All taxpayers required to make payment by electronic funds transfer and any taxpayers authorized to voluntarily make payments by electronic funds transfer shall make those payments in the manner authorized by the Department.

The Department shall adopt such rules as are necessary to effectuate a program of electronic funds transfer and the requirements of this Section.

Any amount which is required to be shown or reported on any return or other document under this Act shall, if such amount is not a whole-dollar amount, be increased to the nearest whole-dollar amount in any case where the fractional part of a dollar is 50 cents or more, and decreased to the nearest whole-dollar amount where the fractional part of a dollar is less than 50 cents.

If the retailer is otherwise required to file a monthly return and if the retailer's average monthly tax liability to the Department does not exceed $200, the Department may authorize his returns to be filed on a quarter annual basis, with the return for January, February and March of a given year being due by April 20 of such year; with the return for April, May and June of a given year being due by July 20 of such year; with the return for July, August and September of a given year being due by October 20 of such year, and with the return for October, November and December of a given year being due by January 20 of the following year.

If the retailer is otherwise required to file a monthly or quarterly return and if the retailer's average monthly tax liability with the Department does not exceed $50, the Department may authorize his returns to be filed on an annual basis, with the return for a given year being due by January 20 of the following year.

Such quarter annual and annual returns, as to form and substance, shall be subject to the same requirements as monthly returns.

Notwithstanding any other provision in this Act concerning the time within which a retailer may file his return, in the case of any retailer...
who ceases to engage in a kind of business which makes him responsible for filing returns under this Act, such retailer shall file a final return under this Act with the Department not more than one month after discontinuing such business.

Where the same person has more than one business registered with the Department under separate registrations under this Act, such person may not file each return that is due as a single return covering all such registered businesses, but shall file separate returns for each such registered business.

In addition, with respect to motor vehicles, watercraft, aircraft, and trailers that are required to be registered with an agency of this State, except as otherwise provided in this Section, every retailer selling this kind of tangible personal property shall file, with the Department, upon a form to be prescribed and supplied by the Department, a separate return for each such item of tangible personal property which the retailer sells, except that if, in the same transaction, (i) a retailer of aircraft, watercraft, motor vehicles or trailers transfers more than one aircraft, watercraft, motor vehicle or trailer to another aircraft, watercraft, motor vehicle retailer or trailer retailer for the purpose of resale or (ii) a retailer of aircraft, watercraft, motor vehicles, or trailers transfers more than one aircraft, watercraft, motor vehicle, or trailer to a purchaser for use as a qualifying rolling stock as provided in Section 2-5 of this Act, then that seller may report the transfer of all aircraft, watercraft, motor vehicles or trailers involved in that transaction to the Department on the same uniform invoice-transaction reporting return form. For purposes of this Section, "watercraft" means a Class 2, Class 3, or Class 4 watercraft as defined in Section 3-2 of the Boat Registration and Safety Act, a personal watercraft, or any boat equipped with an inboard motor.

In addition, with respect to motor vehicles, watercraft, aircraft, and trailers that are required to be registered with an agency of this State, every person who is engaged in the business of leasing or renting such items and who, in connection with such business, sells any such item to a retailer for the purpose of resale is, notwithstanding any other provision of this Section to the contrary, authorized to meet the return-filing requirement of this Act by reporting the transfer of all the aircraft, watercraft, motor vehicles, or trailers transferred for resale during a month to the Department on the same uniform invoice-transaction reporting return form on or before the 20th day of the month following the month in which the transfer takes place. Notwithstanding any other
provision of this Act to the contrary, all returns filed under this paragraph must be filed by electronic means in the manner and form as required by the Department.

Any retailer who sells only motor vehicles, watercraft, aircraft, or trailers that are required to be registered with an agency of this State, so that all retailers' occupation tax liability is required to be reported, and is reported, on such transaction reporting returns and who is not otherwise required to file monthly or quarterly returns, need not file monthly or quarterly returns. However, those retailers shall be required to file returns on an annual basis.

The transaction reporting return, in the case of motor vehicles or trailers that are required to be registered with an agency of this State, shall be the same document as the Uniform Invoice referred to in Section 5-402 of The Illinois Vehicle Code and must show the name and address of the seller; the name and address of the purchaser; the amount of the selling price including the amount allowed by the retailer for traded-in property, if any; the amount allowed by the retailer for the traded-in tangible personal property, if any, to the extent to which Section 1 of this Act allows an exemption for the value of traded-in property; the balance payable after deducting such trade-in allowance from the total selling price; the amount of tax due from the retailer with respect to such transaction; the amount of tax collected from the purchaser by the retailer on such transaction (or satisfactory evidence that such tax is not due in that particular instance, if that is claimed to be the fact); the place and date of the sale; a sufficient identification of the property sold; such other information as is required in Section 5-402 of The Illinois Vehicle Code, and such other information as the Department may reasonably require.

The transaction reporting return in the case of watercraft or aircraft must show the name and address of the seller; the name and address of the purchaser; the amount of the selling price including the amount allowed by the retailer for traded-in property, if any; the amount allowed by the retailer for the traded-in tangible personal property, if any, to the extent to which Section 1 of this Act allows an exemption for the value of traded-in property; the balance payable after deducting such trade-in allowance from the total selling price; the amount of tax due from the retailer with respect to such transaction; the amount of tax collected from the purchaser by the retailer on such transaction (or satisfactory evidence that such tax is not due in that particular instance, if that is claimed to be the fact); the place
and date of the sale, a sufficient identification of the property sold, and such other information as the Department may reasonably require.

Such transaction reporting return shall be filed not later than 20 days after the day of delivery of the item that is being sold, but may be filed by the retailer at any time sooner than that if he chooses to do so. The transaction reporting return and tax remittance or proof of exemption from the Illinois use tax may be transmitted to the Department by way of the State agency with which, or State officer with whom the tangible personal property must be titled or registered (if titling or registration is required) if the Department and such agency or State officer determine that this procedure will expedite the processing of applications for title or registration.

With each such transaction reporting return, the retailer shall remit the proper amount of tax due (or shall submit satisfactory evidence that the sale is not taxable if that is the case), to the Department or its agents, whereupon the Department shall issue, in the purchaser's name, a use tax receipt (or a certificate of exemption if the Department is satisfied that the particular sale is tax exempt) which such purchaser may submit to the agency with which, or State officer with whom, he must title or register the tangible personal property that is involved (if titling or registration is required) in support of such purchaser's application for an Illinois certificate or other evidence of title or registration to such tangible personal property.

No retailer's failure or refusal to remit tax under this Act precludes a user, who has paid the proper tax to the retailer, from obtaining his certificate of title or other evidence of title or registration (if titling or registration is required) upon satisfying the Department that such user has paid the proper tax (if tax is due) to the retailer. The Department shall adopt appropriate rules to carry out the mandate of this paragraph.

If the user who would otherwise pay tax to the retailer wants the transaction reporting return filed and the payment of the tax or proof of exemption made to the Department before the retailer is willing to take these actions and such user has not paid the tax to the retailer, such user may certify to the fact of such delay by the retailer and may (upon the Department being satisfied of the truth of such certification) transmit the information required by the transaction reporting return and the remittance for tax or proof of exemption directly to the Department and obtain his tax receipt or exemption determination, in which event the transaction reporting return and tax remittance (if a tax payment was required) shall be
credited by the Department to the proper retailer's account with the Department, but without the 2.1% or 1.75% discount provided for in this Section being allowed. When the user pays the tax directly to the Department, he shall pay the tax in the same amount and in the same form in which it would be remitted if the tax had been remitted to the Department by the retailer.

Refunds made by the seller during the preceding return period to purchasers, on account of tangible personal property returned to the seller, shall be allowed as a deduction under subdivision 5 of his monthly or quarterly return, as the case may be, in case the seller had theretofore included the receipts from the sale of such tangible personal property in a return filed by him and had paid the tax imposed by this Act with respect to such receipts.

Where the seller is a corporation, the return filed on behalf of such corporation shall be signed by the president, vice-president, secretary or treasurer or by the properly accredited agent of such corporation.

Where the seller is a limited liability company, the return filed on behalf of the limited liability company shall be signed by a manager, member, or properly accredited agent of the limited liability company.

Except as provided in this Section, the retailer filing the return under this Section shall, at the time of filing such return, pay to the Department the amount of tax imposed by this Act less a discount of 2.1% prior to January 1, 1990 and 1.75% on and after January 1, 1990, or $5 per calendar year, whichever is greater, which is allowed to reimburse the retailer for the expenses incurred in keeping records, preparing and filing returns, remitting the tax and supplying data to the Department on request. Any prepayment made pursuant to Section 2d of this Act shall be included in the amount on which such 2.1% or 1.75% discount is computed. In the case of retailers who report and pay the tax on a transaction by transaction basis, as provided in this Section, such discount shall be taken with each such tax remittance instead of when such retailer files his periodic return.

The discount allowed under this Section is allowed only for returns that are filed in the manner required by this Act. The Department may disallow the discount for retailers whose certificate of registration is revoked at the time the return is filed, but only if the Department's decision to revoke the certificate of registration has become final.

Before October 1, 2000, if the taxpayer's average monthly tax liability to the Department under this Act, the Use Tax Act, the Service Occupation Tax Act, and the Service Use Tax Act, excluding any liability

for prepaid sales tax to be remitted in accordance with Section 2d of this Act, was $10,000 or more during the preceding 4 complete calendar quarters, he shall file a return with the Department each month by the 20th day of the month next following the month during which such tax liability is incurred and shall make payments to the Department on or before the 7th, 15th, 22nd and last day of the month during which such liability is incurred. On and after October 1, 2000, if the taxpayer's average monthly tax liability to the Department under this Act, the Use Tax Act, the Service Occupation Tax Act, and the Service Use Tax Act, excluding any liability for prepaid sales tax to be remitted in accordance with Section 2d of this Act, was $20,000 or more during the preceding 4 complete calendar quarters, he shall file a return with the Department each month by the 20th day of the month next following the month during which such tax liability is incurred and shall make payment to the Department on or before the 7th, 15th, 22nd and last day of the month during which such liability is incurred. If the month during which such tax liability is incurred began prior to January 1, 1985, each payment shall be in an amount equal to 1/4 of the taxpayer's actual liability for the month or an amount set by the Department not to exceed 1/4 of the average monthly liability of the taxpayer to the Department for the preceding 4 complete calendar quarters (excluding the month of highest liability and the month of lowest liability in such 4 quarter period). If the month during which such tax liability is incurred begins on or after January 1, 1985 and prior to January 1, 1987, each payment shall be in an amount equal to 22.5% of the taxpayer's actual liability for the month or 27.5% of the taxpayer's liability for the same calendar month of the preceding year. If the month during which such tax liability is incurred begins on or after January 1, 1987 and prior to January 1, 1988, each payment shall be in an amount equal to 22.5% of the taxpayer's actual liability for the month or 26.25% of the taxpayer's liability for the same calendar month of the preceding year. If the month during which such tax liability is incurred begins on or after January 1, 1988, and prior to January 1, 1989, or begins on or after January 1, 1996, each payment shall be in an amount equal to 22.5% of the taxpayer's actual liability for the month or 25% of the taxpayer's liability for the same calendar month of the preceding year. If the month during which such tax liability is incurred begins on or after January 1, 1989, and prior to January 1, 1996, each payment shall be in an amount equal to 22.5% of the taxpayer's actual liability for the month or 25% of the taxpayer's liability for the same calendar month of the preceding year or 100% of the

taxpayer's actual liability for the quarter monthly reporting period. The amount of such quarter monthly payments shall be credited against the final tax liability of the taxpayer's return for that month. Before October 1, 2000, once applicable, the requirement of the making of quarter monthly payments to the Department by taxpayers having an average monthly tax liability of $10,000 or more as determined in the manner provided above shall continue until such taxpayer's average monthly liability to the Department during the preceding 4 complete calendar quarters (excluding the month of highest liability and the month of lowest liability) is less than $9,000, or until such taxpayer's average monthly liability to the Department as computed for each calendar quarter of the 4 preceding complete calendar quarter period is less than $10,000. However, if a taxpayer can show the Department that a substantial change in the taxpayer's business has occurred which causes the taxpayer to anticipate that his average monthly tax liability for the reasonably foreseeable future will fall below the $10,000 threshold stated above, then such taxpayer may petition the Department for a change in such taxpayer's reporting status. On and after October 1, 2000, once applicable, the requirement of the making of quarter monthly payments to the Department by taxpayers having an average monthly tax liability of $20,000 or more as determined in the manner provided above shall continue until such taxpayer's average monthly liability to the Department during the preceding 4 complete calendar quarters (excluding the month of highest liability and the month of lowest liability) is less than $19,000 or until such taxpayer's average monthly liability to the Department as computed for each calendar quarter of the 4 preceding complete calendar quarter period is less than $20,000. However, if a taxpayer can show the Department that a substantial change in the taxpayer's business has occurred which causes the taxpayer to anticipate that his average monthly tax liability for the reasonably foreseeable future will fall below the $20,000 threshold stated above, then such taxpayer may petition the Department for a change in such taxpayer's reporting status. The Department shall change such taxpayer's reporting status unless it finds that such change is seasonal in nature and not likely to be long term. If any such quarter monthly payment is not paid at the time or in the amount required by this Section, then the taxpayer shall be liable for penalties and interest on the difference between the minimum amount due as a payment and the amount of such quarter monthly payment actually and timely paid, except insofar as the taxpayer has previously made payments for that month to the Department in excess of the

minimum payments previously due as provided in this Section. The Department shall make reasonable rules and regulations to govern the quarter monthly payment amount and quarter monthly payment dates for taxpayers who file on other than a calendar monthly basis.

The provisions of this paragraph apply before October 1, 2001. Without regard to whether a taxpayer is required to make quarter monthly payments as specified above, any taxpayer who is required by Section 2d of this Act to collect and remit prepaid taxes and has collected prepaid taxes which average in excess of $25,000 per month during the preceding 2 complete calendar quarters, shall file a return with the Department as required by Section 2f and shall make payments to the Department on or before the 7th, 15th, 22nd and last day of the month during which such liability is incurred. If the month during which such tax liability is incurred began prior to September 1, 1985 (the effective date of Public Act 84-221), each payment shall be in an amount not less than 22.5% of the taxpayer's actual liability under Section 2d. If the month during which such tax liability is incurred begins on or after January 1, 1986, each payment shall be in an amount equal to 22.5% of the taxpayer's actual liability for the month or 27.5% of the taxpayer's liability for the same calendar month of the preceding calendar year. If the month during which such tax liability is incurred begins on or after January 1, 1987, each payment shall be in an amount equal to 22.5% of the taxpayer's actual liability for the month or 26.25% of the taxpayer's liability for the same calendar month of the preceding year. The amount of such quarter monthly payments shall be credited against the final tax liability of the taxpayer's return for that month filed under this Section or Section 2f, as the case may be. Once applicable, the requirement of the making of quarter monthly payments to the Department pursuant to this paragraph shall continue until such taxpayer's average monthly prepaid tax collections during the preceding 2 complete calendar quarters is $25,000 or less. If any such quarter monthly payment is not paid at the time or in the amount required, the taxpayer shall be liable for penalties and interest on such difference, except insofar as the taxpayer has previously made payments for that month in excess of the minimum payments previously due.

The provisions of this paragraph apply on and after October 1, 2001. Without regard to whether a taxpayer is required to make quarter monthly payments as specified above, any taxpayer who is required by Section 2d of this Act to collect and remit prepaid taxes and has collected prepaid taxes that average in excess of $20,000 per month during the

preceding 4 complete calendar quarters shall file a return with the Department as required by Section 2f and shall make payments to the Department on or before the 7th, 15th, 22nd and last day of the month during which the liability is incurred. Each payment shall be in an amount equal to 22.5% of the taxpayer's actual liability for the month or 25% of the taxpayer's liability for the same calendar month of the preceding year. The amount of the quarter monthly payments shall be credited against the final tax liability of the taxpayer's return for that month filed under this Section or Section 2f, as the case may be. Once applicable, the requirement of the making of quarter monthly payments to the Department pursuant to this paragraph shall continue until the taxpayer's average monthly prepaid tax collections during the preceding 4 complete calendar quarters (excluding the month of highest liability and the month of lowest liability) is less than $19,000 or until such taxpayer's average monthly liability to the Department as computed for each calendar quarter of the 4 preceding complete calendar quarters is less than $20,000. If any such quarter monthly payment is not paid at the time or in the amount required, the taxpayer shall be liable for penalties and interest on such difference, except insofar as the taxpayer has previously made payments for that month in excess of the minimum payments previously due.

If any payment provided for in this Section exceeds the taxpayer's liabilities under this Act, the Use Tax Act, the Service Occupation Tax Act and the Service Use Tax Act, as shown on an original monthly return, the Department shall, if requested by the taxpayer, issue to the taxpayer a credit memorandum no later than 30 days after the date of payment. The credit evidenced by such credit memorandum may be assigned by the taxpayer to a similar taxpayer under this Act, the Use Tax Act, the Service Occupation Tax Act or the Service Use Tax Act, in accordance with reasonable rules and regulations to be prescribed by the Department. If no such request is made, the taxpayer may credit such excess payment against tax liability subsequently to be remitted to the Department under this Act, the Use Tax Act, the Service Occupation Tax Act or the Service Use Tax Act, in accordance with reasonable rules and regulations prescribed by the Department. If the Department subsequently determined that all or any part of the credit taken was not actually due to the taxpayer, the taxpayer's 2.1% and 1.75% vendor's discount shall be reduced by 2.1% or 1.75% of the difference between the credit taken and that actually due, and that taxpayer shall be liable for penalties and interest on such difference.

If a retailer of motor fuel is entitled to a credit under Section 2d of this Act which exceeds the taxpayer's liability to the Department under this Act for the month which the taxpayer is filing a return, the Department shall issue the taxpayer a credit memorandum for the excess.

Beginning July 1, 2011, each month the Department shall pay into the Clean Air Act Permit Fund 80% of the net revenue realized for the preceding month from the 6.25% general rate on the selling price of sorbents used in Illinois in the process of sorbent injection as used to comply with the Environmental Protection Act or the federal Clean Air Act, but the total payment into the Clean Air Act Permit Fund under this Act and the Use Tax Act shall not exceed $2,000,000 in any fiscal year.

Beginning July 1, 2013, each month the Department shall pay into the Underground Storage Tank Fund from the proceeds collected under this Act, the Use Tax Act, the Service Use Tax Act, and the Service Occupation Tax Act an amount equal to the average monthly deficit in the Underground Storage Tank Fund during the prior year, as certified annually by the Illinois Environmental Protection Agency, but the total payment into the Underground Storage Tank Fund under this Act, the Use Tax Act, the Service Use Tax Act, and the Service Occupation Tax Act shall not exceed $18,000,000 in any State fiscal year. As used in this paragraph, the "average monthly deficit" shall be equal to the difference between the average monthly claims for payment by the fund and the average monthly revenues deposited into the fund, excluding payments made pursuant to this paragraph.

Beginning July 1, 2015, of the remainder of the moneys received by the Department under the Use Tax Act, the Service Use Tax Act, the Service Occupation Tax Act, and this Act, each month the Department shall deposit $500,000 into the State Crime Laboratory Fund.

and means the Certified Annual Debt Service Requirement (as defined in Section 13 of the Build Illinois Bond Act) or the Tax Act Amount, whichever is greater, for fiscal year 1994 and each fiscal year thereafter; and further provided, that if on the last business day of any month the sum of (1) the Tax Act Amount required to be deposited into the Build Illinois Bond Account in the Build Illinois Fund during such month and (2) the amount transferred to the Build Illinois Fund from the State and Local Sales Tax Reform Fund shall have been less than 1/12 of the Annual Specified Amount, an amount equal to the difference shall be immediately paid into the Build Illinois Fund from other moneys received by the Department pursuant to the Tax Acts; and, further provided, that in no event shall the payments required under the preceding proviso result in aggregate payments into the Build Illinois Fund pursuant to this clause (b) for any fiscal year in excess of the greater of (i) the Tax Act Amount or (ii) the Annual Specified Amount for such fiscal year. The amounts payable into the Build Illinois Fund under clause (b) of the first sentence in this paragraph shall be payable only until such time as the aggregate amount on deposit under each trust indenture securing Bonds issued and outstanding pursuant to the Build Illinois Bond Act is sufficient, taking into account any future investment income, to fully provide, in accordance with such indenture, for the defeasance of or the payment of the principal of,

The moneys received by the Department pursuant to this Act and required to be deposited into the Build Illinois Fund are subject to the pledge, claim and charge set forth in Section 12 of the Build Illinois Bond Act.

Subject to payment of amounts into the Build Illinois Fund as provided in the preceding paragraph or in any amendment thereto hereafter enacted, the following specified monthly installment of the amount requested in the certificate of the Chairman of the Metropolitan Pier and Exposition Authority provided under Section 8.25f of the State Finance Act, but not in excess of sums designated as "Total Deposit", shall be deposited in the aggregate from collections under Section 9 of the Use Tax Act, Section 9 of the Service Use Tax Act, Section 9 of the Service Occupation Tax Act, and Section 3 of the Retailers' Occupation Tax Act into the McCormick Place Expansion Project Fund in the specified fiscal years.

Metropolitan Pier and
Exposition Authority Act,
but not after fiscal year 2060.

Beginning July 20, 1993 and in each month of each fiscal year thereafter, one-eighth of the amount requested in the certificate of the Chairman of the Metropolitan Pier and Exposition Authority for that fiscal year, less the amount deposited into the McCormick Place Expansion Project Fund by the State Treasurer in the respective month under subsection (g) of Section 13 of the Metropolitan Pier and Exposition Authority Act, plus cumulative deficiencies in the deposits required under this Section for previous months and years, shall be deposited into the McCormick Place Expansion Project Fund, until the full amount requested for the fiscal year, but not in excess of the amount specified above as "Total Deposit", has been deposited.

Subject to payment of amounts into the Build Illinois Fund and the McCormick Place Expansion Project Fund pursuant to the preceding paragraphs or in any amendments thereto hereafter enacted, beginning July 1, 1993 and ending on September 30, 2013, the Department shall each month pay into the Illinois Tax Increment Fund 0.27% of 80% of the net revenue realized for the preceding month from the 6.25% general rate on the selling price of tangible personal property.

Subject to payment of amounts into the Build Illinois Fund and the McCormick Place Expansion Project Fund pursuant to the preceding paragraphs or in any amendments thereto hereafter enacted, beginning with the receipt of the first report of taxes paid by an eligible business and continuing for a 25-year period, the Department shall each month pay into the Energy Infrastructure Fund 80% of the net revenue realized from the 6.25% general rate on the selling price of Illinois-mined coal that was sold to an eligible business. For purposes of this paragraph, the term "eligible business" means a new electric generating facility certified pursuant to Section 605-332 of the Department of Commerce and Economic Opportunity Law of the Civil Administrative Code of Illinois.

Subject to payment of amounts into the Build Illinois Fund, the McCormick Place Expansion Project Fund, the Illinois Tax Increment Fund, and the Energy Infrastructure Fund pursuant to the preceding paragraphs or in any amendments to this Section hereafter enacted, beginning on the first day of the first calendar month to occur on or after August 26, 2014 (the effective date of Public Act 98-1098), each month, from the collections made under Section 9 of the Use Tax Act, Section 9

of the Service Use Tax Act, Section 9 of the Service Occupation Tax Act, and Section 3 of the Retailers' Occupation Tax Act, the Department shall pay into the Tax Compliance and Administration Fund, to be used, subject to appropriation, to fund additional auditors and compliance personnel at the Department of Revenue, an amount equal to 1/12 of 5% of 80% of the cash receipts collected during the preceding fiscal year by the Audit Bureau of the Department under the Use Tax Act, the Service Use Tax Act, the Service Occupation Tax Act, the Retailers' Occupation Tax Act, and associated local occupation and use taxes administered by the Department.

Of the remainder of the moneys received by the Department pursuant to this Act, 75% thereof shall be paid into the State Treasury and 25% shall be reserved in a special account and used only for the transfer to the Common School Fund as part of the monthly transfer from the General Revenue Fund in accordance with Section 8a of the State Finance Act.

The Department may, upon separate written notice to a taxpayer, require the taxpayer to prepare and file with the Department on a form prescribed by the Department within not less than 60 days after receipt of the notice an annual information return for the tax year specified in the notice. Such annual return to the Department shall include a statement of gross receipts as shown by the retailer's last Federal income tax return. If the total receipts of the business as reported in the Federal income tax return do not agree with the gross receipts reported to the Department of Revenue for the same period, the retailer shall attach to his annual return a schedule showing a reconciliation of the 2 amounts and the reasons for the difference. The retailer's annual return to the Department shall also disclose the cost of goods sold by the retailer during the year covered by such return, opening and closing inventories of such goods for such year, costs of goods used from stock or taken from stock and given away by the retailer during such year, payroll information of the retailer's business during such year and any additional reasonable information which the Department deems would be helpful in determining the accuracy of the monthly, quarterly or annual returns filed by such retailer as provided for in this Section.

If the annual information return required by this Section is not filed when and as required, the taxpayer shall be liable as follows:

(i) Until January 1, 1994, the taxpayer shall be liable for a penalty equal to 1/6 of 1% of the tax due from such taxpayer under this Act during the period to be covered by the annual return for
each month or fraction of a month until such return is filed as required, the penalty to be assessed and collected in the same manner as any other penalty provided for in this Act.

(ii) On and after January 1, 1994, the taxpayer shall be liable for a penalty as described in Section 3-4 of the Uniform Penalty and Interest Act.

The chief executive officer, proprietor, owner or highest ranking manager shall sign the annual return to certify the accuracy of the information contained therein. Any person who willfully signs the annual return containing false or inaccurate information shall be guilty of perjury and punished accordingly. The annual return form prescribed by the Department shall include a warning that the person signing the return may be liable for perjury.

The provisions of this Section concerning the filing of an annual information return do not apply to a retailer who is not required to file an income tax return with the United States Government.

As soon as possible after the first day of each month, upon certification of the Department of Revenue, the Comptroller shall order transferred and the Treasurer shall transfer from the General Revenue Fund to the Motor Fuel Tax Fund an amount equal to 1.7% of 80% of the net revenue realized under this Act for the second preceding month. Beginning April 1, 2000, this transfer is no longer required and shall not be made.

Net revenue realized for a month shall be the revenue collected by the State pursuant to this Act, less the amount paid out during that month as refunds to taxpayers for overpayment of liability.

For greater simplicity of administration, manufacturers, importers and wholesalers whose products are sold at retail in Illinois by numerous retailers, and who wish to do so, may assume the responsibility for accounting and paying to the Department all tax accruing under this Act with respect to such sales, if the retailers who are affected do not make written objection to the Department to this arrangement.

Any person who promotes, organizes, provides retail selling space for concessionaires or other types of sellers at the Illinois State Fair, DuQuoin State Fair, county fairs, local fairs, art shows, flea markets and similar exhibitions or events, including any transient merchant as defined by Section 2 of the Transient Merchant Act of 1987, is required to file a report with the Department providing the name of the merchant's business, the name of the person or persons engaged in merchant's business, the

permanent address and Illinois Retailers Occupation Tax Registration Number of the merchant, the dates and location of the event and other reasonable information that the Department may require. The report must be filed not later than the 20th day of the month next following the month during which the event with retail sales was held. Any person who fails to file a report required by this Section commits a business offense and is subject to a fine not to exceed $250.

Any person engaged in the business of selling tangible personal property at retail as a concessionaire or other type of seller at the Illinois State Fair, county fairs, art shows, flea markets and similar exhibitions or events, or any transient merchants, as defined by Section 2 of the Transient Merchant Act of 1987, may be required to make a daily report of the amount of such sales to the Department and to make a daily payment of the full amount of tax due. The Department shall impose this requirement when it finds that there is a significant risk of loss of revenue to the State at such an exhibition or event. Such a finding shall be based on evidence that a substantial number of concessionaires or other sellers who are not residents of Illinois will be engaging in the business of selling tangible personal property at retail at the exhibition or event, or other evidence of a significant risk of loss of revenue to the State. The Department shall notify concessionaires and other sellers affected by the imposition of this requirement. In the absence of notification by the Department, the concessionaires and other sellers shall file their returns as otherwise required in this Section.

(Text of Section after amendment by P.A. 100-363)

Sec. 3. Except as provided in this Section, on or before the twentieth day of each calendar month, every person engaged in the business of selling tangible personal property at retail in this State during the preceding calendar month shall file a return with the Department, stating:

1. The name of the seller;
2. His residence address and the address of his principal place of business and the address of the principal place of business (if that is a different address) from which he engages in the business of selling tangible personal property at retail in this State;
3. Total amount of receipts received by him during the preceding calendar month or quarter, as the case may be, from
sales of tangible personal property, and from services furnished, by
him during such preceding calendar month or quarter;

4. Total amount received by him during the preceding
calendar month or quarter on charge and time sales of tangible
personal property, and from services furnished, by him prior to the
month or quarter for which the return is filed;

5. Deductions allowed by law;

6. Gross receipts which were received by him during the
preceding calendar month or quarter and upon the basis of which
the tax is imposed;

7. The amount of credit provided in Section 2d of this Act;

8. The amount of tax due;

9. The signature of the taxpayer; and

10. Such other reasonable information as the Department
may require.

On and after January 1, 2018, except for returns for motor vehicles,
watercraft, aircraft, and trailers that are required to be registered with an
agency of this State, with respect to retailers whose annual gross receipts
average $20,000 or more, all returns required to be filed pursuant to this
Act shall be filed electronically. Retailers who demonstrate that they do
not have access to the Internet or demonstrate hardship in filing
electronically may petition the Department to waive the electronic filing
requirement.

If a taxpayer fails to sign a return within 30 days after the proper
notice and demand for signature by the Department, the return shall be
considered valid and any amount shown to be due on the return shall be
deemed assessed.

Each return shall be accompanied by the statement of prepaid tax
issued pursuant to Section 2e for which credit is claimed.

Prior to October 1, 2003, and on and after September 1, 2004 a
retailer may accept a Manufacturer's Purchase Credit certification from a
purchaser in satisfaction of Use Tax as provided in Section 3-85 of the Use
Tax Act if the purchaser provides the appropriate documentation as
required by Section 3-85 of the Use Tax Act. A Manufacturer's Purchase
Credit certification, accepted by a retailer prior to October 1, 2003 and on
and after September 1, 2004 as provided in Section 3-85 of the Use Tax
Act, may be used by that retailer to satisfy Retailers' Occupation Tax
liability in the amount claimed in the certification, not to exceed 6.25% of
the receipts subject to tax from a qualifying purchase. A Manufacturer's

Purchase Credit reported on any original or amended return filed under this Act after October 20, 2003 for reporting periods prior to September 1, 2004 shall be disallowed. Manufacturer's Purchaser Credit reported on annual returns due on or after January 1, 2005 will be disallowed for periods prior to September 1, 2004. No Manufacturer's Purchase Credit may be used after September 30, 2003 through August 31, 2004 to satisfy any tax liability imposed under this Act, including any audit liability.

The Department may require returns to be filed on a quarterly basis. If so required, a return for each calendar quarter shall be filed on or before the twentieth day of the calendar month following the end of such calendar quarter. The taxpayer shall also file a return with the Department for each of the first two months of each calendar quarter, on or before the twentieth day of the following calendar month, stating:

1. The name of the seller;
2. The address of the principal place of business from which he engages in the business of selling tangible personal property at retail in this State;
3. The total amount of taxable receipts received by him during the preceding calendar month from sales of tangible personal property by him during such preceding calendar month, including receipts from charge and time sales, but less all deductions allowed by law;
4. The amount of credit provided in Section 2d of this Act;
5. The amount of tax due; and
6. Such other reasonable information as the Department may require.

Beginning on October 1, 2003, any person who is not a licensed distributor, importing distributor, or manufacturer, as defined in the Liquor Control Act of 1934, but is engaged in the business of selling, at retail, alcoholic liquor shall file a statement with the Department of Revenue, in a format and at a time prescribed by the Department, showing the total amount paid for alcoholic liquor purchased during the preceding month and such other information as is reasonably required by the Department. The Department may adopt rules to require that this statement be filed in an electronic or telephonic format. Such rules may provide for exceptions from the filing requirements of this paragraph. For the purposes of this paragraph, the term "alcoholic liquor" shall have the meaning prescribed in the Liquor Control Act of 1934.
Beginning on October 1, 2003, every distributor, importing distributor, and manufacturer of alcoholic liquor as defined in the Liquor Control Act of 1934, shall file a statement with the Department of Revenue, no later than the 10th day of the month for the preceding month during which transactions occurred, by electronic means, showing the total amount of gross receipts from the sale of alcoholic liquor sold or distributed during the preceding month to purchasers; identifying the purchaser to whom it was sold or distributed; the purchaser's tax registration number; and such other information reasonably required by the Department. A distributor, importing distributor, or manufacturer of alcoholic liquor must personally deliver, mail, or provide by electronic means to each retailer listed on the monthly statement a report containing a cumulative total of that distributor's, importing distributor's, or manufacturer's total sales of alcoholic liquor to that retailer no later than the 10th day of the month for the preceding month during which the transaction occurred. The distributor, importing distributor, or manufacturer shall notify the retailer as to the method by which the distributor, importing distributor, or manufacturer will provide the sales information. If the retailer is unable to receive the sales information by electronic means, the distributor, importing distributor, or manufacturer shall furnish the sales information by personal delivery or by mail. For purposes of this paragraph, the term "electronic means" includes, but is not limited to, the use of a secure Internet website, e-mail, or facsimile.

If a total amount of less than $1 is payable, refundable or creditable, such amount shall be disregarded if it is less than 50 cents and shall be increased to $1 if it is 50 cents or more.

Beginning October 1, 1993, a taxpayer who has an average monthly tax liability of $150,000 or more shall make all payments required by rules of the Department by electronic funds transfer. Beginning October 1, 1994, a taxpayer who has an average monthly tax liability of $100,000 or more shall make all payments required by rules of the Department by electronic funds transfer. Beginning October 1, 1995, a taxpayer who has an average monthly tax liability of $50,000 or more shall make all payments required by rules of the Department by electronic funds transfer. Beginning October 1, 2000, a taxpayer who has an annual tax liability of $200,000 or more shall make all payments required by rules of the Department by electronic funds transfer. The term "annual tax liability" shall be the sum of the taxpayer's liabilities under this Act, and under all other State and local occupation and use tax laws administered by the Department.

Department, for the immediately preceding calendar year. The term "average monthly tax liability" shall be the sum of the taxpayer's liabilities under this Act, and under all other State and local occupation and use tax laws administered by the Department, for the immediately preceding calendar year divided by 12. Beginning on October 1, 2002, a taxpayer who has a tax liability in the amount set forth in subsection (b) of Section 2505-210 of the Department of Revenue Law shall make all payments required by rules of the Department by electronic funds transfer.

Before August 1 of each year beginning in 1993, the Department shall notify all taxpayers required to make payments by electronic funds transfer. All taxpayers required to make payments by electronic funds transfer shall make those payments for a minimum of one year beginning on October 1.

Any taxpayer not required to make payments by electronic funds transfer may make payments by electronic funds transfer with the permission of the Department.

All taxpayers required to make payment by electronic funds transfer and any taxpayers authorized to voluntarily make payments by electronic funds transfer shall make those payments in the manner authorized by the Department.

The Department shall adopt such rules as are necessary to effectuate a program of electronic funds transfer and the requirements of this Section.

Any amount which is required to be shown or reported on any return or other document under this Act shall, if such amount is not a whole-dollar amount, be increased to the nearest whole-dollar amount in any case where the fractional part of a dollar is 50 cents or more, and decreased to the nearest whole-dollar amount where the fractional part of a dollar is less than 50 cents.

If the retailer is otherwise required to file a monthly return and if the retailer's average monthly tax liability to the Department does not exceed $200, the Department may authorize his returns to be filed on a quarter annual basis, with the return for January, February and March of a given year being due by April 20 of such year; with the return for April, May and June of a given year being due by July 20 of such year; with the return for July, August and September of a given year being due by October 20 of such year, and with the return for October, November and December of a given year being due by January 20 of the following year.
If the retailer is otherwise required to file a monthly or quarterly return and if the retailer's average monthly tax liability with the Department does not exceed $50, the Department may authorize his returns to be filed on an annual basis, with the return for a given year being due by January 20 of the following year.

Such quarter annual and annual returns, as to form and substance, shall be subject to the same requirements as monthly returns.

Notwithstanding any other provision in this Act concerning the time within which a retailer may file his return, in the case of any retailer who ceases to engage in a kind of business which makes him responsible for filing returns under this Act, such retailer shall file a final return under this Act with the Department not more than one month after discontinuing such business.

Where the same person has more than one business registered with the Department under separate registrations under this Act, such person may not file each return that is due as a single return covering all such registered businesses, but shall file separate returns for each such registered business.

In addition, with respect to motor vehicles, watercraft, aircraft, and trailers that are required to be registered with an agency of this State, except as otherwise provided in this Section, every retailer selling this kind of tangible personal property shall file, with the Department, upon a form to be prescribed and supplied by the Department, a separate return for each such item of tangible personal property which the retailer sells, except that if, in the same transaction, (i) a retailer of aircraft, watercraft, motor vehicles or trailers transfers more than one aircraft, watercraft, motor vehicle or trailer to another aircraft, watercraft, motor vehicle retailer or trailer retailer for the purpose of resale or (ii) a retailer of aircraft, watercraft, motor vehicles, or trailers transfers more than one aircraft, watercraft, motor vehicle, or trailer to a purchaser for use as a qualifying rolling stock as provided in Section 2-5 of this Act, then that seller may report the transfer of all aircraft, watercraft, motor vehicles or trailers involved in that transaction to the Department on the same uniform invoice-transaction reporting return form. For purposes of this Section, "watercraft" means a Class 2, Class 3, or Class 4 watercraft as defined in Section 3-2 of the Boat Registration and Safety Act, a personal watercraft, or any boat equipped with an inboard motor.

In addition, with respect to motor vehicles, watercraft, aircraft, and trailers that are required to be registered with an agency of this State,
every person who is engaged in the business of leasing or renting such items and who, in connection with such business, sells any such item to a retailer for the purpose of resale is, notwithstanding any other provision of this Section to the contrary, authorized to meet the return-filing requirement of this Act by reporting the transfer of all the aircraft, watercraft, motor vehicles, or trailers transferred for resale during a month to the Department on the same uniform invoice-transaction reporting return form on or before the 20th of the month following the month in which the transfer takes place. Notwithstanding any other provision of this Act to the contrary, all returns filed under this paragraph must be filed by electronic means in the manner and form as required by the Department.

Any retailer who sells only motor vehicles, watercraft, aircraft, or trailers that are required to be registered with an agency of this State, so that all retailers' occupation tax liability is required to be reported, and is reported, on such transaction reporting returns and who is not otherwise required to file monthly or quarterly returns, need not file monthly or quarterly returns. However, those retailers shall be required to file returns on an annual basis.

The transaction reporting return, in the case of motor vehicles or trailers that are required to be registered with an agency of this State, shall be the same document as the Uniform Invoice referred to in Section 5-402 of The Illinois Vehicle Code and must show the name and address of the seller; the name and address of the purchaser; the amount of the selling price including the amount allowed by the retailer for traded-in property, if any; the amount allowed by the retailer for the traded-in tangible personal property, if any, to the extent to which Section 1 of this Act allows an exemption for the value of traded-in property; the balance payable after deducting such trade-in allowance from the total selling price; the amount of tax due from the retailer with respect to such transaction; the amount of tax collected from the purchaser by the retailer on such transaction (or satisfactory evidence that such tax is not due in that particular instance, if that is claimed to be the fact); the place and date of the sale; a sufficient identification of the property sold; such other information as is required in Section 5-402 of The Illinois Vehicle Code, and such other information as the Department may reasonably require.

The transaction reporting return in the case of watercraft or aircraft must show the name and address of the seller; the name and address of the purchaser; the amount of the selling price including the amount allowed by

the retailer for traded-in property, if any; the amount allowed by the retailer for the traded-in tangible personal property, if any, to the extent to which Section 1 of this Act allows an exemption for the value of traded-in property; the balance payable after deducting such trade-in allowance from the total selling price; the amount of tax due from the retailer with respect to such transaction; the amount of tax collected from the purchaser by the retailer on such transaction (or satisfactory evidence that such tax is not due in that particular instance, if that is claimed to be the fact); the place and date of the sale, a sufficient identification of the property sold, and such other information as the Department may reasonably require.

Such transaction reporting return shall be filed not later than 20 days after the day of delivery of the item that is being sold, but may be filed by the retailer at any time sooner than that if he chooses to do so. The transaction reporting return and tax remittance or proof of exemption from the Illinois use tax may be transmitted to the Department by way of the State agency with which, or State officer with whom the tangible personal property must be titled or registered (if titling or registration is required) if the Department and such agency or State officer determine that this procedure will expedite the processing of applications for title or registration.

With each such transaction reporting return, the retailer shall remit the proper amount of tax due (or shall submit satisfactory evidence that the sale is not taxable if that is the case), to the Department or its agents, whereupon the Department shall issue, in the purchaser's name, a use tax receipt (or a certificate of exemption if the Department is satisfied that the particular sale is tax exempt) which such purchaser may submit to the agency with which, or State officer with whom, he must title or register the tangible personal property that is involved (if titling or registration is required) in support of such purchaser's application for an Illinois certificate or other evidence of title or registration to such tangible personal property.

No retailer's failure or refusal to remit tax under this Act precludes a user, who has paid the proper tax to the retailer, from obtaining his certificate of title or other evidence of title or registration (if titling or registration is required) upon satisfying the Department that such user has paid the proper tax (if tax is due) to the retailer. The Department shall adopt appropriate rules to carry out the mandate of this paragraph.

If the user who would otherwise pay tax to the retailer wants the transaction reporting return filed and the payment of the tax or proof of

New matter indicated by italics - deletions by strikeout
exemption made to the Department before the retailer is willing to take these actions and such user has not paid the tax to the retailer, such user may certify to the fact of such delay by the retailer and may (upon the Department being satisfied of the truth of such certification) transmit the information required by the transaction reporting return and the remittance for tax or proof of exemption directly to the Department and obtain his tax receipt or exemption determination, in which event the transaction reporting return and tax remittance (if a tax payment was required) shall be credited by the Department to the proper retailer's account with the Department, but without the 2.1% or 1.75% discount provided for in this Section being allowed. When the user pays the tax directly to the Department, he shall pay the tax in the same amount and in the same form in which it would be remitted if the tax had been remitted to the Department by the retailer.

Refunds made by the seller during the preceding return period to purchasers, on account of tangible personal property returned to the seller, shall be allowed as a deduction under subdivision 5 of his monthly or quarterly return, as the case may be, in case the seller had theretofore included the receipts from the sale of such tangible personal property in a return filed by him and had paid the tax imposed by this Act with respect to such receipts.

Where the seller is a corporation, the return filed on behalf of such corporation shall be signed by the president, vice-president, secretary or treasurer or by the properly accredited agent of such corporation.

Where the seller is a limited liability company, the return filed on behalf of the limited liability company shall be signed by a manager, member, or properly accredited agent of the limited liability company.

Except as provided in this Section, the retailer filing the return under this Section shall, at the time of filing such return, pay to the Department the amount of tax imposed by this Act less a discount of 2.1% prior to January 1, 1990 and 1.75% on and after January 1, 1990, or $5 per calendar year, whichever is greater, which is allowed to reimburse the retailer for the expenses incurred in keeping records, preparing and filing returns, remitting the tax and supplying data to the Department on request. Any prepayment made pursuant to Section 2d of this Act shall be included in the amount on which such 2.1% or 1.75% discount is computed. In the case of retailers who report and pay the tax on a transaction by transaction basis, as provided in this Section, such discount shall be taken with each such tax remittance instead of when such retailer files his periodic return.

New matter indicated by italics - deletions by strikeout
The discount allowed under this Section is allowed only for returns that are filed in the manner required by this Act. The Department may disallow the discount for retailers whose certificate of registration is revoked at the time the return is filed, but only if the Department's decision to revoke the certificate of registration has become final.

Before October 1, 2000, if the taxpayer's average monthly tax liability to the Department under this Act, the Use Tax Act, the Service Occupation Tax Act, and the Service Use Tax Act, excluding any liability for prepaid sales tax to be remitted in accordance with Section 2d of this Act, was $10,000 or more during the preceding 4 complete calendar quarters, he shall file a return with the Department each month by the 20th day of the month next following the month during which such tax liability is incurred and shall make payments to the Department on or before the 7th, 15th, 22nd and last day of the month during which such liability is incurred. On and after October 1, 2000, if the taxpayer's average monthly tax liability to the Department under this Act, the Use Tax Act, the Service Occupation Tax Act, and the Service Use Tax Act, excluding any liability for prepaid sales tax to be remitted in accordance with Section 2d of this Act, was $20,000 or more during the preceding 4 complete calendar quarters, he shall file a return with the Department each month by the 20th day of the month next following the month during which such tax liability is incurred and shall make payment to the Department on or before the 7th, 15th, 22nd and last day of the month during which such liability is incurred. If the month during which such tax liability is incurred began prior to January 1, 1985, each payment shall be in an amount equal to 1/4 of the taxpayer's actual liability for the month or an amount set by the Department not to exceed 1/4 of the average monthly liability of the taxpayer to the Department for the preceding 4 complete calendar quarters (excluding the month of highest liability and the month of lowest liability in such 4 quarter period). If the month during which such tax liability is incurred begins on or after January 1, 1985 and prior to January 1, 1987, each payment shall be in an amount equal to 22.5% of the taxpayer's actual liability for the month or 27.5% of the taxpayer's liability for the same calendar month of the preceding year. If the month during which such tax liability is incurred begins on or after January 1, 1987 and prior to January 1, 1988, each payment shall be in an amount equal to 22.5% of the taxpayer's actual liability for the month or 26.25% of the taxpayer's liability for the same calendar month of the preceding year. If the month during which such tax liability is incurred begins on or after January 1,
1988, and prior to January 1, 1989, or begins on or after January 1, 1996, each payment shall be in an amount equal to 22.5% of the taxpayer's actual liability for the month or 25% of the taxpayer's liability for the same calendar month of the preceding year. If the month during which such tax liability is incurred begins on or after January 1, 1989, and prior to January 1, 1996, each payment shall be in an amount equal to 22.5% of the taxpayer's actual liability for the month or 25% of the taxpayer's liability for the same calendar month of the preceding year or 100% of the taxpayer's actual liability for the quarter monthly reporting period. The amount of such quarter monthly payments shall be credited against the final tax liability of the taxpayer's return for that month. Before October 1, 2000, once applicable, the requirement of the making of quarter monthly payments to the Department by taxpayers having an average monthly tax liability of $10,000 or more as determined in the manner provided above shall continue until such taxpayer's average monthly liability to the Department during the preceding 4 complete calendar quarters (excluding the month of highest liability and the month of lowest liability) is less than $9,000, or until such taxpayer's average monthly liability to the Department as computed for each calendar quarter of the 4 preceding complete calendar quarter period is less than $10,000. However, if a taxpayer can show the Department that a substantial change in the taxpayer's business has occurred which causes the taxpayer to anticipate that his average monthly tax liability for the reasonably foreseeable future will fall below the $10,000 threshold stated above, then such taxpayer may petition the Department for a change in such taxpayer's reporting status. On and after October 1, 2000, once applicable, the requirement of the making of quarter monthly payments to the Department by taxpayers having an average monthly tax liability of $20,000 or more as determined in the manner provided above shall continue until such taxpayer's average monthly liability to the Department during the preceding 4 complete calendar quarters (excluding the month of highest liability and the month of lowest liability) is less than $19,000 or until such taxpayer's average monthly liability to the Department as computed for each calendar quarter of the 4 preceding complete calendar quarter period is less than $20,000. However, if a taxpayer can show the Department that a substantial change in the taxpayer's business has occurred which causes the taxpayer to anticipate that his average monthly tax liability for the reasonably foreseeable future will fall below the $20,000 threshold stated above, then such taxpayer may petition the Department for a change in such taxpayer's reporting status.
reporting status. The Department shall change such taxpayer's reporting status unless it finds that such change is seasonal in nature and not likely to be long term. If any such quarter monthly payment is not paid at the time or in the amount required by this Section, then the taxpayer shall be liable for penalties and interest on the difference between the minimum amount due as a payment and the amount of such quarter monthly payment actually and timely paid, except insofar as the taxpayer has previously made payments for that month to the Department in excess of the minimum payments previously due as provided in this Section. The Department shall make reasonable rules and regulations to govern the quarter monthly payment amount and quarter monthly payment dates for taxpayers who file on other than a calendar monthly basis.

The provisions of this paragraph apply before October 1, 2001. Without regard to whether a taxpayer is required to make quarter monthly payments as specified above, any taxpayer who is required by Section 2d of this Act to collect and remit prepaid taxes and has collected prepaid taxes which average in excess of $25,000 per month during the preceding 2 complete calendar quarters, shall file a return with the Department as required by Section 2f and shall make payments to the Department on or before the 7th, 15th, 22nd and last day of the month during which such liability is incurred. If the month during which such tax liability is incurred began prior to September 1, 1985 (the effective date of Public Act 84-221), each payment shall be in an amount not less than 22.5% of the taxpayer's actual liability under Section 2d. If the month during which such tax liability is incurred begins on or after January 1, 1986, each payment shall be in an amount equal to 22.5% of the taxpayer's actual liability for the month or 27.5% of the taxpayer's liability for the same calendar month of the preceding calendar year. If the month during which such tax liability is incurred begins on or after January 1, 1987, each payment shall be in an amount equal to 22.5% of the taxpayer's actual liability for the month or 26.25% of the taxpayer's liability for the same calendar month of the preceding year. The amount of such quarter monthly payments shall be credited against the final tax liability of the taxpayer's return for that month filed under this Section or Section 2f, as the case may be. Once applicable, the requirement of the making of quarter monthly payments to the Department pursuant to this paragraph shall continue until such taxpayer's average monthly prepaid tax collections during the preceding 2 complete calendar quarters is $25,000 or less. If any such quarter monthly payment is not paid at the time or in the amount required, the taxpayer

shall be liable for penalties and interest on such difference, except insofar as the taxpayer has previously made payments for that month in excess of the minimum payments previously due.

The provisions of this paragraph apply on and after October 1, 2001. Without regard to whether a taxpayer is required to make quarter monthly payments as specified above, any taxpayer who is required by Section 2d of this Act to collect and remit prepaid taxes and has collected prepaid taxes that average in excess of $20,000 per month during the preceding 4 complete calendar quarters shall file a return with the Department as required by Section 2f and shall make payments to the Department on or before the 7th, 15th, 22nd and last day of the month during which the liability is incurred. Each payment shall be in an amount equal to 22.5% of the taxpayer's actual liability for the month or 25% of the taxpayer's liability for the same calendar month of the preceding year. The amount of the quarter monthly payments shall be credited against the final tax liability of the taxpayer's return for that month filed under this Section or Section 2f, as the case may be. Once applicable, the requirement of the making of quarter monthly payments to the Department pursuant to this paragraph shall continue until the taxpayer's average monthly prepaid tax collections during the preceding 4 complete calendar quarters (excluding the month of highest liability and the month of lowest liability) is less than $19,000 or until such taxpayer's average monthly liability to the Department as computed for each calendar quarter of the 4 preceding complete calendar quarters is less than $20,000. If any such quarter monthly payment is not paid at the time or in the amount required, the taxpayer shall be liable for penalties and interest on such difference, except insofar as the taxpayer has previously made payments for that month in excess of the minimum payments previously due.

If any payment provided for in this Section exceeds the taxpayer's liabilities under this Act, the Use Tax Act, the Service Occupation Tax Act and the Service Use Tax Act, as shown on an original monthly return, the Department shall, if requested by the taxpayer, issue to the taxpayer a credit memorandum no later than 30 days after the date of payment. The credit evidenced by such credit memorandum may be assigned by the taxpayer to a similar taxpayer under this Act, the Use Tax Act, the Service Occupation Tax Act or the Service Use Tax Act, in accordance with reasonable rules and regulations to be prescribed by the Department. If no such request is made, the taxpayer may credit such excess payment against tax liability subsequently to be remitted to the Department under this Act,

the Use Tax Act, the Service Occupation Tax Act or the Service Use Tax Act, in accordance with reasonable rules and regulations prescribed by the Department. If the Department subsequently determined that all or any part of the credit taken was not actually due to the taxpayer, the taxpayer's 2.1% and 1.75% vendor's discount shall be reduced by 2.1% or 1.75% of the difference between the credit taken and that actually due, and that taxpayer shall be liable for penalties and interest on such difference.

If a retailer of motor fuel is entitled to a credit under Section 2d of this Act which exceeds the taxpayer's liability to the Department under this Act for the month which the taxpayer is filing a return, the Department shall issue the taxpayer a credit memorandum for the excess.

Beginning July 20, 1993 and in each month of each fiscal year thereafter, one-eighth of the amount requested in the certificate of the Chairman of the Metropolitan Pier and Exposition Authority for that fiscal year, less the amount deposited into the McCormick Place Expansion Project Fund by the State Treasurer in the respective month under subsection (g) of Section 13 of the Metropolitan Pier and Exposition Authority Act, plus cumulative deficiencies in the deposits required under this Section for previous months and years, shall be deposited into the McCormick Place Expansion Project Fund, until the full amount requested for the fiscal year, but not in excess of the amount specified above as "Total Deposit", has been deposited.

Subject to payment of amounts into the Build Illinois Fund and the McCormick Place Expansion Project Fund pursuant to the preceding paragraphs or in any amendments thereto hereafter enacted, beginning July 1, 1993 and ending on September 30, 2013, the Department shall each month pay into the Illinois Tax Increment Fund 0.27% of 80% of the net revenue realized for the preceding month from the 6.25% general rate on the selling price of tangible personal property.

For greater simplicity of administration, manufacturers, importers and wholesalers whose products are sold at retail in Illinois by numerous retailers, and who wish to do so, may assume the responsibility for accounting and paying to the Department all tax accruing under this Act with respect to such sales, if the retailers who are affected do not make written objection to the Department to this arrangement.

If the purchaser or transferee fails to file the above described notice of sale with the Department within the prescribed time, the purchaser or transferee shall be personally liable for the amount owed hereunder by the seller or transferor to the Department up to the amount of the reasonable value of the property acquired by the purchaser or transferee. The seller or transferor shall pay the Department the amount of tax, penalty and interest (if any) due from him under this Act up to the date of the payment of tax. The seller or transferor, or the purchaser or transferee, at least 10 business days before the date of the sale or transfer, may notify the Department of the intended sale or transfer and request the Department to audit the books and records of the seller or transferor, or to do whatever else may be necessary to determine how much the seller or transferor owes to the Department hereunder up to the date of the sale or transfer. The Department shall take such steps as may be appropriate to comply with such request.

Any order issued by the Department pursuant to this Section to withhold from the purchase price shall be issued within 10 business days after the Department receives notification of a sale as provided in this Section. The purchaser or transferee shall withhold such portion of the purchase price as may be directed by the Department, but not to exceed a
minimum amount varying by type of business, as determined by the
Department pursuant to regulations, plus twice the outstanding unpaid
liabilities and twice the average liability of preceding filings times the
number of unfiled returns, to cover the amount of all tax, penalty and
interest due and unpaid by the seller or transferor under this Act or, if the
payment of money or property is not involved, shall withhold the
performance of the condition that constitutes the consideration for the sale
or transfer. Within 60 business days after issuance of the initial order to
withhold, the Department shall provide written notice to the purchaser or
transferee of the actual amount of all taxes, penalties and interest then due
and whether or not additional amounts may become due as a result of
unfiled returns, pending assessments and audits not completed. The
purchaser or transferee shall continue to withhold the amount directed to
be withheld by the initial order or such lesser amount as is specified by the
final withholding order or to withhold the performance of the condition
which constitutes the consideration for the sale or transfer until the
purchaser or transferee receives from the Department a certificate showing
that such tax, penalty and interest have been paid or a certificate from the
Department showing that no tax, penalty or interest is due from the seller
or transferor under this Act.

The purchaser or transferee is relieved of any duty to continue to
withhold from the purchase price and of any liability for tax, penalty or
interest due hereunder from the seller or transferor if the Department fails
to notify the purchaser or transferee in the manner provided herein of the
amount to be withheld within 10 business days after the sale or transfer
has been reported to the Department or within 60 business days after
issuance of the initial order to withhold, as the case may be. The
Department shall have the right to determine amounts claimed on an
estimated basis to allow for non-filed periods, pending assessments and
audits not completed, however the purchaser or transferee shall be
personally liable only for the actual amount due when determined.

If the seller or transferor fails to pay the tax, penalty and interest (if
any) due from him hereunder and the Department makes timely claim
therefor against the purchaser or transferee as hereinabove provided, then
the purchaser or transferee shall pay the amount so withheld from the
purchase price to the Department. If the purchaser or transferee fails to
comply with the requirements of this Section, the purchaser or transferee
shall be personally liable to the Department for the amount owed
hereunder by the seller or transferor to the Department up to the amount of

the reasonable value of the property acquired by the purchaser or transferee.

Any person who shall acquire any property or rights thereto which, at the time of such acquisition, is subject to a valid lien in favor of the Department shall be personally liable to the Department for a sum equal to the amount of taxes secured by such lien but not to exceed the reasonable value of such property acquired by him.

Section 50. The Cigarette Machine Operators' Occupation Tax Act is amended by changing Section 1-40 as follows:

(35 ILCS 128/1-40)
Sec. 1-40. Returns.
(a) Cigarette machine operators shall file a return and remit the tax imposed by Section 1-10 by the 15th day of each month covering the preceding calendar month. Each such return shall show: the quantity of cigarettes made or fabricated during the period covered by the return; the beginning and ending meter reading for each cigarette machine for the period covered by the return; the quantity of such cigarettes sold or otherwise disposed of during the period covered by the return; the brand family and manufacturer and quantity of tobacco products used to make or fabricate cigarettes by use of a cigarette machine; the license number of each distributor from whom tobacco products are purchased; the type and quantity of cigarette tubes purchased for use in a cigarette machine; the type and quantity of cigarette tubes used in a cigarette machine; and such other information as the Department may require. Such returns shall be filed on forms prescribed and furnished by the Department. The Department may promulgate rules to require that the cigarette machine operator's return be accompanied by appropriate computer-generated magnetic media supporting schedule data in the format required by the Department, unless, as provided by rule, the Department grants an exception upon petition of a cigarette machine operator.

Cigarette machine operators shall send a copy of those returns, together with supporting schedule data, to the Attorney General's Office by the 15th day of each month for the period covering the preceding calendar month.

(b) Cigarette machine operators may take a credit against any tax due under Section 1-10 of this Act for taxes imposed and paid under the Tobacco Products Tax Act of 1995 on tobacco products sold to a customer and used in a rolling machine located at the cigarette machine operator's
place of business. To be eligible for such credit, the tobacco product must meet the requirements of subsection (a) of Section 1-25 of this Act. This subsection (b) is exempt from the provisions of Section 1-155 of this Act.

(c) If any payment provided for in this Section exceeds the cigarette machine operator's liabilities under this Act, as shown on an original return, the cigarette machine operator may credit such excess payment against liability subsequently to be remitted to the Department under this Act, in accordance with reasonable rules adopted by the Department.

(35 ILCS 130/2) (from Ch. 120, par. 453.2)

Sec. 2. Tax imposed; rate; collection, payment, and distribution; discount.

(a) A tax is imposed upon any person engaged in business as a retailer of cigarettes in this State at the rate of 5 1/2 mills per cigarette sold, or otherwise disposed of in the course of such business in this State. In addition to any other tax imposed by this Act, a tax is imposed upon any person engaged in business as a retailer of cigarettes in this State at a rate of 1/2 mill per cigarette sold or otherwise disposed of in the course of such business in this State on and after January 1, 1947, and shall be paid into the Metropolitan Fair and Exposition Authority Reconstruction Fund or as otherwise provided in Section 29. On and after December 1, 1985, in addition to any other tax imposed by this Act, a tax is imposed upon any person engaged in business as a retailer of cigarettes in this State at a rate of 4 mills per cigarette sold or otherwise disposed of in the course of such business in this State. Of the additional tax imposed by this amendatory Act of 1985, $9,000,000 of the moneys received by the Department of Revenue pursuant to this Act shall be paid each month into the Common School Fund. to any other tax imposed by this Act, a tax is imposed upon any person engaged in business as a retailer of cigarettes at the rate of 7 mills per cigarette sold or otherwise disposed of in the course of such business of this State. All of the moneys received by the Department of Revenue pursuant to this Act and the Cigarette Use Tax Act from the additional taxes imposed by this amendatory Act of 1997, shall be paid each month into the Common School Fund. On and after July 1, 2002, in addition to any other tax imposed by this Act, a tax is imposed upon any person engaged in business as a retailer of cigarettes at the rate of 20.0 mills per cigarette sold or otherwise disposed of in the course of such business in this State. Beginning on June 24, 2012, in addition to any other tax imposed by this Act, a tax is imposed upon any person engaged in business as a retailer of cigarettes at the rate of 50 mills per cigarette sold or otherwise disposed of in the course of such business in this State. All moneys received by the Department of Revenue under this Act and the Cigarette Use Tax Act from the additional taxes imposed by this amendatory Act of the 97th General Assembly shall be paid each month into the Healthcare Provider Relief Fund. The payment of such taxes shall be evidenced by a stamp affixed to each original package of cigarettes, or an authorized substitute for such stamp imprinted on each original package of such cigarettes underneath the sealed transparent outside wrapper of such original package, as hereinafter provided. However, such taxes are not imposed upon any activity in such business in interstate commerce or otherwise, which activity may not under the Constitution and statutes of the United States be made the subject of taxation by this State.

Beginning on the effective date of this amendatory Act of the 92nd General Assembly and through June 30, 2006, all of the moneys received by the Department of Revenue pursuant to this Act and the Cigarette Use Tax Act, other than the moneys that are dedicated to the Common School Fund, shall be distributed each month as follows: first, there shall be paid into the General Revenue Fund an amount which, when added to the amount paid into the Common School Fund for that month, equals $33,300,000, except that in the month of August of 2004, this amount shall equal $83,300,000; then, from the moneys remaining, if any amounts required to be paid into the General Revenue Fund in previous months remain unpaid, those amounts shall be paid into the General Revenue Fund; then, beginning on April 1, 2003, from the moneys remaining, $5,000,000 per month shall be paid into the School Infrastructure Fund; then, if any amounts required to be paid into the School Infrastructure

Fund in previous months remain unpaid, those amounts shall be paid into the School Infrastructure Fund; then the moneys remaining, if any, shall be paid into the Long-Term Care Provider Fund. To the extent that more than $25,000,000 has been paid into the General Revenue Fund and Common School Fund per month for the period of July 1, 1993 through the effective date of this amendatory Act of 1994 from combined receipts of the Cigarette Tax Act and the Cigarette Use Tax Act, notwithstanding the distribution provided in this Section, the Department of Revenue is hereby directed to adjust the distribution provided in this Section to increase the next monthly payments to the Long Term Care Provider Fund by the amount paid to the General Revenue Fund and Common School Fund in excess of $25,000,000 per month and to decrease the next monthly payments to the General Revenue Fund and Common School Fund by that same excess amount.

Beginning on July 1, 2006, all of the moneys received by the Department of Revenue pursuant to this Act and the Cigarette Use Tax Act, other than the moneys that are dedicated to the Common School Fund and, beginning on the effective date of this amendatory Act of the 97th General Assembly, other than the moneys from the additional taxes imposed by this amendatory Act of the 97th General Assembly that must be paid each month into the Healthcare Provider Relief Fund, shall be distributed each month as follows: first, there shall be paid into the General Revenue Fund an amount that, when added to the amount paid into the Common School Fund for that month, equals $29,200,000; then, from the moneys remaining, if any amounts required to be paid into the General Revenue Fund in previous months remain unpaid, those amounts shall be paid into the General Revenue Fund; then from the moneys remaining, $5,000,000 per month shall be paid into the School Infrastructure Fund; then, if any amounts required to be paid into the School Infrastructure Fund in previous months remain unpaid, those amounts shall be paid into the School Infrastructure Fund; then the moneys remaining, if any, shall be paid into the Long-Term Care Provider Fund.

Moneys collected from the tax imposed on little cigars under Section 10-10 of the Tobacco Products Tax Act of 1995 shall be included with the moneys collected under the Cigarette Tax Act and the Cigarette Use Tax Act when making distributions to the Common School Fund, the Healthcare Provider Relief Fund, the General Revenue Fund, the School Infrastructure Fund, and the Long-Term Care Provider Fund under this Section.

When any tax imposed herein terminates or has terminated, distributors who have bought stamps while such tax was in effect and who therefore paid such tax, but who can show, to the Department's satisfaction, that they sold the cigarettes to which they affixed such stamps after such tax had terminated and did not recover the tax or its equivalent from purchasers, shall be allowed by the Department to take credit for such absorbed tax against subsequent tax stamp purchases from the Department by such distributor.

The impact of the tax levied by this Act is imposed upon the retailer and shall be prepaid or pre-collected by the distributor for the purpose of convenience and facility only, and the amount of the tax shall be added to the price of the cigarettes sold by such distributor. Collection of the tax shall be evidenced by a stamp or stamps affixed to each original package of cigarettes, as hereinafter provided. Any distributor who purchases stamps may credit any excess payments verified by the Department against amounts subsequently due for the purchase of additional stamps, until such time as no excess payment remains.

Each distributor shall collect the tax from the retailer at or before the time of the sale, shall affix the stamps as hereinafter required, and shall remit the tax collected from retailers to the Department, as hereinafter provided. Any distributor who fails to properly collect and pay the tax imposed by this Act shall be liable for the tax. Any distributor having cigarettes to which stamps have been affixed in his possession for sale on the effective date of this amendatory Act of 1989 shall not be required to pay the additional tax imposed by this amendatory Act of 1989 on such stamped cigarettes. Any distributor having cigarettes to which stamps have been affixed in his or her possession for sale at 12:01 a.m. on the effective date of this amendatory Act of 1993, is required to pay the additional tax imposed by this amendatory Act of 1993 on such stamped cigarettes. This payment, less the discount provided in subsection (b), shall be due when the distributor first makes a purchase of cigarette tax stamps after the effective date of this amendatory Act of 1993, or on the first due date of a return under this Act after the effective date of this amendatory Act of 1993, whichever occurs first. Any distributor having cigarettes to which stamps have been affixed in his possession for sale on December 15, 1997 shall not be required to pay the additional tax imposed by this amendatory Act of 1997 on such stamped cigarettes.

Any distributor having cigarettes to which stamps have been affixed in his or her possession for sale on July 1, 2002 shall not be

required to pay the additional tax imposed by this amendatory Act of the 92nd General Assembly on those stamped cigarettes.

Any retailer having cigarettes in his or her possession on June 24, 2012 to which tax stamps have been affixed is not required to pay the additional tax that begins on June 24, 2012 imposed by this amendatory Act of the 97th General Assembly on those stamped cigarettes. Any distributor having cigarettes in his or her possession on June 24, 2012 to which tax stamps have been affixed, and any distributor having stamps in his or her possession on June 24, 2012 that have not been affixed to packages of cigarettes before June 24, 2012, is required to pay the additional tax that begins on June 24, 2012 imposed by this amendatory Act of the 97th General Assembly to the extent the calendar year 2012 average monthly volume of cigarette stamps in the distributor's possession exceeds the average monthly volume of cigarette stamps purchased by the distributor in calendar year 2011. This payment, less the discount provided in subsection (b), is due when the distributor first makes a purchase of cigarette stamps on or after June 24, 2012 or on the first due date of a return under this Act occurring on or after June 24, 2012, whichever occurs first. Those distributors may elect to pay the additional tax on packages of cigarettes to which stamps have been affixed and on any stamps in the distributor's possession that have not been affixed to packages of cigarettes over a period not to exceed 12 months from the due date of the additional tax by notifying the Department in writing. The first payment for distributors making such election is due when the distributor first makes a purchase of cigarette tax stamps on or after June 24, 2012 or on the first due date of a return under this Act occurring on or after June 24, 2012, whichever occurs first. Distributors making such an election are not entitled to take the discount provided in subsection (b) on such payments.

Distributors making sales of cigarettes to secondary distributors shall add the amount of the tax to the price of the cigarettes sold by the distributors. Secondary distributors making sales of cigarettes to retailers shall include the amount of the tax in the price of the cigarettes sold to retailers. The amount of tax shall not be less than the amount of taxes imposed by the State and all local jurisdictions. The amount of local taxes shall be calculated based on the location of the retailer's place of business shown on the retailer's certificate of registration or sub-registration issued to the retailer pursuant to Section 2a of the Retailers' Occupation Tax Act. The original packages of cigarettes sold to the retailer shall bear all the

required stamps, or other indicia, for the taxes included in the price of cigarettes.

The amount of the Cigarette Tax imposed by this Act shall be separately stated, apart from the price of the goods, by distributors, manufacturer representatives, secondary distributors, and retailers, in all bills and sales invoices.

(b) The distributor shall be required to collect the taxes provided under paragraph (a) hereof, and, to cover the costs of such collection, shall be allowed a discount during any year commencing July 1st and ending the following June 30th in accordance with the schedule set out hereinbelow, which discount shall be allowed at the time of purchase of the stamps when purchase is required by this Act, or at the time when the tax is remitted to the Department without the purchase of stamps from the Department when that method of paying the tax is required or authorized by this Act. Prior to December 1, 1985, a discount equal to 1 2/3% of the amount of the tax up to and including the first $700,000 paid hereunder by such distributor to the Department during any such year; 1 1/3% of the next $700,000 of tax or any part thereof, paid hereunder by such distributor to the Department during any such year; 1% of the next $700,000 of tax, or any part thereof, paid hereunder by such distributor to the Department during any such year, and 2/3 of 1% of the amount of any additional tax paid hereunder by such distributor to the Department during any such year shall apply. On and after December 1, 1985, a discount equal to 1.75% of the amount of the tax payable under this Act up to and including the first $3,000,000 paid hereunder by such distributor to the Department during any such year and 1.5% of the amount of any additional tax paid hereunder by such distributor to the Department during any such year shall apply.

Two or more distributors that use a common means of affixing revenue tax stamps or that are owned or controlled by the same interests shall be treated as a single distributor for the purpose of computing the discount.

(c) The taxes herein imposed are in addition to all other occupation or privilege taxes imposed by the State of Illinois, or by any political subdivision thereof, or by any municipal corporation.

Sec. 3. Stamp payment. The tax hereby imposed shall be collected by a distributor maintaining a place of business in this State or a distributor authorized by the Department pursuant to Section 7 hereof to collect the tax, and the amount of the tax shall be added to the price of the cigarettes sold by such distributor. Collection of the tax shall be evidenced by a stamp or stamps affixed to each original package of cigarettes or by an authorized substitute for such stamp imprinted on each original package of such cigarettes underneath the sealed transparent outside wrapper of such original package, except as hereinafter provided. Each distributor who is required or authorized to collect the tax herein imposed, before delivering or causing to be delivered any original packages of cigarettes in this State to any purchaser, shall firmly affix a proper stamp or stamps to each such package, or (in the case of manufacturers of cigarettes in original packages which are contained inside a sealed transparent wrapper) shall imprint the required language on the original package of cigarettes beneath such outside wrapper as hereinafter provided. Such stamp or stamps need not be affixed to the original package of any cigarettes with respect to which the distributor is required to affix a like stamp or stamps by virtue of the Cigarette Tax Act, however, and no tax imprint need be placed underneath the sealed transparent wrapper of an original package of cigarettes with respect to which the distributor is required or authorized to employ a like tax imprint by virtue of the Cigarette Tax Act. Any distributor who purchases stamps may credit any excess payments verified by the Department against amounts subsequently due for the purchase of additional stamps, until such time as no excess payment remains.

No stamp or imprint may be affixed to, or made upon, any package of cigarettes unless that package complies with all requirements of the federal Cigarette Labeling and Advertising Act, 15 U.S.C. 1331 and following, for the placement of labels, warnings, or any other information upon a package of cigarettes that is sold within the United States. Under the authority of Section 6, the Department shall revoke the license of any distributor that is determined to have violated this paragraph. A person may not affix a stamp on a package of cigarettes, cigarette papers, wrappers, or tubes if that individual package has been marked for export outside the United States with a label or notice in compliance with Section 290.185 of Title 27 of the Code of Federal Regulations. It is not a defense to a proceeding for violation of this paragraph that the label or notice has been removed, mutilated, obliterated, or altered in any manner.

Only distributors licensed under this Act and transporters, as defined in Section 9c of the Cigarette Tax Act, may possess unstamped original packages of cigarettes. Prior to shipment to an Illinois retailer or secondary distributor, a stamp shall be applied to each original package of cigarettes sold to the retailer or secondary distributor. A distributor may apply a tax stamp only to an original package of cigarettes purchased or obtained directly from an in-state maker, manufacturer, or fabricator licensed as a distributor under Section 4 of this Act or an out-of-state maker, manufacturer, or fabricator holding a permit under Section 7 of this Act. A licensed distributor may ship or otherwise cause to be delivered unstamped original packages of cigarettes in, into, or from this State. A licensed distributor may transport unstamped original packages of cigarettes to a facility, wherever located, owned or controlled by such distributor; however, a distributor may not transport unstamped original packages of cigarettes to a facility where retail sales of cigarettes take place or to a facility where a secondary distributor makes sales for resale. Any licensed distributor that ships or otherwise causes to be delivered unstamped original packages of cigarettes into, within, or from this State shall ensure that the invoice or equivalent documentation and the bill of lading or freight bill for the shipment identifies the true name and address of the consignor or seller, the true name and address of the consignee or purchaser, and the quantity by brand style of the cigarettes so transported, provided that this Section shall not be construed as to impose any requirement or liability upon any common or contract carrier.

Distributors making sales of cigarettes to secondary distributors shall add the amount of the tax to the price of the cigarettes sold by the distributors. Secondary distributors making sales of cigarettes to retailers shall include the amount of the tax in the price of the cigarettes sold to retailers. The amount of tax shall not be less than the amount of taxes imposed by the State and all local jurisdictions. The amount of local taxes shall be calculated based on the location of the retailer's place of business shown on the retailer's certificate of registration or sub-registration issued to the retailer pursuant to Section 2a of the Retailers' Occupation Tax Act. The original packages of cigarettes sold by the retailer shall bear all the required stamps, or other indicia, for the taxes included in the price of cigarettes.

Stamps, when required hereunder, shall be purchased from the Department, or any person authorized by the Department, by distributors. On and after July 1, 2003, payment for such stamps must be made by

means of electronic funds transfer. The Department may refuse to sell stamps to any person who does not comply with the provisions of this Act. Beginning on June 6, 2002 and through June 30, 2002, persons holding valid licenses as distributors may purchase cigarette tax stamps up to an amount equal to 115% of the distributor's average monthly cigarette tax stamp purchases over the 12 calendar months prior to June 6, 2002.

Prior to December 1, 1985, the Department shall allow a distributor 21 days in which to make final payment of the amount to be paid for such stamps, by allowing the distributor to make payment for the stamps at the time of purchasing them with a draft which shall be in such form as the Department prescribes, and which shall be payable within 21 days thereafter: Provided that such distributor has filed with the Department, and has received the Department's approval of, a bond, which is in addition to the bond required under Section 4 of this Act, payable to the Department in an amount equal to 80% of such distributor's average monthly tax liability to the Department under this Act during the preceding calendar year or $500,000, whichever is less. The bond shall be joint and several and shall be in the form of a surety company bond in such form as the Department prescribes, or it may be in the form of a bank certificate of deposit or bank letter of credit. The bond shall be conditioned upon the distributor's payment of the amount of any 21-day draft which the Department accepts from that distributor for the delivery of stamps to that distributor under this Act. The distributor's failure to pay any such draft, when due, shall also make such distributor automatically liable to the Department for a penalty equal to 25% of the amount of such draft.

On and after December 1, 1985 and until July 1, 2003, the Department shall allow a distributor 30 days in which to make final payment of the amount to be paid for such stamps, by allowing the distributor to make payment for the stamps at the time of purchasing them with a draft which shall be in such form as the Department prescribes, and which shall be payable within 30 days thereafter, and beginning on January 1, 2003 and thereafter, the draft shall be payable by means of electronic funds transfer: Provided that such distributor has filed with the Department, and has received the Department's approval of, a bond, which is in addition to the bond required under Section 4 of this Act, payable to the Department in an amount equal to 150% of such distributor's average monthly tax liability to the Department under this Act during the preceding calendar year or $750,000, whichever is less, except that as to bonds filed on or after January 1, 1987, such additional bond shall be in an amount

equal to 100% of such distributor's average monthly tax liability under this Act during the preceding calendar year or $750,000, whichever is less. The bond shall be joint and several and shall be in the form of a surety company bond in such form as the Department prescribes, or it may be in the form of a bank certificate of deposit or bank letter of credit. The bond shall be conditioned upon the distributor's payment of the amount of any 30-day draft which the Department accepts from that distributor for the delivery of stamps to that distributor under this Act. The distributor's failure to pay any such draft, when due, shall also make such distributor automatically liable to the Department for a penalty equal to 25% of the amount of such draft.

Every prior continuous compliance taxpayer shall be exempt from all requirements under this Section concerning the furnishing of such bond, as defined in this Section, as a condition precedent to his being authorized to engage in the business licensed under this Act. This exemption shall continue for each such taxpayer until such time as he may be determined by the Department to be delinquent in the filing of any returns, or is determined by the Department (either through the Department's issuance of a final assessment which has become final under the Act, or by the taxpayer's filing of a return which admits tax to be due that is not paid) to be delinquent or deficient in the paying of any tax under this Act, at which time that taxpayer shall become subject to the bond requirements of this Section and, as a condition of being allowed to continue to engage in the business licensed under this Act, shall be required to furnish bond to the Department in such form as provided in this Section. Such taxpayer shall furnish such bond for a period of 2 years, after which, if the taxpayer has not been delinquent in the filing of any returns, or delinquent or deficient in the paying of any tax under this Act, the Department may reinstate such person as a prior continuance compliance taxpayer. Any taxpayer who fails to pay an admitted or established liability under this Act may also be required to post bond or other acceptable security with the Department guaranteeing the payment of such admitted or established liability.

Except as otherwise provided in this Section, any person aggrieved by any decision of the Department under this Section may, within the time allowed by law, protest and request a hearing before the Department, whereupon the Department shall give notice and shall hold a hearing in conformity with the provisions of this Act and then issue its final administrative decision in the matter to such person. Effective July 1,
2013, protests concerning matters that are subject to the jurisdiction of the Illinois Independent Tax Tribunal shall be filed in accordance with the Illinois Independent Tax Tribunal Act of 2012, and hearings concerning those matters shall be held before the Tribunal in accordance with that Act. With respect to protests filed with the Department prior to July 1, 2013 that would otherwise be subject to the jurisdiction of the Illinois Independent Tax Tribunal, the person filing the protest may elect to be subject to the provisions of the Illinois Independent Tax Tribunal Act of 2012 at any time on or after July 1, 2013, but not later than 30 days after the date on which the protest was filed. If made, the election shall be irrevocable. In the absence of such a protest filed within the time allowed by law, the Department's decision shall become final without any further determination being made or notice given.

The Department shall discharge any surety and shall release and return any bond or security deposited, assigned, pledged, or otherwise provided to it by a taxpayer under this Section within 30 days after:

1. such Taxpayer becomes a prior continuous compliance taxpayer; or
2. such taxpayer has ceased to collect receipts on which he is required to remit tax to the Department, has filed a final tax return, and has paid to the Department an amount sufficient to discharge his remaining tax liability as determined by the Department under this Act. The Department shall make a final determination of the taxpayer's outstanding tax liability as expeditiously as possible after his final tax return has been filed. If the Department cannot make such final determination within 45 days after receiving the final tax return, within such period it shall so notify the taxpayer, stating its reasons therefor.

At the time of purchasing such stamps from the Department when purchase is required by this Act, or at the time when the tax which he has collected is remitted by a distributor to the Department without the purchase of stamps from the Department when that method of remitting the tax that has been collected is required or authorized by this Act, the distributor shall be allowed a discount during any year commencing July 1 and ending the following June 30 in accordance with the schedule set out hereinbelow, from the amount to be paid by him to the Department for such stamps, or to be paid by him to the Department on the basis of monthly remittances (as the case may be), to cover the cost, to such distributor, of collecting the tax herein imposed by affixing such stamps to

the original packages of cigarettes sold by such distributor or by placing tax imprints underneath the sealed transparent wrapper of original packages of cigarettes sold by such distributor (as the case may be): (1) Prior to December 1, 1985, a discount equal to 1-2/3% of the amount of the tax up to and including the first $700,000 paid hereunder by such distributor to the Department during any such year; 1-1/3% of the next $700,000 of tax or any part thereof, paid hereunder by such distributor to the Department during any such year; 1% of the next $700,000 of tax, or any part thereof, paid hereunder by such distributor to the Department during any such year; and 2/3 of 1% of the amount of any additional tax paid hereunder by such distributor to the Department during any such year or (2) On and after December 1, 1985, a discount equal to 1.75% of the amount of the tax payable under this Act up to and including the first $3,000,000 paid hereunder by such distributor to the Department during any such year and 1.5% of the amount of any additional tax paid hereunder by such distributor to the Department during any such year.

Two or more distributors that use a common means of affixing revenue tax stamps or that are owned or controlled by the same interests shall be treated as a single distributor for the purpose of computing the discount.

Cigarette manufacturers who are distributors under Section 7(a) of this Act, and who place their cigarettes in original packages which are contained inside a sealed transparent wrapper, shall be required to remit the tax which they are required to collect under this Act to the Department by remitting the amount thereof to the Department by the 5th day of each month, covering cigarettes shipped or otherwise delivered to points in Illinois to purchasers during the preceding calendar month, but a distributor need not remit to the Department the tax so collected by him from purchasers under this Act to the extent to which such distributor is required to remit the tax imposed by the Cigarette Tax Act to the Department with respect to the same cigarettes. All taxes upon cigarettes under this Act are a direct tax upon the retail consumer and shall conclusively be presumed to be precollected for the purpose of convenience and facility only. Cigarette manufacturers that are distributors licensed under Section 7(a) of this Act and who place their cigarettes in original packages which are contained inside a sealed transparent wrapper, before delivering such cigarettes or causing such cigarettes to be delivered in this State to purchasers, shall evidence their obligation to collect and remit the tax due with respect to such cigarettes by imprinting language to

be prescribed by the Department on each original package of such cigarettes underneath the sealed transparent outside wrapper of such original package, in such place thereon and in such manner as the Department may prescribe; provided (as stated hereinbefore) that this requirement does not apply when such distributor is required or authorized by the Cigarette Tax Act to place the tax imprint provided for in the last paragraph of Section 3 of that Act underneath the sealed transparent wrapper of such original package of cigarettes. Such imprinted language shall acknowledge the manufacturer's collection and payment of or liability for the tax imposed by this Act with respect to such cigarettes.

The Department shall adopt the design or designs of the tax stamps and shall procure the printing of such stamps in such amounts and denominations as it deems necessary to provide for the affixation of the proper amount of tax stamps to each original package of cigarettes.

Where tax stamps are required, the Department may authorize distributors to affix revenue tax stamps by imprinting tax meter stamps upon original packages of cigarettes. The Department shall adopt rules and regulations relating to the imprinting of such tax meter stamps as will result in payment of the proper taxes as herein imposed. No distributor may affix revenue tax stamps to original packages of cigarettes by imprinting meter stamps thereon unless such distributor has first obtained permission from the Department to employ this method of affixation. The Department shall regulate the use of tax meters and may, to assure the proper collection of the taxes imposed by this Act, revoke or suspend the privilege, theretofore granted by the Department to any distributor, to imprint tax meter stamps upon original packages of cigarettes.

The tax hereby imposed and not paid pursuant to this Section shall be paid to the Department directly by any person using such cigarettes within this State, pursuant to Section 12 hereof.

A distributor shall not affix, or cause to be affixed, any stamp or imprint to a package of cigarettes, as provided for in this Section, if the tobacco product manufacturer, as defined in Section 10 of the Tobacco Product Manufacturers' Escrow Act, that made or sold the cigarettes has failed to become a participating manufacturer, as defined in subdivision (a)(1) of Section 15 of the Tobacco Product Manufacturers' Escrow Act, or has failed to create a qualified escrow fund for any cigarettes manufactured by the tobacco product manufacturer and sold in this State or otherwise failed to bring itself into compliance with subdivision (a)(2) of Section 15 of the Tobacco Product Manufacturers' Escrow Act.

Section 65. The Tobacco Products Tax Act of 1995 is amended by changing Section 10-30 as follows:

(35 ILCS 143/10-30)
Sec. 10-30. Returns.
(a) Every distributor shall, on or before the 15th day of each month, file a return with the Department covering the preceding calendar month. The return shall be filed upon a form prescribed and furnished by the Department.

(b) In addition to the information required under subsection (a), on or before the 15th day of each month, covering the preceding calendar month, each stamping distributor shall, on forms prescribed and furnished by the Department, report the quantity of little cigars sold or otherwise disposed of, including the number of packages of little cigars sold or disposed of during the month containing 20 or 25 little cigars.

(c) At the time when any return of any distributor is due to be filed with the Department, the distributor shall also remit to the Department the tax liability that the distributor has incurred for transactions occurring in the preceding calendar month.

(d) The Department may adopt rules to require the electronic filing of any return or document required to be filed under this Act. Those rules may provide for exceptions from the filing requirement set forth in this paragraph for persons who demonstrate that they do not have access to the Internet and petition the Department to waive the electronic filing requirement.

(e) If any payment provided for in this Section exceeds the distributor's liabilities under this Act, as shown on an original return, the distributor may credit such excess payment against liability subsequently to be remitted to the Department under this Act, in accordance with reasonable rules adopted by the Department.

New matter indicated by italics - deletions by strikeout
Except as provided hereinafter in this Section, on or before the last day of each calendar month, every person engaged in the business of renting, leasing or letting rooms in a hotel in this State during the preceding calendar month shall file a return with the Department, stating:

1. The name of the operator;
2. His residence address and the address of his principal place of business and the address of the principal place of business (if that is a different address) from which he engages in the business of renting, leasing or letting rooms in a hotel in this State;
3. Total amount of rental receipts received by him during the preceding calendar month from renting, leasing or letting rooms during such preceding calendar month;
4. Total amount of rental receipts received by him during the preceding calendar month from renting, leasing or letting rooms to permanent residents during such preceding calendar month;
5. Total amount of other exclusions from gross rental receipts allowed by this Act;
6. Gross rental receipts which were received by him during the preceding calendar month and upon the basis of which the tax is imposed;
7. The amount of tax due;
8. Such other reasonable information as the Department may require.

If the operator's average monthly tax liability to the Department does not exceed $200, the Department may authorize his returns to be filed on a quarter annual basis, with the return for January, February and March of a given year being due by April 31 of such year; with the return for April, May and June of a given year being due by July 31 of such year; with the return for July, August and September of a given year being due by October 31 of such year, and with the return for October, November and December of a given year being due by January 31 of the following year.

If the operator's average monthly tax liability to the Department does not exceed $50, the Department may authorize his returns to be filed on an annual basis, with the return for a given year being due by January 31 of the following year.

Such quarter annual and annual returns, as to form and substance, shall be subject to the same requirements as monthly returns.

Notwithstanding any other provision in this Act concerning the time within which an operator may file his return, in the case of any operator who ceases to engage in a kind of business which makes him responsible for filing returns under this Act, such operator shall file a final return under this Act with the Department not more than 1 month after discontinuing such business.

Where the same person has more than 1 business registered with the Department under separate registrations under this Act, such person shall not file each return that is due as a single return covering all such registered businesses, but shall file separate returns for each such registered business.

In his return, the operator shall determine the value of any consideration other than money received by him in connection with the renting, leasing or letting of rooms in the course of his business and he shall include such value in his return. Such determination shall be subject to review and revision by the Department in the manner hereinafter provided for the correction of returns.

Where the operator is a corporation, the return filed on behalf of such corporation shall be signed by the president, vice-president, secretary or treasurer or by the properly accredited agent of such corporation.

The person filing the return herein provided for shall, at the time of filing such return, pay to the Department the amount of tax herein imposed. The operator filing the return under this Section shall, at the time of filing such return, pay to the Department the amount of tax imposed by this Act less a discount of 2.1% or $25 per calendar year, whichever is greater, which is allowed to reimburse the operator for the expenses incurred in keeping records, preparing and filing returns, remitting the tax and supplying data to the Department on request.

If any payment provided for in this Section exceeds the operator's liabilities under this Act, as shown on an original return, the Department may authorize the operator to credit such excess payment against liability subsequently to be remitted to the Department under this Act, in accordance with reasonable rules adopted by the Department. If the Department subsequently determines that all or any part of the credit taken was not actually due to the operator, the operator's discount shall be reduced by an amount equal to the difference between the discount as applied to the credit taken and that actually due, and that operator shall be liable for penalties and interest on such difference.

There shall be deposited in the Build Illinois Fund in the State Treasury for each State fiscal year 40% of the amount of total net proceeds from the tax imposed by subsection (a) of Section 3. Of the remaining 60%, $5,000,000 shall be deposited in the Illinois Sports Facilities Fund and credited to the Subsidy Account each fiscal year by making monthly deposits in the amount of 1/8 of $5,000,000 plus cumulative deficiencies in such deposits for prior months, and an additional $8,000,000 shall be deposited in the Illinois Sports Facilities Fund and credited to the Advance Account each fiscal year by making monthly deposits in the amount of 1/8 of $8,000,000 plus any cumulative deficiencies in such deposits for prior months; provided, that for fiscal years ending after June 30, 2001, the amount to be so deposited into the Illinois Sports Facilities Fund and credited to the Advance Account each fiscal year shall be increased from $8,000,000 to the then applicable Advance Amount and the required monthly deposits beginning with July 2001 shall be in the amount of 1/8 of the then applicable Advance Amount plus any cumulative deficiencies in those deposits for prior months. (The deposits of the additional $8,000,000 or the then applicable Advance Amount, as applicable, during each fiscal year shall be treated as advances of funds to the Illinois Sports Facilities Authority for its corporate purposes to the extent paid to the Authority or its trustee and shall be repaid into the General Revenue Fund in the State Treasury by the State Treasurer on behalf of the Authority pursuant to Section 19 of the Illinois Sports Facilities Authority Act, as amended. If in any fiscal year the full amount of the then applicable Advance Amount is not repaid into the General Revenue Fund, then the deficiency shall be paid from the amount in the Local Government Distributive Fund that would otherwise be allocated to the City of Chicago under the State Revenue Sharing Act.)

For purposes of the foregoing paragraph, the term "Advance Amount" means, for fiscal year 2002, $22,179,000, and for subsequent fiscal years through fiscal year 2032, 105.615% of the Advance Amount for the immediately preceding fiscal year, rounded up to the nearest $1,000.

month shall be deposited in the Local Tourism Fund each month for purposes authorized by Section 605-705 of the Department of Commerce and Economic Opportunity Law (20 ILCS 605/605-705). Of the remaining 60% of the amount of total net proceeds beginning on August 1, 2011 from the tax imposed by subsection (a) of Section 3 after all required deposits in the Illinois Sports Facilities Fund, an amount equal to 8% of the net revenue realized from this Act plus an amount equal to 8% of the net revenue realized from any tax imposed under Section 4.05 of the Chicago World's Fair-1992 Authority Act during the preceding month shall be deposited as follows: 18% of such amount shall be deposited into the Chicago Travel Industry Promotion Fund for the purposes described in subsection (n) of Section 5 of the Metropolitan Pier and Exposition Authority Act and the remaining 82% of such amount shall be deposited into the Local Tourism Fund each month for purposes authorized by Section 605-705 of the Department of Commerce and Economic Opportunity Law. Beginning on August 1, 1999 and ending on July 31, 2011, an amount equal to 4.5% of the net revenue realized from the Hotel Operators' Occupation Tax Act during the preceding month shall be deposited into the International Tourism Fund for the purposes authorized in Section 605-707 of the Department of Commerce and Economic Opportunity Law. Beginning on August 1, 2011, an amount equal to 4.5% of the net revenue realized from this Act during the preceding month shall be deposited as follows: 55% of such amount shall be deposited into the Chicago Travel Industry Promotion Fund for the purposes described in subsection (n) of Section 5 of the Metropolitan Pier and Exposition Authority Act and the remaining 45% of such amount deposited into the International Tourism Fund for the purposes authorized in Section 605-707 of the Department of Commerce and Economic Opportunity Law. "Net revenue realized for a month" means the revenue collected by the State under that Act during the previous month less the amount paid out during that same month as refunds to taxpayers for overpayment of liability under that Act.

After making all these deposits, all other proceeds of the tax imposed under subsection (a) of Section 3 shall be deposited in the Tourism Promotion Fund in the State Treasury. All moneys received by the Department from the additional tax imposed under subsection (b) of Section 3 shall be deposited into the Build Illinois Fund in the State Treasury.

The Department may, upon separate written notice to a taxpayer, require the taxpayer to prepare and file with the Department on a form prescribed by the Department within not less than 60 days after receipt of the notice an annual information return for the tax year specified in the notice. Such annual return to the Department shall include a statement of gross receipts as shown by the operator's last State income tax return. If the total receipts of the business as reported in the State income tax return do not agree with the gross receipts reported to the Department for the same period, the operator shall attach to his annual information return a schedule showing a reconciliation of the 2 amounts and the reasons for the difference. The operator's annual information return to the Department shall also disclose pay roll information of the operator's business during the year covered by such return and any additional reasonable information which the Department deems would be helpful in determining the accuracy of the monthly, quarterly or annual tax returns by such operator as hereinbefore provided for in this Section.

If the annual information return required by this Section is not filed when and as required the taxpayer shall be liable for a penalty in an amount determined in accordance with Section 3-4 of the Uniform Penalty and Interest Act until such return is filed as required, the penalty to be assessed and collected in the same manner as any other penalty provided for in this Act.

The chief executive officer, proprietor, owner or highest ranking manager shall sign the annual return to certify the accuracy of the information contained therein. Any person who willfully signs the annual return containing false or inaccurate information shall be guilty of perjury and punished accordingly. The annual return form prescribed by the Department shall include a warning that the person signing the return may be liable for perjury.

2014, and by January 20 of each year thereafter, each operator shall elect to pay the surcharge according to either item (1) or item (2) of this subsection.

(1) An operator who elects to be subject to this item (1) shall pay to the Department a surcharge imposed upon admissions to a live adult entertainment facility operated by the operator in this State in an amount equal to $3 per person admitted to that live adult entertainment facility. This item (1) does not require a live entertainment facility to impose a fee on a customer of the facility. An operator has the discretion to determine the manner in which the facility derives the moneys required to pay the surcharge imposed under this Section. In the event that an operator has not filed the applicable returns under the Retailers' Occupation Tax Act for a full calendar year prior to any January 20, then such operator shall pay the surcharge under this Act pursuant to this item (1) for moneys owed to the Department subject to this Act for the previous calendar year.

(2) An operator may, in the alternative, pay to the Department the surcharge as follows:

(A) If the gross receipts received by the live adult entertainment facility during the preceding calendar year, upon the basis of which a tax is imposed under Section 2 of the Retailers' Occupation Tax Act, are equal or greater than $2,000,000 during the preceding calendar year, and if the operator elects to be subject to this item (2), then the operator shall pay the Department a surcharge of $25,000.

(B) If the gross receipts received by the live adult entertainment facility during the preceding calendar year, upon the basis of which a tax is imposed under Section 2 of the Retailers' Occupation Tax Act, are equal to or greater than $500,000 but less than $2,000,000 during the preceding calendar year, and if the operator elects to be subject to this item (2), then the operator shall pay to the Department a surcharge of $15,000.

(C) If the gross receipts received by the live adult entertainment facility during the preceding calendar year, upon the basis of which a tax is imposed under Section 2 of the Retailers' Occupation Tax Act, are less than $500,000 during the preceding calendar year, and if the operator

elects to be subject to this item (2), then the operator shall pay the Department a surcharge of $5,000.

(b) For each live adult entertainment facility paying the surcharge as set forth in item (1) of subsection (a) of this Section, the operator must file a return electronically as provided by the Department and remit payment to the Department on an annual basis no later than January 20 covering the previous calendar year. Each return made to the Department must state the following:

(1) the name of the operator;
(2) the address of the live adult entertainment facility and the address of the principal place of business (if that is a different address) of the operator;
(3) the total number of admissions to the facility in the preceding calendar year; and
(4) the total amount of surcharge collected in the preceding calendar year.

Notwithstanding any other provision of this subsection concerning the time within which an operator may file his or her return, if an operator ceases to operate a live adult entertainment facility, then he or she must file a final return under this Act with the Department not more than one calendar month after discontinuing that business.

(c) For each live adult entertainment facility paying the surcharge as set forth in item (2) of subsection (a) of this Section, the operator must file a return electronically as provided by the Department and remit payment to the Department on an annual basis no later than January 20 covering the previous calendar year. Each return made to the Department must state the following:

(1) the name of the operator;
(2) the address of the live adult entertainment facility and the address of the principal place of business (if that is a different address) of the operator;
(3) the gross receipts received by the live adult entertainment facility during the preceding calendar year, upon the basis of which tax is imposed under Section 2 of the Retailers' Occupation Tax Act; and
(4) the applicable surcharge from Section 10(a)(2) of this Act to be paid by the operator.

Notwithstanding any other provision of this subsection concerning the time within which an operator may file his or her return, if an operator

ceases to operate a live adult entertainment facility, then he or she must
file a final return under this Act with the Department not more than one
calendar month after discontinuing that business.

(d) Beginning January 1, 2014, the Department shall pay all
proceeds collected from the surcharge imposed under this Act into the
Sexual Assault Services and Prevention Fund, less 2% of those proceeds,
which shall be paid into the Tax Compliance and Administration Fund in
the State treasury from which it shall be appropriated to the Department to
cover the costs of the Department in administering and enforcing the
provisions of this Act.

(e) If any payment provided for in this Section exceeds the
operator's liabilities under this Act, as shown on an original return, the
operator may credit such excess payment against liability subsequently to
be remitted to the Department under this Act, in accordance with
reasonable rules adopted by the Department.

Sec. 2-50. Operator returns; payment of tax.

(a) If, on or after July 1, 2013, oil or gas is transported off the production unit where severed by the operator, used on the production unit where severed, or if the manufacture and conversion of oil and gas into refined products occurs on the production unit where severed, the operator is responsible for remitting the tax imposed under subsection (a) of Section 2-15, on or before the last day of the month following the end of the calendar month in which the oil and gas is removed from the production unit, and such payment shall be accompanied by a return to the Department showing the gross quantity of oil or gas removed during the month for which the return is filed, the price paid therefor, and if no price is paid therefor, the value of the oil and gas, a description of the production unit from which such oil or gas was severed, and the amount of tax. Operators' returns must be accompanied by appropriate computer generated magnetic media supporting schedule data in the format required by the Department, unless, as provided by rule, the Department grants an exception upon petition of a purchaser.

(c) Any operator who makes a monetary payment to a producer for his or her portion of the value of products from a production unit shall

withhold from such payment the amount of tax due from the producer. Any operator who pays any tax due from a producer shall be entitled to reimbursement from the producer for the tax so paid and may take credit for such amount from any monetary payment to the producer for the value of products. To the extent that an operator required to collect the tax imposed by this Act has actually collected that tax, such tax is held in trust for the benefit of the State of Illinois.

(d) In the event the operator fails to make payment of the tax to the State as required herein, the operator shall be liable for the tax. A producer shall be entitled to bring an action against such operator to recover the amount of tax so withheld together with penalties and interest which may have accrued by failure to make such payment. A producer shall be entitled to all attorney fees and court costs incurred in such action. To the extent that a producer liable for the tax imposed by this Act collects the tax, and any penalties and interest, from an operator, such tax, penalties, and interest are held in trust by the producer for the benefit of the State of Illinois.

(e) When the title to any oil or gas severed from the earth or water is in dispute and the operator of such oil or gas is withholding payments on account of litigation, or for any other reason, such operator is hereby authorized, empowered and required to deduct from the gross amount thus held the amount of the tax imposed and to make remittance thereof to the Department as provided in this Section.

(f) An operator required to file a return and pay the tax under this Section shall register with the Department. Application for a certificate of registration shall be made to the Department upon forms furnished by the Department and shall contain any reasonable information the Department may require. Upon receipt of the application for a certificate of registration in proper form, the Department shall issue to the applicant a certificate of registration.

(g) If oil or gas is transported off the production unit where severed by the operator and sold to a purchaser or refiner, the State shall have a lien on all the oil or gas severed from the production unit in this State in the hands of the operator, the first or any subsequent purchaser thereof, or refiner to secure the payment of the tax. If a lien is filed by the Department, the purchaser or refiner shall withhold from the operator the amount of tax, penalty and interest identified in the lien.

(h) If any payment provided for in this Section exceeds the operator's liabilities under this Act, as shown on an original return, the

Section 83. The Motor Fuel Tax Law is amended by changing Sections 2b, 5, 5a, 13, 13a.4, and 13a.5 as follows:

(35 ILCS 505/2b) (from Ch. 120, par. 418b)

Sec. 2b. Receiver's monthly return. In addition to the tax collection and reporting responsibilities imposed elsewhere in this Act, a person who is required to pay the tax imposed by Section 2a of this Act shall pay the tax to the Department by return showing all fuel purchased, acquired or received and sold, distributed or used during the preceding calendar month including losses of fuel as the result of evaporation or shrinkage due to temperature variations, and such other reasonable information as the Department may require. Losses of fuel as the result of evaporation or shrinkage due to temperature variations may not exceed 1% of the total gallons in storage at the beginning of the month, plus the receipts of gallonage during the month, minus the gallonage remaining in storage at the end of the month. Any loss reported that is in excess of this amount shall be subject to the tax imposed by Section 2a of this Law. On and after July 1, 2001, for each 6-month period January through June, net losses of fuel (for each category of fuel that is required to be reported on a return) as the result of evaporation or shrinkage due to temperature variations may not exceed 1% of the total gallons in storage at the beginning of each January, plus the receipts of gallonage each January through June, minus the gallonage remaining in storage at the end of each June. On and after July 1, 2001, for each 6-month period July through December, net losses of fuel (for each category of fuel that is required to be reported on a return) as the result of evaporation or shrinkage due to temperature variations may not exceed 1% of the total gallons in storage at the beginning of each July, plus the receipts of gallonage each July through December, minus the gallonage remaining in storage at the end of each December. Any net loss reported that is in excess of this amount shall be subject to the tax imposed by Section 2a of this Law. For purposes of this Section, "net loss" means the number of gallons gained through temperature variations minus the number of gallons lost through temperature variations or evaporation for each of the respective 6-month periods.

The return shall be prescribed by the Department and shall be filed between the 1st and 20th days of each calendar month. The Department
may, in its discretion, combine the returns filed under this Section, Section 5, and Section 5a of this Act. The return must be accompanied by appropriate computer-generated magnetic media supporting schedule data in the format required by the Department, unless, as provided by rule, the Department grants an exception upon petition of a taxpayer. If the return is filed timely, the seller shall take a discount of 2% through June 30, 2003 and 1.75% thereafter which is allowed to reimburse the seller for the expenses incurred in keeping records, preparing and filing returns, collecting and remitting the tax and supplying data to the Department on request. The discount, however, shall be applicable only to the amount of payment which accompanies a return that is filed timely in accordance with this Section.

If any payment provided for in this Section exceeds the receiver's liabilities under this Act, as shown on an original return, the Department may authorize the receiver to credit such excess payment against liability subsequently to be remitted to the Department under this Act, in accordance with reasonable rules adopted by the Department. If the Department subsequently determines that all or any part of the credit taken was not actually due to the receiver, the receiver's discount shall be reduced by an amount equal to the difference between the discount as applied to the credit taken and that actually due, and that receiver shall be liable for penalties and interest on such difference.

Sec. 5. Distributor's monthly return. Except as hereinafter provided, a person holding a valid unrevoked license to act as a distributor of motor fuel shall, between the 1st and 20th days of each calendar month, make return to the Department, showing an itemized statement of the number of invoiced gallons of motor fuel of the types specified in this Section which were purchased, acquired, received, or exported during the preceding calendar month; the amount of such motor fuel produced, refined, compounded, manufactured, blended, sold, distributed, exported, and used by the licensed distributor during the preceding calendar month; the amount of such motor fuel lost or destroyed during the preceding calendar month; the amount of such motor fuel on hand at the close of business for such month; and such other reasonable information as the Department may require. If a distributor's only activities with respect to motor fuel are either: (1) production of alcohol in quantities of less than 10,000 proof gallons per year or (2) blending alcohol in quantities of less

New matter indicated by italics - deletions by strikeout
than 10,000 proof gallons per year which such distributor has produced, he shall file returns on an annual basis with the return for a given year being due by January 20 of the following year. Distributors whose total production of alcohol (whether blended or not) exceeds 10,000 proof gallons per year, based on production during the preceding (calendar) year or as reasonably projected by the Department if one calendar year's record of production cannot be established, shall file returns between the 1st and 20th days of each calendar month as hereinabove provided.

The types of motor fuel referred to in the preceding paragraph are: (A) All products commonly or commercially known or sold as gasoline (including casing-head and absorption or natural gasoline), gasohol, motor benzol or motor benzene regardless of their classification or uses; and (B) all combustible gases, not including liquefied natural gas, which exist in a gaseous state at 60 degrees Fahrenheit and at 14.7 pounds per square inch absolute including, but not limited to, liquefied petroleum gases used for highway purposes; and (C) special fuel. Only those quantities of combustible gases (example (B) above) which are used or sold by the distributor to be used to propel motor vehicles on the public highways, or which are delivered into a storage tank that is located at a facility that has withdrawal facilities which are readily accessible to and are capable of dispensing combustible gases into the fuel supply tanks of motor vehicles, shall be subject to return. Distributors of liquefied natural gas are not required to make returns under this Section with respect to that liquefied natural gas unless (i) the liquefied natural gas is dispensed into the fuel supply tank of any motor vehicle or (ii) the liquefied natural gas is delivered into a storage tank that is located at a facility that has withdrawal facilities which are readily accessible to and are capable of dispensing liquefied natural gas into the fuel supply tanks of motor vehicles. For purposes of this Section, a facility is considered to have withdrawal facilities that are not "readily accessible to and capable of dispensing combustible gases into the fuel supply tanks of motor vehicles" only if the combustible gases or liquefied natural gas are delivered from: (i) a dispenser hose that is short enough so that it will not reach the fuel supply tank of a motor vehicle or (ii) a dispenser that is enclosed by a fence or other physical barrier so that a vehicle cannot pull alongside the dispenser to permit fueling. For the purposes of this Act, liquefied petroleum gases shall mean and include any material having a vapor pressure not exceeding that allowed for commercial propane composed predominantly of the following hydrocarbons, either by themselves or as mixtures: Propane, New matter indicated by italics - deletions by strikeout
Propylene, Butane (normal butane or iso-butane) and Butylene (including isomers).

In case of a sale of special fuel to someone other than a licensed distributor, or a licensed supplier, for a use other than in motor vehicles, the distributor shall show in his return the amount of invoiced gallons sold and the name and address of the purchaser in addition to any other information the Department may require.

All special fuel sold or used for non-highway purposes must have a dye added in accordance with Section 4d of this Law.

In case of a tax-free sale, as provided in Section 6, of motor fuel which the distributor is required by this Section to include in his return to the Department, the distributor in his return shall show: (1) If the sale is made to another licensed distributor the amount sold and the name, address and license number of the purchasing distributor; (2) if the sale is made to a person where delivery is made outside of this State the name and address of such purchaser and the point of delivery together with the date and amount delivered; (3) if the sale is made to the Federal Government or its instrumentalities the amount sold; (4) if the sale is made to a municipal corporation owning and operating a local transportation system for public service in this State the name and address of such purchaser, and the amount sold, as evidenced by official forms of exemption certificates properly executed and furnished by such purchaser; (5) if the sale is made to a privately owned public utility owning and operating 2-axle vehicles designed and used for transporting more than 7 passengers, which vehicles are used as common carriers in general transportation of passengers, are not devoted to any specialized purpose and are operated entirely within the territorial limits of a single municipality or of any group of contiguous municipalities or in a close radius thereof, and the operations of which are subject to the regulations of the Illinois Commerce Commission, then the name and address of such purchaser and the amount sold as evidenced by official forms of exemption certificates properly executed and furnished by the purchaser; (6) if the product sold is special fuel and if the sale is made to a licensed supplier under conditions which qualify the sale for tax exemption under Section 6 of this Act, the amount sold and the name, address and license number of the purchaser; and (7) if a sale of special fuel is made to someone other than a licensed distributor, or a licensed supplier, for a use other than in motor vehicles, by making a specific notation thereof on the
invoice or sales slip covering such sales and obtaining such supporting documentation as may be required by the Department.

All special fuel sold or used for non-highway purposes must have a dye added in accordance with Section 4d of this Law.

A person whose license to act as a distributor of motor fuel has been revoked shall make a return to the Department covering the period from the date of the last return to the date of the revocation of the license, which return shall be delivered to the Department not later than 10 days from the date of the revocation or termination of the license of such distributor; the return shall in all other respects be subject to the same provisions and conditions as returns by distributors licensed under the provisions of this Act.

The records, waybills and supporting documents kept by railroads and other common carriers in the regular course of business shall be prima facie evidence of the contents and receipt of cars or tanks covered by those records, waybills or supporting documents.

If the Department has reason to believe and does believe that the amount shown on the return as purchased, acquired, received, exported, sold, used, lost or destroyed is incorrect, or that an amount of motor fuel of the types required by the second paragraph of this Section to be reported to the Department has not been correctly reported the Department shall fix an amount for such receipt, sales, export, use, loss or destruction according to its best judgment and information, which amount so fixed by the Department shall be prima facie correct. All returns shall be made on forms prepared and furnished by the Department, and shall contain such other information as the Department may reasonably require. The return must be accompanied by appropriate computer-generated magnetic media supporting schedule data in the format required by the Department, unless, as provided by rule, the Department grants an exception upon petition of a taxpayer. All licensed distributors shall report all losses of motor fuel sustained on account of fire, theft, spillage, spoilage, leakage, or any other provable cause when filing the return for the period during which the loss occurred. If the distributor reports losses due to fire or theft, then the distributor must include fire department or police department reports and any other documentation that the Department may require. The mere making of the report does not assure the allowance of the loss as a reduction in tax liability. Losses of motor fuel as the result of evaporation or shrinkage due to temperature variations may not exceed 1% of the total gallons in storage at the beginning of the month, plus the receipts of

New matter indicated by italics - deletions by strikeout
gallonage during the month, minus the gallonage remaining in storage at the end of the month. Any loss reported that is in excess of 1% shall be subject to the tax imposed by Section 2 of this Law. On and after July 1, 2001, for each 6-month period January through June, net losses of motor fuel (for each category of motor fuel that is required to be reported on a return) as the result of evaporation or shrinkage due to temperature variations may not exceed 1% of the total gallons in storage at the beginning of each January, plus the receipts of gallonage each January through June, minus the gallonage remaining in storage at the end of each June. On and after July 1, 2001, for each 6-month period July through December, net losses of motor fuel (for each category of motor fuel that is required to be reported on a return) as the result of evaporation or shrinkage due to temperature variations may not exceed 1% of the total gallons in storage at the beginning of each July, plus the receipts of gallonage each July through December, minus the gallonage remaining in storage at the end of each December. Any net loss reported that is in excess of this amount shall be subject to the tax imposed by Section 2 of this Law. For purposes of this Section, "net loss" means the number of gallons gained through temperature variations minus the number of gallons lost through temperature variations or evaporation for each of the respective 6-month periods.

If any payment provided for in this Section exceeds the distributor's liabilities under this Act, as shown on an original return, the Department may authorize the distributor to credit such excess payment against liability subsequently to be remitted to the Department under this Act, in accordance with reasonable rules adopted by the Department. If the Department subsequently determines that all or any part of the credit taken was not actually due to the distributor, the distributor's discount shall be reduced by an amount equal to the difference between the discount as applied to the credit taken and that actually due, and that distributor shall be liable for penalties and interest on such difference.

(35 ILCS 505/5a) (from Ch. 120, par. 421a)

Sec. 5a. Supplier's monthly return. A person holding a valid unrevoked license to act as a supplier of special fuel shall, between the 1st and 20th days of each calendar month, make return to the Department showing an itemized statement of the number of invoiced gallons of special fuel acquired, received, purchased, sold, exported, or used during the preceding calendar month; the amount of special fuel sold, distributed,
exported, and used by the licensed supplier during the preceding calendar month; the amount of special fuel lost or destroyed during the preceding calendar month; the amount of special fuel on hand at the close of business for the preceding calendar month; and such other reasonable information as the Department may require.

A person whose license to act as a supplier of special fuel has been revoked shall make a return to the Department covering the period from the date of the last return to the date of the revocation of the license, which return shall be delivered to the Department not later than 10 days from the date of the revocation or termination of the license of such supplier. The return shall in all other respects be subject to the same provisions and conditions as returns by suppliers licensed under this Act.

The records, waybills and supporting documents kept by railroads and other common carriers in the regular course of business shall be prima facie evidence of the contents and receipt of cars or tanks covered by those records, waybills or supporting documents.

If the Department has reason to believe and does believe that the amount shown on the return as purchased, acquired, received, sold, exported, used, or lost is incorrect, or that an amount of special fuel of the type required by the 1st paragraph of this Section to be reported to the Department by suppliers has not been correctly reported as a purchase, receipt, sale, use, export, or loss the Department shall fix an amount for such purchase, receipt, sale, use, export, or loss according to its best judgment and information, which amount so fixed by the Department shall be prima facie correct. All licensed suppliers shall report all losses of special fuel sustained on account of fire, theft, spillage, spoilage, leakage, or any other provable cause when filing the return for the period during which the loss occurred. If the supplier reports losses due to fire or theft, then the supplier must include fire department or police department reports and any other documentation that the Department may require. The mere making of the report does not assure the allowance of the loss as a reduction in tax liability. Losses of special fuel as the result of evaporation or shrinkage due to temperature variations may not exceed 1% of the total gallons in storage at the beginning of the month, plus the receipts of gallonage during the month, minus the gallonage remaining in storage at the end of the month.

Any loss reported that is in excess of 1% shall be subject to the tax imposed by Section 2 of this Law. On and after July 1, 2001, for each 6-month period January through June, net losses of special fuel (for each

category of special fuel that is required to be reported on a return) as the result of evaporation or shrinkage due to temperature variations may not exceed 1% of the total gallons in storage at the beginning of each January, plus the receipts of gallonage each January through June, minus the gallonage remaining in storage at the end of each June. On and after July 1, 2001, for each 6-month period July through December, net losses of special fuel (for each category of special fuel that is required to be reported on a return) as the result of evaporation or shrinkage due to temperature variations may not exceed 1% of the total gallons in storage at the beginning of each July, plus the receipts of gallonage each July through December, minus the gallonage remaining in storage at the end of each December. Any net loss reported that is in excess of this amount shall be subject to the tax imposed by Section 2 of this Law. For purposes of this Section, "net loss" means the number of gallons gained through temperature variations minus the number of gallons lost through temperature variations or evaporation for each of the respective 6-month periods.

In case of a sale of special fuel to someone other than a licensed distributor or licensed supplier for a use other than in motor vehicles, the supplier shall show in his return the amount of invoiced gallons sold and the name and address of the purchaser in addition to any other information the Department may require.

All special fuel sold or used for non-highway purposes must have a dye added in accordance with Section 4d of this Law.

All returns shall be made on forms prepared and furnished by the Department and shall contain such other information as the Department may reasonably require. The return must be accompanied by appropriate computer-generated magnetic media supporting schedule data in the format required by the Department, unless, as provided by rule, the Department grants an exception upon petition of a taxpayer.

In case of a tax-free sale, as provided in Section 6a, of special fuel which the supplier is required by this Section to include in his return to the Department, the supplier in his return shall show: (1) If the sale of special fuel is made to the Federal Government or its instrumentalities; (2) if the sale of special fuel is made to a municipal corporation owning and operating a local transportation system for public service in this State, the name and address of such purchaser and the amount sold, as evidenced by official forms of exemption certificates properly executed and furnished by such purchaser; (3) if the sale of special fuel is made to a privately owned

public utility owning and operating 2-axle vehicles designed and used for transporting more than 7 passengers, which vehicles are used as common carriers in general transportation of passengers, are not devoted to any specialized purpose and are operated entirely within the territorial limits of a single municipality or of any group of contiguous municipalities or in a close radius thereof, and the operations of which are subject to the regulations of the Illinois Commerce Commission, then the name and address of such purchaser and the amount sold, as evidenced by official forms of exemption certificates properly executed and furnished by such purchaser; (4) if the product sold is special fuel and if the sale is made to a licensed supplier or to a licensed distributor under conditions which qualify the sale for tax exemption under Section 6a of this Act, the amount sold and the name, address and license number of such purchaser; (5) if a sale of special fuel is made to a person where delivery is made outside of this State, the name and address of such purchaser and the point of delivery together with the date and amount of invoiced gallons delivered; and (6) if a sale of special fuel is made to someone other than a licensed distributor or a licensed supplier, for a use other than in motor vehicles, by making a specific notation thereof on the invoice or sales slip covering that sale and obtaining such supporting documentation as may be required by the Department.

All special fuel sold or used for non-highway purposes must have a dye added in accordance with Section 4d of this Law.

If any payment provided for in this Section exceeds the supplier's liabilities under this Act, as shown on an original return, the Department may authorize the supplier to credit such excess payment against liability subsequently to be remitted to the Department under this Act, in accordance with reasonable rules adopted by the Department. If the Department subsequently determines that all or any part of the credit taken was not actually due to the supplier, the supplier's discount shall be reduced by an amount equal to the difference between the discount as applied to the credit taken and that actually due, and that supplier shall be liable for penalties and interest on such difference.

Sec. 13. Refund of tax paid. Any person other than a distributor or supplier, who loses motor fuel through any cause or uses motor fuel (upon which he has paid the amount required to be collected under Section 2 of this Act) for any purpose other than operating a motor vehicle upon the

New matter indicated by italics - deletions by strikeout
public highways or waters, shall be reimbursed and repaid the amount so paid.

Any person who purchases motor fuel in Illinois and uses that motor fuel in another state and that other state imposes a tax on the use of such motor fuel shall be reimbursed and repaid the amount of Illinois tax paid under Section 2 of this Act on the motor fuel used in such other state. Reimbursement and repayment shall be made by the Department upon receipt of adequate proof of taxes directly paid to another state and the amount of motor fuel used in that state.

Claims based in whole or in part on taxes paid to another state shall include (i) a certified copy of the tax return filed with such other state by the claimant; (ii) a copy of either the cancelled check paying the tax due on such return, or a receipt acknowledging payment of the tax due on such tax return; and (iii) such other information as the Department may reasonably require. This paragraph shall not apply to taxes paid on returns filed under Section 13a.3 of this Act.

Any person who purchases motor fuel use tax decals as required by Section 13a.4 and pays an amount of fees for such decals that exceeds the amount due shall be reimbursed and repaid the amount of the decal fees that are deemed by the department to be in excess of the amount due. Alternatively, any person who purchases motor fuel use tax decals as required by Section 13a.4 may credit any excess decal payment verified by the Department against amounts subsequently due for the purchase of additional decals, until such time as no excess payment remains.

Claims for such reimbursement must be made to the Department of Revenue, duly verified by the claimant (or by the claimant's legal representative if the claimant has died or become a person under legal disability), upon forms prescribed by the Department. The claim must state such facts relating to the purchase, importation, manufacture or production of the motor fuel by the claimant as the Department may deem necessary, and the time when, and the circumstances of its loss or the specific purpose for which it was used (as the case may be), together with such other information as the Department may reasonably require. No claim based upon idle time shall be allowed. Claims for reimbursement for overpayment of decal fees shall be made to the Department of Revenue, duly verified by the claimant (or by the claimant's legal representative if the claimant has died or become a person under legal disability), upon forms prescribed by the Department. The claim shall state facts relating to the overpayment of decal fees, together with such other information as the Department may reasonably require. No claim based upon idle time shall be allowed.

New matter indicated by italics - deletions by strikeout
Department may reasonably require. Claims for reimbursement of overpayment of decal fees paid on or after January 1, 2011 must be filed not later than one year after the date on which the fees were paid by the claimant. If it is determined that the Department should reimburse a claimant for overpayment of decal fees, the Department shall first apply the amount of such refund against any tax or penalty or interest due by the claimant under Section 13a of this Act.

Claims for full reimbursement for taxes paid on or before December 31, 1999 must be filed not later than one year after the date on which the tax was paid by the claimant. If, however, a claim for such reimbursement otherwise meeting the requirements of this Section is filed more than one year but less than 2 years after that date, the claimant shall be reimbursed at the rate of 80% of the amount to which he would have been entitled if his claim had been timely filed.

Claims for full reimbursement for taxes paid on or after January 1, 2000 must be filed not later than 2 years after the date on which the tax was paid by the claimant.

The Department may make such investigation of the correctness of the facts stated in such claims as it deems necessary. When the Department has approved any such claim, it shall pay to the claimant (or to the claimant's legal representative, as such if the claimant has died or become a person under legal disability) the reimbursement provided in this Section, out of any moneys appropriated to it for that purpose.

Any distributor or supplier who has paid the tax imposed by Section 2 of this Act upon motor fuel lost or used by such distributor or supplier for any purpose other than operating a motor vehicle upon the public highways or waters may file a claim for credit or refund to recover the amount so paid. Such claims shall be filed on forms prescribed by the Department. Such claims shall be made to the Department, duly verified by the claimant (or by the claimant's legal representative if the claimant has died or become a person under legal disability), upon forms prescribed by the Department. The claim shall state such facts relating to the purchase, importation, manufacture or production of the motor fuel by the claimant as the Department may deem necessary and the time when the loss or nontaxable use occurred, and the circumstances of its loss or the specific purpose for which it was used (as the case may be), together with such other information as the Department may reasonably require. Claims must be filed not later than one year after the date on which the tax was paid by the claimant.

New matter indicated by italics - deletions by strikeout
The Department may make such investigation of the correctness of the facts stated in such claims as it deems necessary. When the Department approves a claim, the Department shall issue a refund or credit memorandum as requested by the taxpayer, to the distributor or supplier who made the payment for which the refund or credit is being given or, if the distributor or supplier has died or become incompetent, to such distributor's or supplier's legal representative, as such. The amount of such credit memorandum shall be credited against any tax due or to become due under this Act from the distributor or supplier who made the payment for which credit has been given.

Any credit or refund that is allowed under this Section shall bear interest at the rate and in the manner specified in the Uniform Penalty and Interest Act.

In case the distributor or supplier requests and the Department determines that the claimant is entitled to a refund, such refund shall be made only from such appropriation as may be available for that purpose. If it appears unlikely that the amount appropriated would permit everyone having a claim allowed during the period covered by such appropriation to elect to receive a cash refund, the Department, by rule or regulation, shall provide for the payment of refunds in hardship cases and shall define what types of cases qualify as hardship cases.

In any case in which there has been an erroneous refund of tax or fees payable under this Section, a notice of tax liability may be issued at any time within 3 years from the making of that refund, or within 5 years from the making of that refund if it appears that any part of the refund was induced by fraud or the misrepresentation of material fact. The amount of any proposed assessment set forth by the Department shall be limited to the amount of the erroneous refund.

If no tax is due and no proceeding is pending to determine whether such distributor or supplier is indebted to the Department for tax, the credit memorandum so issued may be assigned and set over by the lawful holder thereof, subject to reasonable rules of the Department, to any other licensed distributor or supplier who is subject to this Act, and the amount thereof applied by the Department against any tax due or to become due under this Act from such assignee.

If the payment for which the distributor's or supplier's claim is filed is held in the protest fund of the State Treasury during the pendency of the claim for credit proceedings pursuant to the order of the court in accordance with Section 2a of the State Officers and Employees Money

New matter indicated by italics - deletions by strikeout
Disposition Act and if it is determined by the Department or by the final order of a reviewing court under the Administrative Review Law that the claimant is entitled to all or a part of the credit claimed, the claimant, instead of receiving a credit memorandum from the Department, shall receive a cash refund from the protest fund as provided for in Section 2a of the State Officers and Employees Money Disposition Act.

If any person ceases to be licensed as a distributor or supplier while still holding an unused credit memorandum issued under this Act, such person may, at his election (instead of assigning the credit memorandum to a licensed distributor or licensed supplier under this Act), surrender such unused credit memorandum to the Department and receive a refund of the amount to which such person is entitled.

For claims based upon taxes paid on or before December 31, 2000, a claim based upon the use of undyed diesel fuel shall not be allowed except (i) if allowed under the following paragraph or (ii) for undyed diesel fuel used by a commercial vehicle, as that term is defined in Section 1-111.8 of the Illinois Vehicle Code, for any purpose other than operating the commercial vehicle upon the public highways and unlicensed commercial vehicles operating on private property. Claims shall be limited to commercial vehicles that are operated for both highway purposes and any purposes other than operating such vehicles upon the public highways.

For claims based upon taxes paid on or after January 1, 2000, a claim based upon the use of undyed diesel fuel shall not be allowed except (i) if allowed under the preceding paragraph or (ii) for claims for the following:

1. Undyed diesel fuel used (i) in a manufacturing process, as defined in Section 2-45 of the Retailers' Occupation Tax Act, wherein the undyed diesel fuel becomes a component part of a product or by-product, other than fuel or motor fuel, when the use of dyed diesel fuel in that manufacturing process results in a product that is unsuitable for its intended use or (ii) for testing machinery and equipment in a manufacturing process, as defined in Section 2-45 of the Retailers' Occupation Tax Act, wherein the testing takes place on private property.

2. Undyed diesel fuel used by a manufacturer on private property in the research and development, as defined in Section 1.29, of machinery or equipment intended for manufacture.

3. Undyed diesel fuel used by a single unit self-propelled agricultural fertilizer implement, designed for on and off road use,

equipped with flotation tires and specially adapted for the application of plant food materials or agricultural chemicals. (4) Undyed diesel fuel used by a commercial motor vehicle for any purpose other than operating the commercial motor vehicle upon the public highways. Claims shall be limited to commercial motor vehicles that are operated for both highway purposes and any purposes other than operating such vehicles upon the public highways.

(5) Undyed diesel fuel used by a unit of local government in its operation of an airport if the undyed diesel fuel is used directly in airport operations on airport property.

(6) Undyed diesel fuel used by refrigeration units that are permanently mounted to a semitrailer, as defined in Section 1.28 of this Law, wherein the refrigeration units have a fuel supply system dedicated solely for the operation of the refrigeration units.

(7) Undyed diesel fuel used by power take-off equipment as defined in Section 1.27 of this Law.

(8) Beginning on the effective date of this amendatory Act of the 94th General Assembly, undyed diesel fuel used by tugs and spotter equipment to shift vehicles or parcels on both private and airport property. Any claim under this item (8) may be made only by a claimant that owns tugs and spotter equipment and operates that equipment on both private and airport property. The aggregate of all credits or refunds resulting from claims filed under this item (8) by a claimant in any calendar year may not exceed $100,000. A claim may not be made under this item (8) by the same claimant more often than once each quarter. For the purposes of this item (8), "tug" means a vehicle designed for use on airport property that shifts custom-designed containers of parcels from loading docks to aircraft, and "spotter equipment" means a vehicle designed for use on both private and airport property that shifts trailers containing parcels between staging areas and loading docks.

Any person who has paid the tax imposed by Section 2 of this Law upon undyed diesel fuel that is unintentionally mixed with dyed diesel fuel and who owns or controls the mixture of undyed diesel fuel and dyed diesel fuel may file a claim for refund to recover the amount paid. The amount of undyed diesel fuel unintentionally mixed must equal 500 gallons or more. Any claim for refund of unintentionally mixed undyed diesel fuel and dyed diesel fuel shall be supported by documentation

New matter indicated by italics - deletions by strikeout
showing the date and location of the unintentional mixing, the number of gallons involved, the disposition of the mixed diesel fuel, and any other information that the Department may reasonably require. Any unintentional mixture of undyed diesel fuel and dyed diesel fuel shall be sold or used only for non-highway purposes.

The Department shall promulgate regulations establishing specific limits on the amount of undyed diesel fuel that may be claimed for refund. For purposes of claims for refund, "loss" means the reduction of motor fuel resulting from fire, theft, spillage, spoilage, leakage, or any other provable cause, but does not include a reduction resulting from evaporation, or shrinkage due to temperature variations. In the case of losses due to fire or theft, the claimant must include fire department or police department reports and any other documentation that the Department may require.

(35 ILCS 505/13a.4) (from Ch. 120, par. 429a4)

Sec. 13a.4. Except as provided in Section 13a.5 of this Act, no motor carrier shall operate in Illinois without first securing a motor fuel use tax license and decals from the Department or a motor fuel use tax license and decals issued under the International Fuel Tax Agreement by any member jurisdiction. Notwithstanding any other provision of this Section to the contrary, however, the Director of Revenue or his designee may, upon determining that a disaster exists in Illinois or in any other jurisdiction state, temporarily waive the licensing requirements of this Section for commercial motor vehicles that travel through Illinois, or return to Illinois from a point outside Illinois, for the purpose of assisting in disaster relief efforts. Temporary waiver of the licensing requirements of this Section shall not exceed a period of 30 days from the date the Director temporarily waives the licensing requirements of this Section. For purposes of this Section, a disaster includes flood, tornado, hurricane, fire, earthquake, or any other disaster that causes or threatens loss of life or destruction or damage to property of such a magnitude as to endanger the public health, safety, and welfare. The licensing requirements of this Section shall be temporarily waived only if the operator of the commercial motor vehicle can provide proof by manifest that the commercial motor vehicle is traveling through Illinois or returning to Illinois from a point outside Illinois for purposes of assisting in disaster relief efforts. Application for such license and decals shall be made annually to the Department on forms prescribed by the Department. The application shall

New matter indicated by italics - deletions by strikeout
be under oath, and shall contain such information as the Department deems necessary. The Department, for cause, may require an applicant to post a bond on a form to be approved by and with a surety or sureties satisfactory to the Department conditioned upon such applicant paying to the State of Illinois all monies becoming due by reason of the sale or use of motor fuel by the applicant, together with all penalties and interest thereon. If a bond is required, it shall be equal to at least twice the estimated average tax liability of a quarterly return. The Department shall fix the penalty of such bond in each case taking into consideration the amount of motor fuel expected to be used by such applicant and the penalty fixed by the Department shall be such as, in its opinion, will protect the State of Illinois against failure to pay the amount hereinafter provided on motor fuel used. No person who is in default to the State for monies due under this Act for the sale, distribution or use of motor fuel shall receive such a license or decal.

Upon receipt of the application for license in proper form, and upon payment of any required $100 reinstatement fee, and upon approval by the Department of the bond furnished by the applicant, the Department may issue to such applicant a license which allows the operation of commercial motor vehicles in Illinois, and decals for each commercial motor vehicle operating in Illinois. Prior to January 1, 1985, motor fuel use tax licenses shall be conspicuously displayed in the cab of each commercial motor vehicle operating in Illinois. After January 1, 1986, motor fuel use tax licenses shall be carried in the cab of each commercial motor vehicle operating in Illinois.

The Department shall, by regulation, provide for the use of reproductions of original motor fuel use tax licenses in lieu of issuing multiple original motor fuel use tax licenses to licensees.

On and after January 1, 1985, external motor fuel tax decals shall be conspicuously displayed on the passenger side of each commercial motor vehicle propelled by motor fuel operating in Illinois, except buses, which may display such devices on the driver's side of the vehicle. Beginning with the effective date of this amendatory Act of 1993 or the membership of the State of Illinois in the International Fuel Tax Agreement, whichever is later, the decals issued to the licensee shall be placed on both exterior sides of the cab. In the case of transporters, manufacturers, dealers, or driveway operations, the decals need not be permanently affixed but may be temporarily displayed in a visible manner on the exterior sides of the cab. Failure to display the decals in the required

locations may subject the vehicle operator to the purchase of a trip permit and a citation. Such motor fuel tax decals shall be issued by the Department and remain valid for a period of 2 calendar years, beginning January 1, 1985. The decals shall expire at the end of the regular 2 year issuance period, with new decals required to be displayed at that time. Beginning January 1, 1993, the motor fuel decals shall be issued by the Department and remain valid for a period of one calendar year. The decals shall expire at the end of the regular one year issuance period, with new decals required to be displayed at that time. Decals shall be no larger than 3 inches by 3 inches. Prior to January 1, 1993, a fee of $7.50 shall be charged by the Department for each decal issued prior to and during the 2 calendar years such decal is valid. Beginning January 1, 1993, a fee of $3.75 shall be charged by the Department for each decal issued prior to and during the calendar year such decal is valid. Beginning January 1, 1994, $3.75 shall be charged for a set of 2 decals. The Department may also prescribe procedures for the issuance of replacement decals, with a maximum fee of $2 for each set of replacement decals issued. The transfer of decals from one vehicle to another vehicle or from one motor carrier to another motor carrier is prohibited. The fees paid for the decals issued under this Section shall be deposited in the Motor Fuel Tax Fund, and may be appropriated to the Department for administration of this Section and enforcement of the tax imposed by Section 13a of this Act.

To avoid duplicate reporting of mileage and payment of any tax arising therefrom under Section 13a.3 of this Act, the Department shall, by regulation, provide for the allocation between lessors and lessees of the same commercial motor vehicle or vehicles of the responsibility as a motor carrier for the reporting of mileage and the liability for tax arising under Section 13a.3 of this Act, and for registration, furnishing of bond, carrying of motor fuel use tax licenses, and display of decals under this Section, and for all other duties imposed upon motor carriers by this Act.

Sec. 13a.5. As to a commercial motor vehicle operated in Illinois in the course of interstate traffic by a motor carrier not holding a motor fuel use tax license issued under this Act, a single trip permit authorizing operation of such commercial motor vehicle for a single trip into the State of Illinois, through the State of Illinois, or from a point on the border of this State to a point within and return to the border may be issued by the Department or its agents after proper application. This fee shall be in lieu of the tax required by Section 13a of this Act, all reports required by Section 13a.3 of this Act, and the registration, decal display and furnishing of bond required by Section 13a.4 of this Act. Notwithstanding any other provision of this Section to the contrary, however, the Director of Revenue or his designee may, upon determining that a disaster exists in Illinois or in any other jurisdiction, temporarily waive the permit provisions of this Section for commercial motor vehicles that travel into the State of Illinois, through Illinois, or return to Illinois from a point outside Illinois, for the purpose of assisting in disaster relief efforts. Temporary waiver of the permit provisions of this Section shall not exceed a period of 30 days from the date the Director waives the permit provisions of this Section. For purposes of this Section, a disaster includes flood, tornado, hurricane, fire, earthquake, or any other disaster that causes or threatens loss of life or destruction or damage to property of such a magnitude as to endanger the public health, safety, and welfare. The permit provisions of this Section shall be temporarily waived only if the operator of the commercial motor vehicle can provide proof by manifest that the commercial motor vehicle is traveling through Illinois or returning to Illinois from a point outside Illinois for purposes of assisting in disaster relief efforts. Rules or regulations promulgated by the Department under this Section shall provide for reasonable and proper limitations and restrictions governing application for and issuance and use of, single trip permits, so as to preclude evasion of the license requirement in Section 13a.4.

1. His name;

2. The address of his principal place of business, and the address of the principal place of business (if that is a different address) from which he engages in the business of distributing, supplying, furnishing or selling gas in this State;

4. Gross receipts which were received by him from customers during the preceding calendar month from such business, including budget plan and other customer-owned amounts applied during such month in payment of charges includible in gross receipts, and upon the basis of which the tax is imposed;

5. Amount of tax (computed upon Items 3 and 4);

6. Such other reasonable information as the Department may require.

In making such return the taxpayer may use any reasonable method to derive reportable "therms" and "gross receipts" from his billing and payment records.

Any taxpayer required to make payments under this Section may make the payments by electronic funds transfer. The Department shall adopt rules necessary to effectuate a program of electronic funds transfer.

If the taxpayer's average monthly tax liability to the Department does not exceed $100.00, the Department may authorize his returns to be filed on a quarter annual basis, with the return for January, February and March of a given year being due by April 30 of such year; with the return for April, May and June of a given year being due by July 31 of such year; with the return for July, August and September of a given year being due by October 31 of such year, and with the return for October, November and December of a given year being due by January 31 of the following year.

If the taxpayer's average monthly tax liability to the Department does not exceed $20.00, the Department may authorize his returns to be filed on an annual basis, with the return for a given year being due by January 31 of the following year.

Such quarter annual and annual returns, as to form and substance, shall be subject to the same requirements as monthly returns.

Notwithstanding any other provision in this Act concerning the time within which a taxpayer may file his return, in the case of any taxpayer who ceases to engage in a kind of business which makes him responsible for filing returns under this Act, such taxpayer shall file a final return under this Act with the Department not more than one month after discontinuing such business.

New matter indicated by italics - deletions by strikeout
In making such return the taxpayer shall determine the value of any reportable consideration other than money received by him and shall include such value in his return. Such determination shall be subject to review and revision by the Department in the same manner as is provided in this Act for the correction of returns.

Each taxpayer whose average monthly liability to the Department under this Act was $10,000 or more during the preceding calendar year, excluding the month of highest liability and the month of lowest liability in such calendar year, and who is not operated by a unit of local government, shall make estimated payments to the Department on or before the 7th, 15th, 22nd and last day of the month during which tax liability to the Department is incurred in an amount not less than the lower of either 22.5% of the taxpayer's actual tax liability for the month or 25% of the taxpayer's actual tax liability for the same calendar month of the preceding year. The amount of such quarter monthly payments shall be credited against the final tax liability of the taxpayer's return for that month. Any outstanding credit, approved by the Department, arising from the taxpayer's overpayment of its final tax liability for any month may be applied to reduce the amount of any subsequent quarter monthly payment or credited against the final tax liability of the taxpayer's return for any subsequent month. If any quarter monthly payment is not paid at the time or in the amount required by this Section, the taxpayer shall be liable for penalty and interest on the difference between the minimum amount due as a payment and the amount of such payment actually and timely paid, except insofar as the taxpayer has previously made payments for that month to the Department in excess of the minimum payments previously due.

If the Director finds that the information required for the making of an accurate return cannot reasonably be compiled by a taxpayer within 15 days after the close of the calendar month for which a return is to be made, he may grant an extension of time for the filing of such return for a period of not to exceed 31 calendar days. The granting of such an extension may be conditioned upon the deposit by the taxpayer with the Department of an amount of money not exceeding the amount estimated by the Director to be due with the return so extended. All such deposits, including any made before the effective date of this amendatory Act of 1975 with the Department, shall be credited against the taxpayer's liabilities under this Act. If any such deposit exceeds the taxpayer's present and probable future liabilities under this Act, the Department shall issue to the taxpayer a
credit memorandum, which may be assigned by the taxpayer to a similar taxpayer under this Act, in accordance with reasonable rules and regulations to be prescribed by the Department.

The taxpayer making the return provided for in this Section shall, at the time of making such return, pay to the Department the amount of tax imposed by this Act. All moneys received by the Department under this Act shall be paid into the General Revenue Fund in the State Treasury, except as otherwise provided.

*If any payment provided for in this Section exceeds the taxpayer's liabilities under this Act, as shown on an original return, the Department may authorize the taxpayer to credit such excess payment against liability subsequently to be remitted to the Department under this Act, in accordance with reasonable rules adopted by the Department.*

8. Such other reasonable information as the Department may require.

Any taxpayer required to make payments under this Section may make the payments by electronic funds transfer. The Department shall adopt rules necessary to effectuate a program of electronic funds transfer. Any taxpayer who has average monthly tax billings due to the Department under this Act and the Simplified Municipal Telecommunications Tax Act that exceed $1,000 shall make all payments by electronic funds transfer as required by rules of the Department and shall file the return required by this Section by electronic means as required by rules of the Department.

If the retailer's average monthly tax billings due to the Department under this Act and the Simplified Municipal Telecommunications Tax Act do not exceed $1,000, the Department may authorize his returns to be filed on a quarter annual basis, with the return for January, February and March of a given year being due by April 30 of such year; with the return for April, May and June of a given year being due by July 31st of such year; with the return for July, August and September of a given year being due by October 31st of such year; and with the return of October, November and December of a given year being due by January 31st of the following year.

If the retailer is otherwise required to file a monthly or quarterly return and if the retailer's average monthly tax billings due to the Department under this Act and the Simplified Municipal Telecommunications Tax Act do not exceed $400, the Department may authorize his or her return to be filed on an annual basis, with the return for a given year being due by January 31st of the following year.

Notwithstanding any other provision of this Article containing the time within which a retailer may file his return, in the case of any retailer who ceases to engage in a kind of business which makes him responsible for filing returns under this Article, such retailer shall file a final return under this Article with the Department not more than one month after discontinuing such business.

In making such return, the retailer shall determine the value of any consideration other than money received by him and he shall include such value in his return. Such determination shall be subject to review and revision by the Department in the manner hereinafter provided for the correction of returns.

Act was $25,000 or more during the preceding calendar year, excluding the month of highest liability and the month of lowest liability in such calendar year, and who is not operated by a unit of local government, shall make estimated payments to the Department on or before the 7th, 15th, 22nd and last day of the month during which tax collection liability to the Department is incurred in an amount not less than the lower of either 22.5% of the retailer's actual tax collections for the month or 25% of the retailer's actual tax collections for the same calendar month of the preceding year. The amount of such quarter monthly payments shall be credited against the final liability of the retailer's return for that month. Any outstanding credit, approved by the Department, arising from the retailer's overpayment of its final liability for any month may be applied to reduce the amount of any subsequent quarter monthly payment or credited against the final liability of the retailer's return for any subsequent month. If any quarter monthly payment is not paid at the time or in the amount required by this Section, the retailer shall be liable for penalty and interest on the difference between the minimum amount due as a payment and the amount of such payment actually and timely paid, except insofar as the retailer has previously made payments for that month to the Department in excess of the minimum payments previously due.

The retailer making the return herein provided for shall, at the time of making such return, pay to the Department the amount of tax herein imposed, less a discount of 1% which is allowed to reimburse the retailer for the expenses incurred in keeping records, billing the customer, preparing and filing returns, remitting the tax, and supplying data to the Department upon request. No discount may be claimed by a retailer on returns not timely filed and for taxes not timely remitted.

If any payment provided for in this Section exceeds the retailer's liabilities under this Act, as shown on an original return, the Department may authorize the retailer to credit such excess payment against liability subsequently to be remitted to the Department under this Act, in accordance with reasonable rules adopted by the Department. If the Department subsequently determines that all or any part of the credit taken was not actually due to the retailer, the retailer's discount shall be reduced by an amount equal to the difference between the discount as applied to the credit taken and that actually due, and that retailer shall be liable for penalties and interest on such difference.

On and after February 1, 1998, however, of the moneys received by the Department of Revenue pursuant to the additional taxes imposed by Public Act 90-548, one-half shall be deposited into the School Infrastructure Fund and one-half shall be deposited into the Common School Fund. On and after the effective date of this amendatory Act of the 91st General Assembly, if in any fiscal year the total of the moneys deposited into the School Infrastructure Fund under this Act is less than the total of the moneys deposited into that Fund from the additional taxes imposed by Public Act 90-548 during fiscal year 1999, then, as soon as possible after the close of the fiscal year, the Comptroller shall order transferred and the Treasurer shall transfer from the General Revenue Fund to the School Infrastructure Fund an amount equal to the difference between the fiscal year total deposits and the total amount deposited into the Fund in fiscal year 1999.

Section 100. The Electricity Excise Tax Law is amended by changing Sections 2-9 and 2-11 as follows:

(35 ILCS 640/2-9)

Sec. 2-9. Return and payment of tax by delivering supplier. Each delivering supplier who is required or authorized to collect the tax imposed by this Law shall make a return to the Department on or before the 15th day of each month for the preceding calendar month stating the following:

New matter indicated by italics - deletions by strikeout
(1) The delivering supplier's name.
(2) The address of the delivering supplier's principal place of business and the address of the principal place of business (if that is a different address) from which the delivering supplier engaged in the business of delivering electricity in this State.
(3) The total number of kilowatt-hours which the supplier delivered to or for purchasers during the preceding calendar month and upon the basis of which the tax is imposed.
(4) Amount of tax, computed upon Item (3) at the rates stated in Section 2-4.
(5) An adjustment for uncollectible amounts of tax in respect of prior period kilowatt-hour deliveries, determined in accordance with rules and regulations promulgated by the Department.
(5.5) The amount of credits to which the taxpayer is entitled on account of purchases made under Section 8-403.1 of the Public Utilities Act.
(6) Such other information as the Department reasonably may require.

In making such return the delivering supplier may use any reasonable method to derive reportable "kilowatt-hours" from the delivering supplier's records.

If the average monthly tax liability to the Department of the delivering supplier does not exceed $2,500, the Department may authorize the delivering supplier's returns to be filed on a quarter-annual basis, with the return for January, February and March of a given year being due by April 30 of such year; with the return for April, May and June of a given year being due by July 31 of such year; with the return for July, August and September of a given year being due by October 31 of such year; and with the return for October, November and December of a given year being due by January 31 of the following year.

delivering supplier who ceases to engage in a kind of business which makes the person responsible for filing returns under this Law shall file a final return under this Law with the Department not more than one month after discontinuing such business.

Each delivering supplier whose average monthly liability to the Department under this Law was $10,000 or more during the preceding calendar year, excluding the month of highest liability and the month of lowest liability in such calendar year, and who is not operated by a unit of local government, shall make estimated payments to the Department on or before the 7th, 15th, 22nd and last day of the month during which tax liability to the Department is incurred in an amount not less than the lower of either 22.5% of such delivering supplier's actual tax liability for the month or 25% of such delivering supplier's actual tax liability for the same calendar month of the preceding year. The amount of such quarter-monthly payments shall be credited against the final tax liability of such delivering supplier's return for that month. An outstanding credit approved by the Department or a credit memorandum issued by the Department arising from such delivering supplier's overpayment of his or her final tax liability for any month may be applied to reduce the amount of any subsequent quarter-monthly payment or credited against the final tax liability of such delivering supplier's return for any subsequent month. If any quarter-monthly payment is not paid at the time or in the amount required by this Section, such delivering supplier shall be liable for penalty and interest on the difference between the minimum amount due as a payment and the amount of such payment actually and timely paid, except insofar as such delivering supplier has previously made payments for that month to the Department in excess of the minimum payments previously due.

If the Director finds that the information required for the making of an accurate return cannot reasonably be compiled by such delivering supplier within 15 days after the close of the calendar month for which a return is to be made, the Director may grant an extension of time for the filing of such return for a period not to exceed 31 calendar days. The granting of such an extension may be conditioned upon the deposit by such delivering supplier with the Department of an amount of money not exceeding the amount estimated by the Director to be due with the return so extended. All such deposits shall be credited against such delivering supplier's liabilities under this Law. If the deposit exceeds such delivering supplier's present and probable future liabilities under this Law, the Department shall issue to such delivering supplier a credit memorandum,
which may be assigned by such delivering supplier to a similar person under this Law, in accordance with reasonable rules and regulations to be prescribed by the Department.

The delivering supplier making the return provided for in this Section shall, at the time of making such return, pay to the Department the amount of tax imposed by this Law.

Until October 1, 2002, a delivering supplier who has an average monthly tax liability of $10,000 or more shall make all payments required by rules of the Department by electronic funds transfer. The term "average monthly tax liability" shall be the sum of the delivering supplier's liabilities under this Law for the immediately preceding calendar year divided by 12. Beginning on October 1, 2002, a taxpayer who has a tax liability in the amount set forth in subsection (b) of Section 2505-210 of the Department of Revenue Law shall make all payments required by rules of the Department by electronic funds transfer. Any delivering supplier not required to make payments by electronic funds transfer may make payments by electronic funds transfer with the permission of the Department. All delivering suppliers required to make payments by electronic funds transfer and any delivering suppliers authorized to voluntarily make payments by electronic funds transfer shall make those payments in the manner authorized by the Department.

If any payment provided for in this Section exceeds the delivering supplier's liabilities under this Act, as shown on an original return, the Department may authorize the delivering supplier to credit such excess payment against liability subsequently to be remitted to the Department under this Act, in accordance with reasonable rules adopted by the Department.

Through June 30, 2004, each month the Department shall pay into the Public Utility Fund in the State treasury an amount determined by the Director to be equal to 3.0% of the funds received by the Department pursuant to this Section. Through June 30, 2004, the remainder of all moneys received by the Department under this Section shall be paid into the General Revenue Fund in the State treasury. Beginning on July 1, 2004, of the 3% of the funds received pursuant to this Section, each month the Department shall pay $416,667 into the General Revenue Fund and the balance shall be paid into the Public Utility Fund in the State treasury.

Sec. 2-11. Direct return and payment by self-assessing purchaser. When electricity is used or consumed by a self-assessing purchaser subject to the tax imposed by this Law who did not pay the tax to a delivering supplier maintaining a place of business within this State and required or authorized to collect the tax, that self-assessing purchaser shall, on or before the 15th day of each month, make a return to the Department for the preceding calendar month, stating all of the following:

(1) The self-assessing purchaser's name and principal address.

(2) The aggregate purchase price paid by the self-assessing purchaser for the distribution, supply, furnishing, sale, transmission and delivery of such electricity to or for the purchaser during the preceding calendar month, including budget plan and other purchaser-owned amounts applied during such month in payment of charges includible in the purchase price, and upon the basis of which the tax is imposed.

(3) Amount of tax, computed upon item (2) at the rate stated in Section 2-4.

(4) Such other information as the Department reasonably may require.

In making such return the self-assessing purchaser may use any reasonable method to derive reportable "purchase price" from the self-assessing purchaser's records.

If the average monthly tax liability of the self-assessing purchaser to the Department does not exceed $2,500, the Department may authorize the self-assessing purchaser's returns to be filed on a quarter-annual basis, with the return for January, February and March of a given year being due by April 30 of such year; with the return for April, May and June of a given year being due by July 31 of such year; with the return for July, August, and September of a given year being due by October 31 of such year; and with the return for October, November and December of a given year being due by January 31 of the following year.

If the average monthly tax liability of the self-assessing purchaser to the Department does not exceed $1,000, the Department may authorize the self-assessing purchaser's returns to be filed on an annual basis, with the return for a given year being due by January 31 of the following year.

Such quarter-annual and annual returns, as to form and substance, shall be subject to the same requirements as monthly returns.
Notwithstanding any other provision in this Law concerning the
time within which a self-assessing purchaser may file a return, any such
self-assessing purchaser who ceases to be responsible for filing returns
under this Law shall file a final return under this Law with the Department
not more than one month thereafter.

Each self-assessing purchaser whose average monthly liability to
the Department pursuant to this Section was $10,000 or more during the
preceding calendar year, excluding the month of highest liability and the
month of lowest liability during such calendar year, and which is not
operated by a unit of local government, shall make estimated payments to
the Department on or before the 7th, 15th, 22nd and last day of the month
during which tax liability to the Department is incurred in an amount not
less than the lower of either 22.5% of such self-assessing purchaser's
actual tax liability for the month or 25% of such self-assessing purchaser's
actual tax liability for the same calendar month of the preceding year. The
amount of such quarter-monthly payments shall be credited against the
final tax liability of the self-assessing purchaser's return for that month. An
outstanding credit approved by the Department or a credit memorandum
issued by the Department arising from the self-assessing purchaser's
overpayment of the self-assessing purchaser's final tax liability for any
month may be applied to reduce the amount of any subsequent quarter-
monthly payment or credited against the final tax liability of such self-
assessing purchaser's return for any subsequent month. If any quarter-
monthly payment is not paid at the time or in the amount required by this
Section, such person shall be liable for penalty and interest on the
difference between the minimum amount due as a payment and the amount
of such payment actually and timely paid, except insofar as such person
has previously made payments for that month to the Department in excess
of the minimum payments previously due.

If the Director finds that the information required for the making of
an accurate return cannot reasonably be compiled by a self-assessing
purchaser within 15 days after the close of the calendar month for which a
return is to be made, the Director may grant an extension of time for the
filing of such return for a period of not to exceed 31 calendar days. The
granting of such an extension may be conditioned upon the deposit by
such self-assessing purchaser with the Department of an amount of money
not exceeding the amount estimated by the Director to be due with the
return so extended. All such deposits shall be credited against such self-
assessing purchaser's liabilities under this Law. If the deposit exceeds such

self-assessing purchaser's present and probable future liabilities under this Law, the Department shall issue to such self-assessing purchaser a credit memorandum, which may be assigned by such self-assessing purchaser to a similar person under this Law, in accordance with reasonable rules and regulations to be prescribed by the Department.

The self-assessing purchaser making the return provided for in this Section shall, at the time of making such return, pay to the Department the amount of tax imposed by this Law.

Until October 1, 2002, a self-assessing purchaser who has an average monthly tax liability of $10,000 or more shall make all payments required by rules of the Department by electronic funds transfer. The term "average monthly tax liability" shall be the sum of the self-assessing purchaser's liabilities under this Law for the immediately preceding calendar year divided by 12. Beginning on October 1, 2002, a taxpayer who has a tax liability in the amount set forth in subsection (b) of Section 2505-210 of the Department of Revenue Law shall make all payments required by rules of the Department by electronic funds transfer. Any self-assessing purchaser not required to make payments by electronic funds transfer may make payments by electronic funds transfer with the permission of the Department. All self-assessing purchasers required to make payments by electronic funds transfer and any self-assessing purchasers authorized to voluntarily make payments by electronic funds transfer shall make those payments in the manner authorized by the Department.

If any payment provided for in this Section exceeds the self-assessing purchaser's liabilities under this Act, as shown on an original return, the Department may authorize the self-assessing purchaser to credit such excess payment against liability subsequently to be remitted to the Department under this Act, in accordance with reasonable rules adopted by the Department.

Through June 30, 2004, each month the Department shall pay into the Public Utility Fund in the State treasury an amount determined by the Director to be equal to 3.0% of the funds received by the Department pursuant to this Section. Through June 30, 2004, the remainder of all moneys received by the Department under this Section shall be paid into the General Revenue Fund in the State treasury. Beginning on July 1, 2004, of the 3% of the funds received pursuant to this Section, each month the Department shall pay $416,667 into the General Revenue Fund and the balance shall be paid into the Public Utility Fund in the State treasury.

Section 103. The Innovation Development and Economy Act is amended by changing Section 31 as follows:

(50 ILCS 470/31)

Sec. 31. STAR bond occupation taxes.

(a) If the corporate authorities of a political subdivision have established a STAR bond district and have elected to impose a tax by ordinance pursuant to subsection (b) or (c) of this Section, each year after the date of the adoption of the ordinance and until all STAR bond project costs and all political subdivision obligations financing the STAR bond project costs, if any, have been paid in accordance with the STAR bond project plans, but in no event longer than the maximum maturity date of the last of the STAR bonds issued for projects in the STAR bond district, all amounts generated by the retailers' occupation tax and service occupation tax shall be collected and the tax shall be enforced by the Department of Revenue in the same manner as all retailers' occupation taxes and service occupation taxes imposed in the political subdivision imposing the tax. The corporate authorities of the political subdivision shall deposit the proceeds of the taxes imposed under subsections (b) and (c) into either (i) a special fund held by the corporate authorities of the political subdivision called the STAR Bonds Tax Allocation Fund for the purpose of paying STAR bond project costs and obligations incurred in the payment of those costs if such taxes are designated as pledged STAR revenues by resolution or ordinance of the political subdivision or (ii) the political subdivision's general corporate fund if such taxes are not designated as pledged STAR revenues by resolution or ordinance.

The tax imposed under this Section by a municipality may be imposed only on the portion of a STAR bond district that is within the boundaries of the municipality. For any part of a STAR bond district that lies outside of the boundaries of that municipality, the municipality in which the other part of the STAR bond district lies (or the county, in cases where a portion of the STAR bond district lies in the unincorporated area of a county) is authorized to impose the tax under this Section on that part of the STAR bond district.

(b) The corporate authorities of a political subdivision that has established a STAR bond district under this Act may, by ordinance or resolution, impose a STAR Bond Retailers' Occupation Tax upon all persons engaged in the business of selling tangible personal property, other than an item of tangible personal property titled or registered with an
agency of this State's government, at retail in the STAR bond district at a rate not to exceed 1% of the gross receipts from the sales made in the course of that business, to be imposed only in 0.25% increments. The tax may not be imposed on tangible personal property taxed at the 1% rate under the Retailers' Occupation Tax Act food for human consumption that is to be consumed off the premises where it is sold (other than alcoholic beverages, soft drinks, and food that has been prepared for immediate consumption), prescription and nonprescription medicines, drugs, medical appliances, modifications to a motor vehicle for the purpose of rendering it usable by a person with a disability, and insulin, urine testing materials, syringes, and needles used by diabetics, for human use.

The tax imposed under this subsection and all civil penalties that may be assessed as an incident thereof shall be collected and enforced by the Department of Revenue. The certificate of registration that is issued by the Department to a retailer under the Retailers' Occupation Tax Act shall permit the retailer to engage in a business that is taxable under any ordinance or resolution enacted pursuant to this subsection without registering separately with the Department under such ordinance or resolution or under this subsection. The Department of Revenue shall have full power to administer and enforce this subsection, to collect all taxes and penalties due under this subsection in the manner hereinafter provided, and to determine all rights to credit memoranda arising on account of the erroneous payment of tax or penalty under this subsection. In the administration of, and compliance with, this subsection, the Department and persons who are subject to this subsection shall have the same rights, remedies, privileges, immunities, powers, and duties, and be subject to the same conditions, restrictions, limitations, penalties, exclusions, exemptions, and definitions of terms and employ the same modes of procedure, as are prescribed in Sections 1, 1a through 1o, 2 through 2-65 (in respect to all provisions therein other than the State rate of tax), 2c through 2h, 3 (except as to the disposition of taxes and penalties collected), 4, 5, 5a, 5b, 5c, 5d, 5e, 5f, 5g, 5i, 5j, 5k, 5l, 6, 6a, 6b, 6c, 7, 8, 9, 10, 11, 12, 13, and 14 of the Retailers' Occupation Tax Act and all provisions of the Uniform Penalty and Interest Act, as fully as if those provisions were set forth herein.

If a tax is imposed under this subsection (b), a tax shall also be imposed under subsection (c) of this Section.

(c) If a tax has been imposed under subsection (b), a STAR Bond Service Occupation Tax shall also be imposed upon all persons engaged,
in the STAR bond district, in the business of making sales of service, who, as an incident to making those sales of service, transfer tangible personal property within the STAR bond district, either in the form of tangible personal property or in the form of real estate as an incident to a sale of service. The tax shall be imposed at the same rate as the tax imposed in subsection (b) and shall not exceed 1% of the selling price of tangible personal property so transferred within the STAR bond district, to be imposed only in 0.25% increments. The tax may not be imposed on tangible personal property taxed at the 1% rate under the Service Occupation Tax Act food for human consumption that is to be consumed off the premises where it is sold (other than alcoholic beverages, soft drinks, and food that has been prepared for immediate consumption); prescription and nonprescription medicines, drugs, medical appliances, modifications to a motor vehicle for the purpose of rendering it usable by a person with a disability, and insulin, urine testing materials, syringes, and needles used by diabetics, for human use.

The tax imposed under this subsection and all civil penalties that may be assessed as an incident thereof shall be collected and enforced by the Department of Revenue. The certificate of registration that is issued by the Department to a retailer under the Retailers' Occupation Tax Act or under the Service Occupation Tax Act shall permit the registrant to engage in a business that is taxable under any ordinance or resolution enacted pursuant to this subsection without registering separately with the Department under that ordinance or resolution or under this subsection. The Department of Revenue shall have full power to administer and enforce this subsection, to collect all taxes and penalties due under this subsection, to dispose of taxes and penalties so collected in the manner hereinafter provided, and to determine all rights to credit memoranda arising on account of the erroneous payment of tax or penalty under this subsection. In the administration of, and compliance with this subsection, the Department and persons who are subject to this subsection shall have the same rights, remedies, privileges, immunities, powers, and duties, and be subject to the same conditions, restrictions, limitations, penalties, exclusions, exemptions, and definitions of terms and employ the same modes of procedure as are prescribed in Sections 2, 2a through 2d, 3 through 3-50 (in respect to all provisions therein other than the State rate of tax), 4 (except that the reference to the State shall be to the STAR bond district), 5, 7, 8 (except that the jurisdiction to which the tax shall be a debt to the extent indicated in that Section 8 shall be the political subdivision),

9 (except as to the disposition of taxes and penalties collected, and except
that the returned merchandise credit for this tax may not be taken against
any State tax), 10, 11, 12 (except the reference therein to Section 2b of the
Retailers' Occupation Tax Act), 13 (except that any reference to the State
shall mean the political subdivision), the first paragraph of Section 15, and
Sections 16, 17, 18, 19 and 20 of the Service Occupation Tax Act and all
provisions of the Uniform Penalty and Interest Act, as fully as if those
provisions were set forth herein.

If a tax is imposed under this subsection (c), a tax shall also be
imposed under subsection (b) of this Section.

(d) Persons subject to any tax imposed under this Section may
reimburse themselves for their seller's tax liability under this Section by
separately stating the tax as an additional charge, which charge may be
stated in combination, in a single amount, with State taxes that sellers are
required to collect under the Use Tax Act, in accordance with such bracket
schedules as the Department may prescribe.

Whenever the Department determines that a refund should be made
under this Section to a claimant instead of issuing a credit memorandum,
the Department shall notify the State Comptroller, who shall cause the
order to be drawn for the amount specified and to the person named in the
notification from the Department. The refund shall be paid by the State
Treasurer out of the STAR Bond Retailers' Occupation Tax Fund.

The Department shall immediately pay over to the State Treasurer,
ex officio, as trustee, all taxes, penalties, and interest collected under this
Section for deposit into the STAR Bond Retailers' Occupation Tax Fund.
On or before the 25th day of each calendar month, the Department shall
prepare and certify to the Comptroller the disbursement of stated sums of
money to named political subdivisions from the STAR Bond Retailers'
Occupation Tax Fund, the political subdivisions to be those from which
retailers have paid taxes or penalties under this Section to the Department
during the second preceding calendar month. The amount to be paid to
each political subdivision shall be the amount (not including credit
memoranda) collected under this Section during the second preceding
calendar month by the Department plus an amount the Department
determines is necessary to offset any amounts that were erroneously paid
to a different taxing body, and not including an amount equal to the
amount of refunds made during the second preceding calendar month by
the Department, less 3% of that amount, which shall be deposited into the
Tax Compliance and Administration Fund and shall be used by the

Department, subject to appropriation, to cover the costs of the Department in administering and enforcing the provisions of this Section, on behalf of such political subdivision, and not including any amount that the Department determines is necessary to offset any amounts that were payable to a different taxing body but were erroneously paid to the political subdivision. Within 10 days after receipt by the Comptroller of the disbursement certification to the political subdivisions provided for in this Section to be given to the Comptroller by the Department, the Comptroller shall cause the orders to be drawn for the respective amounts in accordance with the directions contained in the certification. The proceeds of the tax paid to political subdivisions under this Section shall be deposited into either (i) the STAR Bonds Tax Allocation Fund by the political subdivision if the political subdivision has designated them as pledged STAR revenues by resolution or ordinance or (ii) the political subdivision's general corporate fund if the political subdivision has not designated them as pledged STAR revenues.

An ordinance or resolution imposing or discontinuing the tax under this Section or effecting a change in the rate thereof shall either (i) be adopted and a certified copy thereof filed with the Department on or before the first day of April, whereupon the Department, if all other requirements of this Section are met, shall proceed to administer and enforce this Section as of the first day of July next following the adoption and filing; or (ii) be adopted and a certified copy thereof filed with the Department on or before the first day of October, whereupon, if all other requirements of this Section are met, the Department shall proceed to administer and enforce this Section as of the first day of January next following the adoption and filing.

The Department of Revenue shall not administer or enforce an ordinance imposing, discontinuing, or changing the rate of the tax under this Section until the political subdivision also provides, in the manner prescribed by the Department, the boundaries of the STAR bond district and each address in the STAR bond district in such a way that the Department can determine by its address whether a business is located in the STAR bond district. The political subdivision must provide this boundary and address information to the Department on or before April 1 for administration and enforcement of the tax under this Section by the Department beginning on the following July 1 and on or before October 1 for administration and enforcement of the tax under this Section by the Department beginning on the following January 1. The Department of

Revenue shall not administer or enforce any change made to the boundaries of a STAR bond district or any address change, addition, or deletion until the political subdivision reports the boundary change or address change, addition, or deletion to the Department in the manner prescribed by the Department. The political subdivision must provide this boundary change or address change, addition, or deletion information to the Department on or before April 1 for administration and enforcement by the Department of the change, addition, or deletion beginning on the following July 1 and on or before October 1 for administration and enforcement by the Department of the change, addition, or deletion beginning on the following January 1. The retailers in the STAR bond district shall be responsible for charging the tax imposed under this Section. If a retailer is incorrectly included or excluded from the list of those required to collect the tax under this Section, both the Department of Revenue and the retailer shall be held harmless if they reasonably relied on information provided by the political subdivision.

A political subdivision that imposes the tax under this Section must submit to the Department of Revenue any other information as the Department may require that is necessary for the administration and enforcement of the tax.

When certifying the amount of a monthly disbursement to a political subdivision under this Section, the Department shall increase or decrease the amount by an amount necessary to offset any misallocation of previous disbursements. The offset amount shall be the amount erroneously disbursed within the previous 6 months from the time a misallocation is discovered.

Nothing in this Section shall be construed to authorize the political subdivision to impose a tax upon the privilege of engaging in any business which under the Constitution of the United States may not be made the subject of taxation by this State.

(e) When STAR bond project costs, including, without limitation, all political subdivision obligations financing STAR bond project costs, have been paid, any surplus funds then remaining in the STAR Bonds Tax Allocation Fund shall be distributed to the treasurer of the political subdivision for deposit into the political subdivision's general corporate fund. Upon payment of all STAR bond project costs and retirement of obligations, but in no event later than the maximum maturity date of the last of the STAR bonds issued in the STAR bond district, the political subdivision shall adopt an ordinance immediately rescinding the taxes

Section 105. The Counties Code is amended by changing Sections 5-1006, 5-1006.5, 5-1006.7, 5-1007, and 5-1008.5 as follows:

(55 ILCS 5/5-1006) (from Ch. 34, par. 5-1006)

Sec. 5-1006. Home Rule County Retailers' Occupation Tax Law. Any county that is a home rule unit may impose a tax upon all persons engaged in the business of selling tangible personal property, other than an item of tangible personal property titled or registered with an agency of this State's government, at retail in the county on the gross receipts from such sales made in the course of their business. If imposed, this tax shall only be imposed in 1/4% increments. On and after September 1, 1991, this additional tax may not be imposed on tangible personal property taxed at the 1% rate under the Retailers' Occupation Tax Act for the sales of food for human consumption which is to be consumed off the premises where it is sold (other than alcoholic beverages, soft drinks and food which has been prepared for immediate consumption) and prescription and nonprescription medicines, drugs, medical appliances and insulin, urine testing materials, syringes and needles used by diabetics. The tax imposed by a home rule county pursuant to this Section and all civil penalties that may be assessed as an incident thereof shall be collected and enforced by the State Department of Revenue. The certificate of registration that is issued by the Department to a retailer under the Retailers' Occupation Tax Act shall permit the retailer to engage in a business that is taxable under any ordinance or resolution enacted pursuant to this Section without registering separately with the Department under such ordinance or resolution or under this Section. The Department shall have full power to administer and enforce this Section; to collect all taxes and penalties due hereunder; to dispose of taxes and penalties so collected in the manner hereinafter provided; and to determine all rights to credit memoranda arising on account of the erroneous payment of tax or penalty hereunder. In the administration of, and compliance with, this Section, the Department and persons who are subject to this Section shall have the same rights, remedies, privileges, immunities, powers and duties, and be subject to the same conditions, restrictions, limitations, penalties and definitions of terms, and employ the same modes of procedure, as are prescribed in Sections 1, 1a, 1a-1, 1d, 1e, 1f, 1i, 1j, 1k, 1m, 1n, 2 through 2-65 (in respect to all provisions therein other than the State rate of tax), 4,
5, 5a, 5b, 5c, 5d, 5f, 5g, 5h, 5i, 5j, 5k, 6, 6a, 6b, 6c, 6d, 7, 8, 9, 10, 11, 12 and 13 of the Retailers' Occupation Tax Act and Section 3-7 of the Uniform Penalty and Interest Act, as fully as if those provisions were set forth herein.

No tax may be imposed by a home rule county pursuant to this Section unless the county also imposes a tax at the same rate pursuant to Section 5-1007.

Persons subject to any tax imposed pursuant to the authority granted in this Section may reimburse themselves for their seller's tax liability hereunder by separately stating such tax as an additional charge, which charge may be stated in combination, in a single amount, with State tax which sellers are required to collect under the Use Tax Act, pursuant to such bracket schedules as the Department may prescribe.

Whenever the Department determines that a refund should be made under this Section to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause the order to be drawn for the amount specified and to the person named in the notification from the Department. The refund shall be paid by the State Treasurer out of the home rule county retailers' occupation tax fund.

The Department shall forthwith pay over to the State Treasurer, ex officio, as trustee, all taxes and penalties collected hereunder.

As soon as possible after the first day of each month, beginning January 1, 2011, upon certification of the Department of Revenue, the Comptroller shall order transferred, and the Treasurer shall transfer, to the STAR Bonds Revenue Fund the local sales tax increment, as defined in the Innovation Development and Economy Act, collected under this Section during the second preceding calendar month for sales within a STAR bond district.

After the monthly transfer to the STAR Bonds Revenue Fund, on or before the 25th day of each calendar month, the Department shall prepare and certify to the Comptroller the disbursement of stated sums of money to named counties, the counties to be those from which retailers have paid taxes or penalties hereunder to the Department during the second preceding calendar month. The amount to be paid to each county shall be the amount (not including credit memoranda) collected hereunder during the second preceding calendar month by the Department plus an amount the Department determines is necessary to offset any amounts that were erroneously paid to a different taxing body, and not including an amount equal to the amount of refunds made during the second preceding

calendar month by the Department on behalf of such county, and not including any amount which the Department determines is necessary to offset any amounts which were payable to a different taxing body but were erroneously paid to the county, and not including any amounts that are transferred to the STAR Bonds Revenue Fund, less 2% of the remainder, which the Department shall transfer into the Tax Compliance and Administration Fund. The Department, at the time of each monthly disbursement to the counties, shall prepare and certify to the State Comptroller the amount to be transferred into the Tax Compliance and Administration Fund under this Section. Within 10 days after receipt, by the Comptroller, of the disbursement certification to the counties and the Tax Compliance and Administration Fund provided for in this Section to be given to the Comptroller by the Department, the Comptroller shall cause the orders to be drawn for the respective amounts in accordance with the directions contained in the certification.

In addition to the disbursement required by the preceding paragraph, an allocation shall be made in March of each year to each county that received more than $500,000 in disbursements under the preceding paragraph in the preceding calendar year. The allocation shall be in an amount equal to the average monthly distribution made to each such county under the preceding paragraph during the preceding calendar year (excluding the 2 months of highest receipts). The distribution made in March of each year subsequent to the year in which an allocation was made pursuant to this paragraph and the preceding paragraph shall be reduced by the amount allocated and disbursed under this paragraph in the preceding calendar year. The Department shall prepare and certify to the Comptroller for disbursement the allocations made in accordance with this paragraph.

For the purpose of determining the local governmental unit whose tax is applicable, a retail sale by a producer of coal or other mineral mined in Illinois is a sale at retail at the place where the coal or other mineral mined in Illinois is extracted from the earth. This paragraph does not apply to coal or other mineral when it is delivered or shipped by the seller to the purchaser at a point outside Illinois so that the sale is exempt under the United States Constitution as a sale in interstate or foreign commerce.

Nothing in this Section shall be construed to authorize a county to impose a tax upon the privilege of engaging in any business which under the Constitution of the United States may not be made the subject of taxation by this State.

An ordinance or resolution imposing or discontinuing a tax hereunder or effecting a change in the rate thereof shall be adopted and a certified copy thereof filed with the Department on or before the first day of June, whereupon the Department shall proceed to administer and enforce this Section as of the first day of September next following such adoption and filing. Beginning January 1, 1992, an ordinance or resolution imposing or discontinuing the tax hereunder or effecting a change in the rate thereof shall be adopted and a certified copy thereof filed with the Department on or before the first day of July, whereupon the Department shall proceed to administer and enforce this Section as of the first day of October next following such adoption and filing. Beginning January 1, 1993, an ordinance or resolution imposing or discontinuing the tax hereunder or effecting a change in the rate thereof shall be adopted and a certified copy thereof filed with the Department on or before the first day of October, whereupon the Department shall proceed to administer and enforce this Section as of the first day of January next following such adoption and filing. Beginning April 1, 1998, an ordinance or resolution imposing or discontinuing the tax hereunder or effecting a change in the rate thereof shall either (i) be adopted and a certified copy thereof filed with the Department on or before the first day of April, whereupon the Department shall proceed to administer and enforce this Section as of the first day of July next following the adoption and filing; or (ii) be adopted and a certified copy thereof filed with the Department on or before the first day of October, whereupon the Department shall proceed to administer and enforce this Section as of the first day of January next following the adoption and filing.

When certifying the amount of a monthly disbursement to a county under this Section, the Department shall increase or decrease such amount by an amount necessary to offset any misallocation of previous disbursements. The offset amount shall be the amount erroneously disbursed within the previous 6 months from the time a misallocation is discovered.

Sec. 5-1006.5. Special County Retailers' Occupation Tax For Public Safety, Public Facilities, or Transportation.

New matter indicated by italics - deletions by strikeout
(a) The county board of any county may impose a tax upon all persons engaged in the business of selling tangible personal property, other than personal property titled or registered with an agency of this State's government, at retail in the county on the gross receipts from the sales made in the course of business to provide revenue to be used exclusively for public safety, public facility, or transportation purposes in that county, if a proposition for the tax has been submitted to the electors of that county and approved by a majority of those voting on the question. If imposed, this tax shall be imposed only in one-quarter percent increments. By resolution, the county board may order the proposition to be submitted at any election. If the tax is imposed for transportation purposes for expenditures for public highways or as authorized under the Illinois Highway Code, the county board must publish notice of the existence of its long-range highway transportation plan as required or described in Section 5-301 of the Illinois Highway Code and must make the plan publicly available prior to approval of the ordinance or resolution imposing the tax. If the tax is imposed for transportation purposes for expenditures for passenger rail transportation, the county board must publish notice of the existence of its long-range passenger rail transportation plan and must make the plan publicly available prior to approval of the ordinance or resolution imposing the tax.

If a tax is imposed for public facilities purposes, then the name of the project may be included in the proposition at the discretion of the county board as determined in the enabling resolution. For example, the "XXX Nursing Home" or the "YYY Museum".

The county clerk shall certify the question to the proper election authority, who shall submit the proposition at an election in accordance with the general election law.

(1) The proposition for public safety purposes shall be in substantially the following form:

"To pay for public safety purposes, shall (name of county) be authorized to impose an increase on its share of local sales taxes by (insert rate)?"

As additional information on the ballot below the question shall appear the following:

"This would mean that a consumer would pay an additional (insert amount) in sales tax for every $100 of tangible personal property bought at retail."

New matter indicated by italics - deletions by strikeout
The county board may also opt to establish a sunset provision at which time the additional sales tax would cease being collected, if not terminated earlier by a vote of the county board. If the county board votes to include a sunset provision, the proposition for public safety purposes shall be in substantially the following form:

"To pay for public safety purposes, shall (name of county) be authorized to impose an increase on its share of local sales taxes by (insert rate) for a period not to exceed (insert number of years)?"

As additional information on the ballot below the question shall appear the following:

"This would mean that a consumer would pay an additional (insert amount) in sales tax for every $100 of tangible personal property bought at retail. If imposed, the additional tax would cease being collected at the end of (insert number of years), if not terminated earlier by a vote of the county board."

For the purposes of the paragraph, "public safety purposes" means crime prevention, detention, fire fighting, police, medical, ambulance, or other emergency services.

Votes shall be recorded as "Yes" or "No".

Beginning on the January 1 or July 1, whichever is first, that occurs not less than 30 days after May 31, 2015 (the effective date of Public Act 99-4), Adams County may impose a public safety retailers' occupation tax and service occupation tax at the rate of 0.25%, as provided in the referendum approved by the voters on April 7, 2015, notwithstanding the omission of the additional information that is otherwise required to be printed on the ballot below the question pursuant to this item (1).

(2) The proposition for transportation purposes shall be in substantially the following form:

"To pay for improvements to roads and other transportation purposes, shall (name of county) be authorized to impose an increase on its share of local sales taxes by (insert rate)?"

As additional information on the ballot below the question shall appear the following:

"This would mean that a consumer would pay an additional (insert amount) in sales tax for every $100 of tangible personal property bought at retail."

If imposed, the additional tax would cease being collected at the end of (insert number of years), if not terminated earlier by a vote of the county board."

For the purposes of this paragraph, transportation purposes means construction, maintenance, operation, and improvement of public highways, any other purpose for which a county may expend funds under the Illinois Highway Code, and passenger rail transportation.

The votes shall be recorded as "Yes" or "No".

Persons subject to any tax imposed under the authority granted in this subsection may reimburse themselves for their seller's tax liability by separately stating that tax as an additional charge, which may be stated in combination, in a single amount, with State tax that sellers are required to collect under the Use Tax Act, pursuant to any bracketed schedules set forth by the Department.

(b) If a tax has been imposed under subsection (a), then a service occupation tax must also be imposed at the same rate upon all persons engaged, in the county, in the business of making sales of service, who, as an incident to making those sales of service, transfer tangible personal property within the county as an incident to a sale of service.

This tax may not be imposed on tangible personal property taxed at the 1% rate under the Service Occupation Tax Act sales of food for human consumption that is to be consumed off the premises where it is sold (other than alcoholic beverages, soft drinks, and food prepared for immediate consumption) and prescription and non-prescription medicines, drugs, medical appliances and insulin, urine testing materials, syringes, and needles used by diabetics.

The tax imposed under this subsection and all civil penalties that may be assessed as an incident thereof shall be collected and enforced by the Department and deposited into a special fund created for that purpose. and to determine all rights to credit memoranda arising on account of the erroneous payment of a tax or penalty under this subsection.

In the administration of and compliance with this subsection, the Department and persons who are subject to this subsection shall (i) have the same rights, remedies, privileges, immunities, powers and duties, (ii) be subject to the same conditions, restrictions, limitations, penalties and definition of terms, and (iii) employ the same modes of procedure as are set forth in Sections 2 (except that that reference to State in the definition of supplier maintaining a place of business in this State means the county), 2a through 2d, 3 through 3-50 (in respect to all provisions contained in those Sections other than the State rate of tax), 4 (except that the reference to the State shall be to the county), 5, 7, 8 (except that the jurisdiction to which the tax is a debt to the extent indicated in that Section 8 is the county), 9 (except as to the disposition of taxes and penalties collected), 10, 11, 12 (except the reference therein to Section 2b of the Retailers’ Occupation Tax Act), 13 (except that any reference to the State means the county), Section 15, 16, 17, 18, 19, and 20 of the Service Occupation Tax Act and all provisions of the Uniform Penalty and Interest Act, as fully as if those provisions were set forth herein.

(c) The tax under this Section may not be imposed until the question of imposing the tax has been submitted to the electors of the county at a regular election and approved by a majority of the electors voting on the question. For all regular elections held prior to August 23, 2011 (the effective date of Public Act 97-542), upon a resolution by the county board or a resolution by school district boards that represent at least 51% of the student enrollment within the county, the county board must certify the question to the proper election authority in accordance with the Election Code.

For all regular elections held prior to August 23, 2011 (the effective date of Public Act 97-542), the election authority must submit the question in substantially the following form:

Shall (name of county) be authorized to impose a retailers' occupation tax and a service occupation tax (commonly referred to as

as a "sales tax") at a rate of (insert rate) to be used exclusively for school facility purposes? The election authority must record the votes as "Yes" or "No".

If a majority of the electors voting on the question vote in the affirmative, then the county may, thereafter, impose the tax.

For all regular elections held on or after August 23, 2011 (the effective date of Public Act 97-542), the regional superintendent of schools for the county must, upon receipt of a resolution or resolutions of school district boards that represent more than 50% of the student enrollment within the county, certify the question to the proper election authority for submission to the electors of the county at the next regular election at which the question lawfully may be submitted to the electors, all in accordance with the Election Code.

For all regular elections held on or after August 23, 2011 (the effective date of Public Act 97-542), the election authority must submit the question in substantially the following form:

The election authority must record the votes as "Yes" or "No".

If a majority of the electors voting on the question vote in the affirmative, then the tax shall be imposed at the rate set forth in the question.

For the purposes of this subsection (c), "enrollment" means the head count of the students residing in the county on the last school day of September of each year, which must be reported on the Illinois State Board of Education Public School Fall Enrollment/Housing Report.

(d) The Department shall immediately pay over to the State Treasurer, ex officio, as trustee, all taxes and penalties collected under this Section to be deposited into the School Facility Occupation Tax Fund, which shall be an unappropriated trust fund held outside the State treasury.

On or before the 25th day of each calendar month, the Department shall prepare and certify to the Comptroller the disbursement of stated sums of money to the regional superintendents of schools in counties from which retailers or servicemen have paid taxes or penalties to the Department during the second preceding calendar month. The amount to be paid to each regional superintendent of schools and disbursed to him or her in accordance with Section 3-14.31 of the School Code, is equal to the

amount (not including credit memoranda) collected from the county under this Section during the second preceding calendar month by the Department, (i) less 2% of that amount, which shall be deposited into the Tax Compliance and Administration Fund and shall be used by the Department, subject to appropriation, to cover the costs of the Department in administering and enforcing the provisions of this Section, on behalf of the county, (ii) plus an amount that the Department determines is necessary to offset any amounts that were erroneously paid to a different taxing body; (iii) less an amount equal to the amount of refunds made during the second preceding calendar month by the Department on behalf of the county; and (iv) less any amount that the Department determines is necessary to offset any amounts that were payable to a different taxing body but were erroneously paid to the county. When certifying the amount of a monthly disbursement to a regional superintendent of schools under this Section, the Department shall increase or decrease the amounts by an amount necessary to offset any miscalculation of previous disbursements within the previous 6 months from the time a miscalculation is discovered.

Within 10 days after receipt by the Comptroller from the Department of the disbursement certification to the regional superintendents of the schools provided for in this Section, the Comptroller shall cause the orders to be drawn for the respective amounts in accordance with directions contained in the certification.

If the Department determines that a refund should be made under this Section to a claimant instead of issuing a credit memorandum, then the Department shall notify the Comptroller, who shall cause the order to be drawn for the amount specified and to the person named in the notification from the Department. The refund shall be paid by the Treasurer out of the School Facility Occupation Tax Fund.

Constitution of the United States may not be made the subject of taxation by this State.

(g) If a county board imposes a tax under this Section pursuant to a referendum held before August 23, 2011 (the effective date of Public Act 97-542) at a rate below the rate set forth in the question approved by a majority of electors of that county voting on the question as provided in subsection (c), then the county board may, by ordinance, increase the rate of the tax up to the rate set forth in the question approved by a majority of electors of that county voting on the question as provided in subsection (c). If a county board imposes a tax under this Section pursuant to a referendum held before August 23, 2011 (the effective date of Public Act 97-542), then the board may, by ordinance, discontinue or reduce the rate of the tax. If a tax is imposed under this Section pursuant to a referendum held on or after August 23, 2011 (the effective date of Public Act 97-542), then the county board may reduce or discontinue the tax, but only in accordance with subsection (h-5) of this Section. If, however, a school board issues bonds that are secured by the proceeds of the tax under this Section, then the county board may not reduce the tax rate or discontinue the tax if that rate reduction or discontinuance would adversely affect the school board's ability to pay the principal and interest on those bonds as they become due or necessitate the extension of additional property taxes to pay the principal and interest on those bonds. If the county board reduces the tax rate or discontinues the tax, then a referendum must be held in accordance with subsection (c) of this Section in order to increase the rate of the tax or to reimpose the discontinued tax.

Until January 1, 2014, the results of any election that imposes, reduces, or discontinues a tax under this Section must be certified by the election authority, and any ordinance that increases or lowers the rate or discontinues the tax must be certified by the county clerk and, in each case, filed with the Illinois Department of Revenue either (i) on or before the first day of April, whereupon the Department shall proceed to administer and enforce the tax or change in the rate as of the first day of July next following the filing; or (ii) on or before the first day of October, whereupon the Department shall proceed to administer and enforce the tax or change in the rate as of the first day of January next following the filing.

Beginning January 1, 2014, the results of any election that imposes, reduces, or discontinues a tax under this Section must be certified by the election authority, and any ordinance that increases or lowers the rate or discontinues the tax must be certified by the county clerk and, in each
case, filed with the Illinois Department of Revenue either (i) on or before the first day of May, whereupon the Department shall proceed to administer and enforce the tax or change in the rate as of the first day of July next following the filing; or (ii) on or before the first day of October, whereupon the Department shall proceed to administer and enforce the tax or change in the rate as of the first day of January next following the filing.

(h) For purposes of this Section, "school facility purposes" means (i) the acquisition, development, construction, reconstruction, rehabilitation, improvement, financing, architectural planning, and installation of capital facilities consisting of buildings, structures, and durable equipment and for the acquisition and improvement of real property and interest in real property required, or expected to be required, in connection with the capital facilities and (ii) the payment of bonds or other obligations heretofore or hereafter issued, including bonds or other obligations heretofore or hereafter issued to refund or to continue to refund bonds or other obligations issued, for school facility purposes, provided that the taxes levied to pay those bonds are abated by the amount of the taxes imposed under this Section that are used to pay those bonds. "School-facility purposes" also includes fire prevention, safety, energy conservation, accessibility, school security, and specified repair purposes set forth under Section 17-2.11 of the School Code.

(h-5) A county board in a county where a tax has been imposed under this Section pursuant to a referendum held on or after August 23, 2011 (the effective date of Public Act 97-542) may, by ordinance or resolution, submit to the voters of the county the question of reducing or discontinuing the tax. In the ordinance or resolution, the county board shall certify the question to the proper election authority in accordance with the Election Code. The election authority must submit the question in substantially the following form:

Shall the school facility retailers' occupation tax and service occupation tax (commonly referred to as the "school facility sales tax") currently imposed in (name of county) at a rate of (insert rate) be (reduced to (insert rate))(discontinued)? If a majority of the electors voting on the question vote in the affirmative, then, subject to the provisions of subsection (g) of this Section, the tax shall be reduced or discontinued as set forth in the question.

Interest Act, as fully as if those provisions were set forth herein.

No tax may be imposed by a home rule county pursuant to this
Section unless such county also imposes a tax at the same rate pursuant to
Section 5-1006.

Persons subject to any tax imposed pursuant to the authority
granted in this Section may reimburse themselves for their serviceman's
tax liability hereunder by separately stating such tax as an additional
charge, which charge may be stated in combination, in a single amount,
with State tax which servicemen are authorized to collect under the
Service Use Tax Act, pursuant to such bracket schedules as the
Department may prescribe.

Whenever the Department determines that a refund should be made
under this Section to a claimant instead of issuing credit memorandum, the
Department shall notify the State Comptroller, who shall cause the order to
be drawn for the amount specified, and to the person named, in such
notification from the Department. Such refund shall be paid by the State
Treasurer out of the home rule county retailers' occupation tax fund.

The Department shall forthwith pay over to the State Treasurer, ex-
officio, as trustee, all taxes and penalties collected hereunder.

As soon as possible after the first day of each month, beginning
January 1, 2011, upon certification of the Department of Revenue, the
Comptroller shall order transferred, and the Treasurer shall transfer, to the
STAR Bonds Revenue Fund the local sales tax increment, as defined in
the Innovation Development and Economy Act, collected under this
Section during the second preceding calendar month for sales within a
STAR bond district.

After the monthly transfer to the STAR Bonds Revenue Fund, on
or before the 25th day of each calendar month, the Department shall
prepare and certify to the Comptroller the disbursement of stated sums of
money to named counties, the counties to be those from which suppliers
and servicemen have paid taxes or penalties hereunder to the Department

The Department, at the time of each monthly disbursement to the counties, shall prepare and certify to the State Comptroller the amount to be transferred into the Tax Compliance and Administration Fund under this Section. Within 10 days after receipt, by the Comptroller, of the disbursement certification to the counties and the Tax Compliance and Administration Fund provided for in this Section to be given to the Comptroller by the Department, the Comptroller shall cause the orders to be drawn for the respective amounts in accordance with the directions contained in such certification.

In addition to the disbursement required by the preceding paragraph, an allocation shall be made in each year to each county which received more than $500,000 in disbursements under the preceding paragraph in the preceding calendar year. The allocation shall be in an amount equal to the average monthly distribution made to each such county under the preceding paragraph during the preceding calendar year (excluding the 2 months of highest receipts). The distribution made in March of each year subsequent to the year in which an allocation was made pursuant to this paragraph and the preceding paragraph shall be reduced by the amount allocated and disbursed under this paragraph in the preceding calendar year. The Department shall prepare and certify to the Comptroller for disbursement the allocations made in accordance with this paragraph.

Nothing in this Section shall be construed to authorize a county to impose a tax upon the privilege of engaging in any business which under the Constitution of the United States may not be made the subject of taxation by this State.

(b) The county shall impose the retailers' occupation tax upon all persons engaged in the business of selling tangible personal property at retail in the county, at the rate approved by referendum, on the gross receipts from the sales made in the course of those businesses within the county. Whenever the Department determines that a refund should be made under this subsection to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause the warrant to be drawn for the amount specified, and to the person named, in the notification from the Department. The refund shall be paid by the State Treasurer out of the tax fund referenced under paragraph (g) of this Section.

If a tax is imposed under this subsection (b), a tax shall also be imposed at the same rate under subsections (c) and (d) of this Section.

For the purpose of determining whether a tax authorized under this Section is applicable, a retail sale, by a producer of coal or another mineral mined in Illinois, is a sale at retail at the place where the coal or other mineral mined in Illinois is extracted from the earth. This paragraph does not apply to coal or another mineral when it is delivered or shipped by the seller to the purchaser at a point outside Illinois so that the sale is exempt under the federal Constitution as a sale in interstate or foreign commerce.

Nothing in this Section shall be construed to authorize the county to impose a tax upon the privilege of engaging in any business that under the Constitution of the United States may not be made the subject of taxation by this State.

(c) If a tax has been imposed under subsection (b), a service occupation tax shall also be imposed at the same rate upon all persons engaged, in the county, in the business of making sales of service, who, as an incident to making those sales of service, transfer tangible personal property within the county as an incident to a sale of service. In the administration of, and compliance with this paragraph, the Department and persons who are subject to this paragraph shall (i) have the same rights, remedies, privileges, immunities, powers, and duties, (ii) be subject to the same conditions, restrictions, limitations, penalties, exclusions, exemptions, and definitions of terms, and (iii) employ the same modes of procedure as are prescribed in Sections 2 (except that the reference to State in the definition of supplier maintaining a place of business in this State shall mean the county), 2a, 2b, 3 through 3-55 (in respect to all provisions other than the State rate of tax), 4 (except that the reference to the State shall be to the county), 5, 7, 8 (except that the jurisdiction to which the tax shall be a debt to the extent indicated in that Section 8 shall be the county), 9 (except as to the disposition of taxes and penalties collected, and except that the returned merchandise credit for this tax may not be taken against any State tax), 11, 12 (except the reference to Section 2b of the Retailers' Occupation Tax Act), 13 (except that any reference to the State shall mean the county), 15, 16, 17, 18, 19 and 20 of the Service Occupation Tax Act and Section 3-7 of the Uniform Penalty and Interest Act, as fully as if those provisions were set forth in this subsection.

Persons subject to any tax imposed under the authority granted in this subsection may reimburse themselves for their serviceman's tax liability by separately stating the tax as an additional charge, which charge may be stated in combination, in a single amount, with State tax that servicemen are authorized to collect under the Service Use Tax Act, in accordance with bracket schedules prescribed by the Department.

Whenever the Department determines that a refund should be made under this subsection to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause the warrant to be drawn for the amount specified, and to the person named, in the notification from the Department. The refund shall be paid by the State Treasurer out of the tax fund referenced under paragraph (g) of this Section.

Nothing in this paragraph shall be construed to authorize the county to impose a tax upon the privilege of engaging in any business that under the Constitution of the United States may not be made the subject of taxation by the State.

(d) If a tax has been imposed under subsection (b), a use tax shall also be imposed at the same rate upon the privilege of using, in the county,
any item of tangible personal property that is purchased outside the county at retail from a retailer, and that is titled or registered at a location within the county with an agency of this State's government. This additional tax may not be imposed on the sale of food for human consumption that is to be consumed off the premises where it is sold (other than alcoholic beverages, soft drinks, and food that has been prepared for immediate consumption) and prescription and non-prescription medicines, drugs, medical appliances and insulin, urine testing materials, syringes, and needles used by diabetics. "Selling price" is defined as in the Use Tax Act. The tax shall be collected from persons whose Illinois address for titling or registration purposes is given as being in the county. The tax shall be collected by the Department of Revenue for the county. The tax must be paid to the State, or an exemption determination must be obtained from the Department of Revenue, before the title or certificate of registration for the property may be issued. The tax or proof of exemption may be transmitted to the Department by way of the State agency with which, or the State officer with whom, the tangible personal property must be titled or registered if the Department and the State agency or State officer determine that this procedure will expedite the processing of applications for title or registration.

The Department has full power to administer and enforce this paragraph; to collect all taxes, penalties, and interest due under this Section; to dispose of taxes, penalties, and interest so collected in the manner provided in this Section; and to determine all rights to credit memoranda or refunds arising on account of the erroneous payment of tax, penalty, or interest under this Section. In the administration of, and compliance with, this subsection, the Department and persons who are subject to this paragraph shall (i) have the same rights, remedies, privileges, immunities, powers, and duties, (ii) be subject to the same conditions, restrictions, limitations, penalties, exclusions, exemptions, and definitions of terms, and (iii) employ the same modes of procedure as are prescribed in Sections 2 (except the definition of "retailer maintaining a place of business in this State"), 3, 3-5, 3-10, 3-45, 3-55, 3-65, 3-70, 3-85, 3a, 4, 6, 7, 8 (except that the jurisdiction to which the tax shall be a debt to the extent indicated in that Section 8 shall be the county), 9 (except provisions relating to quarter monthly payments), 10, 11, 12, 12a, 12b, 13, 14, 15, 19, 20, 21, and 22 of the Use Tax Act and Section 3-7 of the Uniform Penalty and Interest Act, that are not inconsistent with this paragraph, as fully as if those provisions were set forth in this subsection.
Whenever the Department determines that a refund should be made under this subsection to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause the order to be drawn for the amount specified, and to the person named, in the notification from the Department. The refund shall be paid by the State Treasurer out of the tax fund referenced under paragraph (g) of this Section.

(e) A certificate of registration issued by the State Department of Revenue to a retailer under the Retailers' Occupation Tax Act or under the Service Occupation Tax Act shall permit the registrant to engage in a business that is taxed under the tax imposed under paragraphs (b), (c), or (d) of this Section and no additional registration shall be required. A certificate issued under the Use Tax Act or the Service Use Tax Act shall be applicable with regard to any tax imposed under paragraph (c) of this Section.

(f) The results of any election authorizing a proposition to impose a tax under this Section or effecting a change in the rate of tax shall be certified by the proper election authorities and filed with the Illinois Department on or before the first day of October. In addition, an ordinance imposing, discontinuing, or effecting a change in the rate of tax under this Section shall be adopted and a certified copy of the ordinance filed with the Department on or before the first day of October. After proper receipt of the certifications, the Department shall proceed to administer and enforce this Section as of the first day of January next following the adoption and filing.

(g) The Department of Revenue shall, upon collecting any taxes and penalties as provided in this Section, pay the taxes and penalties over to the State Treasurer as trustee for the county. The taxes and penalties shall be held in a trust fund outside the State Treasury. On or before the 25th day of each calendar month, the Department of Revenue shall prepare and certify to the Comptroller of the State of Illinois the amount to be paid to the county, which shall be the balance in the fund, less any amount determined by the Department to be necessary for the payment of refunds. Within 10 days after receipt by the Comptroller of the certification of the amount to be paid to the county, the Comptroller shall cause an order to be drawn for payment for the amount in accordance with the directions contained in the certification. Amounts received from the tax imposed under this Section shall be used only for the economic development activities of the county and communities located within the county.
(h) When certifying the amount of a monthly disbursement to the county under this Section, the Department shall increase or decrease the amounts by an amount necessary to offset any miscalculation of previous disbursements. The offset amount shall be the amount erroneously disbursed within the previous 6 months from the time a miscalculation is discovered.

Whenever the Department determines that a refund should be made under this Section to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause the order to be drawn for the amount specified and to the person named in the notification from the Department. The refund shall be paid by the State Treasurer out of the home rule municipal retailers' occupation tax fund.

excluding the 2 months of highest receipts. The monthly average for each
subsequent period of July 1 through June 30 shall be an amount equal to
the monthly distribution made to each such municipality under the
preceding paragraph during this period, excluding the 2 months of highest

under this paragraph and the preceding paragraph shall be reduced by the
amount allocated and disbursed under this paragraph in the preceding
period of July 1 through June 30. The Department shall prepare and certify

In addition, for the initial distribution, participating municipalities shall certify to the Department the amounts collected by the municipality for each month under its home rule occupation and service occupation tax during the period July 1, 1989 through June 30, 1990. The allocation within 10 days after January 14, 1991, shall be in an amount equal to the monthly average of these amounts, excluding the 2 months of highest receipts. Monthly average for the period of July 1, 1990 through June 30, 1991 will be determined as follows: the amounts collected by the municipality under its home rule occupation and service occupation tax during the period of July 1, 1990 through September 30, 1990, plus amounts collected by the Department and paid to such municipality through June 30, 1991, excluding the 2 months of highest receipts. The monthly average for each subsequent period of July 1 through June 30 shall be an amount equal to the monthly distribution made to each such municipality under the preceding paragraph during this period, excluding the 2 months of highest receipts. The distribution made in November 1991 and each year thereafter under this paragraph and the preceding paragraph shall be reduced by the amount allocated and disbursed under this paragraph in the preceding period of July 1 through June 30. The Department shall prepare and certify to the Comptroller for disbursement the allocations made in accordance with this paragraph.

Nothing in this Section shall be construed to authorize a municipality to impose a tax upon the privilege of engaging in any business which under the constitution of the United States may not be made the subject of taxation by this State.

An ordinance or resolution imposing or discontinuing a tax hereunder or effecting a change in the rate thereof shall be adopted and a certified copy thereof filed with the Department on or before the first day of June, whereupon the Department shall proceed to administer and enforce this Section as of the first day of September next following such adoption and filing. Beginning January 1, 1992, an ordinance or resolution imposing or discontinuing the tax hereunder or effecting a change in the
rate thereof shall be adopted and a certified copy thereof filed with the Department on or before the first day of July, whereupon the Department shall proceed to administer and enforce this Section as of the first day of October next following such adoption and filing. Beginning January 1, 1993, an ordinance or resolution imposing or discontinuing the tax hereunder or effecting a change in the rate thereof shall be adopted and a certified copy thereof filed with the Department on or before the first day of October, whereupon the Department shall proceed to administer and enforce this Section as of the first day of January next following such adoption and filing. However, a municipality located in a county with a population in excess of 3,000,000 that elected to become a home rule unit at the general primary election in 1994 may adopt an ordinance or resolution imposing the tax under this Section and file a certified copy of the ordinance or resolution with the Department on or before July 1, 1994. The Department shall then proceed to administer and enforce this Section as of October 1, 1994. Beginning April 1, 1998, an ordinance or resolution imposing or discontinuing the tax hereunder or effecting a change in the rate thereof shall either (i) be adopted and a certified copy thereof filed with the Department on or before the first day of April, whereupon the Department shall proceed to administer and enforce this Section as of the first day of July next following the adoption and filing; or (ii) be adopted and a certified copy thereof filed with the Department on or before the first day of October, whereupon the Department shall proceed to administer and enforce this Section as of the first day of January next following the adoption and filing.

All receipts of municipal tax as a result of an assessment not arising from an audit, for liability periods prior to January 1, 1990, shall be paid into the Local Government Tax Fund for distribution before July 1, 1990, as provided by this Section prior to the enactment of Public Act 85-1135, and on and after July 1, 1990, all such receipts shall be distributed as provided in Section 6z-18 of the State Finance Act.

Sec. 11-74.3-6. Business district revenue and obligations; business district tax allocation fund.

(a) If the corporate authorities of a municipality have approved a business district plan, have designated a business district, and have elected to impose a tax by ordinance pursuant to subsection (10) or (11) of Section 11-74.3-3, then each year after the date of the approval of the ordinance but terminating upon the date all business district project costs and all obligations paying or reimbursing business district project costs, if any, have been paid, but in no event later than the dissolution date, all amounts generated by the retailers' occupation tax and service occupation tax shall be collected and the tax shall be enforced by the Department of Revenue in the same manner as all retailers' occupation taxes and service occupation taxes imposed in the municipality imposing the tax and all amounts generated by the hotel operators' occupation tax shall be collected and the tax shall be enforced by the municipality in the same manner as all hotel operators' occupation taxes imposed in the municipality imposing the tax. The corporate authorities of the municipality shall deposit the proceeds of the taxes imposed under subsections (10) and (11) of Section 11-74.3-3 into a special fund of the municipality called the "[Name of] Business District Tax Allocation Fund" for the purpose of paying or reimbursing business district project costs and obligations incurred in the payment of those costs.

(b) The corporate authorities of a municipality that has designated a business district under this Law may, by ordinance, impose a Business District Retailers' Occupation Tax upon all persons engaged in the business of selling tangible personal property, other than an item of tangible personal property titled or registered with an agency of this State's government, at retail in the business district at a rate not to exceed 1% of the gross receipts from the sales made in the course of such business, to be imposed only in 0.25% increments. The tax may not be imposed on food for human consumption that is to be consumed...
off the premises where it is sold (other than alcoholic beverages, soft drinks, and food that has been prepared for immediate consumption); prescription and nonprescription medicines, drugs, medical appliances; modifications to a motor vehicle for the purpose of rendering it usable by a person with a disability, and insulin, urine testing materials, syringes, and needles used by diabetics, for human use.

The tax imposed under this subsection and all civil penalties that may be assessed as an incident thereof shall be collected and enforced by the Department of Revenue. The certificate of registration that is issued by the Department to a retailer under the Retailers' Occupation Tax Act shall permit the retailer to engage in a business that is taxable under any ordinance or resolution enacted pursuant to this subsection without registering separately with the Department under such ordinance or resolution or under this subsection. The Department of Revenue shall have full power to administer and enforce this subsection; to collect all taxes and penalties due under this subsection in the manner hereinafter provided; and to determine all rights to credit memoranda arising on account of the erroneous payment of tax or penalty under this subsection. In the administration of, and compliance with, this subsection, the Department and persons who are subject to this subsection shall have the same rights, remedies, privileges, immunities, powers and duties, and be subject to the same conditions, restrictions, limitations, penalties, exclusions, exemptions, and definitions of terms and employ the same modes of procedure, as are prescribed in Sections 1, 1a through 1o, 2 through 2-65 (in respect to all provisions therein other than the State rate of tax), 2c through 2h, 3 (except as to the disposition of taxes and penalties collected), 4, 5, 5a, 5c, 5d, 5e, 5f, 5g, 5i, 5j, 5k, 5l, 6, 6a, 6b, 6c, 7, 8, 9, 10, 11, 12, 13, and 14 of the Retailers' Occupation Tax Act and all provisions of the Uniform Penalty and Interest Act, as fully as if those provisions were set forth herein.

Persons subject to any tax imposed under this subsection may reimburse themselves for their seller's tax liability under this subsection by separately stating the tax as an additional charge, which charge may be stated in combination, in a single amount, with State taxes that sellers are required to collect under the Use Tax Act, in accordance with such bracket schedules as the Department may prescribe.

Whenever the Department determines that a refund should be made under this subsection to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who

shall cause the order to be drawn for the amount specified and to the person named in the notification from the Department. The refund shall be paid by the State Treasurer out of the business district retailers’ occupation tax fund.

The Department shall immediately pay over to the State Treasurer, ex officio, as trustee, all taxes, penalties, and interest collected under this subsection for deposit into the business district retailers' occupation tax fund.

As soon as possible after the first day of each month, beginning January 1, 2011, upon certification of the Department of Revenue, the Comptroller shall order transferred, and the Treasurer shall transfer, to the STAR Bonds Revenue Fund the local sales tax increment, as defined in the Innovation Development and Economy Act, collected under this subsection during the second preceding calendar month for sales within a STAR bond district.

After the monthly transfer to the STAR Bonds Revenue Fund, on or before the 25th day of each calendar month, the Department shall prepare and certify to the Comptroller the disbursement of stated sums of money to named municipalities from the business district retailers' occupation tax fund, the municipalities to be those from which retailers have paid taxes or penalties under this subsection to the Department during the second preceding calendar month. The amount to be paid to each municipality shall be the amount (not including credit memoranda) collected under this subsection during the second preceding calendar month by the Department plus an amount the Department determines is necessary to offset any amounts that were erroneously paid to a different taxing body, and not including an amount equal to the amount of refunds made during the second preceding calendar month by the Department, less 2% of that amount, which shall be deposited into the Tax Compliance and Administration Fund and shall be used by the Department, subject to appropriation, to cover the costs of the Department in administering and enforcing the provisions of this subsection, on behalf of such municipality, and not including any amount that the Department determines is necessary to offset any amounts that were payable to a different taxing body but were erroneously paid to the municipality, and not including any amounts that are transferred to the STAR Bonds Revenue Fund. Within 10 days after receipt by the Comptroller of the disbursement certification to the municipalities provided for in this subsection to be given to the Comptroller by the Department, the Comptroller shall cause the orders to

be drawn for the respective amounts in accordance with the directions
contained in the certification. The proceeds of the tax paid to
municipalities under this subsection shall be deposited into the Business
District Tax Allocation Fund by the municipality.

An ordinance imposing or discontinuing the tax under this
subsection or effecting a change in the rate thereof shall either (i) be
adopted and a certified copy thereof filed with the Department on or before
the first day of April, whereupon the Department, if all other requirements
of this subsection are met, shall proceed to administer and enforce this
subsection as of the first day of July next following the adoption and
filing; or (ii) be adopted and a certified copy thereof filed with the
Department on or before the first day of October, whereupon, if all other
requirements of this subsection are met, the Department shall proceed to
administer and enforce this subsection as of the first day of January next
following the adoption and filing.

The Department of Revenue shall not administer or enforce an
ordinance imposing, discontinuing, or changing the rate of the tax under
this subsection, until the municipality also provides, in the manner
prescribed by the Department, the boundaries of the business district and
each address in the business district in such a way that the Department can
determine by its address whether a business is located in the business
district. The municipality must provide this boundary and address
information to the Department on or before April 1 for administration and
enforcement of the tax under this subsection by the Department beginning
on the following July 1 and on or before October 1 for administration and
enforcement of the tax under this subsection by the Department beginning
on the following January 1. The Department of Revenue shall not
administer or enforce any change made to the boundaries of a business
district or address change, addition, or deletion until the municipality
reports the boundary change or address change, addition, or deletion to the
Department in the manner prescribed by the Department. The municipality
must provide this boundary change information or address change,
addition, or deletion to the Department on or before April 1 for
administration and enforcement by the Department of the change
beginning on the following July 1 and on or before October 1 for
administration and enforcement by the Department of the change
beginning on the following January 1. The retailers in the business district
shall be responsible for charging the tax imposed under this subsection. If
a retailer is incorrectly included or excluded from the list of those required

to collect the tax under this subsection, both the Department of Revenue and the retailer shall be held harmless if they reasonably relied on information provided by the municipality.

A municipality that imposes the tax under this subsection must submit to the Department of Revenue any other information as the Department may require for the administration and enforcement of the tax.

When certifying the amount of a monthly disbursement to a municipality under this subsection, the Department shall increase or decrease the amount by an amount necessary to offset any misallocation of previous disbursements. The offset amount shall be the amount erroneously disbursed within the previous 6 months from the time a misallocation is discovered.

Nothing in this subsection shall be construed to authorize the municipality to impose a tax upon the privilege of engaging in any business which under the Constitution of the United States may not be made the subject of taxation by this State.

If a tax is imposed under this subsection (b), a tax shall also be imposed under subsection (c) of this Section.

(c) If a tax has been imposed under subsection (b), a Business District Service Occupation Tax shall also be imposed upon all persons engaged, in the business district, in the business of making sales of service, who, as an incident to making those sales of service, transfer tangible personal property within the business district, either in the form of tangible personal property or in the form of real estate as an incident to a sale of service. The tax shall be imposed at the same rate as the tax imposed in subsection (b) and shall not exceed 1% of the selling price of tangible personal property so transferred within the business district, to be imposed only in 0.25% increments. The tax may not be imposed on tangible personal property taxed at the 1% rate under the Service Occupation Tax Act of food for human consumption that is to be consumed off the premises where it is sold (other than alcoholic beverages, soft drinks, and food that has been prepared for immediate consumption); prescription and nonprescription medicines, drugs, medical appliances, modifications to a motor vehicle for the purpose of rendering it usable by a person with a disability, and insulin, urine testing materials, syringes, and needles used by diabetics, for human use.

The tax imposed under this subsection and all civil penalties that may be assessed as an incident thereof shall be collected and enforced by the Department of Revenue. The certificate of registration which is issued

by the Department to a retailer under the Retailers' Occupation Tax Act or under the Service Occupation Tax Act shall permit such registrant to engage in a business which is taxable under any ordinance or resolution enacted pursuant to this subsection without registering separately with the Department under such ordinance or resolution or under this subsection. The Department of Revenue shall have full power to administer and enforce this subsection; to collect all taxes and penalties due under this subsection; to dispose of taxes and penalties so collected in the manner hereinafter provided; and to determine all rights to credit memoranda arising on account of the erroneous payment of tax or penalty under this subsection. In the administration of, and compliance with this subsection, the Department and persons who are subject to this subsection shall have the same rights, remedies, privileges, immunities, powers and duties, and be subject to the same conditions, restrictions, limitations, penalties, exclusions, exemptions, and definitions of terms and employ the same modes of procedure as are prescribed in Sections 2, 2a through 2d, 3 through 3-50 (in respect to all provisions therein other than the State rate of tax), 4 (except that the reference to the State shall be to the business district), 5, 7, 8 (except that the jurisdiction to which the tax shall be a debt to the extent indicated in that Section 8 shall be the municipality), 9 (except as to the disposition of taxes and penalties collected, and except that the returned merchandise credit for this tax may not be taken against any State tax), 10, 11, 12 (except the reference therein to Section 2b of the Retailers' Occupation Tax Act), 13 (except that any reference to the State shall mean the municipality), the first paragraph of Section 15, and Sections 16, 17, 18, 19 and 20 of the Service Occupation Tax Act and all provisions of the Uniform Penalty and Interest Act, as fully as if those provisions were set forth herein.

Persons subject to any tax imposed under the authority granted in this subsection may reimburse themselves for their serviceman's tax liability hereunder by separately stating the tax as an additional charge, which charge may be stated in combination, in a single amount, with State tax that servicemen are authorized to collect under the Service Use Tax Act, in accordance with such bracket schedules as the Department may prescribe.

Whenever the Department determines that a refund should be made under this subsection to a claimant instead of issuing credit memorandum, the Department shall notify the State Comptroller, who shall cause the order to be drawn for the amount specified, and to the person named, in
such notification from the Department. Such refund shall be paid by the State Treasurer out of the business district retailers' occupation tax fund.

The Department shall forthwith pay over to the State Treasurer, ex-officio, as trustee, all taxes, penalties, and interest collected under this subsection for deposit into the business district retailers' occupation tax fund.

As soon as possible after the first day of each month, beginning January 1, 2011, upon certification of the Department of Revenue, the Comptroller shall order transferred, and the Treasurer shall transfer, to the STAR Bonds Revenue Fund the local sales tax increment, as defined in the Innovation Development and Economy Act, collected under this subsection during the second preceding calendar month for sales within a STAR bond district.

After the monthly transfer to the STAR Bonds Revenue Fund, on or before the 25th day of each calendar month, the Department shall prepare and certify to the Comptroller the disbursement of stated sums of money to named municipalities from the business district retailers' occupation tax fund, the municipalities to be those from which suppliers and servicemen have paid taxes or penalties under this subsection to the Department during the second preceding calendar month. The amount to be paid to each municipality shall be the amount (not including credit memoranda) collected under this subsection during the second preceding calendar month by the Department, less 2% of that amount, which shall be deposited into the Tax Compliance and Administration Fund and shall be used by the Department, subject to appropriation, to cover the costs of the Department in administering and enforcing the provisions of this subsection, and not including an amount equal to the amount of refunds made during the second preceding calendar month by the Department on behalf of such municipality, and not including any amounts that are transferred to the STAR Bonds Revenue Fund. Within 10 days after receipt, by the Comptroller, of the disbursement certification to the municipalities, provided for in this subsection to be given to the Comptroller by the Department, the Comptroller shall cause the orders to be drawn for the respective amounts in accordance with the directions contained in such certification. The proceeds of the tax paid to municipalities under this subsection shall be deposited into the Business District Tax Allocation Fund by the municipality.

An ordinance imposing or discontinuing the tax under this subsection or effecting a change in the rate thereof shall either (i) be

adopted and a certified copy thereof filed with the Department on or before the first day of April, whereupon the Department, if all other requirements of this subsection are met, shall proceed to administer and enforce this subsection as of the first day of July next following the adoption and filing; or (ii) be adopted and a certified copy thereof filed with the Department on or before the first day of October, whereupon, if all other conditions of this subsection are met, the Department shall proceed to administer and enforce this subsection as of the first day of January next following the adoption and filing.

The Department of Revenue shall not administer or enforce an ordinance imposing, discontinuing, or changing the rate of the tax under this subsection, until the municipality also provides, in the manner prescribed by the Department, the boundaries of the business district in such a way that the Department can determine by its address whether a business is located in the business district. The municipality must provide this boundary and address information to the Department on or before April 1 for administration and enforcement of the tax under this subsection by the Department beginning on the following July 1 and on or before October 1 for administration and enforcement of the tax under this subsection by the Department beginning on the following January 1. The Department of Revenue shall not administer or enforce any change made to the boundaries of a business district or address change, addition, or deletion until the municipality reports the boundary change or address change, addition, or deletion to the Department in the manner prescribed by the Department. The municipality must provide this boundary change information or address change, addition, or deletion to the Department on or before April 1 for administration and enforcement by the Department of the change beginning on the following July 1 and on or before October 1 for administration and enforcement by the Department of the change beginning on the following January 1. The retailers in the business district shall be responsible for charging the tax imposed under this subsection. If a retailer is incorrectly included or excluded from the list of those required to collect the tax under this subsection, both the Department of Revenue and the retailer shall be held harmless if they reasonably relied on information provided by the municipality.

A municipality that imposes the tax under this subsection must submit to the Department of Revenue any other information as the Department may require for the administration and enforcement of the tax.

Nothing in this subsection shall be construed to authorize the municipality to impose a tax upon the privilege of engaging in any business which under the Constitution of the United States may not be made the subject of taxation by the State.

If a tax is imposed under this subsection (c), a tax shall also be imposed under subsection (b) of this Section.

(d) By ordinance, a municipality that has designated a business district under this Law may impose an occupation tax upon all persons engaged in the business district in the business of renting, leasing, or letting rooms in a hotel, as defined in the Hotel Operators' Occupation Tax Act, at a rate not to exceed 1% of the gross rental receipts from the renting, leasing, or letting of hotel rooms within the business district, to be imposed only in 0.25% increments, excluding, however, from gross rental receipts the proceeds of renting, leasing, or letting to permanent residents of a hotel, as defined in the Hotel Operators' Occupation Tax Act, and proceeds from the tax imposed under subsection (c) of Section 13 of the Metropolitan Pier and Exposition Authority Act.

The tax imposed by the municipality under this subsection and all civil penalties that may be assessed as an incident to that tax shall be collected and enforced by the municipality imposing the tax. The municipality shall have full power to administer and enforce this subsection, to collect all taxes and penalties due under this subsection, to dispose of taxes and penalties so collected in the manner provided in this subsection, and to determine all rights to credit memoranda arising on account of the erroneous payment of tax or penalty under this subsection. In the administration of and compliance with this subsection, the municipality and persons who are subject to this subsection shall have the same rights, remedies, privileges, immunities, powers, and duties, shall be subject to the same conditions, restrictions, limitations, penalties, and definitions of terms, and shall employ the same modes of procedure as are employed with respect to a tax adopted by the municipality under Section 8-3-14 of this Code.

Persons subject to any tax imposed under the authority granted in this subsection may reimburse themselves for their tax liability for that tax by separately stating that tax as an additional charge, which charge may be stated in combination, in a single amount, with State taxes imposed under the Hotel Operators' Occupation Tax Act, and with any other tax.

Nothing in this subsection shall be construed to authorize a municipality to impose a tax upon the privilege of engaging in any
business which under the Constitution of the United States may not be
made the subject of taxation by this State.

The proceeds of the tax imposed under this subsection shall be
deposited into the Business District Tax Allocation Fund.

(e) Obligations secured by the Business District Tax Allocation
Fund may be issued to provide for the payment or reimbursement of
business district project costs. Those obligations, when so issued, shall be
retired in the manner provided in the ordinance authorizing the issuance of
those obligations by the receipts of taxes imposed pursuant to subsections
(10) and (11) of Section 11-74.3-3 and by other revenue designated or
pledged by the municipality. A municipality may in the ordinance pledge,
for any period of time up to and including the dissolution date, all or any
part of the funds in and to be deposited in the Business District Tax
Allocation Fund to the payment of business district project costs and
obligations. Whenever a municipality pledges all of the funds to the credit
of a business district tax allocation fund to secure obligations issued or to
be issued to pay or reimburse business district project costs, the
municipality may specifically provide that funds remaining to the credit of
such business district tax allocation fund after the payment of such
obligations shall be accounted for annually and shall be deemed to be
"surplus" funds, and such "surplus" funds shall be expended by the
municipality for any business district project cost as approved in the
business district plan. Whenever a municipality pledges less than all of the
monies to the credit of a business district tax allocation fund to secure
obligations issued or to be issued to pay or reimburse business district
project costs, the municipality shall provide that monies to the credit of the
business district tax allocation fund and not subject to such pledge or
otherwise encumbered or required for payment of contractual obligations
for specific business district project costs shall be calculated annually and
shall be deemed to be "surplus" funds, and such "surplus" funds shall be
expended by the municipality for any business district project cost as
approved in the business district plan.

No obligation issued pursuant to this Law and secured by a pledge
of all or any portion of any revenues received or to be received by the
municipality from the imposition of taxes pursuant to subsection (10) of
Section 11-74.3-3, shall be deemed to constitute an economic incentive
agreement under Section 8-11-20, notwithstanding the fact that such
pledge provides for the sharing, rebate, or payment of retailers' occupation
taxes or service occupation taxes imposed pursuant to subsection (10) of

New matter indicated by italics - deletions by strikeout
Section 11-74.3-3 and received or to be received by the municipality from the development or redevelopment of properties in the business district.

Without limiting the foregoing in this Section, the municipality may further secure obligations secured by the business district tax allocation fund with a pledge, for a period not greater than the term of the obligations and in any case not longer than the dissolution date, of any part or any combination of the following: (i) net revenues of all or part of any business district project; (ii) taxes levied or imposed by the municipality on any or all property in the municipality, including, specifically, taxes levied or imposed by the municipality in a special service area pursuant to the Special Service Area Tax Law; (iii) the full faith and credit of the municipality; (iv) a mortgage on part or all of the business district project; or (v) any other taxes or anticipated receipts that the municipality may lawfully pledge.

Such obligations may be issued in one or more series, bear such date or dates, become due at such time or times as therein provided, but in any case not later than (i) 20 years after the date of issue or (ii) the dissolution date, whichever is earlier, bear interest payable at such intervals and at such rate or rates as set forth therein, except as may be limited by applicable law, which rate or rates may be fixed or variable, be in such denominations, be in such form, either coupon, registered, or book-entry, carry such conversion, registration and exchange privileges, be subject to defeasance upon such terms, have such rank or priority, be executed in such manner, be payable in such medium or payment at such place or places within or without the State, make provision for a corporate trustee within or without the State with respect to such obligations, prescribe the rights, powers, and duties thereof to be exercised for the benefit of the municipality and the benefit of the owners of such obligations, provide for the holding in trust, investment, and use of moneys, funds, and accounts held under an ordinance, provide for assignment of and direct payment of the moneys to pay such obligations or to be deposited into such funds or accounts directly to such trustee, be subject to such terms of redemption with or without premium, and be sold at such price, all as the corporate authorities shall determine. No referendum approval of the electors shall be required as a condition to the issuance of obligations pursuant to this Law except as provided in this Section.

In the event the municipality authorizes the issuance of obligations pursuant to the authority of this Law secured by the full faith and credit of
the municipality, or pledges ad valorem taxes pursuant to this subsection, which obligations are other than obligations which may be issued under home rule powers provided by Section 6 of Article VII of the Illinois Constitution or which ad valorem taxes are other than ad valorem taxes which may be pledged under home rule powers provided by Section 6 of Article VII of the Illinois Constitution or which are levied in a special service area pursuant to the Special Service Area Tax Law, the ordinance authorizing the issuance of those obligations or pledging those taxes shall be published within 10 days after the ordinance has been adopted, in a newspaper having a general circulation within the municipality. The publication of the ordinance shall be accompanied by a notice of (i) the specific number of voters required to sign a petition requesting the question of the issuance of the obligations or pledging such ad valorem taxes to be submitted to the electors; (ii) the time within which the petition must be filed; and (iii) the date of the prospective referendum. The municipal clerk shall provide a petition form to any individual requesting one.

If no petition is filed with the municipal clerk, as hereinafter provided in this Section, within 21 days after the publication of the ordinance, the ordinance shall be in effect. However, if within that 21-day period a petition is filed with the municipal clerk, signed by electors numbering not less than 15% of the number of electors voting for the mayor or president at the last general municipal election, asking that the question of issuing obligations using full faith and credit of the municipality as security for the cost of paying or reimbursing business district project costs, or of pledging such ad valorem taxes for the payment of those obligations, or both, be submitted to the electors of the municipality, the municipality shall not be authorized to issue obligations of the municipality using the full faith and credit of the municipality as security or pledging such ad valorem taxes for the payment of those obligations, or both, until the proposition has been submitted to and approved by a majority of the voters voting on the proposition at a regularly scheduled election. The municipality shall certify the proposition to the proper election authorities for submission in accordance with the general election law.

The ordinance authorizing the obligations may provide that the obligations shall contain a recital that they are issued pursuant to this Law, which recital shall be conclusive evidence of their validity and of the regularity of their issuance.
In the event the municipality authorizes issuance of obligations pursuant to this Law secured by the full faith and credit of the municipality, the ordinance authorizing the obligations may provide for the levy and collection of a direct annual tax upon all taxable property within the municipality sufficient to pay the principal thereof and interest thereon as it matures, which levy may be in addition to and exclusive of the maximum of all other taxes authorized to be levied by the municipality, which levy, however, shall be abated to the extent that monies from other sources are available for payment of the obligations and the municipality certifies the amount of those monies available to the county clerk.

A certified copy of the ordinance shall be filed with the county clerk of each county in which any portion of the municipality is situated, and shall constitute the authority for the extension and collection of the taxes to be deposited in the business district tax allocation fund.

A municipality may also issue its obligations to refund, in whole or in part, obligations theretofore issued by the municipality under the authority of this Law, whether at or prior to maturity. However, the last maturity of the refunding obligations shall not be expressed to mature later than the dissolution date.

In the event a municipality issues obligations under home rule powers or other legislative authority, the proceeds of which are pledged to pay or reimburse business district project costs, the municipality may, if it has followed the procedures in conformance with this Law, retire those obligations from funds in the business district tax allocation fund in amounts and in such manner as if those obligations had been issued pursuant to the provisions of this Law.

No obligations issued pursuant to this Law shall be regarded as indebtedness of the municipality issuing those obligations or any other taxing district for the purpose of any limitation imposed by law.

Obligations issued pursuant to this Law shall not be subject to the provisions of the Bond Authorization Act.

(f) When business district project costs, including, without limitation, all obligations paying or reimbursing business district project costs have been paid, any surplus funds then remaining in the Business District Tax Allocation Fund shall be distributed to the municipal treasurer for deposit into the general corporate fund of the municipality. Upon payment of all business district project costs and retirement of all obligations paying or reimbursing business district project costs, but in no

event more than 23 years after the date of adoption of the ordinance imposing taxes pursuant to subsection (10) or (11) of Section 11-74.3-3, the municipality shall adopt an ordinance immediately rescinding the taxes imposed pursuant to subsection (10) or (11) of Section 11-74.3-3.

Sec. 25. Flood prevention retailers' and service occupation taxes.

(a) If the Board of Commissioners of a flood prevention district determines that an emergency situation exists regarding levee repair or flood prevention, and upon an ordinance confirming the determination adopted by the affirmative vote of a majority of the members of the county board of the county in which the district is situated, the county may impose a flood prevention retailers' occupation tax upon all persons engaged in the business of selling tangible personal property at retail within the territory of the district to provide revenue to pay the costs of providing emergency levee repair and flood prevention and to secure the payment of bonds, notes, and other evidences of indebtedness issued under this Act for a period not to exceed 25 years or as required to repay the bonds, notes, and other evidences of indebtedness issued under this Act. The tax rate shall be 0.25% of the gross receipts from all taxable sales made in the course of that business. The tax imposed under this Section and all civil penalties that may be assessed as an incident thereof shall be collected and enforced by the State Department of Revenue. The Department shall have full power to administer and enforce this Section; to collect all taxes and penalties so collected in the manner hereinafter provided; and to determine all rights to credit memoranda arising on account of the erroneous payment of tax or penalty hereunder.

In the administration of and compliance with this subsection, the Department and persons who are subject to this subsection (i) have the same rights, remedies, privileges, immunities, powers, and duties, (ii) are subject to the same conditions, restrictions, limitations, penalties, and definitions of terms, and (iii) shall employ the same modes of procedure as are set forth in Sections 1 through 1o, 2 through 2-70 (in respect to all provisions contained in those Sections other than the State rate of tax), 2a through 2h, 3 (except as to the disposition of taxes and penalties collected), 4, 5, 5a, 5b, 5c, 5d, 5e, 5f, 5g, 5h, 5i, 5l, 6, 6a, 6b, 6c, 6d, 7, 8, 9, 10, 11, 11a, 12, and 13 of the Retailers' Occupation Tax Act and all

provisions of the Uniform Penalty and Interest Act as if those provisions were set forth in this subsection.

Persons subject to any tax imposed under this Section may reimburse themselves for their seller's tax liability hereunder by separately stating the tax as an additional charge, which charge may be stated in combination in a single amount with State taxes that sellers are required to collect under the Use Tax Act, under any bracket schedules the Department may prescribe.

If a tax is imposed under this subsection (a), a tax shall also be imposed under subsection (b) of this Section.

(b) If a tax has been imposed under subsection (a), a flood prevention service occupation tax shall also be imposed upon all persons engaged within the territory of the district in the business of making sales of service, who, as an incident to making the sales of service, transfer tangible personal property, either in the form of tangible personal property or in the form of real estate as an incident to a sale of service to provide revenue to pay the costs of providing emergency levee repair and flood prevention and to secure the payment of bonds, notes, and other evidences of indebtedness issued under this Act for a period not to exceed 25 years or as required to repay the bonds, notes, and other evidences of indebtedness. The tax rate shall be 0.25% of the selling price of all tangible personal property transferred.

The tax imposed under this subsection and all civil penalties that may be assessed as an incident thereof shall be collected and enforced by the State Department of Revenue. The Department shall have full power to administer and enforce this subsection; to collect all taxes and penalties due hereunder; to dispose of taxes and penalties collected in the manner hereinafter provided; and to determine all rights to credit memoranda arising on account of the erroneous payment of tax or penalty hereunder.

In the administration of and compliance with this subsection, the Department and persons who are subject to this subsection shall (i) have the same rights, remedies, privileges, immunities, powers, and duties, (ii) be subject to the same conditions, restrictions, limitations, penalties, and definitions of terms, and (iii) employ the same modes of procedure as are set forth in Sections 2 (except that the reference to State in the definition of supplier maintaining a place of business in this State means the district), 2a through 2d, 3 through 3-50 (in respect to all provisions contained in those Sections other than the State rate of tax), 4 (except that the reference to the State shall be to the district), 5, 7, 8 (except that the jurisdiction to

which the tax is a debt to the extent indicated in that Section 8 is the district), 9 (except as to the disposition of taxes and penalties collected), 10, 11, 12 (except the reference therein to Section 2b of the Retailers' Occupation Tax Act), 13 (except that any reference to the State means the district), Section 15, 16, 17, 18, 19, and 20 of the Service Occupation Tax Act and all provisions of the Uniform Penalty and Interest Act, as fully as if those provisions were set forth herein.

Persons subject to any tax imposed under the authority granted in this subsection may reimburse themselves for their serviceman's tax liability hereunder by separately stating the tax as an additional charge, that charge may be stated in combination in a single amount with State tax that servicemen are authorized to collect under the Service Use Tax Act, under any bracket schedules the Department may prescribe.

(c) The taxes imposed in subsections (a) and (b) may not be imposed on personal property titled or registered with an agency of the State or on personal property taxed at the 1% rate under the Retailers' Occupation Tax Act and the Service Occupation Tax Act; food for human consumption that is to be consumed off the premises where it is sold (other than alcoholic beverages, soft drinks, and food that has been prepared for immediate consumption); prescription and non-prescription medicines, drugs, and medical appliances; modifications to a motor vehicle for the purpose of rendering it usable by a person with a disability; or insulin, urine testing materials, and syringes and needles used by diabetics.

(d) Nothing in this Section shall be construed to authorize the district to impose a tax upon the privilege of engaging in any business that under the Constitution of the United States may not be made the subject of taxation by the State.

(e) The certificate of registration that is issued by the Department to a retailer under the Retailers' Occupation Tax Act or a serviceman under the Service Occupation Tax Act permits the retailer or serviceman to engage in a business that is taxable without registering separately with the Department under an ordinance or resolution under this Section.

(f) The Department shall immediately pay over to the State Treasurer, ex officio, as trustee, all taxes and penalties collected under this Section to be deposited into the Flood Prevention Occupation Tax Fund, which shall be an unappropriated trust fund held outside the State treasury.

On or before the 25th day of each calendar month, the Department shall prepare and certify to the Comptroller the disbursement of stated sums of money to the counties from which retailers or servicemen have
paid taxes or penalties to the Department during the second preceding calendar month. The amount to be paid to each county is equal to the amount (not including credit memoranda) collected from the county under this Section during the second preceding calendar month by the Department, (i) less 2% of that amount, which shall be deposited into the Tax Compliance and Administration Fund and shall be used by the Department in administering and enforcing the provisions of this Section on behalf of the county, (ii) plus an amount that the Department determines is necessary to offset any amounts that were erroneously paid to a different taxing body; (iii) less an amount equal to the amount of refunds made during the second preceding calendar month by the Department on behalf of the county; and (iv) less any amount that the Department determines is necessary to offset any amounts that were payable to a different taxing body but were erroneously paid to the county. When certifying the amount of a monthly disbursement to a county under this Section, the Department shall increase or decrease the amounts by an amount necessary to offset any miscalculation of previous disbursements within the previous 6 months from the time a miscalculation is discovered.

Within 10 days after receipt by the Comptroller from the Department of the disbursement certification to the counties provided for in this Section, the Comptroller shall cause the orders to be drawn for the respective amounts in accordance with directions contained in the certification.

If the Department determines that a refund should be made under this Section to a claimant instead of issuing a credit memorandum, then the Department shall notify the Comptroller, who shall cause the order to be drawn for the amount specified and to the person named in the notification from the Department. The refund shall be paid by the Treasurer out of the Flood Prevention Occupation Tax Fund.

(g) If a county imposes a tax under this Section, then the county board shall, by ordinance, discontinue the tax upon the payment of all indebtedness of the flood prevention district. The tax shall not be discontinued until all indebtedness of the District has been paid.

(h) Any ordinance imposing the tax under this Section, or any ordinance that discontinues the tax, must be certified by the county clerk and filed with the Illinois Department of Revenue either (i) on or before the first day of April, whereupon the Department shall proceed to administer and enforce the tax or change in the rate as of the first day of July next following the filing; or (ii) on or before the first day of October,
whereupon the Department shall proceed to administer and enforce the tax or change in the rate as of the first day of January next following the filing.

(j) County Flood Prevention Occupation Tax Fund. All proceeds received by a county from a tax distribution under this Section must be maintained in a special fund known as the [name of county] flood prevention occupation tax fund. The county shall, at the direction of the flood prevention district, use moneys in the fund to pay the costs of providing emergency levee repair and flood prevention and to pay bonds, notes, and other evidences of indebtedness issued under this Act.

The refund shall be paid by the State Treasurer out of the State Metro-East Park and Recreation District Fund.

Nothing in this subsection shall be construed to authorize the board to impose a tax upon the privilege of engaging in any business which
under the Constitution of the United States may not be made the subject of taxation by the State.

(c) The Department shall immediately pay over to the State Treasurer, ex officio, as trustee, all taxes and penalties collected under this Section to be deposited into the State Metro-East Park and Recreation District Fund, which shall be an unappropriated trust fund held outside of the State treasury.

The Department shall make this certification only if the Metro East Park and Recreation District imposes a tax on real property as provided in the definition of "local sales taxes" under the Innovation Development and Economy Act.

After the monthly transfer to the STAR Bonds Revenue Fund, on or before the 25th day of each calendar month, the Department shall prepare and certify to the Comptroller the disbursement of stated sums of money pursuant to Section 35 of this Act to the District from which retailers have paid taxes or penalties to the Department during the second preceding calendar month. This paragraph does not apply to coal or other mineral when it is delivered or shipped by the seller to the purchaser at a point outside Illinois so that the sale is exempt under the Federal Constitution as a sale in interstate or foreign commerce.

be paid by the State Treasurer out of a county water commission tax fund established under \textit{subsection paragraph (g)} of this Section.

Nothing in this paragraph shall be construed to authorize a county water commission to impose a tax upon the privilege of engaging in any business which under the Constitution of the United States may not be made the subject of taxation by the State.

(d) If a tax has been imposed under subsection (b), a tax shall also be imposed upon the privilege of using, in the territory of the commission, any item of tangible personal property that is purchased outside the territory at retail from a retailer, and that is titled or registered with an agency of this State's government, at a rate of 1/4% of the selling price of the tangible personal property within the territory, as "selling price" is defined in the Use Tax Act. The tax shall be collected from persons whose Illinois address for titling or registration purposes is given as being in the territory. The tax shall be collected by the Department of Revenue for a county water commission. The tax must be paid to the State, or an exemption determination must be obtained from the Department of Revenue, before the title or certificate of registration for the property may be issued. The tax or proof of exemption may be transmitted to the Department by way of the State agency with which, or the State officer with whom, the tangible personal property must be titled or registered if the Department and the State agency or State officer determine that this procedure will expedite the processing of applications for title or registration.

Whenever the Department determines that a refund should be made under this paragraph to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause the order to be drawn for the amount specified, and to the person named, in the notification from the Department. The refund shall be paid by the State Treasurer out of a county water commission tax fund established under subsection paragraph (g) of this Section.

(e) A certificate of registration issued by the State Department of Revenue to a retailer under the Retailers' Occupation Tax Act or under the Service Occupation Tax Act shall permit the registrant to engage in a business that is taxed under the tax imposed under subsection paragraphs (b), (c), or (d) of this Section and no additional registration shall be required under the tax. A certificate issued under the Use Tax Act or the Service Use Tax Act shall be applicable with regard to any tax imposed under subsection paragraph (c) of this Section.

As soon as possible after the first day of each month, beginning January 1, 2011, upon certification of the Department of Revenue, the Comptroller shall order transferred, and the Treasurer shall transfer, to the STAR Bonds Revenue Fund the local sales tax increment, as defined in the Innovation Development and Economy Act, collected under this Section during the second preceding calendar month for sales within a STAR bond district.

After the monthly transfer to the STAR Bonds Revenue Fund, on or before the 25th day of each calendar month, the State Department of Revenue shall prepare and certify to the Comptroller of the State of Illinois the amount to be paid to the commission, which shall be the amount (not including credit memoranda) collected under this Section during the second preceding calendar month by the Department plus an amount the Department determines is necessary to offset any amounts that were erroneously paid to a different taxing body, and not including any amount equal to the amount of refunds made during the second preceding calendar month by the Department on behalf of the commission, and not including any amount that the Department determines is necessary to offset any amounts that were payable to a different taxing body but were erroneously paid to the commission, and less any amounts that are transferred to the STAR Bonds Revenue Fund, less 2% of the remainder, which shall be transferred into the Tax Compliance and Administration Fund. Section 150. The Liquor Control Act of 1934 is amended by changing Section 8-2 as follows:

(235 ILCS 5/8-2) (from Ch. 43, par. 159)

Sec. 8-2. Payments; reports. It is the duty of each manufacturer with respect to alcoholic liquor produced or imported by such manufacturer, or purchased tax-free by such manufacturer from another manufacturer or importing distributor, and of each importing distributor as to alcoholic liquor purchased by such importing distributor from foreign importers or from anyone from any point in the United States outside of this State or purchased tax-free from another manufacturer or importing distributor, to pay the tax imposed by Section 8-1 to the Department of Revenue on or before the 15th day of the calendar month following the calendar month in which such alcoholic liquor is sold or used by such manufacturer or by such importing distributor other than in an authorized tax-free manner or to pay that tax electronically as provided in this Section.

Each manufacturer and each importing distributor shall make payment under one of the following methods: (1) on or before the 15th day of each calendar month, file in person or by United States first-class mail, postage pre-paid, with the Department of Revenue, on forms prescribed and furnished by the Department, a report in writing in such form as may be required by the Department in order to compute, and assure the accuracy of, the tax due on all taxable sales and uses of alcoholic liquor occurring during the preceding month. Payment of the tax in the amount disclosed by the report shall accompany the report or, (2) on or before the 15th day of each calendar month, electronically file with the Department of Revenue, on forms prescribed and furnished by the Department, an electronic report in such form as may be required by the Department in order to compute, and assure the accuracy of, the tax due on all taxable sales and uses of alcoholic liquor occurring during the preceding month. An electronic payment of the tax in the amount disclosed by the report shall accompany the report. A manufacturer or distributor who files an electronic report and electronically pays the tax imposed pursuant to Section 8-1 to the Department of Revenue on or before the 15th day of the calendar month following the calendar month in which such alcoholic

liquor is sold or used by that manufacturer or importing distributor other than in an authorized tax-free manner shall pay to the Department the amount of the tax imposed pursuant to Section 8-1, less a discount which is allowed to reimburse the manufacturer or importing distributor for the expenses incurred in keeping and maintaining records, preparing and filing the electronic returns, remitting the tax, and supplying data to the Department upon request.

The discount shall be in an amount as follows:

1. For original returns due on or after January 1, 2003 through September 30, 2003, the discount shall be 1.75% or $1,250 per return, whichever is less;

2. For original returns due on or after October 1, 2003 through September 30, 2004, the discount shall be 2% or $3,000 per return, whichever is less; and

3. For original returns due on or after October 1, 2004, the discount shall be 2% or $2,000 per return, whichever is less.

The Department may, if it deems it necessary in order to insure the payment of the tax imposed by this Article, require returns to be made more frequently than and covering periods of less than a month. Such return shall contain such further information as the Department may reasonably require.

It shall be presumed that all alcoholic liquors acquired or made by any importing distributor or manufacturer have been sold or used by him in this State and are the basis for the tax imposed by this Article unless proven, to the satisfaction of the Department, that such alcoholic liquors are (1) still in the possession of such importing distributor or manufacturer, or (2) prior to the termination of possession have been lost by theft or through unintentional destruction, or (3) that such alcoholic liquors are otherwise exempt from taxation under this Act.

If any payment provided for in this Section exceeds the manufacturer's or importing distributor's liabilities under this Act, as shown on an original report, the manufacturer or importing distributor may credit such excess payment against liability subsequently to be remitted to the Department under this Act, in accordance with reasonable rules adopted by the Department. If the Department subsequently determines that all or any part of the credit taken was not actually due to the manufacturer or importing distributor, the manufacturer's or importing distributor's discount shall be reduced by an amount equal to the difference between the discount as applied to the credit taken and that

New matter indicated by italics - deletions by strikeout
actually due, and the manufacturer or importing distributor shall be liable for penalties and interest on such difference.

The Department may require any foreign importer to file monthly information returns, by the 15th day of the month following the month which any such return covers, if the Department determines this to be necessary to the proper performance of the Department's functions and duties under this Act. Such return shall contain such information as the Department may reasonably require.

Every manufacturer and importing distributor shall also file, with the Department, a bond in an amount not less than $1,000 and not to exceed $100,000 on a form to be approved by, and with a surety or sureties satisfactory to, the Department. Such bond shall be conditioned upon the manufacturer or importing distributor paying to the Department all monies becoming due from such manufacturer or importing distributor under this Article. The Department shall fix the penalty of such bond in each case, taking into consideration the amount of alcoholic liquor expected to be sold and used by such manufacturer or importing distributor, and the penalty fixed by the Department shall be sufficient, in the Department's opinion, to protect the State of Illinois against failure to pay any amount due under this Article, but the amount of the penalty fixed by the Department shall not exceed twice the amount of tax liability of a monthly return, nor shall the amount of such penalty be less than $1,000. The Department shall notify the Commission of the Department's approval or disapproval of any such manufacturer's or importing distributor's bond, or of the termination or cancellation of any such bond, or of the Department's direction to a manufacturer or importing distributor that he must file additional bond in order to comply with this Section. The Commission shall not issue a license to any applicant for a manufacturer's or importing distributor's license unless the Commission has received a notification from the Department showing that such applicant has filed a satisfactory bond with the Department hereunder and that such bond has been approved by the Department. Failure by any licensed manufacturer or importing distributor to keep a satisfactory bond in effect with the Department or to furnish additional bond to the Department, when required hereunder by the Department to do so, shall be grounds for the revocation or suspension of such manufacturer's or importing distributor's license by the Commission. If a manufacturer or importing distributor fails to pay any amount due under this Article, his bond with the Department

shall be deemed forfeited, and the Department may institute a suit in its
own name on such bond.

After notice and opportunity for a hearing the State Commission
may revoke or suspend the license of any manufacturer or importing
distributor who fails to comply with the provisions of this Section. Notice
of such hearing and the time and place thereof shall be in writing and shall
contain a statement of the charges against the licensee. Such notice may be
given by United States registered or certified mail with return receipt
requested, addressed to the person concerned at his last known address and
shall be given not less than 7 days prior to the date fixed for the hearing.
An order revoking or suspending a license under the provisions of this
Section may be reviewed in the manner provided in Section 7-10 of this
Act. No new license shall be granted to a person whose license has been
revoked for a violation of this Section or, in case of suspension, shall such
suspension be terminated until he has paid to the Department all taxes and
penalties which he owes the State under the provisions of this Act.

Every manufacturer or importing distributor who has, as verified
by the Department, continuously complied with the conditions of the bond
under this Act for a period of 2 years shall be considered to be a prior
continuous compliance taxpayer. In determining the consecutive period of
time for qualification as a prior continuous compliance taxpayer, any
consecutive period of time of qualifying compliance immediately prior to
the effective date of this amendatory Act of 1987 shall be credited to any
manufacturer or importing distributor.

A manufacturer or importing distributor that is a prior continuous
compliance taxpayer under this Section and becomes a successor as the
result of an acquisition, merger, or consolidation of a manufacturer or
importing distributor shall be deemed to be a prior continuous compliance
taxpayer with respect to the acquired, merged, or consolidated entity.

Every prior continuous compliance taxpayer shall be exempt from
the bond requirements of this Act until the Department has determined the
taxpayer to be delinquent in the filing of any return or deficient in the
payment of any tax under this Act. Any taxpayer who fails to pay an
admitted or established liability under this Act may also be required to
post bond or other acceptable security with the Department guaranteeing
the payment of such admitted or established liability.

The Department shall discharge any surety and shall release and
return any bond or security deposit assigned, pledged or otherwise
provided to it by a taxpayer under this Section within 30 days after: (1)
such taxpayer becomes a prior continuous compliance taxpayer; or (2) such taxpayer has ceased to collect receipts on which he is required to remit tax to the Department, has filed a final tax return, and has paid to the Department an amount sufficient to discharge his remaining tax liability as determined by the Department under this Act.

Section 155. The Energy Assistance Act is amended by changing Section 13 and by adding Section 19 as follows:

(305 ILCS 20/13)

(Section scheduled to be repealed on January 1, 2025)

(a) The Supplemental Low-Income Energy Assistance Fund is hereby created as a special fund in the State Treasury. The Supplemental Low-Income Energy Assistance Fund is authorized to receive moneys from voluntary donations from individuals, foundations, corporations, and other sources, moneys received pursuant to Section 17, and, by statutory deposit, the moneys collected pursuant to this Section. The Fund is also authorized to receive voluntary donations from individuals, foundations, corporations, and other sources. Subject to appropriation, the Department shall use moneys from the Supplemental Low-Income Energy Assistance Fund for payments to electric or gas public utilities, municipal electric or gas utilities, and electric cooperatives on behalf of their customers who are participants in the program authorized by Sections 4 and 18 of this Act, for the provision of weatherization services and for administration of the Supplemental Low-Income Energy Assistance Fund. The yearly expenditures for weatherization may not exceed 10% of the amount collected during the year pursuant to this Section. The yearly administrative expenses of the Supplemental Low-Income Energy Assistance Fund may not exceed 10% of the amount collected during that year pursuant to this Section, except when unspent funds from the Supplemental Low-Income Energy Assistance Fund are reallocated from a previous year; any unspent balance of the 10% administrative allowance may be utilized for administrative expenses in the year they are reallocated.

(b) Notwithstanding the provisions of Section 16-111 of the Public Utilities Act but subject to subsection (k) of this Section, each public utility, electric cooperative, as defined in Section 3.4 of the Electric Supplier Act, and municipal utility, as referenced in Section 3-105 of the Public Utilities Act, that is engaged in the delivery of electricity or the

distribution of natural gas within the State of Illinois shall, effective January 1, 1998, assess each of its customer accounts a monthly Energy Assistance Charge for the Supplemental Low-Income Energy Assistance Fund. The delivering public utility, municipal electric or gas utility, or electric or gas cooperative for a self-assessing purchaser remains subject to the collection of the fee imposed by this Section. The monthly charge shall be as follows:

1. $0.48 per month on each account for residential electric service;
2. $0.48 per month on each account for residential gas service;
3. $4.80 per month on each account for non-residential electric service which had less than 10 megawatts of peak demand during the previous calendar year;
4. $4.80 per month on each account for non-residential gas service which had distributed to it less than 4,000,000 therms of gas during the previous calendar year;
5. $360 per month on each account for non-residential electric service which had 10 megawatts or greater of peak demand during the previous calendar year; and
6. $360 per month on each account for non-residential gas service which had 4,000,000 or more therms of gas distributed to it during the previous calendar year.

The incremental change to such charges imposed by this amendatory Act of the 96th General Assembly shall not (i) be used for any purpose other than to directly assist customers and (ii) be applicable to utilities serving less than 100,000 customers in Illinois on January 1, 2009.

In addition, electric and gas utilities have committed, and shall contribute, a one-time payment of $22 million to the Fund, within 10 days after the effective date of the tariffs established pursuant to Sections 16-111.8 and 19-145 of the Public Utilities Act to be used for the Department's cost of implementing the programs described in Section 18 of this amendatory Act of the 96th General Assembly, the Arrearage Reduction Program described in Section 18, and the programs described in Section 8-105 of the Public Utilities Act. If a utility elects not to file a rider within 90 days after the effective date of this amendatory Act of the 96th General Assembly, then the contribution from such utility shall be made no later than February 1, 2010.

(c) For purposes of this Section:

New matter indicated by italics - deletions by strikeout
(1) "residential electric service" means electric utility service for household purposes delivered to a dwelling of 2 or fewer units which is billed under a residential rate, or electric utility service for household purposes delivered to a dwelling unit or units which is billed under a residential rate and is registered by a separate meter for each dwelling unit;

(2) "residential gas service" means gas utility service for household purposes distributed to a dwelling of 2 or fewer units which is billed under a residential rate, or gas utility service for household purposes distributed to a dwelling unit or units which is billed under a residential rate and is registered by a separate meter for each dwelling unit;

(3) "non-residential electric service" means electric utility service which is not residential electric service; and

(4) "non-residential gas service" means gas utility service which is not residential gas service.

(d) Within 30 days after the effective date of this amendatory Act of the 96th General Assembly, each public utility engaged in the delivery of electricity or the distribution of natural gas shall file with the Illinois Commerce Commission tariffs incorporating the Energy Assistance Charge in other charges stated in such tariffs, which shall become effective no later than the beginning of the first billing cycle following such filing.

(e) The Energy Assistance Charge assessed by electric and gas public utilities shall be considered a charge for public utility service.

(f) By the 20th day of the month following the month in which the charges imposed by the Section were collected, each public utility, municipal utility, and electric cooperative shall remit to the Department of Revenue all moneys received as payment of the Energy Assistance Charge on a return prescribed and furnished by the Department of Revenue showing such information as the Department of Revenue may reasonably require; provided, however, that a utility offering an Arrearage Reduction Program or Supplemental Arrearage Reduction Program pursuant to Section 18 of this Act shall be entitled to net those amounts necessary to fund and recover the costs of such Programs as authorized by that Section that is no more than the incremental change in such Energy Assistance Charge authorized by Public Act 96-33. If a customer makes a partial payment, a public utility, municipal utility, or electric cooperative may elect either: (i) to apply such partial payments first to amounts owed to the utility or cooperative for its services and then to payment for the Energy Assistance Charge assessed on the Customer’s account.
Assistance Charge or (ii) to apply such partial payments on a pro-rata basis between amounts owed to the utility or cooperative for its services and to payment for the Energy Assistance Charge.

If any payment provided for in this Section exceeds the distributor's liabilities under this Act, as shown on an original return, the Department may authorize the distributor to credit such excess payment against liability subsequently to be remitted to the Department under this Act, in accordance with reasonable rules adopted by the Department. If the Department subsequently determines that all or any part of the credit taken was not actually due to the distributor, the distributor's discount shall be reduced by an amount equal to the difference between the discount as applied to the credit taken and that actually due, and that distributor shall be liable for penalties and interest on such difference.

(g) The Department of Revenue shall deposit into the Supplemental Low-Income Energy Assistance Fund all moneys remitted to it in accordance with subsection (f) of this Section; provided, however, that the amounts remitted by each utility shall be used to provide assistance to that utility's customers. The utilities shall coordinate with the Department to establish an equitable and practical methodology for implementing this subsection (g) beginning with the 2010 program year.

(h) On or before December 31, 2002, the Department shall prepare a report for the General Assembly on the expenditure of funds appropriated from the Low-Income Energy Assistance Block Grant Fund for the program authorized under Section 4 of this Act.

(i) The Department of Revenue may establish such rules as it deems necessary to implement this Section.

(j) The Department of Commerce and Economic Opportunity may establish such rules as it deems necessary to implement this Section.

(k) The charges imposed by this Section shall only apply to customers of municipal electric or gas utilities and electric or gas cooperatives if the municipal electric or gas utility or electric or gas cooperative makes an affirmative decision to impose the charge. If a municipal electric or gas utility or an electric cooperative makes an affirmative decision to impose the charge provided by this Section, the municipal electric or gas utility or electric cooperative shall inform the Department of Revenue in writing of such decision when it begins to impose the charge. If a municipal electric or gas utility or electric or gas cooperative does not assess this charge, the Department may not use funds from the Supplemental Low-Income Energy Assistance Fund to provide
benefits to its customers under the program authorized by Section 4 of this Act.

In its use of federal funds under this Act, the Department may not cause a disproportionate share of those federal funds to benefit customers of systems which do not assess the charge provided by this Section.

This Section is repealed on January 1, 2025 unless renewed by action of the General Assembly.

References in the incorporated Sections of the Retailers' Occupation Tax Act to retailers, to sellers, or to persons engaged in the business of selling tangible personal property mean persons required to remit the charge imposed under this Act.

Section 160. The Environmental Protection Act is amended by changing Section 55.10 as follows:

(415 ILCS 5/55.10) (from Ch. 111 1/2, par. 1055.10)

Sec. 55.10. Tax returns by retailer.

(a) Except as otherwise provided in this Section, for returns due on or before January 31, 2010, each retailer of tires maintaining a place of business in this State shall make a return to the Department of Revenue on a quarter annual basis, with the return for January, February and March of a given year being due by April 30 of that year; with the return for April, May and June of a given year being due by July 31 of that year; with the return for July, August and September of a given year being due by October 31 of that year; and with the return for October, November and December of a given year being due by January 31 of the following year.

For returns due after January 31, 2010, each retailer of tires maintaining a place of business in this State shall make a return to the Department of Revenue on a quarter annual basis, with the return for January, February, and March of a given year being due by April 20 of that year; with the return for April, May, and June of a given year being due by July 20 of that year; with the return for July, August, and September of a given year being due by October 20 of that year; and with the return for
October, November, and December of a given year being due by January 20 of the following year.

Notwithstanding any other provision of this Section to the contrary, the return for October, November, and December of 2009 is due by February 20, 2010.

On and after January 1, 2018, tire retailers and suppliers required to file electronically under Section 3 of the Retailers' Occupation Tax Act or Section 9 of the Use Tax Act must electronically file all returns pursuant to this Act. Tire retailers and suppliers who demonstrate that they do not have access to the Internet or demonstrate hardship in filing electronically may petition the Department to waive the electronic filing requirement.

(b) Each return made to the Department of Revenue shall state:

1. the name of the retailer;
2. the address of the retailer's principal place of business, and the address of the principal place of business (if that is a different address) from which the retailer engages in the business of making retail sales of tires;
3. total number of tires sold at retail for the preceding calendar quarter;
4. the amount of tax due; and
5. such other reasonable information as the Department of Revenue may require.

If any payment provided for in this Section exceeds the retailer's liabilities under this Act, as shown on an original return, the retailer may credit such excess payment against liability subsequently to be remitted to the Department under this Act, in accordance with reasonable rules adopted by the Department. If the Department subsequently determines that all or any part of the credit taken was not actually due to the retailer, the retailer's discount shall be reduced by the monetary amount of the discount applicable to the difference between the credit taken and that actually due, and the retailer shall be liable for penalties and interest on such difference.

Notwithstanding any other provision of this Act concerning the time within which a retailer may file his return, in the case of any retailer who ceases to engage in the retail sale of tires, the retailer shall file a final return under this Act with the Department of Revenue not more than one month after discontinuing that business.

Section 165. The Environmental Impact Fee Law is amended by changing Section 315 as follows:

(415 ILCS 125/315)

(Section scheduled to be repealed on January 1, 2025)

Sec. 315. Fee on receivers of fuel for sale or use; collection and reporting. A person that is required to pay the fee imposed by this Law shall pay the fee to the Department by return showing all fuel purchased, acquired, or received and sold, distributed or used during the preceding calendar month, including losses of fuel as the result of evaporation or shrinkage due to temperature variations, and such other reasonable information as the Department may require. Losses of fuel as the result of evaporation or shrinkage due to temperature variations may not exceed 1% of the total gallons in storage at the beginning of the month, plus the receipts of gallonage during the month, minus the gallonage remaining in storage at the end of the month. Any loss reported that is in excess of this amount shall be subject to the fee imposed by Section 310 of this Law. On and after July 1, 2001, for each 6-month period January through June, net losses of fuel (for each category of fuel that is required to be reported on a return) as the result of evaporation or shrinkage due to temperature variations may not exceed 1% of the total gallons in storage at the beginning of each January, plus the receipts of gallonage each January through June, minus the gallonage remaining in storage at the end of each June. On and after July 1, 2001, for each 6-month period July through December, net losses of fuel (for each category of fuel that is required to be reported on a return) as the result of evaporation or shrinkage due to temperature variations may not exceed 1% of the total gallons in storage at the beginning of each July, plus the receipts of gallonage each July through December, minus the gallonage remaining in storage at the end of each December. Any net loss reported that is in excess of this amount shall be subject to the fee imposed by Section 310 of this Law. For purposes of this Section, "net loss" means the number of gallons gained through temperature variations minus the number of gallons lost through temperature variations or evaporation for each of the respective 6-month periods.

The return shall be prescribed by the Department and shall be filed between the 1st and 20th days of each calendar month. The Department may, in its discretion, combine the return filed under this Law with the return filed under Section 2b of the Motor Fuel Tax Law. If the return is timely filed, the receiver may take a discount of 2% through June 30, 2003

and 1.75% thereafter to reimburse himself for the expenses incurred in keeping records, preparing and filing returns, collecting and remitting the fee, and supplying data to the Department on request. However, the discount applies only to the amount of the fee payment that accompanies a return that is timely filed in accordance with this Section.

*If any payment provided for in this Section exceeds the receiver's liabilities under this Act, as shown on an original return, the Department may authorize the receiver to credit such excess payment against liability subsequently to be remitted to the Department under this Act, in accordance with reasonable rules adopted by the Department. If the Department subsequently determines that all or any part of the credit taken was not actually due to the receiver, the receiver's discount shall be reduced by an amount equal to the difference between the discount as applied to the credit taken and that actually due, and that receiver shall be liable for penalties and interest on such difference.*

Section 170. The Drycleaner Environmental Response Trust Fund Act is amended by changing Section 65 as follows:

(415 ILCS 135/65)

(Section scheduled to be repealed on January 1, 2020)

Sec. 65. Drycleaning solvent tax.

(a) On and after January 1, 1998, a tax is imposed upon the use of drycleaning solvent by a person engaged in the business of operating a drycleaning facility in this State at the rate of $3.50 per gallon of perchloroethylene or other chlorinated drycleaning solvents used in drycleaning operations, $0.35 per gallon of petroleum-based drycleaning solvent, and $1.75 per gallon of green solvents, unless the green solvent is used at a virgin facility, in which case the rate is $0.35 per gallon. The Council shall determine by rule which products are chlorine-based solvents, which products are petroleum-based solvents, and which products are green solvents. All drycleaning solvents shall be considered chlorinated solvents unless the Council determines that the solvents are petroleum-based drycleaning solvents or green solvents.

(b) The tax imposed by this Act shall be collected from the purchaser at the time of sale by a seller of drycleaning solvents maintaining a place of business in this State and shall be remitted to the Department of Revenue under the provisions of this Act.

New matter indicated by italics - deletions by strikeout
(c) The tax imposed by this Act that is not collected by a seller of drycleaning solvents shall be paid directly to the Department of Revenue by the purchaser or end user who is subject to the tax imposed by this Act.

(d) No tax shall be imposed upon the use of drycleaning solvent if the drycleaning solvent will not be used in a drycleaning facility or if a floor stock tax has been imposed and paid on the drycleaning solvent. Prior to the purchase of the solvent, the purchaser shall provide a written and signed certificate to the drycleaning solvent seller stating:

(1) the name and address of the purchaser;
(2) the purchaser's signature and date of signing; and
(3) one of the following:
   (A) that the drycleaning solvent will not be used in a drycleaning facility; or
   (B) that a floor stock tax has been imposed and paid on the drycleaning solvent.

(e) On January 1, 1998, there is imposed on each operator of a drycleaning facility a tax on drycleaning solvent held by the operator on that date for use in a drycleaning facility. The tax imposed shall be the tax that would have been imposed under subsection (a) if the drycleaning solvent held by the operator on that date had been purchased by the operator during the first year of this Act.

(f) On or before the 25th day of the 1st month following the end of the calendar quarter, a seller of drycleaning solvents who has collected a tax pursuant to this Section during the previous calendar quarter, or a purchaser or end user of drycleaning solvents required under subsection (c) to submit the tax directly to the Department, shall file a return with the Department of Revenue. The return shall be filed on a form prescribed by the Department of Revenue and shall contain information that the Department of Revenue reasonably requires, but at a minimum will require the reporting of the volume of drycleaning solvent sold to each licensed drycleaner. The Department of Revenue shall report quarterly to the Council the volume of drycleaning solvent purchased for the quarter by each licensed drycleaner. Each seller of drycleaning solvent maintaining a place of business in this State who is required or authorized to collect the tax imposed by this Act shall pay to the Department the amount of the tax at the time when he or she is required to file his or her return for the period during which the tax was collected. Purchasers or end users remitting the tax directly to the Department under subsection (c) shall file a return with

New matter indicated by italics - deletions by strikeout
the Department of Revenue and pay the tax so incurred by the purchaser or end user during the preceding calendar quarter.

Except as provided in this Section, the seller of drycleaning solvents filing the return under this Section shall, at the time of filing the return, pay to the Department the amount of tax imposed by this Act less a discount of 1.75%, or $5 per calendar year, whichever is greater. Failure to timely file the returns and provide to the Department the data requested under this Act will result in disallowance of the reimbursement discount.

(g) The tax on drycleaning solvents used in drycleaning facilities and the floor stock tax shall be administered by Department of Revenue under rules adopted by that Department.

(h) On and after January 1, 1998, no person shall knowingly sell or transfer drycleaning solvent to an operator of a drycleaning facility that is not licensed by the Council under Section 60.

(i) The Department of Revenue may adopt rules as necessary to implement this Section.

(j) If any payment provided for in this Section exceeds the seller's liabilities under this Act, as shown on an original return, the seller may credit such excess payment against liability subsequently to be remitted to the Department under this Act, in accordance with reasonable rules adopted by the Department. If the Department subsequently determines that all or any part of the credit taken was not actually due to the seller, the seller's discount shall be reduced by an amount equal to the difference between the discount as applied to the credit taken and that actually due, and the seller shall be liable for penalties and interest on such difference.

Section 10. Minimum safety standards.
(a) As soon as practicable, but not later than 3 months after the effective date of this Act, the Department shall adopt rules establishing minimum safety standards for underground natural gas storage facilities. Such rules shall be at least as inclusive, stringent, and compatible with the minimum safety standards adopted by the Secretary of Transportation under 49 U.S.C. 60141. Thereafter, the Department shall maintain such rules so that the rules are at least as inclusive, stringent, and compatible with the minimum standards from time to time in effect under 49 U.S.C. 60141.

(b) Standards established under this Section may apply to the design, installation, inspection, testing, construction, extension, operation, replacement, and maintenance of underground natural gas storage facilities. In accordance with 49 U.S.C. 60104(b), standards affecting the design, installation, construction, initial inspection, and initial testing are not applicable to underground natural gas storage facilities in existence on the date the standards are adopted. If the Department finds that a facility is hazardous to life or property, it may require the person operating the facility to take the steps necessary to remove the hazard.

(c) Standards established by the Department under this Act shall, subject to subsections (a) and (b), be practicable and designed to meet the need for underground natural gas storage facility safety. In prescribing the standards, the Department shall consider 49 U.S.C. 60141(b).

Section 15. Waiver. Subject to 49 U.S.C. 60118(d), the Department may, upon application by any person operating an underground natural gas storage facility, waive in whole or in part compliance with any standard established under this Act if it determines that such a waiver is consistent with the safety of underground natural gas storage facilities.

Section 20. Inspection and maintenance plan. A person who operates an underground natural gas storage facility shall file with the Department a plan for inspection and maintenance of the downhole portion of each underground natural gas storage facility owned or operated by the person, as well as any changes in the plan, in accordance with rules prescribed by the Department. the person to file the plan for approval. If the Department finds, at any time, that the plan is inadequate to achieve safe operation, the Department shall, after notice and opportunity for a hearing, require the plan to be revised. The plan required by the Department under this Section must be practicable and designed to meet the need for the safety of underground natural gas storage facilities. In determining the adequacy of a plan, the Department shall consider: (i) relevant available underground natural gas storage facility safety data; (ii) whether the plan is appropriate for the particular type of facility; (iii) the reasonableness of the plan; and (iv) the extent to which the plan will contribute to public safety.

Section 25. Requirements; underground natural gas storage facility operation. A person who operates an underground natural gas storage facility shall: (1) after the date any applicable safety standard established under this Act takes effect, comply with the requirements of such standard at all times; (2) file and comply with the plan of inspection and maintenance required by Section 20; (3) keep records, make reports, provide information, and permit inspection of its books, records, and facilities as the Department reasonably requires to ensure compliance with this Act and the rules established under this Act; and (4) file with the Department, under rules adopted by the Department, reports of all accidents involving or related to the downhole portion of an underground natural gas storage facility.

Section 30. Penalties; action for penalties; Department approval of penalties.

(b) Any civil penalty may be compromised by the Department or, subject to this Act, by the underground natural gas storage safety manager. In determining the amount of the penalty, the Department shall consider the standards set forth in 49 U.S.C. 60122(b). The final amount of the penalty or the amount agreed upon in the compromise shall be paid or deducted from any sums owing by the State of Illinois to the person charged under the terms and conditions of the notice of probable violation, the agreed compromise, or the Department order, whichever applies, or may be recovered in a civil action in accordance with subsection (c). Unless specifically stated otherwise in the terms and conditions of a compromise agreement, a compromise of a penalty recommended in a
notice of probable violation by the person charged shall not be an
admission of liability.

(c) Actions to recover penalties under this Act shall be brought in
the name of the People of the State of Illinois in the circuit court in and for
the county where the cause or part of the cause arose, where the
Department has a principal place of business, where the corporation
complained of, if any, has its principal place of business, or where the
person, if any, complained of resides. All penalties recovered by the State
in an action shall be paid to the Underground Resources Conservation
Enforcement Fund. The action shall be commenced and prosecuted to final
judgment by the Attorney General on behalf of the Department. In all such
actions, the procedure and rules of evidence shall comply with the Civil
Practice Law and other rules of court governing civil trials.

(d) The Department may proceed under Section 11 of the Illinois
Oil and Gas Act, either by mandamus or injunction, to secure compliance
with its rules and orders issued under this Act.

other penalty provided in the Illinois Oil and Gas Act for the same action.

storage safety manager is paid by the person charged in the applicable
notice of probable violation in accordance with subsection (b), or in
accordance with the terms and conditions of a compromise agreed upon by
the person and the underground natural gas storage safety manager, then
the underground natural gas storage safety manager shall report to, and
request the approval of, the Director for each payment of a recommended
penalty or agreed compromise, whichever applies, and shall also post the
report on the Department's website as a public document. If the report and
request for approval is made to the Director, the Director shall have the
power, and is hereby given the authority, either upon the complaint or
upon her or his own motion, after reasonable notice has been given within
45 days after the report and request for approval was made, to enter a
hearing concerning the propriety of the applicable notice of probable
violation, payment, or compromise. If the Director does not exercise this
power within the 45-day period, the payment or agreed compromise
referenced in the report shall be approved by the Director by operation of
law at the expiration of the 45-day period and the notice of probable
violation and related investigation shall be closed.

(e) The person charged in the applicable notice of probable violation shall have 30 days from the date of service of the notice of probable violation to request a hearing. The filing of a request for a hearing shall not operate as a stay of the notice of probable violation.

Within 30 days after the close of the hearing record or expiration of the time to request a hearing, the Department shall issue a final administrative order.

AN ACT concerning regulation.

Be it enacted by the People of the State of Illinois, represented in the General Assembly:

Section 5. If and only if Senate Bill 904 of the 100th General Assembly becomes law in the form in which it passed both houses on May 31, 2018, then the Workers' Compensation Act is amended by changing Section 8.2 as follows:

(820 ILCS 305/8.2)
Sec. 8.2. Fee schedule.
(a) Except as provided for in subsection (c), for procedures, treatments, or services covered under this Act and rendered or to be rendered on and after February 1, 2006, the maximum allowable payment shall be 90% of the 80th percentile of charges and fees as determined by the Commission utilizing information provided by employers' and insurers' national databases, with a minimum of 12,000,000 Illinois line item charges and fees comprised of health care provider and hospital charges and fees as of August 1, 2004 but not earlier than August 1, 2002. These charges and fees are provider billed amounts and shall not include discounted charges. The 80th percentile is the point on an ordered data set from low to high such that 80% of the cases are below or equal to that point and at most 20% are above or equal to that point. The Commission shall adjust these historical charges and fees as of August 1, 2004 by the Consumer Price Index-U for the period August 1, 2004 through September 30, 2005. The Commission shall establish fee schedules for procedures, treatments, or services for hospital inpatient, hospital outpatient, emergency room and trauma, ambulatory surgical treatment centers, and professional services. These charges and fees shall be designated by geozip or any smaller geographic unit. The data shall in no way identify or tend to identify any patient, employer, or health care provider. As used in this Section, "geozip" means a three-digit zip code based on data similarities, geographical similarities, and frequencies. A geozip does not cross state boundaries. As used in this Section, "three-digit zip code" means a geographic area in which all zip codes have the same first 3 digits. If a geozip does not have the necessary number of charges and fees to calculate a valid percentile for a specific procedure, treatment, or service, the Commission may combine data from the geozip with up to 4 other

New matter indicated by italics - deletions by strikeout
geozips that are demographically and economically similar and exhibit similarities in data and frequencies until the Commission reaches 9 charges or fees for that specific procedure, treatment, or service. In cases where the compiled data contains less than 9 charges or fees for a procedure, treatment, or service, reimbursement shall occur at 76% of charges and fees as determined by the Commission in a manner consistent with the provisions of this paragraph. Providers of out-of-state procedures, treatments, services, products, or supplies shall be reimbursed at the lesser of that state's fee schedule amount or the fee schedule amount for the region in which the employee resides. If no fee schedule exists in that state, the provider shall be reimbursed at the lesser of the actual charge or the fee schedule amount for the region in which the employee resides. Not later than September 30 in 2006 and each year thereafter, the Commission shall automatically increase or decrease the maximum allowable payment for a procedure, treatment, or service established and in effect on January 1 of that year by the percentage change in the Consumer Price Index-U for the 12 month period ending August 31 of that year. The increase or decrease shall become effective on January 1 of the following year. As used in this Section, "Consumer Price Index-U" means the index published by the Bureau of Labor Statistics of the U.S. Department of Labor, that measures the average change in prices of all goods and services purchased by all urban consumers, U.S. city average, all items, 1982-84=100.

(a-1) Notwithstanding the provisions of subsection (a) and unless otherwise indicated, the following provisions shall apply to the medical fee schedule starting on September 1, 2011:

(1) The Commission shall establish and maintain fee schedules for procedures, treatments, products, services, or supplies for hospital inpatient, hospital outpatient, emergency room, ambulatory surgical treatment centers, accredited ambulatory surgical treatment facilities, prescriptions filled and dispensed outside of a licensed pharmacy, dental services, and professional services. This fee schedule shall be based on the fee schedule amounts already established by the Commission pursuant to subsection (a) of this Section. However, starting on January 1, 2012, these fee schedule amounts shall be grouped into geographic regions in the following manner:

(A) Four regions for non-hospital fee schedule amounts shall be utilized:

(i) Cook County;
(ii) DuPage, Kane, Lake, and Will Counties;
(iii) Bond, Calhoun, Clinton, Jersey, Macoupin, Madison, Monroe, Montgomery, Randolph, St. Clair, and Washington Counties; and
(iv) All other counties of the State.
(B) Fourteen regions for hospital fee schedule amounts shall be utilized:
   (i) Cook, DuPage, Will, Kane, McHenry, DeKalb, Kendall, and Grundy Counties;
   (ii) Kankakee County;
   (iii) Madison, St. Clair, Macoupin, Clinton, Monroe, Jersey, Bond, and Calhoun Counties;
   (iv) Winnebago and Boone Counties;
   (v) Peoria, Tazewell, Woodford, Marshall, and Stark Counties;
   (vi) Champaign, Piatt, and Ford Counties;
   (vii) Rock Island, Henry, and Mercer Counties;
   (viii) Sangamon and Menard Counties;
   (ix) McLean County;
   (x) Lake County;
   (xi) Macon County;
   (xii) Vermilion County;
   (xiii) Alexander County; and
   (xiv) All other counties of the State.

(2) If a geozip, as defined in subsection (a) of this Section, overlaps into one or more of the regions set forth in this Section, then the Commission shall average or repeat the charges and fees in a geozip in order to designate charges and fees for each region.

(3) In cases where the compiled data contains less than 9 charges or fees for a procedure, treatment, product, supply, or service or where the fee schedule amount cannot be determined by the non-discounted charge data, non-Medicare relative values and conversion factors derived from established fee schedule amounts, coding crosswalks, or other data as determined by the Commission, reimbursement shall occur at 76% of charges and fees until September 1, 2011 and 53.2% of charges and fees thereafter as determined by the Commission in a manner consistent with the provisions of this paragraph.

New matter indicated by italics - deletions by strikeout
(4) To establish additional fee schedule amounts, the Commission shall utilize provider non-discounted charge data, non-Medicare relative values and conversion factors derived from established fee schedule amounts, and coding crosswalks. The Commission may establish additional fee schedule amounts based on either the charge or cost of the procedure, treatment, product, supply, or service.

(5) Implants shall be reimbursed at 25% above the net manufacturer's invoice price less rebates, plus actual reasonable and customary shipping charges whether or not the implant charge is submitted by a provider in conjunction with a bill for all other services associated with the implant, submitted by a provider on a separate claim form, submitted by a distributor, or submitted by the manufacturer of the implant. "Implants" include the following codes or any substantially similar updated code as determined by the Commission: 0274 (prosthetics/orthotics); 0275 (pacemaker); 0276 (lens implant); 0278 (implants); 0540 and 0545 (ambulance); 0624 (investigational devices); and 0636 (drugs requiring detailed coding). Non-implantable devices or supplies within these codes shall be reimbursed at 65% of actual charge, which is the provider's normal rates under its standard chargemaster. A standard chargemaster is the provider's list of charges for procedures, treatments, products, supplies, or services used to bill payers in a consistent manner.

(6) The Commission shall automatically update all codes and associated rules with the version of the codes and rules valid on January 1 of that year.

(a-2) For procedures, treatments, services, or supplies covered under this Act and rendered on or to be rendered on or after September 1, 2011, the maximum allowable payment shall be 70% of the fee schedule amounts, which shall be adjusted yearly by the Consumer Price Index-U, as described in subsection (a) of this Section.

(a-3) Prescriptions filled and dispensed outside of a licensed pharmacy shall be subject to a fee schedule that shall not exceed the Average Wholesale Price (AWP) plus a dispensing fee of $4.18. AWP or its equivalent as registered by the National Drug Code shall be set forth for that drug on that date as published in Medispan.

(b) Notwithstanding the provisions of subsection (a), if the Commission finds that there is a significant limitation on access to quality
health care in either a specific field of health care services or a specific geographic limitation on access to health care, it may change the Consumer Price Index-U increase or decrease for that specific field or specific geographic limitation on access to health care to address that limitation.

(c) The Commission shall establish by rule a process to review those medical cases or outliers that involve extra-ordinary treatment to determine whether to make an additional adjustment to the maximum payment within a fee schedule for a procedure, treatment, or service.

(d) When a patient notifies a provider that the treatment, procedure, or service being sought is for a work-related illness or injury and furnishes the provider the name and address of the responsible employer, the provider shall bill the employer or its designee directly. The employer or its designee shall make payment for treatment in accordance with the provisions of this Section directly to the provider, except that, if a provider has designated a third-party billing entity to bill on its behalf, payment shall be made directly to the billing entity. Providers shall submit bills and records in accordance with the provisions of this Section.

(1) All payments to providers for treatment provided pursuant to this Act shall be made within 30 days of receipt of the bills as long as the bill contains substantially all the required data elements necessary to adjudicate the bill.

(2) If the bill does not contain substantially all the required data elements necessary to adjudicate the bill, or the claim is denied for any other reason, in whole or in part, the employer or insurer shall provide written notification to the provider in the form of an explanation of benefits explaining the basis for the denial and describing any additional necessary data elements within 30 days of receipt of the bill. The Commission, with assistance from the Medical Fee Advisory Board, shall adopt rules detailing the requirements for the explanation of benefits required under this subsection.

(3) In the case (i) of nonpayment to a provider within 30 days of receipt of the bill which contained substantially all of the required data elements necessary to adjudicate the bill, (ii) of nonpayment to a provider of a portion of such a bill, or (iii) where the provider has not been issued an explanation of benefits for a bill, the bill, or portion of the bill up to the lesser of the actual charge or the payment level set by the Commission in the fee

schedule established in this Section, shall incur interest at a rate of 1% per month payable by the employer to the provider. Any required interest payments shall be made by the employer or its insurer to the provider within not later than 30 days after payment of the bill.

(4) If the employer or its insurer fails to pay interest within 30 days after payment of the bill as required pursuant to paragraph (3) this subsection (d), the provider may bring an action in circuit court for the sole purpose of seeking payment of interest pursuant to paragraph (3) enforce the provisions of this subsection (d) against the employer or its insurer responsible for insuring the employer's liability pursuant to item (3) of subsection (a) of Section 4. The circuit court's jurisdiction shall be limited to enforcing payment of interest pursuant to paragraph (3). Interest under paragraph (3) this subsection (d) is only payable to the provider. An employee is not responsible for the payment of interest under this Section. The right to interest under paragraph (3) this subsection (d) shall not delay, diminish, restrict, or alter in any way the benefits to which the employee or his or her dependents are entitled under this Act.

The changes made to this subsection (d) by this amendatory Act of the 100th General Assembly apply to procedures, treatments, and services rendered on and after the effective date of this amendatory Act of the 100th General Assembly.

(e) Except as provided in subsections (e-5), (e-10), and (e-15), a provider shall not hold an employee liable for costs related to a non-disputed procedure, treatment, or service rendered in connection with a compensable injury. The provisions of subsections (e-5), (e-10), (e-15), and (e-20) shall not apply if an employee provides information to the provider regarding participation in a group health plan. If the employee participates in a group health plan, the provider may submit a claim for services to the group health plan. If the claim for service is covered by the group health plan, the employee's responsibility shall be limited to applicable deductibles, co-payments, or co-insurance. Except as provided under subsections (e-5), (e-10), (e-15), and (e-20), a provider shall not bill or otherwise attempt to recover from the employee the difference between the provider's charge and the amount paid by the employer or the insurer on a compensable injury, or for medical services or treatment determined by the Commission to be excessive or unnecessary.

(e-5) If an employer notifies a provider that the employer does not consider the illness or injury to be compensable under this Act, the provider may seek payment of the provider's actual charges from the employee for any procedure, treatment, or service rendered. Once an employee informs the provider that there is an application filed with the Commission to resolve a dispute over payment of such charges, the provider shall cease any and all efforts to collect payment for the services that are the subject of the dispute. Any statute of limitations or statute of repose applicable to the provider's efforts to collect payment from the employee shall be tolled from the date that the employee files the application with the Commission until the date that the provider is permitted to resume collection efforts under the provisions of this Section.

(e-10) If an employer notifies a provider that the employer will pay only a portion of a bill for any procedure, treatment, or service rendered in connection with a compensable illness or disease, the provider may seek payment from the employee for the remainder of the amount of the bill up to the lesser of the actual charge, negotiated rate, if applicable, or the payment level set by the Commission in the fee schedule established in this Section. Once an employee informs the provider that there is an application filed with the Commission to resolve a dispute over payment of such charges, the provider shall cease any and all efforts to collect payment for the services that are the subject of the dispute. Any statute of limitations or statute of repose applicable to the provider's efforts to collect payment from the employee shall be tolled from the date that the employee files the application with the Commission until the date that the provider is permitted to resume collection efforts under the provisions of this Section.

(e-15) When there is a dispute over the compensability of or amount of payment for a procedure, treatment, or service, and a case is pending or proceeding before an Arbitrator or the Commission, the provider may mail the employee reminders that the employee will be responsible for payment of any procedure, treatment or service rendered by the provider. The reminders must state that they are not bills, to the extent practicable include itemized information, and state that the employee need not pay until such time as the provider is permitted to resume collection efforts under this Section. The reminders shall not be provided to any credit rating agency. The reminders may request that the employee furnish the provider with information about the proceeding under this Act, such as the file number, names of parties, and status of the case. If an employee fails to respond to such request for information or fails to furnish the

information requested within 90 days of the date of the reminder, the provider is entitled to resume any and all efforts to collect payment from the employee for the services rendered to the employee and the employee shall be responsible for payment of any outstanding bills for a procedure, treatment, or service rendered by a provider.

(e-20) Upon a final award or judgment by an Arbitrator or the Commission, or a settlement agreed to by the employer and the employee, a provider may resume any and all efforts to collect payment from the employee for the services rendered to the employee and the employee shall be responsible for payment of any outstanding bills for a procedure, treatment, or service rendered by a provider as well as the interest awarded under subsection (d) of this Section. In the case of a procedure, treatment, or service deemed compensable, the provider shall not require a payment rate, excluding the interest provisions under subsection (d), greater than the lesser of the actual charge or the payment level set by the Commission in the fee schedule established in this Section. Payment for services deemed not covered or not compensable under this Act is the responsibility of the employee unless a provider and employee have agreed otherwise in writing. Services not covered or not compensable under this Act are not subject to the fee schedule in this Section.

(f) Nothing in this Act shall prohibit an employer or insurer from contracting with a health care provider or group of health care providers for reimbursement levels for benefits under this Act different from those provided in this Section.

(g) On or before January 1, 2010 the Commission shall provide to the Governor and General Assembly a report regarding the implementation of the medical fee schedule and the index used for annual adjustment to that schedule as described in this Section.

AN ACT concerning children.

Be it enacted by the People of the State of Illinois, represented in the General Assembly:

Section 1. Short title; references to Act.
(a) Short title. This Act may be cited as the Reducing the Risk of Skin Cancer and Excessive UV Exposure in Children Act.
(b) References to Act. This Act may be referred to as the SUNucate Law.

Section 5. Definition. In this Act, "school personnel" means any employee of a school.

Section 10. Purpose. The General Assembly finds and declares the following:

(1) Many children are exposed to ultraviolet (UV) radiation due to suboptimal sunscreen use and high rates of sunburning and are therefore at risk of excessive UV exposure, which could lead to skin cancer development. It is a high priority to ensure that children can use sunscreen and sun-protective clothing when outdoors.

(2) News outlets have reported that some schools do not allow children to bring or use sunscreen without a prescription due to medication bans and fears of legal ramifications.

(3) The Centers for Disease Control and Prevention believe that school policies that prohibit hats or student possession of sunscreen can create barriers to the use of important sun protection methods.

(4) The United States Preventive Services Task Force recommends educating children, adolescents, and young adults on the dangers of sun exposure to reduce the risk of skin cancer.

(5) It is in the public's interest that schools set policies that include education on sun exposure and encourage our youth to use sun protection, including sunscreen and sun-protective clothing.

Section 15. Sun-protective measures in schools and youth camps.
(a) A student may possess and use a topical sunscreen product while on school property or at a school-sponsored event or activity without a physician's note or prescription if the product is approved by the United

States Food and Drug Administration for over-the-counter use for the purpose of limiting ultraviolet light-induced skin damage.

(b) A participant in a youth camp may possess and use a topical sunscreen product while attending the camp without a physician's note or prescription if the product is approved by the United States Food and Drug Administration for over-the-counter use for the purpose of limiting ultraviolet light-induced skin damage.

(c) A school district or youth camp operator may allow school or youth camp personnel to assist students or participants in applying a topical sunscreen product with parental permission.

(d) Except for willful or wanton misconduct, school personnel may not be held liable in a criminal or civil action for application of a topical sunscreen product if the topical sunscreen product is available to and used by the student in accordance with this Section.

(e) A school district or youth camp shall allow a student or participant to use articles of sun-protective clothing outdoors, including, but not limited to, hats. A school district or youth camp may set a policy related to the type of sun-protective clothing that will be allowed to be used outdoors under this subsection (e). Specific clothing determined by school or youth camp personnel to be inappropriate apparel may be prohibited by the policy.

Section 20. Sun-safe education. Beginning with the 2019-2020 school year, a school district may incorporate in its curriculum a unit of instruction on skin cancer prevention that is provided in an age appropriate manner and that includes, but is not limited to, the following components:

(1) the basic facts about skin cancer, including, but not limited to, the negative impact of human exposure to ultraviolet radiation obtained through sunburns and indoor tanning; and

(2) a comprehensive set of strategies and behaviors to reduce the risk of contracting skin cancer, including, but not limited to, the use of sunscreen and sun-protective clothing.

"Construction" means all work on public works involving laborers, workers or mechanics. This includes any maintenance, repair, assembly, or disassembly work performed on equipment whether owned, leased, or rented.

"Locality" means the county where the physical work upon public works is performed, except (1) that if there is not available in the county a sufficient number of competent skilled laborers, workers and mechanics to construct the public works efficiently and properly, "locality" includes any other county nearest the one in which the work or construction is to be performed and from which such persons may be obtained in sufficient numbers to perform the work and (2) that, with respect to contracts for highway work with the Department of Transportation of this State, "locality" may at the discretion of the Secretary of the Department of Transportation be construed to include two or more adjacent counties from which workers may be accessible for work on such construction.

(820 ILCS 130/4) (from Ch. 48, par. 39s-4)

Sec. 4. Ascertaining prevailing wage.

(a) The prevailing rate of wages paid to individuals covered under this Act shall not be less than the rate that prevails for work of a similar character on public works in the locality in which the work is performed under collective bargaining agreements or understandings between employers or employer associations and bona fide labor organizations relating to each craft or type of worker or mechanic needed to execute the contract or perform such work, and collective bargaining agreements or understandings successor thereto, provided that said employers or members of said employer associations employ at least 30% of the laborers, workers, or mechanics in the same trade or occupation in the locality where the work is being performed.

(b) If the prevailing rates of wages and fringe benefits cannot reasonably and fairly be applied in any locality because no such agreements or understandings exist, the Department of Labor shall determine the rates and fringe benefits for the same or most similar work in the nearest and most similar neighboring locality in which such agreements or understandings exist. The Department of Labor shall keep a record of its findings available for inspection by any interested party in the office of the Department of Labor.

(c) In the event it is determined, after a written objection is filed and hearing is held in accordance with Section 9 of this Act, that less than 30% of the laborers, workers, or mechanics in a particular trade or occupation in the locality where the work is performed receive a collectively bargained rate of wage, then the average wage paid to such laborers, workers, or mechanics in the same trade or occupation in the locality for the 12-month period preceding the Department of Labor’s annual determination shall be the prevailing rate of wage.

(d) The public body awarding any contract for public work or otherwise undertaking any public works, shall ascertain the general prevailing rate of hourly wages in the locality in which the work is to be performed, for each craft or type of worker or mechanic needed to execute the contract, and where the public body performs the work without letting a contract therefor, shall ascertain the prevailing rate of wages on a per

hour basis in the locality, and such public body shall specify in the resolution or ordinance and in the call for bids for the contract, or where the public body performing the work without letting the contract in a written instrument provided to the contractor, that the general prevailing rate of wages in the locality for each craft or type of worker or mechanic needed to execute the contract or perform such work, also the general prevailing rate for legal holiday and overtime work, as ascertained by the public body or by the Department of Labor shall be paid for each craft or type of worker needed to execute the contract or to perform such work, and it shall be mandatory upon the contractor to whom the contract is awarded and upon any subcontractor under him, and where the public body performs the work, upon the public body, to pay not less than the specified rates to all laborers, workers and mechanics employed by them in the execution of the contract or such work. Compliance with this Act is a matter of statewide concern, and a public body may not opt out of any provisions herein. ; provided, however, that if the public body desires that the Department of Labor ascertain the prevailing rate of wages, it shall notify the Department of Labor to ascertain the general prevailing rate of hourly wages for work under contract, or for work performed by a public body without letting a contract as required in the locality in which the work is to be performed, for each craft or type of worker or mechanic needed to execute the contract or project or work to be performed. Upon such notification the Department of Labor shall ascertain such general prevailing rate of wages, and certify the prevailing wage to such public body.

(e) (a-1) The public body or other entity awarding the contract shall cause to be inserted in the project specifications and the contract a stipulation to the effect that not less than the prevailing rate of wages as found by the public body or Department of Labor or determined by the court on review shall be paid to all laborers, workers and mechanics performing work under the contract.

(f) (a-2) When a public body or other entity covered by this Act has awarded work to a contractor without a public bid, contract or project specification, such public body or other entity shall comply with subsection (e) (a-1) by providing the contractor with written notice on the purchase order related to the work to be done or on a separate document indicating that not less than the prevailing rate of wages ascertained as found by the public body or Department of Labor or determined by the court on review shall be paid to all laborers, workers and mechanics performing work under the contract.

court on review shall be paid to all laborers, workers, and mechanics performing work on the project.

(g) (a-3) Where a complaint is made and the Department of Labor determines that a violation occurred, the Department of Labor shall determine if proper written notice under this Section 4 was given. If proper written notice was not provided to the contractor by the public body or other entity, the Department of Labor shall order the public body or other entity to pay any interest, penalties or fines that would have been owed by the contractor if proper written notice were provided. The failure by a public body or other entity to provide written notice does not relieve the contractor of the duty to comply with the prevailing wage rate, nor of the obligation to pay any back wages, as determined under this Act. For the purposes of this subsection, back wages shall be limited to the difference between the actual amount paid and the prevailing rate of wages required to be paid for the project. The failure by a public body or other entity to provide written notice under this Section 4 does not diminish the right of a laborer, worker, or mechanic to the prevailing rate of wages as determined under this Act.

(h) (b) It shall also be mandatory upon the contractor to whom the contract is awarded to insert into each subcontract and into the project specifications for each subcontract a written stipulation to the effect that not less than the prevailing rate of wages shall be paid to all laborers, workers, and mechanics performing work under the contract. It shall also be mandatory upon each subcontractor to cause to be inserted into each lower tiered subcontract and into the project specifications for each lower tiered subcontract a stipulation to the effect that not less than the prevailing rate of wages shall be paid to all laborers, workers, and mechanics performing work under the contract. A contractor or subcontractor who fails to comply with this subsection (b) is in violation of this Act.

(i) (b-1) When a contractor has awarded work to a subcontractor without a contract or contract specification, the contractor shall comply with subsection (h) (b) by providing a subcontractor with a written statement indicating that not less than the prevailing rate of wages shall be paid to all laborers, workers, and mechanics performing work on the project. A contractor or subcontractor who fails to comply with this subsection (b-1) is in violation of this Act.

(j) (b-2) Where a complaint is made and the Department of Labor determines that a violation has occurred, the Department of Labor shall
determine if proper written notice under this Section 4 was given. If proper written notice was not provided to the subcontractor by the contractor, the Department of Labor shall order the contractor to pay any interest, penalties, or fines that would have been owed by the subcontractor if proper written notice were provided. The failure by a contractor to provide written notice to a subcontractor does not relieve the subcontractor of the duty to comply with the prevailing wage rate, nor of the obligation to pay any back wages, as determined under this Act. For the purposes of this subsection, back wages shall be limited to the difference between the actual amount paid and the prevailing rate of wages required for the project. However, if proper written notice was not provided to the contractor by the public body or other entity under this Section 4, the Department of Labor shall order the public body or other entity to pay any interest, penalties, or fines that would have been owed by the subcontractor if proper written notice were provided. The failure by a public body or other entity to provide written notice does not relieve the subcontractor of the duty to comply with the prevailing wage rate, nor of the obligation to pay any back wages, as determined under this Act. For the purposes of this subsection, back wages shall be limited to the difference between the actual amount paid and the prevailing rate of wages required for the project. The failure to provide written notice by a public body, other entity, or contractor does not diminish the right of a laborer, worker, or mechanic to the prevailing rate of wages as determined under this Act.

(k) (c) A public body or other entity shall also require in all contractor's and subcontractor's bonds that the contractor or subcontractor include such provision as will guarantee the faithful performance of such prevailing wage clause as provided by contract or other written instrument. All bid specifications shall list the specified rates to all laborers, workers and mechanics in the locality for each craft or type of worker or mechanic needed to execute the contract.

(l) (d) If the Department of Labor revises the prevailing rate of hourly wages to be paid by the public body or other entity, the revised rate shall apply to such contract, and the public body or other entity shall be responsible to notify the contractor and each subcontractor, of the revised rate.

The public body or other entity shall discharge its duty to notify of the revised rates by inserting a written stipulation in all contracts or other written instruments that states the prevailing rate of wages are revised by

the Department of Labor and are available on the Department's official website. This shall be deemed to be proper notification of any rate changes under this subsection.

(m) Two or more investigatory hearings under this Section on the issue of establishing a new prevailing wage classification for a particular craft or type of worker shall be consolidated in a single hearing before the Department. Such consolidation shall occur whether each separate investigatory hearing is conducted by a public body or the Department. The party requesting a consolidated investigatory hearing shall have the burden of establishing that there is no existing prevailing wage classification for the particular craft or type of worker in any of the localities under consideration.

(n) It shall be mandatory upon the contractor or construction manager to whom a contract for public works is awarded to post, at a location on the project site of the public works that is easily accessible to the workers engaged on the project, the prevailing wage rates for each craft or type of worker or mechanic needed to execute the contract or project or work to be performed. In lieu of posting on the project site of the public works, a contractor which has a business location where laborers, workers, and mechanics regularly visit may: (1) post in a conspicuous location at that business the current prevailing wage rates for each county in which the contractor is performing work; or (2) provide such laborer, worker, or mechanic engaged on the public works project a written notice indicating the prevailing wage rates for the public works project. A failure to post or provide a prevailing wage rate as required by this Section is a violation of this Act.

Sec. 5. Certified payroll.

(a) Any contractor and each subcontractor who participates in public works shall:

(1) make and keep, for a period of not less than 3 years from the date of the last payment made before January 1, 2014 (the effective date of Public Act 98-328) and for a period of 5 years from the date of the last payment made on or after January 1, 2014 (the effective date of Public Act 98-328) on a contract or subcontract for public works, records of all laborers, mechanics, and other workers employed by them on the project; the records shall include (i) the worker's name, (ii) the worker's address, (iii)
the worker's telephone number when available, (iv) the last 4 digits of the worker's social security number, (v) the worker's gender, (vi) the worker's race, (vii) the worker's ethnicity, (viii) veteran status, (ix) the worker's classification or classifications, (x) the worker's gross and net wages paid in each pay period, (xi) the worker's number of hours worked each day, (xii) the worker's starting and ending times of work each day, (xiii) the worker's hourly wage rate, (xiv) the worker's hourly overtime wage rate, (xv) the worker's hourly fringe benefit rates, (xvi) the name and address of each fringe benefit fund, (xvii) the plan sponsor of each fringe benefit, if applicable, and (xviii) the plan administrator of each fringe benefit, if applicable; and

(2) no later than the 15th day of each calendar month file a certified payroll for the immediately preceding month with the public body in charge of the project until the Department of Labor activates the database created under Section 5.1 at which time certified payroll shall only be submitted to that database, except for projects done by State agencies that opt to have contractors submit certified payrolls directly to that State agency. A State agency that opts to directly receive certified payrolls must submit the required information in a specified electronic format to the Department of Labor no later than 10 days after the certified payroll was filed with the State agency. A certified payroll must be filed for only those calendar months during which construction on a public works project has occurred. The certified payroll shall consist of a complete copy of the records identified in paragraph (1) of this subsection (a), but may exclude the starting and ending times of work each day. The certified payroll shall be accompanied by a statement signed by the contractor or subcontractor or an officer, employee, or agent of the contractor or subcontractor which avers that: (i) he or she has examined the certified payroll records required to be submitted by the Act and such records are true and accurate; (ii) the hourly rate paid to each worker is not less than the general prevailing rate of hourly wages required by this Act; and (iii) the contractor or subcontractor is aware that filing a certified payroll that he or she knows to be false is a Class A misdemeanor. A general contractor is not prohibited from relying on the certification of a lower tier subcontractor, provided the general contractor does not knowingly rely upon a subcontractor's
false certification. Any contractor or subcontractor subject to this Act and any officer, employee, or agent of such contractor or subcontractor whose duty as such officer, employee, or agent it is to file such certified payroll who willfully fails to file such a certified payroll on or before the date such certified payroll is required by this paragraph to be filed and any person who willfully files a false certified payroll that is false as to any material fact is in violation of this Act and guilty of a Class A misdemeanor. The public body in charge of the project shall keep the records submitted in accordance with this paragraph (2) of subsection (a) before January 1, 2014 (the effective date of Public Act 98-328) for a period of not less than 3 years, and the records submitted in accordance with this paragraph (2) of subsection (a) on or after January 1, 2014 (the effective date of Public Act 98-328) for a period of 5 years, from the date of the last payment for work on a contract or subcontract for public works or until the Department of Labor activates the database created under Section 5.1, whichever is less. After the activation of the database created under Section 5.1, the Department of Labor rather than the public body in charge of the project shall keep the records and maintain the database. The records submitted in accordance with this paragraph (2) of subsection (a) shall be considered public records, except an employee's address, telephone number, and social security number, race, ethnicity, and gender, and made available in accordance with the Freedom of Information Act. The public body shall accept any reasonable submissions by the contractor that meet the requirements of this Section.

A contractor, subcontractor, or public body may retain records required under this Section in paper or electronic format.

(b) Upon 7 business days' notice, the contractor and each subcontractor shall make available for inspection and copying at a location within this State during reasonable hours, the records identified in paragraph (1) of subsection (a) of this Section to the public body in charge of the project, its officers and agents, the Director of Labor and his deputies and agents, and to federal, State, or local law enforcement agencies and prosecutors.

The finding of the public body awarding the contract or authorizing the work or the Department of Labor ascertaining and declaring the general prevailing rate of hourly wages shall be final for all purposes of the contract for public work then being considered, unless reviewed under the provisions of this Act. Nothing in this Act, however, shall be construed to prohibit the payment to any laborer, worker or mechanic employed on any public work, as aforesaid, of more than the prevailing rate of wages; provided further that nothing in this Act shall be construed to limit the hours of work which may be performed by any person in any particular period of time.

Department of Labor shall, during the month of June of each calendar year, investigate and ascertain the prevailing rate of wages for each county in the State and shall publish the prevailing wage schedule ascertained on its official website no later than July 15 of each year. If the prevailing rate of wages is based on a collective bargaining agreement, any increases directly ascertainable from such collective bargaining agreement shall also be published on the website. Further, if the prevailing rate of wages is based on a collective bargaining agreement, the explanation of classes on the prevailing wage schedule shall be consistent with the classifications established under the collective bargaining agreement. If a public body does not investigate and ascertain the prevailing rate of wages during the month of June as required by the previous paragraph, then the prevailing rate of wages for that public body shall be the rate as determined by the Department under this paragraph for the county in which such public body is located. The Department shall publish on its official website a prevailing wage schedule for each county in the State, no later than August 15 of each year, based on the prevailing rate of wages investigated and ascertained by the Department during the month of June. Nothing prohibits the Department from publishing prevailing wage rates more than once per year.

Where the Department of Labor ascertains the prevailing rate of wages, it is the duty of the Department of Labor within 30 days after receiving a notice from the public body authorizing the proposed work, to conduct an investigation to ascertain the prevailing rate of wages as defined in this Act and such investigation shall be conducted in the locality in which the work is to be performed. The Department of Labor shall send a certified copy of its findings to the public body authorizing the work and keep a record of its findings available for inspection by any interested party in the office of the Department of Labor at Springfield.

The report to the General Assembly shall be filed with the Clerk of the House of Representatives and the Secretary of the Senate in electronic form only, in the manner that the Clerk and the Secretary shall direct.

(b) The Department shall study, on a regular and ongoing basis, and compile reports on the number of Firearm Owner's Identification Card checks to determine firearms trafficking or straw purchase patterns. The Department shall, to the extent not inconsistent with law, share such reports and underlying data with academic centers, foundations, and law enforcement agencies studying firearms trafficking, provided that personally identifying information is protected. For purposes of this subsection (b), a Firearm Owner's Identification Card number is not personally identifying information, provided that no other personal information of the card holder is attached to the record. The Department may create and attach an alternate unique identifying number to each Firearm Owner's Identification Card number, instead of releasing the Firearm Owner's Identification Card number itself.
(c) Each department, office, division, and agency of this State shall, to the extent not inconsistent with law, cooperate fully with the Department and furnish the Department with all relevant information and assistance on a timely basis as is necessary to accomplish the purpose of this Act. The Illinois Criminal Justice Information Authority shall submit the information required in subsection (a) of this Section to the Department of State Police, and any other information as the Department may request, to assist the Department in carrying out its duties under this Act.

The Department shall have the Internet-based system completed and available for use by July 1, 2015. The Department shall adopt rules not inconsistent with this Section to implement this system.

Such record shall contain the date of the transfer; the description, serial number or other information identifying the firearm, stun gun, or taser if no serial number is available; and, if the transfer was completed within this State, the transferee's Firearm Owner's Identification Card number and any approval number or documentation provided by the Department of State Police pursuant to subsection (a-10) of this Section; if the transfer was not completed within this State, the record shall contain the name and address of the transferee. In case of vacancies in such offices during the recess of the Senate, the Governor shall make a temporary appointment until the next

Sec. 10. The Authority shall have power:
(a) To pass resolutions, make by-laws, rules and regulations for the management, regulation and control of its affairs, and to fix tolls, and to make, enact and enforce all needful rules and regulations in connection with the construction, operation, management, care, regulation or protection of its property or any toll highways, constructed or reconstructed hereunder. Any by-laws adopted under this Section shall include a requirement that directors disclose and avoid potential conflicts of interest. The by-laws shall be posted on the Authority's website.

(a-5) To fix, assess, and collect civil fines for a vehicle's operation on a toll highway without the required toll having been paid. The Authority may establish by rule a system of civil administrative adjudication to adjudicate only alleged instances of a vehicle's operation on a toll highway without the required toll having been paid, as detected by the Authority's video or photo surveillance system. In cases in which the operator of the vehicle is not the registered vehicle owner, the establishment of ownership of the vehicle creates a rebuttable presumption that the vehicle was being operated by an agent of the registered vehicle owner. If the registered vehicle owner liable for a violation under this Section was not the operator of the vehicle at the time of the violation, the owner may maintain an action for indemnification against the operator in the circuit court. Rules establishing a system of civil administrative adjudication must provide for written notice, by first class mail or other means provided by law, to the address of the registered owner of the cited vehicle as recorded with the Secretary of State or to the lessee of the cited vehicle at the last address known to the lessor of the cited vehicle at the time of the lease, of the alleged violation and an opportunity to be heard on the question of the violation and must provide for the establishment of a toll-free telephone number to receive inquiries concerning alleged violations. The notice shall also inform the registered vehicle owner that failure to contest in the manner and time provided shall be deemed an admission of liability and that a final order of liability may be entered on that admission. A duly authorized agent of the Authority may perform or execute the preparation, certification, affirmation, or mailing of the notice. A notice of violation, sworn or affirmed to or certified by a duly authorized agent of the Authority, or a facsimile of the notice, based upon an inspection of photographs, microphotographs, videotape, or other recorded images produced by a video or photo surveillance system, shall be admitted as prima facie evidence of the correctness of the facts contained in the notice or facsimile. Only civil fines, along with the corresponding outstanding toll, and costs may be imposed by administrative adjudication. A fine may be imposed under this paragraph only if a violation is established by a preponderance of the evidence. Judicial review of all final orders of the Authority under this paragraph shall be conducted in the circuit court of the county in which the administrative decision was rendered in accordance with the Administrative Review Law.

The Authority may maintain a listing or searchable database on its website of persons or entities that have been issued one or more final orders of liability with a total amount due of more than $1,000 for tolls, fines, unpaid late fees, or administrative costs that remain unpaid after the exhaustion of, or the failure to exhaust, the judicial review procedures under the Administrative Review Law. Each entry may include the person's or entity's name as listed on the final order of liability.

Any outstanding toll, fine, additional late payment fine, other sanction, or costs imposed, or part of any fine, other sanction, or costs imposed, remaining unpaid after the exhaustion of, or the failure to exhaust, judicial review procedures under the Administrative Review Law are a debt due and owing the Authority and may be collected in accordance with applicable law. After expiration of the period in which judicial review under the Administrative Review Law may be sought, unless stayed by a court of competent jurisdiction, a final order of the Authority under this subsection (a-5) may be enforced in the same manner as a judgment entered by a court of competent jurisdiction. Notwithstanding any other provision of this Act, the Authority may, with the approval of the Attorney General, retain a law firm or law firms with expertise in the collection of government fines and debts for the purpose of collecting fines, costs, and other moneys due under this subsection (a-5).

A system of civil administrative adjudication may also provide for a program of vehicle immobilization, tow, or impoundment for the purpose of facilitating enforcement of any final order or orders of the Authority under this subsection (a-5) that result in a finding or liability for 5 or more violations after expiration of the period in which judicial review under the Administrative Review Law may be sought. The registered vehicle owner of a vehicle immobilized, towed, or impounded for nonpayment of a final order of the Authority under this subsection (a-5) shall have the right to request a hearing before the Authority's civil administrative adjudicatory system to challenge the validity of the immobilization, tow, or impoundment. This hearing, however, shall not constitute a readjudication of the merits of previously adjudicated notices. Judicial review of all final orders of the Authority under this subsection (a-5) shall be conducted in the circuit court of the county in which the administrative decision was rendered in accordance with the Administrative Review Law.

No commercial entity that is the lessor of a vehicle under a written lease agreement shall be liable for an administrative notice of violation for

toll evasion issued under this subsection (a-5) involving that vehicle during the period of the lease if the lessor provides a copy of the leasing agreement to the Authority within 30 days of the issue date on the notice of violation. The leasing agreement also must contain a provision or addendum informing the lessee that the lessee is liable for payment of all tolls and any fines for toll evasion. Each entity must also post a sign at the leasing counter notifying the lessee of that liability. The copy of the leasing agreement provided to the Authority must contain the name, address, and driver's license number of the lessee, as well as the check-out and return dates and times of the vehicle and the vehicle license plate number and vehicle make and model.

As used in this subsection (a-5), "lessor" includes commercial leasing and rental entities but does not include public passenger vehicle entities.

The Authority shall establish an amnesty program for violations adjudicated under this subsection (a-5). Under the program, any person who has an outstanding notice of violation for toll evasion or a final order of a hearing officer for toll evasion dated prior to the effective date of this amendatory Act of the 94th General Assembly and who pays to the Authority the full percentage amounts listed in this paragraph remaining due on the notice of violation or final order of the hearing officer and the full fees and costs paid by the Authority to the Secretary of State relating to suspension proceedings, if applicable, on or before 5:00 p.m., Central Standard Time, of the 60th day after the effective date of this amendatory Act of the 94th General Assembly shall not be required to pay more than the listed percentage of the original fine amount and outstanding toll as listed on the notice of violation or final order of the hearing officer and the full fees and costs paid by the Authority to the Secretary of State relating to suspension proceedings, if applicable. The payment percentage scale shall be as follows: a person with 25 or fewer violations shall be eligible for amnesty upon payment of 50% of the original fine amount and the outstanding tolls; a person with more than 25 but fewer than 51 violations shall be eligible for amnesty upon payment of 60% of the original fine amount and the outstanding tolls; and a person with 51 or more violations shall be eligible for amnesty upon payment of 75% of the original fine amount and the outstanding tolls. In such a situation, the Executive Director of the Authority or his or her designee is authorized and directed to waive any late fine amount above the applicable percentage of the original fine amount. Partial payment of the amount due shall not be a

basis to extend the amnesty payment deadline nor shall it act to relieve the person of liability for payment of the late fine amount. In order to receive amnesty, the full amount of the applicable percentage of the original fine amount and outstanding toll remaining due on the notice of violation or final order of the hearing officer and the full fees and costs paid by the Authority to the Secretary of State relating to suspension proceedings, if applicable, must be paid in full by 5:00 p.m., Central Standard Time, of the 60th day after the effective date of this amendatory Act of the 94th General Assembly. This amendatory Act of the 94th General Assembly has no retroactive effect with regard to payments already tendered to the Authority that were full payments or payments in an amount greater than the applicable percentage, and this Act shall not be the basis for either a refund or a credit. This amendatory Act of the 94th General Assembly does not apply to toll evasion citations issued by the Illinois State Police or other authorized law enforcement agencies and for which payment may be due to or through the clerk of the circuit court. The Authority shall adopt rules as necessary to implement the provisions of this amendatory Act of the 94th General Assembly. The Authority, by a resolution of the Board of Directors, shall have the discretion to implement similar amnesty programs in the future. The Authority, at its discretion and in consultation with the Attorney General, is further authorized to settle an administrative fine or penalty if it determines that settling for less than the full amount is in the best interests of the Authority after taking into account the following factors: (1) the merits of the Authority's claim against the respondent; (2) the amount that can be collected relative to the administrative fine or penalty owed by the respondent; (3) the cost of pursuing further enforcement or collection action against the respondent; (4) the likelihood of collecting the full amount owed; and (5) the burden on the judiciary. The provisions in this Section may be extended to other toll facilities in the State of Illinois through a duly executed agreement between the Authority and the operator of the toll facility.

(b) To prescribe rules and regulations applicable to traffic on highways under the jurisdiction of the Authority, concerning:

(1) Types of vehicles permitted to use such highways or parts thereof, and classification of such vehicles;
(2) Designation of the lanes of traffic to be used by the different types of vehicles permitted upon said highways;
(3) Stopping, standing, and parking of vehicles;

(4) Control of traffic by means of police officers or traffic control signals;
(5) Control or prohibition of processions, convoys, and assemblages of vehicles and persons;
(6) Movement of traffic in one direction only on designated portions of said highways;
(7) Control of the access, entrance, and exit of vehicles and persons to and from said highways; and
(8) Preparation, location and installation of all traffic signs; and to prescribe further rules and regulations applicable to such traffic, concerning matters not provided for either in the foregoing enumeration or in the Illinois Vehicle Code. Notice of such rules and regulations shall be posted conspicuously and displayed at appropriate points and at reasonable intervals along said highways, by clearly legible markers or signs, to provide notice of the existence of such rules and regulations to persons traveling on said highways. At each toll station, the Authority shall make available, free of charge, pamphlets containing all of such rules and regulations.

(c) The Authority, in fixing the rate for tolls for the privilege of using the said toll highways, is authorized and directed, in fixing such rates, to base the same upon annual estimates to be made, recorded and filed with the Authority. Said estimates shall include the following: The estimated total amount of the use of the toll highways; the estimated amount of the revenue to be derived therefrom, which said revenue, when added to all other receipts and income, will be sufficient to pay the expense of maintaining and operating said toll highways, including the administrative expenses of the Authority, and to discharge all obligations of the Authority as they become due and payable.

(d) To accept from any municipality or political subdivision any lands, easements or rights in land needed for the operation, construction, relocation or maintenance of any toll highways, with or without payment therefor, and in its discretion to reimburse any such municipality or political subdivision out of its funds for any cost or expense incurred in the acquisition of land, easements or rights in land, in connection with the construction and relocation of the said toll highways, widening, extending roads, streets or avenues in connection therewith, or for the construction of any roads or streets forming extension to and connections with or between any toll highways, or for the cost or expense of widening, grading,

surfacing or improving any existing streets or roads or the construction of any streets and roads forming extensions of or connections with any toll highways constructed, relocated, operated, maintained or regulated hereunder by the Authority. Where property owned by a municipality or political subdivision is necessary to the construction of an approved toll highway, if the Authority cannot reach an agreement with such municipality or political subdivision and if the use to which the property is being put in the hands of the municipality or political subdivision is not essential to the existence or the administration of such municipality or political subdivision, the Authority may acquire the property by condemnation.

Sec. 5-45. Emergency rulemaking.

Subject to applicable constitutional or statutory provisions, an emergency rule becomes effective immediately upon filing under Section 5-65 or at a stated date less than 10 days thereafter. The agency shall take reasonable and appropriate measures to make emergency rules known to the persons who may be affected by them.

Section 15. The Use Tax Act is amended by changing Section 3-8 as follows:

(35 ILCS 105/3-8)

Sec. 3-8. Hospital exemption.

(a) Until July 1, 2022, tangible personal property sold to or used by a hospital owner that owns one or more hospitals licensed under the Hospital Licensing Act or operated under the University of Illinois Hospital Act, or a hospital affiliate that is not already exempt under another provision of this Act and meets the criteria for an exemption under this Section, is exempt from taxation under this Act.

(b) A hospital owner or hospital affiliate satisfies the conditions for an exemption under this Section if the value of qualified services or activities listed in subsection (c) of this Section for the hospital year equals or exceeds the relevant hospital entity's estimated property tax liability, without regard to any property tax exemption granted under Section 15-86 of the Property Tax Code, for the calendar year in which exemption or renewal of exemption is sought. For purposes of making the calculations required by this subsection (b), if the relevant hospital entity is a hospital owner that owns more than one hospital, the value of the services or activities listed in subsection (c) shall be calculated on the basis of only

New matter indicated by italics - deletions by strikeout
those services and activities relating to the hospital that includes the subject property, and the relevant hospital entity's estimated property tax liability shall be calculated only with respect to the properties comprising that hospital. In the case of a multi-state hospital system or hospital affiliate, the value of the services or activities listed in subsection (c) shall be calculated on the basis of only those services and activities that occur in Illinois and the relevant hospital entity's estimated property tax liability shall be calculated only with respect to its property located in Illinois.

(c) The following services and activities shall be considered for purposes of making the calculations required by subsection (b):

(1) Charity care. Free or discounted services provided pursuant to the relevant hospital entity's financial assistance policy, measured at cost, including discounts provided under the Hospital Uninsured Patient Discount Act.

(2) Health services to low-income and underserved individuals. Other unreimbursed costs of the relevant hospital entity for providing without charge, paying for, or subsidizing goods, activities, or services for the purpose of addressing the health of low-income or underserved individuals. Those activities or services may include, but are not limited to: financial or in-kind support to affiliated or unaffiliated hospitals, hospital affiliates, community clinics, or programs that treat low-income or underserved individuals; paying for or subsidizing health care professionals who care for low-income or underserved individuals; providing or subsidizing outreach or educational services to low-income or underserved individuals for disease management and prevention; free or subsidized goods, supplies, or services needed by low-income or underserved individuals because of their medical condition; and prenatal or childbirth outreach to low-income or underserved persons.

(3) Subsidy of State or local governments. Direct or indirect financial or in-kind subsidies of State or local governments by the relevant hospital entity that pay for or subsidize activities or programs related to health care for low-income or underserved individuals.

(4) Support for State health care programs for low-income individuals. At the election of the hospital applicant for each applicable year, either (A) 10% of payments to the relevant hospital entity and any hospital affiliate designated by the relevant
hospital entity (provided that such hospital affiliate's operations provide financial or operational support for or receive financial or operational support from the relevant hospital entity) under Medicaid or other means-tested programs, including, but not limited to, General Assistance, the Covering ALL KIDS Health Insurance Act, and the State Children's Health Insurance Program or (B) the amount of subsidy provided by the relevant hospital entity and any hospital affiliate designated by the relevant hospital entity (provided that such hospital affiliate's operations provide financial or operational support for or receive financial or operational support from the relevant hospital entity) to State or local government in treating Medicaid recipients and recipients of means-tested programs, including but not limited to General Assistance, the Covering ALL KIDS Health Insurance Act, and the State Children's Health Insurance Program. The amount of subsidy for purpose of this item (4) is calculated in the same manner as unreimbursed costs are calculated for Medicaid and other means-tested government programs in the Schedule H of IRS Form 990 in effect on the effective date of this amendatory Act of the 97th General Assembly.

(5) Dual-eligible subsidy. The amount of subsidy provided to government by treating dual-eligible Medicare/Medicaid patients. The amount of subsidy for purposes of this item (5) is calculated by multiplying the relevant hospital entity's unreimbursed costs for Medicare, calculated in the same manner as determined in the Schedule H of IRS Form 990 in effect on the effective date of this amendatory Act of the 97th General Assembly, by the relevant hospital entity's ratio of dual-eligible patients to total Medicare patients.

(6) Relief of the burden of government related to health care. Except to the extent otherwise taken into account in this subsection, the portion of unreimbursed costs of the relevant hospital entity attributable to providing, paying for, or subsidizing goods, activities, or services that relieve the burden of government related to health care for low-income individuals. Such activities or services shall include, but are not limited to, providing emergency, trauma, burn, neonatal, psychiatric, rehabilitation, or other special services; providing medical education; and conducting medical research or training of health care professionals. The portion of

those unreimbursed costs attributable to benefiting low-income individuals shall be determined using the ratio calculated by adding the relevant hospital entity's costs attributable to charity care, Medicaid, other means-tested government programs, Medicare patients with disabilities under age 65, and dual-eligible Medicare/Medicaid patients and dividing that total by the relevant hospital entity's total costs. Such costs for the numerator and denominator shall be determined by multiplying gross charges by the cost to charge ratio taken from the hospital's most recently filed Medicare cost report (CMS 2252-10 Worksheet, Part I). In the case of emergency services, the ratio shall be calculated using costs (gross charges multiplied by the cost to charge ratio taken from the hospital's most recently filed Medicare cost report (CMS 2252-10 Worksheet, Part I)) of patients treated in the relevant hospital entity's emergency department.

(7) Any other activity by the relevant hospital entity that the Department determines relieves the burden of government or addresses the health of low-income or underserved individuals.

d) The hospital applicant shall include information in its exemption application establishing that it satisfies the requirements of subsection (b). For purposes of making the calculations required by subsection (b), the hospital applicant may for each year elect to use either (1) the value of the services or activities listed in subsection (e) for the hospital year or (2) the average value of those services or activities for the 3 fiscal years ending with the hospital year. If the relevant hospital entity has been in operation for less than 3 completed fiscal years, then the latter calculation, if elected, shall be performed on a pro rata basis.

e) For purposes of making the calculations required by this Section:

(1) particular services or activities eligible for consideration under any of the paragraphs (1) through (7) of subsection (c) may not be counted under more than one of those paragraphs; and

(2) the amount of unreimbursed costs and the amount of subsidy shall not be reduced by restricted or unrestricted payments received by the relevant hospital entity as contributions deductible under Section 170(a) of the Internal Revenue Code.

(f) (Blank).
(g) Estimation of Exempt Property Tax Liability. The estimated property tax liability used for the determination in subsection (b) shall be calculated as follows:

(1) "Estimated property tax liability" means the estimated dollar amount of property tax that would be owed, with respect to the exempt portion of each of the relevant hospital entity's properties that are already fully or partially exempt, or for which an exemption in whole or in part is currently being sought, and then aggregated as applicable, as if the exempt portion of those properties were subject to tax, calculated with respect to each such property by multiplying:

(A) the lesser of (i) the actual assessed value, if any, of the portion of the property for which an exemption is sought or (ii) an estimated assessed value of the exempt portion of such property as determined in item (2) of this subsection (g), by

(B) the applicable State equalization rate (yielding the equalized assessed value), by

(C) the applicable tax rate.

(2) The estimated assessed value of the exempt portion of the property equals the sum of (i) the estimated fair market value of buildings on the property, as determined in accordance with subparagraphs (A) and (B) of this item (2), multiplied by the applicable assessment factor, and (ii) the estimated assessed value of the land portion of the property, as determined in accordance with subparagraph (C).

(A) The "estimated fair market value of buildings on the property" means the replacement value of any exempt portion of buildings on the property, minus depreciation, determined utilizing the cost replacement method whereby the exempt square footage of all such buildings is multiplied by the replacement cost per square foot for Class A Average building found in the most recent edition of the Marshall & Swift Valuation Services Manual, adjusted by any appropriate current cost and local multipliers.

(B) Depreciation, for purposes of calculating the estimated fair market value of buildings on the property, is applied by utilizing a weighted mean life for the buildings

New matter indicated by italics - deletions by strikeout
based on original construction and assuming a 40-year life for hospital buildings and the applicable life for other types of buildings as specified in the American Hospital Association publication "Estimated Useful Lives of Depreciable Hospital Assets". In the case of hospital buildings, the remaining life is divided by 40 and this ratio is multiplied by the replacement cost of the buildings to obtain an estimated fair market value of buildings. If a hospital building is older than 35 years, a remaining life of 5 years for residual value is assumed; and if a building is less than 8 years old, a remaining life of 32 years is assumed.

(C) The estimated assessed value of the land portion of the property shall be determined by multiplying (i) the per square foot average of the assessed values of three parcels of land (not including farm land, and excluding the assessed value of the improvements thereon) reasonably comparable to the property, by (ii) the number of square feet comprising the exempt portion of the property's land square footage.

(3) The assessment factor, State equalization rate, and tax rate (including any special factors such as Enterprise Zones) used in calculating the estimated property tax liability shall be for the most recent year that is publicly available from the applicable chief county assessment officer or officers at least 90 days before the end of the hospital year.

(4) The method utilized to calculate estimated property tax liability for purposes of this Section 15-86 shall not be utilized for the actual valuation, assessment, or taxation of property pursuant to the Property Tax Code.

(h) For the purpose of this Section, the following terms shall have the meanings set forth below:

(1) "Hospital" means any institution, place, building, buildings on a campus, or other health care facility located in Illinois that is licensed under the Hospital Licensing Act and has a hospital owner.

(2) "Hospital owner" means a not-for-profit corporation that is the titleholder of a hospital, or the owner of the beneficial interest in an Illinois land trust that is the titleholder of a hospital.
(3) "Hospital affiliate" means any corporation, partnership, limited partnership, joint venture, limited liability company, association or other organization, other than a hospital owner, that directly or indirectly controls, is controlled by, or is under common control with one or more hospital owners and that supports, is supported by, or acts in furtherance of the exempt health care purposes of at least one of those hospital owners' hospitals.

(4) "Hospital system" means a hospital and one or more other hospitals or hospital affiliates related by common control or ownership.

(5) "Control" relating to hospital owners, hospital affiliates, or hospital systems means possession, direct or indirect, of the power to direct or cause the direction of the management and policies of the entity, whether through ownership of assets, membership interest, other voting or governance rights, by contract or otherwise.

(6) "Hospital applicant" means a hospital owner or hospital affiliate that files an application for an exemption or renewal of exemption under this Section.

(7) "Relevant hospital entity" means (A) the hospital owner, in the case of a hospital applicant that is a hospital owner, and (B) at the election of a hospital applicant that is a hospital affiliate, either (i) the hospital affiliate or (ii) the hospital system to which the hospital applicant belongs, including any hospitals or hospital affiliates that are related by common control or ownership.

(8) "Subject property" means property used for the calculation under subsection (b) of this Section.

(9) "Hospital year" means the fiscal year of the relevant hospital entity, or the fiscal year of one of the hospital owners in the hospital system if the relevant hospital entity is a hospital system with members with different fiscal years, that ends in the year for which the exemption is sought.

(i) It is the intent of the General Assembly that any exemptions taken, granted, or renewed under this Section prior to the effective date of this amendatory Act of the 100th General Assembly are hereby validated.

Sec. 3-8. Hospital exemption.

(a) *Until July 1, 2022, tangible* personal property sold to or used by a hospital owner that owns one or more hospitals licensed under the Hospital Licensing Act or operated under the University of Illinois Hospital Act, or a hospital affiliate that is not already exempt under another provision of this Act and meets the criteria for an exemption under this Section, is exempt from taxation under this Act.

(b) A hospital owner or hospital affiliate satisfies the conditions for an exemption under this Section if the value of qualified services or activities listed in subsection (c) of this Section for the hospital year equals or exceeds the relevant hospital entity's estimated property tax liability, without regard to any property tax exemption granted under Section 15-86 of the Property Tax Code, for the calendar year in which exemption or renewal of exemption is sought. For purposes of making the calculations required by this subsection (b), if the relevant hospital entity is a hospital owner that owns more than one hospital, the value of the services or activities listed in subsection (c) shall be calculated on the basis of only those services and activities relating to the hospital that includes the subject property, and the relevant hospital entity's estimated property tax liability shall be calculated only with respect to the properties comprising that hospital. In the case of a multi-state hospital system or hospital affiliate, the value of the services or activities listed in subsection (c) shall be calculated on the basis of only those services and activities that occur in New matter indicated by italics - deletions by strikeout
Illinois and the relevant hospital entity's estimated property tax liability shall be calculated only with respect to its property located in Illinois.

(c) The following services and activities shall be considered for purposes of making the calculations required by subsection (b):

(1) Charity care. Free or discounted services provided pursuant to the relevant hospital entity's financial assistance policy, measured at cost, including discounts provided under the Hospital Uninsured Patient Discount Act.

(2) Health services to low-income and underserved individuals. Other unreimbursed costs of the relevant hospital entity for providing without charge, paying for, or subsidizing goods, activities, or services for the purpose of addressing the health of low-income or underserved individuals. Those activities or services may include, but are not limited to: financial or in-kind support to affiliated or unaffiliated hospitals, hospital affiliates, community clinics, or programs that treat low-income or underserved individuals; paying for or subsidizing health care professionals who care for low-income or underserved individuals; providing or subsidizing outreach or educational services to low-income or underserved individuals for disease management and prevention; free or subsidized goods, supplies, or services needed by low-income or underserved individuals because of their medical condition; and prenatal or childbirth outreach to low-income or underserved persons.

(3) Subsidy of State or local governments. Direct or indirect financial or in-kind subsidies of State or local governments by the relevant hospital entity that pay for or subsidize activities or programs related to health care for low-income or underserved individuals.

(4) Support for State health care programs for low-income individuals. At the election of the hospital applicant for each applicable year, either (A) 10% of payments to the relevant hospital entity and any hospital affiliate designated by the relevant hospital entity (provided that such hospital affiliate's operations provide financial or operational support for or receive financial or operational support from the relevant hospital entity) under Medicaid or other means-tested programs, including, but not limited to, General Assistance, the Covering ALL KIDS Health Insurance Act, and the State Children's Health Insurance Program.
or (B) the amount of subsidy provided by the relevant hospital entity and any hospital affiliate designated by the relevant hospital entity (provided that such hospital affiliate's operations provide financial or operational support for or receive financial or operational support from the relevant hospital entity) to State or local government in treating Medicaid recipients and recipients of means-tested programs, including but not limited to General Assistance, the Covering ALL KIDS Health Insurance Act, and the State Children's Health Insurance Program. The amount of subsidy for purposes of this item (4) is calculated in the same manner as unreimbursed costs are calculated for Medicaid and other means-tested government programs in the Schedule H of IRS Form 990 in effect on the effective date of this amendatory Act of the 97th General Assembly.

(5) Dual-eligible subsidy. The amount of subsidy provided to government by treating dual-eligible Medicare/Medicaid patients. The amount of subsidy for purposes of this item (5) is calculated by multiplying the relevant hospital entity's unreimbursed costs for Medicare, calculated in the same manner as determined in the Schedule H of IRS Form 990 in effect on the effective date of this amendatory Act of the 97th General Assembly, by the relevant hospital entity's ratio of dual-eligible patients to total Medicare patients.

(6) Relief of the burden of government related to health care. Except to the extent otherwise taken into account in this subsection, the portion of unreimbursed costs of the relevant hospital entity attributable to providing, paying for, or subsidizing goods, activities, or services that relieve the burden of government related to health care for low-income individuals. Such activities or services shall include, but are not limited to, providing emergency, trauma, burn, neonatal, psychiatric, rehabilitation, or other special services; providing medical education; and conducting medical research or training of health care professionals. The portion of those unreimbursed costs attributable to benefiting low-income individuals shall be determined using the ratio calculated by adding the relevant hospital entity's costs attributable to charity care, Medicaid, other means-tested government programs, Medicare patients with disabilities under age 65, and dual-eligible Medicare/Medicaid patients and dividing that total by the relevant

hospital entity's total costs. Such costs for the numerator and denominator shall be determined by multiplying gross charges by the cost to charge ratio taken from the hospital's most recently filed Medicare cost report (CMS 2252-10 Worksheet, Part I). In the case of emergency services, the ratio shall be calculated using costs (gross charges multiplied by the cost to charge ratio taken from the hospital's most recently filed Medicare cost report (CMS 2252-10 Worksheet, Part I)) of patients treated in the relevant hospital entity's emergency department.

(7) Any other activity by the relevant hospital entity that the Department determines relieves the burden of government or addresses the health of low-income or underserved individuals.

d) The hospital applicant shall include information in its exemption application establishing that it satisfies the requirements of subsection (b). For purposes of making the calculations required by subsection (b), the hospital applicant may for each year elect to use either (1) the value of the services or activities listed in subsection (e) for the hospital year or (2) the average value of those services or activities for the 3 fiscal years ending with the hospital year. If the relevant hospital entity has been in operation for less than 3 completed fiscal years, then the latter calculation, if elected, shall be performed on a pro rata basis.

e) For purposes of making the calculations required by this Section:

(1) particular services or activities eligible for consideration under any of the paragraphs (1) through (7) of subsection (c) may not be counted under more than one of those paragraphs; and

(2) the amount of unreimbursed costs and the amount of subsidy shall not be reduced by restricted or unrestricted payments received by the relevant hospital entity as contributions deductible under Section 170(a) of the Internal Revenue Code.

f) (Blank).

g) Estimation of Exempt Property Tax Liability. The estimated property tax liability used for the determination in subsection (b) shall be calculated as follows:

(1) "Estimated property tax liability" means the estimated dollar amount of property tax that would be owed, with respect to the exempt portion of each of the relevant hospital entity's properties that are already fully or partially exempt, or for which an exemption in whole or in part is currently being sought, and then

aggregated as applicable, as if the exempt portion of those properties were subject to tax, calculated with respect to each such property by multiplying:

(A) the lesser of (i) the actual assessed value, if any, of the portion of the property for which an exemption is sought or (ii) an estimated assessed value of the exempt portion of such property as determined in item (2) of this subsection (g), by

(B) the applicable State equalization rate (yielding the equalized assessed value), by

(C) the applicable tax rate.

(2) The estimated assessed value of the exempt portion of the property equals the sum of (i) the estimated fair market value of buildings on the property, as determined in accordance with subparagraphs (A) and (B) of this item (2), multiplied by the applicable assessment factor, and (ii) the estimated assessed value of the land portion of the property, as determined in accordance with subparagraph (C).

(A) The "estimated fair market value of buildings on the property" means the replacement value of any exempt portion of buildings on the property, minus depreciation, determined utilizing the cost replacement method whereby the exempt square footage of all such buildings is multiplied by the replacement cost per square foot for Class A Average building found in the most recent edition of the Marshall & Swift Valuation Services Manual, adjusted by any appropriate current cost and local multipliers.

(B) Depreciation, for purposes of calculating the estimated fair market value of buildings on the property, is applied by utilizing a weighted mean life for the buildings based on original construction and assuming a 40-year life for hospital buildings and the applicable life for other types of buildings as specified in the American Hospital Association publication "Estimated Useful Lives of Depreciable Hospital Assets". In the case of hospital buildings, the remaining life is divided by 40 and this ratio is multiplied by the replacement cost of the buildings to obtain an estimated fair market value of buildings. If a
hospital building is older than 35 years, a remaining life of 5 years for residual value is assumed; and if a building is less than 8 years old, a remaining life of 32 years is assumed.

(C) The estimated assessed value of the land portion of the property shall be determined by multiplying (i) the per square foot average of the assessed values of three parcels of land (not including farm land, and excluding the assessed value of the improvements thereon) reasonably comparable to the property, by (ii) the number of square feet comprising the exempt portion of the property's land square footage.

(3) The assessment factor, State equalization rate, and tax rate (including any special factors such as Enterprise Zones) used in calculating the estimated property tax liability shall be for the most recent year that is publicly available from the applicable chief county assessment officer or officers at least 90 days before the end of the hospital year.

(4) The method utilized to calculate estimated property tax liability for purposes of this Section 15-86 shall not be utilized for the actual valuation, assessment, or taxation of property pursuant to the Property Tax Code.

(h) For the purpose of this Section, the following terms shall have the meanings set forth below:

   (1) "Hospital" means any institution, place, building, buildings on a campus, or other health care facility located in Illinois that is licensed under the Hospital Licensing Act and has a hospital owner.

   (2) "Hospital owner" means a not-for-profit corporation that is the titleholder of a hospital, or the owner of the beneficial interest in an Illinois land trust that is the titleholder of a hospital.

   (3) "Hospital affiliate" means any corporation, partnership, limited partnership, joint venture, limited liability company, association or other organization, other than a hospital owner, that directly or indirectly controls, is controlled by, or is under common control with one or more hospital owners and that supports, is supported by, or acts in furtherance of the exempt health care purposes of at least one of those hospital owners' hospitals.

(4) "Hospital system" means a hospital and one or more other hospitals or hospital affiliates related by common control or ownership.

(5) "Control" relating to hospital owners, hospital affiliates, or hospital systems means possession, direct or indirect, of the power to direct or cause the direction of the management and policies of the entity, whether through ownership of assets, membership interest, other voting or governance rights, by contract or otherwise.

(6) "Hospital applicant" means a hospital owner or hospital affiliate that files an application for an exemption or renewal of exemption under this Section.

(7) "Relevant hospital entity" means (A) the hospital owner, in the case of a hospital applicant that is a hospital owner, and (B) at the election of a hospital applicant that is a hospital affiliate, either (i) the hospital affiliate or (ii) the hospital system to which the hospital applicant belongs, including any hospitals or hospital affiliates that are related by common control or ownership.

(8) "Subject property" means property used for the calculation under subsection (b) of this Section.

(9) "Hospital year" means the fiscal year of the relevant hospital entity, or the fiscal year of one of the hospital owners in the hospital system if the relevant hospital entity is a hospital system with members with different fiscal years, that ends in the year for which the exemption is sought.

(i) It is the intent of the General Assembly that any exemptions taken, granted, or renewed under this Section prior to the effective date of this amendatory Act of the 100th General Assembly are hereby validated. (Source: P.A. 98-463, eff. 8-16-13; 99-143, eff. 7-27-15.)

In the case of a multi-state hospital system or hospital affiliate, the value of the services or activities listed in subsection (c) shall be calculated on the basis of only those services and activities that occur in Illinois and the relevant hospital entity's estimated property tax liability shall be calculated only with respect to its property located in Illinois.

(c) The following services and activities shall be considered for purposes of making the calculations required by subsection (b):

(1) Charity care. Free or discounted services provided pursuant to the relevant hospital entity's financial assistance policy, measured at cost, including discounts provided under the Hospital Uninsured Patient Discount Act.

Upon notification to the Department of approval of the payment methodologies required under Section 5A-12.6 and the waiver granted under 42 CFR 433.68, if necessary, all installments otherwise due under Section 5A-2 prior to the date of notification shall be due and payable to the Department upon written direction from the Department and issuance by the Comptroller of the payments required under Section 5A-12.6.

(a-5) The Illinois Department may accelerate the schedule upon which assessment installments are due and payable by hospitals with a payment ratio greater than or equal to one. Such acceleration of due dates for payment of the assessment may be made only in conjunction with a corresponding acceleration in access payments identified in Section 5A-12.2, Section 5A-12.4, or Section 5A-12.6 to the same hospitals. For the purposes of this subsection (a-5), a hospital's payment ratio is defined as the quotient obtained by dividing the total payments for the State fiscal year, as authorized under Section 5A-12.2, Section 5A-12.4, or Section 5A-12.6, by the total assessment for the State fiscal year imposed under Section 5A-2 or subsection (b-5) of Section 5A-2.

(b) The Illinois Department is authorized to establish delayed payment schedules for hospital providers that are unable to make installment payments when due under this Section due to financial difficulties, as determined by the Illinois Department.

(c) If a hospital provider fails to pay the full amount of an installment when due (including any extensions granted under subsection

(b), there shall, unless waived by the Illinois Department for reasonable cause, be added to the assessment imposed by Section 5A-2 a penalty assessment equal to the lesser of (i) 5% of the amount of the installment not paid on or before the due date plus 5% of the portion thereof remaining unpaid on the last day of each 30-day period thereafter or (ii) 100% of the installment amount not paid on or before the due date. For purposes of this subsection, payments will be credited first to unpaid installment amounts (rather than to penalty or interest), beginning with the most delinquent installments.

(d) Any assessment amount that is due and payable to the Illinois Department more frequently than once per calendar quarter shall be remitted to the Illinois Department by the hospital provider by means of electronic funds transfer. The Illinois Department may provide for remittance by other means if (i) the amount due is less than $10,000 or (ii) electronic funds transfer is unavailable for this purpose.

(b) Outpatient hospital services. Effective for dates of service on and after July 1, 2014, reimbursement for outpatient services shall utilize the Enhanced Ambulatory Procedure Grouping (EAPG) software, version 3.7 distributed by 3M Health Information System.

(1) The Department shall establish Medicaid weighting factors to be used in the reimbursement system established under this subsection. The initial weighting factors shall be the weighting factors as published by 3M Health Information System, associated with Version 3.7.

(2) The Department shall establish service specific statewide-standardized amounts to be used in the reimbursement system.

   (A) The initial statewide standardized amounts, with the labor portion adjusted by the Calendar Year 2013 Medicare Outpatient Prospective Payment System wage index with reclassifications, shall be published by the Department on its website no later than 10 calendar days prior to their effective date.

   (B) The Department shall establish adjustments to the statewide-standardized amounts for each Critical Access Hospital, as designated by the Department of Public Health in accordance with 42 CFR 485, Subpart F. For outpatient services provided on or before June 30, 2018, the EAPG standardized amounts are determined separately for each critical access hospital such that simulated EAPG payments using outpatient base period paid claim data plus payments under Section 5A-12.4 of this Code net of the associated tax costs are equal to the estimated costs of outpatient base period claims data with a rate year cost inflation factor applied.

(3) In addition to the statewide-standardized amounts, the Department shall develop adjusters to adjust the rate of reimbursement for critical Medicaid hospital outpatient providers or services, including outpatient high volume or safety-net hospitals. Beginning July 1, 2018, the outpatient high volume adjustor shall be increased to increase annual expenditures associated with this adjustor by $79,200,000, based on the State Fiscal Year 2015 base year data and this adjustor shall apply to

public hospitals, except for large public hospitals, as defined under 89 Ill. Adm. Code 148.25(a).

(4) Beginning July 1, 2018, in addition to the statewide standardized amounts, the Department shall make an add-on payment for outpatient expensive devices and drugs. This add-on payment shall at least apply to claim lines that: (i) are assigned with one of the following EAPGs: 490, 1001 to 1020, and coded with one of the following revenue codes: 0274 to 0276, 0278; or (ii) are assigned with one of the following EAPGs: 430 to 441, 443, 444, 460 to 465, 495, 496, 1090. The add-on payment shall be calculated as follows: the claim line's covered charges multiplied by the hospital's total acute cost to charge ratio, less the claim line's EAPG payment plus $1,000, multiplied by 0.8.

(5) Beginning July 1, 2018, the statewide-standardized amounts for outpatient services shall be increased by a uniform percentage so that base claims projected reimbursement is increased by an amount equal to no less than the funds allocated in paragraph (1) of subsection (b) of Section 5A-12.6, less the amount allocated under paragraphs (8) and (9) of subsection (a) and paragraphs (3) and (4) of this subsection multiplied by 46%. Beginning July 1, 2020, the statewide-standardized amounts for outpatient services shall be increased by a uniform percentage so that base claims projected reimbursement is increased by an amount equal to no less than the funds allocated in paragraph (2) of subsection (b) of Section 5A-12.6, less the amount allocated under paragraphs (8) and (9) of subsection (a) and paragraphs (3) and (4) of this subsection multiplied by 46%. Beginning July 1, 2022, the statewide-standardized amounts for outpatient services shall be increased by a uniform percentage so that base claims projected reimbursement is increased by an amount equal to no less than the funds allocated in paragraph (3) of subsection (b) of Section 5A-12.6, less the amount allocated under paragraphs (8) and (9) of subsection (a) and paragraphs (3) and (4) of this subsection multiplied by 46%. Beginning July 1, 2023, the statewide-standardized amounts for outpatient services shall be increased by a uniform percentage so that base claims projected reimbursement is increased by an amount equal to no less than the funds allocated in paragraph (4) of subsection (b) of Section 5A-12.6, less the
amount allocated under paragraphs (8) and (9) of subsection (a) and paragraphs (3) and (4) of this subsection multiplied by 46%.

(6) Effective for dates of service on or after July 1, 2018, the Department shall establish adjustments to the statewide-standardized amounts for each Critical Access Hospital, as designated by the Department of Public Health in accordance with 42 CFR 485, Subpart F, such that each Critical Access Hospital's standardized amount for outpatient services shall be increased by the applicable uniform percentage determined pursuant to paragraph (5) of this subsection. It is the intent of the General Assembly that the adjustments required under this paragraph (6) by this amendatory Act of the 100th General Assembly shall be applied retroactively to claims for dates of service provided on or after July 1, 2018.

(7) Effective for dates of service on or after the effective date of this amendatory Act of the 100th General Assembly, the Department shall recalculate and implement an updated statewide-standardized amount for outpatient services provided by hospitals that are not Critical Access Hospitals to reflect the applicable uniform percentage determined pursuant to paragraph (5).

(1) Any recalculation to the statewide-standardized amounts for outpatient services provided by hospitals that are not Critical Access Hospitals shall be the amount necessary to achieve the increase in the statewide-standardized amounts for outpatient services increased by a uniform percentage, so that base claims projected reimbursement is increased by an amount equal to no less than the funds allocated in paragraph (1) of subsection (b) of Section 5A-12.6, less the amount allocated under paragraphs (8) and (9) of subsection (a) and paragraphs (3) and (4) of this subsection, for all hospitals that are not Critical Access Hospitals, multiplied by 46%.

(2) It is the intent of the General Assembly that the recalculation required under this paragraph (7) by this amendatory Act of the 100th General Assembly shall be applied prospectively to claims for dates of service provided on or after the effective date of this amendatory Act of the 100th General Assembly and that no recoupment or repayment by the Department or an MCO of payments

attributable to recalculation under this paragraph (7), issued to the hospital for dates of service on or after July 1, 2018 and before the effective date of this amendatory Act of the 100th General Assembly, shall be permitted.

(8) The Department shall ensure that all necessary adjustments to the managed care organization capitation base rates necessitated by the adjustments under subparagraph (6) or (7) of this subsection are completed and applied retroactively in accordance with Section 5-30.8 of this Code within 90 days of the effective date of this amendatory Act of the 100th General Assembly.

(c) In consultation with the hospital community, the Department is authorized to replace 89 Ill. Admin. Code 152.150 as published in 38 Ill. Reg. 4980 through 4986 within 12 months of June 16, 2014 (the effective date of Public Act 98-651) this amendatory Act of the 98th General Assembly. If the Department does not replace these rules within 12 months of June 16, 2014 (the effective date of Public Act 98-651) this amendatory Act of the 98th General Assembly, the rules in effect for 152.150 as published in 38 Ill. Reg. 4980 through 4986 shall remain in effect until modified by rule by the Department. Nothing in this subsection shall be construed to mandate that the Department file a replacement rule.

(d) Transition period. There shall be a transition period to the reimbursement systems authorized under this Section that shall begin on the effective date of these systems and continue until June 30, 2018, unless extended by rule by the Department. To help provide an orderly and predictable transition to the new reimbursement systems and to preserve and enhance access to the hospital services during this transition, the Department shall allocate a transitional hospital access pool of at least $290,000,000 annually so that transitional hospital access payments are made to hospitals.

(1) After the transition period, the Department may begin incorporating the transitional hospital access pool into the base rate structure; however, the transitional hospital access payments in effect on June 30, 2018 shall continue to be paid, if continued under Section 5A-16.

(2) After the transition period, if the Department reduces payments from the transitional hospital access pool, it shall increase base rates, develop new adjustors, adjust current adjustors, develop new hospital access payments based on updated

(d) Hospital transformation program. The Department, in conjunction with the Hospital Transformation Review Committee created under subsection (d-5), shall develop a hospital transformation program to provide financial assistance to hospitals in transforming their services and care models to better align with the needs of the communities they serve. The payments authorized in this Section shall be subject to approval by the federal government.

(1) Phase 1. In State fiscal years 2019 through 2020, the Department shall allocate funds from the transitional access hospital pool to create a hospital transformation pool of at least $262,906,870 annually and make hospital transformation payments to hospitals. Subject to Section 5A-16, in State fiscal years 2019 and 2020, an Illinois hospital that received either a transitional hospital access payment under subsection (d) or a supplemental payment under subsection (f) of this Section in State fiscal year 2018, shall receive a hospital transformation payment as follows:

(A) If the hospital's Rate Year 2017 Medicaid inpatient utilization rate is equal to or greater than 45%, the hospital transformation payment shall be equal to 100% of the sum of its transitional hospital access payment authorized under subsection (d) and any supplemental payment authorized under subsection (f).

(B) If the hospital's Rate Year 2017 Medicaid inpatient utilization rate is equal to or greater than 25% but less than 45%, the hospital transformation payment shall be equal to 75% of the sum of its transitional hospital access payment authorized under subsection (d) and any supplemental payment authorized under subsection (f).

(C) If the hospital's Rate Year 2017 Medicaid inpatient utilization rate is less than 25%, the hospital transformation payment shall be equal to 50% of the sum of its transitional hospital access payment authorized under subsection (d) and any supplemental payment authorized under subsection (f).
(2) Phase 2. During State fiscal years 2021 and 2022, the Department shall allocate funds from the transitional access hospital pool to create a hospital transformation pool annually and make hospital transformation payments to hospitals participating in the transformation program. Any hospital may seek transformation funding in Phase 2. Any hospital that seeks transformation funding in Phase 2 to update or repurpose the hospital's physical structure to transition to a new delivery model, must submit to the Department in writing a transformation plan, based on the Department's guidelines, that describes the desired delivery model with projections of patient volumes by service lines and projected revenues, expenses, and net income that correspond to the new delivery model. In Phase 2, subject to the approval of rules, the Department may use the hospital transformation pool to increase base rates, develop new adjustors, adjust current adjustors, or develop new access payments in order to support and incentivize hospitals to pursue such transformation. In developing such methodologies, the Department shall ensure that the entire hospital transformation pool continues to be expended to ensure access to hospital services or to support organizations that had received hospital transformation payments under this Section.

(A) Any hospital participating in the hospital transformation program shall provide an opportunity for public input by local community groups, hospital workers, and healthcare professionals and assist in facilitating discussions about any transformations or changes to the hospital.

(B) As provided in paragraph (9) of Section 3 of the Illinois Health Facilities Planning Act, any hospital participating in the transformation program may be excluded from the requirements of the Illinois Health Facilities Planning Act for those projects related to the hospital's transformation. To be eligible, the hospital must submit to the Health Facilities and Services Review Board certification from the Department, approved by the Hospital Transformation Review Committee, that the project is a part of the hospital's transformation.

(C) As provided in subsection (a-20) of Section 32.5 of the Emergency Medical Services (EMS) Systems Act, a

hospital that received hospital transformation payments under this Section may convert to a freestanding emergency center. To be eligible for such a conversion, the hospital must submit to the Department of Public Health certification from the Department, approved by the Hospital Transformation Review Committee, that the project is a part of the hospital's transformation.

(3) By April 1, 2019 Within 6 months after the effective date of this amendatory Act of the 100th General Assembly, the Department, in conjunction with the Hospital Transformation Review Committee, shall develop and file as an administrative rule with the Secretary of State the goals, objectives, policies, standards, payment models, or criteria to be applied in Phase 2 of the program to allocate the hospital transformation funds. The goals, objectives, and policies to be considered may include, but are not limited to, achieving unmet needs of a community that a hospital serves such as behavioral health services, outpatient services, or drug rehabilitation services; attaining certain quality or patient safety benchmarks for health care services; or improving the coordination, effectiveness, and efficiency of care delivery. Notwithstanding any other provision of law, any rule adopted in accordance with this subsection (d-5) may be submitted to the Joint Committee on Administrative Rules for approval only if the rule has first been approved by 9 of the 14 members of the Hospital Transformation Review Committee.

(4) Hospital Transformation Review Committee. There is created the Hospital Transformation Review Committee. The Committee shall consist of 14 members. No later than 30 days after March 12, 2018 (the effective date of Public Act 100-581) this amendatory Act of the 100th General Assembly, the 4 legislative leaders shall each appoint 3 members; the Governor shall appoint the Director of Healthcare and Family Services, or his or her designee, as a member; and the Director of Healthcare and Family Services shall appoint one member. Any vacancy shall be filled by the applicable appointing authority within 15 calendar days. The members of the Committee shall select a Chair and a Vice-Chair from among its members, provided that the Chair and Vice-Chair cannot be appointed by the same appointing authority and must be from different political parties. The Chair shall have the authority

to establish a meeting schedule and convene meetings of the Committee, and the Vice-Chair shall have the authority to convene meetings in the absence of the Chair. The Committee may establish its own rules with respect to meeting schedule, notice of meetings, and the disclosure of documents; however, the Committee shall not have the power to subpoena individuals or documents and any rules must be approved by 9 of the 14 members. The Committee shall perform the functions described in this Section and advise and consult with the Director in the administration of this Section. In addition to reviewing and approving the policies, procedures, and rules for the hospital transformation program, the Committee shall consider and make recommendations related to qualifying criteria and payment methodologies related to safety-net hospitals and children's hospitals. Members of the Committee appointed by the legislative leaders shall be subject to the jurisdiction of the Legislative Ethics Commission, not the Executive Ethics Commission, and all requests under the Freedom of Information Act shall be directed to the applicable Freedom of Information officer for the General Assembly. The Department shall provide operational support to the Committee as necessary. \textit{The Committee is dissolved on April 1, 2019.}

(e) Beginning 36 months after initial implementation, the Department shall update the reimbursement components in subsections (a) and (b), including standardized amounts and weighting factors, and at least triennially and no more frequently than annually thereafter. The Department shall publish these updates on its website no later than 30 calendar days prior to their effective date.

(f) Continuation of supplemental payments. Any supplemental payments authorized under Illinois Administrative Code 148 effective January 1, 2014 and that continue during the period of July 1, 2014 through December 31, 2014 shall remain in effect as long as the assessment imposed by Section 5A-2 that is in effect on December 31, 2017 remains in effect.

(g) Notwithstanding subsections (a) through (f) of this Section and notwithstanding the changes authorized under Section 5-5b.1, any updates to the system shall not result in any diminishment of the overall effective rates of reimbursement as of the implementation date of the new system (July 1, 2014). These updates shall not preclude variations in any individual component of the system or hospital rate variations. Nothing in

New matter indicated by italics - deletions by strikeout
this Section shall prohibit the Department from increasing the rates of reimbursement or developing payments to ensure access to hospital services. Nothing in this Section shall be construed to guarantee a minimum amount of spending in the aggregate or per hospital as spending may be impacted by factors including but not limited to the number of individuals in the medical assistance program and the severity of illness of the individuals.

(h) The Department shall have the authority to modify by rulemaking any changes to the rates or methodologies in this Section as required by the federal government to obtain federal financial participation for expenditures made under this Section.

(i) Except for subsections (g) and (h) of this Section, the Department shall, pursuant to subsection (c) of Section 5-40 of the Illinois Administrative Procedure Act, provide for presentation at the June 2014 hearing of the Joint Committee on Administrative Rules (JCAR) additional written notice to JCAR of the following rules in order to commence the second notice period for the following rules: rules published in the Illinois Register, rule dated February 21, 2014 at 38 Ill. Reg. 4559 (Medical Payment), 4628 (Specialized Health Care Delivery Systems), 4640 (Hospital Services), 4932 (Diagnostic Related Grouping (DRG) Prospective Payment System (PPS)), and 4977 (Hospital Reimbursement Changes), and published in the Illinois Register dated March 21, 2014 at 38 Ill. Reg. 6499 (Specialized Health Care Delivery Systems) and 6505 (Hospital Services).

(j) Out-of-state hospitals. Beginning July 1, 2018, for purposes of determining for State fiscal years 2019 and 2020 the hospitals eligible for the payments authorized under subsections (a) and (b) of this Section, the Department shall include out-of-state hospitals that are designated a Level I pediatric trauma center or a Level I trauma center by the Department of Public Health as of December 1, 2017.

(k) The Department shall notify each hospital and managed care organization, in writing, of the impact of the updates under this Section at least 30 calendar days prior to their effective date.

(1.5) for those released as a result of youthful offender parole as set forth in Section 5-4.5-110 of this Code, order that the inmate be subsequently rereleased to serve a specified mandatory supervised release term not to exceed the full term permitted under the provisions of 5-4.5-110 and subsection (d) of Section 5-8-1 of this Code and may modify or enlarge the conditions of the release as the Board deems proper; or
(2) parole or release the person to a half-way house; or
(3) revoke the parole or mandatory supervised release and reconfine the person for a term computed in the following manner:

(i) (A) For those sentenced under the law in effect prior to this amendatory Act of 1977, the recommitment shall be for any portion of the imposed maximum term of imprisonment or confinement which had not been served at the time of parole and the parole term, less the time elapsed between the parole of the person and the commission of the violation for which parole was revoked;

reconfinement period for violations of clauses (a)(3) through (b-1)(15) of Section 3-3-7 shall not exceed 2 years from the date of reconfinement;

The Board may also order that a prisoner serve up to one year of the mandatory supervised release term previously earned. The Board may also order that the inmate be subsequently rereleased to serve a specified mandatory supervised release term not to exceed the full term permitted under the provisions of 5-4.5-110 and subsection (d) of Section 5-8-1 of this Code and may modify or enlarge the conditions of the release as the Board deems proper;

(ii) the person shall be given credit against the term of reimprisonment or reconfinement for time spent in custody since he or she was paroled or released which has not been credited against another sentence or period of confinement;

(b) The Board may revoke parole or mandatory supervised release for violation of a condition for the duration of the term and for any further period which is reasonably necessary for the adjudication of matters arising before its expiration. The issuance of a warrant of arrest for an alleged violation of the conditions of parole or mandatory supervised release shall toll the running of the term until the final determination of the charge. When parole or mandatory supervised release is not revoked that period shall be credited to the term, unless a community-based sanction is imposed as an alternative to revocation and reincarceration, including a diversion established by the Illinois Department of Corrections Parole Services Unit prior to the holding of a preliminary parole revocation hearing. Parolees who are diverted to a community-based sanction shall

(b-5) The Board shall revoke parole or mandatory supervised release for violation of the conditions prescribed in paragraph (7.6) of subsection (a) of Section 3-3-7.

(c) A person charged with violating a condition of parole or mandatory supervised release shall have a preliminary hearing before a hearing officer designated by the Board to determine if there is cause to hold the person for a revocation hearing. However, no preliminary hearing need be held when revocation is based upon new criminal charges and a court finds probable cause on the new criminal charges or when the revocation is based upon a new criminal conviction and a certified copy of that conviction is available.

(d) Parole or mandatory supervised release shall not be revoked without written notice to the offender setting forth the violation of parole or mandatory supervised release charged against him or her.

(e) A hearing on revocation shall be conducted before at least one member of the Prisoner Review Board. The Board may meet and order its actions in panels of 3 or more members. The action of a majority of the panel shall be the action of the Board. A record of the hearing shall be made. At the hearing the offender shall be permitted to:
   (1) appear and answer the charge; and
   (2) bring witnesses on his or her behalf.

(f) The Board shall either revoke parole or mandatory supervised release or order the person's term continued with or without modification or enlargement of the conditions.

(l) PAROLE; MANDATORY SUPERVISED RELEASE. Except as provided in Section 3-3-8 or 5-8-1 (730 ILCS 5/3-3-8 or 5/5-8-1), the parole or mandatory supervised release term shall be 2 years upon release from imprisonment.
Sec. 5-4.5-110. Parole review of persons under the age of 21 at the time of the commission of an offense.

(a) For purposes of this Section, "victim" means a victim of a violent crime as defined in subsection (a) of Section 3 of the Rights of Crime Victims and Witnesses Act including a witness as defined in subsection (b) of Section 3 of the Rights of Crime Victims and Witnesses Act; any person legally related to the victim by blood, marriage, adoption, or guardianship; any friend of the victim; or any concerned citizen.

(b) A person under 21 years of age at the time of the commission of an offense or offenses, other than first degree murder, and who is not serving a sentence for first degree murder and who is sentenced on or after the effective date of this amendatory Act of the 100th General Assembly shall be eligible for parole review by the Prisoner Review Board after serving 10 years or more of his or her sentence or sentences, except for those serving a sentence or sentences for: (1) aggravated criminal sexual assault who shall be eligible for parole review by the Prisoner Review Board after serving 20 years or more of his or her sentence or sentences or (2) predatory criminal sexual assault of a child who shall not be eligible for parole review by the Prisoner Review Board under this Section. A person under 21 years of age at the time of the commission of first degree murder who is sentenced on or after the effective date of this amendatory Act of the 100th General Assembly shall be eligible for parole review by the Prisoner Review Board after serving 20 years or more of his or her sentence or sentences, except for those subject to a term of natural life imprisonment under Section 5-8-1 of this Code or any person subject to sentencing under subsection (c) of Section 5-4.5-105 of this Code.

(c) Three years prior to becoming eligible for parole review, the eligible person may file his or her petition for parole review with the Prisoner Review Board. The petition shall include a copy of the order of commitment and sentence to the Department of Corrections for the offense or offenses for which review is sought. Within 30 days of receipt of this petition, the Prisoner Review Board shall determine whether the petition is appropriately filed, and if so, shall set a date for parole review 3 years from receipt of the petition and notify the Department of Corrections within 10 business days. If the Prisoner Review Board determines that the petition is not appropriately filed, it shall notify the petitioner in writing, including a basis for its determination.
(d) Within 6 months of the Prisoner Review Board's determination that the petition was appropriately filed, a representative from the Department of Corrections shall meet with the eligible person and provide the inmate information about the parole hearing process and personalized recommendations for the inmate regarding his or her work assignments, rehabilitative programs, and institutional behavior. Following this meeting, the eligible person has 7 calendar days to file a written request to the representative from the Department of Corrections who met with the eligible person of any additional programs and services which the eligible person believes should be made available to prepare the eligible person for return to the community.

(f) Nine months prior to the hearing, the Prisoner Review Board shall provide the eligible person, and his or her counsel, any written documents or materials it will be considering in making its decision unless the written documents or materials are specifically found to: (1) include information which, if disclosed, would damage the therapeutic relationship between the inmate and a mental health professional; (2) subject any person to the actual risk of physical harm; (3) threaten the safety or security of the Department or an institution. In accordance with Section 35 of the Open Parole Hearings Act, victim impact statements either oral, written, video-taped, tape recorded or made by other electronic means shall not be considered public documents under the provisions of the Freedom of Information Act. The inmate or his or her attorney shall not be given a copy of the statement, but shall be informed of the existence of a victim impact statement and the position taken by the victim on the inmate's request for parole. This shall not be construed to permit disclosure to an inmate of any information which might result in the risk of threats or physical harm to a victim. The Prisoner Review Board shall have an ongoing duty to provide the eligible person, and his or her counsel, with any further documents or materials that come into its possession prior to the hearing subject to the limitations contained in this subsection.

(g) Not less than 12 months prior to the hearing, the Prisoner Review Board shall provide notification to the State's Attorney of the county from which the person was committed and written notification to
the victim or family of the victim of the scheduled hearing place, date, and approximate time. If the Board does not have knowledge of the current address of the victim or family of the victim, it shall notify the State's Attorney of the county of commitment and request assistance in locating the victim or family of the victim. Those victims or family of the victims who advise the Board in writing that they no longer wish to be notified shall not receive future notices. A victim shall have the right to submit information by videotape, tape recording, or other electronic means. The victim may submit this material prior to or at the parole hearing. The victim also has the right to be heard at the parole hearing.

(h) The hearing conducted by the Prisoner Review Board shall be governed by Sections 15 and 20, subsection (f) of Section 5, subsection (a) of Section 10, subsection (d) of Section 25, and subsections (a), (b), and (e) of Section 35 of the Open Parole Hearings Act and Part 1610 of Title 20 of the Illinois Administrative Code. The eligible person has a right to be present at the Prisoner Review Board hearing, unless the Prisoner Review Board determines the eligible person's presence is unduly burdensome when conducting a hearing under paragraph (6.6) of subsection (a) of Section 3-3-2 of this Code. If a psychological evaluation is submitted for the Prisoner Review Board's consideration, it shall be prepared by a person who has expertise in adolescent brain development and behavior, and shall take into consideration the diminished culpability of youthful offenders, the hallmark features of youth, and any subsequent growth and increased maturity of the person. At the hearing, the eligible person shall have the right to make a statement on his or her own behalf.

(i) Only upon motion for good cause shall the date for the Prisoner Review Board hearing, as set by subsection (b) of this Section, be changed. No less than 15 days prior to the hearing, the Prisoner Review Board shall notify the victim or victim representative, the attorney, and the eligible person of the exact date and time of the hearing. All hearings shall be open to the public.

(j) The Prisoner Review Board shall not parole the eligible person if it determines that:

(1) there is a substantial risk that the eligible person will not conform to reasonable conditions of parole or aftercare release; or

(2) the eligible person's release at that time would deprecate the seriousness of his or her offense or promote disrespect for the law; or

(3) the eligible person's release would have a substantially adverse effect on institutional discipline.

In considering the factors affecting the release determination under 20 Ill. Adm. Code 1610.50(b), the Prisoner Review Board panel shall consider the diminished culpability of youthful offenders, the hallmark features of youth, and any subsequent growth and maturity of the youthful offender during incarceration.

(k) Unless denied parole under subsection (j) of this Section and subject to the provisions of Section 3-3-9 of this Code: (1) the eligible person serving a sentence for any non-first degree murder offense or offenses, shall be released on parole which shall operate to discharge any remaining term of years sentence imposed upon him or her, notwithstanding any required mandatory supervised release period the eligible person is required to serve; and (2) the eligible person serving a sentence for any first degree murder offense, shall be released on mandatory supervised release for a period of 10 years subject to Section 3-3-8, which shall operate to discharge any remaining term of years sentence imposed upon him or her, however in no event shall the eligible person serve a period of mandatory supervised release greater than the aggregate of the discharged underlying sentence and the mandatory supervised release period as sent forth in Section 5-4.5-20.

(l) If the Prisoner Review Board denies parole after conducting the hearing under subsection (j) of this Section, it shall issue a written decision which states the rationale for denial, including the primary factors considered. This decision shall be provided to the eligible person and his or her counsel within 30 days.

(m) A person denied parole under subsection (j) of this Section, who is not serving a sentence for either first degree murder or aggravated criminal sexual assault, shall be eligible for a second parole review by the Prisoner Review Board 5 years after the written decision under subsection (l) of this Section; a person denied parole under subsection (j) of this

The procedures for the third and final parole review shall be governed by subsections (c) through (k) of this Section.

(o) Notwithstanding anything else to the contrary in this Section, nothing in this Section shall be construed to delay parole or mandatory supervised release consideration for petitioners who are or will be eligible for release earlier than this Section provides. Nothing in this Section shall be construed as a limit, substitution, or bar on a person’s right to sentencing relief, or any other manner of relief, obtained by order of a court in proceedings other than as provided in this Section.

PUBLIC ACT 100-1183
(House Bill No. 2505)

AN ACT concerning education.
Be it enacted by the People of the State of Illinois, represented in the General Assembly:

Section 5. The Higher Education Student Assistance Act is amended by changing Section 65.100 as follows:

(110 ILCS 947/65.100)

Sec. 65.100. AIM HIGH Grant Pilot Program.

(a) The General Assembly makes all of the following findings:

(1) Both access and affordability are important aspects of the Illinois Public Agenda for College and Career Success report.

(2) This State is in the top quartile with respect to the percentage of family income needed to pay for college.

(3) Research suggests that as loan amounts increase, rather than an increase in grant amounts, the probability of college attendance decreases.

(4) There is further research indicating that socioeconomic status may affect the willingness of students to use loans to attend college.

(5) Strategic use of tuition discounting can decrease the amount of loans that students must use to pay for tuition.

New matter indicated by italics - deletions by strikeout
(6) A modest, individually tailored tuition discount can make the difference in a student choosing to attend college and enhance college access for low-income and middle-income families.

(7) Even if the federally calculated financial need for college attendance is met, the federally determined Expected Family Contribution can still be a daunting amount.

(8) This State is the second largest exporter of students in the country.

(9) When talented Illinois students attend universities in this State, the State and those universities benefit.

(10) State universities in other states have adopted pricing and incentives that allow many Illinois residents to pay less to attend an out-of-state university than to remain in this State for college.

(11) Supporting Illinois student attendance at Illinois public universities can assist in State efforts to maintain and educate a highly trained workforce.

(12) Modest tuition discounts that are individually targeted and tailored can result in enhanced revenue for public universities.

(13) By increasing a public university's capacity to strategically use tuition discounting, the public university will be capable of creating enhanced tuition revenue by increasing enrollment yields.

(b) In this Section:

"Eligible applicant" means a student from any high school in this State, whether or not recognized by the State Board of Education, who is engaged in a program of study that in due course will be completed by the end of the school year and who meets all of the qualifications and requirements under this Section.

"Tuition and other necessary fees" includes the customary charge for instruction and use of facilities in general and the additional fixed fees charged for specified purposes that are required generally of non-grant recipients for each academic period for which the grant applicant actually enrolls, but does not include fees payable only once or breakage fees and other contingent deposits that are refundable in whole or in part. The Commission may adopt, by rule not inconsistent with this Section, detailed provisions concerning the computation of tuition and other necessary fees.

New matter indicated by italics - deletions by strikeout
(c) Beginning with the 2019-2020 academic year, each public university may establish a merit-based scholarship pilot program known as the AIM HIGH Grant Pilot Program. Each year, the Commission shall receive and consider applications from public universities under this Section. Subject to appropriation and any tuition waiver limitation established by the Board of Higher Education, a public university campus may award a grant to a student under this Section if it finds that the applicant meets all of the following criteria:

1. He or she is a resident of this State and a citizen or eligible noncitizen of the United States.
2. He or she files a Free Application for Federal Student Aid and demonstrates financial need with a household income no greater than 6 times the poverty guidelines updated periodically in the Federal Register by the U.S. Department of Health and Human Services under the authority of 42 U.S.C. 9902(2).
3. He or she meets the minimum cumulative grade point average or ACT or SAT college admissions test score, as determined by the public university campus.
4. He or she is enrolled in a public university as an undergraduate student on a full-time basis.
5. He or she has not yet received a baccalaureate degree or the equivalent of 135 semester credit hours.
6. He or she is not incarcerated.
7. He or she is not in default on any student loan or does not owe a refund or repayment on any State or federal grant or scholarship.
8. Any other reasonable criteria, as determined by the public university campus.

(d) Each public university campus shall determine grant renewal criteria consistent with the requirements under this Section.

(e) Each participating public university campus shall post on its Internet website criteria and eligibility requirements for receiving awards that use funds under this Section that include a range in the sizes of these individual awards. The criteria and amounts must also be reported to the Commission and the Board of Higher Education, who shall post the information on their respective Internet websites.

(f) After enactment of an appropriation for this Program, the Commission shall determine an allocation of funds to each public university in an amount proportionate to the number of undergraduate

New matter indicated by italics - deletions by strikeout
students who are residents of this State and citizens or eligible noncitizens of the United States and who were enrolled at each public university campus in the previous academic year. All applications must be made to the Commission on or before a date determined by the Commission and on forms that the Commission shall provide to each public university campus. The form of the application and the information required shall be determined by the Commission and shall include, without limitation, the total public university campus funds used to match funds received from the Commission in the previous academic year under this Section, if any, the total enrollment of undergraduate students who are residents of this State from the previous academic year, and any supporting documents as the Commission deems necessary. Each public university campus shall match the amount of funds received by the Commission with financial aid for eligible students.

A public university campus is not required to claim its entire allocation. The Commission shall make available to all public universities, on a date determined by the Commission, any unclaimed funds and the funds must be made available to those public university campuses in the proportion determined under this subsection (f), excluding from the calculation those public university campuses not claiming their full allocations.

Each public university campus may determine the award amounts for eligible students on an individual or broad basis, but, subject to renewal eligibility, each renewed award may not be less than the amount awarded to the eligible student in his or her first year attending the public university campus. Notwithstanding this limitation, a renewal grant may be reduced due to changes in the student's cost of attendance, including, but not limited to, if a student reduces the number of credit hours in which he or she is enrolled, but remains a full-time student, or switches to a course of study with a lower tuition rate.

An eligible applicant awarded grant assistance under this Section is eligible to receive other financial aid. Total grant aid to the student from all sources may not exceed the total cost of attendance at the public university campus.

(g) All money allocated to a public university campus under this Section may be used only for financial aid purposes for students attending the public university campus during the academic year, not including summer terms. Notwithstanding any other provision of law to the contrary, any funds received by a public university campus under this

New matter indicated by italics - deletions by strikeout
Section that are not granted to students in the academic year for which the funds are received may be retained by the public university campus for expenditure on students participating in the Program or students eligible to participate in the Program must be refunded to the Commission before any new funds are received by the public university campus for the next academic year.

(h) Each public university campus that establishes a Program under this Section must annually report to the Commission, on or before a date determined by the Commission, the number of undergraduate students enrolled at that campus who are residents of this State.

(i) Each public university campus must report to the Commission the total non-loan financial aid amount given by the public university campus to undergraduate students in fiscal year 2018. To be eligible to receive funds under the Program, a public university campus may not decrease the total amount of non-loan financial aid for undergraduate students to an amount lower than the total non-loan financial aid amount given by the public university campus to undergraduate students in fiscal year 2018, not including any funds received from the Commission under this Section or any funds used to match grant awards under this Section.

(j) On or before a date determined by the Commission, each public university campus that participates in the Program under this Section shall annually submit a report to the Commission with all of the following information:

   (1) The Program's impact on tuition revenue and enrollment goals and increase in access and affordability at the public university campus.
   (2) Total funds received by the public university campus under the Program.
   (3) Total non-loan financial aid awarded to undergraduate students attending the public university campus.
   (4) Total amount of funds matched by the public university campus.
   (5) Total amount of claimed and unexpended funds retained refunded to the Commission by the public university campus.
   (6) The percentage of total financial aid distributed under the Program by the public university campus.
   (7) The total number of students receiving grants from the public university campus under the Program and those students'
grade level, race, gender, income level, family size, Monetary Award Program eligibility, Pell Grant eligibility, and zip code of residence and the amount of each grant award. This information shall include unit record data on those students regarding variables associated with the parameters of the public university's Program, including, but not limited to, a student's ACT or SAT college admissions test score, high school or university cumulative grade point average, or program of study.

On or before October 1, 2020 and annually on or before October 1 thereafter, the Commission shall submit a report with the findings under this subsection (j) and any other information regarding the AIM HIGH Grant Pilot Program to (i) the Governor, (ii) the Speaker of the House of Representatives, (iii) the Minority Leader of the House of Representatives, (iv) the President of the Senate, and (v) the Minority Leader of the Senate. The reports to the General Assembly shall be filed with the Clerk of the House of Representatives and the Secretary of the Senate in electronic form only, in the manner that the Clerk and the Secretary shall direct. The Commission's report may not disaggregate data to a level that may disclose personally identifying information of individual students.

The sharing and reporting of student data under this subsection (j) must be in accordance with the requirements under the federal Family Educational Rights and Privacy Act of 1974 and the Illinois School Student Records Act. All parties must preserve the confidentiality of the information as required by law. The names of the grant recipients under this Section are not subject to disclosure under the Freedom of Information Act.

Public university campuses that fail to submit a report under this subsection (j) or that fail to adhere to any other requirements under this Section may not be eligible for distribution of funds under the Program for the next academic year, but may be eligible for distribution of funds for each academic year thereafter.

(k) The Commission shall adopt rules to implement this Section.

(l) This Section is repealed on October 1, 2024.

The administrator may, prior to soliciting requests for proposals, enter into discussions with interested purchasers in order to assess existing market conditions, demands and likely development scenarios provided that no such interested purchasers shall have any role in drafting any request for proposals nor shall any request for proposal be provided to any interested purchaser prior to its general public distribution. The administrator may issue a request for qualifications that requests interested purchasers to provide such information as the administrator reasonably deems necessary in order to evaluate the qualifications of such interested purchasers including the ability of interested purchasers to acquire and develop the property, all as reasonably determined by the administrator.

2. Request for proposals. Proposals to acquire and develop the property shall be solicited through a request for proposals. Such request for proposals shall include such requirements and factors as the administrator shall determine are necessary or advisable with respect to the disposition of the James R. Thompson Center, including soliciting proposals designating a portion of the property after the development or redevelopment thereof in honor of Governor James R. Thompson.

3. Public notice. Public notice of any request for qualification or request for proposals shall be published in the Illinois Procurement Bulletin at least 14 calendar days before the date by which such requests are due. The administrator may advertise the request in any other manner or publication which it reasonably determines may increase the scope and nature of responses to the request. In the event the administrator shall have already identified qualified purchasers pursuant to a request for qualification process as set forth above, notice of the request for proposals may be delivered only to such qualified purchasers.
(4) Opening of proposals. Proposals shall be opened publicly on the date, time and location designated in the Illinois Procurement Bulletin, but proposals shall be opened in a manner to avoid disclosure of contents to competing purchasers during the process of negotiation. A record of proposals shall be prepared and shall be open for public inspection after contract award, but prior to contract execution.

(5) Evaluation factors. Proposals shall be submitted in 2 parts: (i) items except price, and (ii) covering price. The first part of all proposals shall be evaluated and ranked independently of the second part of all proposals.

(6) Discussion with interested purchasers and revisions of offers or proposals. After the opening of the proposals, and under such guidelines as the administrator may elect to establish in the request for proposals, the administrator and his or her designees may engage in discussions with interested purchasers who submitted offers or proposals that the administrator determines are reasonably susceptible of being selected for award for the purpose of clarifying and assuring full understanding of and responsiveness to the solicitation requirements. Those purchasers shall be accorded fair and equal treatment with respect to any opportunity for discussion and revision of proposals. Revisions may be permitted after submission and before award for the purpose of obtaining best and final offers. In conducting discussions there shall be no disclosure of any information derived from proposals submitted by competing purchasers. If information is disclosed to any purchaser, it shall be provided to all competing purchasers.

(7) Award. Awards shall be made to the interested purchaser whose proposal is determined in writing to be the most advantageous to the State, taking into consideration price and the evaluation factors set forth in the request for proposals. The contract file shall contain the basis on which the award is made. The administrator shall obtain 3 appraisals of the real property transferred under subdivision (a)(1) or (a)(2) of this Section, one of which shall be performed by an appraiser residing in the county in which the real property is located. The average of these 3 appraisals, plus the costs of obtaining the appraisals, shall represent the fair market value of the real property. No property may be

conveyed under subdivision (a)(1) or (a)(2) of this Section by the administrator for less than the fair market value. The administrator may sell the real property by public auction following notice of the sale by publication on 3 separate days not less than 15 nor more than 30 days prior to the sale in a daily newspaper having general circulation in the county in which the real property is located. If no acceptable offers for the real property are received, the administrator may have new appraisals of the property made. The administrator shall have all power necessary to convey real property under subdivision (a)(1) or (a)(2) of this Section.

(b-5) Any contract to dispose of the property is subject to the following conditions:

1. A commitment from the purchaser to make any applicable payments to the City of Chicago with respect to additional zoning density;

2. A commitment from the purchaser to enter into an agreement with the City of Chicago and the Chicago Transit Authority regarding the existing operation of the Chicago Transit Authority facility currently located on the property, substantially similar to the existing agreement between the City of Chicago, the Chicago Transit Authority, and the State of Illinois, and such agreement must be executed prior to assuming title to the property; and

3. A commitment from the purchaser to designate a portion of the property after the development or redevelopment thereof in honor of Governor James R. Thompson.

(b-10) The administrator shall have authority to order such surveys, abstracts of title, or commitments for title insurance, environmental reports, property condition reports, or any other materials as the administrator may, in his or her reasonable discretion, be deemed necessary to demonstrate to prospective purchasers or bidders or mortgagees good and marketable title in and the existing conditions or characteristics of the any property offered for sale or mortgage under this Section. All conveyances of property made by the administrator under subdivision (a)(1) or (a)(2) of this Section shall be by quit claim deed.

(c) All moneys received from the sale or mortgage of real property under this Section shall be deposited into the General Revenue Fund, provided that any obligations of the State to the purchaser acquiring the
property, a contractor involved in the sale of the property, or a unit of local government may be remitted from the proceeds during the closing process and need not be deposited in the State treasury prior to closing.

(d) The administrator is authorized to enter into any agreements and execute any documents necessary to exercise the authority granted by this Section.

(e) Any agreement to dispose of or mortgage (i) the James R. Thompson Center located in Chicago, Illinois or (ii) the Elgin Mental Health Center and surrounding land located at 750 S. State Street, Elgin, Illinois pursuant to the authority granted by this Section must be entered into no later than 2 years one year after the effective date of this amendatory Act of the 100th 93rd General Assembly.

(f) The provisions of this Section are subject to the Freedom of Information Act, and nothing shall be construed to waive the ability of a public body to assert any applicable exemptions.

DOMESTIC VIOLENCE PRIORITY
(Senate Joint Resolution No. 50)

WHEREAS, During the State of Illinois 2017 fiscal year, 50 agencies funded by the Illinois Coalition Against Domestic Violence reported that services were provided to 41,243 adults who were accompanied by 8,000 children; a total of 61% of those adults seeking services had between one and three accompanying children; 3,122 children were provided overnight shelter; of the children served, 71% were younger than 10 years of age; another 3,670 children were denied shelter along with their accompanying adult because of

"JOINT RESOLUTION

RESOLVED BY THE HOUSE OF REPRESENTATIVES AND SENATE OF THE UNITED STATES OF AMERICA IN CONGRESS ASSEMBLED (TWO-THIRDS OF EACH HOUSE CONCURRING THEREIN), That the following article is proposed as an amendment to the Constitution of the United States, which shall be valid to all intents and purposes as a part of the Constitution when ratified by the legislatures of three-fourths of the several States within seven years from the date of its submission by the Congress:

"ARTICLE ______

Section 1. Equality of rights under the law shall not be denied or abridged by the United States or by any State on account of sex.

Section 2. The Congress shall have the power to enforce, by appropriate legislation, the provisions of this article.
Section 3. This amendment shall take effect two years after the date of ratification.""); and

WHEREAS, A Joint Resolution is a resolution adopted by both houses of the General Assembly and does not require the signature of the Governor; a Joint Resolution is sufficient for Illinois' ratification of an amendment to the United States Constitution; and

WHEREAS, The United States Congress has recently adopted the 27th Amendment to the Constitution of the United States, the so-called Madison Amendment, relating to Compensation of Members of Congress; this amendment was proposed 203 years earlier by our First Congress and only recently ratified by three-fourths of the States; the United States Archivist certified the 27th Amendment on May 18, 1992; and

WHEREAS, If an amendment to the Constitution of the United States has been proposed by two-thirds of both houses of Congress and ratified by three-fourths of the state legislatures, it is for Congress under the principles of Coleman v. Miller to determine the validity of the state ratifications occurring after a time limit in the resolving clause, but not in the amendment itself; and

EXECUTIVE ORDER TO ELIMINATE IMPERMISSIBLE
CONFLICTS OF INTEREST AT THE PROPERTY
TAX APPEALS BOARD

WHEREAS, the people of Illinois have the right and expectation that
the business of their government will be conducted in an honest and ethical
manner; and

WHEREAS, State officials and employees protect the public trust,
and must be impartial in the performance of their duties; and

WHEREAS, the public loses their faith in government when they see
State officials personally profit from the very constituencies they are meant
to serve; and

WHEREAS, the State of Illinois Code of Personal Conduct (the
“Code”), which applies to all State officials and employees under the
Governor, requires that government be conducted in a transparent, ethical,
accountable, and motivated manner; and

WHEREAS, the Code states that State officials and employees “may
not engage in outside employment or activities, including seeking or
negotiating for employment, that conflict with their official State duties and
responsibilities”; and

WHEREAS, the Code states that State officials and employees “must
take appropriate action to identify, disclose, and avoid potential conflicts of
interest in the performance of their official duties”; and

WHEREAS, conflicts of interest clearly arise where legislators and
regulators receive financial benefits by charging Illinois citizens and
businesses through a morass of red tape those same officials created by
passing complicated rules and establishing confusing and bureaucratic
processes; and

WHEREAS, for decades, Illinois government has undermined the
fiscal health of its citizens by passing crippling taxes and enacting policies
that make the State’s property tax system one of the most complicated and
burdensome in the nation; and

WHEREAS, the disastrous outcomes of Illinois’ current property tax
system are eroding the State’s ability to sustain the fundamental markers of
our health as a state, including economic growth, business and job
development, stable homeownership, and the preservation of home values;
and

WHEREAS, recent investigations of Cook County by the University
of Chicago and Chicago Tribune have also demonstrated property value
assessments and appeals are systemically inequitable, yielding disproportionately high property tax burdens on low-income residents; and

WHEREAS, because this is profoundly unfair property tax system, and because of serious public concerns about the fairness of the tax assessment process, avoiding even the appearance of conflicts of interest in the system is of fundamental importance;

THEREFORE, I, Bruce Rauner, Governor of Illinois, by virtue of my executive authority to establish and enforce ethical standards for the executive branch vested in me by Section 8 of Article V and Section 2 of Article XIII of the Constitution of the State of Illinois, do hereby order as follows:

I. ELIMINATION OF CONFLICTS OF INTEREST AT THE PROPERTY TAX APPEALS BOARD

The Property Tax Appeals Board (the “Board”) is a State agency under the jurisdiction of the Governor. The Board hears appeals of property tax assessments made at the county-level throughout Illinois. The Board is empowered to restrict persons who appear before it as representatives of appealing parties. To ensure that the Board conducts its work in an ethical manner, and to ensure that parties before it do not present impermissible conflicts of interest, the Board shall allow no State legislator to participate in any way in any representation case on any matter before the Board. The Board shall also prohibit participation in such a representation case by a legislator where the legislator receives any fee or compensation, directly or indirectly, through any interest in a partnership, limited liability corporation, or other business entity. The Board is directed to amend its rules of practice and procedure to reflect this executive order.

Representation case means a “representation case” as defined by the Illinois Governmental Ethics Act, 5 ILCS 420/1-113.

II. SAVINGS CLAUSE

This Executive Order does not contravene, and shall not be construed to contravene, any federal law, State statute, or collective bargaining agreement.

III. PRIOR EXECUTIVE ORDERS

This Executive Order supersedes any contrary provision of any other prior Executive Order.

IV. SEVERABILITY CLAUSE

If any part of this Executive Order is found invalid by a court of competent jurisdiction, the remaining provisions shall remain in full force and effect. The provisions of this Executive Order are severable.

V. EFFECTIVE DATE

This Executive Order shall take effect immediately upon filing with the Secretary of State.
WHEREAS, the integrity of the Illinois government and State employees and officers and the confidence of the people of Illinois in their State government is of paramount importance; and
WHEREAS, effectively and properly performing government business and maintaining the confidence of the people of Illinois require employees and officers of the State of Illinois to adhere to the highest standards of honesty, integrity, respect and impartiality in their conduct and the performance of their official duties; and
WHEREAS, the State of Illinois has adopted various laws and regulations intended to promote the honesty, integrity and impartiality of the employees, including but not limited to the State Officials and Employees Ethics Act ("Ethics Act"), 5 ILCS § 430/1-1 et seq. and various Executive Orders issued by the governors of the State of Illinois; and
WHEREAS, Executive Order 2016-04 directed the creation of the first State of Illinois Code of Personal Conduct ("Code of Personal Conduct") for all State Employees and updated and strengthened the policies and procedures for investigating and reporting allegations of misconduct by State officeholders, appointees, employees, and vendors, as well as incidents at State facilities; and
WHEREAS, in November 2017, Governor Rauner signed into law HB127 and SB402, which amended the Ethics Act to strengthen State laws and policies against sexual harassment; and
WHEREAS, on December 15, 2017, CMS updated the Code of Personal Conduct to be consistent with the Ethics Act laws regarding sexual harassment; and
WHEREAS, faithfully executing and ensuring compliance with the ethical laws and policies of the State is critical to maintaining the standards of integrity, honesty, respect and impartiality that the people of Illinois deserve; and
WHEREAS, there is no state statute, charter, ordinance, rule, regulation, executive order, or agreement that should preempt the duty of any State officer or employee to act ethically and refrain from sexual harassment under the Ethics Act and Code of Personal Conduct, including collective bargaining agreements.
WHEREAS, the State of Illinois should look to best practices to coordinate sexual harassment training and awareness, as well as all other ethics compliance; and
WHEREAS, focusing resources and attention on compliance as a critical government function aligns with the Ethics Act and Code of Personal Conduct and borrows from private sector compliance models; and
WHEREAS, strengthening sexual harassment investigation requirements and training at State Agencies and creating a Chief Compliance Office within the Office of the Governor is timely and will significantly aid the State’s critical interest in preventing sexual harassment;

THEREFORE, I, Bruce Rauner, Governor of Illinois, by virtue of my executive authority to establish and enforce ethical standards for the executive branch and reassign functions among or reorganize executive agencies, vested in me by Section 8 and Section 11 of Article V and Section 2 of Article XIII of the Constitution of the State of Illinois, do hereby order as follows:

I. DEFINITIONS

“Ethics Officer” means the individual designated under 5 ILCS 420/20-23 by the head of each State agency under the jurisdiction of the Executive Ethics Commission to provide guidance to officers and employees in the interpretation and implementation of the Ethics Act.

“Sexual Harassment” means any unwelcome sexual advances or requests for sexual favors or any conduct of a sexual nature when: (i) submission to such conduct is made either explicitly or implicitly a term or condition of an individual's employment; (ii) submission to or rejection of such conduct by an individual is used as the basis for employment decisions affecting such individual; or (iii) such conduct has the purpose or effect of substantially interfering with an individual's work performance or creating an intimidating, hostile, or offensive working environment. For purposes of this definition, the phrase “working environment” is not limited to a physical location an employee is assigned to perform his or her duties and does not require an employment relationship.

“State Employees” means all officers, employees (including without limitation full-time, part-time, and contractual employees), appointees (including without limitation paid and unpaid appointees), and persons holding similar positions in the Executive Branch of the State of Illinois under the jurisdiction of the Governor.

“State Agencies” means any office, department, agency, board, commission, or authority of the Executive Branch of the State of Illinois under the jurisdiction of the Governor.
“Supervisor” means an officer, a member, or a State employee who has the authority to direct the work performance of a State employee or who has authority to take corrective action regarding any violation of a law, rule, or regulation of which the State employee complains.

II. APPLICABILITY OF ETHICS AND SEXUAL HARASSMENT LAWS
All State Employees and State Agencies are subject to and bound by the Ethics Act. The Ethics Act shall hereby be supreme above all other laws of the State and shall prevail and control in the case of any conflict with other statutes, charters, ordinances, rules, regulations, executive orders or agreements, including collective bargaining agreements.

III. CREATION OF THE CHIEF COMPLIANCE OFFICE, OFFICE OF THE GOVERNOR
A Chief Compliance Office is hereby created within the Office of the Governor. The Chief Compliance Office shall be led by a Chief Compliance Officer (“CCO”) who shall be a licensed attorney. In addition to any other duties and responsibilities requested by the Governor, the CCO will aim to foster a culture of ethics and compliance within State Agencies by providing clear policies, procedures and trainings for employees; detect, report and address allegations of misconduct; and work with Ethics Officers to provide State Agencies and State Employees with the tools and guidance to comply with applicable laws and regulations.

The Governor shall name a Chief Ethics Officer and Chief Diversity Officer, who, in addition to any other duties and responsibilities requested by the Governor, shall be a part of the Chief Compliance Office. The Chief Compliance Office may also include any other individual that the CCO determines would aid in the execution of the duties and obligations of the Chief Compliance Office and the Ethics Act. The CCO and Chief Ethics Officer shall have the rights, duties and obligations granted to Ethics Officers under 5 ILCS 420/20-23. The Chief Ethics Officer shall also act as liaison and advisor to Ethics Officers of State Agencies. The Chief Diversity Officer shall advise the CCO and Chief Ethics Officer on sexual harassment allegations and investigations that involve issues of diversity.

IV. REASSIGNMENT OF INVESTIGATIVE FUNCTIONS FOR SEXual HARASSMENT ALLEGATIONS
The Ethics Act and Code of Personal Conduct state that State Employees should immediately report allegations of sexual harassment to a supervisor, ethics officer, the Office of Executive Inspector General for the Agencies of the Illinois Governor (“OEIG”) or the Department of Human Rights (“DHR”). To ensure allegations of sexual harassment are thoroughly investigated, repeat offenders are identified, and victims are not subject to
continued sexual harassment, Supervisors and Ethics Officers must adhere to the following procedures and assignment of functions.

1. Sexual Harassment Investigations. Supervisors shall immediately report all allegations of sexual harassment received, directly or indirectly, to the State Agency’s Ethics Officer. In addition, to the extent any State Agency permits employees to report sexual harassment allegations to State Agency Equal Employment Opportunity-Affirmative Action Officers, such Officers shall also immediately report all allegations of sexual harassment received, directly or indirectly, to the State Agency’s Ethics Officer. Unless the allegation is immediately referred to the OEIG and the OEIG specifically instructs the Ethics Officer to not investigate the matter until further instruction from the OEIG, the Ethics Officers shall ensure the State Agency completes an initial review of each allegation of sexual harassment within ten (10) business days of receipt of the allegation to determine whether further investigation or action is warranted. If further investigation is warranted, the Ethics Officer shall ensure the State Agency completes its investigation and make any referrals for management action or disciplinary proceedings within thirty (30) days of receipt of the allegation. Investigations may be conducted by Ethics Officers, Supervisors or other agents as the Ethics Officer determines appropriate, but all investigations must be conducted in coordination with the State Agency representative who received sexual harassment investigation training as provided in Section IV(3) of this Executive Order.

2. Reporting to the Chief Compliance Office. Ethics Officers shall notify the Chief Compliance Office of all sexual harassment allegations that are reported to the Ethics Officer and Supervisors within his/her State Agency and any related findings and remedial or disciplinary measures recommended or taken. All communications or reports shared among and between the State Agency representatives and the Chief Compliance Office regarding sexual harassment allegations and investigations shall remain confidential between the parties directly involved unless otherwise required by law, consistent with the Freedom of Information Act. Nothing in this Executive Order may be construed to modify the rights or obligations of State Employees and Ethics Officers under Executive Order 2016-04 to report misconduct to the OEIG.

3. Sexual Harassment Investigation Training. By December 31, 2018, and every two years thereafter, at least one representative from each State Agency shall complete training on best practices for
investigations of alleged sexual harassment. Training programs shall be overseen and approved by the CCO. Ethics Officers must file a certificate of compliance with this requirement to the Chief Compliance Office by December 31, 2018 and every two years thereafter.

4. Reports made to DHR, OEIG and law enforcement. Victims shall continue to have the independent right to report allegations of sexual harassment to the DHR or the OEIG. Nothing in this Executive Order may be construed to modify the OEIG’s or the DHR’s rules, policies, procedures, rights or obligations relating to allegations of sexual harassment filed before those bodies. This Executive Order is intended to strengthen sexual harassment investigation and training requirements at the agency level. In addition, nothing in this Executive Order shall be construed to modify any individual’s rights and obligations to report criminal activity, including but not limited to assault, to state or local law enforcement.

V. INCONSISTENT ACTS

From the effective date of this Executive Order, and as long as such Executive Order remains in effect, the operation of any prior act of the General Assembly inconsistent with this reorganization is suspended to the extent of the inconsistency.

VI. SAVINGS CLAUSE

VIII. SEVERABILITY CLAUSE

THEREFORE, I, Bruce Rauner, Governor of Illinois, by virtue of the executive authority vested in me by Section 8 and Section 11 of Article V of the Constitution of the State of Illinois, do hereby order as follows:
I. DEFINITIONS
As used in this Executive Order:

“Boards and Commissions” means authorities, boards, bureaus, commissions, committees, councils, task forces, and other similar entities created by statute or Executive Order and situated in the executive branch.

II. ABOLITION OF ENTITIES AND TRANSFER OF RIGHTS

1. The entities set forth on Exhibit A are abolished as of July 1, 2018, upon the taking effect of this Executive Order.

2. The rights, powers, duties, and functions vested by law in these entities by the statutes set forth on Exhibit A to this Executive Order, and all rights, powers, and duties incidental to these provisions including funding mechanisms, are also abolished as of July 1, 2018.

3. Upon the taking effect of this Executive Order, to the extent authorized by law and required to facilitate the termination of the administration of an Abolished Entity, the functions, duties, rights, responsibilities, and, to the extent they exist, books, records and unexpended balances of appropriations or funds related to each Abolished Entity shall be transferred to the Department of Central Management Services or an appropriate agency designated by the Governor’s Office.

4. The corresponding terms of members appointed to the Abolished Entities are also terminated, and their appointed offices are subsequently abolished as of July 1, 2018.

III. INCONSISTENT ACTS

From the effective date of this reorganization, and as long as such reorganization remains in effect, the operation of any prior act of the General Assembly inconsistent with this reorganization is suspended to the extent of the inconsistency.

IV. SAVINGS CLAUSE

1. The rights, powers, duties, and functions of each the entities abolished by this Executive Order shall be vested in and shall continue to be exercised by the Department of Central Management Services or an appropriate agency designated by the Governor’s Office to the extent authorized by law and necessary to effectuate the termination of affected entities’ administrative affairs. Each act done in exercise of such rights, powers, duties, and functions shall have the same legal effect as if done by the Abolished Entity. Every person shall be subject to the same obligations and duties and to the associated penalties, if any, and shall have the same rights arising from the exercise of these obligations and duties as if exercised
subject to the Abolished Entity or the officers and employees of the Abolished Entity.

2. This Executive Order shall not affect any act undertaken, ratified, or cancelled or any right occurring or established or any action or proceeding commenced in an administrative, civil, or criminal case before this Executive Order takes effect, but these actions or proceedings may be prosecuted and continued by the Department of Central Management Services or an appropriate agency designated by the Governor’s Office, if necessary.

3. This Executive Order shall not affect the legality of any rules in the Illinois Administrative Code that are in force on the effective date of this Executive Order, which rules have been duly adopted by a pertinent agency. Any rules, regulations, and other agency actions affected by the reorganization shall continue in effect. If necessary, however, the affected agencies shall propose, adopt, or repeal rules, rule amendments, and rule recodifications as appropriate to effectuate this Executive Order. These rule modifications shall coincide with, if applicable, the termination of the Abolished Entities’ affairs.

4. Whenever reports or notices are now required to be made or given or paper or documents furnished or served by any person in regard to the functions of the abolished entities, the same shall be made, given, furnished, or served in the same manner to the Department of Central Management Services or an appropriate agency designated by the Governor’s Office.

5. Whenever any provision of any previous Executive Order or any Act provides for membership on any board or commission by a representative or designee of the Abolished Entity, the Director of the Department of Central Management Services or agency head of an appropriate agency designated by the Governor shall designate the same number of representatives or designees of that agency.

agency designated by the Governor’s Office and shall be expended for similar purposes for which the appropriations, funds, grants, or other moneys were originally made or given to those entities.

8. Although no Abolished Entity has any employees, to the extent they exist, any employees of an Abolished Entity are transferred to the Department of Central Management Services or to another appropriate agency as designated by Governor’s Office. All employees engaged in the performance of a function or in the administration of a law transferred by this Executive Order are transferred to the Department of Central Management Services or to another appropriate agency as designated by Governor’s Office. The status and rights of any transferred employee, the State, and its agencies under the Personnel Code and applicable collective bargaining rights or under any pension, retirement, or annuity plan shall not be affected by this reorganization.

9. This Executive Order does not contravene, and shall not be construed to contravene, any federal law, State statute (except as provided in Section III), or collective bargaining agreement.

V. FURTHER ACTION

The abolition of the entities set forth on Exhibit A does not foreclose further action by the Governor to review additional boards and commissions for abolition and to effectuate that abolition by Executive Order.

VI. PRIOR EXECUTIVE ORDERS

This Executive Order supersedes any contrary provision of any other prior Executive Order.

VII. SEVERABILITY CLAUSE

If any part of this Executive Order is found invalid by a court of competent jurisdiction, the remaining provisions shall remain in full force and effect. The provisions of this Executive Order are severable.

EXECUTIVE ORDER TO ENSURE REPRESENTATIVE CONTRACTING IN STATE PROCUREMENT

WHEREAS, the State of Illinois’ diverse population is the bedrock of its character, a foundation of a vibrant community, and is a pillar strengthening its economy; and

WHEREAS, in the face of national and international competition and to combat outmigration caused by decades of fiscal mismanagement of State government, Illinois must send a message that it is “open for business”; and

WHEREAS, being “open for business” means being open for all business, and

WHEREAS, it is the public policy of the State that businesses owned by minorities, women, and persons with disabilities should participate equitably and contract with the State through its procurement processes; and

WHEREAS, the Business Enterprise Program (“BEP”), which exists to foster an inclusive and competitive business environment, commissioned a Disparity and Availability Study in 2015 that found that disparities exist between the availability of minority-owned and women-owned businesses and their utilization on State contracts and subcontracts; and

WHEREAS, the 2015 Disparity and Availability Study and BEP’s most recent annual reports have identified ongoing disparities that are especially significant for African-American-owned businesses; and

WHEREAS, as of 2013, African-Americans represent 9.5% of the ownership of total Illinois businesses, but the total value of State contracts awarded to African American-owned businesses by the State of Illinois was less than 1% of total spending; and

WHEREAS, Public Act 099-0451 created the Fair Practices in Contracting Task Force (“Task Force”), in 2016, to focus on African-American business participation in State procurement and to issue recommendations, based on researched best practices, for alleviating disparities in contract awards; and

WHEREAS, the Task Force has developed several policy recommendations to strengthen reporting and oversight by BEP of State agency contracting and to ensure concrete metrics are built into the State’s procurement processes; and

WHEREAS, although the Task Force sunsets and Public Act 099-0451 is repealed on January 2, 2019, the Task Force’s research and recommendations reveal there is a great deal more work that must be done to reform State procurement; and
WHEREAS, ongoing commitment to reviewing and correcting for exclusive contracting patterns is necessary to encourage full participation by business owners of diverse backgrounds who have historically faced unique barriers to growth in our economy, and

THEREFORE, I, Bruce Rauner, Governor of Illinois, by virtue of the executive authority vested in me by Section 8 of Article V of the Constitution of the State of Illinois, do hereby order as follows:

I. DEFINITIONS

As used in this Executive Order:
“BEP” means the State of Illinois Business Enterprise Program.
“CMS” means the Illinois Department of Central Management Services.
“Commission” means the Illinois Commission on Fair Contracting.
“Contract” or “contracts” has the meaning provided by Section 2 of the Business Enterprise for Minorities, Females, and Persons with Disabilities Act (30 ILCS 575/2).
“Disparity Study” means the State of Illinois 2015 Disparity and Availability Study.
“State agency” means any agency under the jurisdiction of the Governor whose procurement contracting is regulated by Chief Procurement Officer for General Services.

II. ADOPTION OF FAIR PRACTICES IN CONTRACTING REFORMS

The Task Force, as part of its charge to thoroughly survey African-American-owned business participation in State procurement and to research solutions and methods to address the disparity in procurement awards, has issued the following recommendations:

1. That the State of Illinois declare that addressing the underrepresentation of African-American vendors in State contract awards is a compelling interest of the State, and to further that interest, a major policy goal of the BEP program will be to focus efforts on those communities that are most underrepresented in contract awards, including African-American-owned businesses, as identified in the BEP annual report and the Disparity Study;

2. That BEP outreach activities be allocated towards this major policy goal and that State agency contracts should be evaluated based on their achievement in engaging underrepresented communities;

3. That if a contract is deemed by the BEP secretary and the
Director of CMS to be non-compliant with the goals and policies of the BEP program, that the contracting agency must cancel the contract;

4. That all State agency contracts above $100,000 be submitted to BEP for goal setting. Goal setting is the process for placing BEP goals on State contracts. This recommendation would lower the goal setting threshold, which currently only applies to contracts above $250,000;

5. That a standing Commission be created to continue the work of the Task Force and to conduct quarterly performance reviews of State agency performance in contracting with African-American-owned businesses and to issue ongoing annual reports on African-American disparity ratios; and

6. That CMS issue a guidance that engagement with BEP contractors and subcontractors and support of the goals of the BEP program and the Fair Contracting Task Force shall be included in the job descriptions of State agency management and contracting personnel and be a factor in performance evaluations of State agency management and contracting personnel.

This Executive Order adopts the above recommendations and State agencies are hereby ordered to comply with these recommendations.

Immediately of the effective date of this Executive Order, State agencies shall submit all pending and future contracts above $100,000 to BEP for goal setting.

Within 30 days of the effective date of this Executive Order, CMS shall issue guidance to each State agency to identify appropriate management and contracting personnel and to amend, through appropriate legal processes, their position descriptions to include an articulation of the following requirement: engagement with Business Enterprise Program (BEP) contractors and subcontractors and support for the goals of the BEP program and the Fair Contracting Task Force is required of the position.

Within 60 days of the effective date of this Executive Order, CMS shall draft and submit to BEP Council for approval: (1) a guidance to State agencies to ensure compliance with the BEP program on contracts; and (2) a review of contractual language regarding cancelation of contracts deemed not to be compliant with the BEP program and, if necessary, proposed recommended changes to contractual boilerplate language for future contracts.

Within 120 days of the effective date of this Executive Order, BEP shall issue an outreach strategy that addresses the underrepresentation of African-American-owned businesses in State contracts. This outreach strategy shall
be shared with State agency heads. Within 120 days of the effective date of this Executive Order, BEP shall also develop a quarterly evaluation metric to measure State agency achievement in engaging underrepresented communities. Nothing in this section shall be deemed an impairment of any existing contractual right of any party.

III. DECLARATION OF THE POLICY OF THE STATE OF ILLINOIS

Pursuant to Section II (1), it is declared the policy of the State of Illinois that addressing the underrepresentation of African-American vendors in State contract awards is a compelling interest of the State. To further this interest, a major policy goal of the BEP program shall be to focus procurement and contracting efforts on those communities identified in the Disparity Study and in BEP’s most recent annual report to be the most underrepresented in contract awards. This major policy goal includes addressing disparities affecting African-American-owned businesses. BEP shall allocate outreach efforts pursuant to this major policy goal. State agency contracts shall be evaluated based on their achievement in engaging underrepresented communities pursuant to this major policy goal.

IV. CREATION OF ILLINOIS COMMISSION ON FAIR CONTRACTING

Pursuant to Section II (5), there is hereby created a permanent Illinois Commission on Fair Contracting. The purpose of the Commission is the ongoing study of African-American-owned businesses and their participation in State contracting. 3. Review State agency plans, and issue recommendations to State agencies as warranted, on the eradication of historic disparities and barriers to State contracting and receipt of State funds by African-American-owned businesses;

4. Receive from each State agency its plan and goals on how to eradicate historic disparities and barriers that prevent fairness, equality, and parity for African-American-owned businesses, and review and provide recommendations to State agencies on these plans;
5. Recommend performance incentives to State agencies that meet or exceed their planned goals and publish, at least annually, a list of those agencies that fail to meet their planned goals;

6. Hold meetings and accept public comment from representatives of African-American-owned businesses on their interaction with State agencies and experiences in seeking to overcome historic barriers to participation in State procurement and issue recommendations to State agencies in reliance on public comments and other information;

8. Issue annually a report to the Governor and the General Assembly, which shall include data on the African-American-owned business disparity ratio in Illinois and proposed solutions to alleviate disparities in procurement awards to African-American-owned businesses.

Within 180 days, in coordination with the Commission, the BEP Council, and CMS, all State agencies shall submit to the Commission a proposed plan on how each intends to work to eradicate historic disparities and barriers to State contracting and receipt of State funds by African-American-owned businesses. In its reporting, the Commission shall not disclose any confidential financial or trade secret protected information furnished to the State under a claim of confidentiality.

The Commission shall consist of the following members:

III. ADOPTION OF FAIR PRACTICES IN CONTRACTING REFORMS
The Task Force, as part of its charge to thoroughly survey African-American-owned business participation in State procurement and to research solutions and methods to address the disparity in procurement awards, has issued the following recommendations:

1. That the State of Illinois declare that addressing the underrepresentation of African-American vendors in State contract awards is a compelling interest of the State, and to further that interest, a major policy goal of the BEP program will be to focus efforts on those communities that are most underrepresented in contract awards, including African-American-owned businesses, as identified in the BEP annual report and the Disparity Study;

2. That BEP outreach activities be allocated towards this major policy goal and that State agency contracts should be evaluated based on their achievement in engaging underrepresented communities;

3. That if a contract is deemed by the BEP secretary and the Director of CMS to be non-compliant with the goals and policies of the BEP program, that the contracting agency must cancel the contract;

4. That all State agency contracts above $100,000 be submitted to BEP for goal setting. Goal setting is the process for placing
BEP goals on State contracts. This recommendation would lower the goal setting threshold, which currently only applies to contracts above $250,000;

This Executive Order adopts the above recommendations and State agencies are hereby ordered to comply with these recommendations.

Immediately of the effective date of this Executive Order, State agencies shall submit all pending and future contracts above $100,000 to BEP for goal setting.

Within 30 days of the effective date of this Executive Order, CMS shall issue guidance to each State agency to identify appropriate management and contracting personnel and to amend, through appropriate legal processes, their position descriptions to include an articulation of the following requirement: engagement with Business Enterprise Program (BEP) contractors and subcontractors and support for the goals of the BEP program and the Fair Contracting Task Force is required of the position.

Within 60 days of the effective date of this Executive Order, CMS shall draft and submit to BEP Council for approval: (1) a guidance to State agencies to ensure compliance with the BEP program on contracts; and (2) a review of contractual language regarding cancelation of contracts deemed not to be compliant with the BEP program and, if necessary, proposed recommended changes to contractual boilerplate language for future contracts.

Within 120 days of the effective date of this Executive Order, BEP shall issue an outreach strategy that addresses the underrepresentation of African-American-owned businesses in State contracts. This outreach strategy shall be shared with State agency heads. 2018-8
EXECUTIVE ORDER REFORMING THE ADMINISTRATION AND ELIMINATING THE BACKLOG OF ANTI-DISCRIMINATION AND EQUAL OPPORTUNITY HEARINGS AT THE HUMAN RIGHTS COMMISSION

WHEREAS, it has been one of the signature achievements of this administration to track, rationalize, and reform the administrative hearings system within the State of Illinois; and
WHEREAS, more than 150,000 administrative hearings are requested each year across State agencies, and the conduct of these hearings operates as a quasi-judicial court system within State government; and
WHEREAS, our constitutional, democratic principles require the State to afford due process to people and businesses affected by the decisions of agencies that come out of administrative hearings; and
WHEREAS, due process should ensure a speedy disposition of hearings so that people in Illinois receive State services and obtain resolution of their rights and privileges in a timely manner; and
WHEREAS, to ensure this quasi-judicial system operates in a fair, efficient, and transparent way, I signed Executive Order 2016-06 to create a pilot Bureau of Administrative Hearings (“Bureau”) within the Department of Central Management Services (“CMS”) to provide central, uniform administrative support to State agencies and to recommend consolidation of hearing functions as appropriate; and
WHEREAS, in its pilot year, the Bureau initiated case sharing between the Department of Public Health, the Department of Revenue, and the Department of Labor and doubled the speed of Labor adjudications with no expense to the State; and
WHEREAS, the Bureau has initiated the State’s first comprehensive professional development program for administrative law judges, including providing over 1200 hours of professional training, promulgating the State’s first bench manual for adjudicators, and developing the State’s first orientation program for adjudicators; and
WHEREAS, in recognition of these efforts and the success of the Bureau, I signed Executive Order 2017-04, making the Bureau a permanent part of CMS and directing it to continue and expand its work; and
WHEREAS, recognizing a uniquely problematic backlog in the adjudication of hearings at the Human Rights Commission (“HRC”), I signed Executive Order 2017-02 to consolidate HRC with the Department of Human Rights (“DHR”); and
WHEREAS, DHR receives, investigates, and conciliates charges of unlawful discrimination and undertakes affirmative action and public education activities to prevent discrimination; and
WHEREAS, HRC is a body that hears and adjudicates discrimination cases; and
WHEREAS, although a single statute governs these two State agencies, HRC and DHR often have different, conflicting, and inconsistent rules of administrative procedure, which confuse parties, impede transparency, and create redundancies, backlog, and delay; and
WHEREAS, the consolidation of these two State agencies was intended to produce faster investigative and adjudicative processes, because they would have been able to share resources effectively and cut bureaucratic red tape; and

WHEREAS, the General Assembly rejected my reorganization of DHR and HRC and the backlog of cases at HRC continues to grow; and

WHEREAS, under our current outdated and unproductive structure, people and businesses wait at least four years, on average, after filing a charge of discrimination for DHR to investigate and HRC to issue its final decision on their cases; and

WHEREAS, HRC currently has over 1,000 backlogged cases pending two years or more without a decision, and some parties wait as long as three years for a resolution to their case by HRC; and

WHEREAS, these delays are unacceptable and unfair to aggrieved parties and businesses and to the general public; and

WHEREAS, individuals and groups most often harmed by delay are impoverished and minority parties and small businesses without the resources to obtain counsel and pay expensive legal fees to appear in Illinois courts; and

WHEREAS, the State and the public recognize, perhaps more than ever before, the critical importance of ensuring due process in discrimination cases, including discrimination complaints regarding sexual harassment; and

WHEREAS, it is the continued obligation of the Governor as the chief executive of the State to oversee executive branch processes and track and resolve process and organizational problems as they are identified, and my administration is still resolved to cure this backlog despite the General Assembly’s rejection of my previous Executive Order; and

WHEREAS, collaboration with the Bureau has proven successful for State agencies, and DHR and HRC can benefit from meaningful partnership with each other and the Bureau to realize better hearings processes; and

WHEREAS, addressing this backlog must feature honest and transparent accounting, rooted in thorough data collection, to understand the scope of problems and opportunities in the hearings process;

THEREFORE, I, Bruce Rauner, Governor of Illinois, by virtue of the executive authority vested in me by Section 11 of Article V of the Constitution of the State of Illinois, do hereby order as follows:

I. DEFINITIONS

“Bureau” means the Bureau of Administrative Hearings at CMS.
“CMS” means the Department of Central Management Services.
“DHR” means the Department of Human Rights.
“DoIT” means the Department of Innovation and Technology.
“HRC” means the Human Rights Commission.
“Rapids Results training” means training provided by the Office of Rapid Results, created under this administration based on the State’s philosophy of continuous improvement that encourages State employees to find and eliminate process waste and improve the efficiency and quality of State products and services.

II. COORDINATION BETWEEN THE BUREAU, HRC, AND DHR REQUIRED

Coordination between State agencies to identify economies of scale, model best practices, and develop thoughtful approaches to all aspects of administrative hearings work is a proven success. The Bureau is empowered to partner with State agencies to provide administrative hearings support by entering into interagency contracts with participating State agencies, as authorized by the Intergovernmental Cooperation Act and other applicable law. It develops training programs for adjudicators, promotes shared resources among participating agencies, develops uniform rules of procedure, and recommends revisions, where appropriate, to agency administrative rules on administrative hearings. The Bureau is required to cooperate with DoIT to implement modern, uniform filing and case management systems.

With this model in mind, pursuant to this Executive Order, the Bureau, DHR, and HRC shall coordinate to achieve efficiencies and eliminate backlogs. Coordination shall include:

1. Developing a benchmarking system and a plan for the elimination of the backlog, which will require, at a minimum, the complete elimination of backlog in HRC cases within 18 months. This plan shall be submitted to the Governor within 60 days of the effective date of this Executive Order.

2. Reviewing rights and requirements at DHR and HRC and identifying where legislation, administrative rules, and internal policies can be proposed or amended to highlight similarities between DHR and HRC, thereby streamlining the hearings process for parties.

3. Executing intergovernmental agreements to share resources and smooth workloads through the administrative hearings process.

4. Developing, with DoIT, technological solutions and shared case management systems.

5. Tracking, and reporting at least quarterly to the Governor and the Director of CMS, the total number of pending cases, average and median length of time for resolution to cases, and any other information necessary to capture backlog or delays in processing of cases.
6. Soliciting feedback and surveying parties appearing before HRC and DHR and incorporating, as appropriate, their suggestions for better, and not simply faster, service in the hearings process.

7. Developing and participating in training programs, including at least one Rapid Results training program.

No aspect of coordination should work to limit the constitutional or statutory due process rights of parties before DHR or HRC.

III. REPORT TO THE GOVERNOR’S OFFICE

The Bureau shall, no later than December 31, 2018, and annually thereafter for three years, provide a report to the Governor and the Director of CMS on the coordination efforts and data reporting of the Bureau, DHR, and HRC pursuant to this Executive Order. The report shall include: (1) an analysis of current case backlogs and projected backlog reductions; (2) a description of due process and operational improvements at the HRC and DHR; and (3) the effect of such improvements on State government and the public. The report shall also provide recommendations for further executive or legislative action relating to the implementation of this Executive Order. The Bureau shall work with DHR and HRC to prepare this report. The Bureau shall further work with DoIT to include any proposed or implemented technological changes affecting the operations of DHR and HRC. A copy of such report shall be filed with the General Assembly.

IV. SAVINGS CLAUSE

1. This Executive Order does not, and shall not be construed to, transfer any rights, powers, duties, functions, property, personnel, or funds from, to, or among State agencies; each State agency continues to have whatever authority is provided to it pursuant to the Intergovernmental Cooperation Act and other applicable law to enter into interagency contracts, which may include permissible transfers.

2. This Executive Order shall not affect any act undertaken, ratified, or cancelled or any right occurring or established or any action or proceeding commenced in an administrative, civil, or criminal case before this Executive Order takes effect, but these actions or proceedings may be prosecuted and continued by the Bureau in cooperation with the State agency, if necessary.

3. This Executive Order shall not affect the legality of any rules in the Illinois Administrative Code that are in force on the effective date of this Executive Order, which rules have been duly adopted by the pertinent agencies. If necessary, however, the affected agencies shall propose, adopt, or repeal rules, rule amendments, and rule recodifications as appropriate to effectuate this Executive Order.
4. This Executive Order does not contravene, and shall not be construed to contravene, any federal law, State statute, or collective bargaining agreement.

V. PRIOR EXECUTIVE ORDERS
This Executive Order supersedes any contrary provision of any other prior Executive Order.

VI. SEVERABILITY CLAUSE
If any part of this Executive Order is found invalid by a court of competent jurisdiction, the remaining provisions shall remain in full force and effect. The provisions of this Executive Order are severable.

VII. EFFECTIVE DATE
This Executive Order shall take effect upon filing with the Secretary of State.

2018-9
EXECUTIVE ORDER PROHIBITING THE WITHHOLDING OF AGENCY FEES

WHEREAS, on June 27, 2018, the United States Supreme Court ruled in Janus v. AFSCME, 585 U.S. ___ (2018) ("Janus") that Illinois’ practice of withholding Agency Fees from State Employees’ paychecks without their affirmative consent “violates the First Amendment and cannot continue,” Janus, 585 U.S. ___ (2018), slip-op at 48; and

WHEREAS, on February 9, 2015, I issued Executive Order 2015-13, ordering State Agencies to cease enforcement of Agency Fee Agreements that require the State to withhold agency fees from the paychecks of State employees who choose to not be union members; and

WHEREAS, I issued Executive Order 2015-13 to protect public employees’ rights to freedom of speech and political association under the First Amendment of the United States Constitution, to protect taxpayer dollars, and to uphold my oath as Governor to support the United States Constitution; and

WHEREAS, in Janus, the Supreme Court agreed with my First Amendment concerns, and once again “recognized that a ‘significant impingement on First Amendment rights’ occurs when public employees are required to provide financial support for a union,” id. at 9 (quoting Knox v. Service Employees, 567 U.S. 298, 310–311 (2012)); and

WHEREAS, the Supreme Court confirmed that union speech in collective bargaining “is overwhelmingly of substantial public concern,” id. at 31; and
WHEREAS, the Illinois Public Labor Relations Act ("IPLRA"), 3 ILCS 315/1 et seq., authorizes the State to enter into Agency Fee or "Fair Share" Agreements with unions that require the State to withhold Agency Fees from the paychecks of non-union member employees without their affirmative consent and pay those amounts directly to the union; and

WHEREAS, the Supreme Court found that these "public-sector agency-shop arrangements violate the First Amendment" and have afforded public unions a "considerable windfall," id. at 33, 47; and

WHEREAS, Janus is unequivocally clear that under the United States Constitution, "States and public-sector unions may no longer extract agency fees from nonconsenting employees," id. at 48; and

WHEREAS, the American Federation of State, County, and Municipal Employees, Council 31 ("AFSCME"), which is the union that represents the vast majority of State bargaining unit employees, has also recognized that after Janus, public "employers must immediately cease deducting any fair share fees from the paychecks of employees who are not union members," (6/25/18 M. Newman Ltr. to J. Terranova (emphasis in original)); and

WHEREAS, the Governor has the responsibility, pursuant to Section 8 of Article V of the Illinois Constitution, to faithfully execute state and federal laws;

THEREFORE, I, Bruce Rauner, Governor of Illinois, by virtue of my executive authority to enforce state and federal law vested in me by Section 8 of Article V of the Constitution of the State of Illinois, do hereby order as follows:

I. DEFINITIONS

"Agency Fee Agreement" means any agreement between a State Agency and a Labor Organization that requires bargaining unit members to pay an Agency Fee, including all "Fair Share Agreements" as defined in Section 3(f) of the IPLRA, 5 ILCS 315/3.

"Labor Organization" means any organization in which public employees participate and that exists for the purpose, in whole or in part, of dealing with a public employer concerning wages, hours, and other terms and conditions of employment, including the settlement of grievances.

"State Employee" means all officers, employees (including without limitation full-time, part-time, and contractual employees), appointees (including

Butts, 388 U.S. 130, 145 (1967)).

2. All State Agency payroll systems are directed to immediately cease withholding all Agency Fees from pay vouchers.

3. All State Agencies are prohibited from entering into any Agency Fee Agreements with Labor Organizations.

III. SAVINGS CLAUSE

IV. PRIOR EXECUTIVE ORDERS

This Executive Order supersedes any contrary provision of any other prior Executive Order.

V. SEVERABILITY CLAUSE

If any part of this Executive Order or its application to any person or circumstance is found invalid by a court of competent jurisdiction, the remaining provisions shall remain in full force and effect. The provisions of this Executive Order are severable.

VI. FILINGS

This Executive Order shall be filed with the Secretary of State. A copy of this Executive Order shall be delivered to the Secretary of the Senate and to the Clerk of the House of Representatives and, for the purpose of preparing a revisory bill, to the Legislative Reference Bureau.

VII. EFFECTIVE DATE

This Executive Order shall take effect immediately upon filing with the Secretary of State.

Issued by the Governor June 28, 2018.

Filed with the Secretary of State June 28, 2018.
WHEREAS, the State of Illinois has created more than 600 authorities, boards, bureaus, commissions, committees, councils, task forces, or other similar entities (“boards and commissions”) by statute or Executive Order; and

WHEREAS, many boards and commissions continue in name only, often serving no current public purpose; and

WHEREAS, many boards and commissions have been inactive for five years or more; and

WHEREAS, many boards and commissions were created for a special or temporary purpose, which they have fulfilled, and their continued existence is unnecessary, while others are redundant with other units of government; and

WHEREAS, good governance requires clean-up of the programs, entities, and bodies tasked with important governmental purposes to ensure transparency about the ongoing work of the State and to increase the efficiency of the executive branch; and

WHEREAS, many boards and commissions that are already expired, dissolved, or abolished continue to appear in State publications, including public-facing State websites and Legislative Research Unit reports, and Illinois residents should be provided greater clarity about their defunct status; and

WHEREAS, Section 11 of Article V of the Constitution of the State of Illinois authorizes the Governor, by Executive Order, to reorganize executive agencies which are directly responsible to him, which includes the abolition of boards and commissions;

THEREFORE, I, Bruce Rauner, Governor of Illinois, by virtue of the executive authority vested in me by Section 8 and Section 11 of Article V of the Constitution of the State of Illinois, do hereby order as follows:

I. DEFINITIONS
As used in this Executive Order:

“Abolished Entity” means an agency designated by Exhibit A of this Executive Order to be abolished pursuant to Section II of this Executive Order.

“Boards and Commissions” means authorities, boards, bureaus, commissions, committees, councils, task forces, and other similar entities created by statute or Executive Order and situated in the executive branch.

II. REVOCATION
1. Effective immediately upon the filing of this Executive Order with the Secretary of State, the Executive Orders set forth on Exhibit A are revoked and rescinded, and the boards and commissions they authorize are abolished.

2. The rights, powers, duties, and functions vested by law in these entities by the Executive Orders set forth on Exhibit A to this Executive Order, and all rights, powers, and duties incidental to these provisions including funding mechanisms, are also abolished 30 days after the taking effect of this Executive Order.

3. Upon the taking effect of this Executive Order, to the extent authorized by law and required to facilitate the termination of the administration of an Abolished Entity, the functions, duties, rights, responsibilities, and, to the extent they exist, books, records and unexpended balances of appropriations or funds related to each Abolished Entity shall be transferred to the Department of Central Management Services or an appropriate agency designated by the Governor’s Office. Such transfers shall be completed within 30 days of the taking effect of this Executive Order.

4. The corresponding terms of members appointed to the Abolished Entities are also terminated, and their appointed offices are subsequently abolished.

III. SAVINGS CLAUSE

1. This Executive Order shall not affect any act undertaken, ratified, or cancelled or any right occurring or established or any action or proceeding commenced in an administrative, civil, or criminal case before this Executive Order takes effect, but these actions or proceedings may be prosecuted and continued by the Department of Central Management Services or an appropriate agency designated by the Governor’s Office, if necessary.

2. This Executive Order shall not affect the legality of any rules in the Illinois Administrative Code that are in force on the effective date of this Executive Order, which rules have been duly adopted by a pertinent agency. Any rules, regulations, and other agency actions affected by the reorganization shall continue in effect. If necessary, however, the affected agencies shall propose, adopt, or repeal rules, rule amendments, and rule recodifications as appropriate to effectuate this Executive Order. These rule modifications shall coincide with, if applicable, the termination of the Abolished Entities’ affairs.

3. This Executive Order does not contravene, and shall not be construed to contravene, any federal law, State statute, or collective bargaining agreement.
IV. CLARIFICATION AND CONFIRMATION OF ABOLESHED BOARDS
As a matter of both clarification and confirmation, the boards and commissions set forth on Exhibit B have been abolished, either through dissolution upon completing their mandated tasks or through revocation of their legal authority. All agencies under the jurisdiction of the Governor shall monitor their public-facing State websites and future publications to ensure that, when an agency mentions these and other inoperative boards and commissions, it identifies them as such.

V. FURTHER ACTION
The abolition of the entities set forth on Exhibit A does not foreclose further action by the Governor to review additional boards and commissions for abolition and to effectuate that abolition by Executive Order.

VI. PRIOR EXECUTIVE ORDERS
This Executive Order supersedes any contrary provision of any other prior Executive Order.

VII. SEVERABILITY CLAUSE
If any part of this Executive Order is found invalid by a court of competent jurisdiction, the remaining provisions shall remain in full force and effect. The provisions of this Executive Order are severable.

VIII. EFFECTIVE DATE
This Executive Order shall take effect immediately upon filing with the Secretary of State.

2018-11
EXECUTIVE ORDER REDUCING THE SIZE OF GOVERNMENT THROUGH THE ABOLITION OF INOPERATIVE BOARDS AND COMMISSIONS

WHEREAS, the State of Illinois has created more than 600 authorities, boards, bureaus, commissions, committees, councils, task forces, or other similar entities (“boards and commissions”) by statute or Executive Order; and

WHEREAS, many boards and commissions continue in name only, often serving no current public purpose; and

WHEREAS, many boards and commissions have been inactive for five years or more; and
WHEREAS, many boards and commissions were created for a special or temporary purpose, which they have fulfilled, and their continued existence is unnecessary, while others are redundant with other units of government; and

WHEREAS, good governance requires clean-up of the programs, entities, and bodies tasked with important governmental purposes to ensure transparency about the ongoing work of the State and to increase the efficiency of the executive branch; and

WHEREAS, many boards and commissions that are already expired, dissolved, or abolished continue to appear in State publications, including public-facing State websites and Legislative Research Unit reports, and Illinois residents should be provided greater clarity about their defunct status; and

WHEREAS, Section 11 of Article V of the Constitution of the State of Illinois authorizes the Governor, by Executive Order, to reorganize executive agencies which are directly responsible to him, which includes the abolition of boards and commissions;

THEREFORE, I, Bruce Rauner, Governor of Illinois, by virtue of the executive authority vested in me by Section 8 and Section 11 of Article V of the Constitution of the State of Illinois, do hereby order as follows:

I. DEFINITIONS
As used in this Executive Order:
“Abolished Entity” means an agency designated by Exhibit A of this Executive Order to be abolished pursuant to Section II of this Executive Order.
“Boards and Commissions” means authorities, boards, bureaus, commissions, committees, councils, task forces, and other similar entities created by statute or Executive Order and situated in the executive branch.

II. ABOLITION OF ENTITIES AND TRANSFER OF RIGHTS
1. The entities set forth on Exhibit A are abolished upon the taking effect of this Executive Order.
2. The rights, powers, duties, and functions vested by law in these entities by the statutes set forth on Exhibit A to this Executive Order, and all rights, powers, and duties incidental to these provisions including funding mechanisms, are also abolished 30 days after the taking effect of this Executive Order.
3. Upon the taking effect of this Executive Order, to the extent authorized by law and required to facilitate the termination of the administration of an Abolished Entity, the functions, duties, rights, responsibilities, and, to the extent they exist, books, records and unexpended balances of appropriations or funds related to each
Abolished Entity shall be transferred to the Department of Central Management Services or an appropriate agency designated by the Governor’s Office. Such transfers shall be completed within 30 days of the taking effect of this Executive Order.

4. The corresponding terms of members appointed to the Abolished Entities are also terminated, and their appointed offices are subsequently abolished, upon the taking effect of this Executive Order.

III. INCONSISTENT ACTS

From the effective date of this reorganization, and as long as such reorganization remains in effect, the operation of any prior act of the General Assembly inconsistent with this reorganization is suspended to the extent of the inconsistency.

IV. SAVINGS CLAUSE

1. The rights, powers, duties, and functions of each of the entities abolished by this Executive Order shall be vested in and shall continue to be exercised by the Department of Central Management Services or an appropriate agency designated by the Governor’s Office to the extent authorized by law and necessary to effectuate the termination of affected entities’ administrative affairs. Each act done in exercise of such rights, powers, duties, and functions shall have the same legal effect as if done by the Abolished Entity. Every person shall be subject to the same obligations and duties and to the associated penalties, if any, and shall have the same rights arising from the exercise of these obligations and duties as if exercised subject to the Abolished Entity or the officers and employees of the Abolished Entity.

2. This Executive Order shall not affect any act undertaken, ratified, or cancelled or any right occurring or established or any action or proceeding commenced in an administrative, civil, or criminal case before this Executive Order takes effect, but these actions or proceedings may be prosecuted and continued by the Department of Central Management Services or an appropriate agency designated by the Governor’s Office, if necessary.

3. This Executive Order shall not affect the legality of any rules in the Illinois Administrative Code that are in force on the effective date of this Executive Order, which rules have been duly adopted by a pertinent agency. Any rules, regulations, and other agency actions affected by the reorganization shall continue in effect. If necessary, however, the affected agencies shall propose, adopt, or repeal rules, rule amendments, and rule recodifications as appropriate to effectuate
4. Whenever reports or notices are now required to be made or given or paper or documents furnished or served by any person in regard to the functions of the abolished entities, the same shall be made, given, furnished, or served in the same manner to the Department of Central Management Services or an appropriate agency designated by the Governor’s Office.

5. Whenever any provision of any previous Executive Order or any Act provides for membership on any board or commission by a representative or designee of the Abolished Entity, the Director of the Department of Central Management Services or agency head of an appropriate agency designated by the Governor shall designate the same number of representatives or designees of that agency.

6. To the extent they exist, all personnel records, documents, books, correspondence, papers, real and personal property, and other associated items in any way pertaining to the rights, powers, duties, and functions of the abolished agencies shall be delivered and transferred to the Department of Central Management Services or an appropriate agency designated by the Governor’s Office, or the State Archives.

7. To the extent they exist, any unexpended balances of any appropriations or funds, grants, donations, or other moneys available for use by the abolished agencies shall be transferred to the Department of Central Management Services or an appropriate agency designated by the Governor’s Office and shall be expended for similar purposes for which the appropriations, funds, grants, or other moneys were originally made or given to those entities.

8. Although no Abolished Entity has any employees, to the extent they exist, any employees of an Abolished Entity are transferred to the Department of Central Management Services or to another appropriate agency as designated by Governor’s Office. All employees engaged in the performance of a function or in the administration of a law transferred by this Executive Order are transferred to the Department of Central Management Services or to another appropriate agency as designated by Governor’s Office. The status and rights of any transferred employee, the State, and its agencies under the Personnel Code and applicable collective bargaining rights or under any pension, retirement, or annuity plan shall not be affected by this reorganization.

9. This Executive Order does not contravene, and shall not be construed
to contravene, any federal law, State statute (except as provided in Section III), or collective bargaining agreement.

V. CLARIFICATION AND CONFIRMATION OF ABOLISHED BOARDS

As a matter of both clarification and confirmation, the boards and commissions set forth on Exhibit B have been abolished, either through dissolution upon completing their mandated tasks or through repeal of their statutory authority. All agencies under the jurisdiction of the Governor shall monitor their public-facing State websites and future publications to ensure that, when an agency mentions these and other inoperative boards and commissions, it identifies them as such.

VI. FURTHER ACTION

The abolition of the entities set forth on Exhibit A does not foreclose further action by the Governor to review additional boards and commissions for abolition and to effectuate that abolition by Executive Order.

VII. PRIOR EXECUTIVE ORDERS

This Executive Order supersedes any contrary provision of any other prior Executive Order.

VIII. SEVERABILITY CLAUSE

If any part of this Executive Order is found invalid by a court of competent jurisdiction, the remaining provisions shall remain in full force and effect. The provisions of this Executive Order are severable.

IX. FILINGS

This Executive Order shall be filed with the Secretary of State. A copy of this Executive Order shall be delivered to the Secretary of the Senate and to the Clerk of the House of Representatives and, for the purpose of preparing a revisory bill, to the Legislative Reference Bureau.

X. EFFECTIVE DATE

Provided that neither house of the General Assembly disapproves of this Executive Order by the record vote of a majority of the members elected, this Executive Order shall take effect 60 days after its delivery to the General Assembly.

**EXECUTIVE ORDER TO ELIMINATE NEPOTISM IN STATE GOVERNMENT HIRING**

WHEREAS, State employees are entrusted with protecting the public from violence and natural disasters, ensuring the people of Illinois have safe roads and adequate public transportation, providing social services, and other significant duties touching the lives of the people of Illinois; and

WHEREAS, the State of Illinois Code of Personal Conduct requires
all State officials and employees to conduct themselves in an ethical, honest, and impartial manner and to never abuse their public service for private gain; and

WHEREAS, according to a recent statewide public opinion poll, Illinois citizens rank number one in distrust of their State government; and

WHEREAS, public trust historically has been diminished by a belief that the work of State government is done by the backroom dealings of a few focused on personal gain, while the people of Illinois are left wondering who has their interest in mind; and

WHEREAS, nepotism, which is the practice of promoting or hiring based on family relationship, has no place in government, let alone in Illinois, and

WHEREAS, nepotism can open the door for corruption, favoritism, and conflicts of interest; and

WHEREAS, federal law already prohibits executive agency heads from the practice of nepotism in the appointment, promotion, or recommendation of a relative to any agency or department under their control; and

WHEREAS, more than half of states—including Indiana, Missouri, Iowa, Kentucky, and Michigan—have anti-nepotism laws; Illinois lags behind; and

WHEREAS, good ethics is good economics, and statistics show that countries with lower levels of political trust have more regulation and suffer more economic decline; and

WHEREAS, with the problem of outmigration growing in Illinois, it is imperative to strengthen the ethical practices of State government to ensure residents of Illinois trust that the State is promoting their interests; and

WHEREAS, eliminating the unethical practice of nepotism will help recapture the trust of the people of Illinois, and increase integrity, accountability, and efficiency;

EXECUTIVE ORDER ESTABLISHING THE AUTONOMOUS ILLINOIS INITIATIVE

WHEREAS, the State of Illinois is home to one of the most robust and significant transportation networks in the nation and is continuously improving its safety, reliability, and efficiency; and

WHEREAS, rapidly advancing connected and automated technologies in passenger and freight vehicles, as well as supporting infrastructure and data, can profoundly improve Illinois residents’ lives and communities; and

WHEREAS, connected technology enables vehicles to exchange information externally by means of wireless communication, and automated technology allows vehicles themselves to perform all functions necessary to operate; and

WHEREAS, Illinois law currently allows connected and automated vehicles to operate on Illinois roads with a licensed driver in control of the driving task; and

WHEREAS, a recent amendment to the Illinois Vehicle Code, 625 ILCS 5/11-208(e-5), gives the State sole authority to govern automated vehicles’ operation on Illinois roads; and

WHEREAS, the development of Connected and Automated Vehicle (CAV) technologies and supporting infrastructure will facilitate life-saving long-term roadway safety solutions; and

WHEREAS, accidents on Illinois roads killed more than 1,000 people in each of the last two years; and

WHEREAS, human error is a major factor in 94 percent of all fatal crashes; and

WHEREAS, Illinois can significantly reduce fatal and non-fatal crashes on its roads by reducing opportunities for human error; and

WHEREAS, reduction in human error has already been achieved through advanced driver assistance technologies, including blind spot detection technology that notifies a driver of a vehicle in the blind spot and lane departure warning systems that warn the driver if the vehicle is leaving its lane; and

WHEREAS, development and use of more CAV technologies can further reduce human error while increasing environmentally sustainable, alternative fuel usage and providing convenient, affordable transportation for underserved communities and mobility-impaired individuals such as disabled and elderly people; and
WHEREAS, Illinois – as the nation’s freight hub – in partnership with private industry, provides an unparalleled platform to develop and deploy CAV technologies across transportation modes, particularly as these technologies relate to efficient movement of goods; and

WHEREAS, Illinois’ first-class higher-education system includes world-renowned research facilities that foster a mission to lead in innovation; and

WHEREAS, State relationships with private industry, universities, national labs, and other public transportation entities will stimulate research to facilitate application of life-saving CAV technologies and accelerate the development of fully automated vehicles; and

WHEREAS, realizing CAV systems’ full benefits requires sustained coordination and collaboration between public agencies, private industry, non-profit organizations, and the public; and

WHEREAS, federal, state, and local transportation entities must continue to prioritize innovative programs that promote CAV technological advancement, remove barriers to introduction, invite increased economic activity, and examine changing workforce needs to prepare for new employment opportunities;

THEREFORE, I, Bruce Rauner, Governor of Illinois, by virtue of the executive authority vested in me by Section 8 of the Article V of the Constitution of State of Illinois, do hereby order as follows:

I. Interagency Coordination to Launch and Support Autonomous Illinois Initiative

The Illinois Department of Transportation (IDOT), shall lead the “Autonomous Illinois” initiative to promote the development, testing, and deployment of CAV technologies and related infrastructure and data needs within Illinois. To achieve the goals of this initiative, IDOT shall partner with other state agencies to take the following steps, among others:

1. Review CAV research, pilot projects, and Federal, state, and international action to identify best practices regarding: vehicle testing, technology deployment, law enforcement collaboration, insurance coverage, liability determinations, data-sharing arrangements, privacy issues, and infrastructure needs;

2. Evaluate and address current laws and regulations that may impede safe CAV and related infrastructure testing, deployment, and operation;

3. Whenever appropriate, inform Illinois agencies, partner entities, and the public about the work of Autonomous Illinois and its findings;
4. Pursue opportunities to make Illinois a leader in the safe and efficient movement of goods and people by means of connected and automated transportation;

5. Collaborate with industry experts on the latest developments in CAV systems, cybersecurity, network infrastructure, Internet of Things applications, and other innovative areas;

6. Work with state agencies, local municipalities, universities, private industry, and other stakeholders to strengthen the responsible and anonymized collection, sharing, and analysis of CAV-generated data to enhance planning, operations, and maintenance throughout the state;

7. Work with state agencies, private industry, advocacy groups, non-profit organizations, local communities, and other stakeholders to identify areas of interest and potential pilot projects, especially relating to improved safety and mobility for the elderly, disabled, and underserved populations;

8. Develop and implement a plan to address changing education and workforce training needs relating to CAV technology development;

9. Identify economic development opportunities to foster a pro-growth business environment that invites job creation;

10. Identify public-private partnership opportunities to increase efficiency in our transportation network and to seek savings for taxpayers; and

11. Maintain an easily accessible website to provide updates on the Autonomous Illinois initiative and other educational resources for the public and interested stakeholders.

II. Creation of the Autonomous Illinois Testing Program

The Autonomous Illinois Testing Program (the Program), which IDOT will administer, is hereby established with the goal of encouraging partnership between the State and entities developing CAV technology and related infrastructure. The Program will facilitate legal testing and programs on public roads or highways in the State, where a licensed driver remains behind the wheel and able to take control of the vehicle at all times. Under the Program, IDOT will collect and maintain up-to-date information on the CAV landscape in Illinois to promote sound public policy that fosters innovation and benefits the State and the public.

Voluntary participants in the Program shall operate under the below terms and conditions:

1. For the purposes of this Executive Order, the following definitions apply:
a. “CAVs” can mean either “automated vehicle(s)” or “connected vehicle(s)”.

b. “Automated vehicle(s)” means those vehicles equipped with hardware and software that are collectively capable of performing all the real-time operational and tactical functions required to operate a vehicle under the conditions for which the hardware and software were designed.

c. “Connected vehicle(s)” means those vehicles that use wireless communication to communicate and exchange information with other vehicles, infrastructure, other devices outside the vehicle, and external networks.

2. IDOT shall create a registration system with the State for entities wishing to conduct safe pilots or tests of CAVs. IDOT shall create and make accessible a notification form that participants shall complete and file each calendar year with IDOT. IDOT shall have authority to revise the form as new technology and circumstances necessitate. The current form shall require a participating entity to annually provide the following information, in addition to any other requirements established by IDOT:

a. Name and business address of the entity intending to test CAV technology;

b. Identification information about the vehicle(s) to be used in testing, including make(s), model(s), and license plate number(s);

c. Name(s), driver’s license number, state of issuance and contact information of any designated operator the entity authorizes to operate a CAV during testing;

d. Summary of the training completed by vehicle operators;

e. Name(s) of the municipalities or other areas of the state where the entity intends to test CAVs;

The current form shall further require the entity to annually certify compliance with the following requirements, in addition to any other requirements established by IDOT:
a. For the testing program’s duration, a driver properly licensed to operate the vehicle will occupy the driver’s seat and remain able to assume control of the vehicle when required;
b. For the testing program’s duration, only trained employee(s), contractor(s), or other persons authorized by the entity developing CAV technology will operate or monitor all vehicles;
c. Each vehicle the entity tests complies with all applicable Federal Motor Vehicle Safety Standards or with the Federal Motor Carrier Safety Administration regulations, except to the extent exempted under applicable Federal laws, and can comply with all state traffic and safety laws; and
d. Each vehicle is covered by motor vehicle insurance or other type of financial responsibility as required by law.

3. IDOT shall make the notification form for testing entities available on the Autonomous Illinois Initiative’s website. Participating entities may implement legal testing programs under the Program immediately after providing notification to IDOT and shall observe the requirements listed in this Executive Order.

4. IDOT shall, upon request from entities interested in testing, help identify appropriate communities to conduct testing. IDOT may promote via the Autonomous Illinois Initiative’s website any community, public agency, or academic institution’s interest in hosting or facilitating certain types of CAV testing to partner private entities with communities seeking to benefit from CAV innovations.

5. IDOT shall file with the Governor a report on the status of the Program on or before every December 31 and June 30 until the Program is discontinued. The reports shall include, at a minimum, the number of participating registrants, the dispersion of testing across the State, and any obstacles that have delayed or might delay achieving the goals of the Program. The reports may also include applicable analytics and any proposed laws, policies, or rules that might benefit
the Program and advance further development and use of
CAV technologies in Illinois.
IDOT retains the authority to suspend an entity’s participation in the
Program if there is clear evidence that the technology used by a
particular vehicle or tested by a particular entity is unsafe for testing
on public roads or violates the terms of the Program. Before a
suspended entity is allowed to resume participation in the Program,
it must demonstrate to IDOT that the technology will comply with
Program requirements.

III. Savings Clause
This Executive Order does not contravene, and shall not be construed to
contravene, any federal law, state statute, or collective bargaining agreement.

IV. Prior Executive Orders
This Executive Order supersedes any contrary provision of any other prior
Executive Order.

V. Severability Clause
If any part of this Executive Order is found invalid by a court of competent
jurisdiction, the remaining provisions shall remain in full force and effect.
The provisions of this Executive Order are severable.

VI. Effective Date
This Executive Order shall take effect immediately upon filing with the
Secretary of State.

Issued by the Governor October 25, 2018.
Filed with the Secretary of State October 25, 2018.
