PUBLIC ACT 99-0551
(House Bill No. 4964)

AN ACT concerning State government.
Be it enacted by the People of the State of Illinois, represented in the General Assembly:

Section 5. The Illinois Health Facilities Planning Act is amended by changing Section 8.5 as follows:

New matter indicated by italics - deletions by strikeout
Sec. 8.5. Certificate of exemption for change of ownership of a health care facility; discontinuation of a health care facility or category of service; public notice and public hearing.

(a) Upon a finding that an application for a change of ownership is complete, the State Board shall publish a legal notice on one day in a newspaper of general circulation in the area or community to be affected and afford the public an opportunity to request a hearing. If the application is for a facility located in a Metropolitan Statistical Area, an additional legal notice shall be published in a newspaper of limited circulation, if one exists, in the area in which the facility is located. If the newspaper of limited circulation is published on a daily basis, the additional legal notice shall be published on one day. The applicant shall pay the cost incurred by the Board in publishing the change of ownership notice in newspapers as required under this subsection. The legal notice shall also be posted on the Health Facilities and Services Review Board's web site and sent to the State Representative and State Senator of the district in which the health care facility is located. An application for change of ownership of a hospital shall not be deemed complete without a signed certification that for a period of 2 years after the change of ownership transaction is effective, the hospital will not adopt a charity care policy that is more restrictive than the policy in effect during the year prior to the transaction. An application for a change of ownership need not contain signed transaction documents so long as it includes the following key terms of the transaction: names and background of the parties; structure of the transaction; the person who will be the licensed or certified entity after the transaction; the ownership or membership interests in such licensed or certified entity both prior to and after the transaction; fair market value of assets to be transferred; and the purchase price or other form of consideration to be provided for those assets. The issuance of the certificate of exemption shall be contingent upon the applicant submitting a statement to the Board within 90 days after the closing date of the transaction, or such longer period as provided by the Board, certifying that the change of ownership has been completed in accordance with the key terms contained in the application. If such key terms of the transaction change, a new application shall be required.

Where a change of ownership is among related persons, and there are no other changes being proposed at the health care facility that would
otherwise require a permit or exemption under this Act, the applicant shall submit an application consisting of a standard notice in a form set forth by the Board briefly explaining the reasons for the proposed change of ownership. Once such an application is submitted to the Board and reviewed by the Board staff, the Board Chair shall take action on an application for an exemption for a change of ownership among related persons within 45 days after the application has been deemed complete, provided the application meets the applicable standards under this Section. If the Board Chair has a conflict of interest or for other good cause, the Chair may request review by the Board. Notwithstanding any other provision of this Act, for purposes of this Section, a change of ownership among related persons means a transaction where the parties to the transaction are under common control or ownership before and after the transaction is completed.

Nothing in this Act shall be construed as authorizing the Board to impose any conditions, obligations, or limitations, other than those required by this Section, with respect to the issuance of an exemption for a change of ownership, including, but not limited to, the time period before which a subsequent change of ownership of the health care facility could be sought, or the commitment to continue to offer for a specified time period any services currently offered by the health care facility.

(a-3) Upon a finding that an application to close a health care facility is complete, the State Board shall publish a legal notice on 3 consecutive days in a newspaper of general circulation in the area or community to be affected and afford the public an opportunity to request a hearing. If the application is for a facility located in a Metropolitan Statistical Area, an additional legal notice shall be published in a newspaper of limited circulation, if one exists, in the area in which the facility is located. If the newspaper of limited circulation is published on a daily basis, the additional legal notice shall be published on 3 consecutive days. The legal notice shall also be posted on the Health Facilities and Services Review Board's web site and sent to the State Representative and State Senator of the district in which the health care facility is located. In addition, the health care facility shall provide notice of closure to the local media that the health care facility would routinely notify about facility events.

(a-5) Upon a finding that an application to discontinue a category of service is complete and provides the requested information, as specified by the State Board, an exemption shall be issued. No later than 30 days

New matter indicated by italics - deletions by strikeout
after the issuance of the exemption, the health care facility must give
written notice of the discontinuation of the category of service to the State
Senator and State Representative serving the legislative district in which
the health care facility is located.

(b) If a public hearing is requested, it shall be held at least 15 days
but no more than 30 days after the date of publication of the legal notice in
the community in which the facility is located. The hearing shall be held in
the affected area or community in a place of reasonable size and
accessibility and a full and complete written transcript of the proceedings
shall be made. The applicant shall provide a summary of the proposal for
distribution at the public hearing.

(c) For the purposes of this Section "newspaper of limited
circulation" means a newspaper intended to serve a particular or defined
population of a specific geographic area within a Metropolitan Statistical
Area such as a municipality, town, village, township, or community area,
but does not include publications of professional and trade associations.

(30 ILCS 500/55-20 new)

Sec. 55-20. Contracts for food donation. After the effective date of
this amendatory Act of the 99th General Assembly, a public entity shall

shelters, food pantries, and soup kitchens.

Section 10. The School Code is amended by changing Section 10-20.21 as follows:

(105 ILCS 5/10-20.21)

Sec. 10-20.21. Contracts.

(a) To award all contracts for purchase of supplies and materials or work involving an expenditure in excess of $25,000 or a lower amount as required by board policy to the lowest responsible bidder, considering conformity with specifications, terms of delivery, quality and serviceability, after due advertisement, except the following: (i) contracts for the services of individuals possessing a high degree of professional skill where the ability or fitness of the individual plays an important part; (ii) contracts for the printing of finance committee reports and departmental reports; (iii) contracts for the printing or engraving of bonds, tax warrants and other evidences of indebtedness; (iv) contracts for the purchase of perishable foods and perishable beverages; (v) contracts for materials and work which have been awarded to the lowest responsible bidder after due advertisement, but due to unforeseen revisions, not the fault of the contractor for materials and work, must be revised causing expenditures not in excess of 10% of the contract price; (vi) contracts for the maintenance or servicing of, or provision of repair parts for, equipment which are made with the manufacturer or authorized service agent of that equipment where the provision of parts, maintenance, or servicing can best be performed by the manufacturer or authorized service agent; (vii) purchases and contracts for the use, purchase, delivery, movement, or installation of data processing equipment, software, or services and telecommunications and interconnect equipment, software, and services; (viii) contracts for duplicating machines and supplies; (ix) contracts for the purchase of natural gas when the cost is less than that offered by a public utility; (x) purchases of equipment previously owned by some entity other than the district itself; (xi) contracts for repair, maintenance, remodeling, renovation, or construction, or a single project involving an expenditure not to exceed $50,000 and not involving a change or increase in the size, type, or extent of an existing facility; (xii) contracts for goods or services procured from another governmental agency; (xiii) contracts for goods or services which are economically procurable from only one source, such as for the purchase of magazines, books, periodicals, pamphlets and reports, and for utility services such as water, light, heat, telephone or telegraph; (xiv) where funds are expended in an emergency and such emergency expenditure is approved by 3/4 of the members of the board; (xv) State

New matter indicated by italics - deletions by strikeout
master contracts authorized under Article 28A of this Code; and (xvi) contracts providing for the transportation of pupils, which contracts must be advertised in the same manner as competitive bids and awarded by first considering the bidder or bidders most able to provide safety and comfort for the pupils, stability of service, and any other factors set forth in the request for proposal regarding quality of service, and then price. However, at no time shall a cause of action lie against a school board for awarding a pupil transportation contract per the standards set forth in this subsection (a) unless the cause of action is based on fraudulent conduct.

All competitive bids for contracts involving an expenditure in excess of $25,000 or a lower amount as required by board policy must be sealed by the bidder and must be opened by a member or employee of the school board at a public bid opening at which the contents of the bids must be announced. Each bidder must receive at least 3 days' notice of the time and place of the bid opening. For purposes of this Section due advertisement includes, but is not limited to, at least one public notice at least 10 days before the bid date in a newspaper published in the district, or if no newspaper is published in the district, in a newspaper of general circulation in the area of the district. State master contracts and certified education purchasing contracts, as defined in Article 28A of this Code, are not subject to the requirements of this paragraph.

Under this Section, the acceptance of bids sealed by a bidder and the opening of these bids at a public bid opening may be permitted by an electronic process for communicating, accepting, and opening competitive bids. However, bids for construction purposes are prohibited from being communicated, accepted, or opened electronically. An electronic bidding process must provide for, but is not limited to, the following safeguards:

(1) On the date and time certain of a bid opening, the primary person conducting the competitive, sealed, electronic bid process shall log onto a specified database using a unique username and password previously assigned to the bidder to allow access to the bidder's specific bid project number.

(2) The specified electronic database must be on a network that (i) is in a secure environment behind a firewall; (ii) has specific encryption tools; (iii) maintains specific intrusion detection systems; (iv) has redundant systems architecture with data storage back-up, whether by compact disc or tape; and (v) maintains a disaster recovery plan.

New matter indicated by italics - deletions by strikeout
It is the legislative intent of Public Act 96-841 to maintain the integrity of the sealed bidding process provided for in this Section, to further limit any possibility of bid-rigging, to reduce administrative costs to school districts, and to effect efficiencies in communications with bidders.

(b) To require, as a condition of any contract for goods and services, that persons bidding for and awarded a contract and all affiliates of the person collect and remit Illinois Use Tax on all sales of tangible personal property into the State of Illinois in accordance with the provisions of the Illinois Use Tax Act regardless of whether the person or affiliate is a "retailer maintaining a place of business within this State" as defined in Section 2 of the Use Tax Act. For purposes of this Section, the term "affiliate" means any entity that (1) directly, indirectly, or constructively controls another entity, (2) is directly, indirectly, or constructively controlled by another entity, or (3) is subject to the control of a common entity. For purposes of this subsection (b), an entity controls another entity if it owns, directly or individually, more than 10% of the voting securities of that entity. As used in this subsection (b), the term "voting security" means a security that (1) confers upon the holder the right to vote for the election of members of the board of directors or similar governing body of the business or (2) is convertible into, or entitles the holder to receive upon its exercise, a security that confers such a right to vote. A general partnership interest is a voting security.

To require that bids and contracts include a certification by the bidder or contractor that the bidder or contractor is not barred from bidding for or entering into a contract under this Section and that the bidder or contractor acknowledges that the school board may declare the contract void if the certification completed pursuant to this subsection (b) is false.

(b-5) To require all contracts and agreements that pertain to goods and services and that are intended to generate additional revenue and other remunerations for the school district in excess of $1,000, including vending machine contracts, sports and other attire, class rings, and photographic services, to be approved by the school board. The school board shall file as an attachment to its annual budget a report, in a form as determined by the State Board of Education, indicating for the prior year the name of the vendor, the product or service provided, and the actual net revenue and non-monetary remuneration from each of the contracts or agreements. In addition, the report shall indicate for what

New matter indicated by italics - deletions by strikeout
purpose the revenue was used and how and to whom the non-monetary remuneration was distributed.

(b-10) To prohibit any contract to purchase food with a bidder or offeror if the bidder's or offeror's contract terms prohibit the school from donating food to food banks, including, but not limited to, homeless shelters, food pantries, and soup kitchens.

(c) If the State education purchasing entity creates a master contract as defined in Article 28A of this Code, then the State education purchasing entity shall notify school districts of the existence of the master contract.

(d) In purchasing supplies, materials, equipment, or services that are not subject to subsection (c) of this Section, before a school district solicits bids or awards a contract, the district may review and consider as a bid under subsection (a) of this Section certified education purchasing contracts that are already available through the State education purchasing entity.

(20 ILCS 301/20-25 new)

subsection (c).
(b) This Section applies to all abandoned property held by any
federal, state or local government or governmental subdivision, agency,

The State Treasurer may postpone the bringing of the action until sufficient United States savings bonds have accumulated in the State Treasurer’s custody to justify the expense of the proceedings.

"ABLE account plan" or "plan" means the savings account plan provided for in this Section.
"Account administrator" means the person selected by the State Treasurer to administer the daily operations of the ABLE account plan and provide marketing, recordkeeping, investment management, and other services for the plan.

"Contracting state" means a state without a qualified ABLE program which has entered into a contract with Illinois to provide residents of the contracting state access to a qualified ABLE program.

"Designated representative" means a person who is authorized to act on behalf of an account owner. An account owner is authorized to act on his or her own behalf unless the account owner is a minor or the account owner has been adjudicated to have a disability so that a guardian has been appointed. A designated representative acts in a fiduciary capacity to the account owner. The State Treasurer shall recognize a person as a designated representative without appointment by a court in the following order of priority:

(1) The account owner's plenary guardian of the estate, or the account owner's limited guardian of financial or contractual matters. Any guardian acting in this capacity shall not be required to seek court approval for any ABLE qualified distributions.

(2) The agent named by the account owner in a property power of attorney recognized as a statutory short form power of attorney for property.

(3) Such individual or entity that the account owner so designates in writing, in a manner to be established by the State Treasurer.

(4) Such other individual or entity designated by the State Treasurer pursuant to its rules.

"Participation agreement" means an agreement to participate in the ABLE account plan between an account owner and the State, through its agencies and the State Treasurer.

"Qualified withdrawal" or "qualified distribution" means a withdrawal from an ABLE account to pay the qualified disability expenses of the beneficiary of the account.

(b) The "Achieving a Better Life Experience" or "ABLE" account program is hereby created and shall be administered by the State Treasurer. The purpose of the ABLE plan is to encourage and assist individuals and families in saving private funds for the purpose of

New matter indicated by italics - deletions by strikeout
supporting individuals with disabilities to maintain health, independence, and quality of life, and to provide secure funding for disability-related expenses on behalf of designated beneficiaries with disabilities that will supplement, but not supplant, benefits provided through private insurance, federal and State medical and disability insurance, the beneficiary's employment, and other sources. Under the plan, a person may make contributions to an ABLE account to meet the qualified disability expenses of the designated beneficiary of the account. The plan must be operated as an accounts-type plan that permits persons to save for qualified disability expenses incurred by or on behalf of an eligible individual.

The State Treasurer shall promote awareness of the availability and advantages of the ABLE account plan as a way to assist individuals and families in saving private funds for the purpose of supporting individuals with disabilities. The cost of these promotional efforts shall not be funded with fees imposed on participants by the State Treasurer.

The State Treasurer shall not accept contributions for ABLE accounts under this Section until the Internal Revenue Service has issued its final regulations or interim guidance concerning ABLE accounts.

A separate account must be maintained for each beneficiary for whom contributions are made, and no more than one account shall be established per beneficiary. If an ABLE account is established for a designated beneficiary, no account subsequently established for such beneficiary shall be treated as an ABLE account. The preceding sentence shall not apply in the case of an ABLE account established for purposes of a rollover as permitted under Section 529A of the Internal Revenue Code.

An ABLE account may be established under this Section only for a designated beneficiary who is a resident of Illinois, or a resident of a contracting state, or a resident of any other state.

Prior to the establishment of an ABLE account, an account owner must provide documentation to the State Treasurer that the account beneficiary is an eligible individual.

Annual contributions to an ABLE account on behalf of a beneficiary are subject to the requirements of subsection (b) of Section 529A of the Internal Revenue Code. No person may make a contribution to an ABLE account if such a contribution would result in the aggregate account balance of an ABLE account exceeding the account balance limit authorized under Section 529A of the Internal Revenue Code. The Treasurer shall review the contribution limit at least annually.

New matter indicated by italics - deletions by strikeout
The State Treasurer shall administer the plan, including accepting and processing applications, maintaining account records, making payments, and undertaking any other necessary tasks to administer the plan, including the appointment of an account administrator. The State Treasurer may contract with one or more third parties to carry out some or all of these administrative duties, including, but not limited to, providing investment management services, incentives, and marketing the plan.

In designing and establishing the plan's requirements and in negotiating or entering into contracts with third parties under this Section, the State Treasurer shall consult with the Board. The State Treasurer shall establish fees to be imposed on participants to recover the costs of administration, recordkeeping, and investment management. The State Treasurer must use his or her best efforts to keep these fees as low as possible, consistent with efficient administration.

The Illinois ABLE Accounts Administrative Fund is created as a nonappropriated trust fund in the State treasury. The State Treasurer shall use moneys in the Administrative Fund to pay for administrative expenses he or she incurs in the performance of his or her duties under this Section. The State Treasurer shall use moneys in the Administrative Fund to cover administrative expenses incurred under this Section. The Administrative Fund may receive any grants or other moneys designated for administrative purposes from the State, or any unit of federal, state, or local government, or any other person, firm, partnership, or corporation. Any interest earnings that are attributable to moneys in the Administrative Fund must be deposited into the Administrative Fund. Any fees established by the State Treasurer to recover the costs of administration, recordkeeping, and investment management shall be deposited into the Administrative Fund.

Subject to appropriation, the State Treasurer may pay administrative costs associated with the creation and management of the plan until sufficient assets are available in the Administrative Fund for that purpose.

Applications for accounts, account owner data, account data, and data on beneficiaries of accounts are confidential and exempt from disclosure under the Freedom of Information Act.

(c) The State Treasurer may invest the moneys in ABLE accounts in the same manner and in the same types of investments provided for the investment of moneys by the Board. To enhance the safety and liquidity of ABLE accounts, to ensure the diversification of the investment portfolio of
accounts, and in an effort to keep investment dollars in the State, the State Treasurer may make a percentage of each account available for investment in participating financial institutions doing business in the State, except that the accounts may be invested without limit in investment options from open-ended investment companies registered under Section 80a of the federal Investment Company Act of 1940. The State Treasurer may contract with one or more third parties for investment management, recordkeeping, or other services in connection with investing the accounts.

The account administrator shall annually prepare and adopt a written statement of investment policy that includes a risk management and oversight program. The risk management and oversight program shall be designed to ensure that an effective risk management system is in place to monitor the risk levels of the ABLE plan, to ensure that the risks taken are prudent and properly managed, to provide an integrated process for overall risk management, and to assess investment returns as well as risk to determine if the risks taken are adequately compensated compared to applicable performance benchmarks and standards.

The State Treasurer may enter into agreements with other states to either allow Illinois residents to participate in a plan operated by another state or to allow residents of other states to participate in the Illinois ABLE plan.

(d) The State Treasurer shall ensure that the plan meets the requirements for an ABLE account under Section 529A of the Internal Revenue Code. The State Treasurer may request a private letter ruling or rulings from the Internal Revenue Service and must take any necessary steps to ensure that the plan qualifies under relevant provisions of federal law. Notwithstanding the foregoing, any determination by the Secretary of the Treasury of the United States that an account was utilized to make non-qualified distributions shall not result in an ABLE account being disregarded as a resource.

A person may make contributions to an ABLE account on behalf of a beneficiary. Contributions to an account made by persons other than the account owner become the property of the account owner. Contributions to an account shall be considered as a transfer of assets for fair market value. A person does not acquire an interest in an ABLE account by making contributions to an account. A contribution to any account for a beneficiary must be rejected if the contribution would cause either the aggregate or annual account balance of the account to exceed the limits imposed by Section 529A of the Internal Revenue Code.

New matter indicated by italics - deletions by strikeout
Any change in account owner must be done in a manner consistent with Section 529A of the Internal Revenue Code.

Notice of any proposed amendments to the rules and regulations shall be provided to all owners or their designated representatives prior to adoption. Amendments to rules and regulations shall apply only to contributions made after the adoption of the amendment. Amendments to this Section automatically amend the participation agreement. Any amendments to the operating procedures and policies of the plan shall automatically amend the participation agreement after adoption by the State Treasurer.

All assets of the plan, including any contributions to accounts, are held in trust for the exclusive benefit of the account owner and shall be considered spendthrift accounts exempt from all of the owner's creditors. The plan shall provide separate accounting for each designated beneficiary sufficient to satisfy the requirements of paragraph (3) of subsection (b) of Section 529A of the Internal Revenue Code. Assets must be held in either a state trust fund outside the State treasury, to be known as the Illinois ABLE plan trust fund, or in accounts with a third-party provider selected pursuant to this Section. Amounts contributed to ABLE accounts shall not be commingled with State funds and the State shall have no claim to or against, or interest in, such funds.

Plan assets are not subject to claims by creditors of the State and are not subject to appropriation by the State. Payments from the Illinois ABLE account plan shall be made under this Section.

The assets of ABLE accounts and their income may not be used as security for a loan.

The assets of ABLE accounts and their income and operation shall be exempt from all taxation by the State of Illinois and any of its subdivisions to the extent exempt from federal income taxation. The accrued earnings on investments in an ABLE account once disbursed on behalf of a designated beneficiary shall be similarly exempt from all taxation by the State of Illinois and its subdivisions to the extent exempt from federal income taxation, so long as they are used for qualified expenses.

Notwithstanding any other provision of law that requires consideration of one or more financial circumstances of an individual, for the purpose of determining eligibility to receive, or the amount of, any assistance or benefit authorized by such provision to be provided to or for the benefit of such individual, any amount, including earnings thereon, in

the ABLE account of such individual, any contributions to the ABLE account of the individual, and any distribution for qualified disability expenses shall be disregarded for such purpose with respect to any period during which such individual maintains, makes contributions to, or receives distributions from such ABLE account.

(e) The account owner or the designated representative of the account owner may request that a qualified distribution be made for the benefit of the account owner. Qualified distributions shall be made for qualified disability expenses allowed pursuant to Section 529A of the Internal Revenue Code. Qualified distributions must be withdrawn proportionally from contributions and earnings in an account owner's account on the date of distribution as provided in Section 529A of the Internal Revenue Code. Upon the death of a beneficiary, the amount remaining in the beneficiary's account must be distributed pursuant to subsection (f) of Section 529A of the Internal Revenue Code.

(f) The State Treasurer may adopt rules to carry out the purposes of this Section. The State Treasurer shall further have the power to issue peremptory rules necessary to ensure that ABLE accounts meet all of the requirements for a qualified state ABLE program under Section 529A of the Internal Revenue Code and any regulations issued by the Internal Revenue Service.

PUBLIC ACT 99-0566
(Senate Bill No. 2331)

AN ACT concerning public aid.

Be it enacted by the People of the State of Illinois, represented in the General Assembly:

Section 5. The Illinois Public Aid Code is amended by changing Section 5-30 as follows:

(305 ILCS 5/5-30)

Sec. 5-30. Care coordination.

(a) At least 50% of recipients eligible for comprehensive medical benefits in all medical assistance programs or other health benefit programs administered by the Department, including the Children's Health Insurance Program Act and the Covering ALL KIDS Health Insurance Act, shall be enrolled in a care coordination program by no later than January 1, 2015. For purposes of this Section, "coordinated care" or "care

New matter indicated by italics - deletions by strikeout
coordination" means delivery systems where recipients will receive their care from providers who participate under contract in integrated delivery systems that are responsible for providing or arranging the majority of care, including primary care physician services, referrals from primary care physicians, diagnostic and treatment services, behavioral health services, in-patient and outpatient hospital services, dental services, and rehabilitation and long-term care services. The Department shall designate or contract for such integrated delivery systems (i) to ensure enrollees have a choice of systems and of primary care providers within such systems; (ii) to ensure that enrollees receive quality care in a culturally and linguistically appropriate manner; and (iii) to ensure that coordinated care programs meet the diverse needs of enrollees with developmental, mental health, physical, and age-related disabilities.

(b) Payment for such coordinated care shall be based on arrangements where the State pays for performance related to health care outcomes, the use of evidence-based practices, the use of primary care delivered through comprehensive medical homes, the use of electronic medical records, and the appropriate exchange of health information electronically made either on a capitated basis in which a fixed monthly premium per recipient is paid and full financial risk is assumed for the delivery of services, or through other risk-based payment arrangements.

(c) To qualify for compliance with this Section, the 50% goal shall be achieved by enrolling medical assistance enrollees from each medical assistance enrollment category, including parents, children, seniors, and people with disabilities to the extent that current State Medicaid payment laws would not limit federal matching funds for recipients in care coordination programs. In addition, services must be more comprehensively defined and more risk shall be assumed than in the Department's primary care case management program as of January 25, 2011 (the effective date of Public Act 96-1501) this amendatory Act of the 96th General Assembly.

(d) The Department shall report to the General Assembly in a separate part of its annual medical assistance program report, beginning April, 2012 until April, 2016, on the progress and implementation of the care coordination program initiatives established by the provisions of Public Act 96-1501 this amendatory Act of the 96th General Assembly. The Department shall include in its April 2011 report a full analysis of federal laws or regulations regarding upper payment limitations to providers and the necessary revisions or adjustments in rate methodologies
and payments to providers under this Code that would be necessary to implement coordinated care with full financial risk by a party other than the Department.

(e) Integrated Care Program for individuals with chronic mental health conditions.

(1) The Integrated Care Program shall encompass services administered to recipients of medical assistance under this Article to prevent exacerbations and complications using cost-effective, evidence-based practice guidelines and mental health management strategies.

(2) The Department may utilize and expand upon existing contractual arrangements with integrated care plans under the Integrated Care Program for providing the coordinated care provisions of this Section.

(3) Payment for such coordinated care shall be based on arrangements where the State pays for performance related to mental health outcomes on a capitated basis in which a fixed monthly premium per recipient is paid and full financial risk is assumed for the delivery of services, or through other risk-based payment arrangements such as provider-based care coordination.

(4) The Department shall examine whether chronic mental health management programs and services for recipients with specific chronic mental health conditions do any or all of the following:

(A) Improve the patient's overall mental health in a more expeditious and cost-effective manner.

(B) Lower costs in other aspects of the medical assistance program, such as hospital admissions, emergency room visits, or more frequent and inappropriate psychotropic drug use.

(5) The Department shall work with the facilities and any integrated care plan participating in the program to identify and correct barriers to the successful implementation of this subsection (e) prior to and during the implementation to best facilitate the goals and objectives of this subsection (e).

(f) A hospital that is located in a county of the State in which the Department mandates some or all of the beneficiaries of the Medical Assistance Program residing in the county to enroll in a Care Coordination Program, as set forth in Section 5-30 of this Code, shall not be eligible for
any non-claims based payments not mandated by Article V-A of this Code for which it would otherwise be qualified to receive, unless the hospital is a Coordinated Care Participating Hospital no later than 60 days after June 14, 2012 (the effective date of Public Act 97-689) this amendatory Act of the 97th General Assembly or 60 days after the first mandatory enrollment of a beneficiary in a Coordinated Care program. For purposes of this subsection, "Coordinated Care Participating Hospital" means a hospital that meets one of the following criteria:

1. The hospital has entered into a contract to provide hospital services with one or more MCOs to enrollees of the care coordination program.

2. The hospital has not been offered a contract by a care coordination plan that the Department has determined to be a good faith offer and that pays at least as much as the Department would pay, on a fee-for-service basis, not including disproportionate share hospital adjustment payments or any other supplemental adjustment or add-on payment to the base fee-for-service rate, except to the extent such adjustments or add-on payments are incorporated into the development of the applicable MCO capitated rates.

As used in this subsection (f), "MCO" means any entity which contracts with the Department to provide services where payment for medical services is made on a capitated basis.

(g) No later than August 1, 2013, the Department shall issue a purchase of care solicitation for Accountable Care Entities (ACE) to serve any children and parents or caretaker relatives of children eligible for medical assistance under this Article. An ACE may be a single corporate structure or a network of providers organized through contractual relationships with a single corporate entity. The solicitation shall require that:

1. An ACE operating in Cook County be capable of serving at least 40,000 eligible individuals in that county; an ACE operating in Lake, Kane, DuPage, or Will Counties be capable of serving at least 20,000 eligible individuals in those counties and an ACE operating in other regions of the State be capable of serving at least 10,000 eligible individuals in the region in which it operates. During initial periods of mandatory enrollment, the Department shall require its enrollment services contractor to use a

New matter indicated by italics - deletions by strikeout
default assignment algorithm that ensures if possible an ACE reaches the minimum enrollment levels set forth in this paragraph.

(2) An ACE must include at a minimum the following types of providers: primary care, specialty care, hospitals, and behavioral healthcare.

(3) An ACE shall have a governance structure that includes the major components of the health care delivery system, including one representative from each of the groups listed in paragraph (2).

(4) An ACE must be an integrated delivery system, including a network able to provide the full range of services needed by Medicaid beneficiaries and system capacity to securely pass clinical information across participating entities and to aggregate and analyze that data in order to coordinate care.

(5) An ACE must be capable of providing both care coordination and complex case management, as necessary, to beneficiaries. To be responsive to the solicitation, a potential ACE must outline its care coordination and complex case management model and plan to reduce the cost of care.

(6) In the first 18 months of operation, unless the ACE selects a shorter period, an ACE shall be paid care coordination fees on a per member per month basis that are projected to be cost neutral to the State during the term of their payment and, subject to federal approval, be eligible to share in additional savings generated by their care coordination.

(7) In months 19 through 36 of operation, unless the ACE selects a shorter period, an ACE shall be paid on a pre-paid capitation basis for all medical assistance covered services, under contract terms similar to Managed Care Organizations (MCO), with the Department sharing the risk through either stop-loss insurance for extremely high cost individuals or corridors of shared risk based on the overall cost of the total enrollment in the ACE. The ACE shall be responsible for claims processing, encounter data submission, utilization control, and quality assurance.

(8) In the fourth and subsequent years of operation, an ACE shall convert to a Managed Care Community Network (MCCN), as defined in this Article, or Health Maintenance Organization pursuant to the Illinois Insurance Code, accepting full-risk capitation payments.

New matter indicated by italics - deletions by strikeout
The Department shall allow potential ACE entities 5 months from the date of the posting of the solicitation to submit proposals. After the solicitation is released, in addition to the MCO rate development data available on the Department's website, subject to federal and State confidentiality and privacy laws and regulations, the Department shall provide 2 years of de-identified summary service data on the targeted population, split between children and adults, showing the historical type and volume of services received and the cost of those services to those potential bidders that sign a data use agreement. The Department may add up to 2 non-state government employees with expertise in creating integrated delivery systems to its review team for the purchase of care solicitation described in this subsection. Any such individuals must sign a no-conflict disclosure and confidentiality agreement and agree to act in accordance with all applicable State laws.

During the first 2 years of an ACE's operation, the Department shall provide claims data to the ACE on its enrollees on a periodic basis no less frequently than monthly.

Nothing in this subsection shall be construed to limit the Department's mandate to enroll 50% of its beneficiaries into care coordination systems by January 1, 2015, using all available care coordination delivery systems, including Care Coordination Entities (CCE), MCCNs, or MCOs, nor be construed to affect the current CCEs, MCCNs, and MCOs selected to serve seniors and persons with disabilities prior to that date.

Nothing in this subsection precludes the Department from considering future proposals for new ACEs or expansion of existing ACEs at the discretion of the Department.

(h) Department contracts with MCOs and other entities reimbursed by risk based capitation shall have a minimum medical loss ratio of 85%, shall require the entity to establish an appeals and grievances process for consumers and providers, and shall require the entity to provide a quality assurance and utilization review program. Entities contracted with the Department to coordinate healthcare regardless of risk shall be measured utilizing the same quality metrics. The quality metrics may be population specific. Any contracted entity serving at least 5,000 seniors or people with disabilities or 15,000 individuals in other populations covered by the Medical Assistance Program that has been receiving full-risk capitation for a year shall be accredited by a national accreditation organization authorized by the Department within 2 years after the date it is eligible to

New matter indicated by italics - deletions by strikeout
become accredited. The requirements of this subsection shall apply to contracts with MCOs entered into or renewed or extended after June 1, 2013.

(h-5) The Department shall monitor and enforce compliance by MCOs with agreements they have entered into with providers on issues that include, but are not limited to, timeliness of payment, payment rates, and processes for obtaining prior approval. The Department may impose sanctions on MCOs for violating provisions of those agreements that include, but are not limited to, financial penalties, suspension of enrollment of new enrollees, and termination of the MCO's contract with the Department. As used in this subsection (h-5), "MCO" has the meaning ascribed to that term in Section 5-30.1 of this Code.

(i) Unless otherwise required by federal law, Medicaid Managed Care Entities and their respective business associates shall not disclose divulge, directly or indirectly, including by sending a bill or explanation of benefits, information concerning the sensitive health services received by enrollees of the Medicaid Managed Care Entity to any person other than covered entities and business associates, which may receive, use, and further disclose such information solely for the purposes permitted under applicable federal and State laws and regulations if such use and further disclosure satisfies all applicable requirements of such laws and regulations providers and care coordinators caring for the enrollee and employees of the entity in the course of the entity's internal operations. The Medicaid Managed Care Entity or its respective business associates may disclose divulge information concerning the sensitive health services if the enrollee who received the sensitive health services requests the information from the Medicaid Managed Care Entity or its respective business associates and authorized the sending of a bill or explanation of benefits. Communications including, but not limited to, statements of care received or appointment reminders either directly or indirectly to the enrollee from the health care provider, health care professional, and care coordinators, remain permissible. Medicaid Managed Care Entities or their respective business associates may communicate directly with their enrollees regarding care coordination activities for those enrollees.

For the purposes of this subsection, the term "Medicaid Managed Care Entity" includes Care Coordination Entities, Accountable Care Entities, Managed Care Organizations, and Managed Care Community Networks.
For purposes of this subsection, the term "sensitive health services" means mental health services, substance abuse treatment services, reproductive health services, family planning services, services for sexually transmitted infections and sexually transmitted diseases, and services for sexual assault or domestic abuse. Services include prevention, screening, consultation, examination, treatment, or follow-up.

*For purposes of this subsection, "business associate", "covered entity", "disclosure", and "use" have the meanings ascribed to those terms in 45 CFR 160.103.*

Nothing in this subsection shall be construed to relieve a Medicaid Managed Care Entity or the Department of any duty to report incidents of sexually transmitted infections to the Department of Public Health or to the local board of health in accordance with regulations adopted under a statute or ordinance or to report incidents of sexually transmitted infections as necessary to comply with the requirements under Section 5 of the Abused and Neglected Child Reporting Act or as otherwise required by State or federal law.

The Department shall create policy in order to implement the requirements in this subsection.

(j) (i) Managed Care Entities (MCEs), including MCOs and all other care coordination organizations, shall develop and maintain a written language access policy that sets forth the standards, guidelines, and operational plan to ensure language appropriate services and that is consistent with the standard of meaningful access for populations with limited English proficiency. The language access policy shall describe how the MCEs will provide all of the following required services:

1. Translation (the written replacement of text from one language into another) of all vital documents and forms as identified by the Department.

2. Qualified interpreter services (the oral communication of a message from one language into another by a qualified interpreter).

3. Staff training on the language access policy, including how to identify language needs, access and provide language assistance services, work with interpreters, request translations, and track the use of language assistance services.

4. Data tracking that identifies the language need.

5. Notification to participants on the availability of language access services and on how to access such services.

The association shall bear the cost of the fidelity insurance and fidelity bond, unless otherwise provided by contract between the association and a management company. The association shall be the direct obligee of any such fidelity bond. A management company holding reserve funds of an association shall at all times maintain a separate account for each association, provided, however, that for investment purposes, the Board of Managers of an association may authorize a management company to maintain the association's reserve funds in a single interest bearing account with similar funds of other associations. later than the date of occupancy or 10 days after the lease is signed, whichever occurs first. In addition to any other remedies, by filing an action jointly against the tenant and the unit owner, an association may seek to enjoin a tenant from occupying a unit or seek to evict a tenant under the provisions of Article IX of the Code of Civil Procedure for failure of the lessor-owner to comply with the leasing requirements prescribed by this Section or by the declaration, bylaws, and rules and regulations. The board of managers may proceed directly against a tenant, at law or in equity, or under the provisions of Article IX of the Code of Civil Procedure, for any other breach by tenant of any covenants, rules, regulations or bylaws.

(p) That when 30% or fewer of the units, by number, possess over 50% in the aggregate of the votes in the association, any percentage vote of members specified herein or in the condominium instruments shall require the specified percentage by number of units rather than by percentage of interest in the common elements allocated to units that would otherwise be applicable and garage units or storage units, or both, shall have, in total, no more votes than their aggregate percentage of ownership in the common elements; this shall mean that if garage units or storage units, or both, are to be given a vote, or portion of a vote, that the association must add the total number of votes cast of garage units, storage units, or both, and divide the total by the number of garage units, storage units, or both, and multiply by the aggregate percentage of ownership of garage units and storage units to determine the vote, or portion of a vote, that garage units or storage units, or both, have. For purposes of this subsection (p), when making a determination of whether 30% or fewer of the units, by number, possess over 50% in the aggregate of the votes in the association, a unit shall not include a garage unit or a storage unit.

(q) That a unit owner may not assign, delegate, transfer, surrender, or avoid the duties, responsibilities, and liabilities of a unit owner under this Act, the condominium instruments, or the rules and regulations of the Association; and that such an attempted assignment, delegation, transfer, surrender, or avoidance shall be deemed void.

The provisions of this Section are applicable to all condominium instruments recorded under this Act. Any portion of a condominium instrument which contains provisions contrary to these provisions shall be void as against public policy and ineffective. Any such instrument which
fails to contain the provisions required by this Section shall be deemed to
incorporate such provisions by operation of law.

The management company shall at all times maintain records identifying all moneys of each association in such investment account. The management company may hold all operating funds of associations which it manages in a single operating account but shall at all times maintain records identifying all moneys of each association in such operating account. Such operating and reserve funds held by the management company for the association shall not be subject to attachment by any creditor of the management company.

For the purpose of this subsection, a management company shall be defined as a person, partnership, corporation, or other legal entity entitled to transact business on behalf of others, acting on behalf of or as an agent for a unit owner, unit owners or association of unit owners for the purpose of carrying out the duties, responsibilities, and other obligations necessary for the day to day operation and management of any property subject to this Act. For purposes of this subsection, the term "fiduciary insurance
coverage" shall be defined as both a fidelity bond and directors and officers liability coverage, the fidelity bond in the full amount of association funds and association reserves that will be in the custody of the association, and the directors and officers liability coverage at a level as shall be determined to be reasonable by the board of managers, if not otherwise established by the declaration or by laws.

Until one year after September 21, 1985 (the effective date of Public Act 84-722) this amendatory Act of 1985, if a condominium association has reserves plus assessments in excess of $250,000 and cannot reasonably obtain 100% fidelity bond coverage for such amount, then it must obtain a fidelity bond coverage of $250,000.

(h) Method of estimating the amount of the annual budget, and the manner of assessing and collecting from the unit owners their respective shares of such estimated expenses, and of any other expenses lawfully agreed upon.

(i) That upon 10 days notice to the manager or board of managers and payment of a reasonable fee, any unit owner shall be furnished a statement of his account setting forth the amount of any unpaid assessments or other charges due and owing from such owner.

(j) Designation and removal of personnel necessary for the maintenance, repair and replacement of the common elements.

(k) Such restrictions on and requirements respecting the use and maintenance of the units and the use of the common elements, not set forth in the declaration, as are designed to prevent unreasonable interference with the use of their respective units and of the common elements by the several unit owners.

(l) Method of adopting and of amending administrative rules and regulations governing the operation and use of the common elements.

(m) The percentage of votes required to modify or amend the bylaws, but each one of the particulars set forth in this section shall always be embodied in the bylaws.

(n)(i) The provisions of this Act, the declaration, bylaws, other condominium instruments, and rules and regulations that relate to the use of the individual unit or the common elements shall be applicable to any person leasing a unit and shall be deemed to be incorporated in any lease executed or renewed on or after August 30, 1984 (the effective date of Public Act 83-1271) this amendatory Act of 1984.

(ii) With regard to any lease entered into subsequent to July 1, 1990 (the effective date of Public Act 86-991) this amendatory Act of

1989, the unit owner leasing the unit shall deliver a copy of the signed lease to the board or if the lease is oral, a memorandum of the lease, not later than the date of occupancy or 10 days after the lease is signed, whichever occurs first. In addition to any other remedies, by filing an action jointly against the tenant and the unit owner, an association may seek to enjoin a tenant from occupying a unit or seek to evict a tenant under the provisions of Article IX of the Code of Civil Procedure for failure of the lessor-owner to comply with the leasing requirements prescribed by this Section or by the declaration, bylaws, and rules and regulations. The board of managers may proceed directly against a tenant, at law or in equity, or under the provisions of Article IX of the Code of Civil Procedure, for any other breach by tenant of any covenants, rules, regulations or bylaws.

(o) The association shall have no authority to forbear the payment of assessments by any unit owner.

(p) That when 30% or fewer of the units, by number, possess over 50% in the aggregate of the votes in the association, any percentage vote of members specified herein or in the condominium instruments shall require the specified percentage by number of units rather than by percentage of interest in the common elements allocated to units that would otherwise be applicable and garage units or storage units, or both, shall have, in total, no more votes than their aggregate percentage of ownership in the common elements; this shall mean that if garage units or storage units, or both, are to be given a vote, or portion of a vote, that the association must add the total number of votes cast of garage units, storage units, or both, and divide the total by the number of garage units, storage units, or both, and multiply by the aggregate percentage of ownership of garage units and storage units to determine the vote, or portion of a vote, that garage units or storage units, or both, have. For purposes of this subsection (p), when making a determination of whether 30% or fewer of the units, by number, possess over 50% in the aggregate of the votes in the association, a unit shall not include a garage unit or a storage unit.

(q) That a unit owner may not assign, delegate, transfer, surrender, or avoid the duties, responsibilities, and liabilities of a unit owner under this Act, the condominium instruments, or the rules and regulations of the Association; and that such an attempted assignment, delegation, transfer, surrender, or avoidance shall be deemed void.

The provisions of this Section are applicable to all condominium instruments recorded under this Act. Any portion of a condominium

instrument which contains provisions contrary to these provisions shall be void as against public policy and ineffective. Any such instrument which fails to contain the provisions required by this Section shall be deemed to incorporate such provisions by operation of law.

The Director may make available to the Secretary of the Treasury of the United States or his delegate, or the proper officer or his delegate of any other state imposing a tax upon or measured by income, for exclusively official purposes, information received by the Department in the administration of this Act, but such permission shall be granted only if the United States or such other state, as the case may be, grants the Department substantially similar privileges. The Director may exchange information with the Department of Healthcare and Family Services and the Department of Human Services (acting as successor to the Department of Public Aid under the Department of Human Services Act) for the purpose of verifying sources and amounts of income and for other purposes directly connected with the administration of this Act, the Illinois Public Aid Code, and any other health benefit program administered by the State. Sec. 60. Program implementation and enrollment. Except as otherwise provided in Section 93 of this Act, the Program shall be implemented, and enrollment of employees shall begin, within 24 months after the effective date of this Act. The provisions of this Section shall be in force after the Board opens the Program for enrollment.

(b) Employers shall automatically enroll in the Program each of their employees who has not opted out of participation in the Program using the form described in subsection (c) of Section 55 of this Act and shall provide payroll deduction retirement savings arrangements for such employees and deposit, on behalf of such employees, these funds into the Program. Small employers may, but are not required to, provide payroll deduction retirement savings arrangements for each employee who elects to participate in the Program. Small employers' use of automatic enrollment for employees is subject to final rules from the United States Department of Labor. Utilization of automatic enrollment by small employers may be allowed only if it does not create employer liability under the federal Employee Retirement Income Security Act.
(c) Enrollees shall have the ability to select a contribution level into the Fund. This level may be expressed as a percentage of wages or as a dollar amount up to the deductible amount for the enrollee's taxable year under Section 219(b)(1)(A) of the Internal Revenue Code. Enrollees may change their contribution level at any time, subject to rules promulgated by the Board. If an enrollee fails to select a contribution level using the form described in subsection (c) of Section 55 of this Act, then he or she shall contribute 3% of his or her wages to the Program, provided that such contributions shall not cause the enrollee's total contributions to IRAs for the year to exceed the deductible amount for the enrollee's taxable year under Section 219(b)(1)(A) of the Internal Revenue Code.
(d) Enrollees may select an investment option from the permitted investment options listed in Section 45 of this Act. Enrollees may change their investment option at any time, subject to rules promulgated by the

If the Board has not selected a default investment option under subsection (c) of Section 45 of this Act, then an enrollee who fails to select an investment option shall be placed in the life-cycle fund investment option.

(e) Following initial implementation of the Program pursuant to this Section, at least once every year, participating employers shall designate an open enrollment period during which employees who previously opted out of the Program may enroll in the Program.

(f) An employee who opts out of the Program who subsequently wants to participate through the participating employer's payroll deposit retirement savings arrangement may only enroll during the participating employer's designated open enrollment period or if permitted by the participating employer at an earlier time.

(g) Employers shall retain the option at all times to set up any type of employer-sponsored retirement plan, such as a defined benefit plan or a 401(k), Simplified Employee Pension (SEP) plan, or Savings Incentive Match Plan for Employees (SIMPLE) plan, or to offer an automatic enrollment payroll deduction IRA, instead of having a payroll deposit retirement savings arrangement to allow employee participation in the Program.

(h) An employee may terminate his or her participation in the Program at any time in a manner prescribed by the Board.

(i) The Board shall establish and maintain an Internet website designed to assist employers in identifying private sector providers of retirement arrangements that can be set up by the employer rather than allowing employee participation in the Program under this Act; however, the Board shall only establish and maintain an Internet website under this subsection if there is sufficient interest in such an Internet website by private sector providers and if the private sector providers furnish the funding necessary to establish and maintain the Internet website. The Board must provide public notice of the availability of and the process for inclusion on the Internet website before it becomes publicly available. This Internet website must be available to the public before the Board opens the Program for enrollment, and the Internet website address must be included on any Internet website posting or other materials regarding the Program offered to the public by the Board.

Such recommendations shall not impose an undue burden on the Department or an unreasonable restriction on those seeking license renewal.

The 2 licensed prescribing psychologist members of the Board and the 2 physician members of the Board shall only deliberate and make recommendations related to the licensure and discipline of prescribing psychologists. Four members shall constitute a quorum, except that all deliberations and recommendations related to the licensure and discipline of prescribing psychologists shall require a quorum of 6 members. (4) has passed an examination authorized by the Department to determine his or her fitness to receive a license.

Applicants for licensure under subsection (3)(a) and (3)(b) of this Section shall complete 2 years of satisfactory supervised experience, at least one of which shall be an internship and one of which shall be postdoctoral. A year of supervised experience is defined as not less than 1,750 hours obtained in not less than 50 weeks based on 35 hours per week for full-time work experience. Full-time supervised experience will be counted only if it is obtained in a single setting for a minimum of 6 months. Part-time and internship experience will be counted only if it is 18 hours or more a week for a minimum of 9 months and is in a single setting. The internship experience required under subsection (3)(a) and (3)(b) of this Section shall be a minimum of 1,750 hours completed within 24 months.

To meet the requirement for satisfactory supervised experience, under this Act the supervision must be performed pursuant to the order, control and full professional responsibility of a licensed clinical psychologist. The clients shall be the clients of the agency or supervisor rather than the supervisee. Supervised experience in which the supervisor receives monetary payment or other consideration from the supervisee or in which the supervisor is hired by or otherwise employed by the supervisee shall not be accepted by the Department as fulfilling the practicum, internship or 2 years of satisfactory supervised experience requirements for licensure.

Examinations for applicants under this Act shall be held at the direction of the Department from time to time but not less than once each year. The scope and form of the examination shall be determined by the Department.

Each applicant for a license who possesses the necessary qualifications therefor shall be examined by the Department, and shall pay to the Department, or its designated testing service, the required examination fee, which fee shall not be refunded by the Department.

Applicants have 3 years from the date of application to complete the application process. If the process has not been completed in 3 years, the application shall be denied, the fee shall be forfeited, and the applicant must reapply and meet the requirements in effect at the time of reapplication.

(21) Failing to report to the Department any adverse final action taken against a licensee or applicant by another licensing jurisdiction, including any other state or territory of the United States or any foreign state or country, or any peer review body, health care institution, professional society or association related to the profession, governmental agency, law enforcement agency, or court for an act or conduct similar to an act or conduct that would constitute grounds for disciplinary action as set forth in this Section.

(22) Prescribing, selling, administering, distributing, giving, or self-administering (A) any drug classified as a controlled substance (designated product) for other than medically accepted therapeutic purposes or (B) any narcotic drug.

(23) Violating state or federal laws or regulations relating to controlled substances, legend drugs, or ephedra as defined in the Ephedra Prohibition Act.

The entry of an order by any circuit court establishing that any person holding a license under this Act is subject to involuntary admission or judicial admission as provided for in the Mental Health and Developmental Disabilities Code, operates as an automatic suspension of that license. That person may have his or her license restored only upon the determination by a circuit court that the patient is no longer subject to involuntary admission or judicial admission and the issuance of an order so finding and discharging the patient and upon the Board's recommendation to the Department that the license be restored. Where the circumstances so indicate, the Board may recommend to the Department that it require an examination prior to restoring any license so automatically suspended.

The Department shall may refuse to issue or may suspend the license of any person who fails to file a return, or to pay the tax, penalty or interest shown in a filed return, or to pay any final assessment of the tax

penalty or interest, as required by any tax Act administered by the Illinois Department of Revenue, until such time as the requirements of any such tax Act are satisfied.

In enforcing this Section, the Department or Board upon a showing of a possible violation may compel any person licensed to practice under this Act, or who has applied for licensure or certification pursuant to this Act, to submit to a mental or physical examination, or both, as required by and at the expense of the Department. The examining physicians or clinical psychologists shall be those specifically designated by the Department Board. The Board or the Department may order the examining physician or clinical psychologist to present testimony concerning this mental or physical examination of the licensee or applicant. No information shall be excluded by reason of any common law or statutory privilege relating to communications between the licensee or applicant and the examining physician or clinical psychologist. The person to be examined may have, at his or her own expense, another physician or clinical psychologist of his or her choice present during all aspects of the examination. Failure of any person to submit to a mental or physical examination, when directed, shall be grounds for suspension of a license until the person submits to the examination if the Department or Board finds, after notice and hearing, that the refusal to submit to the examination was without reasonable cause.

If the Department or Board finds a person unable to practice because of the reasons set forth in this Section, the Department or Board may require that person to submit to care, counseling or treatment by physicians or clinical psychologists approved or designated by the Department Board, as a condition, term, or restriction for continued, reinstated, or renewed licensure to practice; or, in lieu of care, counseling or treatment, the Board may recommend to the Department to file or the Department may file a complaint to immediately suspend, revoke or otherwise discipline the license of the person. Any person whose license was granted, continued, reinstated, renewed, disciplined or supervised subject to such terms, conditions or restrictions, and who fails to comply with such terms, conditions or restrictions, shall be referred to the Secretary for a determination as to whether the person shall have his or her license suspended immediately, pending a hearing by the Board.

In instances in which the Secretary immediately suspends a person's license under this Section, a hearing on that person's license must be convened by the Board within 15 days after the suspension and
completed without appreciable delay. The Board shall have the authority to review the subject person's record of treatment and counseling regarding the impairment, to the extent permitted by applicable federal statutes and regulations safeguarding the confidentiality of medical records.

A person licensed under this Act and affected under this Section shall be afforded an opportunity to demonstrate to the Board that he or she can resume practice in compliance with acceptable and prevailing standards under the provisions of his or her license.

The Department shall, before refusing to issue; renew, suspend or revoke any license or take other disciplinary action pursuant to Section 15 of this Act; and at least 30 days prior to the date set for the hearing, notify in writing the applicant for or the holder of such license of any charges made, shall afford such accused person an opportunity to be heard in person or by counsel in reference thereto, and direct the applicant or licensee to file a written answer to the Board under oath within 20 days after the service of the notice and inform the applicant or licensee that failure to file an answer will result in default being taken against the applicant or licensee and that the license or certificate may be suspended; revoked, placed on probationary status, or other disciplinary action may be taken, including limiting the scope, nature or extent of practice, as the Secretary may deem proper. Written notice may be served by delivery of the same personally to the accused person, or by mailing the same by certified mail to his or her last known place of residence or to the place of business last theretofore specified by the accused person in his or her last notification to the Department. The Board may continue such hearing from time to time. If the Board shall not be sitting at the time and place fixed in the notice or at the time and place to which the hearing shall have been continued, the Department shall continue such hearing for a period not to exceed 30 days.

Section 5. The Alcoholism and Other Drug Abuse and Dependency Act is amended by changing Section 40-10 as follows:

(20 ILCS 301/40-10)

Sec. 40-10. Treatment as a condition of probation.

(a) If a court has reason to believe that an individual who is charged with or convicted of a crime suffers from alcoholism or other drug addiction and the court finds that he is eligible to make the election provided for under Section 40-5, the court shall advise the individual that he or she may be sentenced to probation and shall be subject to terms and conditions of probation under Section 5-6-3 of the Unified Code of Corrections if he or she elects to submit to treatment and is accepted for treatment by a designated program. The court shall further advise the individual that:

(1) if he or she elects to submit to treatment and is accepted he or she shall be sentenced to probation and placed under the supervision of the designated program for a period not to exceed the maximum sentence that could be imposed for his conviction or 5 years, whichever is less.

(2) during probation he or she may be treated at the discretion of the designated program.

(3) if he or she adheres to the requirements of the designated program and fulfills the other conditions of probation ordered by the court, he or she will be discharged, but any failure to adhere to the requirements of the designated program is a breach of probation.

The court may certify an individual for treatment while on probation under the supervision of a designated program and probation authorities regardless of the election of the individual.

(b) If the individual elects to undergo treatment or is certified for treatment, the court shall order an examination by a designated program to determine whether he suffers from alcoholism or other drug addiction and is likely to be rehabilitated through treatment. The designated program shall report to the court the results of the examination and recommend
whether the individual should be placed for treatment. If the court, on the basis of the report and other information, finds that such an individual suffers from alcoholism or other drug addiction and is likely to be rehabilitated through treatment, the individual shall be placed on probation and under the supervision of a designated program for treatment and under the supervision of the proper probation authorities for probation supervision unless, giving consideration to the nature and circumstances of the offense and to the history, character and condition of the individual, the court is of the opinion that no significant relationship exists between the addiction or alcoholism of the individual and the crime committed, or that his imprisonment or periodic imprisonment is necessary for the protection of the public, and the court specifies on the record the particular evidence, information or other reasons that form the basis of such opinion. However, under no circumstances shall the individual be placed under the supervision of a designated program for treatment before the entry of a judgment of conviction.

(c) If the court, on the basis of the report or other information, finds that the individual suffering from alcoholism or other drug addiction is not likely to be rehabilitated through treatment, or that his addiction or alcoholism and the crime committed are not significantly related, or that his imprisonment or periodic imprisonment is necessary for the protection of the public, the court shall impose sentence as in other cases. The court may require such progress reports on the individual from the probation officer and designated program as the court finds necessary. No individual may be placed under treatment supervision unless a designated program accepts him for treatment.

(d) Failure of an individual placed on probation and under the supervision of a designated program to observe the requirements set down by the designated program shall be considered a probation violation. Such failure shall be reported by the designated program to the probation officer in charge of the individual and treated in accordance with probation regulations.

(e) Upon successful fulfillment of the terms and conditions of probation the court shall discharge the person from probation. If the person has not previously been convicted of any felony offense and has not previously been granted a vacation of judgment under this Section, upon motion, the court shall vacate the judgment of conviction and dismiss the criminal proceedings against him unless, having considered the nature and circumstances of the offense and the history, character and condition of the

(a) Due Dates. The Illinois transfer tax shall be paid and the Illinois transfer tax return shall be filed on the due date or dates, respectively, including extensions, for paying the federal transfer tax and filing the related federal return.

(b) Installment payments and deferral. In the event that any portion of the federal transfer tax is deferred or to be paid in installments under the provisions of the Internal Revenue Code, the portion of the Illinois transfer tax which is subject to deferral or payable in installments shall be determined by multiplying the Illinois transfer tax by a fraction, the numerator of which is the gross value of the assets included in the transferred property having a tax situs in this State and which give rise to the deferred or installment payment under the Internal Revenue Code, and the denominator of which is the gross value of all assets included in the transferred property having a tax situs in this State. Deferred payments and installment payments, with interest, shall be paid at the same time and in the same manner as payments of the federal transfer tax are required to be made under the applicable Sections of the Internal Revenue Code, provided that the rate of interest on unpaid amounts of Illinois transfer tax shall be determined under this Act. (c) Who shall file and pay. The Illinois transfer tax return (including any supplemental or amended return) shall be filed, and the Illinois transfer tax (including any additional tax that may become due) shall be paid by the same person or persons, respectively, who are required to pay the federal transfer tax and file the federal return, or who would have been required to pay a federal transfer tax and file a federal return if a federal transfer tax were due.

(d) Where to file return. The executed Illinois transfer tax return shall be filed with the Attorney General. In addition, for payments made prior to July 1, 2012, a copy of the Illinois transfer tax return shall be filed with the county treasurer to whom the Illinois transfer tax is paid, determined under subsection (e) of this Section, and, for payments made on or after July 1, 2012, a copy of the Illinois transfer tax return shall be filed with the State Treasurer.

(e) Where to pay tax. The Illinois transfer tax shall be paid according to the following rules:

Prior to July 1, 2012, the Illinois estate tax shall be paid to the treasurer of the county in which the decedent was a resident on the date of the decedent's death or, if the decedent was not a resident of this State on the date of death, the county in which the greater part, by gross value, of the transferred property with a tax situs in this State is located.

(2) Illinois Generation-Skipping Transfer Tax. Prior to July 1, 2012, the Illinois generation-skipping transfer tax involving transferred property from or in a resident trust shall be paid to the county treasurer for the county in which the grantor resided at the time the trust became irrevocable (in the case of an inter vivos trust) or the county in which the decedent resided at death (in the case of a trust created by the will of a decedent). In the case of an Illinois generation-skipping transfer tax involving transferred property from or in a non-resident trust, the Illinois generation-skipping transfer tax shall be paid to the county treasurer for the county in which the greater part, by gross value, of the transferred property with a tax situs in this State is located.

(3) Payments on or after July 1, 2012. On or after July 1, 2012, both the Illinois estate tax and the Illinois generation-skipping transfer tax shall be paid directly to the State Treasurer.

(f) Forms; confidentiality. The Illinois transfer tax return shall be in all respects in the manner and form prescribed by the regulations of the Attorney General. At the same time the Illinois transfer tax return is filed, the person required to file shall also file with the Attorney General a copy of the related federal return. For individuals dying after December 31, 2005, in cases where no federal return is required to be filed, the person required to file an Illinois return shall also file with the Attorney General schedules of assets in the manner and form prescribed by the Attorney General. The Illinois transfer tax return and the copy of the federal return filed with the Attorney General, the county treasurer, or the State Treasurer shall be confidential, and the Attorney General, each county treasurer, and the State Treasurer and all of their assistants or employees are prohibited from divulging in any manner any of the contents of those returns, except only in a proceeding instituted under the provisions of this Act.

(g) County Treasurer shall accept payment. Prior to July 1, 2012, no county treasurer shall refuse to accept payment of any amount due under this Act on the grounds that the county treasurer has not yet received a copy of the appropriate Illinois transfer tax return.

(h) Beginning July 1, 2012, the State Treasurer shall not refuse to accept payment of any amount due under this Act on the grounds that the State Treasurer has not yet received a copy of the appropriate Illinois transfer tax return.

Proof of duty or ordinary disability shall be furnished to the board by at least one licensed and practicing physician appointed by the board, except that this requirement may be waived by the board for proof of duty disability if the employee has been compensated by the county for such disability or specific loss under the Workers' Compensation Act or Workers' Occupational Diseases Act. With respect to duty disability, satisfactory proof must be provided to the board that the final adjudication of the claim required under subsection (d) of Section 9-159 established that the disability or death resulted from an injury incurred in the performance of an act or acts of duty. The board may require other evidence of disability. If the benefit was mistakenly set too high, the Fund may recover the amount overpaid from the recipient thereof, either directly or by deducting such amount from the remaining benefits payable to the recipient, without interest. This Section applies to all mistakes in benefit calculations that occur before, on, or after the effective date of this amendatory Act of the 99th General Assembly.

AN ACT concerning revenue.

Be it enacted by the People of the State of Illinois, represented in the General Assembly:

Section 5. The Property Tax Code is amended by changing Section 16-55 as follows:

(35 ILCS 200/16-55)

Sec. 16-55. Complaints.

(a) On written complaint that any property is overassessed or underassessed, the board shall review the assessment, and correct it, as appears to be just, but in no case shall the property be assessed at a higher percentage of fair cash value than other property in the assessment district prior to equalization by the board or the Department.

(b) The board shall include compulsory sales in reviewing and correcting assessments, including, but not limited to, those compulsory sales submitted by the complainant, if the board determines that those sales reflect the same property characteristics and condition as those originally used to make the assessment. The board shall also consider whether the compulsory sale would otherwise be considered an arm's length transaction.

(c) If a complaint is filed by an attorney on behalf of a complainant, all notices and correspondence from the board relating to the appeal shall be directed to the attorney. The board may require proof of the attorney's authority to represent the taxpayer. If the attorney fails to provide proof of authority within the compliance period granted by the board pursuant to subsection (d), the board may dismiss the complaint. The Board shall send, electronically or by mail, notice of the dismissal to the attorney and complainant.

(d) A complaint to affect the assessment for the current year shall be filed on or before 30 calendar days after the date of publication of the assessment list under Section 12-10. Upon receipt of a written complaint that is timely filed under this Section, the board of review shall docket the complaint. If the complaint does not comply with the board of review rules adopted under Section 9-5 entitling the complainant to a hearing, the board shall send, electronically or by mail, notification acknowledging receipt of the complaint. The notification must identify which rules have not been complied with and provide the complainant with not less than 10 business
days to bring the complaint into compliance with those rules. If the complainant complies with the board of review rules either upon the initial filing of a complaint or within the time as extended by the board of review for compliance, then the board of review shall send, electronically or by mail, a notice of hearing and the board shall hear the complaint and shall issue and send, electronically or by mail, a decision upon resolution. Except as otherwise provided in subsection (c), if the complainant has not complied with the rules within the time as extended by the board of review, the board shall nonetheless issue and send a decision. The board of review may adopt rules allowing any party to attend and participate in a hearing by telephone or electronically.

(d-5) Complaints and other written correspondence sent by the United States mail shall be considered filed as of the postmark date in accordance with Section 1.25 of the Statute on Statutes. Complaints and other written correspondence sent by a delivery service other than the United States Postal System shall be considered as filed as of the date sent as indicated by the shipper's tracking label. If allowed by board of review rule, complaints and other written correspondence transmitted electronically shall be considered filed as of the date received.

(e) The board may also, at any time before its revision of the assessments is completed in every year, increase, reduce or otherwise adjust the assessment of any property, making changes in the valuation as may be just, and shall have full power over the assessment of any person and may do anything in regard thereto that it may deem necessary to make a just assessment, but the property shall not be assessed at a higher percentage of fair cash value than the assessed valuation of other property in the assessment district prior to equalization by the board or the Department.

(f) No assessment shall be increased until the person to be affected has been notified and given an opportunity to be heard, except as provided below.

(g) Before making any reduction in assessments of its own motion, the board of review shall give notice to the assessor or chief county assessment officer who certified the assessment, and give the assessor or chief county assessment officer an opportunity to be heard thereon.

(h) All complaints of errors in assessments of property shall be in writing, and shall be filed by the complaining party with the board of review, in the number of copies required by board of review rule. A copy

shall be filed by the board of review with the assessor or chief county assessment officer who certified the assessment.

(i) In all cases where a change in assessed valuation of $100,000 or more is sought, the board of review shall also serve a copy of the petition on all taxing districts as shown on the last available tax bill at least 14 days prior to the hearing on the complaint. Service may be by electronic means if the taxing district consents to electronic service and provides the board of review with a valid e-mail address for the purpose of receiving service. All taxing districts shall have an opportunity to be heard on the complaint. A taxing district wishing to intervene shall file a request to intervene with the board of review at least five days in advance of a scheduled hearing. If board of review rules require the appellant to submit evidence in advance of a hearing, then any evidence in support of the intervenor's opinion of assessed value must be submitted to the board of review and complainant no later than five calendar days prior to the hearing. Service shall be made as set forth in subsection (d-5), but if board of review rules allow complaints and correspondence to be transmitted electronically, then the intervenor's evidence shall be transmitted electronically.

(i-5) If board of review rules require the appellant to submit evidence in advance of a hearing, then any evidence to support the assessor's opinion of assessed value must be submitted to the board of review and the complainant (or, if represented by an attorney, to the attorney) no later than five calendar days prior to the hearing. Service shall be made as set forth in subsection (d-5), but if board of review rules allow complaints and correspondence to be transmitted electronically, then the assessor's evidence shall be transmitted electronically.

(j) Complaints shall be classified by townships or taxing districts by the clerk of the board of review. All classes of complaints shall be docketed numerically, each in its own class, in the order in which they are presented, in books kept for that purpose, which books shall be open to public inspection. reinsurance for risks beyond the realistic limits of the self-insurance.

(3) Prepare a plan for centralizing the purchase of property and casualty insurance on State property under a master policy or policies and purchase the insurance contracted for as provided in the Illinois Purchasing Act.

(4) Evaluate existing provisions for fidelity bonds required of State employees and recommend changes that are appropriate commensurate with risk experience and the determinations respecting self-insurance or reinsurance so as to permit reduction of costs without loss of coverage.

(5) Investigate procedures for inclusion of school districts, public community college districts, and other units of local government in programs for the centralized purchase of insurance.

(6) Implement recommendations of the State Property Insurance Study Commission that the Department finds necessary or desirable in the performance of its powers and duties under this Section to achieve efficient and comprehensive risk management.

(7) Prepare and, in the discretion of the Director, implement a plan providing for the purchase of public liability insurance or for self-insurance for public liability or for a combination of purchased insurance and self-insurance for public liability (i) covering the State and drivers of motor vehicles owned, leased, or controlled by the State of Illinois pursuant to the provisions and limitations contained in the Illinois Vehicle Code, (ii) covering other public liability exposures of the State and its employees within the scope of their employment, and (iii) covering drivers of motor vehicles not owned, leased, or controlled by the State but used by a State employee on State business, in excess of liability covered by an insurance policy obtained by the owner of the motor vehicle or in excess of the dollar amounts that the Department shall determine to be reasonable. Any contract of insurance let under this Law shall be by bid in accordance with the procedure set forth in the Illinois Purchasing Act. Any provisions for self-insurance shall conform to subdivision (11).

The term "employee" as used in this subdivision (7) and in subdivision (11) means a person while in the employ of the State who is a member of the staff or personnel of a State agency, bureau, board, commission, committee, department, university, or

college or who is a State officer, elected official, commissioner, member of or ex officio member of a State agency, bureau, board, commission, committee, department, university, or college, or a member of the National Guard while on active duty pursuant to orders of the Governor of the State of Illinois, or any other person while using a licensed motor vehicle owned, leased, or controlled by the State of Illinois with the authorization of the State of Illinois, provided the actual use of the motor vehicle is within the scope of that authorization and within the course of State service.

Subsequent to payment of a claim on behalf of an employee pursuant to this Section and after reasonable advance written notice to the employee, the Director may exclude the employee from future coverage or limit the coverage under the plan if (i) the Director determines that the claim resulted from an incident in which the employee was grossly negligent or had engaged in willful and wanton misconduct or (ii) the Director determines that the employee is no longer an acceptable risk based on a review of prior accidents in which the employee was at fault and for which payments were made pursuant to this Section.

The Director is authorized to promulgate administrative rules that may be necessary to establish and administer the plan.

Appropriations from the Road Fund shall be used to pay auto liability claims and related expenses involving employees of the Department of Transportation, the Illinois State Police, and the Secretary of State.

(8) Charge, collect, and receive from all other agencies of the State government fees or monies equivalent to the cost of purchasing the insurance.

The reimbursement shall be determined by the Director as amounts sufficient to reimburse the Department for expenditures incurred in rendering the service.

The Department shall charge the employing State agency or university for workers' compensation payments for temporary total disability paid to any employee after the employee has received temporary total disability payments for 120 days if the employee's

Modified duty shall be duties assigned that may or may not be delineated as part of the duties regularly performed by the employee. Modified duties shall be assigned within the prescribed restrictions established by the treating physician and the physician who performed the independent medical examination. The amount of all reimbursements shall be deposited into the Workers' Compensation Revolving Fund which is hereby created as a revolving fund in the State treasury. In addition to any other purpose authorized by law, moneys in the Fund shall be used, subject to appropriation, to pay these or other temporary total disability claims of employees of State agencies and universities.

Beginning with fiscal year 1996, all amounts recovered by the Department through subrogation in workers' compensation and workers' occupational disease cases shall be deposited into the Workers' Compensation Revolving Fund created under this subdivision (9).

(10) Establish rules, procedures, and forms to be used by State agencies in the administration and payment of workers' compensation claims. For claims filed prior to July 1, 2013, the Department shall initially evaluate and determine the compensability of any injury that is the subject of a workers' compensation claim and provide for the administration and payment of such a claim for all State agencies. For claims filed on or after July 1, 2013, the Department shall retain responsibility for certain administrative payments including, but not limited to, payments to the private vendor contracted to perform services under subdivision (10b) of this Section, payments related to travel expenses for employees of the Office of the Attorney General, and payments to internal Department staff responsible for the oversight and management of any contract awarded pursuant to subdivision (10b) of this Section. Through December 31, 2012, the Director may delegate to any agency with the agreement of the agency head the responsibility for evaluation, administration, and payment of that agency's claims. Neither the Department nor the private vendor contracted to perform services under subdivision (10b) of this

(10a) By April 1 of each year prior to calendar year 2013, the Director must report and provide information to the State Workers' Compensation Program Advisory Board concerning the status of the State workers' compensation program for the next fiscal year. Information that the Director must provide to the State Workers' Compensation Program Advisory Board includes, but is not limited to, documents, reports of negotiations, bid invitations, requests for proposals, specifications, copies of proposed and final contracts or agreements, and any other materials concerning contracts or agreements for the program. By the first of each month prior to calendar year 2013, the Director must provide updated, and any new, information to the State Workers' Compensation Program Advisory Board until the State workers' compensation program for the next fiscal year is determined.

(10b) No later than January 1, 2013, the chief procurement officer appointed under paragraph (4) of subsection (a) of Section 10-20 of the Illinois Procurement Code (hereinafter "chief procurement officer"), in consultation with the Department of Central Management Services, shall procure one or more private vendors to administer the program providing payments for workers' compensation liability with respect to the employees of all State agencies. The chief procurement officer may procure a single contract applicable to all State agencies or multiple contracts applicable to one or more State agencies. If the chief procurement officer procures a single contract applicable to all State agencies, then the Department of Central Management Services shall be designated as the agency that enters into the contract and shall be responsible for the contract. If the chief procurement officer procures multiple contracts applicable to one or more State agencies, each agency to which the contract applies shall be designated as the agency that shall enter into the contract and shall be responsible for the contract. If the chief procurement officer procures contracts applicable to an individual State agency, the agency subject to the contract shall be designated as the agency responsible for the contract.

(10c) The procurement of private vendors for the administration of the workers' compensation program for State employees is subject to the provisions of the Illinois Procurement Code and administration by the chief procurement officer.

(10d) Contracts for the procurement of private vendors for the administration of the workers' compensation program for State employees shall be based upon, but limited to, the following criteria: (i) administrative cost, (ii) service capabilities of the vendor, and (iii) the compensation (including premiums, fees, or other charges). A vendor for the administration of the workers' compensation program for State employees shall provide services, including, but not limited to:

(A) providing a web-based case management system and provide access to the Office of the Attorney General;
(B) ensuring claims adjusters are available to provide testimony or information as requested by the Office of the Attorney General;
(C) establishing a preferred provider program for all State agencies and facilities; and
(D) authorizing the payment of medical bills at the preferred provider discount rate.

(10e) By September 15, 2012, the Department of Central Management Services shall prepare a plan to effectuate the transfer of responsibility and administration of the workers' compensation program for State employees to the selected private vendors. The Department shall submit a copy of the plan to the General Assembly.

against the State and the employee for acts within the scope of the employee's employment giving rise to the claim.

Whenever and to the extent that a State employee operates a motor vehicle or engages in other activity covered by self-insurance under this Section, the State of Illinois shall defend, indemnify, and hold harmless the employee against any claim in tort filed against the employee for acts or omissions within the scope of the employee's employment in any proper judicial forum and not settled pursuant to this subdivision (11), provided that this obligation of the State of Illinois shall not exceed a maximum liability of $2,000,000 for any single occurrence in connection with the operation of a motor vehicle or $100,000 per person per occurrence for any other single occurrence, or $500,000 for any single occurrence in connection with the provision of medical care by a licensed physician, advanced practice nurse, or physician assistant employee.

Any claims against the State of Illinois under a self-insurance plan that are not settled pursuant to this subdivision (11) shall be heard and determined by the Court of Claims and may not be filed or adjudicated in any other forum. The Attorney General of the State of Illinois or the Attorney General's designee shall be the attorney with respect to all public liability self-insurance claims that are not settled pursuant to this subdivision (11) and therefore result in litigation. The payment of any award of the Court of Claims entered against the State relating to any public liability self-insurance claim shall act as a release against any State employee involved in the occurrence.

(12) Administer a plan the purpose of which is to make payments on final settlements or final judgments in accordance with the State Employee Indemnification Act. The plan shall be funded through appropriations from the General Revenue Fund specifically designated for that purpose, except that indemnification expenses for employees of the Department of Transportation, the Illinois State Police, and the Secretary of State shall be paid from the Road Fund. Subject to sufficient appropriation, the Director shall approve payment of any claim, without regard to fiscal year limitations, presented to the

In no event shall an amount in excess of $150,000 be paid from this plan to or for the benefit of any claimant.

(13) Administer a plan the purpose of which is to make payments on final settlements or final judgments for employee wage claims in situations where there was an appropriation relevant to the wage claim, the fiscal year and lapse period have expired, and sufficient funds were available to pay the claim. The plan shall be funded through appropriations from the General Revenue Fund specifically designated for that purpose.

Subject to sufficient appropriation, the Director is authorized to pay any wage claim presented to the Director that is supported by a final settlement or final judgment when the chief officer of the State agency employing the claimant certifies to the Director that the claim is a valid wage claim and that the fiscal year and lapse period have expired. Payment for claims that are properly submitted and certified as valid by the Director shall include interest accrued at the rate of 7% per annum from the forty-fifth day after the claims are received by the Department or 45 days from the date on which the amount of payment is agreed upon, whichever is later, until the date the claims are submitted to the Comptroller for payment. When the Attorney General has filed an appearance in any proceeding concerning a wage claim settlement or judgment, the Attorney General shall certify to the Director that the wage claim is valid before any payment is made. In no event shall an amount in excess of $150,000 be paid from this plan to or for the benefit of any claimant.

Nothing in Public Act 84-961 shall be construed to affect in any manner the jurisdiction of the Court of Claims concerning wage claims made against the State of Illinois.

Section 75. The Property Tax Code is amended by changing Sections 15-168 and 15-172 as follows:

(35 ILCS 200/15-168)

Sec. 15-168. Homestead exemption for persons with disabilities.

(a) Beginning with taxable year 2007, an annual homestead exemption is granted to persons with disabilities in the amount of $2,000, except as provided in subsection (c), to be deducted from the property's value as equalized or assessed by the Department of Revenue. The person with a disability shall receive the homestead exemption upon meeting the following requirements:

(1) The property must be occupied as the primary residence by the person with a disability.

(2) The person with a disability must be liable for paying the real estate taxes on the property.

New matter indicated by italics - deletions by strikeout
(3) The person with a disability must be an owner of record of the property or have a legal or equitable interest in the property as evidenced by a written instrument. In the case of a leasehold interest in property, the lease must be for a single family residence.

A person who has a disability during the taxable year is eligible to apply for this homestead exemption during that taxable year. Application must be made during the application period in effect for the county of residence. If a homestead exemption has been granted under this Section and the person awarded the exemption subsequently becomes a resident of a facility licensed under the Nursing Home Care Act, the Specialized Mental Health Rehabilitation Act of 2013, the ID/DD Community Care Act, or the MC/DD Act, then the exemption shall continue (i) so long as the residence continues to be occupied by the qualifying person's spouse or (ii) if the residence remains unoccupied but is still owned by the person qualified for the homestead exemption.

(b) For the purposes of this Section, "person with a disability" means a person unable to engage in any substantial gainful activity by reason of a medically determinable physical or mental impairment which can be expected to result in death or has lasted or can be expected to last for a continuous period of not less than 12 months. Persons with disabilities filing claims under this Act shall submit proof of disability in such form and manner as the Department shall by rule and regulation prescribe. Proof that a claimant is eligible to receive disability benefits under the Federal Social Security Act shall constitute proof of disability for purposes of this Act. Issuance of an Illinois Person with a Disability Identification Card stating that the claimant is under a Class 2 disability, as defined in Section 4A of the Illinois Identification Card Act, shall constitute proof that the person named thereon is a person with a disability for purposes of this Act. A person with a disability not covered under the Federal Social Security Act and not presenting an Illinois Person with a Disability Identification Card stating that the claimant is under a Class 2 disability shall be examined by a physician, advanced practice nurse, or physician assistant designated by the Department, and his status as a person with a disability determined using the same standards as used by the Social Security Administration. The costs of any required examination shall be borne by the claimant.

(c) For land improved with (i) an apartment building owned and operated as a cooperative or (ii) a life care facility as defined under Section 2 of the Life Care Facilities Act that is considered to be a cooperative, the
maximum reduction from the value of the property, as equalized or assessed by the Department, shall be multiplied by the number of apartments or units occupied by a person with a disability. The person with a disability shall receive the homestead exemption upon meeting the following requirements:

(1) The property must be occupied as the primary residence by the person with a disability.

(2) The person with a disability must be liable by contract with the owner or owners of record for paying the apportioned property taxes on the property of the cooperative or life care facility. In the case of a life care facility, the person with a disability must be liable for paying the apportioned property taxes under a life care contract as defined in Section 2 of the Life Care Facilities Act.

(3) The person with a disability must be an owner of record of a legal or equitable interest in the cooperative apartment building. A leasehold interest does not meet this requirement.

If a homestead exemption is granted under this subsection, the cooperative association or management firm shall credit the savings resulting from the exemption to the apportioned tax liability of the qualifying person with a disability. The chief county assessment officer may request reasonable proof that the association or firm has properly credited the exemption. A person who willfully refuses to credit an exemption to the qualified person with a disability is guilty of a Class B misdemeanor.

(d) The chief county assessment officer shall determine the eligibility of property to receive the homestead exemption according to guidelines established by the Department. After a person has received an exemption under this Section, an annual verification of eligibility for the exemption shall be mailed to the taxpayer.

In counties with fewer than 3,000,000 inhabitants, the chief county assessment officer shall provide to each person granted a homestead exemption under this Section a form to designate any other person to receive a duplicate of any notice of delinquency in the payment of taxes assessed and levied under this Code on the person's qualifying property. The duplicate notice shall be in addition to the notice required to be provided to the person receiving the exemption and shall be given in the manner required by this Code. The person filing the request for the duplicate notice shall pay an administrative fee of $5 to the chief county assessment officer. The assessment officer shall then file the executed

designation with the county collector, who shall issue the duplicate notices as indicated by the designation. A designation may be rescinded by the person with a disability in the manner required by the chief county assessment officer.

(e) A taxpayer who claims an exemption under Section 15-165 or 15-169 may not claim an exemption under this Section.

Sec. 15-172. Senior Citizens Assessment Freeze Homestead Exemption.

(a) This Section may be cited as the Senior Citizens Assessment Freeze Homestead Exemption.

(b) As used in this Section:

"Applicant" means an individual who has filed an application under this Section.

"Base amount" means the base year equalized assessed value of the residence plus the first year's equalized assessed value of any added improvements which increased the assessed value of the residence after the base year.

"Base year" means the taxable year prior to the taxable year for which the applicant first qualifies and applies for the exemption provided that in the prior taxable year the property was improved with a permanent structure that was occupied as a residence by the applicant who was liable for paying real property taxes on the property and who was either (i) an owner of record of the property or had legal or equitable interest in the property as evidenced by a written instrument or (ii) had a legal or equitable interest as a lessee in the parcel of property that was single family residence. If in any subsequent taxable year for which the applicant applies and qualifies for the exemption the equalized assessed value of the residence is less than the equalized assessed value in the existing base year (provided that such equalized assessed value is not based on an assessed value that results from a temporary irregularity in the property that reduces the assessed value for one or more taxable years), then that subsequent taxable year shall become the base year until a new base year is established under the terms of this paragraph. For taxable year 1999 only, the Chief County Assessment Officer shall review (i) all taxable years for which the applicant applied and qualified for the exemption and (ii) the existing base year. The assessment officer shall select as the new base year the year with
the lowest equalized assessed value. An equalized assessed value that is based on an assessed value that results from a temporary irregularity in the property that reduces the assessed value for one or more taxable years shall not be considered the lowest equalized assessed value. The selected year shall be the base year for taxable year 1999 and thereafter until a new base year is established under the terms of this paragraph.

"Chief County Assessment Officer" means the County Assessor or Supervisor of Assessments of the county in which the property is located.

"Equalized assessed value" means the assessed value as equalized by the Illinois Department of Revenue.

"Household" means the applicant, the spouse of the applicant, and all persons using the residence of the applicant as their principal place of residence.

"Household income" means the combined income of the members of a household for the calendar year preceding the taxable year.

"Income" has the same meaning as provided in Section 3.07 of the Senior Citizens and Persons with Disabilities Property Tax Relief Act, except that, beginning in assessment year 2001, "income" does not include veteran's benefits.

"Internal Revenue Code of 1986" means the United States Internal Revenue Code of 1986 or any successor law or laws relating to federal income taxes in effect for the year preceding the taxable year.

"Life care facility that qualifies as a cooperative" means a facility as defined in Section 2 of the Life Care Facilities Act.

"Maximum income limitation" means:

1. $35,000 prior to taxable year 1999;
2. $40,000 in taxable years 1999 through 2003;
3. $45,000 in taxable years 2004 through 2005;
4. $50,000 in taxable years 2006 and 2007; and
5. $55,000 in taxable year 2008 and thereafter.

"Residence" means the principal dwelling place and appurtenant structures used for residential purposes in this State occupied on January 1 of the taxable year by a household and so much of the surrounding land, constituting the parcel upon which the dwelling place is situated, as is used for residential purposes. If the Chief County Assessment Officer has established a specific legal description for a portion of property constituting the residence, then that portion of property shall be deemed the residence for the purposes of this Section.

New matter indicated by italics - deletions by strikeout
"Taxable year" means the calendar year during which ad valorem property taxes payable in the next succeeding year are levied.

(c) Beginning in taxable year 1994, a senior citizens assessment freeze homestead exemption is granted for real property that is improved with a permanent structure that is occupied as a residence by an applicant who (i) is 65 years of age or older during the taxable year, (ii) has a household income that does not exceed the maximum income limitation, (iii) is liable for paying real property taxes on the property, and (iv) is an owner of record of the property or has a legal or equitable interest in the property as evidenced by a written instrument. This homestead exemption shall also apply to a leasehold interest in a parcel of property improved with a permanent structure that is a single family residence that is occupied as a residence by a person who (i) is 65 years of age or older during the taxable year, (ii) has a household income that does not exceed the maximum income limitation, (iii) has a legal or equitable ownership interest in the property as lessee, and (iv) is liable for the payment of real property taxes on that property.

In counties of 3,000,000 or more inhabitants, the amount of the exemption for all taxable years is the equalized assessed value of the residence in the taxable year for which application is made minus the base amount. In all other counties, the amount of the exemption is as follows: (i) through taxable year 2005 and for taxable year 2007 and thereafter, the amount of this exemption shall be the equalized assessed value of the residence in the taxable year for which application is made minus the base amount; and (ii) for taxable year 2006, the amount of the exemption is as follows:

1. For an applicant who has a household income of $45,000 or less, the amount of the exemption is the equalized assessed value of the residence in the taxable year for which application is made minus the base amount.

2. For an applicant who has a household income exceeding $45,000 but not exceeding $46,250, the amount of the exemption is (i) the equalized assessed value of the residence in the taxable year for which application is made minus the base amount (ii) multiplied by 0.8.

3. For an applicant who has a household income exceeding $46,250 but not exceeding $47,500, the amount of the exemption is (i) the equalized assessed value of the residence in the taxable year for which application is made minus the base amount (ii) multiplied by 0.8.
year for which application is made minus the base amount (ii) multiplied by 0.6.

(4) For an applicant who has a household income exceeding $47,500 but not exceeding $48,750, the amount of the exemption is (i) the equalized assessed value of the residence in the taxable year for which application is made minus the base amount (ii) multiplied by 0.4.

(5) For an applicant who has a household income exceeding $48,750 but not exceeding $50,000, the amount of the exemption is (i) the equalized assessed value of the residence in the taxable year for which application is made minus the base amount (ii) multiplied by 0.2.

When the applicant is a surviving spouse of an applicant for a prior year for the same residence for which an exemption under this Section has been granted, the base year and base amount for that residence are the same as for the applicant for the prior year.

Each year at the time the assessment books are certified to the County Clerk, the Board of Review or Board of Appeals shall give to the County Clerk a list of the assessed values of improvements on each parcel qualifying for this exemption that were added after the base year for this parcel and that increased the assessed value of the property.

In the case of land improved with an apartment building owned and operated as a cooperative or a building that is a life care facility that qualifies as a cooperative, the maximum reduction from the equalized assessed value of the property is limited to the sum of the reductions calculated for each unit occupied as a residence by a person or persons (i) 65 years of age or older, (ii) with a household income that does not exceed the maximum income limitation, (iii) who is liable, by contract with the owner or owners of record, for paying real property taxes on the property, and (iv) who is an owner of record of a legal or equitable interest in the cooperative apartment building, other than a leasehold interest. In the instance of a cooperative where a homestead exemption has been granted under this Section, the cooperative association or its management firm shall credit the savings resulting from that exemption only to the apportioned tax liability of the owner who qualified for the exemption. Any person who willfully refuses to credit that savings to an owner who qualifies for the exemption is guilty of a Class B misdemeanor.

When a homestead exemption has been granted under this Section and an applicant then becomes a resident of a facility licensed under the

New matter indicated by italics - deletions by strikeout
Assisted Living and Shared Housing Act, the Nursing Home Care Act, the Specialized Mental Health Rehabilitation Act of 2013, the ID/DD Community Care Act, or the MC/DD Act, the exemption shall be granted in subsequent years so long as the residence (i) continues to be occupied by the qualified applicant's spouse or (ii) if remaining unoccupied, is still owned by the qualified applicant for the homestead exemption.

Beginning January 1, 1997, when an individual dies who would have qualified for an exemption under this Section, and the surviving spouse does not independently qualify for this exemption because of age, the exemption under this Section shall be granted to the surviving spouse for the taxable year preceding and the taxable year of the death, provided that, except for age, the surviving spouse meets all other qualifications for the granting of this exemption for those years.

When married persons maintain separate residences, the exemption provided for in this Section may be claimed by only one of such persons and for only one residence.

For taxable year 1994 only, in counties having less than 3,000,000 inhabitants, to receive the exemption, a person shall submit an application by February 15, 1995 to the Chief County Assessment Officer of the county in which the property is located. In counties having 3,000,000 or more inhabitants, for taxable year 1994 and all subsequent taxable years, to receive the exemption, a person may submit an application to the Chief County Assessment Officer of the county in which the property is located during such period as may be specified by the Chief County Assessment Officer. The Chief County Assessment Officer in counties of 3,000,000 or more inhabitants shall annually give notice of the application period by mail or by publication. In counties having less than 3,000,000 inhabitants, beginning with taxable year 1995 and thereafter, to receive the exemption, a person shall submit an application by July 1 of each taxable year to the Chief County Assessment Officer of the county in which the property is located. A county may, by ordinance, establish a date for submission of applications that is different than July 1. The applicant shall submit with the application an affidavit of the applicant's total household income, age, marital status (and if married the name and address of the applicant's spouse, if known), and principal dwelling place of members of the household on January 1 of the taxable year. The Department shall establish, by rule, a method for verifying the accuracy of affidavits filed by applicants under this Section, and the Chief County Assessment Officer may conduct audits of any taxpayer claiming an exemption under this

Section to verify that the taxpayer is eligible to receive the exemption. Each application shall contain or be verified by a written declaration that it is made under the penalties of perjury. A taxpayer's signing a fraudulent application under this Act is perjury, as defined in Section 32-2 of the Criminal Code of 2012. The applications shall be clearly marked as applications for the Senior Citizens Assessment Freeze Homestead Exemption and must contain a notice that any taxpayer who receives the exemption is subject to an audit by the Chief County Assessment Officer.

Notwithstanding any other provision to the contrary, in counties having fewer than 3,000,000 inhabitants, if an applicant fails to file the application required by this Section in a timely manner and this failure to file is due to a mental or physical condition sufficiently severe so as to render the applicant incapable of filing the application in a timely manner, the Chief County Assessment Officer may extend the filing deadline for a period of 30 days after the applicant regains the capability to file the application, but in no case may the filing deadline be extended beyond 3 months of the original filing deadline. In order to receive the extension provided in this paragraph, the applicant shall provide the Chief County Assessment Officer with a signed statement from the applicant's physician, advanced practice nurse, or physician assistant stating the nature and extent of the condition, that, in the physician's, advanced practice nurse's, or physician assistant's opinion, the condition was so severe that it rendered the applicant incapable of filing the application in a timely manner, and the date on which the applicant regained the capability to file the application.

Beginning January 1, 1998, notwithstanding any other provision to the contrary, in counties having fewer than 3,000,000 inhabitants, if an applicant fails to file the application required by this Section in a timely manner and this failure to file is due to a mental or physical condition sufficiently severe so as to render the applicant incapable of filing the application in a timely manner, the Chief County Assessment Officer may extend the filing deadline for a period of 3 months. In order to receive the extension provided in this paragraph, the applicant shall provide the Chief County Assessment Officer with a signed statement from the applicant's physician, advanced practice nurse, or physician assistant stating the nature and extent of the condition, and that, in the physician's, advanced practice nurse's, or physician assistant's opinion, the condition was so severe that it rendered the applicant incapable of filing the application in a timely manner.

In counties having less than 3,000,000 inhabitants, if an applicant was denied an exemption in taxable year 1994 and the denial occurred due to an error on the part of an assessment official, or his or her agent or employee, then beginning in taxable year 1997 the applicant's base year, for purposes of determining the amount of the exemption, shall be 1993 rather than 1994. In addition, in taxable year 1997, the applicant's exemption shall also include an amount equal to (i) the amount of any exemption denied to the applicant in taxable year 1995 as a result of using 1994, rather than 1993, as the base year, (ii) the amount of any exemption denied to the applicant in taxable year 1996 as a result of using 1994, rather than 1993, as the base year, and (iii) the amount of the exemption erroneously denied for taxable year 1994.

For purposes of this Section, a person who will be 65 years of age during the current taxable year shall be eligible to apply for the homestead exemption during that taxable year. Application shall be made during the application period in effect for the county of his or her residence.

The Chief County Assessment Officer may determine the eligibility of a life care facility that qualifies as a cooperative to receive the benefits provided by this Section by use of an affidavit, application, visual inspection, questionnaire, or other reasonable method in order to insure that the tax savings resulting from the exemption are credited by the management firm to the apportioned tax liability of each qualifying resident. The Chief County Assessment Officer may request reasonable proof that the management firm has so credited that exemption.

Except as provided in this Section, all information received by the chief county assessment officer or the Department from applications filed under this Section, or from any investigation conducted under the provisions of this Section, shall be confidential, except for official purposes or pursuant to official procedures for collection of any State or local tax or enforcement of any civil or criminal penalty or sanction imposed by this Act or by any statute or ordinance imposing a State or local tax. Any person who divulges any such information in any manner, except in accordance with a proper judicial order, is guilty of a Class A misdemeanor.

Nothing contained in this Section shall prevent the Director or chief county assessment officer from publishing or making available reasonable statistics concerning the operation of the exemption contained in this Section in which the contents of claims are grouped into aggregates

in such a way that information contained in any individual claim shall not be disclosed.

(d) Each Chief County Assessment Officer shall annually publish a notice of availability of the exemption provided under this Section. The notice shall be published at least 60 days but no more than 75 days prior to the date on which the application must be submitted to the Chief County Assessment Officer of the county in which the property is located. The notice shall appear in a newspaper of general circulation in the county.

Notwithstanding Sections 6 and 8 of the State Mandates Act, no reimbursement by the State is required for the implementation of any mandate created by this Section.

Sec. 5. Missing person reports.

(a) Report acceptance. All law enforcement agencies shall accept without delay any report of a missing person. Acceptance of a missing person report filed in person may not be refused on any ground. No law enforcement agency may refuse to accept a missing person report:

(1) on the basis that the missing person is an adult;
(2) on the basis that the circumstances do not indicate foul play;
(3) on the basis that the person has been missing for a short period of time;

(b) A county department of corrections shall not apply security restraints to a prisoner that has been determined by a qualified medical professional to be pregnant and is known by the county department of corrections to be pregnant or in postpartum recovery, which is the entire period a woman is in the medical facility after birth, unless the corrections official makes an individualized determination that the prisoner presents a substantial flight risk or some other extraordinary circumstance that dictates security restraints be used to ensure the safety and security of the prisoner, her child or unborn child, the staff of the county department of corrections or medical facility, other prisoners, or the public. The protections set out in clauses (b)(3) and (b)(4) of this Section shall apply to security restraints used pursuant to this subsection. Oral requests made by medical personnel shall be verified in writing as promptly as reasonably possible.

(1) Qualified authorized health staff shall have the authority to order therapeutic restraints for a pregnant or postpartum prisoner who is a danger to herself, her child, unborn child, or other persons due to a psychiatric or medical disorder. (55 ILCS 5/5-1069) (from Ch. 34, par. 5-1069)
Sec. 5-1069. Group life, health, accident, hospital, and medical insurance.

(a) The county board of any county may arrange to provide, for the benefit of employees of the county, group life, health, accident, hospital, and medical insurance, or any one or any combination of those types of insurance, or the county board may self-insure, for the benefit of its employees, all or a portion of the employees' group life, health, accident, hospital, and medical insurance, or any one or any combination of those types of insurance, including a combination of self-insurance and other types of insurance authorized by this Section, provided that the county board complies with all other requirements of this Section. The insurance may include provision for employees who rely on treatment by prayer or spiritual means alone for healing in accordance with the tenets and practice of a well recognized religious denomination. The county board may provide for payment by the county of a portion or all of the premium or charge for the insurance with the employee paying the balance of the premium or charge, if any. If the county board undertakes a plan under which the county pays only a portion of the premium or charge, the county board shall provide for withholding and deducting from the compensation of those employees who consent to join the plan the balance of the premium or charge for the insurance.

(b) If the county board does not provide for self-insurance or for a plan under which the county pays a portion or all of the premium or charge for a group insurance plan, the county board may provide for withholding and deducting from the compensation of those employees who consent thereto the total premium or charge for any group life, health, accident, hospital, and medical insurance.

(c) The county board may exercise the powers granted in this Section only if it provides for self-insurance or, where it makes arrangements to provide group insurance through an insurance carrier, if the kinds of group insurance are obtained from an insurance company authorized to do business in the State of Illinois. The county board may enact an ordinance prescribing the method of operation of the insurance program.

(d) If a county, including a home rule county, is a self-insurer for purposes of providing health insurance coverage for its employees, the insurance coverage shall include screening by low-dose mammography for all women 35 years of age or older for the presence of occult breast cancer.
unless the county elects to provide mammograms itself under Section 5-1069.1. The coverage shall be as follows:

1. A baseline mammogram for women 35 to 39 years of age.

2. An annual mammogram for women 40 years of age or older.

3. A mammogram at the age and intervals considered medically necessary by the woman's health care provider for women under 40 years of age and having a family history of breast cancer, prior personal history of breast cancer, positive genetic testing, or other risk factors.

4. A comprehensive ultrasound screening of an entire breast or breasts if a mammogram demonstrates heterogeneous or dense breast tissue, when medically necessary as determined by a physician licensed to practice medicine in all of its branches, advanced practice nurse, or physician assistant.

For purposes of this subsection, "low-dose mammography" means the x-ray examination of the breast using equipment dedicated specifically for mammography, including the x-ray tube, filter, compression device, and image receptor, with an average radiation exposure delivery of less than one rad per breast for 2 views of an average size breast. The term also includes digital mammography.

(d-5) Coverage as described by subsection (d) shall be provided at no cost to the insured and shall not be applied to an annual or lifetime maximum benefit.

(d-10) When health care services are available through contracted providers and a person does not comply with plan provisions specific to the use of contracted providers, the requirements of subsection (d-5) are not applicable. When a person does not comply with plan provisions specific to the use of contracted providers, plan provisions specific to the use of non-contracted providers must be applied without distinction for coverage required by this Section and shall be at least as favorable as for other radiological examinations covered by the policy or contract.

(d-15) If a county, including a home rule county, is a self-insurer for purposes of providing health insurance coverage for its employees, the insurance coverage shall include mastectomy coverage, which includes coverage for prosthetic devices or reconstructive surgery incident to the mastectomy. Coverage for breast reconstruction in connection with a mastectomy shall include:

New matter indicated by italics - deletions by strikeout
(1) reconstruction of the breast upon which the mastectomy has been performed;
(2) surgery and reconstruction of the other breast to produce a symmetrical appearance; and
(3) prostheses and treatment for physical complications at all stages of mastectomy, including lymphedemas.

Care shall be determined in consultation with the attending physician and the patient. The offered coverage for prosthetic devices and reconstructive surgery shall be subject to the deductible and coinsurance conditions applied to the mastectomy, and all other terms and conditions applicable to other benefits. When a mastectomy is performed and there is no evidence of malignancy then the offered coverage may be limited to the provision of prosthetic devices and reconstructive surgery to within 2 years after the date of the mastectomy. As used in this Section, "mastectomy" means the removal of all or part of the breast for medically necessary reasons, as determined by a licensed physician.

A county, including a home rule county, that is a self-insurer for purposes of providing health insurance coverage for its employees, may not penalize or reduce or limit the reimbursement of an attending provider or provide incentives (monetary or otherwise) to an attending provider to induce the provider to provide care to an insured in a manner inconsistent with this Section.

(d-20) The requirement that mammograms be included in health insurance coverage as provided in subsections (d) through (d-15) is an exclusive power and function of the State and is a denial and limitation under Article VII, Section 6, subsection (h) of the Illinois Constitution of home rule county powers. A home rule county to which subsections (d) through (d-15) apply must comply with every provision of those subsections.

(e) The term "employees" as used in this Section includes elected or appointed officials but does not include temporary employees.

(f) The county board may, by ordinance, arrange to provide group life, health, accident, hospital, and medical insurance, or any one or a combination of those types of insurance, under this Section to retired former employees and retired former elected or appointed officials of the county.

1. To acquire in the name of the county by purchase, grant, gift, or legacy, a suitable tract or tracts of land upon which to erect and maintain the home, and in connection therewith a farm or acreage for the purpose of providing supplies for the home and employment for such patients as are able to work and benefit thereby.

2. To receive in the name of the county, gifts and legacies to aid in the erection or maintenance of the home.

3. To appoint a superintendent and all necessary employees for the management and control of the home and to prescribe their compensation and duties.

4. To arrange for physicians' or other health care professionals' services and other medical care for the patients in the home and prescribe the compensation and duties of physicians so designated.

6. To fix the rate per day, week, or month which it will charge for care and maintenance of the patients. Rates so established may vary according to the amount of care required, but the rates shall be uniform for all persons or agencies purchasing care in the home except rates for persons who are able to purchase their own care may approximate actual cost.

7. To make all rules and regulations for the management of the home and of the patients therein.

8. To make appropriations from the county treasury for the purchase of land and the erection of buildings for the home, and to defray the expenses necessary for the care and maintenance of the home and for providing maintenance, personal care and nursing services to the patients

therein, and to cause an amount sufficient for those purposes to be levied upon the taxable property of the counties and collected as other taxes and further providing that in counties with a population of not more than 1,000,000 to levy and collect annually a tax of not to exceed .1% of the value, as equalized or assessed by the Department of Revenue, of all the taxable property in the county for these purposes. The tax shall be in addition to all other taxes which the county is authorized to levy on the aggregate valuation of the property within the county and shall not be included in any limitation of the tax rate upon which taxes are required to be extended, but shall be excluded therefrom and in addition thereto. The tax shall be levied and collected in like manner as the general taxes of the county, and when collected, shall be paid into a special fund in the county treasury and used only as herein authorized. No such tax shall be levied or increased from a rate lower than the maximum rate in any such county until the question of levying such tax has first been submitted to the voters of such county at an election held in such county, and has been approved by a majority of such voters voting thereon. The corporate authorities shall certify the question of levying such tax to the proper election officials, who shall submit the question to the voters at an election held in accordance with the general election law.

The proposition shall be in substantially the following form:

NO

If a majority of votes cast on the question are in favor, the county shall be authorized to levy the tax.

If the county has levied such tax at a rate lower than the maximum rate set forth in this Section, the county board may increase the rate of the tax, but not to exceed such maximum rate, by certifying the proposition of such increase to the proper election officials for submission to the voters of the county at a regular election in accordance with the general election law. The proposition shall be in substantially the following form:

If a majority of all the votes cast upon the proposition are in favor thereof, the county board may levy the tax at a rate not to exceed the rate set forth in this Section.

9. Upon the vote of a 2/3 majority of all the members of the board, to sell, dispose of or lease for any term, any part of the home properties in such manner and upon such terms as it deems best for the interest of the county, and to make and execute all necessary conveyances thereof in the same manner as other conveyances of real estate may be made by a county. However, if the home was erected after referendum approval by the voters of the county, it shall not be sold or disposed of except after referendum approval thereof by a majority of the voters of the county voting thereon.

If the home was erected after referendum approval by the voters of the county, the county nursing home may be leased upon the vote of a 3/5 majority of all the members of the board.

If any positions which have been vacated because of reduction in forces or displacement and abolition of positions, are reinstated, such members and officers of the Fire Department or of the Police Department as are furloughed from the said positions shall be notified by registered mail of such reinstatement of positions and shall have prior right to such positions if otherwise qualified, and in all cases seniority shall prevail. PUBLIC ACT 99-0582
(Senate Bill No. 2956)

AN ACT concerning health.
Be it enacted by the People of the State of Illinois, represented in the General Assembly:

Section 5. The Environmental Barriers Act is amended by changing Sections 2, 3, 4, 5, 6, and 8 as follows:

Sec. 2. Statement of Findings and Purpose. The General Assembly finds that:
(a) Public facilities and multi-story housing units which contain environmental barriers create a serious threat to the safety and welfare of all members of society both in normal conditions and in the event of fire, panic and other emergency.

New matter indicated by italics - deletions by strikeout
(b) Individuals with disabilities Environmentally limited persons are often denied access to and use of public facilities and multi-story housing units due to environmental barriers which prevent them from exercising many of their rights and privileges as citizens.

(c) The integration of individuals with disabilities environmentally limited persons into the mainstream of society furthers the goals and policies of this State to assure the right of all persons to live and work as independently as possible and to participate in the life of the community as fully as possible.

Therefore, eliminating environmental barriers is an object of serious public concern. This Act shall be liberally construed toward that end.

(Senate Bill No. 0210)

AN ACT concerning criminal law.
Be it enacted by the People of the State of Illinois, represented in the General Assembly:

New matter indicated by italics - deletions by strikeout
Section 5. Findings. The General Assembly finds the following:

(1) Synthetic cathinones, currently a Schedule I controlled substance under State and federal law, are often labeled, marketed, and sold as various products: most notably, "bath salts", but also "plant food", "jewelry cleaner", "phone screen cleaner", and "carpet deodorizer".

(2) Unlike traditional cosmetic bath salts, which are made to be added to bath water, toxic bath salt products have no legitimate use for bathing and are produced specifically for recreational drug abusers as substitutes for cocaine, ecstasy (MDMA), and amphetamines.

(3) Bath salt products are commonly sold online as well as at drug paraphernalia stores commonly known as "head" shops, tobacco shops, convenience stores, adult book stores, gas stations, and truck stops.

(4) The abuse of synthetic stimulant drugs known as "bath salts" has become a major public health threat across the United States.

(5) Case reports and clinical studies have shown that the use of synthetic cathinones can cause severe psychiatric symptoms and possibly death.

(6) Forty-four states have passed laws prohibiting synthetic cathinones.

Section 10. Purpose. The purpose of this Act is to ban the sale of all synthetic cathinones sold under the disguise of legitimate products such as "bath salts" and other various labels in this State in order to protect the health and public safety of residents of this State.

Section 15. Definitions. As used in this Act:

"Bath salts" means any synthetic or natural material containing any quantity of a cathinone chemical structure, including any analogs, salts, isomers, or salts of isomers of any synthetic or natural material containing a cathinone chemical structure. This includes, but is not limited to, synthetic cathinones as defined in subsection (h) of Section 204 of the Illinois Controlled Substances Act, and any related "controlled substance analog" as defined in Section 402 of the Illinois Controlled Substances Act, regardless of how the product is labeled or marketed.

"Person" means any natural person, individual, corporation, unincorporated association, proprietorship, firm, partnership, joint venture, joint stock association, or any other business organization or entity.

"Retail mercantile establishment" has the meaning ascribed to it in Section 16-0.1 of the Criminal Code of 2012.

Section 20. Prohibition. A person may not sell or offer for sale any bath salts in a retail mercantile establishment located within this State.
Section 25. Penalties. Any person who violates this Act is guilty of a Class 3 felony for which a fine of not more than $150,000 may be imposed. Except as authorized by this Act, it is unlawful for any person knowingly to manufacture or deliver, or possess with intent to manufacture or deliver, a controlled substance other than methamphetamine and other than bath salts as defined in the Bath Salts Prohibition Act sold or offered for sale in a retail mercantile establishment as defined in Section 16-0.1 of the Criminal Code of 2012, a counterfeit substance, or a controlled substance analog. A violation of this Act with respect to each of the controlled substances listed herein constitutes a single and separate violation of this Act. Examples of chemical classes in which controlled substance analogs are found include, but are not limited to, the following: phenethylamines, N-substituted piperidines, morphinans, ecgonines, quinazolinones, substituted indoles, and arylcycloalkylamines. For purposes of this Act, a controlled substance analog shall be treated in the same manner as the controlled substance to which it is substantially similar.

(a) Any person who violates this Section with respect to the following amounts of controlled or counterfeit substances or controlled substance analogs, notwithstanding any of the provisions of subsections (c), (d), (e), (f), (g) or (h) to the contrary, is guilty of a Class X felony and shall be sentenced to a term of imprisonment as provided in this subsection (a) and fined as provided in subsection (b):

Section 5. The Freedom of Information Act is amended by changing Section 11 and by adding Section 11.6 as follows:
(5 ILCS 140/11) (from Ch. 116, par. 211)
Sec. 11. (a) Any person denied access to inspect or copy any public record by a public body may file suit for injunctive or declaratory relief.

(a-5) In accordance with Section 11.6 of this Act, a requester may file an action to enforce a binding opinion issued under Section 9.5 of this Act.

New matter indicated by italics - deletions by strikeout
(b) Where the denial is from a public body of the State, suit may be filed in the circuit court for the county where the public body has its principal office or where the person denied access resides.

(c) Where the denial is from a municipality or other public body, except as provided in subsection (b) of this Section, suit may be filed in the circuit court for the county where the public body is located.

(d) The circuit court shall have the jurisdiction to enjoin the public body from withholding public records and to order the production of any public records improperly withheld from the person seeking access. If the public body can show that exceptional circumstances exist, and that the body is exercising due diligence in responding to the request, the court may retain jurisdiction and allow the agency additional time to complete its review of the records.

(e) On motion of the plaintiff, prior to or after in camera inspection, the court shall order the public body to provide an index of the records to which access has been denied. The index shall include the following:

(i) A description of the nature or contents of each document withheld, or each deletion from a released document, provided, however, that the public body shall not be required to disclose the information which it asserts is exempt; and

(ii) A statement of the exemption or exemptions claimed for each such deletion or withheld document.

(f) In any action considered by the court, the court shall consider the matter de novo, and shall conduct such in camera examination of the requested records as it finds appropriate to determine if such records or any part thereof may be withheld under any provision of this Act. The burden shall be on the public body to establish that its refusal to permit public inspection or copying is in accordance with the provisions of this Act. Any public body that asserts that a record is exempt from disclosure has the burden of proving that it is exempt by clear and convincing evidence.

(g) In the event of noncompliance with an order of the court to disclose, the court may enforce its order against any public official or employee so ordered or primarily responsible for such noncompliance through the court's contempt powers.

(h) Except as to causes the court considers to be of greater importance, proceedings arising under this Section shall take precedence

the earliest practicable date and expedited in every way.

(i) If a person seeking the right to inspect or receive a copy of a
public record prevails in a proceeding under this Section, the court shall
award such person reasonable attorney's fees and costs. In
determining what amount of attorney's fees is reasonable, the court shall
consider the degree to which the relief obtained relates to the relief sought.

after January 1, 2010 (the effective date of Public Act 96-542) this
amendatory Act of the 96th General Assembly.

(j) If the court determines that a public body willfully and
intentionally failed to comply with this Act, or otherwise acted in bad
faith, the court shall also impose upon the public body a civil penalty of
not less than $2,500 nor more than $5,000 for each occurrence. In
assessing the civil penalty, the court shall consider in aggravation or
mitigation the budget of the public body and whether the public body has
previously been assessed penalties for violations of this Act. The court
may impose an additional penalty of up to $1,000 for each day the

(1) the public body fails to comply with the court's order
    after 30 days;
(2) the court's order is not on appeal or stayed; and
(3) the court does not grant the public body additional time
to comply with the court's order to disclose public records.

Sec. 11.6. Noncompliance with binding opinion.

This subsection extends the statute of limitations only against the individual who allegedly committed a violent intentional act or was the defendant charged with a crime listed in this subsection. It does not extend the statute of limitations against any other person or entity. The changes to this Section made by this amendatory Act of the 99th General Assembly apply to causes of action arising on or after the effective date of this amendatory Act of the 99th General Assembly.

(f) For the purposes of this Section 2, next of kin includes an adopting parent and an adopted child, and they shall be treated as a natural parent and a natural child, respectively. However, if a person entitled to recover benefits under this Act, is, at the time the cause of action accrued, within the age of 18 years, he or she may cause such action to be brought within 2 years after attainment of the age of 18.

(g) In any such action to recover damages, it shall not be a defense that the death was caused in whole or in part by the contributory negligence of one or more of the beneficiaries on behalf of whom the action is brought, but the amount of damages given shall be reduced in the following manner.

(h) The trier of fact shall first determine the decedent's contributory fault in accordance with Sections 2-1116 and 2-1107.1 of the Code of Civil Procedure. Recovery of damages shall be barred or diminished accordingly. The trier of fact shall then determine the contributory fault, if any, of each beneficiary on behalf of whom the action was brought:

(1) Where the trier of fact finds that the contributory fault of a beneficiary on whose behalf the action is brought is not more than 50% of the proximate cause of the wrongful death of the decedent, then the damages allowed to that beneficiary shall be
diminished in proportion to the contributory fault attributed to that beneficiary. The amount of the reduction shall not be payable by any defendant.

(2) Where the trier of fact finds that the contributory fault of a beneficiary on whose behalf the action is brought is more than 50% of the proximate cause of the wrongful death of the decedent, then the beneficiary shall be barred from recovering damages and the amount of damages which would have been payable to that beneficiary, but for the beneficiary's contributory fault, shall not inure to the benefit of the remaining beneficiaries and shall not be payable by any defendant.

(i) The trial judge shall conduct a hearing to determine the degree of dependency of each beneficiary upon the decedent. The trial judge shall calculate the amount of damages to be awarded each beneficiary, taking into account any reduction arising from either the decedent's or the beneficiary's contributory fault.

(j) This amendatory Act of the 91st General Assembly applies to all actions pending on or filed after the effective date of this amendatory Act.

(k) This amendatory Act of the 95th General Assembly applies to causes of actions accruing on or after its effective date.

(a) Every insurer shall provide in each group or individual policy, contract, or certificate of insurance issued or renewed for persons who are

residents of this State, coverage for screening by low-dose mammography for all women 35 years of age or older for the presence of occult breast cancer within the provisions of the policy, contract, or certificate. The coverage shall be as follows:

1. A baseline mammogram for women 35 to 39 years of age.

2. An annual mammogram for women 40 years of age or older.

3. A mammogram at the age and intervals considered medically necessary by the woman's health care provider for women under 40 years of age and having a family history of breast cancer, prior personal history of breast cancer, positive genetic testing, or other risk factors.

4. A comprehensive ultrasound screening of an entire breast or breasts if a mammogram demonstrates heterogeneous or dense breast tissue, when medically necessary as determined by a physician licensed to practice medicine in all of its branches.

5. A screening MRI when medically necessary, as determined by a physician licensed to practice medicine in all of its branches.

For purposes of this Section, "low-dose mammography" means the x-ray examination of the breast using equipment dedicated specifically for mammography, including the x-ray tube, filter, compression device, and image receptor, with radiation exposure delivery of less than 1 rad per breast for 2 views of an average size breast. The term also includes digital mammography.

(a-5) Coverage as described by subsection (a) shall be provided at no cost to the insured and shall not be applied to an annual or lifetime maximum benefit.

(a-10) When health care services are available through contracted providers and a person does not comply with plan provisions specific to the use of contracted providers, the requirements of subsection (a-5) are not applicable. When a person does not comply with plan provisions specific to the use of contracted providers, plan provisions specific to the use of non-contracted providers must be applied without distinction for coverage required by this Section and shall be at least as favorable as for other radiological examinations covered by the policy or contract.

(b) No policy of accident or health insurance that provides for the surgical procedure known as a mastectomy shall be issued, amended,

delivered, or renewed in this State unless that coverage also provides for prosthetic devices or reconstructive surgery incident to the mastectomy. Coverage for breast reconstruction in connection with a mastectomy shall include:

(1) reconstruction of the breast upon which the mastectomy has been performed;
(2) surgery and reconstruction of the other breast to produce a symmetrical appearance; and
(3) prostheses and treatment for physical complications at all stages of mastectomy, including lymphedemas.

Care shall be determined in consultation with the attending physician and the patient. The offered coverage for prosthetic devices and reconstructive surgery shall be subject to the deductible and coinsurance conditions applied to the mastectomy, and all other terms and conditions applicable to other benefits. When a mastectomy is performed and there is no evidence of malignancy then the offered coverage may be limited to the provision of prosthetic devices and reconstructive surgery to within 2 years after the date of the mastectomy. As used in this Section, "mastectomy" means the removal of all or part of the breast for medically necessary reasons, as determined by a licensed physician.

Written notice of the availability of coverage under this Section shall be delivered to the insured upon enrollment and annually thereafter. An insurer may not deny to an insured eligibility, or continued eligibility, to enroll or to renew coverage under the terms of the plan solely for the purpose of avoiding the requirements of this Section. An insurer may not penalize or reduce or limit the reimbursement of an attending provider or provide incentives (monetary or otherwise) to an attending provider to induce the provider to provide care to an insured in a manner inconsistent with this Section.

(c) Rulemaking authority to implement Public Act 95-1045 this amendatory Act of the 95th General Assembly, if any, is conditioned on the rules being adopted in accordance with all provisions of the Illinois Administrative Procedure Act and all rules and procedures of the Joint Committee on Administrative Rules; any purported rule not so adopted, for whatever reason, is unauthorized.

This performance goal shall be used to provide additional reimbursement in the form of a quality performance bonus to primary care providers who meet that goal.

The Department shall devise a means of case-managing or patient navigation for beneficiaries diagnosed with breast cancer. This program shall initially operate as a pilot program in areas of the State with the highest incidence of mortality related to breast cancer. At least one pilot program site shall be in the metropolitan Chicago area and at least one site shall be outside the metropolitan Chicago area. On or after July 1, 2016, the pilot program shall be expanded to include one site in western Illinois, one site in southern Illinois, one site in central Illinois, and 4 sites within metropolitan Chicago. An evaluation of the pilot program shall be carried out measuring health outcomes and cost of care for those served by the pilot program compared to similarly situated patients who are not served by the pilot program.

The Department shall require all networks of care to develop a means either internally or by contract with experts in navigation and community outreach to navigate cancer patients to comprehensive care in a timely fashion. The Department shall require all networks of care to include access for patients diagnosed with cancer to at least one academic commission on cancer-accredited cancer program as an in-network covered benefit.

Any medical or health care provider shall immediately recommend, to any pregnant woman who is being provided prenatal services and is suspected of drug abuse or is addicted as defined in the Alcoholism and Other Drug Abuse and Dependency Act, referral to a local substance abuse treatment provider licensed by the Department of Human Services or to a licensed hospital which provides substance abuse treatment services. The Department of Healthcare and Family Services shall assure coverage for the cost of treatment of the drug abuse or addiction for pregnant recipients in accordance with the Illinois Medicaid Program in conjunction with the Department of Human Services.

The Illinois Department, in cooperation with the Departments of Human Services (as successor to the Department of Alcoholism and Substance Abuse) and Public Health, through a public awareness campaign, may provide information concerning treatment for alcoholism and drug abuse and addiction, prenatal health care, and other pertinent programs directed at reducing the number of drug-affected infants born to recipients of medical assistance.

Neither the Department of Healthcare and Family Services nor the Department of Human Services shall sanction the recipient solely on the basis of her substance abuse.

The Illinois Department shall establish such regulations governing the dispensing of health services under this Article as it shall deem appropriate. The Department should seek the advice of formal professional advisory committees appointed by the Director of the Illinois Department for the purpose of providing regular advice on policy and administrative matters, information dissemination and educational activities for medical and health care providers, and consistency in procedures to the Illinois Department.

(2) The Department may elect to consider and negotiate financial incentives to encourage the development of Partnerships and the efficient delivery of medical care.

(3) Persons receiving medical services through Partnerships may receive medical and case management services above the level usually offered through the medical assistance program.

Medical providers shall be required to meet certain qualifications to participate in Partnerships to ensure the delivery of high quality medical services. These qualifications shall be determined by rule of the Illinois Department and may be higher than qualifications for participation in the medical assistance program. Partnership sponsors may prescribe reasonable additional qualifications for participation by medical providers, only with the prior written approval of the Illinois Department.

Nothing in this Section shall limit the free choice of practitioners, hospitals, and other providers of medical services by clients. All dispensers of medical services shall be required to maintain and retain business and professional records sufficient to fully and accurately document the nature, scope, details and receipt of the health care provided to persons eligible for medical assistance under this Code, in accordance with regulations promulgated by the Illinois Department. The rules and regulations shall require that proof of the receipt of prescription drugs, dentures, prosthetic devices and eyeglasses by eligible persons under this Section accompany each claim for reimbursement submitted by the dispenser of such medical services. No such claims for reimbursement shall be approved for payment by the Illinois Department without such proof of receipt, unless the Illinois Department shall have put into effect and shall be operating a system of post-payment audit and review which shall, on a sampling basis, be deemed adequate by the Illinois Department to assure that such drugs, dentures, prosthetic devices and eyeglasses for which payment is being made are actually being received by eligible recipients. Within 90 days after September 16, 1984 (the effective date of Public Act 83-1439) this amendatory Act of 1984, the Illinois Department shall establish a current list of acquisition costs for all prosthetic devices and any other items recognized as medical equipment and supplies reimbursable under this Article and shall update such list on a quarterly basis, except that the acquisition costs of all prescription drugs shall be updated no less frequently than every 30 days as required by Section 5-5.12.

The Illinois Department may require that all dispensers of medical services desiring to participate in the medical assistance program established under this Article disclose, under such terms and conditions as the Illinois Department may by rule establish, all inquiries from clients and attorneys regarding medical bills paid by the Illinois Department, which inquiries could indicate potential existence of claims or liens for the Illinois Department.

Enrollment of a vendor shall be subject to a provisional period and shall be conditional for one year. During the period of conditional enrollment, the Department may terminate the vendor's eligibility to participate in, or may disenroll the vendor from, the medical assistance program without cause. Unless otherwise specified, such termination of eligibility or disenrollment is not subject to the Department's hearing process. However, a disenrolled vendor may reapply without penalty.

The Department has the discretion to limit the conditional enrollment period for vendors based upon category of risk of the vendor.

Prior to enrollment and during the conditional enrollment period in the medical assistance program, all vendors shall be subject to enhanced oversight, screening, and review based on the risk of fraud, waste, and abuse that is posed by the category of risk of the vendor. The Illinois Department shall establish the procedures for oversight, screening, and review, which may include, but need not be limited to: criminal and
financial background checks; fingerprinting; license, certification, and authorization verifications; unscheduled or unannounced site visits; database checks; prepayment audit reviews; audits; payment caps; payment suspensions; and other screening as required by federal or State law.

The Department shall define or specify the following: (i) by provider notice, the "category of risk of the vendor" for each type of vendor, which shall take into account the level of screening applicable to a particular category of vendor under federal law and regulations; (ii) by rule or provider notice, the maximum length of the conditional enrollment period for each category of risk of the vendor; and (iii) by rule, the hearing rights, if any, afforded to a vendor in each category of risk of the vendor that is terminated or disenrolled during the conditional enrollment period.

(4) In the case of a provider operated by a unit of local government with a population exceeding 3,000,000 when local government funds finance federal participation for claims payments.

In the case of long term care facilities, within 5 days of receipt by the facility of required prescreening information, data for new admissions shall be entered into the Medical Electronic Data Interchange (MEDI) or the Recipient Eligibility Verification (REV) System or successor system, and within 15 days of receipt by the facility of required prescreening information, admission documents shall be submitted through MEDI or REV or shall be submitted directly to the Department of Human Services using required admission forms. Effective September 1, 2014, admission documents, including all prescreening information, must be submitted through MEDI or REV. Confirmation numbers assigned to an accepted transaction shall be retained by a facility to verify timely submittal. Once an admission transaction has been completed, all resubmitted claims following prior rejection are subject to receipt no later than 180 days after the admission transaction has been completed.

Claims that are not submitted and received in compliance with the foregoing requirements shall not be eligible for payment under the medical assistance program, and the State shall have no liability for payment of those claims.

To the extent consistent with applicable information and privacy, security, and disclosure laws, State and federal agencies and departments shall provide the Illinois Department access to confidential and other information and data necessary to perform eligibility and payment verifications and other Illinois Department functions. At a minimum, and to the extent necessary to provide data sharing, the Illinois Department shall enter into agreements with State agencies and departments, and is authorized to enter into agreements with federal agencies and departments, including but not limited to: the Secretary of State; the Department of Revenue; the Department of Public Health; the Department of Human Services; and the Department of Financial and Professional Regulation.

Beginning in fiscal year 2013, the Illinois Department shall set forth a request for information to identify the benefits of a pre-payment, post-adjudication, and post-edit claims system with the goals of streamlining claims processing and provider reimbursement, reducing the number of pending or rejected claims, and helping to ensure a more transparent adjudication process through the utilization of: (i) provider data verification and provider screening technology; and (ii) clinical code editing; and (iii) pre-pay, pre- or post-adjudicated predictive modeling with an integrated case management system with link analysis. Such a request for information shall not be considered as a request for proposal or as an obligation on the part of the Illinois Department to take any action or acquire any products or services.

The Illinois Department shall establish policies, procedures, standards and criteria by rule for the acquisition, repair and replacement of orthotic and prosthetic devices and durable medical equipment. Such rules shall provide, but not be limited to, the following services: (1) immediate repair or replacement of such devices by recipients; and (2) rental, lease, purchase or lease-purchase of durable medical equipment in a cost-effective manner, taking into consideration the recipient's medical prognosis, the extent of the recipient's needs, and the requirements and costs for maintaining such equipment. Subject to prior approval, such rules shall enable a recipient to temporarily acquire and use alternative or substitute devices or equipment pending repairs or replacements of any device or equipment previously authorized for such recipient by the Department.

Under any contract procured under this provision, the vendor or vendors must serve only individuals enrolled in a school within the CPS system. Claims for services provided by CPS's vendor or vendors to recipients of benefits in the medical assistance program under this Code, the Children's Health Insurance Program, or the Covering ALL KIDS Health Insurance Program shall be submitted to the Department or the MCE in which the individual is enrolled for payment and shall be reimbursed at the Department's or the MCE's established rates or rate methodologies for eyeglasses.

Notwithstanding any other provision of this Code and subject to federal approval, the Department may adopt rules to allow a dentist who is volunteering his or her service at no cost to render dental services through an enrolled not-for-profit health clinic without the dentist personally enrolling as a participating provider in the medical assistance program. A not-for-profit health clinic shall include a public health clinic or Federally Qualified Health Center or other enrolled provider, as determined by the Department, through which dental services covered under this Section are performed. If, at any time, the Secretary of the United States Department of Health and Human Services, or its successor agency, promulgates rules or regulations to be published in the Federal Register or publishes a comment in the Federal Register or issues an opinion, guidance, or other action that would require the State, pursuant to any provision of the Patient Protection and Affordable Care Act (Public Law 111-148), including, but not limited to, 42 U.S.C. 18031(d)(3)(B) or any successor provision, to defray the cost of any coverage for breast tomosynthesis outlined in this paragraph, then the requirement that an insurer cover breast tomosynthesis is inoperative other than any such coverage authorized under Section 1902 of the Social Security Act, 42 U.S.C. 1396a, and the State shall not assume any obligation for the cost of coverage for breast tomosynthesis set forth in this paragraph.

By January 1, 2016, the Department shall report to the General Assembly on the status of the provision set forth in this paragraph.

The Department shall establish a methodology to remind women who are age-appropriate for screening mammography, but who have not received a mammogram within the previous 18 months, of the importance and benefit of screening mammography. The Department shall work with experts in breast cancer outreach and patient navigation to optimize these reminders and shall establish a methodology for evaluating their effectiveness and modifying the methodology based on the evaluation.

The Department shall establish a performance goal for primary care providers with respect to their female patients over age 40 receiving an annual mammogram. This performance goal shall be used to provide additional reimbursement in the form of a quality performance bonus to primary care providers who meet that goal.

The Department shall devise a means of case-managing or patient navigation for beneficiaries diagnosed with breast cancer. This program shall initially operate as a pilot program in areas of the State with the highest incidence of mortality related to breast cancer. At least one pilot program site shall be in the metropolitan Chicago area and at least one site shall be outside the metropolitan Chicago area. On or after July 1, 2016, the pilot program shall be expanded to include one site in western Illinois, one site in southern Illinois, one site in central Illinois, and 4 sites within metropolitan Chicago. An evaluation of the pilot program shall be carried out measuring health outcomes and cost of care for those served by the pilot program compared to similarly situated patients who are not served by the pilot program.

The Department shall require all networks of care to develop a means either internally or by contract with experts in navigation and community outreach to navigate cancer patients to comprehensive care in a timely fashion. The Department shall require all networks of care to include access for patients diagnosed with cancer to at least one academic commission on cancer-accredited cancer program as an in-network covered benefit.

Any medical or health care provider shall immediately recommend, to any pregnant woman who is being provided prenatal services and is
suspected of drug abuse or is addicted as defined in the Alcoholism and Other Drug Abuse and Dependency Act, referral to a local substance abuse treatment provider licensed by the Department of Human Services or to a licensed hospital which provides substance abuse treatment services. The Department of Healthcare and Family Services shall assure coverage for the cost of treatment of the drug abuse or addiction for pregnant recipients in accordance with the Illinois Medicaid Program in conjunction with the Department of Human Services.

All medical providers providing medical assistance to pregnant women under this Code shall receive information from the Department on the availability of services under the Drug Free Families with a Future or any comparable program providing case management services for addicted women, including information on appropriate referrals for other social services that may be needed by addicted women in addition to treatment for addiction.

The Illinois Department, in cooperation with the Departments of Human Services (as successor to the Department of Alcoholism and Substance Abuse) and Public Health, through a public awareness campaign, may provide information concerning treatment for alcoholism and drug abuse and addiction, prenatal health care, and other pertinent programs directed at reducing the number of drug-affected infants born to recipients of medical assistance.

Neither the Department of Healthcare and Family Services nor the Department of Human Services shall sanction the recipient solely on the basis of her substance abuse.

The Illinois Department shall establish such regulations governing the dispensing of health services under this Article as it shall deem appropriate. The Department should seek the advice of formal professional advisory committees appointed by the Director of the Illinois Department for the purpose of providing regular advice on policy and administrative matters, information dissemination and educational activities for medical and health care providers, and consistency in procedures to the Illinois Department.

The Illinois Department may develop and contract with Partnerships of medical providers to arrange medical services for persons eligible under Section 5-2 of this Code. Implementation of this Section may be by demonstration projects in certain geographic areas. The Partnership shall be represented by a sponsor organization. The Department, by rule, shall develop qualifications for sponsors of

Partnerships. Nothing in this Section shall be construed to require that the sponsor organization be a medical organization.

The sponsor must negotiate formal written contracts with medical providers for physician services, inpatient and outpatient hospital care, home health services, treatment for alcoholism and substance abuse, and other services determined necessary by the Illinois Department by rule for delivery by Partnerships. Physician services must include prenatal and obstetrical care. The Illinois Department shall reimburse medical services delivered by Partnership providers to clients in target areas according to provisions of this Article and the Illinois Health Finance Reform Act, except that:

(1) Physicians participating in a Partnership and providing certain services, which shall be determined by the Illinois Department, to persons in areas covered by the Partnership may receive an additional surcharge for such services.

(2) The Department may elect to consider and negotiate financial incentives to encourage the development of Partnerships and the efficient delivery of medical care.

(3) Persons receiving medical services through Partnerships may receive medical and case management services above the level usually offered through the medical assistance program.

All dispensers of medical services shall be required to maintain and retain business and professional records sufficient to fully and accurately document the nature, scope, details and receipt of the health care provided to persons eligible for medical assistance under this Code, in accordance with regulations promulgated by the Illinois Department. The rules and regulations shall require that proof of the receipt of prescription drugs, dentures, prosthetic devices and eyeglasses by eligible persons under this Section accompany each claim for reimbursement submitted by the dispenser of such medical services. No such claims for reimbursement shall be approved for payment by the Illinois Department without such proof of receipt, unless the Illinois Department shall have put into effect and shall be operating a system of post-payment audit and review which shall, on a sampling basis, be deemed adequate by the Illinois Department to assure that such drugs, dentures, prosthetic devices and eyeglasses for which payment is being made are actually being received by eligible recipients. The Illinois Department may require that all dispensers of medical services desiring to participate in the medical assistance program established under this Article disclose, under such terms and conditions as the Illinois Department may by rule establish, all inquiries from clients and attorneys regarding medical bills paid by the Illinois Department, which inquiries could indicate potential existence of claims or liens for the Illinois Department.

Enrollment of a vendor shall be subject to a provisional period and shall be conditional for one year. The Department has the discretion to limit the conditional enrollment period for vendors based upon category of risk of the vendor.

Prior to enrollment and during the conditional enrollment period in the medical assistance program, all vendors shall be subject to enhanced oversight, screening, and review based on the risk of fraud, waste, and abuse that is posed by the category of risk of the vendor. The Illinois Department shall establish the procedures for oversight, screening, and review, which may include, but need not be limited to: criminal and financial background checks; fingerprinting; license, certification, and authorization verifications; unscheduled or unannounced site visits; database checks; prepayment audit reviews; audits; payment caps; payment suspensions; and other screening as required by federal or State law.

In the case of long term care facilities, within 5 days of receipt by the facility of required prescreening information, data for new admissions shall be entered into the Medical Electronic Data Interchange (MEDI) or the Recipient Eligibility Verification (REV) System or successor system, and within 15 days of receipt by the facility of required prescreening information, admission documents shall be submitted through MEDI or REV or shall be submitted directly to the Department of Human Services using required admission forms. Effective September 1, 2014, admission documents, including all prescreening information, must be submitted through MEDI or REV. Confirmation numbers assigned to an accepted transaction shall be retained by a facility to verify timely submittal. Beginning in fiscal year 2013, the Illinois Department shall set forth a request for information to identify the benefits of a pre-payment, post-adjudication, and post-edit claims system with the goals of streamlining claims processing and provider reimbursement, reducing the number of pending or rejected claims, and helping to ensure a more transparent adjudication process through the utilization of: (i) provider data verification and provider screening technology; and (ii) clinical code editing; and (iii) pre-pay, pre- or post-adjudicated predictive modeling with an integrated case management system with link analysis. Such a request for information shall not be considered as a request for proposal or as an obligation on the part of the Illinois Department to take any action or acquire any products or services.

The Illinois Department shall establish policies, procedures, standards and criteria by rule for the acquisition, repair and replacement of orthotic and prosthetic devices and durable medical equipment. Such rules shall provide, but not be limited to, the following services: (1) immediate repair or replacement of such devices by recipients; and (2) rental, lease, purchase or lease-purchase of durable medical equipment in a cost-effective manner, taking into consideration the recipient's medical prognosis, the extent of the recipient's needs, and the requirements and costs for maintaining such equipment. Not less than 14% of the Early Childhood Education Block Grant allocation of funds shall be used to fund programs for children ages 0-3, which percentage shall increase to at least 20% by Fiscal Year 2016. Beginning in Fiscal Year 2016, at least 25% of any additional Early Childhood Education Block Grant funding over and above the previous fiscal year's allocation shall be used to fund programs for children ages 0-3. Once the percentage of Early Childhood Education Block Grant funding allocated to programs for children ages 0-3 reaches 20% of the overall Early Childhood Education Block Grant allocation for a full fiscal year, thereafter in subsequent fiscal years the percentage of Early Childhood Education Block Grant funding allocated to programs for children ages 0-3 each fiscal year shall remain at least 20% of the overall Early Childhood Education Block Grant allocation. However, if, in a given fiscal year, the amount appropriated for the Early Childhood Education Block Grant is insufficient to increase the percentage of the grant to fund programs for children ages 0-3 without reducing the amount of the grant for existing providers of preschool education programs, then the percentage of the grant to fund programs for children ages 0-3 may be held steady instead of increased.

Licenses not registered in accordance with Section 21B-40 of this Code shall lapse after a period of 6 months from the expiration of the last year of registration. An unregistered license is invalid after September 1 for employment and performance of services in an Illinois public or State-operated school or cooperative and in a charter school. Any license or endorsement may be voluntarily surrendered by the license holder. A voluntarily surrendered license, except a substitute teaching license issued under Section 21B-20 of this Code, shall be treated as a revoked license. An Educator License with Stipulations with only a paraprofessional endorsement does not lapse.

(c) From July 1, 2013 through June 30, 2014, in order to satisfy the requirements for licensure renewal provided for in this Section, each professional educator licensee with an administrative endorsement who is working in a position requiring such endorsement shall complete one Illinois Administrators' Academy course, as described in Article 2 of this Code, per fiscal year.

(d) Beginning July 1, 2014, in order to satisfy the requirements for licensure renewal provided for in this Section, each professional educator licensee may create a professional development plan each year. The plan shall address one or more of the endorsements that are required of his or her educator position if the licensee is employed and performing services in an Illinois public or State-operated school or cooperative. If the licensee is employed in a charter school, the plan shall address that endorsement or those endorsements most closely related to his or her educator position. Licensees employed and performing services in any other Illinois schools may participate in the renewal requirements by adhering to the same process.

Except as otherwise provided in this Section, the licensee's professional development activities shall align with one or more of the following criteria:

(1) activities are of a type that engage participants over a sustained period of time allowing for analysis, discovery, and application as they relate to student learning, social or emotional achievement, or well-being;

The following provisions shall apply concerning professional development activities:

(1) Each licensee shall complete a total of 120 hours of professional development per 5-year renewal cycle in order to renew the license, except as otherwise provided in this Section.

(2) Beginning with his or her first full 5-year cycle, any licensee with an administrative endorsement who is not working in a position requiring such endorsement shall complete one Illinois Administrators' Academy course, as described in Article 2 of this Code, in each 5-year renewal cycle in which the administrative endorsement was held for at least one year. The Illinois Administrators' Academy course may count toward the total of 120 hours per 5-year cycle.

(3) Any licensee with an administrative endorsement who is working in a position requiring such endorsement or an individual with a Teacher Leader endorsement serving in an administrative capacity at least 50% of the day shall complete one Illinois Administrators' Academy course, as described in Article 2 of this Code, each fiscal year in addition to 100 hours of professional development per 5-year renewal cycle in accordance with this Code.

New matter indicated by italics - deletions by strikeout
required to pay only the registration fee in order to renew and maintain the validity of the license.

(6) Licensees who are retired and qualify for benefits from a State retirement system shall notify the State Board of Education using ELIS, and the license shall be maintained in retired status. An individual with a license in retired status shall not be required to complete professional development activities or pay registration fees until returning to a position that requires educator licensure. Upon returning to work in a position that requires the Professional Educator License, the licensee shall immediately pay a registration fee and complete renewal requirements for that year. A license in retired status cannot lapse.

(7) For any renewal cycle in which professional development hours were required, but not fulfilled, the licensee shall complete any missed hours to total the minimum professional development hours required in this Section prior to September 1 of that year. For any fiscal year or renewal cycle in which an Illinois Administrators' Academy course was required but not completed, the licensee shall complete any missed Illinois Administrators' Academy courses prior to September 1 of that year. The licensee may complete all deficient hours and Illinois Administrators' Academy courses while continuing to work in a position that requires that license until September 1 of that year.

(9) If professional development opportunities were unavailable to a licensee, proof that opportunities were unavailable and request for an extension of time beyond August 31 to complete the renewal requirements may be submitted from April 1 through June 30 of that year to the State Educator Preparation and Licensure Board. If an extension is approved, the license shall remain valid during the extension period.

(10) Individuals who hold exempt licenses prior to December 27, 2013 (the effective date of Public Act 98-610) this amendatory Act of the 98th General Assembly shall commence the annual renewal process with the first scheduled registration due
after December 27, 2013 (the effective date of Public Act 98-610) this amendatory Act of the 98th General Assembly.

(11) Notwithstanding any other provision of this subsection (e), if a licensee earns more than the required number of professional development hours during a renewal cycle, then the licensee may carry over any hours earned from April 1 through June 30 of the last year of the renewal cycle. Any hours carried over in this manner must be applied to the next renewal cycle. Illinois Administrators' Academy courses or hours earned in those courses may not be carried over.

(f) At the time of renewal, each licensee shall respond to the required questions under penalty of perjury.

(g) The following entities shall be designated as approved to provide professional development activities for the renewal of Professional Educator Licenses:

(1) The State Board of Education.
(2) Regional offices of education and intermediate service centers.
(3) Illinois professional associations representing the following groups that are approved by the State Superintendent of Education:

(F) the purchase price of the vehicle, if applicable;
(G) the date of the disposition of the vehicle;
(H) the name and address of the person to whom any vehicle was disposed, and if that person is a dealer, the Illinois or out-of-State dealer's license number of that dealer;

In addition, a separate entry shall be made for each part acquired for immediate sale or transfer, or for placement into the overall inventory or stock to be disposed of at a later time, or for use on a vehicle to be materially altered by the licensee, or acquired for any other purpose or reason.
Failure to make a separate entry for each essential part acquired or disposed of, or a failure to record any of the specific information required to be recorded concerning the acquisition or disposition of each essential part as set forth in subparagraph (A) of paragraph (2) of subsection (a) shall constitute a failure to keep records.

(D) The vehicle's manufacturer's identification number or Secretary of State or Illinois Department of State Police identification number for the essential part shall be ascertained and recorded even if such part is acquired from a person or dealer located in a State, territory, or country which does not require that such information be recorded. The records required to be kept by this Section for essential parts other than hulks, chassis, frames or cowls, shall apply only to those essential parts which are 6 model years of age or newer. In determining the model year of such an essential part it may be presumed that the identification number of the vehicle from which the essential part came or the identification number affixed to the essential part itself acquired by the licensee denotes the model year of that essential part. This presumption, however, shall not apply if the gross appearance of the essential part does not correspond to the year, make or model of either the identification number of the vehicle from which the essential part is alleged to have come or the

identification number which is affixed to the essential part itself. To determine whether an essential part is 6 years of age or newer within this paragraph, the model year of the essential part shall be subtracted from the calendar year in which the essential part is acquired or disposed of by the licensee. If the remainder is 6 or less, the record of the acquisition or disposition of that essential part shall be kept as required by this Section.

(F) The requirements of paragraph (2) of subsection (a) of this Section shall not apply to the disposition of an essential part other than a cowl which has been damaged or altered to a state in which it can no longer be returned to a usable condition and which is being sold or transferred to a scrap processor or for delivery to a scrap processor.

(d) Each owner of a vehicle required to obtain the minimum liability requirements under subsection (b) of this Section shall attest that the vehicle meets the minimum insurance requirements under this Section. The Secretary of State shall create a form for each owner of a vehicle to attest that the owner meets the minimum insurance requirements and the owner of the vehicle shall submit the form with each registration application. election procedures as may be deemed necessary to ensure fair elections.

(o) In the event that a vacancy occurs during a member's term, the
Council shall appoint a person eligible to serve on the Council, to fill the
unexpired term created by the vacancy, except that any teacher vacancy
shall be filled by the Board after considering the preferences of the school
staff as ascertained through a non-binding advisory poll of school staff.

(q) The Board shall promulgate rules regarding conflicts of interest
and disclosure of economic interests which shall apply to local school
council members and which shall require reports or statements to be filed
by Council members at regular intervals with the Secretary of the Board.

shall be grounds for disqualification from local school council
membership. A vacancy on the Council for disqualification may be so
declared by the Secretary of the Board. Rules regarding conflicts of
interest and disclosure of economic interests promulgated by the Board
shall apply to local school council members. No less than 45 days prior to

The Council member in question shall have the right to explain his or her actions and shall be eligible to vote on the question of his or her removal from the Council. The provisions of this subsection shall be contained within the petitions used to nominate Council candidates.

If a community resident member ceases to be eligible to serve on the Council, he or she shall be removed by the Board subject to a hearing, convened pursuant to Board rule, prior to removal.

(3) A person may continue to serve as a teacher member of a local school council as long as he or she is employed and assigned to perform a majority of his or her duties at the school, provided that if the teacher representative resigns from employment with the Board or voluntarily transfers to another school, the teacher's membership on the local school council and all voting rights are terminated immediately as of the date of the teacher's resignation or upon the date of the teacher's voluntary transfer to another school. (a) A parent, adoptive parent, or adjudicated parent whose parental rights have not been terminated, or the guardian of the person of a minor may appoint in writing, without court approval, a short-term guardian of an unmarried minor or a child likely to be born. The written instrument appointing a short-term guardian shall be dated and shall identify the appointing parent or guardian, the minor, and the person appointed to be the short-term guardian. The written instrument shall be signed by, or at the direction of, the appointing parent in the presence of at least 2 credible witnesses at least 18 years of age, neither of whom is the person appointed as the short-term guardian. The person appointed as the short-term guardian shall also sign the written instrument, but need not sign at the same time as the appointing parent.

AN ACT concerning transportation.
Be it enacted by the People of the State of Illinois, represented in
the General Assembly:
Section 5. The Illinois Aeronautics Act is amended by changing
Section 42 as follows:
(620 ILCS 5/42) (from Ch. 15 1/2, par. 22.42)
Sec. 42. Regulation of aircraft, airmen, and airports.
(a) The general public interest and safety, the safety of persons
operating, using, or traveling in, aircraft, and of persons and property on
the ground, and the interest of aeronautical progress require that aircraft
operated within this State should be airworthy, that airmen should be
properly qualified, and that air navigation facilities should be suitable for
the purposes for which they are designed. The purposes of this Act require
that the Department should be enabled to exercise the powers of regulation
and supervision herein granted. The advantage of uniform regulation
makes it desirable that aircraft operated within this State should conform
with respect to design, construction, and airworthiness to the standards
prescribed by the United States Government with respect to civil aircraft
subject to its jurisdiction and that persons engaging in aeronautics within
this State should have the qualifications necessary for obtaining and
holding appropriate airmen certificates of the United States. It is desirable
and right that all applicable fees and taxes shall be paid with respect to
aircraft operated within this State.
(b) In light of the findings in subsection (a), the Department is
authorized:
(1) To require the registration, every 2 years, of federal
licenses, certificates or permits of civil aircraft engaged in air
navigation within this State, and a one-time registration of
airmen engaged in aeronautics within this State, and to issue
certificates of such registration. These certificates of registration
constitute the authorization of such aircraft and airmen for
operations within this State to the extent permitted by the federal
licenses, certificates or permits so registered. It shall charge a fee,
payable every 2 years, for the registration of each federal license,
certificate or permit of $10 for each airman’s certificate and $20 for
each aircraft certificate and a one-time fee of $20, payable at

registration, for each airman's certificate. It may accept as evidence of the holding of a federal license, certificate or permit the verified application of the airman or the owner of the aircraft, which application shall contain such information as the Department may by rule, ruling, regulation, order or decision prescribe. The Department's authority to register aircraft or to issue certificates of registration is limited as follows:

(i) Except as to any aircraft vehicle purchased before March 8, 1963, the Department, in the case of the first registration of any aircraft vehicle for any given owner on or after March 8, 1963, may not issue a certificate of registration with respect to any aircraft vehicle until after the Department has been satisfied that no tax under the Use Tax Act, the Aircraft Use Tax Law, the Municipal Use Tax Act, or the Home Rule County Use Tax Law is owing by reason of the use of the vehicle in Illinois or that any tax so imposed has been paid. A receipt issued under those Acts by the Department of Revenue constitutes proof of payment of the tax. For the purpose of this paragraph, "aircraft vehicle" means a single aircraft.

(ii) If the proof of payment of the tax or of nonliability therefor is, after the issuance of the certificate of registration, found to be invalid, the Department shall revoke the certificate and require that the certificate be returned to the Department.

(2) To classify and approve airports and restricted landing areas and any alterations or extensions thereof. Certificates of approval issued pursuant to this paragraph, or pursuant to any prior law, shall be issued in the name of the applicant and shall be transferable upon a change of ownership or control of the airport or restricted landing area only after approval of the Department. No charge or fee shall be made or imposed for any kind of certificate of approval or a transfer thereof.

(3) To revoke, temporarily or permanently, any certificate of registration of an aircraft or airman issued by it, or to refuse to issue any such certificate of registration, when it shall reasonably determine that any aircraft is not airworthy, or that any airman:

(i) is not qualified;

(ii) has willfully violated the laws of this State pertaining to aeronautics or any rules, rulings, regulations, orders, or decisions issued pursuant thereto, or any Federal law or any rule or regulation issued pursuant thereto;

(iii) is addicted to the use of narcotics or other habit forming drug, or to the excessive use of intoxicating liquor;

(iv) has made any false statement in any application for registration of a federal license, certificate or permit; or

(v) has been guilty of other conduct, acts, or practices dangerous to the public safety or the safety of those engaged in aeronautics.

(c) The Department may refuse to issue or may suspend the certificate of any person who fails to file a return, or to pay the tax, penalty or interest shown in a filed return, or to pay any final assessment of tax, penalty or interest, as required by any tax Act administered by the Illinois Department of Revenue, until such time as the requirements of any such tax Act are satisfied.

(4) the manner in which school districts and special education cooperatives must account for the use of grant moneys; and

(5) any other provision that the State Board determines to be necessary or useful for the administration of this Section.

(c) In each school year in which school energy efficiency project grants are awarded, 20% of the total amount awarded shall be awarded to a school district in a city with a population of more than 500,000, provided that the school district complies with the requirements of this Section and the rules adopted under this Section.

(3) the proper class of CLP or CDL or endorsements or both for the specific vehicle group being operated or for the passengers or type of cargo being transported; or
(4) a copy of a medical variance document, if one exists, such as an exemption letter or a skill performance evaluation certificate.

(a-5) A CLP or CDL holder whose CLP or CDL is held by this State or any other state in the course of enforcement of a motor vehicle traffic code and who has not been convicted of a disqualifying offense under 49 C.F.R. 383.51 based on this enforcement, may drive a CMV while holding a dated receipt for the CLP or CDL.

(b) Except as otherwise provided by this Code, no person may drive a commercial motor vehicle on the highways while such person's driving privilege, license, or permit is:

(1) Suspended, revoked, cancelled, or subject to disqualification. Any person convicted of violating this provision or a similar provision of this or any other state shall have their driving privileges revoked under paragraph 12 of subsection (a) of Section 6-205 of this Code.

(2) Subject to or in violation of an "out-of-service" order. Any person who has been issued a CLP or CDL and is convicted of violating this provision or a similar provision of any other state shall be disqualified from operating a commercial motor vehicle under subsection (i) of Section 6-514 of this Code.

(3) Subject to or in violation of a driver or vehicle "out of service" order while operating a vehicle designed to transport 16 or more passengers, including the driver, or transporting hazardous materials required to be placarded. Any person who has been issued a CLP or CDL and is convicted of violating this provision or a similar provision of this or any other state shall be disqualified from operating a commercial motor vehicle under subsection (i) of Section 6-514 of this Code.

(b-3) Except as otherwise provided by this Code, no person may drive a commercial motor vehicle on the highways during a period which the commercial motor vehicle or the motor carrier operation is subject to an "out-of-service" order. Any person who is convicted of violating this provision or a similar provision of any other state shall be disqualified
from operating a commercial motor vehicle under subsection (i) of Section 6-514 of this Code.

(b-5) Except as otherwise provided by this Code, no person may operate a vehicle designed to transport 16 or more passengers including the driver or hazardous materials of a type or quantity that requires the vehicle to be placarded during a period in which the commercial motor vehicle or the motor carrier operation is subject to an "out-of-service" order. Any person who is convicted of violating this provision or a similar provision of any other state shall be disqualified from operating a commercial motor vehicle under subsection (i) of Section 6-514 of this Code.

(c) Pursuant to the options provided to the States by FHWA Docket No. MC-88-8, the driver of any motor vehicle controlled or operated by or for a farmer is waived from the requirements of this Section, when such motor vehicle is being used to transport: agricultural products; implements of husbandry; or farm supplies; to and from a farm, as long as such movement is not over 150 air miles from the originating farm. This waiver does not apply to the driver of any motor vehicle being used in a common or contract carrier type operation. However, for those drivers of any truck-tractor semitrailer combination or combinations registered under subsection (c) of Section 3-815 of this Code, this waiver shall apply only when the driver is a farmer or a member of the farmer's family and the driver is 21 years of age or more and has successfully completed any tests the Secretary of State deems necessary.

In addition, the farmer or a member of the farmer's family who operates a truck-tractor semitrailer combination or combinations pursuant to this waiver shall be granted all of the rights and shall be subject to all of the duties and restrictions with respect to Sections 6-514 and 6-515 of this Code applicable to the driver who possesses a commercial driver's license issued under this Code, except that the driver shall not be subject to any additional duties or restrictions contained in Part 382 of the Federal Motor Carrier Safety Regulations that are not otherwise imposed under Section 6-514 or 6-515 of this Code.

For purposes of this subsection (c), a member of the farmer's family is a natural or in-law spouse, child, parent, or sibling.

As required under the Code of Federal Regulations 49 CFR 390.39, an operator of a covered farm vehicle, as defined under Section 18b-101 of this Code, is exempt from the requirements of this Section. However, for drivers of any truck-tractor semitrailer combination or combinations
operating as a covered farm vehicle, the driver must successfully complete any tests the Secretary of State deems necessary. When operating any truck-tractor semitrailer combination as a covered farm vehicle, the exemption applies only to persons age 21 or older, if operating the vehicle in interstate driving, and to persons at least 18 years of age, if operating the vehicle in intrastate driving. The Secretary may adopt rules necessary to implement this Section.

(c-5) An employee of a township or road district with a population of less than 3,000 operating a vehicle within the boundaries of the township or road district for the purpose of removing snow or ice from a roadway by plowing, sanding, or salting is waived from the requirements of this Section when the employee is needed to operate the vehicle because the employee of the township or road district who ordinarily operates the vehicle and who has a commercial driver's license is unable to operate the vehicle or is in need of additional assistance due to a snow emergency.

(c-10) A driver of a commercial motor vehicle used primarily in the transportation of propane winter heating fuel or a driver of a motor vehicle used to respond to a pipeline emergency is waived from the requirements of this Section if such requirements would prevent the driver from responding to an emergency condition requiring immediate response as defined in 49 C.F.R. Part 390.5.

(d) Any person convicted of violating this Section, shall be guilty of a Class A misdemeanor.

(e) Any person convicted of violating paragraph (1) of subsection (b) of this Section, shall have all driving privileges revoked by the Secretary of State.

(f) This Section shall not apply to:

(1) A person who currently holds a valid Illinois driver's license, for the type of vehicle being operated, until the expiration of such license or April 1, 1992, whichever is earlier; or

(2) A non-Illinois domiciliary who is properly licensed in another State, until April 1, 1992. A non-Illinois domiciliary, if such domiciliary is properly licensed in another State or foreign jurisdiction, until April 1, 1992.

(805 ILCS 180/37-40)

Sec. 37-40. Series of members, managers or limited liability company interests.

(a) An operating agreement may establish or provide for the establishment of designated series of members, managers or limited liability company interests having separate rights, powers or duties with respect to specified property or obligations of the limited liability company or profits and losses associated with specified property or obligations, and to the extent provided in the operating agreement, any such series may have a separate business purpose or investment objective.

(b) Notwithstanding anything to the contrary set forth in this Section or under other applicable law, in the event that an operating agreement creates one or more series, and if separate and distinct records are maintained for any such series and the assets associated with any such series are held (directly or indirectly, including through a nominee or otherwise) and accounted for separately from the other assets of the limited liability company, or any other series thereof, and if the operating agreement so provides, and notice of the limitation on liabilities of a series as referenced in this subsection is set forth in the articles of organization of the limited liability company and if the limited liability company has filed a certificate of designation for each series which is to have limited liability under this Section, then the debts, liabilities and obligations incurred, contracted for or otherwise existing with respect to a particular series shall be enforceable against the assets of such series only, and not against the assets of the limited liability company generally or any other series thereof, and unless otherwise provided in the operating agreement, none of the debts, liabilities, obligations and expenses incurred, contracted for or otherwise existing with respect to the limited liability company generally or any other series thereof shall be enforceable against the assets of such series. The fact that the articles of organization contain the foregoing notice of the limitation on liabilities of a series and a certificate of designation for a series is on file in the Office of the Secretary of State shall constitute notice of such limitation on liabilities of a series. A series with limited liability shall be treated as a separate entity to the extent set

forth in the articles of organization. Each series with limited liability may, in its own name, contract, hold title to assets, grant security interests, sue and be sued and otherwise conduct business and exercise the powers of a limited liability company under this Act. The limited liability company and any of its series may elect to consolidate their operations as a single taxpayer to the extent permitted under applicable law, elect to work cooperatively, elect to contract jointly or elect to be treated as a single business for purposes of qualification to do business in this or any other state. Such elections shall not affect the limitation of liability set forth in this Section except to the extent that the series have specifically accepted joint liability by contract.

(c) Except in the case of a foreign limited liability company that has adopted an assumed name pursuant to Section 45-15, the name of the series with limited liability must commence with the entire name of the limited liability company, as set forth in its articles of organization, and be distinguishable from the names of the other series set forth in the articles of organization. In the case of a foreign limited liability company that has adopted an assumed name pursuant to Section 45-15, the name of the series with limited liability must commence with the entire name, as set forth in the foreign limited liability company's assumed name application, under which the foreign limited liability company has been admitted to transact business in this State.

(d) Upon the filing of the certificate of designation with the Secretary of State setting forth the name of each series with limited liability, the series' existence shall begin, and each of the duplicate copies stamped "Filed" and marked with the filing date shall be conclusive evidence, except as against the State, that all conditions precedent required to be performed have been complied with and that the series has been or shall be legally organized and formed under this Act. If different from the limited liability company, the certificate of designation for each series shall list the names of the members if the series is member managed or the names of the managers if the series is manager managed. The name of a series with limited liability under subsection (b) of this Section may be changed by filing with the Secretary of State a certificate of designation identifying the series whose name is being changed and the new name of such series. If not the same as the limited liability company, the names of the members of a member managed series or of the managers of a manager managed series may be changed by filing a new certificate of designation with the Secretary of State. A series with limited liability under subsection

New matter indicated by italics - deletions by strikeout
(b) of this Section may be dissolved by filing with the Secretary of State a certificate of designation identifying the series being dissolved or by the dissolution of the limited liability company as provided in subsection (m) of this Section. Certificates of designation may be executed by the limited liability company or any manager, person or entity designated in the operating agreement for the limited liability company.

(e) A series of a limited liability company will be deemed to be in good standing as long as the limited liability company is in good standing.

(f) The registered agent and registered office for the limited liability company in Illinois shall serve as the agent and office for service of process in Illinois for each series.

(g) An operating agreement may provide for classes or groups of members or managers associated with a series having such relative rights, powers and duties as the operating agreement may provide, and may make provision for the future creation of additional classes or groups of members or managers associated with the series having such relative rights, powers and duties as may from time to time be established, including rights, powers and duties senior to existing classes and groups of members or managers associated with the series.

(h) A series may be managed by either the member or members associated with the series or by a manager or managers chosen by the members of such series, as provided in the operating agreement. Unless otherwise provided in an operating agreement, the management of a series shall be vested in the members associated with such series.

(i) An operating agreement may grant to all or certain identified members or managers or a specified class or group of the members or managers associated with a series the right to vote separately or with all or any class or group of the members or managers associated with the series, on any matter. An operating agreement may provide that any member or class or group of members associated with a series shall have no voting rights.

(j) Except to the extent modified in this Section, the provisions of this Act which are generally applicable to limited liability companies, their managers, members and transferees shall be applicable to each particular series with respect to the operation of such series.

(k) Except as otherwise provided in an operating agreement, any event under this Act or in an operating agreement that causes a manager to cease to be a manager with respect to a series shall not, in itself, cause
such manager to cease to be a manager of the limited liability company or with respect to any other series thereof.

(l) Except as otherwise provided in an operating agreement, any event under this Act or an operating agreement that causes a member to cease to be associated with a series shall not, in itself, cause such member to cease to be associated with any other series or terminate the continued membership of a member in the limited liability company or cause the termination of the series, regardless of whether such member was the last remaining member associated with such series.

(m) Except to the extent otherwise provided in the operating agreement, a series may be dissolved and its affairs wound up without causing the dissolution of the limited liability company. Sec. 46. Loans and interest rate.

(1) A credit union may make loans to its members for such purpose and upon such security and terms, including rates of interest, as the credit committee, credit manager, or loan officer approves. Notwithstanding the provisions of any other law in connection with extensions of credit, a credit union may elect to contract for and receive interest and fees and other charges for extensions of credit subject only to the provisions of this Act and rules promulgated under this Act, except that extensions of credit secured by residential real estate shall be subject to the laws applicable thereto. The rates of interest to be charged on loans to members shall be set by the board of directors of each individual credit union in accordance with Section 30 of this Act and such rates may be less than, but may not exceed, the maximum rate set forth in this Section. A borrower may repay his loan prior to maturity, in whole or in part, without penalty. A prepayment penalty does not include a waived, bona fide third-party charge that the credit union imposes if the borrower prepays all of the transaction's principal sooner than 36 months after consummation of a closed-end credit transaction, a waived, bona fide third-party charge that the credit union imposes if the borrower terminates an open-end credit plan sooner than 36 months after account opening, or a yield maintenance fee imposed on a business loan transaction. The credit contract may provide for the payment by the member and receipt by the credit union of all costs and disbursements, including reasonable attorney's fees and collection agency charges, incurred by the credit union to collect or enforce the debt in the event of a delinquency by the member, or in the event of a breach of any obligation of the member under the credit contract. A contingency or hourly arrangement established under an agreement entered into by a credit union with an attorney or collection agency to collect a loan of a member in default shall be presumed prima facie reasonable.

(2) Credit unions may make loans based upon the security of any interest or equity in real estate, subject to rules and regulations promulgated by the Secretary. In any contract or loan which is secured by a mortgage, deed of trust, or conveyance in the nature of a mortgage, on residential real estate, the interest which is computed, calculated, charged, or collected pursuant to such contract or loan, or pursuant to any regulation or rule promulgated pursuant to this Act, may not be computed, calculated, charged or collected for any period of time occurring after the date on

which the total indebtedness, with the exception of late payment penalties, is paid in full.

For purposes of this subsection (2) of this Section 46, a prepayment shall mean the payment of the total indebtedness, with the exception of late payment penalties if incurred or charged, on any date before the date specified in the contract or loan agreement on which the total indebtedness shall be paid in full, or before the date on which all payments, if timely made, shall have been made. In the event of a prepayment of the indebtedness which is made on a date after the date on which interest on the indebtedness was last computed, calculated, charged, or collected but before the next date on which interest on the indebtedness was to be calculated, computed, charged, or collected, the lender may calculate, charge and collect interest on the indebtedness for the period which elapsed between the date on which the prepayment is made and the date on which interest on the indebtedness was last computed, calculated, charged or collected at a rate equal to 1/360 of the annual rate for each day which so elapsed, which rate shall be applied to the indebtedness outstanding as of the date of prepayment. The lender shall refund to the borrower any interest charged or collected which exceeds that which the lender may charge or collect pursuant to the preceding sentence. The provisions of this amendatory Act of 1985 shall apply only to contracts or loans entered into on or after the effective date of this amendatory Act.

(3) (Blank).

(4) Notwithstanding any other provisions of this Act, a credit union authorized under this Act to make loans secured by an interest or equity in real property may engage in making revolving credit loans secured by mortgages or deeds of trust on such real property or by security assignments of beneficial interests in land trusts.

For purposes of this Section, "revolving credit" has the meaning defined in Section 4.1 of the Interest Act.

Any mortgage or deed of trust given to secure a revolving credit loan may, and when so expressed therein shall, secure not only the existing indebtedness but also such future advances, whether such advances are obligatory or to be made at the option of the lender, or otherwise, as are made within twenty years from the date thereof, to the same extent as if such future advances were made on the date of the execution of such mortgage or deed of trust, although there may be no advance made at the time of execution of such mortgage or other instrument, and although there may be no indebtedness outstanding at the time any advance is made. The

lien of such mortgage or deed of trust, as to third persons without actual notice thereof, shall be valid as to all such indebtedness and future advances form the time said mortgage or deed of trust is filed for record in the office of the recorder of deeds or the registrar of titles of the county where the real property described therein is located. The total amount of indebtedness that may be so secured may increase or decrease from time to time, but the total unpaid balance so secured at any one time shall not exceed a maximum principal amount which must be specified in such mortgage or deed of trust, plus interest thereon, and any disbursements made for the payment of taxes, special assessments, or insurance on said real property, with interest on such disbursements.

Any such mortgage or deed of trust shall be valid and have priority over all subsequent liens and encumbrances, including statutory liens, except taxes and assessments levied on said real property.

(4-5) For purposes of this Section, "real estate" and "real property" include a manufactured home as defined in subdivision (53) of Section 9-102 of the Uniform Commercial Code which is real property as defined in Section 5-35 of the Conveyance and Encumbrance of Manufactured Homes as Real Property and Severance Act.

(5) Compliance with federal or Illinois preemptive laws or regulations governing loans made by a credit union chartered under this Act shall constitute compliance with this Act.

(6) Credit unions may make residential real estate mortgage loans on terms and conditions established by the United States Department of Agriculture through its Rural Development Housing and Community Facilities Program. The portion of any loan in excess of the appraised value of the real estate shall be allocable only to the guarantee fee required under the program.

(7) For a renewal, refinancing, or restructuring of an existing loan at the credit union that is secured by an interest or equity in real estate, a new appraisal of the collateral shall not be required when (i) no new moneys are advanced other than funds necessary to cover reasonable closing costs, or (ii) there has been no obvious or material change in market conditions or physical aspects of the real estate that threatens the adequacy of the credit union's real estate collateral protection after the transaction, even with the advancement of new moneys. The Department reserves the right to require an appraisal under this subsection (7) whenever the Department believes it is necessary to address safety and soundness concerns.

Sec. 52. Loans to directors, officers, credit committee, credit manager, and supervisory committee members. A credit union may make loans to its directors, officers, credit committee members, credit manager, and supervisory committee members, provided that the loan complies with all lawful requirements under this Act with respect to loans to other borrowers. No loan may be made to or cosigned by any director, officer, credit committee member, credit manager if no credit committee has been appointed, or supervisory committee member which would cause the aggregate amount of all loans then outstanding to or cosigned by all directors, officers, credit committee members, credit manager if no credit committee has been appointed, or supervisory committee members to exceed 20% of the unimpaired capital and surplus of the credit union.

Sec. 64.7. Network credit unions.

(a) Two or more credit unions merging pursuant to Section 63 of this Act may elect to request a network credit union designation for the surviving credit union from the Secretary. The request shall be set forth in the plan of merger and certificate of merger executed by the credit unions and submitted to the Secretary pursuant to subsection (4) of Section 63. The Secretary's approval of a certificate of merger containing a network credit union designation request shall constitute approval of the use of the network designation as a brand or other identifier of the surviving credit union. If the surviving credit union desires to include the network designation in its legal name, make any other change to its legal name, or both, it shall proceed with an amendment to the articles of incorporation and bylaws of the surviving credit union pursuant to Section 4 of this Act.

(b) A network credit union is a cooperative business structure comprised of 2 or more merging credit unions with a collective goal of efficiently serving their combined membership and gaining economies of scale through common vision, strategy and initiative. The merging credit unions shall be identified as divisional credit unions, branches, or units of the network credit union or by other descriptive references that ensure the members understand they are dealing with one credit union rather than multiple credit unions. Each divisional credit union shall have its own advisory board of directors and chief management official to assist in
maintaining and leveraging its respective local identity for the benefit of the surviving credit union. The divisional credit union advisory boards shall be appointed by the network credit union board of directors. Each divisional credit union's board of directors shall appoint its divisional credit union chief management official and may also appoint one of its directors to serve on the network credit union's nominating committee.

(c) The network credit union is the surviving legal entity in the merger and supervision, examination, audit, reporting, governance, and management shall be conducted or performed at the network credit union level. All share insurance, safety and soundness, and statutory and regulatory requirements and limitations shall be evaluated at the network credit union level.

PUBLIC ACT 99-0619
(Senate Bill No. 2255)

AN ACT concerning local government.

Be it enacted by the People of the State of Illinois, represented in
the General Assembly:

Section 5. The Illinois Library System Act is amended by changing
Section 8.1 as follows:

(75 ILCS 10/8.1) (from Ch. 81, par. 118.1)

Sec. 8.1. The State Librarian shall make grants annually under this
Section to all qualified public libraries in the State from funds
appropriated by the General Assembly. Such grants shall be in the amount
of up to $1.25 per capita for the population of the area served by the
respective public library and, in addition, the amount of up to $0.19 per
capita to libraries serving populations over 500,000 under the Illinois
Major Urban Library Program. If the moneys appropriated for grants under
this Section fail to meet the $1.25 and the $0.19 per capita amounts above,

receive the same amount per capita. If the moneys appropriated for grants
under this Section exceed the $1.25 and the $0.19 per capita amounts

New matter indicated by italics - deletions by strikeout
above, the funding shall be increased pro rata so that qualifying public libraries receive the same amount per capita.

To be eligible for grants under this Section, a public library must:

(1) Provide, as determined by the State Librarian, library services which either meet or show progress toward meeting the Illinois library standards, as most recently adopted by the Illinois Library Association.

(2) Be a public library for which is levied a tax for library purposes at a rate not less than .13% or a county library for which is levied a tax for library purposes at a rate not less than .07%. If a library is subject to the Property Tax Extension Limitation Law in the Property Tax Code and its tax levy for library purposes has been lowered to a rate of less than .13%, this requirement will be waived if the library qualified for this grant in the previous year and if the tax levied for library purposes in the current year produces tax revenue for library purposes that is an increase over the previous year's extension of 5% or the percentage increase in the Consumer Price Index, whichever is less. Beginning in State Fiscal Year 2012 and continuing through and including State Fiscal Year 2015, the eligibility requirement in this subsection shall be waived if a library's tax levy for library purposes has been lowered to a rate of less than 0.13%, and the State Librarian determines that the library (i) continues to meet the requirements of item (1) of this Section and (ii) received a grant under this Section in the previous fiscal year.

Any other language in this Section to the contrary notwithstanding, grants under this Section 8.1 shall be made only upon application of the public library concerned, which applications shall be entirely voluntary and within the sole discretion of the public library concerned.

In order to be eligible for a grant under this Section, the corporate authorities, in lieu of a tax levy at a particular rate, may provide funds from other sources, an amount equivalent to the amount to be produced by that levy.

(Senate Bill No. 2343)

AN ACT concerning the use of cell site simulator devices.

Be it enacted by the People of the State of Illinois, represented in the General Assembly:

Section 1. Short title. This Act may be cited as the Citizen Privacy Protection Act.

Section 5. Definitions. As used in this Act:
"Cell site simulator device" means a device that transmits or receives radio waves to or from a communications device that can be used to intercept, collect, access, transfer, or forward the data transmitted or received by the communications device, or stored on the communications

device, including an international mobile subscriber identity (IMSI) catcher or other cell phone or telephone surveillance or eavesdropping device that mimics a cellular base station and transmits radio waves that cause cell phones or other communications devices in the area to transmit or receive radio waves, electronic data, location data, information used to calculate location, identifying information, communications content, or metadata, or otherwise obtains this information through passive means, such as through the use of a digital analyzer or other passive interception device. "Cell site simulator device" does not include any device used or installed by an electric utility solely to the extent the device is used by that utility to measure electrical usage, to provide services to customers, or to operate the electric grid.

"Communications device" means any electronic device that transmits signs, signals, writings, images, sounds, or data in whole or in part by a wire, radio, electromagnetic, photoelectric, or photo-optical system.

"Law enforcement agency" means any agency of this State or a political subdivision of this State which is vested by law with the duty to maintain public order and to enforce criminal laws.

Section 10. Prohibited use of cell site simulator devices. A law enforcement agency may not use a cell site simulator device, except to locate or track the location of a communications device or to identify a communications device. Except as provided in Section 15 of the Freedom From Location Surveillance Act, a court order based on probable cause that a person whose location information is sought has committed, is committing, or is about to commit a crime, is required for any permitted use of a cell site simulator device.

Section 15. Application for court order.

(a) An application for a court order to use a cell site simulator device, including an emergency application under subparagraph (B) of paragraph (6) of Section 15 of the Freedom From Location Surveillance Act, must include:

(1) a description of the nature and capabilities of the cell site simulator device that will be used and the manner and method of its deployment, including whether the cell site simulator device will obtain data from non-target communications devices; and

(2) a description of the procedures that will be followed to protect the privacy of non-targets during the investigation,
including the deletion of data obtained from non-target communications devices.

(b) If the cell site simulator device is used to locate or track a known communications device, all non-target data must be deleted as soon as reasonably practicable, but no later than once every 24 hours.

(c) If the cell site simulator device is used to identify an unknown communications device, all non-target data must be deleted as soon as reasonably practicable, but no later than within 72 hours of the time that the unknown communications device is identified, absent a court order preserving the non-target data and directing that it be filed under seal with the court. The court may retain data obtained from a non-target communications device under a court order showing good cause for no longer than the period required under Supreme Court Rules. The law enforcement agency is prohibited from accessing data obtained from a non-target communications device for the purpose of any investigation not authorized by the original court order.

(d) A court order issued under this Section may be sealed upon a showing of need, but for no more than 180 days, with any extensions to be granted upon a certification that an investigation remains active or a showing of exceptional circumstances.

Section 20. Admissibility. If the court finds by a preponderance of the evidence that a law enforcement agency used a cell site simulator to gather information in violation of the limits in Sections 10 and 15 of this Act, then the information shall be presumed to be inadmissible in any judicial or administrative proceeding. The State may overcome this presumption by proving the applicability of a judicially recognized exception to the exclusionary rule of the Fourth Amendment to the U.S. Constitution or Article I, Section 6 of the Illinois Constitution to the information. Nothing in this Act shall be deemed to prevent a court from independently reviewing the admissibility of the information for compliance with the aforementioned provisions of the U.S. and Illinois Constitutions.

(Senate Bill No. 2512)

AN ACT concerning courts.

Be it enacted by the People of the State of Illinois, represented in the General Assembly:

Section 5. The Juvenile Court Act of 1987 is amended by changing Section 2-10 as follows:

(705 ILCS 405/2-10) (from Ch. 37, par. 802-10)
Sec. 2-10. Temporary custody hearing. At the appearance of the minor before the court at the temporary custody hearing, all witnesses present shall be examined before the court in relation to any matter connected with the allegations made in the petition.

(1) If the court finds that there is not probable cause to believe that the minor is abused, neglected or dependent it shall release the minor and dismiss the petition.

(2) If the court finds that there is probable cause to believe that the minor is abused, neglected or dependent, the court shall state in writing the factual basis supporting its finding and the minor, his or her parent, guardian, custodian and other persons able to give relevant testimony shall be examined before the court in relation to any matter connected with the allegations made in the petition.

(1) If the court finds that there is not probable cause to believe that the minor is abused, neglected or dependent it shall release the minor and dismiss the petition.

(2) If the court finds that there is probable cause to believe that the minor is abused, neglected or dependent, the court shall state in writing the factual basis supporting its finding and the minor, his or her parent, guardian, custodian and other persons able to give relevant testimony shall be examined before the court. The Department of Children and Family Services shall give testimony concerning indicated reports of abuse and neglect, of which they are aware of through the central registry, involving the minor's parent, guardian or custodian. After such testimony, the court may, consistent with the health, safety and best interests of the minor, enter an order that the minor shall be released upon the request of parent, guardian or custodian if the parent, guardian or custodian appears to take custody. If it is determined that a parent's, guardian's, or custodian's compliance with critical services mitigates the necessity for removal of the minor from his or her home, the court may enter an Order of Protection

setting forth reasonable conditions of behavior that a parent, guardian, or
custodian must observe for a specified period of time, not to exceed 12
months, without a violation; provided, however, that the 12-month period
shall begin anew after any violation. Custodian shall include any agency of
the State which has been given custody or wardship of the child. If it is
consistent with the health, safety and best interests of the minor, the court
may also prescribe shelter care and order that the minor be kept in a
suitable place designated by the court or in a shelter care facility
designated by the Department of Children and Family Services or a
licensed child welfare agency; however, on and after January 1, 2015 (the
effective date of Public Act 98-803) this amendatory Act of the 98th
General Assembly and before January 1, 2017, a minor charged with a
criminal offense under the Criminal Code of 1961 or the Criminal Code of
2012 or adjudicated delinquent shall not be placed in the custody of or
committed to the Department of Children and Family Services by any
court, except a minor less than 16 years of age and committed to the
Department of Children and Family Services under Section 5-710 of this
Act or a minor for whom an independent basis of abuse, neglect, or
dependency exists; and on and after January 1, 2017, a minor charged with
a criminal offense under the Criminal Code of 1961 or the Criminal Code
of 2012 or adjudicated delinquent shall not be placed in the custody of or
committed to the Department of Children and Family Services by any
court, except a minor less than 15 years of age and committed to the
Department of Children and Family Services under Section 5-710 of this
Act or a minor for whom an independent basis of abuse, neglect, or
dependency exists. An independent basis exists when the allegations or
adjudication of abuse, neglect, or dependency do not arise from the same
facts, incident, or circumstances which give rise to a charge or
adjudication of delinquency.

In placing the minor, the Department or other agency shall, to the
extent compatible with the court's order, comply with Section 7 of the
Children and Family Services Act. In determining the health, safety and
best interests of the minor to prescribe shelter care, the court must find that
it is a matter of immediate and urgent necessity for the safety and
protection of the minor or of the person or property of another that the
minor be placed in a shelter care facility or that he or she is likely to flee
the jurisdiction of the court, and must further find that reasonable efforts
have been made or that, consistent with the health, safety and best interests
of the minor, no efforts reasonably can be made to prevent or eliminate the

New matter indicated by italics - deletions by strikeout
necessity of removal of the minor from his or her home. The court shall require documentation from the Department of Children and Family Services as to the reasonable efforts that were made to prevent or eliminate the necessity of removal of the minor from his or her home or the reasons why no efforts reasonably could be made to prevent or eliminate the necessity of removal. When a minor is placed in the home of a relative, the Department of Children and Family Services shall complete a preliminary background review of the members of the minor's custodian's household in accordance with Section 4.3 of the Child Care Act of 1969 within 90 days of that placement. If the minor is ordered placed in a shelter care facility of the Department of Children and Family Services or a licensed child welfare agency, the court shall, upon request of the appropriate Department or other agency, appoint the Department of Children and Family Services Guardianship Administrator or other appropriate agency executive temporary custodian of the minor and the court may enter such other orders related to the temporary custody as it deems fit and proper, including the provision of services to the minor or his family to ameliorate the causes contributing to the finding of probable cause or to the finding of the existence of immediate and urgent necessity.

Where the Department of Children and Family Services Guardianship Administrator is appointed as the executive temporary custodian, the Department of Children and Family Services shall file with the court and serve on the parties a parent-child visiting plan, within 10 days, excluding weekends and holidays, after the appointment. The parent-child visiting plan shall set out the time and place of visits, the frequency of visits, the length of visits, who shall be present at the visits, and where appropriate, the minor's opportunities to have telephone and mail communication with the parents.

Where the Department of Children and Family Services Guardianship Administrator is appointed as the executive temporary custodian, and when the child has siblings in care, the Department of Children and Family Services shall file with the court and serve on the parties a sibling placement and contact plan within 10 days, excluding weekends and holidays, after the appointment. The sibling placement and contact plan shall set forth whether the siblings are placed together, and if they are not placed together, what, if any, efforts are being made to place them together. If the Department has determined that it is not in a child's best interest to be placed with a sibling, the Department shall document in the sibling placement and contact plan the basis for its determination. For
siblings placed separately, the sibling placement and contact plan shall set
the time and place for visits, the frequency of the visits, the length of
visits, who shall be present for the visits, and where appropriate, the child's
opportunities to have contact with their siblings in addition to in person
contact. If the Department determines it is not in the best interest of a
sibling to have contact with a sibling, the Department shall document in
the sibling placement and contact plan the basis for its determination. The
sibling placement and contact plan shall specify a date for development of
the Sibling Contact Support Plan, under subsection (f) of Section 7.4 of
the Children and Family Services Act, and shall remain in effect until the
Sibling Contact Support Plan is developed.

For good cause, the court may waive the requirement to file the
parent-child visiting plan or the sibling placement and contact plan, or
extend the time for filing either plan. Any party may, by motion, request
the court to review the parent-child visiting plan to determine whether it is
reasonably calculated to expeditiously facilitate the achievement of the
permanency goal. A party may, by motion, request the court to review the
parent-child visiting plan or the sibling placement and contact plan to
determine whether it is consistent with the minor's best interest. The court
may refer the parties to mediation where available. The frequency,
duration, and locations of visitation shall be measured by the needs of the
child and family, and not by the convenience of Department personnel.
Child development principles shall be considered by the court in its
analysis of how frequent visitation should be, how long it should last,
where it should take place, and who should be present. If upon motion of
the party to review either plan and after receiving evidence, the court
determines that the parent-child visiting plan is not reasonably calculated
to expeditiously facilitate the achievement of the permanency goal or that
the restrictions placed on parent-child contact or sibling placement or
contact are contrary to the child's best interests, the court shall put in
writing the factual basis supporting the determination and enter specific
findings based on the evidence. The court shall enter an order for the
Department to implement changes to the parent-child visiting plan or
sibling placement or contact plan, consistent with the court's findings. At
any stage of proceeding, any party may by motion request the court to
enter any orders necessary to implement the parent-child visiting plan,
sibling placement or contact plan or subsequently developed Sibling
Contact Support Plan. Nothing under this subsection (2) shall restrict the
court from granting discretionary authority to the Department to increase

New matter indicated by italics - deletions by strikeout
opportunities for additional parent-child contacts or sibling contacts, without further court orders. Nothing in this subsection (2) shall restrict the Department from immediately restricting or terminating parent-child contact or sibling contacts, without either amending the parent-child visiting plan or the sibling contact plan or obtaining a court order, where the Department or its assigns reasonably believe that continuation of the contact, as set out in the plan, would be contrary to the child's health, safety, and welfare. The Department shall file with the court and serve on the parties any amendments to the plan within 10 days, excluding weekends and holidays, of the change of the visitation.

Acceptance of services shall not be considered an admission of any allegation in a petition made pursuant to this Act, nor may a referral of services be considered as evidence in any proceeding pursuant to this Act, except where the issue is whether the Department has made reasonable efforts to reunite the family. In making its findings that it is consistent with the health, safety and best interests of the minor to prescribe shelter care, the court shall state in writing (i) the factual basis supporting its findings concerning the immediate and urgent necessity for the protection of the minor or of the person or property of another and (ii) the factual basis supporting its findings that reasonable efforts were made to prevent or eliminate the removal of the minor from his or her home or that no efforts reasonably could be made to prevent or eliminate the removal of the minor from his or her home. The parents, guardian, custodian, temporary custodian and minor shall each be furnished a copy of such written findings. The temporary custodian shall maintain a copy of the court order and written findings in the case record for the child. The order together with the court's findings of fact in support thereof shall be entered of record in the court.

Once the court finds that it is a matter of immediate and urgent necessity for the protection of the minor that the minor be placed in a shelter care facility, the minor shall not be returned to the parent, custodian or guardian until the court finds that such placement is no longer necessary for the protection of the minor.

If the child is placed in the temporary custody of the Department of Children and Family Services for his or her protection, the court shall admonish the parents, guardian, custodian or responsible relative that the parents must cooperate with the Department of Children and Family Services, comply with the terms of the service plans, and correct the conditions which require the child to be in care, or risk termination of their

parental rights. The court shall ensure, by inquiring in open court of each parent, guardian, custodian or responsible relative, that the parent, guardian, custodian or responsible relative has had the opportunity to provide the Department with all known names, addresses, and telephone numbers of each of the minor's living maternal and paternal adult relatives, including, but not limited to, grandparents, aunts, uncles, and siblings. The court shall advise the parents, guardian, custodian or responsible relative to inform the Department if additional information regarding the minor's adult relatives becomes available.

(3) If prior to the shelter care hearing for a minor described in Sections 2-3, 2-4, 3-3 and 4-3 the moving party is unable to serve notice on the party respondent, the shelter care hearing may proceed ex parte. A shelter care order from an ex parte hearing shall be endorsed with the date and hour of issuance and shall be filed with the clerk's office and entered of record. The order shall expire after 10 days from the time it is issued unless before its expiration it is renewed, at a hearing upon appearance of the party respondent, or upon an affidavit of the moving party as to all diligent efforts to notify the party respondent by notice as herein prescribed. The notice prescribed shall be in writing and shall be personally delivered to the minor or the minor's attorney and to the last known address of the other person or persons entitled to notice. The notice shall also state the nature of the allegations, the nature of the order sought by the State, including whether temporary custody is sought, and the consequences of failure to appear and shall contain a notice that the parties will not be entitled to further written notices or publication notices of proceedings in this case, including the filing of an amended petition or a motion to terminate parental rights, except as required by Supreme Court Rule 11; and shall explain the right of the parties and the procedures to vacate or modify a shelter care order as provided in this Section. The notice for a shelter care hearing shall be substantially as follows:

NOTICE TO PARENTS AND CHILDREN

New matter indicated by italics - deletions by strikeout
YOUR FAILURE TO APPEAR AT THE HEARING MAY RESULT IN PLACEMENT of the child or children in foster care until a trial can be held. A trial may not be held for up to 90 days. You will not be entitled to further notices of proceedings in this case, including the filing of an amended petition or a motion to terminate parental rights.

At the shelter care hearing, parents have the following rights:

1. To ask the court to appoint a lawyer if they cannot afford one.
2. To ask the court to continue the hearing to allow them time to prepare.
3. To present evidence concerning:
   a. Whether or not the child or children were abused, neglected or dependent.
   b. Whether or not there is "immediate and urgent necessity" to remove the child from home (including: their ability to care for the child, conditions in the home, alternative means of protecting the child other than removal).
   c. The best interests of the child.
4. To cross examine the State's witnesses.

The Notice for rehearings shall be substantially as follows:

NOTICE OF PARENT'S AND CHILDREN'S RIGHTS TO REHEARING ON TEMPORARY CUSTODY

To request this rehearing, you must file with the Clerk of the Juvenile Court (address): ............... in person or by mailing a statement (affidavit) setting forth the following:

1. That you were not present at the shelter care hearing.
2. That you did not get adequate notice (explaining how the notice was inadequate).
3. Your signature.
4. Signature must be notarized.

New matter indicated by italics - deletions by strikeout
The rehearing should be scheduled within 48 hours of your filing this affidavit.

At the rehearing, your rights are the same as at the initial shelter care hearing. The enclosed notice explains those rights.

At the Shelter Care Hearing, children have the following rights:

1. To have a guardian ad litem appointed.
2. To be declared competent as a witness and to present testimony concerning:
   a. Whether they are abused, neglected or dependent.
   b. Whether there is "immediate and urgent necessity" to be removed from home.
   c. Their best interests.
3. To cross examine witnesses for other parties.
4. To obtain an explanation of any proceedings and orders of the court.

(4) If the parent, guardian, legal custodian, responsible relative, minor age 8 or over, or counsel of the minor did not have actual notice of or was not present at the shelter care hearing, he or she may file an affidavit setting forth these facts, and the clerk shall set the matter for rehearing not later than 48 hours, excluding Sundays and legal holidays, after the filing of the affidavit. At the rehearing, the court shall proceed in the same manner as upon the original hearing.

(5) Only when there is reasonable cause to believe that the minor taken into custody is a person described in subsection (3) of Section 5-105 may the minor be kept or detained in a detention home or county or municipal jail. This Section shall in no way be construed to limit subsection (6).

(6) No minor under 16 years of age may be confined in a jail or place ordinarily used for the confinement of prisoners in a police station. Minors under 18 years of age must be kept separate from confined adults and may not at any time be kept in the same cell, room, or yard with adults confined pursuant to the criminal law.

(7) If the minor is not brought before a judicial officer within the time period as specified in Section 2-9, the minor must immediately be released from custody.

(8) If neither the parent, guardian or custodian appears within 24 hours to take custody of a minor released upon request pursuant to

New matter indicated by italics - deletions by strikeout
subsection (2) of this Section, then the clerk of the court shall set the matter for rehearing not later than 7 days after the original order and shall issue a summons directed to the parent, guardian or custodian to appear. At the same time the probation department shall prepare a report on the minor. If a parent, guardian or custodian does not appear at such rehearing, the judge may enter an order prescribing that the minor be kept in a suitable place designated by the Department of Children and Family Services or a licensed child welfare agency.

(9) Notwithstanding any other provision of this Section any interested party, including the State, the temporary custodian, an agency providing services to the minor or family under a service plan pursuant to Section 8.2 of the Abused and Neglected Child Reporting Act, foster parent, or any of their representatives, on notice to all parties entitled to notice, may file a motion that it is in the best interests of the minor to modify or vacate a temporary custody order on any of the following grounds:

   (a) It is no longer a matter of immediate and urgent necessity that the minor remain in shelter care; or
   (b) There is a material change in the circumstances of the natural family from which the minor was removed and the child can be cared for at home without endangering the child's health or safety; or
   (c) A person not a party to the alleged abuse, neglect or dependency, including a parent, relative or legal guardian, is capable of assuming temporary custody of the minor; or
   (d) Services provided by the Department of Children and Family Services or a child welfare agency or other service provider have been successful in eliminating the need for temporary custody and the child can be cared for at home without endangering the child's health or safety.

In ruling on the motion, the court shall determine whether it is consistent with the health, safety and best interests of the minor to modify or vacate a temporary custody order.

The clerk shall set the matter for hearing not later than 14 days after such motion is filed. In the event that the court modifies or vacates a temporary custody order but does not vacate its finding of probable cause, the court may order that appropriate services be continued or initiated in behalf of the minor and his or her family.

(10) When the court finds or has found that there is probable cause to believe a minor is an abused minor as described in subsection (2) of Section 2-3 and that there is an immediate and urgent necessity for the abused minor to be placed in shelter care, immediate and urgent necessity shall be presumed for any other minor residing in the same household as the abused minor provided:

(a) Such other minor is the subject of an abuse or neglect petition pending before the court; and

(b) A party to the petition is seeking shelter care for such other minor.

Once the presumption of immediate and urgent necessity has been raised, the burden of demonstrating the lack of immediate and urgent necessity shall be on any party that is opposing shelter care for the other minor.

(11) The changes made to this Section by Public Act 98-61 apply to a minor who has been arrested or taken into custody on or after January 1, 2014 (the effective date of Public Act 98-61).

Board. A copy of the appellant's petition shall be mailed or sent by electronic means by the clerk of the Property Tax Appeal Board to the board of review whose decision is being appealed. In all cases where a change in assessed valuation of $100,000 or more is sought, the board of review shall serve a copy of the petition on all taxing districts as shown on the last available tax bill. The chairman of the Property Tax Appeal Board shall provide for the speedy hearing of all such appeals. Each appeal shall be limited to the grounds listed in the petition filed with the Property Tax Appeal Board. All appeals shall be considered de novo and the Property Tax Appeal Board shall not be limited to the evidence presented to the board of review of the county. A party participating in the hearing before the Property Tax Appeal Board is entitled to introduce evidence that is otherwise proper and admissible without regard to whether that evidence has previously been introduced at a hearing before the board of review of the county. Where no complaint has been made to the board of review of the county where the property is located and the appeal is based solely on the effect of an equalizing factor assigned to all property or to a class of property by the board of review, the Property Tax Appeal Board shall not grant a reduction in assessment greater than the amount that was added as the result of the equalizing factor.

The provisions added to this Section by this amendatory Act of the 93rd General Assembly shall be construed as declaratory of existing law and not as a new enactment.

Sec. 16-185. Decisions. The Board shall make a decision in each appeal or case appealed to it, and the decision shall be based upon equity and the weight of evidence and not upon constructive fraud, and shall be binding upon appellant and officials of government. The extension of taxes on any assessment so appealed shall not be delayed by any proceeding before the Board, and, in case the assessment is altered by the Board, any taxes extended upon the unauthorized assessment or part thereof shall be abated, or, if already paid, shall be refunded with interest as provided in Section 23-20.

The decision or order of the Property Tax Appeal Board in any such appeal, shall, within 10 days thereafter, be certified at no charge to the appellant and to the proper authorities, including the board of review or board of appeals whose decision was appealed, the county clerk who

The final administrative decision of the Property Tax Appeal Board shall be deemed served on a party when a copy of the decision is: (1) deposited in the United States Mail, in a sealed package, with postage prepaid, addressed to that party at the address listed for that party in the pleadings; except that, if the party is represented by an attorney, the notice shall go to the attorney at the address listed in the pleadings; or (2) sent electronically to the party at the e-mail addresses provided for that party in the pleadings. The Property Tax Appeal Board shall allow each party to designate one or more individuals to receive electronic correspondence on behalf of that party and shall allow each party to change, add, or remove designees selected by that party during the course of the proceedings. Decisions and all electronic correspondence shall be directed to each individual so designated.

If the Property Tax Appeal Board renders a decision lowering the assessment of a particular parcel after the deadline for filing complaints with the board of review or board of appeals or after adjournment of the session of the board of review or board of appeals at which assessments for the subsequent year are being considered, the taxpayer may, within 30 days after the date of written notice of the Property Tax Appeal Board's decision, appeal the assessment for the subsequent year directly to the Property Tax Appeal Board.

If the Property Tax Appeal Board renders a decision lowering the assessment of a particular parcel on which a residence occupied by the owner is situated, such reduced assessment, subject to equalization, shall remain in effect for the remainder of the general assessment period as provided in Sections 9-215 through 9-225, unless that parcel is subsequently sold in an arm's length transaction establishing a fair cash value for the parcel that is different from the fair cash value on which the Board's assessment is based, or unless the decision of the Property Tax Appeal Board is reversed or modified upon review.

A provision in the community instruments requiring members of record to vote to approve an amendment to the community instruments, or for the members of record to be given notice of an amendment to the community instruments, does not apply to an amendment that corrects an omission, error, or inconsistency to conform the community instruments to this Act or to another applicable law. there is an omission or error in the declaration or other instrument of the association, the association may correct the error or omission by an amendment to the declaration or other instrument, as may be required to conform it to this Act, to any other applicable statute, or to the declaration. The amendment shall be adopted by vote of two-thirds of the members of the board of directors or by a majority vote of the members at a meeting called for that purpose, unless the Act or the declaration of the association specifically provides for greater percentages or different procedures.

(b) If, through a scrivener's error, a unit has not been designated as owning an appropriate undivided share of the common areas or does not bear an appropriate share of the common expenses, or if all of the common expenses or all of the common elements have not been distributed in the declaration, so that the sum total of the shares of common areas which have been distributed or the sum total of the shares of the common expenses fail to equal 100%, or if it appears that more than 100% of the common elements or common expenses have been distributed, the error may be corrected by operation of law by filing an amendment to the

declaration, approved by vote of two-thirds of the members of the board or a majority vote of the members at a meeting called for that purpose, which proportionately adjusts all percentage interests so that the total is equal to 100%, unless the declaration specifically provides for a different procedure or different percentage vote by the owners of the units and the owners of mortgages thereon affected by modification being made in the undivided interest in the common areas, the number of votes in the association or the liability for common expenses appertaining to the unit.

(c) If a scrivener's error in the declaration or other instrument is corrected by vote of two-thirds of the members of the board pursuant to the authority established in subsection (a) or subsection (b), the board, upon written petition by members with 20% of the votes of the association received within 30 days of the board action, shall call a meeting of the members within 30 days of the filing of the petition to consider the board action. Unless a majority of the votes of the members of the association are cast at the meeting to reject the action, it is ratified whether or not a quorum is present.

(d) Nothing contained in this Section shall be construed to invalidate any provision of a declaration authorizing the developer to amend an instrument prior to the latest date on which the initial membership meeting of the members must be held, whether or not it has actually been held, to bring the instrument into compliance with the legal requirements of the Federal National Mortgage Association, the Federal Home Loan Mortgage Corporation, the Federal Housing Administration, the United States Department of Veterans Affairs, or their respective successors and assigns.

Sec. 5-710. Kinds of sentencing orders.

(1) The following kinds of sentencing orders may be made in respect of wards of the court:

(a) Except as provided in Sections 5-805, 5-810, 5-815, a minor who is found guilty under Section 5-620 may be:

   (i) put on probation or conditional discharge and released to his or her parents, guardian or legal custodian, provided, however, that any such minor who is not committed to the Department of Juvenile Justice under this subsection and who is found to be a delinquent for an
offense which is first degree murder, a Class X felony, or a forcible felony shall be placed on probation;

(ii) placed in accordance with Section 5-740, with or without also being put on probation or conditional discharge;

(iii) required to undergo a substance abuse assessment conducted by a licensed provider and participate in the indicated clinical level of care;

(iv) on and after the effective date of this amendatory Act of the 98th General Assembly and before January 1, 2017, placed in the guardianship of the Department of Children and Family Services, but only if the delinquent minor is under 16 years of age or, pursuant to Article II of this Act, a minor for whom an independent basis of abuse, neglect, or dependency exists. On and after January 1, 2017, placed in the guardianship of the Department of Children and Family Services, but only if the delinquent minor is under 15 years of age or, pursuant to Article II of this Act, a minor for whom an independent basis of abuse, neglect, or dependency exists. However, the 30-day limitation may be extended by further order of the court for a minor under age 15 committed to the Department of Children and Family Services if the court finds that the minor is a danger to himself or others. The minor shall be given credit on the sentencing order of detention for time spent in detention under Sections 5-501, 5-601, 5-710, or 5-720 of this Article as a result of the offense for which the sentencing order was imposed. The court may grant credit on a sentencing order of detention

7A of this Article.

(b) A minor found to be guilty may be committed to the
Department of Juvenile Justice under Section 5-750 if the minor is
at least 13 years and under 20 years of age, provided that the
commitment to the Department of Juvenile Justice shall be made
only if the minor was found guilty of a felony offense or first
degree murder a term of imprisonment in the penitentiary system
of the Department of Corrections is permitted by law for adults
found guilty of the offense for which the minor was adjudicated
delinquent. The court shall include in the sentencing order any pre-
custody credits the minor is entitled to under Section 5-4.5-100 of
the Unified Code of Corrections. The time during which a minor is
in custody before being released upon the request of a parent,
guardian or legal custodian shall also be considered as time spent
in custody.

(c) When a minor is found to be guilty for an offense which
is a violation of the Illinois Controlled Substances Act, the
Cannabis Control Act, or the Methamphetamine Control and
Community Protection Act and made a ward of the court, the court
may enter a disposition order requiring the minor to undergo
assessment, counseling or treatment in a substance abuse program
approved by the Department of Human Services.

(2) Any sentencing order other than commitment to the Department
of Juvenile Justice may provide for protective supervision under Section 5-
725 and may include an order of protection under Section 5-730.

(3) Unless the sentencing order expressly so provides, it does not
operate to close proceedings on the pending petition, but is subject to
modification until final closing and discharge of the proceedings under
Section 5-750.

(4) In addition to any other sentence, the court may order any
minor found to be delinquent to make restitution, in monetary or non-
monetary form, under the terms and conditions of Section 5-5-6 of the
Unified Code of Corrections, except that the "presentencing hearing"
referred to in that Section shall be the sentencing hearing for purposes of
this Section. The parent, guardian or legal custodian of the minor may be

ordered by the court to pay some or all of the restitution on the minor's behalf, pursuant to the Parental Responsibility Law. The State's Attorney is authorized to act on behalf of any victim in seeking restitution in proceedings under this Section, up to the maximum amount allowed in Section 5 of the Parental Responsibility Law.

(5) Any sentencing order where the minor is committed or placed in accordance with Section 5-740 shall provide for the parents or guardian of the estate of the minor to pay to the legal custodian or guardian of the person of the minor such sums as are determined by the custodian or guardian of the person of the minor as necessary for the minor's needs. The payments may not exceed the maximum amounts provided for by Section 9.1 of the Children and Family Services Act.

(6) Whenever the sentencing order requires the minor to attend school or participate in a program of training, the truant officer or designated school official shall regularly report to the court if the minor is a chronic or habitual truant under Section 26-2a of the School Code. Notwithstanding any other provision of this Act, in instances in which educational services are to be provided to a minor in a residential facility where the minor has been placed by the court, costs incurred in the provision of those educational services must be allocated based on the requirements of the School Code.

(7) In no event shall a guilty minor be committed to the Department of Juvenile Justice for a period of time in excess of that period for which an adult could be committed for the same act. The court shall include in the sentencing order a limitation on the period of confinement not to exceed the maximum period of imprisonment the court could impose under Article V of the Unified Code of Corrections.

(7.5) In no event shall a guilty minor be committed to the Department of Juvenile Justice or placed in detention when the act for which the minor was adjudicated delinquent would not be illegal if committed by an adult.

(7.6) In no event shall a guilty minor be committed to the Department of Juvenile Justice for an offense which is a Class 4 felony under Section 19-4 (criminal trespass to a residence), 21-1 (criminal damage to property), 21-1.01 (criminal damage to government supported property), 21-1.3 (criminal defacement of property), 26-1 (disorderly conduct), or 31-4 (obstructing justice), of the Criminal Code of 2012.

(8) A minor found to be guilty for reasons that include a violation of Section 21-1.3 of the Criminal Code of 1961 or the Criminal Code of

New matter indicated by italics - deletions by strikeout
2012 shall be ordered to perform community service for not less than 30 and not more than 120 hours, if community service is available in the jurisdiction. The community service shall include, but need not be limited to, the cleanup and repair of the damage that was caused by the violation or similar damage to property located in the municipality or county in which the violation occurred. The order may be in addition to any other order authorized by this Section.

(8.5) A minor found to be guilty for reasons that include a violation of Section 3.02 or Section 3.03 of the Humane Care for Animals Act or paragraph (d) of subsection (1) of Section 21-1 of the Criminal Code of 1961 or paragraph (4) of subsection (a) of Section 21-1 of the Criminal Code of 2012 shall be ordered to undergo medical or psychiatric treatment rendered by a psychiatrist or psychological treatment rendered by a clinical psychologist. The order may be in addition to any other order authorized by this Section.

(9) In addition to any other sentencing order, the court shall order any minor found to be guilty for an act which would constitute, predatory criminal sexual assault of a child, aggravated criminal sexual assault, criminal sexual assault, aggravated criminal sexual abuse, or criminal sexual abuse if committed by an adult to undergo medical testing to determine whether the defendant has any sexually transmissible disease including a test for infection with human immunodeficiency virus (HIV) or any other identified causative agency of acquired immunodeficiency syndrome (AIDS). Any medical test shall be performed only by appropriately licensed medical practitioners and may include an analysis of any bodily fluids as well as an examination of the minor's person. Except as otherwise provided by law, the results of the test shall be kept strictly confidential by all medical personnel involved in the testing and must be personally delivered in a sealed envelope to the judge of the court in which the sentencing order was entered for the judge's inspection in camera. Acting in accordance with the best interests of the victim and the public, the judge shall have the discretion to determine to whom the results of the testing may be revealed. The court shall notify the minor of the results of the test for infection with the human immunodeficiency virus (HIV). The court shall also notify the victim if requested by the victim, and if the victim is under the age of 15 and if requested by the victim's parents or legal guardian, the court shall notify the victim's parents or the legal guardian, of the results of the test for infection with the human immunodeficiency virus (HIV). The court shall provide information on the

availability of HIV testing and counseling at the Department of Public Health facilities to all parties to whom the results of the testing are revealed. The court shall order that the cost of any test shall be paid by the county and may be taxed as costs against the minor.

(10) When a court finds a minor to be guilty the court shall, before entering a sentencing order under this Section, make a finding whether the offense committed either: (a) was related to or in furtherance of the criminal activities of an organized gang or was motivated by the minor's membership in or allegiance to an organized gang, or (b) involved a violation of subsection (a) of Section 12-7.1 of the Criminal Code of 1961 or the Criminal Code of 2012, a violation of any Section of Article 24 of the Criminal Code of 1961 or the Criminal Code of 2012, or a violation of any statute that involved the wrongful use of a firearm. If the court determines the question in the affirmative, and the court does not commit the minor to the Department of Juvenile Justice, the court shall order the minor to perform community service for not less than 30 hours nor more than 120 hours, provided that community service is available in the jurisdiction and is funded and approved by the county board of the county where the offense was committed. The community service shall include, but need not be limited to, the cleanup and repair of any damage caused by a violation of Section 21-1.3 of the Criminal Code of 1961 or the Criminal Code of 2012 and similar damage to property located in the municipality or county in which the violation occurred. When possible and reasonable, the community service shall be performed in the minor's neighborhood. This order shall be in addition to any other order authorized by this Section except for an order to place the minor in the custody of the Department of Juvenile Justice. For the purposes of this Section, "organized gang" has the meaning ascribed to it in Section 10 of the Illinois Streetgang Terrorism Omnibus Prevention Act.

(11) If the court determines that the offense was committed in furtherance of the criminal activities of an organized gang, as provided in subsection (10), and that the offense involved the operation or use of a motor vehicle or the use of a driver's license or permit, the court shall notify the Secretary of State of that determination and of the period for which the minor shall be denied driving privileges. If, at the time of the determination, the minor does not hold a driver's license or permit, the court shall provide that the minor shall not be issued a driver's license or permit until his or her 18th birthday. If the minor holds a driver's license or permit at the time of the determination, the court shall provide that the

minor's driver's license or permit shall be revoked until his or her 21st birthday, or until a later date or occurrence determined by the court. If the minor holds a driver's license at the time of the determination, the court may direct the Secretary of State to issue the minor a judicial driving permit, also known as a JDP. The JDP shall be subject to the same terms as a JDP issued under Section 6-206.1 of the Illinois Vehicle Code, except that the court may direct that the JDP be effective immediately.

(12) If a minor is found to be guilty of a violation of subsection (a-7) of Section 1 of the Prevention of Tobacco Use by Minors Act, the court may, in its discretion, and upon recommendation by the State's Attorney, order that minor and his or her parents or legal guardian to attend a smoker's education or youth diversion program as defined in that Act if that program is available in the jurisdiction where the offender resides. Attendance at a smoker's education or youth diversion program shall be time-credited against any community service time imposed for any first violation of subsection (a-7) of Section 1 of that Act. In addition to any other penalty that the court may impose for a violation of subsection (a-7) of Section 1 of that Act, the court, upon request by the State's Attorney, may in its discretion require the offender to remit a fee for his or her attendance at a smoker's education or youth diversion program.

For purposes of this Section, "smoker's education program" or "youth diversion program" includes, but is not limited to, a seminar designed to educate a person on the physical and psychological effects of smoking tobacco products and the health consequences of smoking tobacco products that can be conducted with a locality's youth diversion program.

In addition to any other penalty that the court may impose under this subsection (12):

(a) If a minor violates subsection (a-7) of Section 1 of the Prevention of Tobacco Use by Minors Act, the court may impose a sentence of 15 hours of community service or a fine of $25 for a first violation.

(b) A second violation by a minor of subsection (a-7) of Section 1 of that Act that occurs within 12 months after the first violation is punishable by a fine of $50 and 25 hours of community service.

(c) A third or subsequent violation by a minor of subsection (a-7) of Section 1 of that Act that occurs within 12 months after the
first violation is punishable by a $100 fine and 30 hours of community service.

(d) Any second or subsequent violation not within the 12-month time period after the first violation is punishable as provided for a first violation.

Sec. 5-740. Placement; legal custody or guardianship.

(1) If the court finds that the parents, guardian, or legal custodian of a minor adjudged a ward of the court are unfit or are unable, for some reason other than financial circumstances alone, to care for, protect, train or discipline the minor or are unwilling to do so, and that appropriate services aimed at family preservation and family reunification have been unsuccessful in rectifying the conditions which have led to a finding of unfitness or inability to care for, protect, train or discipline the minor, and that it is in the best interest of the minor to take him or her from the custody of his or her parents, guardian or custodian, the court may:

(a) place him or her in the custody of a suitable relative or other person;

(b) place him or her under the guardianship of a probation officer;

(c) commit him or her to an agency for care or placement, except an institution under the authority of the Department of Juvenile Justice Corrections or of the Department of Children and Family Services;

(d) commit him or her to some licensed training school or industrial school; or

(e) commit him or her to any appropriate institution having among its purposes the care of delinquent children, including a child protective facility maintained by a child protection district serving the county from which commitment is made, but not including any institution under the authority of the Department of Juvenile Justice Corrections or of the Department of Children and Family Services.

(2) When making such placement, the court, wherever possible, shall select a person holding the same religious belief as that of the minor or a private agency controlled by persons of like religious faith of the minor and shall require the Department of Children and Family Services to

otherwise comply with Section 7 of the Children and Family Services Act in placing the child. In addition, whenever alternative plans for placement are available, the court shall ascertain and consider, to the extent appropriate in the particular case, the views and preferences of the minor.

(3) When a minor is placed with a suitable relative or other person, the court shall appoint him or her the legal custodian or guardian of the person of the minor. When a minor is committed to any agency, the court shall appoint the proper officer or representative of the proper officer as legal custodian or guardian of the person of the minor. Legal custodians and guardians of the person of the minor have the respective rights and duties set forth in subsection (9) of Section 5-105 except as otherwise provided by order of court; but no guardian of the person may consent to adoption of the minor. An agency whose representative is appointed guardian of the person or legal custodian of the minor may place him or her in any child care facility, but the facility must be licensed under the Child Care Act of 1969 or have been approved by the Department of Children and Family Services as meeting the standards established for such licensing. Like authority and restrictions shall be conferred by the court upon any probation officer who has been appointed guardian of the person of a minor.

(4) No placement by any probation officer or agency whose representative is appointed guardian of the person or legal custodian of a minor may be made in any out of State child care facility unless it complies with the Interstate Compact on the Placement of Children.

(5) The clerk of the court shall issue to the guardian or legal custodian of the person a certified copy of the order of court, as proof of his or her authority. No other process is necessary as authority for the keeping of the minor.

(6) Legal custody or guardianship granted under this Section continues until the court otherwise directs, but not after the minor reaches the age of 21 years except as set forth in Section 5-750.

(705 ILCS 405/5-745)

Sec. 5-745. Court review.

(1) The court may require any legal custodian or guardian of the person appointed under this Act, including the Department of Juvenile Justice for youth committed under Section 5-750 of this Act, to report periodically to the court or may cite him or her into court and require him or her, or his or her agency, to make a full and accurate report of his or her

or its doings in behalf of the minor, including efforts to secure post-release placement of the youth after release from the Department's facilities. The legal custodian or guardian, within 10 days after the citation, shall make the report, either in writing verified by affidavit or orally under oath in open court, or otherwise as the court directs. Upon the hearing of the report the court may remove the legal custodian or guardian and appoint another in his or her stead or restore the minor to the custody of his or her parents or former guardian or legal custodian.

(2) A guardian or legal custodian appointed by the court under Section 5-740 of this Act shall file updated case plans with the court every 6 months. Every agency which has guardianship of a child shall file a supplemental petition for court review, or review by an administrative body appointed or approved by the court and further order within 18 months of the sentencing order and each 18 months thereafter. The petition shall state facts relative to the child's present condition of physical, mental and emotional health as well as facts relative to his or her present custodial or foster care. The petition shall be set for hearing and the clerk shall mail 10 days notice of the hearing by certified mail, return receipt requested, to the person or agency having the physical custody of the child, the minor and other interested parties unless a written waiver of notice is filed with the petition.

If the minor is in the custody of the Illinois Department of Children and Family Services, pursuant to an order entered under this Article, the court shall conduct permanency hearings as set out in subsections (1), (2), and (3) of Section 2-28 of Article II of this Act.

Rights of wards of the court under this Act are enforceable against any public agency by complaints for relief by mandamus filed in any proceedings brought under this Act.

(3) The minor or any person interested in the minor may apply to the court for a change in custody of the minor and the appointment of a new custodian or guardian of the person or for the restoration of the minor to the custody of his or her parents or former guardian or custodian. In the event that the minor has attained 18 years of age and the guardian or custodian petitions the court for an order terminating his or her guardianship or custody, guardianship or legal custody shall terminate automatically 30 days after the receipt of the petition unless the court orders otherwise. No legal custodian or guardian of the person may be removed without his or her consent until given notice and an opportunity to be heard by the court.

Section 15. The Illinois Controlled Substances Act is amended by changing Section 509 as follows:

Sec. 509. Whenever any court in this State grants probation to any person that the court has reason to believe is or has been an addict or unlawful possessor of controlled substances, the court shall require, as a condition of probation, that the probationer submit to periodic tests by the Department of Corrections to determine by means of appropriate chemical detection tests whether the probationer is using controlled substances. The court may require as a condition of probation that the probationer enter an approved treatment program, if the court determines that the probationer is addicted to a controlled substance. Whenever the Prisoner Review Parole and Pardon Board grants parole or the Department of Juvenile Justice grants aftercare release to a person believed to have been an unlawful possessor or addict of controlled substances, the Board or Department shall require as a condition of parole or aftercare release that the parolee or aftercare releasee submit to appropriate periodic chemical tests by the Department of Corrections or the Department of Juvenile Justice to determine whether the parolee or aftercare releasee is using controlled substances.

(9.5) shall inform the victim of (A) the victim's right under Section 6 of this Act to make a victim impact statement at the sentencing hearing; (B) the right of the victim's spouse, guardian, parent, grandparent and other immediate family and household members under Section 6 of this Act to present an impact statement at sentencing; and (C) if a presentence report is to be prepared, the right of the victim's spouse, guardian, parent, grandparent and other immediate family and household members to submit information to the preparer of the presentence report about the effect the offense has had on the victim and the person;

New matter indicated by italics - deletions by strikeout
(1) Written notice. A victim may complete a written notice of intent to assert rights on a form prepared by the Office of the Attorney General and provided to the victim by the State's Attorney. The victim may at any time provide a revised written notice to the State's Attorney. The State's Attorney shall file the written notice with the court. At the beginning of any court proceeding in which the right of a victim may be at issue, the court and prosecutor shall review the written notice to determine whether the victim has asserted the right that may be at issue.

(2) Victim's retained attorney. A victim's attorney shall file an entry of appearance limited to assertion of the victim's rights. Upon the filing of the entry of appearance and service on the State's Attorney and the defendant, the attorney is to receive copies of all notices, motions and court orders filed thereafter in the case.

(3) Standing. The victim has standing to assert the rights enumerated in subsection (a) of Article I, Section 8.1 of the Illinois Constitution and the statutory rights under Section 4 of this Act in any court exercising jurisdiction over the criminal case. The prosecuting attorney, a victim, or the victim's retained attorney may assert the victim's rights. The defendant in the criminal case has no standing to assert a right of the victim in any court proceeding, including on appeal.

(4) Assertion of and enforcement of rights.

   (A) The prosecuting attorney shall assert a victim's right or request enforcement of a right by filing a motion or by orally asserting the right or requesting enforcement in open court in the criminal case outside the presence of the jury. The prosecuting attorney shall consult with the victim and the victim's attorney regarding the assertion or enforcement of a right. If the prosecuting attorney decides not to assert or enforce a victim's right, the prosecuting attorney shall notify the victim or the victim's attorney in sufficient time to allow the victim or the victim's attorney to assert the right or to seek enforcement of a right.

   (B) If the prosecuting attorney elects not to assert a victim's right or to seek enforcement of a right, the victim or the victim's attorney may assert the victim's right or request enforcement of a right by filing a motion or by
orally asserting the right or requesting enforcement in open court in the criminal case outside the presence of the jury.

(C) If the prosecuting attorney asserts a victim's right or seeks enforcement of a right, and the court denies the assertion of the right or denies the request for enforcement of a right, the victim or victim's attorney may file a motion to assert the victim's right or to request enforcement of the right within 10 days of the court's ruling. The motion need not demonstrate the grounds for a motion for reconsideration. The court shall rule on the merits of the motion.

(D) The court shall take up and decide any motion or request asserting or seeking enforcement of a victim's right without delay, unless a specific time period is specified by law or court rule. The reasons for any decision denying the motion or request shall be clearly stated on the record.

(5) Violation of rights and remedies.

(A) If the court determines that a victim's right has been violated, the court shall determine the appropriate remedy for the violation of the victim's right by hearing from the victim and the parties, considering all factors relevant to the issue, and then awarding appropriate relief to the victim.

(B) The appropriate remedy shall include only actions necessary to provide the victim the right to which the victim was entitled and may include reopening previously held proceedings; however, in no event shall the court vacate a conviction. Any remedy shall be tailored to provide the victim an appropriate remedy without violating any constitutional right of the defendant. In no event shall the appropriate remedy be a new trial, damages, or costs.

(6) Right to be heard. Whenever a victim has the right to be heard, the court shall allow the victim to exercise the right in any reasonable manner the victim chooses.

(7) Right to attend trial. A party must file a written motion to exclude a victim from trial at least 60 days prior to the date set for trial. The motion must state with specificity the reason exclusion is necessary to protect a constitutional right of the party,
and must contain an offer of proof. The court shall rule on the motion within 30 days. If the motion is granted, the court shall set forth on the record the facts that support its finding that the victim's testimony will be materially affected if the victim hears other testimony at trial.

(8) Right to have advocate present. A party who intends to call an advocate as a witness must seek permission of the court before the subpoena is issued. The party must file a written motion and offer of proof regarding the anticipated testimony of the advocate in sufficient time to allow the court to rule and the victim to seek appellate review. The court shall rule on the motion without delay.

(9) Right to notice and hearing before disclosure of confidential or privileged information or records. A defendant who seeks to subpoena records of or concerning the victim that are confidential or privileged by law must seek permission of the court before the subpoena is issued. The defendant must file a written motion and an offer of proof regarding the relevance, admissibility and materiality of the records. If the court finds by a preponderance of the evidence that: (A) the records are not protected by an absolute privilege and (B) the records contain relevant, admissible, and material evidence that is not available through other witnesses or evidence, the court shall issue a subpoena requiring a sealed copy of the records be delivered to the court to be reviewed in camera. If, after conducting an in camera review of the records, the court determines that due process requires disclosure of any portion of the records, the court shall provide copies of what it intends to disclose to the prosecuting attorney and the victim. The prosecuting attorney and the victim shall have 30 days to seek appellate review before the records are disclosed to the defendant. The disclosure of copies of any portion of the records to the prosecuting attorney does not make the records subject to discovery.

(10) Right to notice of court proceedings. If the victim is not present at a court proceeding in which a right of the victim is at issue, the court shall ask the prosecuting attorney whether the victim was notified of the time, place, and purpose of the court proceeding and that the victim had a right to be heard at the court proceeding. If the court determines that timely notice was not given

or that the victim was not adequately informed of the nature of the court proceeding, the court shall not rule on any substantive issues, accept a plea, or impose a sentence and shall continue the hearing for the time necessary to notify the victim of the time, place and nature of the court proceeding. The time between court proceedings shall not be attributable to the State under Section 103-5 of the Code of Criminal Procedure of 1963.

(11) Right to timely disposition of the case. A victim has the right to timely disposition of the case so as to minimize the stress, cost, and inconvenience resulting from the victim's involvement in the case. Before ruling on a motion to continue trial or other court proceeding, the court shall inquire into the circumstances for the request for the delay and, if the victim has provided written notice of the assertion of the right to a timely disposition, and whether the victim objects to the delay. If the victim objects, the prosecutor shall inform the court of the victim's objections. If the prosecutor has not conferred with the victim about the continuance, the prosecutor shall inform the court of the attempts to confer. If the court finds the attempts of the prosecutor to confer with the victim were inadequate to protect the victim's right to be heard, the court shall give the prosecutor at least 3 but not more than 5 business days to confer with the victim. In ruling on a motion to continue, the court shall consider the reasons for the requested continuance, the number and length of continuances that have been granted, the victim's objections and procedures to avoid further delays. If a continuance is granted over the victim's objection, the court shall specify on the record the reasons for the continuance and the procedures that have been or will be taken to avoid further delays.

(12) Right to Restitution.

(A) If the victim has asserted the right to restitution and the amount of restitution is known at the time of sentencing, the court shall enter the judgment of restitution at the time of sentencing.

(B) If the victim has asserted the right to restitution and the amount of restitution is not known at the time of sentencing, the prosecutor shall, within 5 days after sentencing, notify the victim what information and documentation related to restitution is needed and that the victim has
information and documentation must be provided to the prosecutor within 45 days after sentencing. Failure to timely provide information and documentation related to restitution shall be deemed a waiver of the right to restitution. The prosecutor shall file and serve within 60 days after sentencing a proposed judgment for restitution and a notice that includes information concerning the identity of any victims or other persons seeking restitution, whether any victim or other person expressly declines restitution, the nature and amount of any damages together with any supporting documentation, a restitution amount recommendation, and the names of any co-defendants and their case numbers. Within 30 days after receipt of the proposed judgment for restitution, the defendant shall file any objection to the proposed judgment, a statement of grounds for the objection, and a financial statement. If the defendant does not file an objection, the court may enter the judgment for restitution without further proceedings. If the defendant files an objection and either party requests a hearing, the court shall schedule a hearing.

(13) Access to presentence reports.

(A) The victim may request a copy of the presentence report prepared under the Unified Code of Corrections from the State's Attorney. The State's Attorney shall redact the following information before providing a copy of the report:

(i) the defendant's mental history and condition;
(ii) any evaluation prepared under subsection (b) or (b-5) of Section 5-3-2; and
(iii) the name, address, phone number, and other personal information about any other victim.

(C) The State's Attorney may orally disclose to the victim any of the information that has been redacted if there is a reasonable likelihood that the information will be stated in court at the sentencing.

New matter indicated by italics - deletions by strikeout
(D) The State's Attorney must advise the victim that the victim must maintain the confidentiality of the report and other information. Any dissemination of the report or information that was not stated at a court proceeding constitutes indirect criminal contempt of court.

The trial or appellate court may stay the court proceedings if the court finds that a stay would not violate a constitutional right of the defendant. If the appellate court denies the relief sought, the reasons for the denial shall be clearly stated in a written opinion. In any appeal in a criminal case, the State may assert as error the court's denial of any crime victim's right in the proceeding to which the appeal relates.

(15) Limitation on appellate relief. In no case shall an appellate court provide a new trial to remedy the violation of a victim's right.

(d)(1) The Prisoner Review Board shall inform a victim or any other concerned citizen, upon written request, of the prisoner's release on parole, aftercare release, mandatory supervised release, electronic detention, work release, international transfer or exchange, or by the custodian, other than the Department of Juvenile Justice, of the discharge of any individual who was adjudicated a delinquent for a crime from State custody and by the sheriff of the appropriate county of any such person's final discharge from county custody. Sec. 3-3-9. Violations; changes of conditions; preliminary hearing; revocation of parole, aftercare release, or mandatory supervised release; revocation hearing.

(a) If prior to expiration or termination of the term of parole, aftercare release, or mandatory supervised release, a person violates a condition set by the Prisoner Review Board or a condition of parole, aftercare release, or mandatory supervised release under Section 3-3-7 of this Code to govern that term, the Board may:

(1) continue the existing term, with or without modifying or enlarging the conditions; or

(i) (A) For those sentenced under the law in effect prior to this amendatory Act of 1977, the recommitment shall be for any portion of the imposed maximum term of imprisonment or confinement which had not been served at the time of parole and the parole term, less the time elapsed between the parole of the person and the commission of the violation for which parole was revoked;

(B) Except as set forth in paragraph (C), for those subject to mandatory supervised release under paragraph (d) of Section 5-8-1 of this Code, the recommitment shall be for the total mandatory supervised release term, less the
time elapsed between the release of the person and the commission of the violation for which mandatory supervised release is revoked. The Board may also order that a prisoner serve up to one year of the sentence imposed by the court which was not served due to the accumulation of sentence credit;

The issuance of a warrant of arrest for an alleged violation of the conditions of parole, aftercare release, or mandatory supervised release shall toll the running of the term until the final determination of the charge. When parole, aftercare release, or mandatory supervised release is not revoked that period shall be credited to the term, unless a community-based sanction is imposed as an alternative to revocation and reincarceration, including a diversion established by the Illinois Department of Corrections Parole Services Unit prior to the holding of a preliminary parole revocation hearing. However, no preliminary hearing need be held when revocation is based upon new criminal charges and a court finds probable cause on the new criminal charges or when the revocation is based upon a new criminal conviction and a certified copy of that conviction is available.

(d) Parole, aftercare release, or mandatory supervised release shall not be revoked without written notice to the offender setting forth the violation of parole, aftercare release, or mandatory supervised release charged against him or her.

(e) A hearing on revocation shall be conducted before at least one member of the Prisoner Review Board. The Board may meet and order its actions in panels of 3 or more members. All evidence helpful to the court in determining the question of transfer, including oral and written reports containing hearsay, may be relied upon to the extent of its probative value, even though not competent for the purposes of an adjudicatory hearing. AN ACT concerning education.

Be it enacted by the People of the State of Illinois, represented in the General Assembly:

Section 1. Short title. This Act may be cited as the Illinois Articulation Initiative Act.

Section 5. Legislative findings. The General Assembly finds and declares that in January of 1993, the Board of Higher Education, the Illinois Community College Board, and transfer coordinators from Illinois colleges and universities jointly launched the Illinois Articulation Initiative to ease the transfer of students among Illinois public and independent associate and baccalaureate degree-granting institutions. The General Assembly finds and declares that the Illinois Articulation Initiative was driven by the following foundational ideas:

(1) that associate and baccalaureate degree-granting institutions are equal partners in educating college freshmen and sophomores;
(2) that faculties should take primary responsibility for developing and maintaining program and course articulation; and
(3) that institutions are expected to work together to facilitate transfer for lower-division baccalaureate programs.

The General Assembly finds and declares that students have benefited by receiving the General Education Core Curriculum and transferring across institutions of higher education.

Section 10. Definition of public institution. In this Act, "public institution" means a public university or public community college in this State.

Section 15. Participation. All public institutions shall participate in the Illinois Articulation Initiative through submission and review of their courses for statewide transfer. All public institutions shall maintain a complete Illinois Articulation Initiative General Education Core Curriculum package, and all public institutions shall maintain up to 4 core courses in an Illinois Articulation Initiative major, provided the public institution has equivalent majors and courses. All public institutions shall provide faculty, as appointed by the Board of Higher Education for public universities and the Illinois Community College Board for public community colleges, to serve on panels in the review of courses.

Section 20. Course transferability.
(a) All courses approved for Illinois Articulation Initiative General Education codes must be transferable as a part of the General Education Core Curriculum package, consistent with the specific requirements of the package. All public institutions shall determine if Illinois Articulation Initiative major courses are direct course equivalents or are elective credit
toward the requirements of the major. If the receiving institution does not offer the course or does not offer it at the lower-division level, the student shall receive elective lower-division major credit toward the requirements of the major for the course and may be required to take the course at the upper-division level.

(b) Students receiving the full General Education Core Curriculum package must not be required to take additional lower-division general education courses.

(a) The Board of Higher Education and the Illinois Community College Board shall co-manage the implementation, oversight, and evaluation of the Illinois Articulation Initiative, including determining when panels must be discontinued or convened and the specific requirements of the General Education Core Curriculum. Panels must be convened across the fields of General Education, Communications, Humanities and Fine Arts, Life Sciences, Physical Sciences, Social and Behavioral Sciences, Mathematics, and other fields as determined by the Board of Higher Education and the Illinois Community College Board.

(b) The Board of Higher Education and the Illinois Community College Board shall provide a joint report on an annual basis to the General Assembly, the Governor, and the Illinois P-20 Council on the status of the Illinois Articulation Initiative and the implementation of this Act.

Sec. 15-5. Operating agreement.

(a) All members of a limited liability company may enter into an operating agreement to regulate the affairs of the company and the conduct of its business and to govern relations among the members, managers, and company. The operating agreement may establish that a limited liability company is a manager-managed limited liability company and the rights and duties under this Act of a person in the capacity of a manager. To the extent the operating agreement does not otherwise provide, this Act governs relations among the members, managers, and company. Except as provided in subsections (b), (c), (d), and (e) of this Section, an operating agreement may modify any provision or provisions of this Act governing relations among the members, managers, and company.

(b) The operating agreement may not:

(1) unreasonably restrict a right to information or access to records under Section 1-40 or Section 10-15;

(2) vary the right to expel a member in an event specified in subdivision (6) of Section 35-45;

(3) vary the requirement to wind up the limited liability company's business in a case specified in subdivisions (3) or (4), (5), or (6) of subsection (a) of Section 35-1;

(4) restrict rights of a person, other than a manager, member, and transferee of a member's distributional interest, under this Act;

(5) restrict the power of a member to dissociate under Section 35-50, although an operating agreement may determine whether a dissociation is wrongful under Section 35-50, and it may eliminate or vary the obligation of the limited liability company to purchase the dissociated member's distributional interest under Section 35-60;

(6) (blank); eliminate or reduce a member's fiduciary duties, but may:

(A) identify specific types or categories of activities that do not violate these duties, if not manifestly unreasonable; and

New matter indicated by italics - deletions by strikeout
(B) specify the number or percentage of members or disinterested managers that may authorize or ratify, after full disclosure of all material facts, a specific act or transaction that otherwise would violate these duties;

(6.5) eliminate or reduce the obligations or purposes a low-profit limited liability company undertakes when organized under Section 1-26; or

(7) eliminate or reduce the obligation of good faith and fair dealing under subsection (d) of Section 15-3, but the operating agreement may determine the standards by which the performance of the member's duties or the exercise of the member's rights obligation is to be measured; if the standards are not manifestly unreasonable.

(8) eliminate, vary, or restrict the priority of a statement of authority over provisions in the articles of organization as provided in subsection (h) of Section 13-15;

(9) vary the law applicable under Section 1-65;

(10) vary the power of the court under Section 5-50; or

(11) restrict the right to approve a merger, conversion, or domestication under Article 37 of a member that will have personal liability with respect to a surviving, converted, or domesticated organization.

(c) The operating agreement may:

(1) restrict or eliminate a fiduciary duty, other than the duty of care described in subsection (c) of Section 15-3, but only to the extent the restriction or elimination in the operating agreement is clear and unambiguous;

(2) identify specific types or categories of activities that do not violate any fiduciary duty; and

(3) alter the duty of care, except to authorize intentional misconduct or knowing violation of law.

(d) The operating agreement may specify the method by which a specific act or transaction that would otherwise violate the duty of loyalty may be authorized or ratified by one or more disinterested and independent persons after full disclosure of all material facts.

(e) The operating agreement may alter or eliminate the right to payment or reimbursement for a member or manager provided by Section 15-7 and may eliminate or limit a member or manager's liability to the limited liability company and members for money damages, except for:

New matter indicated by italics - deletions by strikeout
(1) subject to subsections (c) and (d) of this Section, breach of the duties as required in subdivisions (1), (2), and (3) of subsection (b) of Section 15-3 and subsection (g) of Section 15-3;
(2) a financial benefit received by the member or manager to which the member or manager is not entitled;
(3) a breach of a duty under Section 25-35;
(4) intentional infliction of harm on the company or a member; or
(5) an intentional violation of criminal law.

(f) A limited liability company is bound by and may enforce the operating agreement, whether or not the company has itself manifested assent to the operating agreement.

(g) A person that becomes a member of a limited liability company is deemed to assent to the operating agreement.

(h) An operating agreement may be entered into before, after, or at the time of filing of articles of organization and, whether entered into before, after, or at the time of the filing, may be made effective as of the time of formation of the limited liability company or as of the time or date provided in the operating agreement.

(c) In a limited liability company with only one member, the operating agreement includes any of the following:

(1) Any writing, without regard to whether the writing otherwise constitutes an agreement, as to the company's affairs signed by the sole member.
(2) Any written agreement between the member and the company as to the company's affairs.
(3) Any agreement, which need not be in writing, between the member and the company as to a company's affairs, provided that the company is managed by a manager who is a person other than the member.

(b) (Blank).

(c) A member's obligation to contribute money, property, or other benefit to, or to perform services for, a limited liability company is not excused by the member's death, disability, dissolution, or any other reason inability to perform personally. If a member does not make the required contribution of property or services, the member is obligated at the option of the company to contribute money equal to the value of that portion of the required stated contribution which has not been made. The foregoing
option does not limit the availability of any remedy provided for in the operating agreement or under law, including specific performance.

(d) A creditor of a limited liability company who extends credit or otherwise acts in reliance on an obligation described in subsection (c), and without notice of any compromise under subdivision (4) of subsection (d) of Section 15-1, may enforce the original obligation.

(e) Subject to Sections 1-43 and 15-5, the operating agreement may provide that the interest of any member that fails to make any contribution that the member is required to make will be subject to specified remedies for, or specified consequences of, the failure. The specified remedies or consequences may include, without limitation:

(1) Loss of voting, approval, or other rights.
(2) Loss of the member's ability to participate in the management or operations of the limited liability company.
(3) Liquidated damages.
(4) Diluting, reducing, or eliminating the defaulting member's proportionate interest in the company.
(5) Subordinating the defaulting member's right to receive distributions to that of the nondefaulting members.
(6) Permitting the forced sale of the defaulting member's interest in the company.
(7) Permitting one or more nondefaulting members to lend the amount necessary to meet the defaulting member's commitment.
(8) Adjusting the interest rates or other rates of return, preferred, priority or otherwise, with respect to contributions by or capital accounts of the nondefaulting members.

Sec. 25-35. Liability for unlawful distributions.

(a) Except as otherwise provided in subsections (b) and (c), if a member of a member-managed company or a member or manager of a manager-managed company consents who votes for or assents to a distribution made in violation of Section 25-30, the articles of organization, or the operating agreement and in consenting to the distribution fails to comply with Section 15-3, the member or manager is

personally liable to the company for the amount of the distribution that exceeds the amount that could have been distributed without violating Section 25-30, the articles of organization, or the operating agreement if it is established that the member or manager did not perform the member or manager's duties in compliance with Section 15-3.

(b) To the extent the operating agreement of a limited liability company expressly relieves a member of the authority and responsibility to consent to distributions and imposes that authority and responsibility on one or more other members, the liability stated in subsection (a) applies to the other members and not the member that the operating agreement relieves of authority and responsibility.

(c) If the members of a member-managed company or the members or managers of a manager-managed company consent to a distribution that violates the articles of organization or the operating agreement, but does not violate Section 25-30, by a vote that would have been sufficient to amend the articles of organization or operating agreement, as the case may be, the liability stated in subsection (a) does not apply.

(d) (b) A person that receives a distribution and that member of a manager-managed company who knew the distribution was made in violation of Section 25-30, the articles of organization, or the operating agreement is personally liable to the company, but only to the extent that the distribution received by the person member exceeded the amount that could have been properly paid under Section 25-30.

(e) (c) A person member or manager against whom an action is brought under this Section may implead in the action:

(1) all other members or managers who consented voted for or assented to the distribution in violation of subsection (a) of this Section and may compel contribution from them; and

(2) all persons members who received a distribution in violation of subsection (d) (b) of this Section and may compel contribution from any person receiving such a distribution the member in the amount received in violation of subsection (d) (b) of this Section.

Sec. 30-5. Transfer of a distributional interest.

(a) A transfer of a distributional interest in whole or in part:

(1) does not by itself cause dissolution and winding up of the limited liability company's activities; and

(2) is subject to Section 30-10.

(b) A transfer of a distributional interest does not entitle the transferee to become or to exercise any rights of a member. A transfer entitles the transferee to receive, to the extent transferred, only the distributions to which the transferor would be entitled.

Sec. 30-10. Rights of a transferee.

(a) A transferee of a distributional interest may become a member of a limited liability company if and to the extent that the transferor gives the transferee the right in accordance with authority described in the operating agreement or all other members consent.

(b) A transferee who has become a member, to the extent transferred, has the rights and powers, and is subject to the restrictions and liabilities, of a member under the operating agreement of a limited liability company and this Act. A transferee who becomes a member also is liable for the transferor member's obligations to make contributions under Section 20-5 and for obligations under Section 25-35 to return unlawful distributions, but the transferee is not obligated for the transferor member's liabilities unknown to the transferee at the time the transferee becomes a member.

(c) Whether or not a transferee of a distributional interest becomes a member under subsection (a) of this Section, the transferor is not released from liability to the limited liability company under the operating agreement or this Act.

(d) A transferee who does not become a member is not entitled to participate in the management or conduct of the limited liability company's business, require access to information concerning the company's transactions, or, except as provided in subsections (c) and (d) of Section 1-40, inspect or copy any of the company's records.

(e) A transferee who does not become a member is entitled to:

Sec. 30-20. Rights of creditor.

(a) On application by a judgment creditor of a member or transferee, a court may enter a charging order against the distributional interest of the judgment debtor for the unsatisfied amount of the judgment. A charging order constitutes a lien on a judgment debtor's distributional interest and requires the limited liability company to pay over to the person to which the charging order was issued any distribution that would otherwise be paid to the judgment debtor. A charging order grants no other rights with respect to the assets or affairs of the company. On application by a judgment creditor of a member of a limited liability company or of a member's transferee, a court having jurisdiction may charge the distributional interest of the judgment debtor to satisfy the judgment. The court may appoint a receiver of the share of the distributions due or to become due to the judgment debtor and make all other orders, directions, accounts, and inquiries the judgment debtor might have made or which the circumstances may require to give effect to the charging order.

(b) To the extent necessary to effectuate the collection of distributions pursuant to a charging order in effect under subsection (a), the court may:

(1) appoint a receiver of the distributions subject to the charging order, with the power to make all inquiries the judgment debtor might have made; and

(2) make all other orders necessary to give effect to the charging order. A charging order constitutes a lien on the judgment debtor's distributional interest. The court may order a foreclosure of a lien on a distributional interest subject to the

New matter indicated by italics - deletions by strikeout
charging order at any time. A purchaser at the foreclosure sale has the rights of a transferee.

(c) At any time the court may foreclose the lien and order the sale of the distributional interest. The purchaser at the foreclosure sale obtains only the distributional interest, does not thereby become a member, and is subject to Section 30-10. At any time before foreclosure, a distributional interest in a limited liability company that is charged may be redeemed:

(1) by the judgment debtor;
(2) with property other than the company's property, by one or more of the other members; or
(3) with the company's property, but only if permitted by the operating agreement.

(d) At any time before foreclosure under subsection (c), the member or transferee whose distributional interest is subject to a charging order under subsection (a) may extinguish the charging order by satisfying the judgment and filing a certified copy of the satisfaction with the court that issued the charging order. This Act does not affect a member's right under exemption laws with respect to the member's distributional interest in a limited liability company:

(e) At any time before foreclosure under subsection (c), a limited liability company or one or more members whose distributional interests are not subject to the charging order may satisfy the judgment and thereby succeed to the rights of the judgment creditor, including the charging order. This Section provides the exclusive remedy by which a judgment creditor of a member or a transferee may satisfy a judgment out of the judgment debtor's distributional interest in a limited liability company.

(f) This Act does not deprive any member or transferee of the benefit of any exemption laws applicable to the member's or transferee's distributional interest.

(g) This Section provides the exclusive remedy by which a person seeking to enforce a judgment against a member or transferee may, in the capacity of judgment creditor, satisfy the judgment from the judgment debtor's distributional interest. If and to the extent that other law permits a judgment creditor to obtain a lien against the distributional interest or other rights of a member or transferee of a member, the lien shall be treated as a charging order subject to all the provisions of this Section.

(805 ILCS 180/37-40)

Sec. 37-40. Series of members, managers or limited liability company interests.

(a) An operating agreement may establish or provide for the establishment of designated series of members, managers or limited liability company interests having separate rights, powers or duties with respect to specified property or obligations of the limited liability company or profits and losses associated with specified property or obligations, and to the extent provided in the operating agreement, any such series may have a separate business purpose or investment objective.

(b) Notwithstanding anything to the contrary set forth in this Section or under other applicable law, in the event that an operating agreement creates one or more series, and if separate and distinct records are maintained for any such series and the assets associated with any such series are held (directly or indirectly, including through a nominee or otherwise) and accounted for separately from the other assets of the limited liability company, or any other series thereof, and if the operating agreement so provides, and notice of the limitation on liabilities of a series as referenced in this subsection is set forth in the articles of organization of the limited liability company and if the limited liability company has filed a certificate of designation for each series which is to have limited liability under this Section, then the debts, liabilities and obligations incurred, contracted for or otherwise existing with respect to a particular series shall be enforceable against the assets of such series only, and not against the assets of the limited liability company generally or any other series thereof, and unless otherwise provided in the operating agreement, none of the debts, liabilities, obligations and expenses incurred, contracted for or otherwise existing with respect to the limited liability company generally or any other series thereof shall be enforceable against the assets of such series. The fact that the articles of organization contain the foregoing

notice of the limitation on liabilities of a series and a certificate of designation for a series is on file in the Office of the Secretary of State shall constitute notice of such limitation on liabilities of a series. A series with limited liability shall be treated as a separate entity to the extent set forth in the articles of organization. Each series with limited liability may, in its own name, contract, hold title to assets, grant security interests, sue and be sued and otherwise conduct business and exercise the powers of a limited liability company under this Act. The limited liability company and any of its series may elect to consolidate their operations as a single taxpayer to the extent permitted under applicable law, elect to work cooperatively, elect to contract jointly or elect to be treated as a single business for purposes of qualification to do business in this or any other state. Such elections shall not affect the limitation of liability set forth in this Section except to the extent that the series have specifically accepted joint liability by contract.

(c) Except in the case of a foreign limited liability company that has adopted an assumed name pursuant to Section 45-15, the name of the series with limited liability must commence with the entire name of the limited liability company, as set forth in its articles of organization, and be distinguishable from the names of the other series set forth in the articles of organization. In the case of a foreign limited liability company that has adopted an assumed name pursuant to Section 45-15, the name of the series with limited liability must commence with the entire name, as set forth in the foreign limited liability company's assumed name application, under which the foreign limited liability company has been admitted to transact business in this State.

(d) Upon the filing of the certificate of designation with the Secretary of State setting forth the name of each series with limited liability, the series' existence shall begin, and each of the duplicate copies stamped "Filed" and marked with the filing date shall be conclusive evidence, except as against the State, that all conditions precedent required to be performed have been complied with and that the series has been or shall be legally organized and formed under this Act. If different from the limited liability company, the certificate of designation for each series shall list the name and business address of all names of the members if the series is member managed or the names of the managers and any member having the authority of a manager if the series is manager managed. The name of a series with limited liability under subsection (b) of this Section may be changed by filing with the Secretary of State a certificate of designation.
identifying the series whose name is being changed and the new name of such series. If not the same as the limited liability company, the name and business address of all names of the members of a member managed series or of the managers and any member having the authority of a manager managed series may be changed by filing a new certificate of designation with the Secretary of State. A series with limited liability under subsection (b) of this Section may be dissolved by filing with the Secretary of State a certificate of designation identifying the series being dissolved or by the dissolution of the limited liability company as provided in subsection (m) of this Section. Certificates of designation may be executed by the limited liability company or any manager, person or entity designated in the operating agreement for the limited liability company.

(e) A series of a limited liability company will be deemed to be in good standing as long as the limited liability company is in good standing.

(f) The registered agent and registered office for the limited liability company in Illinois shall serve as the agent and office for service of process in Illinois for each series.

(g) An operating agreement may provide for classes or groups of members or managers associated with a series having such relative rights, powers and duties as the operating agreement may provide, and may make provision for the future creation of additional classes or groups of members or managers associated with the series having such relative rights, powers and duties as may from time to time be established, including rights, powers and duties senior to existing classes and groups of members or managers associated with the series.

(h) A series may be managed by either the member or members associated with the series or by a manager or managers chosen by the members of such series, as provided in the operating agreement. Unless otherwise provided in an operating agreement, the management of a series shall be vested in the members associated with such series.

(i) An operating agreement may grant to all or certain identified members or managers or a specified class or group of the members or managers associated with a series the right to vote separately or with all or any class or group of the members or managers associated with the series, on any matter. An operating agreement may provide that any member or class or group of members associated with a series shall have no voting rights.

(j) Except to the extent modified in this Section, the provisions of this Act which are generally applicable to limited liability companies, their
managers, members and transferees shall be applicable to each particular series with respect to the operation of such series.

(k) Except as otherwise provided in an operating agreement, any event under this Act or in an operating agreement that causes a manager to cease to be a manager with respect to a series shall not, in itself, cause such manager to cease to be a manager of the limited liability company or with respect to any other series thereof.

(l) Except as otherwise provided in an operating agreement, any event under this Act or an operating agreement that causes a member to cease to be associated with a series shall not, in itself, cause such member to cease to be associated with any other series or terminate the continued membership of a member in the limited liability company or cause the termination of the series, regardless of whether such member was the last remaining member associated with such series.

(m) Except to the extent otherwise provided in the operating agreement, a series may be dissolved and its affairs wound up without causing the dissolution of the limited liability company. The dissolution of a series established in accordance with subsection (b) of this Section shall not affect the limitation on liabilities of such series provided by subsection (b) of this Section. A series is terminated and its affairs shall be wound up upon the dissolution of the limited liability company under Article 35 of this Act.

(n) If a limited liability company with the ability to establish series does not register to do business in a foreign jurisdiction for itself and certain of its series, a series of a limited liability company may itself register to do business as a limited liability company in the foreign jurisdiction in accordance with the laws of the foreign jurisdiction.

(o) If a foreign limited liability company, as permitted in the jurisdiction of its organization, has established a series having separate rights, powers or duties and has limited the liabilities of such series so that the debts, liabilities and obligations incurred, contracted for or otherwise existing with respect to a particular series are enforceable against the assets of such series only, and not against the assets of the limited liability company generally or any other series thereof, or so that the debts, liabilities, obligations and expenses incurred, contracted for or otherwise existing with respect to the limited liability company generally or any other series thereof are not enforceable against the assets of such series, then the limited liability company, on behalf of itself or any of its series, or any of its series on their own behalf may register to do business in the

State in accordance with Section 45-5 of this Act. The limitation of liability shall be so stated on the application for admission as a foreign limited liability company and a certificate of designation shall be filed for each series being registered to do business in the State by the limited liability company. Unless otherwise provided in the operating agreement, the debts, liabilities and obligations incurred, contracted for or otherwise existing with respect to a particular series of such a foreign limited liability company shall be enforceable against the assets of such series only, and not against the assets of the foreign limited liability company generally or any other series thereof and none of the debts, liabilities, obligations and expenses incurred, contracted for or otherwise existing with respect to such a foreign limited liability company generally or any other series thereof shall be enforceable against the assets of such series.

Sec. 10.18. Identification of local building codes. All municipalities with a population of less than 1,000,000 or a county adopting a new building code or amending an existing building code must, at least 30 days before adopting the code or amendment, provide an identification of the code, by title and edition, or the amendment to the Capital Development Board. The Capital Development Board must identify the proposed code, by the title and edition, and note if any amendments were made to the public on the Capital Development Board website.

For the purposes of this Section, "building code" means a model building code regulating the construction and maintenance of structures within the municipality or county.

Section 10. The Energy Efficient Building Act is amended by changing Sections 40 and 45 as follows:

(20 ILCS 3125/40)

Sec. 40. Input from interested parties. When developing Code adaptations, rules, and procedures for compliance with the Code, the Capital Development Board, or the Illinois Building Commission as directed by the Board, shall seek input from representatives from the building trades, design professionals, construction professionals, code administrators, and other interested entities affected. (20 ILCS 3125/45)

Sec. 45. Home rule.

(a) No unit of local government, including any home rule unit, may regulate energy efficient building standards for commercial buildings in a manner that is less stringent than the provisions contained in this Act.

(b) No unit of local government, including any home rule unit, may regulate energy efficient building standards for residential buildings in a manner that is either less or more stringent than the standards established pursuant to this Act; provided, however, that the following entities may

regulate energy efficient building standards for residential buildings in a manner that is more stringent than the provisions contained in this Act: (i) a unit of local government, including a home rule unit, that has, on or before May 15, 2009, adopted or incorporated by reference energy efficient building standards for residential buildings that are equivalent to or more stringent than the 2006 International Energy Conservation Code, (ii) a unit of local government, including a home rule unit, that has, on or before May 15, 2009, provided to the Capital Development Board, as required by Section 10.18 of the Capital Development Board Act 55 of the Illinois Building Commission Act, an identification of an energy efficient building code or amendment that is equivalent to or more stringent than the 2006 International Energy Conservation Code, and (iii) a municipality with a population of 1,000,000 or more.

(c) No unit of local government, including any home rule unit or unit of local government that is subject to State regulation under the Code as provided in Section 15 of this Act, may hereafter enact any annexation ordinance or resolution, or require or enter into any annexation agreement, that imposes energy efficient building standards for residential buildings that are either less or more stringent than the energy efficiency standards in effect, at the time of construction, throughout the unit of local government.

(d) This Section is a denial and limitation of home rule powers and functions under subsection (i) of Section 6 of Article VII of the Illinois Constitution on the concurrent exercise by home rule units of powers and functions exercised by the State. Nothing in this Section, however, prevents a unit of local government from adopting an energy efficiency code or standards for commercial buildings that are more stringent than the Code under this Act.

(55 ILCS 5/5-1063) (from Ch. 34, par. 5-1063)

Sec. 5-1063. Building construction, alteration and maintenance. For the purpose of promoting and safeguarding the public health, safety, comfort and welfare, a county board may prescribe by resolution or ordinance reasonable rules and regulations (a) governing the construction and alteration of all buildings, structures and camps or parks accommodating persons in house trailers, house cars, cabins or tents and

parts and appurtenances thereof and governing the maintenance thereof in a condition reasonably safe from hazards of fire, explosion, collapse, electrocution, flooding, asphyxiation, contagion and the spread of infectious disease, where such buildings, structures and camps or parks are located outside the limits of cities, villages and incorporated towns, but excluding those for agricultural purposes on farms including farm residences, but any such resolution or ordinance shall be subject to any rule or regulation heretofore or hereafter adopted by the State Fire Marshal pursuant to "An Act to regulate the storage, transportation, sale and use of gasoline and volatile oils", approved June 28, 1919, as amended; (b) for prohibiting the use for residential purposes of buildings and structures already erected or moved into position which do not comply with such rules and regulations; and (c) for the restraint, correction and abatement of any violations.

In addition, the county board may by resolution or ordinance require that each occupant of an industrial or commercial building located outside the limits of cities, villages and incorporated towns obtain an occupancy permit issued by the county. The county board may by resolution or ordinance require that an occupancy permit be obtained for each newly constructed residential dwelling located outside the limits of cities, villages, and incorporated towns, but may not require more than one occupancy permit per newly constructed residential dwelling. Such permit may be valid for the duration of the occupancy or for a specified period of time, and shall be valid only with respect to the occupant to which it is issued. A county board may not impose a fee on an occupancy permit for a newly constructed residential dwelling issued pursuant to this Section. If, before the effective date of this amendatory Act of the 96th General Assembly, a county board imposes a fee on an occupancy permit for a newly constructed residential dwelling, then the county board may continue to impose the occupancy permit fee.

Within 30 days after its adoption, such resolution or ordinance shall be printed in book or pamphlet form, published by authority of the County Board; or it shall be published at least once in a newspaper published and having general circulation in the county; or if no newspaper is published therein, copies shall be posted in at least 4 conspicuous places in each township or Road District. No such resolution or ordinance shall take effect until 10 days after it is published or posted. Where such building or camp or park rules and regulations have been published previously in book or pamphlet form, the resolution or ordinance may

provide for the adoption of such rules and regulations or portions thereof, by reference thereto without further printing, publication or posting, provided that not less than 3 copies of such rules and regulations in book or pamphlet form shall have been filed, in the office of the County Clerk, for use and examination by the public for at least 30 days prior to the adoption thereof by the County Board.

Beginning on the effective date of this amendatory Act of the 92nd General Assembly, any county adopting a new building code or amending an existing building code under this Section must, at least 30 days before adopting the building code or amendment, provide an identification of the building code, by title and edition, or the amendment to the Illinois Building Commission for identification under Section 10.18 of the Capital Development Board Act on the Internet. For the purposes of this Section, "building code" means any ordinance, resolution, law, housing or building code, or zoning ordinance that establishes construction related activities applicable to structures in the county.

The violation of any rule or regulation adopted pursuant to this Section, except for a violation of the provisions of this amendatory Act of the 92nd General Assembly and the rules and regulations adopted under those provisions, shall be a petty offense.

All rules and regulations enacted by resolution or ordinance under the provisions of this Section shall be enforced by such officer of the county as may be designated by resolution of the County Board.

No such resolution or ordinance shall be enforced if it is in conflict with any law of this State or with any rule of the Department of Public Health.

Sec. 5-1064. Buildings in certain counties of less than 1,000,000 population. The county board in any county with a population not in excess of 1,000,000 located in the area served by the Northeastern Illinois Metropolitan Area Planning Commission may prescribe by resolution or ordinance reasonable rules and regulations (a) governing the construction and alteration of all buildings and structures and parts and appurtenances thereof and governing the maintenance thereof in a condition reasonably safe from the hazards of fire, explosion, collapse, contagion and the spread of infectious disease, but any such resolution or ordinance shall be subject to any rule or regulation now or hereafter adopted by the State Fire Marshal pursuant to "An Act to regulate the storage, transportation, sale
and use of gasoline and volatile oils", approved June 28, 1919, as amended, (b) for prohibiting the use for residential purposes of buildings and structures already erected or moved into position which do not comply with such rules and regulations, and (c) for the restraint, correction and abatement of any violations. However, the county shall exempt all municipalities located wholly or partly within the county where the municipal building code is equal to the county regulation and where the local authorities are enforcing the municipal building code. Such rules and regulations shall be applicable throughout the county but this Section shall not be construed to prevent municipalities from establishing higher standards nor shall such rules and regulations apply to the construction or alteration of buildings and structures used or to be used for agricultural purposes and located upon a tract of land which is zoned and used for agricultural purposes.

In the adoption of rules and regulations under this Section the county board shall be governed by the publication and posting requirements set out in Section 5-1063.

Beginning on the effective date of this amendatory Act of the 92nd General Assembly, any county adopting a new building code or amending an existing building code under this Section must, at least 30 days before adopting the building code or amendment, provide an identification of the building code, by title and edition, or the amendment to the Illinois Building Commission for identification under Section 10.18 of the Capital Development Board Act on the Internet.

For the purposes of this Section, "building code" means any ordinance, resolution, law, housing or building code, or zoning ordinance that establishes construction related activities applicable to structures in the county.

Violation of any rule or regulation adopted pursuant to this Section, except for a violation of the provisions of this amendatory Act of the 92nd General Assembly and the rules and regulations adopted under those provisions, shall be deemed a petty offense.

All rules and regulations enacted by resolution or ordinance under the provisions of this Section shall be enforced by such officer of the county as may be designated by resolution of the county board.

Section 30. The Hospital Licensing Act is amended by changing Section 8 as follows:

(210 ILCS 85/8) (from Ch. 111 1/2, par. 149)

Sec. 8. Facility plan review; fees.

(a) Before commencing construction of new facilities or specified types of alteration or additions to an existing hospital involving major construction, as defined by rule by the Department, with an estimated cost greater than $100,000, architectural plans and specifications therefor shall be submitted by the licensee to the Department for review and approval. A hospital may submit architectural drawings and specifications for other construction projects for Department review according to subsection (b) that shall not be subject to fees under subsection (d). The Department must give a hospital that is planning to submit a construction project for review the opportunity to discuss its plans and specifications with the Department before the hospital formally submits the plans and specifications for Department review. Review of drawings and specifications shall be conducted by an employee of the Department meeting the qualifications established by the Department of Central Management Services class specifications for such an individual's position or by a person contracting with the Department who meets those class specifications. Final approval of the plans and specifications for compliance with design and construction standards shall be obtained from the Department before the alteration, addition, or new construction is begun. Subject to this Section 8, and prior to January 1, 2012, the Department shall consider the re-licensing of an existing hospital structure according to the standards for an existing hospital, as set forth in the Department's rules. Re-licensing under

New matter indicated by italics - deletions by strikeout
this provision shall occur only if that facility operated as a licensed hospital on July 1, 2005, has had no intervening use as other than a hospital, and exists in a county with a population of less than 20,000 that does not have another licensed hospital on the effective date of this amendatory Act of the 95th General Assembly.

(b) The Department shall inform an applicant in writing within 10 working days after receiving drawings and specifications and the required fee, if any, from the applicant whether the applicant's submission is complete or incomplete. Failure to provide the applicant with this notice within 10 working days shall result in the submission being deemed complete for purposes of initiating the 60-day review period under this Section. If the submission is incomplete, the Department shall inform the applicant of the deficiencies with the submission in writing. If the submission is complete and the required fee, if any, has been paid, the Department shall approve or disapprove drawings and specifications submitted to the Department no later than 60 days following receipt by the Department. The drawings and specifications shall be of sufficient detail, as provided by Department rule, to enable the Department to render a determination of compliance with design and construction standards under this Act. If the Department finds that the drawings are not of sufficient detail for it to render a determination of compliance, the plans shall be determined to be incomplete and shall not be considered for purposes of initiating the 60 day review period. If a submission of drawings and specifications is incomplete, the applicant may submit additional information. The 60-day review period shall not commence until the Department determines that a submission of drawings and specifications is complete or the submission is deemed complete. If the Department has not approved or disapproved the drawings and specifications within 60 days, the construction, major alteration, or addition shall be deemed approved. If the drawings and specifications are disapproved, the Department shall state in writing, with specificity, the reasons for the disapproval. The entity submitting the drawings and specifications may submit additional information in response to the written comments from the Department or request a reconsideration of the disapproval. A final decision of approval or disapproval shall be made within 45 days of the receipt of the additional information or reconsideration request. A final decision shall be subject to review under the Administrative Review Law. If denied, the Department shall state the specific reasons for the denial and the applicant may elect to

seek dispute resolution pursuant to Section 25 of the Illinois Building Commission Act, which the Department must participate in.

(c) The Department shall provide written approval for occupancy pursuant to subsection (g) and shall not issue a violation to a facility as a result of a licensure or complaint survey based upon the facility's physical structure if:

(1) the Department reviewed and approved or deemed approved the drawing and specifications for compliance with design and construction standards;
(2) the construction, major alteration, or addition was built as submitted;
(3) the law or rules have not been amended since the original approval; and
(4) the conditions at the facility indicate that there is a reasonable degree of safety provided for the patients.

(c-5) The Department shall not issue a violation to a facility if the inspected aspects of the facility were previously found to be in compliance with applicable standards, the relevant law or rules have not been amended, conditions at the facility reasonably protect the safety of its patients, and alterations or new hazards have not been identified.

(d) The Department shall charge the following fees in connection with its reviews conducted before June 30, 2004 under this Section:

(1) (Blank).
(2) (Blank).
(3) If the estimated dollar value of the major construction is greater than $500,000, the fee shall be established by the Department pursuant to rules that reflect the reasonable and direct cost of the Department in conducting the architectural reviews required under this Section. The estimated dollar value of the major construction subject to review under this Section shall be annually readjusted to reflect the increase in construction costs due to inflation.

The fees provided in this subsection (d) shall not apply to major construction projects involving facility changes that are required by Department rule amendments or to projects related to homeland security.

The fees provided in this subsection (d) shall also not apply to major construction projects if 51% or more of the estimated cost of the project is attributed to capital equipment. For major construction projects where 51% or more of the estimated cost of the project is attributed to
capital equipment, the Department shall by rule establish a fee that is reasonably related to the cost of reviewing the project.

Disproportionate share hospitals and rural hospitals shall only pay one-half of the fees required in this subsection (d). For the purposes of this subsection (d), (i) "disproportionate share hospital" means a hospital described in items (1) through (5) of subsection (b) of Section 5-5.02 of the Illinois Public Aid Code and (ii) "rural hospital" means a hospital that is (A) located outside a metropolitan statistical area or (B) located 15 miles or less from a county that is outside a metropolitan statistical area and is licensed to perform medical/surgical or obstetrical services and has a combined total bed capacity of 75 or fewer beds in these 2 service categories as of July 14, 1993, as determined by the Department.

The Department shall not commence the facility plan review process under this Section until the applicable fee has been paid.

(e) All fees received by the Department under this Section shall be deposited into the Health Facility Plan Review Fund, a special fund created in the State treasury. All fees paid by hospitals under subsection (d) shall be used only to cover the direct and reasonable costs relating to the Department's review of hospital projects under this Section. Moneys shall be appropriated from that Fund to the Department only to pay the costs of conducting reviews under this Section. None of the moneys in the Health Facility Plan Review Fund shall be used to reduce the amount of General Revenue Fund moneys appropriated to the Department for facility plan reviews conducted pursuant to this Section.

(f) (Blank).

(g) The Department shall conduct an on-site inspection of the completed project no later than 15 business days after notification from the applicant that the project has been completed and all certifications required by the Department have been received and accepted by the Department. The Department may extend this deadline only if a federally mandated survey time frame takes precedence. The Department shall provide written approval for occupancy to the applicant within 5 working days of the Department's final inspection, provided the applicant has demonstrated substantial compliance as defined by Department rule. Occupancy of new major construction is prohibited until Department approval is received, unless the Department has not acted within the time frames provided in this subsection (g), in which case the construction shall be deemed approved. Occupancy shall be authorized after any required health inspection by the Department has been conducted.
(h) The Department shall establish, by rule, a procedure to conduct interim on-site review of large or complex construction projects.

(i) The Department shall establish, by rule, an expedited process for emergency repairs or replacement of like equipment.

(j) Nothing in this Section shall be construed to apply to maintenance, upkeep, or renovation that does not affect the structural integrity of the building, does not add beds or services over the number for which the facility is licensed, and provides a reasonable degree of safety for the patients.

PUBLIC ACT 99-0640
(House Bill No. 4595)

AN ACT concerning civil law.

Be it enacted by the People of the State of Illinois, represented in the General Assembly:

Section 5. The Code of Civil Procedure is amended by changing Section 15-1508 as follows:

(735 ILCS 5/15-1508) (from Ch. 110, par. 15-1508)

(a) Report. The person conducting the sale shall promptly make a report to the court, which report shall include a copy of all receipts and, if any, certificate of sale.

(b) Hearing. Upon motion and notice in accordance with court rules applicable to motions generally, which motion shall not be made prior to sale, the court shall conduct a hearing to confirm the sale. Unless the court finds that (i) a notice required in accordance with subsection (c) of Section 15-1507 was not given, (ii) the terms of sale were unconscionable, (iii) the sale was conducted fraudulently, or (iv) justice was otherwise not done, the court shall then enter an order confirming the sale. The confirmation order shall include a name, address, and telephone number of the holder of the certificate of sale or deed issued pursuant to that certificate or, if no certificate or deed was issued, the purchaser, whom

New matter indicated by italics - deletions by strikeout
a municipality or county may contact with concerns about the real estate. The confirmation order may also:

(1) approve the mortgagee's fees and costs arising between the entry of the judgment of foreclosure and the confirmation hearing, those costs and fees to be allowable to the same extent as provided in the note and mortgage and in Section 15-1504;

(2) provide for a personal judgment against any party for a deficiency; and

(3) determine the priority of the judgments of parties who deferred proving the priority pursuant to subsection (h) of Section 15-1506, but the court shall not defer confirming the sale pending the determination of such priority.

(b-3) Hearing to confirm sale of abandoned residential property. Upon motion and notice by first-class mail to the last known address of the mortgagor, which motion shall be made prior to the sale and heard by the court at the earliest practicable time after conclusion of the sale, and upon the posting at the property address of the notice required by paragraph (2) of subsection (l) of Section 15-1505.8, the court shall enter an order confirming the sale of the abandoned residential property, unless the court finds that a reason set forth in items (i) through (iv) of subsection (b) of this Section exists for not approving the sale, or an order is entered pursuant to subsection (h) of Section 15-1505.8. The confirmation order also may address the matters identified in items (1) through (3) of subsection (b) of this Section. The notice required under subsection (b-5) of this Section shall not be required.

(b-5) Notice with respect to residential real estate. With respect to residential real estate, the notice required under subsection (b) of this Section shall be sent to the mortgagor even if the mortgagor has previously been held in default. In the event the mortgagor has filed an appearance, the notice shall be sent to the address indicated on the appearance. In all other cases, the notice shall be sent to the mortgagor at the common address of the foreclosed property. The notice shall be sent by first class mail. Unless the right to possession has been previously terminated by the court, the notice shall include the following language in 12-point boldface capitalized type:

IF YOU ARE THE MORTGAGOR (HOMEOWNER), YOU HAVE THE RIGHT TO REMAIN IN POSSESSION FOR 30 DAYS AFTER ENTRY OF AN ORDER OF POSSESSION, IN ACCORDANCE WITH
SECTION 15-1701(c) OF THE ILLINOIS MORTGAGE
FORECLOSURE LAW.

(b-10) Notice of confirmation order sent to municipality or county. A copy of the confirmation order required under subsection (b) shall be sent to the municipality in which the foreclosed property is located, or to the county within the boundary of which the foreclosed property is located if the foreclosed property is located in an unincorporated territory. A municipality or county must clearly publish on its website a single address to which a copy of the order shall be sent. If a municipality or county does not maintain a website, then the municipality or county must publicly post in its main office a single address to which a copy of the order shall be sent. In the event that a municipality or county has not complied with the publication requirement in this subsection (b-10), then a copy of the order shall be sent by first class mail, postage prepaid, to the chairperson of the county board or county clerk in the case of a county, to the mayor or city clerk in the case of a city, to the president of the board of trustees or village clerk in the case of a village, or to the president or town clerk in the case of a town.

(b-15) Notice of confirmation order sent to known insurers. With respect to residential real estate, the party filing the complaint shall send a copy of the confirmation order required under subsection (b) by first class mail, postage prepaid, to the last known property insurer of the foreclosed property. Failure to send or receive a copy of the order shall not impair or abrogate in any way the rights of the mortgagee or purchaser or affect the status of the foreclosure proceedings.

(c) Failure to Give Notice. If any sale is held without compliance with subsection (c) of Section 15-1507 of this Article, any party entitled to the notice provided for in paragraph (3) of that subsection (c) who was not so notified may, by motion supported by affidavit made prior to confirmation of such sale, ask the court which entered the judgment to set aside the sale. Any such party shall guarantee or secure by bond a bid equal to the successful bid at the prior sale, unless the party seeking to set aside the sale is the mortgagor, the real estate sold at the sale is residential real estate, and the mortgagor occupies the residential real estate at the time the motion is filed. In that event, no guarantee or bond shall be required of the mortgagor. Any subsequent sale is subject to the same notice requirement as the original sale.

(d) Validity of Sale. Except as provided in subsection (c) of Section 15-1508, no sale under this Article shall be held invalid or be set aside.
aside because of any defect in the notice thereof or in the publication of the same, or in the proceedings of the officer conducting the sale, except upon good cause shown in a hearing pursuant to subsection (b) of Section 15-1508. At any time after a sale has occurred, any party entitled to notice under paragraph (3) of subsection (c) of Section 15-1507 may recover from the mortgagee any damages caused by the mortgagee's failure to comply with such paragraph (3). Any party who recovers damages in a judicial proceeding brought under this subsection may also recover from the mortgagee the reasonable expenses of litigation, including reasonable attorney's fees.

(d-5) Making Home Affordable Program. The court that entered the judgment shall set aside a sale held pursuant to Section 15-1507, upon motion of the mortgagor at any time prior to the confirmation of the sale, if the mortgagor proves by a preponderance of the evidence that (i) the mortgagor has applied for assistance under the Making Home Affordable Program established by the United States Department of the Treasury pursuant to the Emergency Economic Stabilization Act of 2008, as amended by the American Recovery and Reinvestment Act of 2009, and (ii) the mortgaged real estate was sold in material violation of the program's requirements for proceeding to a judicial sale. The provisions of this subsection (d-5) are operative and, except for this sentence, shall become inoperative on January 1, 2018 January 1, 2016 for all actions filed under this Article after December 31, 2017 December 31, 2015, in which the mortgagor did not apply for assistance under the Making Home Affordable Program on or before December 31, 2016 December 31, 2015. The changes to this subsection (d-5) by this amendatory Act of the 99th General Assembly apply to all cases pending and filed on or after the effective date of this amendatory Act of the 99th General Assembly.

(e) Deficiency Judgment. In any order confirming a sale pursuant to the judgment of foreclosure, the court shall also enter a personal judgment for deficiency against any party (i) if otherwise authorized and (ii) to the extent requested in the complaint and proven upon presentation of the report of sale in accordance with Section 15-1508. Except as otherwise provided in this Article, a judgment may be entered for any balance of money that may be found due to the plaintiff, over and above the proceeds of the sale or sales, and enforcement may be had for the collection of such balance, the same as when the judgment is solely for the payment of money. Such judgment may be entered, or enforcement had, only in cases where personal service has been had upon the persons

New matter indicated by italics - deletions by strikeout
personally liable for the mortgage indebtedness, unless they have entered their appearance in the foreclosure action.

(f) Satisfaction. Upon confirmation of the sale, the judgment stands satisfied to the extent of the sale price less expenses and costs. If the order confirming the sale includes a deficiency judgment, the judgment shall become a lien in the manner of any other judgment for the payment of money.

(g) The order confirming the sale shall include, notwithstanding any previous orders awarding possession during the pendency of the foreclosure, an award to the purchaser of possession of the mortgaged real estate, as of the date 30 days after the entry of the order, against the parties to the foreclosure whose interests have been terminated.

An order of possession authorizing the removal of a person from possession of the mortgaged real estate shall be entered and enforced only against those persons personally named as individuals in the complaint or the petition under subsection (h) of Section 15-1701. No order of possession issued under this Section shall be entered against a lessee with a bona fide lease of a dwelling unit in residential real estate in foreclosure, whether or not the lessee has been made a party in the foreclosure. An order shall not be entered and enforced against any person who is only generically described as an unknown owner or nonrecord claimant or by another generic designation in the complaint.

Notwithstanding the preceding paragraph, the failure to personally name, include, or seek an award of possession of the mortgaged real estate against a person in the confirmation order shall not abrogate any right that the purchaser may have to possession of the mortgaged real estate and to maintain a proceeding against that person for possession under Article IX of this Code or, if applicable, under subsection (h) of Section 15-1701; and possession against a person who (1) has not been personally named as a party to the foreclosure and (2) has not been provided an opportunity to be heard in the foreclosure proceeding may be sought only by maintaining a proceeding under Article IX of this Code or, if applicable, under subsection (h) of Section 15-1701.

(h) With respect to mortgaged real estate containing 5 or more dwelling units, the order confirming the sale shall also provide that (i) the mortgagor shall transfer to the purchaser the security deposits, if any, that the mortgagor received to secure payment of rent or to compensate for damage to the mortgaged real estate from any current occupant of a dwelling unit of the mortgaged real estate, as well as any statutory interest
that has not been paid to the occupant, and (ii) the mortgagor shall provide an accounting of the security deposits that are transferred, including the name and address of each occupant for whom the mortgagor holds the deposit and the amount of the deposit and any statutory interest.

If a return is transmitted to the Department electronically, the Department may presume that the electronic return originator has obtained and is transmitting a valid signature document pursuant to the rules promulgated by the Department for the electronic filing of tax returns, or the Department may authorize electronic return originators to maintain the signature documents and associated documentation, subject to the Department's right of inspection at any time without notice, rather than transmitting those documents to the Department, and the Department may process the return.

The fact that a partner's name is signed to a return or notice shall be prima facie evidence that such individual is authorized to sign such document on behalf of the partnership or limited liability company.

(d) Joint fiduciaries. A return or notice signed by one of two or more joint fiduciaries will comply with the requirements of this Act. The fact that a fiduciary's name is signed to such document shall be prima facie evidence that such fiduciary is authorized to sign such document on behalf of the person from whom it is required.

(e) Failure to sign a return. If a taxpayer fails to sign a return within 30 days after proper notice and demand for signature by the Department, the return shall be considered valid and any amount shown to be due on the return shall be deemed assessed. This Act also corrects errors, revises cross-references, and deletes obsolete text.

Sec. 11. (a) Any person denied access to inspect or copy any public record by a public body may file suit for injunctive or declaratory relief.

New matter indicated by italics - deletions by strikeout
(b) Where the denial is from a public body of the State, suit may be filed in the circuit court for the county where the public body has its principal office or where the person denied access resides.

If the public body can show that exceptional circumstances exist, and that the body is exercising due diligence in responding to the request, the court may retain jurisdiction and allow the agency additional time to complete its review of the records.

(e) On motion of the plaintiff, prior to or after in camera inspection, the court shall order the public body to provide an index of the records to which access has been denied. The index shall include the following:

   (i) A description of the nature or contents of each document withheld, or each deletion from a released document, provided, however, that the public body shall not be required to disclose the information which it asserts is exempt; and

   (h) Except as to causes the court considers to be of greater importance, proceedings arising under this Section shall take precedence
on the docket over all other causes and be assigned for hearing and trial at
the earliest practicable date and expedited in every way.

(i) If a person seeking the right to inspect or receive a copy of a
public record prevails in a proceeding under this Section, the court shall
award such person reasonable attorney's fees and costs. In
determining what amount of attorney's fees is reasonable, the court shall

amendatory Act of the 96th General Assembly.

intentionally failed to comply with this Act, or otherwise acted in bad

assessing the civil penalty, the court shall consider in aggravation or
mitigation the budget of the public body and whether the public body has
previously been assessed penalties for violations of this Act. The changes
contained in this subsection apply to an action filed on or after January 1,
2010 (the effective date of Public Act 96-542) this amendatory Act of the
96th General Assembly.

the circuit court of the county in which such hearing is to be heard, or has been attempted to be heard, setting forth the facts, of such knowing refusal or neglect, and accompanying the petition with a copy of the citation and the answer, if one has been filed, together with a copy of the subpoena and the return of service thereon, and shall apply for an order of court requiring such person to attend and testify, and forthwith produce books and papers, before the electoral board. Any circuit court of the state, excluding the judge who is sitting on the electoral board, upon such showing shall order such person to appear and testify, and to forthwith produce such books and papers, before the electoral board at a place to be fixed by the court. If such person shall knowingly fail or refuse to obey such order of the court without lawful excuse, the court shall punish him or her by fine and imprisonment, as the nature of the case may require and may be lawful in cases of contempt of court.

The electoral board on the first day of its meeting shall adopt rules of procedure for the introduction of evidence and the presentation of arguments and may, in its discretion, provide for the filing of briefs by the parties to the objection or by other interested persons.

In the event of a State Electoral Board hearing on objections to a petition for an amendment to Article IV of the Constitution pursuant to Section 3 of Article XIV of the Constitution, or to a petition for a question of public policy to be submitted to the voters of the entire State, the certificates of the county clerks and boards of election commissioners showing the results of the random sample of signatures on the petition shall be prima facie valid and accurate, and shall be presumed to establish the number of valid and invalid signatures on the petition sheets reviewed in the random sample, as prescribed in Section 28-11 and 28-12 of this Code. Either party, however, may introduce evidence at such hearing to dispute the findings as to particular signatures. In addition to the foregoing, in the absence of competent evidence presented at such hearing by a party substantially challenging the results of a random sample, or showing a different result obtained by an additional sample, this certificate of a county clerk or board of election commissioners shall be presumed to establish the ratio of valid to invalid signatures within the particular election jurisdiction.

The electoral board shall take up the question as to whether or not the certificate of nomination or nomination papers or petitions are in proper form, and whether or not they were filed within the time and under the conditions required by law, and whether or not they are the genuine
certificate of nomination or nomination papers or petitions which they purport to be, and whether or not in the case of the certificate of nomination in question it represents accurately the decision of the caucus or convention issuing it, and in general shall decide whether or not the certificate of nomination or nominating papers or petitions on file are valid or whether the objections thereto should be sustained and the decision of a majority of the electoral board shall be final subject to judicial review as provided in Section 10-10.1. The electoral board must state its findings in writing and must state in writing which objections, if any, it has sustained. A copy of the decision shall be served upon the parties to the proceedings in open proceedings before the electoral board. If a party does not appear for receipt of the decision, the decision shall be deemed to have been served on the absent party on the date when a copy of the decision is personally delivered or on the date when a copy of the decision is deposited in the United States mail, in a sealed envelope or package, with postage prepaid, addressed to each party affected by the decision or to such party's attorney of record, if any, at the address on record for such person in the files of the electoral board.

Upon the expiration of the period within which a proceeding for judicial review must be commenced under Section 10-10.1, the electoral board shall, unless a proceeding for judicial review has been commenced within such period, transmit, by registered or certified mail, a certified copy of its ruling, together with the original certificate of nomination or nomination papers or petitions and the original objector's petition, to the officer or board with whom the certificate of nomination or nomination papers or petitions, as objected to, were on file, and such officer or board shall abide by and comply with the ruling so made to all intents and purposes.

The Secretary may promulgate rules to implement this provision.

(a-10) If the applicant is a judicial officer as defined in Section 1-10 of the Judicial Privacy Act or a peace officer, the applicant may elect to have his or her office or work address listed on the card instead of the applicant's residence or mailing address. For the purposes of this subsection (a-10), "peace officer" means any person who by virtue of his or her office or public employment is vested by law with a duty to maintain public order or to make arrests for a violation of any penal statute of this State, whether that duty extends to all violations or is limited to specific violations.

The Secretary shall charge an additional fee for the expedited issuance of an Illinois Identification Card, to be set by rule, not to exceed $75. All fees collected by the Secretary for expedited Illinois Identification Card service shall be deposited into the Secretary of State Special Services Fund. The Secretary may adopt rules regarding the eligibility, process, and fee for an expedited Illinois Identification Card. If the Secretary of State determines that the volume of expedited identification card requests received on a given day exceeds the ability of the Secretary to process those requests in an expedited manner, the Secretary may decline to provide expedited services, and the additional fee for the expedited service shall be refunded to the applicant.

If the applicant so requests, the card shall include a description of the applicant's disability and any information about the applicant's disability or medical history which the Secretary determines would be helpful to the applicant in securing emergency medical care. If a mark is used in lieu of a signature, such mark shall be affixed to the card in the presence of two witnesses who attest to the authenticity of the mark. The Illinois Person with a Disability Identification Card may be used for identification purposes in any lawful situation by the person to whom it was issued.

The Illinois Person with a Disability Identification Card may be used as adequate documentation of disability in lieu of a physician's determination of disability, a determination of disability from a physician assistant, a determination of disability from an advanced practice nurse, or any other documentation of disability whenever any State law requires that a person with a disability provide such documentation of disability, however an Illinois Person with a Disability Identification Card shall not qualify the cardholder to participate in any program or to receive any benefit which is not available to all persons with like disabilities. Section 60. The Children and Family Services Act is amended by changing Section 7 as follows:

(20 ILCS 505/7) (from Ch. 23, par. 5007)
Sec. 7. Placement of children; considerations.

(a) In placing any child under this Act, the Department shall place the child, as far as possible, in the care and custody of some individual holding the same religious belief as the parents of the child, or with some child care facility which is operated by persons of like religious faith as the parents of such child.

(a-5) In placing a child under this Act, the Department shall place the child with the child's sibling or siblings under Section 7.4 of this Act unless the placement is not in each child's best interest, or is otherwise not possible under the Department's rules. If the child is not placed with a
sibling under the Department's rules, the Department shall consider placements that are likely to develop, preserve, nurture, and support sibling relationships, where doing so is in each child's best interest.

(b) In placing a child under this Act, the Department may place a child with a relative if the Department determines that the relative will be able to adequately provide for the child's safety and welfare based on the factors set forth in the Department's rules governing relative placements, and that the placement is consistent with the child's best interests, taking into consideration the factors set out in subsection (4.05) of Section 1-3 of the Juvenile Court Act of 1987.

When the Department first assumes custody of a child, in placing that child under this Act, the Department shall make reasonable efforts to identify, locate, and provide notice to all adult grandparents and other adult relatives of the child who are ready, willing, and able to care for the child. At a minimum, these efforts shall be renewed each time the child requires a placement change and it is appropriate for the child to be cared for in a home environment. The Department must document its efforts to identify, locate, and provide notice to such potential relative placements and maintain the documentation in the child's case file.

If the Department determines that a placement with any identified relative is not in the child's best interests or that the relative does not meet the requirements to be a relative caregiver, as set forth in Department rules or by statute, the Department must document the basis for that decision and maintain the documentation in the child's case file.

If, pursuant to the Department's rules, any person files an administrative appeal of the Department's decision not to place a child with a relative, it is the Department's burden to prove that the decision is consistent with the child's best interests.

When the Department determines that the child requires placement in an environment, other than a home environment, the Department shall continue to make reasonable efforts to identify and locate relatives to serve as visitation resources for the child and potential future placement resources, except when the Department determines that those efforts would be futile or inconsistent with the child's best interests.

If the Department determines that efforts to identify and locate relatives would be futile or inconsistent with the child's best interests, the Department shall document the basis of its determination and maintain the documentation in the child's case file.
If the Department determines that an individual or a group of relatives are inappropriate to serve as visitation resources or possible placement resources, the Department shall document the basis of its determination and maintain the documentation in the child's case file.

When the Department determines that an individual or a group of relatives are appropriate to serve as visitation resources or possible future placement resources, the Department shall document the basis of its determination, maintain the documentation in the child's case file, create a visitation or transition plan, or both, and incorporate the visitation or transition plan, or both, into the child's case plan. For the purpose of this subsection, any determination as to the child's best interests shall include consideration of the factors set out in subsection (4.05) of Section 1-3 of the Juvenile Court Act of 1987.

The Department may not place a child with a relative, with the exception of certain circumstances which may be waived as defined by the Department in rules, if the results of a check of the Law Enforcement Agencies Data System (LEADS) identifies a prior criminal conviction of the relative or any adult member of the relative's household for any of the following offenses under the Criminal Code of 1961 or the Criminal Code of 2012:

1. murder;
2. solicitation of murder;
3. solicitation of murder for hire;

child, even though the person is not related to the child, when the child and its sibling are placed together with that person. For children who have been in the guardianship of the Department, have been adopted, and are subsequently returned to the temporary custody or guardianship of the Department, a "relative" may also include any person who would have qualified as a relative under this paragraph prior to the adoption, but only if the Department determines, and documents, that it would be in the child's best interests to consider this person a relative, based upon the factors for determining best interests set forth in subsection (4.05) of Section 1-3 of the Juvenile Court Act of 1987. A relative with whom a child is placed pursuant to this subsection may, but is not required to, apply for licensure as a foster family home pursuant to the Child Care Act of 1969; provided, however, that as of July 1, 1995, foster care payments shall be made only to licensed foster family homes pursuant to the terms of Section 5 of this Act.

Notwithstanding any other provision under this subsection to the contrary, a fictive kin with whom a child is placed pursuant to this subsection shall apply for licensure as a foster family home pursuant to the Child Care Act of 1969 within 6 months of the child's placement with the fictive kin. The Department shall not remove a child from the home of a fictive kin on the basis that the fictive kin fails to apply for licensure within 6 months of the child's placement with the fictive kin, or fails to meet the standard for licensure. All other requirements established under the rules and procedures of the Department concerning the placement of a child, for whom the Department is legally responsible, with a relative shall apply. By June 1, 2015, the Department shall promulgate rules establishing criteria and standards for placement, identification, and licensure of fictive kin.

For purposes of this subsection, "fictive kin" means any individual, unrelated by birth or marriage, who is shown to have close personal or emotional ties with the child or the child's family prior to the child's placement with the individual.

The provisions added to this subsection (b) by Public Act 98-846 this amendatory Act of the 98th General Assembly shall become operative on and after June 1, 2015.

(c) In placing a child under this Act, the Department shall ensure that the child's health, safety, and best interests are met. In rejecting placement of a child with an identified relative, the Department shall ensure that the child's health, safety, and best interests are met. In

evaluating the best interests of the child, the Department shall take into consideration the factors set forth in subsection (4.05) of Section 1-3 of the Juvenile Court Act of 1987.

The Department shall consider the individual needs of the child and the capacity of the prospective foster or adoptive parents to meet the needs of the child. When a child must be placed outside his or her home and cannot be immediately returned to his or her parents or guardian, a comprehensive, individualized assessment shall be performed of that child at which time the needs of the child shall be determined. Only if race, color, or national origin is identified as a legitimate factor in advancing the child's best interests shall it be considered. Race, color, or national origin shall not be routinely considered in making a placement decision. The Department shall make special efforts for the diligent recruitment of potential foster and adoptive families that reflect the ethnic and racial diversity of the children for whom foster and adoptive homes are needed. "Special efforts" shall include contacting and working with community organizations and religious organizations and may include contracting with those organizations, utilizing local media and other local resources, and conducting outreach activities.

(c-1) At the time of placement, the Department shall consider concurrent planning, as described in subsection (l-1) of Section 5, so that permanency may occur at the earliest opportunity. Consideration should be given so that if reunification fails or is delayed, the placement made is the best available placement to provide permanency for the child.

(d) The Department may accept gifts, grants, offers of services, and other contributions to use in making special recruitment efforts.

(e) The Department in placing children in adoptive or foster care homes may not, in any policy or practice relating to the placement of children for adoption or foster care, discriminate against any child or prospective adoptive or foster parent on the basis of race.

Loans awarded through a family loan program may be paid directly to a third party on behalf of a loan recipient and in either case shall not constitute income or resources for the purposes of public assistance and care so long as the funds are used for the intended purpose.

(b) The Director shall enter into written agreements with not-for-profit organizations or local government agencies to administer loan pools. Agreements shall be entered into with no more than 4 organizations or agencies, no more than one of which shall be located in the city of Chicago.

If an action taken by an employer against an employee as a result of a finding of physical abuse, sexual abuse, or egregious neglect is overturned through an action filed with the Illinois Civil Service Commission or under any applicable collective bargaining agreement and if that employee's name has already been sent to the registry, the employee's name shall be removed from the registry.

order, the Department shall send written notice to the petitioner of its compliance with an Appellate Court or Supreme Court judgment to expunge or seal records within 60 days of the issuance of the court's mandate. The notice is not required while any motion to vacate, modify, or reconsider, or any appeal or petition for discretionary appellate review, is pending.

(10) Fees. The Department may charge the petitioner a fee equivalent to the cost of processing any order to expunge or seal records. Notwithstanding any provision of the Clerks of Courts Act to the contrary, the circuit court clerk may charge a fee equivalent to the cost associated with the sealing or expungement of records by the circuit court clerk. From the total filing fee collected for the petition to seal or expunge, the circuit court clerk shall deposit $10 into the Circuit Court Clerk Operation and Administrative Fund, to be used to offset the costs incurred by the circuit court clerk in performing the additional duties required to serve the petition to seal or expunge on all parties. reconsider its terms based on a motion filed under paragraph (12)
of this subsection (d).
