Except as authorized by the Secretary, no person obtaining access to confidential supervisory information may make a copy of the confidential supervisory information. The Secretary may condition a decision to disclose confidential supervisory information on entry of a protective order by the court or administrative tribunal presiding in the particular case or on a written agreement of confidentiality. The Secretary may authorize a party who obtained the records for use in one case to provide them to another party in another case, subject to any conditions that the Secretary may impose on either or both parties. (b) In the event of noncompliance with a subpoena or subpoena duces tecum issued or caused to be issued by the Secretary, the Secretary may, through the Attorney General, petition the circuit court of the county in which the person subpoenaed resides or has its principal place of business for an order requiring the subpoenaed person to appear and testify and to produce such books, accounts, records, and other documents as are specified in the subpoena duces tecum. The court may grant injunctive relief restraining the person from advertising, promoting, soliciting, entering into, offering to enter into, continuing, or completing any student loan servicing transaction. The court may grant other relief, including, but not limited to, the restraint, by injunction or appointment of a receiver, of any transfer, pledge, assignment, or other disposition of the person's assets or any concealment, alteration, destruction, or other disposition of books, accounts, records, or other documents and materials as the court deems appropriate, until the person has fully complied with the subpoena or subpoena duces tecum and the Secretary has completed an investigation or examination.

(c) If it appears to the Secretary that the compliance with a subpoena or subpoena duces tecum issued or caused to be issued by the Secretary pursuant to this Section is essential to an investigation or examination, the Secretary, in addition to the other remedies provided for in this Act, may, through the Attorney General, apply for relief to the circuit court of the county in which the subpoenaed person resides or has its principal place of business. The court shall thereupon direct the issuance of an order against the subpoenaed person requiring sufficient bond conditioned on compliance with the subpoena or subpoena duces tecum. The court shall cause to be endorsed on the order a suitable amount of bond or payment pursuant to which the person named in the order shall be freed, having a due regard to the nature of the case.

(d) In addition, the Secretary may, through the Attorney General, seek a writ of attachment or an equivalent order from the circuit court having jurisdiction over the person who has refused to obey a subpoena, who has refused to give testimony, or who has refused to produce the matters described in the subpoena duces tecum.

2. that any fact or condition exists that, if it had existed at the time of the original application for the license, would have warranted the Secretary in refusing originally to issue the license; or
3. that if a licensee is other than an individual, any ultimate equitable owner, officer, director, or member of the licensed partnership, association, corporation, or other entity has acted or failed to act in a way that would be cause for suspending or revoking a license to that party as an individual.

(f) Every license issued under this Act shall remain in force and effect until the license expires without renewal, is surrendered, is revoked, or is suspended in accordance with the provisions of this Act, but the Secretary shall have authority to reinstate a suspended license or to issue a new license to a licensee whose license has been revoked if no fact or condition then exists which would have warranted the Secretary in refusing originally to issue that license under this Act.

(g) Whenever the Secretary revokes or suspends a license issued pursuant to this Act or fines a licensee under this Act, he or she shall execute a written order to that effect. The Secretary shall post notice of the order on an agency Internet site maintained by the Secretary or on the
Nationwide Mortgage Licensing System and Registry and shall serve a copy of the order upon the licensee. Any such order may be reviewed in the manner provided by Section 20-65 of this Act.

(h) If the Secretary finds any person in violation of the grounds set forth in subsection (i), he or she may enter an order imposing one or more of the following penalties:

6. failure to disburse funds in accordance with agreements;
(7) having a license, or the equivalent, to practice any profession or occupation revoked, suspended, or otherwise acted against, including the denial of licensure by a licensing authority of this State or another state, territory, or country for fraud, dishonest dealing, or any other act of moral turpitude;
(8) failure to comply with an order of the Secretary or rule made or issued under the provisions of this Act;
(9) engaging in activities regulated by this Act without a current, active license unless specifically exempted by this Act;
(10) failure to pay in a timely manner any fee, charge, or fine under this Act;
(11) failure to maintain, preserve, and keep available for examination all books, accounts, or other documents required by the provisions of this Act and the rules of the Secretary;

(l) Procedures for surrender of a license include the following:

(1) The Secretary may, after 10 days' notice by certified mail to the licensee at the address set forth on the license, stating the contemplated action and in general the grounds for the contemplated action and the date, time, and place of a hearing thereon, and after providing the licensee with a reasonable opportunity to be heard prior to such action, fine such licensee an amount not exceeding $25,000 per violation, or revoke or suspend any license issued under this Act if he or she finds that:
(i) the licensee has failed to comply with any provision of this Act or any order, decision, finding, rule, regulation, or direction of the Secretary lawfully made pursuant to the authority of this Act; or

(ii) any fact or condition exists that, if it had existed at the time of the original application for the license, clearly would have warranted the Secretary in refusing to issue the license.

(2) Any licensee may submit an application to surrender a license, but, upon the Secretary approving the surrender, it shall not affect the licensee's civil or criminal liability for acts committed prior to surrender or entitle the licensee to a return of any part of the license fee.

Section 20-35. Investigation of complaints. The Secretary shall at all times maintain staff and facilities adequate to receive, record, and investigate complaints and inquiries made by any person concerning this Act and any licensees under this Act. (2) For the purposes of investigating violations or complaints arising under this Act or for the purposes of examination, the Secretary may review, investigate, or examine any licensee, individual, or person subject to this Act as often as necessary in order to carry out the purposes of this Act. The Secretary may direct, subpoena, or order the attendance of and examine under oath all persons whose testimony may be required about the loans or the business or subject matter of any such examination or investigation, and may direct, subpoena, or order the person to produce books, accounts, records, files, and any other documents the Secretary deems relevant to the inquiry.

(3) Each licensee, individual, or person subject to this Act shall make available to the Secretary upon request the books and records relating to the operations of the licensee, individual, or person subject to this Act. Sec. 15. Insurer conduct.

(a) An insurer shall initially perform a comparison of its insureds', annuitants', and retained asset account holders' in-force policies, annuity contracts, and retained asset accounts in force on or after January 1, 2017 by using the full Death Master File. The initial comparison shall be completed on or before December 31, 2017, unless extended by the Department pursuant to administrative rule. An insurer required to perform a comparison of its insureds', annuitants', and retained asset account holders' in-force policies, annuity contracts, and retained asset accounts in force on or after January 1, 2012 shall perform a comparison of policies, annuity contracts, and retained asset accounts in force between January 1, 2012 and December 31, 2016 on or before December 31, 2018 by using the full Death Master File. perform a comparison of electronic searchable files concerning its insureds', annuitants', and retained asset account holders' in-force policies, annuity contracts, and retained asset accounts in force on or after January 1, 2000 shall perform a comparison of policies, annuity contracts, and retained asset accounts in force between January 1, 2000 and December 31, 2016 on or before December 31, 2018 by using the full Death Master File. Thereafter, an insurer shall perform a comparison on at least a semi-annual basis using the Death Master File update files for comparisons to identify potential matches of its insureds, annuitants, and retained asset account holders. In the event that one of the insurer's lines of business conducts a search for matches of its insureds, annuitants, and retained asset account holders against the Death Master File at intervals more frequently than semi-annually, then all lines of the insurer's business shall conduct searches for matches against the Death Master File with the same frequency. Within 6 months after acquisition of policies, annuity contracts, or retained asset accounts from another insurer, the acquiring insurer shall compare all newly acquired policies, annuity contracts, and retained asset accounts that were not searched by the previous insurer in compliance with this Act against the complete Death Master File to identify potential matches of its insureds, annuitants, and retained asset account holders. Upon any subsequent acquisition of policies, annuity contracts, or retained asset accounts from another insurer, when the previous insurer has already conducted a search of the newly acquired policies, annuity contracts, and retained asset accounts using the complete Death Master File, the acquiring insurer shall compare all newly acquired policies, annuity contracts, and retained asset accounts using all of the Death Master File updates since the time the previous insurer conducted the complete search to identify potential matches of its insureds, annuitants, and retained asset account holders.

An insured, an annuitant, or a retained asset account holder is presumed dead if the date of his or her death is indicated by the comparison required in this subsection (a), unless the insurer has competent and substantial evidence that the person is living, including, but not limited to, a contact made by the insurer with the person or his or her legal representative.

For those potential matches identified as a result of a Death Master File match, the insurer shall within 120 days after the date of death notice, if the insurer has not been contacted by a beneficiary, determine whether
benefits are due in accordance with the applicable policy or contract and, if
benefits are due in accordance with the applicable policy or contract:

(1) use good faith efforts, which shall be documented by the
insurer, to locate the beneficiary or beneficiaries; the Department
shall establish by administrative rule minimum standards for what
constitutes good faith efforts to locate a beneficiary, which shall
include: (A) searching insurer records; (B) the appropriate use of
First Class United States mail, e-mail addresses, and telephone
calls; and (C) reasonable efforts by insurers to obtain updated
contact information for the beneficiary or beneficiaries; good faith
efforts shall not include additional attempts to contact the
beneficiary at an address already confirmed not to be current; and

(2) provide the appropriate claims forms or instructions to
the beneficiary or beneficiaries to make a claim, including the need
to provide an official death certificate if applicable under the policy
or annuity contract.

(b) Insurers shall implement procedures to account for the
following when conducting searches of the Death Master File:

(1) common nicknames, initials used in lieu of a first or
middle name, use of a middle name, compound first and middle
names, and interchanged first and middle names;

(2) compound last names, maiden or married names, and
hyphens, blank spaces, or apostrophes in last names;

(3) transposition of the "month" and "date" portions of the
date of birth; and

(4) incomplete social security numbers.

(c) To the extent permitted by law, an insurer may disclose the
minimum necessary personal information about the insured, annuity
owner, retained asset account holder, or beneficiary to a person whom the
insurer reasonably believes may be able to assist the insurer with locating
the beneficiary or a person otherwise entitled to payment of the claims
proceeds.

(d) An insurer or its service provider shall not charge any
beneficiary or other authorized representative for any fees or costs
associated with a Death Master File search or verification of a Death
Master File match conducted pursuant to this Act.

(e) The benefits from a policy, annuity contract, or a retained asset
account, plus any applicable accrued interest, shall first be payable to the
designated beneficiaries or owners and, in the event the beneficiaries or

owners cannot be found, shall be reported and delivered to the State Treasurer pursuant to the Uniform Disposition of Unclaimed Property Act. Nothing in this subsection (e) is intended to alter the amounts reportable under the existing provisions of the Uniform Disposition of Unclaimed Property Act or to allow the imposition of additional statutory interest under Article XIV of the Illinois Insurance Code.

(f) Failure to meet any requirement of this Section with such frequency as to constitute a general business practice is a violation of Section 424 of the Illinois Insurance Code. Nothing in this Section shall be construed to create or imply a private cause of action for a violation of this Section.

The disclosure shall be set forth in a clear and conspicuous manner and at a minimum shall state the following:

Each state maintains an office of unclaimed property. Generally, if for a number of years an owner of property has not communicated directly with the holder of the property, and has not otherwise indicated an interest in or claimed the property, the property will be delivered to a state administered unclaimed property program. Upon such delivery, the owner will be able to recover the property from the state administered program without charge by the state. The unclaimed asset referred to in this Agreement has not yet been reported or remitted to any state unclaimed property office. Government Returns Bill with Recommendation For Change
Effective January 1, 2018.

PUBLIC ACT 100-0544
(House Bill No. 0688)

AN ACT concerning public employee benefits.
Be it enacted by the People of the State of Illinois, represented in the General Assembly:
Section 5. The Illinois Pension Code is amended by changing Sections 4-108, 4-108.6, and 6-227 and by adding Section 3-110.12 as follows:

(40 ILCS 5/3-110.12 new)
Sec. 3-110.12. Transfer to Article 4 fund.
(a) At any time during the 6 months following the effective date of this Section, an active member of an Article 4 firefighters’ pension fund may apply for transfer to that fund of up to 6 years of his or her creditable service accumulated in the police pension fund under this Article that is administered by the same unit of local government if that active member was not subject to disciplinary action when he or she terminated employment with that police department. The creditable service shall be transferred upon payment by the police pension fund to the Article 4 fund of an amount equal to:

(1) the amounts accumulated to the credit of the applicant on the books of the fund on the date of transfer for the service to be transferred; and
(2) employer contributions in an amount equal to the amount determined under item (1); and
(3) any interest paid by the applicant in order to reinstate service. Participation in the police pension fund with respect to the

transferred creditable service shall terminate on the date of transfer.

(b) At the time of applying for transfer of creditable service under this Section, an active member of an Article 4 firefighters' pension fund may, for the purpose of that transfer, reinstate creditable service that was terminated by receipt of a refund, by payment to the police pension fund of the amount of the refund with interest thereon at the rate of 6% per year, compounded annually, from the date of the refund to the date of payment.

(40 ILCS 5/4-108) (from Ch. 108 1/2, par. 4-108)

Sec. 4-108. Creditable service.

(a) Creditable service is the time served as a firefighter of a municipality. In computing creditable service, furloughs and leaves of absence without pay exceeding 30 days in any one year shall not be counted, but leaves of absence for illness or accident regardless of length, and periods of disability for which a firefighter received no disability pension payments under this Article, shall be counted.

(b) Furloughs and leaves of absence of 30 days or less in any one year may be counted as creditable service, if the firefighter makes the contribution to the fund that would have been required had he or she not been on furlough or leave of absence. To qualify for this creditable service, the firefighter must pay the required contributions to the fund not more than 90 days subsequent to the termination of the furlough or leave of absence, to the extent that the municipality has not made such contribution on his or her behalf.

(c) Creditable service includes:

(1) Service in the military, naval or air forces of the United States entered upon when the person was an active firefighter, provided that, upon applying for a permanent pension, and in accordance with the rules of the board the firefighter pays into the fund the amount that would have been contributed had he or she been a regular contributor during such period of service, if and to the extent that the municipality which the firefighter served made no such contributions in his or her behalf. The total amount of such creditable service shall not exceed 5 years, except that any firefighter who on July 1, 1973 had more than 5 years of such creditable service shall receive the total amount thereof as of that date.

(1.5) Up to 24 months of service in the military, naval, or air forces of the United States that was served prior to employment
by a municipality or fire protection district as a firefighter. To receive the credit for the military service prior to the employment as a firefighter, the firefighter must apply in writing to the fund and must make contributions to the fund equal to (i) the employee contributions that would have been required had the service been rendered as a member, plus (ii) an amount determined by the fund to be equal to the employer's normal cost of the benefits accrued for that military service, plus (iii) interest at the actuarially assumed rate provided by the Department of Financial and Professional Regulation, compounded annually from the first date of membership in the fund to the date of payment on items (i) and (ii). The changes to this paragraph (1.5) by this amendatory Act of the 95th General Assembly apply only to participating employees in service on or after its effective date.

(2) Service prior to July 1, 1976 by a firefighter initially excluded from participation by reason of age who elected to participate and paid the required contributions for such service.

(3) Up to 8 years of service by a firefighter as an officer in a statewide firefighters' association when he is on a leave of absence from a municipality's payroll, provided that (i) the firefighter has at least 10 years of creditable service as an active firefighter, (ii) the firefighter contributes to the fund the amount that he would have contributed had he remained an active member of the fund, (iii) the employee or statewide firefighter association contributes to the fund an amount equal to the employer's required contribution as determined by the board, and (iv) for all leaves of absence under this subdivision (3), including those beginning before the effective date of this amendatory Act of the 97th General Assembly, the firefighter continues to remain in sworn status, subject to the professional standards of the public employer or those terms established in statute.

(4) Time spent as an on-call fireman for a municipality, calculated at the rate of one year of creditable service for each 5 years of time spent as an on-call fireman, provided that (i) the firefighter has at least 18 years of creditable service as an active firefighter, (ii) the firefighter spent at least 14 years as an on-call firefighter for the municipality, (iii) the firefighter applies for such creditable service within 30 days after the effective date of this amendatory Act of 1989, (iv) the firefighter contributes to the Fund

New matter indicated by italics - deletions by strikeout
an amount representing employee contributions for the number of years of creditable service granted under this subdivision (4), based on the salary and contribution rate in effect for the firefighter at the date of entry into the Fund, to be determined by the board, and (v) not more than 3 years of creditable service may be granted under this subdivision (4).

Except as provided in Section 4-108.5, creditable service shall not include time spent as a volunteer firefighter, whether or not any compensation was received therefor. The change made in this Section by Public Act 83-0463 is intended to be a restatement and clarification of existing law, and does not imply that creditable service was previously allowed under this Article for time spent as a volunteer firefighter.

(5) Time served between July 1, 1976 and July 1, 1988 in the position of protective inspection officer or administrative assistant for fire services, for a municipality with a population under 10,000 that is located in a county with a population over 3,000,000 and that maintains a firefighters' pension fund under this Article, if the position included firefighting duties, notwithstanding that the person may not have held an appointment as a firefighter, provided that application is made to the pension fund within 30 days after the effective date of this amendatory Act of 1991, and the corresponding contributions are paid for the number of years of service granted, based upon the salary and contribution rate in effect for the firefighter at the date of entry into the pension fund, as determined by the Board.

(6) Service before becoming a participant by a firefighter initially excluded from participation by reason of age who becomes a participant under the amendment to Section 4-107 made by this amendatory Act of 1993 and pays the required contributions for such service.

(7) Up to 3 years of time during which the firefighter receives a disability pension under Section 4-110, 4-110.1, or 4-111, provided that (i) the firefighter returns to active service after the disability for a period at least equal to the period for which credit is to be established and (ii) the firefighter makes contributions to the fund based on the rates specified in Section 4-118.1 and the salary upon which the disability pension is based. These contributions may be paid at any time prior to the

New matter indicated by italics - deletions by strikeout
commencement of a retirement pension. The firefighter may, but need not, elect to have the contributions deducted from the disability pension or to pay them in installments on a schedule approved by the board. If not deducted from the disability pension, the contributions shall include interest at the rate of 6% per year, compounded annually, from the date for which service credit is being established to the date of payment. If contributions are paid under this subdivision (c)(7) in excess of those needed to establish the credit, the excess shall be refunded. This subdivision (c)(7) applies to persons receiving a disability pension under Section 4-110, 4-110.1, or 4-111 on the effective date of this amendatory Act of the 91st General Assembly, as well as persons who begin to receive such a disability pension after that date.

(8) Up to 6 years of service as a police officer and participant in an Article 3 police pension fund administered by the unit of local government that employs the firefighter under this Article, provided that the service has been transferred to, and the required payment received by, the Article 4 fund in accordance with Section 3-110.12 of this Code.

(40 ILCS 5/4-108.6)

Sec. 4-108.6. Transfer of creditable service to the Firemen's Annuity and Benefit Fund of Chicago.

(a) Until 6 months after the effective date of this amendatory Act of the 100th General Assembly, January 1, 2010, any active member of the Firemen's Annuity and Benefit Fund of Chicago may apply for transfer of up to 10 years of creditable service accumulated in any pension fund established under this Article to the Firemen's Annuity and Benefit Fund of Chicago. Such creditable service shall be transferred only upon payment by such pension fund to the Firemen's Annuity and Benefit Fund of Chicago of an amount equal to:

(1) the amounts accumulated to the credit of the applicant on the books of the fund on the date of transfer;

(2) employer contributions in an amount equal to the amount determined under subparagraph (1); and

(3) any interest paid by the applicant in order to reinstate service.

Participation in such pension fund as to any credits transferred under this Section shall terminate on the date of transfer.

(b) An active member of the Firemen's Annuity and Benefit Fund of Chicago applying for a transfer of creditable service under subsection (a) may reinstate credits and creditable service terminated upon receipt of a refund by payment to the Firemen's Annuity and Benefit Fund of Chicago of the amount of the refund with interest thereon at the actuarially assumed rate, compounded annually, from the date of the refund to the date of payment.

Sec. 6-227. Transfer of creditable service from Article 4. Until 6 months after the effective date of this amendatory Act of the 100th General Assembly, January 1, 2010, any active member of the Firemen's Annuity and Benefit Fund of Chicago may transfer to the Fund up to a total of 10 years of creditable service accumulated under Article 4 of this Code upon payment to the Fund within 5 years after the date of application of an amount equal to the difference between the amount of employee and employer contributions transferred to the Fund under Section 4-108.6 and the amounts determined by the Fund in accordance with this Section, plus interest on that difference at the actuarially assumed rate, compounded annually, from the date of service to the date of payment.

The Fund must determine the fireman's payment required to establish creditable service under this Section by taking into account the appropriate actuarial assumptions, including without limitation the fireman's service, age, and salary history; the level of funding of the Fund; and any other factors that the Fund determines to be relevant. For this purpose, the fireman's required payment should result in no significant increase to the Fund's unfunded actuarial accrued liability determined as of the most recent actuarial valuation, based on the same assumptions and methods used to develop and report the Fund's actuarial accrued liability and actuarial value of assets under Statement No. 25 of Governmental Accounting Standards Board or any subsequent applicable Statement.

(House Bill No. 1797)

AN ACT concerning State government.

WHEREAS, The State of Illinois has a strategic interest in the operations of the Illinois International Port District and its Board, whose function is to develop the District's port and harbor facilities, issue construction permits, regulate the District's facilities and waterways, establish and operate foreign trade zones, and govern and administer all the District area within Chicago's corporate limits; and

WHEREAS, The Illinois International Port District is a very significant driver of freight movement and economic activity throughout the State of Illinois, including the downstate waterways and especially the Mississippi River and the Illinois River; and

WHEREAS, In 2010, cargo shipments at the Port of Chicago directly or indirectly supported 6,930 jobs and generated $425,000,000 in revenue for Illinois firms, according to the Washington D.C.-based American Great Lakes Ports Association; and

WHEREAS, The Port of Chicago links rail and trucking lines with barges and ships supplying the Great Lakes and nearby rivers and handles an estimated 26,000,000 cargo tons annually throughout its 1,500 acre complex on the far south side, according to a recent estimate by a consortium of Great Lakes shipping interests; and

WHEREAS, In 1978, the Capital Development Board provided funds to the Illinois International Port District as authorized by Section 13 of the Capital Development Board Act, which provides for repayment by the Illinois International Port District using a flexible formula based on specified levels of revenues and profits; and

WHEREAS, In the over 30 years since that payment from the Capital Development Board, the Illinois International Port District has never been required to make a single payment to the Capital Development Board because it has never reached the levels of revenues and profits that would require such payment; and

WHEREAS, The Capital Development Board annually certifies to the Illinois International Port District that it owes no payment for the year to the Capital Development Board; and

WHEREAS, It is virtually impossible that the Illinois International Port District will ever reach the level of revenues and profits that would require it to make a payment to the Capital Development Board; and

WHEREAS, In its financial statements for each year since at least 2005, the Capital Development Board has "reserved" the entire amount lent to the Illinois International Port District, indicating that it does not expect any payments under the loan, and that non-payment of the loan would not require any future or present cash outlay by the Capital Development Board or the State; and

WHEREAS, For the reasons discussed above, the existence of this debt is of no value whatsoever to the State and serves only to limit the investment in the Port of Chicago and the amount of economic activity throughout Illinois water and rail lines; and

WHEREAS, Official forgiveness of the obligation from the Illinois International Port District to the Capital Development Board would benefit the entire State of Illinois by allowing greater investment in the State's waterways and freight facilities; therefore

Section 5. The Capital Development Board Act is amended by
changing Section 13 as follows:

(20 ILCS 3105/13) (from Ch. 127, par. 783)

Sec. 13. The Board may provide cargo handling facilities and
facilities designed for the movement of cargo to or from cargo handling
facilities for the use of regional port districts. Pursuant to appropriations
setting forth specific projects and regional port districts, the Board shall
contract with the regional port district named in the Act making the
appropriation for cargo handling facilities. Such contract shall provide that
the regional port district shall remit to the State of Illinois an amount equal
to not more than 20% of the gross receipts attributable to those facilities,
and not less than 20% of the profit attributable to those facilities, whether
collected by the regional port district or through an operator or other
intermediary, until the full amount appropriated and expended by the State
of Illinois has been remitted to the State. The exact amount of, the manner
of, the method of and the time for such remittances shall be agreed upon
by the particular port district and the Board acting through its Executive
Director, and such agreement may, from time to time, be amended by the
parties so as to alter or modify the amount of, manner of, method of and
time for the remittance, including, but not limited to, the temporary
forgiveness, suspension or delay of the remittances not to exceed 24
months for any single suspension or delay. The payback is subordinate
solely to any outstanding public bond agreements existing at the time of
the contract and solely for the period of time of the running of those bond
agreements. For any contract entered into under this Section, if, for a
period of 25 years, a regional port district has not been required to remit
any amount because the regional port district has failed to achieve the
required level of profit, then the regional port district shall not be
required to remit any amount under the contract.

This Section shall apply to all regional port district facilities to be
constructed by the Board, including projects for which appropriations or
reappropriations have been made prior to June 30, 1976, and to all
contracts existing prior to the effective date of this amendatory Act of
1985 as well as contracts entered into on or after such date.

(40 ILCS 5/15-139.5)
Sec. 15-139.5. Return to work by affected annuitant; notice and contribution by employer.

(a) An employer who employs or re-employs a person receiving a retirement annuity from the System in an academic year beginning on or after August 1, 2013 must notify the System of that employment within 60 days after employing the annuitant. The notice must include a summary of the contract of employment or specify the rate of compensation and the anticipated length of employment of that annuitant. The notice must specify whether the annuitant will be compensated from federal, corporate, foundation, or trust funds or grants of State funds that identify the principal investigator by name. The notice must include the employer's determination of whether or not the annuitant is an "affected annuitant" as defined in subsection (b).

The employer must also record, document, and certify to the System (i) the amount of compensation paid to the annuitant for
employment during the academic year, and (ii) the amount of that compensation, if any, that comes from either federal, corporate, foundation, or trust funds or grants of State funds that identify the principal investigator by name.

As used in this Section, "academic year" means the 12-month period beginning September 1.

For the purposes of this Section, an annuitant whose employment by an employer extends over more than one academic year shall be deemed to be re-employed by that employer in each of those academic years.

The System may specify the time, form, and manner of providing the determinations, notifications, certifications, and documentation required under this Section.

(b) A person receiving a retirement annuity from the System becomes an "affected annuitant" on the first day of the academic year following the academic year in which the annuitant first meets the following conditions:

(1) (Blank).

(2) While receiving a retirement annuity under this Article, the annuitant was employed on or after August 1, 2013 by one or more employers under this Article and received or became entitled to receive during an academic year compensation for that employment in excess of 40% of his or her highest annual earnings prior to retirement; except that compensation paid from federal, corporate, foundation, or trust funds or grants of State funds that identify the principal investigator by name is excluded. (3) The annuitant received an annualized retirement annuity under this Article of at least $10,000.

A person who becomes an affected annuitant remains an affected annuitant, except for (i) any period during which the person returns to active service and does not receive a retirement annuity from the System or (ii) any period on or after the effective date of this amendatory Act of the 100th General Assembly during which an annuitant received an annualized retirement annuity under this Article that is less than $10,000.

(c) It is the obligation of the employer to determine whether an annuitant is an affected annuitant before employing the annuitant. For that purpose the employer may require the annuitant to disclose and document his or her relevant prior employment and earnings history. Failure of the employer to make this determination correctly and in a timely manner or to

include this determination with the notification required under subsection (a) does not excuse the employer from making the contribution required under subsection (e).

The System may assist the employer in determining whether a person is an affected annuitant. The System shall inform the employer if it discovers that the employer's determination is inconsistent with the employment and earnings information in the System's records.

(d) Upon the request of an annuitant, the System shall certify to the annuitant or the employer the following information as reported by the employers, as that information is indicated in the records of the System: (i) the annuitant's highest annual earnings prior to retirement, (ii) the compensation paid for that employment in each academic year, and (iii) whether any of that employment or compensation has been certified to the System as being paid from federal, corporate, foundation, or trust funds or grants of State funds that identify the principal investigator by name. The System shall only be required to certify information that is received from the employers.

(e) In addition to the requirements of subsection (a), an employer who employs an affected annuitant must pay to the System an employer contribution in the amount and manner provided in this Section, unless the annuitant is compensated by that employer solely from federal, corporate, foundation, or trust funds or grants of State funds that identify the principal investigator by name.

The employer contribution required under this Section for employment of an affected annuitant in an academic year shall be equal to 12 times the amount of the gross monthly retirement annuity payable to the annuitant for the month in which the first paid day of that employment in that academic year occurs, after any reduction in that annuity that may be imposed under subsection (b) of Section 15-139.

If an affected annuitant is employed by more than one employer in an academic year, the employer contribution required under this Section shall be divided among those employers in proportion to their respective portions of the total compensation paid to the affected annuitant for that employment during that academic year.

If the System determines that an employer, without reasonable justification, has failed to make the determination of affected annuitant status correctly and in a timely manner, or has failed to notify the System or to correctly document or certify to the System any of the information required by this Section, and that failure results in a delayed determination
by the System that a contribution is payable under this Section, then the amount of that employer's contribution otherwise determined under this Section shall be doubled.

The System shall deem a failure to correctly determine the annuitant's status to be justified if the employer establishes to the System's satisfaction that the employer, after due diligence, made an erroneous determination that the annuitant was not an affected annuitant due to reasonable reliance on false or misleading information provided by the annuitant or another employer, or an error in the annuitant's official employment or earnings records.

(f) Whenever the System determines that an employer is liable for a contribution under this Section, it shall so notify the employer and certify the amount of the contribution. The employer may pay the required contribution without interest at any time within one year after receipt of the certification. If the employer fails to pay within that year, then interest shall be charged at a rate equal to the System's prescribed rate of interest, compounded annually from the 366th day after receipt of the certification from the System. Payment must be concluded within 2 years after receipt of the certification by the employer. If the employer fails to make complete payment, including applicable interest, within 2 years, then the System may, after giving notice to the employer, certify the delinquent amount to the State Comptroller, and the Comptroller shall thereupon deduct the certified delinquent amount from State funds payable to the employer and pay them instead to the System.

(g) If an employer is required to make a contribution to the System as a result of employing an affected annuitant and the annuitant later elects to forgo his or her annuity in that same academic year pursuant to subsection (c) of Section 15-139, then the required contribution by the employer shall be waived, and if the contribution has already been paid, it shall be refunded to the employer without interest.

(h) Notwithstanding any other provision of this Article, the employer contribution required under this Section shall not be included in the determination of any benefit under this Article or any other Article of this Code, regardless of whether the annuitant returns to active service, and is in addition to any other State or employer contribution required under this Article.

(i) Notwithstanding any other provision of this Section to the contrary, if an employer employs an affected annuitant in order to continue critical operations in the event of either an employee's unforeseen illness,
accident, or death or a catastrophic incident or disaster, then, for one and only one academic year, the employer is not required to pay the contribution set forth in this Section for that annuitant. The employer shall, however, immediately notify the System upon employing a person subject to this subsection (i). For the purposes of this subsection (i), "critical operations" means teaching services, medical services, student welfare services, and any other services that are critical to the mission of the employer.

(j) This Section shall be applied and coordinated with the regulatory obligations contained in the State Universities Civil Service Act. This Section shall not apply to an annuitant if the employer of that annuitant provides documentation to the System that (1) the annuitant is employed in a status appointment position, as that term is defined in 80 Ill. Adm. Code 250.80, and (2) due to obligations contained under the State Universities Civil Service Act, the employer does not have the ability to limit the earnings or duration of employment for the annuitant while employed in the status appointment position.

If, by law, a function of a governmental unit, as defined by Section 20-107 is transferred in whole or in part to an employer and an employee transfers employment from the governmental unit to such employer within 6 months after the transfer of this function, the pension credits in the governmental unit's retirement system which have been validated under Section 20-109, shall be treated the same as pension credits in this Section in determining an employee's eligibility for, and the duration of disability benefits.

A participant whose disability benefits are discontinued under the provisions of clause (6) of Section 15-152 and who is not a participant in the optional retirement plan established under Section 15-158.2 is entitled to a disability retirement annuity of 35% of the basic compensation which was payable to the participant at the time that disability began, provided that the board determines that the participant has a medically determinable physical or mental impairment that prevents him or her from engaging in any substantial gainful activity, and which can be expected to result in death or which has lasted or can be expected to last for a continuous period of not less than 12 months.

The board shall adopt rules governing the filing, investigation, control, and supervision of disability retirement annuity claims. Costs incurred by a claimant in connection with completing a claim for a disability retirement annuity shall be paid: (A) by the claimant in the case of the one required medical examination, medical certificate, and any other requirements generally imposed by the board on all disability retirement annuity claimants; and (B) by the System in the case of any additional medical examination or other additional requirement imposed on a particular claimant that is not imposed generally on all disability retirement annuity claimants.

(b) After a plan of conversion has been approved by a domestic converting entity and before a statement of conversion becomes effective, the plan may be abandoned:

(2) unless prohibited by the plan, in the same manner as the plan was approved.

(805 ILCS 215/103)

Sec. 103. Knowledge and notice.
(a) A person knows a fact if the person has actual knowledge of it.
(b) A person has notice of a fact if the person:
1. knows of it;
2. has received a notification of it;

New matter indicated by italics - deletions by strikeout
(3) has reason to know it exists from all of the facts known to the person at the time in question; or
(4) has notice of it under subsection (c) or (d).

(c) A certificate of limited partnership on file in the Office of the Secretary of State is notice that the partnership is a limited partnership and the persons designated in the certificate as general partners are general partners. Except as otherwise provided in subsection (d), the certificate is not notice of any other fact.

(d) A person has notice of:
   (1) another person's dissociation as a general partner, 90 days after the effective date of an amendment to the certificate of limited partnership which states that the other person has dissociated or 90 days after the effective date of a statement of dissociation pertaining to the other person, whichever occurs first;
   (2) a limited partnership's dissolution, 90 days after the effective date of an amendment to the certificate of limited partnership stating that the limited partnership is dissolved;
   (3) a limited partnership's termination, 90 days after the effective date of a statement of termination;

   (2) is delivered at the person's place of business or at any other place held out by the person as a place for receiving communications.

(g) Except as otherwise provided in subsection (h), a person other than an individual knows, has notice, or receives a notification of a fact for purposes of a particular transaction when the individual conducting the transaction for the person knows, has notice, or receives a notification of
the fact, or in any event when the fact would have been brought to the
individual's attention if the person had exercised reasonable diligence. A
person other than an individual exercises reasonable diligence if it
maintains reasonable routines for communicating significant information
to the individual conducting the transaction for the person and there is
reasonable compliance with the routines. Reasonable diligence does not
require an individual acting for the person to communicate information
unless the communication is part of the individual's regular duties or the
individual has reason to know of the transaction and that the transaction
would be materially affected by the information.

(h) A general partner's knowledge, notice, or receipt of a

(40 ILCS 5/1-160)
Sec. 1-160. Provisions applicable to new hires.

(a) The provisions of this Section apply to a person who, on or after January 1, 2011, first becomes a member or a participant under any reciprocal retirement system or pension fund established under this Code, other than a retirement system or pension fund established under Article 2, 3, 4, 5, 6, 15 or 18 of this Code, notwithstanding any other provision of this Code to the contrary, but do not apply to any self-managed plan established under this Code, to any person with respect to service as a sheriff's law enforcement employee under Article 7, or to any participant of the retirement plan established under Section 22-101. Notwithstanding anything to the contrary in this Section, for purposes of this Section, a person who participated in a retirement system under Article 15 prior to January 1, 2011 shall be deemed a person who first became a member or participant prior to January 1, 2011 under any retirement system or pension fund subject to this Section. The changes made to this Section by Public Act 98-596 are a clarification of existing law and are intended to be retroactive to January 1, 2011 (the effective date of Public Act 96-889), notwithstanding the provisions of Section 1-103.1 of this Code.

This Section does not apply to a person who first becomes a noncovered employee member or participant under Article 14 on or after the implementation date of the plan created under Section 1-161 for that Article, unless that person elects under subsection (b) of Section 1-161 to instead receive the benefits provided under this Section and the applicable provisions of that Article.

This Section does not apply to a person who first becomes a member or participant under Article 16 on or after the implementation date of the plan created under Section 1-161 for that Article, unless that person elects under subsection (b) of Section 1-161 to instead receive the benefits provided under this Section and the applicable provisions of that Article.

This Section does not apply to a person who first becomes a member or participant of an affected pension fund on or after 6 months after the resolution or ordinance date, as defined in Section 1-162, unless that person elects under subsection (c) of Section 1-162 to receive the benefits provided under this Section and the applicable provisions of the Article under which he or she is a member or participant.

For the purposes of a person who first becomes a member or participant of any retirement system or pension fund to which this Section applies on or after January 1, 2011, in this Code, "final average salary" shall be substituted for the following:

   (1) In Article 7 (except for service as sheriff's law enforcement employees), "final rate of earnings".
   (2) In Articles 8, 9, 10, 11, and 12, "highest average annual salary for any 4 consecutive years within the last 10 years of service immediately preceding the date of withdrawal".
   (3) In Article 13, "average final salary".

A person subject to this subsection who makes the required election shall remain bound by that election. A person subject to this subsection who fails for any reason to make the required election within the time specified in this subsection shall be deemed to have made the election under item (ii).

(e) Any retirement annuity or supplemental annuity shall be subject to annual increases on the January 1 occurring either on or after the attainment of age 67 (beginning January 1, 2015, age 65 with respect to service under Article 12 of this Code that is subject to this Section and beginning on the effective date of this amendatory Act of the 100th General Assembly, age 65 with respect to persons who: (i) first became members or participants under Article 8 or Article 11 of this Code on or after the effective date of this amendatory Act of the 100th General Assembly; or (ii) first became members or participants under Article 8 or Article 11 of this Code on or after January 1, 2011 and before the effective date of this amendatory Act of the 100th General Assembly and made the election under item (i) of subsection (d-10) of this Section or the first anniversary of the annuity start date, whichever is later. increase shall be calculated at 3% or one-half the annual unadjusted percentage increase (but not less than zero) in the consumer price index-u for the 12 months ending with the September preceding each November 1, whichever is less, of the originally granted retirement annuity. If the annual unadjusted percentage change in the consumer price index-u for the 12 months ending with the September preceding each November 1 is zero or there is a decrease, then the annuity shall not be increased.

For the purposes of Section 1-103.1 of this Code, the changes made to this Section by this amendatory Act of the 100th General Assembly are applicable without regard to whether the employee was in active service on or after the effective date of this amendatory Act of the 100th General Assembly.

If the annual unadjusted percentage change in the consumer price index-u for the 12 months ending with the September preceding each November 1 is zero or there is a decrease, then the annuity shall not be increased.

Be it enacted by the People of the State of Illinois, represented in the General Assembly:

Section 5. The Unemployment Insurance Act is amended by changing Sections 401, 403, 1505, and 1506.6 as follows:

(820 ILCS 405/401) (from Ch. 48, par. 401)
Sec. 401. Weekly Benefit Amount - Dependents' Allowances.
A. With respect to any week beginning in a benefit year beginning prior to January 4, 2004, an individual's weekly benefit amount shall be an amount equal to the weekly benefit amount as defined in the provisions of this Act as amended and in effect on November 18, 2011.
B. 1. With respect to any benefit year beginning on or after January 4, 2004 and before January 6, 2008, an individual's weekly benefit amount shall be 48% of his or her prior average weekly wage, rounded (if not already a multiple of one dollar) to the next higher dollar; provided, however, that the weekly benefit amount cannot exceed the maximum weekly benefit amount and cannot be less than $51. after January 6, 2008, an individual's weekly benefit amount shall be 47% of his or her prior average weekly wage, rounded (if not already a multiple of one dollar) to the next higher dollar; provided, however, that the weekly benefit amount cannot exceed the maximum weekly benefit amount and cannot be less than $51. With respect to any benefit year beginning in calendar year 2020, an individual's weekly benefit amount shall be 40.3% of his or her prior average weekly wage, rounded (if not already a multiple of one dollar) to the next higher dollar; provided, however, that the weekly benefit amount cannot exceed the maximum weekly benefit amount and cannot be less than $51.

2. For the purposes of this subsection:

An individual's "prior average weekly wage" means the total wages for insured work paid to that individual during the 2 calendar quarters of his base period in which such total wages were highest, divided by 26. If the quotient is not already a multiple of one dollar, it shall be rounded to the nearest dollar; however if the quotient is equally near 2 multiples of one dollar, it shall be rounded to the higher multiple of one dollar.

"Determination date" means June 1 and December 1 of each calendar year except that, for the purposes of this Act only, there shall be no June 1 determination date in any year.

"Determination period" means, with respect to each June 1 determination date, the 12 consecutive calendar months ending on the immediately preceding December 31 and, with respect to each December 1 determination date, the 12 consecutive calendar months ending on the immediately preceding June 30.

"Benefit period" means the 12 consecutive calendar month period beginning on the first day of the first calendar month immediately following a determination date, except that, with respect to any calendar year in which there is a June 1 determination date, "benefit period" shall mean the 6 consecutive calendar month period beginning on the first day of the first calendar month immediately following the preceding December 1 determination date and the 6 consecutive calendar month period beginning on the first day of the first calendar month immediately following the June 1 determination date.

"Gross wages" means all the wages paid to individuals during the determination period immediately preceding a determination date for insured work, and reported to the Director by employers prior to the first day of the third calendar month preceding that date.

"Covered employment" for any calendar month means the total number of individuals, as determined by the Director, engaged in insured work at mid-month.

"Average monthly covered employment" means one-twelfth of the sum of the covered employment for the 12 months of a determination period.

"Statewide average annual wage" means the quotient, obtained by dividing gross wages by average monthly covered employment for the same determination period, rounded (if not already a multiple of one cent) to the nearest cent.

"Statewide average weekly wage" means the quotient, obtained by dividing the statewide average annual wage by 52, rounded (if not already a multiple of one cent) to the nearest cent. Notwithstanding any provision of this Section to the contrary, the statewide average weekly wage for any benefit period prior to calendar year 2012 shall be as determined by the provisions of this Act as amended and in effect on November 18, 2011. Notwithstanding any provisions of this Section to the contrary, the statewide average weekly wage for the benefit period of calendar year 2012 shall be $856.55 and for each calendar year thereafter, the statewide average weekly wage shall be the statewide average weekly wage, as determined in accordance with this sentence, for the immediately preceding benefit period plus (or minus) an amount equal to the percentage change in the statewide average weekly wage, as computed in accordance with the first sentence of this paragraph, between the 2 immediately preceding benefit periods, multiplied by the statewide average weekly wage, as determined in accordance with this sentence, for the immediately preceding benefit period. However, for purposes of the Workers' Compensation Act, the statewide average weekly wage will be computed using June 1 and December 1 determination dates of each calendar year and such determination shall not be subject to the limitation of the statewide average weekly wage as computed in accordance with the preceding sentence of this paragraph.

With respect to any week beginning in a benefit year beginning prior to January 4, 2004, "maximum weekly benefit amount" with respect to each week beginning within a benefit period shall be as defined in the provisions of this Act as amended and in effect on November 18, 2011.

With respect to any benefit year beginning on or after January 4, 2004 and before January 6, 2008, "maximum weekly benefit amount" with respect to each week beginning within a benefit period means 48% of the

With respect to any benefit year beginning on or after January 6, 2008 and before January 1, 2010, an individual to whom benefits are payable with respect to any week shall, in addition to those benefits, be paid, with respect to such week, as follows: in the case of an individual with a nonworking spouse, 9% of his or her prior average weekly wage, rounded (if not already a multiple of one dollar) to the next higher dollar, provided, that the total amount payable to the individual with respect to a week shall not exceed 57% of the statewide average weekly wage, rounded (if not already a multiple of one dollar) to the next higher dollar; and in the case of an individual with a dependent child or dependent children, 17.2% of his or her prior average weekly wage, rounded (if not already a multiple of one dollar) to the next higher dollar, provided that the total amount payable to the individual with respect to a week shall not exceed 65.2% of the statewide average weekly wage, rounded (if not already a multiple of one dollar) to the next higher dollar.

The additional amount paid pursuant to this subsection in the case of an individual with a dependent child or dependent children shall be referred to as the "dependent child allowance", and the percentage rate by which an individual's prior average weekly wage is multiplied pursuant to this subsection to calculate the dependent child allowance shall be referred to as the "dependent child allowance rate".

Except as otherwise provided in this Section, with respect to any benefit year beginning on or after January 1, 2010, an individual to whom benefits are payable with respect to any week shall, in addition to those benefits, be paid, with respect to such week, as follows: in the case of an individual with a nonworking spouse, the greater of (i) 9% of his or her prior average weekly wage, rounded (if not already a multiple of one dollar) to the next higher dollar, or (ii) $15, provided that the total amount payable to the individual with respect to a week shall not exceed 56% of the statewide average weekly wage, rounded (if not already a multiple of one dollar) to the next higher dollar; and in the case of an individual with a dependent child or dependent children, the greater of (i) the product of the dependent child allowance rate multiplied by his or her prior average weekly wage, rounded (if not already a multiple of one dollar) to the next higher dollar, or (ii) the lesser of $50 or 50% of his or her weekly benefit amount, rounded (if not already a multiple of one dollar) to the next higher dollar, provided that the total amount payable to the individual with respect to a week shall not exceed the product of the statewide average weekly wage multiplied by the sum of 47% plus the dependent child allowance rate, rounded (if not already a multiple of one dollar) to the next higher dollar.

Sec. 1505. Adjustment of state experience factor. The state experience factor shall be adjusted in accordance with the following provisions:

A. For calendar years prior to 1988, the state experience factor shall be adjusted in accordance with the provisions of this Act as amended and in effect on November 18, 2011.

B. (Blank).

C. For calendar year 1988 and each calendar year thereafter, for which the state experience factor is being determined.

1. For every $50,000,000 (or fraction thereof) by which the adjusted trust fund balance falls below the target balance set forth in this subsection, the state experience factor for the succeeding year shall be increased one percent absolute.

For every $50,000,000 (or fraction thereof) by which the adjusted trust fund balance exceeds the target balance set forth in this subsection, the state experience factor for the succeeding year shall be decreased by one percent absolute.

The target balance in each calendar year prior to 2003 is $750,000,000. The target balance in calendar year 2003 is $920,000,000. The target balance in calendar year 2004 is $960,000,000. The target balance in calendar year 2005 and each calendar year thereafter is $1,000,000,000.
2. For the purposes of this subsection:

"Net trust fund balance" is the amount standing to the credit of this State's account in the unemployment trust fund as of June 30 of the calendar year immediately preceding the year for which a state experience factor is being determined.

"Adjusted trust fund balance" is the net trust fund balance minus the sum of the benefit reserves for fund building for July 1, 1987 through June 30 of the year prior to the year for which the state experience factor is being determined. The adjusted trust fund balance shall not be less than zero. If the preceding calculation results in a number which is less than zero, the amount by which it is less than zero shall reduce the sum of the benefit reserves for fund building for subsequent years.

For the purpose of determining the state experience factor for 1989 and for each calendar year thereafter, the following "benefit reserves for fund building" shall apply for each state experience factor calculation in which that 12 month period is applicable:

a. For the 12 month period ending on June 30, 1988, the "benefit reserve for fund building" shall be 8/104th of the total benefits paid from January 1, 1988 through June 30, 1988.

b. For the 12 month period ending on June 30, 1989, the "benefit reserve for fund building" shall be the sum of:

   i. 8/104ths of the total benefits paid from July 1, 1988 through December 31, 1988, plus
   ii. 4/108ths of the total benefits paid from January 1, 1989 through June 30, 1989.

c. For the 12 month period ending on June 30, 1990, the "benefit reserve for fund building" shall be 4/108ths of the total benefits paid from July 1, 1989 through December 31, 1989.

d. For 1992 and for each calendar year thereafter, the "benefit reserve for fund building" for the 12 month period ending on June 30, 1991 and for each subsequent 12 month period shall be zero.

3. Notwithstanding the preceding provisions of this subsection, for calendar years 1988 through 2003, the state

2. Shall not be less than 75 percent nor greater than 135 percent for calendar years 1989 through 2003; and shall not be less than 75% nor greater than 150% for calendar year 2004 and each calendar year thereafter, not counting any increase pursuant to subsection D-1, D-2, or D-3;
3. Shall not be decreased by more than 5 percent absolute for any calendar year, beginning in calendar year 1989 and through calendar year 1992, by more than 6% absolute for calendar years 1993 through 1995, by more than 10% absolute for calendar years 1999 through 2003 and by more than 12% absolute for calendar year 2004 and each calendar year thereafter, from the adjusted state experience factor of the calendar year preceding the calendar year for which the adjusted state experience factor is being determined;
4. Shall not be increased by more than 15% absolute for calendar year 1993, by more than 14% absolute for calendar years 1994 and 1995, by more than 10% absolute for calendar years 1999 through 2003 and by more than 16% absolute for calendar year 2004 and each calendar year thereafter, from the adjusted state experience factor for the calendar year preceding the calendar year for which the adjusted state experience factor is being determined;

D-1. The adjusted state experience factor for each of calendar years 2013 through 2015 shall be increased by 5% absolute above the adjusted state experience factor as calculated without regard to this subsection. The adjusted state experience factor for each of calendar years 2016 through 2018 shall be increased by 6% absolute above the adjusted state experience factor as calculated without regard to this subsection. The increase in the adjusted state experience factor for calendar year 2018 pursuant to this subsection shall not be counted for purposes of applying paragraph 3 or 4 of subsection D to the calculation of the adjusted state experience factor for calendar year 2019.

D-2. (Blank).

D-3. The adjusted state experience factor for calendar year 2020 shall be increased by 21% absolute above the adjusted state experience factor for calendar year 2019.
experience factor as calculated without regard to this subsection. The increase in the adjusted state experience factor for calendar year 2020 pursuant to this subsection shall not be counted for purposes of applying paragraph 3 or 4 of subsection D to the calculation of the adjusted state experience factor for calendar year 2021.

E. The amount standing to the credit of this State's account in the unemployment trust fund as of June 30 shall be deemed to include as part thereof (a) any amount receivable on that date from any Federal governmental agency, or as a payment in lieu of contributions under the provisions of Sections 1403 and 1405 B and paragraph 2 of Section 302C, in reimbursement of benefits paid to individuals, and (b) amounts credited by the Secretary of the Treasury of the United States to this State's account in the unemployment trust fund pursuant to Section 903 of the Federal Social Security Act, as amended, including any such amounts which have been appropriated by the General Assembly in accordance with the provisions of Section 2100 B for expenses of administration, except any amounts which have been obligated on or before that date pursuant to such appropriation.

(C) any other forcible felony committed while the recording or interception was approved in accordance with this subsection (q), but for this specific category of prosecutions, only if the law enforcement officer or person acting at the direction of a law enforcement officer who has consented to the conversation being intercepted or recorded suffers great bodily injury or is killed during the commission of the charged forcible felony.

(5) Compliance with the provisions of this subsection is a prerequisite to the admissibility in evidence of any part of the contents of any wire, electronic or oral communication that has been intercepted as a result of this exception, but nothing in this subsection shall be deemed to prevent a court from otherwise excluding the evidence on any other ground recognized by State or federal law, nor shall anything in this subsection be deemed to prevent a court from independently reviewing the admissibility of the evidence for compliance with the Fourth Amendment to the U.S. Constitution or with Article I, Section 6 of the Illinois Constitution.

(6) Use of recordings or intercepts unrelated to qualified offenses. Whenever any private conversation or private electronic communication has been recorded or intercepted as a result of this exception that is not related to an offense for which the recording or intercept is admissible under paragraph (4) of this subsection (q), no part of the contents of the communication and evidence derived from the communication may be received in evidence in any trial, hearing, or other proceeding in or before any court, grand jury, department, officer, agency, regulatory body,
legislative committee, or other authority of this State, or a political subdivision of the State, nor may it be publicly disclosed in any way.

(6.5) The Department of State Police shall adopt rules as are necessary concerning the use of devices, retention of recordings, and reports regarding their use under this subsection (q).

(70 ILCS 506/35)
Sec. 35. Bonds.
(a) The Authority, with the written approval of the Governor, shall have the continuing power to issue bonds, notes, or other evidences of indebtedness in an aggregate amount outstanding not to exceed $500,000,000 for the following purposes: (i) development, construction, acquisition, or improvement of projects, including those established by business entities locating or expanding property within the territorial jurisdiction of the Authority; (ii) entering into venture capital agreements with businesses locating or expanding within the territorial jurisdiction of the Authority; (iii) acquisition and improvement of any property necessary and useful in connection therewith; and (iv) for the purposes of the Employee Ownership Assistance Act. dispose of its interest-bearing revenue bonds, notes, or other evidences of indebtedness and may also from time to time issue and dispose of such bonds, notes, or other evidences of indebtedness to refund, at maturity, at a redemption date or in advance of either, any bonds, notes, or other evidences of indebtedness pursuant to redemption provisions or at any time before maturity. All such bonds, notes, or other evidences of indebtedness shall be payable solely and only from the revenues or income to be derived from loans made with respect to projects, from the leasing or sale of the projects, or from any other funds available to the Authority for such purposes. The bonds, notes, or other evidences of indebtedness may bear such date or dates, may mature at such time or times not exceeding 40 years from their respective dates, may bear interest at such rate or rates not exceeding the maximum rate permitted by the Bond Authorization Act, may be in such form, may carry such registration privileges, may be executed in such manner, may be payable at such place or places, may be made subject to redemption in such manner and upon such terms, with or without premium, as is stated on the face thereof, may be authenticated in such manner and may contain such terms and covenants as may be provided by an applicable resolution.

(b) The holder or holders of any bonds, notes, or other evidences of indebtedness issued by the Authority may bring suits at law or proceedings in equity to compel the performance and observance by any corporation or person or by the Authority or any of its agents or employees of any contract or covenant made with the holders of the bonds, notes, or other evidences of indebtedness, to compel such corporation, person, the Authority, and any of its agents or employees to perform any duties required to be performed for the benefit of the holders of the bonds, notes, or other evidences of indebtedness by the provision of the resolution authorizing their issuance and to enjoin the corporation, person, the Authority, and any of its agents or employees from taking any action in conflict with any contract or covenant.

(c) If the Authority fails to pay the principal of or interest on any of the bonds or premium, if any, as the bond becomes due, a civil action to compel payment may be instituted in the appropriate circuit court by the holder or holders of the bonds on which the default of payment exists or by an indenture trustee acting on behalf of the holders. Delivery of a summons and a copy of the complaint to the chairman of the Board shall constitute sufficient service to give the circuit court jurisdiction over the subject matter of the suit and jurisdiction over the Authority and its

officers named as defendants for the purpose of compelling such payment. Any case, controversy, or cause of action concerning the validity of this Act relates to the revenue of the State of Illinois.

(d) Notwithstanding the form and tenor of any bond, note, or other evidence of indebtedness and in the absence of any express recital on its face that it is non-negotiable, all such bonds, notes, and other evidences of indebtedness shall be negotiable instruments. Pending the preparation and execution of any bonds, notes, or other evidences of indebtedness, temporary bonds, notes, or evidences of indebtedness may be issued as provided by ordinance.

(e) To secure the payment of any or all of such bonds, notes, or other evidences of indebtedness, the revenues to be received by the Authority from a lease agreement or loan agreement shall be pledged, and, for the purpose of setting forth the covenants and undertakings of the Authority in connection with the issuance of the bonds, notes, or other evidences of indebtedness and the issuance of any additional bonds, notes or other evidences of indebtedness payable from such revenues, income, or other funds to be derived from projects, the Authority may execute and deliver a mortgage or trust agreement. A remedy for any breach or default of the terms of any mortgage or trust agreement by the Authority may be by mandamus proceeding in the appropriate circuit court to compel performance and compliance under the terms of the mortgage or trust agreement, but the trust agreement may prescribe by whom or on whose behalf the action may be instituted.

(f) Bonds or notes shall be secured as provided in the authorizing ordinance which may include, notwithstanding any other provision of this Act, in addition to any other security, a specific pledge, assignment of and lien on, or security interest in any or all revenues or money of the Authority, from whatever source, which may, by law, be used for debt service purposes and a specific pledge, or assignment of and lien on, or security interest in any funds or accounts established or provided for by ordinance of the Authority authorizing the issuance of the bonds or notes.

(g) The State of Illinois pledges to and agrees with the holders of the bonds and notes of the Authority issued pursuant to this Section that the State will not limit or alter the rights and powers vested in the Authority by this Act so as to impair the terms of any contract made by the Authority with the holders of bonds or notes or in any way impair the rights and remedies of those holders until the bonds and notes, together with interest thereon, with interest on any unpaid installments of interest,
and all costs and expenses in connection with any action or proceedings by
or on behalf of the holders, are fully met and discharged. In addition, the
State pledges to and agrees with the holders of the bonds and notes of the
Authority issued pursuant to this Section that the State will not limit or
alter the basis on which State funds are to be paid to the Authority as
provided in this Act, or the use of such funds, so as to impair the terms of
any such contract. The Authority is authorized to include these pledges and
agreements of the State in any contract with the holders of bonds or notes
issued pursuant to this Section.

PUBLIC ACT 100-0574
(House Bill No. 1764)

AN ACT concerning criminal law.
Be it enacted by the People of the State of Illinois, represented in
the General Assembly:

Section 5. The Code of Criminal Procedure of 1963 is amended by
changing Section 122-1 as follows:

(725 ILCS 5/122-1) (from Ch. 38, par. 122-1)
Sec. 122-1. Petition in the trial court.
(a) Any person imprisoned in the penitentiary may institute a
proceeding under this Article if the person asserts that:

(1) in the proceedings which resulted in his or her
conviction there was a substantial denial of his or her rights under
the Constitution of the United States or of the State of Illinois or
both; or

(2) the death penalty was imposed and there is newly
discovered evidence not available to the person at the time of the
proceeding that resulted in his or her conviction that establishes a
substantial basis to believe that the defendant is actually innocent
by clear and convincing evidence; or

New matter indicated by italics - deletions by strikeout
(3) by a preponderance of the evidence that each of the following allegations in the petition establish:

(A) he or she was convicted of a forcible felony;

(B) his or her participation in the offense was a direct result of the person's mental state either suffering from post-partum depression or post-partum psychosis;

(C) no evidence of post-partum depression or post-partum psychosis was presented by a qualified medical person at trial or sentencing, or both;

(D) he or she was unaware of the mitigating nature of the evidence or if aware was at the time unable to present this defense due to suffering from post-partum depression or post-partum psychosis or at the time of trial or sentencing neither was a recognized mental illness and as such unable to receive proper treatment; and

(E) evidence of post-partum depression or post-partum psychosis as suffered by the person is material and noncumulative to other evidence offered at the time of trial or sentencing and it is of such a conclusive character that it would likely change the sentence imposed by the original court.

Nothing in this paragraph (3) prevents a person from applying for any other relief under this Article or any other law otherwise available to him or her.

As used in this paragraph (3):

"Post-partum depression" means a mood disorder which strikes many women during and after pregnancy which usually occurs during pregnancy and up to 12 months after delivery. This depression can include anxiety disorders.

"Post-partum psychosis" means an extreme form of post-partum depression which can occur during pregnancy and up to 12 months after delivery. This can include losing touch with reality, distorted thinking, delusions, auditory and visual hallucinations, paranoia, hyperactivity and rapid speech, or mania.

(a-5) A proceeding under paragraph (2) of subsection (a) may be commenced within a reasonable period of time after the person's conviction notwithstanding any other provisions of this Article. In such a

New matter indicated by italics - deletions by strikeout
proceeding regarding actual innocence, if the court determines the petition is frivolous or is patently without merit, it shall dismiss the petition in a written order, specifying the findings of fact and conclusions of law it made in reaching its decision. Such order of dismissal is a final judgment and shall be served upon the petitioner by certified mail within 10 days of its entry.

(b) The proceeding shall be commenced by filing with the clerk of the court in which the conviction took place a petition (together with a copy thereof) verified by affidavit. Petitioner shall also serve another copy upon the State's Attorney by any of the methods provided in Rule 7 of the Supreme Court. The clerk shall docket the petition for consideration by the court pursuant to Section 122-2.1 upon his or her receipt thereof and bring the same promptly to the attention of the court.

(c) Except as otherwise provided in subsection (a-5), if the petitioner is under sentence of death and a petition for writ of certiorari is filed, no proceedings under this Article shall be commenced more than 6 months after the conclusion of proceedings in the United States Supreme Court, unless the petitioner alleges facts showing that the delay was not due to his or her culpable negligence. If a petition for certiorari is not filed, no proceedings under this Article shall be commenced more than 6 months from the date for filing a certiorari petition, unless the petitioner alleges facts showing that the delay was not due to his or her culpable negligence.

When a defendant has a sentence other than death, no proceedings under this Article shall be commenced more than 6 months after the conclusion of proceedings in the United States Supreme Court, unless the petitioner alleges facts showing that the delay was not due to his or her culpable negligence. If a petition for certiorari is not filed, no proceedings under this Article shall be commenced more than 6 months from the date for filing a certiorari petition, unless the petitioner alleges facts showing that the delay was not due to his or her culpable negligence. If a defendant does not file a direct appeal, the post-conviction petition shall be filed no later than 3 years from the date of conviction, unless the petitioner alleges facts showing that the delay was not due to his or her culpable negligence.

This limitation does not apply to a petition advancing a claim of actual innocence.

(d) A person seeking relief by filing a petition under this Section must specify in the petition or its heading that it is filed under this Section. A trial court that has received a petition complaining of a conviction or sentence that fails to specify in the petition or its heading that it is filed
under this Section need not evaluate the petition to determine whether it could otherwise have stated some grounds for relief under this Article.

(e) A proceeding under this Article may not be commenced on behalf of a defendant who has been sentenced to death without the written consent of the defendant, unless the defendant, because of a mental or physical condition, is incapable of asserting his or her own claim.

(f) Except for petitions brought under paragraph (3) of subsection (a) of this Section, only one petition may be filed by a petitioner under this Article without leave of the court. Leave of court may be granted only if a petitioner demonstrates cause for his or her failure to bring the claim in his or her initial post-conviction proceedings and prejudice results from that failure. For purposes of this subsection (f): (1) a prisoner shows cause by identifying an objective factor that impeded his or her ability to raise a specific claim during his or her initial post-conviction proceedings; and (2) a prisoner shows prejudice by demonstrating that the claim not raised during his or her initial post-conviction proceedings so infected the trial that the resulting conviction or sentence violated due process.

Section 10. The Unified Code of Corrections is amended by changing Section 5-5-3.1 as follows:

Sec. 5-5-3.1. Factors in mitigation.

(a) The following grounds shall be accorded weight in favor of withholding or minimizing a sentence of imprisonment:

(1) The defendant's criminal conduct neither caused nor threatened serious physical harm to another.

(2) The defendant did not contemplate that his criminal conduct would cause or threaten serious physical harm to another.

(3) The defendant acted under a strong provocation.

(4) There were substantial grounds tending to excuse or justify the defendant's criminal conduct, though failing to establish a defense.

(5) The defendant's criminal conduct was induced or facilitated by someone other than the defendant.

(6) The defendant has compensated or will compensate the victim of his criminal conduct for the damage or injury that he sustained.

New matter indicated by italics - deletions by strikeout
(7) The defendant has no history of prior delinquency or criminal activity or has led a law-abiding life for a substantial period of time before the commission of the present crime.

(8) The defendant's criminal conduct was the result of circumstances unlikely to recur.

(9) The character and attitudes of the defendant indicate that he is unlikely to commit another crime.

(10) The defendant is particularly likely to comply with the terms of a period of probation.

(11) The imprisonment of the defendant would entail excessive hardship to his dependents.

(12) The imprisonment of the defendant would endanger his or her medical condition.

(13) The defendant was a person with an intellectual disability as defined in Section 5-1-13 of this Code.

(14) The defendant sought or obtained emergency medical assistance for an overdose and was convicted of a Class 3 felony or higher possession, manufacture, or delivery of a controlled, counterfeit, or look-alike substance or a controlled substance analog under the Illinois Controlled Substances Act or a Class 2 felony or higher possession, manufacture or delivery of methamphetamine under the Methamphetamine Control and Community Protection Act.

(15) At the time of the offense, the defendant is or had been the victim of domestic violence and the effects of the domestic violence tended to excuse or justify the defendant's criminal conduct. As used in this paragraph (15), "domestic violence" means abuse as defined in Section 103 of the Illinois Domestic Violence Act of 1986.

(16) At the time of the offense, the defendant was suffering from a serious mental illness which, though insufficient to establish the defense of insanity, substantially affected his or her ability to understand the nature of his or her acts or to conform his or her conduct to the requirements of the law.

(17) At the time of the offense, the defendant was suffering from post-partum depression or post-partum psychosis which was either undiagnosed or untreated, or both, and this temporary mental illness tended to excuse or justify the defendant's criminal conduct and the defendant has been diagnosed as suffering from

post-partum depression or post-partum psychosis, or both, by a qualified medical person and the diagnoses or testimony, or both, was not used at trial. In this paragraph (17):

"Post-partum depression" means a mood disorder which strikes many women during and after pregnancy which usually occurs during pregnancy and up to 12 months after delivery. This depression can include anxiety disorders.

"Post-partum psychosis" means an extreme form of post-partum depression which can occur during pregnancy and up to 12 months after delivery. This can include losing touch with reality, distorted thinking, delusions, auditory and visual hallucinations, paranoia, hyperactivity and rapid speech, or mania.

(b) If the court, having due regard for the character of the offender, the nature and circumstances of the offense and the public interest finds that a sentence of imprisonment is the most appropriate disposition of the offender, or where other provisions of this Code mandate the imprisonment of the offender, the grounds listed in paragraph (a) of this subsection shall be considered as factors in mitigation of the term imposed.

Each day of sentence credit shall reduce by one day the prisoner's period of imprisonment or recommitment under Section 3-3-9.

(2.2) A prisoner serving a term of natural life imprisonment or a prisoner who has been sentenced to death shall receive no sentence credit.

(2.3) The rules and regulations on sentence credit shall provide that a prisoner who is serving a sentence for aggravated driving under the influence of alcohol, other drug or drugs, or intoxicating compound or compounds, or any combination thereof as defined in subparagraph (F) of paragraph (1) of subsection (d) of Section 11-501 of the Illinois Vehicle Code, shall receive no more than 4.5 days of sentence credit for each month of his or her sentence of imprisonment.

(2.4) The rules and regulations on sentence credit shall provide with respect to the offenses of aggravated battery with a machine gun or a firearm equipped with any device or attachment designed or used for silencing the report of a firearm or aggravated discharge of a machine gun or a firearm equipped with any device or attachment designed or used for

(3) The rules and regulations shall also provide that the Director may award up to 180 days additional sentence credit for good conduct in specific instances as the Director deems proper. The good conduct may include, but is not limited to, compliance with the rules and regulations of the Department, service to the Department, service to a community, or service to the State. However, the Director shall not award more than 90 days of sentence credit for good conduct to any prisoner who is serving a sentence for conviction of first degree murder, reckless homicide while under the influence of alcohol or any other drug, or aggravated driving under the influence of alcohol, other drug or drugs, or intoxicating compound or compounds, or any combination thereof as defined in subparagraph (F) of paragraph (1) of subsection (d) of Section 11-501 of the Illinois Vehicle Code, aggravated kidnapping, kidnapping, predatory criminal sexual assault of a child, aggravated criminal sexual assault, criminal sexual assault, deviate sexual assault, aggravated criminal sexual abuse, aggravated indecent liberties with a child, indecent liberties with a child, child pornography, heinous battery as described in Section 12-4.1 or subdivision (a)(2) of Section 12-3.05, aggravated battery of a spouse, aggravated battery of a spouse with a firearm, stalking, aggravated stalking, aggravated battery of a child as described in Section 12-4.3 or subdivision (b)(1) of Section 12-3.05, endangering the life or health of a child, or cruelty to a child. Notwithstanding the foregoing, sentence credit
for good conduct shall not be awarded on a sentence of imprisonment imposed for conviction of: (i) one of the offenses enumerated in subdivision (a)(2)(i), (ii), or (iii) when the offense is committed on or after June 19, 1998 or subdivision (a)(2)(iv) when the offense is committed on or after June 23, 2005 (the effective date of Public Act 94-71) or subdivision (a)(2)(v) when the offense is committed on or after August 13, 2007 (the effective date of Public Act 95-134) or subdivision (a)(2)(vi) when the offense is committed on or after June 1, 2008 (the effective date of Public Act 95-625) or subdivision (a)(2)(vii) when the offense is committed on or after July 23, 2010 (the effective date of Public Act 96-1224), (ii) aggravated driving under the influence of alcohol, other drug or drugs, or intoxicating compound or compounds, or any combination thereof as defined in subparagraph (F) of paragraph (1) of subsection (d) of Section 11-501 of the Illinois Vehicle Code, (iii) one of the offenses enumerated in subdivision (a)(2.4) when the offense is committed on or after July 15, 1999 (the effective date of Public Act 91-121), (iv) aggravated arson when the offense is committed on or after July 27, 2001 (the effective date of Public Act 92-176), (v) offenses that may subject the offender to commitment under the Sexually Violent Persons Commitment Act, or (vi) aggravated driving under the influence of alcohol, other drug or drugs, or intoxicating compound or compounds or any combination thereof as defined in subparagraph (C) of paragraph (1) of subsection (d) of Section 11-501 of the Illinois Vehicle Code committed on or after January 1, 2011 (the effective date of Public Act 96-1230).

Eligible inmates for an award of sentence credit under this paragraph (3) may be selected to receive the credit at the Director's or his or her designee's sole discretion. Consideration may be based on, but not limited to, any available risk assessment analysis on the inmate, any history of conviction for violent crimes as defined by the Rights of Crime Victims and Witnesses Act, facts and circumstances of the inmate's holding offense or offenses, and the potential for rehabilitation.

The Director shall not award sentence credit under this paragraph (3) to an inmate unless the inmate has served a minimum of 60 days of the sentence; except nothing in this paragraph shall be construed to permit the Director to extend an inmate's sentence beyond that which was imposed by the court. Prior to awarding credit under this paragraph (3), the Director shall make a written determination that the inmate:

(A) is eligible for the sentence credit;

New matter indicated by italics - deletions by strikeout
(B) has served a minimum of 60 days, or as close to 60 days as the sentence will allow; and
(C) has met the eligibility criteria established by rule.

The Director shall determine the form and content of the written determination required in this subsection.

(3.5) The Department shall provide annual written reports to the Governor and the General Assembly on the award of sentence credit for good conduct, with the first report due January 1, 2014. The Department must publish both reports on its website within 48 hours of transmitting the reports to the Governor and the General Assembly. The reports must include:

(A) the number of inmates awarded sentence credit for good conduct;
(B) the average amount of sentence credit for good conduct awarded;
(C) the holding offenses of inmates awarded sentence credit for good conduct; and
(D) the number of sentence credit for good conduct revocations.

(4) The rules and regulations shall also provide that the sentence credit accumulated and retained under paragraph (2.1) of subsection (a) of this Section by any inmate during specific periods of time in which such inmate is engaged full-time in substance abuse programs, correctional industry assignments, educational programs, behavior modification programs, life skills courses, or re-entry planning provided by the Department under this paragraph (4) and satisfactorily completes the assigned program as determined by the standards of the Department, shall be multiplied by a factor of 1.25 for program participation before August 11, 1993 and 1.50 for program participation on or after that date. The rules and regulations shall also provide that sentence credit, subject to the same offense limits and multiplier provided in this paragraph, may be provided to an inmate who was held in pre-trial detention prior to his or her current commitment to the Department of Corrections and successfully completed a full-time, 60-day or longer substance abuse program, educational program, behavior modification program, life skills course, or re-entry planning provided by the county department of corrections or county jail. Calculation of this county program credit shall be done at sentencing as provided in Section 5-4.5-100 of this Code and shall be included in the sentencing order. However, no inmate shall be eligible for the additional

sentence credit under this paragraph (4) or (4.1) of this subsection (a) while assigned to a boot camp or electronic detention, or if convicted of an offense enumerated in subdivision (a)(2)(i), (ii), or (iii) of this Section that is committed on or after June 19, 1998 or subdivision (a)(2)(iv) of this Section that is committed on or after June 23, 2005 (the effective date of Public Act 94-71) or subdivision (a)(2)(v) of this Section that is committed on or after August 13, 2007 (the effective date of Public Act 95-134) or subdivision (a)(2)(vi) when the offense is committed on or after June 1, 2008 (the effective date of Public Act 95-625) or subdivision (a)(2)(vii) when the offense is committed on or after July 23, 2010 (the effective date of Public Act 96-1224), or if convicted of aggravated driving under the influence of alcohol, other drug or drugs, or intoxicating compound or compounds or any combination thereof as defined in subparagraph (F) of paragraph (1) of subsection (d) of Section 11-501 of the Illinois Vehicle Code, or if convicted of aggravated driving under the influence of alcohol, other drug or drugs, or intoxicating compound or compounds or any combination thereof as defined in subparagraph (C) of paragraph (1) of subsection (d) of Section 11-501 of the Illinois Vehicle Code committed on or after January 1, 2011 (the effective date of Public Act 96-1230), or if convicted of an offense enumerated in paragraph (a)(2.4) of this Section that is committed on or after July 15, 1999 (the effective date of Public Act 91-121), or first degree murder, a Class X felony, criminal sexual assault, felony criminal sexual abuse, aggravated criminal sexual abuse, aggravated battery with a firearm as described in Section 12-4.2 or subdivision (e)(1), (e)(2), (e)(3), or (e)(4) of Section 12-3.05, or any predecessor or successor offenses with the same or substantially the same elements, or any inchoate offenses relating to the foregoing offenses. No inmate shall be eligible for the additional good conduct credit under this paragraph (4) who (i) has previously received increased good conduct credit under this paragraph (4) and has subsequently been convicted of a felony, or (ii) has previously served more than one prior sentence of imprisonment for a felony in an adult correctional facility.

Educational, vocational, substance abuse, behavior modification programs, life skills courses, re-entry planning, and correctional industry programs under which sentence credit may be increased under this paragraph (4) and paragraph (4.1) of this subsection (a) shall be evaluated by the Department on the basis of documented standards. The Department shall report the results of these evaluations to the Governor and the

New matter indicated by italics - deletions by strikeout
General Assembly by September 30th of each year. The reports shall include data relating to the recidivism rate among program participants.

Availability of these programs shall be subject to the limits of fiscal resources appropriated by the General Assembly for these purposes. Eligible inmates who are denied immediate admission shall be placed on a waiting list under criteria established by the Department. The inability of any inmate to become engaged in any such programs by reason of insufficient program resources or for any other reason established under the rules and regulations of the Department shall not be deemed a cause of action under which the Department or any employee or agent of the Department shall be liable for damages to the inmate.

(4.1) The rules and regulations shall also provide that an additional 90 days of sentence credit shall be awarded to any prisoner who passes high school equivalency testing while the prisoner is committed to the Department of Corrections. The sentence credit awarded under this paragraph (4.1) shall be in addition to, and shall not affect, the award of sentence credit under any other paragraph of this Section, but shall also be pursuant to the guidelines and restrictions set forth in paragraph (4) of subsection (a) of this Section. The sentence credit provided for in this paragraph shall be available only to those prisoners who have not previously earned a high school diploma or a high school equivalency certificate. If, after an award of the high school equivalency testing sentence credit has been made, the Department determines that the prisoner was not eligible, then the award shall be revoked. The Department may also award 90 days of sentence credit to any committed person who passed high school equivalency testing while he or she was held in pre-trial detention prior to the current commitment to the Department of Corrections.

(4.5) The rules and regulations on sentence credit shall also provide that when the court's sentencing order recommends a prisoner for substance abuse treatment and the crime was committed on or after September 1, 2003 (the effective date of Public Act 93-354), the prisoner shall receive no sentence credit awarded under clause (3) of this subsection (a) unless he or she participates in and completes a substance abuse treatment program. The Director may waive the requirement to participate in or complete a substance abuse treatment program and award the sentence credit in specific instances if the prisoner is not a good candidate for a substance abuse treatment program for medical, programming, or operational reasons. Availability of substance abuse treatment shall be
subject to the limits of fiscal resources appropriated by the General Assembly for these purposes. If treatment is not available and the requirement to participate and complete the treatment has not been waived by the Director, the prisoner shall be placed on a waiting list under criteria established by the Department. The Director may allow a prisoner placed on a waiting list to participate in and complete a substance abuse education class or attend substance abuse self-help meetings in lieu of a substance abuse treatment program. A prisoner on a waiting list who is not placed in a substance abuse program prior to release may be eligible for a waiver and receive sentence credit under clause (3) of this subsection (a) at the discretion of the Director.

(4.6) The rules and regulations on sentence credit shall also provide that a prisoner who has been convicted of a sex offense as defined in Section 2 of the Sex Offender Registration Act shall receive no sentence credit unless he or she either has successfully completed or is participating in sex offender treatment as defined by the Sex Offender Management Board. However, prisoners who are waiting to receive treatment, but who are unable to do so due solely to the lack of resources on the part of the Department, may, at the Director's sole discretion, be awarded sentence credit at a rate as the Director shall determine.

(5) Whenever the Department is to release any inmate earlier than it otherwise would because of a grant of sentence credit for good conduct under paragraph (3) of subsection (a) of this Section given at any time during the term, the Department shall give reasonable notice of the impending release not less than 14 days prior to the date of the release to the State's Attorney of the county where the prosecution of the inmate took place, and if applicable, the State's Attorney of the county into which the inmate will be released. The Department must also make identification information and a recent photo of the inmate being released accessible on the Internet by means of a hyperlink labeled "Community Notification of Inmate Early Release" on the Department's World Wide Web homepage. The identification information shall include the inmate's: name, any known alias, date of birth, physical characteristics, commitment offense and county where conviction was imposed. The identification information shall be placed on the website within 3 days of the inmate's release and the information may not be removed until either: completion of the first year of mandatory supervised release or return of the inmate to custody of the Department.
(b) Whenever a person is or has been committed under several convictions, with separate sentences, the sentences shall be construed under Section 5-8-4 in granting and forfeiting of sentence credit.

(c) The Department shall prescribe rules and regulations for revoking sentence credit, including revoking sentence credit awarded for good conduct under paragraph (3) of subsection (a) of this Section. The Department shall prescribe rules and regulations for suspending or reducing the rate of accumulation of sentence credit for specific rule violations, during imprisonment. These rules and regulations shall provide that no inmate may be penalized more than one year of sentence credit for any one infraction.

When the Department seeks to revoke, suspend or reduce the rate of accumulation of any sentence credits for an alleged infraction of its rules, it shall bring charges therefor against the prisoner sought to be so deprived of sentence credits before the Prisoner Review Board as provided in subparagraph (a)(4) of Section 3-3-2 of this Code, if the amount of credit at issue exceeds 30 days or when during any 12 month period, the cumulative amount of credit revoked exceeds 30 days except where the infraction is committed or discovered within 60 days of scheduled release. In those cases, the Department of Corrections may revoke up to 30 days of sentence credit. The Board may subsequently approve the revocation of additional sentence credit, if the Department seeks to revoke sentence credit in excess of 30 days. However, the Board shall not be empowered to review the Department's decision with respect to the loss of 30 days of sentence credit within any calendar year for any prisoner or to increase any penalty beyond the length requested by the Department.

The Director of the Department of Corrections, in appropriate cases, may restore up to 30 days of sentence credits which have been revoked, suspended or reduced. Any restoration of sentence credits in excess of 30 days shall be subject to review by the Prisoner Review Board. However, the Board may not restore sentence credit in excess of the amount requested by the Director.

Nothing contained in this Section shall prohibit the Prisoner Review Board from ordering, pursuant to Section 3-3-9(a)(3)(i)(B), that a prisoner serve up to one year of the sentence imposed by the court that was not served due to the accumulation of sentence credit.

(d) If a lawsuit is filed by a prisoner in an Illinois or federal court against the State, the Department of Corrections, or the Prisoner Review Board, or against any of their officers or employees, and the court makes a

New matter indicated by italics - deletions by strikeout
specific finding that a pleading, motion, or other paper filed by the prisoner is frivolous, the Department of Corrections shall conduct a hearing to revoke up to 180 days of sentence credit by bringing charges against the prisoner sought to be deprived of the sentence credits before the Prisoner Review Board as provided in subparagraph (a)(8) of Section 3-3-2 of this Code. If the prisoner has not accumulated 180 days of sentence credit at the time of the finding, then the Prisoner Review Board may revoke all sentence credit accumulated by the prisoner.

For purposes of this subsection (d):
(1) "Frivolous" means that a pleading, motion, or other filing which purports to be a legal document filed by a prisoner in his or her lawsuit meets any or all of the following criteria:
   (A) it lacks an arguable basis either in law or in fact;
   (B) it is being presented for any improper purpose, such as to harass or to cause unnecessary delay or needless increase in the cost of litigation;
   (C) the claims, defenses, and other legal contentions therein are not warranted by existing law or by a nonfrivolous argument for the extension, modification, or reversal of existing law or the establishment of new law;
   (D) the allegations and other factual contentions do not have evidentiary support or, if specifically so identified, are not likely to have evidentiary support after a reasonable opportunity for further investigation or discovery; or
   (E) the denials of factual contentions are not warranted on the evidence, or if specifically so identified, are not reasonably based on a lack of information or belief.

subsection (a), the rules and regulations shall also provide that the Director may award up to 180 days of earned sentence credit for good conduct in specific instances as the Director deems proper. The good conduct may include, but is not limited to, compliance with the rules and regulations of the Department, service to the Department, service to a community, or service to the State.

Eligible inmates for an award of earned sentence credit under this paragraph (3) may be selected to receive the credit at the Director's or his or her designee's sole discretion. Eligibility for the additional earned sentence credit under this paragraph (3) shall be based on, but is not limited to, the results of any available risk/needs assessment or other relevant assessments or evaluations administered by the Department using a validated instrument, the circumstances of the crime, any history of conviction for a forcible felony enumerated in Section 2-8 of the Criminal Code of 2012, the inmate's behavior and disciplinary history while incarcerated, and the inmate's commitment to rehabilitation, including participation in programming offered by the Department.

The Director shall not award sentence credit under this paragraph (3) to an inmate unless the inmate has served a minimum of 60 days of the sentence; except nothing in this paragraph shall be construed to permit the Director to extend an inmate's sentence beyond that which was imposed by the court. Prior to awarding credit under this paragraph (3), the Director shall make a written determination that the inmate:

(A) is eligible for the earned sentence credit;
(B) has served a minimum of 60 days, or as close to 60 days as the sentence will allow;
(B-1) has received a risk/needs assessment or other relevant evaluation or assessment administered by the Department using a validated instrument; and
(C) has met the eligibility criteria established under paragraph (4) of this subsection (a) and by rule for earned sentence credit.

The Director shall determine the form and content of the written determination required in this subsection.

(3.5) The Department shall provide annual written reports to the Governor and the General Assembly on the award of earned sentence credit no later than February 1 of each year. The Department must publish both reports on its website within 48 hours of transmitting the reports to the Governor and the General Assembly. The reports must include:

New matter indicated by italics - deletions by strikeout
(A) the number of inmates awarded earned sentence credit;
(B) the average amount of earned sentence credit awarded;
(C) the holding offenses of inmates awarded earned sentence credit; and
(D) the number of earned sentence credit revocations.

(4) Except as provided in paragraph (4.7) of this subsection (a), the rules and regulations shall also provide that the sentence credit accumulated and retained under paragraph (2.1) of subsection (a) of this Section by any inmate during specific periods of time in which such inmate is engaged full-time in substance abuse programs, correctional industry assignments, educational programs, behavior modification programs, life skills courses, or re-entry planning provided by the Department under this paragraph (4) and satisfactorily completes the assigned program as determined by the standards of the Department, shall be multiplied by a factor of 1.25 for program participation before August 11, 1993 and 1.50 for program participation on or after that date. The rules and regulations shall also provide that sentence credit, subject to the same offense limits and multiplier provided in this paragraph, may be provided to an inmate who was held in pre-trial detention prior to his or her current commitment to the Department of Corrections and successfully completed a full-time, 60-day or longer substance abuse program, educational program, behavior modification program, life skills course, or re-entry planning provided by the county department of corrections or county jail. Calculation of this county program credit shall be done at sentencing as provided in Section 5-4.5-100 of this Code and shall be included in the sentencing order. However, no inmate shall be eligible for the additional sentence credit under this paragraph (4) or (4.1) of this subsection (a) while assigned to a boot camp or electronic detention.

Educational, vocational, substance abuse, behavior modification programs, life skills courses, re-entry planning, and correctional industry programs under which sentence credit may be increased under this paragraph (4) and paragraph (4.1) of this subsection (a) shall be evaluated by the Department on the basis of documented standards. The Department shall report the results of these evaluations to the Governor and the General Assembly by September 30th of each year. The reports shall include data relating to the recidivism rate among program participants.

Availability of these programs shall be subject to the limits of fiscal resources appropriated by the General Assembly for these purposes. Eligible inmates who are denied immediate admission shall be placed on a
waiting list under criteria established by the Department. The inability of any inmate to become engaged in any such programs by reason of insufficient program resources or for any other reason established under the rules and regulations of the Department shall not be deemed a cause of action under which the Department or any employee or agent of the Department shall be liable for damages to the inmate.

(4.1) Except as provided in paragraph (4.7) of this subsection (a), the rules and regulations shall also provide that an additional 90 days of sentence credit shall be awarded to any prisoner who passes high school equivalency testing while the prisoner is committed to the Department of Corrections. The sentence credit awarded under this paragraph (4.1) shall be in addition to, and shall not affect, the award of sentence credit under any other paragraph of this Section, but shall also be pursuant to the guidelines and restrictions set forth in paragraph (4) of subsection (a) of this Section. The sentence credit provided for in this paragraph shall be available only to those prisoners who have not previously earned a high school diploma or a high school equivalency certificate. If, after an award of the high school equivalency testing sentence credit has been made, the Department determines that the prisoner was not eligible, then the award shall be revoked. The Department may also award 90 days of sentence credit to any committed person who passed high school equivalency testing while he or she was held in pre-trial detention prior to the current commitment to the Department of Corrections.

(4.5) The rules and regulations on sentence credit shall also provide that when the court's sentencing order recommends a prisoner for substance abuse treatment and the crime was committed on or after September 1, 2003 (the effective date of Public Act 93-354), the prisoner shall receive no sentence credit awarded under clause (3) of this subsection (a) unless he or she participates in and completes a substance abuse treatment program. The Director may waive the requirement to participate in or complete a substance abuse treatment program in specific instances if the prisoner is not a good candidate for a substance abuse treatment program for medical, programming, or operational reasons. Availability of substance abuse treatment shall be subject to the limits of fiscal resources appropriated by the General Assembly for these purposes. If treatment is not available and the requirement to participate and complete the treatment has not been waived by the Director, the prisoner shall be placed on a waiting list under criteria established by the Department. The Director may allow a prisoner placed on a waiting list to participate in and complete a

substance abuse education class or attend substance abuse self-help meetings in lieu of a substance abuse treatment program. A prisoner on a waiting list who is not placed in a substance abuse program prior to release may be eligible for a waiver and receive sentence credit under clause (3) of this subsection (a) at the discretion of the Director.

(4.6) The rules and regulations on sentence credit shall also provide that a prisoner who has been convicted of a sex offense as defined in Section 2 of the Sex Offender Registration Act shall receive no sentence credit unless he or she either has successfully completed or is participating in sex offender treatment as defined by the Sex Offender Management Board. However, prisoners who are waiting to receive treatment, but who are unable to do so due solely to the lack of resources on the part of the Department, may, at the Director's sole discretion, be awarded sentence credit at a rate as the Director shall determine.

(4.7) On or after the effective date of this amendatory Act of the 100th General Assembly, sentence credit under paragraph (3), (4), or (4.1) of this subsection (a) may be awarded to a prisoner who is serving a sentence for an offense described in paragraph (2), (2.3), (2.4), (2.5), or (2.6) for credit earned on or after the effective date of this amendatory Act of the 100th General Assembly; provided, the award of the credits under this paragraph (4.7) shall not reduce the sentence of the prisoner to less than the following amounts:

(i) 85% of his or her sentence if the prisoner is required to serve 85% of his or her sentence; or
(ii) 60% of his or her sentence if the prisoner is required to serve 75% of his or her sentence, except if the prisoner is serving a sentence for gunrunning his or her sentence shall not be reduced to less than 75%.

This paragraph (4.7) shall not apply to a prisoner serving a sentence for an offense described in subparagraph (i) of paragraph (2) of this subsection (a).

(5) Whenever the Department is to release any inmate earlier than it otherwise would because of a grant of earned sentence credit under paragraph (3) of subsection (a) of this Section given at any time during the term, the Department shall give reasonable notice of the impending release not less than 14 days prior to the date of the release to the State's Attorney of the county where the prosecution of the inmate took place, and if applicable, the State's Attorney of the county into which the inmate will be released. The Department must also make identification information and a

recent photo of the inmate being released accessible on the Internet by means of a hyperlink labeled "Community Notification of Inmate Early Release" on the Department's World Wide Web homepage. The identification information shall include the inmate's: name, any known alias, date of birth, physical characteristics, commitment offense and county where conviction was imposed. The identification information shall be placed on the website within 3 days of the inmate's release and the information may not be removed until either: completion of the first year of mandatory supervised release or return of the inmate to custody of the Department.

(b) Whenever a person is or has been committed under several convictions, with separate sentences, the sentences shall be construed under Section 5-8-4 in granting and forfeiting of sentence credit.

(c) The Department shall prescribe rules and regulations for revoking sentence credit, including revoking sentence credit awarded under paragraph (3) of subsection (a) of this Section. The Department shall prescribe rules and regulations for suspending or reducing the rate of accumulation of sentence credit for specific rule violations, during imprisonment. These rules and regulations shall provide that no inmate may be penalized more than one year of sentence credit for any one infraction.

When the Department seeks to revoke, suspend or reduce the rate of accumulation of any sentence credits for an alleged infraction of its rules, it shall bring charges therefor against the prisoner sought to be so deprived of sentence credits before the Prisoner Review Board as provided in subparagraph (a)(4) of Section 3-3-2 of this Code, if the amount of credit at issue exceeds 30 days or when during any 12 month period, the cumulative amount of credit revoked exceeds 30 days except where the infraction is committed or discovered within 60 days of scheduled release. In those cases, the Department of Corrections may revoke up to 30 days of sentence credit. The Board may subsequently approve the revocation of additional sentence credit, if the Department seeks to revoke sentence credit in excess of 30 days. However, the Board shall not be empowered to review the Department's decision with respect to the loss of 30 days of sentence credit within any calendar year for any prisoner or to increase any penalty beyond the length requested by the Department.

The Director of the Department of Corrections, in appropriate cases, may restore up to 30 days of sentence credits which have been revoked, suspended or reduced. Any restoration of sentence credits in

excess of 30 days shall be subject to review by the Prisoner Review Board. However, the Board may not restore sentence credit in excess of the amount requested by the Director.

Nothing contained in this Section shall prohibit the Prisoner Review Board from ordering, pursuant to Section 3-3-9(a)(3)(i)(B), that a prisoner serve up to one year of the sentence imposed by the court that was not served due to the accumulation of sentence credit.

(d) If a lawsuit is filed by a prisoner in an Illinois or federal court against the State, the Department of Corrections, or the Prisoner Review Board, or against any of their officers or employees, and the court makes a specific finding that a pleading, motion, or other paper filed by the prisoner is frivolous, the Department of Corrections shall conduct a hearing to revoke up to 180 days of sentence credit by bringing charges against the prisoner sought to be deprived of the sentence credits before the Prisoner Review Board as provided in subparagraph (a)(8) of Section 3-3-2 of this Code. If the prisoner has not accumulated 180 days of sentence credit at the time of the finding, then the Prisoner Review Board may revoke all sentence credit accumulated by the prisoner.

For purposes of this subsection (d):

(1) "Frivolous" means that a pleading, motion, or other filing which purports to be a legal document filed by a prisoner in his or her lawsuit meets any or all of the following criteria:

(A) it lacks an arguable basis either in law or in fact;

(B) it is being presented for any improper purpose, such as to harass or to cause unnecessary delay or needless increase in the cost of litigation;

(C) the claims, defenses, and other legal contentions therein are not warranted by existing law or by a nonfrivolous argument for the extension, modification, or reversal of existing law or the establishment of new law;

(D) the allegations and other factual contentions do not have evidentiary support or, if specifically so identified, are not likely to have evidentiary support after a reasonable opportunity for further investigation or discovery; or

(E) the denials of factual contentions are not warranted on the evidence, or if specifically so identified, are not reasonably based on a lack of information or belief.

(e) Nothing in Public Act 90-592 or 90-593 affects the validity of Public Act 89-404.

(c) The court may as a condition of probation or of conditional
discharge require that a person under 18 years of age found guilty of any
alcohol, cannabis or controlled substance violation, refrain from acquiring
a driver's license during the period of probation or conditional discharge. If
such person is in possession of a permit or license, the court may require
that the minor refrain from driving or operating any motor vehicle during
the period of probation or conditional discharge, except as may be
necessary in the course of the minor's lawful employment.

(d) An offender sentenced to probation or to conditional discharge
shall be given a certificate setting forth the conditions thereof.

(e) Except where the offender has committed a fourth or
subsequent violation of subsection (c) of Section 6-303 of the Illinois
Vehicle Code, the court shall not require as a condition of the sentence of
probation or conditional discharge that the offender be committed to a
period of imprisonment in excess of 6 months. This 6-month 6 month limit
shall not include periods of confinement given pursuant to a sentence of
county impact incarceration under Section 5-8-1.2.

Persons committed to imprisonment as a condition of probation or

and who during the term of either undergoes mandatory drug or alcohol

approved electronic monitoring in accordance with the defendant's ability
to pay those costs. The county board with the concurrence of the Chief Judge of the judicial circuit in which the county is located shall establish reasonable fees for the cost of maintenance, testing, and incidental expenses related to the mandatory drug or alcohol testing, or both, and all costs incidental to approved electronic monitoring, involved in a successful probation program for the county. The concurrence of the Chief Judge shall be in the form of an administrative order. The fees shall be collected by the clerk of the circuit court, except as provided in an administrative order of the Chief Judge of the circuit court. The clerk of the circuit court shall pay all moneys collected from these fees to the county treasurer who shall use the moneys collected to defray the costs of drug testing, alcohol testing, and electronic monitoring. The county treasurer shall deposit the fees collected in the county working cash fund under Section 6-27001 or Section 6-29002 of the Counties Code, as the case may be. The Chief Judge of the circuit court of the county may by administrative order establish a program for electronic monitoring of offenders, in which a vendor supplies and monitors the operation of the electronic monitoring device, and collects the fees on behalf of the county. The program shall include provisions for indigent offenders and the collection of unpaid fees. The program shall not unduly burden the offender and shall be subject to review by the Chief Judge.

The Chief Judge of the circuit court may suspend any additional charges or fees for late payment, interest, or damage to any device.

(h) Jurisdiction over an offender may be transferred from the sentencing court to the court of another circuit with the concurrence of both courts. Further transfers or retransfers of jurisdiction are also authorized in the same manner. The court to which jurisdiction has been transferred shall have the same powers as the sentencing court. The probation department within the circuit to which jurisdiction has been transferred, or which has agreed to provide supervision, may impose probation fees upon receiving the transferred offender, as provided in subsection (i). For all transfer cases, as defined in Section 9b of the Probation and Probation Officers Act, the probation department from the original sentencing court shall retain all probation fees collected prior to the transfer. After the transfer, all probation fees shall be paid to the probation department within the circuit to which jurisdiction has been transferred.

(i) The court shall impose upon an offender sentenced to probation after January 1, 1989 or to conditional discharge after January 1, 1992 or

to community service under the supervision of a probation or court services department after January 1, 2004, as a condition of such probation or conditional discharge or supervised community service, a fee of $50 for each month of probation or conditional discharge supervision or supervised community service ordered by the court, unless after determining the inability of the person sentenced to probation or conditional discharge or supervised community service to pay the fee, the court assesses a lesser fee. The court may not impose the fee on a minor who is placed in the guardianship or custody of the Department of Children and Family Services under the Juvenile Court Act of 1987 while the minor is in placement. The fee shall be imposed only upon an offender who is actively supervised by the probation and court services department. The fee shall be collected by the clerk of the circuit court. The clerk of the circuit court shall pay all monies collected from this fee to the county treasurer for deposit in the probation and court services fund under Section 15.1 of the Probation and Probation Officers Act.

A circuit court may not impose a probation fee under this subsection (i) in excess of $25 per month unless the circuit court has adopted, by administrative order issued by the chief judge, a standard probation fee guide determining an offender's ability to pay. Of the amount collected as a probation fee, up to $5 of that fee collected per month may be used to provide services to crime victims and their families.

The Court may only waive probation fees based on an offender's ability to pay. The probation department may re-evaluate an offender's ability to pay every 6 months, and, with the approval of the Director of Court Services or the Chief Probation Officer, adjust the monthly fee amount. An offender may elect to pay probation fees due in a lump sum. Any offender that has been assigned to the supervision of a probation department, or has been transferred either under subsection (h) of this Section or under any interstate compact, shall be required to pay probation fees to the department supervising the offender, based on the offender's ability to pay.

Public Act 93-970 This amendatory Act of the 93rd General Assembly deletes the $10 increase in the fee under this subsection that was imposed by Public Act 93-616. This deletion is intended to control over any other Act of the 93rd General Assembly that retains or incorporates that fee increase.

(i-5) In addition to the fees imposed under subsection (i) of this Section, in the case of an offender convicted of a felony sex offense (as

defined in the Sex Offender Management Board Act) or an offense that the court or probation department has determined to be sexually motivated (as defined in the Sex Offender Management Board Act), the court or the probation department shall assess additional fees to pay for all costs of treatment, assessment, evaluation for risk and treatment, and monitoring the offender, based on that offender's ability to pay those costs either as they occur or under a payment plan.

(j) All fines and costs imposed under this Section for any violation of Chapters 3, 4, 6, and 11 of the Illinois Vehicle Code, or a similar provision of a local ordinance, and any violation of the Child Passenger Protection Act, or a similar provision of a local ordinance, shall be collected and disbursed by the circuit clerk as provided under Section 27.5 of the Clerks of Courts Act.

(k) Any offender who is sentenced to probation or conditional discharge for a felony sex offense as defined in the Sex Offender Management Board Act or any offense that the court or probation department has determined to be sexually motivated as defined in the Sex Offender Management Board Act shall be required to refrain from any contact, directly or indirectly, with any persons specified by the court and shall be available for all evaluations and treatment programs required by the court or the probation department.

(l) The court may order an offender who is sentenced to probation or conditional discharge for a violation of an order of protection be placed under electronic surveillance as provided in Section 5-8A-7 of this Code.

(4) support his or her dependents; or

(5) refrain from having in his or her body the presence of any illicit drug prohibited by the Methamphetamine Control and Community Protection Act, the Cannabis Control Act, or the Illinois Controlled Substances Act, unless prescribed by a physician, and submit samples of his or her blood or urine or both for tests to determine the presence of any illicit drug.

(e) Upon violation of a term or condition of probation, the court may enter a judgment on its original finding of guilt and proceed as otherwise provided by law.

(f) Upon fulfillment of the terms and conditions of probation, the court shall discharge the person and dismiss the proceedings against the person.

(g) A disposition of probation is considered to be a conviction for the purposes of imposing the conditions of probation and for appeal; however, a discharge and dismissal under this Section is not a conviction for purposes of this Code or for purposes of disqualifications or disabilities imposed by law upon conviction of a crime.
(h) A person may only have one discharge and dismissal under this Section within a 4-year period.

(i) If a person is convicted of any offense which occurred within 5 years subsequent to a discharge and dismissal under this Section, the discharge and dismissal under this Section shall be admissible in the sentencing proceeding for that conviction as evidence in aggravation.

(j) Notwithstanding subsection (a), if the court finds that the defendant suffers from a substance abuse problem, then before the person is placed on probation under this Section, the court may refer the person to the drug court established in that judicial circuit pursuant to Section 15 of the Drug Court Treatment Act. The drug court team shall evaluate the person's likelihood of successfully fulfilling the terms and conditions of probation under this Section and shall report the results of its evaluation to the court. If the drug court team finds that the person suffers from a substance abuse problem that makes him or her substantially unlikely to successfully fulfill the terms and conditions of probation under this Section, then the drug court shall set forth its findings in the form of a written order, and the person shall be ineligible to be placed on probation under this Section, but shall be considered for the drug court program.

A collaborative agreement with a dentist must be in accordance with subsection (c-10) of this Section. Collaboration does not require an employment relationship between the collaborating physician or podiatric physician and advanced practice nurse.

The collaborative relationship under an agreement shall not be construed to require the personal presence of a physician or podiatric physician at the place where services are rendered. Methods of communication shall be available for consultation with the collaborating physician or podiatric physician in person or by telecommunications or electronic communications as set forth in the written agreement.

(b-5) Absent an employment relationship, a written collaborative agreement may not (1) restrict the categories of patients of an advanced practice nurse within the scope of the advanced practice nurses training and experience, (2) limit third party payors or government health programs, such as the medical assistance program or Medicare with which the advanced practice nurse contracts, or (3) limit the geographic area or practice location of the advanced practice nurse in this State.

PUBLIC ACT 100-0578
(Senate Bill No. 0444)

AN ACT concerning education.
Be it enacted by the People of the State of Illinois, represented in the General Assembly:

Section 5. The School Code is amended by changing Section 18-8.15 as follows:

(105 ILCS 5/18-8.15)
Sec. 18-8.15. Evidence-based funding for student success for the 2017-2018 and subsequent school years.

(a) General provisions.

(1) The purpose of this Section is to ensure that, by June 30, 2027 and beyond, this State has a kindergarten through grade 12 public education system with the capacity to ensure the educational development of all persons to the limits of their capacities in accordance with Section 1 of Article X of the Constitution of the State of Illinois. To accomplish that objective, this Section creates a method of funding public education that is evidence-based; is sufficient to ensure every student receives a meaningful opportunity to learn irrespective of race, ethnicity, sexual orientation, gender, or community-income level; and is sustainable and predictable. When fully funded under this Section,
every school shall have the resources, based on what the evidence indicates is needed, to:

(A) provide all students with a high quality education that offers the academic, enrichment, social and emotional support, technical, and career-focused programs that will allow them to become competitive workers, responsible parents, productive citizens of this State, and active members of our national democracy;

(B) ensure all students receive the education they need to graduate from high school with the skills required to pursue post-secondary education and training for a rewarding career;

(C) reduce, with a goal of eliminating, the achievement gap between at-risk and non-at-risk students by raising the performance of at-risk students and not by reducing standards; and

(D) ensure this State satisfies its obligation to assume the primary responsibility to fund public education and simultaneously relieve the disproportionate burden placed on local property taxes to fund schools.

(2) The evidence-based funding formula under this Section shall be applied to all Organizational Units in this State. The evidence-based funding formula outlined in this Act is based on the formula outlined in Senate Bill 1 of the 100th General Assembly, as passed by both legislative chambers. As further defined and described in this Section, there are 4 major components of the evidence-based funding model:

(A) First, the model calculates a unique adequacy target for each Organizational Unit in this State that considers the costs to implement research-based activities, the unit's student demographics, and regional wage difference.

(B) Second, the model calculates each Organizational Unit's local capacity, or the amount each Organizational Unit is assumed to contribute towards its adequacy target from local resources.

(C) Third, the model calculates how much funding the State currently contributes to the Organizational Unit,
and adds that to the unit's local capacity to determine the unit's overall current adequacy of funding.

(D) Finally, the model's distribution method allocates new State funding to those Organizational Units that are least well-funded, considering both local capacity and State funding, in relation to their adequacy target.

(3) An Organizational Unit receiving any funding under this Section may apply those funds to any fund so received for which that Organizational Unit is authorized to make expenditures by law.

(4) As used in this Section, the following terms shall have the meanings ascribed in this paragraph (4):

"Adequacy Target" is defined in paragraph (1) of subsection (b) of this Section.

"Adjusted EAV" is defined in paragraph (4) of subsection (d) of this Section.

"Adjusted Local Capacity Target" is defined in paragraph (3) of subsection (c) of this Section.

"Adjusted Operating Tax Rate" means a tax rate for all Organizational Units, for which the State Superintendent shall calculate and subtract for the Operating Tax Rate a transportation rate based on total expenses for transportation services under this Code, as reported on the most recent Annual Financial Report in Pupil Transportation Services, function 2550 in both the Education and Transportation funds and functions 4110 and 4120 in the Transportation fund, less any corresponding fiscal year State of Illinois scheduled payments excluding net adjustments for prior years for regular, vocational, or special education transportation reimbursement pursuant to Section 29-5 or subsection (b) of Section 14-13.01 of this Code divided by the Adjusted EAV. If an Organizational Unit's corresponding fiscal year State of Illinois scheduled payments excluding net adjustments for prior years for regular, vocational, or special education transportation reimbursement pursuant to Section 29-5 or subsection (b) of Section 14-13.01 of this Code exceed the total transportation expenses, as defined in this paragraph, no transportation rate shall be subtracted from the Operating Tax Rate.

"Allocation Rate" is defined in paragraph (3) of subsection (g) of this Section.

New matter indicated by italics - deletions by strikeout
"Alternative School" means a public school that is created and operated by a regional superintendent of schools and approved by the State Board.

"Applicable Tax Rate" is defined in paragraph (1) of subsection (d) of this Section.

"Assessment" means any of those benchmark, progress monitoring, formative, diagnostic, and other assessments, in addition to the State accountability assessment, that assist teachers' needs in understanding the skills and meeting the needs of the students they serve.

"Assistant principal" means a school administrator duly endorsed to be employed as an assistant principal in this State.

"At-risk student" means a student who is at risk of not meeting the Illinois Learning Standards or not graduating from elementary or high school and who demonstrates a need for vocational support or social services beyond that provided by the regular school program. The weighted mean for the Local Capacity Percentage shall be determined by multiplying each Organizational Unit's Local Capacity Ratio times the ASE for the unit creating a weighted value, summing the weighted values of all Organizational Units, and dividing by the total ASE of all Organizational Units.
Organizational Units. The weighted standard deviation shall be determined by taking the square root of the weighted variance of all Organizational Units' Local Capacity Ratio, where the variance is calculated by squaring the difference between each unit's Local Capacity Ratio and the weighted mean, then multiplying the variance for each unit times the ASE for the unit to create a weighted variance for each unit, then summing all units' weighted variance and dividing by the total ASE of all units.

(D) For any Organizational Unit, the Organizational Unit's Adjusted Local Capacity Target shall be reduced by either (i) the school board's remaining contribution pursuant to paragraph (ii) of subsection (b-4) of Section 16-158 of the Illinois Pension Code in a given year, or (ii) the board of education's remaining contribution pursuant to paragraph (iv) of subsection (b) of Section 17-129 of the Illinois Pension Code absent the employer normal cost portion of the required contribution and amount allowed pursuant to subdivision (3) of Section 17-142.1 of the Illinois Pension Code in a given year. In the preceding sentence, item (i) shall be certified to the State Board of Education by the Teachers' Retirement System of the State of Illinois and item (ii) shall be certified to the State Board of Education by the Public School Teachers' Pension and Retirement Fund of the City of Chicago.

(3) If an Organizational Unit's Real Receipts are more than its Local Capacity Target, then its Local Capacity shall equal an Adjusted Local Capacity Target as calculated in accordance with this paragraph (3). The Adjusted Local Capacity Target is calculated as the sum of the Organizational Unit's Local Capacity Target and its Real Receipts Adjustment. The Real Receipts Adjustment equals the Organizational Unit's Real Receipts less its Local Capacity Target, with the resulting figure multiplied by the Local Capacity Percentage.

As used in this paragraph (3), "Real Percent of Adequacy" means the sum of an Organizational Unit's Real Receipts, CPPRT, and Base Funding Minimum, with the resulting figure divided by the Organizational Unit's Adequacy Target.
(d) Calculation of Real Receipts, EAV, and Adjusted EAV for purposes of the Local Capacity calculation.

(1) An Organizational Unit's Real Receipts are the product of its Applicable Tax Rate and its Adjusted EAV. An Organizational Unit's Applicable Tax Rate is its Adjusted Operating Tax Rate for property within the Organizational Unit.

(2) The State Superintendent shall calculate the Equalized Assessed Valuation, or EAV, of all taxable property of each Organizational Unit as of September 30 of the previous year in accordance with paragraph (3) of this subsection (d). The State Superintendent shall then determine the Adjusted EAV of each Organizational Unit in accordance with paragraph (4) of this subsection (d), which Adjusted EAV figure shall be used for the purposes of calculating Local Capacity.

(3) To calculate Real Receipts and EAV, the Department of Revenue shall supply to the State Superintendent the value as equalized or assessed by the Department of Revenue of all taxable property of every Organizational Unit, together with (i) the applicable tax rate used in extending taxes for the funds of the Organizational Unit as of September 30 of the previous year and (ii) the limiting rate for all Organizational Units subject to property tax extension limitations as imposed under PTELL.

(A) The Department of Revenue shall add to the equalized assessed value of all taxable property of each Organizational Unit situated entirely or partially within a county that is or was subject to the provisions of Section 15-176 or 15-177 of the Property Tax Code (i) an amount equal to the total amount by which the homestead exemption allowed under Section 15-176 or 15-177 of the Property Tax Code for real property situated in that Organizational Unit exceeds the total amount that would have been allowed in that Organizational Unit if the maximum reduction under Section 15-176 was (I) $4,500 in Cook County or $3,500 in all other counties in tax year 2003 or (II) $5,000 in all counties in tax year 2004 and thereafter and (ii) an amount equal to the aggregate amount for the taxable year of all additional exemptions under Section 15-175 of the Property Tax Code for owners with a household income of $30,000 or less. The county clerk of

any county that is or was subject to the provisions of Section 15-176 or 15-177 of the Property Tax Code shall annually calculate and certify to the Department of Revenue for each Organizational Unit all homestead exemption amounts under Section 15-176 or 15-177 of the Property Tax Code and all amounts of additional exemptions under Section 15-175 of the Property Tax Code for owners with a household income of $30,000 or less. It is the intent of this subparagraph (A) that if the general homestead exemption for a parcel of property is determined under Section 15-176 or 15-177 of the Property Tax Code rather than Section 15-175, then the calculation of EAV shall not be affected by the difference, if any, between the amount of the general homestead exemption allowed for that parcel of property under Section 15-176 or 15-177 of the Property Tax Code and the amount that would have been allowed had the general homestead exemption for that parcel of property been determined under Section 15-175 of the Property Tax Code. It is further the intent of this subparagraph (A) that if additional exemptions are allowed under Section 15-175 of the Property Tax Code for owners with a household income of less than $30,000, then the calculation of EAV shall not be affected by the difference, if any, because of those additional exemptions.

(B) With respect to any part of an Organizational Unit within a redevelopment project area in respect to which a municipality has adopted tax increment allocation financing pursuant to the Tax Increment Allocation Redevelopment Act, Division 74.4 of the Illinois Municipal Code, or the Industrial Jobs Recovery Law, Division 74.6 of the Illinois Municipal Code, no part of the current EAV of real property located in any such project area which is attributable to an increase above the total initial EAV of such property shall be used as part of the EAV of the Organizational Unit, until such time as all redevelopment project costs have been paid, as provided in Section 11-74.4-8 of the Tax IncrementAllocation Redevelopment Act or in Section 11-74.6-35 of the Industrial Jobs Recovery Law. For the purpose of the EAV of the Organizational

Unit, the total initial EAV or the current EAV, whichever is lower, shall be used until such time as all redevelopment project costs have been paid.

(B-5) The real property equalized assessed valuation for a school district shall be adjusted by subtracting from the real property value, as equalized or assessed by the Department of Revenue, for the district an amount computed by dividing the amount of any abatement of taxes under Section 18-170 of the Property Tax Code by 3.00% for a district maintaining grades kindergarten through 12, by 2.30% for a district maintaining grades kindergarten through 8, or by 1.05% for a district maintaining grades 9 through 12 and adjusted by an amount computed by dividing the amount of any abatement of taxes under subsection (a) of Section 18-165 of the Property Tax Code by the same percentage rates for district type as specified in this subparagraph (B-5).

(C) For Organizational Units that are Hybrid Districts, the State Superintendent shall use the lesser of the equalized assessed valuation for property within the partial elementary unit district for elementary purposes, as defined in Article 11E of this Code, or the equalized assessed valuation for property within the partial elementary unit district for high school purposes, as defined in Article 11E of this Code.

(4) An Organizational Unit's Adjusted EAV shall be the average of its EAV over the immediately preceding 3 years or its EAV in the immediately preceding year if the EAV in the immediately preceding year has declined by 10% or more compared to the 3-year average. In the event of Organizational Unit reorganization, consolidation, or annexation, the Organizational Unit's Adjusted EAV for the first 3 years after such change shall be as follows: the most current EAV shall be used in the first year, the average of a 2-year EAV or its EAV in the immediately preceding year if the EAV declines by 10% or more compared to the 2-year average for the second year, and a 3-year average EAV or its EAV in the immediately preceding year if the adjusted EAV declines by 10% or more compared to the 3-year average for the third year.

"PTELL EAV" means a figure calculated by the State Board for Organizational Units subject to PTELL as described in this paragraph (4) for the purposes of calculating an Organizational Unit's Local Capacity Ratio. Except as otherwise provided in this paragraph (4), for an Organizational Unit that has approved or does approve an increase in its limiting rate; the PTELL EAV of an Organizational Unit shall be equal to the product of the equalized assessed valuation last used in the calculation of general State aid under Section 18-8.05 of this Code or Evidence-Based Funding under this Section and the Organizational Unit's Extension Limitation Ratio. If an Organizational Unit has approved or does approve an increase in its limiting rate, pursuant to Section 18-190 of the Property Tax Code, affecting the Base Tax Year, the PTELL EAV shall be equal to the product of the equalized assessed valuation last used in the calculation of general State aid under Section 18-8.05 of this Code or Evidence-Based Funding under this Section multiplied by an amount equal to one plus the percentage increase, if any, in the Consumer Price Index for All Urban Consumers for all items published by the United States Department of Labor for the 12-month calendar year preceding the Base Tax Year, plus the equalized assessed valuation of new property, annexed property, and recovered tax increment value and minus the equalized assessed valuation of disconnected property.

As used in this paragraph (4), "new property" and "recovered tax increment value" shall have the meanings set forth in the Property Tax Extension Limitation Law.

(e) Base Funding Minimum calculation.

(1) For the 2017-2018 school year, the Base Funding Minimum of an Organizational Unit, other than a Specially Funded Unit, shall be the amount of State funds distributed to the Organizational Unit during the 2016-2017 school year prior to any adjustments and specified appropriation amounts described in this paragraph (1) from the following Sections, as calculated by the State Superintendent: Section 18-8.05 of this Code (general State aid); Section 5 of Article 224 of Public Act 99-524 (equity grants); Section 14-7.02b of this Code (funding for children requiring special education services); Section 14-13.01 of this Code (special education facilities and staffing), except for reimbursement of the cost of transportation pursuant to Section 14-13.01; Section 14C-
12 of this Code (English learners); and Section 18-4.3 of this Code (summer school), based on an appropriation level of $13,121,600. For a school district organized under Article 34 of this Code, the Base Funding Minimum also includes (i) the funds allocated to the school district pursuant to Section 1D-1 of this Code attributable to funding programs authorized by the Sections of this Code listed in the preceding sentence; and (ii) the difference between (I) the funds allocated to the school district pursuant to Section 1D-1 of this Code attributable to the funding programs authorized by Section 14-7.02 (non-public special education reimbursement), subsection (b) of Section 14-13.01 (special education transportation), Section 29-5 (transportation), Section 2-3.80 (agricultural education), Section 2-3.66 (truants' alternative education), Section 2-3.62 (educational service centers), and Section 14-7.03 (special education - orphanage) of this Code and Section 15 of the Childhood Hunger Relief Act (free breakfast program) and (II) the school district's actual expenditures for its non-public special education, special education transportation, transportation programs, agricultural education, truants' alternative education, services that would otherwise be performed by a regional office of education, special education orphanage expenditures, and free breakfast, as most recently calculated and reported pursuant to subsection (f) of Section 1D-1 of this Code. For Specially Funded Units, the Base Funding Minimum shall be the total amount of State funds allotted to the Specially Funded Unit during the 2016-2017 school year. The Base Funding Minimum for Glenwood Academy shall be $625,500.

(2) For the 2018-2019 and subsequent school years, the Base Funding Minimum of Organizational Units and Specially Funded Units shall be the sum of (i) the amount of Evidence-Based Funding for the prior school year and (ii) the Base Funding Minimum for the prior school year.

(f) Percent of Adequacy and Final Resources calculation.

(1) The Evidence-Based Funding formula establishes a Percent of Adequacy for each Organizational Unit in order to place such units into tiers for the purposes of the funding distribution system described in subsection (g) of this Section. Initially, an Organizational Unit's Preliminary Resources and Preliminary Percent of Adequacy are calculated pursuant to paragraph (2) of

New matter indicated by italics - deletions by strikeout
this subsection (f). Then, an Organizational Unit's Final Resources and Final Percent of Adequacy are calculated to account for the Organizational Unit's poverty concentration levels pursuant to paragraphs (3) and (4) of this subsection (f).

(2) An Organizational Unit's Preliminary Resources are equal to the sum of its Local Capacity Target, CPPRT, and Base Funding Minimum. An Organizational Unit's Preliminary Percent of Adequacy is the lesser of (i) its Preliminary Resources divided by its Adequacy Target or (ii) 100%.

(3) Except for Specially Funded Units, an Organizational Unit's Final Resources are equal the sum of its Local Capacity, CPPRT, and Adjusted Base Funding Minimum. The Base Funding Minimum of each Specially Funded Unit shall serve as its Final Resources, except that the Base Funding Minimum for State-approved charter schools shall not include any portion of general State aid allocated in the prior year based on the per capita tuition charge times the charter school enrollment.

(4) An Organizational Unit's Final Percent of Adequacy is its Final Resources divided by its Adequacy Target. An Organizational Unit's Adjusted Base Funding Minimum is equal to its Base Funding Minimum less its Supplemental Grant Funding, with the resulting figure added to the product of its Supplemental Grant Funding and Preliminary Percent of Adequacy.

(g) Evidence-Based Funding formula distribution system.

(1) In each school year under the Evidence-Based Funding formula, each Organizational Unit receives funding equal to the sum of its Base Funding Minimum and the unit's allocation of New State Funds determined pursuant to this subsection (g). To allocate New State Funds, the Evidence-Based Funding formula distribution system first places all Organizational Units into one of 4 tiers in accordance with paragraph (3) of this subsection (g), based on the Organizational Unit's Final Percent of Adequacy. New State Funds are allocated to each of the 4 tiers as follows: Tier 1 Aggregate Funding equals 50% of all New State Funds, Tier 2 Aggregate Funding equals 49% of all New State Funds, Tier 3 Aggregate Funding equals 0.9% of all New State Funds, and Tier 4 Aggregate Funding equals 0.1% of all New State Funds. Each Organizational Unit within Tier 1 or Tier 2 receives an allocation of New State Funds equal to its tier Funding Gap, as defined in the
following sentence, multiplied by the tier's Allocation Rate
determined pursuant to paragraph (4) of this subsection (g). For
Tier 1, an Organizational Unit's Funding Gap equals the tier's
Target Ratio, as specified in paragraph (5) of this subsection (g),
multiplied by the Organizational Unit's Adequacy Target, with the
resulting amount reduced by the Organizational Unit's Final
Resources. For Tier 2, an Organizational Unit's Funding Gap
equals the tier's Target Ratio, as described in paragraph (5) of this
subsection (g), multiplied by the Organizational Unit's Adequacy
Target, with the resulting amount reduced by the Organizational
Unit's Final Resources and its Tier 1 funding allocation. To
determine the Organizational Unit's Funding Gap, the resulting
amount is then multiplied by a factor equal to one minus the
Organizational Unit's Local Capacity Target percentage. Each
Organizational Unit within Tier 3 or Tier 4 receives an allocation
of New State Funds equal to the product of its Adequacy Target
and the tier's Allocation Rate, as specified in paragraph (4) of this
subsection (g).

(2) To ensure equitable distribution of dollars for all Tier 2
Organizational Units, no Tier 2 Organizational Unit shall receive
fewer dollars per ASE than any Tier 3 Organizational Unit. Each
Tier 2 and Tier 3 Organizational Unit shall have its funding
allocation divided by its ASE. Any Tier 2 Organizational Unit with
a funding allocation per ASE below the greatest Tier 3 allocation
per ASE shall get a funding allocation equal to the greatest Tier 3
funding allocation per ASE multiplied by the Organizational Unit's
ASE. Each Tier 2 Organizational Unit's Tier 2 funding allocation
shall be multiplied by the percentage calculated by dividing the
original Tier 2 Aggregate Funding by the sum of all Tier 2
Organizational Unit's Tier 2 funding allocation after adjusting
districts' funding below Tier 3 levels.

(3) Organizational Units are placed into one of 4 tiers as
follows:

(A) Tier 1 consists of all Organizational Units,
except for Specially Funded Units, with a Percent of
Adequacy less than the Tier 1 Target Ratio. The Tier 1
Target Ratio is the ratio level that allows for Tier 1
Aggregate Funding to be distributed, with the Tier 1

New matter indicated by italics - deletions by strikeout
Allocation Rate determined pursuant to paragraph (4) of this subsection (g).

(B) Tier 2 consists of all Tier 1 Units and all other Organizational Units, except for Specially Funded Units, with a Percent of Adequacy of less than 0.90.

(C) Tier 3 consists of all Organizational Units, except for Specially Funded Units, with a Percent of Adequacy of at least 0.90 and less than 1.0.

(D) Tier 4 consists of all Organizational Units with a Percent of Adequacy of at least 1.0 and Specially Funded Units, excluding Glenwood Academy.

(4) The Allocation Rates for Tiers 1 through 4 is determined as follows:

(A) The Tier 1 Allocation Rate is 30%.

(B) The Tier 2 Allocation Rate is the result of the following equation: Tier 2 Aggregate Funding, divided by the sum of the Funding Gaps for all Tier 2 Organizational Units, unless the result of such equation is higher than 1.0. If the result of such equation is higher than 1.0, then the Tier 2 Allocation Rate is 1.0.

(C) The Tier 3 Allocation Rate is the result of the following equation: Tier 3 Aggregate Funding, divided by the sum of the Adequacy Targets of all Tier 3 Organizational Units.

(D) The Tier 4 Allocation Rate is the result of the following equation: Tier 4 Aggregate Funding, divided by the sum of the Adequacy Targets of all Tier 4 Organizational Units.

(5) A tier's Target Ratio is determined as follows:

(A) The Tier 1 Target Ratio is the ratio level that allows for Tier 1 Aggregate Funding to be distributed with the Tier 1 Allocation Rate.

(B) The Tier 2 Target Ratio is 0.90.

(C) The Tier 3 Target Ratio is 1.0.

(6) If, at any point, the Tier 1 Target Ratio is greater than 90%, than all Tier 1 funding shall be allocated to Tier 2 and no Tier 1 Organizational Unit's funding may be identified.
(7) In the event that all Tier 2 Organizational Units receive funding at the Tier 2 Target Ratio level, any remaining New State Funds shall be allocated to Tier 3 and Tier 4 Organizational Units.

(8) If any Specially Funded Units, excluding Glenwood Academy, recognized by the State Board do not qualify for direct funding following the implementation of this amendatory Act of the 100th General Assembly from any of the funding sources included within the definition of Base Funding Minimum, the unqualified portion of the Base Funding Minimum shall be transferred to one or more appropriate Organizational Units as determined by the State Superintendent based on the prior year ASE of the Organizational Units.

(9) The Minimum Funding Level is intended to establish a target for State funding that will keep pace with inflation and continue to advance equity through the Evidence-Based Funding formula. The target for State funding of New Property Tax Relief Pool Funds is $50,000,000 for State fiscal year 2019 and subsequent State fiscal years. The Minimum Funding Level is equal to $350,000,000. In addition to any New State Funds, no more than $50,000,000 New Property Tax Relief Pool Funds may be counted towards the Minimum Funding Level. If the sum of New State Funds and applicable New Property Tax Relief Pool Funds are less than the Minimum Funding Level, than funding for tiers shall be reduced in the following manner:

   (A) First, Tier 4 funding shall be reduced by an amount equal to the difference between the Minimum Funding Level and New State Funds until such time as Tier 4 funding is exhausted.

   (B) Next, Tier 3 funding shall be reduced by an amount equal to the difference between the Minimum Funding Level and New State Funds and the reduction in Tier 4 funding until such time as Tier 3 funding is exhausted.

   (C) Next, Tier 2 funding shall be reduced by an amount equal to the difference between the Minimum Funding level and New State Funds and the reduction in Tier 4 and Tier 3.

   (D) Finally, Tier 1 funding shall be reduced by an amount equal to the difference between the Minimum

New matter indicated by italics - deletions by strikeout
Funding level and New State Funds and the reduction in Tier 2, 3, and 4 funding. In addition, the Allocation Rate for Tier 1 shall be reduced to a percentage equal to 50%, multiplied by the result of New State Funds divided by the Minimum Funding Level.

(9.5) For State fiscal year 2019 and subsequent State fiscal years, if New State Funds exceed $300,000,000, then any amount in excess of $300,000,000 shall be dedicated for purposes of Section 2-3.170 of this Code up to a maximum of $50,000,000.

(10) In the event of a decrease in the amount of the appropriation for this Section in any fiscal year after implementation of this Section, the Organizational Units receiving Tier 1 and Tier 2 funding, as determined under paragraph (3) of this subsection (g), shall be held harmless by establishing a Base Funding Guarantee equal to the per pupil kindergarten through grade 12 funding received in accordance with this Section in the prior fiscal year. Reductions shall be made to the Base Funding Minimum of Organizational Units in Tier 3 and Tier 4 on a per pupil basis equivalent to the total number of the ASE in Tier 3-funded and Tier 4-funded Organizational Units divided by the total reduction in State funding. The Base Funding Minimum as reduced shall continue to be applied to Tier 3 and Tier 4 Organizational Units and adjusted by the relative formula when increases in appropriations for this Section resume. In no event may State funding reductions to Organizational Units in Tier 3 or Tier 4 exceed an amount that would be less than the Base Funding Minimum established in the first year of implementation of this Section. If additional reductions are required, all school districts shall receive a reduction by a per pupil amount equal to the aggregate additional appropriation reduction divided by the total ASE of all Organizational Units.

(11) The State Superintendent shall make minor adjustments to the distribution formula set forth in this subsection (g) to account for the rounding of percentages to the nearest tenth of a percentage and dollar amounts to the nearest whole dollar.

(h) State Superintendent administration of funding and district submission requirements.

(1) The State Superintendent shall, in accordance with appropriations made by the General Assembly, meet the funding obligations created under this Section.

(2) The State Superintendent shall calculate the Adequacy Target for each Organizational Unit and Net State Contribution Target for each Organizational Unit under this Section. The State Superintendent shall also certify the actual amounts of the New State Funds payable for each eligible Organizational Unit based on the equitable distribution calculation to the unit's treasurer, as soon as possible after such amounts are calculated, including any applicable adjusted charge-off increase. No Evidence-Based Funding shall be distributed within an Organizational Unit without the approval of the unit's school board.

(3) Annually, the State Superintendent shall calculate and report to each Organizational Unit the unit's aggregate financial adequacy amount, which shall be the sum of the Adequacy Target for each Organizational Unit. The State Superintendent shall calculate and report separately for each Organizational Unit the unit's total State funds allocated for its students with disabilities. The State Superintendent shall calculate and report separately for each Organizational Unit the amount of funding and applicable FTE calculated for each Essential Element of the unit's Adequacy Target.

(4) Annually, the State Superintendent shall calculate and report to each Organizational Unit the amount the unit must expend on special education and bilingual education pursuant to the unit's Base Funding Minimum, Special Education Allocation, and Bilingual Education Allocation.

(5) Moneys distributed under this Section shall be calculated on a school year basis, but paid on a fiscal year basis, with payments beginning in August and extending through June. Unless otherwise provided, the moneys appropriated for each fiscal year shall be distributed in 22 equal payments at least 2 times monthly to each Organizational Unit. The State Board shall publish a yearly distribution schedule at its meeting in June. If moneys appropriated for any fiscal year are distributed other than monthly, the distribution shall be on the same basis for each Organizational Unit.

(6) Any school district that fails, for any given school year, to maintain school as required by law or to maintain a recognized school is not eligible to receive Evidence-Based Funding. In case of non-recognition of one or more attendance centers in a school district otherwise operating recognized schools, the claim of the district shall be reduced in the proportion that the enrollment in the attendance center or centers bears to the enrollment of the school district. "Recognized school" means any public school that meets the standards for recognition by the State Board. A school district or attendance center not having recognition status at the end of a school term is entitled to receive State aid payments due upon a legal claim that was filed while it was recognized.

(7) School district claims filed under this Section are subject to Sections 18-9 and 18-12 of this Code, except as otherwise provided in this Section.

(8) Each fiscal year, the State Superintendent shall calculate for each Organizational Unit an amount of its Base Funding Minimum and Evidence-Based Funding that shall be deemed attributable to the provision of special educational facilities and services, as defined in Section 14-1.08 of this Code, in a manner that ensures compliance with maintenance of State financial support requirements under the federal Individuals with Disabilities Education Act. An Organizational Unit must use such funds only for the provision of special educational facilities and services, as defined in Section 14-1.08 of this Code, and must comply with any expenditure verification procedures adopted by the State Board.

(9) All Organizational Units in this State must submit annual spending plans by the end of September of each year to the State Board as part of the annual budget process, which shall describe how each Organizational Unit will utilize the Base Minimum Funding and Evidence-Based funding it receives from this State under this Section with specific identification of the intended utilization of Low-Income, English learner, and special education resources. Additionally, the annual spending plans of each Organizational Unit shall describe how the Organizational Unit expects to achieve student growth and how the Organizational Unit will achieve State education goals, as defined by the State Board. The State Superintendent may, from time to time, identify

additional requisites for Organizational Units to satisfy when compiling the annual spending plans required under this subsection (h). The format and scope of annual spending plans shall be developed by the State Superintendent in conjunction with the Professional Review Panel.

(10) No later than January 1, 2018, the State Superintendent shall develop a 5-year strategic plan for all Organizational Units to help in planning for adequacy funding under this Section. The State Superintendent shall submit the plan to the Governor and the General Assembly, as provided in Section 3.1 of the General Assembly Organization Act. The plan shall include recommendations for:

(A) a framework for collaborative, professional, innovative, and 21st century learning environments using the Evidence-Based Funding model;

(B) ways to prepare and support this State's educators for successful instructional careers;

(C) application and enhancement of the current financial accountability measures, the approved State plan to comply with the federal Every Student Succeeds Act, and the Illinois Balanced Accountability Measures in relation to student growth and elements of the Evidence-Based Funding model; and

(D) implementation of an effective school adequacy funding system based on projected and recommended funding levels from the General Assembly.

(i) Professional Review Panel.

(1) A Professional Review Panel is created to study and review the implementation and effect of the Evidence-Based Funding model under this Section and to recommend continual recalibration and future study topics and modifications to the Evidence-Based Funding model. The Panel shall elect a chairperson and vice chairperson by a majority vote of the Panel and shall advance recommendations based on a majority vote of the Panel. A minority opinion may also accompany any recommendation of the majority of the Panel. The Panel shall be appointed by the State Superintendent, except as otherwise provided in paragraph (2) of this subsection (i) and include the following members:

(L) One member from a statewide organization focused on research-based education policy to support a school system that prepares all students for college, a career, and democratic citizenship.

(M) One representative from a school district organized under Article 34 of this Code.

The State Superintendent shall ensure that the membership of the Panel includes representatives from school districts and communities reflecting the geographic, socio-economic, racial, and
ethnic diversity of this State. The State Superintendent shall additionally ensure that the membership of the Panel includes representatives with expertise in bilingual education and special education. Staff from the State Board shall staff the Panel.

(2) In addition to those Panel members appointed by the State Superintendent, 4 members of the General Assembly shall be appointed as follows: one member of the House of Representatives appointed by the Speaker of the House of Representatives, one member of the Senate appointed by the President of the Senate, one member of the House of Representatives appointed by the Minority Leader of the House of Representatives, and one member of the Senate appointed by the Minority Leader of the Senate. There shall be one additional member appointed by the Governor. All members appointed by legislative leaders or the Governor shall be non-voting, ex officio members.

(3) On an annual basis, the State Superintendent shall recalibrate the following per pupil elements of the Adequacy Target and applied to the formulas, based on the Panel's study of average expenses as reported in the most recent annual financial report:

(A) gifted under subparagraph (M) of paragraph (2) of subsection (b) of this Section;
(B) instructional materials under subparagraph (O) of paragraph (2) of subsection (b) of this Section;
(C) assessment under subparagraph (P) of paragraph (2) of subsection (b) of this Section;

(D) "At-risk student" definition. Within 5 years after the implementation of this Section, the Panel shall make recommendations for the further study and determination of an "at-risk student" definition. Within 5 years after the implementation of this Section, the Panel shall evaluate and make recommendations regarding adequate funding for poverty concentration under the Evidence-Based Funding model.

(E) Benefits. Within 5 years after the implementation of this Section, the Panel shall make recommendations for further study of benefit costs.

(F) Technology. The per pupil target for technology shall be reviewed every 3 years to determine whether current allocations are sufficient to develop 21st century learning in all classrooms in this State and supporting a one-to-one technological device program in each school. Recommendations shall be made no later than 3 years after the implementation of this Section.

(G) Local Capacity Target. WHEREAS, The State of Illinois and its operating units are currently experiencing a fiscal situation that is demanding the close attention of the people of Illinois; and

WHEREAS, One element of these overall operating costs, and of the State's unpaid bill backlog, are the moneys paid by the State and its taxpayers to rent or lease parcels of real property; and

WHEREAS, Serious questions have arisen as to the interrelationship between some of the lease agreements entered into by the State in recent months, the actual market values of the properties being leased, the lease payments that would be paid if their properties were leased in an arm's length transaction between independent parties, and the overall fiscal situation of the State; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE ONE HUNDREDTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, THE SENATE CONCURRING HEREIN, that the Auditor General is directed to conduct a performance audit of the State's decision to enter into a five-year, $2.4 million lease for property at 2410 South Grand Ave. East, Springfield, Illinois ("lease"); and be it further

RESOLVED, That the audit include, but not be limited to, the following determinations:

(1) The justification for the space request by the Department of Human Services (DHS), including the location and condition of the premises where the records were previously stored and the functions were previously performed ("existing space");
(2) Whether the Department of Central Management Services (CMS) or other appropriate State agencies considered renovating the existing space and, if so, what projections were made for the cost of renovating the existing space;
(3) Whether CMS considered the availability of other State-owned or leased space before the decision to enter into a new lease was made, including what specific State-owned or leased properties were reviewed prior to making the decision to enter into a new lease;
(4) Whether CMS conducted an analysis of the cost-benefit of purchasing instead of leasing the property at 2410 South Grand Ave. East, Springfield, Illinois, including costs associated with renovating and maintaining the property;

(5) Whether DHS or any other appropriate State agency has conducted a cost-benefit analysis comparing the costs of digitizing records as compared to maintaining records in hard copy form, including the costs of storage, access, and travel, if any, to retrieve hard copy records for various official purposes, as well as the security risks of confidential records in one form as compared to the other;

(6) The role of the Procurement Policy Board ("Board") in reviewing the lease, including whether the Board has any conflict-of-interest procedures for members to recuse themselves because of personal, professional, or financial relationships;

(7) Identification of the persons involved in the procurement, and their respective roles and responsibilities;

(8) The process, time frame, and coordination followed by CMS in examining the lease requirements and advertising the procurement opportunity, including any steps taken to ensure adequate competition;

(9) Whether any confidential information was shared between the CMS leasing agent and any of the bidders or potential bidders in the procurement process;

(10) The decision of CMS to proceed with the warehouse lease after receiving only one bid; and

(11) Whether relationships between the seller of the property ("Barney's"), the buyer of the property, and the chairman of the Procurement Policy Board played a role in the warehouse lease; and be it further

RESOLVED, That we call upon the State of Illinois and its operating units, including, but not limited to, the Department of Central Management Services, to immediately suspend the drafting, negotiation, perfection, and signing of any lease on any parcel of real property, and that this suspension is to continue until the conclusion of the audit directed by this resolution; and be it further

WHEREAS, China, like all other WTO members, has agreed to abide by all of the WTO agreements, including those provisions requiring application of MFN and National Treatment; and

WHEREAS, In its Protocol of Accession, China agreed to undertake additional actions in order to ensure the smooth phasing in of these non-discrimination principles; and

WHEREAS, The WTO system also promotes undistorted trade through the establishment of disciplines on subsidies and dumping, allowing WTO members to respond to unfair trade through the imposition of countervailing or anti-dumping duties; in addition, WTO members are empowered to impose temporary safeguard measures, under strict rules, when faced with a sudden surge in imports causing serious injury to a domestic industry; and

WHEREAS, Illinois has 122 4-year colleges and universities offering bachelor's degrees; and
WHEREAS, Illinois is currently the 5th most populous state in the United States with, according to the U.S. Census Bureau, approximately 12,800,000 residents; and
WHEREAS, The U.S. Census Bureau has surmised that Illinois is comprised of a diverse demographic population comprised of the following ethnicities: 62% non-Latino White; 17% Latino; 15% Black; and, 6% Asian; and
WHEREAS, The diversity of Illinois' population promotes the opportunity for students to meet and learn about and from people of all backgrounds, cultures, and perspectives; and
WHEREAS, The U.S. Census Bureau reports that 88% of Illinoisans 25 years of age and older have obtained at least a high school diploma or its equivalent and 32% of that same demographic have obtained bachelor's degrees or higher; and
WHEREAS, The Board of Higher Education (hereinafter "BHE") found in its 2015 Report to the Governor and General Assembly on Underrepresented Groups in Illinois Higher Education (hereinafter the "Report") that "the main findings specific to enrollment among underrepresented groups from 2010 through 2014 center on the drastic decrease in African American undergraduate enrollment (15.8% total decrease) and a corollary increase in Hispanic undergraduate enrollment (16.9% total increase)"; and
WHEREAS, In its Report, the BHE further noted that "unfortunately, far too many high school graduates are not prepared for college in essential areas like math, reading and science. According to the 2014-2015 Illinois State Board of Education's Illinois Report Card, just a quarter of high school graduates are college-ready in all four core subjects per ACT benchmarks"; and
WHEREAS, The BHE is responsible for the development and implementation of the strategic courses of action for sustaining and improving higher education; and

WHEREAS, According to the BHE in its Report, to promote enrollment increases in the underrepresented groups, a task force is necessary to conduct an in-depth analysis and study in order to triangulate results from surveys, focus groups, and key stakeholder communities and to develop a plan of remediation addressing the associated decline of such student groups; and

WHEREAS, According to the BHE, to improve college readiness, it is essential that Illinois effectively address and accelerate its work in the re-design of the high school-to-college transition; to do so, BHE opines in its Report that the State should incorporate alternative strategies of "speeding up" learning for more advanced high school students and, alternatively, strategies of "catching up" high school students who are less advanced, as necessary; and

WHEREAS, The Oxford English Dictionary defines a "laboratory school" as "an institution affiliated to a college or university, combining both a teacher-training college and a school in which innovative or experimental teaching methods are researched and applied"; and

WHEREAS, In that same vein, Merriam-Webster's dictionary defines a "laboratory school" as "a school operated by a college or university and used especially for student teaching and the demonstration of classroom practices"; and

WHEREAS, The State of Illinois has 9 public universities on 12 campuses throughout the State; of those 9 public universities, there exists a dearth of laboratory schools to foster the necessary policies and strategies identified by the BHE in its Report; therefore, be it

RESOLVED, That a vacancy in the membership of the Task Force shall be filled in the manner in which the original member was appointed; and be it further
RESOLVED, That the Task Force is charged with the following tasks:

(1) perform an in-depth study and analysis to create strategies to sustain and grow Illinois's underrepresented group populations in institutions of higher learning;
(2) develop transparent and common placement criteria so that students, teachers, and parents understand what is required in high school to ensure enrollment in credit-bearing college courses;
(3) determine the feasibility of an increase in laboratory schools to support the high school-to-college transition for students;
(4) ascertain the viability of the creation and construction of State-owned and operated trade schools in Chicago, Rockford, Springfield, and the Metro-East area for non-college bound high school students, with an emphasis on the enrollment in those trade schools of students from underrepresented groups;
(5) ascertain the cause and effect of the drastic decrease of Black students enrolling in institutions of higher learning; and

The members of the ALPLM Agency Board shall serve without compensation but shall be entitled to reimbursement for all necessary expenses incurred in the performance of their official duties as members of the ALPLM Agency Board from funds appropriated for that purpose.

To facilitate communication and cooperation between the ALPLM Agency and the Abraham Lincoln Presidential Library Foundation (the “Foundation”), the Foundation CEO shall serve as a non-voting, ex-officio member of the ALPLM Agency Board.

X. STATE HISTORIAN

The position of Illinois State Historian, as set forth in Section 4 of the Historic Preservation Agency Act (20 ILCS 3405/4), is hereby transferred to the ALPLM Agency. The Executive Director, with the advice and
consent of the ALPLM Agency Board, shall appoint the Illinois State Historian, who shall provide historical expertise, support, and service on civic engagement to educators and not-for-profit educational groups, including historical societies. The Illinois State Historian shall be the State’s leading authority on the history of Illinois, and shall have such powers and responsibilities as set forth in Section 4 of the Historic Preservation Agency Act (20 ILCS 3405/4) and Sections 4 and 5.1 of the State Historical Library Act (20 ILCS 3425/4-5.1) transferred to the ALPLM Agency pursuant to this Executive Order.

XII. REPORT TO THE GENERAL ASSEMBLY
DNR and the ALPLM Agency shall each provide a report to the General Assembly not later than December 31, 2017 and annually thereafter for three years, that includes an analysis of the effect of the reorganization on State government and the Illinois taxpayers. Every person shall be subject to the same obligations and duties and to the associated penalties, if any, and shall have the same rights arising from the exercise of these obligations and duties as if exercised subject to HPA or the officers and employees of HPA.

2. This Executive Order shall not affect any act undertaken, ratified or cancelled or any right occurring or established or any action or proceeding commenced in an administrative, civil, or criminal case before this Executive Order takes effect, but these actions or
proceedings may be prosecuted and continued by the successor agency in cooperation with another agency, if necessary.

3. This Executive Order shall not affect the legality of any rules in the Illinois Administrative Code that are in force on the effective date of this Executive Order, which rules have been duly adopted by HPA. Any rules, regulations, and other agency actions affected by the reorganization shall continue in effect and be transferred together with the transfer of functions. If necessary, however, DNR and the ALPLM Agency, respectively, shall propose, adopt, or repeal rules, rule amendments, and rule recodifications as appropriate to effectuate this Executive Order. These rule modifications shall coincide with, if applicable, the respective transfer of functions to DNR and the ALPLM Agency.

2017-2
EXECUTIVE ORDER STRENGTHENING THE STATE’S INVESTIGATION, ADJUDICATION, AND ENFORCEMENT OF ANTI-DISCRIMINATION AND EQUAL OPPORTUNITY LAWS

WHEREAS, agencies of the State of Illinois make decisions that significantly impact the lives and livelihoods of Illinois residents and businesses, and some of the most direct and personal impacts are made when State agencies determine whether unlawful discrimination has occurred with regard to housing, employment, financial credit, public accommodation, and sexual harassment in higher education; and

WHEREAS, the Illinois Constitution affords due process to people and businesses of our State and also provides a complete and expedited investigation, adjudication, and ultimate enforcement of orders against these forms of discrimination; and

WHEREAS, under the direction of Governor James R. Thompson and his Cost Control Task Force, Illinois consolidated the patchwork of
agencies that administer the laws and administrative process of investigating and adjudicating Illinois civil rights law; and

WHEREAS, as part of this consolidation effort, the Governor and the General Assembly worked to pass the Illinois Human Rights Act in 1979 (the “Act”);

WHEREAS, the Act created the Department of Human Rights (“DHR”) to receive, investigate, and conciliate charges of unlawful discrimination and to undertake affirmative action and public education activities to prevent discrimination; and

WHEREAS, the Act further established the Human Rights Commission (“HRC”), a body with the function of hearing and adjudicating discrimination cases; and

WHEREAS, the decentralized approach whereby one agency investigates charges of discrimination and a separate agency adjudicates the charges of discrimination has resulted in an antiquated, inefficient, and unresponsive process for obtaining reasonably prompt resolution for Illinois taxpayers and businesses alike; and

WHEREAS, these two State agencies now bear dual responsibility for creating applicable rules and regulations as well as maintaining separate internal policies, processes, and filing and case management systems; and

WHEREAS, although a single statute governs these two State agencies, HRC and DHR often have different, conflicting, and inconsistent rules of administrative procedure, which confuse parties, impede transparency, and create backlog and delay; and

WHEREAS, under our current outdated and unproductive structure, people and businesses wait at least four years, on average, after filing a charge of discrimination for DHR to investigate and HRC to issue its final decision on the case; and

WHEREAS, HRC currently has over 1,000 backlogged cases pending two years or more without a decision, and some parties wait as long as three years for a resolution to their case; and

WHEREAS, these delays are unacceptable and unfair to aggrieved parties and businesses and to the general public; and

WHEREAS, individuals and groups most harmed by delay are impoverished and minority parties and small businesses without the resources to obtain counsel and pay expensive legal fees to appear in Illinois courts; and

WHEREAS, these delays are in direct contradiction to the goal of providing efficient and effective processes to administer the State’s civil rights laws; and
WHEREAS, the consolidation of these two State agencies will have real, tangible benefits for Illinois citizens and businesses that rely on these two State agencies, as well as for taxpayers; and

WHEREAS, the consolidation of these two State agencies will produce considerable cost-savings to the State, with an estimated savings of approximately $500,000 in the first year of consolidation alone; and

WHEREAS, the consolidation of these two State agencies will produce faster investigative and adjudicative processes because they will be able to share resources effectively and cut bureaucratic red tape; and

WHEREAS, consolidation will not compromise the independence of the appellate process, because HRC will continue to review cases and discharge its adjudicatory functions pursuant to the Administrative Procedures Act; and

WHEREAS, many states, including Indiana, Michigan, Ohio, and Minnesota, and many local governments, including the City of Chicago, conduct civil rights proceedings through a single consolidated governmental body that houses both investigative and adjudicative functions;

THEREFORE, I, Bruce Rauner, Governor of Illinois, by virtue of the executive authority vested in me by Section 8 and Section 11 of Article V of the Constitution of the State of Illinois, do hereby order as follows:

I. CONSOLIDATION OF HRC INTO DHR

HRC is hereby consolidated into DHR as of July 1, 2017.

II. TRANSITION

Beginning on the effective date of this Executive Order, DHR and HRC shall work cooperatively to prepare for the transfer of functions, commissioners, employees, property, and funds pursuant to Section III of this Executive Order, and to carry out all other actions required to give effect to such transfers, as of July 1, 2017. HRC shall provide DHR with access to personnel and other resources necessary to accomplish such transition. During the transition period:

1. Under the direction of the Governor, the Director of DHR, in consultation with HRC and labor organizations representing the affected employees and commissioners, shall identify each position, employee and commissioner who is engaged in the performance of functions transferred to DHR or engaged in the administration of a law the administration of which is transferred to DHR, to be transferred to DHR pursuant to Section III(1) of this Executive Order. The Director of DHR shall ensure compliance with all applicable provisions of the Personnel Code and collective
bargaining agreements, including providing any notices required thereunder within the applicable time periods.

2. Under the direction of the Governor, the Director of DHR, in consultation with HRC, shall identify personnel records, documents, books, correspondence, and other property, both real and personal, affected by the transfer to DHR pursuant to Section III(2) of this Executive Order. Such property may include contracts pertaining to the functions transferred to DHR.

3. Under the direction of the Governor, the Director of the Governor’s Office of Management and Budget, in consultation with the respective Director of DHR and the Executive Director of HRC, shall identify the unexpended balances of Fiscal Year 2017 and Fiscal Year 2018 appropriations and other funds, or the relevant portions thereof, to be transferred to DHR pursuant to Section III(3) of this Executive Order.

III. TRANSFER OF FUNCTIONS

As of July 1, 2017, the authority and responsibility for the investigation, adjudication, and enforcement of anti-discrimination laws and equal opportunity and affirmative action compliance in the State of Illinois shall be consolidated into DHR. All such functions that currently reside in or are carried out by HRC shall be transferred to DHR. These functions derive from 775 ILCS 5/1-101, et seq. In connection with such transfer, as of July 1, 2017:

1. Each position, employee, and commissioner who is engaged in the performance of functions transferred to DHR, or engaged in the administration of a law the administration of which is transferred to DHR (as identified pursuant to Section II of this Executive Order), and the employee or commissioner in each such position, shall be transferred to DHR pursuant to the provisions of any applicable collective bargaining agreement. The status and rights of any such employee or commissioner, the State, and its agencies under the Personnel Code and applicable collective bargaining rights or under any pension, retirement, or annuity plan shall not be affected by this reorganization. For the avoidance of doubt, the 13 commissioner positions created by Article 8 of the Act shall be transferred to DHR, and nothing in this Executive Order shall affect the service or term of such commissioners. For the avoidance of doubt, commissioners shall continue to be appointed pursuant to Article 8 of the Act.

2. All personnel records, documents, books, correspondence, and other property, both real and personal, affected by the
reorganization (as identified pursuant to Section II of this Executive Order) shall be delivered and transferred to DHR or to the State Archives.

3. The unexpended balances of Fiscal Year 2017 and Fiscal Year 2018 appropriations and other funds available for use by HRC (as identified pursuant to Section II of this Executive Order and deemed necessary by the Governor) shall be transferred to DHR and expended for the purposes for which the appropriations or other funds were originally made or given to HRC.

4. Whenever any previous Executive Order or any statute provides for membership on any board, commission, authority, or other entity by a representative or designee of HRC with responsibility for the functions transferred to DHR, the Director of DHR shall designate the same number of representatives or designees of DHR.

5. Any proceeding or action pending at the time of the transfer before, or in process by, HRC, shall continue after the date of the transfer, and shall be adjudicated by the commission transferred to DHR pursuant to this Executive Order. The rights of all parties in any such proceeding or action shall not be affected by the transfer.

IV. INCONSISTENT ACTS

From the effective date of this reorganization, and as long as such reorganization remains in effect, the operation of any prior act of the General Assembly inconsistent with this reorganization is suspended to the extent of the inconsistency.

V. REPORT TO THE GENERAL ASSEMBLY

DHR shall provide a report to the General Assembly not later than December 31, 2017 and annually thereafter for three years, that includes an analysis of the effect of the reorganization on State government and the Illinois taxpayers. The report shall also include recommendations for further legislation relating to the implementation of the reorganization. A copy of such report shall be filed with the Speaker, the Minority Leader, and the Clerk of the House of Representatives; the President, the Minority Leader, and the Secretary of the Senate; the Legislative Research Unit; and the State Government Report Distribution Center for the General Assembly.

VI. SAVINGS CLAUSE

1. The rights, powers, duties, and functions transferred to DHR by this Executive Order shall be vested in, and shall be exercised by, DHR. Each act done in exercise of such rights, powers, duties, and functions shall have the same legal effect as if done by HRC. Every person shall be subject to the same obligations and duties and to
the associated penalties, if any, and shall have the same rights arising from the exercise of these obligations and duties as if exercised subject to HRC or the officers and employees of HRC.

2. This Executive Order shall not affect any act undertaken, ratified, or cancelled or any right occurring or established or any action or proceeding commenced in an administrative, civil, or criminal case before this Executive Order takes effect (including, for the avoidance of doubt, any administrative case adjudicated by HRC), but these actions or proceedings may be prosecuted and continued by the successor agency in cooperation with another agency, if necessary.

3. This Executive Order shall not affect the legality of any rules in the Illinois Administrative Code that are in force on the effective date of this Executive Order, which rules have been duly adopted by HRC. Any rules, regulations, and other agency actions affected by the reorganization shall continue in effect and be transferred together with the transfer of functions. If necessary, however, DHR shall propose, adopt, or repeal rules, rule amendments, and rule recodifications as appropriate to effectuate this Executive Order. These rule modifications shall coincide with, if applicable, the transfer of functions to DHR.

4. Whenever reports or notices are now required to be made or given or paper or documents furnished or served by any person in regard to the functions transferred from HRC to DHR pursuant to this Executive Order, the same shall be made, given, furnished, or served in the same manner to or upon DHR.

5. This Executive Order does not contravene, and shall not be construed to contravene, any federal law, State statute (except as provided in Section IV), or collective bargaining agreement.

VII. PRIOR EXECUTIVE ORDERS
This Executive Order supersedes any contrary provision of any other prior Executive Order.

VIII. SEVERABILITY CLAUSE
If any part of this Executive Order is found invalid by a court of competent jurisdiction, the remaining provisions shall remain in full force and effect. The provisions of this Executive Order are severable.

IX. FILINGS
This Executive Order shall be filed with the Secretary of State. A copy of this Executive Order shall be delivered to the Secretary of the Senate and to the Clerk of the House of Representatives and, for the purpose of preparing a revisory bill, to the Legislative Reference Bureau.
X. EFFECTIVE DATE
Provided that neither house of the General Assembly disapproves of this Executive Order by the record vote of a majority of the members elected, this Executive Order shall take effect 60 days after its delivery to the General Assembly.

2017-4
EXECUTIVE ORDER TO CONTINUE AND EXPAND SUCCESSES IN IMPROVING STATE ADMINISTRATIVE PROCEEDINGS

WHEREAS, adjudicators in State administrative proceedings make up a hidden judiciary, whose critical role in providing justice to the parties appearing before them often goes overlooked, despite the important consequences their decisions often have; and

WHEREAS, frayed patchworks of administrative rules, agency structures, and case management practices can cause delay, deny justice to parties, and create unnecessary expenses; and

WHEREAS, Executive Order 2016-06 began a pilot program to offer centralized administrative support to a limited number of State agencies and to determine whether consolidation of administrative hearings functions could succeed within the State; and

WHEREAS, during the pilot period the Bureau of Administrative Hearings (the “Bureau”), created within the Department of Central Management Services, demonstrated the efficiencies of case sharing between agencies, and within nine months, adjudicators from the Departments of Revenue (“DOR”) and Public Health (“DPH”) processed more than 500 Department of Labor cases, which otherwise would not have been heard; and

WHEREAS, case sharing advanced the professional development of adjudicators at DOR and DPH, did not require them to work overtime, and most importantly helped Illinois citizens and businesses receive resolution of their disputes faster, without sacrificing the quality of administrative decisions; and
WHEREAS, the efficiencies of case sharing were accomplished with the support of the Department of Innovation and Technology ("DoIT"), which created a cost-free system to hold remote hearings; and
WHEREAS, the Bureau also worked in cooperation with DoIT to implement a temporary case management solution for participating State agencies, reinforcing the need for a more permanent, uniform case management system; and
WHEREAS, the Bureau successfully developed a set of uniform rules of procedure for administrative hearings to streamline and rationalize agencies’ administrative rules; and
WHEREAS, the Bureau made progress toward establishing a professional corps of adjudicators by developing training programs, a standard code of professional conduct, and opportunities for continuing legal education; and
WHEREAS, adjudicators participating in the pilot program demonstrated legal acumen, flexibility, and intelligence in handling cases that involved new areas of legal expertise; and
WHEREAS, the Bureau accomplished its goals even without the advantages that a fully centralized panel would provide, including flexible support staff assignments, shared space, and sophisticated technological systems; and
WHEREAS, the Bureau determined that more centralized administrative hearing functions would create between $3 million and $4 million in yearly savings for Illinois taxpayers simply by implementing a modern, uniform case management system and by consolidating adjudication services for agencies that have small hearings caseloads; and
WHEREAS, pursuant to Executive Order 2016-06, the Bureau would otherwise only exist until the end of the pilot period on June 30, 2017; and
WHEREAS, the successes of the Bureau during the pilot period demonstrate its value and show that its work should expand to involve additional State agencies;
THEREFORE, I, Bruce Rauner, Governor of Illinois, by virtue of the executive authority vested in me by Section 8 of Article V of the Constitution of the State of Illinois, do hereby order as follows:
I. DEFINITIONS
“Adjudicator” means an administrative law judge, hearing officer, hearing referee, or other State employee who conducts hearings on behalf of a State agency under the authority of the Office of the Governor pursuant to the Administrative Procedure Act.
“Bureau” means the CMS Bureau of Administrative Hearings.
“CMS” means the Department of Central Management Services.
“DoIT” means the Department of Innovation and Technology.
“Pilot period” means the period from the effective date of Executive Order 2016-06 until June 30, 2017.
“State” means the State of Illinois.

II. CONTINUATION OF THE BUREAU OF ADMINISTRATIVE HEARINGS
The Director of CMS shall reestablish the Bureau, as previously created by Executive Order 2016-06. The Director of CMS shall continue to have the power to appoint the Bureau Chief from its existing legal staff. The Bureau shall continue to exist within CMS indefinitely, unless discontinued by subsequent Executive Order, administrative rule, or Public Act.

The Bureau shall enter into interagency contracts for purposes of providing consolidated administrative hearing functions with up to 25 State agencies, as authorized by the Intergovernmental Cooperation Act and other applicable law. The Bureau may enter into additional interagency contracts for this purpose with the permission of the Office of the Governor. Pursuant to such contracts, the Bureau shall continue to develop training programs for adjudicators; improve the process for assigning cases among adjudicators; promote shared resources among participating State agencies; improve its uniform rules of procedure and recommend revisions to the agencies’ administrative rules on administrative hearings; improve its standard code of professional conduct for adjudicators; and in cooperation with DoIT, implement modern, uniform filing and case management systems. Further, pursuant to such interagency contracts, the Bureau shall work with agencies to implement the standard code of professional conduct for adjudicators and the uniform rules of procedure it develops, making and recommending such periodic amendments as it believes prudent.

State agencies and the Bureau shall coordinate to ensure efficiency and effectiveness in the implementation of uniform rules of procedure and a standard code of professional conduct and through the sharing of resources and information necessary to determine the efficacy of current State administrative processes, organizational structures, and case management practices. The Bureau shall monitor and seek to eliminate backlogs and inefficiencies wherever they exist, and shall identify where these goals are hindered by lack of communication, poor or nonexistent electronic case management systems, or decentralized operations. To assist the Bureau in these efforts, State agencies should provide information related to case backlogs and workflows to the Bureau at its request.
The Bureau shall investigate and determine whether and to what extent the further consolidation of adjudicators, administrative hearing and support functions, and associated resources among State agencies would result in a more efficient, timely, and responsive administrative hearing system. The Bureau shall consider, without limitation, the extent to which consolidation would enable more efficient administrative procedures, greater customer satisfaction, greater public trust and confidence, a reduced backlog of cases, and any cost savings or cost avoidance. Any consolidation in light of such findings would be accomplished by subsequent Executive Order or Public Act.

The Bureau Chief shall meet with the Office of the Governor and the Director of CMS by September 30, 2017, and quarterly thereafter if requested by the Office of the Governor, to report on and assess the impact of the administrative hearing support program. At such meetings, the Bureau Chief also shall describe the Bureau’s investigation and determination with respect to further consolidation, as contemplated above, and include the Bureau’s recommendations for any further reforms.

By July 30, 2018, and yearly thereafter, the Bureau Chief shall submit a written report to the Governor and the General Assembly and include the Bureau’s recommendations for any subsequent reforms.

III. SAVINGS CLAUSE

1. This Executive Order does not, and shall not be construed to, transfer any rights, powers, duties, functions, property, personnel, or funds from, to, or among State agencies; each State agency continues to have whatever authority is provided to it pursuant to the Intergovernmental Cooperation Act and other applicable law to enter into interagency contracts, which may include permissible transfers.

2. This Executive Order shall not affect any act undertaken, ratified, or cancelled or any right occurring or established or any action or proceeding commenced in an administrative, civil, or criminal case before this Executive Order takes effect, but these actions or proceedings may be prosecuted and continued by the Bureau in cooperation with the State agency, if necessary.

3. This Executive Order shall not affect the legality of any rules in the Illinois Administrative Code that are in force on the effective date of this Executive Order, which rules have been duly adopted by the pertinent agencies. If necessary, however, the affected agencies shall propose, adopt, or repeal rules, rule amendments, and rule recodifications as appropriate to effectuate this Executive Order.
4. This Executive Order does not contravene, and shall not be construed to contravene, any federal law, State statute, or collective bargaining agreement.

IV. PRIOR EXECUTIVE ORDERS
This Executive Order supersedes any contrary provision of any other prior Executive Order.

V. SEVERABILITY CLAUSE
If any part of this Executive Order is found invalid by a court of competent jurisdiction, the remaining provisions shall remain in full force and effect. The provisions of this Executive Order are severable.

VI. EFFECTIVE DATE
This Executive Order shall take effect upon filing with the Secretary of State.

Issued by the Governor August 2, 2017.
Filed by the Secretary of State August 2, 2017.

2017-5
EXECUTIVE ORDER ESTABLISHING THE GOVERNOR’S OPIOID PREVENTION AND INTERVENTION TASK FORCE

WHEREAS, Illinois is in the midst of a public health and safety crisis caused by the opioid epidemic and characterized by an alarming rate of opioid overdose deaths; and
WHEREAS, opioid overdoses have recently claimed the lives of far too many Illinois residents; and
WHEREAS, opioid overdoses are expected to kill more than 1,900 people in the state of Illinois in 2017, more than one and a half times the number of homicides and nearly twice the number of fatal motor vehicle accidents; and
WHEREAS, opioid overdoses can be prevented and lives can be saved; and
WHEREAS, we recognize that substance use disorder is a disease, that individuals with substance use disorder come from diverse backgrounds and live in every part of our State, and furthermore, that recovery from substance use disorder is possible; and
WHEREAS, the toll that substance use disorder takes on individuals, families, friends, and communities must drive us to do all that we can to reduce its impact and help Illinois residents lead healthy, successful, and productive lives; and
WHEREAS, we must come together to build on the existing work and successful initiatives of State agencies, stakeholder coalitions, and community partners to contain the opioid epidemic; and
WHEREAS, Illinois needs a comprehensive plan to address opioid misuse and reduce overdose deaths in the State; and
WHEREAS, Illinois State agencies have different expertise, capabilities, and data that, when shared, can better inform a coordinated statewide response to the opioid overdose epidemic;
THEREFORE, I, Bruce Rauner, Governor of Illinois, by virtue of the executive authority vested in me by Section 8 of Article V of the Constitution of the State of Illinois, do hereby order as follows:

I. CREATION

IV. EXECUTIVE ACTION

NATIONAL HEALTH CENTER WEEK

WHEREAS, for more than 50 years, community health centers have provided high quality, cost effective, and accessible primary and preventative care to all individuals, regardless of insurance status or ability to pay; and,

WHEREAS, health centers serve as the health care home for more than 25 million Americans through more than 10,000 delivery sites across the nation; one in every 13 people living in the United States depends on their services; and,

WHEREAS, health centers are a critical element of the health system, serving both rural and urban populations, and often providing the only accessible and dependable source of primary care in their communities; nationwide, health centers serve one in every six residents of rural areas; and,

WHEREAS, health centers are developing new approaches to integrating a wide range of services beyond primary care – including oral health, vision, behavioral health, and pharmacy services – to meet the needs and challenges of their community; and,

WHEREAS, health centers nationally employ nearly 190,000 people, including physicians, nurse practitioners, physician assistants, and certified nurse midwives who work as part of multi-disciplinary clinical teams designed to treat the whole patient; and,

WHEREAS, the health center model continues to prove an effective means of overcoming barriers to access including geography, income, and insurance status, and in doing so, improves health care outcomes and reduces health care system costs by managing chronic conditions and keeping patients out of costlier health care settings, like hospital emergency rooms; and,

WHEREAS, health centers are on the front lines of major health care crises that our country faces, including providing access to care for our nation’s veterans, addressing the opioid epidemic, and responding to public health threats like the Zika virus; and,

WHEREAS, the demand for health centers continues to outpace growth, and expansion of health center programs will be essential to meet the needs of new patients, as existing health centers are already at capacity and many communities lack any primary care services at all; and,

WHEREAS, health centers remain committed to preserving and expanding access in the communities they serve, ensuring that the promise of coverage is translated into the reality of care; and,

WHEREAS, National Health Center Week offers the opportunity
to recognize America’s health centers, their dedicated staff, board members, and all those responsible for their continued success and growth since the first health centers opened their doors more than 50 years ago. During this National Health Center Week, we celebrate the legacy of America’s health centers and their vital role in shaping the future of America’s health care system;

THEREFORE, I, Bruce Rauner, Governor of the State of Illinois, do hereby proclaim August 13-19, 2017, as NATIONAL HEALTH CENTER WEEK in Illinois, and encourage everyone to visit their local health center and celebrate the important partnership between America’s health centers and the communities they serve.

Section 4: This proclamation can facilitate a request for Federal disaster assistance if a complete and comprehensive assessment of damage indicates that effective recovery is beyond the capabilities of the State and affected local governments.

Section 5: This proclamation shall be effective immediately and remain in effect for 30 days.
