This Executive Order shall be in full force and effect upon its filing with the Secretary of State.

Issued by the Governor January 5, 2015.

Filed by the Secretary of State January 5, 2015.
WHEREAS, the State of Illinois is committed to fair and equitable treatment of all individuals in the enforcement of its criminal laws and the administration of its criminal justice system; and

WHEREAS, law enforcement agencies rely on the trust of the communities they serve so that all residents will feel safe in reporting crimes and aiding the prosecution of suspects; and

WHEREAS, community policing efforts are hindered when immigrant residents who are victims of or witnesses to crime, including domestic violence, are less likely to report crime or cooperate with law enforcement out of fear that any contact with law enforcement could result in deportation. Deterred from reporting to or cooperating with local law enforcement, victims or witnesses may never learn about or pursue opportunities for lawful status such as U and T nonimmigrant visas, which are intended in part to encourage people to report crimes; and

WHEREAS, unlike criminal detainers and warrants, which comply with fundamental protections under the Fourth Amendment to the U.S. Constitution and Article I, Section 6 of the Illinois Constitution, immigration detainers and administrative immigration warrants do not require a showing of probable cause or any of the other procedural protections that undergird the right to be free from unreasonable searches or seizures; and

WHEREAS, immigration detainers can result in persons being held and transferred into immigration detention without regard to whether their arrest is the result of a mistake, or merely a routine practice of questioning individuals involved in a dispute without pressing charges, and as a result, immigration detainers have erroneously been placed on United States citizens and on immigrants who are not deportable; and

WHEREAS, immigration detainers and administrative immigration warrants are voluntary requests that generally do not confer arrest authority on State and local law enforcement, and there is no independent State arrest authority for civil immigration matters under an immigration detainer or administrative immigration warrant; and

WHEREAS, the State of Illinois has historically been a national leader in supporting immigrant integration into life in the United States;

THEREFORE, I, Pat Quinn, Governor of Illinois, by virtue of the executive authority vested in me by Article V of the Constitution of the State of Illinois, do hereby order as follows:
1. No law enforcement agency under the jurisdiction of the State of Illinois, including but not limited to the Illinois State Police, Illinois Conservation Police, and the Secretary of State Police, may detain or continue to detain any individual solely on the basis of any immigration detainer or administrative immigration warrant, or otherwise comply with an immigration detainer or administrative immigration warrant, including communicating an individual’s release information or contact information, after that individual becomes eligible for release from custody.

2. No law enforcement official under the jurisdiction of the State of Illinois, including but not limited to the Illinois State Police, Illinois Conservation Police, and the Secretary of State Police, shall stop, arrest, search, detain, or continue to detain a person solely based on an individual’s citizenship or immigration status or on an administrative immigration warrant entered into the Federal Bureau of Investigation's National Crime Information Center database, or any successor or similar database maintained by the United States.

3. The Illinois Law Enforcement Training Standards Board, established by the Illinois Police Training Act, 50 ILCS 705/1 et seq., shall adopt rules for minimum standards for a course of study on cultural sensitivity training, including training on U and T nonimmigrant visas among other remedies for immigrant survivors of criminal activity. Subject to available funding, each State of Illinois law enforcement agency’s continuing education program shall provide to each law enforcement official continuing education concerning the U and T nonimmigrant visas and continuing education concerning cultural diversity awareness.

4. Neither the Illinois Department of Corrections nor any other State of Illinois law enforcement agency may consider an immigration detainer or administrative immigration warrant in determining an individual’s eligibility or placement in any educational, rehabilitative, or diversionary program described in Chapter 730 of the Illinois Compiled Statutes or any other educational, rehabilitative, or diversionary program administered by a law enforcement agency.

5. Nothing in this order shall be construed as restricting the authority of any State of Illinois law enforcement official or law enforcement agency to conduct any of the activities listed in this order if an immigration agent presents a valid and properly issued criminal warrant or if the law enforcement official has a legitimate
law enforcement purpose that is not related to the enforcement of immigration laws.

I. SEVERABILITY
   If any provision of this Executive Order is found invalid by a court of competent jurisdiction, the remaining provisions shall remain in full force and effect.

II. EFFECTIVE DATE
   This Executive Order shall be in full force and effect upon its filing with the Secretary of State.
   Issued by the Governor January 5, 2015.

PREGNANCY DISCRIMINATION IN STATE EMPLOYMENT

WHEREAS, the State of Illinois recently enacted legislation (Public Act 098-1050), effective January 1, 2015, to prohibit discrimination by employers against employees who become pregnant; and

WHEREAS, without adequate policies in place, there is the possibility that pregnant women who are temporarily limited in their abilities to perform their work functions because of pregnancy, childbirth, or conditions related to pregnancy or childbirth may be subject to adverse action in the workplace such as being forced to take unpaid leave or even terminated from employment; and

WHEREAS, it is imperative that all State agencies in the executive branch that fully comply with the provisions of the new State law prohibiting discrimination against pregnant women and adhere to the same standards that State law applies to other employers; and

on discrimination against pregnant employees that is set forth in Public Act 098-1050 is fully reflected in the agency’s personnel policies.

b. If the prohibition on pregnancy discrimination set forth in Public Act 098-1050 is absent or only partially reflected in the agency’s personnel policies, the Director or Secretary of the Agency shall direct appropriate agency staff to revise the agency’s personnel policies such that the agency’s personnel policies fully reflect the provisions of Public Act 098-1050. This revision must be completed within 60 days of the effective date of this executive order.

II. EFFECTIVE DATE

This Executive Order shall take effect immediately upon its filing with the Secretary of State and shall remain in effect until terminated or modified.

WHEREAS, the State is required to pay $1.4 billion per year to service debt on bonds previously issued to fund the State’s pension obligations; and

WHEREAS, on top of the payments for pension-related debt, the State is expected to contribute $6.6 billion from the General Revenue Fund to the pension systems in the next fiscal year – which includes $4.6 billion in payments resulting from the State’s previous failure to adequately funds its pension obligations; and

WHEREAS, the State’s credit rating is currently the lowest among all 50 U.S. states; and

WHEREAS, the State’s debts diminish the State’s ability to attract and retain businesses and residents and are a burden upon the State’s ability to serve the critical needs of its people; and

WHEREAS, in order to honestly align spending and revenues, to satisfy the requirements of Section 2 of Article VIII of the Illinois Constitution, and to ensure that our public resources are available for our most critical needs, the Executive Branch must undertake meaningful steps to examine and reduce spending;

entered into by the State Agency on or after November 1, 2014 and
through the date of the report and (b) every decision or action taken
by the State Agency to employ or to terminate the employment of
any employee of the State Agency on or after November 1, 2014
and through the date of the report.

shall let, award, or enter into any contract or grant, or any
amendment or change order to or renewal of any existing contract
or grant, that obligates the expenditure of State Funds except as
follows:
(a) Contracts Required by Law. A State Agency may
enter into a contract or grant that is required to comply with
applicable law, provided that the State Agency first
complies with any applicable guidelines issued by GOMB
for verifying that the contract or grant is required by law.
(b) Contracts for Emergency Expenditures. A State
Agency may enter into a contract that is required in order to
incur an emergency expenditure that, if not incurred, would
jeopardize one or more fundamental operations of the State
Agency and for which there is not adequate time to permit
review and approval by GOMB before entering into the
contract for, provided that (i) the contract does not obligate
the expenditure of State Funds except as required for the
emergency expenditure, and (ii) the State Agency complies
with any applicable guidelines issued by GOMB for
subsequent review of the contract and expenditure,
including of the exigent circumstances that existed.
(c) Contracts for Small Purchases. A State Agency may
enter into a contract that obligates the State to pay less than

the State Agency complies with any applicable guidelines
issued by GOMB for subsequent review of the contract and
expenditure.
(d) Contracts and Grants for Essential Operations. If the
State Agency determines that the contract or grant is needed
for its essential operations, but the contract does not
otherwise meet the criteria immediately above, the State
Agency must first submit the proposed contract or grant to
GOMB for review and approval in accordance with any
applicable guidelines issued by GOMB, before the State Agency enters into the contract or grant.

3. **Review of the Major Interstate Construction Projects.** The planning and development of any major construction that has an impact on interstate travel and for which construction has not commenced, as identified by the State Agency or GOMB, shall be suspended in order to allow careful review of the project and its potential costs and benefits.

4. **Review and Termination of Non-Essential Contracts.** Every State Agency shall review all contracts that require the expenditure of State Funds that are not essential for the State Agency’s operations. As soon as reasonably practicable, every State Agency shall provide a report to GOMB of all such non-essential contracts, together with information about when and under what circumstances such non-essential contracts may be terminated without material penalty to the State of Illinois.

**III. SPENDING**

1. **Managing Existing Resources.** To the extent feasible and without compromising its essential operations, each State Agency shall take all necessary actions to manage its State Funds and other resources to avoid the need for supplemental funding in excess of the State Funds heretofore made available by appropriations or other sources. Each State Agency shall provide a report to GOMB as soon as practicable of such actions taken, or to be taken, by the State Agency.

2. **Supplemental Funding (Balanced Budget Note Act).** No State Agency shall encumber, obligate, or expend State Funds that have been appropriated pursuant to a “supplemental appropriation bill,” as such term is defined in Section 5 of the Balanced Budget Note Act (25 ILCS 80/5), unless (1) such supplemental appropriation bill was accompanied by a Balanced Budget Note as required by the Balanced Budget Note Act or (2) otherwise approved by GOMB.

4. **Out-of-State Travel.** No State Agency shall expend State Funds for travel by its personnel, contractors, or other persons outside of the State of Illinois except after review and approval by GOMB.
5. In-State Travel. Every State Agency shall make every effort to limit the number of its personnel who travel within the State of Illinois and seek reimbursement for the costs of such travel. Such efforts shall include:

   (a) Pre-Approval for Reimbursements. Every employee must receive express pre-approval from the head of the agency in which the employee is employed, or the designee of such agency head, for any travel costs to be reimbursed by the State.

   (b) Review of Travel Vouchers. Every State Agency must conduct a review of all travel vouchers that have been submitted and paid in order to identify and eliminate excessive, improper, un-approved, or unnecessary reimbursements.

   (c) Eliminating Unnecessary Travel. To the extent feasible, every State Agency shall reduce reimbursements for travel costs by requiring employees to use State-owned vehicles (where such usage results in a net savings to the State), to carpool, or to take public transportation whenever possible; and by using teleconferencing and videoconferencing in place of travel whenever possible.

IV. STATE PROPERTY

1. Surplus Personal Property. At the direction of GOMB, CMS shall identify surplus personal property owned by the State of Illinois and conduct an auction of such property, in compliance with all applicable laws and regulations. 2015-13
EXECUTIVE ORDER RESPECTING STATE EMPLOYEES’ FREEDOM OF SPEECH

WHEREAS, the First Amendment to the United States Constitution protects the freedom of speech and association; and

WHEREAS, on numerous occasions, most recently in *Harris v. Quinn*, 134 S. Ct. 2618 (2014), in enforcing the First Amendment’s rights, the United States Supreme Court recognized a “bedrock principle” that “no person in this country may be compelled to subsidize speech by a third party that he or she does not wish to support,” because “compelled funding of the speech of other private speakers or groups presents the same dangers as compelled speech”; and

WHEREAS, together with the people of this State and throughout the nation, every state employee enjoys the freedoms of speech and association enshrined in the Constitutions of the United States and the State of Illinois; and

WHEREAS, the Governor of the State of Illinois has a duty under Article V, Section 8 and Article XIII, Section 3 of the Illinois Constitution, and upon taking office swears an oath, to “support the Constitution of the United States, and the Constitution of the State of Illinois,” including those provisions that protect speech and association; and

WHEREAS, under Article VI, Clause 2 of the United States Constitution (the “Supremacy Clause”), the Constitution “shall be the supreme law of the land,” preempting “anything in the Constitution or laws of any State to the contrary”; and
WHEREAS, consistent with the Supremacy Clause, the Governor of the State of Illinois must exercise his executive powers under Article V, Section 8 of the Illinois Constitution by resolving all conflicts between the United States Constitution and state law in favor of the Constitution; and

WHEREAS, employees of the State of Illinois must not be forced, against their will, to participate in or fund public sector labor union activities to which they object; and

WHEREAS, collective bargaining agreements, to which the State of Illinois is a party, currently compel some state employees to subsidize the political speech of public sector labor unions of which they have chosen to not be members; and

WHEREAS, under the Illinois Public Labor Relations Act ("Illinois Labor Act"), 5 ILCS 315/6, a public sector labor union unilaterally determines the so-called “fair share” fees to be paid by those who choose not to be members of the union; and

WHEREAS, by requiring non-union members to pay ”fair share” fees to unions by imposing automatic paycheck deductions without any regard to whether an employee objects to the views and actions of public labor unions’ representatives, the collective bargaining agreements force some employees to subsidize and enable union activities that they do not support; and

WHEREAS, the State engages in this practice through actions of Executive Branch agencies, under the direction of the Governor, pursuant to collective bargaining agreements negotiated under the Illinois Labor Act; and

WHEREAS, one of those executive agencies, the Illinois Department of Central Management Services ("CMS"), has entered into collective bargaining agreements that contain provisions requiring CMS, pursuant to the Illinois Labor Act, to deduct “fair share” fees from state employees’ paychecks and deliver those deductions to the contracting unions ("Fair Share Contract Provisions"); and

WHEREAS, the United States Supreme Court first addressed such “fair share” arrangements for state government employees in the case of Abood v. Detroit Board of Education, 431 U.S. 209 (1977); and

WHEREAS, since its decision in Abood, the Supreme Court has repeatedly acknowledged that compelling state employees to financially support public sector unions seriously impinges upon free speech and association interests protected by the United States Constitution; and

WHEREAS, in Harris v. Quinn, the Supreme Court held that “fair share” provisions, which required nonmember Medicaid-funded home-
care personal assistants to pay “fair share” fees to the union, violated the First Amendment; and

WHEREAS, the Supreme Court in *Harris* ruled that such “fair share” provisions served no compelling state interest; and

WHEREAS, in *Harris*, a majority of the Supreme Court also questioned the legal and factual bases of *Abood*’s ruling that public sector employees may be compelled to pay “fair share” fees, calling the analysis in *Abood* “questionable on several grounds” and labeling the decision “an anomaly”; and

WHEREAS, the aforementioned criticisms of *Abood* and the present facts and circumstances of Illinois public sector collective bargaining leave no doubt that the Fair Share Contract Provisions, as permitted by the Illinois Labor Act, violate Illinois state employees’ freedoms of speech and association; and

WHEREAS, for instance, Illinois state employee unions are using compelled “fair share” fees to fund inherently political activities to influence the outcome of core public sector issues, such as wages, pensions, and benefits, that are all currently mandatory subjects of collective bargaining under the Illinois Labor Act; and

WHEREAS, the negotiation of these core public sector issues has a direct impact on the level of public services, priorities within the state budget, creation of bond indebtedness, and tax rates, among other things, thereby influencing the debate over these political issues of paramount importance; and

WHEREAS, at least in part because of the cost of wage, benefits, and pension packages obtained by state employee unions in previous administrations with the use of compelled “fair share” fees, the State of Illinois currently has a staggering structural budget deficit and unfunded pension liability of $111 billion, the largest such deficit as a percentage of state revenue in the country; and

WHEREAS, these dire financial conditions are likely to usher in a bleak future of emergency measures that could include reduced or eliminated state services, increased taxes, insolvent public entities, and empty pension accounts; and

WHEREAS, the significant impact that Illinois public sector labor costs have imposed and will continue to impose on the State’s financial condition demonstrates the degree to which Illinois state employee collective bargaining is an inherently political activity; and

WHEREAS, in light of the foregoing facts and circumstances and insofar as constitutionally-protected freedoms of speech and association are concerned, there is no reasonable basis for distinguishing Illinois
public sector collective bargaining activities from Illinois public sector union political activities; and

WHEREAS, in order to preserve employees’ fundamental rights of speech and association, and to avoid violations of the First Amendment of the United States Constitution and Article I, Sections 4 and 5 of the Illinois Constitution; and

WHEREAS, the Supremacy Clause prohibits the Governor of the State of Illinois from enforcing state law and contractual agreements that violate the First Amendment of the United States Constitution;

THEREFORE, I, Bruce Rauner, Governor of Illinois, pursuant to the executive authority vested in me by Section 8 of Article V of the Constitution of the State of Illinois, and faithfully supporting the freedoms protected by the United States and Illinois Constitutions, hereby order as follows:

I. DEFINITIONS

As used in this Executive Order:

“CMS” means the Illinois Department of Central Management Services.

“State Employee” means any State Agency employee covered by a collective bargaining agreement.

II. PROHIBITION AGAINST STATE AGENCIES EXACTING FAIR SHARE FEES FROM STATE EMPLOYEES

1. CMS is hereby directed to immediately cease enforcement of the Fair Share Contract Provisions.

2. All other State Agencies are hereby prohibited from enforcing such Fair Share Contract Provisions.

3. CMS and all other State Agencies are directed to place all “fair share” deductions in an escrow account for as long as any contracting union’s collective bargaining agreement requires such deductions and to maintain an accounting of the amount deducted from each State Employee’s wages for each contracting union, so
that each such State Employee will receive the amount deducted from his or her wages upon the determination by any court of competent jurisdiction that the Fair Share Contract Provisions are unconstitutional.

III. PRIOR EXECUTIVE ORDERS
This Executive Order supersedes any contrary provision of any prior Executive Order.

IV. SAVINGS CLAUSE
Nothing in this Executive Order shall be construed to contravene any state or federal law. Nothing in this Executive Order shall affect or alter the existing statutory powers of any State Agency or be construed as a reassignment or reorganization of any State Agency. This Savings Clause shall not apply to parts of the Illinois Labor Act that enable the Fair Share Contract Provisions, or to collective bargaining agreements containing such provisions, as the Illinois Labor Act and the collective bargaining agreements are invalid under the United States and Illinois Constitutions.

V. SEVERABILITY

2015-14
EXECUTIVE ORDER ESTABLISHING THE ILLINOIS STATE COMMISSION ON CRIMINAL JUSTICE AND SENTENCING REFORM

WHEREAS, imprisonment is the State’s most expensive form of criminal punishment, with taxpayers spending $1.3 billion on the Department of Corrections and $131 million on the Department of Juvenile Justice each year; and
WHEREAS, 97% of all inmates are eventually released from the custody of the Department of Corrections into the state’s most vulnerable and impoverished communities; and
WHEREAS, recidivism is dangerously high, with 48% of the adult inmates and 53.5% of juveniles released from incarceration only to return within three years, perpetuating a vicious and costly cycle; and
WHEREAS, the Illinois Sentencing Policy Advisory Council and the Illinois Criminal Justice Information Authority have demonstrated that Illinois’ prison population has increased by 700% while Illinois crime rates have fallen by 20% over the last 40 years; and
WHEREAS, the Bureau of Justice Statistics recognizes that Illinois has one of the most crowded prison systems in the country, operating at more than 150% of its design capacity; and
WHEREAS, the John Howard Association and other outside entities have demonstrated that the Department of Corrections is experiencing severe overcrowding, which threatens the safety of inmates and staff and undermines the Department’s rehabilitative efforts; and
WHEREAS, the twin goals of sentencing in the State of Illinois, as stated in Article I, Section 11 of Illinois Constitution, are to prescribe penalties commensurate with the seriousness of the offense and to restore offenders to useful citizenship; and
WHEREAS, states across the country have enacted bipartisan, data-driven, and evidence-based reforms that have reduced the use of incarceration and its costs while protecting and improving public safety; and
WHEREAS, the Governor recognizes the necessity of data collection and analysis by state agencies in producing public safety outcomes that will reduce crime, reduce recidivism, and protect the citizens of Illinois; and
WHEREAS, it is in the interest of public safety and public good for the State to examine the current criminal justice and sentencing policies, practices, and resource allocation in Illinois to develop comprehensive, evidence-based strategies to more effectively improve public safety outcomes and reduce Illinois’ prison population by 25% by 2025;

THEREFORE, I, Bruce Rauner, Governor of Illinois, by virtue of the executive authority vested in me by Section 8 of Article V of the Constitution of the State of Illinois, do hereby order as follows:

I. CREATION
There is hereby established the Illinois State Commission on Criminal Justice and Sentencing Reform (the “Commission”).
II. PURPOSE
The Commission shall conduct a comprehensive review of the State’s current criminal justice and sentencing structure, sentencing practices, community supervision, and the use of alternatives to incarceration, including, but not limited to, a review and evaluation of:

1. The existing statutory provisions by which an offender is sentenced to or can be released from incarceration;
2. The existing statutory provisions as to their uniformity, certainty, consistency, and adequacy;
3. The lengths of incarceration and community supervision that result from the current sentencing structure, and the incentives or barriers to the appropriate utilization of alternatives to incarceration;
4. The extent to which education, job training, and re-entry preparation programs can both facilitate the readiness of inmates to transition into the community and reduce recidivism;
5. The impact of existing sentences upon the State’s criminal justice system, including state prison capacity, local jail capacity, community supervision resources, judicial operations, and law enforcement responsibilities;
6. The relation that a sentence or other criminal sanction has to public safety and the likelihood of recidivism; and
7. The anticipated future trends in sentencing.

III. DUTIES
The Commission shall make recommendations for amendments to state law that will reduce the State’s current prison population by 25% by 2025 through maximizing uniformity, certainty, consistency, and adequacy of the State’s criminal sentencing structure. The Commission’s recommendations will ensure that (a) the punishment is aligned with the seriousness of the offense, (b) public safety is protected through the deterrent effect of the sentences authorized and the rehabilitation of those that are convicted, and (c) appropriate consideration is accorded to the victims, their families, and the community. Reports of the Commission shall include, but not be limited to, an evaluation of the impact that existing sentences have had on the length of incarceration, the impact of early release, the impact of existing sentences on the length of community supervision, recommended options for the use of alternatives to incarceration, and an analysis of the fiscal impact of the Commission’s recommendations.
Each department, agency, board, or authority of the State or any unit of local government shall provide records and other information to the Commission as requested by the Commission to carry out its duties, provided that the Commission and the provider of such information shall make appropriate arrangements to ensure that the provision of information to the Commission does not violate any applicable laws. If the Commission receives a request to inspect any such information pursuant to the Illinois Freedom of Information Act, the Commission shall consult with the provider of the information in determining whether an exemption to public inspection applies and should be asserted.

IV. COMPOSITION

1. The Commission shall consist of members appointed by the Governor after soliciting recommendations from the General Assembly, the Judiciary, victim rights advocates, and other stakeholders. The Governor shall select a chair of the Commission from among the members. A majority of the members of the Commission shall constitute a quorum, and all recommendations of the Commission shall require approval of a majority of the total members of the Commission.

2. The Illinois Criminal Justice Information Authority shall provide administrative support to the Commission as needed, including providing an ethics officer, an Open Meetings Act officer, and a Freedom of Information Act officer.

V. REPORT AND SUNSET

The Commission shall issue an initial report of its findings and recommendations to the Governor by July 1, 2015, and a final report to the Governor and the General Assembly by December 31, 2015. Upon submission of its final report, the Commission shall be dissolved.

VI. TRANSPARENCY

In addition to whatever policies or procedures it may adopt, all operations of the Commission shall be subject to the provisions of the Illinois Freedom of Information Act (5 ILCS 140/1 et seq.) and the Illinois Open Meetings Act (5 ILCS 120/1 et seq.). This section shall not be construed so as to preclude other statutes from applying to the Commission and its activities.

VII. SEVERABILITY CLAUSE

If any part of this Executive Order is found invalid by a court of competent jurisdiction, the remaining provisions shall remain in full force and effect.

2015-16
EXECUTIVE ORDER RESCINDING EXECUTIVE ORDER NUMBER 2003-01

WHEREAS, Executive Order No. 2003-01, issued by Governor Rod Blagojevich, purported to freeze hiring and promotion of State employees under the jurisdiction of the Governor “without the express written permission of [his] office after submission of appropriate requests to [his] office”; and
WHEREAS, the Governor’s Office of Management and Budget (“GOMB”) subsequently initiated the Electronic Personnel Action Request (“EPAR”) system, whereby State agencies were required to submit and receive EPAR approvals to hire an employee or officer, fill any vacancy, create any new position of employment, promote or transfer any employee or officer to any position, modify compensation, or enter into a personal services contract; and

WHEREAS, a review of the EPAR system by the Office of the Governor, GOMB, and the Department of Central Management Services (“CMS”) has concluded that the EPAR system is unduly cumbersome, is redundant to the personnel authority granted to State agencies through the approval of agency budgets and headcounts, and adds months to the hiring and promotion process; and

WHEREAS, independent investigations, including by the Special Master appointed to review alleged hiring abuses at the Department of Transportation, have found that requiring approval of particular personnel decisions for Rutan-covered positions contributed to the unlawful and unethical patronage practices in prior administrations;

THEREFORE, I, Bruce Rauner, Governor of Illinois, by virtue of the executive authority vested in me by Section 8 of Article V of the Constitution of the State of Illinois, do hereby order as follows:

1. Executive Order Number 2003-01 is revoked and rescinded. GOMB is authorized to replace, modify, or terminate the EPAR system. The Director of CMS and the Director of GOMB shall continue to provide guidance to State agencies under the jurisdiction of the Governor to ensure compliance with State agency headcount and budget authority and with all laws and regulations applicable to personnel hiring and promotion.

2. No agency, authority, board, commission, department, officer, or other instrumentality of the Executive Branch of State government shall enter into an employment contract or personal services contract with any person that does not permit the State contracting party to terminate the contract without cause and without penalty, except with prior approval by CMS. This Section 2 does not apply to the office of the Attorney General, Comptroller, Secretary of State, or Treasurer, to any agency under the jurisdiction of any such office, or to a State university.

3. This Executive Order supersedes any contrary provision of any prior Executive Order, including without limitation the third paragraph of Section I under “Enforcement” of Executive Order No. 2010-10 and Section VI of Executive Order 2015-09.
4. This Executive Order does not contravene and shall not be construed to contravene any State or federal law or any collective bargaining agreement.
5. This Executive Order shall take effect immediately upon filing with the Secretary of State.
Issued by the Governor July 16, 2015.
Filed by the Secretary of State July 16, 2015.
