(a) A record of a putative holder showing an unpaid debt or undischarged obligation is prima facie evidence of the debt or obligation.
(b) A putative holder may establish by a preponderance of the evidence that there is no unpaid debt or undischarged obligation for a debt or obligation described in subsection (a) or that the debt or obligation was not, or no longer is, a fixed and certain obligation of the putative holder.
(c) A putative holder may overcome prima facie evidence under subsection (a) by establishing by a preponderance of the evidence that a check, draft, or similar instrument was:
   (1) issued as an unaccepted offer in settlement of an unliquidated amount;

information available to the administrator, including extrapolation and use of statistical sampling when appropriate and necessary, consistent with examination procedures and standards adopted under Section 15-1003. A payment made based on estimation under this Section is a penalty for failure to maintain the records required by Section 15-404 and does not relieve a person from an obligation to report and deliver property to a State in which the holder is domiciled.

Section 15-1007. Report to person whose records were examined. At the conclusion of an examination under Section 15-1002, unless waived in writing by the person being examined, the administrator shall provide to the person whose records were examined a report that specifies:

1. the work performed;
2. the property types reviewed;
3. the methodology of any estimation technique, extrapolation, or statistical sampling used in conducting the examination;
4. each calculation showing the value of property determined to be due; and

(b) If a person in a record requests an informal conference with the administrator, the administrator shall hold the informal conference not later than 30 days after receiving the request. For good cause, and after notice in a record to the person requesting an informal conference, the administrator may extend the time for the holding of an informal conference. The administrator may hold the informal conference in person, by telephone, or by electronic means.

(c) If an informal conference is held under subsection (b), not later than 30 days after the conference ends, the administrator shall provide a response to the person that requested the conference.

(b) If the administrator contracts with a person under subsection (a):

(1) the contract may provide for compensation of the person based on a fixed fee, hourly fee, or contingent fee;
(2) a contingent fee arrangement may not provide for a payment that exceeds 15% of the amount or value of property paid or delivered as a result of the examination; and
(3) as authorized in the State Officers and Employees Money Disposition Act, the administrator may permit the deduction of fees from property recovered during an examination under this Article prior to depositing funds received under this Act into the Unclaimed Property Trust Fund.

(c) A contract under subsection (a) is a public record under the Freedom of Information Act.

Section 15-1010. Report by administrator. As part of the report required by Section 15 of the State Treasurer Act, the administrator shall compile and include the following information about property presumed abandoned for the preceding fiscal year for the State:

   (B) the part paid or delivered as a result of an examination under Section 15-1002;
(2) the total amount and value of all property paid or delivered by the administrator to persons that made claims for property held by the administrator under this Act;
(3) the amounts expended from the State Pensions Fund; and
(4) such other information as the administrator believes would be useful or informative.
Section 15-1011. Determination of liability for unreported reportable property. If the administrator determines from an examination conducted under Section 15-1002 that a putative holder failed or refused to pay or deliver to the administrator property which is reportable under this Act, the administrator shall issue a determination of the putative holder's liability to pay or deliver and give notice in a record to the putative holder of the determination.

ARTICLE 11. DETERMINATION OF LIABILITY; PUTATIVE HOLDER REMEDIES

Section 15-1101. Informal conference.
(a) Not later than 30 days after receipt of a notice under Section 15-1011, the putative holder may request an informal conference with the administrator to review the determination. (2) the administrator shall give the putative holder notice in a record of the time and place of the conference;
(3) the conference may be held in person, by telephone, or by electronic means, as determined by the administrator;
(4) the request tolls the 90-day period under Sections 15-1103 and 15-1104 until notice of a decision under paragraph (7) has been given to the putative holder or the putative holder withdraws the request for the conference;
(5) the conference may be postponed, adjourned, and reconvened as the administrator determines appropriate;
(6) the administrator or administrator's designee with the approval of the administrator may modify a determination made under Section 15-1011 or withdraw it; and
(7) the administrator shall issue a decision in a record and provide a copy of the record to the putative holder and examiner not later than 30 days after the conference ends.

(c) A conference under subsection (b) is not an administrative remedy and is not a contested case subject to the Illinois Administrative Procedure Act. An oath is not required and rules of evidence do not apply in the conference.

(d) At a conference under subsection (b), the putative holder must be given an opportunity to confer informally with the administrator and the person that examined the records of the putative holder to:

(1) discuss the determination made under Section 15-1011;

and

(2) present any issue concerning the validity of the determination.

(e) If the administrator fails to act within the period prescribed in subsection (b)(1) or (7), the failure does not affect a right of the administrator, except that interest does not accrue on the amount for which the putative holder was determined to be liable under Section 15-1011 during the period in which the administrator failed to act until the earlier of:

(1) the date under Section 15-1103 the putative holder initiates administrative review or files an action under Section 15-1104; or

(2) 90 days after the putative holder received notice of the administrator's determination under Section 15-1011 if no review was initiated under Section 15-1103 and no action was filed under Section 15-1104.

(f) The administrator may hold an informal conference with a putative holder about a determination under Section 15-1011 without a request at any time before the putative holder initiates administrative review under Section 15-1102.

(g) Interest and penalties under Section 15-1204 continue to accrue on property not reported, paid, or delivered as required by this Act after the initiation, and during the pendency, of an informal conference under this Section.

Section 15-1102. Administrative review.

(a) Not later than 90 days after receiving notice of the administrator's determination under Section 15-1011, or, if applicable and as provided in Section 15-1101(b)(4), after notice of a decision under 15-1101(b)(7) has been given to the putative holder or the putative holder has withdrawn the request for an informal conference, a putative holder may initiate a contested case under the Illinois Administrative Procedure Act for review of the administrator's determination.

(b) A final decision in an administrative proceeding initiated under subsection (a) is subject to judicial review under the Article III of Code of Civil Procedure.

ARTICLE 12. ENFORCEMENT BY ADMINISTRATOR

Section 15-1201. Judicial action to enforce liability.
(a) If a determination under Section 15-1011 becomes final and is not subject to administrative or judicial review, the administrator may commence an action in the Circuit Court of Sangamon County or Cook County, federal court, or in an appropriate court of another state to enforce the determination and secure payment or delivery of past due, unpaid, or undelivered property. The action must be brought not later than 5 years after the determination becomes final.

(b) In an action under subsection (a), if no court in this State has jurisdiction over the defendant, the administrator may commence an action in any court having jurisdiction over the defendant.

Section 15-1203. Action involving another state or foreign country.
(a) The administrator may join another state or foreign country to examine and seek enforcement of this Act against a putative holder.

(c) The administrator may request the official authorized to enforce the unclaimed property law of another state or foreign country to commence an action to recover property in the other state or country on behalf of the administrator. This state may pay the costs, including reasonable attorney's fees and expenses, incurred by the other state or foreign country in an action under this subsection.

(d) The administrator may pursue an action on behalf of this State to recover property subject to this Act but delivered to the custody of another state if the administrator believes the property is subject to the custody of the administrator.

(e) At the request of the administrator, the Attorney General may commence an action to recover property on behalf of the administrator in this State, another state, or a foreign country. With the written consent of the Attorney General, the administrator may retain an attorney in this State, another state, or a foreign country to recover property on behalf of the administrator in this State, another state, or a foreign country and may agree to pay attorney's fees based in whole or in part on a fixed fee, hourly fee, or a percentage of the amounts or value of property recovered in the action.

(a) A holder that fails to report, pay, or deliver property within the time prescribed by this Act shall pay to the administrator interest at a rate of 1% per month on the property or value of the property from the date the property should have been reported, paid, or delivered to the administrator until the date reported, paid, or delivered.

(b) Except as otherwise provided in Section 15-1 or 15-1206, the administrator may require a holder that fails to report, pay, or deliver property within the time prescribed by this Act to pay to the administrator, in addition to interest included under subsection (a), a civil penalty of $200 for each day the duty is not performed, up to a cumulative maximum amount of $5,000.

(c) A holder who fails to report, pay, or deliver property within the time prescribed by this Act shall not be required to pay interest under subsection (a) above or be subject to penalties under subsection (b) above if the failure to report, pay, or deliver the property was due to lack of knowledge of the death that established the period of abandonment under this Act.

Section 15-1205. Other civil penalties.

(a) If a holder enters into a contract or other arrangement for the purpose of evading an obligation under this Act or otherwise willfully fails
to perform a duty imposed on the holder under this Act, the administrator may require the holder to pay the administrator, in addition to interest as provided in subsection (a) of Section 15-1204, a civil penalty of $1,000 for each day the obligation is evaded or the duty is not performed, up to a cumulative maximum amount of $25,000, plus 25% of the amount or value of property that should have been but was not reported, paid, or delivered as a result of the evasion or failure to perform.

(1) is in a record that clearly states the nature of the property and the services to be provided;

(2) is signed by or on behalf of the apparent owner; and

(3) states the amount or value of the property reasonably expected to be recovered, computed before and after a fee or other compensation to be paid to the person has been deducted.

(b) If a provision in an agreement described in Section 15-1301 applies to mineral proceeds for which compensation is to be paid to the other person based in whole or in part on a part of the underlying minerals or mineral proceeds not then presumed abandoned, the provision is void regardless of when the agreement was entered into.

(c) An agreement under subsection (a) which provides for compensation in an amount that is more than 10% of the amount collected is unenforceable except by the apparent owner.

(d) An apparent owner or the administrator may assert that an agreement described in this Section is void on a ground other than it provides for payment of unconscionable compensation.

(e) A person attempting to collect a contingent fee for discovering, on behalf of an apparent owner, presumptively abandoned property must be licensed as a private detective pursuant to the Private Detective, Private Alarm, Private Security, Fingerprint Vendor, and Locksmith Act of 2004.

The administrator may include in published notices, printed publications, telecommunications, the Internet, or other media and on the website or in the database additional information concerning the apparent owner's property if the administrator believes the information will assist in identifying and returning property to the owner and does not disclose personal information as defined in the Personal Information Protection Act.

(c) The administrator and the administrator's agent may not use confidential information provided to them or in their possession except as expressly authorized by this Act or required by law other than this Act.

Section 15-1402. Confidentiality agreement. Section 15-1403. No confidential information in notice. Except as otherwise provided in Sections 15-501 and 15-502, a holder is not required
under this Act to include confidential information in a notice the holder is required to provide to an apparent owner under this Act.

(a) If a holder is required to include confidential information in a report to the administrator, the information must be provided by a secure means.

(b) If confidential information in a record is provided to and maintained by the administrator or administrator's agent as required by this Act, the administrator or agent shall implement and maintain reasonable security measures to protect those records from unauthorized access, acquisition, destruction, use, modification, or disclosure as required by the Personal Information Protection Act. Section 17-20. The State Comptroller Act is amended by changing Section 9 as follows:

(15 ILCS 405/9) (from Ch. 15, par. 209)
Sec. 9. Warrants; vouchers; preaudit.

(a) No payment may be made from public funds held by the State Treasurer in or outside of the State treasury, except by warrant drawn by the Comptroller and presented by him to the treasurer to be countersigned except for payments made pursuant to Section 9.03 or 9.05 of this Act.

(b) No warrant for the payment of money by the State Treasurer may be drawn by the Comptroller without the presentation of itemized vouchers indicating that the obligation or expenditure is pursuant to law and authorized, and authorizing the Comptroller to order payment.

(b-1) An itemized voucher for under $5 that is presented to the Comptroller for payment shall not be paid except through electronic funds transfer. This subsection (b-1) does not apply to (i) vouchers presented by the legislative branch of State government, (ii) vouchers presented by the State Treasurer's Office for the payment of unclaimed property claims authorized under the Revised Uniform Disposition of Unclaimed Property Act, or (iii) vouchers presented by the Department of Revenue for the payment of refunds of taxes administered by the Department.

(c) The Comptroller shall examine each voucher required by law to be filed with him and determine whether unencumbered appropriations or unencumbered obligational or expenditure authority other than by appropriation are legally available to incur the obligation or to make the expenditure of public funds. If he determines that unencumbered appropriations or other obligational or expenditure authority are not available from which to incur the obligation or make the expenditure, the Comptroller shall refuse to draw a warrant.

(d) The Comptroller shall examine each voucher and all other documentation required to accompany the voucher, and shall ascertain whether the voucher and documentation meet all requirements established by or pursuant to law. If the Comptroller determines that the voucher and documentation do not meet applicable requirements established by or pursuant to law, he shall refuse to draw a warrant. As used in this Section, "requirements established by or pursuant to law" includes statutory enactments and requirements established by rules and regulations adopted pursuant to this Act.

(e) Prior to drawing a warrant, the Comptroller may review the voucher, any documentation accompanying the voucher, and any other

(f) Where the Comptroller refuses to draw a warrant pursuant to this Section, he shall maintain separate records of such transactions.

(g) State agencies shall have the principal responsibility for the preaudit of their encumbrances, expenditures, and other transactions as otherwise required by law.

(a) The moneys in the State Pensions Fund shall be used
exclusively for the administration of the Revised Uniform Disposition of
Unclaimed Property Act and for the expenses incurred by the Auditor
General for administering the provisions of Section 2-8.1 of the Illinois
State Auditing Act and for operational expenses of the Office of the State
Treasurer and for the funding of the unfunded liabilities of the designated
retirement systems. Beginning in State fiscal year 2018, payments to the
designated retirement systems under this Section shall be in addition to,
and not in lieu of, any State contributions required under the Illinois
Pension Code.
"Designated retirement systems" means:
(1) the State Employees' Retirement System of Illinois;
(2) the Teachers' Retirement System of the State of Illinois;
(3) the State Universities Retirement System;

Disposition of Unclaimed Property Act.

Each month, the Commissioner of the Office of Banks and Real
Estate shall certify to the State Treasurer the actual expenditures that the
Office of Banks and Real Estate incurred conducting unclaimed property
examinations under the Uniform Disposition of Unclaimed Property Act
during the immediately preceding month. Within a reasonable time
following the acceptance of such certification by the State Treasurer, the State Treasurer shall pay from its appropriation from the State Pensions Fund to the Bank and Trust Company Fund, the Savings Bank Regulatory Fund, and the Residential Finance Regulatory Fund an amount equal to the expenditures incurred by each Fund for that month.

Each month, the Director of Financial Institutions shall certify to the State Treasurer the actual expenditures that the Department of Financial Institutions incurred conducting unclaimed property examinations under the Uniform Disposition of Unclaimed Property Act during the immediately preceding month. Within a reasonable time following the acceptance of such certification by the State Treasurer, the State Treasurer shall pay from its appropriation from the State Pensions Fund to the Financial Institution Fund and the Credit Union Fund an amount equal to the expenditures incurred by each Fund for that month.

(c) As soon as possible after the effective date of this amendatory Act of the 93rd General Assembly, the General Assembly shall appropriate from the State Pensions Fund (1) to the State Universities Retirement System the amount certified under Section 15-165 during the prior year, (2) to the Judges Retirement System of Illinois the amount certified under Section 18-140 during the prior year, and (3) to the General Assembly Retirement System the amount certified under Section 2-134 during the prior year as part of the required State contributions to each of those designated retirement systems; except that amounts appropriated under this subsection (c) in State fiscal year 2005 shall not reduce the amount in the State Pensions Fund below $5,000,000. If the amount in the State Pensions Fund does not exceed the sum of the amounts certified in Sections 15-165, 18-140, and 2-134 by at least $5,000,000, the amount paid to each designated retirement system under this subsection shall be reduced in proportion to the amount certified by each of those designated retirement systems.

apportion the deposited amount among the designated retirement systems as defined in subsection (a) to reduce their actuarial reserve deficiencies. The State Comptroller and State Treasurer shall pay the apportioned amounts to the designated retirement systems to fund the unfunded liabilities of the designated retirement systems. The amount apportioned to each designated retirement system shall constitute a portion of the amount estimated to be available for appropriation from the State Pensions Fund that is the same as that retirement system's portion of the total actual reserve deficiency of the systems, as determined annually by the Governor's Office of Management and Budget at the request of the State Treasurer. The amounts apportioned under this subsection shall not reduce the amount in the State Pensions Fund below $5,000,000.

(d) The Governor's Office of Management and Budget shall determine the individual and total reserve deficiencies of the designated retirement systems. For this purpose, the Governor's Office of Management and Budget shall utilize the latest available audit and actuarial reports of each of the retirement systems and the relevant reports and statistics of the Public Employee Pension Fund Division of the Department of Insurance.

(d-1) As soon as practicable after the effective date of this amendatory Act of the 93rd General Assembly, the Comptroller shall direct and the Treasurer shall transfer from the State Pensions Fund to the General Revenue Fund, as funds become available, a sum equal to the amounts that would have been paid from the State Pensions Fund to the Teachers' Retirement System of the State of Illinois, the State Universities Retirement System, the Judges Retirement System of Illinois, the General Assembly Retirement System, and the State Employees' Retirement System of Illinois after the effective date of this amendatory Act during the remainder of fiscal year 2004 to the designated retirement systems from the appropriations provided for in this Section if the transfers provided in Section 6z-61 had not occurred. (3.5) the State Treasurer may permit the deduction of fees by third-party unclaimed property examiners from the property recovered by the examiners for the State of Illinois during examinations of holders located outside the State under which the Office of the Treasurer has agreed to pay for the examinations based upon a percentage, set by rule by the State Treasurer in accordance with the Revised Uniform Unclaimed Property Illinois Administrative Procedure Act, of the property recovered during the examination; and

(4) if the amount of money received does not exceed $500, such money may be retained and need not be paid into the State treasury until the total amount of money so received exceeds $500, or until the next succeeding 1st or 15th day of each month (or until the next business day if these days fall on Sunday or a holiday), whichever is earlier, at which earlier time such money shall be paid into the State treasury, except that if a local bank or savings and loan association account has been authorized by law, any balances shall be paid into the State treasury on Monday of each week if more than $500 is to be deposited in any fund.

Single items of receipt exceeding $10,000 received after 2 p.m. on a working day may be deemed to have been received on the next working day for purposes of fulfilling the requirement that the item be deposited on the day of actual physical receipt.

No money belonging to or left for the use of the State shall be expended or applied except in consequence of an appropriation made by law and upon the warrant of the State Comptroller. However, payments made by the Comptroller to persons by direct deposit need not be made upon the warrant of the Comptroller, but if not made upon a warrant, shall be made in accordance with Section 9.02 of the State Comptroller Act. The State Treasurer shall remit such collected funds to the depositing officer, board, commission, commissioner, department, institution, arm or agency by Treasurers Draft or through electronic funds transfer. The different time periods established by rule or regulation under this subsection may vary according to the nature and amounts of the funds received, the locations at which the funds are received, whether compliance with the deposit requirements specified in subsection (a) of this Section would be cost effective, and such other circumstances and conditions as the promulgating authorities consider to be appropriate. Section 17-50. The Illinois Banking Act is amended by changing Sections 48, 48.1, 48.3, and 65 as follows:

(205 ILCS 5/48)

Sec. 48. Secretary's powers; duties. The Secretary shall have the powers and authority, and is charged with the duties and responsibilities designated in this Act, and a State bank shall not be subject to any other visitatorial power other than as authorized by this Act, except those vested in the courts, or upon prior consultation with the Secretary, a foreign bank regulator with an appropriate supervisory interest in the parent or affiliate of a state bank. In the performance of the Secretary's duties:

(1) The Commissioner shall call for statements from all State banks as provided in Section 47 at least one time during each calendar quarter.

(2) (a) The Commissioner, as often as the Commissioner shall deem necessary or proper, and no less frequently than 18 months following the preceding examination, shall appoint a suitable person or persons to make an examination of the affairs of every State bank, except that for every eligible State bank, as defined by regulation, the Commissioner in lieu of the examination may accept on an alternating basis the examination made by the eligible State bank's appropriate federal banking agency pursuant to Section 111 of the Federal Deposit Insurance Corporation Improvement Act of 1991, provided the appropriate federal banking agency has made such an examination. A person so appointed shall not be a stockholder or officer or employee of any bank which that person may be directed to examine, and shall have powers to make a thorough examination into all the affairs of the bank and in so doing to examine any of the officers or agents or

employees thereof on oath and shall make a full and detailed report of the condition of the bank to the Commissioner. In making the examination the examiners shall include an examination of the affairs of all the affiliates of the bank, as defined in subsection (b) of Section 35.2 of this Act, or subsidiaries of the bank as shall be necessary to disclose fully the conditions of the subsidiaries or affiliates, the relations between the bank and the subsidiaries or affiliates and the effect of those relations upon the affairs of the bank, and in connection therewith shall have power to examine any of the officers, directors, agents, or employees of the subsidiaries or affiliates on oath. After May 31, 1997, the Commissioner may enter into cooperative agreements with state regulatory authorities of other states to provide for examination of State bank branches in those states, and the Commissioner may accept reports of examinations of State bank branches from those state regulatory authorities. These cooperative agreements may set forth the manner in which the other state regulatory authorities may be compensated for examinations prepared for and submitted to the Commissioner.

(b) After May 31, 1997, the Commissioner is authorized to examine, as often as the Commissioner shall deem necessary or proper, branches of out-of-state banks. The Commissioner may establish and may assess fees to be paid to the Commissioner for examinations under this subsection (b). The fees shall be borne by the out-of-state bank, unless the fees are borne by the state regulatory authority that chartered the out-of-state bank, as determined by a cooperative agreement between the Commissioner and the state regulatory authority that chartered the out-of-state bank.

(2.1) Pursuant to paragraph (a) of subsection (6) of this Section, the Secretary shall adopt rules that ensure consistency and due process in the examination process. The Secretary may also establish guidelines that (i) define the scope of the examination process and (ii) clarify examination items to be resolved. The rules, formal guidance, interpretive letters, or opinions furnished to State banks by the Secretary may be relied upon by the State banks.

(2.5) Whenever any State bank, any subsidiary or affiliate of a State bank, or after May 31, 1997, any branch of an out-of-state bank causes to be performed, by contract or otherwise, any bank services for itself, whether on or off its premises:

(a) that performance shall be subject to examination by the Commissioner to the same extent as if services were being performed by the bank or, after May 31, 1997, branch of the out-of-state bank itself on its own premises; and

(b) the bank or, after May 31, 1997, branch of the out-of-state bank shall notify the Commissioner of the existence of a service relationship. The notification shall be submitted with the first statement of condition (as required by Section 47 of this Act) due after the making of the service contract or the performance of the service, whichever occurs first. The Commissioner shall be notified of each subsequent contract in the same manner.

For purposes of this subsection (2.5), the term "bank services" means services such as sorting and posting of checks and deposits, computation and posting of interest and other credits and charges, preparation and mailing of checks, statements, notices, and similar items, or any other clerical, bookkeeping, accounting, statistical, or similar functions performed for a State bank, including but not limited to electronic data processing related to those bank services.

(3) The expense of administering this Act, including the expense of the examinations of State banks as provided in this Act, shall to the extent of the amounts resulting from the fees provided for in paragraphs (a), (a-2), and (b) of this subsection (3) be assessed against and borne by the State banks:

(a) Each bank shall pay to the Secretary a Call Report Fee which shall be paid in quarterly installments equal to one-fourth of the sum of the annual fixed fee of $800, plus a variable fee based on the assets shown on the quarterly statement of condition delivered to the Secretary in accordance with Section 47 for the preceding quarter according to the following schedule: 16¢ per $1,000 of the first $5,000,000 of total assets, 15¢ per $1,000 of the next $20,000,000 of total assets, 13¢ per $1,000 of the next $75,000,000 of total assets, 9¢ per $1,000 of the next $400,000,000 of total assets, 7¢ per $1,000 of the next $500,000,000 of total assets, and 5¢ per $1,000 of all assets in excess of $1,000,000,000, of the State bank. The Call Report Fee shall be calculated by the Secretary and billed to

the banks for remittance at the time of the quarterly statements of condition provided for in Section 47. The Secretary may require payment of the fees provided in this Section by an electronic transfer of funds or an automatic debit of an account of each of the State banks. In case more than one examination of any bank is deemed by the Secretary to be necessary in any examination frequency cycle specified in subsection 2(a) of this Section, and is performed at his direction, the Secretary may assess a reasonable additional fee to recover the cost of the additional examination; provided, however, that an examination conducted at the request of the State Treasurer pursuant to the Uniform Disposition of Unclaimed Property Act shall not be deemed to be an additional examination under this Section. In lieu of the method and amounts set forth in this paragraph (a) for the calculation of the Call Report Fee, the Secretary may specify by rule that the Call Report Fees provided by this Section may be assessed semiannually or some other period and may provide in the rule the formula to be used for calculating and assessing the periodic Call Report Fees to be paid by State banks.

(a-1) If in the opinion of the Commissioner an emergency exists or appears likely, the Commissioner may assign an examiner or examiners to monitor the affairs of a State bank with whatever frequency he deems appropriate, including but not limited to a daily basis. The reasonable and necessary expenses of the Commissioner during the period of the monitoring shall be borne by the subject bank. The Commissioner shall furnish the State bank a statement of time and expenses if requested to do so within 30 days of the conclusion of the monitoring period.

(a-2) On and after January 1, 1990, the reasonable and necessary expenses of the Commissioner during examination of the performance of electronic data processing services under subsection (2.5) shall be borne by the banks for which the services are provided. An amount, based upon a fee structure prescribed by the Commissioner, shall be paid by the banks or, after May 31, 1997, branches of out-of-state banks receiving the electronic data

processing services along with the Call Report Fee assessed under paragraph (a) of this subsection (3).

(a-3) After May 31, 1997, the reasonable and necessary expenses of the Commissioner during examination of the performance of electronic data processing services under subsection (2.5) at or on behalf of branches of out-of-state banks shall be borne by the out-of-state banks, unless those expenses are borne by the state regulatory authorities that chartered the out-of-state banks, as determined by cooperative agreements between the Commissioner and the state regulatory authorities that chartered the out-of-state banks.

(b) "Fiscal year" for purposes of this Section 48 is defined as a period beginning July 1 of any year and ending June 30 of the next year. The Commissioner shall receive for each fiscal year, commencing with the fiscal year ending June 30, 1987, a contingent fee equal to the lesser of the aggregate of the fees paid by all State banks under paragraph (a) of subsection (3) for that year, or the amount, if any, whereby the aggregate of the administration expenses, as defined in paragraph (c), for that fiscal year exceeds the sum of the aggregate of the fees payable by all State banks for that year under paragraph (a) of subsection (3), plus any amounts transferred into the Bank and Trust Company Fund from the State Pensions Fund for that year, plus all other amounts collected by the Commissioner for that year under any other provision of this Act, plus the aggregate of all fees collected for that year by the Commissioner under the Corporate Fiduciary Act, excluding the receivership fees provided for in Section 5-10 of the Corporate Fiduciary Act, and the Foreign Banking Office Act. The aggregate amount of the contingent fee thus arrived at for any fiscal year shall be apportioned amongst, assessed upon, and paid by the State banks and foreign banking corporations, respectively, in the same proportion that the fee of each under paragraph (a) of subsection (3), respectively, for that year bears to the aggregate for that year of the fees collected under paragraph (a) of subsection (3). The aggregate amount of the
contingent fee, and the portion thereof to be assessed upon each State bank and foreign banking corporation, respectively, shall be determined by the Commissioner and shall be paid by each, respectively, within 120 days of the close of the period for which the contingent fee is computed and is payable, and the Commissioner shall give 20 days' advance notice of the amount of the contingent fee payable by the State bank and of the date fixed by the Commissioner for payment of the fee.

(c) The "administration expenses" for any fiscal year shall mean the ordinary and contingent expenses for that year incident to making the examinations provided for by, and for otherwise administering, this Act, the Corporate Fiduciary Act, excluding the expenses paid from the Corporate Fiduciary Receivership account in the Bank and Trust Company Fund, the Foreign Banking Office Act, the Electronic Fund Transfer Act, and the Illinois Bank Examiners' Education Foundation Act, including all salaries and other compensation paid for personal services rendered for the State by officers or employees of the State, including the Commissioner and the Deputy Commissioners, communication equipment and services, office furnishings, surety bond premiums, and travel expenses of those officers and employees, employees, expenditures or charges for the acquisition, enlargement or improvement of, or for the use of, any office space, building, or structure, or expenditures for the maintenance thereof or for furnishing heat, light, or power with respect thereto, all to the extent that those expenditures are directly incidental to such examinations or administration. The Commissioner shall not be required by paragraphs (c) or (d-1) of this subsection (3) to maintain in any fiscal year's budget appropriated reserves for accrued vacation and accrued sick leave that is required to be paid to employees of the Commissioner upon termination of their service with the Commissioner in an amount that is more than is reasonably anticipated to be necessary for any anticipated turnover in employees, whether due to normal attrition or due to layoffs, terminations, or resignations.

(d) The aggregate of all fees collected by the Secretary under this Act, the Corporate Fiduciary Act, or the Foreign Banking Office Act on and after July 1, 1979, shall be paid promptly after receipt of the same, accompanied by a detailed statement thereof, into the State treasury and shall be set apart in a special fund to be known as the "Bank and Trust Company Fund", except as provided in paragraph (c) of subsection (11) of this Section. All earnings received from investments of funds in the Bank and Trust Company Fund shall be deposited in the Bank and Trust Company Fund and may be used for the same purposes as fees deposited in that Fund. The amount from time to time deposited into the Bank and Trust Company Fund shall be used: (i) to offset the ordinary administrative expenses of the Secretary as defined in this Section or (ii) as a credit against fees under paragraph (d-1) of this subsection (3). Nothing in this amendatory Act of 1979 shall prevent continuing the practice of paying expenses involving salaries, retirement, social security, and State-paid insurance premiums of State officers by appropriations from the General Revenue Fund. However, the General Revenue Fund shall be reimbursed for those payments made on and after July 1, 1979, by an annual transfer of funds from the Bank and Trust Company Fund. Moneys in the Bank and Trust Company Fund may be transferred to the Professions Indirect Cost Fund, as authorized under Section 2105-300 of the Department of Professional Regulation Law of the Civil Administrative Code of Illinois.

Notwithstanding provisions in the State Finance Act, as now or hereafter amended, or any other law to the contrary, the sum of $18,788,847 shall be transferred from the Bank and Trust Company Fund to the Financial Institutions Settlement of 2008 Fund on the effective date of this amendatory Act of the 95th General Assembly, or as soon thereafter as practical.

Notwithstanding provisions in the State Finance Act, as now or hereafter amended, or any other law to the contrary, the Governor may, during any fiscal year through

January 10, 2011, from time to time direct the State Treasurer and Comptroller to transfer a specified sum not exceeding 10% of the revenues to be deposited into the Bank and Trust Company Fund during that fiscal year from that Fund to the General Revenue Fund in order to help defray the State's operating costs for the fiscal year. Notwithstanding provisions in the State Finance Act, as now or hereafter amended, or any other law to the contrary, the total sum transferred during any fiscal year through January 10, 2011, from the Bank and Trust Company Fund to the General Revenue Fund pursuant to this provision shall not exceed during any fiscal year 10% of the revenues to be deposited into the Bank and Trust Company Fund during that fiscal year. The State Treasurer and Comptroller shall transfer the amounts designated under this Section as soon as may be practicable after receiving the direction to transfer from the Governor.

(d-1) Adequate funds shall be available in the Bank and Trust Company Fund to permit the timely payment of administration expenses. In each fiscal year the total administration expenses shall be deducted from the total fees collected by the Commissioner and the remainder transferred into the Cash Flow Reserve Account, unless the balance of the Cash Flow Reserve Account prior to the transfer equals or exceeds one-fourth of the total initial appropriations from the Bank and Trust Company Fund for the subsequent year, in which case the remainder shall be credited to State banks and foreign banking corporations and applied against their fees for the subsequent year. The amount credited to each State bank and foreign banking corporation shall be in the same proportion as the Call Report Fees paid by each for the year bear to the total Call Report Fees collected for the year. If, after a transfer to the Cash Flow Reserve Account is made or if no remainder is available for transfer, the balance of the Cash Flow Reserve Account is less than one-fourth of the total initial appropriations for the subsequent year and the amount transferred is less than 5% of the total Call Report Fees for the year, additional amounts needed to make the transfer

equal to 5% of the total Call Report Fees for the year shall be apportioned amongst, assessed upon, and paid by the State banks and foreign banking corporations in the same proportion that the Call Report Fees of each, respectively, for the year bear to the total Call Report Fees collected for the year. The additional amounts assessed shall be transferred into the Cash Flow Reserve Account. For purposes of this paragraph (d-1), the calculation of the fees collected by the Commissioner shall exclude the receivership fees provided for in Section 5-10 of the Corporate Fiduciary Act.

(e) The Commissioner may upon request certify to any public record in his keeping and shall have authority to levy a reasonable charge for issuing certifications of any public record in his keeping.

(f) In addition to fees authorized elsewhere in this Act, the Commissioner may, in connection with a review, approval, or provision of a service, levy a reasonable charge to recover the cost of the review, approval, or service.

(4) Nothing contained in this Act shall be construed to limit the obligation relative to examinations and reports of any State bank, deposits in which are to any extent insured by the United States or any agency thereof, nor to limit in any way the powers of the Commissioner with reference to examinations and reports of that bank.

(5) The nature and condition of the assets in or investment of any bonus, pension, or profit sharing plan for officers or employees of every State bank or, after May 31, 1997, branch of an out-of-state bank shall be deemed to be included in the affairs of that State bank or branch of an out-of-state bank subject to examination by the Commissioner under the provisions of subsection (2) of this Section, and if the Commissioner shall find from an examination that the condition of or operation of the investments or assets of the plan is unlawful, fraudulent, or unsafe, or that any trustee has abused his trust, the Commissioner shall, if the situation so found by the Commissioner shall not be corrected to his satisfaction within 60 days after the Commissioner has given notice to the board of directors of the State bank or out-of-state bank of his findings, report the facts to the Attorney General who

shall thereupon institute proceedings against the State bank or out-of-state bank, the board of directors thereof, or the trustees under such plan as the nature of the case may require.

(6) The Commissioner shall have the power:

(a) To promulgate reasonable rules for the purpose of administering the provisions of this Act.

(a-5) To impose conditions on any approval issued by the Commissioner if he determines that the conditions are necessary or appropriate. These conditions shall be imposed in writing and shall continue in effect for the period prescribed by the Commissioner.

(b) To issue orders against any person, if the Commissioner has reasonable cause to believe that an unsafe or unsound banking practice has occurred, is occurring, or is about to occur, if any person has violated, is violating, or is about to violate any law, rule, or written agreement with the Commissioner, or for the purpose of administering the provisions of this Act and any rule promulgated in accordance with this Act.

(b-1) To enter into agreements with a bank establishing a program to correct the condition of the bank or its practices.

(c) To appoint hearing officers to execute any of the powers granted to the Commissioner under this Section for the purpose of administering this Act and any rule promulgated in accordance with this Act and otherwise to authorize, in writing, an officer or employee of the Office of Banks and Real Estate to exercise his powers under this Act.

(d) To subpoena witnesses, to compel their attendance, to administer an oath, to examine any person under oath, and to require the production of any relevant books, papers, accounts, and documents in the course of and pursuant to any investigation being conducted, or any action being taken, by the Commissioner in respect of any matter relating to the duties imposed upon, or the powers vested in, the Commissioner under the provisions of this Act or any rule promulgated in accordance with this Act.

If, in the opinion of the Secretary, any former director, officer, employee, or agent of a State bank or any subsidiary or bank holding company of the bank, prior to the termination of his or her service with that bank or any subsidiary or bank holding company of the bank, violated any law, rule, or order relating to that State bank or any subsidiary or bank holding company of the bank, obstructed or impeded any examination or investigation by the Secretary, engaged in an unsafe or unsound practice in conducting the business of that bank or any subsidiary or bank holding company of the bank, or violated any law or engaged or participated in any unsafe or unsound practice in connection with any financial institution or other business entity such that the character and fitness of the director, officer, employee, or agent would not have assured reasonable promise of safe and sound operation of the State bank, the Secretary may issue an order prohibiting that person from further service with a bank or any subsidiary or bank holding company of the bank as a director, officer, employee, or agent. An order issued pursuant to this subsection shall be served upon the director, officer, employee, or agent. A copy of the order shall be sent to each director of the bank affected by registered mail. A copy of the order shall also be served upon the bank of which he is a director, officer, employee, or agent, whereupon he shall cease to be a director, officer, employee, or agent of that bank. (8) The Commissioner may impose civil penalties of up to $100,000 against any person for each violation of any provision of this Act, any rule promulgated in accordance with this Act, any order of the Commissioner, or any other action which in the Commissioner's discretion is an unsafe or unsound banking practice.

(9) The Commissioner may impose civil penalties of up to $100 against any person for the first failure to comply with reporting requirements set forth in the report of examination of the bank and up to $200 for the second and subsequent failures to comply with those reporting requirements.

The borrowed funds shall be paid back within 3 years and shall not exceed the total funding appropriated to the Agency in the previous year.

(14) In addition to the fees authorized in this Act, the Secretary may assess reasonable receivership fees against any State bank that does not maintain insurance with the Federal Deposit Insurance Corporation. Sec. 62. Liquidation.

New matter indicated by italics - deletions by strikeout
(1) A credit union may elect to dissolve voluntarily and liquidate its affairs in the manner prescribed in this Section.

(2) The board of directors shall adopt a resolution recommending the credit union be dissolved voluntarily, and directing that the question of liquidating be submitted to the members.

(3) Within 10 days after the board of directors decides to submit the question of liquidation to the members, the chairman or president shall notify the Secretary thereof, in writing, setting forth the reasons for the proposed action. Within 10 days after the members act on the question of liquidation, the chairman or president shall notify the Secretary, in writing, as to whether or not the members approved the proposed liquidation. The Secretary then must determine whether this Section has been complied with and if his decision is favorable, he shall prepare a certificate to the effect that this Section has been complied with, a copy of which will be retained by the Department and the other copy forwarded to the credit union. The certificate must be filed with the recorder or if there is no recorder, in the office of the county clerk of the counties in which the credit union is operating, whereupon the credit union must cease operations except for the purpose of its liquidation.

(4) As soon as the board of directors passes a resolution to submit the question of liquidation to the members, payment on shares, withdrawal of shares, making any transfer of shares to loans and interest, making investments of any kind and granting loans shall be suspended pending action by members. On approval by the members of such proposal, all such operations shall be permanently discontinued. The necessary expenses of operating shall, however, continue to be paid on authorization of the board of directors or the liquidating agent during the period of liquidation.

(5) For a credit union to enter voluntary liquidation, it must be approved by affirmative vote of the members owning a majority of the shares entitled to vote, in person or by proxy, at a regular or special meeting of the members. Notice, in writing, shall be given to each member, by first class mail, at least 10 days prior to such meeting. If liquidation is approved, the board of directors shall appoint a liquidating agent for the purpose of conserving and collecting the assets, closing the affairs of the credit union and distributing the assets as required by this Act.

(6) A liquidating credit union shall continue in existence for the purpose of discharging its debts, collecting and distributing its assets, and
doing all acts required in order to terminate its operations and may sue and
be sued for the purpose of enforcing such debts and obligations until its
affairs are fully adjusted.

(7) Subject to such rules and regulations as the Secretary may
promulgate, the liquidating agent shall use the assets of the credit union to
pay; first, expenses incidental to liquidating including any surety bond that
may be required; then, liabilities of the credit union; then special classes of
shares. The remaining assets shall then be distributed to the members
proportionately to the dollar value of the shares held by each member in
relation to the total dollar value of all shares outstanding as of the date the
dissolution was voted.

(8) As soon as the liquidating agent determines that all assets as to
which there is a reasonable expectancy of sale or transfer have been
liquidated and distributed as set forth in this Section, he shall execute a
certificate of dissolution on a form prescribed by the Department and file
the same, together with all pertinent books and records of the liquidating
credit union with the Department, whereupon such credit union shall be
dissolved. The liquidating agent must, within 3 years after issuance of a
certificate by the Secretary referred to in Subsection (3) of this Section,
discharge the debts of the credit union, collect and distribute its assets and
do all other acts required to wind up its business.

(9) If the Secretary determines that the liquidating agent has failed
to make reasonable progress in the liquidating of the credit union's affairs
and distribution of its assets or has violated this Act, the Secretary may
take possession and control of the credit union and remove the liquidating
agent and appoint a liquidating agent to complete the liquidation under his
direction and control. The Secretary shall fill any vacancy caused by the
resignation, death, illness, removal, desertion or incapacity to function of
the liquidating agent.

(10) Any funds representing unclaimed dividends and shares in
liquidation and remaining in the hands of the board of directors or the
liquidating agent at the end of the liquidation must be deposited by them,
together with all books and papers of the credit union, with the State
Treasurer in compliance with the Revised Uniform Disposition of
Unclaimed Property Act, approved August 17, 1961, as amended.

Section 17-65. The Currency Exchange Act is amended by
changing Sections 15.1b and 19.3 as follows:
(205 ILCS 405/15.1b) (from Ch. 17, par. 4827)

New matter indicated by italics - deletions by strikeout
Sec. 15.1b. Liquidation; distribution; priority. The General Assembly finds and declares that community currency exchanges provide important and vital services to Illinois citizens. The General Assembly also finds that in providing such services, community currency exchanges transact extensive business involving check cashing and the writing of money orders in communities in which banking services are generally unavailable. It is therefore declared to be the policy of this State that customers who receive these services must be protected from insolvencies of currency exchanges and interruptions of services. To carry out this policy and to insure that customers of community currency exchanges are protected in the event it is determined that a community currency exchange in receivership should be liquidated in accordance with Section 15.1a of this Act, the Secretary shall make a distribution of moneys collected by the receiver in the following order of priority: First, allowed claims for the actual necessary expenses of the receivership of the community currency exchange being liquidated, including (a) reasonable receiver fees and receiver's attorney's fees approved by the Secretary, (b) all expenses of any preliminary or other examinations into the condition of the community currency exchange or receivership, (c) all expenses incurred by the Secretary which are incident to possession and control of any property or records of the community currency exchange, and (d) reasonable expenses incurred by the Secretary as the result of business agreements or contractual arrangements necessary to insure that the services of the community currency exchanges are delivered to the community without interruption. Said business agreements or contractual arrangements may include, but are not limited to, agreements made by the Secretary, or by the Receiver with the approval of the Secretary, with banks, money order companies, bonding companies and other types of financial institutions; Second, allowed claims by a purchaser of money orders issued on demand of the community currency exchange being liquidated; Third, allowed claims arising by virtue of and to the extent of the amount a utility customer deposits with the community currency exchange being liquidated which are not remitted to the utility company; Fourth, allowed claims arising by virtue of and to the extent of the amount paid by a purchaser of Illinois license plates, vehicle stickers sold for State and municipal governments in Illinois, and temporary Illinois registration permits purchased at the currency exchange being liquidated; Fifth, allowed unsecured claims for wages or salaries, excluding vacation, severance and sick leave pay earned by employee earned within 90 days.

prior to the appointment of a Receiver; Sixth, secured claims; Seventh, allowed unsecured claims of any tax, and interest and penalty on the tax; Eighth, allowed unsecured claims other than a kind specified in paragraph one, two and three of this Section, filed with the Secretary within the time the Secretary fixes for filing claims; Ninth, allowed unsecured claims, other than a kind specified in paragraphs one, two and three of this Section filed with the Secretary after the time fixed for filing claims by the Secretary; Tenth, allowed creditor claims asserted by an owner, member, or stockholder of the community currency exchange in liquidation; Eleventh, after one year from the final dissolution of the currency exchange, all assets not used to satisfy allowed claims shall be distributed pro rata to the owner, owners, members, or stockholders of the currency exchange.

The Secretary shall pay all claims of equal priority according to the schedule set out above, and shall not pay claims of lower priority until all higher priority claims are satisfied. If insufficient assets are available to meet all claims of equal priority, those assets shall be distributed pro rata among those claims. All unclaimed assets of a currency exchange shall be deposited with the Secretary to be paid out by him when proper claims therefor are presented to the Secretary. If there are funds remaining after the conclusion of a receivership of an abandoned currency exchange, the remaining funds shall be considered unclaimed property and remitted to the State Treasurer under the Revised Uniform Disposition of Unclaimed Property Act.

(205 ILCS 405/19.3) (from Ch. 17, par. 4838)

Sec. 19.3. (A) The General Assembly hereby finds and declares: community currency exchanges and ambulatory currency exchanges provide important and vital services to Illinois citizens. In so doing, they transact extensive business involving check cashing and the writing of money orders in communities in which banking services are generally unavailable. Customers of currency exchanges who receive these services must be protected from being charged unreasonable and unconscionable rates for cashing checks and purchasing money orders. The Illinois Department of Financial and Professional Regulation has the responsibility for regulating the operations of currency exchanges and has the expertise to determine reasonable maximum rates to be charged for check cashing and money order purchases. Therefore, it is in the public interest, convenience, welfare and good to have the Department establish

reasonable maximum rate schedules for check cashing and the issuance of money orders and to require community and ambulatory currency exchanges to prominently display to the public the fees charged for all services. The Secretary shall review, each year, the cost of operation of the Currency Exchange Section and the revenue generated from currency exchange examinations and report to the General Assembly if the need exists for an increase in the fees mandated by this Act to maintain the Currency Exchange Section at a fiscally self-sufficient level. The Secretary shall include in such report the total amount of funds remitted to the State and delivered to the State Treasurer by currency exchanges pursuant to the Revised Uniform Disposition of Unclaimed Property Act.

(B) The Secretary shall, by rules adopted in accordance with the Illinois Administrative Procedure Act, expeditiously formulate and issue schedules of reasonable maximum rates which can be charged for check cashing and writing of money orders by community currency exchanges and ambulatory currency exchanges.

(1) In determining the maximum rate schedules for the purposes of this Section the Secretary shall take into account:
   
   (a) Rates charged in the past for the cashing of checks and the issuance of money orders by community and ambulatory currency exchanges.

   (b) Rates charged by banks or other business entities for rendering the same or similar services and the factors upon which those rates are based.

   (c) The income, cost and expense of the operation of currency exchanges.

   (d) Rates charged by currency exchanges or other similar entities located in other states for the same or similar services and the factors upon which those rates are based.

   (e) Rates charged by the United States Postal Service for the issuing of money orders and the factors upon which those rates are based.

   (f) A reasonable profit for a currency exchange operation.

(2)(a) The schedule of reasonable maximum rates established pursuant to this Section may be modified by the Secretary from time to time pursuant to rules adopted in accordance with the Illinois Administrative Procedure Act.

New matter indicated by italics - deletions by strikeout
(b) Upon the filing of a verified petition setting forth allegations demonstrating reasonable cause to believe that the schedule of maximum rates previously issued and promulgated should be adjusted, the Secretary shall expeditiously:

(i) reject the petition if it fails to demonstrate reasonable cause to believe that an adjustment is necessary; or

(ii) conduct such hearings, in accordance with this Section, as may be necessary to determine whether the petition should be granted in whole or in part.

(c) No petition may be filed pursuant to subparagraph (a) of paragraph (2) of subsection (B) unless:

(i) at least nine months have expired since the last promulgation of schedules of maximum rates; and

(ii) at least one-fourth of all community currency exchange licensees join in a petition or, in the case of ambulatory currency exchanges, a licensee or licensees authorized to serve at least 100 locations join in a petition.

(3) Any currency exchange may charge lower fees than those of the applicable maximum fee schedule after filing with the Secretary a schedule of fees it proposes to use.

Notwithstanding this provision, however, the amount required to be maintained may be reduced to the extent that the amount of the licensee's payment instruments outstanding in this State are reduced.

(g) If the Director at any time reasonably determines that the required bond is insecure, deficient in amount, or exhausted in whole or in part, he may in writing require the filing of a new or supplemental bond in order to secure compliance with this Act and may demand compliance with the requirement within 30 days following service on the licensee.

Sec. 15. Insurer conduct.

(a) An insurer shall initially perform a comparison of its insureds', annuitants', and retained asset account holders' in-force policies, annuity
contracts, and retained asset accounts by using the full Death Master File. The initial comparison shall be completed on or before December 31, 2017, unless extended by the Department pursuant to administrative rule. Thereafter, an insurer shall perform a comparison on at least a semi-annual basis using the Death Master File update files for comparisons to identify potential matches of its insureds, annuitants, and retained asset account holders. In the event that one of the insurer's lines of business conducts a search for matches of its insureds, annuitants, and retained asset account holders against the Death Master File at intervals more frequently than semi-annually, then all lines of the insurer's business shall conduct searches for matches against the Death Master File with the same frequency.

An insured, an annuitant, or a retained asset account holder is presumed dead if the date of his or her death is indicated by the comparison required in this subsection (a), unless the insurer has competent and substantial evidence that the person is living, including, but not limited to, a contact made by the insurer with the person or his or her legal representative.

For those potential matches identified as a result of a Death Master File match, the insurer shall within 120 days after the date of death notice, if the insurer has not been contacted by a beneficiary, determine whether benefits are due in accordance with the applicable policy or contract and, if benefits are due in accordance with the applicable policy or contract:

(2) provide the appropriate claims forms or instructions to the beneficiary or beneficiaries to make a claim, including the need to provide an official death certificate if applicable under the policy or annuity contract.

(b) Insurers shall implement procedures to account for the following when conducting searches of the Death Master File:

(3) transposition of the "month" and "date" portions of the date of birth; and  
(4) incomplete social security numbers.  
(c) To the extent permitted by law, an insurer may disclose the minimum necessary personal information about the insured, annuity owner, retained asset account holder, or beneficiary to a person whom the insurer reasonably believes may be able to assist the insurer with locating the beneficiary or a person otherwise entitled to payment of the claims proceeds.  
(d) An insurer or its service provider shall not charge any beneficiary or other authorized representative for any fees or costs associated with a Death Master File search or verification of a Death Master File match conducted pursuant to this Act.

(14) In the case of a corporation, for taxable years beginning on or after July 1, 2017 January 1, 2025, an amount equal to 7% 4.8% of the taxpayer's net income for the taxable year. The rates under this subsection (b) are subject to the provisions of Section 201.5.

(c) Personal Property Tax Replacement Income Tax. Beginning on July 1, 1979 and thereafter, in addition to such income tax, there is also hereby imposed the Personal Property Tax Replacement Income Tax measured by net income on every corporation (including Subchapter S corporations), partnership and trust, for each taxable year ending after June 30, 1979. Such taxes are imposed on the privilege of earning or receiving income in or as a resident of this State. The Personal Property Tax Replacement Income Tax shall be in addition to the income tax imposed by subsections (a) and (b) of this Section and in addition to all other occupation or privilege taxes imposed by this State or by any municipal corporation or political subdivision thereof.

(d) Additional Personal Property Tax Replacement Income Tax Rates. The personal property tax replacement income tax imposed by this subsection and subsection (c) of this Section in the case of a corporation, other than a Subchapter S corporation and except as adjusted by subsection (d-1), shall be an additional amount equal to 2.85% of such taxpayer's net income for the taxable year, except that beginning on January 1, 1981, and thereafter, the rate of 2.85% specified in this subsection shall be reduced to 2.5%, and in the case of a partnership, trust or a Subchapter S corporation shall be an additional amount equal to 1.5% of such taxpayer's net income for the taxable year.

(d-1) Rate reduction for certain foreign insurers. In the case of a foreign insurer, as defined by Section 35A-5 of the Illinois Insurance Code, whose state or country of domicile imposes on insurers domiciled in Illinois a retaliatory tax (excluding any insurer whose premiums from reinsurance assumed are 50% or more of its total insurance premiums as determined under paragraph (2) of subsection (b) of Section 304, except that for purposes of this determination premiums from reinsurance do not include premiums from inter-affiliate reinsurance arrangements), beginning with taxable years ending on or after December 31, 1999, the sum of the rates of tax imposed by subsections (b) and (d) shall be reduced.
(but not increased) to the rate at which the total amount of tax imposed under this Act, net of all credits allowed under this Act, shall equal (i) the total amount of tax that would be imposed on the foreign insurer's net income allocable to Illinois for the taxable year by such foreign insurer's state or country of domicile if that net income were subject to all income taxes and taxes measured by net income imposed by such foreign insurer's state or country of domicile, net of all credits allowed or (ii) a rate of zero if no such tax is imposed on such income by the foreign insurer's state of domicile. For the purposes of this subsection (d-1), an inter-affiliate includes a mutual insurer under common management.

(1) For the purposes of subsection (d-1), in no event shall the sum of the rates of tax imposed by subsections (b) and (d) be reduced below the rate at which the sum of:

(A) the total amount of tax imposed on such foreign insurer under this Act for a taxable year, net of all credits allowed under this Act, plus

(B) the privilege tax imposed by Section 409 of the Illinois Insurance Code, the fire insurance company tax imposed by Section 12 of the Fire Investigation Act, and the fire department taxes imposed under Section 11-10-1 of the Illinois Municipal Code,

equals 1.25% for taxable years ending prior to December 31, 2003, or 1.75% for taxable years ending on or after December 31, 2003, of the net taxable premiums written for the taxable year, as described by subsection (1) of Section 409 of the Illinois Insurance Code. This paragraph will in no event increase the rates imposed under subsections (b) and (d).

(2) Any reduction in the rates of tax imposed by this subsection shall be applied first against the rates imposed by subsection (b) and only after the tax imposed by subsection (a) net of all credits allowed under this Section other than the credit allowed under subsection (i) has been reduced to zero, against the rates imposed by subsection (d).

This subsection (d-1) is exempt from the provisions of Section 250.

(e) Investment credit. A taxpayer shall be allowed a credit against the Personal Property Tax Replacement Income Tax for investment in qualified property.

New matter indicated by italics - deletions by strikeout
(1) A taxpayer shall be allowed a credit equal to .5% of the basis of qualified property placed in service during the taxable year, provided such property is placed in service on or after July 1, 1984. There shall be allowed an additional credit equal to .5% of the basis of qualified property placed in service during the taxable year, provided such property is placed in service on or after July 1, 1986, and the taxpayer's base employment within Illinois has increased by 1% or more over the preceding year as determined by the taxpayer's employment records filed with the Illinois Department of Employment Security. Taxpayers who are new to Illinois shall be deemed to have met the 1% growth in base employment for the first year in which they file employment records with the Illinois Department of Employment Security. The provisions added to this Section by Public Act 85-1200 (and restored by Public Act 87-895) shall be construed as declaratory of existing law and not as a new enactment. If, in any year, the increase in base employment within Illinois over the preceding year is less than 1%, the additional credit shall be limited to that percentage times a fraction, the numerator of which is .5% and the denominator of which is 1%, but shall not exceed .5%. The investment credit shall not be allowed to the extent that it would reduce a taxpayer's liability in any tax year below zero, nor may any credit for qualified property be allowed for any year other than the year in which the property was placed in service in Illinois. For tax years ending on or after December 31, 1987, and on or before December 31, 1988, the credit shall be allowed for the tax year in which the property is placed in service, or, if the amount of the credit exceeds the tax liability for that year, whether it exceeds the original liability or the liability as later amended, such excess may be carried forward and applied to the tax liability of the 5 taxable years following the excess credit years if the taxpayer (i) makes investments which cause the creation of a minimum of 2,000 full-time equivalent jobs in Illinois, (ii) is located in an enterprise zone established pursuant to the Illinois Enterprise Zone Act and (iii) is certified by the Department of Commerce and Community Affairs (now Department of Commerce and Economic Opportunity) as complying with the requirements specified in clause (i) and (ii) by July 1, 1986. The Department of Commerce and Community Affairs (now Department of Commerce and Economic

Opportunity) shall notify the Department of Revenue of all such certifications immediately. For tax years ending after December 31, 1988, the credit shall be allowed for the tax year in which the property is placed in service, or, if the amount of the credit exceeds the tax liability for that year, whether it exceeds the original liability or the liability as later amended, such excess may be carried forward and applied to the tax liability of the 5 taxable years following the excess credit years. The credit shall be applied to the earliest year for which there is a liability. If there is credit from more than one tax year that is available to offset a liability, earlier credit shall be applied first.

(2) The term "qualified property" means property which:

(A) is tangible, whether new or used, including buildings and structural components of buildings and signs that are real property, but not including land or improvements to real property that are not a structural component of a building such as landscaping, sewer lines, local access roads, fencing, parking lots, and other appurtenances;

(B) is depreciable pursuant to Section 167 of the Internal Revenue Code, except that "3-year property" as defined in Section 168(c)(2)(A) of that Code is not eligible for the credit provided by this subsection (e);

(C) is acquired by purchase as defined in Section 179(d) of the Internal Revenue Code;

(D) is used in Illinois by a taxpayer who is primarily engaged in manufacturing, or in mining coal or fluorite, or in retailing, or was placed in service on or after July 1, 2006 in a River Edge Redevelopment Zone established pursuant to the River Edge Redevelopment Zone Act; and

(E) has not previously been used in Illinois in such a manner and by such a person as would qualify for the credit provided by this subsection (e) or subsection (f).

(3) For purposes of this subsection (e), "manufacturing" means the material staging and production of tangible personal property by procedures commonly regarded as manufacturing, processing, fabrication, or assembling which changes some existing material into new shapes, new qualities, or new combinations. For purposes of this subsection (e) the term
"mining" shall have the same meaning as the term "mining" in Section 613(c) of the Internal Revenue Code. For purposes of this subsection (e), the term "retailing" means the sale of tangible personal property for use or consumption and not for resale, or services rendered in conjunction with the sale of tangible personal property for use or consumption and not for resale. For purposes of this subsection (e), "tangible personal property" has the same meaning as when that term is used in the Retailers' Occupation Tax Act, and, for taxable years ending after December 31, 2008, does not include the generation, transmission, or distribution of electricity.

(4) The basis of qualified property shall be the basis used to compute the depreciation deduction for federal income tax purposes.

(5) If the basis of the property for federal income tax depreciation purposes is increased after it has been placed in service in Illinois by the taxpayer, the amount of such increase shall be deemed property placed in service on the date of such increase in basis.

(6) The term "placed in service" shall have the same meaning as under Section 46 of the Internal Revenue Code.

(7) If during any taxable year, any property ceases to be qualified property in the hands of the taxpayer within 48 months after being placed in service, or the situs of any qualified property is moved outside Illinois within 48 months after being placed in service, the Personal Property Tax Replacement Income Tax for such taxable year shall be increased. Such increase shall be determined by (i) recomputing the investment credit which would have been allowed for the year in which credit for such property was originally allowed by eliminating such property from such computation and, (ii) subtracting such recomputed credit from the amount of credit previously allowed. For the purposes of this paragraph (7), a reduction of the basis of qualified property resulting from a redetermination of the purchase price shall be deemed a disposition of qualified property to the extent of such reduction.

(8) Unless the investment credit is extended by law, the basis of qualified property shall not include costs incurred after
December 31, 2018, except for costs incurred pursuant to a binding contract entered into on or before December 31, 2018.

(9) Each taxable year ending before December 31, 2000, a partnership may elect to pass through to its partners the credits to which the partnership is entitled under this subsection (e) for the taxable year. A partner may use the credit allocated to him or her under this paragraph only against the tax imposed in subsections (c) and (d) of this Section. If the partnership makes that election, those credits shall be allocated among the partners in the partnership in accordance with the rules set forth in Section 704(b) of the Internal Revenue Code, and the rules promulgated under that Section, and the allocated amount of the credits shall be allowed to the partners for that taxable year. The partnership shall make this election on its Personal Property Tax Replacement Income Tax return for that taxable year. The election to pass through the credits shall be irrevocable.

For taxable years ending on or after December 31, 2000, a partner that qualifies its partnership for a subtraction under subparagraph (I) of paragraph (2) of subsection (d) of Section 203 or a shareholder that qualifies a Subchapter S corporation for a subtraction under subparagraph (S) of paragraph (2) of subsection (b) of Section 203 shall be allowed a credit under this subsection (e) equal to its share of the credit earned under this subsection (e) during the taxable year by the partnership or Subchapter S corporation, determined in accordance with the determination of income and distributive share of income under Sections 702 and 704 and Subchapter S of the Internal Revenue Code. This paragraph is exempt from the provisions of Section 250.

(f) Investment credit; Enterprise Zone; River Edge Redevelopment Zone.

(1) A taxpayer shall be allowed a credit against the tax imposed by subsections (a) and (b) of this Section for investment in qualified property which is placed in service in an Enterprise Zone created pursuant to the Illinois Enterprise Zone Act or, for property placed in service on or after July 1, 2006, a River Edge Redevelopment Zone established pursuant to the River Edge Redevelopment Zone Act. For partners, shareholders of Subchapter S corporations, and owners of limited liability companies, if the liability company is treated as a partnership for purposes of federal
and State income taxation, there shall be allowed a credit under this subsection (f) to be determined in accordance with the determination of income and distributive share of income under Sections 702 and 704 and Subchapter S of the Internal Revenue Code. The credit shall be .5% of the basis for such property. The credit shall be available only in the taxable year in which the property is placed in service in the Enterprise Zone or River Edge Redevelopment Zone and shall not be allowed to the extent that it would reduce a taxpayer's liability for the tax imposed by subsections (a) and (b) of this Section to below zero. For tax years ending on or after December 31, 1985, the credit shall be allowed for the tax year in which the property is placed in service, or, if the amount of the credit exceeds the tax liability for that year, whether it exceeds the original liability or the liability as later amended, such excess may be carried forward and applied to the tax liability of the 5 taxable years following the excess credit year. The credit shall be applied to the earliest year for which there is a liability. If there is credit from more than one tax year that is available to offset a liability, the credit accruing first in time shall be applied first.

(2) The term qualified property means property which:

(A) is tangible, whether new or used, including buildings and structural components of buildings;

(B) is depreciable pursuant to Section 167 of the Internal Revenue Code, except that "3-year property" as defined in Section 168(c)(2)(A) of that Code is not eligible for the credit provided by this subsection (f);

(C) is acquired by purchase as defined in Section 179(d) of the Internal Revenue Code;

(D) is used in the Enterprise Zone or River Edge Redevelopment Zone by the taxpayer; and

(E) has not been previously used in Illinois in such a manner and by such a person as would qualify for the credit provided by this subsection (f) or subsection (e).

(3) The basis of qualified property shall be the basis used to compute the depreciation deduction for federal income tax purposes.

(4) If the basis of the property for federal income tax depreciation purposes is increased after it has been placed in

service in the Enterprise Zone or River Edge Redevelopment Zone by the taxpayer, the amount of such increase shall be deemed property placed in service on the date of such increase in basis.

(5) The term "placed in service" shall have the same meaning as under Section 46 of the Internal Revenue Code.

(6) If during any taxable year, any property ceases to be qualified property in the hands of the taxpayer within 48 months after being placed in service, or the situs of any qualified property is moved outside the Enterprise Zone or River Edge Redevelopment Zone within 48 months after being placed in service, the tax imposed under subsections (a) and (b) of this Section for such taxable year shall be increased. Such increase shall be determined by (i) recomputing the investment credit which would have been allowed for the year in which credit for such property was originally allowed by eliminating such property from such computation, and (ii) subtracting such recomputed credit from the amount of credit previously allowed. For the purposes of this paragraph (6), a reduction of the basis of qualified property resulting from a redetermination of the purchase price shall be deemed a disposition of qualified property to the extent of such reduction.

(7) There shall be allowed an additional credit equal to 0.5% of the basis of qualified property placed in service during the taxable year in a River Edge Redevelopment Zone, provided such property is placed in service on or after July 1, 2006, and the taxpayer's base employment within Illinois has increased by 1% or more over the preceding year as determined by the taxpayer's employment records filed with the Illinois Department of Employment Security. Taxpayers who are new to Illinois shall be deemed to have met the 1% growth in base employment for the first year in which they file employment records with the Illinois Department of Employment Security. If, in any year, the increase in base employment within Illinois over the preceding year is less than 1%, the additional credit shall be limited to that percentage times a fraction, the numerator of which is 0.5% and the denominator of which is 1%, but shall not exceed 0.5%.

(1) Subject to subsections (b) and (b-5) of Section 5.5 of the Illinois Enterprise Zone Act, a taxpayer shall be allowed a credit against the tax imposed by subsections (a) and (b) of this Section for investment in qualified property which is placed in service by a Department of Commerce and Economic Opportunity designated High Impact Business. The credit shall be .5% of the basis for such property. The credit shall not be available (i) until the minimum investments in qualified property set forth in subdivision (a)(3)(A) of Section 5.5 of the Illinois Enterprise Zone Act have been satisfied or (ii) until the time authorized in subsection (b-5) of the Illinois Enterprise Zone Act for entities designated as High Impact Businesses under subdivisions (a)(3)(B), (a)(3)(C), and (a)(3)(D) of Section 5.5 of the Illinois Enterprise Zone Act, and shall not be allowed to the extent that it would reduce a taxpayer's liability for the tax imposed by subsections (a) and (b) of this Section to below zero. The credit applicable to such investments shall be taken in the taxable year in which such investments have been completed. The credit for additional investments beyond the minimum investment by a designated high impact business authorized under subdivision (a)(3)(A) of Section 5.5 of the Illinois Enterprise Zone Act shall be available only in the taxable year in which the property is placed in service and shall not be allowed to the extent that it would reduce a taxpayer's liability for the tax imposed by subsections (a) and (b) of this Section to below zero. For tax years ending on or after December 31, 1987, the credit shall be allowed for the tax year in which the property is placed in service, or, if the amount of the credit exceeds the tax liability for that year, whether it exceeds the original liability or the liability as later amended, such excess may be carried forward and applied to the tax liability of the 5 taxable years following the excess credit year. The credit shall be applied to the earliest year for which there is a liability. If there is credit from more than one tax year that is available to offset a liability, the credit accruing first in time shall be applied first.

Changes made in this subdivision (h)(1) by Public Act 88-670 restore changes made by Public Act 85-1182 and reflect existing law.

(2) The term qualified property means property which:

(C) is acquired by purchase as defined in Section 179(d) of the Internal Revenue Code; and

(D) is not eligible for the Enterprise Zone Investment Credit provided by subsection (f) of this Section.

(3) The basis of qualified property shall be the basis used to compute the depreciation deduction for federal income tax purposes.

(4) If the basis of the property for federal income tax depreciation purposes is increased after it has been placed in service in a federally designated Foreign Trade Zone or Sub-Zone located in Illinois by the taxpayer, the amount of such increase shall be deemed property placed in service on the date of such increase in basis.

(5) The term "placed in service" shall have the same meaning as under Section 46 of the Internal Revenue Code.

(6) If during any taxable year ending on or before December 31, 1996, any property ceases to be qualified property in the hands of the taxpayer within 48 months after being placed in service, or the situs of any qualified property is moved outside Illinois within 48 months after being placed in service, the tax imposed under subsections (a) and (b) of this Section for such taxable year shall be increased. Such increase shall be determined by (i) recomputing the investment credit which would have been allowed for the year in which credit for such property was originally allowed by eliminating such property from such computation, and (ii) subtracting such recomputed credit from the amount of credit previously allowed. (7) Beginning with tax years ending after December 31, 1996, if a taxpayer qualifies for the credit under this subsection (h) and thereby is granted a tax abatement and the taxpayer relocates its entire facility in violation of the explicit terms and length of the contract under Section 18-183 of the Property Tax Code, the tax imposed under subsections (a) and (b) of this Section shall be increased for the taxable year in which the taxpayer relocated its facility by an amount equal to the amount of credit received by the taxpayer under this subsection (h).

(i) Credit for Personal Property Tax Replacement Income Tax. For tax years ending prior to December 31, 2003, a credit shall be allowed against the tax imposed by subsections (a) and (b) of this Section for the tax imposed by subsections (c) and (d) of this Section. This credit shall be computed by multiplying the tax imposed by subsections (c) and (d) of this Section by a fraction, the numerator of which is base income allocable to Illinois and the denominator of which is Illinois base income, and further multiplying the product by the tax rate imposed by subsections (a) and (b) of this Section.

Any credit earned on or after December 31, 1986 under this subsection which is unused in the year the credit is computed because it exceeds the tax liability imposed by subsections (a) and (b) for that year (whether it exceeds the original liability or the liability as later amended) may be carried forward and applied to the tax liability imposed by subsections (a) and (b) of the 5 taxable years following the excess credit year, provided that no credit may be carried forward to any year ending on or after December 31, 2003. This credit shall be applied first to the earliest year for which there is a liability. If there is a credit under this subsection from more than one tax year that is available to offset a liability the earliest credit arising under this subsection shall be applied first.

If, during any taxable year ending on or after December 31, 1986, the tax imposed by subsections (c) and (d) of this Section for which a taxpayer has claimed a credit under this subsection (i) is reduced, the amount of credit for such tax shall also be reduced. Such reduction shall be determined by recomputing the credit to take into account the reduced tax imposed by subsections (c) and (d). If any portion of the reduced amount of credit has been carried to a different taxable year, an amended return shall be filed for such taxable year to reduce the amount of credit claimed.

(j) Training expense credit. Beginning with tax years ending on or after December 31, 1986 and prior to December 31, 2003, a taxpayer shall be allowed a credit against the tax imposed by subsections (a) and (b) under this Section for all amounts paid or accrued, on behalf of all persons employed by the taxpayer in Illinois or Illinois residents employed outside of Illinois by a taxpayer, for educational or vocational training in semi-technical or technical fields or semi-skilled or skilled fields, which were deducted from gross income in the computation of taxable income. The credit against the tax imposed by subsections (a) and (b) shall be 1.6% of such training expenses. For partners, shareholders of subchapter S corporations, and owners of limited liability companies, if the liability company is treated as a partnership for purposes of federal and State income taxation, there shall be allowed a credit under this subsection (j) to be determined in accordance with the determination of income and distributive share of income under Sections 702 and 704 and subchapter S of the Internal Revenue Code.

Any credit allowed under this subsection which is unused in the year the credit is earned may be carried forward to each of the 5 taxable years following the year for which the credit is first computed until it is used. This credit shall be applied first to the earliest year for which there is a liability. If there is a credit under this subsection from more than one tax year that is available to offset a liability the earliest credit arising under this subsection shall be applied first. No carryforward credit may be claimed in any tax year ending on or after December 31, 2003.

(k) Research and development credit. For tax years ending after July 1, 1990 and prior to December 31, 2003, and beginning again for tax years ending on or after December 31, 2004, and ending prior to January 1, 2016, a taxpayer shall be allowed a credit against the tax imposed by subsections (a) and (b) of this Section for increasing research activities in this State. The credit allowed against the tax imposed by subsections (a) and (b) shall be equal to 6 1/2% of the qualifying expenditures for increasing research activities in this State. For partners, shareholders of subchapter S corporations, and owners of limited liability companies, if the liability company is treated as a partnership for purposes of federal and State income taxation, there shall be allowed a credit under this subsection to be determined in accordance with the determination of income and distributive share of income under Sections 702 and 704 and subchapter S of the Internal Revenue Code.

For purposes of this subsection, "qualifying expenditures" means the qualifying expenditures as defined for the federal credit for increasing research activities which would be allowable under Section 41 of the Internal Revenue Code and which are conducted in this State, "qualifying expenditures for increasing research activities in this State" means the excess of qualifying expenditures for the taxable year in which incurred over qualifying expenditures for the base period, "qualifying expenditures for the base period" means the average of the qualifying expenditures for each year in the base period, and "base period" means the 3 taxable years immediately preceding the taxable year for which the determination is being made.

Any credit in excess of the tax liability for the taxable year may be carried forward. A taxpayer may elect to have the unused credit shown on its final completed return carried over as a credit against the tax liability for the following 5 taxable years or until it has been fully used, whichever occurs first; provided that no credit earned in a tax year ending prior to December 31, 2003 may be carried forward to any year ending on or after December 31, 2003.

If an unused credit is carried forward to a given year from 2 or more earlier years, that credit arising in the earliest year will be applied first against the tax liability for the given year. If a tax liability for the given year still remains, the credit from the next earliest year will then be applied, and so on, until all credits have been used or no tax liability for the given year remains. Any remaining unused credit or credits then will be carried forward to the next following year in which a tax liability is incurred, except that no credit can be carried forward to a year which is more than 5 years after the year in which the expense for which the credit is given was incurred.

No inference shall be drawn from this amendatory Act of the 91st General Assembly in construing this Section for taxable years beginning before January 1, 1999.

It is the intent of the General Assembly that the research and development credit under this subsection (k) shall apply continuously for all tax years ending on or after December 31, 2004 and ending prior to January 1, 2022, including, but not limited to, the period beginning on January 1, 2016 and ending on the effective date of this amendatory Act of the 100th General Assembly. All actions taken in reliance on the continuation of the credit under this subsection (k) by any taxpayer are hereby validated.

(l) Environmental Remediation Tax Credit.

(i) For tax years ending after December 31, 1997 and on or before December 31, 2001, a taxpayer shall be allowed a credit against the tax imposed by subsections (a) and (b) of this Section for certain amounts paid for unreimbursed eligible remediation costs, as specified in this subsection. For purposes of this Section, "unreimbursed eligible remediation costs" means costs approved by the Illinois Environmental Protection Agency ("Agency") under Section 58.14 of the Environmental Protection Act that were paid in performing environmental remediation at a site for which a No Further Remediation Letter was issued by the Agency and recorded under Section 58.10 of the Environmental Protection Act. The credit must be claimed for the taxable year in which Agency approval of the eligible remediation costs is granted. The credit is not available to any taxpayer if the taxpayer or any related party caused or contributed to, in any material respect, a release of regulated substances on, in, or under the site that was identified and addressed by the remedial action pursuant to the Site Remediation Program of the Environmental Protection Act. After the Pollution Control Board rules are adopted pursuant to the Illinois Administrative Procedure Act for the administration and enforcement of Section 58.9 of the Environmental Protection Act, determinations as to credit availability for purposes of this Section shall be made consistent with those rules. For purposes of this Section, "taxpayer" includes a person whose tax attributes the taxpayer has succeeded to under Section 381 of the Internal Revenue Code and "related party" includes the persons disallowed a deduction for losses by paragraphs (b), (c), and (f)(1) of Section 267 of the Internal Revenue Code by virtue of being a related taxpayer, as well as any of its partners. The credit allowed against the tax imposed by subsections (a) and (b) shall be equal to 25% of the unreimbursed eligible remediation costs in excess of $100,000 per site, except that the $100,000 threshold shall not apply to any site contained in an enterprise zone as determined by the Department of Commerce and Community Affairs (now Department of Commerce and Economic Opportunity). The total credit allowed shall not exceed $40,000 per year with a maximum total of $150,000 per site. For partners and shareholders of subchapter S corporations, there shall be allowed a credit under
this subsection to be determined in accordance with the determination of income and distributive share of income under Sections 702 and 704 and subchapter S of the Internal Revenue Code.

(ii) A credit allowed under this subsection that is unused in the year the credit is earned may be carried forward to each of the 5 taxable years following the year for which the credit is first earned until it is used. The term "unused credit" does not include any amounts of unreimbursed eligible remediation costs in excess of the maximum credit per site authorized under paragraph (i). This credit shall be applied first to the earliest year for which there is a liability. If there is a credit under this subsection from more than one tax year that is available to offset a liability, the earliest credit arising under this subsection shall be applied first. A credit allowed under this subsection may be sold to a buyer as part of a sale of all or part of the remediation site for which the credit was granted. The purchaser of a remediation site and the tax credit shall succeed to the unused credit and remaining carry-forward period of the seller. To perfect the transfer, the assignor shall record the transfer in the chain of title for the site and provide written notice to the Director of the Illinois Department of Revenue of the assignor's intent to sell the remediation site and the amount of the tax credit to be transferred as a portion of the sale. In no event may a credit be transferred to any taxpayer if the taxpayer or a related party would not be eligible under the provisions of subsection (i).

(iii) For purposes of this Section, the term "site" shall have the same meaning as under Section 58.2 of the Environmental Protection Act.

(m) Education expense credit. Beginning with tax years ending after December 31, 1999, a taxpayer who is the custodian of one or more qualifying pupils shall be allowed a credit against the tax imposed by subsections (a) and (b) of this Section for qualified education expenses incurred on behalf of the qualifying pupils. The credit shall be equal to 25% of qualified education expenses, but in no event may the total credit under this subsection claimed by a family that is the custodian of qualifying pupils exceed (i) $500 for tax years ending prior to December 31, 2017, and (ii) $750 for tax years ending on or after December 31, 2017. In no event shall a credit under this subsection reduce the taxpayer's liability under this Act to less than zero. Notwithstanding any other

provision of law, for taxable years beginning on or after January 1, 2017, no taxpayer may claim a credit under this subsection (m) if the taxpayer's adjusted gross income for the taxable year exceeds (i) $500,000, in the case of spouses filing a joint federal tax return or (ii) $250,000, in the case of all other taxpayers. This subsection is exempt from the provisions of Section 250 of this Act.

For purposes of this subsection:
"Qualifying pupils" means individuals who (i) are residents of the State of Illinois, (ii) are under the age of 21 at the close of the school year for which a credit is sought, and (iii) during the school year for which a credit is sought were full-time pupils enrolled in a kindergarten through twelfth grade education program at any school, as defined in this subsection.

"Qualified education expense" means the amount incurred on behalf of a qualifying pupil in excess of $250 for tuition, book fees, and lab fees at the school in which the pupil is enrolled during the regular school year.

"School" means any public or nonpublic elementary or secondary school in Illinois that is in compliance with Title VI of the Civil Rights Act of 1964 and attendance at which satisfies the requirements of Section 26-1 of the School Code, except that nothing shall be construed to require a child to attend any particular public or nonpublic school to qualify for the credit under this Section.

"Custodian" means, with respect to qualifying pupils, an Illinois resident who is a parent, the parents, a legal guardian, or the legal guardians of the qualifying pupils.

(n) River Edge Redevelopment Zone site remediation tax credit.

(i) For tax years ending on or after December 31, 2006, a taxpayer shall be allowed a credit against the tax imposed by subsections (a) and (b) of this Section for certain amounts paid for unreimbursed eligible remediation costs, as specified in this subsection. For purposes of this Section, "unreimbursed eligible remediation costs" means costs approved by the Illinois Environmental Protection Agency ("Agency") under Section 58.14a of the Environmental Protection Act that were paid in performing environmental remediation at a site within a River Edge Redevelopment Zone for which a No Further Remediation Letter was issued by the Agency and recorded under Section 58.10 of the Environmental Protection Act. The credit must be claimed...
for the taxable year in which Agency approval of the eligible remediation costs is granted. The credit is not available to any taxpayer if the taxpayer or any related party caused or contributed to, in any material respect, a release of regulated substances on, in, or under the site that was identified and addressed by the remedial action pursuant to the Site Remediation Program of the Environmental Protection Act. Determinations as to credit availability for purposes of this Section shall be made consistent with rules adopted by the Pollution Control Board pursuant to the Illinois Administrative Procedure Act for the administration and enforcement of Section 58.9 of the Environmental Protection Act. For purposes of this Section, "taxpayer" includes a person whose tax attributes the taxpayer has succeeded to under Section 381 of the Internal Revenue Code and "related party" includes the persons disallowed a deduction for losses by paragraphs (b), (c), and (f)(1) of Section 267 of the Internal Revenue Code by virtue of being a related taxpayer, as well as any of its partners. The credit allowed against the tax imposed by subsections (a) and (b) shall be equal to 25% of the unreimbursed eligible remediation costs in excess of $100,000 per site.

(ii) A credit allowed under this subsection that is unused in the year the credit is earned may be carried forward to each of the 5 taxable years following the year for which the credit is first earned until it is used. This credit shall be applied first to the earliest year for which there is a liability. If there is a credit under this subsection from more than one tax year that is available to offset a liability, the earliest credit arising under this subsection shall be applied first. A credit allowed under this subsection may be sold to a buyer as part of a sale of all or part of the remediation site for which the credit was granted. The purchaser of a remediation site and the tax credit shall succeed to the unused credit and remaining carry-forward period of the seller. To perfect the transfer, the assignor shall record the transfer in the chain of title for the site and provide written notice to the Director of the Illinois Department of Revenue of the assignor's intent to sell the remediation site and the amount of the tax credit to be transferred as a portion of the sale. In no event may a credit be transferred to any taxpayer if the taxpayer or a related party would not be eligible under the provisions of subsection (i).

(o) For each of taxable years during the Compassionate Use of Medical Cannabis Pilot Program, a surcharge is imposed on all taxpayers on income arising from the sale or exchange of capital assets, depreciable business property, real property used in the trade or business, and Section 197 intangibles of an organization registrant under the Compassionate Use of Medical Cannabis Pilot Program Act. The amount of the surcharge is equal to the amount of federal income tax liability for the taxable year attributable to those sales and exchanges. The surcharge imposed does not apply if:

   (G) the transfer or sale to or by one person to another person where both persons were initial owners of the registration when the registration was issued; or

Sec. 202.5. Net income attributable to the period beginning prior to the first day of a month and ending after the last day of the preceding month January 1 of any year and ending after December 31 of the preceding year.

(a) In general. With respect to the taxable year of a taxpayer beginning prior to the first day of a month and ending after the last day of the preceding month January 1 of any year and ending after December 31 of the preceding year, net income for the period after the last day of the preceding month December 31 of the preceding year, is that amount that bears the same ratio to the taxpayer's net income for the entire taxable year as the number of days in that taxable year after the last day of the preceding month December 31 bears to the total number of days in that taxable year, and the net income for the period prior to the first day of the month January 1 is that amount that bears the same ratio to the taxpayer's net income for the entire taxable year as the number of days in that taxable year prior to the first day of the month January 1 bears to the total number of days in that taxable year.

(b) Election to attribute income and deduction items specifically to the respective portions of a taxable year prior to the first day of a month and ending after the last day of the preceding month January 1 of any year and after December 31 of the preceding year. In the case of a taxpayer with a taxable year beginning prior to the first day of a month and ending after the last day of the preceding month January 1 of any year and ending after December 31 of the preceding year, the taxpayer may elect, instead of the procedure established in subsection (a) of this Section, to determine net income on a specific accounting basis for the 2 portions of the taxable year:

(1) from the beginning of the taxable year through the last day of that apportionment period December 31; and

(2) from the first day of the next apportionment period January 1 through the end of the taxable year.

The election provided by this subsection must be made in the form and manner that the Department requires by rule, and must be made no

later than the due date (including any extensions thereof) for the filing of the return for the taxable year, and is irrevocable.

(c) If the taxpayer elects specific accounting under subsection (b):

(1) there shall be taken into account in computing base income for each of the 2 portions of the taxable year only those items earned, received, paid, incurred or accrued in each such period;

(2) for purposes of apportioning business income of the taxpayer, the provisions in Article 3 shall be applied on the basis of the taxpayer's full taxable year, without regard to this Section;

(3) the exemption provided by Section 204 shall be divided between the respective periods in amounts which bear the same ratio to the total exemption allowable under Section 204 (determined without regard to this Section) as the total number of days in each period bears to the total number of days in the taxable year;

(4) for purposes of this subsection, net income may not be negative for either of the two portions of the taxable year and positive for the other; if net income for one portion of the taxable year would be positive and net income for the other portion would otherwise be negative, the net income for the entire taxable year shall be attributed to the portion of the taxable year with positive net income and the net income for the other portion of the taxable year shall be zero; and

(5) the net loss carryforward deduction for the taxable year under Section 207 may not exceed combined net income of both portions of the taxable year, and shall be used against the net income of the portion of the taxable year from the beginning of the taxable year through the last day of the preceding month December 31 before any remaining amount is used against the net income of the latter portion of the taxable year.

Sec. 203. Base income defined.
(a) Individuals.

(1) In general. In the case of an individual, base income means an amount equal to the taxpayer's adjusted gross income for the taxable year as modified by paragraph (2).
(2) Modifications. The adjusted gross income referred to in paragraph (1) shall be modified by adding thereto the sum of the following amounts:

(A) An amount equal to all amounts paid or accrued to the taxpayer as interest or dividends during the taxable year to the extent excluded from gross income in the computation of adjusted gross income, except stock dividends of qualified public utilities described in Section 305(e) of the Internal Revenue Code;

(B) An amount equal to the amount of tax imposed by this Act to the extent deducted from gross income in the computation of adjusted gross income for the taxable year;

(C) An amount equal to the amount received during the taxable year as a recovery or refund of real property taxes paid with respect to the taxpayer's principal residence under the Revenue Act of 1939 and for which a deduction was previously taken under subparagraph (L) of this paragraph (2) prior to July 1, 1991, the retrospective application date of Article 4 of Public Act 87-17. In the case of multi-unit or multi-use structures and farm dwellings, the taxes on the taxpayer's principal residence shall be that portion of the total taxes for the entire property which is attributable to such principal residence;

(D) An amount equal to the amount of the capital gain deduction allowable under the Internal Revenue Code, to the extent deducted from gross income in the computation of adjusted gross income;

(D-5) An amount, to the extent not included in adjusted gross income, equal to the amount of money withdrawn by the taxpayer in the taxable year from a medical care savings account and the interest earned on the account in the taxable year of a withdrawal pursuant to subsection (b) of Section 20 of the Medical Care Savings Account Act or subsection (b) of Section 20 of the Medical Care Savings Account Act of 2000;

(D-10) For taxable years ending after December 31, 1997, an amount equal to any eligible remediation costs that the individual deducted in computing adjusted gross income.
income and for which the individual claims a credit under subsection (l) of Section 201;

(D-15) For taxable years 2001 and thereafter, an amount equal to the bonus depreciation deduction taken on the taxpayer's federal income tax return for the taxable year under subsection (k) of Section 168 of the Internal Revenue Code;

(D-16) If the taxpayer sells, transfers, abandons, or otherwise disposes of property for which the taxpayer was required in any taxable year to make an addition modification under subparagraph (D-15), then an amount equal to the aggregate amount of the deductions taken in all taxable years under subparagraph (Z) with respect to that property.

If the taxpayer continues to own property through the last day of the last tax year for which the taxpayer may claim a depreciation deduction for federal income tax purposes and for which the taxpayer was allowed in any taxable year to make a subtraction modification under subparagraph (Z), then an amount equal to that subtraction modification.

The taxpayer is required to make the addition modification under this subparagraph only once with respect to any one piece of property;

(D-17) An amount equal to the amount otherwise allowed as a deduction in computing base income for interest paid, accrued, or incurred, directly or indirectly, (i) for taxable years ending on or after December 31, 2004, to a foreign person who would be a member of the same unitary business group but for the fact that foreign person's business activity outside the United States is 80% or more of the foreign person's total business activity and (ii) for taxable years ending on or after December 31, 2008, to a person who would be a member of the same unitary business group but for the fact that the person is prohibited under Section 1501(a)(27) from being included in the unitary business group because he or she is ordinarily required to apportion business income under different subsections of Section 304. The addition modification
required by this subparagraph shall be reduced to the extent that dividends were included in base income of the unitary group for the same taxable year and received by the taxpayer or by a member of the taxpayer's unitary business group (including amounts included in gross income under Sections 951 through 964 of the Internal Revenue Code and amounts included in gross income under Section 78 of the Internal Revenue Code) with respect to the stock of the same person to whom the interest was paid, accrued, or incurred.

This paragraph shall not apply to the following:

(i) an item of interest paid, accrued, or incurred, directly or indirectly, to a person who is subject in a foreign country or state, other than a state which requires mandatory unitary reporting, to a tax on or measured by net income with respect to such interest; or

(ii) an item of interest paid, accrued, or incurred, directly or indirectly, to a person if the taxpayer can establish, based on a preponderance of the evidence, both of the following:

(a) the person, during the same taxable year, paid, accrued, or incurred, the interest to a person that is not a related member, and

(b) the transaction giving rise to the interest expense between the taxpayer and the person did not have as a principal purpose the avoidance of Illinois income tax, and is paid pursuant to a contract or agreement that reflects an arm's-length interest rate and terms; or

(iii) the taxpayer can establish, based on clear and convincing evidence, that the interest paid, accrued, or incurred relates to a contract or agreement entered into at arm's-length rates and terms and the principal purpose for the payment is not federal or Illinois tax avoidance; or

(iv) an item of interest paid, accrued, or incurred, directly or indirectly, to a person if the taxpayer establishes by clear and convincing evidence that the adjustments are unreasonable; or if the taxpayer and the Director agree in writing to the application or use of an alternative method of apportionment under Section 304(f).

Nothing in this subsection shall preclude the Director from making any other adjustment otherwise allowed under Section 404 of this Act for any tax year beginning after the effective date of this amendment provided such adjustment is made pursuant to regulation adopted by the Department and such regulations provide methods and standards by which the Department will utilize its authority under Section 404 of this Act;

(D-18) An amount equal to the amount of intangible expenses and costs otherwise allowed as a deduction in computing base income, and that were paid, accrued, or incurred, directly or indirectly, (i) for taxable years ending on or after December 31, 2004, to a foreign person who would be a member of the same unitary business group but for the fact that the foreign person's business activity outside the United States is 80% or more of that person's total business activity and (ii) for taxable years ending on or after December 31, 2008, to a person who would be a member of the same unitary business group but for the fact that the person is prohibited under Section 1501(a)(27) from being included in the unitary business group because he or she is ordinarily required to apportion business income under different subsections of Section 304. Code) with respect to the stock of the same person to whom the intangible expenses and costs were directly or indirectly paid, incurred, or accrued. The preceding sentence does not apply to the extent that the same dividends caused a reduction to the addition modification required under Section 203(a)(2)(D-17) of this Act. As used in this subparagraph, the term "intangible expenses and costs" includes (1) expenses, losses, and costs for, or related to, the direct or indirect acquisition, use, maintenance or management, ownership, sale, exchange, or any other disposition of intangible property; (2) losses incurred, directly or indirectly, from factoring transactions or discounting transactions; (3) royalty, patent, technical, and copyright fees; (4) licensing fees; and (5) other similar expenses and costs. For purposes of this subparagraph, "intangible property" includes patents, patent applications, trade names, trademarks, service marks, copyrights, mask works, trade secrets, and similar types of intangible assets.

This paragraph shall not apply to the following:

(i) any item of intangible expenses or costs paid, accrued, or incurred, directly or indirectly, from a transaction with a person who is subject in a foreign country or state, other than a state which requires mandatory unitary reporting, to a tax on or measured by net income with respect to such item; or

(ii) any item of intangible expense or cost paid, accrued, or incurred, directly or indirectly, if the taxpayer can establish, based on a preponderance of the evidence, both of the following:

(a) the person during the same taxable year paid, accrued, or incurred, the intangible expense or cost to a person that is not a related member, and

(iii) any item of intangible expense or cost paid, accrued, or incurred, directly or indirectly, from a transaction with a person if the taxpayer establishes by clear and convincing evidence, that the adjustments are unreasonable; or if the taxpayer and the Director agree in writing to the application or use of an alternative method of apportionment under Section 304(f);

Nothing in this subsection shall preclude the Director from making any other adjustment otherwise allowed under Section 404 of this Act for any tax year beginning after the effective date of this amendment provided such adjustment is made pursuant to regulation adopted by the Department and such regulations provide methods and standards by which the Department will utilize its authority under Section 404 of this Act;

(D-19) For taxable years ending on or after December 31, 2008, an amount equal to the amount of insurance premium expenses and costs otherwise allowed as a deduction in computing base income, and that were paid, accrued, or incurred, directly or indirectly, to a person who would be a member of the same unitary business group but for the fact that the person is prohibited under Section 1501(a)(27) from being included in the unitary business group because he or she is ordinarily required to apportion business income under different subsections of Section 304. The addition modification required by this subparagraph shall be reduced to the extent that dividends were included in base income of the unitary group for the same taxable year and received by the taxpayer or by a member of the taxpayer's unitary business group (including amounts included in gross income under Sections 951 through 964 of the Internal Revenue Code and amounts included in gross income under Section 78 of the Internal Revenue Code) with respect to the stock of the same person to whom

the premiums and costs were directly or indirectly paid, incurred, or accrued. The preceding sentence does not apply to the extent that the same dividends caused a reduction to the addition modification required under Section 203(a)(2)(D-17) or Section 203(a)(2)(D-18) of this Act.

(D-20) For taxable years beginning on or after January 1, 2002 and ending on or before December 31, 2006, in the case of a distribution from a qualified tuition program under Section 529 of the Internal Revenue Code, other than (i) a distribution from a College Savings Pool created under Section 16.5 of the State Treasurer Act or (ii) a distribution from the Illinois Prepaid Tuition Trust Fund, an amount equal to the amount excluded from gross income under Section 529(c)(3)(B). For taxable years beginning on or after January 1, 2007, in the case of a distribution from a qualified tuition program under Section 529 of the Internal Revenue Code, other than (i) a distribution from a College Savings Pool created under Section 16.5 of the State Treasurer Act, (ii) a distribution from the Illinois Prepaid Tuition Trust Fund, or (iii) a distribution from a qualified tuition program under Section 529 of the Internal Revenue Code that (I) adopts and determines that its offering materials comply with the College Savings Plans Network's disclosure principles and (II) has made reasonable efforts to inform in-state residents of the existence of in-state qualified tuition programs by informing Illinois residents directly and, where applicable, to inform financial intermediaries distributing the program to inform in-state residents of the existence of in-state qualified tuition programs at least annually, an amount equal to the amount excluded from gross income under Section 529(c)(3)(B).

For the purposes of this subparagraph (D-20), a qualified tuition program has made reasonable efforts if it makes disclosures (which may use the term "in-state program" or "in-state plan" and need not specifically refer to Illinois or its qualified programs by name) (i) directly to prospective participants in its offering materials or makes a public disclosure, such as a website posting; and (ii) where applicable, to intermediaries selling the out-of-state

Nothing in this subsection shall preclude the Director from making any other adjustment otherwise allowed under Section 404 of this Act for any tax year beginning after the effective date of this amendment provided such adjustment is made pursuant to regulation adopted by the Department and such regulations provide methods and standards by which the Department will utilize its authority under Section 404 of this Act;

The aggregate amount deducted under this subparagraph in all taxable years for any one piece of property may not exceed the amount of the bonus depreciation deduction taken on that property on the taxpayer's federal income tax return under subsection (k) of Section 168 of the Internal Revenue Code. This subparagraph (R) is exempt from the provisions of Section 250;

The taxpayer is allowed to take the deduction under this subparagraph only once with respect to any one piece of property.

This subparagraph (W) is exempt from Section 250;

If a taxpayer makes the election provided for by this subparagraph (Y), the insurer to which the premiums were paid must add back to income the amount subtracted by the taxpayer pursuant to this subparagraph (Y). This subparagraph (Y) is exempt from the provisions of Section 250.

(3) Limitation. If the taxpayer continues to own property through the last day of the last tax year for which the taxpayer may claim a depreciation deduction for federal income tax purposes and for which the taxpayer was allowed in any taxable year to make a subtraction modification under subparagraph (O), then an amount equal to that subtraction modification.

The taxpayer is required to make the addition modification under this subparagraph only once with respect to any one piece of property;

(D-7) An amount equal to the amount otherwise allowed as a deduction in computing base income for interest paid, accrued, or incurred, directly or indirectly, (i)
for taxable years ending on or after December 31, 2004, to a foreign person who would be a member of the same unitary business group but for the fact the foreign person's business activity outside the United States is 80% or more of the foreign person's total business activity and (ii) for taxable years ending on or after December 31, 2008, to a person who would be a member of the same unitary business group but for the fact that the person is prohibited under Section 1501(a)(27) from being included in the unitary business group because he or she is ordinarily required to apportion business income under different subsections of Section 304. The addition modification required by this subparagraph shall be reduced to the extent that dividends were included in base income of the unitary group for the same taxable year and received by the taxpayer or by a member of the taxpayer's unitary business group (including amounts included in gross income pursuant to Sections 951 through 964 of the Internal Revenue Code and amounts included in gross income under Section 78 of the Internal Revenue Code) with respect to the stock of the same person to whom the interest was paid, accrued, or incurred.

This paragraph shall not apply to the following:

(b) the transaction giving rise to the interest expense between the taxpayer and

the person did not have as a principal purpose the avoidance of Illinois income tax, and is paid pursuant to a contract or agreement that reflects an arm's-length interest rate and terms; or

(iv) an item of interest paid, accrued, or incurred, directly or indirectly, to a person if the taxpayer establishes by clear and convincing evidence that the adjustments are unreasonable; or if the taxpayer and the Director agree in writing to the application or use of an alternative method of apportionment under Section 304(f).

The preceding sentence shall not apply to the extent that the same dividends caused a reduction to the addition modification required under Section 203(d)(2)(D-7) of this Act. As used in this subparagraph, the term "intangible expenses and costs" includes (1) expenses, losses, and costs for, or related to, the direct or indirect acquisition, use, maintenance or management, ownership, sale, exchange, or any other disposition of intangible property; (2) losses incurred, directly or indirectly, from factoring transactions or discounting transactions; (3) royalty, patent, technical, and copyright fees; (4) licensing fees; and (5) other similar expenses and costs. (e) Gross income; adjusted gross income; taxable income.

(1) In general. Subject to the provisions of paragraph (2) and subsection (b) (3), for purposes of this Section and Section 803(e), a taxpayer's gross income, adjusted gross income, or taxable income for the taxable year shall mean the amount of gross income, adjusted gross income or taxable income properly reportable for federal income tax purposes for the taxable year under the provisions of the Internal Revenue Code. Taxable income may be less than zero. However, for taxable years ending on or after December 31, 1986, net operating loss carryforwards from taxable years ending prior to December 31, 1986, may not exceed the sum of federal taxable income for the taxable year before net operating loss deduction, plus the excess of addition modifications over subtraction modifications for the taxable year. For taxable years ending prior to December 31, 1986, taxable income may never be an amount in excess of the net operating loss for the taxable year as defined in subsections (c) and (d) of Section 172 of the Internal Revenue Code, provided that when taxable income of a corporation (other than a Subchapter S corporation),
trust, or estate is less than zero and addition modifications, other than those provided by subparagraph (E) of paragraph (2) of subsection (b) for corporations or subparagraph (E) of paragraph (2) of subsection (c) for trusts and estates, exceed subtraction modifications, an addition modification must be made under those subparagraphs for any other taxable year to which the taxable income less than zero (net operating loss) is applied under Section 172 of the Internal Revenue Code or under subparagraph (E) of paragraph (2) of this subsection (e) applied in conjunction with Section 172 of the Internal Revenue Code.

(2) Special rule. For purposes of paragraph (1) of this subsection, the taxable income properly reportable for federal income tax purposes shall mean:

(A) Certain life insurance companies. In the case of a life insurance company subject to the tax imposed by Section 801 of the Internal Revenue Code, life insurance company taxable income, plus the amount of distribution from pre-1984 policyholder surplus accounts as calculated under Section 815a of the Internal Revenue Code;

(B) Certain other insurance companies. In the case of mutual insurance companies subject to the tax imposed by Section 831 of the Internal Revenue Code, insurance company taxable income;

(C) Regulated investment companies. In the case of a regulated investment company subject to the tax imposed by Section 852 of the Internal Revenue Code, investment company taxable income;

(D) Real estate investment trusts. In the case of a real estate investment trust subject to the tax imposed by Section 857 of the Internal Revenue Code, real estate investment trust taxable income;

(E) Consolidated corporations. In the case of a corporation which is a member of an affiliated group of corporations filing a consolidated income tax return for the taxable year for federal income tax purposes, taxable income determined as if such corporation had filed a separate return for federal income tax purposes for the taxable year and each preceding taxable year for which it was a member of an affiliated group. For purposes of this

subparagraph, the taxpayer's separate taxable income shall be determined as if the election provided by Section 243(b)(2) of the Internal Revenue Code had been in effect for all such years;

(F) Cooperatives. In the case of a cooperative corporation or association, the taxable income of such organization determined in accordance with the provisions of Section 1381 through 1388 of the Internal Revenue Code, but without regard to the prohibition against offsetting losses from patronage activities against income from nonpatronage activities; except that a cooperative corporation or association may make an election to follow its federal income tax treatment of patronage losses and nonpatronage losses. In the event such election is made, such losses shall be computed and carried over in a manner consistent with subsection (a) of Section 207 of this Act and apportioned by the apportionment factor reported by the cooperative on its Illinois income tax return filed for the taxable year in which the losses are incurred. The election shall be effective for all taxable years with original returns due on or after the date of the election. In addition, the cooperative may file an amended return or returns, as allowed under this Act, to provide that the election shall be effective for losses incurred or carried forward for taxable years occurring prior to the date of the election. Once made, the election may only be revoked upon approval of the Director. The Department shall adopt rules setting forth requirements for documenting the elections and any resulting Illinois net loss and the standards to be used by the Director in evaluating requests to revoke elections. Public Act 96-932 is declaratory of existing law;

(G) Subchapter S corporations. In the case of: (i) a Subchapter S corporation for which there is in effect an election for the taxable year under Section 1362 of the Internal Revenue Code, the taxable income of such corporation determined in accordance with Section 1363(b) of the Internal Revenue Code, except that taxable income shall take into account those items which are required by Section 1363(b)(1) of the Internal Revenue Code to be

separately stated; and (ii) a Subchapter S corporation for which there is in effect a federal election to opt out of the provisions of the Subchapter S Revision Act of 1982 and have applied instead the prior federal Subchapter S rules as in effect on July 1, 1982, the taxable income of such corporation determined in accordance with the federal Subchapter S rules as in effect on July 1, 1982; and

(H) Partnerships. In the case of a partnership, taxable income determined in accordance with Section 703 of the Internal Revenue Code, except that taxable income shall take into account those items which are required by Section 703(a)(1) to be separately stated but which would be taken into account by an individual in calculating his taxable income.

(3) Recapture of business expenses on disposition of asset or business. Notwithstanding any other law to the contrary, if in prior years income from an asset or business has been classified as business income and in a later year is demonstrated to be non-business income, then all expenses, without limitation, deducted in such later year and in the 2 immediately preceding taxable years related to that asset or business that generated the non-business income shall be added back and recaptured as business income in the year of the disposition of the asset or business. Such amount shall be apportioned to Illinois using the greater of the apportionment fraction computed for the business under Section 304 of this Act for the taxable year or the average of the apportionment fractions computed for the business under Section 304 of this Act for the taxable year and for the 2 immediately preceding taxable years.

(f) Valuation limitation amount.

(1) In general. The valuation limitation amount referred to in subsections (a) (2) (G), (c) (2) (I) and (d)(2) (E) is an amount equal to:

(A) The sum of the pre-August 1, 1969 appreciation amounts (to the extent consisting of gain reportable under the provisions of Section 1245 or 1250 of the Internal Revenue Code) for all property in respect of which such gain was reported for the taxable year; plus

(B) The lesser of (i) the sum of the pre-August 1, 1969 appreciation amounts (to the extent consisting of capital gain) for all property in respect of which such gain was reported for federal income tax purposes for the taxable year, or (ii) the net capital gain for the taxable year, reduced in either case by any amount of such gain included in the amount determined under subsection (a) (2) (F) or (c) (2) (H).

(2) Pre-August 1, 1969 appreciation amount.

(B) If the fair market value of property referred to in paragraph (1) was not readily ascertainable on August 1, 1969, the pre-August 1, 1969 appreciation amount for such property is that amount which bears the same ratio to the total gain reported in respect of the property for federal income tax purposes for the taxable year, as the number of full calendar months in that part of the taxpayer's holding period for the property ending July 31, 1969 bears to the number of full calendar months in the taxpayer's entire holding period for the property.

Sec. 225. Credit for instructional materials and supplies. For taxable years beginning on and after January 1, 2017, a taxpayer shall be allowed a credit in the amount paid by the taxpayer during the taxable year for instructional materials and supplies with respect to classroom based instruction in a qualified school, or $250, whichever is less,
provided that the taxpayer is a teacher, instructor, counselor, principal, or aide in a qualified school for at least 900 hours during a school year.

The credit may not be carried back and may not reduce the taxpayer's liability to less than zero. If the amount of the credit exceeds the tax liability for the year, the excess may be carried forward and applied to the tax liability of the 5 taxable years following the excess credit year. The tax credit shall be applied to the earliest year for which there is a tax liability. If there are credits for more than one year that are available to offset a liability, the earlier credit shall be applied first.

For purposes of this Section, the term "materials and supplies" means amounts paid for instructional materials or supplies that are designated for classroom use in any qualified school. For purposes of this Section, the term "qualified school" means a public school or non-public school located in Illinois.

The "limitation amount" for a corporation is the average outstanding balances during the taxable year of customer receivables (within the meaning of item (i)) originated by all members of the affiliated group. If the average outstanding balances of the loans made by a corporation to members of its affiliated group exceed the limitation amount, the interest income of that corporation from qualifying loans shall be equal to its interest income from loans to members of its affiliated groups times a fraction equal to the limitation amount divided by the average outstanding balances of the loans made by that corporation to members of its affiliated group;

(c) the total of all shareholder's equity (including, without limitation, paid-in capital on common and preferred stock and retained earnings) of the corporation plus the total of all of its loans, advances, and other obligations payable or owed to members of its affiliated group may not exceed 20% of the total assets of the corporation at any time during the tax year; and

taxpayer or in response to any waiver of restriction after the commencement of an audit of that taxpayer or of another taxpayer if a determination in the audit of the other taxpayer directly or indirectly affects the tax liability of the taxpayer whose claims he or she is preparing.

(27) Unitary business group.

(A) The term "unitary business group" means a group of persons related through common ownership whose business activities are integrated with, dependent upon and contribute to each other. The group will not include those members whose business activity outside the United States is 80% or more of any such member's total business activity; for purposes of this paragraph and clause (a)(3)(B)(ii) of Section 304, business activity within the United States shall be measured by means of the factors ordinarily applicable under subsections (a), (b), (c), (d), or (h) of Section 304 except that, in the case of members ordinarily required to apportion business income by means of the 3 factor formula of property, payroll and sales specified in subsection (a) of Section 304, including the formula as weighted in subsection (h) of Section 304, such members shall not use the sales factor in the computation and the results of the property and payroll factor computations of subsection (a) of Section 304 shall be divided by 2 (by one if either the property or payroll factor has a denominator of zero). The computation required by the preceding sentence shall, in each case, involve the division of the member's property, payroll, or revenue miles in the United States, insurance premiums on property or risk in the United States, or financial organization business income from sources within the United States, as the case may be, by the respective worldwide figures for such items. Common ownership in the case of corporations is the direct or indirect control or ownership of more than 50% of the outstanding voting stock of the persons carrying on unitary business activity. Unitary business activity can ordinarily be illustrated where the activities of the members are: (1) in the same general line (such as manufacturing, wholesaling,
retailing of tangible personal property, insurance, transportation or finance); or (2) are steps in a vertically structured enterprise or process (such as the steps involved in the production of natural resources, which might include exploration, mining, refining, and marketing); and, in either instance, the members are functionally integrated through the exercise of strong centralized management (where, for example, authority over such matters as purchasing, financing, tax compliance, product line, personnel, marketing and capital investment is not left to each member).

(B) In no event, for taxable years ending prior to December 31, 2017, shall any unitary business group include members which are ordinarily required to apportion business income under different subsections of Section 304 except that for tax years ending on or after December 31, 1987 this prohibition shall not apply to a holding company that would otherwise be a member of a unitary business group with taxpayers that apportion business income under any of subsections (b), (c), (c-1), or (d) of Section 304. If a unitary business group would, but for the preceding sentence, include members that are ordinarily required to apportion business income under different subsections of Section 304, then for each subsection of Section 304 for which there are two or more members, there shall be a separate unitary business group composed of such members. For purposes of the preceding two sentences, a member is "ordinarily required to apportion business income" under a particular subsection of Section 304 if it would be required to use the apportionment method prescribed by such subsection except for the fact that it derives business income solely from Illinois. As used in this paragraph, for taxable years ending before December 31, 2017, the phrase "United States" means only the 50 states and the District of Columbia, but does not include any territory or possession of the United States or any area over which the United States has asserted jurisdiction or claimed exclusive rights with respect to the exploration for or exploitation of natural resources.
on or after December 31, 2017, the phrase "United States", as used in this paragraph, means only the 50 states, the District of Columbia, and any area over which the United States has asserted jurisdiction or claimed exclusive rights with respect to the exploration for or exploitation of natural resources, but does not include any territory or possession of the United States.

(C) Holding companies.

(i) For purposes of this subparagraph, a "holding company" is a corporation (other than a corporation that is a financial organization under paragraph (8) of this subsection (a) of Section 1501 because it is a bank holding company under the provisions of the Bank Holding Company Act of 1956 (12 U.S.C. 1841, et seq.) or because it is owned by a bank or a bank holding company) that owns a controlling interest in one or more other taxpayers ("controlled taxpayers"); that, during the period that includes the taxable year and the 2 immediately preceding taxable years or, if the corporation was formed during the current or immediately preceding taxable year, the taxable years in which the corporation has been in existence, derived substantially all its gross income from dividends, interest, rents, royalties, fees or other charges received from controlled taxpayers for the provision of services, and gains on the sale or other disposition of interests in controlled taxpayers or in property leased or licensed to controlled taxpayers or used by the taxpayer in providing services to controlled taxpayers; and that incurs no substantial expenses other than expenses (including interest and other costs of borrowing) incurred in connection with the acquisition and holding of interests in controlled taxpayers and in the provision of services to controlled taxpayers or in the leasing or licensing of property to controlled taxpayers.

(ii) The income of a holding company which is a member of more than one unitary business

New matter indicated by italics - deletions by strikeout
group shall be included in each unitary business group of which it is a member on a pro rata basis, by including in each unitary business group that portion of the base income of the holding company that bears the same proportion to the total base income of the holding company as the gross receipts of the unitary business group bears to the combined gross receipts of all unitary business groups (in both cases without regard to the holding company) or on any other reasonable basis, consistently applied.

(iii) A holding company shall apportion its business income under the subsection of Section 304 used by the other members of its unitary business group. The apportionment factors of a holding company which would be a member of more than one unitary business group shall be included with the apportionment factors of each unitary business group of which it is a member on a pro rata basis using the same method used in clause (ii).

(iv) The provisions of this subparagraph (C) are intended to clarify existing law.

(D) If including the base income and factors of a holding company in more than one unitary business group under subparagraph (C) does not fairly reflect the degree of integration between the holding company and one or more of the unitary business groups, the dependence of the holding company and one or more of the unitary business groups upon each other, or the contributions between the holding company and one or more of the unitary business groups, the holding company may petition the Director, under the procedures provided under Section 304(f), for permission to include all base income and factors of the holding company only with members of a unitary business group apportioning their business income under one subsection of subsections (a), (b), (c), or (d) of Section 304. If the petition is granted, the holding company shall be included in a unitary business group only with persons apportioning their business income under the selected
subsection of Section 304 until the Director grants a petition of the holding company either to be included in more than one unitary business group under subparagraph (C) or to include its base income and factors only with members of a unitary business group apportioning their business income under a different subsection of Section 304.

(E) If the unitary business group members' accounting periods differ, the common parent's accounting period or, if there is no common parent, the accounting period of the member that is expected to have, on a recurring basis, the greatest Illinois income tax liability must be used to determine whether to use the apportionment method provided in subsection (a) or subsection (h) of Section 304. The prohibition against membership in a unitary business group for taxpayers ordinarily required to apportion income under different subsections of Section 304 does not apply to taxpayers required to apportion income under subsection (a) and subsection (h) of Section 304. The provisions of this amendatory Act of 1998 apply to tax years ending on or after December 31, 1998.

(28) Subchapter S corporation. The term "Subchapter S corporation" means a corporation for which there is in effect an election under Section 1362 of the Internal Revenue Code, or for which there is a federal election to opt out of the provisions of the Subchapter S Revision Act of 1982 and have applied instead the prior federal Subchapter S rules as in effect on July 1, 1982.

(30) Foreign person. The term "foreign person" means any person who is a nonresident alien individual and any nonindividual entity, regardless of where created or organized, whose business activity outside the United States is 80% or more of the entity's total business activity.

(b) Other definitions.

(1) Words denoting number, gender, and so forth, when used in this Act, where not otherwise distinctly expressed or manifestly incompatible with the intent thereof:

(A) Words importing the singular include and apply to several persons, parties or things;

New matter indicated by italics - deletions by strikeout
(B) Words importing the plural include the singular;
and
(C) Words importing the masculine gender include the feminine as well.
(2) "Company" or "association" as including successors and assigns. The word "company" or "association", when used in reference to a corporation, shall be deemed to embrace the words "successors and assigns of such company or association", and in like manner as if these last-named words, or words of similar import, were expressed.
(3) Other terms. Any term used in any Section of this Act with respect to the application of, or in connection with, the provisions of any other Section of this Act shall have the same meaning as in such other Section.

ARTICLE 25. AMENDATORY PROVISIONS; STATE TAX LIEN REGISTRY

Section 25-5. The Illinois Income Tax Act is amended by changing Sections 1102, 1103, and 1105 as follows:

(35 ILCS 5/1102) (from Ch. 120, par. 11-1102)
Sec. 1102. Jeopardy Assessments.
(a) Jeopardy assessment and lien.
(1) Assessment. If the Department finds that a taxpayer is about to depart from the State, or to conceal himself or his property, or to do any other act tending to prejudice or to render wholly or partly ineffectual proceedings to collect any amount of tax or penalties imposed under this Act unless court proceedings are brought without delay, or if the Department finds that the collection of such amount will be jeopardized by delay, the Department shall give the taxpayer notice of such findings and shall make demand for immediate return and payment of such amount, whereupon such amount shall be deemed assessed and shall become immediately due and payable.
(2) Filing of lien. If the taxpayer, within 5 days after such notice (or within such extension of time as the Department may grant), does not comply with such notice or show to the Department that the findings in such notice are erroneous, the Department may file a notice of jeopardy assessment lien in the State Tax Lien Registry office of the recorder of the county in which the taxpayer resides, or in which any part of the property of the taxpayer is situated, or in which the principal place of business of the taxpayer is located, or in which the taxpayer is employed, or in any other county in which such property is situated.

New matter indicated by italics - deletions by strikeout
which any property of the taxpayer may be located and shall notify
the taxpayer of such filing. Such jeopardy assessment lien shall
have the same scope and effect as a statutory lien under this Act.
The taxpayer is liable for any administrative fee imposed by the
Department by rule in connection with the State Tax Lien Registry
the filing fee incurred by the Department for filing the lien and the
filing fee incurred by the Department to file the release of that lien.
The filing fees shall be paid to the Department in addition to
payment of the tax, penalty, and interest included in the amount of
the lien.

(b) Termination of taxable year. In the case of a tax for a current
taxable year, the Director shall declare the taxable period of the taxpayer
immediately terminated and his notice and demand for a return and
immediate payment of the tax shall relate to the period declared
terminated, including therein income accrued and deductions incurred up
to the date of termination if not otherwise properly includible or deductible
in respect of such taxable year.

(c) Protest. If the taxpayer believes that he does not owe some or
all of the amount for which the jeopardy assessment lien against him has
been filed, or that no jeopardy to the revenue in fact exists, he may protest
within 20 days after being notified by the Department of the filing of such
jeopardy assessment lien and request a hearing, whereupon the Department
shall hold a hearing in conformity with the provisions of section 908 and,
pursuant thereto, shall notify the taxpayer of its decision as to whether or

Sec. 1103. Filing and Priority of Liens.

(a) Filing in the State Tax Lien Registry with Recorder. Nothing in
this Article shall be construed to give the Department a preference over the
rights of any bona fide purchaser, holder of a security interest, mechanics
lienor, mortgagee, or judgment lien creditor arising prior to the filing of a
regular notice of lien or a notice of jeopardy assessment lien in the State
Tax Lien Registry office of the recorder in the county in which the
property subject to the lien is located. For purposes of this Section section,
the term "bona fide," shall not include any mortgage of real or personal
property or any other credit transaction that results in the mortgagee or the
holder of the security acting as trustee for unsecured creditors of the
taxpayer mentioned in the notice of lien who executed such chattel or real

property mortgage or the document evidencing such credit transaction. Such lien shall be inferior to the lien of general taxes, special assessments and special taxes heretofore or hereafter levied by any political subdivision of this State.

(b) Filing in the State Tax Lien Registry with Registrar. In case title to land to be affected by the notice of lien or notice of jeopardy assessment lien is registered under the provisions of "An Act concerning land titles," approved May 1, 1897, as amended, such notice shall also be filed in the State Tax Lien Registry office of the Registrar of Titles of the county within which the property subject to the lien is situated and shall be entered upon the register of titles as a memorial of charge upon each folium of the register of titles affected by such notice, and the Department shall not have a preference over the rights of any bona fide purchaser, mortgagee, judgment creditor or other lien holder arising prior to the registration of such notice.

(c) Index. The Department of Revenue shall maintain a State Tax Lien Index of all tax liens filed in the State Tax Lien Registry as provided for by the State Tax Lien Registration Act. The recorder of each county shall procure a file labeled "State Tax Lien Notices" and an index book labeled "State Tax Lien Index." When notice of any lien or jeopardy assessment lien is presented to him for filing, he shall file it in numerical order in the file and shall enter it alphabetically in the index. The entry shall show the name and last known address of the person named in the notice, the serial number of the notice, the date and hour of filing, whether it is a regular lien or a jeopardy assessment lien, and the amount of tax and penalty due and unpaid, plus the amount of interest due at the time when the notice of lien or jeopardy assessment is filed.

(d) (Blank). No recorder or registrar of titles of any county shall require that the Department pay any costs or fees in connection with recordation of any notice or other document filed by the Department under this Act at the time such notice or other document is presented for recordation. The recorder or registrar of each county, in order to receive payment for fees or costs incurred by the Department, shall present the Department with monthly statements indicating the amount of fees and costs incurred by the Department and for which no payment has been received. Sec. 1105. Release of Liens.

(a) In general. Upon payment by the taxpayer to the Department in cash or by guaranteed remittance of an amount representing the filing fees and charges for the lien and the filing fees and charges for the release of that lien, the Department shall release all or any portion of the property subject to any lien provided for in this Act and file that complete or partial release of lien in the State Tax Lien Registry with the recorder of the county where that lien was filed if it determines that the release will not endanger or jeopardize the collection of the amount secured thereby.

(b) Judicial determination. If on judicial review the final judgment of the court is that the taxpayer does not owe some or all of the amount secured by the lien against him, or that no jeopardy to the revenue exists, the Department shall release its lien to the extent of such finding of nonliability, or to the extent of such finding of no jeopardy to the revenue. The taxpayer shall, however, be liable for the filing fee imposed paid by the Department to file the lien and the filing fee imposed to release required to file a release of the lien. The filing fees shall be paid to the Department.

(c) Payment. The Department shall also release its jeopardy assessment lien against the taxpayer whenever the tax and penalty covered by such lien, plus any interest which may be due and an amount representing the filing fee to file the lien and the filing fee imposed to release required to file a release of that lien, are paid by the taxpayer to the Department in cash or by guaranteed remittance.

(d) Certificate of release. The Department shall issue a certificate of complete or partial release of the lien upon payment by the taxpayer to the Department in cash or by guaranteed remittance of an amount representing the filing fee imposed paid by the Department to file the lien and the filing fee imposed to release required to file the release of that lien:

(1) to the extent that the fair market value of any property subject to the lien exceeds the amount of the lien plus the amount of all prior liens upon such property;

New matter indicated by italics - deletions by strikeout
(2) to the extent that such lien shall become unenforceable;
(3) to the extent that the amount of such lien is paid by the person whose property is subject to such lien, together with any interest and penalty which may become due under this Act between the date when the notice of lien is filed and the date when the amount of such lien is paid;
(4) to the extent that there is furnished to the Department on a form to be approved and with a surety or sureties satisfactory to the Department a bond that is conditioned upon the payment of the amount of such lien, together with any interest which may become due under this Act after the notice of lien is filed, but before the amount thereof is fully paid;
(5) to the extent and under the circumstances specified in this Section.

A certificate of complete or partial release of any lien shall be held conclusive that the lien upon the property covered by the certificate is extinguished to the extent indicated by such certificate.

Such release of lien shall be issued to the person, or his agent, against whom the lien was obtained and shall contain in legible letters a statement as follows:

FOR THE PROTECTION OF THE OWNER, THIS RELEASE SHALL
BE FILED IN THE STATE TAX LIEN REGISTRY WITH THE
RECORER OR THE REGISTRAR
OF TITLES, IN WHOSOFFICE, THE LIEN WAS FILED.

(e) Filing. When a certificate of complete or partial release of lien issued by the Department is filed in the State Tax Lien Registry, the Department presented for filing in the office of the recorder or Registrar of Titles where a notice of lien or notice of jeopardy assessment lien was filed:

(1) the recorder, in the case of nonregistered property, shall permanently attach the certificate of release to the notice of lien or notice of jeopardy assessment lien and shall enter the certificate of release and the date in the "State Tax Lien Index" on the line where the notice of lien or notice of jeopardy assessment lien is entered.

and

Section 25-10. The Retailers' Occupation Tax Act is amended by
changing Sections 5a, 5b, and 5c as follows:
(35 ILCS 120/5a) (from Ch. 120, par. 444a)
Sec. 5a. The Department shall have a lien for the tax herein
imposed or any portion thereof, or for any penalty provided for in this Act,
or for any amount of interest which may be due as provided for in Section
5 of this Act, upon all the real and personal property of any person to
whom a final assessment or revised final assessment has been issued as
provided in this Act, or whenever a return is filed without payment of the
tax or penalty shown therein to be due, including all such property of such
persons acquired after receipt of such assessment or filing of such return.
The taxpayer is liable for the filing fee imposed by the
Department for filing the lien and the filing fee imposed by the
Department to file the release the of that lien. The filing fees shall be paid
to the Department in addition to payment of the tax, penalty, and interest
included in the amount of the lien.

However, where the lien arises because of the issuance of a final
assessment or revised final assessment by the Department, such lien shall
not attach and the notice hereinafter referred to in this Section shall not be
filed until all proceedings in court for review of such final assessment or
revised final assessment have terminated or the time for the taking thereof
has expired without such proceedings being instituted.

Upon the granting of a rehearing or departmental review pursuant
to Section 4 or Section 5 of this Act after a lien has attached, such lien
shall remain in full force except to the extent to which the final assessment
may be reduced by a revised final assessment following such rehearing or
review.

The lien created by the issuance of a final assessment shall
terminate unless a notice of lien is filed, as provided in Section 5b hereof,
within 3 years from the date all proceedings in court for the review of such
final assessment have terminated or the time for the taking thereof has
expired without such proceedings being instituted, or (in the case of a
revised final assessment issued pursuant to a rehearing or departmental
review) within 3 years from the date all proceedings in court for the review
of such revised final assessment have terminated or the time for the taking

thereof has expired without such proceedings being instituted; and where the lien results from the filing of a return without payment of the tax or penalty shown therein to be due, the lien shall terminate unless a notice of lien is filed, as provided in Section 5b hereof, within 3 years from the date when such return is filed with the Department: Provided that the time limitation period on the Department's right to file a notice of lien shall not run (1) during any period of time in which the order of any court has the effect of enjoining or restraining the Department from filing such notice of lien, or (2) during the term of a repayment plan that taxpayer has entered into with the Department, as long as taxpayer remains in compliance with the terms of the repayment plan.

If the Department finds that a taxpayer is about to depart from the State, or to conceal himself or his property, or to do any other act tending to prejudice or to render wholly or partly ineffectual proceedings to collect such tax unless such proceedings are brought without delay, or if the Department finds that the collection of the amount due from any taxpayer will be jeopardized by delay, the Department shall give the taxpayer notice of such findings and shall make demand for immediate return and payment of such tax, whereupon such tax shall become immediately due and payable. If the taxpayer, within 5 days after such notice (or within such extension of time as the Department may grant), does not comply with such notice or show to the Department that the findings in such notice are erroneous, the Department may file a notice of jeopardy assessment lien in the State Tax Lien Registry office of the recorder of the county in which any property of the taxpayer may be located and shall notify the taxpayer of such filing. Such jeopardy assessment lien shall have the same scope and effect as the statutory lien hereinbefore provided for in this Section.

If the taxpayer believes that he does not owe some or all of the tax for which the jeopardy assessment lien against him has been filed, or that no jeopardy to the revenue in fact exists, he may protest within 20 days after being notified by the Department of the filing of such jeopardy assessment lien and request a hearing, whereupon the Department shall hold a hearing in conformity with the provisions of this Act and, pursuant thereto, shall notify the taxpayer of its findings as to whether or not such jeopardy assessment lien will be released. If not, and if the taxpayer is aggrieved by this decision, he may file an action for judicial review of such final determination of the Department in accordance with Section 12 of this Act and the Administrative Review Law.

New matter indicated by italics - deletions by strikeout
On and after July 1, 2013, protests concerning matters that are subject to the jurisdiction of the Illinois Independent Tax Tribunal shall be filed with the Tribunal, and hearings on those matters shall be held before the Tribunal in accordance with the Illinois Independent Tax Tribunal Act of 2012. The Tribunal shall notify the taxpayer of its findings as to whether or not such jeopardy assessment lien will be released. If not, and if the taxpayer is aggrieved by this decision, he may file an action for judicial review of such final determination of the Department in accordance with Section 12 of this Act and the Illinois Independent Tax Tribunal Act of 2012.

With respect to protests filed with the Department prior to July 1, 2013 that would otherwise be subject to the jurisdiction of the Illinois Independent Tax Tribunal, the taxpayer may elect to be subject to the provisions of the Illinois Independent Tax Tribunal Act of 2012 at any time on or after July 1, 2013, but not later than 30 days after the date on which the protest was filed. If made, the election shall be irrevocable.

If, pursuant to such hearing (or after an independent determination of the facts by the Department without a hearing), the Department or the Tribunal determines that some or all of the tax covered by the jeopardy assessment lien is not owed by the taxpayer, or that no jeopardy to the revenue exists, or if on judicial review the final judgment of the court is that the taxpayer does not owe some or all of the tax covered by the jeopardy assessment lien against him, or that no jeopardy to the revenue exists, the Department shall release its jeopardy assessment lien to the extent of such finding of nonliability for the tax, or to the extent of such finding of no jeopardy to the revenue.

The Department shall also release its jeopardy assessment lien against the taxpayer whenever the tax and penalty covered by such lien, plus any interest which may be due, are paid and the taxpayer has paid the Department in cash or by guaranteed remittance an amount representing the filing fee for the lien and the filing fee for the release of that lien. The Department shall file that release of lien in the State Tax Lien Registry with the recorder of the county where that lien was filed.

Nothing in this Section shall be construed to give the Department a preference over the rights of any bona fide purchaser, holder of a security interest, mechanics lienholder, mortgagee, or judgment lien creditor arising prior to the filing of a regular notice of lien or a notice of jeopardy assessment lien in the State Tax Lien Registry office of the recorder in the county in which the property subject to the lien is located: Provided,
however, that the word "bona fide", as used in this Section shall not include any mortgage of real or personal property or any other credit transaction that results in the mortgagee or the holder of the security acting as trustee for unsecured creditors of the taxpayer mentioned in the notice of lien who executed such chattel or real property mortgage or the document evidencing such credit transaction. Such lien shall be inferior to the lien of general taxes, special assessments and special taxes heretofore or hereafter levied by any political subdivision of this State.

In case title to land to be affected by the notice of lien or notice of jeopardy assessment lien is registered under the provisions of "An Act concerning land titles", approved May 1, 1897, as amended, such notice shall also be filed in the State Tax Lien Registry office of the Registrar of Titles of the county within which the property subject to the lien is situated and shall be entered upon the register of titles as a memorial or charge upon each folium of the register of titles affected by such notice, and the Department shall not have a preference over the rights of any bona fide purchaser, mortgagee, judgment creditor or other lien holder arising prior to the registration of such notice: Provided, however, that the word "bona fide" shall not include any mortgage of real or personal property or any other credit transaction that results in the mortgagee or the holder of the security acting as trustee for unsecured creditors of the taxpayer mentioned in the notice of lien who executed such chattel or real property mortgage or the document evidencing such credit transaction.

Such regular lien or jeopardy assessment lien shall not be effective against any purchaser with respect to any item in a retailer's stock in trade purchased from the retailer in the usual course of such retailer's business.

When notice of any lien or jeopardy assessment lien is presented to him for filing, he shall file it in numerical order in the file and shall enter it alphabetically in the index. No recorder or registrar of titles of any county shall require that the Department pay any costs or fees in connection with recordation of any notice or other document filed by the Department under this Act at the time such notice or other document is presented for recordation. The recorder or registrar of each county, in order to receive payment for fees or costs incurred by the Department, shall present the Department with monthly statements indicating the amount of fees and costs incurred by the Department and for which no payment has been received.

A notice of lien may be filed after the issuance of a revised final assessment pursuant to a rehearing or departmental review under Section 4 or Section 5 of this Act.

When the lien obtained pursuant to this Act has been satisfied and the taxpayer has paid the Department in cash or by guaranteed remittance an amount representing the filing fee for the lien and the filing fee for the release of that lien, the Department shall issue a release of lien and file that release of lien in the State Tax Lien Registry with the recorder of the county where that lien was filed. The release of lien shall contain in legible letters a statement as follows:

OF TITLES, IN WHOSE OFFICE, THE LIEN WAS FILED.

When a certificate of complete or partial release of lien issued by the Department is filed in the State Tax Lien Registry, the Department of Revenue presented for filing in the office of the recorder or Registrar of Titles where a notice of lien or notice of jeopardy assessment lien was filed, the recorder, in the case of nonregistered property, shall permanently attach the certificate of release to the notice of lien or notice of jeopardy assessment lien and shall enter the certificate of release and the date in the "State Tax Lien Index" on the line where the notice of lien or notice of jeopardy assessment lien is entered.

In the case of registered property, the Registrar of Titles shall file and enter upon each folium of the register of titles affected thereby a memorial of the certificate of release which memorial when so entered shall act as a release pro tanto of any memorial of such notice of lien or notice of jeopardy assessment lien previously filed and registered.

(a) to the extent that the fair market value of any property subject to the lien exceeds the amount of the lien plus the amount of all prior liens upon such property;
(b) to the extent that such lien shall become unenforceable;
(c) to the extent that the amount of such lien is paid by the retailer whose property is subject to such lien, together with any interest which may become due under Section 5 of this Act between the date when the notice of lien is filed and the date when the amount of such lien is paid;

1102 of the Illinois Income Tax Act. The Department shall determine and assess a tax and applicable penalties and interest according to the best judgment and information available to the Department, which amount so fixed by the Department shall be prima facie correct and shall be prima facie evidence of the correctness of the amount of tax due, as shown in such determination. When, according to the best judgment and information available to the Department with regard to all real and personal property and rights to property of the dealer, there is no reasonable expectation of collection of the amount of tax and penalty to be assessed, the Department may issue an assessment under this Section for the amount of tax without penalty.

(b) Filing of Lien. Upon issuance of a jeopardy assessment as provided by subsection (a) of this Section, the Department may file a notice of jeopardy assessment lien in the State Tax Lien Registry office of the recorder of the county in which any property of the taxpayer may be located and shall notify the taxpayer of such filing.

(c) Protest. If the taxpayer believes that he does not owe some or all of the amount for which the jeopardy assessment lien against him has been filed, he may protest within 20 days after being notified by the Department of the filing of such jeopardy assessment lien and request a hearing, whereupon the Department shall hold a hearing in conformity with the provisions of Section 908 of the Illinois Income Tax Act and, pursuant thereto, shall notify the taxpayer of its decision as to whether or not such jeopardy assessment lien will be released.

After the expiration of the period within which the person assessed may file an action for judicial review without such action being filed, a certified copy of the final assessment or revised final assessment of the Department may be filed with the Circuit Court of the county in which the dealer resides, or of Cook County in the case of a dealer who does not reside in this State, or in the county where the violation of this Act took place. The certified copy of the final assessment or revised final assessment shall be accompanied by a certification which recites facts that are sufficient to show that the Department complied with the jurisdictional requirements of the Act in arriving at its final assessment or its revised final assessment and that the dealer had this opportunity for an administrative hearing and for judicial review, whether he availed himself or herself of either or both of these opportunities or not. If the court is satisfied that the Department complied with the jurisdictional requirements of the Act in arriving at its final assessment or its revised final assessment

and that the taxpayer had his opportunity for an administrative hearing and for judicial review, whether he availed himself of either or both of these opportunities or not, the court shall render judgment in favor of the Department and against the taxpayer for the amount shown to be due by the final assessment or the revised final assessment, plus any interest which may be due, and such judgment shall be entered in the judgment docket of the court. Such judgment shall bear the same rate of interest and shall have the same effect as other judgments. The judgment may be enforced, and all laws applicable to sales for the enforcement of a judgment shall be applicable to sales made under such judgments. The Department shall file the certified copy of its assessment, as herein provided, with the Circuit Court within 2 years after such assessment becomes final except when the taxpayer consents in writing to an extension of such filing period, and except that the time limitation period on the Department's right to file the certified copy of its assessment with the Circuit Court shall not run during any period of time in which the order of any court has the effect of enjoining or restraining the Department from filing such certified copy of its assessment with the Circuit Court.

If, when the cause of action for a proceeding in court accrues against a person, he or she is out of the State, the action may be commenced within the times herein limited, after his or her coming into or returning to the State; and if, after the cause of action accrues, he or she departs from and remains out of the State, the time of his or her absence from the State, the time of his or her absence is no part of the time limited for the commencement of the action; but the foregoing provisions concerning absence from the State shall not apply to any case in which, at the time the cause of action accrues, the party against whom the cause of action accrues is not a resident of this State. The time within which a court action is to be commenced by the Department hereunder shall not run from the date the taxpayer files a petition in bankruptcy under the Federal Bankruptcy Act until 30 days after notice of termination or expiration of the automatic stay imposed by the Federal Bankruptcy Act.

No claim shall be filed against the estate of any deceased person or any person under legal disability for any tax or penalty or part of either, or interest, except in the manner prescribed and within the time limited by the Probate Act of 1975, as amended.

The collection of tax or penalty or interest by any means provided for herein shall not be a bar to any prosecution under this Act.
In addition to any penalty provided for in this Act, any amount of
tax which is not paid when due shall bear interest at the rate determined in
accordance with the Uniform Penalty and Interest Act, per month or
fraction thereof from the date when such tax becomes past due until such
tax is paid or a judgment therefor is obtained by the Department. If the
time for making or completing an audit of a taxpayer's books and records
is extended with the taxpayer's consent, at the request of and for the
convenience of the Department, beyond the date on which the statute of
limitations upon the issuance of a notice of tax liability by the Department
otherwise run, no interest shall accrue during the period of such extension.
Interest shall be collected in the same manner and as part of the tax.

If the Department determines that an amount of tax or penalty or
interest was incorrectly assessed, whether as the result of a mistake of fact
or an error of law, the Department shall waive the amount of tax or penalty
or interest that accrued due to the incorrect assessment.

shall affect the rights of bona fide purchasers, mortgagees, judgment creditors or other lienholders who acquire their interests in such property prior to the time a notice of such lien is placed on record in the office of the recorder or the registrar of titles of the county in which the property is located. However, nothing in this Section shall permit a municipality to place a lien upon property not located or found within its corporate boundaries. A municipality creating a lien may provide that the procedures for its notice and enforcement shall be the same as that provided in the Retailers' Occupation Tax Act, as that Act existed prior to the adoption of the State Tax Lien Registration Act now or hereafter amended, for State tax liens, and any recorder or registrar of titles with whom a notice of such lien is filed shall treat such lien as a State tax lien for recording purposes. Section 30-5. The Use Tax Act is amended by changing Section 3-10 as follows:

(35 ILCS 105/3-10)

New matter indicated by italics - deletions by strikeout
Sec. 3-10. Rate of tax. Unless otherwise provided in this Section, the tax imposed by this Act is at the rate of 6.25% of either the selling price or the fair market value, if any, of the tangible personal property. In all cases where property functionally used or consumed is the same as the property that was purchased at retail, then the tax is imposed on the selling price of the property. In all cases where property functionally used or consumed is a by-product or waste product that has been refined, manufactured, or produced from property purchased at retail, then the tax is imposed on the lower of the fair market value, if any, of the specific property so used in this State or on the selling price of the property purchased at retail. For purposes of this Section "fair market value" means the price at which property would change hands between a willing buyer and a willing seller, neither being under any compulsion to buy or sell and both having reasonable knowledge of the relevant facts. The fair market value shall be established by Illinois sales by the taxpayer of the same property as that functionally used or consumed, or if there are no such sales by the taxpayer, then comparable sales or purchases of property of like kind and character in Illinois.

Beginning on July 1, 2000 and through December 31, 2000, with respect to motor fuel, as defined in Section 1.1 of the Motor Fuel Tax Law, and gasohol, as defined in Section 3-40 of the Use Tax Act, the tax is imposed at the rate of 1.25%.

Beginning on August 6, 2010 through August 15, 2010, with respect to sales tax holiday items as defined in Section 3-6 of this Act, the tax is imposed at the rate of 1.25%.

With respect to gasohol, the tax imposed by this Act applies to (i) 70% of the proceeds of sales made on or after January 1, 1990, and before July 1, 2003, (ii) 80% of the proceeds of sales made on or after July 1, 2003 and on or before December 31, 2018, and (iii) 100% of the proceeds of sales made thereafter. If, at any time, however, the tax under this Act on sales of gasohol is imposed at the rate of 1.25%, then the tax imposed by this Act applies to 100% of the proceeds of sales of gasohol made during that time.

With respect to majority blended ethanol fuel, the tax imposed by this Act does not apply to the proceeds of sales made on or after July 1, 2003 and on or before December 31, 2023 but applies to 100% of the proceeds of sales made thereafter.

With respect to biodiesel blends with no less than 1% and no more than 10% biodiesel, the tax imposed by this Act applies to (i) 80% of the
proceeds of sales made on or after July 1, 2003 and on or before December 31, 2018 and (ii) 100% of the proceeds of sales made thereafter. If, at any time, however, the tax under this Act on sales of biodiesel blends with no less than 1% and no more than 10% biodiesel is imposed at the rate of 1.25%, then the tax imposed by this Act applies to 100% of the proceeds of sales of biodiesel blends with no less than 1% and no more than 10% biodiesel made during that time.

With respect to 100% biodiesel and biodiesel blends with more than 10% but no more than 99% biodiesel, the tax imposed by this Act does not apply to the proceeds of sales made on or after July 1, 2003 and on or before December 31, 2023 but applies to 100% of the proceeds of sales made thereafter.

With respect to food for human consumption that is to be consumed off the premises where it is sold (other than alcoholic beverages, soft drinks, and food that has been prepared for immediate consumption) and prescription and nonprescription medicines, drugs, medical appliances, products classified as Class III medical devices by the United States Food and Drug Administration that are used for cancer treatment pursuant to a prescription, as well as any accessories and components related to those devices, modifications to a motor vehicle for the purpose of rendering it usable by a person with a disability, and insulin, urine testing materials, syringes, and needles used by diabetics, for human use, the tax is imposed at the rate of 1%. For the purposes of this Section, until September 1, 2009: the term "soft drinks" means any complete, finished, ready-to-use, non-alcoholic drink, whether carbonated or not, including but not limited to soda water, cola, fruit juice, vegetable juice, carbonated water, and all other preparations commonly known as soft drinks of whatever kind or description that are contained in any closed or sealed bottle, can, carton, or container, regardless of size; but "soft drinks" does not include coffee, tea, non-carbonated water, infant formula, milk or milk products as defined in the Grade A Pasteurized Milk and Milk Products Act, or drinks containing 50% or more natural fruit or vegetable juice.

Notwithstanding any other provisions of this Act, beginning September 1, 2009, "soft drinks" means non-alcoholic beverages that contain natural or artificial sweeteners. "Soft drinks" do not include beverages that contain milk or milk products, soy, rice or similar milk substitutes, or greater than 50% of vegetable or fruit juice by volume.

Notwithstanding any other provisions of this Act, beginning September 1, 2009, "food for human consumption that is to be consumed off the premises where it is sold" does not include candy. For purposes of this Section, "candy" means a preparation of sugar, honey, or other natural or artificial sweeteners in combination with chocolate, fruits, nuts or other ingredients or flavorings in the form of bars, drops, or pieces. "Candy" does not include any preparation that contains flour or requires refrigeration.

Notwithstanding any other provisions of this Act, beginning September 1, 2009, "nonprescription medicines and drugs" does not include grooming and hygiene products. For purposes of this Section, "grooming and hygiene products" includes, but is not limited to, soaps and cleaning solutions, shampoo, toothpaste, mouthwash, antiperspirants, and sun tan lotions and screens, unless those products are available by prescription only, regardless of whether the products meet the definition of "over-the-counter-drugs". For the purposes of this paragraph, "over-the-counter-drug" means a drug for human use that contains a label that identifies the product as a drug as required by 21 C.F.R. § 201.66. The "over-the-counter-drug" label includes:

(A) A "Drug Facts" panel; or
(B) A statement of the "active ingredient(s)" with a list of those ingredients contained in the compound, substance or preparation.

The tax shall be imposed at the rate of 1% on food prepared for immediate consumption and transferred incident to a sale of service subject to this Act or the Service Occupation Tax Act by an entity licensed under the Hospital Licensing Act, the Nursing Home Care Act, the ID/DD Community Care Act, the MC/DD Act, the Specialized Mental Health Rehabilitation Act of 2013, or the Child Care Act of 1969. changing Section 3-10 as follows:

(35 ILCS 115/3-10) (from Ch. 120, par. 439.103-10)
Sec. 3-10. Rate of tax. Unless otherwise provided in this Section,
the tax imposed by this Act is at the rate of 6.25% of the "selling price", as
defined in Section 2 of the Service Use Tax Act, of the tangible personal
property. For the purpose of computing this tax, in no event shall the
"selling price" be less than the cost price to the serviceman of the tangible
personal property transferred. The selling price of each item of tangible
personal property transferred as an incident of a sale of service may be
shown as a distinct and separate item on the serviceman's billing to the
service customer. If the selling price is not so shown, the selling price of
the tangible personal property is deemed to be 50% of the serviceman's
entire billing to the service customer. When, however, a serviceman
contracts to design, develop, and produce special order machinery or
equipment, the tax imposed by this Act shall be based on the serviceman's
cost price of the tangible personal property transferred incident to the
completion of the contract.

part or all of the services required in his sale of service, it shall be presumed that the cost price to the serviceman of the property transferred to him or her by his or her subcontractor is equal to 50% of the subcontractor's charges to the serviceman in the absence of proof of the consideration paid by the subcontractor for the purchase of such property.

"Selling price" means the consideration for a sale valued in money whether received in money or otherwise, including cash, credits and service, and shall be determined without any deduction on account of the serviceman's cost of the property sold, the cost of materials used, labor or service cost or any other expense whatsoever, but does not include interest or finance charges which appear as separate items on the bill of sale or sales contract nor charges that are added to prices by sellers on account of the seller's duty to collect, from the purchaser, the tax that is imposed by this Act.

"Department" means the Department of Revenue.

"Person" means any natural individual, firm, partnership, association, joint stock company, joint venture, public or private corporation, limited liability company, and any receiver, executor, trustee, guardian or other representative appointed by order of any court.

Beginning on July 1, 2004 and through June 30, 2005, the use in this State of motor vehicles of the second division: (i) with a gross vehicle weight rating in excess of 8,000 pounds; (ii) that are subject to the commercial distribution fee imposed under Section 3-815.1 of the Illinois Vehicle Code; and (iii) that are primarily used for commercial purposes. Through June 30, 2005, this exemption applies to repair and replacement parts added after the initial purchase of such a motor vehicle if that motor vehicle is used in a manner that would qualify for the rolling stock exemption otherwise provided for in this Act. For purposes of this paragraph, "used for commercial purposes" means the transportation of persons or property in furtherance of any commercial or industrial enterprise whether for-hire or not.

(5) a sale or transfer of machinery and equipment used primarily in the process of the manufacturing or assembling, either in an existing, an expanded or a new manufacturing facility, of tangible personal property for wholesale or retail sale or lease,
whether such sale or lease is made directly by the manufacturer or by some other person, whether the materials used in the process are owned by the manufacturer or some other person, or whether such sale or lease is made apart from or as an incident to the seller's engaging in a service occupation and the applicable tax is a Service Use Tax or Service Occupation Tax, rather than Use Tax or Retailers' Occupation Tax. The exemption provided by this paragraph (5) does not include machinery and equipment used in (i) the generation of electricity for wholesale or retail sale; (ii) the generation or treatment of natural or artificial gas for wholesale or retail sale that is delivered to customers through pipes, pipelines, or mains; or (iii) the treatment of water for wholesale or retail sale that is delivered to customers through pipes, pipelines, or mains. (5b) a sale or transfer of tangible personal property which is produced by the seller thereof on special order in such a way as to have made the applicable tax the Service Occupation Tax or the Service Use Tax, rather than the Retailers' Occupation Tax or the Use Tax, for an interstate carrier by rail which receives the physical possession of such property in Illinois, and which transports such property, or shares with another common carrier in the transportation of such property, out of Illinois on a standard uniform bill of lading showing the seller of the property as the shipper or consignor of such property to a destination outside Illinois, for use outside Illinois.

The purchase of such tangible personal property by the serviceman shall be subject to tax under the Retailers’ Occupation Tax Act and the Use Tax Act. However, if a primary serviceman who has made the election described in this paragraph subcontracts service work to a secondary serviceman who has also made the election described in this paragraph, the primary serviceman does not incur a Use Tax liability if the secondary serviceman (i) has paid or will pay Use Tax on his or her cost price of any tangible personal property transferred to the primary serviceman and (ii) certifies that fact in writing to the primary serviceman.

of operations which collectively constitute manufacturing, or individually
constitute manufacturing operations, the manufacturing process shall be
deemed to commence with the first operation or stage of production in the
series, and shall not be deemed to end until the completion of the final
product in the last operation or stage of production in the series; and

article of tangible personal property, by the combination of existing
materials in a manner commonly regarded as assembling which results in a

jigs, fixtures, patterns and molds; or any parts which require periodic
replacement in the course of normal operation; but shall not include hand
tools. Equipment includes chemicals or chemicals acting as catalysts but
only if the chemicals or chemicals acting as catalysts effect a direct and
immediate change upon a product being manufactured or assembled for
wholesale or retail sale or lease. The purchaser of such machinery and
equipment who has an active resale registration number shall furnish such
number to the seller at the time of purchase. The user of such machinery

Any informal rulings, opinions or letters issued by the Department in response to an inquiry or request for any opinion from any person regarding the coverage and applicability of exemption (5) to specific devices shall be published, maintained as a public record, and made available for public inspection and copying. If the informal ruling, opinion or letter contains trade secrets or other confidential information, where possible the Department shall delete such information prior to publication. Whenever such informal rulings, opinions, or letters contain any policy of general applicability, the Department shall formulate and adopt such policy as a rule in accordance with the provisions of the Illinois Administrative Procedure Act.

property, by a procedure commonly regarded as manufacturing, processing, fabricating, or refining that changes some existing material or materials into a material with a different form, use, or name. In relation to a recognized integrated business composed of a series of operations that collectively constitute manufacturing, or individually constitute manufacturing operations, the manufacturing process commences with the first operation or stage of production in the series and does not end until the completion of the final product in the last operation or stage of production in the series. For purposes of this exemption, photoprocessing is a manufacturing process of tangible personal property for wholesale or retail sale.

(2) "Assembling process" means the production of an article of tangible personal property, whether the article is a finished product or an article for use in the process of manufacturing or assembling a different article of tangible personal property, by the combination of existing materials in a manner commonly regarded as assembling that results in a material of a different form, use, or name.

(3) "Machinery" means major mechanical machines or major components of those machines contributing to a manufacturing or assembling process.

(4) "Equipment" includes an independent device or tool separate from machinery but essential to an integrated manufacturing or assembly process; including computers used primarily in a manufacturer's computer assisted design, computer assisted manufacturing (CAD/CAM) system; any subunit or assembly comprising a component of any machinery or auxiliary, adjunct, or attachment parts of machinery, such as tools, dies, jigs, fixtures, patterns, and molds; and any parts that require periodic replacement in the course of normal operation; but does not include hand tools. Equipment includes chemicals or chemicals acting as catalysts but only if the chemicals or chemicals acting as catalysts effect a direct and immediate change upon a product being manufactured or assembled for wholesale or retail sale or lease.

(5) "Production related tangible personal property" means all tangible personal property that is used or consumed by the purchaser in a manufacturing facility in which a manufacturing

process takes place and includes, without limitation, tangible personal property that is purchased for incorporation into real estate within a manufacturing facility and tangible personal property that is used or consumed in activities such as research and development, preproduction material handling, receiving, quality control, inventory control, storage, staging, and packaging for shipping and transportation purposes. "Production related tangible personal property" does not include (i) tangible personal property that is used, within or without a manufacturing facility, in sales, purchasing, accounting, fiscal management, marketing, personnel recruitment or selection, or landscaping or (ii) tangible personal property that is required to be titled or registered with a department, agency, or unit of federal, State, or local government.

The manufacturing and assembling machinery and equipment exemption includes production related tangible personal property that is purchased on or after July 1, 2007 and on or before June 30, 2008. The exemption for production related tangible personal property is subject to both of the following limitations:

(1) The maximum amount of the exemption for any one taxpayer may not exceed 5% of the purchase price of production related tangible personal property that is purchased on or after July 1, 2007 and on or before June 30, 2008. A credit under Section 3-85 of this Act may not be earned by the purchase of production related tangible personal property for which an exemption is received under this Section.

(2) The maximum aggregate amount of the exemptions for production related tangible personal property awarded under this Act and the Use Tax Act to all taxpayers may not exceed $10,000,000. If the claims for the exemption exceed $10,000,000, then the Department shall reduce the amount of the exemption to each taxpayer on a pro rata basis.

The Department may adopt rules to implement and administer the exemption for production related tangible personal property.

The manufacturing and assembling machinery and equipment exemption includes the sale of materials to a purchaser who produces exempted types of machinery, equipment, or tools and who rents or leases that machinery, equipment, or tools to a manufacturer of tangible personal property. The agency's finding and a statement of the specific reasons for the finding shall be filed with the rule. The agency shall take reasonable and appropriate measures to make emergency rules known to the persons who may be affected by them.

(c) An emergency rule may be effective for a period of not longer than 150 days, but the agency's authority to adopt an identical rule under Section 5-40 is not precluded. Notwithstanding any provision of the law to the contrary, the General Assembly hereby authorizes the use of such funds for the purposes set forth in this Section.

These provisions do not apply to funds classified by the Comptroller as federal trust funds or State trust funds. The Audit Expense Fund may receive transfers from those trust funds only as directed herein, except where prohibited by the terms of the trust fund agreement. The Auditor General shall notify the trustees of those funds of the estimated cost of the audit to be incurred under the Illinois State Auditing Act for the
fund. The trustees of those funds shall direct the State Comptroller and Treasurer to transfer the estimated amount to the Audit Expense Fund.

The Auditor General may bill entities that are not subject to the above transfer provisions, including private entities, related organizations and entities whose funds are locally-held, for the cost of audits, studies, and investigations incurred on their behalf. Any revenues received under this provision shall be deposited into the Audit Expense Fund.

In the event that moneys on deposit in any fund are unavailable, by reason of deficiency or any other reason preventing their lawful transfer, the State Comptroller shall order transferred and the State Treasurer shall transfer the amount deficient or otherwise unavailable from the General Revenue Fund for deposit into the Audit Expense Fund.

On or before December 1, 1992, and each December 1 thereafter, the Auditor General shall notify the Governor's Office of Management and Budget (formerly Bureau of the Budget) of the amount estimated to be necessary to pay for audits, studies, and investigations in accordance with the Illinois State Auditing Act during the next succeeding fiscal year for each State fund for which a transfer or reimbursement is anticipated.

Beginning with fiscal year 1994 and during each fiscal year thereafter, the Auditor General may direct the State Comptroller and Treasurer to transfer moneys from funds authorized by the General Assembly for that fund. In the event funds, including federal and State trust funds but excluding the General Revenue Fund, are transferred, during fiscal year 1994 and during each fiscal year thereafter, in excess of the amount to pay actual costs attributable to audits, studies, and investigations as permitted or required by the Illinois State Auditing Act or specific action of the General Assembly, the Auditor General shall, on September 30, or as soon thereafter as is practicable, direct the State Comptroller and Treasurer to transfer the excess amount back to the fund from which it was originally transferred.

Services Fund.

(1.5) Starting in fiscal year 2011, and continuing through
fiscal year 2017, as soon as possible after the beginning of each
fiscal year, and in no event later than July 30, the State Comptroller
and the State Treasurer shall automatically transfer $45,000,000
from the General Revenue Fund to the University of Illinois
Hospital Services Fund; except that, in fiscal year 2012 only, the
State Comptroller and the State Treasurer shall transfer
$90,000,000 from the General Revenue Fund to the University of
Illinois Hospital Services Fund under this paragraph, and, in fiscal
year 2013 only, the State Comptroller and the State Treasurer shall
transfer no amounts from the General Revenue Fund to the
University of Illinois Hospital Services Fund under this paragraph.

(1.7) Starting in fiscal year 2018, at the direction of and
upon notification from the Director of Healthcare and Family
Services, the State Comptroller shall direct and the State Treasurer
shall transfer an amount of at least $20,000,000 but not exceeding
a total of $45,000,000 from the General Revenue Fund to the
University of Illinois Hospital Services Fund in each fiscal year.

(2) All intergovernmental transfer payments to the
Department of Healthcare and Family Services by the University of
Illinois made pursuant to an intergovernmental agreement under
subsection (b) or (c) of Section 5A-3 of the Illinois Public Aid
Code.

(3) All federal matching funds received by the Department
of Healthcare and Family Services (formerly Illinois Department of

Sec. 6z-32. Partners for Planning and Conservation.

(a) The Partners for Conservation Fund (formerly known as the Conservation 2000 Fund) and the Partners for Conservation Projects Fund (formerly known as the Conservation 2000 Projects Fund) are created as special funds in the State Treasury. These funds shall be used to establish a comprehensive program to protect Illinois' natural resources through cooperative partnerships between State government and public and private landowners. Moneys in these Funds may be used, subject to appropriation, by the Department of Natural Resources, Environmental Protection Agency, and the Department of Agriculture for purposes relating to natural resource protection, planning, recreation, tourism, and compatible agricultural and economic development activities. (a) The School Infrastructure Fund is created as a special fund in the State Treasury.

In addition to any other deposits authorized by law, beginning January 1, 2000, on the first day of each month, or as soon thereafter as may be practical, the State Treasurer and State Comptroller shall transfer the sum of $5,000,000 from the General Revenue Fund to the School Infrastructure Fund, except that, notwithstanding any other provision of law, and in addition to any other transfers that may be provided for by law, before June 30, 2012, the Comptroller and the Treasurer shall transfer $45,000,000 from the General Revenue Fund into the School Infrastructure Fund, and, for fiscal year 2013 only, the Treasurer and the Comptroller shall transfer $1,250,000 from the General Revenue Fund to the School Infrastructure Fund on the first day of each month; provided, however, that no such transfers shall be made from July 1, 2001 through June 30, 2003.

(a-5) Money in the School Infrastructure Fund may be used to pay the expenses of the State Board of Education, the Governor's Office of Management and Budget, and the Capital Development Board in administering programs under the School Construction Law, the total expenses not to exceed $1,315,000 in any fiscal year.

(b) Subject to the transfer provisions set forth below, money in the School Infrastructure Fund shall, if and when the State of Illinois incurs any bonded indebtedness for the construction of school improvements under subsection (e) of Section 5 of the General Obligation Bond Act the School Construction Law, be set aside and used for the purpose of paying and discharging annually the principal and interest on that bonded indebtedness then due and payable, and for no other purpose.

In addition to other transfers to the General Obligation Bond Retirement and Interest Fund made pursuant to Section 15 of the General Obligation Bond Act, upon each delivery of bonds issued for construction of school improvements under the School Construction Law, the State Comptroller shall compute and certify to the State Treasurer the total amount of principal of, interest on, and premium, if any, on such bonds during the then current and each succeeding fiscal year. With respect to the interest payable on variable rate bonds, such certifications shall be calculated at the maximum rate of interest that may be payable during the fiscal year, after taking into account any credits permitted in the related

On or before the last day of each month, the State Treasurer and State Comptroller shall transfer from the School Infrastructure Fund to the General Obligation Bond Retirement and Interest Fund an amount sufficient to pay the aggregate of the principal of, interest on, and premium, if any, on the bonds payable on their next payment date, divided by the number of monthly transfers occurring between the last previous payment date (or the delivery date if no payment date has yet occurred) and the next succeeding payment date. Interest payable on variable rate bonds shall be calculated at the maximum rate of interest that may be payable for the relevant period, after taking into account any credits permitted in the related indenture or other instrument against the amount of such interest required to be appropriated for that period. Interest for which moneys have already been deposited into the capitalized interest account within the General Obligation Bond Retirement and Interest Fund shall not be included in the calculation of the amounts to be transferred under this subsection.

(b-5) The money deposited into the School Infrastructure Fund from transfers pursuant to subsections (c-30) and (c-35) of Section 13 of the Riverboat Gambling Act shall be applied, without further direction, as provided in subsection (b-3) of Section 5-35 of the School Construction Law.

Sec. 13.2. Transfers among line item appropriations.

(a) Transfers among line item appropriations from the same treasury fund for the objects specified in this Section may be made in the manner provided in this Section when the balance remaining in one or more such line item appropriations is insufficient for the purpose for which the appropriation was made.

(a-1) No transfers may be made from one agency to another agency, nor may transfers be made from one institution of higher education to another institution of higher education, nor may transfers be made from any educational institution to another governmental or nonprofit agency.

education to another institution of higher education except as provided by subsection (a-4).

(a-2) Except as otherwise provided in this Section, transfers may be made only among the objects of expenditure enumerated in this Section, except that no funds may be transferred from any appropriation for personal services, from any appropriation for State contributions to the State Employees' Retirement System, from any separate appropriation for employee retirement contributions paid by the employer, nor from any appropriation for State contribution for employee group insurance. During State fiscal year 2005, an agency may transfer amounts among its appropriations within the same treasury fund for personal services, employee retirement contributions paid by employer, and State Contributions to retirement systems; notwithstanding and in addition to the transfers authorized in subsection (c) of this Section, the fiscal year 2005 transfers authorized in this sentence may be made in an amount not to exceed 2% of the aggregate amount appropriated to an agency within the same treasury fund. During State fiscal year 2007, the Departments of Children and Family Services, Corrections, Human Services, and Juvenile Justice may transfer amounts among their respective appropriations within the same treasury fund for personal services, employee retirement contributions paid by employer, and State contributions to retirement systems. During State fiscal year 2010, the Department of Transportation may transfer amounts among their respective appropriations within the same treasury fund for personal services, employee retirement contributions paid by employer, and State contributions to retirement systems. During State fiscal years 2010 and 2014 only, an agency may transfer amounts among its respective appropriations within the same treasury fund for personal services, employee retirement contributions paid by employer, and State contributions to retirement systems. Notwithstanding, and in addition to, the transfers authorized in subsection (c) of this Section, these transfers may be made in an amount not to exceed 2% of the aggregate amount appropriated to an agency within the same treasury fund.

(a-2.5) During State fiscal year 2015 only, the State's Attorneys Appellate Prosecutor may transfer amounts among its respective appropriations contained in operational line items within the same treasury fund. Notwithstanding, and in addition to, the transfers authorized in subsection (c) of this Section, these transfers may be made in an amount not to exceed 2% of the aggregate amount appropriated to an agency within the same treasury fund.

not to exceed 4% of the aggregate amount appropriated to the State's Attorneys Appellate Prosecutor within the same treasury fund.

(a-3) Further, if an agency receives a separate appropriation for employee retirement contributions paid by the employer, any transfer by that agency into an appropriation for personal services must be accompanied by a corresponding transfer into the appropriation for employee retirement contributions paid by the employer, in an amount sufficient to meet the employer share of the employee contributions required to be remitted to the retirement system.

(a-4) Long-Term Care Rebalancing. The Governor may designate amounts set aside for institutional services appropriated from the General Revenue Fund or any other State fund that receives monies for long-term care services to be transferred to all State agencies responsible for the administration of community-based long-term care programs, including, but not limited to, community-based long-term care programs administered by the Department of Healthcare and Family Services, the Department of Human Services, and the Department on Aging, provided that the Director of Healthcare and Family Services first certifies that the amounts being transferred are necessary for the purpose of assisting persons in or at risk of being in institutional care to transition to community-based settings, including the financial data needed to prove the need for the transfer of funds. The total amounts transferred shall not exceed 4% in total of the amounts appropriated from the General Revenue Fund or any other State fund that receives monies for long-term care services for each fiscal year. A notice of the fund transfer must be made to the General Assembly and posted at a minimum on the Department of Healthcare and Family Services website, the Governor's Office of Management and Budget website, and any other website the Governor sees fit. These postings shall serve as notice to the General Assembly of the amounts to be transferred. Notice shall be given at least 30 days prior to transfer.

(b) In addition to the general transfer authority provided under subsection (c), the following agencies have the specific transfer authority granted in this subsection:

The Department of Healthcare and Family Services is authorized to make transfers representing savings attributable to not increasing grants due to the births of additional children from line items for payments of cash grants to line items for payments for employment and social services
for the purposes outlined in subsection (f) of Section 4-2 of the Illinois Public Aid Code.

The Department of Children and Family Services is authorized to make transfers not exceeding 2% of the aggregate amount appropriated to it within the same treasury fund for the following line items among these same line items: Foster Home and Specialized Foster Care and Prevention, Institutions and Group Homes and Prevention, and Purchase of Adoption and Guardianship Services.

The Department on Aging is authorized to make transfers not exceeding 2% of the aggregate amount appropriated to it within the same treasury fund for the following Community Care Program line items among these same line items: purchase of services covered by the Community Care Program and Comprehensive Case Coordination.

The State Treasurer is authorized to make transfers among line item appropriations from the Capital Litigation Trust Fund, with respect to costs incurred in fiscal years 2002 and 2003 only, when the balance remaining in one or more such line item appropriations is insufficient for the purpose for which the appropriation was made, provided that no such transfer may be made unless the amount transferred is no longer required for the purpose for which that appropriation was made.

The State Board of Education is authorized to make transfers from line item appropriations within the same treasury fund for General State Aid and General State Aid - Hold Harmless, provided that no such transfer may be made unless the amount transferred is no longer required for the purpose for which that appropriation was made, to the line item appropriation for Transitional Assistance when the balance remaining in such line item appropriation is insufficient for the purpose for which the appropriation was made.

(c-1) Special provisions for State fiscal year 2003. Notwithstanding any other provision of this Section to the contrary, for State fiscal year 2003 only, transfers among line item appropriations to an agency from the same treasury fund may be made provided that the sum of such transfers for an agency in State fiscal year 2003 shall not exceed 3% of the aggregate amount appropriated to that State agency for State fiscal year 2003 for the following objects: personal services, except that no transfer may be approved which reduces the aggregate appropriations for personal services within an agency; extra help; student and inmate compensation; State contributions to retirement systems; State contributions to social security; State contributions for employee group insurance; contractual services; travel; commodities; printing; equipment; electronic data processing; operation of automotive equipment; telecommunications services; travel and allowance for committed, paroled, and discharged

(c-3) Special provisions for State fiscal year 2015. (30 ILCS 115/12) (from Ch. 85, par. 616)
Sec. 12. Personal Property Tax Replacement Fund. There is hereby created the Personal Property Tax Replacement Fund, a special fund in the State Treasury into which shall be paid all revenue realized:

(a) all amounts realized from the additional personal property tax replacement income tax imposed by subsections (c) and (d) of Section 201 of the Illinois Income Tax Act, except for those amounts deposited into the Income Tax Refund Fund pursuant to subsection (c) of Section 901 of the Illinois Income Tax Act; and

New matter indicated by italics - deletions by strikeout
(b) all amounts realized from the additional personal property replacement invested capital taxes imposed by Section 2a.1 of the Messages Tax Act, Section 2a.1 of the Gas Revenue Tax Act, Section 2a.1 of the Public Utilities Revenue Act, and Section 3 of the Water Company Invested Capital Tax Act, and amounts payable to the Department of Revenue under the Telecommunications Infrastructure Maintenance Fee Act.

As soon as may be after the end of each month, the Department of Revenue shall certify to the Treasurer and the Comptroller the amount of all refunds paid out of the General Revenue Fund through the preceding month on account of overpayment of liability on taxes paid into the Personal Property Tax Replacement Fund. Upon receipt of such certification, the Treasurer and the Comptroller shall transfer the amount so certified from the Personal Property Tax Replacement Fund into the General Revenue Fund.

The payments of revenue into the Personal Property Tax Replacement Fund shall be used exclusively for distribution to taxing districts, regional offices and officials, and local officials as provided in this Section and in the School Code, payment of the ordinary and contingent expenses of the Property Tax Appeal Board, payment of the expenses of the Department of Revenue incurred in administering the collection and distribution of monies paid into the Personal Property Tax Replacement Fund and transfers due to refunds to taxpayers for overpayment of liability for taxes paid into the Personal Property Tax Replacement Fund.

In addition, moneys in the Personal Property Tax Replacement Fund may be used to pay any of the following: (i) salary, stipends, and additional compensation as provided by law for chief election clerks, county clerks, and county recorders; (ii) costs associated with regional offices of education and educational service centers; (iii) reimbursements payable by the State Board of Elections under Section 4-25, 5-35, 6-71, 13-10, 13-10a, or 13-11 of the Election Code; (iv) expenses of the Illinois Educational Labor Relations Board; and (v) salary, personal services, and additional compensation as provided by law for court reporters under the Court Reporters Act.

As soon as may be after the effective date of this amendatory Act of 1980, the Department of Revenue shall certify to the Treasurer the amount of net replacement revenue paid into the General Revenue Fund prior to that effective date from the additional tax imposed by Section 2a.1
of the Messages Tax Act; Section 2a.1 of the Gas Revenue Tax Act; Section 2a.1 of the Public Utilities Revenue Act; Section 3 of the Water Company Invested Capital Tax Act; amounts collected by the Department of Revenue under the Telecommunications Infrastructure Maintenance Fee Act; and the additional personal property tax replacement income tax imposed by the Illinois Income Tax Act, as amended by Public Act 81-1st Special Session-1. Net replacement revenue shall be defined as the total amount paid into and remaining in the General Revenue Fund as a result of those Acts minus the amount outstanding and obligated from the General Revenue Fund in state vouchers or warrants prior to the effective date of this amendatory Act of 1980 as refunds to taxpayers for overpayment of liability under those Acts.

All interest earned by monies accumulated in the Personal Property Tax Replacement Fund shall be deposited in such Fund. All amounts allocated pursuant to this Section are appropriated on a continuing basis.

Prior to December 31, 1980, as soon as may be after the end of each quarter beginning with the quarter ending December 31, 1979, and on and after December 31, 1980, as soon as may be after January 1, March 1, April 1, May 1, July 1, August 1, October 1 and December 1 of each year, the Department of Revenue shall allocate to each taxing district as defined in Section 1-150 of the Property Tax Code, in accordance with the provisions of paragraph (2) of this Section the portion of the funds held in the Personal Property Tax Replacement Fund which is required to be distributed, as provided in paragraph (1), for each quarter. Provided, however, under no circumstances shall any taxing district during each of the first two years of distribution of the taxes imposed by this amendatory Act of 1979 be entitled to an annual allocation which is less than the funds such taxing district collected from the 1978 personal property tax. Provided further that under no circumstances shall any taxing district during the third year of distribution of the taxes imposed by this amendatory Act of 1979 receive less than 60% of the funds such taxing district collected from the 1978 personal property tax. In the event that the total of the allocations made as above provided for all taxing districts, during either of such 3 years, exceeds the amount available for distribution the allocation of each taxing district shall be proportionately reduced. Except as provided in Section 13 of this Act, the Department shall then certify, pursuant to appropriation, such allocations to the State Comptroller who shall pay over to the several taxing districts the respective amounts allocated to them.

amount of such insufficiency shall be carried over for the purposes
of payments for regional offices and officials, local officials,
transfers into the General Revenue Fund, and costs of administration to the following month or months. Net replacement revenue held, and defined above, shall be transferred by the Treasurer and Comptroller to the Personal Property Tax Replacement Fund within 10 days of such certification.

(2) Each quarterly allocation shall first be apportioned in the following manner: 51.65% for taxing districts in Cook County and 48.35% for taxing districts in the remainder of the State.

The Personal Property Replacement Ratio of each taxing district outside Cook County shall be the ratio which the Tax Base of that taxing district bears to the Downstate Tax Base. The Tax Base of each taxing district outside of Cook County is the personal property tax collections for that taxing district for the 1977 tax year. The Downstate Tax Base is the personal property tax collections for all taxing districts in the State outside of Cook County for the 1977 tax year. The Department of Revenue shall have authority to review for accuracy and completeness the personal property tax collections for each taxing district outside Cook County for the 1977 tax year.

The Personal Property Replacement Ratio of each Cook County taxing district shall be the ratio which the Tax Base of that taxing district bears to the Cook County Tax Base. The Tax Base of each Cook County taxing district is the personal property tax collections for that taxing district for the 1976 tax year. The Cook County Tax Base is the personal property tax collections for all taxing districts in Cook County for the 1976 tax year. The Department of Revenue shall have authority to review for accuracy and completeness the personal property tax collections for each taxing district within Cook County for the 1976 tax year.

For all purposes of this Section 12, amounts paid to a taxing district for such tax years as may be applicable by a foreign corporation under the provisions of Section 7-202 of the Public Utilities Act, as amended, shall be deemed to be personal property taxes collected by such taxing district for such tax years as may be applicable. The Director shall determine from the Illinois Commerce Commission, for any tax year as may be applicable, the amounts so paid by any such foreign corporation to any and all taxing districts. The Illinois Commerce Commission shall furnish such information to the Director. For all purposes of this Section 12, the Director shall deem such amounts to be collected personal property taxes of each such taxing district for the applicable tax year or years.

Taxing districts located both in Cook County and in one or more other counties shall receive both a Cook County allocation and a Downstate allocation determined in the same way as all other taxing districts.

If any taxing district in existence on July 1, 1979 ceases to exist, or discontinues its operations, its Tax Base shall thereafter be deemed to be zero. If the powers, duties and obligations of the discontinued taxing district are assumed by another taxing district, the Tax Base of the discontinued taxing district shall be added to the Tax Base of the taxing district assuming such powers, duties and obligations.

If two or more taxing districts in existence on July 1, 1979, or a successor or successors thereto shall consolidate into one taxing district, the Tax Base of such consolidated taxing district shall be the sum of the Tax Bases of each of the taxing districts which have consolidated.

If a single taxing district in existence on July 1, 1979, or a successor or successors thereto shall be divided into two or more separate taxing districts, the tax base of the taxing district so divided shall be allocated to each of the resulting taxing districts in proportion to the then current equalized assessed value of each resulting taxing district.

If a portion of the territory of a taxing district is disconnected and annexed to another taxing district of the same type, the Tax Base of the taxing district from which disconnection was made shall be reduced in proportion to the then current equalized assessed value of the disconnected territory as compared with the then current equalized assessed value within the entire territory of the taxing district prior to disconnection, and the amount of such reduction shall be added to the Tax Base of the taxing district to which annexation is made.

If a community college district is created after July 1, 1979, beginning on the effective date of this amendatory Act of 1995, its Tax Base shall be 3.5% of the sum of the personal property tax collected for the 1977 tax year within the territorial jurisdiction of the district.

The amounts allocated and paid to taxing districts pursuant to the provisions of this amendatory Act of 1979 shall be deemed to be substitute revenues for the revenues derived from taxes imposed on personal property pursuant to the provisions of the "Revenue Act of 1939" or "An Act for the assessment and taxation of private car line companies", approved July 22, 1943, as amended, or Section 414 of the Illinois Insurance Code, prior to the abolition of such taxes and shall be used for
the same purposes as the revenues derived from ad valorem taxes on real estate.

Monies received by any taxing districts from the Personal Property Tax Replacement Fund shall be first applied toward payment of the proportionate amount of debt service which was previously levied and collected from extensions against personal property on bonds outstanding as of December 31, 1978 and next applied toward payment of the proportionate share of the pension or retirement obligations of the taxing district which were previously levied and collected from extensions against personal property. For each such outstanding bond issue, the County Clerk shall determine the percentage of the debt service which was collected from extensions against real estate in the taxing district for 1978 taxes payable in 1979, as related to the total amount of such levies and collections from extensions against both real and personal property. For 1979 and subsequent years' taxes, the County Clerk shall levy and extend taxes against the real estate of each taxing district which will yield the said percentage or percentages of the debt service on such outstanding bonds. The balance of the amount necessary to fully pay such debt service shall constitute a first and prior lien upon the monies received by each such taxing district through the Personal Property Tax Replacement Fund and shall be first applied or set aside for such purpose. In counties having fewer than 3,000,000 inhabitants, the amendments to this paragraph as made by this amendatory Act of 1980 shall be first applicable to 1980 taxes to be collected in 1981.

The Department shall have full power to administer and enforce this subsection, to collect all taxes and penalties so collected in the manner provided in this subsection, and to determine all rights to credit memoranda arising on account of the erroneous payment of tax or penalty under this subsection. In the administration of and compliance with this subsection, the Department and persons who are subject to this subsection shall have the same rights, remedies, privileges, immunities, powers, and duties, shall be subject to the same conditions, restrictions, limitations, penalties, exclusions, exemptions, and definitions of terms, and shall employ the same modes of procedure applicable to this Retailers' Occupation Tax as are prescribed in Sections 1, 2 through 2-65 (in respect to all provisions of those Sections other than the State rate of taxes), 2c, 2h, 2i, 3 (except as to the disposition of taxes and penalties collected), 4, 5, 5a, 5b, 5c, 5d, 5e, 5f, 5g, 5i, 5j, 6, 6a, 6b, 6c, 7, 8, 9, 10, 11, 12, 13, and, until January 1, 1994, 13.5 of the Retailers' Occupation Tax Act, and, on and after January 1, 1994, all

Within 10 days after receipt by the Comptroller of the certification, the Comptroller shall cause the orders to be drawn for the remaining amounts, and the Treasurer shall administer those amounts as required in subsection (g).

A certificate of registration issued by the Illinois Department of Revenue to a retailer under the Retailers' Occupation Tax Act shall permit the registrant to engage in a business that is taxed under the tax imposed under this subsection, and no additional registration shall be required under the ordinance imposing the tax or under this subsection.

The Authority may enter into agreements as it deems appropriate with any governmental agency providing for that agency to act as the Authority's agent to collect the tax.

In the ordinance imposing the tax, the Authority may designate a method or methods for persons subject to the tax to reimburse themselves for the tax liability arising under the ordinance (i) by separately stating the full amount of the tax liability as an additional charge to passengers departing the airports, (ii) by separately stating one-half of the tax liability as an additional charge to both passengers departing from and to passengers arriving at the airports, or (iii) by some other method determined by the Authority.

All taxes, penalties, and interest collected under any ordinance adopted under this subsection, less any amounts determined to be necessary for the payment of refunds and less the taxes, penalties, and interest attributable to any increase in the rate of tax authorized by Public Act 96-898, shall be paid forthwith to the State Treasurer, ex officio, for deposit into a trust fund held outside the State Treasury and shall be administered by the State Treasurer as provided in subsection (g) of this Section. All taxes, penalties, and interest attributable to any increase in the rate of tax authorized by Public Act 96-898 shall be paid by the State Treasurer as follows: 25% for deposit into the Convention Center Support
Fund, to be used by the Village of Rosemont for the repair, maintenance, and improvement of the Donald E. Stephens Convention Center and for debt service on debt instruments issued for those purposes by the village and 75% to the Authority to be used for grants to an organization meeting the qualifications set out in Section 5.6 of this Act, provided the Metropolitan Pier and Exposition Authority has entered into a marketing agreement with such an organization.

(g) Amounts deposited from the proceeds of taxes imposed by the Authority under subsections (b), (c), (d), (e), and (f) of this Section and amounts deposited under Section 19 of the Illinois Sports Facilities Authority Act shall be held in a trust fund outside the State Treasury and shall be administered by the Treasurer as follows:

1. An amount necessary for the payment of refunds with respect to those taxes shall be retained in the trust fund and used for those payments.

2. On July 20 and on the 20th of each month thereafter, provided that the amount requested in the annual certificate of the Chairman of the Authority filed under Section 8.25f of the State Finance Act has been appropriated for payment to the Authority, 1/8 of the local tax transfer amount, together with any cumulative deficiencies in the amounts transferred into the McCormick Place Expansion Project Fund under this subparagraph (2) during the fiscal year for which the certificate has been filed, shall be transferred from the trust fund into the McCormick Place Expansion Project Fund in the State treasury until 100% of the local tax transfer amount has been so transferred. "Local tax transfer amount" shall mean the amount requested in the annual certificate, minus the reduction amount. "Reduction amount" shall mean $41.7 million in fiscal year 2011, $36.7 million in fiscal year 2012, $36.7 million in fiscal year 2013, $36.7 million in fiscal year 2014, and $31.7 million in each fiscal year thereafter until 2032, provided that the reduction amount shall be reduced by (i) the amount certified by the Authority to the State Comptroller and State Treasurer under Section 8.25 of the State Finance Act, as amended, with respect to that fiscal year and (ii) in any fiscal year in which the amounts deposited in the trust fund under this Section exceed $318.3 million, exclusive of amounts set aside for refunds and for the reserve account, one dollar for each dollar of the deposits in the trust fund above $318.3 million with respect to that fiscal year.
(3) On July 20, 2010, the Comptroller shall certify to the Governor, the Treasurer, and the Chairman of the Authority the 2010 deficiency amount, which means the cumulative amount of transfers that were due from the trust fund to the McCormick Place Expansion Project Fund in fiscal years 2008, 2009, and 2010 under Section 13(g) of this Act, as it existed prior to May 27, 2010 (the effective date of Public Act 96-898), but not made. On July 20, 2011 and on July 20 of each year through July 20, 2014, the Treasurer shall calculate for the previous fiscal year the surplus revenues in the trust fund and pay that amount to the Authority. On July 20, 2015 and on July 20 of each year thereafter to and including July 20, 2017, as long as bonds and notes issued under Section 13.2 or bonds and notes issued to refund those bonds and notes are outstanding, the Treasurer shall calculate for the previous fiscal year the surplus revenues in the trust fund and pay one-half of that amount to the State Treasurer for deposit into the General Revenue Fund until the 2010 deficiency amount has been paid and shall pay the balance of the surplus revenues to the Authority. On July 20, 2018 and on July 20 of each year thereafter, the Treasurer shall calculate for the previous fiscal year the surplus revenues in the trust fund and pay all of such surplus revenues to the State Treasurer for deposit into the General Revenue Fund until the 2010 deficiency amount has been paid. After the 2010 deficiency amount has been paid, the Treasurer shall pay the balance of the surplus revenues to the Authority. "Surplus revenues" means the amounts remaining in the trust fund on June 30 of the previous fiscal year (A) after the State Treasurer has set aside in the trust fund (i) amounts retained for refunds under subparagraph (1) and (ii) any amounts necessary to meet the reserve account amount and (B) after the State Treasurer has transferred from the trust fund to the General Revenue Fund 100% of any post-2010 deficiency amount. "Reserve account amount" means $15 million in fiscal year 2011 and $30 million in each fiscal year thereafter. The reserve account amount shall be set aside in the trust fund and used as a reserve to be transferred to the McCormick Place Expansion Project Fund in the event the proceeds of taxes imposed under this Section 13 are not sufficient to fund the transfer required in

subparagraph (2). "Post-2010 deficiency amount" means any deficiency in transfers from the trust fund to the McCormick Place Expansion Project Fund with respect to fiscal years 2011 and thereafter. It is the intention of this subparagraph (3) that no surplus revenues shall be paid to the Authority with respect to any year in which a post-2010 deficiency amount has not been satisfied by the Authority.

Moneys received by the Authority as surplus revenues may be used (i) for the purposes of paying debt service on the bonds and notes issued by the Authority, including early redemption of those bonds or notes, (ii) for the purposes of repair, replacement, and improvement of the grounds, buildings, and facilities of the Authority, and (iii) for the corporate purposes of the Authority in fiscal years 2011 through 2015 in an amount not to exceed $20,000,000 annually or $80,000,000 total, which amount shall be reduced $0.75 for each dollar of the receipts of the Authority in that year from any contract entered into with respect to naming rights at McCormick Place under Section 5(m) of this Act. When bonds and notes issued under Section 13.2, or bonds or notes issued to refund those bonds and notes, are no longer outstanding, the balance in the trust fund shall be paid to the Authority.

(h) The ordinances imposing the taxes authorized by this Section shall be repealed when bonds and notes issued under Section 13.2 or bonds and notes issued to refund those bonds and notes are no longer outstanding.

(d) Beginning with State fiscal year 1990 and continuing for each State fiscal year thereafter, the Authority shall annually certify to the State Comptroller and State Treasurer, separately with respect to each of subdivisions (g)(2) and (g)(3) of Section 4.04 of this Act, the following amounts:

1. The amount necessary and required, during the State fiscal year with respect to which the certification is made, to pay its obligations for debt service on all outstanding bonds or notes issued by the Authority under subdivisions (g)(2) and (g)(3) of Section 4.04 of this Act.

2. An estimate of the amount necessary and required to pay its obligations for debt service for any bonds or notes which the Authority anticipates it will issue under subdivisions (g)(2) and (g)(3) of Section 4.04 during that State fiscal year.

3. Its debt service savings during the preceding State fiscal year from refunding or advance refunding of bonds or notes issued under subdivisions (g)(2) and (g)(3) of Section 4.04.

4. The amount of interest, if any, earned by the Authority during the previous State fiscal year on the proceeds of bonds or notes issued pursuant to subdivisions (g)(2) and (g)(3) of Section 4.04, other than refunding or advance refunding bonds or notes.

The certification shall include a specific schedule of debt service payments, including the date and amount of each payment for all outstanding bonds or notes and an estimated schedule of anticipated debt service for all bonds and notes it intends to issue, if any, during that State fiscal year, including the estimated date and estimated amount of each payment.
Immediately upon the issuance of bonds for which an estimated schedule of debt service payments was prepared, the Authority shall file an amended certification with respect to item (2) above, to specify the actual schedule of debt service payments, including the date and amount of each payment, for the remainder of the State fiscal year.

On the first day of each month of the State fiscal year in which there are bonds outstanding with respect to which the certification is made, the State Comptroller shall order transferred and the State Treasurer shall transfer from the Road General Revenue Fund to the Public Transportation Fund the Additional State Assistance and Additional Financial Assistance in an amount equal to the aggregate of (i) one-twelfth of the sum of the amounts certified under items (1) and (3) above less the amount certified under item (4) above, plus (ii) the amount required to pay debt service on bonds and notes issued during the fiscal year, if any, divided by the number of months remaining in the fiscal year after the date of issuance, or some smaller portion as may be necessary under subsection (c) or (c-5) of this Section for the relevant State fiscal year, plus (iii) any cumulative deficiencies in transfers for prior months, until an amount equal to the sum of the amounts certified under items (1) and (3) above, plus the actual debt service certified under item (2) above, less the amount certified under item (4) above, has been transferred; except that these transfers are subject to the following limits:

(A) In no event shall the total transfers in any State fiscal year relating to outstanding bonds and notes issued by the Authority under subdivision (g)(2) of Section 4.04 exceed the lesser of the annual maximum amount specified in subsection (c) or the sum of the amounts certified under items (1) and (3) above, plus the actual debt service certified under item (2) above, less the amount certified under item (4) above, with respect to those bonds and notes.

(B) In no event shall the total transfers in any State fiscal year relating to outstanding bonds and notes issued by the Authority under subdivision (g)(3) of Section 4.04 exceed the lesser of the annual maximum amount specified in subsection (c-5) or the sum of the amounts certified under items (1) and (3) above, plus the actual debt service certified under item (2) above, less the amount certified under item (4) above, with respect to those bonds and notes.

New matter indicated by italics - deletions by strikeout
The term "outstanding" does not include bonds or notes for which refunding or advance refunding bonds or notes have been issued.

(e) Neither Additional State Assistance nor Additional Financial Assistance may be pledged, either directly or indirectly as general revenues of the Authority, as security for any bonds issued by the Authority. The Authority may not assign its right to receive Additional State Assistance or Additional Financial Assistance, or direct payment of Additional State Assistance or Additional Financial Assistance, to a trustee or any other entity for the payment of debt service on its bonds.

(f) The certification required under subsection (d) with respect to outstanding bonds and notes of the Authority shall be filed as early as practicable before the beginning of the State fiscal year to which it relates. The certification shall be revised as may be necessary to accurately state the debt service requirements of the Authority.

(g) Within 6 months of the end of each fiscal year, the Authority shall determine:

(i) whether the aggregate of all system generated revenues for public transportation in the metropolitan region which is provided by, or under grant or purchase of service contracts with, the Service Boards equals 50% of the aggregate of all costs of providing such public transportation. "System generated revenues" include all the proceeds of fares and charges for services provided, contributions received in connection with public transportation from units of local government other than the Authority, except for contributions received by the Chicago Transit Authority from a real estate transfer tax imposed under subsection (i) of Section 8-3-19 of the Illinois Municipal Code, and from the State pursuant to subsection (i) of Section 2705-305 of the Department of Transportation Law (20 ILCS 2705/2705-305), and all other revenues properly included consistent with generally accepted accounting principles but may not include: the proceeds from any borrowing, and, beginning with the 2007 fiscal year, all revenues and receipts, including but not limited to fares and grants received from the federal, State or any unit of local government or other entity, derived from providing ADA paratransit service pursuant to Section 2.30 of the Regional Transportation Authority Act. "Costs" include all items properly included as operating costs consistent with generally accepted accounting principles, including administrative costs, but do not include: depreciation; payment of
principal and interest on bonds, notes or other evidences of obligations for borrowed money of the Authority; payments with respect to public transportation facilities made pursuant to subsection (b) of Section 2.20; any payments with respect to rate protection contracts, credit enhancements or liquidity agreements made under Section 4.14; any other cost as to which it is reasonably expected that a cash expenditure will not be made; costs for passenger security including grants, contracts, personnel, equipment and administrative expenses, except in the case of the Chicago Transit Authority, in which case the term does not include costs spent annually by that entity for protection against crime as required by Section 27a of the Metropolitan Transit Authority Act; the costs of Debt Service paid by the Chicago Transit Authority, as defined in Section 12c of the Metropolitan Transit Authority Act, or bonds or notes issued pursuant to that Section; the payment by the Commuter Rail Division of debt service on bonds issued pursuant to Section 3B.09; expenses incurred by the Suburban Bus Division for the cost of new public transportation services funded from grants pursuant to Section 2.01e of this amendatory Act of the 95th General Assembly for a period of 2 years from the date of initiation of each such service; costs as exempted by the Board for projects pursuant to Section 2.09 of this Act; or, beginning with the 2007 fiscal year, expenses related to providing ADA paratransit service pursuant to Section 2.30 of the Regional Transportation Authority Act; or in fiscal years 2008 through 2012 inclusive, costs in the amount of $200,000,000 in fiscal year 2008, reducing by $40,000,000 in each fiscal year thereafter until this exemption is eliminated. If said system generated revenues are less than 50% of said costs, the Board shall remit an amount equal to the amount of the deficit to the State. The Treasurer shall deposit any such payment in the Road General Revenue Fund; and

(ii) whether, beginning with the 2007 fiscal year, the aggregate of all fares charged and received for ADA paratransit services equals the system generated ADA paratransit services revenue recovery ratio percentage of the aggregate of all costs of providing such ADA paratransit services.

(h) If the Authority makes any payment to the State under paragraph (g), the Authority shall reduce the amount provided to a Service Board from funds transferred under paragraph (a) in proportion to the

amount by which that Service Board failed to meet its required system generated revenues recovery ratio. A Service Board which is affected by a reduction in funds under this paragraph shall submit to the Authority concurrently with its next due quarterly report a revised budget incorporating the reduction in funds. The revised budget must meet the criteria specified in clauses (i) through (vi) of Section 4.11(b)(2). The Board shall review and act on the revised budget as provided in Section 4.11(b)(3).

Section 5-40. The School Code is amended by changing Section 18-8.05 as follows:

(105 ILCS 5/18-8.05)

Sec. 18-8.05. Basis for apportionment of general State financial aid and supplemental general State aid to the common schools for the 1998-1999 and subsequent school years.

(A) General Provisions.

(1) The provisions of this Section apply to the 1998-1999 and subsequent school years. The system of general State financial aid provided for in this Section is designed to assure that, through a combination of State financial aid and required local resources, the financial support provided each pupil in Average Daily Attendance equals or exceeds a prescribed per pupil Foundation Level. This formula approach imputes a level of per pupil Available Local Resources and provides for the basis to calculate a per pupil level of general State financial aid that, when added to Available Local Resources, equals or exceeds the Foundation Level. The amount of per pupil general State financial aid for school districts, in general, varies in inverse relation to Available Local Resources. Per pupil amounts are based upon each school district's Average Daily Attendance as that term is defined in this Section.

(2) In addition to general State financial aid, school districts with specified levels or concentrations of pupils from low income households are eligible to receive supplemental general State financial aid grants as provided pursuant to subsection (H). The supplemental State aid grants provided for school districts under subsection (H) shall be appropriated for distribution to school districts as part of the same line item in which the general State financial aid of school districts is appropriated under this Section.

New matter indicated by italics - deletions by strikeout
(3) To receive financial assistance under this Section, school districts are required to file claims with the State Board of Education, subject to the following requirements:

(a) Any school district which fails for any given school year to maintain school as required by law, or to maintain a recognized school is not eligible to file for such school year any claim upon the Common School Fund. In case of nonrecognition of one or more attendance centers in a school district otherwise operating recognized schools, the claim of the district shall be reduced in the proportion which the Average Daily Attendance in the attendance center or centers bear to the Average Daily Attendance in the school district. A "recognized school" means any public school which meets the standards as established for recognition by the State Board of Education. A school district or attendance center not having recognition status at the end of a school term is entitled to receive State aid payments due upon a legal claim which was filed while it was recognized.

(b) School district claims filed under this Section are subject to Sections 18-9 and 18-12, except as otherwise provided in this Section.

(c) If a school district operates a full year school under Section 10-19.1, the general State aid to the school district shall be determined by the State Board of Education in accordance with this Section as near as may be applicable.

(d) (Blank).

(4) Except as provided in subsections (H) and (L), the board of any district receiving any of the grants provided for in this Section may apply those funds to any fund so received for which that board is authorized to make expenditures by law. School districts are not required to exert a minimum Operating Tax Rate in order to qualify for assistance under this Section.

(5) As used in this Section the following terms, when capitalized, shall have the meaning ascribed herein:

(a) "Average Daily Attendance": A count of pupil attendance in school, averaged as provided for in subsection (C) and utilized in deriving per pupil financial support levels.

(b) "Available Local Resources": A computation of local financial support, calculated on the basis of Average Daily Attendance and derived as provided pursuant to subsection (D).

New matter indicated by italics - deletions by strikeout
(c) "Corporate Personal Property Replacement Taxes": Funds paid to local school districts pursuant to "An Act in relation to the abolition of ad valorem personal property tax and the replacement of revenues lost thereby, and amending and repealing certain Acts and parts of Acts in connection therewith", certified August 14, 1979, as amended (Public Act 81-1st S.S.-1).

(d) "Foundation Level": A prescribed level of per pupil financial support as provided for in subsection (B).

(e) "Operating Tax Rate": All school district property taxes extended for all purposes, except Bond and Interest, Summer School, Rent, Capital Improvement, and Vocational Education Building purposes.

(B) Foundation Level.

(1) The Foundation Level is a figure established by the State representing the minimum level of per pupil financial support that should be available to provide for the basic education of each pupil in Average Daily Attendance. As set forth in this Section, each school district is assumed to exert a sufficient local taxing effort such that, in combination with the aggregate of general State financial aid provided the district, an aggregate of State and local resources are available to meet the basic education needs of pupils in the district.

(2) For the 1998-1999 school year, the Foundation Level of support is $4,225. For the 1999-2000 school year, the Foundation Level of support is $4,325. For the 2000-2001 school year, the Foundation Level of support is $4,425. For the 2001-2002 school year and 2002-2003 school year, the Foundation Level of support is $4,560. For the 2003-2004 school year, the Foundation Level of support is $4,810. For the 2004-2005 school year, the Foundation Level of support is $4,964. For the 2005-2006 school year, the Foundation Level of support is $5,164. For the 2006-2007 school year, the Foundation Level of support is $5,334. For the 2007-2008 school year, the Foundation Level of support is $5,734. For the 2008-2009 school year, the Foundation Level of support is $5,959.

(3) For the 2009-2010 school year and each school year thereafter, the Foundation Level of support is $6,119 or such greater amount as may be established by law by the General Assembly.

(C) Average Daily Attendance.

(1) For purposes of calculating general State aid pursuant to subsection (E), an Average Daily Attendance figure shall be utilized. The Average Daily Attendance figure for formula calculation purposes shall be
the monthly average of the actual number of pupils in attendance of each school district, as further averaged for the best 3 months of pupil attendance for each school district. In compiling the figures for the number of pupils in attendance, school districts and the State Board of Education shall, for purposes of general State aid funding, conform attendance figures to the requirements of subsection (F).

(2) The Average Daily Attendance figures utilized in subsection (E) shall be the requisite attendance data for the school year immediately preceding the school year for which general State aid is being calculated or the average of the attendance data for the 3 preceding school years, whichever is greater. The Average Daily Attendance figures utilized in subsection (H) shall be the requisite attendance data for the school year immediately preceding the school year for which general State aid is being calculated.

(D) Available Local Resources.

(1) For purposes of calculating general State aid pursuant to subsection (E), a representation of Available Local Resources per pupil, as that term is defined and determined in this subsection, shall be utilized. Available Local Resources per pupil shall include a calculated dollar amount representing local school district revenues from local property taxes and from Corporate Personal Property Replacement Taxes, expressed on the basis of pupils in Average Daily Attendance. Calculation of Available Local Resources shall exclude any tax amnesty funds received as a result of Public Act 93-26.

(2) In determining a school district's revenue from local property taxes, the State Board of Education shall utilize the equalized assessed valuation of all taxable property of each school district as of September 30 of the previous year. The equalized assessed valuation utilized shall be obtained and determined as provided in subsection (G).

(3) For school districts maintaining grades kindergarten through 12, local property tax revenues per pupil shall be calculated as the product of the applicable equalized assessed valuation for the district multiplied by 3.00%, and divided by the district's Average Daily Attendance figure. For school districts maintaining grades kindergarten through 8, local property tax revenues per pupil shall be calculated as the product of the applicable equalized assessed valuation for the district multiplied by 2.30%, and divided by the district's Average Daily Attendance figure. For school districts maintaining grades 9 through 12, local property tax revenues per pupil shall be the applicable equalized assessed valuation of the district.
multiplied by 1.05%, and divided by the district's Average Daily Attendance figure.

For partial elementary unit districts created pursuant to Article 11E of this Code, local property tax revenues per pupil shall be calculated as the product of the equalized assessed valuation for property within the partial elementary unit district for elementary purposes, as defined in Article 11E of this Code, multiplied by 2.06% and divided by the district's Average Daily Attendance figure, plus the product of the equalized assessed valuation for property within the partial elementary unit district for high school purposes, as defined in Article 11E of this Code, multiplied by 0.94% and divided by the district's Average Daily Attendance figure.

(4) The Corporate Personal Property Replacement Taxes paid to each school district during the calendar year one year before the calendar year in which a school year begins, divided by the Average Daily Attendance figure for that district, shall be added to the local property tax revenues per pupil as derived by the application of the immediately preceding paragraph (3). The sum of these per pupil figures for each school district shall constitute Available Local Resources as that term is utilized in subsection (E) in the calculation of general State aid.

(E) Computation of General State Aid.

(1) For each school year, the amount of general State aid allotted to a school district shall be computed by the State Board of Education as provided in this subsection.

(2) For any school district for which Available Local Resources per pupil is less than the product of 0.93 times the Foundation Level, general State aid for that district shall be calculated as an amount equal to the Foundation Level minus Available Local Resources, multiplied by the Average Daily Attendance of the school district.

(3) For any school district for which Available Local Resources per pupil is equal to or greater than the product of 0.93 times the Foundation Level and less than the product of 1.75 times the Foundation Level, the general State aid per pupil shall be a decimal proportion of the Foundation Level derived using a linear algorithm. Under this linear algorithm, the calculated general State aid per pupil shall decline in direct linear fashion from 0.07 times the Foundation Level for a school district with Available Local Resources equal to the product of 0.93 times the Foundation Level, to 0.05 times the Foundation Level for a school district with Available Local Resources equal to the product of 1.75 times the Foundation Level.
The allocation of general State aid for school districts subject to this paragraph 3 shall be the calculated general State aid per pupil figure multiplied by the Average Daily Attendance of the school district.

(4) For any school district for which Available Local Resources per pupil equals or exceeds the product of 1.75 times the Foundation Level, the general State aid for the school district shall be calculated as the product of $218 multiplied by the Average Daily Attendance of the school district.

(5) The amount of general State aid allocated to a school district for the 1999-2000 school year meeting the requirements set forth in paragraph (4) of subsection (G) shall be increased by an amount equal to the general State aid that would have been received by the district for the 1998-1999 school year by utilizing the Extension Limitation Equalized Assessed Valuation as calculated in paragraph (4) of subsection (G) less the general State aid allotted for the 1998-1999 school year. This amount shall be deemed a one time increase, and shall not affect any future general State aid allocations.

(F) Compilation of Average Daily Attendance.

(1) Each school district shall, by July 1 of each year, submit to the State Board of Education, on forms prescribed by the State Board of Education, attendance figures for the school year that began in the preceding calendar year. The attendance information so transmitted shall identify the average daily attendance figures for each month of the school year. Beginning with the general State aid claim form for the 2002-2003 school year, districts shall calculate Average Daily Attendance as provided in subdivisions (a), (b), and (c) of this paragraph (1).

(a) In districts that do not hold year-round classes, days of attendance in August shall be added to the month of September and any days of attendance in June shall be added to the month of May.

(b) In districts in which all buildings hold year-round classes, days of attendance in July and August shall be added to the month of September and any days of attendance in June shall be added to the month of May.

(c) In districts in which some buildings, but not all, hold year-round classes, for the non-year-round buildings, days of attendance in August shall be added to the month of September and any days of attendance in June shall be added to the month of May. The average daily attendance for the year-round buildings shall be computed as provided in subdivision (b) of this paragraph (1). To
calculate the Average Daily Attendance for the district, the average daily attendance for the year-round buildings shall be multiplied by the days in session for the non-year-round buildings for each month and added to the monthly attendance of the non-year-round buildings.

Except as otherwise provided in this Section, days of attendance by pupils shall be counted only for sessions of not less than 5 clock hours of school work per day under direct supervision of: (i) teachers, or (ii) non-teaching personnel or volunteer personnel when engaging in non-teaching duties and supervising in those instances specified in subsection (a) of Section 10-22.34 and paragraph 10 of Section 34-18, with pupils of legal school age and in kindergarten and grades 1 through 12. Days of attendance by pupils through verified participation in an e-learning program approved by the State Board of Education under Section 10-20.56 of the Code shall be considered as full days of attendance for purposes of this Section.

Days of attendance by tuition pupils shall be accredited only to the districts that pay the tuition to a recognized school.

(2) Days of attendance by pupils of less than 5 clock hours of school shall be subject to the following provisions in the compilation of Average Daily Attendance.

(a) Pupils regularly enrolled in a public school for only a part of the school day may be counted on the basis of 1/6 day for every class hour of instruction of 40 minutes or more attended pursuant to such enrollment, unless a pupil is enrolled in a block-schedule format of 80 minutes or more of instruction, in which case the pupil may be counted on the basis of the proportion of minutes of school work completed each day to the minimum number of minutes that school work is required to be held that day.

(b) (Blank).

(c) A session of 4 or more clock hours may be counted as a day of attendance upon certification by the regional superintendent, and approved by the State Superintendent of Education to the extent that the district has been forced to use daily multiple sessions.

(d) A session of 3 or more clock hours may be counted as a day of attendance (1) when the remainder of the school day or at least 2 hours in the evening of that day is utilized for an in-service training program for teachers, up to a maximum of 5 days per
school year, provided a district conducts an in-service training program for teachers in accordance with Section 10-22.39 of this Code; or, in lieu of 4 such days, 2 full days may be used, in which event each such day may be counted as a day required for a legal school calendar pursuant to Section 10-19 of this Code; (1.5) when, of the 5 days allowed under item (1), a maximum of 4 days are used for parent-teacher conferences, or, in lieu of 4 such days, 2 full days are used, in which case each such day may be counted as a calendar day required under Section 10-19 of this Code, provided that the full-day, parent-teacher conference consists of (i) a minimum of 5 clock hours of parent-teacher conferences, (ii) both a minimum of 2 clock hours of parent-teacher conferences held in the evening following a full day of student attendance, as specified in subsection (F)(1)(c), and a minimum of 3 clock hours of parent-teacher conferences held on the day immediately following evening parent-teacher conferences, or (iii) multiple parent-teacher conferences held in the evenings following full days of student attendance, as specified in subsection (F)(1)(c), in which the time used for the parent-teacher conferences is equivalent to a minimum of 5 clock hours; and (2) when days in addition to those provided in items (1) and (1.5) are scheduled by a school pursuant to its school improvement plan adopted under Article 34 or its revised or amended school improvement plan adopted under Article 2, provided that (i) such sessions of 3 or more clock hours are scheduled to occur at regular intervals, (ii) the remainder of the school days in which such sessions occur are utilized for in-service training programs or other staff development activities for teachers, and (iii) a sufficient number of minutes of school work under the direct supervision of teachers are added to the school days between such regularly scheduled sessions to accumulate not less than the number of minutes by which such sessions of 3 or more clock hours fall short of 5 clock hours. Any full days used for the purposes of this paragraph shall not be considered for computing average daily attendance. Days scheduled for in-service training programs, staff development activities, or parent-teacher conferences may be scheduled separately for different grade levels and different attendance centers of the district.

(e) A session of not less than one clock hour of teaching hospitalized or homebound pupils on-site or by telephone to the

New matter indicated by italics - deletions by strikeout
classroom may be counted as 1/2 day of attendance, however these pupils must receive 4 or more clock hours of instruction to be counted for a full day of attendance.

(f) A session of at least 4 clock hours may be counted as a day of attendance for first grade pupils, and pupils in full day kindergartens, and a session of 2 or more hours may be counted as 1/2 day of attendance by pupils in kindergartens which provide only 1/2 day of attendance.

(g) For children with disabilities who are below the age of 6 years and who cannot attend 2 or more clock hours because of their disability or immaturity, a session of not less than one clock hour may be counted as 1/2 day of attendance; however for such children whose educational needs so require a session of 4 or more clock hours may be counted as a full day of attendance.

(h) A recognized kindergarten which provides for only 1/2 day of attendance by each pupil shall not have more than 1/2 day of attendance counted in any one day. However, kindergartens may count 2 1/2 days of attendance in any 5 consecutive school days. When a pupil attends such a kindergarten for 2 half days on any one school day, the pupil shall have the following day as a day absent from school, unless the school district obtains permission in writing from the State Superintendent of Education. Attendance at kindergartens which provide for a full day of attendance by each pupil shall be counted the same as attendance by first grade pupils. Only the first year of attendance in one kindergarten shall be counted, except in case of children who entered the kindergarten in their fifth year whose educational development requires a second year of kindergarten as determined under the rules and regulations of the State Board of Education.

(i) On the days when the assessment that includes a college and career ready determination is administered under subsection (c) of Section 2-3.64a-5 of this Code, the day of attendance for a pupil whose school day must be shortened to accommodate required testing procedures may be less than 5 clock hours and shall be counted towards the 176 days of actual pupil attendance required under Section 10-19 of this Code, provided that a sufficient number of minutes of school work in excess of 5 clock hours are first completed on other school days to compensate for the loss of school work on the examination days.
(j) Pupils enrolled in a remote educational program established under Section 10-29 of this Code may be counted on the basis of one-fifth day of attendance for every clock hour of instruction attended in the remote educational program, provided that, in any month, the school district may not claim for a student enrolled in a remote educational program more days of attendance than the maximum number of days of attendance the district can claim (i) for students enrolled in a building holding year-round classes if the student is classified as participating in the remote educational program on a year-round schedule or (ii) for students enrolled in a building not holding year-round classes if the student is not classified as participating in the remote educational program on a year-round schedule.

(G) Equalized Assessed Valuation Data.

(1) For purposes of the calculation of Available Local Resources required pursuant to subsection (D), the State Board of Education shall secure from the Department of Revenue the value as equalized or assessed by the Department of Revenue of all taxable property of every school district, together with (i) the applicable tax rate used in extending taxes for the funds of the district as of September 30 of the previous year and (ii) the limiting rate for all school districts subject to property tax extension limitations as imposed under the Property Tax Extension Limitation Law.

The Department of Revenue shall add to the equalized assessed value of all taxable property of each school district situated entirely or partially within a county that is or was subject to the provisions of Section 15-176 or 15-177 of the Property Tax Code (a) an amount equal to the total amount by which the homestead exemption allowed under Section 15-176 or 15-177 of the Property Tax Code for real property situated in that school district exceeds the total amount that would have been allowed in that school district if the maximum reduction under Section 15-176 was (i) $4,500 in Cook County or $3,500 in all other counties in tax year 2003 or (ii) $5,000 in all counties in tax year 2004 and thereafter and (b) an amount equal to the aggregate amount for the taxable year of all additional exemptions under Section 15-175 of the Property Tax Code for owners with a household income of $30,000 or less. The county clerk of any county that is or was subject to the provisions of Section 15-176 or 15-177 of the Property Tax Code shall annually calculate and certify to the Department of Revenue for each school district all homestead exemption amounts under Section 15-176 or 15-177 of the Property Tax Code and all

New matter indicated by italics - deletions by strikeout
amounts of additional exemptions under Section 15-175 of the Property Tax Code for owners with a household income of $30,000 or less. It is the intent of this paragraph that if the general homestead exemption for a parcel of property is determined under Section 15-176 or 15-177 of the Property Tax Code rather than Section 15-175, then the calculation of Available Local Resources shall not be affected by the difference, if any, between the amount of the general homestead exemption allowed for that parcel of property under Section 15-176 or 15-177 of the Property Tax Code and the amount that would have been allowed had the general homestead exemption for that parcel of property been determined under Section 15-175 of the Property Tax Code. It is further the intent of this paragraph that if additional exemptions are allowed under Section 15-175 of the Property Tax Code for owners with a household income of less than $30,000, then the calculation of Available Local Resources shall not be affected by the difference, if any, because of those additional exemptions.

This equalized assessed valuation, as adjusted further by the requirements of this subsection, shall be utilized in the calculation of Available Local Resources.

(2) The equalized assessed valuation in paragraph (1) shall be adjusted, as applicable, in the following manner:

(a) For the purposes of calculating State aid under this Section, with respect to any part of a school district within a redevelopment project area in respect to which a municipality has adopted tax increment allocation financing pursuant to the Tax Increment Allocation Redevelopment Act, Sections 11-74.4-1 through 11-74.4-11 of the Illinois Municipal Code or the Industrial Jobs Recovery Law, Sections 11-74.6-1 through 11-74.6-50 of the Illinois Municipal Code, no part of the current equalized assessed valuation of real property located in any such project area which is attributable to an increase above the total initial equalized assessed valuation of such property shall be used as part of the equalized assessed valuation of the district, until such time as all redevelopment project costs have been paid, as provided in Section 11-74.4-8 of the Tax Increment Allocation Redevelopment Act or in Section 11-74.6-35 of the Industrial Jobs Recovery Law. For the purpose of the equalized assessed valuation of the district, the total initial equalized assessed valuation or the current equalized assessed valuation, whichever is lower, shall be used until such time as all redevelopment project costs have been paid.

(b) The real property equalized assessed valuation for a school district shall be adjusted by subtracting from the real property value as equalized or assessed by the Department of Revenue for the district an amount computed by dividing the amount of any abatement of taxes under Section 18-170 of the Property Tax Code by 3.00% for a district maintaining grades kindergarten through 12, by 2.30% for a district maintaining grades kindergarten through 8, or by 1.05% for a district maintaining grades 9 through 12 and adjusted by an amount computed by dividing the amount of any abatement of taxes under subsection (a) of Section 18-165 of the Property Tax Code by the same percentage rates for district type as specified in this subparagraph (b).

(3) For the 1999-2000 school year and each school year thereafter, if a school district meets all of the criteria of this subsection (G)(3), the school district's Available Local Resources shall be calculated under subsection (D) using the district's Extension Limitation Equalized Assessed Valuation as calculated under this subsection (G)(3). For purposes of this subsection (G)(3) the following terms shall have the following meanings:

"Budget Year": The school year for which general State aid is calculated and awarded under subsection (E).

"Base Tax Year": The property tax levy year used to calculate the Budget Year allocation of general State aid.

"Preceding Tax Year": The property tax levy year immediately preceding the Base Tax Year.

"Base Tax Year's Tax Extension": The product of the equalized assessed valuation utilized by the County Clerk in the Base Tax Year multiplied by the limiting rate as calculated by the County Clerk and defined in the Property Tax Extension Limitation Law.

"Preceding Tax Year's Tax Extension": The product of the equalized assessed valuation utilized by the County Clerk in the Preceding Tax Year multiplied by the Operating Tax Rate as defined in subsection (A).

"Extension Limitation Ratio": A numerical ratio, certified by the County Clerk, in which the numerator is the Base Tax Year's Tax Extension and the denominator is the Preceding Tax Year's Tax Extension.

New matter indicated by italics - deletions by strikeout
"Operating Tax Rate": The operating tax rate as defined in subsection (A).

If a school district is subject to property tax extension limitations as imposed under the Property Tax Extension Limitation Law, the State Board of Education shall calculate the Extension Limitation Equalized Assessed Valuation of that district. For the 1999-2000 school year, the Extension Limitation Equalized Assessed Valuation of a school district as calculated by the State Board of Education shall be equal to the product of the district's 1996 Equalized Assessed Valuation and the district's Extension Limitation Ratio. Except as otherwise provided in this paragraph for a school district that has approved or does approve an increase in its limiting rate, for the 2000-2001 school year and each school year thereafter, the Extension Limitation Equalized Assessed Valuation of a school district as calculated by the State Board of Education shall be equal to the product of the Equalized Assessed Valuation last used in the calculation of general State aid and the district's Extension Limitation Ratio. If the Extension Limitation Equalized Assessed Valuation of a school district as calculated under this subsection (G)(3) is less than the district's equalized assessed valuation as calculated pursuant to subsections (G)(1) and (G)(2), then for purposes of calculating the district's general State aid for the Budget Year pursuant to subsection (E), that Extension Limitation Equalized Assessed Valuation shall be utilized to calculate the district's Available Local Resources under subsection (D). For the 2009-2010 school year and each school year thereafter, if a school district has approved or does approve an increase in its limiting rate, pursuant to Section 18-190 of the Property Tax Code, affecting the Base Tax Year, the Extension Limitation Equalized Assessed Valuation of the school district, as calculated by the State Board of Education, shall be equal to the product of the Equalized Assessed Valuation last used in the calculation of general State aid times an amount equal to one plus the percentage increase, if any, in the Consumer Price Index for all Urban Consumers for all items published by the United States Department of Labor for the 12-month calendar year preceding the Base Tax Year, plus the Equalized Assessed Valuation of new property, annexed property, and recovered tax increment value and minus the Equalized Assessed Valuation of disconnected property. New property and recovered tax increment value shall have the meanings set forth in the Property Tax Extension Limitation Law.

Partial elementary unit districts created in accordance with Article 11E of this Code shall not be eligible for the adjustment in this subsection.

(G)(3) until the fifth year following the effective date of the reorganization.

(3.5) For the 2010-2011 school year and each school year thereafter, if a school district's boundaries span multiple counties, then the Department of Revenue shall send to the State Board of Education, for the purpose of calculating general State aid, the limiting rate and individual rates by purpose for the county that contains the majority of the school district's Equalized Assessed Valuation.

(4) For the purposes of calculating general State aid for the 1999-2000 school year only, if a school district experienced a triennial reassessment on the equalized assessed valuation used in calculating its general State financial aid apportionment for the 1998-1999 school year, the State Board of Education shall calculate the Extension Limitation Equalized Assessed Valuation that would have been used to calculate the district's 1998-1999 general State aid. This amount shall equal the product of the equalized assessed valuation used to calculate general State aid for the 1997-1998 school year and the district's Extension Limitation Ratio. If the Extension Limitation Equalized Assessed Valuation of the school district as calculated under this paragraph (4) is less than the district's equalized assessed valuation utilized in calculating the district's 1998-1999 general State aid allocation, then for purposes of calculating the district's general State aid pursuant to paragraph (5) of subsection (E), that Extension Limitation Equalized Assessed Valuation shall be utilized to calculate the district's Available Local Resources.

(5) For school districts having a majority of their equalized assessed valuation in any county except Cook, DuPage, Kane, Lake, McHenry, or Will, if the amount of general State aid allocated to the school district for the 1999-2000 school year under the provisions of subsection (E), (H), and (J) of this Section is less than the amount of general State aid allocated to the district for the 1998-1999 school year under these subsections, then the general State aid of the district for the 1999-2000 school year only shall be increased by the difference between these amounts. The total payments made under this paragraph (5) shall not exceed $14,000,000. Claims shall be prorated if they exceed $14,000,000.

(H) Supplemental General State Aid.

(1) In addition to the general State aid a school district is allotted pursuant to subsection (E), qualifying school districts shall receive a grant, paid in conjunction with a district's payments of general State aid, for supplemental general State aid based upon the concentration level of

children from low-income households within the school district. Supplemental State aid grants provided for school districts under this subsection shall be appropriated for distribution to school districts as part of the same line item in which the general State financial aid of school districts is appropriated under this Section.

(1.5) This paragraph (1.5) applies only to those school years preceding the 2003-2004 school year. For purposes of this subsection (H), the term "Low-Income Concentration Level" shall be the low-income eligible pupil count from the most recently available federal census divided by the Average Daily Attendance of the school district. If, however, (i) the percentage decrease from the 2 most recent federal censuses in the low-income eligible pupil count of a high school district with fewer than 400 students exceeds by 75% or more the percentage change in the total low-income eligible pupil count of contiguous elementary school districts, whose boundaries are coterminous with the high school district, or (ii) a high school district within 2 counties and serving 5 elementary school districts, whose boundaries are coterminous with the high school district, has a percentage decrease from the 2 most recent federal censuses in the low-income eligible pupil count and there is a percentage increase in the total low-income eligible pupil count of a majority of the elementary school districts in excess of 50% from the 2 most recent federal censuses, then the high school district's low-income eligible pupil count from the earlier federal census shall be the number used as the low-income eligible pupil count for the high school district, for purposes of this subsection (H). The changes made to this paragraph (1) by Public Act 92-28 shall apply to supplemental general State aid grants for school years preceding the 2003-2004 school year that are paid in fiscal year 1999 or thereafter and to any State aid payments made in fiscal year 1994 through fiscal year 1998 pursuant to subsection 1(n) of Section 18-8 of this Code (which was repealed on July 1, 1998), and any high school district that is affected by Public Act 92-28 is entitled to a recomputation of its supplemental general State aid grant or State aid paid in any of those fiscal years. This recomputation shall not be affected by any other funding.

(1.10) This paragraph (1.10) applies to the 2003-2004 school year and each school year thereafter. For purposes of this subsection (H), the term "Low-Income Concentration Level" shall, for each fiscal year, be the low-income eligible pupil count as of July 1 of the immediately preceding fiscal year (as determined by the Department of Human Services based on the number of pupils who are eligible for at least one of the following low

income programs: Medicaid, the Children's Health Insurance Program, TANF, or Food Stamps, excluding pupils who are eligible for services provided by the Department of Children and Family Services, averaged over the 2 immediately preceding fiscal years for fiscal year 2004 and over the 3 immediately preceding fiscal years for each fiscal year thereafter) divided by the Average Daily Attendance of the school district.

(2) Supplemental general State aid pursuant to this subsection (H) shall be provided as follows for the 1998-1999, 1999-2000, and 2000-2001 school years only:

(a) For any school district with a Low Income Concentration Level of at least 20% and less than 35%, the grant for any school year shall be $800 multiplied by the low income eligible pupil count.

(b) For any school district with a Low Income Concentration Level of at least 35% and less than 50%, the grant for the 1998-1999 school year shall be $1,100 multiplied by the low income eligible pupil count.

(c) For any school district with a Low Income Concentration Level of at least 50% and less than 60%, the grant for the 1998-99 school year shall be $1,500 multiplied by the low income eligible pupil count.

(d) For any school district with a Low Income Concentration Level of 60% or more, the grant for the 1998-99 school year shall be $1,900 multiplied by the low income eligible pupil count.

(e) For the 1999-2000 school year, the per pupil amount specified in subparagraphs (b), (c), and (d) immediately above shall be increased to $1,243, $1,600, and $2,000, respectively.

(f) For the 2000-2001 school year, the per pupil amounts specified in subparagraphs (b), (c), and (d) immediately above shall be $1,273, $1,640, and $2,050, respectively.

(2.5) Supplemental general State aid pursuant to this subsection (H) shall be provided as follows for the 2002-2003 school year:

(a) For any school district with a Low Income Concentration Level of less than 10%, the grant for each school year shall be $355 multiplied by the low income eligible pupil count.

(b) For any school district with a Low Income Concentration Level of at least 10% and less than 20%, the grant
for each school year shall be $675 multiplied by the low income eligible pupil count.

(c) For any school district with a Low Income Concentration Level of at least 20% and less than 35%, the grant for each school year shall be $1,330 multiplied by the low income eligible pupil count.

(d) For any school district with a Low Income Concentration Level of at least 35% and less than 50%, the grant for each school year shall be $1,362 multiplied by the low income eligible pupil count.

(e) For any school district with a Low Income Concentration Level of at least 50% and less than 60%, the grant for each school year shall be $1,680 multiplied by the low income eligible pupil count.

(f) For any school district with a Low Income Concentration Level of 60% or more, the grant for each school year shall be $2,080 multiplied by the low income eligible pupil count.

(2.10) Except as otherwise provided, supplemental general State aid pursuant to this subsection (H) shall be provided as follows for the 2003-2004 school year and each school year thereafter:

(a) For any school district with a Low Income Concentration Level of 15% or less, the grant for each school year shall be $355 multiplied by the low income eligible pupil count.

(b) For any school district with a Low Income Concentration Level greater than 15%, the grant for each school year shall be $294.25 added to the product of $2,700 and the square of the Low Income Concentration Level, all multiplied by the low income eligible pupil count.

For the 2003-2004 school year and each school year thereafter through the 2008-2009 school year only, the grant shall be no less than the grant for the 2002-2003 school year. For the 2009-2010 school year only, the grant shall be no less than the grant for the 2002-2003 school year multiplied by 0.66. For the 2010-2011 school year only, the grant shall be no less than the grant for the 2002-2003 school year multiplied by 0.33. Notwithstanding the provisions of this paragraph to the contrary, if for any school year supplemental general State aid grants are prorated as provided in paragraph (1) of this subsection (H), then the grants under this paragraph shall be prorated.

For the 2003-2004 school year only, the grant shall be no greater than the grant received during the 2002-2003 school year added to the product of 0.25 multiplied by the difference between the grant amount calculated under subsection (a) or (b) of this paragraph (2.10), whichever is applicable, and the grant received during the 2002-2003 school year. For the 2004-2005 school year only, the grant shall be no greater than the grant received during the 2002-2003 school year added to the product of 0.50 multiplied by the difference between the grant amount calculated under subsection (a) or (b) of this paragraph (2.10), whichever is applicable, and the grant received during the 2002-2003 school year. For the 2005-2006 school year only, the grant shall be no greater than the grant received during the 2002-2003 school year added to the product of 0.75 multiplied by the difference between the grant amount calculated under subsection (a) or (b) of this paragraph (2.10), whichever is applicable, and the grant received during the 2002-2003 school year.

(3) School districts with an Average Daily Attendance of more than 1,000 and less than 50,000 that qualify for supplemental general State aid pursuant to this subsection shall submit a plan to the State Board of Education prior to October 30 of each year for the use of the funds resulting from this grant of supplemental general State aid for the improvement of instruction in which priority is given to meeting the education needs of disadvantaged children. Such plan shall be submitted in accordance with rules and regulations promulgated by the State Board of Education.

(4) School districts with an Average Daily Attendance of 50,000 or more that qualify for supplemental general State aid pursuant to this subsection shall be required to distribute from funds available pursuant to this Section, no less than $261,000,000 in accordance with the following requirements:

(a) The required amounts shall be distributed to the attendance centers within the district in proportion to the number of pupils enrolled at each attendance center who are eligible to receive free or reduced-price lunches or breakfasts under the federal Child Nutrition Act of 1966 and under the National School Lunch Act during the immediately preceding school year.

(b) The distribution of these portions of supplemental and general State aid among attendance centers according to these requirements shall not be compensated for or contravened by adjustments of the total of other funds appropriated to any
attendance centers, and the Board of Education shall utilize funding from one or several sources in order to fully implement this provision annually prior to the opening of school.

(c) Each attendance center shall be provided by the school district a distribution of noncategorical funds and other categorical funds to which an attendance center is entitled under law in order that the general State aid and supplemental general State aid provided by application of this subsection supplements rather than supplants the noncategorical funds and other categorical funds provided by the school district to the attendance centers.

(d) Any funds made available under this subsection that by reason of the provisions of this subsection are not required to be allocated and provided to attendance centers may be used and appropriated by the board of the district for any lawful school purpose.

(e) Funds received by an attendance center pursuant to this subsection shall be used by the attendance center at the discretion of the principal and local school council for programs to improve educational opportunities at qualifying schools through the following programs and services: early childhood education, reduced class size or improved adult to student classroom ratio, enrichment programs, remedial assistance, attendance improvement, and other educationally beneficial expenditures which supplement the regular and basic programs as determined by the State Board of Education. Funds provided shall not be expended for any political or lobbying purposes as defined by board rule.

(f) Each district subject to the provisions of this subdivision (H)(4) shall submit an acceptable plan to meet the educational needs of disadvantaged children, in compliance with the requirements of this paragraph, to the State Board of Education prior to July 15 of each year. This plan shall be consistent with the decisions of local school councils concerning the school expenditure plans developed in accordance with part 4 of Section 34-2.3. The State Board shall approve or reject the plan within 60 days after its submission. If the plan is rejected, the district shall give written notice of intent to modify the plan within 15 days of the notification of rejection and then submit a modified plan within 30 days after the date of the written notice of intent to modify.
Districts may amend approved plans pursuant to rules promulgated by the State Board of Education.

Upon notification by the State Board of Education that the district has not submitted a plan prior to July 15 or a modified plan within the time period specified herein, the State aid funds affected by that plan or modified plan shall be withheld by the State Board of Education until a plan or modified plan is submitted.

If the district fails to distribute State aid to attendance centers in accordance with an approved plan, the plan for the following year shall allocate funds, in addition to the funds otherwise required by this subsection, to those attendance centers which were underfunded during the previous year in amounts equal to such underfunding.

For purposes of determining compliance with this subsection in relation to the requirements of attendance center funding, each district subject to the provisions of this subsection shall submit as a separate document by December 1 of each year a report of expenditure data for the prior year in addition to any modification of its current plan. If it is determined that there has been a failure to comply with the expenditure provisions of this subsection regarding contravention or supplanting, the State Superintendent of Education shall, within 60 days of receipt of the report, notify the district and any affected local school council. The district shall within 45 days of receipt of that notification inform the State Superintendent of Education of the remedial or corrective action to be taken, whether by amendment of the current plan, if feasible, or by adjustment in the plan for the following year. Failure to provide the expenditure report or the notification of remedial or corrective action in a timely manner shall result in a withholding of the affected funds.

The State Board of Education shall promulgate rules and regulations to implement the provisions of this subsection. No funds shall be released under this subdivision (H)(4) to any district that has not submitted a plan that has been approved by the State Board of Education.

(K) Grants to Laboratory and Alternative Schools.

New matter indicated by italics - deletions by strikeout
In calculating the amount to be paid to the governing board of a public university that operates a laboratory school under this Section or to any alternative school that is operated by a regional superintendent of schools, the State Board of Education shall require by rule such reporting requirements as it deems necessary.

As used in this Section, "laboratory school" means a public school which is created and operated by a public university and approved by the State Board of Education. The governing board of a public university which receives funds from the State Board under this subsection (K) may not increase the number of students enrolled in its laboratory school from a single district, if that district is already sending 50 or more students, except under a mutual agreement between the school board of a student's district of residence and the university which operates the laboratory school. A laboratory school may not have more than 1,000 students, excluding students with disabilities in a special education program.

As used in this Section, "alternative school" means a public school which is created and operated by a Regional Superintendent of Schools and approved by the State Board of Education. Such alternative schools may offer courses of instruction for which credit is given in regular school programs, courses to prepare students for the high school equivalency testing program or vocational and occupational training. A regional superintendent of schools may contract with a school district or a public community college district to operate an alternative school. An alternative school serving more than one educational service region may be established by the regional superintendents of schools of the affected educational service regions. An alternative school serving more than one educational service region may be operated under such terms as the regional superintendents of schools of those educational service regions may agree.

Each laboratory and alternative school shall file, on forms provided by the State Superintendent of Education, an annual State aid claim which states the Average Daily Attendance of the school's students by month. The best 3 months' Average Daily Attendance shall be computed for each school. The general State aid entitlement shall be computed by multiplying the applicable Average Daily Attendance by the Foundation Level as determined under this Section.

(L) Payments, Additional Grants in Aid and Other Requirements.

(1) For a school district operating under the financial supervision of an Authority created under Article 34A, the general State aid otherwise
payable to that district under this Section, but not the supplemental general State aid, shall be reduced by an amount equal to the budget for the operations of the Authority as certified by the Authority to the State Board of Education, and an amount equal to such reduction shall be paid to the Authority created for such district for its operating expenses in the manner provided in Section 18-11. The remainder of general State school aid for any such district shall be paid in accordance with Article 34A when that Article provides for a disposition other than that provided by this Article.

(2) (Blank).

(3) Summer school. Summer school payments shall be made as provided in Section 18-4.3.

(M) Education Funding Advisory Board.

The Education Funding Advisory Board, hereinafter in this subsection (M) referred to as the "Board", is hereby created. The Board shall consist of 5 members who are appointed by the Governor, by and with the advice and consent of the Senate. The members appointed shall include representatives of education, business, and the general public. One of the members so appointed shall be designated by the Governor at the time the appointment is made as the chairperson of the Board. The initial members of the Board may be appointed any time after the effective date of this amendatory Act of 1997. The regular term of each member of the Board shall be for 4 years from the third Monday of January of the year in which the term of the member's appointment is to commence, except that of the 5 initial members appointed to serve on the Board, the member who is appointed as the chairperson shall serve for a term that commences on the date of his or her appointment and expires on the third Monday of January, 2002, and the remaining 4 members, by lots drawn at the first meeting of the Board that is held after all 5 members are appointed, shall determine 2 of their number to serve for terms that commence on the respective appointments and expire on the third Monday of January, 2001, and 2 of their number to serve for terms that commence on the date of their respective appointments and expire on the third Monday of January, 2000. All members appointed to serve on the Board shall serve until their respective successors are appointed and confirmed. Vacancies shall be filled in the same manner as original appointments. If a vacancy in membership occurs at a time when the Senate is not in session, the Governor shall make a temporary appointment until the next meeting of the Senate, when he or she shall appoint, by and with the advice and consent of the Senate, a person to fill that membership for the unexpired

term. If the Senate is not in session when the initial appointments are made, those appointments shall be made as in the case of vacancies.

The Education Funding Advisory Board shall be deemed established, and the initial members appointed by the Governor to serve as members of the Board shall take office, on the date that the Governor makes his or her appointment of the fifth initial member of the Board, whether those initial members are then serving pursuant to appointment and confirmation or pursuant to temporary appointments that are made by the Governor as in the case of vacancies.

The State Board of Education shall provide such staff assistance to the Education Funding Advisory Board as is reasonably required for the proper performance by the Board of its responsibilities.

For school years after the 2000-2001 school year, the Education Funding Advisory Board, in consultation with the State Board of Education, shall make recommendations as provided in this subsection (M) to the General Assembly for the foundation level under subdivision (B)(3) of this Section and for the supplemental general State aid grant level under subsection (H) of this Section for districts with high concentrations of children from poverty. The recommended foundation level shall be determined based on a methodology which incorporates the basic education expenditures of low-spending schools exhibiting high academic performance. The Education Funding Advisory Board shall make such recommendations to the General Assembly on January 1 of odd numbered years, beginning January 1, 2001.

(O) References.

(1) References in other laws to the various subdivisions of Section 18-8 as that Section existed before its repeal and replacement by this Section 18-8.05 shall be deemed to refer to the corresponding provisions of this Section 18-8.05, to the extent that those references remain applicable.

(2) References in other laws to State Chapter 1 funds shall be deemed to refer to the supplemental general State aid provided under subsection (H) of this Section. The text of Public Act 93-838 is the law regardless of the text of Public Act 93-808.

(1) Provide for the determination of a facility's payment for nursing facility or ICF/DD services on a prospective basis. The amount of the payment rate for all nursing facilities certified by the Department of Public Health under the ID/DD Community Care Act or the Nursing Home Care Act as Intermediate Care for the Developmentally Disabled facilities, Long Term Care for Under Age 22 facilities, Skilled Nursing facilities, or Intermediate Care facilities under the medical assistance program shall be prospectively established annually on the basis of historical, financial, and statistical data reflecting actual costs from prior years, which shall be applied to the current rate year and updated for inflation, except that the

capital cost element for newly constructed facilities shall be based upon projected budgets. The annually established payment rate shall take effect on July 1 in 1984 and subsequent years. No rate increase and no update for inflation shall be provided on or after July 1, 1994, unless specifically provided for in this Section. The changes made by Public Act 93-841 extending the duration of the prohibition against a rate increase or update for inflation are effective retroactive to July 1, 2004.

For facilities licensed by the Department of Public Health under the Nursing Home Care Act as Intermediate Care for the Developmentally Disabled facilities or Long Term Care for Under Age 22 facilities, the rates taking effect on July 1, 1998 shall include an increase of 3%. For facilities licensed by the Department of Public Health under the Nursing Home Care Act as Skilled Nursing facilities or Intermediate Care facilities, the rates taking effect on July 1, 1998 shall include an increase of 3% plus $1.10 per resident-day, as defined by the Department. For facilities licensed by the Department of Public Health under the Nursing Home Care Act as Intermediate Care Facilities for the Developmentally Disabled or Long Term Care for Under Age 22 facilities, the rates taking effect on January 1, 2006 shall include an increase of 3%. For facilities licensed by the Department of Public Health under the Nursing Home Care Act as Intermediate Care Facilities for the Developmentally Disabled or Long Term Care for Under Age 22 facilities, the rates taking effect on January 1, 2009 shall include an increase sufficient to provide a $0.50 per hour wage increase for non-executive staff. For facilities licensed by the Department of Public Health under the ID/DD Community Care Act as ID/DD Facilities the rates taking effect within 30 days after the effective date of this amendatory Act of the 100th General Assembly shall include an increase sufficient to provide a $0.75 per hour wage increase for non-executive staff. The Department shall adopt rules, including emergency rules under subsection (y) of Section 5-45 of the Illinois Administrative Procedure Act, to implement the provisions of this paragraph.

For facilities licensed by the Department of Public Health under the Nursing Home Care Act as Intermediate Care for the Developmentally Disabled facilities or Long Term Care for Under Age 22 facilities, the rates taking effect on July 1, 1999 shall include an increase of 1.6% plus $3.00 per resident-day, as defined by the Department. For facilities licensed by the Department of Public Health under the Nursing Home Care Act as Skilled Nursing facilities or Intermediate Care facilities, the rates taking effect on July 1, 1999 shall include an increase of 1.6% and, for

services provided on or after October 1, 1999, shall be increased by $4.00 per resident-day, as defined by the Department.

For facilities licensed by the Department of Public Health under the Nursing Home Care Act as Intermediate Care for the Developmentally Disabled facilities or Long Term Care for Under Age 22 facilities, the rates taking effect on July 1, 2000 shall include an increase of 2.5% per resident-day, as defined by the Department. For facilities licensed by the Department of Public Health under the Nursing Home Care Act as Skilled Nursing facilities or Intermediate Care facilities, the rates taking effect on July 1, 2000 shall include an increase of 2.5% per resident-day, as defined by the Department.

For facilities licensed by the Department of Public Health under the Nursing Home Care Act as skilled nursing facilities or intermediate care facilities, a new payment methodology must be implemented for the nursing component of the rate effective July 1, 2003. The Department of Public Aid (now Healthcare and Family Services) shall develop the new payment methodology using the Minimum Data Set (MDS) as the instrument to collect information concerning nursing home resident condition necessary to compute the rate. The Department shall develop the new payment methodology to meet the unique needs of Illinois nursing home residents while remaining subject to the appropriations provided by the General Assembly. A transition period from the payment methodology in effect on June 30, 2003 to the payment methodology in effect on July 1, 2003 shall be provided for a period not exceeding 3 years and 184 days after implementation of the new payment methodology as follows:

(A) For a facility that would receive a lower nursing component rate per patient day under the new system than the facility received effective on the date immediately preceding the date that the Department implements the new payment methodology, the nursing component rate per patient day for the facility shall be held at the level in effect on the date immediately preceding the date that the Department implements the new payment methodology until a higher nursing component rate of reimbursement is achieved by that facility.

(B) For a facility that would receive a higher nursing component rate per patient day under the payment methodology in effect on July 1, 2003 than the facility received effective on the date immediately preceding the date that the Department
implements the new payment methodology, the nursing component rate per patient day for the facility shall be adjusted.

(C) Notwithstanding paragraphs (A) and (B), the nursing component rate per patient day for the facility shall be adjusted subject to appropriations provided by the General Assembly.

For facilities licensed by the Department of Public Health under the Nursing Home Care Act as Intermediate Care for the Developmentally Disabled facilities or Long Term Care for Under Age 22 facilities, the rates taking effect on March 1, 2001 shall include a statewide increase of 7.85%, as defined by the Department.

Notwithstanding any other provision of this Section, for facilities licensed by the Department of Public Health under the Nursing Home Care Act as skilled nursing facilities or intermediate care facilities, except facilities participating in the Department's demonstration program pursuant to the provisions of Title 77, Part 300, Subpart T of the Illinois Administrative Code, the numerator of the ratio used by the Department of Healthcare and Family Services to compute the rate payable under this Section using the Minimum Data Set (MDS) methodology shall incorporate the following annual amounts as the additional funds appropriated to the Department specifically to pay for rates based on the MDS nursing component methodology in excess of the funding in effect on December 31, 2006:

(i) For rates taking effect January 1, 2007, $60,000,000.
(ii) For rates taking effect January 1, 2008, $110,000,000.
(iii) For rates taking effect January 1, 2009, $194,000,000.
(iv) For rates taking effect April 1, 2011, or the first day of the month that begins at least 45 days after the effective date of this amendatory Act of the 96th General Assembly, $416,500,000 or an amount as may be necessary to complete the transition to the MDS methodology for the nursing component of the rate. Increased payments under this item (iv) are not due and payable, however, until (i) the methodologies described in this paragraph are approved by the federal government in an appropriate State Plan amendment and (ii) the assessment imposed by Section 5B-2 of this Code is determined to be a permissible tax under Title XIX of the Social Security Act.

Notwithstanding any other provision of this Section, for facilities licensed by the Department of Public Health under the Nursing Home Care Act as skilled nursing facilities or intermediate care facilities, the support

component of the rates taking effect on January 1, 2008 shall be computed using the most recent cost reports on file with the Department of Healthcare and Family Services no later than April 1, 2005, updated for inflation to January 1, 2006.

For facilities licensed by the Department of Public Health under the Nursing Home Care Act as Intermediate Care for the Developmentally Disabled facilities or Long Term Care for Under Age 22 facilities, the rates taking effect on April 1, 2002 shall include a statewide increase of 2.0%, as defined by the Department. This increase terminates on July 1, 2002; beginning July 1, 2002 these rates are reduced to the level of the rates in effect on March 31, 2002, as defined by the Department.

For facilities licensed by the Department of Public Health under the Nursing Home Care Act as skilled nursing facilities or intermediate care facilities, the rates taking effect on July 1, 2001 shall be computed using the most recent cost reports on file with the Department of Public Aid no later than April 1, 2000, updated for inflation to January 1, 2001. For rates effective July 1, 2001 only, rates shall be the greater of the rate computed for July 1, 2001 or the rate effective on June 30, 2001.

Notwithstanding any other provision of this Section, for facilities licensed by the Department of Public Health under the Nursing Home Care Act as skilled nursing facilities or intermediate care facilities, the Illinois Department shall determine by rule the rates taking effect on July 1, 2002, which shall be 5.9% less than the rates in effect on June 30, 2002.

Notwithstanding any other provision of this Section, for facilities licensed by the Department of Public Health under the Nursing Home Care Act as skilled nursing facilities or intermediate care facilities, if the payment methodologies required under Section 5A-12 and the waiver granted under 42 CFR 433.68 are approved by the United States Centers for Medicare and Medicaid Services, the rates taking effect on July 1, 2004 shall be 3.0% greater than the rates in effect on June 30, 2004. These rates shall take effect only upon approval and implementation of the payment methodologies required under Section 5A-12.

Notwithstanding any other provisions of this Section, for facilities licensed by the Department of Public Health under the Nursing Home Care Act as skilled nursing facilities or intermediate care facilities, the rates taking effect on January 1, 2005 shall be 3% more than the rates in effect on December 31, 2004.

Act as skilled nursing facilities or intermediate care facilities, effective January 1, 2009, the per diem support component of the rates effective on January 1, 2008, computed using the most recent cost reports on file with the Department of Healthcare and Family Services no later than April 1, 2005, updated for inflation to January 1, 2006, shall be increased to the amount that would have been derived using standard Department of Healthcare and Family Services methods, procedures, and inflators.

Notwithstanding any other provisions of this Section, for facilities licensed by the Department of Public Health under the Nursing Home Care Act as intermediate care facilities that are federally defined as Institutions for Mental Disease, or facilities licensed by the Department of Public Health under the Specialized Mental Health Rehabilitation Act of 2013, a socio-development component rate equal to 6.6% of the facility's nursing component rate as of January 1, 2006 shall be established and paid effective July 1, 2006. The socio-development component of the rate shall be increased by a factor of 2.53 on the first day of the month that begins at least 45 days after January 11, 2008 (the effective date of Public Act 95-707). As of August 1, 2008, the socio-development component rate shall be equal to 6.6% of the facility's nursing component rate as of January 1, 2006, multiplied by a factor of 3.53. For services provided on or after April 1, 2011, or the first day of the month that begins at least 45 days after the effective date of this amendatory Act of the 96th General Assembly, whichever is later, the Illinois Department may by rule adjust these socio-development component rates, and may use different adjustment methodologies for those facilities participating, and those not participating, in the Illinois Department's demonstration program pursuant to the provisions of Title 77, Part 300, Subpart T of the Illinois Administrative Code, but in no case may such rates be diminished below those in effect on August 1, 2008.

For facilities licensed by the Department of Public Health under the Nursing Home Care Act as Intermediate Care for the Developmentally Disabled facilities or as long-term care facilities for residents under 22 years of age, the rates taking effect on July 1, 2003 shall include a statewide increase of 4%, as defined by the Department.

For facilities licensed by the Department of Public Health under the Nursing Home Care Act as Intermediate Care for the Developmentally Disabled facilities or Long Term Care for Under Age 22 facilities, the rates taking effect on the first day of the month that begins at least 45 days after the effective date of this amendatory Act of the 95th General
Assembly shall include a statewide increase of 2.5%, as defined by the Department.

Notwithstanding any other provision of this Section, for facilities licensed by the Department of Public Health under the Nursing Home Care Act as skilled nursing facilities or intermediate care facilities, effective January 1, 2005, facility rates shall be increased by the difference between (i) a facility's per diem property, liability, and malpractice insurance costs as reported in the cost report filed with the Department of Public Aid and used to establish rates effective July 1, 2001 and (ii) those same costs as reported in the facility's 2002 cost report. These costs shall be passed through to the facility without caps or limitations, except for adjustments required under normal auditing procedures.

Rates established effective each July 1 shall govern payment for services rendered throughout that fiscal year, except that rates established on July 1, 1996 shall be increased by 6.8% for services provided on or after January 1, 1997. Such rates will be based upon the rates calculated for the year beginning July 1, 1990, and for subsequent years thereafter until June 30, 2001 shall be based on the facility cost reports for the facility fiscal year ending at any point in time during the previous calendar year, updated to the midpoint of the rate year. The cost report shall be on file with the Department no later than April 1 of the current rate year. Should the cost report not be on file by April 1, the Department shall base the rate on the latest cost report filed by each skilled care facility and intermediate care facility, updated to the midpoint of the current rate year. In determining rates for services rendered on and after July 1, 1985, fixed time shall not be computed at less than zero. The Department shall not make any alterations of regulations which would reduce any component of the Medicaid rate to a level below what that component would have been utilizing in the rate effective on July 1, 1984.

(2) Shall take into account the actual costs incurred by facilities in providing services for recipients of skilled nursing and intermediate care services under the medical assistance program.

(3) Shall take into account the medical and psycho-social characteristics and needs of the patients.

(4) Shall take into account the actual costs incurred by facilities in meeting licensing and certification standards imposed and prescribed by the State of Illinois, any of its political subdivisions or municipalities and by the U.S. Department of Health and Human Services pursuant to Title XIX of the Social Security Act.

The Department of Healthcare and Family Services shall develop precise standards for payments to reimburse nursing facilities for any utilization of appropriate rehabilitative personnel for the provision of rehabilitative services which is authorized by federal regulations, including reimbursement for services provided by qualified therapists or qualified assistants, and which is in accordance with accepted professional practices. Reimbursement also may be made for utilization of other supportive personnel under appropriate supervision.

The Department shall develop enhanced payments to offset the additional costs incurred by a facility serving exceptional need residents and shall allocate at least $4,000,000 of the funds collected from the assessment established by Section 5B-2 of this Code for such payments. For the purpose of this Section, "exceptional needs" means, but need not be limited to, ventilator care and traumatic brain injury care. The enhanced payments for exceptional need residents under this paragraph are not due and payable, however, until (i) the methodologies described in this paragraph are approved by the federal government in an appropriate State Plan amendment and (ii) the assessment imposed by Section 5B-2 of this Code is determined to be a permissible tax under Title XIX of the Social Security Act.

Beginning January 1, 2014 the methodologies for reimbursement of nursing facility services as provided under this Section 5-5.4 shall no longer be applicable for services provided on or after January 1, 2014.

No payment increase under this Section for the MDS methodology, exceptional care residents, or the socio-development component rate established by Public Act 96-1530 of the 96th General Assembly and funded by the assessment imposed under Section 5B-2 of this Code shall be due and payable until after the Department notifies the long-term care providers, in writing, that the payment methodologies to long-term care providers required under this Section have been approved by the Centers for Medicare and Medicaid Services of the U.S. Department of Health and Human Services and the waivers under 42 CFR 433.68 for the assessment imposed by this Section, if necessary, have been granted by the Centers for Medicare and Medicaid Services of the U.S. Department of Health and Human Services. Upon notification to the Department of approval of the payment methodologies required under this Section and the waivers granted under 42 CFR 433.68, all increased payments otherwise due under this Section prior to the date of notification shall be due and payable within 90 days of the date federal approval is received.

ARTICLE 10. RETIREMENT CONTRIBUTIONS

Section 10-5. The State Finance Act is amended by changing Sections 8.12 and 14.1 as follows:

(30 ILCS 105/8.12) (from Ch. 127, par. 144.12)

(a) The moneys in the State Pensions Fund shall be used exclusively for the administration of the Uniform Disposition of Unclaimed Property Act and for the expenses incurred by the Auditor General for administering the provisions of Section 2-8.1 of the Illinois State Auditing Act and for the funding of the unfunded liabilities of the designated retirement systems. Beginning in State fiscal year 2019, payments to the designated retirement systems under this Section shall be in addition to, and not in lieu of, any State contributions required under the Illinois Pension Code.

"Designated retirement systems" means:

(1) the State Employees' Retirement System of Illinois;
(2) the Teachers' Retirement System of the State of Illinois;
(3) the State Universities Retirement System;
(4) the Judges Retirement System of Illinois; and
(5) the General Assembly Retirement System.

(b) Each year the General Assembly may make appropriations from the State Pensions Fund for the administration of the Uniform Disposition of Unclaimed Property Act.

Each month, the Commissioner of the Office of Banks and Real Estate shall certify to the State Treasurer the actual expenditures that the Office of Banks and Real Estate incurred conducting unclaimed property examinations under the Uniform Disposition of Unclaimed Property Act during the immediately preceding month. Within a reasonable time following the acceptance of such certification by the State Treasurer, the State Treasurer shall pay from its appropriation from the State Pensions Fund to the Bank and Trust Company Fund, the Savings Bank Regulatory Fund, and the Residential Finance Regulatory Fund an amount equal to the expenditures incurred by each Fund for that month.

Each month, the Director of Financial Institutions shall certify to the State Treasurer the actual expenditures that the Department of Financial Institutions incurred conducting unclaimed property examinations under the Uniform Disposition of Unclaimed Property Act during the immediately preceding month. Within a reasonable time following the acceptance of such certification by the State Treasurer, the State Treasurer shall pay from its appropriation from the State Pensions Fund to the Financial Institution Fund and the Credit Union Fund an amount equal to the expenditures incurred by each Fund for that month.

(c) As soon as possible after the effective date of this amendatory Act of the 93rd General Assembly, the General Assembly shall appropriate from the State Pensions Fund (1) to the State Universities Retirement System the amount certified under Section 15-165 during the prior year, (2) to the Judges Retirement System of Illinois the amount certified under Section 18-140 during the prior year, and (3) to the General Assembly Retirement System the amount certified under Section 2-134 during the prior year as part of the required State contributions to each of those designated retirement systems; except that amounts appropriated under this subsection (c) in State fiscal year 2005 shall not reduce the amount in the State Pensions Fund below $5,000,000. If the amount in the State Pensions Fund does not exceed the sum of the amounts certified in Sections 15-165, 18-140, and 2-134 by at least $5,000,000, the amount paid to each designated retirement system under this subsection shall be reduced in proportion to the amount certified by each of those designated retirement systems.

(c-5) For fiscal years 2006 through 2017, the General Assembly shall appropriate from the State Pensions Fund to the State Universities Retirement System the amount estimated to be available during the fiscal year in the State Pensions Fund; provided, however, that the amounts appropriated under this subsection (c-5) shall not reduce the amount in the State Pensions Fund below $5,000,000.

(c-6) For fiscal year 2019 and each fiscal year thereafter, as soon as may be practical after any money is deposited into the State Pensions Fund from the Unclaimed Property Trust Fund, the State Treasurer shall apportion the deposited amount among the designated retirement systems as defined in subsection (a) to reduce their actuarial reserve deficiencies. The State Comptroller and State Treasurer shall pay the apportioned amounts to the designated retirement systems to fund the unfunded liabilities of the designated retirement systems. The amount apportioned to each designated retirement system shall constitute a portion of the amount estimated to be available for appropriation from the State Pensions Fund that is the same as that retirement system's portion of the total actual reserve deficiency of the systems, as determined annually by the Governor's Office of Management and Budget at the request of the State Treasurer. The amounts apportioned under this subsection shall not reduce the amount in the State Pensions Fund below $5,000,000.

(d) The Governor's Office of Management and Budget shall determine the individual and total reserve deficiencies of the designated retirement systems. For this purpose, the Governor's Office of Management and Budget shall utilize the latest available audit and actuarial reports of each of the retirement systems and the relevant reports and statistics of the Public Employee Pension Fund Division of the Department of Insurance.

(d-1) As soon as practicable after the effective date of this amendatory Act of the 93rd General Assembly, the Comptroller shall direct and the Treasurer shall transfer from the State Pensions Fund to the General Revenue Fund, as funds become available, a sum equal to the amounts that would have been paid from the State Pensions Fund to the Teachers' Retirement System of the State of Illinois, the State Universities Retirement System, the Judges Retirement System of Illinois, the General Assembly Retirement System, and the State Employees' Retirement System of Illinois after the effective date of this amendatory Act during the remainder of fiscal year 2004 to the designated retirement systems from the appropriations provided for in this Section if the transfers provided in

Section 6z-61 had not occurred. The transfers described in this subsection (d-1) are to partially repay the General Revenue Fund for the costs associated with the bonds used to fund the moneys transferred to the designated retirement systems under Section 6z-61.

(e) The changes to this Section made by this amendatory Act of 1994 shall first apply to distributions from the Fund for State fiscal year 1996.

Sec. 14.1. Appropriations for State contributions to the State Employees' Retirement System; payroll requirements.

(a) Appropriations for State contributions to the State Employees' Retirement System of Illinois shall be expended in the manner provided in this Section. Except as otherwise provided in subsections (a-1), (a-2), (a-3), and (a-4) at the time of each payment of salary to an employee under the personal services line item, payment shall be made to the State Employees' Retirement System, from the amount appropriated for State contributions to the State Employees' Retirement System, of an amount calculated at the rate certified for the applicable fiscal year by the Board of Trustees of the State Employees' Retirement System under Section 14-135.08 of the Illinois Pension Code. If a line item appropriation to an employer for this purpose is exhausted or is unavailable due to any limitation on appropriations that may apply, (including, but not limited to, limitations on appropriations from the Road Fund under Section 8.3 of the State Finance Act), the amounts shall be paid under the continuing appropriation for this purpose contained in the State Pension Funds Continuing Appropriation Act.

(a-1) Beginning on the effective date of this amendatory Act of the 93rd General Assembly through the payment of the final payroll from fiscal year 2004 appropriations, appropriations for State contributions to the State Employees' Retirement System of Illinois shall be expended in the manner provided in this subsection (a-1). At the time of each payment of salary to an employee under the personal services line item from a fund other than the General Revenue Fund, payment shall be made for deposit into the General Revenue Fund from the amount appropriated for State contributions to the State Employees' Retirement System of an amount calculated at the rate certified for fiscal year 2004 by the Board of Trustees.
of the State Employees' Retirement System under Section 14-135.08 of the Illinois Pension Code. This payment shall be made to the extent that a line item appropriation to an employer for this purpose is available or unexhausted. No payment from appropriations for State contributions shall be made in conjunction with payment of salary to an employee under the personal services line item from the General Revenue Fund.

(a-2) For fiscal year 2010 only, at the time of each payment of salary to an employee under the personal services line item from a fund other than the General Revenue Fund, payment shall be made for deposit into the State Employees' Retirement System of Illinois from the amount appropriated for State contributions to the State Employees' Retirement System of Illinois of an amount calculated at the rate certified for fiscal year 2010 by the Board of Trustees of the State Employees' Retirement System of Illinois under Section 14-135.08 of the Illinois Pension Code. This payment shall be made to the extent that a line item appropriation to an employer for this purpose is available or unexhausted. For fiscal year 2010 only, no payment from appropriations for State contributions shall be made in conjunction with payment of salary to an employee under the personal services line item from the General Revenue Fund.

(a-3) For fiscal year 2011 only, at the time of each payment of salary to an employee under the personal services line item from a fund other than the General Revenue Fund, payment shall be made for deposit into the State Employees' Retirement System of Illinois from the amount appropriated for State contributions to the State Employees' Retirement System of Illinois of an amount calculated at the rate certified for fiscal year 2011 by the Board of Trustees of the State Employees' Retirement System of Illinois under Section 14-135.08 of the Illinois Pension Code. This payment shall be made to the extent that a line item appropriation to an employer for this purpose is available or unexhausted. For fiscal year 2011 only, no payment from appropriations for State contributions shall be made in conjunction with payment of salary to an employee under the personal services line item from the General Revenue Fund.

(a-4) In fiscal years 2012 through 2018 only, at the time of each payment of salary to an employee under the personal services line item from a fund other than the General Revenue Fund, payment shall be made for deposit into the State Employees' Retirement System of Illinois from the amount appropriated for State contributions to the State Employees' Retirement System of Illinois of an amount calculated at the rate certified for the applicable fiscal year by the Board of Trustees of the
State Employees' Retirement System of Illinois under Section 14-135.08 of the Illinois Pension Code. In fiscal years 2012 through 2017 only, no payment from appropriations for State contributions shall be made in conjunction with payment of salary to an employee under the personal services line item from the General Revenue Fund.

(b) Except during the period beginning on the effective date of this amendatory Act of the 93rd General Assembly and ending at the time of the payment of the final payroll from fiscal year 2004 appropriations, the State Comptroller shall not approve for payment any payroll voucher that (1) includes payments of salary to eligible employees in the State Employees' Retirement System of Illinois and (2) does not include the corresponding payment of State contributions to that retirement system at the full rate certified under Section 14-135.08 for that fiscal year for eligible employees, unless the balance in the fund on which the payroll voucher is drawn is insufficient to pay the total payroll voucher, or unavailable due to any limitation on appropriations that may apply, including, but not limited to, limitations on appropriations from the Road Fund under Section 8.3 of the State Finance Act. If the State Comptroller approves a payroll voucher under this Section for which the fund balance is insufficient to pay the full amount of the required State contribution to the State Employees' Retirement System, the Comptroller shall promptly so notify the Retirement System.

(b-1) For fiscal year 2010 and fiscal year 2011 only, the State Comptroller shall not approve for payment any non-General Revenue Fund payroll voucher that (1) includes payments of salary to eligible employees in the State Employees' Retirement System of Illinois and (2) does not include the corresponding payment of State contributions to that retirement system at the full rate certified under Section 14-135.08 for that fiscal year for eligible employees, unless the balance in the fund on which the payroll voucher is drawn is insufficient to pay the total payroll voucher, or unavailable due to any limitation on appropriations that may apply, including, but not limited to, limitations on appropriations from the Road Fund under Section 8.3 of the State Finance Act. If the State Comptroller approves a payroll voucher under this Section for which the fund balance is insufficient to pay the full amount of the required State contribution to the State Employees' Retirement System of Illinois, the Comptroller shall promptly so notify the retirement system.

(c) Notwithstanding any other provisions of law, beginning July 1, 2007, required State and employee contributions to the State Employees'
Retirement System of Illinois relating to affected legislative staff employees shall be paid out of moneys appropriated for that purpose to the Commission on Government Forecasting and Accountability, rather than out of the lump-sum appropriations otherwise made for the payroll and other costs of those employees.

These payments must be made pursuant to payroll vouchers submitted by the employing entity as part of the regular payroll voucher process.

For the purpose of this subsection, "affected legislative staff employees" means legislative staff employees paid out of lump-sum appropriations made to the General Assembly, an Officer of the General Assembly, or the Senate Operations Commission, but does not include district-office staff or employees of legislative support services agencies.

Sec. 1-161. Optional benefits for certain Tier 2 members under Articles 14, 15, and 16.

(a) Notwithstanding any other provision of this Code to the contrary, the provisions of this Section apply to a person who first becomes a member or a participant under Article 14, 15, or 16 on or after the implementation date under this Section for the applicable Article and who does not make the election under subsection (b) or (c), whichever applies. The provisions of this Section also apply to a person who makes the election under subsection (c-5). However, the provisions of this Section do not apply to any participant in a self-managed plan, nor to a covered employee under Article 14.

As used in this Section and Section 1-160, the "implementation date" under this Section means the earliest date upon which the board of a retirement system authorizes members of that system to begin participating in accordance with this Section, as determined by the board of that retirement system. Each of the retirement systems subject to this Section shall endeavor to make such participation available as soon as possible after the effective date of this Section and shall establish an implementation date by board resolution.

(b) In lieu of the benefits provided under this Section, a member or participant, except for a participant under Article 15, may irrevocably elect the benefits under Section 1-160 and the benefits otherwise applicable to that member or participant. The election must be made
within 30 days after becoming a member or participant. Each retirement system shall establish procedures for making this election.

For the purposes of a person to whom this Section applies, in this Code, "final average salary" shall be substituted for "final average compensation" in Article 14.

(e) Beginning on the implementation date, for all purposes under this Code (including without limitation the calculation of benefits and employee contributions), the annual earnings, salary, compensation, or wages (based on the plan year) of a member or participant to whom this Section applies shall not at any time exceed the federal Social Security Wage Base then in effect.

(f) A member or participant is entitled to a retirement annuity upon written application if he or she has attained the normal retirement age determined by the Social Security Administration for that member or participant's year of birth, but no earlier than 67 years of age, and has at least 10 years of service credit and is otherwise eligible under the requirements of the applicable Article.

(g) The amount of the retirement annuity to which a member or participant is entitled shall be computed by multiplying 1.25% for each year of service credit by his or her final average salary.

date. Each annual increase shall be one-half the annual unadjusted percentage increase (but not less than zero) in the consumer price index-w for the 12 months ending with the September preceding each November 1 of the originally granted retirement annuity. If the annual unadjusted percentage change in the consumer price index-w for the 12 months ending with the September preceding each November 1 is zero or there is a decrease, then the annuity shall not be increased.

For the purposes of this Section, "consumer price index-w" means the index published by the Bureau of Labor Statistics of the United States Department of Labor that measures the average change in prices of goods and services purchased by Urban Wage Earners and Clerical Workers, United States city average, all items, 1982-84 = 100. (i) The initial survivor's or widow's annuity of an otherwise eligible survivor or widow of a retired member or participant to whom this Section applies shall be in the amount of 66 2/3% of the retired member's or participant's retirement annuity at the date of death. In the case of the death of a member or participant who has not retired and to whom this Section applies, eligibility for a survivor's or widow's annuity shall be determined by the applicable Article of this Code. The benefit shall be 66 2/3% of the earned annuity without a reduction due to age. A child's annuity of an otherwise eligible child shall be in the amount prescribed under each Article if applicable.

(j) In lieu of any other employee contributions, except for the contribution to the defined contribution plan under subsection (k) of this Section, each employee shall contribute 6.2% of his her or salary to the retirement system. However, the employee contribution under this subsection shall not exceed the amount of the total normal cost of the benefits for all members making contributions under this Section (except for the defined contribution plan under subsection (k) of this Section), expressed as a percentage of payroll and certified on or before January 15 of each year by the board of trustees of the retirement system. If the board of trustees of the retirement system certifies that the 6.2% employee contribution rate exceeds the normal cost of the benefits under this Section (except for the defined contribution plan under subsection (k) of this Section), then on or before December 1 of that year, the board of trustees
shall certify the amount of the normal cost of the benefits under this Section (except for the defined contribution plan under subsection (k) of this Section), expressed as a percentage of payroll, to the State Actuary and the Commission on Government Forecasting and Accountability, and the employee contribution under this subsection shall be reduced to that amount beginning July 1 of that year. Thereafter, if the normal cost of the benefits under this Section (except for the defined contribution plan under subsection (k) of this Section), expressed as a percentage of payroll and certified on or before January 1 of each year by the board of trustees of the retirement system, exceeds 6.2% of salary, then on or before January 15 of that year, the board of trustees shall certify the normal cost to the State Actuary and the Commission on Government Forecasting and Accountability, and the employee contributions shall revert back to 6.2% of salary beginning January 1 of the following year.

(k) In accordance with each retirement system's implementation date, each retirement system under Article 14, 15, or 16 shall prepare and implement a defined contribution plan for members or participants who are subject to this Section. The defined contribution plan developed under this subsection shall be a plan that aggregates employer and employee contributions in individual participant accounts which, after meeting any other requirements, are used for payouts after retirement in accordance with this subsection and any other applicable laws.

(1) Each member or participant shall contribute a minimum of 4% of his or her salary to the defined contribution plan.

(2) For each participant in the defined contribution plan who has been employed with the same employer for at least one year, employer contributions shall be paid into that participant's accounts at a rate expressed as a percentage of salary. This rate may be set for individual employees, but shall be no higher than 6% of salary and shall be no lower than 2% of salary.

(3) Employer contributions shall vest when those contributions are paid into a member's or participant's account.

(4) The defined contribution plan shall provide a variety of options for investments. These options shall include investments handled by the Illinois State Board of Investment as well as private sector investment options.

(5) The defined contribution plan shall provide a variety of options for payouts to retirees and their survivors.

New matter indicated by italics - deletions by strikeout
(6) To the extent authorized under federal law and as authorized by the retirement system, the defined contribution plan shall allow former participants in the plan to transfer or roll over employee and employer contributions, and the earnings thereon, into other qualified retirement plans.

(7) Each retirement system shall reduce the employee contributions credited to the member’s defined contribution plan account by an amount determined by that retirement system to cover the cost of offering the benefits under this subsection and any applicable administrative fees.

(8) No person shall begin participating in the defined contribution plan until it has attained qualified plan status and received all necessary approvals from the U.S. Internal Revenue Service.

(l) In the case of a conflict between the provisions of this Section and any other provision of this Code, the provisions of this Section shall control.

Sec. 2-124. Contributions by State.

(a) The State shall make contributions to the System by appropriations of amounts which, together with the contributions of participants, interest earned on investments, and other income will meet the cost of maintaining and administering the System on a 90% funded basis in accordance with actuarial recommendations.

(b) The Board shall determine the amount of State contributions required for each fiscal year on the basis of the actuarial tables and other assumptions adopted by the Board and the prescribed rate of interest, using the formula in subsection (c).

(c) For State fiscal years 2012 through 2045, the minimum contribution to the System to be made by the State for each fiscal year shall be an amount determined by the System to be sufficient to bring the total assets of the System up to 90% of the total actuarial liabilities of the System by the end of State fiscal year 2045. In making these determinations, the required State contribution shall be calculated each year as a level percentage of payroll over the years remaining to and including fiscal year 2045 and shall be determined under the projected unit credit actuarial cost method.

A change in an actuarial or investment assumption that increases or decreases the required State contribution and first applies in State fiscal year 2018 or thereafter shall be implemented in equal annual amounts over a 5-year period beginning in the State fiscal year in which the actuarial change first applies to the required State contribution.

A change in an actuarial or investment assumption that increases or decreases the required State contribution and first applied to the State contribution in fiscal year 2014, 2015, 2016, or 2017 shall be implemented:

(i) as already applied in State fiscal years before 2018; and
(ii) in the portion of the 5-year period beginning in the State fiscal year in which the actuarial change first applied that occurs in State fiscal year 2018 or thereafter, by calculating the change in equal annual amounts over that 5-year period and then implementing it at the resulting annual rate in each of the remaining fiscal years in that 5-year period.

For State fiscal years 1996 through 2005, the State contribution to the System, as a percentage of the applicable employee payroll, shall be increased in equal annual increments so that by State fiscal year 2011, the State is contributing at the rate required under this Section.

Notwithstanding any other provision of this Article, the total required State contribution for State fiscal year 2006 is $4,157,000.

Notwithstanding any other provision of this Article, the total required State contribution for State fiscal year 2007 is $5,220,300.

For each of State fiscal years 2008 through 2009, the State contribution to the System, as a percentage of the applicable employee payroll, shall be increased in equal annual increments from the required State contribution for State fiscal year 2007, so that by State fiscal year 2011, the State is contributing at the rate otherwise required under this Section.

Notwithstanding any other provision of this Article, the total required State contribution for State fiscal year 2010 is $10,454,000 and shall be made from the proceeds of bonds sold in fiscal year 2010 pursuant to Section 7.2 of the General Obligation Bond Act, less (i) the pro rata share of bond sale expenses determined by the System's share of total bond proceeds, (ii) any amounts received from the General Revenue Fund in fiscal year 2010, and (iii) any reduction in bond proceeds due to the issuance of discounted bonds, if applicable.

Notwithstanding any other provision of this Article, the total required State contribution for State fiscal year 2011 is the amount recertified by the System on or before April 1, 2011 pursuant to Section 2-134 and shall be made from the proceeds of bonds sold in fiscal year 2011 pursuant to Section 7.2 of the General Obligation Bond Act, less (i) the pro rata share of bond sale expenses determined by the System's share of

total bond proceeds, (ii) any amounts received from the General Revenue Fund in fiscal year 2011, and (iii) any reduction in bond proceeds due to the issuance of discounted bonds, if applicable.

Beginning in State fiscal year 2046, the minimum State contribution for each fiscal year shall be the amount needed to maintain the total assets of the System at 90% of the total actuarial liabilities of the System.

Amounts received by the System pursuant to Section 25 of the Budget Stabilization Act or Section 8.12 of the State Finance Act in any fiscal year do not reduce and do not constitute payment of any portion of the minimum State contribution required under this Article in that fiscal year. Such amounts shall not reduce, and shall not be included in the calculation of, the required State contributions under this Article in any future year until the System has reached a funding ratio of at least 90%. A reference in this Article to the "required State contribution" or any substantially similar term does not include or apply to any amounts payable to the System under Section 25 of the Budget Stabilization Act.

Notwithstanding any other provision of this Section, the required State contribution for State fiscal year 2005 and for fiscal year 2008 and each fiscal year thereafter, as calculated under this Section and certified under Section 2-134, shall not exceed an amount equal to (i) the amount of the required State contribution that would have been calculated under this Section for that fiscal year if the System had not received any payments under subsection (d) of Section 7.2 of the General Obligation Bond Act, minus (ii) the portion of the State's total debt service payments for that fiscal year on the bonds issued in fiscal year 2003 for the purposes of that Section 7.2, as determined and certified by the Comptroller, that is the same as the System's portion of the total moneys distributed under subsection (d) of Section 7.2 of the General Obligation Bond Act. In determining this maximum for State fiscal years 2008 through 2010, however, the amount referred to in item (i) shall be increased, as a percentage of the applicable employee payroll, in equal increments calculated from the sum of the required State contribution for State fiscal year 2007 plus the applicable portion of the State's total debt service payments for fiscal year 2007 on the bonds issued in fiscal year 2003 for the purposes of Section 7.2 of the General Obligation Bond Act, so that, by State fiscal year 2011, the State is contributing at the rate otherwise required under this Section.

(d) For purposes of determining the required State contribution to the System, the value of the System's assets shall be equal to the actuarial value of the System's assets, which shall be calculated as follows:

As of June 30, 2008, the actuarial value of the System's assets shall be equal to the market value of the assets as of that date. In determining the actuarial value of the System's assets for fiscal years after June 30, 2008, any actuarial gains or losses from investment return incurred in a fiscal year shall be recognized in equal annual amounts over the 5-year period following that fiscal year.

(e) For purposes of determining the required State contribution to the system for a particular year, the actuarial value of assets shall be assumed to earn a rate of return equal to the system's actuarially assumed rate of return.

Sec. 2-134. To certify required State contributions and submit vouchers.

(a) The Board shall certify to the Governor on or before December 15 of each year until December 15, 2011 the amount of the required State contribution to the System for the next fiscal year and shall specifically identify the System's projected State normal cost for that fiscal year. The certification shall include a copy of the actuarial recommendations upon which it is based and shall specifically identify the System's projected State normal cost for that fiscal year.

On or before November 1 of each year, beginning November 1, 2012, the Board shall submit to the State Actuary, the Governor, and the General Assembly a proposed certification of the amount of the required State contribution to the System for the next fiscal year, along with all of the actuarial assumptions, calculations, and data upon which that proposed certification is based. On or before January 1 of each year beginning January 1, 2013, the State Actuary shall issue a preliminary report concerning the proposed certification and identifying, if necessary, recommended changes in actuarial assumptions that the Board must consider before finalizing its certification of the required State contributions. On or before January 15, 2013 and every January 15 thereafter, the Board shall certify to the Governor and the General Assembly a final certification of the amount of the required State contribution to the System for the next fiscal year.

Assembly the amount of the required State contribution for the next fiscal year. The Board's certification must note any deviations from the State Actuary's recommended changes, the reason or reasons for not following the State Actuary's recommended changes, and the fiscal impact of not following the State Actuary's recommended changes on the required State contribution.

On or before May 1, 2004, the Board shall recalculate and recertify to the Governor the amount of the required State contribution to the System for State fiscal year 2005, taking into account the amounts appropriated to and received by the System under subsection (d) of Section 7.2 of the General Obligation Bond Act.

On or before July 1, 2005, the Board shall recalculate and recertify to the Governor the amount of the required State contribution to the System for State fiscal year 2006, taking into account the changes in required State contributions made by this amendatory Act of the 94th General Assembly.

On or before April 1, 2011, the Board shall recalculate and recertify to the Governor the amount of the required State contribution to the System for State fiscal year 2011, applying the changes made by Public Act 96-889 to the System's assets and liabilities as of June 30, 2009 as though Public Act 96-889 was approved on that date.

By November 1, 2017, the Board shall recalculate and recertify to the State Actuary, the Governor, and the General Assembly the amount of the State contribution to the System for State fiscal year 2018, taking into account the changes in required State contributions made by this amendatory Act of the 100th General Assembly. The State Actuary shall review the assumptions and valuations underlying the Board's revised certification and issue a preliminary report concerning the proposed recertification and identifying, if necessary, recommended changes in actuarial assumptions that the Board must consider before finalizing its certification of the required State contributions. The Board's final certification must note any deviations from the State Actuary's recommended changes, the reason or reasons for not following the State Actuary's recommended changes, and the fiscal impact of not following the State Actuary's recommended changes on the required State contribution.

(b) Beginning in State fiscal year 1996, on or as soon as possible after the 15th day of each month the Board shall submit vouchers for payment of State contributions to the System, in a total monthly amount of

one-twelfth of the required annual State contribution certified under subsection (a). From the effective date of this amendatory Act of the 93rd General Assembly through June 30, 2004, the Board shall not submit vouchers for the remainder of fiscal year 2004 in excess of the fiscal year 2004 certified contribution amount determined under this Section after taking into consideration the transfer to the System under subsection (d) of Section 6z-61 of the State Finance Act. These vouchers shall be paid by the State Comptroller and Treasurer by warrants drawn on the funds appropriated to the System for that fiscal year. If in any month the amount remaining unexpended from all other appropriations to the System for the applicable fiscal year (including the appropriations to the System under Section 8.12 of the State Finance Act and Section 1 of the State Pension Funds Continuing Appropriation Act) is less than the amount lawfully vouchered under this Section, the difference shall be paid from the General Revenue Fund under the continuing appropriation authority provided in Section 1.1 of the State Pension Funds Continuing Appropriation Act.

(c) The full amount of any annual appropriation for the System for State fiscal year 1995 shall be transferred and made available to the System at the beginning of that fiscal year at the request of the Board. Any excess funds remaining at the end of any fiscal year from appropriations shall be retained by the System as a general reserve to meet the System's accrued liabilities.

Sec. 6-164. Automatic annual increase; retirement after September 1, 1959.

(a) A fireman qualifying for a minimum annuity who retires from service after September 1, 1959 shall, upon either the first of the month following the first anniversary of his date of retirement if he is age 60 (age 55 if born before January 1, 1966) or over on that anniversary date, or upon the first of the month following his attainment of age 60 (age 55 if born before January 1, 1966) if that occurs after the first anniversary of his retirement date, have his then fixed and payable monthly annuity increased by 1 1/2%, and such first fixed annuity as granted at retirement increased by an additional 1 1/2% in January of each year thereafter up to a maximum increase of 30%. Beginning July 1, 1982 for firemen born before January 1, 1930, and beginning January 1, 1990 for firemen born after December 31, 1929 and before January 1, 1940, and beginning

January 1, 1996 for firemen born after December 31, 1939 but before January 1, 1945, and beginning January 1, 2004, for firemen born after December 31, 1944 but before January 1, 1955, and beginning January 1, 2017, for firemen born after December 31, 1954 but before January 1, 1966, such increases shall be 3% and such firemen shall not be subject to the 30% maximum increase.

Any fireman born before January 1, 1945 who qualifies for a minimum annuity and retires after September 1, 1967 but has not received the initial increase under this subsection before January 1, 1996 is entitled to receive the initial increase under this subsection on (1) January 1, 1996, (2) the first anniversary of the date of retirement, or (3) attainment of age 55, whichever occurs last. The changes to this Section made by this amendatory Act of 1995 apply beginning January 1, 1996 and apply without regard to whether the fireman or annuitant terminated service before the effective date of this amendatory Act of 1995.

Any fireman born before January 1, 1955 who qualifies for a minimum annuity and retires after September 1, 1967 but has not received the initial increase under this subsection before January 1, 2004 is entitled to receive the initial increase under this subsection on (1) January 1, 2004, (2) the first anniversary of the date of retirement, or (3) attainment of age 55, whichever occurs last. The changes to this Section made by this amendatory Act of the 93rd General Assembly apply without regard to whether the fireman or annuitant terminated service before the effective date of this amendatory Act.

Any fireman born after December 31, 1954 but before January 1, 1966 who qualifies for a minimum annuity and retires after September 1, 1967 but has not received the initial increase under this subsection before January 1, 2017 is entitled to receive an initial increase under this subsection on (1) January 1, 2017, (2) the first anniversary of the date of retirement, or (3) attainment of age 55, whichever occurs last, in an amount equal to an increase of 3% of his then fixed and payable monthly annuity upon the first of the month following the first anniversary of his date of retirement if he is age 55 or over on that anniversary date or upon the first of the month following his attainment of age 55 if that date occurs after the first anniversary of his retirement date and such first fixed annuity as granted at retirement shall be increased by an additional 3% in January of each year thereafter. In the case of a fireman born after December 31, 1954 but before January 1, 1966 who received an increase in any year of 1.5%, that fireman shall receive an increase for any such

year so that the total increase is equal to 3% for each year the fireman would have been otherwise eligible had the fireman not received any increase for each complete year following the date of retirement or attainment of age 55, whichever occurs later. The changes to this subsection made by this amendatory Act of the 99th General Assembly apply without regard to whether the fireman or annuitant terminated service before the effective date of this amendatory Act. The changes to this subsection made by this amendatory Act of the 100th General Assembly are a declaration of existing law and shall not be construed as a new enactment.

(b) Subsection (a) of this Section is not applicable to an employee receiving a term annuity.

(c) To help defray the cost of such increases in annuity, there shall be deducted, beginning September 1, 1959, from each payment of salary to a fireman, 1/8 of 1% of each such salary payment and an additional 1/8 of 1% beginning on September 1, 1961, and September 1, 1963, respectively, concurrently with and in addition to the salary deductions otherwise made for annuity purposes.

Each such additional 1/8 of 1% deduction from salary which shall, on September 1, 1963, result in a total increase of 3/8 of 1% of salary, shall be credited to the Automatic Increase Reserve, to be used, together with city contributions as provided in this Article, to defray the cost of the annuity increments specified in this Section. Any balance in such reserve as of the beginning of each calendar year shall be credited with interest at the rate of 3% per annum.

The salary deductions provided in this Section are not subject to refund, except to the fireman himself in any case in which: (i) the fireman withdraws prior to qualification for minimum annuity or Tier 2 monthly retirement annuity and applies for refund, (ii) the fireman applies for an annuity of a type that is not subject to annual increases under this Section, or (iii) a term annuity becomes payable. In such cases, the total of such salary deductions shall be refunded to the fireman, without interest, and charged to the aforementioned reserve.

(d) Notwithstanding any other provision of this Article, the Tier 2 monthly retirement annuity of a person who first becomes a fireman under this Article on or after January 1, 2011 shall be increased on the January 1 occurring either on or after (i) the attainment of age 60 or (ii) the first anniversary of the annuity start date, whichever is later. Each annual increase shall be calculated at 3% or one-half the annual unadjusted

percentage increase (but not less than zero) in the consumer price index-u for the 12 months ending with the September preceding each November 1, whichever is less, of the originally granted retirement annuity. If the annual unadjusted percentage change in the consumer price index-u for a 12-month period ending in September is zero or, when compared with the preceding period, decreases, then the annuity shall not be increased.

For the purposes of this subsection (d), "consumer price index-u" means the index published by the Bureau of Labor Statistics of the United States Department of Labor that measures the average change in prices of goods and services purchased by all urban consumers, United States city average, all items, 1982-84 = 100. The new amount resulting from each annual adjustment shall be determined by the Public Pension Division of the Department of Insurance and made available to the boards of the pension funds by November 1 of each year.

Sec. 14-131. Contributions by State.

(a) The State shall make contributions to the System by appropriations of amounts which, together with other employer contributions from trust, federal, and other funds, employee contributions, investment income, and other income, will be sufficient to meet the cost of maintaining and administering the System on a 90% funded basis in accordance with actuarial recommendations.

For the purposes of this Section and Section 14-135.08, references to State contributions refer only to employer contributions and do not include employee contributions that are picked up or otherwise paid by the State or a department on behalf of the employee.

(b) The Board shall determine the total amount of State contributions required for each fiscal year on the basis of the actuarial tables and other assumptions adopted by the Board, using the formula in subsection (e).

The Board shall also determine a State contribution rate for each fiscal year, expressed as a percentage of payroll, based on the total required State contribution for that fiscal year (less the amount received by the System from appropriations under Section 8.12 of the State Finance Act and Section 1 of the State Pension Funds Continuing Appropriation Act, if any, for the fiscal year ending on the June 30 immediately preceding the applicable November 15 certification deadline), the estimated payroll (including all forms of compensation) for personal

services rendered by eligible employees, and the recommendations of the actuary.

For the purposes of this Section and Section 14.1 of the State Finance Act, the term "eligible employees" includes employees who participate in the System, persons who may elect to participate in the System but have not so elected, persons who are serving a qualifying period that is required for participation, and annuitants employed by a department as described in subdivision (a)(1) or (a)(2) of Section 14-111.

(c) Contributions shall be made by the several departments for each pay period by warrants drawn by the State Comptroller against their respective funds or appropriations based upon vouchers stating the amount to be so contributed. These amounts shall be based on the full rate certified by the Board under Section 14-135.08 for that fiscal year. From the effective date of this amendatory Act of the 93rd General Assembly through the payment of the final payroll from fiscal year 2004 appropriations, the several departments shall not make contributions for the remainder of fiscal year 2004 but shall instead make payments as required under subsection (a-1) of Section 14.1 of the State Finance Act. The several departments shall resume those contributions at the commencement of fiscal year 2005.

(c-1) Notwithstanding subsection (c) of this Section, for fiscal years 2010, 2012, 2013, 2014, 2015, 2016, and 2017, and 2018 only, contributions by the several departments are not required to be made for General Revenue Funds payrolls processed by the Comptroller. Payrolls paid by the several departments from all other State funds must continue to be processed pursuant to subsection (c) of this Section.

(c-2) For State fiscal years 2010, 2012, 2013, 2014, 2015, 2016, and 2017, and 2018 only, on or as soon as possible after the 15th day of each month, the Board shall submit vouchers for payment of State contributions to the System, in a total monthly amount of one-twelfth of the fiscal year General Revenue Fund contribution as certified by the System pursuant to Section 14-135.08 of the Illinois Pension Code.

(d) If an employee is paid from trust funds or federal funds, the department or other employer shall pay employer contributions from those funds to the System at the certified rate, unless the terms of the trust or the federal-State agreement preclude the use of the funds for that purpose, in which case the required employer contributions shall be paid by the State. appropriations, the department or other employer shall not pay contributions for the remainder of fiscal year 2004 but shall instead make payments as required under subsection (a-1) of Section 14.1 of the State Finance Act. The department or other employer shall resume payment of contributions at the commencement of fiscal year 2005.

(e) For State fiscal years 2012 through 2045, the minimum contribution to the System to be made by the State for each fiscal year shall be an amount determined by the System to be sufficient to bring the total assets of the System up to 90% of the total actuarial liabilities of the System by the end of State fiscal year 2045. In making these determinations, the required State contribution shall be calculated each year as a level percentage of payroll over the years remaining to and including fiscal year 2045 and shall be determined under the projected unit credit actuarial cost method.

A change in an actuarial or investment assumption that increases or decreases the required State contribution and first applies in State fiscal year 2018 or thereafter shall be implemented in equal annual amounts over a 5-year period beginning in the State fiscal year in which the actuarial change first applies to the required State contribution.

A change in an actuarial or investment assumption that increases or decreases the required State contribution and first applied to the State contribution in fiscal year 2014, 2015, 2016, or 2017 shall be implemented:

(i) as already applied in State fiscal years before 2018; and
(ii) in the portion of the 5-year period beginning in the State fiscal year in which the actuarial change first applied that occurs in State fiscal year 2018 or thereafter, by calculating the change in equal annual amounts over that 5-year period and then implementing it at the resulting annual rate in each of the remaining fiscal years in that 5-year period.

For State fiscal years 1996 through 2005, the State contribution to the System, as a percentage of the applicable employee payroll, shall be increased in equal annual increments so that by State fiscal year 2011, the State is contributing at the rate required under this Section; except that (i) for State fiscal year 1998, for all purposes of this Code and any other law of this State, the certified percentage of the applicable employee payroll shall be 5.052% for employees earning eligible creditable service under Section 14-110 and 6.500% for all other employees, notwithstanding any contrary certification made under Section 14-135.08 before the effective

date of this amendatory Act of 1997, and (ii) in the following specified State fiscal years, the State contribution to the System shall not be less than the following indicated percentages of the applicable employee payroll, even if the indicated percentage will produce a State contribution in excess of the amount otherwise required under this subsection and subsection (a): 9.8% in FY 1999; 10.0% in FY 2000; 10.2% in FY 2001; 10.4% in FY 2002; 10.6% in FY 2003; and 10.8% in FY 2004.

Notwithstanding any other provision of this Article, the total required State contribution to the System for State fiscal year 2006 is $203,783,900.

Notwithstanding any other provision of this Article, the total required State contribution to the System for State fiscal year 2007 is $344,164,400.

For each of State fiscal years 2008 through 2009, the State contribution to the System, as a percentage of the applicable employee payroll, shall be increased in equal annual increments from the required State contribution for State fiscal year 2007, so that by State fiscal year 2011, the State is contributing at the rate otherwise required under this Section.

Notwithstanding any other provision of this Article, the total required State General Revenue Fund contribution for State fiscal year 2010 is $723,703,100 and shall be made from the proceeds of bonds sold in fiscal year 2010 pursuant to Section 7.2 of the General Obligation Bond Act, less (i) the pro rata share of bond sale expenses determined by the System's share of total bond proceeds, (ii) any amounts received from the General Revenue Fund in fiscal year 2010, and (iii) any reduction in bond proceeds due to the issuance of discounted bonds, if applicable.

Notwithstanding any other provision of this Article, the total required State General Revenue Fund contribution for State fiscal year 2011 is the amount recertified by the System on or before April 1, 2011 pursuant to Section 14-135.08 and shall be made from the proceeds of bonds sold in fiscal year 2011 pursuant to Section 7.2 of the General Obligation Bond Act, less (i) the pro rata share of bond sale expenses determined by the System's share of total bond proceeds, (ii) any amounts received from the General Revenue Fund in fiscal year 2011, and (iii) any reduction in bond proceeds due to the issuance of discounted bonds, if applicable.

the total assets of the System at 90% of the total actuarial liabilities of the System.

Amounts received by the System pursuant to Section 25 of the Budget Stabilization Act or Section 8.12 of the State Finance Act in any fiscal year do not reduce and do not constitute payment of any portion of the minimum State contribution required under this Article in that fiscal year. Such amounts shall not reduce, and shall not be included in the calculation of, the required State contributions under this Article in any future year until the System has reached a funding ratio of at least 90%. A reference in this Article to the "required State contribution" or any substantially similar term does not include or apply to any amounts payable to the System under Section 25 of the Budget Stabilization Act.

Notwithstanding any other provision of this Section, the required State contribution for State fiscal year 2005 and for fiscal year 2008 and each fiscal year thereafter, as calculated under this Section and certified under Section 14-135.08, shall not exceed an amount equal to (i) the amount of the required State contribution that would have been calculated under this Section for that fiscal year if the System had not received any payments under subsection (d) of Section 7.2 of the General Obligation Bond Act, minus (ii) the portion of the State's total debt service payments for that fiscal year on the bonds issued in fiscal year 2003 for the purposes of that Section 7.2, as determined and certified by the Comptroller, that is the same as the System's portion of the total moneys distributed under subsection (d) of Section 7.2 of the General Obligation Bond Act. In determining this maximum for State fiscal years 2008 through 2010, however, the amount referred to in item (i) shall be increased, as a percentage of the applicable employee payroll, in equal increments calculated from the sum of the required State contribution for State fiscal year 2007 plus the applicable portion of the State's total debt service payments for fiscal year 2007 on the bonds issued in fiscal year 2003 for the purposes of Section 7.2 of the General Obligation Bond Act, so that, by State fiscal year 2011, the State is contributing at the rate otherwise required under this Section.

(f) After the submission of all payments for eligible employees from personal services line items in fiscal year 2004 have been made, the Comptroller shall provide to the System a certification of the sum of all fiscal year 2004 expenditures for personal services that would have been covered by payments to the System under this Section if the provisions of this amendatory Act of the 93rd General Assembly had not been enacted.

Upon receipt of the certification, the System shall determine the amount due to the System based on the full rate certified by the Board under Section 14-135.08 for fiscal year 2004 in order to meet the State's obligation under this Section. The System shall compare this amount due to the amount received by the System in fiscal year 2004 through payments under this Section and under Section 6z-61 of the State Finance Act. If the amount due is more than the amount received, the difference shall be termed the "Fiscal Year 2004 Shortfall" for purposes of this Section, and the Fiscal Year 2004 Shortfall shall be satisfied under Section 1.2 of the State Pension Funds Continuing Appropriation Act. If the amount due is less than the amount received, the difference shall be termed the "Fiscal Year 2004 Overpayment" for purposes of this Section, and the Fiscal Year 2004 Overpayment shall be repaid by the System to the Pension Contribution Fund as soon as practicable after the certification.

(g) For purposes of determining the required State contribution to the System, the value of the System's assets shall be equal to the actuarial value of the System's assets, which shall be calculated as follows:

As of June 30, 2008, the actuarial value of the System's assets shall be equal to the market value of the assets as of that date. In determining the actuarial value of the System's assets for fiscal years after June 30, 2008, any actuarial gains or losses from investment return incurred in a fiscal year shall be recognized in equal annual amounts over the 5-year period following that fiscal year.

(h) For purposes of determining the required State contribution to the System for a particular year, the actuarial value of assets shall be assumed to earn a rate of return equal to the System's actuarially assumed rate of return.

(i) After the submission of all payments for eligible employees from personal services line items paid from the General Revenue Fund in fiscal year 2010 have been made, the Comptroller shall provide to the System a certification of the sum of all fiscal year 2010 expenditures for personal services that would have been covered by payments to the System under this Section if the provisions of this amendatory Act of the 96th General Assembly had not been enacted. Upon receipt of the certification, the System shall determine the amount due to the System based on the full rate certified by the Board under Section 14-135.08 for fiscal year 2010 in order to meet the State's obligation under this Section. The System shall compare this amount due to the amount received by the System in fiscal year 2010 through payments under this Section. If the amount due is more

than the amount received, the difference shall be termed the "Fiscal Year 2010 Shortfall" for purposes of this Section, and the Fiscal Year 2010 Shortfall shall be satisfied under Section 1.2 of the State Pension Funds Continuing Appropriation Act. If the amount due is less than the amount received, the difference shall be termed the "Fiscal Year 2010 Overpayment" for purposes of this Section, and the Fiscal Year 2010 Overpayment shall be repaid by the System to the General Revenue Fund as soon as practicable after the certification.

(j) After the submission of all payments for eligible employees from personal services line items paid from the General Revenue Fund in fiscal year 2011 have been made, the Comptroller shall provide to the System a certification of the sum of all fiscal year 2011 expenditures for personal services that would have been covered by payments to the System under this Section if the provisions of this amendatory Act of the 96th General Assembly had not been enacted. Upon receipt of the certification, the System shall determine the amount due to the System based on the full rate certified by the Board under Section 14-135.08 for fiscal year 2011 in order to meet the State's obligation under this Section. The System shall compare this amount due to the amount received by the System in fiscal year 2011 through payments under this Section. If the amount due is more than the amount received, the difference shall be termed the "Fiscal Year 2011 Shortfall" for purposes of this Section, and the Fiscal Year 2011 Shortfall shall be satisfied under Section 1.2 of the State Pension Funds Continuing Appropriation Act. If the amount due is less than the amount received, the difference shall be termed the "Fiscal Year 2011 Overpayment" for purposes of this Section, and the Fiscal Year 2011 Overpayment shall be repaid by the System to the General Revenue Fund as soon as practicable after the certification.

(k) For fiscal years 2012 through 2017 only, after the submission of all payments for eligible employees from personal services line items paid from the General Revenue Fund in the fiscal year have been made, the Comptroller shall provide to the System a certification of the sum of all expenditures in the fiscal year for personal services. Upon receipt of the certification, the System shall determine the amount due to the System based on the full rate certified by the Board under Section 14-135.08 for the fiscal year in order to meet the State's obligation under this Section. The System shall compare this amount due to the amount received by the System for the fiscal year. If the amount due is more than the amount received, the difference shall be termed the "Prior Fiscal Year

Shortfall" for purposes of this Section, and the Prior Fiscal Year Shortfall shall be satisfied under Section 1.2 of the State Pension Funds Continuing Appropriation Act. If the amount due is less than the amount received, the difference shall be termed the "Prior Fiscal Year Overpayment" for purposes of this Section, and the Prior Fiscal Year Overpayment shall be repaid by the System to the General Revenue Fund as soon as practicable after the certification.

Sec. 14-135.08. To certify required State contributions.

(a) To certify to the Governor and to each department, on or before November 15 of each year until November 15, 2011, the required rate for State contributions to the System for the next State fiscal year, as determined under subsection (b) of Section 14-131. The certification to the Governor under this subsection (a) shall include a copy of the actuarial recommendations upon which the rate is based and shall specifically identify the System's projected State normal cost for that fiscal year.

(a-5) On or before November 1 of each year, beginning November 1, 2012, the Board shall submit to the State Actuary, the Governor, and the General Assembly a proposed certification of the amount of the required State contribution to the System for the next fiscal year, along with all of the actuarial assumptions, calculations, and data upon which that proposed certification is based. On or before January 1 of each year beginning January 1, 2013, the State Actuary shall issue a preliminary report concerning the proposed certification and identifying, if necessary, recommended changes in actuarial assumptions that the Board must consider before finalizing its certification of the required State contributions. On or before January 15, 2013 and each January 15 thereafter, the Board shall certify to the Governor and the General Assembly the amount of the required State contribution for the next fiscal year. The Board's certification must note any deviations from the State Actuary's recommended changes, the reason or reasons for not following the State Actuary's recommended changes, and the fiscal impact of not following the State Actuary's recommended changes on the required State contribution.

(b) The certifications under subsections (a) and (a-5) shall include an additional amount necessary to pay all principal of and interest on those general obligation bonds due the next fiscal year authorized by Section 7.2(a) of the General Obligation Bond Act and issued to provide the proceeds deposited by the State with the System in July 2003, representing deposits other than amounts reserved under Section 7.2(c) of the General Obligation Bond Act. For State fiscal year 2005, the Board shall make a supplemental certification of the additional amount necessary to pay all principal of and interest on those general obligation bonds due in State fiscal years 2004 and 2005 authorized by Section 7.2(a) of the General Obligation Bond Act and issued to provide the proceeds deposited by the State with the System in July 2003, representing deposits other than amounts reserved under Section 7.2(c) of the General Obligation Bond Act, as soon as practical after the effective date of this amendatory Act of the 93rd General Assembly.

On or before May 1, 2004, the Board shall recalculate and recertify to the Governor and to each department the amount of the required State contribution to the System and the required rates for State contributions to the System for State fiscal year 2005, taking into account the amounts appropriated to and received by the System under subsection (d) of Section 7.2 of the General Obligation Bond Act.

On or before July 1, 2005, the Board shall recalculate and recertify to the Governor and to each department the amount of the required State contribution to the System and the required rates for State contributions to the System for State fiscal year 2006, taking into account the changes in required State contributions made by this amendatory Act of the 94th General Assembly.

On or before April 1, 2011, the Board shall recalculate and recertify to the Governor and to each department the amount of the required State contribution to the System for State fiscal year 2011, applying the changes made by Public Act 96-889 to the System's assets and liabilities as of June 30, 2009 as though Public Act 96-889 was approved on that date.

By November 1, 2017, the Board shall recalculate and recertify to the State Actuary, the Governor, and the General Assembly the amount of the State contribution to the System for State fiscal year 2018, taking into account the changes in required State contributions made by this amendatory Act of the 100th General Assembly. The State Actuary shall review the assumptions and valuations underlying the Board's revised

certification and issue a preliminary report concerning the proposed recertification and identifying, if necessary, recommended changes in actuarial assumptions that the Board must consider before finalizing its certification of the required State contributions. The Board's final certification must note any deviations from the State Actuary's recommended changes, the reason or reasons for not following the State Actuary's recommended changes, and the fiscal impact of not following the State Actuary's recommended changes on the required State contribution.

Sec. 14-152.1. Application and expiration of new benefit increases.
(a) As used in this Section, "new benefit increase" means an increase in the amount of any benefit provided under this Article, or an expansion of the conditions of eligibility for any benefit under this Article, that results from an amendment to this Code that takes effect after June 1, 2005 (the effective date of Public Act 94-4). "New benefit increase", however, does not include any benefit increase resulting from the changes made to Article I or this Article by Public Act 96-37 or by this amendatory Act of the 100th General Assembly.

(b) Notwithstanding any other provision of this Code or any subsequent amendment to this Code, every new benefit increase is subject to this Section and shall be deemed to be granted only in conformance with and contingent upon compliance with the provisions of this Section.

(c) The Public Act enacting a new benefit increase must identify and provide for payment to the System of additional funding at least sufficient to fund the resulting annual increase in cost to the System as it accrues.

Every new benefit increase is contingent upon the General Assembly providing the additional funding required under this subsection. The Commission on Government Forecasting and Accountability shall analyze whether adequate additional funding has been provided for the new benefit increase and shall report its analysis to the Public Pension Division of the Department of Insurance Financial and Professional Regulation. A new benefit increase created by a Public Act that does not

New matter indicated by italics - deletions by strikeout
include the additional funding required under this subsection is null and void. If the Public Pension Division determines that the additional funding provided for a new benefit increase under this subsection is or has become inadequate, it may so certify to the Governor and the State Comptroller and, in the absence of corrective action by the General Assembly, the new benefit increase shall expire at the end of the fiscal year in which the certification is made.

(d) Every new benefit increase shall expire 5 years after its effective date or on such earlier date as may be specified in the language enacting the new benefit increase or provided under subsection (c). This does not prevent the General Assembly from extending or re-creating a new benefit increase by law.

(e) Except as otherwise provided in the language creating the new benefit increase, a new benefit increase that expires under this Section continues to apply to persons who applied and qualified for the affected benefit while the new benefit increase was in effect and to the affected beneficiaries and alternate payees of such persons, but does not apply to any other person, including without limitation a person who continues in service after the expiration date and did not apply and qualify for the affected benefit while the new benefit increase was in effect.

Sec. 15-108.2. Tier 2 member. "Tier 2 member": A person who first becomes a participant under this Article on or after January 1, 2011 and before 6 months after the effective date of this amendatory Act of the 100th General Assembly, other than a person in the self-managed plan established under Section 15-158.2 or a person who makes the election under subsection (c) of Section 1-161, unless the person is otherwise a Tier 1 member. The changes made to this Section by this amendatory Act of the 98th General Assembly are a correction of existing law and are intended to be retroactive to the effective date of Public Act 96-889, notwithstanding the provisions of Section 1-103.1 of this Code.

Sec. 15-155. Employer contributions.

(a) The State of Illinois shall make contributions by appropriations of amounts which, together with the other employer contributions from trust, federal, and other funds, employee contributions, income from investments, and other income of this System, will be sufficient to meet

the cost of maintaining and administering the System on a 90% funded basis in accordance with actuarial recommendations.

The Board shall determine the amount of State contributions required for each fiscal year on the basis of the actuarial tables and other assumptions adopted by the Board and the recommendations of the actuary, using the formula in subsection (a-1).

(a-1) For State fiscal years 2012 through 2045, the minimum contribution to the System to be made by the State for each fiscal year shall be an amount determined by the System to be sufficient to bring the total assets of the System up to 90% of the total actuarial liabilities of the System by the end of State fiscal year 2045. In making these determinations, the required State contribution shall be calculated each year as a level percentage of payroll over the years remaining to and including fiscal year 2045 and shall be determined under the projected unit credit actuarial cost method.

For each of State fiscal years 2018, 2019, and 2020, the State shall make an additional contribution to the System equal to 2% of the total payroll of each employee who is deemed to have elected the benefits under Section 1-161 or who has made the election under subsection (c) of Section 1-161.

A change in an actuarial or investment assumption that increases or decreases the required State contribution and first applies in State fiscal year 2018 or thereafter shall be implemented in equal annual amounts over a 5-year period beginning in the State fiscal year in which the actuarial change first applies to the required State contribution.

A change in an actuarial or investment assumption that increases or decreases the required State contribution and first applied to the State contribution in fiscal year 2014, 2015, 2016, or 2017 shall be implemented:

(i) as already applied in State fiscal years before 2018; and
(ii) in the portion of the 5-year period beginning in the State fiscal year in which the actuarial change first applied that occurs in State fiscal year 2018 or thereafter, by calculating the change in equal annual amounts over that 5-year period and then implementing it at the resulting annual rate in each of the remaining fiscal years in that 5-year period.

For State fiscal years 1996 through 2005, the State contribution to the System, as a percentage of the applicable employee payroll, shall be

New matter indicated by italics - deletions by strikeout
increased in equal annual increments so that by State fiscal year 2011, the State is contributing at the rate required under this Section.

Notwithstanding any other provision of this Article, the total required State contribution for State fiscal year 2006 is $166,641,900.

Notwithstanding any other provision of this Article, the total required State contribution for State fiscal year 2007 is $252,064,100.

For each of State fiscal years 2008 through 2009, the State contribution to the System, as a percentage of the applicable employee payroll, shall be increased in equal annual increments from the required State contribution for State fiscal year 2007, so that by State fiscal year 2011, the State is contributing at the rate otherwise required under this Section.

Notwithstanding any other provision of this Article, the total required State contribution for State fiscal year 2010 is $702,514,000 and shall be made from the State Pensions Fund and proceeds of bonds sold in fiscal year 2010 pursuant to Section 7.2 of the General Obligation Bond Act, less (i) the pro rata share of bond sale expenses determined by the System's share of total bond proceeds, (ii) any amounts received from the General Revenue Fund in fiscal year 2010, (iii) any reduction in bond proceeds due to the issuance of discounted bonds, if applicable.

Notwithstanding any other provision of this Article, the total required State contribution for State fiscal year 2011 is the amount recertified by the System on or before April 1, 2011 pursuant to Section 15-165 and shall be made from the State Pensions Fund and proceeds of bonds sold in fiscal year 2011 pursuant to Section 7.2 of the General Obligation Bond Act, less (i) the pro rata share of bond sale expenses determined by the System's share of total bond proceeds, (ii) any amounts received from the General Revenue Fund in fiscal year 2011, and (iii) any reduction in bond proceeds due to the issuance of discounted bonds, if applicable.

Beginning in State fiscal year 2046, the minimum State contribution for each fiscal year shall be the amount needed to maintain the total assets of the System at 90% of the total actuarial liabilities of the System.

Amounts received by the System pursuant to Section 25 of the Budget Stabilization Act or Section 8.12 of the State Finance Act in any fiscal year do not reduce and do not constitute payment of any portion of the minimum State contribution required under this Article in that fiscal year. Such amounts shall not reduce, and shall not be included in the
calculation of, the required State contributions under this Article in any future year until the System has reached a funding ratio of at least 90%. A reference in this Article to the "required State contribution" or any substantially similar term does not include or apply to any amounts payable to the System under Section 25 of the Budget Stabilization Act.

Notwithstanding any other provision of this Section, the required State contribution for State fiscal year 2005 and for fiscal year 2008 and each fiscal year thereafter, as calculated under this Section and certified under Section 15-165, shall not exceed an amount equal to (i) the amount of the required State contribution that would have been calculated under this Section for that fiscal year if the System had not received any payments under subsection (d) of Section 7.2 of the General Obligation Bond Act, minus (ii) the portion of the State's total debt service payments for that fiscal year on the bonds issued in fiscal year 2003 for the purposes of that Section 7.2, as determined and certified by the Comptroller, that is the same as the System's portion of the total moneys distributed under subsection (d) of Section 7.2 of the General Obligation Bond Act. In determining this maximum for State fiscal years 2008 through 2010, however, the amount referred to in item (i) shall be increased, as a percentage of the applicable employee payroll, in equal increments calculated from the sum of the required State contribution for State fiscal year 2007 plus the applicable portion of the State's total debt service payments for fiscal year 2007 on the bonds issued in fiscal year 2003 for the purposes of Section 7.2 of the General Obligation Bond Act, so that, by State fiscal year 2011, the State is contributing at the rate otherwise required under this Section.

(a-2) Beginning in fiscal year 2018, each employer under this Article shall pay to the System a required contribution determined as a percentage of projected payroll and sufficient to produce an annual amount equal to:

(i) for each of fiscal years 2018, 2019, and 2020, the defined benefit normal cost of the defined benefit plan, less the employee contribution, for each employee of that employer who has elected or who is deemed to have elected the benefits under Section 1-161 or who has made the election under subsection (c) of Section 1-161; for fiscal year 2021 and each fiscal year thereafter, the defined benefit normal cost of the defined benefit plan, less the employee contribution, plus 2%, for each employee of that employer who has elected or who is deemed to have elected the

New matter indicated by italics - deletions by strikeout
benefits under Section 1-161 or who has made the election under subsection (c) of Section 1-161; plus
(ii) the amount required for that fiscal year to amortize any unfunded actuarial accrued liability associated with the present value of liabilities attributable to the employer's account under Section 15-155.2, determined as a level percentage of payroll over a 30-year rolling amortization period.

In determining contributions required under item (i) of this subsection, the System shall determine an aggregate rate for all employers, expressed as a percentage of projected payroll.

In determining the contributions required under item (ii) of this subsection, the amount shall be computed by the System on the basis of the actuarial assumptions and tables used in the most recent actuarial valuation of the System that is available at the time of the computation.

The contributions required under this subsection (a-2) shall be paid by an employer concurrently with that employer's payroll payment period. The State, as the actual employer of an employee, shall make the required contributions under this subsection.

As used in this subsection, "academic year" means the 12-month period beginning September 1.

(b) If an employee is paid from trust or federal funds, the employer shall pay to the Board contributions from those funds which are sufficient to cover the accruing normal costs on behalf of the employee. However, universities having employees who are compensated out of local auxiliary funds, income funds, or service enterprise funds are not required to pay such contributions on behalf of those employees. The local auxiliary funds, income funds, and service enterprise funds of universities shall not be considered trust funds for the purpose of this Article, but funds of alumni associations, foundations, and athletic associations which are affiliated with the universities included as employers under this Article and other employers which do not receive State appropriations are considered to be trust funds for the purpose of this Article.

(b-1) The City of Urbana and the City of Champaign shall each make employer contributions to this System for their respective firefighter employees who participate in this System pursuant to subsection (h) of Section 15-107. The rate of contributions to be made by those municipalities shall be determined annually by the Board on the basis of the actuarial assumptions adopted by the Board and the recommendations of the actuary, and shall be expressed as a percentage of salary for each
such employee. The Board shall certify the rate to the affected municipalities as soon as may be practical. The employer contributions required under this subsection shall be remitted by the municipality to the System at the same time and in the same manner as employee contributions.

(c) Through State fiscal year 1995: The total employer contribution shall be apportioned among the various funds of the State and other employers, whether trust, federal, or other funds, in accordance with actuarial procedures approved by the Board. State of Illinois contributions for employers receiving State appropriations for personal services shall be payable from appropriations made to the employers or to the System. The contributions for Class I community colleges covering earnings other than those paid from trust and federal funds, shall be payable solely from appropriations to the Illinois Community College Board or the System for employer contributions.

(d) Beginning in State fiscal year 1996, the required State contributions to the System shall be appropriated directly to the System and shall be payable through vouchers issued in accordance with subsection (c) of Section 15-165, except as provided in subsection (g).

(e) The State Comptroller shall draw warrants payable to the System upon proper certification by the System or by the employer in accordance with the appropriation laws and this Code.

(f) Normal costs under this Section means liability for pensions and other benefits which accrues to the System because of the credits earned for service rendered by the participants during the fiscal year and expenses of administering the System, but shall not include the principal of or any redemption premium or interest on any bonds issued by the Board or any expenses incurred or deposits required in connection therewith.

(g) If the amount of a participant's earnings for any academic year used to determine the final rate of earnings, determined on a full-time equivalent basis, exceeds the amount of his or her earnings with the same employer for the previous academic year, determined on a full-time equivalent basis, by more than 6%, the participant's employer shall pay to the System, in addition to all other payments required under this Section and in accordance with guidelines established by the System, the present value of the increase in benefits resulting from the portion of the increase in earnings that is in excess of 6%. This present value shall be computed by the System on the basis of the actuarial assumptions and tables used in the most recent actuarial valuation of the System that is available at the

New matter indicated by italics - deletions by strikeout
time of the computation. The System may require the employer to provide any pertinent information or documentation.

Whenever it determines that a payment is or may be required under this subsection (g), the System shall calculate the amount of the payment and bill the employer for that amount. The bill shall specify the calculations used to determine the amount due. If the employer disputes the amount of the bill, it may, within 30 days after receipt of the bill, apply to the System in writing for a recalculation. The application must specify in detail the grounds of the dispute and, if the employer asserts that the calculation is subject to subsection (h) or (i) of this Section, must include an affidavit setting forth and attesting to all facts within the employer's knowledge that are pertinent to the applicability of subsection (h) or (i). Upon receiving a timely application for recalculation, the System shall review the application and, if appropriate, recalculate the amount due.

The employer contributions required under this subsection (g) may be paid in the form of a lump sum within 90 days after receipt of the bill. If the employer contributions are not paid within 90 days after receipt of the bill, then interest will be charged at a rate equal to the System's annual actuarially assumed rate of return on investment compounded annually from the 91st day after receipt of the bill. Payments must be concluded within 3 years after the employer's receipt of the bill.

When assessing payment for any amount due under this subsection (g), the System shall include earnings, to the extent not established by a participant under Section 15-113.11 or 15-113.12, that would have been paid to the participant had the participant not taken (i) periods of voluntary or involuntary furlough occurring on or after July 1, 2015 and on or before June 30, 2017 or (ii) periods of voluntary pay reduction in lieu of furlough occurring on or after July 1, 2015 and on or before June 30, 2017. Determining earnings that would have been paid to a participant had the participant not taken periods of voluntary or involuntary furlough or periods of voluntary pay reduction shall be the responsibility of the employer, and shall be reported in a manner prescribed by the System.

(h) This subsection (h) applies only to payments made or salary increases given on or after June 1, 2005 but before July 1, 2011. The changes made by Public Act 94-1057 shall not require the System to refund any payments received before July 31, 2006 (the effective date of Public Act 94-1057).

When assessing payment for any amount due under subsection (g), the System shall exclude earnings increases paid to participants under
contracts or collective bargaining agreements entered into, amended, or renewed before June 1, 2005.

When assessing payment for any amount due under subsection (g), the System shall exclude earnings increases paid to a participant at a time when the participant is 10 or more years from retirement eligibility under Section 15-135.

When assessing payment for any amount due under subsection (g), the System shall exclude earnings increases resulting from overload work, including a contract for summer teaching, or overtime when the employer has certified to the System, and the System has approved the certification, that: (i) in the case of overloads (A) the overload work is for the sole purpose of academic instruction in excess of the standard number of instruction hours for a full-time employee occurring during the academic year that the overload is paid and (B) the earnings increases are equal to or less than the rate of pay for academic instruction computed using the participant's current salary rate and work schedule; and (ii) in the case of overtime, the overtime was necessary for the educational mission.

When assessing payment for any amount due under subsection (g), the System shall exclude any earnings increase resulting from (i) a promotion for which the employee moves from one classification to a higher classification under the State Universities Civil Service System, (ii) a promotion in academic rank for a tenured or tenure-track faculty position, or (iii) a promotion that the Illinois Community College Board has recommended in accordance with subsection (k) of this Section. These earnings increases shall be excluded only if the promotion is to a position that has existed and been filled by a member for no less than one complete academic year and the earnings increase as a result of the promotion is an increase that results in an amount no greater than the average salary paid for other similar positions.

(i) When assessing payment for any amount due under subsection (g), the System shall exclude any salary increase described in subsection (h) of this Section given on or after July 1, 2011 but before July 1, 2014 under a contract or collective bargaining agreement entered into, amended, or renewed on or after June 1, 2005 but before July 1, 2011. Notwithstanding any other provision of this Section, any payments made or salary increases given after June 30, 2014 shall be used in assessing payment for any amount due under subsection (g) of this Section.

(j) The System shall prepare a report and file copies of the report with the Governor and the General Assembly by January 1, 2007 that contains all of the following information:

1. The number of recalculations required by the changes made to this Section by Public Act 94-1057 for each employer.
2. The dollar amount by which each employer's contribution to the System was changed due to recalculations required by Public Act 94-1057.
3. The total amount the System received from each employer as a result of the changes made to this Section by Public Act 94-4.
4. The increase in the required State contribution resulting from the changes made to this Section by Public Act 94-1057.

(j-5) For academic years beginning on or after July 1, 2017, if the amount of a participant's earnings for any school year, determined on a full-time equivalent basis, exceeds the amount of the salary set for the Governor, the participant's employer shall pay to the System, in addition to all other payments required under this Section and in accordance with guidelines established by the System, an amount determined by the System to be equal to the employer normal cost, as established by the System and expressed as a total percentage of payroll, multiplied by the amount of earnings in excess of the amount of the salary set for the Governor. This amount shall be computed by the System on the basis of the actuarial assumptions and tables used in the most recent actuarial valuation of the System that is available at the time of the computation. The System may require the employer to provide any pertinent information or documentation.

Whenever it determines that a payment is or may be required under this subsection, the System shall calculate the amount of the payment and bill the employer for that amount. The bill shall specify the calculations used to determine the amount due. If the employer disputes the amount of the bill, it may, within 30 days after receipt of the bill, apply to the System in writing for a recalculation. The application must specify in detail the grounds of the dispute. Upon receiving a timely application for recalculation, the System shall review the application and, if appropriate, recalculate the amount due.

The employer contributions required under this subsection may be paid in the form of a lump sum within 90 days after receipt of the bill. If the employer contributions are not paid within 90 days after receipt of the
bill, then interest will be charged at a rate equal to the System's annual actuarially assumed rate of return on investment compounded annually from the 91st day after receipt of the bill. Payments must be concluded within 3 years after the employer's receipt of the bill.

(k) The Illinois Community College Board shall adopt rules for recommending lists of promotional positions submitted to the Board by community colleges and for reviewing the promotional lists on an annual basis. When recommending promotional lists, the Board shall consider the similarity of the positions submitted to those positions recognized for State universities by the State Universities Civil Service System. The Illinois Community College Board shall file a copy of its findings with the System. The System shall consider the findings of the Illinois Community College Board when making determinations under this Section. The System shall not exclude any earnings increases resulting from a promotion when the promotion was not submitted by a community college. Nothing in this subsection (k) shall require any community college to submit any information to the Community College Board.

(l) For purposes of determining the required State contribution to the System, the value of the System's assets shall be equal to the actuarial value of the System's assets, which shall be calculated as follows:

As of June 30, 2008, the actuarial value of the System's assets shall be equal to the market value of the assets as of that date. In determining the actuarial value of the System's assets for fiscal years after June 30, 2008, any actuarial gains or losses from investment return incurred in a fiscal year shall be recognized in equal annual amounts over the 5-year period following that fiscal year.

(m) For purposes of determining the required State contribution to the system for a particular year, the actuarial value of assets shall be assumed to earn a rate of return equal to the system's actuarially assumed rate of return.

Sec. 15-155.2. Individual employer accounts.

(a) The System shall create and maintain an individual account for each employer for the purposes of determining employer contributions under subsection (a-2) of Section 15-155. Each employer's account shall be notionally charged with the liabilities attributable to that employer and credited with the assets attributable to that employer.

(b) Beginning with fiscal year 2018, the System shall assign notional liabilities to each employer's account, equal to the amount of employer contributions required to be made by the employer pursuant to items (i) and (ii) of subsection (a-2) of Section 15-155, plus any unfunded actuarial accrued liability associated with the defined benefits attributable to the employer's employees who first became participants on or after the implementation date and the employer's employees who made the election under subsection (c-5) of Section 1-161.

(c) Beginning with fiscal year 2018, the System shall assign notional assets to each employer's account equal to the amounts of employer contributions made pursuant to items (i) and (ii) of subsection (a-2) of Section 15-155.

Sec. 15-165. To certify amounts and submit vouchers.
(a) The Board shall certify to the Governor on or before November 15 of each year until November 15, 2011 the appropriation required from State funds for the purposes of this System for the following fiscal year. The certification under this subsection (a) shall include a copy of the actuarial recommendations upon which it is based and shall specifically identify the System's projected State normal cost for that fiscal year and the projected State cost for the self-managed plan for that fiscal year.

On or before May 1, 2004, the Board shall recalculate and recertify to the Governor the amount of the required State contribution to the System for State fiscal year 2005, taking into account the amounts appropriated to and received by the System under subsection (d) of Section 7.2 of the General Obligation Bond Act.

On or before July 1, 2005, the Board shall recalculate and recertify to the Governor the amount of the required State contribution to the System for State fiscal year 2006, taking into account the changes in required State contributions made by this amendatory Act of the 94th General Assembly.

On or before April 1, 2011, the Board shall recalculate and recertify to the Governor the amount of the required State contribution to the System for State fiscal year 2011, applying the changes made by Public Act 96-889 to the System's assets and liabilities as of June 30, 2009 as though Public Act 96-889 was approved on that date.
(a-5) On or before November 1 of each year, beginning November 1, 2012, the Board shall submit to the State Actuary, the Governor, and the General Assembly a proposed certification of the amount of the required State contribution to the System for the next fiscal year, along with all of the actuarial assumptions, calculations, and data upon which that proposed certification is based. On or before January 1 of each year, beginning January 1, 2013, the State Actuary shall issue a preliminary report concerning the proposed certification and identifying, if necessary, recommended changes in actuarial assumptions that the Board must consider before finalizing its certification of the required State contributions. On or before January 15, 2013 and each January 15 thereafter, the Board shall certify to the Governor and the General Assembly the amount of the required State contribution for the next fiscal year. The Board's certification must note, in a written response to the State Actuary, any deviations from the State Actuary's recommended changes, the reason or reasons for not following the State Actuary's recommended changes, and the fiscal impact of not following the State Actuary's recommended changes on the required State contribution.

(a-10) By November 1, 2017, the Board shall recalculate and recertify to the State Actuary, the Governor, and the General Assembly the amount of the State contribution to the System for State fiscal year 2018, taking into account the changes in required State contributions made by this amendatory Act of the 100th General Assembly. The State Actuary shall review the assumptions and valuations underlying the Board's revised certification and issue a preliminary report concerning the proposed recertification and identifying, if necessary, recommended changes in actuarial assumptions that the Board must consider before finalizing its certification of the required State contributions. The Board's final certification must note any deviations from the State Actuary's recommended changes, the reason or reasons for not following the State Actuary's recommended changes, and the fiscal impact of not following the State Actuary's recommended changes on the required State contribution.

(b) The Board shall certify to the State Comptroller or employer, as the case may be, from time to time, by its chairperson and secretary, with its seal attached, the amounts payable to the System from the various funds.

(c) Beginning in State fiscal year 1996, on or as soon as possible after the 15th day of each month the Board shall submit vouchers for...
payment of State contributions to the System, in a total monthly amount of one-twelfth of the required annual State contribution certified under subsection (a). From the effective date of this amendatory Act of the 93rd General Assembly through June 30, 2004, the Board shall not submit vouchers for the remainder of fiscal year 2004 in excess of the fiscal year 2004 certified contribution amount determined under this Section after taking into consideration the transfer to the System under subsection (b) of Section 6z-61 of the State Finance Act. These vouchers shall be paid by the State Comptroller and Treasurer by warrants drawn on the funds appropriated to the System for that fiscal year.

If in any month the amount remaining unexpended from all other appropriations to the System for the applicable fiscal year (including the appropriations to the System under Section 8.12 of the State Finance Act and Section 1 of the State Pension Funds Continuing Appropriation Act) is less than the amount lawfully vouchered under this Section, the difference shall be paid from the General Revenue Fund under the continuing appropriation authority provided in Section 1.1 of the State Pension Funds Continuing Appropriation Act.

(d) So long as the payments received are the full amount lawfully vouchered under this Section, payments received by the System under this Section shall be applied first toward the employer contribution to the self-managed plan established under Section 15-158.2. Payments shall be applied second toward the employer's portion of the normal costs of the System, as defined in subsection (f) of Section 15-155. The balance shall be applied toward the unfunded actuarial liabilities of the System.

(e) In the event that the System does not receive, as a result of legislative enactment or otherwise, payments sufficient to fully fund the employer contribution to the self-managed plan established under Section 15-158.2 and to fully fund that portion of the employer's portion of the normal costs of the System, as calculated in accordance with Section 15-155(a-1), then any payments received shall be applied proportionately to the optional retirement program established under Section 15-158.2 and to the employer's portion of the normal costs of the System, as calculated in accordance with Section 15-155(a-1).

Sec. 15-198. Application and expiration of new benefit increases.

New matter indicated by italics - deletions by strikeout
(a) As used in this Section, "new benefit increase" means an increase in the amount of any benefit provided under this Article, or an expansion of the conditions of eligibility for any benefit under this Article, that results from an amendment to this Code that takes effect after the effective date of this amendatory Act of the 94th General Assembly. "New benefit increase", however, does not include any benefit increase resulting from the changes made to Article 1 or this Article by this amendatory Act of the 100th General Assembly.

(b) Notwithstanding any other provision of this Code or any subsequent amendment to this Code, every new benefit increase is subject to this Section and shall be deemed to be granted only in conformance with and contingent upon compliance with the provisions of this Section.

(c) The Public Act enacting a new benefit increase must identify and provide for payment to the System of additional funding at least sufficient to fund the resulting annual increase in cost to the System as it accrues.

Every new benefit increase is contingent upon the General Assembly providing the additional funding required under this subsection. The Commission on Government Forecasting and Accountability shall analyze whether adequate additional funding has been provided for the new benefit increase and shall report its analysis to the Public Pension Division of the Department of Insurance Financial and Professional Regulation. A new benefit increase created by a Public Act that does not include the additional funding required under this subsection is null and void. If the Public Pension Division determines that the additional funding provided for a new benefit increase under this subsection is or has become inadequate, it may so certify to the Governor and the State Comptroller and, in the absence of corrective action by the General Assembly, the new benefit increase shall expire at the end of the fiscal year in which the certification is made.

(d) Every new benefit increase shall expire 5 years after its effective date or on such earlier date as may be specified in the language enacting the new benefit increase or provided under subsection (c). This does not prevent the General Assembly from extending or re-creating a new benefit increase by law.

(e) Except as otherwise provided in the language creating the new benefit increase, a new benefit increase that expires under this Section continues to apply to persons who applied and qualified for the affected benefit while the new benefit increase was in effect and to the affected

beneficiaries and alternate payees of such persons, but does not apply to any other person, including without limitation a person who continues in service after the expiration date and did not apply and qualify for the affected benefit while the new benefit increase was in effect.

Sec. 16-158. Contributions by State and other employing units.
(a) The State shall make contributions to the System by means of appropriations from the Common School Fund and other State funds of amounts which, together with other employer contributions, employee contributions, investment income, and other income, will be sufficient to meet the cost of maintaining and administering the System on a 90% funded basis in accordance with actuarial recommendations.

The Board shall determine the amount of State contributions required for each fiscal year on the basis of the actuarial tables and other assumptions adopted by the Board and the recommendations of the actuary, using the formula in subsection (b-3).

(a-1) Annually, on or before November 15 until November 15, 2011, the Board shall certify to the Governor the amount of the required State contribution for the coming fiscal year. The certification under this subsection (a-1) shall include a copy of the actuarial recommendations upon which it is based and shall specifically identify the System's projected State normal cost for that fiscal year.

On or before May 1, 2004, the Board shall recalculate and recertify to the Governor the amount of the required State contribution to the System for State fiscal year 2005, taking into account the amounts appropriated to and received by the System under subsection (d) of Section 7.2 of the General Obligation Bond Act.

On or before July 1, 2005, the Board shall recalculate and recertify to the Governor the amount of the required State contribution to the System for State fiscal year 2006, taking into account the changes in required State contributions made by this amendatory Act of the 94th General Assembly.

On or before April 1, 2011, the Board shall recalculate and recertify to the Governor the amount of the required State contribution to the System for State fiscal year 2011, applying the changes made by Public

Act 96-889 to the System's assets and liabilities as of June 30, 2009 as though Public Act 96-889 was approved on that date.

(a-5) On or before November 1 of each year, beginning November 1, 2012, the Board shall submit to the State Actuary, the Governor, and the General Assembly a proposed certification of the amount of the required State contribution to the System for the next fiscal year, along with all of the actuarial assumptions, calculations, and data upon which that proposed certification is based. On or before January 1 of each year, beginning January 1, 2013, the State Actuary shall issue a preliminary report concerning the proposed certification and identifying, if necessary, recommended changes in actuarial assumptions that the Board must consider before finalizing its certification of the required State contributions. On or before January 15, 2013 and each January 15 thereafter, the Board shall certify to the Governor and the General Assembly the amount of the required State contribution for the next fiscal year. The Board's certification must note any deviations from the State Actuary's recommended changes, the reason or reasons for not following the State Actuary's recommended changes, and the fiscal impact of not following the State Actuary's recommended changes on the required State contribution.

(a-10) By November 1, 2017, the Board shall recalculate and recertify to the State Actuary, the Governor, and the General Assembly the amount of the State contribution to the System for State fiscal year 2018, taking into account the changes in required State contributions made by this amendatory Act of the 100th General Assembly. The State Actuary shall review the assumptions and valuations underlying the Board's revised certification and issue a preliminary report concerning the proposed recertification and identifying, if necessary, recommended changes in actuarial assumptions that the Board must consider before finalizing its certification of the required State contributions. The Board's final certification must note any deviations from the State Actuary's recommended changes, the reason or reasons for not following the State Actuary's recommended changes, and the fiscal impact of not following the State Actuary's recommended changes on the required State contribution.

(b) Through State fiscal year 1995, the State contributions shall be paid to the System in accordance with Section 18-7 of the School Code.

(b-1) Beginning in State fiscal year 1996, on the 15th day of each month, or as soon thereafter as may be practicable, the Board shall submit
vouchers for payment of State contributions to the System, in a total monthly amount of one-twelfth of the required annual State contribution certified under subsection (a-1). From the effective date of this amendatory Act of the 93rd General Assembly through June 30, 2004, the Board shall not submit vouchers for the remainder of fiscal year 2004 in excess of the fiscal year 2004 certified contribution amount determined under this Section after taking into consideration the transfer to the System under subsection (a) of Section 6z-61 of the State Finance Act. These vouchers shall be paid by the State Comptroller and Treasurer by warrants drawn on the funds appropriated to the System for that fiscal year.

If in any month the amount remaining unexpended from all other appropriations to the System for the applicable fiscal year (including the appropriations to the System under Section 8.12 of the State Finance Act and Section 1 of the State Pension Funds Continuing Appropriation Act) is less than the amount lawfully vouchered under this subsection, the difference shall be paid from the Common School Fund under the continuing appropriation authority provided in Section 1.1 of the State Pension Funds Continuing Appropriation Act.

(b-2) Allocations from the Common School Fund apportioned to school districts not coming under this System shall not be diminished or affected by the provisions of this Article.

(b-3) For State fiscal years 2012 through 2045, the minimum contribution to the System to be made by the State for each fiscal year shall be an amount determined by the System to be sufficient to bring the total assets of the System up to 90% of the total actuarial liabilities of the System by the end of State fiscal year 2045. In making these determinations, the required State contribution shall be calculated each year as a level percentage of payroll over the years remaining to and including fiscal year 2045 and shall be determined under the projected unit credit actuarial cost method.

For each of State fiscal years 2018, 2019, and 2020, the State shall make an additional contribution to the System equal to 2% of the total payroll of each employee who is deemed to have elected the benefits under Section 1-161 or who has made the election under subsection (c) of Section 1-161.

amounts over a 5-year period beginning in the State fiscal year in which the actuarial change first applies to the required State contribution.

A change in an actuarial or investment assumption that increases or decreases the required State contribution and first applied to the State contribution in fiscal year 2014, 2015, 2016, or 2017 shall be implemented:

(i) as already applied in State fiscal years before 2018; and
(ii) in the portion of the 5-year period beginning in the State fiscal year in which the actuarial change first applied that occurs in State fiscal year 2018 or thereafter, by calculating the change in equal annual amounts over that 5-year period and then implementing it at the resulting annual rate in each of the remaining fiscal years in that 5-year period.

For State fiscal years 1996 through 2005, the State contribution to the System, as a percentage of the applicable employee payroll, shall be increased in equal annual increments so that by State fiscal year 2011, the State is contributing at the rate required under this Section; except that in the following specified State fiscal years, the State contribution to the System shall not be less than the following indicated percentages of the applicable employee payroll, even if the indicated percentage will produce a State contribution in excess of the amount otherwise required under this subsection and subsection (a), and notwithstanding any contrary certification made under subsection (a-1) before the effective date of this amendatory Act of 1998: 10.02% in FY 1999; 10.77% in FY 2000; 11.47% in FY 2001; 12.16% in FY 2002; 12.86% in FY 2003; and 13.56% in FY 2004.

Notwithstanding any other provision of this Article, the total required State contribution for State fiscal year 2006 is $534,627,700.

Notwithstanding any other provision of this Article, the total required State contribution for State fiscal year 2007 is $738,014,500.

For each of State fiscal years 2008 through 2009, the State contribution to the System, as a percentage of the applicable employee payroll, shall be increased in equal annual increments from the required State contribution for State fiscal year 2007, so that by State fiscal year 2011, the State is contributing at the rate otherwise required under this Section.

Notwithstanding any other provision of this Article, the total required State contribution for State fiscal year 2010 is $2,089,268,000 and shall be made from the proceeds of bonds sold in fiscal year 2010.
pursuant to Section 7.2 of the General Obligation Bond Act, less (i) the pro rata share of bond sale expenses determined by the System's share of total bond proceeds, (ii) any amounts received from the Common School Fund in fiscal year 2010, and (iii) any reduction in bond proceeds due to the issuance of discounted bonds, if applicable.

Notwithstanding any other provision of this Article, the total required State contribution for State fiscal year 2011 is the amount recertified by the System on or before April 1, 2011 pursuant to subsection (a-1) of this Section and shall be made from the proceeds of bonds sold in fiscal year 2011 pursuant to Section 7.2 of the General Obligation Bond Act, less (i) the pro rata share of bond sale expenses determined by the System's share of total bond proceeds, (ii) any amounts received from the Common School Fund in fiscal year 2011, and (iii) any reduction in bond proceeds due to the issuance of discounted bonds, if applicable. This amount shall include, in addition to the amount certified by the System, an amount necessary to meet employer contributions required by the State as an employer under paragraph (e) of this Section, which may also be used by the System for contributions required by paragraph (a) of Section 16-127.

Beginning in State fiscal year 2046, the minimum State contribution for each fiscal year shall be the amount needed to maintain the total assets of the System at 90% of the total actuarial liabilities of the System.

Amounts received by the System pursuant to Section 25 of the Budget Stabilization Act or Section 8.12 of the State Finance Act in any fiscal year do not reduce and do not constitute payment of any portion of the minimum State contribution required under this Article in that fiscal year. Such amounts shall not reduce, and shall not be included in the calculation of, the required State contributions under this Article in any future year until the System has reached a funding ratio of at least 90%. A reference in this Article to the "required State contribution" or any substantially similar term does not include or apply to any amounts payable to the System under Section 25 of the Budget Stabilization Act.

Notwithstanding any other provision of this Section, the required State contribution for State fiscal year 2005 and for fiscal year 2008 and each fiscal year thereafter, as calculated under this Section and certified under subsection (a-1), shall not exceed an amount equal to (i) the amount of the required State contribution that would have been calculated under this Section for that fiscal year if the System had not received any

payments under subsection (d) of Section 7.2 of the General Obligation Bond Act, minus (ii) the portion of the State's total debt service payments for that fiscal year on the bonds issued in fiscal year 2003 for the purposes of that Section 7.2, as determined and certified by the Comptroller, that is the same as the System's portion of the total moneys distributed under subsection (d) of Section 7.2 of the General Obligation Bond Act. In determining this maximum for State fiscal years 2008 through 2010, however, the amount referred to in item (i) shall be increased, as a percentage of the applicable employee payroll, in equal increments calculated from the sum of the required State contribution for State fiscal year 2007 plus the applicable portion of the State's total debt service payments for fiscal year 2007 on the bonds issued in fiscal year 2003 for the purposes of Section 7.2 of the General Obligation Bond Act, so that, by State fiscal year 2011, the State is contributing at the rate otherwise required under this Section.

(b-4) Beginning in fiscal year 2018, each employer under this Article shall pay to the System a required contribution determined as a percentage of projected payroll and sufficient to produce an annual amount equal to:

(i) for each of fiscal years 2018, 2019, and 2020, the defined benefit normal cost of the defined benefit plan, less the employee contribution, for each employee of that employer who has elected or who is deemed to have elected the benefits under Section 1-161 or who has made the election under subsection (b) of Section 1-161; for fiscal year 2021 and each fiscal year thereafter, the defined benefit normal cost of the defined benefit plan, less the employee contribution, plus 2%, for each employee of that employer who has elected or who is deemed to have elected the benefits under Section 1-161 or who has made the election under subsection (b) of Section 1-161; plus

(ii) the amount required for that fiscal year to amortize any unfunded actuarial accrued liability associated with the present value of liabilities attributable to the employer's account under Section 16-158.3, determined as a level percentage of payroll over a 30-year rolling amortization period. In determining contributions required under item (i) of this subsection, the System shall determine an aggregate rate for all employers, expressed as a percentage of projected payroll.

New matter indicated by italics - deletions by strikeout
In determining the contributions required under item (ii) of this subsection, the amount shall be computed by the System on the basis of the actuarial assumptions and tables used in the most recent actuarial valuation of the System that is available at the time of the computation.

The contributions required under this subsection (b-4) shall be paid by an employer concurrently with that employer's payroll payment period. The State, as the actual employer of an employee, shall make the required contributions under this subsection.

(c) Payment of the required State contributions and of all pensions, retirement annuities, death benefits, refunds, and other benefits granted under or assumed by this System, and all expenses in connection with the administration and operation thereof, are obligations of the State.

If members are paid from special trust or federal funds which are administered by the employing unit, whether school district or other unit, the employing unit shall pay to the System from such funds the full accruing retirement costs based upon that service, which, beginning July 1, 2014, shall be at a rate, expressed as a percentage of salary, equal to the total minimum contribution to the System to be made by the State for that fiscal year, including both normal cost and unfunded liability components, expressed as a percentage of payroll, as determined by the System under subsection (b-3) of this Section. Employer contributions, based on salary paid to members from federal funds, may be forwarded by the distributing agency of the State of Illinois to the System prior to allocation, in an amount determined in accordance with guidelines established by such agency and the System. Any contribution for fiscal year 2015 collected as a result of the change made by this amendatory Act of the 98th General Assembly shall be considered a State contribution under subsection (b-3) of this Section.

(d) Effective July 1, 1986, any employer of a teacher as defined in paragraph (8) of Section 16-106 shall pay the employer's normal cost of benefits based upon the teacher's service, in addition to employee contributions, as determined by the System. Such employer contributions shall be forwarded monthly in accordance with guidelines established by the System.

However, with respect to benefits granted under Section 16-133.4 or 16-133.5 to a teacher as defined in paragraph (8) of Section 16-106, the employer's contribution shall be 12% (rather than 20%) of the member's highest annual salary rate for each year of creditable service granted, and the employer shall also pay the required employee contribution on behalf
of the teacher. For the purposes of Sections 16-133.4 and 16-133.5, a teacher as defined in paragraph (8) of Section 16-106 who is serving in that capacity while on leave of absence from another employer under this Article shall not be considered an employee of the employer from which the teacher is on leave.

(e) Beginning July 1, 1998, every employer of a teacher shall pay to the System an employer contribution computed as follows:

1. Beginning July 1, 1998 through June 30, 1999, the employer contribution shall be equal to 0.3% of each teacher's salary.

2. Beginning July 1, 1999 and thereafter, the employer contribution shall be equal to 0.58% of each teacher's salary.

The school district or other employing unit may pay these employer contributions out of any source of funding available for that purpose and shall forward the contributions to the System on the schedule established for the payment of member contributions.

These employer contributions are intended to offset a portion of the cost to the System of the increases in retirement benefits resulting from this amendatory Act of 1998.

Each employer of teachers is entitled to a credit against the contributions required under this subsection (e) with respect to salaries paid to teachers for the period January 1, 2002 through June 30, 2003, equal to the amount paid by that employer under subsection (a-5) of Section 6.6 of the State Employees Group Insurance Act of 1971 with respect to salaries paid to teachers for that period.

The additional 1% employee contribution required under Section 16-152 by this amendatory Act of 1998 is the responsibility of the teacher and not the teacher's employer, unless the employer agrees, through collective bargaining or otherwise, to make the contribution on behalf of the teacher.

If an employer is required by a contract in effect on May 1, 1998 between the employer and an employee organization to pay, on behalf of all its full-time employees covered by this Article, all mandatory employee contributions required under this Article, then the employer shall be excused from paying the employer contribution required under this subsection (e) for the balance of the term of that contract. The employer and the employee organization shall jointly certify to the System the existence of the contractual requirement, in such form as the System may

prescribe. This exclusion shall cease upon the termination, extension, or renewal of the contract at any time after May 1, 1998.

(f) If the amount of a teacher's salary for any school year used to determine final average salary exceeds the member's annual full-time salary rate with the same employer for the previous school year by more than 6%, the teacher's employer shall pay to the System, in addition to all other payments required under this Section and in accordance with guidelines established by the System, the present value of the increase in benefits resulting from the portion of the increase in salary that is in excess of 6%. This present value shall be computed by the System on the basis of the actuarial assumptions and tables used in the most recent actuarial valuation of the System that is available at the time of the computation. If a teacher's salary for the 2005-2006 school year is used to determine final average salary under this subsection (f), then the changes made to this subsection (f) by Public Act 94-1057 shall apply in calculating whether the increase in his or her salary is in excess of 6%. For the purposes of this Section, change in employment under Section 10-21.12 of the School Code on or after June 1, 2005 shall constitute a change in employer. The System may require the employer to provide any pertinent information or documentation. The changes made to this subsection (f) by this amendatory Act of the 94th General Assembly apply without regard to whether the teacher was in service on or after its effective date.

Whenever it determines that a payment is or may be required under this subsection, the System shall calculate the amount of the payment and bill the employer for that amount. The bill shall specify the calculations used to determine the amount due. If the employer disputes the amount of the bill, it may, within 30 days after receipt of the bill, apply to the System in writing for a recalculation. The application must specify in detail the grounds of the dispute and, if the employer asserts that the calculation is subject to subsection (g) or (h) of this Section, must include an affidavit setting forth and attesting to all facts within the employer's knowledge that are pertinent to the applicability of that subsection. Upon receiving a timely application for recalculation, the System shall review the application and, if appropriate, recalculate the amount due.

The employer contributions required under this subsection (f) may be paid in the form of a lump sum within 90 days after receipt of the bill. If the employer contributions are not paid within 90 days after receipt of the bill, then interest will be charged at a rate equal to the System's annual actuarially assumed rate of return on investment compounded annually.

from the 91st day after receipt of the bill. Payments must be concluded within 3 years after the employer's receipt of the bill.

(g) This subsection (g) applies only to payments made or salary increases given on or after June 1, 2005 but before July 1, 2011. The changes made by Public Act 94-1057 shall not require the System to refund any payments received before July 31, 2006 (the effective date of Public Act 94-1057).

When assessing payment for any amount due under subsection (f), the System shall exclude salary increases paid to teachers under contracts or collective bargaining agreements entered into, amended, or renewed before June 1, 2005.

When assessing payment for any amount due under subsection (f), the System shall exclude salary increases paid to a teacher at a time when the teacher is 10 or more years from retirement eligibility under Section 16-132 or 16-133.2.

When assessing payment for any amount due under subsection (f), the System shall exclude salary increases resulting from overload work, including summer school, when the school district has certified to the System, and the System has approved the certification, that (i) the overload work is for the sole purpose of classroom instruction in excess of the standard number of classes for a full-time teacher in a school district during a school year and (ii) the salary increases are equal to or less than the rate of pay for classroom instruction computed on the teacher's current salary and work schedule.

When assessing payment for any amount due under subsection (f), the System shall exclude a salary increase resulting from a promotion (i) for which the employee is required to hold a certificate or supervisory endorsement issued by the State Teacher Certification Board that is a different certification or supervisory endorsement than is required for the teacher's previous position and (ii) to a position that has existed and been filled by a member for no less than one complete academic year and the salary increase from the promotion is an increase that results in an amount no greater than the lesser of the average salary paid for other similar positions in the district requiring the same certification or the amount stipulated in the collective bargaining agreement for a similar position requiring the same certification.

When assessing payment for any amount due under subsection (f), the System shall exclude any payment to the teacher from the State of Illinois or the State Board of Education over which the employer does not
have discretion, notwithstanding that the payment is included in the computation of final average salary.

(h) When assessing payment for any amount due under subsection (f), the System shall exclude any salary increase described in subsection (g) of this Section given on or after July 1, 2011 but before July 1, 2014 under a contract or collective bargaining agreement entered into, amended, or renewed on or after June 1, 2005 but before July 1, 2011. Notwithstanding any other provision of this Section, any payments made or salary increases given after June 30, 2014 shall be used in assessing payment for any amount due under subsection (f) of this Section.

(i) The System shall prepare a report and file copies of the report with the Governor and the General Assembly by January 1, 2007 that contains all of the following information:

1. The number of recalculations required by the changes made to this Section by Public Act 94-1057 for each employer.
2. The dollar amount by which each employer's contribution to the System was changed due to recalculations required by Public Act 94-1057.
3. The total amount the System received from each employer as a result of the changes made to this Section by Public Act 94-4.
4. The increase in the required State contribution resulting from the changes made to this Section by Public Act 94-1057.

(i-5) For school years beginning on or after July 1, 2017, if the amount of a participant’s salary for any school year, determined on a full-time equivalent basis, exceeds the amount of the salary set for the Governor, the participant's employer shall pay to the System, in addition to all other payments required under this Section and in accordance with guidelines established by the System, an amount determined by the System to be equal to the employer normal cost, as established by the System and expressed as a total percentage of payroll, multiplied by the amount of salary in excess of the amount of the salary set for the Governor. This amount shall be computed by the System on the basis of the actuarial assumptions and tables used in the most recent actuarial valuation of the System that is available at the time of the computation. The System may require the employer to provide any pertinent information or documentation.

Whenever it determines that a payment is or may be required under this subsection, the System shall calculate the amount of the
payment and bill the employer for that amount. The bill shall specify the calculations used to determine the amount due. If the employer disputes the amount of the bill, it may, within 30 days after receipt of the bill, apply to the System in writing for a recalculation. The application must specify in detail the grounds of the dispute. Upon receiving a timely application for recalculation, the System shall review the application and, if appropriate, recalculate the amount due.

The employer contributions required under this subsection may be paid in the form of a lump sum within 90 days after receipt of the bill. If the employer contributions are not paid within 90 days after receipt of the bill, then interest will be charged at a rate equal to the System's annual actuarially assumed rate of return on investment compounded annually from the 91st day after receipt of the bill. Payments must be concluded within 3 years after the employer's receipt of the bill.

(j) For purposes of determining the required State contribution to the System, the value of the System's assets shall be equal to the actuarial value of the System's assets, which shall be calculated as follows:

As of June 30, 2008, the actuarial value of the System's assets shall be equal to the market value of the assets as of that date. In determining the actuarial value of the System's assets for fiscal years after June 30, 2008, any actuarial gains or losses from investment return incurred in a fiscal year shall be recognized in equal annual amounts over the 5-year period following that fiscal year.

(k) For purposes of determining the required State contribution to the system for a particular year, the actuarial value of assets shall be assumed to earn a rate of return equal to the system's actuarially assumed rate of return.

Sec. 16-158.3. Individual employer accounts.

(a) The System shall create and maintain an individual account for each employer for the purposes of determining employer contributions under subsection (b-4) of Section 16-158. Each employer's account shall be notionally charged with the liabilities attributable to that employer and credited with the assets attributable to that employer.

(b) Beginning with fiscal year 2018, the System shall assign notional liabilities to each employer's account, equal to the amount of the

employer contributions required to be made by the employer pursuant to items (i) and (ii) of subsection (b-4) of Section 16-158, plus any unfunded actuarial accrued liability associated with the defined benefits attributable to the employer's employees who first became members on or after the implementation date and the employer's employees who made the election under subsection (c-5) of Section 1-161.

(c) Beginning with fiscal year 2018, the System shall assign notional assets to each employer's account equal to the amounts of employer contributions made pursuant to items (i) and (ii) of subsection (b-4) of Section 16-158.

(Text of Section WITHOUT the changes made by P.A. 98-599, which has been held unconstitutional)

Sec. 16-203. Application and expiration of new benefit increases.

(a) As used in this Section, "new benefit increase" means an increase in the amount of any benefit provided under this Article, or an expansion of the conditions of eligibility for any benefit under this Article, that results from an amendment to this Code that takes effect after June 1, 2005 (the effective date of Public Act 94-4). "New benefit increase", however, does not include any benefit increase resulting from the changes made to Article 1 or this Article by Public Act 95-910 or this amendatory Act of the 100th General Assembly.

(b) Notwithstanding any other provision of this Code or any subsequent amendment to this Code, every new benefit increase is subject to this Section and shall be deemed to be granted only in conformance with and contingent upon compliance with the provisions of this Section.

(c) The Public Act enacting a new benefit increase must identify and provide for payment to the System of additional funding at least sufficient to fund the resulting annual increase in cost to the System as it accrues.

Every new benefit increase is contingent upon the General Assembly providing the additional funding required under this subsection. The Commission on Government Forecasting and Accountability shall analyze whether adequate additional funding has been provided for the new benefit increase and shall report its analysis to the Public Pension Division of the Department of Insurance Financial and Professional Regulation. A new benefit increase created by a Public Act that does not include the additional funding required under this subsection is null and

void. If the Public Pension Division determines that the additional funding provided for a new benefit increase under this subsection is or has become inadequate, it may so certify to the Governor and the State Comptroller and, in the absence of corrective action by the General Assembly, the new benefit increase shall expire at the end of the fiscal year in which the certification is made.

(d) Every new benefit increase shall expire 5 years after its effective date or on such earlier date as may be specified in the language enacting the new benefit increase or provided under subsection (c). This does not prevent the General Assembly from extending or re-creating a new benefit increase by law.

(e) Except as otherwise provided in the language creating the new benefit increase, a new benefit increase that expires under this Section continues to apply to persons who applied and qualified for the affected benefit while the new benefit increase was in effect and to the affected beneficiaries and alternate payees of such persons, but does not apply to any other person, including without limitation a person who continues in service after the expiration date and did not apply and qualify for the affected benefit while the new benefit increase was in effect.

Sec. 18-131. Financing; employer contributions.

(a) The State of Illinois shall make contributions to this System by appropriations of the amounts which, together with the contributions of participants, net earnings on investments, and other income, will meet the costs of maintaining and administering this System on a 90% funded basis in accordance with actuarial recommendations.

(b) The Board shall determine the amount of State contributions required for each fiscal year on the basis of the actuarial tables and other assumptions adopted by the Board and the prescribed rate of interest, using the formula in subsection (c).

(c) For State fiscal years 2012 through 2045, the minimum contribution to the System to be made by the State for each fiscal year shall be an amount determined by the System to be sufficient to bring the total assets of the System up to 90% of the total actuarial liabilities of the System by the end of State fiscal year 2045. In making these determinations, the required State contribution shall be calculated each year as a level percentage of payroll over the years remaining to and
including fiscal year 2045 and shall be determined under the projected unit credit actuarial cost method.

A change in an actuarial or investment assumption that increases or decreases the required State contribution and first applies in State fiscal year 2018 or thereafter shall be implemented in equal annual amounts over a 5-year period beginning in the State fiscal year in which the actuarial change first applies to the required State contribution.

A change in an actuarial or investment assumption that increases or decreases the required State contribution and first applied to the State contribution in fiscal year 2014, 2015, 2016, or 2017 shall be implemented:

(i) as already applied in State fiscal years before 2018; and
(ii) in the portion of the 5-year period beginning in the State fiscal year in which the actuarial change first applied that occurs in State fiscal year 2018 or thereafter, by calculating the change in equal annual amounts over that 5-year period and then implementing it at the resulting annual rate in each of the remaining fiscal years in that 5-year period.

For State fiscal years 1996 through 2005, the State contribution to the System, as a percentage of the applicable employee payroll, shall be increased in equal annual increments so that by State fiscal year 2011, the State is contributing at the rate required under this Section.

Notwithstanding any other provision of this Article, the total required State contribution for State fiscal year 2006 is $29,189,400.

Notwithstanding any other provision of this Article, the total required State contribution for State fiscal year 2007 is $35,236,800.

For each of State fiscal years 2008 through 2009, the State contribution to the System, as a percentage of the applicable employee payroll, shall be increased in equal annual increments from the required State contribution for State fiscal year 2007, so that by State fiscal year 2011, the State is contributing at the rate otherwise required under this Section.

Notwithstanding any other provision of this Article, the total required State contribution for State fiscal year 2010 is $78,832,000 and shall be made from the proceeds of bonds sold in fiscal year 2010 pursuant to Section 7.2 of the General Obligation Bond Act, less (i) the pro rata share of bond sale expenses determined by the System's share of total bond proceeds, (ii) any amounts received from the General Revenue Fund in

New matter indicated by italics - deletions by strikeout
fiscal year 2010, and (iii) any reduction in bond proceeds due to the issuance of discounted bonds, if applicable.

Notwithstanding any other provision of this Article, the total required State contribution for State fiscal year 2011 is the amount recertified by the System on or before April 1, 2011 pursuant to Section 18-140 and shall be made from the proceeds of bonds sold in fiscal year 2011 pursuant to Section 7.2 of the General Obligation Bond Act, less (i) the pro rata share of bond sale expenses determined by the System's share of total bond proceeds, (ii) any amounts received from the General Revenue Fund in fiscal year 2011, and (iii) any reduction in bond proceeds due to the issuance of discounted bonds, if applicable.

Beginning in State fiscal year 2046, the minimum State contribution for each fiscal year shall be the amount needed to maintain the total assets of the System at 90% of the total actuarial liabilities of the System.

Amounts received by the System pursuant to Section 25 of the Budget Stabilization Act or Section 8.12 of the State Finance Act in any fiscal year do not reduce and do not constitute payment of any portion of the minimum State contribution required under this Article in that fiscal year. Such amounts shall not reduce, and shall not be included in the calculation of, the required State contributions under this Article in any future year until the System has reached a funding ratio of at least 90%. A reference in this Article to the "required State contribution" or any substantially similar term does not include or apply to any amounts payable to the System under Section 25 of the Budget Stabilization Act.

Notwithstanding any other provision of this Section, the required State contribution for State fiscal year 2005 and for fiscal year 2008 and each fiscal year thereafter, as calculated under this Section and certified under Section 18-140, shall not exceed an amount equal to (i) the amount of the required State contribution that would have been calculated under this Section for that fiscal year if the System had not received any payments under subsection (d) of Section 7.2 of the General Obligation Bond Act, minus (ii) the portion of the State's total debt service payments for that fiscal year on the bonds issued in fiscal year 2003 for the purposes of that Section 7.2, as determined and certified by the Comptroller, that is the same as the System's portion of the total moneys distributed under subsection (d) of Section 7.2 of the General Obligation Bond Act. In determining this maximum for State fiscal years 2008 through 2010, however, the amount referred to in item (i) shall be increased, as a
percentage of the applicable employee payroll, in equal increments calculated from the sum of the required State contribution for State fiscal year 2007 plus the applicable portion of the State's total debt service payments for fiscal year 2007 on the bonds issued in fiscal year 2003 for the purposes of Section 7.2 of the General Obligation Bond Act, so that, by State fiscal year 2011, the State is contributing at the rate otherwise required under this Section.

(d) For purposes of determining the required State contribution to the System, the value of the System's assets shall be equal to the actuarial value of the System's assets, which shall be calculated as follows:

As of June 30, 2008, the actuarial value of the System's assets shall be equal to the market value of the assets as of that date. In determining the actuarial value of the System's assets for fiscal years after June 30, 2008, any actuarial gains or losses from investment return incurred in a fiscal year shall be recognized in equal annual amounts over the 5-year period following that fiscal year.

(e) For purposes of determining the required State contribution to the system for a particular year, the actuarial value of assets shall be assumed to earn a rate of return equal to the system's actuarially assumed rate of return.

Sec. 18-140. To certify required State contributions and submit vouchers.

(a) The Board shall certify to the Governor, on or before November 15 of each year until November 15, 2011, the amount of the required State contribution to the System for the following fiscal year and shall specifically identify the System's projected State normal cost for that fiscal year. The certification shall include a copy of the actuarial recommendations upon which it is based and shall specifically identify the System's projected State normal cost for that fiscal year.

On or before November 1 of each year, beginning November 1, 2012, the Board shall submit to the State Actuary, the Governor, and the General Assembly a proposed certification of the amount of the required State contribution to the System for the next fiscal year, along with all of the actuarial assumptions, calculations, and data upon which that proposed certification is based. On or before January 1 of each year beginning January 1, 2013, the State Actuary shall issue a preliminary report

concerning the proposed certification and identifying, if necessary, recommended changes in actuarial assumptions that the Board must consider before finalizing its certification of the required State contributions. On or before January 15, 2013 and every January 15 thereafter, the Board shall certify to the Governor and the General Assembly the amount of the required State contribution for the next fiscal year. The Board's certification must note any deviations from the State Actuary's recommended changes, the reason or reasons for not following the State Actuary's recommended changes, and the fiscal impact of not following the State Actuary's recommended changes on the required State contribution.

On or before May 1, 2004, the Board shall recalculate and recertify to the Governor the amount of the required State contribution to the System for State fiscal year 2005, taking into account the amounts appropriated to and received by the System under subsection (d) of Section 7.2 of the General Obligation Bond Act.

On or before July 1, 2005, the Board shall recalculate and recertify to the Governor the amount of the required State contribution to the System for State fiscal year 2006, taking into account the changes in required State contributions made by this amendatory Act of the 94th General Assembly.

On or before April 1, 2011, the Board shall recalculate and recertify to the Governor the amount of the required State contribution to the System for State fiscal year 2011, applying the changes made by Public Act 96-889 to the System's assets and liabilities as of June 30, 2009 as though Public Act 96-889 was approved on that date.

By November 1, 2017, the Board shall recalculate and recertify to the State Actuary, the Governor, and the General Assembly the amount of the State contribution to the System for State fiscal year 2018, taking into account the changes in required State contributions made by this amendatory Act of the 100th General Assembly. The State Actuary shall review the assumptions and valuations underlying the Board's revised certification and issue a preliminary report concerning the proposed recertification and identifying, if necessary, recommended changes in actuarial assumptions that the Board must consider before finalizing its certification of the required State contributions. The Board's final certification must note any deviations from the State Actuary's recommended changes, the reason or reasons for not following the State Actuary's recommended changes, and the fiscal impact of not following

the State Actuary's recommended changes on the required State contribution.

(b) Beginning in State fiscal year 1996, on or as soon as possible after the 15th day of each month the Board shall submit vouchers for payment of State contributions to the System, in a total monthly amount of one-twelfth of the required annual State contribution certified under subsection (a). From the effective date of this amendatory Act of the 93rd General Assembly through June 30, 2004, the Board shall not submit vouchers for the remainder of fiscal year 2004 in excess of the fiscal year 2004 certified contribution amount determined under this Section after taking into consideration the transfer to the System under subsection (c) of Section 6z-61 of the State Finance Act. These vouchers shall be paid by the State Comptroller and Treasurer by warrants drawn on the funds appropriated to the System for that fiscal year.

If in any month the amount remaining unexpended from all other appropriations to the System for the applicable fiscal year (including the appropriations to the System under Section 8.12 of the State Finance Act and Section 1 of the State Pension Funds Continuing Appropriation Act) is less than the amount lawfully vouchered under this Section, the difference shall be paid from the General Revenue Fund under the continuing appropriation authority provided in Section 1.1 of the State Pension Funds Continuing Appropriation Act.

Sec. 1.2. Appropriations for the State Employees' Retirement System.

(a) From each fund from which an amount is appropriated for personal services to a department or other employer under Article 14 of the Illinois Pension Code, there is hereby appropriated to that department or other employer, on a continuing annual basis for each State fiscal year, an additional amount equal to the amount, if any, by which (1) an amount equal to the percentage of the personal services line item for that department or employer from that fund for that fiscal year that the Board of Trustees of the State Employees' Retirement System of Illinois has certified under Section 14-135.08 of the Illinois Pension Code to be necessary to meet the State's obligation under Section 14-131 of the Illinois Pension Code for that fiscal year, exceeds (2) the amounts otherwise appropriated to that department or employer from that fund for State contributions to the State Employees' Retirement System for that fiscal year. From the effective date of this amendatory Act of the 93rd General Assembly through the final payment from a department or employer's personal services line item for fiscal year 2004, payments to the State Employees' Retirement System that otherwise would have been made under this subsection (a) shall be governed by the provisions in subsection (a-1).

(a-1) If a Fiscal Year 2004 Shortfall is certified under subsection (f) of Section 14-131 of the Illinois Pension Code, there is hereby appropriated to the State Employees' Retirement System of Illinois on a continuing basis from the General Revenue Fund an additional aggregate amount equal to the Fiscal Year 2004 Shortfall.

(a-2) If a Fiscal Year 2010 Shortfall is certified under subsection (i) of Section 14-131 of the Illinois Pension Code, there is hereby appropriated to the State Employees' Retirement System of Illinois on a continuing basis from the General Revenue Fund an additional aggregate amount equal to the Fiscal Year 2010 Shortfall.

(a-3) If a Fiscal Year 2016 Shortfall is certified under subsection (k) of Section 14-131 of the Illinois Pension Code, there is hereby appropriated to the State Employees' Retirement System of Illinois on a continuing basis from the General Revenue Fund an additional aggregate amount equal to the Fiscal Year 2016 Shortfall.

(a-4) If a Prior Fiscal Year Shortfall is certified under subsection (k) of Section 14-131 of the Illinois Pension Code, there is hereby appropriated to the State Employees' Retirement System of Illinois on a...
continuing basis from the General Revenue Fund an additional aggregate amount equal to the Fiscal Year 2017 Shortfall.

(b) The continuing appropriations provided for by this Section shall first be available in State fiscal year 1996.

(c) Beginning in Fiscal Year 2005, any continuing appropriation under this Section arising out of an appropriation for personal services from the Road Fund to the Department of State Police or the Secretary of State shall be payable from the General Revenue Fund rather than the Road Fund.

(d) For State fiscal year 2010 only, a continuing appropriation is provided to the State Employees' Retirement System equal to the amount certified by the System on or before December 31, 2008, less the gross proceeds of the bonds sold in fiscal year 2010 under the authorization contained in subsection (a) of Section 7.2 of the General Obligation Bond Act.

(e) For State fiscal year 2011 only, the continuing appropriation under this Section provided to the State Employees' Retirement System is limited to an amount equal to the amount certified by the System on or before December 31, 2009, less any amounts received pursuant to subsection (a-3) of Section 14.1 of the State Finance Act.

(f) For State fiscal year 2011 only, a continuing appropriation is provided to the State Employees' Retirement System equal to the amount certified by the System on or before April 1, 2011, less the gross proceeds of the bonds sold in fiscal year 2011 under the authorization contained in subsection (a) of Section 7.2 of the General Obligation Bond Act.

Section 10-20. The Uniform Disposition of Unclaimed Property Act is amended by changing Section 18 as follows:

(a) The State Treasurer shall retain all funds received under this Act, including the proceeds from the sale of abandoned property under Section 17, in a trust fund known as the Unclaimed Property Trust Fund. The State Treasurer may deposit any amount in the Unclaimed Property Trust Fund into the State Pensions Fund during the fiscal year at his or her discretion; however, he or she shall, on April 15 and October 15 of each year, deposit any amount in the Unclaimed Property Trust Fund exceeding $2,500,000 into the State Pensions Fund. If on either April 15 or October 15, the State Treasurer determines that a balance of $2,500,000 is
insufficient for the prompt payment of unclaimed property claims authorized under this Act, the Treasurer may retain more than $2,500,000 in the Unclaimed Property Trust Fund in order to ensure the prompt payment of claims. Beginning in State fiscal year 2019, all amounts that are deposited into the State Pensions Fund from the Unclaimed Property Trust Fund shall be apportioned to the designated retirement systems as provided in subsection (c-6) of Section 8.12 of the State Finance Act to reduce their actuarial reserve deficiencies. He or she shall make prompt payment of claims he or she duly allows as provided for in this Act for the Unclaimed Property Trust Fund. Before making the deposit the State Treasurer shall record the name and last known address of each person appearing from the holders' reports to be entitled to the abandoned property. The record shall be available for public inspection during reasonable business hours.

(b) Before making any deposit to the credit of the State Pensions Fund, the State Treasurer may deduct: (1) any costs in connection with sale of abandoned property, (2) any costs of mailing and publication in connection with any abandoned property, and (3) any costs in connection with the maintenance of records or disposition of claims made pursuant to this Act. The State Treasurer shall semiannually file an itemized report of all such expenses with the Legislative Audit Commission.

Sec. 8-173. Financing; tax levy.

(a) Except as provided in subsection (f) of this Section, the city council of the city shall levy a tax annually upon all taxable property in the city at a rate that will produce a sum which, when added to the amounts deducted from the salaries of the employees or otherwise contributed by them and the amounts deposited under subsection (f), will be sufficient for the requirements of this Article, but which when extended will produce an

amount not to exceed the greater of the following: (a) the sum obtained by the levy of a tax of .1093% of the value, as equalized or assessed by the Department of Revenue, of all taxable property within such city, or (b) the sum of $12,000,000. However any city in which a Fund has been established and in operation under this Article for more than 3 years prior to 1970 shall levy for the year 1970 a tax at a rate on the dollar of assessed valuation of all taxable property that will produce, when extended, an amount not to exceed 1.2 times the total amount of contributions made by employees to the Fund for annuity purposes in the calendar year 1968, and, for the year 1971 and 1972 such levy that will produce, when extended, an amount not to exceed 1.3 times the total amount of contributions made by employees to the Fund for annuity purposes in the calendar years 1969 and 1970, respectively; and for the year 1973 an amount not to exceed 1.365 times such total amount of contributions made by employees for annuity purposes in the calendar year 1971; and for the year 1974 an amount not to exceed 1.430 times such total amount of contributions made by employees for annuity purposes in the calendar year 1972; and for the year 1975 an amount not to exceed 1.495 times such total amount of contributions made by employees for annuity purposes in the calendar year 1973; and for the year 1976 an amount not to exceed 1.560 times such total amount of contributions made by employees for annuity purposes in the calendar year 1974; and for the year 1977 an amount not to exceed 1.625 times such total amount of contributions made by employees for annuity purposes in the calendar year 1975; and for the year 1978 and each year thereafter through levy year 2016, such levy as will produce, when extended, an amount not to exceed the total amount of contributions made by or on behalf of employees to the Fund for annuity purposes in the calendar year 2 years prior to the year for which the annual applicable tax is levied, multiplied by 1.690 for the years 1978 through 1998 and by 1.250 for the year 1999 and for each year thereafter through levy year 2016. Beginning in levy year 2017, and in each year thereafter, the levy shall not exceed the amount of the city's total required contribution to the Fund for the next payment year, as determined under subsection (a-5). For the purposes of this Section, the payment year is the year immediately following the levy year.

The tax shall be levied and collected in like manner with the general taxes of the city, and shall be exclusive of and in addition to the amount of tax the city is now or may hereafter be authorized to levy for general purposes under any laws which may limit the amount of tax which

New matter indicated by italics - deletions by strikeout
the city may levy for general purposes. The county clerk of the county in which the city is located, in reducing tax levies under the provisions of any Act concerning the levy and extension of taxes, shall not consider the tax herein provided for as a part of the general tax levy for city purposes, and shall not include the same within any limitation of the percent of the assessed valuation upon which taxes are required to be extended for such city.

Revenues derived from such tax shall be paid to the city treasurer of the city as collected and held by the city treasurer him for the benefit of the fund.

If the payments on account of taxes are insufficient during any year to meet the requirements of this Article, the city may issue tax anticipation warrants against the current tax levy.

The city may continue to use other lawfully available funds in lieu of all or part of the levy, as provided under subsection (f) of this Section.

(a-5) (1) Beginning in payment year 2018, the city's required annual contribution to the Fund for payment years 2018 through 2022 shall be: for 2018, $266,000,000; for 2019, $344,000,000; for 2020, $421,000,000; for 2021, $499,000,000; and for 2022, $576,000,000.

(2) For payment years 2023 through 2058, the city's required annual contribution to the Fund shall be the amount determined by the Fund to be equal to the sum of (i) the city's portion of the projected normal cost for that fiscal year, plus (ii) an amount determined on a level percentage of applicable employee payroll basis (reflecting any limits on individual participants' pay that apply for benefit and contribution purposes under this plan) that is sufficient to bring the total actuarial assets of the Fund up to 90% of the total actuarial liabilities of the Fund by the end of 2058.

(3) For payment years after 2058, the city's required annual contribution to the Fund shall be equal to the amount, if any, needed to bring the total actuarial assets of the Fund up to 90% of the total actuarial liabilities of the Fund as of the end of the year. In making the determinations under paragraphs (2) and (3) of this subsection, the actuarial calculations shall be determined under the entry age normal actuarial cost method, and any actuarial gains or losses from investment return incurred in a fiscal year shall be recognized in equal annual amounts over the 5-year period following the fiscal year.

To the extent that the city's contribution for any of the payment years referenced in this subsection is made with property taxes, those
property taxes shall be levied, collected, and paid to the Fund in a like manner with the general taxes of the city.

(a-10) If the city fails to transmit to the Fund contributions required of it under this Article by December 31 of the year in which such contributions are due, the Fund may, after giving notice to the city, certify to the State Comptroller the amounts of the delinquent payments, and the Comptroller must, beginning in payment year 2018, deduct and deposit into the Fund the certified amounts or a portion of those amounts from the following proportions of grants of State funds to the city:

(1) in payment year 2018, one-third of the total amount of any grants of State funds to the city;
(2) in payment year 2019, two-thirds of the total amount of any grants of State funds to the city; and
(3) in payment year 2020 and each payment year thereafter, the total amount of any grants of State funds to the city.

The State Comptroller may not deduct from any grants of State funds to the city more than the amount of delinquent payments certified to the State Comptroller by the Fund.

(b) On or before July 1, 2017, and each July 1 thereafter January 10, annually, the board shall certify to notify the city council the annual amounts required under the requirements of this Article, for which that the tax herein provided shall be levied for the following that current year. The board shall compute the amounts necessary to be credited to the reserves established and maintained as herein provided, and shall make an annual determination of the amount of the required city contributions, and certify the results thereof to the city council.

(c) In respect to employees of the city who are transferred to the employment of a park district by virtue of the "Exchange of Functions Act of 1957", the corporate authorities of the park district shall annually levy a tax upon all the taxable property in the park district at such rate per cent of the value of such property, as equalized or assessed by the Department of Revenue, as shall be sufficient, when added to the amounts deducted from their salaries and otherwise contributed by them to provide the benefits to which they and their dependents and beneficiaries are entitled under this Article. The city shall not levy a tax hereunder in respect to such employees.

The tax so levied by the park district shall be in addition to and exclusive of all other taxes authorized to be levied by the park district for corporate, annuity fund, or other purposes. The county clerk of the county
in which the park district is located, in reducing any tax levied under the provisions of any act concerning the levy and extension of taxes shall not consider such tax as part of the general tax levy for park purposes, and shall not include the same in any limitation of the per cent of the assessed valuation upon which taxes are required to be extended for the park district. The proceeds of the tax levied by the park district, upon receipt by the district, shall be immediately paid over to the city treasurer of the city for the uses and purposes of the fund.

The various sums to be contributed by the city and park district and allocated for the purposes of this Article, and any interest to be contributed by the city, shall be derived from the revenue from the taxes authorized in this Section or otherwise as expressly provided in this Section.

If it is not possible or practicable for the city to make contributions for age and service annuity and widow's annuity at the same time that employee contributions are made for such purposes, such city contributions shall be construed to be due and payable as of the end of the fiscal year for which the tax is levied and shall accrue thereafter with interest at the effective rate until paid.

(d) With respect to employees whose wages are funded as participants under the Comprehensive Employment and Training Act of 1973, as amended (P.L. 93-203, 87 Stat. 839, P.L. 93-567, 88 Stat. 1845), hereinafter referred to as CETA, subsequent to October 1, 1978, and in instances where the board has elected to establish a manpower program reserve, the board shall compute the amounts necessary to be credited to the manpower program reserves established and maintained as herein provided, and shall make a periodic determination of the amount of required contributions from the City to the reserve to be reimbursed by the federal government in accordance with rules and regulations established by the Secretary of the United States Department of Labor or his designee, and certify the results thereof to the City Council. Any such amounts shall become a credit to the City and will be used to reduce the amount which the City would otherwise contribute during succeeding years for all employees.

(e) In lieu of establishing a manpower program reserve with respect to employees whose wages are funded as participants under the Comprehensive Employment and Training Act of 1973, as authorized by subsection (d), the board may elect to establish a special municipality contribution rate for all such employees. If this option is elected, the City shall contribute to the Fund from federal funds provided under the

New matter indicated by italics - deletions by strikeout
Comprehensive Employment and Training Act program at the special rate so established and such contributions shall become a credit to the City and be used to reduce the amount which the City would otherwise contribute during succeeding years for all employees.

(f) In lieu of levying all or a portion of the tax required under this Section in any year, the city may deposit with the city treasurer no later than March 1 of that year for the benefit of the fund, to be held in accordance with this Article, an amount that, together with the taxes levied under this Section for that year, is not less than the amount of the city contributions for that year as certified by the board to the city council. The deposit may be derived from any source legally available for that purpose, including, but not limited to, the proceeds of city borrowings. The making of a deposit shall satisfy fully the requirements of this Section for that year to the extent of the amounts so deposited. Amounts deposited under this subsection may be used by the fund for any of the purposes for which the proceeds of the tax levied by the city under this Section may be used, including the payment of any amount that is otherwise required by this Article to be paid from the proceeds of that tax.

Sec. 8-174. Contributions for age and service annuities for present employees and future entrants. (a) Beginning on the effective date and prior to July 1, 1947, 3 1/4%; and beginning on July 1, 1947 and prior to July 1, 1953, 5%; and beginning July 1, 1953, and prior to January 1, 1972, 6%; and beginning January 1, 1972, 6-1/2% of each payment of the salary of each present employee and future entrant, except as provided in subsection (a-5) and (a-10), shall be contributed to the fund as a deduction from salary for age and service annuity.

(a-5) Except as provided in subsection (a-10), for an employee who on or after January 1, 2011 and prior to the effective date of this amendatory Act of the 100th General Assembly first became a member or participant under this Article and made the election under item (i) of subsection (d-10) of Section 1-160: prior to the effective date of this amendatory Act of the 100th General Assembly, 6.5%; and beginning on the effective date of this amendatory Act of the 100th General Assembly and prior to January 1, 2018, 7.5%; and beginning January 1, 2018 and

prior to January 1, 2019, 8.5%; and beginning January 1, 2019 and thereafter, employee contributions for those employees who made the election under item (i) of subsection (d-10) of Section 1-160 shall be the lesser of: (i) the total normal cost, calculated using the entry age normal actuarial method, projected for that fiscal year for the benefits and expenses of the plan of benefits applicable to those members and participants who first became members or participants on or after the effective date of this amendatory Act of the 100th General Assembly and to those employees who made the election under item (i) of subsection (d-10) of Section 1-160, but not less than 6.5% of each payment of salary combined with the employee contributions provided for in subsection (b) of Section 8-137 and Section 8-182 of this Article; or (ii) the aggregate employee contribution consisting of 9.5% of each payment of salary combined with the employee contributions provided for in subsection (b) of Section 8-137 and 8-182 of this Article.

Beginning with the first pay period on or after the date when the funded ratio of the fund is first determined to have reached the 90% funding goal, and each pay period thereafter for as long as the fund maintains a funding ratio of 75% or more, employee contributions for age and service annuity for those employees who made the election under item (i) of subsection (d-10) of Section 1-160 shall be 5.5% of each payment of salary. If the funding ratio falls below 75%, then employee contributions for age and service annuity for those employees who made the election under item (i) of subsection (d-10) shall revert to the lesser of: (A) the total normal cost, calculated using the entry age normal actuarial method, projected for that fiscal year for the benefits and expenses of the plan of benefits applicable to those members and participants who first became members or participants on or after the effective date of this amendatory Act of the 100th General Assembly and to those employees who made the election under item (i) of subsection (d-10) of Section 1-160, but not less than 6.5% of each payment of salary combined with the employee contributions provided for in subsection (b) of Section 8-137 and Section 8-182 of this Article; or (B) the aggregate employee contribution consisting of 9.5% of each payment of salary combined with the employee contributions provided for in subsection (b) of Section 8-137 and 8-182 of this Article. If the fund once again is determined to have reached a funding ratio of 75%, the 5.5% of salary contribution for age and service annuity shall resume. An employee who made the election under item (ii) of subsection (d-10) of Section 1-160 shall continue to have the

contributions for age and service annuity determined under subsection (a) of this Section.

If contributions are reduced to less than the aggregate employee contribution described in item (ii) or item (B) of this subsection due to application of the normal cost criterion, the employee contribution amount shall be consistent from July 1 of the fiscal year through June 30 of that fiscal year.

The normal cost, for the purposes of this subsection (a-5) and subsection (a-10), shall be calculated by an independent enrolled actuary mutually agreed upon by the fund and the City. The fees and expenses of the independent actuary shall be the responsibility of the City. For purposes of this subsection (a-5), the fund and the City shall both be considered to be the clients of the actuary, and the actuary shall utilize participant data and actuarial standards to calculate the normal cost. The fund shall provide information that the actuary requests in order to calculate the applicable normal cost.

(a-10) For each employee who on or after the effective date of this amendatory Act of the 100th General Assembly first becomes a member or participant under this Article, 9.5% of each payment of salary shall be contributed to the fund as a deduction from salary for age and service annuity. Beginning January 1, 2018 and each year thereafter, employee contributions for each employee subject to this subsection (a-10) shall be the lesser of: (i) the total normal cost, calculated using the entry age normal actuarial method, projected for that fiscal year for the benefits and expenses of the plan of benefits applicable to those members and participants who first become members or participants on or after the effective date of this amendatory Act of the 100th General Assembly and to those employees who made the election under item (i) of subsection (d-10) of Section 1-160, but not less than 6.5% of each payment of salary combined with the employee contributions provided for in subsection (b) of Section 8-137 and Section 8-182 of this Article; or (ii) the aggregate employee contribution consisting of 9.5% of each payment of salary combined with the employee contributions provided for in subsection (b) of Section 8-137 and Section 8-182 of this Article.

Beginning with the first pay period on or after the date when the funded ratio of the fund is first determined to have reached the 90% funding goal, and each pay period thereafter for as long as the fund maintains a funding ratio of 75% or more, employee contributions for age and service annuity for each employee subject to this subsection (a-10)
shall be 5.5% of each payment of salary. If the funding ratio falls below 75%, then employee contributions for age and service annuity for each employee subject to this subsection (a-10) shall revert to the lesser of: (A) the total normal cost, calculated using the entry age normal actuarial method, projected for that fiscal year for the benefits and expenses of the plan of benefits applicable to those members and participants who first become members or participants on or after the effective date of this amendatory Act of the 100th General Assembly and to those employees who made the election under item (i) of subsection (d-10) of Section 1-160, but not less than 6.5% of each payment of salary combined with the employee contributions provided for in subsection (b) of Section 8-137 and Section 8-182 of this Article; or (B) the aggregate employee contribution consisting of 9.5% of each payment of salary combined with the employee contributions provided for in subsection (b) of Section 8-137 and Section 8-182 of this Article. If the fund once again is determined to have reached a funding ratio of 75%, the 5.5% of salary contribution for age and service annuity shall resume.

If contributions are reduced to less than the aggregate employee contribution described in item (ii) or item (B) of this subsection (a-10) due to application of the normal cost criterion, the employee contribution amount shall be consistent from July 1 of the fiscal year through June 30 of that fiscal year.

Such deductions beginning on the effective date and prior to July 1, 1947 shall be made for a future entrant while he is in the service until he attains age 65 and for a present employee while he is in the service until the amount so deducted from his salary with the amount deducted from his salary or paid by him according to law to any municipal pension fund in force on the effective date with interest on both such amounts at 4% per annum equals the sum that would have been to his credit from sums deducted from his salary if deductions at the rate herein stated had been made during his entire service until he attained age 65 with interest at 4% per annum for the period subsequent to his attainment of age 65. Such deductions beginning July 1, 1947 shall be made and continued for employees while in the service.

(b) (Blank). Concurrently with each employee contribution beginning on the effective date and prior to July 1, 1947 the city shall contribute 5 3/4%; and beginning on July 1, 1947 and prior to July 1, 1953, 7%; and beginning July 1, 1953, 6% of each payment of such salary until the employee attains age 65.

(c) Each employee contribution made prior to the date the age and service annuity for an employee is fixed and each corresponding city contribution shall be credited to the employee and allocated to the account of the employee for whose benefit it is made.

(d) Notwithstanding Section 1-103.1, the changes to this Section made by this amendatory Act of the 100th General Assembly apply regardless of whether the employee was in active service on or after the effective date of this amendatory Act of the 100th General Assembly.

Sec. 8-228.5. Action by Fund against third party; subrogation. In those cases where the injury or death for which a disability or death benefit is payable under this Article was caused under circumstances creating a legal liability on the part of some person or entity (hereinafter "third party") to pay damages to the employee, legal proceedings may be taken against such third party to recover damages notwithstanding the Fund's payment of or liability to pay disability or death benefits under this Article. In such case, however, if the action against such third party is brought by the injured employee or his or her personal representative and judgment is obtained and paid, or settlement is made with such third party, either with or without suit, from the amount received by such employee or personal representative, then there shall be paid to the Fund the amount of money representing the death or disability benefits paid or to be paid to the disabled employee pursuant to the provisions of this Article. In all circumstances where the action against a third party is brought by the disabled employee or his or her personal representative, the Fund shall have a claim or lien upon any recovery, by judgment or settlement, out of which the disabled employee or his or her personal representative might be compensated from such third party. The Fund may satisfy or enforce any such claim or lien only from that portion of a recovery that has been, or can be, allocated or attributed to past and future lost salary, which recovery is by judgment or settlement. The Fund's claim or lien shall not be satisfied or enforced from that portion of a recovery that has been, or can be, allocated or attributed to medical care and treatment, pain and suffering, loss of consortium, and attorney's fees and costs.

Where action is brought by the disabled employee or his or her personal representative, he or she shall forthwith notify the Fund, by personal service or registered mail, of such fact and of the name of the

New matter indicated by italics - deletions by strikeout
court where such suit is brought, filing proof of such notice in such action. The Fund may, at any time thereafter, intervene in such action upon its own motion. Therefore, no release or settlement of claim for damages by reason of injury to the disabled employee, and no satisfaction of judgment in such proceedings, shall be valid without the written consent of the Board of Trustees authorized by this Code to administer the Fund created under this Article, except that such consent shall be provided expeditiously following a settlement or judgment.

In the event the disabled employee or his or her personal representative has not instituted an action against a third party at a time when only 3 months remain before such action would thereafter be barred by law, the Fund may, in its own name or in the name of the personal representative, commence a proceeding against such third party seeking the recovery of all damages on account of injuries caused to the employee. From any amount so recovered, the Fund shall pay to the personal representative of such disabled employee all sums collected from such third party by judgment or otherwise in excess of the amount of disability or death benefits paid or to be paid under this Article to the disabled employee or his or her personal representative, and such costs, attorney's fees, and reasonable expenses as may be incurred by the Fund in making the collection or in enforcing such liability. The Fund's recovery shall be satisfied only from that portion of a recovery that has been, or can be, allocated or attributed to past and future lost salary, which recovery is by judgment or settlement. The Fund's recovery shall not be satisfied from that portion of the recovery that has been, or can be, allocated or attributed to medical care and treatment, pain and suffering, loss of consortium, and attorney's fees and costs.

Additionally, with respect to any right of subrogation asserted by the Fund under this Section, the Fund, in the exercise of discretion, may determine what amount from past or future salary shall be appropriate under the circumstances to collect from the recovery obtained on behalf of the disabled employee.

This Section applies only to persons who first become members or participants under this Article on or after the effective date of this amendatory Act of the 100th General Assembly.

(40 ILCS 5/8-243.2) (from Ch. 108 1/2, par. 8-243.2) Sec. 8-243.2. Alternative annuity for city officers.
(a) For the purposes of this Section and Sections 8-243.1 and 8-243.3, "city officer" means the city clerk, the city treasurer, or an alderman

of the city elected by vote of the people, while serving in that capacity or as provided in subsection (f), who has elected to participate in the Fund.

(b) Any elected city officer, while serving in that capacity or as provided in subsection (f), may elect to establish alternative credits for an alternative annuity by electing in writing to make additional optional contributions in accordance with this Section and the procedures established by the board. Such elected city officer may discontinue making the additional optional contributions by notifying the Fund in writing in accordance with this Section and procedures established by the board.

Additional optional contributions for the alternative annuity shall be as follows:

(1) For service after the option is elected, an additional contribution of 3% of salary shall be contributed to the Fund on the same basis and under the same conditions as contributions required under Sections 8-174 and 8-182.

(2) For service before the option is elected, an additional contribution of 3% of the salary for the applicable period of service, plus interest at the effective rate from the date of service to the date of payment. All payments for past service must be paid in full before credit is given. No additional optional contributions may be made for any period of service for which credit has been previously forfeited by acceptance of a refund, unless the refund is repaid in full with interest at the effective rate from the date of refund to the date of repayment.

(c) In lieu of the retirement annuity otherwise payable under this Article, any city officer elected by vote of the people who (1) has elected to participate in the Fund and make additional optional contributions in accordance with this Section, and (2) has attained age 55 with at least 10 years of service credit, or has attained age 60 with at least 8 years of service credit, may elect to have his retirement annuity computed as follows: 3% of the participant's salary at the time of termination of service for each of the first 8 years of service credit, plus 4% of such salary for each of the next 4 years of service credit, plus 5% of such salary for each year of service credit in excess of 12 years, subject to a maximum of 80% of such salary. To the extent such elected city officer has made additional optional contributions with respect to only a portion of his years of service credit, his retirement annuity will first be determined in accordance with this Section to the extent such additional optional contributions were made, and then in accordance with the remaining Sections of this Article.
to the extent of years of service credit with respect to which additional optional contributions were not made.

(d) In lieu of the disability benefits otherwise payable under this Article, any city officer elected by vote of the people who (1) has elected to participate in the Fund, and (2) has become permanently disabled and as a consequence is unable to perform the duties of his office, and (3) was making optional contributions in accordance with this Section at the time the disability was incurred, may elect to receive a disability annuity calculated in accordance with the formula in subsection (c). For the purposes of this subsection, such elected city officer shall be considered permanently disabled only if: (i) disability occurs while in service as an elected city officer and is of such a nature as to prevent him from reasonably performing the duties of his office at the time; and (ii) the board has received a written certification by at least 2 licensed physicians appointed by it stating that such officer is disabled and that the disability is likely to be permanent.

(e) Refunds of additional optional contributions shall be made on the same basis and under the same conditions as provided under Sections 8-168, 8-170 and 8-171. Interest shall be credited at the effective rate on the same basis and under the same conditions as for other contributions. Optional contributions shall be accounted for in a separate Elected City Officer Optional Contribution Reserve. Optional contributions under this Section shall be included in the amount of employee contributions used to compute the tax levy under Section 8-173.

(f) The effective date of this plan of optional alternative benefits and contributions shall be July 1, 1990, or the date upon which approval is received from the U.S. Internal Revenue Service, whichever is later.

The plan of optional alternative benefits and contributions shall not be available to any former city officer or employee receiving an annuity from the Fund on the effective date of the plan, unless he re-enters service as an elected city officer and renders at least 3 years of additional service after the date of re-entry. However, a person who holds office as a city officer on June 1, 1995 may elect to participate in the plan, to transfer credits into the Fund from other Articles of this Code, and to make the contributions required for prior service, until 30 days after the effective date of this amendatory Act of the 92nd General Assembly, notwithstanding the ending of his term of office prior to that effective date; in the event that the person is already receiving an annuity from this Fund or any other Article of this Code at the time of making this election, the
annuity shall be recalculated to include any increase resulting from participation in the plan, with such increase taking effect on the effective date of the election.

(g) Notwithstanding any other provision in this Section or in this Code to the contrary, any person who first becomes a city officer, as defined in this Section, on or after the effective date of this amendatory Act of the 100th General Assembly, shall not be eligible for the alternative annuity or alternative disability benefits as provided in subsections (a), (b), (c), and (d) of this Section or for the alternative survivor's benefits as provided in Section 8-243.3. Such person shall not be eligible, or be required, to make any additional contributions beyond those required of other participants under Sections 8-137, 8-174, and 8-182. The retirement annuity, disability benefits, and survivor's benefits for a person who first becomes a city officer on or after the effective date of this amendatory Act of the 100th General Assembly shall be determined pursuant to the provisions otherwise provided in this Article.

Sec. 8-244. Annuities, etc., exempt.

(a) All annuities, refunds, pensions, and disability benefits granted under this Article, shall be exempt from attachment or garnishment process and shall not be seized, taken, subjected to, detained, or levied upon by virtue of any judgment, or any process or proceeding whatsoever issued out of or by any court in this State, for the payment and satisfaction in whole or in part of any debt, damage, claim, demand, or judgment against any annuitant, pensioner, participant, refund applicant, or other beneficiary hereunder.

(b) No annuitant, pensioner, refund applicant, or other beneficiary shall have any right to transfer or assign his annuity, refund, or disability benefit or any part thereof by way of mortgage or otherwise, except that:

(1) an annuitant or pensioner who elects or has elected to participate in a non-profit group hospital care plan or group medical surgical plan may with the approval of the board and in conformity with its regulations authorize the board to withhold from the pension or annuity the current premium for such coverage and pay such premium to the organization underwriting such plan;

participants in certain public employee pension funds described in
the Illinois Pension Code, all or part of any refund which may
become payable to him in the event of his separation from service;
and

(3) the board, in its discretion, may pay to the wife of any
annuitant, pensioner, refund applicant, or disability beneficiary,
such an amount out of her husband's annuity pension, refund, or
disability benefit as any court of competent jurisdiction may order,
or such an amount as the board may consider necessary for the
support of his wife or children, or both in the event of his
disappearance or unexplained absence or of his failure to support
such wife or children.

(c) The board may retain out of any future annuity, pension, refund
or disability benefit payments, such amount, or amounts, as it may require
for the repayment of any moneys paid to any annuitant, pensioner, refund
applicant, or disability beneficiary through misrepresentation, fraud or
error. Any such action of the board shall relieve and release the board and
the fund from any liability for any moneys so withheld.

(d) Whenever an annuity or disability benefit is payable to a minor
or to a person certified by a medical doctor to be under legal disability, the
board, in its discretion and when it is in the best interest of the person
concerned, may waive guardianship proceedings and pay the annuity or
benefit to the person providing or caring for the minor or person under
legal disability.

In the event that a person certified by a medical doctor to be under
legal disability (i) has no spouse, blood relative, or other person providing
or caring for him or her, (ii) has no guardian of his or her estate, and (iii) is
confined to a Medicare approved, State certified nursing home or to a
publicly owned and operated nursing home, hospital, or mental institution,
the Board may pay any benefit due that person to the nursing home,
hospital, or mental institution, to be used for the sole benefit of the person
under legal disability.

Payment in accordance with this subsection to a person, nursing
home, hospital, or mental institution for the benefit of a minor or person
under legal disability shall be an absolute discharge of the Fund's liability
with respect to the amount so paid. Any person, nursing home, hospital, or
mental institution accepting payment under this subsection shall notify the
Fund of the death or any other relevant change in the status of the minor or
person under legal disability.

Sec. 8-244.1. Payment of annuity other than direct.

(a) The board, at the written direction and request of any annuitant, may, solely as an accommodation to such annuitant, pay the annuity due him to a bank, savings and loan association or any other financial institution insured by an agency of the federal government, for deposit to his account, or to a bank or trust company for deposit in a trust established by him for his benefit with such bank, savings and loan association or trust company, and such annuitant may withdraw such direction at any time. The board may also, in the case of any disability beneficiary or annuitant for whom no estate guardian has been appointed and who is confined in a publicly owned and operated mental institution, pay such disability benefit or annuity due such person to the superintendent or other head of such institution or hospital for deposit to such person's trust fund account maintained for him by such institution or hospital, if by law such trust fund accounts are authorized or recognized.

(b) An annuitant formerly employed by the City of Chicago may authorize the withholding of a portion of his or her annuity for payment of dues to the labor organization which formerly represented the annuitant when the annuitant was an active employee; however, no withholding shall be required under this subsection for payment to one labor organization unless a minimum of 25 annuitants authorize such withholding. The Board shall prescribe a form for the authorization of withholding of dues, release of name, social security number and address and shall provide such forms to employees, annuitants and labor organizations upon request. Amounts withheld by the Board under this subsection shall be promptly paid over to the designated organizations, indicating the names, social security numbers and addresses of annuitants on whose behalf dues were withheld.

At the request and at the expense of the labor organization that formerly represented the annuitant, the City of Chicago shall coordinate mailings no more than twice in any twelve-month period to such annuitants and the Board shall supply current annuitant addresses to the City of Chicago upon request. These mailings shall be limited to informing the annuitants of their rights under this subsection (b), the form authorizing the withholding of dues from their annuity and information supplied by the labor organization pertinent to the decision of whether to exercise the rights of this subsection. To meet this obligation, the City of Chicago shall, upon request, create and update records of all retirees for

Sec. 11-125.9 Action by Fund against third party; subrogation. In
those cases where the injury or death for which a disability or death
benefit is payable under this Article was caused under circumstances
creating a legal liability on the part of some person or entity (hereinafter
"third party") to pay damages to the employee, legal proceedings may be
taken against such third party to recover damages notwithstanding the
Fund's payment of or liability to pay disability or death benefits under this
Article. In such case, however, if the action against such third party is
brought by the injured employee or his or her personal representative and
judgment is obtained and paid, or settlement is made with such third
party, either with or without suit, from the amount received by such
employee or personal representative, then there shall be paid to the Fund
the amount of money representing the death or disability benefits paid or
to be paid to the disabled employee pursuant to the provisions of this
Article. In all circumstances where the action against a third party is
brought by the disabled employee or his or her personal representative,

the Fund shall have a claim or lien upon any recovery, by judgment or settlement, out of which the disabled employee or his or her personal representative might be compensated from such third party. The Fund may satisfy or enforce any such claim or lien only from that portion of a recovery that has been, or can be, allocated or attributed to past and future lost salary, which recovery is by judgment or settlement. The Fund's claim or lien shall not be satisfied or enforced from that portion of a recovery that has been, or can be, allocated or attributed to medical care and treatment, pain and suffering, loss of consortium, and attorney's fees and costs. Where action is brought by the disabled employee or his or her personal representative, he or she shall forthwith notify the Fund, by personal service or registered mail, of such fact and of the name of the court where such suit is brought, filing proof of such notice in such action. The Fund may, at any time thereafter, intervene in such action upon its own motion. Therefore, no release or settlement of claim for damages by reason of injury to the disabled employee, and no satisfaction of judgment in such proceedings, shall be valid without the written consent of the Board of Trustees authorized by this Code to administer the Fund created under this Article, except that such consent shall be provided expeditiously following a settlement or judgment.

In the event the disabled employee or his or her personal representative has not instituted an action against a third party at a time when only 3 months remain before such action would thereafter be barred by law, the Fund may, in its own name or in the name of the personal representative, commence a proceeding against such third party seeking the recovery of all damages on account of injuries caused to the employee. From any amount so recovered, the Fund shall pay to the personal representative of such disabled employee all sums collected from such third party by judgment or otherwise in excess of the amount of disability or death benefits paid or to be paid under this Article to the disabled employee or his or her personal representative, and such costs, attorney's fees, and reasonable expenses as may be incurred by the Fund in making the collection or in enforcing such liability. The Fund's recovery shall be satisfied only from that portion of a recovery that has been, or can be, allocated or attributed to past and future lost salary, which recovery is by judgment or settlement. The Fund's recovery shall not be satisfied from that portion of the recovery that has been, or can be, allocated or attributed to medical care and treatment, pain and suffering, loss of consortium, and attorney's fees and costs. Additionally, with respect to

any right of subrogation asserted by the Fund under this Section, the Fund, in the exercise of discretion, may determine what amount from past or future salary shall be appropriate under the circumstances to collect from the recovery obtained on behalf of the disabled employee.

This Section applies only to persons who first become members or participants under this Article on or after the effective date of this amendatory Act of the 100th General Assembly.

Sec. 11-169. Financing; tax levy.

(a) Except as provided in subsection (f) of this Section, the city council of the city shall levy a tax annually upon all taxable property in the city at the rate that will produce a sum which, when added to the amounts deducted from the salaries of the employees or otherwise contributed by them and the amounts deposited under subsection (f), will be sufficient for the requirements of this Article. For the years prior to the year 1950 the tax rate shall be as provided for under "The 1935 Act". Beginning with the year 1950 to and including the year 1969 such tax shall be not more than .036% annually of the value, as equalized or assessed by the Department of Revenue, of all taxable property within such city. Beginning with the year 1970 and each year thereafter through levy year 2016, the city shall levy a tax annually at a rate on the dollar of the value, as equalized or assessed by the Department of Revenue of all taxable property within such city that will produce, when extended, not to exceed an amount equal to the total amount of contributions by the employees to the fund made in the calendar year 2 years prior to the year for which the annual applicable tax is levied, multiplied by 1.1 for the years 1970, 1971 and 1972; 1.145 for the year 1973; 1.19 for the year 1974; 1.235 for the year 1975; 1.280 for the year 1976; 1.325 for the year 1977; 1.370 for the years 1978 through 1998; and 1.000 for the year 1999 and for each year thereafter through levy year 2016. Beginning in levy year 2017, and in each year thereafter, the levy shall not exceed the amount of the city's total required contribution to the Fund for the next payment year, as determined under subsection (a-5). For the purposes of this Section, the payment year is the year immediately following the levy year.

The tax shall be levied and collected in like manner with the general taxes of the city, and shall be exclusive of and in addition to the amount of tax the city is now or may hereafter be authorized to levy for

general purposes under any laws which may limit the amount of tax which the city may levy for general purposes. The county clerk of the county in which the city is located, in reducing tax levies under the provisions of any Act concerning the levy and extension of taxes, shall not consider the tax herein provided for as a part of the general tax levy for city purposes, and shall not include the same within any limitation of the per cent of the assessed valuation upon which taxes are required to be extended for such city.

Revenues derived from such tax shall be paid to the city treasurer of the city as collected and held by the city treasurer for the benefit of the fund.

If the payments on account of taxes are insufficient during any year to meet the requirements of this Article, the city may issue tax anticipation warrants against the current tax levy.

The city may continue to use other lawfully available funds in lieu of all or part of the levy, as provided under subsection (f) of this Section.

(a-5) (1) Beginning in payment year 2018, the city's required annual contribution to the Fund for payment years 2018 through 2022 shall be: for 2018, $36,000,000; for 2019, $48,000,000; for 2020, $60,000,000; for 2021, $72,000,000; and for 2022, $84,000,000.

(2) For payment years 2023 through 2058, the city's required annual contribution to the Fund shall be the amount determined by the Fund to be equal to the sum of (i) the city's portion of projected normal cost for that fiscal year, plus (ii) an amount determined on a level percentage of applicable employee payroll basis that is sufficient to bring the total actuarial assets of the Fund up to 90% of the total actuarial liabilities of the Fund by the end of 2058.

(3) For payment years after 2058, the city's required annual contribution to the Fund shall be equal to the amount, if any, needed to bring the total actuarial assets of the Fund up to 90% of the total actuarial liabilities of the Fund as of the end of the year. In making the determinations under paragraphs (2) and (3) of this subsection, the actuarial calculations shall be determined under the entry age normal actuarial cost method, and any actuarial gains or losses from investment return incurred in a fiscal year shall be recognized in equal annual amounts over the 5-year period following the fiscal year.

To the extent that the city's contribution for any of the payment years referenced in this subsection is made with property taxes, those

property taxes shall be levied, collected, and paid to the Fund in a like manner with the general taxes of the city.

(a-10) If the city fails to transmit to the Fund contributions required of it under this Article by December 31 of the year in which such contributions are due, the Fund may, after giving notice to the city, certify to the State Comptroller the amounts of the delinquent payments, and the Comptroller must, beginning in payment year 2018, deduct and deposit into the Fund the certified amounts or a portion of those amounts from the following proportions of grants of State funds to the city:

1. In payment year 2018, one-third of the total amount of any grants of State funds to the city;
2. In payment year 2019, two-thirds of the total amount of any grants of State funds to the city; and
3. In payment year 2020 and each payment year thereafter, the total amount of any grants of State funds to the city. The State Comptroller may not deduct from any grants of State funds to the city more than the amount of delinquent payments certified to the State Comptroller by the Fund.

(b) On or before July 1, 2017, and each July 1 thereafter January 10, annually, the board shall certify to notify the city council the annual amounts required under of the requirement of this Article, for which that the tax herein provided shall be levied for the following that current year. The board shall compute the amounts necessary for the purposes of this fund to be credited to the reserves established and maintained as herein provided, and shall make an annual determination of the amount of the required city contributions; and certify the results thereof to the city council.

(c) In respect to employees of the city who are transferred to the employment of a park district by virtue of "Exchange of Functions Act of 1957" the corporate authorities of the park district shall annually levy a tax upon all the taxable property in the park district at such rate per cent of the value of such property, as equalized or assessed by the Department of Revenue, as shall be sufficient, when added to the amounts deducted from their salaries and otherwise contributed by them, to provide the benefits to which they and their dependents and beneficiaries are entitled under this Article. The city shall not levy a tax hereunder in respect to such employees.

The tax so levied by the park district shall be in addition to and exclusive of all other taxes authorized to be levied by the park district for

corporate, annuity fund, or other purposes. The county clerk of the county in which the park district is located, in reducing any tax levied under the provisions of any Act concerning the levy and extension of taxes shall not consider such tax as part of the general tax levy for park purposes, and shall not include the same in any limitation of the per cent of the assessed valuation upon which taxes are required to be extended for the park district. The proceeds of the tax levied by the park district, upon receipt by the district, shall be immediately paid over to the city treasurer of the city for the uses and purposes of the fund.

The various sums to be contributed by the city and allocated for the purposes of this Article, and any interest to be contributed by the city, shall be taken from the revenue derived from the taxes authorized in this Section, and no money of such city derived from any source other than the levy and collection of those taxes or the sale of tax anticipation warrants in accordance with the provisions of this Article shall be used to provide revenue for this Article, except as expressly provided in this Section.

If it is not possible for the city to make contributions for age and service annuity and widow's annuity concurrently with the employee's contributions made for such purposes, such city shall make such contributions as soon as possible and practicable thereafter with interest thereon at the effective rate to the time they shall be made.

(d) With respect to employees whose wages are funded as participants under the Comprehensive Employment and Training Act of 1973, as amended (P.L. 93-203, 87 Stat. 839, P.L. 93-567, 88 Stat. 1845), hereinafter referred to as CETA, subsequent to October 1, 1978, and in instances where the board has elected to establish a manpower program reserve, the board shall compute the amounts necessary to be credited to the manpower program reserves established and maintained as herein provided, and shall make a periodic determination of the amount of required contributions from the City to the reserve to be reimbursed by the federal government in accordance with rules and regulations established by the Secretary of the United States Department of Labor or his designee, and certify the results thereof to the City Council. Any such amounts shall become a credit to the City and will be used to reduce the amount which the City would otherwise contribute during succeeding years for all employees.

(e) In lieu of establishing a manpower program reserve with respect to employees whose wages are funded as participants under the Comprehensive Employment and Training Act of 1973, as authorized by

subsection (d), the board may elect to establish a special municipality contribution rate for all such employees. If this option is elected, the City shall contribute to the Fund from federal funds provided under the Comprehensive Employment and Training Act program at the special rate so established and such contributions shall become a credit to the City and be used to reduce the amount which the City would otherwise contribute during succeeding years for all employees.

(f) In lieu of levying all or a portion of the tax required under this Section in any year, the city may deposit with the city treasurer no later than March 1 of that year for the benefit of the fund, to be held in accordance with this Article, an amount that, together with the taxes levied under this Section for that year, is not less than the amount of the city contributions for that year as certified by the board to the city council. The deposit may be derived from any source legally available for that purpose, including, but not limited to, the proceeds of city borrowings. The making of a deposit shall satisfy fully the requirements of this Section for that year to the extent of the amounts so deposited. Amounts deposited under this subsection may be used by the fund for any of the purposes for which the proceeds of the tax levied by the city under this Section may be used, including the payment of any amount that is otherwise required by this Article to be paid from the proceeds of that tax.

Beginning with the first pay period on or after the date when the funded ratio of the fund is first determined to have reached the 90% funding goal, and each pay period thereafter for as long as the fund maintains a funding ratio of 75% or more, employee contributions for age and service annuity for those employees who made the election under item (i) of subsection (d-10) of Section 1-160 shall be 5.5% of each payment of salary. If the funding ratio falls below 75%, then employee contributions for age and service annuity for those employees who made the election under item (i) of subsection (d-10) shall revert to the lesser of: (A) the total normal cost, calculated using the entry age normal actuarial method, projected for that fiscal year for the benefits and expenses of the plan of benefits applicable to those members and participants who first became members or participants on or after the effective date of this amendatory Act of the 100th General Assembly and to those employees who made the election under item (i) of subsection (d-10) of Section 1-160, but not less than 6.5% of each payment of salary combined with the employee contributions provided for in subsection (b) of Section 11-134.1 and Section 11-174 of this Article; or (B) the aggregate employee contribution consisting of 9.5% of each payment of salary combined with the employee contributions provided for in subsection (b) of Section 11-134.1 and 11-174 of this Article. An employee who made the election under item (ii) of subsection (d-10) of Section 1-160 shall continue to have the contributions for age and service annuity determined under subsection (a) of this Section.

If contributions are reduced to less than the aggregate employee contribution described in item (ii) or item (B) of this subsection due to application of the normal cost criterion, the employee contribution amount shall be consistent from July 1 of the fiscal year through June 30 of that fiscal year.

The normal cost, for the purposes of this subsection (a-5) and subsection (a-10), shall be calculated by an independent enrolled actuary mutually agreed upon by the fund and the City. The fees and expenses of the independent actuary shall be the responsibility of the City. For purposes of this subsection (a-5), the fund and the City shall both be considered to be the clients of the actuary, and the actuary shall utilize participant data and actuarial standards to calculate the normal cost. The fund shall provide information that the actuary requests in order to calculate the applicable normal cost.

(a-10) For each employee who on or after the effective date of this amendatory Act of the 100th General Assembly first becomes a member or participant under this Article, 9.5% of each payment of salary shall be contributed to the fund as a deduction from salary for age and service annuity. Beginning January 1, 2018 and each year thereafter, employee contributions for each employee subject to this subsection (a-10) shall be the lesser of: (i) the total normal cost, calculated using the entry age normal actuarial method, projected for that fiscal year for the benefits and expenses of the plan of benefits applicable to those members and participants who first become members or participants on or after the effective date of this amendatory Act of the 100th General Assembly and to those employees who made the election under item (i) of subsection (d-10) of Section 1-160, but not less than 6.5% of each payment of salary combined with the employee contributions provided for in subsection (b) of Section 11-134.1 and Section 11-174 of this Article; or (ii) the aggregate employee contribution consisting of 9.5% of each payment of salary combined with the employee contributions provided for in subsection (b) of Section 11-134.1 and Section 11-174 of this Article.

Beginning with the first pay period on or after the date when the funded ratio of the fund is first determined to have reached the 90%
funding goal, and each pay period thereafter for as long as the fund maintains a funding ratio of 75% or more, employee contributions for age and service annuity for each employee subject to this subsection (a-10) shall be 5.5% of each payment of salary. If the funding ratio falls below 75%, then employee contributions for age and service annuity for each employee subject to this subsection (a-10) shall revert to the lesser of: (A) the total normal cost, calculated using the entry age normal actuarial method, projected for that fiscal year for the benefits and expenses of the plan of benefits applicable to those members and participants who first become members or participants on or after the effective date of this amendatory Act of the 100th General Assembly and to those employees who made the election under item (i) of subsection (d-10) of Section 1-160, but not less than 6.5% of each payment of salary combined with the employee contributions provided for in subsection (b) of Section 11-134.1 and Section 11-174 of this Article; or (B) the aggregate employee contribution consisting of 9.5% of each payment of salary combined with the employee contributions provided for in subsection (b) of Section 11-134.1 and Section 11-174 of this Article. If the fund once again is determined to have reached a funding ratio of 75%, the 5.5% of salary contribution for age and service annuity shall resume.

If contributions are reduced to less than the aggregate employee contribution described in item (ii) or item (B) of this subsection (a-10) due to application of the normal cost criterion, the employee contribution amount shall be consistent from July 1 of the fiscal year through June 30 of that fiscal year.

Such deductions beginning on the effective date and prior to June 30, 1947, inclusive shall be made for a future entrant while he is in service until he attains age 65, and for a present employee while he is in service until the amount so deducted from his salary with interest at the rate of 4% per annum shall be equal to the sum which would have accumulated to his credit from sums deducted from his salary if deductions at the rate herein stated had been made during his entire service until he attained age 65 with interest at 4% per annum for the period subsequent to his attainment of age 65. Such deductions beginning July 1, 1947 shall be made and continued for employees while in the service.

(b) (Blank). Concurrently with each employee contribution, the city shall contribute beginning on the effective date and prior to July 1, 1947, 5 3/4% and beginning July 1, 1947 and prior to July 1, 1953, 7%; and
beginning July 1, 1953, 6% of each payment of such salary until the employee attains age 65.

(c) Each employee contribution made prior to the date age and service annuity for an employee is fixed and each corresponding city contribution shall be allocated to the account of and credited to the employee for whose benefit it is made.

(d) Notwithstanding Section 1-103.1, the changes to this Section made by this amendatory Act of the 100th General Assembly apply regardless of whether the employee was in active service on or after the effective date of this amendatory Act.

The board may also, in the case of any disability beneficiary or annuitant for whom no estate guardian has been appointed and who is confined in a publicly owned and operated mental institution, pay such disability benefit or annuity due such person to the superintendent or other head of such institution or hospital for deposit to such person's trust fund account maintained for him or her by such institution or hospital, if by law such trust fund accounts are authorized or recognized.

This subsection (5) shall not be construed as permitting the payment of travel expenses unless calculated in accordance with the applicable travel regulations of the Department of Central Management Services, as approved by the Governor's Travel Control Board. The Director as part of such order or decision shall require all assessments for hearing officer fees and court reporter fees, if any, to be paid directly to the hearing officer or court reporter by the party(s) assessed for such costs. In the case of any series of Bonds bearing interest at a variable interest rate ("Variable Rate Bonds"), in lieu of determining the rate or rates at which such series of Variable Rate Bonds shall bear interest and the price or prices at which such Variable Rate Bonds shall be initially sold or remarketed (in the event of purchase and subsequent resale), the Bond Sale Order may provide that such interest rates and prices may vary from time to time depending on criteria established in such Bond Sale Order, which criteria may include, without limitation, references to indices or variations in interest rates as may, in the judgment of a remarketing agent, be necessary to cause Variable Rate Bonds of such series to be remarketable from time to time at a price equal to their principal amount, and may provide for appointment of a bank, trust company, investment bank, or other financial institution to serve as remarketing agent in that connection. The Bond Sale Order may provide that alternative interest rates or provisions for establishing alternative interest rates, different security or claim priorities, or different call or amortization provisions will apply during such times as Variable Rate Bonds of any series are held by a person providing credit or liquidity enhancement arrangements for such Bonds as authorized in subsection (b) of this Section. The Bond Sale Order may also provide for such variable interest rates to be established pursuant to a process generally known as an auction rate process and may provide for appointment of one or more financial institutions to serve as auction agents and broker-dealers in connection with the establishment of such interest rates and the sale and remarketing of such Bonds.

(b) In connection with the issuance of any series of Bonds, the State may enter into arrangements to provide additional security and liquidity for such Bonds, including, without limitation, bond or interest rate insurance or letters of credit, lines of credit, bond purchase contracts, or other arrangements whereby funds are made available to retire or purchase Bonds, thereby assuring the ability of owners of the Bonds to sell or redeem their Bonds. The State may enter into contracts and may agree to pay fees to persons providing such arrangements, but only under circumstances where the Director of the Governor's Office of Management and Budget certifies that he or she reasonably expects the total interest paid or to be paid on the Bonds, together with the fees for the arrangements (being treated as if interest), would not, taken together, cause

the Bonds to bear interest, calculated to their stated maturity, at a rate in excess of the rate that the Bonds would bear in the absence of such arrangements.

The State may, with respect to Bonds issued or anticipated to be issued, participate in and enter into arrangements with respect to interest rate protection or exchange agreements, guarantees, or financial futures contracts for the purpose of limiting, reducing, or managing interest rate exposure. The authority granted under this paragraph, however, shall not increase the principal amount of Bonds authorized to be issued by law. The arrangements may be executed and delivered by the Director of the Governor's Office of Management and Budget on behalf of the State. Net payments for such arrangements shall constitute interest on the Bonds and shall be paid from the General Obligation Bond Retirement and Interest Fund. The Director of the Governor's Office of Management and Budget shall at least annually certify to the Governor and the State Comptroller his or her estimate of the amounts of such net payments to be included in the calculation of interest required to be paid by the State.

(c) Prior to the issuance of any Variable Rate Bonds pursuant to subsection (a), the Director of the Governor's Office of Management and Budget shall adopt an interest rate risk management policy providing that the amount of the State's variable rate exposure with respect to Bonds shall not exceed 20%. This policy shall remain in effect while any Bonds are outstanding and the issuance of Bonds shall be subject to the terms of such policy. The terms of this policy may be amended from time to time by the Director of the Governor's Office of Management and Budget but in no event shall any amendment cause the permitted level of the State's variable rate exposure with respect to Bonds to exceed 20%.

(d) "Build America Bonds" in this Section means Bonds authorized by Section 54AA of the Internal Revenue Code of 1986, as amended ("Internal Revenue Code"), and bonds issued from time to time to refund or continue to refund "Build America Bonds".

(e) Notwithstanding any other provision of this Section, Qualified School Construction Bonds shall be issued and sold from time to time, in one or more series, in such amounts and at such prices as may be directed by the Governor, upon recommendation by the Director of the Governor's Office of Management and Budget. Qualified School Construction Bonds shall be in such form (either coupon, registered or book entry), in such denominations, payable within 25 years from their date, subject to such terms of redemption with or without premium, and if the Qualified School

Qualified School Construction Bonds shall be payable at such place or places, within or without the State of Illinois, and may be made registrable as to either principal or as to both principal and interest, as shall be specified in the Bond Sale Order. Sinking fund payments set forth in this subsection shall be permitted only to the extent authorized in Section 54F of the Internal Revenue Code or as otherwise determined by the Director of the Governor's Office of Management and Budget. "Qualified School Construction Bonds" in this subsection means Bonds authorized by Section 54F of the Internal Revenue Code and for bonds issued from time to time to refund or continue to refund such "Qualified School Construction Bonds".

The maturities of the refunding Bonds shall not extend beyond the maturities of the Bonds they refund, so that for each fiscal year in the maturity schedule of a particular issue of refunding Bonds, the total amount of refunding principal maturing and redemption amounts due in that fiscal year and all prior fiscal years in that schedule shall be greater than or equal to the total amount of refunded principal and redemption amounts that had been due over that year and all prior fiscal years prior to the refunding. The Governor shall notify the State Treasurer and Comptroller of such refunding. The proceeds received from the sale of refunding Bonds shall be used for the retirement at maturity or redemption of such outstanding Bonds on any maturity or redemption date and, pending such use, shall be placed in escrow, subject to such terms and conditions as shall be provided for in the Bond Sale Order relating to the Refunding Bonds. Proceeds not needed for deposit in an escrow account shall be deposited in the General Obligation Bond Retirement and Interest Fund. This Act shall constitute an irrevocable and continuing appropriation of all amounts necessary to establish an escrow account for the purpose of refunding outstanding general obligation Bonds and to pay the reasonable expenses of such refunding and of the issuance and sale of the refunding Bonds. Any such escrowed proceeds may be invested and reinvested in direct obligations of the United States of America, maturing at such time or times as shall be appropriate to assure the prompt payment, when due, of the principal of and interest and redemption premium, if any, on the refunded Bonds. After the terms of the escrow have been fully satisfied, any remaining balance of such proceeds and interest, income and profits earned or realized on the investments thereof shall be paid into the General Revenue Fund. The liability of the State upon the Bonds shall continue, provided that the holders thereof shall thereafter be entitled to payment only out of the moneys deposited in the escrow account.

Except as otherwise herein provided in this Section, such refunding Bonds shall in all other respects be subject to the terms and conditions of this Act.

Section 25-10. The Build Illinois Bond Act is amended by changing Sections 6, 8, and 15 as follows:

Sec. 6. Conditions for Issuance and Sale of Bonds - Requirements for Bonds - Master and Supplemental Indentures - Credit and Liquidity Enhancement.

(a) Bonds shall be issued and sold from time to time, in one or more series, in such amounts and at such prices as directed by the Governor, upon recommendation by the Director of the Governor's Office of Management and Budget. Bonds shall be payable only from the specific sources and secured in the manner provided in this Act. Bonds shall be in such form, in such denominations, mature on such dates within 25 years from their date of issuance, be subject to optional or mandatory redemption, bear interest payable at such times and at such rate or rates, fixed or variable, and be dated as shall be fixed and determined by the Director of the Governor's Office of Management and Budget in an order authorizing the issuance and sale of any series of Bonds, which order shall be approved by the Governor and is herein called a "Bond Sale Order"; provided, however, that interest payable at fixed rates shall not exceed that permitted in "An Act to authorize public corporations to issue bonds, other evidences of indebtedness and tax anticipation warrants subject to interest rate limitations set forth therein", approved May 26, 1970, as now or hereafter amended, and interest payable at variable rates shall not exceed the maximum rate permitted in the Bond Sale Order. Said Bonds shall be payable at such place or places, within or without the State of Illinois, and may be made registrable as to either principal only or as to both principal and interest, as shall be specified in the Bond Sale Order. Bonds may be callable or subject to purchase and retirement or remarketing as fixed and determined in the Bond Sale Order. Bonds (i) except for refunding Bonds satisfying the requirements of Section 15 of this Act and sold during fiscal year 2009, 2010, 2011, or 2017, or 2018, must be issued with principal or mandatory redemption amounts in equal amounts, with the first maturity issued occurring within the fiscal year in which the Bonds are issued or within the next succeeding fiscal year and (ii) must mature or be subject to mandatory redemption each fiscal year thereafter up to 25 years, except for refunding Bonds satisfying the requirements of Section 15 of this Act and sold during fiscal year 2009, 2010, or 2011 which must mature or be subject to mandatory redemption each fiscal year thereafter up to 16 years.

All Bonds authorized under this Act shall be issued pursuant to a master trust indenture ("Master Indenture") executed and delivered on behalf of the State by the Director of the Governor's Office of Management and Budget, such Master Indenture to be in substantially the...
form approved in the Bond Sale Order authorizing the issuance and sale of the initial series of Bonds issued under this Act. Such initial series of Bonds may, and each subsequent series of Bonds shall, also be issued pursuant to a supplemental trust indenture ("Supplemental Indenture") executed and delivered on behalf of the State by the Director of the Governor's Office of Management and Budget, each such Supplemental Indenture to be in substantially the form approved in the Bond Sale Order relating to such series. The Master Indenture and any Supplemental Indenture shall be entered into with a bank or trust company in the State of Illinois having trust powers and possessing capital and surplus of not less than $100,000,000. Such indentures shall set forth the terms and conditions of the Bonds and provide for payment of and security for the Bonds, including the establishment and maintenance of debt service and reserve funds, and for other protections for holders of the Bonds. The term "reserve funds" as used in this Act shall include funds and accounts established under indentures to provide for the payment of principal of and premium and interest on Bonds, to provide for the purchase, retirement or defeasance of Bonds, to provide for fees of trustees, registrars, paying agents and other fiduciaries and to provide for payment of costs of and debt service payable in respect of credit or liquidity enhancement arrangements, interest rate swaps or guarantees or financial futures contracts and indexing and remarketing agents' services.

In the case of any series of Bonds bearing interest at a variable interest rate ("Variable Rate Bonds"), in lieu of determining the rate or rates at which such series of Variable Rate Bonds shall bear interest and the price or prices at which such Variable Rate Bonds shall be initially sold or remarketed (in the event of purchase and subsequent resale), the Bond Sale Order may provide that such interest rates and prices may vary from time to time depending on criteria established in such Bond Sale Order, which criteria may include, without limitation, references to indices or variations in interest rates as may, in the judgment of a remarketing agent, be necessary to cause Bonds of such series to be remarketable from time to time at a price equal to their principal amount (or compound accreted value in the case of original issue discount Bonds), and may provide for appointment of indexing agents and a bank, trust company, investment bank or other financial institution to serve as remarketing agent in that connection. The Bond Sale Order may provide that alternative interest rates or provisions for establishing alternative interest rates, different security or claim priorities or different call or amortization

provisions will apply during such times as Bonds of any series are held by a person providing credit or liquidity enhancement arrangements for such Bonds as authorized in subsection (b) of Section 6 of this Act.

(b) In connection with the issuance of any series of Bonds, the State may enter into arrangements to provide additional security and liquidity for such Bonds, including, without limitation, bond or interest rate insurance or letters of credit, lines of credit, bond purchase contracts or other arrangements whereby funds are made available to retire or purchase Bonds, thereby assuring the ability of owners of the Bonds to sell or redeem their Bonds. The State may enter into contracts and may agree to pay fees to persons providing such arrangements, but only under circumstances where the Director of the Bureau of the Budget (now Governor's Office of Management and Budget) certifies that he reasonably expects the total interest paid or to be paid on the Bonds, together with the fees for the arrangements (being treated as if interest), would not, taken together, cause the Bonds to bear interest, calculated to their stated maturity, at a rate in excess of the rate which the Bonds would bear in the absence of such arrangements. Any bonds, notes or other evidences of indebtedness issued pursuant to any such arrangements for the purpose of retiring and discharging outstanding Bonds shall constitute refunding Bonds under Section 15 of this Act. The State may participate in and enter into arrangements with respect to interest rate swaps or guarantees or financial futures contracts for the purpose of limiting or restricting interest rate risk; provided that such arrangements shall be made with or executed through banks having capital and surplus of not less than $100,000,000 or insurance companies holding the highest policyholder rating accorded insurers by A.M. Best & Co. or any comparable rating service or government bond dealers reporting to, trading with, and recognized as primary dealers by a Federal Reserve Bank and having capital and surplus of not less than $100,000,000, or other persons whose debt securities are rated in the highest long-term categories by both Moody's Investors' Services, Inc. and Standard & Poor's Corporation. Agreements incorporating any of the foregoing arrangements may be executed and delivered by the Director of the Governor's Office of Management and Budget on behalf of the State in substantially the form approved in the Bond Sale Order relating to such Bonds.

(c) "Build America Bonds" in this Section means Bonds authorized by Section 54AA of the Internal Revenue Code of 1986, as amended
("Internal Revenue Code"), and bonds issued from time to time to refund or continue to refund "Build America Bonds".

Such preventive services, which may be coordinated with other programs for the aged and monitored by area agencies on aging in cooperation with the Department, may include, but are not limited to, any or all of the following:

The Department shall establish eligibility standards for such
services. In determining the amount and nature of services for which a
person may qualify, consideration shall not be given to the value of cash,
property or other assets held in the name of the person's spouse pursuant to
a written agreement dividing marital property into equal but separate
shares or pursuant to a transfer of the person's interest in a home to his
spouse, provided that the spouse's share of the marital property is not made

Beginning January 1, 2008, the Department shall require as a

The Department shall, in conjunction with the Department of

an institution, as is provided for in federal law. Those persons no longer found to be eligible for receiving noninstitutional services due to changes in the eligibility criteria shall be given 45 days notice prior to actual termination. Those persons receiving notice of termination may contact the Department and request the determination be appealed at any time during the 45 day notice period. The target population identified for the purposes of this Section are persons age 60 and older with an identified service need. Priority shall be given to those who are at imminent risk of institutionalization. The services shall be provided to eligible persons age 60 and older to the extent that the cost of the services together with the other personal maintenance expenses of the persons are reasonably related to the standards established for care in a group facility appropriate to the person's condition. These non-institutional services, pilot projects or experimental facilities may be provided as part of or in addition to those authorized by federal law or those funded and administered by the Department of Human Services. The Departments of Human Services, Healthcare and Family Services, Public Health, Veterans' Affairs, and Commerce and Economic Opportunity and other appropriate agencies of State, federal and local governments shall cooperate with the Department on Aging in the establishment and development of the non-institutional services. The Department shall require an annual audit from all personal assistant and home care aide vendors contracting with the Department under this Section. The annual audit shall assure that each audited vendor's procedures are in compliance with Department's financial reporting guidelines requiring an administrative and employee wage and benefits cost split as defined in administrative rules. The audit is a public record under the Freedom of Information Act. The Department shall execute, relative to the nursing home prescreening project, written inter-agency agreements with the Department of Human Services and the Department of Healthcare and Family Services, to effect the following: (1) intake procedures and common eligibility criteria for those persons who are receiving non-institutional services; and (2) the establishment and development of non-institutional services in areas of the State where they are not currently available or are undeveloped. On and after July 1, 1996, all nursing home prescreenings for individuals 60 years of age or older shall be conducted by the Department.

As part of the Department on Aging's routine training of case managers and case manager supervisors, the Department may include information on family futures planning for persons who are age 60 or older.

and who are caregivers of their adult children with developmental disabilities. The content of the training shall be at the Department's discretion.

The Department is authorized to establish a system of recipient copayment for services provided under this Section, such copayment to be based upon the recipient's ability to pay but in no case to exceed the actual cost of the services provided. Additionally, any portion of a person's income which is equal to or less than the federal poverty standard shall not be considered by the Department in determining the copayment. The level of such copayment shall be adjusted whenever necessary to reflect any change in the officially designated federal poverty standard.

The Department, or the Department's authorized representative, may recover the amount of moneys expended for services provided to or in behalf of a person under this Section by a claim against the person's estate or against the estate of the person's surviving spouse, but no recovery may be had until after the death of the surviving spouse, if any, and then only at such time when there is no surviving child who is under age 21 or blind or who has a permanent and total disability. This paragraph, however, shall not bar recovery, at the death of the person, of moneys for services provided to the person or in behalf of the person under this Section to which the person was not entitled; provided that such recovery shall not be enforced against any real estate while it is occupied as a homestead by the surviving spouse or other dependent, if no claims by other creditors have been filed against the estate, or, if such claims have been filed, they remain dormant for failure of prosecution or failure of the claimant to compel administration of the estate for the purpose of payment. This paragraph shall not bar recovery from the estate of a spouse, under Sections 1915 and 1924 of the Social Security Act and Section 5-4 of the Illinois Public Aid Code, who precedes a person receiving services under this Section in death. All moneys for services paid to or in behalf of the person under this Section shall be claimed for recovery from the deceased spouse's estate. "Homestead", as used in this paragraph, means the dwelling house and contiguous real estate occupied by a surviving spouse or relative, as defined by the rules and regulations of the Department of Healthcare and Family Services, regardless of the value of the property.

(2) ensuring that care plans contain the services that eligible participants need based on the number of days in a month, not limited to specific blocks of time, as identified by the comprehensive assessment tool selected by the Department for use statewide, not to exceed the total monthly service cost maximum allowed for each service; the Department shall develop administrative rules to implement this item (2);

(3) ensuring that the participants have the right to choose the services contained in their care plan and to direct how those services are provided, based on administrative rules established by the Department;

Those persons previously not required to cost-share and who were required to cost-share effective March 1, 1992, shall continue to meet cost-share requirements on and after July 1, 1992. Beginning July 1, 1992, all clients will be required to meet eligibility, cost-share, and other requirements and will have services discontinued or altered when they fail to meet these requirements.

For the purposes of this Section, "flexible senior services" refers to services that require one-time or periodic expenditures including, but not limited to, respite care, home modification, assistive technology, housing assistance, and transportation.

The Department shall implement an electronic service verification based on global positioning systems or other cost-effective technology for the Community Care Program no later than January 1, 2014.

The Department shall require, as a condition of eligibility, enrollment in the medical assistance program under Article V of the Illinois Public Aid Code (i) beginning August 1, 2013, if the Auditor

Nothing in this paragraph shall be construed to require the Department to identify specific care coordination units.

In regard to community care providers, failure to comply with Department on Aging policies shall be cause for disciplinary action,
including, but not limited to, disqualification from serving Community Care Program clients. Each provider, upon submission of any bill or invoice to the Department for payment for services rendered, shall include a notarized statement, under penalty of perjury pursuant to Section 1-109 of the Code of Civil Procedure, that the provider has complied with all Department policies.

(f) To establish a program of services to prevent the unnecessary institutionalization of persons in need of long term care and who meet the criteria for blindness or disability as defined by the Social Security Act, thereby enabling them to remain in their own homes. Such preventive services include any or all of the following:

2. homemaker services;
3. home-delivered meals;
4. adult day care services;
5. respite care;

The Department shall establish eligibility standards for such services taking into consideration the unique economic and social needs of the population for whom they are to be provided. Such eligibility standards may be based on the recipient's ability to pay for services; provided, however, that any portion of a person's income that is equal to or less than the "protected income" level shall not be considered by the Department in determining eligibility. The "protected income" level shall be determined by the Department, shall never be less than the federal poverty standard, and shall be adjusted each year to reflect changes in the Consumer Price Index For All Urban Consumers as determined by the United States Department of Labor. The standards must provide that a person may not have more than $10,000 in assets to be eligible for the services, and the Department may increase or decrease the asset limitation by rule. The Department may not decrease the asset level below $10,000.

The services shall be provided, as established by the Department by rule, to eligible persons to prevent unnecessary or premature institutionalization, to the extent that the cost of the services, together with

the other personal maintenance expenses of the persons, are reasonably related to the standards established for care in a group facility appropriate to their condition. These non-institutional services, pilot projects or experimental facilities may be provided as part of or in addition to those authorized by federal law or those funded and administered by the Illinois Department on Aging. The Department shall set rates and fees for services in a fair and equitable manner. Services identical to those offered by the Department on Aging shall be paid at the same rate.

Personal assistants shall be paid at a rate negotiated between the State and an exclusive representative of personal assistants under a collective bargaining agreement. In no case shall the Department pay personal assistants an hourly wage that is less than the federal minimum wage. *Within 30 days after the effective date of this amendatory Act of the 100th General Assembly, the hourly wage paid to personal assistants and individual maintenance home health workers shall be increased by $0.48 per hour.*

Solely for the purposes of coverage under the Illinois Public Labor Relations Act (5 ILCS 315/), personal assistants providing services under the Department's Home Services Program shall be considered to be public employees and the State of Illinois shall be considered to be their employer as of the effective date of this amendatory Act of the 93rd General Assembly, but not before. Solely for the purposes of coverage under the Illinois Public Labor Relations Act, home care and home health workers who function as personal assistants and individual maintenance home health workers and who also provide services under the Department's Home Services Program shall be considered to be public employees, no matter whether the State provides such services through direct fee-for-service arrangements, with the assistance of a managed care organization or other intermediary, or otherwise, and the State of Illinois shall be considered to be the employer of those persons as of January 29, 2013 (the effective date of Public Act 97-1158), but not before except as otherwise provided under this subsection (f). The State shall engage in collective bargaining with an exclusive representative of home care and home health workers who function as personal assistants and individual maintenance home health workers working under the Home Services Program concerning their terms and conditions of employment that are within the State's control. The Department shall execute, relative to nursing home prescreening, as authorized by Section 4.03 of the Illinois Act on the Aging, written inter-agency agreements with the Department on Aging and the Department of Healthcare and Family Services, to effect the intake procedures and eligibility criteria for those persons who may need long term care. On and after July 1, 1996, all nursing home prescreenings for individuals 18 through 59 years of age shall be conducted by the Department, or a designee of the Department.

The Department is authorized to establish a system of recipient cost-sharing for services provided under this Section. The cost-sharing shall be based upon the recipient's ability to pay for services, but in no case shall the recipient's share exceed the actual cost of the services provided. Protected income shall not be considered by the Department in its determination of the recipient's ability to pay a share of the cost of services. The level of cost-sharing shall be adjusted each year to reflect changes in the "protected income" level. The Department shall deduct from the recipient's share of the cost of services any money expended by the recipient for disability-related expenses.

To the extent permitted under the federal Social Security Act, the Department, or the Department's authorized representative, may recover the amount of moneys expended for services provided to or in behalf of a person under this Section by a claim against the person's estate or against the estate of the person's surviving spouse, but no recovery may be had until after the death of the surviving spouse, if any, and then only at such time when there is no surviving child who is under age 21 or blind or who has a permanent and total disability. This paragraph, however, shall not

the person or in behalf of the person under this Section to which the
person was not entitled; provided that such recovery shall not be enforced
against any real estate while it is occupied as a homestead by the surviving
spouse or other dependent, if no claims by other creditors have been filed
against the estate, or, if such claims have been filed, they remain dormant
for failure of prosecution or failure of the claimant to compel

shall not bar recovery from the estate of a spouse, under Sections 1915 and
1924 of the Social Security Act and Section 5-4 of the Illinois Public Aid
Code, who precedes a person receiving services under this Section in
death. All moneys for services paid to or in behalf of the person under this
Section shall be claimed for recovery from the deceased spouse's estate.
"Homestead", as used in this paragraph, means the dwelling house and
contiguous real estate occupied by a surviving spouse or relative, as
defined by the rules and regulations of the Department of Healthcare and

Governor and the General Assembly on or before March 30 each year.

The requirement for reporting to the General Assembly shall be

The Clearinghouse shall consist of at least a computerized database for the storage and retrieval of information and a separate or shared toll free telephone number for use by those seeking information from the Clearinghouse. Department offices and personnel throughout the State shall also assist in the operation of the Statewide Housing Clearinghouse. Cooperation with local, State and federal housing managers shall be sought and extended in order to frequently and promptly update the Clearinghouse's information.

(m) To assure that the names and case records of persons who received or are receiving services from the Department, including persons receiving vocational rehabilitation, home services, or other services, and those attending one of the Department's schools or other supervised facility shall be confidential and not be open to the general public. (305 ILCS 5/5-5.01a)

Sec. 5-5.01a. Supportive living facilities program. The Department shall establish and provide oversight for a program of supportive living facilities that seek to promote resident independence, dignity, respect, and well-being in the most cost-effective manner.

A supportive living facility is either a free-standing facility or a distinct physical and operational entity within a nursing facility. A supportive living facility integrates housing with health, personal care, and supportive services and is a designated setting that offers residents their own separate, private, and distinct living units.

Sites for the operation of the program shall be selected by the Department based upon criteria that may include the need for services in a geographic area, the availability of funding, and the site's ability to meet the standards.

Beginning July 1, 2014, subject to federal approval, the Medicaid rates for supportive living facilities shall be equal to the supportive living facility Medicaid rate effective on June 30, 2014 increased by 8.85%. Once the assessment imposed at Article V-G of this Code is determined to be a permissible tax under Title XIX of the Social Security Act, the Department shall increase the Medicaid rates for supportive living facilities effective on July 1, 2014 by 9.09%. The Department shall apply this increase retroactively to coincide with the imposition of the assessment in Article V-G of this Code in accordance with the approval for federal financial participation by the Centers for Medicare and Medicaid Services.

The Medicaid rates for supportive living facilities effective on July 1, 2017 must be equal to the rates in effect for supportive living facilities on June 30, 2017 increased by 2.8%.

Facilities or distinct parts of facilities which are selected as supportive living facilities and are in good standing with the Department's rules are exempt from the provisions of the Nursing Home Care Act and the Illinois Health Facilities Planning Act.

Whenever the Department determines that a refund of money paid into the County and Mass Transit District Fund should be made to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause the order to be drawn for the amount specified, and to the person named, in such notification from the Department. Such refund shall be paid by the State Treasurer out of the County and Mass Transit District Fund.

As soon as possible after the first day of each month, beginning January 1, 2011, upon certification of the Department of Revenue, the Comptroller shall order transferred, and the Treasurer shall transfer, to the STAR Bonds Revenue Fund the local sales tax increment, as defined in the Innovation Development and Economy Act, collected during the second preceding calendar month for sales within a STAR bond district and deposited into the County and Mass Transit District Fund, less 3% of that amount, which shall be transferred into the Tax Compliance and Administration Fund and shall be used by the Department, subject to appropriation, to cover the costs of the Department in administering the Innovation Development and Economy Act.

(55 ILCS 5/5-1006) (from Ch. 34, par. 5-1006)

Sec. 5-1006. Home Rule County Retailers' Occupation Tax Law. Any county that is a home rule unit may impose a tax upon all persons engaged in the business of selling tangible personal property, other than an item of tangible personal property titled or registered with an agency of this State's government, at retail in the county on the gross receipts from such sales made in the course of their business. If imposed, this tax shall only be imposed in 1/4% increments. On and after September 1, 1991, this additional tax may not be imposed on the sales of food for human consumption which is to be consumed off the premises where it is sold (other than alcoholic beverages, soft drinks and food which has been prepared for immediate consumption) and prescription and nonprescription medicines, drugs, medical appliances and insulin, urine testing materials, syringes and needles used by diabetics. The tax imposed by a home rule county pursuant to this Section and all civil penalties that may be assessed as an incident thereof shall be collected and enforced by the State Department of Revenue. The certificate of registration that is issued by the Department to a retailer under the Retailers' Occupation Tax Act shall permit the retailer to engage in a business that is taxable under any ordinance or resolution enacted pursuant to this Section without registering separately with the Department under such ordinance or resolution or under this Section. The Department shall have full power to administer and enforce this Section; to collect all taxes and penalties due hereunder; to dispose of taxes and penalties so collected in the manner hereinafter provided; and to determine all rights to credit memoranda

arising on account of the erroneous payment of tax or penalty hereunder. In the administration of, and compliance with, this Section, the Department and persons who are subject to this Section shall have the same rights, remedies, privileges, immunities, powers and duties, and be subject to the same conditions, restrictions, limitations, penalties and definitions of terms, and employ the same modes of procedure, as are prescribed in Sections 1, 1a, 1a-1, 1d, 1e, 1f, 1i, 1j, 1k, 1m, 1n, 2 through 2-65 (in respect to all provisions therein other than the State rate of tax), 4, 5, 5a, 5b, 5c, 5d, 5e, 5f, 5g, 5h, 5i, 5j, 5k, 5l, 6, 6a, 6b, 6c, 6d, 7, 8, 9, 10, 11, 12 and 13 of the Retailers' Occupation Tax Act and Section 3-7 of the Uniform Penalty and Interest Act, as fully as if those provisions were set forth herein.

No tax may be imposed by a home rule county pursuant to this Section unless the county also imposes a tax at the same rate pursuant to Section 5-1007.

Persons subject to any tax imposed pursuant to the authority granted in this Section may reimburse themselves for their seller's tax liability hereunder by separately stating such tax as an additional charge, which charge may be stated in combination, in a single amount, with State tax which sellers are required to collect under the Use Tax Act, pursuant to such bracket schedules as the Department may prescribe.

Whenever the Department determines that a refund should be made under this Section to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause the order to be drawn for the amount specified and to the person named in the notification from the Department. The refund shall be paid by the State Treasurer out of the home rule county retailers' occupation tax fund.

The Department shall forthwith pay over to the State Treasurer, ex officio, as trustee, all taxes and penalties collected hereunder.

As soon as possible after the first day of each month, beginning January 1, 2011, upon certification of the Department of Revenue, the Comptroller shall order transferred, and the Treasurer shall transfer, to the STAR Bonds Revenue Fund the local sales tax increment, as defined in the Innovation Development and Economy Act, collected under this Section during the second preceding calendar month for sales within a STAR bond district.

After the monthly transfer to the STAR Bonds Revenue Fund, on or before the 25th day of each calendar month, the Department shall prepare and certify to the Comptroller the disbursement of stated sums of

money to named counties, the counties to be those from which retailers have paid taxes or penalties hereunder to the Department during the second preceding calendar month. The amount to be paid to each county shall be the amount (not including credit memoranda) collected hereunder during the second preceding calendar month by the Department plus an amount the Department determines is necessary to offset any amounts that were erroneously paid to a different taxing body, and not including an amount equal to the amount of refunds made during the second preceding calendar month by the Department on behalf of such county, and not including any amount which the Department determines is necessary to offset any amounts which were payable to a different taxing body but were erroneously paid to the county, and not including any amounts that are transferred to the STAR Bonds Revenue Fund, less 2% of the remainder, which the Department shall transfer into the Tax Compliance and Administration Fund. The Department, at the time of each monthly disbursement to the counties, shall prepare and certify to the State Comptroller the amount to be transferred into the Tax Compliance and Administration Fund under this Section. Within 10 days after receipt, by the Comptroller, of the disbursement certification to the counties and the Tax Compliance and Administration Fund provided for in this Section to be given to the Comptroller by the Department, the Comptroller shall cause the orders to be drawn for the respective amounts in accordance with the directions contained in the certification.

In addition to the disbursement required by the preceding paragraph, an allocation shall be made in March of each year to each county that received more than $500,000 in disbursements under the preceding paragraph in the preceding calendar year. The allocation shall be in an amount equal to the average monthly distribution made to each such county under the preceding paragraph during the preceding calendar year (excluding the 2 months of highest receipts). The distribution made in March of each year subsequent to the year in which an allocation was made pursuant to this paragraph and the preceding paragraph shall be reduced by the amount allocated and disbursed under this paragraph in the preceding calendar year. The Department shall prepare and certify to the Comptroller for disbursement the allocations made in accordance with this paragraph.

Sec. 5-1006.5. Special County Retailers' Occupation Tax For Public Safety, Public Facilities, or Transportation.

(a) The county board of any county may impose a tax upon all persons engaged in the business of selling tangible personal property, other than personal property titled or registered with an agency of this State's government, at retail in the county on the gross receipts from the sales made in the course of business to provide revenue to be used exclusively for public safety, public facility, or transportation purposes in that county, if a proposition for the tax has been submitted to the electors of that county and approved by a majority of those voting on the question. If imposed, this tax shall be imposed only in one-quarter percent increments. By resolution, the county board may order the proposition to be submitted at any election. If the tax is imposed for transportation purposes for expenditures for public highways or as authorized under the Illinois Highway Code, the county board must publish notice of the existence of its long-range highway transportation plan as required or described in Section 5-301 of the Illinois Highway Code and must make the plan publicly available prior to approval of the ordinance or resolution imposing the tax. If the tax is imposed for transportation purposes for expenditures for passenger rail transportation, the county board must publish notice of the existence of its long-range passenger rail transportation plan and must make the plan publicly available prior to approval of the ordinance or resolution imposing the tax.

If a tax is imposed for public facilities purposes, then the name of the project may be included in the proposition at the discretion of the county board as determined in the enabling resolution. For example, the "XXX Nursing Home" or the "YYY Museum".

The county clerk shall certify the question to the proper election authority, who shall submit the proposition at an election in accordance with the general election law.

(1) The proposition for public safety purposes shall be in substantially the following form:

New matter indicated by italics - deletions by strikeout
"To pay for public safety purposes, shall (name of county) be authorized to impose an increase on its share of local sales taxes by (insert rate)?"

As additional information on the ballot below the question shall appear the following:
"This would mean that a consumer would pay an additional (insert amount) in sales tax for every $100 of tangible personal property bought at retail."

The county board may also opt to establish a sunset provision at which time the additional sales tax would cease being collected, if not terminated earlier by a vote of the county board. If the county board votes to include a sunset provision, the proposition for public safety purposes shall be in substantially the following form:

"To pay for public safety purposes, shall (name of county) be authorized to impose an increase on its share of local sales taxes by (insert rate) for a period not to exceed (insert number of years)?"

As additional information on the ballot below the question shall appear the following:
"This would mean that a consumer would pay an additional (insert amount) in sales tax for every $100 of tangible personal property bought at retail. If imposed, the additional tax would cease being collected at the end of (insert number of years), if not terminated earlier by a vote of the county board."

For the purposes of the paragraph, "public safety purposes" means crime prevention, detention, fire fighting, police, medical, ambulance, or other emergency services.

Votes shall be recorded as "Yes" or "No".

Beginning on the January 1 or July 1, whichever is first, that occurs not less than 30 days after May 31, 2015 (the effective date of Public Act 99-4), Adams County may impose a public safety retailers' occupation tax and service occupation tax at the rate of 0.25%, as provided in the referendum approved by the voters on April 7, 2015, notwithstanding the omission of the additional information that is otherwise required to be printed on the ballot below the question pursuant to this item (1).

(2) The proposition for transportation purposes shall be in substantially the following form:

The county board may also opt to establish a sunset provision at which time the additional sales tax would cease being collected, if not terminated earlier by a vote of the county board. If the county board votes to include a sunset provision, the proposition for transportation purposes shall be in substantially the following form:

"To pay for road improvements and other transportation purposes, shall (name of county) be authorized to impose an increase on its share of local sales taxes by (insert rate) for a period not to exceed (insert number of years)?"

As additional information on the ballot below the question shall appear the following:

If imposed, the additional tax would cease being collected at the end of (insert number of years), if not terminated earlier by a vote of the county board."

For the purposes of this paragraph, transportation purposes means construction, maintenance, operation, and improvement of public highways, any other purpose for which a county may expend funds under the Illinois Highway Code, and passenger rail transportation.

The votes shall be recorded as "Yes" or "No".

(3) The proposition for public facilities purposes shall be in substantially the following form:

For purposes of this Section, "public facilities purposes" means the acquisition, development, construction, reconstruction, rehabilitation, improvement, financing, architectural planning, and installation of capital facilities consisting of buildings, structures, and durable equipment and for the acquisition and improvement of real property and interest in real property required, or expected to be required, in connection with the public facilities, for use by the county for the furnishing of governmental services to its citizens, including but not limited to museums and nursing homes.

The votes shall be recorded as "Yes" or "No".

If a majority of the electors voting on the proposition vote in favor of it, the county may impose the tax. A county may not submit more than one proposition authorized by this Section to the electors at any one time.

This additional tax may not be imposed on the sales of food for human consumption that is to be consumed off the premises where it is sold (other than alcoholic beverages, soft drinks, and food which has been prepared for immediate consumption) and prescription and non-prescription medicines, drugs, medical appliances and insulin, urine testing materials, syringes, and needles used by diabetics. The certificate of registration that is issued by the Department to a retailer under the Retailers' Occupation Tax Act shall permit the retailer to engage in a business that is taxable without registering separately with the Department under an ordinance or resolution under this Section. The Department has full power to administer and enforce this Section, to collect all taxes and penalties due under this Section, to dispose of taxes and penalties so collected in the manner provided in this Section, and to determine all rights to credit memoranda arising on account of the erroneous payment of a tax or penalty under this Section. In the administration of and compliance with this Section, the Department and persons who are subject to this Section shall (i) have the same rights, remedies, privileges, immunities, powers, and duties, (ii) be subject to the same conditions, restrictions, limitations, penalties, and definitions of terms, and (iii) employ the same modes of procedure as are prescribed in Sections 1, 1a, 1a-1, 1d, 1e, 1f, 1i, 1j, 1k, 1m, 1n, 2 through 2-70 (in respect to all provisions contained in those Sections other than the State rate of tax), 2a, 2b, 2c, 3 (except provisions relating to transaction returns and quarter monthly payments), 4, 5, 5a, 5b, 5c, 5d, 5e, 5f, 5g, 5h, 5i, 5j, 5k, 5l, 6, 6a, 6b, 6c, 6d, 7, 8, 9, 10, 11, 11a, 12, and 13 of the Retailers' Occupation Tax Act and Section 3-7 of the Uniform Penalty and Interest Act as if those provisions were set forth in this Section.

Persons subject to any tax imposed under the authority granted in this Section may reimburse themselves for their sellers' tax liability by separately stating the tax as an additional charge, which charge may be stated in combination, in a single amount, with State tax which sellers are required to collect under the Use Tax Act, pursuant to such bracketed schedules as the Department may prescribe.

Whenever the Department determines that a refund should be made under this Section to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause the order to be drawn for the amount specified and to the person named in the notification from the Department. The refund shall be paid by the State Treasurer out of the County Public Safety or Transportation Retailers' Occupation Tax Fund.

(b) If a tax has been imposed under subsection (a), a service occupation tax shall also be imposed at the same rate upon all persons
engaged, in the county, in the business of making sales of service, who, as an incident to making those sales of service, transfer tangible personal property within the county as an incident to a sale of service. This tax may not be imposed on sales of food for human consumption that is to be consumed off the premises where it is sold (other than alcoholic beverages, soft drinks, and food prepared for immediate consumption) and prescription and non-prescription medicines, drugs, medical appliances and insulin, urine testing materials, syringes, and needles used by diabetics. Persons subject to any tax imposed under the authority granted in this subsection may reimburse themselves for their serviceman's tax liability by separately stating the tax as an additional charge, which charge may be stated in combination, in a single amount, with State tax that servicemen are authorized to collect under the Service Use Tax Act, in accordance with such bracket schedules as the Department may prescribe.
Whenever the Department determines that a refund should be made under this subsection to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause the warrant to be drawn for the amount specified, and to the person named, in the notification from the Department. The refund shall be paid by the State Treasurer out of the County Public Safety or Transportation Retailers' Occupation Fund.

Nothing in this subsection shall be construed to authorize the county to impose a tax upon the privilege of engaging in any business which under the Constitution of the United States may not be made the subject of taxation by the State.

(c) The Department shall immediately pay over to the State Treasurer, ex officio, as trustee, all taxes and penalties collected under this Section to be deposited into the County Public Safety or Transportation Retailers' Occupation Tax Fund, which shall be an unappropriated trust fund held outside of the State treasury.

After the monthly transfer to the STAR Bonds Revenue Fund, on or before the 25th day of each calendar month, the Department shall prepare and certify to the Comptroller the disbursement of stated sums of money to the counties from which retailers have paid taxes or penalties to the Department during the second preceding calendar month. The amount to be paid to each county, and deposited by the county into its special fund created for the purposes of this Section, shall be the amount (not including credit memoranda) collected under this Section during the second preceding calendar month by the Department plus an amount the Department determines is necessary to offset any amounts that were erroneously paid to a different taxing body, and not including (i) an amount equal to the amount of refunds made during the second preceding calendar month by the Department on behalf of the county, (ii) any amount that the Department determines is necessary to offset any amounts that were payable to a different taxing body but were erroneously paid to the county, and (iii) any amounts that are transferred to the STAR Bonds

Section 35-20. The Illinois Municipal Code is amended by changing Sections 8-11-1, 8-11-1.3, 8-11-1.4, 8-11-1.6, 8-11-1.7, and 8-11-5 as follows:

(65 ILCS 5/8-11-1) (from Ch. 24, par. 8-11-1)

Sec. 8-11-1. Home Rule Municipal Retailers' Occupation Tax Act. The corporate authorities of a home rule municipality may impose a tax upon all persons engaged in the business of selling tangible personal property, other than an item of tangible personal property titled or registered with an agency of this State's government, at retail in the municipality on the gross receipts from these sales made in the course of such business. If imposed, the tax shall only be imposed in 1/4% increments. On and after September 1, 1991, this additional tax may not be imposed on the sales of food for human consumption that is to be consumed off the premises where it is sold (other than alcoholic beverages, soft drinks and food that has been prepared for immediate consumption) and prescription and nonprescription medicines, drugs, medical appliances and insulin, urine testing materials, syringes and needles used by diabetics. The tax imposed by a home rule municipality under this Section and all civil penalties that may be assessed as an incident of the tax shall be collected and enforced by the State Department of Revenue. The certificate of registration that is issued by the Department to a retailer under the Retailers' Occupation Tax Act shall permit the retailer to engage in a business that is taxable under any ordinance or resolution enacted pursuant to this Section without registering separately with the Department under such ordinance or resolution or under this Section. The Department shall have full power to administer and enforce this Section; to collect all taxes and penalties due hereunder; to dispose of taxes and penalties so collected in the manner hereinafter provided; and to determine all rights to credit memoranda arising on account of the erroneous payment of tax or penalty hereunder. In the administration of, and compliance with, this Section the Department and persons who are subject to this Section shall have the same rights, remedies, privileges, immunities, powers and duties, and be subject to the same conditions, restrictions, limitations, penalties and definitions of terms, and employ the same modes of procedure, as are prescribed in Sections 1, 1a, 1d, 1e, 1f, 1i, 1j, 1k, 1m, 1n, 2 through 2-65 (in respect to all provisions therein other than the State rate of tax), 2c, 3 (except as to the disposition of taxes and penalties collected), 4, 5, 5a, 5b, 5c, 5d, 5e, 5f, 5g, 5h, 5i, 5j, 5k, 5l, 6, 6a,
6b, 6c, 6d, 7, 8, 9, 10, 11, 12 and 13 of the Retailers' Occupation Tax Act and Section 3-7 of the Uniform Penalty and Interest Act, as fully as if those provisions were set forth herein.

No tax may be imposed by a home rule municipality under this Section unless the municipality also imposes a tax at the same rate under Section 8-11-5 of this Act.

Persons subject to any tax imposed under the authority granted in this Section may reimburse themselves for their seller's tax liability hereunder by separately stating that tax as an additional charge, which charge may be stated in combination, in a single amount, with State tax which sellers are required to collect under the Use Tax Act, pursuant to such bracket schedules as the Department may prescribe.

Whenever the Department determines that a refund should be made under this Section to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause the order to be drawn for the amount specified and to the person named in the notification from the Department. The refund shall be paid by the State Treasurer out of the home rule municipal retailers' occupation tax fund.

The Department shall immediately pay over to the State Treasurer, ex officio, as trustee, all taxes and penalties collected hereunder.

As soon as possible after the first day of each month, beginning January 1, 2011, upon certification of the Department of Revenue, the Comptroller shall order transferred, and the Treasurer shall transfer, to the STAR Bonds Revenue Fund the local sales tax increment, as defined in the Innovation Development and Economy Act, collected under this Section during the second preceding calendar month for sales within a STAR bond district.

The amount to be paid to each municipality shall be the amount (not including credit memoranda) collected hereunder during the second preceding calendar month by the Department plus an amount the Department determines is necessary to offset any amounts that were erroneously paid to a different taxing body, and not including an amount equal to the amount of refunds made during the second preceding calendar month by the Department on behalf of such municipalities.

transfer into the Tax Compliance and Administration Fund. The
Department, at the time of each monthly disbursement to the
municipalities, shall prepare and certify to the State Comptroller the
amount to be transferred into the Tax Compliance and Administration
Fund under this Section. Within 10 days after receipt by the Comptroller
of the disbursement certification to the municipalities and the Tax
Compliance and Administration Fund provided for in this Section to be
given to the Comptroller by the Department, the Comptroller shall cause
the orders to be drawn for the respective amounts in accordance with the
directions contained in the certification.

In addition to the disbursement required by the preceding

procedures, an allocation shall, if requested, be made within 10 days after
January 14, 1991, and in November of 1991 and each year thereafter, to
each municipality that received more than $500,000 during the preceding

or disbursed by the Department as required by this Section. Within 10 days
after January 14, 1991, participating municipalities shall notify the
Department in writing of their intent to participate. In addition, for the
initial distribution, participating municipalities shall certify to the
Department the amounts collected by the municipality for each month
under its home rule occupation and service occupation tax during the
period July 1, 1989 through June 30, 1990. The allocation within 10 days
after January 14, 1991, shall be in an amount equal to the monthly average
of these amounts, excluding the 2 months of highest receipts. The monthly
average for the period of July 1, 1990 through June 30, 1991 will be
determined as follows: the amounts collected by the municipality under its
home rule occupation and service occupation tax during the period of July
1, 1990 through September 30, 1990, plus amounts collected by the
Department and paid to such municipality through June 30, 1991,
excluding the 2 months of highest receipts. The monthly average for each
subsequent period of July 1 through June 30 shall be an amount equal to
the monthly distribution made to each such municipality under the
preceding paragraph during this period, excluding the 2 months of highest

Retailers' Occupation Tax Act and Section 3-7 of the Uniform Penalty and
Interest Act as fully as if those provisions were set forth herein.

A tax may not be imposed by a municipality under this Section
unless the municipality also imposes a tax at the same rate under Section
8-11-1.7 of this Act.

Persons subject to any tax imposed under the authority granted in
this Section, may reimburse themselves for their seller's tax liability
hereunder by separately stating the tax as an additional charge, which
charge may be stated in combination, in a single amount, with State tax
which sellers are required to collect under the Use Tax Act, pursuant to
such bracket schedules as the Department may prescribe.

Whenever the Department determines that a refund should be made
under this Section to a claimant, instead of issuing a credit memorandum,
the Department shall notify the State Comptroller, who shall cause the
order to be drawn for the amount specified, and to the person named in the
notification from the Department. The refund shall be paid by the State
Treasurer out of the Non-Home Rule Municipal Retailers' Occupation Tax
Fund, which is hereby created.

The Department shall forthwith pay over to the State Treasurer, ex

As soon as possible after the first day of each month, beginning

the second preceding calendar month. The amount to be paid to each municipality shall be the amount (not including credit memoranda) collected hereunder during the second preceding calendar month by the Department plus an amount the Department determines is necessary to offset any amounts that were erroneously paid to a different taxing body, and not including an amount equal to the amount of refunds made during the second preceding calendar month by the Department on behalf of the municipality, and not including any amount that the Department determines is necessary to offset any amounts that were payable to a different taxing body but were erroneously paid to the municipality, and not including any amounts that are transferred to the STAR Bonds Revenue Fund, less 2% of the remainder, which the Department shall transfer into the Tax Compliance and Administration Fund. The Department, at the time of each monthly disbursement to the municipalities, shall prepare and certify to the State Comptroller the amount to be transferred into the Tax Compliance and Administration Fund under this Section. Within 10 days after receipt by the Comptroller of the disbursement certification to the municipalities and the Tax Compliance and Administration Fund provided for in this Section to be given to the Comptroller by the Department, the Comptroller shall cause the orders to be drawn for the respective amounts in accordance with the directions contained in the certification.

For the purpose of determining the local governmental unit whose tax is applicable, a retail sale by a producer of coal or other mineral mined in Illinois is a sale at retail at the place where the coal or other mineral mined in Illinois is extracted from the earth. This paragraph does not apply to coal or other mineral when it is delivered or shipped by the seller to the purchaser at a point outside Illinois so that the sale is exempt under the federal Constitution as a sale in interstate or foreign commerce.

Nothing in this Section shall be construed to authorize a municipality to impose a tax upon the privilege of engaging in any business which under the constitution of the United States may not be made the subject of taxation by this State.

When certifying the amount of a monthly disbursement to a municipality under this Section, the Department shall increase or decrease the amount by an amount necessary to offset any misallocation of previous disbursements. The offset amount shall be the amount erroneously disbursed within the previous 6 months from the time a misallocation is discovered.

Sec. 8-11-5. Home Rule Municipal Service Occupation Tax Act. The corporate authorities of a home rule municipality may impose a tax upon all persons engaged, in such municipality, in the business of making sales of service at the same rate of tax imposed pursuant to Section 8-11-1, of the selling price of all tangible personal property transferred by such servicemen either in the form of tangible personal property or in the form of real estate as an incident to a sale of service. If imposed, such tax shall only be imposed in 1/4% increments. On and after September 1, 1991, this additional tax may not be imposed on the sales of food for human consumption which is to be consumed off the premises where it is sold (other than alcoholic beverages, soft drinks and food which has been prepared for immediate consumption) and prescription and nonprescription medicines, drugs, medical appliances and insulin, urine testing materials, syringes and needles used by diabetics. The tax imposed by a home rule municipality pursuant to this Section and all civil penalties that may be assessed as an incident thereof shall be collected and enforced by the State Department of Revenue. The certificate of registration which is issued by the Department to a retailer under the Retailers' Occupation Tax Act or under the Service Occupation Tax Act shall permit such registrant to engage in a business which is taxable under any ordinance or resolution enacted pursuant to this Section without registering separately with the Department under such ordinance or resolution or under this Section. The Department shall have full power to administer and enforce this Section; to collect all taxes and penalties due hereunder; to dispose of taxes and penalties so collected in the manner hereinafter provided, and to determine all rights to credit memoranda arising on account of the erroneous payment of tax or penalty hereunder. In the administration of, and compliance with, this Section the Department and persons who are subject to this Section shall have the same rights, remedies, privileges, immunities, powers and duties, and be subject to the same conditions, restrictions, limitations, penalties and definitions of terms, and employ the same modes of procedure, as are prescribed in Sections 1a-1, 2, 2a, 3 through 3-50 (in respect to all provisions therein other than the State rate of tax), 4 (except that the reference to the State shall be to the taxing municipality), 5, 7, 8 (except that the jurisdiction to which the tax shall be
a debt to the extent indicated in that Section 8 shall be the taxing
municipality), 9 (except as to the disposition of taxes and penalties
collected, and except that the returned merchandise credit for this
municipal tax may not be taken against any State tax), 10, 11, 12 (except
the reference therein to Section 2b of the Retailers' Occupation Tax Act),
13 (except that any reference to the State shall mean the taxing
municipality), the first paragraph of Section 15, 16, 17 (except that credit
memoranda issued hereunder may not be used to discharge any State tax liability), 18, 19 and 20 of the Service Occupation Tax Act and Section 3-
7 of the Uniform Penalty and Interest Act, as fully as if those provisions
were set forth herein.

No tax may be imposed by a home rule municipality pursuant to
this Section unless such municipality also imposes a tax at the same rate
pursuant to Section 8-11-1 of this Act.

Persons subject to any tax imposed pursuant to the authority
granted in this Section may reimburse themselves for their serviceman's
tax liability hereunder by separately stating such tax as an additional
charge, which charge may be stated in combination, in a single amount,
with State tax which servicemen are authorized to collect under the
Service Use Tax Act, pursuant to such bracket schedules as the
Department may prescribe.

Whenever the Department determines that a refund should be made
under this Section to a claimant instead of issuing credit memorandum, the
Department shall notify the State Comptroller, who shall cause the order to
be drawn for the amount specified, and to the person named, in such
notification from the Department. Such refund shall be paid by the State
Treasurer out of the home rule municipal retailers' occupation tax fund.

The Department shall forthwith pay over to the State Treasurer, ex-

memoranda) collected hereunder during the second preceding calendar
month by the Department, and not including an amount equal to the
amount of refunds made during the second preceding calendar month by
the Department on behalf of such municipality, and not including any
amounts that are transferred to the STAR Bonds Revenue Fund, less 2% of
the remainder, which the Department shall transfer into the Tax
Compliance and Administration Fund. The Department, at the time of
each monthly disbursement to the municipalities, shall prepare and certify
to the State Comptroller the amount to be transferred into the Tax
Compliance and Administration Fund under this Section. Within 10 days
after receipt, by the Comptroller, of the disbursement certification to the
municipalities and the Tax Compliance and Administration Fund ;
provided for in this Section to be given to the Comptroller by the
Department, the Comptroller shall cause the orders to be drawn for the
respective amounts in accordance with the directions contained in such
certification.

In addition to the disbursement required by the preceding
paragraph and in order to mitigate delays caused by distribution
procedures, an allocation shall, if requested, be made within 10 days after
January 14, 1991, and in November of 1991 and each year thereafter, to
each municipality that received more than $500,000 during the preceding
fiscal year, (July 1 through June 30) whether collected by the municipality
or disbursed by the Department as required by this Section. Within 10 days
after January 14, 1991, participating municipalities shall notify the
Department in writing of their intent to participate. In addition, for the
initial distribution, participating municipalities shall certify to the
Department the amounts collected by the municipality for each month
under its home rule occupation and service occupation tax during the
period July 1, 1989 through June 30, 1990. The allocation within 10 days
after January 14, 1991, shall be in an amount equal to the monthly average
of these amounts, excluding the 2 months of highest receipts. Monthly
average for the period of July 1, 1990 through June 30, 1991 will be
determined as follows: the amounts collected by the municipality under its
home rule occupation and service occupation tax during the period of July
1, 1990 through September 30, 1990, plus amounts collected by the

The monthly average for each subsequent period of July 1 through June 30 shall be an amount equal to the monthly distribution made to each such municipality under the preceding paragraph during this period, excluding the 2 months of highest receipts. The distribution made in November 1991 and each year thereafter under this paragraph and the preceding paragraph shall be reduced by the amount allocated and disbursed under this paragraph in the preceding period of July 1 through June 30. The Department shall prepare and certify to the Comptroller for disbursement the allocations made in accordance with this paragraph.

Nothing in this Section shall be construed to authorize a municipality to impose a tax upon the privilege of engaging in any business which under the constitution of the United States may not be made the subject of taxation by this State.

An ordinance or resolution imposing or discontinuing a tax hereunder or effecting a change in the rate thereof shall be adopted and a certified copy thereof filed with the Department on or before the first day of June, whereupon the Department shall proceed to administer and enforce this Section as of the first day of September next following such adoption and filing. The tax imposed under this subsection and all civil penalties that may be assessed as an incident to that tax shall be collected and enforced by the Illinois Department of Revenue. The Department shall have full power to administer and enforce this subsection, to collect all taxes and penalties so collected in the manner provided in this subsection, and to determine all rights to credit memoranda arising on account of the erroneous payment of tax or penalty under this subsection. In the administration of and compliance with this subsection, the Department and persons who are subject to this subsection shall have the same rights, remedies, privileges, immunities, powers, and duties, shall be subject to the same conditions, restrictions, limitations, penalties, exclusions, exemptions, and definitions of terms, and shall employ the same modes of procedure applicable to this Retailers' Occupation Tax as are prescribed in Sections 1, 2 through 2-65 (in respect to all provisions of those Sections other than the State rate of taxes), 2c, 2h, 2i, 3 (except as to the disposition of taxes and penalties collected), 4, 5, 5a, 5b, 5c, 5d, 5e, 5f, 5g, 5i, 5j, 6, 6a, 6b, 6c, 7, 8, 9, 10, 11, 12, 13, and, until January 1, 1994, 13.5 of the Retailers' Occupation Tax Act, and, on and after January 1, 1994, all applicable provisions of the Uniform Penalty and Interest Act that are not inconsistent with this Act, as fully as if provisions contained in those Sections of the Retailers' Occupation Tax Act were set forth in this subsection.

Persons subject to any tax imposed under the authority granted in this subsection may reimburse themselves for their seller's tax liability under this subsection by separately stating that tax as an additional charge, which charge may be stated in combination, in a single amount, with State taxes that sellers are required to collect under the Use Tax Act, pursuant to bracket schedules as the Department may prescribe. The retailer filing the return shall, at the time of filing the return, pay to the Department the amount of tax imposed under this subsection, less a discount of 1.75%, which is allowed to reimburse the retailer for the expenses incurred in keeping records, preparing and filing returns, remitting the tax, and supplying data to the Department on request.

Whenever the Department determines that a refund should be made under this subsection to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who

shall cause a warrant to be drawn for the amount specified and to the person named in the notification from the Department. The refund shall be paid by the State Treasurer out of the Metropolitan Pier and Exposition Authority trust fund held by the State Treasurer as trustee for the Authority.

Nothing in this subsection authorizes the Authority to impose a tax upon the privilege of engaging in any business that under the Constitution of the United States may not be made the subject of taxation by this State.

The Department shall forthwith pay over to the State Treasurer, ex officio, as trustee for the Authority, all taxes and penalties collected under this subsection for deposit into a trust fund held outside of the State Treasury.

After the monthly transfer to the STAR Bonds Revenue Fund, on or before the 25th day of each calendar month, the Department shall prepare and certify to the Comptroller the amounts to be paid under subsection (g) of this Section, which shall be the amounts, not including credit memoranda, collected under this subsection during the second preceding calendar month by the Department, less any amounts determined by the Department to be necessary for the payment of refunds, less 2% of such balance, which sum shall be deposited by the State Treasurer into the Tax Compliance and Administration Fund in the State Treasury from which it shall be appropriated to the Department to cover the costs of the Department in administering and enforcing the provisions of this subsection, and less any amounts that are transferred to the STAR Bonds Revenue Fund. Within 10 days after receipt by the Comptroller of the certification, the Comptroller shall cause the orders to be drawn for the remaining amounts, and the Treasurer shall administer those amounts as required in subsection (g).

A certificate of registration issued by the Illinois Department of Revenue to a retailer under the Retailers' Occupation Tax Act shall permit the registrant to engage in a business that is taxed under the tax imposed
under this subsection, and no additional registration shall be required under the ordinance imposing the tax or under this subsection.

A certified copy of any ordinance imposing or discontinuing any tax under this subsection or effecting a change in the rate of that tax shall be filed with the Department, whereupon the Department shall proceed to administer and enforce this subsection on behalf of the Authority as of the first day of the third calendar month following the date of filing.

The tax authorized to be levied under this subsection may be levied within all or any part of the following described portions of the metropolitan area:

Whenever the Department determines that a refund should be made under this subsection to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause a warrant to be drawn for the amount specified and to the person named in the notification from the Department. The refund shall be paid by the State Treasurer out of the Metropolitan Pier and Exposition Authority trust fund held by the State Treasurer as trustee for the Authority.

Persons subject to any tax imposed under the authority granted in this subsection may reimburse themselves for their tax liability for that tax by separately stating that tax as an additional charge, which charge may be stated in combination, in a single amount, with State taxes imposed under the Hotel Operators' Occupation Tax Act, the municipal tax imposed under Section 8-3-13 of the Illinois Municipal Code, and the tax imposed under Section 19 of the Illinois Sports Facilities Authority Act.

The person filing the return shall, at the time of filing the return, pay to the Department the amount of tax, less a discount of 2.1% or $25 per calendar year, whichever is greater, which is allowed to reimburse the operator for the expenses incurred in keeping records, preparing and filing returns, remitting the tax, and supplying data to the Department on request.

Except as otherwise provided in this paragraph, the Department shall forthwith pay over to the State Treasurer, ex officio, as trustee for the Authority, all taxes and penalties collected under this subsection for deposit into a trust fund held outside the State Treasury. On or before the 25th day of each calendar month, the Department shall certify to the Comptroller the amounts to be paid under subsection (g) of this Section, which shall be the amounts (not including credit memoranda) collected under this subsection during the second preceding calendar month by the Department, less any amounts determined by the Department to be necessary for payment of refunds, less 2% of the remainder, which the Department shall transfer into the Tax Compliance and Administration Fund. The Department, at the time of each monthly disbursement to the Authority, shall prepare and certify to the State Comptroller the amount to be transferred into the Tax Compliance and Administration Fund under this subsection. Within 10 days after receipt by the Comptroller of the

Department's certification, the Comptroller shall cause the orders to be drawn for such amounts, and the Treasurer shall administer the amounts distributed to the Authority as required in subsection (g).

A certified copy of any ordinance imposing or discontinuing a tax under this subsection or effecting a change in the rate of that tax shall be filed with the Illinois Department of Revenue, whereupon the Department shall proceed to administer and enforce this subsection on behalf of the Authority as of the first day of the third calendar month following the date of filing.

(d) By ordinance the Authority shall, as soon as practicable after the effective date of this amendatory Act of 1991, impose a tax upon all persons engaged in the business of renting automobiles in the metropolitan area at the rate of 6% of the gross receipts from that business, except that no tax shall be imposed on the business of renting automobiles for use as taxicabs or in livery service. The tax imposed under this subsection and all civil penalties that may be assessed as an incident to that tax shall be collected and enforced by the Illinois Department of Revenue. The certificate of registration issued by the Department to a retailer under the Retailers' Occupation Tax Act or under the Automobile Renting Occupation and Use Tax Act shall permit that person to engage in a business that is taxable under any ordinance enacted under this subsection without registering separately with the Department under that ordinance or under this subsection. The Department shall have full power to administer and enforce this subsection, to collect all taxes and penalties due under this subsection, to dispose of taxes and penalties so collected in the manner provided in this subsection, and to determine all rights to credit memoranda arising on account of the erroneous payment of tax or penalty under this subsection. In the administration of and compliance with this subsection, the Department and persons who are subject to this subsection shall have the same rights, remedies, privileges, immunities, powers, and duties, be subject to the same conditions, restrictions, limitations, penalties, and definitions of terms, and employ the same modes of procedure as are prescribed in Sections 2 and 3 (in respect to all provisions of those Sections other than the State rate of tax; and in respect to the provisions of the Retailers' Occupation Tax Act referred to in those Sections, except as to the disposition of taxes and penalties collected, except for the provision allowing retailers a deduction from the tax to cover certain costs, and except that credit memoranda issued under this subsection may not be used to discharge any State tax liability) of the
Automobile Renting Occupation and Use Tax Act, as fully as if provisions contained in those Sections of that Act were set forth in this subsection.

Persons subject to any tax imposed under the authority granted in this subsection may reimburse themselves for their tax liability under this subsection by separately stating that tax as an additional charge, which charge may be stated in combination, in a single amount, with State tax that sellers are required to collect under the Automobile Renting Occupation and Use Tax Act, pursuant to bracket schedules as the Department may prescribe.

Whenever the Department determines that a refund should be made under this subsection to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause a warrant to be drawn for the amount specified and to the person named in the notification from the Department. The refund shall be paid by the State Treasurer out of the Metropolitan Pier and Exposition Authority trust fund held by the State Treasurer as trustee for the Authority.

Except as otherwise provided in this paragraph, the Department shall forthwith pay over to the State Treasurer, ex officio, as trustee, all taxes and penalties collected under this subsection for deposit into a trust fund held outside the State Treasury. On or before the 25th day of each calendar month, the Department shall certify to the Comptroller the amounts to be paid under subsection (g) of this Section (not including credit memoranda) collected under this subsection during the second preceding calendar month by the Department, less any amount determined by the Department to be necessary for payment of refunds, less 2% of the remainder, which the Department shall transfer into the Tax Compliance and Administration Fund. The Department, at the time of each monthly disbursement to the Authority, shall prepare and certify to the State Comptroller the amount to be transferred into the Tax Compliance and Administration Fund under this subsection. Within 10 days after receipt by the Comptroller of the Department's certification, the Comptroller shall cause the orders to be drawn for such amounts, and the Treasurer shall administer the amounts distributed to the Authority as required in subsection (g).

(e) By ordinance the Authority shall, as soon as practicable after the effective date of this amendatory Act of 1991, impose a tax upon the privilege of using in the metropolitan area an automobile that is rented from a rentor outside Illinois and is titled or registered with an agency of this State's government at a rate of 6% of the rental price of that automobile, except that no tax shall be imposed on the privilege of using automobiles rented for use as taxicabs or in livery service. The tax shall be collected from persons whose Illinois address for titling or registration purposes is given as being in the metropolitan area. The tax shall be collected by the Department of Revenue for the Authority. The tax must be paid to the State or an exemption determination must be obtained from the Department of Revenue before the title or certificate of registration for the property may be issued. The tax or proof of exemption may be transmitted to the Department by way of the State agency with which or State officer with whom the tangible personal property must be titled or registered if the Department and that agency or State officer determine that this procedure will expedite the processing of applications for title or registration.

The Department shall have full power to administer and enforce this subsection, to collect all taxes, penalties, and interest due under this subsection, to dispose of taxes, penalties, and interest so collected in the manner provided in this subsection, and to determine all rights to credit memoranda or refunds arising on account of the erroneous payment of tax, penalty, or interest under this subsection. metropolitan area at a rate of (i) $4 per taxi or livery vehicle departure with passengers for hire from commercial service airports in the metropolitan area, (ii) for each departure with passengers for hire from a commercial service airport in the metropolitan area in a bus or van operated by a person other than a person described in item (iii): $18 per bus or van with a capacity of 1-12 passengers, $36 per bus or van with a capacity of 13-24 passengers, and $54 per bus or van with a capacity of over 24 passengers, and (iii) for each departure with passengers for hire from a commercial service airport in the metropolitan area in a bus or van operated by a person regulated by the Interstate Commerce Commission or Illinois Commerce Commission, operating scheduled service from the airport, and charging fares on a per passenger basis: $2 per passenger for hire in each bus or van. The term "commercial service airports" means those airports receiving scheduled passenger service and enplaning more than 100,000 passengers per year.

In the ordinance imposing the tax, the Authority may provide for the administration and enforcement of the tax and the collection of the tax from persons subject to the tax as the Authority determines to be necessary or practicable for the effective administration of the tax. The Authority may enter into agreements as it deems appropriate with any governmental agency providing for that agency to act as the Authority's agent to collect the tax.

In the ordinance imposing the tax, the Authority may designate a method or methods for persons subject to the tax to reimburse themselves for the tax liability arising under the ordinance (i) by separately stating the full amount of the tax liability as an additional charge to passengers departing the airports, (ii) by separately stating one-half of the tax liability as an additional charge to both passengers departing from and to passengers arriving at the airports, or (iii) by some other method determined by the Authority.

All taxes, penalties, and interest collected under any ordinance adopted under this subsection, less any amounts determined to be necessary for the payment of refunds and less the taxes, penalties, and interest attributable to any increase in the rate of tax authorized by Public Act 96-898, shall be paid forthwith to the State Treasurer, ex officio, for deposit into a trust fund held outside the State Treasury and shall be administered by the State Treasurer as provided in subsection (g) of this Section. Treasurer as follows: 25% for deposit into the Convention Center Support Fund, to be used by the Village of Rosemont for the repair, maintenance, and improvement of the Donald E. Stephens Convention Center and for debt service on debt instruments issued for those purposes by the village and 75% to the Authority to be used for grants to an organization meeting the qualifications set out in Section 5.6 of this Act, provided the Metropolitan Pier and Exposition Authority has entered into a marketing agreement with such an organization.

(g) Amounts deposited from the proceeds of taxes imposed by the Authority under subsections (b), (c), (d), (e), and (f) of this Section and amounts deposited under Section 19 of the Illinois Sports Facilities Authority Act shall be held in a trust fund outside the State Treasury and, other than the amounts transferred into the Tax Compliance and Administration Fund under subsections (b), (c), (d), and (e), shall be administered by the Treasurer as follows:

(1) An amount necessary for the payment of refunds with respect to those taxes shall be retained in the trust fund and used for those payments.

(2) On July 20 and on the 20th of each month thereafter, provided that the amount requested in the annual certificate of the Chairman of the Authority filed under Section 8.25f of the State Finance Act has been appropriated for payment to the Authority, 1/8 of the local tax transfer amount, together with any cumulative deficiencies in the amounts transferred into the McCormick Place Expansion Project Fund under this subparagraph (2) during the fiscal year for which the certificate has been filed, shall be transferred from the trust fund into the McCormick Place Expansion Project Fund in the State treasury until 100% of the local tax transfer amount has been so transferred. "Local tax transfer amount" shall mean the amount requested in the annual certificate, minus the reduction amount. "Reduction amount" shall mean $41.7 million in fiscal year 2011, $36.7 million in fiscal year 2012, $36.7 million in fiscal year 2013, $36.7 million in fiscal year 2014, and $31.7 million in each fiscal year thereafter until 2032, provided that the reduction amount shall be reduced by (i) the amount certified by the Authority to the State Comptroller and State Treasurer under Section 8.25 of the State Finance Act, as amended, with respect to that fiscal year and (ii) in any fiscal year in which the amounts deposited in the trust fund under this Section

exceed $318.3 million, exclusive of amounts set aside for refunds and for the reserve account, one dollar for each dollar of the deposits in the trust fund above $318.3 million with respect to that year, exclusive of amounts set aside for refunds and for the reserve account.

(3) On July 20, 2010, the Comptroller shall certify to the Governor, the Treasurer, and the Chairman of the Authority the 2010 deficiency amount, which means the cumulative amount of transfers that were due from the trust fund to the McCormick Place Expansion Project Fund in fiscal years 2008, 2009, and 2010 under Section 13(g) of this Act, as it existed prior to May 27, 2010 (the effective date of Public Act 96-898), but not made. On July 20, 2011 and on July 20 of each year through July 20, 2014, the Treasurer shall calculate for the previous fiscal year the surplus revenues in the trust fund and pay that amount to the Authority. On July 20, 2015 and on July 20 of each year thereafter, as long as bonds and notes issued under Section 13.2 or bonds and notes issued to refund those bonds and notes are outstanding, the Treasurer shall calculate for the previous fiscal year the surplus revenues in the trust fund and pay one-half of that amount to the State Treasurer for deposit into the General Revenue Fund until the 2010 deficiency amount has been paid and shall pay the balance of the surplus revenues to the Authority. "Surplus revenues" means the amounts remaining in the trust fund on June 30 of the previous fiscal year (A) after the State Treasurer has set aside in the trust fund (i) amounts retained for refunds under subparagraph (1) and (ii) any amounts necessary to meet the reserve account amount and (B) after the State Treasurer has transferred from the trust fund to the General Revenue Fund 100% of any post-2010 deficiency amount. "Reserve account amount" means $15 million in fiscal year 2011 and $30 million in each fiscal year thereafter. The reserve account amount shall be set aside in the trust fund and used as a reserve to be transferred to the McCormick Place Expansion Project Fund in the event the proceeds of taxes imposed under this Section 13 are not sufficient to fund the transfer required in subparagraph (2). "Post-2010 deficiency amount" means any deficiency in transfers from the trust fund to the McCormick Place Expansion Project Fund with respect to fiscal years 2011 and thereafter. It is the intention of this subparagraph (3) that no
surplus revenues shall be paid to the Authority with respect to any year in which a post-2010 deficiency amount has not been satisfied by the Authority.

Moneys received by the Authority as surplus revenues may be used (i) for the purposes of paying debt service on the bonds and notes issued by the Authority, including early redemption of those bonds or notes, (ii) for the purposes of repair, replacement, and improvement of the grounds, buildings, and facilities of the Authority, and (iii) for the corporate purposes of the Authority in fiscal years 2011 through 2015 in an amount not to exceed $20,000,000 annually or $80,000,000 total, which amount shall be reduced $0.75 for each dollar of the receipts of the Authority in that year from any contract entered into with respect to naming rights at McCormick Place under Section 5(m) of this Act. When bonds and notes issued under Section 13.2, or bonds or notes issued to refund those bonds and notes, are no longer outstanding, the balance in the trust fund shall be paid to the Authority.

(h) The ordinances imposing the taxes authorized by this Section shall be repealed when bonds and notes issued under Section 13.2 or bonds and notes issued to refund those bonds and notes are no longer outstanding.

This tax shall be imposed only at the rate of one-tenth of one percent.

This additional tax may not be imposed on the sales of food for human consumption that is to be consumed off the premises where it is sold (other than alcoholic beverages, soft drinks, and food which has been prepared for immediate consumption) and prescription and non-prescription medicines, drugs, medical appliances, and insulin, urine testing materials, syringes, and needles used by diabetics. The Department has full power to administer and enforce this Section, to collect all taxes and penalties due under this Section, to dispose of taxes and penalties so collected in the manner provided in this Section, and to determine all rights to credit memoranda arising on account of the erroneous payment of a tax or penalty under this Section. In the administration of and compliance with this Section, the Department and persons who are subject to this Section shall (i) have the same rights, remedies, privileges, immunities, powers, and duties, (ii) be subject to the same conditions, restrictions, limitations, penalties, and definitions of terms, and (iii) employ the same modes of procedure as are prescribed in Sections 1, 1a, 1a-1, 1d, 1e, 1f, 1i, 1j, 1k, 1m, 1n, 2, 2-5, 2-5.5, 2-10 (in respect to all provisions contained in those Sections other than the State rate of tax), 2-12, 2-15 through 2-70, 2a, 2b, 2c, 3 (except provisions relating to transaction returns and quarter monthly payments), 4, 5, 5a, 5b, 5c, 5d, 5e, 5f, 5g, 5h, 5i, 5j, 5k, 5l, 6, 6a, 6b, 6c, 6d, 7, 8, 9, 10, 11, 11a, 12, and 13 of the Retailers' Occupation Tax Act and the Uniform Penalty and Interest Act as if those provisions were set forth in this Section.

Persons subject to any tax imposed under the authority granted in this Section may reimburse themselves for their sellers' tax liability by separately stating the tax as an additional charge, which charge may be stated in combination, in a single amount, with State tax which sellers are required to collect under the Use Tax Act, pursuant to such bracketed schedules as the Department may prescribe.

Whenever the Department determines that a refund should be made under this Section to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause the order to be drawn for the amount specified and to the person named in the notification from the Department. The refund shall be paid by the State Treasurer out of the State Metro-East Park and Recreation District Fund.

(b) If a tax has been imposed under subsection (a), a service occupation tax shall also be imposed at the same rate upon all persons engaged, in the District, in the business of making sales of service, who, as an incident to making those sales of service, transfer tangible personal property within the District as an incident to a sale of service. The Department has full power to administer and enforce this subsection; to collect all taxes and penalties due hereunder; to dispose of taxes and penalties so collected in the manner hereinafter provided; and to determine all rights to credit memoranda arising on account of the erroneous payment of tax or penalty hereunder. Persons subject to any tax imposed under the authority granted in this subsection may reimburse themselves for their serviceman's tax liability by separately stating the tax as an additional charge, which charge may be stated in combination, in a single amount, with State tax that servicemen are authorized to collect under the Service Use Tax Act, in accordance with such bracket schedules as the Department may prescribe.

person named, in the notification from the Department. The refund shall be paid by the State Treasurer out of the State Metro-East Park and Recreation District Fund.

Nothing in this subsection shall be construed to authorize the board to impose a tax upon the privilege of engaging in any business which under the Constitution of the United States may not be made the subject of taxation by the State.

(c) The Department shall immediately pay over to the State Treasurer, ex officio, as trustee, all taxes and penalties collected under this Section to be deposited into the State Metro-East Park and Recreation District Fund, which shall be an unappropriated trust fund held outside of the State treasury.

As soon as possible after the first day of each month, beginning January 1, 2011, upon certification of the Department of Revenue, the Comptroller shall order transferred, and the Treasurer shall transfer, to the STAR Bonds Revenue Fund the local sales tax increment, as defined in the Innovation Development and Economy Act, collected under this Section during the second preceding calendar month for sales within a STAR bond district. The Department shall make this certification only if the Metro East Park and Recreation District imposes a tax on real property as provided in the definition of "local sales taxes" under the Innovation Development and Economy Act.

After the monthly transfer to the STAR Bonds Revenue Fund, on or before the 25th day of each calendar month, the Department shall prepare and certify to the Comptroller the disbursement of stated sums of money pursuant to Section 35 of this Act to the District from which retailers have paid taxes or penalties to the Department during the second preceding calendar month. The amount to be paid to the District shall be the amount (not including credit memoranda) collected under this Section during the second preceding calendar month by the Department plus an amount the Department determines is necessary to offset any amounts that were erroneously paid to a different taxing body, and not including (i) an amount equal to the amount of refunds made during the second preceding calendar month by the Department on behalf of the District, (ii) any amount that the Department determines is necessary to offset any amounts that were payable to a different taxing body but were erroneously paid to the District, and (iii) any amounts that are transferred to the STAR Bonds Revenue Fund, and (iv) 2% of the remainder, which the Department shall transfer into the Tax Compliance and Administration Fund. The
Department, at the time of each monthly disbursement to the District, shall prepare and certify to the State Comptroller the amount to be transferred into the Tax Compliance and Administration Fund under this subsection. Within 10 days after receipt by the Comptroller of the disbursement certification to the District and the Tax Compliance and Administration Fund provided for in this Section to be given to the Comptroller by the Department, the Comptroller shall cause the orders to be drawn for the respective amounts in accordance with directions contained in the certification.

(d) For the purpose of determining whether a tax authorized under this Section is applicable, a retail sale by a producer of coal or another mineral mined in Illinois is a sale at retail at the place where the coal or other mineral mined in Illinois is extracted from the earth. This paragraph does not apply to coal or another mineral when it is delivered or shipped by the seller to the purchaser at a point outside Illinois so that the sale is exempt under the United States Constitution as a sale in interstate or foreign commerce.

(e) Nothing in this Section shall be construed to authorize the board to impose a tax upon the privilege of engaging in any business that under the Constitution of the United States may not be made the subject of taxation by this State.

(f) An ordinance imposing a tax under this Section or an ordinance extending the imposition of a tax to an additional county or counties shall be certified by the board and filed with the Department of Revenue either (i) on or before the first day of April, whereupon the Department shall proceed to administer and enforce the tax as of the first day of July next following the filing; or (ii) on or before the first day of October, whereupon the Department shall proceed to administer and enforce the tax as of the first day of January next following the filing.

(g) When certifying the amount of a monthly disbursement to the District under this Section, the Department shall increase or decrease the amounts by an amount necessary to offset any misallocation of previous disbursements. The offset amount shall be the amount erroneously disbursed within the previous 6 months from the time a misallocation is discovered.

New matter indicated by italics - deletions by strikeout
Sec. 5.01. Metro East Mass Transit District; use and occupation taxes.

(a) The Board of Trustees of any Metro East Mass Transit District may, by ordinance adopted with the concurrence of two-thirds of the then trustees, impose throughout the District any or all of the taxes and fees provided in this Section. All taxes and fees imposed under this Section shall be used only for public mass transportation systems, and the amount used to provide mass transit service to unserved areas of the District shall be in the same proportion to the total proceeds as the number of persons residing in the unserved areas is to the total population of the District. Except as otherwise provided in this Act, taxes imposed under this Section and civil penalties imposed incident thereto shall be collected and enforced by the State Department of Revenue. The Department shall have the power to administer and enforce the taxes and to determine all rights for refunds for erroneous payments of the taxes.

(b) The Board may impose a Metro East Mass Transit District Retailers' Occupation Tax upon all persons engaged in the business of selling tangible personal property at retail in the district at a rate of 1/4 of 1%, or as authorized under subsection (d-5) of this Section, of the gross receipts from the sales made in the course of such business within the district. The tax imposed under this Section and all civil penalties that may be assessed as an incident thereof shall be collected and enforced by the State Department of Revenue. The Department shall have full power to administer and enforce this Section; to collect all taxes and penalties so collected in the manner hereinafter provided; and to determine all rights to credit memoranda arising on account of the erroneous payment of tax or penalty hereunder. In the administration of, and compliance with, this Section, the Department and persons who are subject to this Section shall have the same rights, remedies, privileges, immunities, powers and duties, and be subject to the same conditions, restrictions, limitations, penalties, exclusions, exemptions and definitions of terms and employ the same modes of procedure, as are prescribed in Sections 1, 1a, 1a-1, 1c, 1d, 1e, 1f, 1i, 1j, 2 through 2-65 (in respect to all provisions therein other than the State rate of tax), 2c, 3 (except as to the disposition of taxes and penalties collected), 4, 5, 5a, 5c, 5d, 5e, 5f, 5g, 5h, 5i, 5j, 5k, 5l, 6, 6a, 6b, 6c, 6d, 7, 8, 9, 10, 11, 12, 13, and 14 of the Retailers' Occupation Tax Act and Section 3-7 of the Uniform Penalty and Interest Act, as fully as if those provisions were set forth herein.

Persons subject to any tax imposed under the Section may reimburse themselves for their seller's tax liability hereunder by separately stating the tax as an additional charge, which charge may be stated in combination, in a single amount, with State taxes that sellers are required to collect under the Use Tax Act, in accordance with such bracket schedules as the Department may prescribe.

Whenever the Department determines that a refund should be made under this Section to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause the warrant to be drawn for the amount specified, and to the person named, in the notification from the Department. The refund shall be paid by the State Treasurer out of the Metro East Mass Transit District tax fund established under paragraph (h) of this Section.

If a tax is imposed under this subsection (b), a tax shall also be imposed under subsections (c) and (d) of this Section.

For the purpose of determining whether a tax authorized under this Section is applicable, a retail sale, by a producer of coal or other mineral mined in Illinois, is a sale at retail at the place where the coal or other mineral mined in Illinois is extracted from the earth. This paragraph does not apply to coal or other mineral when it is delivered or shipped by the seller to the purchaser at a point outside Illinois so that the sale is exempt under the Federal Constitution as a sale in interstate or foreign commerce.

No tax shall be imposed or collected under this subsection on the sale of a motor vehicle in this State to a resident of another state if that motor vehicle will not be titled in this State.

Nothing in this Section shall be construed to authorize the Metro East Mass Transit District to impose a tax upon the privilege of engaging in any business which under the Constitution of the United States may not be made the subject of taxation by this State.

(c) If a tax has been imposed under subsection (b), a Metro East Mass Transit District Service Occupation Tax shall also be imposed upon all persons engaged, in the district, in the business of making sales of service, who, as an incident to making those sales of service, transfer tangible personal property within the District, either in the form of tangible personal property or in the form of real estate as an incident to a sale of service. The tax rate shall be 1/4%, or as authorized under subsection (d-5) of this Section, of the selling price of tangible personal property so transferred within the district. collected and enforced by the State Department of Revenue. The Department shall have full power to administer and enforce this paragraph; to collect all taxes and penalties due hereunder; to dispose of taxes and penalties so collected in the manner hereinafter provided; and to determine all rights to credit memoranda arising on account of the erroneous payment of tax or penalty hereunder. In the administration of, and compliance with this paragraph, the Department and persons who are subject to this paragraph shall have the same rights, remedies, privileges, immunities, powers and duties, and be subject to the same conditions, restrictions, limitations, penalties, exclusions, exemptions and definitions of terms and employ the same modes of procedure as are prescribed in Sections 1a-1, 2 (except that the reference to State in the definition of supplier maintaining a place of business in this State shall mean the Authority), 2a, 3 through 3-50 (in respect to all provisions therein other than the State rate of tax), 4 (except that the reference to the State shall be to the Authority), 5, 7, 8 (except that the jurisdiction to which the tax shall be a debt to the extent indicated in that Section 8 shall be the District), 9 (except as to the disposition of taxes and penalties collected, and except that the returned merchandise credit for this tax may not be taken against any State tax), 10, 11, 12 (except the reference therein to Section 2b of the Retailers' Occupation Tax Act), 13 (except that any reference to the State shall mean the District), the first paragraph of Section 15, 16, 17, 18, 19 and 20 of the Service Occupation Tax Act and Section 3-7 of the Uniform Penalty and Interest Act, as fully as if those provisions were set forth herein.

Persons subject to any tax imposed under the authority granted in this paragraph may reimburse themselves for their serviceman's tax liability hereunder by separately stating the tax as an additional charge, which charge may be stated in combination, in a single amount, with State tax that servicemen are authorized to collect under the Service Use Tax Act, in accordance with such bracket schedules as the Department may prescribe.

Whenever the Department determines that a refund should be made under this paragraph to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause the warrant to be drawn for the amount specified, and to the person named, in the notification from the Department. The refund shall be paid by the State Treasurer out of the Metro East Mass Transit District tax fund established under paragraph (h) of this Section.
Nothing in this paragraph shall be construed to authorize the District to impose a tax upon the privilege of engaging in any business which under the Constitution of the United States may not be made the subject of taxation by the State.

(d) If a tax has been imposed under subsection (b), a Metro East Mass Transit District Use Tax shall also be imposed upon the privilege of using, in the district, any item of tangible personal property that is purchased outside the district at retail from a retailer, and that is titled or registered with an agency of this State's government, at a rate of 1/4%, or as authorized under subsection (d-5) of this Section, of the selling price of the tangible personal property within the District, as "selling price" is defined in the Use Tax Act. The tax shall be collected from persons whose Illinois address for titling or registration purposes is given as being in the District. The tax shall be collected by the Department of Revenue for the Metro East Mass Transit District. The tax must be paid to the State, or an exemption determination must be obtained from the Department of Revenue, before the title or certificate of registration for the property may be issued. The tax or proof of exemption may be transmitted to the Department by way of the State agency with which, or the State officer with whom, the tangible personal property must be titled or registered if the Department and the State agency or State officer determine that this procedure will expedite the processing of applications for title or registration.

The Department shall have full power to administer and enforce this paragraph; to collect all taxes, penalties and interest due hereunder; to dispose of taxes, penalties and interest so collected in the manner hereinafter provided; and to determine all rights to credit memoranda or refunds arising on account of the erroneous payment of tax, penalty or interest hereunder. In the administration of, and compliance with, this paragraph, the Department and persons who are subject to this paragraph shall have the same rights, remedies, privileges, immunities, powers and duties, and be subject to the same conditions, restrictions, limitations, penalties, exclusions, exemptions and definitions of terms and employ the same modes of procedure, as are prescribed in Sections 2 (except the definition of "retailer maintaining a place of business in this State"), 3 through 3-80 (except provisions pertaining to the State rate of tax, and except provisions concerning collection or refunding of the tax by retailers), 4, 11, 12, 12a, 14, 15, 19 (except the portions pertaining to claims by retailers and except the last paragraph concerning refunds), 20,
21 and 22 of the Use Tax Act and Section 3-7 of the Uniform Penalty and Interest Act, that are not inconsistent with this paragraph, as fully as if those provisions were set forth herein.

Whenever the Department determines that a refund should be made under this paragraph to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause the order to be drawn for the amount specified, and to the person named, in the notification from the Department. The refund shall be paid by the State Treasurer out of the Metro East Mass Transit District tax fund established under paragraph (h) of this Section.

Section 35-40. The Regional Transportation Authority Act is
amended by changing Section 4.03 as follows:
(70 ILCS 3615/4.03) (from Ch. 111 2/3, par. 704.03)
Sec. 4.03. Taxes.
(a) In order to carry out any of the powers or purposes of the
Authority, the Board may by ordinance adopted with the concurrence of 12
of the then Directors, impose throughout the metropolitan region any or all
of the taxes provided in this Section. Except as otherwise provided in this
Act, taxes imposed under this Section and civil penalties imposed incident
thereto shall be collected and enforced by the State Department of
Revenue. The Department shall have the power to administer and enforce
the taxes and to determine all rights for refunds for erroneous payments of
the taxes. Nothing in Public Act 95-708 is intended to invalidate any taxes
currently imposed by the Authority. The increased vote requirements to
impose a tax shall only apply to actions taken after January 1, 2008 (the
effective date of Public Act 95-708).

(b) The Board may impose a public transportation tax upon all
persons engaged in the metropolitan region in the business of selling at
retail motor fuel for operation of motor vehicles upon public highways.
The tax shall be at a rate not to exceed 5% of the gross receipts from the
sales of motor fuel in the course of the business. As used in this Act, the
term "motor fuel" shall have the same meaning as in the Motor Fuel Tax
Law. The Board may provide for details of the tax. The provisions of any
tax shall conform, as closely as may be practicable, to the provisions of the
Municipal Retailers Occupation Tax Act, including without limitation,

conformity to penalties with respect to the tax imposed and as to the
powers of the State Department of Revenue to promulgate and enforce
rules and regulations relating to the administration and enforcement of the
provisions of the tax imposed, except that reference in the Act to any
municipality shall refer to the Authority and the tax shall be imposed only
with regard to receipts from sales of motor fuel in the metropolitan region,
at rates as limited by this Section.

(c) In connection with the tax imposed under paragraph (b) of this
Section the Board may impose a tax upon the privilege of using in the
metropolitan region motor fuel for the operation of a motor vehicle upon
public highways, the tax to be at a rate not in excess of the rate of tax
imposed under paragraph (b) of this Section. The Board may provide for
details of the tax.

(d) The Board may impose a motor vehicle parking tax upon the
privilege of parking motor vehicles at off-street parking facilities in the
metropolitan region at which a fee is charged, and may provide for
reasonable classifications in and exemptions to the tax, for administration
and enforcement thereof and for civil penalties and refunds thereunder and
may provide criminal penalties thereunder, the maximum penalties not to
exceed the maximum criminal penalties provided in the Retailers' 
Occupation Tax Act. The Authority may collect and enforce the tax itself
or by contract with any unit of local government. The State Department of
Revenue shall have no responsibility for the collection and enforcement
unless the Department agrees with the Authority to undertake the
collection and enforcement. As used in this paragraph, the term "parking
facility" means a parking area or structure having parking spaces for more
than 2 vehicles at which motor vehicles are permitted to park in return for
an hourly, daily, or other periodic fee, whether publicly or privately
owned, but does not include parking spaces on a public street, the use of
which is regulated by parking meters.

(e) The Board may impose a Regional Transportation Authority
Retailers' Occupation Tax upon all persons engaged in the business of
selling tangible personal property at retail in the metropolitan region. In
Cook County the tax rate shall be 1.25% of the gross receipts from sales of
food for human consumption that is to be consumed off the premises
where it is sold (other than alcoholic beverages, soft drinks and food that
has been prepared for immediate consumption) and prescription and
nonprescription medicines, drugs, medical appliances and insulin, urine
testing materials, syringes and needles used by diabetics, and 1% of the

gross receipts from other taxable sales made in the course of that business. In DuPage, Kane, Lake, McHenry, and Will Counties, the tax rate shall be 0.75% of the gross receipts from all taxable sales made in the course of that business. The tax imposed under this Section and all civil penalties that may be assessed as an incident thereof shall be collected and enforced by the State Department of Revenue. The Department shall have full power to administer and enforce this Section; to collect all taxes and penalties so collected in the manner hereinafter provided; and to determine all rights to credit memoranda arising on account of the erroneous payment of tax or penalty hereunder. In the administration of, and compliance with this Section, the Department and persons who are subject to this Section shall have the same rights, remedies, privileges, immunities, powers and duties, and be subject to the same conditions, restrictions, limitations, penalties, exclusions, exemptions and definitions of terms, and employ the same modes of procedure, as are prescribed in Sections 1, 1a, 1a-1, 1c, 1d, 1e, 1f, 1i, 1j, 2 through 2-65 (in respect to all provisions therein other than the State rate of tax), 2c, 3 (except as to the disposition of taxes and penalties collected), 4, 5, 5a, 5b, 5c, 5d, 5e, 5f, 5g, 5h, 5i, 5j, 5k, 5l, 6, 6a, 6b, 6c, 6d, 7, 8, 9, 10, 11, 12 and 13 of the Retailers’ Occupation Tax Act and Section 3-7 of the Uniform Penalty and Interest Act, as fully as if those provisions were set forth herein.

Persons subject to any tax imposed under the authority granted in this Section may reimburse themselves for their seller's tax liability hereunder by separately stating the tax as an additional charge, which charge may be stated in combination in a single amount with State taxes that sellers are required to collect under the Use Tax Act, under any bracket schedules the Department may prescribe.

Whenever the Department determines that a refund should be made under this Section to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause the warrant to be drawn for the amount specified, and to the person named, in the notification from the Department. The refund shall be paid by the State Treasurer out of the Regional Transportation Authority tax fund established under paragraph (n) of this Section.

If a tax is imposed under this subsection (e), a tax shall also be imposed under subsections (f) and (g) of this Section.

mineral mined in Illinois is extracted from the earth. This paragraph does not apply to coal or other mineral when it is delivered or shipped by the seller to the purchaser at a point outside Illinois so that the sale is exempt under the Federal Constitution as a sale in interstate or foreign commerce.

No tax shall be imposed or collected under this subsection on the sale of a motor vehicle in this State to a resident of another state if that motor vehicle will not be titled in this State.

Nothing in this Section shall be construed to authorize the Regional Transportation Authority to impose a tax upon the privilege of engaging in any business that under the Constitution of the United States may not be made the subject of taxation by this State.

(f) If a tax has been imposed under paragraph (e), a Regional Transportation Authority Service Occupation Tax shall also be imposed upon all persons engaged, in the metropolitan region in the business of making sales of service, who as an incident to making the sales of service, transfer tangible personal property within the metropolitan region, either in the form of tangible personal property or in the form of real estate as an incident to a sale of service. In DuPage, Kane, Lake, McHenry and Will Counties the rate shall be 0.75% of the selling price of all tangible personal property transferred.

The tax imposed under this paragraph and all civil penalties that may be assessed as an incident thereof shall be collected and enforced by the State Department of Revenue. In the administration of and compliance with this paragraph, the Department and persons who are subject to this paragraph shall have the same rights, remedies, privileges, immunities, powers and duties, and be subject to the same conditions, restrictions, limitations, penalties, exclusions, exemptions and definitions of terms, and employ the same modes of procedure, as are prescribed in Sections 1a-1, 2, 2a, 3 through 3-50 (in respect to all provisions therein other than the State rate of tax), 4 (except that the reference to the State shall be to the Authority), 5, 7, 8 (except that the jurisdiction to which the tax shall be a debt to the extent indicated in that Section 8 shall be the Authority), 9 (except as to the disposition of taxes and penalties collected, and except that the returned merchandise credit for this tax may not be taken against any State tax), 10, 11, 12 (except the reference therein to Section 2b of the Retailers' Occupation Tax Act), 13 (except that any reference to the State shall mean the Authority), the first paragraph of Section 15, 16, 17, 18, 19 and 20 of the Service Occupation Tax Act and Section 3-7 of the Uniform Penalty and Interest Act, as fully as if those provisions were set forth herein.

Whenever the Department determines that a refund should be made under this paragraph to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause the warrant to be drawn for the amount specified, and to the person named in the notification from the Department. The refund shall be paid by the State Treasurer out of the Regional Transportation Authority tax fund established under paragraph (n) of this Section.

Nothing in this paragraph shall be construed to authorize the Authority to impose a tax upon the privilege of engaging in any business that under the Constitution of the United States may not be made the subject of taxation by the State.

(g) If a tax has been imposed under paragraph (e), a tax shall also be imposed upon the privilege of using in the metropolitan region, any item of tangible personal property that is purchased outside the metropolitan region at retail from a retailer, and that is titled or registered
with an agency of this State's government. In Cook County the tax rate shall be 1% of the selling price of the tangible personal property, as "selling price" is defined in the Use Tax Act. In DuPage, Kane, Lake, McHenry and Will counties the tax rate shall be 0.75% of the selling price of the tangible personal property, as "selling price" is defined in the Use Tax Act. The tax shall be collected from persons whose Illinois address for titling or registration purposes is given as being in the metropolitan region. The tax shall be collected by the Department of Revenue for the Regional Transportation Authority. The tax must be paid to the State, or an exemption determination must be obtained from the Department of Revenue, before the title or certificate of registration for the property may be issued. The tax or proof of exemption may be transmitted to the Department by way of the State agency with which, or the State officer with whom, the tangible personal property must be titled or registered if the Department and the State agency or State officer determine that this procedure will expedite the processing of applications for title or registration.

The Department of Revenue shall collect the tax for the Authority in accordance with Sections 3-2002 and 3-2003 of the Illinois Vehicle Code.

business that is taxed under the tax imposed under paragraphs (b), (e), (f) or (g) of this Section and no additional registration shall be required under the tax. A certificate issued under the Use Tax Act or the Service Use Tax Act shall be applicable with regard to any tax imposed under paragraph (c) of this Section.

(k) The provisions of any tax imposed under paragraph (c) of this Section shall conform as closely as may be practicable to the provisions of the Use Tax Act, including without limitation conformity as to penalties with respect to the tax imposed and as to the powers of the State Department of Revenue to promulgate and enforce rules and regulations relating to the administration and enforcement of the provisions of the tax imposed. The taxes shall be imposed only on use within the metropolitan region and at rates as provided in the paragraph.

(l) The Board in imposing any tax as provided in paragraphs (b) and (c) of this Section, shall, after seeking the advice of the State Department of Revenue, provide means for retailers, users or purchasers of motor fuel for purposes other than those with regard to which the taxes may be imposed as provided in those paragraphs to receive refunds of taxes improperly paid, which provisions may be at variance with the refund provisions as applicable under the Municipal Retailers Occupation Tax Act. The State Department of Revenue may provide for certificates of registration for users or purchasers of motor fuel for purposes other than those with regard to which taxes may be imposed as provided in paragraphs (b) and (c) of this Section to facilitate the reporting and nontaxability of the exempt sales or uses.

(m) Any ordinance imposing or discontinuing any tax under this Section shall be adopted and a certified copy thereof filed with the Department on or before June 1, whereupon the Department of Revenue shall proceed to administer and enforce this Section on behalf of the Regional Transportation Authority as of September 1 next following such adoption and filing. Beginning January 1, 1992, an ordinance or resolution imposing or discontinuing the tax hereunder shall be adopted and a certified copy thereof filed with the Department on or before the first day of July, whereupon the Department shall proceed to administer and enforce this Section as of the first day of October next following such adoption and filing. Beginning January 1, 1993, an ordinance or resolution imposing, increasing, decreasing, or discontinuing the tax hereunder shall be adopted and a certified copy thereof filed with the Department, whereupon the Department shall proceed to administer and enforce this
Section as of the first day of the first month to occur not less than 60 days following such adoption and filing. Any ordinance or resolution of the Authority imposing a tax under this Section and in effect on August 1, 2007 shall remain in full force and effect and shall be administered by the Department of Revenue under the terms and conditions and rates of tax established by such ordinance or resolution until the Department begins administering and enforcing an increased tax under this Section as authorized by Public Act 95-708. The tax rates authorized by Public Act 95-708 are effective only if imposed by ordinance of the Authority.

(n) Except as otherwise provided in this subsection (n), the State Department of Revenue shall, upon collecting any taxes as provided in this Section, pay the taxes over to the State Treasurer as trustee for the Authority. The taxes shall be held in a trust fund outside the State Treasury. On or before the 25th day of each calendar month, the State Department of Revenue shall prepare and certify to the Comptroller of the State of Illinois and to the Authority (i) the amount of taxes collected in each County other than Cook County in the metropolitan region, (ii) the amount of taxes collected within the City of Chicago, and (iii) the amount collected in that portion of Cook County outside of Chicago, each amount less the amount necessary for the payment of refunds to taxpayers located in those areas described in items (i), (ii), and (iii), and less 2% of the remainder, which shall be transferred from the trust fund into the Tax Compliance and Administration Fund. The Department, at the time of each monthly disbursement to the Authority, shall prepare and certify to the State Comptroller the amount to be transferred into the Tax Compliance and Administration Fund under this subsection. Within 10 days after receipt by the Comptroller of the certification of the amounts, the Comptroller shall cause an order to be drawn for the transfer of the amount certified into the Tax Compliance and Administration Fund and the payment of two-thirds of the amounts certified in item (i) of this subsection to the Authority and one-third of the amounts certified in item (i) of this subsection to the respective counties other than Cook County and the amount certified in items (ii) and (iii) of this subsection to the Authority.

In addition to the disbursement required by the preceding paragraph, an allocation shall be made in July 1991 and each year thereafter to the Regional Transportation Authority. The allocation shall be made in an amount equal to the average monthly distribution during the preceding calendar year (excluding the 2 months of lowest receipts) and
the allocation shall include the amount of average monthly distribution from the Regional Transportation Authority Occupation and Use Tax Replacement Fund. The distribution made in July 1992 and each year thereafter under this paragraph and the preceding paragraph shall be reduced by the amount allocated and disbursed under this paragraph in the preceding calendar year. The Department of Revenue shall prepare and certify to the Comptroller for disbursement the allocations made in accordance with this paragraph.

(o) Failure to adopt a budget ordinance or otherwise to comply with Section 4.01 of this Act or to adopt a Five-year Capital Program or otherwise to comply with paragraph (b) of Section 2.01 of this Act shall not affect the validity of any tax imposed by the Authority otherwise in conformity with law.

(p) At no time shall a public transportation tax or motor vehicle parking tax authorized under paragraphs (b), (c) and (d) of this Section be in effect at the same time as any retailers' occupation, use or service occupation tax authorized under paragraphs (e), (f) and (g) of this Section is in effect.

Any taxes imposed under the authority provided in paragraphs (b), (c) and (d) shall remain in effect only until the time as any tax authorized by paragraphs (e), (f) or (g) of this Section are imposed and becomes effective. Once any tax authorized by paragraphs (e), (f) or (g) is imposed the Board may not reimpose taxes as authorized in paragraphs (b), (c) and (d) of the Section unless any tax authorized by paragraphs (e), (f) or (g) of this Section becomes ineffective by means other than an ordinance of the Board.

(q) Any existing rights, remedies and obligations (including enforcement by the Regional Transportation Authority) arising under any tax imposed under paragraphs (b), (c) or (d) of this Section shall not be affected by the imposition of a tax under paragraphs (e), (f) or (g) of this Section.

(70 ILCS 3720/4) (from Ch. 111 2/3, par. 254)
Sec. 4. Taxes.

(a) The board of commissioners of any county water commission may, by ordinance, impose throughout the territory of the commission any
or all of the taxes provided in this Section for its corporate purposes. However, no county water commission may impose any such tax unless the commission certifies the proposition of imposing the tax to the proper election officials, who shall submit the proposition to the voters residing in the territory at an election in accordance with the general election law, and the proposition has been approved by a majority of those voting on the proposition.

The proposition shall be in the form provided in Section 5 or shall be substantially in the following form:

```
Shall the (insert corporate name of county water commission) YES impose (state type of tax or taxes to be imposed) at the NO rate of 1/4%?
```

Taxes imposed under this Section and civil penalties imposed incident thereto shall be collected and enforced by the State Department of Revenue. The Department shall have the power to administer and enforce the taxes and to determine all rights for refunds for erroneous payments of the taxes.

(b) The board of commissioners may impose a County Water Commission Retailers' Occupation Tax upon all persons engaged in the business of selling tangible personal property at retail in the territory of the commission at a rate of 1/4% of the gross receipts from the sales made in the course of such business within the territory. The tax imposed under this paragraph and all civil penalties that may be assessed as an incident thereof shall be collected and enforced by the State Department of Revenue. The Department shall have full power to administer and enforce this paragraph; to collect all taxes and penalties due hereunder; to dispose of taxes and penalties so collected in the manner hereinafter provided; and to determine all rights to credit memoranda arising on account of the erroneous payment of tax or penalty hereunder. In the administration of, and compliance with, this paragraph, the Department and persons who are subject to this paragraph shall have the same rights, remedies, privileges, immunities, powers and duties, and be subject to the same conditions, restrictions, limitations, penalties, exclusions, exemptions and definitions of terms, and employ the same modes of procedure, as are prescribed in Sections 1, 1a, 1a-1, 1c, 1d, 1e, 1f, 1i, 1j, 2 through 2-65 (in respect to all

Persons subject to any tax imposed under the authority granted in this paragraph may reimburse themselves for their seller's tax liability hereunder by separately stating the tax as an additional charge, which charge may be stated in combination, in a single amount, with State taxes that sellers are required to collect under the Use Tax Act and under subsection (e) of Section 4.03 of the Regional Transportation Authority Act, in accordance with such bracket schedules as the Department may prescribe.

Whenever the Department determines that a refund should be made under this paragraph to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause the warrant to be drawn for the amount specified, and to the person named, in the notification from the Department. The refund shall be paid by the State Treasurer out of a county water commission tax fund established under paragraph (g) of this Section.

For the purpose of determining whether a tax authorized under this paragraph is applicable, a retail sale by a producer of coal or other mineral mined in Illinois is a sale at retail at the place where the coal or other mineral mined in Illinois is extracted from the earth. This paragraph does not apply to coal or other mineral when it is delivered or shipped by the seller to the purchaser at a point outside Illinois so that the sale is exempt under the Federal Constitution as a sale in interstate or foreign commerce.

If a tax is imposed under this subsection (b) a tax shall also be imposed under subsections (c) and (d) of this Section.

No tax shall be imposed or collected under this subsection on the sale of a motor vehicle in this State to a resident of another state if that motor vehicle will not be titled in this State.

The tax rate shall be 1/4% of the selling price of tangible personal property so transferred within the territory. The refund shall be paid by the State Treasurer out of a county water commission tax fund established under paragraph (g) of this Section.

The tax shall be collected from persons whose Illinois address for titling or registration purposes is given as being in the territory. The tax shall be collected by the Department of Revenue for a county water commission. The tax must be paid to the State, or an exemption determination must be obtained from the Department of Revenue, before the title or certificate of registration for the property may be issued. The tax or proof of exemption may be transmitted to the Department by way of the State agency with which, or the State officer with whom, the tangible personal property must be titled or registered if the Department and the State agency or State officer determine that this

The Department shall have full power to administer and enforce this paragraph; to collect all taxes, penalties and interest due hereunder; to dispose of taxes, penalties and interest so collected in the manner hereinafter provided; and to determine all rights to credit memoranda or refunds arising on account of the erroneous payment of tax, penalty or interest hereunder. In the administration of, and compliance with this paragraph, the Department and persons who are subject to this paragraph shall have the same rights, remedies, privileges, immunities, powers and duties, and be subject to the same conditions, restrictions, limitations, penalties, exclusions, exemptions and definitions of terms and employ the same modes of procedure, as are prescribed in Sections 2 (except the definition of "retailer maintaining a place of business in this State"), 3 through 3-80 (except provisions pertaining to the State rate of tax, and except provisions concerning collection or refunding of the tax by retailers, and except that food for human consumption that is to be consumed off the premises where it is sold (other than alcoholic beverages, soft drinks, and food that has been prepared for immediate consumption) and prescription and nonprescription medicines, drugs, medical appliances and insulin, urine testing materials, syringes, and needles used by diabetics, for human use, shall not be subject to tax hereunder), 4, 11, 12, 12a, 14, 15, 19 (except the portions pertaining to claims by retailers and except the last paragraph concerning refunds), 20, 21 and 22 of the Use Tax Act and Section 3-7 of the Uniform Penalty and Interest Act that are not inconsistent with this paragraph, as fully as if those provisions were set forth herein.

Section 45-5. The Illinois Lottery Law is amended by reenacting and changing Section 7.12 as follows:

(20 ILCS 1605/7.12)
Sec. 7.12. Internet program.
(a) The General Assembly finds that:

(1) the consumer market in Illinois has changed since the creation of the Illinois State Lottery in 1974;

(2) the Internet has become an integral part of everyday life for a significant number of Illinois residents not only in regards to their professional life, but also in regards to personal business and communication; and

(3) the current practices of selling lottery tickets does not appeal to the new form of market participants who prefer to make purchases on the Internet at their own convenience.

It is the intent of the General Assembly to create an Internet program for the sale of lottery tickets to capture this new form of market participant.

(b) The Department shall create a program that allows an individual 18 years of age or older to purchase lottery tickets or shares on the Internet without using a Lottery retailer with on-line status, as those terms are defined by rule. The Department shall restrict the sale of lottery tickets on the Internet to transactions initiated and received or otherwise made exclusively within the State of Illinois. The Department shall adopt rules necessary for the administration of this program. These rules shall include, among other things, requirements for marketing of the Lottery to infrequent players, as well as limitations on the purchases that may be

made through any one individual's lottery account. The provisions of this Act and the rules adopted under this Act shall apply to the sale of lottery tickets or shares under this program.

Before beginning the program, the Department of the Lottery must submit a request to the United States Department of Justice for review of the State's plan to implement a program for the sale of lottery tickets on the Internet and its propriety under federal law. The Department shall implement the Internet program only if the Department of Justice does not object to the implementation of the program within a reasonable period of time after its review.

The Department is obligated to implement the program set forth in this Section and Sections 7.15 and 7.16 only at such time, and to such extent, that the Department of Justice does not object to the implementation of the program within a reasonable period of time after its review. While the Illinois Lottery may only offer Lotto, Mega Millions, and Powerball games through the program, the Department shall request review from the federal Department of Justice for the Illinois Lottery to sell lottery tickets on the Internet on behalf of the State of Illinois that are not limited to just these games.

The Department shall authorize the private manager to implement and administer the program pursuant to the management agreement entered into under Section 9.1 and in a manner consistent with the provisions of this Section. If a private manager has not been selected pursuant to Section 9.1 at the time the Department is obligated to implement the program, then the Department shall not proceed with the program until after the selection of the private manager, at which time the Department shall authorize the private manager to implement and administer the program pursuant to the management agreement entered into under Section 9.1 and in a manner consistent with the provisions of this Section.

Nothing in this Section shall be construed as prohibiting the Department from implementing and operating a website portal whereby individuals who are 18 years of age or older with an Illinois mailing address may apply to purchase lottery tickets via subscription. Nothing in this Section shall also be construed as prohibiting the sale of Lotto, Mega Millions, and Powerball games by a lottery licensee pursuant to the Department's rules.

Sec. 25. Fiscal year limitations.

(a) All appropriations shall be available for expenditure for the fiscal year or for a lesser period if the Act making that appropriation so specifies. A deficiency or emergency appropriation shall be available for expenditure only through June 30 of the year when the Act making that appropriation is enacted unless that Act otherwise provides.

(b) Outstanding liabilities as of June 30, payable from appropriations which have otherwise expired, may be paid out of the expiring appropriations during the 2-month period ending at the close of business on August 31. Any service involving professional or artistic skills or any personal services by an employee whose compensation is subject to income tax withholding must be performed as of June 30 of the fiscal year in order to be considered an "outstanding liability as of June 30" that is thereby eligible for payment out of the expiring appropriation.

(b-1) However, payment of tuition reimbursement claims under Section 14-7.03 or 18-3 of the School Code may be made by the State Board of Education from its appropriations for those respective purposes for any fiscal year, even though the claims reimbursed by the payment may be claims attributable to a prior fiscal year, and payments may be made at the direction of the State Superintendent of Education from the fund from which the appropriation is made without regard to any fiscal year limitations, except as required by subsection (j) of this Section. Beginning on June 30, 2021, payment of tuition reimbursement claims under Section 14-7.03 or 18-3 of the School Code as of June 30, payable from appropriations that have otherwise expired, may be paid out of the expiring appropriation during the 4-month period ending at the close of business on October 31.

(b-2) All outstanding liabilities as of June 30, 2010, payable from appropriations that would otherwise expire at the conclusion of the lapse period for fiscal year 2010, and interest penalties payable on those liabilities under the State Prompt Payment Act, may be paid out of the expiring appropriations until December 31, 2010, without regard to the fiscal year in which the payment is made, as long as vouchers for the liabilities are received by the Comptroller no later than August 31, 2010.

(b-2.5) All outstanding liabilities as of June 30, 2011, payable from appropriations that would otherwise expire at the conclusion of the lapse period for fiscal year 2011, and interest penalties payable on those liabilities under the State Prompt Payment Act, may be paid out of the expiring appropriations until December 31, 2011, without regard to the fiscal year in which the payment is made, as long as vouchers for the liabilities are received by the Comptroller no later than August 31, 2011.

(b-2.6) All outstanding liabilities as of June 30, 2012, payable from appropriations that would otherwise expire at the conclusion of the lapse period for fiscal year 2012, and interest penalties payable on those liabilities under the State Prompt Payment Act, may be paid out of the expiring appropriations until December 31, 2012, without regard to the fiscal year in which the payment is made, as long as vouchers for the liabilities are received by the Comptroller no later than August 31, 2012.

(b-2.6a) All outstanding liabilities as of June 30, 2017, payable from appropriations that would otherwise expire at the conclusion of the lapse period for fiscal year 2017, and interest penalties payable on those liabilities under the State Prompt Payment Act, may be paid out of the expiring appropriations until December 31, 2017, without regard to the fiscal year in which the payment is made, as long as vouchers for the liabilities are received by the Comptroller no later than September 30, 2017.

(b-2.7) For fiscal years 2012, 2013, and 2014, interest penalties payable under the State Prompt Payment Act associated with a voucher for which payment is issued after June 30 may be paid out of the next fiscal year's appropriation. The future year appropriation must be for the same purpose and from the same fund as the original payment. An interest penalty voucher submitted against a future year appropriation must be submitted within 60 days after the issuance of the associated voucher, and the Comptroller must issue the interest payment within 60 days after acceptance of the interest voucher.

(b-3) Medical payments may be made by the Department of Veterans' Affairs from its appropriations for those purposes for any fiscal year, without regard to the fact that the medical services being compensated for by such payment may have been rendered in a prior fiscal year, except as required by subsection (j) of this Section. Beginning on June 30, 2021, medical payments payable from appropriations that have otherwise expired may be paid out of the expiring appropriation during the 4-month period ending at the close of business on October 31.
(b-4) Medical payments and child care payments may be made by the Department of Human Services (as successor to the Department of Public Aid) from appropriations for those purposes for any fiscal year, without regard to the fact that the medical or child care services being compensated for by such payment may have been rendered in a prior fiscal year; and payments may be made at the direction of the Department of Healthcare and Family Services (or successor agency) from the Health Insurance Reserve Fund without regard to any fiscal year limitations, except as required by subsection (j) of this Section. After making all these deposits, all other proceeds of the tax imposed under subsection (a) of Section 3 shall be deposited in the Tourism Promotion General Revenue Fund in the State Treasury. All moneys received by the Department from the additional tax imposed under subsection (b) of Section 3 shall be deposited into the Build Illinois Fund in the State Treasury.

Such annual return to the Department shall include a statement of gross receipts as shown by the operator's last State income tax return. If the total receipts of the business as reported in the State income tax return do not agree with the gross receipts reported to the Department for the same period, the operator shall attach to his annual information return a schedule showing a reconciliation of the 2 amounts and the reasons for the difference. The operator's annual information return to the Department shall also disclose pay roll information of the operator's business during

the year covered by such return and any additional reasonable information which the Department deems would be helpful in determining the accuracy of the monthly, quarterly or annual tax returns by such operator as hereinbefore provided for in this Section.

If the annual information return required by this Section is not filed when and as required the taxpayer shall be liable for a penalty in an amount determined in accordance with Section 3-4 of the Uniform Penalty and Interest Act until such return is filed as required, the penalty to be assessed and collected in the same manner as any other penalty provided for in this Act.

The chief executive officer, proprietor, owner or highest ranking manager shall sign the annual return to certify the accuracy of the information contained therein. Any person who willfully signs the annual return containing false or inaccurate information shall be guilty of perjury and punished accordingly. The annual return form prescribed by the Department shall include a warning that the person signing the return may be liable for perjury.

The foregoing portion of this Section concerning the filing of an annual information return shall not apply to an operator who is not required to file an income tax return with the United States Government.

ARTICLE 65. PUBLIC CONTRACTS

Section 65-5. The Illinois Procurement Code is amended by changing Sections 20-60, 25-45, and 40-25 as follows:

(30 ILCS 500/20-60)
(a) Maximum duration. A contract, other than a contract entered into pursuant to the State University Certificates of Participation Act, may be entered into for any period of time deemed to be in the best interests of the State but not exceeding 10 years inclusive, beginning January 1, 2010, of proposed contract renewals. The length of a lease for real property or capital improvements shall be in accordance with the provisions of Section 40-25. The length of energy conservation program contracts or energy savings contracts or leases shall be in accordance with the provisions of Section 25-45. A contract for bond or mortgage insurance awarded by the Illinois Housing Development Authority, however, may be entered into for any period of time less than or equal to the maximum period of time that the subject bond or mortgage may remain outstanding.

New matter indicated by italics - deletions by strikeout
(b) Subject to appropriation. All contracts made or entered into shall recite that they are subject to termination and cancellation in any year for which the General Assembly fails to make an appropriation to make payments under the terms of the contract.

(c) The chief procurement officer shall file a proposed extension or renewal of a contract with the Procurement Policy Board prior to entering into any extension or renewal if the cost associated with the extension or renewal exceeds $249,999. The Procurement Policy Board may object to the proposed extension or renewal within 30 calendar days and require a hearing before the Board prior to entering into the extension or renewal. If the Procurement Policy Board does not object within 30 calendar days or takes affirmative action to recommend the extension or renewal, the chief procurement officer may enter into the extension or renewal of a contract. This subsection does not apply to any emergency procurement, any procurement under Article 40, or any procurement exempted by Section 1-10(b) of this Code. If any State agency contract is paid for in whole or in part with federal-aid funds, grants, or loans and the provisions of this subsection would result in the loss of those federal-aid funds, grants, or loans, then the contract is exempt from the provisions of this subsection in order to remain eligible for those federal-aid funds, grants, or loans, and the State agency shall file notice of this exemption with the Procurement Policy Board prior to entering into the proposed extension or renewal. Nothing in this subsection permits a chief procurement officer to enter into an extension or renewal in violation of subsection (a). By August 1 each year, the Procurement Policy Board shall file a report with the General Assembly identifying for the previous fiscal year (i) the proposed extensions or renewals that were filed with the Board and whether the Board objected and (ii) the contracts exempt from this subsection.

(b) State purchasing officers may enter into energy conservation program contracts or energy savings contracts or leases that provide for utility cost savings. Notwithstanding any other law to the contrary, energy savings contracts or leases may include an alternative financing or lease to purchase option.

The length of energy conservation program contracts or energy savings contracts or leases shall be in accordance with the provisions of Section 25-45.

(b) Renewal. Leases may include a renewal option. An option to renew may be exercised only when a State purchasing officer determines in writing that renewal is in the best interest of the State and notice of the exercise of the option is published in the appropriate volume of the Procurement Bulletin at least 60 calendar days prior to the exercise of the option.

(c) Subject to appropriation. All leases shall recite that they are subject to termination and cancellation in any year for which the General Assembly fails to make an appropriation to make payments under the terms of the lease.

(d) Holdover. Beginning January 1, 2010, no lease may continue on a month-to-month or other holdover basis for a total of more than 6 months. Beginning July 1, 2010, the Comptroller shall withhold payment of leases beyond this holdover period.

(65 ILCS 5/8-13-10 new)

Sec. 8-13-10. Assignment of receipts.

(a) Any transferring unit which receives revenues or taxes from a State entity may (to the extent not prohibited by any applicable statute, regulation, rule, or agreement governing the use of such revenues or taxes) authorize, by ordinance, the conveyance of all or any portion of such revenues or taxes to an issuing entity. Any conveyance of transferred receipts shall: (i) be made pursuant to an assignment agreement in exchange for the net proceeds of obligations issued by the issuing entity for the benefit of the transferring unit and shall, for all purposes, constitute an absolute conveyance of all right, title, and interest therein; (ii) not be deemed a pledge or other security interest for any borrowing by the transferring unit; (iii) be valid, binding, and enforceable in
accordance with the terms thereof and of any related instrument, agreement, or other arrangement, including any pledge, grant of security interest, or other encumbrance made by the issuing entity to secure any obligations issued by the issuing entity for the benefit of the transferring unit; and (iv) not be subject to disavowal, disaffirmance, cancellation, or avoidance by reason of insolvency of any party, lack of consideration, or any other fact, occurrence, or State law or rule. On and after the effective date of the conveyance of the transferred receipts, the transferring unit shall have no right, title or interest in or to the transferred receipts conveyed and the transferred receipts so conveyed shall be the property of the issuing entity to the extent necessary to pay the obligations issued by the issuing entity for the benefit of the transferring unit, and shall be received, held, and disbursed by the issuing entity in a trust fund outside the treasury of the transferring unit. An assignment agreement may provide for the periodic reconveyance to the transferring unit of amounts of transferred receipts remaining after the payment of the obligations issued by the issuing entity for the benefit of the transferring unit.

(b) In connection with any conveyance of transferred receipts, the transferring unit is authorized to direct the applicable State entity to deposit or cause to be deposited any amount of such transferred receipts into a deposit account in order to secure the obligations issued by the issuing entity for the benefit of the transferring unit. Where the transferring unit states that such direction is irrevocable, the direction shall be treated by the applicable State entity as irrevocable with respect to the transferred receipts described in such direction. Each State entity shall comply with the terms of any such direction received from a transferring unit and shall execute and deliver such acknowledgments and agreements, including escrow and similar agreements, as the transferring unit may require to effectuate the deposit of transferred receipts in accordance with the direction of the transferring unit.

Sec. 8-13-11. Liens for obligations.

New matter indicated by italics - deletions by strikeout
(a) As used in this Section, "statutory lien" has the meaning given to that term under 11 U.S.C. 101(53) of the federal Bankruptcy Code.

(b) Obligations issued by an issuing entity shall be secured by a statutory lien on the transferred receipts received, or entitled to be received, by the issuing entity that are designated as pledged for such obligations. The statutory lien shall automatically attach from the time the obligations are issued without further action or authorization by the issuing entity or any other entity, person, governmental authority, or officer. The statutory lien shall be valid and binding from the time the obligations are executed and delivered without any physical delivery thereof or further act required, and shall be a first priority lien unless the obligations, or documents authorizing the obligations or providing a source of payment or security for those obligations, shall otherwise provide.

The transferred receipts received or entitled to be received shall be immediately subject to the statutory lien from the time the obligations are issued, and the statutory lien shall automatically attach to the transferred receipts (whether received or entitled to be received by the issuing entity) and be effective, binding, and enforceable against the issuing entity, the transferring unit, the State entity, the State of Illinois, and their agents, successors, and transferees, and creditors, and all others asserting rights therein or having claims of any kind in tort, contract, or otherwise, irrespective of whether those parties have notice of the lien and without the need for any physical delivery, recordation, filing, or further act.

The statutory lien imposed by this Section is automatically released and discharged with respect to amounts of transferred receipts reconveyed to the transferring unit pursuant to Section 8-13-10 of this Code, effective upon such reconveyance.

(c) The statutory lien provided in this Section is separate from and shall not affect any special revenues lien or other protection afforded to special revenue obligations under the federal Bankruptcy Code.

Sec. 8-13-15. Pledges and agreements of the State. The State of Illinois pledges to and agrees with each transferring unit and issuing entity that the State will not limit or alter the rights and powers vested in the State entities by this Article with respect to the disposition of transferred receipts so as to impair the terms of any contract, including any assignment agreement, made by the transferring unit with the issuing entity or any contract executed by the issuing entity in connection with the

transferring unit until all requirements with respect to the deposit by such
State entity of transferred receipts for the benefit of such issuing entity
have been fully met and discharged. In addition, the State pledges to and
agrees with each transferring unit and each issuing entity that the State
will not limit or alter the basis on which the transferring unit's share or
percentage of transferred receipts is derived, or the use of such funds, so
as to impair the terms of any such contract. Each transferring unit and
issuing entity is authorized to include these pledges and agreements of the
State in any contract executed and delivered as described in this Article.
In no way shall the pledge and agreements of the State be interpreted to
construe the State as a guarantor of any debt or obligation subject to an
assignment agreement under this Division.

Sec. 8-13-20. Home rule. A home rule unit may not enter into

No such transfer may reduce the cumulative balance of all of the special funds of the State to an amount less than the total debt service payable during the 12 months immediately following the date of the transfer on any bonded indebtedness of the State and any certificates issued under the Short Term Borrowing Act. At no time shall the outstanding total transfers made from the special funds of the State to general funds and the Health Insurance Reserve Fund under this Section exceed $1,200,000,000; once the amount of $1,200,000,000 has been transferred from the special funds of the State to general funds and the Health Insurance Reserve Fund, additional transfers may be made from the special funds of the State to general funds and the Health Insurance Reserve Fund under this Section only to the extent that moneys have first

been re-transferred from general funds and the Health Insurance Reserve Fund to those special funds of the State. Notwithstanding any other provision of this Section, no such transfer may be made from any special fund that is exclusively collected by or directly appropriated to any other constitutional officer without the written approval of that constitutional officer.

(b) If moneys have been transferred to general funds and the Health Insurance Reserve Fund pursuant to subsection (a) of this Section, this amendatory Act of the 100th General Assembly shall constitute the continuing authority for and direction to the State Treasurer and State Comptroller to reimburse the funds of origin from general funds by transferring to the funds of origin, at such times and in such amounts as directed by the Comptroller when necessary to support appropriated expenditures from the funds, an amount equal to that transferred from them plus any interest that would have accrued thereon had the transfer not occurred, except that any moneys transferred pursuant to subsection (a) of this Section shall be repaid to the fund of origin within 24 months after the date on which they were borrowed. When any of the funds from which moneys have been transferred pursuant to subsection (a) have insufficient cash from which the State Comptroller may make expenditures properly supported by appropriations from the fund, then the State Treasurer and State Comptroller shall transfer from general funds to the fund only such amount as is immediately necessary to satisfy outstanding expenditure obligations on a timely basis.

Notwithstanding any provision of this Act to the contrary, Income Tax Proceed Bonds issued under Section 7.6 shall be payable 12 years from the date of sale and shall be issued with payment of principal or mandatory redemption.

In the case of any series of Bonds bearing interest at a variable interest rate ("Variable Rate Bonds"), in lieu of determining the rate or rates at which such series of Variable Rate Bonds shall bear interest and the price or prices at which such Variable Rate Bonds shall be initially sold or remarketed (in the event of purchase and subsequent resale), the Bond Sale Order may provide that such interest rates and prices may vary from time to time depending on criteria established in such Bond Sale Order, which criteria may include, without limitation, references to indices or variations in interest rates as may, in the judgment of a remarketing agent, be necessary to cause Variable Rate Bonds of such series to be remarketable from time to time at a price equal to their principal amount,

and may provide for appointment of a bank, trust company, investment bank, or other financial institution to serve as remarketing agent in that connection. The Bond Sale Order may provide that alternative interest rates or provisions for establishing alternative interest rates, different security or claim priorities, or different call or amortization provisions will apply during such times as Variable Rate Bonds of any series are held by a person providing credit or liquidity enhancement arrangements for such Bonds as authorized in subsection (b) of this Section. The Bond Sale Order may also provide for such variable interest rates to be established pursuant to a process generally known as an auction rate process and may provide for appointment of one or more financial institutions to serve as auction agents and broker-dealers in connection with the establishment of such interest rates and the sale and remarketing of such Bonds.

(b) In connection with the issuance of any series of Bonds, the State may enter into arrangements to provide additional security and liquidity for such Bonds, including, without limitation, bond or interest rate insurance or letters of credit, lines of credit, bond purchase contracts, or other arrangements whereby funds are made available to retire or purchase Bonds, thereby assuring the ability of owners of the Bonds to sell or redeem their Bonds. The State may enter into contracts and may agree to pay fees to persons providing such arrangements, but only under circumstances where the Director of the Governor's Office of Management and Budget certifies that he or she reasonably expects the total interest paid or to be paid on the Bonds, together with the fees for the arrangements (being treated as if interest), would not, taken together, cause the Bonds to bear interest, calculated to their stated maturity, at a rate in excess of the rate that the Bonds would bear in the absence of such arrangements.

The State may, with respect to Bonds issued or anticipated to be issued, participate in and enter into arrangements with respect to interest rate protection or exchange agreements, guarantees, or financial futures contracts for the purpose of limiting, reducing, or managing interest rate exposure. The authority granted under this paragraph, however, shall not increase the principal amount of Bonds authorized to be issued by law. The arrangements may be executed and delivered by the Director of the Governor's Office of Management and Budget on behalf of the State. Net payments for such arrangements shall constitute interest on the Bonds and shall be paid from the General Obligation Bond Retirement and Interest Fund. The Director of the Governor's Office of Management and Budget
shall at least annually certify to the Governor and the State Comptroller his or her estimate of the amounts of such net payments to be included in the calculation of interest required to be paid by the State.

(c) Prior to the issuance of any Variable Rate Bonds pursuant to subsection (a), the Director of the Governor's Office of Management and Budget shall adopt an interest rate risk management policy providing that the amount of the State's variable rate exposure with respect to Bonds shall not exceed 20%. This policy shall remain in effect while any Bonds are outstanding and the issuance of Bonds shall be subject to the terms of such policy. The terms of this policy may be amended from time to time by the Director of the Governor's Office of Management and Budget but in no event shall any amendment cause the permitted level of the State's variable rate exposure with respect to Bonds to exceed 20%.

(d) "Build America Bonds" in this Section means Bonds authorized by Section 54AA of the Internal Revenue Code of 1986, as amended ("Internal Revenue Code"), and bonds issued from time to time to refund or continue to refund "Build America Bonds".

(e) Notwithstanding any other provision of this Section, Qualified School Construction Bonds shall be issued and sold from time to time, in one or more series, in such amounts and at such prices as may be directed by the Governor, upon recommendation by the Director of the Governor's Office of Management and Budget. Qualified School Construction Bonds shall be in such form (either coupon, registered or book entry), in such denominations, payable within 25 years from their date, subject to such terms of redemption with or without premium, and if the Qualified School Construction Bonds are issued with a supplemental coupon, bear interest payable at such times and at such fixed or variable rate or rates, and be dated as shall be fixed and determined by the Director of the Governor's Office of Management and Budget in the order authorizing the issuance and sale of any series of Qualified School Construction Bonds, which order shall be approved by the Governor and is herein called a "Bond Sale Order"; except that interest payable at fixed or variable rates, if any, shall not exceed that permitted in the Bond Authorization Act, as now or hereafter amended. Qualified School Construction Bonds shall be payable at such place or places, within or without the State of Illinois, and may be made registrable as to either principal or as to both principal and interest, as shall be specified in the Bond Sale Order. Qualified School Construction Bonds may be callable or subject to purchase and retirement or tender and remarketing as fixed and determined in the Bond Sale Order.
Qualified School Construction Bonds must be issued with principal or mandatory redemption amounts or sinking fund payments into the General Obligation Bond Retirement and Interest Fund (or subaccount therefor) in equal amounts, with the first maturity issued, mandatory redemption payment or sinking fund payment occurring within the fiscal year in which the Qualified School Construction Bonds are issued or within the next succeeding fiscal year, with Qualified School Construction Bonds issued maturing or subject to mandatory redemption or with sinking fund payments thereof deposited each fiscal year thereafter up to 25 years. Sinking fund payments set forth in this subsection shall be permitted only to the extent authorized in Section 54F of the Internal Revenue Code or as otherwise determined by the Director of the Governor's Office of Management and Budget. "Qualified School Construction Bonds" in this subsection means Bonds authorized by Section 54F of the Internal Revenue Code and for bonds issued from time to time to refund or continue to refund such "Qualified School Construction Bonds".

(f) Beginning with the next issuance by the Governor's Office of Management and Budget to the Procurement Policy Board of a request for quotation for the purpose of formulating a new pool of qualified underwriting banks list, all entities responding to such a request for quotation for inclusion on that list shall provide a written report to the Governor's Office of Management and Budget and the Illinois Comptroller. The written report submitted to the Comptroller shall (i) be published on the Comptroller's Internet website and (ii) be used by the Governor's Office of Management and Budget for the purposes of scoring such a request for quotation. The written report, at a minimum, shall:

1. disclose whether, within the past 3 months, pursuant to its credit default swap market-making activities, the firm has entered into any State of Illinois credit default swaps ("CDS");
2. include, in the event of State of Illinois CDS activity, disclosure of the firm's cumulative notional volume of State of Illinois CDS trades and the firm's outstanding gross and net notional amount of State of Illinois CDS, as of the end of the current 3-month period;
3. indicate, pursuant to the firm's proprietary trading activities, disclosure of whether the firm, within the past 3 months, has entered into any proprietary trades for its own account in State of Illinois CDS;

(4) include, in the event of State of Illinois proprietary trades, disclosure of the firm's outstanding gross and net notional amount of proprietary State of Illinois CDS and whether the net position is short or long credit protection, as of the end of the current 3-month period;

(5) list all time periods during the past 3 months during which the firm held net long or net short State of Illinois CDS proprietary credit protection positions, the amount of such positions, and whether those positions were net long or net short credit protection positions; and

(6) indicate whether, within the previous 3 months, the firm released any publicly available research or marketing reports that reference State of Illinois CDS and include those research or marketing reports as attachments.

(g) All entities included on a Governor's Office of Management and Budget's pool of qualified underwriting banks list shall, as soon as possible after March 18, 2011 (the effective date of Public Act 96-1554), but not later than January 21, 2011, and on a quarterly fiscal basis thereafter, provide a written report to the Governor's Office of Management and Budget and the Illinois Comptroller. The written reports submitted to the Comptroller shall be published on the Comptroller's Internet website. The written reports, at a minimum, shall:

(h) Notwithstanding any other provision of this Section, for purposes of maximizing market efficiencies and cost savings, Income Tax Proceed Bonds may be issued and sold from time to time, in one or more series, in such amounts and at such prices as may be directed by the Governor, upon recommendation by the Director of the Governor's Office of Management and Budget. Income Tax Proceed Bonds shall be in such form, either coupon, registered, or book entry, in such denominations, shall bear interest payable at such times and at such fixed or variable rate or rates, and be dated as shall be fixed and determined by the Director of the Governor's Office of Management and Budget in the order authorizing the issuance and sale of any series of Income Tax Proceed Bonds, which order shall be approved by the Governor and is herein called a "Bond Sale Order"; provided, however, that interest payable at fixed or variable rates shall not exceed that permitted in the Bond Authorization Act. Income Tax Proceed Bonds shall be payable at such place or places, within or without the State of Illinois, and may be made registrable as to either principal or as to both principal and interest, as shall be specified in the Bond Sale Order. Sec. 11. Sale of Bonds. Except as otherwise provided in this Section, Bonds shall be sold from time to time pursuant to notice of sale and public bid or by negotiated sale in such amounts and at such times as is directed by the Governor, upon recommendation by the Director of the Governor's Office of Management and Budget. At least 25%, based on total principal amount, of all Bonds issued each fiscal year shall be sold pursuant to notice of sale and public bid. At all times during each fiscal year, no more than 75%, based on total principal amount, of the Bonds

issued each fiscal year, shall have been sold by negotiated sale. Failure to satisfy the requirements in the preceding 2 sentences shall not affect the validity of any previously issued Bonds; provided that all Bonds authorized by Public Act 96-43 and Public Act 96-1497 shall not be included in determining compliance for any fiscal year with the requirements of the preceding 2 sentences; and further provided that refunding Bonds satisfying the requirements of Section 16 of this Act and sold during fiscal year 2009, 2010, 2011, or 2017 shall not be subject to the requirements in the preceding 2 sentences.

If any Bonds, including refunding Bonds, are to be sold by negotiated sale, the Director of the Governor's Office of Management and Budget shall comply with the competitive request for proposal process set forth in the Illinois Procurement Code and all other applicable requirements of that Code.

If Bonds are to be sold pursuant to notice of sale and public bid, the Director of the Governor's Office of Management and Budget may, from time to time, as Bonds are to be sold, advertise the sale of the Bonds in at least 2 daily newspapers, one of which is published in the City of Springfield and one in the City of Chicago. The sale of the Bonds shall also be advertised in the volume of the Illinois Procurement Bulletin that is published by the Department of Central Management Services, and shall be published once at least 10 days prior to the date fixed for the opening of the bids. The Director of the Governor's Office of Management and Budget may reschedule the date of sale upon the giving of such additional notice as the Director deems adequate to inform prospective bidders of such change; provided, however, that all other conditions of the sale shall continue as originally advertised.

Executed Bonds shall, upon payment therefor, be delivered to the purchaser, and the proceeds of Bonds shall be paid into the State Treasury as directed by Section 12 of this Act.

All Income Tax Proceed Bonds shall comply with this Section. Notwithstanding anything to the contrary, however, for purposes of complying with this Section, Income Tax Proceed Bonds, regardless of the number of series or issuances sold thereunder, shall be considered a single issue or series. Furthermore, for purposes of complying with the competitive bidding requirements of this Section, the words "at all times" shall not apply to any such sale of the Income Tax Proceed Bonds. The Director of the Governor's Office of Management and Budget shall determine the time and manner of any competitive sale of the Income Tax

The placement may be ordered either on an inpatient or an outpatient basis.

(b) If the defendant's disability is mental, the court may order him placed for treatment in the custody of the Department of Human Services, or the court may order him placed in the custody of any other appropriate public or private mental health facility or treatment program which has agreed to provide treatment to the defendant. If the court orders the defendant placed in the custody of the Department of Human Services, the Department shall evaluate the defendant to determine to which secure facility the defendant shall be transported and, within 20 days of the transmittal by the clerk of the circuit court of the placement court order, notify the sheriff of the designated facility. Upon receipt of that notice, the sheriff shall promptly transport the defendant to the designated facility. If the defendant is placed in the custody of the Department of Human Services, the defendant shall be placed in a secure setting. During the period of time required to determine the appropriate placement the defendant shall remain in jail. If, within 20 days of the transmittal by the clerk of the circuit court of the placement court order, the Department fails to notify the sheriff of the identity of the facility to which the defendant shall be transported, the sheriff shall contact a designated person within the Department to inquire about when a placement will become available at the designated facility and bed availability at other facilities. If, within 20 days of the transmittal by the clerk of the circuit court of the placement court order, the Department fails to notify the sheriff of the identity of the facility to which the defendant shall be transported, the sheriff shall notify the Department of its intent to transfer the defendant to the nearest secure mental health facility operated by the Department and inquire as to the status of the placement evaluation and availability for admission to such facility.

operated by the Department by contacting a designated person within the Department. The Department shall respond to the sheriff within 2 business days of the notice and inquiry by the sheriff seeking the transfer and the Department shall provide the sheriff with the status of the evaluation, information on bed and placement availability, and an estimated date of admission for the defendant and any changes to that estimated date of admission. If the Department notifies the sheriff during the 2 business day period of a facility operated by the Department with placement availability, the sheriff shall promptly transport the defendant to that facility. The placement may be ordered either on an inpatient or an outpatient basis.

(c) If the defendant's disability is physical, the court may order him placed under the supervision of the Department of Human Services which shall place and maintain the defendant in a suitable treatment facility or program, or the court may order him placed in an appropriate public or private facility or treatment program which has agreed to provide treatment to the defendant. The placement may be ordered either on an inpatient or an outpatient basis.

(d) The clerk of the circuit court shall within 5 days of the entry of the order transmit to the Department, agency or institution, if any, to which the defendant is remanded for treatment, the following:

(1) a certified copy of the order to undergo treatment. Accompanying the certified copy of the order to undergo treatment shall be the complete copy of any report prepared under Section 104-15 of this Code or other report prepared by a forensic examiner for the court;

(2) the county and municipality in which the offense was committed;

(3) the county and municipality in which the arrest took place;

(4) a copy of the arrest report, criminal charges, arrest record; and

(5) all additional matters which the Court directs the clerk to transmit.

(e) Within 30 days of entry of an order to undergo treatment, the person supervising the defendant's treatment shall file with the court, the State, and the defense a report assessing the facility's or program's capacity to provide appropriate treatment for the defendant and indicating his opinion as to the probability of the defendant's attaining fitness within a
period of time from the date of the finding of unfitness. For a defendant charged with a felony, the period of time shall be one year. For a defendant charged with a misdemeanor, the period of time shall be no longer than the sentence if convicted of the most serious offense. If the report indicates that there is a substantial probability that the defendant will attain fitness within the time period, the treatment supervisor shall also file a treatment plan which shall include:

(1) A diagnosis of the defendant's disability;

(2) A description of treatment goals with respect to rendering the defendant fit, a specification of the proposed treatment modalities, and an estimated timetable for attainment of the goals;

(3) An identification of the person in charge of supervising the defendant's treatment.

Sec. 104-18. Progress Reports.

(a) The treatment supervisor shall submit a written progress report to the court, the State, and the defense:

(1) At least 7 days prior to the date for any hearing on the issue of the defendant's fitness;

(2) Whenever he believes that the defendant has attained fitness;

(3) Whenever he believes that there is not a substantial probability that the defendant will attain fitness, with treatment, within the time period set in subsection (e) of Section 104-17 of this Code from the date of the original finding of unfitness.

(b) The progress report shall contain:

(1) The clinical findings of the treatment supervisor and the facts upon which the findings are based;

(2) The opinion of the treatment supervisor as to whether the defendant has attained fitness or as to whether the defendant is making progress, under treatment, toward attaining fitness within the time period set in subsection (e) of Section 104-17 of this Code from the date of the original finding of unfitness;

(3) If the defendant is receiving medication, information from the prescribing physician indicating the type, the dosage and the effect of the medication on the defendant's appearance, actions and demeanor.

(c) Whenever the court is sent a report from the supervisor of the defendant's treatment under paragraph (2) of subsection (a) of this Section, the treatment provider shall arrange with the county jail court for the immediate return of the defendant to the county jail under subsection (e) before the time frame specified in subsection (a) of Section 104-20 of this Code.

(725 ILCS 5/104-20) (from Ch. 38, par. 104-20)

Sec. 104-20. Ninety-Day Hearings; Continuing Treatment.

(a) Upon entry or continuation of any order to undergo treatment, the court shall set a date for hearing to reexamine the issue of the defendant's fitness not more than 90 days thereafter. In addition, whenever the court receives a report from the supervisor of the defendant's treatment pursuant to subparagraph (2) or (3) of paragraph (a) of Section 104-18, the court shall forthwith set the matter for a first hearing within 14 days unless good cause is demonstrated why the hearing cannot be held. On the date set or upon conclusion of the matter then pending before it, the court, sitting without a jury, shall conduct a hearing, unless waived by the defense, and shall determine:

(1) Whether the defendant is fit to stand trial or to plead; and if not,

(2) Whether the defendant is making progress under treatment toward attainment of fitness within the time period set in subsection (e) of Section 104-17 of this Code from the date of the original finding of unfitness.

(b) If the court finds the defendant to be fit pursuant to this Section, the court shall set the matter for trial; provided that if the defendant is in need of continued care or treatment and the supervisor of the defendant's treatment agrees to continue to provide it, the court may enter any order it deems appropriate for the continued care or treatment of the defendant by the facility or program pending the conclusion of the criminal proceedings.

(c) If the court finds that the defendant is still unfit but that he is making progress toward attaining fitness, the court may continue or modify its original treatment order entered pursuant to Section 104-17.

(d) If the court finds that the defendant is still unfit and that he is not making progress toward attaining fitness such that there is not a substantial probability that he will attain fitness within the time period set in subsection (e) of Section 104-17 of this Code from the date of the
original finding of unfitness, the court shall proceed pursuant to Section 104-23. However, if the defendant is in need of continued care and treatment and the supervisor of the defendant's treatment agrees to continue to provide it, the court may enter any order it deems appropriate for the continued care or treatment by the facility or program pending the conclusion of the criminal proceedings.

(e) Whenever the court receives a report from the supervisor of the defendant's treatment under paragraph (2) of subsection (a) of Section 104-18 of this Code, the court shall immediately enter an order directing the sheriff to return the defendant to the county jail and set the matter for trial. At any time the issue of the defendant's fitness can be raised again under Section 104-11 of this Code. If the court finds that the defendant is still unfit after being recommended as fit by the supervisor of the defendant's treatment, the court shall attach a copy of any written report that identifies the factors in the finding that the defendant continues to be unfit, prepared by a licensed physician, clinical psychologist, or psychiatrist, to the court order remanding the person for further treatment.

Section 10. The Unified Code of Corrections is amended by changing Section 5-2-4 as follows:

Sec. 5-2-4. Proceedings after Acquittal by Reason of Insanity.
(a) After a finding or verdict of not guilty by reason of insanity under Sections 104-25, 115-3 or 115-4 of the Code of Criminal Procedure of 1963, the defendant shall be ordered to the Department of Human Services for an evaluation as to whether he is in need of mental health services. The order shall specify whether the evaluation shall be conducted on an inpatient or outpatient basis. If the evaluation is to be conducted on an inpatient basis, the defendant shall be placed in a secure setting. With the court order for evaluation shall be sent a copy of the arrest report, criminal charges, arrest record, jail record, any report prepared under Section 115-6 of the Code of Criminal Procedure of 1963, and any victim impact statement prepared under Section 6 of the Rights of Crime Victims and Witnesses Act. The clerk of the circuit court shall transmit this information to the Department within 5 days. If the court orders that the evaluation be done on an inpatient basis, the Department shall evaluate the defendant to determine to which secure facility the defendant shall be transported and, within 20 days of the transmittal by the clerk of the circuit court of the placement court order, notify the sheriff of the

designated facility. Upon receipt of that notice, the sheriff shall promptly transport the defendant to the designated facility. During the period of time required to determine the appropriate placement, the defendant shall remain in jail. If, within 20 days of the transmittal by the clerk of the circuit court of the placement court order, the Department fails to notify the sheriff of the identity of the facility to which the defendant shall be transported, the sheriff shall contact a designated person within the Department to inquire about when a placement will become available at the designated facility and bed availability at other facilities. If, within 20 days of the transmittal by the clerk of the circuit court of the placement court order, the Department fails to notify the sheriff of the identity of the facility to which the defendant shall be transported, the sheriff shall notify the Department of its intent to transfer the defendant to the nearest secure mental health facility operated by the Department and inquire as to the status of the placement evaluation and availability for admission to such facility operated by the Department by contacting a designated person within the Department. The Department shall respond to the sheriff within 2 business days of the notice and inquiry by the sheriff seeking the transfer and the Department shall provide the sheriff with the status of the placement evaluation, information on bed and placement availability, and an estimated date of admission for the defendant and any changes to that estimated date of admission. If the Department notifies the sheriff during the 2 business day period of a facility operated by the Department with placement availability, the sheriff shall promptly transport the defendant to that facility. Individualized placement evaluations by the Department of Human Services determine the most appropriate setting for forensic treatment based upon a number of factors including mental health diagnosis, proximity to surviving victims, security need, age, gender, and proximity to family. Upon completion of the placement process the sheriff shall be notified and shall transport the defendant to the designated facility.

The Department shall provide the Court with a report of its evaluation within 30 days of the date of this order. The Court shall hold a hearing as provided under the Mental Health and Developmental Disabilities Code to determine if the individual is: (a) in need of mental health services on an inpatient basis; (b) in need of mental health services on an outpatient basis; (c) a person not in need of mental health services. The Court shall enter its findings.

New matter indicated by italics - deletions by strikeout
If the defendant is found to be in need of mental health services on an inpatient care basis, the Court shall order the defendant to the Department of Human Services. The defendant shall be placed in a secure setting. Such defendants placed in a secure setting shall not be permitted outside the facility's housing unit unless escorted or accompanied by personnel of the Department of Human Services or with the prior approval of the Court for unsupervised on-grounds privileges as provided herein. Any defendant placed in a secure setting pursuant to this Section, transported to court hearings or other necessary appointments off facility grounds by personnel of the Department of Human Services, shall be placed in security devices or otherwise secured during the period of transportation to assure secure transport of the defendant and the safety of Department of Human Services personnel and others. These security measures shall not constitute restraint as defined in the Mental Health and Developmental Disabilities Code. If the defendant is found to be in need of mental health services, but not on an inpatient care basis, the Court shall conditionally release the defendant, under such conditions as set forth in this Section as will reasonably assure the defendant's satisfactory progress and participation in treatment or rehabilitation and the safety of the defendant and others. If the Court finds the person not in need of mental health services, then the Court shall order the defendant discharged from custody.

(a-1) Definitions. For the purposes of this Section:

(A) (Blank).

(B) "In need of mental health services on an inpatient basis" means: a defendant who has been found not guilty by reason of insanity but who due to mental illness is reasonably expected to inflict serious physical harm upon himself or another and who would benefit from inpatient care or is in need of inpatient care.

(C) "In need of mental health services on an outpatient basis" means: a defendant who has been found not guilty by reason of insanity who is not in need of mental health services on an inpatient basis, but is in need of outpatient care, drug and/or alcohol rehabilitation programs, community adjustment programs, individual, group, or family therapy, or chemotherapy.

(D) "Conditional Release" means: the release from either the custody of the Department of Human Services or the custody of the Court of a person who has been found not guilty by reason of insanity under such conditions as the Court may impose which

New matter indicated by italics - deletions by strikeout
reasonably assure the defendant's satisfactory progress in treatment or habilitation and the safety of the defendant and others. The Court shall consider such terms and conditions which may include, but need not be limited to, outpatient care, alcoholic and drug rehabilitation programs, community adjustment programs, individual, group, family, and chemotherapy, random testing to ensure the defendant's timely and continuous taking of any medicines prescribed to control or manage his or her conduct or mental state, and periodic checks with the legal authorities and/or the Department of Human Services. The Court may order as a condition of conditional release that the defendant not contact the victim of the offense that resulted in the finding or verdict of not guilty by reason of insanity or any other person. The Court may order the Department of Human Services to provide care to any person conditionally released under this Section. The Department may contract with any public or private agency in order to discharge any responsibilities imposed under this Section. The Department shall monitor the provision of services to persons conditionally released under this Section and provide periodic reports to the Court concerning the services and the condition of the defendant. Whenever a person is conditionally released pursuant to this Section, the State's Attorney for the county in which the hearing is held shall designate in writing the name, telephone number, and address of a person employed by him or her who shall be notified in the event that either the reporting agency or the Department decides that the conditional release of the defendant should be revoked or modified pursuant to subsection (i) of this Section. Such conditional release shall be for a period of five years. However, the defendant, the person or facility rendering the treatment, therapy, program or outpatient care, the Department, or the State's Attorney may petition the Court for an extension of the conditional release period for an additional 5 years. Upon receipt of such a petition, the Court shall hold a hearing consistent with the provisions of paragraph (a), this paragraph (a-1), and paragraph (f) of this Section, shall determine whether the defendant should continue to be subject to the terms of conditional release, and shall enter an order either extending the defendant's period of conditional release for an additional 5 year period or discharging the defendant. Additional 5-year periods of conditional release may

New matter indicated by italics - deletions by strikeout
be ordered following a hearing as provided in this Section. However, in no event shall the defendant's period of conditional release continue beyond the maximum period of commitment ordered by the Court pursuant to paragraph (b) of this Section. These provisions for extension of conditional release shall only apply to defendants conditionally released on or after August 8, 2003. However the extension provisions of Public Act 83-1449 apply only to defendants charged with a forcible felony.

(E) "Facility director" means the chief officer of a mental health or developmental disabilities facility or his or her designee or the supervisor of a program of treatment or habilitation or his or her designee. "Designee" may include a physician, clinical psychologist, social worker, nurse, or clinical professional counselor.

(b) If the Court finds the defendant in need of mental health services on an inpatient basis, the admission, detention, care, treatment or habilitation, treatment plans, review proceedings, including review of treatment and treatment plans, and discharge of the defendant after such order shall be under the Mental Health and Developmental Disabilities Code, except that the initial order for admission of a defendant acquitted of a felony by reason of insanity shall be for an indefinite period of time. Such period of commitment shall not exceed the maximum length of time that the defendant would have been required to serve, less credit for good behavior as provided in Section 5-4-1 of the Unified Code of Corrections, before becoming eligible for release had he been convicted of and received the maximum sentence for the most serious crime for which he has been acquitted by reason of insanity. The Court shall determine the maximum period of commitment by an appropriate order. During this period of time, the defendant shall not be permitted to be in the community in any manner, including but not limited to off-grounds privileges, with or without escort by personnel of the Department of Human Services, unsupervised on-grounds privileges, discharge or conditional or temporary release, except by a plan as provided in this Section. In no event shall a defendant's continued unauthorized absence be a basis for discharge. Not more than 30 days after admission and every 60 days thereafter so long as the initial order remains in effect, the facility director shall file a treatment plan report in writing with the court and forward a copy of the treatment plan report to the clerk of the court, the State's Attorney, and the defendant's attorney, if the defendant is represented by counsel, or to a

New matter indicated by italics - deletions by strikeout
person authorized by the defendant under the Mental Health and Developmental Disabilities Confidentiality Act to be sent a copy of the report. The report shall include an opinion as to whether the defendant is currently in need of mental health services on an inpatient basis or in need of mental health services on an outpatient basis. The report shall also summarize the basis for those findings and provide a current summary of the following items from the treatment plan: (1) an assessment of the defendant's treatment needs, (2) a description of the services recommended for treatment, (3) the goals of each type of element of service, (4) an anticipated timetable for the accomplishment of the goals, and (5) a designation of the qualified professional responsible for the implementation of the plan. The report may also include unsupervised on-grounds privileges, off-grounds privileges (with or without escort by personnel of the Department of Human Services), home visits and participation in work programs, but only where such privileges have been approved by specific court order, which order may include such conditions on the defendant as the Court may deem appropriate and necessary to reasonably assure the defendant's satisfactory progress in treatment and the safety of the defendant and others.

(c) Every defendant acquitted of a felony by reason of insanity and subsequently found to be in need of mental health services shall be represented by counsel in all proceedings under this Section and under the Mental Health and Developmental Disabilities Code.

(1) The Court shall appoint as counsel the public defender or an attorney licensed by this State.

(2) Upon filing with the Court of a verified statement of legal services rendered by the private attorney appointed pursuant to paragraph (1) of this subsection, the Court shall determine a reasonable fee for such services. If the defendant is unable to pay the fee, the Court shall enter an order upon the State to pay the entire fee or such amount as the defendant is unable to pay from funds appropriated by the General Assembly for that purpose.

(d) When the facility director determines that:

(1) the defendant is no longer in need of mental health services on an inpatient basis; and

(2) the defendant may be conditionally released because he or she is still in need of mental health services or that the defendant may be discharged as not in need of any mental health services; or

(3) (blank);

New matter indicated by italics - deletions by strikeout
the facility director shall give written notice to the Court, State's Attorney and defense attorney. Such notice shall set forth in detail the basis for the recommendation of the facility director, and specify clearly the recommendations, if any, of the facility director, concerning conditional release. Any recommendation for conditional release shall include an evaluation of the defendant's need for psychotropic medication, what provisions should be made, if any, to ensure that the defendant will continue to receive psychotropic medication following discharge, and what provisions should be made to assure the safety of the defendant and others in the event the defendant is no longer receiving psychotropic medication. Within 30 days of the notification by the facility director, the Court shall set a hearing and make a finding as to whether the defendant is:

(i) (blank); or
(ii) in need of mental health services in the form of inpatient care; or
(iii) in need of mental health services but not subject to inpatient care; or
(iv) no longer in need of mental health services; or
(v) (blank).

Upon finding by the Court, the Court shall enter its findings and such appropriate order as provided in subsections (a) and (a-1) of this Section.

(e) A defendant admitted pursuant to this Section, or any person on his behalf, may file a petition for treatment plan review or discharge or conditional release under the standards of this Section in the Court which rendered the verdict. Upon receipt of a petition for treatment plan review or discharge or conditional release, the Court shall set a hearing to be held within 120 days. Thereafter, no new petition may be filed for 180 days without leave of the Court.

(f) The Court shall direct that notice of the time and place of the hearing be served upon the defendant, the facility director, the State's Attorney, and the defendant's attorney. If requested by either the State or the defense or if the Court feels it is appropriate, an impartial examination of the defendant by a psychiatrist or clinical psychologist as defined in Section 1-103 of the Mental Health and Developmental Disabilities Code who is not in the employ of the Department of Human Services shall be ordered, and the report considered at the time of the hearing.

(g) The findings of the Court shall be established by clear and convincing evidence. The burden of proof and the burden of going forth
with the evidence rest with the defendant or any person on the defendant's behalf when a hearing is held to review a petition filed by or on behalf of the defendant. The evidence shall be presented in open Court with the right of confrontation and cross-examination. Such evidence may include, but is not limited to:

   (1) whether the defendant appreciates the harm caused by the defendant to others and the community by his or her prior conduct that resulted in the finding of not guilty by reason of insanity;
   
   (2) Whether the person appreciates the criminality of conduct similar to the conduct for which he or she was originally charged in this matter;
   
   (3) the current state of the defendant's illness;
   
   (4) what, if any, medications the defendant is taking to control his or her mental illness;
   
   (5) what, if any, adverse physical side effects the medication has on the defendant;
   
   (6) the length of time it would take for the defendant's mental health to deteriorate if the defendant stopped taking prescribed medication;
   
   (7) the defendant's history or potential for alcohol and drug abuse;
   
   (8) the defendant's past criminal history;
   
   (9) any specialized physical or medical needs of the defendant;
   
   (10) any family participation or involvement expected upon release and what is the willingness and ability of the family to participate or be involved;
   
   (11) the defendant's potential to be a danger to himself, herself, or others; and
   
   (12) any other factor or factors the Court deems appropriate.

   (h) Before the court orders that the defendant be discharged or conditionally released, it shall order the facility director to establish a discharge plan that includes a plan for the defendant's shelter, support, and medication. If appropriate, the court shall order that the facility director establish a program to train the defendant in self-medication under standards established by the Department of Human Services. If the Court finds, consistent with the provisions of this Section, that the defendant is

New matter indicated by italics - deletions by strikeout
no longer in need of mental health services it shall order the facility
director to discharge the defendant. If the Court finds, consistent with the
provisions of this Section, that the defendant is in need of mental health
services, and no longer in need of inpatient care, it shall order the facility
director to release the defendant under such conditions as the Court deems
appropriate and as provided by this Section. Such conditional release shall
be imposed for a period of 5 years as provided in paragraph (D) of
subsection (a-1) and shall be subject to later modification by the Court as
provided by this Section. If the Court finds consistent with the provisions
in this Section that the defendant is in need of mental health services on an
inpatient basis, it shall order the facility director not to discharge or release
the defendant in accordance with paragraph (b) of this Section.

(i) If within the period of the defendant's conditional release the
State's Attorney determines that the defendant has not fulfilled the
conditions of his or her release, the State's Attorney may petition the Court
to revoke or modify the conditional release of the defendant. Upon the
filing of such petition the defendant may be remanded to the custody of the
Department, or to any other mental health facility designated by the
Department, pending the resolution of the petition. Nothing in this Section
shall prevent the emergency admission of a defendant pursuant to Article
VI of Chapter III of the Mental Health and Developmental Disabilities
Code or the voluntary admission of the defendant pursuant to Article IV of
Chapter III of the Mental Health and Developmental Disabilities Code. If
the Court determines, after hearing evidence, that the defendant has not
fulfilled the conditions of release, the Court shall order a hearing to be
held consistent with the provisions of paragraph (f) and (g) of this Section.
At such hearing, if the Court finds that the defendant is in need of mental
health services on an inpatient basis, it shall enter an order remanding him
or her to the Department of Human Services or other facility. If the
defendant is remanded to the Department of Human Services, he or she
shall be placed in a secure setting unless the Court determines that there
are compelling reasons that such placement is not necessary. If the Court
finds that the defendant continues to be in need of mental health services
but not on an inpatient basis, it may modify the conditions of the original
release in order to reasonably assure the defendant's satisfactory progress
in treatment and his or her safety and the safety of others in accordance
with the standards established in paragraph (D) of subsection (a-1).
Nothing in this Section shall limit a Court's contempt powers or any other
powers of a Court.

(j) An order of admission under this Section does not affect the remedy of habeas corpus.

(k) In the event of a conflict between this Section and the Mental Health and Developmental Disabilities Code or the Mental Health and Developmental Disabilities Confidentiality Act, the provisions of this Section shall govern.

(l) This amendatory Act shall apply to all persons who have been found not guilty by reason of insanity and who are presently committed to the Department of Mental Health and Developmental Disabilities (now the Department of Human Services).

(m) The Clerk of the Court shall transmit a certified copy of the order of discharge or conditional release to the Department of Human Services, to the sheriff of the county from which the defendant was admitted, to the Illinois Department of State Police, to the proper law enforcement agency for the municipality where the offense took place, and to the sheriff of the county into which the defendant is conditionally discharged. The Illinois Department of State Police shall maintain a centralized record of discharged or conditionally released defendants while they are under court supervision for access and use of appropriate law enforcement agencies.

PUBLIC ACT 100-0028
(House Bill No. 1254)

AN ACT concerning education.
Be it enacted by the People of the State of Illinois, represented in the General Assembly:

Section 5. The School Code is amended by changing Section 18-12 as follows:

(105 ILCS 5/18-12) (from Ch. 122, par. 18-12)
Sec. 18-12. Dates for filing State aid claims. The school board of each school district, a regional office of education, a laboratory school, or a State-authorized charter school shall require teachers, principals, or superintendents to furnish from records kept by them such data as it needs in preparing and certifying to the State Superintendent of Education its
report of claims provided in Section 18-8.05 of this Code. The claim shall be based on the latest available equalized assessed valuation and tax rates, as provided in Section 18-8.05, shall use the average daily attendance as determined by the method outlined in Section 18-8.05, and shall be certified and filed with the State Superintendent of Education by June 21 for districts and State-authorized charter schools with an official school calendar end date before June 15 or within 2 weeks following the official school calendar end date for districts, regional offices of education, laboratory schools, or State-authorized charter schools with a school year end date of June 15 or later. Failure to so file by these deadlines constitutes a forfeiture of the right to receive payment by the State until such claim is filed. The State Superintendent of Education shall voucher for payment those claims to the State Comptroller as provided in Section 18-11.

Except as otherwise provided in this Section, if any school district fails to provide the minimum school term specified in Section 10-19, the State aid claim for that year shall be reduced by the State Superintendent of Education in an amount equivalent to $\frac{1}{176}$ or .56818% for each day less than the number of days required by this Code.

If the State Superintendent of Education determines that the failure to provide the minimum school term was occasioned by an act or acts of God, or was occasioned by conditions beyond the control of the school district which posed a hazardous threat to the health and safety of pupils, the State aid claim need not be reduced.

If a school district is precluded from providing the minimum hours of instruction required for a full day of attendance due to (A) an adverse weather condition, (B) or a condition beyond the control of the school district that poses a hazardous threat to the health and safety of students, or (C) beginning with the 2016-2017 school year, the utilization of the school district's facilities for not more than 2 school days per school year by local or county authorities for the purpose of holding a memorial or funeral services in remembrance of a community member, then the partial day of attendance may be counted if (i) the school district has provided at least one hour of instruction prior to the closure of the school district, (ii) a school building has provided at least one hour of instruction prior to the closure of the school building, or (iii) the normal start time of the school district is delayed.

If, prior to providing any instruction, a school district must close one or more but not all school buildings after consultation with a local

New matter indicated by italics - deletions by strikeout
emergency response agency or due to a condition beyond the control of the school district, then the school district may claim attendance for up to 2 school days based on the average attendance of the 3 school days immediately preceding the closure of the affected school building or, if approved by the State Board of Education, utilize the provisions of an e-learning program for the affected school building as prescribed in Section 10-20.56 of this Code. The partial or no day of attendance described in this Section and the reasons therefore shall be certified within a month of the closing or delayed start by the school district superintendent to the regional superintendent of schools for forwarding to the State Superintendent of Education for approval.

Other than the utilization of any e-learning days as prescribed in Section 10-20.56 of this Code, no exception to the requirement of providing a minimum school term may be approved by the State Superintendent of Education pursuant to this Section unless a school district has first used all emergency days provided for in its regular calendar.

If the State Superintendent of Education declares that an energy shortage exists during any part of the school year for the State or a designated portion of the State, a district may operate the school attendance centers within the district 4 days of the week during the time of the shortage by extending each existing school day by one clock hour of school work, and the State aid claim shall not be reduced, nor shall the employees of that district suffer any reduction in salary or benefits as a result thereof. A district may operate all attendance centers on this revised schedule, or may apply the schedule to selected attendance centers, taking into consideration such factors as pupil transportation schedules and patterns and sources of energy for individual attendance centers.

Electronically submitted State aid claims shall be submitted by duly authorized district individuals over a secure network that is password protected. The electronic submission of a State aid claim must be accompanied with an affirmation that all of the provisions of Sections 18-8.05, 10-22.5, and 24-4 of this Code are met in all respects.

Sec. 27A-5. Charter school; legal entity; requirements.

(a) A charter school shall be a public, nonsectarian, nonreligious, non-home based, and non-profit school. A charter school shall be organized and operated as a non-profit corporation or other discrete, legal, non-profit entity authorized under the laws of the State of Illinois.

(b) A charter school may be established under this Article by creating a new school or by converting an existing public school or attendance center to charter school status. Beginning on April 16, 2003 (the effective date of Public Act 93-3), in all new applications to establish a charter school in a city having a population exceeding 500,000, operation of the charter school shall be limited to one campus. The changes made to this Section by Public Act 93-3 do not apply to charter schools existing or approved on or before April 16, 2003 (the effective date of Public Act 93-3).

(b-5) In this subsection (b-5), "virtual-schooling" means a cyber school where students engage in online curriculum and instruction via the Internet and electronic communication with their teachers at remote locations and with students participating at different times.

From April 1, 2013 through December 31, 2016, there is a moratorium on the establishment of charter schools with virtual-schooling components in school districts other than a school district organized under Article 34 of this Code. This moratorium does not apply to a charter school with virtual-schooling components existing or approved prior to April 1, 2013 or to the renewal of the charter of a charter school with virtual-schooling components already approved prior to April 1, 2013.

On or before March 1, 2014, the Commission shall submit to the General Assembly a report on the effect of virtual-schooling, including without limitation the effect on student performance, the costs associated with virtual-schooling, and issues with oversight. The report shall include policy recommendations for virtual-schooling.

(c) A charter school shall be administered and governed by its board of directors or other governing body in the manner provided in its charter. The governing body of a charter school shall be subject to the Freedom of Information Act and the Open Meetings Act.

(d) For purposes of this subsection (d), "non-curricular health and safety requirement" means any health and safety requirement created by statute or rule to provide, maintain, preserve, or safeguard safe or healthful conditions for students and school personnel or to eliminate, reduce, or
prevent threats to the health and safety of students and school personnel. "Non-curricular health and safety requirement" does not include any course of study or specialized instructional requirement for which the State Board has established goals and learning standards or which is designed primarily to impart knowledge and skills for students to master and apply as an outcome of their education.

A charter school shall comply with all non-curricular health and safety requirements applicable to public schools under the laws of the State of Illinois. On or before September 1, 2015, the State Board shall promulgate and post on its Internet website a list of non-curricular health and safety requirements that a charter school must meet. The list shall be updated annually no later than September 1. Any charter contract between a charter school and its authorizer must contain a provision that requires the charter school to follow the list of all non-curricular health and safety requirements promulgated by the State Board and any non-curricular health and safety requirements added by the State Board to such list during the term of the charter. Nothing in this subsection (d) precludes an authorizer from including non-curricular health and safety requirements in a charter school contract that are not contained in the list promulgated by the State Board, including non-curricular health and safety requirements of the authorizing local school board.

(e) Except as otherwise provided in the School Code, a charter school shall not charge tuition; provided that a charter school may charge reasonable fees for textbooks, instructional materials, and student activities.

(f) A charter school shall be responsible for the management and operation of its fiscal affairs including, but not limited to, the preparation of its budget. An audit of each charter school's finances shall be conducted annually by an outside, independent contractor retained by the charter school. To ensure financial accountability for the use of public funds, on or before December 1 of every year of operation, each charter school shall submit to its authorizer and the State Board a copy of its audit and a copy of the Form 990 the charter school filed that year with the federal Internal Revenue Service. In addition, if deemed necessary for proper financial oversight of the charter school, an authorizer may require quarterly financial statements from each charter school.

2. Sections 10-20.14, 10-22.6, 24-24, 34-19, and 34-84a of this Code regarding discipline of students;
3. the Local Governmental and Governmental Employees Tort Immunity Act;
4. Section 108.75 of the General Not For Profit Corporation Act of 1986 regarding indemnification of officers, directors, employees, and agents;
5. the Abused and Neglected Child Reporting Act;

12. Sections 10-20.60 and 34-18.53 of this Code.

The change made by Public Act 96-104 to this subsection (g) is declaratory of existing law.

(h) A charter school may negotiate and contract with a school district, the governing body of a State college or university or public community college, or any other public or for-profit or nonprofit private entity for: (i) the use of a school building and grounds or any other real property or facilities that the charter school desires to use or convert for use as a charter school site, (ii) the operation and maintenance thereof, and (iii) the provision of any service, activity, or undertaking that the charter school is required to perform in order to carry out the terms of its charter. However, a charter school that is established on or after April 16, 2003 (the effective date of Public Act 93-3) and that operates in a city having a population exceeding 500,000 may not contract with a for-profit entity to

Any services for which a charter school contracts with a school district shall be provided by the district at cost. Any services for which a charter school contracts with a local school board or with the governing body of a State college or university or public community college shall be provided by the public entity at cost.

(i) In no event shall a charter school that is established by converting an existing school or attendance center to charter school status be required to pay rent for space that is deemed available, as negotiated and provided in the charter agreement, in school district facilities. However, all other costs for the operation and maintenance of school district facilities that are used by the charter school shall be subject to negotiation between the charter school and the local school board and shall be set forth in the charter.

The board of trustees of any sanitary district organized under this Act may provide for the treatment of the sewage thereof and save and preserve the water supplied to the inhabitants of such district from contamination. For that purpose the board may construct and maintain an enclosed conduit or conduits, main pipes, wholly or partially submerged, buried or otherwise, and by means of pumps or otherwise cause such sewage to flow or to be forced through such conduit or conduits, pipe or pipes to and into any ditch or canal constructed and operated by any other sanitary district, after having first acquired the right so to do. Such board may provide for the drainage of such district by laying out, establishing, constructing and maintaining one or more channels, drains, ditches and outlets for carrying off and disposing of the drainage (including the sewage) of such district, together with such adjuncts and additions thereto as may be necessary or proper to cause such channels or outlets to accomplish the end for which they are designed, in a satisfactory manner, including pumps and pumping stations and the operation of the same. Such board shall provide suitable and modernly equipped sewage treatment works or plants for the separation and treatment of all solids and deleterious matter from the liquids, and shall treat and purify the residue of such sewage so that when it flows into any lake, it will not injuriously contaminate the waters thereof. The board shall adopt any feasible method to accomplish the object for which such sanitary district may be created, and may also provide means whereby the sanitary district may reach and procure supplies of water for diluting and flushing purposes. The board of trustees of any sanitary district formed under this Act may also enter into an agreement to sell, convey, or disburse treated wastewater to any public or private entity located within or outside of the boundaries of the sanitary district. Any use of treated wastewater by any public or private entity shall be subject to the orders of the Pollution Control Board. The agreement may not exceed 20 years.

Nothing set forth in this Section may be construed to empower, authorize or require such board of trustees to operate a system of water works for the purpose of furnishing or delivering water to any such municipality or to the inhabitants thereof without payment therefor at such rates as the board may determine. Nothing in this Act shall require a sanitary district to extend service to any individual residence or other building within the district, and it is the intent of the Illinois General Assembly that any construction contemplated by this Section shall be restricted to construction of works and main or interceptor sewers,

conduits, channels and similar facilities, but not individual service lines. Nothing in this Act contained authorizes the trustees to flow the sewage of such district into Lake Michigan. Any such plan for sewage disposal by any sanitary district organized hereunder is prohibited, unless such sewage has been treated and purified as provided in this Section, all laws of the Federal government relating to the pollution of navigable waters have been complied with, the approval of plans and constructions of outlets and connection with any of the streams or navigable bodies of water within or bordering upon the State has been obtained from the Department of Natural Resources of the State. The discharge of any sewage from any such district into any of the streams or navigable bodies of water within or bordering upon the State is subject to the orders of the Pollution Control Board. Nothing in this Act contained may be construed as superseding or in any manner limiting the provisions of the Environmental Protection Act.

After the construction of such sewage disposal plant, if the board finds that it will promote the prevention of pollution of waters of the State, such board of trustees may adopt ordinances or rules and regulations, prohibiting or regulating the discharge to sewers of inadmissible wastes or substances toxic to biological wastewater treatment processes. Inadmissible wastes include those which create a fire or explosion hazard in the sewer or treatment works; those which will impair the hydraulic capacity of sewer systems; and those which in any quantity, create a hazard to people, sewer systems, treatment processes, or receiving waters. Substances that may be toxic to wastewater treatment processes include copper, chromium, lead, zinc, arsenic, and nickel, barium, cadmium, mercury, selenium, silver, and any poisonous compounds such as cyanide or radioactive wastes which pass through wastewater treatment plants in hazardous concentrations and menace users of the receiving waters. Such ordinances or rules and regulations shall be effective throughout the sanitary district, in the incorporated areas as well as the unincorporated areas and all public sewers therein.

Sec. 7.7. Discharge into sewers of the sanitary district.

(a) As used in this Section:

"Executive director" means the executive director of the sanitary district.

New matter indicated by italics - deletions by strikeout
"Industrial wastes" means all solids, liquids, or gaseous wastes resulting from any commercial, industrial, manufacturing, agricultural, trade, or business operation or process, or from the development, recovery, or processing of natural resources.

"Other wastes" means decayed wood, sawdust, shavings, bark, lime, refuse, ashes, garbage, offal, oil, tar, chemicals, and all other substances except sewage and industrial wastes.

"Person" means any individual, firm, association, joint venture, sole proprietorship, company, partnership, estate copartnership, corporation, joint stock company, trust, school district, unit of local government, or private corporation organized or existing under the laws of this or any other state or country.

"Sewage" means water-carried human wastes or a combination of water-carried wastes from residences, buildings, businesses, industrial establishments, institutions, or other places together with any ground, surface, storm, or other water that may be present.

(b) It shall be unlawful for any person to discharge effluent, gaseous wastes, sewage, industrial waste, or other wastes into the sewerage system of the sanitary district or into any sewer tributary therewith, except upon the terms and conditions that the sanitary district might reasonably impose by way of ordinance, permit, rule, or regulation.

The sanitary district, in addition to all other powers vested in it and in the interest of public health and safety, or as authorized by subsections (b) and (c) of Section 46 of the Environmental Protection Act, is hereby empowered to pass all ordinances, rules, or regulations necessary to implement this Section, including, but not limited to, the imposition of charges based on factors that influence the cost of treatment, including strength and volume, and including the right of access during reasonable hours to the premises of a person for enforcement of adopted ordinances, rules, or regulations.

(c) Whenever the sanitary district, acting through the executive director, determines that effluent, gaseous wastes, sewage, industrial wastes, or other wastes are being discharged into the sewerage system and when, in the opinion of the executive director, the discharge is in violation of an ordinance, rules, or regulations adopted by the board of trustees under this Section governing the discharge of industrial wastes or other wastes, the executive director shall order the offending party to cease and desist. The order shall be served by certified mail or personally on the owner, officer, registered agent, or individual designated by permit.

New matter indicated by italics - deletions by strikeout
In the event the offending party fails or refuses to discontinue the discharge within 90 days after notification of the cease and desist order, the executive director may order the offending party to show cause before the board of trustees of the sanitary district why the discharge should not be discontinued. A notice shall be served on the offending party directing him, her, or it to show cause before the board of trustees why an order should not be entered directing the discontinuance of the discharge. The notice shall specify the time and place where a hearing will be held and shall be served personally or by registered or certified mail at least 10 days before the hearing; and, in the case of a unit of local government or a corporation, the service shall be upon an officer or agent thereof. After reviewing the evidence, the board of trustees may issue an order to the party responsible for the discharge, directing that within a specified period of time the discharge be discontinued. The board of trustees may also order the party responsible for the discharge to pay a civil penalty in an amount specified by the board of trustees that is not less than $1,000 nor more than $2,000 per day for each day of discharge of effluent, gaseous wastes, sewage, industrial wastes, or other wastes in violation of this Act as provided in subsection (d). The board of trustees may also order the party responsible for the violation to pay court reporter costs and hearing officer fees in an amount not exceeding $3,000.

(d) The board of trustees shall establish procedures for assessing civil penalties and issuing orders under subsection (c) as follows:

1. In making its orders and determinations, the board of trustees shall take into consideration all the facts and circumstances bearing on the activities involved and the assessment of civil penalties as shown by the record produced at the hearing.

2. The board of trustees shall establish a panel of one or more independent hearing officers to conduct all hearings on the assessment of civil penalties and issuance of orders under subsection (c). All hearing officers shall be attorneys licensed to practice law in this State.

3. The board of trustees shall promulgate procedural rules governing the proceedings, the assessment of civil penalties, and the issuance of orders.

4. All hearings shall be on the record, and testimony taken must be under oath and recorded stenographically. Transcripts so recorded must be made available to any member of the public or any party to the hearing upon payment of the usual charges for

transcripts. At the hearing, the hearing officer may issue, in the name of the board of trustees, notices of hearing requesting the attendance and testimony of witnesses, the production of evidence relevant to any matter involved in the hearing, and may examine witnesses.

(5) The hearing officer shall conduct a full and impartial hearing on the record, with an opportunity for the presentation of evidence and cross-examination of the witnesses. The hearing officer shall issue findings of fact, conclusions of law, a recommended civil penalty, and an order based solely on the record. The hearing officer may also recommend, as part of the order, that the discharge of effluent, gaseous wastes, sewage, industrial wastes, or other wastes waste be discontinued within a specified time.

(6) The findings of fact, conclusions of law, recommended civil penalty, and order shall be transmitted to the board of trustees along with a complete record of the hearing.

(7) The board of trustees shall either approve or disapprove the findings of fact, conclusions of law, recommended civil penalty, and order. If the findings of fact, conclusions of law, recommended civil penalty, or order are rejected, the board of trustees shall remand the matter to the hearing officer for further proceedings. If the order is accepted by the board of trustees, it shall constitute the final order of the board of trustees.

(8) The civil penalty specified by the board of trustees shall be paid within 35 days after the party on whom it is imposed receives a written copy of the order of the board of trustees, unless the person or persons to whom the order is issued seeks judicial review.

(9) If a person seeks judicial review of the order assessing civil penalties, the person shall, within 35 days after the date of the final order, pay the amount of the civil penalties into an escrow account maintained by the sanitary district for that purpose or file a bond guaranteeing payment of the civil penalties if the civil penalties are upheld on review.

(10) Civil penalties not paid by the times specified above shall be delinquent and subject to a lien recorded against the property of the person ordered to pay the penalty. The foregoing provisions for asserting liens against real estate by the sanitary

district shall be in addition to any other remedy or right of recovery that the sanitary district may have with respect to the collection or recovery of penalties and charges imposed by the sanitary district. Judgment in a civil action brought by the sanitary district to recover or collect the charges shall not operate as a release and waiver of the lien upon the real estate for the amount of the judgment. Only satisfaction of the judgment or the filing of a release or satisfaction of lien shall release the lien.

(e) The executive director may order a person to cease the discharge of effluent, gaseous wastes, sewage, industrial wastes, or other wastes upon a finding by the executive director that the final order of the board of trustees entered after a hearing to show cause has been violated. The executive director shall serve the person with a copy of his or her order either by certified mail or personally by serving the owner, officer, registered agent, or individual designated by permit. The order of the executive director shall also schedule an expedited hearing before a hearing officer designated by the board of trustees for the purpose of determining whether the person has violated the final order of the board of trustees. The board of trustees shall adopt rules of procedure governing expedited hearings. In no event shall the hearing be conducted less than 7 days after service of the executive director's order.

At the conclusion of the expedited hearing, the hearing officer shall prepare a report with his or her findings and recommendations and transmit it to the board of trustees. If the board of trustees, after reviewing the findings and recommendations, and the record produced at the hearing, determines that the person has violated the board of trustees' final order, the board of trustees may authorize the disconnection or plugging of the sewer or direct the water supplier to terminate service. The executive director shall give not less than 10 days' written notice of the board of trustees' order to the owner, officer, registered agent, or individual designated by permit, as well as the owner of record of the real estate and other parties known to be affected, that the sewer will be disconnected or water service will be terminated.

The foregoing provision for disconnecting a sewer or terminating water service shall be in addition to any other remedy that the sanitary district may have to prevent violation of its ordinances and orders of its board of trustees.

(f) A violation of the final order of the board of trustees shall be considered a nuisance. If any person discharges effluent, gaseous wastes,
sewage, industrial wastes, or other wastes into any waters contrary to the final order of the board of trustees, the sanitary district, acting through the executive director, has the power to commence an action or proceeding in the circuit court in and for the county in which the sanitary district is located for the purpose of having the discharge stopped either by mandamus or injunction, or to remedy the violation in any manner provided for in this Section.

The court shall specify a time, not exceeding 20 days after the service of the copy of the complaint, in which the party complained of must plead to the complaint, and in the meantime, the party may be restrained. In case of default or after pleading, the court shall immediately inquire into the facts and circumstances of the case and enter an appropriate judgment in respect to the matters complained of. Appeals may be taken as in other civil cases.

(g) The sanitary district, acting through the executive director, has the power to commence an action or proceeding for mandamus or injunction in the circuit court ordering a person to cease its discharge, when, in the opinion of the executive director, the person's discharge presents an imminent danger to the public health, welfare, or safety; presents or may present an endangerment to the environment; or threatens to interfere with the operation of the sewerage system or a water reclamation plant under the jurisdiction of the sanitary district. The initiation of a show cause hearing is not a prerequisite to the commencement by the sanitary district of an action or proceeding for mandamus or injunction in the circuit court. The court shall specify a time, not exceeding 20 days after the service of a copy of the petition, in which the party complained of must answer the petition, and in the meantime, the party may be restrained. In case of default in answer or after answer, the court shall immediately inquire into the facts and circumstances of the case and enter an appropriate judgment order in respect to the matters complained of. An appeal may be taken from the final judgment in the same manner and with the same effect as appeals are taken from judgment of the circuit court in other actions for mandamus or injunction.

(h) Whenever the sanitary district commences an action under subsection (f) of this Section, the court shall assess a civil penalty of not less than $1,000 nor more than $10,000 for each day the person violates the board of trustees' order. Whenever the sanitary district commences an action under subsection (g) of this Section, the court shall assess a civil penalty of not less than $1,000 nor more than $10,000 for each day the
person violates the ordinance. Each day's continuance of the violation is a separate offense. The penalties provided in this Section plus interest at the rate set forth in the Interest Act on unpaid penalties, costs, and fees, imposed by the board of trustees under subsection (d); the reasonable costs to the sanitary district of removal or other remedial action caused by discharges in violation of this Act; reasonable attorney's fees; court costs; other expenses of litigation; and costs for inspection, sampling, analysis, and administration related to the enforcement action against the offending party are recoverable by the sanitary district in a civil action.

(i) The board of trustees may establish fees for late filing of reports with the sanitary district required by an ordinance governing discharges. The sanitary district shall provide by certified mail a written notice of the fee assessment that states the person has 30 days after the receipt of the notice to request a conference with the executive director's designee to discuss or dispute the appropriateness of the assessed fee. Unless a person objects to paying the fee for filing a report late by timely requesting in writing a conference with a designee of the executive director, that person waives his or her right to a conference and the sanitary district may impose a lien recorded against the property of the person for the amount of the unpaid fee.

If a person requests a conference and the matter is not resolved at the conference, the person subject to the fee may request an administrative hearing before an impartial hearing officer appointed under subsection (d) to determine the person's liability for and the amount of the fee. If the hearing officer finds that the late filing fees are owed to the sanitary district, the sanitary district shall notify the responsible person or persons of the hearing officer's decision. If payment is not made within 30 days after the notice, the sanitary district may impose a lien on the property of the person or persons.

Any liens filed under this subsection shall apply only to the property to which the late filing fees are related. A claim for lien shall be filed in the office of the recorder of the county in which the property is located. The filing of a claim for lien by the sanitary district does not prevent the sanitary district from pursuing other means for collecting late filing fees. If a claim for lien is filed, the sanitary district shall notify the person whose property is subject to the lien, and the person may challenge the lien by filing an action in the circuit court. The action shall be filed within 90 days after the person receives the notice of the filing of the claim for lien. The court shall hear evidence concerning the underlying reasons for the assessment of the fees.

for the lien only if an administrative hearing has not been held under this subsection.

(j) To be effective service under this Section, a demand or order sent by certified or registered mail to the last known address need not be received by the offending party. Service of the demand or order by registered or certified mail shall be deemed effective upon deposit in the United States mail with proper postage prepaid and addressed as provided in this Section.

(k) The provisions of the Administrative Review Law and all amendments and rules adopted pursuant to that Law apply to and govern all proceedings for the judicial review of final administrative decisions of the board of trustees in the enforcement of any ordinance, rule, or regulation adopted under this Act. The cost of preparing the record on appeal shall be paid by the person seeking a review of an order or action pursuant to the Administrative Review Law.

(l) The provisions of this Section are severable under Section 1.31 of the Statute on Statutes.

(a) The territory is contiguous to the annexing sanitary district or the territory is non-contiguous and the owner or owners of record have entered into an agreement requesting the annexation of the non-contiguous territory; and

The annexation shall be accomplished only by ordinance and the ordinance shall include a description of the annexed territory.
