provided in subsection (b) or this subsection of this Section. The defendant 
shall be held without bond pending transfer to and a hearing before such 
court. At the conclusion of the hearing based on a violation of the 
conditions of Section 110-10 of this Code or any special conditions of bail 
as ordered by the court the court may enter an order increasing the amount 
of bail or alter the conditions of bail as deemed appropriate.

(f) Where the alleged violation consists of the violation of one or 
more felony statutes of any jurisdiction which would be a forcible felony 
in Illinois or a Class 2 or greater offense under the Illinois Controlled 
Substances Act, the Cannabis Control Act, or the Methamphetamine 
Control and Community Protection Act and the defendant is on bail for the 
alleged commission of a felony, or where the defendant is on bail for a

12-3.2 of the Criminal Code of 1961 or the Criminal Code of 2012), 
aggravated domestic battery, aggravated battery, unlawful restraint, 
aggravated unlawful restraint or domestic battery in violation of item (1) 
of subsection (a) of Section 12-3.2 of the Criminal Code of 1961 or the 
Criminal Code of 2012 against a family or household member as defined 
in Section 112A-3 of this Code and the violation is an offense of domestic 
battery against the same victim the court shall, on the motion of the State 
or its own motion, revoke bail in accordance with the following 
provisions:

(1) The court shall hold the defendant without bail pending 
the hearing on the alleged breach; however, if the defendant is not 
admitted to bail the hearing shall be commenced within 10 days 
from the date the defendant is taken into custody or the defendant 
may not be held any longer without bail, unless delay is occasioned 
by the defendant. Where defendant occasions the delay, the 
running of the 10 day period is temporarily suspended and resumes 
at the termination of the period of delay. Where defendant 
occasions the delay with 5 or fewer days remaining in the 10 day 
period, the court may grant a period of up to 5 additional days to 
the State for good cause shown. The State, however, shall retain 
the right to proceed to hearing on the alleged violation at any time, 
upon reasonable notice to the defendant and the court.

(2) At a hearing on the alleged violation the State has the 
burden of going forward and proving the violation by clear and 
convincing evidence. The evidence shall be presented in open court

with the opportunity to testify, to present witnesses in his behalf, and to cross-examine witnesses if any are called by the State, and representation by counsel and if the defendant is indigent to have counsel appointed for him. The rules of evidence applicable in criminal trials in this State shall not govern the admissibility of evidence at such hearing. Information used by the court in its findings or stated in or offered in connection with hearings for increase or revocation of bail may be by way of proffer based upon reliable information offered by the State or defendant. All evidence shall be admissible if it is relevant and reliable regardless of whether it would be admissible under the rules of evidence applicable at criminal trials. A motion by the defendant to suppress evidence or to suppress a confession shall not be entertained at such a hearing. Evidence that proof may have been obtained as a result of an unlawful search and seizure or through improper interrogation is not relevant to this hearing.

(3) Upon a finding by the court that the State has established by clear and convincing evidence that the defendant has committed a forcible felony or a Class 2 or greater offense under the Illinois Controlled Substances Act, the Cannabis Control Act, or the Methamphetamine Control and Community Protection Act while admitted to bail, or where the defendant is on bail for a felony domestic battery (enhanced pursuant to subsection (b) of Section 12-3.2 of the Criminal Code of 1961 or the Criminal Code of 2012), aggravated domestic battery, aggravated battery, unlawful restraint, aggravated unlawful restraint or domestic battery in violation of item (1) of subsection (a) of Section 12-3.2 of the Criminal Code of 1961 or the Criminal Code of 2012 against a family or household member as defined in Section 112A-3 of this Code and the violation is an offense of domestic battery, against the same victim, the court shall revoke the bail of the defendant and hold the defendant for trial without bail. Neither the finding of the court nor any transcript or other record of the hearing shall be admissible in the State's case in chief, but shall be admissible for impeachment, or as provided in Section 115-10.1 of this Code or in a perjury proceeding.

(4) If the bail of any defendant is revoked pursuant to paragraph (f) (3) of this Section, the defendant may demand and shall be entitled to be brought to trial on the offense with respect to

which he was formerly released on bail within 90 days after the date on which his bail was revoked. If the defendant is not brought to trial within the 90 day period required by the preceding sentence, he shall not be held longer without bail. In computing the 90 day period, the court shall omit any period of delay resulting from a continuance granted at the request of the defendant.

(5) If the defendant either is arrested on a warrant issued pursuant to this Code or is arrested for an unrelated offense and it is subsequently discovered that the defendant is a subject of another warrant or warrants issued pursuant to this Code, the defendant shall be transferred promptly to the court which issued such warrant. If, however, the defendant appears initially before a court other than the court which issued such warrant, the non-issuing court shall not alter the amount of bail set on such warrant unless the court sets forth on the record of proceedings the conclusions of law and facts which are the basis for such altering of another court's bond. The non-issuing court shall not alter another courts bail set on a warrant unless the interests of justice and public safety are served by such action.

(g) The State may appeal any order where the court has increased or reduced the amount of bail or altered the conditions of the bail bond or granted bail where it has previously been revoked.

changing Section 1 as follows:

(20 ILCS 2910/1) (from Ch. 127 1/2, par. 501)

Sec. 1. Peace officer status.

(a) Any person who is a sworn member of any organized and paid
fire department of a political subdivision of this State and is authorized to

determine the cause, origin and circumstances of fires or explosions that
are suspected to be arson or arson-related crimes, may be classified as a
peace officer by the political subdivision or agency employing such
person. A person so classified shall possess the same powers of arrest,
search and seizure and the securing and service of warrants as sheriffs of
counties, and police officers within the jurisdiction of their political
subdivision. While in the actual investigation and matters incident thereto,
such person may carry weapons as may be necessary, but only if that
person has satisfactorily completed (1) a training program offered or
approved by the Illinois Law Enforcement Training Standards Board
which substantially conforms to standards promulgated pursuant to the
Illinois Police Training Act and the Peace Officer and Probation Officer
Firearm Training Act; and (2) a course in fire and arson investigation

approved by the Office of the State Fire Marshal pursuant to the Illinois Fire Protection Training Act. Such training need not include exposure to vehicle and traffic law, traffic control and accident investigation, or first aid, but shall include training in the law relating to the rights of persons suspected of involvement in criminal activities.

Any person granted the powers enumerated in this subsection (a) may exercise such powers only during the actual investigation of the cause, origin and circumstances of such fires or explosions that are suspected to be arson or arson-related crimes.

(b) Persons employed by the Office of the State Fire Marshal to conduct arson investigations shall be designated State Fire Marshal Arson Investigator Special Agents and shall be peace officers with all of the powers of peace officers in cities and sheriffs in counties, except that they may exercise those powers throughout the State. These Special Agents may exercise these powers only when engaging in official duties during the actual investigation of the cause, origin, and circumstances of such fires or explosions that are suspected to be arson or arson-related crimes and may carry weapons at all times, but only if they have satisfactorily completed (1) a training course approved by the Illinois Law Enforcement Training Standards Board that substantially conforms to the standards promulgated pursuant to the Peace Officer and Probation Officer Firearm Training Act and (2) a course in fire and arson investigation approved by the Office of the State Fire Marshal pursuant to the Illinois Fire Protection Training Act. Such training need not include exposure to vehicle and traffic law, traffic control and accident investigation, or first aid, but shall include training in the law relating to the rights of persons suspected of involvement in criminal activities.

For purposes of this subsection (b), a "State Fire Marshal Arson Investigator Special Agent" does not include any fire investigator, fireman, police officer, or other employee of the federal government; any fire investigator, fireman, police officer, or other employee of any unit of local government; or any fire investigator, fireman, police officer, or other employee of the State of Illinois other than an employee of the Office of the State Fire Marshal assigned to investigate arson.

The State Fire Marshal must authorize to each employee of the Office of the State Fire Marshal who is exercising the powers of a peace officer a distinct badge that, on its face, (i) clearly states that the badge is authorized by the Office of the State Fire Marshal and (ii) contains a unique identifying number. No other badge shall be authorized by the
Office of the State Fire Marshal, except that a badge, different from the badge issued to peace officers, may be authorized by the Office of the State Fire Marshal for the use of fire prevention inspectors employed by that Office. Nothing in this subsection prohibits the State Fire Marshal from issuing shields or other distinctive identification to employees not exercising the powers of a peace officer if the State Fire Marshal determines that a shield or distinctive identification is needed by the employee to carry out his or her responsibilities.

(c) The Office of the State Fire Marshal shall establish a policy to allow a State Fire Marshal Arson Investigator Special Agent who is honorably retiring or separating in good standing to purchase either one or both of the following: (i) any badge previously issued to that State Fire Marshal Arson Investigator Special Agent; or (ii) if the State Fire Marshal Arson Investigator Special Agent has a currently valid Firearm Owner's Identification Card, the service firearm issued or previously issued to the State Fire Marshal Arson Investigator Special Agent by the Office of the State Fire Marshal. All funds received by the agency under this program shall be deposited into the Fire Prevention Fund.

Section 15. The State Property Control Act is amended by changing Section 7 as follows:

(30 ILCS 605/7) (from Ch. 127, par. 133b10)

Sec. 7. Disposition of transferable property.

(a) Except as provided in subsection (c), whenever a responsible officer considers it advantageous to the State to dispose of transferable property by trading it in for credit on a replacement of like nature, the responsible officer shall report the trade-in and replacement to the administrator on forms furnished by the latter. The exchange, trade or transfer of "textbooks" as defined in Section 18-17 of the School Code between schools or school districts pursuant to regulations adopted by the State Board of Education under that Section shall not constitute a disposition of transferable property within the meaning of this Section, even though such exchange, trade or transfer occurs within 5 years after the textbooks are first provided for loan pursuant to Section 18-17 of the School Code.

(b) Except as provided in subsection (c), whenever it is deemed necessary to dispose of any item of transferable property, the administrator

New matter indicated by italics - deletions by strikeout
shall proceed to dispose of the property by sale or scrapping as the case may be, in whatever manner he considers most advantageous and most profitable to the State. Items of transferable property which would ordinarily be scrapped and disposed of by burning or by burial in a landfill may be examined and a determination made whether the property should be recycled. This determination and any sale of recyclable property shall be in accordance with rules promulgated by the Administrator.

When the administrator determines that property is to be disposed of by sale, he shall offer it first to the municipalities, counties, and school districts of the State and to charitable, not-for-profit educational and public health organizations, including but not limited to medical institutions, clinics, hospitals, health centers, schools, colleges, universities, child care centers, museums, nursing homes, programs for the elderly, food banks, State Use Sheltered Workshops and the Boy and Girl Scouts of America, for purchase at an appraised value. Notice of inspection or viewing dates and property lists shall be distributed in the manner provided in rules and regulations promulgated by the Administrator for that purpose.

Electronic data processing equipment purchased and charged to appropriations may, at the discretion of the administrator, be sold, pursuant to contracts entered into by the Director of Central Management Services or the heads of agencies exempt from "The Illinois Purchasing Act". However such equipment shall not be sold at prices less than the purchase cost thereof or depreciated value as determined by the administrator. No sale of the electronic data processing equipment and lease to the State by the purchaser of such equipment shall be made under this Act unless the Director of Central Management Services finds that such contracts are financially advantageous to the State.

Disposition of other transferable property by sale, except sales directly to local governmental units, school districts, and not-for-profit educational, charitable and public health organizations, shall be subject to the following minimum conditions:

(1) The administrator shall cause the property to be advertised for sale to the highest responsible bidder, stating time, place, and terms of such sale at least 7 days prior to the time of sale and at least once in a newspaper having a general circulation in the county where the property is to be sold.

(2) If no acceptable bids are received, the administrator may then sell the property in whatever manner he considers most advantageous and most profitable to the State.
(c) Notwithstanding any other provision of this Act, an agency covered by this Act may transfer books, serial publications, or other library materials that are transferable property, or that have been withdrawn from the agency's library collection through a regular collection evaluation process, to any of the following entities:

1. Another agency covered by this Act located in Illinois.
2. A State supported university library located in Illinois.
3. A tax-supported public library located in Illinois, including a library established by a public library district.
4. A library system organized under the Illinois Library System Act or any library located in Illinois that is a member of such a system.
5. A non-profit agency, located in or outside Illinois.

A transfer of property under this subsection is not subject to the requirements of subsection (a) or (b).

In addition, an agency covered by this Act may sell or exchange books, serial publications, and other library materials that have been withdrawn from its library collection through a regular collection evaluation process. Those items may be sold to the public at library book sales or to book dealers or may be offered through exchange to book dealers or other organizations. Revenues generated from the sale of withdrawn items shall be retained by the agency in a separate account to be used solely for the purchase of library materials; except that in the case of the State Library, revenues from the sale of withdrawn items shall be deposited into the State Library Fund to be used for the purposes stated in Section 25 of the State Library Act.

For purposes of this subsection (c), "library materials" means physical entities of any substance that serve as carriers of information, including, without limitation, books, serial publications, periodicals, microforms, graphics, audio or video recordings, and machine readable data files.

(d) Notwithstanding any other provision of this Act, the Director of State Police may dispose of a service firearm or police badge issued or previously issued to a retiring or separating State Police officer as provided in Section 17b of the State Police Act. The Director of Natural Resources may dispose of a service firearm or police badge issued previously to a retiring Conservation Police Officer as provided in Section 805-538 of the Department of Natural Resources (Conservation) Law of the Civil Administrative Code of Illinois. New matter indicated by italics - deletions by strikeout
(b) Each nuclear power reactor in this State for which an operating license has been issued by the Nuclear Regulatory Commission shall not be subject to the fee required by subsection (a) with respect to (1) waste stored for shipment if storage of the waste occurs on or after January 1, 1986; and (2) waste shipped for storage, treatment or disposal if storage of the waste for shipment occurs on or after January 1, 1986. In lieu of the fee, each reactor shall be required to pay an annual fee as provided in this subsection for the treatment, storage and disposal of low-level radioactive waste. Beginning with State fiscal year 1986 and through State fiscal year 1997, fees shall be due and payable on January 1st of each year. For State fiscal year 1998 and all subsequent State fiscal years, fees shall be due and payable on July 1 of each fiscal year. The fee due on July 1, 1997 shall be payable on that date, or within 10 days after the effective date of this amendatory Act of 1997, whichever is later.

The owner of any nuclear power reactor that has an operating license issued by the Nuclear Regulatory Commission for any portion of State fiscal year 1998 shall continue to pay an annual fee of $90,000 for the treatment, storage, and disposal of low-level radioactive waste through State fiscal year 2002. The additional annual fee shall be payable on the date or dates specified by rule and shall not exceed $30,000 per operating reactor per year.

(c) In each of State fiscal years 1988, 1989 and 1990, in addition to the fee imposed in subsections (b) and (d), the owner of each nuclear power reactor in this State for which an operating license has been issued by the Nuclear Regulatory Commission shall pay a fee of $408,000. If an operating license is issued during one of those 3 fiscal years, the owner shall pay a prorated amount of the fee equal to $1,117.80 multiplied by the number of days in the fiscal year during which the nuclear power reactor was licensed.
The fee shall be due and payable as follows: in fiscal year 1988, $204,000 shall be paid on October 1, 1987 and $102,000 shall be paid on each of January 1, 1988 and April 1, 1988; in fiscal year 1989, $102,000 shall be paid on each of July 1, 1988, October 1, 1988, January 1, 1989 and April 1, 1989; and in fiscal year 1990, $102,000 shall be paid on each of July 1, 1989, October 1, 1989, January 1, 1990 and April 1, 1990. If the operating license is issued during one of the 3 fiscal years, the owner shall be subject to those payment dates, and their corresponding amounts, on which the owner possesses an operating license and, on June 30 of the fiscal year of issuance of the license, whatever amount of the prorated fee remains outstanding.

All of the amounts collected by the Agency under this subsection (c) shall be deposited into the Low-Level Radioactive Waste Facility Development and Operation Fund created under subsection (a) of Section 14 of this Act and expended, subject to appropriation, for the purposes provided in that subsection.

(d) In addition to the fees imposed in subsections (b) and (c), the owners of nuclear power reactors in this State for which operating licenses have been issued by the Nuclear Regulatory Commission shall pay the following fees for each such nuclear power reactor: for State fiscal year 1989, $325,000 payable on October 1, 1988, $162,500 payable on January 1, 1989, and $162,500 payable on April 1, 1989; for State fiscal year 1990, $162,500 payable on July 1, $300,000 payable on October 1, $300,000 payable on January 1 and $300,000 payable on April 1; for State fiscal year 1991, either (1) $150,000 payable on July 1, $650,000 payable on September 1, $675,000 payable on January 1, and $275,000 payable on April 1, or (2) $150,000 on July 1, $130,000 on the first day of each month from August through December, $225,000 on the first day of each month from January through March and $92,000 on the first day of each month from April through June; for State fiscal year 1992, $260,000 payable on July 1, $900,000 payable on September 1, $300,000 payable on October 1, $150,000 payable on January 1, and $100,000 payable on April 1; for State fiscal year 1993, $100,000 payable on July 1, $230,000 payable on August 1 or within 10 days after July 31, 1992, whichever is later, and $355,000 payable on October 1; for State fiscal year 1994, $100,000 payable on July 1, $75,000 payable on October 1 and $75,000 payable on April 1; for State fiscal year 1995, $100,000 payable on July 1, $75,000 payable on October 1, and $75,000 payable on April 1, for State fiscal year 1996, $100,000 payable on July 1, $75,000 payable on October 1, and $75,000 payable on
April 1. The owner of any nuclear power reactor that has an operating license issued by the Nuclear Regulatory Commission for any portion of State fiscal year 1998 shall pay an annual fee of $30,000 through State fiscal year 2003. For State fiscal year 2004 and subsequent fiscal years, the owner of any nuclear power reactor that has an operating license issued by the Nuclear Regulatory Commission shall pay an annual fee of $30,000 per reactor, provided that the fee shall not apply to a nuclear power reactor with regard to which the owner notified the Nuclear Regulatory Commission during State fiscal year 1998 that the nuclear power reactor permanently ceased operations. The fee shall be due and payable on July 1 of each fiscal year. The fee due on July 1, 1998 shall be payable on that date, or within 10 days after the effective date of this amendatory Act of 1998, whichever is later. The fee due on July 1, 1997 shall be payable on that date or within 10 days after the effective date of this amendatory Act of 1997, whichever is later. If the payments under this subsection for fiscal year 1993 due on January 1, 1993, or on April 1, 1993, or both, were due before the effective date of this amendatory Act of the 87th General Assembly, then those payments are waived and need not be made.

All of the amounts collected by the Agency under this subsection (d) shall be deposited into the Low-Level Radioactive Waste Facility Development and Operation Fund created pursuant to subsection (a) of Section 14 of this Act and expended, subject to appropriation, for the purposes provided in that subsection.

All payments made by licensees under this subsection (d) for fiscal year 1992 that are not appropriated and obligated by the Agency above $1,750,000 per reactor in fiscal year 1992, shall be credited to the licensees making the payments to reduce the per reactor fees required under this subsection (d) for fiscal year 1993.

(e) The Agency shall promulgate rules and regulations establishing standards for the collection of the fees authorized by this Section. The regulations shall include, but need not be limited to:

(1) the records necessary to identify the amounts of low-level radioactive wastes produced;

(2) the form and submission of reports to accompany the payment of fees to the Agency; and

(3) the time and manner of payment of fees to the Agency, which payments shall not be more frequent than quarterly.

(f) Any operating agreement entered into under subsection (b) of Section 5 of this Act between the Agency and any disposal facility
contractor shall, subject to the provisions of this Act, authorize the contractor to impose upon and collect from persons using the disposal facility fees designed and set at levels reasonably calculated to produce sufficient revenues (1) to pay all costs and expenses properly incurred or accrued in connection with, and properly allocated to, performance of the contractor's obligations under the operating agreement, and (2) to provide reasonable and appropriate compensation or profit to the contractor under the operating agreement. For purposes of this subsection (f), the term "costs and expenses" may include, without limitation, (i) direct and indirect costs and expenses for labor, services, equipment, materials, insurance and other risk management costs, interest and other financing charges, and taxes or fees in lieu of taxes; (ii) payments to or required by the United States, the State of Illinois or any agency or department thereof, the Central Midwest Interstate Low-Level Radioactive Waste Compact, and subject to the provisions of this Act, any unit of local government; (iii) amortization of capitalized costs with respect to the disposal facility and its development, including any capitalized reserves; and (iv) payments with respect to reserves, accounts, escrows or trust funds required by law or otherwise provided for under the operating agreement.

(g) (Blank).

i) (Blank).
j) (Blank).

(j-5) Prior to commencement of facility operations, the Agency shall adopt rules providing for the establishment and collection of fees and charges with respect to the use of the disposal facility as provided in subsection (f) of this Section.

(k) The regional disposal facility shall be subject to ad valorem real estate taxes lawfully imposed by units of local government and school districts with jurisdiction over the facility. No other local government tax, surtax, fee or other charge on activities at the regional disposal facility shall be allowed except as authorized by the Agency.

(l) The Agency shall have the power, in the event that acceptance of waste for disposal at the regional disposal facility is suspended, delayed or interrupted, to impose emergency fees on the generators of low-level radioactive waste. Generators shall pay emergency fees within 30 days of receipt of notice of the emergency fees. The Department shall deposit all of the receipts of any fees collected under this subsection into the Low-Level Radioactive Waste Facility Development and Operation Fund.
created under subsection (b) of Section 14. Emergency fees may be used to mitigate the impacts of the suspension or interruption of acceptance of waste for disposal. The requirements for rulemaking in the Illinois Administrative Procedure Act shall not apply to the imposition of emergency fees under this subsection.

(m) The Agency shall promulgate any other rules and regulations as may be necessary to implement this Section.

Section 20. The Retailers' Occupation Tax Act is amended by

(35 ILCS 120/7) (from Ch. 120, par. 446)
Sec. 7. Every person engaged in the business of selling tangible

sales of tangible personal property, together with invoices, bills of lading,
sales records, copies of bills of sale, inventories prepared as of December
31 of each year or otherwise annually as has been the custom in the
specific trade and other pertinent papers and documents. Every person who
is engaged in the business of selling tangible personal property at retail in
this State and who, in connection with such business, also engages in other
activities (including, but not limited to, engaging in a service occupation)
shall keep such additional records and books of all such activities as will

of receipts realized therefrom. The Department may adopt rules that

required to be kept and maintained by taxpayers. For purposes of this
Section, "records" means all data maintained by the taxpayer, including

shall, at all times during business hours of the day, be subject to inspection by the Department or its duly authorized agents and employees.

To support deductions made on the tax return form, or authorized under this Act, on account of receipts from isolated or occasional sales of tangible personal property, on account of receipts from sales of tangible personal property for resale, on account of receipts from sales to governmental bodies or other exempted types of purchasers, on account of receipts from sales of tangible personal property in interstate commerce, and on account of receipts from any other kind of transaction that is not taxable under this Act, entries in any books, records or other pertinent papers or documents of the taxpayer in relation thereto shall be in detail sufficient to show the name and address of the taxpayer's customer in each such transaction, the character of every such transaction, the date of every such transaction, the amount of receipts realized from every such transaction and such other information as may be necessary to establish the non-taxable character of such transaction under this Act.

Except in the case of a sale to a purchaser who will always resell and deliver the property to his customers outside Illinois, anyone claiming that he has made a nontaxable sale for resale in some form as tangible personal property shall also keep a record of the purchaser's registration number or resale number with the Department.

It shall be presumed that all sales of tangible personal property are subject to tax under this Act until the contrary is established, and the burden of proving that a transaction is not taxable hereunder shall be upon the person who would be required to remit the tax to the Department if such transaction is taxable. In the course of any audit or investigation or hearing by the Department with reference to a given taxpayer, if the Department finds that the taxpayer lacks documentary evidence needed to support the taxpayer's claim to exemption from tax hereunder, the Department is authorized to notify the taxpayer in writing to produce such evidence, and the taxpayer shall have 60 days subject to the right in the Department to extend this period either on request for good cause shown or on its own motion from the date when such notice is sent to the taxpayer by certified or registered mail (or delivered to the taxpayer if the notice is served personally) in which to obtain and produce such evidence for the Department's inspection, failing which the matter shall be closed, and the transaction shall be conclusively presumed to be taxable hereunder.

If the retailer does not have a training program that facilitates compliance with minimum-age tobacco laws, the Department shall suspend for 30 days the license of a retailer for a fourth or subsequent violation of the Prevention of Tobacco Use by Minors and Sale and
Distribution of Tobacco Products Act, as provided in subsection (a-5) of Section 2 of that Act.

A training program that facilitates compliance with minimum-age tobacco laws must include at least the following elements: (i) it must explain that only individuals displaying valid identification demonstrating that they are 18 years of age or older shall be eligible to purchase cigarettes or tobacco products and (ii) it must explain where a clerk can check identification for a date of birth. The training may be conducted electronically. Each retailer that has a training program shall require each employee who completes the training program to sign a form attesting that the employee has received and completed tobacco training. The form shall be kept in the employee's file and may be used to provide proof of training.

(d) The Department may, by application to any circuit court, obtain an injunction restraining any person who engages in business as a distributor of tobacco products without a license (either because his or her license has been revoked, canceled, or suspended or because of a failure to obtain a license in the first instance) from engaging in that business until that person, as if that person were a new applicant for a license, complies with all of the conditions, restrictions, and requirements of Section 10-20 of this Act and qualifies for and obtains a license. Refusal or neglect to obey the order of the court may result in punishment for contempt.

Sec. 10-35. Record keeping.

(a) Every distributor, as defined in Section 10-5, shall keep complete and accurate records of tobacco products held, purchased, manufactured, brought in or caused to be brought in from without the State, and tobacco products sold, or otherwise disposed of, and shall preserve and keep all invoices, bills of lading, sales records, and copies of bills of sale, the wholesale price for tobacco products sold or otherwise disposed of, an inventory of tobacco products prepared as of December 31 of each year or as of the last day of the distributor's fiscal year if he or she files federal income tax returns on the basis of a fiscal year, and other pertinent papers and documents relating to the manufacture, purchase, sale, or disposition of tobacco products. Every sales invoice issued by a licensed distributor to a retailer in this State shall contain the distributor's Tobacco Products License number unless the distributor has been granted a waiver by the Department in response to a written request in cases where (i) the distributor sells little cigars or other tobacco products only to

licensed retailers that are wholly-owned by the distributor or owned by a wholly-owned subsidiary of the distributor; (ii) the licensed retailer obtains little cigars or other tobacco products only from the distributor requesting the waiver; and (iii) the distributor affixes the tax stamps to the original packages of little cigars or has or will pay the tax on the other tobacco products sold to the licensed retailer. The distributor shall file a written request with the Department, and, if the Department determines that the distributor meets the conditions for a waiver, the Department shall grant the waiver.

(b) Every retailer, as defined in Section 10-5, whether or not the retailer has obtained a retailer's license pursuant to Section 4g, shall keep complete and accurate records of tobacco products held, purchased, sold, or otherwise disposed of, and shall preserve and keep all invoices, bills of lading, sales records, and copies of bills of sale, returns and other pertinent papers and documents relating to the purchase, sale, or disposition of tobacco products. Such records need not be maintained on the licensed premises, but must be maintained in the State of Illinois; however, if access is available electronically, the records may be maintained out of state. However, all original invoices or copies thereof covering purchases of tobacco products must be retained on the licensed premises for a period of 90 days after such purchase, unless the Department has granted a waiver in response to a written request in cases where records are kept at a central business location within the State of Illinois or in cases where records that are available electronically are maintained out of state. The Department shall adopt rules regarding the eligibility for a waiver, revocation of a waiver, and requirements and standards for maintenance and accessibility of records located at a central location out-of-State pursuant to a waiver provided under this Section.

(c) Books, records, papers, and documents that are required by this Act to be kept shall, at all times during the usual business hours of the day, be subject to inspection by the Department or its duly authorized agents and employees. The books, records, papers, and documents for any period with respect to which the Department is authorized to issue a notice of tax liability shall be preserved until the expiration of that period.

Sec. 10-35a. Failure to keep or produce books and records. Any person who fails to keep books and records or fails to produce books and records for inspection, as required by Section 10-35, is liable to pay to the
Department, for deposit in the Tax Compliance and Administration Fund, a penalty of $1,000 for the first failure to keep books and records or failure to produce books and records for inspection, as required by Section 10-35, and $3,000 for each subsequent failure to keep books and records or failure to produce books and records for inspection, as required by Section 10-35. Sec. 10-37. Proof of payment of tax imposed by this Act. Every licensed distributor of tobacco products in this State is required to show proof of the tax having been paid as required by this Act by displaying its Tobacco Products License number on every sales invoice issued to a retailer in this State. No retailer shall possess tobacco products without either a proper invoice indicating that the tobacco products tax was paid by a distributor for the tobacco products in the retailer's possession or other proof that the tax was paid by the retailer if it has purchased tobacco products on which tax has not been paid as required by this Act. Failure to comply with the provisions of this paragraph may be grounds for revocation of a distributor's or retailer's license in accordance with Section 10-25 of this Act or Section 6 of the Cigarette Tax Act. In addition, the Department may impose a civil penalty not to exceed $1,000 for the first violation and $3,000 for each subsequent violation, which shall be deposited into the Tax Compliance and Administration Fund.

Sec. 10-38. Presumption for unlicensed distributors or persons. Whenever any person obtains tobacco products from an unlicensed in-state or out-of-state distributor or person, a prima facie presumption shall arise that the tax imposed by this Act on such tobacco products has not been paid in violation of this Act. Invoices or other documents kept in the normal course of business in the possession of a person reflecting purchases of tobacco products from an unlicensed in-state or out-of-state distributor or person or invoices or other documents kept in the normal course of business obtained by the Department from in-state or out-of-state distributors or persons, are sufficient to raise the presumption that the tax imposed by this Act has not been paid. If a presumption is raised, the Department may assess tax, penalty, and interest on the tobacco products. operator, and the amount due to the county or CATV operator is limited to the net difference.

Those rules must provide for the issuance of the following types of resident deer archery permits: (i) a combination permit, consisting of one either-sex permit and one antlerless-only permit, (ii) a single antlerless-only permit, and (iii) a single either-sex permit. The fee for a Deer Hunting Permit to take deer with either bow and arrow or gun shall not exceed $25.00 for residents of the State. The Department may by administrative rule provide for non-resident deer hunting permits for which the fee will not exceed $300 in 2005, $350 in 2006, and $400 in 2007 and thereafter except as provided below for non-resident landowners and non-resident archery hunters. "Baiting" means the placement or scattering of bait to attract deer. An area is considered as baited during the presence of and for 10 consecutive days following the removal of bait. Nothing in this Section shall prohibit the use of a dog to track wounded deer. Any person using a dog for tracking wounded deer must maintain physical control of the dog at all times by means of a maximum 50 foot lead attached to the dog's collar or harness. For the purposes of calculating acreage under this Section, the
Department shall, after determining the total acreage of the applicable tract
or tracts of land, round remaining fractional portions of an acre greater
than or equal to half of an acre up to the next whole acre.

For the purposes of taking white-tailed deer, nothing in this Section

cutting, of standing crops as a normal agricultural or soil stabilization
practice, food plots, or normal agricultural practices, including planting,
harvesting, and maintenance such as cultivating or the use of products

Sec. 3-117.1. When junking certificates or salvage certificates must be obtained.

(a) Except as provided in Chapter 4 and Section 3-117.3 of this Code, a person who possesses a junk vehicle shall within 15 days cause the certificate of title, salvage certificate, certificate of purchase, or a similarly acceptable out-of-state document of ownership to be surrendered to the Secretary of State along with an application for a junking certificate, except as provided in Section 3-117.2, whereupon the Secretary of State shall issue to such a person a junking certificate, which shall authorize the holder thereof to possess, transport, or, by an endorsement, transfer ownership in such junked vehicle, and a certificate of title shall not again be issued for such vehicle. The owner of a junk vehicle is not required to surrender the certificate of title under this subsection if (i) there is no lienholder on the certificate of title or (ii) the owner of the junk vehicle has a valid lien release from the lienholder releasing all interest in the vehicle and the owner applying for the junk certificate matches the current record on the certificate of title file for the vehicle.

A licensee who possesses a junk vehicle and a Certificate of Title, Salvage Certificate, Certificate of Purchase, or a similarly acceptable out-of-state document of ownership for such junk vehicle, may transport the junk vehicle to another licensee prior to applying for or obtaining a junking certificate, by executing a uniform invoice. The licensee transferor shall furnish a copy of the uniform invoice to the licensee transferee at the time of transfer. In any case, the licensee transferor shall apply for a junking certificate in conformance with Section 3-117.1 of this Chapter. The following information shall be contained on a uniform invoice:

(1) The business name, address and dealer license number of the person disposing of the vehicle, junk vehicle or vehicle cowl;

(2) The name and address of the person acquiring the vehicle, junk vehicle or vehicle cowl, and if that person is a dealer, the Illinois or out-of-state dealer license number of that dealer;

(3) The date of the disposition of the vehicle, junk vehicle or vehicle cowl;

(4) The year, make, model, color and description of each vehicle, junk vehicle or vehicle cowl disposed of by such person;

(5) The manufacturer's vehicle identification number, Secretary of State identification number or Illinois Department of

State Police number, for each vehicle, junk vehicle or vehicle cowl part disposed of by such person;

(6) The printed name and legible signature of the person or agent disposing of the vehicle, junk vehicle or vehicle cowl; and

(7) The printed name and legible signature of the person accepting delivery of the vehicle, junk vehicle or vehicle cowl.

The Secretary of State may certify a junking manifest in a form prescribed by the Secretary of State that reflects those vehicles for which junking certificates have been applied or issued. A junking manifest may be issued to any person and it shall constitute evidence of ownership for the vehicle listed upon it. A junking manifest may be transferred only to a person licensed under Section 5-301 of this Code as a scrap processor. A junking manifest will allow the transportation of those vehicles to a scrap processor prior to receiving the junk certificate from the Secretary of State.

(b) An application for a salvage certificate shall be submitted to the Secretary of State in any of the following situations:

(1) When an insurance company makes a payment of damages on a total loss claim for a vehicle, the insurance company shall be deemed to be the owner of such vehicle and the vehicle shall be considered to be salvage except that ownership of (i) a vehicle that has incurred only hail damage that does not affect the operational safety of the vehicle or (ii) any vehicle 9 model years of age or older may, by agreement between the registered owner and the insurance company, be retained by the registered owner of such vehicle. The insurance company shall promptly deliver or mail within 20 days the certificate of title along with proper application and fee to the Secretary of State, and a salvage certificate shall be issued in the name of the insurance company. Notwithstanding the foregoing, an insurer making payment of damages on a total loss claim for the theft of a vehicle shall not be required to apply for a salvage certificate unless the vehicle is recovered and has incurred damage that initially would have caused the vehicle to be declared a total loss by the insurer.

(1.1) When a vehicle of a self-insured company is to be sold in the State of Illinois and has sustained damaged by collision, fire, theft, rust corrosion, or other means so that the self-insured company determines the vehicle to be a total loss, or if the cost of repairing the damage, including labor, would be greater than 70% of its fair market value without that damage, the vehicle shall be

considered salvage. The self-insured company shall promptly deliver the certificate of title along with proper application and fee to the Secretary of State, and a salvage certificate shall be issued in the name of the self-insured company. A self-insured company making payment of damages on a total loss claim for the theft of a vehicle may exchange the salvage certificate for a certificate of title if the vehicle is recovered without damage. In such a situation, the self-insured shall fill out and sign a form prescribed by the Secretary of State which contains an affirmation under penalty of perjury that the vehicle was recovered without damage and the Secretary of State may, by rule, require photographs to be submitted.

(2) When a vehicle the ownership of which has been transferred to any person through a certificate of purchase from acquisition of the vehicle at an auction, other dispositions as set forth in Sections 4-208 and 4-209 of this Code, a lien arising under Section 18a-501 of this Code, or a public sale under the Abandoned Mobile Home Act shall be deemed salvage or junk at the option of the purchaser. The person acquiring such vehicle in such manner shall promptly deliver or mail, within 20 days after the acquisition of the vehicle, the certificate of purchase, the proper application and fee, and, if the vehicle is an abandoned mobile home under the Abandoned Mobile Home Act, a certification from a local law enforcement agency that the vehicle was purchased or acquired at a public sale under the Abandoned Mobile Home Act to the Secretary of State and a salvage certificate or junking certificate shall be issued in the name of that person. The salvage certificate or junking certificate issued by the Secretary of State under this Section shall be free of any lien that existed against the vehicle prior to the time the vehicle was acquired by the applicant under this Code.

(3) A vehicle which has been repossessed by a lienholder shall be considered to be salvage only when the repossessed vehicle, on the date of repossession by the lienholder, has sustained damage by collision, fire, theft, rust corrosion, or other means so that the cost of repairing such damage, including labor, would be greater than 33 1/3% of its fair market value without such damage. If the lienholder determines that such vehicle is damaged in excess of 33 1/3% of such fair market value, the lienholder shall, before

sale, transfer or assignment of the vehicle, make application for a salvage certificate, and shall submit with such application the proper fee and evidence of possession. If the facts required to be shown in subsection (f) of Section 3-114 are satisfied, the Secretary of State shall issue a salvage certificate in the name of the lienholder making the application. In any case wherein the vehicle repossessed is not damaged in excess of 33 1/3% of its fair market value, the lienholder shall comply with the requirements of subsections (f), (f-5), and (f-10) of Section 3-114, except that the affidavit of repossession made by or on behalf of the lienholder shall also contain an affirmation under penalty of perjury that the vehicle on the date of sale is not damaged in excess of 33 1/3% of its fair market value. If the facts required to be shown in subsection (f) of Section 3-114 are satisfied, the Secretary of State shall issue a certificate of title as set forth in Section 3-116 of this Code. The Secretary of State may by rule or regulation require photographs to be submitted.

(4) A vehicle which is a part of a fleet of more than 5 commercial vehicles registered in this State or any other state or registered proportionately among several states shall be considered to be salvage when such vehicle has sustained damage by collision, fire, theft, rust, corrosion or similar means so that the cost of repairing such damage, including labor, would be greater than 33 1/3% of the fair market value of the vehicle without such damage. If the owner of a fleet vehicle desires to sell, transfer, or assign his interest in such vehicle to a person within this State other than an insurance company licensed to do business within this State, and the owner determines that such vehicle, at the time of the proposed sale, transfer or assignment is damaged in excess of 33 1/3% of its fair market value, the owner shall, before such sale, transfer or assignment, make application for a salvage certificate. The application shall contain with it evidence of possession of the vehicle. If the fleet vehicle at the time of its sale, transfer, or assignment is not damaged in excess of 33 1/3% of its fair market value, the owner shall so state in a written affirmation on a form prescribed by the Secretary of State by rule or regulation. The Secretary of State may by rule or regulation require photographs to be submitted. Upon sale, transfer or assignment of the fleet vehicle the owner shall mail the affirmation to the Secretary of State.

(5) A vehicle that has been submerged in water to the point that rising water has reached over the door sill and has entered the passenger or trunk compartment is a "flood vehicle". A flood vehicle shall be considered to be salvage only if the vehicle has sustained damage so that the cost of repairing the damage, including labor, would be greater than 33 1/3% of the fair market value of the vehicle without that damage. The salvage certificate issued under this Section shall indicate the word "flood", and the word "flood" shall be conspicuously entered on subsequent titles for the vehicle. A person who possesses or acquires a flood vehicle that is not damaged in excess of 33 1/3% of its fair market value shall make application for title in accordance with Section 3-116 of this Code, designating the vehicle as "flood" in a manner prescribed by the Secretary of State. The certificate of title issued shall indicate the word "flood", and the word "flood" shall be conspicuously entered on subsequent titles for the vehicle.

(6) When any licensed rebuilder, repairer, new or used vehicle dealer, or remittance agent has submitted an application for title to a vehicle (other than an application for title to a rebuilt vehicle) that he or she knows or reasonably should have known to have sustained damages in excess of 33 1/3% of the vehicle's fair market value without that damage; provided, however, that any application for a salvage certificate for a vehicle recovered from theft and acquired from an insurance company shall be made as required by paragraph (1) of this subsection (b).

(c) Any person who without authority acquires, sells, exchanges, gives away, transfers or destroys or offers to acquire, sell, exchange, give away, transfer or destroy the certificate of title to any vehicle which is a junk or salvage vehicle shall be guilty of a Class 3 felony.

(d) Except as provided under subsection (a), any person who knowingly fails to surrender to the Secretary of State a certificate of title, salvage certificate, certificate of purchase or a similarly acceptable out-of-state document of ownership as required under the provisions of this Section is guilty of a Class A misdemeanor for a first offense and a Class 4 felony for a subsequent offense; except that a person licensed under this Code who violates paragraph (5) of subsection (b) of this Section is guilty of a business offense and shall be fined not less than $1,000 nor more than $5,000 for a first offense and is guilty of a Class 4 felony for a second or subsequent violation.

A salvage vehicle for which a short term permit has been issued under Section 3-307 of this Code is exempt from the provisions of this subsection for the duration of the permit.

Sec. 3-600. Requirements for issuance of special plates.
(a) The Secretary of State shall issue only special plates that have been authorized by the General Assembly. Except as provided in subsection (a-5), the Secretary of State shall not issue a series of special...
plates, or Universal special plates associated with an organization authorized to issue decals for Universal special plates, unless applications, as prescribed by the Secretary, have been received for 2,000 plates of that series. Where a special plate is authorized by law to raise funds for a specific civic group, charitable entity, or other identified organization, or when the civic group, charitable entity, or organization is authorized to issue decals for Universal special license plates, and where the Secretary of State has not received the required number of applications to issue that special plate within 2 years of the effective date of the Public Act authorizing the special plate or decal, the Secretary of State's authority to issue the special plate or a Universal special plate associated with that decal is nullified. All applications for special plates shall be on a form designated by the Secretary and shall be accompanied by any civic group's, charitable entity's, or other identified fundraising organization's portion of the additional fee associated with that plate or decal. All fees collected under this Section are non-refundable and shall be deposited in the special fund as designated in the enabling legislation, regardless of whether the plate or decal is produced. Upon the adoption of this amendatory Act of the 99th General Assembly, no further special license plates shall be authorized by the General Assembly unless that special license plate is authorized under subsection (a-5) of this Section.

(a-5) If the General Assembly authorizes the issuance of a special plate that recognizes the applicant's military service or receipt of a military medal or award, the Secretary may immediately begin issuing that special plate.

(b) The Secretary of State, upon issuing a new series of special license plates, shall notify all law enforcement officials of the design, color and other special features of the special license plate series.

(c) This Section shall not apply to the Secretary of State's discretion as established in Section 3-611.

(d) If a law authorizing a special license plate provides that the sponsoring organization is to designate a charitable entity as the recipient of the funds from the sale of that license plate, the designated charitable entity must be in compliance with the registration and reporting requirements of the Charitable Trust Act and the Solicitation for Charity Act. In addition, the charitable entity must annually provide the Secretary of State's office a letter of compliance issued by the Illinois Attorney General's office verifying the entity is in compliance with the Acts.
In the case of a law in effect before the effective date of this amendatory Act of the 97th General Assembly, the name of the charitable entity which is to receive the funds shall be provided to the Secretary of State within one year after the effective date of this amendatory Act of the 97th General Assembly. In the case of a law that takes effect on or after the effective date of this amendatory Act of the 97th General Assembly, the name of the charitable entity which is to receive the funds shall be provided to the Secretary of State within one year after the law takes effect. If the organization fails to designate an appropriate charitable entity within the one-year period, or if the designated charitable entity fails to annually provide the Secretary of State a letter of compliance issued by the Illinois Attorney General's office, any funds collected from the sale of plates authorized for that organization and not previously disbursed shall be transferred to the General Revenue Fund, and the special plates shall be discontinued.

(e) If fewer than 1,000 sets of any special license plate authorized by law and issued by the Secretary of State are actively registered for 2 consecutive calendar years, the Secretary of State may discontinue the issuance of that special license plate or require that special license plate to be exchanged for Universal special plates with appropriate decals.

(f) Where special license plates have been discontinued pursuant to subsection (d) or (e) of this Section, or when the special license plates are required to be exchanged for Universal special plates under subsection (e) of this Section, all previously issued plates of that type shall be recalled. Owners of vehicles which were registered with recalled plates shall not be charged a reclassification or registration sticker replacement plate fee upon the issuance of new plates for those vehicles.

(g) Any special plate that is authorized to be issued for motorcycles may also be issued for autocycles.

(h) The Secretary may use alternating numeric and alphabetical characters when issuing a special registration plate authorized under this Chapter.

manufacturer's vehicle identification number on each such vehicle and on all necessary parts of the vehicles. A vehicle identification number so affixed, restored, restamped, reaffixed or replaced is not falsified, altered or forged within the meaning of this Act.

(h-1) A person engaged in the repair or servicing of vehicles may reaffix a manufacturer's identification number plate on the same damaged vehicle from which it was originally removed, if the person reaffixes the original manufacturer's identification number plate in place of the identification number plate affixed on a new dashboard that has been installed in the vehicle. The person must notify the Secretary of State each time the original manufacturer's identification number plate is reaffixed on a vehicle. The person must keep a record indicating that the identification number plate affixed on the new dashboard has been removed and has been replaced by the manufacturer's identification number plate originally affixed on the vehicle. The person also must keep a record regarding the status and location of the identification number plate removed from the replacement dashboard. The Secretary shall adopt rules for implementing this subsection (h-1).

(h-2) The owner of a vehicle repaired under subsection (h-1) must, within 90 days of the date of the repairs, contact an officer of the Illinois State Police Vehicle Inspection Bureau and arrange for an inspection of the vehicle, by the officer or the officer's designee, at a mutually agreed upon date and location.

(i) If a vehicle or part of any vehicle is found to have the manufacturer's identification number removed, altered, defaced or destroyed, the vehicle or part shall be seized by any law enforcement agency having jurisdiction and held for the purpose of identification. In the event that the manufacturer's identification number of a vehicle or part cannot be identified, the vehicle or part shall be considered contraband, and no right of property shall exist in any person owning, leasing or possessing such property, unless the person owning, leasing or possessing the vehicle or part acquired such without knowledge that the manufacturer's vehicle identification number has been removed, altered, defaced, falsified or destroyed.

Either the seizing law enforcement agency or the State's Attorney of the county where the seizure occurred may make an application for an order of forfeiture to the circuit court in the county of seizure. such prosecution. The circuit court shall issue an order forfeiting the property to the seizing law enforcement agency if the court finds that the property did not at the time of seizure possess a valid manufacturer's identification number and that the original manufacturer's identification number cannot be ascertained. The seizing law enforcement agency may:

(1) retain the forfeited property for official use; or
(2) sell the forfeited property and distribute the proceeds in accordance with Section 4-211 of this Code, or dispose of the forfeited property in such manner as the law enforcement agency deems appropriate.

(i-1) If a motorcycle is seized under subsection (i), the motorcycle must be returned within 45 days of the date of seizure to the person from whom it was seized, unless (i) criminal charges are pending against that person or (ii) an application for an order of forfeiture has been submitted to the circuit in the county of seizure or (iii) the circuit court in the county of seizure has received from the seizing law enforcement agency and has granted a petition to extend, for a single 30 day period, the 45 days allowed for return of the motorcycle. Except as provided in subsection (i-2), a motorcycle returned to the person from whom it was seized must be returned in essentially the same condition it was in at the time of seizure.

(i-2) If any part or parts of a motorcycle seized under subsection (i) are found to be stolen and are removed, the seizing law enforcement agency is not required to replace the part or parts before returning the motorcycle to the person from whom it was seized.

(j) The State Police or the Secretary of State Department of Police shall notify the Secretary of State each time a manufacturer's vehicle identification number is affixed, reaffixed, restored or restamped on any vehicle. The Secretary of State shall make the necessary changes or corrections in his records, after the proper applications and fees have been submitted, if applicable.

(k) Any vessel, vehicle or aircraft used with knowledge and consent of the owner in the commission of, or in the attempt to commit as defined in Section 8-4 of the Criminal Code of 2012, an offense prohibited by Section 4-103 of this Chapter, including transporting of a stolen vehicle or stolen vehicle parts, shall be seized by any law enforcement agency. The seizing law enforcement agency may:

New matter indicated by italics - deletions by strikeout
(2) confiscate the vehicle and retain it for any purpose which the law enforcement agency deems appropriate; or
(3) sell the vehicle at a public sale or dispose of the vehicle in such other manner as the law enforcement agency deems appropriate.

If the vehicle is sold at public sale, the proceeds of the sale shall be paid to the law enforcement agency.

The law enforcement agency shall not retain, sell or dispose of a vehicle under paragraphs (2) or (3) of this subsection (k) except upon an order of forfeiture issued by the circuit court. The circuit court may issue such order of forfeiture upon application of the law enforcement agency or State's Attorney of the county where the law enforcement agency has jurisdiction, or in the case of the Department of State Police or the Secretary of State, upon application of the Attorney General.

The court shall issue the order if the owner of the vehicle has been convicted of transporting stolen vehicles or stolen vehicle parts and the evidence establishes that the owner's vehicle has been used in the commission of such offense.

The provisions of subsection (k) of this Section shall not apply to any vessel, vehicle or aircraft, which has been leased, rented or loaned by its owner, if the owner did not have knowledge of and consent to the use of the vessel, vehicle or aircraft in the commission of, or in an attempt to commit, an offense prohibited by Section 4-103 of this Chapter.

(b) An application for a new vehicle dealer's license shall be filed with the Secretary of State, duly verified by oath, on such form as the Secretary of State may by rule or regulation prescribe and shall contain:

1. The name and type of business organization of the applicant and his established and additional places of business, if any, in this State.
2. If the applicant is a corporation, a list of its officers, directors, and shareholders having a ten percent or greater ownership interest in the corporation, setting forth the residence address of each; if the applicant is a sole proprietorship, a partnership, an unincorporated association, a trust, or any similar form of business organization, the name and residence address of the proprietor or of each partner, member, officer, director, trustee, or manager.

3. The make or makes of new vehicles which the applicant will offer for sale at retail in this State.

4. The name of each manufacturer or franchised distributor, if any, of new vehicles with whom the applicant has contracted for the sale of such new vehicles. As evidence of this fact, the application shall be accompanied by a signed statement from each such manufacturer or franchised distributor. If the applicant is in the business of offering for sale new conversion vehicles, trucks or vans, except for trucks modified to serve a special purpose which includes but is not limited to the following vehicles: street sweepers, fertilizer spreaders, emergency vehicles, implements of husbandry or maintenance type vehicles, he must furnish evidence of a sales and service agreement from both the chassis manufacturer and second stage manufacturer.

5. A statement that the applicant has been approved for registration under the Retailers' Occupation Tax Act by the Department of Revenue: Provided that this requirement does not apply to a dealer who is already licensed hereunder with the Secretary of State, and who is merely applying for a renewal of his license. A Certificate of Insurance in a solvent company authorized to do business in the State of Illinois shall be included with each application covering each location at which he proposes to act as a new vehicle dealer. Section 5. The Juvenile Court Act of 1987 is amended by changing Section 2-10 as follows:
(705 ILCS 405/2-10) (from Ch. 37, par. 802-10)

New matter indicated by italics - deletions by strikeout
Sec. 2-10. Temporary custody hearing. At the appearance of the minor before the court at the temporary custody hearing, all witnesses present shall be examined before the court in relation to any matter connected with the allegations made in the petition.

(1) If the court finds that there is not probable cause to believe that the minor is abused, neglected or dependent it shall release the minor and dismiss the petition.

(2) If the court finds that there is probable cause to believe that the minor is abused, neglected or dependent, the court shall state in writing the factual basis supporting its finding and the minor, his or her parent, guardian, custodian and other persons able to give relevant testimony shall be examined before the court. The Department of Children and Family Services shall give testimony concerning indicated reports of abuse and neglect, of which they are aware of through the central registry, involving the minor's parent, guardian or custodian. After such testimony, the court may, consistent with the health, safety and best interests of the minor, enter an order that the minor shall be released upon the request of parent, guardian or custodian if the parent, guardian or custodian appears to take custody. If it is determined that a parent's, guardian's, or custodian's compliance with critical services mitigates the necessity for removal of the minor from his or her home, the court may enter an Order of Protection setting forth reasonable conditions of behavior that a parent, guardian, or custodian must observe for a specified period of time, not to exceed 12 months, without a violation; provided, however, that the 12-month period shall begin anew after any violation. "Custodian" includes the Department of Children and Family Services, if it has been given custody of the child, or any other agency of the State which has been given custody or wardship of the child. If it is consistent with the health, safety and best interests of the minor, the court may also prescribe shelter care and order that the minor be kept in a suitable place designated by the court or in a shelter care facility designated by the Department of Children and Family Services or a licensed child welfare agency; however, on and after January 1, 2015 (the effective date of Public Act 98-803) and before January 1, 2017, a minor charged with a criminal offense under the Criminal Code of 1961 or the Criminal Code of 2012 or adjudicated delinquent shall not be placed in the custody of or committed to the Department of Children and Family Services by any court, except a minor less than 16 years of age and committed to the Department of Children and Family Services under Section 5-710 of this Act or a minor for whom an independent basis of

abuse, neglect, or dependency exists; and on and after January 1, 2017, a
minor charged with a criminal offense under the Criminal Code of 1961 or
the Criminal Code of 2012 or adjudicated delinquent shall not be placed in
the custody of or committed to the Department of Children and Family
Services by any court, except a minor less than 15 years of age and
committed to the Department of Children and Family Services under
Section 5-710 of this Act or a minor for whom an independent basis of
abuse, neglect, or dependency exists. An independent basis exists when
the allegations or adjudication of abuse, neglect, or dependency do not
arise from the same facts, incident, or circumstances which give rise to a
charge or adjudication of delinquency.

In placing the minor, the Department or other agency shall, to the
deptent compatible with the court's order, comply with Section 7 of the
Children and Family Services Act. In determining the health, safety and
best interests of the minor to prescribe shelter care, the court must find that
it is a matter of immediate and urgent necessity for the safety and
protection of the minor or of the person or property of another that the
minor be placed in a shelter care facility or that he or she is likely to flee
the jurisdiction of the court, and must further find that reasonable efforts
have been made or that, consistent with the health, safety and best interests
of the minor, no efforts reasonably can be made to prevent or eliminate the
necessity of removal of the minor from his or her home. The court shall
require documentation from the Department of Children and Family
Services as to the reasonable efforts that were made to prevent or eliminate
the necessity of removal of the minor from his or her home or the reasons
why no efforts reasonably could be made to prevent or eliminate the
necessity of removal. When a minor is placed in the home of a relative, the
Department of Children and Family Services shall complete a preliminary
background review of the members of the minor's custodian's household in
accordance with Section 4.3 of the Child Care Act of 1969 within 90 days
of that placement. If the minor is ordered placed in a shelter care facility of
the Department of Children and Family Services or a licensed child
welfare agency, the court shall, upon request of the appropriate
Department or other agency, appoint the Department of Children and
Family Services Guardianship Administrator or other appropriate agency
executive temporary custodian of the minor and the court may enter such
other orders related to the temporary custody as it deems fit and proper,
including the provision of services to the minor or his family to ameliorate

the causes contributing to the finding of probable cause or to the finding of the existence of immediate and urgent necessity.

Where the Department of Children and Family Services Guardianship Administrator is appointed as the executive temporary custodian, the Department of Children and Family Services shall file with the court and serve on the parties a parent-child visiting plan, within 10 days, excluding weekends and holidays, after the appointment. The parent-child visiting plan shall set out the time and place of visits, the frequency of visits, the length of visits, who shall be present at the visits, and where appropriate, the minor's opportunities to have telephone and mail communication with the parents.

Where the Department of Children and Family Services Guardianship Administrator is appointed as the executive temporary custodian, and when the child has siblings in care, the Department of Children and Family Services shall file with the court and serve on the parties a sibling placement and contact plan within 10 days, excluding weekends and holidays, after the appointment. The sibling placement and contact plan shall set forth whether the siblings are placed together, and if they are not placed together, what, if any, efforts are being made to place them together. If the Department has determined that it is not in a child's best interest to be placed with a sibling, the Department shall document in the sibling placement and contact plan the basis for its determination. For siblings placed separately, the sibling placement and contact plan shall set the time and place for visits, the frequency of the visits, the length of visits, who shall be present for the visits, and where appropriate, the child's opportunities to have contact with their siblings in addition to in person contact. If the Department determines it is not in the best interest of a sibling to have contact with a sibling, the Department shall document in the sibling placement and contact plan the basis for its determination. The sibling placement and contact plan shall specify a date for development of the Sibling Contact Support Plan, under subsection (f) of Section 7.4 of the Children and Family Services Act, and shall remain in effect until the Sibling Contact Support Plan is developed.

For good cause, the court may waive the requirement to file the parent-child visiting plan or the sibling placement and contact plan, or extend the time for filing either plan. Any party may, by motion, request the court to review the parent-child visiting plan to determine whether it is reasonably calculated to expeditiously facilitate the achievement of the permanency goal. A party may, by motion, request the court to review the
parent-child visiting plan or the sibling placement and contact plan to determine whether it is consistent with the minor's best interest. The court may refer the parties to mediation where available. The frequency, duration, and locations of visitation shall be measured by the needs of the child and family, and not by the convenience of Department personnel. Child development principles shall be considered by the court in its analysis of how frequent visitation should be, how long it should last, where it should take place, and who should be present. If upon motion of the party to review either plan and after receiving evidence, the court determines that the parent-child visiting plan is not reasonably calculated to expeditiously facilitate the achievement of the permanency goal or that the restrictions placed on parent-child contact or sibling placement or contact are contrary to the child's best interests, the court shall put in writing the factual basis supporting the determination and enter specific findings based on the evidence. The court shall enter an order for the Department to implement changes to the parent-child visiting plan or sibling placement or contact plan, consistent with the court's findings. At any stage of proceeding, any party may by motion request the court to enter any orders necessary to implement the parent-child visiting plan, sibling placement or contact plan or subsequently developed Sibling Contact Support Plan. Nothing under this subsection (2) shall restrict the court from granting discretionary authority to the Department to increase opportunities for additional parent-child contacts or sibling contacts, without further court orders. Nothing in this subsection (2) shall restrict the Department from immediately restricting or terminating parent-child contact or sibling contacts, without either amending the parent-child visiting plan or the sibling contact plan or obtaining a court order, where the Department or its assigns reasonably believe that continuation of the contact, as set out in the plan, would be contrary to the child's health, safety, and welfare. The Department shall file with the court and serve on the parties any amendments to the plan within 10 days, excluding weekends and holidays, of the change of the visitation.

Acceptance of services shall not be considered an admission of any allegation in a petition made pursuant to this Act, nor may a referral of services be considered as evidence in any proceeding pursuant to this Act, except where the issue is whether the Department has made reasonable efforts to reunite the family. In making its findings that it is consistent with the health, safety and best interests of the minor to prescribe shelter care, the court shall state in writing (i) the factual basis supporting its findings

New matter indicated by italics - deletions by strikeout
concerning the immediate and urgent necessity for the protection of the
minor or of the person or property of another and (ii) the factual basis
supporting its findings that reasonable efforts were made to prevent or
eliminate the removal of the minor from his or her home or that no efforts
reasonably could be made to prevent or eliminate the removal of the minor
from his or her home. The parents, guardian, custodian, temporary
custodian and minor shall each be furnished a copy of such written
findings. The temporary custodian shall maintain a copy of the court order
and written findings in the case record for the child. The order together
with the court's findings of fact in support thereof shall be entered of
record in the court.

Once the court finds that it is a matter of immediate and urgent
necessity for the protection of the minor that the minor be placed in a
shelter care facility, the minor shall not be returned to the parent, custodian
or guardian until the court finds that such placement is no longer necessary
for the protection of the minor.

If the child is placed in the temporary custody of the Department of
Children and Family Services for his or her protection, the court shall
admonish the parents, guardian, custodian or responsible relative that the
parents must cooperate with the Department of Children and Family
Services, comply with the terms of the service plans, and correct the
conditions which require the child to be in care, or risk termination of their
parental rights. The court shall ensure, by inquiring in open court of each
parent, guardian, custodian or responsible relative, that the parent,
guardian, custodian or responsible relative has had the opportunity to
provide the Department with all known names, addresses, and telephone
numbers of each of the minor's living maternal and paternal adult relatives,
including, but not limited to, grandparents, aunts, uncles, and siblings. The
court shall advise the parents, guardian, custodian or responsible relative
to inform the Department if additional information regarding the minor's
adult relatives becomes available.

(3) If prior to the shelter care hearing for a minor described in
Sections 2-3, 2-4, 3-3 and 4-3 the moving party is unable to serve notice
on the party respondent, the shelter care hearing may proceed ex parte. A
shelter care order from an ex parte hearing shall be endorsed with the date
and hour of issuance and shall be filed with the clerk's office and entered
of record. The order shall expire after 10 days from the time it is issued
unless before its expiration it is renewed, at a hearing upon appearance of
the party respondent, or upon an affidavit of the moving party as to all

diligent efforts to notify the party respondent by notice as herein
prescribed. The notice prescribed shall be in writing and shall be
personally delivered to the minor or the minor's attorney and to the last
known address of the other person or persons entitled to notice. The notice
shall also state the nature of the allegations, the nature of the order sought
by the State, including whether temporary custody is sought, and the
consequences of failure to appear and shall contain a notice that the parties
will not be entitled to further written notices or publication notices of
proceedings in this case, including the filing of an amended petition or a
motion to terminate parental rights, except as required by Supreme Court
Rule 11; and shall explain the right of the parties and the procedures to
vacate or modify a shelter care order as provided in this Section. The
notice for a shelter care hearing shall be substantially as follows:

The Notice for rehearings shall be substantially as follows:

(4) If the parent, guardian, legal custodian, responsible relative, minor age 8 or over, or counsel of the minor did not have actual notice of or was not present at the shelter care hearing, he or she may file an affidavit setting forth these facts, and the clerk shall set the matter for rehearing not later than 48 hours, excluding Sundays and legal holidays, after the filing of the affidavit. At the rehearing, the court shall proceed in the same manner as upon the original hearing.

(5) Only when there is reasonable cause to believe that the minor taken into custody is a person described in subsection (3) of Section 5-105 may the minor be kept or detained in a detention home or county or municipal jail. This Section shall in no way be construed to limit subsection (6).

(6) No minor under 16 years of age may be confined in a jail or place ordinarily used for the confinement of prisoners in a police station. Minors under 18 years of age must be kept separate from confined adults and may not at any time be kept in the same cell, room, or yard with adults confined pursuant to the criminal law.

(7) If the minor is not brought before a judicial officer within the time period as specified in Section 2-9, the minor must immediately be released from custody.

(8) If neither the parent, guardian or custodian appears within 24 hours to take custody of a minor released upon request pursuant to subsection (2) of this Section, then the clerk of the court shall set the matter for rehearing not later than 7 days after the original order and shall issue a summons directed to the parent, guardian or custodian to appear. At the same time the probation department shall prepare a report on the minor. If a parent, guardian or custodian does not appear at such rehearing, the judge may enter an order prescribing that the minor be kept in a suitable place designated by the Department of Children and Family Services or a licensed child welfare agency.

(9) Notwithstanding any other provision of this Section any interested party, including the State, the temporary custodian, an agency providing services to the minor or family under a service plan pursuant to Section 8.2 of the Abused and Neglected Child Reporting Act, foster parent, or any of their representatives, on notice to all parties entitled to notice, may file a motion that it is in the best interests of the minor to modify or vacate a temporary custody order on any of the following grounds:

New matter indicated by italics - deletions by strikeout
(a) It is no longer a matter of immediate and urgent necessity that the minor remain in shelter care; or
(b) There is a material change in the circumstances of the natural family from which the minor was removed and the child can be cared for at home without endangering the child's health or safety; or
(c) A person not a party to the alleged abuse, neglect or dependency, including a parent, relative or legal guardian, is capable of assuming temporary custody of the minor; or
(d) Services provided by the Department of Children and Family Services or a child welfare agency or other service provider have been successful in eliminating the need for temporary custody and the child can be cared for at home without endangering the child's health or safety.

In ruling on the motion, the court shall determine whether it is consistent with the health, safety and best interests of the minor to modify or vacate a temporary custody order.

The clerk shall set the matter for hearing not later than 14 days after such motion is filed. In the event that the court modifies or vacates a temporary custody order but does not vacate its finding of probable cause, the court may order that appropriate services be continued or initiated in behalf of the minor and his or her family.

(10) When the court finds or has found that there is probable cause to believe a minor is an abused minor as described in subsection (2) of Section 2-3 and that there is an immediate and urgent necessity for the abused minor to be placed in shelter care, immediate and urgent necessity shall be presumed for any other minor residing in the same household as the abused minor provided:
(a) Such other minor is the subject of an abuse or neglect petition pending before the court; and
(b) A party to the petition is seeking shelter care for such other minor.

Once the presumption of immediate and urgent necessity has been raised, the burden of demonstrating the lack of immediate and urgent necessity shall be on any party that is opposing shelter care for the other minor.

(11) The changes made to this Section by Public Act 98-61 apply to a minor who has been arrested or taken into custody on or after January 1, 2014 (the effective date of Public Act 98-61).

(12) After the court has placed a minor in the care of a temporary custodian pursuant to this Section, any party may file a motion requesting the court to grant the temporary custodian the authority to serve as a surrogate decision maker for the minor under the Health Care Surrogate Act for purposes of making decisions pursuant to paragraph (1) of subsection (b) of Section 20 of the Health Care Surrogate Act. The court may grant the motion if it determines by clear and convincing evidence that it is in the best interests of the minor to grant the temporary custodian such authority. In making its determination, the court shall weigh the following factors in addition to considering the best interests factors listed in subsection (4.05) of Section 1-3 of this Act:

(a) the efforts to identify and locate the respondents and adult family members of the minor and the results of those efforts;
(b) the efforts to engage the respondents and adult family members of the minor in decision making on behalf of the minor;
(c) the length of time the efforts in paragraphs (a) and (b) have been ongoing;
(d) the relationship between the respondents and adult family members and the minor;
(e) medical testimony regarding the extent to which the minor is suffering and the impact of a delay in decision-making on the minor; and
(f) any other factor the court deems relevant.

If the Department of Children and Family Services is the temporary custodian of the minor, in addition to the requirements of paragraph (1) of subsection (b) of Section 20 of the Health Care Surrogate Act, the Department shall follow its rules and procedures in exercising authority granted under this subsection.

Section 10. The Health Care Surrogate Act is amended by changing Section 25 as follows:

(755 ILCS 40/25) (from Ch. 110 1/2, par. 851-25)
Sec. 25. Surrogate decision making.
(a) When a patient lacks decisional capacity, the health care provider must make a reasonable inquiry as to the availability and authority of a health care agent under the Powers of Attorney for Health Care Law. When no health care agent is authorized and available, the health care provider must make a reasonable inquiry as to the availability

New matter indicated by italics - deletions by strikeout
of possible surrogates listed in items (1) through (4) of this subsection. For purposes of this Section, a reasonable inquiry includes, but is not limited to, identifying a member of the patient's family or other health care agent by examining the patient's personal effects or medical records. If a family member or other health care agent is identified, an attempt to contact that person by telephone must be made within 24 hours after a determination by the provider that the patient lacks decisional capacity. No person shall be liable for civil damages or subject to professional discipline based on a claim of violating a patient's right to confidentiality as a result of making a reasonable inquiry as to the availability of a patient's family member or health care agent, except for willful or wanton misconduct.

The surrogate decision makers, as identified by the attending physician, are then authorized to make decisions as follows: (i) for patients who lack decisional capacity and do not have a qualifying condition, medical treatment decisions may be made in accordance with subsection (b-5) of Section 20; and (ii) for patients who lack decisional capacity and have a qualifying condition, medical treatment decisions including whether to forgo life-sustaining treatment on behalf of the patient may be made without court order or judicial involvement in the following order of priority:

(1) the patient's guardian of the person;
(2) the patient's spouse;
(3) any adult son or daughter of the patient;
(4) either parent of the patient;
(5) any adult brother or sister of the patient;
(6) any adult grandchild of the patient;
(7) a close friend of the patient;
(8) the patient's guardian of the estate;
(9) the patient's temporary custodian appointed under subsection (2) of Section 2-10 of the Juvenile Court Act of 1987 if the court has entered an order granting such authority pursuant to subsection (12) of Section 2-10 of the Juvenile Court Act of 1987.

The health care provider shall have the right to rely on any of the above surrogates if the provider believes after reasonable inquiry that neither a health care agent under the Powers of Attorney for Health Care Law nor a surrogate of higher priority is available.

Where there are multiple surrogate decision makers at the same priority level in the hierarchy, it shall be the responsibility of those surrogates to make reasonable efforts to reach a consensus as to their

New matter indicated by italics - deletions by strikeout
decision on behalf of the patient regarding the forgoing of life-sustaining treatment. If 2 or more surrogates who are in the same category and have equal priority indicate to the attending physician that they disagree about the health care matter at issue, a majority of the available persons in that category (or the parent with custodial rights) shall control, unless the minority (or the parent without custodial rights) initiates guardianship proceedings in accordance with the Probate Act of 1975. No health care provider or other person is required to seek appointment of a guardian.

(b) After a surrogate has been identified, the name, address, telephone number, and relationship of that person to the patient shall be recorded in the patient's medical record.

(c) Any surrogate who becomes unavailable for any reason may be replaced by applying the provisions of Section 25 in the same manner as for the initial choice of surrogate.

(d) In the event an individual of a higher priority to an identified surrogate becomes available and willing to be the surrogate, the individual with higher priority may be identified as the surrogate. In the event an individual in a higher, a lower, or the same priority level or a health care provider seeks to challenge the priority of or the life-sustaining treatment decision of the recognized surrogate decision maker, the challenging party may initiate guardianship proceedings in accordance with the Probate Act of 1975.

(e) The surrogate decision maker shall have the same right as the patient to receive medical information and medical records and to consent to disclosure.

(f) Any surrogate shall have the authority to make decisions for the patient until removed by the patient who no longer lacks decisional capacity, appointment of a guardian of the person, or the patient's death.

PUBLIC ACT 100-0961
(House Bill No. 5573)

AN ACT concerning crime victims.
Be it enacted by the People of the State of Illinois, represented in the General Assembly:

Section 5. The Juvenile Court Act of 1987 is amended by changing Section 5-705 as follows:

(705 ILCS 405/5-705)

Sec. 5-705. Sentencing hearing; evidence; continuance.

(1) In this subsection (1), "violent crime" has the same meaning ascribed to the term in subsection (c) of Section 3 of the Rights of Crime Victims and Witnesses Act. At the sentencing hearing, the court shall determine whether it is in the best interests of the minor or the public that he or she be made a ward of the court, and, if he or she is to be made a ward of the court, the court shall determine the proper disposition best serving the interests of the minor and the public. All evidence helpful in determining these questions, including oral and written reports, may be

New matter indicated by italics - deletions by strikeout
admitted and may be relied upon to the extent of its probative value, even though not competent for the purposes of the trial. A crime victim shall be allowed to present an oral or written statement, as guaranteed by Article I, Section 8.1 of the Illinois Constitution and as provided in Section 6 of the Rights of Crime Victims and Witnesses Act, in any case in which: (a) a juvenile has been adjudicated delinquent for a violent crime after a bench or jury trial; or (b) the petition alleged the commission of a violent crime and the juvenile has been adjudicated delinquent under a plea agreement of a crime that is not a violent crime. The court shall allow a victim to make an oral statement if the victim is present in the courtroom and requests to make an oral statement. An oral statement includes the victim or a representative of the victim reading the written statement. The court may allow persons impacted by the crime who are not victims under subsection (a) of Section 3 of the Rights of Crime Victims and Witnesses Act to present an oral or written statement. A victim and any person making an oral statement shall not be put under oath or subject to cross-examination. A record of a prior continuance under supervision under Section 5-615, whether successfully completed or not, is admissible at the sentencing hearing. No order of commitment to the Department of Juvenile Justice shall be entered against a minor before a written report of social investigation, which has been completed within the previous 60 days, is presented to and considered by the court.

(2) Once a party has been served in compliance with Section 5-525, no further service or notice must be given to that party prior to proceeding to a sentencing hearing. Before imposing sentence the court shall advise the State's Attorney and the parties who are present or their counsel of the factual contents and the conclusions of the reports prepared for the use of the court and considered by it, and afford fair opportunity, if requested, to controvert them. Factual contents, conclusions, documents and sources disclosed by the court under this paragraph shall not be further disclosed without the express approval of the court.

(3) On its own motion or that of the State's Attorney, a parent, guardian, legal custodian, or counsel, the court may adjourn the hearing for a reasonable period to receive reports or other evidence and, in such event, shall make an appropriate order for detention of the minor or his or her release from detention subject to supervision by the court during the period of the continuance. In the event the court shall order detention hereunder, the period of the continuance shall not exceed 30 court days. At the end of such time, the court shall release the minor from detention unless notice is

New matter indicated by italics - deletions by strikeout
served at least 3 days prior to the hearing on the continued date that the State will be seeking an extension of the period of detention, which notice shall state the reason for the request for the extension. The extension of detention may be for a maximum period of an additional 15 court days or a lesser number of days at the discretion of the court. However, at the expiration of the period of extension, the court shall release the minor from detention if a further continuance is granted. In scheduling investigations and hearings, the court shall give priority to proceedings in which a minor is in detention or has otherwise been removed from his or her home before a sentencing order has been made.

(4) When commitment to the Department of Juvenile Justice is ordered, the court shall state the basis for selecting the particular disposition, and the court shall prepare such a statement for inclusion in the record.

If the victim is 18 years of age or over, the victim may choose any person to be the victim's representative. For the purposes of this paragraph, "personal injury" shall include any Type A injury as indicated on the traffic accident report completed by a law enforcement officer that requires immediate professional attention in either a doctor's office or medical facility. A Type A injury shall include severely bleeding wounds, distorted extremities, and injuries that require the injured party to be carried from the scene.

(d) (Blank).

(e) "Court proceedings" includes, but is not limited to, the preliminary hearing, any post-arraignment hearing the effect of which may be the release of the defendant from custody or to alter the conditions of bond, change of plea hearing, the trial, any pretrial or post-trial hearing, sentencing, any oral argument or hearing before an Illinois appellate court, any hearing under the Mental Health and Developmental Disabilities Code or Section 5-2-4 of the Unified Code of Corrections after a finding that the defendant is not guilty by reason of insanity, including a hearing for conditional release, any hearing related to a modification of sentence, probation revocation hearing, aftercare release or parole hearings, post-conviction relief proceedings, habeas corpus proceedings and clemency proceedings related to the defendant's conviction or sentence. The right to consult with the prosecutor does not include the right to veto a plea agreement or to insist the case go to trial. If the State's Attorney has not consulted with the victim prior to making an offer or entering into plea negotiations with the defendant, the Office of the State's Attorney shall notify the victim of the offer or the negotiations within 2 business days and confer with the victim;

(c) The court shall ensure that the rights of the victim are afforded.

(c-5) The following procedures shall be followed to afford victims the rights guaranteed by Article I, Section 8.1 of the Illinois Constitution:

(1) Written notice. A victim may complete a written notice of intent to assert rights on a form prepared by the Office of the Attorney General and provided to the victim by the State's Attorney. The victim may at any time provide a revised written notice to the State's Attorney. The State's Attorney shall file the written notice with the court. At the beginning of any court proceeding in which the right of a victim may be at issue, the court and prosecutor shall review the written notice to determine whether the victim has asserted the right that may be at issue.

(2) Victim's retained attorney. A victim's attorney shall file an entry of appearance limited to assertion of the victim's rights. Upon the filing of the entry of appearance and service on the State's Attorney and the defendant, the attorney is to receive copies of all notices, motions and court orders filed thereafter in the case.

(3) Standing. The victim has standing to assert the rights enumerated in subsection (a) of Article I, Section 8.1 of the Illinois Constitution and the statutory rights under Section 4 of this Act in any court exercising jurisdiction over the criminal case. The prosecuting attorney, a victim, or the victim's retained attorney may assert the victim's rights. The defendant in the criminal case has no standing to assert a right of the victim in any court proceeding, including on appeal.

(4) Assertion of and enforcement of rights.

(A) The prosecuting attorney shall assert a victim's right or request enforcement of a right by filing a motion or by orally asserting the right or requesting enforcement in open court in the criminal case outside the presence of the
jury. The prosecuting attorney shall consult with the victim and the victim's attorney regarding the assertion or enforcement of a right. If the prosecuting attorney decides not to assert or enforce a victim's right, the prosecuting attorney shall notify the victim or the victim's attorney in sufficient time to allow the victim or the victim's attorney to assert the right or to seek enforcement of a right.

(B) If the prosecuting attorney elects not to assert a victim's right or to seek enforcement of a right, the victim or the victim's attorney may assert the victim's right or request enforcement of a right by filing a motion or by orally asserting the right or requesting enforcement in open court in the criminal case outside the presence of the jury.

(C) If the prosecuting attorney asserts a victim's right or seeks enforcement of a right, and the court denies the assertion of the right or denies the request for enforcement of a right, the victim or victim's attorney may file a motion to assert the victim's right or to request enforcement of the right within 10 days of the court's ruling. The motion need not demonstrate the grounds for a motion for reconsideration. The court shall rule on the merits of the motion.

(D) The court shall take up and decide any motion or request asserting or seeking enforcement of a victim's right without delay, unless a specific time period is specified by law or court rule. The reasons for any decision denying the motion or request shall be clearly stated on the record.

(5) Violation of rights and remedies.

(A) If the court determines that a victim's right has been violated, the court shall determine the appropriate remedy for the violation of the victim's right by hearing from the victim and the parties, considering all factors relevant to the issue, and then awarding appropriate relief to the victim.

(A-5) Consideration of an issue of a substantive nature or an issue that implicates the constitutional or statutory right of a victim at a court proceeding labeled as

New matter indicated by italics - deletions by strikeout
a status hearing shall constitute a per se violation of a victim's right.

(B) The appropriate remedy shall include only actions necessary to provide the victim the right to which the victim was entitled and may include reopening previously held proceedings; however, in no event shall the court vacate a conviction. Any remedy shall be tailored to provide the victim an appropriate remedy without violating any constitutional right of the defendant. In no event shall the appropriate remedy be a new trial, damages, or costs.

(6) Right to be heard. Whenever a victim has the right to be heard, the court shall allow the victim to exercise the right in any reasonable manner the victim chooses.

(7) Right to attend trial. A party must file a written motion to exclude a victim from trial at least 60 days prior to the date set for trial. The motion must state with specificity the reason exclusion is necessary to protect a constitutional right of the party, and must contain an offer of proof. The court shall rule on the motion within 30 days. If the motion is granted, the court shall set forth on the record the facts that support its finding that the victim's testimony will be materially affected if the victim hears other testimony at trial.

(8) Right to have advocate and support person present at court proceedings.

(A) A party who intends to call an advocate as a witness at trial must seek permission of the court before the subpoena is issued. The party must file a written motion at least 90 days before trial that sets forth specifically the issues on which the advocate's testimony is sought and an offer of proof regarding (i) the content of the anticipated testimony of the advocate; and (ii) the relevance, admissibility, and materiality of the anticipated testimony in sufficient time to allow the court to rule and the victim to seek appellate review. The court shall consider the motion and make findings within 30 days of the filing of the motion rule on the motion without delay. If the court finds by a preponderance of the evidence that: (i) the anticipated testimony is not protected by an absolute privilege; and (ii) the anticipated testimony contains relevant, admissible, and
material evidence that is not available through other witnesses or evidence, the court shall issue a subpoena requiring the advocate to appear to testify at an in camera hearing. The prosecuting attorney and the victim shall have 15 days to seek appellate review before the advocate is required to testify at an ex parte in camera proceeding.

The prosecuting attorney, the victim, and the advocate's attorney shall be allowed to be present at the ex parte in camera proceeding. If, after conducting the ex parte in camera hearing, the court determines that due process requires any testimony regarding confidential or privileged information or communications, the court shall provide to the prosecuting attorney, the victim, and the advocate's attorney a written memorandum on the substance of the advocate's testimony. The prosecuting attorney, the victim, and the advocate's attorney shall have 15 days to seek appellate review before a subpoena may be issued for the advocate to testify at trial. The presence of the prosecuting attorney at the ex parte in camera proceeding does not make the substance of the advocate's testimony that the court has ruled inadmissible subject to discovery.

(B) If a victim has asserted the right to have a support person present at the court proceedings, the victim shall provide the name of the person the victim has chosen to be the victim's support person to the prosecuting attorney, within 60 days of trial. The prosecuting attorney shall provide the name to the defendant. If the defendant intends to call the support person as a witness at trial, the defendant must seek permission of the court before a subpoena is issued. The defendant must file a written motion at least 45 days prior to trial that sets forth specifically the issues on which the support person will testify and an offer of proof regarding: (i) the content of the anticipated testimony of the support person; and (ii) the relevance, admissibility, and materiality of the anticipated testimony.

If the prosecuting attorney intends to call the support person as a witness during the State's case-in-
chief, the prosecuting attorney shall inform the court of this intent in the response to the defendant's written motion. The victim may choose a different person to be the victim's support person. The court may allow the defendant to inquire about matters outside the scope of the direct examination during cross examination. If the court allows the defendant to do so, the support person shall be allowed to remain in the courtroom after the support person has testified. A defendant who fails to question the support person about matters outside the scope of direct examination during the State's case-in-chief waives the right to challenge the presence of the support person on appeal. The court shall allow the support person to testify if called as a witness in the defendant's case-in-chief or the State's rebuttal.

If the court does not allow the defendant to inquire about matters outside the scope of the direct examination, the support person shall be allowed to remain in the courtroom after the support person has been called by the defendant or the defendant has rested. The court shall allow the support person to testify in the State's rebuttal.

If the prosecuting attorney does not intend to call the support person in the State's case-in-chief, the court shall verify with the support person whether the support person, if called as a witness, would testify as set forth in the offer of proof. If the court finds that the support person would testify as set forth in the offer of proof, the court shall rule on the relevance, materiality, and admissibility of the anticipated testimony. If the court rules the anticipated testimony is admissible, the court shall issue the subpoena. The support person may remain in the courtroom after the support person testifies and shall be allowed to testify in rebuttal.

If the court excludes the victim's support person during the State's case-in-chief, the victim shall be allowed to choose another support person to be present in court.

If the victim fails to designate a support person within 60 days of trial and the defendant has subpoenaed the support person to testify at trial, the court may exclude

the support person from the trial until the support person testifies. If the court excludes the support person the victim may choose another person as a support person.

(9) Right to notice and hearing before disclosure of confidential or privileged information or records. A defendant who seeks to subpoena records of or concerning the victim that are confidential or privileged by law must seek permission of the court before the subpoena is issued. The defendant must file a written motion and an offer of proof regarding the relevance, admissibility and materiality of the records. If the court finds by a preponderance of the evidence that: (A) the records are not protected by an absolute privilege and (B) the records contain relevant, admissible, and material evidence that is not available through other witnesses or evidence, the court shall issue a subpoena requiring a sealed copy of the records be delivered to the court to be reviewed in camera. If, after conducting an in camera review of the records, the court determines that due process requires disclosure of any portion of the records, the court shall provide copies of what it intends to disclose to the prosecuting attorney and the victim. The prosecuting attorney and the victim shall have 30 days to seek appellate review before the records are disclosed to the defendant. The disclosure of copies of any portion of the records to the prosecuting attorney does not make the records subject to discovery.

(10) Right to notice of court proceedings. If the victim is not present at a court proceeding in which a right of the victim is at issue, the court shall ask the prosecuting attorney whether the victim was notified of the time, place, and purpose of the court proceeding and that the victim had a right to be heard at the court proceeding. If the court determines that timely notice was not given or that the victim was not adequately informed of the nature of the court proceeding, the court shall not rule on any substantive issues, accept a plea, or impose a sentence and shall continue the hearing for the time necessary to notify the victim of the time, place and nature of the court proceeding. The time between court proceedings shall not be attributable to the State under Section 103-5 of the Code of Criminal Procedure of 1963.

(11) Right to timely disposition of the case. A victim has the right to timely disposition of the case so as to minimize the
stress, cost, and inconvenience resulting from the victim's involvement in the case. Before ruling on a motion to continue trial or other court proceeding, the court shall inquire into the circumstances for the request for the delay and, if the victim has provided written notice of the assertion of the right to a timely disposition, and whether the victim objects to the delay. If the victim objects, the prosecutor shall inform the court of the victim's objections. If the prosecutor has not conferred with the victim about the continuance, the prosecutor shall inform the court of the attempts to confer. If the court finds the attempts of the prosecutor to confer with the victim were inadequate to protect the victim's right to be heard, the court shall give the prosecutor at least 3 but not more than 5 business days to confer with the victim. In ruling on a motion to continue, the court shall consider the reasons for the requested continuance, the number and length of continuances that have been granted, the victim's objections and procedures to avoid further delays. If a continuance is granted over the victim's objection, the court shall specify on the record the reasons for the continuance and the procedures that have been or will be taken to avoid further delays.

(12) Right to Restitution.

(A) If the victim has asserted the right to restitution and the amount of restitution is known at the time of sentencing, the court shall enter the judgment of restitution at the time of sentencing.

(B) If the victim has asserted the right to restitution and the amount of restitution is not known at the time of sentencing, the prosecutor shall, within 5 days after sentencing, notify the victim what information and documentation related to restitution is needed and that the information and documentation must be provided to the prosecutor within 45 days after sentencing. Failure to timely provide information and documentation related to restitution shall be deemed a waiver of the right to restitution. The prosecutor shall file and serve within 60 days after sentencing a proposed judgment for restitution and a notice that includes information concerning the identity of any victims or other persons seeking restitution, whether any victim or other person expressly declines

New matter indicated by italics - deletions by strikeout
restitution, the nature and amount of any damages together with any supporting documentation, a restitution amount recommendation, and the names of any co-defendants and their case numbers. Within 30 days after receipt of the proposed judgment for restitution, the defendant shall file any objection to the proposed judgment, a statement of grounds for the objection, and a financial statement. If the defendant does not file an objection, the court may enter the judgment for restitution without further proceedings. If the defendant files an objection and either party requests a hearing, the court shall schedule a hearing.

(13) Access to presentence reports.

(A) The victim may request a copy of the presentence report prepared under the Unified Code of Corrections from the State's Attorney. The State's Attorney shall redact the following information before providing a copy of the report:

(i) the defendant's mental history and condition;

(ii) any evaluation prepared under subsection (b) or (b-5) of Section 5-3-2; and

(iii) the name, address, phone number, and other personal information about any other victim.

(B) The State's Attorney or the defendant may request the court redact other information in the report that may endanger the safety of any person.

(C) The State's Attorney may orally disclose to the victim any of the information that has been redacted if there is a reasonable likelihood that the information will be stated in court at the sentencing.

(D) The State's Attorney must advise the victim that the victim must maintain the confidentiality of the report and other information. Any dissemination of the report or information that was not stated at a court proceeding constitutes indirect criminal contempt of court.

(14) Appellate relief. If the trial court denies the relief requested, the victim, the victim's attorney or the prosecuting attorney may file an appeal within 30 days of the trial court's ruling. The trial or appellate court may stay the court proceedings if

New matter indicated by italics - deletions by strikeout
the court finds that a stay would not violate a constitutional right of
the defendant. If the appellate court denies the relief sought, the
reasons for the denial shall be clearly stated in a written opinion. In
any appeal in a criminal case, the State may assert as error the
court's denial of any crime victim's right in the proceeding to which
the appeal relates.

(15) Limitation on appellate relief. In no case shall an
appellate court provide a new trial to remedy the violation of a
victim's right.

(16) The right to be reasonably protected from the accused
throughout the criminal justice process and the right to have the
safety of the victim and the victim's family considered in denying
or fixing the amount of bail, determining whether to release the
defendant, and setting conditions of release after arrest and
conviction. A victim of domestic violence, a sexual offense, or
stalking may request the entry of a protective order under Article

(d)(1) The Prisoner Review Board shall inform a victim or any
other concerned citizen, upon written request, of the prisoner's release on
parole, mandatory supervised release, electronic detention, work release,
international transfer or exchange, or by the custodian, other than the
Department of Juvenile Justice, of the discharge of any individual who
was adjudicated a delinquent for a crime from State custody and by the
sheriff of the appropriate county of any such person's final discharge from
county custody. The Prisoner Review Board, upon written request, shall
provide to a victim or any other concerned citizen a recent photograph of
any person convicted of a felony, upon his or her release from custody.
The Prisoner Review Board, upon written request, shall inform a victim or
any other concerned citizen when feasible at least 7 days prior to the
prisoner's release on furlough of the times and dates of such furlough.
Upon written request by the victim or any other concerned citizen, the
State's Attorney shall notify the person once of the times and dates of
release of a prisoner sentenced to periodic imprisonment. Notification
shall be based on the most recent information as to victim's or other
concerned citizen's residence or other location available to the notifying
authority.

(2) When the defendant has been committed to the Department
of Human Services pursuant to Section 5-2-4 or any other provision of the
Unified Code of Corrections, the victim may request to be notified by the

The Department of Human Services shall establish and maintain a statewide telephone number to be used by victims to make notification requests under these provisions and shall publicize this telephone number on its website and to the State's Attorney of each county.

(3) In the event of an escape from State custody, the Department of Corrections or the Department of Juvenile Justice immediately shall notify the Prisoner Review Board of the escape and the Prisoner Review Board shall notify the victim. The notification shall be based upon the most recent information as to the victim's residence or other location available to the Board. When no such information is available, the Board shall make all reasonable efforts to obtain the information and make the notification. When the escapee is apprehended, the Department of Corrections or the Department of Juvenile Justice immediately shall notify the Prisoner Review Board and the Board shall notify the victim.

(4) The victim of the crime for which the prisoner has been sentenced shall receive reasonable written notice not less than 30 days prior to the parole hearing or target aftercare release date and may submit, in writing, on film, videotape or other electronic means or in the form of a recording prior to the parole hearing or target aftercare release date or in person at the parole hearing or aftercare release protest hearing or if a victim of a violent crime, by calling the toll-free number established in subsection (f) of this Section, information for consideration by the Prisoner Review Board or Department of Juvenile Justice. The victim shall be notified within 7 days after the prisoner has been granted parole or aftercare release and shall be informed of the right to inspect the registry of parole decisions, established under subsection (g) of Section 3-3-5 of the Unified Code of Corrections. The provisions of this paragraph (4) are subject to the Open Parole Hearings Act.

(5) If a statement is presented under Section 6, the Prisoner Review Board or Department of Juvenile Justice shall inform the victim of any order of discharge pursuant to Section 3-2.5-85 or 3-3-8 of the Unified Code of Corrections.

(6) At the written or oral request of the victim of the crime for which the prisoner was sentenced or the State's Attorney of the county

where the person seeking parole or aftercare release was prosecuted, the Prisoner Review Board or Department of Juvenile Justice shall notify the victim and the State's Attorney of the county where the person seeking parole or aftercare release was prosecuted of the death of the prisoner if the prisoner died while on parole or aftercare release or mandatory supervised release.

(7) When a defendant who has been committed to the Department of Corrections, the Department of Juvenile Justice, or the Department of Human Services is released or discharged and subsequently committed to the Department of Human Services as a sexually violent person and the victim had requested to be notified by the releasing authority of the defendant's discharge, conditional release, death, or escape from State custody, the releasing authority shall provide to the Department of Human Services such information that would allow the Department of Human Services to contact the victim.

(8) When a defendant has been convicted of a sex offense as defined in Section 2 of the Sex Offender Registration Act and has been sentenced to the Department of Corrections or the Department of Juvenile Justice, the Prisoner Review Board or the Department of Juvenile Justice shall notify the victim of the sex offense of the prisoner's eligibility for release on parole, aftercare release, mandatory supervised release, electronic detention, work release, international transfer or exchange, or by the custodian of the discharge of any individual who was adjudicated a delinquent for a sex offense from State custody and by the sheriff of the appropriate county of any such person's final discharge from county custody. The notification shall be made to the victim at least 30 days, whenever possible, before release of the sex offender.

(f) To permit a crime victim of a violent crime to provide information to the Prisoner Review Board or the Department of Juvenile Justice for consideration by the Board or Department at a parole hearing or before an aftercare release decision of a person who committed the crime against the victim in accordance with clause (d)(4) of this Section or at a proceeding to determine the conditions of mandatory supervised release of a person sentenced to a determinate sentence or at a hearing on revocation of mandatory supervised release of a person sentenced to a determinate

Sec. 6. Right to be heard at sentencing.
(a) A crime victim shall be allowed to present an oral or written victim impact statement in any case in which a defendant has been convicted of a violent crime or a juvenile has been adjudicated delinquent for a violent crime after a bench or jury trial, or a defendant who was charged with a violent crime and has been convicted under a plea agreement of a crime that is not a violent crime as defined in subsection (c) of Section 3 of this Act. The court shall allow a victim to make an oral impact statement if the victim is present in the courtroom and requests to make an oral statement. An oral statement includes the victim or a representative of the victim reading the written impact statement. The court may allow persons impacted by the crime who are not victims under subsection (a) of Section 3 of this Act to present an oral or written statement. A victim and any person making an oral statement shall not be put under oath or subject to cross-examination. The court shall consider any impact statement presented along with all other appropriate factors in determining the sentence of the defendant or disposition of such juvenile.

(a-1) In any case where a defendant has been convicted of a violation of any statute, ordinance, or regulation relating to the operation or use of motor vehicles, the use of streets and highways by pedestrians or the operation of any other wheeled or tracked vehicle, except parking violations, if the violation resulted in great bodily harm or death, the person who suffered great bodily harm, the injured person's representative, or the representative of a deceased person shall be entitled to notice of the sentencing hearing. "Representative" includes the spouse, guardian, grandparent, or other immediate family or household member of an injured or deceased person. The injured person or his or her representative and a representative of the deceased person shall have the right to address the court regarding the impact that the defendant's criminal conduct has had upon them. Section 15. The Unified Code of Corrections is amended by changing Sections 5-2-4 and 5-4-1 as follows:

(730 ILCS 5/5-2-4) (from Ch. 38, par. 1005-2-4)

Sec. 5-2-4. Proceedings after acquittal by reason of insanity.

(a) After a finding or verdict of not guilty by reason of insanity under Sections 104-25, 115-3, or 115-4 of the Code of Criminal Procedure of 1963, the defendant shall be ordered to the Department of Human Services for an evaluation as to whether he is in need of mental health services. The order shall specify whether the evaluation shall be conducted on an inpatient or outpatient basis. If the evaluation is to be conducted on an inpatient basis, the defendant shall be placed in a secure setting. With the court order for evaluation shall be sent a copy of the arrest report, criminal charges, arrest record, jail record, any report prepared under Section 115-6 of the Code of Criminal Procedure of 1963, and any victim impact statement prepared under Section 6 of the Rights of Crime Victims and Witnesses Act. The clerk of the circuit court shall transmit this information to the Department within 5 days. If the court orders that the evaluation be done on an inpatient basis, the Department shall evaluate the defendant to determine to which secure facility the defendant shall be transported and, within 20 days of the transmittal by the clerk of the circuit court of the placement court order, notify the sheriff of the designated facility. Upon receipt of that notice, the sheriff shall promptly transport the defendant to the designated facility. During the period of time required to determine the appropriate placement, the defendant shall remain in jail. If, within 20 days of the transmittal by the clerk of the circuit court of the placement court order, the Department fails to notify the sheriff of the identity of the facility to which the defendant shall be transported, the sheriff shall contact a designated person within the Department to inquire about when a placement will become available at the designated facility and bed availability at other facilities. If, within 20 days of the transmittal by the clerk of the circuit court of the placement court order, the Department fails to notify the sheriff of the identity of the facility to which the defendant shall be transported, the sheriff shall notify the Department of its intent to transfer the defendant to the nearest secure mental health facility operated by the Department and inquire as to the status of the placement evaluation and availability for admission to the facility operated by the Department by contacting a designated person within the Department. The Department shall respond to the sheriff within 2 business days of the notice and inquiry by the sheriff seeking the transfer and the placement evaluation and availability on the date the notice and inquiry was made.

New matter indicated by italics - deletions by strikeout
Department shall provide the sheriff with the status of the placement evaluation, information on bed and placement availability, and an estimated date of admission for the defendant and any changes to that estimated date of admission. If the Department notifies the sheriff during the 2 business day period of a facility operated by the Department with placement availability, the sheriff shall promptly transport the defendant to that facility. Individualized placement evaluations by the Department of Human Services determine the most appropriate setting for forensic treatment based upon a number of factors including mental health diagnosis, proximity to surviving victims, security need, age, gender, and proximity to family.

The Department shall provide the Court with a report of its evaluation within 30 days of the date of this order. The Court shall hold a hearing as provided under the Mental Health and Developmental Disabilities Code to determine if the individual is: (a) in need of mental health services on an inpatient basis; (b) in need of mental health services on an outpatient basis; (c) a person not in need of mental health services. The court shall afford the victim the opportunity to make a written or oral statement as guaranteed by Article I, Section 8.1 of the Illinois Constitution and Section 6 of the Rights of Crime Victims and Witnesses Act. The court shall allow a victim to make an oral statement if the victim is present in the courtroom and requests to make an oral statement. An oral statement includes the victim or a representative of the victim reading the written statement. The court may allow persons impacted by the crime who are not victims under subsection (a) of Section 3 of this Rights of Crime Victims and Witnesses Act to present an oral or written statement. A victim and any person making an oral statement shall not be put under oath or subject to cross-examination. The court shall consider any statement presented along with all other appropriate factors in determining the sentence of the defendant or disposition of the juvenile. All statements shall become part of the record of the court. The Court shall enter its findings.

If the defendant is found to be in need of mental health services on an inpatient care basis, the Court shall order the defendant to the Department of Human Services. The defendant shall be placed in a secure setting. Such defendants placed in a secure setting shall not be permitted outside the facility's housing unit unless escorted or accompanied by personnel of the Department of Human Services or with the prior approval of the Court for unsupervised on-grounds privileges as provided herein.

New matter indicated by italics - deletions by strikeout
Any defendant placed in a secure setting pursuant to this Section, transported to court hearings or other necessary appointments off facility grounds by personnel of the Department of Human Services, shall be placed in security devices or otherwise secured during the period of transportation to assure secure transport of the defendant and the safety of Department of Human Services personnel and others. These security measures shall not constitute restraint as defined in the Mental Health and Developmental Disabilities Code. If the defendant is found to be in need of mental health services, but not on an inpatient care basis, the Court shall conditionally release the defendant, under such conditions as set forth in this Section as will reasonably assure the defendant's satisfactory progress and participation in treatment or rehabilitation and the safety of the defendant, the victim, the victim's family members, and others. If the Court finds the person not in need of mental health services, then the Court shall order the defendant discharged from custody.

(a-1) Definitions. For the purposes of this Section:

(A) (Blank).

(B) "In need of mental health services on an inpatient basis" means: a defendant who has been found not guilty by reason of insanity but who, due to mental illness, is reasonably expected to inflict serious physical harm upon himself or another and who would benefit from inpatient care or is in need of inpatient care.

(C) "In need of mental health services on an outpatient basis" means: a defendant who has been found not guilty by reason of insanity who is not in need of mental health services on an inpatient basis, but is in need of outpatient care, drug and/or alcohol rehabilitation programs, community adjustment programs, individual, group, or family therapy, or chemotherapy.

(D) "Conditional Release" means: the release from either the custody of the Department of Human Services or the custody of the Court of a person who has been found not guilty by reason of insanity under such conditions as the Court may impose which reasonably assure the defendant's satisfactory progress in treatment or habilitation and the safety of the defendant, the victim, the victim's family, and others. The Court shall consider such terms and conditions which may include, but need not be limited to, outpatient care, alcoholic and drug rehabilitation programs, community adjustment programs, individual, group, family, and chemotherapy, random testing to ensure the defendant's timely and
continuous taking of any medicines prescribed to control or manage his or her conduct or mental state, and periodic checks with the legal authorities and/or the Department of Human Services. The Court may order as a condition of conditional release that the defendant not contact the victim of the offense that resulted in the finding or verdict of not guilty by reason of insanity or any other person. The Court may order the Department of Human Services to provide care to any person conditionally released under this Section. The Department may contract with any public or private agency in order to discharge any responsibilities imposed under this Section. The Department shall monitor the provision of services to persons conditionally released under this Section and provide periodic reports to the Court concerning the services and the condition of the defendant. Whenever a person is conditionally released pursuant to this Section, the State's Attorney for the county in which the hearing is held shall designate in writing the name, telephone number, and address of a person employed by him or her who shall be notified in the event that either the reporting agency or the Department decides that the conditional release of the defendant should be revoked or modified pursuant to subsection (i) of this Section. Such conditional release shall be for a period of five years. However, the defendant, the person or facility rendering the treatment, therapy, program or outpatient care, the Department, or the State's Attorney may petition the Court for an extension of the conditional release period for an additional 5 years. Upon receipt of such a petition, the Court shall hold a hearing consistent with the provisions of paragraph (a), this paragraph (a-1), and paragraph (f) of this Section, shall determine whether the defendant should continue to be subject to the terms of conditional release, and shall enter an order either extending the defendant's period of conditional release for an additional 5-year period or discharging the defendant. Additional 5-year periods of conditional release may be ordered following a hearing as provided in this Section. However, in no event shall the defendant's period of conditional release continue beyond the maximum period of commitment ordered by the Court pursuant to paragraph (b) of this Section. These provisions for extension of conditional release shall only apply to defendants conditionally released on or after
August 8, 2003. However, the extension provisions of Public Act 83-1449 apply only to defendants charged with a forcible felony.

(E) "Facility director" means the chief officer of a mental health or developmental disabilities facility or his or her designee or the supervisor of a program of treatment or habilitation or his or her designee. "Designee" may include a physician, clinical psychologist, social worker, nurse, or clinical professional counselor.

(b) If the Court finds the defendant in need of mental health services on an inpatient basis, the admission, detention, care, treatment or habilitation, treatment plans, review proceedings, including review of treatment and treatment plans, and discharge of the defendant after such order shall be under the Mental Health and Developmental Disabilities Code, except that the initial order for admission of a defendant acquitted of a felony by reason of insanity shall be for an indefinite period of time. Such period of commitment shall not exceed the maximum length of time that the defendant would have been required to serve, less credit for good behavior as provided in Section 5-4-1 of the Unified Code of Corrections, before becoming eligible for release had he been convicted of and received the maximum sentence for the most serious crime for which he has been acquitted by reason of insanity. The Court shall determine the maximum period of commitment by an appropriate order. During this period of time, the defendant shall not be permitted to be in the community in any manner, including, but not limited to, off-grounds privileges, with or without escort by personnel of the Department of Human Services, unsupervised on-grounds privileges, discharge or conditional or temporary release, except by a plan as provided in this Section. In no event shall a defendant's continued unauthorized absence be a basis for discharge. Not more than 30 days after admission and every 90 days thereafter so long as the initial order remains in effect, the facility director shall file a treatment plan report in writing with the court and forward a copy of the treatment plan report to the clerk of the court, the State's Attorney, and the defendant's attorney, if the defendant is represented by counsel, or to a person authorized by the defendant under the Mental Health and Developmental Disabilities Confidentiality Act to be sent a copy of the report. The report shall include an opinion as to whether the defendant is currently in need of mental health services on an inpatient basis or in need of mental health services on an outpatient basis. The report shall also summarize the basis for those findings and provide a current summary of
the following items from the treatment plan: (1) an assessment of the defendant's treatment needs, (2) a description of the services recommended for treatment, (3) the goals of each type of element of service, (4) an anticipated timetable for the accomplishment of the goals, and (5) a designation of the qualified professional responsible for the implementation of the plan. The report may also include unsupervised on-grounds privileges, off-grounds privileges (with or without escort by personnel of the Department of Human Services), home visits and participation in work programs, but only where such privileges have been approved by specific court order, which order may include such conditions on the defendant as the Court may deem appropriate and necessary to reasonably assure the defendant's satisfactory progress in treatment and the safety of the defendant and others.

(c) Every defendant acquitted of a felony by reason of insanity and subsequently found to be in need of mental health services shall be represented by counsel in all proceedings under this Section and under the Mental Health and Developmental Disabilities Code.

(1) The Court shall appoint as counsel the public defender or an attorney licensed by this State.

(2) Upon filing with the Court of a verified statement of legal services rendered by the private attorney appointed pursuant to paragraph (1) of this subsection, the Court shall determine a reasonable fee for such services. If the defendant is unable to pay the fee, the Court shall enter an order upon the State to pay the entire fee or such amount as the defendant is unable to pay from funds appropriated by the General Assembly for that purpose.

(d) When the facility director determines that:

(1) the defendant is no longer in need of mental health services on an inpatient basis; and

(2) the defendant may be conditionally released because he or she is still in need of mental health services or that the defendant may be discharged as not in need of any mental health services; or

(3) (blank);

the facility director shall give written notice to the Court, State's Attorney and defense attorney. Such notice shall set forth in detail the basis for the recommendation of the facility director, and specify clearly the recommendations, if any, of the facility director, concerning conditional release. Any recommendation for conditional release shall include an evaluation of the defendant's need for psychotropic medication, what

provisions should be made, if any, to ensure that the defendant will continue to receive psychotropic medication following discharge, and what provisions should be made to assure the safety of the defendant and others in the event the defendant is no longer receiving psychotropic medication. Within 30 days of the notification by the facility director, the Court shall set a hearing and make a finding as to whether the defendant is:

(i) (blank); or
(ii) in need of mental health services in the form of inpatient care; or
(iii) in need of mental health services but not subject to inpatient care; or
(iv) no longer in need of mental health services; or
(v) (blank).

A crime victim shall be allowed to present an oral and written statement. The court shall allow a victim to make an oral statement if the victim is present in the courtroom and requests to make an oral statement. An oral statement includes the victim or a representative of the victim reading the written statement. A victim and any person making an oral statement shall not be put under oath or subject to cross-examination. All statements shall become part of the record of the court.

Upon finding by the Court, the Court shall enter its findings and such appropriate order as provided in subsections (a) and (a-1) of this Section.

(e) A defendant admitted pursuant to this Section, or any person on his behalf, may file a petition for treatment plan review or discharge or conditional release under the standards of this Section in the Court which rendered the verdict. Upon receipt of a petition for treatment plan review or discharge or conditional release, the Court shall set a hearing to be held within 120 days. Thereafter, no new petition may be filed for 180 days without leave of the Court.

(f) The Court shall direct that notice of the time and place of the hearing be served upon the defendant, the facility director, the State's Attorney, and the defendant's attorney. If requested by either the State or the defense or if the Court feels it is appropriate, an impartial examination of the defendant by a psychiatrist or clinical psychologist as defined in Section 1-103 of the Mental Health and Developmental Disabilities Code who is not in the employ of the Department of Human Services shall be ordered, and the report considered at the time of the hearing.

(g) The findings of the Court shall be established by clear and convincing evidence. The burden of proof and the burden of going forth with the evidence rest with the defendant or any person on the defendant's behalf when a hearing is held to review a petition filed by or on behalf of the defendant. The evidence shall be presented in open Court with the right of confrontation and cross-examination. Such evidence may include, but is not limited to:

(1) whether the defendant appreciates the harm caused by the defendant to others and the community by his or her prior conduct that resulted in the finding of not guilty by reason of insanity;
(2) Whether the person appreciates the criminality of conduct similar to the conduct for which he or she was originally charged in this matter;
(3) the current state of the defendant's illness;
(4) what, if any, medications the defendant is taking to control his or her mental illness;
(5) what, if any, adverse physical side effects the medication has on the defendant;
(6) the length of time it would take for the defendant's mental health to deteriorate if the defendant stopped taking prescribed medication;
(7) the defendant's history or potential for alcohol and drug abuse;
(8) the defendant's past criminal history;
(9) any specialized physical or medical needs of the defendant;
(10) any family participation or involvement expected upon release and what is the willingness and ability of the family to participate or be involved;
(11) the defendant's potential to be a danger to himself, herself, or others; and
(11.5) a written or oral statement made by the victim; and
(12) any other factor or factors the Court deems appropriate.

(h) Before the court orders that the defendant be discharged or conditionally released, it shall order the facility director to establish a discharge plan that includes a plan for the defendant's shelter, support, and medication. If appropriate, the court shall order that the facility director

New matter indicated by italics - deletions by strikeout
establish a program to train the defendant in self-medication under standards established by the Department of Human Services. If the Court finds, consistent with the provisions of this Section, that the defendant is no longer in need of mental health services it shall order the facility director to discharge the defendant. If the Court finds, consistent with the provisions of this Section, that the defendant is in need of mental health services, and no longer in need of inpatient care, it shall order the facility director to release the defendant under such conditions as the Court deems appropriate and as provided by this Section. Such conditional release shall be imposed for a period of 5 years as provided in paragraph (D) of subsection (a-1) and shall be subject to later modification by the Court as provided by this Section. If the Court finds consistent with the provisions in this Section that the defendant is in need of mental health services on an inpatient basis, it shall order the facility director not to discharge or release the defendant in accordance with paragraph (b) of this Section.

(i) If within the period of the defendant's conditional release the State's Attorney determines that the defendant has not fulfilled the conditions of his or her release, the State's Attorney may petition the Court to revoke or modify the conditional release of the defendant. Upon the filing of such petition the defendant may be remanded to the custody of the Department, or to any other mental health facility designated by the Department, pending the resolution of the petition. Nothing in this Section shall prevent the emergency admission of a defendant pursuant to Article VI of Chapter III of the Mental Health and Developmental Disabilities Code or the voluntary admission of the defendant pursuant to Article IV of Chapter III of the Mental Health and Developmental Disabilities Code. If the Court determines, after hearing evidence, that the defendant has not fulfilled the conditions of release, the Court shall order a hearing to be held consistent with the provisions of paragraph (f) and (g) of this Section. At such hearing, if the Court finds that the defendant is in need of mental health services on an inpatient basis, it shall enter an order remanding him or her to the Department of Human Services or other facility. If the defendant is remanded to the Department of Human Services, he or she shall be placed in a secure setting unless the Court determines that there are compelling reasons that such placement is not necessary. If the Court finds that the defendant continues to be in need of mental health services but not on an inpatient basis, it may modify the conditions of the original release in order to reasonably assure the defendant's satisfactory progress in treatment and his or her safety and the safety of others in accordance

with the standards established in paragraph (D) of subsection (a-1).
Nothing in this Section shall limit a Court's contempt powers or any other
powers of a Court.

(j) An order of admission under this Section does not affect the
remedy of habeas corpus.

(k) In the event of a conflict between this Section and the Mental
Health and Developmental Disabilities Code or the Mental Health and
Developmental Disabilities Confidentiality Act, the provisions of this
Section shall govern.

(l) Public Act 90-593 This amendatory Act shall apply to all
persons who have been found not guilty by reason of insanity and who are
presently committed to the Department of Mental Health and
Developmental Disabilities (now the Department of Human Services).

(m) The Clerk of the Court shall transmit a certified copy of the
order of discharge or conditional release to the Department of Human
Services, to the sheriff of the county from which the defendant was
admitted, to the Illinois Department of State Police, to the proper law
enforcement agency for the municipality where the offense took place, and
to the sheriff of the county into which the defendant is conditionally
discharged. The Illinois Department of State Police shall maintain a
centralized record of discharged or conditionally released defendants while
they are under court supervision for access and use of appropriate law
enforcement agencies.

(n) The provisions in this Section which allows a crime victim to
make a written and oral statement do not apply if the defendant was under
18 years of age at the time the offense was committed.

(o) If any provision of this Section or its application to any person
or circumstance is held invalid, the invalidity of that provision does not
affect any other provision or application of this Section that can be given
effect without the invalid provision or application.

(c) In imposing a sentence for a violent crime or for an offense of operating or being in physical control of a vehicle while under the influence of alcohol, any other drug or any combination thereof, or a similar provision of a local ordinance, when such offense resulted in the personal injury to someone other than the defendant, the trial judge shall specify on the record the particular evidence, information, factors in mitigation and aggravation or other reasons that led to his sentencing determination. The full verbatim record of the sentencing hearing shall be filed with the clerk of the court and shall be a public record.

(c-1) In imposing a sentence for the offense of aggravated kidnapping for ransom, home invasion, armed robbery, aggravated vehicular hijacking, aggravated discharge of a firearm, or armed violence with a category I weapon or category II weapon, the trial judge shall make a finding as to whether the conduct leading to conviction for the offense resulted in great bodily harm to a victim, and shall enter that finding and the basis for that finding in the record.

(c-2) If the defendant is sentenced to prison, other than when a sentence of natural life imprisonment or a sentence of death is imposed, at the time the sentence is imposed the judge shall state on the record in open court the approximate period of time the defendant will serve in custody according to the then current statutory rules and regulations for sentence credit found in Section 3-6-3 and other related provisions of this Code. This statement is intended solely to inform the public, has no legal effect on the defendant's actual release, and may not be relied on by the defendant on appeal.
The judge's statement, to be given after pronouncing the sentence, other than when the sentence is imposed for one of the offenses enumerated in paragraph (a)(4) of Section 3-6-3, shall include the following:

"The purpose of this statement is to inform the public of the actual period of time this defendant is likely to spend in prison as a result of this sentence. The actual period of prison time served is determined by the statutes of Illinois as applied to this sentence by the Illinois Department of Corrections and the Illinois Prisoner Review Board. In this case, assuming the defendant receives all of his or her sentence credit, the period of estimated actual custody is ... years and ... months, less up to 180 days additional earned sentence credit. If the defendant, because of his or her own misconduct or failure to comply with the institutional regulations, does not receive those credits, the actual time served in prison will be longer. The defendant may also receive an additional one-half day sentence credit for each day of participation in vocational, industry, substance abuse, and educational programs as provided for by Illinois statute."

When the sentence is imposed for one of the offenses enumerated in paragraph (a)(2) of Section 3-6-3, other than first degree murder, and the offense was committed on or after June 19, 1998, and when the sentence is imposed for reckless homicide as defined in subsection (e) of Section 9-3 of the Criminal Code of 1961 or the Criminal Code of 2012 if the offense was committed on or after January 1, 1999, and when the sentence is imposed for aggravated driving under the influence of alcohol, other drug or drugs, or intoxicating compound or compounds, or any combination thereof as defined in subparagraph (F) of paragraph (1) of subsection (d) of Section 11-501 of the Illinois Vehicle Code, and when the sentence is imposed for aggravated arson if the offense was committed on or after July 27, 2001 (the effective date of Public Act 92-176), and when the sentence is imposed for aggravated driving under the influence of alcohol, other drug or drugs, or intoxicating compound or compounds, or any combination thereof as defined in subparagraph (C) of paragraph (1) of subsection (d) of Section 11-501 of the Illinois Vehicle Code committed on or after January 1, 2011 (the effective date of Public Act 96-1230), the judge's statement, to be given after pronouncing the sentence, shall include the following:

"The purpose of this statement is to inform the public of the actual period of time this defendant is likely to spend in prison as a result of this

sentence. The actual period of prison time served is determined by the statutes of Illinois as applied to this sentence by the Illinois Department of Corrections and the Illinois Prisoner Review Board. In this case, the defendant is entitled to no more than 4 1/2 days of sentence credit for each month of his or her sentence of imprisonment. Therefore, this defendant will serve at least 85% of his or her sentence. Assuming the defendant receives 4 1/2 days credit for each month of his or her sentence, the period of estimated actual custody is ... years and ... months. If the defendant, because of his or her own misconduct or failure to comply with the institutional regulations receives lesser credit, the actual time served in prison will be longer."

When a sentence of imprisonment is imposed for first degree murder and the offense was committed on or after June 19, 1998, the judge's statement, to be given after pronouncing the sentence, shall include the following:

"The purpose of this statement is to inform the public of the actual period of time this defendant is likely to spend in prison as a result of this sentence. The actual period of prison time served is determined by the statutes of Illinois as applied to this sentence by the Illinois Department of Corrections and the Illinois Prisoner Review Board. In this case, the defendant is not entitled to sentence credit. Therefore, this defendant will serve 100% of his or her sentence."

When the sentencing order recommends placement in a substance abuse program for any offense that results in incarceration in a Department of Corrections facility and the crime was committed on or after September 1, 2003 (the effective date of Public Act 93-354), the judge's statement, in addition to any other judge's statement required under this Section, to be given after pronouncing the sentence, shall include the following:

"The purpose of this statement is to inform the public of the actual period of time this defendant is likely to spend in prison as a result of this sentence. The actual period of prison time served is determined by the statutes of Illinois as applied to this sentence by the Illinois Department of Corrections and the Illinois Prisoner Review Board. In this case, the defendant shall receive no earned sentence credit under clause (3) of subsection (a) of Section 3-6-3 until he or she participates in and completes a substance abuse treatment program or receives a waiver from the Director of Corrections pursuant to clause (4.5) of subsection (a) of Section 3-6-3."

(c-4) Before the sentencing hearing and as part of the presentence investigation under Section 5-3-1, the court shall inquire of the defendant whether the defendant is currently serving in or is a veteran of the Armed Forces of the United States. If the defendant is currently serving in the Armed Forces of the United States or is a veteran of the Armed Forces of the United States and has been diagnosed as having a mental illness by a qualified psychiatrist or clinical psychologist or physician, the court may:

(1) order that the officer preparing the presentence report consult with the United States Department of Veterans Affairs, Illinois Department of Veterans' Affairs, or another agency or person with suitable knowledge or experience for the purpose of providing the court with information regarding treatment options available to the defendant, including federal, State, and local programming; and

(2) consider the treatment recommendations of any diagnosing or treating mental health professionals together with the treatment options available to the defendant in imposing sentence.

For the purposes of this subsection (c-4), "qualified psychiatrist" means a reputable physician licensed in Illinois to practice medicine in all its branches, who has specialized in the diagnosis and treatment of mental and nervous disorders for a period of not less than 5 years.

(c-6) In imposing a sentence, the trial judge shall specify, on the record, the particular evidence and other reasons which led to his or her determination that a motor vehicle was used in the commission of the offense.

(d) When the defendant is committed to the Department of Corrections, the State's Attorney shall and counsel for the defendant may file a statement with the clerk of the court to be transmitted to the department, agency or institution to which the defendant is committed to furnish such department, agency or institution with the facts and circumstances of the offense for which the person was committed together with all other factual information accessible to them in regard to the person prior to his commitment relative to his habits, associates, disposition and reputation and any other facts and circumstances which may aid such department, agency or institution during its custody of such person. The clerk shall within 10 days after receiving any such statements transmit a copy to such department, agency or institution and a copy to the other party, provided, however, that this shall not be cause for delay in

conveying the person to the department, agency or institution to which he has been committed.

(e) The clerk of the court shall transmit to the department, agency or institution, if any, to which the defendant is committed, the following:

1. the sentence imposed;
2. any statement by the court of the basis for imposing the sentence;
3. any presentence reports;
3.5 any sex offender evaluations;
3.6 any substance abuse treatment eligibility screening and assessment of the defendant by an agent designated by the State of Illinois to provide assessment services for the Illinois courts;
4. the number of days, if any, which the defendant has been in custody and for which he is entitled to credit against the sentence, which information shall be provided to the clerk by the sheriff;
4.1 any finding of great bodily harm made by the court with respect to an offense enumerated in subsection (c-1);
5. all statements filed under subsection (d) of this Section;
6. any medical or mental health records or summaries of the defendant;
7. the municipality where the arrest of the offender or the commission of the offense has occurred, where such municipality has a population of more than 25,000 persons;
8. all statements made and evidence offered under paragraph (7) of subsection (a) of this Section; and
9. all additional matters which the court directs the clerk to transmit.

(f) In cases in which the court finds that a motor vehicle was used in the commission of the offense for which the defendant is being sentenced, the clerk of the court shall, within 5 days thereafter, forward a report of such conviction to the Secretary of State.

district has become unnecessary, unsuitable, or inconvenient for a school or unnecessary for the uses of the district, the school board, by a resolution adopted by at least two-thirds of the board members, may sell or direct that the property be sold in the manner provided in the Local Government Property Transfer Act or in the manner herein provided or, in the case of residential property constructed or renovated by students as part of a curricular program, may engage the services of a licensed real estate broker to sell the property for a commission not to exceed 7%, contingent on the public listing of the property on a multiple listing service for a minimum of 14 calendar days and the sale of the property within 120 days.

Unless legal title to the land is held by the school board, the school board shall forthwith notify the trustees of schools or other school officials having legal title to such land of the terms upon which they desire the property to be sold. If the property is to be sold to another unit of local government or school district, the school board, trustees of schools, or other school officials having legal title to the land shall proceed in the manner provided in the Local Government Property Transfer Act. In all other cases, except if the property is to be sold to a tenant that has leased the property for 10 or more years and that tenant is a non-profit agency, the school board, trustees of schools, or other school officials having legal title to the land shall, within 60 days after adoption of the resolution (if the school board holds legal title to the land), or within 60 days after the trustees of school or other school officials having legal title receive the notice (if the school board does not hold legal title to the land), sell the property at public sale, by auction or sealed bids, after first giving notice of the time, place, and terms thereof by notice published once each week for 3 successive weeks prior to the date of the sale if sale is by auction, or prior to the final date of acceptance of bids if sale is by sealed bids, in a newspaper published in the district or, if no such newspaper is published in the district, then in a newspaper published in the county and having a general circulation in the district; however, if territory containing a school site, building, or site with building thereon, is detached from the school district of which it is a part after proceedings have been commenced under this Section for the sale of that school site, building, or site with building thereon, but before the sale is held, then the school board, trustees of schools, or other school officials having legal title shall not advertise or sell that school site, building, or site with building thereon, pursuant to those proceedings. The notices may be in the following form:

NOTICE OF SALE

New matter indicated by italics - deletions by strikeout
Notice is hereby given that on (insert date), the (here insert title of the school board, trustees of school, or other school officials holding legal title) of (county) (Township No. ...., Range No. .... (Here insert title of school officials holding legal title)

For purposes of determining "terms of sale" under this Section, the General Assembly declares by this clarifying and amendatory Act of 1983 that "terms of sale" are not limited to sales for cash only but include contracts for deed, mortgages, and such other seller financed terms as may be specified by the school board.

If a school board specifies a reasonable minimum selling price and that price is not met or if no bids are received, the school board may adopt a resolution determining or directing that the services of a licensed real estate broker be engaged to sell the property for a commission not to exceed 7%, contingent on the sale of the property within 120 days. If legal title to the property is not held by the school board, the trustees of schools or other school officials having legal title shall, upon receipt of the resolution, engage the services of a licensed real estate broker as directed in the resolution. The board may accept a written offer equal to or greater than the established minimum selling price for the described property. The services of a licensed real estate broker may be utilized to seek a buyer. If the board lowers the minimum selling price on the described property, the public sale procedures set forth in this Section must be followed. The board may raise the minimum selling price without repeating the public sale procedures.

In the case of a sale of property to a tenant that has leased the property for 10 or more years and that is a non-profit agency, an appraisal is required prior to the sale. If the non-profit agency purchases the property

for less than the appraised value and subsequently sells the property, the agency may retain only a percentage of the profits that is proportional to the percentage of the appraisal, plus any improvements made by the agency while the agency was the owner, that the agency paid in the initial sale. The remaining portion of the profits made by the non-profit agency shall revert to the school district.

The deed of conveyance shall be executed by the president and clerk or secretary of the school board, trustees of schools, or other school officials having legal title to the land, and the proceeds paid to the school treasurer for the benefit of the district, provided, that the proceeds of any such sale on the island of Kaskaskia shall be paid to the State Treasurer for the use of the district and shall be disbursed by him in the same manner as income from the Kaskaskia Commons permanent school fund. The school board shall use the proceeds from the sale first to pay the principal and interest on any outstanding bonds on the property being sold, and after all such bonds have been retired, the remaining proceeds from the sale next shall be used by the school board to meet any urgent district needs as determined under Sections 2-3.12 and 17-2.11 and then for any other authorized purpose and for deposit into any district fund. But whenever the school board of any school district determines that any schoolhouse site with or without a building thereon is of no further use to the district, and agrees with the school board of any other school district within the boundaries of which the site is situated, upon the sale thereof to that district, and agrees upon the price to be paid therefor, and the site is selected by the purchasing district in the manner required by law, then after the payment of the compensation the school board, township trustees, or other school officials having legal title to the land of the schools shall, by proper instrument in writing, convey the legal title of the site to the school board of the purchasing district, or to the trustees of schools for the use of the purchasing district, in accordance with law. The provisions of this Section shall not apply to any sale made pursuant to Section 5-23 or Section 5-24 or Section 32-4.

time, place and terms of sale. The sale shall be at public auction and the
trustees shall give notice thereof by publishing notice once each week for

Upon receipt of federal approval of an amendment to the Illinois Title XIX State Plan for this purpose, the Department shall authorize the Chicago Public Schools (CPS) to procure a vendor or vendors to manufacture eyeglasses for individuals enrolled in a school within the CPS system. CPS shall ensure that its vendor or vendors are enrolled as providers in the medical assistance program and in any capitated Medicaid managed care entity (MCE) serving individuals enrolled in a school within the CPS system. Under any contract procured under this provision, the vendor or vendors must serve only individuals enrolled in a school within the CPS system. Claims for services provided by CPS's vendor or vendors to recipients of benefits in the medical assistance program under this Code, the Children's Health Insurance Program, or the Covering ALL KIDS Health Insurance Program shall be submitted to the Department or the MCE in which the individual is enrolled for payment and shall be reimbursed at the Department's or the MCE's established rates or rate methodologies for eyeglasses.

On and after July 1, 2012, the Department of Healthcare and Family Services may provide the following services to persons eligible for assistance under this Article who are participating in education, training or employment programs operated by the Department of Human Services as successor to the Department of Public Aid:

Notwithstanding any other provision of this Code and subject to federal approval, the Department may adopt rules to allow a dentist who is volunteering his or her service at no cost to render dental services through an enrolled not-for-profit health clinic without the dentist personally enrolling as a participating provider in the medical assistance program. A not-for-profit health clinic shall include a public health clinic or Federally Qualified Health Center or other enrolled provider, as determined by the Department, through which dental services covered under this Section are performed. The Department shall establish a process for payment of claims for reimbursement for covered dental services rendered under this provision.

The Illinois Department, by rule, may distinguish and classify the medical services to be provided only in accordance with the classes of persons designated in Section 5-2.

The Department of Healthcare and Family Services must provide coverage and reimbursement for amino acid-based elemental formulas, regardless of delivery method, for the diagnosis and treatment of (i) eosinophilic disorders and (ii) short bowel syndrome when the prescribing physician has issued a written order stating that the amino acid-based elemental formula is medically necessary.

The Illinois Department shall authorize the provision of, and shall authorize payment for, screening by low-dose mammography for the presence of occult breast cancer for women 35 years of age or older who are eligible for medical assistance under this Article, as follows:

(A) A baseline mammogram for women 35 to 39 years of age.

(B) An annual mammogram for women 40 years of age or older.

(C) A mammogram at the age and intervals considered medically necessary by the woman's health care provider for women under 40 years of age and having a family history of breast cancer, prior personal history of breast cancer, positive genetic testing, or other risk factors.

(D) A comprehensive ultrasound screening and MRI of an entire breast or breasts if a mammogram demonstrates heterogeneous or dense breast tissue, when medically necessary as determined by a physician licensed to practice medicine in all of its branches.

(E) A screening MRI when medically necessary, as determined by a physician licensed to practice medicine in all of its branches.

All screenings shall include a physical breast exam, instruction on self-examination and information regarding the frequency of self-examination and its value as a preventative tool. For purposes of this Section, "low-dose mammography" means the x-ray examination of the breast using equipment dedicated specifically for mammography, including the x-ray tube, filter, compression device, and image receptor, with an average radiation exposure delivery of less than one rad per breast for 2 views of an average size breast. The term also includes digital mammography and includes breast tomosynthesis. As used in this Section,
the term "breast tomosynthesis" means a radiologic procedure that involves the acquisition of projection images over the stationary breast to produce cross-sectional digital three-dimensional images of the breast. If, at any time, the Secretary of the United States Department of Health and Human Services, or its successor agency, promulgates rules or regulations to be published in the Federal Register or publishes a comment in the Federal Register or issues an opinion, guidance, or other action that would require the State, pursuant to any provision of the Patient Protection and Affordable Care Act (Public Law 111-148), including, but not limited to, 42 U.S.C. 18031(d)(3)(B) or any successor provision, to defray the cost of any coverage for breast tomosynthesis outlined in this paragraph, then the requirement that an insurer cover breast tomosynthesis is inoperative other than any such coverage authorized under Section 1902 of the Social Security Act, 42 U.S.C. 1396a, and the State shall not assume any obligation for the cost of coverage for breast tomosynthesis set forth in this paragraph.

On and after January 1, 2016, the Department shall ensure that all networks of care for adult clients of the Department include access to at least one breast imaging Center of Imaging Excellence as certified by the American College of Radiology.

On and after January 1, 2017, providers participating in a breast cancer treatment quality improvement program approved by the Department shall be reimbursed for breast cancer treatment at a rate that is no lower than 95% of the Medicare program's rates for the data elements included in the breast cancer treatment quality program.

The Department shall convene an expert panel, including representatives of hospitals, free standing breast cancer treatment centers, breast cancer quality organizations, and doctors, including breast surgeons, reconstructive breast surgeons, oncologists, and primary care providers to establish quality standards for breast cancer treatment.

Subject to federal approval, the Department shall establish a rate methodology for mammography at federally qualified health centers and other encounter-rate clinics. These clinics or centers may also collaborate with other hospital-based mammography facilities. By January 1, 2016, the Department shall report to the General Assembly on the status of the provision set forth in this paragraph.

The Department shall establish a methodology to remind women who are age-appropriate for screening mammography, but who have not received a mammogram within the previous 18 months, of the importance and benefit of screening mammography. The Department shall work with experts in breast cancer outreach and patient navigation to optimize these reminders and shall establish a methodology for evaluating their effectiveness and modifying the methodology based on the evaluation.

The Department shall establish a performance goal for primary care providers with respect to their female patients over age 40 receiving an annual mammogram. This performance goal shall be used to provide additional reimbursement in the form of a quality performance bonus to primary care providers who meet that goal.

The Department shall devise a means of case-managing or patient navigation for beneficiaries diagnosed with breast cancer. This program shall initially operate as a pilot program in areas of the State with the highest incidence of mortality related to breast cancer. At least one pilot program site shall be in the metropolitan Chicago area and at least one site shall be outside the metropolitan Chicago area. On or after July 1, 2016, the pilot program shall be expanded to include one site in western Illinois, one site in southern Illinois, one site in central Illinois, and 4 sites within metropolitan Chicago. An evaluation of the pilot program shall be carried out measuring health outcomes and cost of care for those served by the pilot program compared to similarly situated patients who are not served by the pilot program.

The Department shall require all networks of care to develop a means either internally or by contract with experts in navigation and community outreach to navigate cancer patients to comprehensive care in a timely fashion. The Department shall require all networks of care to include access for patients diagnosed with cancer to at least one academic commission on cancer-accredited cancer program as an in-network covered benefit.

Any medical or health care provider shall immediately recommend, to any pregnant woman who is being provided prenatal services and is
suspected of drug abuse or is addicted as defined in the Alcoholism and Other Drug Abuse and Dependency Act, referral to a local substance abuse treatment provider licensed by the Department of Human Services or to a licensed hospital which provides substance abuse treatment services. The Department of Healthcare and Family Services shall assure coverage for the cost of treatment of the drug abuse or addiction for pregnant recipients in accordance with the Illinois Medicaid Program in conjunction with the Department of Human Services.

All medical providers providing medical assistance to pregnant women under this Code shall receive information from the Department on the availability of services under the Drug Free Families with a Future or any comparable program providing case management services for addicted women, including information on appropriate referrals for other social services that may be needed by addicted women in addition to treatment for addiction.

The Illinois Department, in cooperation with the Departments of Human Services (as successor to the Department of Alcoholism and Substance Abuse) and Public Health, through a public awareness campaign, may provide information concerning treatment for alcoholism and drug abuse and addiction, prenatal health care, and other pertinent programs directed at reducing the number of drug-affected infants born to recipients of medical assistance.

Neither the Department of Healthcare and Family Services nor the Department of Human Services shall sanction the recipient solely on the basis of her substance abuse.

The Illinois Department shall establish such regulations governing the dispensing of health services under this Article as it shall deem appropriate. The Department should seek the advice of formal professional advisory committees appointed by the Director of the Illinois Department for the purpose of providing regular advice on policy and administrative matters, information dissemination and educational activities for medical and health care providers, and consistency in procedures to the Illinois Department.

The Illinois Department may develop and contract with Partnerships of medical providers to arrange medical services for persons eligible under Section 5-2 of this Code. Implementation of this Section may be by demonstration projects in certain geographic areas. The Partnership shall be represented by a sponsor organization. The Department, by rule, shall develop qualifications for sponsors of

Partnerships. Nothing in this Section shall be construed to require that the
sponsor organization be a medical organization.

The sponsor must negotiate formal written contracts with medical
providers for physician services, inpatient and outpatient hospital care,
home health services, treatment for alcoholism and substance abuse, and
other services determined necessary by the Illinois Department by rule for
delivery by Partnerships. Physician services must include prenatal and
obstetrical care. The Illinois Department shall reimburse medical services
delivered by Partnership providers to clients in target areas according to
provisions of this Article and the Illinois Health Finance Reform Act,
except that:

(1) Physicians participating in a Partnership and providing
certain services, which shall be determined by the Illinois
Department, to persons in areas covered by the Partnership may
receive an additional surcharge for such services.

(2) The Department may elect to consider and negotiate
financial incentives to encourage the development of Partnerships
and the efficient delivery of medical care.

(3) Persons receiving medical services through Partnerships
may receive medical and case management services above the level
usually offered through the medical assistance program.

Medical providers shall be required to meet certain qualifications
to participate in Partnerships to ensure the delivery of high quality medical
services. These qualifications shall be determined by rule of the Illinois
Department and may be higher than qualifications for participation in the
medical assistance program. Partnership sponsors may prescribe
reasonable additional qualifications for participation by medical providers,
only with the prior written approval of the Illinois Department.

Nothing in this Section shall limit the free choice of practitioners,
hospitals, and other providers of medical services by clients. In order to
ensure patient freedom of choice, the Illinois Department shall
immediately promulgate all rules and take all other necessary actions so
that provided services may be accessed from therapeutically certified
optometrists to the full extent of the Illinois Optometric Practice Act of
1987 without discriminating between service providers.

The Department shall apply for a waiver from the United States
Health Care Financing Administration to allow for the implementation of
Partnerships under this Section.

The Illinois Department shall require health care providers to maintain records that document the medical care and services provided to recipients of Medical Assistance under this Article. Such records must be retained for a period of not less than 6 years from the date of service or as provided by applicable State law, whichever period is longer, except that if an audit is initiated within the required retention period then the records must be retained until the audit is completed and every exception is resolved. The Illinois Department shall require health care providers to make available, when authorized by the patient, in writing, the medical records in a timely fashion to other health care providers who are treating or serving persons eligible for Medical Assistance under this Article. All dispensers of medical services shall be required to maintain and retain business and professional records sufficient to fully and accurately document the nature, scope, details and receipt of the health care provided to persons eligible for medical assistance under this Code, in accordance with regulations promulgated by the Illinois Department. The rules and regulations shall require that proof of the receipt of prescription drugs, dentures, prosthetic devices and eyeglasses by eligible persons under this Section accompany each claim for reimbursement submitted by the dispenser of such medical services. No such claims for reimbursement shall be approved for payment by the Illinois Department without such proof of receipt, unless the Illinois Department shall have put into effect and shall be operating a system of post-payment audit and review which shall, on a sampling basis, be deemed adequate by the Illinois Department to assure that such drugs, dentures, prosthetic devices and eyeglasses for which payment is being made are actually being received by eligible recipients. Within 90 days after September 16, 1984 (the effective date of Public Act 83-1439), the Illinois Department shall establish a current list of acquisition costs for all prosthetic devices and any other items recognized as medical equipment and supplies reimbursable under this Article and shall update such list on a quarterly basis, except that the acquisition costs of all prescription drugs shall be updated no less frequently than every 30 days as required by Section 5-5.12.

Notwithstanding any other law to the contrary, the Illinois Department shall, within 365 days after July 22, 2013 (the effective date of Public Act 98-104), establish procedures to permit skilled care facilities licensed under the Nursing Home Care Act to submit monthly billing claims for reimbursement purposes. Following development of these procedures, the Department shall, by July 1, 2016, test the viability of the
new system and implement any necessary operational or structural changes to its information technology platforms in order to allow for the direct acceptance and payment of nursing home claims.

Notwithstanding any other law to the contrary, the Illinois Department shall, within 365 days after August 15, 2014 (the effective date of Public Act 98-963), establish procedures to permit ID/DD facilities licensed under the ID/DD Community Care Act and MC/DD facilities licensed under the MC/DD Act to submit monthly billing claims for reimbursement purposes. The Illinois Department shall require all dispensers of medical services, other than an individual practitioner or group of practitioners, desiring to participate in the Medical Assistance program established under this Article to disclose all financial, beneficial, ownership, equity, surety or other interests in any and all firms, corporations, partnerships, associations, business enterprises, joint ventures, agencies, institutions or other legal entities providing any form of health care services in this State under this Article.

The Illinois Department may require that all dispensers of medical services desiring to participate in the medical assistance program established under this Article disclose, under such terms and conditions as the Illinois Department may by rule establish, all inquiries from clients and attorneys regarding medical bills paid by the Illinois Department, which inquiries could indicate potential existence of claims or liens for the Illinois Department.

Enrollment of a vendor shall be subject to a provisional period and shall be conditional for one year. During the period of conditional enrollment, the Department may terminate the vendor's eligibility to participate in, or may disenroll the vendor from, the medical assistance program without cause. Unless otherwise specified, such termination of eligibility or disenrollment is not subject to the Department's hearing process. However, a disenrolled vendor may reapply without penalty.

The Department has the discretion to limit the conditional enrollment period for vendors based upon category of risk of the vendor.

Prior to enrollment and during the conditional enrollment period in the medical assistance program, all vendors shall be subject to enhanced oversight, screening, and review based on the risk of fraud, waste, and

abuse that is posed by the category of risk of the vendor. The Illinois Department shall establish the procedures for oversight, screening, and review, which may include, but need not be limited to: criminal and financial background checks; fingerprinting; license, certification, and authorization verifications; unscheduled or unannounced site visits; database checks; prepayment audit reviews; audits; payment caps; payment suspensions; and other screening as required by federal or State law.

The Department shall define or specify the following: (i) by provider notice, the "category of risk of the vendor" for each type of vendor, which shall take into account the level of screening applicable to a particular category of vendor under federal law and regulations; (ii) by rule or provider notice, the maximum length of the conditional enrollment period for each category of risk of the vendor; and (iii) by rule, the hearing rights, if any, afforded to a vendor in each category of risk of the vendor that is terminated or disenrolled during the conditional enrollment period.

To be eligible for payment consideration, a vendor's payment claim or bill, either as an initial claim or as a resubmitted claim following prior rejection, must be received by the Illinois Department, or its fiscal intermediary, no later than 180 days after the latest date on the claim on which medical goods or services were provided, with the following exceptions:

(1) In the case of a provider whose enrollment is in process by the Illinois Department, the 180-day period shall not begin until the date on the written notice from the Illinois Department that the provider enrollment is complete.

(2) In the case of errors attributable to the Illinois Department or any of its claims processing intermediaries which result in an inability to receive, process, or adjudicate a claim, the 180-day period shall not begin until the provider has been notified of the error.

(3) In the case of a provider for whom the Illinois Department initiates the monthly billing process.

(4) In the case of a provider operated by a unit of local government with a population exceeding 3,000,000 when local government funds finance federal participation for claims payments.

For claims for services rendered during a period for which a recipient received retroactive eligibility, claims must be filed within 180
days after the Department determines the applicant is eligible. For claims for which the Illinois Department is not the primary payer, claims must be submitted to the Illinois Department within 180 days after the final adjudication by the primary payer.

In the case of long term care facilities, within 45 calendar days of receipt by the facility of required prescreening information, new admissions with associated admission documents shall be submitted through the Medical Electronic Data Interchange (MEDI) or the Recipient Eligibility Verification (REV) System or shall be submitted directly to the Department of Human Services using required admission forms. Effective September 1, 2014, admission documents, including all prescreening information, must be submitted through MEDI or REV. Confirmation numbers assigned to an accepted transaction shall be retained by a facility to verify timely submittal. Once an admission transaction has been completed, all resubmitted claims following prior rejection are subject to receipt no later than 180 days after the admission transaction has been completed.

Claims that are not submitted and received in compliance with the foregoing requirements shall not be eligible for payment under the medical assistance program, and the State shall have no liability for payment of those claims.

To the extent consistent with applicable information and privacy, security, and disclosure laws, State and federal agencies and departments shall provide the Illinois Department access to confidential and other information and data necessary to perform eligibility and payment verifications and other Illinois Department functions. This includes, but is not limited to: information pertaining to licensure; certification; earnings; immigration status; citizenship; wage reporting; unearned and earned income; pension income; employment; supplemental security income; social security numbers; National Provider Identifier (NPI) numbers; the National Practitioner Data Bank (NPDB); program and agency exclusions; taxpayer identification numbers; tax delinquency; corporate information; and death records.

The Illinois Department shall enter into agreements with State agencies and departments, and is authorized to enter into agreements with federal agencies and departments, under which such agencies and departments shall share data necessary for medical assistance program integrity functions and oversight. The Illinois Department shall develop, in cooperation with other State departments and agencies, and in compliance

Beginning in fiscal year 2013, the Illinois Department shall set forth a request for information to identify the benefits of a pre-payment, post-adjudication, and post-edit claims system with the goals of streamlining claims processing and provider reimbursement, reducing the number of pending or rejected claims, and helping to ensure a more transparent adjudication process through the utilization of: (i) provider data verification and provider screening technology; and (ii) clinical code editing; and (iii) pre-pay, pre- or post-adjudicated predictive modeling with an integrated case management system with link analysis. Such a request for information shall not be considered as a request for proposal or as an obligation on the part of the Illinois Department to take any action or acquire any products or services.

The Illinois Department shall establish policies, procedures, standards and criteria by rule for the acquisition, repair and replacement of orthotic and prosthetic devices and durable medical equipment. Such rules shall provide, but not be limited to, the following services: (1) immediate repair or replacement of such devices by recipients; and (2) rental, lease, purchase or lease-purchase of durable medical equipment in a cost-effective manner, taking into consideration the recipient's medical prognosis, the extent of the recipient's needs, and the requirements and costs for maintaining such equipment. Subject to prior approval, such rules shall enable a recipient to temporarily acquire and use alternative or substitute devices or equipment pending repairs or replacements of any device or equipment previously authorized for such recipient by the Department. Notwithstanding any provision of Section 5-5f to the contrary, the Department may, by rule, exempt certain replacement wheelchair parts from prior approval and, for wheelchairs, wheelchair parts, wheelchair accessories, and related seating and positioning items, determine the wholesale price by methods other than actual acquisition costs.
The Department shall require, by rule, all providers of durable medical equipment to be accredited by an accreditation organization approved by the federal Centers for Medicare and Medicaid Services and recognized by the Department in order to bill the Department for providing durable medical equipment to recipients. No later than 15 months after the effective date of the rule adopted pursuant to this paragraph, all providers must meet the accreditation requirement.

The Department shall execute, relative to the nursing home prescreening project, written inter-agency agreements with the Department of Human Services and the Department on Aging, to effect the following: (i) intake procedures and common eligibility criteria for those persons who are receiving non-institutional services; and (ii) the establishment and development of non-institutional services in areas of the State where they are not currently available or are undeveloped; and (iii) notwithstanding any other provision of law, subject to federal approval, on and after July 1, 2012, an increase in the determination of need (DON) scores from 29 to 37 for applicants for institutional and home and community-based long term care; if and only if federal approval is not granted, the Department may, in conjunction with other affected agencies, implement utilization controls or changes in benefit packages to effectuate a similar savings amount for this population; and (iv) no later than July 1, 2013, minimum level of care eligibility criteria for institutional and home and community-based long term care; and (v) no later than October 1, 2013, establish procedures to permit long term care providers access to eligibility scores for individuals with an admission date who are seeking or receiving services from the long term care provider. In order to select the minimum level of care eligibility criteria, the Governor shall establish a workgroup that includes affected agency representatives and stakeholders representing the institutional and home and community-based long term care interests. This Section shall not restrict the Department from implementing lower level of care eligibility criteria for community-based services in circumstances where federal approval has been granted.

The Illinois Department shall develop and operate, in cooperation with other State Departments and agencies and in compliance with applicable federal laws and regulations, appropriate and effective systems of health care evaluation and programs for monitoring of utilization of health care services and facilities, as it affects persons eligible for medical assistance under this Code.

(Section scheduled to be repealed on January 1, 2026)
Sec. 11. Types of dental licenses. The Department shall have the authority to issue the following types of licenses:
(a) General licenses. The Department shall issue a license authorizing practice as a dentist to any person who qualifies for a license under this Act.
(b) Specialty licenses. The Department shall issue a license authorizing practice as a specialist in any particular branch of dentistry to any dentist who has complied with the requirements established for that particular branch of dentistry at the time of making application. The Department shall establish additional requirements of any dentist who announces or holds himself or herself out to the public as a specialist or as being specially qualified in any particular branch of dentistry.
No dentist shall announce or hold himself or herself out to the public as a specialist or as being specially qualified in any particular branch of dentistry unless he or she is licensed to practice in that specialty of dentistry.

(c) Temporary training licenses. Persons who wish to pursue specialty or other advanced clinical educational programs in an approved dental school or a hospital situated in this State, or persons who wish to pursue programs of specialty training in dental public health in public agencies in this State, may receive without examination, in the discretion of the Department, a temporary training license. In order to receive a temporary training license under this subsection, an applicant shall furnish satisfactory proof to the Department that:

(1) The applicant is at least 21 years of age and is of good moral character. In determining moral character under this Section, the Department may take into consideration any felony conviction of the applicant, but such a conviction shall not operate as bar to licensure;

(2) The applicant has been accepted or appointed for specialty or residency training by an approved hospital situated in this State, by an approved dental school situated in this State, or by a public health agency in this State the training programs of which are recognized and approved by the Department. The applicant shall indicate the beginning and ending dates of the period for which he or she has been accepted or appointed;

(3) The applicant is a graduate of a dental school or college approved and in good standing in the judgment of the Department. The Department may consider diplomas or certifications of education, or both, accompanied by transcripts of course work and credits awarded to determine if an applicant has graduated from a dental school or college approved and in good standing. The Department may also consider diplomas or certifications of education, or both, accompanied by transcripts of course work and credits awarded in determining whether a dental school or college is approved and in good standing.

Temporary training licenses issued under this Section shall be valid only for the duration of the period of residency or specialty training and may be extended or renewed as prescribed by rule. The holder of a valid temporary training license shall be entitled thereby to perform acts as may be prescribed by and incidental to his or her program of residency or

A temporary training license may be revoked by the Department upon proof that the holder has engaged in the practice of dentistry in this State outside of his or her program of residency or specialty training, or if the holder shall fail to supply the Department, within 10 days of its request, with information as to his or her current status and activities in his or her specialty training program.

(d) Faculty limited Restricted faculty licenses. In order to receive a restricted faculty limited license an applicant shall furnish satisfactory proof to the Department that:

(1) The applicant is at least 21 years of age, is of good moral character and is licensed to practice dentistry in another state or country; and

(2) The applicant has a full-time appointment to teach dentistry at an approved dental school or hospital situated in this State.

Faculty limited Restricted faculty licenses issued under this Section shall be valid for a period of 3 years and may be extended or renewed. In addition, the holder of a restricted faculty limited license may practice general dentistry or in his or her area of specialty, but only in a clinic or office affiliated with the dental school. Any restricted faculty limited license issued to a faculty member under this Section shall terminate immediately and automatically, without any further action by the Department, if the holder ceases to be a faculty member at an approved dental school or hospital in this State.

The Department may revoke a restricted faculty limited license for a violation of this Act or its rules, or if the holder fails to supply the Department, within 10 days of its request, with information as to his current status and activities in his teaching program.

(e) Inactive status. Any person who holds one of the licenses under subsection (a) or (b) of Section 11 or under Section 12 of this Act may elect, upon payment of the required fee, to place his or her license on an inactive status and shall, subject to the rules of the Department, be excused
from the payment of renewal fees until he or she notifies the Department in writing of his or her desire to resume active status.

Any licensee requesting restoration from inactive status shall be required to pay the current renewal fee and upon payment the Department shall be required to restore his or her license, as provided in Section 16 of this Act.

The Department of Public Health shall establish, by rule, a waiver for children who show an undue burden or a lack of access to a physician licensed to practice medicine in all of its branches who provides eye examinations or to a licensed optometrist. Each public, private, and parochial school must give notice of this eye examination requirement to the parents and guardians of students in compliance with rules of the Department of Public Health. Nothing in this Section shall be construed to allow a school to exclude a child from attending because of a parent's or guardian's failure to obtain an eye examination for the child.

(2) The Department of Public Health shall promulgate rules and regulations specifying the examinations and procedures that constitute a health examination, which shall include an age-appropriate developmental screening, an age-appropriate social and emotional screening, and the collection of data relating to asthma and obesity (including at a minimum, date of birth, gender, height, weight, blood pressure, and date of exam), and a dental examination and may recommend by rule that certain additional examinations be performed. The rules and regulations of the Department of Public Health shall specify that a tuberculosis skin test screening shall be included as a required part of each health examination included under this Section if the child resides in an area designated by the Department of Public Health as having a high incidence of tuberculosis. With respect to the developmental screening and the social and emotional screening, the Department of Public Health must develop rules and appropriate revisions to the Child Health Examination form in conjunction with a statewide organization representing school boards; a statewide organization representing pediatricians; statewide organizations
representing individuals holding Illinois educator licenses with school support personnel endorsements, including school social workers, school psychologists, and school nurses; a statewide organization representing children's mental health experts; a statewide organization representing school principals; the Director of Healthcare and Family Services or his or her designee, the State Superintendent of Education or his or her designee; and representatives of other appropriate State agencies and, at a minimum, must recommend the use of validated screening tools appropriate to the child's age or grade, and, with regard to the social and emotional screening, require recording only whether or not the screening was completed. The rules shall take into consideration the screening recommendations of the American Academy of Pediatrics and must be consistent with the State Board of Education's social and emotional learning standards. The Department of Public Health shall specify that a diabetes screening as defined by rule shall be included as a required part of each health examination. Diabetes testing is not required.

Physicians licensed to practice medicine in all of its branches, licensed advanced practice registered nurses, or licensed physician assistants shall be responsible for the performance of the health examinations, other than dental examinations, eye examinations, and vision and hearing screening, and shall sign all report forms required by subsection (4) of this Section that pertain to those portions of the health examination for which the physician, advanced practice registered nurse, or physician assistant is responsible. If a registered nurse performs any part of a health examination, then a physician licensed to practice medicine in all of its branches must review and sign all required report forms. Licensed dentists shall perform all dental examinations and shall sign all report forms required by subsection (4) of this Section that pertain to the dental examinations. Physicians licensed to practice medicine in all its branches or licensed optometrists shall perform all eye examinations required by this Section and shall sign all report forms required by subsection (4) of this Section that pertain to the eye examination. For purposes of this Section, an eye examination shall at a minimum include history, visual acuity, subjective refraction to best visual acuity near and far, internal and external examination, and a glaucoma evaluation, as well as any other tests or observations that in the professional judgment of the doctor are necessary. Vision and hearing screening tests, which shall not be considered examinations as that term is used in this Section, shall be conducted in accordance with rules and regulations of the Department of Public Health.
Public Health, and by individuals whom the Department of Public Health has certified. In these rules and regulations, the Department of Public Health shall require that individuals conducting vision screening tests give a child's parent or guardian written notification, before the vision screening is conducted, that states, "Vision screening is not a substitute for a complete eye and vision evaluation by an eye doctor. Your child is not required to undergo this vision screening if an optometrist or ophthalmologist has completed and signed a report form indicating that an examination has been administered within the previous 12 months."

(2.5) With respect to the developmental screening and the social and emotional screening portion of the health examination, each child may present proof of having been screened in accordance with this Section and the rules adopted under this Section before October 15th of the school year. With regard to the social and emotional screening only, the examining health care provider shall only record whether or not the screening was completed. If the child fails to present proof of the developmental screening or the social and emotional screening portions of the health examination by October 15th of the school year, qualified school support personnel may, with a parent's or guardian's consent, offer the developmental screening or the social and emotional screening to the child. Each public, private, and parochial school must give notice of the developmental screening and social and emotional screening requirements to the parents and guardians of students in compliance with the rules of the Department of Public Health. Nothing in this Section shall be construed to allow a school to exclude a child from attending because of a parent's or guardian's failure to obtain a developmental screening or a social and emotional screening for the child. Once a developmental screening or a social and emotional screening is completed and proof has been presented to the school, the school may, with a parent's or guardian's consent, make available appropriate school personnel to work with the parent or guardian, the child, and the provider who signed the screening form to obtain any appropriate evaluations and services as indicated on the form and in other information and documentation provided by the parents, guardians, or provider.

(3) Every child shall, at or about the same time as he or she receives a health examination required by subsection (1) of this Section, present to the local school proof of having received such immunizations against preventable communicable diseases as the Department of Public

New matter indicated by italics - deletions by strikeout
Health shall require by rules and regulations promulgated pursuant to this Section and the Communicable Disease Prevention Act.

(4) The individuals conducting the health examination, dental examination, or eye examination shall record the fact of having conducted the examination, and such additional information as required, including for a health examination data relating to asthma and obesity (including at a minimum, date of birth, gender, height, weight, blood pressure, and date of exam), on uniform forms which the Department of Public Health and the State Board of Education shall prescribe for statewide use. The examiner shall summarize on the report form any condition that he or she suspects indicates a need for special services, including for a health examination factors relating to asthma or obesity. The duty to summarize on the report form does not apply to social and emotional screenings. The confidentiality of the information and records relating to the developmental screening and the social and emotional screening shall be determined by the statutes, rules, and professional ethics governing the type of provider conducting the screening. The individuals confirming the administration of required immunizations shall record as indicated on the form that the immunizations were administered.

(5) If a child does not submit proof of having had either the health examination or the immunization as required, then the child shall be examined or receive the immunization, as the case may be, and present proof by October 15 of the current school year, or by an earlier date of the current school year established by a school district. To establish a date before October 15 of the current school year for the health examination or immunization as required, a school district must give notice of the requirements of this Section 60 days prior to the earlier established date. If for medical reasons one or more of the required immunizations must be given after October 15 of the current school year, or after an earlier established date of the current school year, then the child shall present, by October 15, or by the earlier established date, a schedule for the administration of the immunizations and a statement of the medical reasons causing the delay, both the schedule and the statement being issued by the physician, advanced practice registered nurse, physician assistant, registered nurse, or local health department that will be responsible for administration of the remaining required immunizations. If a child does not comply by October 15, or by the earlier established date of the current school year, with the requirements of this subsection, then the local school authority shall exclude that child from school until such time

as the child presents proof of having had the health examination as required and presents proof of having received those required immunizations which are medically possible to receive immediately. During a child's exclusion from school for noncompliance with this subsection, the child's parents or legal guardian shall be considered in violation of Section 26-1 and subject to any penalty imposed by Section 26-10. This subsection (5) does not apply to dental examinations, eye examinations, and the developmental screening and the social and emotional screening portions of the health examination. If the student is an out-of-state transfer student and does not have the proof required under this subsection (5) before October 15 of the current year or whatever date is set by the school district, then he or she may only attend classes (i) if he or she has proof that an appointment for the required vaccinations has been scheduled with a party authorized to submit proof of the required vaccinations. If the proof of vaccination required under this subsection (5) is not submitted within 30 days after the student is permitted to attend classes, then the student is not to be permitted to attend classes until proof of the vaccinations has been properly submitted. No school district or employee of a school district shall be held liable for any injury or illness to another person that results from admitting an out-of-state transfer student to class that has an appointment scheduled pursuant to this subsection (5).

(6) Every school shall report to the State Board of Education by November 15, in the manner which that agency shall require, the number of children who have received the necessary immunizations and the health examination (other than a dental examination or eye examination) as required, indicating, of those who have not received the immunizations and examination as required, the number of children who are exempt from health examination and immunization requirements on religious or medical grounds as provided in subsection (8). On or before December 1 of each year, every public school district and registered nonpublic school shall make publicly available the immunization data they are required to submit to the State Board of Education by November 15. The immunization data made publicly available must be identical to the data the school district or school has reported to the State Board of Education.

Every school shall report to the State Board of Education by June 30, in the manner that the State Board requires, the number of children who have received the required dental examination, indicating, of those who have not received the required dental examination, the number of children who are exempt from the dental examination on religious grounds.

as provided in subsection (8) of this Section and the number of children who have received a waiver under subsection (1.5) of this Section.

Every school shall report to the State Board of Education by June 30, in the manner that the State Board requires, the number of children who have received the required eye examination, indicating, of those who have not received the required eye examination, the number of children who are exempt from the eye examination as provided in subsection (8) of this Section, the number of children who have received a waiver under subsection (1.10) of this Section, and the total number of children in noncompliance with the eye examination requirement.

The reported information under this subsection (6) shall be provided to the Department of Public Health by the State Board of Education.

(7) Upon determining that the number of pupils who are required to be in compliance with subsection (5) of this Section is below 90% of the number of pupils enrolled in the school district, 10% of each State aid payment made pursuant to Section 18-8.05 or 18-8.15 to the school district for such year may be withheld by the State Board of Education until the number of students in compliance with subsection (5) is the applicable specified percentage or higher.

(8) Children of parents or legal guardians who object to health, dental, or eye examinations or any part thereof, to immunizations, or to vision and hearing screening tests on religious grounds shall not be required to undergo the examinations, tests, or immunizations to which they so object if such parents or legal guardians present to the appropriate local school authority a signed Certificate of Religious Exemption detailing the grounds for objection and the specific immunizations, tests, or examinations to which they object. The grounds for objection must set forth the specific religious belief that conflicts with the examination, test, immunization, or other medical intervention. The signed certificate shall also reflect the parent's or legal guardian's understanding of the school's exclusion policies in the case of a vaccine-preventable disease outbreak or exposure. The certificate must also be signed by the authorized examining health care provider responsible for the performance of the child's health examination confirming that the provider provided education to the parent or legal guardian on the benefits of immunization and the health risks to the student and to the community of the communicable diseases for which immunization is required in this State. However, the health care provider's signature on the certificate reflects only that education was provided and

does not allow a health care provider grounds to determine a religious exemption. Those receiving immunizations required under this Code shall be provided with the relevant vaccine information statements that are required to be disseminated by the federal National Childhood Vaccine Injury Act of 1986, which may contain information on circumstances when a vaccine should not be administered, prior to administering a vaccine. A healthcare provider may consider including without limitation the nationally accepted recommendations from federal agencies such as the Advisory Committee on Immunization Practices, the information outlined in the relevant vaccine information statement, and vaccine package inserts, along with the healthcare provider's clinical judgment, to determine whether any child may be more susceptible to experiencing an adverse vaccine reaction than the general population, and, if so, the healthcare provider may exempt the child from an immunization or adopt an individualized immunization schedule. The Certificate of Religious Exemption shall be created by the Department of Public Health and shall be made available and used by parents and legal guardians by the beginning of the 2015-2016 school year. Parents or legal guardians must submit the Certificate of Religious Exemption to their local school authority prior to entering kindergarten, sixth grade, and ninth grade for each child for which they are requesting an exemption. The religious objection stated need not be directed by the tenets of an established religious organization. However, general philosophical or moral reluctance to allow physical examinations, eye examinations, immunizations, vision and hearing screenings, or dental examinations does not provide a sufficient basis for an exception to statutory requirements. The local school authority is responsible for determining if the content of the Certificate of Religious Exemption constitutes a valid religious objection. The local school authority shall inform the parent or legal guardian of exclusion procedures, in accordance with the Department's rules under Part 690 of Title 77 of the Illinois Administrative Code, at the time the objection is presented.

If the physical condition of the child is such that any one or more of the immunizing agents should not be administered, the examining physician, advanced practice registered nurse, or physician assistant responsible for the performance of the health examination shall endorse that fact upon the health examination form.

Exempting a child from the health, dental, or eye examination does not exempt the child from participation in the program of physical education training provided in Sections 27-5 through 27-7 of this Code.

(8.5) The school board of a school district shall include informational materials regarding influenza and influenza vaccinations and meningococcal disease and meningococcal vaccinations developed, provided, or approved by the Department of Public Health under Section 2310-700 of the Department of Public Health Powers and Duties Law of the Civil Administrative Code of Illinois when the board provides information on immunizations, infectious diseases, medications, or other school health issues to the parents or guardians of students.

(9) For the purposes of this Section, "nursery schools" means those nursery schools operated by elementary school systems or secondary level school units or institutions of higher learning.

PUBLIC ACT 100-0978
(Senate Bill No. 2655)

AN ACT concerning juveniles.
Be it enacted by the People of the State of Illinois, represented in the General Assembly:

Section 5. The Children and Family Services Act is amended by changing Section 5 as follows:

(20 ILCS 505/5) (from Ch. 23, par. 5005)
Sec. 5. Direct child welfare services; Department of Children and Family Services. To provide direct child welfare services when not available through other public or private child care or program facilities.
(a) For purposes of this Section:
(1) "Children" means persons found within the State who are under the age of 18 years. The term also includes persons under age 21 who:
(A) were committed to the Department pursuant to the Juvenile Court Act or the Juvenile Court Act of 1987,
as amended, prior to the age of 18 and who continue under the jurisdiction of the court; or

(B) were accepted for care, service and training by the Department prior to the age of 18 and whose best interest in the discretion of the Department would be served by continuing that care, service and training because of severe emotional disturbances, physical disability, social adjustment or any combination thereof, or because of the need to complete an educational or vocational training program.

(2) "Homeless youth" means persons found within the State who are under the age of 19, are not in a safe and stable living situation and cannot be reunited with their families.

(3) "Child welfare services" means public social services which are directed toward the accomplishment of the following purposes:

(A) protecting and promoting the health, safety and welfare of children, including homeless, dependent or neglected children;

(B) remedying, or assisting in the solution of problems which may result in, the neglect, abuse, exploitation or delinquency of children;

(C) preventing the unnecessary separation of children from their families by identifying family problems, assisting families in resolving their problems, and preventing the breakup of the family where the prevention of child removal is desirable and possible when the child can be cared for at home without endangering the child's health and safety;

(D) restoring to their families children who have been removed, by the provision of services to the child and the families when the child can be cared for at home without endangering the child's health and safety;

(E) placing children in suitable adoptive homes, in cases where restoration to the biological family is not safe, possible or appropriate;

(F) assuring safe and adequate care of children away from their homes, in cases where the child cannot be returned home or cannot be placed for adoption. At the time

of placement, the Department shall consider concurrent planning, as described in subsection (l-1) of this Section so that permanency may occur at the earliest opportunity. Consideration should be given so that if reunification fails or is delayed, the placement made is the best available placement to provide permanency for the child;

(G) (blank);
(H) (blank); and
(I) placing and maintaining children in facilities that provide separate living quarters for children under the age of 18 and for children 18 years of age and older, unless a child 18 years of age is in the last year of high school education or vocational training, in an approved individual or group treatment program, in a licensed shelter facility, or secure child care facility. The Department is not required to place or maintain children:

(i) who are in a foster home, or
(ii) who are persons with a developmental disability, as defined in the Mental Health and Developmental Disabilities Code, or
(iii) who are female children who are pregnant, pregnant and parenting or parenting, or
(iv) who are siblings, in facilities that provide separate living quarters for children 18 years of age and older and for children under 18 years of age.

(b) Nothing in this Section shall be construed to authorize the expenditure of public funds for the purpose of performing abortions.

(c) The Department shall establish and maintain tax-supported child welfare services and extend and seek to improve voluntary services throughout the State, to the end that services and care shall be available on an equal basis throughout the State to children requiring such services.

(d) The Director may authorize advance disbursements for any new program initiative to any agency contracting with the Department. As a prerequisite for an advance disbursement, the contractor must post a surety bond in the amount of the advance disbursement and have a purchase of service contract approved by the Department. The Department may pay up to 2 months operational expenses in advance. The amount of the advance disbursement shall be prorated over the life of the contract or the

remaining months of the fiscal year, whichever is less, and the installment amount shall then be deducted from future bills. Advance disbursement authorizations for new initiatives shall not be made to any agency after that agency has operated during 2 consecutive fiscal years. The requirements of this Section concerning advance disbursements shall not apply with respect to the following: payments to local public agencies for child day care services as authorized by Section 5a of this Act; and youth service programs receiving grant funds under Section 17a-4.

(e) (Blank).

(f) (Blank).

(g) The Department shall establish rules and regulations concerning its operation of programs designed to meet the goals of child safety and protection, family preservation, family reunification, and adoption, including but not limited to:

1. adoption;
2. foster care;
3. family counseling;
4. protective services;
5. (blank);
6. homemaker service;
7. return of runaway children;
8. (blank);
9. placement under Section 5-7 of the Juvenile Court Act or Section 2-27, 3-28, 4-25 or 5-740 of the Juvenile Court Act of 1987 in accordance with the federal Adoption Assistance and Child Welfare Act of 1980; and
10. interstate services.

Rules and regulations established by the Department shall include provisions for training Department staff and the staff of Department grantees, through contracts with other agencies or resources, in alcohol and drug abuse screening techniques approved by the Department of Human Services, as a successor to the Department of Alcoholism and Substance Abuse, for the purpose of identifying children and adults who should be referred to an alcohol and drug abuse treatment program for professional evaluation.

(h) If the Department finds that there is no appropriate program or facility within or available to the Department for a youth in care and that no licensed private facility has an adequate and appropriate program or none agrees to accept the youth in care, the Department shall create an
appropriate individualized, program-oriented plan for such youth in care. The plan may be developed within the Department or through purchase of services by the Department to the extent that it is within its statutory authority to do.

(i) Service programs shall be available throughout the State and shall include but not be limited to the following services:

1. case management;
2. homemakers;
3. counseling;
4. parent education;
5. day care; and
6. emergency assistance and advocacy.

In addition, the following services may be made available to assess and meet the needs of children and families:

1. comprehensive family-based services;
2. assessments;
3. respite care; and
4. in-home health services.

The Department shall provide transportation for any of the services it makes available to children or families or for which it refers children or families.

(j) The Department may provide categories of financial assistance and education assistance grants, and shall establish rules and regulations concerning the assistance and grants, to persons who adopt children with physical or mental disabilities, children who are older, or other hard-to-place children who (i) immediately prior to their adoption were youth in care or (ii) were determined eligible for financial assistance with respect to a prior adoption and who become available for adoption because the prior adoption has been dissolved and the parental rights of the adoptive parents have been terminated or because the child's adoptive parents have died. The Department may continue to provide financial assistance and education assistance grants for a child who was determined eligible for financial assistance under this subsection (j) in the interim period beginning when the child's adoptive parents died and ending with the finalization of the new adoption of the child by another adoptive parent or parents. The Department may also provide categories of financial assistance and education assistance grants, and shall establish rules and regulations for the assistance and grants, to persons appointed guardian of the person under Section 5-7 of the Juvenile Court Act or Section 2-27, 3-

28, 4-25 or 5-740 of the Juvenile Court Act of 1987 for children who were youth in care for 12 months immediately prior to the appointment of the guardian.

The amount of assistance may vary, depending upon the needs of the child and the adoptive parents, as set forth in the annual assistance agreement. Special purpose grants are allowed where the child requires special service but such costs may not exceed the amounts which similar services would cost the Department if it were to provide or secure them as guardian of the child.

Any financial assistance provided under this subsection is inalienable by assignment, sale, execution, attachment, garnishment, or any other remedy for recovery or collection of a judgment or debt.

(j-5) The Department shall not deny or delay the placement of a child for adoption if an approved family is available either outside of the Department region handling the case, or outside of the State of Illinois.

(k) The Department shall accept for care and training any child who has been adjudicated neglected or abused, or dependent committed to it pursuant to the Juvenile Court Act or the Juvenile Court Act of 1987.

(l) The Department shall offer family preservation services, as defined in Section 8.2 of the Abused and Neglected Child Reporting Act, to help families, including adoptive and extended families. Family preservation services shall be offered (i) to prevent the placement of children in substitute care when the children can be cared for at home or in the custody of the person responsible for the children's welfare, (ii) to reunite children with their families, or (iii) to maintain an adoptive placement. Family preservation services shall only be offered when doing so will not endanger the children's health or safety. With respect to children who are in substitute care pursuant to the Juvenile Court Act of 1987, family preservation services shall not be offered if a goal other than those of subdivisions (A), (B), or (B-1) of subsection (2) of Section 2-28 of that Act has been set, except that reunification services may be offered as provided in paragraph (F) of subsection (2) of Section 2-28 of that Act.

Nothing in this paragraph shall be construed to create a private right of action or claim on the part of any individual or child welfare agency, except that when a child is the subject of an action under Article II of the Juvenile Court Act of 1987 and the child's service plan calls for services to facilitate achievement of the permanency goal, the court hearing the action under Article II of the Juvenile Court Act of 1987 may order the Department to provide the services set out in the plan, if those services are

not provided with reasonable promptness and if those services are available.

The Department shall notify the child and his family of the Department's responsibility to offer and provide family preservation services as identified in the service plan. The child and his family shall be eligible for services as soon as the report is determined to be "indicated". The Department may offer services to any child or family with respect to whom a report of suspected child abuse or neglect has been filed, prior to concluding its investigation under Section 7.12 of the Abused and Neglected Child Reporting Act. However, the child's or family's willingness to accept services shall not be considered in the investigation. The Department may also provide services to any child or family who is the subject of any report of suspected child abuse or neglect or may refer such child or family to services available from other agencies in the community, even if the report is determined to be unfounded, if the conditions in the child's or family's home are reasonably likely to subject the child or family to future reports of suspected child abuse or neglect. Acceptance of such services shall be voluntary. The Department may also provide services to any child or family after completion of a family assessment, as an alternative to an investigation, as provided under the "differential response program" provided for in subsection (a-5) of Section 7.4 of the Abused and Neglected Child Reporting Act.

The Department may, at its discretion except for those children also adjudicated neglected or dependent, accept for care and training any child who has been adjudicated addicted, as a truant minor in need of supervision or as a minor requiring authoritative intervention, under the Juvenile Court Act or the Juvenile Court Act of 1987, but no such child shall be committed to the Department by any court without the approval of the Department. On and after January 1, 2015 (the effective date of Public Act 98-803) this amendatory Act of the 98th General Assembly and before January 1, 2017, a minor charged with a criminal offense under the Criminal Code of 1961 or the Criminal Code of 2012 or adjudicated delinquent shall not be placed in the custody of or committed to the Department by any court, except (i) a minor less than 16 years of age committed to the Department under Section 5-710 of the Juvenile Court Act of 1987, (ii) a minor for whom an independent basis of abuse, neglect, or dependency exists, which must be defined by departmental rule, or (iii) a minor for whom the court has granted a supplemental petition to reinstate wardship pursuant to subsection (2) of Section 2-33 of the

Juvenile Court Act of 1987. On and after January 1, 2017, a minor charged with a criminal offense under the Criminal Code of 1961 or the Criminal Code of 2012 or adjudicated delinquent shall not be placed in the custody of or committed to the Department by any court, except (i) a minor less than 15 years of age committed to the Department under Section 5-710 of the Juvenile Court Act of 1987, ii) a minor for whom an independent basis of abuse, neglect, or dependency exists, which must be defined by departmental rule, or (iii) a minor for whom the court has granted a supplemental petition to reinstate wardship pursuant to subsection (2) of Section 2-33 of the Juvenile Court Act of 1987. An independent basis exists when the allegations or adjudication of abuse, neglect, or dependency do not arise from the same facts, incident, or circumstances which give rise to a charge or adjudication of delinquency. The Department shall assign a caseworker to attend any hearing involving a youth in the care and custody of the Department who is placed on aftercare release, including hearings involving sanctions for violation of aftercare release conditions and aftercare release revocation hearings.

As soon as is possible after August 7, 2009 (the effective date of Public Act 96-134), the Department shall develop and implement a special program of family preservation services to support intact, foster, and adoptive families who are experiencing extreme hardships due to the difficulty and stress of caring for a child who has been diagnosed with a pervasive developmental disorder if the Department determines that those services are necessary to ensure the health and safety of the child. The Department may offer services to any family whether or not a report has been filed under the Abused and Neglected Child Reporting Act. The Department may refer the child or family to services available from other agencies in the community if the conditions in the child's or family's home are reasonably likely to subject the child or family to future reports of suspected child abuse or neglect. Acceptance of these services shall be voluntary. The Department shall develop and implement a public information campaign to alert health and social service providers and the general public about these special family preservation services. The nature and scope of the services offered and the number of families served under the special program implemented under this paragraph shall be determined by the level of funding that the Department annually allocates for this purpose. The term "pervasive developmental disorder" under this paragraph means a neurological condition, including but not limited to, Asperger's Syndrome and autism, as defined in the most recent edition of...
the Diagnostic and Statistical Manual of Mental Disorders of the American Psychiatric Association.

(l-1) The legislature recognizes that the best interests of the child require that the child be placed in the most permanent living arrangement as soon as is practically possible. To achieve this goal, the legislature directs the Department of Children and Family Services to conduct concurrent planning so that permanency may occur at the earliest opportunity. Permanent living arrangements may include prevention of placement of a child outside the home of the family when the child can be cared for at home without endangering the child's health or safety; reunification with the family, when safe and appropriate, if temporary placement is necessary; or movement of the child toward the most permanent living arrangement and permanent legal status.

When determining reasonable efforts to be made with respect to a child, as described in this subsection, and in making such reasonable efforts, the child's health and safety shall be the paramount concern.

When a child is placed in foster care, the Department shall ensure and document that reasonable efforts were made to prevent or eliminate the need to remove the child from the child's home. The Department must make reasonable efforts to reunify the family when temporary placement of the child occurs unless otherwise required, pursuant to the Juvenile Court Act of 1987. At any time after the dispositional hearing where the Department believes that further reunification services would be ineffective, it may request a finding from the court that reasonable efforts are no longer appropriate. The Department is not required to provide further reunification services after such a finding.

A decision to place a child in substitute care shall be made with considerations of the child's health, safety, and best interests. At the time of placement, consideration should also be given so that if reunification fails or is delayed, the placement made is the best available placement to provide permanency for the child.

The Department shall adopt rules addressing concurrent planning for reunification and permanency. The Department shall consider the following factors when determining appropriateness of concurrent planning:

(1) the likelihood of prompt reunification;
(2) the past history of the family;
(3) the barriers to reunification being addressed by the family;

New matter indicated by italics - deletions by strikeout
(4) the level of cooperation of the family;
(5) the foster parents' willingness to work with the family to reunite;
(6) the willingness and ability of the foster family to provide an adoptive home or long-term placement;
(7) the age of the child;
(8) placement of siblings.

(m) The Department may assume temporary custody of any child if:

(1) it has received a written consent to such temporary custody signed by the parents of the child or by the parent having custody of the child if the parents are not living together or by the guardian or custodian of the child if the child is not in the custody of either parent, or

(2) the child is found in the State and neither a parent, guardian nor custodian of the child can be located.

If the child is found in his or her residence without a parent, guardian, custodian or responsible caretaker, the Department may, instead of removing the child and assuming temporary custody, place an authorized representative of the Department in that residence until such time as a parent, guardian or custodian enters the home and expresses a willingness and apparent ability to ensure the child's health and safety and resume permanent charge of the child, or until a relative enters the home and is willing and able to ensure the child's health and safety and assume charge of the child until a parent, guardian or custodian enters the home and expresses such willingness and ability to ensure the child's safety and resume permanent charge. After a caretaker has remained in the home for a period not to exceed 12 hours, the Department must follow those procedures outlined in Section 2-9, 3-11, 4-8, or 5-415 of the Juvenile Court Act of 1987.

The Department shall have the authority, responsibilities and duties that a legal custodian of the child would have pursuant to subsection (9) of Section 1-3 of the Juvenile Court Act of 1987. Whenever a child is taken into temporary custody pursuant to an investigation under the Abused and Neglected Child Reporting Act, or pursuant to a referral and acceptance under the Juvenile Court Act of 1987 of a minor in limited custody, the Department, during the period of temporary custody and before the child is brought before a judicial officer as required by Section 2-9, 3-11, 4-8, or 5-415 of the Juvenile Court Act of 1987, shall have the authority,
responsibilities and duties that a legal custodian of the child would have under subsection (9) of Section 1-3 of the Juvenile Court Act of 1987.

The Department shall ensure that any child taken into custody is scheduled for an appointment for a medical examination.

A parent, guardian or custodian of a child in the temporary custody of the Department who would have custody of the child if he were not in the temporary custody of the Department may deliver to the Department a signed request that the Department surrender the temporary custody of the child. The Department may retain temporary custody of the child for 10 days after the receipt of the request, during which period the Department may cause to be filed a petition pursuant to the Juvenile Court Act of 1987. If a petition is so filed, the Department shall retain temporary custody of the child until the court orders otherwise. If a petition is not filed within the 10-day period, the child shall be surrendered to the custody of the requesting parent, guardian or custodian not later than the expiration of the 10-day period, at which time the authority and duties of the Department with respect to the temporary custody of the child shall terminate.

(m-1) The Department may place children under 18 years of age in a secure child care facility licensed by the Department that cares for children who are in need of secure living arrangements for their health, safety, and well-being after a determination is made by the facility director and the Director or the Director's designate prior to admission to the facility subject to Section 2-27.1 of the Juvenile Court Act of 1987. This subsection (m-1) does not apply to a child who is subject to placement in a correctional facility operated pursuant to Section 3-15-2 of the Unified Code of Corrections, unless the child is a youth in care who was placed in the care of the Department before being subject to placement in a correctional facility and a court of competent jurisdiction has ordered placement of the child in a secure care facility.

(n) The Department may place children under 18 years of age in licensed child care facilities when in the opinion of the Department, appropriate services aimed at family preservation have been unsuccessful and cannot ensure the child's health and safety or are unavailable and such placement would be for their best interest. Payment for board, clothing, care, training and supervision of any child placed in a licensed child care facility may be made by the Department, by the parents or guardians of the estates of those children, or by both the Department and the parents or guardians, except that no payments shall be made by the Department for

any child placed in a licensed child care facility for board, clothing, care, training and supervision of such a child that exceed the average per capita cost of maintaining and of caring for a child in institutions for dependent or neglected children operated by the Department. However, such restriction on payments does not apply in cases where children require specialized care and treatment for problems of severe emotional disturbance, physical disability, social adjustment, or any combination thereof and suitable facilities for the placement of such children are not available at payment rates within the limitations set forth in this Section. All reimbursements for services delivered shall be absolutely inalienable by assignment, sale, attachment, garnishment or otherwise.

(n-1) The Department shall provide or authorize child welfare services, aimed at assisting minors to achieve sustainable self-sufficiency as independent adults, for any minor eligible for the reinstatement of wardship pursuant to subsection (2) of Section 2-33 of the Juvenile Court Act of 1987, whether or not such reinstatement is sought or allowed, provided that the minor consents to such services and has not yet attained the age of 21. The Department shall have responsibility for the development and delivery of services under this Section. An eligible youth may access services under this Section through the Department of Children and Family Services or by referral from the Department of Human Services. Youth participating in services under this Section shall cooperate with the assigned case manager in developing an agreement identifying the services to be provided and how the youth will increase skills to achieve self-sufficiency. A homeless shelter is not considered appropriate housing for any youth receiving child welfare services under this Section. The Department shall continue child welfare services under this Section to any eligible minor until the minor becomes 21 years of age, no longer consents to participate, or achieves self-sufficiency as identified in the minor's service plan. The Department of Children and Family Services shall create clear, readable notice of the rights of former foster youth to child welfare services under this Section and how such services may be obtained. The Department of Children and Family Services and the Department of Human Services shall disseminate this information statewide. The Department shall adopt regulations describing services intended to assist minors in achieving sustainable self-sufficiency as independent adults.

(o) The Department shall establish an administrative review and appeal process for children and families who request or receive child welfare services.
welfare services from the Department. Youth in care who are placed by private child welfare agencies, and foster families with whom those youth are placed, shall be afforded the same procedural and appeal rights as children and families in the case of placement by the Department, including the right to an initial review of a private agency decision by that agency. The Department shall ensure that any private child welfare agency, which accepts youth in care for placement, affords those rights to children and foster families. The Department shall accept for administrative review and an appeal hearing a complaint made by (i) a child or foster family concerning a decision following an initial review by a private child welfare agency or (ii) a prospective adoptive parent who alleges a violation of subsection (j-5) of this Section. An appeal of a decision concerning a change in the placement of a child shall be conducted in an expedited manner. A court determination that a current foster home placement is necessary and appropriate under Section 2-28 of the Juvenile Court Act of 1987 does not constitute a judicial determination on the merits of an administrative appeal, filed by a former foster parent, involving a change of placement decision.

(p) (Blank).

(q) The Department may receive and use, in their entirety, for the benefit of children any gift, donation or bequest of money or other property which is received on behalf of such children, or any financial benefits to which such children are or may become entitled while under the jurisdiction or care of the Department.

The Department shall set up and administer no-cost, interest-bearing accounts in appropriate financial institutions for children for whom the Department is legally responsible and who have been determined eligible for Veterans' Benefits, Social Security benefits, assistance allotments from the armed forces, court ordered payments, parental voluntary payments, Supplemental Security Income, Railroad Retirement payments, Black Lung benefits, or other miscellaneous payments. Interest earned by each account shall be credited to the account, unless disbursed in accordance with this subsection.

In disbursing funds from children's accounts, the Department shall:

(1) Establish standards in accordance with State and federal laws for disbursing money from children's accounts. In all circumstances, the Department's "Guardianship Administrator" or his or her designee must approve disbursements from children's accounts. The Department shall be responsible for keeping
complete records of all disbursements for each account for any purpose.

(2) Calculate on a monthly basis the amounts paid from State funds for the child's board and care, medical care not covered under Medicaid, and social services; and utilize funds from the child's account, as covered by regulation, to reimburse those costs. Monthly, disbursements from all children's accounts, up to 1/12 of $13,000,000, shall be deposited by the Department into the General Revenue Fund and the balance over 1/12 of $13,000,000 into the DCFS Children's Services Fund.

(3) Maintain any balance remaining after reimbursing for the child's costs of care, as specified in item (2). The balance shall accumulate in accordance with relevant State and federal laws and shall be disbursed to the child or his or her guardian, or to the issuing agency.

(r) The Department shall promulgate regulations encouraging all adoption agencies to voluntarily forward to the Department or its agent names and addresses of all persons who have applied for and have been approved for adoption of a hard-to-place child or child with a disability and the names of such children who have not been placed for adoption. A list of such names and addresses shall be maintained by the Department or its agent, and coded lists which maintain the confidentiality of the person seeking to adopt the child and of the child shall be made available, without charge, to every adoption agency in the State to assist the agencies in placing such children for adoption. The Department may delegate to an agent its duty to maintain and make available such lists. The Department shall ensure that such agent maintains the confidentiality of the person seeking to adopt the child and of the child.

(s) The Department of Children and Family Services may establish and implement a program to reimburse Department and private child welfare agency foster parents licensed by the Department of Children and Family Services for damages sustained by the foster parents as a result of the malicious or negligent acts of foster children, as well as providing third party coverage for such foster parents with regard to actions of foster children to other individuals. Such coverage will be secondary to the foster parent liability insurance policy, if applicable. The program shall be funded through appropriations from the General Revenue Fund, specifically designated for such purposes.

(t) The Department shall perform home studies and investigations and shall exercise supervision over visitation as ordered by a court pursuant to the Illinois Marriage and Dissolution of Marriage Act or the Adoption Act only if:

(1) an order entered by an Illinois court specifically directs the Department to perform such services; and

(2) the court has ordered one or both of the parties to the proceeding to reimburse the Department for its reasonable costs for providing such services in accordance with Department rules, or has determined that neither party is financially able to pay.

The Department shall provide written notification to the court of the specific arrangements for supervised visitation and projected monthly costs within 60 days of the court order. The Department shall send to the court information related to the costs incurred except in cases where the court has determined the parties are financially unable to pay. The court may order additional periodic reports as appropriate.

(u) In addition to other information that must be provided, whenever the Department places a child with a prospective adoptive parent or parents or in a licensed foster home, group home, child care institution, or in a relative home, the Department shall provide to the prospective adoptive parent or parents or other caretaker:

(1) available detailed information concerning the child's educational and health history, copies of immunization records (including insurance and medical card information), a history of the child's previous placements, if any, and reasons for placement changes excluding any information that identifies or reveals the location of any previous caretaker;

(2) a copy of the child's portion of the client service plan, including any visitation arrangement, and all amendments or revisions to it as related to the child; and

(3) information containing details of the child's individualized educational plan when the child is receiving special education services.

The caretaker shall be informed of any known social or behavioral information (including, but not limited to, criminal background, fire setting, perpetuation of sexual abuse, destructive behavior, and substance abuse) necessary to care for and safeguard the children to be placed or currently in the home. The Department may prepare a written summary of the information required by this paragraph, which may be provided to the

foster or prospective adoptive parent in advance of a placement. The foster or prospective adoptive parent may review the supporting documents in the child's file in the presence of casework staff. In the case of an emergency placement, casework staff shall at least provide known information verbally, if necessary, and must subsequently provide the information in writing as required by this subsection.

The information described in this subsection shall be provided in writing. In the case of emergency placements when time does not allow prior review, preparation, and collection of written information, the Department shall provide such information as it becomes available. Within 10 business days after placement, the Department shall obtain from the prospective adoptive parent or parents or other caretaker a signed verification of receipt of the information provided. Within 10 business days after placement, the Department shall provide to the child's guardian ad litem a copy of the information provided to the prospective adoptive parent or parents or other caretaker. The information provided to the prospective adoptive parent or parents or other caretaker shall be reviewed and approved regarding accuracy at the supervisory level.

(u-5) Effective July 1, 1995, only foster care placements licensed as foster family homes pursuant to the Child Care Act of 1969 shall be eligible to receive foster care payments from the Department. Relative caregivers who, as of July 1, 1995, were approved pursuant to approved relative placement rules previously promulgated by the Department at 89 Ill. Adm. Code 335 and had submitted an application for licensure as a foster family home may continue to receive foster care payments only until the Department determines that they may be licensed as a foster family home or that their application for licensure is denied or until September 30, 1995, whichever occurs first.

(v) The Department shall access criminal history record information as defined in the Illinois Uniform Conviction Information Act and information maintained in the adjudicatory and dispositional record system as defined in Section 2605-355 of the Department of State Police Law (20 ILCS 2605/2605-355) if the Department determines the information is necessary to perform its duties under the Abused and Neglected Child Reporting Act, the Child Care Act of 1969, and the Children and Family Services Act. The Department shall provide for interactive computerized communication and processing equipment that permits direct on-line communication with the Department of State Police's central criminal history data repository. The Department shall

In addition, one Office of the Inspector General investigator shall have training in the use of the criminal history information access system and have access to the terminal. The Department of Children and Family Services and its employees shall abide by rules and regulations established by the Department of State Police relating to the access and dissemination of this information.

(v-1) Prior to final approval for placement of a child, the Department shall conduct a criminal records background check of the prospective foster or adoptive parent, including fingerprint-based checks of national crime information databases. Final approval for placement shall not be granted if the record check reveals a felony conviction for child abuse or neglect, for spousal abuse, for a crime against children, or for a crime involving violence, including rape, sexual assault, or homicide, but not including other physical assault or battery, or if there is a felony conviction for physical assault, battery, or a drug-related offense committed within the past 5 years.

(v-2) Prior to final approval for placement of a child, the Department shall check its child abuse and neglect registry for information concerning prospective foster and adoptive parents, and any adult living in the home. If any prospective foster or adoptive parent or other adult living in the home has resided in another state in the preceding 5 years, the Department shall request a check of that other state's child abuse and neglect registry.

(w) Within 120 days of August 20, 1995 (the effective date of Public Act 89-392), the Department shall prepare and submit to the Governor and the General Assembly, a written plan for the development of in-state licensed secure child care facilities that care for children who are in need of secure living arrangements for their health, safety, and well-being. For purposes of this subsection, secure care facility shall mean a facility that is designed and operated to ensure that all entrances and exits from the facility, a building or a distinct part of the building, are under the exclusive control of the staff of the facility, whether or not the child has the freedom of movement within the perimeter of the facility, building, or distinct part of the building. The plan shall include descriptions of the types of facilities that are needed in Illinois; the cost of developing these secure care facilities; the estimated number of placements; the potential cost savings resulting from the movement of children currently out-of-state.
who are projected to be returned to Illinois; the necessary geographic
distribution of these facilities in Illinois; and a proposed timetable for
development of such facilities.

(x) The Department shall conduct annual credit history checks to
determine the financial history of children placed under its guardianship
pursuant to the Juvenile Court Act of 1987. The Department shall conduct
such credit checks starting when a youth in care turns 12 years old and
each year thereafter for the duration of the guardianship as terminated
pursuant to the Juvenile Court Act of 1987. The Department shall
determine if financial exploitation of the child's personal information has
occurred. If financial exploitation appears to have taken place or is
presently ongoing, the Department shall notify the proper law enforcement
agency, the proper State's Attorney, or the Attorney General.

(y) Beginning on July 22, 2010 (the effective date of Public Act 96-
1189) this amendatory Act of the 96th General Assembly, a child with a
disability who receives residential and educational services from the
Department shall be eligible to receive transition services in accordance

inclusive, notwithstanding the child's residential services arrangement. For
purposes of this subsection, "child with a disability" means a child with a
disability as defined by the federal Individuals with Disabilities Education
Improvement Act of 2004.

(z) The Department shall access criminal history record
information as defined as "background information" in this subsection and
criminal history record information as defined in the Illinois Uniform
Conviction Information Act for each Department employee or Department
applicant. Each Department employee or Department applicant shall
submit his or her fingerprints to the Department of State Police in the form
and manner prescribed by the Department of State Police. These
fingerprints shall be checked against the fingerprint records now and
hereafter filed in the Department of State Police and the Federal Bureau of
Investigation criminal history records databases. The Department of State
Police shall charge a fee for conducting the criminal history record check,
which shall be deposited into the State Police Services Fund and shall not
exceed the actual cost of the record check. The Department of State Police
shall furnish, pursuant to positive identification, all Illinois conviction
information to the Department of Children and Family Services.

For purposes of this subsection:

Sec. 30. Transition bed capacity.

(a) The Department of Healthcare and Family Services shall use unspent or lapsed Individual Care Grant funds and Family Support and Specialized Family Support Program funds to address the shortage of Specialized Family Support Program transition bed services for children that are appropriate for the acuity level of the child's needs. The Department of Healthcare and Family Services shall pay for increased capacity of Specialized Family Support Program transition bed services beginning in fiscal year 2019 using the Medicaid rate for residential treatment plus consideration of an increased rate for capacity building purposes. The Department of Healthcare and Family Services shall work to develop this capacity in regions across the State to ensure that a child is placed in a residential treatment facility close to where the family resides to foster family reunification. Within 60 days after the effective date of this amendatory Act of the 100th General Assembly, the Department of Healthcare and Family Services shall develop a plan for increasing capacity for transitional bed services and community-based treatment for the Family Support Program and Specialized Family Support Program services that address the acuity level of children in or at risk of psychiatric lockout to ensure that the purchase of Specialized Family Support Program transition bed services does not diminish the capacity of longer term therapeutic residential treatment beds for youth with high behavioral health needs. The report to the General Assembly shall be filed with the Clerk of the House of Representatives and the Secretary of the Senate in electronic form only, in the manner that the Clerk and the Secretary shall direct.

Section 7. The Mental Health and Developmental Disabilities Administrative Act is amended by changing Section 7.1 as follows:

(20 ILCS 1705/7.1) (from Ch. 91 1/2, par. 100-7.1)

Sec. 7.1. Individual Care Grants.

(a) For the purposes of this Section 7.1, "Department" means the Department of Healthcare and Family Services.

(b) To assist families in seeking intensive community-based services or residential placement for children with mental illness, for whom no appropriate care is available in State-operated facilities, the Department shall supplement the amount a family is able to pay, as determined by the Department and the amount available from other sources, provided the Department's share shall not exceed a uniform maximum rate to be determined from time to time by the Department. The Department may exercise the authority under this Section as is necessary to implement the provisions of Section 5-5.23 of the Illinois Public Aid Code and to administer Individual Care Grants. The Department shall work collaboratively with stakeholders and family representatives in the implementation of this Section.

(c) A child shall continue to be eligible for an Individual Care Grant if the child is placed in the temporary custody of the Department of Children and Family Services under Article II of the Juvenile Care Act of 1987 because the child was left at a psychiatric hospital beyond medical necessity and an application for the Family Support Program was pending with the Department or an active application was being reviewed by the Department when the petition under the Juvenile Court Act of 1987 was filed.

(d) If the Department determines that the child meets all the eligibility criteria for Family Support Services and approves the

application, the Department shall notify the parents and the Department of Children and Family Services. The court hearing the child's case under the Juvenile Court Act of 1987 shall conduct a hearing within 14 days after all parties have been notified and determine whether to vacate the custody or guardianship of the Department of Children and Family Services and return the child to the custody of his or her parents with Family Support Services in place or whether the child shall continue in the custody of the Department of Children and Family Services and decline the Family Support Program. The court shall conduct the hearing under Section 2-4b of the Juvenile Court Act of 1987. If the court vacates the custody or guardianship of the Department of Children and Family Services and returns the child to the custody of the respondent with Family Support Services, the Department shall become fiscally responsible for providing services to the child. If the court determines that the child shall continue in the custody of the Department of Children and Family Services, the Department of Children and Family Services shall remain fiscally responsible for providing services to the child, the Family Support Services shall be declined, and the child shall no longer be eligible for Family Support Services.

(e) The Department shall provide an expedited review process for applications for minors in the custody or guardianship of the Department of Children and Family Services who continue to remain eligible for Individual Care Grants. The Department shall work collaboratively with stakeholders, including legal representatives of minors in care, providers of residential treatment services, and with the Department of Children and Family Services, to ensure that minors who are recipients of Individual Care Grants under this Section and Section 2-4b of the Juvenile Court Act of 1987 do not experience a disruption in services if the minor transitions from one program to another. The Department shall adopt rules to implement this Section no later than July 1, 2019.

Family Services at the time the petition was filed, shall continue to be
considered eligible for services if all other eligibility criteria are met.

(b) The court shall conduct a hearing within 14 days upon
notification to all parties that an application for the Family Support
Program services has been approved and services are available. At the
hearing, the court shall determine whether to vacate the custody or
guardianship of the Department of Children and Family Services and
return the minor to the custody of the respondent with Family Support
Program services or whether the minor shall continue to be in the custody
or guardianship of the Department of Children and Family Services and
decline the Family Support Program services. In making its determination,
the court shall consider the minor's best interest, the involvement of the
respondent in proceedings under this Act, the involvement of the
respondent in the minor's treatment, the relationship between the minor
and the respondent, and any other factor the court deems relevant. If the
court vacates the custody or guardianship of the Department of Children
and Family Services and returns the minor to the custody of the
respondent with Family Support Services, the Department of Healthcare
and Family Services shall become fiscally responsible for providing
services to the minor. If the court determines that the minor shall continue
in the custody of the Department of Children and Family Services, the
Department of Children and Family Services shall remain fiscally
responsible for providing services to the minor, the Family Support
Services shall be declined, and the minor shall no longer be eligible for
Family Support Services.

       Children and Family Services and the minor has been the subject
       of an indicated allegation of abuse or neglect, other than for

However, in any case in which a minor is found by the court to be neglected or abused under Section 2-3 of this Act, custody of the minor shall not be restored to any parent, guardian or legal custodian whose acts or omissions or both have been identified, pursuant to subsection (1) of Section 2-21, as forming the basis for the court's finding of abuse or neglect, until such time as a hearing is held on the issue of the best interests of the minor and the fitness of such parent, guardian or legal custodian to care for the minor without endangering the minor's health or safety, and the court enters an order that such parent, guardian or legal custodian is fit to care for the minor.

(b) A minor under 18 years of age found to be dependent under Section 2-4 may be (1) placed in accordance with Section 2-27 or (2) ordered partially or completely emancipated in accordance with the provisions of the Emancipation of Minors Act.

However, in any case in which a minor is found by the court to be dependent under Section 2-4 of this Act, custody of the minor shall not be restored to any parent, guardian or legal custodian whose acts or omissions or both have been identified, pursuant to subsection (1) of Section 2-21, as forming the basis for the court's finding of dependency, until such time as a hearing is held on the issue of the fitness of such parent, guardian or legal custodian to care for the minor without endangering the minor's health or safety.
health or safety, and the court enters an order that such parent, guardian or legal custodian is fit to care for the minor.

(b-1) A minor between the ages of 18 and 21 may be placed pursuant to Section 2-27 of this Act if (1) the court has granted a supplemental petition to reinstate wardship of the minor pursuant to subsection (2) of Section 2-33, or (2) the court has adjudicated the minor a ward of the court, permitted the minor to return home under an order of protection, and subsequently made a finding that it is in the minor's best interest to vacate the order of protection and commit the minor to the Department of Children and Family Services for care and service, or (3) the court returned the minor to the custody of the respondent under Section 2-4b of this Act without terminating the proceedings under Section 2-31 of this Act, and subsequently made a finding that it is in the minor's best interest to commit the minor to the Department of Children and Family Services for care and services.

(c) When the court awards guardianship to the Department of Children and Family Services, the court shall order the parents to cooperate with the Department of Children and Family Services, comply with the terms of the service plans, and correct the conditions that require the child to be in care, or risk termination of their parental rights.

(2) Any order of disposition may provide for protective supervision under Section 2-24 and may include an order of protection under Section 2-25.

Unless the order of disposition expressly so provides, it does not operate to close proceedings on the pending petition, but is subject to modification, not inconsistent with Section 2-28, until final closing and discharge of the proceedings under Section 2-31.

(3) The court also shall enter any other orders necessary to fulfill the service plan, including, but not limited to, (i) orders requiring parties to cooperate with services, (ii) restraining orders controlling the conduct of any party likely to frustrate the achievement of the goal, and (iii) visiting orders. When the child is placed separately from a sibling, the court shall review the Sibling Contact Support Plan developed under subsection (f) of Section 7.4 of the Children and Family Services Act, if applicable. If the Department has not convened a meeting to develop a Sibling Contact Support Plan, or if the court finds that the existing Plan is not in the child's best interest, the court may enter an order requiring the Department to

develop and implement a Sibling Contact Support Plan under subsection (f) of Section 7.4 of the Children and Family Services Act or order mediation. Unless otherwise specifically authorized by law, the court is not empowered under this subsection (3) to order specific placements, specific services, or specific service providers to be included in the plan. If, after receiving evidence, the court determines that the services contained in the plan are not reasonably calculated to facilitate achievement of the permanency goal, the court shall put in writing the factual basis supporting the determination and enter specific findings based on the evidence. The court also shall enter an order for the Department to develop and implement a new service plan or to implement changes to the current service plan consistent with the court's findings. The new service plan shall be filed with the court and served on all parties within 45 days after the date of the order. The court shall continue the matter until the new service plan is filed. Except as authorized by subsection (3.5) of this Section or authorized by law, the court is not empowered under this Section to order specific placements, specific services, or specific service providers to be included in the service plan.

(3.5) If, after reviewing the evidence, including evidence from the Department, the court determines that the minor's current or planned placement is not necessary or appropriate to facilitate achievement of the permanency goal, the court shall put in writing the factual basis supporting its determination and enter specific findings based on the evidence. If the court finds that the minor's current or planned placement is not necessary or appropriate, the court may enter an order directing the Department to implement a recommendation by the minor's treating clinician or a clinician contracted by the Department to evaluate the minor or a recommendation made by the Department. If the Department places a minor in a placement under an order entered under this subsection (3.5), the Department has the authority to remove the minor from that placement when a change in circumstances necessitates the removal to protect the minor's health, safety, and best interest. If the Department determines removal is necessary, the Department shall notify the parties of the planned placement change in writing no later than 10 days prior to the implementation of its determination unless remaining in the placement poses an imminent risk of harm to the minor, in which case the Department shall notify the parties of the placement change in writing immediately following the implementation of its decision. The Department
shall notify others of the decision to change the minor's placement as required by Department rule.

(4) In addition to any other order of disposition, the court may order any minor adjudicated neglected with respect to his or her own injurious behavior to make restitution, in monetary or non-monetary form, under the terms and conditions of Section 5-5-6 of the Unified Code of Corrections, except that the "presentence hearing" referred to therein shall be the dispositional hearing for purposes of this Section. The parent, guardian or legal custodian of the minor may pay some or all of such restitution on the minor's behalf.

(5) Any order for disposition where the minor is committed or placed in accordance with Section 2-27 shall provide for the parents or guardian of the estate of such minor to pay to the legal custodian or guardian of the person of the minor such sums as are determined by the custodian or guardian of the person of the minor as necessary for the minor's needs. Such payments may not exceed the maximum amounts provided for by Section 9.1 of the Children and Family Services Act.

(6) Whenever the order of disposition requires the minor to attend school or participate in a program of training, the truant officer or designated school official shall regularly report to the court if the minor is a chronic or habitual truant under Section 26-2a of the School Code.

(7) The court may terminate the parental rights of a parent at the initial dispositional hearing if all of the conditions in subsection (5) of Section 2-21 are met.

Sec. 2-28. Court review.

(1) The court may require any legal custodian or guardian of the person appointed under this Act to report periodically to the court or may cite him into court and require him or his agency, to make a full and accurate report of his or its doings in behalf of the minor. The custodian or guardian, within 10 days after such citation, or earlier if the court determines it to be necessary to protect the health, safety, or welfare of the minor, shall make the report, either in writing verified by affidavit or orally under oath in open court, or otherwise as the court directs. Upon the hearing of the report the court may remove the custodian or guardian and appoint another in his stead or restore the minor to the custody of his parents or former guardian or custodian. However, custody of the minor shall not be restored to any parent, guardian or legal custodian in any case

in which the minor is found to be neglected or abused under Section 2-3 or dependent under Section 2-4 of this Act, unless the minor can be cared for at home without endangering the minor's health or safety and it is in the best interests of the minor, and if such neglect, abuse, or dependency is found by the court under paragraph (1) of Section 2-21 of this Act to have come about due to the acts or omissions or both of such parent, guardian or legal custodian, until such time as an investigation is made as provided in paragraph (5) and a hearing is held on the issue of the fitness of such parent, guardian or legal custodian to care for the minor and the court enters an order that such parent, guardian or legal custodian is fit to care for the minor.

(1.5) The public agency that is the custodian or guardian of the minor shall file a written report with the court no later than 15 days after a minor in the agency's care remains:

(1) in a shelter placement beyond 30 days;
(2) in a psychiatric hospital past the time when the minor is clinically ready for discharge or beyond medical necessity for the minor's health; or
(3) in a detention center or Department of Juvenile Justice facility solely because the public agency cannot find an appropriate placement for the minor.

The report shall explain the steps the agency is taking to ensure the minor is placed appropriately, how the minor's needs are being met in the minor's shelter placement, and if a future placement has been identified by the Department, why the anticipated placement is appropriate for the needs of the minor and the anticipated placement date.

(2) The first permanency hearing shall be conducted by the judge. Subsequent permanency hearings may be heard by a judge or by hearing officers appointed or approved by the court in the manner set forth in Section 2-28.1 of this Act. The initial hearing shall be held (a) within 12 months from the date temporary custody was taken, regardless of whether an adjudication or dispositional hearing has been completed within that time frame, (b) if the parental rights of both parents have been terminated in accordance with the procedure described in subsection (5) of Section 2-21, within 30 days of the order for termination of parental rights and appointment of a guardian with power to consent to adoption, or (c) in accordance with subsection (2) of Section 2-13.1. Subsequent permanency hearings shall be held every 6 months or more frequently if necessary in the court's determination following the initial permanency hearing, in

New matter indicated by italics - deletions by strikeout
accordance with the standards set forth in this Section, until the court
determines that the plan and goal have been achieved. Once the plan and
goal have been achieved, if the minor remains in substitute care, the case
shall be reviewed at least every 6 months thereafter, subject to the
provisions of this Section, unless the minor is placed in the guardianship
of a suitable relative or other person and the court determines that further
monitoring by the court does not further the health, safety or best interest
of the child and that this is a stable permanent placement. The permanency
hearings must occur within the time frames set forth in this subsection and
may not be delayed in anticipation of a report from any source or due to
the agency's failure to timely file its written report (this written report
means the one required under the next paragraph and does not mean the
service plan also referred to in that paragraph).

The public agency that is the custodian or guardian of the minor, or
another agency responsible for the minor's care, shall ensure that all parties
to the permanency hearings are provided a copy of the most recent service
plan prepared within the prior 6 months at least 14 days in advance of the
hearing. If not contained in the agency's service plan, the agency shall also
include a report setting forth (i) any special physical, psychological,
educational, medical, emotional, or other needs of the minor or his or her
family that are relevant to a permanency or placement determination and
(ii) for any minor age 16 or over, a written description of the programs and
services that will enable the minor to prepare for independent living. If not
contained in the agency's service plan, the agency's report shall specify if a
minor is placed in a licensed child care facility under a corrective plan by
the Department due to concerns impacting the minor's safety and well-
being. The report shall explain the steps the Department is taking to ensure
the safety and well-being of the minor and that the minor's needs are met
in the facility. The agency's written report must detail what progress or
lack of progress the parent has made in correcting the conditions requiring
the child to be in care; whether the child can be returned home without
jeopardizing the child's health, safety, and welfare, and if not, what
permanency goal is recommended to be in the best interests of the child,
and why the other permanency goals are not appropriate. The caseworker
must appear and testify at the permanency hearing. If a permanency
hearing has not previously been scheduled by the court, the moving party
shall move for the setting of a permanency hearing and the entry of an
order within the time frames set forth in this subsection.

New matter indicated by italics - deletions by strikeout
At the permanency hearing, the court shall determine the future status of the child. The court shall set one of the following permanency goals:

(A) The minor will be returned home by a specific date within 5 months.
(B) The minor will be in short-term care with a continued goal to return home within a period not to exceed one year, where the progress of the parent or parents is substantial giving particular consideration to the age and individual needs of the minor.
(B-1) The minor will be in short-term care with a continued goal to return home pending a status hearing. When the court finds that a parent has not made reasonable efforts or reasonable progress to date, the court shall identify what actions the parent and the Department must take in order to justify a finding of reasonable efforts or reasonable progress and shall set a status hearing to be held not earlier than 9 months from the date of adjudication nor later than 11 months from the date of adjudication during which the parent's progress will again be reviewed.
(C) The minor will be in substitute care pending court determination on termination of parental rights.
(D) Adoption, provided that parental rights have been terminated or relinquished.
(E) The guardianship of the minor will be transferred to an individual or couple on a permanent basis provided that goals (A) through (D) have been ruled out.
(F) The minor over age 15 will be in substitute care pending independence. In selecting this permanency goal, the Department of Children and Family Services may provide services to enable reunification and to strengthen the minor's connections with family, fictive kin, and other responsible adults, provided the services are in the minor's best interest. The services shall be documented in the service plan.
(G) The minor will be in substitute care because he or she cannot be provided for in a home environment due to developmental disabilities or mental illness or because he or she is a danger to self or others, provided that goals (A) through (D) have been ruled out.

In selecting any permanency goal, the court shall indicate in writing the reasons the goal was selected and why the preceding goals

New matter indicated by italics - deletions by strikeout
were ruled out. Where the court has selected a permanency goal other than (A), (B), or (B-1), the Department of Children and Family Services shall not provide further reunification services, except as provided in paragraph (F) of this subsection (2), but shall provide services consistent with the goal selected.

(H) Notwithstanding any other provision in this Section, the court may select the goal of continuing foster care as a permanency goal if:

1. The Department of Children and Family Services has custody and guardianship of the minor;
2. The court has ruled out all other permanency goals based on the child's best interest;
3. The court has found compelling reasons, based on written documentation reviewed by the court, to place the minor in continuing foster care. Compelling reasons include:
   a. the child does not wish to be adopted or to be placed in the guardianship of his or her relative or foster care placement;
   b. the child exhibits an extreme level of need such that the removal of the child from his or her placement would be detrimental to the child; or
   c. the child who is the subject of the permanency hearing has existing close and strong bonds with a sibling, and achievement of another permanency goal would substantially interfere with the subject child's sibling relationship, taking into consideration the nature and extent of the relationship, and whether ongoing contact is in the subject child's best interest, including long-term emotional interest, as compared with the legal and emotional benefit of permanence;
4. The child has lived with the relative or foster parent for at least one year; and
5. The relative or foster parent currently caring for the child is willing and capable of providing the child with a stable and permanent environment.

The court shall set a permanency goal that is in the best interest of the child. In determining that goal, the court shall consult with the minor.
in an age-appropriate manner regarding the proposed permanency or transition plan for the minor. The court's determination shall include the following factors:

(1) Age of the child.
(2) Options available for permanence, including both out-of-State and in-State placement options.
(3) Current placement of the child and the intent of the family regarding adoption.
(4) Emotional, physical, and mental status or condition of the child.
(5) Types of services previously offered and whether or not the services were successful and, if not successful, the reasons the services failed.
(6) Availability of services currently needed and whether the services exist.
(7) Status of siblings of the minor.

The court shall consider (i) the permanency goal contained in the service plan, (ii) the appropriateness of the services contained in the plan and whether those services have been provided, (iii) whether reasonable efforts have been made by all the parties to the service plan to achieve the goal, and (iv) whether the plan and goal have been achieved. All evidence relevant to determining these questions, including oral and written reports, may be admitted and may be relied on to the extent of their probative value.

The court shall make findings as to whether, in violation of Section 8.2 of the Abused and Neglected Child Reporting Act, any portion of the service plan compels a child or parent to engage in any activity or refrain from any activity that is not reasonably related to remedying a condition or conditions that gave rise or which could give rise to any finding of child abuse or neglect. The services contained in the service plan shall include services reasonably related to remedy the conditions that gave rise to removal of the child from the home of his or her parents, guardian, or legal custodian or that the court has found must be remedied prior to returning the child home. Any tasks the court requires of the parents, guardian, or legal custodian or child prior to returning the child home, must be reasonably related to remedying a condition or conditions that gave rise to or which could give rise to any finding of child abuse or neglect.

If the permanency goal is to return home, the court shall make findings that identify any problems that are causing continued placement

New matter indicated by italics - deletions by strikeout
of the children away from the home and identify what outcomes would be considered a resolution to these problems. The court shall explain to the parents that these findings are based on the information that the court has at that time and may be revised, should additional evidence be presented to the court.

The court shall review the Sibling Contact Support Plan developed or modified under subsection (f) of Section 7.4 of the Children and Family Services Act, if applicable. If the Department has not convened a meeting to develop or modify a Sibling Contact Support Plan, or if the court finds that the existing Plan is not in the child's best interest, the court may enter an order requiring the Department to develop, modify or implement a Sibling Contact Support Plan, or order mediation.

If the goal has been achieved, the court shall enter orders that are necessary to conform the minor's legal custody and status to those findings.

If, after receiving evidence, the court determines that the services contained in the plan are not reasonably calculated to facilitate achievement of the permanency goal, the court shall put in writing the factual basis supporting the determination and enter specific findings based on the evidence. The court also shall enter an order for the Department to develop and implement a new service plan or to implement changes to the current service plan consistent with the court's findings. The new service plan shall be filed with the court and served on all parties within 45 days of the date of the order. The court shall continue the matter until the new service plan is filed. Except as authorized by subsection (2.5) of this Section and as otherwise specifically authorized by law, the court is not empowered under this Section to order specific placements, specific services, or specific service providers to be included in the service plan.

A guardian or custodian appointed by the court pursuant to this Act shall file updated case plans with the court every 6 months.

Rights of wards of the court under this Act are enforceable against any public agency by complaints for relief by mandamus filed in any proceedings brought under this Act.

(2.5) If, after reviewing the evidence, including evidence from the Department, the court determines that the minor's current or planned placement is not necessary or appropriate to facilitate achievement of the permanency goal, the court shall put in writing the factual basis supporting its determination and enter specific findings based on the evidence. If the court finds that the minor's current or planned placement is not necessary
or appropriate, the court may enter an order directing the Department to implement a recommendation by the minor's treating clinician or a clinician contracted by the Department to evaluate the minor or a recommendation made by the Department. If the Department places a minor in a placement under an order entered under this subsection (2.5), the Department has the authority to remove the minor from that placement when a change in circumstances necessitates the removal to protect the minor's health, safety, and best interest. If the Department determines removal is necessary, the Department shall notify the parties of the planned placement change in writing no later than 10 days prior to the implementation of its determination unless remaining in the placement poses an imminent risk of harm to the minor, in which case the Department shall notify the parties of the placement change in writing immediately following the implementation of its decision. The Department shall notify others of the decision to change the minor's placement as required by Department rule.

(3) Following the permanency hearing, the court shall enter a written order that includes the determinations required under subsection (2) of this Section and sets forth the following:

(a) The future status of the minor, including the permanency goal, and any order necessary to conform the minor's legal custody and status to such determination; or

(b) If the permanency goal of the minor cannot be achieved immediately, the specific reasons for continuing the minor in the care of the Department of Children and Family Services or other agency for short term placement, and the following determinations:

(i) (Blank).

(ii) Whether the services required by the court and by any service plan prepared within the prior 6 months have been provided and (A) if so, whether the services were reasonably calculated to facilitate the achievement of the permanency goal or (B) if not provided, why the services were not provided.

(iii) Whether the minor's current or planned placement is necessary, and appropriate to the plan and goal, recognizing the right of minors to the least restrictive (most family-like) setting available and in close proximity to the parents' home consistent with the health, safety, best interest and special needs of the minor

New matter indicated by italics - deletions by strikeout
and, if the minor is placed out-of-State, whether the out-of-State placement continues to be appropriate and consistent with the health, safety, and best interest of the minor.

(iv) (Blank).

(v) (Blank).

(4) The minor or any person interested in the minor may apply to the court for a change in custody of the minor and the appointment of a new custodian or guardian of the person or for the restoration of the minor to the custody of his parents or former guardian or custodian.

When return home is not selected as the permanency goal:

(a) The Department, the minor, or the current foster parent or relative caregiver seeking private guardianship may file a motion for private guardianship of the minor. Appointment of a guardian under this Section requires approval of the court.

(b) The State's Attorney may file a motion to terminate parental rights of any parent who has failed to make reasonable efforts to correct the conditions which led to the removal of the child or reasonable progress toward the return of the child, as defined in subdivision (D)(m) of Section 1 of the Adoption Act or for whom any other unfitness ground for terminating parental rights as defined in subdivision (D) of Section 1 of the Adoption Act exists.

When parental rights have been terminated for a minimum of 3 years and the child who is the subject of the permanency hearing is 13 years old or older and is not currently placed in a placement likely to achieve permanency, the Department of Children and Family Services shall make reasonable efforts to locate parents whose rights have been terminated, except when the Court determines that those efforts would be futile or inconsistent with the subject child's best interests. The Department of Children and Family Services shall assess the appropriateness of the parent whose rights have been terminated, and shall, as appropriate, foster and support connections between the parent whose rights have been terminated and the youth. The Department of Children and Family Services shall document its determinations and efforts to foster connections in the child's case plan.

Custody of the minor shall not be restored to any parent, guardian or legal custodian in any case in which the minor is found to be neglected or abused under Section 2-3 or dependent under Section 2-4 of this Act,
unless the minor can be cared for at home without endangering his or her health or safety and it is in the best interest of the minor, and if such neglect, abuse, or dependency is found by the court under paragraph (1) of Section 2-21 of this Act to have come about due to the acts or omissions or both of such parent, guardian or legal custodian, until such time as an investigation is made as provided in paragraph (5) and a hearing is held on the issue of the health, safety and best interest of the minor and the fitness of such parent, guardian or legal custodian to care for the minor and the court enters an order that such parent, guardian or legal custodian is fit to care for the minor. In the event that the minor has attained 18 years of age and the guardian or custodian petitions the court for an order terminating his guardianship or custody, guardianship or custody shall terminate automatically 30 days after the receipt of the petition unless the court orders otherwise. No legal custodian or guardian of the person may be removed without his consent until given notice and an opportunity to be heard by the court.

When the court orders a child restored to the custody of the parent or parents, the court shall order the parent or parents to cooperate with the Department of Children and Family Services and comply with the terms of an after-care plan, or risk the loss of custody of the child and possible termination of their parental rights. The court may also enter an order of protective supervision in accordance with Section 2-24.

(5) Whenever a parent, guardian, or legal custodian files a motion for restoration of custody of the minor, and the minor was adjudicated neglected, abused, or dependent as a result of physical abuse, the court shall cause to be made an investigation as to whether the movant has ever been charged with or convicted of any criminal offense which would indicate the likelihood of any further physical abuse to the minor. Evidence of such criminal convictions shall be taken into account in determining whether the minor can be cared for at home without endangering his or her health or safety and fitness of the parent, guardian, or legal custodian.

(a) Any agency of this State or any subdivision thereof shall co-operate with the agent of the court in providing any information sought in the investigation.

(b) The information derived from the investigation and any conclusions or recommendations derived from the information shall be provided to the parent, guardian, or legal custodian seeking restoration of custody prior to the hearing on fitness and the

movant shall have an opportunity at the hearing to refute the information or contest its significance.

(c) All information obtained from any investigation shall be confidential as provided in Section 5-150 of this Act.

Section 5-5. Findings; intent. The rehabilitation and continued use of the New Harmony Bridge is essential to preserve and improve the public welfare and prosperity of the people of this State. It is in the best interests of the public welfare and public safety that this State and the State of Indiana work together to repair and maintain this historical bridge.

Unless otherwise specified by law, the minimum fine for a conviction or supervision disposition on a minor traffic offense is $25 and the minimum fine for a conviction, supervision disposition, or violation based upon a plea of guilty or finding of guilt for any other offense is $75. Section 5-10. Schedules; payment.

(a) In each case, the court shall order an assessment, as set forth in this Act, for a defendant to pay in addition to any fine, restitution, or forfeiture ordered by the court when the defendant is convicted of, pleads guilty to, or is placed on court supervision for a violation of a statute of this State or a similar local ordinance. The court may order a fine, restitution, or forfeiture on any violation that is being sentenced but shall order only one assessment from the Schedule of Assessments 1 through 13 of this Act for all sentenced violations in a case, that being the schedule applicable to the highest classified offense violation that is being sentenced, plus any conditional assessments under Section 15-70 of this Act applicable to any sentenced violation in the case.

(b) If the court finds that the schedule of assessments will cause an undue burden on any victim in a case or if the court orders community service or some other punishment in place of the applicable schedule of...
assessments, the court may reduce the amount set forth in the applicable schedule of assessments or not order the applicable schedule of assessments. If the court reduces the amount set forth in the applicable schedule of assessments, then all recipients of the funds collected will receive a prorated amount to reflect the reduction.

(c) The court may order the assessments to be paid forthwith or within a specified period of time or in installments.

(c-3) Excluding any ordered conditional assessment, if the assessment is not paid within the period of probation, conditional discharge, or supervision to which the defendant was originally sentenced, the court may extend the period of probation, conditional discharge, or supervision under Section 5-6-2 or 5-6-3.1 of the Unified Code of Corrections, as applicable, until the assessment is paid or until successful completion of public or community service set forth in subsection (b) of Section 5-20 of this Act or the successful completion of the substance abuse intervention or treatment program set forth in subsection (c-5) of this Section.

(c-5) Excluding any ordered conditional assessment, the court may suspend the collection of the assessment; provided, the defendant agrees to enter a substance abuse intervention or treatment program approved by the court; and further provided that the defendant agrees to pay for all or some portion of the costs associated with the intervention or treatment program. In this case, the collection of the assessment shall be suspended during the defendant's participation in the approved intervention or treatment program. Upon successful completion of the program, the defendant may apply to the court to reduce the assessment imposed under this Section by any amount actually paid by the defendant for his or her participation in the program. The court shall not reduce the assessment under this subsection unless the defendant establishes to the satisfaction of the court that he or she has successfully completed the intervention or treatment program. If the defendant's participation is for any reason terminated before his or her successful completion of the intervention or treatment program, collection of the entire assessment imposed under this Act shall be enforced. Nothing in this Section shall be deemed to affect or suspend any other fines, restitution costs, forfeitures, or assessments imposed under this or any other Act.

(d) Except as provided in Section 5-15 of this Act, the defendant shall pay to the clerk of the court and the clerk shall remit the assessment

Notice to those parties may be made by signage posting or publication. The additional delinquency amounts collected under this Section shall be used to defray additional administrative costs incurred by the clerk of the circuit court in collecting unpaid assessments.

Section 5-15. Service provider costs. Unless otherwise provided in Article 15 of this Act, the defendant shall pay service provider costs to the entity that provided the service. Service provider costs are not eligible for credit for time served, substitution of community service, or waiver. The circuit court may, through administrative order or local rule, appoint the clerk of the court as the receiver and remitter of certain service provider costs, which may include, but are not limited to, probation fees, traffic school fees, or drug or alcohol testing fees.

Section 5-20. Credit; time served; community service.

(a) Any credit for time served prior to sentencing that reduces the amount a defendant is required to pay shall be deducted first from the fine, if any, ordered by the court. Any remainder of the credit shall be equally divided between the assessments indicated in the ordered schedule and conditional assessments.

(b) Excluding any ordered conditional assessment, a defendant who has been ordered to pay an assessment may petition the court to convert all or part of the assessment into court-approved public or community service. One hour of public or community service shall be equivalent to $4 of assessment. The performance of this public or community service shall be a condition of probation, conditional discharge, or supervision and shall be in addition to the performance of any other period of public or community service ordered by the court or required by law.

(b) The county treasurer or the treasurer of the unit of local government may create the funds indicated in paragraphs (1) through (5), (9), and (16) of subsection (d) of this Section, if not already in existence. If a county or unit of local government has not instituted, and does not plan to institute a program that uses a particular fund, the treasurer need not create the fund and may instead deposit the money intended for the fund into the general fund of the county or unit of local government for use in financing the court system.

(c) If the arresting agency is a State agency, the arresting agency portion shall be remitted by the clerk of court to the State Treasurer who shall deposit the portion as follows:

In the case of a second or subsequent violation of this Section, if the fine is $750 or greater, the person who violated this Section shall be charged an additional $250, which shall be deposited into the Transportation Safety Highway Hire-back Fund in the State treasury, unless (i) the violation occurred on a highway other than an interstate highway and (ii) a county police officer wrote the ticket for the violation, in which case the $250 shall be deposited into that county's Transportation Safety Highway Hire-back Fund.

Section 905-60. The Juvenile Court Act of 1987 is amended by changing Section 5-915 as follows:

(705 ILCS 405/5-915)
Sec. 5-915. Expungement of juvenile law enforcement and court records.

(0.05) For purposes of this Section:

"Dissemination" or "disseminate" means to publish, produce, print, manufacture, distribute, sell, lease, exhibit, broadcast, display, transmit, or otherwise share information in any format so as to make the information accessible to others.

"Expunge" means to physically destroy the records and to obliterate the minor's name and juvenile court records from any official index, public record, or electronic database. No evidence of the juvenile court records may be retained by any law enforcement agency, the juvenile court, or by any municipal, county, or State agency or department. Nothing in this Act shall require the physical destruction of the internal office records, files, or databases maintained by a State's Attorney's Office or other prosecutor or by the Office of the Secretary of State.

"Juvenile court record" includes, but is not limited to:

New matter indicated by italics - deletions by strikeout
(a) all documents filed in or maintained by the juvenile court pertaining to a specific incident, proceeding, or individual;
(b) all documents relating to a specific incident, proceeding, or individual made available to or maintained by probation officers;
(c) all documents, video or audio tapes, photographs, and exhibits admitted into evidence at juvenile court hearings; or
(d) all documents, transcripts, records, reports or other evidence prepared by, maintained by, or released by any municipal, county, or State agency or department, in any format, if indicating involvement with the juvenile court relating to a specific incident, proceeding, or individual.

"Law enforcement record" includes, but is not limited to, records of arrest, station adjustments, fingerprints, probation adjustments, the issuance of a notice to appear, or any other records or documents maintained by any law enforcement agency relating to a minor suspected of committing an offense or evidence of interaction with law enforcement.

(0.1) (a) The Department of State Police and all law enforcement agencies within the State shall automatically expunge, on or before January 1 of each year, all law enforcement records relating to events occurring before an individual's 18th birthday if:
(1) one year or more has elapsed since the date of the arrest or law enforcement interaction documented in the records;
(2) no petition for delinquency or criminal charges were filed with the clerk of the circuit court relating to the arrest or law enforcement interaction documented in the records; and
(3) 6 months have elapsed without an additional subsequent arrest or filing of a petition for delinquency or criminal charges whether related or not to the arrest or law enforcement interaction documented in the records.

(b) If the law enforcement agency is unable to verify satisfaction of conditions (2) and (3) of this subsection (0.1), records that satisfy condition (1) of this subsection (0.1) shall be automatically expunged if the records relate to an offense that if committed by an adult would not be an offense classified as Class 2 felony or higher, an offense under Article 11 of the Criminal Code of 1961 or Criminal Code of 2012, or an offense under Section 12-13, 12-14, 12-14.1, 12-15, or 12-16 of the Criminal Code of 1961.

(0.2) (a) Upon dismissal of a petition alleging delinquency or upon a finding of not delinquent, the successful termination of an order of supervision, or an adjudication for an offense which would be a Class B misdemeanor, Class C misdemeanor, or a petty or business offense if committed by an adult, the court shall automatically order the expungement of the juvenile court and law enforcement records within 60 business days.

(b) If the chief law enforcement officer of the agency, or his or her designee, certifies in writing that certain information is needed for a pending investigation involving the commission of a felony, that information, and information identifying the juvenile, may be retained in an intelligence file until the investigation is terminated or for one additional year, whichever is sooner. Retention of a portion of a juvenile’s law enforcement record does not disqualify the remainder of his or her record from immediate automatic expungement.

(0.3) (a) Upon an adjudication of delinquency based on any offense except a disqualified offense, the juvenile court shall automatically order the expungement of the juvenile records 2 years after the juvenile's case was closed if no delinquency or criminal proceeding is pending and the person has had no subsequent delinquency adjudication or criminal conviction. The court shall automatically order the expungement of the juvenile court and law enforcement records within 60 business days. For the purposes of this subsection (0.3), "disqualified offense" means any of the following offenses: Section 8-1.2, 9-1, 9-1.2, 9-2, 9-2.1, 9-3, 9-3.2, 10-1, 10-2, 10-3, 10-3.1, 10-4, 10-5, 10-9, 11-1.20, 11-1.30, 11-1.40, 11-1.50, 11-1.60, 11-6, 11-6.5, 12-2, 12-3.05, 12-3.3, 12-4.4a, 12-5.02, 12-6.2, 12-6.5, 12-7.1, 12-7.5, 12-20.5, 12-32, 12-33, 12-34, 12-34.5, 18-1, 18-2, 18-3, 18-4, 18-6, 19-3, 19-6, 20-1, 20-1.1, 24-1.2, 24-1.2-5, 24-1.5, 24-3A, 24-3B, 24-3.2, 24-3.8, 24-3.9, 29D-14.9, 29D-20, 30-1, 31-1a, 32-4a, or 33A-2 of the Criminal Code of 2012, or subsection (b) of Section 8-1, paragraph (4) of subsection (a) of Section 11-14.4, subsection (a-5) of Section 12-3.1, paragraph (1), (2), or (3) of subsection (a) of Section 12-6, subsection (a-3) or (a-5) of Section 12-7.3, paragraph (1) or (2) of subsection (a) of Section 12-7.4, subparagraph (i) of paragraph (1) of subsection (a) of Section 12-9, subparagraph (H) of paragraph (3) of subsection (a) of Section 24-1.6, paragraph (1) of subsection (a) of Section 25-1, or subsection (a-7) of Section 31-1 of the Criminal Code of 2012.

pending investigation involving the commission of a felony, that
information, and information identifying the juvenile, may be retained in
an intelligence file until the investigation is terminated or for one
additional year, whichever is sooner. Retention of a portion of a juvenile's
law enforcement record does not disqualify the remainder of his or her
record from immediate automatic expungement.

(1) Nothing in this subsection (1) precludes an eligible minor from
obtaining expungement under subsection subsections (0.1), (0.2), or (0.3).
Whenever a person has been arrested, charged, or adjudicated delinquent
for an incident occurring before his or her 18th birthday that if committed
by an adult would be an offense, and that person's records are not eligible
for automatic expungement under subsection subsections (0.1), (0.2), or
(0.3), the person may petition the court at any time for expungement of
law enforcement records and juvenile court records relating to the incident
and, upon termination of all juvenile court proceedings relating to that
incident, the court shall order the expungement of all records in the
possession of the Department of State Police, the clerk of the circuit court,
and law enforcement agencies relating to the incident, but only in any of
the following circumstances:

Section 5-615, and the order of supervision has since been
successfully terminated; or

(d) the minor was adjudicated for an offense which would
be a Class B misdemeanor, Class C misdemeanor, or a petty or
business offense if committed by an adult.

(1.5) January 1, 2015 (Public Act 98-637) The Department of State

(2) Any person whose delinquency adjudications are not eligible for automatic expungement under subsection (0.3) of this Section may petition the court to expunge all law enforcement records relating to any incidents occurring before his or her 18th birthday which did not result in proceedings in criminal court and all juvenile court records with respect to any adjudications except those based upon first degree murder or an offense under Article 11 of the Criminal Code of 2012 if the person is required to register under the Sex Offender Registration Act; provided that:

(a) (blank); or
(b) 2 years have elapsed since all juvenile court proceedings relating to him or her have been terminated and his or her commitment to the Department of Juvenile Justice under this Act has been terminated.

Applications for employment within the State must contain specific language that states that the applicant is not obligated to disclose expunged juvenile records of adjudication or arrest. Employers may not ask, in any format or context, if an applicant has had a juvenile record expunged. Information about an expunged record obtained by a potential employer, even inadvertently, from an employment application that does not contain specific language that states that the applicant is not obligated to disclose expunged juvenile records of adjudication or arrest, shall be treated as dissemination of an expunged record by the employer.

(c) A person whose juvenile records have been expunged is not entitled to remission of any fines, costs, or other money paid as a consequence of expungement.

(5) (Blank).

(5.5) Whether or not expunged, records eligible for automatic expungement under subdivision (0.1)(a), (0.2)(a), or (0.3)(a) may be treated as expunged by the individual subject to the records.

(6.5) The Department of State Police or any employee of the Department shall be immune from civil or criminal liability for failure to expunge any records of arrest that are subject to expungement under this Section because of inability to verify a record. Nothing in this Section shall create Department of State Police liability or responsibility for the expungement of law enforcement records it does not possess.

(7)(a) The State Appellate Defender shall establish, maintain, and carry out, by December 31, 2004, a juvenile expungement program to provide information and assistance to minors eligible to have their juvenile records expunged.

(v) Directions on how to contact the State Appellate Defender.

(c) The State Appellate Defender shall establish and maintain a statewide toll-free telephone number that a person may use to receive information or assistance concerning the expungement of juvenile records. In the proceeding, punitive damages up to an amount of $1,000 may be sought in addition to any actual damages. The prevailing party shall be entitled to costs and reasonable attorney fees.

(d) The punishments for dissemination of an expunged record shall never apply to the person whose record was expunged.

New matter indicated by italics - deletions by strikeout
(1) He or she knowingly commits an act which was prohibited by a court or fails to commit an act which was ordered by a court in violation of:

    (iii) any other remedy when the act constitutes a crime against the protected parties as the term protected parties is defined in Section 112A-4 of the Code of Criminal Procedure of 1963; and

(2) Such violation occurs after the offender has been served notice of the contents of the order, pursuant to the Illinois Domestic Violence Act of 1986 or any substantially similar statute of another state, tribe or United States territory, or otherwise has acquired actual knowledge of the contents of the order.

An order of protection issued by a state, tribal or territorial court related to domestic or family violence shall be deemed valid if the issuing court had jurisdiction over the parties and matter under the law of the state, tribe or territory. For purposes of this Section, an "order of protection" may have been issued in a criminal or civil proceeding.

(a-5) Failure to provide reasonable notice and opportunity to be heard shall be an affirmative defense to any charge or process filed seeking enforcement of a foreign order of protection.

(c) The limitations placed on law enforcement liability by Section 305 of the Illinois Domestic Violence Act of 1986 apply to actions taken under this Section.

(d) Violation of an order of protection is a Class 4 felony if the defendant has any prior conviction under this Code for domestic battery (Section 12-3.2) or violation of an order of protection (Section 12-3.4 or 12-30) or any prior conviction under the law of another jurisdiction for an offense that could be charged in this State as a domestic battery or violation of an order of protection. The court shall impose a minimum penalty of 24 hours imprisonment for defendant's second or subsequent violation of any order of protection; unless the court explicitly finds that an increased penalty or such period of imprisonment would be manifestly unjust. In this case, the collection of the assessment imposed under this Section shall be suspended during the defendant’s participation in the approved intervention or treatment program. Upon successful completion of the program, the defendant may apply to the court to reduce the assessment imposed under this Section by any amount actually paid by the defendant for his or her participation in the program. The court shall not reduce the penalty under this subsection unless the defendant establishes to the satisfaction of the court that he or she has successfully completed the intervention or treatment program. If the defendant’s participation is for any reason terminated before his or her successful completion of the intervention or treatment program, collection of the entire assessment imposed under this Section shall be enforced. Nothing in this Section shall be deemed to affect or suspend any other fines, restitution costs, forfeitures or assessments imposed under this or any other Act.

(g) (Blank). The court shall not impose more than one assessment per complaint, indictment or information. If the person is convicted of more than one offense in a complaint, indictment or information, the

If the Department of Human Services grants funds to a municipality or a county that the Department determines is not experiencing a problem with pregnant women addicted to alcohol, cannabis or controlled substances, or with care for minor, unemancipated children of women undergoing residential drug treatment, or intervention, the funds shall be used for the treatment of any person addicted to alcohol, cannabis or controlled substances. The Department may adopt such rules as it deems appropriate for the administration of such grants.

An offender may be sentenced to pay a fine not to exceed, for each offense, $25,000 or the amount specified in the offense, whichever is greater, or if the offender is a corporation, $50,000 or the amount specified in the offense, whichever is greater. The notice of motion shall set the motion on the court's calendar on a date certain within a reasonable time after the date of filing.

If a motion filed pursuant to this subsection is timely filed, the proponent of the motion shall exercise due diligence in seeking a determination on the motion and the court shall thereafter decide the motion within a reasonable time.

sports official or coach was an active participant of the athletic contest held at the athletic facility. For the purposes of this paragraph (11), "sports official" means a person at an athletic contest who enforces the rules of the contest, such as an umpire or referee; "athletic facility" means an indoor or outdoor playing field or recreational area where sports activities are conducted; and "coach" means a person recognized as a coach by the sanctioning authority that conducted the sporting event.

The trial court shall then impose sentence upon the defendant. The trial court may impose any sentence which could have been imposed at the original trial subject to Section 5-5-4 of the Unified Code of Corrections. If a sentence is vacated on appeal or on collateral attack due to the failure of the trier of fact at trial to determine beyond a reasonable doubt the existence of a fact (other than a prior conviction) necessary to increase the punishment for the offense beyond the statutory maximum otherwise applicable, either the defendant may be re-sentenced to a term within the range otherwise provided or, if the State files notice of its intention to again seek the extended sentence, the defendant shall be afforded a new trial.

(e) In cases where prosecution for aggravated criminal sexual abuse under Section 11-1.60 or 12-16 of the Criminal Code of 1961 or the Criminal Code of 2012 results in conviction of a defendant who was a family member of the victim at the time of the commission of the offense,
the court shall consider the safety and welfare of the victim and may impose a sentence of probation only where:

(1) the court finds (A) or (B) or both are appropriate:

(A) the defendant is willing to undergo a court approved counseling program for a minimum duration of 2 years; or

(B) the defendant is willing to participate in a court approved plan including but not limited to the defendant's:

(i) removal from the household;
(ii) restricted contact with the victim;
(iii) continued financial support of the family;
(iv) restitution for harm done to the victim; and
(v) compliance with any other measures that the court may deem appropriate; and

(2) the court orders the defendant to pay for the victim's counseling services, to the extent that the court finds, after considering the defendant's income and assets, that the defendant is financially capable of paying for such services, if the victim was under 18 years of age at the time the offense was committed and requires counseling as a result of the offense.

Probation may be revoked or modified pursuant to Section 5-6-4; except where the court determines at the hearing that the defendant violated a condition of his or her probation restricting contact with the victim or other family members or commits another offense with the victim or other family members, the court shall revoke the defendant's probation and impose a term of imprisonment.

For the purposes of this Section, "family member" and "victim" shall have the meanings ascribed to them in Section 11-0.1 of the Criminal Code of 2012.

(g) Whenever a defendant is convicted of an offense under Sections 11-1.20, 11-1.30, 11-1.40, 11-1.50, 11-1.60, 11-14, 11-14.3, 11-14.4 except for an offense that involves keeping a place of juvenile prostitution, 11-15, 11-15.1, 11-16, 11-17, 11-18, 11-18.1, 11-19, 11-19.1, 11-19.2, 12-13, 12-14, 12-14.1, 12-15 or 12-16 of the Criminal Code of 1961 or the Criminal Code of 2012, the defendant shall undergo medical testing to determine whether the defendant has any sexually transmissible
disease, including a test for infection with human immunodeficiency virus (HIV) or any other identified causative agent of acquired immunodeficiency syndrome (AIDS). Any such medical test shall be performed only by appropriately licensed medical practitioners and may include an analysis of any bodily fluids as well as an examination of the defendant's person. Except as otherwise provided by law, the results of such test shall be kept strictly confidential by all medical personnel involved in the testing and must be personally delivered in a sealed envelope to the judge of the court in which the conviction was entered for the judge's inspection in camera. Acting in accordance with the best interests of the victim and the public, the judge shall have the discretion to determine to whom, if anyone, the results of the testing may be revealed. The court shall notify the defendant of the test results. The court shall also notify the victim if requested by the victim, and if the victim is under the age of 15 and if requested by the victim's parents or legal guardian, the court shall notify the victim's parents or legal guardian of the test results. The court shall provide information on the availability of HIV testing and counseling at Department of Public Health facilities to all parties to whom the results of the testing are revealed and shall direct the State's Attorney to provide the information to the victim when possible. A State's Attorney may petition the court to obtain the results of any HIV test administered under this Section, and the court shall grant the disclosure if the State's Attorney shows it is relevant in order to prosecute a charge of criminal transmission of HIV under Section 12-5.01 or 12-16.2 of the Criminal Code of 1961 or the Criminal Code of 2012 against the defendant. The court shall order that the cost of any such test shall be paid by the county and may be taxed as costs against the convicted defendant.

(g-5) When an inmate is tested for an airborne communicable disease, as determined by the Illinois Department of Public Health including but not limited to tuberculosis, the results of the test shall be personally delivered by the warden or his or her designee in a sealed envelope to the judge of the court in which the inmate must appear for the judge's inspection in camera if requested by the judge. Acting in accordance with the best interests of those in the courtroom, the judge shall have the discretion to determine what if any precautions need to be taken to prevent transmission of the disease in the courtroom.

(h) Whenever a defendant is convicted of an offense under Section 1 or 2 of the Hypodermic Syringes and Needles Act, the defendant shall undergo medical testing to determine whether the defendant has been
exposed to human immunodeficiency virus (HIV) or any other identified causative agent of acquired immunodeficiency syndrome (AIDS). Except as otherwise provided by law, the results of such test shall be kept strictly confidential by all medical personnel involved in the testing and must be personally delivered in a sealed envelope to the judge of the court in which the conviction was entered for the judge's inspection in camera. Acting in accordance with the best interests of the public, the judge shall have the discretion to determine to whom, if anyone, the results of the testing may be revealed. The court shall notify the defendant of a positive test showing an infection with the human immunodeficiency virus (HIV). The court shall provide information on the availability of HIV testing and counseling at Department of Public Health facilities to all parties to whom the results of the testing are revealed and shall direct the State's Attorney to provide the information to the victim when possible. A State's Attorney may petition the court to obtain the results of any HIV test administered under this Section, and the court shall grant the disclosure if the State's Attorney shows it is relevant in order to prosecute a charge of criminal transmission of HIV under Section 12-5.01 or 12-16.2 of the Criminal Code of 1961 or the Criminal Code of 2012 against the defendant. The court shall order that the cost of any such test shall be paid by the county and may be taxed as costs against the convicted defendant.

When a defendant is so employed, the court shall order the Clerk of the Court to send a copy of the judgment of conviction or order of supervision or probation to the defendant's employer by certified mail. If the employer of the defendant is a school, the Clerk of the Court shall direct the mailing of a copy of the judgment of conviction or order of supervision or probation to the appropriate regional superintendent of schools. The regional superintendent of schools shall notify the State Board of Education of any notification under this subsection.

(j-5) A defendant at least 17 years of age who is convicted of a felony and who has not been previously convicted of a misdemeanor or felony and who is sentenced to a term of imprisonment in the Illinois Department of Corrections shall as a condition of his or her sentence be required by the court to attend educational courses designed to prepare the defendant for a high school diploma and to work toward a high school diploma or to work toward passing high school equivalency testing or to work toward completing a vocational training program offered by the Department of Corrections. If a defendant fails to complete the educational training required by his or her sentence during the term of incarceration, the Prisoner Review Board shall, as a condition of mandatory supervised release, require the defendant, at his or her own expense, to pursue a course of study toward a high school diploma or passage of high school equivalency testing. The Prisoner Review Board shall revoke the mandatory supervised release of a defendant who wilfully fails to comply with this subsection (j-5) upon his or her release from confinement in a penal institution while serving a mandatory supervised release term; however, the inability of the defendant after making a good faith effort to obtain financial aid or pay for the educational training shall not be deemed a wilful failure to comply. The Prisoner Review Board shall recommit the defendant whose mandatory supervised release term has been revoked under this subsection (j-5) as provided in Section 3-3-9. This subsection (j-5) does not apply to a defendant who has a high school diploma or has successfully passed high school equivalency testing. (l) (A) Except as provided in paragraph (C) of subsection (l), whenever a defendant, who is an alien as defined by the Immigration and Nationality Act, is convicted of any felony or misdemeanor offense, the court after sentencing the defendant may, upon motion of the State's Attorney, hold sentence in abeyance and remand the defendant to the custody of the Attorney General of the United States or his or her designated agent to be deported when:

(1) a final order of deportation has been issued against the defendant pursuant to proceedings under the Immigration and Nationality Act, and

(2) the deportation of the defendant would not deprecate the seriousness of the defendant's conduct and would not be inconsistent with the ends of justice.

Otherwise, the defendant shall be sentenced as provided in this Chapter V.

(B) If the defendant has already been sentenced for a felony or misdemeanor offense, or has been placed on probation under Section 10 of the Cannabis Control Act, Section 410 of the Illinois Controlled Substances Act, or Section 70 of the Methamphetamine Control and Community Protection Act, the court may, upon motion of the State's Attorney to suspend the sentence imposed, commit the defendant to the custody of the Attorney General of the United States or his or her designated agent when:

(C) This subsection (l) does not apply to offenders who are subject to the provisions of paragraph (2) of subsection (a) of Section 3-6-3.

(D) Upon motion of the State's Attorney, if a defendant sentenced under this Section returns to the jurisdiction of the United States, the defendant shall be recommitted to the custody of the county from which he or she was sentenced. Thereafter, the defendant shall be brought before the sentencing court, which may impose any sentence that was available under

Section 5-5-3 at the time of initial sentencing. In addition, the defendant shall not be eligible for additional earned sentence credit as provided under Section 3-6-3.

(m) A person convicted of criminal defacement of property under Section 21-1.3 of the Criminal Code of 1961 or the Criminal Code of 2012, in which the property damage exceeds $300 and the property damaged is a school building, shall be ordered to perform community service that may include cleanup, removal, or painting over the defacement.

(n) The court may sentence a person convicted of a violation of Section 12-19, 12-21, 16-1.3, or 17-56, or subsection (a) or (b) of Section 12-4.4a, of the Criminal Code of 1961 or the Criminal Code of 2012 (i) to an impact incarceration program if the person is otherwise eligible for that program under Section 5-8-1.1, (ii) to community service, or (iii) if the person is an addict or alcoholic, as defined in the Alcoholism and Other Drug Abuse and Dependency Act, to a substance or alcohol abuse program licensed under that Act.

(o) Whenever a person is convicted of a sex offense as defined in Section 2 of the Sex Offender Registration Act, the defendant's driver's license or permit shall be subject to renewal on an annual basis in accordance with the provisions of license renewal established by the Secretary of State.

(730 ILCS 5/5-5-6) (from Ch. 38, par. 1005-5-6)

Sec. 5-5-6. In all convictions for offenses in violation of the Criminal Code of 1961 or the Criminal Code of 2012 or of Section 11-501 of the Illinois Vehicle Code in which the person received any injury to his or her person or damage to his or her real or personal property as a result of the criminal act of the defendant, the court shall order restitution as provided in this Section. In all other cases, except cases in which restitution is required under this Section, the court must at the sentence hearing determine whether restitution is an appropriate sentence to be imposed on each defendant convicted of an offense. If the court determines that an order directing the offender to make restitution is appropriate, the offender may be sentenced to make restitution. The court may consider restitution an appropriate sentence to be imposed on each defendant convicted of an offense in addition to a sentence of imprisonment. The sentence of the defendant to a term of imprisonment is

New matter indicated by italics - deletions by strikeout
not a mitigating factor that prevents the court from ordering the defendant to pay restitution. If the offender is sentenced to make restitution the Court shall determine the restitution as hereinafter set forth:

(a) At the sentence hearing, the court shall determine whether the property may be restored in kind to the possession of the owner or the person entitled to possession thereof; or whether the defendant is possessed of sufficient skill to repair and restore property damaged; or whether the defendant should be required to make restitution in cash, for out-of-pocket expenses, damages, losses, or injuries found to have been proximately caused by the conduct of the defendant or another for whom the defendant is legally accountable under the provisions of Article 5 of the Criminal Code of 1961 or the Criminal Code of 2012.

(b) In fixing the amount of restitution to be paid in cash, the court shall allow credit for property returned in kind, for property damages ordered to be repaired by the defendant, and for property ordered to be restored by the defendant; and after granting the credit, the court shall assess the actual out-of-pocket expenses, losses, damages, and injuries suffered by the victim named in the charge and any other victims who may also have suffered out-of-pocket expenses, losses, damages, and injuries proximately caused by the same criminal conduct of the defendant, and insurance carriers who have indemnified the named victim or other victims for the out-of-pocket expenses, losses, damages, or injuries, provided that in no event shall restitution be ordered to be paid on account of pain and suffering. When a victim's out-of-pocket expenses have been paid pursuant to the Crime Victims Compensation Act, the court shall order restitution be paid to the compensation program. If a defendant is placed on supervision for, or convicted of, domestic battery, the defendant shall be required to pay restitution to any domestic violence shelter in which the victim and any other family or household members lived because of the domestic battery. The amount of the restitution shall equal the actual expenses of the domestic violence shelter in providing housing and any other services for the victim and any other family or household members living at the shelter. If a defendant fails to pay restitution in the manner or within the time period specified by the court, the court may enter an order directing the sheriff to seize any real or personal property of a defendant to the extent necessary

to satisfy the order of restitution and dispose of the property by
public sale. All proceeds from such sale in excess of the amount of
restitution plus court costs and the costs of the sheriff in
conducting the sale shall be paid to the defendant. The defendant
convicted of domestic battery, if a person under 18 years of age
was present and witnessed the domestic battery of the victim, is
liable to pay restitution for the cost of any counseling required for
the child at the discretion of the court.

(c) In cases where more than one defendant is accountable
for the same criminal conduct that results in out-of-pocket
expenses, losses, damages, or injuries, each defendant shall be
ordered to pay restitution in the amount of the total actual out-of-
pocket expenses, losses, damages, or injuries to the victim
proximately caused by the conduct of all of the defendants who are
legally accountable for the offense.

1) In no event shall the victim be entitled to recover
restitution in excess of the actual out-of-pocket expenses,
losses, damages, or injuries, proximately caused by the
conduct of all of the defendants.

2) As between the defendants, the court may
apportion the restitution that is payable in proportion to
each co-defendant's culpability in the commission of the
offense.

3) In the absence of a specific order apportioning
the restitution, each defendant shall bear his pro rata share
of the restitution.

4) As between the defendants, each defendant shall
be entitled to a pro rata reduction in the total restitution
required to be paid to the victim for amounts of restitution
actually paid by co-defendants, and defendants who shall
have paid more than their pro rata share shall be entitled to
refunds to be computed by the court as additional amounts
are paid by co-defendants.

(d) In instances where a defendant has more than one
criminal charge pending against him in a single case, or more than
one case, and the defendant stands convicted of one or more
charges, a plea agreement negotiated by the State's Attorney and
the defendants may require the defendant to make restitution to
victims of charges that have been dismissed or which it is

contemplated will be dismissed under the terms of the plea agreement, and under the agreement, the court may impose a sentence of restitution on the charge or charges of which the defendant has been convicted that would require the defendant to make restitution to victims of other offenses as provided in the plea agreement.

(e) The court may require the defendant to apply the balance of the cash bond, after payment of court costs, and any fine that may be imposed to the payment of restitution.

(f) Taking into consideration the ability of the defendant to pay, including any real or personal property or any other assets of the defendant, the court shall determine whether restitution shall be paid in a single payment or in installments, and shall fix a period of time not in excess of 5 years, except for violations of Sections 16-1.3 and 17-56 of the Criminal Code of 1961 or the Criminal Code of 2012, or the period of time specified in subsection (f-1), not including periods of incarceration, within which payment of restitution is to be paid in full. Complete restitution shall be paid in as short a time period as possible. However, if the court deems it necessary and in the best interest of the victim, the court may extend beyond 5 years the period of time within which the payment of restitution is to be paid. If the defendant is ordered to pay restitution and the court orders that restitution is to be paid over a period greater than 6 months, the court shall order that the defendant make monthly payments; the court may waive this requirement of monthly payments only if there is a specific finding of good cause for waiver.

(f-1)(1) In addition to any other penalty prescribed by law and any restitution ordered under this Section that did not include long-term physical health care costs, the court may, upon conviction of any misdemeanor or felony, order a defendant to pay restitution to a victim in accordance with the provisions of this subsection (f-1) if the victim has suffered physical injury as a result of the offense that is reasonably probable to require or has required long-term physical health care for more than 3 months. As used in this subsection (f-1) "long-term physical health care" includes mental health care.

(2) The victim's estimate of long-term physical health care costs may be made as part of a victim impact statement under
Section 6 of the Rights of Crime Victims and Witnesses Act or made separately. The court shall enter the long-term physical health care restitution order at the time of sentencing. An order of restitution made under this subsection (f-1) shall fix a monthly amount to be paid by the defendant for as long as long-term physical health care of the victim is required as a result of the offense. The order may exceed the length of any sentence imposed upon the defendant for the criminal activity. The court shall include as a special finding in the judgment of conviction its determination of the monthly cost of long-term physical health care.

(3) After a sentencing order has been entered, the court may from time to time, on the petition of either the defendant or the victim, or upon its own motion, enter an order for restitution for long-term physical care or modify the existing order for restitution for long-term physical care as to the amount of monthly payments. Any modification of the order shall be based only upon a substantial change of circumstances relating to the cost of long-term physical health care or the financial condition of either the defendant or the victim. The petition shall be filed as part of the original criminal docket.

(g) In addition to the sentences provided for in Sections 11-1.20, 11-1.30, 11-1.40, 11-1.50, 11-1.60, 11-19.2, 11-20.1, 11-20.1B, 11-20.3, 12-13, 12-14, 12-14.1, 12-15, and 12-16, and subdivision (a)(4) of Section 11-14.4, of the Criminal Code of 1961 or the Criminal Code of 2012, the court may order any person who is convicted of violating any of those Sections or who was charged with any of those offenses and which charge was reduced to another charge as a result of a plea agreement under subsection (d) of this Section to meet all or any portion of the financial obligations of treatment, including but not limited to medical, psychiatric, or rehabilitative treatment or psychological counseling, prescribed for the victim or victims of the offense.

The payments shall be made by the defendant to the clerk of the circuit court and transmitted by the clerk to the appropriate person or agency as directed by the court. Except as otherwise provided in subsection (f-1), the order may require such payments to be made for a period not to exceed 5 years after sentencing, not including periods of incarceration.

(h) The judge may enter an order of withholding to collect the amount of restitution owed in accordance with Part 8 of Article XII of the Code of Civil Procedure.

(i) A sentence of restitution may be modified or revoked by the court if the offender commits another offense, or the offender fails to make restitution as ordered by the court, but no sentence to make restitution shall be revoked unless the court shall find that the offender has had the financial ability to make restitution, and he has wilfully refused to do so. When the offender's ability to pay restitution was established at the time an order of restitution was entered or modified, or when the offender's ability to pay was based on the offender's willingness to make restitution as part of a plea agreement made at the time the order of restitution was entered or modified, there is a rebuttable presumption that the facts and circumstances considered by the court at the hearing at which the order of restitution was entered or modified regarding the offender's ability or willingness to pay restitution have not materially changed. If the court shall find that the defendant has failed to make restitution and that the failure is not wilful, the court may impose an additional period of time within which to make restitution. The length of the additional period shall not be more than 2 years. The court shall retain all of the incidents of the original sentence, including the authority to modify or enlarge the conditions, and to revoke or further modify the sentence if the conditions of payment are violated during the additional period.

(j) The procedure upon the filing of a Petition to Revoke a sentence to make restitution shall be the same as the procedures set forth in Section 5-6-4 of this Code governing violation, modification, or revocation of Probation, of Conditional Discharge, or of Supervision.

(k) Nothing contained in this Section shall preclude the right of any party to proceed in a civil action to recover for any damages incurred due to the criminal misconduct of the defendant.

(l) Restitution ordered under this Section shall not be subject to disbursement by the circuit clerk under the Criminal and Traffic Assessment Act Section 27.5 of the Clerks of Courts Act.

(m) A restitution order under this Section is a judgment lien in favor of the victim that:

New matter indicated by italics - deletions by strikeout
(1) Attaches to the property of the person subject to the order;

(2) May be perfected in the same manner as provided in Part 3 of Article 9 of the Uniform Commercial Code;

(3) May be enforced to satisfy any payment that is delinquent under the restitution order by the person in whose favor the order is issued or the person's assignee; and

(4) Expires in the same manner as a judgment lien created in a civil proceeding.

When a restitution order is issued under this Section, the issuing court shall send a certified copy of the order to the clerk of the circuit court in the county where the charge was filed. Upon receiving the order, the clerk shall enter and index the order in the circuit court judgment docket.

(n) An order of restitution under this Section does not bar a civil action for:

(1) Damages that the court did not require the person to pay to the victim under the restitution order but arise from an injury or property damages that is the basis of restitution ordered by the court; and

(2) Other damages suffered by the victim.

The restitution order is not discharged by the completion of the sentence imposed for the offense.

A restitution order under this Section is not discharged by the liquidation of a person's estate by a receiver. A restitution order under this Section may be enforced in the same manner as judgment liens are enforced under Article XII of the Code of Civil Procedure.

The provisions of Section 2-1303 of the Code of Civil Procedure, providing for interest on judgments, apply to judgments for restitution entered under this Section.

Sec. 5-6-1. Sentences of Probation and of Conditional Discharge and Disposition of Supervision. The General Assembly finds that in order to protect the public, the criminal justice system must compel compliance with the conditions of probation by responding to violations with swift, certain and fair punishments and intermediate sanctions. The Chief Judge
of each circuit shall adopt a system of structured, intermediate sanctions for violations of the terms and conditions of a sentence of probation, conditional discharge or disposition of supervision.

(a) Except where specifically prohibited by other provisions of this Code, the court shall impose a sentence of probation or conditional discharge upon an offender unless, having regard to the nature and circumstance of the offense, and to the history, character and condition of the offender, the court is of the opinion that:

   (1) his imprisonment or periodic imprisonment is necessary for the protection of the public; or
   (2) probation or conditional discharge would deprecate the seriousness of the offender's conduct and would be inconsistent with the ends of justice; or
   (3) a combination of imprisonment with concurrent or consecutive probation when an offender has been admitted into a drug court program under Section 20 of the Drug Court Treatment Act is necessary for the protection of the public and for the rehabilitation of the offender.

The court shall impose as a condition of a sentence of probation, conditional discharge, or supervision, that the probation agency may invoke any sanction from the list of intermediate sanctions adopted by the chief judge of the circuit court for violations of the terms and conditions of the sentence of probation, conditional discharge, or supervision, subject to the provisions of Section 5-6-4 of this Act.

(b) The court may impose a sentence of conditional discharge for an offense if the court is of the opinion that neither a sentence of imprisonment nor of periodic imprisonment nor of probation supervision is appropriate.

(b-1) Subsections (a) and (b) of this Section do not apply to a defendant charged with a misdemeanor or felony under the Illinois Vehicle Code or reckless homicide under Section 9-3 of the Criminal Code of 1961 or the Criminal Code of 2012 if the defendant within the past 12 months has been convicted of or pleaded guilty to a misdemeanor or felony under the Illinois Vehicle Code or reckless homicide under Section 9-3 of the Criminal Code of 1961 or the Criminal Code of 2012.

(c) The court may, upon a plea of guilty or a stipulation by the defendant of the facts supporting the charge or a finding of guilt, defer further proceedings and the imposition of a sentence, and enter an order for supervision of the defendant, if the defendant is not charged with: (i) a
Class A misdemeanor, as defined by the following provisions of the Criminal Code of 1961 or the Criminal Code of 2012: Sections 11-9.1; 12-3.2; 11-1.50 or 12-15; 26-5 or 48-1; 31-1; 31-6; 31-7; paragraphs (2) and (3) of subsection (a) of Section 21-1; paragraph (1) through (5), (8), (10), and (11) of subsection (a) of Section 24-1; (ii) a Class A misdemeanor violation of Section 3.01, 3.03-1, or 4.01 of the Humane Care for Animals Act; or (iii) a felony. If the defendant is not barred from receiving an order for supervision as provided in this subsection, the court may enter an order for supervision after considering the circumstances of the offense, and the history, character and condition of the offender, if the court is of the opinion that:

(1) the offender is not likely to commit further crimes;
(2) the defendant and the public would be best served if the defendant were not to receive a criminal record; and
(3) in the best interests of justice an order of supervision is more appropriate than a sentence otherwise permitted under this Code.

(c-5) Subsections (a), (b), and (c) of this Section do not apply to a defendant charged with a second or subsequent violation of Section 6-303 of the Illinois Vehicle Code committed while his or her driver's license, permit or privileges were revoked because of a violation of Section 9-3 of the Criminal Code of 1961 or the Criminal Code of 2012, relating to the offense of reckless homicide, or a similar provision of a law of another state.

(d) The provisions of paragraph (c) shall not apply to a defendant charged with violating Section 11-501 of the Illinois Vehicle Code or a similar provision of a local ordinance when the defendant has previously been:

The concurrence of the Chief Judge shall be in the form of an administrative order. The fees shall be collected by the clerk of the circuit court, except as provided in an administrative order of the Chief Judge of the circuit court. The court may not impose the fee on a minor who is placed in the guardianship or custody of the Department of Children and Family Services under the Juvenile Court Act of 1987 while the minor is in placement. The fee shall be imposed only upon an offender who is actively supervised by the probation and court services department. The fee shall be collected by the clerk of the circuit court. An offender may elect to pay probation fees due in a lump sum. Any offender that has been assigned to the supervision of a probation department, or has been transferred either under subsection (h) of this Section or under any interstate compact, shall be required to pay probation fees to the department supervising the offender, based on the offender's ability to pay.

Public Act 93-970 deletes the $10 increase in the fee under this subsection that was imposed by Public Act 93-616. This deletion is intended to control over any other Act of the 93rd General Assembly that retains or incorporates that fee increase.

If the court does not extend supervision, it shall issue a judgment for the unpaid restitution and direct the clerk of the circuit court to file and enter the judgment in the judgment and lien docket, without fee, unless it finds that the victim has recovered a judgment against the defendant for the amount covered by the restitution order. Unless the court orders otherwise, the particular times and conditions of release shall be determined by the Department of Corrections, the sheriff, or the Superintendent of the house of corrections, who is administering the program.

(b) A sentence of periodic imprisonment may be imposed to permit the defendant to:

   (1) seek employment;

(e) When the court imposes a sentence of periodic imprisonment, it shall state:

(1) the term of such sentence;

e) The court may order the fine to be paid forthwith or within a specified period of time or in installments.

(730 ILCS 125/17) (from Ch. 75, par. 117)

New matter indicated by italics - deletions by strikeout
Sec. 17. Bedding, clothing, fuel, and medical aid; reimbursement for medical expenses. The Warden of the jail shall furnish necessary bedding, clothing, fuel, and medical services for all prisoners under his charge, and keep an accurate account of the same. When services that result in qualified medical expenses are required by any person held in custody, the county, private hospital, physician or any public agency which provides such services shall be entitled to obtain reimbursement from the county for the cost of such services. The county board of a county may adopt an ordinance or resolution providing for reimbursement for the cost of those services at the Department of Healthcare and Family Services' rates for medical assistance. To the extent that such person is reasonably able to pay for such care, including reimbursement from any insurance program or from other medical benefit programs available to such person, he or she shall reimburse the county or arresting authority. If such person has already been determined eligible for medical assistance under the Illinois Public Aid Code at the time the person is detained, the cost of such services, to the extent such cost exceeds $500, shall be reimbursed by the Department of Healthcare and Family Services under that Code. A reimbursement under any public or private program authorized by this Section shall be paid to the county or arresting authority to the same extent as would have been obtained had the services been rendered in a non-custodial environment.

The sheriff or his or her designee may cause an application for medical assistance under the Illinois Public Aid Code to be completed for an arrestee who is a hospital inpatient. If such arrestee is determined eligible, he or she shall receive medical assistance under the Code for hospital inpatient services only. An arresting authority shall be responsible for any qualified medical expenses relating to the arrestee until such time as the arrestee is placed in the custody of the sheriff. However, the arresting authority shall not be so responsible if the arrest was made pursuant to a request by the sheriff. When medical expenses are required by any person held in custody, the county shall be entitled to obtain reimbursement from the County Jail Medical Costs Fund to the extent moneys are available from the Fund. To the extent that the person is reasonably able to pay for that care, including reimbursement from any insurance program or from other medical benefit programs available to the person, he or she shall reimburse the county.

The county shall be entitled to a $10 fee for each conviction or order of supervision for a criminal violation, other than a petty offense or

New matter indicated by italics - deletions by strikeout
business offense. The fee shall be taxed as costs to be collected from the defendant, if possible, upon conviction or entry of an order of supervision. The fee shall not be considered a part of the fine for purposes of any reduction in the fine.

All such fees collected shall be deposited by the county in a fund to be established and known as the County Jail Medical Costs Fund. Moneys in the Fund shall be used solely for reimbursement to the county of costs for medical expenses and administration of the Fund.

For the purposes of this Section, "arresting authority" means a unit of local government, other than a county, which employs peace officers and whose peace officers have made the arrest of a person. For the purposes of this Section, "qualified medical expenses" include medical and hospital services but do not include (i) expenses incurred for medical care or treatment provided to a person on account of a self-inflicted injury incurred prior to or in the course of an arrest, (ii) expenses incurred for medical care or treatment provided to a person on account of a health condition of that person which existed prior to the time of his or her arrest, or (iii) expenses for hospital inpatient services for arrestees enrolled for medical assistance under the Illinois Public Aid Code.

(c-5) The court shall provide, through the office of the clerk of the court, the application for waiver of court fees, costs, and charges simplified forms consistent with the requirements of this Section and applicable Supreme Court Rules to any person seeking to sue or defend an action who indicates an inability to pay the fees, costs, and charges of the action. The application and supporting affidavit may be incorporated into one simplified form. The clerk of the court shall post in a conspicuous place in the courthouse a notice no smaller than 8.5 x 11 inches, using no smaller than 30-point typeface printed in English and in Spanish, advising the public that they may ask the court for permission to sue or defend a civil action without payment of fees, costs, and charges. The notice shall be substantially as follows:

"If you are unable to pay the fees, costs, and charges of an action you may ask the court to allow you to proceed without paying them. Ask the clerk of the court for forms."

(d) (Blank). The court shall rule on applications under this Section in a timely manner based on information contained in the application unless the court, in its discretion, requires the applicant to personally appear to explain or clarify information contained in the application. accompanied by an application for waiver of court fees, costs, and charges to sue or defend in forma pauperis, and those papers shall be considered filed on the date the application is presented. If the application is denied or a partial fees, costs, and charges waiver is granted, the order shall state a date certain by which the necessary fees, costs, and charges must be paid. For good cause shown, the court may allow an applicant whose application is denied to defer payment of fees, costs, and charges, make installment payments, or make payment upon reasonable terms and conditions stated in the order. The court may dismiss the claims or strike the defenses of any party failing to pay the fees, costs, and charges within the time and in the manner ordered by the court. A judicial ruling on an application for waiver of court assessments does not constitute a decision of a substantial issue in the case under Section 2-1001 of this Code. A determination concerning an application to sue or defend in forma pauperis shall not be construed as a ruling on the merits.

(f) The court may order granting a full or partial fees, costs, and charges waiver shall expire after one year. Upon expiration of the waiver, or a reasonable period of time before expiration, the party whose fees, costs, and charges were waived may file another application for waiver and the court shall consider the application in accordance with the applicable Supreme Court Rule. However, nothing in this Section shall be construed to limit the authority of a court to order another party to the action to pay the fees, costs, or charges of the action.

(f-5) If, before or at the time of final disposition of the case, the court obtains information, including information from the court file, suggesting that a person whose fees, costs, and charges were initially waived was not entitled to a full or partial waiver at the time of application, the court may require the person to appear at a court hearing by giving the applicant no less than 10 days' written notice of the hearing and the specific reasons why the initial waiver might be reconsidered. The court may require the applicant to provide reasonably available evidence, including financial information, to support his or her eligibility for the waiver, but the court shall not require submission of information that is unrelated to the criteria for eligibility and application requirements set forth in subdivisions (b)(1) or (b)(2) of this Section. If the court finds that

the person was not initially entitled to any waiver, the person shall pay all fees, costs, and charges relating to the civil action, including any previously-waived fees, costs, and charges. The order may state terms of payment in accordance with subsection (e). The court shall not conduct a hearing under this subsection more often than once every 6 months.

(f-10) If, before or at the time of final disposition of the case, the court obtains information, including information from the court file, suggesting that a person who received a full or partial waiver has experienced a change in financial condition so that he or she is no longer eligible for that waiver, the court may require the person to appear at a court hearing by giving the applicant no less than 10 days' written notice of the hearing and the specific reasons why the waiver might be reconsidered. The court may require the person to provide reasonably available evidence, including financial information, to support his or her continued eligibility for the waiver, but shall not require submission of information that is unrelated to the criteria for eligibility and application requirements set forth in subsections (b)(1) and (b)(2) of this Section. If the court enters an order finding that the person is no longer entitled to a waiver, or is entitled to a partial waiver different than that which the person had previously received, the person shall pay the requisite fees, costs, and charges from the date of the order going forward. The order may state terms of payment in accordance with subsection (e) of this Section. The court shall not conduct a hearing under this subsection more often than once every 6 months.

(g) A court, in its discretion, may appoint counsel to represent an indigent person, and that counsel shall perform his or her duties without fees, charges, or reward.

(h) Nothing in this Section shall be construed to affect the right of a party to sue or defend an action in forma pauperis without the payment of fees, costs, or charges, or the right of a party to court-appointed counsel, as authorized by any other provision of law or by the rules of the Illinois Supreme Court. Nothing in this Section shall be construed to limit the authority of a court to order another party to the action to pay the fees, costs, and charges of the action.

(h-5) If a party is represented by a civil legal services provider or an attorney in a court-sponsored pro bono program as defined in Section 5-105.5 of this Code, the attorney representing that party shall file a certification with the court in accordance with Supreme Court Rule 298

and that party shall be allowed to sue or defend without payment of fees, costs, and charges without filing an application under this Section.

(h-10) If an attorney files an appearance on behalf of a person whose fees, costs, and charges were initially waived under this Section, the attorney must pay all fees, costs, and charges relating to the civil action, including any previously waived fees, costs, and charges, unless the attorney is either a civil legal services provider, representing his or her client as part of a court-sponsored pro bono program as defined in Section 5-105.1 of this Code, or appearing under a limited scope appearance in accordance with Supreme Court Rule 13(c)(6).

(i) The provisions of this Section are severable under Section 1.31 of the Statute on Statutes.

(f) Limitations. The Inspector General shall not conduct an investigation within an agency or facility if that investigation would be redundant to or interfere with an investigation conducted by another State agency. The Inspector General shall have no supervision over, or involvement in, the routine programmatic, licensing, funding, or certification operations of the Department. Nothing in this subsection limits investigations by the Department that may otherwise be required by law or that may be necessary in the Department's capacity as central administrative authority responsible for the operation of the State's mental health and developmental disabilities facilities.

(g) Rulemaking authority. The Inspector General shall promulgate rules establishing minimum requirements for reporting allegations as well as for initiating, conducting, and completing investigations based upon the nature of the allegation or allegations. The rules shall clearly establish that if 2 or more State agencies could investigate an allegation, the Inspector General shall not conduct an investigation that would be redundant to, or interfere with, an investigation conducted by another State agency. The rules shall further clarify the method and circumstances under which the Office of Inspector General may interact with the licensing, funding, or certification units of the Department in preventing further occurrences of mental abuse, physical abuse, sexual abuse, neglect, egregious neglect, and financial exploitation.

(h) Training programs. The Inspector General shall (i) establish a comprehensive program to ensure that every person authorized to conduct investigations receives ongoing training relative to investigation techniques, communication skills, and the appropriate means of interacting with persons receiving treatment for mental illness, developmental disability, or both mental illness and developmental disability, and (ii) establish and conduct periodic training programs for facility and agency employees concerning the prevention and reporting of any one or more of the following: mental abuse, physical abuse, sexual abuse, neglect, egregious neglect, or financial exploitation. Nothing in this Section shall be deemed to prevent the Office of Inspector General from conducting any other training as determined by the Inspector General to be necessary or helpful.

(i) Duty to cooperate.

   (1) The Inspector General shall at all times be granted access to any facility or agency for the purpose of investigating any allegation, conducting unannounced site visits, monitoring
compliance with a written response, or completing any other
statutorily assigned duty. The Inspector General shall conduct
unannounced site visits to each facility at least annually for the
purpose of reviewing and making recommendations on systemic
issues relative to preventing, reporting, investigating, and
responding to all of the following: mental abuse, physical abuse,
sexual abuse, neglect, egregious neglect, or financial exploitation.

(2) Any employee who fails to cooperate with an Office of
the Inspector General investigation is in violation of this Act.
Failure to cooperate with an investigation includes, but is not
limited to, any one or more of the following: (i) creating and
transmitting a false report to the Office of the Inspector General
hotline, (ii) providing false information to an Office of the

to subpoena witnesses and compel the production of all documents and
physical evidence relating to his or her investigations and any hearings
authorized by this Act. This subpoena power shall not extend to persons or
documents of a labor organization or its representatives insofar as the
persons are acting in a representative capacity to an employee whose
conduct is the subject of an investigation or the documents relate to that
representation. Any person who otherwise fails to respond to a subpoena
or who knowingly provides false information to the Office of the Inspector
General by subpoena during an investigation is guilty of a Class A
misdemeanor.

(k) Reporting allegations and deaths.

(1) Allegations. If an employee witnesses, is told of, or has
reason to believe an incident of mental abuse, physical abuse,
sexual abuse, neglect, or financial exploitation has occurred, the
employee, agency, or facility shall report the allegation by phone to
the Office of the Inspector General hotline according to the
agency's or facility's procedures, but in no event later than 4 hours after the initial discovery of the incident, allegation, or suspicion of any one or more of the following: mental abuse, physical abuse, sexual abuse, neglect, or financial exploitation. A required reporter as defined in subsection (b) of this Section who knowingly or intentionally fails to comply with these reporting requirements is guilty of a Class A misdemeanor.

(2) Deaths. Absent an allegation, a required reporter shall, within 24 hours after initial discovery, report by phone to the Office of the Inspector General hotline each of the following:

(i) Any death of an individual occurring within 14 calendar days after discharge or transfer of the individual from a residential program or facility.

(ii) Any death of an individual occurring within 24 hours after deflection from a residential program or facility.

(iii) Any other death of an individual occurring at an agency or facility or at any Department-funded site.

(3) Retaliation. It is a violation of this Act for any employee or administrator of an agency or facility to take retaliatory action against an employee who acts in good faith in conformance with his or her duties as a required reporter.

(l) Reporting to law enforcement.

(1) Reporting criminal acts. Within 24 hours after determining that there is credible evidence indicating that a criminal act may have been committed or that special expertise may be required in an investigation, the Inspector General shall notify the Department of State Police or other appropriate law enforcement authority, or ensure that such notification is made. The Department of State Police shall investigate any report from a State-operated facility indicating a possible murder, sexual assault, or other felony by an employee. All investigations conducted by the Inspector General shall be conducted in a manner designed to ensure the preservation of evidence for possible use in a criminal prosecution.

(2) Reporting allegations of adult students with disabilities. Upon receipt of a reportable allegation regarding an adult student with a disability, the Department's Office of the Inspector General shall determine whether the allegation meets the criteria for the Domestic Abuse Program under the Abuse of Adults with

Disabilities Intervention Act. If the allegation is reportable to that program, the Office of the Inspector General shall initiate an investigation. If the allegation is not reportable to the Domestic Abuse Program, the Office of the Inspector General shall make an expeditious referral to the respective law enforcement entity. If the alleged victim is already receiving services from the Department, the Office of the Inspector General shall also make a referral to the respective Department of Human Services' Division or Bureau.

(m) Investigative reports. Upon completion of an investigation, the Office of Inspector General shall issue an investigative report identifying whether the allegations are substantiated, unsubstantiated, or unfounded. Within 10 business days after the transmittal of a completed investigative report substantiating an allegation, finding an allegation is unsubstantiated, or if a recommendation is made, the Inspector General shall provide the investigative report on the case to the Secretary and to the director of the facility or agency where any one or more of the following occurred: mental abuse, physical abuse, sexual abuse, neglect, egregious neglect, or financial exploitation. The director of the facility or agency shall be responsible for maintaining the confidentiality of the investigative report consistent with State and federal law. In a substantiated case, the investigative report shall include any mitigating or aggravating circumstances that were identified during the investigation. If the case involves substantiated neglect, the investigative report shall also state whether egregious neglect was found. An investigative report may also set forth recommendations. All investigative reports prepared by the Office of the Inspector General shall be considered confidential and shall not be released except as provided by the law of this State or as required under applicable federal law. Unsubstantiated and unfounded reports shall not be disclosed except as allowed under Section 6 of the Abused and Neglected Long Term Care Facility Residents Reporting Act. Raw data used to compile the investigative report shall not be subject to release unless required by law or a court order. "Raw data used to compile the investigative report" includes, but is not limited to, any one or more of the following: the initial complaint, witness statements, photographs, investigator's notes, police reports, or incident reports. If the allegations are substantiated, the victim, the victim's guardian, and the accused shall be provided with a redacted copy of the investigative report. Death reports where there was no allegation of abuse or neglect shall only be released pursuant to applicable State or federal law or a valid court order.

New matter indicated by italics - deletions by strikeout
Unredacted investigative reports, as well as raw data, may be shared with a local law enforcement entity, a State's Attorney's office, or a county coroner's office upon written request.

(n) Written responses and reconsideration requests.

(1) Written responses. Within 30 calendar days from receipt of a substantiated investigative report or an investigative report which contains recommendations, absent a reconsideration request, the facility or agency shall file a written response that addresses, in a concise and reasoned manner, the actions taken to: (i) protect the individual; (ii) prevent recurrences; and (iii) eliminate the problems identified. The response shall include the implementation and completion dates of such actions. If the written response is not filed within the allotted 30 calendar day period, the Secretary shall determine the appropriate corrective action to be taken.

(2) Reconsideration requests. The facility, agency, victim or guardian, or the subject employee may request that the Office of Inspector General reconsider or clarify its finding based upon additional information.

(o) Disclosure of the finding by the Inspector General. The Inspector General shall disclose the finding of an investigation to the following persons: (i) the Governor, (ii) the Secretary, (iii) the director of the facility or agency, (iv) the alleged victims and their guardians, (v) the complainant, and (vi) the accused. This information shall include whether the allegations were deemed substantiated, unsubstantiated, or unfounded.

(p) Secretary review. Upon review of the Inspector General's investigative report and any agency's or facility's written response, the Secretary shall accept or reject the written response and notify the Inspector General of that determination. The Secretary may further direct that other administrative action be taken, including, but not limited to, any one or more of the following: (i) additional site visits, (ii) training, (iii) provision of technical assistance relative to administrative needs, licensure or certification, or (iv) the imposition of appropriate sanctions.

(q) Action by facility or agency. Within 30 days of the date the Secretary approves the written response or directs that further administrative action be taken, the facility or agency shall provide an implementation report to the Inspector General that provides the status of the action taken. The facility or agency shall be allowed an additional 30 days to send notice of completion of the action or to send an updated implementation report. If the action has not been completed within the
additional 30-day period, the facility or agency shall send updated implementation reports every 60 days until completion. The Inspector General shall conduct a review of any implementation plan that takes more than 120 days after approval to complete, and shall monitor compliance through a random review of approved written responses, which may include, but are not limited to: (i) site visits, (ii) telephone contact, and (iii) requests for additional documentation evidencing compliance.

(r) Sanctions. Sanctions, if imposed by the Secretary under Subdivision (p)(iv) of this Section, shall be designed to prevent further acts of mental abuse, physical abuse, sexual abuse, neglect, egregious neglect, or financial exploitation or some combination of one or more of those acts at a facility or agency, and may include any one or more of the following:

(1) Appointment of on-site monitors.
(2) Transfer or relocation of an individual or individuals.
(3) Closure of units.
(4) Termination of any one or more of the following:
   (i) Department licensing, (ii) funding, or (iii) certification.

The Inspector General may seek the assistance of the Illinois Attorney General or the office of any State's Attorney in implementing sanctions.

(s) Health Care Worker Registry.

(1) Reporting to the Registry. The Inspector General shall report to the Department of Public Health's Health Care Worker Registry, a public registry, the identity and finding of each employee of a facility or agency against whom there is a final investigative report containing a substantiated allegation of physical or sexual abuse, financial exploitation, or egregious neglect of an individual.

(2) Notice to employee. Prior to reporting the name of an employee, the employee shall be notified of the Department's obligation to report and shall be granted an opportunity to request an administrative hearing, the sole purpose of which is to determine if the substantiated finding warrants reporting to the Registry. Notice to the employee shall contain a clear and concise statement of the grounds on which the report to the Registry is based, offer the employee an opportunity for a hearing, and identify the process for requesting such a hearing. Notice is sufficient if provided by certified mail to the employee's last known address. If

New matter indicated by italics - deletions by strikeout
the employee fails to request a hearing within 30 days from the
date of the notice, the Inspector General shall report the name of
the employee to the Registry. Nothing in this subdivision (s)(2)
shall diminish or impair the rights of a person who is a member of
a collective bargaining unit under the Illinois Public Labor
Relations Act or under any other federal labor statute.

(3) Registry hearings. If the employee requests an
administrative hearing, the employee shall be granted an
opportunity to appear before an administrative law judge to present
reasons why the employee's name should not be reported to the
Registry. The Department shall bear the burden of presenting
evidence that establishes, by a preponderance of the evidence, that
the substantiated finding warrants reporting to the Registry. After
considering all the evidence presented, the administrative law
judge shall make a recommendation to the Secretary as to whether
the substantiated finding warrants reporting the name of the
employee to the Registry. The Secretary shall render the final
decision. The Department and the employee shall have the right to
request that the administrative law judge consider a stipulated
disposition of these proceedings.

(4) Testimony at Registry hearings. A person who makes a
report or who investigates a report under this Act shall testify fully
in any judicial proceeding resulting from such a report, as to any
evidence of abuse or neglect, or the cause thereof. No evidence
shall be excluded by reason of any common law or statutory
privilege relating to communications between the alleged
perpetrator of abuse or neglect, or the individual alleged as the
victim in the report, and the person making or investigating the
report. Testimony at hearings is exempt from the confidentiality
requirements of subsection (f) of Section 10 of the Mental Health
and Developmental Disabilities Confidentiality Act.

(5) Employee's rights to collateral action. No reporting to
the Registry shall occur and no hearing shall be set or proceed if an
employee notifies the Inspector General in writing, including any
supporting documentation, that he or she is formally contesting an
adverse employment action resulting from a substantiated finding
by complaint filed with the Illinois Civil Service Commission, or
which otherwise seeks to enforce the employee's rights pursuant to
any applicable collective bargaining agreement. If an action taken

by an employer against an employee as a result of a finding of physical abuse, sexual abuse, or egregious neglect is overturned through an action filed with the Illinois Civil Service Commission or under any applicable collective bargaining agreement and if that employee's name has already been sent to the Registry, the employee's name shall be removed from the Registry.

(6) Removal from Registry. At any time after the report to the Registry, but no more than once in any 12-month period, an employee may petition the Department in writing to remove his or her name from the Registry. Upon receiving notice of such request, the Inspector General shall conduct an investigation into the petition. Upon receipt of such request, an administrative hearing will be set by the Department. At the hearing, the employee shall bear the burden of presenting evidence that establishes, by a preponderance of the evidence, that removal of the name from the Registry is in the public interest. The parties may jointly request that the administrative law judge consider a stipulated disposition of these proceedings.

(t) Review of Administrative Decisions. The Department shall preserve a record of all proceedings at any formal hearing conducted by the Department involving Health Care Worker Registry hearings. Final administrative decisions of the Department are subject to judicial review pursuant to provisions of the Administrative Review Law.

(u) Quality Care Board. There is created, within the Office of the Inspector General, a Quality Care Board to be composed of 7 members appointed by the Governor with the advice and consent of the Senate. One of the members shall be designated as chairman by the Governor. Of the initial appointments made by the Governor, 4 Board members shall each be appointed for a term of 4 years and 3 members shall each be appointed for a term of 2 years. Upon the expiration of each member's term, a successor shall be appointed for a term of 4 years. In the case of a vacancy in the office of any member, the Governor shall appoint a successor for the remainder of the unexpired term.

Members appointed by the Governor shall be qualified by professional knowledge or experience in the area of law, investigatory techniques, or in the area of care of the mentally ill or care of persons with developmental disabilities. Two members appointed by the Governor shall be persons with a disability or a parent of a person with a disability. Members shall serve without compensation, but shall be reimbursed for

expenses incurred in connection with the performance of their duties as members.

The Board shall meet quarterly, and may hold other meetings on the call of the chairman. Four members shall constitute a quorum allowing the Board to conduct its business. The Board may adopt rules and regulations it deems necessary to govern its own procedures.

The Board shall monitor and oversee the operations, policies, and procedures of the Inspector General to ensure the prompt and thorough investigation of allegations of neglect and abuse. In fulfilling these responsibilities, the Board may do the following:

1. Provide independent, expert consultation to the Inspector General on policies and protocols for investigations of alleged abuse, neglect, or both abuse and neglect.
2. Review existing regulations relating to the operation of facilities.
3. Advise the Inspector General as to the content of training activities authorized under this Section.
4. Recommend policies concerning methods for improving the intergovernmental relationships between the Office of the Inspector General and other State or federal offices.

(v) Annual report. The Inspector General shall provide to the General Assembly and the Governor, no later than January 1 of each year, a summary of reports and investigations made under this Act for the prior fiscal year with respect to individuals receiving mental health or developmental disabilities services. The report shall detail the imposition of sanctions, if any, and the final disposition of any corrective or administrative action directed by the Secretary. The summaries shall not contain any confidential or identifying information of any individual, but shall include objective data identifying any trends in the number of reported allegations, the timeliness of the Office of the Inspector General's investigations, and their disposition, for each facility and Department-wide, for the most recent 3-year time period. The report shall also identify, by facility, the staff-to-patient ratios taking account of direct care staff only. The report shall also include detailed recommended administrative actions and matters for consideration by the General Assembly.

(w) Program audit. The Auditor General shall conduct a program audit of the Office of the Inspector General on an as-needed basis, as determined by the Auditor General. The audit shall specifically include the Inspector General's compliance with the Act and effectiveness in

investigating reports of allegations occurring in any facility or agency. The Auditor General shall conduct the program audit according to the provisions of the Illinois State Auditing Act and shall report its findings to the General Assembly no later than January 1 following the audit period.

(x) Nothing in this Section shall be construed to mean that an individual is a victim of abuse or neglect because of health care services appropriately provided or not provided by health care professionals.

(y) Nothing in this Section shall require a facility, including its employees, agents, medical staff members, and health care professionals, to provide a service to an individual in contravention of that individual's stated or implied objection to the provision of that service on the ground that that service conflicts with the individual's religious beliefs or practices, nor shall the failure to provide a service to an individual be considered abuse under this Section if the individual has objected to the provision of that service based on his or her religious beliefs or practices.

(2) The program features a structured combination of on-the-job learning supported by related technical classroom instruction, met either by a high school or a public community college.

(3) Apprentices in the program are paid a training wage of not less than the State minimum wage, which escalates throughout the life of the apprenticeship, and employment is continued with the company following conclusion of the apprenticeship for a period of not less than 2 years.

(4) Apprentices in the program earn an industry-related occupational skills certificate and a high school diploma.

(5) Apprentices in the program may earn postsecondary credit toward a certificate or degree, as applicable. "Registered apprenticeship program" does not include an apprenticeship program related to construction, as defined under the Employee Classification Act.

**PUBLIC ACT 100-0993**
(Senate Bill No. 0454)

AN ACT concerning education.

Be it enacted by the People of the State of Illinois, represented in the General Assembly:

Section 5. The School Code is amended by changing Section 14-8.02 and adding Section 14-8.02f as follows:

(105 ILCS 5/14-8.02) (from Ch. 122, par. 14-8.02)

Sec. 14-8.02. Identification, evaluation, and placement of children.

(a) The State Board of Education shall make rules under which local school boards shall determine the eligibility of children to receive special education. Such rules shall ensure that a free appropriate public education be available to all children with disabilities as defined in Section 14-1.02. The State Board of Education shall require local school districts to administer non-discriminatory procedures or tests to English learners coming from homes in which a language other than English is used to determine their eligibility to receive special education. The placement of low English proficiency students in special education programs and facilities shall be made in accordance with the test results reflecting the student's linguistic, cultural and special education needs. For purposes of determining the eligibility of children the State Board of Education shall include in the rules definitions of "case study", "staff conference", "individualized educational program", and "qualified specialist"

New matter indicated by italics - deletions by strikeout
appropriate to each category of children with disabilities as defined in this Article. For purposes of determining the eligibility of children from homes in which a language other than English is used, the State Board of Education shall include in the rules definitions for "qualified bilingual specialists" and "linguistically and culturally appropriate individualized educational programs". For purposes of this Section, as well as Sections 14-8.02a, 14-8.02b, and 14-8.02c of this Code, "parent" means a parent as defined in the federal Individuals with Disabilities Education Act (20 U.S.C. 1401(23)).

(b) No child shall be eligible for special education facilities except with a carefully completed case study fully reviewed by professional personnel in a multidisciplinary staff conference and only upon the recommendation of qualified specialists or a qualified bilingual specialist, if available. At the conclusion of the multidisciplinary staff conference, the parent of the child shall be given a copy of the multidisciplinary conference summary report and recommendations, which includes options considered, and be informed of their right to obtain an independent educational evaluation if they disagree with the evaluation findings conducted or obtained by the school district. If the school district's evaluation is shown to be inappropriate, the school district shall reimburse the parent for the cost of the independent evaluation. The State Board of Education shall, with advice from the State Advisory Council on Education of Children with Disabilities on the inclusion of specific independent educational evaluators, prepare a list of suggested independent educational evaluators. The State Board of Education shall include on the list clinical psychologists licensed pursuant to the Clinical Psychologist Licensing Act. Such psychologists shall not be paid fees in excess of the amount that would be received by a school psychologist for performing the same services. The State Board of Education shall supply school districts with such list and make the list available to parents at their request. School districts shall make the list available to parents at the time they are informed of their right to obtain an independent educational evaluation. However, the school district may initiate an impartial due process hearing under this Section within 5 days of any written parent request for an independent educational evaluation to show that its evaluation is appropriate. If the final decision is that the evaluation is appropriate, the parent still has a right to an independent educational evaluation, but not at public expense. An independent educational evaluation at public expense must be completed within 30 days of a parent's request.

New matter indicated by italics - deletions by strikeout
written request unless the school district initiates an impartial due process hearing or the parent or school district offers reasonable grounds to show that such 30 day time period should be extended. If the due process hearing decision indicates that the parent is entitled to an independent educational evaluation, it must be completed within 30 days of the decision unless the parent or the school district offers reasonable grounds to show that such 30 day period should be extended. If a parent disagrees with the summary report or recommendations of the multidisciplinary conference or the findings of any educational evaluation which results therefrom, the school district shall not proceed with a placement based upon such evaluation and the child shall remain in his or her regular classroom setting. No child shall be eligible for admission to a special class for children with a mental disability who are educable or for children with a mental disability who are trainable except with a psychological evaluation and recommendation by a school psychologist. Consent shall be obtained from the parent of a child before any evaluation is conducted. If consent is not given by the parent or if the parent disagrees with the findings of the evaluation, then the school district may initiate an impartial due process hearing under this Section. The school district may evaluate the child if that is the decision resulting from the impartial due process hearing and the decision is not appealed or if the decision is affirmed on appeal. The determination of eligibility shall be made and the IEP meeting shall be completed within 60 school days from the date of written parental consent. In those instances when written parental consent is obtained with fewer than 60 pupil attendance days left in the school year, the eligibility determination shall be made and the IEP meeting shall be completed prior to the first day of the following school year. Special education and related services must be provided in accordance with the student's IEP no later than 10 school attendance days after notice is provided to the parents pursuant to Section 300.503 of Title 34 of the Code of Federal Regulations and implementing rules adopted by the State Board of Education. The appropriate program pursuant to the individualized educational program of students whose native tongue is a language other than English shall reflect the special education, cultural and linguistic needs. No later than September 1, 1993, the State Board of Education shall establish standards for the development, implementation and monitoring of appropriate bilingual special individualized educational programs. The State Board of Education shall further incorporate appropriate monitoring procedures to verify implementation of these standards. The district shall indicate to the

New matter indicated by italics - deletions by strikeout
parent and the State Board of Education the nature of the services the child will receive for the regular school term while waiting placement in the appropriate special education class. At the child's initial IEP meeting and at each annual review meeting, the child's IEP team shall provide the child's parent or guardian with a written notification that informs the parent or guardian that the IEP team is required to consider whether the child requires assistive technology in order to receive free, appropriate public education. The notification must also include a toll-free telephone number and internet address for the State's assistive technology program.

Annually, each January, school districts shall report data on students from non-English speaking backgrounds receiving special education and related services in public and private facilities as prescribed in Section 2-3.30. The State Superintendent shall revise the uniform notices required by this subsection (g) to reflect current law and procedures at least once every 2 years. Any parent who is deaf, or does not normally communicate using spoken English, who participates in a meeting with a representative of a local educational agency for the purposes of developing an individualized educational program shall be entitled to the services of an interpreter.

Section 5. The School Safety Drill Act is amended by changing Section 20 as follows:

Sec. 20. Number of drills; incidents covered; local authority participation.

(a) During each academic year, schools must conduct a minimum of 3 school evacuation drills to address and prepare students and school personnel for fire incidents. These drills must meet all of the following criteria:

(1) One of the 3 school evacuation drills shall require the participation of the appropriate local fire department or district.

(A) Each local fire department or fire district must contact the appropriate school administrator or his or her designee no later than September 1 of each year in order to arrange for the participation of the department or district in the school evacuation drill.

(B) Each school administrator or his or her designee must contact the responding local fire official no later than September 15 of each year and propose to the local fire official 4 dates within the month of October, during at least 2 different weeks of October, on which the drill shall occur. The fire official may choose any of the 4 available dates, and if he or she does so, the drill shall occur on that date.

(C) The school administrator or his or her designee and the local fire official may also, by mutual agreement, set any other date for the drill, including a date outside of the month of October.

(D) If the fire official does not select one of the 4 offered dates in October or set another date by mutual agreement, the requirement that the school include the local fire service in one of its mandatory school evacuation drills shall be waived. Schools, however, shall continue to be...
strongly encouraged to include the fire service in a school evacuation drill at a mutually agreed-upon time.

(E) Upon the participation of the local fire service, the appropriate local fire official shall certify that the school evacuation drill was conducted.

(F) When scheduling the school evacuation drill, the school administrator or his or her designee and the local fire department or fire district may, by mutual agreement on or before September 14, choose to waive the provisions of subparagraphs (B), (C), and (D) of this paragraph (1).

Additional school evacuation drills for fire incidents may involve the participation of the appropriate local fire department or district.

(2) Schools may conduct additional school evacuation drills to account for other evacuation incidents, including without limitation suspicious items or bomb threats.

(3) All drills shall be conducted at each school building that houses school children.

(b) During each academic year, schools must conduct a minimum of one bus evacuation drill. This drill shall be accounted for in the curriculum in all public schools and in all other educational institutions in this State that are supported or maintained, in whole or in part, by public funds and that provide instruction in any of the grades kindergarten through 12. This curriculum shall include instruction in safe bus riding practices for all students. Schools may conduct additional bus evacuation drills. All drills shall be conducted at each school building that houses school children.

The assurance must be made on a form supplied by the State Board of Education and filed no later than October 15. If a private school utilizes a bus to transport students for any purpose during an academic year when an assurance pursuant to this subsection (b-5) has been filed with the State Board of Education, the private school shall immediately notify the State Board of Education and comply with
subsection (b) of this Section no later than 30 calendar days after utilization of the bus to transport students, except that, at the discretion of the private school, students chosen for participation in the bus evacuation drill need include only the subgroup of students that are utilizing bus transportation.

No later than 90 days after the first day of each school year, schools must conduct at least one law enforcement drill that addresses an active threat or an active shooter within a school building. Such drills must be conducted according to the school district's or private school's emergency and crisis response plans, protocols, and procedures to evaluate the preparedness of school personnel and students.

Law enforcement drills must be conducted on days and times when students are normally not present in the school building and must involve participation from all school personnel and students present at school at the time of the drill, except that administrators or school support personnel in their discretion may exempt students from the drill. (A-5) The drill shall require the on-site participation of the local law enforcement agency. If a mutually agreeable date cannot be reached between the school administrator and the appropriate local law enforcement agency, then the school shall still hold the drill without participation from the agency.

(B) Upon the participation of a local law enforcement agency in a law enforcement drill, the appropriate local law enforcement official shall certify that the law enforcement drill was conducted and notify the
school in a timely manner of any deficiencies noted during the drill.

AN ACT concerning criminal law.

Be it enacted by the People of the State of Illinois, represented in the General Assembly:

Section 5. The Illinois Crime Reduction Act of 2009 is amended by changing Sections 5 and 20 as follows:

(a) Purpose. The General Assembly hereby declares that it is the policy of Illinois to preserve public safety, reduce crime, and make the most effective use of correctional resources. Currently, the Illinois correctional system overwhelmingly incarcerates people whose time in prison does not result in improved behavior and who return to Illinois communities in less than one year. It is therefore the purpose of this Act to create an infrastructure to provide effective resources and services to incarcerated individuals and individuals supervised in the locality; to hold offenders accountable; to successfully rehabilitate offenders to prevent future involvement with the criminal justice system; to measure the overall effectiveness of the criminal justice system in achieving this policy; and to create the Adult Redeploy Illinois program for those who do not fall under the definition of violent offenders.

(b) Definitions. As used in this Act, unless the context clearly requires otherwise:

(1) "Assets" are an offender's qualities or resources, such as family and other positive support systems, educational achievement, and employment history, that research has demonstrated will decrease the likelihood that the offender will reoffend and increase the likelihood that the offender will successfully reintegrate into the locality.

(2) "Case plan" means a consistently updated written proposal that shall follow the offender through all phases of the
criminal justice system, that is based on the offender's risks, assets, and needs as identified through the assessment tool described in this Act, and that outlines steps the offender shall take and the programs in which the offender shall participate to maximize the offender's ability to be rehabilitated.

(3) "Conditions of supervision" include conditions described in Section 5-6-3.1 of the Unified Code of Corrections.

(4) "Evidence-based practices" means policies, procedures, programs, and practices that have been demonstrated to reduce recidivism among incarcerated individuals and individuals on local supervision.

(5) "Local supervision" includes supervision in local-based, non-incarceration settings under such conditions and reporting requirements as are imposed by the court or the Prisoner Review Board.

(6) "Needs" include an offender's criminogenic qualities, skills, and experiences that can be altered in ways that research has demonstrated will minimize the offender's chances of re-offending and maximize the offender's chances of successfully reintegrating into the locality.

(6.5) "Offender" means a person charged with or convicted of a probation-eligible offense.

(7) "Risks" include the attributes of an offender that are commonly considered to be those variables, such as age, prior criminal history, history of joblessness, and lack of education that research has demonstrated contribute to an offender's likelihood of re-offending and impact an offender's ability to successfully reintegrate into the locality.

(8) (Blank). "Violent offender" means a person convicted of a violent crime as defined in subsection (c) of Section 3 of the Rights of Crime Victims and Witnesses Act.

(730 ILCS 190/20)
Sec. 20. Adult Redeploy Illinois.
(a) Purpose. When offenders are accurately assessed for risk, assets, and needs, it is possible to identify which people should be sent to prison and which people can be effectively supervised in the locality. By providing financial incentives to counties or judicial circuits to create effective local-level evidence-based services, it is possible to reduce crime
and recidivism at a lower cost to taxpayers. Based on this model, this Act hereby creates the Adult Redeploy Illinois program for probation-eligible offenders who do not fall under the definition of violent offenders in order to increase public safety and encourage the successful local supervision of eligible offenders and their reintegration into the locality.

(b) The Adult Redeploy Illinois program shall reallocate State funds to local jurisdictions that successfully establish a process to assess offenders and provide a continuum of locally based sanctions and treatment alternatives for offenders who would be incarcerated in a State facility if those local services and sanctions did not exist. The allotment of funds shall be based on a formula that rewards local jurisdictions for the establishment or expansion of local supervision programs and requires them to pay the amount determined in subsection (e) if incarceration targets as defined in subsection (e) are not met.

(c) Each county or circuit participating in the Adult Redeploy Illinois program shall create a local plan describing how it will protect public safety and reduce the county or circuit's utilization of incarceration in State facilities or local county jails by the creation or expansion of individualized services or programs.

(d) Based on the local plan, a county or circuit shall enter into an agreement with the Adult Redeploy Oversight Board described in subsection (e) to reduce the number of commitments of probation-eligible offenders to State correctional facilities from that county or circuit; excluding violent offenders. The agreement shall include a pledge from the county or circuit to reduce their commitments by 25% of the level of commitments from the average number of commitments for the past 3 years of eligible non-violent offenders. In return, the county or circuit shall receive, based upon a formula described in subsection (e), funds to redeploy for local programming for offenders who would otherwise be incarcerated such as management and supervision, electronic monitoring, and drug testing. The county or circuit shall also be penalized, as described in subsection (e), for failure to reach the goal of reduced commitments stipulated in the agreement.

(e) Adult Redeploy Illinois Oversight Board; members; responsibilities.

(1) The Secretary of Human Services and the Director of Corrections shall within 3 months after the effective date of this Act convene and act as co-chairs of an oversight board to oversee the Adult Redeploy Program. The Board shall include, but not be

limited to, designees from the Prisoner Review Board, Office of the Attorney General, Illinois Criminal Justice Information Authority, and Sentencing Policy Advisory Council; the Cook County State's Attorney; a State's Attorney selected by the President of the Illinois State's Attorneys Association; the State Appellate Defender; the Cook County Public Defender; a representative of Cook County Adult Probation, a representative of DuPage County Adult Probation; a representative of Sangamon County Adult Probation; and 4 representatives from non-governmental organizations, including service providers.

(2) The Oversight Board shall within one year after the effective date of this Act:

(A) Develop a process to solicit applications from and identify jurisdictions to be included in the Adult Redeploy Illinois program.

(B) Define categories of membership for local entities to participate in the creation and oversight of the local Adult Redeploy Illinois program.

(C) Develop a formula for the allotment of funds to local jurisdictions for local and community-based services in lieu of commitment to the Department of Corrections and a penalty amount for failure to reach the goal of reduced commitments stipulated in the plans.

(D) Develop a standard format for the local plan to be submitted by the local entity created in each county or circuit.

(E) Identify and secure resources sufficient to support the administration and evaluation of Adult Redeploy Illinois.

(F) Develop a process to support ongoing monitoring and evaluation of Adult Redeploy Illinois.

(G) Review local plans and proposed agreements and approve the distribution of resources.

(H) Develop a performance measurement system that includes but is not limited to the following key performance indicators: recidivism, rate of revocations, employment rates, education achievement, successful completion of substance abuse treatment programs, and payment of victim restitution. Each county or circuit shall

include the performance measurement system in its local plan and provide data annually to evaluate its success.

(1) Report annually the results of the performance measurements on a timely basis to the Governor and General Assembly.

AN ACT concerning civil law.
Be it enacted by the People of the State of Illinois, represented in the General Assembly:
Section 5. The Stalking No Contact Order Act is amended by changing Sections 5, 10, and 15 as follows:
(740 ILCS 21/5)
Sec. 5. Purpose. Stalking generally refers to a course of conduct, not a single act. Stalking behavior includes following a person, conducting surveillance of the person, appearing at the person's home, work or school, making unwanted phone calls, sending unwanted emails, unwanted messages via social media, or text messages, leaving objects for the person, vandalizing the person's property, or injuring a pet. Stalking is a serious crime. Victims experience fear for their safety, fear for the safety of others and suffer emotional distress. Many victims alter their daily routines to avoid the persons who are stalking them. Some victims are in such fear that they relocate to another city, town or state. While estimates suggest that 70% of victims know the individuals stalking them, only 30% of victims have dated or been in intimate relationships with their stalkers. All stalking victims should be able to seek a civil remedy requiring the offenders stay away from the victims and third parties.
(Source: P.A. 96-246, eff. 1-1-10.)
(740 ILCS 21/10)
Sec. 10. Definitions. For the purposes of this Act:
"Course of conduct" means 2 or more acts, including but not limited to acts in which a respondent directly, indirectly, or through third parties, by any action, method, device, or means follows, monitors,
observes, surveils, or threatens, or communicates to or about, a person, workplace, school, or place of worship, engages in other contact, or interferes with or damages a person's property or pet. A course of conduct may include contact via electronic communications. The incarceration of a person in a penal institution who commits the course of conduct is not a bar to prosecution under this Section.

"Emotional distress" means significant mental suffering, anxiety or alarm.

"Contact" includes any contact with the victim, that is initiated or continued without the victim's consent, or that is in disregard of the victim's expressed desire that the contact be avoided or discontinued, including but not limited to being in the physical presence of the victim; appearing within the sight of the victim; approaching or confronting the victim in a public place or on private property; appearing at the workplace or residence of the victim; entering onto or remaining on property owned, leased, or occupied by the victim; or placing an object on, or delivering an object to, property owned, leased, or occupied by the victim; and appearing at the prohibited workplace, school, or place of worship.

"Petitioner" means any named petitioner for the stalking no contact order or any named victim of stalking on whose behalf the petition is brought. "Petitioner" includes an authorized agent of a place of employment, an authorized agent of a place of worship, or an authorized agent of a school.

"Reasonable person" means a person in the petitioner's circumstances with the petitioner's knowledge of the respondent and the respondent's prior acts.

"Stalking" means engaging in a course of conduct directed at a specific person, and he or she knows or should know that this course of conduct would cause a reasonable person to fear for his or her safety, the safety of a workplace, school, or place of worship, or the safety of a third person or suffer emotional distress. Stalking does not include an exercise of the right to free speech or assembly that is otherwise lawful or picketing occurring at the workplace that is otherwise lawful and arises out of a bona fide labor dispute, including any controversy concerning wages, salaries, hours, working conditions or benefits, including health and welfare, sick leave, insurance, and pension or retirement provisions, the making or maintaining of collective bargaining agreements, and the terms to be included in those agreements.

"Stalking No Contact Order" means an emergency order or plenary order granted under this Act, which includes a remedy authorized by Section 80 of this Act.

Sec. 15. Persons protected by this Act. A petition for a stalking no contact order may be filed when relief is not available to the petitioner under the Illinois Domestic Violence Act of 1986:

(1) by any person who is a victim of stalking; or
(2) by a person on behalf of a minor child or an adult who
is a victim of stalking but, because of age, disability, health, or
inaccessibility, cannot file the petition; or
(3) by an authorized agent of a workplace;

Section 5. The Illinois Municipal Code is amended by changing
Section 11-1-12 as follows:
(65 ILCS 5/11-1-12)
Sec. 11-1-12. Quotas prohibited. A municipality may not require a
police officer to issue a specific number of citations within a designated
period of time. This prohibition shall not affect the conditions of any
federal or State grants or funds awarded to the municipality and used to
fund traffic enforcement programs.
A municipality may not, for purposes of evaluating a police
officer's job performance, compare the number of citations issued by the
police officer to the number of citations issued by any other police officer
who has similar job duties. Nothing in this Section shall prohibit a
municipality from evaluating a police officer based on the police officer's
points of contact. For the purposes of this Section, "points of contact" means any quantifiable contact made in the furtherance of the police officer's duties, including, but not limited to, the number of traffic stops completed, arrests, written warnings, and crime prevention measures. Points of contact shall not include either the issuance of citations or the number of citations issued by a police officer.

This Section shall not apply to a municipality subject to Section 10-1-18.1 of this Code with its own independent inspector general and law enforcement review authority.

A home rule municipality may not establish requirements for or assess the performance of police officers in a manner inconsistent with this Section. This Section is a denial and limitation of home rule powers and functions under subsection (g) of Section 6 of Article VII of the Illinois Constitution.

House Bill No. 4724)

AN ACT concerning revenue.
Be it enacted by the People of the State of Illinois, represented in the General Assembly:

Section 5. The Illinois Hydraulic Fracturing Tax Act is amended by changing Section 2-30 as follows:

(35 ILCS 450/2-30)
Sec. 2-30. Payment and collection of tax.
(a) For oil and gas removed on or after July 1, 2013, the tax incurred under this Act shall be due and payable on or before the last day of the month following the end of the month in which the oil or gas is removed from the production unit. The tax is upon the producers of such oil or gas in the proportion to their respective beneficial interests at the time of severance. The first purchaser of any oil or gas sold shall collect the amount of the tax due from the producers by deducting and withholding such amount from any payments made by such purchaser to the producers and shall remit the tax in this Act.

In the event the tax shall be withheld by a purchaser from payments due a producer and such purchaser fails to make payment of the tax to the State as required herein, the first purchaser shall be liable for the tax. However, in the event a first purchaser fails to pay the tax withheld from a producer's payment, the producer's interest remains subject to any lien filed pursuant to subsection (c) of this Section. A producer shall be entitled to bring an action against such purchaser to recover the amount of tax so withheld together with penalties and interest which may have accrued by failure to make such payment. A producer shall be entitled to all attorney fees and court costs incurred in such action. To the extent that a producer liable for the tax imposed by this Act collects the tax, and any penalties

and interest, from a purchaser, such tax, penalties, and interest are held in trust by the producer for the benefit of the State of Illinois.

(b) For all production units a first purchaser begins to purchase oil or gas from on or after July 1, 2013, the first purchaser is required to withhold and remit the tax imposed by this Act to the Department from the oil and gas purchased from the production unit unless the first purchaser obtains from the operator an exemption certificate signed by the operator stating that the production unit is not subject to the tax imposed by this Act. The exemption certificate must include the following information:

1. name and address of the operator;
2. name of the production unit;
3. number assigned to the production unit by the first purchaser, if available;
4. legal description of the production unit; and
5. a statement by the operator that the production unit is exempt from the tax imposed by the Illinois Hydraulic Fracturing Tax Act.

If a first purchaser obtains an exemption certificate that contains the required information and reasonably relies on the exemption certificate and it is subsequently determined by the Department that the production unit is subject to the tax imposed by this Act, the Department will collect any tax that is due from the operator and producers, and the first purchaser is relieved of any liability.

First purchasers shall not be required to obtain exemption certificates from the operator until the first high volume horizontal hydraulic fracturing permit has been approved by the Department of Natural Resources after the effective date of this amendatory Act of the 100th General Assembly.

(c) Notwithstanding subsection (a) of this Section, the tax is a lien on the oil and gas from the time of severance from the land or under the water until the tax and all penalties and interest are fully paid, and the State shall have a lien on all the oil or gas severed from the production unit in this State in the hands of the operator, any producer or the first or any subsequent purchaser thereof to secure the payment of the tax. If a lien is filed by the Department, the purchaser shall withhold from producers or operators the amount of tax, penalty and interest identified in the lien.

PUBLIC ACT 100-1011
(Senate Bill No. 2541)

AN ACT concerning education.

Be it enacted by the People of the State of Illinois, represented in the General Assembly:

Section 5. The School Code is amended by changing Section 27-8.1 as follows:

(105 ILCS 5/27-8.1) (from Ch. 122, par. 27-8.1)
Sec. 27-8.1. Health examinations and immunizations.

(1) In compliance with rules and regulations which the Department of Public Health shall promulgate, and except as hereinafter provided, all children in Illinois shall have a health examination as follows: within one year prior to entering kindergarten or the first grade of any public, private, or parochial elementary school; upon entering the sixth and ninth grades of any public, private, or parochial school; prior to entrance into any public,
private, or parochial nursery school; and, irrespective of grade, immediately prior to or upon entrance into any public, private, or parochial school or nursery school, each child shall present proof of having been examined in accordance with this Section and the rules and regulations promulgated hereunder. Any child who received a health examination within one year prior to entering the fifth grade for the 2007-2008 school year is not required to receive an additional health examination in order to comply with the provisions of Public Act 95-422 when he or she attends school for the 2008-2009 school year, unless the child is attending school for the first time as provided in this paragraph.

A tuberculosis skin test screening shall be included as a required part of each health examination included under this Section if the child resides in an area designated by the Department of Public Health as having a high incidence of tuberculosis. Additional health examinations of pupils, including eye examinations, may be required when deemed necessary by school authorities. Parents are encouraged to have their children undergo eye examinations at the same points in time required for health examinations.

(1.5) In compliance with rules adopted by the Department of Public Health and except as otherwise provided in this Section, all children in kindergarten and the second and sixth grades of any public, private, or parochial school shall have a dental examination. Each of these children shall present proof of having been examined by a dentist in accordance with this Section and rules adopted under this Section before May 15th of the school year. If a child in the second or sixth grade fails to present proof by May 15th, the school may hold the child's report card until one of the following occurs: (i) the child presents proof of a completed dental examination or (ii) the child presents proof that a dental examination will take place within 60 days after May 15th. The Department of Public Health shall establish, by rule, a waiver for children who show an undue burden or a lack of access to a dentist. Each public, private, and parochial school must give notice of this dental examination requirement to the parents and guardians of students at least 60 days before May 15th of each school year.

(1.10) Except as otherwise provided in this Section, all children enrolling in kindergarten in a public, private, or parochial school on or after January 1, 2008 (the effective date of Public Act 95-671) this amendatory Act of the 95th General Assembly and any student enrolling for the first time in a public, private, or parochial school on or after

January 1, 2008 (the effective date of Public Act 95-671) this amendatory Act of the 95th General Assembly shall have an eye examination. Each of these children shall present proof of having been examined by a physician licensed to practice medicine in all of its branches or a licensed optometrist within the previous year, in accordance with this Section and rules adopted under this Section, before October 15th of the school year. If the child fails to present proof by October 15th, the school may hold the child's report card until one of the following occurs: (i) the child presents proof of a completed eye examination or (ii) the child presents proof that an eye examination will take place within 60 days after October 15th. The Department of Public Health shall establish, by rule, a waiver for children who show an undue burden or a lack of access to a physician licensed to practice medicine in all of its branches who provides eye examinations or to a licensed optometrist. Each public, private, and parochial school must give notice of this eye examination requirement to the parents and guardians of students in compliance with rules of the Department of Public Health. Nothing in this Section shall be construed to allow a school to exclude a child from attending because of a parent's or guardian's failure to obtain an eye examination for the child.

(2) The Department of Public Health shall promulgate rules and regulations specifying the examinations and procedures that constitute a health examination, which shall include an age-appropriate developmental screening, an age-appropriate social and emotional screening, and the collection of data relating to asthma and obesity (including at a minimum, date of birth, gender, height, weight, blood pressure, and date of exam), and a dental examination and may recommend by rule that certain additional examinations be performed. The rules and regulations of the Department of Public Health shall specify that a tuberculosis skin test screening shall be included as a required part of each health examination included under this Section if the child resides in an area designated by the Department of Public Health as having a high incidence of tuberculosis. With respect to the developmental screening and the social and emotional screening, the Department of Public Health must, no later than January 1, 2019, develop rules and appropriate revisions to the Child Health Examination form in conjunction with a statewide organization representing school boards; a statewide organization representing pediatricians; statewide organizations representing individuals holding Illinois educator licenses with school support personnel endorsements, including school social workers, school psychologists, and school nurses;

a statewide organization representing children's mental health experts; a statewide organization representing school principals; the Director of Healthcare and Family Services or his or her designee, the State Superintendent of Education or his or her designee; and representatives of other appropriate State agencies and, at a minimum, must recommend the use of validated screening tools appropriate to the child's age or grade, and, with regard to the social and emotional screening, require recording only whether or not the screening was completed. The rules shall take into consideration the screening recommendations of the American Academy of Pediatrics and must be consistent with the State Board of Education's social and emotional learning standards. The Department of Public Health shall specify that a diabetes screening as defined by rule shall be included as a required part of each health examination. Diabetes testing is not required.

Physicians licensed to practice medicine in all of its branches, licensed advanced practice registered nurses, or licensed physician assistants shall be responsible for the performance of the health examinations, other than dental examinations, eye examinations, and vision and hearing screening, and shall sign all report forms required by subsection (4) of this Section that pertain to those portions of the health examination for which the physician, advanced practice registered nurse, or physician assistant is responsible. If a registered nurse performs any part of a health examination, then a physician licensed to practice medicine in all of its branches must review and sign all required report forms. Licensed dentists shall perform all dental examinations and shall sign all report forms required by subsection (4) of this Section that pertain to the dental examinations. Physicians licensed to practice medicine in all its branches or licensed optometrists shall perform all eye examinations required by this Section and shall sign all report forms required by subsection (4) of this Section that pertain to the eye examination. For purposes of this Section, an eye examination shall at a minimum include history, visual acuity, subjective refraction to best visual acuity near and far, internal and external examination, and a glaucoma evaluation, as well as any other tests or observations that in the professional judgment of the doctor are necessary. Vision and hearing screening tests, which shall not be considered examinations as that term is used in this Section, shall be conducted in accordance with rules and regulations of the Department of Public Health, and by individuals whom the Department of Public Health has certified. In these rules and regulations, the Department of Public

New matter indicated by italics - deletions by strikeout
Health shall require that individuals conducting vision screening tests give a child's parent or guardian written notification, before the vision screening is conducted, that states, "Vision screening is not a substitute for a complete eye and vision evaluation by an eye doctor. Your child is not required to undergo this vision screening if an optometrist or ophthalmologist has completed and signed a report form indicating that an examination has been administered within the previous 12 months."

(2.5) With respect to the developmental screening and the social and emotional screening portion of the health examination, each child may present proof of having been screened in accordance with this Section and the rules adopted under this Section before October 15th of the school year. With regard to the social and emotional screening only, the examining health care provider shall only record whether or not the screening was completed. If the child fails to present proof of the developmental screening or the social and emotional screening portions of the health examination by October 15th of the school year, qualified school support personnel may, with a parent's or guardian's consent, offer the developmental screening or the social and emotional screening to the child. Each public, private, and parochial school must give notice of the developmental screening and social and emotional screening requirements to the parents and guardians of students in compliance with the rules of the Department of Public Health. Nothing in this Section shall be construed to allow a school to exclude a child from attending because of a parent's or guardian's failure to obtain a developmental screening or a social and emotional screening for the child. Once a developmental screening or a social and emotional screening is completed and proof has been presented to the school, the school may, with a parent's or guardian's consent, make available appropriate school personnel to work with the parent or guardian, the child, and the provider who signed the screening form to obtain any appropriate evaluations and services as indicated on the form and in other information and documentation provided by the parents, guardians, or provider.

(3) Every child shall, at or about the same time as he or she receives a health examination required by subsection (1) of this Section, present to the local school proof of having received such immunizations against preventable communicable diseases as the Department of Public Health shall require by rules and regulations promulgated pursuant to this Section and the Communicable Disease Prevention Act.
(4) The individuals conducting the health examination, dental examination, or eye examination shall record the fact of having conducted the examination, and such additional information as required, including for a health examination data relating to asthma and obesity (including at a minimum, date of birth, gender, height, weight, blood pressure, and date of exam), on uniform forms which the Department of Public Health and the State Board of Education shall prescribe for statewide use. The examiner shall summarize on the report form any condition that he or she suspects indicates a need for special services, including for a health examination factors relating to asthma or obesity. The duty to summarize on the report form does not apply to social and emotional screenings. The confidentiality of the information and records relating to the developmental screening and the social and emotional screening shall be determined by the statutes, rules, and professional ethics governing the type of provider conducting the screening. The individuals confirming the administration of required immunizations shall record as indicated on the form that the immunizations were administered.

(5) If a child does not submit proof of having had either the health examination or the immunization as required, then the child shall be examined or receive the immunization, as the case may be, and present proof by October 15 of the current school year, or by an earlier date of the current school year established by a school district. To establish a date before October 15 of the current school year for the health examination or immunization as required, a school district must give notice of the requirements of this Section 60 days prior to the earlier established date. If for medical reasons one or more of the required immunizations must be given after October 15 of the current school year, or after an earlier established date of the current school year, then the child shall present, by October 15, or by the earlier established date, a schedule for the administration of the immunizations and a statement of the medical reasons causing the delay, both the schedule and the statement being issued by the physician, advanced practice registered nurse, physician assistant, registered nurse, or local health department that will be responsible for administration of the remaining required immunizations. If a child does not comply by October 15, or by the earlier established date of the current school year, with the requirements of this subsection, then the local school authority shall exclude that child from school until such time as the child presents proof of having had the health examination as required and presents proof of having received those required

immunizations which are medically possible to receive immediately. During a child's exclusion from school for noncompliance with this subsection, the child's parents or legal guardian shall be considered in violation of Section 26-1 and subject to any penalty imposed by Section 26-10. This subsection (5) does not apply to dental examinations, eye examinations, and the developmental screening and the social and emotional screening portions of the health examination. If the student is an out-of-state transfer student and does not have the proof required under this subsection (5) before October 15 of the current year or whatever date is set by the school district, then he or she may only attend classes (i) if he or she has proof that an appointment for the required vaccinations has been scheduled with a party authorized to submit proof of the required vaccinations. If the proof of vaccination required under this subsection (5) is not submitted within 30 days after the student is permitted to attend classes, then the student is not to be permitted to attend classes until proof of the vaccinations has been properly submitted. No school district or employee of a school district shall be held liable for any injury or illness to another person that results from admitting an out-of-state transfer student to class that has an appointment scheduled pursuant to this subsection (5).

(6) Every school shall report to the State Board of Education by November 15, in the manner which that agency shall require, the number of children who have received the necessary immunizations and the health examination (other than a dental examination or eye examination) as required, indicating, of those who have not received the immunizations and examination as required, the number of children who are exempt from health examination and immunization requirements on religious or medical grounds as provided in subsection (8). On or before December 1 of each year, every public school district and registered nonpublic school shall make publicly available the immunization data they are required to submit to the State Board of Education by November 15. The immunization data made publicly available must be identical to the data the school district or school has reported to the State Board of Education.

Every school shall report to the State Board of Education by June 30, in the manner that the State Board requires, the number of children who have received the required dental examination, indicating, of those who have not received the required dental examination, the number of children who are exempt from the dental examination on religious grounds as provided in subsection (8) of this Section and the number of children who have received a waiver under subsection (1.5) of this Section.

Every school shall report to the State Board of Education by June 30, in the manner that the State Board requires, the number of children who have received the required eye examination, indicating, of those who have not received the required eye examination, the number of children who are exempt from the eye examination as provided in subsection (8) of this Section, the number of children who have received a waiver under subsection (1.10) of this Section, and the total number of children in noncompliance with the eye examination requirement.

The reported information under this subsection (6) shall be provided to the Department of Public Health by the State Board of Education.

(7) Upon determining that the number of pupils who are required to be in compliance with subsection (5) of this Section is below 90% of the number of pupils enrolled in the school district, 10% of each State aid payment made pursuant to Section 18-8.05 or 18-8.15 to the school district for such year may be withheld by the State Board of Education until the number of students in compliance with subsection (5) is the applicable specified percentage or higher.

(8) Children of parents or legal guardians who object to health, dental, or eye examinations or any part thereof, to immunizations, or to vision and hearing screening tests on religious grounds shall not be required to undergo the examinations, tests, or immunizations to which they so object if such parents or legal guardians present to the appropriate local school authority a signed Certificate of Religious Exemption detailing the grounds for objection and the specific immunizations, tests, or examinations to which they object. The grounds for objection must set forth the specific religious belief that conflicts with the examination, test, immunization, or other medical intervention. The signed certificate shall also reflect the parent's or legal guardian's understanding of the school's exclusion policies in the case of a vaccine-preventable disease outbreak or exposure. The certificate must also be signed by the authorized examining health care provider responsible for the performance of the child's health examination confirming that the provider provided education to the parent or legal guardian on the benefits of immunization and the health risks to the student and to the community of the communicable diseases for which immunization is required in this State. However, the health care provider's signature on the certificate reflects only that education was provided and does not allow a health care provider grounds to determine a religious exemption. Those receiving immunizations required under this Code shall

New matter indicated by italics - deletions by strikeout
be provided with the relevant vaccine information statements that are required to be disseminated by the federal National Childhood Vaccine Injury Act of 1986, which may contain information on circumstances when a vaccine should not be administered, prior to administering a vaccine. A healthcare provider may consider including without limitation the nationally accepted recommendations from federal agencies such as the Advisory Committee on Immunization Practices, the information outlined in the relevant vaccine information statement, and vaccine package inserts, along with the healthcare provider's clinical judgment, to determine whether any child may be more susceptible to experiencing an adverse vaccine reaction than the general population, and, if so, the healthcare provider may exempt the child from an immunization or adopt an individualized immunization schedule. The Certificate of Religious Exemption shall be created by the Department of Public Health and shall be made available and used by parents and legal guardians by the beginning of the 2015-2016 school year. Parents or legal guardians must submit the Certificate of Religious Exemption to their local school authority prior to entering kindergarten, sixth grade, and ninth grade for each child for which they are requesting an exemption. The religious objection stated need not be directed by the tenets of an established religious organization. However, general philosophical or moral reluctance to allow physical examinations, eye examinations, immunizations, vision and hearing screenings, or dental examinations does not provide a sufficient basis for an exception to statutory requirements. The local school authority is responsible for determining if the content of the Certificate of Religious Exemption constitutes a valid religious objection. The local school authority shall inform the parent or legal guardian of exclusion procedures, in accordance with the Department's rules under Part 690 of Title 77 of the Illinois Administrative Code, at the time the objection is presented.

If the physical condition of the child is such that any one or more of the immunizing agents should not be administered, the examining physician, advanced practice registered nurse, or physician assistant responsible for the performance of the health examination shall endorse that fact upon the health examination form.

Exempting a child from the health, dental, or eye examination does not exempt the child from participation in the program of physical education training provided in Sections 27-5 through 27-7 of this Code.

(1) To receive applications and to issue licenses to manufacturers, foreign importers, importing distributors, distributors, non-resident dealers, on premise consumption retailers, off premise sale retailers, special event retailer licensees, special use permit licenses, auction liquor licenses, brew pubs, caterer retailers, non-beverage users, railroads, including owners and lessees of sleeping, dining and cafe cars, airplanes, boats, brokers, and wine maker's premises licensees in accordance with the provisions of this Act, and to suspend or revoke such licenses upon the State commission's determination, upon notice after hearing, that a licensee has violated any provision of this Act or any rule or regulation issued pursuant thereto and in effect for 30 days prior to such violation. Except in the case of an action taken pursuant to a violation of Section 6-3, 6-5, or 6-9, any action by the State Commission to suspend or revoke a licensee's license may be limited to the license for the specific premises where the violation occurred. An action for a violation of this Act shall be commenced by the State Commission within 2 years after the date the State Commission becomes aware of the violation.

In lieu of suspending or revoking a license, the commission may impose a fine, upon the State commission's determination and notice after hearing, that a licensee has violated any provision of this Act or any rule or regulation issued pursuant thereto and in effect for 30 days prior to such violation. For the purpose of this paragraph (1), when determining multiple violations for the sale of alcohol to a person under the age of 21, a second or subsequent violation for the sale of alcohol to a person under the age of 21 shall only be considered if it was committed within 5 years after the date when a prior violation for the sale of alcohol to a person under the age of 21 was committed.

The fine imposed under this paragraph may not exceed $500 for each violation. Each day that the activity, which gave rise to the original fine, continues is a separate violation. The maximum fine that may be levied against any licensee, for the period of the license, shall not exceed $20,000. The maximum penalty that may be imposed on a licensee for selling a bottle of alcoholic liquor with a foreign object in it or serving from a bottle of alcoholic liquor with a foreign object in it shall be the destruction of that bottle of alcoholic liquor for the first 10 bottles

so sold or served from by the licensee. For the eleventh bottle of alcoholic liquor and for each third bottle thereafter sold or served from by the licensee with a foreign object in it, the maximum penalty that may be imposed on the licensee is the destruction of the bottle of alcoholic liquor and a fine of up to $50.

Any notice issued by the State Commission to a licensee for a violation of this Act or any notice with respect to settlement or offer in compromise shall include the field report, photographs, and any other supporting documentation necessary to reasonably inform the licensee of the nature and extent of the violation or the conduct alleged to have occurred.

(2) To adopt such rules and regulations consistent with the provisions of this Act which shall be necessary to carry on its functions and duties to the end that the health, safety and welfare of the People of the State of Illinois shall be protected and temperance in the consumption of alcoholic liquors shall be fostered and promoted and to distribute copies of such rules and regulations to all licensees affected thereby.

(3) To call upon other administrative departments of the State, county and municipal governments, county and city police departments and upon prosecuting officers for such information and assistance as it deems necessary in the performance of its duties.

(4) To recommend to local commissioners rules and regulations, not inconsistent with the law, for the distribution and sale of alcoholic liquors throughout the State.

(5) To inspect, or cause to be inspected, any premises in this State where alcoholic liquors are manufactured, distributed, warehoused, or sold. Nothing in this Act authorizes an agent of the Commission to inspect private areas within the premises without reasonable suspicion or a warrant during an inspection. "Private areas" include, but are not limited to, safes, personal property, and closed desks.

(5.1) Upon receipt of a complaint or upon having knowledge that any person is engaged in business as a manufacturer, importing distributor, distributor, or retailer without a license or valid license, to notify the local liquor authority, file a complaint with the State's Attorney's Office of the county where

the incident occurred, or initiate an investigation with the appropriate law enforcement officials.

(5.2) To issue a cease and desist notice to persons shipping alcoholic liquor into this State from a point outside of this State if the shipment is in violation of this Act.

(5.3) To receive complaints from licensees, local officials, law enforcement agencies, organizations, and persons stating that any licensee has been or is violating any provision of this Act or the rules and regulations issued pursuant to this Act. Such complaints shall be in writing, signed and sworn to by the person making the complaint, and shall state with specificity the facts in relation to the alleged violation. If the Commission has reasonable grounds to believe that the complaint substantially alleges a violation of this Act or rules and regulations adopted pursuant to this Act, it shall conduct an investigation. If, after conducting an investigation, the Commission is satisfied that the alleged violation did occur, it shall proceed with disciplinary action against the licensee as provided in this Act.

(6) To hear and determine appeals from orders of a local commission in accordance with the provisions of this Act, as hereinafter set forth. Hearings under this subsection shall be held in Springfield or Chicago, at whichever location is the more convenient for the majority of persons who are parties to the hearing.

(7) The commission shall establish uniform systems of accounts to be kept by all retail licensees having more than 4 employees, and for this purpose the commission may classify all retail licensees having more than 4 employees and establish a uniform system of accounts for each class and prescribe the manner in which such accounts shall be kept. The commission may also prescribe the forms of accounts to be kept by all retail licensees having more than 4 employees, including but not limited to accounts of earnings and expenses and any distribution, payment, or other distribution of earnings or assets, and any other forms, records and memoranda which in the judgment of the commission may be necessary or appropriate to carry out any of the provisions of this Act, including but not limited to such forms, records and memoranda as will readily and accurately disclose at all times the beneficial ownership of such retail licensed business.

This study shall address the extent to which Illinois currently complies with the provisions of P.L. 102-321 and the rules promulgated pursuant thereto.

As part of its report, the Commission shall provide the following essential information:

(i) the number of retail distributors of tobacco products, by type and geographic area, in the State;

(ii) the number of reported citations and successful convictions, categorized by type and location of retail distributor, for violation of the Prevention of Tobacco Use by Minors and Sale and Distribution of Tobacco Products Act and the Smokeless Tobacco Limitation Act;

To obtain the data necessary to comply with the provisions of P.L. 102-321 and the requirements of this report, the Commission shall conduct random, unannounced inspections of a

geographically and scientifically representative sample of the State's retail tobacco distributors.

The Commission shall consult with the Department of Public Health, the Department of Human Services, the Illinois State Police and any other executive branch agency, and private organizations that may have information relevant to this report.

The Commission may contract with the Food and Drug Administration of the U.S. Department of Health and Human Services to conduct unannounced investigations of Illinois tobacco vendors to determine compliance with federal laws relating to the illegal sale of cigarettes and smokeless tobacco products to persons under the age of 18.

(14) On or before April 30, 2008 and every 2 years thereafter, the Commission shall present a written report to the Governor and the General Assembly that shall be based on a study of the impact of Public Act 95-634 on the business of soliciting, selling, and shipping wine from inside and outside of this State directly to residents of this State. As part of its report, the Commission shall provide all of the following information:

(A) The amount of State excise and sales tax revenues generated.
(B) The amount of licensing fees received.
(C) The number of cases of wine shipped from inside and outside of this State directly to residents of this State.
(D) The number of alcohol compliance operations conducted.
(E) The number of winery shipper's licenses issued.
(F) The number of each of the following: reported violations; cease and desist notices issued by the Commission; notices of violations issued by the Commission and to the Department of Revenue; and notices and complaints of violations to law enforcement officials, including, without limitation, the Illinois Attorney General and the U.S. Department of Treasury's Alcohol and Tobacco Tax and Trade Bureau.

(15) As a means to reduce the underage consumption of alcoholic liquors, the Commission shall conduct alcohol compliance operations to investigate whether businesses that are

soliciting, selling, and shipping wine from inside or outside of this State directly to residents of this State are licensed by this State or are selling or attempting to sell wine to persons under 21 years of age in violation of this Act.

(16) The Commission shall, in addition to notifying any appropriate law enforcement agency, submit notices of complaints or violations of Sections 6-29 and 6-29.1 by persons who do not hold a winery shipper's license under this Act to the Illinois Attorney General and to the U.S. Department of Treasury's Alcohol and Tobacco Tax and Trade Bureau.

(17)(A) A person licensed to make wine under the laws of another state who has a winery shipper's license under this Act and annually produces less than 25,000 gallons of wine or a person who has a first-class or second-class wine manufacturer's license, a first-class or second-class wine-maker's license, or a limited wine manufacturer's license under this Act and annually produces less than 25,000 gallons of wine may make application to the Commission for a self-distribution exemption to allow the sale of not more than 5,000 gallons of the exemption holder's wine to retail licensees per year.

(B) In the application, which shall be sworn under penalty of perjury, such person shall state (1) the date it was established; (2) its volume of production and sales for each year since its establishment; (3) its efforts to establish distributor relationships; (4) that a self-distribution exemption is necessary to facilitate the marketing of its wine; and (5) that it will comply with the liquor and revenue laws of the United States, this State, and any other state where it is licensed.

(C) The Commission shall approve the application for a self-distribution exemption if such person: (1) is in compliance with State revenue and liquor laws; (2) is not a member of any affiliated group that produces more than 25,000 gallons of wine per annum or produces any other alcoholic liquor; (3) will not annually produce for sale more than 25,000 gallons of wine; and (4) will not annually sell more than 5,000 gallons of its wine to retail licensees.

(D) A self-distribution exemption holder shall annually certify to the Commission its production of wine in the previous 12 months and its anticipated production and sales for the next 12 months. The Commission may fine, suspend, or revoke a self-
distribution exemption after a hearing if it finds that the exemption holder has made a material misrepresentation in its application, violated a revenue or liquor law of Illinois, exceeded production of 25,000 gallons of wine in any calendar year, or become part of an affiliated group producing more than 25,000 gallons of wine or any other alcoholic liquor.

(E) Except in hearings for violations of this Act or Public Act 95-634 or a bona fide investigation by duly sworn law enforcement officials, the Commission, or its agents, the Commission shall maintain the production and sales information of a self-distribution exemption holder as confidential and shall not release such information to any person.

(F) The Commission shall issue regulations governing self-distribution exemptions consistent with this Section and this Act.

(G) Nothing in this subsection (17) shall prohibit a self-distribution exemption holder from entering into or simultaneously having a distribution agreement with a licensed Illinois distributor.

(H) It is the intent of this subsection (17) to promote and continue orderly markets. The General Assembly finds that in order to preserve Illinois' regulatory distribution system it is necessary to create an exception for smaller makers of wine as their wines are frequently adjusted in varietals, mixes, vintages, and taste to find and create market niches sometimes too small for distributor or importing distributor business strategies. Limited self-distribution rights will afford and allow smaller makers of wine access to the marketplace in order to develop a customer base without impairing the integrity of the 3-tier system.

(18)(A) A class 1 brewer licensee, who must also be either a licensed brewer or licensed non-resident dealer and annually manufacture less than 930,000 gallons of beer, may make application to the State Commission for a self-distribution exemption to allow the sale of not more than 232,500 gallons of the exemption holder's beer to retail licensees per year.

(B) In the application, which shall be sworn under penalty of perjury, the class 1 brewer licensee shall state (1) the date it was established; (2) its volume of beer manufactured and sold for each year since its establishment; (3) its efforts to establish distributor relationships; (4) that a self-distribution exemption is necessary to facilitate the marketing of its beer; and (5) that it will comply with
the alcoholic beverage and revenue laws of the United States, this State, and any other state where it is licensed.

(C) Any application submitted shall be posted on the State Commission's website at least 45 days prior to action by the State Commission. The State Commission shall approve the application for a self-distribution exemption if the class 1 brewer licensee: (1) is in compliance with the State, revenue, and alcoholic beverage laws; (2) is not a member of any affiliated group that manufactures more than 930,000 gallons of beer per annum or produces any other alcoholic beverages; (3) shall not annually manufacture for sale more than 930,000 gallons of beer; (4) shall not annually sell more than 232,500 gallons of its beer to retail licensees; and (5) has relinquished any brew pub license held by the licensee, including any ownership interest it held in the licensed brew pub.

(D) A self-distribution exemption holder shall annually certify to the State Commission its manufacture of beer during the previous 12 months and its anticipated manufacture and sales of beer for the next 12 months. The State Commission may fine, suspend, or revoke a self-distribution exemption after a hearing if it finds that the exemption holder has made a material misrepresentation in its application, violated a revenue or alcoholic beverage law of Illinois, exceeded the manufacture of 930,000 gallons of beer in any calendar year or became part of an affiliated group manufacturing more than 930,000 gallons of beer or any other alcoholic beverage.

(E) The State Commission shall issue rules and regulations governing self-distribution exemptions consistent with this Act.

(F) Nothing in this paragraph (18) shall prohibit a self-distribution exemption holder from entering into or simultaneously having a distribution agreement with a licensed Illinois importing distributor or a distributor. If a self-distribution exemption holder enters into a distribution agreement and has assigned distribution rights to an importing distributor or distributor, then the self-distribution exemption holder's distribution rights in the assigned territories shall cease in a reasonable time not to exceed 60 days.

(G) It is the intent of this paragraph (18) to promote and continue orderly markets. The General Assembly finds that in order to preserve Illinois' regulatory distribution system, it is necessary to create an exception for smaller manufacturers in order to afford
and allow such smaller manufacturers of beer access to the
marketplace in order to develop a customer base without impairing
the integrity of the 3-tier system.
(b) On or before April 30, 1999, the Commission shall present a
written report to the Governor and the General Assembly that shall be
based on a study of the impact of Public Act 90-739 on the business of
soliciting, selling, and shipping alcoholic liquor from outside of this State
directly to residents of this State.
As part of its report, the Commission shall provide the following
information:
(i) the amount of State excise and sales tax revenues
generated as a result of Public Act 90-739;
(ii) the amount of licensing fees received as a result of
Public Act 90-739;
(iii) the number of reported violations, the number of cease
and desist notices issued by the Commission, the number of notices
of violations issued to the Department of Revenue, and the number
of notices and complaints of violations to law enforcement
officials.

It is also the intent of this Act that any public university participating in this program should, in its best efforts, attempt to delegate scholarship funds amongst a racially diverse range of students and not use a student's race, color, religion, sex (including gender identity, sexual orientation, or pregnancy), national origin, age, disability, or genetic information to disqualify him or her from receiving funds under the program.

(110 ILCS 947/65.100 new)
Sec. 65.100. AIM HIGH Grant Pilot Program.
(a) The General Assembly makes all of the following findings:
(1) Both access and affordability are important aspects of the Illinois Public Agenda for College and Career Success report.
(2) This State is in the top quartile with respect to the percentage of family income needed to pay for college.

New matter indicated by italics - deletions by strikeout
(3) Research suggests that as loan amounts increase, rather than an increase in grant amounts, the probability of college attendance decreases.

(4) There is further research indicating that socioeconomic status may affect the willingness of students to use loans to attend college.

(5) Strategic use of tuition discounting can decrease the amount of loans that students must use to pay for tuition.

(6) A modest, individually tailored tuition discount can make the difference in a student choosing to attend college and enhance college access for low-income and middle-income families.

(7) Even if the federally calculated financial need for college attendance is met, the federally determined Expected Family Contribution can still be a daunting amount.

(8) This State is the second largest exporter of students in the country.

(9) When talented Illinois students attend universities in this State, the State and those universities benefit.

(10) State universities in other states have adopted pricing and incentives that allow many Illinois residents to pay less to attend an out-of-state university than to remain in this State for college.

(11) Supporting Illinois student attendance at Illinois public universities can assist in State efforts to maintain and educate a highly trained workforce.

(12) Modest tuition discounts that are individually targeted and tailored can result in enhanced revenue for public universities.

(13) By increasing a public university's capacity to strategically use tuition discounting, the public university will be capable of creating enhanced tuition revenue by increasing enrollment yields.

(b) In this Section:

"Eligible applicant" means a student from any high school in this State, whether or not recognized by the State Board of Education, who is engaged in a program of study that in due course will be completed by the end of the school year and who meets all of the qualifications and requirements under this Section.

New matter indicated by italics - deletions by strikeout
"Tuition and other necessary fees" includes the customary charge for instruction and use of facilities in general and the additional fixed fees charged for specified purposes that are required generally of non-grant recipients for each academic period for which the grant applicant actually enrolls, but does not include fees payable only once or breakage fees and other contingent deposits that are refundable in whole or in part. The Commission may adopt, by rule not inconsistent with this Section, detailed provisions concerning the computation of tuition and other necessary fees.

(c) Beginning with the 2019-2020 academic year, each public university may establish a merit-based scholarship pilot program known as the AIM HIGH Grant Pilot Program. Each year, the Commission shall receive and consider applications from public universities under this Section. Subject to appropriation and any tuition waiver limitation established by the Board of Higher Education, a public university campus may award a grant to a student under this Section if it finds that the applicant meets all of the following criteria:

(1) He or she is a resident of this State and a citizen or eligible noncitizen of the United States.

(2) He or she files a Free Application for Federal Student Aid and demonstrates financial need with a household income no greater than 6 times the poverty guidelines updated periodically in the Federal Register by the U.S. Department of Health and Human Services under the authority of 42 U.S.C. 9902(2).

(3) He or she meets the minimum cumulative grade point average or ACT or SAT college admissions test score, as determined by the public university campus.

(4) He or she is enrolled in a public university as an undergraduate student on a full-time basis.

(5) He or she has not yet received a baccalaureate degree or the equivalent of 135 semester credit hours.

(6) He or she is not incarcerated.

(7) He or she is not in default on any student loan or does not owe a refund or repayment on any State or federal grant or scholarship.

(8) Any other reasonable criteria, as determined by the public university campus.

(d) Each public university campus shall determine grant renewal criteria consistent with the requirements under this Section.

New matter indicated by italics - deletions by strikeout
(e) Each participating public university campus shall post on its Internet website criteria and eligibility requirements for receiving awards that use funds under this Section that includes a range in the sizes of these individual awards. The criteria and amounts must also be reported to the Commission and the Board of Higher Education, who shall post the information on their respective Internet websites.

(f) After enactment of an appropriation for this Program, the Commission shall determine an allocation of funds to each public university in an amount proportionate to the number of undergraduate students who are residents of this State and citizens or eligible noncitizens of the United States and who were enrolled at each public university campus in the previous academic year. All applications must be made to the Commission on or before a date determined by the Commission and on forms that the Commission shall provide to each public university campus. The form of the application and the information required shall be determined by the Commission and shall include, without limitation, the total public university campus funds used to match funds received from the Commission in the previous academic year under this Section, if any, the total enrollment of undergraduate students who are residents of this State from the previous academic year, and any supporting documents as the Commission deems necessary. Each public university campus shall match the amount of funds received by the Commission with financial aid for eligible students.

A public university campus is not required to claim its entire allocation. The Commission shall make available to all public universities, on a date determined by the Commission, any unclaimed funds and the funds must be made available to those public university campuses in the proportion determined under this subsection (f), excluding from the calculation those public university campuses not claiming their full allocations.

Each public university campus may determine the award amounts for eligible students on an individual or broad basis, but, subject to renewal eligibility, each renewed award may not be less than the amount awarded to the eligible student in his or her first year attending the public university campus. Notwithstanding this limitation, a renewal grant may be reduced due to changes in the student's cost of attendance, including, but not limited to, if a student reduces the number of credit hours in which he or she is enrolled, but remains a full-time student, or switches to a course of study with a lower tuition rate.

New matter indicated by italics - deletions by strikeout
An eligible applicant awarded grant assistance under this Section is eligible to receive other financial aid. Total grant aid to the student from all sources may not exceed the total cost of attendance at the public university campus.

(g) All money allocated to a public university campus under this Section may be used only for financial aid purposes for students attending the public university campus during the academic year, not including summer terms. Any funds received by a public university campus under this Section that are not granted to students in the academic year for which the funds are received must be refunded to the Commission before any new funds are received by the public university campus for the next academic year.

(h) Each public university campus that establishes a Program under this Section must annually report to the Commission, on or before a date determined by the Commission, the number of undergraduate students enrolled at that campus who are residents of this State.

(i) Each public university campus must report to the Commission the total non-loan financial aid amount given by the public university campus to undergraduate students in fiscal year 2018. To be eligible to receive funds under the Program, a public university campus may not decrease the total amount of non-loan financial aid for undergraduate students to an amount lower than the total non-loan financial aid amount given by the public university campus to undergraduate students in fiscal year 2018, not including any funds received from the Commission under this Section or any funds used to match grant awards under this Section.

(j) On or before a date determined by the Commission, each public university campus that participates in the Program under this Section shall annually submit a report to the Commission with all of the following information:

(1) The Program's impact on tuition revenue and enrollment goals and increase in access and affordability at the public university campus.

(2) Total funds received by the public university campus under the Program.

(3) Total non-loan financial aid awarded to undergraduate students attending the public university campus.

(4) Total amount of funds matched by the public university campus.

New matter indicated by italics - deletions by strikeout
(5) Total amount of funds refunded to the Commission by the public university campus.

(6) The percentage of total financial aid distributed under the Program by the public university campus.

(7) The total number of students receiving grants from the public university campus under the Program and those students' grade level, race, gender, income level, family size, Monetary Award Program eligibility, Pell Grant eligibility, and zip code of residence and the amount of each grant award. This information shall include unit record data on those students regarding variables associated with the parameters of the public university's Program, including, but not limited to, a student's ACT or SAT college admissions test score, high school or university cumulative grade point average, or program of study.

On or before October 1, 2020 and annually on or before October 1 thereafter, the Commission shall submit a report with the findings under this subsection (j) and any other information regarding the AIM HIGH Grant Pilot Program to (i) the Governor, (ii) the Speaker of the House of Representatives, (iii) the Minority Leader of the House of Representatives, (iv) the President of the Senate, and (v) the Minority Leader of the Senate. The reports to the General Assembly shall be filed with the Clerk of the House of Representatives and the Secretary of the Senate in electronic form only, in the manner that the Clerk and the Secretary shall direct. PUBLIC ACT 100-1016
(Senate Bill No. 2951)

AN ACT concerning public aid.
Be it enacted by the People of the State of Illinois, represented in the General Assembly:
Section 1. Short title. This Act may be cited as the Early Mental Health and Addictions Treatment Act.
Section 5. Medicaid Pilot Program; early treatment for youth and young adults.
(a) The General Assembly finds as follows:
   (1) Most mental health conditions begin in adolescence and young adulthood, yet it can take an average of 10 years before the right diagnosis and treatment are received.
   (2) Over 850,000 Illinois youth under age 25 will experience a mental health condition.
   (3) Early treatment of significant mental health conditions can enable wellness and recovery and prevent a life of disability or early death from suicide.
   (4) Early treatment leads to higher rates of school completion and employment.
   (5) Illinois’ mental health system is aimed at adults with advanced mental illnesses who have become disabled, rather than focusing on youth in the early stages of a mental health condition to prevent progression.
   (6) Many states are implementing programs and services for the early treatment of significant mental health conditions in youth.
   (7) The cost of early community-based treatment is a fraction of the cost of a life of multiple hospitalizations, disability, criminal justice involvement, and homelessness, the common trajectory for someone with a serious mental health condition.

New matter indicated by italics - deletions by strikeout
(8) Early treatment for adolescents and young adults with mental health conditions will save lives and State dollars.

(b) As the sole Medicaid State agency, the Department of Healthcare and Family Services, in partnership with the Department of Human Services' Division of Mental Health and with meaningful input from stakeholders, shall develop a pilot program under which a qualifying adolescent or young adult, as defined in subsection (d), may receive community-based mental health treatment from a youth-focused community support team for early treatment, as provided in subsection (e), that is specifically tailored to the needs of youth and young adults in the early stages of a serious emotional disturbance or serious mental illness for purposes of stabilizing the youth's condition and symptoms and preventing the worsening of the illness and debilitating or disabling symptoms. The pilot program shall be implemented across a broad spectrum of geographic regions across the State.

(c) Federal waiver or State Plan amendment; implementation timeline.

(1) Federal approval. The Department of Healthcare and Family Services shall submit any necessary application to the federal Centers for Medicare and Medicaid Services for a waiver or State Plan amendment to implement the pilot program described in this Section no later than September 30, 2019. If the Department determines the pilot program can be implemented without federal approval, the Department shall implement the program no later than December 31, 2019. The Department shall not draft any rules in contravention of this timetable for pilot program development and implementation. This pilot program shall be implemented only to the extent that federal financial participation is available.

(2) Implementation. After federal approval is secured, if federal approval is required, the Department of Healthcare and Family Services shall implement the pilot program within 6 months after the date of federal approval.

(d) Qualifying adolescent or young adult. As used in this Section, "qualifying adolescent or young adult" means a person age 16 through 26 who is enrolled in the Medical Assistance Program under Article V of the Illinois Public Aid Code and has a diagnosis of a serious emotional disturbance as interpreted by the federal Substance Abuse and Mental Health Services Administration or a serious mental illness listed in the most recent edition of the Diagnostic and Statistical Manual of Mental Health Disorders.
Disorders. Because the purpose of the pilot program is treatment in the early stages of a significant mental health condition or emotional disturbance for purposes of preventing progression of the illness, debilitating symptoms and disability, a qualifying adolescent or young adult shall not be required to demonstrate disability due to the mental health condition, show a reduction in functioning as a result of the condition, or have a reality impairment (psychosis) to be eligible for services through the pilot program. A qualifying adolescent or young adult who is determined to be eligible for pilot program services before the age of 21 shall continue to be eligible for such services without interruption through age 26 as long as he or she remains enrolled in the Medical Assistance Program.

(e) Community-based treatment model. The pilot program shall create youth-focused community support teams for early treatment. The community-based treatment model shall be a multidisciplinary, team-based model specifically tailored for adolescents and young adults and their needs for wellness, symptom management, and recovery. The model shall take into consideration area workforce, community uniqueness, and cultural diversity. All services shall be evidence-based or evidence-informed as applicable, and the services shall be flexibly provided in-office, in-home, and in-community with an emphasis on in-home and in-community services. The model shall allow for and include each of the following:

1. Community-based, outreach treatment, and wrap-around services that begin in the early stages of a serious mental illness or serious emotional disturbance (functional impairment shall not be required for service eligibility under the pilot program).
2. Youth specific engagement strategies to encourage participation and retention in services.
3. Same-age or similar-age peer services to foster resiliency.
5. Expertise or knowledge in school and university systems, special education and work, volunteer and social life for youth.
6. Evidence-informed and young person-specific psychotherapies.
7. Care coordination for primary care.
8. Medication management.

New matter indicated by italics - deletions by strikeout
(9) Case management for problem solving to address practicable problems, including criminal justice involvement and housing challenges; and assisting the young person or family in organizing all treatment and goals.

(10) Supported education and employment to keep the young person engaged in school and work to attain self-sufficiency.

(11) Trauma-informed expertise for youth.

(12) Substance use treatment expertise.

(f) Pay-for-performance payment model. The Department of Healthcare and Family Services, with meaningful input from stakeholders, shall develop a pay-for-performance payment model aimed at achieving high-quality mental health and overall health and quality of life outcomes for the youth, rather than a fee-for-service payment model. The payment model shall allow for service flexibility to achieve such outcomes, shall cover actual provider costs of delivering the pilot program services to enable sustainability, and shall include all provider costs associated with the data collection for purposes of the analytics and outcomes reporting required under subsection (h). The Department shall ensure that the payment model works as intended by this Section within managed care.

(g) Rulemaking. The Department of Healthcare and Family Services, in partnership with the Department of Human Services' Division of Mental Health and with meaningful input from stakeholders, shall develop rules for purposes of implementation of the pilot program contemplated in this Section within 6 months of federal approval of the pilot program. If the Department determines federal approval is not required for implementation, the Department shall develop rules with meaningful stakeholder input no later than December 31, 2019.

(h) Pilot program analytics and outcomes reports. The Department of Healthcare and Family Services shall engage a third party partner with expertise in program evaluation, analysis, and research at the end of 5 years of implementation to review the outcomes of the pilot program in stabilizing youth with significant mental health conditions early on in their condition to prevent debilitating symptoms and disability and enable youth to reach their full potential. For purposes of evaluating the outcomes of the pilot program, the Department shall require providers of the pilot program services to track the following annual data:

(1) days of inpatient hospital stays of service recipients;

(2) periods of homelessness of service recipients and periods of housing stability;

New matter indicated by italics - deletions by strikeout
(3) periods of criminal justice involvement of service recipients;
(4) avoidance of disability and the need for Supplemental Security Income;
(5) rates of high school, college, or vocational school engagement and graduation for service recipients;
(6) rates of employment annually of service recipients;
(7) average length of stay in pilot program services;
(8) symptom management over time; and
(9) youth satisfaction with their quality of life, pre-pilot and post-pilot program services.

(i) The Department of Healthcare and Family Services shall deliver a final report to the General Assembly on the outcomes of the pilot program within one year after 4 years of full implementation, and after 7 years of full implementation, compared to typical treatment available to other youth with significant mental health conditions, as well as the cost savings associated with the pilot program taking into account all public systems used when an individual with a significant mental health condition does not have access to the right treatment and supports in the early stages of his or her illness.

The reports to the General Assembly shall be filed with the Clerk of the House of Representatives and the Secretary of the Senate in electronic form only, in the manner that the Clerk and the Secretary shall direct.

Post-pilot program discharge outcomes shall be collected for all service recipients who exit the pilot program for up to 3 years after exit. This includes youth who exit the program with planned or unplanned discharges. The post-exit data collected shall include the annual data listed in paragraphs (1) through (9) of subsection (h). Data collection shall be done in a manner that does not violate individual privacy laws. Outcomes for enrollees in the pilot and post-exit outcomes shall be included in the final report to the General Assembly under this subsection (i) within one year of 4 full years of implementation, and in an additional report within one year of 7 full years of implementation in order to provide more information about post-exit outcomes on a greater number of youth who enroll in pilot program services in the final years of the pilot program.

Section 10. Medicaid pilot program for opioid and other drug addictions.

(a) Legislative findings. The General Assembly finds as follows:

New matter indicated by italics - deletions by strikeout
(1) Illinois continues to face a serious and ongoing opioid epidemic.

(2) Opioid-related overdose deaths rose 76% between 2013 and 2016.

(3) Opioid and other drug addictions are life-long diseases that require a disease management approach and not just episodic treatment.

(4) There is an urgent need to create a treatment approach that proactively engages and encourages individuals with opioid and other drug addictions into treatment to help prevent chronic use and a worsening addiction and to significantly curb the rate of overdose deaths.

(b) With the goal of early initial engagement of individuals who have an opioid or other drug addiction in addiction treatment and for keeping individuals engaged in treatment following detoxification, a residential treatment stay, or hospitalization to prevent chronic recurrent drug use, the Department of Healthcare and Family Services, in partnership with the Department of Human Services' Division of Alcoholism and Substance Abuse and with meaningful input from stakeholders, shall develop an Assertive Engagement and Community-Based Clinical Treatment Pilot Program for early treatment of an opioid or other drug addiction. The pilot program shall be implemented across a broad spectrum of geographic regions across the State.

(c) Assertive engagement and community-based clinical treatment services. All services included in the pilot program established under this Section shall be evidence-based or evidence-informed as applicable and the services shall be flexibly provided in-office, in-home, and in-community with an emphasis on in-home and in-community services. The model shall take into consideration area workforce, community uniqueness, and cultural diversity. The model shall, at a minimum, allow for and include each of the following:

(1) Assertive community outreach, engagement, and continuing care strategies to encourage participation and retention in addiction treatment services for both initial engagement into addiction treatment services, and for post-hospitalization, post-detoxification, and post-residential treatment.

(2) Case management for purposes of linking individuals to treatment, ongoing monitoring, problem solving, and assisting individuals in organizing their treatment and goals. Case

management shall be covered for individuals not yet engaged in
treatment for purposes of reaching such individuals early on in
their addiction and for individuals in treatment.

(3) Clinical treatment that is delivered in an individual's
natural environment, including in-home or in-community
treatment, to better equip the individual with coping mechanisms
that may trigger re-use.

(4) Coverage of provider transportation costs in delivering
in-home and in-community services in both rural and urban
settings. For rural communities, the model shall take into account
the wider geographic areas providers are required to travel for in-
home and in-community pilot services for purposes of
reimbursement.

(5) Recovery support services.

(6) For individuals who receive services through the pilot
program but disengage for a short duration (a period of no longer
than 9 months), allow seamless treatment re-engagement in the
pilot program.

(7) Supported education and employment.

(8) Working with the individual's family, school, and other
community support systems.

(9) Service flexibility to enable recovery and positive health
outcomes.

(d) Federal waiver or State Plan amendment; implementation
timeline. The Department shall follow the timeline for application for
federal approval and implementation outlined in subsection (c) of Section
5. The pilot program contemplated in this Section shall be implemented
only to the extent that federal financial participation is available.

(e) Pay-for-performance payment model. The Department of
Healthcare and Family Services, in partnership with the Department of
Human Services' Division of Alcoholism and Substance Abuse and with
meaningful input from stakeholders, shall develop a pay-for-performance
payment model aimed at achieving high quality treatment and overall
health and quality of life outcomes, rather than a fee-for-service payment
model. The payment model shall allow for service flexibility to achieve
such outcomes, shall cover actual provider costs of delivering the pilot
program services to enable sustainability, and shall include all provider
costs associated with the data collection for purposes of the analytics and
outcomes reporting required in subsection (g). The Department shall

ensure that the payment model works as intended by this Section within managed care.

(f) Rulemaking. The Department of Healthcare and Family Services, in partnership with the Department of Human Services’ Division of Alcoholism and Substance Abuse and with meaningful input from stakeholders, shall develop rules for purposes of implementation of the pilot program within 6 months after federal approval of the pilot program. If the Department determines federal approval is not required for implementation, the Department shall develop rules with meaningful stakeholder input no later than December 31, 2019.

(g) Pilot program analytics and outcomes reports. The Department of Healthcare and Family Services shall engage a third party partner with expertise in program evaluation, analysis, and research at the end of 5 years of implementation to review the outcomes of the pilot program in treating addiction and preventing periods of symptom exacerbation and recurrence. For purposes of evaluating the outcomes of the pilot program, the Department shall require providers of the pilot program services to track all of the following annual data:

1. Length of engagement and retention in pilot program services.
2. Recurrence of drug use.
3. Symptom management (the ability or inability to control drug use).
4. Days of hospitalizations related to substance use or residential treatment stays.
5. Periods of homelessness and periods of housing stability.
6. Periods of criminal justice involvement.
7. Educational and employment attainment during following pilot program services.
8. Enrollee satisfaction with his or her quality of life and level of social connectedness, pre-pilot and post-pilot services.

(h) The Department of Healthcare and Family Services shall deliver a final report to the General Assembly on the outcomes of the pilot program within one year after 4 years of full implementation, and after 7 years of full implementation, compared to typical treatment available to other youth with significant mental health conditions, as well as the cost savings associated with the pilot program taking into account all public systems used when an individual with a significant mental health condition

does not have access to the right treatment and supports in the early stages of his or her illness.

The reports to the General Assembly shall be filed with the Clerk of the House of Representatives and the Secretary of the Senate in electronic form only, in the manner that the Clerk and the Secretary shall direct.

Post-pilot program discharge outcomes shall be collected for all service recipients who exit the pilot program for up to 3 years after exit. This includes youth who exit the program with planned or unplanned discharges. The post-exit data collected shall include the annual data listed in paragraphs (1) through (8) of subsection (g). Data collection shall be done in a manner that does not violate individual privacy laws. Outcomes for enrollees in the pilot and post-exit outcomes shall be included in the final report to the General Assembly under this subsection (h) within one year of 4 full years of implementation, and in an additional report within one year of 7 full years of implementation in order to provide more information about post-exit outcomes on a greater number of youth who enroll in pilot program services in the final years of the pilot program.

(5 ILCS 375/6.5)

Sec. 6.5. Health benefits for TRS benefit recipients and TRS dependent beneficiaries.

(a) Purpose. It is the purpose of this amendatory Act of 1995 to transfer the administration of the program of health benefits established for benefit recipients and their dependent beneficiaries under Article 16 of the Illinois Pension Code to the Department of Central Management Services.

New matter indicated by italics - deletions by strikeout
(b) Transition provisions. The Board of Trustees of the Teachers' Retirement System shall continue to administer the health benefit program established under Article 16 of the Illinois Pension Code through December 31, 1995. Beginning January 1, 1996, the Department of Central Management Services shall be responsible for administering a program of health benefits for TRS benefit recipients and TRS dependent beneficiaries under this Section. The Department of Central Management Services and the Teachers' Retirement System shall cooperate in this endeavor and shall coordinate their activities so as to ensure a smooth transition and uninterrupted health benefit coverage.

(c) Eligibility. All persons who were enrolled in the Article 16 program at the time of the transfer shall be eligible to participate in the program established under this Section without any interruption or delay in coverage or limitation as to pre-existing medical conditions. Eligibility to participate shall be determined by the Teachers' Retirement System. Eligibility information shall be communicated to the Department of Central Management Services in a format acceptable to the Department. Eligible TRS benefit recipients may enroll or re-enroll in the program of health benefits established under this Section during any applicable annual open enrollment period and as otherwise permitted by the Department of Central Management Services. A TRS benefit recipient shall not be deemed ineligible to participate solely by reason of the TRS benefit recipient having made a previous election to disenroll or otherwise not participate in the program of health benefits.

A TRS dependent beneficiary who is a child age 19 or over and mentally or physically disabled does not become ineligible to participate by reason of (i) becoming ineligible to be claimed as a dependent for Illinois or federal income tax purposes or (ii) receiving earned income, so long as those earnings are insufficient for the child to be fully self-sufficient.

(d) Coverage. The level of health benefits provided under this Section shall be similar to the level of benefits provided by the program previously established under Article 16 of the Illinois Pension Code.

Group life insurance benefits are not included in the benefits to be provided to TRS benefit recipients and TRS dependent beneficiaries under this Act.

The program of health benefits under this Section may include any or all of the benefit limitations, including but not limited to a reduction in benefits based on eligibility for federal Medicare benefits, that

are provided under subsection (a) of Section 6 of this Act for other health benefit programs under this Act.

(e) Insurance rates and premiums. The Director shall determine the insurance rates and premiums for TRS benefit recipients and TRS dependent beneficiaries, and shall present to the Teachers' Retirement System of the State of Illinois, by April 15 of each calendar year, the rate-setting methodology (including but not limited to utilization levels and costs) used to determine the amount of the health care premiums.

For Fiscal Year 1996, the premium shall be equal to the premium actually charged in Fiscal Year 1995; in subsequent years, the premium shall never be lower than the premium charged in Fiscal Year 1995.

For Fiscal Year 2003, the premium shall not exceed 110% of the premium actually charged in Fiscal Year 2002.

For Fiscal Year 2004, the premium shall not exceed 112% of the premium actually charged in Fiscal Year 2003.

For Fiscal Year 2005, the premium shall not exceed a weighted average of 106.6% of the premium actually charged in Fiscal Year 2004.

For Fiscal Year 2006, the premium shall not exceed a weighted average of 109.1% of the premium actually charged in Fiscal Year 2005.

For Fiscal Year 2007, the premium shall not exceed a weighted average of 103.9% of the premium actually charged in Fiscal Year 2006.

For Fiscal Year 2008 and thereafter, the premium in each fiscal year shall not exceed 105% of the premium actually charged in the previous fiscal year.

Rates and premiums may be based in part on age and eligibility for federal medicare coverage. However, the cost of participation for a TRS dependent beneficiary who is an unmarried child age 19 or over and mentally or physically disabled shall not exceed the cost for a TRS dependent beneficiary who is an unmarried child under age 19 and participates in the same major medical or managed care program.

The cost of health benefits under the program shall be paid as follows:

(1) For a TRS benefit recipient selecting a managed care program, up to 75% of the total insurance rate shall be paid from the Teacher Health Insurance Security Fund. Effective with Fiscal
Year 2007 and thereafter, for a TRS benefit recipient selecting a managed care program, 75% of the total insurance rate shall be paid from the Teacher Health Insurance Security Fund.

(2) For a TRS benefit recipient selecting the major medical coverage program, up to 50% of the total insurance rate shall be paid from the Teacher Health Insurance Security Fund if a managed care program is accessible, as determined by the Teachers' Retirement System. Effective with Fiscal Year 2007 and thereafter, for a TRS benefit recipient selecting the major medical coverage program, 50% of the total insurance rate shall be paid from the Teacher Health Insurance Security Fund if a managed care program is accessible, as determined by the Department of Central Management Services.

For the purpose of this item (3.1), the term "TRS dependent beneficiary who is Medicare primary" means a TRS dependent beneficiary who is participating in Medicare Parts A and B.

(4) Except as otherwise provided in item (3.1), the balance of the rate of insurance, including the entire premium of any coverage for TRS dependent beneficiaries that has been elected, shall be paid by deductions authorized by the TRS benefit recipient to be withheld from his or her monthly annuity or benefit payment from the Teachers' Retirement System; except that (i) if the balance of the cost of coverage exceeds the amount of the monthly annuity

or benefit payment, the difference shall be paid directly to the Teachers' Retirement System by the TRS benefit recipient, and (ii) all or part of the balance of the cost of coverage may, at the school board's option, be paid to the Teachers' Retirement System by the school board of the school district from which the TRS benefit recipient retired, in accordance with Section 10-22.3b of the School Code. The Teachers' Retirement System shall promptly deposit all moneys withheld by or paid to it under this subdivision (e)(4) into the Teacher Health Insurance Security Fund. These moneys shall not be considered assets of the Retirement System.

(f) Financing. Beginning July 1, 1995, all revenues arising from the administration of the health benefit programs established under Article 16 of the Illinois Pension Code or this Section shall be deposited into the Teacher Health Insurance Security Fund, which is hereby created as a nonappropriated trust fund to be held outside the State Treasury, with the State Treasurer as custodian. Any interest earned on moneys in the Teacher Health Insurance Security Fund shall be deposited into the Fund.

Moneys in the Teacher Health Insurance Security Fund shall be used only to pay the costs of the health benefit program established under this Section, including associated administrative costs, and the costs associated with the health benefit program established under Article 16 of the Illinois Pension Code, as authorized in this Section. Beginning July 1, 1995, the Department of Central Management Services may make expenditures from the Teacher Health Insurance Security Fund for those costs.

After other funds authorized for the payment of the costs of the health benefit program established under Article 16 of the Illinois Pension Code are exhausted and until January 1, 1996 (or such later date as may be agreed upon by the Director of Central Management Services and the Secretary of the Teachers' Retirement System), the Secretary of the Teachers' Retirement System may make expenditures from the Teacher Health Insurance Security Fund as necessary to pay up to 75% of the cost of providing health coverage to eligible benefit recipients (as defined in Sections 16-153.1 and 16-153.3 of the Illinois Pension Code) who are enrolled in the Article 16 health benefit program and to facilitate the transfer of administration of the health benefit program to the Department of Central Management Services.

The Department of Central Management Services, or any successor agency designated to procure healthcare contracts pursuant to this Act, is

authorized to establish funds, separate accounts provided by any bank or banks as defined by the Illinois Banking Act, or separate accounts provided by any savings and loan association or associations as defined by the Illinois Savings and Loan Act of 1985 to be held by the Director, outside the State treasury, for the purpose of receiving the transfer of moneys from the Teacher Health Insurance Security Fund. The Department may promulgate rules further defining the methodology for the transfers. Any interest earned by moneys in the funds or accounts shall inure to the Teacher Health Insurance Security Fund. The transferred moneys, and interest accrued thereon, shall be used exclusively for transfers to administrative service organizations or their financial institutions for payments of claims to claimants and providers under the self-insurance health plan. The transferred moneys, and interest accrued thereon, shall not be used for any other purpose including, but not limited to, reimbursement of administration fees due the administrative service organization pursuant to its contract or contracts with the Department.

(g) Contract for benefits. The Director shall by contract, self-insurance, or otherwise make available the program of health benefits for TRS benefit recipients and their TRS dependent beneficiaries that is provided for in this Section. The contract or other arrangement for the provision of these health benefits shall be on terms deemed by the Director to be in the best interest of the State of Illinois and the TRS benefit recipients based on, but not limited to, such criteria as administrative cost, service capabilities of the carrier or other contractor, and the costs of the benefits.

(g-5) Committee. A Teacher Retirement Insurance Program Committee shall be established, to consist of 10 persons appointed by the Governor.

The Committee shall convene at least 4 times each year, and shall consider and make recommendations on issues affecting the program of health benefits provided under this Section. Recommendations of the Committee shall be based on a consensus of the members of the Committee.

If the Teacher Health Insurance Security Fund experiences a deficit balance based upon the contribution and subsidy rates established in this Section and Section 6.6 for Fiscal Year 2008 or thereafter, the Committee shall make recommendations for adjustments to the funding sources established under these Sections.

New matter indicated by italics - deletions by strikeout
In addition, the Committee shall identify proposed solutions to the funding shortfalls that are affecting the Teacher Health Insurance Security Fund, and it shall report those solutions to the Governor and the General Assembly within 6 months after August 15, 2011 (the effective date of Public Act 97-386).

Rates and premiums may be based in part on age and eligibility for federal Medicare coverage. The cost of health benefits under the program shall be paid as follows:

Any interest earned on moneys in the Community College Health Insurance Security Fund shall be deposited into the Fund.

Moneys in the Community College Health Insurance Security Fund shall be used only to pay the costs of the health benefit program established under this Section, including associated administrative costs and the establishment of a program reserve. Beginning January 1, 1999, the Department of Central Management Services may make expenditures from the Community College Health Insurance Security Fund for those costs.

(g) Contract for benefits. The Director shall by contract, self-insurance, or otherwise make available the program of health benefits for community college benefit recipients and their community college dependent beneficiaries that is provided for in this Section. The contract or other arrangement for the provision of these health benefits shall be on terms deemed by the Director to be in the best interest of the State of Illinois and the community college benefit recipients based on, but not limited to, such criteria as administrative cost, service capabilities of the carrier or other contractor, and the costs of the benefits.

(h) Continuation of program. It is the intention of the General Assembly that the program of health benefits provided under this Section be maintained on an ongoing, affordable basis. The program of health benefits provided under this Section may be amended by the State and is not intended to be a pension or retirement benefit subject to protection under Article XIII, Section 5 of the Illinois Constitution.

(i) Other health benefit plans. A health benefit plan provided by a community college district (other than a community college district subject to Article VII of the Public Community College Act) under the terms of a collective bargaining agreement in effect on or prior to the effective date of this amendatory Act of 1997 shall continue in force according to the terms of that agreement, unless otherwise mutually agreed by the parties to

that agreement and the affected retiree. A community college benefit recipient or community college dependent beneficiary whose coverage under such a plan expires shall be eligible to begin participating in the program established under this Section without any interruption or delay in coverage or limitation as to pre-existing medical conditions.

the practice of his or her profession; (11) physical therapy and related services; (12) prescribed drugs, dentures, and prosthetic devices; and eyeglasses prescribed by a physician skilled in the diseases of the eye, or by an optometrist, whichever the person may select; (13) other diagnostic, screening, preventive, and rehabilitative services, including to ensure that the individual's need for intervention or treatment of mental disorders or substance use disorders or co-occurring mental health and substance use disorders is determined using a uniform screening, assessment, and evaluation process inclusive of criteria, for children and adults; for purposes of this item (13), a uniform screening, assessment, and evaluation process refers to a process that includes an appropriate evaluation and, as warranted, a referral; "uniform" does not mean the use of a singular instrument, tool, or process that all must utilize; (14) transportation and such other expenses as may be necessary; (15) medical treatment of sexual assault survivors, as defined in Section 1a of the Sexual Assault Survivors Emergency Treatment Act, for injuries sustained as a result of the sexual assault, including examinations and laboratory tests to discover evidence which may be used in criminal proceedings arising from the sexual assault; (16) the diagnosis and treatment of sickle cell anemia; and (17) any other medical care, and any other type of remedial care recognized under the laws of this State. The term "any other type of remedial care" shall include nursing care and nursing home service for persons who rely on treatment by spiritual means alone through prayer for healing.

Notwithstanding any other provision of this Section, a comprehensive tobacco use cessation program that includes purchasing prescription drugs or prescription medical devices approved by the Food and Drug Administration shall be covered under the medical assistance program under this Article for persons who are otherwise eligible for assistance under this Article.

Notwithstanding any other provision of this Code, reproductive health care that is otherwise legal in Illinois shall be covered under the medical assistance program for persons who are otherwise eligible for medical assistance under this Article.

Notwithstanding any other provision of this Code, the Illinois Department may not require, as a condition of payment for any laboratory test authorized under this Article, that a physician's handwritten signature appear on the laboratory test order form. The Illinois Department may,
however, impose other appropriate requirements regarding laboratory test order documentation.

Upon receipt of federal approval of an amendment to the Illinois Title XIX State Plan for this purpose, the Department shall authorize the Chicago Public Schools (CPS) to procure a vendor or vendors to manufacture eyeglasses for individuals enrolled in a school within the CPS system. CPS shall ensure that its vendor or vendors are enrolled as providers in the medical assistance program and in any capitated Medicaid managed care entity (MCE) serving individuals enrolled in a school within the CPS system. Under any contract procured under this provision, the vendor or vendors must serve only individuals enrolled in a school within the CPS system. Claims for services provided by CPS's vendor or vendors to recipients of benefits in the medical assistance program under this Code, the Children's Health Insurance Program, or the Covering ALL KIDS Health Insurance Program shall be submitted to the Department or the MCE in which the individual is enrolled for payment and shall be reimbursed at the Department's or the MCE's established rates or rate methodologies for eyeglasses.

On and after July 1, 2012, the Department of Healthcare and Family Services may provide the following services to persons eligible for assistance under this Article who are participating in education, training or employment programs operated by the Department of Human Services as successor to the Department of Public Aid:

(1) dental services provided by or under the supervision of a dentist; and

Notwithstanding any other provision of this Code and subject to federal approval, the Department may adopt rules to allow a dentist who is volunteering his or her service at no cost to render dental services through an enrolled not-for-profit health clinic without the dentist personally enrolling as a participating provider in the medical assistance program. A not-for-profit health clinic shall include a public health clinic or Federally Qualified Health Center or other enrolled provider, as determined by the Department, through which dental services covered under this Section are performed. The Department shall establish a process for payment of claims for reimbursement for covered dental services rendered under this provision.

The Illinois Department, by rule, may distinguish and classify the medical services to be provided only in accordance with the classes of persons designated in Section 5-2.

The Department of Healthcare and Family Services must provide coverage and reimbursement for amino acid-based elemental formulas, regardless of delivery method, for the diagnosis and treatment of (i) eosinophilic disorders and (ii) short bowel syndrome when the prescribing physician has issued a written order stating that the amino acid-based elemental formula is medically necessary.

The Illinois Department shall authorize the provision of, and shall authorize payment for, screening by low-dose mammography for the presence of occult breast cancer for women 35 years of age or older who are eligible for medical assistance under this Article, as follows:

(A) A baseline mammogram for women 35 to 39 years of age.

(B) An annual mammogram for women 40 years of age or older.

(C) A mammogram at the age and intervals considered medically necessary by the woman’s health care provider for women under 40 years of age and having a family history of breast cancer, prior personal history of breast cancer, positive genetic testing, or other risk factors.

(D) A comprehensive ultrasound screening and MRI of an entire breast or breasts if a mammogram demonstrates heterogeneous or dense breast tissue, when medically necessary as determined by a physician licensed to practice medicine in all of its branches.

(E) A screening MRI when medically necessary, as determined by a physician licensed to practice medicine in all of its branches.

All screenings shall include a physical breast exam, instruction on self-examination and information regarding the frequency of self-examination and its value as a preventative tool. For purposes of this Section, "low-dose mammography" means the x-ray examination of the breast using equipment dedicated specifically for mammography, including the x-ray tube, filter, compression device, and image receptor, with an average radiation exposure delivery of less than one rad per breast for 2 views of an average size breast. The term also includes digital mammography and includes breast tomosynthesis. As used in this Section,
the term "breast tomosynthesis" means a radiologic procedure that involves the acquisition of projection images over the stationary breast to produce cross-sectional digital three-dimensional images of the breast. If, at any time, the Secretary of the United States Department of Health and Human Services, or its successor agency, promulgates rules or regulations to be published in the Federal Register or publishes a comment in the Federal Register or issues an opinion, guidance, or other action that would require the State, pursuant to any provision of the Patient Protection and Affordable Care Act (Public Law 111-148), including, but not limited to, 42 U.S.C. 18031(d)(3)(B) or any successor provision, to defray the cost of any coverage for breast tomosynthesis outlined in this paragraph, then the requirement that an insurer cover breast tomosynthesis is inoperative other than any such coverage authorized under Section 1902 of the Social Security Act, 42 U.S.C. 1396a, and the State shall not assume any obligation for the cost of coverage for breast tomosynthesis set forth in this paragraph.

On and after January 1, 2016, the Department shall ensure that all networks of care for adult clients of the Department include access to at least one breast imaging Center of Imaging Excellence as certified by the American College of Radiology.

On and after January 1, 2012, providers participating in a quality improvement program approved by the Department shall be reimbursed for screening and diagnostic mammography at the same rate as the Medicare program's rates, including the increased reimbursement for digital mammography.

The Department shall convene an expert panel including representatives of hospitals, free-standing mammography facilities, and doctors, including radiologists, to establish quality standards for mammography.

On and after January 1, 2017, providers participating in a breast cancer treatment quality improvement program approved by the Department shall be reimbursed for breast cancer treatment at a rate that is no lower than 95% of the Medicare program's rates for the data elements included in the breast cancer treatment quality program.

The Department shall convene an expert panel, including representatives of hospitals, free standing breast cancer treatment centers, breast cancer quality organizations, and doctors, including breast surgeons, reconstructive breast surgeons, oncologists, and primary care providers to establish quality standards for breast cancer treatment.

Subject to federal approval, the Department shall establish a rate methodology for mammography at federally qualified health centers and other encounter-rate clinics. These clinics or centers may also collaborate with other hospital-based mammography facilities. By January 1, 2016, the Department shall report to the General Assembly on the status of the provision set forth in this paragraph.

The Department shall establish a methodology to remind women who are age-appropriate for screening mammography, but who have not received a mammogram within the previous 18 months, of the importance and benefit of screening mammography. The Department shall work with experts in breast cancer outreach and patient navigation to optimize these reminders and shall establish a methodology for evaluating their effectiveness and modifying the methodology based on the evaluation.

The Department shall establish a performance goal for primary care providers with respect to their female patients over age 40 receiving an annual mammogram. This performance goal shall be used to provide additional reimbursement in the form of a quality performance bonus to primary care providers who meet that goal.

The Department shall devise a means of case-managing or patient navigation for beneficiaries diagnosed with breast cancer. This program shall initially operate as a pilot program in areas of the State with the highest incidence of mortality related to breast cancer. At least one pilot program site shall be in the metropolitan Chicago area and at least one site shall be outside the metropolitan Chicago area. On or after July 1, 2016, the pilot program shall be expanded to include one site in western Illinois, one site in southern Illinois, one site in central Illinois, and 4 sites within metropolitan Chicago. An evaluation of the pilot program shall be carried out measuring health outcomes and cost of care for those served by the pilot program compared to similarly situated patients who are not served by the pilot program.

The Department shall require all networks of care to develop a means either internally or by contract with experts in navigation and community outreach to navigate cancer patients to comprehensive care in a timely fashion. The Department shall require all networks of care to include access for patients diagnosed with cancer to at least one academic commission on cancer-accredited cancer program as an in-network covered benefit.

Any medical or health care provider shall immediately recommend, to any pregnant woman who is being provided prenatal services and is

suspected of drug abuse or is addicted as defined in the Alcoholism and Other Drug Abuse and Dependency Act, referral to a local substance abuse treatment provider licensed by the Department of Human Services or to a licensed hospital which provides substance abuse treatment services. The Department of Healthcare and Family Services shall assure coverage for the cost of treatment of the drug abuse or addiction for pregnant recipients in accordance with the Illinois Medicaid Program in conjunction with the Department of Human Services.

All medical providers providing medical assistance to pregnant women under this Code shall receive information from the Department on the availability of services under the Drug Free Families with a Future or any comparable program providing case management services for addicted women, including information on appropriate referrals for other social services that may be needed by addicted women in addition to treatment for addiction.

The Illinois Department, in cooperation with the Departments of Human Services (as successor to the Department of Alcoholism and Substance Abuse) and Public Health, through a public awareness campaign, may provide information concerning treatment for alcoholism and drug abuse and addiction, prenatal health care, and other pertinent programs directed at reducing the number of drug-affected infants born to recipients of medical assistance.

Neither the Department of Healthcare and Family Services nor the Department of Human Services shall sanction the recipient solely on the basis of her substance abuse.

The Illinois Department shall establish such regulations governing the dispensing of health services under this Article as it shall deem appropriate. The Department should seek the advice of formal professional advisory committees appointed by the Director of the Illinois Department for the purpose of providing regular advice on policy and administrative matters, information dissemination and educational activities for medical and health care providers, and consistency in procedures to the Illinois Department.

The Illinois Department may develop and contract with Partnerships of medical providers to arrange medical services for persons eligible under Section 5-2 of this Code. Implementation of this Section may be by demonstration projects in certain geographic areas. The Partnership shall be represented by a sponsor organization. The Department, by rule, shall develop qualifications for sponsors of

New matter indicated by italics - deletions by strikeout
Partnerships. Nothing in this Section shall be construed to require that the sponsor organization be a medical organization.

The sponsor must negotiate formal written contracts with medical providers for physician services, inpatient and outpatient hospital care, home health services, treatment for alcoholism and substance abuse, and other services determined necessary by the Illinois Department by rule for delivery by Partnerships. Physician services must include prenatal and obstetrical care. The Illinois Department shall reimburse medical services delivered by Partnership providers to clients in target areas according to provisions of this Article and the Illinois Health Finance Reform Act, except that:

(1) Physicians participating in a Partnership and providing certain services, which shall be determined by the Illinois Department, to persons in areas covered by the Partnership may receive an additional surcharge for such services.

(2) The Department may elect to consider and negotiate financial incentives to encourage the development of Partnerships and the efficient delivery of medical care.

(3) Persons receiving medical services through Partnerships may receive medical and case management services above the level usually offered through the medical assistance program.

Medical providers shall be required to meet certain qualifications to participate in Partnerships to ensure the delivery of high quality medical services. These qualifications shall be determined by rule of the Illinois Department and may be higher than qualifications for participation in the medical assistance program. Partnership sponsors may prescribe reasonable additional qualifications for participation by medical providers, only with the prior written approval of the Illinois Department.

Nothing in this Section shall limit the free choice of practitioners, hospitals, and other providers of medical services by clients. In order to ensure patient freedom of choice, the Illinois Department shall immediately promulgate all rules and take all other necessary actions so that provided services may be accessed from therapeutically certified optometrists to the full extent of the Illinois Optometric Practice Act of 1987 without discriminating between service providers.

The Department shall apply for a waiver from the United States Health Care Financing Administration to allow for the implementation of Partnerships under this Section.
The Illinois Department shall require health care providers to maintain records that document the medical care and services provided to recipients of Medical Assistance under this Article. Such records must be retained for a period of not less than 6 years from the date of service or as provided by applicable State law, whichever period is longer, except that if an audit is initiated within the required retention period then the records must be retained until the audit is completed and every exception is resolved. The Illinois Department shall require health care providers to make available, when authorized by the patient, in writing, the medical records in a timely fashion to other health care providers who are treating or serving persons eligible for Medical Assistance under this Article. All dispensers of medical services shall be required to maintain and retain business and professional records sufficient to fully and accurately document the nature, scope, details and receipt of the health care provided to persons eligible for medical assistance under this Code, in accordance with regulations promulgated by the Illinois Department. The rules and regulations shall require that proof of the receipt of prescription drugs, dentures, prosthetic devices and eyeglasses by eligible persons under this Section accompany each claim for reimbursement submitted by the dispenser of such medical services. No such claims for reimbursement shall be approved for payment by the Illinois Department without such proof of receipt, unless the Illinois Department shall have put into effect and shall be operating a system of post-payment audit and review which shall, on a sampling basis, be deemed adequate by the Illinois Department to assure that such drugs, dentures, prosthetic devices and eyeglasses for which payment is being made are actually being received by eligible recipients. Within 90 days after September 16, 1984 (the effective date of Public Act 83-1439), the Illinois Department shall establish a current list of acquisition costs for all prosthetic devices and any other items recognized as medical equipment and supplies reimbursable under this Article and shall update such list on a quarterly basis, except that the acquisition costs of all prescription drugs shall be updated no less frequently than every 30 days as required by Section 5-5.12.

Notwithstanding any other law to the contrary, the Illinois Department shall, within 365 days after July 22, 2013 (the effective date of Public Act 98-104), establish procedures to permit skilled care facilities licensed under the Nursing Home Care Act to submit monthly billing claims for reimbursement purposes. Following development of these procedures, the Department shall, by July 1, 2016, test the viability of the
new system and implement any necessary operational or structural changes to its information technology platforms in order to allow for the direct acceptance and payment of nursing home claims.

Notwithstanding any other law to the contrary, the Illinois Department shall, within 365 days after August 15, 2014 (the effective date of Public Act 98-963), establish procedures to permit ID/DD facilities licensed under the ID/DD Community Care Act and MC/DD facilities licensed under the MC/DD Act to submit monthly billing claims for reimbursement purposes. Following development of these procedures, the Department shall have an additional 365 days to test the viability of the new system and to ensure that any necessary operational or structural changes to its information technology platforms are implemented.

The Illinois Department shall require all dispensers of medical services, other than an individual practitioner or group of practitioners, desiring to participate in the Medical Assistance program established under this Article to disclose all financial, beneficial, ownership, equity, surety or other interests in any and all firms, corporations, partnerships, associations, business enterprises, joint ventures, agencies, institutions or other legal entities providing any form of health care services in this State under this Article.

The Illinois Department may require that all dispensers of medical services desiring to participate in the medical assistance program established under this Article disclose, under such terms and conditions as the Illinois Department may by rule establish, all inquiries from clients and attorneys regarding medical bills paid by the Illinois Department, which inquiries could indicate potential existence of claims or liens for the Illinois Department.

Enrollment of a vendor shall be subject to a provisional period and shall be conditional for one year. During the period of conditional enrollment, the Department may terminate the vendor's eligibility to participate in, or may disenroll the vendor from, the medical assistance program without cause. Unless otherwise specified, such termination of eligibility or disenrollment is not subject to the Department's hearing process. However, a disenrolled vendor may reapply without penalty.

The Department has the discretion to limit the conditional enrollment period for vendors based upon category of risk of the vendor.

Prior to enrollment and during the conditional enrollment period in the medical assistance program, all vendors shall be subject to enhanced oversight, screening, and review based on the risk of fraud, waste, and

New matter indicated by italics - deletions by strikeout
abuse that is posed by the category of risk of the vendor. The Illinois Department shall establish the procedures for oversight, screening, and review, which may include, but need not be limited to: criminal and financial background checks; fingerprinting; license, certification, and authorization verifications; unscheduled or unannounced site visits; database checks; prepayment audit reviews; audits; payment caps; payment suspensions; and other screening as required by federal or State law.

The Department shall define or specify the following: (i) by provider notice, the "category of risk of the vendor" for each type of vendor, which shall take into account the level of screening applicable to a particular category of vendor under federal law and regulations; (ii) by rule or provider notice, the maximum length of the conditional enrollment period for each category of risk of the vendor; and (iii) by rule, the hearing rights, if any, afforded to a vendor in each category of risk of the vendor that is terminated or disenrolled during the conditional enrollment period.

To be eligible for payment consideration, a vendor's payment claim or bill, either as an initial claim or as a resubmitted claim following prior rejection, must be received by the Illinois Department, or its fiscal intermediary, no later than 180 days after the latest date on the claim on which medical goods or services were provided, with the following exceptions:

(1) In the case of a provider whose enrollment is in process by the Illinois Department, the 180-day period shall not begin until the date on the written notice from the Illinois Department that the provider enrollment is complete.

(2) In the case of errors attributable to the Illinois Department or any of its claims processing intermediaries which result in an inability to receive, process, or adjudicate a claim, the 180-day period shall not begin until the provider has been notified of the error.

(3) In the case of a provider for whom the Illinois Department initiates the monthly billing process.

(4) In the case of a provider operated by a unit of local government with a population exceeding 3,000,000 when local government funds finance federal participation for claims payments.

For claims for services rendered during a period for which a recipient received retroactive eligibility, claims must be filed within 180 days...
days after the Department determines the applicant is eligible. For claims for which the Illinois Department is not the primary payer, claims must be submitted to the Illinois Department within 180 days after the final adjudication by the primary payer.

In the case of long term care facilities, within 45 calendar days of receipt by the facility of required prescreening information, new admissions with associated admission documents shall be submitted through the Medical Electronic Data Interchange (MEDI) or the Recipient Eligibility Verification (REV) System or shall be submitted directly to the Department of Human Services using required admission forms. Effective September 1, 2014, admission documents, including all prescreening information, must be submitted through MEDI or REV. Confirmation numbers assigned to an accepted transaction shall be retained by a facility to verify timely submittal. Once an admission transaction has been completed, all resubmitted claims following prior rejection are subject to receipt no later than 180 days after the admission transaction has been completed.

Claims that are not submitted and received in compliance with the foregoing requirements shall not be eligible for payment under the medical assistance program, and the State shall have no liability for payment of those claims.

To the extent consistent with applicable information and privacy, security, and disclosure laws, State and federal agencies and departments shall provide the Illinois Department access to confidential and other information and data necessary to perform eligibility and payment verifications and other Illinois Department functions. This includes, but is not limited to: information pertaining to licensure; certification; earnings; immigration status; citizenship; wage reporting; unearned and earned income; pension income; employment; supplemental security income; social security numbers; National Provider Identifier (NPI) numbers; the National Practitioner Data Bank (NPDB); program and agency exclusions; taxpayer identification numbers; tax delinquency; corporate information; and death records.

The Illinois Department shall enter into agreements with State agencies and departments, and is authorized to enter into agreements with federal agencies and departments, under which such agencies and departments shall share data necessary for medical assistance program integrity functions and oversight. The Illinois Department shall develop, in cooperation with other State departments and agencies, and in compliance

with applicable federal laws and regulations, appropriate and effective methods to share such data. At a minimum, and to the extent necessary to provide data sharing, the Illinois Department shall enter into agreements with State agencies and departments, and is authorized to enter into agreements with federal agencies and departments, including but not limited to: the Secretary of State; the Department of Revenue; the Department of Public Health; the Department of Human Services; and the Department of Financial and Professional Regulation.

Beginning in fiscal year 2013, the Illinois Department shall set forth a request for information to identify the benefits of a pre-payment, post-adjudication, and post-edit claims system with the goals of streamlining claims processing and provider reimbursement, reducing the number of pending or rejected claims, and helping to ensure a more transparent adjudication process through the utilization of: (i) provider data verification and provider screening technology; and (ii) clinical code editing; and (iii) pre-pay, pre- or post-adjudicated predictive modeling with an integrated case management system with link analysis. Such a request for information shall not be considered as a request for proposal or as an obligation on the part of the Illinois Department to take any action or acquire any products or services.

The Illinois Department shall establish policies, procedures, standards and criteria by rule for the acquisition, repair and replacement of orthotic and prosthetic devices and durable medical equipment. Such rules shall provide, but not be limited to, the following services: (1) immediate repair or replacement of such devices by recipients; and (2) rental, lease, purchase or lease-purchase of durable medical equipment in a cost-effective manner, taking into consideration the recipient's medical prognosis, the extent of the recipient's needs, and the requirements and costs for maintaining such equipment. Subject to prior approval, such rules shall enable a recipient to temporarily acquire and use alternative or substitute devices or equipment pending repairs or replacements of any device or equipment previously authorized for such recipient by the Department. Notwithstanding any provision of Section 5-5f to the contrary, the Department may, by rule, exempt certain replacement wheelchair parts from prior approval and, for wheelchairs, wheelchair parts, wheelchair accessories, and related seating and positioning items, determine the wholesale price by methods other than actual acquisition costs.
The Department shall require, by rule, all providers of durable medical equipment to be accredited by an accreditation organization approved by the federal Centers for Medicare and Medicaid Services and recognized by the Department in order to bill the Department for providing durable medical equipment to recipients. No later than 15 months after the effective date of the rule adopted pursuant to this paragraph, all providers must meet the accreditation requirement.

In order to promote environmental responsibility, meet the needs of recipients and enrollees, and achieve significant cost savings, the Department, or a managed care organization under contract with the Department, may provide recipients or managed care enrollees who have a prescription or Certificate of Medical Necessity access to refurbished durable medical equipment under this Section (excluding prosthetic and orthotic devices as defined in the Orthotics, Prosthetics, and Pedorthics Practice Act and complex rehabilitation technology products and associated services) through the State's assistive technology program's reutilization program, using staff with the Assistive Technology Professional (ATP) Certification if the refurbished durable medical equipment: (i) is available; (ii) is less expensive, including shipping costs, than new durable medical equipment of the same type; (iii) is able to withstand at least 3 years of use; (iv) is cleaned, disinfected, sterilized, and safe in accordance with federal Food and Drug Administration regulations and guidance governing the reprocessing of medical devices in health care settings; and (v) equally meets the needs of the recipient or enrollee. The reutilization program shall confirm that the recipient or enrollee is not already in receipt of same or similar equipment from another service provider, and that the refurbished durable medical equipment equally meets the needs of the recipient or enrollee. Nothing in this paragraph shall be construed to limit recipient or enrollee choice to obtain new durable medical equipment or place any additional prior authorization conditions on enrollees of managed care organizations.

The Department shall execute, relative to the nursing home prescreening project, written inter-agency agreements with the Department of Human Services and the Department on Aging, to effect the following: (i) intake procedures and common eligibility criteria for those persons who are receiving non-institutional services; and (ii) the establishment and development of non-institutional services in areas of the State where they are not currently available or are undeveloped; and (iii) notwithstanding any other provision of law, subject to federal approval, on and after July 1,
2012, an increase in the determination of need (DON) scores from 29 to 37 for applicants for institutional and home and community-based long term care; if and only if federal approval is not granted, the Department may, in conjunction with other affected agencies, implement utilization controls or changes in benefit packages to effectuate a similar savings amount for this population; and (iv) no later than July 1, 2013, minimum level of care eligibility criteria for institutional and home and community-based long term care; and (v) no later than October 1, 2013, establish procedures to permit long term care providers access to eligibility scores for individuals with an admission date who are seeking or receiving services from the long term care provider. In order to select the minimum level of care eligibility criteria, the Governor shall establish a workgroup that includes affected agency representatives and stakeholders representing the institutional and home and community-based long term care interests. This Section shall not restrict the Department from implementing lower level of care eligibility criteria for community-based services in circumstances where federal approval has been granted.

The Illinois Department shall develop and operate, in cooperation with other State Departments and agencies and in compliance with applicable federal laws and regulations, appropriate and effective systems of health care evaluation and programs for monitoring of utilization of health care services and facilities, as it affects persons eligible for medical assistance under this Code.

(a) actual statistics and trends in utilization of medical services by public aid recipients;
(b) actual statistics and trends in the provision of the various medical services by medical vendors;
(c) current rate structures and proposed changes in those rate structures for the various medical vendors; and
(d) efforts at utilization review and control by the Illinois Department.

The period covered by each report shall be the 3 years ending on the June 30 prior to the report. The report shall include suggested legislation for consideration by the General Assembly. The filing of one copy of the report with the Speaker, one copy with the Minority Leader and one copy with the Clerk of the House of Representatives, one copy
with the President, one copy with the Minority Leader and one copy with
the Secretary of the Senate, one copy with the Legislative Research Unit,
and such additional copies with the State Government Report Distribution
Center for the General Assembly as is required under paragraph (t) of
Section 7 of the State Library Act shall be deemed sufficient to comply
with this Section.

Rulemaking authority to implement Public Act 95-1045, if any, is
conditioned on the rules being adopted in accordance with all provisions
of the Illinois Administrative Procedure Act and all rules and procedures
of the Joint Committee on Administrative Rules; any purported rule not so
adopted, for whatever reason, is unauthorized.

On and after July 1, 2012, the Department shall reduce any rate of
reimbursement for services or other payments or alter any methodologies
authorized by this Code to reduce any rate of reimbursement for services
or other payments in accordance with Section 5-5e.

Because kidney transplantation can be an appropriate, cost
effective alternative to renal dialysis when medically necessary and
notwithstanding the provisions of Section 1-11 of this Code, beginning
October 1, 2014, the Department shall cover kidney transplantation for
noncitizens with end-stage renal disease who are not eligible for
comprehensive medical benefits, who meet the residency requirements of
Section 5-3 of this Code, and who would otherwise meet the financial
requirements of the appropriate class of eligible persons under Section 5-2
of this Code. To qualify for coverage of kidney transplantation, such
person must be receiving emergency renal dialysis services covered by the
Department. Providers under this Section shall be prior approved and
certified by the Department to perform kidney transplantation and the
services under this Section shall be limited to services associated with
kidney transplantation.

Notwithstanding any other provision of this Code to the contrary,
on or after July 1, 2015, all FDA approved forms of medication assisted
treatment prescribed for the treatment of alcohol dependence or treatment
of opioid dependence shall be covered under both fee for service and
managed care medical assistance programs for persons who are otherwise
eligible for medical assistance under this Article and shall not be subject to
any (1) utilization control, other than those established under the American

(c) The Department shall reimburse any Medicaid certified eligible facility or provider organization that acts as the location of the patient at the time a telehealth service is rendered, including substance abuse centers licensed by the Department of Human Services' Division of Alcoholism and Substance Abuse.

(d) On and after July 1, 2012, the Department shall reduce any rate of reimbursement for services or other payments or alter any methodologies authorized by this Code to reduce any rate of reimbursement for services or other payments in accordance with Section 5-5e.

(2) Each insured that is covered for mental, emotional, nervous, or substance use disorders or conditions shall be free to select the physician licensed to practice medicine in all its branches, licensed clinical psychologist, licensed clinical social worker, licensed clinical professional counselor, licensed marriage and family therapist, licensed speech-language pathologist, or other licensed or certified professional at a program licensed pursuant to the Illinois Alcoholism and Other Drug Abuse and Dependency Act of his choice to treat such disorders, and the insurer shall pay the covered charges of such physician licensed to practice medicine in all its branches, licensed clinical psychologist, licensed clinical social worker, licensed clinical professional counselor, licensed marriage and family therapist, licensed speech-language pathologist, or other licensed or certified professional at a program licensed pursuant to the Illinois Alcoholism and Other Drug Abuse and Dependency Act up to the limits of coverage, provided (i) the disorder or condition treated is covered by the policy, and (ii) the physician, licensed psychologist, licensed clinical social worker, licensed clinical professional counselor, licensed marriage and family therapist, licensed speech-language pathologist, or other licensed or certified professional at a program licensed pursuant to the Illinois Alcoholism and Other Drug Abuse and Dependency Act is authorized to provide said services under the statutes of this State and in accordance with accepted principles of his profession.

(3) Insofar as this Section applies solely to licensed clinical social workers, licensed clinical professional counselors, licensed marriage and family therapists, licensed speech-language pathologists, and other licensed or certified professionals at programs licensed pursuant to the Illinois Alcoholism and Other Drug Abuse and Dependency Act, those persons who may provide services to individuals shall do so after the licensed clinical social worker, licensed clinical professional counselor, licensed marriage and family therapist, licensed speech-language pathologist, or other licensed or certified professional at a program licensed pursuant to the Illinois Alcoholism and Other Drug Abuse and Dependency Act has informed the patient of the desirability of the patient
conferring with the patient's primary care physician and the licensed clinical social worker, licensed clinical professional counselor, licensed marriage and family therapist, licensed speech-language pathologist, or other licensed or certified professional at a program licensed pursuant to the Illinois Alcoholism and Other Drug Abuse and Dependency Act has provided written notification to the patient's primary care physician, if any, that services are being provided to the patient. Those forms shall be retained by the licensed clinical social worker, licensed clinical professional counselor, licensed marriage and family therapist, licensed speech-language pathologist, or other licensed or certified professional at a program licensed pursuant to the Illinois Alcoholism and Other Drug Abuse and Dependency Act for a period of not less than 5 years.

(b)(1) An insurer that provides coverage for hospital or medical expenses under a group or individual policy of accident and health insurance or health care plan amended, delivered, issued, or renewed on or after the effective date of this amendatory Act of the 100th General Assembly shall provide coverage under the policy for treatment of serious mental illness and substance use disorders consistent with the parity requirements of Section 370c.1 of this Code. An insurer shall provide a mechanism for the timely review by a provider holding the same license and practicing in the same specialty as the patient's provider, who is unaffiliated with the insurer, jointly selected by the patient (or the patient's next of kin or legal representative if the patient is unable to act for himself or herself), the patient's provider, and the insurer in the event of a dispute between the insurer and patient's provider regarding the medical necessity of a treatment proposed by a patient's provider. If the reviewing provider determines the treatment to be medically necessary, the insurer shall provide reimbursement for the treatment. Future contractual or employment actions by the insurer regarding the patient's provider may not be based on the provider's participation in this procedure. Nothing prevents the insured from agreeing in writing to continue treatment at his or her expense. When making a determination of the medical necessity for a treatment modality for serious mental illness or substance use disorder, an insurer must make the determination in a manner that is consistent with the manner used to make that determination with respect to other diseases or illnesses covered under the policy, including an appeals process. (C) (Blank).

(5) An issuer of a group health benefit plan may not count toward the number of outpatient visits required to be covered under this Section an outpatient visit for the purpose of medication management and shall cover the outpatient visits under the same terms and conditions as it covers outpatient visits for the treatment of physical illness.

(5.5) An individual or group health benefit plan amended, delivered, issued, or renewed on or after the effective date of this amendatory Act of the 99th General Assembly shall offer coverage for medically necessary acute treatment services and medically necessary clinical stabilization services. (f) As used in this Section, "group policy of accident and health insurance" and "group health benefit plan" includes (1) State-regulated employer-sponsored group health insurance plans written in Illinois and (2) State employee health plans.

shall comply with the requirements of this Section and Section 370c.1. The services for the treatment and the ongoing assessment of the patient's progress in treatment shall follow the requirements of 77 Ill. Adm. Code 2060.

(3) Prior authorization shall not be utilized for the benefits under this subsection. The substance use disorder treatment provider or facility shall notify the insurer of the initiation of treatment. For an insurer that is not a managed care organization, the substance use disorder treatment provider or facility notification shall occur for the initiation of treatment of the covered person within 2 business days. For managed care organizations, the substance use disorder treatment provider or facility notification shall occur in accordance with the protocol set forth in the provider agreement for initiation of treatment within 24 hours. If the managed care organization is not capable of accepting the notification in accordance with the contractual protocol during the 24-hour period following admission, the substance use disorder treatment provider or facility shall have one additional business day to provide the notification to the appropriate managed care organization. Treatment plans shall be developed in accordance with the requirements and timeframes established in 77 Ill. Adm. Code 2060. If the substance use disorder treatment provider or facility fails to notify the insurer of the initiation of treatment in accordance with these provisions, the insurer may follow its normal prior authorization processes.

(4) For an insurer that is not a managed care organization, if an insurer determines that benefits are no longer medically necessary, the insurer shall notify the covered person, the covered person's authorized representative, if any, and the covered person's health care provider in writing of the covered person's right to request an external review pursuant to the Health Carrier External Review Act. The notification shall occur within 24 hours following the adverse determination.

Pursuant to the requirements of the Health Carrier External Review Act, the covered person or the covered person's authorized representative may request an expedited external review. An expedited external review may not occur if the substance use disorder treatment provider or facility determines that continued treatment is no longer medically necessary. Under this subsection, a request for expedited external review must be initiated within 24 hours following the adverse determination notification by the insurer. Failure to request an expedited external review within 24 hours shall preclude a covered person or a
covered person's authorized representative from requesting an expedited external review.

If an expedited external review request meets the criteria of the Health Carrier External Review Act, an independent review organization shall make a final determination of medical necessity within 72 hours. If an independent review organization upholds an adverse determination, an insurer shall remain responsible to provide coverage of benefits through the day following the determination of the independent review organization. A decision to reverse an adverse determination shall comply with the Health Carrier External Review Act.

(5) The substance use disorder treatment provider or facility shall provide the insurer with 7 business days' advance notice of the planned discharge of the patient from the substance use disorder treatment provider or facility and notice on the day that the patient is discharged from the substance use disorder treatment provider or facility.

(6) The benefits required by this subsection shall be provided to all covered persons with a diagnosis of substance use disorder or conditions. The presence of additional related or unrelated diagnoses shall not be a basis to reduce or deny the benefits required by this subsection.

(7) Nothing in this subsection shall be construed to require an insurer to provide coverage for any of the benefits in this subsection.

PUBLIC ACT 100-1025
(Senate Bill No. 3023)

AN ACT concerning substance use disorder treatment.

Be it enacted by the People of the State of Illinois, represented in the General Assembly:

Section 1. Short title. This Act may be cited as the Community-Law Enforcement Partnership for Deflection and Substance Use Disorder Treatment Act.

Section 5. Purposes. The General Assembly hereby acknowledges that opioid use disorders, overdoses, and deaths in Illinois are persistent and growing concerns for Illinois communities. These concerns compound existing challenges to adequately address and manage substance use and mental health disorders. Law enforcement officers have a unique

New matter indicated by italics - deletions by strikeout
opportunity to facilitate connections to community-based behavioral health interventions that provide substance use treatment and can help save and restore lives; help reduce drug use, overdose incidence, criminal offending, and recidivism; and help prevent arrest and conviction records that destabilize health, families, and opportunities for community citizenship and self-sufficiency. These efforts are bolstered when pursued in partnership with licensed behavioral health treatment providers and community members or organizations. It is the intent of the General Assembly to authorize law enforcement to develop and implement collaborative deflection programs in Illinois that offer immediate pathways to substance use treatment and other services as an alternative to traditional case processing and involvement in the criminal justice system.

Section 10. Definitions. In this Act:
"Case management" means those services which will assist persons in gaining access to needed social, educational, medical, substance use and mental health treatment, and other services.
"Community member or organization" means an individual volunteer, resident, public office, or a not-for-profit organization, religious institution, charitable organization, or other public body committed to the improvement of individual and family mental and physical well-being and the overall social welfare of the community, and may include persons with lived experience in recovery from substance use disorder, either themselves or as family members.
"Deflection program" means a program in which a peace officer or member of a law enforcement agency facilitates contact between an individual and a licensed substance use treatment provider or clinician for assessment and coordination of treatment planning. This facilitation includes defined criteria for eligibility and communication protocols agreed to by the law enforcement agency and the licensed treatment provider for the purpose of providing substance use treatment to those persons in lieu of arrest or further justice system involvement. Deflection programs may include, but are not limited to, the following types of responses:

(1) a post-overdose deflection response initiated by a peace officer or law enforcement agency subsequent to emergency administration of medication to reverse an overdose, or in cases of severe substance use disorder with acute risk for overdose;
(2) a self-referral deflection response initiated by an individual by contacting a peace officer or law enforcement agency in the acknowledgment of their substance use or disorder;

(3) an active outreach deflection response initiated by a peace officer or law enforcement agency as a result of proactive identification of persons thought likely to have a substance use disorder;

(4) an officer prevention deflection response initiated by a peace officer or law enforcement agency in response to a community call when no criminal charges are present; and

(5) an officer intervention deflection response when criminal charges are present but held in abeyance pending engagement with treatment.

"Law enforcement agency" means a municipal police department or county sheriff’s office of this State, the Department of State Police, or other law enforcement agency whose officers, by statute, are granted and authorized to exercise powers similar to those conferred upon any peace officer employed by a law enforcement agency of this State.

"Licensed treatment provider" means an organization licensed by the Department of Human Services to perform an activity or service, or a coordinated range of those activities or services, as the Department of Human Services may establish by rule, such as the broad range of emergency, outpatient, intensive outpatient, and residential services and care, including assessment, diagnosis, case management, medical, psychiatric, psychological and social services, medication-assisted treatment, care and counseling, and recovery support, which may be extended to persons to assess or treat substance use disorder or to families of those persons.

"Peace officer" means any peace officer or member of any duly organized State, county, or municipal peace officer unit, any police force of another State, or any police force whose members, by statute, are granted and authorized to exercise powers similar to those conferred upon any peace officer employed by a law enforcement agency of this State.

"Substance use disorder" means a pattern of use of alcohol or other drugs leading to clinical or functional impairment, in accordance with the definition in the Diagnostic and Statistical Manual of Mental Disorders (DSM-5), or in any subsequent editions.

"Treatment" means the broad range of emergency, outpatient, intensive outpatient, and residential services and care (including

assessment, diagnosis, case management, medical, psychiatric, psychological and social services, medication-assisted treatment, care and counseling, and recovery support) which may be extended to persons who have substance use disorders, persons with mental illness, or families of those persons.

Section 15. Authorization.

(a) Any law enforcement agency may establish a deflection program subject to the provisions of this Act in partnership with one or more licensed providers of substance use disorder treatment services and one or more community members or organizations.

(b) The deflection program may involve a post-overdose deflection response, a self-referral deflection response, an active outreach deflection response, an officer prevention deflection response, or an officer intervention deflection response, or any combination of those.

(c) Nothing shall preclude the General Assembly from adding other responses to a deflection program, or preclude a law enforcement agency from developing a deflection program response based on a model unique and responsive to local issues, substance use or mental health needs, and partnerships, using sound and promising or evidence-based practices.

(c-5) Whenever appropriate and available, case management should be provided by a licensed treatment provider or other appropriate provider and may include peer recovery support approaches.

(d) To receive funding for activities as described in Section 35 of this Act, planning for the deflection program shall include:

(1) the involvement of one or more licensed treatment programs and one or more community member or organization; and

(2) an agreement with the Illinois Criminal Justice Information Authority to collect and evaluate relevant statistical data related to the program, as established by the Illinois Criminal Justice Information Authority in paragraph (2) of subsection (a) of Section 25 of this Act.

Section 20. Procedure. The law enforcement agency, licensed treatment providers, and community members or organizations shall establish a local deflection program plan that includes protocols and procedures for participant identification, screening or assessment, treatment facilitation, reporting, and ongoing involvement of the law enforcement agency. Licensed substance use disorder treatment organizations shall adhere to 42 CFR Part 2 regarding confidentiality.

regulations for information exchange or release. Substance use disorder treatment services shall adhere to all regulations specified in Department of Human Services Administrative Rules, Parts 2060 and 2090.

Section 25. Reporting and evaluation.
(a) The Illinois Criminal Justice Information Authority, in conjunction with an association representing police chiefs and the Department of Human Services' Division of Substance Use Prevention and Recovery, shall within 6 months of the effective date of this Act:

(1) develop a set of minimum data to be collected from each deflection program and reported annually, beginning one year after the effective date of this Act, by the Illinois Criminal Justice Information Authority, including, but not limited to, demographic information on program participants, number of law enforcement encounters that result in a treatment referral, and time from law enforcement encounter to treatment engagement; and

(2) develop a performance measurement system, including key performance indicators for deflection programs including, but not limited to, rate of treatment engagement at 30 days from the point of initial contact. Each program that receives funding for services under Section 35 of this Act shall include the performance measurement system in its local plan and report data quarterly to the Illinois Criminal Justice Information Authority for the purpose of evaluation of deflection programs in aggregate.

(b) The Illinois Criminal Justice Information Authority shall make statistical data collected under subsection (a) of this Section available to the Department of Human Services, Division of Substance Use Prevention and Recovery for inclusion in planning efforts for services to persons with criminal justice or law enforcement involvement.

Section 30. Exemption from civil liability. The law enforcement agency or peace officer acting in good faith shall not, as the result of acts or omissions in providing services under Section 15 of this Act, be liable for civil damages, unless the acts or omissions constitute willful and wanton misconduct.

Section 35. Funding.
(a) The General Assembly may appropriate funds to the Illinois Criminal Justice Information Authority for the purpose of funding law enforcement agencies for services provided by deflection program partners as part of deflection programs subject to subsection (d) of Section 15 of this Act.

New matter indicated by italics - deletions by strikeout
(b) The Illinois Criminal Justice Information Authority may adopt guidelines and requirements to direct the distribution of funds for expenses related to deflection programs. Funding shall be made available to support both new and existing deflection programs in a broad spectrum of geographic regions in this State, including urban, suburban, and rural communities. Activities eligible for funding under this Act may include, but are not limited to, the following:

(1) activities related to program administration, coordination, or management, including, but not limited to, the development of collaborative partnerships with licensed treatment providers and community members or organizations; collection of program data; or monitoring of compliance with a local deflection program plan;

(2) case management including case management provided prior to assessment, diagnosis, and engagement in treatment, as well as assistance navigating and gaining access to various treatment modalities and support services;

(3) peer recovery or recovery support services that include the perspectives of persons with the experience of recovering from a substance use disorder, either themselves or as family members;

(4) transportation to a licensed treatment provider or other program partner location;

(5) program evaluation activities.

(c) Specific linkage agreements with recovery support services or self-help entities may be a requirement of the program services protocols. All deflection programs shall encourage the involvement of key family members and significant others as a part of a family-based approach to treatment. All deflection programs are encouraged to use evidence-based practices and outcome measures in the provision of substance use disorder treatment and medication assisted treatment for persons with opioid use disorders.

A duly elected or appointed official of a bonafide State civic organization, as defined and determined by rule of the State Board of Elections, or qualified members designated by such official, who may accept the registration of any qualified resident of the State. In determining the number of deputy registrars that shall be appointed, the county clerk shall consider the population of the jurisdiction, the size of the organization, the geographic size of the jurisdiction, convenience for the public, the existing number of deputy registrars in the jurisdiction and their location, the registration activities of the organization and the need to appoint deputy registrars to assist and facilitate the registration of non-English speaking individuals. In no event shall a county clerk fix an arbitrary number applicable to every civic organization requesting appointment of its members as deputy registrars. The State Board of Elections shall by rule provide for certification of bonafide State civic organizations. Such appointments shall be made for a period not to exceed 2 years, terminating on the first business day of the month following the month of the general election, and shall be valid for all periods of voter registration as provided by this Code during the terms of such appointments.

If the request to be appointed as deputy registrar is denied, the county clerk shall, within 10 days after the date the request is submitted, provide the affected individual or organization with written notice setting forth the specific reasons or criteria relied upon to deny the request to be appointed as deputy registrar.

The county clerk may appoint as many additional deputy registrars as he considers necessary. The county clerk shall appoint such additional deputy registrars in such manner that the convenience of the public is served, giving due consideration to both population concentration and area. Some of the additional deputy registrars shall be selected so that there are an equal number from each of the 2 major political parties in the election jurisdiction. The county clerk, in appointing an additional deputy registrar, shall make the appointment from a list of applicants submitted by the Chair of the County Central Committee of the applicant's political party. A Chair of a County Central Committee shall submit a list of applicants to the county clerk by November 30 of each year. The county clerk may require a Chair of a County Central Committee to furnish a supplemental list of applicants.

"I do solemnly swear (or affirm, as the case may be) that I will support the Constitution of the United States, and the Constitution of the State of Illinois, and that I will faithfully discharge the duties of the office of deputy registrar to the best of my ability and that I will register no person nor cause the registration of any person except upon his personal application before me.

........................................
(Signature Deputy Registrar)"

This oath shall be administered by the county clerk, or by one of his deputies, or by any person qualified to take acknowledgement of deeds and shall immediately thereafter be filed with the county clerk.
Appointments of deputy registrars under this Section, except precinct committeepersons committeemen, shall be for 2-year terms, commencing on December 1 following the general election of each even-numbered year; except that the terms of the initial appointments shall be until December 1st following the next general election. The county clerk shall be responsible for certifying and supervising all deputy registrars appointed pursuant to subsection (a). Deputy registrars appointed under subsection (a) shall be subject to removal for cause.

(c) Completed registration materials under the control of deputy registrars, appointed pursuant to subsection (a), shall be returned to the appointing election authority by first-class mail within 2 business days or personal delivery within 7 days, except that completed registration materials received by the deputy registrars during the period between the 35th and 28th day preceding an election shall be returned by the deputy registrars to the appointing election authority within 48 hours after receipt thereof. The completed registration materials received by the deputy registrars on the 28th day preceding an election shall be returned by the deputy registrars within 24 hours after receipt thereof. Unused materials shall be returned by deputy registrars appointed pursuant to paragraph 4 of subsection (a), not later than the next working day following the close of registration.

(d) The county clerk or board of election commissioners, as the case may be, must provide any additional forms requested by any deputy registrar regardless of the number of unaccounted registration forms the deputy registrar may have in his or her possession.

On the list, the county clerk shall indicate, by italics, asterisk, or other means, the names of all persons who have registered since the last regularly scheduled election in the consolidated schedule of elections established in Section 2A-1.1 of this Act. Prior to the opening of the polls for other elections, the county clerk shall transmit or deliver to the judges of election of each polling place a corrected list of registered voters in the precinct, or the names of persons added to and erased or withdrawn from the list for such precinct. At other times such list, currently corrected, shall be kept available for public inspection in the office of the county clerk.

An individual shall not be required to provide his social security number when applying for a ballot. He shall not be denied a ballot, nor shall his ballot be challenged, solely because of his refusal to provide his social security number. Nothing in this Act prevents an individual from being requested to provide his social security number when the individual applies for a ballot. If, however, the certificate contains a space for the individual's social security number, the following notice shall appear on the certificate, immediately above such space, in bold-face capital letters, in type the size of which equals the largest type on the certificate:

"THE INDIVIDUAL APPLYING FOR A BALLOT WITH THIS DOCUMENT IS NOT REQUIRED TO DISCLOSE HIS OR HER SOCIAL SECURITY NUMBER. HE OR SHE MAY NOT BE DENIED A BALLOT, NOR SHALL HIS OR HER BALLOT BE CHALLENGED, SOLELY BECAUSE OF HIS OR HER REFUSAL TO PROVIDE HIS OR HER SOCIAL SECURITY NUMBER."

The certificates of each State-wide political party at a general primary election shall be separately printed upon paper of uniform quality, texture and size, but the certificates of no 2 State-wide political parties shall be of the same color or tint. However, if the election authority provides computer generated applications with the precinct, ballot style and voter's name and address preprinted on the application, a single application may be used for State-wide political parties if it contains spaces or check-off boxes to indicate the political party. Such application shall not entitle the voter to vote in the primary of more than one political party at the same election.

At the consolidated primary, such certificates may contain spaces or checkoff boxes permitting the voter to request a primary ballot of any other political party which is established only within a political subdivision and for which a primary is conducted on the same election day. Such application shall not entitle the voter to vote in both the primary of the State-wide political party and the primary of the local political party with respect to the offices of the same political subdivision. In no event may a voter vote in more than one State-wide primary on the same day.

The judges in charge of the precinct registration files shall compare the signature upon such certificate with the signature on the registration record card as a means of identifying the voter. Unless satisfied by such comparison that the applicant to vote is the identical person who is registered under the same name, the judges shall ask such applicant the questions for identification which appear on the registration card, and if
the applicant does not prove to the satisfaction of a majority of the judges of the election precinct that he is the identical person registered under the name in question then the vote of such applicant shall be challenged by a judge of election, and the same procedure followed as provided by law for challenged voters.

In case the elector is unable to sign his name, a judge of election shall check the data on the registration card and shall check the address given, with the registered address, in order to determine whether he is entitled to vote.

One of the judges of election shall check the certificate of each applicant for a ballot after the registration record has been examined, and shall sign his initials on the certificate in the space provided therefor, and shall enter upon such certificate the number of the voter in the place provided therefor, and make an entry in the voting record space on the registration record, to indicate whether or not the applicant voted. Such judge shall then hand such certificate back to the applicant in case he is permitted to vote, and such applicant shall hand it to the judge of election in charge of the ballots. The certificates of the voters shall be filed in the order in which they are received and shall constitute an official poll record. The term "poll lists" and "poll books", where used in this Article, shall be construed to apply to such official poll record.

After each general primary election the county clerk shall indicate by color code or other means next to the name of each registrant on the list of registered voters in each precinct the primary ballot of a political party that the registrant requested at that general primary election. The county clerk, within 60 days after the general primary election, shall provide a copy of this coded list to the chair chairman of the county central committee of each established political party or to the chair's chairman's duly authorized representative.

Within 60 days after the effective date of this amendatory Act of 1983, the county clerk shall provide to the chair chairman of the county central committee of each established political party or to the chair's chairman's duly authorized representative the list of registered voters in each precinct at the time of the general primary election of 1982 and shall indicate on such list by color code or other means next to the name of a registrant the primary ballot of a political party that the registrant requested at the general primary election of 1982.
The county clerk may charge a fee to reimburse the actual cost of duplicating each copy of a list provided under either of the 2 preceding paragraphs.

Where an elector makes application to vote by signing and presenting the certificate provided by this Section, and his registration record card is not found in the precinct registry of voters, but his name appears as that of a registered voter in such precinct upon the printed precinct register as corrected or revised by the supplemental list, or upon the consolidated list, if any, and whose name has not been erased or withdrawn from such register, the printed precinct register as corrected or revised by the supplemental list, or consolidated list, if any, shall be prima facie evidence of the elector's right to vote upon compliance with the provisions hereinafter set forth in this Section. In such event one of the judges of election shall require an affidavit by such person and one voter residing in the precinct before the judges of election, substantially in the form prescribed in Section 17-10 of this Act, and upon the presentation of such affidavits, a certificate shall be issued to such elector, and upon the presentation of such certificate and affidavits, he shall be entitled to vote.

Provided, however, that applications for ballots made by registered voters under the provisions of Article 19 of this Act shall be accepted by the Judges of Election in lieu of the "Certificate of Registered Voter" provided for in this Section.

When the county clerk delivers to the judges of election for use at the polls a supplemental or consolidated list of the printed precinct register, he shall give a copy of the supplemental or consolidated list to the chair of a county central committee of an established political party or to the chair's duly authorized representative.

Whenever 2 or more elections occur simultaneously, the election authority charged with the duty of providing application certificates may prescribe the form thereof so that a voter is required to execute only one, indicating in which of the elections he desires to vote.

After the signature has been verified, the judges shall determine in which political subdivisions the voter resides by use of the information contained on the voter registration cards or the separate registration lists or other means approved by the State Board of Elections and prepared and supplied by the election authority. The voter's certificate shall be so marked by the judges as to show the respective ballots which the voter is given.

Sec. 5-14. Either of the canvassers shall, at the end of the canvass, return the "Verification Lists" to the County Clerk and a certificate of the correctness of such return. Immediately after receipt of such Verification Lists, the County Clerk shall cause copies to be printed in plain large type in sufficient numbers to meet all demands, and upon application, a copy of the same shall be given to any person applying therefor. Thereafter a list of registered voters in each precinct shall be compiled by the County clerk, prior to the General Election to be held in November of each even numbered year. On the list, the County Clerk shall indicate, by italics, asterisk, or other means, the names of all persons who have registered since the last regularly scheduled election in the consolidated schedule of elections established in Section 2A-1.1 of this Act.

When the list of registered voters in each precinct is compiled, the County Clerk shall give a copy of it to the chair of a county central committee of an established political party, as such party is defined in Section 10-2 of this Act, or to the chairman's duly authorized representative. Within 30 days of the effective date of this Amendatory Act of 1983, the County Clerk shall give the list of registered voters in each precinct that was compiled prior to the general November election of 1982 to the chair of a county central committee of an established political party or to the chairman's duly authorized representative.

In determining the number of deputy registrars that shall be appointed, the county clerk shall consider the population of the jurisdiction, the size of the organization, the geographic size of the jurisdiction, convenience for the public, the existing number of deputy registrars in the jurisdiction and their location, the registration activities of the organization and the need to appoint deputy registrars to assist and facilitate the registration of non-English speaking individuals. In no event shall a county clerk fix an arbitrary number applicable to every civic organization requesting appointment of its members as deputy registrars. The State Board of Elections shall by rule provide for certification of bona fide State civic organizations. provide the affected individual or organization with written notice setting forth the specific reasons or criteria relied upon to deny the request to be appointed as deputy registrar.

The county clerk, in appointing an additional deputy registrar, shall make the appointment from a list of applicants submitted by the Chair of the County Central Committee of the applicant's political party. A Chair of a County Central Committee shall submit a list of applicants to the county clerk by November 30 of each year. I hereby certify that I am registered from the address below and am qualified to vote.

An individual shall not be required to provide his social security number when applying for a ballot. He shall not be denied a ballot, nor shall his ballot be challenged, solely because of his refusal to provide his social security number. Nothing in this Act prevents an individual from being requested to provide his social security number when the individual applies for a ballot. If, however, the certificate contains a space for the individual's social security number, the following notice shall appear on the certificate, immediately above such space, in bold-face capital letters, in type the size of which equals the largest type on the certificate:

"THE INDIVIDUAL APPLYING FOR A BALLOT WITH THIS DOCUMENT IS NOT REQUIRED TO DISCLOSE HIS OR HER SOCIAL SECURITY NUMBER. HE OR SHE MAY NOT BE DENIED A BALLOT, NOR SHALL HIS OR HER BALLOT BE CHALLENGED, SOLELY BECAUSE OF HIS OR HER REFUSAL TO PROVIDE HIS OR HER SOCIAL SECURITY NUMBER."

Certificates as above prescribed shall be furnished by the county clerk for all elections.

The Judges in charge of the precinct registration files shall compare the signature upon such certificate with the signature on the registration record card as a means of identifying the voter. Unless satisfied by such comparison that the applicant to vote is the identical

person who is registered under the same name, the Judges shall ask such applicant the questions for identification which appear on the registration card and if the applicant does not prove to the satisfaction of a majority of the judges of the election precinct that he is the identical person registered under the name in question then the vote for such applicant shall be challenged by a Judge of Election, and the same procedure followed as provided by law for challenged voters.

In case the elector is unable to sign his name, a Judge of Election shall check the data on the registration card and shall check the address given, with the registered address, in order to determine whether he is entitled to vote.

One of the Judges of election shall check the certificate of each applicant for a ballot after the registration record has been examined and shall sign his initials on the certificate in the space provided therefor, and shall enter upon such certificate the number of the voter in the place provided therefor, and make an entry in the voting record space on the registration record, to indicate whether or not the applicant voted. Such judge shall then hand such certificate back to the applicant in case he is permitted to vote, and such applicant shall hand it to the judge of election in charge of the ballots. The certificates of the voters shall be filed in the order in which they are received and shall constitute an official poll record. The term "Poll Lists" and "Poll Books" where used in this article 5 shall be construed to apply to such official poll records.

After each general primary election the county clerk shall indicate by color code or other means next to the name of each registrant on the list of registered voters in each precinct the primary ballot of a political party that the registrant requested at that general primary election. The county clerk, within 60 days after the general primary election, shall provide a copy of this coded list to the chair of the county central committee of each established political party or to the chair's duly authorized representative.

Within 60 days after the effective date of this amendatory Act of 1983, the county clerk shall provide to the chair of the county central committee of each established political party or to the chair's duly authorized representative the list of registered voters in each precinct at the time of the general primary election of 1982 and shall indicate on such list by color code or other means next to the name of a registrant the primary ballot of a political party that the registrant requested at the general primary election of 1982.

New matter indicated by italics - deletions by strikeout
The county clerk may charge a fee to reimburse the actual cost of duplicating each copy of a list provided under either of the 2 preceding paragraphs.

Where an elector makes application to vote by signing and presenting the certificate provided by this Section, and his registration record card is not found in the precinct registry of voters, but his name appears as that of a registered voter in such precinct upon the printed precinct list of voters and whose name has not been erased or withdrawn from such register, it shall be the duty of one of the Judges of Election to require an affidavit by such person and two voters residing in the precinct before the judges of election that he is the same person whose name appears upon the precinct register and that he resides in the precinct stating the street number of his residence. Forms for such affidavit shall be supplied by the county clerk for all elections. Upon the making of such affidavit and the presentation of his certificate such elector shall be entitled to vote. All affidavits made under this paragraph shall be preserved and returned to the county clerk in an envelope. It shall be the duty of the county clerk within 30 days after such election to take steps provided by Section 5-27 of this article 5 for the execution of new registration affidavits by electors who have voted under the provisions of this paragraph.

Provided, however, that the applications for ballots made by registered voters and under the provisions of article 19 of this act shall be accepted by the Judges of Election in lieu of the "certificate of registered voter" provided for in this section.

When the county clerk delivers to the judges of election for use at the polls a supplemental or consolidated list of the printed precinct register, he shall give a copy of the supplemental or consolidated list to the chair of a county central committee of an established political party or to the chair's duly authorized representative.

Whenever two or more elections occur simultaneously, the election authority charged with the duty of providing application certificates may prescribe the form thereof so that a voter is required to execute only one, indicating in which of the elections he desires to vote.

After the signature has been verified, the judges shall determine in which political subdivisions the voter resides by use of the information contained on the voter registration cards or the separate registration lists or other means approved by the State Board of Elections and prepared and supplied by the election authority. The voter's certificate shall be so
marked by the judges as to show the respective ballots which the voter is given.
