(2) Start-up incentive. The State Board of Education may make grants to school boards and welfare centers that agree to start a school breakfast program in one or more schools or other sites. First priority for these grants shall be given through August 15 to schools in which 40% or more of their students are eligible for free and reduced price meals, based on the school district's previous year's October claim, under the National School Lunch Act (42 U.S.C. 1751 et seq.). Depending on the availability of funds and the rate at which funds are being utilized, the State Board of Education is authorized to allow additional schools or other sites to receive these grants in the order in which they are received by the State Board of Education. The amount of the grant shall be $3,500 for each qualifying school or site in which a school breakfast program is started. The grants shall be used to pay the start-up costs for the school breakfast program, including equipment, supplies, and program promotion, but shall not be used for food, labor, or other recurring operational costs. Applications for the grants shall be made to the State Board of Education on forms designated by the State Board of Education. Any grantee that fails to operate a school breakfast program for at least 3 years after receipt of a grant shall refund the amount of the grant to the State Board of Education.

(3) Non-traditional breakfast incentive. Understanding that there are barriers to implementing a school breakfast program in a traditional setting such as in a cafeteria, the State Board of Education may make grants to school boards and welfare centers to offer the school breakfast program in non-traditional settings or using non-traditional methods. Priority will be given to applications through August 15 of each year from schools that are identified as priority schools under Section 2-3.25d-5 of the School
Code on the Early Academic Warning List. Depending on the availability of funds and the rate at which funds are being utilized, the State Board of Education is authorized to allow additional schools or other sites to receive these grants in the order in which they are received by the State Board of Education.

PUBLIC ACT 99-0194
(House Bill No. 2781)

AN ACT concerning education.
Be it enacted by the People of the State of Illinois, represented in the General Assembly:

Section 5. The School Code is amended by changing Sections 10-19, 10-29, 18-8.05, and 18-12 and by adding Section 10-20.56 as follows:

(105 ILCS 5/10-19) (from Ch. 122, par. 10-19)
Sec. 10-19. Length of school term - experimental programs. Each school board shall annually prepare a calendar for the school term, specifying the opening and closing dates and providing a minimum term of at least 185 days to insure 176 days of actual pupil attendance, computable under Section 18-8.05, except that for the 1980-1981 school year only 175 days of actual pupil attendance shall be required because of the closing of schools pursuant to Section 24-2 on January 29, 1981 upon the appointment by the President of that day as a day of thanksgiving for the freedom of the Americans who had been held hostage in Iran. Any days allowed by law for teachers' institutes but not used as such or used as parental institutes as provided in Section 10-22.18d shall increase the minimum term by the school days not so used. Except as provided in Section 10-19.1, the board may not extend the school term beyond such closing date unless that extension of term is necessary to provide the minimum number of computable days. In case of such necessary extension school employees shall be paid for such additional time on the basis of

their regular contracts. A school board may specify a closing date earlier than that set on the annual calendar when the schools of the district have provided the minimum number of computable days under this Section. Nothing in this Section prevents the board from employing superintendents of schools, principals and other nonteaching personnel for a period of 12 months, or in the case of superintendents for a period in accordance with Section 10-23.8, or prevents the board from employing other personnel before or after the regular school term with payment of salary proportionate to that received for comparable work during the school term.

A school board may make such changes in its calendar for the school term as may be required by any changes in the legal school holidays prescribed in Section 24-2. A school board may make changes in its calendar for the school term as may be necessary to reflect the utilization of teachers' institute days as parental institute days as provided in Section 10-22.18d.

The calendar for the school term and any changes must be submitted to and approved by the regional superintendent of schools before the calendar or changes may take effect.

With the prior approval of the State Board of Education and subject to review by the State Board of Education every 3 years, any school board may, by resolution of its board and in agreement with affected exclusive collective bargaining agents, establish experimental educational programs, including but not limited to programs for e-learning days as authorized under Section 10-20.56 of this Code, self-directed learning, or outside of formal class periods, which programs when so approved shall be considered to comply with the requirements of this Section as respects numbers of days of actual pupil attendance and with the other requirements of this Act as respects courses of instruction.

Sec. 10-20.56. E-learning days.

(a) The State Board of Education shall establish and maintain, for implementation in selected school districts during the 2015-2016, 2016-2017, and 2017-2018 school years, a pilot program for use of electronic-learning (e-learning) days, as described in this Section. The State Superintendent of Education shall select up to 3 school districts for this program, at least one of which may be an elementary or unit school district. The use of e-learning days may not begin until the second
semester of the 2015-2016 school year, and the pilot program shall conclude with the end of the 2017-2018 school year. On or before June 1, 2019, the State Board shall report its recommendation for expansion, revision, or discontinuation of the program to the Governor and General Assembly.

(b) The school board of a school district selected by the State Superintendent of Education under subsection (a) of this Section may, by resolution, adopt a research-based program or research-based programs for e-learning days district-wide that shall permit student instruction to be received electronically while students are not physically present in lieu of the district's scheduled emergency days as required by Section 10-19 of this Code. The research-based program or programs may not exceed the minimum number of emergency days in the approved school calendar and must be submitted to the State Superintendent for approval on or before September 1st annually to ensure access for all students. The State Superintendent shall approve programs that ensure that the specific needs of all students are met, including special education students and English learners, and that all mandates are still met using the proposed research-based program. The e-learning program may utilize the Internet, telephones, texts, chat rooms, or other similar means of electronic communication for instruction and interaction between teachers and students that meet the needs of all learners.

(c) Before its adoption by a school board, a school district's initial proposal for an e-learning program or for renewal of such a program must be approved by the State Board of Education and shall follow a public hearing, at a regular or special meeting of the school board, in which the terms of the proposal must be substantially presented and an opportunity for allowing public comments must be provided. Notice of such public hearing must be provided at least 10 days prior to the hearing by:

(1) publication in a newspaper of general circulation in the school district;
(2) written or electronic notice designed to reach the parents or guardians of all students enrolled in the school district; and
(3) written or electronic notice designed to reach any exclusive collective bargaining representatives of school district employees and all those employees not in a collective bargaining unit.

(d) A proposal for an e-learning program must be timely approved by the State Board of Education if the requirements specified in this Section have been met and if, in the view of the State Board of Education, the proposal contains provisions designed to reasonably and practicably accomplish the following:

(1) to ensure and verify at least 5 clock hours of instruction or school work for each student participating in an e-learning day;

(2) to ensure access from home or other appropriate remote facility for all students participating, including computers, the Internet, and other forms of electronic communication that must be utilized in the proposed program;

(3) to ensure appropriate learning opportunities for students with special needs;

(4) to monitor and verify each student's electronic participation;

(5) to address the extent to which student participation is within the student's control as to the time, pace, and means of learning;

(6) to provide effective notice to students and their parents or guardians of the use of particular days for e-learning;

(7) to provide staff and students with adequate training for e-learning days' participation;

(8) to ensure an opportunity for any collective bargaining negotiations with representatives of the school district's employees that would be legally required; and

(9) to review and revise the program as implemented to address difficulties confronted.

The State Board of Education's approval of a school district's initial e-learning program and renewal of the e-learning program shall be for a term of 3 years.

(e) The State Board of Education may adopt rules governing its supervision and review of e-learning programs consistent with the provision of this Section. However, in the absence of such rules, school districts may submit proposals for State Board of Education consideration under the authority of this Section.

Sec. 18-8.05. Basis for apportionment of general State financial aid and supplemental general State aid to the common schools for the 1998-1999 and subsequent school years.

(A) General Provisions.

(1) The provisions of this Section apply to the 1998-1999 and subsequent school years. The system of general State financial aid provided for in this Section is designed to assure that, through a combination of State financial aid and required local resources, the financial support provided each pupil in Average Daily Attendance equals or exceeds a prescribed per pupil Foundation Level. This formula approach imputes a level of per pupil Available Local Resources and provides for the basis to calculate a per pupil level of general State financial aid that, when added to Available Local Resources, equals or exceeds the Foundation Level. The amount of per pupil general State financial aid for school districts, in general, varies in inverse relation to Available Local Resources. Per pupil amounts are based upon each school district's Average Daily Attendance as that term is defined in this Section.

(2) In addition to general State financial aid, school districts with specified levels or concentrations of pupils from low income households are eligible to receive supplemental general State financial aid grants as provided pursuant to subsection (H). The supplemental State aid grants provided for school districts under subsection (H) shall be appropriated for distribution to school districts as part of the same line item in which the general State financial aid of school districts is appropriated under this Section.

(3) To receive financial assistance under this Section, school districts are required to file claims with the State Board of Education, subject to the following requirements:

(a) Any school district which fails for any given school year to maintain school as required by law, or to maintain a recognized school is not eligible to file for such school year any claim upon the Common School Fund. In case of nonrecognition of one or more attendance centers in a school district otherwise operating recognized schools, the claim of the district shall be reduced in the proportion which the Average Daily Attendance in the attendance center or centers bear to the Average Daily Attendance in the school district. A "recognized school" means any public school which meets the standards as established for recognition by the State Board of Education. A school district or attendance center not

New matter indicated by italics - deletions by strikeout
having recognition status at the end of a school term is entitled to receive State aid payments due upon a legal claim which was filed while it was recognized.

(b) School district claims filed under this Section are subject to Sections 18-9 and 18-12, except as otherwise provided in this Section.

(c) If a school district operates a full year school under Section 10-19.1, the general State aid to the school district shall be determined by the State Board of Education in accordance with this Section as near as may be applicable.

(d) (Blank).

(4) Except as provided in subsections (H) and (L), the board of any district receiving any of the grants provided for in this Section may apply those funds to any fund so received for which that board is authorized to make expenditures by law.

School districts are not required to exert a minimum Operating Tax Rate in order to qualify for assistance under this Section.

(5) As used in this Section the following terms, when capitalized, shall have the meaning ascribed herein:

(a) "Average Daily Attendance": A count of pupil attendance in school, averaged as provided for in subsection (C) and utilized in deriving per pupil financial support levels.

(b) "Available Local Resources": A computation of local financial support, calculated on the basis of Average Daily Attendance and derived as provided pursuant to subsection (D).

(c) "Corporate Personal Property Replacement Taxes": Funds paid to local school districts pursuant to "An Act in relation to the abolition of ad valorem personal property tax and the replacement of revenues lost thereby, and amending and repealing certain Acts and parts of Acts in connection therewith", certified August 14, 1979, as amended (Public Act 81-1st S.S.-1).

(d) "Foundation Level": A prescribed level of per pupil financial support as provided for in subsection (B).

(e) "Operating Tax Rate": All school district property taxes extended for all purposes, except Bond and Interest, Summer School, Rent, Capital Improvement, and Vocational Education Building purposes.

(B) Foundation Level.
(1) The Foundation Level is a figure established by the State representing the minimum level of per pupil financial support that should be available to provide for the basic education of each pupil in Average Daily Attendance. As set forth in this Section, each school district is assumed to exert a sufficient local taxing effort such that, in combination with the aggregate of general State financial aid provided the district, an aggregate of State and local resources are available to meet the basic education needs of pupils in the district.

(2) For the 1998-1999 school year, the Foundation Level of support is $4,225. For the 1999-2000 school year, the Foundation Level of support is $4,325. For the 2000-2001 school year, the Foundation Level of support is $4,425. For the 2001-2002 school year and 2002-2003 school year, the Foundation Level of support is $4,560. For the 2003-2004 school year, the Foundation Level of support is $4,810. For the 2004-2005 school year, the Foundation Level of support is $4,964. For the 2005-2006 school year, the Foundation Level of support is $5,164. For the 2006-2007 school year, the Foundation Level of support is $5,334. For the 2007-2008 school year, the Foundation Level of support is $5,734. For the 2008-2009 school year, the Foundation Level of support is $5,959.

(3) For the 2009-2010 school year and each school year thereafter, the Foundation Level of support is $6,119 or such greater amount as may be established by law by the General Assembly.

(C) Average Daily Attendance.

(1) For purposes of calculating general State aid pursuant to subsection (E), an Average Daily Attendance figure shall be utilized. The Average Daily Attendance figure for formula calculation purposes shall be the monthly average of the actual number of pupils in attendance of each school district, as further averaged for the best 3 months of pupil attendance for each school district. In compiling the figures for the number of pupils in attendance, school districts and the State Board of Education shall, for purposes of general State aid funding, conform attendance figures to the requirements of subsection (F).

(2) The Average Daily Attendance figures utilized in subsection (E) shall be the requisite attendance data for the school year immediately preceding the school year for which general State aid is being calculated or the average of the attendance data for the 3 preceding school years, whichever is greater. The Average Daily Attendance figures utilized in subsection (H) shall be the requisite attendance data for the school year.
immediately preceding the school year for which general State aid is being calculated.

(D) Available Local Resources.

(1) For purposes of calculating general State aid pursuant to subsection (E), a representation of Available Local Resources per pupil, as that term is defined and determined in this subsection, shall be utilized. Available Local Resources per pupil shall include a calculated dollar amount representing local school district revenues from local property taxes and from Corporate Personal Property Replacement Taxes, expressed on the basis of pupils in Average Daily Attendance. Calculation of Available Local Resources shall exclude any tax amnesty funds received as a result of Public Act 93-26.

(2) In determining a school district's revenue from local property taxes, the State Board of Education shall utilize the equalized assessed valuation of all taxable property of each school district as of September 30 of the previous year. The equalized assessed valuation utilized shall be obtained and determined as provided in subsection (G).

(3) For school districts maintaining grades kindergarten through 12, local property tax revenues per pupil shall be calculated as the product of the applicable equalized assessed valuation for the district multiplied by 3.00%, and divided by the district's Average Daily Attendance figure. For school districts maintaining grades kindergarten through 8, local property tax revenues per pupil shall be calculated as the product of the applicable equalized assessed valuation for the district multiplied by 2.30%, and divided by the district's Average Daily Attendance figure. For school districts maintaining grades 9 through 12, local property tax revenues per pupil shall be the applicable equalized assessed valuation of the district multiplied by 1.05%, and divided by the district's Average Daily Attendance figure.

For partial elementary unit districts created pursuant to Article 11E of this Code, local property tax revenues per pupil shall be calculated as the product of the equalized assessed valuation for property within the partial elementary unit district for elementary purposes, as defined in Article 11E of this Code, multiplied by 2.06% and divided by the district's Average Daily Attendance figure, plus the product of the equalized assessed valuation for property within the partial elementary unit district for high school purposes, as defined in Article 11E of this Code, multiplied by 0.94% and divided by the district's Average Daily Attendance figure.

New matter indicated by italics - deletions by strikeout
(4) The Corporate Personal Property Replacement Taxes paid to each school district during the calendar year one year before the calendar year in which a school year begins, divided by the Average Daily Attendance figure for that district, shall be added to the local property tax revenues per pupil as derived by the application of the immediately preceding paragraph (3). The sum of these per pupil figures for each school district shall constitute Available Local Resources as that term is utilized in subsection (E) in the calculation of general State aid.

(E) Computation of General State Aid.

(1) For each school year, the amount of general State aid allotted to a school district shall be computed by the State Board of Education as provided in this subsection.

(2) For any school district for which Available Local Resources per pupil is less than the product of 0.93 times the Foundation Level, general State aid for that district shall be calculated as an amount equal to the Foundation Level minus Available Local Resources, multiplied by the Average Daily Attendance of the school district.

(3) For any school district for which Available Local Resources per pupil is equal to or greater than the product of 0.93 times the Foundation Level and less than the product of 1.75 times the Foundation Level, the general State aid per pupil shall be a decimal proportion of the Foundation Level derived using a linear algorithm. Under this linear algorithm, the calculated general State aid per pupil shall decline in direct linear fashion from 0.07 times the Foundation Level for a school district with Available Local Resources equal to the product of 0.93 times the Foundation Level, to 0.05 times the Foundation Level for a school district with Available Local Resources equal to the product of 1.75 times the Foundation Level. The allocation of general State aid for school districts subject to this paragraph 3 shall be the calculated general State aid per pupil figure multiplied by the Average Daily Attendance of the school district.

(4) For any school district for which Available Local Resources per pupil equals or exceeds the product of 1.75 times the Foundation Level, the general State aid for the school district shall be calculated as the product of $218 multiplied by the Average Daily Attendance of the school district.

(5) The amount of general State aid allocated to a school district for the 1999-2000 school year meeting the requirements set forth in paragraph (4) of subsection (G) shall be increased by an amount equal to the general State aid that would have been received by the district for the
1998-1999 school year by utilizing the Extension Limitation Equalized Assessed Valuation as calculated in paragraph (4) of subsection (G) less the general State aid allotted for the 1998-1999 school year. This amount shall be deemed a one time increase, and shall not affect any future general State aid allocations.

(F) Compilation of Average Daily Attendance.

(1) Each school district shall, by July 1 of each year, submit to the State Board of Education, on forms prescribed by the State Board of Education, attendance figures for the school year that began in the preceding calendar year. The attendance information so transmitted shall identify the average daily attendance figures for each month of the school year. Beginning with the general State aid claim form for the 2002-2003 school year, districts shall calculate Average Daily Attendance as provided in subdivisions (a), (b), and (c) of this paragraph (1).

(a) In districts that do not hold year-round classes, days of attendance in August shall be added to the month of September and any days of attendance in June shall be added to the month of May.

(b) In districts in which all buildings hold year-round classes, days of attendance in July and August shall be added to the month of September and any days of attendance in June shall be added to the month of May.

(c) In districts in which some buildings, but not all, hold year-round classes, for the non-year-round buildings, days of attendance in August shall be added to the month of September and any days of attendance in June shall be added to the month of May. The average daily attendance for the year-round buildings shall be computed as provided in subdivision (b) of this paragraph (1). To calculate the Average Daily Attendance for the district, the average daily attendance for the year-round buildings shall be multiplied by the days in session for the non-year-round buildings for each month and added to the monthly attendance of the non-year-round buildings.

Except as otherwise provided in this Section, days of attendance by pupils shall be counted only for sessions of not less than 5 clock hours of school work per day under direct supervision of: (i) teachers, or (ii) non-teaching personnel or volunteer personnel when engaging in non-teaching duties and supervising in those instances specified in subsection (a) of Section 10-22.34 and paragraph 10 of Section 34-18, with pupils of legal school age and in kindergarten and grades 1 through 12. Days of
attendance by pupils through verified participation in an e-learning program approved by the State Board of Education under Section 10-20.56 of the Code shall be considered as full days of attendance for purposes of this Section.

Days of attendance by tuition pupils shall be accredited only to the districts that pay the tuition to a recognized school.

(2) Days of attendance by pupils of less than 5 clock hours of school shall be subject to the following provisions in the compilation of Average Daily Attendance.

(a) Pupils regularly enrolled in a public school for only a part of the school day may be counted on the basis of 1/6 day for every class hour of instruction of 40 minutes or more attended pursuant to such enrollment, unless a pupil is enrolled in a block-schedule format of 80 minutes or more of instruction, in which case the pupil may be counted on the basis of the proportion of minutes of school work completed each day to the minimum number of minutes that school work is required to be held that day.

(b) (Blank).

(c) A session of 4 or more clock hours may be counted as a day of attendance upon certification by the regional superintendent, and approved by the State Superintendent of Education to the extent that the district has been forced to use daily multiple sessions.

(d) A session of 3 or more clock hours may be counted as a day of attendance (1) when the remainder of the school day or at least 2 hours in the evening of that day is utilized for an in-service training program for teachers, up to a maximum of 5 days per school year, provided a district conducts an in-service training program for teachers in accordance with Section 10-22.39 of this Code; or, in lieu of 4 such days, 2 full days may be used, in which event each such day may be counted as a day required for a legal school calendar pursuant to Section 10-19 of this Code; (1.5) when, of the 5 days allowed under item (1), a maximum of 4 days are used for parent-teacher conferences, or, in lieu of 4 such days, 2 full days are used, in which case each such day may be counted as a calendar day required under Section 10-19 of this Code, provided that the full-day, parent-teacher conference consists of (i) a minimum of 5 clock hours of parent-teacher conferences, (ii) both a minimum of 2 clock hours of parent-teacher conferences held in

the evening following a full day of student attendance, as specified in subsection (F)(1)(c), and a minimum of 3 clock hours of parent-teacher conferences held on the day immediately following evening parent-teacher conferences, or (iii) multiple parent-teacher conferences held in the evenings following full days of student attendance, as specified in subsection (F)(1)(c), in which the time used for the parent-teacher conferences is equivalent to a minimum of 5 clock hours; and (2) when days in addition to those provided in items (1) and (1.5) are scheduled by a school pursuant to its school improvement plan adopted under Article 34 or its revised or amended school improvement plan adopted under Article 2, provided that (i) such sessions of 3 or more clock hours are scheduled to occur at regular intervals, (ii) the remainder of the school days in which such sessions occur are utilized for in-service training programs or other staff development activities for teachers, and (iii) a sufficient number of minutes of school work under the direct supervision of teachers are added to the school days between such regularly scheduled sessions to accumulate not less than the number of minutes by which such sessions of 3 or more clock hours fall short of 5 clock hours. Any full days used for the purposes of this paragraph shall not be considered for computing average daily attendance. Days scheduled for in-service training programs, staff development activities, or parent-teacher conferences may be scheduled separately for different grade levels and different attendance centers of the district.

(e) A session of not less than one clock hour of teaching hospitalized or homebound pupils on-site or by telephone to the classroom may be counted as 1/2 day of attendance, however these pupils must receive 4 or more clock hours of instruction to be counted for a full day of attendance.

(f) A session of at least 4 clock hours may be counted as a day of attendance for first grade pupils, and pupils in full day kindergartens, and a session of 2 or more hours may be counted as 1/2 day of attendance by pupils in kindergartens which provide only 1/2 day of attendance.

(g) For children with disabilities who are below the age of 6 years and who cannot attend 2 or more clock hours because of their disability or immaturity, a session of not less than one clock hour may be counted as 1/2 day of attendance; however for such
children whose educational needs so require a session of 4 or more clock hours may be counted as a full day of attendance.

(h) A recognized kindergarten which provides for only 1/2 day of attendance by each pupil shall not have more than 1/2 day of attendance counted in any one day. However, kindergartens may count 2 1/2 days of attendance in any 5 consecutive school days. When a pupil attends such a kindergarten for 2 half days on any one school day, the pupil shall have the following day as a day absent from school, unless the school district obtains permission in writing from the State Superintendent of Education. Attendance at kindergartens which provide for a full day of attendance by each pupil shall be counted the same as attendance by first grade pupils. Only the first year of attendance in one kindergarten shall be counted, except in case of children who entered the kindergarten in their fifth year whose educational development requires a second year of kindergarten as determined under the rules and regulations of the State Board of Education.

(i) On the days when the assessment that includes a college and career ready determination is administered under subsection (c) of Section 2-3.64a-5 of this Code, the day of attendance for a pupil whose school day must be shortened to accommodate required testing procedures may be less than 5 clock hours and shall be counted towards the 176 days of actual pupil attendance required under Section 10-19 of this Code, provided that a sufficient number of minutes of school work in excess of 5 clock hours are first completed on other school days to compensate for the loss of school work on the examination days.

(j) Pupils enrolled in a remote educational program established under Section 10-29 of this Code may be counted on the basis of one-fifth day of attendance for every clock hour of instruction attended in the remote educational program, provided that, in any month, the school district may not claim for a student enrolled in a remote educational program more days of attendance than the maximum number of days of attendance the district can claim (i) for students enrolled in a building holding year-round classes if the student is classified as participating in the remote educational program on a year-round schedule or (ii) for students enrolled in a building not holding year-round classes if the student

is not classified as participating in the remote educational program on a year-round schedule.

(G) Equalized Assessed Valuation Data.

(1) For purposes of the calculation of Available Local Resources required pursuant to subsection (D), the State Board of Education shall secure from the Department of Revenue the value as equalized or assessed by the Department of Revenue of all taxable property of every school district, together with (i) the applicable tax rate used in extending taxes for the funds of the district as of September 30 of the previous year and (ii) the limiting rate for all school districts subject to property tax extension limitations as imposed under the Property Tax Extension Limitation Law.

The Department of Revenue shall add to the equalized assessed value of all taxable property of each school district situated entirely or partially within a county that is or was subject to the provisions of Section 15-176 or 15-177 of the Property Tax Code (a) an amount equal to the total amount by which the homestead exemption allowed under Section 15-176 or 15-177 of the Property Tax Code for real property situated in that school district exceeds the total amount that would have been allowed in that school district if the maximum reduction under Section 15-176 was (i) $4,500 in Cook County or $3,500 in all other counties in tax year 2003 or (ii) $5,000 in all counties in tax year 2004 and thereafter and (b) an amount equal to the aggregate amount for the taxable year of all additional exemptions under Section 15-175 of the Property Tax Code for owners with a household income of $30,000 or less. The county clerk of any county that is or was subject to the provisions of Section 15-176 or 15-177 of the Property Tax Code shall annually calculate and certify to the Department of Revenue for each school district all homestead exemption amounts under Section 15-176 or 15-177 of the Property Tax Code and all amounts of additional exemptions under Section 15-175 of the Property Tax Code for owners with a household income of $30,000 or less. It is the intent of this paragraph that if the general homestead exemption for a parcel of property is determined under Section 15-176 or 15-177 of the Property Tax Code rather than Section 15-175, then the calculation of Available Local Resources shall not be affected by the difference, if any, between the amount of the general homestead exemption allowed for that parcel of property under Section 15-176 or 15-177 of the Property Tax Code and the amount that would have been allowed had the general homestead exemption for that parcel of property been determined under Section 15-175 of the Property Tax Code. It is further the intent of this

New matter indicated by italics - deletions by strikeout
paragraph that if additional exemptions are allowed under Section 15-175 of the Property Tax Code for owners with a household income of less than $30,000, then the calculation of Available Local Resources shall not be affected by the difference, if any, because of those additional exemptions.

This equalized assessed valuation, as adjusted further by the requirements of this subsection, shall be utilized in the calculation of Available Local Resources.

(2) The equalized assessed valuation in paragraph (1) shall be adjusted, as applicable, in the following manner:

(a) For the purposes of calculating State aid under this Section, with respect to any part of a school district within a redevelopment project area in respect to which a municipality has adopted tax increment allocation financing pursuant to the Tax Increment Allocation Redevelopment Act, Sections 11-74.4-1 through 11-74.4-11 of the Illinois Municipal Code or the Industrial Jobs Recovery Law, Sections 11-74.6-1 through 11-74.6-50 of the Illinois Municipal Code, no part of the current equalized assessed valuation of real property located in any such project area which is attributable to an increase above the total initial equalized assessed valuation of such property shall be used as part of the equalized assessed valuation of the district, until such time as all redevelopment project costs have been paid, as provided in Section 11-74.4-8 of the Tax Increment Allocation Redevelopment Act or in Section 11-74.6-35 of the Industrial Jobs Recovery Law. For the purpose of the equalized assessed valuation of the district, the total initial equalized assessed valuation or the current equalized assessed valuation, whichever is lower, shall be used until such time as all redevelopment project costs have been paid.

(b) The real property equalized assessed valuation for a school district shall be adjusted by subtracting from the real property value as equalized or assessed by the Department of Revenue for the district an amount computed by dividing the amount of any abatement of taxes under Section 18-170 of the Property Tax Code by 3.00% for a district maintaining grades kindergarten through 12, by 2.30% for a district maintaining grades kindergarten through 8, or by 1.05% for a district maintaining grades 9 through 12 and adjusted by an amount computed by dividing the amount of any abatement of taxes under subsection (a) of Section 18-165 of the Property Tax Code by the same.

percentage rates for district type as specified in this subparagraph (b).

(3) For the 1999-2000 school year and each school year thereafter, if a school district meets all of the criteria of this subsection (G)(3), the school district's Available Local Resources shall be calculated under subsection (D) using the district's Extension Limitation Equalized Assessed Valuation as calculated under this subsection (G)(3).

For purposes of this subsection (G)(3) the following terms shall have the following meanings:

"Budget Year": The school year for which general State aid is calculated and awarded under subsection (E).

"Base Tax Year": The property tax levy year used to calculate the Budget Year allocation of general State aid.

"Preceding Tax Year": The property tax levy year immediately preceding the Base Tax Year.

"Base Tax Year's Tax Extension": The product of the equalized assessed valuation utilized by the County Clerk in the Base Tax Year multiplied by the limiting rate as calculated by the County Clerk and defined in the Property Tax Extension Limitation Law.

"Preceding Tax Year's Tax Extension": The product of the equalized assessed valuation utilized by the County Clerk in the Preceding Tax Year multiplied by the Operating Tax Rate as defined in subsection (A).

"Extension Limitation Ratio": A numerical ratio, certified by the County Clerk, in which the numerator is the Base Tax Year's Tax Extension and the denominator is the Preceding Tax Year's Tax Extension.

"Operating Tax Rate": The operating tax rate as defined in subsection (A).

If a school district is subject to property tax extension limitations as imposed under the Property Tax Extension Limitation Law, the State Board of Education shall calculate the Extension Limitation Equalized Assessed Valuation of that district. For the 1999-2000 school year, the Extension Limitation Equalized Assessed Valuation of a school district as calculated by the State Board of Education shall be equal to the product of the district's 1996 Equalized Assessed Valuation and the district's Extension Limitation Ratio. Except as otherwise provided in this paragraph for a school district that has approved or does approve an

New matter indicated by italics - deletions by strikeout
increase in its limiting rate, for the 2000-2001 school year and each school year thereafter, the Extension Limitation Equalized Assessed Valuation of a school district as calculated by the State Board of Education shall be equal to the product of the Equalized Assessed Valuation last used in the calculation of general State aid and the district's Extension Limitation Ratio. If the Extension Limitation Equalized Assessed Valuation of a school district as calculated under this subsection (G)(3) is less than the district's equalized assessed valuation as calculated pursuant to subsections (G)(1) and (G)(2), then for purposes of calculating the district's general State aid for the Budget Year pursuant to subsection (E), that Extension Limitation Equalized Assessed Valuation shall be utilized to calculate the district's Available Local Resources under subsection (D). For the 2009-2010 school year and each school year thereafter, if a school district has approved or does approve an increase in its limiting rate, pursuant to Section 18-190 of the Property Tax Code, affecting the Base Tax Year, the Extension Limitation Equalized Assessed Valuation of the school district, as calculated by the State Board of Education, shall be equal to the product of the Equalized Assessed Valuation last used in the calculation of general State aid times an amount equal to one plus the percentage increase, if any, in the Consumer Price Index for all Urban Consumers for all items published by the United States Department of Labor for the 12-month calendar year preceding the Base Tax Year, plus the Equalized Assessed Valuation of new property, annexed property, and recovered tax increment value and minus the Equalized Assessed Valuation of disconnected property. New property and recovered tax increment value shall have the meanings set forth in the Property Tax Extension Limitation Law.

Partial elementary unit districts created in accordance with Article 11E of this Code shall not be eligible for the adjustment in this subsection (G)(3) until the fifth year following the effective date of the reorganization.

(3.5) For the 2010-2011 school year and each school year thereafter, if a school district's boundaries span multiple counties, then the Department of Revenue shall send to the State Board of Education, for the purpose of calculating general State aid, the limiting rate and individual rates by purpose for the county that contains the majority of the school district's Equalized Assessed Valuation.

(4) For the purposes of calculating general State aid for the 1999-2000 school year only, if a school district experienced a triennial reassessment on the equalized assessed valuation used in calculating its
general State financial aid apportionment for the 1998-1999 school year, the State Board of Education shall calculate the Extension Limitation Equalized Assessed Valuation that would have been used to calculate the district's 1998-1999 general State aid. This amount shall equal the product of the equalized assessed valuation used to calculate general State aid for the 1997-1998 school year and the district's Extension Limitation Ratio. If the Extension Limitation Equalized Assessed Valuation of the school district as calculated under this paragraph (4) is less than the district's equalized assessed valuation utilized in calculating the district's 1998-1999 general State aid allocation, then for purposes of calculating the district's general State aid pursuant to paragraph (5) of subsection (E), that Extension Limitation Equalized Assessed Valuation shall be utilized to calculate the district's Available Local Resources.

(5) For school districts having a majority of their equalized assessed valuation in any county except Cook, DuPage, Kane, Lake, McHenry, or Will, if the amount of general State aid allocated to the school district for the 1999-2000 school year under the provisions of subsection (E), (H), and (J) of this Section is less than the amount of general State aid allocated to the district for the 1998-1999 school year under these subsections, then the general State aid of the district for the 1999-2000 school year only shall be increased by the difference between these amounts. The total payments made under this paragraph (5) shall not exceed $14,000,000. Claims shall be prorated if they exceed $14,000,000.

(H) Supplemental General State Aid.

(1) In addition to the general State aid a school district is allotted pursuant to subsection (E), qualifying school districts shall receive a grant, paid in conjunction with a district's payments of general State aid, for supplemental general State aid based upon the concentration level of children from low-income households within the school district. Supplemental State aid grants provided for school districts under this subsection shall be appropriated for distribution to school districts as part of the same line item in which the general State financial aid of school districts is appropriated under this Section.

(1.5) This paragraph (1.5) applies only to those school years preceding the 2003-2004 school year. For purposes of this subsection (H), the term "Low-Income Concentration Level" shall be the low-income eligible pupil count from the most recently available federal census divided by the Average Daily Attendance of the school district. If, however, (i) the percentage decrease from the 2 most recent federal

New matter indicated by italics - deletions by strikeout
censuses in the low-income eligible pupil count of a high school district with fewer than 400 students exceeds by 75% or more the percentage change in the total low-income eligible pupil count of contiguous elementary school districts, whose boundaries are coterminous with the high school district, or (ii) a high school district within 2 counties and serving 5 elementary school districts, whose boundaries are coterminous with the high school district, has a percentage decrease from the 2 most recent federal censuses in the low-income eligible pupil count and there is a percentage increase in the total low-income eligible pupil count of a majority of the elementary school districts in excess of 50% from the 2 most recent federal censuses, then the high school district's low-income eligible pupil count from the earlier federal census shall be the number used as the low-income eligible pupil count for the high school district, for purposes of this subsection (H). The changes made to this paragraph (1) by Public Act 92-28 shall apply to supplemental general State aid grants for school years preceding the 2003-2004 school year that are paid in fiscal year 1999 or thereafter and to any State aid payments made in fiscal year 1994 through fiscal year 1998 pursuant to subsection 1(n) of Section 18-8 of this Code (which was repealed on July 1, 1998), and any high school district that is affected by Public Act 92-28 is entitled to a recomputation of its supplemental general State aid grant or State aid paid in any of those fiscal years. This recomputation shall not be affected by any other funding.

(1.10) This paragraph (1.10) applies to the 2003-2004 school year and each school year thereafter. For purposes of this subsection (H), the term "Low-Income Concentration Level" shall, for each fiscal year, be the low-income eligible pupil count as of July 1 of the immediately preceding fiscal year (as determined by the Department of Human Services based on the number of pupils who are eligible for at least one of the following low income programs: Medicaid, the Children's Health Insurance Program, TANF, or Food Stamps, excluding pupils who are eligible for services provided by the Department of Children and Family Services, averaged over the 2 immediately preceding fiscal years for fiscal year 2004 and over the 3 immediately preceding fiscal years for each fiscal year thereafter) divided by the Average Daily Attendance of the school district.

(2) Supplemental general State aid pursuant to this subsection (H) shall be provided as follows for the 1998-1999, 1999-2000, and 2000-2001 school years only:

   (a) For any school district with a Low Income Concentration Level of at least 20% and less than 35%, the grant
for any school year shall be $800 multiplied by the low income eligible pupil count.

(b) For any school district with a Low Income Concentration Level of at least 35% and less than 50%, the grant for the 1998-1999 school year shall be $1,100 multiplied by the low income eligible pupil count.

(c) For any school district with a Low Income Concentration Level of at least 50% and less than 60%, the grant for the 1998-99 school year shall be $1,500 multiplied by the low income eligible pupil count.

(d) For any school district with a Low Income Concentration Level of 60% or more, the grant for the 1998-99 school year shall be $1,900 multiplied by the low income eligible pupil count.

(e) For the 1999-2000 school year, the per pupil amount specified in subparagraphs (b), (c), and (d) immediately above shall be increased to $1,243, $1,600, and $2,000, respectively.

(f) For the 2000-2001 school year, the per pupil amounts specified in subparagraphs (b), (c), and (d) immediately above shall be $1,273, $1,640, and $2,050, respectively.

(2.5) Supplemental general State aid pursuant to this subsection (H) shall be provided as follows for the 2002-2003 school year:

(a) For any school district with a Low Income Concentration Level of less than 10%, the grant for each school year shall be $355 multiplied by the low income eligible pupil count.

(b) For any school district with a Low Income Concentration Level of at least 10% and less than 20%, the grant for each school year shall be $675 multiplied by the low income eligible pupil count.

(c) For any school district with a Low Income Concentration Level of at least 20% and less than 35%, the grant for each school year shall be $1,330 multiplied by the low income eligible pupil count.

(d) For any school district with a Low Income Concentration Level of at least 35% and less than 50%, the grant for each school year shall be $1,362 multiplied by the low income eligible pupil count.

New matter indicated by italics - deletions by strikeout
(e) For any school district with a Low Income Concentration Level of at least 50% and less than 60%, the grant for each school year shall be $1,680 multiplied by the low income eligible pupil count.

(f) For any school district with a Low Income Concentration Level of 60% or more, the grant for each school year shall be $2,080 multiplied by the low income eligible pupil count.

(2.10) Except as otherwise provided, supplemental general State aid pursuant to this subsection (H) shall be provided as follows for the 2003-2004 school year and each school year thereafter:

(a) For any school district with a Low Income Concentration Level of 15% or less, the grant for each school year shall be $355 multiplied by the low income eligible pupil count.

(b) For any school district with a Low Income Concentration Level greater than 15%, the grant for each school year shall be $294.25 added to the product of $2,700 and the square of the Low Income Concentration Level, all multiplied by the low income eligible pupil count.

For the 2003-2004 school year and each school year thereafter through the 2008-2009 school year only, the grant shall be no less than the grant for the 2002-2003 school year. For the 2009-2010 school year only, the grant shall be no less than the grant for the 2002-2003 school year multiplied by 0.66. For the 2010-2011 school year only, the grant shall be no less than the grant for the 2002-2003 school year multiplied by 0.33. Notwithstanding the provisions of this paragraph to the contrary, if for any school year supplemental general State aid grants are prorated as provided in paragraph (1) of this subsection (H), then the grants under this paragraph shall be prorated.

For the 2003-2004 school year only, the grant shall be no greater than the grant received during the 2002-2003 school year added to the product of 0.25 multiplied by the difference between the grant amount calculated under subsection (a) or (b) of this paragraph (2.10), whichever is applicable, and the grant received during the 2002-2003 school year. For the 2004-2005 school year only, the grant shall be no greater than the grant received during the 2002-2003 school year added to the product of 0.50 multiplied by the difference between the grant amount calculated under subsection (a) or (b) of this paragraph (2.10), whichever is applicable, and the grant received during the 2002-2003 school year. For the 2005-2006 school year only, the grant shall be no greater than the grant received

during the 2002-2003 school year added to the product of 0.75 multiplied by the difference between the grant amount calculated under subsection (a) or (b) of this paragraph (2.10), whichever is applicable, and the grant received during the 2002-2003 school year.

(3) School districts with an Average Daily Attendance of more than 1,000 and less than 50,000 that qualify for supplemental general State aid pursuant to this subsection shall submit a plan to the State Board of Education prior to October 30 of each year for the use of the funds resulting from this grant of supplemental general State aid for the improvement of instruction in which priority is given to meeting the education needs of disadvantaged children. Such plan shall be submitted in accordance with rules and regulations promulgated by the State Board of Education.

(4) School districts with an Average Daily Attendance of 50,000 or more that qualify for supplemental general State aid pursuant to this subsection shall be required to distribute from funds available pursuant to this Section, no less than $261,000,000 in accordance with the following requirements:

(a) The required amounts shall be distributed to the attendance centers within the district in proportion to the number of pupils enrolled at each attendance center who are eligible to receive free or reduced-price lunches or breakfasts under the federal Child Nutrition Act of 1966 and under the National School Lunch Act during the immediately preceding school year.

(b) The distribution of these portions of supplemental and general State aid among attendance centers according to these requirements shall not be compensated for or contravened by adjustments of the total of other funds appropriated to any attendance centers, and the Board of Education shall utilize funding from one or several sources in order to fully implement this provision annually prior to the opening of school.

(c) Each attendance center shall be provided by the school district a distribution of noncategorical funds and other categorical funds to which an attendance center is entitled under law in order that the general State aid and supplemental general State aid provided by application of this subsection supplements rather than supplants the noncategorical funds and other categorical funds provided by the school district to the attendance centers.
(d) Any funds made available under this subsection that by reason of the provisions of this subsection are not required to be allocated and provided to attendance centers may be used and appropriated by the board of the district for any lawful school purpose.

(e) Funds received by an attendance center pursuant to this subsection shall be used by the attendance center at the discretion of the principal and local school council for programs to improve educational opportunities at qualifying schools through the following programs and services: early childhood education, reduced class size or improved adult to student classroom ratio, enrichment programs, remedial assistance, attendance improvement, and other educationally beneficial expenditures which supplement the regular and basic programs as determined by the State Board of Education. Funds provided shall not be expended for any political or lobbying purposes as defined by board rule.

(f) Each district subject to the provisions of this subdivision (H)(4) shall submit an acceptable plan to meet the educational needs of disadvantaged children, in compliance with the requirements of this paragraph, to the State Board of Education prior to July 15 of each year. This plan shall be consistent with the decisions of local school councils concerning the school expenditure plans developed in accordance with part 4 of Section 34-2.3. The State Board shall approve or reject the plan within 60 days after its submission. If the plan is rejected, the district shall give written notice of intent to modify the plan within 15 days of the notification of rejection and then submit a modified plan within 30 days after the date of the written notice of intent to modify. Districts may amend approved plans pursuant to rules promulgated by the State Board of Education.

Upon notification by the State Board of Education that the district has not submitted a plan prior to July 15 or a modified plan within the time period specified herein, the State aid funds affected by that plan or modified plan shall be withheld by the State Board of Education until a plan or modified plan is submitted.

If the district fails to distribute State aid to attendance centers in accordance with an approved plan, the plan for the following year shall allocate funds, in addition to the funds

otherwise required by this subsection, to those attendance centers which were underfunded during the previous year in amounts equal to such underfunding.

For purposes of determining compliance with this subsection in relation to the requirements of attendance center funding, each district subject to the provisions of this subsection shall submit as a separate document by December 1 of each year a report of expenditure data for the prior year in addition to any modification of its current plan. If it is determined that there has been a failure to comply with the expenditure provisions of this subsection regarding contravention or supplanting, the State Superintendent of Education shall, within 60 days of receipt of the report, notify the district and any affected local school council. The district shall within 45 days of receipt of that notification inform the State Superintendent of Education of the remedial or corrective action to be taken, whether by amendment of the current plan, if feasible, or by adjustment in the plan for the following year. Failure to provide the expenditure report or the notification of remedial or corrective action in a timely manner shall result in a withholding of the affected funds.

The State Board of Education shall promulgate rules and regulations to implement the provisions of this subsection. No funds shall be released under this subdivision (H)(4) to any district that has not submitted a plan that has been approved by the State Board of Education.

(K) Grants to Laboratory and Alternative Schools.

In calculating the amount to be paid to the governing board of a public university that operates a laboratory school under this Section or to any alternative school that is operated by a regional superintendent of schools, the State Board of Education shall require by rule such reporting requirements as it deems necessary.

As used in this Section, "laboratory school" means a public school which is created and operated by a public university and approved by the State Board of Education. The governing board of a public university which receives funds from the State Board under this subsection (K) may not increase the number of students enrolled in its laboratory school from a single district, if that district is already sending 50 or more students, except

New matter indicated by italics - deletions by strikeout
under a mutual agreement between the school board of a student's district of residence and the university which operates the laboratory school. A laboratory school may not have more than 1,000 students, excluding students with disabilities in a special education program.

As used in this Section, "alternative school" means a public school which is created and operated by a Regional Superintendent of Schools and approved by the State Board of Education. Such alternative schools may offer courses of instruction for which credit is given in regular school programs, courses to prepare students for the high school equivalency testing program or vocational and occupational training. A regional superintendent of schools may contract with a school district or a public community college district to operate an alternative school. An alternative school serving more than one educational service region may be established by the regional superintendents of schools of the affected educational service regions. An alternative school serving more than one educational service region may be operated under such terms as the regional superintendents of schools of those educational service regions may agree.

Each laboratory and alternative school shall file, on forms provided by the State Superintendent of Education, an annual State aid claim which states the Average Daily Attendance of the school's students by month. The best 3 months' Average Daily Attendance shall be computed for each school. The general State aid entitlement shall be computed by multiplying the applicable Average Daily Attendance by the Foundation Level as determined under this Section.

(L) Payments, Additional Grants in Aid and Other Requirements.

Education Funding Advisory Board.

The Education Funding Advisory Board, hereinafter in this subsection (M) referred to as the "Board", is hereby created. The Board shall consist of 5 members who are appointed by the Governor, by and with the advice and consent of the Senate. The members appointed shall include representatives of education, business, and the general public. One of the members so appointed shall be designated by the Governor at the time the appointment is made as the chairperson of the Board. The initial members of the Board may be appointed any time after the effective date of this amendatory Act of 1997. The regular term of each member of the Board shall be for 4 years from the third Monday of January of the year in which the term of the member's appointment is to commence, except that of the 5 initial members appointed to serve on the Board, the member who is appointed as the chairperson shall serve for a term that commences on the date of his or her appointment and expires on the third Monday of January, 2002, and the remaining 4 members, by lots drawn at the first meeting of the Board that is held after all 5 members are appointed, shall determine 2 of their number to serve for terms that commence on the date of their respective appointments and expire on the third Monday of January, 2001, and 2 of their number to serve for terms that commence on the date of their respective appointments and expire on the third Monday of January, 2000. All members appointed to serve on the Board shall serve until their respective successors are appointed and confirmed. Vacancies shall be filled in the same manner as original appointments. If a vacancy in membership occurs at a time when the Senate is not in session, the Governor shall make a temporary appointment until the next meeting of the Senate, when he or she shall appoint, by and with the advice and consent of the Senate, a person to fill that membership for the unexpired term. If the Senate is not in session when the initial appointments are made, those appointments shall be made as in the case of vacancies.

The Education Funding Advisory Board shall be deemed established, and the initial members appointed by the Governor to serve as members of the Board shall take office, on the date that the Governor makes his or her appointment of the fifth initial member of the Board, whether those initial members are then serving pursuant to appointment and confirmation or pursuant to temporary appointments that are made by the Governor as in the case of vacancies.
The State Board of Education shall provide such staff assistance to the Education Funding Advisory Board as is reasonably required for the proper performance by the Board of its responsibilities.

For school years after the 2000-2001 school year, the Education Funding Advisory Board, in consultation with the State Board of Education, shall make recommendations as provided in this subsection (M) to the General Assembly for the foundation level under subdivision (B)(3) of this Section and for the supplemental general State aid grant level under subsection (H) of this Section for districts with high concentrations of children from poverty. The recommended foundation level shall be determined based on a methodology which incorporates the basic education expenditures of low-spending schools exhibiting high academic performance. The Education Funding Advisory Board shall make such recommendations to the General Assembly on January 1 of odd numbered years, beginning January 1, 2001.

(N) (Blank).

(O) References.

(1) References in other laws to the various subdivisions of Section 18-8 as that Section existed before its repeal and replacement by this Section 18-8.05 shall be deemed to refer to the corresponding provisions of this Section 18-8.05, to the extent that those references remain applicable.

(2) References in other laws to State Chapter 1 funds shall be deemed to refer to the supplemental general State aid provided under subsection (H) of this Section.

(P) Public Act 93-838 and Public Act 93-808 make inconsistent changes to this Section. Under Section 6 of the Statute on Statutes there is an irreconcilable conflict between Public Act 93-808 and Public Act 93-838. Public Act 93-838, being the last acted upon, is controlling. The text of Public Act 93-838 is the law regardless of the text of Public Act 93-808.

(Q) State Fiscal Year 2015 Payments.

(105 ILCS 5/18-12) (from Ch. 122, par. 18-12)

Sec. 18-12. Dates for filing State aid claims. The school board of each school district shall require teachers, principals, or superintendents to furnish from records kept by them such data as it needs in preparing and certifying to the regional superintendent its school district report of claims provided in Sections 18-8.05 through 18-9 as required by the State Superintendent of Education. The district claim shall be based on the latest available equalized assessed valuation and tax rates, as provided in Section 18-8.05 and shall use the average daily attendance as determined by the method outlined in Section 18-8.05 and shall be certified and filed with the regional superintendent by June 21 for districts with an official school calendar end date before June 15 or within 2 weeks following the official school calendar end date for districts with a school year end date of June 15 or later. The regional superintendent shall certify and file with the State Superintendent of Education district State aid claims by July 1 for districts with an official school calendar end date before June 15 or no later than July 15 for districts with an official school calendar end date of June 15 or later. Failure to so file by these deadlines constitutes a forfeiture of the right to receive payment by the State until such claim is filed and vouchered for payment. The regional superintendent of schools shall certify the county report of claims by July 15; and the State Superintendent of Education shall voucher for payment those claims to the State Comptroller as provided in Section 18-11.

Except as otherwise provided in this Section, if any school district fails to provide the minimum school term specified in Section 10-19, the State aid claim for that year shall be reduced by the State Superintendent of Education in an amount equivalent to 1/176 or .56818% for each day less than the number of days required by this Code.

If the State Superintendent of Education determines that the failure to provide the minimum school term was occasioned by an act or acts of God, or was occasioned by conditions beyond the control of the school district which posed a hazardous threat to the health and safety of pupils, the State aid claim need not be reduced.

If a school district is precluded from providing the minimum hours of instruction required for a full day of attendance due to an adverse weather condition or a condition beyond the control of the school district that poses a hazardous threat to the health and safety of students, then the partial day of attendance may be counted if (i) the school district has provided at least one hour of instruction prior to the closure of the school district, (ii) a school building has provided at least one hour of instruction prior to the closure of the school building, or (iii) the normal start time of the school district is delayed.

If, prior to providing any instruction, a school district must close one or more but not all school buildings after consultation with a local emergency response agency or due to a condition beyond the control of the school district, then the school district may claim attendance for up to 2 school days based on the average attendance of the 3 school days immediately preceding the closure of the affected school building or, if approved by the State Board of Education, utilize the provisions of an e-learning program for the affected school building as prescribed in Section 10-20.56 of this Code. The partial or no day of attendance described in this Section and the reasons therefore shall be certified within a month of the closing or delayed start by the school district superintendent to the regional superintendent of schools for forwarding to the State Superintendent of Education for approval.

Other than the utilization of any e-learning days as prescribed in Section 10-20.56 of this Code, no exception to the requirement of providing a minimum school term may be approved by the State Superintendent of Education pursuant to this Section unless a school district has first used all emergency days provided for in its regular calendar.

If the State Superintendent of Education declares that an energy shortage exists during any part of the school year for the State or a designated portion of the State, a district may operate the school attendance centers within the district 4 days of the week during the time of the shortage by extending each existing school day by one clock hour of school work, and the State aid claim shall not be reduced, nor shall the employees of that district suffer any reduction in salary or benefits as a result thereof. A district may operate all attendance centers on this revised schedule, or may apply the schedule to selected attendance centers, taking into consideration such factors as pupil transportation schedules and patterns and sources of energy for individual attendance centers.

Section 5. The Environmental Protection Act is amended by changing Section 28.5 as follows:

(415 ILCS 5/28.5)

New matter indicated by italics - deletions by strikeout
Sec. 28.5. Clean Air Act rules; fast-track.
   (a) This Section applies through December 31, \(2014\) and applies solely to the adoption of rules proposed by the Agency and required to be adopted by the State under the Clean Air Act as amended by the Clean Air Act Amendments of 1990 (CAAA).
   (b) For purposes of this Section, a "fast-track" rulemaking proceeding is a proceeding to promulgate a rule that the CAAA requires to be adopted. For the purposes of this Section, "requires to be adopted" refers only to those regulations or parts of regulations for which the United States Environmental Protection Agency is empowered to impose sanctions against the State for failure to adopt such rules. All fast-track rules must be adopted under procedures set forth in this Section, unless another provision of this Act specifies the method for adopting a specific rule.
   (c) When the CAAA requires rules other than identical in substance rules to be adopted, upon request by the Agency, the Board must adopt rules under fast-track rulemaking requirements.
   (d) The Agency must submit its fast-track rulemaking proposal in the following form:
      (1) The Agency must file the rule in a form that meets the requirements of the Illinois Administrative Procedure Act and regulations promulgated thereunder.
      (2) The cover sheet of the proposal shall prominently state that the rule is being proposed under this Section.
      (3) The proposal shall clearly identify the provisions and portions of the federal statute, regulations, guidance, policy statement, or other documents upon which the rule is based.
      (4) The supporting documentation for the rule shall summarize the basis of the rule.
      (5) The Agency must describe in general the alternative selected and the basis for the alternative.
      (6) The Agency must file a summary of economic and technical data upon which it relied in drafting the rule.
      (7) The Agency must provide a list of any documents upon which it directly relied in drafting the rule or upon which it intends to rely at the hearings and must provide such documents to the Board. Additionally, the Agency must make such documents available at an appropriate location for inspection and copying at the expense of the interested party.

New matter indicated by italics - deletions by strikeout
(8) The Agency must include in its submission a description of the geographical area to which the rule is intended to apply, a description of the process or processes affected, an identification by classes of the entities expected to be affected, and a list of sources expected to be affected by the rule to the extent known to the Agency.

(e) Within 14 days of receipt of the proposal, the Board must file the rule for first notice under the Illinois Administrative Procedure Act and must schedule all required hearings on the proposal and cause public notice to be given in accordance with the Illinois Administrative Procedure Act and the CAAA.

(f) The Board must set 3 hearings on the proposal, each of which shall be scheduled to continue from day to day, excluding weekends and State and federal holidays, until completed. The Board must require the written submission of all testimony at least 10 days before a hearing, with simultaneous service to all participants of record in the proceeding as of 15 days prior to hearing, unless a waiver is granted by the Board for good cause. In order to further expedite the hearings, presubmitted testimony shall be accepted into the record without the reading of the testimony at hearing, provided that the witness swears to the testimony and is available for questioning, and the Board must make every effort to conduct the proceedings expeditiously and avoid duplication and extraneous material.

(1) The first hearing shall be held within 55 days of receipt of the rule and shall be confined to testimony by and questions of the Agency's witnesses concerning the scope, applicability, and basis of the rule. Within 7 days after the first hearing, any person may request that the second hearing be held.

(A) If, after the first hearing, the Agency and affected entities are in agreement on the rule, the United States Environmental Protection Agency has not informed the Board of any unresolved objection to the rule, and no other interested party contests the rule or asks for the opportunity to present additional evidence, the Board may cancel the additional hearings. When the Board adopts the final order under these circumstances, it shall be based on the Agency's proposal as agreed to by the parties.

(B) If, after the first hearing, the Agency and affected entities are in agreement upon a portion of the rule, the United States Environmental Protection Agency has not
informed the Board of any unresolved objections to that agreed portion of the rule, and no other interested party contests that agreed portion of the rule or asks for the opportunity to present additional evidence, the Board must proceed to the second hearing, as provided in paragraph (2) of subsection (g) of this Section, but the hearing shall be limited in scope to the unresolved portion of the proposal. When the Board adopts the final order under these circumstances, it shall be based on such portion of the Agency's proposal as agreed to by the parties.

(2) The second hearing shall be scheduled to commence within 30 days of the first day of the first hearing and shall be devoted to presentation of testimony, documents, and comments by affected entities and all other interested parties.

(3) The third hearing shall be scheduled to commence within 14 days after the first day of the second hearing and shall be devoted solely to any Agency response to the material submitted at the second hearing and to any response by other parties. The third hearing shall be cancelled if the Agency indicates to the Board that it does not intend to introduce any additional material.

(g) In any fast-track rulemaking proceeding, the Board must accept evidence and comments on the economic impact of any provision of the rule and must consider the economic impact of the rule based on the record. The Board may order an economic impact study in a manner that will not prevent adoption of the rule within the time required by subsection (n) of this Section.

(h) In all fast-track rulemakings under this Section, the Board must take into account factors set forth in subsection (a) of Section 27 of this Act.

(i) The Board must adopt rules in the fast-track rulemaking docket under the requirements of this Section that the CAAA requires to be adopted, and may consider a non-required rule in a second docket that shall proceed under Title VII of this Act.

(j) The Board is directed to take whatever measures are available to it to complete fast-track rulemaking as expeditiously as possible consistent with the need for careful consideration. These measures shall include, but not be limited to, having hearings transcribed on an expedited basis.

(k) Following the hearings, the Board must close the record 14 days after the availability of the transcript.

New matter indicated by italics - deletions by strikeout
(l) The Board must not revise or otherwise change an Agency fast-track rulemaking proposal without agreement of the Agency until after the end of the hearing and comment period. Any revisions to an Agency proposal shall be based on the record of the proceeding.

(m) All rules adopted by the Board under this Section shall be based solely on the record before it.

(n) The Board must complete a fast-track rulemaking by adopting a second notice order no later than 130 days after receipt of the proposal if no third hearing is held and no later than 150 days if the third hearing is held. If the order includes a rule, the Illinois Board must file the rule for second notice under the Illinois Administrative Procedure Act within 5 days after adoption of the order.

(o) Upon receipt of a statement of no objection to the rule from the Joint Committee on Administrative Rules, the Board must adopt the final order and submit the rule to the Secretary of State for publication and certification within 21 days.

A person who rents a motor vehicle to another may hold the renter liable to the extent permitted under subsections (b) through (d) for physical or mechanical damage to the rented motor vehicle that occurs during the time the motor vehicle is under the rental agreement.

(b) Limits on liability: vehicle MSRP $50,000 or less. The total liability of a renter under subsection (a) for damage to a motor vehicle with a Manufacturer's Suggested Retail Price (MSRP) of $50,000 or less may not exceed all of the following:

(1) The lesser of:

(A) Actual and reasonable costs that the person who rents a motor vehicle to another incurred to repair the motor vehicle or that the rental company would have incurred if the motor vehicle had been repaired, which shall reflect any
discounts, price reductions, or adjustments available to the rental company; or

(B) The fair market value of that motor vehicle immediately before the damage occurred, as determined in the customary market for the retail sale of that motor vehicle; and

(2) Actual and reasonable costs incurred by the loss due to theft of the rental motor vehicle up to $2,000; provided, however, that if it is established that the renter or an authorized driver failed to exercise ordinary care while in possession of the vehicle or that the renter or an authorized driver committed or aided and abetted the commission of the theft, then the damages shall be the actual and reasonable costs of the rental vehicle up to its fair market value, as determined by the customary market for the sale of that vehicle.

For purposes of this subsection (b), for the period prior to June 1, 1998, the maximum amount that may be recovered from an authorized driver shall not exceed $6,000; for the period beginning June 1, 1998 through May 31, 1999, the maximum recovery shall not exceed $7,500; and for the period beginning June 1, 1999 through May 31, 2000, the maximum recovery shall not exceed $9,000. Beginning June 1, 2000, and annually each June 1 thereafter, the maximum amount that may be recovered from an authorized driver shall be increased by $500 above the maximum recovery allowed immediately prior to June 1 of that year.

(b-5) Limits on liability: vehicle MSRP more than $50,000. The total liability of a renter under subsection (a) for damage to a motor vehicle with a Manufacturer's Suggested Retail Price (MSRP) of more than $50,000 may not exceed all of the following:

(1) the lesser of:

(A) actual and reasonable costs that the person who rents a motor vehicle to another incurred to repair the motor vehicle or that the rental company would have incurred if the motor vehicle had been repaired, which shall reflect any discounts, price reductions, or adjustments available to the rental company; or

(B) the fair market value of that motor vehicle immediately before the damage occurred, as determined in the customary market for the retail sale of that motor vehicle; and

New matter indicated by italics - deletions by strikeout
(2) the actual and reasonable costs incurred by the loss due to theft of the rental motor vehicle up to $40,000.

The maximum recovery for a motor vehicle with a Manufacturer's Suggested Retail Price (MSRP) of more than $50,000 under this subsection (b-5) shall not exceed $40,000 on the effective date of this amendatory Act of the 99th General Assembly. On October 1, 2016, and for the next 3 years thereafter, the maximum amount that may be recovered from an authorized driver under this subsection (b-5) shall be increased by $2,500 above the prior year's maximum recovery. On October 1, 2020, and for each year thereafter, the maximum amount that may be recovered from an authorized driver under this subsection (b-5) shall be increased by $1,000 above the prior year's maximum recovery.

(c) Multiple recoveries prohibited. Any person who rents a motor vehicle to another may not hold the renter liable for any amounts that the rental company recovers from any other party.

(d) Repair estimates. A person who rents a motor vehicle to another may not collect or attempt to collect the amount described in subsection (b) or (b-5) unless the rental company obtains an estimate from a repair company or an appraiser in the business of providing such appraisals on the costs of repairing the motor vehicle, makes a copy of the estimate available upon request to the renter who may be liable under subsection (a), or the insurer of the renter, and submits a copy of the estimate with any claim to collect the amount described in subsection (b) or (b-5). In order to collect the amount described in subsection (b-5), a person renting a motor vehicle to another must also provide the renter's personal insurance company with reasonable notice and an opportunity to inspect damages.

(d-5) In the event of loss due to theft of the rental motor vehicle with a MSRP more than $50,000, the rental company shall provide reasonable notice of the theft to the renter's personal insurance company.

(e) Duty to mitigate. A claim against a renter resulting from damage or loss to a rental vehicle must be reasonably and rationally related to the actual loss incurred. A rental company shall mitigate damages where possible and shall not assert or collect any claim for physical damage which exceeds the actual costs of the repair, including all discounts or price reductions.

(f) No rental company shall require a deposit or an advance charge against the credit card of a renter, in any form, for damages to a vehicle which is in the renter's possession, custody, or control. No rental company

shall require any payment for damage to the rental vehicle, upon the renter's return of the vehicle in a damaged condition, until after the cost of the damage to the vehicle and liability therefor is agreed to between the rental company and renter or is determined pursuant to law.

(g) If insurance coverage exists under the renter's personal insurance policy and the coverage is confirmed during regular business hours, the renter may require that the rental company must submit any claims to the renter's personal insurance carrier as the renter's agent. The rental company shall not make any written or oral representations that it will not present claims or negotiate with the renter's insurance carrier. For purposes of this Section, confirmation of coverage includes telephone confirmation from insurance company representatives during regular business hours. After confirmation of coverage, the amount of claim shall be resolved between the insurance carrier and the rental company.

PUBLIC ACT 99-0202
(Senate Bill No. 0636)

AN ACT concerning transportation.

Be it enacted by the People of the State of Illinois, represented in the General Assembly:

Section 5. The Illinois Aeronautics Act is amended by changing Section 47 as follows:

(620 ILCS 5/47) (from Ch. 15 1/2, par. 22.47)

Sec. 47. Operation without certificate of approval unlawful; applications.) An application for a certificate of approval of an airport or restricted landing area, or the alteration or extension thereof, shall set forth, among other things, the location of all railways, mains, pipes,

New matter indicated by italics - deletions by strikeout
conduits, wires, cables, poles and other facilities and structures of public service corporations or municipal or quasi-municipal corporations, located within the area proposed to be acquired or restricted, and the names of persons owning the same, to the extent that such information can be reasonably ascertained by the applicant.

It shall be unlawful for any municipality or other political subdivision, or officer or employee thereof, or for any person, to make any alteration or extension of an existing airport or restricted landing area, or to use or operate any airport or restricted landing area, for which a certificate of approval has not been issued by the Department; provided, that no certificate of approval shall be required for an airport or restricted landing area which was in existence and approved by the Illinois Aeronautics Commission, whether or not being operated, on or before July 1, 1945, or for the O'Hare Modernization Program as defined in Section 10 of the O'Hare Modernization Act; except that a certificate of approval shall be required under this Section for construction of a new runway at O'Hare International Airport with a geographical orientation that varies from a geographical east-west orientation by more than 10 degrees, or for construction of a new runway at that airport that would result in more than 10 runways being available for aircraft operations at that airport. The Department shall supervise, monitor, and enforce compliance with the O'Hare Modernization Act by all other departments, agencies, and units of State and local government.

Provisions of this Section do not apply to special purpose aircraft designated as such by the Department when operating to or from uncertificated areas other than their principal base of operations, provided mutually acceptable arrangements are made with the property owner, and provided the owner or operator of the aircraft assumes liabilities which may arise out of such operations.

Section 10. The Permanent Noise Monitoring Act is amended by changing Sections 5 and 15 as follows:

(620 ILCS 35/5) (from Ch. 15 1/2, par. 755)

Sec. 5. Definitions. As used in this Act:

(a) "Airport" means an airport, as defined in Section 6 of the Illinois Aeronautics Act, that has more than 500,000 aircraft operations (take-offs and landings) per year.
(a-1) "Airport sponsor" means any municipality, as defined in Section 20 of the Illinois Aeronautics Act, that can own and operate an airport.

(a-3) "Annual community noise equivalent level" or "annual CNEL" means the average sound level (on an energy basis), in decibels, of the daily community noise equivalent level over a 12-month period. The annual CNEL is calculated by the following: 

\[
\text{Annual CNEL} = 10 \log_{10} \left( \frac{1}{365} \sum \text{antilog} \left( \frac{\text{CNEL}(i)}{10} \right) \right)
\]

Where:

1. \(\text{CNEL}(i)\) = the daily CNEL for each day in a continuous 12-month period; and
2. \(\sum\) means summation.

When the annual CNEL is approximated by measurements on a statistical basis, the number 365 is replaced by the number of days for which measurements are obtained.

(a-5) "Daily community noise equivalent level" or "CNEL" means the 24-hour day average sound level, in decibels, adjusted to an equivalent level to account for the lower tolerance of people to noise during evening and night time periods relative to the daytime period. The daily community noise equivalent level is calculated from the hourly noise levels by the following:

\[
\text{CNEL} = 10 \log \left( \frac{1}{24} \sum \text{antilog} \left( \frac{\text{HNLD}}{10} \right) + 3 \sum \text{antilog} \left( \frac{\text{HNLE}}{10} \right) + 10 \sum \text{antilog} \left( \frac{\text{HNLN}}{10} \right) \right)
\]

Where:

1. \(\text{HNLD}\) means the hourly noise levels for the period 7:00 a.m. through 6:59 p.m.;
2. \(\text{HNLE}\) means the hourly noise levels for the period 7:00 p.m. through 9:59 p.m.;
3. \(\text{HNLN}\) means the hourly noise levels for the period 10:00 p.m. through 6:59 a.m.; and
4. \(\sum\) means summation.

(a-8) "Noise exposure level" means the level, in decibels, of the time-integrated A-weighted squared sound pressure for a stated time interval or event, based on the reference pressure of 20 micronewtons per square meter and reference duration of one second.

(a-9) "Noise level" means the sound level measure, in decibels, of an A-weighted sound pressure level as measured using the slow dynamic characteristic for sound level meters specified in American National Standard Specification for Sound Level Meters (ANSI S1.4-1983 as

New matter indicated by italics - deletions by strikeout
revised by ANSI S1.4A-1985), which is hereby incorporated by reference. The A-weighting characteristic modifies the frequency response of the measuring instrument to account approximately for the frequency characteristics of the human ear. The reference pressure is 20 micronewtons/square meter (2 x 10^{-4} microbar).

(b) "Permanent noise monitoring system" or "system" means a system that includes at least:
   (1) automated noise monitors capable of recording noise levels 24 hours per day 365 days per year; and
   (2) computer equipment sufficient to process the data from each noise monitor so that permanent noise monitoring reports in accordance with Section 15 of this Act can be generated.

(c) "Division" means the Division of Aeronautics of the Illinois Department of Transportation.

(d) (Blank). "Ldn" means day-night average sound level. "Day-night average sound level" has the meaning ascribed to it in Section 150.7 of Part 150 of Title 14 of the Code of Federal Regulations.

   (2) time of day;
   (3) week of the year;

(4) type of aircraft; and
(5) the single highest noise event recorded at each monitor.

(c) Noise contour maps showing the 65 \textit{annual CNEL Ldn}, 70 \textit{annual CNEL Ldn} and 75 \textit{annual CNEL Ldn} zones around the airport.

(d) Noise contour maps showing the 65 decibel (dBA), 70 dBA, and 75 dBA zones around the airport for:

(1) 7:00 a.m. \textit{through} 6:59 \textit{to} 10:00 p.m.;
(1.5) 7:00 p.m. \textit{through} 9:59 p.m.;
(2) 10:00 p.m. \textit{through} 6:59 \textit{to} 7:00 a.m.; and
(3) types of aircraft.

(e) The noise contour maps produced under subsections (c) and (d) shall also indicate:

(1) residential areas (single and multi-family);
(2) schools;
(3) hospitals and nursing homes;
(4) recreational areas, including but not limited to parks and forest preserves;
(5) commercial areas;

(8) the number of residences (single and multi-family) within each contour;
(9) the number of residents within each contour;
(10) the number of schools within each contour; and
(11) the number of school students within each contour.

(f) Through 2008, a certification by the Division that the system was in proper working order during the period or, if it was not, a specific description of any and all problems with the System during the period.

(g) Beginning in 2009, a certification by the airport sponsor that the system was in proper working order during the period or, if it was not, a specific description of any and all problems with the system during the period.

AN ACT concerning education.

Be it enacted by the People of the State of Illinois, represented in the General Assembly:

Section 5. The School Code is amended by changing Section 2-3.25f as follows:

(105 ILCS 5/2-3.25f) (from Ch. 122, par. 2-3.25f)
Sec. 2-3.25f. State interventions.
(a) The State Board of Education shall provide technical assistance to assist with the development and implementation of School and District Improvement Plans.
Schools or school districts that fail to make reasonable efforts to implement an approved Improvement Plan may suffer loss of State funds by school district, attendance center, or program as the State Board of Education deems appropriate.

(b) If after 3 years following its placement on academic watch status a school district or school remains on academic watch status, the State Board of Education may (i) change the recognition status of the school district or school to nonrecognized or (ii) authorize the State Superintendent of Education to direct the reassignment of pupils or direct the reassignment or replacement of school district personnel who are relevant to the failure to meet adequate yearly progress criteria. If a school district is nonrecognized in its entirety, it shall automatically be dissolved on July 1 following that nonrecognition and its territory realigned with another school district or districts by the regional board of school trustees in accordance with the procedures set forth in Section 7-11 of the School Code. The effective date of the nonrecognition of a school shall be July 1 following the nonrecognition.

(b-5) The State Board of Education shall also develop a system to provide assistance and resources to lower performing school districts. At a minimum, the State Board shall identify school districts to receive priority services, to be known as priority districts. The school district shall provide the exclusive bargaining representative with a 5-day notice that the district has been identified as a priority district. In addition, the State Board may, by rule, develop other categories of low-performing schools and school districts to receive services.

New matter indicated by italics - deletions by strikeout
Districts designated as priority districts shall be those that fall within one of the following categories:

(1) Have at least one school that is among the lowest performing 5% of schools in this State based on a 3-year average, with respect to the performance of the "all students" group for the percentage of students meeting or exceeding standards in reading and mathematics combined, and demonstrate a lack of progress as defined by the State Board of Education.

(2) Have at least one secondary school that has an average graduation rate of less than 60% over the last 3 school years.

(3) Have at least one school receiving a school improvement grant under Section 1003(g) of the federal Elementary and Secondary Education Act of 1965.

The State Board of Education shall work with a priority district to perform a district needs assessment to determine the district's core functions that are areas of strength and weakness, unless the district is already undergoing a national accreditation process. The results from the district needs assessment shall be used by the district to identify goals and objectives for the district's improvement. The district needs assessment shall include a study of district functions, such as district finance, governance, student engagement, instruction practices, climate, community involvement, and continuous improvement.

Based on the results of the district needs assessment, the State Board of Education shall work with the district to provide technical assistance and professional development, in partnership with the district, to implement a continuous improvement plan that would increase outcomes for students. The plan for continuous improvement shall be based on the results of the district needs assessment and shall be used to determine the types of services that are to be provided to each priority district. Potential services for a district may include monitoring adult and student practices, reviewing and reallocating district resources, developing a district leadership team, providing access to curricular content area specialists, and providing online resources and professional development.

The State Board of Education may require priority districts identified as having deficiencies in one or more core functions of the district needs assessment to undergo an accreditation process as provided in subsection (d) of Section 2-3.25f-5 of this Code.
(c) All federal requirements apply to schools and school districts utilizing federal funds under Title I, Part A of the federal Elementary and Secondary Education Act of 1965.

  New matter indicated by italics - deletions by strikeout
Sec. 5. License required. No person shall engage in the selling, practice of testing, fitting, selecting, recommending, adapting, dispensing, or servicing hearing instruments or display a sign, advertise, or represent oneself as a person who practices the fitting or selling of hearing instruments unless such person holds a current license issued by the Department as provided in this Act. Such person shall be known as a licensed hearing instrument dispenser. Individuals licensed pursuant to the provisions of Section 8 of this Act shall be deemed qualified to provide tests of human hearing and hearing instrument evaluations for the purpose of dispensing a hearing instrument for which any State agency may contract. The license shall be conspicuously displayed in the place of business. Duplicate licenses shall be issued by the Department to licensees operating more than one office upon the additional payment set forth in this Act. No hearing instrument manufacturer may distribute, sell, or otherwise provide hearing instruments to any unlicensed hearing care professional for the purpose of selling hearing instruments to the consumer.

Except for violations of the provisions of this Act, or the rules promulgated under it, nothing in this Act shall prohibit a corporation, partnership, trust, association, or other entity from engaging in the business of testing, fitting, servicing, selecting, dispensing, selling, or offering for sale hearing instruments at retail without a license, provided it employs only licensed individuals in the direct testing, fitting, servicing, selecting, offering for sale, or dispensing of such products. Each such corporation, partnership, trust, association, or other entity shall file with the Department, prior to doing business in this State and by July 1 of each calendar year thereafter, on forms prescribed by the Department, a list of all licensed hearing instrument dispensers employed by it and a statement attesting that it complies with this Act and the rules promulgated under it and the regulations of the Federal Food and Drug Administration and the Federal Trade Commission insofar as they are applicable.

Sec. 8. Applicant qualifications; examination.

(a) In order to protect persons who are deaf or hard of hearing, the Department shall authorize or shall conduct an appropriate examination,
which may be the International Hearing Society's licensure examination, for persons who dispense, test, select, recommend, fit, or service hearing instruments. The frequency of holding these examinations shall be determined by the Department by rule. Those who successfully pass such an examination shall be issued a license as a hearing instrument dispenser, which shall be effective for a 2-year period.

(b) Applicants shall be:

   (2) of good moral character;
   (3) the holder of an associate's degree or the equivalent;

   (5) a citizen or person who has the status as a legal alien.

Felony convictions of the applicant and findings against the applicant involving matters set forth in Sections 17 and 18 shall be considered in determining moral character, but such a conviction or finding shall not make an applicant ineligible to register for examination.

(c) Prior to engaging in the practice of fitting, dispensing, or servicing hearing instruments, an applicant shall demonstrate, by means of written and practical examinations, that such person is qualified to practice the testing, selecting, recommending, fitting, selling, or servicing of hearing instruments as defined in this Act. An applicant must obtain a license within 12 months after passing either the written or practical examination, whichever is passed first, or must take and pass those examinations again in order to be eligible to receive a license.

The Department shall, by rule, determine the conditions under which an individual is examined.

(d) Proof of having met the minimum requirements of continuing education as determined by the Board shall be required of all license renewals. Pursuant to rule, the continuing education requirements may, upon petition to the Board, be waived in whole or in part if the hearing instrument dispenser can demonstrate that he or she served in the Coast Guard or Armed Forces, had an extreme hardship, or obtained his or her license by examination or endorsement within the preceding renewal period.

(e) Persons applying for an initial license must demonstrate having earned, at a minimum, an associate degree or its equivalent from an accredited institution of higher education that is recognized by the U.S. Department of Education or that meets the U.S. Department of Education equivalency as determined through a National Association of Credential

(b) The moneys received as fees and fines by the Department under this Act shall be deposited in the Hearing Instrument Dispenser Examining and Disciplinary Fund, which is hereby created as a special fund in the State Treasury, and shall be used only for the administration and enforcement of this Act, including: (1) costs directly related to licensing of persons under this Act; and (2) by the Board in the exercise of its powers and performance of its duties, and such use shall be made by the Department with full consideration of all recommendations of the Board.

All moneys deposited in the Fund shall be appropriated to the Department for expenses of the Department and the Board in the administration and enforcement of this Act.

Moneys in the Fund may be invested and reinvested, with all earnings deposited in the Fund and used for the purposes set forth in this Act.

Sec. 17. Duties of the Board. The Board shall advise the Department in all matters relating to this Act and shall assist as requested by the Director.

The Board shall respond to issues and problems relating to the improvement of services to the deaf or hard of hearing and shall make such recommendations as it considers advisable. It shall file an annual report with the Director and shall meet at least twice a year. The Board may meet at any time at the call of the chair.

The Board shall recommend specialized education programs for persons wishing to become licensed as hearing instrument dispensers and shall, by rule, establish minimum standards of continuing education required for license renewal. No more than 5 hours of continuing education credit per year, however, can be obtained through programs sponsored by hearing instrument manufacturers. A minimum of 2 hours of continuing education credit per licensing period must be obtained in Illinois law and ethics. Continuing education offered by a college, university, or bar association, the International Hearing Society, the American Academy of Audiology, the American Speech-Language-Hearing Association, the Illinois Speech-Language-Hearing Association, the Illinois Academy of Audiology, or the Illinois Hearing Society regarding Illinois law and ethics shall be accepted toward satisfaction of the Illinois law and ethics continuing education requirement.

The Board shall hear charges brought by any person against hearing instrument dispensers and shall recommend disciplinary action to the Director.

AN ACT concerning civil law.

Be it enacted by the People of the State of Illinois, represented in the General Assembly:

Section 5. The Probate Act of 1975 is amended by changing Sections 11-10.1 and 11-13 as follows:

(755 ILCS 5/11-10.1) (from Ch. 110 1/2, par. 11-10.1)
Sec. 11-10.1. Procedure for appointment of a standby guardian or a guardian of a minor.

(a) Unless excused by the court for good cause shown, it is the duty of the petitioner to give notice of the time and place of the hearing on the petition, in person or by mail, to the minor, if the minor is 14 years, or older, and to the relatives and the short-term guardian of the minor whose names and addresses are stated in the petition, not less than 73 days before the hearing, but failure to give notice to any relative is not jurisdictional.

(b) In any proceeding for the appointment of a standby guardian or a guardian the court may appoint a guardian ad litem to represent the minor in the proceeding.
(Source: P.A. 98-1082, eff. 1-1-15.)

(755 ILCS 5/11-13) (from Ch. 110 1/2, par. 11-13)
Sec. 11-13. Duties of guardian of a minor. Before a guardian of a minor may act, the guardian shall be appointed by the court of the proper county and, in the case of a guardian of the minor's estate, the guardian shall give the bond prescribed in Section 12-2. Except as provided in Section 11-13.1 and Section 11-13.2 with respect to the standby or short-term guardian of the person of a minor, the court shall have control over the person and estate of the ward. Under the direction of the court:

(a) The guardian of the person shall have the custody, nurture and tuition and shall provide education of the ward and of his children, but the ward's spouse may not be deprived of the custody and education of the spouse's children, without consent of the spouse, unless the court finds that the spouse is not a fit and competent person to have such custody and education. If the ward's estate is insufficient to provide for the ward's education and the guardian of his person fails to provide education, the court may award the custody of the ward to some other person for the purpose of providing education. If a person makes a settlement upon or provision for the support or education of a ward and if either parent of the

New matter indicated by italics - deletions by strikeout
ward is dead, the court may make such order for the visitation of the ward by the person making the settlement or provision as the court deems proper. The guardian of the minor shall inform the court of the minor's current address by certified mail, hand delivery, or other method in accordance with court rules within 30 days of any change of residence.

(b) The guardian or other representative of the ward's estate shall have the care, management and investment of the estate, shall manage the estate frugally and shall apply the income and principal of the estate so far as necessary for the comfort and suitable support and education of the ward, his children, and persons related by blood or marriage who are dependent upon or entitled to support from him, or for any other purpose which the court deems to be for the best interests of the ward, and the court may approve the making on behalf of the ward of such agreements as the court determines to be for the ward's best interests. The representative may make disbursement of his ward's funds and estate directly to the ward or other distributee or in such other manner and in such amounts as the court directs. If the estate of a ward is derived in whole or in part from payments of compensation, adjusted compensation, pension, insurance or other similar benefits made directly to the estate by the Veterans Administration, notice of the application for leave to invest or expend the ward's funds or estate, together with a copy of the petition and proposed order, shall be given to the Veterans' Administration Regional Office in this State at least 7 days before the hearing on the application. The court, upon petition of a guardian of the estate of a minor, may permit the guardian to make a will or create a revocable or irrevocable trust for the minor that the court considers appropriate in light of changes in applicable tax laws that allow for minimization of State or federal income, estate, or inheritance taxes; however, the will or trust must make distributions only to the persons who would be entitled to distributions if the minor were to die intestate and the will or trust must make distributions to those persons in the same amounts to which they would be entitled if the minor were to die intestate.

(c) Upon the direction of the court which issued his letters a representative may perform the contracts of his ward which were legally subsisting at the time of the commencement of the guardianship. The court may authorize the guardian to execute and deliver any bill of sale, deed or other instrument.

(d) The representative of the estate of a ward shall appear for and represent the ward in all legal proceedings unless another person is
appointed for that purpose as representative or next friend. This does not impair the power of any court to appoint a representative or next friend to defend the interests of the ward in that court, or to appoint or allow any person as the next friend of a ward to commence, prosecute or defend any proceeding in his behalf. Any proceeding on behalf of a minor may be commenced and prosecuted by his next friend, without any previous authority or appointment by the court if the next friend enters bond for costs and files it in the court where the proceeding is pending. Without impairing the power of the court in any respect, if the representative of the estate of a minor and another person as next friend shall appear for and represent the minor in a legal proceeding in which the compensation of the attorney or attorneys representing the guardian and next friend is solely determined under a contingent fee arrangement, the guardian of the estate of the minor shall not participate in or have any duty to review the prosecution of the action, to participate in or review the appropriateness of any settlement of the action, or to participate in or review any determination of the appropriateness of any fees awarded to the attorney or attorneys employed in the prosecution of the action.

(e) Upon petition by any interested person (including the standby or short-term guardian), with such notice to interested persons as the court directs and a finding by the court that it is in the best interest of the minor, the court may terminate or limit the authority of a standby or short-term guardian or may enter such other orders as the court deems necessary to provide for the best interest of the minor. The petition for termination or limitation of the authority of a standby or short-term guardian may, but need not, be combined with a petition to have a guardian appointed for the minor.

(f) The court may grant leave to the guardian of a minor child or children to remove such child or children from Illinois whenever such approval is in the best interests of such child or children. The guardian may not remove a minor from Illinois except as permitted under this Section and must seek leave of the court prior to removing a child for 30 days or more. The burden of proving that such removal is in the best interests of such child or children is on the guardian. When such removal is permitted, the court may require the guardian removing such child or children from Illinois to give reasonable security guaranteeing the return of such children.

The court shall consider the wishes of the minor's parent or parents and the effect of removal on visitation and the wishes of the minor if he or

she is 14 years of age or older. The court may not consider the availability of electronic communication as a factor in support of the removal of a child by the guardian from Illinois. The guardianship order may incorporate language governing removal of the minor from the State. *Any order for removal, including one incorporated into the guardianship order, must include the date of the removal, the reason for removal, and the proposed residential and mailing address of the minor after removal. A copy of the order must be provided to any parent whose location is known, within 3 days of entry, either by personal delivery or by certified mail, return receipt requested.*

Before a minor child is temporarily removed from Illinois for more than 48 hours but less than 30 days, the guardian shall inform the parent or parents of the address and telephone number where the child may be reached during the period of temporary removal and the date on which the child shall return to Illinois. The State of Illinois retains jurisdiction when the minor child is absent from the State pursuant to this subsection. The guardianship order may incorporate language governing out-of-state travel with the minor.

discharge upon an offender unless, having regard to the nature and circumstance of the offense, and to the history, character and condition of the offender, the court is of the opinion that:

(21) Sales. The term "sales" means all gross receipts of the taxpayer not allocated under Sections 301, 302 and 303.

(22) State. The term "state" when applied to a jurisdiction other than this State means any state of the United States, the District of Columbia, the Commonwealth of Puerto Rico, any Territory or Possession of the United States, and any foreign country, or any political subdivision of any of the foregoing. For purposes of the foreign tax credit under Section 601, the term "state" means any state of the United States, the District of Columbia, the Commonwealth of Puerto Rico, and any territory or possession of the United States, or any political subdivision of any

of the foregoing, effective for tax years ending on or after December 31, 1989.

(23) Taxable year. The term "taxable year" means the calendar year, or the fiscal year ending during such calendar year, upon the basis of which the base income is computed under this Act. "Taxable year" means, in the case of a return made for a fractional part of a year under the provisions of this Act, the period for which such return is made.

(24) Taxpayer. The term "taxpayer" means any person subject to the tax imposed by this Act.

(25) International banking facility. The term international banking facility shall have the same meaning as is set forth in the Illinois Banking Act or as is set forth in the laws of the United States or regulations of the Board of Governors of the Federal Reserve System.

(26) Income Tax Return Preparer.
   (A) The term "income tax return preparer" means any person who prepares for compensation, or who employs one or more persons to prepare for compensation, any return of tax imposed by this Act or any claim for refund of tax imposed by this Act. The preparation of a substantial portion of a return or claim for refund shall be treated as the preparation of that return or claim for refund.
   (B) A person is not an income tax return preparer if all he or she does is
      (i) furnish typing, reproducing, or other mechanical assistance;
      (ii) prepare returns or claims for refunds for the employer by whom he or she is regularly and continuously employed;
      (iii) prepare as a fiduciary returns or claims for refunds for any person; or
      (iv) prepare claims for refunds for a taxpayer in response to any notice of deficiency issued to that taxpayer or in response to any waiver of restriction after the commencement of an audit of that taxpayer or of another taxpayer if a determination in the audit of the other taxpayer directly or indirectly affects

the tax liability of the taxpayer whose claims he or she is preparing.

(27) Unitary business group.

(A) The term "unitary business group" means a group of persons related through common ownership whose business activities are integrated with, dependent upon and contribute to each other. The group will not include those members whose business activity outside the United States is 80% or more of any such member's total business activity; for purposes of this paragraph and clause (a)(3)(B)(ii) of Section 304, business activity within the United States shall be measured by means of the factors ordinarily applicable under subsections (a), (b), (c), (d), or (h) of Section 304 except that, in the case of members ordinarily required to apportion business income by means of the 3 factor formula of property, payroll and sales specified in subsection (a) of Section 304, including the formula as weighted in subsection (h) of Section 304, such members shall not use the sales factor in the computation and the results of the property and payroll factor computations of subsection (a) of Section 304 shall be divided by 2 (by one if either the property or payroll factor has a denominator of zero). The computation required by the preceding sentence shall, in each case, involve the division of the member's property, payroll, or revenue miles in the United States, insurance premiums on property or risk in the United States, or financial organization business income from sources within the United States, as the case may be, by the respective worldwide figures for such items. Common ownership in the case of corporations is the direct or indirect control or ownership of more than 50% of the outstanding voting stock of the persons carrying on unitary business activity. Unitary business activity can ordinarily be illustrated where the activities of the members are: (1) in the same general line (such as manufacturing, wholesaling, retailing of tangible personal property, insurance, transportation or finance); or (2) are steps in a vertically structured enterprise or process (such as the steps involved in the production of natural resources, which might include
exploration, mining, refining, and marketing); and, in either instance, the members are functionally integrated through the exercise of strong centralized management (where, for example, authority over such matters as purchasing, financing, tax compliance, product line, personnel, marketing and capital investment is not left to each member).

(B) In no event, shall any unitary business group include members which are ordinarily required to apportion business income under different subsections of Section 304 except that for tax years ending on or after December 31, 1987 this prohibition shall not apply to a holding company that would otherwise be a member of a unitary business group with taxpayers that apportion business income under any of subsections (b), (c), (c-1), or (d) of Section 304. If a unitary business group would, but for the preceding sentence, include members that are ordinarily required to apportion business income under different subsections of Section 304, then for each subsection of Section 304 for which there are two or more members, there shall be a separate unitary business group composed of such members. For purposes of the preceding two sentences, a member is "ordinarily required to apportion business income" under a particular subsection of Section 304 if it would be required to use the apportionment method prescribed by such subsection except for the fact that it derives business income solely from Illinois. As used in this paragraph, the phrase "United States" means only the 50 states and the District of Columbia, but does not include any territory or possession of the United States or any area over which the United States has asserted jurisdiction or claimed exclusive rights with respect to the exploration for or exploitation of natural resources.

(C) Holding companies.

(i) For purposes of this subparagraph, a "holding company" is a corporation (other than a corporation that is a financial organization under paragraph (8) of this subsection (a) of Section 1501 because it is a bank holding company under the
provisions of the Bank Holding Company Act of 1956 (12 U.S.C. 1841, et seq.) or because it is owned by a bank or a bank holding company) that owns a controlling interest in one or more other taxpayers ("controlled taxpayers"); that, during the period that includes the taxable year and the 2 immediately preceding taxable years or, if the corporation was formed during the current or immediately preceding taxable year, the taxable years in which the corporation has been in existence, derived substantially all its gross income from dividends, interest, rents, royalties, fees or other charges received from controlled taxpayers for the provision of services, and gains on the sale or other disposition of interests in controlled taxpayers or in property leased or licensed to controlled taxpayers or used by the taxpayer in providing services to controlled taxpayers; and that incurs no substantial expenses other than expenses (including interest and other costs of borrowing) incurred in connection with the acquisition and holding of interests in controlled taxpayers and in the provision of services to controlled taxpayers or in the leasing or licensing of property to controlled taxpayers.

(ii) The income of a holding company which is a member of more than one unitary business group shall be included in each unitary business group of which it is a member on a pro rata basis, by including in each unitary business group that portion of the base income of the holding company that bears the same proportion to the total base income of the holding company as the gross receipts of the unitary business group bears to the combined gross receipts of all unitary business groups (in both cases without regard to the holding company) or on any other reasonable basis, consistently applied.

(iii) A holding company shall apportion its business income under the subsection of Section 304 used by the other members of its unitary

business group. The apportionment factors of a holding company which would be a member of more than one unitary business group shall be included with the apportionment factors of each unitary business group of which it is a member on a pro rata basis using the same method used in clause (ii).

(iv) The provisions of this subparagraph (C) are intended to clarify existing law.

(D) If including the base income and factors of a holding company in more than one unitary business group under subparagraph (C) does not fairly reflect the degree of integration between the holding company and one or more of the unitary business groups, the dependence of the holding company and one or more of the unitary business groups upon each other, or the contributions between the holding company and one or more of the unitary business groups, the holding company may petition the Director, under the procedures provided under Section 304(f), for permission to include all base income and factors of the holding company only with members of a unitary business group apportioning their business income under one subsection of subsections (a), (b), (c), or (d) of Section 304. If the petition is granted, the holding company shall be included in a unitary business group only with persons apportioning their business income under the selected subsection of Section 304 until the Director grants a petition of the holding company either to be included in more than one unitary business group under subparagraph (C) or to include its base income and factors only with members of a unitary business group apportioning their business income under a different subsection of Section 304.

(E) If the unitary business group members' accounting periods differ, the common parent's accounting period or, if there is no common parent, the accounting period of the member that is expected to have, on a recurring basis, the greatest Illinois income tax liability must be used to determine whether to use the

apportionment method provided in subsection (a) or subsection (h) of Section 304. The prohibition against membership in a unitary business group for taxpayers ordinarily required to apportion income under different subsections of Section 304 does not apply to taxpayers required to apportion income under subsection (a) and subsection (h) of Section 304. The provisions of this amendatory Act of 1998 apply to tax years ending on or after December 31, 1998.

(28) Subchapter S corporation. The term "Subchapter S corporation" means a corporation for which there is in effect an election under Section 1362 of the Internal Revenue Code, or for which there is a federal election to opt out of the provisions of the Subchapter S Revision Act of 1982 and have applied instead the prior federal Subchapter S rules as in effect on July 1, 1982.

(30) Foreign person. The term "foreign person" means any person who is a nonresident alien individual and any nonindividual entity, regardless of where created or organized, whose business activity outside the United States is 80% or more of the entity's total business activity.

(b) Other definitions.

(1) Words denoting number, gender, and so forth, when used in this Act, where not otherwise distinctly expressed or manifestly incompatible with the intent thereof:

(A) Words importing the singular include and apply to several persons, parties or things;

(B) Words importing the plural include the singular; and

(C) Words importing the masculine gender include the feminine as well.

(2) "Company" or "association" as including successors and assigns. The word "company" or "association", when used in reference to a corporation, shall be deemed to embrace the words "successors and assigns of such company or association", and in like manner as if these last-named words, or words of similar import, were expressed.

(3) Other terms. Any term used in any Section of this Act with respect to the application of, or in connection with, the

meaning as in such other Section.

PUBLIC ACT 99-0214
(House Bill No. 3788)

AN ACT concerning transportation.
Be it enacted by the People of the State of Illinois, represented in
the General Assembly:

Section 5. The Toll Highway Act is amended by changing Section
10 as follows:

(605 ILCS 10/10) (from Ch. 121, par. 100-10)
Sec. 10. The Authority shall have power:
(a) To pass resolutions, make by-laws, rules and regulations for the
management, regulation and control of its affairs, and to fix tolls, and to
make, enact and enforce all needful rules and regulations in connection
with the construction, operation, management, care, regulation or
protection of its property or any toll highways, constructed or
reconstructed hereunder.

(a-5) To fix, assess, and collect civil fines for a vehicle's operation
on a toll highway without the required toll having been paid. The
Authority may establish by rule a system of civil administrative
adjudication to adjudicate only alleged instances of a vehicle's operation
on a toll highway without the required toll having been paid, as detected
by the Authority's video or photo surveillance system. In cases in which
the operator of the vehicle is not the registered vehicle owner, the
establishment of ownership of the vehicle creates a rebuttable presumption
that the vehicle was being operated by an agent of the registered vehicle
owner. If the registered vehicle owner liable for a violation under this
Section was not the operator of the vehicle at the time of the violation, the
owner may maintain an action for indemnification against the operator in
the circuit court. Rules establishing a system of civil administrative

adjudication must provide for written notice, by first class mail or other means provided by law, to the address of the registered owner of the cited vehicle as recorded with the Secretary of State or to the lessee of the cited vehicle at the last address known to the lessor of the cited vehicle at the time of the lease, of the alleged violation and an opportunity to be heard on the question of the violation and must provide for the establishment of a toll-free telephone number to receive inquiries concerning alleged violations. The notice shall also inform the registered vehicle owner that failure to contest in the manner and time provided shall be deemed an admission of liability and that a final order of liability may be entered on that admission. A duly authorized agent of the Authority may perform or execute the preparation, certification, affirmation, or mailing of the notice. A notice of violation, sworn or affirmed to or certified by a duly authorized agent of the Authority, or a facsimile of the notice, based upon an inspection of photographs, microphotographs, videotape, or other recorded images produced by a video or photo surveillance system, shall be admitted as prima facie evidence of the correctness of the facts contained in the notice or facsimile. Only civil fines, along with the corresponding outstanding toll, and costs may be imposed by administrative adjudication. A fine may be imposed under this paragraph only if a violation is established by a preponderance of the evidence. Judicial review of all final orders of the Authority under this paragraph shall be conducted in the circuit court of the county in which the administrative decision was rendered in accordance with the Administrative Review Law.

The Authority may maintain a listing or searchable database on its website of persons or entities that have been issued one or more final orders of liability with a total amount due of more than $1,000 for tolls, fines, unpaid late fees, or administrative costs that remain unpaid after the exhaustion of, or the failure to exhaust, the judicial review procedures under the Administrative Review Law. Each entry may include the person's or entity's name as listed on the final order of liability.

Any outstanding toll, fine, additional late payment fine, other sanction, or costs imposed, or part of any fine, other sanction, or costs imposed, remaining unpaid after the exhaustion of, or the failure to exhaust, judicial review procedures under the Administrative Review Law are a debt due and owing the Authority and may be collected in accordance with applicable law. After expiration of the period in which judicial review under the Administrative Review Law may be sought, unless

stayed by a court of competent jurisdiction, a final order of the Authority under this subsection (a-5) may be enforced in the same manner as a judgment entered by a court of competent jurisdiction. Notwithstanding any other provision of this Act, the Authority may, with the approval of the Attorney General, retain a law firm or law firms with expertise in the collection of government fines and debts for the purpose of collecting fines, costs, and other moneys due under this subsection (a-5).

A system of civil administrative adjudication may also provide for a program of vehicle immobilization, tow, or impoundment for the purpose of facilitating enforcement of any final order or orders of the Authority under this subsection (a-5) that result in a finding or liability for 5 or more violations after expiration of the period in which judicial review under the Administrative Review Law may be sought. The registered vehicle owner of a vehicle immobilized, towed, or impounded for nonpayment of a final order of the Authority under this subsection (a-5) shall have the right to request a hearing before the Authority's civil administrative adjudicatory system to challenge the validity of the immobilization, tow, or impoundment. This hearing, however, shall not constitute a readjudication of the merits of previously adjudicated notices. Judicial review of all final orders of the Authority under this subsection (a-5) shall be conducted in the circuit court of the county in which the administrative decision was rendered in accordance with the Administrative Review Law.

No commercial entity that is the lessor of a vehicle under a written lease agreement shall be liable for an administrative notice of violation for toll evasion issued under this subsection (a-5) involving that vehicle during the period of the lease if the lessor provides a copy of the leasing agreement to the Authority within 30 days of the issue date on the notice of violation. The leasing agreement also must contain a provision or addendum informing the lessee that the lessee is liable for payment of all tolls and any fines for toll evasion. Each entity must also post a sign at the leasing counter notifying the lessee of that liability. The copy of the leasing agreement provided to the Authority must contain the name, address, and driver's license number of the lessee, as well as the check-out and return dates and times of the vehicle and the vehicle license plate number and vehicle make and model.

As used in this subsection (a-5), "lessor" includes commercial leasing and rental entities but does not include public passenger vehicle entities.

The Authority shall establish an amnesty program for violations adjudicated under this subsection (a-5). Under the program, any person who has an outstanding notice of violation for toll evasion or a final order of a hearing officer for toll evasion dated prior to the effective date of this amendatory Act of the 94th General Assembly and who pays to the Authority the full percentage amounts listed in this paragraph remaining due on the notice of violation or final order of the hearing officer and the full fees and costs paid by the Authority to the Secretary of State relating to suspension proceedings, if applicable, on or before 5:00 p.m., Central Standard Time, of the 60th day after the effective date of this amendatory Act of the 94th General Assembly shall not be required to pay more than the listed percentage of the original fine amount and outstanding toll as listed on the notice of violation or final order of the hearing officer and the full fees and costs paid by the Authority to the Secretary of State relating to suspension proceedings, if applicable. The payment percentage scale shall be as follows: a person with 25 or fewer violations shall be eligible for amnesty upon payment of 50% of the original fine amount and the outstanding tolls; a person with more than 25 but fewer than 51 violations shall be eligible for amnesty upon payment of 60% of the original fine amount and the outstanding tolls; and a person with 51 or more violations shall be eligible for amnesty upon payment of 75% of the original fine amount and the outstanding tolls. In such a situation, the Executive Director of the Authority or his or her designee is authorized and directed to waive any late fine amount above the applicable percentage of the original fine amount. Partial payment of the amount due shall not be a basis to extend the amnesty payment deadline nor shall it act to relieve the person of liability for payment of the late fine amount. In order to receive amnesty, the full amount of the applicable percentage of the original fine amount and outstanding toll remaining due on the notice of violation or final order of the hearing officer and the full fees and costs paid by the Authority to the Secretary of State relating to suspension proceedings, if applicable, must be paid in full by 5:00 p.m., Central Standard Time, of the 60th day after the effective date of this amendatory Act of the 94th General Assembly. This amendatory Act of the 94th General Assembly has no retroactive effect with regard to payments already tendered to the Authority that were full payments or payments in an amount greater than the applicable percentage, and this Act shall not be the basis for either a refund or a credit. This amendatory Act of the 94th General Assembly does not apply to toll evasion citations issued by the Illinois State Police or

New matter indicated by italics - deletions by strikeout
other authorized law enforcement agencies and for which payment may be due to or through the clerk of the circuit court. The Authority shall adopt rules as necessary to implement the provisions of this amendatory Act of the 94th General Assembly. The Authority, by a resolution of the Board of Directors, shall have the discretion to implement similar amnesty programs in the future. The Authority, at its discretion and in consultation with the Attorney General, is further authorized to settle an administrative fine or penalty if it determines that settling for less than the full amount is in the best interests of the Authority after taking into account the following factors: (1) the merits of the Authority's claim against the respondent; (2) the amount that can be collected relative to the administrative fine or penalty owed by the respondent; (3) the cost of pursuing further enforcement or collection action against the respondent; (4) the likelihood of collecting the full amount owed; and (5) the burden on the judiciary. The provisions in this Section may be extended to other toll facilities in the State of Illinois through a duly executed agreement between the Authority and the operator of the toll facility.

(b) To prescribe rules and regulations applicable to traffic on highways under the jurisdiction of the Authority, concerning:

(1) Types of vehicles permitted to use such highways or parts thereof; and classification of such vehicles;

(2) Designation of the lanes of traffic to be used by the different types of vehicles permitted upon said highways;

(3) Stopping, standing, and parking of vehicles;

(4) Control of traffic by means of police officers or traffic control signals;

(5) Control or prohibition of processions, convoys, and assemblages of vehicles and persons;

(6) Movement of traffic in one direction only on designated portions of said highways;

(7) Control of the access, entrance, and exit of vehicles and persons to and from said highways; and

(8) Preparation, location and installation of all traffic signs; and to prescribe further rules and regulations applicable to such traffic, concerning matters not provided for either in the foregoing enumeration or in the Illinois Vehicle Code. Notice of such rules and regulations shall be posted conspicuously and displayed at appropriate points and at reasonable intervals along said highways, by clearly legible markers or signs, to provide notice of the

New matter indicated by italics - deletions by strikeout
existence of such rules and regulations to persons traveling on said highways. At each toll station, the Authority shall make available, free of charge, pamphlets containing all of such rules and regulations.

(c) The Authority, in fixing the rate for tolls for the privilege of using the said toll highways, is authorized and directed, in fixing such rates, to base the same upon annual estimates to be made, recorded and filed with the Authority. Said estimates shall include the following: The estimated total amount of the use of the toll highways; the estimated amount of the revenue to be derived therefrom, which said revenue, when added to all other receipts and income, will be sufficient to pay the expense of maintaining and operating said toll highways, including the administrative expenses of the Authority, and to discharge all obligations of the Authority as they become due and payable.

(d) To accept from any municipality or political subdivision any lands, easements or rights in land needed for the operation, construction, relocation or maintenance of any toll highways, with or without payment therefor, and in its discretion to reimburse any such municipality or political subdivision out of its funds for any cost or expense incurred in the acquisition of land, easements or rights in land, in connection with the construction and relocation of the said toll highways, widening, extending roads, streets or avenues in connection therewith, or for the construction of any roads or streets forming extension to and connections with or between any toll highways, or for the cost or expense of widening, grading, surfacing or improving any existing streets or roads or the construction of any streets and roads forming extensions of or connections with any toll highways constructed, relocated, operated, maintained or regulated hereunder by the Authority. Where property owned by a municipality or political subdivision is necessary to the construction of an approved toll highway, if the Authority cannot reach an agreement with such municipality or political subdivision and if the use to which the property is being put in the hands of the municipality or political subdivision is not essential to the existence or the administration of such municipality or political subdivision, the Authority may acquire the property by condemnation.

(xiii) to an HIE as specifically allowed under this Act for HIE purposes and in accordance with any applicable requirements of the HIE; and:

(xiv) to a law enforcement agency in connection with the investigation or recovery of a person who has left a mental health or developmental disability facility as defined in Section 1-107 or 1-114 of the Mental Health and Developmental Disabilities Code or the custody of the Department of Human Services without being duly discharged or being free to do so; however, disclosure shall be limited to identifying information as defined in Section 12.2 of this Act.

Any person, institution, or agency, under this Act, participating in good faith in the making of a report under the Abused and Neglected Child Reporting Act or in the disclosure of records and communications under this Section, shall have immunity from any liability, civil, criminal or otherwise, that might result by reason of such action. For the purpose of any proceeding, civil or criminal, arising out of a report or disclosure under this Section, the good faith of any person, institution, or agency so reporting or disclosing shall be presumed.

other serious incident has occurred within a mental health or developmental disability facility or while transporting a patient to or from a mental health or developmental disability facility shall report that violation or incident and the identity of individuals with personal knowledge of the facts related to the violation or incident to the appropriate law enforcement and investigating agencies.

In the course of any investigation conducted pursuant to a report made under this Section, any person with personal knowledge of the incident or the circumstances surrounding the incident shall disclose that information to the individuals conducting the investigation, except that information regarding a recipient of services shall be limited solely to identifying information as defined in Section 12.2 of this Act as well as information relating to the factual circumstances of the incident.

(740 ILCS 110/12.2) (from Ch. 91 1/2, par. 812.2)

Sec. 12.2. (a) When a recipient who has been judicially or involuntarily admitted, or is a forensic recipient admitted to a developmental disability or mental health facility, as defined in Section 1-107 or 1-114 of the Mental Health and Developmental Disabilities Code, is on an unauthorized absence or otherwise has left the custody of the Department of Human Services facility without being discharged or being free to do so, the facility director shall immediately furnish and disclose to the appropriate local law enforcement agency identifying information, as defined in this Section, and all further information unrelated to the diagnosis, treatment or evaluation of the recipient's mental or physical health that would aid the law enforcement agency in recovering and apprehending the recipient and returning him or her to custody of the facility. When a forensic recipient is on an unauthorized absence or otherwise has left the custody of the Department facility without being discharged or being free to do so, the facility director, or designee, of a mental health facility or developmental facility operated by the Department shall also immediately notify, in like manner, the Department of State Police.

(b) If a law enforcement agency requests information from a developmental disability or mental health facility, as defined in Section 1-107 or 1-114 of the Mental Health and Developmental Disabilities Code, relating to a recipient who has been admitted to the facility and for whom a missing person report has been filed with a law enforcement agency, the facility director shall, except in the case of a voluntary recipient wherein

the recipient's permission in writing must first be obtained, furnish and
disclose to the law enforcement agency identifying information as is
necessary to confirm or deny whether that person is, or has been since the
missing person report was filed, a resident of that facility. The facility
director shall notify the law enforcement agency if the missing person is
admitted after the request. Any person participating in good faith in the
disclosure of information in accordance with this provision shall have
immunity from any liability, civil, criminal, or otherwise, if the
information is disclosed relying upon the representation of an officer of a
law enforcement agency that a missing person report has been filed.

(c) Upon the request of a law enforcement agency in connection
with the investigation of a particular felony or sex offense, when the
investigation case file number is furnished by the law enforcement agency,
a facility director shall immediately disclose to that law enforcement
agency identifying information on any forensic recipient who is admitted
to a developmental disability or mental health facility, as defined in
Section 1-107 or 1-114 of the Mental Health and Developmental
Disabilities Code, who was or may have been away from the facility at or
about the time of the commission of a particular felony or sex offense,
and: (1) whose description, clothing, or both reasonably match the physical
description of any person allegedly involved in that particular felony or sex
offense; or (2) whose past modus operandi matches the modus operandi of
that particular felony or sex offense.

(d) For the purposes of this Section and Section 12.1, "law
enforcement agency" means an agency of the State or unit of local
government that is vested by law or ordinance with the duty to maintain
public order and to enforce criminal laws or ordinances, the Federal
Bureau of Investigation, the Central Intelligence Agency, and the United
States Secret Service.

(e) For the purpose of this Section, "identifying information"
means the name, address, age, and a physical description, including
clothing, of the recipient of services, the names and addresses of the
recipient's nearest known relatives, where the recipient was known to have
been during any past unauthorized absences from a facility, whether the
recipient may be suicidal, and the condition of the recipient's physical
health as it relates to exposure to the weather. Except as provided in
Section 11, in no case shall the facility director disclose to the law
enforcement agency any information relating to the diagnosis, treatment,
or evaluation of the recipient's mental or physical health, unless the

disclosure is deemed necessary by the facility director to insure the safety of the investigating officers or general public.

(f) For the purpose of this Section, "forensic recipient" means a recipient who is placed in a developmental disability facility or mental health facility, as defined in Section 1-107 or 1-114 of the Mental Health and Developmental Disabilities Code, pursuant to Article 104 of the Code of Criminal Procedure of 1963 or Sections 3-8-5, 3-10-5 or 5-2-4 of the Unified Code of Corrections.

Section 99. Effective date. This Act takes effect upon becoming law.

Approved July 31, 2015.
Effective July 31, 2015.

PUBLIC ACT 99-0217
(Senate Bill No. 0507)

AN ACT concerning revenue.
Be it enacted by the People of the State of Illinois, represented in the General Assembly:

Section 5. The Use Tax Act is amended by changing Section 19 as follows:

(35 ILCS 105/19) (from Ch. 120, par. 439.19)
Sec. 19. If it shall appear that an amount of tax or penalty or interest has been paid in error hereunder to the Department by a purchaser, as distinguished from the retailer, whether such amount be paid through a mistake of fact or an error of law, such purchaser may file a claim for credit or refund with the Department in accordance with Sections 6, 6a, 6b, and 6c, and 6d of the Retailers' Occupation Tax Act. If it shall appear that an amount of tax or penalty or interest has been paid in error to the Department hereunder by a retailer who is required or authorized to collect and remit the use tax, whether such amount be paid through a mistake of fact or an error of law, such retailer may file a claim for credit or refund with the Department in accordance with Sections 6, 6a, 6b, and 6c, and 6d of the Retailers' Occupation Tax Act, provided that no credit or refund shall be allowed for any amount paid by any such retailer unless it shall appear that he bore the burden of such amount and did not shift the burden thereof to anyone else (as in the case of a duplicated tax payment which

New matter indicated by italics - deletions by strikeout
the retailer made to the Department and did not collect from anyone else),
or unless it shall appear that he or she or his or her legal representative has
unconditionally repaid such amount to his vendee (1) who bore the burden
thereof and has not shifted such burden directly or indirectly in any
manner whatsoever; (2) who, if he has shifted such burden, has repaid
unconditionally such amount to his or her own vendee, and (3) who is not
entitled to receive any reimbursement therefor from any other source than
from his vendor, nor to be relieved of such burden in any other manner
whatever. If it shall appear that an amount of tax has been paid in error
hereunder by the purchaser to a retailer, who retained such tax as
reimbursement for his or her tax liability on the same sale under the
Retailers' Occupation Tax Act, and who remitted the amount involved to
the Department under the Retailers' Occupation Tax Act, whether such
amount be paid through a mistake of fact or an error of law, the procedure
for recovering such tax shall be that prescribed in Sections 6, 6a, 6b and 6c

Any credit or refund that is allowed under this Section shall bear
interest at the rate and in the manner specified in the Uniform Penalty and
Interest Act.

Any claim filed hereunder shall be filed upon a form prescribed
and furnished by the Department. The claim shall be signed by the
claimant (or by the claimant's legal representative if the claimant shall
have died or become a person under legal disability), or by a duly
authorized agent of the claimant or his or her legal representative.

A claim for credit or refund shall be considered to have been filed
with the Department on the date upon which it is received by the
Department. Upon receipt of any claim for credit or refund filed under this
Act, any officer or employee of the Department, authorized in writing by
the Director of Revenue to acknowledge receipt of such claims on behalf
of the Department, shall execute on behalf of the Department, and shall
deliver or mail to the claimant or his duly authorized agent, a written
receipt, acknowledging that the claim has been filed with the Department,
describing the claim in sufficient detail to identify it and stating the date
upon which the claim was received by the Department. Such written
receipt shall be prima facie evidence that the Department received the
claim described in such receipt and shall be prima facie evidence of the
date when such claim was received by the Department. In the absence of
such a written receipt, the records of the Department as to when the claim
was received by the Department, or as to whether or not the claim was

New matter indicated by italics - deletions by strikeout
received at all by the Department, shall be deemed to be prima facie correct upon these questions in the event of any dispute between the claimant (or his or her legal representative) and the Department concerning these questions.

In case the Department determines that the claimant is entitled to a refund, such refund shall be made only from such appropriation as may be available for that purpose. If it appears unlikely that the amount appropriated would permit everyone having a claim allowed during the period covered by such appropriation to elect to receive a cash refund, the Department, by rule or regulation, shall provide for the payment of refunds in hardship cases and shall define what types of cases qualify as hardship cases.

If a retailer who has failed to pay use tax on gross receipts from retail sales is required by the Department to pay such tax, such retailer, without filing any formal claim with the Department, shall be allowed to take credit against such use tax liability to the extent, if any, to which such retailer has paid an amount equivalent to retailers' occupation tax or has paid use tax in error to his or her vendor or vendors of the same tangible personal property which such retailer bought for resale and did not first use before selling it, and no penalty or interest shall be charged to such retailer on the amount of such credit. However, when such credit is allowed to the retailer by the Department, the vendor is precluded from refunding any of that tax to the retailer and filing a claim for credit or refund with respect thereto with the Department. The provisions of this amendatory Act shall be applied retroactively, regardless of the date of the transaction.

Section 10. The Service Occupation Tax Act is amended by changing Section 12 as follows:

(35 ILCS 115/12) (from Ch. 120, par. 439.112)

Sec. 12. All of the provisions of Sections 1d, 1e, 1f, 1i, 1j, 1j.1, 1k, 1m, 1n, 2a, 2b, 2c, 3 (except as to the disposition by the Department of the tax collected under this Act), 4 (except that the time limitation provisions shall run from the date when the tax is due rather than from the date when gross receipts are received), 5 (except that the time limitation provisions shall run from the date when the tax is due rather than from the date when gross receipts are received), 5a, 5b, 5c, 5e, 5f, 5g, 5k, 5l, 6d, 7, 8, 9, 10, 11 and 12 of the "Retailers' Occupation Tax Act" which are not inconsistent with this Act, and Section 3-7 of the Uniform Penalty and Interest Act shall apply, as far as practicable, to the subject matter of this Act to the same extent as if such provisions were included herein.

(Source: P.A. 98-1098, eff. 8-26-14.)

Section 15. The Retailers' Occupation Tax Act is amended by adding Section 6d as follows:

(35 ILCS 120/6d new)

Sec. 6d. Deduction for uncollectible debt.

(a) A retailer is relieved from liability for any tax that becomes due and payable if the tax is represented by amounts that are found to be worthless or uncollectible, have been charged off as bad debt on the retailer's books and records in accordance with generally accepted accounting principles, and have been claimed as a deduction pursuant to Section 166 of the Internal Revenue Code on the income tax return filed by the retailer. A retailer that has previously paid such a tax may, under rules and regulations adopted by the Department, take as a deduction the amount charged off by the retailer. If these accounts are thereafter, in whole or in part, collected by the retailer, the amount collected shall be
included in the first return filed after the collection, and the tax shall be paid with the return.

(b) With respect to the payment of taxes on purchases made through a private-label credit card:

(1) If consumer accounts or receivables are found to be worthless or uncollectible, the retailer may claim a deduction on a return in an amount equal to, or may obtain a refund of, the tax remitted by the retailer on the unpaid balance due if:

(A) the accounts or receivables have been charged off as bad debt on the lender's books and records on or after January 1, 2016;

(B) the accounts or receivables have been claimed as a deduction pursuant to Section 166 of the Internal Revenue Code on the federal income tax return filed by the lender; and

(C) a deduction was not previously claimed and a refund was not previously allowed on that portion of the account or receivable.

(2) If the retailer or the lender subsequently collects, in whole or in part, the accounts or receivables for which a deduction or refund has been granted under paragraph (1), the retailer must include the taxable percentage of the amount collected in the first return filed after the collection and pay the tax on the portion of that amount for which a deduction or refund was granted.

(3) For purposes of the deduction or refund allowable under this Section, the limitations period for claiming the deduction or refund shall be the same as the limitations period set forth in Section 6 of this Act for filing a claim for credit, and shall commence on the date that the account or receivable has been claimed as a bad debt deduction pursuant to Section 166 of the Internal Revenue Code on the federal income tax return filed by the lender, regardless of the date on which the sale of the tangible personal property actually occurred.

(4) The deduction or refund allowed under this Section:

(A) does not apply to credit sale transaction amounts resulting from purchases of titled property;

(B) includes only those credit sale transaction amounts that represent purchases from the retailer whose
name or logo appears on the private-label credit card used to make those purchases;

(C) may only be taken by the taxpayer, or its successors, that filed the return and remitted tax on the original sale on which the deduction or refund claim is based; and

(D) includes all credit sale transaction amounts eligible under paragraph (B) that are outstanding with respect to the specific private-label credit card account or receivable at the time the account or receivable is charged off, regardless of the date the credit sale transaction actually occurred.

(5) The retailer and lender shall maintain adequate books, records, or other documentation supporting the charge off of the accounts or receivables for which a deduction was taken or a refund was claimed under this Section. A retailer claiming a deduction or refund for bad debts from purchases made using a private label credit card shall meet the same standard of documentation as a retailer that claims a deduction or refund for bad debts that are from purchases made not using a private label credit card. For purposes of computing the deduction or refund, payments on the accounts or receivables shall be prorated against the amounts outstanding on the account.

(c) For purposes of this Section:

(1) "Retailer" means a person who holds himself or herself out as being engaged (or who habitually engages) in selling tangible personal property at retail with respect to such sales and includes a retailer's affiliates.

(2) "Lender" means a person, or an affiliate, assignee, or transferee of that person, who owns or has owned a private-label credit card account or an interest in a private-label credit card receivable that the person:

(A) purchased directly from a retailer who remitted the tax imposed under this Act;

(B) originated pursuant to that person's contract with the retailer who remitted the tax imposed under this Act; or

(C) acquired from a third party.
(3) "Private-label credit card" means a charge card or credit card that carries, refers to, or is branded with the name or logo of a retailer and may only be used to make purchases from that retailer or that retailer's affiliates.

(4) "Affiliate" means an entity affiliated under Section 1504 of the Internal Revenue Code, or an entity that would be an affiliate under that Section had the entity been a corporation.

(d) This Section is exempt from the provisions of Section 2-70 of this Act, Section 3-90 of the Use Tax Act, Section 3-55 of the Service Use Tax Act, Section 3-55 of the Service Occupation Tax Act, and any other provision of law that provides that an exemption, credit, or deduction automatically sunsets after a specified period of time after the effective date of the Public Act creating the exemption, credit, or deduction.

Section 20. The Counties Code is amended by changing Sections 5-1006, 5-1006.5, and 5-1006.7 as follows:

(55 ILCS 5/5-1006) (from Ch. 34, par. 5-1006)
Sec. 5-1006. Home Rule County Retailers' Occupation Tax Law. Any county that is a home rule unit may impose a tax upon all persons engaged in the business of selling tangible personal property, other than an item of tangible personal property titled or registered with an agency of this State's government, at retail in the county on the gross receipts from such sales made in the course of their business. If imposed, this tax shall only be imposed in 1/4% increments. On and after September 1, 1991, this additional tax may not be imposed on the sales of food for human consumption which is to be consumed off the premises where it is sold (other than alcoholic beverages, soft drinks and food which has been prepared for immediate consumption) and prescription and nonprescription medicines, drugs, medical appliances and insulin, urine testing materials, syringes and needles used by diabetics. The tax imposed by a home rule county pursuant to this Section and all civil penalties that may be assessed as an incident thereof shall be collected and enforced by the State Department of Revenue. The certificate of registration that is issued by the Department to a retailer under the Retailers' Occupation Tax Act shall permit the retailer to engage in a business that is taxable under any ordinance or resolution enacted pursuant to this Section without registering separately with the Department under such ordinance or resolution or under this Section. The Department shall have full power to administer and enforce this Section; to collect all taxes and penalties due hereunder; to dispose of taxes and penalties so collected in the manner

New matter indicated by italics - deletions by strikeout
hereinafter provided; and to determine all rights to credit memoranda arising on account of the erroneous payment of tax or penalty hereunder. In the administration of, and compliance with, this Section, the Department and persons who are subject to this Section shall have the same rights, remedies, privileges, immunities, powers and duties, and be subject to the same conditions, restrictions, limitations, penalties and definitions of terms, and employ the same modes of procedure, as are prescribed in Sections 1, 1a, 1a-1, 1d, 1e, 1f, 1i, 1j, 1k, 1m, 1n, 2 through 2-65 (in respect to all provisions therein other than the State rate of tax), 4, 5, 5a, 5b, 5c, 5d, 5e, 5f, 5g, 5h, 5i, 5j, 5k, 5l, 6, 6a, 6b, 6c, 6d, 7, 8, 9, 10, 11, 12 and 13 of the Retailers' Occupation Tax Act and Section 3-7 of the Uniform Penalty and Interest Act, as fully as if those provisions were set forth herein.

No tax may be imposed by a home rule county pursuant to this Section unless the county also imposes a tax at the same rate pursuant to Section 5-1007.

Persons subject to any tax imposed pursuant to the authority granted in this Section may reimburse themselves for their seller's tax liability hereunder by separately stating such tax as an additional charge, which charge may be stated in combination, in a single amount, with State tax which sellers are required to collect under the Use Tax Act, pursuant to such bracket schedules as the Department may prescribe.

Whenever the Department determines that a refund should be made under this Section to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause the order to be drawn for the amount specified and to the person named in the notification from the Department. The refund shall be paid by the State Treasurer out of the home rule county retailers' occupation tax fund.

The Department shall forthwith pay over to the State Treasurer, ex officio, as trustee, all taxes and penalties collected hereunder.

As soon as possible after the first day of each month, beginning January 1, 2011, upon certification of the Department of Revenue, the Comptroller shall order transferred, and the Treasurer shall transfer, to the STAR Bonds Revenue Fund the local sales tax increment, as defined in the Innovation Development and Economy Act, collected under this Section during the second preceding calendar month for sales within a STAR bond district.

After the monthly transfer to the STAR Bonds Revenue Fund, on or before the 25th day of each calendar month, the Department shall

New matter indicated by italics - deletions by strikeout
prepare and certify to the Comptroller the disbursement of stated sums of money to named counties, the counties to be those from which retailers have paid taxes or penalties hereunder to the Department during the second preceding calendar month. The amount to be paid to each county shall be the amount (not including credit memoranda) collected hereunder during the second preceding calendar month by the Department plus an amount the Department determines is necessary to offset any amounts that were erroneously paid to a different taxing body, and not including an amount equal to the amount of refunds made during the second preceding calendar month by the Department on behalf of such county, and not including any amount which the Department determines is necessary to offset any amounts which were payable to a different taxing body but were erroneously paid to the county, and not including any amounts that are transferred to the STAR Bonds Revenue Fund. Within 10 days after receipt, by the Comptroller, of the disbursement certification to the counties provided for in this Section to be given to the Comptroller by the Department, the Comptroller shall cause the orders to be drawn for the respective amounts in accordance with the directions contained in the certification.

In addition to the disbursement required by the preceding paragraph, an allocation shall be made in March of each year to each county that received more than $500,000 in disbursements under the preceding paragraph in the preceding calendar year. The allocation shall be in an amount equal to the average monthly distribution made to each such county under the preceding paragraph during the preceding calendar year (excluding the 2 months of highest receipts). The distribution made in March of each year subsequent to the year in which an allocation was made pursuant to this paragraph and the preceding paragraph shall be reduced by the amount allocated and disbursed under this paragraph in the preceding calendar year. The Department shall prepare and certify to the Comptroller for disbursement the allocations made in accordance with this paragraph.

For the purpose of determining the local governmental unit whose tax is applicable, a retail sale by a producer of coal or other mineral mined in Illinois is a sale at retail at the place where the coal or other mineral mined in Illinois is extracted from the earth. This paragraph does not apply to coal or other mineral when it is delivered or shipped by the seller to the purchaser at a point outside Illinois so that the sale is exempt under the United States Constitution as a sale in interstate or foreign commerce.

New matter indicated by italics - deletions by strikeout
Nothing in this Section shall be construed to authorize a county to impose a tax upon the privilege of engaging in any business which under the Constitution of the United States may not be made the subject of taxation by this State.

An ordinance or resolution imposing or discontinuing a tax hereunder or effecting a change in the rate thereof shall be adopted and a certified copy thereof filed with the Department on or before the first day of June, whereupon the Department shall proceed to administer and enforce this Section as of the first day of September next following such adoption and filing. Beginning January 1, 1992, an ordinance or resolution imposing or discontinuing the tax hereunder or effecting a change in the rate thereof shall be adopted and a certified copy thereof filed with the Department on or before the first day of July, whereupon the Department shall proceed to administer and enforce this Section as of the first day of October next following such adoption and filing. Beginning January 1, 1993, an ordinance or resolution imposing or discontinuing the tax hereunder or effecting a change in the rate thereof shall be adopted and a certified copy thereof filed with the Department on or before the first day of October, whereupon the Department shall proceed to administer and enforce this Section as of the first day of January next following such adoption and filing. Beginning April 1, 1998, an ordinance or resolution imposing or discontinuing the tax hereunder or effecting a change in the rate thereof shall either (i) be adopted and a certified copy thereof filed with the Department on or before the first day of April, whereupon the Department shall proceed to administer and enforce this Section as of the first day of July next following the adoption and filing; or (ii) be adopted and a certified copy thereof filed with the Department on or before the first day of October, whereupon the Department shall proceed to administer and enforce this Section as of the first day of January next following the adoption and filing.

When certifying the amount of a monthly disbursement to a county under this Section, the Department shall increase or decrease such amount by an amount necessary to offset any misallocation of previous disbursements. The offset amount shall be the amount erroneously disbursed within the previous 6 months from the time a misallocation is discovered.

This Section shall be known and may be cited as the Home Rule County Retailers' Occupation Tax Law.

Sec. 5-1006.5. Special County Retailers' Occupation Tax For Public Safety, Public Facilities, or Transportation.

(a) The county board of any county may impose a tax upon all persons engaged in the business of selling tangible personal property, other than personal property titled or registered with an agency of this State's government, at retail in the county on the gross receipts from the sales made in the course of business to provide revenue to be used exclusively for public safety, public facility, or transportation purposes in that county, if a proposition for the tax has been submitted to the electors of that county and approved by a majority of those voting on the question. If imposed, this tax shall be imposed only in one-quarter percent increments. By resolution, the county board may order the proposition to be submitted at any election. If the tax is imposed for transportation purposes for expenditures for public highways or as authorized under the Illinois Highway Code, the county board must publish notice of the existence of its long-range highway transportation plan as required or described in Section 5-301 of the Illinois Highway Code and must make the plan publicly available prior to approval of the ordinance or resolution imposing the tax. If the tax is imposed for transportation purposes for expenditures for passenger rail transportation, the county board must publish notice of the existence of its long-range passenger rail transportation plan and must make the plan publicly available prior to approval of the ordinance or resolution imposing the tax.

If a tax is imposed for public facilities purposes, then the name of the project may be included in the proposition at the discretion of the county board as determined in the enabling resolution. For example, the "XXX Nursing Home" or the "YYY Museum".

The county clerk shall certify the question to the proper election authority, who shall submit the proposition at an election in accordance with the general election law.

(1) The proposition for public safety purposes shall be in substantially the following form:

"To pay for public safety purposes, shall (name of county) be authorized to impose an increase on its share of local sales taxes by (insert rate)?"

As additional information on the ballot below the question shall appear the following:

New matter indicated by italics - deletions by strikeout
"This would mean that a consumer would pay an additional (insert amount) in sales tax for every $100 of tangible personal property bought at retail."

The county board may also opt to establish a sunset provision at which time the additional sales tax would cease being collected, if not terminated earlier by a vote of the county board. If the county board votes to include a sunset provision, the proposition for public safety purposes shall be in substantially the following form:

"To pay for public safety purposes, shall (name of county) be authorized to impose an increase on its share of local sales taxes by (insert rate) for a period not to exceed (insert number of years)?"

As additional information on the ballot below the question shall appear the following:

"This would mean that a consumer would pay an additional (insert amount) in sales tax for every $100 of tangible personal property bought at retail. If imposed, the additional tax would cease being collected at the end of (insert number of years), if not terminated earlier by a vote of the county board."

For the purposes of the paragraph, "public safety purposes" means crime prevention, detention, fire fighting, police, medical, ambulance, or other emergency services.

Votes shall be recorded as "Yes" or "No".

(2) The proposition for transportation purposes shall be in substantially the following form:

"To pay for improvements to roads and other transportation purposes, shall (name of county) be authorized to impose an increase on its share of local sales taxes by (insert rate)?"

As additional information on the ballot below the question shall appear the following:

"This would mean that a consumer would pay an additional (insert amount) in sales tax for every $100 of tangible personal property bought at retail."

The county board may also opt to establish a sunset provision at which time the additional sales tax would cease being collected, if not terminated earlier by a vote of the county board. If the county board votes to include a sunset provision, the
propoosition for transportation purposes shall be in substantially the following form:

If imposed, the additional tax would cease being collected at the end of (insert number of years), if not terminated earlier by a vote of the county board."

For the purposes of this paragraph, transportation purposes means construction, maintenance, operation, and improvement of public highways, any other purpose for which a county may expend funds under the Illinois Highway Code, and passenger rail transportation.

Whenever the Department determines that a refund should be made under this Section to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause the order to be drawn for the amount specified and to the person named in the notification from the Department. The refund shall be paid by the State Treasurer out of the County Public Safety or Transportation Retailers' Occupation Tax Fund.

(b) If a tax has been imposed under subsection (a), a service occupation tax shall also be imposed at the same rate upon all persons engaged, in the county, in the business of making sales of service, who, as an incident to making those sales of service, transfer tangible personal property within the county as an incident to a sale of service. This tax may not be imposed on sales of food for human consumption that is to be consumed off the premises where it is sold (other than alcoholic beverages, soft drinks, and food prepared for immediate consumption) and prescription and non-prescription medicines, drugs, medical appliances and insulin, urine testing materials, syringes, and needles used by diabetics. The refund shall be paid by the State Treasurer out of the County Public Safety or Transportation Retailers' Occupation Fund.

After the monthly transfer to the STAR Bonds Revenue Fund, on or before the 25th day of each calendar month, the Department shall prepare and certify to the Comptroller the disbursement of stated sums of money to the counties from which retailers have paid taxes or penalties to the Department during the second preceding calendar month. The amount to be paid to each county, and deposited by the county into its special fund created for the purposes of this Section, shall be the amount (not including credit memoranda) collected under this Section during the second preceding calendar month by the Department plus an amount the Department determines is necessary to offset any amounts that were erroneously paid to a different taxing body, and not including (i) an amount equal to the amount of refunds made during the second preceding calendar month by the Department on behalf of the county, (ii) any amount that the Department determines is necessary to offset any amounts that were payable to a different taxing body but were erroneously paid to the county, and (iii) any amounts that are transferred to the STAR Bonds Revenue Fund. Within 10 days after receipt by the Comptroller of the disbursement certification to the counties provided for in this Section to be given to the Comptroller by the Department, the Comptroller shall cause the orders to be drawn for the respective amounts in accordance with directions contained in the certification.

In addition to the disbursement required by the preceding paragraph, an allocation shall be made in March of each year to each county that received more than $500,000 in disbursements under the preceding paragraph in the preceding calendar year. The allocation shall be in an amount equal to the average monthly distribution made to each such county under the preceding paragraph during the preceding calendar year (excluding the 2 months of highest receipts). The distribution made in March of each year subsequent to the year in which an allocation was made pursuant to this paragraph and the preceding paragraph shall be
reduced by the amount allocated and disbursed under this paragraph in the preceding calendar year. The Department shall prepare and certify to the Comptroller for disbursement the allocations made in accordance with this paragraph.

(d) For the purpose of determining the local governmental unit whose tax is applicable, a retail sale by a producer of coal or another mineral mined in Illinois is a sale at retail at the place where the coal or other mineral mined in Illinois is extracted from the earth. This paragraph does not apply to coal or another mineral when it is delivered or shipped by the seller to the purchaser at a point outside Illinois so that the sale is exempt under the United States Constitution as a sale in interstate or foreign commerce.

(e) Nothing in this Section shall be construed to authorize a county to impose a tax upon the privilege of engaging in any business that under the Constitution of the United States may not be made the subject of taxation by this State.

(e-5) If a county imposes a tax under this Section, the county board may, by ordinance, discontinue or lower the rate of the tax. If the county board lowers the tax rate or discontinues the tax, a referendum must be held in accordance with subsection (a) of this Section in order to increase the rate of the tax or to reimpose the discontinued tax.

(f) Beginning April 1, 1998 and through December 31, 2013, the results of any election authorizing a proposition to impose a tax under this Section or effecting a change in the rate of tax, or any ordinance lowering the rate or discontinuing the tax, shall be certified by the county clerk and filed with the Illinois Department of Revenue either (i) on or before the first day of April, whereupon the Department shall proceed to administer and enforce the tax as of the first day of July next following the filing; or (ii) on or before the first day of October, whereupon the Department shall proceed to administer and enforce the tax as of the first day of January next following the filing.

Beginning January 1, 2014, the results of any election authorizing a proposition to impose a tax under this Section or effecting an increase in the rate of tax, along with the ordinance adopted to impose the tax or increase the rate of the tax, or any ordinance adopted to lower the rate or
discontinue the tax, shall be certified by the county clerk and filed with the Illinois Department of Revenue either (i) on or before the first day of May, whereupon the Department shall proceed to administer and enforce the tax as of the first day of July next following the adoption and filing; or (ii) on or before the first day of October, whereupon the Department shall proceed to administer and enforce the tax as of the first day of January next following the adoption and filing.

(g) When certifying the amount of a monthly disbursement to a county under this Section, the Department shall increase or decrease the amounts by an amount necessary to offset any miscalculation of previous disbursements. The offset amount shall be the amount erroneously disbursed within the previous 6 months from the time a miscalculation is discovered.

Sec. 5-1006.7. School facility occupation taxes.

(a) In any county, a tax shall be imposed upon all persons engaged in the business of selling tangible personal property, other than personal property titled or registered with an agency of this State's government, at retail in the county on the gross receipts from the sales made in the course of business to provide revenue to be used exclusively for school facility purposes if a proposition for the tax has been submitted to the electors of that county and approved by a majority of those voting on the question as provided in subsection (c). The tax under this Section shall be imposed only in one-quarter percent increments and may not exceed 1%.

This additional tax may not be imposed on the sale of food for human consumption that is to be consumed off the premises where it is sold (other than alcoholic beverages, soft drinks, and food that has been prepared for immediate consumption) and prescription and non-prescription medicines, drugs, medical appliances and insulin, urine testing materials, syringes and needles used by diabetics. The Department of Revenue has full power to administer and enforce this subsection, to collect all taxes and penalties due under this subsection, to dispose of taxes and penalties so collected in the manner provided in this subsection, and to determine all rights to credit memoranda arising on account of the erroneous payment of a tax or penalty under this subsection. The Department shall deposit all taxes and penalties collected under this subsection into a special fund created for that purpose.

In the administration of and compliance with this subsection, the Department and persons who are subject to this subsection (i) have the same rights, remedies, privileges, immunities, powers, and duties, (ii) are subject to the same conditions, restrictions, limitations, penalties, and definitions of terms, and (iii) shall employ the same modes of procedure as are set forth in Sections 1 through 1o, 2 through 2-70 (in respect to all provisions contained in those Sections other than the State rate of tax), 2a through 2h, 3 (except as to the disposition of taxes and penalties collected), 4, 5, 5a, 5b, 5c, 5d, 5e, 5f, 5g, 5h, 5i, 5j, 5k, 5l, 6, 6a, 6b, 6c, 6d, 7, 8, 9, 10, 11, 11a, 12, and 13 of the Retailers' Occupation Tax Act and all provisions of the Uniform Penalty and Interest Act as if those provisions were set forth in this subsection.

The certificate of registration that is issued by the Department to a retailer under the Retailers' Occupation Tax Act permits the retailer to
engage in a business that is taxable without registering separately with the Department under an ordinance or resolution under this subsection.

Persons subject to any tax imposed under the authority granted in this subsection may reimburse themselves for their seller's tax liability by separately stating that tax as an additional charge, which may be stated in combination, in a single amount, with State tax that sellers are required to collect under the Use Tax Act, pursuant to any bracketed schedules set forth by the Department.

This tax may not be imposed on sales of food for human consumption that is to be consumed off the premises where it is sold (other than alcoholic beverages, soft drinks, and food prepared for immediate consumption) and prescription and non-prescription medicines, drugs, medical appliances and insulin, urine testing materials, syringes, and needles used by diabetics.

The tax imposed under this subsection and all civil penalties that may be assessed as an incident thereof shall be collected and enforced by the Department and deposited into a special fund created for that purpose. (c) The tax under this Section may not be imposed until the question of imposing the tax has been submitted to the electors of the county at a regular election and approved by a majority of the electors voting on the question. For all regular elections held prior to the effective date of this amendatory Act of the 97th General Assembly, upon a resolution by the county board or a resolution by school district boards that represent at least 51% of the student enrollment within the county, the county board must certify the question to the proper election authority in accordance with the Election Code.

For all regular elections held prior to the effective date of this amendatory Act of the 97th General Assembly, the election authority must submit the question in substantially the following form:

Shall (name of county) be authorized to impose a retailers’ occupation tax and a service occupation tax (commonly referred to as a "sales tax") at a rate of (insert rate) to be used exclusively for school facility purposes?

The election authority must record the votes as "Yes" or "No".

If a majority of the electors voting on the question vote in the affirmative, then the county may, thereafter, impose the tax.

For all regular elections held on or after the effective date of this amendatory Act of the 97th General Assembly, the regional superintendent of schools for the county must, upon receipt of a resolution or resolutions of school district boards that represent more than 50% of the student enrollment within the county, certify the question to the proper election authority for submission to the electors of the county at the next regular election at which the question lawfully may be submitted to the electors, all in accordance with the Election Code.

Within 10 days after receipt by the Comptroller from the Department of the disbursement certification to the regional superintendents of the schools provided for in this Section, the Comptroller shall cause the orders to be drawn for the respective amounts in accordance with directions contained in the certification.

The refund shall be paid by the Treasurer out of the School Facility Occupation Tax Fund.

(e) For the purposes of determining the local governmental unit whose tax is applicable, a retail sale by a producer of coal or another mineral mined in Illinois is a sale at retail at the place where the coal or other mineral mined in Illinois is extracted from the earth. (g) If a county board imposes a tax under this Section pursuant to a referendum held before the effective date of this amendatory Act of the 97th General Assembly at a rate below the rate set forth in the question approved by a majority of electors of that county voting on the question as provided in subsection (c), then the county board may, by ordinance, increase the rate of the tax up to the rate set forth in the question approved by a majority of electors of that county voting on the question as provided in subsection (c). If a county board imposes a tax under this Section pursuant to a referendum held before the effective date of this amendatory Act of the 97th General Assembly, then the board may, by ordinance, discontinue or reduce the rate of the tax. If a tax is imposed under this Section pursuant to a referendum held on or after the effective date of this
amendatory Act of the 97th General Assembly, then the county board may reduce or discontinue the tax, but only in accordance with subsection (h-5) of this Section. If, however, a school board issues bonds that are secured by the proceeds of the tax under this Section, then the county board may not reduce the tax rate or discontinue the tax if that rate reduction or discontinuance would adversely affect the school board's ability to pay the principal and interest on those bonds as they become due or necessitate the extension of additional property taxes to pay the principal and interest on those bonds. If the county board reduces the tax rate or discontinues the tax, then a referendum must be held in accordance with subsection (c) of this Section in order to increase the rate of the tax or to reimpose the discontinued tax.

Until January 1, 2014, the results of any election that imposes, reduces, or discontinues a tax under this Section must be certified by the election authority, and any ordinance that increases or lowers the rate or discontinues the tax must be certified by the county clerk and, in each case, filed with the Illinois Department of Revenue either (i) on or before the first day of April, whereupon the Department shall proceed to administer and enforce the tax or change in the rate as of the first day of July next following the filing; or (ii) on or before the first day of October, whereupon the Department shall proceed to administer and enforce the tax or change in the rate as of the first day of January next following the filing.

The corporate authorities of a home rule municipality may impose a tax upon all persons engaged in the business of selling tangible personal property, other than an item of tangible personal property titled or registered with an agency of this State's government, at retail in the municipality on the gross receipts from these sales made in the course of such business. If imposed, the tax shall only be imposed in 1/4% increments. On and after September 1, 1991, this additional tax may not be
imposed on the sales of food for human consumption that is to be consumed off the premises where it is sold (other than alcoholic beverages, soft drinks and food that has been prepared for immediate consumption) and prescription and nonprescription medicines, drugs, medical appliances and insulin, urine testing materials, syringes and needles used by diabetics. The tax imposed by a home rule municipality under this Section and all civil penalties that may be assessed as an incident of the tax shall be collected and enforced by the State Department of Revenue. The certificate of registration that is issued by the Department to a retailer under the Retailers' Occupation Tax Act shall permit the retailer to engage in a business that is taxable under any ordinance or resolution enacted pursuant to this Section without registering separately with the Department under such ordinance or resolution or under this Section. The refund shall be paid by the State Treasurer out of the home rule municipal retailers' occupation tax fund.

The Department shall immediately pay over to the State Treasurer, ex officio, as trustee, all taxes and penalties collected hereunder.

After the monthly transfer to the STAR Bonds Revenue Fund, on or before the 25th day of each calendar month, the Department shall prepare and certify to the Comptroller the disbursement of stated sums of money to named municipalities, the municipalities to be those from which retailers have paid taxes or penalties hereunder to the Department during the second preceding calendar month. The amount to be paid to each municipality shall be the amount (not including credit memoranda) collected hereunder during the second preceding calendar month by the Department plus an amount the Department determines is necessary to offset any amounts that were erroneously paid to a different taxing body, and not including an amount equal to the amount of refunds made during the second preceding calendar month by the Department on behalf of such municipality, and not including any amount that the Department determines is necessary to offset any amounts that were payable to a different taxing body but were erroneously paid to the municipality, and not including any amounts that are transferred to the STAR Bonds Revenue Fund. In addition to the disbursement required by the preceding paragraph and in order to mitigate delays caused by distribution procedures, an allocation shall, if requested, be made within 10 days after
January 14, 1991, and in November of 1991 and each year thereafter, to each municipality that received more than $500,000 during the preceding fiscal year, (July 1 through June 30) whether collected by the municipality or disbursed by the Department as required by this Section. Within 10 days after January 14, 1991, participating municipalities shall notify the Department in writing of their intent to participate. In addition, for the initial distribution, participating municipalities shall certify to the Department the amounts collected by the municipality for each month under its home rule occupation and service occupation tax during the period July 1, 1989 through June 30, 1990. The allocation within 10 days after January 14, 1991, shall be in an amount equal to the monthly average of these amounts, excluding the 2 months of highest receipts. The monthly average for the period of July 1, 1990 through June 30, 1991 will be determined as follows: the amounts collected by the municipality under its home rule occupation and service occupation tax during the period of July 1, 1990 through September 30, 1990, plus amounts collected by the Department and paid to such municipality through June 30, 1991, excluding the 2 months of highest receipts. The monthly average for each subsequent period of July 1 through June 30 shall be an amount equal to the monthly distribution made to each such municipality under the preceding paragraph during this period, excluding the 2 months of highest receipts. The distribution made in November 1991 and each year thereafter under this paragraph and the preceding paragraph shall be reduced by the amount allocated and disbursed under this paragraph in the preceding period of July 1 through June 30. The Department shall prepare and certify to the Comptroller for disbursement the allocations made in accordance with this paragraph.

Section 30. The Flood Prevention District Act is amended by changing Section 25 as follows:

(70 ILCS 750/25)

Sec. 25. Flood prevention retailers' and service occupation taxes.

(a) If the Board of Commissioners of a flood prevention district determines that an emergency situation exists regarding levee repair or flood prevention, and upon an ordinance confirming the determination adopted by the affirmative vote of a majority of the members of the county board of the county in which the district is situated, the county may impose a flood prevention retailers' occupation tax upon all persons engaged in the business of selling tangible personal property at retail within the territory of the district to provide revenue to pay the costs of providing emergency levee repair and flood prevention and to secure the payment of bonds, notes, and other evidences of indebtedness issued under this Act for a period not to exceed 25 years or as required to repay the bonds, notes, and other evidences of indebtedness issued under this Act. The tax rate shall be 0.25% of the gross receipts from all taxable sales made in the course of that business. The tax imposed under this Section and all civil penalties that may be assessed as an incident thereof shall be collected and enforced by the State Department of Revenue. The Department shall have full

power to administer and enforce this Section; to collect all taxes and penalties so collected in the manner hereinafter provided; and to determine all rights to credit memoranda arising on account of the erroneous payment of tax or penalty hereunder.

In the administration of and compliance with this subsection, the Department and persons who are subject to this subsection (i) have the same rights, remedies, privileges, immunities, powers, and duties, (ii) are subject to the same conditions, restrictions, limitations, penalties, and definitions of terms, and (iii) shall employ the same modes of procedure as are set forth in Sections 1 through 1o, 2 through 2-70 (in respect to all provisions contained in those Sections other than the State rate of tax), 2a through 2h, 3 (except as to the disposition of taxes and penalties collected), 4, 5, 5a, 5b, 5c, 5d, 5e, 5f, 5g, 5h, 5i, 5l, 6, 6a, 6b, 6c, 6d, 7, 8, 9, 10, 11, 11a, 12, and 13 of the Retailers’ Occupation Tax Act and all provisions of the Uniform Penalty and Interest Act as if those provisions were set forth in this subsection.

Persons subject to any tax imposed under this Section may reimburse themselves for their seller's tax liability hereunder by separately stating the tax as an additional charge, which charge may be stated in combination in a single amount with State taxes that sellers are required to collect under the Use Tax Act, under any bracket schedules the Department may prescribe.

If a tax is imposed under this subsection (a), a tax shall also be imposed under subsection (b) of this Section.

(b) If a tax has been imposed under subsection (a), a flood prevention service occupation tax shall also be imposed upon all persons engaged within the territory of the district in the business of making sales of service, who, as an incident to making the sales of service, transfer tangible personal property, either in the form of tangible personal property or in the form of real estate as an incident to a sale of service to provide revenue to pay the costs of providing emergency levee repair and flood prevention and to secure the payment of bonds, notes, and other evidences of indebtedness issued under this Act for a period not to exceed 25 years or as required to repay the bonds, notes, and other evidences of indebtedness. The tax rate shall be 0.25% of the selling price of all tangible personal property transferred.

The tax imposed under this subsection and all civil penalties that may be assessed as an incident thereof shall be collected and enforced by the State Department of Revenue. The Department shall have full power to
administer and enforce this subsection; to collect all taxes and penalties
due hereunder; to dispose of taxes and penalties collected in the manner
hereinafter provided; and to determine all rights to credit memoranda
arising on account of the erroneous payment of tax or penalty hereunder.

In the administration of and compliance with this subsection, the
Department and persons who are subject to this subsection shall (i) have
the same rights, remedies, privileges, immunities, powers, and duties, (ii)
be subject to the same conditions, restrictions, limitations, penalties, and
definitions of terms, and (iii) employ the same modes of procedure as are
set forth in Sections 2 (except that the reference to State in the definition
of supplier maintaining a place of business in this State means the district),
2a through 2d, 3 through 3-50 (in respect to all provisions contained in
those Sections other than the State rate of tax), 4 (except that the reference
to the State shall be to the district), 5, 7, 8 (except that the jurisdiction to
which the tax is a debt to the extent indicated in that Section 8 is the
district), 9 (except as to the disposition of taxes and penalties collected),

Occupation Tax Act), 13 (except that any reference to the State means the
district), Section 15, 16, 17, 18, 19, and 20 of the Service Occupation Tax
Act and all provisions of the Uniform Penalty and Interest Act, as fully as
if those provisions were set forth herein.

Persons subject to any tax imposed under the authority granted in
this subsection may reimburse themselves for their serviceman's tax
liability hereunder by separately stating the tax as an additional charge,
that charge may be stated in combination in a single amount with State tax
that servicemen are authorized to collect under the Service Use Tax Act,
under any bracket schedules the Department may prescribe.

(c) The taxes imposed in subsections (a) and (b) may not be
imposed on personal property titled or registered with an agency of the
State; food for human consumption that is to be consumed off the
premises where it is sold (other than alcoholic beverages, soft drinks, and
food that has been prepared for immediate consumption); prescription and
non-prescription medicines, drugs, and medical appliances; modifications
to a motor vehicle for the purpose of rendering it usable by a disabled
person; or insulin, urine testing materials, and syringes and needles used
by diabetics.

(d) Nothing in this Section shall be construed to authorize the
district to impose a tax upon the privilege of engaging in any business that
under the Constitution of the United States may not be made the subject of taxation by the State.

(e) The certificate of registration that is issued by the Department to a retailer under the Retailers’ Occupation Tax Act or a serviceman under the Service Occupation Tax Act permits the retailer or serviceman to engage in a business that is taxable without registering separately with the Department under an ordinance or resolution under this Section.

(f) The Department shall immediately pay over to the State Treasurer, ex officio, as trustee, all taxes and penalties collected under this Section to be deposited into the Flood Prevention Occupation Tax Fund, which shall be an unappropriated trust fund held outside the State treasury.

On or before the 25th day of each calendar month, the Department shall prepare and certify to the Comptroller the disbursement of stated sums of money to the counties from which retailers or servicemen have paid taxes or penalties to the Department during the second preceding calendar month. The amount to be paid to each county is equal to the amount (not including credit memoranda) collected from the county under this Section during the second preceding calendar month by the Department, (i) less 2% of that amount, which shall be deposited into the Tax Compliance and Administration Fund and shall be used by the Department in administering and enforcing the provisions of this Section on behalf of the county, (ii) plus an amount that the Department determines is necessary to offset any amounts that were erroneously paid to a different taxing body; (iii) less an amount equal to the amount of refunds made during the second preceding calendar month by the Department on behalf of the county; and (iv) less any amount that the Department determines is necessary to offset any amounts that were payable to a different taxing body but were erroneously paid to the county. When certifying the amount of a monthly disbursement to a county under this Section, the Department shall increase or decrease the amounts by an amount necessary to offset any miscalculation of previous disbursements within the previous 6 months from the time a miscalculation is discovered.

Within 10 days after receipt by the Comptroller from the Department of the disbursement certification to the counties provided for in this Section, the Comptroller shall cause the orders to be drawn for the respective amounts in accordance with directions contained in the certification.

If the Department determines that a refund should be made under this Section to a claimant instead of issuing a credit memorandum, then
the Department shall notify the Comptroller, who shall cause the order to be drawn for the amount specified and to the person named in the notification from the Department. The refund shall be paid by the Treasurer out of the Flood Prevention Occupation Tax Fund.

(g) If a county imposes a tax under this Section, then the county board shall, by ordinance, discontinue the tax upon the payment of all indebtedness of the flood prevention district. The tax shall not be discontinued until all indebtedness of the District has been paid.

(h) Any ordinance imposing the tax under this Section, or any ordinance that discontinues the tax, must be certified by the county clerk and filed with the Illinois Department of Revenue either (i) on or before the first day of April, whereupon the Department shall proceed to administer and enforce the tax or change in the rate as of the first day of July next following the filing; or (ii) on or before the first day of October, whereupon the Department shall proceed to administer and enforce the tax or change in the rate as of the first day of January next following the filing.

(j) County Flood Prevention Occupation Tax Fund. The tax imposed by the Board under this Section and all civil penalties that may be assessed as an incident of the tax shall be collected and enforced by the Department of Revenue. The certificate of registration that is issued by the Department to a retailer under the Retailers' Occupation Tax Act shall permit the retailer to engage in a business that is taxable without registering separately with the Department under an ordinance or resolution under this Section. The Department has full power to administer and enforce this Section, to collect all taxes and penalties due under this Section, to dispose of taxes and penalties so collected in the manner provided in this Section, and to determine all rights to credit memoranda arising on account of the erroneous payment of a tax or penalty under this Section. In the administration of and compliance with this Section, the Department and persons who are subject to this Section shall (i) have the same rights, remedies, privileges, immunities, powers, and duties, (ii) be subject to the same conditions, restrictions, limitations, penalties, and definitions of terms, and (iii) employ the same modes of procedure as are prescribed in Sections 1, 1a, 1a-1, 1d, 1e, 1f, 1i, 1j, 1k, 1m, 1n, 2, 2-5, 2-5.5, 2-10 (in respect to all provisions contained in those Sections other than the State rate of tax), 2-12, 2-15 through 2-70, 2a, 2b, 2c, 3 (except provisions relating to transaction returns and quarter monthly payments), 4, 5, 5a, 5b, 5c, 5d, 5e, 5f, 5g, 5h, 5i, 5j, 5k, 5l, 6, 6a, 6b, 6c, 6d, 7, 8, 9, 10, 11, 11a, 12, and 13 of the Retailers' Occupation Tax Act and the Uniform Penalty and Interest Act as if those provisions were set forth in this Section.

Persons subject to any tax imposed under the authority granted in this Section may reimburse themselves for their sellers' tax liability by separately stating the tax as an additional charge, which charge may be stated in combination, in a single amount, with State tax which sellers are required to collect under the Use Tax Act, pursuant to such bracketed schedules as the Department may prescribe.

Whenever the Department determines that a refund should be made under this Section to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause the order to be drawn for the amount specified and to the person named in the notification from the Department. The refund shall be paid by the State Treasurer out of the State Metro-East Park and Recreation District Fund.

This tax may not be imposed on sales of food for human consumption that is to be consumed off the premises where it is sold (other than alcoholic beverages, soft drinks, and food prepared for immediate consumption) and prescription and non-prescription medicines, drugs, medical appliances, and insulin, urine testing materials, syringes, and needles used by diabetics. The tax imposed under this subsection and all civil penalties that may be assessed as an incident thereof shall be collected and enforced by the Department of Revenue. The Department has full power to administer and enforce this subsection; to collect all taxes and penalties due hereunder; to dispose of taxes and penalties so collected in the manner hereinafter provided; and to determine all rights to credit memoranda arising on account of the erroneous payment of tax or penalty hereunder. In the administration of, and compliance with this subsection, the Department and persons who are subject to this paragraph shall (i) have the same rights, remedies, privileges, immunities, powers, and duties, (ii) be subject to the same conditions, restrictions, limitations, penalties, exclusions, exemptions, and definitions of terms, and (iii) employ the same modes of procedure as are prescribed in Sections 2 (except that the reference to State in the definition of supplier maintaining a place of business in this State shall mean the District), 2a, 2b, 2c, 3 through 3-50 (in respect to all provisions therein other than the State rate of tax), 4 (except that the reference to the State shall be to the District), 5, 7, 8 (except that the jurisdiction to which the tax shall be a debt to the extent indicated in that Section 8 shall be the District), 9 (except as to the disposition of taxes and penalties collected), 10, 11, 12 (except the reference therein to Section 2b of the Retailers' Occupation Tax Act), 13 (except that any reference to the State shall mean the District), Sections 15, 16, 17, 18, 19 and 20 of the Service Occupation Tax Act and the Uniform Penalty and Interest Act, as fully as if those provisions were set forth herein.

Persons subject to any tax imposed under the authority granted in this subsection may reimburse themselves for their serviceman's tax liability by separately stating the tax as an additional charge, which charge may be stated in combination, in a single amount, with State tax that

Whenever the Department determines that a refund should be made under this subsection to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause the warrant to be drawn for the amount specified, and to the person named, in the notification from the Department. The refund shall be paid by the State Treasurer out of the State Metro-East Park and Recreation District Fund.

Nothing in this subsection shall be construed to authorize the board to impose a tax upon the privilege of engaging in any business which under the Constitution of the United States may not be made the subject of taxation by the State.

(c) The Department shall immediately pay over to the State Treasurer, ex officio, as trustee, all taxes and penalties collected under this Section to be deposited into the State Metro-East Park and Recreation District Fund, which shall be an unappropriated trust fund held outside of the State treasury.

As soon as possible after the first day of each month, beginning January 1, 2011, upon certification of the Department of Revenue, the Comptroller shall order transferred, and the Treasurer shall transfer, to the STAR Bonds Revenue Fund the local sales tax increment, as defined in the Innovation Development and Economy Act, collected under this Section during the second preceding calendar month for sales within a STAR bond district. The Department shall make this certification only if the Metro East Park and Recreation District imposes a tax on real property as provided in the definition of "local sales taxes" under the Innovation Development and Economy Act.

After the monthly transfer to the STAR Bonds Revenue Fund, on or before the 25th day of each calendar month, the Department shall prepare and certify to the Comptroller the disbursement of stated sums of money pursuant to Section 35 of this Act to the District from which retailers have paid taxes or penalties to the Department during the second preceding calendar month. The amount to be paid to the District shall be the amount (not including credit memoranda) collected under this Section during the second preceding calendar month by the Department plus an amount the Department determines is necessary to offset any amounts that were erroneously paid to a different taxing body, and not including (i) an amount equal to the amount of refunds made during the second preceding...
calendar month by the Department on behalf of the District, (ii) any amount that the Department determines is necessary to offset any amounts that were payable to a different taxing body but were erroneously paid to the District, and (iii) any amounts that are transferred to the STAR Bonds Revenue Fund. Within 10 days after receipt by the Comptroller of the disbursement certification to the District provided for in this Section to be given to the Comptroller by the Department, the Comptroller shall cause the orders to be drawn for the respective amounts in accordance with directions contained in the certification.

(d) For the purpose of determining whether a tax authorized under this Section is applicable, a retail sale by a producer of coal or another mineral mined in Illinois is a sale at retail at the place where the coal or other mineral mined in Illinois is extracted from the earth. This paragraph does not apply to coal or another mineral when it is delivered or shipped by the seller to the purchaser at a point outside Illinois so that the sale is exempt under the United States Constitution as a sale in interstate or foreign commerce.

(e) Nothing in this Section shall be construed to authorize the board to impose a tax upon the privilege of engaging in any business that under the Constitution of the United States may not be made the subject of taxation by this State.

(f) An ordinance imposing a tax under this Section or an ordinance extending the imposition of a tax to an additional county or counties shall be certified by the board and filed with the Department of Revenue either (i) on or before the first day of April, whereupon the Department shall proceed to administer and enforce the tax as of the first day of July next following the filing; or (ii) on or before the first day of October, whereupon the Department shall proceed to administer and enforce the tax as of the first day of January next following the filing.

(a) The Board of Trustees of any Metro East Mass Transit District may, by ordinance adopted with the concurrence of two-thirds of the then trustees, impose throughout the District any or all of the taxes and fees provided in this Section. All taxes and fees imposed under this Section shall be used only for public mass transportation systems, and the amount used to provide mass transit service to unserved areas of the District shall be in the same proportion to the total proceeds as the number of persons residing in the unserved areas is to the total population of the District. Except as otherwise provided in this Act, taxes imposed under this Section and civil penalties imposed incident thereto shall be collected and enforced by the State Department of Revenue. The Department shall have the power to administer and enforce the taxes and to determine all rights for refunds for erroneous payments of the taxes.

(b) The Board may impose a Metro East Mass Transit District Retailers' Occupation Tax upon all persons engaged in the business of selling tangible personal property at retail in the district at a rate of 1/4 of 1%, or as authorized under subsection (d-5) of this Section, of the gross receipts from the sales made in the course of such business within the district. The tax imposed under this Section and all civil penalties that may be assessed as an incident thereof shall be collected and enforced by the State Department of Revenue. The Department shall have full power to administer and enforce this Section; to collect all taxes and penalties so collected in the manner hereinafter provided; and to determine all rights to credit memoranda arising on account of the erroneous payment of tax or penalty hereunder. In the administration of, and compliance with, this Section, the Department and persons who are subject to this Section shall have the same rights, remedies, privileges, immunities, powers and duties, and be subject to the same conditions, restrictions, limitations, penalties, exclusions, exemptions and definitions of terms and employ the same modes of procedure, as are prescribed in Sections 1, 1a, 1a-1, 1c, 1d, 1e, 1f, 1i, 1j, 2 through 2-65 (in respect to all provisions therein other than the State rate of tax), 2c, 3 (except as to the disposition of taxes and penalties collected), 4, 5, 5a, 5c, 5d, 5e, 5f, 5g, 5h, 5i, 5j, 5k, 5l, 6, 6a, 6b, 6c, 6d, 7, 8, 9, 10, 11, 12, 13, and 14 of the Retailers' Occupation Tax Act and Section 3-7 of the Uniform Penalty and Interest Act, as fully as if those provisions were set forth herein.
Persons subject to any tax imposed under the Section may reimburse themselves for their seller's tax liability hereunder by separately stating the tax as an additional charge, which charge may be stated in combination, in a single amount, with State taxes that sellers are required to collect under the Use Tax Act, in accordance with such bracket schedules as the Department may prescribe.

Whenever the Department determines that a refund should be made under this Section to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause the warrant to be drawn for the amount specified, and to the person named, in the notification from the Department. The refund shall be paid by the State Treasurer out of the Metro East Mass Transit District tax fund established under paragraph (h) of this Section.

If a tax is imposed under this subsection (b), a tax shall also be imposed under subsections (c) and (d) of this Section.

Nothing in this Section shall be construed to authorize the Metro East Mass Transit District to impose a tax upon the privilege of engaging in any business which under the Constitution of the United States may not be made the subject of taxation by this State.

(c) If a tax has been imposed under subsection (b), a Metro East Mass Transit District Service Occupation Tax shall also be imposed upon all persons engaged, in the district, in the business of making sales of service, who, as an incident to making those sales of service, transfer tangible personal property within the District, either in the form of tangible personal property or in the form of real estate as an incident to a sale of service. The tax rate shall be 1/4%, or as authorized under subsection (d-5) of this Section, of the selling price of tangible personal property so transferred within the district. collected and enforced by the State Department of Revenue. The Department shall have full power to administer and enforce this paragraph; to collect all taxes and penalties due hereunder; to dispose of taxes and penalties so collected in the manner hereinafter provided; and to determine all rights to credit memoranda arising on account of the erroneous payment of tax or penalty hereunder. In the administration of, and compliance with this paragraph, the Department and persons who are subject to this paragraph shall have the same rights, remedies, privileges, immunities, powers and duties, and be subject to the same conditions, restrictions, limitations, penalties, exclusions, exemptions and definitions of terms and employ the same modes of procedure as are prescribed in Sections 1a-1, 2 (except that the reference to State in the definition of supplier maintaining a place of business in this State shall mean the Authority), 2a, 3 through 3-50 (in respect to all provisions therein other than the State rate of tax), 4 (except that the reference to the State shall be to the Authority), 5, 7, 8 (except that the jurisdiction to which the tax shall be a debt to the extent indicated in that Section 8 shall be the District), 9 (except as to the disposition of taxes and penalties collected, and except that the returned merchandise credit for this tax may not be taken against any State tax), 10, 11, 12 (except the reference therein to Section 2b of the Retailers' Occupation Tax Act), 13 (except that any reference to the State shall mean the District), the first paragraph of Section 15, 16, 17, 18, 19 and 20 of the Service Occupation Tax Act and Section 3-7 of the Uniform Penalty and Interest Act, as fully as if those provisions were set forth herein.

Persons subject to any tax imposed under the authority granted in this paragraph may reimburse themselves for their serviceman's tax liability hereunder by separately stating the tax as an additional charge, which charge may be stated in combination, in a single amount, with State tax that servicemen are authorized to collect under the Service Use Tax Act, in accordance with such bracket schedules as the Department may prescribe.

Whenever the Department determines that a refund should be made under this paragraph to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause the warrant to be drawn for the amount specified, and to the person named, in the notification from the Department. The refund shall be paid by the State Treasurer out of the Metro East Mass Transit District tax fund established under paragraph (h) of this Section.
Nothing in this paragraph shall be construed to authorize the District to impose a tax upon the privilege of engaging in any business which under the Constitution of the United States may not be made the subject of taxation by the State.

(d) If a tax has been imposed under subsection (b), a Metro East Mass Transit District Use Tax shall also be imposed upon the privilege of using, in the district, any item of tangible personal property that is purchased outside the district at retail from a retailer, and that is titled or registered with an agency of this State's government, at a rate of 1/4%, or as authorized under subsection (d-5) of this Section, of the selling price of the tangible personal property within the District, as "selling price" is defined in the Use Tax Act. The tax shall be collected from persons whose Illinois address for titling or registration purposes is given as being in the District. The tax shall be collected by the Department of Revenue for the Metro East Mass Transit District. The tax must be paid to the State, or an exemption determination must be obtained from the Department of Revenue, before the title or certificate of registration for the property may be issued. The tax or proof of exemption may be transmitted to the Department by way of the State agency with which, or the State officer with whom, the tangible personal property must be titled or registered if the Department and the State agency or State officer determine that this procedure will expedite the processing of applications for title or registration.

The Department shall have full power to administer and enforce this paragraph; to collect all taxes, penalties and interest due hereunder; to dispose of taxes, penalties and interest so collected in the manner hereinafter provided; and to determine all rights to credit memoranda or refunds arising on account of the erroneous payment of tax, penalty or interest hereunder. In the administration of, and compliance with, this paragraph, the Department and persons who are subject to this paragraph shall have the same rights, remedies, privileges, immunities, powers and duties, and be subject to the same conditions, restrictions, limitations, penalties, exclusions, exemptions and definitions of terms and employ the same modes of procedure, as are prescribed in Sections 2 (except the definition of "retailer maintaining a place of business in this State"), 3 through 3-80 (except provisions pertaining to the State rate of tax, and except provisions concerning collection or refunding of the tax by retailers), 4, 11, 12, 12a, 14, 15, 19 (except the portions pertaining to claims by retailers and except the last paragraph concerning refunds), 20,
21 and 22 of the Use Tax Act and Section 3-7 of the Uniform Penalty and Interest Act, that are not inconsistent with this paragraph, as fully as if those provisions were set forth herein.

Whenever the Department determines that a refund should be made under this paragraph to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause the order to be drawn for the amount specified, and to the person named, in the notification from the Department. The refund shall be paid by the State Treasurer out of the Metro East Mass Transit District tax fund established under paragraph (h) of this Section.

PUBLIC ACT 99-0220
(Senate Bill No. 0834)

AN ACT concerning health.
Be it enacted by the People of the State of Illinois, represented in the General Assembly:
Section 5. The Mental Health and Developmental Disabilities Code is amended by changing Section 3-800 as follows:
Sec. 3-800. (a) Unless otherwise indicated, court hearings under this Chapter shall be held pursuant to this Article. Hearings shall be held in such quarters as the court directs. To the extent practical, hearings shall be held in the mental health facility where the respondent is hospitalized. Any party may request a change of venue or transfer to any other county because of the convenience of parties or witnesses or the condition of the respondent. The respondent may request to have the proceedings transferred to the county of his or her residence. The court shall grant the request if and only if the court determines that the transfer is necessary to ensure the attendance of any material witness.
(b) If the court grants a continuance on its own motion or upon the motion of one of the parties, the respondent may continue to be detained pending further order of the court. Such continuance shall not extend beyond 15 days except to the extent that continuances are requested by the respondent.
(c) Court hearings under this Chapter, including hearings under Section 2-107.1, shall be open to the press and public unless the respondent or some other party requests that they be closed. The court may also indicate its intention to close a hearing, including when it determines that the respondent may be unable to make a reasoned decision to request that the hearing be closed. A request that a hearing be closed shall be granted unless there is an objection to closing the hearing by a party or any other person. If an objection is made, the court shall not close the hearing unless, following a hearing, it determines that the patient's interest in

having the hearing closed is compelling. The court shall support its
determination with written findings of fact and conclusions of law. The
court shall not close the hearing if the respondent objects to its closure.
Whenever a court determines that a hearing shall be closed, access to the
records of the hearing, including but not limited to transcripts and
pleadings, shall be limited to the parties involved in the hearing, court
personnel, and any person or agency providing mental health services that
are the subject of the hearing. Access may also be granted, however,
pursuant to the provisions of the Mental Health and Developmental
Disabilities Confidentiality Act.

(d) The provisions of subsection (a-5) of Section 6 of the Rights of
Crime Victims and Witnesses Act shall apply to the initial commitment
hearing, as provided under Section 5-2-4 of the Unified Code of
Corrections, for a respondent found not guilty by reason of insanity of a
violent crime in a criminal proceeding and the hearing has been ordered by
the court under this Code to determine if the defendant is:

(1) in need of mental health services on an inpatient basis;
(2) in need of mental health services on an outpatient basis;

or

(3) not in need of mental health services.

While the impact statement to the court allowed under this
subsection (d) may include the impact that the respondent's criminal
conduct has had upon the victim, victim's representative, or victim's family
or household member, the court may only consider the impact statement
along with all other appropriate factors in determining the:

(i) threat of serious physical harm posed by the respondent
to himself or herself, or to another person;
(ii) location of inpatient or outpatient mental health services
ordered by the court, but only after complying with all other
applicable administrative requirements, rules, and statutory
requirements;
(iii) maximum period of commitment for inpatient mental
health services; and
(iv) conditions of release for outpatient mental health
services ordered by the court.

(e) Notwithstanding the provisions of Section 2-1009 of the Code
of Civil Procedure, a respondent may object to a motion for voluntary
dismissal and the court may refuse to grant such a dismissal for good cause
shown.

which each petition was filed. All petitions filed by persons waiting in line as of 8:00 a.m. on the first day for filing, or as of the normal opening hour of the office involved on such day, shall be deemed filed as of 8:00 a.m. or the normal opening hour, as the case may be. Petitions filed by mail and received after midnight of the first day for filing and in the first mail delivery or pickup of that day shall be deemed as filed as of 8:00 a.m. of that day or as of the normal opening hour of such day, as the case may be. All petitions received thereafter shall be deemed as filed in the order of actual receipt. However, 2 or more petitions filed within the last hour of the filing deadline shall be deemed filed simultaneously. Where 2 or more petitions are received simultaneously, the State Board of Elections or the various election authorities or local election officials with whom such petitions are filed shall break ties and determine the order of filing, by means of a lottery or other fair and impartial method of random selection approved by the State Board of Elections. Such lottery shall be conducted within 9 days following the last day for petition filing and shall be open to the public. Seven days written notice of the time and place of conducting such random selection shall be given by the State Board of Elections to the chairman of the State central committee of each established political party, and by each election authority or local election official, to the County Chairman of each established political party, and to each organization of citizens within the election jurisdiction which was entitled, under this Article, at the next preceding election, to have pollwatchers present on the day of election. Where candidates have filed simultaneously, they shall be certified in the order determined by lot and prior to candidates who filed for the same office at a later time.

(7) The State Board of Elections or the appropriate election authority or local election official with whom such a petition for nomination is filed shall notify the person for whom a petition for

nomination has been filed of the obligation to file statements of organization, reports of campaign contributions, and annual reports of campaign contributions and expenditures under Article 9 of this Act. Such notice shall be given in the manner prescribed by paragraph (7) of Section 9-16 of this Code.

(8) Nomination papers filed under this Section are not valid if the candidate named therein fails to file a statement of economic interests as required by the Illinois Governmental Ethics Act in relation to his candidacy with the appropriate officer by the end of the period for the filing of nomination papers unless he has filed a statement of economic interests in relation to the same governmental unit with that officer within a year preceding the date on which such nomination papers were filed. If the nomination papers of any candidate and the statement of economic interest of that candidate are not required to be filed with the same officer, the candidate must file with the officer with whom the nomination papers are filed a receipt from the officer with whom the statement of economic interests is filed showing the date on which such statement was filed. Such receipt shall be so filed not later than the last day on which nomination papers may be filed.

(9) Any person for whom a petition for nomination, or for committeeman or for delegate or alternate delegate to a national nominating convention has been filed may cause his name to be withdrawn by request in writing, signed by him and duly acknowledged before an officer qualified to take acknowledgments of deeds, and filed in the principal or permanent branch office of the State Board of Elections or with the appropriate election authority or local election official, not later than the date of certification of candidates for the consolidated primary or general primary ballot. No names so withdrawn shall be certified or printed on the primary ballot. If petitions for nomination have been filed for the same person with respect to more than one political party, his name shall not be certified nor printed on the primary ballot of any party. If petitions for nomination have been filed for the same person for 2 or more offices which are incompatible so that the same person could not serve in more than one of such offices if elected, that person must withdraw as a candidate for all but one of such offices within the 5 business days following the last day for petition filing. A candidate in a judicial election may file petitions
for nomination for only one vacancy in a subcircuit and only one vacancy in a circuit in any one filing period, and if petitions for nomination have been filed for the same person for 2 or more vacancies in the same circuit or subcircuit in the same filing period, his or her name shall be certified only for the first vacancy for which the petitions for nomination were filed. If he fails to withdraw as a candidate for all but one of such offices within such time his name shall not be certified, nor printed on the primary ballot, for any office. For the purpose of the foregoing provisions, an office in a political party is not incompatible with any other office.

(10)(a) Notwithstanding the provisions of any other statute, no primary shall be held for an established political party in any township, municipality, or ward thereof, where the nomination of such party for every office to be voted upon by the electors of such township, municipality, or ward thereof, is uncontested. Whenever a political party's nomination of candidates is uncontested as to one or more, but not all, of the offices to be voted upon by the electors of a township, municipality, or ward thereof, then a primary shall be held for that party in such township, municipality, or ward thereof; provided that the primary ballot shall not include those offices within such township, municipality, or ward thereof, for which the nomination is uncontested. For purposes of this Article, the nomination of an established political party of a candidate for election to an office shall be deemed to be uncontested where not more than the number of persons to be nominated have timely filed valid nomination papers seeking the nomination of such party for election to such office.

(b) Notwithstanding the provisions of any other statute, no primary election shall be held for an established political party for any special primary election called for the purpose of filling a vacancy in the office of representative in the United States Congress where the nomination of such political party for said office is uncontested. For the purposes of this Article, the nomination of an established political party of a candidate for election to said office shall be deemed to be uncontested where not more than the number of persons to be nominated have timely filed valid nomination papers seeking the nomination of such established party for election to said office. This subsection (b)
shall not apply if such primary election is conducted on a regularly scheduled election day.

(c) Notwithstanding the provisions in subparagraph (a) and (b) of this paragraph (10), whenever a person who has not timely filed valid nomination papers and who intends to become a write-in candidate for a political party's nomination for any office for which the nomination is uncontested files a written statement or notice of that intent with the State Board of Elections or the local election official with whom nomination papers for such office are filed, a primary ballot shall be prepared and a primary shall be held for that office. Such statement or notice shall be filed on or before the date established in this Article for certifying candidates for the primary ballot. Such statement or notice shall contain (i) the name and address of the person intending to become a write-in candidate, (ii) a statement that the person is a qualified primary elector of the political party from whom the nomination is sought, (iii) a statement that the person intends to become a write-in candidate for the party's nomination, and (iv) the office the person is seeking as a write-in candidate. An election authority shall have no duty to conduct a primary and prepare a primary ballot for any office for which the nomination is uncontested unless a statement or notice meeting the requirements of this Section is filed in a timely manner.

(11) If multiple sets of nomination papers are filed for a candidate to the same office, the State Board of Elections, appropriate election authority or local election official where the petitions are filed shall within 2 business days notify the candidate of his or her multiple petition filings and that the candidate has 3 business days after receipt of the notice to notify the State Board of Elections, appropriate election authority or local election official that he or she may cancel prior sets of petitions. If the candidate notifies the State Board of Elections, appropriate election authority or local election official that he or she may cancel prior sets of petitions. If the candidate notifies the State Board of Elections, appropriate election authority or local election official, the last set of petitions filed shall be the only petitions to be considered valid by the State Board of Elections, election authority or local election official. If the candidate fails to notify the State Board of Elections, election authority or local election official then only the first set of petitions filed shall be valid and all subsequent petitions shall be void.

(c) If a patient or legal representative declines to designate a caregiver pursuant to this Act, the hospital shall document this declination in the patient's medical record and has no further responsibilities under this Act.

(d) If a patient or the patient's legal representative designates an individual as a caregiver under this Act, the hospital shall record the patient's designation of caregiver, the relationship of the designated caregiver to the patient, and the name, telephone number, and address of the patient's designated caregiver in the patient's medical record.

(e) A patient may elect to change his or her designated caregiver at any time, and the hospital must record this change in the patient's medical

record and thereafter treat the newly named person as the designated caregiver.

(f) A designation of a caregiver by a patient or the patient's legal representative does not obligate any individual to provide any after care for the patient.

(g) This Section shall not be construed to require a patient or a patient's legal representative to designate an individual as a caregiver under this Act.

Section 15. Notice to designated caregiver. A hospital shall notify a patient's designated caregiver of the patient's discharge or transfer to another hospital or facility licensed by the Department of Public Health as soon as possible prior to the patient's actual discharge or transfer and, in any event, upon issuance of a discharge order by the patient's attending physician, unless the patient indicates he or she does not wish the designated caregiver to be so notified. In the event the hospital is unable to contact the designated caregiver, the lack of contact shall not interfere with, delay, or otherwise affect the medical care provided to the patient or an appropriate discharge or transfer of the patient.

Section 20. Instruction to designated caregiver.

(a) As soon as possible prior to a patient's discharge from a hospital to the patient's residence, the hospital shall consult with the designated caregiver and issue a discharge plan that describes a patient's after care needs, if any, at the patient's residence. The consultation and issuance of a discharge plan shall occur on a schedule that takes into consideration the severity of the patient's condition and the urgency of the need for caregiver services. In the event the hospital is unable to contact the designated caregiver, the lack of contact shall not interfere with, delay, or otherwise affect the medical care provided to the patient or an appropriate discharge of the patient. At a minimum, the discharge plan shall include:

(1) A description of the after care deemed appropriate by the discharging physician or other health care professional.

(2) Contact information for any health care, clinical community resources, and long-term services and supports that may be helpful in carrying out the patient's discharge plan, and contact information for an individual designated by the hospital who can respond to questions about the discharge plan.

(b) The hospital issuing the discharge plan must make an effort to provide or arrange for the designated caregiver to receive instructions in
after care described in the discharge plan. Training and instructions for caregivers may be conducted in person or through video technology. Any training or instructions to a caregiver shall be provided in non-technical language, to the extent possible. At a minimum, this instruction shall include:

(1) A live or recorded demonstration of the tasks performed by an individual designated by the hospital who is authorized to perform the after care and is able to perform the demonstration in a culturally competent manner, in accordance with the hospital's requirements to provide language access services under State and federal law and in accordance with the hospital's procedures for providing education to patients and family caregivers.

(2) An opportunity for the caregiver to ask questions about the after care.

(3) Answers provided in a culturally competent manner and in accordance with State and federal law.

(c) In the event the designated caregiver cannot be reached, is not available, or is not willing to receive the instruction, the lack of contact or instruction shall not interfere with, delay, or otherwise affect an appropriate discharge of the patient.

Section 25. Non-interference with health care directives. Nothing in this Act shall be construed to interfere with the rights of an agent operating under a valid health care directive or valid power of attorney.

Section 30. No private right of action. Nothing in this Act shall be construed to create a private right of action against a hospital, a hospital affiliate, a hospital employee, or a consultant or contractor with whom a hospital has a contractual relationship solely for providing instruction to a designated caregiver, as described in Section 20 of this Act.

A hospital, a hospital affiliate, a hospital employee, or a consultant or contractor with whom a hospital has a contractual relationship shall not be held liable, except for willful or wanton misconduct, for services rendered or not rendered by the caregiver to the patient.

Nothing in this Act shall delay the discharge of a patient or the transfer of a patient from a hospital to another facility.

Section 10. The Surface-Mined Land Conservation and Reclamation Act is amended by changing Section 8 as follows:

Sec. 8. Bond of operator; amount; sufficiency of surety; violations; compliance. Any bond herein provided to be filed with the Department by the operator shall be in such form as the Director prescribes, payable to the People of the State of Illinois, conditioned that the operator shall faithfully perform all requirements of this Act and comply with all rules of the Department made in accordance with the provisions of this Act. Such bond shall be signed by the operator as principal, and by a good and sufficient corporate surety, licensed to do business in Illinois, as surety. The penalty of such bond shall be an amount between $600 and $5,000 per acre as determined by the Director for lands to be affected by surface mining, including slurry and gob disposal areas. Under circumstances where a written agreement between the operator and a third party require overburden to be removed, replaced, graded, and seeded in a manner that the necessary bond penalty exceeds $10,000 per acre, the Department shall require a bond amount sufficient to ensure the completion of the reclamation plan specified in the approved permit in the
event of forfeiture. In no case shall the bond for the entire area under one permit be less than $600 per acre or $3,000, whichever is greater. Areas used for the disposal of slurry and gob shall continue under bond so long as they are in active use. In lieu of such bonds, the operator may deposit any combination of cash, certificates of deposits, government securities, or irrevocable letters of credit with the Department in an amount equal to that of the required surety bond on conditions as prescribed in this Section. The penalty of the bond or amount of other security shall be increased or reduced from time to time as provided in this Act. Such bond or security shall remain in effect until the affected lands have been reclaimed, approved and released by the Department except that when the Department determines that grading and covering with materials capable of supporting vegetation in accordance with the plan has been satisfactorily completed, the Department shall release the bond or security except the amount of $100 per acre which shall be retained by the Department until the reclamation according to Section 6 of this Act has been completed. Where an anticipated water impoundment has been approved by the Department in the reclamation plan, and the Department determines the impoundment will be satisfactorily completed upon completion of the operation, the bond covering such anticipated water impoundment area shall be released.

A bond filed as above prescribed shall not be cancelled by the surety except after not less than 90 days' notice to the Department.

If the license to do business in Illinois of any surety upon a bond filed with the Department pursuant to this Act shall be suspended or revoked, the operator, within 30 days after receiving notice thereof from the Department, shall substitute for such surety a good and sufficient corporate surety licensed to do business in Illinois. Upon failure of the operator to make substitution of surety as herein provided, the Department shall have the right to suspend the permit of the operator until such substitution has been made.

The Department shall give written notice to the operator of any violation of this Act or non-compliance with any of the rules and regulations promulgated by the Department hereunder and if corrective measures, approved by the Department, are not commenced within 45 days, the Department may proceed as provided in Section 11 of this Act to request forfeiture of the bond or security. The forfeiture shall be the amount of bond or security in effect at the time of default for each acre or portion thereof with respect to which the operator has defaulted. Such

forfeiture shall fully satisfy all obligations of the operator to reclaim the affected land under the provisions of this Act.

The Department shall have the power to reclaim, in keeping with the provisions of this Act, any affected land with respect to which a bond has been forfeited.

Whenever an operator shall have completed all requirements under the provisions of this Act as to any affected land, he shall notify the Department thereof. If the Department determines that the operator has completed reclamation requirements and refuse disposal requirements and has achieved results appropriate to the use for which the area was reclaimed, the Department shall release the operator from further obligations regarding such affected land and the penalty of the bond shall be reduced proportionately.

Bonding aggregate mining operations under permit by the State is an exclusive power and function of the State. A home rule unit may not require bonding of aggregate mining operations under permit by the State. This provision is a denial and limitation of home rule powers and functions under subsection (h) of Section 6 of Article VII of the Illinois Constitution of 1970.

PUBLIC ACT 99-0227

(House Bill No. 3332)

AN ACT concerning government.
Be it enacted by the People of the State of Illinois, represented in the General Assembly:
Section 1. Short title. This Act may be cited as the Professional Limited Liability Company Act.
Section 5. Definitions. In this Act:
"Department" means the Department of Financial and Professional Regulation.
"Professional limited liability company" means a limited liability company that intends to provide, or does provide, professional services that require the individuals engaged in the profession to be licensed by the Department of Financial and Professional Regulation.

Section 10. Application of the Limited Liability Company Act. The Limited Liability Company Act, as now or hereafter amended, shall be applicable to professional limited liability companies, and they shall enjoy the powers and privileges and be subject to the duties, restrictions, and liabilities of other limited liability companies, except where inconsistent with the letter and purpose of this Act. This Act shall take precedence in the event of any conflict with the provisions of the Limited Liability Company Act or other laws.

Section 15. Certificate of registration.
(a) No professional limited liability company may render professional services that require the issuance of a license by the Department, except through its managers, members, agents, or employees.
who are duly licensed or otherwise legally authorized to render such professional services within this State. An individual's association with a professional limited liability company as a manager, member, agent, or employee, shall in no way modify or diminish the jurisdiction of the Department that licensed, certified, or registered the individual for a particular profession.

(b) A professional limited liability company shall not open, operate, or maintain an establishment for any of the purposes for which a limited liability company may be organized without obtaining a certificate of registration from the Department.

(c) Application for a certificate of registration shall be made in writing and shall contain the name and primary mailing address of the professional limited liability company, the name and address of the company's registered agent, the address of the practice location maintained by the company, each assumed name being used by the company, and such other information as may be required by the Department. All official correspondence from the Department shall be mailed to the primary mailing address of the company except that the company may elect to have renewal and non-renewal notices sent to the registered agent of the company. Upon receipt of such application, the Department shall make an investigation of the professional limited liability company. If this Act or any Act administered by the Department requires the organizers, managers, and members to each be licensed in the particular profession or related professions related to the professional services offered by the company, the Department shall determine that the organizers, managers, and members are each licensed pursuant to the laws of Illinois to engage in the particular profession or related professions involved (except that an initial organizer may be a licensed attorney) and that no disciplinary action is pending before the Department against any of them before issuing a certificate of registration. For all other companies submitting an application, the Department shall determine if any organizer, manager, or member claiming to hold a professional license issued by the Department is currently so licensed and that no disciplinary action is pending before the Department against any of them before issuing a certificate of registration. If it appears that the professional limited liability company will be conducted in compliance with the law and the rules and regulations of the Department, the Department shall issue, upon payment of a registration fee of $50, a certificate of registration.

New matter indicated by italics - deletions by strikeout
(d) A separate application shall be submitted for each business location in Illinois. If the professional limited liability company is using more than one fictitious or assumed name and has an address different from that of the parent company, a separate application shall be submitted for each fictitious or assumed name.

(e) Upon written application of the holder, the Department shall renew the certificate if it finds that the professional limited liability company has complied with its regulations and the provisions of this Act and the applicable licensing Act. This fee for the renewal of a certificate of registration shall be calculated at the rate of $40 per year. The certificate of registration shall be conspicuously posted upon the premises to which it is applicable. A certificate of registration shall not be assignable.

(f) The Department shall not issue or renew any certificate of registration to a professional limited liability company during the period of dissolution.

Section 20. Failure to obtain a certificate of registration. Whenever the Department has reason to believe a professional limited liability company has opened, operated, or maintained an establishment without a certificate of registration, the Department may issue a notice of violation to the professional limited liability company. The notice of violation shall provide a period of 30 days after the date of the notice to either file an answer to the satisfaction of the Department or submit an application for a certificate of registration in compliance with this Act. If the professional limited liability company submits an application for a certificate of registration, it must pay the $50 application fee and a late fee of $100 for each year that the professional limited liability company opened, operated, or maintained an establishment without a certificate of registration for the purpose of providing any professional service that requires the individuals engaged in the profession to be licensed by the Department, with a maximum late fee of $500. If the professional limited liability company that is the subject of the notice of violation fails to respond, fails to respond to the satisfaction of the Department, or fails to submit an application for registration, the Department may institute disciplinary proceedings against the professional limited liability company and may impose a civil penalty up to $1,000 for violation of this Act after affording the professional limited liability company a hearing in conformance with the requirements of this Act.

Section 25. Suspension, revocation or discipline of certificate of registration.

New matter indicated by italics - deletions by strikeout
(a) The Department may suspend, revoke, or otherwise discipline the certificate of registration of a professional limited liability company for any of the following reasons:

1. the revocation or suspension of the license to practice the profession of any officer, manager, member, agent, or employee not promptly removed or discharged by the professional limited liability company;

2. unethical professional conduct on the part of any officer, manager, member, agent, or employee not promptly removed or discharged by the professional limited liability company;

3. the death of the last remaining member;

4. upon finding that the holder of the certificate has failed to comply with the provisions of this Act or the regulations prescribed by the Department; or

5. the failure to file a return, to pay the tax, penalty, or interest shown in a filed return, or to pay any final assessment of tax, penalty, or interest, as required by a tax Act administered by the Illinois Department of Revenue, until such time as the requirements of any such tax Act are satisfied.

(b) Before any certificate of registration is suspended or revoked, the holder shall be given written notice of the proposed action and the reasons for the proposed action and shall be provided a public hearing by the Department with the right to produce testimony and other evidence concerning the charges made. The notice shall also state the place and date of the hearing, which shall be at least 10 days after service of the notice.

(c) All orders of the Department denying an application for a certificate of registration or suspending or revoking a certificate of registration or imposing a civil penalty shall be subject to judicial review pursuant to the Administrative Review Law.

(d) The proceedings for judicial review shall be commenced in the circuit court of the county in which the party applying for review is located. If the party is not currently located in Illinois, the venue shall be in Sangamon County. The Department shall not be required to certify any record to the court or file any answer in court or otherwise appear in any court in a judicial review proceeding, unless and until the Department has received from the plaintiff payment of the costs of furnishing and certifying the record, which costs shall be determined by the Department.
Exhibits shall be certified without cost. Failure on the part of the plaintiff to file a receipt in court is grounds for dismissal of the action.

Section 30. Confidentiality.
(a) All information collected by the Department in the course of an examination or investigation of a holder of a certificate of registration or an applicant, including, but not limited to, any complaint against a holder of a certificate of registration filed with the Department and information collected to investigate any such complaint, shall be maintained for the confidential use of the Department and shall not be disclosed.

(b) The Department may not disclose the information to anyone other than law enforcement officials, other regulatory agencies that have an appropriate regulatory interest as determined by the Secretary of the Department, or a party presenting a lawful subpoena to the Department. Information and documents disclosed to a federal, State, county, or local law enforcement agency shall not be disclosed by the agency for any purpose to any other agency or person. A formal complaint filed against a holder of a certificate of registration by the Department or any order issued by the Department against a holder of a certificate of registration or an applicant shall be a public record, except as otherwise prohibited by law.

Section 35. Professional relationship and liability; rights and obligations pertaining to communications.
(a) Nothing contained in this Act shall be interpreted to abolish, repeal, modify, restrict, or limit the law in effect in this State on the effective date of this Act that is applicable to the professional relationship and liabilities between the person furnishing the professional services and the person receiving such professional services or the law that is applicable to the standards for professional conduct. Any manager, member, agent, or employee of a professional limited liability company shall remain personally and fully liable and accountable for any negligent or wrongful acts or misconduct committed by him or her or by any person under his or her direct supervision and control while rendering professional services on behalf of the professional limited liability company. However, a professional limited liability company shall have no greater liability for the conduct of its agents than any other limited liability company organized under the Limited Liability Company Act. A professional limited liability company shall be liable up to the full value of its property for any negligence or wrongful acts or misconduct committed by any of its managers, members, agents, or employees while they are

New matter indicated by italics - deletions by strikeout
engaged in the rendering of professional services on behalf of the professional limited liability company.

(b) All rights and obligations pertaining to communications made to or information received by any qualified person or the advice he or she gives on such communications or information, shall be extended to the professional limited liability company of which he or she is a manager, member, agent, or employee, and to the professional limited liability company's managers, members, agents, and employees.

Section 40. Dissolution. A professional limited liability company may, for the purposes of dissolution, have as its managers and members individuals who are not licensed by the Department to provide professional services notwithstanding any provision of this Act or of any professional Act administered by the Department, provided that the professional limited liability company under these circumstances does not render any professional services nor hold itself out as capable or available to render any professional services during the period of dissolution. A copy of the certificate of dissolution, as issued by the Secretary of State, shall be delivered to the Department within 30 days of its receipt by the managers or members.

Section 45. Dishonored payments. Any professional limited liability company that, on 2 occasions, issues or delivers a check or other order to the Department that is not honored by the financial institution upon which it is drawn because of insufficient funds on the account, shall pay to the Department, in addition to the amount owing upon such check or other order, a fee of $50. If such check or other order was issued or delivered in payment of a renewal fee and the professional limited liability company whose certificate of registration has lapsed continues to practice as a professional limited liability company without paying the renewal fee and the $50 fee required under this Section, an additional fee of $100 shall be imposed for practicing without a current certificate. The Department shall notify the professional limited liability company whose certificate of registration has lapsed within 30 days after the discovery by the Department that such professional limited liability company is operating without a current certificate of the fact that the professional limited liability company is operating without a certificate and of the amount due to the Department, which shall include the lapsed renewal fee and all other fees required by this Section. If the professional limited liability company whose certification has lapsed seeks a current certificate more than 30 days after the date it receives notification from the Department, it shall be
required to apply to the Department for reinstatement of the certificate and to pay all fees due to the Department. The Department may establish a fee for the processing of an application for reinstatement of a certificate that allows the Department to pay all costs and expenses related to the processing of the application. The Secretary of the Department may waive the fees due under this Section in individual cases where he or she finds that in the particular case such fees would be unreasonable or unnecessarily burdensome.

Section 50. Deposit of fees and fines. All fees, civil penalties, and fines collected under this Act shall be deposited into the General Professions Dedicated Fund.

(4) To prescribe rules and regulations defining, for the respective professions, trades, and occupations, what shall constitute a school, college, or university, or department of a university, or other institution, reputable and in good standing, and to determine the reputability and good standing of a school, college, or university, or department of a university, or other institution, reputable and in good standing, by reference to a compliance with those rules and regulations; provided, that no school, college, or university, or department of a university, or other institution that refuses admittance to applicants solely on account of race, color, creed, sex, sexual orientation, or national origin shall be considered reputable and in good standing.

(5) To conduct hearings on proceedings to revoke, suspend, refuse to renew, place on probationary status, or take other disciplinary action as authorized in any licensing Act administered by the Department with regard to licenses, certificates, or authorities of persons exercising the respective professions, trades, or occupations and to revoke, suspend, refuse to renew, place on probationary status, or take other disciplinary action as authorized in any licensing Act administered by the Department with regard to those licenses, certificates, or authorities.

The Department shall issue a monthly disciplinary report.

The Department shall deny any license or renewal authorized by the Civil Administrative Code of Illinois to any person who has defaulted on an educational loan or scholarship provided by or guaranteed by the Illinois Student Assistance Commission or any governmental agency of this State; however, the Department may issue a license or renewal if the aforementioned persons have established a satisfactory repayment record as determined by the Illinois Student Assistance Commission or other appropriate governmental agency of this State. Additionally, beginning June 1, 1996, any license issued by the Department may be suspended or revoked if the Department, after the opportunity for a hearing under the appropriate licensing Act, finds that the licensee has failed to make satisfactory repayment to the Illinois Student Assistance Commission for a
delinquent or defaulted loan. For the purposes of this Section, "satisfactory repayment record" shall be defined by rule.

The Department shall refuse to issue or renew a license to, or shall suspend or revoke a license of, any person who, after receiving notice, fails to comply with a subpoena or warrant relating to a paternity or child support proceeding. However, the Department may issue a license or renewal upon compliance with the subpoena or warrant.

The Department, without further process or hearings, shall revoke, suspend, or deny any license or renewal authorized by the Civil Administrative Code of Illinois to a person who is certified by the Department of Healthcare and Family Services (formerly Illinois Department of Public Aid) as being more than 30 days delinquent in complying with a child support order or who is certified by a court as being in violation of the Non-Support Punishment Act for more than 60 days. The Department may, however, issue a license or renewal if the person has established a satisfactory repayment record as determined by the Department of Healthcare and Family Services (formerly Illinois Department of Public Aid) or if the person is determined by the court to be in compliance with the Non-Support Punishment Act. The Department may implement this paragraph as added by Public Act 89-6 through the use of emergency rules in accordance with Section 5-45 of the Illinois Administrative Procedure Act. For purposes of the Illinois Administrative Procedure Act, the adoption of rules to implement this paragraph shall be considered an emergency and necessary for the public interest, safety, and welfare.

professional services, and equipment necessary for enforcement activities
and other activities as set forth in this Section shall be advanced to the
agent who is to make the purchase from the Professional Regulation

of moneys to be used for the purposes set forth in this Section; provided,
that no check may be written nor any withdrawal made from any such
account except upon the written signatures of 2 persons designated by the
Director to write those checks and make those withdrawals. Vouchers for

(g) Notwithstanding anything that may appear in any individual licensing statute or administrative rule, the Department shall deny any license application or renewal authorized under any licensing Act administered by the Department to any person who has failed to file a return, or to pay the tax, penalty, or interest shown in a filed return, or to pay any final assessment of tax, penalty, or interest, as required by any tax Act administered by the Illinois Department of Revenue, until such time as the requirement of any such tax Act are satisfied; however, the Department may issue a license or renewal if the person has established a satisfactory repayment record as determined by the Illinois Department of Revenue. For the purpose of this Section, "satisfactory repayment record" shall be defined by rule.

In addition, a complaint filed with the Department by the Illinois Department of Revenue that includes a certification, signed by its Director or designee, attesting to the amount of the unpaid tax liability or the years for which a return was not filed, or both, is prima facie evidence of the licensee's failure to comply with the tax laws administered by the Illinois Department of Revenue. Upon receipt of that certification, the Department shall, without a hearing, immediately suspend all licenses held by the licensee. Enforcement of the Department's order shall be stayed for 60 days. The Department shall provide notice of the suspension to the licensee by mailing a copy of the Department's order by certified and regular mail to the licensee's last known address as registered with the Department. The notice shall advise the licensee that the suspension shall be effective 60 days after the issuance of the Department's order unless the Department receives, from the licensee, a request for a hearing before the Department to dispute the matters contained in the order.

Any suspension imposed under this subsection (g) shall be terminated by the Department upon notification from the Illinois Department of Revenue that the licensee is in compliance with all tax laws administered by the Illinois Department of Revenue.

The Department may promulgate rules for the administration of this subsection (g).

(h) The Department may grant the title "Retired", to be used immediately adjacent to the title of a profession regulated by the Department, to eligible retirees. The use of the title "Retired" shall not constitute representation of current licensure, registration, or certification. Any person without an active license, registration, or certificate in a
profession that requires licensure, registration, or certification shall not be permitted to practice that profession.

(i) Within 180 days after December 23, 2009 (the effective date of Public Act 96-852), the Department shall promulgate rules which permit a person with a criminal record, who seeks a license or certificate in an occupation for which a criminal record is not expressly a per se bar, to apply to the Department for a non-binding, advisory opinion to be provided by the Board or body with the authority to issue the license or certificate as to whether his or her criminal record would bar the individual from the licensure or certification sought, should the individual meet all other licensure requirements including, but not limited to, the successful completion of the relevant examinations.

The notice citation shall be served on the registrant at least 10 days prior to the date set in the notice citation for the hearing, either by delivery of the notice citation personally to the registrant or by mailing the notice citation by registered mail to the registrant's address of record or last known place of residence;

in its cost allocation plans that are not attributable to the licensing and regulation of a specific profession, trade, or occupation, or industry or group of professions, trades, occupations, or industries shall be financed from appropriations from revenue sources other than fees and fines.

(b) The Professions Indirect Cost Fund is hereby created as a special fund in the State Treasury. Except as provided in subsection (e), the Fund may receive transfers of moneys authorized by the Department from the cash balances in special funds that receive revenues from the fees and fines associated with the licensing of regulated professions, trades, occupations, and industries by the Department. For purposes of this Section only, until June 30, 2010, the Fund may also receive transfers of moneys authorized by the Department from the cash balances in special funds that receive revenues from the fees and fines associated with the licensing of regulated professions, trades, occupations, and industries by the Department of Insurance. Moneys in the Fund shall be invested and earnings on the investments shall be retained in the Fund. Subject to appropriation, the Department shall use moneys in the Fund to pay the ordinary and necessary allocable indirect expenses associated with each of the regulated professions, trades, occupations, and industries.

(c) Before the beginning of each fiscal year, the Department shall prepare a cost allocation analysis to be used in establishing the necessary appropriation levels for each cost purpose and revenue source. At the conclusion of each fiscal year, the Department shall prepare a cost allocation analysis reflecting the extent of the variation between how the costs were actually financed in that year and the planned cost allocation for that year. Variations between the planned and actual cost allocations for the prior fiscal year shall be adjusted into the Department's planned cost allocation for the next fiscal year.

Each cost allocation analysis shall separately identify the direct and allocable indirect costs of each regulated profession, trade, occupation, or industry and the costs of the Department's general public health and safety purposes. The analyses shall determine whether the direct and allocable indirect costs of each regulated profession, trade, occupation, or industry and the costs of the Department's general public health and safety purposes are sufficiently financed from their respective funding sources. The Department shall prepare the cost allocation analyses in consultation with the respective regulated professions, trades, occupations, and industries and shall make copies of the analyses available to them in a timely fashion. For purposes of this Section only, until June 30, 2010, the
Department shall include in its cost allocation analysis the direct and allocable indirect costs of each regulated profession, trade, occupation, or industry and the costs of the general public health and safety purposes of the Department of Insurance.

(d) Except as provided in subsection (e), the Department may direct the State Comptroller and Treasurer to transfer moneys from the special funds that receive fees and fines associated with regulated professions, trades, occupations, and industries into the Professions Indirect Cost Fund in accordance with the Department's cost allocation analysis plan for the applicable fiscal year. For a given fiscal year, the Department shall not direct the transfer of moneys under this subsection from a special fund associated with a specific regulated profession, trade, occupation, or industry (or group of professions, trades, occupations, or industries) in an amount exceeding the allocable indirect costs associated with that profession, trade, occupation, or industry (or group of professions, trades, occupations, or industries) as provided in the cost allocation analysis for that fiscal year and adjusted for allocation variations from the prior fiscal year. No direct costs identified in the cost allocation plan shall be used as a basis for transfers into the Professions Indirect Cost Fund or for expenditures from the Fund.

(e) No transfer may be made to the Professions Indirect Cost Fund under this Section from the Public Pension Regulation Fund.

(Section scheduled to be repealed on January 1, 2020)

Sec. 15-5. Legislative intent.

(a) The General Assembly finds that application of the common law of agency to the relationships among managing real estate brokers and brokers salespersons and consumers of real estate brokerage services has resulted in misunderstandings and consequences that have been contrary to the best interests of the public. The General Assembly further finds that the real estate brokerage industry has a significant impact upon the economy of the State of Illinois and that it is in the best interest of the public to provide codification of the relationships between managing real estate brokers and brokers salespersons and consumers of real estate brokerage services in order to prevent detrimental misunderstandings and misinterpretations of the relationships by consumers, managing real estate brokers, and brokers salespersons and thus promote and provide stability in the real estate market. This Article 15 is enacted to govern the relationships between consumers of real estate brokerage services and managing real estate brokers and brokers salespersons to the extent not governed by an individual written agreement between a sponsoring broker

and a consumer, providing that there is a relationship other than designated agency. This Article 15 applies to the exclusion of the common law concepts of principal and agent and to the fiduciary duties, which have been applied to managing real estate brokers, brokers salespersons, and real estate brokerage services.

(b) The General Assembly further finds that this Article 15 is not intended to prescribe or affect contractual relationships between managing brokers and real estate brokers and the broker's affiliated licensees.

(c) This Article 15 may serve as a basis for private rights of action and defenses by sellers, buyers, landlords, tenants, managing brokers, and real estate brokers, and real estate salespersons. The private rights of action, however, do not extend to the provisions of any other Articles of this Act.

Sec. 20-85. Recovery from Real Estate Recovery Fund. The Department shall maintain a Real Estate Recovery Fund from which any person aggrieved by an act, representation, transaction, or conduct of a licensee or unlicensed employee of a licensee that is in violation of this Act or the rules promulgated pursuant thereto, constitutes embezzlement of money or property, or results in money or property being unlawfully obtained from any person by false pretenses, artifice, trickery, or forgery or by reason of any fraud, misrepresentation, discrimination, or deceit by or on the part of any such licensee or the unlicensed employee of a licensee and that results in a loss of actual cash money, as opposed to losses in market value, may recover. The aggrieved person may recover, by a post-judgment order of the circuit court of the county where the violation occurred in a proceeding described in Section 20-90 of this Act, an amount of not more than $25,000 from the Fund for damages sustained by the act, representation, transaction, or conduct, together with costs of suit and

attorney's fees incurred in connection therewith of not to exceed 15% of the amount of the recovery ordered paid from the Fund. However, no person licensee may recover from the Fund unless the court finds that the person suffered a loss resulting from intentional misconduct. The post-judgment order shall not include interest on the judgment. The maximum liability against the Fund arising out of any one act shall be as provided in this Section, and the post-judgment order shall spread the award equitably among all co-owners or otherwise aggrieved persons, if any. The maximum liability against the Fund arising out of the activities of any one licensee or one unlicensed employee of a licensee, since January 1, 1974, shall be $100,000. Nothing in this Section shall be construed to authorize recovery from the Fund unless the loss of the aggrieved person results from an act or omission of a licensee under this Act who was at the time of the act or omission acting in such capacity or was apparently acting in such capacity or their unlicensed employee and unless the aggrieved person has obtained a valid judgment and post-judgment order of the court as provided for in Section 20-90 of this Act. No person aggrieved by an act, representation, or transaction that is in violation of the Illinois Real Estate Time-Share Act or the Land Sales Registration Act of 1989 may recover from the Fund.

All official correspondence from the regulating authority shall be mailed to the primary mailing address of the corporation except that the corporation may elect to have renewal and

non-renewal notices sent to the registered agent of the corporation. Upon receipt of such application, the regulating authority, or some administrative agency of government designated by it, shall make an investigation of the corporation. If the regulating authority is the Supreme Court it may designate the bar or legal association which investigates and prefers charges against lawyers to it for disciplining. If such authority finds that the incorporators, officers, directors and shareholders are each licensed pursuant to the laws of Illinois to engage in the particular profession or related professions involved (except that the secretary of the corporation need not be so licensed), and if no disciplinary action is pending before it against any of them, and if it appears that the corporation will be conducted in compliance with the law and the regulations and rules of the regulating authority, such authority, shall issue, upon payment of a registration fee of $50, a certificate of registration.

A separate application shall be submitted for each business location in Illinois. If the corporation is using more than one fictitious or assumed name and has an address different from that of the parent company, a separate application shall be submitted for each fictitious or assumed name.

Upon written application of the holder, the regulating authority which originally issued the certificate of registration shall renew the certificate if it finds that the corporation has complied with its regulations and the provisions of this Act.

The fee for the renewal of a certificate of registration shall be calculated at the rate of $40 per year.

The certificate of registration shall be conspicuously posted upon the premises to which it is applicable, and the professional corporation shall have only those offices which are designated by street address in the articles of incorporation, or as changed by amendment of such articles. No certificate of registration shall be assignable.

(b) Moneys collected under this Section from a professional corporation organized to practice law shall be deposited into the Supreme Court Special Purposes Fund.

(c) After the effective date of this amendatory Act of the 98th General Assembly, the amount of any fee collected under this Section from a professional corporation organized to practice law may be set by Supreme Court rule, except that the amount of the fees shall remain as set by statute until the Supreme Court adopts rules specifying a higher or lower fee amount.
Sec. 12.1. Any corporation which on 2 occasions issues or delivers a check or other order to the Department of Financial and Professional Regulation which is not honored by the financial institution upon which it is drawn because of insufficient funds on account, shall pay to the Department, in addition to the amount owing upon such check or other order, a fee of $50. If such check or other order was issued or delivered in payment of a renewal fee and the corporation whose certificate of registration has lapsed continues to practice as a corporation without paying the renewal fee and the $50 fee required under this Section, an additional fee of $100 shall be imposed for practicing without a current license. The Department shall notify the corporation whose certificate of registration has lapsed, within 30 days after the discovery by the Department that such corporation is operating without a current certificate, that the corporation is operating without a certificate, and of the amount due to the Department, which shall include the lapsed renewal fee and all other fees required by this Section. If after the expiration of 30 days from the date of such notification, the corporation whose certificate has lapsed seeks a current certificate, it shall thereafter apply to the Department for reinstatement of the certificate and pay all fees due to the Department. The Department may establish a fee for the processing of an application for reinstatement of a certificate which allows the Department to pay all costs and expenses incident to the processing of this application. The Director may waive the fees due under this Section in individual cases where he finds that in the particular case such fees would be unreasonable or unnecessarily burdensome.

Sec. 13. The regulating authority which issued the certificate of registration may suspend or revoke the certificate or may otherwise discipline the certificate holder for any of the following reasons:

(a) The revocation or suspension of the license to practice the profession of any officer, director, shareholder or employee not promptly removed or discharged by the corporation; (b) unethical professional conduct on the part of any officer, director, shareholder or employee not promptly removed or discharged by the corporation; (c) the death of the last remaining shareholder; (d) upon finding that the holder of a certificate has failed to comply with the provisions of this Act or the regulations.
prescribed by the regulating authority that issued it; or (e) the failure to file a return, or to pay the tax, penalty or interest shown in a filed return, or to pay any final assessment of tax, penalty or interest, as required by any tax Act administered by the Illinois Department of Revenue, until such time as the requirements of any such tax Act are satisfied.

Before any certificate of registration is suspended or revoked, the holder shall be given written notice of the proposed action and the reasons therefor, and shall provide a public hearing by the regulating authority, with the right to produce testimony and other evidence concerning the charges made. The notice shall also state the place and date of the hearing which shall be at least 10 days after service of said notice.

All orders of regulating authorities denying an application for a certificate of registration, or suspending or revoking a certificate of registration, or imposing a civil penalty shall be subject to judicial review pursuant to the provisions of the Administrative Review Law, as now or hereafter amended, and the rules adopted pursuant thereto then in force.

The proceedings for judicial review shall be commenced in the circuit court of the county in which the party applying for review is located. If the party is not currently located in Illinois, the venue shall be in Sangamon County. The regulating authority shall not be required to certify any record to the court or file any answer in court or otherwise appear in any court in a judicial review proceeding, unless and until the regulating authority has received from the plaintiff payment of the costs of furnishing and certifying the record, which costs shall be determined by the regulating authority. Exhibits shall be certified without cost. Failure on the part of the plaintiff to file a receipt in court is grounds for dismissal of the action.

The regulating authority may not disclose the information to anyone other than law enforcement officials, other regulatory agencies that have an appropriate regulatory interest as determined by the regulating authority, or a party presenting a lawful subpoena to the regulating authority. Information and documents disclosed to a federal, State, county, or local law enforcement agency shall not be disclosed by the agency for any purpose to any other agency or person. The Illinois Department, by rule, shall prohibit any physician from providing medical assistance to anyone eligible therefor under this Code where such physician has been found guilty of performing an abortion procedure in a wilful and wanton manner upon a woman who was not pregnant at the time such abortion procedure was performed. The term "any other type of remedial care" shall include nursing care and nursing home service for persons who rely on treatment by spiritual means alone through prayer for healing.

Notwithstanding any other provision of this Section, a comprehensive tobacco use cessation program that includes purchasing prescription drugs or prescription medical devices approved by the Food and Drug Administration shall be covered under the medical assistance program under this Article for persons who are otherwise eligible for assistance under this Article.

Notwithstanding any other provision of this Code, the Illinois Department may not require, as a condition of payment for any laboratory test authorized under this Article, that a physician's handwritten signature appear on the laboratory test order form. The Illinois Department may, however, impose other appropriate requirements regarding laboratory test order documentation.

Under any contract procured under this provision, the
vendor or vendors must serve only individuals enrolled in a school within the CPS system. Claims for services provided by CPS's vendor or vendors to recipients of benefits in the medical assistance program under this Code, the Children's Health Insurance Program, or the Covering ALL KIDS Health Insurance Program shall be submitted to the Department or the MCE in which the individual is enrolled for payment and shall be reimbursed at the Department's or the MCE's established rates or rate methodologies for eyeglasses.

Notwithstanding any other provision of this Code and subject to federal approval, the Department may adopt rules to allow a dentist who is volunteering his or her service at no cost to render dental services through an enrolled not-for-profit health clinic without the dentist personally enrolling as a participating provider in the medical assistance program. A not-for-profit health clinic shall include a public health clinic or Federally Qualified Health Center or other enrolled provider, as determined by the Department, through which dental services covered under this Section are performed. (D) A comprehensive ultrasound screening of an entire breast or breasts if a mammogram demonstrates heterogeneous or dense breast tissue, when medically necessary as determined by a physician licensed to practice medicine in all of its branches.

All screenings shall include a physical breast exam, instruction on self-examination and information regarding the frequency of self-examination and its value as a preventative tool. For purposes of this Section, "low-dose mammography" means the x-ray examination of the breast using equipment dedicated specifically for mammography, including the x-ray tube, filter, compression device, and image receptor, with an average radiation exposure delivery of less than one rad per breast for 2 views of an average size breast. On and after January 1, 2012, providers participating in a quality improvement program approved by the Department shall be reimbursed for screening and diagnostic mammography at the same rate as the Medicare program's rates, including the increased reimbursement for digital mammography.

The Department shall convene an expert panel including representatives of hospitals, free-standing mammography facilities, and doctors, including radiologists, to establish quality standards.

Subject to federal approval, the Department shall establish a rate methodology for mammography at federally qualified health centers and other encounter-rate clinics. These clinics or centers may also collaborate with other hospital-based mammography facilities.

The Department shall establish a methodology to remind women who are age-appropriate for screening mammography, but who have not received a mammogram within the previous 18 months, of the importance and benefit of screening mammography.

The Department shall establish a performance goal for primary care providers with respect to their female patients over age 40 receiving an annual mammogram. This performance goal shall be used to provide additional reimbursement in the form of a quality performance bonus to primary care providers who meet that goal.

The Department shall devise a means of case-managing or patient navigation for beneficiaries diagnosed with breast cancer. This program shall initially operate as a pilot program in areas of the State with the highest incidence of mortality related to breast cancer. At least one pilot program site shall be in the metropolitan Chicago area and at least one site shall be outside the metropolitan Chicago area. An evaluation of the pilot program shall be carried out measuring health outcomes and cost of care for those served by the pilot program compared to similarly situated patients who are not served by the pilot program.

Any medical or health care provider shall immediately recommend, to any pregnant woman who is being provided prenatal services and is suspected of drug abuse or is addicted as defined in the Alcoholism and Other Drug Abuse and Dependency Act, referral to a local substance abuse treatment provider licensed by the Department of Human Services or to a licensed hospital which provides substance abuse treatment services. The Department of Healthcare and Family Services shall assure coverage for the cost of treatment of the drug abuse or addiction for pregnant recipients in accordance with the Illinois Medicaid Program in conjunction with the Department of Human Services.

All medical providers providing medical assistance to pregnant women under this Code shall receive information from the Department on the availability of services under the Drug Free Families with a Future or any comparable program providing case management services for addicted women, including information on appropriate referrals for other social services that may be needed by addicted women in addition to treatment for addiction.

The Department should seek the advice of formal professional advisory committees appointed by the Director of the Illinois Department for the purpose of providing regular advice on policy and administrative matters, information dissemination and educational activities for medical and health care providers, and consistency in procedures to the Illinois Department.

The Illinois Department may develop and contract with Partnerships of medical providers to arrange medical services for persons eligible under Section 5-2 of this Code. Implementation of this Section may be by demonstration projects in certain geographic areas. The Partnership shall be represented by a sponsor organization. The Department, by rule, shall develop qualifications for sponsors of Partnerships. Nothing in this Section shall be construed to require that the sponsor organization be a medical organization.

The sponsor must negotiate formal written contracts with medical providers for physician services, inpatient and outpatient hospital care, home health services, treatment for alcoholism and substance abuse, and other services determined necessary by the Illinois Department by rule for delivery by Partnerships. Physician services must include prenatal and obstetrical care. The Illinois Department shall reimburse medical services delivered by Partnership providers to clients in target areas according to provisions of this Article and the Illinois Health Finance Reform Act, except that:

1. Physicians participating in a Partnership and providing certain services, which shall be determined by the Illinois Department, to persons in areas covered by the Partnership may receive an additional surcharge for such services.

New matter indicated by italics - deletions by strikeout
(3) Persons receiving medical services through Partnerships may receive medical and case management services above the level usually offered through the medical assistance program.

Medical providers shall be required to meet certain qualifications to participate in Partnerships to ensure the delivery of high quality medical services. These qualifications shall be determined by rule of the Illinois Department and may be higher than qualifications for participation in the medical assistance program. Partnership sponsors may prescribe reasonable additional qualifications for participation by medical providers, only with the prior written approval of the Illinois Department.

Nothing in this Section shall limit the free choice of practitioners, hospitals, and other providers of medical services by clients. In order to ensure patient freedom of choice, the Illinois Department shall immediately promulgate all rules and take all other necessary actions so that provided services may be accessed from therapeutically certified optometrists to the full extent of the Illinois Optometric Practice Act of 1987 without discriminating between service providers.

The Department shall apply for a waiver from the United States Health Care Financing Administration to allow for the implementation of Partnerships under this Section.

The Illinois Department shall require health care providers to maintain records that document the medical care and services provided to recipients of Medical Assistance under this Article. Such records must be retained for a period of not less than 6 years from the date of service or as provided by applicable State law, whichever period is longer, except that if an audit is initiated within the required retention period then the records must be retained until the audit is completed and every exception is resolved. All dispensers of medical services shall be required to maintain and retain business and professional records sufficient to fully and accurately document the nature, scope, details and receipt of the health care provided to persons eligible for medical assistance under this Code, in accordance with regulations promulgated by the Illinois Department. The rules and regulations shall require that proof of the receipt of prescription drugs, dentures, prosthetic devices and eyeglasses by eligible persons under this Section accompany each claim for reimbursement submitted by the
dispenser of such medical services. No such claims for reimbursement shall be approved for payment by the Illinois Department without such proof of receipt, unless the Illinois Department shall have put into effect and shall be operating a system of post-payment audit and review which shall, on a sampling basis, be deemed adequate by the Illinois Department to assure that such drugs, dentures, prosthetic devices and eyeglasses for which payment is being made are actually being received by eligible recipients. Within 90 days after the effective date of this amendatory Act of 1984, the Illinois Department shall establish a current list of acquisition costs for all prosthetic devices and any other items recognized as medical equipment and supplies reimbursable under this Article and shall update such list on a quarterly basis, except that the acquisition costs of all prescription drugs shall be updated no less frequently than every 30 days as required by Section 5-5.12.

During the period of conditional enrollment, the Department may terminate the vendor's eligibility to participate in, or may disenroll the vendor from, the medical assistance program without cause. Unless otherwise specified, such termination of eligibility or disenrollment is not subject to the Department's hearing process. However, a disenrolled vendor may reapply without penalty.

The Department has the discretion to limit the conditional enrollment period for vendors based upon category of risk of the vendor.

For claims for which the Illinois Department is not the primary payer, claims must be submitted to the Illinois Department within 180 days after the final adjudication by the primary payer.

In the case of long term care facilities, within 5 days of receipt by the facility of required prescreening information, data for new admissions shall be entered into the Medical Electronic Data Interchange (MEDI) or the Recipient Eligibility Verification (REV) System or successor system, and within 15 days of receipt by the facility of required prescreening information, admission documents shall be submitted through MEDI or REV or shall be submitted directly to the Department of Human Services using required admission forms. Claims that are not submitted and received in compliance with the foregoing requirements shall not be eligible for payment under the medical assistance program, and the State shall have no liability for payment of those claims.

To the extent consistent with applicable information and privacy, security, and disclosure laws, State and federal agencies and departments shall provide the Illinois Department access to confidential and other information and data necessary to perform eligibility and payment verifications and other Illinois Department functions. Section 5. The Regional Transportation Authority Act is amended by changing Section 4.04 as follows:

(a) The Authority shall have the continuing power to borrow money and to issue its negotiable bonds or notes as provided in this Section. Unless otherwise indicated in this Section, the term "notes" also includes bond anticipation notes, which are notes which by their terms provide for their payment from the proceeds of bonds thereafter to be issued. Bonds or notes of the Authority may be issued for any or all of the following purposes: to pay costs to the Authority or a Service Board of constructing or acquiring any public transportation facilities (including funds and rights relating thereto, as provided in Section 2.05 of this Act); to repay advances to the Authority or a Service Board made for such purposes; to pay other expenses of the Authority or a Service Board incident to or incurred in connection with such construction or acquisition; to provide funds for any transportation agency to pay principal of or interest or redemption premium on any bonds or notes, whether as such amounts become due or by earlier redemption, issued prior to the date of this amendatory Act by such transportation agency to construct or acquire

In addition to any other borrowing as may be authorized by this Section, the Authority may issue its notes, from time to time, in anticipation of tax receipts of the Authority or of other revenues or receipts of the Authority, in order to provide money for the Authority or the Service Boards to cover any cash flow deficit which the Authority or a Service Board anticipates incurring. Any such notes are referred to in this Section as "Working Cash Notes". No Working Cash Notes shall be issued for a term of longer than 24 months. Proceeds of Working Cash Notes may be used to pay day to day operating expenses of the Authority or the Service Boards, consisting of wages, salaries and fringe benefits, professional and technical services (including legal, audit, engineering and other consulting services), office rental, furniture, fixtures and equipment, insurance premiums, claims for self-insured amounts under insurance policies, public utility obligations for telephone, light, heat and similar items, travel expenses, office supplies, postage, dues, subscriptions, public hearings and information expenses, fuel purchases, and payments of grants and payments under purchase of service agreements for operations of transportation agencies, prior to the receipt by the Authority or a Service Board from time to time of funds for paying such expenses. In addition to any Working Cash Notes that the Board of the Authority may determine to issue, the Suburban Bus Board, the Commuter Rail Board or the Board of the Chicago Transit Authority may demand and direct that the Authority issue its Working Cash Notes in such amounts and having such maturities as the Service Board may determine.

Notwithstanding any other provision of this Act, any amounts necessary to pay principal of and interest on any Working Cash Notes issued at the demand and direction of a Service Board or any Working Cash Notes the proceeds of which were used for the direct benefit of a Service Board or any other Bonds or Notes of the Authority the proceeds of which were used for the direct benefit of a Service Board shall constitute a reduction of the amount of any other funds provided by the Authority to that Service Board. The Authority shall, after deducting any
costs of issuance, tender the net proceeds of any Working Cash Notes issued at the demand and direction of a Service Board to such Service Board as soon as may be practicable after the proceeds are received. The Authority may also issue notes or bonds to pay, refund or redeem any of its notes and bonds, including to pay redemption premiums or accrued interest on such bonds or notes being renewed, paid or refunded, and other costs in connection therewith. The Authority may also utilize the proceeds of any such bonds or notes to pay the legal, financial, administrative and other expenses of such authorization, issuance, sale or delivery of bonds or notes or to provide or increase a debt service reserve fund with respect to any or all of its bonds or notes. The Authority may also issue and deliver its bonds or notes in exchange for any public transportation facilities, (including funds and rights relating thereto, as provided in Section 2.05 of this Act) or in exchange for outstanding bonds or notes of the Authority, including any accrued interest or redemption premium thereon, without advertising or submitting such notes or bonds for public bidding.

(b) The ordinance providing for the issuance of any such bonds or notes shall fix the date or dates of maturity, the dates on which interest is payable, any sinking fund account or reserve fund account provisions and all other details of such bonds or notes and may provide for such covenants or agreements necessary or desirable with regard to the issue, sale and security of such bonds or notes. The rate or rates of interest on its bonds or notes may be fixed or variable and the Authority shall determine or provide for the determination of the rate or rates of interest of its bonds or notes issued under this Act in an ordinance adopted by the Authority prior to the issuance thereof, none of which rates of interest shall exceed that permitted in the Bond Authorization Act. Interest may be payable at such times as are provided for by the Board. Bonds and notes issued under this Section may be issued as serial or term obligations, shall be of such denomination or denominations and form, including interest coupons to be attached thereto, be executed in such manner, shall be payable at such place or places and bear such date as the Authority shall fix by the ordinance authorizing such bond or note and shall mature at such time or times, within a period not to exceed forty years from the date of issue, and may be redeemable prior to maturity with or without premium, at the option of the Authority, upon such terms and conditions as the Authority shall fix by the ordinance authorizing the issuance of such bonds or notes. No bond anticipation note or any renewal thereof shall mature at any time or times exceeding 5 years from the date of the first issuance of such note.

The Authority may provide for the registration of bonds or notes in the name of the owner as to the principal alone or as to both principal and interest, upon such terms and conditions as the Authority may determine. The ordinance authorizing bonds or notes may provide for the exchange of such bonds or notes which are fully registered, as to both principal and interest, with bonds or notes which are registerable as to principal only. All bonds or notes issued under this Section by the Authority other than those issued in exchange for property or for bonds or notes of the Authority shall be sold at a price which may be at a premium or discount but such that the interest cost (excluding any redemption premium) to the Authority of the proceeds of an issue of such bonds or notes, computed to stated maturity according to standard tables of bond values, shall not exceed that permitted in the Bond Authorization Act. The Authority shall notify the Governor's Office of Management and Budget and the State Comptroller at least 30 days before any bond sale and shall file with the Governor's Office of Management and Budget and the State Comptroller a certified copy of any ordinance authorizing the issuance of bonds at or before the issuance of the bonds. After December 31, 1994, any such bonds or notes shall be sold to the highest and best bidder on sealed bids as the Authority shall deem. As such bonds or notes are to be sold the Authority shall advertise for proposals to purchase the bonds or notes which advertisement shall be published at least once in a daily newspaper of general circulation published in the metropolitan region at least 10 days before the time set for the submission of bids. The Authority shall have the right to reject any or all bids. Notwithstanding any other provisions of this Section, Working Cash Notes or bonds or notes to provide funds for self-insurance or a joint self-insurance pool or entity may be sold either upon competitive bidding or by negotiated sale (without any requirement of publication of intention to negotiate the sale of such Notes), as the Board shall determine by ordinance adopted with the affirmative votes of at least 9 Directors. In case any officer whose signature appears on any bonds, notes or coupons authorized pursuant to this Section shall cease to be such officer before delivery of such bonds or notes, such signature shall nevertheless be valid and sufficient for all purposes, the same as if such officer had remained in office until such delivery. Neither the Directors of the Authority nor any person executing any bonds or notes thereof shall be liable personally on any such bonds or notes or coupons by reason of the issuance thereof.

New matter indicated by italics - deletions by strikeout
(c) All bonds or notes of the Authority issued pursuant to this Section shall be general obligations of the Authority to which shall be pledged the full faith and credit of the Authority, as provided in this Section. Such bonds or notes shall be secured as provided in the authorizing ordinance, which may, notwithstanding any other provision of this Act, include in addition to any other security, a specific pledge or assignment of and lien on or security interest in any or all tax receipts of the Authority and on any or all other revenues or moneys of the Authority from whatever source, which may by law be utilized for debt service purposes and a specific pledge or assignment of and lien on or security interest in any funds or accounts established or provided for by the ordinance of the Authority authorizing the issuance of such bonds or notes. Any such pledge, assignment, lien or security interest for the benefit of holders of bonds or notes of the Authority shall be valid and binding from the time the bonds or notes are issued without any physical delivery or further act and shall be valid and binding as against and prior to the claims of all other parties having claims of any kind against the Authority or any other person irrespective of whether such other parties have notice of such pledge, assignment, lien or security interest. The obligations of the Authority incurred pursuant to this Section shall be superior to and have priority over any other obligations of the Authority.

The Authority may provide in the ordinance authorizing the issuance of any bonds or notes issued pursuant to this Section for the creation of, deposits in, and regulation and disposition of sinking fund or reserve accounts relating to such bonds or notes. The ordinance authorizing the issuance of any bonds or notes pursuant to this Section may contain provisions as part of the contract with the holders of the bonds or notes, for the creation of a separate fund to provide for the payment of principal and interest on such bonds or notes and for the deposit in such fund from any or all the tax receipts of the Authority and from any or all such other moneys or revenues of the Authority from whatever source which may by law be utilized for debt service purposes, all as provided in such ordinance, of amounts to meet the debt service requirements on such bonds or notes, including principal and interest, and any sinking fund or reserve fund account requirements as may be provided by such ordinance, and all expenses incident to or in connection with such fund and accounts or the payment of such bonds or notes. Such ordinance may also provide limitations on the issuance of additional bonds or notes of the Authority. No such bonds or notes of the Authority shall constitute a
debt of the State of Illinois. Nothing in this Act shall be construed to
enable the Authority to impose any ad valorem tax on property.

(d) The ordinance of the Authority authorizing the issuance of any
bonds or notes may provide additional security for such bonds or notes by
providing for appointment of a corporate trustee (which may be any trust
company or bank having the powers of a trust company within the state)
with respect to such bonds or notes. The ordinance shall prescribe the
rights, duties and powers of the trustee to be exercised for the benefit of
the Authority and the protection of the holders of such bonds or notes. The
ordinance may provide for the trustee to hold in trust, invest and use
amounts in funds and accounts created as provided by the ordinance with
respect to the bonds or notes. The ordinance may provide for the
assignment and direct payment to the trustee of any or all amounts
produced from the sources provided in Section 4.03 and Section 4.09 of
this Act and provided in Section 6z-17 of "An Act in relation to State
finance", approved June 10, 1919, as amended. Upon receipt of notice of
any such assignment, the Department of Revenue and the Comptroller of
the State of Illinois shall thereafter, notwithstanding the provisions of
Section 4.03 and Section 4.09 of this Act and Section 6z-17 of "An Act in
relation to State finance", approved June 10, 1919, as amended, provide
for such assigned amounts to be paid directly to the trustee instead of the
Authority, all in accordance with the terms of the ordinance making the
assignment. The ordinance shall provide that amounts so paid to the
trustee which are not required to be deposited, held or invested in funds
and accounts created by the ordinance with respect to bonds or notes used
for paying bonds or notes to be paid by the trustee to the Authority.

(e) Any bonds or notes of the Authority issued pursuant to this
Section shall constitute a contract between the Authority and the holders
from time to time of such bonds or notes. In issuing any bond or note, the
Authority may include in the ordinance authorizing such issue a covenant
as part of the contract with the holders of the bonds or notes, that as long
as such obligations are outstanding, it shall make such deposits, as
provided in paragraph (c) of this Section. It may also so covenant that it
shall impose and continue to impose taxes, as provided in Section 4.03 of
this Act and in addition thereto as subsequently authorized by law,
sufficient to make such deposits and pay the principal and interest and to
meet other debt service requirements of such bonds or notes as they
become due. A certified copy of the ordinance authorizing the issuance of
any such obligations shall be filed at or prior to the issuance of such

obligations with the Comptroller of the State of Illinois and the Illinois Department of Revenue.

(f) The State of Illinois pledges to and agrees with the holders of the bonds and notes of the Authority issued pursuant to this Section that the State will not limit or alter the rights and powers vested in the Authority by this Act so as to impair the terms of any contract made by the Authority with such holders or in any way impair the rights and remedies of such holders until such bonds and notes, together with interest thereon, with interest on any unpaid installments of interest, and all costs and expenses in connection with any action or proceedings by or on behalf of such holders, are fully met and discharged. In addition, the State pledges to and agrees with the holders of the bonds and notes of the Authority issued pursuant to this Section that the State will not limit or alter the basis on which State funds are to be paid to the Authority as provided in this Act, or the use of such funds, so as to impair the terms of any such contract. The Authority is authorized to include these pledges and agreements of the State in any contract with the holders of bonds or notes issued pursuant to this Section.

(g)(1) Except as provided in subdivisions (g)(2) and (g)(3) of Section 4.04 of this Act, the Authority shall not at any time issue, sell or deliver any bonds or notes (other than Working Cash Notes) pursuant to this Section 4.04 which will cause it to have issued and outstanding at any time in excess of $800,000,000 of such bonds and notes (other than Working Cash Notes). The Authority shall not issue, sell, or deliver any Working Cash Notes pursuant to this Section that will cause it to have issued and outstanding at any time in excess of $100,000,000. (3) The rules and regulations shall also provide that the Director may award up to 180 days additional sentence credit for good conduct in specific instances as the Director deems proper. The good conduct may include, but is not limited to, compliance with the rules and regulations of the Department, service to the Department, service to a community, or service to the State. However, the Director shall not award more than 90 days of sentence credit for good conduct to any prisoner who is serving a sentence for conviction of first degree murder, reckless homicide while under the influence of alcohol or any other drug, or aggravated driving under the influence of alcohol, other drug or
drugs, or intoxicating compound or compounds, or any combination thereof as defined in subparagraph (F) of paragraph (1) of subsection (d) of Section 11-501 of the Illinois Vehicle Code, aggravated kidnapping, kidnapping, predatory criminal sexual assault of a child, aggravated criminal sexual assault, criminal sexual assault, deviate sexual assault, aggravated criminal sexual abuse, aggravated indecent liberties with a child, indecent liberties with a child, child pornography, heinous battery as described in Section 12-4.1 or subdivision (a)(2) of Section 12-3.05, aggravated battery of a spouse, aggravated battery of a spouse with a firearm, stalking, aggravated stalking, aggravated battery of a child as described in Section 12-4.3 or subdivision (b)(1) of Section 12-3.05, endangering the life or health of a child, or cruelty to a child. Notwithstanding the foregoing, sentence credit for good conduct shall not be awarded on a sentence of imprisonment imposed for conviction of: (i) one of the offenses enumerated in subdivision (a)(2)(i), (ii), or (iii) when the offense is committed on or after June 19, 1998 or subdivision (a)(2)(iv) when the offense is committed on or after June 23, 2005 (the effective date of Public Act 94-71) or subdivision (a)(2)(v) when the offense is committed on or after August 13, 2007 (the effective date of Public Act 95-134) or subdivision (a)(2)(vi) when the offense is committed on or after July 23, 2010 (the effective date of Public Act 96-1224), (ii) aggravated driving under the influence of alcohol, other drug or drugs, or intoxicating compound or compounds, or any combination thereof as defined in subparagraph (F) of paragraph (1) of subsection (d) of Section 11-501 of the Illinois Vehicle Code, (iii) one of the offenses enumerated in subdivision (a)(2.4) when the offense is committed on or after July 15, 1999 (the effective date of Public Act 91-121), (iv) aggravated arson when the offense is committed on or after July 27, 2001 (the effective date of Public Act 92-176), (v) offenses that may subject the offender to commitment under the Sexually Violent Persons Commitment Act, or (vi) aggravated driving under the influence of alcohol, other drug or drugs, or intoxicating compound or compounds or any combination thereof as defined in subparagraph (C) of paragraph (1) of subsection (d) of Section 11-501 of the
Illinois Vehicle Code committed on or after January 1, 2011 (the effective date of Public Act 96-1230).

Eligible inmates for an award of sentence credit under this paragraph (3) may be selected to receive the credit at the Director's or his or her designee's sole discretion. Consideration may be based on, but not limited to, any available risk assessment analysis on the inmate, any history of conviction for violent crimes as defined by the Rights of Crime Victims and Witnesses Act, facts and circumstances of the inmate's holding offense or offenses, and the potential for rehabilitation.

The Director shall not award sentence credit under this paragraph (3) to an inmate unless the inmate has served a minimum of 60 days of the sentence; except nothing in this paragraph shall be construed to permit the Director to extend an inmate's sentence beyond that which was imposed by the court. Prior to awarding credit under this paragraph (3), the Director shall make a written determination that the inmate:

(A) is eligible for the sentence credit;  
(B) has served a minimum of 60 days, or as close to 60 days as the sentence will allow; and
(C) has met the eligibility criteria established by rule.

The Director shall determine the form and content of the written determination required in this subsection.

(3.5) The Department shall provide annual written reports to the Governor and the General Assembly on the award of sentence credit for good conduct, with the first report due January 1, 2014. The Department must publish both reports on its website within 48 hours of transmitting the reports to the Governor and the General Assembly. The reports must include:

(A) the number of inmates awarded sentence credit for good conduct;  
(B) the average amount of sentence credit for good conduct awarded;  
(C) the holding offenses of inmates awarded sentence credit for good conduct; and  
(D) the number of sentence credit for good conduct revocations.

(4) The rules and regulations shall also provide that the sentence credit accumulated and retained under paragraph (2.1) of subsection (a) of this Section by any inmate during specific periods

of time in which such inmate is engaged full-time in substance abuse programs, correctional industry assignments, educational programs, behavior modification programs, life skills courses, or re-entry planning provided by the Department under this paragraph (4) and satisfactorily completes the assigned program as determined by the standards of the Department, shall be multiplied by a factor of 1.25 for program participation before August 11, 1993 and 1.50 for program participation on or after that date. The rules and regulations shall also provide that sentence credit, subject to the same offense limits and multiplier provided in this paragraph, may be provided to an inmate who was held in pre-trial detention prior to his or her current commitment to the Department of Corrections and successfully completed a full-time, 60-day or longer substance abuse program, educational program, behavior modification program, life skills course, or re-entry planning provided by the county department of corrections or county jail. Calculation of this county program credit shall be done at sentencing as provided in Section 5-4.5-100 of this Code and shall be included in the sentencing order. However, no inmate shall be eligible for the additional sentence credit under this paragraph (4) or (4.1) of this subsection (a) while assigned to a boot camp or electronic detention, or if convicted of an offense enumerated in subdivision (a)(2)(i), (ii), or (iii) of this Section that is committed on or after June 19, 1998 or subdivision (a)(2)(iv) of this Section that is committed on or after June 23, 2005 (the effective date of Public Act 94-71) or subdivision (a)(2)(v) of this Section that is committed on or after August 13, 2007 (the effective date of Public Act 95-134) or subdivision (a)(2)(vi) when the offense is committed on or after June 1, 2008 (the effective date of Public Act 95-625) or subdivision (a)(2)(vii) when the offense is committed on or after July 23, 2010 (the effective date of Public Act 96-1224), or if convicted of aggravated driving under the influence of alcohol, other drug or drugs, or intoxicating compound or compounds or any combination thereof as defined in subparagraph (F) of paragraph (1) of subsection (d) of Section 11-501 of the Illinois Vehicle Code, or if convicted of aggravated driving under the influence of alcohol, other drug or drugs, or intoxicating compound or compounds or any combination thereof as defined in subparagraph (C) of paragraph (1) of subsection (d)
of Section 11-501 of the Illinois Vehicle Code committed on or after January 1, 2011 (the effective date of Public Act 96-1230), or if convicted of an offense enumerated in paragraph (a)(2.4) of this Section that is committed on or after July 15, 1999 (the effective date of Public Act 91-121), or first degree murder, a Class X felony, criminal sexual assault, felony criminal sexual abuse, aggravated criminal sexual abuse, aggravated battery with a firearm as described in Section 12-4.2 or subdivision (e)(1), (e)(2), (e)(3), or (e)(4) of Section 12-3.05, or any predecessor or successor offenses with the same or substantially the same elements, or any inchoate offenses relating to the foregoing offenses. No inmate shall be eligible for the additional good conduct credit under this paragraph (4) who (i) has previously received increased good conduct credit under this paragraph (4) and has subsequently been convicted of a felony, or (ii) has previously served more than one prior sentence of imprisonment for a felony in an adult correctional facility.

Educational, vocational, substance abuse, behavior modification programs, life skills courses, re-entry planning, and correctional industry programs under which sentence credit may be increased under this paragraph (4) and paragraph (4.1) of this subsection (a) shall be evaluated by the Department on the basis of documented standards. The Department shall report the results of these evaluations to the Governor and the General Assembly by September 30th of each year. The reports shall include data relating to the recidivism rate among program participants.

Availability of these programs shall be subject to the limits of fiscal resources appropriated by the General Assembly for these purposes. Eligible inmates who are denied immediate admission shall be placed on a waiting list under criteria established by the Department. The inability of any inmate to become engaged in any such programs by reason of insufficient program resources or for any other reason established under the rules and regulations of the Department shall not be deemed a cause of action under which the Department or any employee or agent of the Department shall be liable for damages to the inmate.

(4.1) The rules and regulations shall also provide that an additional 90 days of sentence credit shall be awarded to any prisoner who passes high school equivalency testing while the

prisoner is committed to the Department of Corrections. The sentence credit awarded under this paragraph (4.1) shall be in addition to, and shall not affect, the award of sentence credit under any other paragraph of this Section, but shall also be pursuant to the guidelines and restrictions set forth in paragraph (4) of subsection (a) of this Section. The sentence credit provided for in this paragraph shall be available only to those prisoners who have not previously earned a high school diploma or a high school equivalency certificate. If, after an award of the high school equivalency testing sentence credit has been made, the Department determines that the prisoner was not eligible, then the award shall be revoked. The Department may also award 60 days of sentence credit to any committed person who passed high school equivalency testing while he or she was held in pre-trial detention prior to the current commitment to the Department of Corrections.

(4.5) The rules and regulations on sentence credit shall also provide that when the court's sentencing order recommends a prisoner for substance abuse treatment and the crime was committed on or after September 1, 2003 (the effective date of Public Act 93-354), the prisoner shall receive no sentence credit awarded under clause (3) of this subsection (a) unless he or she participates in and completes a substance abuse treatment program. The Director may waive the requirement to participate in or complete a substance abuse treatment program and award the sentence credit in specific instances if the prisoner is not a good candidate for a substance abuse treatment program for medical, programming, or operational reasons. Availability of substance abuse treatment shall be subject to the limits of fiscal resources appropriated by the General Assembly for these purposes. If treatment is not available and the requirement to participate and complete the treatment has not been waived by the Director, the prisoner shall be placed on a waiting list under criteria established by the Department. The Director may allow a prisoner placed on a waiting list to participate in and complete a substance abuse education class or attend substance abuse self-help meetings in lieu of a substance abuse treatment program. A prisoner on a waiting list who is not placed in a substance abuse program prior to release may be eligible for a waiver and receive sentence credit under clause (3) of this subsection (a) at the discretion of the Director.

(4.6) The rules and regulations on sentence credit shall also provide that a prisoner who has been convicted of a sex offense as defined in Section 2 of the Sex Offender Registration Act shall receive no sentence credit unless he or she either has successfully completed or is participating in sex offender treatment as defined by the Sex Offender Management Board. However, prisoners who are waiting to receive treatment, but who are unable to do so due solely to the lack of resources on the part of the Department, may, at the Director's sole discretion, be awarded sentence credit at a rate as the Director shall determine.

(5) Whenever the Department is to release any inmate earlier than it otherwise would because of a grant of sentence credit for good conduct under paragraph (3) of subsection (a) of this Section given at any time during the term, the Department shall give reasonable notice of the impending release not less than 14 days prior to the date of the release to the State's Attorney of the county where the prosecution of the inmate took place, and if applicable, the State's Attorney of the county into which the inmate will be released. The Department must also make identification information and a recent photo of the inmate being released accessible on the Internet by means of a hyperlink labeled "Community Notification of Inmate Early Release" on the Department's World Wide Web homepage. The identification information shall include the inmate's: name, any known alias, date of birth, physical characteristics, residence address, commitment offense and county where conviction was imposed. The identification information shall be placed on the website within 3 days of the inmate's release and the information may not be removed until either: completion of the first year of mandatory supervised release or return of the inmate to custody of the Department.

(b) Whenever a person is or has been committed under several convictions, with separate sentences, the sentences shall be construed under Section 5-8-4 in granting and forfeiting of sentence credit.

(c) The Department shall prescribe rules and regulations for revoking sentence credit, including revoking sentence credit awarded for good conduct under paragraph (3) of subsection (a) of this Section. The Department shall prescribe rules and regulations for suspending or reducing the rate of accumulation of sentence credit for specific rule

violations, during imprisonment. These rules and regulations shall provide that no inmate may be penalized more than one year of sentence credit for any one infraction.

When the Department seeks to revoke, suspend or reduce the rate of accumulation of any sentence credits for an alleged infraction of its rules, it shall bring charges therefor against the prisoner sought to be so deprived of sentence credits before the Prisoner Review Board as provided in subparagraph (a)(4) of Section 3-3-2 of this Code, if the amount of credit at issue exceeds 30 days or when during any 12 month period, the cumulative amount of credit revoked exceeds 30 days except where the infraction is committed or discovered within 60 days of scheduled release. In those cases, the Department of Corrections may revoke up to 30 days of sentence credit. The Board may subsequently approve the revocation of additional sentence credit, if the Department seeks to revoke sentence credit in excess of 30 days. However, the Board shall not be empowered to review the Department's decision with respect to the loss of 30 days of sentence credit within any calendar year for any prisoner or to increase any penalty beyond the length requested by the Department.

The Director of the Department of Corrections, in appropriate cases, may restore up to 30 days of sentence credits which have been revoked, suspended or reduced. Any restoration of sentence credits in excess of 30 days shall be subject to review by the Prisoner Review Board. However, the Board may not restore sentence credit in excess of the amount requested by the Director.

Nothing contained in this Section shall prohibit the Prisoner Review Board from ordering, pursuant to Section 3-3-9(a)(3)(i)(B), that a prisoner serve up to one year of the sentence imposed by the court that was not served due to the accumulation of sentence credit.

(d) If a lawsuit is filed by a prisoner in an Illinois or federal court against the State, the Department of Corrections, or the Prisoner Review Board, or against any of their officers or employees, and the court makes a specific finding that a pleading, motion, or other paper filed by the prisoner is frivolous, the Department of Corrections shall conduct a hearing to revoke up to 180 days of sentence credit by bringing charges against the prisoner sought to be deprived of the sentence credits before the Prisoner Review Board as provided in subparagraph (a)(8) of Section 3-3-2 of this Code. If the prisoner has not accumulated 180 days of sentence credit at the time of the finding, then the Prisoner Review Board may revoke all sentence credit accumulated by the prisoner.

(1) "Frivolous" means that a pleading, motion, or other filing which purports to be a legal document filed by a prisoner in his or her lawsuit meets any or all of the following criteria:
   
   (A) it lacks an arguable basis either in law or in fact;
   
   (B) it is being presented for any improper purpose, such as to harass or to cause unnecessary delay or needless increase in the cost of litigation;
   
   (C) the claims, defenses, and other legal contentions therein are not warranted by existing law or by a nonfrivolous argument for the extension, modification, or reversal of existing law or the establishment of new law;
   
   (D) the allegations and other factual contentions do not have evidentiary support or, if specifically so identified, are not likely to have evidentiary support after a reasonable opportunity for further investigation or discovery; or
   
   (E) the denials of factual contentions are not warranted on the evidence, or if specifically so identified, are not reasonably based on a lack of information or belief.

(2) "Lawsuit" means a motion pursuant to Section 116-3 of the Code of Criminal Procedure of 1963, a habeas corpus action under Article X of the Code of Civil Procedure or under federal law (28 U.S.C. 2254), a petition for claim under the Court of Claims Act, an action under the federal Civil Rights Act (42 U.S.C. 1983), or a second or subsequent petition for post-conviction relief under Article 122 of the Code of Criminal Procedure of 1963 whether filed with or without leave of court or a second or subsequent petition for relief from judgment under Section 2-1401 of the Code of Civil Procedure.

(e) Nothing in Public Act 90-592 or 90-593 affects the validity of Public Act 89-404.

(f) Whenever the Department is to release any inmate who has been convicted of a violation of an order of protection under Section 12-3.4 or 12-30 of the Criminal Code of 1961 or the Criminal Code of 2012, earlier than it otherwise would because of a grant of sentence credit, the Department, as a condition of release, shall require that the person, upon release, be placed under electronic surveillance as provided in Section 5-8A-7 of this Code.

Each youth sports league with players who participate in any youth-sponsored sports activity sponsored or sanctioned by the youth sports league is encouraged to make available, electronically or in writing, to coaches, game officials, and players, as well as the parents, guardians, and other persons with legal authority to make medical decisions, educational materials that describe the nature and risk of concussions and head injuries, including the advisability of removal of players that exhibit signs, symptoms, or behaviors consistent with a concussion, such as a loss of consciousness, a headache, dizziness, confusion, or balance problems, from participating in a youth-sponsored sports activity sponsored or sanctioned by the youth sports league.

Section 80. The School Code is amended by adding Section 22-80 and by changing Section 27A-5 as follows:

(105 ILCS 5/22-80 new)

Sec. 22-80. Student athletes; concussions and head injuries.

(a) The General Assembly recognizes all of the following:

(1) Concussions are one of the most commonly reported injuries in children and adolescents who participate in sports and recreational activities. The Centers for Disease Control and Prevention estimates that as many as 3,900,000 sports-related and recreation-related concussions occur in the United States each year. A concussion is caused by a blow or motion to the head or body that causes the brain to move rapidly inside the skull. The risk of catastrophic injuries or death are significant when a concussion or head injury is not properly evaluated and managed.

(2) Concussions are a type of brain injury that can range from mild to severe and can disrupt the way the brain normally works. Concussions can occur in any organized or unorganized sport or recreational activity and can result from a fall or from players colliding with each other, the ground, or with obstacles. Concussions occur with or without loss of consciousness, but the vast majority of concussions occur without loss of consciousness.

(3) Continuing to play with a concussion or symptoms of a head injury leaves a young athlete especially vulnerable to greater
injury and even death. The General Assembly recognizes that, despite having generally recognized return-to-play standards for concussions and head injuries, some affected youth athletes are prematurely returned to play, resulting in actual or potential physical injury or death to youth athletes in this State.

(4) Student athletes who have sustained a concussion may need informal or formal accommodations, modifications of curriculum, and monitoring by medical or academic staff until the student is fully recovered. To that end, all schools are encouraged to establish a return-to-learn protocol that is based on peer-reviewed scientific evidence consistent with Centers for Disease Control and Prevention guidelines and conduct baseline testing for student athletes.

(b) In this Section:
"Athletic trainer" means an athletic trainer licensed under the Illinois Athletic Trainers Practice Act.
"Coach" means any volunteer or employee of a school who is responsible for organizing and supervising students to teach them or train them in the fundamental skills of an interscholastic athletic activity. "Coach" refers to both head coaches and assistant coaches.
"Concussion" means a complex pathophysiological process affecting the brain caused by a traumatic physical force or impact to the head or body, which may include temporary or prolonged altered brain function resulting in physical, cognitive, or emotional symptoms or altered sleep patterns and which may or may not involve a loss of consciousness.
"Department" means the Department of Financial and Professional Regulation.
"Game official" means a person who officiates at an interscholastic athletic activity, such as a referee or umpire, including, but not limited to, persons enrolled as game officials by the Illinois High School Association or Illinois Elementary School Association.
"Interscholastic athletic activity" means any organized school-sponsored or school-sanctioned activity for students, generally outside of school instructional hours, under the direction of a coach, athletic director, or band leader, including, but not limited to, baseball, basketball, cheerleading, cross country track, fencing, field hockey, football, golf, gymnastics, ice hockey, lacrosse, marching band, rugby, soccer, skating, softball, swimming and diving, tennis, track (indoor and

outdoor), ultimate Frisbee, volleyball, water polo, and wrestling. All interscholastic athletics are deemed to be interscholastic activities.

"Licensed healthcare professional" means a person who has experience with concussion management and who is a nurse, a psychologist who holds a license under the Clinical Psychologist Licensing Act and specializes in the practice of neuropsychology, a physical therapist licensed under the Illinois Physical Therapy Act, an occupational therapist licensed under the Illinois Occupational Therapy Practice Act.

"Nurse" means a person who is employed by or volunteers at a school and is licensed under the Nurse Practice Act as a registered nurse, practical nurse, or advanced practice nurse.

"Physician" means a physician licensed to practice medicine in all of its branches under the Medical Practice Act of 1987.

"School" means any public or private elementary or secondary school, including a charter school.

"Student" means an adolescent or child enrolled in a school.

(c) This Section applies to any interscholastic athletic activity, including practice and competition, sponsored or sanctioned by a school, the Illinois Elementary School Association, or the Illinois High School Association. This Section applies beginning with the 2015-2016 school year.

(d) The governing body of each public or charter school and the appropriate administrative officer of a private school with students enrolled who participate in an interscholastic athletic activity shall appoint or approve a concussion oversight team. Each concussion oversight team shall establish a return-to-play protocol, based on peer-reviewed scientific evidence consistent with Centers for Disease Control and Prevention guidelines, for a student’s return to interscholastic athletics practice or competition following a force or impact believed to have caused a concussion. Each concussion oversight team shall also establish a return-to-learn protocol, based on peer-reviewed scientific evidence consistent with Centers for Disease Control and Prevention guidelines, for a student’s return to the classroom after that student is believed to have experienced a concussion, whether or not the concussion took place while the student was participating in an interscholastic athletic activity.

Each concussion oversight team must include to the extent practicable at least one physician. If a school employs an athletic trainer,
the athletic trainer must be a member of the school concussion oversight team to the extent practicable. If a school employs a nurse, the nurse must be a member of the school concussion oversight team to the extent practicable. At a minimum, a school shall appoint a person who is responsible for implementing and complying with the return-to-play and return-to-learn protocols adopted by the concussion oversight team. A school may appoint other licensed healthcare professionals to serve on the concussion oversight team.

(e) A student may not participate in an interscholastic athletic activity for a school year until the student and the student's parent or guardian or another person with legal authority to make medical decisions for the student have signed a form for that school year that acknowledges receiving and reading written information that explains concussion prevention, symptoms, treatment, and oversight and that includes guidelines for safely resuming participation in an athletic activity following a concussion. The form must be approved by the Illinois High School Association.

(f) A student must be removed from an interscholastic athletics practice or competition immediately if one of the following persons believes the student might have sustained a concussion during the practice or competition:

(1) a coach;
(2) a physician;
(3) a game official;
(4) an athletic trainer;
(5) the student's parent or guardian or another person with legal authority to make medical decisions for the student;
(6) the student; or
(7) any other person deemed appropriate under the school's return-to-play protocol.

(g) A student removed from an interscholastic athletics practice or competition under this Section may not be permitted to practice or compete again following the force or impact believed to have caused the concussion until:

(1) the student has been evaluated, using established medical protocols based on peer-reviewed scientific evidence consistent with Centers for Disease Control and Prevention guidelines, by a treating physician (chosen by the student or the student's parent or guardian or another person with legal

(4) the treating physician or athletic trainer working under the supervision of a physician has provided a written statement indicating that, in the physician's professional judgment, it is safe for the student to return to play and return to learn; and

(5) the student and the student's parent or guardian or another person with legal authority to make medical decisions for the student:

(A) have acknowledged that the student has completed the requirements of the return-to-play and return-to-learn protocols necessary for the student to return to play;

(4) officers and employees of this State or of the United States while acting in the lawful course of their official duties which requires possession of controlled substances;

(5) a registered pharmacist who is employed in, or the owner of, a pharmacy licensed under this Act and the Federal Controlled Substances Act, at the licensed location, or if he or she is acting in the usual course of his or her lawful profession, business, or employment;

(6) a holder of a temporary license issued under Section 17 of the Medical Practice Act of 1987 practicing within the scope of that license and in compliance with the rules adopted under this Act. (d) A separate registration is required at each place of business or professional practice where the applicant manufactures, distributes, or dispenses controlled substances, or purchases, stores, or administers euthanasia drugs. AN ACT concerning local government.

Be it enacted by the People of the State of Illinois, represented in the General Assembly:

Section 5. The Township Code is amended by changing Section 235-20 as follows:

(60 ILCS 1/235-20)

Sec. 235-20. General assistance tax.

(a) The township board may raise money by taxation deemed necessary to be expended to provide general assistance in the township to persons needing that assistance as provided in the Illinois Public Aid Code, including persons eligible for assistance under the Military Veterans Assistance Act, where that duty is provided by law. The tax for each fiscal year shall not be more than 0.10% of value, or more than an amount approved at a referendum held under this Section, as equalized or assessed by the Department of Revenue, and shall in no case exceed the amount needed in the township for general assistance. The board may decrease the maximum tax rate by ordinance.

(b) Except as otherwise provided in this subsection, if the board desires to increase the maximum tax rate, it shall order a referendum on that proposition to be held at an election in accordance with the general election law. The board shall certify the proposition to the proper election officials, who shall submit the proposition to the voters at an election in accordance with the general election law. If a majority of the votes cast on the proposition is in favor of the proposition, the board may annually levy the tax at a rate not exceeding the higher rate approved by the voters at the election. If, however, the board has decreased the maximum tax rate under subsection (a), then it may, at any time after the decrease, increase the maximum tax rate, by ordinance, to a rate less than or equal to the
maximum tax rate immediately prior to the board's ordinance to decrease the rate.

(c) If a city, village, or incorporated town having a population of more than 500,000 is located within or partially within a township, then the entire amount of the tax levied by the township for the purpose of providing general assistance under this Section on property lying within that city, village, or incorporated town, less the amount allowed for collecting the tax, shall be paid over by the treasurer of the township to the treasurer of the city, village, or incorporated town to be appropriated and used by the city, village, or incorporated town for the relief and support of persons needing general assistance residing in that portion of the city, village, or incorporated town located within the township in accordance with the Illinois Public Aid Code.

(d) Any taxes levied for general assistance before or after this Section takes effect may also be used for the payment of warrants issued against and in anticipation of those taxes and accrued interest on those warrants and may also be used to pay the cost of administering that assistance.

(e) In any township with a population of less than 500,000 that receives no State funding for the general assistance program and that has not issued anticipation warrants or otherwise borrowed monies for the administration of the general assistance program during the township's previous 3 fiscal years of operation, a one time transfer of monies from the township's general assistance fund may be made to the general township fund pursuant to action by the township board. This transfer may occur only to the extent that the amount of monies remaining in the general assistance fund after the transfer is equal to the greater of (i) the amount of the township's expenditures in the previous fiscal year for general assistance or (ii) an amount equal to either 0.10% of the last known total equalized value of all taxable property in the township, or 100% of the highest amount levied for general assistance purposes in any of the three previous fiscal years. The transfer shall be completed no later than one year after the effective date of this amendatory Act of the 92nd General Assembly. No township that has certified a new levy or an increase in the levy under this Section during calendar year 2002 may transfer monies under this subsection. No action on the transfer of monies under this subsection shall be taken by the township board except at a township board meeting. No monies transferred under this subsection shall be considered in determining whether the township qualifies for State funds.
to supplement local funds for public aid purposes under Section 12-21.13 of the Illinois Public Aid Code.

(e-5) The township board of Gray Township in White County may approve by resolution or ordinance transfers of monies from the township's general assistance fund to the general township fund no later than one year after the effective date of this amendatory Act of the 99th General Assembly if:

(1) the township receives no State funding for the general assistance program;

(2) the township has not issued anticipation warrants or otherwise borrowed monies for the administration of the general assistance program during the township's previous 3 fiscal years of operation;

(3) the amount of monies remaining in the general assistance fund after the transfer is equal to the greater of (i) the amount of the township's expenditures in the previous fiscal year for general assistance or (ii) an amount equal to either 0.10% of the last known total equalized value of all taxable property in the township, or 100% of the highest amount levied for general assistance purposes in any of the three previous fiscal years; and

(4) the township that has not certified a new levy or an increase in the levy under this Section during calendar year 2015.

No monies transferred under this subsection shall be considered in determining whether the township qualifies for State funds to supplement local funds for public aid purposes under Section 12-21.13 of the Illinois Public Aid Code.

Section 5. The School Code is amended by changing Section 27-8.1 as follows:

(105 ILCS 5/27-8.1) (from Ch. 122, par. 27-8.1)

Sec. 27-8.1. Health examinations and immunizations.

(1) In compliance with rules and regulations which the Department of Public Health shall promulgate, and except as hereinafter provided, all children in Illinois shall have a health examination as follows: within one year prior to entering kindergarten or the first grade of any public, private, or parochial elementary school; upon entering the sixth and ninth grades of any public, private, or parochial school; prior to entrance into any public, private, or parochial nursery school; and, irrespective of grade, immediately prior to or upon entrance into any public, private, or parochial school or nursery school, each child shall present proof of having been examined in accordance with this Section and the rules and regulations promulgated hereunder. Any child who received a health examination within one year prior to entering the fifth grade for the 2007-2008 school year is not required to receive an additional health examination in order to comply with the provisions of Public Act 95-422 when he or she attends school for the 2008-2009 school year, unless the child is attending school for the first time as provided in this paragraph.

A tuberculosis skin test screening shall be included as a required part of each health examination included under this Section if the child resides in an area designated by the Department of Public Health as having a high incidence of tuberculosis. Additional health examinations of pupils, including eye examinations, may be required when deemed necessary by school authorities. Parents are encouraged to have their children undergo eye examinations at the same points in time required for health examinations.

(1.5) In compliance with rules adopted by the Department of Public Health and except as otherwise provided in this Section, all children in kindergarten and the second and sixth grades of any public, private, or parochial school shall have a dental examination. Each of these children shall present proof of having been examined by a dentist in accordance with this Section and rules adopted under this Section before May 15th of the school year. If a child in the second or sixth grade fails to present proof by May 15th, the school may hold the child's report card until one of the following occurs: (i) the child presents proof of a completed dental examination or (ii) the child presents proof that a dental examination will take place within 60 days after May 15th. The Department of Public

Health shall establish, by rule, a waiver for children who show an undue burden or a lack of access to a dentist. Each public, private, and parochial school must give notice of this dental examination requirement to the parents and guardians of students at least 60 days before May 15th of each school year.

(1.10) Except as otherwise provided in this Section, all children enrolling in kindergarten in a public, private, or parochial school on or after the effective date of this amendatory Act of the 95th General Assembly and any student enrolling for the first time in a public, private, or parochial school on or after the effective date of this amendatory Act of the 95th General Assembly shall have an eye examination. Each of these children shall present proof of having been examined by a physician licensed to practice medicine in all of its branches or a licensed optometrist within the previous year, in accordance with this Section and rules adopted under this Section, before October 15th of the school year. If the child fails to present proof by October 15th, the school may hold the child's report card until one of the following occurs: (i) the child presents proof of a completed eye examination or (ii) the child presents proof that an eye examination will take place within 60 days after October 15th. The Department of Public Health shall establish, by rule, a waiver for children who show an undue burden or a lack of access to a physician licensed to practice medicine in all of its branches who provides eye examinations or to a licensed optometrist. Each public, private, and parochial school must give notice of this eye examination requirement to the parents and guardians of students in compliance with rules of the Department of Public Health. Nothing in this Section shall be construed to allow a school to exclude a child from attending because of a parent's or guardian's failure to obtain an eye examination for the child.

(2) The Department of Public Health shall promulgate rules and regulations specifying the examinations and procedures that constitute a health examination, which shall include the collection of data relating to obesity (including at a minimum, date of birth, gender, height, weight, blood pressure, and date of exam), and a dental examination and may recommend by rule that certain additional examinations be performed. The rules and regulations of the Department of Public Health shall specify that a tuberculosis skin test screening shall be included as a required part of each health examination included under this Section if the child resides in an area designated by the Department of Public Health as having a high incidence of tuberculosis. The Department of Public Health shall specify
that a diabetes screening as defined by rule shall be included as a required part of each health examination. Diabetes testing is not required.

Physicians licensed to practice medicine in all of its branches, advanced practice nurses who have a written collaborative agreement with a collaborating physician which authorizes them to perform health examinations, or physician assistants who have been delegated the performance of health examinations by their supervising physician shall be responsible for the performance of the health examinations, other than dental examinations, eye examinations, and vision and hearing screening, and shall sign all report forms required by subsection (4) of this Section that pertain to those portions of the health examination for which the physician, advanced practice nurse, or physician assistant is responsible. If a registered nurse performs any part of a health examination, then a physician licensed to practice medicine in all of its branches must review and sign all required report forms. Licensed dentists shall perform all dental examinations and shall sign all report forms required by subsection (4) of this Section that pertain to the dental examinations. Physicians licensed to practice medicine in all its branches or licensed optometrists shall perform all eye examinations required by this Section and shall sign all report forms required by subsection (4) of this Section that pertain to the eye examination. For purposes of this Section, an eye examination shall at a minimum include history, visual acuity, subjective refraction to best visual acuity near and far, internal and external examination, and a glaucoma evaluation, as well as any other tests or observations that in the professional judgment of the doctor are necessary. Vision and hearing screening tests, which shall not be considered examinations as that term is used in this Section, shall be conducted in accordance with rules and regulations of the Department of Public Health, and by individuals whom the Department of Public Health has certified. In these rules and regulations, the Department of Public Health shall require that individuals conducting vision screening tests give a child's parent or guardian written notification, before the vision screening is conducted, that states, "Vision screening is not a substitute for a complete eye and vision evaluation by an eye doctor. Your child is not required to undergo this vision screening if an optometrist or ophthalmologist has completed and signed a report form indicating that an examination has been administered within the previous 12 months."

(3) Every child shall, at or about the same time as he or she receives a health examination required by subsection (1) of this Section,
present to the local school proof of having received such immunizations against preventable communicable diseases as the Department of Public Health shall require by rules and regulations promulgated pursuant to this Section and the Communicable Disease Prevention Act.

(4) The individuals conducting the health examination, dental examination, or eye examination shall record the fact of having conducted the examination, and such additional information as required, including for a health examination data relating to obesity (including at a minimum, date of birth, gender, height, weight, blood pressure, and date of exam), on uniform forms which the Department of Public Health and the State Board of Education shall prescribe for statewide use. The examiner shall summarize on the report form any condition that he or she suspects indicates a need for special services, including for a health examination factors relating to obesity. The individuals confirming the administration of required immunizations shall record as indicated on the form that the immunizations were administered.

(5) If a child does not submit proof of having had either the health examination or the immunization as required, then the child shall be examined or receive the immunization, as the case may be, and present proof by October 15 of the current school year, or by an earlier date of the current school year established by a school district. To establish a date before October 15 of the current school year for the health examination or immunization as required, a school district must give notice of the requirements of this Section 60 days prior to the earlier established date. If for medical reasons one or more of the required immunizations must be given after October 15 of the current school year, or after an earlier established date of the current school year, then the child shall present, by October 15, or by the earlier established date, a schedule for the administration of the immunizations and a statement of the medical reasons causing the delay, both the schedule and the statement being issued by the physician, advanced practice nurse, physician assistant, registered nurse, or local health department that will be responsible for administration of the remaining required immunizations. If a child does not comply by October 15, or by the earlier established date of the current school year, with the requirements of this subsection, then the local school authority shall exclude that child from school until such time as the child presents proof of having had the health examination as required and presents proof of having received those required immunizations which are medically possible to receive immediately. During a child's exclusion from

school for noncompliance with this subsection, the child's parents or legal
guardian shall be considered in violation of Section 26-1 and subject to
any penalty imposed by Section 26-10. This subsection (5) does not apply
to dental examinations and eye examinations. If the student is an out-of-
state transfer student and does not have the proof required under this
subsection (5) before October 15 of the current year or whatever date is set
by the school district, then he or she may only attend classes (i) if he or she
has proof that an appointment for the required vaccinations has been
scheduled with a party authorized to submit proof of the required
vaccinations. If the proof of vaccination required under this subsection (5)
is not submitted within 30 days after the student is permitted to attend
classes, then the student is not to be permitted to attend classes until proof
of the vaccinations has been properly submitted. No school district or
employee of a school district shall be held liable for any injury or illness to
another person that results from admitting an out-of-state transfer student
to class that has an appointment scheduled pursuant to this subsection (5).

(6) Every school shall report to the State Board of Education by
November 15, in the manner which that agency shall require, the number
of children who have received the necessary immunizations and the health
examination (other than a dental examination or eye examination) as
required, indicating, of those who have not received the immunizations
and examination as required, the number of children who are exempt from
health examination and immunization requirements on religious or
medical grounds as provided in subsection (8). On or before December 1
of each year, every public school district and registered nonpublic school
shall make publicly available the immunization data they are required to
submit to the State Board of Education by November 15. The
immunization data made publicly available must be identical to the data
the school district or school has reported to the State Board of Education.

Every school shall report to the State Board of Education by June
30, in the manner that the State Board requires, the number of children
who have received the required dental examination, indicating, of those
who have not received the required dental examination, the number of
children who are exempt from the dental examination on religious grounds
as provided in subsection (8) of this Section and the number of children
who have received a waiver under subsection (1.5) of this Section.

Every school shall report to the State Board of Education by June
30, in the manner that the State Board requires, the number of children
who have received the required eye examination, indicating, of those who
have not received the required eye examination, the number of children who are exempt from the eye examination as provided in subsection (8) of this Section, the number of children who have received a waiver under subsection (1.10) of this Section, and the total number of children in noncompliance with the eye examination requirement.

The reported information under this subsection (6) shall be provided to the Department of Public Health by the State Board of Education.

(7) Upon determining that the number of pupils who are required to be in compliance with subsection (5) of this Section is below 90% of the number of pupils enrolled in the school district, 10% of each State aid payment made pursuant to Section 18-8.05 to the school district for such year may be withheld by the State Board of Education until the number of students in compliance with subsection (5) is the applicable specified percentage or higher.

(8) Children of parents or legal guardians who object to health, dental, or eye examinations or any part thereof, to immunizations, or to vision and hearing screening tests on religious grounds shall not be required to undergo the examinations, tests, or immunizations to which they so object if such parents or legal guardians present to the appropriate local school authority a signed Certificate of Religious Exemption detailing the grounds for objection and the specific immunizations, tests, or examinations to which they object. The grounds for objection must set forth the specific religious belief that conflicts with the examination, test, immunization, or other medical intervention. The signed certificate shall also reflect the parent's or legal guardian's understanding of the school's exclusion policies in the case of a vaccine-preventable disease outbreak or exposure. The certificate must also be signed by the authorized examining health care provider responsible for the performance of the child's health examination confirming that the provider provided education to the parent or legal guardian on the benefits of immunization and the health risks to the student and to the community of the communicable diseases for which immunization is required in this State. However, the health care provider's signature on the certificate reflects only that education was provided and does not allow a health care provider grounds to determine a religious exemption. Those receiving immunizations required under this Code shall be provided with the relevant vaccine information statements that are required to be disseminated by the federal National Childhood Vaccine Injury Act of

New matter indicated by italics - deletions by strikeout
1986, which may contain information on circumstances when a vaccine should not be administered, prior to administering a vaccine. A healthcare provider may consider including without limitation the nationally accepted recommendations from federal agencies such as the Advisory Committee on Immunization Practices, the information outlined in the relevant vaccine information statement, and vaccine package inserts, along with the healthcare provider's clinical judgment, to determine whether any child may be more susceptible to experiencing an adverse vaccine reaction than the general population, and if so, the healthcare provider may exempt the child from an immunization or adopt an individualized immunization schedule. The Certificate of Religious Exemption shall be created by the Department of Public Health and shall be made available and used by parents and legal guardians by the beginning of the 2015-2016 school year. Parents or legal guardians must submit the Certificate of Religious Exemption to their local school authority prior to entering kindergarten, sixth grade, and ninth grade for each child for which they are requesting an exemption. The religious objection stated need not be directed by the tenets of an established religious organization. However, general philosophical or moral reluctance to allow physical examinations, eye examinations, immunizations, vision and hearing screenings, or dental examinations does not provide a sufficient basis for an exception to statutory requirements. The local school authority is responsible for determining if the content of the Certificate of Religious Exemption constitutes a valid religious objection. The local school authority shall inform the parent or legal guardian of exclusion procedures, in accordance with the Department's rules under Part 690 of Title 77 of the Illinois Administrative Code, at the time the objection is presented. Parents or legal guardians who object to health, dental, or eye examinations or any part thereof, or to immunizations, on religious grounds shall not be required to submit their children or wards to the examinations or immunizations to which they so object if such parents or legal guardians present to the appropriate local school authority a signed statement of objection, detailing the grounds for the objection:

If the physical condition of the child is such that any one or more of the immunizing agents should not be administered, the examining physician, advanced practice nurse, or physician assistant responsible for the performance of the health examination shall endorse that fact upon the health examination form.

Exempting a child from the health, dental, or eye examination does not exempt the child from participation in the program of physical education training provided in Sections 27-5 through 27-7 of this Code.

Section 5. The Public Utilities Act is amended by changing Section 16-103 as follows:

(220 ILCS 5/16-103)

Sec. 16-103. Service obligations of electric utilities.

(a) An electric utility shall continue offering to retail customers each tariffed service that it offered as a distinct and identifiable service on the effective date of this amendatory Act of 1997 until the service is (i) declared competitive pursuant to Section 16-113, or (ii) abandoned pursuant to Section 8-508. Nothing in this subsection shall be construed as limiting an electric utility's right to propose, or the Commission's power to approve, allow or order modifications in the rates, terms and conditions for such services pursuant to Article IX or Section 16-111 of this Act.

(b) An electric utility shall also offer, as tariffed services, delivery services in accordance with this Article, the power purchase options described in Section 16-110 and real-time pricing as provided in Section 16-107.

(c) Notwithstanding any other provision of this Article, each electric utility shall continue offering to all residential customers and to all small commercial retail customers in its service area, as a tariffed service,

bundled electric power and energy delivered to the customer's premises consistent with the bundled utility service provided by the electric utility on the effective date of this amendatory Act of 1997. Upon declaration of the provision of electric power and energy as competitive, the electric utility shall continue to offer to such customers, as a tariffed service, bundled service options at rates which reflect recovery of all cost components for providing the service. For those components of the service which have been declared competitive, cost shall be the market based prices. Market based prices as referred to herein shall mean, for electric power and energy, either (i) those prices for electric power and energy determined as provided in Section 16-112, or (ii) the electric utility's cost of obtaining the electric power and energy at wholesale through a competitive bidding or other arms-length acquisition process.

(d) Any residential or small commercial retail customer which elects delivery services is entitled to return to the electric utility's bundled utility tariffed service offering provided in accordance with subsection (c) of this Section upon payment of a reasonable administrative fee which shall be set forth in the tariff. Notwithstanding any other obligation of an electric utility in this Section: (1) if the residential or small commercial customer has not elected delivery services within 2 billing cycles after returning to the electric utility's bundled utility tariffed service offering, then the electric utility shall be entitled, but not required, to impose the condition that such customer may not elect delivery services for up to 12 months after the date on which the customer returned to bundled utility tariffed service and (2) the electric utility shall be entitled, but not required, to impose the condition that a customer who has left delivery service for the electric utility's bundled service, provided, however, that the customer shall not be permitted to return to the same alternative retail electric supplier within up to 2 billing cycles after the customer returned to bundled utility tariffed service other than in situations, including, but not limited to, where the return was in error, inadvertent, or the result of any other unintended operational consequence.

(e) The Commission shall not require an electric utility to offer any tariffed service other than the services required by this Section, and shall not require an electric utility to offer any competitive service.

(2) (a) Any minor 10 years of age or older arrested pursuant to this Act where there is probable cause to believe that the minor is a delinquent minor and that (i) secured custody is a matter of immediate and urgent necessity for the protection of the minor or of the person or property of another, (ii) the minor is likely to flee the jurisdiction of the court, or (iii) the minor was taken into custody under a warrant, may be kept or detained in an authorized detention facility. A minor under 13 years of age shall not be admitted, kept, or detained in a detention facility unless a local youth service provider, including a provider through the Comprehensive Community Based Youth Services network, has been contacted and has not been able to accept the minor. No minor under 12 years of age shall be detained in a county jail or a municipal lockup for more than 6 hours.

(b) The written authorization of the probation officer or detention officer (or other public officer designated by the court in a county having 3,000,000 or more inhabitants) constitutes authority for the superintendent of any juvenile detention home to detain and keep a minor for up to 40 hours, excluding Saturdays, Sundays and court-designated holidays. These records shall be available to the same persons and pursuant to the same conditions as are law enforcement records as provided in Section 5-905.

(b-4) The consultation required by subsection (b-5) shall not be applicable if the probation officer or detention officer (or other public officer designated by the court in a county having 3,000,000 or more inhabitants) utilizes a scorable detention screening instrument, which has been developed with input by the State's Attorney, to determine whether a minor should be detained, however, subsection (b-5) shall still be applicable where no such screening instrument is used or where the probation officer, detention officer (or other public officer designated by the court in a county having 3,000,000 or more inhabitants) deviates from the screening instrument.

(b-5) Subject to the provisions of subsection (b-4), if a probation officer or detention officer (or other public officer designated by the court in a county having 3,000,000 or more inhabitants) does not intend to detain a minor for an offense which constitutes one of the following offenses he or she shall consult with the State's Attorney's Office prior to the release of the minor: first degree murder, second degree murder, involuntary manslaughter, criminal sexual assault, aggravated criminal sexual assault, aggravated battery with a firearm as described in Section 12-4.2 or subdivision (e)(1), (e)(2), (e)(3), or (e)(4) of Section 12-3.05, aggravated or heinous battery involving permanent disability or

disfigurement or great bodily harm, robbery, aggravated robbery, armed robbery, vehicular hijacking, aggravated vehicular hijacking, vehicular invasion, arson, aggravated arson, kidnapping, aggravated kidnapping, home invasion, burglary, or residential burglary.

(c) Except as otherwise provided in paragraph (a), (d), or (e), no minor shall be detained in a county jail or municipal lockup for more than 12 hours, unless the offense is a crime of violence in which case the minor may be detained up to 24 hours. For the purpose of this paragraph, "crime of violence" has the meaning ascribed to it in Section 1-10 of the Alcoholism and Other Drug Abuse and Dependency Act.

(i) The period of detention is deemed to have begun once the minor has been placed in a locked room or cell or handcuffed to a stationary object in a building housing a county jail or municipal lockup. Time spent transporting a minor is not considered to be time in detention or secure custody.

(ii) Any minor so confined shall be under periodic supervision and shall not be permitted to come into or remain in contact with adults in custody in the building.

(iii) Upon placement in secure custody in a jail or lockup, the minor shall be informed of the purpose of the detention, the time it is expected to last and the fact that it cannot exceed the time specified under this Act.

(iv) A log shall be kept which shows the offense which is the basis for the detention, the reasons and circumstances for the decision to detain and the length of time the minor was in detention.

(v) Violation of the time limit on detention in a county jail or municipal lockup shall not, in and of itself, render inadmissible evidence obtained as a result of the violation of this time limit. Minors under 18 years of age shall be kept separate from confined adults and may not at any time be kept in the same cell, room or yard with adults confined pursuant to criminal law. Persons 18 years of age and older who have a petition of delinquency filed against them may be confined in an adult detention facility. In making a determination whether to confine a person 18 years of age or older who has a petition of delinquency filed against the person, these factors, among other matters, shall be considered:

(A) The age of the person;
(B) Any previous delinquent or criminal history of the person;
(C) Any previous abuse or neglect history of the person; and
(D) Any mental health or educational history of the person, or both.

(d) (i) If a minor 12 years of age or older is confined in a county jail in a county with a population below 3,000,000 inhabitants, then the minor's confinement shall be implemented in such a manner that there will be no contact by sight, sound or otherwise between the minor and adult prisoners. Minors 12 years of age or older must be kept separate from confined adults and may not at any time be kept in the same cell, room, or yard with confined adults. This paragraph (d)(i) shall only apply to confinement pending an adjudicatory hearing and shall not exceed 40 hours, excluding Saturdays, Sundays and court designated holidays. To accept or hold minors during this time period, county jails shall comply with all monitoring standards adopted by the Department of Corrections and training standards approved by the Illinois Law Enforcement Training Standards Board.

(ii) To accept or hold minors, 12 years of age or older, after the time period prescribed in paragraph (d)(i) of this subsection (2) of this Section but not exceeding 7 days including Saturdays, Sundays and holidays pending an adjudicatory hearing, county jails shall comply with all temporary detention standards adopted by the Department of Corrections and training standards approved by the Illinois Law Enforcement Training Standards Board.

(iii) To accept or hold minors 12 years of age or older, after the time period prescribed in paragraphs (d)(i) and (d)(ii) of this subsection (2) of this Section, county jails shall comply with all county juvenile detention standards adopted by the Department of Juvenile Justice.

(e) When a minor who is at least 15 years of age is prosecuted under the criminal laws of this State, the court may enter an order directing that the juvenile be confined in the county jail. However, any juvenile confined in the county jail under this provision shall be separated from adults who are confined in the county jail in such a manner that there will be no contact by sight, sound or otherwise between the juvenile and adult prisoners.

(f) For purposes of appearing in a physical lineup, the minor may be taken to a county jail or municipal lockup under the direct and constant

supervision of a juvenile police officer. During such time as is necessary to conduct a lineup, and while supervised by a juvenile police officer, the sight and sound separation provisions shall not apply.

(g) For purposes of processing a minor, the minor may be taken to a County Jail or municipal lockup under the direct and constant supervision of a law enforcement officer or correctional officer. During such time as is necessary to process the minor, and while supervised by a law enforcement officer or correctional officer, the sight and sound separation provisions shall not apply.

(3) If the probation officer or State's Attorney (or such other public officer designated by the court in a county having 3,000,000 or more inhabitants) determines that the minor may be a delinquent minor as described in subsection (3) of Section 5-105, and should be retained in custody but does not require physical restriction, the minor may be placed in non-secure custody for up to 40 hours pending a detention hearing.

(4) Any minor taken into temporary custody, not requiring secure detention, may, however, be detained in the home of his or her parent or guardian subject to such conditions as the court may impose.

(5) The changes made to this Section by Public Act 98-61 apply to a minor who has been arrested or taken into custody on or after January 1, 2014 (the effective date of Public Act 98-61).

Section 5. The Illinois Procurement Code is amended by changing Section 30-30 and by adding Section 1-15.93 as follows:

(30 ILCS 500/1-15.93 new)

Sec. 1-15.93. Single prime. "Single prime" means the design-bid-build procurement delivery method for a building construction project in which the Capital Development Board is the construction agency procuring 2 or more subdivisions of work enumerated in paragraphs (1) through (5) of subsection (a) of Section 30-30 of this Code under a single contract. This Section is repealed on January 1, 2020.

(30 ILCS 500/30-30)

Sec. 30-30. Design-bid-build construction. Contracts in excess of $250,000:

(a) The provisions of this subsection are operative through December 31, 2019.

For building construction contracts in excess of $250,000, separate specifications may be prepared for all equipment, labor, and materials in connection with the following 5 subdivisions of the work to be performed:

(1) plumbing;
(2) heating, piping, refrigeration, and automatic temperature control systems, including the testing and balancing of those systems;
(3) ventilating and distribution systems for conditioned air, including the testing and balancing of those systems;
(4) electric wiring; and
(5) general contract work.

The specifications must be so drawn as to permit separate and independent bidding upon each of the 5 subdivisions of work. All contracts awarded for any part thereof may be awarded the 5 subdivisions of work separately to responsible and reliable persons, firms, or corporations engaged in these classes of work. The contracts, at the discretion of the construction agency, may be assigned to the successful bidder on the general contract work or to the successful bidder on the

subdivision of work designated by the construction agency before the bidding as the prime subdivision of work, provided that all payments will be made directly to the contractors for the 5 subdivisions of work upon compliance with the conditions of the contract.

Beginning on the effective date of this amendatory Act of the 99th General Assembly and through December 31, 2019, for single prime projects: (i) the bid of the successful low bidder shall identify the name of the subcontractor, if any, and the bid proposal costs for each of the 5 subdivisions of work set forth in this Section; (ii) the contract entered into with the successful bidder shall provide that no identified subcontractor may be terminated without the written consent of the Capital Development Board; (iii) the contract shall comply with the disadvantaged business practices of the Business Enterprise for Minorities, Females, and Persons with Disabilities Act and the equal employment practices of Section 2-105 of the Illinois Human Rights Act; (iv) the Capital Development Board shall submit a quarterly report to the Procurement Policy Board with information on the general scope, project budget, and established Business Enterprise Program goals for any single prime procurement bid in the previous 3 months with a total construction cost valued at $10,000,000 or less; and (v) the Capital Development Board shall submit an annual report to the General Assembly and Governor on the bidding, award, and performance of all single prime projects.

For building construction projects with a total construction cost valued at $5,000,000 or less, the Capital Development Board shall not use the single prime procurement delivery method for more than 50% of the total number of projects bid for each fiscal year. Any project with a total construction cost valued greater than $5,000,000 may be bid using single prime at the discretion of the Executive Director of the Capital Development Board.

Beginning on the effective date of this amendatory Act of the 99th General Assembly and through December 31, 2017, the Capital Development Board shall, on a weekly basis: review the projects that have been designed, and approved to bid; and, for every fifth determination to use the single prime procurement delivery method for a project under $10,000,000, submit to the Procurement Policy Board a written notice of its intent to use the single prime method on the project. The notice shall include the reasons for using the single prime method and an explanation of why the use of that method is in the best interest of the State. The Capital Development Board shall post the notice on its online...
procurement webpage and on the online Procurement Bulletin at least 3 business days following submission. The Procurement Policy Board shall review and provide its decision on the use of the single prime method for every fifth use of the single prime procurement delivery method for a project under $10,000,000 within 7 business days of receipt of the notice from the Capital Development Board. Approval by the Procurement Policy Board shall not be unreasonably withheld and shall be provided unless the Procurement Policy Board finds that the use of the single prime method is not in the best interest of the State. Any decision by the Procurement Policy Board to disapprove the use of the single prime method shall be made in writing to the Capital Development Board, posted on the online Procurement Bulletin, and shall state the reasons why the single prime method was disapproved and why it is not in the best interest of the State.

However, this subsection (4) does not include a minor charged with first degree murder based exclusively upon the accountability provisions of the Criminal Code of 1961 or the Criminal Code of 2012.

The State's Attorney may proceed under the criminal laws of this State on a lesser charge if before trial the minor defendant knowingly and with advice of counsel waives, in writing, his or her right to have the matter proceed in Juvenile Court.

under Chapter V of the Unified Code of Corrections, then the court shall sentence the minor accordingly having available to it any or all dispositions so prescribed:

(6) (Blank). The definition of delinquent minor under Section 5-120 of this Article shall not apply to any minor who, pursuant to subsection (1) or (3) or Section 5-805 or 5-810, has previously been placed under the jurisdiction of the criminal court and has been convicted of a crime under an adult criminal or penal statute. Such a minor shall be subject to prosecution under the criminal laws of this State.

(7) The procedures set out in this Article for the investigation, arrest and prosecution of juvenile offenders shall not apply to minors who are excluded from jurisdiction of the Juvenile Court, except that minors under 18 years of age shall be kept separate from confined adults.

(8) Nothing in this Act prohibits or limits the prosecution of any minor for an offense committed on or after his or her 18th birthday even though he or she is at the time of the offense a ward of the court.

(9) If an original petition for adjudication of wardship alleges the commission by a minor 13 years of age or over of an act that constitutes a crime under the laws of this State, the minor, with the consent of his or her counsel, may, at any time before commencement of the adjudicatory hearing, file with the court a motion that criminal prosecution be ordered and that the petition be dismissed insofar as the act or acts involved in the criminal proceedings are concerned. If such a motion is filed as herein provided, the court shall enter its order accordingly.

(10) If, prior to August 12, 2005 (the effective date of Public Act 94-574), a minor is charged with a violation of Section 401 of the Illinois Controlled Substances Act under the criminal laws of this State, other than a minor charged with a Class X felony violation of the Illinois Controlled Substances Act or the Methamphetamine Control and Community Protection Act, any party including the minor or the court sua sponte may, before trial, move for a hearing for the purpose of trying and sentencing the minor as a delinquent minor. To request a hearing, the party must file a motion prior to trial. Reasonable notice of the motion shall be given to all parties. On its own motion or upon the filing of a motion by one of the parties including the minor, the court shall conduct a hearing to determine whether the minor should be tried and sentenced as a delinquent minor under this Article. In making its determination, the court shall consider among other matters:

(a) The age of the minor;

New matter indicated by italics - deletions by strikeout
(b) Any previous delinquent or criminal history of the minor; 
(c) Any previous abuse or neglect history of the minor; 
(d) Any mental health or educational history of the minor, or both; and 
(e) Whether there is probable cause to support the charge, whether the minor is charged through accountability, and whether there is evidence the minor possessed a deadly weapon or caused serious bodily harm during the offense.

Any material that is relevant and reliable shall be admissible at the hearing. In all cases, the judge shall enter an order permitting prosecution under the criminal laws of Illinois unless the judge makes a finding based on a preponderance of the evidence that the minor would be amenable to the care, treatment, and training programs available through the facilities of the juvenile court based on an evaluation of the factors listed in this subsection (10).

(11) The changes made to this Section by Public Act 98-61 apply to a minor who has been arrested or taken into custody on or after January 1, 2014 (the effective date of Public Act 98-61).

Sec. 5-407. Processing of juvenile in possession of a firearm.
(a) If a law enforcement officer detains a minor pursuant to Section 10-27.1A of the School Code, the officer shall deliver the minor to the nearest juvenile officer, in the manner prescribed by subsection (2) of Section 5-405 of this Act. The juvenile officer shall deliver the minor without unnecessary delay to the court or to the place designated by rule or order of court for the reception of minors. In no event shall the minor be eligible for any other disposition by the juvenile police officer, notwithstanding the provisions of subsection (3) of Section 5-405 of this Act.

(b) Minors not excluded from this Act's jurisdiction under subsection (3)(a) of Section 5-130 of this Act shall be brought before a judicial officer within 40 hours, exclusive of Saturdays, Sundays, and court-designated holidays, for a detention hearing to determine whether he or she shall be further held in custody. If the court finds that there is probable cause to believe that the minor is a delinquent minor by virtue of his or her violation of item (4) of subsection (a) of Section 24-1 of the
Criminal Code of 1961 or the Criminal Code of 2012 while on school grounds, that finding shall create a presumption that immediate and urgent necessity exists under subdivision (2) of Section 5-501 of this Act. Once the presumption of immediate and urgent necessity has been raised, the burden of demonstrating the lack of immediate and urgent necessity shall be on any party that is opposing detention for the minor. Should the court order detention pursuant to this Section, the minor shall be detained, pending the results of a court-ordered psychological evaluation to determine if the minor is a risk to himself, herself, or others. Upon receipt of the psychological evaluation, the court shall review the determination regarding the existence of urgent and immediate necessity. The court shall consider the psychological evaluation in conjunction with the other factors identified in subdivision (2) of Section 5-501 of this Act in order to make a de novo determination regarding whether it is a matter of immediate and urgent necessity for the protection of the minor or of the person or property of another that the minor be detained or placed in a shelter care facility. In addition to the pre-trial conditions found in Section 5-505 of this Act, the court may order the minor to receive counseling and any other services recommended by the psychological evaluation as a condition for release of the minor.

(c) Upon making a determination that the student presents a risk to himself, herself, or others, the court shall issue an order restraining the student from entering the property of the school if he or she has been suspended or expelled from the school as a result of possessing a firearm. The order shall restrain the student from entering the school and school owned or leased property, including any conveyance owned, leased, or contracted by the school to transport students to or from school or a school-related activity. The order shall remain in effect until such time as the court determines that the student no longer presents a risk to himself, herself, or others.

(d) Psychological evaluations ordered pursuant to subsection (b) of this Section and statements made by the minor during the course of these evaluations, shall not be admissible on the issue of delinquency during the course of any adjudicatory hearing held under this Act.

(e) In this Section:
"School" means any public or private elementary or secondary school.

"School grounds" includes the real property comprising any school, any conveyance owned, leased, or contracted by a school to transport

(1) (Blank). Mandatory transfers:

(a) If a petition alleges commission by a minor 15 years of age or older of an act that constitutes a forcible felony under the laws of this State, and if a motion by the State's Attorney to prosecute the minor under the criminal laws of Illinois for the alleged forcible felony alleges that (i) the minor has previously been adjudicated delinquent or found guilty for commission of an act that constitutes a felony under the laws of this State or any other state and (ii) the act that constitutes the offense was committed in furtherance of criminal activity by an organized gang, the Juvenile Judge assigned to hear and determine those motions shall, upon determining that there is probable cause that both allegations are true, enter an order permitting prosecution under the criminal laws of Illinois:

(b) If a petition alleges commission by a minor 15 years of age or older of an act that constitutes a felony under the laws of this State, and if a motion by a State's Attorney to prosecute the minor under the criminal laws of Illinois for the alleged felony alleges that (i) the minor has previously been adjudicated delinquent or found guilty for commission of an act that constitutes a forcible felony under the laws of this State or any other state and (ii) the act that constitutes the offense was committed in furtherance of criminal activity by an organized gang, the Juvenile Judge assigned to hear and determine those motions shall, upon determining that there is probable cause that both allegations are true, enter an order permitting prosecution under the criminal laws of Illinois:

(e) If a petition alleges commission by a minor 15 years of age or older of: (i) an act that constitutes an offense enumerated in the presumptive transfer provisions of subsection (2); and (ii) the minor has previously been adjudicated delinquent or found guilty of a forcible felony, the Juvenile Judge designated to hear and determine those motions shall, upon determining that there is
probable cause that both allegations are true, enter an order permitting prosecution under the criminal laws of Illinois.

(d) If a petition alleges commission by a minor 15 years of age or older of an act that constitutes the offense of aggravated discharge of a firearm committed in a school, on the real property comprising a school, within 1,000 feet of the real property comprising a school, at a school related activity, or on, boarding, or departing from any conveyance owned, leased, or contracted by a school or school district to transport students to or from school or a school related activity, regardless of the time of day or the time of year, the juvenile judge designated to hear and determine those motions shall, upon determining that there is probable cause that the allegations are true, enter an order permitting prosecution under the criminal laws of Illinois:

For purposes of this paragraph (d) of subsection (1):

“School” means a public or private elementary or secondary school, community college, college, or university.

“School-related activity” means any sporting, social, academic, or other activity for which students’ attendance or participation is sponsored, organized, or funded in whole or in part by a school or school district.

(2) Presumptive transfer.

(a) If the State's Attorney files a petition, at any time prior to commencement of the minor's trial, to permit prosecution under the criminal laws and the petition alleges a minor 15 years of age or older of an act that constitutes a forcible felony under the laws of this State, and if a motion by the State's Attorney to prosecute the minor under the criminal laws of Illinois for the alleged forcible felony alleges that (i) the minor has previously been adjudicated delinquent or found guilty for commission of an act that constitutes a forcible felony under the laws of this State or any other state and (ii) the act that constitutes the offense was committed in furtherance of criminal activity by an organized gang, the commission by a minor 15 years of age or older of: (i) a Class X felony other than armed violence; (ii) aggravated discharge of a firearm; (iii) armed violence with a firearm when the predicate offense is a Class 1 or Class 2 felony and the State's Attorney's motion to transfer the case alleges that the offense committed is in furtherance of the criminal activities of an organized gang; (iv)
armed violence with a firearm when the predicate offense is a violation of the Illinois Controlled Substances Act, a violation of the Cannabis Control Act, or a violation of the Methamphetamine Control and Community Protection Act; (v) armed violence when the weapon involved was a machine gun or other weapon described in subsection (a)(7) of Section 24-1 of the Criminal Code of 1961 or the Criminal Code of 2012; (vi) an act in violation of Section 401 of the Illinois Controlled Substances Act which is a Class X felony, while in a school, regardless of the time of day or the time of year, or on any conveyance owned, leased, or contracted by a school to transport students to or from school or a school related activity, or on residential property owned, operated, or managed by a public housing agency or leased by a public housing agency as part of a scattered site or mixed-income development; or (vii) an act in violation of Section 401 of the Illinois Controlled Substances Act and the offense is alleged to have occurred while in a school or on a public way within 1,000 feet of the real property comprising any school, regardless of the time of day or the time of year when the delivery or intended delivery of any amount of the controlled substance is to a person under 17 years of age, (to qualify for a presumptive transfer under paragraph (vi) or (vii) of this clause (2)(a), the violation cannot be based upon subsection (b) of Section 407 of the Illinois Controlled Substances Act) and, if the juvenile judge assigned to hear and determine motions to transfer a case for prosecution in the criminal court determines that there is probable cause to believe that the allegations in the petition and motion are true, there is a rebuttable presumption that the minor is not a fit and proper subject to be dealt with under the Juvenile Justice Reform Provisions of 1998 (Public Act 90-590), and that, except as provided in paragraph (b), the case should be transferred to the criminal court.

(b) The judge shall enter an order permitting prosecution under the criminal laws of Illinois unless the judge makes a finding based on clear and convincing evidence that the minor would be amenable to the care, treatment, and training programs available through the facilities of the juvenile court based on an evaluation of the following:

(i) the age of the minor;
(ii) the history of the minor, including:

(A) the seriousness of the offense, 
(B) whether the minor is charged through accountability, 
(C) whether there is evidence the offense was committed in an aggressive and premeditated manner, 
(D) whether there is evidence the offense caused serious bodily harm, 
(E) whether there is evidence the minor possessed a deadly weapon; 
(iv) the advantages of treatment within the juvenile justice system including whether there are facilities or programs, or both, particularly available in the juvenile system;

(B) whether there is a reasonable likelihood that the minor can be rehabilitated before the expiration of the juvenile court's jurisdiction; 
(C) the adequacy of the punishment or services. 
In considering these factors, the court shall give greater weight to the seriousness of the alleged offense and the minor's prior record of delinquency than to the other factors listed in this subsection.

“School related activity” means any sporting, social, academic, or other activity for which students’ attendance or participation is sponsored, organized, or funded in whole or in part by a school or school district.

(3) Discretionary transfer.

(a) If a petition alleges commission by a minor 13 years of age or over of an act that constitutes a crime under the laws of this State and, on motion of the State's Attorney to permit prosecution of the minor under the criminal laws, a Juvenile Judge assigned by the Chief Judge of the Circuit to hear and determine those motions, after hearing but before commencement of the trial, finds that there is probable cause to believe that the allegations in the motion are true and that it is not in the best interests of the public to proceed under this Act, the court may enter an order permitting prosecution under the criminal laws.

(b) In making its determination on the motion to permit prosecution under the criminal laws, the court shall consider among other matters:

(i) the age of the minor;
(ii) the history of the minor, including:
   (A) any previous delinquent or criminal history of the minor,
   (B) any previous abuse or neglect history of the minor, and

(B) whether there is a reasonable likelihood that the minor can be rehabilitated before the expiration of the juvenile court's jurisdiction;

(C) the adequacy of the punishment or services.

In considering these factors, the court shall give greater weight to the seriousness of the alleged offense, and the minor's prior record of delinquency than to the other factors listed in this subsection.

(4) The rules of evidence for this hearing shall be the same as under Section 5-705 of this Act. A minor must be represented in court by counsel before the hearing may be commenced.

(5) If criminal proceedings are instituted, the petition for adjudication of wardship shall be dismissed insofar as the act or acts involved in the criminal proceedings. Taking of evidence in a trial on petition for adjudication of wardship is a bar to criminal proceedings based upon the conduct alleged in the petition.

(6) When criminal prosecution is permitted under this Section and a finding of guilt is entered, the criminal court shall sentence the minor under Section 5-4.5-105 of the Unified Code of Corrections.

(7) The changes made to this Section by this amendatory Act of the 99th General Assembly apply to a minor who has been taken into custody on or after the effective date of this amendatory Act of the 99th General Assembly.

extended jurisdiction juvenile prosecution and the petition alleges the commission by a minor 13 years of age or older of any offense which would be a felony if committed by an adult, and, if the juvenile judge assigned to hear and determine petitions to designate the proceeding as an extended jurisdiction juvenile prosecution determines that there is probable cause to believe that the allegations in the petition and motion are true, there is a rebuttable presumption that the proceeding shall be designated as an extended jurisdiction juvenile proceeding.

(b) The judge shall enter an order designating the proceeding as an extended jurisdiction juvenile proceeding unless the judge makes a finding based on clear and convincing evidence that sentencing under the Chapter V of the Unified Code of Corrections would not be appropriate for the minor based on an evaluation of the following factors:

(i) the age of the minor;

(ii) the history of the minor, including:

   (A) any previous delinquent or criminal history of the minor,
   (B) any previous abuse or neglect history of the minor, and
   (C) any mental health, physical and/or educational history of the minor;

(iii) the circumstances of the offense, including:

   (A) the seriousness of the offense,
   (B) whether the minor is charged through accountability,

(iv) the advantages of treatment within the juvenile justice system including whether there are facilities or programs, or both, particularly available in the juvenile system;

(B) whether there is a reasonable likelihood that the minor can be rehabilitated before the expiration of the juvenile court's jurisdiction;

(C) the adequacy of the punishment or services.

In considering these factors, the court shall give greater weight to the seriousness of the alleged offense, and the minor's prior record of delinquency than to other factors listed in this subsection.

(2) Procedures for extended jurisdiction juvenile prosecutions. The State's Attorney may file a written motion for a proceeding to be designated as an extended juvenile jurisdiction prior to commencement of trial. Notice of the motion shall be in compliance with Section 5-530. When the State's Attorney files a written motion that a proceeding be designated an extended jurisdiction juvenile prosecution, the court shall commence a hearing within 30 days of the filing of the motion for designation, unless good cause is shown by the prosecution or the minor as to why the hearing could not be held within this time period. If the court finds good cause has been demonstrated, then the hearing shall be held within 60 days of the filing of the motion. The hearings shall be open to the public unless the judge finds that the hearing should be closed for the protection of any party, victim or witness. If the Juvenile Judge assigned to hear and determine a motion to designate an extended jurisdiction juvenile prosecution determines that there is probable cause to believe that the allegations in the petition and motion are true the court shall grant the motion for designation. Information used by the court in its findings or stated in or offered in connection with this Section may be by way of proffer based on reliable information offered by the State or the minor. All evidence shall be admissible if it is relevant and reliable regardless of whether it would be admissible under the rules of evidence.

(3) Trial. A minor who is subject of an extended jurisdiction juvenile prosecution has the right to trial by jury. Any trial under this Section shall be open to the public.

(4) Sentencing. If an extended jurisdiction juvenile prosecution under subsection (1) results in a guilty plea, a verdict of guilty, or a finding of guilt, the court shall impose the following:

(i) one or more juvenile sentences under Section 5-710; and

(ii) an adult criminal sentence in accordance with the provisions of Section 5-4.5-105 of the Unified Code of Corrections Chapter V of the Unified Code of Corrections, the execution of

which shall be stayed on the condition that the offender not violate the provisions of the juvenile sentence.

Any sentencing hearing under this Section shall be open to the public.

(5) If, after an extended jurisdiction juvenile prosecution trial, a minor is convicted of a lesser-included offense or of an offense that the State's Attorney did not designate as an extended jurisdiction juvenile prosecution, the State's Attorney may file a written motion, within 10 days of the finding of guilt, that the minor be sentenced as an extended jurisdiction juvenile prosecution offender. The court shall rule on this motion using the factors found in paragraph (1)(b) of Section 5-805. If the court denies the State's Attorney's motion for sentencing under the extended jurisdiction juvenile prosecution provision, the court shall proceed to sentence the minor under Section 5-710.

(6) When it appears that a minor convicted in an extended jurisdiction juvenile prosecution under subsection (1) has violated the conditions of his or her sentence, or is alleged to have committed a new offense upon the filing of a petition to revoke the stay, the court may, without notice, issue a warrant for the arrest of the minor. After a hearing, if the court finds by a preponderance of the evidence that the minor committed a new offense, the court shall order execution of the previously imposed adult criminal sentence. After a hearing, if the court finds by a preponderance of the evidence that the minor committed a violation of his or her sentence other than by a new offense, the court may order execution of the previously imposed adult criminal sentence or may continue him or her on the existing juvenile sentence with or without modifying or enlarging the conditions. Upon revocation of the stay of the adult criminal sentence and imposition of that sentence, the minor's extended jurisdiction juvenile status shall be terminated. The on-going extended jurisdiction over the minor's case shall be assumed by the adult criminal court and juvenile court jurisdiction shall be terminated and a report of the imposition of the adult sentence shall be sent to the Department of State Police.

(7) Upon successful completion of the juvenile sentence the court shall vacate the adult criminal sentence.

(8) Nothing in this Section precludes the State from filing a motion for transfer under Section 5-805.

(730 ILCS 130/3.1) (from Ch. 75, par. 32.1)

Sec. 3.1. (a) Within 3 months after the effective date of this amendatory Act of 1986, the wardens who supervise institutions under this Act shall meet and agree upon uniform rules and regulations for behavior and conduct, penalties, and the awarding, denying and revocation of good behavior allowance, in such institutions; and such rules and regulations shall be immediately promulgated and consistent with the provisions of this Act. Interim rules shall be provided by each warden consistent with the provision of this Act and shall be effective until the promulgation of uniform rules. All disciplinary action shall be consistent with the provisions of this Act. Committed persons shall be informed of rules of behavior and conduct, the penalties for violation thereof, and the disciplinary procedure by which such penalties may be imposed. Any rules, penalties and procedures shall be posted and made available to the committed persons.

(b) Whenever a person is alleged to have violated a rule of behavior, a written report of the infraction shall be filed with the warden within 72 hours of the occurrence of the infraction or the discovery of it, and such report shall be placed in the file of the institution or facility. No disciplinary proceeding shall be commenced more than 8 days after the infraction or the discovery of it, unless the committed person is unable or unavailable for any reason to participate in the disciplinary proceeding.

Any person who initiates a disciplinary charge against a committed person shall not serve on the disciplinary board that will determine the disposition of the charge. In those cases in which the charge was initiated by the warden, he shall establish a disciplinary board which will have the authority to impose any appropriate discipline.

(2) Any committed person charged with a violation of rules of behavior shall be given notice of the charge, including a statement of the misconduct alleged and of the rules this conduct is alleged to violate, no less than 24 hours before the disciplinary hearing.

(3) Any committed person charged with a violation of rules is entitled to a hearing on that charge, at which time he shall have an opportunity to appear before and address the warden or disciplinary board deciding the charge.

(4) The person or persons determining the disposition of the charge may also summon to testify any witnesses or other persons with relevant knowledge of the incident. The person charged may be permitted to question any person so summoned.

(5) If the charge is sustained, the person charged is entitled to a written statement, within 14 days after the hearing, of the decision by the warden or the disciplinary board which determined the disposition of the charge, and the statement shall include the basis for the decision and the disciplinary action, if any, to be imposed.

(6) The warden may impose the discipline recommended by the disciplinary board, or may reduce the discipline recommended; however, no committed person may be penalized more than 30 days of good behavior allowance for any one infraction unless the infraction is the second or subsequent infraction within any 30-day period in which case the committed person may not be penalized more than 60 days of good behavior allowance.

(7) The warden, in appropriate cases, may restore good behavior allowance that has been revoked, suspended or reduced.

(House Bill No. 3797)

AN ACT concerning transportation.
Be it enacted by the People of the State of Illinois, represented in the General Assembly:

Section 5. The Illinois Vehicle Code is amended by changing Sections 3-114 and 3-821 as follows:

(625 ILCS 5/3-114) (from Ch. 95 1/2, par. 3-114)
Sec. 3-114. Transfer by operation of law.

(a) If the interest of an owner in a vehicle passes to another other than by voluntary transfer, the transferee shall, except as provided in paragraph (b), promptly mail or deliver within 20 days to the Secretary of State the last certificate of title, if available, proof of the transfer, and his application for a new certificate in the form the Secretary of State prescribes. It shall be unlawful for any person having possession of a certificate of title for a motor vehicle, semi-trailer, or house car by reason of his having a lien or encumbrance on such vehicle, to fail or refuse to deliver such certificate to the owner, upon the satisfaction or discharge of the lien or encumbrance, indicated upon such certificate of title.

(b) If the interest of an owner in a vehicle passes to another under the provisions of the Small Estates provisions of the Probate Act of 1975 the transferee shall promptly mail or deliver to the Secretary of State,
within 120 days, the last certificate of title, if available, the documentation required under the provisions of the Probate Act of 1975, and an application for certificate of title. The Small Estate Affidavit form shall be furnished by the Secretary of State. The transfer may be to the transferee or to the nominee of the transferee.

(c) If the interest of an owner in a vehicle passes to another under other provisions of the Probate Act of 1975, as amended, and the transfer is made by a representative or guardian, such transferee shall promptly mail or deliver to the Secretary of State, the last certificate of title, if available, and a certified copy of the letters of office or guardianship, and an application for certificate of title. Such application shall be made before the estate is closed. The transfer may be to the transferee or to the nominee of the transferee.

(d) If the interest of an owner in joint tenancy passes to the other joint tenant with survivorship rights as provided by law, the transferee shall promptly mail or deliver to the Secretary of State, the last certificate of title, if available, proof of death of the one joint tenant and survivorship of the surviving joint tenant, and an application for certificate of title. Such application shall be made within 120 days after the death of the joint tenant. The transfer may be to the transferee or to the nominee of the transferee.

(d-5) If the interest of an owner passes to the owner's spouse or if the spouse otherwise acquires ownership of the vehicle, then the transferee shall promptly mail or deliver to the Secretary of State, proof of (i) the owner's death; (ii) the transfer or acquisition of ownership; and (iii) proof of the marital relationship between the owner and the transferee, along with the last certificate of title, if available, and an application for certificate of title along with the appropriate fees and taxes, if applicable. The application shall be made within 180 days after the death of the owner.

(e) The Secretary of State shall transfer a decedent's vehicle title to any legatee, representative or heir of the decedent who submits to the Secretary a death certificate and an affidavit by an attorney at law on the letterhead stationery of the attorney at law stating the facts of the transfer.

(f) Repossession with assignment of title. In all cases wherein a lienholder has repossessed a vehicle by other than judicial process and holds it for resale under a security agreement, and the owner of record has executed an assignment of the existing certificate of title after default, the lienholder may proceed to sell or otherwise dispose of the vehicle as

New matter indicated by italics - deletions by strikeout
authorized under the Uniform Commercial Code. Upon selling the vehicle to another person, the lienholder need not send the certificate of title to the Secretary of State, but shall promptly and within 20 days mail or deliver to the purchaser as transferee the existing certificate of title for the repossessed vehicle, reflecting the release of the lienholder's security interest in the vehicle. The application for a certificate of title made by the purchaser shall comply with subsection (a) of Section 3-104 and be accompanied by the existing certificate of title for the repossessed vehicle. The lienholder shall execute the assignment and warranty of title showing the name and address of the purchaser in the spaces provided therefor on the certificate of title or as the Secretary of State prescribes. The lienholder shall complete the assignment of title in the certificate of title to reflect the transfer of the vehicle to the lienholder and also a reassignment to reflect the transfer from the lienholder to the purchaser. For this purpose, the lienholder is specifically authorized to complete and execute the space reserved in the certificate of title for a dealer reassignment, notwithstanding that the lienholder is not a licensed dealer. Nothing herein shall be construed to mean that the lienholder is taking title to the repossessed vehicle for purposes of liability for retailer occupation, vehicle use, or other tax with respect to the proceeds from the repossession sale. Delivery of the existing certificate of title to the purchaser shall be deemed disclosure to the purchaser of the owner of the vehicle.

(f-5) Repossession without assignment of title. Subject to subsection (f-30), in all cases wherein a lienholder has repossessed a vehicle by other than judicial process and holds it for resale under a security agreement, and the owner of record has not executed an assignment of the existing certificate of title, the lienholder shall comply with the following provisions:

(1) Prior to sale, the lienholder shall deliver or mail to the owner at the owner's last known address and to any other lienholder of record, a notice of redemption setting forth the following information: (i) the name of the owner of record and in bold type at or near the top of the notice a statement that the owner's vehicle was repossessed on a specified date for failure to make payments on the loan (or other reason), (ii) a description of the vehicle subject to the lien sufficient to identify it, (iii) the right of the owner to redeem the vehicle, (iv) the lienholder's intent to sell or otherwise dispose of the vehicle after the expiration of 21 days from the date of mailing or delivery of the notice, and (v) the

name, address, and telephone number of the lienholder from whom information may be obtained concerning the amount due to redeem the vehicle and from whom the vehicle may be redeemed under Section 9-623 of the Uniform Commercial Code. At the lienholder's option, the information required to be set forth in this notice of redemption may be made a part of or accompany the notification of sale or other disposition required under Section 9-611 of the Uniform Commercial Code, but none of the information required by this notice shall be construed to impose any requirement under Article 9 of the Uniform Commercial Code.

(2) With respect to the repossession of a vehicle used primarily for personal, family, or household purposes, the lienholder shall also deliver or mail to the owner at the owner's last known address an affidavit of defense. The affidavit of defense shall accompany the notice of redemption required in subdivision (f-5)(1) of this Section. The affidavit of defense shall (i) identify the lienholder, owner, and the vehicle; (ii) provide space for the owner to state the defense claimed by the owner; and (iii) include an acknowledgment by the owner that the owner may be liable to the lienholder for fees, charges, and costs incurred by the lienholder in establishing the insufficiency or invalidity of the owner's defense. To stop the transfer of title, the affidavit of defense must be received by the lienholder no later than 21 days after the date of mailing or delivery of the notice required in subdivision (f-5)(1) of this Section. If the lienholder receives the affidavit from the owner in a timely manner, the lienholder must apply to a court of competent jurisdiction to determine if the lienholder is entitled to possession of the vehicle.

(3) Upon selling the vehicle to another person, the lienholder need not send the certificate of title to the Secretary of State, but shall promptly and within 20 days mail or deliver to the purchaser as transferee (i) the existing certificate of title for the repossessed vehicle, reflecting the release of the lienholder's security interest in the vehicle; and (ii) an affidavit of repossession made by or on behalf of the lienholder which provides the following information: that the vehicle was repossessed, a description of the vehicle sufficient to identify it, whether the vehicle has been damaged in excess of 33 1/3% of its fair market value as required under subdivision (b)(3) of Section 3-117.1, that

the owner and any other lienholder of record were given the notice required in subdivision (f-5)(1) of this Section, that the owner of record was given the affidavit of defense required in subdivision (f-5)(2) of this Section, that the interest of the owner was lawfully terminated or sold pursuant to the terms of the security agreement, and the purchaser's name and address. If the vehicle is damaged in excess of 33 1/3% of its fair market value, the lienholder shall make application for a salvage certificate under Section 3-117.1 and transfer the vehicle to a person eligible to receive assignments of salvage certificates identified in Section 3-118.

(4) The application for a certificate of title made by the purchaser shall comply with subsection (a) of Section 3-104 and be accompanied by the affidavit of repossession furnished by the lienholder and the existing certificate of title for the repossessed vehicle. The lienholder shall execute the assignment and warranty of title showing the name and address of the purchaser in the spaces provided therefor on the certificate of title or as the Secretary of State prescribes. The lienholder shall complete the assignment of title in the certificate of title to reflect the transfer of the vehicle to the lienholder and also a reassignment to reflect the transfer from the lienholder to the purchaser. For this purpose, the lienholder is specifically authorized to execute the assignment on behalf of the owner as seller if the owner has not done so and to complete and execute the space reserved in the certificate of title for a dealer reassignment, notwithstanding that the lienholder is not a licensed dealer. Nothing herein shall be construed to mean that the lienholder is taking title to the repossessed vehicle for purposes of liability for retailer occupation, vehicle use, or other tax with respect to the proceeds from the repossession sale. Delivery of the existing certificate of title to the purchaser shall be deemed disclosure to the purchaser of the owner of the vehicle. In the event the lienholder does not hold the certificate of title for the repossessed vehicle, the lienholder shall make application for and may obtain a new certificate of title in the name of the lienholder upon furnishing information satisfactory to the Secretary of State. Upon receiving the new certificate of title, the lienholder may proceed with the sale described in subdivision (f-5)(3), except that upon selling the vehicle the lienholder shall promptly and within

New matter indicated by italics - deletions by strikeout
20 days mail or deliver to the purchaser the new certificate of title reflecting the assignment and transfer of title to the purchaser.

(5) Neither the lienholder nor the owner shall file with the Office of the Secretary of State the notice of redemption or affidavit of defense described in subdivisions (f-5)(1) and (f-5)(2) of this Section. The Office of the Secretary of State shall not determine the merits of an owner's affidavit of defense, nor consider any allegations or assertions regarding the validity or invalidity of a lienholder's claim to the vehicle or an owner's asserted defenses to the repossession action.

(f-7) Notice of reinstatement in certain cases.

(1) Subject to subsection (f-30), if, at the time of repossession by a lienholder that is seeking to transfer title pursuant to subsection (f-5), the owner has paid an amount equal to 30% or more of the deferred payment price or total of payments due, the owner may, within 21 days of the date of repossession, reinstate the contract or loan agreement and recover the vehicle from the lienholder by tendering in a lump sum (i) the total of all unpaid amounts, including any unpaid delinquency or deferral charges due at the date of reinstatement, without acceleration; and (ii) performance necessary to cure any default other than nonpayment of the amounts due; and (iii) all reasonable costs and fees incurred by the lienholder in retaking, holding, and preparing the vehicle for disposition and in arranging for the sale of the vehicle. Reasonable costs and fees incurred by the lienholder include without limitation repossession and storage expenses and, if authorized by the contract or loan agreement, reasonable attorneys' fees and collection agency charges.

(2) Tender of payment and performance pursuant to this limited right of reinstatement restores to the owner his rights under the contract or loan agreement as though no default had occurred. The owner has the right to reinstate the contract or loan agreement and recover the vehicle from the lienholder only once under this subsection. The lienholder may, in the lienholder's sole discretion, extend the period during which the owner may reinstate the contract or loan agreement and recover the vehicle beyond the 21 days allowed under this subsection, and the extension shall not subject the lienholder to liability to the owner under the laws of this State.

New matter indicated by italics - deletions by strikeout
(3) The lienholder shall deliver or mail written notice to the owner at the owner's last known address, within 3 business days of the date of repossession, of the owner's right to reinstate the contract or loan agreement and recover the vehicle pursuant to the limited right of reinstatement described in this subsection. At the lienholder's option, the information required to be set forth in this notice of reinstatement may be made part of or accompany the notice of redemption required in subdivision (f-5)(1) of this Section and the notification of sale or other disposition required under Section 9-611 of the Uniform Commercial Code, but none of the information required by this notice of reinstatement shall be construed to impose any requirement under Article 9 of the Uniform Commercial Code.

(4) The reinstatement period, if applicable, and the redemption period described in subdivision (f-5)(1) of this Section, shall run concurrently if the information required to be set forth in the notice of reinstatement is part of or accompanies the notice of redemption. In any event, the 21 day redemption period described in subdivision (f-5)(1) of this Section shall commence on the date of mailing or delivery to the owner of the information required to be set forth in the notice of redemption, and the 21 day reinstatement period described in this subdivision, if applicable, shall commence on the date of mailing or delivery to the owner of the information required to be set forth in the notice of reinstatement.

(5) The Office of the Secretary of State shall not determine the merits of an owner's claim of right to reinstatement, nor consider any allegations or assertions regarding the validity or invalidity of a lienholder's claim to the vehicle or an owner's asserted right to reinstatement. Where a lienholder is subject to licensing and regulatory supervision by the State of Illinois, the lienholder shall be subject to all of the powers and authority of the lienholder's primary State regulator to enforce compliance with the procedures set forth in this subsection (f-7).

(f-10) Repossession by judicial process. In all cases wherein a lienholder has repossessed a vehicle by judicial process and holds it for resale under a security agreement, order for replevin, or other court order establishing the lienholder's right to possession of the vehicle, the lienholder may proceed to sell or otherwise dispose of the vehicle as

New matter indicated by italics - deletions by strikeout
authorized under the Uniform Commercial Code or the court order. Upon selling the vehicle to another person, the lienholder need not send the certificate of title to the Secretary of State, but shall promptly and within 20 days mail or deliver to the purchaser as transferee (i) the existing certificate of title for the repossessed vehicle reflecting the release of the lienholder's security interest in the vehicle; (ii) a certified copy of the court order; and (iii) a bill of sale identifying the new owner's name and address and the year, make, model, and vehicle identification number of the vehicle. The application for a certificate of title made by the purchaser shall comply with subsection (a) of Section 3-104 and be accompanied by the certified copy of the court order furnished by the lienholder and the existing certificate of title for the repossessed vehicle. The lienholder shall execute the assignment and warranty of title showing the name and address of the purchaser in the spaces provided therefor on the certificate of title or as the Secretary of State prescribes. The lienholder shall complete the assignment of title in the certificate of title to reflect the transfer of the vehicle to the lienholder and also a reassignment to reflect the transfer from the lienholder to the purchaser. For this purpose, the lienholder is specifically authorized to execute the assignment on behalf of the owner as seller if the owner has not done so and to complete and execute the space reserved in the certificate of title for a dealer reassignment, notwithstanding that the lienholder is not a licensed dealer. Nothing herein shall be construed to mean that the lienholder is taking title to the repossessed vehicle for purposes of liability for retailer occupation, vehicle use, or other tax with respect to the proceeds from the repossession sale. Delivery of the existing certificate of title to the purchaser shall be deemed disclosure to the purchaser of the owner of the vehicle. In the event the lienholder does not hold the certificate of title for the repossessed vehicle, the lienholder shall make application for and may obtain a new certificate of title in the name of the lienholder upon furnishing information satisfactory to the Secretary of State. Upon receiving the new certificate of title, the lienholder may proceed with the sale described in this subsection, except that upon selling the vehicle the lienholder shall promptly and within 20 days mail or deliver to the purchaser the new certificate of title reflecting the assignment and transfer of title to the purchaser.

(f-15) The Secretary of State shall not issue a certificate of title to a purchaser under subsection (f), (f-5), or (f-10) of this Section, unless the person from whom the vehicle has been repossessed by the lienholder is

New matter indicated by italics - deletions by strikeout
shown to be the last registered owner of the motor vehicle. The Secretary of State may provide by rule for the standards to be followed by a lienholder in assigning and transferring certificates of title with respect to repossessed vehicles.

(f-20) If applying for a salvage certificate or a junking certificate, the lienholder shall within 20 days make an application to the Secretary of State for a salvage certificate or a junking certificate, as set forth in this Code. The Secretary of State shall not issue a salvage certificate or a junking certificate to such lienholder unless the person from whom such vehicle has been repossessed is shown to be the last registered owner of such motor vehicle and such lienholder establishes to the satisfaction of the Secretary of State that he is entitled to such salvage certificate or junking certificate. The Secretary of State may provide by rule for the standards to be followed by a lienholder in order to obtain a salvage certificate or junking certificate for a repossessed vehicle.

(f-25) If the interest of an owner in a mobile home, as defined in the Mobile Home Local Services Tax Act, passes to another under the provisions of the Mobile Home Local Services Tax Enforcement Act, the transferee shall promptly mail or deliver to the Secretary of State (i) the last certificate of title, if available, (ii) a certified copy of the court order ordering the transfer of title, and (iii) an application for certificate of title.

(f-30) Bankruptcy. If the repossessed vehicle is the subject of a bankruptcy proceeding or discharge:

(1) the lienholder may proceed to sell or otherwise dispose of the vehicle as authorized by the Bankruptcy Code and the Uniform Commercial Code;

(2) the notice of redemption, affidavit of defense, and notice of reinstatement otherwise required to be sent by the lienholder to the owner of record or other lienholder of record under this Section are not required to be delivered or mailed;

(a) Except as provided in Sections 5-805, 5-810, 5-815, a minor who is found guilty under Section 5-620 may be:
   (i) put on probation or conditional discharge and released to his or her parents, guardian or legal custodian, provided, however, that any such minor who is not committed to the Department of Juvenile Justice under this subsection and who is found to be a delinquent for an offense which is first degree murder, a Class X felony, or a forcible felony shall be placed on probation;
   (ii) placed in accordance with Section 5-740, with or without also being put on probation or conditional discharge;
   (iii) required to undergo a substance abuse assessment conducted by a licensed provider and participate in the indicated clinical level of care;
   (iv) on and after the effective date of this amendatory Act of the 98th General Assembly and before January 1, 2017, placed in the guardianship of the Department of Children and Family Services, but only if the delinquent minor is under 16 years of age or, pursuant to Article II of this Act, a minor for whom an independent basis of abuse, neglect, or dependency exists. On and after January 1, 2017, placed in the guardianship of the Department of Children and Family Services, but only if the delinquent minor is under 15 years of age or, pursuant to Article II of this Act, a minor for whom an independent basis of abuse, neglect, or dependency exists. An independent basis exists when the allegations or adjudication of abuse, neglect, or dependency do not arise from the same facts, incident, or circumstances which give rise to a charge or adjudication of delinquency;
   (v) placed in detention for a period not to exceed 30 days, either as the exclusive order of disposition or, where appropriate, in conjunction with any other order of disposition issued under this paragraph, provided that any such detention shall be in a juvenile detention home and the minor so detained shall be 10 years of age or older. However, the 30-day limitation may be extended by further order of the court for a minor under age 15 committed to
the Department of Children and Family Services if the court finds that the minor is a danger to himself or others. The minor shall be given credit on the sentencing order of detention for time spent in detention under Sections 5-501, 5-601, 5-710, or 5-720 of this Article as a result of the offense for which the sentencing order was imposed. The court may grant credit on a sentencing order of detention entered under a violation of probation or violation of conditional discharge under Section 5-720 of this Article for time spent in detention before the filing of the petition alleging the violation. A minor shall not be deprived of credit for time spent in detention before the filing of a violation of probation or conditional discharge alleging the same or related act or acts. The limitation that the minor shall only be placed in a juvenile detention home does not apply as follows:

Persons 18 years of age and older who have a petition of delinquency filed against them may be confined in an adult detention facility. In making a determination whether to confine a person 18 years of age or older who has a petition of delinquency filed against the person, these factors, among other matters, shall be considered:

(A) the age of the person;
(B) any previous delinquent or criminal history of the person;
(C) any previous abuse or neglect history of the person;
(D) any mental health history of the person; and
(E) any educational history of the person;

(vi) ordered partially or completely emancipated in accordance with the provisions of the Emancipation of Minors Act;
(vii) subject to having his or her driver's license or driving privileges suspended for such time as determined by the court but only until he or she attains 18 years of age;

permitted by law for adults found guilty of the same offense or offenses for which the minor was adjudicated delinquent, and in any event no longer than upon attainment of age 21; this subdivision (viii) notwithstanding any contrary provision of the law;

(ix) ordered to undergo a medical or other procedure to have a tattoo symbolizing allegiance to a street gang removed from his or her body; or

(x) placed in electronic home detention under Part 7A of this Article.

(b) A minor found to be guilty may be committed to the Department of Juvenile Justice under Section 5-750 if the minor is at least 13 years and under 20 years of age, provided that the commitment to the Department of Juvenile Justice shall be made only if a term of imprisonment in the penitentiary system of the Department of Corrections is permitted by law for adults found guilty of the offense for which the minor was adjudicated delinquent. The court shall include in the sentencing order any pre-custody credits the minor is entitled to under Section 5-4.5-100 of the Unified Code of Corrections. The time during which a minor is in custody before being released upon the request of a parent, guardian or legal custodian shall also be considered as time spent in custody.

(c) When a minor is found to be guilty for an offense which is a violation of the Illinois Controlled Substances Act, the Cannabis Control Act, or the Methamphetamine Control and Community Protection Act and made a ward of the court, the court may enter a disposition order requiring the minor to undergo assessment, counseling or treatment in a substance abuse program approved by the Department of Human Services.

(2) Any sentencing order other than commitment to the Department of Juvenile Justice may provide for protective supervision under Section 5-725 and may include an order of protection under Section 5-730.

(3) Unless the sentencing order expressly so provides, it does not operate to close proceedings on the pending petition, but is subject to modification until final closing and discharge of the proceedings under Section 5-750.

(4) In addition to any other sentence, the court may order any minor found to be delinquent to make restitution, in monetary or non-
monetary form, under the terms and conditions of Section 5-5-6 of the Unified Code of Corrections, except that the "presentencing hearing" referred to in that Section shall be the sentencing hearing for purposes of this Section. The parent, guardian or legal custodian of the minor may be ordered by the court to pay some or all of the restitution on the minor's behalf, pursuant to the Parental Responsibility Law. The State's Attorney is authorized to act on behalf of any victim in seeking restitution in proceedings under this Section, up to the maximum amount allowed in Section 5 of the Parental Responsibility Law.

(5) Any sentencing order where the minor is committed or placed in accordance with Section 5-740 shall provide for the parents or guardian of the estate of the minor to pay to the legal custodian or guardian of the person of the minor such sums as are determined by the custodian or guardian of the person of the minor as necessary for the minor's needs. The payments may not exceed the maximum amounts provided for by Section 9.1 of the Children and Family Services Act.

(6) Whenever the sentencing order requires the minor to attend school or participate in a program of training, the truant officer or designated school official shall regularly report to the court if the minor is a chronic or habitual truant under Section 26-2a of the School Code. Notwithstanding any other provision of this Act, in instances in which educational services are to be provided to a minor in a residential facility where the minor has been placed by the court, costs incurred in the provision of those educational services must be allocated based on the requirements of the School Code.

(7) In no event shall a guilty minor be committed to the Department of Juvenile Justice for a period of time in excess of that period for which an adult could be committed for the same act. *The court shall include in the sentencing order a limitation on the period of confinement not to exceed the maximum period of imprisonment the court could impose under Article V of the Unified Code of Corrections.*

(7.5) In no event shall a guilty minor be committed to the Department of Juvenile Justice or placed in detention when the act for which the minor was adjudicated delinquent would not be illegal if committed by an adult.

(8) A minor found to be guilty for reasons that include a violation of Section 21-1.3 of the Criminal Code of 1961 or the Criminal Code of 2012 shall be ordered to perform community service for not less than 30 and not more than 120 hours, if community service is available in the
jurisdiction. The community service shall include, but need not be limited to, the cleanup and repair of the damage that was caused by the violation or similar damage to property located in the municipality or county in which the violation occurred. The order may be in addition to any other order authorized by this Section.

(8.5) A minor found to be guilty for reasons that include a violation of Section 3.02 or Section 3.03 of the Humane Care for Animals Act or paragraph (d) of subsection (1) of Section 21-1 of the Criminal Code of 1961 or paragraph (4) of subsection (a) of Section 21-1 of the Criminal Code of 2012 shall be ordered to undergo medical or psychiatric treatment rendered by a psychiatrist or psychological treatment rendered by a clinical psychologist. The order may be in addition to any other order authorized by this Section.

(9) In addition to any other sentencing order, the court shall order any minor found to be guilty for an act which would constitute, predatory criminal sexual assault of a child, aggravated criminal sexual assault, criminal sexual assault, aggravated criminal sexual abuse, or criminal sexual abuse if committed by an adult to undergo medical testing to determine whether the defendant has any sexually transmissible disease including a test for infection with human immunodeficiency virus (HIV) or any other identified causative agency of acquired immunodeficiency syndrome (AIDS). Any medical test shall be performed only by appropriately licensed medical practitioners and may include an analysis of any bodily fluids as well as an examination of the minor's person. Except as otherwise provided by law, the results of the test shall be kept strictly confidential by all medical personnel involved in the testing and must be personally delivered in a sealed envelope to the judge of the court in which the sentencing order was entered for the judge's inspection in camera. Acting in accordance with the best interests of the victim and the public, the judge shall have the discretion to determine to whom the results of the testing may be revealed. The court shall notify the minor of the results of the test for infection with the human immunodeficiency virus (HIV). The court shall also notify the victim if requested by the victim, and if the victim is under the age of 15 and if requested by the victim's parents or legal guardian, the court shall notify the victim's parents or the legal guardian, of the results of the test for infection with the human immunodeficiency virus (HIV). The court shall provide information on the availability of HIV testing and counseling at the Department of Public Health facilities to all parties to whom the results of the testing are

revealed. The court shall order that the cost of any test shall be paid by the county and may be taxed as costs against the minor.

(10) When a court finds a minor to be guilty the court shall, before entering a sentencing order under this Section, make a finding whether the offense committed either: (a) was related to or in furtherance of the criminal activities of an organized gang or was motivated by the minor's membership in or allegiance to an organized gang, or (b) involved a violation of subsection (a) of Section 12-7.1 of the Criminal Code of 1961 or the Criminal Code of 2012, a violation of any Section of Article 24 of the Criminal Code of 1961 or the Criminal Code of 2012, or a violation of any statute that involved the wrongful use of a firearm. If the court determines the question in the affirmative, and the court does not commit the minor to the Department of Juvenile Justice, the court shall order the minor to perform community service for not less than 30 hours nor more than 120 hours, provided that community service is available in the jurisdiction and is funded and approved by the county board of the county where the offense was committed. The community service shall include, but need not be limited to, the cleanup and repair of any damage caused by a violation of Section 21-1.3 of the Criminal Code of 1961 or the Criminal Code of 2012 and similar damage to property located in the municipality or county in which the violation occurred. When possible and reasonable, the community service shall be performed in the minor's neighborhood. This order shall be in addition to any other order authorized by this Section except for an order to place the minor in the custody of the Department of Juvenile Justice. For the purposes of this Section, "organized gang" has the meaning ascribed to it in Section 10 of the Illinois Streetgang Terrorism Omnibus Prevention Act.

(11) If the court determines that the offense was committed in furtherance of the criminal activities of an organized gang, as provided in subsection (10), and that the offense involved the operation or use of a motor vehicle or the use of a driver's license or permit, the court shall notify the Secretary of State of that determination and of the period for which the minor shall be denied driving privileges. If, at the time of the determination, the minor does not hold a driver's license or permit, the court shall provide that the minor shall not be issued a driver's license or permit until his or her 18th birthday. If the minor holds a driver's license or permit at the time of the determination, the court shall provide that the minor's driver's license or permit shall be revoked until his or her 21st birthday, or until a later date or occurrence determined by the court. If the

minor holds a driver's license at the time of the determination, the court may direct the Secretary of State to issue the minor a judicial driving permit, also known as a JDP. The JDP shall be subject to the same terms as a JDP issued under Section 6-206.1 of the Illinois Vehicle Code, except that the court may direct that the JDP be effective immediately.

(12) If a minor is found to be guilty of a violation of subsection (a-7) of Section 1 of the Prevention of Tobacco Use by Minors Act, the court may, in its discretion, and upon recommendation by the State's Attorney, order that minor and his or her parents or legal guardian to attend a smoker's education or youth diversion program as defined in that Act if that program is available in the jurisdiction where the offender resides. Attendance at a smoker's education or youth diversion program shall be time-credited against any community service time imposed for any first violation of subsection (a-7) of Section 1 of that Act. In addition to any other penalty that the court may impose for a violation of subsection (a-7) of Section 1 of that Act, the court, upon request by the State's Attorney, may in its discretion require the offender to remit a fee for his or her attendance at a smoker's education or youth diversion program.

For purposes of this Section, "smoker's education program" or "youth diversion program" includes, but is not limited to, a seminar designed to educate a person on the physical and psychological effects of smoking tobacco products and the health consequences of smoking tobacco products that can be conducted with a locality's youth diversion program.

In addition to any other penalty that the court may impose under this subsection (12):

(a) If a minor violates subsection (a-7) of Section 1 of the Prevention of Tobacco Use by Minors Act, the court may impose a sentence of 15 hours of community service or a fine of $25 for a first violation.

(b) A second violation by a minor of subsection (a-7) of Section 1 of that Act that occurs within 12 months after the first violation is punishable by a fine of $50 and 25 hours of community service.

(c) A third or subsequent violation by a minor of subsection (a-7) of Section 1 of that Act that occurs within 12 months after the first violation is punishable by a $100 fine and 30 hours of community service.

(d) Any second or subsequent violation not within the 12-month time period after the first violation is punishable as provided for a first violation.

Sec. 5-750. Commitment to the Department of Juvenile Justice.

(1) Except as provided in subsection (2) of this Section, when any delinquent has been adjudged a ward of the court under this Act, the court may commit him or her to the Department of Juvenile Justice, if it finds that (a) his or her parents, guardian or legal custodian are unfit or are unable, for some reason other than financial circumstances alone, to care for, protect, train or discipline the minor, or are unwilling to do so, and the best interests of the minor and the public will not be served by placement under Section 5-740, or it is necessary to ensure the protection of the public from the consequences of criminal activity of the delinquent; and (b) commitment to the Department of Juvenile Justice is the least restrictive alternative based on evidence that efforts were made to locate less restrictive alternatives to secure confinement and the reasons why efforts were unsuccessful in locating a less restrictive alternative to secure confinement. Before the court commits a minor to the Department of Juvenile Justice, it shall make a finding that secure confinement is necessary, following a review of the following individualized factors:

(A) Age of the minor.

(B) Criminal background of the minor.

(C) Review of results of any assessments of the minor, including child centered assessments such as the CANS.

(D) Educational background of the minor, indicating whether the minor has ever been assessed for a learning disability, and if so what services were provided as well as any disciplinary incidents at school.

(E) Physical, mental and emotional health of the minor, indicating whether the minor has ever been diagnosed with a health issue and if so what services were provided and whether the minor was compliant with services.

(F) Community based services that have been provided to the minor, and whether the minor was compliant with the services, and the reason the services were unsuccessful.

(G) Services within the Department of Juvenile Justice that will meet the individualized needs of the minor.

(1.5) Before the court commits a minor to the Department of Juvenile Justice, the court must find reasonable efforts have been made to prevent or eliminate the need for the minor to be removed from the home, or reasonable efforts cannot, at this time, for good cause, prevent or eliminate the need for removal, and removal from home is in the best interests of the minor, the minor's family, and the public.

(2) When a minor of the age of at least 13 years is adjudged delinquent for the offense of first degree murder, the court shall declare the minor a ward of the court and order the minor committed to the Department of Juvenile Justice until the minor's 21st birthday, without the possibility of aftercare release, furlough, or non-emergency authorized absence for a period of 5 years from the date the minor was committed to the Department of Juvenile Justice, except that the time that a minor spent in custody for the instant offense before being committed to the Department of Juvenile Justice shall be considered as time credited towards that 5 year period. Upon release from a Department facility, a minor adjudged delinquent for first degree murder shall be placed on aftercare release until the age of 21, unless sooner discharged from aftercare release or custodianship is otherwise terminated in accordance with this Act or as otherwise provided for by law. Nothing in this subsection (2) shall preclude the State's Attorney from seeking to prosecute a minor as an adult as an alternative to proceeding under this Act.

(3) Except as provided in subsection (2), the commitment of a delinquent to the Department of Juvenile Justice shall be for an indeterminate term which shall automatically terminate upon the delinquent attaining the age of 21 years or upon completion of that period for which an adult could be committed for the same act, whichever occurs sooner, unless the delinquent is sooner discharged from aftercare release or custodianship is otherwise terminated in accordance with this Act or as otherwise provided for by law.

(3.5) Every delinquent minor committed to the Department of Juvenile Justice under this Act shall be eligible for aftercare release without regard to the length of time the minor has been confined or whether the minor has served any minimum term imposed. Aftercare release shall be administered by the Department of Juvenile Justice, under the direction of the Director. Unless sooner discharged, the Department of
Juvenile Justice shall discharge a minor from aftercare release upon completion of the following aftercare release terms:

(a) One and a half years from the date a minor is released from a Department facility, if the minor was committed for a Class X felony;

(b) One year from the date a minor is released from a Department facility, if the minor was committed for a Class 1 or 2 felony; and

(c) Six months from the date a minor is released from a Department facility, if the minor was committed for a Class 3 felony or lesser offense.

(4) When the court commits a minor to the Department of Juvenile Justice, it shall order him or her conveyed forthwith to the appropriate reception station or other place designated by the Department of Juvenile Justice, and shall appoint the Director of Juvenile Justice legal custodian of the minor. The clerk of the court shall issue to the Director of Juvenile Justice a certified copy of the order, which constitutes proof of the Director's authority. No other process need issue to warrant the keeping of the minor.

(5) If a minor is committed to the Department of Juvenile Justice, the clerk of the court shall forward to the Department:

(a) the sentencing order disposed ordered;

(b) all reports;

(c) the court's statement of the basis for ordering the disposition; and

(d) any sex offender evaluations;

(e) any risk assessment or substance abuse treatment eligibility screening and assessment of the minor by an agent designated by the State to provide assessment services for the courts;

(f) the number of days, if any, which the minor has been in custody and for which he or she is entitled to credit against the sentence, which information shall be provided to the clerk by the sheriff;

(g) any medical or mental health records or summaries of the minor;

(h) the municipality where the arrest of the minor occurred, the commission of the offense occurred, and the minor resided at the time of commission; and

New matter indicated by italics - deletions by strikeout
(i) all additional matters which the court directs the clerk to transmit.

(6) Whenever the Department of Juvenile Justice lawfully discharges from its custody and control a minor committed to it, the Director of Juvenile Justice shall petition the court for an order terminating his or her custodianship. The custodianship shall terminate automatically 30 days after receipt of the petition unless the court orders otherwise.

(7) If, while on aftercare release, a minor committed to the Department of Juvenile Justice is charged under the criminal laws of this State with an offense that could result in a sentence of imprisonment within the Department of Corrections, the commitment to the Department of Juvenile Justice and all rights and duties created by that commitment are automatically suspended pending final disposition of the criminal charge. If the minor is found guilty of the criminal charge and sentenced to a term of imprisonment in the penitentiary system of the Department of Corrections, the commitment to the Department of Juvenile Justice shall be automatically terminated. If the criminal charge is dismissed, the minor is found not guilty, or the minor completes a criminal sentence other than imprisonment within the Department of Corrections, the previously imposed commitment to the Department of Juvenile Justice and the full aftercare release term shall be automatically reinstated unless custodianship is sooner terminated. Nothing in this subsection (7) shall preclude the court from ordering another sentence under Section 5-710 of this Act or from terminating the Department's custodianship while the commitment to the Department is suspended.

Section 99. Effective date. This Act takes effect upon becoming law.

Approved August 4, 2015.
Effective August 4, 2015.

PUBLIC ACT 99-0270
(House Bill No. 1335)

AN ACT concerning health.

Be it enacted by the People of the State of Illinois, represented in the General Assembly:

Section 1. Short title. This Act may be cited as the Right to Try Act.

Section 5. Findings. The General Assembly finds that the process of approval for investigational drugs, biological products, and devices in the United States often takes many years, and a patient with a terminal illness does not have the luxury of waiting until such drug, product, or device receives final approval from the United States Food and Drug Administration. As a result, the standards of the United States Food and Drug Administration for the use of investigational drugs, biological products, and devices may deny the benefits of potentially life-saving treatments to terminally ill patients. A patient with a terminal illness has a fundamental right to attempt to preserve his or her own life by accessing investigational drugs, biological products, and devices. Whether to use available investigational drugs, biological products, and devices is a decision that rightfully should be made by the patient with a terminal illness in consultation with his or her physician and is not a decision to be made by the government.

Section 10. Definitions. For the purposes of this Act:
"Accident and health insurer" has the meaning given to that term in Section 126.2 of the Illinois Insurance Code.
"Eligible patient" means a person who:
(1) has a terminal illness;
(2) has considered all other treatment options approved by the United States Food and Drug Administration;
(3) has received a prescription or recommendation from his or her physician for an investigational drug, biological product, or device;
(4) has given his or her informed consent in writing for the use of the investigational drug, biological product, or device or, if he or she is a minor or lacks the mental capacity to provide informed consent, a parent or legal guardian has given informed consent on his or her behalf; and
(5) has documentation from his or her physician indicating that he or she has met the requirements of this Act.
"Investigational drug, biological product, or device" means a drug, biological product, or device that has successfully completed Phase I of a clinical trial, but has not been approved for general use by the United States Food and Drug Administration.
"Phase I of a clinical trial" means the stage of a clinical trial where an investigational drug, biological product, or device has been tested in a small group for the first time to evaluate its safety, determine a safe dosage range, and identify side effects.
"Terminal illness" means a disease that, without life-sustaining measures, can reasonably be expected to result in death in 24 months or less.

Section 15. Availability of drugs, biological products, and devices.
(a) A manufacturer of an investigational drug, biological product, or device may make available such drug, product, or device to eligible patients. Nothing in this Act shall be construed to require a manufacturer to make available any drug, product, or device.
(b) A manufacturer may:
(1) provide an investigational drug, biological product, or device to an eligible patient without receiving compensation; or
(2) require an eligible patient to pay the costs of or associated with the manufacture of the investigational drug, biological product, or device.

New matter indicated by italics - deletions by strikeout
Section 20. Insurance coverage. An accident and health insurer may choose to provide coverage for the cost of an investigational drug, biological product, or device. Nothing in this Act shall be construed to require an accident and health insurer to provide coverage for the cost of any investigational drug, biological product, or device.

Section 25. Penalty. Any official, employee, or agent of the State who blocks or attempts to block access by an eligible patient to an investigational drug, biological product, or device shall be guilty of a misdemeanor, punishable by a fine not to exceed $1,500.

Section 80. The Nursing Home Care Act is amended by changing Section 2-104 as follows:

(210 ILCS 45/2-104) (from Ch. 111 1/2, par. 4152-104)
Sec. 2-104. (a) A resident shall be permitted to retain the services of his own personal physician at his own expense or under an individual or group plan of health insurance, or under any public or private assistance program providing such coverage. However, the facility is not liable for the negligence of any such personal physician. Every resident shall be permitted to obtain from his own physician or the physician attached to the facility complete and current information concerning his medical diagnosis, treatment and prognosis in terms and language the resident can reasonably be expected to understand. Every resident shall be permitted to participate in the planning of his total care and medical treatment to the extent that his condition permits. No resident shall be subjected to experimental research or treatment without first obtaining his informed, written consent. The conduct of any experimental research or treatment shall be authorized and monitored by an institutional review board appointed by the Director. The membership, operating procedures and review criteria for the institutional review board shall be prescribed under rules and regulations of the Department and shall comply with the requirements for institutional review boards established by the federal Food and Drug Administration. organization shall be given an opportunity to comment on any request for approval before the board makes a decision. Those entities shall not be provided information that would allow a potential human subject to be individually identified, unless the board asks the Ombudsman for help in securing information from or about the resident. The board shall require frequent reporting of the progress of the approved research or treatment and its impact on residents, including immediate reporting of any adverse impact to the resident, the resident's representative, the Office of the State Long Term Care Ombudsman, and the State Protection and Advocacy organization. The board may not approve any retrospective study of the records of any resident about the safety or efficacy of any care or treatment if the resident was under the care of the proposed researcher or a business associate when the care or treatment was given, unless the study is under the control of a researcher without any business relationship to any person or entity who could benefit from the findings of the study.

No facility shall permit experimental research or treatment to be conducted on a resident, or give access to any person or person's records for a retrospective study about the safety or efficacy of any care or treatment, without the prior written approval of the institutional review board. No nursing home administrator, or person licensed by the State to provide medical care or treatment to any person, may assist or participate in any experimental research on or treatment of a resident, including a retrospective study, that does not have the prior written approval of the board. Such conduct shall be grounds for professional discipline by the Department of Financial and Professional Regulation.

The institutional review board may exempt from ongoing review research or treatment initiated on a resident before the individual's admission to a facility and for which the board determines there is adequate ongoing oversight by another institutional review board. Nothing in this Section shall prevent a facility, any facility employee, or any other person from assisting or participating in any experimental research on or treatment of a resident, if the research or treatment began before the person's admission to a facility, until the board has reviewed the research or treatment and decided to grant or deny approval or to exempt the research or treatment from ongoing review.

The institutional review board requirements of this subsection (a) do not apply to investigational drugs, biological products, or devices used by a resident with a terminal illness as set forth in the Right to Try Act.
(b) All medical treatment and procedures shall be administered as ordered by a physician. All new physician orders shall be reviewed by the facility's director of nursing or charge nurse designee within 24 hours after such orders have been issued to assure facility compliance with such orders.

All physician's orders and plans of treatment shall have the authentication of the physician. For the purposes of this subsection (b), "authentication" means an original written signature or an electronic signature system that allows for the verification of a signer's credentials. A stamp signature, with or without initials, is not sufficient.

According to rules adopted by the Department, every woman resident of child-bearing age shall receive routine obstetrical and gynecological evaluations as well as necessary prenatal care.

(c) Every resident shall be permitted to refuse medical treatment and to know the consequences of such action, unless such refusal would be harmful to the health and safety of others and such harm is documented by a physician in the resident's clinical record. The resident's refusal shall free the facility from the obligation to provide the treatment.

(d) Every resident, resident's guardian, or parent if the resident is a minor shall be permitted to inspect and copy all his clinical and other records concerning his care and maintenance kept by the facility or by his physician. The facility may charge a reasonable fee for duplication of a record.

Except for actions involving the ground numbered (26), all proceedings to suspend, revoke, place on probationary status, or take any other disciplinary action as the Department may deem proper, with regard to a license on any of the foregoing grounds, must be commenced within 5 years next after receipt by the Department of a complaint alleging the commission of or notice of the conviction order for any of the acts described herein. Except for the grounds numbered (8), (9), (26), and (29), no action shall be commenced more than 10 years after the date of the incident or act alleged to have violated this Section. For actions involving the ground numbered (26), a pattern of practice or other behavior includes all incidents alleged to be part of the pattern of practice or other behavior that occurred, or a report pursuant to Section 23 of this Act received, within the 10-year period preceding the filing of the complaint. the license was outside the State of Illinois shall not be included within any period of time limiting the commencement of disciplinary action by the Department.

The entry of an order or judgment by any circuit court establishing that any person holding a license under this Act is a person in need of mental treatment operates as a suspension of that license. That person may resume their practice only upon the entry of a Departmental order based upon a finding by the Disciplinary Board that they have been determined to be recovered from mental illness by the court and upon the Disciplinary Board's recommendation that they be permitted to resume their practice.

The Department may refuse to issue or take disciplinary action concerning the license of any person who fails to file a return, or to pay the tax, penalty or interest shown in a filed return, or to pay any final assessment of tax, penalty or interest, as required by any tax Act administered by the Illinois Department of Revenue, until such time as the requirements of any such tax Act are satisfied as determined by the Illinois Department of Revenue.

The Department, upon the recommendation of the Disciplinary Board, shall adopt rules which set forth standards to be used in determining:

(a) when a person will be deemed sufficiently rehabilitated to warrant the public trust;
(b) what constitutes dishonorable, unethical or unprofessional conduct of a character likely to deceive, defraud, or harm the public;
(c) what constitutes immoral conduct in the commission of any act, including, but not limited to, commission of an act of sexual misconduct related to the licensee's practice; and
(d) what constitutes gross negligence in the practice of medicine.

However, no such rule shall be admissible into evidence in any civil action except for review of a licensing or other disciplinary action under this Act.

In enforcing this Section, the Disciplinary Board or the Licensing Board, upon a showing of a possible violation, may compel, in the case of the Disciplinary Board, any individual who is licensed to practice under this Act or holds a permit to practice under this Act, or, in the case of the Licensing Board, any individual who has applied for licensure or a permit pursuant to this Act, to submit to a mental or physical examination and

evaluation, or both, which may include a substance abuse or sexual
offender evaluation, as required by the Licensing Board or Disciplinary
Board and at the expense of the Department. The Disciplinary Board or
Licensing Board shall specifically designate the examining physician
licensed to practice medicine in all of its branches or, if applicable, the
multidisciplinary team involved in providing the mental or physical
examination and evaluation, or both. The multidisciplinary team shall be
led by a physician licensed to practice medicine in all of its branches and
may consist of one or more or a combination of physicians licensed to
practice medicine in all of its branches, licensed chiropractic physicians,
licensed clinical psychologists, licensed clinical social workers, licensed
clinical professional counselors, and other professional and administrative
staff. Any examining physician or member of the multidisciplinary team
may require any person ordered to submit to an examination and
evaluation pursuant to this Section to submit to any additional
supplemental testing deemed necessary to complete any examination or
evaluation process, including, but not limited to, blood testing, urinalysis,
psychological testing, or neuropsychological testing. The Disciplinary
Board, the Licensing Board, or the Department may order the examining
physician or any member of the multidisciplinary team to provide to the
Department, the Disciplinary Board, or the Licensing Board any and all
records, including business records, that relate to the examination and
evaluation, including any supplemental testing performed. The
Disciplinary Board, the Licensing Board, or the Department may order the
examining physician or any member of the multidisciplinary team to
present testimony concerning this examination and evaluation of the
licensee, permit holder, or applicant, including testimony concerning any
supplemental testing or documents relating to the examination and
evaluation. No information, report, record, or other documents in any way
related to the examination and evaluation shall be excluded by reason of
any common law or statutory privilege relating to communication between
the licensee, permit holder, or applicant and the examining physician or
any member of the multidisciplinary team. No authorization is necessary
from the licensee, permit holder, or applicant ordered to undergo an
evaluation and examination for the examining physician or any member of
the multidisciplinary team to provide information, reports, records, or
other documents or to provide any testimony regarding the examination
and evaluation. The individual to be examined may have, at his or her own
expense, another physician of his or her choice present during all aspects

of the examination. Failure of any individual to submit to mental or physical examination and evaluation, or both, when directed, shall result in an automatic suspension, without hearing, until such time as the individual submits to the examination. If the Disciplinary Board or Licensing Board finds a physician unable to practice following an examination and evaluation because of the reasons set forth in this Section, the Disciplinary Board or Licensing Board shall require such physician to submit to care, counseling, or treatment by physicians, or other health care professionals, approved or designated by the Disciplinary Board, as a condition for issued, continued, reinstated, or renewed licensure to practice. Any physician, whose license was granted pursuant to Sections 9, 17, or 19 of this Act, or, continued, reinstated, renewed, disciplined or supervised, subject to such terms, conditions or restrictions who shall fail to comply with such terms, conditions or restrictions, or to complete a required program of care, counseling, or treatment, as determined by the Chief Medical Coordinator or Deputy Medical Coordinators, shall be referred to the Secretary for a determination as to whether the licensee shall have their license suspended immediately, pending a hearing by the Disciplinary Board. In instances in which the Secretary immediately suspends a license under this Section, a hearing upon such person's license must be convened by the Disciplinary Board within 15 days after such suspension and completed without appreciable delay. The Disciplinary Board shall have the authority to review the subject physician's record of treatment and counseling regarding the impairment, to the extent permitted by applicable federal statutes and regulations safeguarding the confidentiality of medical records.

An individual licensed under this Act, affected under this Section, shall be afforded an opportunity to demonstrate to the Disciplinary Board that they can resume practice in compliance with acceptable and prevailing standards under the provisions of their license.

The Department may promulgate rules for the imposition of fines in disciplinary cases, not to exceed $10,000 for each violation of this Act. Fines may be imposed in conjunction with other forms of disciplinary action, but shall not be the exclusive disposition of any disciplinary action arising out of conduct resulting in death or injury to a patient. Any funds collected from such fines shall be deposited in the Medical Disciplinary Fund.

New matter indicated by italics - deletions by strikeout
All fines imposed under this Section shall be paid within 60 days after the effective date of the order imposing the fine or in accordance with the terms set forth in the order imposing the fine.

(B) The Department shall revoke the license or permit issued under this Act to practice medicine or a chiropractic physician who has been convicted a second time of committing any felony under the Illinois Controlled Substances Act or the Methamphetamine Control and Community Protection Act, or who has been convicted a second time of committing a Class 1 felony under Sections 8A-3 and 8A-6 of the Illinois Public Aid Code. A person whose license or permit is revoked under this subsection B shall be prohibited from practicing medicine or treating human ailments without the use of drugs and without operative surgery.

(C) The Department shall not revoke, suspend, place on probation, reprimand, refuse to issue or renew, or take any other disciplinary or non-disciplinary action against the license or permit issued under this Act to practice medicine to a physician based solely upon the recommendation of the physician to an eligible patient regarding, or prescription for, or treatment with, an investigational drug, biological product, or device.

(D) The Disciplinary Board shall recommend to the Department civil penalties and any other appropriate discipline in disciplinary cases when the Board finds that a physician willfully performed an abortion with actual knowledge that the person upon whom the abortion has been performed is a minor or an incompetent person without notice as required under the Parental Notice of Abortion Act of 1995. Upon the Board's recommendation, the Department shall impose, for the first violation, a civil penalty of $1,000 and for a second or subsequent violation, a civil penalty of $5,000.

Sec. 17-56. Financial exploitation of an elderly person or a person with a disability.

(a) A person commits financial exploitation of an elderly person or a person with a disability when he or she stands in a position of trust or confidence with the elderly person or a person with a disability and he or she knowingly and by deception or intimidation obtains control over the property of an elderly person or a person with a disability or illegally uses the assets or resources of an elderly person or a person with a disability.

(c) For purposes of this Section:

(1) "Elderly person" means a person 60 years of age or older.

(2) "Person with a disability" means a person who suffers from a physical or mental impairment resulting from disease, injury, functional disorder or congenital condition that impairs the individual's mental or physical ability to independently manage his or her property or financial resources, or both.

The illegal use of the assets or resources of an elderly person or a person with a disability includes, but is not limited to, the misappropriation of those assets or resources by undue influence, breach of a fiduciary relationship, fraud, deception, extortion, or use of the assets or resources contrary to law.

(f) Not a defense. It shall not be a defense to financial exploitation of an elderly person or person with a disability that the accused reasonably believed that the victim was not an elderly person or person with a disability.

(g) Civil Liability. A civil cause of action exists for financial exploitation of an elderly person or a person with a disability as described in subsection (a) of this Section. A person against whom a civil judgment has been entered for who is charged by information or indictment with the offense of financial exploitation of an elderly person or person with a disability and who fails or refuses to return the victim's property within 60 days following a written demand from the victim or the victim's legal representative shall be liable to the victim or to the estate of the victim in damages of treble the amount of the value of the property obtained, plus reasonable attorney fees and court costs. Eligible inmates for an award of sentence credit under this paragraph (3) may be selected to receive the credit at the Director's or his or her designee's sole discretion. Consideration may be based on, but not limited to, any available risk assessment analysis on the inmate, any

history of conviction for violent crimes as defined by the Rights of Crime Victims and Witnesses Act, facts and circumstances of the inmate's holding offense or offenses, and the potential for rehabilitation.

The Director shall not award sentence credit under this paragraph (3) to an inmate unless the inmate has served a minimum of 60 days of the sentence; except nothing in this paragraph shall be construed to permit the Director to extend an inmate's sentence beyond that which was imposed by the court. Prior to awarding credit under this paragraph (3), the Director shall make a written determination that the inmate:

(A) is eligible for the sentence credit;
(B) has served a minimum of 60 days, or as close to 60 days as the sentence will allow; and
(C) has met the eligibility criteria established by rule.

The Director shall determine the form and content of the written determination required in this subsection.

(3.5) The Department shall provide annual written reports to the Governor and the General Assembly on the award of sentence credit for good conduct, with the first report due January 1, 2014. The Department must publish both reports on its website within 48 hours of transmitting the reports to the Governor and the General Assembly. The reports must include:

(A) the number of inmates awarded sentence credit for good conduct;
(B) the average amount of sentence credit for good conduct awarded;
(C) the holding offenses of inmates awarded sentence credit for good conduct; and
(D) the number of sentence credit for good conduct revocations.

(4) The rules and regulations shall also provide that the sentence credit accumulated and retained under paragraph (2.1) of subsection (a) of this Section by any inmate during specific periods of time in which such inmate is engaged full-time in substance abuse programs, correctional industry assignments, educational programs, behavior modification programs, life skills courses, or re-entry planning provided by the Department under this paragraph (4) and satisfactorily completes the assigned program as determined by the standards of the Department, shall be multiplied

by a factor of 1.25 for program participation before August 11, 1993 and 1.50 for program participation on or after that date. The rules and regulations shall also provide that sentence credit, subject to the same offense limits and multiplier provided in this paragraph, may be provided to an inmate who was held in pre-trial detention prior to his or her current commitment to the Department of Corrections and successfully completed a full-time, 60-day or longer substance abuse program, educational program, behavior modification program, life skills course, or re-entry planning provided by the county department of corrections or county jail. Calculation of this county program credit shall be done at sentencing as provided in Section 5-4.5-100 of this Code and shall be included in the sentencing order. However, no inmate shall be eligible for the additional sentence credit under this paragraph (4) or (4.1) of this subsection (a) while assigned to a boot camp or electronic detention, or if convicted of an offense enumerated in subdivision (a)(2)(i), (ii), or (iii) of this Section that is committed on or after June 19, 1998 or subdivision (a)(2)(iv) of this Section that is committed on or after June 23, 2005 (the effective date of Public Act 94-71) or subdivision (a)(2)(v) of this Section that is committed on or after August 13, 2007 (the effective date of Public Act 95-134) or subdivision (a)(2)(vi) when the offense is committed on or after June 1, 2008 (the effective date of Public Act 95-625) or subdivision (a)(2)(vii) when the offense is committed on or after July 23, 2010 (the effective date of Public Act 96-1224), or if convicted of aggravated driving under the influence of alcohol, other drug or drugs, or intoxicating compound or compounds or any combination thereof as defined in subparagraph (F) of paragraph (1) of subsection (d) of Section 11-501 of the Illinois Vehicle Code, or if convicted of aggravated driving under the influence of alcohol, other drug or drugs, or intoxicating compound or compounds or any combination thereof as defined in subparagraph (C) of paragraph (1) of subsection (d) of Section 11-501 of the Illinois Vehicle Code committed on or after January 1, 2011 (the effective date of Public Act 96-1230), or if convicted of an offense enumerated in paragraph (a)(2.4) of this Section that is committed on or after July 15, 1999 (the effective date of Public Act 91-121), or first degree murder, a Class X felony, criminal sexual assault, felony criminal sexual abuse,

aggravated criminal sexual abuse, aggravated battery with a firearm as described in Section 12-4.2 or subdivision (e)(1), (e)(2), (e)(3), or (e)(4) of Section 12-3.05, or any predecessor or successor offenses with the same or substantially the same elements, or any inchoate offenses relating to the foregoing offenses. No inmate shall be eligible for the additional good conduct credit under this paragraph (4) who (i) has previously received increased good conduct credit under this paragraph (4) and has subsequently been convicted of a felony, or (ii) has previously served more than one prior sentence of imprisonment for a felony in an adult correctional facility.

Educational, vocational, substance abuse, behavior modification programs, life skills courses, re-entry planning, and correctional industry programs under which sentence credit may be increased under this paragraph (4) and paragraph (4.1) of this subsection (a) shall be evaluated by the Department on the basis of documented standards. The Department shall report the results of these evaluations to the Governor and the General Assembly by September 30th of each year. The reports shall include data relating to the recidivism rate among program participants.

Availability of these programs shall be subject to the limits of fiscal resources appropriated by the General Assembly for these purposes. Eligible inmates who are denied immediate admission shall be placed on a waiting list under criteria established by the Department. The inability of any inmate to become engaged in any such programs by reason of insufficient program resources or for any other reason established under the rules and regulations of the Department shall not be deemed a cause of action under which the Department or any employee or agent of the Department shall be liable for damages to the inmate.

(4.1) The rules and regulations shall also provide that an additional 60 days of sentence credit shall be awarded to any prisoner who passes high school equivalency testing while the prisoner is committed to the Department of Corrections. The sentence credit awarded under this paragraph (4.1) shall be in addition to, and shall not affect, the award of sentence credit under any other paragraph of this Section, but shall also be pursuant to the guidelines and restrictions set forth in paragraph (4) of subsection (a) of this Section. The sentence credit provided for in

New matter indicated by italics - deletions by strikeout
this paragraph shall be available only to those prisoners who have not previously earned a high school diploma or a high school equivalency certificate. If, after an award of the high school equivalency testing sentence credit has been made, the Department determines that the prisoner was not eligible, then the award shall be revoked. The Department may also award 60 days of sentence credit to any committed person who passed high school equivalency testing while he or she was held in pre-trial detention prior to the current commitment to the Department of Corrections.

(4.5) The rules and regulations on sentence credit shall also provide that when the court's sentencing order recommends a prisoner for substance abuse treatment and the crime was committed on or after September 1, 2003 (the effective date of Public Act 93-354), the prisoner shall receive no sentence credit awarded under clause (3) of this subsection (a) unless he or she participates in and completes a substance abuse treatment program. The Director may waive the requirement to participate in or complete a substance abuse treatment program and award the sentence credit in specific instances if the prisoner is not a good candidate for a substance abuse treatment program for medical, programming, or operational reasons. Availability of substance abuse treatment shall be subject to the limits of fiscal resources appropriated by the General Assembly for these purposes. If treatment is not available and the requirement to participate and complete the treatment has not been waived by the Director, the prisoner shall be placed on a waiting list under criteria established by the Department. The Director may allow a prisoner placed on a waiting list to participate in and complete a substance abuse education class or attend substance abuse self-help meetings in lieu of a substance abuse treatment program. A prisoner on a waiting list who is not placed in a substance abuse program prior to release may be eligible for a waiver and receive sentence credit under clause (3) of this subsection (a) at the discretion of the Director.

(4.6) The rules and regulations on sentence credit shall also provide that a prisoner who has been convicted of a sex offense as defined in Section 2 of the Sex Offender Registration Act shall receive no sentence credit unless he or she either has successfully completed or is participating in sex offender treatment as defined by the Sex Offender Management Board. However, prisoners who

are waiting to receive treatment, but who are unable to do so due solely to the lack of resources on the part of the Department, may, at the Director's sole discretion, be awarded sentence credit at a rate as the Director shall determine.

(5) Whenever the Department is to release any inmate earlier than it otherwise would because of a grant of sentence credit for good conduct under paragraph (3) of subsection (a) of this Section given at any time during the term, the Department shall give reasonable notice of the impending release not less than 14 days prior to the date of the release to the State's Attorney of the county where the prosecution of the inmate took place, and if applicable, the State's Attorney of the county into which the inmate will be released. The Department must also make identification information and a recent photo of the inmate being released accessible on the Internet by means of a hyperlink labeled "Community Notification of Inmate Early Release" on the Department's World Wide Web homepage. The identification information shall include the inmate's: name, any known alias, date of birth, physical characteristics, residence address, commitment offense and county where conviction was imposed. The identification information shall be placed on the website within 3 days of the inmate's release and the information may not be removed until either: completion of the first year of mandatory supervised release or return of the inmate to custody of the Department.

(b) Whenever a person is or has been committed under several convictions, with separate sentences, the sentences shall be construed under Section 5-8-4 in granting and forfeiting of sentence credit.

(c) The Department shall prescribe rules and regulations for revoking sentence credit, including revoking sentence credit awarded for good conduct under paragraph (3) of subsection (a) of this Section. The Department shall prescribe rules and regulations for suspending or reducing the rate of accumulation of sentence credit for specific rule violations, during imprisonment. These rules and regulations shall provide that no inmate may be penalized more than one year of sentence credit for any one infraction.

When the Department seeks to revoke, suspend or reduce the rate of accumulation of any sentence credits for an alleged infraction of its rules, it shall bring charges therefor against the prisoner sought to be so

deprived of sentence credits before the Prisoner Review Board as provided in subparagraph (a)(4) of Section 3-3-2 of this Code, if the amount of credit at issue exceeds 30 days or when during any 12 month period, the cumulative amount of credit revoked exceeds 30 days except where the infraction is committed or discovered within 60 days of scheduled release. In those cases, the Department of Corrections may revoke up to 30 days of sentence credit. The Board may subsequently approve the revocation of additional sentence credit, if the Department seeks to revoke sentence credit in excess of 30 days. However, the Board shall not be empowered to review the Department's decision with respect to the loss of 30 days of sentence credit within any calendar year for any prisoner or to increase any penalty beyond the length requested by the Department.

The Director of the Department of Corrections, in appropriate cases, may restore up to 30 days of sentence credits which have been revoked, suspended or reduced. Any restoration of sentence credits in excess of 30 days shall be subject to review by the Prisoner Review Board. However, the Board may not restore sentence credit in excess of the amount requested by the Director.

Nothing contained in this Section shall prohibit the Prisoner Review Board from ordering, pursuant to Section 3-3-9(a)(3)(i)(B), that a prisoner serve up to one year of the sentence imposed by the court that was not served due to the accumulation of sentence credit.

(d) If a lawsuit is filed by a prisoner in an Illinois or federal court against the State, the Department of Corrections, or the Prisoner Review Board, or against any of their officers or employees, and the court makes a specific finding that a pleading, motion, or other paper filed by the prisoner is frivolous, the Department of Corrections shall conduct a hearing to revoke up to 180 days of sentence credit by bringing charges against the prisoner sought to be deprived of the sentence credits before the Prisoner Review Board as provided in subparagraph (a)(8) of Section 3-3-2 of this Code. If the prisoner has not accumulated 180 days of sentence credit at the time of the finding, then the Prisoner Review Board may revoke all sentence credit accumulated by the prisoner.

For purposes of this subsection (d):

(1) "Frivolous" means that a pleading, motion, or other filing which purports to be a legal document filed by a prisoner in his or her lawsuit meets any or all of the following criteria:

(A) it lacks an arguable basis either in law or in fact;
(B) it is being presented for any improper purpose, such as to harass or to cause unnecessary delay or needless increase in the cost of litigation;

(C) the claims, defenses, and other legal contentions therein are not warranted by existing law or by a nonfrivolous argument for the extension, modification, or reversal of existing law or the establishment of new law;

(D) the allegations and other factual contentions do not have evidentiary support or, if specifically so identified, are not likely to have evidentiary support after a reasonable opportunity for further investigation or discovery; or

(E) the denials of factual contentions are not warranted on the evidence, or if specifically so identified, are not reasonably based on a lack of information or belief.

(2) "Lawsuit" means a motion pursuant to Section 116-3 of the Code of Criminal Procedure of 1963, a habeas corpus action under Article X of the Code of Civil Procedure or under federal law (28 U.S.C. 2254), a petition for claim under the Court of Claims Act, an action under the federal Civil Rights Act (42 U.S.C. 1983), or a second or subsequent petition for post-conviction relief under Article 122 of the Code of Criminal Procedure of 1963 whether filed with or without leave of court or a second or subsequent petition for relief from judgment under Section 2-1401 of the Code of Civil Procedure.

(e) Nothing in Public Act 90-592 or 90-593 affects the validity of Public Act 89-404.

(f) Whenever the Department is to release any inmate who has been convicted of a violation of an order of protection under Section 12-3.4 or 12-30 of the Criminal Code of 1961 or the Criminal Code of 2012, earlier than it otherwise would because of a grant of sentence credit, the Department, as a condition of release, shall require that the person, upon release, be placed under electronic surveillance as provided in Section 5-8A-7 of this Code.

(4) Develop criteria and standards for health care facilities planning, conduct statewide inventories of health care facilities, maintain an updated inventory on the Board's web site reflecting the most recent bed and service changes and updated need determinations when new census data become available or new need formulae are adopted, and develop health care facility plans which shall be utilized in the review of applications for permit under this Act. Such health facility plans shall be coordinated by the Board with pertinent State Plans. The health care facility plans which are developed and adopted in accordance with this Section shall form the basis for the plan of the State to deal most effectively with statewide health needs in regard to health care facilities.

(5) Coordinate with the Center for Comprehensive Health Planning and other state agencies having responsibilities affecting health care facilities, including those of licensure and cost reporting. Beginning no later than January 1, 2013, the Department of Public Health shall produce a written annual report to the Governor and the General Assembly regarding the development of the Center for Comprehensive Health Planning. The Chairman of the State Board and the State Board Administrator shall also receive a copy of the annual report.

(6) Solicit, accept, hold and administer on behalf of the State any grants or bequests of money, securities or property for use by the State Board or Center for Comprehensive Health Planning in the administration of this Act; and enter into contracts consistent with the appropriations for purposes enumerated in this Act.

(7) The State Board shall prescribe procedures for review, standards, and criteria which shall be utilized to make periodic reviews and determinations of the appropriateness of any existing health services being rendered by health care facilities subject to the Act. The Chairman may approve applications for exemption that meet the criteria set forth in rules or refer them to the full Board. The Chairman may approve any unopposed application that meets all of the review criteria or refer them to the full Board.

Such rules shall not abridge the right of the Center for Comprehensive Health Planning to make recommendations on the classification and approval of projects, nor shall such rules prevent the conduct of a public hearing upon the timely request of an interested party. Such reviews shall not exceed 60 days from the date the application is declared to be complete.

(9) Prescribe rules, regulations, standards, and criteria pertaining to the granting of permits for construction and modifications which are emergent in nature and must be undertaken immediately to prevent or correct structural deficiencies or hazardous conditions that may harm or injure persons using the facility, as defined in the rules and regulations of the State Board. (11) Issue written decisions upon request of the applicant or an adversely affected party to the Board. Requests for a written decision shall
be made within 15 days after the Board meeting in which a final decision has been made. A "final decision" for purposes of this Act is the decision to approve or deny an application, or take other actions permitted under this Act, at the time and date of the meeting that such action is scheduled by the Board. State Board members shall provide their rationale when voting on an item before the State Board at a State Board meeting in order to comply with subsection (b) of Section 3-108 of the Administrative Review Law of the Code of Civil Procedure. The transcript of the State Board meeting shall be incorporated into the Board's final decision. The written decision shall identify the applicable criteria and factors listed in this Act and the Board's regulations that were taken into consideration by the Board when coming to a final decision. If the Board denies or fails to approve an application for permit or exemption, the Board shall include in the final decision a detailed explanation as to why the application was denied and identify what specific criteria or standards the applicant did not fulfill.

(12) Require at least one of its members to participate in any public hearing, after the appointment of a majority of the members to the Board.

(13) Provide a mechanism for the public to comment on, and request changes to, draft rules and standards.

(14) Implement public information campaigns to regularly inform the general public about the opportunity for public hearings and public hearing procedures.

(15) Establish a separate set of rules and guidelines for long-term care that recognizes that nursing homes are a different business line and service model from other regulated facilities. An open and transparent process shall be developed that considers the following: how skilled nursing fits in the continuum of care with other care providers, modernization of nursing homes, establishment of more private rooms, development of alternative services, and current trends in long-term care services. The Chairman of the Board shall appoint a permanent Health Services Review Board Long-term Care Facility Advisory Subcommittee that shall develop and recommend to the Board the rules to be established by the Board under this paragraph (15). Subcommittee shall make recommendations to the Board no later than January 1, 2016 and every January thereafter pursuant to the Subcommittee's responsibility for the continuous review and commentary on policies and procedures relative to long-term care. In consultation with other experts from the health field of long-term care, the Board and the Subcommittee shall study new approaches to the current bed need formula and Health Service Area boundaries to encourage flexibility and innovation in design models reflective of the changing long-term care marketplace and consumer preferences and submit its recommendations to the Chairman of the Board no later than January 1, 2017. The Subcommittee shall evaluate, and make recommendations to the State Board regarding, the buying, selling, and exchange of beds between long-term care facilities within a specified geographic area or drive time. The Board shall file the proposed related administrative rules for the separate rules and guidelines for long-term care required by this paragraph (15) by no later than September 30, 2011. The Subcommittee shall be provided a reasonable and timely opportunity to review and comment on any review, revision, or updating of the criteria, standards, procedures, and rules used to evaluate project applications as provided under Section 12.3 of this Act.

The Chairman of the Board shall appoint voting members of the Subcommittee, who shall serve for a period of 3 years, with one-third of the terms expiring each January, to be determined by lot. Appointees shall include, but not be limited to, recommendations from each of the 3 statewide long-term care associations, with an equal number to be appointed from each. Compliance with this provision shall be through the appointment and reappointment process. All appointees serving as of April 1, 2015 shall serve to the end of their term as determined by lot or until the appointee voluntarily resigns, whichever is earlier.

One representative from the Department of Public Health, the Department of Healthcare and Family Services, the Department on Aging, and the Department of Human Services may each serve as an ex-officio non-voting member of the Subcommittee. The Chairman of the Board shall select a Subcommittee Chair, who shall serve for a period of 3 years.

State Board Staff Reports shall compare applications to the relevant review criteria under the Board's rules.

(17) (Am) Establish a separate set of rules and guidelines for facilities licensed under the Specialized Mental Health Rehabilitation Act of 2013. An application for the re-establishment of a facility in connection with the relocation of the facility shall not be granted unless the applicant has a contractual relationship with at least one hospital to provide emergency and inpatient mental health services required by facility consumers, and at least one community mental health agency to provide oversight and assistance to facility consumers while living in the facility, and appropriate services, including case management, to assist them to prepare for discharge and reside stably in the community thereafter. An application for a new location shall not be approved unless there are adequate community services accessible to the consumers within a reasonable distance, or by use of public transportation, so as to facilitate the goal of achieving maximum individual self-care and independence. At no time shall the total number of authorized beds under this Act in facilities licensed under the Specialized Mental Health Rehabilitation Act of 2013 exceed the number of authorized beds on June 16, 2014 (the effective date of Public Act 98-651) this amendatory Act of the 98th General Assembly.

Sec. 11-605.1. Special limit while traveling through a highway construction or maintenance speed zone.

(a) A person may not operate a motor vehicle in a construction or maintenance speed zone at a speed in excess of the posted speed limit when workers are present.

(a-5) A person may not operate a motor vehicle in a construction or maintenance speed zone at a speed in excess of the posted speed limit when workers are not present.

(b) Nothing in this Chapter prohibits the use of electronic speed-detecting devices within 500 feet of signs within a construction or maintenance speed zone indicating the zone, as defined in this Section, nor shall evidence obtained by use of those devices be inadmissible in any prosecution for speeding, provided the use of the device shall apply only to the enforcement of the speed limit in the construction or maintenance speed zone.

(c) As used in this Section, a "construction or maintenance speed zone" is an area in which the Department, Toll Highway Authority, or local agency has posted signage advising drivers that a construction or maintenance speed zone is being approached, or in which the Department, Authority, or local agency has posted a lower speed limit with a highway construction or maintenance speed zone special speed limit sign after determining that the preexisting established speed limit through a highway construction or maintenance project is greater than is reasonable or safe with respect to the conditions expected to exist in the construction or maintenance speed zone.

If it is determined that the preexisting established speed limit is safe with respect to the conditions expected to exist in the construction or maintenance speed zone, additional speed limit signs which conform to the requirements of this subsection (c) shall be posted.

Highway construction or maintenance speed zone special speed limit signs shall be of a design approved by the Department. The signs must give proper due warning that a construction or maintenance speed zone is being approached and must indicate the maximum speed limit in effect. The signs also must state the amount of the minimum fine for a violation.

(d) A first violation of this Section is a petty offense with a minimum fine of $250. A second or subsequent violation of this Section is a petty offense with a minimum fine of $750.

(e) If a fine for a violation of this Section is $250 or greater, the person who violated this Section shall be charged an additional $125, which shall be deposited into the Transportation Safety Highway Hire-back Fund in the State treasury, unless (i) the violation occurred on a highway other than an interstate highway and (ii) a county police officer wrote the ticket for the violation, in which case the $125 shall be deposited into that county's Transportation Safety Highway Hire-back Fund. In the case of a second or subsequent violation of this Section, if the fine is $750 or greater, the person who violated this Section shall be charged an additional $250, which shall be deposited into the Transportation Safety Highway Hire-back Fund in the State treasury, unless (i) the violation occurred on a highway other than an interstate highway and (ii) a county police officer wrote the ticket for the violation, in which case the $250 shall be deposited into that county's Transportation Safety Highway Hire-back Fund.

(e-5) The Department of State Police and the local county police department have concurrent jurisdiction over any violation of this Section that occurs on an interstate highway.

AN ACT concerning courts.

Be it enacted by the People of the State of Illinois, represented in the General Assembly:

Section 5. The Access to Justice Act is amended by changing Sections 5, 10, 15, and 20 and by adding Section 7 as follows:

(705 ILCS 95/5)
Sec. 5. Findings.
(a) The justice system in this State can only function fairly and effectively when there is meaningful access to legal information, resources, and assistance for all litigants, regardless of their income or circumstances.

(b) Increasing numbers of people throughout this State, including an increasing number of active duty service members and veterans, are coming into the courts without legal representation for cases involving important legal matters impacting the basics of life such as health, safety, and shelter. In order for the courts to provide fair and efficient administration of justice in these cases, it is critical that people, and active duty service members and veterans in particular, have better access to varying levels of legal assistance appropriate for their individual circumstances, which will reduce the number of cases the courts must manage and reduce unnecessary backlogs and delays in the court system for the benefit of all litigants.

(c) An increasing number of active duty service members and veterans in this State have a need for legal information and assistance in a variety of matters that are often critical to their safety and independence, yet they are often unable to access that assistance. Providing access to legal advice and a referral system of attorneys for veterans and active duty service members, who often have underlying issues as a result of their military service, increases the efficiency of the court system and advances access to justice for everyone in this State.

Sec. 7. Definitions. As used in this Act:
(a) "Foundation" means the Illinois Equal Justice Foundation, a not-for-profit corporation created by the Illinois State Bar Association and the Chicago Bar Association and recognized under the Illinois Equal Justice Act.

(b) "Illinois Access to Civil Justice Council" or "Council" means a special advisory body created by the Foundation. The Council consists of 7 members, appointed as follows: one by the Lawyers Trust Fund of Illinois, one by the Chicago Bar Foundation, one by the Illinois Bar Foundation, one by the Illinois Department of Veterans' Affairs, one by the Illinois Attorney General, and 2 by the Foundation or any successor entities or agencies as designated by the Council.

Sec. 10. Pilot programs.
(a) The Illinois Access to Civil Justice Council shall General Assembly encourages the Supreme Court to develop: (i) a pilot program to create a statewide military personnel and veterans' legal assistance hotline and coordinated network of legal support resources; and (ii) a pilot program to provide court-based legal assistance within a circuit court in each appellate district of this State.

(a-5) The Supreme Court Access to Justice Commission may develop a pilot program to provide court-based legal assistance services.

(b) The General Assembly recommends that the rules developing the pilot programs:

(1) provide intake, screening, and varying levels of legal assistance to ensure that the parties served by these programs have meaningful access to justice;

(2) gather information on the outcomes associated with providing the services described in paragraph (1) of this subsection; and

(3) guard against the involuntary waiver of rights or disposition by default.

Sec. 15. Access to Justice Fund.
(a) The Access to Justice Fund is created as a special fund in the State treasury. The Fund shall consist of fees collected under Section 27.3g
of the Clerks of Courts Act. Moneys subject to appropriation, moneys in
the Access to Justice Fund shall be appropriated to the Attorney General
for disbursements to the Foundation. The Foundation shall use the moneys
make grants and distributions used by the Supreme Court for the
administration of the pilot programs created under this Act. Grants or
distributions made under this Act to the Foundation are subject to the
requirements of the Illinois Grant Funds Recovery Act.

(b) In accordance with the requirements of the Illinois Equal
Justice Act, the Foundation may make grants, enter into contracts, and
take other actions recommended by the Council to effectuate the pilot
programs and comply with the other requirements of this Act.

(c) The governing board of the Foundation must prepare and
submit an annual report to the Governor, the President of the Senate, the
Minority Leader of the Senate, the Speaker of the House of
Representatives, the Minority Leader of the House of Representatives, and
the Justices of the Illinois Supreme Court. The report must include: (i) a
statement of the total receipts and a breakdown by source during each of
the previous 2 calendar years; (ii) a list of the names and addresses of the
recipients that are currently receiving grants or distributions and that
received grants or distributions in the previous year and the amounts
committed to recipients for the current year and paid in the previous year;
(iii) a breakdown of the amounts of grants or distributions paid during the
previous year to recipients and the amounts committed to each recipient
for the current year; (iv) a breakdown of the Foundation's costs in
administering the Fund; (v) a statement of the Fund balance at the start
and at the close of the previous year and the interest earned during the
previous year; and (vi) any notices the Foundation issued denying
applications for grants or distributions under this Act. The report, in its
entirety, is a public record, and the Foundation and the Governor shall
make the report available for inspection upon request.

(d) The Foundation may annually retain a portion of the
disbursements it receives under this Section to reimburse the Foundation
for the actual cost of administering the Council and for making the grants
and distributions pursuant to this Act during that year.

(e) No moneys distributed by the Foundation from the Access to
Justice Fund may be directly or indirectly used for lobbying activities, as
defined in Section 2 of the Lobbyist Registration Act or as defined in any
ordinance or resolution of a municipality, county, or other unit of local
government in Illinois.

The report shall include the number of people served by the veteran and active military legal hotline and pro bono program and data on how the pilot programs expanded access to justice and the impact on government programs and community resources in each pilot program and data on the impact of varying levels of legal assistance on access to justice, the effect on fair and efficient court administration, and the impact on government programs and community resources. This report shall describe the benefits of providing legal assistance to those who were previously unrepresented, both for the clients, the military and veteran service organizations, and civil legal aid programs, and the courts, and shall describe strategies and recommendations for maximizing the benefit of that representation in the future. The report shall include an assessment of the continuing unmet needs and, if available, data regarding those unmet needs.

Secretary's discretion shall be limited to cases where undue hardship, as defined by the rules of the Secretary of State, would result from a failure to issue the restricted driving permit. Those multiple offenders identified in subdivision (b)4 of Section 6-208 of this Code, however, shall not be eligible for the issuance of a restricted driving permit.

(2) If a person's license or permit is revoked or suspended due to 2 or more convictions of violating Section 11-501 of this Code or a similar provision of a local ordinance or a similar out-of-state offense, or Section 9-3 of the Criminal Code of 1961 or the Criminal Code of 2012, where the use of alcohol or other drugs is recited as an element of the offense, or a similar out-of-state offense, or a combination of these offenses, arising out of separate occurrences, that person, if issued a restricted driving permit, may not operate a vehicle unless it has been equipped with an ignition interlock device as defined in Section 1-129.1.

(3) If:

(A) a person's license or permit is revoked or suspended 2 or more times within a 10 year period due to any combination of:

(i) a single conviction of violating Section 11-501 of this Code or a similar provision of a local ordinance or a similar out-of-state offense, or Section 9-3 of the Criminal Code of 1961 or the Criminal Code of 2012, where the use of alcohol or other drugs is recited as an element of the offense, or a similar out-of-state offense; or

(ii) a statutory summary suspension or revocation under Section 11-501.1; or

(iii) a suspension pursuant to Section 6-203.1;
 arising out of separate occurrences; or

(B) a person has been convicted of one violation of Section 6-303 of this Code committed while his or her driver's license, permit, or privilege was revoked because of a violation of Section 9-3 of the Criminal Code of 1961 or the Criminal Code of 2012, relating to the offense of reckless homicide where the use of alcohol or other drugs was recited as an element of the offense, or a similar provision of a law of another state;

that person, if issued a restricted driving permit, may not operate a vehicle unless it has been equipped with an ignition interlock device as defined in Section 1-129.1.

(4) The person issued a permit conditioned on the use of an ignition interlock device must pay to the Secretary of State DUI Administration Fund an amount not to exceed $30 per month. The Secretary shall establish by rule the amount and the procedures, terms, and conditions relating to these fees.

(5) If the restricted driving permit is issued for employment purposes, then the prohibition against operating a motor vehicle that is not equipped with an ignition interlock device does not apply to the operation of an occupational vehicle owned or leased by that person's employer when used solely for employment purposes.

(6) In each case the Secretary of State may issue a restricted driving permit for a period he deems appropriate, except that the permit shall expire within one year from the date of issuance. The Secretary may not, however, issue a restricted driving permit to any person whose current revocation is the result of a second or subsequent conviction for a violation of Section 11-501 of this Code or a similar provision of a local ordinance or any similar out-of-state offense, or Section 9-3 of the Criminal Code of 1961 or the Criminal Code of 2012, where the use of alcohol or other drugs is recited as an element of the offense, or any similar out-of-state offense, or any combination of these offenses, until the expiration of at least one year from the date of the revocation. A restricted driving permit issued under this Section shall be subject to cancellation, revocation, and suspension by the Secretary of State in like manner and for like cause as a driver's license issued under this Code may be cancelled, revoked, or suspended; except that a conviction upon one or more offenses against laws or ordinances regulating the movement of traffic shall be deemed sufficient cause for the revocation, suspension, or cancellation of a restricted driving permit. The Secretary of State may, as a condition to the issuance of a restricted driving permit, require the petitioner to participate in a designated driver remedial or rehabilitative program. The Secretary of State is authorized to cancel a restricted driving permit if the permit holder does not successfully complete the program. However, if an individual's driving privileges have

been revoked in accordance with paragraph 13 of subsection (a) of this Section, no restricted driving permit shall be issued until the individual has served 6 months of the revocation period.
(c-5) (Blank).
(c-6) If a person is convicted of a second violation of operating a motor vehicle while the person's driver's license, permit or privilege was revoked, where the revocation was for a violation of Section 9-3 of the Criminal Code of 1961 or the Criminal Code of 2012 relating to the offense of reckless homicide or a similar out-of-state offense, the person's driving privileges shall be revoked pursuant to subdivision (a)(15) of this Section. The person may not make application for a license or permit until the expiration of five years from the effective date of the revocation or the expiration of five years from the date of release from a term of imprisonment, whichever is later.
(c-7) If a person is convicted of a third or subsequent violation of operating a motor vehicle while the person's driver's license, permit or privilege was revoked, where the revocation was for a violation of Section 9-3 of the Criminal Code of 1961 or the Criminal Code of 2012 relating to the offense of reckless homicide or a similar out-of-state offense, the person may never apply for a license or permit.
(d)(1) Whenever a person under the age of 21 is convicted under Section 11-501 of this Code or a similar provision of a local ordinance or a similar out-of-state offense, the Secretary of State shall revoke the driving privileges of that person. One year after the date of revocation, and upon application, the Secretary of State may, if satisfied that the person applying will not endanger the public safety or welfare, issue a restricted driving permit granting the privilege of driving a motor vehicle only between the hours of 5 a.m. and 9 p.m. or as otherwise provided by this Section for a period of one year. After this one year period, and upon reapplication for a license as provided in Section 6-106, upon payment of the appropriate reinstatement fee provided under paragraph (b) of Section 6-118, the Secretary of State, in his discretion, may reinstate the petitioner's driver's license and driving privileges, or extend the restricted driving permit as many times as the Secretary of State deems appropriate, by additional periods of not more than 12 months each.
(2) If a person's license or permit is revoked or suspended due to 2 or more convictions of violating Section 11-501 of this Code or a similar provision of a local ordinance or a similar out-of-state offense, or Section 9-3 of the Criminal Code of 1961 or the

Criminal Code of 2012, where the use of alcohol or other drugs is recited as an element of the offense, or a similar out-of-state offense, or a combination of these offenses, arising out of separate occurrences, that person, if issued a restricted driving permit, may not operate a vehicle unless it has been equipped with an ignition interlock device as defined in Section 1-129.1.

(3) If a person's license or permit is revoked or suspended 2 or more times within a 10 year period due to any combination of:

(A) a single conviction of violating Section 11-501 of this Code or a similar provision of a local ordinance or a similar out-of-state offense, or Section 9-3 of the Criminal Code of 1961 or the Criminal Code of 2012, where the use of alcohol or other drugs is recited as an element of the offense, or a similar out-of-state offense; or

(B) a statutory summary suspension or revocation under Section 11-501.1; or

(C) a suspension pursuant to Section 6-203.1; arising out of separate occurrences, that person, if issued a restricted driving permit, may not operate a vehicle unless it has been equipped with an ignition interlock device as defined in Section 1-129.1.

(4) The person issued a permit conditioned upon the use of an interlock device must pay to the Secretary of State DUI Administration Fund an amount not to exceed $30 per month. The Secretary shall establish by rule the amount and the procedures, terms, and conditions relating to these fees.

(5) If the restricted driving permit is issued for employment purposes, then the prohibition against driving a vehicle that is not equipped with an ignition interlock device does not apply to the operation of an occupational vehicle owned or leased by that person's employer when used solely for employment purposes.

(6) A restricted driving permit issued under this Section shall be subject to cancellation, revocation, and suspension by the Secretary of State in like manner and for like cause as a driver's license issued under this Code may be cancelled, revoked, or suspended; except that a conviction upon one or more offenses against laws or ordinances regulating the movement of traffic shall be deemed sufficient cause for the revocation, suspension, or cancellation of a restricted driving permit.

(d-5) The revocation of the license, permit, or driving privileges of a person convicted of a third or subsequent violation of Section 6-303 of this Code committed while his or her driver's license, permit, or privilege was revoked because of a violation of Section 9-3 of the Criminal Code of 1961 or the Criminal Code of 2012, relating to the offense of reckless homicide, or a similar provision of a law of another state, is permanent. The Secretary may not, at any time, issue a license or permit to that person.

(e) This Section is subject to the provisions of the Driver License Compact.

(f) Any revocation imposed upon any person under subsections 2 and 3 of paragraph (b) that is in effect on December 31, 1988 shall be converted to a suspension for a like period of time.

(g) The Secretary of State shall not issue a restricted driving permit to a person under the age of 16 years whose driving privileges have been revoked under any provisions of this Code.

(h) The Secretary of State shall require the use of ignition interlock devices on all vehicles owned by a person who has been convicted of a second or subsequent offense under Section 11-501 of this Code or a similar provision of a local ordinance. The person must pay to the Secretary of State DUI Administration Fund an amount not to exceed $30 for each month that he or she uses the device. The Secretary shall establish by rule and regulation the procedures for certification and use of the interlock system, the amount of the fee, and the procedures, terms, and conditions relating to these fees. During the time period in which a person is required to install an ignition interlock device under this subsection (h), that person shall only operate vehicles in which ignition interlock devices have been installed, except as allowed by subdivision (c)(5) or (d)(5) of this Section.

(i) (Blank).

(j) In accordance with 49 C.F.R. 384, the Secretary of State may not issue a restricted driving permit for the operation of a commercial motor vehicle to a person holding a CDL whose driving privileges have been revoked, suspended, cancelled, or disqualified under any provisions of this Code.

The court shall monitor compliance with any remedial education or treatment recommendations contained in the professional evaluation. Programs conducting alcohol or other drug evaluation or remedial education must be licensed by the Department of Human Services. 15. A second or subsequent conviction of driving while the person's driver's license, permit or privileges was revoked for reckless homicide or a similar out-of-state offense;

16. Any offense against any provision in this Code, or any local ordinance, regulating the movement of traffic when that offense was the proximate cause of the death of any person. Any person whose driving privileges have been revoked pursuant to this paragraph may seek to have the revocation terminated or to have the length of revocation reduced by requesting an administrative hearing with the Secretary of State prior to the projected driver's license application eligibility date;

17. Violation of subsection (a-2) of Section 11-1301.3 of this Code or a similar provision of a local ordinance;

18. A second or subsequent conviction of illegal possession, while operating or in actual physical control, as a driver, of a motor vehicle, of any controlled substance prohibited under the Illinois Controlled Substances Act, any cannabis prohibited under the Cannabis Control Act, or any methamphetamine prohibited under the Methamphetamine Control and Community Protection Act. A defendant found guilty of this offense while operating a motor vehicle shall have an entry made in the court record by the presiding judge that this offense did occur while the defendant was operating a motor vehicle and order the clerk of the court to report the violation to the Secretary of State.

(b) The Secretary of State shall also immediately revoke the license or permit of any driver in the following situations:

1. Of any minor upon receiving the notice provided for in Section 5-901 of the Juvenile Court Act of 1987 that the minor has been adjudicated under that Act as having committed an offense relating to motor vehicles prescribed in Section 4-103 of this Code;

2. Of any person when any other law of this State requires either the revocation or suspension of a license or permit;

3. Of any person adjudicated under the Juvenile Court Act of 1987 based on an offense determined to have been committed in furtherance of the criminal activities of an organized gang as

provided in Section 5-710 of that Act, and that involved the operation or use of a motor vehicle or the use of a driver's license or permit. The revocation shall remain in effect for the period determined by the court. Upon the direction of the court, the Secretary shall issue the person a judicial driving permit, also known as a JDP. The JDP shall be subject to the same terms as a JDP issued under Section 6-206.1, except that the court may direct that a JDP issued under this subdivision (b)(3) be effective immediately.

(c)(1) Whenever a person is convicted of any of the offenses enumerated in this Section, the court may recommend and the Secretary of State in his discretion, without regard to whether the recommendation is made by the court may, upon application, issue to the person a restricted driving permit granting the privilege of driving a motor vehicle between the petitioner's residence and petitioner's place of employment or within the scope of the petitioner's employment related duties, or to allow the petitioner to transport himself or herself or a family member of the petitioner's household to a medical facility for the receipt of necessary medical care or to allow the petitioner to transport himself or herself to and from alcohol or drug remedial or rehabilitative activity recommended by a licensed service provider, or to allow the petitioner to transport himself or herself or a family member of the petitioner's household to classes, as a student, at an accredited educational institution, or to allow the petitioner to transport children, elderly persons, or disabled persons who do not hold driving privileges and are living in the petitioner's household to and from daycare; if the petitioner is able to demonstrate that no alternative means of transportation is reasonably available and that the petitioner will not endanger the public safety or welfare; provided that the Secretary's discretion shall be limited to cases where undue hardship, as defined by the rules of the Secretary of State, would result from a failure to issue the restricted driving permit. Those multiple offenders identified in subdivision (b)4 of Section 6-208 of this Code, however, shall not be eligible for the issuance of a restricted driving permit.

(1.5) A person subject to the provisions of paragraph 4 of subsection (b) of Section 6-208 of this Code may make application for a restricted driving permit at a hearing conducted under Section 2-118 of this Code after the expiration of 5 years from the effective date of the most recent revocation, or after 5 years from the date of release from a period of imprisonment resulting from a

New matter indicated by italics - deletions by strikeout
conviction of the most recent offense, whichever is later, provided the person, in addition to all other requirements of the Secretary, shows by clear and convincing evidence:

(A) a minimum of 3 years of uninterrupted abstinence from alcohol and the unlawful use or consumption of cannabis under the Cannabis Control Act, a controlled substance under the Illinois Controlled Substances Act, an intoxicating compound under the Use of Intoxicating Compounds Act, or methamphetamine under the Methamphetamine Control and Community Protection Act; and

(B) the successful completion of any rehabilitative treatment and involvement in any ongoing rehabilitative activity that may be recommended by a properly licensed service provider according to an assessment of the person’s alcohol or drug use under Section 11-501.01 of this Code.

In determining whether an applicant is eligible for a restricted driving permit under this paragraph (1.5), the Secretary may consider any relevant evidence, including, but not limited to, testimony, affidavits, records, and the results of regular alcohol or drug tests. Persons subject to the provisions of paragraph 4 of subsection (b) of Section 6-208 of this Code and who have been convicted of more than one violation of paragraph (3), paragraph (4), or paragraph (5) of subsection (a) of Section 11-501 of this Code shall not be eligible to apply for a restricted driving permit.

A restricted driving permit issued under this paragraph (1.5) shall provide that the holder may only operate motor vehicles equipped with an ignition interlock device as required under paragraph (2) of subsection (c) of this Section and subparagraph (A) of paragraph 3 of subsection (c) of Section 6-206 of this Code. The Secretary may revoke a restricted driving permit or amend the conditions of a restricted driving permit issued under this paragraph (1.5) if the holder operates a vehicle that is not equipped with an ignition interlock device, or for any other reason authorized under this Code.

A restricted driving permit issued under this paragraph (1.5) shall be revoked, and the holder barred from applying for or being issued a restricted driving permit in the future, if the holder is subsequently convicted of a violation of Section 11-501 of this Code.
Code, a similar provision of a local ordinance, or a similar offense in another state.

(2) If a person's license or permit is revoked or suspended due to 2 or more convictions of violating Section 11-501 of this Code or a similar provision of a local ordinance or a similar out-of-state offense, or Section 9-3 of the Criminal Code of 1961 or the Criminal Code of 2012, where the use of alcohol or other drugs is recited as an element of the offense, or a similar out-of-state offense, or a combination of these offenses, arising out of separate occurrences, that person, if issued a restricted driving permit, may not operate a vehicle unless it has been equipped with an ignition interlock device as defined in Section 1-129.1.

(3) If:

(A) a person's license or permit is revoked or suspended 2 or more times within a 10 year period due to any combination of:

(i) a single conviction of violating Section 11-501 of this Code or a similar provision of a local ordinance or a similar out-of-state offense, or Section 9-3 of the Criminal Code of 1961 or the Criminal Code of 2012, where the use of alcohol or other drugs is recited as an element of the offense, or a similar out-of-state offense; or

(ii) a statutory summary suspension or revocation under Section 11-501.1; or

(iii) a suspension pursuant to Section 6-203.1; arising out of separate occurrences; or

(B) a person has been convicted of one violation of Section 6-303 of this Code committed while his or her driver's license, permit, or privilege was revoked because of a violation of Section 9-3 of the Criminal Code of 1961 or the Criminal Code of 2012, relating to the offense of reckless homicide where the use of alcohol or other drugs was recited as an element of the offense, or a similar provision of a law of another state; that person, if issued a restricted driving permit, may not operate a vehicle unless it has been equipped with an ignition interlock device as defined in Section 1-129.1.

New matter indicated by italics - deletions by strikeout
(4) The person issued a permit conditioned on the use of an ignition interlock device must pay to the Secretary of State DUI Administration Fund an amount not to exceed $30 per month. The Secretary shall establish by rule the amount and the procedures, terms, and conditions relating to these fees.

(5) If the restricted driving permit is issued for employment purposes, then the prohibition against operating a motor vehicle that is not equipped with an ignition interlock device does not apply to the operation of an occupational vehicle owned or leased by that person's employer when used solely for employment purposes.

(6) In each case the Secretary of State may issue a restricted driving permit for a period he deems appropriate, except that the permit shall expire within one year from the date of issuance. The Secretary may not, however, issue a restricted driving permit to any person whose current revocation is the result of a second or subsequent conviction for a violation of Section 11-501 of this Code or a similar provision of a local ordinance or any similar out-of-state offense, or Section 9-3 of the Criminal Code of 1961 or the Criminal Code of 2012, where the use of alcohol or other drugs is recited as an element of the offense, or any similar out-of-state offense, or any combination of these offenses, until the expiration of at least one year from the date of the revocation. A restricted driving permit issued under this Section shall be subject to cancellation, revocation, and suspension by the Secretary of State in like manner and for like cause as a driver's license issued under this Code may be cancelled, revoked, or suspended; except that a conviction upon one or more offenses against laws or ordinances regulating the movement of traffic shall be deemed sufficient cause for the revocation, suspension, or cancellation of a restricted driving permit. The Secretary of State may, as a condition to the issuance of a restricted driving permit, require the petitioner to participate in a designated driver remedial or rehabilitative program. The Secretary of State is authorized to cancel a restricted driving permit if the permit holder does not successfully complete the program. However, if an individual's driving privileges have been revoked in accordance with paragraph 13 of subsection (a) of this Section, no restricted driving permit shall be issued until the individual has served 6 months of the revocation period.

(c-6) If a person is convicted of a second violation of operating a motor vehicle while the person's driver's license, permit or privilege was revoked, where the revocation was for a violation of Section 9-3 of the Criminal Code of 1961 or the Criminal Code of 2012 relating to the offense of reckless homicide or a similar out-of-state offense, the person's driving privileges shall be revoked pursuant to subdivision (a)(15) of this Section. The person may not make application for a license or permit until the expiration of five years from the effective date of the revocation or the expiration of five years from the date of release from a term of imprisonment, whichever is later.

(c-7) If a person is convicted of a third or subsequent violation of operating a motor vehicle while the person's driver's license, permit or privilege was revoked, where the revocation was for a violation of Section 9-3 of the Criminal Code of 1961 or the Criminal Code of 2012 relating to the offense of reckless homicide or a similar out-of-state offense, the person may never apply for a license or permit.

(d)(1) Whenever a person under the age of 21 is convicted under Section 11-501 of this Code or a similar provision of a local ordinance or a similar out-of-state offense, the Secretary of State shall revoke the driving privileges of that person. One year after the date of revocation, and upon application, the Secretary of State may, if satisfied that the person applying will not endanger the public safety or welfare, issue a restricted driving permit granting the privilege of driving a motor vehicle only between the hours of 5 a.m. and 9 p.m. or as otherwise provided by this Section for a period of one year. After this one year period, and upon reapplication for a license as provided in Section 6-106, upon payment of the appropriate reinstatement fee provided under paragraph (b) of Section 6-118, the Secretary of State, in his discretion, may reinstate the petitioner's driver's license and driving privileges, or extend the restricted driving permit as many times as the Secretary of State deems appropriate, by additional periods of not more than 12 months each.

(2) If a person's license or permit is revoked or suspended due to 2 or more convictions of violating Section 11-501 of this Code or a similar provision of a local ordinance or a similar out-of-state offense, or Section 9-3 of the Criminal Code of 1961 or the Criminal Code of 2012, where the use of alcohol or other drugs is recited as an element of the offense, or a similar out-of-state offense, or a combination of these offenses, arising out of separate

occurrences, that person, if issued a restricted driving permit, may not operate a vehicle unless it has been equipped with an ignition interlock device as defined in Section 1-129.1.

(3) If a person's license or permit is revoked or suspended 2 or more times within a 10 year period due to any combination of:
   (A) a single conviction of violating Section 11-501 of this Code or a similar provision of a local ordinance or a similar out-of-state offense, or Section 9-3 of the Criminal Code of 1961 or the Criminal Code of 2012, where the use of alcohol or other drugs is recited as an element of the offense, or a similar out-of-state offense; or
   (B) a statutory summary suspension or revocation under Section 11-501.1; or
   (C) a suspension pursuant to Section 6-203.1; arising out of separate occurrences, that person, if issued a restricted driving permit, may not operate a vehicle unless it has been equipped with an ignition interlock device as defined in Section 1-129.1.

(4) The person issued a permit conditioned upon the use of an interlock device must pay to the Secretary of State DUI Administration Fund an amount not to exceed $30 per month. The Secretary shall establish by rule the amount and the procedures, terms, and conditions relating to these fees.

(5) If the restricted driving permit is issued for employment purposes, then the prohibition against driving a vehicle that is not equipped with an ignition interlock device does not apply to the operation of an occupational vehicle owned or leased by that person's employer when used solely for employment purposes.

(6) A restricted driving permit issued under this Section shall be subject to cancellation, revocation, and suspension by the Secretary of State in like manner and for like cause as a driver's license issued under this Code may be cancelled, revoked, or suspended; except that a conviction upon one or more offenses against laws or ordinances regulating the movement of traffic shall be deemed sufficient cause for the revocation, suspension, or cancellation of a restricted driving permit.

(d-5) The revocation of the license, permit, or driving privileges of a person convicted of a third or subsequent violation of Section 6-303 of this Code committed while his or her driver's license, permit, or privilege
was revoked because of a violation of Section 9-3 of the Criminal Code of 1961 or the Criminal Code of 2012, relating to the offense of reckless homicide, or a similar provision of a law of another state, is permanent. The Secretary may not, at any time, issue a license or permit to that person.

(e) This Section is subject to the provisions of the Driver License Compact.

(f) Any revocation imposed upon any person under subsections 2 and 3 of paragraph (b) that is in effect on December 31, 1988 shall be converted to a suspension for a like period of time.

(g) The Secretary of State shall not issue a restricted driving permit to a person under the age of 16 years whose driving privileges have been revoked under any provisions of this Code.

(h) The Secretary of State shall require the use of ignition interlock devices on all vehicles owned by a person who has been convicted of a second or subsequent offense under Section 11-501 of this Code or a similar provision of a local ordinance. The person must pay to the Secretary of State DUI Administration Fund an amount not to exceed $30 for each month that he or she uses the device. The Secretary shall establish by rule and regulation the procedures for certification and use of the interlock system, the amount of the fee, and the procedures, terms, and conditions relating to these fees.

(b) If any conviction forming the basis of a suspension or revocation authorized under this Section is appealed, the Secretary of State may rescind or withhold the entry of the order of suspension or revocation, as the case may be, provided that a certified copy of a stay order of a court is filed with the Secretary of State. If the conviction is affirmed on appeal, the date of the conviction shall relate back to the time the original judgment of conviction was entered and the 6 month limitation prescribed shall not apply.

(c) 1. Upon suspending or revoking the driver's license or permit of any person as authorized in this Section, the Secretary of State shall immediately notify the person in writing of the revocation or suspension. Unless the permit is issued by the Secretary of State prior to the date of suspension, the privilege to drive any motor vehicle shall be suspended as set forth in the notice that was mailed under this Section. If an affidavit is received subsequent to the effective date of this suspension, a permit may be issued for the remainder of the suspension period.

The provisions of this subparagraph shall not apply to any driver required to possess a CDL for the purpose of operating a commercial motor vehicle.

Any person who falsely states any fact in the affidavit required herein shall be guilty of perjury under Section 6-302 and upon conviction thereof shall have all driving privileges revoked without further rights.

3. At the conclusion of a hearing under Section 2-118 of this Code, the Secretary of State shall either rescind or continue an order of revocation or shall substitute an order of suspension; or, good cause appearing therefor, rescind, continue, change, or extend the order of suspension. If the Secretary of State does not rescind the order, the Secretary may upon application, to relieve undue hardship (as defined by the rules of the Secretary of State), issue a restricted driving permit granting the privilege of driving a motor vehicle between the petitioner's residence and petitioner's place of employment or within the scope of the petitioner's employment related duties, or to allow the petitioner to transport himself or herself, or a family member of the petitioner's household to a medical facility, to receive necessary medical care, to allow the petitioner to transport himself or herself to and from alcohol or drug remedial or rehabilitative activity recommended by a licensed service provider, or to allow the petitioner to transport himself or herself or a family member of the petitioner's household to classes, as a student, at an accredited educational institution, or to allow the petitioner to transport children, elderly persons, or disabled persons who do not hold driving privileges and are living in the petitioner's household to and from daycare. The petitioner must demonstrate that no alternative means of transportation is reasonably available and that the petitioner will not endanger the public safety or welfare. (A) If a person's license or permit is revoked or suspended due to 2 or more convictions of violating Section 11-501 of this Code or a similar provision of a local ordinance or a similar out-of-state offense, or Section 9-3 of the Criminal Code of 1961 or the Criminal Code of 2012, where the use of alcohol or other drugs is recited as an element of the offense, or a similar out-of-state offense, or a combination of these offenses, arising out of separate occurrences, that person, if issued a restricted driving permit, may

not operate a vehicle unless it has been equipped with an ignition interlock device as defined in Section 1-129.1.

(B) If a person's license or permit is revoked or suspended 2 or more times within a 10 year period due to any combination of:

(i) a single conviction of violating Section 11-501 of this Code or a similar provision of a local ordinance or a similar out-of-state offense or Section 9-3 of the Criminal Code of 1961 or the Criminal Code of 2012, where the use of alcohol or other drugs is recited as an element of the offense, or a similar out-of-state offense; or

(ii) a statutory summary suspension or revocation under Section 11-501.1; or

(iii) a suspension under Section 6-203.1;

(C) The person issued a permit conditioned upon the use of an ignition interlock device must pay to the Secretary of State DUI Administration Fund an amount not to exceed $30 per month. The Secretary shall establish by rule the amount and the procedures, terms, and conditions relating to these fees.

(D) If the restricted driving permit is issued for employment purposes, then the prohibition against operating a motor vehicle that is not equipped with an ignition interlock device does not apply to the operation of an occupational vehicle owned or leased by that person's employer when used solely for employment purposes.

(E) In each case the Secretary may issue a restricted driving permit for a period deemed appropriate, except that all permits shall expire within one year from the date of issuance. The Secretary may not, however, issue a restricted driving permit to any person whose current revocation is the result of a second or subsequent conviction for a violation of Section 11-501 of this Code or a similar provision of a local ordinance or any similar out-of-state offense, or Section 9-3 of the Criminal Code of 1961 or the Criminal Code of 2012, where the use of alcohol or other drugs is recited as an element of the offense, or any similar out-of-state offense, or any combination of those offenses, until the expiration of the person's current revocation.

driving permit issued under this Section shall be subject to
cancellation, revocation, and suspension by the Secretary of State
in like manner and for like cause as a driver's license issued under
this Code may be cancelled, revoked, or suspended; except that a
conviction upon one or more offenses against laws or ordinances
regulating the movement of traffic shall be deemed sufficient cause
for the revocation, suspension, or cancellation of a restricted
driving permit. The Secretary of State may, as a condition to the
issuance of a restricted driving permit, require the applicant to
participate in a designated driver remedial or rehabilitative
program. The Secretary of State is authorized to cancel a restricted
driving permit if the permit holder does not successfully complete
the program.

4 of subsection (b) of Section 6-208 of this Code may make
application for a restricted driving permit at a hearing
conducted under Section 2-118 of this Code after the
expiration of 5 years from the effective date of the most

from a period of imprisonment resulting from a conviction
of the most recent offense, whichever is later, provided the
person, in addition to all other requirements of the

In determining whether an applicant is eligible for a restricted driving permit under this subparagraph (F), the Secretary may consider any relevant evidence, including, but not limited to, testimony, affidavits, records, and the results of regular alcohol or drug tests. Persons subject to the provisions of paragraph 4 of subsection (b) of Section 6-208 of this Code and who have been convicted of more than one violation of paragraph (3), paragraph (4), or paragraph (5) of subsection (a) of Section 11-501 of this Code shall not be eligible to apply for a restricted driving permit under this subparagraph (F).

A restricted driving permit issued under this subparagraph (F) shall provide that the holder may only operate motor vehicles equipped with an ignition interlock device as required under paragraph (2) of subsection (c) of Section 6-205 of this Code and subparagraph (A) of paragraph 3 of subsection (c) of this Section. The Secretary may revoke a restricted driving permit or amend the conditions of a restricted driving permit issued under this subparagraph (F) if the holder operates a vehicle that is not equipped with an ignition interlock device, or for any other reason authorized under this Code.

A restricted driving permit issued under this subparagraph (F) shall be revoked, and the holder barred from applying for or being issued a restricted driving permit in the future, if the holder is convicted of a violation of Section 11-501 of this Code, a similar provision of a local ordinance, or a similar offense in another state.

(c-3) In the case of a suspension under paragraph 43 of subsection (a), reports received by the Secretary of State under this Section shall, except during the actual time the suspension is in effect, be privileged information and for use only by the courts, police officers, prosecuting authorities, the driver licensing administrator of any other state, the Secretary of State, or the parent or legal guardian of a driver under the age of 18. (c-4) In the case of a suspension under paragraph 43 of subsection (a), the Secretary of State shall notify the person by mail that his or her driving privileges and driver's license will be suspended one month after the date of the mailing of the notice.

(c-5) The Secretary of State may, as a condition of the reissuance of a driver's license or permit to an applicant whose driver's license or permit has been suspended before he or she reached the age of 21 years pursuant to any of the provisions of this Section, require the applicant to participate in a driver remedial education course and be retested under Section 6-109 of this Code.

1.5. If the person is convicted of a violation of Section 6-303 of this Code committed while his or her driver's license, permit, or privilege was revoked because of a violation of Section 9-3 of the Criminal Code of 1961 or the Criminal Code of 2012, relating to the offense of reckless homicide, or a similar provision of a law of another state, the person may not make application for a license or permit until the expiration of 3 years from the date of the conviction.

However, if a person who has been granted a termination of revocation under this subparagraph 4.5 subsequently becomes a resident of this State, the revocation shall be reinstated and the person shall be subject to the provisions of subparagraph 4.

Section 5. The Illinois Municipal Code is amended by changing Section 11-12-9 as follows:

(65 ILCS 5/11-12-9) (from Ch. 24, par. 11-12-9)

Sec. 11-12-9. If unincorporated territory is within one and one-half miles of the boundaries of two or more corporate authorities that have adopted official plans, the corporate authorities involved may agree upon a line which shall mark the boundaries of the jurisdiction of each of the corporate authorities who have adopted such agreement. On and after September 24, 1987, such agreement may provide that one or more of the municipalities shall not annex territory which lies within the jurisdiction of any other municipality, as established by such line. In the absence of such a boundary line agreement, nothing in this paragraph shall be construed as a limitation on the power of any municipality to annex territory. In arriving at an agreement for a jurisdictional boundary line, the corporate authorities concerned shall give consideration to the natural flow of storm water drainage, and, when practical, shall include all of any single tract having common ownership within the jurisdiction of one corporate authority. Such agreement shall not become effective until copies thereof, certified as to adoption by the municipal clerks of the respective municipalities, have been filed in the Recorder's Office and made available in the office of the municipal clerk of each agreeing municipality.

Any agreement for a jurisdictional boundary line shall be valid for such term of years as may be stated therein, but not to exceed 20 years, and if no term is stated, shall be valid for a term of 20 years. The term of such agreement may be extended, renewed or revised at the end of the initial or extended term thereof by further agreement of the municipalities.

In the absence of such agreement, the jurisdiction of any one of the corporate authorities shall extend to a median line equidistant from its boundary and the boundary of the other corporate authority nearest to the boundary of the first corporate authority at any given point on the line.

On and after January 1, 2006, no corporate authority may enter into an agreement pursuant to this Section unless, not less than 30 days and not more than 120 days prior to formal approval thereof by the corporate
authority, it shall have first provided public notice of the proposed boundary agreement by both of the following:

(1) the posting of a public notice for not less than 15 consecutive days in the same location at which notices of village board or city council meetings are posted; and

(2) publication on at least one occasion in a newspaper of general circulation within the territory that is subject to the proposed agreement.

The validity of a boundary agreement may not be legally challenged on the grounds that the notice as required by this Section was not properly given unless the challenge is initiated within 12 months after the formal approval of the boundary agreement.

An agreement that addresses jurisdictional boundary lines shall be entirely unenforceable for any party thereto that subsequently enters into another agreement that addresses jurisdictional boundary lines that is in conflict with any of the terms of the first agreement without the consent of all parties to the first agreement. For purposes of this Section, it shall not be considered a "conflict" when a municipality that is a party to a jurisdictional boundary line agreement cedes property within its own jurisdiction to another municipality not a party to the same jurisdictional boundary line agreement.

This amendatory Act of 1990 is declarative of the existing law and shall not be construed to modify or amend existing boundary line agreements, nor shall it be construed to create powers of a municipality not already in existence.

Except for those provisions to take effect prospectively, this amendatory Act of the 94th General Assembly is declarative of existing law and shall not be construed to modify or amend existing boundary line agreements entered into on or before the effective date of this amendatory Act, nor shall it be construed to create powers of a municipality not already in existence on the effective date of this amendatory Act.

(a) Any fine, other sanction, or costs imposed, or part of any fine, other sanction, or costs imposed, remaining unpaid after the exhaustion of, or the failure to exhaust, judicial review procedures under the Administrative Review Law shall be a debt due and owing the municipality and, as such, may be collected in accordance with applicable law.

(b) After expiration of the period within which judicial review under the Administrative Review Law may be sought for a final determination of the code violation, the municipality may commence a proceeding in the circuit court of the county in which the municipality is located for purpose of obtaining a judgment on the findings, decision, and order. Nothing in this Section shall prevent a municipality from consolidating multiple findings, decisions, and orders against a person in such a proceeding. Upon commencement of the action, the municipality shall file a certified copy of the findings, decision, and order, which shall be accompanied by a certification that recites facts sufficient to show that the findings, decision, and order was issued in accordance with this Division and the applicable municipal ordinance. Service of the summons and a copy of the petition may be by any method provided for by Section 2-203 of the Code of Civil Procedure or by certified mail, return receipt requested, provided that the total amount of fines, other sanctions, and costs imposed by the findings, decision, and order does not exceed $2,500. If the court is satisfied that the findings, decision, and order was entered in accordance with the requirements of this Division and the applicable municipal ordinance and that the defendant had an opportunity for a hearing under this Division and for judicial review as provided in this Division:

(1) The court shall render judgment in favor of the municipality and against the defendant for the amount indicated in

the findings, decision and order, plus costs. The judgment shall have the same effect and may be enforced in the same manner as other judgments for the recovery of money.

(2) The court may also issue any other orders and injunctions that are requested by the municipality to enforce the order of the hearing officer to correct a code violation.

(c) In place of a proceeding under subsection (b) of this Section, after expiration of the period in which judicial review under the Illinois Administrative Review Law may be sought for a final determination of a code violation, unless stayed by a court of competent jurisdiction, the findings, decision, and order of the hearing officer may be enforced in the same manner as a judgment entered by a court of competent jurisdiction.

In any case in which a defendant has failed to comply with a judgment ordering a defendant to correct a code violation or imposing any fine or other sanction as a result of a code violation, any expenses incurred by a municipality to enforce the judgment, including, but not limited to, attorney's fees, court costs, and costs related to property demolition or foreclosure, after they are fixed by a court of competent jurisdiction or a hearing officer, shall be a debt due and owing the municipality and may be collected in accordance with applicable law.

Prior to any expenses being fixed by a hearing officer pursuant to this subsection (c), the municipality shall provide notice to the defendant that states that the defendant shall appear at a hearing before the administrative hearing officer to determine whether the defendant has failed to comply with the judgment. The notice shall set the date for such a hearing, which shall not be less than 7 days from the date that notice is served. If notice is served by mail, the 7-day period shall begin to run on the date that the notice was deposited in the mail.

Upon being recorded in the manner required by Article XII of the Code of Civil Procedure or by the Uniform Commercial Code, a lien shall be imposed on the real estate or personal estate, or both, of the defendant in the amount of any debt due and owing the municipality under this Section. The lien may be enforced in the same manner as a judgment lien pursuant to a judgment of a court of competent jurisdiction.

A hearing officer may set aside any judgment entered by default and set a new hearing date, upon a petition filed within 21 days after the issuance of the order of default, if the hearing officer determines that the petitioner's failure to appear at the hearing was for good cause or at any time if the petitioner establishes that the municipality did not provide
proper service of process. If any judgment is set aside pursuant to this subsection (c), the hearing officer shall have authority to enter an order extinguishing any lien which has been recorded for any debt due and owing the municipality as a result of the vacated default judgment.

16. Any offense against any provision in this Code, or any local ordinance, regulating the movement of traffic when that offense was the proximate cause of the death of any person. A defendant found guilty of this offense while operating a motor vehicle shall have an entry made in the court record by the presiding judge that this offense did occur while the defendant was operating a motor vehicle and order the clerk of the court to report the violation to the Secretary of State.

(b) The Secretary of State shall also immediately revoke the license or permit of any driver in the following situations:

1. Of any minor upon receiving the notice provided for in Section 5-901 of the Juvenile Court Act of 1987 that the minor has been adjudicated under that Act as having committed an offense relating to motor vehicles prescribed in Section 4-103 of this Code;

The revocation shall remain in effect for the period

determined by the court. Upon the direction of the court, the Secretary shall issue the person a judicial driving permit, also known as a JDP. The JDP shall be subject to the same terms as a JDP issued under Section 6-206.1, except that the court may direct that a JDP issued under this subdivision (b)(3) be effective immediately.

(c)(1) Whenever a person is convicted of any of the offenses enumerated in this Section, the court may recommend and the Secretary of State in his discretion, without regard to whether the recommendation is made by the court may, upon application, issue to the person a restricted driving permit granting the privilege of driving a motor vehicle between the petitioner's residence and petitioner's place of employment or within the scope of the petitioner's employment related duties, or to allow the petitioner to transport himself or herself or a family member of the petitioner's household to a medical facility for the receipt of necessary medical care or to allow the petitioner to transport himself or herself to and from alcohol or drug remedial or rehabilitative activity recommended by a licensed service provider, or to allow the petitioner to transport himself or herself or a family member of the petitioner's household to classes, as a student, at an accredited educational institution, or to allow the petitioner to transport children, elderly persons, or disabled persons who do not hold driving privileges and are living in the petitioner's household to and from daycare; if the petitioner is able to demonstrate that no alternative means of transportation is reasonably available and that the petitioner will not endanger the public safety or welfare; provided that the Secretary's discretion shall be limited to cases where undue hardship, as defined by the rules of the Secretary of State, would result from a failure to issue the restricted driving permit. Those multiple offenders identified in subdivision (b)4 of Section 6-208 of this Code, however, shall not be eligible for the issuance of a restricted driving permit.

(2) If a person's license or permit is revoked or suspended due to 2 or more convictions of violating Section 11-501 of this Code or a similar provision of a local ordinance or a similar out-of-state offense, or Section 9-3 of the Criminal Code of 1961 or the Criminal Code of 2012, where the use of alcohol or other drugs is recited as an element of the offense, or a similar out-of-state offense, or a combination of these offenses, arising out of separate occurrences, that person, if issued a restricted driving permit, may

not operate a vehicle unless it has been equipped with an ignition interlock device as defined in Section 1-129.1.

(3) If:

(A) a person's license or permit is revoked or suspended 2 or more times within a 10 year period due to any combination of:

(i) a single conviction of violating Section 11-501 of this Code or a similar provision of a local ordinance or a similar out-of-state offense, or Section 9-3 of the Criminal Code of 1961 or the Criminal Code of 2012, where the use of alcohol or other drugs is recited as an element of the offense, or a similar out-of-state offense; or

(ii) a statutory summary suspension or revocation under Section 11-501.1; or

(iii) a suspension pursuant to Section 6-203.1;

arising out of separate occurrences; or

(B) a person has been convicted of one violation of Section 6-303 of this Code committed while his or her driver's license, permit, or privilege was revoked because of a violation of Section 9-3 of the Criminal Code of 1961 or the Criminal Code of 2012, relating to the offense of reckless homicide where the use of alcohol or other drugs was recited as an element of the offense, or a similar provision of a law of another state;

that person, if issued a restricted driving permit, may not operate a vehicle unless it has been equipped with an ignition interlock device as defined in Section 1-129.1.

(4) The person issued a permit conditioned on the use of an ignition interlock device must pay to the Secretary of State DUI Administration Fund an amount not to exceed $30 per month. The Secretary shall establish by rule the amount and the procedures, terms, and conditions relating to these fees.

(5) If the restricted driving permit is issued for employment purposes, then the prohibition against operating a motor vehicle that is not equipped with an ignition interlock device does not apply to the operation of an occupational vehicle owned or leased

New matter indicated by italics - deletions by strikeout
by that person's employer when used solely for employment purposes.

(6) In each case the Secretary of State may issue a restricted driving permit for a period he deems appropriate, except that the permit shall expire within one year from the date of issuance. The Secretary may not, however, issue a restricted driving permit to any person whose current revocation is the result of a second or subsequent conviction for a violation of Section 11-501 of this Code or a similar provision of a local ordinance or any similar out-of-state offense, or Section 9-3 of the Criminal Code of 1961 or the Criminal Code of 2012, where the use of alcohol or other drugs is recited as an element of the offense, or any similar out-of-state offense, or any combination of these offenses, until the expiration of at least one year from the date of the revocation. A restricted driving permit issued under this Section shall be subject to cancellation, revocation, and suspension by the Secretary of State in like manner and for like cause as a driver's license issued under this Code may be cancelled, revoked, or suspended; except that a conviction upon one or more offenses against laws or ordinances regulating the movement of traffic shall be deemed sufficient cause for the revocation, suspension, or cancellation of a restricted driving permit. The Secretary of State may, as a condition to the issuance of a restricted driving permit, require the petitioner to participate in a designated driver remedial or rehabilitative program. The Secretary of State is authorized to cancel a restricted driving permit if the permit holder does not successfully complete the program. However, if an individual's driving privileges have been revoked in accordance with paragraph 13 of subsection (a) of this Section, no restricted driving permit shall be issued until the individual has served 6 months of the revocation period.

(c-5) (Blank).

(c-6) If a person is convicted of a second violation of operating a motor vehicle while the person's driver's license, permit or privilege was revoked, where the revocation was for a violation of Section 9-3 of the Criminal Code of 1961 or the Criminal Code of 2012 relating to the offense of reckless homicide or a similar out-of-state offense, the person's driving privileges shall be revoked pursuant to subdivision (a)(15) of this Section. The person may not make application for a license or permit until the expiration of five years from the effective date of the revocation or the
expiration of five years from the date of release from a term of imprisonment, whichever is later.

(c-7) If a person is convicted of a third or subsequent violation of operating a motor vehicle while the person's driver's license, permit or privilege was revoked, where the revocation was for a violation of Section 9-3 of the Criminal Code of 1961 or the Criminal Code of 2012 relating to the offense of reckless homicide or a similar out-of-state offense, the person may never apply for a license or permit.

(d)(1) Whenever a person under the age of 21 is convicted under Section 11-501 of this Code or a similar provision of a local ordinance or a similar out-of-state offense, the Secretary of State shall revoke the driving privileges of that person. One year after the date of revocation, and upon application, the Secretary of State may, if satisfied that the person applying will not endanger the public safety or welfare, issue a restricted driving permit granting the privilege of driving a motor vehicle only between the hours of 5 a.m. and 9 p.m. or as otherwise provided by this Section for a period of one year. After this one year period, and upon reapplication for a license as provided in Section 6-106, upon payment of the appropriate reinstatement fee provided under paragraph (b) of Section 6-118, the Secretary of State, in his discretion, may reinstatethe petitioner's driver's license and driving privileges, or extend the restricted driving permit as many times as the Secretary of State deems appropriate, by additional periods of not more than 12 months each.

(2) If a person's license or permit is revoked or suspended due to 2 or more convictions of violating Section 11-501 of this Code or a similar provision of a local ordinance or a similar out-of-state offense, or Section 9-3 of the Criminal Code of 1961 or the Criminal Code of 2012, where the use of alcohol or other drugs is recited as an element of the offense, or a similar out-of-state offense, or a combination of these offenses, arising out of separate occurrences, that person, if issued a restricted driving permit, may not operate a vehicle unless it has been equipped with an ignition interlock device as defined in Section 1-129.1.

(3) If a person's license or permit is revoked or suspended 2 or more times within a 10 year period due to any combination of:

(A) a single conviction of violating Section 11-501 of this Code or a similar provision of a local ordinance or a similar out-of-state offense, or Section 9-3 of the Criminal Code of 1961 or the Criminal Code of 2012, where the use

of alcohol or other drugs is recited as an element of the offense, or a similar out-of-state offense; or

(B) a statutory summary suspension or revocation under Section 11-501.1; or

(C) a suspension pursuant to Section 6-203.1;

arising out of separate occurrences, that person, if issued a restricted driving permit, may not operate a vehicle unless it has been equipped with an ignition interlock device as defined in Section 1-129.1.

(4) The person issued a permit conditioned upon the use of an interlock device must pay to the Secretary of State DUI Administration Fund an amount not to exceed $30 per month. The Secretary shall establish by rule the amount and the procedures, terms, and conditions relating to these fees.

(5) If the restricted driving permit is issued for employment purposes, then the prohibition against driving a vehicle that is not equipped with an ignition interlock device does not apply to the operation of an occupational vehicle owned or leased by that person's employer when used solely for employment purposes.

(6) A restricted driving permit issued under this Section shall be subject to cancellation, revocation, and suspension by the Secretary of State in like manner and for like cause as a driver's license issued under this Code may be cancelled, revoked, or suspended; except that a conviction upon one or more offenses against laws or ordinances regulating the movement of traffic shall be deemed sufficient cause for the revocation, suspension, or cancellation of a restricted driving permit.

(d-5) The revocation of the license, permit, or driving privileges of a person convicted of a third or subsequent violation of Section 6-303 of this Code committed while his or her driver's license, permit, or privilege was revoked because of a violation of Section 9-3 of the Criminal Code of 1961 or the Criminal Code of 2012, relating to the offense of reckless homicide, or a similar provision of a law of another state, is permanent. The Secretary may not, at any time, issue a license or permit to that person.

(e) This Section is subject to the provisions of the Driver License Compact.

(f) Any revocation imposed upon any person under subsections 2 and 3 of paragraph (b) that is in effect on December 31, 1988 shall be converted to a suspension for a like period of time.

New matter indicated by italics - deletions by strikeout
(g) The Secretary of State shall not issue a restricted driving permit to a person under the age of 16 years whose driving privileges have been revoked under any provisions of this Code.

(h) The Secretary of State shall require the use of ignition interlock devices for a period not less than 5 years on all vehicles owned by a person who has been convicted of a second or subsequent offense under Section 11-501 of this Code or a similar provision of a local ordinance. The person must pay to the Secretary of State DUI Administration Fund an amount not to exceed $30 for each month that he or she uses the device. The Secretary shall establish by rule and regulation the procedures for certification and use of the interlock system, the amount of the fee, and the procedures, terms, and conditions relating to these fees.

(i) (Blank).

(j) In accordance with 49 C.F.R. 384, the Secretary of State may not issue a restricted driving permit for the operation of a commercial motor vehicle to a person holding a CDL whose driving privileges have been revoked, suspended, cancelled, or disqualified under any provisions of this Code.

(a) Except as otherwise provided by this Code or any other law of this State, the Secretary of State shall not suspend a driver's license, permit, or privilege to drive a motor vehicle on the highways for a period of more than one year.

(b) Any person whose license, permit, or privilege to drive a motor vehicle on the highways has been revoked shall not be entitled to have such license, permit, or privilege renewed or restored. However, such person may, except as provided under subsections (d) and (d-5) of Section 6-205, make application for a license pursuant to Section 6-106 (i) if the revocation was for a cause that has been removed or (ii) as provided in the following subparagraphs:

expiration of 3 years from the effective date of the revocation, or

of 1961 or the Criminal Code of 2012 or a similar provision of a
law of another state relating to the offense of reckless homicide or
a violation of subparagraph (F) of paragraph 1 of subsection (d) of
Section 11-501 of this Code relating to aggravated driving under
the influence of alcohol, other drug or drugs, intoxicating
compound or compounds, or any combination thereof, if the
violation was the proximate cause of a death, after the expiration of
2 years from the effective date of the revocation or after the
expiration of 24 months from the date of release from a period of
imprisonment as provided in Section 6-103 of this Code,
whichever is later.

1.3. If the person is convicted of a second or subsequent
violation of Section 11-501 of this Code or a similar provision of a
local ordinance or a similar out-of-state offense, or Section 9-3 of
the Criminal Code of 1961 or the Criminal Code of 2012, in which
the use of alcohol or other drugs is recited as an element of the
offense, or a similar out-of-state offense, or a combination of these
offenses, arising out of separate occurrences, that person may not
make application for a driver's license until:

(A) the person has first been issued a restricted
driving permit by the Secretary of State; and
(B) the expiration of a continuous period of not less
than 5 years following the issuance of the restricted driving
permit during which the person's restricted driving permit
is not suspended, cancelled, or revoked for a violation of
any provision of law, or any rule or regulation of the
Secretary of State relating to the required use of an ignition
interlock device.

1.5. If the person is convicted of a violation of Section 6-303
of this Code committed while his or her driver's license,
permit, or privilege was revoked because of a violation of Section
9-3 of the Criminal Code of 1961 or the Criminal Code of 2012,
relating to the offense of reckless homicide, or a similar provision
of a law of another state, the person may not make application for a
license or permit until the expiration of 3 years from the date of the
conviction.
2. If such person is convicted of committing a second violation within a 20-year period of:
   (A) Section 11-501 of this Code or a similar provision of a local ordinance;
   (B) Paragraph (b) of Section 11-401 of this Code or a similar provision of a local ordinance;
   (C) Section 9-3 of the Criminal Code of 1961 or the Criminal Code of 2012, relating to the offense of reckless homicide; or
   (D) any combination of the above offenses committed at different instances;
then such person may not make application for a license until after the expiration of 5 years from the effective date of the most recent revocation. The 20-year period shall be computed by using the dates the offenses were committed and shall also include similar out-of-state offenses and similar offenses committed on a military installation.

2.5. If a person is convicted of a second violation of Section 6-303 of this Code committed while the person's driver's license, permit, or privilege was revoked because of a violation of Section 9-3 of the Criminal Code of 1961 or the Criminal Code of 2012, relating to the offense of reckless homicide, or a similar provision of a law of another state, the person may not make application for a license or permit until the expiration of 5 years from the date of release from a term of imprisonment.

3. However, except as provided in subparagraph 4, if such person is convicted of committing a third or subsequent violation or any combination of the above offenses, including similar out-of-state offenses and similar offenses committed on a military installation, contained in subparagraph 2, then such person may not make application for a license until after the expiration of 10 years from the effective date of the most recent revocation.

4. The person may not make application for a license if the person is convicted of committing a fourth or subsequent violation of Section 11-501 of this Code or a similar provision of a local ordinance, Section 11-401 of this Code, Section 9-3 of the Criminal Code of 1961 or the Criminal Code of 2012, or a combination of these offenses, similar provisions of local
ordinances, similar out-of-state offenses, or similar offenses committed on a military installation.

5. The person may not make application for a license or permit if the person is convicted of a third or subsequent violation of Section 6-303 of this Code committed while his or her driver's license, permit, or privilege was revoked because of a violation of Section 9-3 of the Criminal Code of 1961 or the Criminal Code of 2012, relating to the offense of reckless homicide, or a similar provision of a law of another state.

Notwithstanding any other provision of this Code, all persons referred to in this paragraph (b) may not have their privileges restored until the Secretary receives payment of the required reinstatement fee pursuant to subsection (b) of Section 6-118.

In no event shall the Secretary issue such license unless and until such person has had a hearing pursuant to this Code and the appropriate administrative rules and the Secretary is satisfied, after a review or investigation of such person, that to grant the privilege of driving a motor vehicle on the highways will not endanger the public safety or welfare.

(d) The Secretary of State shall revoke the driving privileges of any person convicted under Section 11-501 or a similar provision of a local ordinance.

(e) The Secretary of State shall require the use of ignition interlock devices for a period not less than 5 years on all vehicles owned by a person who has been convicted of a second or subsequent offense of Section 11-501 or a similar provision of a local ordinance. The person must pay to the Secretary of State DUI Administration Fund an amount not to exceed $30 for each month that he or she uses the device. The Secretary shall establish by rule and regulation the procedures for certification and use of the interlock system, the amount of the fee, and the procedures, terms, and conditions relating to these fees.

(f) In addition to any other penalties and liabilities, a person who is found guilty of or pleads guilty to violating Section 11-501, including any person placed on court supervision for violating Section 11-501, shall be assessed $750, payable to the circuit clerk, who shall distribute the money as follows: $350 to the law enforcement agency that made the arrest, and $400 shall be forwarded to the State Treasurer for deposit into the General Revenue Fund. (h) Whenever an individual is sentenced for an offense based upon an arrest for a violation of Section 11-501 or a similar provision of a local ordinance, and the professional evaluation recommends remedial or rehabilitative treatment or education, neither the treatment nor the education shall be the sole disposition and either or both may be imposed only in conjunction with another disposition. The court shall monitor compliance with any remedial education or treatment recommendations contained in the professional evaluation. Programs conducting alcohol or other drug evaluation or remedial education must be licensed by the Department of Human Services. If the individual is not a resident of Illinois, however, the court may accept an alcohol or other drug evaluation or remedial education program in the individual's state of residence. offense while operating a motor vehicle shall have an entry made in the court record by the presiding judge that this offense did occur while the defendant was operating a motor vehicle and order the clerk of the court to report the violation to the Secretary of State.

(b) The Secretary of State shall also immediately revoke the license or permit of any driver in the following situations:

1. Of any minor upon receiving the notice provided for in Section 5-901 of the Juvenile Court Act of 1987 that the minor has been adjudicated under that Act as having committed an offense relating to motor vehicles prescribed in Section 4-103 of this Code;

2. Of any person when any other law of this State requires either the revocation or suspension of a license or permit;

3. Of any person adjudicated under the Juvenile Court Act of 1987 based on an offense determined to have been committed in furtherance of the criminal activities of an organized gang as provided in Section 5-710 of that Act, and that involved the operation or use of a motor vehicle or the use of a driver's license or permit. The revocation shall remain in effect for the period determined by the court. Upon the direction of the court, the Secretary shall issue the person a judicial driving permit, also known as a JDP. The JDP shall be subject to the same terms as a JDP issued under Section 6-206.1, except that the court may direct that a JDP issued under this subdivision (b)(3) be effective immediately.

(c)(1) Whenever a person is convicted of any of the offenses enumerated in this Section, the court may recommend and the Secretary of State in his discretion, without regard to whether the recommendation is made by the court may, upon application, issue to the person a restricted driving permit granting the privilege of driving a motor vehicle between the petitioner's residence and petitioner's place of employment or within the scope of the petitioner's employment related duties, or to allow the petitioner to transport himself or herself or a family member of the petitioner's household to a medical facility for the receipt of necessary medical care or to allow the petitioner to transport himself or herself or a family member of the petitioner's household to and from alcohol or drug remedial or rehabilitative activity recommended by a licensed service provider, or to allow the petitioner to transport himself or herself or a family member of the petitioner's household to classes, as a student, at an accredited educational institution, or to allow

the petitioner to transport children, elderly persons, or disabled persons who do not hold driving privileges and are living in the petitioner's household to and from daycare; if the petitioner is able to demonstrate that no alternative means of transportation is reasonably available and that the petitioner will not endanger the public safety or welfare; provided that the Secretary's discretion shall be limited to cases where undue hardship, as defined by the rules of the Secretary of State, would result from a failure to issue the restricted driving permit. Those multiple offenders identified in subdivision (b)4 of Section 6-208 of this Code, however, shall not be eligible for the issuance of a restricted driving permit.

(2) If a person's license or permit is revoked or suspended due to 2 or more convictions of violating Section 11-501 of this Code or a similar provision of a local ordinance or a similar out-of-state offense, or Section 9-3 of the Criminal Code of 1961 or the Criminal Code of 2012, where the use of alcohol or other drugs is recited as an element of the offense, or a similar out-of-state offense, or a combination of these offenses, arising out of separate occurrences, that person, if issued a restricted driving permit, may not operate a vehicle unless it has been equipped with an ignition interlock device as defined in Section 1-129.1.

(3) If:

(A) a person's license or permit is revoked or suspended 2 or more times within a 10 year period due to any combination of:

(i) a single conviction of violating Section 11-501 of this Code or a similar provision of a local ordinance or a similar out-of-state offense, or Section 9-3 of the Criminal Code of 1961 or the Criminal Code of 2012, where the use of alcohol or other drugs is recited as an element of the offense, or a similar out-of-state offense; or

(ii) a statutory summary suspension or revocation under Section 11-501.1; or

(iii) a suspension pursuant to Section 6-203.1;

arising out of separate occurrences; or

(B) a person has been convicted of one violation of Section 6-303 of this Code committed while his or her driver's license, permit, or privilege was revoked because of

a violation of Section 9-3 of the Criminal Code of 1961 or the Criminal Code of 2012, relating to the offense of reckless homicide where the use of alcohol or other drugs was recited as an element of the offense, or a similar provision of a law of another state;

that person, if issued a restricted driving permit, may not operate a vehicle unless it has been equipped with an ignition interlock device as defined in Section 1-129.1.

(4) The person issued a permit conditioned on the use of an ignition interlock device must pay to the Secretary of State DUI Administration Fund an amount not to exceed $30 per month. The Secretary shall establish by rule the amount and the procedures, terms, and conditions relating to these fees.

(5) If the restricted driving permit is issued for employment purposes, then the prohibition against operating a motor vehicle that is not equipped with an ignition interlock device does not apply to the operation of an occupational vehicle owned or leased by that person's employer when used solely for employment purposes.

(6) In each case the Secretary of State may issue a restricted driving permit for a period he deems appropriate, except that the permit shall expire within one year from the date of issuance. The Secretary may not, however, issue a restricted driving permit to any person whose current revocation is the result of a second or subsequent conviction for a violation of Section 11-501 of this Code or a similar provision of a local ordinance or any similar out-of-state offense, or Section 9-3 of the Criminal Code of 1961 or the Criminal Code of 2012, where the use of alcohol or other drugs is recited as an element of the offense, or any similar out-of-state offense, or any combination of these offenses, until the expiration of at least one year from the date of the revocation. A restricted driving permit issued under this Section shall be subject to cancellation, revocation, and suspension by the Secretary of State in like manner and for like cause as a driver's license issued under this Code may be cancelled, revoked, or suspended; except that a conviction upon one or more offenses against laws or ordinances regulating the movement of traffic shall be deemed sufficient cause for the revocation, suspension, or cancellation of a restricted driving permit. The Secretary of State may, as a condition to the

issuance of a restricted driving permit, require the petitioner to participate in a designated driver remedial or rehabilitative program. The Secretary of State is authorized to cancel a restricted driving permit if the permit holder does not successfully complete the program. However, if an individual's driving privileges have been revoked in accordance with paragraph 13 of subsection (a) of this Section, no restricted driving permit shall be issued until the individual has served 6 months of the revocation period.

(c-5) (Blank).

(c-6) If a person is convicted of a second violation of operating a motor vehicle while the person's driver's license, permit or privilege was revoked, where the revocation was for a violation of Section 9-3 of the Criminal Code of 1961 or the Criminal Code of 2012 relating to the offense of reckless homicide or a similar out-of-state offense, the person's driving privileges shall be revoked pursuant to subdivision (a)(15) of this Section. The person may not make application for a license or permit until the expiration of five years from the effective date of the revocation or the expiration of five years from the date of release from a term of imprisonment, whichever is later.

(c-7) If a person is convicted of a third or subsequent violation of operating a motor vehicle while the person's driver's license, permit or privilege was revoked, where the revocation was for a violation of Section 9-3 of the Criminal Code of 1961 or the Criminal Code of 2012 relating to the offense of reckless homicide or a similar out-of-state offense, the person may never apply for a license or permit.

(d)(1) Whenever a person under the age of 21 is convicted under Section 11-501 of this Code or a similar provision of a local ordinance or a similar out-of-state offense, the Secretary of State shall revoke the driving privileges of that person. One year after the date of revocation, and upon application, the Secretary of State may, if satisfied that the person applying will not endanger the public safety or welfare, issue a restricted driving permit granting the privilege of driving a motor vehicle only between the hours of 5 a.m. and 9 p.m. or as otherwise provided by this Section for a period of one year. After this one year period, and upon reapplication for a license as provided in Section 6-106, upon payment of the appropriate reinstatement fee provided under paragraph (b) of Section 6-118, the Secretary of State, in his discretion, may reinstate the petitioner's driver's license and driving privileges, or extend the restricted driving permit as
many times as the Secretary of State deems appropriate, by additional periods of not more than 12 months each.

(2) If a person's license or permit is revoked or suspended due to 2 or more convictions of violating Section 11-501 of this Code or a similar provision of a local ordinance or a similar out-of-state offense, or Section 9-3 of the Criminal Code of 1961 or the Criminal Code of 2012, where the use of alcohol or other drugs is recited as an element of the offense, or a similar out-of-state offense, or a combination of these offenses, arising out of separate occurrences, that person, if issued a restricted driving permit, may not operate a vehicle unless it has been equipped with an ignition interlock device as defined in Section 1-129.1.

(3) If a person's license or permit is revoked or suspended 2 or more times within a 10 year period due to any combination of:
   (A) a single conviction of violating Section 11-501 of this Code or a similar provision of a local ordinance or a similar out-of-state offense, or Section 9-3 of the Criminal Code of 1961 or the Criminal Code of 2012, where the use of alcohol or other drugs is recited as an element of the offense, or a similar out-of-state offense; or
   (B) a statutory summary suspension or revocation under Section 11-501.1; or
   (C) a suspension pursuant to Section 6-203.1;
   arising out of separate occurrences, that person, if issued a restricted driving permit, may not operate a vehicle unless it has been equipped with an ignition interlock device as defined in Section 1-129.1.

(4) The person issued a permit conditioned upon the use of an interlock device must pay to the Secretary of State DUI Administration Fund an amount not to exceed $30 per month. The Secretary shall establish by rule the amount and the procedures, terms, and conditions relating to these fees.

(5) If the restricted driving permit is issued for employment purposes, then the prohibition against driving a vehicle that is not equipped with an ignition interlock device does not apply to the operation of an occupational vehicle owned or leased by that person's employer when used solely for employment purposes.

(6) A restricted driving permit issued under this Section shall be subject to cancellation, revocation, and suspension by the

Secretary of State in like manner and for like cause as a driver's license issued under this Code may be cancelled, revoked, or suspended; except that a conviction upon one or more offenses against laws or ordinances regulating the movement of traffic shall be deemed sufficient cause for the revocation, suspension, or cancellation of a restricted driving permit.

(d-5) The revocation of the license, permit, or driving privileges of a person convicted of a third or subsequent violation of Section 6-303 of this Code committed while his or her driver's license, permit, or privilege was revoked because of a violation of Section 9-3 of the Criminal Code of 1961 or the Criminal Code of 2012, relating to the offense of reckless homicide, or a similar provision of a law of another state, is permanent. The Secretary may not, at any time, issue a license or permit to that person.

(e) This Section is subject to the provisions of the Driver License Compact.

(f) Any revocation imposed upon any person under subsections 2 and 3 of paragraph (b) that is in effect on December 31, 1988 shall be converted to a suspension for a like period of time.

(g) The Secretary of State shall not issue a restricted driving permit to a person under the age of 16 years whose driving privileges have been revoked under any provisions of this Code.

(h) The Secretary of State shall require the use of ignition interlock devices on all vehicles owned by a person who has been convicted of a second or subsequent offense under Section 11-501 of this Code or a similar provision of a local ordinance. The person must pay to the Secretary of State DUI Administration Fund an amount not to exceed $30 for each month that he or she uses the device. The Secretary shall establish by rule and regulation the procedures for certification and use of the interlock system, the amount of the fee, and the procedures, terms, and conditions relating to these fees.

(i) (Blank).

(j) In accordance with 49 C.F.R. 384, the Secretary of State may not issue a restricted driving permit for the operation of a commercial motor vehicle to a person holding a CDL whose driving privileges have been revoked, suspended, cancelled, or disqualified under any provisions of this Code.

(k) The Secretary of State shall notify by mail any person whose driving privileges have been revoked under paragraph 16 of subsection (a)

of this Section that his or her driving privileges and driver's license will be revoked 90 days from the date of the mailing of the notice.

Sec. 2.15. Arrest reports and criminal history records.
(a) Arrest reports. The following chronologically maintained arrest and criminal history information maintained by State or local criminal justice agencies shall be furnished as soon as practical, but in no event later than 72 hours after the arrest, notwithstanding the time limits otherwise provided for in Section 3 of this Act: (i) information that identifies the individual, including the name, age, address, and photograph, when and if available; (ii) information detailing any charges relating to the arrest; (iii) the time and location of the arrest; (iv) the name of the investigating or arresting law enforcement agency; (v) if the individual is incarcerated, the amount of any bail or bond; and (vi) if the individual is incarcerated, the time and date that the individual was received into, discharged from, or transferred from the arresting agency's custody.

Sec. 7. Exemptions.

(1) When a request is made to inspect or copy a public record that contains information that is exempt from disclosure under this Section, but also contains information that is not exempt from disclosure, the public body may elect to redact the information that is exempt. The public body shall make the remaining information available for inspection and copying. Subject to this requirement, the following shall be exempt from inspection and copying:

(a) Information specifically prohibited from disclosure by federal or State law or rules and regulations implementing federal or State law.

(b) Private information, unless disclosure is required by another provision of this Act, a State or federal law or a court order.

(B) Any information provided to appropriate school officials whom the school has determined to have a legitimate educational or safety interest by local law enforcement officials about a minor who is the subject of a current police investigation that is directly related to school safety shall consist of oral information only, and not written law enforcement records, and shall be used solely by the appropriate school official or officials to protect the safety of students and employees in the school and aid in the proper rehabilitation of the child. The information derived orally from the local law enforcement officials shall be kept separate from and shall not become a part of the official school record of the child and shall not be a public record. This limitation on the use of information about a minor who is the subject of a current police investigation shall in no way limit the use of this information by prosecutors in pursuing criminal charges arising out of the information disclosed during a police investigation of the minor. For purposes of this paragraph, "investigation" means an official systematic inquiry by a law enforcement agency into actual or suspected criminal activity;

(i) The president of a park district. Inspection and copying shall be limited to law enforcement records transmitted to the president of the park district by the Illinois State Police under Section 8-23 of the Park District Code or Section 16a-5 of the Chicago Park District Act concerning a person who is seeking employment with that park district and who has been adjudicated a juvenile delinquent for any of the offenses listed in subsection (c) of Section 8-23 of the Park District Code or subsection (c) of Section 16a-5 of the Chicago Park District Act.

(2) Information identifying victims and alleged victims of sex offenses, shall not be disclosed or open to public inspection under any circumstances. Nothing in this Section shall prohibit the victim or alleged victim of any sex offense from voluntarily disclosing his or her identity.

(2.5) If the minor is a victim of aggravated battery, battery, attempted first degree murder, or other non-sexual violent offense, the

identity of the victim may be disclosed to appropriate school officials, for
the purpose of preventing foreseeable future violence involving minors, by
a local law enforcement agency pursuant to an agreement established
between the school district and a local law enforcement agency subject to
the approval by the presiding judge of the juvenile court.

(3) Relevant information, reports and records shall be made
available to the Department of Juvenile Justice when a juvenile offender
has been placed in the custody of the Department of Juvenile Justice.

(4) Nothing in this Section shall prohibit the inspection or
disclosure to victims and witnesses of photographs contained in the
records of law enforcement agencies when the inspection or disclosure is
conducted in the presence of a law enforcement officer for purposes of
identification or apprehension of any person in the course of any criminal
investigation or prosecution.

(5) The records of law enforcement officers, or of an independent
agency created by ordinance and charged by a unit of local government
with the duty of investigating the conduct of law enforcement officers,
concerning all minors under 18 years of age must be maintained separate
from the records of adults and may not be open to public inspection or
their contents disclosed to the public except by order of the court or when
the institution of criminal proceedings has been permitted under Section 5-
130 or 5-805 or required under Section 5-130 or 5-805 or such a person
has been convicted of a crime and is the subject of pre-sentence
investigation or when provided by law.

(6) Except as otherwise provided in this subsection (6), law
enforcement officers, and personnel of an independent agency created by
ordinance and charged by a unit of local government with the duty of
investigating the conduct of law enforcement officers, may not disclose the
identity of any minor in releasing information to the general public as to
the arrest, investigation or disposition of any case involving a minor. Any
victim or parent or legal guardian of a victim may petition the court to
disclose the name and address of the minor and the minor's parents or legal
guardian, or both. Upon a finding by clear and convincing evidence that
the disclosure is either necessary for the victim to pursue a civil remedy
against the minor or the minor's parents or legal guardian, or both, or to
protect the victim's person or property from the minor, then the court may
order the disclosure of the information to the victim or to the parent or
legal guardian of the victim only for the purpose of the victim pursuing a

civil remedy against the minor or the minor's parents or legal guardian, or both, or to protect the victim's person or property from the minor.

(7) Nothing contained in this Section shall prohibit law enforcement agencies when acting in their official capacity from communicating with each other by letter, memorandum, teletype or intelligence alert bulletin or other means the identity or other relevant information pertaining to a person under 18 years of age. The information provided under this subsection (7) shall remain confidential and shall not be publicly disclosed, except as otherwise allowed by law.

PUBLIC ACT 99-0302
(Senate Bill No. 0090)

AN ACT concerning civil law.
Be it enacted by the People of the State of Illinois, represented in the General Assembly:

Section 5. The Probate Act of 1975 is amended by changing Sections 4-1 and 11a-18 as follows:

(755 ILCS 5/4-1) (from Ch. 110 1/2, par. 4-1)
Sec. 4-1. Capacity of testator.
(a) Every person who has attained the age of 18 years and is of sound mind and memory has power to bequeath by will the real and personal estate which he has at the time of his death.
(b) Except as stated herein, there is a rebuttable presumption that a will or codicil is void if it was executed or modified after the testator is adjudicated disabled under Article XIa of this Act and either (1) a plenary guardian has been appointed for the testator under subsection (c) of Section 11a-12 of this Act or (2) a limited guardian has been appointed for the testator under subsection (b) of Section 11a-12 of this Act and the court has found that the testator lacks testamentary capacity. The rebuttable presumption is overcome by clear and convincing evidence that the testator had the capacity to execute the will or codicil at the time the will or codicil was executed. The rebuttable presumption does not apply if the will or codicil was completed in compliance with subsection (d-5) of Section 11a-18 of this Act. This subsection (b) applies only to wills or codicils executed or modified after the effective date of this amendatory Act of the 99th General Assembly.

(a) To the extent specified in the order establishing the guardianship, the guardian of the estate shall have the care, management and investment of the estate, shall manage the estate frugally and shall

apply the income and principal of the estate so far as necessary for the
comfort and suitable support and education of the ward, his minor and
adult dependent children, and persons related by blood or marriage who
are dependent upon or entitled to support from him, or for any other
purpose which the court deems to be for the best interests of the ward, and
the court may approve the making on behalf of the ward of such
agreements as the court determines to be for the ward's best interests. The
guardian may make disbursement of his ward's funds and estate directly to
the ward or other distributee or in such other manner and in such amounts
as the court directs. If the estate of a ward is derived in whole or in part
from payments of compensation, adjusted compensation, pension,
insurance or other similar benefits made directly to the estate by the
Veterans Administration, notice of the application for leave to invest or
expend the ward's funds or estate, together with a copy of the petition and
proposed order, shall be given to the Veterans' Administration Regional
Office in this State at least 7 days before the hearing on the application.

(a-5) The probate court, upon petition of a guardian, other than the
guardian of a minor, and after notice to all other persons interested as the
court directs, may authorize the guardian to exercise any or all powers
over the estate and business affairs of the ward that the ward could
close present and not under disability. The court may authorize the
taking of an action or the application of funds not required for the ward's
current and future maintenance and support in any manner approved by the
court as being in keeping with the ward's wishes so far as they can be
ascertained. The court must consider the permanence of the ward's
disabling condition and the natural objects of the ward's bounty. In
ascertaining and carrying out the ward's wishes the court may consider, but
shall not be limited to, minimization of State or federal income, estate, or
inheritance taxes; and providing gifts to charities, relatives, and friends
that would be likely recipients of donations from the ward. The ward's
wishes as best they can be ascertained shall be carried out, whether or not
tax savings are involved. Actions or applications of funds may include, but
shall not be limited to, the following:

(1) making gifts of income or principal, or both, of the
estate, either outright or in trust;

(2) conveying, releasing, or disclaiming his or her
contingent and expectant interests in property, including marital
property rights and any right of survivorship incident to joint
tenancy or tenancy by the entirety;

New matter indicated by italics - deletions by strikeout
(3) releasing or disclaiming his or her powers as trustee, personal representative, custodian for minors, or guardian;

(4) exercising, releasing, or disclaiming his or her powers as donee of a power of appointment;

(5) entering into contracts;

(6) creating for the benefit of the ward or others, revocable or irrevocable trusts of his or her property that may extend beyond his or her disability or life;

(7) exercising options of the ward to purchase or exchange securities or other property;

(8) exercising the rights of the ward to elect benefit or payment options, to terminate, to change beneficiaries or ownership, to assign rights, to borrow, or to receive cash value in return for a surrender of rights under any one or more of the following:

(i) life insurance policies, plans, or benefits,

(ii) annuity policies, plans, or benefits,

(iii) mutual fund and other dividend investment plans,

(iv) retirement, profit sharing, and employee welfare plans and benefits;

(9) exercising his or her right to claim or disclaim an elective share in the estate of his or her deceased spouse and to renounce any interest by testate or intestate succession or by inter vivos transfer;

(10) changing the ward's residence or domicile; or

(11) modifying by means of codicil or trust amendment the terms of the ward's will or any revocable trust created by the ward, as the court may consider advisable in light of changes in applicable tax laws.

The guardian in his or her petition shall briefly outline the action or application of funds for which he or she seeks approval, the results expected to be accomplished thereby, and the tax savings, if any, expected to accrue. The proposed action or application of funds may include gifts of the ward's personal property or real estate, but transfers of real estate shall be subject to the requirements of Section 20 of this Act. Gifts may be for the benefit of prospective legatees, devisees, or heirs apparent of the ward or may be made to individuals or charities in which the ward is believed to have an interest. The guardian shall also indicate in the petition that any

planned disposition is consistent with the intentions of the ward insofar as they can be ascertained, and if the ward's intentions cannot be ascertained, the ward will be presumed to favor reduction in the incidents of various forms of taxation and the partial distribution of his or her estate as provided in this subsection. The guardian shall not, however, be required to include as a beneficiary or fiduciary any person who he has reason to believe would be excluded by the ward. A guardian shall be required to investigate and pursue a ward's eligibility for governmental benefits.

(b) Upon the direction of the court which issued his letters, a guardian may perform the contracts of his ward which were legally subsisting at the time of the commencement of the ward's disability. The court may authorize the guardian to execute and deliver any bill of sale, deed or other instrument.

(c) The guardian of the estate of a ward shall appear for and represent the ward in all legal proceedings unless another person is appointed for that purpose as guardian or next friend. This does not impair the power of any court to appoint a guardian ad litem or next friend to defend the interests of the ward in that court, or to appoint or allow any person as the next friend of a ward to commence, prosecute or defend any proceeding in his behalf. Without impairing the power of the court in any respect, if the guardian of the estate of a ward and another person as next friend shall appear for and represent the ward in a legal proceeding in which the compensation of the attorney or attorneys representing the guardian and next friend is solely determined under a contingent fee arrangement, the guardian of the estate of the ward shall not participate in or have any duty to review the prosecution of the action, to participate in or review the appropriateness of any settlement of the action, or to participate in or review any determination of the appropriateness of any fees awarded to the attorney or attorneys employed in the prosecution of the action.

(d) Adjudication of disability shall not revoke or otherwise terminate a trust which is revocable by the ward. A guardian of the estate shall have no authority to revoke a trust that is revocable by the ward, except that the court may authorize a guardian to revoke a Totten trust or similar deposit or withdrawable capital account in trust to the extent necessary to provide funds for the purposes specified in paragraph (a) of this Section. If the trustee of any trust for the benefit of the ward has discretionary power to apply income or principal for the ward's benefit, the trustee shall not be required to distribute any of the income or principal to

the guardian of the ward's estate, but the guardian may bring an action on behalf of the ward to compel the trustee to exercise the trustee's discretion or to seek relief from an abuse of discretion. This paragraph shall not limit the right of a guardian of the estate to receive accountings from the trustee on behalf of the ward.

(d-5) Upon a verified petition by the plenary or limited guardian of the estate or the request of the ward that is accompanied by a current physician's report that states the ward possesses testamentary capacity, the court may enter an order authorizing the ward to execute a will or codicil. In so ordering, the court shall authorize the guardian to retain independent counsel for the ward with whom the ward may execute or modify a will or codicil.

(e) Absent court order pursuant to the Illinois Power of Attorney Act directing a guardian to exercise powers of the principal under an agency that survives disability, the guardian will have no power, duty or liability with respect to any property subject to the agency. This subsection (e) applies to all agencies, whenever and wherever executed.

(f) Upon petition by any interested person (including the standby or short-term guardian), with such notice to interested persons as the court directs and a finding by the court that it is in the best interest of the disabled person, the court may terminate or limit the authority of a standby or short-term guardian or may enter such other orders as the court deems necessary to provide for the best interest of the disabled person. The petition for termination or limitation of the authority of a standby or short-term guardian may, but need not, be combined with a petition to have another guardian appointed for the disabled person.

The card shall be prepared and supplied by the Secretary of State and shall include a photograph and signature or mark of the applicant. However, the Secretary of State may provide by rule for the issuance of Illinois Identification Cards without photographs if the applicant has a bona fide religious objection to being photographed or to the display of his or her photograph. The Illinois Identification Card may be used for identification purposes in any lawful situation only by the person to whom it was issued. As used in this Act, "photograph" means any color photograph or digitally produced and captured image of an applicant for an identification card. As used in this Act, "signature" means the name of a person as written by that person and captured in a manner acceptable to the Secretary of State.

(a-5) If an applicant for an identification card has a current driver's license or instruction permit issued by the Secretary of State, the Secretary may require the applicant to utilize the same residence address and name on the identification card, driver's license, and instruction permit records maintained by the Secretary. The Secretary may promulgate rules to implement this provision.

(a-10) If the applicant is a judicial officer as defined in Section 1-10 of the Judicial Privacy Act or a peace officer, the applicant may elect to have his or her office or work address listed on the card instead of the applicant's residence or mailing address. The Secretary shall charge an additional fee for the expedited issuance of an Illinois Identification Card, to be set by rule, not to exceed $75. No Illinois Person with a Disability Identification Card shall be issued to any person who holds a valid foreign state identification card, license, or permit unless the person first surrenders to the Secretary of State the valid foreign state identification card, license, or permit. The Secretary of State shall charge no fee to issue such card. The card shall be prepared and supplied by the Secretary of State, and shall include a photograph and signature or mark of the applicant, a designation indicating that the card is an Illinois Person with a Disability Identification Card, and shall include a comprehensible designation of the type and classification of the applicant's disability as set out in Section 4A of this Act. If the applicant so requests, the card shall include a description of the applicant's disability and any information about the applicant's disability or medical history which the Secretary determines would be helpful to the applicant in securing emergency medical care. If a mark is used in lieu of a signature, such mark shall be affixed to the card in the presence of two witnesses who attest to the authenticity of the mark. The Illinois Person with a Disability Identification Card may be used for identification purposes in any lawful situation by the person to whom it was issued.

The Illinois Person with a Disability Identification Card may be used as adequate documentation of disability in lieu of a physician's determination of disability, a determination of disability from a physician assistant who has been delegated the authority to make this determination by his or her supervising physician, a determination of disability from an advanced practice nurse who has a written collaborative agreement with a...
collaborating physician that authorizes the advanced practice nurse to make this determination, or any other documentation of disability whenever any State law requires that a disabled person provide such documentation of disability, however an Illinois Person with a Disability Identification Card shall not qualify the cardholder to participate in any program or to receive any benefit which is not available to all persons with like disabilities. Sec. 3.6. Acceptance of stray dogs and cats.

(a) No animal shelter may accept a stray dog or cat unless the animal is reported by the shelter to the animal control or law enforcement of the county in which the animal is found by the next business day. An animal shelter may accept animals from: (1) the owner of the animal where the owner signs a relinquishment form which states he or she is the owner of the animal; (2) an animal shelter licensed under this Act; or (3) an out-of-state animal control facility, rescue group, or animal shelter that is duly licensed in their state or is a not-for-profit organization.

(b) When stray dogs and cats are accepted by an animal shelter, they must be scanned for the presence of a microchip and examined for other currently-acceptable methods of identification, including, but not limited to, identification tags, tattoos, and rabies license tags. The examination for identification shall be done within 24 hours after the intake of each dog or cat. The animal shelter shall notify the owner and transfer any dog with an identified owner to the animal control or law enforcement agency in the jurisdiction in which it was found or the local animal control agency for redemption.

(c) If no transfer can occur, the animal shelter shall make every reasonable attempt to contact the owner, agent, or caretaker as soon as possible. The animal shelter shall give notice of not less than 7 business days to the owner, agent, or caretaker prior to disposal of the animal. The notice shall be mailed to the last known address of the owner, agent, or caretaker. Testimony of the animal shelter, or its authorized agent, who mails the notice shall be evidence of the receipt of the notice by the owner, agent, or caretaker of the animal. A mailed notice shall remain the primary means of owner, agent, or caretaker contact; however, the animal shelter shall also attempt to contact the owner, agent, or caretaker by any other contact information, such as by telephone or email address, provided by the microchip or other method of identification found on the dog or cat. If the dog or cat has been microchipped and the primary contact listed by the chip manufacturer cannot be located or refuses to reclaim the dog or cat, an attempt shall be made to contact any secondary contacts listed by the chip manufacturer prior to adoption, transfer, or euthanization. Prior to transferring any stray dog or cat to another humane shelter or rescue group or euthanization, the dog or cat shall be scanned again for the presence of a microchip and examined for other means of identification. If a second scan provides the same identifying information as the initial intake scan and the owner, agent, or caretaker has not been located or refuses to reclaim the dog or cat, the animal shelter may proceed with adoption, transfer, or euthanization.

(d) When stray dogs and cats are accepted by an animal shelter and no owner can be identified, the shelter shall hold the animal for the period specified in local ordinance prior to adoption, transfer, or euthanasia. The animal shelter shall allow access to the public to view the animals housed there. If a dog is identified by an owner who desires to make redemption of it, the dog shall be transferred to the local animal control for redemption. If no transfer can occur, the animal shelter shall
proceed pursuant to Section 3.7. Upon lapse of the hold period specified in local ordinance and no owner can be identified, ownership of the animal, by operation of law, transfers to the shelter that has custody of the animal.

(e) No representative of an animal shelter may enter private property and remove an animal without permission from the property owner and animal owner, nor can any representative of an animal shelter direct another individual to enter private property and remove an animal unless that individual is an approved humane investigator (approved by the Department) operating pursuant to the provisions of the Humane Care for Animals Act.

(f) Nothing in this Section limits an animal shelter and an animal control facility who, through mutual agreement, wish to enter into an agreement for animal control, boarding, holding, or other services provided that the agreement requires parties adhere to the provisions of the Animal Control Act, the Humane Euthanasia in Animal Shelters Act, and the Humane Care for Animals Act.

Section 10. The Nursing Home Care Act is amended by changing
Sections 2-201.5 and 3-101.5 and by adding Section 3-202.6 as follows:
(210 ILCS 45/2-201.5)
Sec. 2-201.5. Screening prior to admission.
(a) All persons age 18 or older seeking admission to a nursing
facility must be screened to determine the need for nursing facility services
prior to being admitted, regardless of income, assets, or funding source.
Screening for nursing facility services shall be administered through
procedures established by administrative rule. Screening may be done by
agencies other than the Department as established by administrative rule.
This Section applies on and after July 1, 1996. No later than October 1,
2010, the Department of Healthcare and Family Services, in collaboration
with the Department on Aging, the Department of Human Services, and
the Department of Public Health, shall file administrative rules providing
for the gathering, during the screening process, of information relevant to
determining each person's potential for placing other residents, employees,
and visitors at risk of harm.
(a-1) Any screening performed pursuant to subsection (a) of this
Section shall include a determination of whether any person is being
considered for admission to a nursing facility due to a need for mental
health services. For a person who needs mental health services, the
screening shall also include an evaluation of whether there is permanent
supportive housing, or an array of community mental health services,
including but not limited to supported housing, assertive community
treatment, and peer support services, that would enable the person to live
in the community. The person shall be told about the existence of any such

services that would enable the person to live safely and humanely and about available appropriate nursing home services that would enable the person to live safely and humanely, and the person shall be given the assistance necessary to avail himself or herself of any available services.

(a-2) Pre-screening for persons with a serious mental illness shall be performed by a psychiatrist, a psychologist, a registered nurse certified in psychiatric nursing, a licensed clinical professional counselor, or a licensed clinical social worker, who is competent to (i) perform a clinical assessment of the individual, (ii) certify a diagnosis, (iii) make a determination about the individual's current need for treatment, including substance abuse treatment, and recommend specific treatment, and (iv) determine whether a facility or a community-based program is able to meet the needs of the individual.

For any person entering a nursing facility, the pre-screening agent shall make specific recommendations about what care and services the individual needs to receive, beginning at admission, to attain or maintain the individual's highest level of independent functioning and to live in the most integrated setting appropriate for his or her physical and personal care and developmental and mental health needs. These recommendations shall be revised as appropriate by the pre-screening or re-screening agent based on the results of resident review and in response to changes in the resident's wishes, needs, and interest in transition.

Upon the person entering the nursing facility, the Department of Human Services or its designee shall assist the person in establishing a relationship with a community mental health agency or other appropriate agencies in order to (i) promote the person's transition to independent living and (ii) support the person's progress in meeting individual goals.

(a-3) The Department of Human Services, by rule, shall provide for a prohibition on conflicts of interest for pre-admission screeners. The rule shall provide for waiver of those conflicts by the Department of Human Services if the Department of Human Services determines that a scarcity of qualified pre-admission screeners exists in a given community and that, absent a waiver of conflicts, an insufficient number of pre-admission screeners would be available. If a conflict is waived, the pre-admission screener shall disclose the conflict of interest to the screened individual in the manner provided for by rule of the Department of Human Services. For the purposes of this subsection, a "conflict of interest" includes, but is not limited to, the existence of a professional or financial relationship between

(i) a PAS-MH corporate or a PAS-MH agent and (ii) a community provider or long-term care facility.

(b) In addition to the screening required by subsection (a), a facility, except for those licensed as long term care for under age 22 facilities, shall, within 24 hours after admission, request a criminal history background check pursuant to the Uniform Conviction Information Act for all persons age 18 or older seeking admission to the facility, unless a background check was initiated by a hospital pursuant to subsection (d) of Section 6.09 of the Hospital Licensing Act or a pre-admission background check was conducted by the Department of Veterans' Affairs 30 days prior to admittance into an Illinois Veterans Home. Background checks conducted pursuant to this Section shall be based on the resident's name, date of birth, and other identifiers as required by the Department of State Police. If the results of the background check are inconclusive, the facility shall initiate a fingerprint-based check, unless the fingerprint check is waived by the Director of Public Health based on verification by the facility that the resident is completely immobile or that the resident meets other criteria related to the resident's health or lack of potential risk which may be established by Departmental rule. A waiver issued pursuant to this Section shall be valid only while the resident is immobile or while the criteria supporting the waiver exist. The facility shall provide for or arrange for any required fingerprint-based checks to be taken on the premises of the facility. If a fingerprint-based check is required, the facility shall arrange for it to be conducted in a manner that is respectful of the resident's dignity and that minimizes any emotional or physical hardship to the resident.

(c) If the results of a resident's criminal history background check reveal that the resident is an identified offender as defined in Section 1-114.01, the facility shall do the following:

(1) Immediately notify the Department of State Police, in the form and manner required by the Department of State Police, in collaboration with the Department of Public Health, that the resident is an identified offender.

(2) Within 72 hours, arrange for a fingerprint-based criminal history record inquiry to be requested on the identified offender resident. The inquiry shall be based on the subject's name, sex, race, date of birth, fingerprint images, and other identifiers required by the Department of State Police. The inquiry shall be processed through the files of the Department of State Police and

the Federal Bureau of Investigation to locate any criminal history record information that may exist regarding the subject. The Federal Bureau of Investigation shall furnish to the Department of State Police, pursuant to an inquiry under this paragraph (2), any criminal history record information contained in its files.

The facility shall comply with all applicable provisions contained in the Uniform Conviction Information Act.

All name-based and fingerprint-based criminal history record inquiries shall be submitted to the Department of State Police electronically in the form and manner prescribed by the Department of State Police. The Department of State Police may charge the facility a fee for processing name-based and fingerprint-based criminal history record inquiries. The fee shall be deposited into the State Police Services Fund. The fee shall not exceed the actual cost of processing the inquiry.

(d) (Blank).

(e) The Department shall develop and maintain a de-identified database of residents who have injured facility staff, facility visitors, or other residents, and the attendant circumstances, solely for the purposes of evaluating and improving resident pre-screening and assessment procedures (including the Criminal History Report prepared under Section 2-201.6) and the adequacy of Department requirements concerning the provision of care and services to residents. A resident shall not be listed in the database until a Department survey confirms the accuracy of the listing. The names of persons listed in the database and information that would allow them to be individually identified shall not be made public. Neither the Department nor any other agency of State government may use information in the database to take any action against any individual, licensee, or other entity, unless the Department or agency receives the information independent of this subsection (e). All information collected, maintained, or developed under the authority of this subsection (e) for the purposes of the database maintained under this subsection (e) shall be treated in the same manner as information that is subject to Part 21 of Article VIII of the Code of Civil Procedure.

(b) The Department shall inform an applicant in writing within 15 working days after receiving drawings and specifications from the applicant whether the applicant's submission is complete or incomplete. (e) The Department shall conduct an on-site inspection of the
completed project no later than 45 working days after notification from
the applicant that the project has been completed and all certifications
required by the Department have been received and accepted by the
Department. The Department may extend this deadline if a federally

demonstrated substantial compliance as defined by Department rule.

If the case involves substantiated neglect, the investigative report shall also state whether egregious neglect was found. An investigative report may also set forth recommendations. All investigative reports prepared by the Office of the Inspector General shall be considered confidential and shall not be released except as provided by the law of this State or as required under applicable federal law. Unsubstantiated and unfounded reports shall not be disclosed except as allowed under Section 6 of the Abused and Neglected Long Term Care Facility Residents Reporting Act. Raw data used to compile the investigative report shall not be subject to release unless required by law or a court order. "Raw data used to compile the investigative report" includes, but is not limited to, any one or more of the following: the initial complaint, witness statements, photographs, investigator's notes, police reports, or incident reports. If the allegations are substantiated, the accused shall be provided with a redacted copy of the investigative report. Death reports where there was no allegation of abuse or neglect shall only be released pursuant to applicable State or federal law or a valid court order.

(n) Written responses and reconsideration requests.

(1) Written responses. Within 30 calendar days from receipt of a substantiated investigative report or an investigative report which contains recommendations, absent a reconsideration request, the facility or agency shall file a written response that addresses, in a concise and reasoned manner, the actions taken to: (i) protect the individual; (ii) prevent recurrences; and (iii) eliminate the problems identified. The response shall include the implementation and completion dates of such actions. If the written response is not filed within the allotted 30 calendar day period, the Secretary shall determine the appropriate corrective action to be taken.

(2) Reconsideration requests. The facility, agency, victim or guardian, or the subject employee may request that the Office of

Inspector General reconsider or clarify its finding based upon additional information.

(o) Disclosure of the finding by the Inspector General. The Inspector General shall disclose the finding of an investigation to the following persons: (i) the Governor, (ii) the Secretary, (iii) the director of the facility or agency, (iv) the alleged victims and their guardians, (v) the complainant, and (vi) the accused. This information shall include whether the allegations were deemed substantiated, unsubstantiated, or unfounded.

(p) Secretary review. Upon review of the Inspector General's investigative report and any agency's or facility's written response, the Secretary shall accept or reject the written response and notify the Inspector General of that determination. The Secretary may further direct that other administrative action be taken, including, but not limited to, any one or more of the following: (i) additional site visits, (ii) training, (iii) provision of technical assistance relative to administrative needs, licensure or certification, or (iv) the imposition of appropriate sanctions.

(q) Action by facility or agency. Within 30 days of the date the Secretary approves the written response or directs that further administrative action be taken, the facility or agency shall provide an implementation report to the Inspector General that provides the status of the action taken. The facility or agency shall be allowed an additional 30 days to send notice of completion of the action or to send an updated implementation report. If the action has not been completed within the additional 30 day period, the facility or agency shall send updated implementation reports every 60 days until completion. The Inspector General shall conduct a review of any implementation plan that takes more than 120 days after approval to complete, and shall monitor compliance through a random review of approved written responses, which may include, but are not limited to: (i) site visits, (ii) telephone contact, and (iii) requests for additional documentation evidencing compliance.

(r) Sanctions. Sanctions, if imposed by the Secretary under Subdivision (p)(iv) of this Section, shall be designed to prevent further acts of mental abuse, physical abuse, sexual abuse, neglect, egregious neglect, or financial exploitation or some combination of one or more of those acts at a facility or agency, and may include any one or more of the following:

(1) Appointment of on-site monitors.
(2) Transfer or relocation of an individual or individuals.
(3) Closure of units.

New matter indicated by italics - deletions by strikeout
(4) Termination of any one or more of the following:
   (i) Department licensing, (ii) funding, or (iii) certification.
   The Inspector General may seek the assistance of the Illinois
   Attorney General or the office of any State's Attorney in implementing
   sanctions.

(s) Health care worker registry.
   (1) Reporting to the registry. The Inspector General shall
   report to the Department of Public Health's health care worker
   registry, a public registry, the identity and finding of each
   employee of a facility or agency against whom there is a final
   investigative report containing a substantiated allegation of
   physical or sexual abuse, financial exploitation, or egregious
   neglect of an individual.
   (2) Notice to employee. Prior to reporting the name of an
   employee, the employee shall be notified of the Department's
   obligation to report and shall be granted an opportunity to request
   an administrative hearing, the sole purpose of which is to
determine if the substantiated finding warrants reporting to the
registry. Notice to the employee shall contain a clear and concise
statement of the grounds on which the report to the registry is
based, offer the employee an opportunity for a hearing, and identify
the process for requesting such a hearing. Notice is sufficient if
provided by certified mail to the employee's last known address. If
the employee fails to request a hearing within 30 days from the
date of the notice, the Inspector General shall report the name of
the employee to the registry. Nothing in this subdivision (s)(2)
shall diminish or impair the rights of a person who is a member of
a collective bargaining unit under the Illinois Public Labor
Relations Act or under any other federal labor statute.
   (3) Registry hearings. If the employee requests an
administrative hearing, the employee shall be granted an
opportunity to appear before an administrative law judge to present
reasons why the employee's name should not be reported to the
registry. The Department shall bear the burden of presenting
evidence that establishes, by a preponderance of the evidence, that
the substantiated finding warrants reporting to the registry. After
considering all the evidence presented, the administrative law
judge shall make a recommendation to the Secretary as to whether
the substantiated finding warrants reporting the name of the

employee to the registry. The Secretary shall render the final decision. The Department and the employee shall have the right to request that the administrative law judge consider a stipulated disposition of these proceedings.

(4) Testimony at registry hearings. A person who makes a report or who investigates a report under this Act shall testify fully in any judicial proceeding resulting from such a report, as to any evidence of abuse or neglect, or the cause thereof. No evidence shall be excluded by reason of any common law or statutory privilege relating to communications between the alleged perpetrator of abuse or neglect, or the individual alleged as the victim in the report, and the person making or investigating the report. Testimony at hearings is exempt from the confidentiality requirements of subsection (f) of Section 10 of the Mental Health and Developmental Disabilities Confidentiality Act.

(5) Employee's rights to collateral action. No reporting to the registry shall occur and no hearing shall be set or proceed if an employee notifies the Inspector General in writing, including any supporting documentation, that he or she is formally contesting an adverse employment action resulting from a substantiated finding by complaint filed with the Illinois Civil Service Commission, or which otherwise seeks to enforce the employee's rights pursuant to any applicable collective bargaining agreement. If an action taken by an employer against an employee as a result of a finding of physical abuse, sexual abuse, or egregious neglect is overturned through an action filed with the Illinois Civil Service Commission or under any applicable collective bargaining agreement and if that employee's name has already been sent to the registry, the employee's name shall be removed from the registry.

(6) Removal from registry. At any time after the report to the registry, but no more than once in any 12-month period, an employee may petition the Department in writing to remove his or her name from the registry. Upon receiving notice of such request, the Inspector General shall conduct an investigation into the petition. Upon receipt of such request, an administrative hearing will be set by the Department. At the hearing, the employee shall bear the burden of presenting evidence that establishes, by a preponderance of the evidence, that removal of the name from the registry is in the public interest. The parties may jointly request that

the administrative law judge consider a stipulated disposition of
these proceedings.
(t) Review of Administrative Decisions. The Department shall
preserve a record of all proceedings at any formal hearing conducted by
the Department involving health care worker registry hearings. Final
administrative decisions of the Department are subject to judicial review
pursuant to provisions of the Administrative Review Law.

(u) Quality Care Board. There is created, within the Office of the
Inspector General, a Quality Care Board to be composed of 7 members
appointed by the Governor with the advice and consent of the Senate. One
of the members shall be designated as chairman by the Governor. Of the
initial appointments made by the Governor, 4 Board members shall each
be appointed for a term of 4 years and 3 members shall each be appointed
for a term of 2 years. Upon the expiration of each member's term, a
successor shall be appointed for a term of 4 years. In the case of a vacancy
in the office of any member, the Governor shall appoint a successor for the
remainder of the unexpired term.

Members appointed by the Governor shall be qualified by
professional knowledge or experience in the area of law, investigatory
techniques, or in the area of care of the mentally ill or developmentally
disabled. Two members appointed by the Governor shall be persons with a
disability or a parent of a person with a disability. Members shall serve
without compensation, but shall be reimbursed for expenses incurred in
connection with the performance of their duties as members.

The Board shall meet quarterly, and may hold other meetings on
the call of the chairman. Four members shall constitute a quorum allowing
the Board to conduct its business. The Board may adopt rules and
regulations it deems necessary to govern its own procedures.

The Board shall monitor and oversee the operations, policies, and
procedures of the Inspector General to ensure the prompt and thorough
investigation of allegations of neglect and abuse. In fulfilling these
responsibilities, the Board may do the following:

1. Provide independent, expert consultation to the
Inspector General on policies and protocols for investigations of
alleged abuse, neglect, or both abuse and neglect.
2. Review existing regulations relating to the operation of
facilities.
3. Advise the Inspector General as to the content of
training activities authorized under this Section.

(4) Recommend policies concerning methods for improving the intergovernmental relationships between the Office of the Inspector General and other State or federal offices.

(v) Annual report. The Inspector General shall provide to the General Assembly and the Governor, no later than January 1 of each year, a summary of reports and investigations made under this Act for the prior fiscal year with respect to individuals receiving mental health or developmental disabilities services. The report shall detail the imposition of sanctions, if any, and the final disposition of any corrective or administrative action directed by the Secretary. The summaries shall not contain any confidential or identifying information of any individual, but shall include objective data identifying any trends in the number of reported allegations, the timeliness of the Office of the Inspector General's investigations, and their disposition, for each facility and Department-wide, for the most recent 3-year time period. The report shall also identify, by facility, the staff-to-patient ratios taking account of direct care staff only. The report shall also include detailed recommended administrative actions and matters for consideration by the General Assembly.

(w) Program audit. The Auditor General shall conduct a program audit of the Office of the Inspector General on an as-needed basis, as determined by the Auditor General. The audit shall specifically include the Inspector General's compliance with the Act and effectiveness in investigating reports of allegations occurring in any facility or agency. The Auditor General shall conduct the program audit according to the provisions of the Illinois State Auditing Act and shall report its findings to the General Assembly no later than January 1 following the audit period.

(x) Nothing in this Section shall be construed to mean that a patient is a victim of abuse or neglect because of health care services appropriately provided or not provided by health care professionals.

(y) Nothing in this Section shall require a facility, including its employees, agents, medical staff members, and health care professionals, to provide a service to a patient in contravention of that patient's stated or implied objection to the provision of that service on the ground that that service conflicts with the patient's religious beliefs or practices, nor shall the failure to provide a service to a patient be considered abuse under this Section if the patient has objected to the provision of that service based on his or her religious beliefs or practices.

PUBLIC ACT 99-0325
(House Bill No. 1360)

AN ACT concerning education.
Be it enacted by the People of the State of Illinois, represented in the General Assembly:

Section 5. The School Code is amended by changing Section 27A-5 as follows:

(105 ILCS 5/27A-5)

Sec. 27A-5. Charter school; legal entity; requirements.
(a) A charter school shall be a public, nonsectarian, nonreligious, non-home based, and non-profit school. A charter school shall be organized and operated as a nonprofit corporation or other discrete, legal, nonprofit entity authorized under the laws of the State of Illinois.

New matter indicated by italics - deletions by strikeout
(b) A charter school may be established under this Article by creating a new school or by converting an existing public school or attendance center to charter school status. Beginning on the effective date of this amendatory Act of the 93rd General Assembly, in all new applications to establish a charter school in a city having a population exceeding 500,000, operation of the charter school shall be limited to one campus. The changes made to this Section by this amendatory Act of the 93rd General Assembly do not apply to charter schools existing or approved on or before the effective date of this amendatory Act.

(b-5) In this subsection (b-5), "virtual-schooling" means a cyber school where students engage in online curriculum and instruction via the Internet and electronic communication with their teachers at remote locations and with students participating at different times.

From April 1, 2013 through December 31, 2016, there is a moratorium on the establishment of charter schools with virtual-schooling components in school districts other than a school district organized under Article 34 of this Code. This moratorium does not apply to a charter school with virtual-schooling components existing or approved prior to April 1, 2013 or to the renewal of the charter of a charter school with virtual-schooling components already approved prior to April 1, 2013.

On or before March 1, 2014, the Commission shall submit to the General Assembly a report on the effect of virtual-schooling, including without limitation the effect on student performance, the costs associated with virtual-schooling, and issues with oversight. The report shall include policy recommendations for virtual-schooling.

(c) A charter school shall be administered and governed by its board of directors or other governing body in the manner provided in its charter. The governing body of a charter school shall be subject to the Freedom of Information Act and the Open Meetings Act.

(d) For purposes of this subsection (d), "non-curricular health and safety requirement" means any health and safety requirement created by statute or rule to provide, maintain, preserve, or safeguard safe or healthful conditions for students and school personnel or to eliminate, reduce, or prevent threats to the health and safety of students and school personnel. "Non-curricular health and safety requirement" does not include any course of study or specialized instructional requirement for which the State Board has established goals and learning standards or which is designed primarily to impart knowledge and skills for students to master and apply as an outcome of their education.

New matter indicated by italics - deletions by strikeout
A charter school shall comply with all non-curricular health and safety requirements applicable to public schools under the laws of the State of Illinois. *On or before September 1, 2015, the State Board shall promulgate and post on its Internet website a list of non-curricular health and safety requirements that a charter school must meet. The list shall be updated annually no later than September 1. Any charter contract between a charter school and its authorizer must contain a provision that requires the charter school to follow the list of all non-curricular health and safety requirements promulgated by the State Board and any non-curricular health and safety requirements added by the State Board to such list during the term of the charter. Nothing in this subsection (d) precludes an authorizer from including non-curricular health and safety requirements in a charter school contract that are not contained in the list promulgated by the State Board, including non-curricular health and safety requirements of the authorizing local school board.*

(e) Except as otherwise provided in the School Code, a charter school shall not charge tuition; provided that a charter school may charge reasonable fees for textbooks, instructional materials, and student activities.

(f) A charter school shall be responsible for the management and operation of its fiscal affairs including, but not limited to, the preparation of its budget. An audit of each charter school's finances shall be conducted annually by an outside, independent contractor retained by the charter school. To ensure financial accountability for the use of public funds, on or before December 1 of every year of operation, each charter school shall submit to its authorizer and the State Board a copy of its audit and a copy of the Form 990 the charter school filed that year with the federal Internal Revenue Service. In addition, if deemed necessary for proper financial oversight of the charter school, an authorizer may require quarterly financial statements from each charter school.

(g) A charter school shall comply with all provisions of this Article; the Illinois Educational Labor Relations Act; all federal and State laws and rules applicable to public schools that pertain to special education and the instruction of English language learners, referred to in this Code as "children of limited English-speaking ability"; and its charter. A charter school is exempt from all other State laws and regulations in this Code governing public schools and local school board policies; however, *a charter school is not exempt from* except the following:

The change made by Public Act 96-104 to this subsection (g) is declaratory of existing law.

(h) A charter school may negotiate and contract with a school district, the governing body of a State college or university or public community college, or any other public or for-profit or nonprofit private entity for: (i) the use of a school building and grounds or any other real property or facilities that the charter school desires to use or convert for use as a charter school site, (ii) the operation and maintenance thereof, and (iii) the provision of any service, activity, or undertaking that the charter school is required to perform in order to carry out the terms of its charter. However, a charter school that is established on or after the effective date of this amendatory Act of the 93rd General Assembly and that operates in a city having a population exceeding 500,000 may not contract with a for-profit entity to manage or operate the school during the period that commences on the effective date of this amendatory Act of the 93rd General Assembly and concludes at the end of the 2004-2005 school year. Except as provided in subsection (i) of this Section, a school district may charge a charter school reasonable rent for the use of the district's buildings, grounds, and facilities. However, all other costs for the operation and maintenance of school district facilities that are used by the charter school shall be subject to negotiation between the charter school and the local school board and shall be set forth in the charter.

(j) A charter school may limit student enrollment by age or grade level.

(k) If the charter school is approved by the Commission, then the Commission charter school is its own local education agency.

5. To the greatest extent possible, comparative hospital information initiatives shall use standard-based norms derived from widely accepted provider-developed practice guidelines.

6. Comparative hospital information and other information that the Department has compiled regarding hospitals shall be shared with the hospitals under review prior to public dissemination of such information and these hospitals have 30 days...

(755 ILCS 45/4-10) (from Ch. 110 1/2, par. 804-10)
Sec. 4-10. Statutory short form power of attorney for health care.

New matter indicated by italics - deletions by strikeout
(a) The form prescribed in this Section (sometimes also referred to in this Act as the "statutory health care power") may be used to grant an agent powers with respect to the principal's own health care; but the statutory health care power is not intended to be exclusive nor to cover delegation of a parent's power to control the health care of a minor child, and no provision of this Article shall be construed to invalidate or bar use by the principal of any other or different form of power of attorney for health care. Nonstatutory health care powers must be executed by the principal, designate the agent and the agent's powers, and comply with the limitations in Section 4-5 of this Article, but they need not be witnessed or conform in any other respect to the statutory health care power.

No specific format is required for the statutory health care power of attorney other than the notice must precede the form. The statutory health care power may be included in or combined with any other form of power of attorney governing property or other matters.

(b) The Illinois Statutory Short Form Power of Attorney for Health Care shall be substantially as follows:

NOTICE TO THE INDIVIDUAL SIGNING
THE POWER OF ATTORNEY FOR HEALTH CARE

No one can predict when a serious illness or accident might occur. When it does, you may need someone else to speak or make health care decisions for you. If you plan now, you can increase the chances that the medical treatment you get will be the treatment you want.

In Illinois, you can choose someone to be your "health care agent". Your agent is the person you trust to make health care decisions for you if you are unable or do not want to make them yourself. These decisions should be based on your personal values and wishes.

It is important to put your choice of agent in writing. The written form is often called an "advance directive". You may use this form or another form, as long as it meets the legal requirements of Illinois. There are many written and on-line resources to guide you and your loved ones in having a conversation about these issues. You may find it helpful to look at these resources while thinking about and discussing your advance directive.

WHAT ARE THE THINGS I WANT MY HEALTH CARE AGENT TO KNOW?

The selection of your agent should be considered carefully, as your agent will have the ultimate decision making authority once this document goes into effect, in most instances after you are no longer able to make

New matter indicated by italics - deletions by strikeout
your own decisions. While the goal is for your agent to make decisions in keeping with your preferences and in the majority of circumstances that is what happens, please know that the law does allow your agent to make decisions to direct or refuse health care interventions or withdraw treatment. Your agent will need to think about conversations you have had, your personality, and how you handled important health care issues in the past. Therefore, it is important to talk with your agent and your family about such things as:

(i) What is most important to you in your life?
(ii) How important is it to you to avoid pain and suffering?
(iii) If you had to choose, is it more important to you to live as long as possible, or to avoid prolonged suffering or disability?
(iv) Would you rather be at home or in a hospital for the last days or weeks of your life?
(v) Do you have religious, spiritual, or cultural beliefs that you want your agent and others to consider?
(vi) Do you wish to make a significant contribution to medical science after your death through organ or whole body donation?
(vii) Do you have an existing advanced directive, such as a living will, that contains your specific wishes about health care that is only delaying your death? If you have another advance directive, make sure to discuss with your agent the directive and the treatment decisions contained within that outline your preferences. Make sure that your agent agrees to honor the wishes expressed in your advance directive.

WHAT KIND OF DECISIONS CAN MY AGENT MAKE?
If there is ever a period of time when your physician determines that you cannot make your own health care decisions, or if you do not want to make your own decisions, some of the decisions your agent could make are to:

(i) talk with physicians and other health care providers about your condition.
(ii) see medical records and approve who else can see them.
(iii) give permission for medical tests, medicines, surgery, or other treatments.
(iv) choose where you receive care and which physicians and others provide it.

New matter indicated by italics - deletions by strikeout
(v) decide to accept, withdraw, or decline treatments designed to keep you alive if you are near death or not likely to recover. You may choose to include guidelines and/or restrictions to your agent's authority.

(vi) agree or decline to donate your organs or your whole body if you have not already made this decision yourself. This could include donation for transplant, research, and/or education. You should let your agent know whether you are registered as a donor in the First Person Consent registry maintained by the Illinois Secretary of State or whether you have agreed to donate your whole body for medical research and/or education.

(vii) decide what to do with your remains after you have died, if you have not already made plans.

(viii) talk with your other loved ones to help come to a decision (but your designated agent will have the final say over your other loved ones).

Your agent is not automatically responsible for your health care expenses.

WHOM SHOULD I CHOOSE TO BE MY HEALTH CARE AGENT?

You can pick a family member, but you do not have to. Your agent will have the responsibility to make medical treatment decisions, even if other people close to you might urge a different decision. The selection of your agent should be done carefully, as he or she will have ultimate decision-making authority for your treatment decisions once you are no longer able to voice your preferences. Choose a family member, friend, or other person who:

(i) is at least 18 years old;

(ii) knows you well;

(iii) you trust to do what is best for you and is willing to carry out your wishes, even if he or she may not agree with your wishes;

(iv) would be comfortable talking with and questioning your physicians and other health care providers;

(v) would not be too upset to carry out your wishes if you became very sick; and

(vi) can be there for you when you need it and is willing to accept this important role.

WHAT IF MY AGENT IS NOT AVAILABLE OR IS UNWILLING TO MAKE DECISIONS FOR ME?

New matter indicated by italics - deletions by strikeout
If the person who is your first choice is unable to carry out this role, then the second agent you chose will make the decisions; if your second agent is not available, then the third agent you chose will make the decisions. The second and third agents are called your successor agents and they function as back-up agents to your first choice agent and may act only one at a time and in the order you list them.

**WHAT WILL HAPPEN IF I DO NOT CHOOSE A HEALTH CARE AGENT?**

If you become unable to make your own health care decisions and have not named an agent in writing, your physician and other health care providers will ask a family member, friend, or guardian to make decisions for you. In Illinois, a law directs which of these individuals will be consulted. In that law, each of these individuals is called a "surrogate".
