DISASTER AREA - STATE OF ILLINOIS

Heavy snowfall and frigid temperatures have impacted Illinois since January 1, 2014. Many locations in the State have received 18 inches or more of snow this weekend. An ensuing arctic air blast has brought dangerously cold temperatures and high winds. Due to the snow, heavy gusting winds, and continued subzero temperatures, a widespread public safety threat exists as safe travel throughout Illinois is gravely compromised. Many Illinois highways and interstates have dozens of stranded motorists who are in need of immediate assistance.

In the interest of aiding the people of Illinois and the local governments responsible for ensuring public health and safety, and pursuant to the provisions of Section 7 of the Illinois Emergency Management Agency Act, 20 ILCS 3305/7, I hereby proclaim that a disaster exists within the State of Illinois as a result of this severe winter weather. I hereby invoke my authority to activate the Illinois National Guard to provide aid.

Issued by the Governor January 6, 2014.
Filed by the Secretary of State January 7, 2014.

2014-2

CONGENITAL HEART DEFECT AWARENESS WEEK

WHEREAS, Congenital Heart Defects are the most frequently occurring birth defect and the leading cause of birth defect related deaths worldwide; and,

WHEREAS, over a million families across America are facing the challenges and hardships of raising children with Congenital Heart Defects; and,

WHEREAS, every year approximately 40,000 babies are born in the United States with Congenital Heart Defects; and,

WHEREAS, some Congenital Heart Defects are not diagnosed until months or years after birth; and,

WHEREAS, undiagnosed Congenital Heart conditions cause many cases of sudden cardiac death in young athletes; and,

WHEREAS, newborns and young athletes are not routinely screened for Congenital Heart Defects; and,

WHEREAS, there is a need for increased awareness of Congenital Heart Defects and support for continued and increased research; and,

WHEREAS, the observance of Congenital Heart Defect Awareness Week provides an opportunity for families whose lives have been affected to
celebrate life and to remember loved ones lost, to honor dedicated health professionals, and to meet others and know they are not alone; and,

WHEREAS, the establishment of Congenital Heart Defect Awareness Week will also provide the opportunity to share experience and information with the public and the media, in order to raise public awareness about Congenital Heart Defects; and,

THEREFORE, I, Pat Quinn, Governor of the State of Illinois, do hereby proclaim February 7-14, 2014 as CONGENITAL HEART DEFECT AWARENESS WEEK in Illinois, in order to increase awareness of Congenital Heart Defects that affect thousands of babies in Illinois each year.

Issued by the Governor January 2, 2014.
Filed by the Secretary of State January 15, 2014.

2014-3
FOUR CHAPLAINS SUNDAY

WHEREAS, on February 3, 1943, four United States Army Lieutenants and Chaplains sacrificed their lives in one of the most inspiring acts of heroism during the Second World War; and,

WHEREAS, once a luxury coastal liner, the U.S.A.T. Dorchester set out with three escort ships on February 2 for an American base in Greenland. Less than 150 miles from its destination, the ship was attacked by a German submarine shortly after midnight; and,

WHEREAS, aboard the U.S.A.T. Dorchester, panic and chaos set in. The blast killed scores of men, and many more were seriously wounded. Alerted that the Dorchester was taking on water and sinking rapidly, the captain gave the order to abandon ship; and,

WHEREAS, those who were capable made their way towards the deck through the darkness. Once topside, men jumped from the ship for lifeboats. Some were overcrowded and capsized. Others drifted away before soldiers and sailors could get in them; and,

WHEREAS, through the pandemonium, Reverend George L. Fox, Rabbi Alexander D. Goode, Reverend John P. Washington and Reverend Clark V. Poling spread out among the soldiers to calm the frightened, tend the wounded and guide the disoriented toward safety; and,

WHEREAS, at one point, Rabbi Goode gave away his own gloves to a comrade who had the bad fortune of forgetting his. Shortly thereafter, the Chaplains opened a storage locker filled with lifejackets and began distributing them; and,

WHEREAS, it was then that John Ladd witnessed an astonishing sight. When they ran out of lifejackets, the Chaplains removed theirs and
gave them to four frightened young men. John said, “It was the finest thing I have seen or hope to see this side of heaven”; and,

WHEREAS, as the ship went down, other survivors in nearby rafts saw the Chaplains with arms linked and braced against the slanting deck. They were also heard offering prayers; and,

WHEREAS, the Dorchester sunk less than 27 minutes after it was struck. Of the 902 men aboard, 672 died, including all four Chaplains. When news reached American shores, the nation was stunned by the magnitude of the tragedy and heroic conduct of the Chaplains; and,

WHEREAS, all four Chaplains were posthumously awarded the Distinguished Service Cross and Purple Heart, as well as a Special Medal of Heroism specially authorized for them by Congress; and,

WHEREAS, every year, the Combined Veterans Association of Illinois sponsors a memorial service for the four Chaplains, which this year is hosted by the Polish Legion of America Veterans of Illinois, and which will be held at the Main Chapel of the Edward Hines VA Medical Center in Hines, Illinois on February 2, 2014 at 1:00 pm; and,

THEREFORE, I, Pat Quinn, Governor of the State of Illinois, do hereby proclaim February 2, 2014 as FOUR CHAPLAINS SUNDAY in Illinois, in honor and remembrance of the four brave and courageous Chaplains who selflessly made the ultimate sacrifice to save the lives of others.

Issued by the Governor January 7, 2014.
Filed by the Secretary of State January 15, 2014.

JAN KEMMERLING DAY

WHEREAS, the people of the great State of Illinois’ tourism industry welcome visitors with open arms, making a trip to Illinois an unforgettable experience; and,

WHEREAS, Jan Kemmerling, Assistant Deputy Director for the Illinois Department of Commerce and Economic Opportunity, Office of Tourism (IOT), has tirelessly worked to develop and promote the Illinois tourism industry for more than two decades; and,

WHEREAS, her hard work and dedication have helped create jobs for Illinois residents and strengthen the economic impact of the tourism industry in our state; and,

WHEREAS, Jan Kemmerling has been an invaluable asset to Illinois, helping to strengthen communities and exerting a profoundly positive influence on everyone she encounters; and,
THEREFORE, I, Pat Quinn, Governor of the State of Illinois, do hereby proclaim February 3, 2014 as JAN KEMMERLING DAY in Illinois, and call upon all citizens to celebrate and promote Jan and this important industry in the Land of Lincoln.

Issued by the Governor January 7, 2014.
Filed by the Secretary of State January 15, 2014.

2014-5
CAMPUSS FIRE SAFETY MONTH

WHEREAS, fire education and prevention is vital to ensuring the safety of Americans and Illinoisans; and,

WHEREAS, college students living on their own for the first time are particularly susceptible to the danger posed by fires; and,

WHEREAS, most fires can be avoided by practicing some simple commonsense behaviors and routines such as: checking and turning off the oven and stove before going to sleep or leaving home, not overloading electrical circuits, safely storing all dangerous and hazardous materials, keeping any electrical devices clear of water, checking and maintaining alarm and sprinkler systems, and noting the location of fire extinguishers to use in the event of an emergency; and,

WHEREAS, though education significantly helps minimize the risk of fire by raising awareness of those behaviors and routines, many students do not receive effective fire safety education during their college career when they are generally most at risk; and,

THEREFORE, I, Pat Quinn, Governor of the State of Illinois, do hereby proclaim September 2014 as CAMPUS FIRE SAFETY MONTH in Illinois, and encourage schools and municipalities to provide educational programs on the dangers and prevention of fire as students begin and return to college.

Issued by the Governor January 8, 2014.
Filed by the Secretary of State January 15, 2014.

2014-6
MENTORING MONTH

WHEREAS, everyday in Illinois, mentors help youth in communities across the State—in schools and in homes, on the field and in the library—face the challenges of growing into adulthood; and,

WHEREAS, there are few investments more important than those we make in the health and well-being of young people; and,
WHEREAS, research shows that young people matched with a caring adult through a quality mentoring program are 27% less likely to start drinking, 46% less likely to use illegal drugs, 52% less likely to skip school, and are more likely to have positive relationships with adults and to make positive plans for their future; and,

WHEREAS, more than 200 active mentoring organizations currently operate in Illinois, and thousands of children in our state already have the benefit of caring supportive volunteer mentors; and,

WHEREAS, 96% of existing mentors would recommend mentoring to others; and,

WHEREAS, the Illinois Mentoring Partnership (IMP), launched in 2012, is the unifying champion for quality youth mentoring in Illinois, providing resources, technical assistance, heightened public awareness and advocacy for the state's mentoring movement; and,

WHEREAS, the Serve Illinois Commission supports the mentoring work of over 700 AmeriCorps members each year, who are committed to improving the lives of youth in over 40 Illinois counties; and,

WHEREAS, less than 50,000 of Illinois’ over 3 million children and youth are currently served in a mentoring program and many more of our children desperately need the support of a quality mentor; and,

WHEREAS, mentors can commit as little as one hour a week and still have a significant positive impact on the outcome of a child’s life; and,

WHEREAS, January is recognized as National Mentoring Month, and Illinois is proud to step forward as a leader in reinforcing support for this cause across our great state, in an effort to close the gap in youth who do not have a trusted mentor in their lives; and,

THEREFORE, I, Pat Quinn, Governor of the State of Illinois, do hereby proclaim January 2014 as MENTORING MONTH in Illinois, and urge citizens throughout Illinois to find your place in the powerful movement to foster the growth of the next generation of Illinoians by becoming a mentor. To find a mentoring opportunity or to learn more about how to recognize your volunteers, visit the Illinois Mentoring Partnership website at www.ilmentoring.org.

2014-7
MIDDLE LEVEL STUDENT LEADERSHIP WEEK

WHEREAS, Student Council is a terrific opportunity for our leaders
of tomorrow; and,

WHEREAS, Student Council is a hands-on experience that teaches students the fundamentals of leading. The first ingredient of leadership is establishing a vision that others share and are willing to invest their personal resources for; and,

WHEREAS, once a vision is established, it is important to determine how to get there, and essential to that success is communication, teamwork, and perseverance. Finding common ground, building consensus, and inspiring cooperation to achieve a goal is what leadership is all about; and,

FABRY DISEASE AWARENESS MONTH

WHEREAS, Fabry disease is a rare, progressive, destructive, and life-threatening inherited genetic disorder that causes children and adults to suffer a cascade of life-altering symptoms such as pain, inability to perspire, intolerance to heat and exercise, unexplained fevers, chronic gastrointestinal upset, chronic fatigue, anxiety, depression, and excessive school and work absences. It progresses to include hearing loss, lung disease, heart disease, kidney disease, cerebrovascular disease, and other symptoms. It often causes premature death in adults due to heart attacks, strokes and kidney failure; and,

WHEREAS, Fabry disease is caused by deficient activity of the lysosomal enzyme alpha-galactosidase A that causes insufficient breakdown of lipids. Lipids build up to harmful levels in the body causing lysosomal and cellular dysfunction; and,

WHEREAS, there is an approved treatment for Fabry disease that must reach people who know they have Fabry disease as well as thousands of people who have not yet been recognized and diagnosed. Fabry disease is severely under-recognized and misdiagnosed. When diagnosed, it is often too late after irreversible organ damage occurs. Increased physician and family education are critical to increase disease recognition; and,

WHEREAS, the most common estimate of classic Fabry disease incidence is about 1 in 50,000 males. Because of its x-chromosome inheritance pattern, twice as many females are potentially affected but with a random, more varied distribution of disease symptoms than classic males. Further, recent newborn screening studies in other countries and pilot programs in the U.S. suggest there are many times more people with Fabry disease than current incidence rates of classic disease indicate; and,

THEREFORE, I, Pat Quinn, Governor of the State of Illinois, do hereby proclaim April, 2014, as FABRY DISEASE AWARENESS MONTH in Illinois and urge the citizens of this state to learn about Fabry disease and assess their family risk.

NATIONAL WW II MERRILL’S MARAUDER DAY

WHEREAS, in 1943, almost 3,000 men from the jungles of Panama and Trinidad, Guadalcanal, New Guinea, New Georgia, and the United States answered President Franklin D. Roosevelt’s call for a secret “dangerous and hazardous” mission, not knowing where they were going or what they would be doing; and,
WHEREAS, this unnamed provisional unit of U.S. Army volunteers, expected to have more than 85 percent casualties, landed October 31, 1943, in Bombay, India, and was officially designated January 1, 1944, as the 5307th Composite Unit Provisional, code-named "Galahad" and later nicknamed Merrill's Marauders by the press after their commander, Gen. Frank D. Merrill. They were the first American ground troops to fight the Japanese in Asia, and,
WHEREAS, with only what they could carry on their backs or pack...
on mules, Merrill’s Marauders walked farther, almost 1,000 miles, than any other WW II fighting force, trudging behind enemy lines up the foothills of the Himalayas and into the jungles of northern Burma to capture the only all-weather airstrip on May 17, 1944, at Myitkyina, crushing Japan’s control of the sky and enabling the Allies to begin flying supplies into Burma so the Ledo and Burma roads could be connected and a crucial pathway opened up into China; and,

WHEREAS, it has been 70 years since the short-lived Merrill’s Marauder unit of the mostly overlooked China-Burma-India Theater of Operations was disbanded on August 10, 1944, after defeating the Japanese 18th Imperial Division, which vastly outnumbered them, in five major battles and 30 minor engagements. Jungle diseases ravaged their numbers so only about 300 of the approximate 1,300 remaining Merrill’s Marauders were still fit for combat when they reached their objective, and later went on to join replacements who continued to fight in Burma as the 475th Infantry, which became part of the Mars Task Force; and,

WHEREAS, for their accomplishments in the China-Burma-India Theater of Operations, Merrill’s Marauders were awarded the Presidential Unit Citation, and have the extremely rare distinction of every member of the unit receiving the Bronze Star Medal. There were six Distinguished Service Crosses, four Legions of Merit and 44 Silver Star Medals awarded. Twenty-five Merrill’s Marauders have been inducted into the Army Ranger Hall of Fame. The Merrill’s Marauder legacy continues to be honored today by members of the 75th Ranger Regiment who wear the Marauder patch as their crest; and,

THEREFORE, I, Pat Quinn, Governor of the State of Illinois, do hereby proclaim August, 10, 2014, as NATIONAL WW II MERRILL’S MARAUDER DAY in Illinois, in order to honor and thank these aging WW II China-Burma-India veterans, who now number around 50, for their successes 70 years ago in the jungles of Burma and their contributions to our nation.

WHEREAS, Crime Stoppers of Lake County was formed in 1983 and is a community program comprised of concerned citizens who work closely with police authorities, the news media, and the public in the fight against crime in Lake County and surrounding communities; and,

WHEREAS, Crime Stoppers combats local crime by offering cash rewards to anyone who provides information that leads to the arrest of felony crime offenders or the capture of felony fugitives. Informants always remain anonymous, and cash rewards are funded primarily by private contributions; and,

WHEREAS, thanks to Crime Stoppers, there have been more than 6,500 criminal arrests throughout Lake County, Northern Illinois, and Wisconsin since the program’s inception in 1983. Altogether, more than $28 million worth of contraband and stolen property has been seized; and,

WHEREAS, the success of Crime Stoppers would not be possible without the support of everyone in the community. Consequently, Crime Stoppers also promotes the importance of reporting suspicious behavior and criminal activity; and,

WHEREAS, to support their mission, Crime Stoppers of Lake County will raise money and sponsor events designed to raise awareness during the month of January; and,

THEREFORE, I, Pat Quinn, Governor of the State of Illinois, do hereby proclaim January 2015 as CRIME STOPPERS OF LAKE COUNTY MONTH in Illinois, in recognition of their successful program, and encourage all citizens to help keep their communities safe and free of crime.

Issued by the Governor December 23, 2014.
Filed by the Secretary of State January 9, 2015.
