The recorder may charge the standard and applicable recording fees at the time the order is presented for recording.

If feasible, the recorder shall watermark the erroneous recording as voided using the word "voided".

(i) Except in cases of willful or wanton misconduct, the recorder, or any agent or employee of the recorder, is immune from any liability under this Section.

(j) The program implemented under this amendatory Act of the 99th General Assembly shall be considered a pilot program from January 1, 2016 to January 1, 2019. partnership, the information specified herein shall be required of each partner. If the applicant is a corporation or limited liability company, the said information shall be required of each controlling person officer, director and stockholder thereof along with disclosure of their ownership interests. If the applicant is a limited liability company, the information required by this Section shall be provided with respect to each member and manager along with disclosure of their ownership interests.

A licensee's initial community currency exchange license application shall be accompanied by a fee of $500, prior to January 1, 2012. After January 1, 2012 the fee shall be $750. After January 1, 2014 the fee shall be $1,000 for the cost of investigating the applicant. A licensee's application for licenses for additional licensed locations shall be accompanied by a fee of $1,000 for each additional license. If the ownership of a licensee or licensed location changes, in whole or in part, a new application must be filed pursuant to this Section along with a $500 fee if the licensee's ownership interests have been transferred or sold to a new person or entity or a fee of $300 if the licensee's ownership interests have been transferred or sold to a current holder or holders of the licensee's ownership interests. When the application for a community currency exchange license has been approved by the Secretary and the applicant so advised, an additional sum of $400 as an annual license fee for a period terminating on the last day of the current calendar year shall be paid to the Secretary by the applicant; provided, that the license fee for an applicant applying for such a license after July 1st of any year shall be $200 for the balance of such year. Once the Secretary determines that the application is complete, the Secretary shall have 90 business days to approve or deny the application. If the application is denied, the Secretary shall send by United States mail notice of the denial to the applicant at the address set forth in the application. If an application is denied, the applicant may, within 10 days after the date of the notice of denial, make a written request to the Secretary for a hearing on the application. The hearing shall be set for a date after the receipt by the Secretary of the request for a hearing, and written notice of the time and

place of the hearing shall be mailed to the applicant no later than 15 days before the date of the hearing. The hearing shall be scheduled for a date within 56 days after the date of the receipt of the request for a hearing. The applicant shall pay the actual cost of making the transcript of the hearing prior to the Secretary's issuing his or her decision. The Secretary's decision is subject to review as provided in Section 22.01 of this Act.

An application for an ambulatory currency exchange license shall be accompanied by a fee of $100, which fee shall be for the cost of investigating the applicant. An approved applicant shall not be required to pay the initial investigation fee of $100 more than once. When the application for an ambulatory currency exchange license has been approved by the Secretary, and such applicant so advised, such applicant shall pay an annual license fee of $25 for each and every location to be served by such applicant; provided that such license fee for an approved applicant applying for such a license after July 1st of any year shall be $12 for the balance of such year for each and every location to be served by such applicant. Sec. 4.1. Application; investigation; community need.
(a) The General Assembly finds and declares that community currency exchanges provide important and vital services to Illinois citizens, that the number of community currency exchanges should be limited in accordance with the needs of the communities they are to serve, and that it is in the public interest to promote and foster the community currency exchange business and to insure the financial stability thereof.

(b) Upon receipt of an application for a license for a community currency exchange, the Secretary shall cause an investigation to determine:

(1) the need of the community for the establishment of a community currency exchange at the location specified in the application; and

(2) the effect that granting the license will have on the financial stability of other community currency exchanges that may be serving the community in which the business of the applicant is proposed to be conducted.

(c) "Community", as used in this Act, means a locality where there may or can be available to the people thereof the services of a community currency exchange reasonably accessible to them.

(d) If the issuance of a license to engage in the community currency exchange business at the location specified will not promote the needs and the convenience and advantage of the community in which the business of the applicant is proposed to be conducted, then the application shall be denied.

(e) As a part of the investigation, the Secretary shall, within 15 business days after receipt of an application, notify in writing all currency exchanges located within a one-half mile radius of the proposed new currency exchange in any municipality with a population of 500,000 or more or located within a one-mile radius of the proposed new currency exchange outside a municipality with a population of 500,000 or more of the application and the proposed location. Within 15 business days after the notice, any currency exchange as described in paragraph (2) of subsection (b) of this Section may notify the Secretary it intends to protest the application. If the currency exchange intends to protest the application, then the currency exchange shall, within 30 days after notifying the Secretary, provide the Secretary with any information requested to substantiate that granting the license would have a material and negative effect upon the financial stability of the existing currency exchange or would not promote the needs and the convenience and advantage of the community. Once the investigation is completed, the Secretary shall, within 15 business days thereafter, notify any currency exchange as described in paragraph (2) of subsection (b) of this Section of the determination to approve or deny the application. The determination shall sufficiently detail the facts that led to the determination.

Sec. 5. Bond; condition; amount.
(a) Before any license shall be issued to a licensee to operate a community currency exchange the applicant shall file annually with and have approved by the Secretary a surety bond, issued by a bonding company authorized to do business in this State in the principal sum of $25,000 for each licensed location, up to a maximum aggregate principal sum of $350,000 for each licensee regardless of the number of licenses held. Such bond shall run to the Secretary and shall be for the benefit of any creditors of such licensee. The bond shall be for the benefit of any creditors of such licensee for any liability incurred by the licensee on any money orders, including any fees and penalties incurred by the remitter should the money order be returned unpaid, issued or sold by the licensee in the ordinary course of its business and for any liability incurred by the licensee for any sum or sums due to any payee or endorsee of any check, draft or money order left with the licensee in the ordinary course of its business for collection, and for any liability to the public incurred by the licensee in the ordinary course of its business in connection with the rendering of any of the services referred to in Section 3 of this Act.

To protect the public and allow for the effective underwriting of bonds, the surety bond shall not cover money orders issued and other liabilities incurred by a currency exchange for its own account or that of its controlling persons, including money orders issued or liabilities incurred by the currency exchange to obtain cash for its own operations, to pay for the currency exchange’s own bills or liabilities or that of its controlling persons, or to obtain things of value for the currency exchange or its controlling persons, regardless of whether such things of value are

used in the currency exchange's operations or sold by the currency exchange.

From time to time the Secretary may determine the amount of liabilities as described herein and shall require the licensee to file a bond in an additional sum if the same is determined to be necessary in accordance with the requirements of this Section. In no case shall the bond be less than the initial $25,000, nor more than the outstanding liabilities.

(b) In lieu of the surety bond requirements of subsection (a), a community currency exchange licensee may submit evidence satisfactory to the Secretary that the community currency exchange licensee is covered by a blanket bond that covers multiple licensees who are members of a statewide association of community currency exchanges or licensees. Such a blanket bond must be issued by a bonding company authorized to do business in this State and in a principal aggregate sum of not less than $3,000,000 as of May 1, 2012, and not less than $4,000,000 as of May 1, 2014.

(c) An ambulatory currency exchange may sell or issue money orders at any location with regard to which it is issued a license pursuant to this Act, including existing licensed locations, without the necessity of a further application or hearing and without regard to any exceptions contained in existing licenses, upon the filing with the Secretary of a surety bond approved by the Secretary and issued by a bonding company or insurance company authorized to do business in Illinois, in the principal sum of $100,000. Such bond may be a blanket bond covering all locations at which the ambulatory currency exchange may sell or issue money orders, and shall run to the Secretary for the use and benefit of any creditors of such ambulatory currency exchange for any liability incurred by the ambulatory currency exchange on any money orders issued or sold by it to the public in the ordinary course of its business. Such bond shall be renewed annually. If after the expiration of one year from the date of approval of such bond by the Secretary, it shall appear that the average amount of such liability during the year has exceeded $100,000, the Secretary shall require the licensee to furnish a bond for the ensuing year, to be approved by the Secretary, for an additional principal sum of $1,000 for each $1,000 of such liability or fraction thereof in excess of the original $100,000, except that the maximum amount of such bond shall not be required to exceed $250,000.

Sec. 6. Insurance against loss.

(a) Every applicant for a license hereunder shall, after his application for a license has been approved, file with and have approved by the Secretary, a policy or policies of insurance issued by an insurance company or indemnity company authorized to do business under the law of this State, which shall insure the applicant against loss by theft, burglary, robbery or forgery in a principal sum as hereinafter provided; if the average amount of cash and liquid funds to be kept on hand at the licensed location in the office of the community currency exchange during the year will not be in excess of $10,000 the policy or policies shall be in the principal sum of $10,000. If such average amount will be in excess of $10,000, the policy or policies shall be for an additional principal sum of $500 for each $1,000 or fraction thereof of such excess over the original $10,000. From time to time, the Secretary may determine the amount of cash and liquid funds on hand at the licensed location in the office of any community currency exchange and shall require the licensee to submit additional policies if the same are determined to be necessary in accordance with the requirements of this Section.

However, any licensee community currency exchange licensed under this Act may meet the insurance requirements of this subsection (a) by submitting evidence satisfactory to the Secretary that the licensee is covered by a blanket insurance policy that covers multiple licensees. The blanket insurance policy: (i) shall insure the licensee against loss by theft, robbery, or forgery; (ii) shall be issued by an insurance company authorized to do business in this State; and (iii) shall be in the principal sum of an amount equal to the maximum amount required under this Section for any one licensee covered by the insurance policy.

Any such policy or policies, with respect to forgery, may carry a condition that the community currency exchange assumes the first $1,000 of each claim thereunder.

(b) Before an ambulatory currency exchange shall sell or issue money orders, it shall file with and have approved by the Secretary, a policy or policies of insurance issued by an insurance company or indemnity company authorized to do business under the laws of this State, which shall insure such ambulatory currency exchange against loss by theft, burglary, robbery, forgery or embezzlement in the principal sum of not less than $500,000. If the average amount of cash and liquid funds to be kept on hand during the year will exceed $500,000, the policy or policies shall be for an additional principal sum of $500 for each $1,000 or
fraction thereof in excess of $500,000. From time to time the Secretary may determine the amount of cash and liquid funds kept on hand by an ambulatory currency exchange and shall require it to submit such additional policies as are determined to be required within the limits of this Section. No ambulatory currency exchange subject to this Section shall be required to furnish more than one policy of insurance if the policy furnished insures it against the foregoing losses at all locations served by it.

Any such policy may contain a condition that the insured assumes a portion of the loss, provided the insured shall file with such policy a sworn financial statement indicating its ability to act as self-insurer in the amount of such deductible portion of the policy without prejudice to the safety of any funds belonging to its customers. If the Secretary is not satisfied as to the financial ability of the ambulatory currency exchange, he may require it to deposit cash or United States Government Bonds in the amount of part or all of the deductible portion of the policy.

Sec. 7. Available funds; minimum amount. Each licensee shall have, at all times, a minimum of $5,000 for each currency exchange license it holds of its own cash funds available for the uses and purposes of its currency exchange business and said minimum sum shall be exclusive of and in addition to funds received for exchange or transfer; and in addition thereto each such licensee shall at all times have on hand an amount of liquid funds sufficient to pay on demand all outstanding money orders issued by it. Whenever a licensee holds more than one community currency exchange license, the aggregate of the minimum liquid funds required under this Section 7 for all of such licensee's licensed locations may be held by the licensee in a single account in the licensee's name, provided that the total liquid funds equals a minimum of $5,000 multiplied by the number of licenses held by that licensee.

In the event a receiver is appointed in accordance with Section 15.1 of this Act, and the Secretary determines that the business of the currency exchange should be liquidated, and if it shall appear that the said minimum sum was not on hand or available at the time of the appointment of the receiver, then the receiver shall have the right to recover in any court of competent jurisdiction from the owner or owners of such currency exchange, or from the stockholders and directors thereof if such currency

If an application is denied, the applicant may, within 10 days from the date of the notice of denial, make written request to the Secretary for a hearing on the application, and the Secretary shall set a time and place for the hearing. with the provisions of this Act governing an original issuance of a license, for each new license.

Whenever a community currency exchange or an ambulatory currency exchange shall wish to change its name in its license, it shall file an application for approval thereof with the Secretary, and if the change is approved by the Secretary he shall attach to the license, in writing, a rider stating the licensee's new name.

If an ambulatory currency exchange has serviced a licensed location for 2 years or longer and the employer whose employees are served at that location has moved his place of business, the currency exchange may continue its service to the employees of that employer at the new address of that employer's place of business by filing a notice of the change of address with the Secretary and by relinquishing its license to conduct its business at the employer's old address upon receipt of a license to conduct its business at the employer's new address. Nothing in this Act shall preclude or prevent an ambulatory currency exchange from filing an application to conduct its business at the old address of an employer who moved his place of business after the ambulatory currency exchange receives a license to conduct its business at the employer's new address through the filing of a notice of its change of address with the Secretary and the relinquishing of its license to conduct its business at the employer's old address.

Whenever a currency exchange wishes to make any other change in the address set forth in any of its licenses, it shall apply to the Secretary for approval of such change of address. Every application for approval of a change of address shall be treated by the Secretary in the same manner as is otherwise provided in this Act for the treatment of proposed places of business or locations as contained in new applications for licenses; and if any fact or condition then exists with respect to the application for change of address, which fact or condition would otherwise authorize denial of a new application for a license because of the address of the proposed location or place of business, then such application for change of address shall not be approved. Whenever a community currency exchange wishes to sell its physical assets, it may do so, however, if the assets are sold with the intention of continuing the operation of a community currency exchange, the purchaser or purchasers must first make application to the Secretary for licensure in accordance with Section 4 and 10 of this Act. The annual license fee for each community currency exchange is $200, prior to January 1, 2012. After January 1, 2012 the fee shall be $300. Sec. 15. Fines; suspension; revocation. The Secretary may, after 15 business days notice by registered or certified mail to the licensee at the address set forth in the license, or by email or facsimile transmission if such other method is previously designated by the licensee, stating the contemplated action and in general the grounds therefore, fine the licensee an amount not exceeding $1,000 per violation or revoke or suspend any license issued if he or she finds that:

(a) the licensee has failed to pay the annual license fee or to maintain in effect the required bond or bonds or insurance policy or policies; or

(b) the licensee has failed to comply with any provision of this Act or any order, decision, finding, rule, regulation, or direction of the Secretary lawfully made under the authority of this Act; or

(c) the licensee has violated any provision of this Act or any regulation or direction made by the Secretary under this Act; or

(d) any fact or condition exists which, if it had existed at the time of the original application for such license, would have warranted the Secretary in refusing the issuance of the license; or

(e) the licensee has not operated the currency exchange or at the location licensed, for a period of 60 consecutive days, unless the licensee was prevented from operating during such period by reason of events or acts beyond the licensee's control.

The notice required to fine a licensee or suspend or revoke a license under this Section shall state (i) the specific nature and a clear and concise description of the violation; (ii) the Sections of this Act or rules that have been violated; (iii) the contemplated fine or action; (iv) that the licensee may, within 15 business days from the date of the notice, request a hearing pursuant to Section 22.01 of this Act; (v) that the licensee may, within 15 business days after the notice, take corrective action to mitigate any fine or contemplated action; and (vi) the specific corrective action to be taken.

Consistent with the provisions of this Act, the Secretary may, after weighing any harm to the public, the seriousness of the offense, and the history of the licensee, fine a licensee an amount graduated up to $1,000 per violation.

No license shall be revoked until the licensee has had notice of a hearing on the proposed revocation and an opportunity to be heard. The Secretary shall send a copy of the order, finding, or decision of revocation by United States mail, or by email or facsimile transmission, if such other method is previously designated by the licensee, to the licensee at the address set forth in the license or to such other email address or facsimile transmission phone number previously designated by the licensee, within 5 days after the order or decision is entered. A review of any such order, finding, or decision is available under Section 22.01 of this Act.

The Secretary may fine, suspend or revoke only the particular license or licenses for particular places of business or locations with respect to which grounds for revocation may occur or exist; except that if he shall find that such grounds for revocation are of general application to all places of business or locations, or that such grounds for fines, suspension or revocation have occurred or exist with respect to a substantial number of places of business or locations, he may fine, suspend or revoke all of the licenses issued to such licensee.

An order assessing a fine, an order revoking or suspending a license, or an order denying renewal of a license shall take effect on service of the order unless the licensee requests a hearing pursuant to this Section, in writing, within 15 days after the date of service. In the event a hearing is requested, the order shall be stayed until a final administrative
order is entered. If the licensee requests a hearing, the Secretary shall
schedule a hearing within 30 days after the request for a hearing unless
otherwise agreed to by the parties. The hearing shall be held at the time
and place designated by the Secretary.

The Secretary and any administrative law judge designated by him
or her shall have the power to administer oaths and affirmations, subpoena
witnesses and compel their attendance, take evidence, and require the
production of books, papers, correspondence, and other records or
information that he or she considers relevant or material to the inquiry.

In case of contumacy or refusal of a witness to obey a subpoena, any
circuit court of this State whose jurisdiction encompasses where the
hearing is located may issue an order requiring such witness to appear
before the Secretary or the hearing officer, to produce documentary
evidence, or to give testimony touching the matter in question; and the
court may punish any failures to obey such orders of the court as contempt.

A licensee may surrender any license by delivering to the Secretary
written notice that he, they or it thereby surrenders such license, but such
surrender shall not affect such licensee's civil or criminal liability for acts
committed prior to such surrender, or affect the liability on his, their or its
bond or bonds, or his, their or its policy or policies of insurance, required
by this Act, or entitle such licensee to a return of any part of the annual
license fee or fees.

Every license issued hereunder shall remain in force until the same
shall expire, or shall have been surrendered, suspended or revoked in
accordance with this Act, but the Secretary may on his own motion, issue
new licenses to a licensee whose license or licenses shall have been
revoked if no fact or condition then exists which clearly would have
warranted the Secretary in refusing originally the issuance of such license
under this Act.

Except in the case of an action taken pursuant to a violation of Section 6-3, 6-5, or 6-9, any action by the State Commission to suspend or revoke a licensee's license may be limited to the license for the specific premises where the violation occurred.

In lieu of suspending or revoking a license, the commission may impose a fine, upon the State commission's determination and notice after hearing, that a licensee has violated any provision of this Act or any rule or regulation issued pursuant thereto and in effect for 30 days prior to such violation. For the purpose of this paragraph (1), when determining multiple violations for the sale of alcohol to a person under the age of 21, a second or subsequent violation for the sale of alcohol to a person under the age of 21 shall only be considered if it was committed within 5 years after the date when a prior violation for the sale of alcohol to a person under the age of 21 was committed.

The fine imposed under this paragraph may not exceed $500 for each violation. Each day that the activity, which gave rise to the original fine, continues is a separate violation. The maximum fine that may be levied against any licensee, for the period of the license, shall not exceed $20,000. The maximum penalty that may be imposed on a licensee for selling a bottle of alcoholic liquor with a foreign object in it or serving from a bottle of alcoholic liquor with a foreign object in it shall be the destruction of that bottle of alcoholic liquor for the first 10 bottles

the rules and regulations issued pursuant to this Act. Such
complaints shall be in writing, signed and sworn to by the person
making the complaint, and shall state with specificity the facts in
relation to the alleged violation. If the Commission has reasonable
grounds to believe that the complaint substantially alleges a
violation of this Act or rules and regulations adopted pursuant to
this Act, it shall conduct an investigation. If, after conducting an
investigation, the Commission is satisfied that the alleged violation
did occur, it shall proceed with disciplinary action against the
licensee as provided in this Act.

commission may be necessary or appropriate to carry out any of the
provisions of this Act, including but not limited to such forms,
records and memoranda as will readily and accurately disclose at
all times the beneficial ownership of such retail licensed business.
The accounts, forms, records and memoranda shall be available at
all reasonable times for inspection by authorized representatives of
the State commission or by any local liquor control commissioner
or his or her authorized representative. The commission, may, from
time to time, alter, amend or repeal, in whole or in part, any

This study shall address the extent to which Illinois currently complies with the provisions of P.L. 102-321 and the rules promulgated pursuant thereto.

As part of its report, the Commission shall provide the following essential information:

(i) the number of retail distributors of tobacco products, by type and geographic area, in the State;

(ii) the number of reported citations and successful convictions, categorized by type and location of retail distributor, for violation of the Prevention of Tobacco Use by Minors and Sale and Distribution of Tobacco Products Act and the Smokeless Tobacco Limitation Act;

(iii) the extent and nature of organized educational and governmental activities that are intended to promote, encourage or otherwise secure compliance with any Illinois laws that prohibit the sale or distribution of tobacco products to minors; and

(14) On or before April 30, 2008 and every 2 years thereafter, the Commission shall present a written report to the Governor and the General Assembly that shall be based on a study of the impact of this amendatory Act of the 95th General Assembly on the business of soliciting, selling, and shipping wine from inside and outside of this State directly to residents of this State. As part of its report, the Commission shall provide all of the following information:

(A) The amount of State excise and sales tax revenues generated.
(B) The amount of licensing fees received.
(C) The number of cases of wine shipped from inside and outside of this State directly to residents of this State.
(D) The number of alcohol compliance operations conducted.
(E) The number of winery shipper's licenses issued.
(F) The number of each of the following: reported violations; cease and desist notices issued by the Commission; notices of violations issued by the Commission and to the Department of Revenue; and notices and complaints of violations to law enforcement officials, including, without limitation, the Illinois Attorney General and the U.S. Department of Treasury's Alcohol and Tobacco Tax and Trade Bureau.

(15) As a means to reduce the underage consumption of alcoholic liquors, the Commission shall conduct alcohol compliance operations to investigate whether businesses that are soliciting, selling, and shipping wine from inside or outside of this State directly to residents of this State are licensed by this State or are selling or attempting to sell wine to persons under 21 years of age in violation of this Act.

(16) The Commission shall, in addition to notifying any appropriate law enforcement agency, submit notices of complaints or violations of Sections 6-29 and 6-29.1 by persons who do not hold a winery shipper's license under this amendatory Act to the
Illinois Attorney General and to the U.S. Department of Treasury's Alcohol and Tobacco Tax and Trade Bureau.

(17) (A) A person licensed to make wine under the laws of another state who has a winery shipper's license under this amendatory Act and annually produces less than 25,000 gallons of wine or a person who has a first-class or second-class wine manufacturer's license, a first-class or second-class wine-maker's license, or a limited wine manufacturer's license under this Act and annually produces less than 25,000 gallons of wine may make application to the Commission for a self-distribution exemption to allow the sale of not more than 5,000 gallons of the exemption holder's wine to retail licensees per year.

(B) In the application, which shall be sworn under penalty of perjury, such person shall state (1) the date it was established; (2) its volume of production and sales for each year since its establishment; (3) its efforts to establish distributor relationships; (4) that a self-distribution exemption is necessary to facilitate the marketing of its wine; and (5) that it will comply with the liquor and revenue laws of the United States, this State, and any other state where it is licensed.

(C) The Commission shall approve the application for a self-distribution exemption if such person: (1) is in compliance with State revenue and liquor laws; (2) is not a member of any affiliated group that produces more than 25,000 gallons of wine per annum or produces any other alcoholic liquor; (3) will not annually produce for sale more than 25,000 gallons of wine; and (4) will not annually sell more than 5,000 gallons of its wine to retail licensees.

(D) A self-distribution exemption holder shall annually certify to the Commission its production of wine in the previous 12 months and its anticipated production and sales for the next 12 months. The Commission may fine, suspend, or revoke a self-distribution exemption after a hearing if it finds that the exemption holder has made a material misrepresentation in its application, violated a revenue or liquor law of Illinois, exceeded production of 25,000 gallons of wine in any calendar year, or become part...
of an affiliated group producing more than 25,000 gallons of wine or any other alcoholic liquor.

(E) Except in hearings for violations of this Act or amendatory Act or a bona fide investigation by duly sworn law enforcement officials, the Commission, or its agents, the Commission shall maintain the production and sales information of a self-distribution exemption holder as confidential and shall not release such information to any person.

(F) The Commission shall issue regulations governing self-distribution exemptions consistent with this Section and this Act.

(G) Nothing in this subsection (17) shall prohibit a self-distribution exemption holder from entering into or simultaneously having a distribution agreement with a licensed Illinois distributor.

(H) It is the intent of this subsection (17) to promote and continue orderly markets. The General Assembly finds that in order to preserve Illinois' regulatory distribution system it is necessary to create an exception for smaller makers of wine as their wines are frequently adjusted in varietals, mixes, vintages, and taste to find and create market niches sometimes too small for distributor or importing distributor business strategies. Limited self-distribution rights will afford and allow smaller makers of wine access to the marketplace in order to develop a customer base without impairing the integrity of the 3-tier system.

(18) (A) A class 1 craft brewer licensee, who must also be either a licensed brewer or licensed non-resident dealer and annually manufacture less than 930,000 gallons of beer, may make application to the State Commission for a self-distribution exemption to allow the sale of not more than 232,500 gallons of the exemption holder's beer to retail licensees per year.

(B) In the application, which shall be sworn under penalty of perjury, the class 1 craft brewer licensee shall state (1) the date it was established; (2) its volume of beer manufactured and sold for each year since its establishment; (3) its efforts to establish distributor

relationships; (4) that a self-distribution exemption is necessary to facilitate the marketing of its beer; and (5) that it will comply with the alcoholic beverage and revenue laws of the United States, this State, and any other state where it is licensed.

(C) Any application submitted shall be posted on the State Commission's website at least 45 days prior to action by the State Commission. The State Commission shall approve the application for a self-distribution exemption if the class 1 craft brewer licensee: (1) is in compliance with the State, revenue, and alcoholic beverage laws; (2) is not a member of any affiliated group that manufacturers more than 930,000 gallons of beer per annum or produces any other alcoholic beverages; (3) shall not annually manufacture for sale more than 930,000 gallons of beer; and (4) shall not annually sell more than 232,500 gallons of its beer to retail licensees; and (5) has relinquished any brew pub license held by the licensee, including any ownership interest held in the licensed brew pub.

(D) A self-distribution exemption holder shall annually certify to the State Commission its manufacture of beer during the previous 12 months and its anticipated manufacture and sales of beer for the next 12 months. The State Commission may fine, suspend, or revoke a self-distribution exemption after a hearing if it finds that the exemption holder has made a material misrepresentation in its application, violated a revenue or alcoholic beverage law of Illinois, exceeded the manufacture of 930,000 gallons of beer in any calendar year or became part of an affiliated group manufacturing more than 930,000 gallons of beer or any other alcoholic beverage.

(E) The State Commission shall issue rules and regulations governing self-distribution exemptions consistent with this Act.

(F) Nothing in this paragraph (18) shall prohibit a self-distribution exemption holder from entering into or simultaneously having a distribution agreement with a licensed Illinois importing distributor or a distributor. If a

self-distribution exemption holder enters into a distribution agreement and has assigned distribution rights to an importing distributor or distributor, then the self-distribution exemption holder's distribution rights in the assigned territories shall cease in a reasonable time not to exceed 60 days.

(G) It is the intent of this paragraph (18) to promote and continue orderly markets. The General Assembly finds that in order to preserve Illinois' regulatory distribution system, it is necessary to create an exception for smaller manufacturers in order to afford and allow such smaller manufacturers of beer access to the marketplace in order to develop a customer base without impairing the integrity of the 3-tier system.

(b) On or before April 30, 1999, the Commission shall present a written report to the Governor and the General Assembly that shall be based on a study of the impact of this amendatory Act of 1998 on the business of soliciting, selling, and shipping alcoholic liquor from outside of this State directly to residents of this State.

As part of its report, the Commission shall provide the following information:

(i) the amount of State excise and sales tax revenues generated as a result of this amendatory Act of 1998;
(ii) the amount of licensing fees received as a result of this amendatory Act of 1998;
(iii) the number of reported violations, the number of cease and desist notices issued by the Commission, the number of notices of violations issued to the Department of Revenue, and the number of notices and complaints of violations to law enforcement officials.

(a) The State commission shall have the following powers, functions, and duties:

(1) To receive applications and to issue licenses to manufacturers, foreign importers, importing distributors, distributors, non-resident dealers, on premise consumption retailers, off premise sale retailers, special event retailer licensees,
special use permit licenses, auction liquor licenses, brew pubs, caterer retailers, non-beverage users, railroads, including owners and lessees of sleeping, dining and cafe cars, airplanes, boats, brokers, and wine maker's premises licensees in accordance with the provisions of this Act, and to suspend or revoke such licenses upon the State commission's determination, upon notice after hearing, that a licensee has violated any provision of this Act or any rule or regulation issued pursuant thereto and in effect for 30 days prior to such violation. Except in the case of an action taken pursuant to a violation of Section 6-3, 6-5, or 6-9, any action by the State Commission to suspend or revoke a licensee's license may be limited to the license for the specific premises where the violation occurred.

In lieu of suspending or revoking a license, the commission may impose a fine, upon the State commission's determination and notice after hearing, that a licensee has violated any provision of this Act or any rule or regulation issued pursuant thereto and in effect for 30 days prior to such violation.

For the purpose of this paragraph (1), when determining multiple violations for the sale of alcohol to a person under the age of 21, a second or subsequent violation for the sale of alcohol to a person under the age of 21 shall only be considered if it was committed within 5 years after the date when a prior violation for the sale of alcohol to a person under the age of 21 was committed.

The fine imposed under this paragraph may not exceed $500 for each violation. Each day that the activity, which gave rise to the original fine, continues is a separate violation. The maximum fine that may be levied against any licensee, for the period of the license, shall not exceed $20,000. The maximum penalty that may be imposed on a licensee for selling a bottle of alcoholic liquor with a foreign object in it or serving from a bottle of alcoholic liquor with a foreign object in it shall be the destruction of that bottle of alcoholic liquor for the first 10 bottles so sold or served from by the licensee. For the eleventh bottle of alcoholic liquor and for each third bottle thereafter sold or served from by the licensee with a foreign object in it, the maximum penalty that may be imposed on the licensee is the destruction of the bottle of alcoholic liquor and a fine of up to $50.
(2) To adopt such rules and regulations consistent with the provisions of this Act which shall be necessary to carry on its functions and duties to the end that the health, safety and welfare of the People of the State of Illinois shall be protected and temperance in the consumption of alcoholic liquors shall be fostered and promoted and to distribute copies of such rules and regulations to all licensees affected thereby.

(3) To call upon other administrative departments of the State, county and municipal governments, county and city police departments and upon prosecuting officers for such information and assistance as it deems necessary in the performance of its duties.

(4) To recommend to local commissioners rules and regulations, not inconsistent with the law, for the distribution and sale of alcoholic liquors throughout the State.

(5) To inspect, or cause to be inspected, any premises in this State where alcoholic liquors are manufactured, distributed, warehoused, or sold. Nothing in this Act authorizes an agent of the Commission to inspect private areas within the premises without reasonable suspicion or a warrant during an inspection. "Private areas" include, but are not limited to, safes, personal property, and closed desks.

(5.1) Upon receipt of a complaint or upon having knowledge that any person is engaged in business as a manufacturer, importing distributor, distributor, or retailer without a license or valid license, to notify the local liquor authority, file a complaint with the State's Attorney's Office of the county where the incident occurred, or initiate an investigation with the appropriate law enforcement officials.

(5.2) To issue a cease and desist notice to persons shipping alcoholic liquor into this State from a point outside of this State if the shipment is in violation of this Act.

(5.3) To receive complaints from licensees, local officials, law enforcement agencies, organizations, and persons stating that any licensee has been or is violating any provision of this Act or the rules and regulations issued pursuant to this Act. Such complaints shall be in writing, signed and sworn to by the person making the complaint, and shall state with specificity the facts in relation to the alleged violation. If the Commission has reasonable
grounds to believe that the complaint substantially alleges a violation of this Act or rules and regulations adopted pursuant to this Act, it shall conduct an investigation. If, after conducting an investigation, the Commission is satisfied that the alleged violation did occur, it shall proceed with disciplinary action against the licensee as provided in this Act.

(6) To hear and determine appeals from orders of a local commission in accordance with the provisions of this Act, as hereinafter set forth. Hearings under this subsection shall be held in Springfield or Chicago, at whichever location is the more convenient for the majority of persons who are parties to the hearing.

(7) The commission shall establish uniform systems of accounts to be kept by all retail licensees having more than 4 employees, and for this purpose the commission may classify all retail licensees having more than 4 employees and establish a uniform system of accounts for each class and prescribe the manner in which such accounts shall be kept. The commission may also prescribe the forms of accounts to be kept by all retail licensees having more than 4 employees, including but not limited to accounts of earnings and expenses and any distribution, payment, or other distribution of earnings or assets, and any other forms, records and memoranda which in the judgment of the commission may be necessary or appropriate to carry out any of the provisions of this Act, including but not limited to such forms, records and memoranda as will readily and accurately disclose at all times the beneficial ownership of such retail licensed business. The accounts, forms, records and memoranda shall be available at all reasonable times for inspection by authorized representatives of the State commission or by any local liquor control commissioner or his or her authorized representative. The commission, may, from time to time, alter, amend or repeal, in whole or in part, any uniform system of accounts, or the form and manner of keeping accounts.

(8) In the conduct of any hearing authorized to be held by the commission, to appoint, at the commission's discretion, hearing officers to conduct hearings involving complex issues or issues that will require a protracted period of time to resolve, to examine, or cause to be examined, under oath, any licensee, and to examine or

cause to be examined the books and records of such licensee; to hear testimony and take proof material for its information in the discharge of its duties hereunder; to administer or cause to be administered oaths; for any such purpose to issue subpoena or subpoenas to require the attendance of witnesses and the production of books, which shall be effective in any part of this State, and to adopt rules to implement its powers under this paragraph (8).

Any Circuit Court may by order duly entered, require the attendance of witnesses and the production of relevant books subpoenaed by the State commission and the court may compel obedience to its order by proceedings for contempt.

(9) To investigate the administration of laws in relation to alcoholic liquors in this and other states and any foreign countries, and to recommend from time to time to the Governor and through him or her to the legislature of this State, such amendments to this Act, if any, as it may think desirable and as will serve to further the general broad purposes contained in Section 1-2 hereof.

(10) To adopt such rules and regulations consistent with the provisions of this Act which shall be necessary for the control, sale or disposition of alcoholic liquor damaged as a result of an accident, wreck, flood, fire or other similar occurrence.

(11) To develop industry educational programs related to responsible serving and selling, particularly in the areas of overserving consumers and illegal underage purchasing and consumption of alcoholic beverages.

(11.1) To license persons providing education and training to alcohol beverage sellers and servers for mandatory and non-mandatory training under the Beverage Alcohol Sellers and Servers Education and Training (BASSET) programs and to develop and administer a public awareness program in Illinois to reduce or eliminate the illegal purchase and consumption of alcoholic beverage products by persons under the age of 21. Application for a license shall be made on forms provided by the State Commission.

(12) To develop and maintain a repository of license and regulatory information.

(13) On or before January 15, 1994, the Commission shall issue a written report to the Governor and General Assembly that is

to be based on a comprehensive study of the impact on and implications for the State of Illinois of Section 1926 of the Federal ADAMHA Reorganization Act of 1992 (Public Law 102-321). This study shall address the extent to which Illinois currently complies with the provisions of P.L. 102-321 and the rules promulgated pursuant thereto.

As part of its report, the Commission shall provide the following essential information:

(i) the number of retail distributors of tobacco products, by type and geographic area, in the State;

(ii) the number of reported citations and successful convictions, categorized by type and location of retail distributor, for violation of the Prevention of Tobacco Use by Minors and Sale and Distribution of Tobacco Products Act and the Smokeless Tobacco Limitation Act;

(iii) the extent and nature of organized educational and governmental activities that are intended to promote, encourage or otherwise secure compliance with any Illinois laws that prohibit the sale or distribution of tobacco products to minors; and

(iv) the level of access and availability of tobacco products to individuals under the age of 18.

To obtain the data necessary to comply with the provisions of P.L. 102-321 and the requirements of this report, the Commission shall conduct random, unannounced inspections of a geographically and scientifically representative sample of the State's retail tobacco distributors.

The Commission shall consult with the Department of Public Health, the Department of Human Services, the Illinois State Police and any other executive branch agency, and private organizations that may have information relevant to this report.

The Commission may contract with the Food and Drug Administration of the U.S. Department of Health and Human Services to conduct unannounced investigations of Illinois tobacco vendors to determine compliance with federal laws relating to the illegal sale of cigarettes and smokeless tobacco products to persons under the age of 18.

(14) On or before April 30, 2008 and every 2 years thereafter, the Commission shall present a written report to the
Governor and the General Assembly that shall be based on a study of the impact of this amendatory Act of the 95th General Assembly on the business of soliciting, selling, and shipping wine from inside and outside of this State directly to residents of this State. As part of its report, the Commission shall provide all of the following information:

(A) The amount of State excise and sales tax revenues generated.
(B) The amount of licensing fees received.
(C) The number of cases of wine shipped from inside and outside of this State directly to residents of this State.
(D) The number of alcohol compliance operations conducted.
(E) The number of winery shipper's licenses issued.
(F) The number of each of the following: reported violations; cease and desist notices issued by the Commission; notices of violations issued by the Commission and to the Department of Revenue; and notices and complaints of violations to law enforcement officials, including, without limitation, the Illinois Attorney General and the U.S. Department of Treasury's Alcohol and Tobacco Tax and Trade Bureau.

(15) As a means to reduce the underage consumption of alcoholic liquors, the Commission shall conduct alcohol compliance operations to investigate whether businesses that are soliciting, selling, and shipping wine from inside or outside of this State directly to residents of this State are licensed by this State or are selling or attempting to sell wine to persons under 21 years of age in violation of this Act.

(16) The Commission shall, in addition to notifying any appropriate law enforcement agency, submit notices of complaints or violations of Sections 6-29 and 6-29.1 by persons who do not hold a winery shipper's license under this amendatory Act to the Illinois Attorney General and to the U.S. Department of Treasury's Alcohol and Tobacco Tax and Trade Bureau.

(17) (A) A person licensed to make wine under the laws of another state who has a winery shipper's license under this amendatory Act and annually produces less than 25,000 gallons of

wine or a person who has a first-class or second-class wine manufacturer's license, a first-class or second-class wine-maker's license, or a limited wine manufacturer's license under this Act and annually produces less than 25,000 gallons of wine may make application to the Commission for a self-distribution exemption to allow the sale of not more than 5,000 gallons of the exemption holder's wine to retail licensees per year.

(B) In the application, which shall be sworn under penalty of perjury, such person shall state (1) the date it was established; (2) its volume of production and sales for each year since its establishment; (3) its efforts to establish distributor relationships; (4) that a self-distribution exemption is necessary to facilitate the marketing of its wine; and (5) that it will comply with the liquor and revenue laws of the United States, this State, and any other state where it is licensed.

(C) The Commission shall approve the application for a self-distribution exemption if such person: (1) is in compliance with State revenue and liquor laws; (2) is not a member of any affiliated group that produces more than 25,000 gallons of wine per annum or produces any other alcoholic liquor; (3) will not annually produce for sale more than 25,000 gallons of wine; and (4) will not annually sell more than 5,000 gallons of its wine to retail licensees.

(D) A self-distribution exemption holder shall annually certify to the Commission its production of wine in the previous 12 months and its anticipated production and sales for the next 12 months. The Commission may fine, suspend, or revoke a self-distribution exemption after a hearing if it finds that the exemption holder has made a material misrepresentation in its application, violated a revenue or liquor law of Illinois, exceeded production of 25,000 gallons of wine in any calendar year, or become part of an affiliated group producing more than 25,000 gallons of wine or any other alcoholic liquor.

(E) Except in hearings for violations of this Act or amendatory Act or a bona fide investigation by duly sworn law enforcement officials, the Commission, or its agents, the Commission shall maintain the production and sales
information of a self-distribution exemption holder as confidential and shall not release such information to any person.

(F) The Commission shall issue regulations governing self-distribution exemptions consistent with this Section and this Act.

(G) Nothing in this subsection (17) shall prohibit a self-distribution exemption holder from entering into or simultaneously having a distribution agreement with a licensed Illinois distributor.

(H) It is the intent of this subsection (17) to promote and continue orderly markets. The General Assembly finds that in order to preserve Illinois' regulatory distribution system it is necessary to create an exception for smaller makers of wine as their wines are frequently adjusted in varietals, mixes, vintages, and taste to find and create market niches sometimes too small for distributor or importing distributor business strategies. Limited self-distribution rights will afford and allow smaller makers of wine access to the marketplace in order to develop a customer base without impairing the integrity of the 3-tier system.

(18) (A) A class I craft brewer licensee, who must also be either a licensed brewer or licensed non-resident dealer and annually manufacture less than 930,000 gallons of beer, may make application to the State Commission for a self-distribution exemption to allow the sale of not more than 232,500 gallons of the exemption holder's beer to retail licensees per year.

(B) In the application, which shall be sworn under penalty of perjury, the class I craft brewer licensee shall state (1) the date it was established; (2) its volume of beer manufactured and sold for each year since its establishment; (3) its efforts to establish distributor relationships; (4) that a self-distribution exemption is necessary to facilitate the marketing of its beer; and (5) that it will comply with the alcoholic beverage and revenue laws of the United States, this State, and any other state where it is licensed.

(C) Any application submitted shall be posted on the State Commission's website at least 45 days prior to action by the State Commission. The State Commission shall approve the application for a self-distribution exemption if the class 1 craft brewer licensee: (1) is in compliance with the State, revenue, and alcoholic beverage laws; (2) is not a member of any affiliated group that manufacturers more than 930,000 gallons of beer per annum or produces any other alcoholic beverages; (3) shall not annually manufacture for sale more than 930,000 gallons of beer; and (4) shall not annually sell more than 232,500 gallons of its beer to retail licensees; and (5) has relinquished any brew pub license held by the licensee, including any ownership interest it held in the licensed brew pub.

(D) A self-distribution exemption holder shall annually certify to the State Commission its manufacture of beer during the previous 12 months and its anticipated manufacture and sales of beer for the next 12 months. The State Commission may fine, suspend, or revoke a self-distribution exemption after a hearing if it finds that the exemption holder has made a material misrepresentation in its application, violated a revenue or alcoholic beverage law of Illinois, exceeded the manufacture of 930,000 gallons of beer in any calendar year or became part of an affiliated group manufacturing more than 930,000 gallons of beer or any other alcoholic beverage.

(E) The State Commission shall issue rules and regulations governing self-distribution exemptions consistent with this Act.

(F) Nothing in this paragraph (18) shall prohibit a self-distribution exemption holder from entering into or simultaneously having a distribution agreement with a licensed Illinois importing distributor or a distributor. If a self-distribution exemption holder enters into a distribution agreement and has assigned distribution rights to an importing distributor or distributor, then the self-distribution exemption holder's distribution rights in the

assigned territories shall cease in a reasonable time not to exceed 60 days.

(G) It is the intent of this paragraph (18) to promote and continue orderly markets. The General Assembly finds that in order to preserve Illinois' regulatory distribution system, it is necessary to create an exception for smaller manufacturers in order to afford and allow such smaller manufacturers of beer access to the marketplace in order to develop a customer base without impairing the integrity of the 3-tier system.

(b) On or before April 30, 1999, the Commission shall present a written report to the Governor and the General Assembly that shall be based on a study of the impact of this amendatory Act of 1998 on the business of soliciting, selling, and shipping alcoholic liquor from outside of this State directly to residents of this State.

As part of its report, the Commission shall provide the following information:

(i) the amount of State excise and sales tax revenues generated as a result of this amendatory Act of 1998;
(ii) the amount of licensing fees received as a result of this amendatory Act of 1998;
(iii) the number of reported violations, the number of cease and desist notices issued by the Commission, the number of notices of violations issued to the Department of Revenue, and the number of notices and complaints of violations to law enforcement officials.

Except as otherwise provided in this Act no manufacturer or distributor or importing distributor shall, directly or indirectly, sell, supply, furnish, give or pay for, or loan or lease, any furnishing, fixture or equipment on the premises of a place of business of another licensee authorized under this Act to sell alcoholic liquor at retail, either for consumption on or off the premises, nor shall he or she, directly or indirectly, pay for any such license, or advance, furnish, lend or give money for payment of such license, or purchase or become the owner of any note, mortgage, or other evidence of indebtedness of such licensee or any form of security therefor, nor shall such manufacturer, or distributor, or importing distributor, directly or indirectly, be interested in the ownership, conduct or operation of the business of any licensee authorized to sell alcoholic liquor at retail, nor shall any manufacturer, or distributor, or importing distributor be interested directly or indirectly or as owner or part owner of said premises or as lessee or lessor thereof, in any premises upon which alcoholic liquor is sold at retail.

With respect to retail licensees, other than any government owned or operated auditorium, exhibition hall, recreation facility or other similar facility holding a retailer's license as described in Section 6-5, a manufacturer, distributor, or importing distributor may furnish, give, lend or rent and erect, install, repair and maintain to or for any retail licensee, for use at any one time in or about or in connection with a retail establishment on which the products of the manufacturer, distributor or importing distributor are sold, the following signs and inside advertising materials as authorized in subparts (i), (ii), (iii), and (iv):

(ii) Temporary outside signs shall be limited to one temporary outside sign per brand. Examples of temporary outside signs are banners, flags, pennants, streamers, and other items of a temporary and non-permanent nature. Each temporary outside sign must include the manufacturer's name, brand name, trade name, slogans, markings, trademark, or other symbol commonly associated with and generally used in identifying the product. Temporary outside signs may also include, for example, the product, price, packaging, date or dates of a promotion and an announcement of a retail licensee's specific sponsored event, if the temporary outside sign is intended to promote a product, and provided that the announcement of the retail licensee's event and the product promotion are held simultaneously. However, temporary outside signs may not include names, slogans, markings, or logos that relate to the retailer. Nothing in this subpart (ii) shall prohibit a distributor or importing distributor from bearing the cost of creating or printing a temporary outside sign for the retail licensee's specific sponsored event or from bearing the cost of creating or printing a temporary sign for a retail licensee containing, for example, community goodwill expressions, regional sporting event announcements, or seasonal messages, provided that the primary purpose of the temporary outside sign is to highlight, promote, or advertise the product. In addition, temporary outside signs provided by the manufacturer to the distributor or importing distributor may also include, for example, subject to the limitations of this Section, preprinted community goodwill expressions, sporting event announcements, seasonal messages, and manufacturer promotional announcements. However, a distributor or importing distributor shall not bear the cost of such manufacturer preprinted signs.

(iii) Permanent inside signs, whether visible from the outside or the inside of the premises, include, but are not limited to: alcohol lists and menus that may include names, slogans, markings, or logos that relate to the retailer; neons; illuminated signs; clocks; table lamps; mirrors; tap handles; decalcomanias; window painting; and window trim. All permanent inside signs in place and in use at any one time shall cost in the aggregate not more than $2000 per manufacturer. A permanent inside sign must include the manufacturer's name, brand name, trade name, slogans,
markings, trademark, or other symbol commonly associated with and generally used in identifying the product. However, permanent inside signs may not include names, slogans, markings, or logos that relate to the retailer. For the purpose of this subpart (iii), all permanent inside signs may be displayed in an adjacent courtyard or patio commonly referred to as a "beer garden" that is a part of the retailer's licensed premises.

(iv) Temporary inside signs shall include, but are not limited to, lighted chalk boards, acrylic table tent beverage or hors d'oeuvre list holders, banners, flags, pennants, streamers, and inside advertising materials such as posters, placards, bowling sheets, table tents, inserts for acrylic table tent beverage or hors d'oeuvre list holders, sports schedules, or similar printed or illustrated materials; however, such items, for example, as coasters, trays, napkins, glassware and cups shall not be deemed to be inside signs or advertising materials and may only be sold to retailers. All temporary inside signs and inside advertising materials in place and in use at any one time shall cost in the aggregate not more than $325 per manufacturer. Nothing in this subpart (iv) prohibits a distributor or importing distributor from paying the cost of printing or creating any temporary inside banner or inserts for acrylic table tent beverage or hors d'oeuvre list holders for a retail licensee, provided that the primary purpose for the banner or insert is to highlight, promote, or advertise the product. For the purpose of this subpart (iv), all temporary inside signs and inside advertising materials may be displayed in an adjacent courtyard or patio commonly referred to as a "beer garden" that is a part of the retailer's licensed premises.

A "cost adjustment factor" shall be used to periodically update the dollar limitations prescribed in subparts (i), (iii), and (iv). The Commission shall establish the adjusted dollar limitation on an annual basis beginning in January, 1997. The term "cost adjustment factor" means a percentage equal to the change in the Bureau of Labor Statistics Consumer Price Index or 5%, whichever is greater. The restrictions contained in this Section 6-6 do not apply to signs, or promotional or advertising materials furnished by manufacturers, distributors or importing distributors to a government owned or operated facility holding a retailer's license as described in Section 6-5.

(65 ILCS 5/3.1-10-50)

Sec. 3.1-10-50. Events upon which an elective office becomes vacant in municipality with population under 500,000.  
(a) Vacancy by resignation. A resignation is not effective unless it is in writing, signed by the person holding the elective office, and notarized.

(1) Unconditional resignation. An unconditional resignation by a person holding the elective office may specify a future date, not later than 60 days after the date the resignation is received by the officer authorized to fill the vacancy, at which time it becomes operative, but the resignation may not be withdrawn after it is received by the officer authorized to fill the vacancy. The effective date of a resignation that does not specify a future date at which it becomes operative is the date the resignation is received by the officer authorized to fill the vacancy. The effective date of a resignation that has a specified future effective date is that specified future date or the date the resignation is received by the officer authorized to fill the vacancy, whichever date occurs later.

(2) Conditional resignation. A resignation that does not become effective unless a specified event occurs can be withdrawn at any time prior to the occurrence of the specified event, but if not withdrawn, the effective date of the resignation is the date of the occurrence of the specified event or the date the resignation is received by the officer authorized to fill the vacancy, whichever date occurs later.

(3) Vacancy upon the effective date. For the purpose of determining the time period that would require an election to fill the vacancy by resignation or the commencement of the 60-day time period referred to in subsection (e), the resignation of an
elected officer is deemed to have created a vacancy as of the effective date of the resignation.

(4) Duty of the clerk. If a resignation is delivered to the clerk of the municipality, the clerk shall forward a certified copy of the written resignation to the official who is authorized to fill the vacancy within 7 business days after receipt of the resignation.

(b) Vacancy by death or disability. A vacancy occurs in an office by reason of the death of the incumbent. The date of the death may be established by the date shown on the death certificate. A vacancy occurs in an office by permanent physical or mental disability rendering the person incapable of performing the duties of the office. The corporate authorities have the authority to make the determination whether an officer is incapable of performing the duties of the office because of a permanent physical or mental disability. A finding of mental disability shall not be made prior to the appointment by a court of a guardian ad litem for the officer or until a duly licensed doctor certifies, in writing, that the officer is mentally impaired to the extent that the officer is unable to effectively perform the duties of the office. If the corporate authorities find that an officer is incapable of performing the duties of the office due to permanent physical or mental disability, that person is removed from the office and the vacancy of the office occurs on the date of the determination.

(c) Vacancy by other causes.

(1) Abandonment and other causes. A vacancy occurs in an office by reason of abandonment of office; removal from office; or failure to qualify; or more than temporary removal of residence from the municipality; or in the case of an alderman of a ward or councilman or trustee of a district, more than temporary removal of residence from the ward or district, as the case may be. The corporate authorities have the authority to determine whether a vacancy under this subsection has occurred. If the corporate authorities determine that a vacancy exists, the office is deemed vacant as of the date of that determination for all purposes including the calculation under subsections (e), (f), and (g).

(2) Guilty of a criminal offense. An admission of guilt of a criminal offense that upon conviction would disqualify the municipal officer from holding the office, in the form of a written agreement with State or federal prosecutors to plead guilty to a felony, bribery, perjury, or other infamous crime under State or federal law, constitutes a resignation from that office, effective on
the date the plea agreement is made. For purposes of this Section, a conviction for an offense that disqualifies a municipal officer from holding that office occurs on the date of the return of a guilty verdict or, in the case of a trial by the court, on the entry of a finding of guilt.

(3) Election declared void. A vacancy occurs on the date of the decision of a competent tribunal declaring the election of the officer void.

(4) Owing a debt to the municipality. A vacancy occurs if a municipal official fails to pay a debt to a municipality in which the official has been elected or appointed to an elected position subject to the following:

(A) Before a vacancy may occur under this paragraph (4), the municipal clerk shall deliver, by personal service, a written notice to the municipal official that (i) the municipal official is in arrears of a debt to the municipality, (ii) that municipal official must either pay or contest the debt within 30 days after receipt of the notice or the municipal official will be disqualified and his or her office vacated, and (iii) if the municipal official chooses to contest the debt, the municipal official must provide written notice to the municipal clerk of the contesting of the debt. A copy of the notice, and the notice to contest, shall also be mailed by the municipal clerk to the appointed municipal attorney by certified mail. If the municipal clerk is the municipal official indebted to the municipality, the mayor or president of the municipality shall assume the duties of the municipal clerk required under this paragraph (4).

(B) In the event that the municipal official chooses to contest the debt, a hearing shall be held within 30 days of the municipal clerk's receipt of the written notice of contest from the municipal official. An appointed municipal hearing officer shall preside over the hearing, and shall hear testimony and accept evidence relevant to the existence of the debt owed by the municipal officer to the municipality.

(C) Upon the conclusion of the hearing, the hearing officer shall make a determination on the basis of the evidence presented as to whether or not the municipal
official is in arrears of a debt to the municipality. The determination shall be in writing and shall be designated as findings, decision, and order. The findings, decision, and order shall include: (i) the hearing officer's findings of fact; (ii) a decision of whether or not the municipal official is in arrears of a debt to the municipality based upon the findings of fact; and (iii) an order that either directs the municipal official to pay the debt within 30 days or be disqualified and his or her office vacated or dismisses the matter if a debt owed to the municipality is not proved. A copy of the hearing officer's written determination shall be served upon the municipal official in open proceedings before the hearing officer. If the municipal official does not appear for receipt of the written determination, the written determination shall be deemed to have been served on the municipal official on the date when a copy of the written determination is personally served on the municipal official or on the date when a copy of the written determination is deposited in the United States mail, postage prepaid, addressed to the municipal official at the address on record with the municipality.

(D) A municipal official aggrieved by the determination of a hearing officer may secure judicial review of such determination in the circuit court of the county in which the hearing was held. The municipal official seeking judicial review must file a petition with the clerk of the court and must serve a copy of the petition upon the municipality by registered or certified mail within 5 days after service of the determination of the hearing officer. The petition shall contain a brief statement of the reasons why the determination of the hearing officer should be reversed. The municipal official shall file proof of service with the clerk of the court. No answer to the petition need be filed, but the municipality shall cause the record of proceedings before the hearing officer to be filed with the clerk of the court on or before the date of the hearing on the petition or as ordered by the court. The court shall set the matter for hearing to be held within 30 days after the
filing of the petition and shall make its decision promptly after such hearing.

(E) If a municipal official chooses to pay the debt, or is ordered to pay the debt after the hearing, the municipal official must present proof of payment to the municipal clerk that the debt was paid in full, and, if applicable, within the required time period as ordered by a hearing officer or circuit court judge.

(F) A municipal official will be disqualified and his or her office vacated pursuant to this paragraph (4) on the later of the following times if the municipal official: (i) fails to pay or contest the debt within 30 days of the municipal official's receipt of the notice of the debt; (ii) fails to pay the debt within 30 days after being served with a written determination under subparagraph (C) ordering the municipal official to pay the debt; or (iii) fails to pay the debt within 30 days after being served with a decision pursuant to subparagraph (D) upholding a hearing officer's determination that the municipal officer has failed to pay a debt owed to a municipality.

(G) For purposes of this paragraph, a "debt" shall mean an arrearage in a definitely ascertainable and quantifiable amount after service of written notice thereof, in the payment of any indebtedness due to the municipality, which has been adjudicated before a tribunal with jurisdiction over the matter. A municipal official is considered in arrears of a debt to a municipality if a debt is more than 30 days overdue from the date the debt was due.

(d) Election of an acting mayor or acting president. The election of an acting mayor or acting president pursuant to subsection (f) or (g) does not create a vacancy in the original office of the person on the city council or as a trustee, as the case may be, unless the person resigns from the original office following election as acting mayor or acting president. If the person resigns from the original office following election as acting mayor or acting president, then the original office must be filled pursuant to the terms of this Section and the acting mayor or acting president shall exercise the powers of the mayor or president and shall vote and have veto power in the manner provided by law for a mayor or president. If the person does not resign from the original office following election as acting mayor or acting president, the original office must be filled pursuant to the terms of this Section and the acting mayor or acting president shall exercise the powers of the mayor or president and shall vote and have veto power in the manner provided by law for a mayor or president.
mayor or acting president, then the acting mayor or acting president shall exercise the powers of the mayor or president but shall be entitled to vote only in the manner provided for as the holder of the original office and shall not have the power to veto. If the person does not resign from the original office following election as acting mayor or acting president, and if that person's original term of office has not expired when a mayor or president is elected and has qualified for office, the acting mayor or acting president shall return to the original office for the remainder of the term thereof.

(e) Appointment to fill alderman or trustee vacancy. An appointment by the mayor or president or acting mayor or acting president, as the case may be, of a qualified person as described in Section 3.1-10-5 of this Code to fill a vacancy in the office of alderman or trustee must be made within 60 days after the vacancy occurs. Once the appointment of the qualified person has been forwarded to the corporate authorities, the corporate authorities shall act upon the appointment within 30 days. If the appointment fails to receive the advice and consent of the corporate authorities within 30 days, the mayor or president or acting mayor or acting president shall appoint and forward to the corporate authorities a second qualified person as described in Section 3.1-10-5. Once the appointment of the second qualified person has been forwarded to the corporate authorities, the corporate authorities shall act upon the appointment within 30 days. If the appointment of the second qualified person also fails to receive the advice and consent of the corporate authorities, then the mayor or president or acting mayor or acting president, without the advice and consent of the corporate authorities, may make a temporary appointment from those persons who were appointed but whose appointments failed to receive the advice and consent of the corporate authorities. The person receiving the temporary appointment shall serve until an appointment has received the advice and consent and the appointee has qualified or until a person has been elected and has qualified, whichever first occurs.

(f) Election to fill vacancies in municipal offices with 4-year terms. If a vacancy occurs in an elective municipal office with a 4-year term and there remains an unexpired portion of the term of at least 28 months, and the vacancy occurs at least 130 days before the general municipal election next scheduled under the general election law, then the vacancy shall be filled for the remainder of the term at that general municipal election. Whenever an election is held for this purpose, the municipal clerk shall
certify the office to be filled and the candidates for the office to the proper election authorities as provided in the general election law. If a vacancy occurs with less than 28 months remaining in the unexpired portion of the term or less than 130 days before the general municipal election, then:

(1) Mayor or president. If the vacancy is in the office of mayor or president, the vacancy must be filled by the corporate authorities electing one of their members as acting mayor or acting president. Except as set forth in subsection (d), the acting mayor or acting president shall perform the duties and possess all the rights and powers of the mayor or president until a mayor or president is elected at the next general municipal election and has qualified. However, in villages with a population of less than 5,000, if each of the trustees either declines the election as acting president or is not elected by a majority vote of the trustees presently holding office, then the trustees may elect, as acting president, any other village resident who is qualified to hold municipal office, and the acting president shall exercise the powers of the president and shall vote and have veto power in the manner provided by law for a president.

(2) Alderman or trustee. If the vacancy is in the office of alderman or trustee, the vacancy must be filled by the mayor or president or acting mayor or acting president, as the case may be, in accordance with subsection (e).

(3) Other elective office. (g) Vacancies in municipal offices with 2-year terms. In the case of an elective municipal office with a 2-year term, if the vacancy occurs at least 130 days before the general municipal election next scheduled under the general election law, the vacancy shall be filled for the remainder of the term at that general municipal election. However, in villages with a population of less than 5,000, if each of the trustees either declines the election as acting president or is not elected by a majority vote of the trustees presently holding office, then the trustees may elect, as acting president, any other village resident who is qualified to hold municipal office, and the acting president shall exercise the powers of the president and shall vote and have veto power in the manner provided by law for a president.

Sec. 3.1-10-51. Vacancies in municipalities with a population of 500,000 or more.

(a) Events upon which an elective office in a municipality of 500,000 or more shall become vacant:

(1) A municipal officer may resign from office. A vacancy occurs in an office by reason of resignation, failure to elect or qualify (in which case the incumbent shall remain in office until

the vacancy is filled), death, permanent physical or mental disability rendering the person incapable of performing the duties of his or her office, conviction of a disqualifying crime, abandonment of office, removal from office, or removal of residence from the municipality or, in the case of an alderman of a ward, removal of residence from the ward.

(2) An admission of guilt of a criminal offense that would, upon conviction, disqualify the municipal officer from holding that office, in the form of a written agreement with State or federal prosecutors to plead guilty to a felony, bribery, perjury, or other infamous crime under State or federal law, shall constitute a resignation from that office, effective at the time the plea agreement is made. For purposes of this Section, a conviction for an offense that disqualifies the municipal officer from holding that office occurs on the date of the return of a guilty verdict or, in the case of a trial by the court, the entry of a finding of guilt.

(3) Owing a debt to the municipality. A vacancy occurs if a municipal official fails to pay a debt to a municipality in which the official has been elected or appointed to an elected position subject to the following:

(A) Before a vacancy may occur under this paragraph (3), the municipal clerk shall deliver, by personal service, a written notice to the municipal official that (i) the municipal official is in arrears of a debt to the municipality, (ii) that municipal official must either pay or contest the debt within 30 days after receipt of the notice or the municipal official will be disqualified and his or her office vacated, and (iii) if the municipal official chooses to contest the debt, the municipal official must provide written notice to the municipal clerk of the contesting of the debt. A copy of the notice, and the notice to contest, shall also be mailed by the municipal clerk to the appointed municipal attorney by certified mail. If the municipal clerk is the municipal official indebted to the municipality, the mayor or president of the municipality shall assume the duties of the municipal clerk required under this paragraph (3).

(B) In the event that the municipal official chooses to contest the debt, a hearing shall be held within 30 days of the municipal clerk's receipt of the written notice of
contest from the municipal official. An appointed municipal hearing officer shall preside over the hearing, and shall hear testimony and accept evidence relevant to the existence of the debt owed by the municipal officer to the municipality.

(C) Upon the conclusion of the hearing, the hearing officer shall make a determination on the basis of the evidence presented as to whether or not the municipal official is in arrears of a debt to the municipality. The determination shall be in writing and shall be designated as findings, decision, and order. The findings, decision, and order shall include: (i) the hearing officer's findings of fact; (ii) a decision of whether or not the municipal official is in arrears of a debt to the municipality based upon the findings of fact; and (iii) an order that either directs the municipal official to pay the debt within 30 days or be disqualified and his or her office vacated or dismisses the matter if a debt owed to the municipality is not proved. A copy of the hearing officer's written determination shall be served upon the municipal official in open proceedings before the hearing officer. If the municipal official does not appear for receipt of the written determination, the written determination shall be deemed to have been served on the municipal official on the date when a copy of the written determination is personally served on the municipal official or on the date when a copy of the written determination is deposited in the United States mail, postage prepaid, addressed to the municipal official at the address on record in the files of the municipality.

(D) A municipal official aggrieved by the determination of a hearing officer may secure judicial review of such determination in the circuit court of the county in which the hearing was held. The municipal official seeking judicial review must file a petition with the clerk of the court and must serve a copy of the petition upon the municipality by registered or certified mail within 5 days after service of the determination of the hearing officer. The petition shall contain a brief statement of the reasons why the determination of the hearing officer should
be reversed. The municipal official shall file proof of service with the clerk of the court. No answer to the petition need be filed, but the municipality shall cause the record of proceedings before the hearing officer to be filed with the clerk of the court on or before the date of the hearing on the petition or as ordered by the court. The court shall set the matter for hearing to be held within 30 days after the filing of the petition and shall make its decision promptly after such hearing.

(E) If a municipal official chooses to pay the debt, or is ordered to pay the debt after the hearing, the municipal official must present proof of payment to the municipal clerk that the debt was paid in full, and, if applicable, within the required time period as ordered by a hearing officer.

(F) A municipal official will be disqualified and his or her office vacated pursuant to this paragraph (3) on the later of the following times the municipal official: (i) fails to pay or contest the debt within 30 days of the municipal official's receipt of the notice of the debt; (ii) fails to pay the debt within 30 days after being served with a written determination under subparagraph (C) ordering the municipal official to pay the debt; or (iii) fails to pay the debt within 30 days after being served with a decision pursuant to subparagraph (D) upholding a hearing officer's determination that the municipal officer has failed to pay a debt owed to a municipality.

(G) For purposes of this paragraph, a "debt" shall mean an arrearage in a definitely ascertainable and quantifiable amount after service of written notice thereof, in the payment of any indebtedness due to the municipality, which has been adjudicated before a tribunal with jurisdiction over the matter. A municipal official is considered in arrears of a debt to a municipality if a debt is more than 30 days overdue from the date the debt was due.

(b) If a vacancy occurs in an elective municipal office with a 4-year term and there remains an unexpired portion of the term of at least 28 months, and the vacancy occurs at least 130 days before the general municipal election next scheduled under the general election law, then the

New matter indicated by italics - deletions by strikeout
vacancy shall be filled for the remainder of the term at that general municipal election. Whenever an election is held for this purpose, the municipal clerk shall certify the office to be filled and the candidates for the office to the proper election authorities as provided in the general election law. If the vacancy is in the office of mayor, the city council shall elect one of their members acting mayor. The acting mayor shall perform the duties and possess all the rights and powers of the mayor until a successor to fill the vacancy has been elected and has qualified. If the vacancy is in any other elective municipal office, then until the office is filled by election, the mayor shall appoint a qualified person to the office subject to the advice and consent of the city council.

(c) If a vacancy occurs later than the time provided in subsection (b) in a 4-year term, a vacancy in the office of mayor shall be filled by the corporate authorities electing one of their members acting mayor. The acting mayor shall perform the duties and possess all the rights and powers of the mayor until a mayor is elected at the next general municipal election and has qualified. A vacancy occurring later than the time provided in subsection (b) in a 4-year term in any elective office other than mayor shall be filled by appointment by the mayor, with the advice and consent of the corporate authorities.

(d) A municipal officer appointed or elected under this Section shall hold office until the officer's successor is elected and has qualified.

(e) An appointment to fill a vacancy in the office of alderman shall be made within 60 days after the vacancy occurs. The requirement that an appointment be made within 60 days is an exclusive power and function of the State and is a denial and limitation under Article VII, Section 6, subsection (h) of the Illinois Constitution of the power of a home rule municipality to require that an appointment be made within a different period after the vacancy occurs.

(f) This Section applies only to municipalities with a population of 500,000 or more.

(e) For a Tier 1 member who retires on or after the effective date of this amendatory Act of 1997 with at least 20 years of service as a firefighter or police officer under this Article, the final rate of earnings shall be the annual rate of earnings received by the participant on his or her last day as a firefighter or police officer under this Article, if that is greater than the final rate of earnings as calculated under the other provisions of this Section.

(f) If a Tier 1 member is an employee for at least 6 months during the academic year in which his or her employment is terminated, the annual final rate of earnings shall be 25% of the sum of (1) the annual basic compensation for that year, and (2) the amount earned during the 36 months immediately preceding that year, if this is greater than the final rate of earnings as calculated under the other provisions of this Section.

Sec. 15-154. Refunds.

(a) A participant whose status as an employee is terminated, regardless of cause, or who has been on lay off status for more than 120 days, and who is not on leave of absence, is entitled to a refund of contributions upon application; except that not more than one such refund application may be made during any academic year.

Except as set forth in subsections (a-1) and (a-2), the refund shall be the sum of the accumulated normal, additional, and survivors insurance contributions, plus the entire contribution made by the participant under Section 15-113.3, less the amount of interest credited on these contributions each year in excess of 4 1/2% of the amount on which interest was calculated.

(a-1) A person who elects, in accordance with the requirements of Section 15-134.5, to participate in the portable benefit package and who becomes a participating employee under that retirement program upon the conclusion of the one-year waiting period applicable to the portable

benefit package election shall have his or her refund calculated in accordance with the provisions of subsection (a-2).

(a-2) The refund payable to a participant described in subsection (a-1) shall be the sum of the participant's accumulated normal and additional contributions, as defined in Sections 15-116 and 15-117, plus the entire contribution made by the participant under Section 15-113.3. If the participant terminates with 5 or more years of service for employment as defined in Section 15-113.1, he or she shall also be entitled to a distribution of employer contributions in an amount equal to the sum of the accumulated normal and additional contributions, as defined in Sections 15-116 and 15-117.

(b) Upon acceptance of a refund, the participant forfeits all accrued rights and credits in the System, and if subsequently reemployed, the participant shall be considered a new employee subject to all the qualifying conditions for participation and eligibility for benefits applicable to new employees. If such person again becomes a participating employee and continues as such for 2 years, or is employed by an employer and participates for at least 2 years in the Federal Civil Service Retirement System, all such rights, credits, and previous status as a participant shall be restored upon repayment of the amount of the refund, together with compound interest thereon from the date the refund was received to the date of repayment at the rate of 6% per annum through August 31, 1982, and at the effective rates after that date. When a participant in the portable benefit package who received a refund which included a distribution of employer contributions repays a refund pursuant to this Section, one-half of the amount repaid shall be deemed the member's reinstated accumulated normal and additional contributions and the other half shall be allocated as an employer contribution to the System, except that any amount repaid for previously purchased military service credit under Section 15-113.3 shall be accounted for as such.

(c) If a participant covered under the traditional benefit package has made survivors insurance contributions, but has no survivors insurance beneficiary upon retirement, he or she shall be entitled to elect a refund of the accumulated survivors insurance contributions, or to elect an additional annuity the value of which is equal to the accumulated survivors insurance contributions. This election must be made prior to the date the person's retirement annuity is approved by the System.

(d) A participant, upon application, is entitled to a refund of his or her accumulated additional contributions attributable to the additional

New matter indicated by italics - deletions by strikeout
contributions described in the last sentence of subsection (c) of Section 15-157. Upon the acceptance of such a refund of accumulated additional contributions, the participant forfeits all rights and credits which may have accrued because of such contributions.

(e) A participant who terminates his or her employee status and elects to waive service credit under Section 15-154.2, is entitled to a refund of the accumulated normal, additional and survivors insurance contributions, if any, which were credited the participant for this service, or to an additional annuity the value of which is equal to the accumulated normal, additional and survivors insurance contributions, if any; except that not more than one such refund application may be made during any academic year. Upon acceptance of this refund, the participant forfeits all rights and credits accrued because of this service.

(f) If a police officer or firefighter receives a retirement annuity under Rule 1 or 3 of Section 15-136, he or she shall be entitled at retirement to a refund of the difference between his or her accumulated normal contributions and the normal contributions which would have accumulated had such person filed a waiver of the retirement formula provided by Rule 4 of Section 15-136.

(g) If, at the time of retirement, a participant would be entitled to a retirement annuity under Rule 1, 2, 3, 4, or 5 of Section 15-136, or under Section 15-136.4, that exceeds the maximum specified in clause (1) of subsection (c) of Section 15-136, he or she shall be entitled to a refund of the employee contributions, if any, paid under Section 15-157 after the date upon which continuance of such contributions would have otherwise caused the retirement annuity to exceed this maximum, plus compound interest at the effective rates.

Sec. 15-157. Employee Contributions.
(a) Each participating employee shall make contributions towards the retirement benefits payable under the retirement program applicable to the employee from each payment of earnings applicable to employment under this system on and after the date of becoming a participant as follows: Prior to September 1, 1949, 3 1/2% of earnings; from September 1, 1949 to August 31, 1955, 5%; from September 1, 1955 to August 31,
1969, 6%; from September 1, 1969, 6 1/2%. These contributions are to be considered as normal contributions for purposes of this Article.

Each participant who is a police officer or firefighter shall make normal contributions of 8% of each payment of earnings applicable to employment as a police officer or firefighter under this system on or after September 1, 1981, unless he or she files with the board within 60 days after the effective date of this amendatory Act of 1991 or 60 days after the board receives notice that he or she is employed as a police officer or firefighter, whichever is later, a written notice waiving the retirement formula provided by Rule 4 of Section 15-136. This waiver shall be irrevocable. If a participant had met the conditions set forth in Section 15-132.1 prior to the effective date of this amendatory Act of 1991 but failed to make the additional normal contributions required by this paragraph, he or she may elect to pay the additional contributions plus compound interest at the effective rate. If such payment is received by the board, the service shall be considered as police officer service in calculating the retirement annuity under Rule 4 of Section 15-136. While performing service described in clause (i) or (ii) of Rule 4 of Section 15-136, a participating employee shall be deemed to be employed as a firefighter for the purpose of determining the rate of employee contributions under this Section.

(b) Starting September 1, 1969, each participating employee shall make additional contributions of 1/2 of 1% of earnings to finance a portion of the cost of the annual increases in retirement annuity provided under Section 15-136, except that with respect to participants in the self-managed plan this additional contribution shall be used to finance the benefits obtained under that retirement program.

(c) In addition to the amounts described in subsections (a) and (b) of this Section, each participating employee shall make contributions of 1% of earnings applicable under this system on and after August 1, 1959. The contributions made under this subsection (c) shall be considered as survivor's insurance contributions for purposes of this Article if the employee is covered under the traditional benefit package, and such contributions shall be considered as additional contributions for purposes of this Article if the employee is participating in the self-managed plan or has elected to participate in the portable benefit package and has completed the applicable one-year waiting period. Contributions in excess of $80 during any fiscal year beginning before August 31, 1969 and in excess of $120 during any fiscal year thereafter until September 1, 1971 shall be considered as additional contributions for purposes of this Article.

(d) If the board by board rule so permits and subject to such conditions and limitations as may be specified in its rules, a participant may make other additional contributions of such percentage of earnings or amounts as the participant shall elect in a written notice thereof received by the board.

(e) That fraction of a participant's total accumulated normal contributions, the numerator of which is equal to the number of years of service in excess of that which is required to qualify for the maximum retirement annuity, and the denominator of which is equal to the total service of the participant, shall be considered as accumulated additional contributions. The determination of the applicable maximum annuity and the adjustment in contributions required by this provision shall be made as of the date of the participant's retirement.

(f) Notwithstanding the foregoing, a participating employee shall not be required to make contributions under this Section after the date upon which continuance of such contributions would otherwise cause his or her retirement annuity to exceed the maximum retirement annuity as specified in clause (1) of subsection (c) of Section 15-136.

(g) A participant participating employee may make contributions for the purchase of service credit under this Article; however, only a participating employee may make optional contributions under subsection (b) of Section 15-157.1 of this Article.

(h) A Tier 2 member shall not make contributions on earnings that exceed the limitation as prescribed under subsection (b) of Section 15-111 of this Article.

A contract by and between the municipality and any developer or other nongovernmental person to pay or reimburse said developer or other nongovernmental person for business district project costs incurred or to be incurred by said developer or other nongovernmental person shall not be deemed an economic incentive agreement under Section 8-11-20, notwithstanding the fact that such contract provides for the sharing, rebate, or payment of retailers' occupation taxes or service occupation taxes (including, without limitation, taxes imposed pursuant to subsection (10)) the municipality receives from the development or redevelopment of properties in the business district. AN ACT concerning regulation.

Be it enacted by the People of the State of Illinois, represented in the General Assembly:

Section 5. The Nursing Home Care Act is amended by changing Section 2-201.5 as follows:

(210 ILCS 45/2-201.5)
Sec. 2-201.5. Screening prior to admission.

(a) All persons age 18 or older seeking admission to a nursing facility must be screened to determine the need for nursing facility services prior to being admitted, regardless of income, assets, or funding source. Screening for nursing facility services shall be administered through procedures established by administrative rule. Screening may be done by agencies other than the Department as established by administrative rule. This Section applies on and after July 1, 1996. No later than October 1, 2010, the Department of Healthcare and Family Services, in collaboration with the Department on Aging, the Department of Human Services, and

New matter indicated by italics - deletions by strikeout
the Department of Public Health, shall file administrative rules providing for the gathering, during the screening process, of information relevant to determining each person's potential for placing other residents, employees, and visitors at risk of harm.

(a-1) Any screening performed pursuant to subsection (a) of this Section shall include a determination of whether any person is being considered for admission to a nursing facility due to a need for mental health services. For a person who needs mental health services, the screening shall also include an evaluation of whether there is permanent supportive housing, or an array of community mental health services, including but not limited to supported housing, assertive community treatment, and peer support services, that would enable the person to live in the community. The person shall be told about the existence of any such services that would enable the person to live safely and humanely and about available appropriate nursing home services that would enable the person to live safely and humanely, and the person shall be given the assistance necessary to avail himself or herself of any available services.

(a-2) Pre-screening for persons with a serious mental illness shall be performed by a psychiatrist, a psychologist, a registered nurse certified in psychiatric nursing, a licensed clinical professional counselor, or a licensed clinical social worker, who is competent to (i) perform a clinical assessment of the individual, (ii) certify a diagnosis, (iii) make a determination about the individual's current need for treatment, including substance abuse treatment, and recommend specific treatment, and (iv) determine whether a facility or a community-based program is able to meet the needs of the individual.

For any person entering a nursing facility, the pre-screening agent shall make specific recommendations about what care and services the individual needs to receive, beginning at admission, to attain or maintain the individual's highest level of independent functioning and to live in the most integrated setting appropriate for his or her physical and personal care and developmental and mental health needs. These recommendations shall be revised as appropriate by the pre-screening or re-screening agent based on the results of resident review and in response to changes in the resident's wishes, needs, and interest in transition.

Upon the person entering the nursing facility, the Department of Human Services or its designee shall assist the person in establishing a relationship with a community mental health agency or other appropriate

New matter indicated by italics - deletions by strikeout
agencies in order to (i) promote the person's transition to independent living and (ii) support the person's progress in meeting individual goals.

(a-3) The Department of Human Services, by rule, shall provide for a prohibition on conflicts of interest for pre-admission screeners. The rule shall provide for waiver of those conflicts by the Department of Human Services if the Department of Human Services determines that a scarcity of qualified pre-admission screeners exists in a given community and that, absent a waiver of conflicts, an insufficient number of pre-admission screeners would be available. If a conflict is waived, the pre-admission screener shall disclose the conflict of interest to the screened individual in the manner provided for by rule of the Department of Human Services. For the purposes of this subsection, a "conflict of interest" includes, but is not limited to, the existence of a professional or financial relationship between (i) a PAS-MH corporate or a PAS-MH agent and (ii) a community provider or long-term care facility.

(b) In addition to the screening required by subsection (a), a facility, except for those licensed as long term care for under age 22 facilities, shall, within 24 hours after admission, request a criminal history background check pursuant to the Uniform Conviction Information Act for all persons age 18 or older seeking admission to the facility, unless (i) a background check was initiated by a hospital pursuant to subsection (d) of Section 6.09 of the Hospital Licensing Act; (ii) the transferring resident is immobile; or (iii) the transferring resident is moving into hospice. The exemption provided in item (ii) or (iii) of this subsection (b) shall apply only if a background check was completed by the facility the resident resided at prior to seeking admission to the facility and the resident was transferred to the facility with no time passing during which the resident was not institutionalized. If item (ii) or (iii) of this subsection (b) applies, the prior facility shall provide a copy of its background check of the resident and all supporting documentation, including, when applicable, the criminal history report and the security assessment, to the facility to which the resident is being transferred. Background checks conducted pursuant to this Section shall be based on the resident's name, date of birth, and other identifiers as required by the Department of State Police. If the results of the background check are inconclusive, the facility shall initiate a fingerprint-based check, unless the fingerprint check is waived by the Director of Public Health based on verification by the facility that the resident is completely immobile or that the resident meets other criteria related to the resident's health or lack of potential risk which may be
established by Departmental rule. A waiver issued pursuant to this Section shall be valid only while the resident is immobile or while the criteria supporting the waiver exist. The facility shall provide for or arrange for any required fingerprint-based checks to be taken on the premises of the facility. If a fingerprint-based check is required, the facility shall arrange for it to be conducted in a manner that is respectful of the resident's dignity and that minimizes any emotional or physical hardship to the resident.

(c) If the results of a resident's criminal history background check reveal that the resident is an identified offender as defined in Section 1-114.01, the facility shall do the following:

(1) Immediately notify the Department of State Police, in the form and manner required by the Department of State Police, in collaboration with the Department of Public Health, that the resident is an identified offender.

(2) Within 72 hours, arrange for a fingerprint-based criminal history record inquiry to be requested on the identified offender resident. The inquiry shall be based on the subject's name, sex, race, date of birth, fingerprint images, and other identifiers required by the Department of State Police. The inquiry shall be processed through the files of the Department of State Police and the Federal Bureau of Investigation to locate any criminal history record information that may exist regarding the subject. The Federal Bureau of Investigation shall furnish to the Department of State Police, pursuant to an inquiry under this paragraph (2), any criminal history record information contained in its files.

The facility shall comply with all applicable provisions contained in the Uniform Conviction Information Act.

All name-based and fingerprint-based criminal history record inquiries shall be submitted to the Department of State Police electronically in the form and manner prescribed by the Department of State Police. The Department of State Police may charge the facility a fee for processing name-based and fingerprint-based criminal history record inquiries. The fee shall be deposited into the State Police Services Fund. The fee shall not exceed the actual cost of processing the inquiry.

(d) (Blank).

(e) The Department shall develop and maintain a de-identified database of residents who have injured facility staff, facility visitors, or other residents, and the attendant circumstances, solely for the purposes of evaluating and improving resident pre-screening and assessment

procedures (including the Criminal History Report prepared under Section 2-201.6) and the adequacy of Department requirements concerning the provision of care and services to residents. A resident shall not be listed in the database until a Department survey confirms the accuracy of the listing. The names of persons listed in the database and information that would allow them to be individually identified shall not be made public. Neither the Department nor any other agency of State government may use information in the database to take any action against any individual, licensee, or other entity, unless the Department or agency receives the information independent of this subsection (e). All information collected, maintained, or developed under the authority of this subsection (e) for the purposes of the database maintained under this subsection (e) shall be treated in the same manner as information that is subject to Part 21 of Article VIII of the Code of Civil Procedure.

Section 1. Short title. This Act may be cited as the Burn Victims Relief Act, which may be referred to as the George Bailey Memorial Law.

Section 5. The George Bailey Memorial Program.

(a) The George Bailey Memorial Program is created under the Department of Insurance, under which any burn victim who, through no fault of his or her own, has become disabled and has been told by 2 independent physicians that his or her prognosis is that he or she has less than 18 months left to live shall immediately receive the 5 months' pay that he or she would have received for Social Security had there not been a mandatory 5-month waiting period. The person shall receive the same amount that he or she would receive under the Social Security disability insurance program, minus $25. This amount shall be paid in equal payments for 5 months, ending after the end of the 5-month period or upon the applicant's death.

As used in this Section, "through no fault of his or her own" means that the individual is not the proximate cause of his or her injury, through either gross negligence or by use of a substance that is well known to possibly cause grave bodily injury by a short amount of use or exposure.

(b) Any moneys that a person or his or her estate, trust, or heirs receive from a settlement for the injury that is the proximate cause of the person's disability under this Act or moneys received from Social Security disability benefits shall be used to repay the George Bailey Memorial Fund, except as provided under subsection (g) of this Section. The moneys shall be paid directly to the Department of Insurance for deposit in the Fund after the Department deducts a 20% administrative fee.

(c) Any person meeting the requirements of subsection (a) and whose application is approved shall be eligible to participate in the Program.

(d) Any active member of the United States Armed Forces shall be eligible if he or she was a resident of Illinois for at least 12 months before enlisting and he or she planned to return to Illinois.

(e) Any legal resident of Illinois who, at the time of the injury, was a resident of Illinois who would qualify under subsection (a) shall not be disqualified for residency requirements, provided that he or she was a legal resident at the time of the injury.

(f) Any legal resident of Illinois is eligible for participation in the Program and shall not be disqualified if the injury occurs outside of the State.
(g) The State shall have lien rights against all settlements or moneys otherwise collected due to the injury under this Act, but if the amount collected is less than the amount owed to the State through the Program, the State may not attach anything beyond the moneys given under the Program.

Section 10. Payments to the George Bailey Memorial Fund. The George Bailey Memorial Fund is created as a special fund in the State treasury. The George Bailey Memorial Fund shall be funded pursuant to subsection (p) of Section 27.6 of the Clerks of Courts Act and Section 16-104d of the Illinois Vehicle Code. Funds received under Section 16-104d of the Illinois Vehicle Code shall be repaid in full to the Fire Truck Revolving Loan Fund, without the deduction of the 20% administrative fee authorized in subsection (b) of Section 5, upon receipt by the George Bailey Memorial Fund from the person or his or her estate, trust, or heirs of any moneys from a settlement for the injury that is the proximate cause of the person's disability under this Act or moneys received from Social Security disability benefits. Moneys in the George Bailey Memorial Fund may only be used for the purposes set forth in this Act.

Section 15. Rulemaking. The Department of Insurance may adopt rules to implement the provisions of this Act. In order to provide for the expeditious and timely implementation of the provisions of this Act, emergency rules to implement any provision of this Act may be adopted by the Department in accordance with subsection (t) of Section 5-45 of the Illinois Administrative Procedure Act.

At such review the parents or guardian of the pupil may appear and discuss the suspension with the board or its hearing officer. If a hearing officer is appointed by the board he shall report to the board a written summary of the evidence heard at the meeting. After its hearing or upon receipt of the written report of its hearing officer, the board may take such action as it finds appropriate. If a student is suspended pursuant to this subsection (b), the board shall, in the written suspension decision, detail the specific act of gross disobedience or misconduct resulting in the decision to suspend. The suspension decision shall also include a rationale as to the specific duration of the suspension. A pupil who is suspended in excess of 20 school days may be immediately transferred to an alternative program in the manner provided in Article 13A or 13B of this Code. A pupil must not be denied transfer because of the suspension, except in cases in which
such transfer is deemed to cause a threat to the safety of students or staff in the alternative program.

(b-5) Among the many possible disciplinary interventions and consequences available to school officials, school exclusions, such as out-of-school suspensions and expulsions, are the most serious. School officials shall limit the number and duration of expulsions and suspensions to the greatest extent practicable, and it is recommended that they use them only for legitimate educational purposes. To ensure that students are not excluded from school unnecessarily, it is recommended that school officials consider forms of non-exclusionary discipline prior to using out-of-school suspensions or expulsions.

(b-10) Unless otherwise required by federal law or this Code, school boards may not institute zero-tolerance policies by which school administrators are required to suspend or expel students for particular behaviors.

(b-15) Out-of-school suspensions of 3 days or less may be used only if the student's continuing presence in school would pose a threat to school safety or a disruption to other students' learning opportunities. For purposes of this subsection (b-15), "threat to school safety or a disruption to other students' learning opportunities" shall be determined on a case-by-case basis by the school board or its designee. School officials shall make all reasonable efforts to resolve such threats, address such disruptions, and minimize the length of suspensions to the greatest extent practicable.

(b-20) Unless otherwise required by this Code, out-of-school suspensions of longer than 3 days, expulsions, and disciplinary removals to alternative schools may be used only if other appropriate and available behavioral and disciplinary interventions have been exhausted and the student's continuing presence in school would either (i) pose a threat to the safety of other students, staff, or members of the school community or (ii) substantially disrupt, impede, or interfere with the operation of the school. For purposes of this subsection (b-20), "threat to the safety of other students, staff, or members of the school community" and "substantially disrupt, impede, or interfere with the operation of the school" shall be determined on a case-by-case basis by school officials. For purposes of this subsection (b-20), the determination of whether "appropriate and available behavioral and disciplinary interventions have been exhausted" shall be made by school officials. School officials shall make all reasonable efforts to resolve such threats, address such
disruptions, and minimize the length of student exclusions to the greatest extent practicable. Within the suspension decision described in subsection (b) of this Section or the expulsion decision described in subsection (a) of this Section, it shall be documented whether other interventions were attempted or whether it was determined that there were no other appropriate and available interventions.

(b-25) Students who are suspended out-of-school for longer than 4 school days shall be provided appropriate and available support services during the period of their suspension. For purposes of this subsection (b-25), "appropriate and available support services" shall be determined by school authorities. Within the suspension decision described in subsection (b) of this Section, it shall be documented whether such services are to be provided or whether it was determined that there are no such appropriate and available services.

A school district may refer students who are expelled to appropriate and available support services.

A school district shall create a policy to facilitate the re-engagement of students who are suspended out-of-school, expelled, or returning from an alternative school setting.

(b-30) A school district shall create a policy by which suspended pupils, including those pupils suspended from the school bus who do not have alternate transportation to school, shall have the opportunity to make up work for equivalent academic credit. It shall be the responsibility of a pupil's parent or guardian to notify school officials that a pupil suspended from the school bus does not have alternate transportation to school.

(c) The Department of Human Services shall be invited to send a representative to consult with the board at such meeting whenever there is evidence that mental illness may be the cause for expulsion or suspension.

(c-5) School districts shall make reasonable efforts to provide ongoing professional development to teachers, administrators, school board members, school resource officers, and staff on the adverse consequences of school exclusion and justice-system involvement, effective classroom management strategies, culturally responsive discipline, and developmentally appropriate disciplinary methods that promote positive and healthy school climates.

(d) The board may expel a student for a definite period of time not to exceed 2 calendar years, as determined on a case by case basis. A student who is determined to have brought one of the following objects to
school, any school-sponsored activity or event, or any activity or event that bears a reasonable relationship to school shall be expelled for a period of not less than one year:

(1) A firearm. For the purposes of this Section, "firearm" means any gun, rifle, shotgun, weapon as defined by Section 921 of Title 18 of the United States Code, firearm as defined in Section 1.1 of the Firearm Owners Identification Card Act, or firearm as defined in Section 24-1 of the Criminal Code of 2012. The expulsion period under this subdivision (1) may be modified by the superintendent, and the superintendent's determination may be modified by the board on a case-by-case basis.

(2) A knife, brass knuckles or other knuckle weapon regardless of its composition, a billy club, or any other object if used or attempted to be used to cause bodily harm, including "look aikes" of any firearm as defined in subdivision (1) of this subsection (d). The expulsion requirement under this subdivision (2) may be modified by the superintendent, and the superintendent's determination may be modified by the board on a case-by-case basis.

Expulsion or suspension shall be construed in a manner consistent with the Federal Individuals with Disabilities Education Act. A student who is subject to suspension or expulsion as provided in this Section may be eligible for a transfer to an alternative school program in accordance with Article 13A of the School Code. The provisions of this subsection (d) apply in all school districts, including special charter districts and districts organized under Article 34.

(d-5) The board may suspend or by regulation authorize the superintendent of the district or the principal, assistant principal, or dean of students of any school to suspend a student for a period not to exceed 10 school days or may expel a student for a definite period of time not to exceed 2 calendar years, as determined on a case by case basis, if (i) that student has been determined to have made an explicit threat on an Internet website against a school employee, a student, or any school-related personnel, (ii) the Internet website through which the threat was made is a site that was accessible within the school at the time the threat was made or was available to third parties who worked or studied within the school grounds at the time the threat was made, and (iii) the threat could be reasonably interpreted as threatening to the safety and security of the threatened individual because of his or her duties or employment status or

status as a student inside the school. The provisions of this subsection (d-5) apply in all school districts, including special charter districts and districts organized under Article 34 of this Code.

(e) To maintain order and security in the schools, school authorities may inspect and search places and areas such as lockers, desks, parking lots, and other school property and equipment owned or controlled by the school, as well as personal effects left in those places and areas by students, without notice to or the consent of the student, and without a search warrant. As a matter of public policy, the General Assembly finds that students have no reasonable expectation of privacy in these places and areas or in their personal effects left in these places and areas. School authorities may request the assistance of law enforcement officials for the purpose of conducting inspections and searches of lockers, desks, parking lots, and other school property and equipment owned or controlled by the school for illegal drugs, weapons, or other illegal or dangerous substances or materials, including searches conducted through the use of specially trained dogs. If a search conducted in accordance with this Section produces evidence that the student has violated or is violating either the law, local ordinance, or the school's policies or rules, such evidence may be seized by school authorities, and disciplinary action may be taken. School authorities may also turn over such evidence to law enforcement authorities. The provisions of this subsection (e) apply in all school districts, including special charter districts and districts organized under Article 34.

(f) Suspension or expulsion may include suspension or expulsion from school and all school activities and a prohibition from being present on school grounds.

(g) A school district may adopt a policy providing that if a student is suspended or expelled for any reason from any public or private school in this or any other state, the student must complete the entire term of the suspension or expulsion in an alternative school program under Article 13A of this Code or an alternative learning opportunities program under Article 13B of this Code before being admitted into the school district if there is no threat to the safety of students or staff in the alternative program. This subsection (g) applies to all school districts, including special charter districts and districts organized under Article 34 of this Code.

(h) School officials shall not advise or encourage students to drop out voluntarily due to behavioral or academic difficulties.

(i) A student may not be issued a monetary fine or fee as a disciplinary consequence, though this shall not preclude requiring a student to provide restitution for lost, stolen, or damaged property.

(j) Subsections (a) through (i) of this Section shall apply to elementary and secondary schools, charter schools, special charter districts, and school districts organized under Article 34 of this Code.

Sec. 27A-5. Charter school; legal entity; requirements.

(a) A charter school shall be a public, nonsectarian, nonreligious, non-home based, and non-profit school. A charter school shall be organized and operated as a nonprofit corporation or other discrete, legal, nonprofit entity authorized under the laws of the State of Illinois.

(b) A charter school may be established under this Article by creating a new school or by converting an existing public school or attendance center to charter school status. Beginning on the effective date of this amendatory Act of the 93rd General Assembly, in all new applications to establish a charter school in a city having a population exceeding 500,000, operation of the charter school shall be limited to one campus. The changes made to this Section by this amendatory Act of the 93rd General Assembly do not apply to charter schools existing or approved on or before the effective date of this amendatory Act.

(b-5) In this subsection (b-5), "virtual-schooling" means a cyber school where students engage in online curriculum and instruction via the Internet and electronic communication with their teachers at remote locations and with students participating at different times.

From April 1, 2013 through December 31, 2016, there is a moratorium on the establishment of charter schools with virtual-schooling components in school districts other than a school district organized under Article 34 of this Code. This moratorium does not apply to a charter school with virtual-schooling components existing or approved prior to April 1, 2013 or to the renewal of the charter of a charter school with virtual-schooling components already approved prior to April 1, 2013.

On or before March 1, 2014, the Commission shall submit to the General Assembly a report on the effect of virtual-schooling, including without limitation the effect on student performance, the costs associated with virtual-schooling, and issues with oversight. The report shall include policy recommendations for virtual-schooling.

(d) A charter school shall comply with all applicable health and safety requirements applicable to public schools under the laws of the State of Illinois.

(e) Except as otherwise provided in the School Code, a charter school shall not charge tuition; provided that a charter school may charge reasonable fees for textbooks, instructional materials, and student activities.

(f) A charter school shall be responsible for the management and operation of its fiscal affairs including, but not limited to, the preparation of its budget. An audit of each charter school's finances shall be conducted annually by an outside, independent contractor retained by the charter school. To ensure financial accountability for the use of public funds, on or before December 1 of every year of operation, each charter school shall submit to its authorizer and the State Board a copy of its audit and a copy of the Form 990 the charter school filed that year with the federal Internal Revenue Service. In addition, if deemed necessary for proper financial oversight of the charter school, an authorizer may require quarterly financial statements from each charter school.

(g) A charter school shall comply with all provisions of this Article; the Illinois Educational Labor Relations Act; all federal and State laws and rules applicable to public schools that pertain to special education and the instruction of English language learners, referred to in this Code as "children of limited English-speaking ability"; and its charter. A charter school is exempt from all other State laws and regulations in this Code governing public schools and local school board policies, except the following:

(1) Sections 10-21.9 and 34-18.5 of this Code regarding criminal history records checks and checks of the Statewide Sex Offender Database and Statewide Murderer and Violent Offender Against Youth Database of applicants for employment;

(2) Sections 10-20.14, 10-22.6, 24-24, 34-19, and 34-84a of this Code regarding discipline of students;

However, a charter school that is established on or after the effective date of this amendatory Act of the 93rd General Assembly and that operates in a city having a population exceeding 500,000 may not contract with a for-profit entity to manage or operate the school during the period that commences on the effective date of this amendatory Act of the 93rd General Assembly and concludes at the end of the 2004-2005 school year. Except as provided in subsection (i) of this Section, a school district may charge a charter school reasonable rent for the use of the district's buildings, grounds, and facilities. Any services for which a charter school contracts with a school district shall be provided by the district at cost. Any services for which a charter school contracts with a local school board or with the governing body of a State college or university or public community college shall be provided by the public entity at cost.

(i) In no event shall a charter school that is established by converting an existing school or attendance center to charter school status be required to pay rent for space that is deemed available, as negotiated and provided in the charter agreement, in school district facilities.
However, all other costs for the operation and maintenance of school district facilities that are used by the charter school shall be subject to negotiation between the charter school and the local school board and shall be set forth in the charter.

(j) A charter school may limit student enrollment by age or grade level.

(k) If the charter school is approved by the Commission, then the Commission charter school is its own local education agency.

the suspension, except in cases in which such transfer is deemed to cause a threat to the safety of students or staff in the alternative program. The bylaws, rules and regulations of the board shall be enacted, money shall be appropriated or expended, salaries shall be fixed or changed, and textbooks, electronic textbooks, and courses of instruction shall be adopted or changed only at the regular meetings of the board and by a vote of a majority of the full membership of the board; provided that notwithstanding any other provision of this Article or the School Code, neither the board or any local school council may purchase any textbook for use in any public school of the district from any textbook publisher that fails to furnish any computer diskettes as required under Section 28-21. Funds appropriated for textbook purchases must be available for electronic textbook purchases and the technological equipment necessary to gain access to and use electronic textbooks at the local school council's discretion. The board shall be further encouraged to provide opportunities for public hearing and testimony before the adoption of bylaws, rules and regulations. Upon all propositions requiring for their adoption at least a majority of all the members of the board the yeas and nays shall be taken and reported. The by-laws, rules and regulations of the board shall not be repealed, amended or added to, except by a vote of 2/3 of the full membership of the board. The board shall keep a record of all its proceedings. Such records and all by-laws, rules and regulations, or parts thereof, may be proved by a copy thereof certified to be such by the secretary of the board, but if they are printed in book or pamphlet form which are purported to be published by authority of the board they need not be otherwise published and the book or pamphlet shall be received as evidence, without further proof, of the records, by-laws, rules and regulations, or any part thereof, as of the dates thereof as shown in such book or pamphlet, in all courts and places where judicial proceedings are had.

Notwithstanding any other provision in this Article or in the School Code, the board may delegate to the general superintendent or to the attorney the authorities granted to the board in the School Code, provided such delegation and appropriate oversight procedures are made pursuant to board by-laws, rules and regulations, adopted as herein provided, except that the board may not delegate its authorities and responsibilities regarding (1) budget approval obligations; (2) rule-making functions; (3) desegregation obligations; (4) real estate acquisition, sale or lease in excess of 10 years as provided in Section 34-21; (5) the levy of

(Senate Bill No. 0418)

AN ACT concerning public aid.
Be it enacted by the People of the State of Illinois, represented in the General Assembly:
Section 5. The Energy Assistance Act is amended by changing Section 13 as follows:
(305 ILCS 20/13)
(Section scheduled to be repealed on December 31, 2018)
(a) The Supplemental Low-Income Energy Assistance Fund is hereby created as a special fund in the State Treasury. The Supplemental Low-Income Energy Assistance Fund is authorized to receive moneys from voluntary donations from individuals, foundations, corporations, and other sources, moneys received pursuant to Section 17, and, by statutory deposit, the moneys collected pursuant to this Section. The Fund is also authorized to receive voluntary donations from individuals, foundations, corporations, and other sources, as well as contributions made in accordance with Section 507MM of the Illinois Income Tax Act. Subject to appropriation, the Department shall use moneys from the Supplemental Low-Income Energy Assistance Fund for payments to electric or gas public utilities, municipal electric or gas utilities, and electric cooperatives on behalf of their customers who are participants in the program authorized by Sections 4 and 18 of this Act, for the provision of weatherization services and for administration of the Supplemental Low-Income Energy Assistance Fund. The yearly expenditures for weatherization may not exceed 10% of the amount collected during the

year pursuant to this Section. The yearly administrative expenses of the Supplemental Low-Income Energy Assistance Fund may not exceed 10% of the amount collected during that year pursuant to this Section, except when unspent funds from the Supplemental Low-Income Energy Assistance Fund are reallocated from a previous year; any unspent balance of the 10% administrative allowance may be utilized for administrative expenses in the year they are reallocated.

(b) Notwithstanding the provisions of Section 16-111 of the Public Utilities Act but subject to subsection (k) of this Section, each public utility, electric cooperative, as defined in Section 3.4 of the Electric Supplier Act, and municipal utility, as referenced in Section 3-105 of the Public Utilities Act, that is engaged in the delivery of electricity or the distribution of natural gas within the State of Illinois shall, effective January 1, 1998, assess each of its customer accounts a monthly Energy Assistance Charge for the Supplemental Low-Income Energy Assistance Fund. The delivering public utility, municipal electric or gas utility, or electric or gas cooperative for a self-assessing purchaser remains subject to the collection of the fee imposed by this Section. The monthly charge shall be as follows:

(1) $0.48 per month on each account for residential electric service;
(2) $0.48 per month on each account for residential gas service;
(3) $4.80 per month on each account for non-residential electric service which had less than 10 megawatts of peak demand during the previous calendar year;
(4) $4.80 per month on each account for non-residential gas service which had distributed to it less than 4,000,000 therms of gas during the previous calendar year;
(5) $360 per month on each account for non-residential electric service which had 10 megawatts or greater of peak demand during the previous calendar year; and
(6) $360 per month on each account for non-residential gas service which had 4,000,000 or more therms of gas distributed to it during the previous calendar year.

The incremental change to such charges imposed by this amendatory Act of the 96th General Assembly shall not (i) be used for any purpose other than to directly assist customers and (ii) be applicable to utilities serving less than 100,000 customers in Illinois on January 1, 2009.
In addition, electric and gas utilities have committed, and shall contribute, a one-time payment of $22 million to the Fund, within 10 days after the effective date of the tariffs established pursuant to Sections 16-111.8 and 19-145 of the Public Utilities Act to be used for the Department's cost of implementing the programs described in Section 18 of this amendatory Act of the 96th General Assembly, the Arrearage Reduction Program described in Section 18, and the programs described in Section 8-105 of the Public Utilities Act. If a utility elects not to file a rider within 90 days after the effective date of this amendatory Act of the 96th General Assembly, then the contribution from such utility shall be made no later than February 1, 2010.

(c) For purposes of this Section:

(1) "residential electric service" means electric utility service for household purposes delivered to a dwelling of 2 or fewer units which is billed under a residential rate, or electric utility service for household purposes delivered to a dwelling unit or units which is billed under a residential rate and is registered by a separate meter for each dwelling unit;

(2) "residential gas service" means gas utility service for household purposes distributed to a dwelling of 2 or fewer units which is billed under a residential rate, or gas utility service for household purposes distributed to a dwelling unit or units which is billed under a residential rate and is registered by a separate meter for each dwelling unit;

(3) "non-residential electric service" means electric utility service which is not residential electric service; and

(4) "non-residential gas service" means gas utility service which is not residential gas service.

(d) Within 30 days after the effective date of this amendatory Act of the 96th General Assembly, each public utility engaged in the delivery of electricity or the distribution of natural gas shall file with the Illinois Commerce Commission tariffs incorporating the Energy Assistance Charge in other charges stated in such tariffs, which shall become effective no later than the beginning of the first billing cycle following such filing.

(e) The Energy Assistance Charge assessed by electric and gas public utilities shall be considered a charge for public utility service.

(f) By the 20th day of the month following the month in which the charges imposed by the Section were collected, each public utility, municipal utility, and electric cooperative shall remit to the Department of

Revenue all moneys received as payment of the Energy Assistance Charge on a return prescribed and furnished by the Department of Revenue showing such information as the Department of Revenue may reasonably require; provided, however, that a utility offering an Arrearage Reduction Program pursuant to Section 18 of this Act shall be entitled to net those amounts necessary to fund and recover the costs of such Program as authorized by that Section that is no more than the incremental change in such Energy Assistance Charge authorized by this amendatory Act of the 96th General Assembly. If a customer makes a partial payment, a public utility, municipal utility, or electric cooperative may elect either: (i) to apply such partial payments first to amounts owed to the utility or cooperative for its services and then to payment for the Energy Assistance Charge or (ii) to apply such partial payments on a pro-rata basis between amounts owed to the utility or cooperative for its services and to payment for the Energy Assistance Charge.

(g) The Department of Revenue shall deposit into the Supplemental Low-Income Energy Assistance Fund all moneys remitted to it in accordance with subsection (f) of this Section; provided, however, that the amounts remitted by each utility shall be used to provide assistance to that utility's customers. The utilities shall coordinate with the Department to establish an equitable and practical methodology for implementing this subsection (g) beginning with the 2010 program year.

(h) On or before December 31, 2002, the Department shall prepare a report for the General Assembly on the expenditure of funds appropriated from the Low-Income Energy Assistance Block Grant Fund for the program authorized under Section 4 of this Act.

(i) The Department of Revenue may establish such rules as it deems necessary to implement this Section.

(j) The Department of Commerce and Economic Opportunity may establish such rules as it deems necessary to implement this Section.

(k) The charges imposed by this Section shall only apply to customers of municipal electric or gas utilities and electric or gas cooperatives if the municipal electric or gas utility or electric or gas cooperative makes an affirmative decision to impose the charge. If a municipal electric or gas utility or an electric cooperative makes an affirmative decision to impose the charge provided by this Section, the municipal electric or gas utility or electric cooperative shall inform the Department of Revenue in writing of such decision when it begins to impose the charge. If a municipal electric or gas utility or electric or gas

cooperative does not assess this charge, the Department may not use funds from the Supplemental Low-Income Energy Assistance Fund to provide benefits to its customers under the program authorized by Section 4 of this Act.

In its use of federal funds under this Act, the Department may not cause a disproportionate share of those federal funds to benefit customers of systems which do not assess the charge provided by this Section.

This Section is repealed effective December 31, 2018 unless renewed by action of the General Assembly. The General Assembly shall consider the results of the evaluations described in Section 8 in its deliberations.

(a) A municipality in a county having a population of 2,000,000 or more inhabitants must regulate and inspect retail food establishments in the municipality. A municipality must regulate and inspect retail food establishments in accordance with applicable federal and State laws pertaining to the operation of retail food establishments including but not limited to the Illinois Food Handling Regulation Enforcement Act, the Illinois Food, Drug and Cosmetic Act, the Sanitary Food Preparation Act, the regulations of the Illinois Department of Public Health, and local ordinances and regulations. limitation of home rule powers under subsection (i) of Section 6 of Article VII of the Illinois Constitution on the concurrent exercise by home rule units of the powers and functions exercised by the State.

(b) A municipality may enter into an intergovernmental agreement with a county that provides for the county's certified local health department to perform any or all inspection functions for the municipality. The municipality must pay the county's reasonable costs. A municipality may enter into an intergovernmental agreement with a local health district, as defined in Section 11 of the Public Health District Act and that serves the entire municipality, to regulate and inspect retail food establishments for the municipality. An intergovernmental agreement shall not preclude a municipality or local health district from continuing to license retail food establishments within its jurisdiction.

(Senate Bill No. 1102)

AN ACT concerning government.

Section 5. The State Employee Indemnification Act is amended by changing Section 2 as follows:

(5 ILCS 350/2) (from Ch. 127, par. 1302)

Sec. 2. Representation and indemnification of State employees.

(a) In the event that any civil proceeding is commenced against any State employee arising out of any act or omission occurring within the scope of the employee's State employment, the Attorney General shall, upon timely and appropriate notice to him by such employee, appear on behalf of such employee and defend the action. In the event that any civil proceeding is commenced against any physician who is an employee of the Department of Corrections or the Department of Human Services (in a position relating to the Department's mental health and developmental disabilities functions) alleging death or bodily injury or other injury to the person of the complainant resulting from and arising out of any act or omission occurring on or after December 3, 1977 within the scope of the employee's State employment, or against any physician who is an employee of the Department of Veterans' Affairs alleging death or bodily injury or other injury to the person of the complainant resulting from and arising out of any act or omission occurring on or after the effective date of this amendatory Act of 1988 within the scope of the employee's State employment, or in the event that any civil proceeding is commenced against any attorney who is an employee of the State Appellate Defender alleging legal malpractice or for other damages resulting from and arising out of any act or omission occurring on or after December 3, 1977, within the scope of the employee's State employment, or in the event that any civil proceeding is commenced against any individual or organization who contracts with the Department of Labor to provide services as a carnival and amusement ride safety inspector alleging malpractice, death or bodily injury or other injury to the person arising out of any act or omission occurring on or after May 1, 1985, within the scope of that employee's State employment, the Attorney General shall, upon timely and appropriate notice to him by such employee, appear on behalf of such employee and defend the action. Any such notice shall be in writing, shall

New matter indicated by italics - deletions by strikeout
be mailed within 15 days after the date of receipt by the employee of service of process, and shall authorize the Attorney General to represent and defend the employee in the proceeding. The giving of this notice to the Attorney General shall constitute an agreement by the State employee to cooperate with the Attorney General in his defense of the action and a consent that the Attorney General shall conduct the defense as he deems advisable and in the best interests of the employee, including settlement in the Attorney General's discretion. In any such proceeding, the State shall pay the court costs and litigation expenses of defending such action, to the extent approved by the Attorney General as reasonable, as they are incurred.

(b) In the event that the Attorney General determines that so appearing and defending an employee either (1) involves an actual or potential conflict of interest, or (2) that the act or omission which gave rise to the claim was not within the scope of the employee's State employment or was intentional, wilful or wanton misconduct, the Attorney General shall decline in writing to appear or defend or shall promptly take appropriate action to withdraw as attorney for such employee. Upon receipt of such declination or upon such withdrawal by the Attorney General on the basis of an actual or potential conflict of interest, the State employee may employ his own attorney to appear and defend, in which event the State shall pay the employee's court costs, litigation expenses and attorneys' fees to the extent approved by the Attorney General as reasonable, as they are incurred. In the event that the Attorney General declines to appear or withdraws on the grounds that the act or omission was not within the scope of employment, or was intentional, wilful or wanton misconduct, and a court or jury finds that the act or omission of the State employee was within the scope of employment and was not intentional, wilful or wanton misconduct, the State shall indemnify the State employee for any damages awarded and court costs and attorneys' fees assessed as part of any final and unreversed judgment. In such event the State shall also pay the employee's court costs, litigation expenses and attorneys' fees to the extent approved by the Attorney General as reasonable.

In the event that the defendant in the proceeding is an elected State official, including members of the General Assembly, the elected State official may retain his or her attorney, provided that said attorney shall be reasonably acceptable to the Attorney General. In such case the State shall pay the elected State official's court costs, litigation expenses, and
attorneys' fees, to the extent approved by the Attorney General as reasonable, as they are incurred.

(b-5) The Attorney General may file a counterclaim on behalf of a State employee, provided:

(1) the Attorney General determines that the State employee is entitled to representation in a civil action under this Section;

(2) the counterclaim arises out of any act or omission occurring within the scope of the employee's State employment that is the subject of the civil action; and

(3) the employee agrees in writing that if judgment is entered in favor of the employee, the amount of the judgment shall be applied to offset any judgment that may be entered in favor of the plaintiff, and then to reimburse the State treasury for court costs and litigation expenses required to pursue the counterclaim. The balance of the collected judgment shall be paid to the State employee.

(c) Notwithstanding any other provision of this Section, representation and indemnification of a judge under this Act shall also be provided in any case where the plaintiff seeks damages or any equitable relief as a result of any decision, ruling or order of a judge made in the course of his or her judicial or administrative duties, without regard to the theory of recovery employed by the plaintiff. Indemnification shall be for all damages awarded and all court costs, attorney fees and litigation expenses assessed against the judge. When a judge has been convicted of a crime as a result of his or her intentional judicial misconduct in a trial, that judge shall not be entitled to indemnification and representation under this subsection in any case maintained by a party who seeks damages or other equitable relief as a direct result of the judge's intentional judicial misconduct.

(d) In any such proceeding where notice in accordance with this Section has been given to the Attorney General, unless the court or jury finds that the conduct or inaction which gave rise to the claim or cause of action was intentional, wilful or wanton misconduct and was not intended to serve or benefit interests of the State, the State shall indemnify the State employee for any damages awarded and court costs and attorneys' fees assessed as part of any final and unreversed judgment, or shall pay such judgment. Unless the Attorney General determines that the conduct or inaction which gave rise to the claim or cause of action was intentional, wilful or wanton misconduct and was not intended to serve or benefit

interests of the State, the case may be settled, in the Attorney General's discretion and with the employee's consent, and the State shall indemnify the employee for any damages, court costs and attorneys' fees agreed to as part of the settlement, or shall pay such settlement. Where the employee is represented by private counsel, any settlement must be so approved by the Attorney General and the court having jurisdiction, which shall obligate the State to indemnify the employee.

(e) (i) Court costs and litigation expenses and other costs of providing a defense or counterclaim, including attorneys' fees obligated under this Section, shall be paid from the State Treasury on the warrant of the Comptroller out of appropriations made to the Department of Central Management Services specifically designed for the payment of costs, fees and expenses covered by this Section.

(ii) Upon entry of a final judgment against the employee, or upon the settlement of the claim, the employee shall cause to be served a copy of such judgment or settlement, personally or by certified or registered mail within thirty days of the date of entry or settlement, upon the chief administrative officer of the department, office or agency in which he is employed. If not inconsistent with the provisions of this Section, such judgment or settlement shall be certified for payment by such chief administrative officer and by the Attorney General. The judgment or settlement shall be paid from the State Treasury on the warrant of the Comptroller out of appropriations made to the Department of Central Management Services specifically designed for the payment of claims covered by this Section.

(f) Nothing contained or implied in this Section shall operate, or be construed or applied, to deprive the State, or any employee thereof, of any defense heretofore available.

(g) This Section shall apply regardless of whether the employee is sued in his or her individual or official capacity.

(h) This Section shall not apply to claims for bodily injury or damage to property arising from motor vehicle accidents.

(i) This Section shall apply to all proceedings filed on or after its effective date, and to any proceeding pending on its effective date, if the State employee gives notice to the Attorney General as provided in this Section within 30 days of the Act's effective date.

(j) The amendatory changes made to this Section by this amendatory Act of 1986 shall apply to all proceedings filed on or after the effective date of this amendatory Act of 1986 and to any proceeding

pending on its effective date, if the State employee gives notice to the Attorney General as provided in this Section within 30 days of the effective date of this amendatory Act of 1986.

(k) This Act applies to all State officials who are serving as trustees, or their appointing authorities, of a clean energy community trust or as members of a not-for-profit foundation or corporation established pursuant to Section 16-111.1 of the Public Utilities Act.

(l) The State shall not provide representation for, nor shall it indemnify, any State employee in (i) any criminal proceeding in which the employee is a defendant or (ii) any criminal investigation in which the employee is the target. Nothing in this Act shall be construed to prohibit the State from providing representation to a State employee who is a witness in a criminal matter arising out of that employee's State employment.

higher education university, or recipient of a grant or loan of State funds of $250,000 or more complying with Section 45 of the State Finance Act, may permit an individual contract or contract package, (related contracts being bid or awarded simultaneously for the same project or improvements) be made wholly or partially exempt from State contracting goals for businesses owned by minorities, females, and persons with disabilities prior to the advertisement for bids or solicitation of proposals whenever there has been a determination, reduced to writing and based on the best information available at the time of the determination, that there is an insufficient number of businesses owned by minorities, females, and persons with disabilities to ensure adequate competition and an expectation of reasonable prices on bids or proposals solicited for the individual contract or contract package in question.

(2) Class exemptions.

(a) Creation. The Council, on its own initiative or at the request of the affected agency or public institution of higher education university, may permit an entire class of contracts be made exempt from State contracting goals for businesses owned by minorities, females, and persons with disabilities whenever there has been a determination, reduced to writing and based on the best information available at the time of the determination, that there is an insufficient number of qualified businesses owned by minorities, females, and persons with disabilities to ensure adequate competition and an expectation of reasonable prices on bids or proposals within that class.

The Council shall grant the waiver where the contractor demonstrates that there has been made a good faith effort to comply with the goals for participation by businesses owned by minorities, females, and persons with disabilities.

(4) Conflict with other laws. In the event that any State contract, which otherwise would be subject to the provisions of this Act, is or becomes subject to federal laws or regulations which conflict with the provisions of this Act or actions of the State taken pursuant hereto, the provisions of the federal laws or regulations shall apply and the contract shall be interpreted and enforced accordingly.

Sec. 8. Enforcement. The Council shall make such findings, recommendations and proposals to the Governor as are necessary and appropriate to enforce this Act. If, as a result of its monitoring activities, the Council determines that its goals and policies are not being met by any State agency or public institution of higher education State university, the Council may recommend any or all of the following actions:

(a) Establish enforcement procedures whereby the Council may recommend to the appropriate State agency, public institutions of higher education State university, or law enforcement officer that legal or administrative remedies be initiated for violations of contract provisions or rules issued hereunder or by a contracting State agency or public institutions of higher education State university. (iii) elimination of extended experience or capitalization requirements, when programmatically feasible, to permit participation of businesses owned by minorities, females, and persons with disabilities;

(iv) identification of specific proposed contracts as particularly attractive or appropriate for participation by businesses owned by minorities, females, and persons with disabilities, such identification to result from and be coupled with the efforts of subparagraphs (i) through (iii);

(v) implementation of those regulations established for the use of the sheltered market process.

(1) Subject to the provisions of Section 22A-113 of this Code and subsections (2) and (3) of this Section, the board of trustees of a retirement system or pension fund established under this Code may:

(a) Appoint one or more investment managers as fiduciaries to manage (including the power to acquire and dispose of) any assets of the retirement system or pension fund; and

(b) Allocate duties among themselves and designate others as fiduciaries to carry out specific fiduciary activities other than the management of the assets of the retirement system or pension fund.

(2) The board of trustees of a pension fund established under Article 5, 6, 8, 9, 10, 11, 12 or 17 of this Code may not transfer its investment authority, nor transfer the assets of the fund to any other person or entity for the purpose of consolidating or merging its assets and management with any other pension fund or public investment authority, unless the board resolution authorizing such transfer is submitted for approval to the contributors and pensioners of the fund at elections held not less than 30 days after the adoption of such resolution by the board, and such resolution is approved by a majority of the votes cast on the question in both the contributors election and the pensioners election. (4) For the purposes of this Code, "emerging investment manager" means a qualified investment adviser that manages an investment portfolio of at least $10,000,000 but less than $10,000,000,000 and is a "minority owned business", "female owned business" or "business owned by a person with a disability" as those terms are defined in the Business Enterprise for Minorities, Females, and Persons with Disabilities Act.

It is hereby declared to be the public policy of the State of Illinois to encourage the trustees of public employee retirement systems, pension funds, and investment boards to use emerging investment managers in managing their system's assets, encompassing all asset classes, and increase the racial, ethnic, and gender diversity of its fiduciaries, to the greatest extent feasible within the bounds of financial and fiduciary prudence, and to take affirmative steps to remove any barriers to the full participation in investment opportunities afforded by those retirement systems, pension funds, and investment boards.

On or before January 1, 2010, a retirement system, pension fund, or investment board subject to this Code, except those whose investments are restricted by Section 1-113.2 of this Code, shall adopt a policy that sets forth goals for utilization of emerging investment managers. This policy shall include quantifiable goals for the management of assets in specific asset classes by emerging investment managers. The retirement system, pension fund, or investment board shall establish 3 separate goals for: (i) emerging investment managers that are minority owned businesses; (ii) emerging investment managers that are female owned businesses; and (iii) emerging investment managers that are businesses owned by a person with a disability. The goals established shall be based on the percentage of total dollar amount of investment service contracts let to minority owned businesses, female owned businesses, and businesses owned by a person with a disability, as those terms are defined in the Business Enterprise for Minorities, Females, and Persons with Disabilities Act. The retirement system, pension fund, or investment board shall annually review the goals established under this subsection.

If in any case an emerging investment manager meets the criteria established by a board for a specific search and meets the criteria established by a consultant for that search, then that emerging investment manager shall receive an invitation by the board of trustees, or an investment committee of the board of trustees, to present his or her firm for final consideration of a contract. In the case where multiple emerging

The use of an emerging investment manager does not constitute a transfer of investment authority for the purposes of subsection (2) of this Section.

(5) Each retirement system, pension fund, or investment board subject to this Code, except those whose investments are restricted by Section 1-113.2 of this Code, shall establish a policy that sets forth goals for increasing the racial, ethnic, and gender diversity of its fiduciaries, including its consultants and senior staff. Each system, fund, and investment board shall annually review the goals established under this subsection.

(6) On or before January 1, 2010, a retirement system, pension fund, or investment board subject to this Code, except those whose investments are restricted by Section 1-113.2 of this Code, shall adopt a policy that sets forth goals for utilization of businesses owned by minorities, females, and persons with disabilities for all contracts and services. The goals established shall be based on the percentage of total dollar amount of all contracts let to minority owned businesses, female owned businesses, and businesses owned by a person with a disability, as those terms are defined in the Business Enterprise for Minorities, Females, and Persons with Disabilities Act. The retirement system, pension fund, or investment board shall annually review the goals established under this subsection.

(8) Each retirement system, pension fund, and investment board subject to this Code, except those whose investments are restricted by Section 1-113.2 of this Code, shall submit a report to the Governor and the General Assembly by January 1 of each year that includes the following:

(9) On or before February 1, 2015, a retirement system, pension fund, or investment board subject to this Code, except those whose investments are restricted by Section 1-113.2 of this Code, shall adopt a policy that sets forth goals for increasing the utilization of minority investment managers. For the purposes of this Code, "minority investment manager" means a qualified investment manager that manages an investment portfolio and meets the definition of "minority owned business", "female owned business", or "business owned by a person with a disability", as those terms are defined in the Business Enterprise for Minorities, Females, and Persons with Disabilities Act.

In the case where multiple minority investment managers meet the criteria of this Section, the staff may choose the most qualified firm or firms to present to the board.

The use of a minority investment manager does not constitute a transfer of investment authority for the purposes of subsection (2) of this Section.

"Prevention of Significant Deterioration permit" or "PSD permit" means a permit or the portion of a permit for a new major source or major modification that is issued by the Illinois Environmental Protection Agency under the construction permit program pursuant to subsection (c) of Section 9.1 that has been approved by the United States Environmental Protection Agency and incorporated into the Illinois State Implementation Plan to implement the requirements of Section 165 of the Clean Air Act and 40 CFR 51.166.

(415 ILCS 5/9.1) (from Ch. 111 1/2, par. 1009.1)
Sec. 9.1. (a) The General Assembly finds that the federal Clean Air Act, as amended, and regulations adopted pursuant thereto establish complex and detailed provisions for State-federal cooperation in the field of air pollution control, provide for a Prevention of Significant Deterioration program to regulate the issuance of preconstruction permits to insure that economic growth will occur in a manner consistent with the preservation of existing clean air resources, and also provide for plan requirements for nonattainment areas to regulate the construction, modification and operation of sources of air pollution to insure that economic growth will occur in a manner consistent with the goal of achieving the national ambient air quality standards, and that the General Assembly cannot conveniently or advantageously set forth in this Act all the requirements of such federal Act or all regulations which may be established thereunder.

It is the purpose of this Section to avoid the existence of duplicative, overlapping or conflicting State and federal regulatory systems.

(b) The provisions of Section 111 of the federal Clean Air Act (42 USC 7411), as amended, relating to standards of performance for new stationary sources, and Section 112 of the federal Clean Air Act (42 USC 7412), as amended, relating to the establishment of national emission standards for hazardous air pollutants are applicable in this State and are enforceable under this Act. To the extent that the provisions of 40 CFR 52.21 provide for the Administrator to make various determinations and to take certain actions, these provisions shall be modified to indicate the Agency if appropriate. Nothing in this subsection shall be construed to limit the right of any person to submit a proposal to the Board or the authority of the Board to adopt elements of a PSD permit program that are more stringent than those contained in 40 CFR 52.21, pursuant to the rulemaking requirements of Title VII of this Act and Section 5-35 of the Illinois Administrative Procedure Act.

(d) No person shall:

(1) violate any provisions of Sections 111, 112, 165 or 173 of the Clean Air Act, as now or hereafter amended, or federal regulations adopted pursuant thereto; or

(2) construct, install, modify or operate any equipment, building, facility, source or installation which is subject to regulation under Sections 111, 112, 165 or 173 of the Clean Air Act, as now or hereafter amended, except in compliance with the requirements of such Sections and federal regulations adopted
pursuant thereto, and no such action shall be undertaken (A) without a permit granted by the Agency whenever a permit is required pursuant to (i) this Act or Board regulations or (ii) Section 111, 112, 165, or 173 of the Clean Air Act or federal regulations adopted pursuant thereto or (B) in violation of any conditions imposed by such permit. The issuance or any denial of such a PSD permit or any conditions imposed therein in such a permit shall be reviewable by the Board in accordance with Section 40.3 of this Act. Other permits addressed in this subsection (d) shall be reviewable by the Board in accordance with Section 40 of this Act.

(e) The Board shall exempt from regulation under the State Implementation Plan for ozone the volatile organic compounds which have been determined by the U.S. Environmental Protection Agency to be exempt from regulation under state implementation plans for ozone due to negligible photochemical reactivity. In accordance with subsection (b) of Section 7.2, the Board shall adopt regulations identical in substance to the U.S. Environmental Protection Agency exemptions or deletion of exemptions published in policy statements on the control of volatile organic compounds in the Federal Register by amending the list of exemptions to the Board's definition of volatile organic material found at 35 Ill. Adm. Code Part 211. The provisions and requirements of Title VII of this Act shall not apply to regulations adopted under this subsection. However, the Board shall provide for notice, a hearing if required by the U.S. Environmental Protection Agency, and public comment before adopted rules are filed with the Secretary of State. (j) If the owner or operator undertakes construction without obtaining an air pollution construction permit, the fee under this Section is still required. Payment of the required fee does not preclude the Agency or the Attorney General or other authorized persons from pursuing enforcement against the applicant for failure to have an air pollution construction permit prior to commencing construction.

(k) If an air pollution construction permittee makes a fee payment under this Section from an account with insufficient funds to cover the amount of the fee payment, the Agency shall notify the permittee of the failure to pay the fee. If the permittee fails to pay the fee within 60 days after such notification, the Agency may, by written notice, immediately revoke the air pollution construction permit. Failure of the Agency to notify the permittee of the permittee's failure to make payment does not excuse or alter the duty of the permittee to comply with the provisions of this Section.

(l) The Agency may establish procedures for the collection of air pollution construction permit fees.

(m) Fees collected pursuant to this Section shall be deposited into the Environmental Protection Permit and Inspection Fund.

(415 ILCS 5/39) (from Ch. 111 1/2, par. 1039)
Sec. 39. Issuance of permits; procedures.

(a) When the Board has by regulation required a permit for the construction, installation, or operation of any type of facility, equipment, vehicle, vessel, or aircraft, the applicant shall apply to the Agency for such permit and it shall be the duty of the Agency to issue such a permit upon proof by the applicant that the facility, equipment, vehicle, vessel, or aircraft will not cause a violation of this Act or of regulations hereunder. The Agency shall adopt such procedures as are necessary to carry out its duties under this Section. In making its determinations on permit applications under this Section the Agency may consider prior adjudications of noncompliance with this Act by the applicant that involved a release of a contaminant into the environment. In granting permits, the Agency may impose reasonable conditions specifically related to the applicant's past compliance history with this Act as necessary to correct, detect, or prevent noncompliance. The Agency may impose such other conditions as may be necessary to accomplish the purposes of this

Act, and as are not inconsistent with the regulations promulgated by the Board hereunder. Except as otherwise provided in this Act, a bond or other security shall not be required as a condition for the issuance of a permit. If the Agency denies any permit under this Section, the Agency shall transmit to the applicant within the time limitations of this Section specific, detailed statements as to the reasons the permit application was denied. Such statements shall include, but not be limited to the following:

(i) the Sections of this Act which may be violated if the permit were granted;
(ii) the provision of the regulations, promulgated under this Act, which may be violated if the permit were granted;
(iii) the specific type of information, if any, which the Agency deems the applicant did not provide the Agency; and
(iv) a statement of specific reasons why the Act and the regulations might not be met if the permit were granted.

If there is no final action by the Agency within 90 days after the filing of the application for permit, the applicant may deem the permit issued; except that this time period shall be extended to 180 days when (1) notice and opportunity for public hearing are required by State or federal law or regulation, (2) the application which was filed is for any permit to develop a landfill subject to issuance pursuant to this subsection, or (3) the application that was filed is for a MSWLF unit required to issue public notice under subsection (p) of Section 39. The 90-day and 180-day time periods for the Agency to take final action do not apply to NPDES permit applications under subsection (b) of this Section, to RCRA permit applications under subsection (d) of this Section, or to UIC permit applications under subsection (e) of this Section.

The Agency shall publish notice of all final permit determinations for development permits for MSWLF units and for significant permit modifications for lateral expansions for existing MSWLF units one time in a newspaper of general circulation in the county in which the unit is or is proposed to be located.

After January 1, 1994 and until July 1, 1998, operating permits issued under this Section by the Agency for sources of air pollution permitted to emit less than 25 tons per year of any combination of regulated air pollutants, as defined in Section 39.5 of this Act, shall be required to be renewed only upon written request by the Agency consistent with applicable provisions of this Act and regulations promulgated hereunder. Such operating permits shall expire 180 days after the date of

such a request. The Board shall revise its regulations for the existing State air pollution operating permit program consistent with this provision by January 1, 1994.

After June 30, 1998, operating permits issued under this Section by the Agency for sources of air pollution that are not subject to Section 39.5 of this Act and are not required to have a federally enforceable State operating permit shall be required to be renewed only upon written request by the Agency consistent with applicable provisions of this Act and its rules. Such operating permits shall expire 180 days after the date of such a request. Before July 1, 1998, the Board shall revise its rules for the existing State air pollution operating permit program consistent with this paragraph and shall adopt rules that require a source to demonstrate that it qualifies for a permit under this paragraph.

(b) The Agency may issue NPDES permits exclusively under this subsection for the discharge of contaminants from point sources into navigable waters, all as defined in the Federal Water Pollution Control Act, as now or hereafter amended, within the jurisdiction of the State, or into any well.

All NPDES permits shall contain those terms and conditions, including but not limited to schedules of compliance, which may be required to accomplish the purposes and provisions of this Act.

The Agency may issue general NPDES permits for discharges from categories of point sources which are subject to the same permit limitations and conditions. Such general permits may be issued without individual applications and shall conform to regulations promulgated under Section 402 of the Federal Water Pollution Control Act, as now or hereafter amended.

The Agency may include, among such conditions, effluent limitations and other requirements established under this Act, Board regulations, the Federal Water Pollution Control Act, as now or hereafter amended, and regulations pursuant thereto, and schedules for achieving compliance therewith at the earliest reasonable date.

The Agency shall adopt filing requirements and procedures which are necessary and appropriate for the issuance of NPDES permits, and which are consistent with the Act or regulations adopted by the Board, and with the Federal Water Pollution Control Act, as now or hereafter amended, and regulations pursuant thereto.

The Agency, subject to any conditions which may be prescribed by Board regulations, may issue NPDES permits to allow discharges beyond

deadlines established by this Act or by regulations of the Board without
the requirement of a variance, subject to the Federal Water Pollution
Control Act, as now or hereafter amended, and regulations pursuant thereto.

(c) Except for those facilities owned or operated by sanitary
districts organized under the Metropolitan Water Reclamation District Act,
no permit for the development or construction of a new pollution control
facility may be granted by the Agency unless the applicant submits proof
to the Agency that the location of the facility has been approved by the
County Board of the county if in an unincorporated area, or the governing
body of the municipality when in an incorporated area, in which the
facility is to be located in accordance with Section 39.2 of this Act. For
purposes of this subsection (c), and for purposes of Section 39.2 of this
Act, the appropriate county board or governing body of the municipality
shall be the county board of the county or the governing body of the
municipality in which the facility is to be located as of the date when the
application for siting approval is filed.

In the event that siting approval granted pursuant to Section 39.2
has been transferred to a subsequent owner or operator, that subsequent
owner or operator may apply to the Agency for, and the Agency may grant,
a development or construction permit for the facility for which local siting
approval was granted. Upon application to the Agency for a development
or construction permit by that subsequent owner or operator, the permit
applicant shall cause written notice of the permit application to be served
upon the appropriate county board or governing body of the municipality
that granted siting approval for that facility and upon any party to the siting
proceeding pursuant to which siting approval was granted. In that event,
the Agency shall conduct an evaluation of the subsequent owner or
operator's prior experience in waste management operations in the manner
conducted under subsection (i) of Section 39 of this Act.

Beginning August 20, 1993, if the pollution control facility
consists of a hazardous or solid waste disposal facility for which the
proposed site is located in an unincorporated area of a county with a
population of less than 100,000 and includes all or a portion of a parcel of
land that was, on April 1, 1993, adjacent to a municipality having a
population of less than 5,000, then the local siting review required under
this subsection (c) in conjunction with any permit applied for after that
date shall be performed by the governing body of that adjacent
municipality rather than the county board of the county in which the

proposed site is located; and for the purposes of that local siting review, any references in this Act to the county board shall be deemed to mean the governing body of that adjacent municipality; provided, however, that the provisions of this paragraph shall not apply to any proposed site which was, on April 1, 1993, owned in whole or in part by another municipality.

In the case of a pollution control facility for which a development permit was issued before November 12, 1981, if an operating permit has not been issued by the Agency prior to August 31, 1989 for any portion of the facility, then the Agency may not issue or renew any development permit nor issue an original operating permit for any portion of such facility unless the applicant has submitted proof to the Agency that the location of the facility has been approved by the appropriate county board or municipal governing body pursuant to Section 39.2 of this Act.

After January 1, 1994, if a solid waste disposal facility, any portion for which an operating permit has been issued by the Agency, has not accepted waste disposal for 5 or more consecutive calendars years, before that facility may accept any new or additional waste for disposal, the owner and operator must obtain a new operating permit under this Act for that facility unless the owner and operator have applied to the Agency for a permit authorizing the temporary suspension of waste acceptance. The Agency may not issue a new operation permit under this Act for the facility unless the applicant has submitted proof to the Agency that the location of the facility has been approved or re-approved by the appropriate county board or municipal governing body under Section 39.2 of this Act after the facility ceased accepting waste.

Except for those facilities owned or operated by sanitary districts organized under the Metropolitan Water Reclamation District Act, and except for new pollution control facilities governed by Section 39.2, and except for fossil fuel mining facilities, the granting of a permit under this Act shall not relieve the applicant from meeting and securing all necessary zoning approvals from the unit of government having zoning jurisdiction over the proposed facility.

Before beginning construction on any new sewage treatment plant or sludge drying site to be owned or operated by a sanitary district organized under the Metropolitan Water Reclamation District Act for which a new permit (rather than the renewal or amendment of an existing permit) is required, such sanitary district shall hold a public hearing within the municipality within which the proposed facility is to be located, or within the nearest community if the proposed facility is to be located

within an unincorporated area, at which information concerning the proposed facility shall be made available to the public, and members of the public shall be given the opportunity to express their views concerning the proposed facility.

The Agency may issue a permit for a municipal waste transfer station without requiring approval pursuant to Section 39.2 provided that the following demonstration is made:

(1) the municipal waste transfer station was in existence on or before January 1, 1979 and was in continuous operation from January 1, 1979 to January 1, 1993;
(2) the operator submitted a permit application to the Agency to develop and operate the municipal waste transfer station during April of 1994;
(3) the operator can demonstrate that the county board of the county, if the municipal waste transfer station is in an unincorporated area, or the governing body of the municipality, if the station is in an incorporated area, does not object to resumption of the operation of the station; and
(4) the site has local zoning approval.

d) The Agency may issue RCRA permits exclusively under this subsection to persons owning or operating a facility for the treatment, storage, or disposal of hazardous waste as defined under this Act.

All RCRA permits shall contain those terms and conditions, including but not limited to schedules of compliance, which may be required to accomplish the purposes and provisions of this Act. The Agency may include among such conditions standards and other requirements established under this Act, Board regulations, the Resource Conservation and Recovery Act of 1976 (P.L. 94-580), as amended, and regulations pursuant thereto, and may include schedules for achieving compliance therewith as soon as possible. The Agency shall require that a performance bond or other security be provided as a condition for the issuance of a RCRA permit.

In the case of a permit to operate a hazardous waste or PCB incinerator as defined in subsection (k) of Section 44, the Agency shall require, as a condition of the permit, that the operator of the facility perform such analyses of the waste to be incinerated as may be necessary and appropriate to ensure the safe operation of the incinerator.

The Agency shall adopt filing requirements and procedures which are necessary and appropriate for the issuance of RCRA permits, and
which are consistent with the Act or regulations adopted by the Board, and with the Resource Conservation and Recovery Act of 1976 (P.L. 94-580), as amended, and regulations pursuant thereto.

The applicant shall make available to the public for inspection all documents submitted by the applicant to the Agency in furtherance of an application, with the exception of trade secrets, at the office of the county board or governing body of the municipality. Such documents may be copied upon payment of the actual cost of reproduction during regular business hours of the local office. The Agency shall issue a written statement concurrent with its grant or denial of the permit explaining the basis for its decision.

(e) The Agency may issue UIC permits exclusively under this subsection to persons owning or operating a facility for the underground injection of contaminants as defined under this Act.

All UIC permits shall contain those terms and conditions, including but not limited to schedules of compliance, which may be required to accomplish the purposes and provisions of this Act. The Agency may include among such conditions standards and other requirements established under this Act, Board regulations, the Safe Drinking Water Act (P.L. 93-523), as amended, and regulations pursuant thereto, and may include schedules for achieving compliance therewith. The Agency shall require that a performance bond or other security be provided as a condition for the issuance of a UIC permit.

The Agency shall adopt filing requirements and procedures which are necessary and appropriate for the issuance of UIC permits, and which are consistent with the Act or regulations adopted by the Board, and with the Safe Drinking Water Act (P.L. 93-523), as amended, and regulations pursuant thereto.

The applicant shall make available to the public for inspection, all documents submitted by the applicant to the Agency in furtherance of an application, with the exception of trade secrets, at the office of the county board or governing body of the municipality. Such documents may be copied upon payment of the actual cost of reproduction during regular business hours of the local office. The Agency shall issue a written statement concurrent with its grant or denial of the permit explaining the basis for its decision.

(f) In making any determination pursuant to Section 9.1 of this Act:

(1) The Agency shall have authority to make the determination of any question required to be determined by the
Clean Air Act, as now or hereafter amended, this Act, or the regulations of the Board, including the determination of the Lowest Achievable Emission Rate, Maximum Achievable Control Technology, or Best Available Control Technology, consistent with the Board's regulations, if any.

(2) The Agency shall adopt requirements as necessary to implement public participation procedures, including, but not limited to, public notice, comment, and an opportunity for hearing, which must accompany the processing of applications for PSD permits. The Agency shall briefly describe and respond to all significant comments on the draft permit raised during the public comment period or during any hearing. The Agency may group related comments together and provide one unified response for each issue raised.

(3) Any complete permit application submitted to the Agency under this subsection for a PSD permit shall be granted or denied by the Agency not later than one year after the filing of such completed application.

(4) The Agency shall, after conferring with the applicant, give written notice to the applicant of its proposed decision on the application including the terms and conditions of the permit to be issued and the facts, conduct or other basis upon which the Agency will rely to support its proposed action.

(3) Following such notice, the Agency shall give the applicant an opportunity for a hearing in accordance with the provisions of Sections 10-25 through 10-60 of the Illinois Administrative Procedure Act.

(g) The Agency shall include as conditions upon all permits issued for hazardous waste disposal sites such restrictions upon the future use of such sites as are reasonably necessary to protect public health and the environment, including permanent prohibition of the use of such sites for purposes which may create an unreasonable risk of injury to human health or to the environment. After administrative and judicial challenges to such restrictions have been exhausted, the Agency shall file such restrictions of record in the Office of the Recorder of the county in which the hazardous waste disposal site is located.

(h) A hazardous waste stream may not be deposited in a permitted hazardous waste site unless specific authorization is obtained from the Agency by the generator and disposal site owner and operator for the
deposit of that specific hazardous waste stream. The Agency may grant specific authorization for disposal of hazardous waste streams only after the generator has reasonably demonstrated that, considering technological feasibility and economic reasonableness, the hazardous waste cannot be reasonably recycled for reuse, nor incinerated or chemically, physically or biologically treated so as to neutralize the hazardous waste and render it nonhazardous. In granting authorization under this Section, the Agency may impose such conditions as may be necessary to accomplish the purposes of the Act and are consistent with this Act and regulations promulgated by the Board hereunder. If the Agency refuses to grant authorization under this Section, the applicant may appeal as if the Agency refused to grant a permit, pursuant to the provisions of subsection (a) of Section 40 of this Act. For purposes of this subsection (h), the term "generator" has the meaning given in Section 3.205 of this Act, unless: (1) the hazardous waste is treated, incinerated, or partially recycled for reuse prior to disposal, in which case the last person who treats, incinerates, or partially recycles the hazardous waste prior to disposal is the generator; or (2) the hazardous waste is from a response action, in which case the person performing the response action is the generator. This subsection (h) does not apply to any hazardous waste that is restricted from land disposal under 35 Ill. Adm. Code 728.

(i) Before issuing any RCRA permit, any permit for a waste storage site, sanitary landfill, waste disposal site, waste transfer station, waste treatment facility, waste incinerator, or any waste-transportation operation, or any permit or interim authorization for a clean construction or demolition debris fill operation, the Agency shall conduct an evaluation of the prospective owner's or operator's prior experience in waste management operations and clean construction or demolition debris fill operations. The Agency may deny such a permit, or deny or revoke interim authorization, if the prospective owner or operator or any employee or officer of the prospective owner or operator has a history of:

(1) repeated violations of federal, State, or local laws, regulations, standards, or ordinances in the operation of waste management facilities or sites or clean construction or demolition debris fill operation facilities or sites; or

(2) conviction in this or another State of any crime which is a felony under the laws of this State, or conviction of a felony in a federal court; or conviction in this or another state or federal court of any of the following crimes: forgery, official misconduct,

New matter indicated by italics - deletions by strikeout
bribery, perjury, or knowingly submitting false information under any environmental law, regulation, or permit term or condition; or

(3) proof of gross carelessness or incompetence in handling, storing, processing, transporting or disposing of waste or clean construction or demolition debris, or proof of gross carelessness or incompetence in using clean construction or demolition debris as fill.

(i-5) Before issuing any permit or approving any interim authorization for a clean construction or demolition debris fill operation in which any ownership interest is transferred between January 1, 2005, and the effective date of the prohibition set forth in Section 22.52 of this Act, the Agency shall conduct an evaluation of the operation if any previous activities at the site or facility may have caused or allowed contamination of the site. It shall be the responsibility of the owner or operator seeking the permit or interim authorization to provide to the Agency all of the information necessary for the Agency to conduct its evaluation. The Agency may deny a permit or interim authorization if previous activities at the site may have caused or allowed contamination at the site, unless such contamination is authorized under any permit issued by the Agency.

(j) The issuance under this Act of a permit to engage in the surface mining of any resources other than fossil fuels shall not relieve the permittee from its duty to comply with any applicable local law regulating the commencement, location or operation of surface mining facilities.

(k) A development permit issued under subsection (a) of Section 39 for any facility or site which is required to have a permit under subsection (d) of Section 21 shall expire at the end of 2 calendar years from the date upon which it was issued, unless within that period the applicant has taken action to develop the facility or the site. In the event that review of the conditions of the development permit is sought pursuant to Section 40 or 41, or permittee is prevented from commencing development of the facility or site by any other litigation beyond the permittee's control, such two-year period shall be deemed to begin on the date upon which such review process or litigation is concluded.

(l) No permit shall be issued by the Agency under this Act for construction or operation of any facility or site located within the boundaries of any setback zone established pursuant to this Act, where such construction or operation is prohibited.

(m) The Agency may issue permits to persons owning or operating a facility for composting landscape waste. In granting such permits, the

Agency may impose such conditions as may be necessary to accomplish the purposes of this Act, and as are not inconsistent with applicable regulations promulgated by the Board. Except as otherwise provided in this Act, a bond or other security shall not be required as a condition for the issuance of a permit. If the Agency denies any permit pursuant to this subsection, the Agency shall transmit to the applicant within the time limitations of this subsection specific, detailed statements as to the reasons the permit application was denied. Such statements shall include but not be limited to the following:

1. the Sections of this Act that may be violated if the permit were granted;
2. the specific regulations promulgated pursuant to this Act that may be violated if the permit were granted;
3. the specific information, if any, the Agency deems the applicant did not provide in its application to the Agency; and
4. a statement of specific reasons why the Act and the regulations might be violated if the permit were granted.

If no final action is taken by the Agency within 90 days after the filing of the application for permit, the applicant may deem the permit issued. Any applicant for a permit may waive the 90 day limitation by filing a written statement with the Agency.

The Agency shall issue permits for such facilities upon receipt of an application that includes a legal description of the site, a topographic map of the site drawn to the scale of 200 feet to the inch or larger, a description of the operation, including the area served, an estimate of the volume of materials to be processed, and documentation that:

1. the facility includes a setback of at least 200 feet from the nearest potable water supply well;
2. the facility is located outside the boundary of the 10-year floodplain or the site will be floodproofed;
3. the facility is located so as to minimize incompatibility with the character of the surrounding area, including at least a 200 foot setback from any residence, and in the case of a facility that is developed or the permitted composting area of which is expanded after November 17, 1991, the composting area is located at least 1/8 mile from the nearest residence (other than a residence located on the same property as the facility);
4. the design of the facility will prevent any compost material from being placed within 5 feet of the water table, will
adequately control runoff from the site, and will collect and manage any leachate that is generated on the site;

(5) the operation of the facility will include appropriate dust and odor control measures, limitations on operating hours, appropriate noise control measures for shredding, chipping and similar equipment, management procedures for composting, containment and disposal of non-compostable wastes, procedures to be used for terminating operations at the site, and recordkeeping sufficient to document the amount of materials received, composted and otherwise disposed of; and

(6) the operation will be conducted in accordance with any applicable rules adopted by the Board.

The Agency shall issue renewable permits of not longer than 10 years in duration for the composting of landscape wastes, as defined in Section 3.155 of this Act, based on the above requirements.

The operator of any facility permitted under this subsection (m) must submit a written annual statement to the Agency on or before April 1 of each year that includes an estimate of the amount of material, in tons, received for composting.

(n) The Agency shall issue permits jointly with the Department of Transportation for the dredging or deposit of material in Lake Michigan in accordance with Section 18 of the Rivers, Lakes, and Streams Act.

(o) (Blank.)

(p) (1) Any person submitting an application for a permit for a new MSWLF unit or for a lateral expansion under subsection (t) of Section 21 of this Act for an existing MSWLF unit that has not received and is not subject to local siting approval under Section 39.2 of this Act shall publish notice of the application in a newspaper of general circulation in the county in which the MSWLF unit is or is proposed to be located. The notice must be published at least 15 days before submission of the permit application to the Agency. The notice shall state the name and address of the applicant, the location of the MSWLF unit or proposed MSWLF unit, the nature and size of the MSWLF unit or proposed MSWLF unit, the nature of the activity proposed, the probable life of the proposed activity, the date the permit application will be submitted, and a statement that persons may file written comments with the Agency concerning the permit application within 30 days after the filing of the permit application unless the time period to submit comments is extended by the Agency.

New matter indicated by italics - deletions by strikeout
When a permit applicant submits information to the Agency to supplement a permit application being reviewed by the Agency, the applicant shall not be required to reissue the notice under this subsection.

(2) The Agency shall accept written comments concerning the permit application that are postmarked no later than 30 days after the filing of the permit application, unless the time period to accept comments is extended by the Agency.

(3) Each applicant for a permit described in part (1) of this subsection shall file a copy of the permit application with the county board or governing body of the municipality in which the MSWLF unit is or is proposed to be located at the same time the application is submitted to the Agency. The permit application filed with the county board or governing body of the municipality shall include all documents submitted to or to be submitted to the Agency, except trade secrets as determined under Section 7.1 of this Act. The permit application and other documents on file with the county board or governing body of the municipality shall be made available for public inspection during regular business hours at the office of the county board or the governing body of the municipality and may be copied upon payment of the actual cost of reproduction.

(q) Within 6 months after the effective date of this amendatory Act of the 97th General Assembly, the Agency, in consultation with the regulated community, shall develop a web portal to be posted on its website for the purpose of enhancing review and promoting timely issuance of permits required by this Act. At a minimum, the Agency shall make the following information available on the web portal:

   (1) Checklists and guidance relating to the completion of permit applications, developed pursuant to subsection (s) of this Section, which may include, but are not limited to, existing instructions for completing the applications and examples of complete applications. As the Agency develops new checklists and develops guidance, it shall supplement the web portal with those materials.

   (2) Within 2 years after the effective date of this amendatory Act of the 97th General Assembly, permit application forms or portions of permit applications that can be completed and saved electronically, and submitted to the Agency electronically with digital signatures.

   (3) Within 2 years after the effective date of this amendatory Act of the 97th General Assembly, an online tracking
system where an applicant may review the status of its pending application, including the name and contact information of the permit analyst assigned to the application. Until the online tracking system has been developed, the Agency shall post on its website semi-annual permitting efficiency tracking reports that include statistics on the timeframes for Agency action on the following types of permits received after the effective date of this amendatory Act of the 97th General Assembly: air construction permits, new NPDES permits and associated water construction permits, and modifications of major NPDES permits and associated water construction permits. The reports must be posted by February 1 and August 1 each year and shall include:

(A) the number of applications received for each type of permit, the number of applications on which the Agency has taken action, and the number of applications still pending; and

(B) for those applications where the Agency has not taken action in accordance with the timeframes set forth in this Act, the date the application was received and the reasons for any delays, which may include, but shall not be limited to, (i) the application being inadequate or incomplete, (ii) scientific or technical disagreements with the applicant, USEPA, or other local, state, or federal agencies involved in the permitting approval process, (iii) public opposition to the permit, or (iv) Agency staffing shortages. To the extent practicable, the tracking report shall provide approximate dates when cause for delay was identified by the Agency, when the Agency informed the applicant of the problem leading to the delay, and when the applicant remedied the reason for the delay.

(r) Upon the request of the applicant, the Agency shall notify the applicant of the permit analyst assigned to the application upon its receipt.

(s) The Agency is authorized to prepare and distribute guidance documents relating to its administration of this Section and procedural rules implementing this Section. Guidance documents prepared under this subsection shall not be considered rules and shall not be subject to the Illinois Administrative Procedure Act. Such guidance shall not be binding on any party.

(t) Except as otherwise prohibited by federal law or regulation, any person submitting an application for a permit may include with the application suggested permit language for Agency consideration. The Agency is not obligated to use the suggested language or any portion thereof in its permitting decision. If requested by the permit applicant, the Agency shall meet with the applicant to discuss the suggested language.

(u) If requested by the permit applicant, the Agency shall provide the permit applicant with a copy of the draft permit prior to any public review period.

(v) If requested by the permit applicant, the Agency shall provide the permit applicant with a copy of the final permit prior to its issuance.

(w) An air pollution permit shall not be required due to emissions of greenhouse gases, as specified by Section 9.15 of this Act.

(x) If, before the expiration of a State operating permit that is issued pursuant to subsection (a) of this Section and contains federally enforceable conditions limiting the potential to emit of the source to a level below the major source threshold for that source so as to exclude the source from the Clean Air Act Permit Program, the Agency receives a complete application for the renewal of that permit, then all of the terms and conditions of the permit shall remain in effect until final administrative action has been taken on the application for the renewal of the permit.

(415 ILCS 5/40) (from Ch. 111 1/2, par. 1040)

Sec. 40. Appeal of permit denial.

(a) (1) If the Agency refuses to grant or grants with conditions a permit under Section 39 of this Act, the applicant may, within 35 days after the date on which the Agency served its decision on the applicant, petition for a hearing before the Board to contest the decision of the Agency. However, the 35-day period for petitioning for a hearing may be extended for an additional period of time not to exceed 90 days by written notice provided to the Board from the applicant and the Agency within the initial appeal period. The Board shall give 21 day notice to any person in the county where is located the facility in issue who has requested notice of enforcement proceedings and to each member of the General Assembly in whose legislative district that installation or property is located; and shall publish that 21 day notice in a newspaper of general circulation in that county. The Agency shall appear as respondent in such hearing. At such hearing the rules prescribed in Section 32 and subsection (a) of

New matter indicated by italics - deletions by strikeout
Section 33 of this Act shall apply, and the burden of proof shall be on the petitioner. If, however, the Agency issues an NPDES permit that imposes limits which are based upon a criterion or denies a permit based upon application of a criterion, then the Agency shall have the burden of going forward with the basis for the derivation of those limits or criterion which were derived under the Board's rules.

(2) Except as provided in paragraph (a)(3), if there is no final action by the Board within 120 days after the date on which it received the petition, the petitioner may deem the permit issued under this Act, provided, however, that that period of 120 days shall not run for any period of time, not to exceed 30 days, during which the Board is without sufficient membership to constitute the quorum required by subsection (a) of Section 5 of this Act, and provided further that such 120 day period shall not be stayed for lack of quorum beyond 30 days regardless of whether the lack of quorum exists at the beginning of such 120 day period or occurs during the running of such 120 day period.

(3) Paragraph (a)(2) shall not apply to any permit which is subject to subsection (b), (d) or (e) of Section 39. If there is no final action by the Board within 120 days after the date on which it received the petition, the petitioner shall be entitled to an Appellate Court order pursuant to subsection (d) of Section 41 of this Act.

(b) If the Agency grants a RCRA permit for a hazardous waste disposal site, a third party, other than the permit applicant or Agency, may, within 35 days after the date on which the Agency issued its decision, petition the Board for a hearing to contest the issuance of the permit. Unless the Board determines that such petition is duplicative or frivolous, or that the petitioner is so located as to not be affected by the permitted facility, the Board shall hear the petition in accordance with the terms of subsection (a) of this Section and its procedural rules governing denial appeals, such hearing to be based exclusively on the record before the Agency. The burden of proof shall be on the petitioner. The Agency and the permit applicant shall be named co-respondents.

The provisions of this subsection do not apply to the granting of permits issued for the disposal or utilization of sludge from publicly-owned sewage works.

(c) Any party to an Agency proceeding conducted pursuant to Section 39.3 of this Act may petition as of right to the Board for review of the Agency's decision within 35 days from the date of issuance of the Agency's decision, provided that such appeal is not duplicative or
frivolous. However, the 35-day period for petitioning for a hearing may be extended by the applicant for a period of time not to exceed 90 days by written notice provided to the Board from the applicant and the Agency within the initial appeal period. If another person with standing to appeal wishes to obtain an extension, there must be a written notice provided to the Board by that person, the Agency, and the applicant, within the initial appeal period. The decision of the Board shall be based exclusively on the record compiled in the Agency proceeding. In other respects the Board's review shall be conducted in accordance with subsection (a) of this Section and the Board's procedural rules governing permit denial appeals.

(d) In reviewing the denial or any condition of a \textit{NA NSR} permit issued by the Agency pursuant to rules and regulations adopted under subsection (c) of Section 9.1 of this Act, the decision of the Board shall be based exclusively on the record before the Agency including the record of the hearing, if any, held pursuant to paragraph (f)(3) of Section 39 unless the parties agree to supplement the record. The Board shall, if it finds the Agency is in error, make a final determination as to the substantive limitations of the permit including a final determination of Lowest Achievable Emission Rate or Best Available Control Technology.

(e) (1) If the Agency grants or denies a permit under subsection (b) of Section 39 of this Act, a third party, other than the permit applicant or Agency, may petition the Board within 35 days from the date of issuance of the Agency's decision, for a hearing to contest the decision of the Agency.

(2) A petitioner shall include the following within a petition submitted under subdivision (1) of this subsection:

(A) a demonstration that the petitioner raised the issues contained within the petition during the public notice period or during the public hearing on the NPDES permit application, if a public hearing was held; and

(B) a demonstration that the petitioner is so situated as to be affected by the permitted facility.

(3) If the Board determines that the petition is not duplicative or frivolous and contains a satisfactory demonstration under subdivision (2) of this subsection, the Board shall hear the petition (i) in accordance with the terms of subsection (a) of this Section and its procedural rules governing permit denial appeals and (ii) exclusively on the basis of the record before the Agency.

Sec. 40.3. Review process for PSD permits.

(a) (1) Subsection (a) of Section 40 does not apply to any PSD permit that is subject to subsection (c) of Section 9.1 of this Act. If the Agency refused to grant or grants with conditions a PSD permit, the applicant may, within 35 days after final permit action, petition for a hearing before the Board to contest the decision of the Agency. If the Agency fails to act on an application for a PSD permit within the time frame specified in paragraph (3) of subsection (f) of Section 39 of this Act, the applicant may, before the Agency denies or issues the final permit, petition for a hearing before the Board to compel the Agency to act on the application in a time that is deemed reasonable.

(2) Any person who participated in the public comment process and is either aggrieved or has an interest that is or may be adversely affected by the PSD permit may, within 35 days after final permit action, petition for a hearing before the Board to contest the decision of the Agency. If the petitioner failed to participate in the public comment process, the person may still petition for a hearing, but only upon issues where the final permit conditions reflect changes from the proposed draft permit.

The petition shall: (i) include such facts as necessary to demonstrate that the petitioner is aggrieved or has an interest that is or may be adversely affected; (ii) state the issues proposed for review, citing to the record where those issues were raised or explaining why such issues were not required to be raised during the public comment process; and (iii) explain why the Agency's previous response, if any, to those issues is (A) clearly erroneous or (B) an exercise of discretion or an important policy consideration that the Board should, in its discretion, review.

The Board shall hold a hearing upon a petition to contest the decision of the Agency under this paragraph (a)(2) unless the request is determined by the Board to be frivolous or to lack facially adequate factual statements required in this paragraph (a)(2).

The Agency shall appear as respondent in any hearing pursuant to this subsection (a). At such hearing the rules prescribed in Section 32 and
subsection (a) of Section 33 of this Act shall apply, and the burden of proof shall be on the petitioner.

(b) If there is no final action by the Board within 120 days after the date on which it received the petition, the PSD permit shall not be deemed issued; rather, any party shall be entitled to an Appellate Court order pursuant to subsection (d) of Section 41 of this Act. This period of 120 days shall not run for any period of time, not to exceed 30 days, during which the Board is without sufficient membership to constitute the quorum required by subsection (a) of Section 5 of this Act. The 120-day period shall not be stayed for lack of quorum beyond 30 days, regardless of whether the lack of quorum exists at the beginning of the 120-day period or occurs during the running of the 120-day period.

(c) Any person who files a petition to contest the final permit action by the Agency under this Section shall pay the filing fee for petitions for review of permit set forth in Section 7.5.

(d)(1) In reviewing the denial or any condition of a PSD permit issued by the Agency pursuant to rules adopted under subsection (c) of Section 9.1 of this Act, the decision of the Board shall be based exclusively on the record before the Agency unless the parties agree to supplement the record.

(2) If requested by the applicant, the Board may stay the effectiveness of any final Agency action on a PSD permit application identified in subsection (f) of Section 39 of this Act during the pendency of the review process. In such cases, the Board shall stay the effectiveness of all the contested conditions of the PSD permit and may stay the effectiveness of any or all uncontested conditions only if the Board determines that the uncontested conditions would be affected by its review of contested conditions. Any stays granted by the Board shall be deemed effective upon the date of final Agency action appealed by the applicant under this subsection (d). Subsection (b) of Section 10-65 of the Illinois Administrative Procedure Act shall not apply to actions under this subsection (d).

(3) If requested by a party other than the applicant, the Board may stay the effectiveness of any final Agency action on a PSD permit application identified in subsection (f) of Section 39 of this Act during the pendency of the review process. In such cases, the Board may stay the effectiveness of all the contested conditions of the PSD permit and may stay the effectiveness of any or all uncontested conditions only if the Board determines that the uncontested conditions would be affected by its review of contested conditions.

of contested conditions. The party requesting the stay has the burden of demonstrating the following: (i) that an immediate stay is required in order to preserve the status quo without endangering the public, (ii) that it is not contrary to public policy, and (iii) that there is a reasonable likelihood of success on the merits. Any stays granted by the Board shall be deemed effective upon the date of final Agency action appealed under this subsection (d) and shall remain in effect until a decision is issued by the Board on the petition. Subsection (b) of Section 10-65 of the Illinois Administrative Procedure Act shall not apply to actions under this paragraph.

Sec. 41. Judicial review.

(a) Any party to a Board hearing, any person who filed a complaint on which a hearing was denied, any person who has been denied a variance or permit under this Act, any party adversely affected by a final order or determination of the Board, and any person who participated in the public comment process under subsection (8) of Section 39.5 of this Act may obtain judicial review, by filing a petition for review within 35 days from the date that a copy of the order or other final action sought to be reviewed was served upon the party affected by the order or other final Board action complained of, under the provisions of the Administrative Review Law, as amended and the rules adopted pursuant thereto, except that review shall be afforded directly in the Appellate Court for the District in which the cause of action arose and not in the Circuit Court. Review of any rule or regulation promulgated by the Board shall not be limited by this section but may also be had as provided in Section 29 of this Act.

(b) Any final order of the Board under this Act shall be based solely on the evidence in the record of the particular proceeding involved, and any such final order for permit appeals, enforcement actions and variance proceedings, shall be invalid if it is against the manifest weight of the evidence. Notwithstanding this subsection, the Board may include such conditions in granting a variance and may adopt such rules and regulations as the policies of this Act may require. If an objection is made to a variance condition, the board shall reconsider the condition within not more than 75 days from the date of the objection.

(c) No challenge to the validity of a Board order shall be made in any enforcement proceeding under Title XII of this Act as to any issue that could have been raised in a timely petition for review under this Section.
(d) If there is no final action by the Board within 120 days on a request for a variance which is subject to subsection (c) of Section 38 or a permit appeal which is subject to paragraph (a) (3) of Section 40 or paragraph (d) of Section 40.2 or Section 40.3, the petitioner shall be entitled to an Appellate Court order under this subsection. If a hearing is required under this Act and was not held by the Board, the Appellate Court shall order the Board to conduct such a hearing, and to make a decision within 90 days from the date of the order. If a hearing was held by the Board, or if a hearing is not required under this Act and was not held by the Board, the Appellate Court shall order the Board to make a decision within 90 days from the date of the order.

The Appellate Court shall retain jurisdiction during the pendency of any further action conducted by the Board under an order by the Appellate Court. The Appellate Court shall have jurisdiction to review all issues of law and fact presented upon appeal.

Sec. 85. Penalties.

(a) An employer who fails without reasonable cause to enroll an employee in the Program within the time prescribed under Section 60 of this Act shall be subject to a penalty equal to:

(1) $250 for each employee for each calendar year or portion of a calendar year during which the employee neither was enrolled in the Program nor had elected out of participation in the Program; or

(2) for each calendar year beginning after the date a penalty has been assessed with respect to an employee, $500 for any portion of that calendar year during which such employee continues to be unenrolled without electing out of participation in the Program.

(b) After determining that an employer is subject to penalty under this Section for a calendar year, the Department shall issue a notice of proposed assessment to such employer, stating the number of employees for which the penalty is proposed under item (1) of subsection (a) of this Section and the number of employees for which the penalty is proposed under item (2) of subsection (a) of this Section for such calendar year, and the total amount of penalties proposed.

Upon the expiration of 90 days after the date on which a notice of proposed assessment was issued, the penalties specified therein shall be deemed assessed, unless the employer had filed a protest with the Department under subsection (c) of this Section.

New matter indicated by italics - deletions by strikeout
If, within 90 days after the date on which it was issued, a protest of a notice of proposed assessment is filed under subsection (c) of this Section, the penalties specified therein shall be deemed assessed upon the date when the decision of the Department with respect to the protest becomes final.

(c) A written protest against the proposed assessment shall be filed with the Department in such form as the Department may by rule prescribe, setting forth the grounds on which such protest is based. If such a protest is filed within 90 days after the date the notice of proposed assessment is issued, the Department shall reconsider the proposed assessment and shall grant the employer a hearing. As soon as practicable after such reconsideration and hearing, the Department shall issue a notice of decision to the employer, setting forth the Department's findings of fact and the basis of decision. The decision of the Department shall become final:

(1) if no action for review of the decision is commenced under the Administrative Review Law, on the date on which the time for commencement of such review has expired; or

(2) if a timely action for review of the decision is commenced under the Administrative Review Law, on the date all proceedings in court for the review of such assessment have terminated or the time for the taking thereof has expired without such proceedings being instituted.

(d) As soon as practicable after the penalties specified in a notice of proposed assessment are deemed assessed, the Department shall give notice to the employer liable for any unpaid portion of such assessment, stating the amount due and demanding payment. If an employer neglects or refuses to pay the entire liability shown on the notice and demand within 10 days after the notice and demand is issued, the unpaid amount of the liability shall be a lien in favor of the State of Illinois upon all property and rights to property, whether real or personal, belonging to the employer, and the provisions in the Illinois Income Tax Act regarding liens, levies and collection actions with regard to assessed and unpaid liabilities under that Act, including the periods for taking any action, shall apply.

(e) An employer who has overpaid a penalty assessed under this Section may file a claim for refund with the Department. A claim shall be in writing in such form as the Department may by rule prescribe and shall state the specific grounds upon which it is founded. As soon as practicable after a claim for refund is filed, the Department shall examine it and either
issue a refund or issue a notice of denial. If such a protest is filed, the Department shall reconsider the denial and grant the employer a hearing. As soon as practicable after such reconsideration and hearing, the Department shall issue a notice of decision to the employer. The notice shall set forth briefly the Department's findings of fact and the basis of decision in each case decided in whole or in part adversely to the employer. A denial of a claim for refund becomes final 90 days after the date of issuance of the notice of the denial except for such amounts denied as to which the employer has filed a protest with the Department. If a protest has been timely filed, the decision of the Department shall become final:

(1) if no action for review of the decision is commenced under the Administrative Review Law, on the date on which the time for commencement of such review has expired; or

(2) if a timely action for review of the decision is commenced under the Administrative Review Law, on the date all proceedings in court for the review of such assessment have terminated or the time for the taking thereof has expired without such proceedings being instituted.

(f) No notice of proposed assessment may be issued with respect to a calendar year after June 30 of the fourth subsequent calendar year. No claim for refund may be filed more than 1 year after the date of payment of the amount to be refunded.

(g) The provisions of the Administrative Review Law and the rules adopted pursuant to it shall apply to and govern all proceedings for the judicial review of final decisions of the Department in response to a protest filed by the employer under subsections (c) and (e) of this Section. Final decisions of the Department shall constitute "administrative decisions" as defined in Section 3-101 of the Code of Civil Procedure. The Department may adopt any rules necessary to carry out its duties pursuant to this Section.

(h) Whenever notice is required by this Section, it may be given or issued by mailing it by first-class mail addressed to the person concerned at his or her last known address.

(i) All books and records and other papers and documents relevant to the determination of any penalty due under this Section shall, at all times during business hours of the day, be subject to inspection by the Department or its duly authorized agents and employees.

New matter indicated by italics - deletions by strikeout
(j) The Department may require employers to report information relevant to their compliance with this Act on returns otherwise due from the employers under Section 704A of the Illinois Income Tax Act and failure to provide the requested information on a return shall cause such return to be treated as unprocessable.

(k) For purposes of any provision of State law allowing the Department or any other agency of this State to offset an amount owed to a taxpayer against a tax liability of that taxpayer or allowing the Department to offset an overpayment of tax against any liability owed to the State, a penalty assessed under this Section shall be deemed to be a tax liability of the employer and any refund due to an employer shall be deemed to be an overpayment of tax of the employer.

(l) Except as provided in this subsection, all information received by the Department from returns filed by an employer or from any investigation conducted under the provisions of this Act shall be confidential, except for official purposes within the Department or pursuant to official procedures for collection of penalties assessed under this Act. Nothing contained in this subsection shall prevent the Director from publishing or making available to the public reasonable statistics concerning the operation of this Act wherein the contents of returns are grouped into aggregates in such a way that the specific information of any employer shall not be disclosed. Nothing contained in this subsection shall prevent the Director from divulging information to an authorized representative of the employer or to any person pursuant to a request or authorization made by the employer or by an authorized representative of the employer.

(m) Civil penalties collected under this Act and fees collected pursuant to subsection (n) of this Section shall be deposited into the Tax Compliance and Administration Fund. The Department may, subject to appropriation, use moneys in the fund to cover expenses it incurs in the performance of its duties under this Act. Interest attributable to moneys in the Tax Compliance and Administration Fund shall be credited to the Tax Compliance and Administration Fund.

(n) The Department may charge the Board a reasonable fee for its costs in performing its duties under this Section to the extent that such costs have not been recovered from penalties imposed under this Section.

(o) This Section shall become operative 9 months after the Board notifies the Director that the Program has been implemented. Upon receipt of such notification from the Board, the Department shall immediately
post on its Internet website a notice stating that this Section is operative and the date that it is first operative. This notice shall include a statement that rather than enrolling employees in the Program under this Act, employers may sponsor an alternative arrangement, including, but not limited to, a defined benefit plan, 401(k) plan, a Simplified Employee Pension (SEP) plan, a Savings Incentive Match Plan for Employees (SIMPLE) plan, or an automatic payroll deduction IRA offered through a private provider. The Board shall provide a link to the vendor Internet website described in subsection (i) of Section 60 of this Act.

Sec. 6-106.1a. Cancellation of school bus driver permit; trace of alcohol.

(a) A person who has been issued a school bus driver permit by the Secretary of State in accordance with Section 6-106.1 of this Code and who drives or is in actual physical control of a school bus or any other vehicle owned or operated by or for a public or private school, or a school operated by a religious institution, when the vehicle is being used over a regularly scheduled route for the transportation of persons enrolled as students in grade 12 or below, in connection with any activity of the entities listed, upon the public highways of this State shall be deemed to have given consent to a chemical test or tests of blood, breath, or urine for the purpose of determining the alcohol content of the person's blood if arrested, as evidenced by the issuance of a Uniform Traffic Ticket for any violation of this Code or a similar provision of a local ordinance, if a police officer has probable cause to believe that the driver has consumed any amount of an alcoholic beverage based upon evidence of the driver's physical condition or other first hand knowledge of the police officer. The test or tests shall be administered at the direction of the arresting officer. The law enforcement agency employing the officer shall designate which of the aforesaid tests shall be administered. A urine test may be administered even after a blood or breath test or both has been administered.

(b) A person who is dead, unconscious, or who is otherwise in a condition rendering that person incapable of refusal, shall be deemed not to have withdrawn the consent provided by paragraph (a) of this Section and the test or tests may be administered subject to the following provisions:

(1) Chemical analysis of the person's blood, urine, breath, or other substance, to be considered valid under the provisions of this Section, shall have been performed according to standards promulgated by the Department of State Police by an individual possessing a valid permit issued by the Department of State Police for this purpose. The Director of State Police is authorized to approve satisfactory techniques or methods, to ascertain the qualifications and competence of individuals to conduct analyses, to issue permits that shall be subject to termination or revocation at the direction of the Department of State Police, and to certify the accuracy of breath testing equipment. The Department of State Police shall prescribe rules as necessary.

(2) When a person submits to a blood test at the request of a law enforcement officer under the provisions of this Section, only a physician authorized to practice medicine, a licensed physician assistant, a licensed advanced practice nurse, a registered nurse, or other qualified person trained in venipuncture and acting under the direction of a licensed physician may withdraw blood for the purpose of determining the alcohol content. This limitation does not apply to the taking of breath or urine specimens.

(3) The person tested may have a physician, qualified technician, chemist, registered nurse, or other qualified person of his or her own choosing administer a chemical test or tests in addition to any test or tests administered at the direction of a law enforcement officer. The test administered at the request of the person may be admissible into evidence at a hearing conducted in accordance with Section 2-118 of this Code. The failure or inability to obtain an additional test by a person shall not preclude the consideration of the previously performed chemical test.

(4) Upon a request of the person who submits to a chemical test or tests at the request of a law enforcement officer, full information concerning the test or tests shall be made available to the person or that person's attorney by the requesting law enforcement agency within 72 hours of receipt of the test result.

(5) Alcohol concentration means either grams of alcohol per 100 milliliters of blood or grams of alcohol per 210 liters of breath.

(6) If a driver is receiving medical treatment as a result of a motor vehicle accident, a physician licensed to practice medicine, licensed physician assistant, licensed advanced practice nurse, registered nurse, or other qualified person trained in venipuncture and acting under the direction of a licensed physician shall withdraw blood for testing purposes to ascertain the presence of alcohol upon the specific request of a law enforcement officer. However, that testing shall not be performed until, in the opinion of the medical personnel on scene, the withdrawal can be made without interfering with or endangering the well-being of the patient.

(c) A person requested to submit to a test as provided in this Section shall be warned by the law enforcement officer requesting the test that a refusal to submit to the test, or submission to the test resulting in an alcohol concentration of more than 0.00, may result in the loss of that person's privilege to possess a school bus driver permit. The loss of the individual's privilege to possess a school bus driver permit shall be imposed in accordance with Section 6-106.1b of this Code. A person requested to submit to a test under this Section shall also acknowledge, in writing, receipt of the warning required under this subsection (c). If the person refuses to acknowledge receipt of the warning, the law enforcement officer shall make a written notation on the warning that the person refused to sign the warning. A person's refusal to sign the warning shall not be evidence that the person was not read the warning.

(d) If the person refuses testing or submits to a test that discloses an alcohol concentration of more than 0.00, the law enforcement officer shall immediately submit a sworn report to the Secretary of State on a form prescribed by the Secretary of State certifying that the test or tests were requested under subsection (a) and the person refused to submit to a test or tests or submitted to testing which disclosed an alcohol concentration of more than 0.00. The law enforcement officer shall submit the same sworn report when a person who has been issued a school bus driver permit and who was operating a school bus or any other vehicle owned or operated by or for a public or private school, or a school operated by a religious institution, when the vehicle is being used over a regularly scheduled route for the transportation of persons enrolled as
students in grade 12 or below, in connection with any activity of the entities listed, submits to testing under Section 11-501.1 of this Code and the testing discloses an alcohol concentration of more than 0.00 and less than the alcohol concentration at which driving or being in actual physical control of a motor vehicle is prohibited under paragraph (1) of subsection (a) of Section 11-501.

Upon receipt of the sworn report of a law enforcement officer, the Secretary of State shall enter the school bus driver permit sanction on the individual's driving record and the sanction shall be effective on the 46th day following the date notice of the sanction was given to the person.

The law enforcement officer submitting the sworn report shall serve immediate notice of this school bus driver permit sanction on the person and the sanction shall be effective on the 46th day following the date notice was given.

In cases where the blood alcohol concentration of more than 0.00 is established by a subsequent analysis of blood or urine, the police officer or arresting agency shall give notice as provided in this Section or by deposit in the United States mail of that notice in an envelope with postage prepaid and addressed to that person at his or her last known address and the loss of the school bus driver permit shall be effective on the 46th day following the date notice was given.

Upon receipt of the sworn report of a law enforcement officer, the Secretary of State shall also give notice of the school bus driver permit sanction to the driver and the driver's current employer by mailing a notice of the effective date of the sanction to the individual. However, shall the sworn report be defective by not containing sufficient information or be completed in error, the notice of the school bus driver permit sanction may not be mailed to the person or his current employer or entered to the driving record, but rather the sworn report shall be returned to the issuing law enforcement agency.

(e) A driver may contest this school bus driver permit sanction by requesting an administrative hearing with the Secretary of State in accordance with Section 2-118 of this Code. An individual whose blood alcohol concentration is shown to be more than 0.00 is not subject to this Section if he or she consumed alcohol in the performance of a religious service or ceremony. An individual whose blood alcohol concentration is shown to be more than 0.00 shall not be subject to this Section if the individual's blood alcohol concentration resulted only from ingestion of the prescribed or recommended dosage of medicine that contained alcohol.

The petition for that hearing shall not stay or delay the effective date of the impending suspension. The scope of this hearing shall be limited to the issues of:

(1) whether the police officer had probable cause to believe that the person was driving or in actual physical control of a school bus or any other vehicle owned or operated by or for a public or private school, or a school operated by a religious institution, when the vehicle is being used over a regularly scheduled route for the transportation of persons enrolled as students in grade 12 or below, in connection with any activity of the entities listed, upon the public highways of the State and the police officer had reason to believe that the person was in violation of any provision of this Code or a similar provision of a local ordinance; and

(2) whether the person was issued a Uniform Traffic Ticket for any violation of this Code or a similar provision of a local ordinance; and

(3) whether the police officer had probable cause to believe that the driver had consumed any amount of an alcoholic beverage based upon the driver's physical actions or other first-hand knowledge of the police officer; and

(4) whether the person, after being advised by the officer that the privilege to possess a school bus driver permit would be canceled if the person refused to submit to and complete the test or tests, did refuse to submit to or complete the test or tests to determine the person's alcohol concentration; and

(5) whether the person, after being advised by the officer that the privileges to possess a school bus driver permit would be canceled if the person submits to a chemical test or tests and the test or tests disclose an alcohol concentration of more than 0.00 and the person did submit to and complete the test or tests that determined an alcohol concentration of more than 0.00; and

(6) whether the test result of an alcohol concentration of more than 0.00 was based upon the person's consumption of alcohol in the performance of a religious service or ceremony; and

(7) whether the test result of an alcohol concentration of more than 0.00 was based upon the person's consumption of alcohol through ingestion of the prescribed or recommended dosage of medicine.

The Secretary of State may adopt administrative rules setting forth circumstances under which the holder of a school bus driver permit is not required to appear in person at the hearing.

Provided that the petitioner may subpoena the officer, the hearing may be conducted upon a review of the law enforcement officer's own official reports. Failure of the officer to answer the subpoena shall be grounds for a continuance if, in the hearing officer's discretion, the continuance is appropriate. At the conclusion of the hearing held under Section 2-118 of this Code, the Secretary of State may rescind, continue, or modify the school bus driver permit sanction.

(f) The results of any chemical testing performed in accordance with subsection (a) of this Section are not admissible in any civil or criminal proceeding, except that the results of the testing may be considered at a hearing held under Section 2-118 of this Code. However, the results of the testing may not be used to impose driver's license sanctions under Section 11-501.1 of this Code. A law enforcement officer may, however, pursue a statutory summary suspension or revocation of driving privileges under Section 11-501.1 of this Code if other physical evidence or first hand knowledge forms the basis of that suspension or revocation.

(g) This Section applies only to drivers who have been issued a school bus driver permit in accordance with Section 6-106.1 of this Code at the time of the issuance of the Uniform Traffic Ticket for a violation of this Code or a similar provision of a local ordinance, and a chemical test request is made under this Section.

(h) The action of the Secretary of State in suspending, revoking, canceling, or denying any license, permit, registration, or certificate of title shall be subject to judicial review in the Circuit Court of Sangamon County or in the Circuit Court of Cook County, and the provisions of the Administrative Review Law and its rules are hereby adopted and shall apply to and govern every action for the judicial review of final acts or decisions of the Secretary of State under this Section.

The revocation shall remain in effect for the period determined by the court. Upon the direction of the court, the Secretary shall issue the person a judicial driving permit, also known as a JDP. The JDP shall be subject to the same terms as a JDP issued under Section 6-206.1, except that the court may direct that a JDP issued under this subdivision (b)(3) be effective immediately.

(c)(1) Whenever a person is convicted of any of the offenses enumerated in this Section, the court may recommend and the Secretary of State in his discretion, without regard to whether the recommendation is made by the court may, upon application, issue to the person a restricted driving permit granting the privilege of driving a motor vehicle between the petitioner's residence and petitioner's place of employment or within the scope of the petitioner's employment related duties, or to allow the petitioner to transport himself or herself or a family member of the petitioner's household to a medical facility for the receipt of necessary medical care or to allow the petitioner to transport himself to and from alcohol or drug remedial or rehabilitative activity recommended by a licensed service provider, or to allow the petitioner to transport himself or herself or a family member of the petitioner's household to classes, as a student, at an accredited educational institution, or to allow the petitioner to transport children, elderly persons, or disabled persons who do not hold driving privileges and are living in the petitioner's household to and from daycare; if the petitioner is able to demonstrate that no alternative means of transportation is reasonably available and that the petitioner will not endanger the public safety or welfare; provided that the Secretary's discretion shall be limited to cases where undue hardship, as defined by the rules of the Secretary of State, would result from a failure to issue the restricted driving permit. Those multiple offenders identified in subdivision (b)4 of Section 6-208 of this Code, however, shall not be eligible for the issuance of a restricted driving permit.

(2) If a person's license or permit is revoked or suspended due to 2 or more convictions of violating Section 11-501 of this Code or a similar provision of a local ordinance or a similar out-of-state offense, or Section 9-3 of the Criminal Code of 1961 or the Criminal Code of 2012, where the use of alcohol or other drugs is recited as an element of the offense, or a similar out-of-state offense.
offense, or a combination of these offenses, arising out of separate occurrences, that person, if issued a restricted driving permit, may not operate a vehicle unless it has been equipped with an ignition interlock device as defined in Section 1-129.1.

(3) If:

(A) a person's license or permit is revoked or suspended 2 or more times within a 10 year period due to any combination of:

(i) a single conviction of violating Section 11-501 of this Code or a similar provision of a local ordinance or a similar out-of-state offense, or Section 9-3 of the Criminal Code of 1961 or the Criminal Code of 2012, where the use of alcohol or other drugs is recited as an element of the offense, or a similar out-of-state offense; or

(ii) a statutory summary suspension or revocation under Section 11-501.1; or

(iii) a suspension pursuant to Section 6-203.1;

arising out of separate occurrences; or

(B) a person has been convicted of one violation of subparagraph (C) or (F) of paragraph (1) of subsection (d) of Section 11-501, committed while his or her driver's license, permit, or privilege was revoked because of a violation of Section 9-3 of the Criminal Code of 1961 or the Criminal Code of 2012, relating to the offense of reckless homicide where the use of alcohol or other drugs was recited as an element of the offense, or a similar provision of a law of another state;

that person, if issued a restricted driving permit, may not operate a vehicle unless it has been equipped with an ignition interlock device as defined in Section 1-129.1.

(4) The person issued a permit conditioned on the use of an ignition interlock device must pay to the Secretary of State DUI Administration Fund an amount not to exceed $30 per month. The Secretary shall establish by rule the amount and the procedures, terms, and conditions relating to these fees.

(5) If the restricted driving permit is issued for employment purposes, then the prohibition against operating a motor vehicle

that is not equipped with an ignition interlock device does not apply to the operation of an occupational vehicle owned or leased by that person's employer when used solely for employment purposes.

(6) In each case the Secretary of State may issue a restricted driving permit for a period he deems appropriate, except that the permit shall expire within one year from the date of issuance. The Secretary may not, however, issue a restricted driving permit to any person whose current revocation is the result of a second or subsequent conviction for a violation of Section 11-501 of this Code or a similar provision of a local ordinance or any similar out-of-state offense, or Section 9-3 of the Criminal Code of 1961 or the Criminal Code of 2012, where the use of alcohol or other drugs is recited as an element of the offense, or any similar out-of-state offense, or any combination of these offenses, until the expiration of at least one year from the date of the revocation. A restricted driving permit issued under this Section shall be subject to cancellation, revocation, and suspension by the Secretary of State in like manner and for like cause as a driver's license issued under this Code may be cancelled, revoked, or suspended; except that a conviction upon one or more offenses against laws or ordinances regulating the movement of traffic shall be deemed sufficient cause for the revocation, suspension, or cancellation of a restricted driving permit. The Secretary of State may, as a condition to the issuance of a restricted driving permit, require the petitioner to participate in a designated driver remedial or rehabilitative program. The Secretary of State is authorized to cancel a restricted driving permit if the permit holder does not successfully complete the program. However, if an individual's driving privileges have been revoked in accordance with paragraph 13 of subsection (a) of this Section, no restricted driving permit shall be issued until the individual has served 6 months of the revocation period.

(c-5) (Blank).

(c-6) If a person is convicted of a second violation of operating a motor vehicle while the person's driver's license, permit or privilege was revoked, where the revocation was for a violation of Section 9-3 of the Criminal Code of 1961 or the Criminal Code of 2012 relating to the offense of reckless homicide or a similar out-of-state offense, the person's driving privileges shall be revoked pursuant to subdivision (a)(15) of this Section.

Section. The person may not make application for a license or permit until the expiration of five years from the effective date of the revocation or the expiration of five years from the date of release from a term of imprisonment, whichever is later.

(c-7) If a person is convicted of a third or subsequent violation of operating a motor vehicle while the person's driver's license, permit or privilege was revoked, where the revocation was for a violation of Section 9-3 of the Criminal Code of 1961 or the Criminal Code of 2012 relating to the offense of reckless homicide or a similar out-of-state offense, the person may never apply for a license or permit.

(d)(1) Whenever a person under the age of 21 is convicted under Section 11-501 of this Code or a similar provision of a local ordinance or a similar out-of-state offense, the Secretary of State shall revoke the driving privileges of that person. One year after the date of revocation, and upon application, the Secretary of State may, if satisfied that the person applying will not endanger the public safety or welfare, issue a restricted driving permit granting the privilege of driving a motor vehicle only between the hours of 5 a.m. and 9 p.m. or as otherwise provided by this Section for a period of one year. After this one year period, and upon reapplication for a license as provided in Section 6-106, upon payment of the appropriate reinstatement fee provided under paragraph (b) of Section 6-118, the Secretary of State, in his discretion, may reinstate the petitioner's driver's license and driving privileges, or extend the restricted driving permit as many times as the Secretary of State deems appropriate, by additional periods of not more than 12 months each.

(2) If a person's license or permit is revoked or suspended due to 2 or more convictions of violating Section 11-501 of this Code or a similar provision of a local ordinance or a similar out-of-state offense, or Section 9-3 of the Criminal Code of 1961 or the Criminal Code of 2012, where the use of alcohol or other drugs is recited as an element of the offense, or a similar out-of-state offense, or a combination of these offenses, arising out of separate occurrences, that person, if issued a restricted driving permit, may not operate a vehicle unless it has been equipped with an ignition interlock device as defined in Section 1-129.1.

(3) If a person's license or permit is revoked or suspended 2 or more times within a 10 year period due to any combination of:

(A) a single conviction of violating Section 11-501 of this Code or a similar provision of a local ordinance or a
similar out-of-state offense, or Section 9-3 of the Criminal Code of 1961 or the Criminal Code of 2012, where the use of alcohol or other drugs is recited as an element of the offense, or a similar out-of-state offense; or

(B) a statutory summary suspension or revocation under Section 11-501.1; or

(C) a suspension pursuant to Section 6-203.1;

arising out of separate occurrences, that person, if issued a restricted driving permit, may not operate a vehicle unless it has been equipped with an ignition interlock device as defined in Section 1-129.1.

(3.5) If a person's license or permit is revoked or suspended due to a conviction for a violation of subparagraph (C) or (F) of paragraph (1) of subsection (d) of Section 11-501 of this Code, or a similar provision of a local ordinance or similar out-of-state offense, that person, if issued a restricted driving permit, may not operate a vehicle unless it has been equipped with an ignition interlock device as defined in Section 1-129.1.

(4) The person issued a permit conditioned upon the use of an interlock device must pay to the Secretary of State DUI Administration Fund an amount not to exceed $30 per month. The Secretary shall establish by rule the amount and the procedures, terms, and conditions relating to these fees.

(5) If the restricted driving permit is issued for employment purposes, then the prohibition against driving a vehicle that is not equipped with an ignition interlock device does not apply to the operation of an occupational vehicle owned or leased by that person's employer when used solely for employment purposes.

(6) A restricted driving permit issued under this Section shall be subject to cancellation, revocation, and suspension by the Secretary of State in like manner and for like cause as a driver's license issued under this Code may be cancelled, revoked, or suspended; except that a conviction upon one or more offenses against laws or ordinances regulating the movement of traffic shall be deemed sufficient cause for the revocation, suspension, or cancellation of a restricted driving permit.

(d-5) The revocation of the license, permit, or driving privileges of a person convicted of a third or subsequent violation of Section 6-303 of this Code committed while his or her driver's license, permit, or privilege...
was revoked because of a violation of Section 9-3 of the Criminal Code of 1961 or the Criminal Code of 2012, relating to the offense of reckless homicide, or a similar provision of a law of another state, is permanent. The Secretary may not, at any time, issue a license or permit to that person.

(e) This Section is subject to the provisions of the Driver License Compact.

(f) Any revocation imposed upon any person under subsections 2 and 3 of paragraph (b) that is in effect on December 31, 1988 shall be converted to a suspension for a like period of time.

(g) The Secretary of State shall not issue a restricted driving permit to a person under the age of 16 years whose driving privileges have been revoked under any provisions of this Code.

(h) The Secretary of State shall require the use of ignition interlock devices on all vehicles owned by a person who has been convicted of a second or subsequent offense under Section 11-501 of this Code or a similar provision of a local ordinance. The person must pay to the Secretary of State DUI Administration Fund an amount not to exceed $30 for each month that he or she uses the device. The Secretary shall establish by rule and regulation the procedures for certification and use of the interlock system, the amount of the fee, and the procedures, terms, and conditions relating to these fees.

(i) (Blank).

(j) In accordance with 49 C.F.R. 384, the Secretary of State may not issue a restricted driving permit for the operation of a commercial motor vehicle to a person holding a CDL whose driving privileges have been revoked, suspended, cancelled, or disqualified under any provisions of this Code.

(b) If any conviction forming the basis of a suspension or revocation authorized under this Section is appealed, the Secretary of State may rescind or withhold the entry of the order of suspension or revocation, as the case may be, provided that a certified copy of a stay order of a court is filed with the Secretary of State. If the conviction is affirmed on appeal, the date of the conviction shall relate back to the time the original judgment of conviction was entered and the 6 month limitation prescribed shall not apply.

(c) 1. Upon suspending or revoking the driver's license or permit of any person as authorized in this Section, the Secretary of State shall immediately notify the person in writing of the revocation or suspension. The notice to be deposited in the United States mail, postage prepaid, to the last known address of the person.

2. If the Secretary of State suspends the driver's license of a person under subsection 2 of paragraph (a) of this Section, a person's privilege to operate a vehicle as an occupation shall not be suspended, provided an affidavit is properly completed, the appropriate fee received, and a permit issued prior to the effective date of the suspension, unless 5 offenses were committed, at least 2 of which occurred while operating a commercial vehicle in connection with the driver's regular occupation. All other driving privileges shall be suspended by the Secretary of State. Any driver prior to operating a vehicle for occupational purposes only must submit the affidavit on forms to be provided by the Secretary of State setting forth the facts of the person's occupation. The affidavit shall also state the number of offenses committed while operating a vehicle in connection with the driver's regular occupation. The affidavit shall be accompanied by the driver's license. Upon receipt of a properly completed affidavit, the Secretary of State shall issue the driver a permit to operate a vehicle in connection with the driver's regular occupation only. Unless the permit is issued by the Secretary of State prior to the date of suspension, the privilege to drive any motor vehicle shall be suspended as set forth in the notice that was mailed under this Section. If an affidavit is received subsequent to the effective date of this suspension, a permit may be issued for the remainder of the suspension period.

The provisions of this subparagraph shall not apply to any driver required to possess a CDL for the purpose of operating a commercial motor vehicle.

Any person who falsely states any fact in the affidavit required herein shall be guilty of perjury under Section 6-302 and upon conviction thereof shall have all driving privileges revoked without further rights.

3. At the conclusion of a hearing under Section 2-118 of this Code, the Secretary of State shall either rescind or continue an order of revocation or shall substitute an order of suspension; or, good cause appearing therefor, rescind, continue, change, or extend the order of suspension. If the Secretary of State does not rescind the order, the Secretary may upon application, to relieve undue hardship (as defined by the rules of the Secretary of State), issue a restricted driving permit granting the privilege of driving a motor vehicle between the petitioner's residence and petitioner's place of employment or within the scope of the petitioner's employment related duties, or to allow the petitioner to transport himself or herself, or a family member of the petitioner's household to a medical facility, to receive necessary medical care, to allow the petitioner to transport himself or herself to and from alcohol or drug remedial or rehabilitative activity recommended by a licensed service provider, or to allow the petitioner to transport himself or herself or a family member of the petitioner's household to classes, as a student, at an accredited educational institution, or to allow the petitioner to transport children, elderly persons, or disabled persons who do not hold driving privileges and are living in the petitioner's household to and from daycare. The petitioner must demonstrate that no alternative means of transportation is reasonably available and that the petitioner will not endanger the public safety or welfare. Those multiple offenders identified in subdivision (b)4 of Section 6-208 of this Code, however, shall not be eligible for the issuance of a restricted driving permit.

(A) If a person's license or permit is revoked or suspended due to 2 or more convictions of violating Section 11-501 of this Code or a similar provision of a local ordinance or a similar out-of-state offense, or Section 9-3 of the Criminal Code of 1961 or the Criminal Code of 2012, where the use of alcohol or other drugs is recited as an element of the offense, or a similar out-of-state offense, or a combination of these offenses, arising out of separate occurrences, that person, if issued a restricted driving permit, may

not operate a vehicle unless it has been equipped with an ignition interlock device as defined in Section 1-129.1.

(B) If a person's license or permit is revoked or suspended 2 or more times within a 10 year period due to any combination of:

(i) a single conviction of violating Section 11-501 of this Code or a similar provision of a local ordinance or a similar out-of-state offense or Section 9-3 of the Criminal Code of 1961 or the Criminal Code of 2012, where the use of alcohol or other drugs is recited as an element of the offense, or a similar out-of-state offense; or

(ii) a statutory summary suspension or revocation under Section 11-501.1; or

(iii) a suspension under Section 6-203.1;

arising out of separate occurrences; that person, if issued a restricted driving permit, may not operate a vehicle unless it has been equipped with an ignition interlock device as defined in Section 1-129.1.

(B-5) If a person's license or permit is revoked or suspended due to a conviction for a violation of subparagraph (C) or (F) of paragraph (1) of subsection (d) of Section 11-501 of this Code, or a similar provision of a local ordinance or similar out-of-state offense, that person, if issued a restricted driving permit, may not operate a vehicle unless it has been equipped with an ignition interlock device as defined in Section 1-129.1.

(C) The person issued a permit conditioned upon the use of an ignition interlock device must pay to the Secretary of State DUI Administration Fund an amount not to exceed $30 per month. The Secretary shall establish by rule the amount and the procedures, terms, and conditions relating to these fees.

(D) If the restricted driving permit is issued for employment purposes, then the prohibition against operating a motor vehicle that is not equipped with an ignition interlock device does not apply to the operation of an occupational vehicle owned or leased by that person's employer when used solely for employment purposes.

(E) In each case the Secretary may issue a restricted driving permit for a period deemed appropriate, except that all permits shall expire within one year from the date of issuance. The Secretary may not, however, issue a restricted driving permit to any
person whose current revocation is the result of a second or subsequent conviction for a violation of Section 11-501 of this Code or a similar provision of a local ordinance or any similar out-of-state offense, or Section 9-3 of the Criminal Code of 1961 or the Criminal Code of 2012, where the use of alcohol or other drugs is recited as an element of the offense, or any similar out-of-state offense, or any combination of those offenses, until the expiration of at least one year from the date of the revocation. A restricted driving permit issued under this Section shall be subject to cancellation, revocation, and suspension by the Secretary of State in like manner and for like cause as a driver's license issued under this Code may be cancelled, revoked, or suspended; except that a conviction upon one or more offenses against laws or ordinances regulating the movement of traffic shall be deemed sufficient cause for the revocation, suspension, or cancellation of a restricted driving permit. The Secretary of State may, as a condition to the issuance of a restricted driving permit, require the applicant to participate in a designated driver remedial or rehabilitative program. The Secretary of State is authorized to cancel a restricted driving permit if the permit holder does not successfully complete the program.

(c-3) In the case of a suspension under paragraph 43 of subsection (a), reports received by the Secretary of State under this Section shall, except during the actual time the suspension is in effect, be privileged information and for use only by the courts, police officers, prosecuting authorities, the driver licensing administrator of any other state, the Secretary of State, or the parent or legal guardian of a driver under the age of 18. However, beginning January 1, 2008, if the person is a CDL holder, the suspension shall also be made available to the driver licensing administrator of any other state, the U.S. Department of Transportation, and the affected driver or motor carrier or prospective motor carrier upon request.

(c-4) In the case of a suspension under paragraph 43 of subsection (a), the Secretary of State shall notify the person by mail that his or her driving privileges and driver's license will be suspended one month after the date of the mailing of the notice.

(c-5) The Secretary of State may, as a condition of the reissuance of a driver's license or permit to an applicant whose driver's license or permit has been suspended before he or she reached the age of 21 years
pursuant to any of the provisions of this Section, require the applicant to participate in a driver remedial education course and be retested under Section 6-109 of this Code.

(d) This Section is subject to the provisions of the Drivers License Compact.

(e) The Secretary of State shall not issue a restricted driving permit to a person under the age of 16 years whose driving privileges have been suspended or revoked under any provisions of this Code.

(f) In accordance with 49 C.F.R. 384, the Secretary of State may not issue a restricted driving permit for the operation of a commercial motor vehicle to a person holding a CDL whose driving privileges have been suspended, revoked, cancelled, or disqualified under any provisions of this Code.

625 ILCS 5/6-206.1 (from Ch. 95 1/2, par. 6-206.1)
Sec. 6-206.1. Monitoring Device Driving Permit. Declaration of Policy. It is hereby declared a policy of the State of Illinois that the driver who is impaired by alcohol, other drug or drugs, or intoxicating compound or compounds is a threat to the public safety and welfare. Therefore, to provide a deterrent to such practice, a statutory summary driver's license suspension is appropriate. It is also recognized that driving is a privilege and therefore, that the granting of driving privileges, in a manner consistent with public safety, is warranted during the period of suspension in the form of a monitoring device driving permit. A person who drives and fails to comply with the requirements of the monitoring device driving permit commits a violation of Section 6-303 of this Code.

The following procedures shall apply whenever a first offender, as defined in Section 11-500 of this Code, is arrested for any offense as defined in Section 11-501 or a similar provision of a local ordinance and is subject to the provisions of Section 11-501.1:

(a) Upon mailing of the notice of suspension of driving privileges as provided in subsection (h) of Section 11-501.1 of this Code, the Secretary shall also send written notice informing the person that he or she will be issued a monitoring device driving permit (MDDP). The notice shall include, at minimum, information summarizing the procedure to be followed for issuance of the MDDP, installation of the breath alcohol

ignition installation device (BAIID), as provided in this Section, exemption from BAIID installation requirements, and procedures to be followed by those seeking indigent status, as provided in this Section. The notice shall also include information summarizing the procedure to be followed if the person wishes to decline issuance of the MDDP. A copy of the notice shall also be sent to the court of venue together with the notice of suspension of driving privileges, as provided in subsection (h) of Section 11-501. However, a MDDP shall not be issued if the Secretary finds that:

(1) the offender's driver's license is otherwise invalid;
(2) death or great bodily harm to another resulted from the arrest for Section 11-501;
(3) the offender has been previously convicted of reckless homicide or aggravated driving under the influence involving death;
(4) the offender is less than 18 years of age; or
(5) the offender is a qualifying patient licensed under the Compassionate Use of Medical Cannabis Pilot Program Act who is in possession of a valid registry card issued under that Act and refused to submit to standardized field sobriety tests as required by subsection (a) of Section 11-501.9 or did submit to testing which disclosed the person was impaired by the use of cannabis.

Any offender participating in the MDDP program must pay the Secretary a MDDP Administration Fee in an amount not to exceed $30 per month, to be deposited into the Monitoring Device Driving Permit Administration Fee Fund. The Secretary shall establish by rule the amount and the procedures, terms, and conditions relating to these fees. The offender must have an ignition interlock device installed within 14 days of the date the Secretary issues the MDDP. The ignition interlock device provider must notify the Secretary, in a manner and form prescribed by the Secretary, of the installation. If the Secretary does not receive notice of installation, the Secretary shall cancel the MDDP.

A MDDP shall not become effective prior to the 31st day of the original statutory summary suspension.

Upon receipt of the notice, as provided in paragraph (a) of this Section, the person may file a petition to decline issuance of the MDDP with the court of venue. The court shall admonish the offender of all consequences of declining issuance of the MDDP including, but not limited to, the enhanced penalties for driving while suspended. After being

so admonished, the offender shall be permitted, in writing, to execute a notice declining issuance of the MDDP. This notice shall be filed with the court and forwarded by the clerk of the court to the Secretary. The offender may, at any time thereafter, apply to the Secretary for issuance of a MDDP.

(a-1) A person issued a MDDP may drive for any purpose and at any time, subject to the rules adopted by the Secretary under subsection (g). The person must, at his or her own expense, drive only vehicles equipped with an ignition interlock device as defined in Section 1-129.1, but in no event shall such person drive a commercial motor vehicle.

(a-2) Persons who are issued a MDDP and must drive employer-owned vehicles in the course of their employment duties may seek permission to drive an employer-owned vehicle that does not have an ignition interlock device. The employer shall provide to the Secretary a form, as prescribed by the Secretary, completed by the employer verifying that the employee must drive an employer-owned vehicle in the course of employment. If approved by the Secretary, the form must be in the driver's possession while operating an employer-owned vehicle not equipped with an ignition interlock device. No person may use this exemption to drive a school bus, school vehicle, or a vehicle designed to transport more than 15 passengers. No person may use this exemption to drive an employer-owned motor vehicle that is owned by an entity that is wholly or partially owned by the person holding the MDDP, or by a family member of the person holding the MDDP. No person may use this exemption to drive an employer-owned vehicle that is made available to the employee for personal use. No person may drive the exempted vehicle more than 12 hours per day, 6 days per week.

(a-3) Persons who are issued a MDDP and who must drive a farm tractor to and from a farm, within 50 air miles from the originating farm are exempt from installation of a BAIID on the farm tractor, so long as the farm tractor is being used for the exclusive purpose of conducting farm operations.

(b) (Blank).

c) (Blank).

(c-1) If the holder of the MDDP is convicted of or receives court supervision for a violation of Section 6-206.2, 6-303, 11-204, 11-204.1, 11-401, 11-501, 11-503, 11-506 or a similar provision of a local ordinance or a similar out-of-state offense or is convicted of or receives court supervision for any offense for which alcohol or drugs is an element of the offense.
offense and in which a motor vehicle was involved (for an arrest other than the one for which the MDDP is issued), or de-installs the BAIID without prior authorization from the Secretary, the MDDP shall be cancelled.

(c-5) If the Secretary determines that the person seeking the MDDP is indigent, the Secretary shall provide the person with a written document as evidence of that determination, and the person shall provide that written document to an ignition interlock device provider. The provider shall install an ignition interlock device on that person's vehicle without charge to the person, and seek reimbursement from the Indigent BAIID Fund. If the Secretary has deemed an offender indigent, the BAIID provider shall also provide the normal monthly monitoring services and the de-installation without charge to the offender and seek reimbursement from the Indigent BAIID Fund. Any other monetary charges, such as a lockout fee or reset fee, shall be the responsibility of the MDDP holder. A BAIID provider may not seek a security deposit from the Indigent BAIID Fund.

(d) MDDP information shall be available only to the courts, police officers, and the Secretary, except during the actual period the MDDP is valid, during which time it shall be a public record.

(e) (Blank).

(f) (Blank).

(g) The Secretary shall adopt rules for implementing this Section. The rules adopted shall address issues including, but not limited to: compliance with the requirements of the MDDP; methods for determining compliance with those requirements; the consequences of noncompliance with those requirements; what constitutes a violation of the MDDP; methods for determining indigency; and the duties of a person or entity that supplies the ignition interlock device.

(h) The rules adopted under subsection (g) shall provide, at a minimum, that the person is not in compliance with the requirements of the MDDP if he or she:

1. tampers or attempts to tamper with or circumvent the proper operation of the ignition interlock device;
2. provides valid breath samples that register blood alcohol levels in excess of the number of times allowed under the rules;
3. fails to provide evidence sufficient to satisfy the Secretary that the ignition interlock device has been installed in the designated vehicle or vehicles; or

New matter indicated by italics - deletions by strikeout
(4) fails to follow any other applicable rules adopted by the Secretary.

(i) Any person or entity that supplies an ignition interlock device as provided under this Section shall, in addition to supplying only those devices which fully comply with all the rules adopted under subsection (g), provide the Secretary, within 7 days of inspection, all monitoring reports of each person who has had an ignition interlock device installed. These reports shall be furnished in a manner or form as prescribed by the Secretary.

(j) Upon making a determination that a violation of the requirements of the MDDP has occurred, the Secretary shall extend the summary suspension period for an additional 3 months beyond the originally imposed summary suspension period, during which time the person shall only be allowed to drive vehicles equipped with an ignition interlock device; provided further there are no limitations on the total number of times the summary suspension may be extended. The Secretary may, however, limit the number of extensions imposed for violations occurring during any one monitoring period, as set forth by rule. Any person whose summary suspension is extended pursuant to this Section shall have the right to contest the extension through a hearing with the Secretary, pursuant to Section 2-118 of this Code. If the summary suspension has already terminated prior to the Secretary receiving the monitoring report that shows a violation, the Secretary shall be authorized to suspend the person's driving privileges for 3 months, provided that the Secretary may, by rule, limit the number of suspensions to be entered pursuant to this paragraph for violations occurring during any one monitoring period. Any person whose license is suspended pursuant to this paragraph, after the summary suspension had already terminated, shall have the right to contest the suspension through a hearing with the Secretary, pursuant to Section 2-118 of this Code. The only permit the person shall be eligible for during this new suspension period is a MDDP.

(k) A person who has had his or her summary suspension extended for the third time, or has any combination of 3 extensions and new suspensions, entered as a result of a violation that occurred while holding the MDDP, so long as the extensions and new suspensions relate to the same summary suspension, shall have his or her vehicle impounded for a period of 30 days, at the person's own expense. A person who has his or her summary suspension extended for the fourth time, or has any combination of 4 extensions and new suspensions, entered as a result of a
violation that occurred while holding the MDDP, so long as the extensions and new suspensions relate to the same summary suspension, shall have his or her vehicle subject to seizure and forfeiture. The Secretary shall notify the prosecuting authority of any third or fourth extensions or new suspension entered as a result of a violation that occurred while the person held a MDDP. Upon receipt of the notification, the prosecuting authority shall impound or forfeit the vehicle. The impoundment or forfeiture of a vehicle shall be conducted pursuant to the procedure specified in Article 36 of the Criminal Code of 2012.

(l) A person whose driving privileges have been suspended under Section 11-501.1 of this Code and who had a MDDP that was cancelled, or would have been cancelled had notification of a violation been received prior to expiration of the MDDP, pursuant to subsection (c-1) of this Section, shall not be eligible for reinstatement when the summary suspension is scheduled to terminate. Instead, the person's driving privileges shall be suspended for a period of not less than twice the original summary suspension period, or for the length of any extensions entered under subsection (j), whichever is longer. During the period of suspension, the person shall be eligible only to apply for a restricted driving permit. If a restricted driving permit is granted, the offender may only operate vehicles equipped with a BAIID in accordance with this Section.

(m) Any person or entity that supplies an ignition interlock device under this Section shall, for each ignition interlock device installed, pay 5% of the total gross revenue received for the device, including monthly monitoring fees, into the Indigent BAIID Fund. This 5% shall be clearly indicated as a separate surcharge on each invoice that is issued. The Secretary shall conduct an annual review of the fund to determine whether the surcharge is sufficient to provide for indigent users. The Secretary may increase or decrease this surcharge requirement as needed.

(n) Any person or entity that supplies an ignition interlock device under this Section that is requested to provide an ignition interlock device to a person who presents written documentation of indigency from the Secretary, as provided in subsection (c-5) of this Section, shall install the device on the person's vehicle without charge to the person and shall seek reimbursement from the Indigent BAIID Fund.

(o) The Indigent BAIID Fund is created as a special fund in the State treasury. The Secretary shall, subject to appropriation by the General Assembly, use all money in the Indigent BAIID Fund to reimburse ignition
interlock device providers who have installed devices in vehicles of indigent persons. The Secretary shall make payments to such providers every 3 months. If the amount of money in the fund at the time payments are made is not sufficient to pay all requests for reimbursement submitted during that 3 month period, the Secretary shall make payments on a pro-rata basis, and those payments shall be considered payment in full for the requests submitted.

(p) The Monitoring Device Driving Permit Administration Fee Fund is created as a special fund in the State treasury. The Secretary shall, subject to appropriation by the General Assembly, use the money paid into this fund to offset its administrative costs for administering MDDPs.

(q) The Secretary is authorized to prescribe such forms as it deems necessary to carry out the provisions of this Section.

Sec. 6-208.1. Period of statutory summary alcohol, other drug, or intoxicating compound related suspension or revocation.

(a) Unless the statutory summary suspension has been rescinded, any person whose privilege to drive a motor vehicle on the public highways has been summarily suspended, pursuant to Section 11-501.1, shall not be eligible for restoration of the privilege until the expiration of:

1. twelve months from the effective date of the statutory summary suspension for a refusal or failure to complete a test or tests to determine the alcohol, other drug, or intoxicating compound concentration under Section 11-501.1, if the person was not involved in a motor vehicle accident that caused personal injury or death to another; or

2. six months from the effective date of the statutory summary suspension imposed following the person's submission to a chemical test which disclosed an alcohol concentration of 0.08 or more, or any amount of a drug, substance, or intoxicating compound in such person's breath, blood, or urine resulting from the unlawful use or consumption of cannabis listed in the Cannabis Control Act, a controlled substance listed in the Illinois Controlled Substances Act, an intoxicating compound listed in the Use of Intoxicating Compounds Act, or methamphetamine as listed in the Methamphetamine Control and Community Protection Act, pursuant to Section 11-501.1; or

(b) Following a statutory summary suspension of the privilege to drive a motor vehicle under Section 11-501.1, driving privileges shall be restored unless the person is otherwise suspended, revoked, or cancelled by this Code. If the court has reason to believe that the person's driving privilege should not be restored, the court shall notify the Secretary of State prior to the expiration of the statutory summary suspension so appropriate action may be taken pursuant to this Code.

(c) Driving privileges may not be restored until all applicable reinstatement fees, as provided by this Code, have been paid to the Secretary of State and the appropriate entry made to the driver's record.

(d) Where a driving privilege has been summarily suspended or revoked under Section 11-501.1 and the person is subsequently convicted of violating Section 11-501, or a similar provision of a local ordinance, for the same incident, any period served on statutory summary suspension or revocation shall be credited toward the minimum period of revocation of driving privileges imposed pursuant to Section 6-205.

(e) A first offender who refused chemical testing and whose driving privileges were summarily revoked pursuant to Section 11-501.1 shall not be eligible for a monitoring device driving permit, but may make application for reinstatement or for a restricted driving permit after a period of one year has elapsed from the effective date of the revocation.

(a) Any person driving a commercial motor vehicle who is requested by a police officer, pursuant to Section 6-516, to submit to a chemical test or tests to determine the alcohol concentration or any amount of a drug, substance, or compound resulting from the unlawful use or consumption of cannabis listed in the Cannabis Control Act, a controlled substance listed in the Illinois Controlled Substances Act, an intoxicating compound listed in the Use of Intoxicating Compounds Act, or methamphetamine as listed in the Methamphetamine Control and Community Protection Act in such person's system, must be warned by the police officer requesting the test or tests that a refusal to submit to the test or tests will result in that person being immediately placed out-of-service for a period of 24 hours and being disqualified from operating a commercial motor vehicle for a period of not less than 12 months; the person shall also be warned that if such person submits to testing which discloses an alcohol concentration of greater than 0.00 but less than 0.04 or any amount of a drug, substance, or compound in such person's blood or urine resulting from the unlawful use or consumption of cannabis listed in the Cannabis Control Act, a controlled substance listed in the Illinois Controlled Substances Act, an intoxicating compound listed in the Use of Intoxicating Compounds Act, or methamphetamine as listed in the Methamphetamine Control and Community Protection Act, such person shall be placed immediately out-of-service for a period of 24 hours; if the person submits to testing which discloses an alcohol concentration of 0.04 or more or any amount of a drug, substance, or compound in such person's blood or urine resulting from the unlawful use or consumption of cannabis listed in the Cannabis Control Act, a controlled substance listed in the Illinois Controlled Substances Act, an intoxicating compound listed in the Use of Intoxicating Compounds Act, or methamphetamine as listed in the Methamphetamine Control and Community Protection Act, such person shall be placed immediately out-of-service and disqualified from driving a

commercial motor vehicle for a period of at least 12 months; also the person shall be warned that if such testing discloses an alcohol concentration of 0.08, or more or any amount of a drug, substance, or compound in such person's blood or urine resulting from the unlawful use or consumption of cannabis listed in the Cannabis Control Act, a controlled substance listed in the Illinois Controlled Substances Act, an intoxicating compound listed in the Use of Intoxicating Compounds Act, or methamphetamine as listed in the Methamphetamine Control and Community Protection Act, in addition to the person being immediately placed out-of-service and disqualified for 12 months as provided in this UCDLA, the results of such testing shall also be admissible in prosecutions for violations of Section 11-501 of this Code, or similar violations of local ordinances, however, such results shall not be used to impose any driving sanctions pursuant to Section 11-501.1 of this Code.

The person shall also be warned that any disqualification imposed pursuant to this Section, shall be for life for any such offense or refusal, or combination thereof; including a conviction for violating Section 11-501 while driving a commercial motor vehicle, or similar provisions of local ordinances, committed a second time involving separate incidents.

A person requested to submit to a test shall also acknowledge, in writing, receipt of the warning required under this Section. If the person refuses to acknowledge receipt of the warning, the police officer shall make a written notation on the warning that the person refused to sign the warning. A person's refusal to sign the warning shall not be evidence that the person was not read the warning.

(b) If the person refuses or fails to complete testing, or submits to a test which discloses an alcohol concentration of at least 0.04, or any amount of a drug, substance, or compound in such person's blood or urine resulting from the unlawful use or consumption of cannabis listed in the Cannabis Control Act, a controlled substance listed in the Illinois Controlled Substances Act, an intoxicating compound listed in the Use of Intoxicating Compounds Act, or methamphetamine as listed in the Methamphetamine Control and Community Protection Act, the law enforcement officer must submit a Sworn Report to the Secretary of State, in a form prescribed by the Secretary, certifying that the test or tests was requested pursuant to paragraph (a); that the person was warned, as provided in paragraph (a) and that such person refused to submit to or failed to complete testing, or submitted to a test which disclosed an alcohol concentration of 0.04 or more, or any amount of a drug, substance,

or compound in such person's blood or urine resulting from the unlawful use or consumption of cannabis listed in the Cannabis Control Act, a controlled substance listed in the Illinois Controlled Substances Act, an intoxicating compound listed in the Use of Intoxicating Compounds Act, or methamphetamine as listed in the Methamphetamine Control and Community Protection Act.

(c) The police officer submitting the Sworn Report under this Section shall serve notice of the CDL disqualification on the person and such CDL disqualification shall be effective as provided in paragraph (d). In cases where the blood alcohol concentration of 0.04 or more, or any amount of a drug, substance, or compound in such person's blood or urine resulting from the unlawful use or consumption of cannabis listed in the Cannabis Control Act, a controlled substance listed in the Illinois Controlled Substances Act, an intoxicating compound listed in the Use of Intoxicating Compounds Act, or methamphetamine as listed in the Methamphetamine Control and Community Protection Act, is established by subsequent analysis of blood or urine collected at the time of the request, the police officer shall give notice as provided in this Section or by deposit in the United States mail of such notice as provided in this Section or by deposit in the United States mail of such notice in an envelope with postage prepaid and addressed to such person's domiciliary address as shown on the Sworn Report and the CDL disqualification shall begin as provided in paragraph (d).

(d) The CDL disqualification referred to in this Section shall take effect on the 46th day following the date the Sworn Report was given to the affected person.

(e) Upon receipt of the Sworn Report from the police officer, the Secretary of State shall disqualify the person from driving any commercial motor vehicle and shall confirm the CDL disqualification by mailing the notice of the effective date to the person. However, should the Sworn Report be defective by not containing sufficient information or be completed in error, the confirmation of the CDL disqualification shall not be mailed to the affected person or entered into the record, instead the Sworn Report shall be forwarded to the issuing agency identifying any such defect.

Sec. 11-501.1. Suspension of drivers license; statutory summary alcohol, other drug or drugs, or intoxicating compound or compounds related suspension or revocation; implied consent.

(a) Any person who drives or is in actual physical control of a motor vehicle upon the public highways of this State shall be deemed to have given consent, subject to the provisions of Section 11-501.2, to a chemical test or tests of blood, breath, or urine for the purpose of determining the content of alcohol, other drug or drugs, or intoxicating compound or compounds or any combination thereof in the person's blood if arrested, as evidenced by the issuance of a Uniform Traffic Ticket, for any offense as defined in Section 11-501 or a similar provision of a local ordinance, or if arrested for violating Section 11-401. If a law enforcement officer has probable cause to believe the person was under the influence of alcohol, other drug or drugs, intoxicating compound or compounds, or any combination thereof, the law enforcement officer shall request a chemical test or tests which shall be administered at the direction of the arresting officer. The law enforcement agency employing the officer shall designate which of the aforesaid tests shall be administered. A urine test may be administered even after a blood or breath test or both has been administered. For purposes of this Section, an Illinois law enforcement officer of this State who is investigating the person for any offense defined in Section 11-501 may travel into an adjoining state, where the person has been transported for medical care, to complete an investigation and to request that the person submit to the test or tests set forth in this Section. The requirements of this Section that the person be arrested are inapplicable, but the officer shall issue the person a Uniform Traffic Ticket for an offense as defined in Section 11-501 or a similar provision of a local ordinance prior to requesting that the person submit to the test or tests. The issuance of the Uniform Traffic Ticket shall not constitute an arrest, but shall be for the purpose of notifying the person that he or she is subject to the provisions of this Section and of the officer's belief of the existence of probable cause to arrest. Upon returning to this State, the officer shall file the Uniform Traffic Ticket with the Circuit Clerk of the county where the offense was committed, and shall seek the issuance of an arrest warrant or a summons for the person.

the test or tests may be administered, subject to the provisions of Section 11-501.2.

(c) A person requested to submit to a test as provided above shall be warned by the law enforcement officer requesting the test that a refusal to submit to the test will result in the statutory summary suspension of the person's privilege to operate a motor vehicle, as provided in Section 6-208.1 of this Code, and will also result in the disqualification of the person's privilege to operate a commercial motor vehicle, as provided in Section 6-514 of this Code, if the person is a CDL holder. The person shall also be warned that a refusal to submit to the test, when the person was involved in a motor vehicle accident that caused personal injury or death to another, will result in the statutory summary revocation of the person's privilege to operate a motor vehicle, as provided in Section 6-208.1, and will also result in the disqualification of the person's privilege to operate a commercial motor vehicle, as provided in Section 6-514 of this Code, if the person is a CDL holder. The person shall also be warned by the law enforcement officer that if the person submits to the test or tests provided in paragraph (a) of this Section and the alcohol concentration in the person's blood or breath is 0.08 or greater, or any amount of a drug, substance, or compound resulting from the unlawful use or consumption of cannabis as covered by the Cannabis Control Act, a controlled substance listed in the Illinois Controlled Substances Act, an intoxicating compound listed in the Use of Intoxicating Compounds Act, or methamphetamine as listed in the Methamphetamine Control and Community Protection Act is detected in the person's blood or urine, a statutory summary suspension of the person's privilege to operate a motor vehicle, as provided in Sections 6-208.1 and 11-501.1 of this Code, and a disqualification of the person's privilege to operate a commercial motor vehicle, as provided in Section 6-514 of this Code, if the person is a CDL holder, will be imposed.

A person who is under the age of 21 at the time the person is requested to submit to a test as provided above shall, in addition to the warnings provided for in this Section, be further warned by the law enforcement officer requesting the test that if the person submits to the test or tests provided in paragraph (a) of this Section and the alcohol concentration in the person's blood or breath is greater than 0.00 and less than 0.08, a suspension of the person's privilege to operate a motor vehicle, as provided under Sections 6-208.2 and 11-501.8 of this Code, will be imposed. The results of this test shall be admissible in a civil or

criminal action or proceeding arising from an arrest for an offense as defined in Section 11-501 of this Code or a similar provision of a local ordinance or pursuant to Section 11-501.4 in prosecutions for reckless homicide brought under the Criminal Code of 1961 or the Criminal Code of 2012. These test results, however, shall be admissible only in actions or proceedings directly related to the incident upon which the test request was made.

A person requested to submit to a test shall also acknowledge, in writing, receipt of the warning required under this Section. If the person refuses to acknowledge receipt of the warning, the law enforcement officer shall make a written notation on the warning that the person refused to sign the warning. A person's refusal to sign the warning shall not be evidence that the person was not read the warning.

(d) If the person refuses testing or submits to a test that discloses an alcohol concentration of 0.08 or more, or any amount of a drug, substance, or intoxicating compound in the person's breath, blood, or urine resulting from the unlawful use or consumption of cannabis listed in the Cannabis Control Act, a controlled substance listed in the Illinois Controlled Substances Act, an intoxicating compound listed in the Use of Intoxicating Compounds Act, or methamphetamine as listed in the Methamphetamine Control and Community Protection Act, the law enforcement officer shall immediately submit a sworn report to the circuit court of venue and the Secretary of State, certifying that the test or tests was or were requested under paragraph (a) and the person refused to submit to a test, or tests, or submitted to testing that disclosed an alcohol concentration of 0.08 or more.

(e) Upon receipt of the sworn report of a law enforcement officer submitted under paragraph (d), the Secretary of State shall enter the statutory summary suspension or revocation and disqualification for the periods specified in Sections 6-208.1 and 6-514, respectively, and effective as provided in paragraph (g).

If the person is a first offender as defined in Section 11-500 of this Code, and is not convicted of a violation of Section 11-501 of this Code or a similar provision of a local ordinance, then reports received by the Secretary of State under this Section shall, except during the actual time the Statutory Summary Suspension is in effect, be privileged information and for use only by the courts, police officers, prosecuting authorities or the Secretary of State, unless the person is a CDL holder, is operating a commercial motor vehicle or vehicle required to be placarded for

hazardous materials, in which case the suspension shall not be privileged. Reports received by the Secretary of State under this Section shall also be made available to the parent or guardian of a person under the age of 18 years that holds an instruction permit or a graduated driver's license, regardless of whether the statutory summary suspension is in effect. A statutory summary revocation shall not be privileged information.

(f) The law enforcement officer submitting the sworn report under paragraph (d) shall serve immediate notice of the statutory summary suspension or revocation on the person and the suspension or revocation and disqualification shall be effective as provided in paragraph (g).

1) In cases where the blood alcohol concentration of 0.08 or greater or any amount of a drug, substance, or compound resulting from the unlawful use or consumption of cannabis as covered by the Cannabis Control Act, a controlled substance listed in the Illinois Controlled Substances Act, an intoxicating compound listed in the Use of Intoxicating Compounds Act, or methamphetamine as listed in the Methamphetamine Control and Community Protection Act is established by a subsequent analysis of blood or urine collected at the time of arrest, the arresting officer or arresting agency shall give notice as provided in this Section or by deposit in the United States mail of the notice in an envelope with postage prepaid and addressed to the person at his address as shown on the Uniform Traffic Ticket and the statutory summary suspension and disqualification shall begin as provided in paragraph (g). The officer shall confiscate any Illinois driver's license or permit on the person at the time of arrest. If the person has a valid driver's license or permit, the officer shall issue the person a receipt, in a form prescribed by the Secretary of State, that will allow that person to drive during the periods provided for in paragraph (g). The officer shall immediately forward the driver's license or permit to the circuit court of venue along with the sworn report provided for in paragraph (d).

2) (Blank).

(g) The statutory summary suspension or revocation and disqualification referred to in this Section shall take effect on the 46th day following the date the notice of the statutory summary suspension or revocation was given to the person.
(h) The following procedure shall apply whenever a person is arrested for any offense as defined in Section 11-501 or a similar provision of a local ordinance:

Upon receipt of the sworn report from the law enforcement officer, the Secretary of State shall confirm the statutory summary suspension or revocation by mailing a notice of the effective date of the suspension or revocation to the person and the court of venue. The Secretary of State shall also mail notice of the effective date of the disqualification to the person. However, should the sworn report be defective by not containing sufficient information or be completed in error, the confirmation of the statutory summary suspension or revocation shall not be mailed to the person or entered to the record; instead, the sworn report shall be forwarded to the court of venue with a copy returned to the issuing agency identifying any defect.

(i) As used in this Section, "personal injury" includes any Type A injury as indicated on the traffic accident report completed by a law enforcement officer that requires immediate professional attention in either a doctor's office or a medical facility. Sec. 11-501.6. Driver involvement in personal injury or fatal motor vehicle accident; chemical test.

(a) Any person who drives or is in actual control of a motor vehicle upon the public highways of this State and who has been involved in a personal injury or fatal motor vehicle accident, shall be deemed to have given consent to a breath test using a portable device as approved by the Department of State Police or to a chemical test or tests of blood, breath, or urine for the purpose of determining the content of alcohol, other drug or drugs, or intoxicating compound or compounds of such person's blood if arrested as evidenced by the issuance of a Uniform Traffic Ticket for any violation of the Illinois Vehicle Code or a similar provision of a local ordinance, with the exception of equipment violations contained in Chapter 12 of this Code, or similar provisions of local ordinances. The test or tests shall be administered at the direction of the arresting officer. The law enforcement agency employing the officer shall designate which of the aforesaid tests shall be administered. A urine test may be administered
even after a blood or breath test or both has been administered. Compliance with this Section does not relieve such person from the requirements of Section 11-501.1 of this Code.

(b) Any person who is dead, unconscious or who is otherwise in a condition rendering such person incapable of refusal shall be deemed not to have withdrawn the consent provided by subsection (a) of this Section. In addition, if a driver of a vehicle is receiving medical treatment as a result of a motor vehicle accident, any physician licensed to practice medicine, licensed physician assistant, licensed advanced practice nurse, registered nurse or a phlebotomist acting under the direction of a licensed physician shall withdraw blood for testing purposes to ascertain the presence of alcohol, other drug or drugs, or intoxicating compound or compounds, upon the specific request of a law enforcement officer. However, no such testing shall be performed until, in the opinion of the medical personnel on scene, the withdrawal can be made without interfering with or endangering the well-being of the patient.

(c) A person requested to submit to a test as provided above shall be warned by the law enforcement officer requesting the test that a refusal to submit to the test, or submission to the test resulting in an alcohol concentration of 0.08 or more, or any amount of a drug, substance, or intoxicating compound resulting from the unlawful use or consumption of cannabis, as covered by the Cannabis Control Act, a controlled substance listed in the Illinois Controlled Substances Act, an intoxicating compound listed in the Use of Intoxicating Compounds Act, or methamphetamine as listed in the Methamphetamine Control and Community Protection Act as detected in such person's blood or urine, may result in the suspension of such person's privilege to operate a motor vehicle and may result in the disqualification of the person's privilege to operate a commercial motor vehicle, as provided in Section 6-514 of this Code, if the person is a CDL holder. The length of the suspension shall be the same as outlined in Section 6-208.1 of this Code regarding statutory summary suspensions.

A person requested to submit to a test shall also acknowledge, in writing, receipt of the warning required under this Section. If the person refuses to acknowledge receipt of the warning, the law enforcement officer shall make a written notation on the warning that the person refused to sign the warning. A person's refusal to sign the warning shall not be evidence that the person was not read the warning.

(d) If the person refuses testing or submits to a test which discloses an alcohol concentration of 0.08 or more, or any amount of a drug,
substance, or intoxicating compound in such person's blood or urine resulting from the unlawful use or consumption of cannabis listed in the Cannabis Control Act, a controlled substance listed in the Illinois Controlled Substances Act, an intoxicating compound listed in the Use of Intoxicating Compounds Act, or methamphetamine as listed in the Methamphetamine Control and Community Protection Act, the law enforcement officer shall immediately submit a sworn report to the Secretary of State on a form prescribed by the Secretary, certifying that the test or tests were requested pursuant to subsection (a) and the person refused to submit to a test or tests or submitted to testing which disclosed an alcohol concentration of 0.08 or more, or any amount of a drug, substance, or intoxicating compound in such person's blood or urine, resulting from the unlawful use or consumption of cannabis listed in the Cannabis Control Act, a controlled substance listed in the Illinois Controlled Substances Act, an intoxicating compound listed in the Use of Intoxicating Compounds Act, or methamphetamine as listed in the Methamphetamine Control and Community Protection Act.

Upon receipt of the sworn report of a law enforcement officer, the Secretary shall enter the suspension and disqualification to the individual's driving record and the suspension and disqualification shall be effective on the 46th day following the date notice of the suspension was given to the person.

The law enforcement officer submitting the sworn report shall serve immediate notice of this suspension on the person and such suspension and disqualification shall be effective on the 46th day following the date notice was given.

Upon receipt of the sworn report of a law enforcement officer, the Secretary shall also give notice of the suspension and disqualification to the driver by mailing a notice of the effective date of the suspension and disqualification to the individual. However, should the sworn report be defective by not containing sufficient information or be completed in error, the notice of the suspension and disqualification shall not be mailed to the person or entered to the driving record, but rather the sworn report shall be returned to the issuing law enforcement agency.

(e) A driver may contest this suspension of his or her driving privileges and disqualification of his or her CDL privileges by requesting an administrative hearing with the Secretary in accordance with Section 2-118 of this Code. At the conclusion of a hearing held under Section 2-118 of this Code, the Secretary may rescind, continue, or modify the orders of suspension and disqualification. If the Secretary does not rescind the orders of suspension and disqualification, a restricted driving permit may be granted by the Secretary upon application being made and good cause shown. A restricted driving permit may be granted to relieve undue hardship to allow driving for employment, educational, and medical purposes as outlined in Section 6-206 of this Code. The provisions of Section 6-206 of this Code shall apply. of blood, breath, or urine for the purpose of determining the alcohol content of the person's blood if arrested, as evidenced by the issuance of a Uniform Traffic Ticket for any violation of the Illinois Vehicle Code or a similar provision of a local ordinance, if a police officer has probable cause to believe that the driver has consumed any amount of an alcoholic beverage based upon evidence of the driver's physical condition or other first hand knowledge of the police officer. The test or tests shall be administered at the direction of the arresting officer. The law enforcement agency employing the officer shall designate which of the aforesaid tests shall be administered. A urine test may be administered even after a blood or breath test or both has been administered.

(b) A person who is dead, unconscious, or who is otherwise in a condition rendering that person incapable of refusal, shall be deemed not to have withdrawn the consent provided by paragraph (a) of this Section and the test or tests may be administered subject to the following provisions:

(i) Chemical analysis of the person's blood, urine, breath, or other bodily substance, to be considered valid under the provisions of this Section, shall have been performed according to standards promulgated by the Department of State Police by an individual possessing a valid permit issued by that Department for this purpose. The Director of State Police is authorized to approve satisfactory techniques or methods, to ascertain the qualifications and competence of individuals to conduct analyses, to issue permits that shall be subject to termination or revocation at the direction of that Department, and to certify the accuracy of breath testing equipment. The Department of State Police shall prescribe regulations as necessary.

(ii) When a person submits to a blood test at the request of a law enforcement officer under the provisions of this Section, only a physician authorized to practice medicine, a licensed physician assistant, a licensed advanced practice nurse, a registered nurse, or other qualified person trained in venipuncture and acting under the direction of a licensed physician may withdraw blood for the purpose of determining the alcohol content therein. This limitation does not apply to the taking of breath or urine specimens.

(iii) The person tested may have a physician, qualified technician, chemist, registered nurse, or other qualified person of his or her own choosing administer a chemical test or tests in
addition to any test or tests administered at the direction of a law enforcement officer. The failure or inability to obtain an additional test by a person shall not preclude the consideration of the previously performed chemical test.

(iv) Upon a request of the person who submits to a chemical test or tests at the request of a law enforcement officer, full information concerning the test or tests shall be made available to the person or that person's attorney.

(v) Alcohol concentration means either grams of alcohol per 100 milliliters of blood or grams of alcohol per 210 liters of breath.

(vi) If a driver is receiving medical treatment as a result of a motor vehicle accident, a physician licensed to practice medicine, licensed physician assistant, licensed advanced practice nurse, registered nurse, or other qualified person trained in venipuncture and acting under the direction of a licensed physician shall withdraw blood for testing purposes to ascertain the presence of alcohol upon the specific request of a law enforcement officer. However, that testing shall not be performed until, in the opinion of the medical personnel on scene, the withdrawal can be made without interfering with or endangering the well-being of the patient.

(c) A person requested to submit to a test as provided above shall be warned by the law enforcement officer requesting the test that a refusal to submit to the test, or submission to the test resulting in an alcohol concentration of more than 0.00, may result in the loss of that person's privilege to operate a motor vehicle and may result in the disqualification of the person's privilege to operate a commercial motor vehicle, as provided in Section 6-514 of this Code, if the person is a CDL holder. The loss of driving privileges shall be imposed in accordance with Section 6-208.2 of this Code.

A person requested to submit to a test shall also acknowledge, in writing, receipt of the warning required under this Section. If the person refuses to acknowledge receipt of the warning, the law enforcement officer shall make a written notation on the warning that the person refused to sign the warning. A person's refusal to sign the warning shall not be evidence that the person was not read the warning.

(d) If the person refuses testing or submits to a test that discloses an alcohol concentration of more than 0.00, the law enforcement officer
shall immediately submit a sworn report to the Secretary of State on a form prescribed by the Secretary of State, certifying that the test or tests were requested under subsection (a) and the person refused to submit to a test or tests or submitted to testing which disclosed an alcohol concentration of more than 0.00. The law enforcement officer shall submit the same sworn report when a person under the age of 21 submits to testing under Section 11-501.1 of this Code and the testing discloses an alcohol concentration of more than 0.00 and less than 0.08.

Upon receipt of the sworn report of a law enforcement officer, the Secretary of State shall enter the suspension and disqualification on the individual's driving record and the suspension and disqualification shall be effective on the 46th day following the date notice of the suspension was given to the person. If this suspension is the individual's first driver's license suspension under this Section, reports received by the Secretary of State under this Section shall, except during the time the suspension is in effect, be privileged information and for use only by the courts, police officers, prosecuting authorities, the Secretary of State, or the individual personally, unless the person is a CDL holder, is operating a commercial motor vehicle or vehicle required to be placarded for hazardous materials, in which case the suspension shall not be privileged. Reports received by the Secretary of State under this Section shall also be made available to the parent or guardian of a person under the age of 18 years that holds an instruction permit or a graduated driver's license, regardless of whether the suspension is in effect.

The law enforcement officer submitting the sworn report shall serve immediate notice of this suspension on the person and the suspension and disqualification shall be effective on the 46th day following the date notice was given.

In cases where the blood alcohol concentration of more than 0.00 is established by a subsequent analysis of blood or urine, the police officer or arresting agency shall give notice as provided in this Section or by deposit in the United States mail of that notice in an envelope with postage prepaid and addressed to that person at his last known address and the loss of driving privileges shall be effective on the 46th day following the date notice was given.

Upon receipt of the sworn report of a law enforcement officer, the Secretary of State shall also give notice of the suspension and disqualification to the driver by mailing a notice of the effective date of the suspension and disqualification to the individual. However, should the

sworn report be defective by not containing sufficient information or be completed in error, the notice of the suspension and disqualification shall not be mailed to the person or entered to the driving record, but rather the sworn report shall be returned to the issuing law enforcement agency.

(e) A driver may contest this suspension and disqualification by requesting an administrative hearing with the Secretary of State in accordance with Section 2-118 of this Code. An individual whose blood alcohol concentration is shown to be more than 0.00 is not subject to this Section if he or she consumed alcohol in the performance of a religious service or ceremony. An individual whose blood alcohol concentration is shown to be more than 0.00 shall not be subject to this Section if the individual's blood alcohol concentration resulted only from ingestion of the prescribed or recommended dosage of medicine that contained alcohol. The petition for that hearing shall not stay or delay the effective date of the impending suspension. The scope of this hearing shall be limited to the issues of:

(1) whether the police officer had probable cause to believe that the person was driving or in actual physical control of a motor vehicle upon the public highways of the State and the police officer had reason to believe that the person was in violation of any provision of the Illinois Vehicle Code or a similar provision of a local ordinance; and

(2) whether the person was issued a Uniform Traffic Ticket for any violation of the Illinois Vehicle Code or a similar provision of a local ordinance; and

(3) whether the police officer had probable cause to believe that the driver had consumed any amount of an alcoholic beverage based upon the driver's physical actions or other first-hand knowledge of the police officer; and

(4) whether the person, after being advised by the officer that the privilege to operate a motor vehicle would be suspended if the person refused to submit to and complete the test or tests, did refuse to submit to or complete the test or tests to determine the person's alcohol concentration; and

(5) whether the person, after being advised by the officer that the privileges to operate a motor vehicle would be suspended if the person submits to a chemical test or tests and the test or tests disclose an alcohol concentration of more than 0.00, did submit to

and complete the test or tests that determined an alcohol concentration of more than 0.00; and

(6) whether the test result of an alcohol concentration of more than 0.00 was based upon the person's consumption of alcohol in the performance of a religious service or ceremony; and

(7) whether the test result of an alcohol concentration of more than 0.00 was based upon the person's consumption of alcohol through ingestion of the prescribed or recommended dosage of medicine.

At the conclusion of the hearing held under Section 2-118 of this Code, the Secretary of State may rescind, continue, or modify the suspension and disqualification. If the Secretary of State does not rescind the suspension and disqualification, a restricted driving permit may be granted by the Secretary of State upon application being made and good cause shown. A restricted driving permit may be granted to relieve undue hardship by allowing driving for employment, educational, and medical purposes as outlined in item (3) of part (c) of Section 6-206 of this Code.

The provisions of item (3) of part (c) of Section 6-206 of this Code and of subsection (f) of that Section shall apply. The Secretary of State shall promulgate rules providing for participation in an alcohol education and awareness program or activity, a drug education and awareness program or activity, or both as a condition to the issuance of a restricted driving permit for suspensions imposed under this Section.

(f) The results of any chemical testing performed in accordance with subsection (a) of this Section are not admissible in any civil or criminal proceeding, except that the results of the testing may be considered at a hearing held under Section 2-118 of this Code. However, the results of the testing may not be used to impose driver's license sanctions under Section 11-501.1 of this Code. A law enforcement officer may, however, pursue a statutory summary suspension or revocation of driving privileges under Section 11-501.1 of this Code if other physical evidence or first hand knowledge forms the basis of that suspension or revocation.

(g) This Section applies only to drivers who are under age 21 at the time of the issuance of a Uniform Traffic Ticket for a violation of the Illinois Vehicle Code or a similar provision of a local ordinance, and a chemical test request is made under this Section.

(h) The action of the Secretary of State in suspending, revoking, cancelling, or disqualifying any license or permit shall be subject to
judicial review in the Circuit Court of Sangamon County or in the Circuit Court of Cook County, and the provisions of the Administrative Review Law and its rules are hereby adopted and shall apply to and govern every action for the judicial review of final acts or decisions of the Secretary of State under this Section.

Sec. 4.5. Duties of qualifying party; replacement; grounds for discipline.

(a) While engaged as or named as a qualifying party for a licensee, no person may be the named qualifying party for any other licensee. However, the person may act in the capacity of the qualifying party for one additional licensee of the same type of licensure if one of the following conditions exists:

This authority shall not be deemed to be a license for purposes of this Act.

(d) Designation of a qualifying party by an applicant under this Section and Section 3 is subject to acceptance by the Department. The Department may refuse to accept a qualifying party (i) for failure to qualify as required under this Act and the rules adopted under this Act or (ii) after making a determination that the designated party has a history of acting illegally, fraudulently, incompetently, or with gross negligence in the roofing or construction business.

If the Department suspends or revokes its acceptance of a qualifying party, the license of the licensee shall be deemed to be suspended until a new qualifying party has been designated by the licensee and accepted by the Department.

If acceptance of a qualifying party is suspended or revoked for action or inaction that constitutes a violation of this Act or the rules adopted under this Act, the Department may in addition take such other disciplinary or non-disciplinary action as it may deem proper, including

(c-5) Every notice of registration must be accompanied by a copy of the registered administrative support order or the registered administrative paternity order and the documents and relevant information accompanying the order pursuant to subsection (a).

(d) (Blank).

(d-5) The registering party shall serve notice of the registration on the other party by first class mail, unless the administrative support order
or the administrative paternity order was entered by default or the registering party is also seeking an affirmative remedy. The registering party shall serve notice on the Department in all cases by first class mail.

1. If the administrative support order or the administrative paternity order was entered by default against the obligor, the obligor must be served with the registration by any method provided by law for service of summons.

2. If a petition or comparable pleading seeking an affirmative remedy is filed with the registration, the non-moving party must be served with the registration and the affirmative pleading by any method provided by law for service of summons.

(e) A notice of registration of an administrative support order or an administrative paternity order must provide the following information:

1. That a registered administrative order is enforceable in the same manner as an order for support or an order for paternity issued by the circuit court.

2. That a hearing to contest enforcement of the registered administrative support order or the registered administrative paternity order must be requested within 30 days after the date of service of the notice.

3. That failure to contest, in a timely manner, the enforcement of the registered administrative support order or the registered administrative paternity order shall result in confirmation of the order and enforcement of the order and the alleged arrearages and precludes further contest of that order with respect to any matter that could have been asserted.

4. The amount of any alleged arrearages.

(f) A nonregistering party seeking to contest enforcement of a registered administrative support order or a registered administrative paternity order shall request a hearing within 30 days after the date of service of notice of the registration. The nonregistering party may seek to vacate the registration, to assert any defense to an allegation of noncompliance with the registered administrative support order or the registered administrative paternity order, or to contest the remedies being sought or the amount of any alleged arrearages.

(g) If the nonregistering party fails to contest the enforcement of the registered administrative support order or the registered administrative paternity order in a timely manner, the order shall be confirmed by operation of law.

(h) If a nonregistering party requests a hearing to contest the enforcement of the registered administrative support order or the registered administrative paternity order, the circuit court shall schedule the matter for hearing and give notice to the parties and the Illinois Department of the date, time, and place of the hearing.

(i) A party contesting the enforcement of a registered administrative support order or a registered administrative paternity order or seeking to vacate the registration has the burden of proving one or more of the following defenses:

1. The Illinois Department lacked personal jurisdiction over the contesting party.
2. The administrative support order or the administrative paternity order was obtained by fraud.
3. The administrative support order or the administrative paternity order has been vacated, suspended, or modified by a later order.
4. The Illinois Department has stayed the administrative support order or the administrative paternity order pending appeal.
5. There is a defense under the law to the remedy sought.
6. Full or partial payment has been made.

(j) If a party presents evidence establishing a full or partial payment defense under subsection (i), the court may stay enforcement of the registered order, continue the proceeding to permit production of additional relevant evidence, and issue other appropriate orders. An uncontested portion of the registered administrative support order or the registered administrative paternity order may be enforced by all remedies available under State law.

(k) If a contesting party does not establish a defense under subsection (i) to the enforcement of the administrative support order or the administrative paternity order, the court shall issue an order confirming the administrative support order or the administrative paternity order. Confirmation of the registered administrative support order or the registered administrative paternity order, whether by operation of law or after notice and hearing, precludes further contest of the order with respect to any matter that could have been asserted at the time of registration. Upon confirmation, the registered administrative support order or the registered administrative paternity order shall be treated in the same manner as a support order or a paternity order entered by the circuit court, including the ability of the court to entertain a petition to modify the

administrative support order due to a substantial change in circumstances 
or a petition to modify the administrative paternity order due to clear and 
convincing evidence regarding paternity, or petitions for visitation or 
custody of the child or children covered by the administrative support 
order or the administrative paternity order. Nothing in this Section shall 
be construed to alter the effect of a final administrative support order or a 
final administrative paternity order, or the restriction of judicial review of 
such a final order to the provisions of the Administrative Review Law, as 
provided in Sections Section 10-11 and 10-17.7 of this Code. 

(l) Notwithstanding the limitations of relief provided for under this 
Section regarding an administrative paternity order and the 
administrative relief available from an administrative paternity order 
under Sections 10-12 through 10-14.1 of this Code, a party may petition 
for relief from a registered final administrative paternity order entered by 
consent of the parties, excluding a voluntary acknowledgement or denial 
of paternity as well as an administrative paternity order entered pursuant 
to genetic testing. The petition shall be filed pursuant to Section 2-1401 of 
the Code of Civil Procedure based upon a showing of due diligence and a 
meritorious defense. The court, after reviewing the evidence regarding this 
specific type of administrative paternity order entered by consent of the 
parties, shall issue an order regarding the petition. Nothing in this Section 
shall be construed to alter the effect of a final administrative paternity 
order, or the restriction of judicial review of such a final order to the 
provisions of the Administrative Review Law, as provided in Section 10-
17.7 of this Code.

The association shall bear the cost of the fidelity insurance and fidelity bond, unless otherwise provided by contract between the association and a management company. The association shall be the

direct obligee of any such fidelity bond. A management company holding reserve funds of an association shall at all times maintain a separate account for each association, provided, however, that for investment purposes, the Board of Managers of an association may authorize a management company to maintain the association's reserve funds in a single interest bearing account with similar funds of other associations. The management company shall at all times maintain records identifying all moneys of each association in such investment account. The management company may hold all operating funds of associations which it manages in a single operating account but shall at all times maintain records identifying all moneys of each association in such operating account. Such operating and reserve funds held by the management company for the association shall not be subject to attachment by any creditor of the management company.

For the purpose of this subsection a management company shall be defined as a person, partnership, corporation, or other legal entity entitled to transact business on behalf of others, acting on behalf of or as an agent for a unit owner, unit owners or association of unit owners for the purpose of carrying out the duties, responsibilities, and other obligations necessary for the day to day operation and management of any property subject to this Act. For purposes of this subsection, the term "fiduciary insurance coverage" shall be defined as both a fidelity bond and directors and officers liability coverage, the fidelity bond in the full amount of association funds and association reserves that will be in the custody of the association, and the directors and officers liability coverage at a level as shall be determined to be reasonable by the board of managers, if not otherwise established by the declaration or by laws.

Until one year after the effective date of this amendatory Act of 1985, if a condominium association has reserves plus assessments in excess of $250,000 and cannot reasonably obtain 100% fidelity bond coverage for such amount, then it must obtain a fidelity bond coverage of $250,000.

(h) Method of estimating the amount of the annual budget, and the manner of assessing and collecting from the unit owners their respective shares of such estimated expenses, and of any other expenses lawfully agreed upon.

(i) That upon 10 days notice to the manager or board of managers and payment of a reasonable fee, any unit owner shall be furnished a
statement of his account setting forth the amount of any unpaid assessments or other charges due and owing from such owner.

(j) Designation and removal of personnel necessary for the maintenance, repair and replacement of the common elements.

(k) Such restrictions on and requirements respecting the use and maintenance of the units and the use of the common elements, not set forth in the declaration, as are designed to prevent unreasonable interference with the use of their respective units and of the common elements by the several unit owners.

(l) Method of adopting and of amending administrative rules and regulations governing the operation and use of the common elements.

(m) The percentage of votes required to modify or amend the bylaws, but each one of the particulars set forth in this section shall always be embodied in the bylaws.

(n) (i) The provisions of this Act, the declaration, bylaws, other condominium instruments, and rules and regulations that relate to the use of the individual unit or the common elements shall be applicable to any person leasing a unit and shall be deemed to be incorporated in any lease executed or renewed on or after the effective date of this amendatory Act of 1984. (ii) With regard to any lease entered into subsequent to the effective date of this amendatory Act of 1989, the unit owner leasing the unit shall deliver a copy of the signed lease to the board or if the lease is oral, a memorandum of the lease, not later than the date of occupancy or 10 days after the lease is signed, whichever occurs first. In addition to any other remedies, by filing an action jointly against the tenant and the unit owner, an association may seek to enjoin a tenant from occupying a unit or seek to evict a tenant under the provisions of Article IX of the Code of Civil Procedure for failure of the lessor-owner to comply with the leasing requirements prescribed by this Section or by the declaration, bylaws, and rules and regulations. The board of managers may proceed directly against a tenant, at law or in equity, or under the provisions of Article IX of the Code of Civil Procedure, for any other breach by tenant of any covenants, rules, regulations or bylaws.

(o) The association shall have no authority to forbear the payment of assessments by any unit owner.

(p) That when 30% or fewer of the units, by number, possess over 50% in the aggregate of the votes in the association, any percentage vote of members specified herein or in the condominium instruments shall require the specified percentage by number of units rather than by

percentage of interest in the common elements allocated to units that would otherwise be applicable and garage units or storage units, or both, shall have, in total, no more votes than their aggregate percentage of ownership in the common elements; this shall mean that if garage units or storage units, or both, are to be given a vote, or portion of a vote, that the association must add the total number of votes cast of garage units, storage units, or both, and divide the total by the number of garage units, storage units, or both, and multiply by the aggregate percentage of ownership of garage units and storage units to determine the vote, or portion of a vote, that garage units or storage units, or both, have. For purposes of this subsection (p), when making a determination of whether 30% or fewer of the units, by number, possess over 50% in the aggregate of the votes in the association, a unit shall not include a garage unit or a storage unit.

(q) That a unit owner may not assign, delegate, transfer, surrender, or avoid the duties, responsibilities, and liabilities of a unit owner under this Act, the condominium instruments, or the rules and regulations of the Association; and that such an attempted assignment, delegation, transfer, surrender, or avoidance shall be deemed void.

The provisions of this Section are applicable to all condominium instruments recorded under this Act. Any portion of a condominium instrument which contains provisions contrary to these provisions shall be void as against public policy and ineffective. Any such instrument which fails to contain the provisions required by this Section shall be deemed to incorporate such provisions by operation of law.

instrument does not conform to this Act or to another applicable statute, the association may correct the omission, error, or inconsistency to conform the condominium instrument to this Act or to another applicable statute by an amendment adopted by vote of two-thirds of the Board of Managers, without a unit owner vote. A provision in a condominium instrument requiring or allowing unit owners, mortgagees, or other lienholders of record to vote to approve an amendment to a condominium instrument, or for the mortgagees or other lienholders of record to be given notice of an amendment to a condominium instrument, is not applicable to an amendment to the extent that the amendment corrects an omission, error, or inconsistency to conform the condominium instrument to this Act or to another applicable statute or error in the declaration; bylaws or other condominium instrument, the association may correct the error or omission by an amendment to the declaration, bylaws, or other condominium instrument in such respects as may be required to conform to this Act, and any other applicable statute or to the declaration by vote of two thirds of the members of the Board of Managers or by a majority vote of the unit owners at a meeting called for this purpose, unless the Act or the condominium instruments specifically provide for greater percentages or different procedures.

(2) If through a scrivener's error, a unit has not been designated as owning an appropriate undivided share of the common elements or does not bear an appropriate share of the common expenses or that all the common expenses or all of the common elements in the condominium have not been distributed in the declaration, so that the sum total of the shares of common elements which have been distributed or the sum total of the shares of the common expenses fail to equal 100%, or if it appears that more than 100% of the common elements or common expenses have been distributed, the error may be corrected by operation of law by filing an amendment to the declaration approved by vote of two-thirds of the members of the Board of Managers or a majority vote of the unit owners at a meeting called for this purpose which proportionately adjusts all percentage interests so that the total is equal to 100% unless the condominium instruments specifically provide for a different procedure or different percentage vote by the owners of the units and the owners of mortgages thereon affected by modification being made in the undivided interest in the common elements, the number of votes in the unit owners association or the liability for common expenses appertaining to the unit.
(3) If an omission or error or a scrivener's error in the declaration, bylaws or other condominium instrument is corrected by vote of two-thirds of the members of the Board of Managers pursuant to the authority established in subsections (b)(1) or (b)(2) of Section 27 of this Act, the Board upon written petition by unit owners with 20 percent of the votes of the association filed within 30 days of the Board action shall call a meeting of the unit owners within 30 days of the filing of the petition to consider the Board action. Unless a majority of the votes of the unit owners of the association are cast at the meeting to reject the action, it is ratified whether or not a quorum is present.

(4) The procedures for amendments set forth in this subsection (b) cannot be used if such an amendment would materially or adversely affect property rights of the unit owners unless the affected unit owners consent in writing. This Section does not restrict the powers of the association to otherwise amend the declaration, bylaws, or other condominium instruments, but authorizes a simple process of amendment requiring a lesser vote for the purpose of correcting defects, errors, or omissions when the property rights of the unit owners are not materially or adversely affected.

(5) If there is an omission or error in the declaration, bylaws, or other condominium instruments, which may not be corrected by an amendment procedure set forth in paragraphs (1) and (2) of subsection (b) of Section 27 in the declaration then the Circuit Court in the County in which the condominium is located shall have jurisdiction to hear a petition of one or more of the unit owners thereon or of the association, to correct the error or omission, and the action may be a class action. The court may require that one or more methods of correcting the error or omission be submitted to the unit owners to determine the most acceptable correction. All unit owners in the association must be joined as parties to the action. Service of process on owners may be by publication, but the plaintiff shall furnish all unit owners not personally served with process with copies of the petition and final judgment of the court by certified mail return receipt requested, at their last known address.

(6) Nothing contained in this Section shall be construed to invalidate any provision of a condominium instrument authorizing the developer to amend a condominium instrument prior to the latest date on which the initial membership meeting of the unit owners must be held, whether or nor it has actually been held, to bring the instrument into compliance with the legal requirements of the Federal National Mortgage

PUBLIC ACT 99-0473
(House Bill No. 3219)

AN ACT concerning regulation.
Be it enacted by the People of the State of Illinois, represented in the General Assembly:

Section 5. The Pharmacy Practice Act is amended by changing Sections 9, 9.5, and 11 and by adding Section 16c as follows:

(225 ILCS 85/9) (from Ch. 111, par. 4129)
(Sec. scheduled to be repealed on January 1, 2018)
Sec. 9. Registration as pharmacy technician. Any person shall be entitled to registration as a registered pharmacy technician who is of the age of 16 or over, has not engaged in conduct or behavior determined to be grounds for discipline under this Act, is attending or has graduated from an accredited high school or comparable school or educational institution or received a high school equivalency certificate, and has filed a written application for registration on a form to be prescribed and furnished by the Department for that purpose. The Department shall issue a certificate of registration as a registered pharmacy technician to any applicant who has qualified as aforesaid, and such registration shall be the sole authority required to assist licensed pharmacists in the practice of pharmacy, under the supervision of a licensed pharmacist. A registered pharmacy technician may, under the supervision of a pharmacist, assist in the practice of pharmacy and perform such functions as assisting in the dispensing process, offering counseling, receiving new verbal prescription orders, and having prescriber contact concerning prescription drug order clarification. A registered pharmacy technician may not engage in patient counseling, drug regimen review, or clinical conflict resolution.

Beginning on January 1, 2017 January 1, 2010, within 2 years after initial registration as a registered pharmacy technician, the registrant must meet the requirements described in Section 9.5 of this Act and register as

a registered certified pharmacy technician. If the registrant has not yet attained the age of 18, then upon the next renewal as a registered pharmacy technician, the registrant must meet the requirements described in Section 9.5 of this Act and register as a registered certified pharmacy technician. A pharmacy technician must become certified by successfully passing the Pharmacy Technician Certification Board (PTCB) examination or another Board-approved pharmacy technician examination and register as a certified pharmacy technician with the Department in order to continue to perform pharmacy technician's duties. This requirement does not apply to pharmacy technicians registered prior to January 1, 2008.

Any person registered as a pharmacy technician who is also enrolled in a first professional degree program in pharmacy in a school or college of pharmacy or a department of pharmacy of a university approved by the Department or has graduated from such a program within the last 18 months, shall be considered a "student pharmacist" and entitled to use the title "student pharmacist". A student pharmacist must meet all of the requirements for registration as a pharmacy technician set forth in this Section excluding the requirement of certification prior to the second registration renewal and pay the required pharmacy technician registration fees. A student pharmacist may, under the supervision of a pharmacist, assist in the practice of pharmacy and perform any and all functions delegated to him or her by the pharmacist.

Any person seeking licensure as a pharmacist who has graduated from a pharmacy program outside the United States must register as a pharmacy technician and shall be considered a "student pharmacist" and be entitled to use the title "student pharmacist" while completing the 1,200 clinical hours of training approved by the Board of Pharmacy described and for no more than 18 months after completion of these hours. These individuals are not required to become registered certified pharmacy technicians while completing their Board approved clinical training, but must become licensed as a pharmacist or become a registered certified pharmacy technician before the second pharmacy technician registration renewal following completion of the Board approved clinical training.

The Department shall not renew the pharmacy technician license of any person who has been registered as a "student pharmacist" and has dropped out of or been expelled from an ACPE accredited college of pharmacy, who has failed to complete his or her 1,200 hours of Board approved clinical training within 24 months or who has failed the pharmacist licensure examination 3 times and shall require these
individuals to meet the requirements of and become registered as a registered certified pharmacy technician.

The Department may take any action set forth in Section 30 of this Act with regard to registrations pursuant to this Section.

Any person who is enrolled in a non-traditional Pharm.D. program at an ACPE accredited college of pharmacy and is a licensed pharmacist under the laws of another United States jurisdiction shall be permitted to engage in the program of practice experience required in the academic program by virtue of such license. Such person shall be exempt from the requirement of registration as a registered pharmacy technician while engaged in the program of practice experience required in the academic program.

An applicant for registration as a pharmacy technician may assist a pharmacist in the practice of pharmacy for a period of up to 60 days prior to the issuance of a certificate of registration if the applicant has submitted the required fee and an application for registration to the Department. The applicant shall keep a copy of the submitted application on the premises where the applicant is assisting in the practice of pharmacy. The Department shall forward confirmation of receipt of the application with start and expiration dates of practice pending registration.

PUBLIC ACT 99-0475
(Senate Bill No. 0224)

AN ACT concerning education.
Be it enacted by the People of the State of Illinois, represented in the General Assembly:

Section 5. The School Code is amended by changing Sections 7-6 and 7-14 as follows:
(105 ILCS 5/7-6) (from Ch. 122, par. 7-6)
Sec. 7-6. Petition filing; Notice; Hearing; Decision.
(a) Upon the filing of a petition with the secretary of the regional board of school trustees under the provisions of Section 7-1 or 7-2 of this Act the secretary shall cause a copy of such petition to be given to each board of any district involved in the proposed boundary change and shall cause a notice thereof to be published once in a newspaper having general circulation within the area of the territory described in the petition for the proposed change of boundaries.
(b) When a joint hearing is required under the provisions of Section 7-2, the secretary also shall cause a copy of the notice to be sent to the regional board of school trustees of each region affected. Notwithstanding the foregoing provisions of this Section, if the secretary of the regional board of school trustees with whom a petition is filed under

New matter indicated by italics - deletions by strikeout
Section 7-2 fails, within 30 days after the filing of such petition, to cause notice thereof to be published and sent as required by this Section, then the secretary of the regional board of school trustees of any other region affected may cause the required notice to be published and sent, and the joint hearing may be held in any region affected as provided in the notice so published.

(b-5) If a petition filed under subsection (a) of Section 7-1 or under Section 7-2 proposes to annex all the territory of a school district to another school district, the petition shall request the submission of a proposition at a regular scheduled election for the purpose of voting for or against the annexation of the territory described in the petition to the school district proposing to annex that territory. No petition filed or election held under this Article shall be null and void, invalidated, or deemed in noncompliance with the Election Code because of a failure to publish a notice with respect to the petition or referendum as required under subsection (g) of Section 28-2 of that Code for petitions that are not filed under this Article or Article 11E of this Code.

(c) When a petition contains more than 10 signatures the petition shall designate a committee of 10 of the petitioners as attorney in fact for all petitioners, any 7 of whom may make binding stipulations on behalf of all petitioners as to any question with respect to the petition or hearing or joint hearing, and the regional board of school trustees, or regional boards of school trustees in cases of a joint hearing may accept such stipulation in lieu of evidence or proof of the matter stipulated. The committee of petitioners shall have the same power to stipulate to accountings or waiver thereof between school districts; however, the regional board of school trustees, or regional boards of school trustees in cases of a joint hearing may refuse to accept such stipulation. Those designated as the committee of 10 shall serve in that capacity until such time as the regional superintendent of schools or the committee of 10 determines that, because of death, resignation, transfer of residency from the territory, or failure to qualify, the office of a particular member of the committee of 10 is vacant. Upon determination that a vacancy exists, the remaining members shall appoint a petitioner to fill the designated vacancy on the committee of 10. The appointment of any new members by the committee of 10 shall be made by a simple majority vote of the remaining designated members.

(d) The petition may be amended to withdraw not to exceed a total of 10% of the territory in the petition at any time prior to the hearing or joint hearing; provided that the petition shall after amendment comply

with the requirements as to the number of signatures required on an original petition.

(e) The petitioners shall pay the expenses of publishing the notice and of any transcript taken at the hearing or joint hearing; and in case of an appeal from the decision of the regional board of school trustees, or regional boards of school trustees in cases of a joint hearing, or State Superintendent of Education in cases determined under subsection (l) of this Section, the appellants shall pay the cost of preparing the record for appeal.

(f) The notice shall state when the petition was filed, the description of the territory, the prayer of the petition and the return day on which the hearing or joint hearing upon the petition will be held which shall not be more than 15 nor less than 10 days after the publication of notice.

(g) On such return day or on a day to which the regional board of school trustees, or regional boards of school trustees in cases of a joint hearing shall continue the hearing or joint hearing the regional board of school trustees, or regional boards of school trustees in cases of a joint hearing shall hear the petition but may adjourn the hearing or joint hearing from time to time or may continue the matter for want of sufficient notice or other good cause.

(h) Prior to the hearing or joint hearing the secretary of the regional board of school trustees shall submit to the regional board of school trustees, or regional boards of school trustees in cases of a joint hearing maps showing the districts involved, a written report of financial and educational conditions of districts involved and the probable effect of the proposed changes. The reports and maps submitted shall be made a part of the record of the proceedings of the regional board of school trustees, or regional boards of school trustees in cases of a joint hearing. A copy of the report and maps submitted shall be sent by the secretary of the regional board of school trustees to each board of the districts involved, not less than 5 days prior to the day upon which the hearing or joint hearing is to be held.

(i) The regional board of school trustees; or regional boards of school trustees in cases of a joint hearing shall hear evidence as to the school needs and conditions of the territory in the area within and adjacent thereto and the effect detachment will have on those needs and conditions and as to the ability of the districts affected to meet the standards of recognition as prescribed by the State Board of Education, and shall take

New matter indicated by italics - deletions by strikeout
into consideration the division of funds and assets which will result from
the change of boundaries and shall determine whether it is to the best
interests of the schools of the area and the direct educational welfare of the
pupils that such change in boundaries be granted, and in case non-high
school territory is contained in the petition the normal high school
attendance pattern of the children shall be taken into consideration. If the
non-high school territory overlies an elementary district, a part of which is
in a high school district, such territory may be annexed to such high school
district even though not contiguous to the high school district. However,
on resolution by the regional board of school trustees, or regional boards
of school trustees in cases of a joint hearing the secretary or secretaries
thereof shall conduct the hearing or joint hearing upon any boundary
petition and present a transcript of such hearing to the trustees who shall
base their decision upon the transcript, maps and information and any
presentation of counsel. In the instance of a change of boundaries through
detachment:

(1) When considering the effect the detachment will have on
the direct educational welfare of the pupils, the regional board of
school trustees or the regional boards of school trustees shall
consider a comparison of the school report cards for the schools of
the affected districts and the school district report cards for the
affected districts only if there is no more than a 3% difference in
the minority, low-income, and English learner student populations
of the relevant schools of the districts.

(2) The community of interest of the petitioners and their
children and the effect detachment will have on the whole child
may be considered only if the regional board of school trustees or
the regional boards of school trustees first determine that there
would be a significant direct educational benefit to the petitioners'
children if the change in boundaries were allowed.

(3) When petitioners cite an annexing district attendance
center or centers in the petition or during testimony, the regional
board of school trustees or the regional boards of school trustees
may consider the difference in the distances from the detaching
area to the current attendance centers and the cited annexing
district attendance centers only if the difference is no less than 10
miles shorter to one of the cited annexing district attendance
centers than it is to the corresponding current attendance center.

New matter indicated by italics - deletions by strikeout
(4) The regional board of school trustees or the regional boards of school trustees may not grant a petition if doing so will increase the percentage of minority or low-income students or English learners by more than 3% at the attendance center where students in the detaching territory currently attend, provided that if the percentage of any one of those groups also decreases at that attendance center, the regional board or boards may grant the petition upon consideration of other factors under this Section and this Article.

(5) The regional board of school trustees or the regional boards of school trustees may not consider whether changing the boundaries will increase the property values of the petitioners' property.

The factors in subdivisions (1) through (5) of this subsection (i) are applicable whether or not there are children residing in the petitioning area at the time the hearing is conducted.

If the regional board of school trustees or the regional boards of school trustees grants a petition to change school district boundaries, then the annexing school district shall determine the attendance center or centers that children from the petitioning area shall attend.

Sec. 7-14. Bonded indebtedness-Tax rate.

(a) Beginning on January 1, 2015, whenever the boundaries of any school district are changed by the attachment or detachment of territory, the territory that is detached shall remain liable for its proportionate share of the bonded indebtedness of the school district from which the territory is detached. within the annexing school district, including the detaching territory, shall be liable for the bonded indebtedness of that district as it exists on the effective date of the change of boundaries and any date thereafter. Except as provided in subsection (b), whenever the boundaries of any school district are changed by the annexation or detachment of territory, each such district as it exists on and after such action shall assume the bonded indebtedness, as well as financial obligations to the Capital Development Board pursuant to Section 35-15 (now repealed) of this Code, of all the territory included therein after such change. The tax rate for bonded indebtedness shall be determined in the manner provided in Section 19-7 of this Act, except the County Clerk shall annually extend taxes against all the taxable property situated in the county and contained in each such district as it exists after the action. Notwithstanding the provisions of this subsection, if the boundaries of a school district are changed by annexation or detachment of territory after June 30, 1987, and prior to September 15, 1987, and if the school district to which territory is being annexed has no outstanding bonded indebtedness on the date such annexation occurs, then the annexing school district shall not be liable for any bonded indebtedness of the district from which the territory is detached, and the school district from which the territory is detached shall remain liable for all of its bonded indebtedness.

If the annexing district or districts do not assume the bonded indebtedness of the dissolved district, a tax rate for the bonded indebtedness shall be determined in the manner provided in Section 19-7, and the county clerk or clerks shall annually extend taxes for each outstanding bond issue against all the taxable property that was situated within the boundaries of the district as the boundaries existed at the time of the issuance of each bond issue regardless of whether the property is still contained in that same district at the time of the extension of the taxes by the county clerk or clerks.

(c) Notwithstanding the provisions of Section 19-18 of this Code, upon resolution of the school board, the county clerk must extend taxes to pay the principal of and interest on any bonds issued exclusively to refund any bonded indebtedness of the annexing school district against all of the taxable property that was situated within the boundaries of the annexing district as the boundaries existed at the time of the issuance of the bonded indebtedness being refunded and not against any of the taxable property in the dissolved school district, provided that (i) the net interest rate on the refunding bonds may not exceed the net interest rate on the refunded bonds, (ii) the final maturity date of the refunding bonds may not extend beyond the final maturity date of the refunded bonds, and (iii) the tax levy to pay the refunding bonds in any levy year may not exceed the tax levy that would have been required to pay the refunded bonds for that levy year. The provisions of this subsection (c) are applicable to school districts that were dissolved and their territory annexed to another school district pursuant to a referendum held in April of 2003. The provisions of this subsection (c), other than this sentence, are inoperative 2 years after the effective date of this amendatory Act of the 95th General Assembly.

Sec. 3-3013. Preliminary investigations; blood and urine analysis; summoning jury; reports. Every coroner, whenever, as soon as he knows or is informed that the dead body of any person is found, or lying within his county, whose death is suspected of being:

(a) A sudden or violent death, whether apparently suicidal, homicidal or accidental, including but not limited to deaths...
apparently caused or contributed to by thermal, traumatic, chemical, electrical or radiational injury, or a complication of any of them, or by drowning or suffocation, or as a result of domestic violence as defined in the Illinois Domestic Violence Act of 1986;

(e) A death where the decedent was not attended by a licensed physician;

shall go to the place where the dead body is, and take charge of the same and shall make a preliminary investigation into the circumstances of the death. In the case of death without attendance by a licensed physician the body may be moved with the coroner's consent from the place of death to a mortuary in the same county. Coroners in their discretion shall notify such physician as is designated in accordance with Section 3-3014 to attempt to ascertain the cause of death, either by autopsy or otherwise.

In cases of accidental death involving a motor vehicle in which the decedent was (1) the operator or a suspected operator of a motor vehicle, or (2) a pedestrian 16 years of age or older, the coroner shall require that a blood specimen of at least 30 cc., and if medically possible a urine specimen of at least 30 cc. or as much as possible up to 30 cc., be withdrawn from the body of the decedent in a timely fashion after the accident causing his death, by such physician as has been designated in accordance with Section 3-3014, or by the coroner or deputy coroner or a qualified person designated by such physician, coroner, or deputy coroner. Each specimen submitted shall be accompanied by pertinent information concerning the decedent upon a form prescribed by such laboratory. Any person drawing blood and urine and any person making any examination of the blood and urine under the

In all other cases coming within the jurisdiction of the coroner and referred to in subparagraphs (a) through (e) above, blood, and whenever possible, urine samples shall be analyzed for the presence of alcohol and other drugs. When the coroner suspects that drugs may have been involved in the death, either directly or indirectly, a toxicological examination shall be performed which may include analyses of blood, urine, bile, gastric contents and other tissues. When the coroner suspects a death is due to toxic substances, other than drugs, the coroner shall consult with the toxicologist prior to collection of samples. Information submitted to the toxicologist shall include information as to height, weight, age, sex and race of the decedent as well as medical history, medications used by and the manner of death of decedent.

When the coroner or medical examiner finds that the cause of death is due to homicidal means, the coroner or medical examiner shall cause blood and buccal specimens (tissue may be submitted if no uncontaminated blood or buccal specimen can be obtained), whenever possible, to be withdrawn from the body of the decedent in a timely fashion. Within 45 days after the collection of the specimens, the coroner or medical examiner shall deliver those specimens, dried, to the Illinois Department of State Police, Division of Forensic Services, for analysis and categorizing into genetic marker groupings to be maintained by the Illinois Department of State Police in the State central repository in the same manner, and subject to the same conditions, as provided in Section 5-4-3 of the Unified Code of Corrections. The requirements of this paragraph are in addition to any other findings, specimens, or information that the coroner or medical examiner is required to provide during the conduct of a criminal investigation.

In all counties, in cases of apparent suicide, homicide, or accidental death or in other cases, within the discretion of the coroner, the coroner may summon 8 persons of lawful age from those persons drawn for petit jurors in the county. The summons shall command these persons to present themselves personally at such a place and time as the coroner shall determine, and may be in any form which the coroner shall determine and may incorporate any reasonable form of request for acknowledgement which the coroner deems practical and provides a reliable proof of service. The summons may be served by first class mail. From the 8 persons so summoned, the coroner shall select 6 to serve as the jury for the inquest.

New matter indicated by italics - deletions by strikeout
Inquests may be continued from time to time, as the coroner may deem necessary. The 6 jurors selected in a given case may view the body of the deceased. If at any continuation of an inquest one or more of the original jurors shall be unable to continue to serve, the coroner shall fill the vacancy or vacancies. A juror serving pursuant to this paragraph shall receive compensation from the county at the same rate as the rate of compensation that is paid to petit or grand jurors in the county. The coroner shall furnish to each juror without fee at the time of his discharge a certificate of the number of days in attendance at an inquest, and, upon being presented with such certificate, the county treasurer shall pay to the juror the sum provided for his services.

In every case in which a drug overdose is determined to be the cause or a contributing factor in the death, the coroner or medical examiner shall report the death to the Department of Public Health. The Department of Public Health shall adopt rules regarding specific information that must be reported in the event of such a death. If possible, the coroner shall report the cause of the overdose. As used in this Section, "overdose" has the same meaning as it does in Section 414 of the Illinois Controlled Substances Act. The Department of Public Health shall issue a semiannual report to the General Assembly summarizing the reports.

In addition, in every case in which domestic violence is determined to be a contributing factor in a death, the coroner shall report the death to the Department of State Police.

All deaths in State institutions and all deaths of wards of the State in private care facilities or in programs funded by the Department of Human Services under its powers relating to mental health and developmental disabilities or alcoholism and substance abuse or funded by the Department of Children and Family Services shall be reported to the coroner of the county in which the facility is located. If the coroner has reason to believe that an investigation is needed to determine whether the death was caused by maltreatment or negligent care of the ward of the State, the coroner may conduct a preliminary investigation of the circumstances of such death as in cases of death under circumstances set forth in paragraphs (a) through (e) of this Section.

(3) Insofar as this Section applies solely to licensed clinical social workers, licensed clinical professional counselors, licensed marriage and family therapists, licensed speech-language pathologists, and other licensed or certified professionals at programs licensed pursuant to the Illinois Alcoholism and Other Drug Abuse and Dependency Act, those persons who may provide services to individuals shall do so after the licensed clinical social worker, licensed clinical professional counselor, licensed marriage and family therapist, licensed speech-language pathologist, or other licensed or certified professional at a program licensed pursuant to the Illinois Alcoholism and Other Drug Abuse and Dependency Act has informed the patient of the desirability of the patient conferring with the patient's primary care physician and the licensed clinical social worker, licensed clinical professional counselor, licensed marriage and family therapist, licensed speech-language pathologist, or other licensed or certified professional at a program licensed pursuant to the Illinois Alcoholism and Other Drug Abuse and Dependency Act has provided written notification to the patient's primary care physician, if any, that services are being provided to the patient. An insurer shall provide a mechanism for the timely review by a provider holding the same license and practicing in the same specialty as the patient's provider, who is unaffiliated with the insurer, jointly selected by the patient (or the patient's next of kin or legal representative if the patient is unable to act for himself or herself), the patient's provider, and
the insurer in the event of a dispute between the insurer and patient's provider regarding the medical necessity of a treatment proposed by a patient's provider. If the reviewing provider determines the treatment to be medically necessary, the insurer shall provide reimbursement for the treatment. Future contractual or employment actions by the insurer regarding the patient's provider may not be based on the provider's participation in this procedure. Nothing prevents the insured from agreeing in writing to continue treatment at his or her expense. When making a determination of the medical necessity for a treatment modality for serious mental illness or substance use disorder, an insurer must make the determination in a manner that is consistent with the manner used to make that determination with respect to other diseases or illnesses covered under the policy, including an appeals process. Medical necessity determinations for substance use disorders shall be made in accordance with appropriate patient placement criteria established by the American Society of Addiction Medicine. No additional criteria may be used to make medical necessity determinations for substance use disorders.

(B) may not include a lifetime limit on the number of days of inpatient treatment or the number of outpatient visits covered under the plan.

(C) (Blank).

(5) An issuer of a group health benefit plan may not count toward the number of outpatient visits required to be covered under this Section an outpatient visit for the purpose of medication management and shall cover the outpatient visits under the same terms and conditions as it covers outpatient visits for the treatment of physical illness.

(5.5) An individual or group health benefit plan amended, delivered, issued, or renewed on or after the effective date of this amendatory Act of the 99th General Assembly shall offer coverage for medically necessary acute treatment services and medically necessary clinical stabilization services. The treating provider shall base all treatment recommendations and the health benefit plan shall base all medical necessity determinations for substance use disorders in accordance with the most current edition of the American Society of Addiction Medicine Patient Placement Criteria.

(6) An issuer of a group health benefit plan may provide or offer coverage required under this Section through a managed care plan.

(7) (Blank).

(8) (Blank).

(9) With respect to substance use disorders, coverage for inpatient treatment shall include coverage for treatment in a residential treatment center licensed by the Department of Public Health or the Department of Human Services, Division of Alcoholism and Substance Abuse.

(c) This Section shall not be interpreted to require coverage for speech therapy or other habilitative services for those individuals covered under Section 356z.15 of this Code.

(d) The Department shall enforce the requirements of State and federal parity law, which includes ensuring compliance by individual and
group policies; detecting violations of the law by individual and group policies proactively monitoring discriminatory practices; accepting, evaluating, and responding to complaints regarding such violations; and ensuring violations are appropriately remedied and deterred.

(e) Availability of plan information.

(1) The criteria for medical necessity determinations made under a group health plan with respect to mental health or substance use disorder benefits (or health insurance coverage offered in connection with the plan with respect to such benefits) must be made available by the plan administrator (or the health insurance issuer offering such coverage) to any current or potential participant, beneficiary, or contracting provider upon request.

(2) The reason for any denial under a group health plan (or health insurance coverage offered in connection with such plan) of reimbursement or payment for services with respect to mental health or substance use disorder benefits in the case of any participant or beneficiary must be made available within a reasonable time and in a reasonable manner by the plan administrator (or the health insurance issuer offering such coverage) to the participant or beneficiary upon request.

(A) if the policy does not include an annual limit on substantially all hospital and medical benefits, then the policy may not impose any annual limits on mental, emotional, nervous, or substance use disorder or condition benefits; or

(B) if the policy includes an annual limit on substantially all hospital and medical benefits (in this subsection referred to as the "applicable annual limit"), then the policy shall either:

(i) apply the applicable annual limit both to the hospital and medical benefits to which it otherwise would apply and to mental, emotional,
nervous, or substance use disorder or condition benefits and not distinguish in the application of the limit between the hospital and medical benefits and mental, emotional, nervous, or substance use disorder or condition benefits; or

(ii) not include any annual limit on mental, emotional, nervous, or substance use disorder or condition benefits that is less than the applicable annual limit.

(2) In the case of a policy that is not described in paragraph (1) of subsection (c) of this Section and that includes no or different annual limits on different categories of hospital and medical benefits, the Director shall establish rules under which subparagraph (B) of paragraph (1) of subsection (c) of this Section is applied to such policy with respect to mental, emotional, nervous, or substance use disorder or condition benefits by substituting for the applicable annual limit an average annual limit that is computed taking into account the weighted average of the annual limits applicable to such categories.

(d) With respect to substance use disorders, an insurer shall use policies and procedures for the election and placement of substance abuse treatment drugs on their formulary that are no less favorable to the insured as those policies and procedures the insurer uses for the selection and placement of other drugs and shall follow the expedited coverage determination requirements for substance abuse treatment drugs set forth in Section 45.2 of the Managed Care Reform and Patient Rights Act.

(e) This Section shall be interpreted in a manner consistent with all applicable federal parity regulations including, but not limited to, the Mental Health Parity and Addiction Equity Act of 2008 at 78 FR 68240, the interim final regulations promulgated by the U.S. Department of Health and Human Services at 75 FR 5410, including the prohibition against applying a cumulative financial requirement or cumulative quantitative treatment limitation for mental, emotional, nervous, or substance use disorder benefits that accumulates separately from any cumulative financial requirement or cumulative quantitative treatment limitation established for hospital and medical benefits in the same classification.

(f) The provisions of subsections (b) and (c) of this Section shall not be interpreted to allow the use of lifetime or annual limits otherwise prohibited by State or federal law.

(f) This Section shall not apply to individual health insurance coverage as defined in Section 5 of the Illinois Health Insurance Portability and Accountability Act.

(g) "Financial requirement" includes deductibles, copayments, coinsurance, and out-of-pocket maximums, but does not include an aggregate lifetime limit or an annual limit subject to subsections (b) and (c).

"Treatment limitation" includes limits on benefits based on the frequency of treatment, number of visits, days of coverage, days in a waiting period, or other similar limits on the scope or duration of treatment. "Treatment limitation" includes both quantitative treatment limitations, which are expressed numerically (such as 50 outpatient visits per year), and nonquantitative treatment limitations, which otherwise limit the scope or duration of treatment. A permanent exclusion of all benefits for a particular condition or disorder shall not be considered a treatment limitation. "Nonquantitative treatment" means those limitations as described under federal regulations (26 CFR 54.9812-1).

(h) The Department of Insurance shall implement the following education initiatives:

(1) By January 1, 2016, the Department shall develop a plan for a Consumer Education Campaign on parity. The Consumer Education Campaign shall focus its efforts throughout the State and include trainings in the northern, southern, and central regions of the State, as defined by the Department, as well as each of the 5 managed care regions of the State as identified by the Department of Healthcare and Family Services. Under this Consumer Education Campaign, the Department shall: (1) by January 1, 2017, provide at least one live training in each region on parity for consumers and providers and one webinar training to be posted on the Department website and (2) establish a consumer hotline to assist consumers in navigating the parity process by March 1, 2016. By January 1, 2018 the Department shall issue a report to the General Assembly on the success of the Consumer Education Campaign, which shall indicate whether additional training is necessary or would be recommended.

The working group shall meet once before January 1, 2016 and shall meet semiannually thereafter. The Department shall issue an annual report to the General Assembly that includes a list of the health care insurance carriers, mental health advocacy groups, substance abuse patient advocacy groups, and mental health physician groups that participated in the working group meetings, details on the issues and topics covered, and any legislative recommendations.

(215 ILCS 180/20)

Sec. 20. Notice of right to external review.

(a) At the same time the health carrier sends written notice of a covered person's right to appeal a coverage decision upon an adverse determination or a final adverse determination, a health carrier shall notify a covered person, the covered person's authorized representative, if any, and a covered person's health care provider in writing of the covered person's right to request an external review as provided by this Act. The written notice required shall include the following, or substantially equivalent, language: "We have denied your request for the provision of or payment for a health care service or course of treatment. You have the right to have our decision reviewed by an independent review organization not associated with us by submitting a written request for an external review to the Department of Insurance, Office of Consumer Health Information, 320 West Washington Street, 4th Floor, Springfield, Illinois,

New matter indicated by italics - deletions by strikeout
The written notice shall include a copy of the Department's Request for External Review form.

(a-5) The Department may prescribe the form and content of the notice required under this Section.

(b) In addition to the notice required in subsection (a), for a notice related to an adverse determination, the health carrier shall include a statement informing the covered person of all of the following:

1. If the covered person has a medical condition where the timeframe for completion of (A) an expedited internal review of an appeal involving an adverse determination, (B) a final adverse determination, or (C) a standard external review as established in this Act, would seriously jeopardize the life or health of the covered person or would jeopardize the covered person's ability to regain maximum function, then the covered person or the covered person's authorized representative may file a request for an expedited external review.

2. The covered person or the covered person's authorized representative may file an appeal under the health carrier's internal appeal process, but if the health carrier has not issued a written decision to the covered person or the covered person's authorized representative 30 days following the date the covered person or the covered person's authorized representative files an appeal of an adverse determination that involves a concurrent or prospective review request or 60 days following the date the covered person or the covered person's authorized representative files an appeal of an adverse determination that involves a retrospective review request with the health carrier and the covered person or the covered person's authorized representative has not requested or agreed to a delay, then the covered person or the covered person's authorized representative may file a request for external review and shall be considered to have exhausted the health carrier's internal appeal process for purposes of this Act.

3. If the covered person or the covered person's authorized representative filed a request for an expedited internal review of an adverse determination and has not received a decision on such request from the health carrier within 48 hours, except to the extent the covered person or the covered person's authorized representative requested or agreed to a delay, then the covered person or the covered person's authorized representative may file a

request for external review and shall be considered to have exhausted the health carrier's internal appeal process for the purposes of this Act.

(4) If an adverse determination concerns a denial of coverage based on a determination that the recommended or requested health care service or treatment is experimental or investigational and the covered person's health care provider certifies in writing that the recommended or requested health care service or treatment that is the subject of the request would be significantly less effective if not promptly initiated, then the covered person or the covered person's authorized representative may request an expedited external review at the same time the covered person or the covered person's authorized representative files a request for an expedited internal appeal involving an adverse determination. The independent review organization assigned to conduct the expedited external review shall determine whether the covered person is required to complete the expedited review of the appeal prior to conducting the expedited external review.

(c) In addition to the notice required in subsection (a), for a notice related to a final adverse determination, the health carrier shall include a statement informing the covered person of all of the following:

(1) if the covered person has a medical condition where the timeframe for completion of a standard external review would seriously jeopardize the life or health of the covered person or would jeopardize the covered person's ability to regain maximum function, then the covered person or the covered person's authorized representative may file a request for an expedited external review; or

(2) if a final adverse determination concerns an admission, availability of care, continued stay, or health care service for which the covered person received emergency services, but has not been discharged from a facility, then the covered person, or the covered person's authorized representative, may request an expedited external review; or

(3) if a final adverse determination concerns a denial of coverage based on a determination that the recommended or requested health care service or treatment is experimental or investigational, and the covered person's health care provider certifies in writing that the recommended or requested health care

service or treatment that is the subject of the request would be significantly less effective if not promptly initiated, then the covered person or the covered person's authorized representative may request an expedited external review.

(d) In addition to the information to be provided pursuant to subsections (a), (b), and (c) of this Section, the health carrier shall include a copy of the description of both the required standard and expedited external review procedures. The description shall highlight the external review procedures that give the covered person or the covered person's authorized representative the opportunity to submit additional information, including any forms used to process an external review.

(e) As part of any forms provided under subsection (d) of this Section, the health carrier shall include an authorization form, or other document approved by the Director, by which the covered person, for purposes of conducting an external review under this Act, authorizes the health carrier and the covered person's treating health care provider to disclose protected health information, including medical records, concerning the covered person that is pertinent to the external review, as provided in the Illinois Insurance Code.

Sec. 35. Standard external review.

(a) Within 4 months after the date of receipt of a notice of an adverse determination or final adverse determination, a covered person or the covered person's authorized representative may file a request for an external review with the Director. Within one business day after the date of receipt of a request for external review, the Director shall send a copy of the request to the health carrier.

(b) Within 5 business days following the date of receipt of the external review request, the health carrier shall complete a preliminary review of the request to determine whether:

New matter indicated by italics - deletions by strikeout
(3) the covered person has exhausted the health carrier's internal appeal process unless the covered person is not required to exhaust the health carrier's internal appeal process pursuant to this Act;

(4) (blank); and

(5) the covered person has provided all the information and forms required to process an external review, as specified in this Act.

(c) Within one business day after completion of the preliminary review, the health carrier shall notify the Director and covered person and, if applicable, the covered person's authorized representative in writing whether the request is complete and eligible for external review. If the request:

(1) is not complete, the health carrier shall inform the Director and covered person and, if applicable, the covered person's authorized representative in writing and include in the notice what information or materials are required by this Act to make the request complete; or

(2) is not eligible for external review, the health carrier shall inform the Director and covered person and, if applicable, the covered person's authorized representative in writing and include in the notice the reasons for its ineligibility.

The Department may specify the form for the health carrier's notice of initial determination under this subsection (c) and any supporting information to be included in the notice.

The notice of initial determination of ineligibility shall include a statement informing the covered person and, if applicable, the covered person's authorized representative that a health carrier's initial determination that the external review request is ineligible for review may be appealed to the Director by filing a complaint with the Director.

Notwithstanding a health carrier's initial determination that the request is ineligible for external review, the Director may determine that a request is eligible for external review and require that it be referred for external review. In making such determination, the Director's decision shall be in accordance with the terms of the covered person's health benefit plan, unless such terms are inconsistent with applicable law, and shall be subject to all applicable provisions of this Act.

(d) Whenever the Director receives notice that a request is eligible for external review following the preliminary review conducted pursuant
to this Section, within one business day after the date of receipt of the notice, the Director shall:

(1) assign an independent review organization from the list of approved independent review organizations compiled and maintained by the Director pursuant to this Act and notify the health carrier of the name of the assigned independent review organization; and

(2) notify in writing the covered person and, if applicable, the covered person's authorized representative of the request's eligibility and acceptance for external review and the name of the independent review organization.

The Director shall include in the notice provided to the covered person and, if applicable, the covered person's authorized representative a statement that the covered person or the covered person's authorized representative may, within 5 business days following the date of receipt of the notice provided pursuant to item (2) of this subsection (d), submit in writing to the assigned independent review organization additional information that the independent review organization shall consider when conducting the external review. The independent review organization is not required to, but may, accept and consider additional information submitted after 5 business days.

(e) The assignment by the Director of an approved independent review organization to conduct an external review in accordance with this Section shall be done on a random basis among those independent review organizations approved by the Director pursuant to this Act.

(f) Within 5 business days after the date of receipt of the notice provided pursuant to item (1) of subsection (d) of this Section, the health carrier or its designee utilization review organization shall provide to the assigned independent review organization the documents and any information considered in making the adverse determination or final adverse determination; in such cases, the following provisions shall apply:

(1) Except as provided in item (2) of this subsection (f), failure by the health carrier or its utilization review organization to provide the documents and information within the specified time frame shall not delay the conduct of the external review.

(2) If the health carrier or its utilization review organization fails to provide the documents and information within the specified time frame, the assigned independent review organization may

(3) Within one business day after making the decision to terminate the external review and make a decision to reverse the adverse determination or final adverse determination under item (2) of this subsection (f), the independent review organization shall notify the Director, the health carrier, the covered person and, if applicable, the covered person's authorized representative, of its decision to reverse the adverse determination. (g) Upon receipt of the information from the health carrier or its utilization review organization, the assigned independent review organization shall review all of the information and documents and any other information submitted in writing to the independent review organization by the covered person and the covered person's authorized representative.

(h) Upon receipt of any information submitted by the covered person or the covered person's authorized representative, the independent review organization shall forward the information to the health carrier within 1 business day.

(1) Upon receipt of the information, if any, the health carrier may reconsider its adverse determination or final adverse determination that is the subject of the external review.

(2) Reconsideration by the health carrier of its adverse determination or final adverse determination shall not delay or terminate the external review.

(3) The external review may only be terminated if the health carrier decides, upon completion of its reconsideration, to reverse its adverse determination or final adverse determination and provide coverage or payment for the health care service that is the subject of the adverse determination or final adverse determination. In such cases, the following provisions shall apply:

(A) Within one business day after making the decision to reverse its adverse determination or final adverse determination, the health carrier shall notify the Director, the covered person and, if applicable, the covered person's authorized representative, and the assigned independent review organization in writing of its decision.

(B) Upon notice from the health carrier that the health carrier has made a decision to reverse its adverse determination or final adverse determination, the assigned independent review organization shall terminate the external review.

(i) In addition to the documents and information provided by the health carrier or its utilization review organization and the covered person and the covered person's authorized representative, if any, the independent review organization, to the extent the information or documents are available and the independent review organization considers them appropriate, shall consider the following in reaching a decision:

abortions, or induced miscarriages or premature births, unless, in the opinion of a physician, such procedures are necessary for the preservation of the life of the woman seeking such treatment, or except an induced premature birth intended to produce a live viable child and such procedure is necessary for the health of the mother or her unborn child. The Illinois Department, by rule, shall prohibit any physician from providing medical assistance to anyone eligible therefor under this Code where such physician has been found guilty of performing an abortion procedure in a wilful and wanton manner upon a woman who was not pregnant at the time such abortion procedure was performed. The term "any other type of remedial care" shall include nursing care and nursing home service for persons who rely on treatment by spiritual means alone through prayer for healing.

Notwithstanding any other provision of this Section, a comprehensive tobacco use cessation program that includes purchasing prescription drugs or prescription medical devices approved by the Food and Drug Administration shall be covered under the medical assistance program under this Article for persons who are otherwise eligible for assistance under this Article.

Notwithstanding any other provision of this Code, the Illinois Department may not require, as a condition of payment for any laboratory test authorized under this Article, that a physician’s handwritten signature appear on the laboratory test order form. The Illinois Department may, however, impose other appropriate requirements regarding laboratory test order documentation.

Upon receipt of federal approval of an amendment to the Illinois Title XIX State Plan for this purpose, the Department shall authorize the Chicago Public Schools (CPS) to procure a vendor or vendors to manufacture eyeglasses for individuals enrolled in a school within the CPS system. CPS shall ensure that its vendor or vendors are enrolled as providers in the medical assistance program and in any capitated Medicaid managed care entity (MCE) serving individuals enrolled in a school within the CPS system. Under any contract procured under this provision, the vendor or vendors must serve only individuals enrolled in a school within the CPS system. Claims for services provided by CPS's vendor or vendors to recipients of benefits in the medical assistance program under this Code, the Children's Health Insurance Program, or the Covering ALL KIDS Health Insurance Program shall be submitted to the Department or the MCE in which the individual is enrolled for payment and shall be

On and after July 1, 2012, the Department of Healthcare and Family Services may provide the following services to persons eligible for assistance under this Article who are participating in education, training or employment programs operated by the Department of Human Services as successor to the Department of Public Aid:

(1) dental services provided by or under the supervision of a dentist; and

(2) eyeglasses prescribed by a physician skilled in the diseases of the eye, or by an optometrist, whichever the person may select.

Notwithstanding any other provision of this Code and subject to federal approval, the Department may adopt rules to allow a dentist who is volunteering his or her service at no cost to render dental services through an enrolled not-for-profit health clinic without the dentist personally enrolling as a participating provider in the medical assistance program. A not-for-profit health clinic shall include a public health clinic or Federally Qualified Health Center or other enrolled provider, as determined by the Department, through which dental services covered under this Section are performed. The Department shall establish a process for payment of claims for reimbursement for covered dental services rendered under this provision.

The Illinois Department, by rule, may distinguish and classify the medical services to be provided only in accordance with the classes of persons designated in Section 5-2.

The Department of Healthcare and Family Services must provide coverage and reimbursement for amino acid-based elemental formulas, regardless of delivery method, for the diagnosis and treatment of (i) eosinophilic disorders and (ii) short bowel syndrome when the prescribing physician has issued a written order stating that the amino acid-based elemental formula is medically necessary.

The Illinois Department shall authorize the provision of, and shall authorize payment for, screening by low-dose mammography for the presence of occult breast cancer for women 35 years of age or older who are eligible for medical assistance under this Article, as follows:

(A) A baseline mammogram for women 35 to 39 years of age.

New matter indicated by italics - deletions by strikeout
(B) An annual mammogram for women 40 years of age or older.

(C) A mammogram at the age and intervals considered medically necessary by the woman's health care provider for women under 40 years of age and having a family history of breast cancer, prior personal history of breast cancer, positive genetic testing, or other risk factors.

(D) A comprehensive ultrasound screening of an entire breast or breasts if a mammogram demonstrates heterogeneous or dense breast tissue, when medically necessary as determined by a physician licensed to practice medicine in all of its branches.

All screenings shall include a physical breast exam, instruction on self-examination and information regarding the frequency of self-examination and its value as a preventative tool. For purposes of this Section, "low-dose mammography" means the x-ray examination of the breast using equipment dedicated specifically for mammography, including the x-ray tube, filter, compression device, and image receptor, with an average radiation exposure delivery of less than one rad per breast for 2 views of an average size breast. The term also includes digital mammography.

On and after January 1, 2012, providers participating in a quality improvement program approved by the Department shall be reimbursed for screening and diagnostic mammography at the same rate as the Medicare program's rates, including the increased reimbursement for digital mammography.

The Department shall convene an expert panel including representatives of hospitals, free-standing mammography facilities, and doctors, including radiologists, to establish quality standards.

Subject to federal approval, the Department shall establish a rate methodology for mammography at federally qualified health centers and other encounter-rate clinics. These clinics or centers may also collaborate with other hospital-based mammography facilities.

The Department shall establish a methodology to remind women who are age-appropriate for screening mammography, but who have not received a mammogram within the previous 18 months, of the importance and benefit of screening mammography.

The Department shall establish a performance goal for primary care providers with respect to their female patients over age 40 receiving an annual mammogram. This performance goal shall be used to provide
additional reimbursement in the form of a quality performance bonus to primary care providers who meet that goal.

The Department shall devise a means of case-managing or patient navigation for beneficiaries diagnosed with breast cancer. This program shall initially operate as a pilot program in areas of the State with the highest incidence of mortality related to breast cancer. At least one pilot program site shall be in the metropolitan Chicago area and at least one site shall be outside the metropolitan Chicago area. An evaluation of the pilot program shall be carried out measuring health outcomes and cost of care for those served by the pilot program compared to similarly situated patients who are not served by the pilot program.

Any medical or health care provider shall immediately recommend, to any pregnant woman who is being provided prenatal services and is suspected of drug abuse or is addicted as defined in the Alcoholism and Other Drug Abuse and Dependency Act, referral to a local substance abuse treatment provider licensed by the Department of Human Services or to a licensed hospital which provides substance abuse treatment services. The Department of Healthcare and Family Services shall assure coverage for the cost of treatment of the drug abuse or addiction for pregnant recipients in accordance with the Illinois Medicaid Program in conjunction with the Department of Human Services.

All medical providers providing medical assistance to pregnant women under this Code shall receive information from the Department on the availability of services under the Drug Free Families with a Future or any comparable program providing case management services for addicted women, including information on appropriate referrals for other social services that may be needed by addicted women in addition to treatment for addiction.

The Illinois Department, in cooperation with the Departments of Human Services (as successor to the Department of Alcoholism and Substance Abuse) and Public Health, through a public awareness campaign, may provide information concerning treatment for alcoholism and drug abuse and addiction, prenatal health care, and other pertinent programs directed at reducing the number of drug-affected infants born to recipients of medical assistance. Neither the Department of Healthcare and Family Services nor the Department of Human Services shall sanction the recipient solely on the basis of her substance abuse.

The Illinois Department shall establish such regulations governing the dispensing of health services under this Article as it shall deem appropriate. The Department should seek the advice of formal professional advisory committees appointed by the Director of the Illinois Department for the purpose of providing regular advice on policy and administrative matters, information dissemination and educational activities for medical and health care providers, and consistency in procedures to the Illinois Department.

The Illinois Department may develop and contract with Partnerships of medical providers to arrange medical services for persons eligible under Section 5-2 of this Code. Implementation of this Section may be by demonstration projects in certain geographic areas. The Partnership shall be represented by a sponsor organization. The Department, by rule, shall develop qualifications for sponsors of Partnerships. Nothing in this Section shall be construed to require that the sponsor organization be a medical organization.

The sponsor must negotiate formal written contracts with medical providers for physician services, inpatient and outpatient hospital care, home health services, treatment for alcoholism and substance abuse, and other services determined necessary by the Illinois Department by rule for delivery by Partnerships. Physician services must include prenatal and obstetrical care. The Illinois Department shall reimburse medical services delivered by Partnership providers to clients in target areas according to provisions of this Article and the Illinois Health Finance Reform Act, except that:

(1) Physicians participating in a Partnership and providing certain services, which shall be determined by the Illinois Department, to persons in areas covered by the Partnership may receive an additional surcharge for such services.

(2) The Department may elect to consider and negotiate financial incentives to encourage the development of Partnerships and the efficient delivery of medical care.

(3) Persons receiving medical services through Partnerships may receive medical and case management services above the level usually offered through the medical assistance program.

Medical providers shall be required to meet certain qualifications to participate in Partnerships to ensure the delivery of high quality medical services. These qualifications shall be determined by rule of the Illinois Department and may be higher than qualifications for participation in the
medical assistance program. Partnership sponsors may prescribe reasonable additional qualifications for participation by medical providers, only with the prior written approval of the Illinois Department.

Nothing in this Section shall limit the free choice of practitioners, hospitals, and other providers of medical services by clients. In order to ensure patient freedom of choice, the Illinois Department shall immediately promulgate all rules and take all other necessary actions so that provided services may be accessed from therapeutically certified optometrists to the full extent of the Illinois Optometric Practice Act of 1987 without discriminating between service providers.

The Department shall apply for a waiver from the United States Health Care Financing Administration to allow for the implementation of Partnerships under this Section.

The Illinois Department shall require health care providers to maintain records that document the medical care and services provided to recipients of Medical Assistance under this Article. (415 ILCS 5/22.55)
Sec. 22.55. Household Waste Drop-off Points.
(a) Findings; Purpose and Intent.
(1) The General Assembly finds that protection of human health and the environment can be enhanced if certain commonly generated household wastes are managed separately from the general household waste stream.

(2) The purpose of this Section is to provide, to the extent allowed under federal law, a method for managing certain types of household waste separately from the general household waste stream.

(b) Definitions. For the purposes of this Section:
"Controlled substance" means a controlled substance as defined in the Illinois Controlled Substances Act.
"Household waste" means waste generated from a single residence or multiple residences.
"Household waste drop-off point" means the portion of a site or facility used solely for the receipt and temporary storage of household waste.
"One-day household waste collection event" means a household waste drop-off point approved by the Agency under subsection (d) of this Section.
"Personal care product" means an item other than a pharmaceutical product that is consumed or applied by an individual for personal health, hygiene, or cosmetic reasons.

Personal care products include, but are not limited to, items used in bathing, dressing, or grooming.

"Pharmaceutical product" means medicine or a product containing medicine. A pharmaceutical product may be sold by prescription or over the counter. "Pharmaceutical product" does not include (i) medicine that contains a radioactive component or a product that contains a radioactive component or (ii) a controlled substance.

(c) Except as otherwise provided in Agency rules, the following requirements apply to each household waste drop-off point other than a one-day household waste collection event:

(1) A household waste drop-off point must not accept waste other than the following types of household waste: pharmaceutical products, personal care products, batteries other than lead-acid batteries, paints, automotive fluids, compact fluorescent lightbulbs, mercury thermometers, and mercury thermostats. A household waste drop-off point may accept controlled substances in accordance with federal law.

(2) Except as provided in subdivision (c)(2) of this Section, household waste drop-off points must be located at a site or facility where the types of products accepted at the household waste drop-off point are lawfully sold, distributed, or dispensed. For example, household waste drop-off points that accept prescription pharmaceutical products must be located at a site or facility where prescription pharmaceutical products are sold, distributed, or dispensed.

(A) Subdivision (c)(2) of this Section does not apply to household waste drop-off points operated by a government or school entity, or by an association or other organization of government or school entities.

(B) Household waste drop-off points that accept mercury thermometers can be located at any site or facility where non-mercury thermometers are sold, distributed, or dispensed.

(C) Household waste drop-off points that accept mercury thermostats can be located at any site or facility where non-mercury thermostats are sold, distributed, or dispensed.

New matter indicated by italics - deletions by strikeout
(3) The location of acceptance for each type of waste accepted at the household waste drop-off point must be clearly identified. Locations where pharmaceutical products are accepted must also include a copy of the sign required under subsection (j) of this Section.

(4) Household waste must be accepted only from private individuals. Waste must not be accepted from other persons, including, but not limited to, owners and operators of rented or leased residences where the household waste was generated, commercial haulers, and other commercial, industrial, agricultural, and government operations or entities.

(5) If more than one type of household waste is accepted, each type of household waste must be managed separately prior to its packaging for off-site transfer.

(6) Household waste must not be stored for longer than 90 days after its receipt, except as otherwise approved by the Agency in writing.

(7) Household waste must be managed in a manner that protects against releases of the waste, prevents nuisances, and otherwise protects human health and the environment. Household waste must also be properly secured to prevent unauthorized public access to the waste, including, but not limited to, preventing access to the waste during the non-business hours of the site or facility on which the household waste drop-off point is located. Containers in which pharmaceutical products are collected must be clearly marked "No Controlled Substances", unless the household waste drop-off point accepts controlled substances in accordance with federal law.

(8) Management of the household waste must be limited to the following: (i) acceptance of the waste, (ii) temporary storage of the waste prior to transfer, and (iii) off-site transfer of the waste and packaging for off-site transfer.

The following requirements apply to all one-day household waste collection events, in addition to the conditions contained in the Agency's approval:

Waste must not be accepted from other persons, including, but not limited to, owners and operators of rented or leased residences where the household waste was generated, commercial haulers, and other commercial, industrial, agricultural, and government operations or entities.

(3) Household waste must be managed in a manner that protects against releases of the waste, prevents nuisances, and otherwise protects human health and the environment. Household waste must also be properly secured to prevent public access to the waste, including, but not limited to, preventing access to the waste during the event's non-business hours.

(4) Management of the household waste must be limited to the following: (i) acceptance of the waste, (ii) temporary storage of the waste before transfer, and (iii) off-site transfer of the waste or packaging for off-site transfer.

(5) Except as otherwise approved by the Agency, all household waste received at the collection event must be transferred off-site by the end of the day following the collection event.

(6) The transfer and ultimate disposition of household waste received at the collection event must comply with the Agency's approval, including all conditions contained in the approval.
(e) The Agency may adopt rules governing the operation of household waste drop-off points other than one-day household waste collection events. Those rules must be designed to protect against releases of waste to the environment, prevent nuisances, and otherwise protect human health and the environment. As necessary to address different circumstances, the regulations may contain different requirements for different types of household waste and different types of household waste drop-off points, and the regulations may modify the requirements set forth in subsection (c) of this Section. The regulations may include, but are not limited to, the following: (i) identification of additional types of household waste that can be collected at household waste drop-off points, (ii) identification of the different types of household wastes that can be received at different household waste drop-off points, (iii) the maximum amounts of each type of household waste that can be stored at household waste drop-off points at any one time, and (iv) the maximum time periods each type of household waste can be stored at household waste drop-off points.

(f) Prohibitions.

(1) Except as authorized in a permit issued by the Agency, no person shall cause or allow the operation of a household waste drop-off point other than a one-day household waste collection event in violation of this Section or any regulations adopted under this Section.

(2) No person shall cause or allow the operation of a one-day household waste collection event in violation of this Section or the Agency's approval issued under subsection (d) of this Section, including all conditions contained in the approval.

(g) Permit exemptions.

(1) No permit is required under subdivision (d)(1) of Section 21 of this Act for the operation of a household waste drop-off point other than a one-day household waste collection event if the household waste drop-off point is operated in accordance with this Section and all regulations adopted under this Section.

(2) No permit is required under subdivision (d)(1) of Section 21 of this Act for the operation of a one-day household waste collection event if the event is operated in accordance with this Section and the Agency's approval issued under subsection (d) of this Section, including all conditions contained in the approval.

(i) The Agency, in consultation with the Department of Public Health, must develop and implement a public information program regarding household waste drop-off points that accept pharmaceutical products, as well as mail-back programs authorized under federal law.

(j) The Agency must develop a sign that provides information on the proper disposal of unused pharmaceutical products. The sign shall include information on approved drop-off sites or list a website where updated information on drop-off sites can be accessed. The sign shall also include information on mail-back programs and self-disposal. The Agency shall make a copy of the sign available for downloading from its website. Every pharmacy shall display the sign in the area where medications are dispensed and shall also display any signs the Agency develops regarding local take-back programs or household waste collection events. These signs shall be no larger than 8.5 inches by 11 inches.

(k) If an entity chooses to participate as a household waste drop-off point, then it must follow the provisions of this Section and any rules the Agency may adopt governing household waste drop-off points.

(l) The Agency shall establish, by rule, a statewide medication take-back program by June 1, 2016 to ensure that there are pharmaceutical product disposal options regularly available for residents across the State. In lieu of a cost bond, a person claiming interest in the seized property may file, under penalty of perjury, an indigency affidavit which has been approved by a circuit court judge.

When authorized by law, a forfeiture must be ordered by a court on an action in rem brought by a State's Attorney under a verified complaint for forfeiture.

(2) During the probable cause portion of the judicial in rem proceeding wherein the State presents its case-in-chief, the court must receive and consider, among other things, all relevant hearsay evidence and information. (8) If the State does not show existence of probable cause, the court shall order the interest in the property returned or conveyed to the claimant and shall order all other property forfeited to the State. If the State does show existence of probable cause, the court shall order all property forfeited to the State.

(9) A defendant convicted in any criminal proceeding is precluded from later denying the essential allegations of the criminal offense of which the defendant was convicted in any proceeding under this Article regardless of the pendency of an appeal from that conviction. However, evidence of the pendency of an appeal is admissible.

(m) Stay of time periods. If property is seized for evidence and for forfeiture, the time periods for instituting judicial and non-judicial forfeiture proceedings shall not begin until the property is no longer necessary for evidence.

(n) Settlement of claims. Notwithstanding other provisions of this Article, the State's Attorney and a claimant of seized property may enter into an agreed-upon settlement concerning the seized property in such an amount and upon such terms as are set out in writing in a settlement agreement.

Nothing in this Article applies to property which constitutes reasonable bona fide attorney's fees paid to an attorney for services rendered or to be rendered in the forfeiture proceeding or criminal proceeding relating directly thereto where such property was paid before its seizure, before the issuance of any seizure warrant or court order prohibiting transfer of the property and where the attorney, at the time he or she received the property did not know that it was property subject to forfeiture under this Article.

(p) Construction. It is the intent of the General Assembly that the forfeiture provisions of this Article be liberally construed so as to effect their remedial purpose. The forfeiture of property and other remedies hereunder shall be considered to be in addition to, and not exclusive of, any sentence or other remedy provided by law.

It is not necessary for the State to negate any exemption or exception in this Article in any complaint, information, indictment or other pleading or in any trial, hearing, or other proceeding under this Article. The burden of proof of any exemption or exception is upon the person claiming it.

(s) Review of administrative decisions. All administrative findings, rulings, final determinations, findings, and conclusions of the State's Attorney's Office under this Article are final and conclusive decisions of the matters involved. Any person aggrieved by the decision may obtain review of the decision pursuant to the provisions of the Administrative Review Law and the rules adopted pursuant to that Law. Pending final decision on such review, the administrative acts, orders, and rulings of the State's Attorney's Office remain in full force and effect unless modified or suspended by order of court pending final judicial decision. Pending final decision on such review, the acts, orders, and rulings of the State's Attorney's Office remain in full force and effect, unless stayed by order of court. However, no stay of any decision of the administrative agency shall issue unless the person aggrieved by the decision establishes by a preponderance of the evidence that good cause exists for the stay. In determining good cause, the court shall find that the aggrieved party has established a substantial likelihood of prevailing on the merits and that granting the stay will not have an injurious effect on the general public.

(b) When a defendant is placed in the Program, after both the defendant and State's Attorney waive preliminary hearing pursuant to Section 109-3 of the Code of Criminal Procedure of 1963, the court shall enter an order specifying that the proceedings shall be suspended while the defendant is participating in a Program of not less 12 months.

(c) The conditions of the Program shall be that the defendant:

(e) When the State's Attorney makes a factually specific offer of proof that the defendant has failed to successfully complete the Program or has violated any of the conditions of the Program, the court shall enter an order that the defendant has not successfully completed the Program and continue the case for arraignment pursuant to Section 113-1 of the Code of Criminal Procedure of 1963 for further proceedings as if the defendant had not participated in the Program.

(f) Upon fulfillment of the terms and conditions of the Program, the State's Attorney shall dismiss the case or the court shall discharge the person and dismiss the proceedings against the person.

(g) There may be only one discharge and dismissal under this Section with respect to any person.
(h) Notwithstanding subsection (a-1), if the court finds that the defendant suffers from a substance abuse problem, then before the person participates in the Program under this Section, the court may refer the person to the drug court established in that judicial circuit pursuant to Section 15 of the Drug Court Treatment Act. Effective September 9, 2015.
AN ACT concerning local government.

Be it enacted by the People of the State of Illinois, represented in the General Assembly:

Section 5. The Township Code is amended by changing Section 205-140 as follows:

(60 ILCS 1/205-140)

Sec. 205-140. Initiating proceedings for particular locality; rates and charges; lien.

(a) A township board may initiate proceedings under Sections 205-130 through 205-150 in the manner provided by Section 205-20.

(b) The township board may establish the rate or charge to each user of the waterworks system or sewerage system, or combined waterworks and sewerage system, or improvement or extension at a rate that will be sufficient to pay the principal and interest of any bonds issued to pay the cost of the system, improvement, or extension and the maintenance and operation of the system, improvement, or extension and may provide an adequate depreciation fund for the bonds. Charges or rates shall be established, revised, and maintained by ordinance and become payable as the township board determines by ordinance.

(c) The charges or rates are liens upon the real estate upon or for which sewerage service is supplied whenever the charges or rates become delinquent as provided by the ordinance of the board fixing a delinquency date.

(d) Notwithstanding any provision of law to the contrary, the township shall conduct a cost study regarding the connection charge of the township:

(1) before the township increases or creates a connection charge;
(2) upon the request of the supervisor or a majority of the township board of the township;
(3) upon the request of a majority of the mayors or village presidents of the municipalities located within or substantially within the township or township's facility planning area; or
(4) upon the filing with the township board of a petition signed by 10% or more of the customers who have paid connection charges to the township in the previous 5 calendar years.

The cost study shall be conducted by an independent entity within 6 months of action taken under paragraphs (1), (2), (3), or (4) of this subsection (d). For purposes of this subsection (d), the term "independent entity" shall mean an engineering firm that has not entered into a contract with any State agency, unit of local government, or non-governmental entity for goods or services within the township or township service area in the 24 months prior to being contracted to perform the cost study. After performing a cost study under this subsection (d), an independent entity may not contract with any State agency, unit of local government, or non-governmental entity for goods or services within the township or township service area in the 24 months after completion of the cost study other than to perform further cost studies under this subsection (d). A township shall not be required to conduct more than one cost study in a 24 month period under paragraphs (1), (2), (3), or (4) of this subsection (d). The cost study must include, at a minimum, an examination of similar water main and sewer connection charges in neighboring units of local government or units of local government similar in size or population. Following the completion of the cost study, no increase or new connection charge may be imposed unless the increase or new charge is justified by the cost study. If the connection charge the township charged prior to completion of the cost study is higher than is justified by the cost study, the township shall reduce its connection charge to the amount justified by the cost study. For purposes of this subsection (d), "connection charge" means any charge or fee, by whatever name, assessed to recover the cost of connecting the customer’s water main, sewer, or water main and sewer service line to the township's facilities, and includes only the direct and indirect costs of physically tying the service line into the township's main.

Section 99. Effective date. This Act takes effect upon becoming law.

AN ACT concerning transportation.

Be it enacted by the People of the State of Illinois, represented in the General Assembly:

Section 1. Purpose. The General Assembly recognizes the desire of many commendable civic organizations and causes to be acknowledged by a special license plate and further recognizes that the issuance of special license plates may raise funds that will benefit these organizations and causes. However, the General Assembly also recognizes that the proliferation of special license plates in Illinois creates a significant challenge to law enforcement officials who are required to be familiar with, recognize, read, and record information from more than 100 types of special license plates now being issued in Illinois. To address this situation, the purpose of this amendatory Act of the 99th General Assembly is to authorize the issuance of Universal special license plates.

Section 5. The Illinois Vehicle Code is amended by changing Section 3-600 and by adding Section 3-699.14 as follows:

(625 ILCS 5/3-600) (from Ch. 95 1/2, par. 3-600)

Sec. 3-600. Requirements for issuance of special plates.

(a) The Secretary of State shall issue only special plates that have been authorized by the General Assembly. Except as provided in subsection (a-5), the Secretary of State shall not issue a series of special plates, or Universal special plates associated with an organization authorized to issue decals for Universal special plates, unless applications, as prescribed by the Secretary, have been received for 2,000 plates of that series; except that the Secretary of State may prescribe some other required number of applications if that number is sufficient to pay for the total cost of designing, manufacturing and issuing the special license plate. Where a special plate is authorized by law to raise funds for a specific civic group, charitable entity, or other identified organization, or when the civic group, charitable entity, or organization is authorized to issue decals for Universal special license plates, and where the Secretary of State has not received the required number of applications to issue that special plate within 2 years of the effective date of the Public

Act authorizing the special plate or decal, the Secretary of State's authority to issue the special plate or a Universal special plate associated with that decal is nullified. All applications for special plates shall be on a form designated by the Secretary and shall be accompanied by any civic group's, charitable entity's, or other identified fundraising organization's portion of the additional fee associated with that plate or decal. All fees collected under this Section are non-refundable and shall be deposited in the special fund as designated in the enabling legislation, regardless of whether the plate or decal is produced. Upon the adoption of this amendatory Act of the 99th General Assembly, no further special license plates shall be authorized by the General Assembly unless that special license plate is authorized under subsection (a-5) of this Section.

(a-5) If the General Assembly authorizes the issuance of a special plate that recognizes the applicant's military service or receipt of a military medal or award, the Secretary may immediately begin issuing that special plate.

(b) The Secretary of State, upon issuing a new series of special license plates, shall notify all law enforcement officials of the design, color and other special features of the special license plate series.

(c) This Section shall not apply to the Secretary of State's discretion as established in Section 3-611.

(d) If a law authorizing a special license plate provides that the sponsoring organization is to designate a charitable entity as the recipient of the funds from the sale of that license plate, the designated charitable entity must be in compliance with the registration and reporting requirements of the Charitable Trust Act and the Solicitation for Charity Act. In addition, the charitable entity must annually provide the Secretary of State's office a letter of compliance issued by the Illinois Attorney General's office verifying the entity is in compliance with the Acts.

In the case of a law in effect before the effective date of this amendatory Act of the 97th General Assembly, the name of the charitable entity which is to receive the funds shall be provided to the Secretary of State within one year after the effective date of this amendatory Act of the 97th General Assembly. In the case of a law that takes effect on or after the effective date of this amendatory Act of the 97th General Assembly, the name of the charitable entity which is to receive the funds shall be provided to the Secretary of State within one year after the law takes effect. If the organization fails to designate an appropriate charitable entity within the one-year period, or if the designated charitable entity fails to
annually provide the Secretary of State a letter of compliance issued by the Illinois Attorney General's office, any funds collected from the sale of plates authorized for that organization and not previously disbursed shall be transferred to the General Revenue Fund, and the special plates shall be discontinued.

(e) If fewer than 1,000 sets of any special license plate authorized by law and issued by the Secretary of State are actively registered for 2 consecutive calendar years, the Secretary of State may discontinue the issuance of that special license plate or require that special license plate to be exchanged for Universal special plates with appropriate decals.

(f) Where special license plates have been discontinued pursuant to subsection (d) or (e) of this Section, all previously issued plates of that type shall be recalled. Owners of vehicles which were registered with recalled plates shall not be charged a reclassification or registration sticker replacement plate fee upon the issuance of new plates for those vehicles.

(g) Any special plate that is authorized to be issued for motorcycles may also be issued for autocycles.

Appropriate documentation, as determined by the Secretary, shall accompany each application. Authorized organizations shall be designated by amendment to this Section. When applying for a Universal special license plate the applicant shall inform the Secretary of the name of the authorized organization from which the applicant will obtain a decal to place on the plate. The Secretary shall make a record of that organization and that organization shall remain affiliated with that plate until the plate is surrendered, revoked, or otherwise cancelled. The authorized organization may charge a fee to offset the cost of producing and distributing the decal, but that fee shall be retained by the authorized organization and shall be separate and distinct from any registration fees charged by the Secretary. No decal, sticker, or other material may be
affixed to a Universal special license plate other than a decal authorized by the General Assembly in this Section or a registration renewal sticker. The special plates issued under this Section shall be affixed only to passenger vehicles of the first division, including motorcycles and autocycles, or motor vehicles of the second division weighing not more than 8,000 pounds. Plates issued under this Section shall expire according to the multi-year procedure under Section 3-414.1 of this Code.

(b) The design, color, and format of the Universal special license plate shall be wholly within the discretion of the Secretary. Universal special license plates are not required to designate "Land of Lincoln", as prescribed in subsection (b) of Section 3-412 of this Code. The design shall allow for the application of a decal to the plate. Organizations authorized by the General Assembly to issue decals for Universal special license plates shall comply with rules adopted by the Secretary governing the requirements for and approval of Universal special license plate decals. The Secretary may, in his or her discretion, allow Universal special license plates to be issued as vanity or personalized plates in accordance with Section 3-405.1 of this Code. The Secretary of State must make a version of the special registration plates authorized under this Section in a form appropriate for motorcycles and autocycles.

c) When authorizing a Universal special license plate, the General Assembly shall set forth whether an additional fee is to be charged for the plate and, if a fee is to be charged, the amount of the fee and how the fee is to be distributed. When necessary, the authorizing language shall create a special fund in the State treasury into which fees may be deposited for an authorized Universal special license plate. Additional fees may only be charged if the fee is to be paid over to a State agency or to a charitable entity that is in compliance with the registration and reporting requirements of the Charitable Trust Act and the Solicitation for Charity Act. Any charitable entity receiving fees for the sale of Universal special license plates shall annually provide the Secretary of State a letter of compliance issued by the Attorney General verifying that the entity is in compliance with the Charitable Trust Act and the Solicitation for Charity Act.

(d) Upon original issuance and for each registration renewal period, in addition to the appropriate registration fee, if applicable, the Secretary shall collect any additional fees, if required, for issuance of Universal special license plates. The fees shall be collected on behalf of the organization designated by the applicant when applying for the plate.

All fees collected shall be transferred to the State agency on whose behalf the fees were collected, or paid into the special fund designated in the law authorizing the organization to issue decals for Universal special license plates. All money in the designated fund shall be distributed by the Secretary subject to appropriation by the General Assembly.

driver, of a motor vehicle, of any controlled substance prohibited under the Illinois Controlled Substances Act, any cannabis prohibited under the Cannabis Control Act, or any methamphetamine prohibited under the Methamphetamine Control and Community Protection Act. A defendant found guilty of this offense while operating a motor vehicle shall have an entry made in the court record by the presiding judge that this offense did occur while the defendant was operating a motor vehicle and order the clerk of the court to report the violation to the Secretary of State.

(b) The Secretary of State shall also immediately revoke the license or permit of any driver in the following situations:

1. Of any minor upon receiving the notice provided for in Section 5-901 of the Juvenile Court Act of 1987 that the minor has been adjudicated under that Act as having committed an offense relating to motor vehicles prescribed in Section 4-103 of this Code;
2. Of any person when any other law of this State requires either the revocation or suspension of a license or permit;
3. Of any person adjudicated under the Juvenile Court Act of 1987 based on an offense determined to have been committed in furtherance of the criminal activities of an organized gang as provided in Section 5-710 of that Act, and that involved the operation or use of a motor vehicle or the use of a driver's license or permit. The revocation shall remain in effect for the period determined by the court. Upon the direction of the court, the Secretary shall issue the person a judicial driving permit, also known as a JDP. The JDP shall be subject to the same terms as a JDP issued under Section 6-206.1, except that the court may direct that a JDP issued under this subdivision (b)(3) be effective immediately.

(c)(1) Whenever a person is convicted of any of the offenses enumerated in this Section, the court may recommend and the Secretary of State in his discretion, without regard to whether the recommendation is made by the court may, upon application, issue to the person a restricted driving permit granting the privilege of driving a motor vehicle between the petitioner's residence and petitioner's place of employment or within the scope of the petitioner's employment related duties, or to allow the petitioner to transport himself or herself or a family member of the petitioner's household to a medical facility for the receipt of necessary

medical care or to allow the petitioner to transport himself or herself to and from alcohol or drug remedial or rehabilitative activity recommended by a licensed service provider, or to allow the petitioner to transport himself or herself or a family member of the petitioner's household to classes, as a student, at an accredited educational institution, or to allow the petitioner to transport children, elderly persons, or disabled persons who do not hold driving privileges and are living in the petitioner's household to and from daycare; if the petitioner is able to demonstrate that no alternative means of transportation is reasonably available and that the petitioner will not endanger the public safety or welfare; provided that the Secretary's discretion shall be limited to cases where undue hardship, as defined by the rules of the Secretary of State, would result from a failure to issue the restricted driving permit. Those multiple offenders identified in subdivision (b)4 of Section 6-208 of this Code, however, shall not be eligible for the issuance of a restricted driving permit.

(2) If a person's license or permit is revoked or suspended due to 2 or more convictions of violating Section 11-501 of this Code or a similar provision of a local ordinance or a similar out-of-state offense, or Section 9-3 of the Criminal Code of 1961 or the Criminal Code of 2012, where the use of alcohol or other drugs is recited as an element of the offense, or a similar out-of-state offense, or a combination of these offenses, arising out of separate occurrences, that person, if issued a restricted driving permit, may not operate a vehicle unless it has been equipped with an ignition interlock device as defined in Section 1-129.1.

(3) If:

(A) a person's license or permit is revoked or suspended 2 or more times due to any combination of:

(i) a single conviction of violating Section 11-501 of this Code or a similar provision of a local ordinance or a similar out-of-state offense, or Section 9-3 of the Criminal Code of 1961 or the Criminal Code of 2012, where the use of alcohol or other drugs is recited as an element of the offense, or a similar out-of-state offense; or

(ii) a statutory summary suspension or revocation under Section 11-501.1; or

(iii) a suspension pursuant to Section 6-203.1;

arising out of separate occurrences; or 

(B) a person has been convicted of one violation of subparagraph (C) or (F) of paragraph (1) of subsection (d) of Section 11-501 of this Code, Section 9-3 of the Criminal Code of 1961 or the Criminal Code of 2012, relating to the offense of reckless homicide where the use of alcohol or other drugs was recited as an element of the offense, or a similar provision of a law of another state;

that person, if issued a restricted driving permit, may not operate a vehicle unless it has been equipped with an ignition interlock device as defined in Section 1-129.1.

(4) The person issued a permit conditioned on the use of an ignition interlock device must pay to the Secretary of State DUI Administration Fund an amount not to exceed $30 per month. The Secretary shall establish by rule the amount and the procedures, terms, and conditions relating to these fees.

(5) If the restricted driving permit is issued for employment purposes, then the prohibition against operating a motor vehicle that is not equipped with an ignition interlock device does not apply to the operation of an occupational vehicle owned or leased by that person's employer when used solely for employment purposes. For any person who, within a 5-year period, is convicted of a second or subsequent offense under Section 11-501 of this Code, or a similar provision of a local ordinance or similar out-of-state offense, this employment exemption does not apply until either a one year period has elapsed during which that person had his or her driving privileges revoked or a one year period has elapsed during which that person had a restricted driving permit which required the use of an ignition interlock device on every motor vehicle owned or operated by that person.

(6) In each case the Secretary of State may issue a restricted driving permit for a period he deems appropriate, except that the permit shall expire within one year from the date of issuance. A restricted driving permit issued under this Section shall be subject to cancellation, revocation, and suspension by the Secretary of State in like manner and for like cause as a driver's license issued under this Code may be cancelled, revoked, or suspended; except that a conviction upon one or more offenses against laws or ordinances regulating the movement of traffic shall be deemed

sufficient cause for the revocation, suspension, or cancellation of a restricted driving permit. The Secretary of State may, as a condition to the issuance of a restricted driving permit, require the petitioner to participate in a designated driver remedial or rehabilitative program. The Secretary of State is authorized to cancel a restricted driving permit if the permit holder does not successfully complete the program. However, if an individual's driving privileges have been revoked in accordance with paragraph 13 of subsection (a) of this Section, no restricted driving permit shall be issued until the individual has served 6 months of the revocation period.

(c-5) (Blank).

(c-6) If a person is convicted of a second violation of operating a motor vehicle while the person's driver's license, permit or privilege was revoked, where the revocation was for a violation of Section 9-3 of the Criminal Code of 1961 or the Criminal Code of 2012 relating to the offense of reckless homicide or a similar out-of-state offense, the person's driving privileges shall be revoked pursuant to subdivision (a)(15) of this Section. The person may not make application for a license or permit until the expiration of five years from the effective date of the revocation or the expiration of five years from the date of release from a term of imprisonment, whichever is later.

(c-7) If a person is convicted of a third or subsequent violation of operating a motor vehicle while the person's driver's license, permit or privilege was revoked, where the revocation was for a violation of Section 9-3 of the Criminal Code of 1961 or the Criminal Code of 2012 relating to the offense of reckless homicide or a similar out-of-state offense, the person may never apply for a license or permit.

(d)(1) Whenever a person under the age of 21 is convicted under Section 11-501 of this Code or a similar provision of a local ordinance or a similar out-of-state offense, the Secretary of State shall revoke the driving privileges of that person. One year after the date of revocation, and upon application, the Secretary of State may, if satisfied that the person applying will not endanger the public safety or welfare, issue a restricted driving permit granting the privilege of driving a motor vehicle only between the hours of 5 a.m. and 9 p.m. or as otherwise provided by this Section for a period of one year. After this one year period, and upon reapplication for a license as provided in Section 6-106, upon payment of the appropriate reinstatement fee provided under paragraph (b) of Section 6-118, the
Secretary of State, in his discretion, may reinstate the petitioner's driver's license and driving privileges, or extend the restricted driving permit as many times as the Secretary of State deems appropriate, by additional periods of not more than 12 months each.

(2) If a person's license or permit is revoked or suspended due to 2 or more convictions of violating Section 11-501 of this Code or a similar provision of a local ordinance or a similar out-of-state offense, or Section 9-3 of the Criminal Code of 1961 or the Criminal Code of 2012, where the use of alcohol or other drugs is recited as an element of the offense, or a similar out-of-state offense, or a combination of these offenses, arising out of separate occurrences, that person, if issued a restricted driving permit, may not operate a vehicle unless it has been equipped with an ignition interlock device as defined in Section 1-129.1.

(3) If a person's license or permit is revoked or suspended 2 or more times due to any combination of:
   (A) a single conviction of violating Section 11-501 of this Code or a similar provision of a local ordinance or a similar out-of-state offense, or Section 9-3 of the Criminal Code of 1961 or the Criminal Code of 2012, where the use of alcohol or other drugs is recited as an element of the offense, or a similar out-of-state offense; or
   (B) a statutory summary suspension or revocation under Section 11-501.1; or
   (C) a suspension pursuant to Section 6-203.1; arising out of separate occurrences, that person, if issued a restricted driving permit, may not operate a vehicle unless it has been equipped with an ignition interlock device as defined in Section 1-129.1.

(3.5) If a person's license or permit is revoked or suspended due to a conviction for a violation of subparagraph (C) or (F) of paragraph (1) of subsection (d) of Section 11-501 of this Code, or a similar provision of a local ordinance or similar out-of-state offense, that person, if issued a restricted driving permit, may not operate a vehicle unless it has been equipped with an ignition interlock device as defined in Section 1-129.1.

(4) The person issued a permit conditioned upon the use of an interlock device must pay to the Secretary of State DUI Administration Fund an amount not to exceed $30 per month. The
Secretary shall establish by rule the amount and the procedures, terms, and conditions relating to these fees.

(5) If the restricted driving permit is issued for employment purposes, then the prohibition against driving a vehicle that is not equipped with an ignition interlock device does not apply to the operation of an occupational vehicle owned or leased by that person's employer when used solely for employment purposes. For any person who, within a 5-year period, is convicted of a second or subsequent offense under Section 11-501 of this Code, or a similar provision of a local ordinance or similar out-of-state offense, this employment exemption does not apply until either a one year period has elapsed during which that person had his or her driving privileges revoked or a one year period has elapsed during which that person had a restricted driving permit which required the use of an ignition interlock device on every motor vehicle owned or operated by that person.

(6) A restricted driving permit issued under this Section shall be subject to cancellation, revocation, and suspension by the Secretary of State in like manner and for like cause as a driver's license issued under this Code may be cancelled, revoked, or suspended; except that a conviction upon one or more offenses against laws or ordinances regulating the movement of traffic shall be deemed sufficient cause for the revocation, suspension, or cancellation of a restricted driving permit.

(d-5) The revocation of the license, permit, or driving privileges of a person convicted of a third or subsequent violation of Section 6-303 of this Code committed while his or her driver's license, permit, or privilege was revoked because of a violation of Section 9-3 of the Criminal Code of 1961 or the Criminal Code of 2012, relating to the offense of reckless homicide, or a similar provision of a law of another state, is permanent. The Secretary may not, at any time, issue a license or permit to that person.

(e) This Section is subject to the provisions of the Driver License Compact.

(f) Any revocation imposed upon any person under subsections 2 and 3 of paragraph (b) that is in effect on December 31, 1988 shall be converted to a suspension for a like period of time.

(g) The Secretary of State shall not issue a restricted driving permit to a person under the age of 16 years whose driving privileges have been revoked under any provisions of this Code.

(h) The Secretary of State shall require the use of ignition interlock devices on all vehicles owned by a person who has been convicted of a second or subsequent offense under Section 11-501 of this Code or a similar provision of a local ordinance. The person must pay to the Secretary of State DUI Administration Fund an amount not to exceed $30 for each month that he or she uses the device. The Secretary shall establish by rule and regulation the procedures for certification and use of the interlock system, the amount of the fee, and the procedures, terms, and conditions relating to these fees.

If the conviction is affirmed on appeal, the date of the conviction shall relate back to the time the original judgment of conviction was entered and the 6 month limitation prescribed shall not apply.

petitioner's employment related duties, or to allow the petitioner to transport himself or herself, or a family member of the petitioner's household to a medical facility, to receive necessary medical care, to allow the petitioner to transport himself or herself to and from alcohol or drug remedial or rehabilitative activity recommended by a licensed service provider, or to allow the petitioner to transport himself or herself or a family member of the petitioner's household to classes, as a student, at an accredited educational institution, or to allow the petitioner to transport children, elderly persons, or disabled persons who do not hold driving privileges and are living in the petitioner's household to and from daycare. The petitioner must demonstrate that no alternative means of transportation is reasonably available and that the petitioner will not endanger the public safety or welfare. Those multiple offenders identified in subdivision (b)4 of Section 6-208 of this Code, however, shall not be eligible for the issuance of a restricted driving permit.

(A) If a person's license or permit is revoked or suspended due to 2 or more convictions of violating Section 11-501 of this Code or a similar provision of a local ordinance or a similar out-of-state offense, or Section 9-3 of the Criminal Code of 1961 or the Criminal Code of 2012, where the use of alcohol or other drugs is recited as an element of the offense, or a similar out-of-state offense, or a combination of these offenses, arising out of separate occurrences, that person, if issued a restricted driving permit, may not operate a vehicle unless it has been equipped with an ignition interlock device as defined in Section 1-129.1.

(B) If a person's license or permit is revoked or suspended 2 or more times due to any combination of:

(i) a single conviction of violating Section 11-501 of this Code or a similar provision of a local ordinance or a similar out-of-state offense or Section 9-3 of the Criminal Code of 1961 or the Criminal Code of 2012, where the use of alcohol or other drugs is recited as an element of the offense, or a similar out-of-state offense; or

The Secretary shall establish by rule the amount and the procedures, terms, and conditions relating to these fees.

(D) If the restricted driving permit is issued for employment purposes, then the prohibition against operating a motor vehicle that is not equipped with an ignition interlock device does not apply to the operation of an occupational vehicle owned or leased by that person's employer when used solely for employment purposes. For any person who, within a 5-year period, is convicted of a second or subsequent offense under Section 11-501 of this Code, or a similar provision of a local ordinance or similar out-of-state offense, this employment exemption does not apply until either a one year period has elapsed during which that person had his or her driving privileges revoked or a one year period has elapsed during which that person had a restricted driving permit which required the use of an ignition interlock device on every motor vehicle owned or operated by that person.

(E) In each case the Secretary may issue a restricted driving permit for a period deemed appropriate, except that all permits shall expire within one year from the date of issuance. A restricted driving permit issued under this Section shall be subject to cancellation, revocation, and suspension by the Secretary of State in like manner and for like cause as a driver's license issued under this Code may be cancelled, revoked, or suspended; except that a conviction upon one or more offenses against laws or ordinances regulating the movement of traffic shall be deemed sufficient cause for the revocation, suspension, or cancellation of a restricted driving permit. However, beginning January 1, 2008, if the person is a CDL holder, the suspension shall also be made available to the driver licensing administrator of any other state, the U.S. Department of Transportation, and the affected driver or motor carrier or prospective motor carrier upon request.

(c-4) In the case of a suspension under paragraph 43 of subsection (a), the Secretary of State shall notify the person by mail that his or her driving privileges and driver's license will be suspended one month after the date of the mailing of the notice.

(c-5) The Secretary of State may, as a condition of the reissuance of a driver's license or permit to an applicant whose driver's license or permit has been suspended before he or she reached the age of 21 years pursuant to any of the provisions of this Section, require the applicant to participate in a driver remedial education course and be retested under Section 6-109 of this Code.

Be it enacted by the People of the State of Illinois, represented in the General Assembly:

Section 5. The School Code is amended by changing Section 22-80 as follows:

(105 ILCS 5/22-80)
Sec. 22-80. Student athletes; concussions and head injuries.
(a) The General Assembly recognizes all of the following:

(1) Concussions are one of the most commonly reported injuries in children and adolescents who participate in sports and recreational activities. The Centers for Disease Control and Prevention estimates that as many as 3,900,000 sports-related and recreation-related concussions occur in the United States each year. A concussion is caused by a blow or motion to the head or body

New matter indicated by italics - deletions by strikeout
that causes the brain to move rapidly inside the skull. The risk of catastrophic injuries or death are significant when a concussion or head injury is not properly evaluated and managed.

(2) Concussions are a type of brain injury that can range from mild to severe and can disrupt the way the brain normally works. Concussions can occur in any organized or unorganized sport or recreational activity and can result from a fall or from players colliding with each other, the ground, or with obstacles. Concussions occur with or without loss of consciousness, but the vast majority of concussions occur without loss of consciousness.

(3) Continuing to play with a concussion or symptoms of a head injury leaves a young athlete especially vulnerable to greater injury and even death. The General Assembly recognizes that, despite having generally recognized return-to-play standards for concussions and head injuries, some affected youth athletes are prematurely returned to play, resulting in actual or potential physical injury or death to youth athletes in this State.

(4) Student athletes who have sustained a concussion may need informal or formal accommodations, modifications of curriculum, and monitoring by medical or academic staff until the student is fully recovered. To that end, all schools are encouraged to establish a return-to-learn protocol that is based on peer-reviewed scientific evidence consistent with Centers for Disease Control and Prevention guidelines and conduct baseline testing for student athletes.

(b) In this Section:
"Athletic trainer" means an athletic trainer licensed under the Illinois Athletic Trainers Practice Act.
"Coach" means any volunteer or employee of a school who is responsible for organizing and supervising students to teach them or train them in the fundamental skills of an interscholastic athletic activity. "Coach" refers to both head coaches and assistant coaches.
"Concussion" means a complex pathophysiological process affecting the brain caused by a traumatic physical force or impact to the head or body, which may include temporary or prolonged altered brain function resulting in physical, cognitive, or emotional symptoms or altered sleep patterns and which may or may not involve a loss of consciousness.
"Department" means the Department of Financial and Professional Regulation.
"Game official" means a person who officiates at an interscholastic athletic activity, such as a referee or umpire, including, but not limited to, persons enrolled as game officials by the Illinois High School Association or Illinois Elementary School Association.

"Interscholastic athletic activity" means any organized school-sponsored or school-sanctioned activity for students, generally outside of school instructional hours, under the direction of a coach, athletic director, or band leader, including, but not limited to, baseball, basketball, cheerleading, cross country track, fencing, field hockey, football, golf, gymnastics, ice hockey, lacrosse, marching band, rugby, soccer, skating, softball, swimming and diving, tennis, track (indoor and outdoor), ultimate Frisbee, volleyball, water polo, and wrestling. All interscholastic athletics are deemed to be interscholastic activities.

"Licensed healthcare professional" means a person who has experience with concussion management and who is a nurse, a psychologist who holds a license under the Clinical Psychologist Licensing Act and specializes in the practice of neuropsychology, a physical therapist licensed under the Illinois Physical Therapy Act, an occupational therapist licensed under the Illinois Occupational Therapy Practice Act.

"Nurse" means a person who is employed by or volunteers at a school and is licensed under the Nurse Practice Act as a registered nurse, practical nurse, or advanced practice nurse.

"School" means any public or private elementary or secondary school, including a charter school.

"Student" means an adolescent or child enrolled in a school.

(d) The governing body of each public or charter school and the appropriate administrative officer of a private school with students enrolled who participate in an interscholastic athletic activity shall appoint or approve a concussion oversight team. Each concussion oversight team shall establish a return-to-play protocol, based on peer-reviewed scientific evidence consistent with Centers for Disease Control and Prevention.
guidelines, for a student's return to interscholastic athletics practice or competition following a force or impact believed to have caused a concussion. Each concussion oversight team shall also establish a return-to-learn protocol, based on peer-reviewed scientific evidence consistent with Centers for Disease Control and Prevention guidelines, for a student's return to the classroom after that student is believed to have experienced a concussion, whether or not the concussion took place while the student was participating in an interscholastic athletic activity.

Each concussion oversight team must include to the extent practicable at least one physician. If a school employs an athletic trainer, the athletic trainer must be a member of the school concussion oversight team to the extent practicable. If a school employs a nurse, the nurse must be a member of the school concussion oversight team to the extent practicable. At a minimum, a school shall appoint a person who is responsible for implementing and complying with the return-to-play and return-to-learn protocols adopted by the concussion oversight team. A school may appoint other licensed healthcare professionals to serve on the concussion oversight team.

(e) A student may not participate in an interscholastic athletic activity for a school year until the student and the student's parent or guardian or another person with legal authority to make medical decisions for the student have signed a form for that school year that acknowledges receiving and reading written information that explains concussion prevention, symptoms, treatment, and oversight and that includes guidelines for safely resuming participation in an athletic activity following a concussion. The form must be approved by the Illinois High School Association.

(1) the student has been evaluated, using established medical protocols based on peer-reviewed scientific evidence consistent with Centers for Disease Control and Prevention guidelines, by a treating physician (chosen by the student or the student's parent or guardian or another person with legal authority to make medical decisions for the student) or an athletic trainer working under the supervision of a physician;

(2) the student has successfully completed each requirement of the return-to-play protocol established under this Section necessary for the student to return to play;

(3) the student has successfully completed each requirement of the return-to-learn protocol established under this Section necessary for the student to return to learn;

(4) the treating physician or athletic trainer working under the supervision of a physician has provided a written statement indicating that, in the physician's professional judgment, it is safe for the student to return to play and return to learn; and

(5) the student and the student's parent or guardian or another person with legal authority to make medical decisions for the student:

(A) have acknowledged that the student has completed the requirements of the return-to-play and return-to-learn protocols necessary for the student to return to play;

(B) have provided the treating physician's or athletic trainer's written statement under subdivision (4) of this subsection (g) to the person responsible for compliance with the return-to-play and return-to-learn protocols under this subsection (g) and the person who has supervisory responsibilities under this subsection (g); and

With respect to each benefit year beginning after calendar year 2012, the dependent child allowance rate shall be the sum of the allowance adjustment applicable pursuant to Section 1400.1 to the calendar year in which the benefit year begins, plus the dependent child allowance rate with respect to each benefit year beginning in the immediately preceding calendar year, except as otherwise provided in this subsection. The dependent child allowance rate with respect to each benefit year beginning in calendar year 2010 shall be 17.9%. Sec. 602. Discharge for misconduct - Felony. A. An individual shall be ineligible for benefits for the week in which he has been discharged for misconduct connected with his work and, thereafter, until he has become reemployed and has had earnings equal to or in excess of his current weekly benefit amount in each of four calendar weeks which are either for services in employment, or have been or will be reported pursuant to the provisions of the Federal Insurance Contributions Act by each employing unit for which such services are performed and which submits a statement certifying to that fact. The requalification requirements of the preceding sentence shall be deemed to have been satisfied, as of the date of reinstatement, if, subsequent to his discharge by an employing unit for misconduct connected with his work, such individual is reinstated by such employing unit. For purposes of this subsection, the term "misconduct" means the deliberate and willful violation of a reasonable rule or policy of the employing unit, governing the individual's behavior in performance of his work, provided such violation has harmed the employing unit or other employees or has been repeated by the individual despite a warning or other explicit instruction from the employing unit. The previous definition notwithstanding, "misconduct" shall include any of the following work-related circumstances:

1. Falsification of an employment application, or any other documentation provided to the employer, to obtain employment through subterfuge.

2. Failure to maintain licenses, registrations, and certifications reasonably required by the employer, or those that the individual is required to possess by law, to perform his or her regular job duties, unless the failure is not within the control of the individual.

3. Knowing, repeated violation of the attendance policies of the employer that are in compliance with State and federal law

following a written warning for an attendance violation, unless the individual can demonstrate that he or she has made a reasonable effort to remedy the reason or reasons for the violations or that the reason or reasons for the violations were out of the individual's control. Attendance policies of the employer shall be reasonable and provided to the individual in writing, electronically, or via posting in the workplace.

4. Damaging the employer's property through conduct that is grossly negligent.

5. Refusal to obey an employer's reasonable and lawful instruction, unless the refusal is due to the lack of ability, skills, or training for the individual required to obey the instruction or the instruction would result in an unsafe act.

6. Consuming alcohol or illegal or non-prescribed prescription drugs, or using an impairing substance in an off-label manner, on the employer's premises during working hours in violation of the employer's policies.

7. Reporting to work under the influence of alcohol, illegal or non-prescribed prescription drugs, or an impairing substance used in an off-label manner in violation of the employer's policies, unless the individual is compelled to report to work by the employer outside of scheduled and on-call working hours and informs the employer that he or she is under the influence of alcohol, illegal or non-prescribed prescription drugs, or an impairing substance used in an off-label manner in violation of the employer's policies.

8. Grossly negligent conduct endangering the safety of the individual or co-workers.

For purposes of paragraphs 4 and 8, conduct is "grossly negligent" when the individual is, or reasonably should be, aware of a substantial risk that the conduct will result in the harm sought to be prevented and the conduct constitutes a substantial deviation from the standard of care a reasonable person would exercise in the situation.

Nothing in paragraph 6 or 7 prohibits the lawful use of over-the-counter drug products as defined in Section 206 of the Illinois Controlled Substances Act, provided that the medication does not affect the safe performance of the employee's work duties.

B. Notwithstanding any other provision of this Act, no benefit rights shall accrue to any individual based upon wages from any employer

for service rendered prior to the day upon which such individual was discharged because of the commission of a felony in connection with his work, or because of theft in connection with his work, for which the employer was in no way responsible; provided, that the employer notified the Director of such possible ineligibility within the time limits specified by regulations of the Director, and that the individual has admitted his commission of the felony or theft to a representative of the Director, or has signed a written admission of such act and such written admission has been presented to a representative of the Director, or such act has resulted in a conviction or order of supervision by a court of competent jurisdiction; and provided further, that if by reason of such act, he is in legal custody, held on bail or is a fugitive from justice, the determination of his benefit rights shall be held in abeyance pending the result of any legal proceedings arising therefrom.

Sec. 611. Retirement pay. A. For the purposes of this Section "disqualifying income" means:

1. The entire amount which an individual has received or will receive with respect to a week in the form of a retirement payment (a) from an individual or organization (i) for which he performed services during his base period or which is liable for benefit charges or payments in lieu of contributions as a result of the payment of benefits to such individual and (ii) which pays all of the cost of such retirement payment, or (b) from a trust, annuity or insurance fund or under an annuity or insurance contract, to or under which an individual or organization for which he performed services during his base period or which is liable for benefit charges or payments in lieu of contributions as a result of the payment of benefits to such individual pays or has paid all of the premiums or contributions; and

2. One-half the amount which an individual has received or will receive with respect to a week in the form of a retirement payment (a) from an individual or organization (i) for which he performed services during his base period or which is liable for benefit charges or payments in lieu of contributions as a result of the payment of benefits to such individual and (ii) which pays some, but not all, of the cost of such retirement payment, or (b) from a trust, annuity or insurance fund (including primary social security old age and disability retirement benefits, including those based on self-employment) or under an annuity or

insurance contract, to or under which an individual or organization for which he performed services during his base period or which is liable for benefit charges or payments in lieu of contributions as a result of the payment of benefits to such individual pays or has paid some, but not all, of the premiums or contributions.

3. Notwithstanding paragraphs paragraph 1 and 2 above, the entire amount which an individual has received or will receive, with respect to any week which begins after March 31, 1980, of any governmental or other pension, retirement, or retired pay, annuity or any other similar periodic payment which is based on any previous work of such individual during his base period or which is liable for benefit charges or payments in lieu of contributions as a result of the payment of benefits to such individual. This paragraph shall be in effect only if it is required as a condition for full tax credit against the tax imposed by the Federal Unemployment Tax Act.

4. Notwithstanding paragraphs 1, 2, and 3 above, none of the amount that an individual has received or will receive with respect to a week in the form of social security old age, survivors, and disability benefits under 42 U.S.C. Section 401 et seq., including those based on self-employment, shall constitute disqualifying income.

B. Whenever an individual has received or will receive a retirement payment for a month, an amount shall be deemed to have been paid him for each day equal to one-thirtieth of such retirement payment. If the retirement payment is for a half-month, an amount shall be deemed to have been paid the individual for each day equal to one-fifteenth of such retirement payment. If the retirement payment is for any other period, an amount shall be deemed to have been paid the individual for each day in such period equal to the retirement payment divided by the number of days in the period.

C. An individual shall be ineligible for benefits for any week with respect to which his disqualifying income equals or exceeds his weekly benefit amount. If such disqualifying income with respect to a week totals less than the benefits for which he would otherwise be eligible under this Act, he shall be paid, with respect to such week, benefits reduced by the amount of such disqualifying income.

D. To assure full tax credit to the employers of this State against the tax imposed by the Federal Unemployment Tax Act, the Director shall take any action as may be necessary in the administration of paragraph 3 of subsection A of this Section to insure that the application of its provisions

Sec. 1505. Adjustment of state experience factor. The state experience factor shall be adjusted in accordance with the following provisions:

A. For calendar years prior to 1988, the state experience factor shall be adjusted in accordance with the provisions of this Act as amended and in effect on November 18, 2011.

B. (Blank).

C. For calendar year 1988 and each calendar year thereafter, for which the state experience factor is being determined.

1. For every $50,000,000 (or fraction thereof) by which the adjusted trust fund balance falls below the target balance set forth in this subsection, the state experience factor for the succeeding year shall be increased one percent absolute.

For every $50,000,000 (or fraction thereof) by which the adjusted trust fund balance exceeds the target balance set forth in this subsection, the state experience factor for the succeeding year shall be decreased by one percent absolute.

The target balance in each calendar year prior to 2003 is $750,000,000. The target balance in calendar year 2003 is $920,000,000. The target balance in calendar year 2004 is $960,000,000. The target balance in calendar year 2005 and each calendar year thereafter is $1,000,000,000.

The adjusted trust fund balance shall not be less than zero. If the preceding calculation results in a number which is less than zero, the amount by which it is less than zero shall reduce the sum of the benefit reserves for fund building for subsequent years.

d. For 1992 and for each calendar year thereafter, the "benefit reserve for fund building" for the 12 month period ending on June 30, 1991 and for each subsequent 12 month period shall be zero.

Sec. 6. Board of Dentistry - Report By Majority Required. There is created a Board of Dentistry, to be composed of persons designated from time to time by the Secretary, as follows:

Eleven persons, 8 of whom have been dentists for a period of 5 years or more; 2 of whom have been dental hygienists for a period of 5 years or more, and one public member. None of the members shall be an officer, dean, assistant dean, or associate dean of a dental college or dental department of an institute of learning, nor shall any member be the program director of any dental hygiene program. A board member who holds a faculty position in a dental school or dental hygiene program shall not participate in the examination of applicants for licenses from that school or program. The dental hygienists shall not participate in the examination of applicants for licenses to practice dentistry. The public member shall not participate in the examination of applicants for licenses to practice dentistry or dental hygiene. The board shall annually elect a chairman and vice-chairman who shall be dentists.

Terms for all members shall be for 4 years. Partial terms over 2 years in length shall be considered as full terms. A member may be reappointed for a successive term, but no member shall serve more than 2 full terms in his or her lifetime.

The membership of the Board shall include only residents from various geographic areas of this State and shall include at least some graduates from various institutions of dental education in this State.

In making appointments to the Board the Secretary shall give due consideration to recommendations by organizations of the dental profession in Illinois, including the Illinois State Dental Society and Illinois Dental Hygienists Association, and shall promptly give due notice to such organizations of any vacancy in the membership of the Board. The Secretary may terminate the appointment of any member for cause which in the opinion of the Secretary reasonably justifies such termination.

A vacancy in the membership of the Board shall not impair the right of a quorum to exercise all the rights and perform all the duties of the Board. Any action to be taken by the Board under this Act may be authorized by resolution at any regular or special meeting, and each such
resolution shall take effect immediately. The Board shall meet at least quarterly. The Board may adopt all rules and regulations necessary and incident to its powers and duties under this Act:

The members of the Board shall each receive as compensation a reasonable sum as determined by the Secretary for each day actually engaged in the duties of the office, and all legitimate and necessary expense incurred in attending the meetings of the Board.

Members of the Board shall be immune from suit in any action based upon any disciplinary proceedings or other activities performed in good faith as members of the Board.

The civil penalty shall be assessed by the Department after a hearing is held in accordance with the provisions set forth in this Act regarding the provision of a hearing for the discipline of a licensee.

(b) The Department has the authority and power to investigate any and all unlicensed activity.

(c) The civil penalty shall be paid within 60 days after the effective date of the order imposing the civil penalty. The order shall constitute a judgment and may be filed and execution had thereon in the same manner as any judgment from any court of record.

Sec. 16.1. Continuing education. The Department shall promulgate rules of continuing education for persons licensed under this Act. The Department shall approve only courses that are relevant to the treatment and care of patients, including, but not limited to, clinical

courses in dentistry and dental hygiene and nonclinical courses such as patient management, legal and ethical responsibilities, and stress management. The Department shall allow up to 4 hours of continuing education credit hours per license renewal period for volunteer hours spent providing clinical services at, or sponsored by, a nonprofit community clinic, local or state health department, or a charity event. Courses shall not be approved in such subjects as estate and financial planning, investments, or personal health. Approved courses may include, but shall not be limited to, courses that are offered or sponsored by approved colleges, universities, and hospitals and by recognized national, State, and local dental and dental hygiene organizations.

No license shall be renewed unless the renewal application is accompanied by an affidavit indicating that the applicant has completed the required minimum number of hours of continuing education in approved courses as required by this Section. The affidavit shall not require a listing of courses. The affidavit shall be a prima facie evidence that the applicant has obtained the minimum number of required continuing education hours in approved courses. The Department shall not be obligated to conduct random audits or otherwise independently verify that an applicant has met the continuing education requirement. The Department, however, may not conduct random audits of more than 10% of the licensed dentists and dental hygienists in any one licensing cycle to verify compliance with continuing education requirements. If the Department, however, receives a complaint that a licensee has not completed the required continuing education or if the Department is investigating another alleged violation of this Act by a licensee, the Department may demand and shall be entitled to receive evidence from any licensee of completion of required continuing education courses for the most recently completed 3-year licensing period. Evidence of continuing education may include, but is not limited to, canceled checks, official verification forms of attendance, and continuing education recording forms, that demonstrate a reasonable record of attendance. The Board shall determine, in accordance with rules adopted by the Department, whether a licensee or applicant has met the continuing education requirements. Any dentist who holds more than one license under this Act shall be required to complete only the minimum number of hours of continuing education required for renewal of a single license. The Department may provide exemptions from continuing education requirements. The exemptions shall include, but shall not be limited to,
dentists and dental hygienists who agree not to practice within the State during the licensing period because they are retired from practice.

In addition to coronal polishing and pit and fissure sealants as described in this item (7), a dental assistant who has at least 2,000 hours of clinical experience and who has successfully completed a training program approved by rule by the Department may perform: (A) coronal scaling above the gum line, supragingivally, on the clinical crown of the tooth only on patients 12 years of age or younger who have an absence of periodontal disease and who are not medically compromised or individuals with special needs and (B) intracoronal temporization of a tooth. The limitations on the number of dental assistants a dentist may supervise contained in items (2), (4), and (7) of this paragraph (g) mean a limit of 4 total dental assistants or dental hygienists doing expanded functions covered by these Sections being supervised by one dentist.

(h) The practice of dentistry by an individual who:
   (i) has applied in writing to the Department, in form and substance satisfactory to the Department, for a general dental license and has complied with all provisions of Section 9 of this Act, except for the passage of the examination specified in subsection (e) of Section 9 of this Act; or

school-based setting, including but not limited to administration or monitoring of nitrous oxide or administration of local anesthetics. The school-based procedures may be performed provided the patient is located at a public or private school and the program is being conducted by a State, county or local public health department initiative or in conjunction with a dental school or dental hygiene program. The dentist shall personally examine and diagnose the patient and determine which services are necessary to be performed, which shall be contained in an order to the hygienist and a notation in the patient's record. Any such order for sealants must be implemented within 120 days after its issuance. Any such order for oral prophylactic procedures or fluoride treatments must be implemented within 180 days after its issuance. An updated medical history and observation of oral conditions must be performed by the hygienist immediately prior to beginning the procedures to ensure that the patient's health has not changed in any manner to warrant a reexamination by the dentist.

(f) Without the supervision of a dentist, a dental hygienist may perform dental health education functions and may record case histories and oral conditions observed.

(g) The number of dental hygienists practicing in a dental office shall not exceed, at any one time, 4 times the number of dentists practicing in the office at the time.

(h) A dental hygienist who is certified as a public health dental hygienist may provide services to patients: (1) who are eligible for Medicaid or (2) who are uninsured and whose household income is not greater than 200% of the federal poverty level. A public health dental hygienist may perform oral assessments, perform screenings, and provide educational and preventative services as provided in subsection (b) of Section 18.1 of this Act. The public health dental hygienist may not administer local anesthesia or nitrous oxide, or place, carve, or finish amalgam restorations or provide periodontal therapy under this exception. Each patient must sign a consent form that acknowledges that the care received does not take the place of a regular dental examination. The public health dental hygienist must provide the patient or guardian a written referral to a dentist for assessment of the need for further dental care at the time of treatment. Any indication or observation of a condition that could warrant the need for urgent attention must be reported immediately to the supervising dentist for appropriate assessment and treatment.

(a) When working together in a public health supervision relationship, dentists and public health dental hygienists shall enter into a public health supervision agreement. The dentist providing public health supervision must:

(3) provide for the patient's additional necessary care in consultation with the public health dental hygienist;

(4) file agreements and notifications as required; and

(5) include procedures for creating and maintaining dental records, including protocols for transmission of all records between the public health dental hygienist and the dentist following each treatment, which shall include a notation regarding procedures authorized by the dentist and performed by the public health dental hygienist and the location where those records are to be kept.

Each dentist and hygienist who enters into a public health supervision agreement must document and maintain a copy of any change or termination of that agreement.

Dental records shall be owned and maintained by the supervising dentist for all patients treated under public health supervision, unless the supervising dentist is an employee of a public health clinic or federally qualified health center, in which case the public health clinic or federally qualified health center shall maintain the records.

If a dentist ceases to be employed or contracted by the facility, the dentist shall notify the facility administrator that the public health supervision agreement is no longer in effect. A new public health supervision agreement must then be entered into prior to the resumption of public health supervision.

This subsection (h) is inoperative on and after January 1, 2021.

(2) have each patient sign a permission slip or consent form that informs them that the service to be received does not take the place of regular dental checkups at a dental office and is meant for people who otherwise would not have access to the service;

(3) inform each patient who may require further dental services of that need;

(4) maintain an appropriate level of contact and communication with the dentist providing public health supervision; and

(5) complete an additional 4 hours of continuing education in areas specific to public health dentistry yearly.

(d) Each public health dental hygienist who has rendered services under subsections (c), (d), and (e) of this Section must complete a
summary report at the completion of a program or, in the case of an ongoing program, at least annually. The report must be completed in the manner specified by the Division of Oral Health in the Department of Public Health including information about each location where the public health dental hygienist has rendered these services. The public health dental hygienist must submit the form to the dentist providing supervision for his or her signature before sending it to the Division.

(e) Public health dental hygienists providing services under public health supervision may be compensated for their work by salary, honoraria, and other mechanisms by the employing or sponsoring entity. Nothing in this Act shall preclude the entity that employs or sponsors a public health dental hygienist from seeking payment, reimbursement, or other source of funding for the services provided.

Sec. 25. Notice of hearing; investigations and informal conferences.

(a) Upon the motion of either the Department or the Board or upon the verified complaint in writing of any person setting forth facts which if proven would constitute grounds for refusal, suspension or revocation of license under this Act, the Board shall investigate the actions of any person, hereinafter called the respondent, who holds or represents that he or she holds a license. All such motions or complaints shall be brought to the Board.

(b) Prior to taking an in-person statement from a dentist or dental hygienist who is the subject of a complaint, the investigator shall inform the dentist or the dental hygienist in writing:

(1) that the dentist or dental hygienist is the subject of a complaint;

(2) that the dentist or dental hygienist need not immediately proceed with the interview and may seek appropriate consultation prior to consenting to the interview; and

(3) that failure of the dentist or dental hygienist to proceed with the interview shall not prohibit the Department from conducting a visual inspection of the facility.

A Department investigator's failure to comply with this subsection may not be the sole ground for dismissal of any order of the Department filed upon a finding of a violation or for dismissal of a pending investigation.

(b-5) The duly authorized dental investigators of the Department shall have the right to enter and inspect, during business hours, the business premises of a dentist licensed under this Act or of a person who holds himself or herself out as practicing dentistry, with due consideration for patient care of the subject of the investigation, so as to inspect the physical premises and equipment and furnishings therein. This right of inspection shall not include inspection of business, medical, or personnel records located on the premises without a Department subpoena issued in accordance with Section 25.1 of this Act or Section 2105-105 of the Department of Professional Regulation Law of the Civil Administrative Code of Illinois. For the purposes of this Section, "business premises"
means the office or offices where the dentist conducts the practice of
dentistry.

(c) If the Department concludes on the basis of a complaint or its
initial investigation that there is a possible violation of the Act, the
Department may:

(1) schedule a hearing pursuant to this Act; or

(2) request in writing that the dentist or dental hygienist
being investigated attend an informal conference with
representatives of the Department.

The request for an informal conference shall contain the nature of
the alleged actions or inactions that constitute the possible violations.

A dentist or dental hygienist shall be allowed to have legal counsel
at the informal conference. If the informal conference results in a consent
order between the accused dentist or dental hygienist and the Department,
the consent order must be approved by the Secretary. However, if the
consent order would result in a fine exceeding $10,000 or the suspension
or revocation of the dentist or dental hygienist license, the consent order
must be approved by the Board and the Secretary. Participation in the
informal conference by a dentist, a dental hygienist, or the Department and
any admissions or stipulations made by a dentist, a dental hygienist, or the
Department at the informal conference, including any agreements in a
consent order that is subsequently disapproved by either the Board or the
Secretary, shall not be used against the dentist, dental hygienist, or
Department at any subsequent hearing and shall not become a part of the
record of the hearing.

(d) The Secretary shall, before suspending, revoking, placing on
probationary status, or taking any other disciplinary action as the Secretary
may deem proper with regard to any license, at least 30 days prior to the
date set for the hearing, notify the respondent in writing of any charges
made and the time and place for a hearing of the charges before the Board,
direct him or her to file his or her written answer thereto to the Board
under oath within 20 days after the service on him or her of such notice
and inform him or her that if he or she fails to file such answer default will
be taken against him or her and his or her license may be suspended,
revoked, placed on probationary status, or other disciplinary action may be
taken with regard thereto, including limiting the scope, nature or extent of
his or her practice, as the Secretary may deem proper.

(e) Such written notice and any notice in such proceedings
thereafter may be served by delivery personally to the respondent, or by

Sec. 26. Disciplinary actions.
(a) In case the respondent, after receiving notice, fails to file an answer, his or her license may, in the discretion of the Secretary, having first received the recommendation of the Board, be suspended, revoked, placed on probationary status, or the Secretary may take whatever disciplinary or non-disciplinary action he or she may deem proper, including limiting the scope, nature, or extent of the person's practice or the imposition of a fine, without a hearing, if the act or acts charged constitute sufficient grounds for such action under this Act.

(b) The Secretary may temporarily suspend the license of a dentist or dental hygienist without a hearing, simultaneous to the institution of proceedings for a hearing under this Act, if the Secretary finds that evidence in his or her possession indicates that a dentist's or dental hygienist's continuation in practice would constitute an immediate danger to the public. In the event that the Secretary temporarily suspends the license of a dentist or a dental hygienist without a hearing, a hearing by the Board must be held within 15 days after such suspension has occurred.

(c) The entry of a judgment by any circuit court establishing that any person holding a license under this Act is a person subject to involuntary admission under the Mental Health and Developmental Disabilities Code shall operate as a suspension of that license. That person may resume his or her practice only upon a finding by the Board that he or she has been determined to be no longer subject to involuntary admission by the court and upon the Board's recommendation to the Secretary that he or she be permitted to resume his or her practice.

the respondent to insure compliance with the terms of the probation or other disciplinary action, including, but not limited to, regular reporting by the respondent to the Secretary of his or her actions, or the respondent's placing himself or herself under the care of a qualified physician for treatment or limiting his or her practice in such manner as the Secretary may require.

The Board shall present to the Secretary a written report of its findings and recommendations. A copy of such report shall be served upon the respondent, either personally or by registered or certified mail. Within 20 days after such service, the respondent may present to the Department his or her motion in writing for a rehearing, specifying the particular ground therefor. If the respondent orders from the reporting service and pays for a transcript of the record, the time elapsing thereafter and before such transcript is ready for delivery to him or her shall not be counted as part of such 20 days.

At the expiration of the time allowed for filing a motion for rehearing the Secretary may take the action recommended by the Board. Upon suspension, revocation, placement on probationary status, or the taking of any other disciplinary action, including the limiting of the scope, nature, or extent of one's practice, deemed proper by the Secretary, with regard to the license, the respondent shall surrender his or her license to the Department, if ordered to do so by the Department, and upon his or her failure or refusal to do so, the Department may seize the same.

In all instances under this Act in which the Board has rendered a recommendation to the Secretary with respect to a particular person, the Secretary shall, to the extent that he or she disagrees with or takes action contrary to the recommendation of the Board, file with the Board his or her specific written reasons of disagreement. Such reasons shall be filed within 30 days after the Secretary has taken the contrary position.

Each order of revocation, suspension, or other disciplinary action shall contain a brief, concise statement of the ground or grounds upon which the Department's action is based, as well as the specific terms and conditions of such action. The original of this document shall be retained as a permanent record by the Board and the Department. In those instances where an order of revocation, suspension, or other disciplinary action has been rendered by virtue of a dentist's or dental hygienist's physical illness, including, but not limited to, deterioration through the aging process, or loss of motor skill which results in an inability to practice with reasonable judgment, skill, or safety, the Department shall permit only this document

The hearing officer shall have full authority to conduct the hearing. The hearing officer shall report his or her findings and recommendations to the Board and the Secretary. The Board shall have 60 days from receipt of the report to review the report of the hearing officer and present its findings of fact, conclusions of law and recommendations to the Secretary. If the Board fails to present its report within the 60 day period, the Secretary shall issue an order based on the report of the hearing officer. (e) Such bonds or notes shall be secured as provided in the authorizing ordinance which may, notwithstanding any other provision of this Act, include in addition to any other security a specific pledge or assignment of and lien on or security interest in any or all revenues or money of the Authority from whatever source which may by law be used for debt service purposes and a specific pledge or assignment of and lien on or security interest in any funds or accounts established or provided for by ordinance of the Authority authorizing the issuance of such bonds or notes.

The Governor shall submit the amount so certified to the General Assembly as soon as practicable, but no later than the end of the current State fiscal year. **BILINGUAL ADVISORY TASK FORCE**

*House Joint Resolution No. 36*

WHEREAS, Illinois has required its public schools to provide bilingual education services to English Learners (EL) since 1972; today, more than 600 school districts serve more than 205,000 language-minority children with bilingual programs, with the goal of transitioning all English Learners into mainstream classrooms in 3 years or less; although most EL students are native speakers of Spanish, EL enrollees are native speakers of 139 different languages; and

WHEREAS, Illinois bilingual educators have been remarkably innovative, professional, and successful; despite many serious obstacles to success, two-thirds of bilingual students attain English proficiency; only 2.7% of language-minority students drop out before completing transitional bilingual programs; students who gain English proficiency meet or exceed the Illinois Standards Achievement Test performance of native English speakers in reading and mathematics for grades 6, 7, and 8; about 7,400 teachers hold some type of EL certification; and

WHEREAS, The State Board of Education adopted new learning
standards in 2010 and is implementing an aligned assessment this year; it is important to know how these changes are impacting ELs, as well as the issues being discussed in Congress regarding the rewrite of the Elementary and Secondary Education Act; and

WHEREAS, Most Illinois counties now have EL enrollees; and

WHEREAS, Illinois adopted the State Seal of Biliteracy, to be awarded beginning in the 2014-2015 school year, promoting the importance of the development of proficiency in 2 or more languages; ELs arrive at schools with linguistic assets in their home languages, which, if developed, can be a basis for biliteracy; while State law requires services for ELs, including developing English proficiency, it does not require the maintenance and development of the home language; unsupported, proficiency in the home language can be lost over time; subsequently, like other students, ELs often take a foreign language in high school; we must study how to better develop home languages and promote biliteracy in conjunction with services for ELs; and

WHEREAS, Computers are now in widespread use in public schools, but primarily in mainstream classrooms; the potential of modern technology has yet to be harnessed in bilingual and EL classrooms and must be studied on how best to be incorporated into EL programs; and

WHEREAS, Teachers, schools, and districts have developed highly effective instructional strategies that may not be widely known; it is time to comprehensively identify those best practices so that all programs may use them; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE NINETY-NINTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, THE SENATE CONCURRING HEREIN, that there is created the Bilingual Advisory Task Force, consisting of the following members: (1) 2 individuals appointed by the Speaker of the House, one of whom shall be a member of the House of Representatives, and the other whom shall serve as Co-Chair; (2) 2 individuals appointed by the Senate President, one of whom shall be a member of the Senate, and the other whom shall serve as Co-Chair; (3) one member of the House of Representatives appointed by the Minority Leader of the House; (4) one member of the Senate appointed by the Minority Leader of the Senate; (5) 3 educators who hold a professional educator license endorsed for bilingual education or English as a second language from 3 different school districts in the northern, central, and southern region of the State appointed by the State Superintendent of Education; (6) 3 educators who hold a professional educator license endorsed for bilingual education or English as a second language from 3 different school districts in the northern, central, and southern region of the State appointed by the State
Superintendent of Education; (7) one administrator of a school district with an English Learner student population of at least 20% appointed by the State Superintendent of Education; (8) the Executive Director of a statewide association representing principals, or his or her designee, who is the principal of a school in a school district with an English Learner student population of at least 20% appointed by the State Superintendent of Education; (9) the President of an association representing principals in a city with a population of more than 500,000, or his or her designee, who is the principal of a school in a school district with an English Learner student population of at least 20% appointed by the State Superintendent of Education; (10) one school district administrator of bilingual education programs that meet the requirements under 23 Ill. Admin. Code 228.35(d) appointed by the State Superintendent of Education; (11) the State Superintendent of Education or his or her designee; and (12) the Executive Director of the Illinois Community College Board or his or her designee; and be it further

RESOLVED, That the Bilingual Advisory Task Force shall first meet at the call of the State Superintendent of Education and following meetings shall meet at the call of the Co-Chairs; and be it further

RESOLVED, A quorum of the Bilingual Advisory Task Force shall consist of a majority of the members of the Bilingual Advisory Task Force; and be it further

RESOLVED, That the Co-Chairs of the Bilingual Advisory Task Force may add additional non-voting members to the Task Force; and be it further

RESOLVED, That the Bilingual Advisory Task Force shall evaluate whether the framework for existing bilingual education, including Transitional Bilingual Education programs and the Transitional Program of Instruction, is appropriate for learning today; and be it further

CAHOKIA MOUNDS AS A NATIONAL MONUMENT
(Senate Joint Resolution No. 3)

WHEREAS, Long before Lewis and Clark, our region was home to the ancient societies of Mississippian Culture and the beginnings of urbanism in the eastern woodlands; it was from these societies that today's great Indian Nations sprang, with cultural connections from the Great Lakes to the Gulf of Mexico and along the mighty Mississippi; the beginnings of this urban civilization was spread over 6 counties of eastern Missouri and southwestern Illinois; and

WHEREAS, At the sea of verdure, the fertile American Bottom stretches bluff to bluff at the confluence of America's greatest rivers, the Mississippi and Missouri Rivers, cradling the birth of millennia of agriculture and the rise of the Mississippian Culture; Cahokia Mounds and its mound complexes thrived on the cultivation and trading of corn, with their surplus allowing them to rise and become the "Center of the Universe" of the Mississippian Culture, trading to the north, south, east, and west; and

WHEREAS, Dating from the Mississippian period (800-1350 AD), Cahokia Mounds, covering 3,950 acres, is the earliest and largest pre-Columbian archaeological site north of Mexico and the pre-eminent
example of a cultural, religious, and economic center of the pre-historic Mississippian cultural tradition, which extended throughout the Mississippi Valley and the southeastern United States; and

WHEREAS, With a population of 10,000-30,000 at its peak between 1050 and 1150AD, Cahokia Mounds is an early and exceptional example of pre-urban/urban structuring, graphically demonstrating the existence of a society in which a powerful political and economic hierarchy was responsible for the organization of labor, agriculture, and trade; this is reflected in the size and layout of the settlement and the nature and structure of the public and private buildings; and

WHEREAS, Cahokia Mounds' unique role in the nation's history was recognized by the National Park Service through its designation as a National Historic Landmark in 1964 and its placement on the National Register of Historic Places in 1966; and

WHEREAS, Cahokia Mounds' global significance was recognized by the United Nations Education Scientific and Cultural Organization through its designation as a World Heritage Site in 1982; and

WHEREAS, Since 1925, State, local, and private funds have been invested in the Cahokia Mounds Historic Site for acquisition and protection; a formal national park service designation would capitalize on this investment; and

WHEREAS, Cahokia Mounds and its ancient non-contiguous satellite settlements are today in need of additional protection to secure the most significant remnants of the largest Native American civilization on the North American continent north of Mexico from active and passive threats; and

WHEREAS, Over the last 24 months, with guidance from the Indian Nations, federal agencies, Illinois and Missouri state agencies, and local units of government, HeartLands Conservancy developed a thorough, compelling, and rigorous study that met National Park Service standards and criteria demonstrating the feasibility of elevating the status and national designation of Cahokia Mounds; the surrounding mound complexes in the region and their significance, suitability, and feasibility as a potential formal unit of the National Park Service would ensure that these precious ancient archaeological resources are protected and accessible for all people to experience; and

WHEREAS, Conducting 13 public meetings, media interviews, stakeholder meetings, outreach to 13 tribes/nations, and over 890 surveys, HeartLands Conservancy received support for the study's recommendations and showed that local communities would benefit from revitalized and protected sites with enhanced interpretive and educational programs to teach about the Mississippian Culture, its ancestral significance, and the numerous
WHEREAS, The study captured the significance of the region and its ancient history by demonstrating that, through cooperative protection and partnerships, it can remain connected and intact in order to properly interpret remaining sites as well as offering opportunities to protect, enhance, and interpret the natural environment along the Mounds Heritage Trail corridor; and

WHEREAS, National parks generate $31 billion for local economies each year and are shown to invigorate neighborhood historic renovation and spur business growth; they also provide opportunities for tourism and economic development, natural resource conservation, and improvements of the quality of life for residents of nearby communities; and

WHEREAS, There are no other mounds within the National Park Service that represent the Mississippian Culture as holistically and uniquely as the Cahokia Mounds; combined with the surrounding satellite mound centers, Cahokia emerges as the most significant and unsurpassed example of its time period; and

WHEREAS, The great region of southwestern Illinois and eastern Missouri will, with the assistance of the Indian Nations, become a center of cultural outreach and enrichment by embracing our nation's earliest heritage and re-engaging our ancient past as a foundation for the 21st century; and

WHEREAS, Legislation will be introduced in Congress to create the Mississippian Culture National Historical Park in Southwestern Illinois, which, with thematically-connected non-contiguous mound complexes in the St. Louis Metropolitan Region, will recognize the significance of the Mississippian Culture and its unique national significance in agriculture, ancestral ties, and its status as one of America's first cities; and

WHEREAS, There is a strong consensus that now is the time for immediate action to further develop the Cahokia Mounds and thematically-connected mound complexes to realize their full potential; with new transportation access across the Mississippi River completed and the rebound of the economy, there is even greater pressure to develop this; therefore, be it

RESOLVED, BY THE SENATE OF THE NINETY-NINTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, THE HOUSE OF REPRESENTATIVES CONCURRING HEREIN, that we show our support for the recommendations in "The Mounds - America's First Cities - A Feasibility Study" by HeartLands Conservancy and iterate that not only should the State of Illinois continue to own and operate the Cahokia Mounds State Historic Site and have a collaborative partnership with the National Park Service, but other communities, agencies, and entities should play a role
in redeveloping and re-energizing these sites and establish strong and lasting partnerships; and be it further
