged in the business of

selling tangible personal property at retail in the metropolitan region. In
Cook County the tax rate shall be 1.25% of the gross receipts from sales of
food for human consumption that is to be consumed off the premises
where it is sold (other than alcoholic beverages, soft drinks and food that
has been prepared for immediate consumption) and prescription and
nonprescription medicines, drugs, medical appliances and insulin, urine
testing materials, syringes and needles used by diabetics, and 1% of the
gross receipts from other taxable sales made in the course of that business.
In DuPage, Kane, Lake, McHenry, and Will Counties, the tax rate shall be
0.75% of the gross receipts from all taxable sales made in the course of
that business. The tax imposed under this Section and all civil penalties
that may be assessed as an incident thereof shall be collected and enforced
by the State Department of Revenue. The Department shall have full
power to administer and enforce this Section; to collect all taxes and
penalties so collected in the manner hereinafter provided; and to determine
all rights to credit memoranda arising on account of the erroneous payment
of tax or penalty hereunder. In the administration of, and compliance with
this Section, the Department and persons who are subject to this Section
shall have the same rights, remedies, privileges, immunities, powers and
duties, and be subject to the same conditions, restrictions, limitations,
penalties, exclusions, exemptions and definitions of terms, and employ the
same modes of procedure, as are prescribed in Sections 1, 1a, 1a-1, 1c, 1d,
1e, 1f, 1i, 1j, 2 through 2-65 (in respect to all provisions therein other than

6b, 6c, 7, 8, 9, 10, 11, 12 and 13 of the Retailers' Occupation Tax Act and
Section 3-7 of the Uniform Penalty and Interest Act, as fully as if those
provisions were set forth herein.

Persons subject to any tax imposed under the authority granted in
this Section may reimburse themselves for their seller's tax liability
hereunder by separately stating the tax as an additional charge, which
charge may be stated in combination in a single amount with State taxes
that sellers are required to collect under the Use Tax Act, under any
bracket schedules the Department may prescribe.

Whenever the Department determines that a refund should be made
under this Section to a claimant instead of issuing a credit memorandum,
the Department shall notify the State Comptroller, who shall cause the
warrant to be drawn for the amount specified, and to the person named, in
the notification from the Department. The refund shall be paid by the State

Treasurer out of the Regional Transportation Authority tax fund established under paragraph (n) of this Section.

If a tax is imposed under this subsection (e), a tax shall also be imposed under subsections (f) and (g) of this Section.

For the purpose of determining whether a tax authorized under this Section is applicable, a retail sale by a producer of coal or other mineral mined in Illinois, is a sale at retail at the place where the coal or other mineral mined in Illinois is extracted from the earth. This paragraph does not apply to coal or other mineral when it is delivered or shipped by the seller to the purchaser at a point outside Illinois so that the sale is exempt under the Federal Constitution as a sale in interstate or foreign commerce.

No tax shall be imposed or collected under this subsection on the sale of a motor vehicle in this State to a resident of another state if that motor vehicle will not be titled in this State.

Nothing in this Section shall be construed to authorize the Regional Transportation Authority to impose a tax upon the privilege of engaging in any business that under the Constitution of the United States may not be made the subject of taxation by this State.

(f) If a tax has been imposed under paragraph (e), a Regional Transportation Authority Service Occupation Tax shall also be imposed upon all persons engaged, in the metropolitan region in the business of making sales of service, who as an incident to making the sales of service, transfer tangible personal property within the metropolitan region, either in the form of tangible personal property or in the form of real estate as an incident to a sale of service. In Cook County, the tax rate shall be: (1) 1.25% of the serviceman's cost price of food prepared for immediate consumption and transferred incident to a sale of service subject to the service occupation tax by an entity licensed under the Hospital Licensing Act, the Nursing Home Care Act, the Specialized Mental Health Rehabilitation Act of 2013, or the ID/DD Community Care Act that is located in the metropolitan region; (2) 1.25% of the selling price of food for human consumption that is to be consumed off the premises where it is sold (other than alcoholic beverages, soft drinks and food that has been prepared for immediate consumption) and prescription and nonprescription medicines, drugs, medical appliances and insulin, urine testing materials, syringes and needles used by diabetics; and (3) 1% of the selling price from other taxable sales of tangible personal property transferred. In DuPage, Kane, Lake, McHenry and Will Counties the rate...
shall be 0.75% of the selling price of all tangible personal property transferred.

The tax imposed under this paragraph and all civil penalties that may be assessed as an incident thereof shall be collected and enforced by the State Department of Revenue. The Department shall have full power to administer and enforce this paragraph; to collect all taxes and penalties due hereunder; to dispose of taxes and penalties collected in the manner hereinafter provided; and to determine all rights to credit memoranda arising on account of the erroneous payment of tax or penalty hereunder. In the administration of and compliance with this paragraph, the Department and persons who are subject to this paragraph shall have the same rights, remedies, privileges, immunities, powers and duties, and be subject to the same conditions, restrictions, limitations, penalties, exclusions, exemptions and definitions of terms, and employ the same modes of procedure, as are prescribed in Sections 1a-1, 2, 2a, 3 through 3-50 (in respect to all provisions therein other than the State rate of tax), 4 (except that the reference to the State shall be to the Authority), 5, 7, 8 (except that the jurisdiction to which the tax shall be a debt to the extent indicated in that Section 8 shall be the Authority), 9 (except as to the disposition of taxes and penalties collected, and except that the returned merchandise credit for this tax may not be taken against any State tax), 10, 11, 12 (except the reference therein to Section 2b of the Retailers' Occupation Tax Act), 13 (except that any reference to the State shall mean the Authority), the first paragraph of Section 15, 16, 17, 18, 19 and 20 of the Service Occupation Tax Act and Section 3-7 of the Uniform Penalty and Interest Act, as fully as if those provisions were set forth herein.

Persons subject to any tax imposed under the authority granted in this paragraph may reimburse themselves for their serviceman's tax liability hereunder by separately stating the tax as an additional charge, that charge may be stated in combination in a single amount with State tax that servicemen are authorized to collect under the Service Use Tax Act, under any bracket schedules the Department may prescribe.

Whenever the Department determines that a refund should be made under this paragraph to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause the warrant to be drawn for the amount specified, and to the person named in the notification from the Department. The refund shall be paid by the State Treasurer out of the Regional Transportation Authority tax fund established under paragraph (n) of this Section.

Nothing in this paragraph shall be construed to authorize the Authority to impose a tax upon the privilege of engaging in any business that under the Constitution of the United States may not be made the subject of taxation by the State.

(g) If a tax has been imposed under paragraph (e), a tax shall also be imposed upon the privilege of using in the metropolitan region, any item of tangible personal property that is purchased outside the metropolitan region at retail from a retailer, and that is titled or registered with an agency of this State's government. In Cook County the tax rate shall be 1% of the selling price of the tangible personal property, as "selling price" is defined in the Use Tax Act. In DuPage, Kane, Lake, McHenry and Will counties the tax rate shall be 0.75% of the selling price of the tangible personal property, as "selling price" is defined in the Use Tax Act. The tax shall be collected from persons whose Illinois address for titling or registration purposes is given as being in the metropolitan region. The tax shall be collected by the Department of Revenue for the Regional Transportation Authority. The tax must be paid to the State, or an exemption determination must be obtained from the Department of Revenue, before the title or certificate of registration for the property may be issued. The tax or proof of exemption may be transmitted to the Department by way of the State agency with which, or the State officer with whom, the tangible personal property must be titled or registered if the Department and the State agency or State officer determine that this procedure will expedite the processing of applications for title or registration.

The Department shall have full power to administer and enforce this paragraph; to collect all taxes, penalties and interest due hereunder; to dispose of taxes, penalties and interest collected in the manner hereinafter provided; and to determine all rights to credit memoranda or refunds arising on account of the erroneous payment of tax, penalty or interest hereunder. In the administration of and compliance with this paragraph, the Department and persons who are subject to this paragraph shall have the same rights, remedies, privileges, immunities, powers and duties, and be subject to the same conditions, restrictions, limitations, penalties, exclusions, exemptions and definitions of terms and employ the same modes of procedure, as are prescribed in Sections 2 (except the definition of "retailer maintaining a place of business in this State"), 3 through 3-80 (except provisions pertaining to the State rate of tax, and except provisions concerning collection or refunding of the tax by retailers), 4, 11, 12, 12a,
14, 15, 19 (except the portions pertaining to claims by retailers and except
the last paragraph concerning refunds), 20, 21 and 22 of the Use Tax Act,
and are not inconsistent with this paragraph, as fully as if those provisions
were set forth herein.

Whenever the Department determines that a refund should be made
under this paragraph to a claimant instead of issuing a credit
memorandum, the Department shall notify the State Comptroller, who
shall cause the order to be drawn for the amount specified, and to the
person named in the notification from the Department. The refund shall be
paid by the State Treasurer out of the Regional Transportation Authority
tax fund established under paragraph (n) of this Section.

(h) The Authority may impose a replacement vehicle tax of $50 on
any passenger car as defined in Section 1-157 of the Illinois Vehicle Code
purchased within the metropolitan region by or on behalf of an insurance
company to replace a passenger car of an insured person in settlement of a
total loss claim. The tax imposed may not become effective before the first
day of the month following the passage of the ordinance imposing the tax
and receipt of a certified copy of the ordinance by the Department of
Revenue. The Department of Revenue shall collect the tax for the
Authority in accordance with Sections 3-2002 and 3-2003 of the Illinois
Vehicle Code.

The Department shall immediately pay over to the State Treasurer,
ex officio, as trustee, all taxes collected hereunder.

As soon as possible after the first day of each month, beginning
January 1, 2011, upon certification of the Department of Revenue, the
Comptroller shall order transferred, and the Treasurer shall transfer, to the
STAR Bonds Revenue Fund the local sales tax increment, as defined in
the Innovation Development and Economy Act, collected under this
Section during the second preceding calendar month for sales within a
STAR bond district.

After the monthly transfer to the STAR Bonds Revenue Fund, on
or before the 25th day of each calendar month, the Department shall
prepare and certify to the Comptroller the disbursement of stated sums of
money to the Authority. The amount to be paid to the Authority shall be
the amount collected hereunder during the second preceding calendar
month by the Department, less any amount determined by the Department
to be necessary for the payment of refunds, and less any amounts that are
transferred to the STAR Bonds Revenue Fund. Within 10 days after
receipt by the Comptroller of the disbursement certification to the

Authority provided for in this Section to be given to the Comptroller by the Department, the Comptroller shall cause the orders to be drawn for that amount in accordance with the directions contained in the certification.

(i) The Board may not impose any other taxes except as it may from time to time be authorized by law to impose.

(j) A certificate of registration issued by the State Department of Revenue to a retailer under the Retailers' Occupation Tax Act or under the Service Occupation Tax Act shall permit the registrant to engage in a business that is taxed under the tax imposed under paragraphs (b), (e), (f) or (g) of this Section and no additional registration shall be required under the tax. A certificate issued under the Use Tax Act or the Service Use Tax Act shall be applicable with regard to any tax imposed under paragraph (c) of this Section.

(k) The provisions of any tax imposed under paragraph (c) of this Section shall conform as closely as may be practicable to the provisions of the Use Tax Act, including without limitation conformity as to penalties with respect to the tax imposed and as to the powers of the State Department of Revenue to promulgate and enforce rules and regulations relating to the administration and enforcement of the provisions of the tax imposed. (l) The Board in imposing any tax as provided in paragraphs (b) and (c) of this Section, shall, after seeking the advice of the State Department of Revenue, provide means for retailers, users or purchasers of motor fuel for purposes other than those with regard to which the taxes may be imposed as provided in those paragraphs to receive refunds of taxes improperly paid, which provisions may be at variance with the refund provisions as applicable under the Municipal Retailers Occupation Tax Act. The State Department of Revenue may provide for certificates of registration for users or purchasers of motor fuel for purposes other than those with regard to which taxes may be imposed as provided in paragraphs (b) and (c) of this Section to facilitate the reporting and nontaxability of the exempt sales or uses.

(m) Any ordinance imposing or discontinuing any tax under this Section shall be adopted and a certified copy thereof filed with the Department on or before June 1, whereupon the Department of Revenue shall proceed to administer and enforce this Section on behalf of the Regional Transportation Authority as of September 1 next following such adoption and filing. Beginning January 1, 1992, an ordinance or resolution
imposing or discontinuing the tax hereunder shall be adopted and a certified copy thereof filed with the Department on or before the first day of July, whereupon the Department shall proceed to administer and enforce this Section as of the first day of October next following such adoption and filing. Beginning January 1, 1993, an ordinance or resolution imposing, increasing, decreasing, or discontinuing the tax hereunder shall be adopted and a certified copy thereof filed with the Department, whereupon the Department shall proceed to administer and enforce this Section as of the first day of the first month to occur not less than 60 days following such adoption and filing. Any ordinance or resolution of the Authority imposing a tax under this Section and in effect on August 1, 2007 shall remain in full force and effect and shall be administered by the Department of Revenue under the terms and conditions and rates of tax established by such ordinance or resolution until the Department begins administering and enforcing an increased tax under this Section as authorized by this amendatory Act of the 95th General Assembly. The tax rates authorized by this amendatory Act of the 95th General Assembly are effective only if imposed by ordinance of the Authority.

(n) The State Department of Revenue shall, upon collecting any taxes as provided in this Section, pay the taxes over to the State Treasurer as trustee for the Authority. The taxes shall be held in a trust fund outside the State Treasury. On or before the 25th day of each calendar month, the State Department of Revenue shall prepare and certify to the Comptroller of the State of Illinois and to the Authority (i) the amount of taxes collected in each County other than Cook County in the metropolitan region, (ii) the amount of taxes collected within the City of Chicago, and (iii) the amount collected in that portion of Cook County outside of Chicago, each amount less the amount necessary for the payment of refunds to taxpayers located in those areas described in items (i), (ii), and (iii). Within 10 days after receipt by the Comptroller of the certification of the amounts, the Comptroller shall cause an order to be drawn for the payment of two-thirds of the amounts certified in item (i) of this subsection to the Authority and one-third of the amounts certified in item (i) of this subsection to the respective counties other than Cook County and the amount certified in items (ii) and (iii) of this subsection to the Authority.

In addition to the disbursement required by the preceding paragraph, an allocation shall be made in July 1991 and each year thereafter to the Regional Transportation Authority. The allocation shall be

made in an amount equal to the average monthly distribution during the preceding calendar year (excluding the 2 months of lowest receipts) and the allocation shall include the amount of average monthly distribution from the Regional Transportation Authority Occupation and Use Tax Replacement Fund. The distribution made in July 1992 and each year thereafter under this paragraph and the preceding paragraph shall be reduced by the amount allocated and disbursed under this paragraph in the preceding calendar year. The Department of Revenue shall prepare and certify to the Comptroller for disbursement the allocations made in accordance with this paragraph.

(o) Failure to adopt a budget ordinance or otherwise to comply with Section 4.01 of this Act or to adopt a Five-year Capital Program or otherwise to comply with paragraph (b) of Section 2.01 of this Act shall not affect the validity of any tax imposed by the Authority otherwise in conformity with law.

(p) At no time shall a public transportation tax or motor vehicle parking tax authorized under paragraphs (b), (c) and (d) of this Section be in effect at the same time as any retailers' occupation, use or service occupation tax authorized under paragraphs (e), (f) and (g) of this Section is in effect.

Any taxes imposed under the authority provided in paragraphs (b), (c) and (d) shall remain in effect only until the time as any tax authorized by paragraphs (e), (f) or (g) of this Section are imposed and becomes effective. Once any tax authorized by paragraphs (e), (f) or (g) is imposed the Board may not reimpose taxes as authorized in paragraphs (b), (c) and (d) of the Section unless any tax authorized by paragraphs (e), (f) or (g) of this Section becomes ineffective by means other than an ordinance of the Board.

(q) Any existing rights, remedies and obligations (including enforcement by the Regional Transportation Authority) arising under any tax imposed under paragraphs (b), (c) or (d) of this Section shall not be affected by the imposition of a tax under paragraphs (e), (f) or (g) of this Section.

(b) The Department shall inform an applicant in writing within 10 working days after receiving drawings and specifications and the required fee, if any, from the applicant whether the applicant's submission is complete or incomplete. Failure to provide the applicant with this notice within 10 working days shall result in the submission being deemed complete for purposes of initiating the 60-day review period under this Section. If the submission is incomplete, the Department shall inform the applicant of the deficiencies with the submission in writing. If the submission is complete the required fee, if any, has been paid, the Department shall approve or disapprove drawings and specifications submitted to the Department no later than 60 days following receipt by the Department. The drawings and specifications shall be of sufficient detail, as provided by Department rule, to enable the Department to render a determination of compliance with design and construction standards under

If the Department finds that the drawings are not of sufficient detail for it to render a determination of compliance, the plans shall be determined to be incomplete and shall not be considered for purposes of initiating the 60 day review period. If a submission of drawings and specifications is incomplete, the applicant may submit additional information. The 60-day review period shall not commence until the Department determines that a submission of drawings and specifications is complete or the submission is deemed complete. (g) The Department shall conduct an on-site inspection of the completed project no later than 30 days after notification from the applicant that the project has been completed and all certifications required by the Department have been received and accepted by the Department. The Department shall provide written approval for occupancy to the applicant within 5 working days of the Department's final inspection, provided the applicant has demonstrated substantial compliance as defined by Department rule. Occupancy of new major construction is prohibited until Department approval is received, unless the Department has not acted within the time frames provided in this subsection (g), in which case the construction shall be deemed approved. The entry of an order or judgment by any circuit court establishing that any person holding a license under this Act is a person in need of mental treatment operates as a suspension of that license. That person may resume their practice only upon the entry of a Department order based upon a finding by the Board that they have been determined to be recovered from mental illness by the court and upon the Board's recommendation that they be permitted to resume their practice.

practice under this Act, or who has applied for licensure pursuant to this Act, to submit to a mental or physical examination, or both, as required by and at the expense of the Department. The examining physician or physicians shall be those specifically designated by the Department or Board. The Department or Board may order the examining physician to present testimony concerning this mental or physical examination of the licensee or applicant. No information shall be excluded by reason of any common law or statutory privilege relating to communications between the licensee or applicant and the examining physician. The individual to be examined may have, at his or her own expense, another physician of his or her choice present during all aspects of the examination. Failure of any individual to submit to mental or physical examination, when directed, shall be grounds for suspension of his or her license until such time as the individual submits to the examination if the Department finds, after notice and hearing, that the refusal to submit to the examination was without reasonable cause.

If the Department or Board finds an individual unable to practice because of the reasons set forth in this Section, the Department or Board shall require such individual to submit to care, counseling, or treatment by physicians approved or designated by the Department or Board, as a condition, term, or restriction for continued, reinstated, or renewed licensure to practice; or in lieu of care, counseling, or treatment, the Department may file, or the Board may recommend to the Department to file, a complaint to immediately suspend, revoke, or otherwise discipline the license of the individual. Any individual whose license was granted pursuant to this Act or continued, reinstated, renewed, disciplined or supervised, subject to such terms, conditions or restrictions who shall fail to comply with such terms, conditions or restrictions shall be referred to the Secretary for a determination as to whether the licensee shall have his or her license suspended immediately, pending a hearing by the Department. In instances in which the Secretary immediately suspends a license under this Section, a hearing upon such person's license must be convened by the Board within 30 days after such suspension and completed without appreciable delay. The Department and Board shall have the authority to review the subject administrator's record of treatment and counseling regarding the impairment, to the extent permitted by applicable federal statutes and regulations safeguarding the confidentiality of medical records.
An individual licensed under this Act, affected under this Section, shall be afforded an opportunity to demonstrate to the Department or Board that he or she can resume practice in compliance with acceptable and prevailing standards under the provisions of his or her license.

(b) Any individual or organization acting in good faith, and not in a wilful and wanton manner, in complying with this Act by providing any report or other information to the Department, or assisting in the investigation or preparation of such information, or by participating in proceedings of the Department, or by serving as a member of the Board, shall not, as a result of such actions, be subject to criminal prosecution or civil damages.

(c) Members of the Board, and persons retained under contract to assist and advise in an investigation, shall be indemnified by the State for any actions occurring within the scope of services on or for the Board, done in good faith and not wilful and wanton in nature. The Attorney General shall defend all such actions unless he or she determines either that there would be a conflict of interest in such representation or that the actions complained of were not in good faith or were wilful and wanton.

Should the Attorney General decline representation, a person entitled to indemnification under this Section shall have the right to employ counsel of his or her choice, whose fees shall be provided by the State, after approval by the Attorney General, unless there is a determination by a court that the member's actions were not in good faith or were wilful and wanton.

A person entitled to indemnification under this Section must notify the Attorney General within 7 days of receipt of notice of the initiation of any action involving services of the Board. Failure to so notify the Attorney General shall constitute an absolute waiver of the right to a defense and indemnification.

The Attorney General shall determine within 7 days after receiving such notice, whether he or she will undertake to represent a person entitled to indemnification under this Section.

(d) The determination by a circuit court that a licensee is subject to involuntary admission or judicial admission as provided in the Mental Health and Developmental Disabilities Code, as amended, operates as an automatic suspension. Such suspension will end only upon a finding by a court that the patient is no longer subject to involuntary admission or judicial admission and issues an order so finding and discharging the

(f) The Department of Public Health shall transmit to the Department a list of those facilities which receive an "A" violation as defined in Section 1-129 of the Nursing Home Care Act.

The recipient and the recipient's guardian or substitute decision maker shall be given the opportunity to refuse generally accepted mental health or developmental disability services, including but not limited to medication or electroconvulsive therapy. If such services are refused, they shall not be given unless such services are necessary to prevent the recipient from causing serious and imminent physical harm to the recipient or others and no less restrictive alternative is available. The facility director shall inform a recipient, guardian, or substitute decision maker, if any, who refuses such services of alternate services available and the risks of such alternate services, as well as the possible consequences to the recipient of refusal of such services.

(c) Administration of medication or electroconvulsive therapy may not be continued unless the need for such treatment is redetermined at least every 24 hours based upon a personal examination of the recipient by a physician or a nurse under the supervision of a physician and the circumstances demonstrating that need are set forth in writing in the recipient's record.

(d) Neither psychotropic medication nor electroconvulsive therapy may be administered under this Section for a period in excess of 72 hours, excluding Saturdays, Sundays, and holidays, unless a petition is filed under Section 2-107.1 and the treatment continues to be necessary under subsection (a) of this Section. The agency shall provide written notice to the mentally ill person and the State guardian of the nature of the complaint based upon which the agency has gained access to the records. No record or the contents of the record shall be redisclosed by the agency unless the person who is mentally ill and the State guardian are provided 7 days advance written notice, except in emergency situations, of the agency's intent to redisclose such record. Within such 7-day period, the mentally ill person or the State guardian may seek an injunction prohibiting the agency's redisclosure of such record on the grounds that such redisclosure is contrary to the interests of the mentally ill person.

New matter indicated in italics - deletions by strikeout

When required by law, any personally identifiable information of mentally ill persons shall be removed from the records. However, the agency may not inspect or copy any records or other materials when the removal of personally identifiable information imposes an unreasonable burden on any facility as defined by the Mental Health and Developmental Disabilities Code, the Nursing Home Care Act, the Specialized Mental Health Rehabilitation Act of 2013, or the Child Care Act of 1969, or any other facility providing care or treatment to mentally ill persons.

(D) Prior to instituting any legal action in a federal or State court on behalf of a mentally ill individual, an eligible protection and advocacy system, or a State agency or nonprofit organization which entered into a contract with such an eligible system under Section 104(a) of the federal Protection and Advocacy for Mentally Ill Individuals Act of 1986, shall exhaust in a timely manner all administrative remedies where appropriate. (a) The Department shall, subject to appropriation, provide health benefits coverage to eligible children by:

(1) Until December 31, 2013 and providing that no application for such coverage shall be accepted after September 30, 2013, subsidizing the cost of privately sponsored health insurance, including employer based health insurance, to assist families to take advantage of available privately sponsored health insurance for their eligible children; and

(2) Purchasing, until December 31, 2013, or providing health care benefits for eligible children. The health benefits provided under this subdivision (a)(2) shall, subject to appropriation and without regard to any applicable cost sharing under Section 30, be identical to the benefits provided for children under the State's approved plan under Title XIX of the Social Security Act. Providers under this subdivision (a)(2) shall be subject to approval by the Department to provide health care under the Illinois Public Aid Code and shall be reimbursed at the same rate as providers under the State's approved plan under Title XIX of the Social Security Act. subdivision (a)(1) because the plan does not meet federal benchmarking standards or cost sharing and contribution requirements. To be eligible for inclusion in the Program, the plan shall contain comprehensive major medical coverage which shall consist of physician and hospital inpatient services. The Department is prohibited from denying coverage to a child who is enrolled in a privately sponsored health insurance plan pursuant to subdivision (a)(1) because the plan offers benefits in addition to physician and hospital inpatient services.

(d) The total dollar amount of subsidizing coverage per child per month pursuant to subdivision (a)(1) shall be equal to the average dollar payments, less premiums incurred, per child per month pursuant to subdivision (a)(2). The Department shall set this amount prospectively based upon the prior fiscal year's experience adjusted for incurred but not reported claims and estimated increases or decreases in the cost of medical care. Payments obligated before July 1, 1999, will be computed using State Fiscal Year 1996 payments for children eligible for Medical Assistance and income assistance under the Aid to Families with Dependent Children Program, with appropriate adjustments for cost and utilization changes through January 1, 1999. The Department is prohibited from providing a subsidy pursuant to subdivision (a)(1) that is more than the individual's monthly portion of the premium.

(e) An eligible child may obtain immediate coverage under this Program only once during a medical visit. If coverage lapses, re-enrollment shall be completed in advance of the next covered medical visit and the first month's required premium shall be paid in advance of any covered medical visit.
