Subject to payment of amounts into the Build Illinois Fund and the McCormick Place Expansion Project Fund pursuant to the preceding paragraphs or in any amendments thereto hereafter enacted, beginning July 1, 1993 and ending on September 30, 2013, the Department shall each month pay into the Illinois Tax Increment Fund 0.27% of 80% of the net revenue realized for the preceding month from the 6.25% general rate on the selling price of tangible personal property.

Subject to payment of amounts into the Build Illinois Fund and the McCormick Place Expansion Project Fund pursuant to the preceding paragraphs or in any amendments thereto hereafter enacted, beginning with the receipt of the first report of taxes paid by an eligible business and continuing for a 25-year period, the Department shall each month pay into the Energy Infrastructure Fund 80% of the net revenue realized from the 6.25% general rate on the selling price of Illinois-mined coal that was sold to an eligible business. For purposes of this paragraph, the term "eligible business" means a new electric generating facility certified pursuant to Section 605-332 of the Department of Commerce and Economic Opportunity Law of the Civil Administrative Code of Illinois.

Subject to payment of amounts into the Build Illinois Fund, the McCormick Place Expansion Project Fund, the Illinois Tax Increment Fund, and the Energy Infrastructure Fund pursuant to the preceding paragraphs or in any amendments to this Section hereafter enacted, beginning on the first day of the first calendar month to occur on or after August 26, 2014 (the effective date of Public Act 98-1098) this amendatory Act of the 98th General Assembly, each month, from the collections made under Section 9 of the Use Tax Act, Section 9 of the Service Use Tax Act, Section 9 of the Service Occupation Tax Act, and Section 3 of the Retailers' Occupation Tax Act, the Department shall pay into the Tax Compliance and Administration Fund, to be used, subject to appropriation, to fund additional auditors and compliance personnel at the Department of Revenue, an amount equal to 1/12 of 5% of 80% of the cash receipts collected during the preceding fiscal year by the Audit Bureau of the Department under the Use Tax Act, the Service Use Tax Act, the Service Occupation Tax Act, the Retailers' Occupation Tax Act, and associated local occupation and use taxes administered by the Department.

Administration Fund as provided in this Section, beginning on July 1, 2018 the Department shall pay each month into the Downstate Public Transportation Fund the moneys required to be so paid under Section 2-3 of the Downstate Public Transportation Act.

Of the remainder of the moneys received by the Department pursuant to this Act, 75% shall be paid into the General Revenue Fund of the State Treasury and 25% shall be reserved in a special account and used only for the transfer to the Common School Fund as part of the monthly transfer from the General Revenue Fund in accordance with Section 8a of the State Finance Act.

The Department may, upon separate written notice to a taxpayer, require the taxpayer to prepare and file with the Department on a form prescribed by the Department within not less than 60 days after receipt of the notice an annual information return for the tax year specified in the notice. Such annual return to the Department shall include a statement of gross receipts as shown by the taxpayer's last Federal income tax return. If the total receipts of the business as reported in the Federal income tax return do not agree with the gross receipts reported to the Department of Revenue for the same period, the taxpayer shall attach to his annual return a schedule showing a reconciliation of the 2 amounts and the reasons for the difference. The taxpayer's annual return to the Department shall also disclose the cost of goods sold by the taxpayer during the year covered by such return, opening and closing inventories of such goods for such year, cost of goods used from stock or taken from stock and given away by the taxpayer during such year, pay roll information of the taxpayer's business during such year and any additional reasonable information which the Department deems would be helpful in determining the accuracy of the monthly, quarterly or annual returns filed by such taxpayer as hereinbefore provided for in this Section.

If the annual information return required by this Section is not filed when and as required, the taxpayer shall be liable as follows:

(i) Until January 1, 1994, the taxpayer shall be liable for a penalty equal to 1/6 of 1% of the tax due from such taxpayer under this Act during the period to be covered by the annual return for each month or fraction of a month until such return is filed as required, the penalty to be assessed and collected in the same manner as any other penalty provided for in this Act.
(ii) On and after January 1, 1994, the taxpayer shall be liable for a penalty as described in Section 3-4 of the Uniform Penalty and Interest Act.

The chief executive officer, proprietor, owner or highest ranking manager shall sign the annual return to certify the accuracy of the information contained therein. Any person who willfully signs the annual return containing false or inaccurate information shall be guilty of perjury and punished accordingly. The annual return form prescribed by the Department shall include a warning that the person signing the return may be liable for perjury.

The foregoing portion of this Section concerning the filing of an annual information return shall not apply to a serviceman who is not required to file an income tax return with the United States Government.

As soon as possible after the first day of each month, upon certification of the Department of Revenue, the Comptroller shall order transferred and the Treasurer shall transfer from the General Revenue Fund to the Motor Fuel Tax Fund an amount equal to 1.7% of 80% of the net revenue realized under this Act for the second preceding month. Beginning April 1, 2000, this transfer is no longer required and shall not be made.

Net revenue realized for a month shall be the revenue collected by the State pursuant to this Act, less the amount paid out during that month as refunds to taxpayers for overpayment of liability.

For greater simplicity of administration, it shall be permissible for manufacturers, importers and wholesalers whose products are sold by numerous servicemen in Illinois, and who wish to do so, to assume the responsibility for accounting and paying to the Department all tax accruing under this Act with respect to such sales, if the servicemen who are affected do not make written objection to the Department to this arrangement.

The tax collected under this Act in accordance with this item (25-5) shall be proportionately distributed as if the tax were collected at the 6.25% general rate imposed under this Act.

(25-7) Beginning on July 1, 2007, no tax is imposed under this Act on the sale of an aircraft, as defined in Section 3 of the Illinois Aeronautics Act, if all of the following conditions are met:

(2) the aircraft is not based or registered in this State after the sale of the aircraft; and

(35 ILCS 120/2a) (from Ch. 120, par. 441a)

Sec. 2a. It is unlawful for any person to engage in the business of selling tangible personal property at retail in this State without a certificate of registration from the Department. Application for a certificate of registration shall be made to the Department upon forms furnished by it. Each such application shall be signed and verified and shall state: (1) the name and social security number of the applicant; (2) the address of his principal place of business; (3) the address of the principal place of business from which he engages in the business of selling tangible personal property at retail in this State and the addresses of all other places of business, if any (enumerating such addresses, if any, in a separate list attached to and made a part of the application), from which he engages in the business of selling tangible personal property at retail in this State; (4) the name and address of the person or persons who will be responsible for filing returns and payment of taxes due under this Act; (5) in the case of a publicly traded corporation, the name and title of the Chief Financial Officer, Chief Operating Officer, and any other officer or employee with responsibility for preparing tax returns under this Act, and, in the case of all other corporations, the name, title, and social security number of each corporate officer; (6) in the case of a limited liability company, the name, social security number, and FEIN number of each manager and member; and (7) such other information as the Department may reasonably require. The application shall contain an acceptance of responsibility signed by the person or persons who will be responsible for filing returns and payment of the taxes due under this Act. If the applicant will sell tangible personal property at retail through vending machines, his application to register shall indicate the number of vending machines to be so operated. If requested by the Department at any time, that person shall verify the total

number of vending machines he or she uses in his or her business of selling tangible personal property at retail.

The Department may deny a certificate of registration to any applicant if a person who is named as the owner, a partner, a manager or member of a limited liability company, or a corporate officer of the applicant on the application for the certificate of registration is or has been named as the owner, a partner, a manager or member of a limited liability company, or a corporate officer on the application for the certificate of registration of another retailer that is in default for moneys due under this Act or any other tax or fee Act administered by the Department. For purposes of this paragraph only, in determining whether a person is in default for moneys due, the Department shall include only amounts established as a final liability within the 20 years prior to the date of the Department's notice of denial of a certificate of registration.

The Department may require an applicant for a certificate of registration hereunder to, at the time of filing such application, furnish a bond from a surety company authorized to do business in the State of Illinois, or an irrevocable bank letter of credit or a bond signed by 2 personal sureties who have filed, with the Department, sworn statements disclosing net assets equal to at least 3 times the amount of the bond to be required of such applicant, or a bond secured by an assignment of a bank account or certificate of deposit, stocks or bonds, conditioned upon the applicant paying to the State of Illinois all moneys becoming due under this Act and under any other State tax law or municipal or county tax ordinance or resolution under which the certificate of registration that is issued to the applicant under this Act will permit the applicant to engage in business without registering separately under such other law, ordinance or resolution. In making a determination as to whether to require a bond or other security, the Department shall take into consideration whether the owner, any partner, any manager or member of a limited liability company, or a corporate officer of the applicant is or has been the owner, a partner, a manager or member of a limited liability company, or a corporate officer of another retailer that is in default for moneys due under this Act or any other tax or fee Act administered by the Department; and whether the owner, any partner, any manager or member of a limited liability company, or a corporate officer of the applicant is or has been the owner, a partner, a manager or member of a limited liability company, or a corporate officer of another retailer whose certificate of registration has been revoked within the previous 5 years under this Act or any other tax or fee Act

administered by the Department. If a bond or other security is required, the Department shall fix the amount of the bond or other security, taking into consideration the amount of money expected to become due from the applicant under this Act and under any other State tax law or municipal or county tax ordinance or resolution under which the certificate of registration that is issued to the applicant under this Act will permit the applicant to engage in business without registering separately under such other law, ordinance, or resolution. The amount of security required by the Department shall be such as, in its opinion, will protect the State of Illinois against failure to pay the amount which may become due from the applicant under this Act and under any other State tax law or municipal or county tax ordinance or resolution under which the certificate of registration that is issued to the applicant under this Act will permit the applicant to engage in business without registering separately under such other law, ordinance or resolution, but the amount of the security required by the Department shall not exceed three times the amount of the applicant's average monthly tax liability, or $50,000.00, whichever amount is lower.

No certificate of registration under this Act shall be issued by the Department until the applicant provides the Department with satisfactory security, if required, as herein provided for.

Upon receipt of the application for certificate of registration in proper form, and upon approval by the Department of the security furnished by the applicant, if required, the Department shall issue to such applicant a certificate of registration which shall permit the person to whom it is issued to engage in the business of selling tangible personal property at retail in this State. The certificate of registration shall be conspicuously displayed at the place of business which the person so registered states in his application to be the principal place of business from which he engages in the business of selling tangible personal property at retail in this State.

No certificate of registration issued prior to July 1, 2017 to a taxpayer who files returns required by this Act on a monthly basis or renewed prior to July 1, 2017 by a taxpayer who files returns required by this Act on a monthly basis shall be valid after the expiration of 5 years from the date of its issuance or last renewal. No certificate of registration issued on or after July 1, 2017 to a taxpayer who files returns required by this Act on a monthly basis or renewed on or after July 1, 2017 by a taxpayer who files returns required by this Act on a monthly basis shall be

valid after the expiration of one year from the date of its issuance or last renewal. The expiration date of a sub-certificate of registration shall be that of the certificate of registration to which the sub-certificate relates. Prior to July 1, 2017, a certificate of registration shall automatically be renewed, subject to revocation as provided by this Act, for an additional 5 years from the date of its expiration unless otherwise notified by the Department as provided by this paragraph. On and after July 1, 2017, a certificate of registration shall automatically be renewed, subject to revocation as provided by this Act, for an additional one year from the date of its expiration unless otherwise notified by the Department as provided by this paragraph.

Where a taxpayer to whom a certificate of registration is issued under this Act is in default to the State of Illinois for delinquent returns or for moneys due under this Act or any other State tax law or municipal or county ordinance administered or enforced by the Department, the Department shall, not less than 60 days before the expiration date of such certificate of registration, give notice to the taxpayer to whom the certificate was issued of the account period of the delinquent returns, the amount of tax, penalty and interest due and owing from the taxpayer, and that the certificate of registration shall not be automatically renewed upon its expiration date unless the taxpayer, on or before the date of expiration, has filed and paid the delinquent returns or paid the defaulted amount in full. A taxpayer to whom such a notice is issued shall be deemed an applicant for renewal. The Department shall promulgate regulations establishing procedures for taxpayers who file returns on a monthly basis but desire and qualify to change to a quarterly or yearly filing basis and will no longer be subject to renewal under this Section, and for taxpayers who file returns on a yearly or quarterly basis but who desire or are required to change to a monthly filing basis and will be subject to renewal under this Section.

The Department may in its discretion approve renewal by an applicant who is in default if, at the time of application for renewal, the applicant files all of the delinquent returns or pays to the Department such percentage of the defaulted amount as may be determined by the Department and agrees in writing to waive all limitations upon the Department for collection of the remaining defaulted amount to the Department over a period not to exceed 5 years from the date of renewal of the certificate; however, no renewal application submitted by an applicant who is in default shall be approved if the immediately preceding renewal

by the applicant was conditioned upon the installment payment agreement described in this Section. The payment agreement herein provided for shall be in addition to and not in lieu of the security that may be required by this Section of a taxpayer who is no longer considered a prior continuous compliance taxpayer. The execution of the payment agreement as provided in this Act shall not toll the accrual of interest at the statutory rate.

The Department may suspend a certificate of registration if the Department finds that the person to whom the certificate of registration has been issued knowingly sold contraband cigarettes.

A certificate of registration issued under this Act more than 5 years before January 1, 1990 (the effective date of Public Act 86-383) this amendatory Act of 1989 shall expire and be subject to the renewal provisions of this Section on the next anniversary of the date of issuance of such certificate which occurs more than 6 months after January 1, 1990 (the effective date of Public Act 86-383) this amendatory Act of 1989. A certificate of registration issued less than 5 years before January 1, 1990 (the effective date of Public Act 86-383) this amendatory Act of 1989 shall expire and be subject to the renewal provisions of this Section on the 5th anniversary of the issuance of the certificate.

If the person so registered states that he operates other places of business from which he engages in the business of selling tangible personal property at retail in this State, the Department shall furnish him with a sub-certificate of registration for each such place of business, and the applicant shall display the appropriate sub-certificate of registration at each such place of business. All sub-certificates of registration shall bear the same registration number as that appearing upon the certificate of registration to which such sub-certificates relate.

If the applicant will sell tangible personal property at retail through vending machines, the Department shall furnish him with a sub-certificate of registration for each such vending machine, and the applicant shall display the appropriate sub-certificate of registration on each such vending machine by attaching the sub-certificate of registration to a conspicuous part of such vending machine. If a person who is registered to sell tangible personal property at retail through vending machines adds an additional vending machine or additional vending machines to the number of vending machines he or she uses in his or her business of selling tangible personal property at retail, he or she shall notify the Department, on a form prescribed by the Department, to request an additional sub-certificate or additional sub-certificates of registration, as applicable. With each such

request, the applicant shall report the number of sub-certificates of registration he or she is requesting as well as the total number of vending machines from which he or she makes retail sales.

Where the same person engages in 2 or more businesses of selling tangible personal property at retail in this State, which businesses are substantially different in character or engaged in under different trade names or engaged in under other substantially dissimilar circumstances (so that it is more practicable, from an accounting, auditing or bookkeeping standpoint, for such businesses to be separately registered), the Department may require or permit such person (subject to the same requirements concerning the furnishing of security as those that are provided for hereinbefore in this Section as to each application for a certificate of registration) to apply for and obtain a separate certificate of registration for each such business or for any of such businesses, under a single certificate of registration supplemented by related sub-certificates of registration.

Any person who is registered under the "Retailers' Occupation Tax Act" as of March 8, 1963, and who, during the 3-year period immediately prior to March 8, 1963, or during a continuous 3-year period part of which passed immediately before and the remainder of which passes immediately after March 8, 1963, has been so registered continuously and who is determined by the Department not to have been either delinquent or deficient in the payment of tax liability during that period under this Act or under any other State tax law or municipal or county tax ordinance or resolution under which the certificate of registration that is issued to the registrant under this Act will permit the registrant to engage in business without registering separately under such other law, ordinance or resolution, shall be considered to be a Prior Continuous Compliance taxpayer. Also any taxpayer who has, as verified by the Department, faithfully and continuously complied with the condition of his bond or other security under the provisions of this Act for a period of 3 consecutive years shall be considered to be a Prior Continuous Compliance taxpayer.

Every Prior Continuous Compliance taxpayer shall be exempt from all requirements under this Act concerning the furnishing of a bond or other security as a condition precedent to his being authorized to engage in the business of selling tangible personal property at retail in this State. This exemption shall continue for each such taxpayer until such time as he may be determined by the Department to be delinquent in the filing of any returns, or is determined by the Department (either through the
Department's issuance of a final assessment which has become final under the Act, or by the taxpayer's filing of a return which admits tax that is not paid to be due) to be delinquent or deficient in the paying of any tax under this Act or under any other State tax law or municipal or county tax ordinance or resolution under which the certificate of registration that is issued to the registrant under this Act will permit the registrant to engage in business without registering separately under such other law, ordinance or resolution, at which time that taxpayer shall become subject to all the financial responsibility requirements of this Act and, as a condition of being allowed to continue to engage in the business of selling tangible personal property at retail, may be required to post bond or other acceptable security with the Department covering liability which such taxpayer may thereafter incur. Any taxpayer who fails to pay an admitted or established liability under this Act may also be required to post bond or other acceptable security with this Department guaranteeing the payment of such admitted or established liability.

No certificate of registration shall be issued to any person who is in default to the State of Illinois for moneys due under this Act or under any other State tax law or municipal or county tax ordinance or resolution under which the certificate of registration that is issued to the applicant under this Act will permit the applicant to engage in business without registering separately under such other law, ordinance or resolution.

Any person aggrieved by any decision of the Department under this Section may, within 20 days after notice of such decision, protest and request a hearing, whereupon the Department shall give notice to such person of the time and place fixed for such hearing and shall hold a hearing in conformity with the provisions of this Act and then issue its final administrative decision in the matter to such person. In the absence of such a protest within 20 days, the Department's decision shall become final without any further determination being made or notice given.

With respect to security other than bonds (upon which the Department may sue in the event of a forfeiture), if the taxpayer fails to pay, when due, any amount whose payment such security guarantees, the Department shall, after such liability is admitted by the taxpayer or established by the Department through the issuance of a final assessment that has become final under the law, convert the security which that taxpayer has furnished into money for the State, after first giving the taxpayer at least 10 days' written notice, by registered or certified mail, to pay the liability or forfeit such security to the Department. If the security

consists of stocks or bonds or other securities which are listed on a public exchange, the Department shall sell such securities through such public exchange. If the security consists of an irrevocable bank letter of credit, the Department shall convert the security in the manner provided for in the Uniform Commercial Code. If the security consists of a bank certificate of deposit, the Department shall convert the security into money by demanding and collecting the amount of such bank certificate of deposit from the bank which issued such certificate. If the security consists of a type of stocks or other securities which are not listed on a public exchange, the Department shall sell such security to the highest and best bidder after giving at least 10 days' notice of the date, time and place of the intended sale by publication in the "State Official Newspaper". If the Department realizes more than the amount of such liability from the security, plus the expenses incurred by the Department in converting the security into money, the Department shall pay such excess to the taxpayer who furnished such security, and the balance shall be paid into the State Treasury.

The Department shall discharge any surety and shall release and return any security deposited, assigned, pledged or otherwise provided to it by a taxpayer under this Section within 30 days after:

(1) such taxpayer becomes a Prior Continuous Compliance taxpayer; or

(2) such taxpayer has ceased to collect receipts on which he is required to remit tax to the Department, has filed a final tax return, and has paid to the Department an amount sufficient to discharge his remaining tax liability, as determined by the Department, under this Act and under every other State tax law or municipal or county tax ordinance or resolution under which the certificate of registration issued under this Act permits the registrant to engage in business without registering separately under such other law, ordinance or resolution. The Department shall make a final determination of the taxpayer's outstanding tax liability as expeditiously as possible after his final tax return has been filed; if the Department cannot make such final determination within 45 days after receiving the final tax return, within such period it shall so notify the taxpayer, stating its reasons therefor.

For the purposes of this paragraph, the term "alcoholic liquor" shall have the meaning prescribed in the Liquor Control Act of 1934.

Beginning on October 1, 2003, every distributor, importing distributor, and manufacturer of alcoholic liquor as defined in the Liquor Control Act of 1934, shall file a statement with the Department of Revenue, no later than the 10th day of the month for the preceding month during which transactions occurred, by electronic means, showing the total amount of gross receipts from the sale of alcoholic liquor sold or distributed during the preceding month to purchasers; identifying the purchaser to whom it was sold or distributed; the purchaser's tax registration number; and such other information reasonably required by the Department. If a total amount of less than $1 is payable, refundable or creditable, such amount shall be disregarded if it is less than 50 cents and shall be increased to $1 if it is 50 cents or more.

Beginning October 1, 1993, a taxpayer who has an average monthly tax liability of $150,000 or more shall make all payments required by rules of the Department by electronic funds transfer. Beginning October 1, 1994, a taxpayer who has an average monthly tax liability of $100,000 or more shall make all payments required by rules of the Department by electronic funds transfer. Beginning October 1, 1995, a taxpayer who has an average monthly tax liability of $50,000 or more shall make all payments required by rules of the Department by electronic funds transfer. Beginning October 1, 2000, a taxpayer who has an annual tax liability of $200,000 or more shall make all payments required by rules of the Department by electronic funds transfer. The term "annual tax liability" shall be the sum of the taxpayer's liabilities under this Act, and under all other State and local occupation and use tax laws administered by the Department, for the immediately preceding calendar year. The term "average monthly tax liability" shall be the sum of the taxpayer's liabilities under this Act, and under all other State and local occupation and use tax laws administered by the Department, for the immediately preceding calendar year divided by 12. Beginning on October 1, 2002, a taxpayer who has a tax liability in the amount set forth in subsection (b) of Section 2505-210 of the Department of Revenue Law shall make all payments required by rules of the Department by electronic funds transfer.

Before August 1 of each year beginning in 1993, the Department shall notify all taxpayers required to make payments by electronic funds transfer. All taxpayers required to make payments by electronic funds transfer shall make those payments for a minimum of one year beginning on October 1.

Any taxpayer not required to make payments by electronic funds transfer may make payments by electronic funds transfer with the permission of the Department.

All taxpayers required to make payment by electronic funds transfer and any taxpayers authorized to voluntarily make payments by electronic funds transfer shall make those payments in the manner authorized by the Department.

The Department shall adopt such rules as are necessary to effectuate a program of electronic funds transfer and the requirements of this Section.

Any amount which is required to be shown or reported on any return or other document under this Act shall, if such amount is not a whole-dollar amount, be increased to the nearest whole-dollar amount in any case where the fractional part of a dollar is 50 cents or more, and decreased to the nearest whole-dollar amount where the fractional part of a dollar is less than 50 cents.

If the retailer is otherwise required to file a monthly return and if the retailer's average monthly tax liability to the Department does not exceed $200, the Department may authorize his returns to be filed on a quarter annual basis, with the return for January, February and March of a given year being due by April 20 of such year; with the return for April, May and June of a given year being due by July 20 of such year; with the return for July, August and September of a given year being due by October 20 of such year, and with the return for October, November and December of a given year being due by January 20 of the following year.

If the retailer is otherwise required to file a monthly or quarterly return and if the retailer's average monthly tax liability with the Department does not exceed $50, the Department may authorize his returns to be filed on an annual basis, with the return for a given year being due by January 20 of the following year.

Such quarter annual and annual returns, as to form and substance, shall be subject to the same requirements as monthly returns.

Notwithstanding any other provision in this Act concerning the time within which a retailer may file his return, in the case of any retailer who ceases to engage in a kind of business which makes him responsible for filing returns under this Act, such retailer shall file a final return under this Act with the Department not more than one month after discontinuing such business.

Where the same person has more than one business registered with the Department under separate registrations under this Act, such person may not file each return that is due as a single return covering all such registered businesses, but shall file separate returns for each such registered business.

In addition, with respect to motor vehicles, watercraft, aircraft, and trailers that are required to be registered with an agency of this State, every retailer selling this kind of tangible personal property shall file, with the Department, upon a form to be prescribed and supplied by the Department, a separate return for each such item of tangible personal property which the retailer sells, except that if, in the same transaction, (i) a retailer of
aircraft, watercraft, motor vehicles or trailers transfers more than one aircraft, watercraft, motor vehicle or trailer to another aircraft, watercraft, motor vehicle retailer or trailer retailer for the purpose of resale or (ii) a retailer of aircraft, watercraft, motor vehicles, or trailers transfers more than one aircraft, watercraft, motor vehicle, or trailer to a purchaser for use as a qualifying rolling stock as provided in Section 2-5 of this Act, then that seller may report the transfer of all aircraft, watercraft, motor vehicles or trailers involved in that transaction to the Department on the same uniform invoice-transaction reporting return form. For purposes of this Section, "watercraft" means a Class 2, Class 3, or Class 4 watercraft as defined in Section 3-2 of the Boat Registration and Safety Act, a personal watercraft, or any boat equipped with an inboard motor.

Any retailer who sells only motor vehicles, watercraft, aircraft, or trailers that are required to be registered with an agency of this State, so that all retailers' occupation tax liability is required to be reported, and is reported, on such transaction reporting returns and who is not otherwise required to file monthly or quarterly returns, need not file monthly or quarterly returns. However, those retailers shall be required to file returns on an annual basis.

The transaction reporting return, in the case of motor vehicles or trailers that are required to be registered with an agency of this State, shall be the same document as the Uniform Invoice referred to in Section 5-402 of The Illinois Vehicle Code and must show the name and address of the seller; the name and address of the purchaser; the amount of the selling price including the amount allowed by the retailer for traded-in property, if any; the amount allowed by the retailer for the traded-in tangible personal property, if any, to the extent to which Section 1 of this Act allows an exemption for the value of traded-in property; the balance payable after deducting such trade-in allowance from the total selling price; the amount of tax due from the retailer with respect to such transaction; the amount of tax collected from the purchaser by the retailer on such transaction (or satisfactory evidence that such tax is not due in that particular instance, if that is claimed to be the fact); the place and date of the sale; a sufficient identification of the property sold; such other information as is required in Section 5-402 of The Illinois Vehicle Code, and such other information as the Department may reasonably require.

The transaction reporting return in the case of watercraft or aircraft must show the name and address of the seller; the name and address of the purchaser; the amount of the selling price including the amount allowed by

the retailer for traded-in property, if any; the amount allowed by the retailer for the traded-in tangible personal property, if any, to the extent to which Section 1 of this Act allows an exemption for the value of traded-in property; the balance payable after deducting such trade-in allowance from the total selling price; the amount of tax due from the retailer with respect to such transaction; the amount of tax collected from the purchaser by the retailer on such transaction (or satisfactory evidence that such tax is not due in that particular instance, if that is claimed to be the fact); the place and date of the sale, a sufficient identification of the property sold, and such other information as the Department may reasonably require.

Such transaction reporting return shall be filed not later than 20 days after the day of delivery of the item that is being sold, but may be filed by the retailer at any time sooner than that if he chooses to do so. The transaction reporting return and tax remittance or proof of exemption from the Illinois use tax may be transmitted to the Department by way of the State agency with which, or State officer with whom the tangible personal property must be titled or registered (if titling or registration is required) if the Department and such agency or State officer determine that this procedure will expedite the processing of applications for title or registration.

With each such transaction reporting return, the retailer shall remit the proper amount of tax due (or shall submit satisfactory evidence that the sale is not taxable if that is the case), to the Department or its agents, whereupon the Department shall issue, in the purchaser's name, a use tax receipt (or a certificate of exemption if the Department is satisfied that the particular sale is tax exempt) which such purchaser may submit to the agency with which, or State officer with whom, he must title or register the tangible personal property that is involved (if titling or registration is required) in support of such purchaser's application for an Illinois certificate or other evidence of title or registration to such tangible personal property.

No retailer's failure or refusal to remit tax under this Act precludes a user, who has paid the proper tax to the retailer, from obtaining his certificate of title or other evidence of title or registration (if titling or registration is required) upon satisfying the Department that such user has paid the proper tax (if tax is due) to the retailer. The Department shall adopt appropriate rules to carry out the mandate of this paragraph.

If the user who would otherwise pay tax to the retailer wants the transaction reporting return filed and the payment of the tax or proof of

exemption made to the Department before the retailer is willing to take
these actions and such user has not paid the tax to the retailer, such user
may certify to the fact of such delay by the retailer and may (upon the
Department being satisfied of the truth of such certification) transmit the
information required by the transaction reporting return and the remittance
for tax or proof of exemption directly to the Department and obtain his tax
receipt or exemption determination, in which event the transaction
reporting return and tax remittance (if a tax payment was required) shall be
credited by the Department to the proper retailer's account with the
Department, but without the 2.1% or 1.75% discount provided for in this
Section being allowed. When the user pays the tax directly to the
Department, he shall pay the tax in the same amount and in the same form
in which it would be remitted if the tax had been remitted to the
Department by the retailer.

Refunds made by the seller during the preceding return period to
purchasers, on account of tangible personal property returned to the seller,
shall be allowed as a deduction under subdivision 5 of his monthly or
quarterly return, as the case may be, in case the seller had theretofore
included the receipts from the sale of such tangible personal property in a
return filed by him and had paid the tax imposed by this Act with respect
to such receipts.

Where the seller is a corporation, the return filed on behalf of such
corporation shall be signed by the president, vice-president, secretary or
treasurer or by the properly accredited agent of such corporation.

Where the seller is a limited liability company, the return filed on
behalf of the limited liability company shall be signed by a manager,
member, or properly accredited agent of the limited liability company.

Except as provided in this Section, the retailer filing the return
under this Section shall, at the time of filing such return, pay to the
Department the amount of tax imposed by this Act less a discount of 2.1%
prior to January 1, 1990 and 1.75% on and after January 1, 1990, or $5 per
calendar year, whichever is greater, which is allowed to reimburse the
retailer for the expenses incurred in keeping records, preparing and filing
returns, remitting the tax and supplying data to the Department on request.
Any prepayment made pursuant to Section 2d of this Act shall be included
in the amount on which such 2.1% or 1.75% discount is computed. In the
case of retailers who report and pay the tax on a transaction by transaction
basis, as provided in this Section, such discount shall be taken with each
such tax remittance instead of when such retailer files his periodic return.

New matter indicated by italics - deletions by strikeout
The discount allowed under this Section is allowed only for returns that are filed in the manner required by this Act. The Department may disallow the discount for retailers whose certificate of registration is revoked at the time the return is filed, but only if the Department's decision to revoke the certificate of registration has become final.

Before October 1, 2000, if the taxpayer's average monthly tax liability to the Department under this Act, the Use Tax Act, the Service Occupation Tax Act, and the Service Use Tax Act, excluding any liability for prepaid sales tax to be remitted in accordance with Section 2d of this Act, was $10,000 or more during the preceding 4 complete calendar quarters, he shall file a return with the Department each month by the 20th day of the month next following the month during which such tax liability is incurred and shall make payments to the Department on or before the 7th, 15th, 22nd and last day of the month during which such liability is incurred. On and after October 1, 2000, if the taxpayer's average monthly tax liability to the Department under this Act, the Use Tax Act, the Service Occupation Tax Act, and the Service Use Tax Act, excluding any liability for prepaid sales tax to be remitted in accordance with Section 2d of this Act, was $20,000 or more during the preceding 4 complete calendar quarters, he shall file a return with the Department each month by the 20th day of the month next following the month during which such tax liability is incurred and shall make payment to the Department on or before the 7th, 15th, 22nd and last day of the month during which such liability is incurred. If the month during which such tax liability is incurred began prior to January 1, 1985, each payment shall be in an amount equal to 1/4 of the taxpayer's actual liability for the month or an amount set by the Department not to exceed 1/4 of the average monthly liability of the taxpayer to the Department for the preceding 4 complete calendar quarters (excluding the month of highest liability and the month of lowest liability in such 4 quarter period). If the month during which such tax liability is incurred begins on or after January 1, 1985 and prior to January 1, 1987, each payment shall be in an amount equal to 22.5% of the taxpayer's actual liability for the month or 27.5% of the taxpayer's liability for the same calendar month of the preceding year. If the month during which such tax liability is incurred begins on or after January 1, 1987 and prior to January 1, 1988, each payment shall be in an amount equal to 22.5% of the taxpayer's actual liability for the month or 26.25% of the taxpayer's liability for the same calendar month of the preceding year. If the month during which such tax liability is incurred begins on or after January 1,
1988, and prior to January 1, 1989, or begins on or after January 1, 1996, each payment shall be in an amount equal to 22.5% of the taxpayer's actual liability for the month or 25% of the taxpayer's liability for the same calendar month of the preceding year. If the month during which such tax liability is incurred begins on or after January 1, 1989, and prior to January 1, 1996, each payment shall be in an amount equal to 22.5% of the taxpayer's actual liability for the month or 25% of the taxpayer's liability for the same calendar month of the preceding year or 100% of the taxpayer's actual liability for the quarter monthly reporting period. The amount of such quarter monthly payments shall be credited against the final tax liability of the taxpayer's return for that month. Before October 1, 2000, once applicable, the requirement of the making of quarter monthly payments to the Department by taxpayers having an average monthly tax liability of $10,000 or more as determined in the manner provided above shall continue until such taxpayer's average monthly liability to the Department during the preceding 4 complete calendar quarters (excluding the month of highest liability and the month of lowest liability) is less than $9,000, or until such taxpayer's average monthly liability to the Department as computed for each calendar quarter of the 4 preceding complete calendar quarter period is less than $10,000. However, if a taxpayer can show the Department that a substantial change in the taxpayer's business has occurred which causes the taxpayer to anticipate that his average monthly tax liability for the reasonably foreseeable future will fall below the $10,000 threshold stated above, then such taxpayer may petition the Department for a change in such taxpayer's reporting status. On and after October 1, 2000, once applicable, the requirement of the making of quarter monthly payments to the Department by taxpayers having an average monthly tax liability of $20,000 or more as determined in the manner provided above shall continue until such taxpayer's average monthly liability to the Department during the preceding 4 complete calendar quarters (excluding the month of highest liability and the month of lowest liability) is less than $19,000 or until such taxpayer's average monthly liability to the Department as computed for each calendar quarter of the 4 preceding complete calendar quarter period is less than $20,000. However, if a taxpayer can show the Department that a substantial change in the taxpayer's business has occurred which causes the taxpayer to anticipate that his average monthly tax liability for the reasonably foreseeable future will fall below the $20,000 threshold stated above, then such taxpayer may petition the Department for a change in such taxpayer's reporting status.
reporting status. The Department shall change such taxpayer's reporting status unless it finds that such change is seasonal in nature and not likely to be long term. If any such quarter monthly payment is not paid at the time or in the amount required by this Section, then the taxpayer shall be liable for penalties and interest on the difference between the minimum amount due as a payment and the amount of such quarter monthly payment actually and timely paid, except insofar as the taxpayer has previously made payments for that month to the Department in excess of the minimum payments previously due as provided in this Section. The Department shall make reasonable rules and regulations to govern the quarter monthly payment amount and quarter monthly payment dates for taxpayers who file on other than a calendar monthly basis.

The provisions of this paragraph apply before October 1, 2001. Without regard to whether a taxpayer is required to make quarter monthly payments as specified above, any taxpayer who is required by Section 2d of this Act to collect and remit prepaid taxes and has collected prepaid taxes which average in excess of $25,000 per month during the preceding 2 complete calendar quarters, shall file a return with the Department as required by Section 2f and shall make payments to the Department on or before the 7th, 15th, 22nd and last day of the month during which such liability is incurred. If the month during which such tax liability is incurred began prior to September 1, 1985 (the effective date of Public Act 84-221), each payment shall be in an amount not less than 22.5% of the taxpayer's actual liability under Section 2d. If the month during which such tax liability is incurred begins on or after January 1, 1986, each payment shall be in an amount equal to 22.5% of the taxpayer's actual liability for the month or 27.5% of the taxpayer's liability for the same calendar month of the preceding calendar year. If the month during which such tax liability is incurred begins on or after January 1, 1987, each payment shall be in an amount equal to 22.5% of the taxpayer's actual liability for the month or 26.25% of the taxpayer's liability for the same calendar month of the preceding year. The amount of such quarter monthly payments shall be credited against the final tax liability of the taxpayer's return for that month filed under this Section or Section 2f, as the case may be. Once applicable, the requirement of the making of quarter monthly payments to the Department pursuant to this paragraph shall continue until such taxpayer's average monthly prepaid tax collections during the preceding 2 complete calendar quarters is $25,000 or less. If any such quarter monthly payment is not paid at the time or in the amount required, the taxpayer...
shall be liable for penalties and interest on such difference, except insofar as the taxpayer has previously made payments for that month in excess of the minimum payments previously due.

The provisions of this paragraph apply on and after October 1, 2001. Without regard to whether a taxpayer is required to make quarterly payments as specified above, any taxpayer who is required by Section 2d of this Act to collect and remit prepaid taxes and has collected prepaid taxes that average in excess of $20,000 per month during the preceding 4 complete calendar quarters shall file a return with the Department as required by Section 2f and shall make payments to the Department on or before the 7th, 15th, 22nd and last day of the month during which the liability is incurred. Each payment shall be in an amount equal to 22.5% of the taxpayer's actual liability for the month or 25% of the taxpayer's liability for the same calendar month of the preceding year. The amount of the quarterly payments shall be credited against the final tax liability of the taxpayer's return for that month filed under this Section or Section 2f, as the case may be. Once applicable, the requirement of the making of quarterly payments to the Department pursuant to this paragraph shall continue until the taxpayer's average monthly prepaid tax collections during the preceding 4 complete calendar quarters (excluding the month of highest liability and the month of lowest liability) is less than $19,000 or until such taxpayer's average monthly liability to the Department as computed for each calendar quarter of the 4 preceding complete calendar quarters is less than $20,000. If any such quarterly payment is not paid at the time or in the amount required, the taxpayer shall be liable for penalties and interest on such difference, except insofar as the taxpayer has previously made payments for that month in excess of the minimum payments previously due.

If any payment provided for in this Section exceeds the taxpayer's liabilities under this Act, the Use Tax Act, the Service Occupation Tax Act and the Service Use Tax Act, as shown on an original monthly return, the Department shall, if requested by the taxpayer, issue to the taxpayer a credit memorandum no later than 30 days after the date of payment. The credit evidenced by such credit memorandum may be assigned by the taxpayer to a similar taxpayer under this Act, the Use Tax Act, the Service Occupation Tax Act or the Service Use Tax Act, in accordance with reasonable rules and regulations to be prescribed by the Department. If no such request is made, the taxpayer may credit such excess payment against tax liability subsequently to be remitted to the Department under this Act,

the Use Tax Act, the Service Occupation Tax Act or the Service Use Tax Act, in accordance with reasonable rules and regulations prescribed by the Department. If the Department subsequently determined that all or any part of the credit taken was not actually due to the taxpayer, the taxpayer's 2.1% and 1.75% vendor's discount shall be reduced by 2.1% or 1.75% of the difference between the credit taken and that actually due, and that taxpayer shall be liable for penalties and interest on such difference.

If a retailer of motor fuel is entitled to a credit under Section 2d of this Act which exceeds the taxpayer's liability to the Department under this Act for the month which the taxpayer is filing a return, the Department shall issue the taxpayer a credit memorandum for the excess.

Beginning January 1, 1990, each month the Department shall pay into the Local Government Tax Fund, a special fund in the State treasury which is hereby created, the net revenue realized for the preceding month from the 1% tax on sales of food for human consumption which is to be consumed off the premises where it is sold (other than alcoholic beverages, soft drinks and food which has been prepared for immediate consumption) and prescription and nonprescription medicines, drugs, medical appliances, products classified as Class III medical devices by the United States Food and Drug Administration that are used for cancer treatment pursuant to a prescription, as well as any accessories and components related to those devices, and insulin, urine testing materials, syringes and needles used by diabetics.

Beginning September 1, 2010, each month the Department shall pay into the County and Mass Transit District Fund 20% of the net revenue realized for the preceding month from the 1.25% rate on the selling price of sales tax holiday items.

Beginning January 1, 1990, each month the Department shall pay into the Local Government Tax Fund 16% of the net revenue realized for the preceding month from the 6.25% general rate on the selling price of tangible personal property.

Beginning July 1, 2011, each month the Department shall pay into the Clean Air Act Permit Fund 80% of the net revenue realized for the preceding month from the 6.25% general rate on the selling price of sorbents used in Illinois in the process of sorbent injection as used to comply with the Environmental Protection Act or the federal Clean Air Act, but the total payment into the Clean Air Act Permit Fund under this Act and the Use Tax Act shall not exceed $2,000,000 in any fiscal year.

the Annual Specified Amount for such fiscal year. The amounts payable into the Build Illinois Fund under clause (b) of the first sentence in this paragraph shall be payable only until such time as the aggregate amount on deposit under each trust indenture securing Bonds issued and outstanding pursuant to the Build Illinois Bond Act is sufficient, taking into account any future investment income, to fully provide, in accordance with such indenture, for the defeasance of or the payment of the principal of, premium, if any, and interest on the Bonds secured by such indenture and on any Bonds expected to be issued thereafter and all fees and costs payable with respect thereto, all as certified by the Director of the Bureau of the Budget (now Governor's Office of Management and Budget). The moneys received by the Department pursuant to this Act and required to be deposited into the Build Illinois Fund are subject to the pledge, claim and charge set forth in Section 12 of the Build Illinois Bond Act.

Subject to payment of amounts into the Build Illinois Fund as provided in the preceding paragraph or in any amendment thereto hereafter enacted, the following specified monthly installment of the amount requested in the certificate of the Chairman of the Metropolitan Pier and Exposition Authority provided under Section 8.25f of the State Finance Act, but not in excess of sums designated as "Total Deposit", shall be deposited in the aggregate from collections under Section 9 of the Use Tax Act, Section 9 of the Service Use Tax Act, Section 9 of the Service Occupation Tax Act, and Section 3 of the Retailers' Occupation Tax Act into the McCormick Place Expansion Project Fund in the specified fiscal years.

(13.2) of the Metropolitan Pier and Exposition Authority Act, but not after fiscal year 2060.

Beginning July 20, 1993 and in each month of each fiscal year thereafter, one-eighth of the amount requested in the certificate of the Chairman of the Metropolitan Pier and Exposition Authority for that fiscal year, less the amount deposited into the McCormick Place Expansion Project Fund by the State Treasurer in the respective month under subsection (g) of Section 13 of the Metropolitan Pier and Exposition Authority Act, plus cumulative deficiencies in the deposits required under this Section for previous months and years, shall be deposited into the McCormick Place Expansion Project Fund, until the full amount requested for the fiscal year, but not in excess of the amount specified above as "Total Deposit", has been deposited.

Subject to payment of amounts into the Build Illinois Fund and the McCormick Place Expansion Project Fund pursuant to the preceding paragraphs or in any amendments thereto hereafter enacted, beginning July 1, 1993 and ending on September 30, 2013, the Department shall each month pay into the Illinois Tax Increment Fund 0.27% of 80% of the net revenue realized for the preceding month from the 6.25% general rate on the selling price of tangible personal property.

Subject to payment of amounts into the Build Illinois Fund and the McCormick Place Expansion Project Fund pursuant to the preceding paragraphs or in any amendments thereto hereafter enacted, beginning with the receipt of the first report of taxes paid by an eligible business and continuing for a 25-year period, the Department shall each month pay into the Energy Infrastructure Fund 80% of the net revenue realized from the 6.25% general rate on the selling price of Illinois-mined coal that was sold to an eligible business. For purposes of this paragraph, the term "eligible business" means a new electric generating facility certified pursuant to Section 605-332 of the Department of Commerce and Economic Opportunity Law of the Civil Administrative Code of Illinois.

Subject to payment of amounts into the Build Illinois Fund, the McCormick Place Expansion Project Fund, the Illinois Tax Increment Fund, and the Energy Infrastructure Fund pursuant to the preceding paragraphs or in any amendments to this Section hereafter enacted, beginning on the first day of the first calendar month to occur on or after August 26, 2014 (the effective date of Public Act 98-1098), each month, from the collections made under Section 9 of the Use Tax Act, Section 9 of the Service Use Tax Act, Section 9 of the Service Occupation Tax Act, and Section 3 of the Retailers' Occupation Tax Act, the Department shall pay into the Tax Compliance and Administration Fund, to be used, subject to appropriation, to fund additional auditors and compliance personnel at the Department of Revenue, an amount equal to 1/12 of 5% of 80% of the cash receipts collected during the preceding fiscal year by the Audit Bureau of the Department under the Use Tax Act, the Service Use Tax Act, the Service Occupation Tax Act, the Retailers' Occupation Tax Act, and associated local occupation and use taxes administered by the Department.

Of the remainder of the moneys received by the Department pursuant to this Act, 75% thereof shall be paid into the State Treasury and 25% shall be reserved in a special account and used only for the transfer to the Common School Fund as part of the monthly transfer from the General Revenue Fund in accordance with Section 8a of the State Finance Act.

The Department may, upon separate written notice to a taxpayer, require the taxpayer to prepare and file with the Department on a form prescribed by the Department within not less than 60 days after receipt of the notice an annual information return for the tax year specified in the notice. Such annual return to the Department shall include a statement of gross receipts as shown by the retailer's last Federal income tax return. If the total receipts of the business as reported in the Federal income tax return do not agree with the gross receipts reported to the Department of Revenue for the same period, the retailer shall attach to his annual return a schedule showing a reconciliation of the 2 amounts and the reasons for the difference. The retailer's annual return to the Department shall also disclose the cost of goods sold by the retailer during the year covered by such return, opening and closing inventories of such goods for such year, costs of goods used from stock or taken from stock and given away by the retailer during such year, payroll information of the retailer's business during such year and any additional reasonable information which the Department deems would be helpful in determining the accuracy of the

monthly, quarterly or annual returns filed by such retailer as provided for in this Section.

If the annual information return required by this Section is not filed when and as required, the taxpayer shall be liable as follows:

(i) Until January 1, 1994, the taxpayer shall be liable for a penalty equal to 1/6 of 1% of the tax due from such taxpayer under this Act during the period to be covered by the annual return for each month or fraction of a month until such return is filed as required, the penalty to be assessed and collected in the same manner as any other penalty provided for in this Act.

(ii) On and after January 1, 1994, the taxpayer shall be liable for a penalty as described in Section 3-4 of the Uniform Penalty and Interest Act.

The chief executive officer, proprietor, owner or highest ranking manager shall sign the annual return to certify the accuracy of the information contained therein. Any person who willfully signs the annual return containing false or inaccurate information shall be guilty of perjury and punished accordingly. The annual return form prescribed by the Department shall include a warning that the person signing the return may be liable for perjury.

The provisions of this Section concerning the filing of an annual information return do not apply to a retailer who is not required to file an income tax return with the United States Government.

As soon as possible after the first day of each month, upon certification of the Department of Revenue, the Comptroller shall order transferred and the Treasurer shall transfer from the General Revenue Fund to the Motor Fuel Tax Fund an amount equal to 1.7% of 80% of the net revenue realized under this Act for the second preceding month. Beginning April 1, 2000, this transfer is no longer required and shall not be made.

Net revenue realized for a month shall be the revenue collected by the State pursuant to this Act, less the amount paid out during that month as refunds to taxpayers for overpayment of liability.

For greater simplicity of administration, manufacturers, importers and wholesalers whose products are sold at retail in Illinois by numerous retailers, and who wish to do so, may assume the responsibility for accounting and paying to the Department all tax accruing under this Act with respect to such sales, if the retailers who are affected do not make written objection to the Department to this arrangement.

The Department shall impose this requirement when it finds that there is a significant risk of loss of revenue to the State at such an exhibition or event. Such a finding shall be based on evidence that a substantial number of concessionaires or other sellers who are not residents of Illinois will be engaging in the business of selling tangible personal property at retail at the exhibition or event, or other evidence of a significant risk of loss of revenue to the State. The Department shall notify concessionaires and other sellers affected by the imposition of this requirement. In the absence of notification by the Department, the concessionaires and other sellers shall file their returns as otherwise required in this Section.

On and after January 1, 2018, except for returns for motor vehicles, watercraft, aircraft, and trailers that are required to be registered with an agency of this State, with respect to retailers whose annual gross receipts average $20,000 or more, all returns required to be filed pursuant to this Act shall be filed electronically. Retailers who demonstrate that they do not have access to the Internet or demonstrate hardship in filing electronically may petition the Department to waive the electronic filing requirement.

If a taxpayer fails to sign a return within 30 days after the proper notice and demand for signature by the Department, the return shall be considered valid and any amount shown to be due on the return shall be deemed assessed.

Each return shall be accompanied by the statement of prepaid tax issued pursuant to Section 2e for which credit is claimed.

Prior to October 1, 2003, and on and after September 1, 2004 a retailer may accept a Manufacturer's Purchase Credit certification from a purchaser in satisfaction of Use Tax as provided in Section 3-85 of the Use Tax Act.

A Manufacturer's Purchase Credit certification, accepted by a retailer prior to October 1, 2003 and on and after September 1, 2004 as provided in Section 3-85 of the Use Tax Act, may be used by that retailer to satisfy Retailers' Occupation Tax liability in the amount claimed in the certification, not to exceed 6.25% of the receipts subject to tax from a qualifying purchase. A Manufacturer's Purchase Credit reported on any original or amended return filed under this Act after October 20, 2003 for reporting periods prior to September 1, 2004 shall be disallowed. Manufacturer's Purchase Credit reported on annual returns due on or after January 1, 2005 will be disallowed for periods prior to September 1, 2004. No Manufacturer's Purchase Credit may be used after September 30, 2003 through August 31, 2004 to satisfy any tax liability imposed under this Act, including any audit liability.

The Department may require returns to be filed on a quarterly basis. If so required, a return for each calendar quarter shall be filed on or before the twentieth day of the calendar month following the end of such calendar quarter. The taxpayer shall also file a return with the Department for each of the first two months of each calendar quarter, on or before the twentieth day of the following calendar month, stating:

1. The name of the seller;
2. The address of the principal place of business from which he engages in the business of selling tangible personal property at retail in this State;
3. The total amount of taxable receipts received by him during the preceding calendar month from sales of tangible personal property by him during such preceding calendar month, including receipts from charge and time sales, but less all deductions allowed by law;
4. The amount of credit provided in Section 2d of this Act;
5. The amount of tax due; and
6. Such other reasonable information as the Department may require.

Beginning on October 1, 2003, any person who is not a licensed distributor, importing distributor, or manufacturer, as defined in the Liquor Control Act of 1934, but is engaged in the business of selling, at retail, alcoholic liquor shall file a statement with the Department of Revenue, in a format and at a time prescribed by the Department, showing the total amount paid for alcoholic liquor purchased during the preceding month.
and such other information as is reasonably required by the Department. The Department may adopt rules to require that this statement be filed in an electronic or telephonic format. Such rules may provide for exceptions from the filing requirements of this paragraph. For the purposes of this paragraph, the term "alcoholic liquor" shall have the meaning prescribed in the Liquor Control Act of 1934.

Beginning on October 1, 2003, every distributor, importing distributor, and manufacturer of alcoholic liquor as defined in the Liquor Control Act of 1934, shall file a statement with the Department of Revenue, no later than the 10th day of the month for the preceding month during which transactions occurred, by electronic means, showing the total amount of gross receipts from the sale of alcoholic liquor sold or distributed during the preceding month to purchasers; identifying the purchaser to whom it was sold or distributed; the purchaser's tax registration number; and such other information reasonably required by the Department. A distributor, importing distributor, or manufacturer of alcoholic liquor must personally deliver, mail, or provide by electronic means to each retailer listed on the monthly statement a report containing a cumulative total of that distributor's, importing distributor's, or manufacturer's total sales of alcoholic liquor to that retailer no later than the 10th day of the month for the preceding month during which the transaction occurred. The distributor, importing distributor, or manufacturer shall notify the retailer as to the method by which the distributor, importing distributor, or manufacturer will provide the sales information. If the retailer is unable to receive the sales information by electronic means, the distributor, importing distributor, or manufacturer shall furnish the sales information by personal delivery or by mail. For purposes of this paragraph, the term "electronic means" includes, but is not limited to, the use of a secure Internet website, e-mail, or facsimile.

If a total amount of less than $1 is payable, refundable or creditable, such amount shall be disregarded if it is less than 50 cents and shall be increased to $1 if it is 50 cents or more.

Beginning October 1, 1993, a taxpayer who has an average monthly tax liability of $150,000 or more shall make all payments required by rules of the Department by electronic funds transfer. Beginning October 1, 1994, a taxpayer who has an average monthly tax liability of $100,000 or more shall make all payments required by rules of the Department by electronic funds transfer. Beginning October 1, 1995, a taxpayer who has an average monthly tax liability of $50,000 or more shall

make all payments required by rules of the Department by electronic funds transfer. Beginning October 1, 2000, a taxpayer who has an annual tax liability of $200,000 or more shall make all payments required by rules of the Department by electronic funds transfer. The term "annual tax liability" shall be the sum of the taxpayer's liabilities under this Act, and under all other State and local occupation and use tax laws administered by the Department, for the immediately preceding calendar year. The term "average monthly tax liability" shall be the sum of the taxpayer's liabilities under this Act, and under all other State and local occupation and use tax laws administered by the Department, for the immediately preceding calendar year divided by 12. Beginning on October 1, 2002, a taxpayer who has a tax liability in the amount set forth in subsection (b) of Section 2505-210 of the Department of Revenue Law shall make all payments required by rules of the Department by electronic funds transfer.

Before August 1 of each year beginning in 1993, the Department shall notify all taxpayers required to make payments by electronic funds transfer. All taxpayers required to make payments by electronic funds transfer shall make those payments for a minimum of one year beginning on October 1.

Any taxpayer not required to make payments by electronic funds transfer may make payments by electronic funds transfer with the permission of the Department.

All taxpayers required to make payment by electronic funds transfer and any taxpayers authorized to voluntarily make payments by electronic funds transfer shall make those payments in the manner authorized by the Department.

The Department shall adopt such rules as are necessary to effectuate a program of electronic funds transfer and the requirements of this Section.

Any amount which is required to be shown or reported on any return or other document under this Act shall, if such amount is not a whole-dollar amount, be increased to the nearest whole-dollar amount in any case where the fractional part of a dollar is 50 cents or more, and decreased to the nearest whole-dollar amount where the fractional part of a dollar is less than 50 cents.

If the retailer is otherwise required to file a monthly return and if the retailer's average monthly tax liability to the Department does not exceed $200, the Department may authorize his returns to be filed on a quarter annual basis, with the return for January, February and March of a
given year being due by April 20 of such year; with the return for April, May and June of a given year being due by July 20 of such year; with the return for July, August and September of a given year being due by October 20 of such year, and with the return for October, November and December of a given year being due by January 20 of the following year.

If the retailer is otherwise required to file a monthly or quarterly return and if the retailer's average monthly tax liability with the Department does not exceed $50, the Department may authorize his returns to be filed on an annual basis, with the return for a given year being due by January 20 of the following year.

Such quarter annual and annual returns, as to form and substance, shall be subject to the same requirements as monthly returns.

Notwithstanding any other provision in this Act concerning the time within which a retailer may file his return, in the case of any retailer who ceases to engage in a kind of business which makes him responsible for filing returns under this Act, such retailer shall file a final return under this Act with the Department not more than one month after discontinuing such business.

Where the same person has more than one business registered with the Department under separate registrations under this Act, such person may not file each return that is due as a single return covering all such registered businesses, but shall file separate returns for each such registered business.

In addition, with respect to motor vehicles, watercraft, aircraft, and trailers that are required to be registered with an agency of this State, every retailer selling this kind of tangible personal property shall file, with the Department, upon a form to be prescribed and supplied by the Department, a separate return for each such item of tangible personal property which the retailer sells, except that if, in the same transaction, (i) a retailer of aircraft, watercraft, motor vehicles or trailers transfers more than one aircraft, watercraft, motor vehicle or trailer to another aircraft, watercraft, motor vehicle retailer or trailer retailer for the purpose of resale or (ii) a retailer of aircraft, watercraft, motor vehicles, or trailers transfers more than one aircraft, watercraft, motor vehicle, or trailer to a purchaser for use as a qualifying rolling stock as provided in Section 2-5 of this Act, then that seller may report the transfer of all aircraft, watercraft, motor vehicles or trailers involved in that transaction to the Department on the same uniform invoice-transaction reporting return form. For purposes of this Section, "watercraft" means a Class 2, Class 3, or Class 4 watercraft as
defined in Section 3-2 of the Boat Registration and Safety Act, a personal watercraft, or any boat equipped with an inboard motor.

Any retailer who sells only motor vehicles, watercraft, aircraft, or trailers that are required to be registered with an agency of this State, so that all retailers' occupation tax liability is required to be reported, and is reported, on such transaction reporting returns and who is not otherwise required to file monthly or quarterly returns, need not file monthly or quarterly returns. However, those retailers shall be required to file returns on an annual basis.

The transaction reporting return, in the case of motor vehicles or trailers that are required to be registered with an agency of this State, shall be the same document as the Uniform Invoice referred to in Section 5-402 of The Illinois Vehicle Code and must show the name and address of the seller; the name and address of the purchaser; the amount of the selling price including the amount allowed by the retailer for traded-in property, if any; the amount allowed by the retailer for the traded-in tangible personal property, if any, to the extent to which Section 1 of this Act allows an exemption for the value of traded-in property; the balance payable after deducting such trade-in allowance from the total selling price; the amount of tax due from the retailer with respect to such transaction; the amount of tax collected from the purchaser by the retailer on such transaction (or satisfactory evidence that such tax is not due in that particular instance, if that is claimed to be the fact); the place and date of the sale; a sufficient identification of the property sold; such other information as is required in Section 5-402 of The Illinois Vehicle Code, and such other information as the Department may reasonably require.

The transaction reporting return in the case of watercraft or aircraft must show the name and address of the seller; the name and address of the purchaser; the amount of the selling price including the amount allowed by the retailer for traded-in property, if any; the amount allowed by the retailer for the traded-in tangible personal property, if any, to the extent to which Section 1 of this Act allows an exemption for the value of traded-in property; the balance payable after deducting such trade-in allowance from the total selling price; the amount of tax due from the retailer with respect to such transaction; the amount of tax collected from the purchaser by the retailer on such transaction (or satisfactory evidence that such tax is not due in that particular instance, if that is claimed to be the fact); the place and date of the sale, a sufficient identification of the property sold, and such other information as the Department may reasonably require.

New matter indicated by italics - deletions by strikeout
Such transaction reporting return shall be filed not later than 20 days after the day of delivery of the item that is being sold, but may be filed by the retailer at any time sooner than that if he chooses to do so. The transaction reporting return and tax remittance or proof of exemption from the Illinois use tax may be transmitted to the Department by way of the State agency with which, or State officer with whom the tangible personal property must be titled or registered (if titling or registration is required) if the Department and such agency or State officer determine that this procedure will expedite the processing of applications for title or registration.

With each such transaction reporting return, the retailer shall remit the proper amount of tax due (or shall submit satisfactory evidence that the sale is not taxable if that is the case), to the Department or its agents, whereupon the Department shall issue, in the purchaser's name, a use tax receipt (or a certificate of exemption if the Department is satisfied that the particular sale is tax exempt) which such purchaser may submit to the agency with which, or State officer with whom, he must title or register the tangible personal property that is involved (if titling or registration is required) in support of such purchaser's application for an Illinois certificate or other evidence of title or registration to such tangible personal property.

No retailer's failure or refusal to remit tax under this Act precludes a user, who has paid the proper tax to the retailer, from obtaining his certificate of title or other evidence of title or registration (if titling or registration is required) upon satisfying the Department that such user has paid the proper tax (if tax is due) to the retailer. The Department shall adopt appropriate rules to carry out the mandate of this paragraph.

If the user who would otherwise pay tax to the retailer wants the transaction reporting return filed and the payment of the tax or proof of exemption made to the Department before the retailer is willing to take these actions and such user has not paid the tax to the retailer, such user may certify to the fact of such delay by the retailer and may (upon the Department being satisfied of the truth of such certification) transmit the information required by the transaction reporting return and the remittance for tax or proof of exemption directly to the Department and obtain his tax receipt or exemption determination, in which event the transaction reporting return and tax remittance (if a tax payment was required) shall be credited by the Department to the proper retailer's account with the Department, but without the 2.1% or 1.75% discount provided for in this paragraph.
Section being allowed. When the user pays the tax directly to the Department, he shall pay the tax in the same amount and in the same form in which it would be remitted if the tax had been remitted to the Department by the retailer.

Refunds made by the seller during the preceding return period to purchasers, on account of tangible personal property returned to the seller, shall be allowed as a deduction under subdivision 5 of his monthly or quarterly return, as the case may be, in case the seller had theretofore included the receipts from the sale of such tangible personal property in a return filed by him and had paid the tax imposed by this Act with respect to such receipts.

Where the seller is a corporation, the return filed on behalf of such corporation shall be signed by the president, vice-president, secretary or treasurer or by the properly accredited agent of such corporation.

Where the seller is a limited liability company, the return filed on behalf of the limited liability company shall be signed by a manager, member, or properly accredited agent of the limited liability company.

Except as provided in this Section, the retailer filing the return under this Section shall, at the time of filing such return, pay to the Department the amount of tax imposed by this Act less a discount of 2.1% prior to January 1, 1990 and 1.75% on and after January 1, 1990, or $5 per calendar year, whichever is greater, which is allowed to reimburse the retailer for the expenses incurred in keeping records, preparing and filing returns, remitting the tax and supplying data to the Department on request. Any prepayment made pursuant to Section 2d of this Act shall be included in the amount on which such 2.1% or 1.75% discount is computed. In the case of retailers who report and pay the tax on a transaction by transaction basis, as provided in this Section, such discount shall be taken with each such tax remittance instead of when such retailer files his periodic return. The discount allowed under this Section is allowed only for returns that are filed in the manner required by this Act. The Department may disallow the discount for retailers whose certificate of registration is revoked at the time the return is filed, but only if the Department's decision to revoke the certificate of registration has become final.

Before October 1, 2000, if the taxpayer's average monthly tax liability to the Department under this Act, the Use Tax Act, the Service Occupation Tax Act, and the Service Use Tax Act, excluding any liability for prepaid sales tax to be remitted in accordance with Section 2d of this Act, was $10,000 or more during the preceding 4 complete calendar
quarters, he shall file a return with the Department each month by the 20th
day of the month next following the month during which such tax liability
is incurred and shall make payments to the Department on or before the
7th, 15th, 22nd and last day of the month during which such liability is
incurred. On and after October 1, 2000, if the taxpayer's average monthly
tax liability to the Department under this Act, the Use Tax Act, the Service
Occupation Tax Act, and the Service Use Tax Act, excluding any liability
for prepaid sales tax to be remitted in accordance with Section 2d of this
Act, was $20,000 or more during the preceding 4 complete calendar
quarters, he shall file a return with the Department each month by the 20th
day of the month next following the month during which such tax liability
is incurred and shall make payment to the Department on or before the 7th,
15th, 22nd and last day of the month during which such liability is
incurred. If the month during which such tax liability is incurred began
prior to January 1, 1985, each payment shall be in an amount equal to 1/4
of the taxpayer's actual liability for the month or an amount set by the
Department not to exceed 1/4 of the average monthly liability of the
taxpayer to the Department for the preceding 4 complete calendar quarters
(excluding the month of highest liability and the month of lowest liability
in such 4 quarter period). If the month during which such tax liability is
incurred begins on or after January 1, 1985 and prior to January 1, 1987,
each payment shall be in an amount equal to 22.5% of the taxpayer's actual
liability for the month or 27.5% of the taxpayer's liability for the same
calendar month of the preceding year. If the month during which such tax
liability is incurred begins on or after January 1, 1987 and prior to January
1, 1988, each payment shall be in an amount equal to 22.5% of the
taxpayer's actual liability for the month or 26.25% of the taxpayer's
liability for the same calendar month of the preceding year. If the month
during which such tax liability is incurred begins on or after January 1,
1988, and prior to January 1, 1989, or begins on or after January 1, 1996,
each payment shall be in an amount equal to 22.5% of the taxpayer's actual
liability for the month or 25% of the taxpayer's liability for the same
calendar month of the preceding year. If the month during which such tax
liability is incurred begins on or after January 1, 1989, and prior to January
1, 1996, each payment shall be in an amount equal to 22.5% of the
 taxpayer's actual liability for the month or 25% of the taxpayer's liability for the same
calendar month of the preceding year or 100% of the
taxpayer's actual liability for the quarter monthly reporting period. The
amount of such quarter monthly payments shall be credited against the

final tax liability of the taxpayer's return for that month. Before October 1, 2000, once applicable, the requirement of the making of quarter monthly payments to the Department by taxpayers having an average monthly tax liability of $10,000 or more as determined in the manner provided above shall continue until such taxpayer's average monthly liability to the Department during the preceding 4 complete calendar quarters (excluding the month of highest liability and the month of lowest liability) is less than $9,000, or until such taxpayer's average monthly liability to the Department as computed for each calendar quarter of the 4 preceding complete calendar quarter period is less than $10,000. However, if a taxpayer can show the Department that a substantial change in the taxpayer's business has occurred which causes the taxpayer to anticipate that his average monthly tax liability for the reasonably foreseeable future will fall below the $10,000 threshold stated above, then such taxpayer may petition the Department for a change in such taxpayer's reporting status. On and after October 1, 2000, once applicable, the requirement of the making of quarter monthly payments to the Department by taxpayers having an average monthly tax liability of $20,000 or more as determined in the manner provided above shall continue until such taxpayer's average monthly liability to the Department during the preceding 4 complete calendar quarters (excluding the month of highest liability and the month of lowest liability) is less than $19,000 or until such taxpayer's average monthly liability to the Department as computed for each calendar quarter of the 4 preceding complete calendar quarter period is less than $20,000. However, if a taxpayer can show the Department that a substantial change in the taxpayer's business has occurred which causes the taxpayer to anticipate that his average monthly tax liability for the reasonably foreseeable future will fall below the $20,000 threshold stated above, then such taxpayer may petition the Department for a change in such taxpayer's reporting status. The Department shall change such taxpayer's reporting status unless it finds that such change is seasonal in nature and not likely to be long term. If any such quarter monthly payment is not paid at the time or in the amount required by this Section, then the taxpayer shall be liable for penalties and interest on the difference between the minimum amount due as a payment and the amount of such quarter monthly payment actually and timely paid, except insofar as the taxpayer has previously made payments for that month to the Department in excess of the minimum payments previously due as provided in this Section. The Department shall make reasonable rules and regulations to govern the

quarter monthly payment amount and quarter monthly payment dates for taxpayers who file on other than a calendar monthly basis.

The provisions of this paragraph apply before October 1, 2001. Without regard to whether a taxpayer is required to make quarter monthly payments as specified above, any taxpayer who is required by Section 2d of this Act to collect and remit prepaid taxes and has collected prepaid taxes which average in excess of $25,000 per month during the preceding 2 complete calendar quarters, shall file a return with the Department as required by Section 2f and shall make payments to the Department on or before the 7th, 15th, 22nd and last day of the month during which such liability is incurred. If the month during which such tax liability is incurred began prior to September 1, 1985 (the effective date of Public Act 84-221), each payment shall be in an amount not less than 22.5% of the taxpayer's actual liability under Section 2d. If the month during which such tax liability is incurred begins on or after January 1, 1986, each payment shall be in an amount equal to 22.5% of the taxpayer's actual liability for the month or 27.5% of the taxpayer's liability for the same calendar month of the preceding calendar year. If the month during which such tax liability is incurred begins on or after January 1, 1987, each payment shall be in an amount equal to 22.5% of the taxpayer's actual liability for the month or 26.25% of the taxpayer's liability for the same calendar month of the preceding year. The amount of such quarter monthly payments shall be credited against the final tax liability of the taxpayer's return for that month filed under this Section or Section 2f, as the case may be. Once applicable, the requirement of the making of quarter monthly payments to the Department pursuant to this paragraph shall continue until such taxpayer's average monthly prepaid tax collections during the preceding 2 complete calendar quarters is $25,000 or less. If any such quarter monthly payment is not paid at the time or in the amount required, the taxpayer shall be liable for penalties and interest on such difference, except insofar as the taxpayer has previously made payments for that month in excess of the minimum payments previously due.

The provisions of this paragraph apply on and after October 1, 2001. Without regard to whether a taxpayer is required to make quarter monthly payments as specified above, any taxpayer who is required by Section 2d of this Act to collect and remit prepaid taxes and has collected prepaid taxes that average in excess of $20,000 per month during the preceding 4 complete calendar quarters shall file a return with the Department as required by Section 2f and shall make payments to the
Department on or before the 7th, 15th, 22nd and last day of the month during which the liability is incurred. Each payment shall be in an amount equal to 22.5% of the taxpayer's actual liability for the month or 25% of the taxpayer's liability for the same calendar month of the preceding year. The amount of the quarter monthly payments shall be credited against the final tax liability of the taxpayer's return for that month filed under this Section or Section 2f, as the case may be. Once applicable, the requirement of the making of quarter monthly payments to the Department pursuant to this paragraph shall continue until the taxpayer's average monthly prepaid tax collections during the preceding 4 complete calendar quarters (excluding the month of highest liability and the month of lowest liability) is less than $19,000 or until such taxpayer's average monthly liability to the Department as computed for each calendar quarter of the 4 preceding complete calendar quarters is less than $20,000. If any such quarter monthly payment is not paid at the time or in the amount required, the taxpayer shall be liable for penalties and interest on such difference, except insofar as the taxpayer has previously made payments for that month in excess of the minimum payments previously due.

If any payment provided for in this Section exceeds the taxpayer's liabilities under this Act, the Use Tax Act, the Service Occupation Tax Act and the Service Use Tax Act, as shown on an original monthly return, the Department shall, if requested by the taxpayer, issue to the taxpayer a credit memorandum no later than 30 days after the date of payment. The credit evidenced by such credit memorandum may be assigned by the taxpayer to a similar taxpayer under this Act, the Use Tax Act, the Service Occupation Tax Act or the Service Use Tax Act, in accordance with reasonable rules and regulations to be prescribed by the Department. If no such request is made, the taxpayer may credit such excess payment against tax liability subsequently to be remitted to the Department under this Act, the Use Tax Act, the Service Occupation Tax Act or the Service Use Tax Act, in accordance with reasonable rules and regulations prescribed by the Department. If the Department subsequently determined that all or any part of the credit taken was not actually due to the taxpayer, the taxpayer's 2.1% and 1.75% vendor's discount shall be reduced by 2.1% or 1.75% of the difference between the credit taken and that actually due, and that taxpayer shall be liable for penalties and interest on such difference.

If a retailer of motor fuel is entitled to a credit under Section 2d of this Act which exceeds the taxpayer's liability to the Department under this
Act for the month which the taxpayer is filing a return, the Department shall issue the taxpayer a credit memorandum for the excess.

and each fiscal year thereafter that bonds are outstanding under Section 13.2 of the Metropolitan Pier and Exposition Authority Act, but not after fiscal year 2060.

New matter indicated by italics - deletions by strikeout
Beginning July 20, 1993 and in each month of each fiscal year thereafter, one-eighth of the amount requested in the certificate of the Chairman of the Metropolitan Pier and Exposition Authority for that fiscal year, less the amount deposited into the McCormick Place Expansion Project Fund by the State Treasurer in the respective month under subsection (g) of Section 13 of the Metropolitan Pier and Exposition Authority Act, plus cumulative deficiencies in the deposits required under this Section for previous months and years, shall be deposited into the McCormick Place Expansion Project Fund, until the full amount requested for the fiscal year, but not in excess of the amount specified above as "Total Deposit", has been deposited.

Subject to payment of amounts into the Build Illinois Fund and the McCormick Place Expansion Project Fund pursuant to the preceding paragraphs or in any amendments thereto hereafter enacted, beginning July 1, 1993 and ending on September 30, 2013, the Department shall each month pay into the Illinois Tax Increment Fund 0.27% of 80% of the net revenue realized for the preceding month from the 6.25% general rate on the selling price of tangible personal property.

Subject to payment of amounts into the Build Illinois Fund and the McCormick Place Expansion Project Fund pursuant to the preceding paragraphs or in any amendments thereto hereafter enacted, beginning with the receipt of the first report of taxes paid by an eligible business and continuing for a 25-year period, the Department shall each month pay into the Energy Infrastructure Fund 80% of the net revenue realized from the 6.25% general rate on the selling price of Illinois-mined coal that was sold to an eligible business. For purposes of this paragraph, the term "eligible business" means a new electric generating facility certified pursuant to Section 605-332 of the Department of Commerce and Economic Opportunity Law of the Civil Administrative Code of Illinois.

Subject to payment of amounts into the Build Illinois Fund, the McCormick Place Expansion Project Fund, the Illinois Tax Increment Fund, and the Energy Infrastructure Fund pursuant to the preceding paragraphs or in any amendments to this Section hereafter enacted, beginning on the first day of the first calendar month to occur on or after August 26, 2014 (the effective date of Public Act 98-1098), each month, from the collections made under Section 9 of the Use Tax Act, Section 9 of the Service Use Tax Act, Section 9 of the Service Occupation Tax Act, and Section 3 of the Retailers' Occupation Tax Act, the Department shall pay into the Tax Compliance and Administration Fund, to be used, subject

Act, the Service Occupation Tax Act, the Retailers' Occupation Tax Act,
and associated local occupation and use taxes administered by the
Department.

Subject to payments of amounts into the Build Illinois Fund, the
McCormick Place Expansion Project Fund, the Illinois Tax Increment
Fund, the Energy Infrastructure Fund, and the Tax Compliance and
Administration Fund as provided in this Section, beginning on July 1,
2018 the Department shall pay each month into the Downstate Public
Transportation Fund the moneys required to be so paid under Section 2-3
of the Downstate Public Transportation Act.

Of the remainder of the moneys received by the Department
pursuant to this Act, 75% thereof shall be paid into the State Treasury and
25% shall be reserved in a special account and used only for the transfer to
the Common School Fund as part of the monthly transfer from the General

The Department may, upon separate written notice to a taxpayer,
require the taxpayer to prepare and file with the Department on a form
prescribed by the Department within not less than 60 days after receipt of
the notice an annual information return for the tax year specified in the
notice. Such annual return to the Department shall include a statement of
gross receipts as shown by the retailer's last Federal income tax return. If
the total receipts of the business as reported in the Federal income tax
return do not agree with the gross receipts reported to the Department of
Revenue for the same period, the retailer shall attach to his annual return a
schedule showing a reconciliation of the 2 amounts and the reasons for the
difference. The retailer's annual return to the Department shall also
disclose the cost of goods sold by the retailer during the year covered by
such return, opening and closing inventories of such goods for such year,
costs of goods used from stock or taken from stock and given away by the
retailer during such year, payroll information of the retailer's business
during such year and any additional reasonable information which the
Department deems would be helpful in determining the accuracy of the
monthly, quarterly or annual returns filed by such retailer as provided for
in this Section.

If the annual information return required by this Section is not filed when and as required, the taxpayer shall be liable as follows:

(i) Until January 1, 1994, the taxpayer shall be liable for a penalty equal to 1/6 of 1% of the tax due from such taxpayer under this Act during the period to be covered by the annual return for each month or fraction of a month until such return is filed as required, the penalty to be assessed and collected in the same manner as any other penalty provided for in this Act.

(ii) On and after January 1, 1994, the taxpayer shall be liable for a penalty as described in Section 3-4 of the Uniform Penalty and Interest Act.

The chief executive officer, proprietor, owner or highest ranking manager shall sign the annual return to certify the accuracy of the information contained therein. Any person who willfully signs the annual return containing false or inaccurate information shall be guilty of perjury and punished accordingly. The annual return form prescribed by the Department shall include a warning that the person signing the return may be liable for perjury.

The provisions of this Section concerning the filing of an annual information return do not apply to a retailer who is not required to file an income tax return with the United States Government.

As soon as possible after the first day of each month, upon certification of the Department of Revenue, the Comptroller shall order transferred and the Treasurer shall transfer from the General Revenue Fund to the Motor Fuel Tax Fund an amount equal to 1.7% of 80% of the net revenue realized under this Act for the second preceding month. Beginning April 1, 2000, this transfer is no longer required and shall not be made.

Net revenue realized for a month shall be the revenue collected by the State pursuant to this Act, less the amount paid out during that month as refunds to taxpayers for overpayment of liability.

For greater simplicity of administration, manufacturers, importers and wholesalers whose products are sold at retail in Illinois by numerous retailers, and who wish to do so, may assume the responsibility for accounting and paying to the Department all tax accruing under this Act with respect to such sales, if the retailers who are affected do not make written objection to the Department to this arrangement.

Any person who promotes, organizes, provides retail selling space for concessionaires or other types of sellers at the Illinois State Fair,

Any person who fails to file a report required by this Section commits a business offense and is subject to a fine not to exceed $250.

Any person engaged in the business of selling tangible personal property at retail as a concessionaire or other type of seller at the Illinois State Fair, county fairs, art shows, flea markets and similar exhibitions or events, or any transient merchants, as defined by Section 2 of the Transient Merchant Act of 1987, may be required to make a daily report of the amount of such sales to the Department and to make a daily payment of the full amount of tax due. The Department shall impose this requirement when it finds that there is a significant risk of loss of revenue to the State at such an exhibition or event. Such a finding shall be based on evidence that a substantial number of concessionaires or other sellers who are not residents of Illinois will be engaging in the business of selling tangible personal property at retail at the exhibition or event, or other evidence of a significant risk of loss of revenue to the State. The Department shall notify concessionaires and other sellers affected by the imposition of this requirement. In the absence of notification by the Department, the concessionaires and other sellers shall file their returns as otherwise required in this Section.

"Base amount" means the base year equalized assessed value of the residence plus the first year's equalized assessed value of any added improvements which increased the assessed value of the residence after the base year.

"Base year" means the taxable year prior to the taxable year for which the applicant first qualifies and applies for the exemption provided that in the prior taxable year the property was improved with a permanent structure that was occupied as a residence by the applicant who was liable for paying real property taxes on the property and who was either (i) an owner of record of the property or had legal or equitable interest in the property as evidenced by a written instrument or (ii) had a legal or equitable interest as a lessee in the parcel of property that was single family residence. If in any subsequent taxable year for which the applicant applies and qualifies for the exemption the equalized assessed value of the residence is less than the equalized assessed value in the existing base year (provided that such equalized assessed value is not based on an assessed value that results from a temporary irregularity in the property that reduces the assessed value for one or more taxable years), then that subsequent taxable year shall become the base year until a new base year is established under the terms of this paragraph. For taxable year 1999 only, the Chief County Assessment Officer shall review (i) all taxable years for which the applicant applied and qualified for the exemption and (ii) the existing base year. The assessment officer shall select as the new base year the year with the lowest equalized assessed value. An equalized assessed value that is based on an assessed value that results from a temporary irregularity in the property that reduces the assessed value for one or more taxable years shall not be considered the lowest equalized assessed value. The selected year shall be the base year for taxable year 1999 and thereafter until a new base year is established under the terms of this paragraph.

"Chief County Assessment Officer" means the County Assessor or Supervisor of Assessments of the county in which the property is located.

"Equalized assessed value" means the assessed value as equalized by the Illinois Department of Revenue.

"Household" means the applicant, the spouse of the applicant, and all persons using the residence of the applicant as their principal place of residence.

New matter indicated by italics - deletions by strikeout
"Household income" means the combined income of the members of a household for the calendar year preceding the taxable year.

"Income" has the same meaning as provided in Section 3.07 of the Senior Citizens and Persons with Disabilities Property Tax Relief Act, except that, beginning in assessment year 2001, "income" does not include veteran's benefits.

"Internal Revenue Code of 1986" means the United States Internal Revenue Code of 1986 or any successor law or laws relating to federal income taxes in effect for the year preceding the taxable year.

"Life care facility that qualifies as a cooperative" means a facility as defined in Section 2 of the Life Care Facilities Act.

"Maximum income limitation" means:
1. $35,000 prior to taxable year 1999;
2. $40,000 in taxable years 1999 through 2003;
3. $45,000 in taxable years 2004 through 2005;
4. $50,000 in taxable years 2006 and 2007;
5. $55,000 in taxable years 2008 through 2016;
6. for taxable year 2017, (i) $65,000 for qualified property located in a county with 3,000,000 or more inhabitants and (ii) $55,000 for qualified property located in a county with fewer than 3,000,000 inhabitants; and
7. for taxable years 2018 and thereafter, $65,000 for all qualified property.

"Residence" means the principal dwelling place and appurtenant structures used for residential purposes in this State occupied on January 1 of the taxable year by a household and so much of the surrounding land, constituting the parcel upon which the dwelling place is situated, as is used for residential purposes. If the Chief County Assessment Officer has established a specific legal description for a portion of property constituting the residence, then that portion of property shall be deemed the residence for the purposes of this Section.

"Taxable year" means the calendar year during which ad valorem property taxes payable in the next succeeding year are levied.

(c) Beginning in taxable year 1994, a senior citizens assessment freeze homestead exemption is granted for real property that is improved with a permanent structure that is occupied as a residence by an applicant who (i) is 65 years of age or older during the taxable year, (ii) has a household income that does not exceed the maximum income limitation, (iii) is liable for paying real property taxes on the property, and (iv) is an

owner of record of the property or has a legal or equitable interest in the property as evidenced by a written instrument. This homestead exemption shall also apply to a leasehold interest in a parcel of property improved with a permanent structure that is a single family residence that is occupied as a residence by a person who (i) is 65 years of age or older during the taxable year, (ii) has a household income that does not exceed the maximum income limitation, (iii) has a legal or equitable ownership interest in the property as lessee, and (iv) is liable for the payment of real property taxes on that property.

In counties of 3,000,000 or more inhabitants, the amount of the exemption for all taxable years is the equalized assessed value of the residence in the taxable year for which application is made minus the base amount. In all other counties, the amount of the exemption is as follows: (i) through taxable year 2005 and for taxable year 2007 and thereafter, the amount of this exemption shall be the equalized assessed value of the residence in the taxable year for which application is made minus the base amount; and (ii) for taxable year 2006, the amount of the exemption is as follows:

1. For an applicant who has a household income of $45,000 or less, the amount of the exemption is the equalized assessed value of the residence in the taxable year for which application is made minus the base amount.
2. For an applicant who has a household income exceeding $45,000 but not exceeding $46,250, the amount of the exemption is (i) the equalized assessed value of the residence in the taxable year for which application is made minus the base amount (ii) multiplied by 0.8.
3. For an applicant who has a household income exceeding $46,250 but not exceeding $47,500, the amount of the exemption is (i) the equalized assessed value of the residence in the taxable year for which application is made minus the base amount (ii) multiplied by 0.6.
4. For an applicant who has a household income exceeding $47,500 but not exceeding $48,750, the amount of the exemption is (i) the equalized assessed value of the residence in the taxable year for which application is made minus the base amount (ii) multiplied by 0.4.
5. For an applicant who has a household income exceeding $48,750 but not exceeding $50,000, the amount of the exemption

is (i) the equalized assessed value of the residence in the taxable year for which application is made minus the base amount (ii) multiplied by 0.2.

When the applicant is a surviving spouse of an applicant for a prior year for the same residence for which an exemption under this Section has been granted, the base year and base amount for that residence are the same as for the applicant for the prior year.

Each year at the time the assessment books are certified to the County Clerk, the Board of Review or Board of Appeals shall give to the County Clerk a list of the assessed values of improvements on each parcel qualifying for this exemption that were added after the base year for this parcel and that increased the assessed value of the property.

In the case of land improved with an apartment building owned and operated as a cooperative or a building that is a life care facility that qualifies as a cooperative, the maximum reduction from the equalized assessed value of the property is limited to the sum of the reductions calculated for each unit occupied as a residence by a person or persons (i) 65 years of age or older, (ii) with a household income that does not exceed the maximum income limitation, (iii) who is liable, by contract with the owner or owners of record, for paying real property taxes on the property, and (iv) who is an owner of record of a legal or equitable interest in the cooperative apartment building, other than a leasehold interest. In the instance of a cooperative where a homestead exemption has been granted under this Section, the cooperative association or its management firm shall credit the savings resulting from that exemption only to the apportioned tax liability of the owner who qualified for the exemption. Any person who willfully refuses to credit that savings to an owner who qualifies for the exemption is guilty of a Class B misdemeanor.

When a homestead exemption has been granted under this Section and an applicant then becomes a resident of a facility licensed under the Assisted Living and Shared Housing Act, the Nursing Home Care Act, the Specialized Mental Health Rehabilitation Act of 2013, the ID/DD Community Care Act, or the MC/DD Act, the exemption shall be granted in subsequent years so long as the residence (i) continues to be occupied by the qualified applicant's spouse or (ii) if remaining unoccupied, is still owned by the qualified applicant for the homestead exemption.

Beginning January 1, 1997, when an individual dies who would have qualified for an exemption under this Section, and the surviving spouse does not independently qualify for this exemption because of age,
the exemption under this Section shall be granted to the surviving spouse for the taxable year preceding and the taxable year of the death, provided that, except for age, the surviving spouse meets all other qualifications for the granting of this exemption for those years.

When married persons maintain separate residences, the exemption provided for in this Section may be claimed by only one of such persons and for only one residence.

For taxable year 1994 only, in counties having less than 3,000,000 inhabitants, to receive the exemption, a person shall submit an application by February 15, 1995 to the Chief County Assessment Officer of the county in which the property is located. In counties having 3,000,000 or more inhabitants, for taxable year 1994 and all subsequent taxable years, to receive the exemption, a person may submit an application to the Chief County Assessment Officer of the county in which the property is located during such period as may be specified by the Chief County Assessment Officer. The Chief County Assessment Officer in counties of 3,000,000 or more inhabitants shall annually give notice of the application period by mail or by publication. In counties having less than 3,000,000 inhabitants, beginning with taxable year 1995 and thereafter, to receive the exemption, a person shall submit an application by July 1 of each taxable year to the Chief County Assessment Officer of the county in which the property is located. A county may, by ordinance, establish a date for submission of applications that is different than July 1. The applicant shall submit with the application an affidavit of the applicant's total household income, age, marital status (and if married the name and address of the applicant's spouse, if known), and principal dwelling place of members of the household on January 1 of the taxable year. The Department shall establish, by rule, a method for verifying the accuracy of affidavits filed by applicants under this Section, and the Chief County Assessment Officer may conduct audits of any taxpayer claiming an exemption under this Section to verify that the taxpayer is eligible to receive the exemption. Each application shall contain or be verified by a written declaration that it is made under the penalties of perjury. A taxpayer's signing a fraudulent application under this Act is perjury, as defined in Section 32-2 of the Criminal Code of 2012. The applications shall be clearly marked as applications for the Senior Citizens Assessment Freeze Homestead Exemption and must contain a notice that any taxpayer who receives the exemption is subject to an audit by the Chief County Assessment Officer.
Notwithstanding any other provision to the contrary, in counties having fewer than 3,000,000 inhabitants, if an applicant fails to file the application required by this Section in a timely manner and this failure to file is due to a mental or physical condition sufficiently severe so as to render the applicant incapable of filing the application in a timely manner, the Chief County Assessment Officer may extend the filing deadline for a period of 30 days after the applicant regains the capability to file the application, but in no case may the filing deadline be extended beyond 3 months of the original filing deadline. In order to receive the extension provided in this paragraph, the applicant shall provide the Chief County Assessment Officer with a signed statement from the applicant's physician, advanced practice registered nurse, or physician assistant stating the nature and extent of the condition, that, in the physician's, advanced practice registered nurse's, or physician assistant's opinion, the condition was so severe that it rendered the applicant incapable of filing the application in a timely manner, and the date on which the applicant regained the capability to file the application.

Beginning January 1, 1998, notwithstanding any other provision to the contrary, in counties having fewer than 3,000,000 inhabitants, if an applicant fails to file the application required by this Section in a timely manner and this failure to file is due to a mental or physical condition sufficiently severe so as to render the applicant incapable of filing the application in a timely manner, the Chief County Assessment Officer may extend the filing deadline for a period of 3 months. In order to receive the extension provided in this paragraph, the applicant shall provide the Chief County Assessment Officer with a signed statement from the applicant's physician, advanced practice registered nurse, or physician assistant stating the nature and extent of the condition, and that, in the physician's, advanced practice registered nurse's, or physician assistant's opinion, the condition was so severe that it rendered the applicant incapable of filing the application in a timely manner.

In counties having less than 3,000,000 inhabitants, if an applicant was denied an exemption in taxable year 1994 and the denial occurred due to an error on the part of an assessment official, or his or her agent or employee, then beginning in taxable year 1997 the applicant's base year, for purposes of determining the amount of the exemption, shall be 1993 rather than 1994. In addition, in taxable year 1997, the applicant's exemption shall also include an amount equal to (i) the amount of any exemption denied to the applicant in taxable year 1995 as a result of using

New matter indicated by italics - deletions by strikeout
1994, rather than 1993, as the base year, (ii) the amount of any exemption denied to the applicant in taxable year 1996 as a result of using 1994, rather than 1993, as the base year, and (iii) the amount of the exemption erroneously denied for taxable year 1994.

For purposes of this Section, a person who will be 65 years of age during the current taxable year shall be eligible to apply for the homestead exemption during that taxable year. Application shall be made during the application period in effect for the county of his or her residence.

The Chief County Assessment Officer may determine the eligibility of a life care facility that qualifies as a cooperative to receive the benefits provided by this Section by use of an affidavit, application, visual inspection, questionnaire, or other reasonable method in order to insure that the tax savings resulting from the exemption are credited by the management firm to the apportioned tax liability of each qualifying resident. The Chief County Assessment Officer may request reasonable proof that the management firm has so credited that exemption.

Except as provided in this Section, all information received by the chief county assessment officer or the Department from applications filed under this Section, or from any investigation conducted under the provisions of this Section, shall be confidential, except for official purposes or pursuant to official procedures for collection of any State or local tax or enforcement of any civil or criminal penalty or sanction imposed by this Act or by any statute or ordinance imposing a State or local tax. Any person who divulges any such information in any manner, except in accordance with a proper judicial order, is guilty of a Class A misdemeanor.

Nothing contained in this Section shall prevent the Director or chief county assessment officer from publishing or making available reasonable statistics concerning the operation of the exemption contained in this Section in which the contents of claims are grouped into aggregates in such a way that information contained in any individual claim shall not be disclosed.

Notwithstanding any other provision of law, for taxable year 2017 and thereafter, in counties of 3,000,000 or more inhabitants, the amount of the exemption shall be the greater of (i) the amount of the exemption otherwise calculated under this Section or (ii) $2,000.

(d) Each Chief County Assessment Officer shall annually publish a notice of availability of the exemption provided under this Section. The notice shall be published at least 60 days but no more than 75 days prior to
the date on which the application must be submitted to the Chief County Assessment Officer of the county in which the property is located. The notice shall appear in a newspaper of general circulation in the county.

Notwithstanding Sections 6 and 8 of the State Mandates Act, no reimbursement by the State is required for the implementation of any mandate created by this Section.

Section 230. The Water Company Invested Capital Tax Act is amended by changing Section 2 as follows:

(35 ILCS 625/2) (from Ch. 120, par. 1412)

Sec. 2. Definitions. As used in this Section, the following words and phrases shall have the meanings ascribed herein unless the context clearly requires otherwise:

"Department" means the Department of Revenue of the State of Illinois.

"Director" means the Director of Revenue for the Department of Revenue of the State of Illinois.

"Taxpayer" means a person engaged in the business of distributing, supplying, furnishing or selling water for use or consumption and not for resale or distributing, supplying, furnishing or selling water for use or consumption and providing sewerage disposal service.

"Person" means any natural individual, firm, trust, estate, partnership, association, joint stock company, joint adventure, corporation, limited liability company, or a receiver, trustee, conservator or other representative appointed by order of any court, or any city, town, county or other political subdivision of this State.

"Water company" means and includes every corporation, company, association, joint stock company or association, firm, partnership or individual, their lessees, trustees, or receivers appointed by any court whatsoever that is regulated by the Illinois Commerce Commission under the Public Utilities Act "An Act concerning public utilities", approved June 29, 1921, as amended, and that owns, controls, operates, or manages, within this State, directly or indirectly, for public use, any plant, equipment or property used or to be used for or in connection with, or owns or controls any franchise, license, permit or right to engage in:

(A) the production, storage, transmission, sale, delivery or furnishing of water; or

(B) the production, storage, transmission, sale, delivery or furnishing of water and the disposal of sewerage.

"Water company" does not include, however, water companies, as defined in this Section, that are owned and operated by any political subdivision or municipal corporation of this State, or owned by such political subdivision or municipal corporation and operated by any of its

lessees or operating agents, or which are purely mutual concerns, having no rates or charges for services, but paying the operating expenses by assessment upon the members of such a company and no other person.

"Invested capital" means that amount equal to (i) the average of the balances at the beginning and end of the taxable period of the taxpayer's total stockholder's equity and total long-term debt, less investments in and advances to all corporations, as set forth on the balance sheets included in the taxpayer's annual report to the Illinois Commerce Commission for the taxable period; (ii) multiplied by a fraction determined under Sections 301 and 304(a) of the "Illinois Income Tax Act" and reported on the Illinois income tax return for the taxable period ending in or with the taxable period in question. However, notwithstanding the income tax return reporting requirement stated above, beginning July 1, 1979, no taxpayer's denominators used to compute the sales, property or payroll factors under subsection (a) of Section 304 of the Illinois Income Tax Act shall include payroll, property or sales of any corporate entity other than the taxpayer for the purposes of determining an allocation for the invested capital tax.

Public Act 82-1024
This amendatory Act of 1982 is not intended to and does not make any change in the meaning of any provision of this Act, it having been the intent of the General Assembly in initially enacting the definition of "invested capital" to provide for apportionment of the invested capital of each company, based solely upon the sales, property and payroll of that company.

"Taxable period" means each period which ends after August 14, 1979 and which is covered by an annual report filed by the taxpayer with the Illinois Commerce Commission.

2. The percentage of earnings of the participating employees of each participating municipality and participating instrumentalities necessary to adjust for the difference between the present value of all benefits, excluding temporary and total and permanent disability and death benefits, to be provided for its participating employees and the sum of its accumulated municipality contributions and the accumulated employee contributions and the present value of expected future employee and municipality contributions pursuant to subparagraph 1 of this paragraph (b). This adjustment shall be spread over a period determined by the Board, not to exceed 30 years for participating municipalities or 10 years for participating instrumentalities.

3. The percentage of earnings of the participating employees of all municipalities and participating instrumentalities necessary to provide the present value of all temporary and total and permanent disability benefits granted during the most recent year for which information is available.

4. The percentage of earnings of the participating employees of all participating municipalities and participating instrumentalities necessary to provide the present value of the net single sum death benefits expected to become payable from the reserve established under Section 7-206 during the year for which this rate is fixed.

5. The percentage of earnings necessary to meet any deficiency arising in the Terminated Municipality Reserve.

(c) A separate municipality contribution rate shall be computed for each participating municipality or participating instrumentality for its sheriff's law enforcement employees.

A separate municipality contribution rate shall be computed for the sheriff's law enforcement employees of each forest preserve district that elects to have such employees. For the period from January 1, 1986 to December 31, 1986, such rate shall be the forest preserve district's regular rate plus 2%.

In the event that the Board determines that there is an actuarial deficiency in the account of any municipality with respect to a person who has elected to participate in the Fund under Section 3-109.1 of this Code, the Board may adjust the municipality's contribution rate so as to make up that deficiency over such reasonable period of time as the Board may determine.

(d) The Board may establish a separate municipality contribution rate for all employees who are program participants employed under the federal Comprehensive Employment Training Act by all of the participating municipalities and instrumentalities. The Board may also provide that, in lieu of a separate municipality rate for these employees, a portion of the municipality contributions for such program participants shall be refunded or an extra charge assessed so that the amount of municipality contributions retained or received by the fund for all CETA program participants shall be an amount equal to that which would be provided by the separate municipality contribution rate for all such program participants. Refunds shall be made to prime sponsors of programs upon submission of a claim therefor and extra charges shall be assessed to participating municipalities and instrumentalities. In establishing the municipality contribution rate as provided in paragraph (b) of this Section, the use of a separate municipality contribution rate for program participants or the refund of a portion of the municipality contributions, as the case may be, may be considered.

(e) Computations of municipality contribution rates for the following calendar year shall be made prior to the beginning of each year, from the information available at the time the computations are made, and on the assumption that the employees in each participating municipality or participating instrumentality at such time will continue in service until the end of such calendar year at their respective rates of earnings at such time.

(f) Any municipality which is the recipient of State allocations representing that municipality's contributions for retirement annuity purposes on behalf of its employees as provided in Section 12-21.16 of the Illinois Public Aid Code shall pay the allocations so received to the Board for such purpose. Estimates of State allocations to be received during any taxable year shall be considered in the determination of the municipality's tax rate for that year under Section 7-171. If a special tax is levied under Section 7-171, none of the proceeds may be used to reimburse the municipality for the amount of State allocations received and paid to the Board. Any multiple-county or consolidated health department which

receives contributions from a county under Section 11.2 of "An Act in relation to establishment and maintenance of county and multiple-county health departments", approved July 9, 1943, as amended, or distributions under Section 3 of the Department of Public Health Act, shall use these only for municipality contributions by the health department.

(g) Municipality contributions for the several purposes specified shall, for township treasurers and employees in the offices of the township treasurers who meet the qualifying conditions for coverage hereunder, be allocated among the several school districts and parts of school districts serviced by such treasurers and employees in the proportion which the amount of school funds of each district or part of a district handled by the treasurer bears to the total amount of all school funds handled by the treasurer.

From the funds subject to allocation among districts and parts of districts pursuant to the School Code, the trustees shall withhold the proportionate share of the liability for municipality contributions imposed upon such districts by this Section, in respect to such township treasurers and employees and remit the same to the Board.

The municipality contribution rate for an educational service center shall initially be the same rate for each year as the regional office of education or school district which serves as its administrative agent. When actuarial data become available, a separate rate shall be established as provided in subparagraph (i) of this Section.

The municipality contribution rate for a public agency, other than a vocational education cooperative, formed under the Intergovernmental Cooperation Act shall initially be the average rate for the municipalities which are parties to the intergovernmental agreement. When actuarial data become available, a separate rate shall be established as provided in subparagraph (i) of this Section.

(h) Each participating municipality and participating instrumentality shall make the contributions in the amounts provided in this Section in the manner prescribed from time to time by the Board and all such contributions shall be obligations of the respective participating municipalities and participating instrumentalities to this fund. The failure to deduct any employee contributions shall not relieve the participating municipality or participating instrumentality of its obligation to this fund. Delinquent payments of contributions due under this Section may, with interest, be recovered by civil action against the participating municipalities or participating instrumentalities. Municipality

contributions, other than the amount necessary for employee contributions, for periods of service by employees from whose earnings no deductions were made for employee contributions to the fund, may be charged to the municipality reserve for the municipality or participating instrumentality.

(i) Contributions by participating instrumentalities shall be determined as provided herein except that the percentage derived under subparagraph 2 of paragraph (b) of this Section, and the amount payable under subparagraph 4 of paragraph (a) of this Section, shall be based on an amortization period of 10 years.

(j) Notwithstanding the other provisions of this Section, the additional unfunded liability accruing as a result of Public Act 94-712 this amendatory Act of the 94th General Assembly shall be amortized over a period of 30 years beginning on January 1 of the second calendar year following the calendar year in which Public Act 94-712 this amendatory Act takes effect, except that the employer may provide for a longer amortization period by adopting a resolution or ordinance specifying a 35-year or 40-year period and submitting a certified copy of the ordinance or resolution to the fund no later than June 1 of the calendar year following the calendar year in which Public Act 94-712 this amendatory Act takes effect.

(k) If the amount of a participating employee's reported earnings for any of the 12-month periods used to determine the final rate of earnings exceeds the employee's 12-month reported earnings with the same employer for the previous year by the greater of 6% or 1.5 times the annual increase in the Consumer Price Index-U, as established by the United States Department of Labor for the preceding September, the participating municipality or participating instrumentality that paid those earnings shall pay to the Fund, in addition to any other contributions required under this Article, the present value of the increase in the pension resulting from the portion of the increase in reported earnings that is in excess of the greater of 6% or 1.5 times the annual increase in the Consumer Price Index-U, as determined by the Fund. This present value shall be computed on the basis of the actuarial assumptions and tables used in the most recent actuarial valuation of the Fund that is available at the time of the computation.

Whenever it determines that a payment is or may be required under this subsection (k), the fund shall calculate the amount of the payment and bill the participating municipality or participating instrumentality for that amount. The bill shall specify the calculations used to determine the
amount due. If the participating municipality or participating instrumentality disputes the amount of the bill, it may, within 30 days after receipt of the bill, apply to the fund in writing for a recalculation. The application must specify in detail the grounds of the dispute. Upon receiving a timely application for recalculation, the fund shall review the application and, if appropriate, recalculate the amount due. The participating municipality and participating instrumentality contributions required under this subsection (k) may be paid in the form of a lump sum within 90 days after receipt of the bill. If the participating municipality and participating instrumentality contributions are not paid within 90 days after receipt of the bill, then interest will be charged at a rate equal to the fund's annual actuarially assumed rate of return on investment compounded annually from the 91st day after receipt of the bill. Payments must be concluded within 3 years after receipt of the bill by the participating municipality or participating instrumentality.

When assessing payment for any amount due under this subsection (k), the fund shall exclude earnings increases resulting from overload or overtime earnings.

When assessing payment for any amount due under this subsection (k), the fund shall exclude earnings increases resulting from payments for unused vacation time, but only for payments for unused vacation time made in the final 3 months of the final rate of earnings period.

When assessing payment for any amount due under this subsection (k), the fund shall also exclude earnings increases attributable to standard employment promotions resulting in increased responsibility and workload.

This subsection (k) does not apply to earnings increases paid to individuals under contracts or collective bargaining agreements entered into, amended, or renewed before January 1, 2012 (the effective date of Public Act 97-609), earnings increases paid to members who are 10 years or more from retirement eligibility, or earnings increases resulting from an increase in the number of hours required to be worked.

When assessing payment for any amount due under this subsection (k), the fund shall also exclude earnings attributable to personnel policies adopted before January 1, 2012 (the effective date of Public Act 97-609) as long as those policies are not applicable to employees who begin service on or after January 1, 2012 (the effective date of Public Act 97-609).

Sec. 16-158. Contributions by State and other employing units.

(a) The State shall make contributions to the System by means of appropriations from the Common School Fund and other State funds of amounts which, together with other employer contributions, employee contributions, investment income, and other income, will be sufficient to meet the cost of maintaining and administering the System on a 90% funded basis in accordance with actuarial recommendations.

The Board shall determine the amount of State contributions required for each fiscal year on the basis of the actuarial tables and other assumptions adopted by the Board and the recommendations of the actuary, using the formula in subsection (b-3).

(a-1) Annually, on or before November 15 until November 15, 2011, the Board shall certify to the Governor the amount of the required State contribution for the coming fiscal year. The certification under this subsection (a-1) shall include a copy of the actuarial recommendations upon which it is based and shall specifically identify the System's projected State normal cost for that fiscal year.

On or before May 1, 2004, the Board shall recalculate and recertify to the Governor the amount of the required State contribution to the System for State fiscal year 2005, taking into account the amounts appropriated to and received by the System under subsection (d) of Section 7.2 of the General Obligation Bond Act.

On or before July 1, 2005, the Board shall recalculate and recertify to the Governor the amount of the required State contribution to the System for State fiscal year 2006, taking into account the changes in required State contributions made by Public Act 94-4 this amendatory Act of the 94th General Assembly.

On or before April 1, 2011, the Board shall recalculate and recertify to the Governor the amount of the required State contribution to the System for State fiscal year 2011, applying the changes made by Public

Act 96-889 to the System's assets and liabilities as of June 30, 2009 as though Public Act 96-889 was approved on that date.

(a-5) On or before November 1 of each year, beginning November 1, 2012, the Board shall submit to the State Actuary, the Governor, and the General Assembly a proposed certification of the amount of the required State contribution to the System for the next fiscal year, along with all of the actuarial assumptions, calculations, and data upon which that proposed certification is based. On or before January 1 of each year, beginning January 1, 2013, the State Actuary shall issue a preliminary report concerning the proposed certification and identifying, if necessary, recommended changes in actuarial assumptions that the Board must consider before finalizing its certification of the required State contributions. On or before January 15, 2013 and each January 15 thereafter, the Board shall certify to the Governor and the General Assembly the amount of the required State contribution for the next fiscal year. The Board's certification must note any deviations from the State Actuary's recommended changes, the reason or reasons for not following the State Actuary's recommended changes, and the fiscal impact of not following the State Actuary's recommended changes on the required State contribution.

(a-10) By November 1, 2017, the Board shall recalculate and recertify to the State Actuary, the Governor, and the General Assembly the amount of the State contribution to the System for State fiscal year 2018, taking into account the changes in required State contributions made by Public Act 100-23 this amendatory Act of the 100th General Assembly. The State Actuary shall review the assumptions and valuations underlying the Board's revised certification and issue a preliminary report concerning the proposed recertification and identifying, if necessary, recommended changes in actuarial assumptions that the Board must consider before finalizing its certification of the required State contributions. The Board's final certification must note any deviations from the State Actuary's recommended changes, the reason or reasons for not following the State Actuary's recommended changes, and the fiscal impact of not following the State Actuary's recommended changes on the required State contribution.

(b) Through State fiscal year 1995, the State contributions shall be paid to the System in accordance with Section 18-7 of the School Code.

(b-1) Beginning in State fiscal year 1996, on the 15th day of each month, or as soon thereafter as may be practicable, the Board shall submit

New matter indicated by italics - deletions by strikeout
vouchers for payment of State contributions to the System, in a total monthly amount of one-twelfth of the required annual State contribution certified under subsection (a-1). From March 5, 2004 (the effective date of Public Act 93-665) through June 30, 2004, the Board shall not submit vouchers for the remainder of fiscal year 2004 in excess of the fiscal year 2004 certified contribution amount determined under this Section after taking into consideration the transfer to the System under subsection (a) of Section 6z-61 of the State Finance Act. These vouchers shall be paid by the State Comptroller and Treasurer by warrants drawn on the funds appropriated to the System for that fiscal year.

If in any month the amount remaining unexpended from all other appropriations to the System for the applicable fiscal year (including the appropriations to the System under Section 8.12 of the State Finance Act and Section 1 of the State Pension Funds Continuing Appropriation Act) is less than the amount lawfully vouchered under this subsection, the difference shall be paid from the Common School Fund under the continuing appropriation authority provided in Section 1.1 of the State Pension Funds Continuing Appropriation Act.

(b-2) Allocations from the Common School Fund apportioned to school districts not coming under this System shall not be diminished or affected by the provisions of this Article.

(b-3) For State fiscal years 2012 through 2045, the minimum contribution to the System to be made by the State for each fiscal year shall be an amount determined by the System to be sufficient to bring the total assets of the System up to 90% of the total actuarial liabilities of the System by the end of State fiscal year 2045. In making these determinations, the required State contribution shall be calculated each year as a level percentage of payroll over the years remaining to and including fiscal year 2045 and shall be determined under the projected unit credit actuarial cost method.

For each of State fiscal years 2018, 2019, and 2020, the State shall make an additional contribution to the System equal to 2% of the total payroll of each employee who is deemed to have elected the benefits under Section 1-161 or who has made the election under subsection (c) of Section 1-161.

A change in an actuarial or investment assumption that increases or decreases the required State contribution and first applies in State fiscal year 2018 or thereafter shall be implemented in equal annual amounts over
a 5-year period beginning in the State fiscal year in which the actuarial change first applies to the required State contribution.

A change in an actuarial or investment assumption that increases or decreases the required State contribution and first applied to the State contribution in fiscal year 2014, 2015, 2016, or 2017 shall be implemented:

(i) as already applied in State fiscal years before 2018; and

(ii) in the portion of the 5-year period beginning in the State fiscal year in which the actuarial change first applied that occurs in State fiscal year 2018 or thereafter, by calculating the change in equal annual amounts over that 5-year period and then implementing it at the resulting annual rate in each of the remaining fiscal years in that 5-year period.

For State fiscal years 1996 through 2005, the State contribution to the System, as a percentage of the applicable employee payroll, shall be increased in equal annual increments so that by State fiscal year 2011, the State is contributing at the rate required under this Section; except that in the following specified State fiscal years, the State contribution to the System shall not be less than the following indicated percentages of the applicable employee payroll, even if the indicated percentage will produce a State contribution in excess of the amount otherwise required under this subsection and subsection (a), and notwithstanding any contrary certification made under subsection (a-1) before May 27, 1998 (the effective date of this amendatory Act of 1998): 10.02% in FY 1999; 10.77% in FY 2000; 11.47% in FY 2001; 12.16% in FY 2002; 12.86% in FY 2003; and 13.56% in FY 2004.

Notwithstanding any other provision of this Article, the total required State contribution for State fiscal year 2006 is $534,627,700.

Notwithstanding any other provision of this Article, the total required State contribution for State fiscal year 2007 is $738,014,500.

For each of State fiscal years 2008 through 2009, the State contribution to the System, as a percentage of the applicable employee payroll, shall be increased in equal annual increments from the required State contribution for State fiscal year 2007, so that by State fiscal year 2011, the State is contributing at the rate otherwise required under this Section.

Notwithstanding any other provision of this Article, the total required State contribution for State fiscal year 2010 is $2,089,268,000 and shall be made from the proceeds of bonds sold in fiscal year 2010.

pursuant to Section 7.2 of the General Obligation Bond Act, less (i) the pro rata share of bond sale expenses determined by the System's share of total bond proceeds, (ii) any amounts received from the Common School Fund in fiscal year 2010, and (iii) any reduction in bond proceeds due to the issuance of discounted bonds, if applicable.

Notwithstanding any other provision of this Article, the total required State contribution for State fiscal year 2011 is the amount recertified by the System on or before April 1, 2011 pursuant to subsection (a-1) of this Section and shall be made from the proceeds of bonds sold in fiscal year 2011 pursuant to Section 7.2 of the General Obligation Bond Act, less (i) the pro rata share of bond sale expenses determined by the System's share of total bond proceeds, (ii) any amounts received from the Common School Fund in fiscal year 2011, and (iii) any reduction in bond proceeds due to the issuance of discounted bonds, if applicable. This amount shall include, in addition to the amount certified by the System, an amount necessary to meet employer contributions required by the State as an employer under paragraph (e) of this Section, which may also be used by the System for contributions required by paragraph (a) of Section 16-127.

Beginning in State fiscal year 2046, the minimum State contribution for each fiscal year shall be the amount needed to maintain the total assets of the System at 90% of the total actuarial liabilities of the System.

Amounts received by the System pursuant to Section 25 of the Budget Stabilization Act or Section 8.12 of the State Finance Act in any fiscal year do not reduce and do not constitute payment of any portion of the minimum State contribution required under this Article in that fiscal year. Such amounts shall not reduce, and shall not be included in the calculation of, the required State contributions under this Article in any future year until the System has reached a funding ratio of at least 90%. A reference in this Article to the "required State contribution" or any substantially similar term does not include or apply to any amounts payable to the System under Section 25 of the Budget Stabilization Act.

Notwithstanding any other provision of this Section, the required State contribution for State fiscal year 2005 and for fiscal year 2008 and each fiscal year thereafter, as calculated under this Section and certified under subsection (a-1), shall not exceed an amount equal to (i) the amount of the required State contribution that would have been calculated under this Section for that fiscal year if the System had not received any

payments under subsection (d) of Section 7.2 of the General Obligation Bond Act, minus (ii) the portion of the State's total debt service payments for that fiscal year on the bonds issued in fiscal year 2003 for the purposes of that Section 7.2, as determined and certified by the Comptroller, that is the same as the System's portion of the total moneys distributed under subsection (d) of Section 7.2 of the General Obligation Bond Act. In determining this maximum for State fiscal years 2008 through 2010, however, the amount referred to in item (i) shall be increased, as a percentage of the applicable employee payroll, in equal increments calculated from the sum of the required State contribution for State fiscal year 2007 plus the applicable portion of the State's total debt service payments for fiscal year 2007 on the bonds issued in fiscal year 2003 for the purposes of Section 7.2 of the General Obligation Bond Act, so that, by State fiscal year 2011, the State is contributing at the rate otherwise required under this Section.

(b-4) Beginning in fiscal year 2018, each employer under this Article shall pay to the System a required contribution determined as a percentage of projected payroll and sufficient to produce an annual amount equal to:

(i) for each of fiscal years 2018, 2019, and 2020, the defined benefit normal cost of the defined benefit plan, less the employee contribution, for each employee of that employer who has elected or who is deemed to have elected the benefits under Section 1-161 or who has made the election under subsection (b) of Section 1-161; for fiscal year 2021 and each fiscal year thereafter, the defined benefit normal cost of the defined benefit plan, less the employee contribution, plus 2%, for each employee of that employer who has elected or who is deemed to have elected the benefits under Section 1-161 or who has made the election under subsection (b) of Section 1-161; plus

(ii) the amount required for that fiscal year to amortize any unfunded actuarial accrued liability associated with the present value of liabilities attributable to the employer's account under Section 16-158.3, determined as a level percentage of payroll over a 30-year rolling amortization period.

In determining contributions required under item (i) of this subsection, the System shall determine an aggregate rate for all employers, expressed as a percentage of projected payroll.

New matter indicated by italics - deletions by strikeout
In determining the contributions required under item (ii) of this subsection, the amount shall be computed by the System on the basis of the actuarial assumptions and tables used in the most recent actuarial valuation of the System that is available at the time of the computation.

The contributions required under this subsection (b-4) shall be paid by an employer concurrently with that employer's payroll payment period. The State, as the actual employer of an employee, shall make the required contributions under this subsection.

(c) Payment of the required State contributions and of all pensions, retirement annuities, death benefits, refunds, and other benefits granted under or assumed by this System, and all expenses in connection with the administration and operation thereof, are obligations of the State.

If members are paid from special trust or federal funds which are administered by the employing unit, whether school district or other unit, the employing unit shall pay to the System from such funds the full accruing retirement costs based upon that service, which, beginning July 1, 2017, shall be at a rate, expressed as a percentage of salary, equal to the total employer's normal cost, expressed as a percentage of payroll, as determined by the System. Employer contributions, based on salary paid to members from federal funds, may be forwarded by the distributing agency of the State of Illinois to the System prior to allocation, in an amount determined in accordance with guidelines established by such agency and the System. Any contribution for fiscal year 2015 collected as a result of the change made by Public Act 98-674 shall be considered a State contribution under subsection (b-3) of this Section.

(d) Effective July 1, 1986, any employer of a teacher as defined in paragraph (8) of Section 16-106 shall pay the employer's normal cost of benefits based upon the teacher's service, in addition to employee contributions, as determined by the System. Such employer contributions shall be forwarded monthly in accordance with guidelines established by the System.

However, with respect to benefits granted under Section 16-133.4 or 16-133.5 to a teacher as defined in paragraph (8) of Section 16-106, the employer's contribution shall be 12% (rather than 20%) of the member's highest annual salary rate for each year of creditable service granted, and the employer shall also pay the required employee contribution on behalf of the teacher. For the purposes of Sections 16-133.4 and 16-133.5, a teacher as defined in paragraph (8) of Section 16-106 who is serving in
that capacity while on leave of absence from another employer under this Article shall not be considered an employee of the employer from which the teacher is on leave.

(e) Beginning July 1, 1998, every employer of a teacher shall pay to the System an employer contribution computed as follows:

1. Beginning July 1, 1998 through June 30, 1999, the employer contribution shall be equal to 0.3% of each teacher's salary.

2. Beginning July 1, 1999 and thereafter, the employer contribution shall be equal to 0.58% of each teacher's salary.

The school district or other employing unit may pay these employer contributions out of any source of funding available for that purpose and shall forward the contributions to the System on the schedule established for the payment of member contributions.

These employer contributions are intended to offset a portion of the cost to the System of the increases in retirement benefits resulting from Public Act 90-582 this amendatory Act of 1998.

Each employer of teachers is entitled to a credit against the contributions required under this subsection (e) with respect to salaries paid to teachers for the period January 1, 2002 through June 30, 2003, equal to the amount paid by that employer under subsection (a-5) of Section 6.6 of the State Employees Group Insurance Act of 1971 with respect to salaries paid to teachers for that period.

The additional 1% employee contribution required under Section 16-152 by Public Act 90-582 this amendatory Act of 1998 is the responsibility of the teacher and not the teacher's employer, unless the employer agrees, through collective bargaining or otherwise, to make the contribution on behalf of the teacher.

If an employer is required by a contract in effect on May 1, 1998 between the employer and an employee organization to pay, on behalf of all its full-time employees covered by this Article, all mandatory employee contributions required under this Article, then the employer shall be excused from paying the employer contribution required under this subsection (e) for the balance of the term of that contract. The employer and the employee organization shall jointly certify to the System the existence of the contractual requirement, in such form as the System may prescribe. This exclusion shall cease upon the termination, extension, or renewal of the contract at any time after May 1, 1998.

(f) If the amount of a teacher's salary for any school year used to determine final average salary exceeds the member's annual full-time salary rate with the same employer for the previous school year by more than 6%, the teacher's employer shall pay to the System, in addition to all other payments required under this Section and in accordance with guidelines established by the System, the present value of the increase in benefits resulting from the portion of the increase in salary that is in excess of 6%. This present value shall be computed by the System on the basis of the actuarial assumptions and tables used in the most recent actuarial valuation of the System that is available at the time of the computation. If a teacher's salary for the 2005-2006 school year is used to determine final average salary under this subsection (f), then the changes made to this subsection (f) by Public Act 94-1057 shall apply in calculating whether the increase in his or her salary is in excess of 6%. For the purposes of this Section, change in employment under Section 10-21.12 of the School Code on or after June 1, 2005 shall constitute a change in employer. The System may require the employer to provide any pertinent information or documentation. The changes made to this subsection (f) by Public Act 94-1111 apply without regard to whether the teacher was in service on or after its effective date.

Whenever it determines that a payment is or may be required under this subsection, the System shall calculate the amount of the payment and bill the employer for that amount. The bill shall specify the calculations used to determine the amount due. If the employer disputes the amount of the bill, it may, within 30 days after receipt of the bill, apply to the System in writing for a recalculation. The application must specify in detail the grounds of the dispute and, if the employer asserts that the calculation is subject to subsection (g) or (h) of this Section, must include an affidavit setting forth and attesting to all facts within the employer's knowledge that are pertinent to the applicability of that subsection. Upon receiving a timely application for recalculation, the System shall review the application and, if appropriate, recalculate the amount due.

The employer contributions required under this subsection (f) may be paid in the form of a lump sum within 90 days after receipt of the bill. If the employer contributions are not paid within 90 days after receipt of the bill, then interest will be charged at a rate equal to the System's annual actuarially assumed rate of return on investment compounded annually from the 91st day after receipt of the bill. Payments must be concluded within 3 years after the employer's receipt of the bill.

(g) This subsection (g) applies only to payments made or salary increases given on or after June 1, 2005 but before July 1, 2011. The changes made by Public Act 94-1057 shall not require the System to refund any payments received before July 31, 2006 (the effective date of Public Act 94-1057).

When assessing payment for any amount due under subsection (f), the System shall exclude salary increases paid to teachers under contracts or collective bargaining agreements entered into, amended, or renewed before June 1, 2005.

When assessing payment for any amount due under subsection (f), the System shall exclude salary increases paid to a teacher at a time when the teacher is 10 or more years from retirement eligibility under Section 16-132 or 16-133.2.

When assessing payment for any amount due under subsection (f), the System shall exclude salary increases resulting from overload work, including summer school, when the school district has certified to the System, and the System has approved the certification, that (i) the overload work is for the sole purpose of classroom instruction in excess of the standard number of classes for a full-time teacher in a school district during a school year and (ii) the salary increases are equal to or less than the rate of pay for classroom instruction computed on the teacher's current salary and work schedule.

When assessing payment for any amount due under subsection (f), the System shall exclude a salary increase resulting from a promotion (i) for which the employee is required to hold a certificate or supervisory endorsement issued by the State Teacher Certification Board that is a different certification or supervisory endorsement than is required for the teacher's previous position and (ii) to a position that has existed and been filled by a member for no less than one complete academic year and the salary increase from the promotion is an increase that results in an amount no greater than the lesser of the average salary paid for other similar positions in the district requiring the same certification or the amount stipulated in the collective bargaining agreement for a similar position requiring the same certification.

When assessing payment for any amount due under subsection (f), the System shall exclude any payment to the teacher from the State of Illinois or the State Board of Education over which the employer does not have discretion, notwithstanding that the payment is included in the computation of final average salary.

(h) When assessing payment for any amount due under subsection (f), the System shall exclude any salary increase described in subsection (g) of this Section given on or after July 1, 2011 but before July 1, 2014 under a contract or collective bargaining agreement entered into, amended, or renewed on or after June 1, 2005 but before July 1, 2011. Notwithstanding any other provision of this Section, any payments made or salary increases given after June 30, 2014 shall be used in assessing payment for any amount due under subsection (f) of this Section.

(i) The System shall prepare a report and file copies of the report with the Governor and the General Assembly by January 1, 2007 that contains all of the following information:

1. The number of recalculations required by the changes made to this Section by Public Act 94-1057 for each employer.
2. The dollar amount by which each employer's contribution to the System was changed due to recalculations required by Public Act 94-1057.
3. The total amount the System received from each employer as a result of the changes made to this Section by Public Act 94-4.
4. The increase in the required State contribution resulting from the changes made to this Section by Public Act 94-1057.

(i-5) For school years beginning on or after July 1, 2017, if the amount of a participant's salary for any school year, determined on a full-time equivalent basis, exceeds the amount of the salary set for the Governor, the participant's employer shall pay to the System, in addition to all other payments required under this Section and in accordance with guidelines established by the System, an amount determined by the System to be equal to the employer normal cost, as established by the System and expressed as a total percentage of payroll, multiplied by the amount of salary in excess of the amount of the salary set for the Governor. This amount shall be computed by the System on the basis of the actuarial assumptions and tables used in the most recent actuarial valuation of the System that is available at the time of the computation. The System may require the employer to provide any pertinent information or documentation.

Whenever it determines that a payment is or may be required under this subsection, the System shall calculate the amount of the payment and bill the employer for that amount. The bill shall specify the calculations used to determine the amount due. If the employer disputes the amount of
the bill, it may, within 30 days after receipt of the bill, apply to the System in writing for a recalculation. The application must specify in detail the grounds of the dispute. Upon receiving a timely application for recalculation, the System shall review the application and, if appropriate, recalculate the amount due.

The employer contributions required under this subsection may be paid in the form of a lump sum within 90 days after receipt of the bill. If the employer contributions are not paid within 90 days after receipt of the bill, then interest will be charged at a rate equal to the System's annual actuarially assumed rate of return on investment compounded annually from the 91st day after receipt of the bill. Payments must be concluded within 3 years after the employer's receipt of the bill.

(j) For purposes of determining the required State contribution to the System, the value of the System's assets shall be equal to the actuarial value of the System's assets, which shall be calculated as follows:

As of June 30, 2008, the actuarial value of the System's assets shall be equal to the market value of the assets as of that date. In determining the actuarial value of the System's assets for fiscal years after June 30, 2008, any actuarial gains or losses from investment return incurred in a fiscal year shall be recognized in equal annual amounts over the 5-year period following that fiscal year.

(k) For purposes of determining the required State contribution to the system for a particular year, the actuarial value of assets shall be assumed to earn a rate of return equal to the system's actuarially assumed rate of return.

Persons subject to any tax imposed under the authority granted in this Section; may reimburse themselves for their seller's tax liability hereunder by separately stating the tax as an additional charge, which charge may be stated in combination, in a single amount, with State tax which sellers are required to collect under the Use Tax Act, pursuant to such bracket schedules as the Department may prescribe.

Whenever the Department determines that a refund should be made under this Section to a claimant, instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause the order to be drawn for the amount specified, and to the person named in the notification from the Department. The refund shall be paid by the State Treasurer out of the Non-Home Rule Municipal Retailers' Occupation Tax Fund, which is hereby created.

The Department shall forthwith pay over to the State Treasurer, ex officio, as trustee, all taxes and penalties collected hereunder.

The Department, at the time of each monthly disbursement to the municipalities, shall prepare and certify to the State Comptroller the amount to be transferred into the Tax Compliance and Administration Fund under this Section. Within 10 days after receipt by the Comptroller of the disbursement certification to the municipalities and the Tax Compliance and Administration Fund provided for in this Section to be given to the Comptroller by the Department, the Comptroller shall cause the orders to be drawn for the respective amounts in accordance with the directions contained in the certification.

The certificate of registration that is issued by the Department to a retailer under the Retailers' Occupation Tax Act or under the Service Occupation Tax Act shall permit the registrant to engage in a business that is taxable under any ordinance or resolution enacted under this Section without registering separately with the Department under the ordinance or resolution or under this Section. The Department shall have full power to administer and enforce this Section, to collect all taxes and penalties due hereunder, to dispose of taxes and penalties so collected in a manner hereinafter provided, and to determine all rights to credit memoranda arising on account of the erroneous payment of tax or penalty hereunder. (65 ILCS 5/10-2.1-4) (from Ch. 24, par. 10-2.1-4)

Sec. 10-2.1-4. Fire and police departments; appointment of members; certificates of appointments. The board of fire and police commissioners shall appoint all officers and members of the fire and police departments of the municipality, including the chief of police and the chief of the fire department, unless the council or board of trustees shall by ordinance as to them otherwise provide; except as otherwise provided in this Section, and except that in any municipality which adopts or has adopted this Division 2.1 and also adopts or has adopted Article 5 of this Code, the chief of police and the chief of the fire department shall be appointed by the municipal manager, if it is provided by ordinance in such municipality that such chiefs, or either of them, shall not be appointed by the board of fire and police commissioners.

If the chief of the fire department or the chief of the police department or both of them are appointed in the manner provided by ordinance, they may be removed or discharged by the appointing authority. In such case the appointing authority shall file with the corporate authorities the reasons for such removal or discharge, which removal or discharge shall not become effective unless confirmed by a majority vote of the corporate authorities.

After August 25, 2017 (the effective date of Public Act 100-425) this amendatory Act of the 100th General Assembly, a person shall not be appointed as the chief, the acting chief, the department head, or a position, by whatever title, that is responsible for day-to-day operations of a fire department for greater than 180 days unless he or she possesses the following qualifications and certifications:

(1) Office of the State Fire Marshal Firefighter Basic Certification or Firefighter II Certification; Office of the State Fire
Marshal Fire Officer I and II Certifications; and an associate degree in fire science or a bachelor's degree from an accredited university or college; or

(2) a minimum of 10 years' experience as a firefighter at the fire department in the jurisdiction making the appointment.

This paragraph applies to fire departments that employ firefighters hired under the provisions of this Division.

If a member of the department is appointed chief of police or chief of the fire department prior to being eligible to retire on pension, he shall be considered as on furlough from the rank he held immediately prior to his appointment as chief. If he resigns as chief or is discharged as chief prior to attaining eligibility to retire on pension, he shall revert to and be established in whatever rank he currently holds, except for previously appointed positions, and thereafter be entitled to all the benefits and emoluments of that rank, without regard as to whether a vacancy then exists in that rank.

All appointments to each department other than that of the lowest rank, however, shall be from the rank next below that to which the appointment is made except as otherwise provided in this Section, and except that the chief of police and the chief of the fire department may be appointed from among members of the police and fire departments, respectively, regardless of rank, unless the council or board of trustees shall have by ordinance as to them otherwise provided. A chief of police or the chief of the fire department, having been appointed from among members of the police or fire department, respectively, shall be permitted, regardless of rank, to take promotional exams and be promoted to a higher classified rank than he currently holds, without having to resign as chief of police or chief of the fire department.

The sole authority to issue certificates of appointment shall be vested in the Board of Fire and Police Commissioners and all certificates of appointments issued to any officer or member of the fire or police department of a municipality shall be signed by the chairman and secretary respectively of the board of fire and police commissioners of such municipality, upon appointment of such officer or member of the fire and police department of such municipality by action of the board of fire and police commissioners. After being selected from the register of eligibles to fill a vacancy in the affected department, each appointee shall be presented with his or her certificate of appointment on the day on which he or she is sworn in as a classified member of the affected department. Firefighters

who were not issued a certificate of appointment when originally appointed shall be provided with a certificate within 10 days after making a written request to the chairperson of the Board of Fire and Police Commissioners. In any municipal fire department that employs full-time firefighters and is subject to a collective bargaining agreement, a person who has not qualified for regular appointment under the provisions of this Division 2.1 shall not be used as a temporary or permanent substitute for classified members of a municipality's fire department or for regular appointment as a classified member of a municipality's fire department unless mutually agreed to by the employee's certified bargaining agent. Such agreement shall be considered a permissive subject of bargaining. Municipal fire departments covered by the changes made by Public Act 95-490 this amendatory Act of the 95th General Assembly that are using non-certificated employees as substitutes immediately prior to June 1, 2008 (the effective date of Public Act 95-490) this amendatory Act of the 95th General Assembly may, by mutual agreement with the certified bargaining agent, continue the existing practice or a modified practice and that agreement shall be considered a permissive subject of bargaining. A home rule unit may not regulate the hiring of temporary or substitute members of the municipality's fire department in a manner that is inconsistent with this Section. This Section is a limitation under subsection (i) of Section 6 of Article VII of the Illinois Constitution on the concurrent exercise by home rule units of powers and functions exercised by the State.

The term "policemen" as used in this Division does not include auxiliary police officers except as provided for in Section 10-2.1-6.

Any full-time full-time member of a regular fire or police department of any municipality which comes under the provisions of this Division or adopts this Division 2.1 or which has adopted any of the prior Acts pertaining to fire and police commissioners, is a city officer.

Notwithstanding any other provision of this Section, the Chief of Police of a department in a non-home rule municipality of more than 130,000 inhabitants may, without the advice or consent of the Board of Fire and Police Commissioners, appoint up to 6 officers who shall be known as deputy chiefs or assistant deputy chiefs, and whose rank shall be immediately below that of Chief. The deputy or assistant deputy chiefs may be appointed from any rank of sworn officers of that municipality, but no person who is not such a sworn officer may be so appointed. Such deputy chief or assistant deputy chief shall have the authority to direct and
issue orders to all employees of the Department holding the rank of captain or any lower rank. A deputy chief of police or assistant deputy chief of police, having been appointed from any rank of sworn officers of that municipality, shall be permitted, regardless of rank, to take promotional exams and be promoted to a higher classified rank than he currently holds, without having to resign as deputy chief of police or assistant deputy chief of police.

Notwithstanding any other provision of this Section, a non-home rule municipality of 130,000 or fewer inhabitants, through its council or board of trustees, may, by ordinance, provide for a position of deputy chief to be appointed by the chief of the police department. The ordinance shall provide for no more than one deputy chief position if the police department has fewer than 25 full-time police officers and for no more than 2 deputy chief positions if the police department has 25 or more full-time police officers. The deputy chief position shall be an exempt rank immediately below that of Chief. The deputy chief may be appointed from any rank of sworn, full-time officers of the municipality's police department, but must have at least 5 years of full-time service as a police officer in that department. A deputy chief shall serve at the discretion of the Chief and, if removed from the position, shall revert to the rank currently held, without regard as to whether a vacancy exists in that rank. A deputy chief of police, having been appointed from any rank of sworn full-time officers of that municipality's police department, shall be permitted, regardless of rank, to take promotional exams and be promoted to a higher classified rank than he currently holds, without having to resign as deputy chief of police.

No municipality having a population less than 1,000,000 shall require that any firefighter appointed to the lowest rank serve a probationary employment period of longer than one year. The limitation on periods of probationary employment provided in Public Act 86-990 this amendatory Act of 1989 is an exclusive power and function of the State. Pursuant to subsection (h) of Section 6 of Article VII of the Illinois Constitution, a home rule municipality having a population less than 1,000,000 must comply with this limitation on periods of probationary employment, which is a denial and limitation of home rule powers. Notwithstanding anything to the contrary in this Section, the probationary employment period limitation may be extended for a firefighter who is required, as a condition of employment, to be a licensed paramedic, during

which time the sole reason that a firefighter may be discharged without a hearing is for failing to meet the requirements for paramedic licensure.

To the extent that this Section or any other Section in this Division conflicts with Section 10-2.1-6.3 or 10-2.1-6.4, then Section 10-2.1-6.3 or 10-2.1-6.4 shall control.

Sec. 13. (a) The Authority shall not have power to levy taxes for any purpose, except as provided in subsections (b), (c), (d), (e), and (f).

(b) By ordinance the Authority shall, as soon as practicable after July 1, 1992 (the effective date of Public Act 87-733) this amendatory Act

of 1991, impose a Metropolitan Pier and Exposition Authority Retailers' Occupation Tax upon all persons engaged in the business of selling tangible personal property at retail within the territory described in this subsection at the rate of 1.0% of the gross receipts (i) from the sale of food, alcoholic beverages, and soft drinks sold for consumption on the premises where sold and (ii) from the sale of food, alcoholic beverages, and soft drinks sold for consumption off the premises where sold by a retailer whose principal source of gross receipts is from the sale of food, alcoholic beverages, and soft drinks prepared for immediate consumption.

The tax imposed under this subsection and all civil penalties that may be assessed as an incident to that tax shall be collected and enforced by the Illinois Department of Revenue. The Department shall have full power to administer and enforce this subsection, to collect all taxes and penalties so collected in the manner provided in this subsection, and to determine all rights to credit memoranda arising on account of the erroneous payment of tax or penalty under this subsection. In the administration of and compliance with this subsection, the Department and persons who are subject to this subsection shall have the same rights, remedies, privileges, immunities, powers, and duties, shall be subject to the same conditions, restrictions, limitations, penalties, exclusions, exemptions, and definitions of terms, and shall employ the same modes of procedure applicable to this Retailers' Occupation Tax as are prescribed in Sections 1, 2 through 2-65 (in respect to all provisions of those Sections other than the State rate of taxes), 2c, 2h, 2i, 3 (except as to the disposition of taxes and penalties collected), 4, 5, 5a, 5b, 5c, 5d, 5e, 5f, 5g, 5i, 5j, 6, 6a, 6b, 6c, 7, 8, 9, 10, 11, 12, 13, and, until January 1, 1994, 13.5 of the Retailers' Occupation Tax Act, and, on and after January 1, 1994, all applicable provisions of the Uniform Penalty and Interest Act that are not inconsistent with this Act, as fully as if provisions contained in those Sections of the Retailers' Occupation Tax Act were set forth in this subsection.

Persons subject to any tax imposed under the authority granted in this subsection may reimburse themselves for their seller's tax liability under this subsection by separately stating that tax as an additional charge, which charge may be stated in combination, in a single amount, with State taxes that sellers are required to collect under the Use Tax Act, pursuant to bracket schedules as the Department may prescribe. The retailer filing the return shall, at the time of filing the return, pay to the Department the amount of tax imposed under this subsection, less a discount of 1.75%,
which is allowed to reimburse the retailer for the expenses incurred in
keeping records, preparing and filing returns, remitting the tax, and
supplying data to the Department on request.

Whenever the Department determines that a refund should be made
under this subsection to a claimant instead of issuing a credit
memorandum, the Department shall notify the State Comptroller, who
shall cause a warrant to be drawn for the amount specified and to the
person named in the notification from the Department. The refund shall be
paid by the State Treasurer out of the Metropolitan Pier and Exposition
Authority trust fund held by the State Treasurer as trustee for the
Authority.

Nothing in this subsection authorizes the Authority to impose a tax
upon the privilege of engaging in any business that under the Constitution
of the United States may not be made the subject of taxation by this State.

The Department shall forthwith pay over to the State Treasurer, ex
officio, as trustee for the Authority, all taxes and penalties collected under
this subsection for deposit into a trust fund held outside of the State
Treasury.

As soon as possible after the first day of each month, beginning
January 1, 2011, upon certification of the Department of Revenue, the
Comptroller shall order transferred, and the Treasurer shall transfer, to the
STAR Bonds Revenue Fund the local sales tax increment, as defined in
the Innovation Development and Economy Act, collected under this
subsection during the second preceding calendar month for sales within a
STAR bond district.

After the monthly transfer to the STAR Bonds Revenue Fund, on
or before the 25th day of each calendar month, the Department shall
prepare and certify to the Comptroller the amounts to be paid under
subsection (g) of this Section, which shall be the amounts, not including
credit memoranda, collected under this subsection during the second
preceding calendar month by the Department, less any amounts
determined by the Department to be necessary for the payment of refunds,
less 2% of such balance, which sum shall be deposited by the State
Treasurer into the Tax Compliance and Administration Fund in the State
Treasury from which it shall be appropriated to the Department to cover
the costs of the Department in administering and enforcing the provisions
of this subsection, and less any amounts that are transferred to the STAR
Bonds Revenue Fund. Within 10 days after receipt by the Comptroller of
the certification, the Comptroller shall cause the orders to be drawn for the

remaining amounts, and the Treasurer shall administer those amounts as required in subsection (g).

A certificate of registration issued by the Illinois Department of Revenue to a retailer under the Retailers' Occupation Tax Act shall permit the registrant to engage in a business that is taxed under the tax imposed under this subsection, and no additional registration shall be required under the ordinance imposing the tax or under this subsection.

A certified copy of any ordinance imposing or discontinuing any tax under this subsection or effecting a change in the rate of that tax shall be filed with the Department, whereupon the Department shall proceed to administer and enforce this subsection on behalf of the Authority as of the first day of the third calendar month following the date of filing.

The tax authorized to be levied under this subsection may be levied within all or any part of the following described portions of the metropolitan area:

The tax authorized to be levied under this subsection may also be levied on food, alcoholic beverages, and soft drinks sold on boats and other watercraft departing from and returning to the shoreline of Lake Michigan (including Navy Pier and all other improvements fixed to land, docks, or piers) described in item (3).

(c) By ordinance the Authority shall, as soon as practicable after July 1, 1992 (the effective date of Public Act 87-733) of 1991, impose an occupation tax upon all persons engaged in the corporate limits of the City of Chicago in the business of renting, leasing, or letting rooms in a hotel, as defined in the Hotel Operators' Occupation Tax Act, at a rate of 2.5% of the gross rental receipts from the renting, leasing, or letting of hotel rooms within the City of Chicago, excluding, however, from gross rental receipts the proceeds of renting, leasing, or letting to permanent residents of a hotel, as defined in that Act. Gross rental receipts shall not include charges that are added on account of the liability arising from any tax imposed by the State or any governmental agency on the occupation of renting, leasing, or letting rooms in a hotel.

The tax imposed by the Authority under this subsection and all civil penalties that may be assessed as an incident to that tax shall be collected and enforced by the Illinois Department of Revenue. The certificate of registration that is issued by the Department to a lessor under the Hotel Operators' Occupation Tax Act shall permit that registrant to engage in a business that is taxable under any ordinance enacted under this subsection without registering separately with the Department under that ordinance or under this subsection. The Department shall have full power to administer and enforce this subsection, to collect all taxes and penalties due under this subsection, to dispose of taxes and penalties so collected in the manner provided in this subsection, and to determine all rights to credit memoranda arising on account of the erroneous payment of tax or penalty.
under this subsection. In the administration of and compliance with this subsection, the Department and persons who are subject to this subsection shall have the same rights, remedies, privileges, immunities, powers, and duties, shall be subject to the same conditions, restrictions, limitations, penalties, and definitions of terms, and shall employ the same modes of procedure as are prescribed in the Hotel Operators’ Occupation Tax Act (except where that Act is inconsistent with this subsection), as fully as if the provisions contained in the Hotel Operators' Occupation Tax Act were set out in this subsection.

Whenever the Department determines that a refund should be made under this subsection to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause a warrant to be drawn for the amount specified and to the person named in the notification from the Department. The refund shall be paid by the State Treasurer out of the Metropolitan Pier and Exposition Authority trust fund held by the State Treasurer as trustee for the Authority.

Persons subject to any tax imposed under the authority granted in this subsection may reimburse themselves for their tax liability for that tax by separately stating that tax as an additional charge, which charge may be stated in combination, in a single amount, with State taxes imposed under the Hotel Operators' Occupation Tax Act, the municipal tax imposed under Section 8-3-13 of the Illinois Municipal Code, and the tax imposed under Section 19 of the Illinois Sports Facilities Authority Act.

The person filing the return shall, at the time of filing the return, pay to the Department the amount of tax, less a discount of 2.1% or $25 per calendar year, whichever is greater, which is allowed to reimburse the operator for the expenses incurred in keeping records, preparing and filing returns, remitting the tax, and supplying data to the Department on request.

Except as otherwise provided in this paragraph, the Department shall forthwith pay over to the State Treasurer, ex officio, as trustee for the Authority, all taxes and penalties collected under this subsection for deposit into a trust fund held outside the State Treasury. On or before the 25th day of each calendar month, the Department shall certify to the Comptroller the amounts to be paid under subsection (g) of this Section, which shall be the amounts (not including credit memoranda) collected under this subsection during the second preceding calendar month by the Department, less any amounts determined by the Department to be necessary for payment of refunds, less 2% of the remainder, which the

Department shall transfer into the Tax Compliance and Administration Fund. The Department, at the time of each monthly disbursement to the Authority, shall prepare and certify to the State Comptroller the amount to be transferred into the Tax Compliance and Administration Fund under this subsection. Within 10 days after receipt by the Comptroller of the Department's certification, the Comptroller shall cause the orders to be drawn for such amounts, and the Treasurer shall administer the amounts distributed to the Authority as required in subsection (g).

A certified copy of any ordinance imposing or discontinuing a tax under this subsection or effecting a change in the rate of that tax shall be filed with the Illinois Department of Revenue, whereupon the Department shall proceed to administer and enforce this subsection on behalf of the Authority as of the first day of the third calendar month following the date of filing.

(d) By ordinance the Authority shall, as soon as practicable after July 1, 1992 (the effective date of Public Act 87-733) this amendatory Act of 1994, impose a tax upon all persons engaged in the business of renting automobiles in the metropolitan area at the rate of 6% of the gross receipts from that business, except that no tax shall be imposed on the business of renting automobiles for use as taxicabs or in livery service. The tax imposed under this subsection and all civil penalties that may be assessed as an incident to that tax shall be collected and enforced by the Illinois Department of Revenue. The certificate of registration issued by the Department to a retailer under the Retailers' Occupation Tax Act or under the Automobile Renting Occupation and Use Tax Act shall permit that person to engage in a business that is taxable under any ordinance enacted under this subsection without registering separately with the Department under that ordinance or under this subsection. The Department shall have full power to administer and enforce this subsection, to collect all taxes and penalties due under this subsection, to dispose of taxes and penalties so collected in the manner provided in this subsection, and to determine all rights to credit memoranda arising on account of the erroneous payment of tax or penalty under this subsection. In the administration of and compliance with this subsection, the Department and persons who are subject to this subsection shall have the same rights, remedies, privileges, immunities, powers, and duties, be subject to the same conditions, restrictions, limitations, penalties, and definitions of terms, and employ the same modes of procedure as are prescribed in Sections 2 and 3 (in respect to all provisions of those Sections other than the State rate of tax; and in
respect to the provisions of the Retailers' Occupation Tax Act referred to in those Sections, except as to the disposition of taxes and penalties collected, except for the provision allowing retailers a deduction from the tax to cover certain costs, and except that credit memoranda issued under this subsection may not be used to discharge any State tax liability) of the Automobile Renting Occupation and Use Tax Act, as fully as if provisions contained in those Sections of that Act were set forth in this subsection.

Persons subject to any tax imposed under the authority granted in this subsection may reimburse themselves for their tax liability under this subsection by separately stating that tax as an additional charge, which charge may be stated in combination, in a single amount, with State tax that sellers are required to collect under the Automobile Renting Occupation and Use Tax Act, pursuant to bracket schedules as the Department may prescribe.

Whenever the Department determines that a refund should be made under this subsection to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause a warrant to be drawn for the amount specified and to the person named in the notification from the Department. The refund shall be paid by the State Treasurer out of the Metropolitan Pier and Exposition Authority trust fund held by the State Treasurer as trustee for the Authority.

Except as otherwise provided in this paragraph, the Department shall forthwith pay over to the State Treasurer, ex officio, as trustee, all taxes and penalties collected under this subsection for deposit into a trust fund held outside the State Treasury. On or before the 25th day of each calendar month, the Department shall certify to the Comptroller the amounts to be paid under subsection (g) of this Section (not including credit memoranda) collected under this subsection during the second preceding calendar month by the Department, less any amount determined by the Department to be necessary for payment of refunds, less 2% of the remainder, which the Department shall transfer into the Tax Compliance and Administration Fund. The Department, at the time of each monthly disbursement to the Authority, shall prepare and certify to the State Comptroller the amount to be transferred into the Tax Compliance and Administration Fund under this subsection. Within 10 days after receipt by the Comptroller of the Department's certification, the Comptroller shall cause the orders to be drawn for such amounts, and the Treasurer shall

administer the amounts distributed to the Authority as required in subsection (g).

Nothing in this subsection authorizes the Authority to impose a tax upon the privilege of engaging in any business that under the Constitution of the United States may not be made the subject of taxation by this State.

A certified copy of any ordinance imposing or discontinuing a tax under this subsection or effecting a change in the rate of that tax shall be filed with the Illinois Department of Revenue, whereupon the Department shall proceed to administer and enforce this subsection on behalf of the Authority as of the first day of the third calendar month following the date of filing.

(e) By ordinance the Authority shall, as soon as practicable after July 1, 1992 (the effective date of Public Act 87-733 this amendatory Act of 1991, impose a tax upon the privilege of using in the metropolitan area an automobile that is rented from a rentor outside Illinois and is titled or registered with an agency of this State's government at a rate of 6% of the rental price of that automobile, except that no tax shall be imposed on the privilege of using automobiles rented for use as taxicabs or in livery service. The tax shall be collected from persons whose Illinois address for titling or registration purposes is given as being in the metropolitan area. The tax shall be collected by the Department of Revenue for the Authority. The tax must be paid to the State or an exemption determination must be obtained from the Department of Revenue before the title or certificate of registration for the property may be issued. The tax or proof of exemption may be transmitted to the Department by way of the State agency with which or State officer with whom the tangible personal property must be titled or registered if the Department and that agency or State officer determine that this procedure will expedite the processing of applications for title or registration.

The Department shall have full power to administer and enforce this subsection, to collect all taxes, penalties, and interest due under this subsection, to dispose of taxes, penalties, and interest so collected in the manner provided in this subsection, and to determine all rights to credit memoranda or refunds arising on account of the erroneous payment of tax, penalty, or interest under this subsection. In the administration of and compliance with this subsection, the Department and persons who are subject to this subsection shall have the same rights, remedies, privileges, immunities, powers, and duties, be subject to the same conditions, restrictions, limitations, penalties, and definitions of terms, and employ the

same modes of procedure as are prescribed in Sections 2 and 4 (except provisions pertaining to the State rate of tax; and in respect to the provisions of the Use Tax Act referred to in that Section, except provisions concerning collection or refunding of the tax by retailers, except the provisions of Section 19 pertaining to claims by retailers, except the last paragraph concerning refunds, and except that credit memoranda issued under this subsection may not be used to discharge any State tax liability) of the Automobile Renting Occupation and Use Tax Act, as fully as if provisions contained in those Sections of that Act were set forth in this subsection.

Whenever the Department determines that a refund should be made under this subsection to a claimant instead of issuing a credit memorandum, the Department shall notify the State Comptroller, who shall cause a warrant to be drawn for the amount specified and to the person named in the notification from the Department. The refund shall be paid by the State Treasurer out of the Metropolitan Pier and Exposition Authority trust fund held by the State Treasurer as trustee for the Authority.

Except as otherwise provided in this paragraph, the Department shall forthwith pay over to the State Treasurer, ex officio, as trustee, all taxes, penalties, and interest collected under this subsection for deposit into a trust fund held outside the State Treasury. On or before the 25th day of each calendar month, the Department shall certify to the State Comptroller the amounts to be paid under subsection (g) of this Section, which shall be the amounts (not including credit memoranda) collected under this subsection during the second preceding calendar month by the Department, less any amounts determined by the Department to be necessary for payment of refunds, less 2% of the remainder, which the Department shall transfer into the Tax Compliance and Administration Fund. The Department, at the time of each monthly disbursement to the Authority, shall prepare and certify to the State Comptroller the amount to be transferred into the Tax Compliance and Administration Fund under this subsection. Within 10 days after receipt by the State Comptroller of the Department's certification, the Comptroller shall cause the orders to be drawn for such amounts, and the Treasurer shall administer the amounts distributed to the Authority as required in subsection (g).

A certified copy of any ordinance imposing or discontinuing a tax or effecting a change in the rate of that tax shall be filed with the Illinois Department of Revenue, whereupon the Department shall proceed to
administer and enforce this subsection on behalf of the Authority as of the first day of the third calendar month following the date of filing.

(f) By ordinance the Authority shall, as soon as practicable after July 1, 1992 (the effective date of Public Act 87-733) this amendatory Act of 1994, impose an occupation tax on all persons, other than a governmental agency, engaged in the business of providing ground transportation for hire to passengers in the metropolitan area at a rate of (i) $4 per taxi or livery vehicle departure with passengers for hire from commercial service airports in the metropolitan area, (ii) for each departure with passengers for hire from a commercial service airport in the metropolitan area in a bus or van operated by a person other than a person described in item (iii): $18 per bus or van with a capacity of 1-12 passengers, $36 per bus or van with a capacity of 13-24 passengers, and $54 per bus or van with a capacity of over 24 passengers, and (iii) for each departure with passengers for hire from a commercial service airport in the metropolitan area in a bus or van operated by a person regulated by the Interstate Commerce Commission or Illinois Commerce Commission, operating scheduled service from the airport, and charging fares on a per passenger basis: $2 per passenger for hire in each bus or van. The term "commercial service airports" means those airports receiving scheduled passenger service and enplaning more than 100,000 passengers per year.

In the ordinance imposing the tax, the Authority may provide for the administration and enforcement of the tax and the collection of the tax from persons subject to the tax as the Authority determines to be necessary or practicable for the effective administration of the tax. The Authority may enter into agreements as it deems appropriate with any governmental agency providing for that agency to act as the Authority's agent to collect the tax.

In the ordinance imposing the tax, the Authority may designate a method or methods for persons subject to the tax to reimburse themselves for the tax liability arising under the ordinance (i) by separately stating the full amount of the tax liability as an additional charge to passengers departing the airports, (ii) by separately stating one-half of the tax liability as an additional charge to both passengers departing from and to passengers arriving at the airports, or (iii) by some other method determined by the Authority.

All taxes, penalties, and interest collected under any ordinance adopted under this subsection, less any amounts determined to be necessary for the payment of refunds and less the taxes, penalties, and

interest attributable to any increase in the rate of tax authorized by Public Act 96-898, shall be paid forthwith to the State Treasurer, ex officio, for deposit into a trust fund held outside the State Treasury and shall be administered by the State Treasurer as provided in subsection (g) of this Section. All taxes, penalties, and interest attributable to any increase in the rate of tax authorized by Public Act 96-898 shall be paid by the State Treasurer as follows: 25% for deposit into the Convention Center Support Fund, to be used by the Village of Rosemont for the repair, maintenance, and improvement of the Donald E. Stephens Convention Center and for debt service on debt instruments issued for those purposes by the village and 75% to the Authority to be used for grants to an organization meeting the qualifications set out in Section 5.6 of this Act, provided the Metropolitan Pier and Exposition Authority has entered into a marketing agreement with such an organization.

(g) Amounts deposited from the proceeds of taxes imposed by the Authority under subsections (b), (c), (d), (e), and (f) of this Section and amounts deposited under Section 19 of the Illinois Sports Facilities Authority Act shall be held in a trust fund outside the State Treasury and, other than the amounts transferred into the Tax Compliance and Administration Fund under subsections (b), (c), (d), and (e), shall be administered by the Treasurer as follows:

1. An amount necessary for the payment of refunds with respect to those taxes shall be retained in the trust fund and used for those payments.

2. On July 20 and on the 20th of each month thereafter, provided that the amount requested in the annual certificate of the Chairman of the Authority filed under Section 8.25f of the State Finance Act has been appropriated for payment to the Authority, 1/8 of the local tax transfer amount, together with any cumulative deficiencies in the amounts transferred into the McCormick Place Expansion Project Fund under this subparagraph (2) during the fiscal year for which the certificate has been filed, shall be transferred from the trust fund into the McCormick Place Expansion Project Fund in the State treasury until 100% of the local tax transfer amount has been so transferred. "Local tax transfer amount" shall mean the amount requested in the annual certificate, minus the reduction amount. "Reduction amount" shall mean $41.7 million in fiscal year 2011, $36.7 million in fiscal year 2012, $36.7 million in fiscal year 2013, $36.7 million in fiscal year

2014, and $31.7 million in each fiscal year thereafter until 2032, provided that the reduction amount shall be reduced by (i) the amount certified by the Authority to the State Comptroller and State Treasurer under Section 8.25 of the State Finance Act, as amended, with respect to that fiscal year and (ii) in any fiscal year in which the amounts deposited in the trust fund under this Section exceed $318.3 million, exclusive of amounts set aside for refunds and for the reserve account, one dollar for each dollar of the deposits in the trust fund above $318.3 million with respect to that year, exclusive of amounts set aside for refunds and for the reserve account.

(3) On July 20, 2010, the Comptroller shall certify to the Governor, the Treasurer, and the Chairman of the Authority the 2010 deficiency amount, which means the cumulative amount of transfers that were due from the trust fund to the McCormick Place Expansion Project Fund in fiscal years 2008, 2009, and 2010 under Section 13(g) of this Act, as it existed prior to May 27, 2010 (the effective date of Public Act 96-898), but not made. On July 20, 2011 and on July 20 of each year through July 20, 2014, the Treasurer shall calculate for the previous fiscal year the surplus revenues in the trust fund and pay that amount to the Authority. On July 20, 2015 and on July 20 of each year thereafter to and including July 20, 2017, as long as bonds and notes issued under Section 13.2 or bonds and notes issued to refund those bonds and notes are outstanding, the Treasurer shall calculate for the previous fiscal year the surplus revenues in the trust fund and pay one-half of that amount to the State Treasurer for deposit into the General Revenue Fund until the 2010 deficiency amount has been paid and shall pay the balance of the surplus revenues to the Authority. On July 20, 2018 and on July 20 of each year thereafter, the Treasurer shall calculate for the previous fiscal year the surplus revenues in the trust fund and pay all of such surplus revenues to the State Treasurer for deposit into the General Revenue Fund until the 2010 deficiency amount has been paid. After the 2010 deficiency amount has been paid, the Treasurer shall pay the balance of the surplus revenues to the Authority. "Surplus revenues" means the amounts remaining in the trust fund on June 30 of the previous fiscal year (A) after the State Treasurer has set aside in the trust fund (i) amounts retained for refunds under subparagraph (1) and (ii) any

amounts necessary to meet the reserve account amount and (B) after the State Treasurer has transferred from the trust fund to the General Revenue Fund 100% of any post-2010 deficiency amount. "Reserve account amount" means $15 million in fiscal year 2011 and $30 million in each fiscal year thereafter. The reserve account amount shall be set aside in the trust fund and used as a reserve to be transferred to the McCormick Place Expansion Project Fund in the event the proceeds of taxes imposed under this Section 13 are not sufficient to fund the transfer required in subparagraph (2). "Post-2010 deficiency amount" means any deficiency in transfers from the trust fund to the McCormick Place Expansion Project Fund with respect to fiscal years 2011 and thereafter. It is the intention of this subparagraph (3) that no surplus revenues shall be paid to the Authority with respect to any year in which a post-2010 deficiency amount has not been satisfied by the Authority.

Moneys received by the Authority as surplus revenues may be used (i) for the purposes of paying debt service on the bonds and notes issued by the Authority, including early redemption of those bonds or notes, (ii) for the purposes of repair, replacement, and improvement of the grounds, buildings, and facilities of the Authority, and (iii) for the corporate purposes of the Authority in fiscal years 2011 through 2015 in an amount not to exceed $20,000,000 annually or $80,000,000 total, which amount shall be reduced $0.75 for each dollar of the receipts of the Authority in that year from any contract entered into with respect to naming rights at McCormick Place under Section 5(m) of this Act. When bonds and notes issued under Section 13.2, or bonds or notes issued to refund those bonds and notes, are no longer outstanding, the balance in the trust fund shall be paid to the Authority.

(h) The ordinances imposing the taxes authorized by this Section shall be repealed when bonds and notes issued under Section 13.2 or bonds and notes issued to refund those bonds and notes are no longer outstanding.

Sec. 2.02. Purchase of service contracts; grants Service Contracts—Grants.

(a) The Service Boards may purchase public transportation from transportation agencies upon such terms and conditions as may be set forth in purchase of service agreements between the Service Boards and the transportation agencies.

(b) Grants may be made either by: (i) the Authority to a Service Board; or (ii) a Service Board to either a transportation agency or another Service Board, all for operating and other expenses, or for developing or planning public transportation or for constructing or acquiring public transportation facilities, all upon such terms and conditions as that Service Board or the Authority shall prescribe or as that Service Board and the Authority or that Service Board and the transportation agency shall agree in any grant contract.

(c) The Board shall adopt, to the extent it determines feasible, guidelines setting forth uniform standards for the making of grants and purchase of service agreements. Such grant contracts or purchase of service agreements may be for such number of years or duration as the parties shall agree.

Any purchase of service agreement with a transportation agency which is not a public body shall be upon terms and conditions which will allow the transportation agency to receive for the public transportation provided pursuant to the agreement net income, after reasonable deductions for depreciation and other proper and necessary reserves, equal to an amount which is a reasonable return upon the value of such portion of the transportation agency's property as is used and useful in rendering such transportation service. This paragraph shall be construed in a manner consistent with the principles applicable to such a transportation agency in rate proceedings under the Public Utilities Act "An Act concerning public utilities", approved June 29, 1921, as now or hereafter amended. This paragraph shall not be construed to provide for the funding of reserves or guarantee that such a transportation agency shall in fact receive any return.

A Service Board shall, within 180 days after receiving a written request from a transportation agency which is not a public body, tender and offer to enter into with such transportation agency a purchase of service agreement that is in conformity with this Act and that covers the public transportation services by rail (other than experimental or demonstration services) which such agency is providing at the time of such request and which services either were in operation for at least one year immediately preceding the effective date of this Act or were in operation pursuant to a purchase of service or grant agreement with the Authority or Service Board. No such tender by a Service Board need be made before April 1, 1975. The first purchase of service agreement so requested shall not, unless the parties agree otherwise, become effective prior to June 30, 1975. If, following such a request and tender, a Service Board and the transportation agency do not agree upon the amount of compensation to be provided to the agency by the Service Board under the purchase of service agreement or fares and charges under the purchase of service agreement, either of them may submit such unresolved issues to the Illinois Commerce Commission for determination. The Commission shall determine the unresolved issues in conformity with this Act. The Commission's determination shall be set forth in writing, together with such terms as are agreed by the parties and any other unresolved terms as tendered by the Service Board, in a single document which shall constitute the entire purchase of service agreement between the Service Board and the transportation agency, which agreement, in the absence of contrary agreement by the parties, shall be for a term of 3 years effective as of July 1, 1975, or, if the agreement is requested to succeed a currently effective or recently expired purchase of service agreement between the parties, as of the date of such expiration. The decision of the Commission shall be binding upon the Service Board and the transportation agency, subject to judicial review as provided in the Public Utilities Act "An Act concerning public utilities", as approved June 29, 1921, as now or hereafter amended, but the parties may at any time mutually amend or terminate a purchase of service agreement. Prompt settlement between the parties shall be made of any sums owing under the terms of the purchase of service agreement so established for public transportation services performed on and after the effective date of any such agreement. If the Authority reduces the amount of operating subsidy available to a Service Board under the provisions of Section 4.09 or Section 4.11, the Service Board shall, from those funds available to it under Section 4.02, first discharge its financial obligations
under the terms of a purchase of service contract to any transportation agency which is not a public body, unless such transportation agency has failed to take any action requested by the Service Board, which under the terms of the purchase of service contract the Service Board can require the transportation agency to take, which would have the effect of reducing the financial obligation of the Service Board to the transportation agency. The provisions of this paragraph (c) shall not preclude a Service Board and a transportation agency from otherwise entering into a purchase of service or grant agreement in conformity with this Act or an agreement for the Authority or a Service Board to purchase or a Service Board to operate that agency's public transportation facilities, and shall not limit the exercise of the right of eminent domain by the Authority pursuant to this Act.

(d) Any transportation agency providing public transportation pursuant to a purchase of service or grant agreement with the Authority or a Service Board shall be subject to the "Illinois Human Rights Act," as now or hereafter amended, and the remedies and procedures established thereunder. Such agency shall file an affirmative action program for employment by it with regard to public transportation so provided with the Department of Human Rights within one year of the purchase of service or grant agreement, to ensure that applicants are employed and that employees are treated during employment, without unlawful discrimination. Such affirmative action program shall include provisions relating to hiring, upgrading, demotion, transfer, recruitment, recruitment advertising, selection for training and rates of pay or other forms of compensation. No unlawful discrimination as defined and prohibited in the Illinois Human Rights Act in any such employment shall be made in any term or aspect of employment and discrimination based upon political reasons or factors shall be prohibited.

(e) A Service Board, subject to the provisions of paragraph (c) of this Section, may not discriminate against a transportation agency with which it has a purchase of service contract or grant agreement in any condition affecting the operation of the public transportation facility including the level of subsidy provided, the quality or standard of public transportation to be provided or in meeting the financial obligations to transportation agencies under the terms of a purchase of service or grant contract. Any transportation agency that believes that a Service Board is discriminating against it may, after attempting to resolve the alleged discrimination by meeting with the Service Board with which it has a

purchase of service or grant contract, appeal to the Authority. The Board shall name 3 of its members, other than a member of the board of the concerned Service Board, to serve as a panel to arbitrate the dispute. The panel shall render a recommended decision to the Board which shall be binding on the Service Board and the transportation agency if adopted by the Board. The panel may not require the Service Board to take any action which would increase the operating budget of the Service Board. The decision of the Board shall be enforceable in a court of general jurisdiction.

(a) The Authority may for the benefit of a Service Board, by ordinance, provide for special lanes for exclusive or special use by public transportation vehicles with regard to any roads, streets, ways, highways, bridges, toll highways or toll bridges in the metropolitan region, notwithstanding any governmental statute, ordinance or regulation to the contrary.

(b) The Authority, for the benefit of a Service Board, shall have the power to use and, by ordinance, to authorize any Service Board or transportation agency to use without any franchise, charge, permit or license any public road, street, way, highway, bridge, toll highway or toll bridge within the metropolitan region for the provision of public transportation. particular public transportation service provided by a transportation agency with which the Service Board has a purchase of service agreement is not necessary for the public interest and shall, for that reason, decline to enter into any purchase of service agreement for such particular service, then the Service Board shall have no obligation pursuant to Section 2.02(c) to offer or make a purchase of service agreement with respect to that particular service and the transportation agency may discontinue the particular service. Such discontinuation shall not be subject to the approval of or regulation by the Illinois Commerce Commission. The acquisition by the Authority by eminent domain of any property, from any transportation agency, shall not be subject to the approval of or regulation by the Illinois Commerce Commission, provided, however, that the requirement in Section 7-102 of the Code of Civil Procedure, as amended, requiring in certain instances prior approval of the Illinois Commerce Commission for taking or damaging of property of railroads or other public utilities shall continue to apply as to any taking or damaging by the Authority of any real property of such a railroad not used for public transportation or of any real property of such other public utility.

If any such facilities are so relocated onto the properties of the Authority or the Service Board or onto properties made available for that purpose by the Authority or the Service Board, there shall be no rent, fee, or other charge of any kind imposed upon the public utility owning or operating such facilities in excess of that imposed prior to such relocation and such public utility, and its successors and assigns, shall be granted the right to operate such facilities in the new location or locations for as long a period and upon the same terms and conditions as it had the right to maintain and operate such facilities in their former location. Nothing in this paragraph (b) shall prevent the Authority or the Service Board and a transportation agency from agreeing in a purchase of service agreement or otherwise to make different arrangements for such relocations or the costs thereof.

Beginning January 1, 1993, an ordinance or resolution imposing or discontinuing the tax hereunder shall be adopted and a certified copy thereof filed with the Department on or before the first day of October, whereupon the Department shall proceed to administer and enforce this Section as of the first day of January next following such adoption and filing.

(g) The State Department of Revenue shall, upon collecting any taxes as provided in this Section, pay the taxes over to the State Treasurer as trustee for the commission. The taxes shall be held in a trust fund outside the State Treasury.

After the monthly transfer to the STAR Bonds Revenue Fund, on or before the 25th day of each calendar month, the State Department of Revenue shall prepare and certify to the Comptroller of the State of Illinois the amount to be paid to the commission, which shall be the amount (not including credit memoranda) collected under this Section during the second preceding calendar month by the Department plus an amount the Department determines is necessary to offset any amounts that were erroneously paid to a different taxing body, and not including any amount equal to the amount of refunds made during the second preceding calendar month by the Department on behalf of the commission, and not including any amount that the Department determines is necessary to offset any amounts that were payable to a different taxing body but were erroneously paid to the commission, and less any amounts that are transferred to the STAR Bonds Revenue Fund, less 2% of the remainder, which shall be transferred into the Tax Compliance and Administration Fund. The Department, at the time of each monthly disbursement to the commission, shall prepare and certify to the State Comptroller the amount to be transferred into the Tax Compliance and Administration Fund under this subsection. Within 10 days after receipt by the Comptroller of the certification of the amount to be paid to the commission and the Tax Compliance and Administration Fund, the Comptroller shall cause an
order to be drawn for the payment for the amount in accordance with the direction in the certification.

The School Code is amended by changing Sections 2-3.64a-5, 2-3.162, 3-14.23, 10-17a, 10-22.3f, 10-22.6, 14-8.02, 14-8.02a, 14-13.01, 17-2A, 18-8.05, 18-12, 19-1, 21B-20, 21B-25, 21B-30, 21B-45, 22-80, 26-1, 27-8.1, 27A-5, 29-5, and 32-7.3 and by setting forth and renumbering multiple versions of Sections 2-3.170, 10-20.60, and 34-18.53 as follows:

(105 ILCS 5/2-3.64a-5)
Sec. 2-3.64a-5. State goals and assessment.

(a) For the assessment and accountability purposes of this Section, "students" includes those students enrolled in a public or State-operated elementary school, secondary school, or cooperative or joint agreement with a governing body or board of control, a charter school operating in compliance with the Charter Schools Law, a school operated by a regional office of education under Section 13A-3 of this Code, or a public school administered by a local public agency or the Department of Human Services.

(b) The State Board of Education shall establish the academic standards that are to be applicable to students who are subject to State assessments under this Section. The State Board of Education shall not establish any such standards in final form without first providing opportunities for public participation and local input in the development of the final academic standards. Those opportunities shall include a well-publicized period of public comment and opportunities to file written comments.

(c) Beginning no later than the 2014-2015 school year, the State Board of Education shall annually assess all students enrolled in grades 3 through 8 in English language arts and mathematics.

Beginning no later than the 2017-2018 school year, the State Board of Education shall annually assess all students in science at one grade in grades 3 through 5, at one grade in grades 6 through 8, and at one grade in grades 9 through 12.

New matter indicated by italics - deletions by strikeout
The State Board of Education shall annually assess schools that operate a secondary education program, as defined in Section 22-22 of this Code, in English language arts and mathematics. The State Board of Education shall administer no more than 3 assessments, per student, of English language arts and mathematics for students in a secondary education program. One of these assessments shall include a college and career ready determination that shall be accepted by this State's public institutions of higher education, as defined in the Board of Higher Education Act, for the purpose of student application or admissions consideration. The assessment administered by the State Board of Education for the purpose of student application to or admissions consideration by institutions of higher education must be administered on a school day during regular student attendance hours.

Students who are not assessed for college and career ready determinations may not receive a regular high school diploma unless the student is exempted from taking State assessments under subsection (d) of this Section because (i) the student's individualized educational program developed under Article 14 of this Code identifies the State assessment as inappropriate for the student, (ii) the student is enrolled in a program of adult and continuing education, as defined in the Adult Education Act, (iii) the school district is not required to assess the individual student for purposes of accountability under federal No Child Left Behind Act of 2001 requirements, (iv) the student has been determined to be an English learner and has been enrolled in schools in the United States for less than 12 months, or (v) the student is otherwise identified by the State Board of Education, through rules, as being exempt from the assessment.

The State Board of Education shall not assess students under this Section in subjects not required by this Section.

Districts shall inform their students of the timelines and procedures applicable to their participation in every yearly administration of the State assessments. The State Board of Education shall establish periods of time in each school year during which State assessments shall occur to meet the objectives of this Section.

(d) Every individualized educational program as described in Article 14 shall identify if the State assessment or components thereof are appropriate for the student. The State Board of Education shall develop rules governing the administration of an alternate assessment that may be available to students for whom participation in this State's regular
assessments is not appropriate, even with accommodations as allowed under this Section.

Students receiving special education services whose individualized educational programs identify them as eligible for the alternative State assessments nevertheless shall have the option of taking this State's regular assessment that includes a college and career ready determination, which shall be administered in accordance with the eligible accommodations appropriate for meeting these students' respective needs.

All students determined to be English learners shall participate in the State assessments, excepting those students who have been enrolled in schools in the United States for less than 12 months. Such students may be exempted from participation in one annual administration of the English language arts assessment. Any student determined to be an English learner shall receive appropriate assessment accommodations, including language supports, which shall be established by rule. Approved assessment accommodations must be provided until the student's English language skills develop to the extent that the student is no longer considered to be an English learner, as demonstrated through a State-identified English language proficiency assessment.

(e) The results or scores of each assessment taken under this Section shall be made available to the parents of each student.

In each school year, the scores attained by a student on the State assessment that includes a college and career ready determination must be placed in the student's permanent record pursuant to rules that the State Board of Education shall adopt for that purpose in accordance with Section 3 of the Illinois School Student Records Act. In each school year, the scores attained by a student on the State assessments administered in grades 3 through 8 must be placed in the student's temporary record.

(f) All schools shall administer an academic assessment of English language proficiency in oral language (listening and speaking) and reading and writing skills to all children determined to be English learners.

(g) All schools in this State that are part of the sample drawn by the National Center for Education Statistics, in collaboration with their school districts and the State Board of Education, shall administer the biennial academic assessments under the National Assessment of Educational Progress carried out under Section 411(b)(2) of the federal National Education Statistics Act of 1994 (20 U.S.C. 9010) if the U.S. Secretary of Education pays the costs of administering the assessments.
(h) Subject to available funds to this State for the purpose of student assessment, the State Board of Education shall provide additional assessments and assessment resources that may be used by school districts for local assessment purposes. The State Board of Education shall annually distribute a listing of these additional resources.

(i) For the purposes of this subsection (i), "academically based assessments" means assessments consisting of questions and answers that are measurable and quantifiable to measure the knowledge, skills, and ability of students in the subject matters covered by the assessments. All assessments administered pursuant to this Section must be academically based assessments. The scoring of academically based assessments shall be reliable, valid, and fair and shall meet the guidelines for assessment development and use prescribed by the American Psychological Association, the National Council on Measurement in Education, and the American Educational Research Association.

The State Board of Education shall review the use of all assessment item types in order to ensure that they are valid and reliable indicators of student performance aligned to the learning standards being assessed and that the development, administration, and scoring of these item types are justifiable in terms of cost.

(j) The State Superintendent of Education shall appoint a committee of no more than 21 members, consisting of parents, teachers, school administrators, school board members, assessment experts, regional superintendents of schools, and citizens, to review the State assessments administered by the State Board of Education. The Committee shall select one of its members as its chairperson. The Committee shall meet on an ongoing basis to review the content and design of the assessments (including whether the requirements of subsection (i) of this Section have been met), the time and money expended at the local and State levels to prepare for and administer the assessments, the collective results of the assessments as measured against the stated purpose of assessing student performance, and other issues involving the assessments identified by the Committee. The Committee shall make periodic recommendations to the State Superintendent of Education and the General Assembly concerning the assessments.

(k) The State Board of Education may adopt rules to implement this Section.

Sec. 2-3.162. Student discipline report; school discipline improvement plan.

(a) On or before October 31, 2015 and on or before October 31 of each subsequent year, the State Board of Education, through the State Superintendent of Education, shall prepare a report on student discipline in all school districts in this State, including State-authorized charter schools. This report shall include data from all public schools within school districts, including district-authorized charter schools. This report must be posted on the Internet website of the State Board of Education. The report shall include data on the issuance of out-of-school suspensions, expulsions, and removals to alternative settings in lieu of another disciplinary action, disaggregated by race and ethnicity, gender, age, grade level, whether a student is an English learner, incident type, and discipline duration.

(b) The State Board of Education shall analyze the data under subsection (a) of this Section on an annual basis and determine the top 20% of school districts for the following metrics:

(1) Total number of out-of-school suspensions divided by the total district enrollment by the last school day in September for the year in which the data was collected, multiplied by 100.

(2) Total number of out-of-school expulsions divided by the total district enrollment by the last school day in September for the year in which the data was collected, multiplied by 100.

(3) Racial disproportionality, defined as the overrepresentation of students of color or white students in comparison to the total number of students of color or white students on October 1st of the school year in which data are collected, with respect to the use of out-of-school suspensions and expulsions, which must be calculated using the same method as the U.S. Department of Education's Office for Civil Rights uses.

The analysis must be based on data collected over 3 consecutive school years, beginning with the 2014-2015 school year.

Beginning with the 2017-2018 school year, the State Board of Education shall require each of the school districts that are identified in the top 20% of any of the metrics described in this subsection (b) for 3 consecutive years to submit a plan identifying the strategies the school district will implement to reduce the use of exclusionary disciplinary practices or racial disproportionality or both, if applicable. School districts
that no longer meet the criteria described in any of the metrics described in this subsection (b) for 3 consecutive years shall no longer be required to submit a plan.

This plan may be combined with any other improvement plans required under federal or State law.

The calculation of the top 20% of any of the metrics described in this subsection (b) shall exclude all school districts, State-authorized charter schools, and special charter districts that issued fewer than a total of 10 out-of-school suspensions or expulsions, whichever is applicable, during the school year. The calculation of the top 20% of the metric described in subdivision (3) of this subsection (b) shall exclude all school districts with an enrollment of fewer than 50 white students or fewer than 50 students of color.

The plan must be approved at a public school board meeting and posted on the school district's Internet website. Within one year after being identified, the school district shall submit to the State Board of Education and post on the district's Internet website a progress report describing the implementation of the plan and the results achieved.

Sec. 2-3.170. Property tax relief pool grants.
(a) As used in this Section,
"Property tax multiplier" equals one minus the square of the school district's Local Capacity Percentage, as defined in Section 18-8.15 of this Code.
"State Board" means the State Board of Education.
"Unit equivalent tax rate" means the Adjusted Operating Tax Rate, as defined in Section 18-8.15 of this Code, multiplied by a factor of 1 for unit school districts, 13/9 for elementary school districts, and 13/4 for high school districts.

(b) Subject to appropriation, the State Board shall provide grants to eligible school districts that provide tax relief to the school district's residents, up to a limit of 1% of the school district's equalized assessed value, as provided in this Section.

(c) By August 1 of each year, the State Board shall publish an estimated threshold unit equivalent tax rate. School districts whose adjusted operating tax rate, as defined in this Section, is greater than the estimated threshold unit equivalent tax rate are eligible for relief under this Section.
Section. This estimated tax rate shall be based on the most recent available data provided by school districts pursuant to Section 18-8.15 of this Code. The State Board shall estimate this property tax rate based on the amount appropriated to the grant program and the assumption that a set of school districts, based on criteria established by the State Board, will apply for grants under this Section. The criteria shall be based on reasonable assumptions about when school districts will apply for the grant.

(d) School districts seeking grants under this Section shall apply to the State Board by October 1 of each year. All applications to the State Board for grants shall include the amount of the grant requested.

(e) By December 1 of each year, based on the most recent available data provided by school districts pursuant to Section 18-8.15 of this Code, the State Board shall calculate the unit equivalent tax rate, based on the applications received by the State Board, above which the appropriations are sufficient to provide relief and publish a list of the school districts eligible for relief.

(f) The State Board shall publish a final list of grant recipients and provide payment of the grants by January 15 of each year.

(g) If payment from the State Board is received by the school district on time, the school district shall reduce its property tax levy in an amount equal to the grant received under this Section.

Sec. 10-22.6. Suspension or expulsion of pupils; school searches.

(a) To expel pupils guilty of gross disobedience or misconduct, including gross disobedience or misconduct perpetuated by electronic means, pursuant to subsection (b-20) of this Section, and no action shall lie against them for such expulsion. Expulsion shall take place only after the parents have been requested to appear at a meeting of the board, or with a hearing officer appointed by it, to discuss their child's behavior. Such request shall be made by registered or certified mail and shall state the time, place and purpose of the meeting. The board, or a hearing officer appointed by it, at such meeting shall state the reasons for dismissal and the date on which the expulsion is to become effective. If a hearing officer is appointed by the board, he shall report to the board a written summary of the evidence heard at the meeting and the board may take such action thereon as it finds appropriate. If the board acts to expel a pupil, the written expulsion decision shall detail the specific reasons why removing the pupil from the learning environment is in the best interest of the school. The expulsion decision shall also include a rationale as to the specific duration of the expulsion. An expelled pupil may be immediately transferred to an alternative program in the manner provided in Article 13A or 13B of this Code. A pupil must not be denied transfer because of the expulsion, except in cases in which such transfer is deemed to cause a threat to the safety of students or staff in the alternative program.

(b) To suspend or by policy to authorize the superintendent of the district or the principal, assistant principal, or dean of students of any school to suspend pupils guilty of gross disobedience or misconduct, or to suspend pupils guilty of gross disobedience or misconduct on the school bus from riding the school bus, pursuant to subsections (b-15) and (b-20) of this Section, and no action shall lie against them for such suspension. The board may by policy authorize the superintendent of the district or the principal, assistant principal, or dean of students of any school to suspend pupils guilty of such acts for a period not to exceed 10 school days. If a pupil is suspended due to gross disobedience or misconduct on a school bus, the board may suspend the pupil in excess of 10 school days for safety reasons.

Any suspension shall be reported immediately to the parents or guardian of a pupil along with a full statement of the reasons for such suspension and a notice of their right to a review. The school board must be given a summary of the notice, including the reason for the suspension and the suspension length. Upon request of the parents or guardian, the school board or a hearing officer appointed by it shall review such action of the superintendent or principal, assistant principal, or dean of students. At such review, the parents or guardian of the pupil may appear and discuss the suspension with the board or its hearing officer. If a hearing officer is appointed by the board, he shall report to the board a written summary of the evidence heard at the meeting. After its hearing or upon receipt of the written report of its hearing officer, the board may take such action as it finds appropriate. If a student is suspended pursuant to this subsection (b), the board shall, in the written suspension decision, detail the specific act of gross disobedience or misconduct resulting in the decision to suspend. The suspension decision shall also include a rationale as to the specific duration of the suspension. A pupil who is suspended in excess of 20 school days may be immediately transferred to an alternative program in the manner provided in Article 13A or 13B of this Code. A pupil must not be denied transfer because of the suspension, except in cases in which such transfer is deemed to cause a threat to the safety of students or staff in the alternative program.

(b-5) Among the many possible disciplinary interventions and consequences available to school officials, school exclusions, such as out-of-school suspensions and expulsions, are the most serious. School officials shall limit the number and duration of expulsions and suspensions to the greatest extent practicable, and it is recommended that they use them.
only for legitimate educational purposes. To ensure that students are not excluded from school unnecessarily, it is recommended that school officials consider forms of non-exclusionary discipline prior to using out-of-school suspensions or expulsions.

(b-10) Unless otherwise required by federal law or this Code, school boards may not institute zero-tolerance policies by which school administrators are required to suspend or expel students for particular behaviors.

(b-15) Out-of-school suspensions of 3 days or less may be used only if the student's continuing presence in school would pose a threat to school safety or a disruption to other students' learning opportunities. For purposes of this subsection (b-15), "threat to school safety or a disruption to other students' learning opportunities" shall be determined on a case-by-case basis by the school board or its designee. School officials shall make all reasonable efforts to resolve such threats, address such disruptions, and minimize the length of suspensions to the greatest extent practicable.

(b-20) Unless otherwise required by this Code, out-of-school suspensions of longer than 3 days, expulsions, and disciplinary removals to alternative schools may be used only if other appropriate and available behavioral and disciplinary interventions have been exhausted and the student's continuing presence in school would either (i) pose a threat to the safety of other students, staff, or members of the school community or (ii) substantially disrupt, impede, or interfere with the operation of the school. For purposes of this subsection (b-20), "threat to the safety of other students, staff, or members of the school community" and "substantially disrupt, impede, or interfere with the operation of the school" shall be determined on a case-by-case basis by school officials. For purposes of this subsection (b-20), the determination of whether "appropriate and available behavioral and disciplinary interventions have been exhausted" shall be made by school officials. School officials shall make all reasonable efforts to resolve such threats, address such disruptions, and minimize the length of student exclusions to the greatest extent practicable. Within the suspension decision described in subsection (b) of this Section or the expulsion decision described in subsection (a) of this Section, it shall be documented whether other interventions were attempted or whether it was determined that there were no other appropriate and available interventions.

(b-25) Students who are suspended out-of-school for longer than 4 school days shall be provided appropriate and available support services.
during the period of their suspension. For purposes of this subsection (b-25), "appropriate and available support services" shall be determined by school authorities. Within the suspension decision described in subsection (b) of this Section, it shall be documented whether such services are to be provided or whether it was determined that there are no such appropriate and available services.

A school district may refer students who are expelled to appropriate and available support services.

A school district shall create a policy to facilitate the re-engagement of students who are suspended out-of-school, expelled, or returning from an alternative school setting.

(b-30) A school district shall create a policy by which suspended pupils, including those pupils suspended from the school bus who do not have alternate transportation to school, shall have the opportunity to make up work for equivalent academic credit. It shall be the responsibility of a pupil's parent or guardian to notify school officials that a pupil suspended from the school bus does not have alternate transportation to school.

(c) The Department of Human Services shall be invited to send a representative to consult with the board at such meeting whenever there is evidence that mental illness may be the cause for expulsion or suspension.

(c-5) School districts shall make reasonable efforts to provide ongoing professional development to teachers, administrators, school board members, school resource officers, and staff on the adverse consequences of school exclusion and justice-system involvement, effective classroom management strategies, culturally responsive discipline, and developmentally appropriate disciplinary methods that promote positive and healthy school climates.

(d) The board may expel a student for a definite period of time not to exceed 2 calendar years, as determined on a case-by-case basis. A student who is determined to have brought one of the following objects to school, any school-sponsored activity or event, or any activity or event that bears a reasonable relationship to school shall be expelled for a period of not less than one year:

1. A firearm. For the purposes of this Section, "firearm" means any gun, rifle, shotgun, weapon as defined by Section 921 of Title 18 of the United States Code, firearm as defined in Section 1.1 of the Firearm Owners Identification Card Act, or firearm as defined in Section 24-1 of the Criminal Code of 2012. The expulsion period under this subdivision (1) may be modified by the
superintendent, and the superintendent's determination may be modified by the board on a case-by-case basis.

(2) A knife, brass knuckles or other knuckle weapon regardless of its composition, a billy club, or any other object if used or attempted to be used to cause bodily harm, including "look alikes" of any firearm as defined in subdivision (1) of this subsection (d). The expulsion requirement under this subdivision (2) may be modified by the superintendent, and the superintendent's determination may be modified by the board on a case-by-case basis.

Expulsion or suspension shall be construed in a manner consistent with the Federal Individuals with Disabilities Education Act. A student who is subject to suspension or expulsion as provided in this Section may be eligible for a transfer to an alternative school program in accordance with Article 13A of the School Code.

(d-5) The board may suspend or by regulation authorize the superintendent of the district or the principal, assistant principal, or dean of students of any school to suspend a student for a period not to exceed 10 school days or may expel a student for a definite period of time not to exceed 2 calendar years, as determined on a case-by-case basis, if (i) that student has been determined to have made an explicit threat on an Internet website against a school employee, a student, or any school-related personnel, (ii) the Internet website through which the threat was made is a site that was accessible within the school at the time the threat was made or was available to third parties who worked or studied within the school grounds at the time the threat was made, and (iii) the threat could be reasonably interpreted as threatening to the safety and security of the threatened individual because of his or her duties or employment status or status as a student inside the school.

(e) To maintain order and security in the schools, school authorities may inspect and search places and areas such as lockers, desks, parking lots, and other school property and equipment owned or controlled by the school, as well as personal effects left in those places and areas by students, without notice to or the consent of the student, and without a search warrant. As a matter of public policy, the General Assembly finds that students have no reasonable expectation of privacy in these places and areas or in their personal effects left in these places and areas. School authorities may request the assistance of law enforcement officials for the purpose of conducting inspections and searches of lockers, desks, parking

lots, and other school property and equipment owned or controlled by the school for illegal drugs, weapons, or other illegal or dangerous substances or materials, including searches conducted through the use of specially trained dogs. If a search conducted in accordance with this Section produces evidence that the student has violated or is violating either the law, local ordinance, or the school's policies or rules, such evidence may be seized by school authorities, and disciplinary action may be taken. School authorities may also turn over such evidence to law enforcement authorities.

(f) Suspension or expulsion may include suspension or expulsion from school and all school activities and a prohibition from being present on school grounds.

(g) A school district may adopt a policy providing that if a student is suspended or expelled for any reason from any public or private school in this or any other state, the student must complete the entire term of the suspension or expulsion in an alternative school program under Article 13A of this Code or an alternative learning opportunities program under Article 13B of this Code before being admitted into the school district if there is no threat to the safety of students or staff in the alternative program.

(h) School officials shall not advise or encourage students to drop out voluntarily due to behavioral or academic difficulties.

(i) A student may not be issued a monetary fine or fee as a disciplinary consequence, though this shall not preclude requiring a student to provide restitution for lost, stolen, or damaged property.

(j) Subsections (a) through (i) of this Section shall apply to elementary and secondary schools, charter schools, special charter districts, and school districts organized under Article 34 of this Code.

(k) The expulsion of children enrolled in programs funded under Section 1C-2 of this Code is subject to the requirements under paragraph (7) of subsection (a) of Section 2-3.71 of this Code.

Sec. 14-8.02. Identification, evaluation, and placement of children.

(a) The State Board of Education shall make rules under which local school boards shall determine the eligibility of children to receive special education. Such rules shall ensure that a free appropriate public education be available to all children with disabilities as defined in Section 14-1.02. The State Board of Education shall require local school districts

to administer non-discriminatory procedures or tests to English learners coming from homes in which a language other than English is used to determine their eligibility to receive special education. The placement of low English proficiency students in special education programs and facilities shall be made in accordance with the test results reflecting the student's linguistic, cultural and special education needs. For purposes of determining the eligibility of children the State Board of Education shall include in the rules definitions of "case study", "staff conference", "individualized educational program", and "qualified specialist" appropriate to each category of children with disabilities as defined in this Article. For purposes of determining the eligibility of children from homes in which a language other than English is used, the State Board of Education shall include in the rules definitions for "qualified bilingual specialists" and "linguistically and culturally appropriate individualized educational programs". For purposes of this Section, as well as Sections 14-8.02a, 14-8.02b, and 14-8.02c of this Code, "parent" means a parent as defined in the federal Individuals with Disabilities Education Act (20 U.S.C. 1401(23)).

(b) No child shall be eligible for special education facilities except with a carefully completed case study fully reviewed by professional personnel in a multidisciplinary staff conference and only upon the recommendation of qualified specialists or a qualified bilingual specialist, if available. At the conclusion of the multidisciplinary staff conference, the parent of the child shall be given a copy of the multidisciplinary conference summary report and recommendations, which includes options considered, and be informed of their right to obtain an independent educational evaluation if they disagree with the evaluation findings conducted or obtained by the school district. If the school district's evaluation is shown to be inappropriate, the school district shall reimburse the parent for the cost of the independent evaluation. The State Board of Education shall, with advice from the State Advisory Council on Education of Children with Disabilities on the inclusion of specific independent educational evaluators, prepare a list of suggested independent educational evaluators. The State Board of Education shall include on the list clinical psychologists licensed pursuant to the Clinical Psychologist Licensing Act. Such psychologists shall not be paid fees in excess of the amount that would be received by a school psychologist for performing the same services. The State Board of Education shall supply school districts with such list and make the list available to parents at their

request. School districts shall make the list available to parents at the time they are informed of their right to obtain an independent educational evaluation. However, the school district may initiate an impartial due process hearing under this Section within 5 days of any written parent request for an independent educational evaluation to show that its evaluation is appropriate. If the final decision is that the evaluation is appropriate, the parent still has a right to an independent educational evaluation, but not at public expense. An independent educational evaluation at public expense must be completed within 30 days of a parent written request unless the school district initiates an impartial due process hearing or the parent or school district offers reasonable grounds to show that such 30 day time period should be extended. If the due process hearing decision indicates that the parent is entitled to an independent educational evaluation, it must be completed within 30 days of the decision unless the parent or the school district offers reasonable grounds to show that such 30 day period should be extended. If a parent disagrees with the summary report or recommendations of the multidisciplinary conference or the findings of any educational evaluation which results therefrom, the school district shall not proceed with a placement based upon such evaluation and the child shall remain in his or her regular classroom setting. No child shall be eligible for admission to a special class for children with a mental disability who are educable or for children with a mental disability who are trainable except with a psychological evaluation and recommendation by a school psychologist. Consent shall be obtained from the parent of a child before any evaluation is conducted. If consent is not given by the parent or if the parent disagrees with the findings of the evaluation, then the school district may initiate an impartial due process hearing under this Section. The school district may evaluate the child if that is the decision resulting from the impartial due process hearing and the decision is not appealed or if the decision is affirmed on appeal. The determination of eligibility shall be made and the IEP meeting shall be completed within 60 school days from the date of written parental consent. In those instances when written parental consent is obtained with fewer than 60 pupil attendance days left in the school year, the eligibility determination shall be made and the IEP meeting shall be completed prior to the first day of the following school year. Special education and related services must be provided in accordance with the student's IEP no later than 10 school attendance days after notice is provided to the parents pursuant to Section 300.503 of Title 34 of the Code of Federal Regulations.
and implementing rules adopted by the State Board of Education. The appropriate program pursuant to the individualized educational program of students whose native tongue is a language other than English shall reflect the special education, cultural and linguistic needs. No later than September 1, 1993, the State Board of Education shall establish standards for the development, implementation and monitoring of appropriate bilingual special individualized educational programs. The State Board of Education shall further incorporate appropriate monitoring procedures to verify implementation of these standards. The district shall indicate to the parent and the State Board of Education the nature of the services the child will receive for the regular school term while waiting placement in the appropriate special education class.

If the child is deaf, hard of hearing, blind, or visually impaired and he or she might be eligible to receive services from the Illinois School for the Deaf or the Illinois School for the Visually Impaired, the school district shall notify the parents, in writing, of the existence of these schools and the services they provide and shall make a reasonable effort to inform the parents of the existence of other, local schools that provide similar services and the services that these other schools provide. This notification shall include without limitation information on school services, school admissions criteria, and school contact information.

In the development of the individualized education program for a student who has a disability on the autism spectrum (which includes autistic disorder, Asperger's disorder, pervasive developmental disorder not otherwise specified, childhood disintegrative disorder, and Rett Syndrome, as defined in the Diagnostic and Statistical Manual of Mental Disorders, fourth edition (DSM-IV, 2000)), the IEP team shall consider all of the following factors:

1. The verbal and nonverbal communication needs of the child.
2. The need to develop social interaction skills and proficiencies.
3. The needs resulting from the child's unusual responses to sensory experiences.
4. The needs resulting from resistance to environmental change or change in daily routines.
5. The needs resulting from engagement in repetitive activities and stereotyped movements.

(6) The need for any positive behavioral interventions, strategies, and supports to address any behavioral difficulties resulting from autism spectrum disorder.

(7) Other needs resulting from the child's disability that impact progress in the general curriculum, including social and emotional development.

Public Act 95-257 does not create any new entitlement to a service, program, or benefit, but must not affect any entitlement to a service, program, or benefit created by any other law.

If the student may be eligible to participate in the Home-Based Support Services Program for Adults with Mental Disabilities authorized under the Developmental Disability and Mental Disability Services Act upon becoming an adult, the student's individualized education program shall include plans for (i) determining the student's eligibility for those home-based services, (ii) enrolling the student in the program of home-based services, and (iii) developing a plan for the student's most effective use of the home-based services after the student becomes an adult and no longer receives special educational services under this Article. The plans developed under this paragraph shall include specific actions to be taken by specified individuals, agencies, or officials.

(c) In the development of the individualized education program for a student who is functionally blind, it shall be presumed that proficiency in Braille reading and writing is essential for the student's satisfactory educational progress. For purposes of this subsection, the State Board of Education shall determine the criteria for a student to be classified as functionally blind. Students who are not currently identified as functionally blind who are also entitled to Braille instruction include: (i) those whose vision loss is so severe that they are unable to read and write at a level comparable to their peers solely through the use of vision, and (ii) those who show evidence of progressive vision loss that may result in functional blindness. Each student who is functionally blind shall be entitled to Braille reading and writing instruction that is sufficient to enable the student to communicate with the same level of proficiency as other students of comparable ability. Instruction should be provided to the extent that the student is physically and cognitively able to use Braille. Braille instruction may be used in combination with other special education services appropriate to the student's educational needs. The assessment of each student who is functionally blind for the purpose of developing the student's individualized education program shall include

New matter indicated by italics - deletions by strikeout
documentation of the student's strengths and weaknesses in Braille skills. Each person assisting in the development of the individualized education program for a student who is functionally blind shall receive information describing the benefits of Braille instruction. The individualized education program for each student who is functionally blind shall specify the appropriate learning medium or media based on the assessment report.

(d) To the maximum extent appropriate, the placement shall provide the child with the opportunity to be educated with children who do not have a disability; provided that children with disabilities who are recommended to be placed into regular education classrooms are provided with supplementary services to assist the children with disabilities to benefit from the regular classroom instruction and are included on the teacher's regular education class register. Subject to the limitation of the preceding sentence, placement in special classes, separate schools or other removal of the child with a disability from the regular educational environment shall occur only when the nature of the severity of the disability is such that education in the regular classes with the use of supplementary aids and services cannot be achieved satisfactorily. The placement of English learners with disabilities shall be in non-restrictive environments which provide for integration with peers who do not have disabilities in bilingual classrooms. Annually, each January, school districts shall report data on students from non-English speaking backgrounds receiving special education and related services in public and private facilities as prescribed in Section 2-3.30. If there is a disagreement between parties involved regarding the special education placement of any child, either in-state or out-of-state, the placement is subject to impartial due process procedures described in Article 10 of the Rules and Regulations to Govern the Administration and Operation of Special Education.

(e) No child who comes from a home in which a language other than English is the principal language used may be assigned to any class or program under this Article until he has been given, in the principal language used by the child and used in his home, tests reasonably related to his cultural environment. All testing and evaluation materials and procedures utilized for evaluation and placement shall not be linguistically, racially or culturally discriminatory.

(f) Nothing in this Article shall be construed to require any child to undergo any physical examination or medical treatment whose parents

New matter indicated by italics - deletions by strikeout
object thereto on the grounds that such examination or treatment conflicts with his religious beliefs.

(g) School boards or their designee shall provide to the parents of a child prior written notice of any decision (a) proposing to initiate or change, or (b) refusing to initiate or change, the identification, evaluation, or educational placement of the child or the provision of a free appropriate public education to their child, and the reasons therefor. Such written notification shall also inform the parent of the opportunity to present complaints with respect to any matter relating to the educational placement of the student, or the provision of a free appropriate public education and to have an impartial due process hearing on the complaint. The notice shall inform the parents in the parents' native language, unless it is clearly not feasible to do so, of their rights and all procedures available pursuant to this Act and the federal Individuals with Disabilities Education Improvement Act of 2004 (Public Law 108-446); it shall be the responsibility of the State Superintendent to develop uniform notices setting forth the procedures available under this Act and the federal Individuals with Disabilities Education Improvement Act of 2004 (Public Law 108-446) to be used by all school boards. The notice shall also inform the parents of the availability upon request of a list of free or low-cost legal and other relevant services available locally to assist parents in initiating an impartial due process hearing. The State Superintendent shall revise the uniform notices required by this subsection (g) to reflect current law and procedures at least once every 2 years. Any parent who is deaf, or does not normally communicate using spoken English, who participates in a meeting with a representative of a local educational agency for the purposes of developing an individualized educational program shall be entitled to the services of an interpreter.

(g-5) For purposes of this subsection (g-5), "qualified professional" means an individual who holds credentials to evaluate the child in the domain or domains for which an evaluation is sought or an intern working under the direct supervision of a qualified professional, including a master's or doctoral degree candidate.

To ensure that a parent can participate fully and effectively with school personnel in the development of appropriate educational and related services for his or her child, the parent, an independent educational evaluator, or a qualified professional retained by or on behalf of a parent or child must be afforded reasonable access to educational facilities, personnel, classrooms, and buildings and to the child as provided in this
subsection (g-5). The requirements of this subsection (g-5) apply to any public school facility, building, or program and to any facility, building, or program supported in whole or in part by public funds. Prior to visiting a school, school building, or school facility, the parent, independent educational evaluator, or qualified professional may be required by the school district to inform the building principal or supervisor in writing of the proposed visit, the purpose of the visit, and the approximate duration of the visit. The visitor and the school district shall arrange the visit or visits at times that are mutually agreeable. Visitors shall comply with school safety, security, and visitation policies at all times. School district visitation policies must not conflict with this subsection (g-5). Visitors shall be required to comply with the requirements of applicable privacy laws, including those laws protecting the confidentiality of education records such as the federal Family Educational Rights and Privacy Act and the Illinois School Student Records Act. The visitor shall not disrupt the educational process.

(1) A parent must be afforded reasonable access of sufficient duration and scope for the purpose of observing his or her child in the child's current educational placement, services, or program or for the purpose of visiting an educational placement or program proposed for the child.

(2) An independent educational evaluator or a qualified professional retained by or on behalf of a parent or child must be afforded reasonable access of sufficient duration and scope for the purpose of conducting an evaluation of the child, the child's performance, the child's current educational program, placement, services, or environment, or any educational program, placement, services, or environment proposed for the child, including interviews of educational personnel, child observations, assessments, tests or assessments of the child's educational program, services, or placement or of any proposed educational program, services, or placement. If one or more interviews of school personnel are part of the evaluation, the interviews must be conducted at a mutually agreed upon time, date, and place that do not interfere with the school employee's school duties. The school district may limit interviews to personnel having information relevant to the child's current educational services, program, or placement or to a proposed educational service, program, or placement.

Sec. 14-8.02a. Impartial due process hearing; civil action.

(a) This Section shall apply to all impartial due process hearings requested on or after July 1, 2005. Impartial due process hearings requested before July 1, 2005 shall be governed by the rules described in Public Act 89-652.

(a-5) For purposes of this Section and Section 14-8.02b of this Code, days shall be computed in accordance with Section 1.11 of the Statute on Statutes.

(b) The State Board of Education shall establish an impartial due process hearing system in accordance with this Section and may, with the advice and approval of the Advisory Council on Education of Children with Disabilities, promulgate rules and regulations consistent with this Section to establish the rules and procedures for due process hearings.

(c) (Blank).

(d) (Blank).

(e) (Blank).

(f) An impartial due process hearing shall be convened upon the request of a parent, student if at least 18 years of age or emancipated, or a school district. A school district shall make a request in writing to the State Board of Education and promptly mail a copy of the request to the parents or student (if at least 18 years of age or emancipated) at the parent's or student's last known address. A request made by the parent or student shall be made in writing to the superintendent of the school district where the student resides. The superintendent shall forward the request to the State Board of Education within 5 days after receipt of the request. The request shall be filed no more than 2 years following the date the person or school district knew or should have known of the event or events forming
the basis for the request. The request shall, at a minimum, contain all of the following:

(1) The name of the student, the address of the student's residence, and the name of the school the student is attending.

(2) In the case of homeless children (as defined under the federal McKinney-Vento Homeless Assistance Act (42 U.S.C. 11434a(2))), available contact information for the student and the name of the school the student is attending.

(3) A description of the nature of the problem relating to the actual or proposed placement, identification, services, or evaluation of the student, including facts relating to the problem.

(4) A proposed resolution of the problem to the extent known and available to the party at the time.

(f-5) Within 3 days after receipt of the hearing request, the State Board of Education shall appoint a due process hearing officer using a rotating appointment system and shall notify the hearing officer of his or her appointment.

For a school district other than a school district located in a municipality having a population exceeding 500,000, a hearing officer who is a current resident of the school district, special education cooperative, or other public entity involved in the hearing shall recuse himself or herself. A hearing officer who is a former employee of the school district, special education cooperative, or other public entity involved in the hearing shall immediately disclose the former employment to the parties and shall recuse himself or herself, unless the parties otherwise agree in writing. A hearing officer having a personal or professional interest that may conflict with his or her objectivity in the hearing shall disclose the conflict to the parties and shall recuse himself or herself unless the parties otherwise agree in writing. For purposes of this subsection an assigned hearing officer shall be considered to have a conflict of interest if, at any time prior to the issuance of his or her written decision, he or she knows or should know that he or she may receive remuneration from a party to the hearing within 3 years following the conclusion of the due process hearing.

A party to a due process hearing shall be permitted one substitution of hearing officer as a matter of right, in accordance with procedures established by the rules adopted by the State Board of Education under this Section. The State Board of Education shall randomly select and appoint another hearing officer within 3 days after receiving notice that the

New matter indicated by italics - deletions by strikeout
appointed hearing officer is ineligible to serve or upon receiving a proper request for substitution of hearing officer. If a party withdraws its request for a due process hearing after a hearing officer has been appointed, that hearing officer shall retain jurisdiction over a subsequent hearing that involves the same parties and is requested within one year from the date of withdrawal of the previous request, unless that hearing officer is unavailable.

Any party may raise facts that constitute a conflict of interest for the hearing officer at any time before or during the hearing and may move for recusal.

(g) Impartial due process hearings shall be conducted pursuant to this Section and any rules and regulations promulgated by the State Board of Education consistent with this Section and other governing laws and regulations. The hearing shall address only those issues properly raised in the hearing request under subsection (f) of this Section or, if applicable, in the amended hearing request under subsection (g-15) of this Section. The hearing shall be closed to the public unless the parents request that the hearing be open to the public. The parents involved in the hearing shall have the right to have the student who is the subject of the hearing present. The hearing shall be held at a time and place which are reasonably convenient to the parties involved. Upon the request of a party, the hearing officer shall hold the hearing at a location neutral to the parties if the hearing officer determines that there is no cost for securing the use of the neutral location. Once appointed, the impartial due process hearing officer shall not communicate with the State Board of Education or its employees concerning the hearing, except that, where circumstances require, communications for administrative purposes that do not deal with substantive or procedural matters or issues on the merits are authorized, provided that the hearing officer promptly notifies all parties of the substance of the communication as a matter of record.

(g-5) Unless the school district has previously provided prior written notice to the parent or student (if at least 18 years of age or emancipated) regarding the subject matter of the hearing request, the school district shall, within 10 days after receiving a hearing request initiated by a parent or student (if at least 18 years of age or emancipated), provide a written response to the request that shall include all of the following:

New matter indicated by italics - deletions by strikeout
(1) An explanation of why the school district proposed or refused to take the action or actions described in the hearing request.

(2) A description of other options the IEP team considered and the reasons why those options were rejected.

(3) A description of each evaluation procedure, assessment, record, report, or other evidence the school district used as the basis for the proposed or refused action or actions.

(4) A description of the factors that are or were relevant to the school district's proposed or refused action or actions.

(g-10) When the hearing request has been initiated by a school district, within 10 days after receiving the request, the parent or student (if at least 18 years of age or emancipated) shall provide the school district with a response that specifically addresses the issues raised in the school district's hearing request. The parent's or student's response shall be provided in writing, unless he or she is illiterate or has a disability that prevents him or her from providing a written response. The parent's or student's response may be provided in his or her native language, if other than English. In the event that illiteracy or another disabling condition prevents the parent or student from providing a written response, the school district shall assist the parent or student in providing the written response.

(g-15) Within 15 days after receiving notice of the hearing request, the non-requesting party may challenge the sufficiency of the request by submitting its challenge in writing to the hearing officer. Within 5 days after receiving the challenge to the sufficiency of the request, the hearing officer shall issue a determination of the challenge in writing to the parties. In the event that the hearing officer upholds the challenge, the party who requested the hearing may, with the consent of the non-requesting party or hearing officer, file an amended request. Amendments are permissible for the purpose of raising issues beyond those in the initial hearing request. In addition, the party who requested the hearing may amend the request once as a matter of right by filing the amended request within 5 days after filing the initial request. An amended request, other than an amended request as a matter of right, shall be filed by the date determined by the hearing officer, but in no event any later than 5 days prior to the date of the hearing. If an amended request, other than an amended request as a matter of right, raises issues that were not part of the initial request, the applicable

timeline for a hearing, including the timeline under subsection (g-20) of this Section, shall recommence.

(g-20) Within 15 days after receiving a request for a hearing from a parent or student (if at least 18 years of age or emancipated) or, in the event that the school district requests a hearing, within 15 days after initiating the request, the school district shall convene a resolution meeting with the parent and relevant members of the IEP team who have specific knowledge of the facts contained in the request for the purpose of resolving the problem that resulted in the request. The resolution meeting shall include a representative of the school district who has decision-making authority on behalf of the school district. Unless the parent is accompanied by an attorney at the resolution meeting, the school district may not include an attorney representing the school district.

The resolution meeting may not be waived unless agreed to in writing by the school district and the parent or student (if at least 18 years of age or emancipated) or the parent or student (if at least 18 years of age or emancipated) and the school district agree in writing to utilize mediation in place of the resolution meeting. If either party fails to cooperate in the scheduling or convening of the resolution meeting, the hearing officer may order an extension of the timeline for completion of the resolution meeting or, upon the motion of a party and at least 7 days after ordering the non-cooperating party to cooperate, order the dismissal of the hearing request or the granting of all relief set forth in the request, as appropriate.

In the event that the school district and the parent or student (if at least 18 years of age or emancipated) agree to a resolution of the problem that resulted in the hearing request, the terms of the resolution shall be committed to writing and signed by the parent or student (if at least 18 years of age or emancipated) and the representative of the school district with decision-making authority. The agreement shall be legally binding and shall be enforceable in any State or federal court of competent jurisdiction. In the event that the parties utilize the resolution meeting process, the process shall continue until no later than the 30th day following the receipt of the hearing request by the non-requesting party (or as properly extended by order of the hearing officer) to resolve the issues underlying the request, at which time the timeline for completion of the impartial due process hearing shall commence. The State Board of Education may, by rule, establish additional procedures for the conduct of resolution meetings.

(g-25) If mutually agreed to in writing, the parties to a hearing request may request State-sponsored mediation as a substitute for the resolution process described in subsection (g-20) of this Section or may utilize mediation at the close of the resolution process if all issues underlying the hearing request have not been resolved through the resolution process.

(g-30) If mutually agreed to in writing, the parties to a hearing request may waive the resolution process described in subsection (g-20) of this Section. Upon signing a written agreement to waive the resolution process, the parties shall be required to forward the written waiver to the hearing officer appointed to the case within 2 business days following the signing of the waiver by the parties. The timeline for the impartial due process hearing shall commence on the date of the signing of the waiver by the parties.

(g-35) The timeline for completing the impartial due process hearing, as set forth in subsection (h) of this Section, shall be initiated upon the occurrence of any one of the following events:

1. The unsuccessful completion of the resolution process as described in subsection (g-20) of this Section.
2. The mutual agreement of the parties to waive the resolution process as described in subsection (g-25) or (g-30) of this Section.

(g-40) The hearing officer shall convene a prehearing conference no later than 14 days before the scheduled date for the due process hearing for the general purpose of aiding in the fair, orderly, and expeditious conduct of the hearing. The hearing officer shall provide the parties with written notice of the prehearing conference at least 7 days in advance of the conference. The written notice shall require the parties to notify the hearing officer by a date certain whether they intend to participate in the prehearing conference. The hearing officer may conduct the prehearing conference in person or by telephone. Each party shall at the prehearing conference (1) disclose whether it is represented by legal counsel or intends to retain legal counsel; (2) clarify matters it believes to be in dispute in the case and the specific relief being sought; (3) disclose whether there are any additional evaluations for the student that it intends to introduce into the hearing record that have not been previously disclosed to the other parties; (4) disclose a list of all documents it intends to introduce into the hearing record, including the date and a brief description of each document; and (5) disclose the names of all witnesses

New matter indicated by italics - deletions by strikeout
it intends to call to testify at the hearing. The hearing officer shall specify the order of presentation to be used at the hearing. If the prehearing conference is held by telephone, the parties shall transmit the information required in this paragraph in such a manner that it is available to all parties at the time of the prehearing conference. The State Board of Education may, by rule, establish additional procedures for the conduct of prehearing conferences.

(g-45) The impartial due process hearing officer shall not initiate or participate in any ex parte communications with the parties, except to arrange the date, time, and location of the prehearing conference, due process hearing, or other status conferences convened at the discretion of the hearing officer and to receive confirmation of whether a party intends to participate in the prehearing conference.

(g-50) The parties shall disclose and provide to each other any evidence which they intend to submit into the hearing record no later than 5 days before the hearing. Any party to a hearing has the right to prohibit the introduction of any evidence at the hearing that has not been disclosed to that party at least 5 days before the hearing. The party requesting a hearing shall not be permitted at the hearing to raise issues that were not raised in the party's initial or amended request, unless otherwise permitted in this Section.

(g-55) All reasonable efforts must be made by the parties to present their respective cases at the hearing within a cumulative period of 7 days. When scheduling hearing dates, the hearing officer shall schedule the final day of the hearing no more than 30 calendar days after the first day of the hearing unless good cause is shown. This subsection (g-55) shall not be applied in a manner that (i) denies any party to the hearing a fair and reasonable allocation of time and opportunity to present its case in its entirety or (ii) deprives any party to the hearing of the safeguards accorded under the federal Individuals with Disabilities Education Improvement Act of 2004 (Public Law 108-446), regulations promulgated under the Individuals with Disabilities Education Improvement Act of 2004, or any other applicable law. The school district shall present evidence that the special education needs of the child have been appropriately identified and that the special education program and related services proposed to meet the needs of the child are adequate, appropriate, and available. Any party to the hearing shall have the right to (1) be represented by counsel and be accompanied and advised by individuals with special knowledge or training with respect to the problems of children with disabilities, at the

party's own expense; (2) present evidence and confront and cross-examine witnesses; (3) move for the exclusion of witnesses from the hearing until they are called to testify, provided, however, that this provision may not be invoked to exclude the individual designated by a party to assist that party or its representative in the presentation of the case; (4) obtain a written or electronic verbatim record of the proceedings within 30 days of receipt of a written request from the parents by the school district; and (5) obtain a written decision, including findings of fact and conclusions of law, within 10 days after the conclusion of the hearing. If at issue, the school district shall present evidence that it has properly identified and evaluated the nature and severity of the student's suspected or identified disability and that, if the student has been or should have been determined eligible for special education and related services, that it is providing or has offered a free appropriate public education to the student in the least restrictive environment, consistent with procedural safeguards and in accordance with an individualized educational program. At any time prior to the conclusion of the hearing, the impartial due process hearing officer shall have the authority to require additional information and order independent evaluations for the student at the expense of the school district. The State Board of Education and the school district shall share equally the costs of providing a written or electronic verbatim record of the proceedings. Any party may request that the due process hearing officer issue a subpoena to compel the testimony of witnesses or the production of documents relevant to the resolution of the hearing. Whenever a person refuses to comply with any subpoena issued under this Section, the circuit court of the county in which that hearing is pending, on application of the impartial hearing officer or the party requesting the issuance of the subpoena, may compel compliance through the contempt powers of the court in the same manner as if the requirements of a subpoena issued by the court had been disobeyed.

(h) The impartial hearing officer shall issue a written decision, including findings of fact and conclusions of law, within 10 days after the conclusion of the hearing and send by certified mail a copy of the decision to the parents or student (if the student requests the hearing), the school district, the director of special education, legal representatives of the parties, and the State Board of Education. Unless the hearing officer has granted specific extensions of time at the request of a party, a final decision, including the clarification of a decision requested under this subsection, shall be reached and mailed to the parties named above not

New matter indicated by italics - deletions by strikeout
later than 45 days after the initiation of the timeline for conducting the hearing, as described in subsection (g-35) of this Section. The decision shall specify the educational and related services that shall be provided to the student in accordance with the student's needs and the timeline for which the school district shall submit evidence to the State Board of Education to demonstrate compliance with the hearing officer's decision in the event that the decision orders the school district to undertake corrective action. The hearing officer shall retain jurisdiction for the sole purpose of considering a request for clarification of the final decision submitted in writing by a party to the impartial hearing officer within 5 days after receipt of the decision. A copy of the request for clarification shall specify the portions of the decision for which clarification is sought and shall be mailed to all parties of record and to the State Board of Education. The request shall operate to stay implementation of those portions of the decision for which clarification is sought, pending action on the request by the hearing officer, unless the parties otherwise agree. The hearing officer shall issue a clarification of the specified portion of the decision or issue a partial or full denial of the request in writing within 10 days of receipt of the request and mail copies to all parties to whom the decision was mailed. This subsection does not permit a party to request, or authorize a hearing officer to entertain, reconsideration of the decision itself. The statute of limitations for seeking review of the decision shall be tolled from the date the request is submitted until the date the hearing officer acts upon the request. The hearing officer's decision shall be binding upon the school district and the parents unless a civil action is commenced.

(i) Any party to an impartial due process hearing aggrieved by the final written decision of the impartial due process hearing officer shall have the right to commence a civil action with respect to the issues presented in the impartial due process hearing. That civil action shall be brought in any court of competent jurisdiction within 120 days after a copy of the decision of the impartial due process hearing officer is mailed to the party as provided in subsection (h). The civil action authorized by this subsection shall not be exclusive of any rights or causes of action otherwise available. The commencement of a civil action under this subsection shall operate as a supersedeas. In any action brought under this subsection the Court shall receive the records of the impartial due process hearing, shall hear additional evidence at the request of a party, and, basing its decision on the preponderance of the evidence, shall grant such relief as the court determines is appropriate. In any instance where a

school district willfully disregards applicable regulations or statutes regarding a child covered by this Article, and which disregard has been detrimental to the child, the school district shall be liable for any reasonable attorney's fees incurred by the parent in connection with proceedings under this Section.

(j) During the pendency of any administrative or judicial proceeding conducted pursuant to this Section, including mediation (if the school district or other public entity voluntarily agrees to participate in mediation), unless the school district and the parents or student (if at least 18 years of age or emancipated) otherwise agree, the student shall remain in his or her present educational placement and continue in his or her present eligibility status and special education and related services, if any. If mediation fails to resolve the dispute between the parties, or if the parties do not agree to use mediation, the parent (or student if 18 years of age or older or emancipated) shall have 10 days after the mediation concludes, or after a party declines to use mediation, to file a request for a due process hearing in order to continue to invoke the "stay-put" provisions of this subsection (j). If applying for initial admission to the school district, the student shall, with the consent of the parents (if the student is not at least 18 years of age or emancipated), be placed in the school district program until all such proceedings have been completed. The costs for any special education and related services or placement incurred following 60 school days after the initial request for evaluation shall be borne by the school district if the services or placement is in accordance with the final determination as to the special education and related services or placement that must be provided to the child, provided that during that 60-day period there have been no delays caused by the child's parent. The requirements and procedures of this subsection (j) shall be included in the uniform notices developed by the State Superintendent under subsection (g) of Section 14-8.02 of this Code.

(k) Whenever the parents of a child of the type described in Section 14-1.02 are not known or are unavailable; or the child is a youth in care as defined in Section 4d of the Children and Family Services Act, a person shall be assigned to serve as surrogate parent for the child in matters relating to the identification, evaluation, and educational placement of the child and the provision of a free appropriate public education to the child. Persons shall be assigned as surrogate parents by the State Superintendent of Education. The State Board of Education shall promulgate rules and regulations establishing qualifications of those persons and their

New matter indicated by italics - deletions by strikeout
responsibilities and the procedures to be followed in making assignments of persons as surrogate parents. Surrogate parents shall not be employees of the school district, an agency created by joint agreement under Section 10-22.31, an agency involved in the education or care of the student, or the State Board of Education. Services of any person assigned as surrogate parent shall terminate if the parent becomes available unless otherwise requested by the parents. The assignment of a person as surrogate parent at no time supersedes, terminates, or suspends the parents' legal authority relative to the child. Any person participating in good faith as surrogate parent on behalf of the child before school officials or a hearing officer shall have immunity from civil or criminal liability that otherwise might result by reason of that participation, except in cases of willful and wanton misconduct.

(l) At all stages of the hearing, the hearing officer shall require that interpreters be made available by the school district for persons who are deaf or for persons whose normally spoken language is other than English.

(m) If any provision of this Section or its application to any person or circumstance is held invalid, the invalidity of that provision or application does not affect other provisions or applications of the Section that can be given effect without the invalid application or provision, and to this end the provisions of this Section are severable, unless otherwise provided by this Section.

Sec. 14-13.01. Reimbursement payable by State; amounts for personnel and transportation.

(a) Through fiscal year 2017, for staff working on behalf of children who have not been identified as eligible for special education and for eligible children with physical disabilities, including all eligible children whose placement has been determined under Section 14-8.02 in hospital or home instruction, 1/2 of the teacher's salary but not more than $1,000 annually per child or $9,000 per teacher, whichever is less.

(a-5) A child qualifies for home or hospital instruction if it is anticipated that, due to a medical condition, the child will be unable to attend school, and instead must be instructed at home or in the hospital, for a period of 2 or more consecutive weeks or on an ongoing intermittent basis. For purposes of this Section, "ongoing intermittent basis" means that the child's medical condition is of such a nature or severity that it is

New matter indicated by italics - deletions by strikeout
anticipated that the child will be absent from school due to the medical condition for periods of at least 2 days at a time multiple times during the school year totaling at least 10 days or more of absences. There shall be no requirement that a child be absent from school a minimum number of days before the child qualifies for home or hospital instruction. In order to establish eligibility for home or hospital services, a student's parent or guardian must submit to the child's school district of residence a written statement from a physician licensed to practice medicine in all of its branches, a licensed physician assistant, or a licensed advanced practice registered nurse stating the existence of such medical condition, the impact on the child's ability to participate in education, and the anticipated duration or nature of the child's absence from school. Home or hospital instruction may commence upon receipt of a written physician's, physician assistant's, or advanced practice registered nurse's statement in accordance with this Section, but instruction shall commence not later than 5 school days after the school district receives the physician's, physician assistant's, or advanced practice registered nurse's statement. Special education and related services required by the child's IEP or services and accommodations required by the child's federal Section 504 plan must be implemented as part of the child's home or hospital instruction, unless the IEP team or federal Section 504 plan team determines that modifications are necessary during the home or hospital instruction due to the child's condition.

(a-10) Through fiscal year 2017, eligible children to be included in any reimbursement under this paragraph must regularly receive a minimum of one hour of instruction each school day, or in lieu thereof of a minimum of 5 hours of instruction in each school week in order to qualify for full reimbursement under this Section. If the attending physician, physician assistant, or advanced practice registered nurse for such a child has certified that the child should not receive as many as 5 hours of instruction in a school week, however, reimbursement under this paragraph on account of that child shall be computed proportionate to the actual hours of instruction per week for that child divided by 5.

(a-15) The State Board of Education shall establish rules governing the required qualifications of staff providing home or hospital instruction.

(b) For children described in Section 14-1.02, 80% of the cost of transportation approved as a related service in the Individualized Education Program for each student in order to take advantage of special educational facilities. Transportation costs shall be determined in the same

fashion as provided in Section 29-5 of this Code. For purposes of this subsection (b), the dates for processing claims specified in Section 29-5 shall apply.

(c) Through fiscal year 2017, for each qualified worker, the annual sum of $9,000.

(d) Through fiscal year 2017, for one full-time full-time qualified director of the special education program of each school district which maintains a fully approved program of special education, the annual sum of $9,000. Districts participating in a joint agreement special education program shall not receive such reimbursement if reimbursement is made for a director of the joint agreement program.

(e) (Blank).

(f) (Blank).

(g) Through fiscal year 2017, for readers; working with blind or partially seeing children, 1/2 of their salary but not more than $400 annually per child. Readers may be employed to assist such children and shall not be required to be certified but prior to employment shall meet standards set up by the State Board of Education.

(h) Through fiscal year 2017, for non-certified employees, as defined by rules promulgated by the State Board of Education, who deliver services to students with IEPs, 1/2 of the salary paid or $3,500 per employee, whichever is less.

(i) The State Board of Education shall set standards and prescribe rules for determining the allocation of reimbursement under this section on less than a full time basis and for less than a school year.

When any school district eligible for reimbursement under this Section operates a school or program approved by the State Superintendent of Education for a number of days in excess of the adopted school calendar but not to exceed 235 school days, such reimbursement shall be increased by 1/180 of the amount or rate paid hereunder for each day such school is operated in excess of 180 days per calendar year.

Notwithstanding any other provision of law, any school district receiving a payment under this Section or under Section 14-7.02, 14-7.02b, or 29-5 of this Code may classify all or a portion of the funds that it receives in a particular fiscal year or from evidence-based funding pursuant to Section 18-8.15 of this Code as funds received in connection with any funding program for which it is entitled to receive funds from the State in that fiscal year (including, without limitation, any funding program referenced in this Section), regardless of the source or timing of

New matter indicated by italics - deletions by strikeout
the receipt. The district may not classify more funds as funds received in connection with the funding program than the district is entitled to receive in that fiscal year for that program. Any classification by a district must be made by a resolution of its board of education. The resolution must identify the amount of any payments or evidence-based funding to be classified under this paragraph and must specify the funding program to which the funds are to be treated as received in connection therewith. This resolution is controlling as to the classification of funds referenced therein. A certified copy of the resolution must be sent to the State Superintendent of Education. The resolution shall still take effect even though a copy of the resolution has not been sent to the State Superintendent of Education in a timely manner. No classification under this paragraph by a district shall affect the total amount or timing of money the district is entitled to receive under this Code. No classification under this paragraph by a district shall in any way relieve the district from or affect any requirements that otherwise would apply with respect to that funding program, including any accounting of funds by source, reporting expenditures by original source and purpose, reporting requirements, or requirements of providing services.

No funding shall be provided to school districts under this Section after fiscal year 2017. In fiscal year 2018 and each fiscal year thereafter, all funding received by a school district from the State pursuant to Section 18-8.15 of this Code that is attributable to personnel reimbursements for special education pupils must be used for special education services authorized under this Code.

Sec. 18-8.05. Basis for apportionment of general State financial aid and supplemental general State aid to the common schools for the 1998-1999 through the 2016-2017 school years.

(A) General Provisions.

(1) The provisions of this Section relating to the calculation and apportionment of general State financial aid and supplemental general State aid apply to the 1998-1999 through the 2016-2017 school years. The system of general State financial aid provided for in this Section is designed to assure that, through a combination of State financial aid and required local resources, the financial support provided each pupil in Average Daily Attendance equals or exceeds a prescribed per pupil Foundation Level. This formula approach imputes a level of per pupil Available Local Resources and provides for the basis to calculate a per pupil level of general State financial aid that, when added to Available Local Resources, equals or exceeds the Foundation Level. The amount of per pupil general State financial aid for school districts, in general, varies in inverse relation to Available Local Resources. Per pupil amounts are based upon each school district's Average Daily Attendance as that term is defined in this Section.

(2) In addition to general State financial aid, school districts with specified levels or concentrations of pupils from low income households are eligible to receive supplemental general State financial aid grants as provided pursuant to subsection (H). The supplemental State aid grants provided for school districts under subsection (H) shall be appropriated for distribution to school districts as part of the same line item in which the

New matter indicated by italics - deletions by strikeout
general State financial aid of school districts is appropriated under this Section.

(3) To receive financial assistance under this Section, school districts are required to file claims with the State Board of Education, subject to the following requirements:

(a) Any school district which fails for any given school year to maintain school as required by law, or to maintain a recognized school is not eligible to file for such school year any claim upon the Common School Fund. In case of nonrecognition of one or more attendance centers in a school district otherwise operating recognized schools, the claim of the district shall be reduced in the proportion which the Average Daily Attendance in the attendance center or centers bear to the Average Daily Attendance in the school district. A "recognized school" means any public school which meets the standards as established for recognition by the State Board of Education. A school district or attendance center not having recognition status at the end of a school term is entitled to receive State aid payments due upon a legal claim which was filed while it was recognized.

(b) School district claims filed under this Section are subject to Sections 18-9 and 18-12, except as otherwise provided in this Section.

(c) If a school district operates a full year school under Section 10-19.1, the general State aid to the school district shall be determined by the State Board of Education in accordance with this Section as near as may be applicable.

(d) (Blank).

(4) Except as provided in subsections (H) and (L), the board of any district receiving any of the grants provided for in this Section may apply those funds to any fund so received for which that board is authorized to make expenditures by law.

School districts are not required to exert a minimum Operating Tax Rate in order to qualify for assistance under this Section.

(5) As used in this Section the following terms, when capitalized, shall have the meaning ascribed herein:

(a) "Average Daily Attendance": A count of pupil attendance in school, averaged as provided for in subsection (C) and utilized in deriving per pupil financial support levels.

New matter indicated by italics - deletions by strikeout
(b) "Available Local Resources": A computation of local financial support, calculated on the basis of Average Daily Attendance and derived as provided pursuant to subsection (D).

(c) "Corporate Personal Property Replacement Taxes": Funds paid to local school districts pursuant to "An Act in relation to the abolition of ad valorem personal property tax and the replacement of revenues lost thereby, and amending and repealing certain Acts and parts of Acts in connection therewith", certified August 14, 1979, as amended (Public Act 81-1st S.S.-1).

(d) "Foundation Level": A prescribed level of per pupil financial support as provided for in subsection (B).

(e) "Operating Tax Rate": All school district property taxes extended for all purposes, except Bond and Interest, Summer School, Rent, Capital Improvement, and Vocational Education Building purposes.

(B) Foundation Level.

(1) The Foundation Level is a figure established by the State representing the minimum level of per pupil financial support that should be available to provide for the basic education of each pupil in Average Daily Attendance. As set forth in this Section, each school district is assumed to exert a sufficient local taxing effort such that, in combination with the aggregate of general State financial aid provided the district, an aggregate of State and local resources are available to meet the basic education needs of pupils in the district.

(2) For the 1998-1999 school year, the Foundation Level of support is $4,225. For the 1999-2000 school year, the Foundation Level of support is $4,325. For the 2000-2001 school year, the Foundation Level of support is $4,425. For the 2001-2002 school year and 2002-2003 school year, the Foundation Level of support is $4,560. For the 2003-2004 school year, the Foundation Level of support is $4,810. For the 2004-2005 school year, the Foundation Level of support is $4,964. For the 2005-2006 school year, the Foundation Level of support is $5,164. For the 2006-2007 school year, the Foundation Level of support is $5,334. For the 2007-2008 school year, the Foundation Level of support is $5,734. For the 2008-2009 school year, the Foundation Level of support is $5,959.

(3) For the 2009-2010 school year and each school year thereafter, the Foundation Level of support is $6,119 or such greater amount as may be established by law by the General Assembly.

(C) Average Daily Attendance.
(1) For purposes of calculating general State aid pursuant to subsection (E), an Average Daily Attendance figure shall be utilized. The Average Daily Attendance figure for formula calculation purposes shall be the monthly average of the actual number of pupils in attendance of each school district, as further averaged for the best 3 months of pupil attendance for each school district. In compiling the figures for the number of pupils in attendance, school districts and the State Board of Education shall, for purposes of general State aid funding, conform attendance figures to the requirements of subsection (F).

(2) The Average Daily Attendance figures utilized in subsection (E) shall be the requisite attendance data for the school year immediately preceding the school year for which general State aid is being calculated or the average of the attendance data for the 3 preceding school years, whichever is greater. The Average Daily Attendance figures utilized in subsection (H) shall be the requisite attendance data for the school year immediately preceding the school year for which general State aid is being calculated.

(D) Available Local Resources.

(1) For purposes of calculating general State aid pursuant to subsection (E), a representation of Available Local Resources per pupil, as that term is defined and determined in this subsection, shall be utilized. Available Local Resources per pupil shall include a calculated dollar amount representing local school district revenues from local property taxes and from Corporate Personal Property Replacement Taxes, expressed on the basis of pupils in Average Daily Attendance. Calculation of Available Local Resources shall exclude any tax amnesty funds received as a result of Public Act 93-26.

(2) In determining a school district's revenue from local property taxes, the State Board of Education shall utilize the equalized assessed valuation of all taxable property of each school district as of September 30 of the previous year. The equalized assessed valuation utilized shall be obtained and determined as provided in subsection (G).

(3) For school districts maintaining grades kindergarten through 12, local property tax revenues per pupil shall be calculated as the product of the applicable equalized assessed valuation for the district multiplied by 3.00%, and divided by the district's Average Daily Attendance figure. For school districts maintaining grades kindergarten through 8, local property tax revenues per pupil shall be calculated as the product of the applicable equalized assessed valuation for the district multiplied by 2.30%, and
divided by the district's Average Daily Attendance figure. For school
districts maintaining grades 9 through 12, local property tax revenues per
pupil shall be the applicable equalized assessed valuation of the district
multiplied by 1.05%, and divided by the district's Average Daily
Attendance figure.

For partial elementary unit districts created pursuant to Article 11E
of this Code, local property tax revenues per pupil shall be calculated as
the product of the equalized assessed valuation for property within the
partial elementary unit district for elementary purposes, as defined in
Article 11E of this Code, multiplied by 2.06% and divided by the district's
Average Daily Attendance figure, plus the product of the equalized
assessed valuation for property within the partial elementary unit district
for high school purposes, as defined in Article 11E of this Code,
multiplied by 0.94% and divided by the district's Average Daily
Attendance figure.

(4) The Corporate Personal Property Replacement Taxes paid to
each school district during the calendar year one year before the calendar
year in which a school year begins, divided by the Average Daily
Attendance figure for that district, shall be added to the local property tax
revenues per pupil as derived by the application of the immediately
preceding paragraph (3). The sum of these per pupil figures for each
school district shall constitute Available Local Resources as that term is
utilized in subsection (E) in the calculation of general State aid.

(E) Computation of General State Aid.

(1) For each school year, the amount of general State aid allotted to
a school district shall be computed by the State Board of Education as
provided in this subsection.

(2) For any school district for which Available Local Resources per
pupil is less than the product of 0.93 times the Foundation Level, general
State aid for that district shall be calculated as an amount equal to the
Foundation Level minus Available Local Resources, multiplied by the
Average Daily Attendance of the school district.

(3) For any school district for which Available Local Resources per
pupil is equal to or greater than the product of 0.93 times the Foundation
Level and less than the product of 1.75 times the Foundation Level, the
general State aid per pupil shall be a decimal proportion of the Foundation
Level derived using a linear algorithm. Under this linear algorithm, the
calculated general State aid per pupil shall decline in direct linear fashion
from 0.07 times the Foundation Level for a school district with Available

Local Resources equal to the product of 0.93 times the Foundation Level, to 0.05 times the Foundation Level for a school district with Available Local Resources equal to the product of 1.75 times the Foundation Level. The allocation of general State aid for school districts subject to this paragraph 3 shall be the calculated general State aid per pupil figure multiplied by the Average Daily Attendance of the school district.

(4) For any school district for which Available Local Resources per pupil equals or exceeds the product of 1.75 times the Foundation Level, the general State aid for the school district shall be calculated as the product of $218 multiplied by the Average Daily Attendance of the school district.

(5) The amount of general State aid allocated to a school district for the 1999-2000 school year meeting the requirements set forth in paragraph (4) of subsection (G) shall be increased by an amount equal to the general State aid that would have been received by the district for the 1998-1999 school year by utilizing the Extension Limitation Equalized Assessed Valuation as calculated in paragraph (4) of subsection (G) less the general State aid allotted for the 1998-1999 school year. This amount shall be deemed a one time increase, and shall not affect any future general State aid allocations.

(F) Compilation of Average Daily Attendance.

(1) Each school district shall, by July 1 of each year, submit to the State Board of Education, on forms prescribed by the State Board of Education, attendance figures for the school year that began in the preceding calendar year. The attendance information so transmitted shall identify the average daily attendance figures for each month of the school year for each grade level served. Beginning with the general State aid claim form for the 2002-2003 school year, districts shall calculate Average Daily Attendance as provided in subdivisions (a), (b), and (c) of this paragraph (1).

(a) In districts that do not hold year-round classes, days of attendance in August shall be added to the month of September and any days of attendance in June shall be added to the month of May.

(b) In districts in which all buildings hold year-round classes, days of attendance in July and August shall be added to the month of September and any days of attendance in June shall be added to the month of May.

(c) In districts in which some buildings, but not all, hold year-round classes, for the non-year-round buildings, days of
attendance in August shall be added to the month of September and any days of attendance in June shall be added to the month of May. The average daily attendance for the year-round buildings shall be computed as provided in subdivision (b) of this paragraph (1). To calculate the Average Daily Attendance for the district, the average daily attendance for the year-round buildings shall be multiplied by the days in session for the non-year-round buildings for each month and added to the monthly attendance of the non-year-round buildings.

Except as otherwise provided in this Section, days of attendance by pupils shall be counted only for sessions of not less than 5 clock hours of school work per day under direct supervision of: (i) teachers, or (ii) non-teaching personnel or volunteer personnel when engaging in non-teaching duties and supervising in those instances specified in subsection (a) of Section 10-22.34 and paragraph 10 of Section 34-18, with pupils of legal school age and in kindergarten and grades 1 through 12. Days of attendance by pupils through verified participation in an e-learning program approved by the State Board of Education under Section 10-20.56 of the Code shall be considered as full days of attendance for purposes of this Section.

Days of attendance by tuition pupils shall be accredited only to the districts that pay the tuition to a recognized school.

(2) Days of attendance by pupils of less than 5 clock hours of school shall be subject to the following provisions in the compilation of Average Daily Attendance.

(a) Pupils regularly enrolled in a public school for only a part of the school day may be counted on the basis of 1/6 day for every class hour of instruction of 40 minutes or more attended pursuant to such enrollment, unless a pupil is enrolled in a block-schedule format of 80 minutes or more of instruction, in which case the pupil may be counted on the basis of the proportion of minutes of school work completed each day to the minimum number of minutes that school work is required to be held that day.

(b) (Blank).

(c) A session of 4 or more clock hours may be counted as a day of attendance upon certification by the regional superintendent, and approved by the State Superintendent of Education to the extent that the district has been forced to use daily multiple sessions.

New matter indicated by italics - deletions by strikeout
(d) A session of 3 or more clock hours may be counted as a day of attendance (1) when the remainder of the school day or at least 2 hours in the evening of that day is utilized for an in-service training program for teachers, up to a maximum of 5 days per school year, provided a district conducts an in-service training program for teachers in accordance with Section 10-22.39 of this Code; or, in lieu of 4 such days, 2 full days may be used, in which event each such day may be counted as a day required for a legal school calendar pursuant to Section 10-19 of this Code; (1.5) when, of the 5 days allowed under item (1), a maximum of 4 days are used for parent-teacher conferences, or, in lieu of 4 such days, 2 full days are used, in which case each such day may be counted as a calendar day required under Section 10-19 of this Code, provided that the full-day, parent-teacher conference consists of (i) a minimum of 5 clock hours of parent-teacher conferences, (ii) both a minimum of 2 clock hours of parent-teacher conferences held in the evening following a full day of student attendance, as specified in subsection (F)(1)(c), and a minimum of 3 clock hours of parent-teacher conferences held on the day immediately following evening parent-teacher conferences, or (iii) multiple parent-teacher conferences held in the evenings following full days of student attendance, as specified in subsection (F)(1)(c), in which the time used for the parent-teacher conferences is equivalent to a minimum of 5 clock hours; and (2) when days in addition to those provided in items (1) and (1.5) are scheduled by a school pursuant to its school improvement plan adopted under Article 34 or its revised or amended school improvement plan adopted under Article 2, provided that (i) such sessions of 3 or more clock hours are scheduled to occur at regular intervals, (ii) the remainder of the school days in which such sessions occur are utilized for in-service training programs or other staff development activities for teachers, and (iii) a sufficient number of minutes of school work under the direct supervision of teachers are added to the school days between such regularly scheduled sessions to accumulate not less than the number of minutes by which such sessions of 3 or more clock hours fall short of 5 clock hours. Any full days used for the purposes of this paragraph shall not be considered for computing average daily attendance. Days scheduled for in-service training programs, staff development activities, or parent-teacher
conferences may be scheduled separately for different grade levels and different attendance centers of the district.

(e) A session of not less than one clock hour of teaching hospitalized or homebound pupils on-site or by telephone to the classroom may be counted as 1/2 day of attendance, however these pupils must receive 4 or more clock hours of instruction to be counted for a full day of attendance.

(f) A session of at least 4 clock hours may be counted as a day of attendance for first grade pupils, and pupils in full day kindergartens, and a session of 2 or more hours may be counted as 1/2 day of attendance by pupils in kindergartens which provide only 1/2 day of attendance.

(g) For children with disabilities who are below the age of 6 years and who cannot attend 2 or more clock hours because of their disability or immaturity, a session of not less than one clock hour may be counted as 1/2 day of attendance; however for such children whose educational needs so require a session of 4 or more clock hours may be counted as a full day of attendance.

(h) A recognized kindergarten which provides for only 1/2 day of attendance by each pupil shall not have more than 1/2 day of attendance counted in any one day. However, kindergartens may count 2 1/2 days of attendance in any 5 consecutive school days. When a pupil attends such a kindergarten for 2 half days on any one school day, the pupil shall have the following day as a day absent from school, unless the school district obtains permission in writing from the State Superintendent of Education. Attendance at kindergartens which provide for a full day of attendance by each pupil shall be counted the same as attendance by first grade pupils. Only the first year of attendance in one kindergarten shall be counted, except in case of children who entered the kindergarten in their fifth year whose educational development requires a second year of kindergarten as determined under the rules and regulations of the State Board of Education.

(i) On the days when the assessment that includes a college and career ready determination is administered under subsection (c) of Section 2-3.64a-5 of this Code, the day of attendance for a pupil whose school day must be shortened to accommodate required testing procedures may be less than 5 clock hours and shall be counted towards the 176 days of actual pupil attendance.
required under Section 10-19 of this Code, provided that a sufficient number of minutes of school work in excess of 5 clock hours are first completed on other school days to compensate for the loss of school work on the examination days.

(j) Pupils enrolled in a remote educational program established under Section 10-29 of this Code may be counted on the basis of one-fifth day of attendance for every clock hour of instruction attended in the remote educational program, provided that, in any month, the school district may not claim for a student enrolled in a remote educational program more days of attendance than the maximum number of days of attendance the district can claim (i) for students enrolled in a building holding year-round classes if the student is classified as participating in the remote educational program on a year-round schedule or (ii) for students enrolled in a building not holding year-round classes if the student is not classified as participating in the remote educational program on a year-round schedule.

(G) Equalized Assessed Valuation Data.

(1) For purposes of the calculation of Available Local Resources required pursuant to subsection (D), the State Board of Education shall secure from the Department of Revenue the value as equalized or assessed by the Department of Revenue of all taxable property of every school district, together with (i) the applicable tax rate used in extending taxes for the funds of the district as of September 30 of the previous year and (ii) the limiting rate for all school districts subject to property tax extension limitations as imposed under the Property Tax Extension Limitation Law.

The Department of Revenue shall add to the equalized assessed value of all taxable property of each school district situated entirely or partially within a county that is or was subject to the provisions of Section 15-176 or 15-177 of the Property Tax Code (a) an amount equal to the total amount by which the homestead exemption allowed under Section 15-176 or 15-177 of the Property Tax Code for real property situated in that school district exceeds the total amount that would have been allowed in that school district if the maximum reduction under Section 15-176 was (i) $4,500 in Cook County or $3,500 in all other counties in tax year 2003 or (ii) $5,000 in all counties in tax year 2004 and thereafter and (b) an amount equal to the aggregate amount for the taxable year of all additional exemptions under Section 15-175 of the Property Tax Code for owners with a household income of $30,000 or less. The county clerk of any

county that is or was subject to the provisions of Section 15-176 or 15-177 of the Property Tax Code shall annually calculate and certify to the Department of Revenue for each school district all homestead exemption amounts under Section 15-176 or 15-177 of the Property Tax Code and all amounts of additional exemptions under Section 15-175 of the Property Tax Code for owners with a household income of $30,000 or less. It is the intent of this paragraph that if the general homestead exemption for a parcel of property is determined under Section 15-176 or 15-177 of the Property Tax Code rather than Section 15-175, then the calculation of Available Local Resources shall not be affected by the difference, if any, between the amount of the general homestead exemption allowed for that parcel of property under Section 15-176 or 15-177 of the Property Tax Code and the amount that would have been allowed had the general homestead exemption for that parcel of property been determined under Section 15-175 of the Property Tax Code. It is further the intent of this paragraph that if additional exemptions are allowed under Section 15-175 of the Property Tax Code for owners with a household income of less than $30,000, then the calculation of Available Local Resources shall not be affected by the difference, if any, because of those additional exemptions.

This equalized assessed valuation, as adjusted further by the requirements of this subsection, shall be utilized in the calculation of Available Local Resources.

(2) The equalized assessed valuation in paragraph (1) shall be adjusted, as applicable, in the following manner:

   (a) For the purposes of calculating State aid under this Section, with respect to any part of a school district within a redevelopment project area in respect to which a municipality has adopted tax increment allocation financing pursuant to the Tax Increment Allocation Redevelopment Act, Sections 11-74.4-1 through 11-74.4-11 of the Illinois Municipal Code or the Industrial Jobs Recovery Law, Sections 11-74.6-1 through 11-74.6-50 of the Illinois Municipal Code, no part of the current equalized assessed valuation of real property located in any such project area which is attributable to an increase above the total initial equalized assessed valuation of such property shall be used as part of the equalized assessed valuation of the district, until such time as all redevelopment project costs have been paid, as provided in Section 11-74.4-8 of the Tax Increment Allocation Redevelopment Act or in Section 11-74.6-35 of the Industrial Jobs Recovery Law. For the

New matter indicated by italics - deletions by strikeout
purpose of the equalized assessed valuation of the district, the total initial equalized assessed valuation or the current equalized assessed valuation, whichever is lower, shall be used until such time as all redevelopment project costs have been paid.

(b) The real property equalized assessed valuation for a school district shall be adjusted by subtracting from the real property value as equalized or assessed by the Department of Revenue for the district an amount computed by dividing the amount of any abatement of taxes under Section 18-170 of the Property Tax Code by 3.00% for a district maintaining grades kindergarten through 12, by 2.30% for a district maintaining grades kindergarten through 8, or by 1.05% for a district maintaining grades 9 through 12 and adjusted by an amount computed by dividing the amount of any abatement of taxes under subsection (a) of Section 18-165 of the Property Tax Code by the same percentage rates for district type as specified in this subparagraph (b).

(3) For the 1999-2000 school year and each school year thereafter, if a school district meets all of the criteria of this subsection (G)(3), the school district's Available Local Resources shall be calculated under subsection (D) using the district's Extension Limitation Equalized Assessed Valuation as calculated under this subsection (G)(3).

For purposes of this subsection (G)(3) the following terms shall have the following meanings:

"Budget Year": The school year for which general State aid is calculated and awarded under subsection (E).

"Base Tax Year": The property tax levy year used to calculate the Budget Year allocation of general State aid.

"Preceding Tax Year": The property tax levy year immediately preceding the Base Tax Year.

"Base Tax Year's Tax Extension": The product of the equalized assessed valuation utilized by the County Clerk in the Base Tax Year multiplied by the limiting rate as calculated by the County Clerk and defined in the Property Tax Extension Limitation Law.

"Preceding Tax Year's Tax Extension": The product of the equalized assessed valuation utilized by the County Clerk in the Preceding Tax Year multiplied by the Operating Tax Rate as defined in subsection (A).
"Extension Limitation Ratio": A numerical ratio, certified by the County Clerk, in which the numerator is the Base Tax Year's Tax Extension and the denominator is the Preceding Tax Year's Tax Extension.

"Operating Tax Rate": The operating tax rate as defined in subsection (A).

If a school district is subject to property tax extension limitations as imposed under the Property Tax Extension Limitation Law, the State Board of Education shall calculate the Extension Limitation Equalized Assessed Valuation of that district. For the 1999-2000 school year, the Extension Limitation Equalized Assessed Valuation of a school district as calculated by the State Board of Education shall be equal to the product of the district's 1996 Equalized Assessed Valuation and the district's Extension Limitation Ratio. Except as otherwise provided in this paragraph for a school district that has approved or does approve an increase in its limiting rate, for the 2000-2001 school year and each school year thereafter, the Extension Limitation Equalized Assessed Valuation of a school district as calculated by the State Board of Education shall be equal to the product of the Equalized Assessed Valuation last used in the calculation of general State aid and the district's Extension Limitation Ratio. If the Extension Limitation Equalized Assessed Valuation of a school district as calculated under this subsection (G)(3) is less than the district's equalized assessed valuation as calculated pursuant to subsections (G)(1) and (G)(2), then for purposes of calculating the district's general State aid for the Budget Year pursuant to subsection (E), that Extension Limitation Equalized Assessed Valuation shall be utilized to calculate the district's Available Local Resources under subsection (D). For the 2009-2010 school year and each school year thereafter, if a school district has approved or does approve an increase in its limiting rate, pursuant to Section 18-190 of the Property Tax Code, affecting the Base Tax Year, the Extension Limitation Equalized Assessed Valuation of the school district, as calculated by the State Board of Education, shall be equal to the product of the Equalized Assessed Valuation last used in the calculation of general State aid times an amount equal to one plus the percentage increase, if any, in the Consumer Price Index for all Urban Consumers for all items published by the United States Department of Labor for the 12-month calendar year preceding the Base Tax Year, plus the Equalized Assessed Valuation of new property, annexed property, and recovered tax increment value and minus the Equalized Assessed Valuation of disconnected
property. New property and recovered tax increment value shall have the meanings set forth in the Property Tax Extension Limitation Law.

Partial elementary unit districts created in accordance with Article 11E of this Code shall not be eligible for the adjustment in this subsection (G)(3) until the fifth year following the effective date of the reorganization.

(3.5) For the 2010-2011 school year and each school year thereafter, if a school district's boundaries span multiple counties, then the Department of Revenue shall send to the State Board of Education, for the purpose of calculating general State aid, the limiting rate and individual rates by purpose for the county that contains the majority of the school district's Equalized Assessed Valuation.

(4) For the purposes of calculating general State aid for the 1999-2000 school year only, if a school district experienced a triennial reassessment on the equalized assessed valuation used in calculating its general State financial aid apportionment for the 1998-1999 school year, the State Board of Education shall calculate the Extension Limitation Equalized Assessed Valuation that would have been used to calculate the district's 1998-1999 general State aid. This amount shall equal the product of the equalized assessed valuation used to calculate general State aid for the 1997-1998 school year and the district's Extension Limitation Ratio. If the Extension Limitation Equalized Assessed Valuation of the school district as calculated under this paragraph (4) is less than the district's equalized assessed valuation utilized in calculating the district's 1998-1999 general State aid allocation, then for purposes of calculating the district's general State aid pursuant to paragraph (5) of subsection (E), that Extension Limitation Equalized Assessed Valuation shall be utilized to calculate the district's Available Local Resources.

(5) For school districts having a majority of their equalized assessed valuation in any county except Cook, DuPage, Kane, Lake, McHenry, or Will, if the amount of general State aid allocated to the school district for the 1999-2000 school year under the provisions of subsection (E), (H), and (J) of this Section is less than the amount of general State aid allocated to the district for the 1998-1999 school year under these subsections, then the general State aid of the district for the 1999-2000 school year only shall be increased by the difference between these amounts. The total payments made under this paragraph (5) shall not exceed $14,000,000. Claims shall be prorated if they exceed $14,000,000.

(H) Supplemental General State Aid.

New matter indicated by italics - deletions by strikeout
In addition to the general State aid a school district is allotted pursuant to subsection (E), qualifying school districts shall receive a grant, paid in conjunction with a district's payments of general State aid, for supplemental general State aid based upon the concentration level of children from low-income households within the school district. Supplemental State aid grants provided for school districts under this subsection shall be appropriated for distribution to school districts as part of the same line item in which the general State financial aid of school districts is appropriated under this Section.

This paragraph (1.5) applies only to those school years preceding the 2003-2004 school year. For purposes of this subsection (H), the term "Low-Income Concentration Level" shall be the low-income eligible pupil count from the most recently available federal census divided by the Average Daily Attendance of the school district. If, however, (i) the percentage decrease from the 2 most recent federal censuses in the low-income eligible pupil count of a high school district with fewer than 400 students exceeds by 75% or more the percentage change in the total low-income eligible pupil count of contiguous elementary school districts, whose boundaries are coterminous with the high school district, or (ii) a high school district within 2 counties and serving 5 elementary school districts, whose boundaries are coterminous with the high school district, has a percentage decrease from the 2 most recent federal censuses in the low-income eligible pupil count and there is a percentage increase in the total low-income eligible pupil count of a majority of the elementary school districts in excess of 50% from the 2 most recent federal censuses, then the high school district's low-income eligible pupil count from the earlier federal census shall be the number used as the low-income eligible pupil count for the high school district, for purposes of this subsection (H). The changes made to this paragraph (1) by Public Act 92-28 shall apply to supplemental general State aid grants for school years preceding the 2003-2004 school year that are paid in fiscal year 1999 or thereafter and to any State aid payments made in fiscal year 1994 through fiscal year 1998 pursuant to subsection 1(n) of Section 18-8 of this Code (which was repealed on July 1, 1998), and any high school district that is affected by Public Act 92-28 is entitled to a recomputation of its supplemental general State aid grant or State aid paid in any of those fiscal years. This recomputation shall not be affected by any other funding.

This paragraph (1.10) applies to the 2003-2004 school year and each school year thereafter through the 2016-2017 school year. For
purposes of this subsection (H), the term "Low-Income Concentration Level" shall, for each fiscal year, be the low-income eligible pupil count as of July 1 of the immediately preceding fiscal year (as determined by the Department of Human Services based on the number of pupils who are eligible for at least one of the following low income programs: Medicaid, the Children's Health Insurance Program, TANF, or Food Stamps, excluding pupils who are eligible for services provided by the Department of Children and Family Services, averaged over the 2 immediately preceding fiscal years for fiscal year 2004 and over the 3 immediately preceding fiscal years for each fiscal year thereafter) divided by the Average Daily Attendance of the school district.

(2) Supplemental general State aid pursuant to this subsection (H) shall be provided as follows for the 1998-1999, 1999-2000, and 2000-2001 school years only:

   (a) For any school district with a Low Income Concentration Level of at least 20% and less than 35%, the grant for any school year shall be $800 multiplied by the low income eligible pupil count.

   (b) For any school district with a Low Income Concentration Level of at least 35% and less than 50%, the grant for the 1998-1999 school year shall be $1,100 multiplied by the low income eligible pupil count.

   (c) For any school district with a Low Income Concentration Level of at least 50% and less than 60%, the grant for the 1998-99 school year shall be $1,500 multiplied by the low income eligible pupil count.

   (d) For any school district with a Low Income Concentration Level of 60% or more, the grant for the 1998-99 school year shall be $1,900 multiplied by the low income eligible pupil count.

   (e) For the 1999-2000 school year, the per pupil amount specified in subparagraphs (b), (c), and (d) immediately above shall be increased to $1,243, $1,600, and $2,000, respectively.

   (f) For the 2000-2001 school year, the per pupil amounts specified in subparagraphs (b), (c), and (d) immediately above shall be $1,273, $1,640, and $2,050, respectively.

(2.5) Supplemental general State aid pursuant to this subsection (H) shall be provided as follows for the 2002-2003 school year:

New matter indicated by italics - deletions by strikeout
(a) For any school district with a Low Income Concentration Level of less than 10%, the grant for each school year shall be $355 multiplied by the low income eligible pupil count.

(b) For any school district with a Low Income Concentration Level of at least 10% and less than 20%, the grant for each school year shall be $675 multiplied by the low income eligible pupil count.

(c) For any school district with a Low Income Concentration Level of at least 20% and less than 35%, the grant for each school year shall be $1,330 multiplied by the low income eligible pupil count.

(d) For any school district with a Low Income Concentration Level of at least 35% and less than 50%, the grant for each school year shall be $1,362 multiplied by the low income eligible pupil count.

(e) For any school district with a Low Income Concentration Level of at least 50% and less than 60%, the grant for each school year shall be $1,680 multiplied by the low income eligible pupil count.

(f) For any school district with a Low Income Concentration Level of 60% or more, the grant for each school year shall be $2,080 multiplied by the low income eligible pupil count.

(2.10) Except as otherwise provided, supplemental general State aid pursuant to this subsection (H) shall be provided as follows for the 2003-2004 school year and each school year thereafter:

(a) For any school district with a Low Income Concentration Level of 15% or less, the grant for each school year shall be $355 multiplied by the low income eligible pupil count.

For the 2003-2004 school year and each school year thereafter through the 2008-2009 school year only, the grant shall be no less than the grant for the 2002-2003 school year. For the 2009-2010 school year only, the grant shall be no less than the grant for the 2002-2003 school year multiplied by 0.66. For the 2010-2011 school year only, the grant shall be

no less than the grant for the 2002-2003 school year multiplied by 0.33. Notwithstanding the provisions of this paragraph to the contrary, if for any school year supplemental general State aid grants are prorated as provided in paragraph (1) of this subsection (H), then the grants under this paragraph shall be prorated.

For the 2003-2004 school year only, the grant shall be no greater than the grant received during the 2002-2003 school year added to the product of 0.25 multiplied by the difference between the grant amount calculated under subsection (a) or (b) of this paragraph (2.10), whichever is applicable, and the grant received during the 2002-2003 school year. For the 2004-2005 school year only, the grant shall be no greater than the grant received during the 2002-2003 school year added to the product of 0.50 multiplied by the difference between the grant amount calculated under subsection (a) or (b) of this paragraph (2.10), whichever is applicable, and the grant received during the 2002-2003 school year. For the 2005-2006 school year only, the grant shall be no greater than the grant received during the 2002-2003 school year added to the product of 0.75 multiplied by the difference between the grant amount calculated under subsection (a) or (b) of this paragraph (2.10), whichever is applicable, and the grant received during the 2002-2003 school year.

(3) School districts with an Average Daily Attendance of more than 1,000 and less than 50,000 that qualify for supplemental general State aid pursuant to this subsection shall submit a plan to the State Board of Education prior to October 30 of each year for the use of the funds resulting from this grant of supplemental general State aid for the improvement of instruction in which priority is given to meeting the education needs of disadvantaged children. Such plan shall be submitted in accordance with rules and regulations promulgated by the State Board of Education.

(4) School districts with an Average Daily Attendance of 50,000 or more that qualify for supplemental general State aid pursuant to this subsection shall be required to distribute from funds available pursuant to this Section, no less than $261,000,000 in accordance with the following requirements:

(a) The required amounts shall be distributed to the attendance centers within the district in proportion to the number of pupils enrolled at each attendance center who are eligible to receive free or reduced-price lunches or breakfasts under the
federal Child Nutrition Act of 1966 and under the National School Lunch Act during the immediately preceding school year.

(b) The distribution of these portions of supplemental and general State aid among attendance centers according to these requirements shall not be compensated for or contravened by adjustments of the total of other funds appropriated to any attendance centers, and the Board of Education shall utilize funding from one or several sources in order to fully implement this provision annually prior to the opening of school.

(c) Each attendance center shall be provided by the school district a distribution of noncategorical funds and other categorical funds to which an attendance center is entitled under law in order that the general State aid and supplemental general State aid provided by application of this subsection supplements rather than supplants the noncategorical funds and other categorical funds provided by the school district to the attendance centers.

(d) Any funds made available under this subsection that by reason of the provisions of this subsection are not required to be allocated and provided to attendance centers may be used and appropriated by the board of the district for any lawful school purpose.

(e) Funds received by an attendance center pursuant to this subsection shall be used by the attendance center at the discretion of the principal and local school council for programs to improve educational opportunities at qualifying schools through the following programs and services: early childhood education, reduced class size or improved adult to student classroom ratio, enrichment programs, remedial assistance, attendance improvement, and other educationally beneficial expenditures which supplement the regular and basic programs as determined by the State Board of Education. Funds provided shall not be expended for any political or lobbying purposes as defined by board rule.

(f) Each district subject to the provisions of this subdivision (H)(4) shall submit an acceptable plan to meet the educational needs of disadvantaged children, in compliance with the requirements of this paragraph, to the State Board of Education prior to July 15 of each year. This plan shall be consistent with the decisions of local school councils concerning the school

expenditure plans developed in accordance with part 4 of Section 34-2.3. The State Board shall approve or reject the plan within 60 days after its submission. If the plan is rejected, the district shall give written notice of intent to modify the plan within 15 days of the notification of rejection and then submit a modified plan within 30 days after the date of the written notice of intent to modify. Districts may amend approved plans pursuant to rules promulgated by the State Board of Education.

Upon notification by the State Board of Education that the district has not submitted a plan prior to July 15 or a modified plan within the time period specified herein, the State aid funds affected by that plan or modified plan shall be withheld by the State Board of Education until a plan or modified plan is submitted.

If the district fails to distribute State aid to attendance centers in accordance with an approved plan, the plan for the following year shall allocate funds, in addition to the funds otherwise required by this subsection, to those attendance centers which were underfunded during the previous year in amounts equal to such underfunding.

For purposes of determining compliance with this subsection in relation to the requirements of attendance center funding, each district subject to the provisions of this subsection shall submit as a separate document by December 1 of each year a report of expenditure data for the prior year in addition to any modification of its current plan. If it is determined that there has been a failure to comply with the expenditure provisions of this subsection regarding contravention or supplanting, the State Superintendent of Education shall, within 60 days of receipt of the report, notify the district and any affected local school council. The district shall within 45 days of receipt of that notification inform the State Superintendent of Education of the remedial or corrective action to be taken, whether by amendment of the current plan, if feasible, or by adjustment in the plan for the following year. Failure to provide the expenditure report or the notification of remedial or corrective action in a timely manner shall result in a withholding of the affected funds.

The State Board of Education shall promulgate rules and regulations to implement the provisions of this subsection. No funds shall be released under this subdivision (H)(4) to any district

(K) Grants to Laboratory and Alternative Schools.

In calculating the amount to be paid to the governing board of a public university that operates a laboratory school under this Section or to any alternative school that is operated by a regional superintendent of schools, the State Board of Education shall require by rule such reporting requirements as it deems necessary.

As used in this Section, "laboratory school" means a public school which is created and operated by a public university and approved by the State Board of Education. The governing board of a public university which receives funds from the State Board under this subsection (K) or subsection (g) of Section 18-8.15 of this Code may not increase the number of students enrolled in its laboratory school from a single district, if that district is already sending 50 or more students, except under a mutual agreement between the school board of a student's district of residence and the university which operates the laboratory school. A laboratory school may not have more than 1,000 students, excluding students with disabilities in a special education program.

As used in this Section, "alternative school" means a public school which is created and operated by a Regional Superintendent of Schools and approved by the State Board of Education. Such alternative schools may offer courses of instruction for which credit is given in regular school programs, courses to prepare students for the high school equivalency testing program or vocational and occupational training. A regional superintendent of schools may contract with a school district or a public community college district to operate an alternative school. An alternative school serving more than one educational service region may be established by the regional superintendents of schools of the affected educational service regions. An alternative school serving more than one educational service region may be operated under such terms as the regional superintendents of schools of those educational service regions may agree.

Each laboratory and alternative school shall file, on forms provided by the State Superintendent of Education, an annual State aid claim which states the Average Daily Attendance of the school's students by month. The best 3 months' Average Daily Attendance shall be computed for each...
school. The general State aid entitlement shall be computed by multiplying the applicable Average Daily Attendance by the Foundation Level as determined under this Section.

(L) Payments, Additional Grants in Aid and Other Requirements.

(1) For a school district operating under the financial supervision of an Authority created under Article 34A, the general State aid otherwise payable to that district under this Section, but not the supplemental general State aid, shall be reduced by an amount equal to the budget for the operations of the Authority as certified by the Authority to the State Board of Education, and an amount equal to such reduction shall be paid to the Authority created for such district for its operating expenses in the manner provided in Section 18-11. The remainder of general State school aid for any such district shall be paid in accordance with Article 34A when that Article provides for a disposition other than that provided by this Article.

(O) References.

(1) References in other laws to the various subdivisions of Section 18-8 as that Section existed before its repeal and replacement by this Section 18-8.05 shall be deemed to refer to the corresponding provisions of this Section 18-8.05, to the extent that those references remain applicable.

(2) References in other laws to State Chapter 1 funds shall be deemed to refer to the supplemental general State aid provided under subsection (H) of this Section.

(P) Public Act 93-838 and Public Act 93-808 make inconsistent changes to this Section. Under Section 6 of the Statute on Statutes there is an irreconcilable conflict between Public Act 93-808 and Public Act 93-838. Public Act 93-838, being the last acted upon, is controlling. The text of Public Act 93-838 is the law regardless of the text of Public Act 93-808.

Sec. 18-12. Dates for filing State aid claims. The school board of each school district, a regional office of education, a laboratory school, or a State-authorized charter school shall require teachers, principals, or superintendents to furnish from records kept by them such data as it needs in preparing and certifying to the State Superintendent of Education its report of claims provided in Section 18-8.05 or 18-8.15 of this Code. The claim shall be based on the latest available equalized assessed valuation and tax rates, as provided in Section 18-8.05 or 18-8.15, shall use the average daily attendance as determined by the method outlined in Section 18-8.05 or 18-8.15, and shall be certified and filed with the State Superintendent of Education by June 21 for districts and State-authorized charter schools with an official school calendar end date before June 15 or within 2 weeks following the official school calendar end date for districts, regional offices of education, laboratory schools, or State-authorized charter schools with a school year end date of June 15 or later. Failure to so file by these deadlines constitutes a forfeiture of the right to receive payment by the State until such claim is filed. The State Superintendent of Education shall voucher for payment those claims to the State Comptroller as provided in Section 18-11.

Except as otherwise provided in this Section, if any school district fails to provide the minimum school term specified in Section 10-19, the State aid claim for that year shall be reduced by the State Superintendent of Education in an amount equivalent to 1/176 or .56818% for each day less than the number of days required by this Code.

district which posed a hazardous threat to the health and safety of pupils, the State aid claim need not be reduced.

If a school district is precluded from providing the minimum hours of instruction required for a full day of attendance due to (A) an adverse weather condition, (B) a condition beyond the control of the school district that poses a hazardous threat to the health and safety of students, or (C) beginning with the 2016-2017 school year, the utilization of the school district's facilities for not more than 2 school days per school year by local or county authorities for the purpose of holding a memorial or funeral services in remembrance of a community member, then the partial day of attendance may be counted if (i) the school district has provided at least one hour of instruction prior to the closure of the school district, (ii) a school building has provided at least one hour of instruction prior to the closure of the school building, or (iii) the normal start time of the school district is delayed.

If, prior to providing any instruction, a school district must close one or more but not all school buildings after consultation with a local emergency response agency or due to a condition beyond the control of the school district, then the school district may claim attendance for up to 2 school days based on the average attendance of the 3 school days immediately preceding the closure of the affected school building or, if approved by the State Board of Education, utilize the provisions of an e-learning program for the affected school building as prescribed in Section 10-20.56 of this Code. The partial or no day of attendance described in this Section and the reasons therefore shall be certified within a month of the closing or delayed start by the school district superintendent to the regional superintendent of schools for forwarding to the State Superintendent of Education for approval.

Other than the utilization of any e-learning days as prescribed in Section 10-20.56 of this Code, no exception to the requirement of providing a minimum school term may be approved by the State Superintendent of Education pursuant to this Section unless a school district has first used all emergency days provided for in its regular calendar.

If the State Superintendent of Education declares that an energy shortage exists during any part of the school year for the State or a designated portion of the State, a district may operate the school attendance centers within the district 4 days of the week during the time of the shortage by extending each existing school day by one clock hour of

employees of that district suffer any reduction in salary or benefits as a

into consideration such factors as pupil transportation schedules and
patterns and sources of energy for individual attendance centers.

Sec. 19-1. Debt limitations of school districts.

(a) School districts shall not be subject to the provisions limiting
their indebtedness prescribed in the Local Government Debt Limitation
Act.

No school districts maintaining grades K through 8 or 9 through 12
shall become indebted in any manner or for any purpose to an amount,
including existing indebtedness, in the aggregate exceeding 6.9% on the
value of the taxable property therein to be ascertained by the last
assessment for State and county taxes or, until January 1, 1983, if greater,
the sum that is produced by multiplying the school district’s 1978
equalized assessed valuation by the debt limitation percentage in effect on
January 1, 1979, previous to the incurring of such indebtedness.

No school districts maintaining grades K through 12 shall become
indebted in any manner or for any purpose to an amount, including
existing indebtedness, in the aggregate exceeding 13.8% on the value of
the taxable property therein to be ascertained by the last assessment for
State and county taxes or, until January 1, 1983, if greater, the sum that is
produced by multiplying the school district’s 1978 equalized assessed
valuation by the debt limitation percentage in effect on January 1, 1979,
previous to the incurring of such indebtedness.

No partial elementary unit district, as defined in Article 11E of this
Code, shall become indebted in any manner or for any purpose in an
amount, including existing indebtedness, in the aggregate exceeding 6.9%

of the value of the taxable property of the entire district, to be ascertained by the last assessment for State and county taxes, plus an amount, including existing indebtedness, in the aggregate exceeding 6.9% of the value of the taxable property of that portion of the district included in the elementary and high school classification, to be ascertained by the last assessment for State and county taxes. Moreover, no partial elementary unit district, as defined in Article 11E of this Code, shall become indebted on account of bonds issued by the district for high school purposes in the aggregate exceeding 6.9% of the value of the taxable property of the entire district, to be ascertained by the last assessment for State and county taxes, nor shall the district become indebted on account of bonds issued by the district for elementary purposes in the aggregate exceeding 6.9% of the value of the taxable property for that portion of the district included in the elementary and high school classification, to be ascertained by the last assessment for State and county taxes.

Notwithstanding the provisions of any other law to the contrary, in any case in which the voters of a school district have approved a proposition for the issuance of bonds of such school district at an election held prior to January 1, 1979, and all of the bonds approved at such election have not been issued, the debt limitation applicable to such school district during the calendar year 1979 shall be computed by multiplying the value of taxable property therein, including personal property, as ascertained by the last assessment for State and county taxes, previous to the incurring of such indebtedness, by the percentage limitation applicable to such school district under the provisions of this subsection (a).

(b) Notwithstanding the debt limitation prescribed in subsection (a) of this Section, additional indebtedness may be incurred in an amount not to exceed the estimated cost of acquiring or improving school sites or constructing and equipping additional building facilities under the following conditions:

(1) Whenever the enrollment of students for the next school year is estimated by the board of education to increase over the actual present enrollment by not less than 35% or by not less than 200 students or the actual present enrollment of students has increased over the previous school year by not less than 35% or by not less than 200 students and the board of education determines that additional school sites or building facilities are required as a result of such increase in enrollment; and

New matter indicated by italics - deletions by strikeout
(2) When the Regional Superintendent of Schools having jurisdiction over the school district and the State Superintendent of Education concur in such enrollment projection or increase and approve the need for such additional school sites or building facilities and the estimated cost thereof; and

(3) When the voters in the school district approve a proposition for the issuance of bonds for the purpose of acquiring or improving such needed school sites or constructing and equipping such needed additional building facilities at an election called and held for that purpose. Notice of such an election shall state that the amount of indebtedness proposed to be incurred would exceed the debt limitation otherwise applicable to the school district. The ballot for such proposition shall state what percentage of the equalized assessed valuation will be outstanding in bonds if the proposed issuance of bonds is approved by the voters; or

(4) Notwithstanding the provisions of paragraphs (1) through (3) of this subsection (b), if the school board determines that additional facilities are needed to provide a quality educational program and not less than 2/3 of those voting in an election called by the school board on the question approve the issuance of bonds for the construction of such facilities, the school district may issue bonds for this purpose; or

(5) Notwithstanding the provisions of paragraphs (1) through (3) of this subsection (b), if (i) the school district has previously availed itself of the provisions of paragraph (4) of this subsection (b) to enable it to issue bonds, (ii) the voters of the school district have not defeated a proposition for the issuance of bonds since the referendum described in paragraph (4) of this subsection (b) was held, (iii) the school board determines that additional facilities are needed to provide a quality educational program, and (iv) a majority of those voting in an election called by the school board on the question approve the issuance of bonds for the construction of such facilities, the school district may issue bonds for this purpose.

In no event shall the indebtedness incurred pursuant to this subsection (b) and the existing indebtedness of the school district exceed 15% of the value of the taxable property therein to be ascertained by the last assessment for State and county taxes, previous to the incurring of such indebtedness or, until January 1, 1983, if greater, the sum that is

produced by multiplying the school district's 1978 equalized assessed valuation by the debt limitation percentage in effect on January 1, 1979.

The indebtedness provided for by this subsection (b) shall be in addition to and in excess of any other debt limitation.

(c) Notwithstanding the debt limitation prescribed in subsection (a) of this Section, in any case in which a public question for the issuance of bonds of a proposed school district maintaining grades kindergarten through 12 received at least 60% of the valid ballots cast on the question at an election held on or prior to November 8, 1994, and in which the bonds approved at such election have not been issued, the school district pursuant to the requirements of Section 11A-10 (now repealed) may issue the total amount of bonds approved at such election for the purpose stated in the question.

(d) Notwithstanding the debt limitation prescribed in subsection (a) of this Section, a school district that meets all the criteria set forth in paragraphs (1) and (2) of this subsection (d) may incur an additional indebtedness in an amount not to exceed $4,500,000, even though the amount of the additional indebtedness authorized by this subsection (d), when incurred and added to the aggregate amount of indebtedness of the district existing immediately prior to the district incurring the additional indebtedness authorized by this subsection (d), causes the aggregate indebtedness of the district to exceed the debt limitation otherwise applicable to that district under subsection (a):

(1) The additional indebtedness authorized by this subsection (d) is incurred by the school district through the issuance of bonds under and in accordance with Section 17-2.11a for the purpose of replacing a school building which, because of mine subsidence damage, has been closed as provided in paragraph (2) of this subsection (d) or through the issuance of bonds under and in accordance with Section 19-3 for the purpose of increasing the size of, or providing for additional functions in, such replacement school buildings, or both such purposes.

(2) The bonds issued by the school district as provided in paragraph (1) above are issued for the purposes of construction by the school district of a new school building pursuant to Section 17-2.11, to replace an existing school building that, because of mine subsidence damage, is closed as of the end of the 1992-93 school year pursuant to action of the regional superintendent of schools of the educational service region in which the district is located under

(e) (Blank).

(f) Notwithstanding the provisions of subsection (a) of this Section or of any other law, bonds in not to exceed the aggregate amount of $5,500,000 and issued by a school district meeting the following criteria shall not be considered indebtedness for purposes of any statutory limitation and may be issued in an amount or amounts, including existing indebtedness, in excess of any heretofore or hereafter imposed statutory limitation as to indebtedness:

(1) At the time of the sale of such bonds, the board of education of the district shall have determined by resolution that the enrollment of students in the district is projected to increase by not less than 7% during each of the next succeeding 2 school years.

(2) The board of education shall also determine by resolution that the improvements to be financed with the proceeds of the bonds are needed because of the projected enrollment increases.

(3) The board of education shall also determine by resolution that the projected increases in enrollment are the result of improvements made or expected to be made to passenger rail facilities located in the school district.

Notwithstanding the provisions of subsection (a) of this Section or of any other law, a school district that has availed itself of the provisions of this subsection (f) prior to July 22, 2004 (the effective date of Public Act 93-799) may also issue bonds approved by referendum up to an amount, including existing indebtedness, not exceeding 25% of the equalized assessed value of the taxable property in the district if all of the conditions set forth in items (1), (2), and (3) of this subsection (f) are met.

(g) Notwithstanding the provisions of subsection (a) of this Section or any other law, bonds in not to exceed an aggregate amount of 25% of the equalized assessed value of the taxable property of a school district and issued by a school district meeting the criteria in paragraphs (i) through (iv) of this subsection shall not be considered indebtedness for purposes of any statutory limitation and may be issued pursuant to resolution of the school board in an amount or amounts, including existing indebtedness, in

excess of any statutory limitation of indebtedness heretofore or hereafter imposed:

(i) The bonds are issued for the purpose of constructing a new high school building to replace two adjacent existing buildings which together house a single high school, each of which is more than 65 years old, and which together are located on more than 10 acres and less than 11 acres of property.

(ii) At the time the resolution authorizing the issuance of the bonds is adopted, the cost of constructing a new school building to replace the existing school building is less than 60% of the cost of repairing the existing school building.

(iii) The sale of the bonds occurs before July 1, 1997.

(iv) The school district issuing the bonds is a unit school district located in a county of less than 70,000 and more than 50,000 inhabitants, which has an average daily attendance of less than 1,500 and an equalized assessed valuation of less than $29,000,000.

(h) Notwithstanding any other provisions of this Section or the provisions of any other law, until January 1, 1998, a community unit school district maintaining grades K through 12 may issue bonds up to an amount, including existing indebtedness, not exceeding 27.6% of the equalized assessed value of the taxable property in the district, if all of the following conditions are met:

(ii) The bonds are issued for the capital improvement, renovation, rehabilitation, or replacement of existing school buildings of the district, all of which buildings were originally constructed not less than 40 years ago;

(iii) The voters of the district approve a proposition for the issuance of the bonds at a referendum held after March 19, 1996; and

(iv) The bonds are issued pursuant to Sections 19-2 through 19-7 of this Code.

(i) Notwithstanding any other provisions of this Section or the provisions of any other law, until January 1, 1998, a community unit school district maintaining grades K through 12 may issue bonds up to an amount, including existing indebtedness, not exceeding 27% of the
equalized assessed value of the taxable property in the district, if all of the following conditions are met:

(i) The school district has an equalized assessed valuation for calendar year 1995 of less than $44,600,000;

Sec. 19-1. Debt limitations of school districts.

(a) School districts shall not be subject to the provisions limiting their indebtedness prescribed in the Local Government Debt Limitation Act.

No school districts maintaining grades K through 8 or 9 through 12 shall become indebted in any manner or for any purpose to an amount, including existing indebtedness, in the aggregate exceeding 6.9% on the value of the taxable property therein to be ascertained by the last assessment for State and county taxes or, until January 1, 1983, if greater, the sum that is produced by multiplying the school district's 1978 equalized assessed valuation by the debt limitation percentage in effect on January 1, 1979, previous to the incurring of such indebtedness.

No school districts maintaining grades K through 12 shall become indebted in any manner or for any purpose to an amount, including existing indebtedness, in the aggregate exceeding 13.8% on the value of the taxable property therein to be ascertained by the last assessment for State and county taxes or, until January 1, 1983, if greater, the sum that is produced by multiplying the school district's 1978 equalized assessed valuation by the debt limitation percentage in effect on January 1, 1979, previous to the incurring of such indebtedness.

Notwithstanding the provisions of any other law to the contrary, in any case in which the voters of a school district have approved a proposition for the issuance of bonds of such school district at an election held prior to January 1, 1979, and all of the bonds approved at such election have not been issued, the debt limitation applicable to such school district during the calendar year 1979 shall be computed by multiplying the value of taxable property therein, including personal property, as ascertained by the last assessment for State and county taxes, previous to the incurring of such indebtedness, by the percentage limitation applicable to such school district under the provisions of this subsection (a).

(a-5) After January 1, 2018, no school district may issue bonds under Sections 19-2 through 19-7 of this Code and rely on an exception to the debt limitations in this Section unless it has complied with the requirements of Section 21 of the Bond Issue Notification Act and the bonds have been approved by referendum.

(b) Notwithstanding the debt limitation prescribed in subsection (a) of this Section, additional indebtedness may be incurred in an amount not to exceed the estimated cost of acquiring or improving school sites or constructing and equipping additional building facilities under the following conditions:

(2) When the Regional Superintendent of Schools having jurisdiction over the school district and the State Superintendent of Education concur in such enrollment projection or increase and approve the need for such additional school sites or building facilities and the estimated cost thereof; and

(3) When the voters in the school district approve a proposition for the issuance of bonds for the purpose of acquiring or improving such needed school sites or constructing and equipping such needed additional building facilities at an election called and held for that purpose. Notice of such an election shall state that the amount of indebtedness proposed to be incurred

The indebtedness provided for by this subsection (b) shall be in addition to and in excess of any other debt limitation.

(c) Notwithstanding the debt limitation prescribed in subsection (a) of this Section, in any case in which a public question for the issuance of bonds of a proposed school district maintaining grades kindergarten through 12 received at least 60% of the valid ballots cast on the question at an election held on or prior to November 8, 1994, and in which the bonds approved at such election have not been issued, the school district pursuant to the requirements of Section 11A-10 (now repealed) may issue

Sec. 21B-20. Types of licenses. Before July 1, 2013, the State Board of Education shall implement a system of educator licensure, whereby individuals employed in school districts who are required to be licensed must have one of the following licenses: (i) a professional educator license; (ii) a professional educator license with stipulations; or (iii) a substitute teaching license. References in law regarding individuals certified or certificated or required to be certified or certificated under Article 21 of this Code shall also include individuals licensed or required to be licensed under this Article. The first year of all licenses ends on June 30 following one full year of the license being issued.
The State Board of Education, in consultation with the State Educator Preparation and Licensure Board, may adopt such rules as may be necessary to govern the requirements for licenses and endorsements under this Section.

(1) Professional Educator License. Persons who (i) have successfully completed an approved educator preparation program and are recommended for licensure by the Illinois institution offering the educator preparation program, (ii) have successfully completed the required testing under Section 21B-30 of this Code, (iii) have successfully completed coursework on the psychology of, the identification of, and the methods of instruction for the exceptional child, including without limitation children with learning disabilities, (iv) have successfully completed coursework in methods of reading and reading in the content area, and (v) have met all other criteria established by rule of the State Board of Education shall be issued a Professional Educator License. All Professional Educator Licenses are valid until June 30 immediately following 5 years of the license being issued. The Professional Educator License shall be endorsed with specific areas and grade levels in which the individual is eligible to practice.

Individuals can receive subsequent endorsements on the Professional Educator License. Subsequent endorsements shall require a minimum of 24 semester hours of coursework in the endorsement area, unless otherwise specified by rule, and passage of the applicable content area test.

(2) Educator License with Stipulations. An Educator License with Stipulations shall be issued an endorsement that limits the license holder to one particular position or does not require completion of an approved educator program or both.

An individual with an Educator License with Stipulations must not be employed by a school district or any other entity to replace any presently employed teacher who otherwise would not be replaced for any reason.

An Educator License with Stipulations may be issued with the following endorsements:

(A) Provisional educator. A provisional educator endorsement in a specific content area or areas on an Educator License with Stipulations may be issued to an applicant who holds an educator license from another state,
U.S. territory, or foreign country and who, at the time of applying for an Illinois license, does not meet the minimum requirements under Section 21B-35 of this Code, but does, at a minimum, meet the following requirements:

(i) Holds the equivalent of a minimum of a bachelor's degree, unless a master's degree is required for the endorsement, from a regionally accredited college or university or, for individuals educated in a country other than the United States, the equivalent of a minimum of a bachelor's degree issued in the United States, unless a master's degree is required for the endorsement.

(ii) Has passed or passes a test of basic skills and content area test prior to or within one year after issuance of the provisional educator endorsement on the Educator License with Stipulations. If an individual who holds an Educator License with Stipulations endorsed for provisional educator has not passed a test of basic skills and applicable content area test or tests within one year after issuance of the endorsement, the endorsement shall expire on June 30 following one full year of the endorsement being issued. If such an individual has passed the test of basic skills and applicable content area test or tests either prior to issuance of the endorsement or within one year after issuance of the endorsement, the endorsement is valid until June 30 immediately following 2 years of the license being issued, during which time any and all coursework deficiencies must be met and any and all additional testing deficiencies must be met.

In addition, a provisional educator endorsement for principals or superintendents may be issued if the individual meets the requirements set forth in subdivisions (1) and (3) of subsection (b-5) of Section 21B-35 of this Code. Applicants who have not been entitled by an Illinois-approved educator preparation program at an Illinois institution of higher education shall not receive a provisional educator endorsement if the person completed...
an alternative licensure program in another state, unless the program has been determined to be equivalent to Illinois program requirements.

Notwithstanding any other requirements of this Section, a service member or spouse of a service member may obtain a Professional Educator License with Stipulations, and a provisional educator endorsement in a specific content area or areas, if he or she holds a valid teaching certificate or license in good standing from another state, meets the qualifications of educators outlined in Section 21B-15 of this Code, and has not engaged in any misconduct that would prohibit an individual from obtaining a license pursuant to Illinois law, including without limitation any administrative rules of the State Board of Education.

In this Section, "service member" means any person who, at the time of application under this Section, is an active duty member of the United States Armed Forces or any reserve component of the United States Armed Forces or the National Guard of any state, commonwealth, or territory of the United States or the District of Columbia.

A provisional educator endorsement is valid until June 30 immediately following 2 years of the license being issued, provided that any remaining testing and coursework deficiencies are met as set forth in this Section. Failure to satisfy all stated deficiencies shall mean the individual, including any service member or spouse who has obtained a Professional Educator License with Stipulations and a provisional educator endorsement in a specific content area or areas, is ineligible to receive a Professional Educator License at that time. An Educator License with Stipulations endorsed for provisional educator shall not be renewed for individuals who hold an Educator License with Stipulations and who have held a position in a public school or non-public school recognized by the State Board of Education.

(b) The State Board of Education, in consultation with the State Educator Preparation and Licensure Board, shall design and implement a system of examinations, which shall be required prior to the issuance of educator licenses. These examinations and indicators must be based on national and State professional teaching standards, as determined by the State Board of Education, in consultation with the State Educator Preparation and Licensure Board. The State Board of Education may adopt such rules as may be necessary to implement and administer this Section.
(c) Applicants seeking a Professional Educator License or an Educator License with Stipulations shall be required to pass a test of basic skills before the license is issued, unless the endorsement the individual is seeking does not require passage of the test. All applicants completing Illinois-approved, teacher education or school service personnel preparation programs shall be required to pass the State Board of Education's recognized test of basic skills prior to starting their student teaching or starting the final semester of their internship, unless required earlier at the discretion of the recognized, Illinois institution in which they
are completing their approved program. An individual who passes a test of basic skills does not need to do so again for subsequent endorsements or other educator licenses.

(d) All applicants seeking a State license shall be required to pass a test of content area knowledge for each area of endorsement for which there is an applicable test. All recognized institutions offering approved teacher preparation programs must begin phasing in the approved teacher performance assessment no later than July 1, 2013.

(g) Tests of basic skills and content area knowledge and the assessment of professional teaching shall be the tests that from time to time are designated by the State Board of Education, in consultation with the State Educator Preparation and Licensure Board, and may be tests prepared by an educational testing organization or tests designed by the State Board of Education, in consultation with the State Educator Preparation and Licensure Board. The areas to be covered by a test of basic skills shall include reading, language arts, and mathematics. The test of content area knowledge shall assess content knowledge in a specific subject field. The tests must be designed to be racially neutral to ensure that no person taking the tests is discriminated against on the basis of race, color, national origin, or other factors unrelated to the person's ability to perform as a licensed employee. The score required to pass the tests shall be fixed by the State Board of Education, in consultation with the State Educator Preparation and Licensure Board. The tests shall be administered not fewer than 3 times a year at such time and place as may be designated by the State Board of Education, in consultation with the State Educator Preparation and Licensure Board.

Sec. 21B-45. Professional Educator License renewal.

(a) Individuals holding a Professional Educator License are required to complete the licensure renewal requirements as specified in this Section, unless otherwise provided in this Code.

Individuals holding a Professional Educator License shall meet the renewal requirements set forth in this Section, unless otherwise provided in this Code. If an individual holds a license endorsed in more than one area that has different renewal requirements, that individual shall follow the renewal requirements for the position for which he or she spends the majority of his or her time working.

(b) All Professional Educator Licenses not renewed as provided in this Section shall lapse on September 1 of that year. Notwithstanding any other provisions of this Section, if a license holder's electronic mail address is available, the State Board of Education shall send him or her notification electronically that his or her license will lapse if not renewed, to be sent no more than 6 months prior to the license lapsing. Lapsed licenses may be immediately reinstated upon (i) payment by the applicant of a $500 penalty to the State Board of Education or (ii) the demonstration of proficiency by completing 9 semester hours of coursework from a
regionally accredited institution of higher education in the content area that most aligns with one or more of the educator's endorsement areas. Any and all back fees, including without limitation registration fees owed from the time of expiration of the license until the date of reinstatement, shall be paid and kept in accordance with the provisions in Article 3 of this Code concerning an institute fund and the provisions in Article 21B of this Code concerning fees and requirements for registration. Licenses not registered in accordance with Section 21B-40 of this Code shall lapse after a period of 6 months from the expiration of the last year of registration or on January 1 of the fiscal year following initial issuance of the license. An unregistered license is invalid after September 1 for employment and performance of services in an Illinois public or State-operated school or cooperative and in a charter school. Any license or endorsement may be voluntarily surrendered by the license holder. A voluntarily surrendered license, except a substitute teaching license issued under Section 21B-20 of this Code, shall be treated as a revoked license. An Educator License with Stipulations with only a paraprofessional endorsement does not lapse.

(c) From July 1, 2013 through June 30, 2014, in order to satisfy the requirements for licensure renewal provided for in this Section, each professional educator licensee with an administrative endorsement who is working in a position requiring such endorsement shall complete one Illinois Administrators' Academy course, as described in Article 2 of this Code, per fiscal year.

(d) Beginning July 1, 2014, in order to satisfy the requirements for licensure renewal provided for in this Section, each professional educator licensee may create a professional development plan each year. The plan shall address one or more of the endorsements that are required of his or her educator position if the licensee is employed and performing services in an Illinois public or State-operated school or cooperative. If the licensee is employed in a charter school, the plan shall address that endorsement or those endorsements most closely related to his or her educator position. Licensees employed and performing services in any other Illinois schools may participate in the renewal requirements by adhering to the same process.

Except as otherwise provided in this Section, the licensee's professional development activities shall align with one or more of the following criteria:

(1) activities are of a type that engage participants over a sustained period of time allowing for analysis, discovery, and

New matter indicated by italics - deletions by strikeout
application as they relate to student learning, social or emotional achievement, or well-being;

(2) professional development aligns to the licensee's performance;

(3) outcomes for the activities must relate to student growth or district improvement;

(4) activities align to State-approved standards; and

(5) higher education coursework.

(e) For each renewal cycle, each professional educator licensee shall engage in professional development activities. Prior to renewal, the licensee shall enter electronically into the Educator Licensure Information System (ELIS) the name, date, and location of the activity, the number of professional development hours, and the provider's name. The following provisions shall apply concerning professional development activities:

(1) Each licensee shall complete a total of 120 hours of professional development per 5-year renewal cycle in order to renew the license, except as otherwise provided in this Section.

(2) Beginning with his or her first full 5-year cycle, any licensee with an administrative endorsement who is not working in a position requiring such endorsement is not required to complete Illinois Administrators' Academy courses, as described in Article 2 of this Code. Such licensees must complete one Illinois Administrators' Academy course within one year after returning to a position that requires the administrative endorsement.

(3) Any licensee with an administrative endorsement who is working in a position requiring such endorsement or an individual with a Teacher Leader endorsement serving in an administrative capacity at least 50% of the day shall complete one Illinois Administrators' Academy course, as described in Article 2 of this Code, each fiscal year in addition to 100 hours of professional development per 5-year renewal cycle in accordance with this Code.

(4) Any licensee holding a current National Board for Professional Teaching Standards (NBPTS) master teacher designation shall complete a total of 60 hours of professional development per 5-year renewal cycle in order to renew the license.

(5) Licensees working in a position that does not require educator licensure or working in a position for less than 50% for any particular year are considered to be exempt and shall be

required to pay only the registration fee in order to renew and maintain the validity of the license.

(6) Licensees who are retired and qualify for benefits from a State retirement system shall notify the State Board of Education using ELIS, and the license shall be maintained in retired status. For any renewal cycle in which a licensee retires during the renewal cycle, the licensee must complete professional development activities on a prorated basis depending on the number of years during the renewal cycle the educator held an active license. If a licensee retires during a renewal cycle, the licensee must notify the State Board of Education using ELIS that the licensee wishes to maintain the license in retired status and must show proof of completion of professional development activities on a prorated basis for all years of that renewal cycle for which the license was active. An individual with a license in retired status shall not be required to complete professional development activities or pay registration fees until returning to a position that requires educator licensure. Upon returning to work in a position that requires the Professional Educator License, the licensee shall immediately pay a registration fee and complete renewal requirements for that year. A license in retired status cannot lapse. Beginning on January 6, 2017 (the effective date of Public Act 99-920) through December 31, 2017, any licensee who has retired and whose license has lapsed for failure to renew as provided in this Section may reinstate that license and maintain it in retired status upon providing proof to the State Board of Education using ELIS that the licensee is retired and is not working in a position that requires a Professional Educator License.

(7) For any renewal cycle in which professional development hours were required, but not fulfilled, the licensee shall complete any missed hours to total the minimum professional development hours required in this Section prior to September 1 of that year. For any fiscal year or renewal cycle in which an Illinois Administrators' Academy course was required but not completed, the licensee shall complete any missed Illinois Administrators' Academy courses prior to September 1 of that year. The licensee may complete all deficient hours and Illinois Administrators' Academy courses while continuing to work in a position that requires that license until September 1 of that year.

New matter indicated by italics - deletions by strikeout
(8) Any licensee who has not fulfilled the professional development renewal requirements set forth in this Section at the end of any 5-year renewal cycle is ineligible to register his or her license and may submit an appeal to the State Superintendent of Education for reinstatement of the license.

(9) If professional development opportunities were unavailable to a licensee, proof that opportunities were unavailable and request for an extension of time beyond August 31 to complete the renewal requirements may be submitted from April 1 through June 30 of that year to the State Educator Preparation and Licensure Board. If an extension is approved, the license shall remain valid during the extension period.

(10) Individuals who hold exempt licenses prior to December 27, 2013 (the effective date of Public Act 98-610) shall commence the annual renewal process with the first scheduled registration due after December 27, 2013 (the effective date of Public Act 98-610).

(11) Notwithstanding any other provision of this subsection (e), if a licensee earns more than the required number of professional development hours during a renewal cycle, then the licensee may carry over any hours earned from April 1 through June 30 of the last year of the renewal cycle. Any hours carried over in this manner must be applied to the next renewal cycle. Illinois Administrators' Academy courses or hours earned in those courses may not be carried over.

(f) At the time of renewal, each licensee shall respond to the required questions under penalty of perjury.

(g) The following entities shall be designated as approved to provide professional development activities for the renewal of Professional Educator Licenses:

   (4) maintain original documentation for completion of activities; and
   (5) provide license holders with evidence of completion of activities.
(j) The State Board of Education shall conduct annual audits of a subset of approved providers, except for school districts, which shall be audited by regional offices of education and intermediate service centers. Each approved provider, except for school districts, that is audited by a regional office of education or intermediate service center must be audited at least once every 5 years. The State Board of Education shall complete random audits of licensees.
   (1) Approved providers shall annually submit to the State Board of Education a list of subcontractors used for delivery of professional development activities for which renewal credit was issued and other information as defined by rule.
   (2) Approved providers shall annually submit data to the State Board of Education demonstrating how the professional development activities impacted one or more of the following:
      (A) educator and student growth in regards to content knowledge or skills, or both;

      (C) alignment to district or school improvement plans.
   (3) The State Superintendent of Education shall review the annual data collected by the State Board of Education, regional offices of education, and intermediate service centers in audits to determine if the approved provider has met the criteria and should
continue to be an approved provider or if further action should be taken as provided in rules.

An individual who does not hold a license issued by the Department of Financial and Professional Regulation shall complete professional development requirements for the renewal of a Professional Educator License provided for in this Section.

(m) Appeals to the State Educator Preparation and Licensure Board must be made within 30 days after receipt of notice from the State Superintendent of Education that a license will not be renewed based upon failure to complete the requirements of this Section. A licensee may appeal that decision to the State Educator Preparation and Licensure Board in a manner prescribed by rule.

1) Each appeal shall state the reasons why the State Superintendent's decision should be reversed and shall be sent by certified mail, return receipt requested, to the State Board of Education.

2) The State Educator Preparation and Licensure Board shall review each appeal regarding renewal of a license within 90 days after receiving the appeal in order to determine whether the licensee has met the requirements of this Section. Sec. 22-80. Student athletes; concussions and head injuries.

(a) The General Assembly recognizes all of the following:

  (1) Concussions are one of the most commonly reported injuries in children and adolescents who participate in sports and recreational activities. The Centers for Disease Control and Prevention estimates that as many as 3,900,000 sports-related and recreation-related concussions occur in the United States each year. A concussion is caused by a blow or motion to the head or body that causes the brain to move rapidly inside the skull. The risk of catastrophic injuries or death are significant when a concussion or head injury is not properly evaluated and managed.

  (2) Concussions are a type of brain injury that can range from mild to severe and can disrupt the way the brain normally works. Concussions can occur in any organized or unorganized sport or recreational activity and can result from a fall or from players colliding with each other, the ground, or with obstacles. Concussions occur with or without loss of consciousness, but the vast majority of concussions occur without loss of consciousness.

New matter indicated by italics - deletions by strikeout
(3) Continuing to play with a concussion or symptoms of a head injury leaves a young athlete especially vulnerable to greater injury and even death. The General Assembly recognizes that, despite having generally recognized return-to-play standards for concussions and head injuries, some affected youth athletes are prematurely returned to play, resulting in actual or potential physical injury or death to youth athletes in this State.

(4) Student athletes who have sustained a concussion may need informal or formal accommodations, modifications of curriculum, and monitoring by medical or academic staff until the student is fully recovered. To that end, all schools are encouraged to establish a return-to-learn protocol that is based on peer-reviewed scientific evidence consistent with Centers for Disease Control and Prevention guidelines and conduct baseline testing for student athletes.

(b) In this Section:
"Athletic trainer" means an athletic trainer licensed under the Illinois Athletic Trainers Practice Act who is working under the supervision of a physician.
"Coach" means any volunteer or employee of a school who is responsible for organizing and supervising students to teach them or train them in the fundamental skills of an interscholastic athletic activity. "Coach" refers to both head coaches and assistant coaches.
"Concussion" means a complex pathophysiological process affecting the brain caused by a traumatic physical force or impact to the head or body, which may include temporary or prolonged altered brain function resulting in physical, cognitive, or emotional symptoms or altered sleep patterns and which may or may not involve a loss of consciousness.
"Department" means the Department of Financial and Professional Regulation.
"Game official" means a person who officiates at an interscholastic athletic activity, such as a referee or umpire, including, but not limited to, persons enrolled as game officials by the Illinois High School Association or Illinois Elementary School Association.
"Interscholastic athletic activity" means any organized school-sponsored or school-sanctioned activity for students, generally outside of school instructional hours, under the direction of a coach, athletic director, or band leader, including, but not limited to, baseball, basketball, cheerleading, cross country track, fencing, field hockey, football, golf,
gymnastics, ice hockey, lacrosse, marching band, rugby, soccer, skating, softball, swimming and diving, tennis, track (indoor and outdoor), ultimate Frisbee, volleyball, water polo, and wrestling. All interscholastic athletics are deemed to be interscholastic activities.

"Licensed healthcare professional" means a person who has experience with concussion management and who is a nurse, a psychologist who holds a license under the Clinical Psychologist Licensing Act and specializes in the practice of neuropsychology, a physical therapist licensed under the Illinois Physical Therapy Act, an occupational therapist licensed under the Illinois Occupational Therapy Practice Act, a physician assistant, or an athletic trainer.

"Physician assistant" means a physician assistant licensed under the Physician Assistant Practice Act of 1987.

"School" means any public or private elementary or secondary school, including a charter school.

"Student" means an adolescent or child enrolled in a school.

(c) This Section applies to any interscholastic athletic activity, including practice and competition, sponsored or sanctioned by a school, the Illinois Elementary School Association, or the Illinois High School Association. This Section applies beginning with the 2016-2017 school year.

(d) The governing body of each public or charter school and the appropriate administrative officer of a private school with students enrolled who participate in an interscholastic athletic activity shall appoint or approve a concussion oversight team. Each concussion oversight team shall establish a return-to-play protocol, based on peer-reviewed scientific evidence consistent with Centers for Disease Control and Prevention guidelines, for a student's return to interscholastic athletics practice or competition following a force or impact believed to have caused a concussion. Each concussion oversight team shall also establish a return-to-learn protocol, based on peer-reviewed scientific evidence consistent with Centers for Disease Control and Prevention guidelines, for a student's return to the classroom after that student is believed to have experienced a

concussion, whether or not the concussion took place while the student
was participating in an interscholastic athletic activity.

Each concussion oversight team must include to the extent
practicable at least one physician. If a school employs an athletic trainer,
the athletic trainer must be a member of the school concussion oversight
team to the extent practicable. If a school employs a nurse, the nurse must
be a member of the school concussion oversight team to the extent
practicable. At a minimum, a school shall appoint a person who is
responsible for implementing and complying with the return-to-play and
return-to-learn protocols adopted by the concussion oversight team. At a
minimum, a concussion oversight team may be composed of only one
person and this person need not be a licensed healthcare professional, but
it may not be a coach. A school may appoint other licensed healthcare
professionals to serve on the concussion oversight team.

(e) A student may not participate in an interscholastic athletic
activity for a school year until the student and the student's parent or
guardian or another person with legal authority to make medical decisions
for the student have signed a form for that school year that acknowledges
receiving and reading written information that explains concussion
prevention, symptoms, treatment, and oversight and that includes
guidelines for safely resuming participation in an athletic activity
following a concussion. The form must be approved by the Illinois High
School Association.

(f) A student must be removed from an interscholastic athletics
practice or competition immediately if one of the following persons
believes the student might have sustained a concussion during the practice
or competition:

1. a coach;
2. a physician;
3. a game official;
4. an athletic trainer;
5. the student's parent or guardian or another person with
   legal authority to make medical decisions for the student;
6. the student; or
7. any other person deemed appropriate under the school's
   return-to-play protocol.

(g) A student removed from an interscholastic athletics practice or
competition under this Section may not be permitted to practice or

The school's administration may waive this 2-day notification requirement if the student did not receive at least 2 days advance notice, but the student shall notify the school's administration as soon as possible of the absence. A student whose absence is excused under this paragraph 7 shall be
counted as if the student attended school for purposes of calculating the average daily attendance of students in the school district. A student whose absence is excused under this paragraph 7 must be allowed a reasonable time to make up school work missed during the absence. If the student satisfactorily completes the school work, the day of absence shall be counted as a day of compulsory attendance and he or she may not be penalized for that absence; and

(105 ILCS 5/27-8.1) (from Ch. 122, par. 27-8.1)

Sec. 27-8.1. Health examinations and immunizations.

(1) In compliance with rules and regulations which the Department of Public Health shall promulgate, and except as hereinafter provided, all children in Illinois shall have a health examination as follows: within one year prior to entering kindergarten or the first grade of any public, private, or parochial elementary school; upon entering the sixth and ninth grades of any public, private, or parochial school; prior to entrance into any public, private, or parochial nursery school; and, irrespective of grade, immediately prior to or upon entrance into any public, private, or parochial school or nursery school, each child shall present proof of having been examined in accordance with this Section and the rules and regulations promulgated hereunder. year is not required to receive an additional health examination in order to comply with the provisions of Public Act 95-422 when he or she attends school for the 2008-2009 school year, unless the child is attending school for the first time as provided in this paragraph.

A tuberculosis skin test screening shall be included as a required part of each health examination included under this Section if the child resides in an area designated by the Department of Public Health as having a high incidence of tuberculosis. Additional health examinations of pupils, including eye examinations, may be required when deemed necessary by school authorities. Parents are encouraged to have their children undergo eye examinations at the same points in time required for health examinations.

(1.5) In compliance with rules adopted by the Department of Public Health and except as otherwise provided in this Section, all children in kindergarten and the second and sixth grades of any public, private, or parochial school shall have a dental examination. Each of these children shall present proof of having been examined by a dentist in accordance with this Section and rules adopted under this Section before May 15th of the school year. If a child in the second or sixth grade fails to present proof by May 15th, the school may hold the child's report card until one of the following occurs: (i) the child presents proof of a completed dental examination or (ii) the child presents proof that a dental examination will take place within 60 days after May 15th. The Department of Public Health shall establish, by rule, a waiver for children who show an undue burden or a lack of access to a dentist. Each public, private, and parochial school must give notice of this dental examination requirement to the parents and guardians of students at least 60 days before May 15th of each school year.

(1.10) Except as otherwise provided in this Section, all children enrolling in kindergarten in a public, private, or parochial school on or after January 1, 2008 (the effective date of Public Act 95-671) this amendatory Act of the 95th General Assembly and any student enrolling for the first time in a public, private, or parochial school on or after January 1, 2008 (the effective date of Public Act 95-671) this amendatory Act of the 95th General Assembly shall have an eye examination. Each of these children shall present proof of having been examined by a physician licensed to practice medicine in all of its branches or a licensed optometrist within the previous year, in accordance with this Section and rules adopted under this Section, before October 15th of the school year. If

the child fails to present proof by October 15th, the school may hold the child's report card until one of the following occurs: (i) the child presents proof of a completed eye examination or (ii) the child presents proof that an eye examination will take place within 60 days after October 15th. The Department of Public Health shall establish, by rule, a waiver for children who show an undue burden or a lack of access to a physician licensed to practice medicine in all of its branches who provides eye examinations or to a licensed optometrist. Each public, private, and parochial school must give notice of this eye examination requirement to the parents and guardians of students in compliance with rules of the Department of Public Health. Nothing in this Section shall be construed to allow a school to exclude a child from attending because of a parent's or guardian's failure to obtain an eye examination for the child.

(2) The Department of Public Health shall promulgate rules and regulations specifying the examinations and procedures that constitute a health examination, which shall include an age-appropriate developmental screening, an age-appropriate social and emotional screening, and the collection of data relating to asthma and obesity (including at a minimum, date of birth, gender, height, weight, blood pressure, and date of exam), and a dental examination and may recommend by rule that certain additional examinations be performed. The rules and regulations of the Department of Public Health shall specify that a tuberculosis skin test screening shall be included as a required part of each health examination included under this Section if the child resides in an area designated by the Department of Public Health as having a high incidence of tuberculosis. With respect to the developmental screening and the social and emotional screening, the Department of Public Health must develop rules and appropriate revisions to the Child Health Examination form in conjunction with a statewide organization representing school boards; a statewide organization representing pediatricians; statewide organizations representing individuals holding Illinois educator licenses with school support personnel endorsements, including school social workers, school psychologists, and school nurses; a statewide organization representing children's mental health experts; a statewide organization representing school principals; the Director of Healthcare and Family Services or his or her designee, the State Superintendent of Education or his or her designee; and representatives of other appropriate State agencies and, at a minimum, must recommend the use of validated screening tools appropriate to the child's age or grade, and, with regard to the social and emotional

screening, require recording only whether or not the screening was completed. The rules shall take into consideration the screening recommendations of the American Academy of Pediatrics and must be consistent with the State Board of Education's social and emotional learning standards. The Department of Public Health shall specify that a diabetes screening as defined by rule shall be included as a required part of each health examination. Diabetes testing is not required.

Physicians licensed to practice medicine in all of its branches, licensed advanced practice registered nurses, or licensed physician assistants shall be responsible for the performance of the health examinations, other than dental examinations, eye examinations, and vision and hearing screening, and shall sign all report forms required by subsection (4) of this Section that pertain to those portions of the health examination for which the physician, advanced practice registered nurse, or physician assistant is responsible. If a registered nurse performs any part of a health examination, then a physician licensed to practice medicine in all of its branches must review and sign all required report forms. Licensed dentists shall perform all dental examinations and shall sign all report forms required by subsection (4) of this Section that pertain to the dental examinations. Physicians licensed to practice medicine in all its branches or licensed optometrists shall perform all eye examinations required by this Section and shall sign all report forms required by subsection (4) of this Section that pertain to the eye examination. For purposes of this Section, an eye examination shall at a minimum include history, visual acuity, subjective refraction to best visual acuity near and far, internal and external examination, and a glaucoma evaluation, as well as any other tests or observations that in the professional judgment of the doctor are necessary. Vision and hearing screening tests, which shall not be considered examinations as that term is used in this Section, shall be conducted in accordance with rules and regulations of the Department of Public Health, and by individuals whom the Department of Public Health has certified. In these rules and regulations, the Department of Public Health shall require that individuals conducting vision screening tests give a child's parent or guardian written notification, before the vision screening is conducted, that states, "Vision screening is not a substitute for a complete eye and vision evaluation by an eye doctor. Your child is not required to undergo this vision screening if an optometrist or ophthalmologist has completed and signed a report form indicating that an examination has been administered within the previous 12 months."

(2.5) With respect to the developmental screening and the social and emotional screening portion of the health examination, each child may present proof of having been screened in accordance with this Section and the rules adopted under this Section before October 15th of the school year. With regard to the social and emotional screening only, the examining health care provider shall only record whether or not the screening was completed. If the child fails to present proof of the developmental screening or the social and emotional screening portions of the health examination by October 15th of the school year, qualified school support personnel may, with a parent's or guardian's consent, offer the developmental screening or the social and emotional screening to the child. Each public, private, and parochial school must give notice of the developmental screening and social and emotional screening requirements to the parents and guardians of students in compliance with the rules of the Department of Public Health. Nothing in this Section shall be construed to allow a school to exclude a child from attending because of a parent's or guardian's failure to obtain a developmental screening or a social and emotional screening for the child. Once a developmental screening or a social and emotional screening is completed and proof has been presented to the school, the school may, with a parent's or guardian's consent, make available appropriate school personnel to work with the parent or guardian, the child, and the provider who signed the screening form to obtain any appropriate evaluations and services as indicated on the form and in other information and documentation provided by the parents, guardians, or provider.

(3) Every child shall, at or about the same time as he or she receives a health examination required by subsection (1) of this Section, present to the local school proof of having received such immunizations against preventable communicable diseases as the Department of Public Health shall require by rules and regulations promulgated pursuant to this Section and the Communicable Disease Prevention Act.

(4) The individuals conducting the health examination, dental examination, or eye examination shall record the fact of having conducted the examination, and such additional information as required, including for a health examination data relating to asthma and obesity (including at a minimum, date of birth, gender, height, weight, blood pressure, and date of exam), on uniform forms which the Department of Public Health and the State Board of Education shall prescribe for statewide use. The examiner shall summarize on the report form any condition that he or she suspects

indicates a need for special services, including for a health examination factors relating to asthma or obesity. The duty to summarize on the report form does not apply to social and emotional screenings. The confidentiality of the information and records relating to the developmental screening and the social and emotional screening shall be determined by the statutes, rules, and professional ethics governing the type of provider conducting the screening. The individuals confirming the administration of required immunizations shall record as indicated on the form that the immunizations were administered.

(5) If a child does not submit proof of having had either the health examination or the immunization as required, then the child shall be examined or receive the immunization, as the case may be, and present proof by October 15 of the current school year, or by an earlier date of the current school year established by a school district. To establish a date before October 15 of the current school year for the health examination or immunization as required, a school district must give notice of the requirements of this Section 60 days prior to the earlier established date. If for medical reasons one or more of the required immunizations must be given after October 15 of the current school year, or after an earlier established date of the current school year, then the child shall present, by October 15, or by the earlier established date, a schedule for the administration of the immunizations and a statement of the medical reasons causing the delay, both the schedule and the statement being issued by the physician, advanced practice registered nurse, physician assistant, registered nurse, or local health department that will be responsible for administration of the remaining required immunizations. If a child does not comply by October 15, or by the earlier established date of the current school year, with the requirements of this subsection, then the local school authority shall exclude that child from school until such time as the child presents proof of having had the health examination as required and presents proof of having received those required immunizations which are medically possible to receive immediately. During a child's exclusion from school for noncompliance with this subsection, the child's parents or legal guardian shall be considered in violation of Section 26-1 and subject to any penalty imposed by Section 26-10. This subsection (5) does not apply to dental examinations, eye examinations, and the developmental screening and the social and emotional screening portions of the health examination. If the student is an out-of-state transfer student and does not have the proof required under

New matter indicated by italics - deletions by strikeout
this subsection (5) before October 15 of the current year or whatever date is set by the school district, then he or she may only attend classes (i) if he or she has proof that an appointment for the required vaccinations has been scheduled with a party authorized to submit proof of the required vaccinations. If the proof of vaccination required under this subsection (5) is not submitted within 30 days after the student is permitted to attend classes, then the student is not to be permitted to attend classes until proof of the vaccinations has been properly submitted. No school district or employee of a school district shall be held liable for any injury or illness to another person that results from admitting an out-of-state transfer student to class that has an appointment scheduled pursuant to this subsection (5).

(6) Every school shall report to the State Board of Education by November 15, in the manner which that agency shall require, the number of children who have received the necessary immunizations and the health examination (other than a dental examination or eye examination) as required, indicating, of those who have not received the immunizations and examination as required, the number of children who are exempt from health examination and immunization requirements on religious or medical grounds as provided in subsection (8). On or before December 1 of each year, every public school district and registered nonpublic school shall make publicly available the immunization data they are required to submit to the State Board of Education by November 15. The immunization data made publicly available must be identical to the data the school district or school has reported to the State Board of Education.

Every school shall report to the State Board of Education by June 30, in the manner that the State Board requires, the number of children who have received the required dental examination, indicating, of those who have not received the required dental examination, the number of children who are exempt from the dental examination on religious grounds as provided in subsection (8) of this Section and the number of children who have received a waiver under subsection (1.5) of this Section.

Every school shall report to the State Board of Education by June 30, in the manner that the State Board requires, the number of children who have received the required eye examination, indicating, of those who have not received the required eye examination, the number of children who are exempt from the eye examination as provided in subsection (8) of this Section, the number of children who have received a waiver under subsection (1.10) of this Section, and the total number of children in noncompliance with the eye examination requirement.

New matter indicated by italics - deletions by strikeout
The reported information under this subsection (6) shall be provided to the Department of Public Health by the State Board of Education.

(7) Upon determining that the number of pupils who are required to be in compliance with subsection (5) of this Section is below 90% of the number of pupils enrolled in the school district, 10% of each State aid payment made pursuant to Section 18-8.05 or 18-8.15 to the school district for such year may be withheld by the State Board of Education until the number of students in compliance with subsection (5) is the applicable specified percentage or higher.

(8) Children of parents or legal guardians who object to health, dental, or eye examinations or any part thereof, to immunizations, or to vision and hearing screening tests on religious grounds shall not be required to undergo the examinations, tests, or immunizations to which they so object if such parents or legal guardians present to the appropriate local school authority a signed Certificate of Religious Exemption detailing the grounds for objection and the specific immunizations, tests, or examinations to which they object. The grounds for objection must set forth the specific religious belief that conflicts with the examination, test, immunization, or other medical intervention. The signed certificate shall also reflect the parent's or legal guardian's understanding of the school's exclusion policies in the case of a vaccine-preventable disease outbreak or exposure. The certificate must also be signed by the authorized examining health care provider responsible for the performance of the child's health examination confirming that the provider provided education to the parent or legal guardian on the benefits of immunization and the health risks to the student and to the community of the communicable diseases for which immunization is required in this State. However, the health care provider's signature on the certificate reflects only that education was provided and does not allow a health care provider grounds to determine a religious exemption. Those receiving immunizations required under this Code shall be provided with the relevant vaccine information statements that are required to be disseminated by the federal National Childhood Vaccine Injury Act of 1986, which may contain information on circumstances when a vaccine should not be administered, prior to administering a vaccine. A healthcare provider may consider including without limitation the nationally accepted recommendations from federal agencies such as the Advisory Committee on Immunization Practices, the information outlined in the relevant vaccine information statement, and vaccine

package inserts, along with the healthcare provider's clinical judgment, to
determine whether any child may be more susceptible to experiencing an
adverse vaccine reaction than the general population, and, if so, the
healthcare provider may exempt the child from an immunization or adopt
an individualized immunization schedule. The Certificate of Religious
Exemption shall be created by the Department of Public Health and shall
be made available and used by parents and legal guardians by the
beginning of the 2015-2016 school year. Parents or legal guardians must
submit the Certificate of Religious Exemption to their local school
authority prior to entering kindergarten, sixth grade, and ninth grade for
each child for which they are requesting an exemption. The religious
objection stated need not be directed by the tenets of an established
religious organization. However, general philosophical or moral reluctance
to allow physical examinations, eye examinations, immunizations, vision
and hearing screenings, or dental examinations does not provide a
sufficient basis for an exception to statutory requirements. The local
school authority is responsible for determining if the content of the
Certificate of Religious Exemption constitutes a valid religious objection.
The local school authority shall inform the parent or legal guardian of
exclusion procedures, in accordance with the Department's rules under
Part 690 of Title 77 of the Illinois Administrative Code, at the time the
objection is presented.

If the physical condition of the child is such that any one or more
of the immunizing agents should not be administered, the examining
physician, advanced practice registered nurse, or physician assistant
responsible for the performance of the health examination shall endorse
that fact upon the health examination form.

Exempting a child from the health, dental, or eye examination does
not exempt the child from participation in the program of physical
education training provided in Sections 27-5 through 27-7 of this Code.

(b) A charter school may be established under this Article by creating a new school or by converting an existing public school or attendance center to charter school status. Beginning on April 16, 2003 (the effective date of Public Act 93-3), in all new applications to establish a charter school in a city having a population exceeding 500,000, operation of the charter school shall be limited to one campus. The changes made to this Section by Public Act 93-3 do not apply to charter schools existing or approved on or before April 16, 2003 (the effective date of Public Act 93-3).

(b-5) In this subsection (b-5), "virtual-schooling" means a cyber school where students engage in online curriculum and instruction via the Internet and electronic communication with their teachers at remote locations and with students participating at different times.

From April 1, 2013 through December 31, 2016, there is a moratorium on the establishment of charter schools with virtual-schooling components in school districts other than a school district organized under Article 34 of this Code. This moratorium does not apply to a charter school with virtual-schooling components existing or approved prior to April 1, 2013 or to the renewal of the charter of a charter school with virtual-schooling components already approved prior to April 1, 2013.

On or before March 1, 2014, the Commission shall submit to the General Assembly a report on the effect of virtual-schooling, including without limitation the effect on student performance, the costs associated with virtual-schooling, and issues with oversight. The report shall include policy recommendations for virtual-schooling.

(c) A charter school shall be administered and governed by its board of directors or other governing body in the manner provided in its charter. The governing body of a charter school shall be subject to the Freedom of Information Act and the Open Meetings Act.

(d) For purposes of this subsection (d), "non-curricular health and safety requirement" means any health and safety requirement created by statute or rule to provide, maintain, preserve, or safeguard safe or healthful conditions for students and school personnel or to eliminate, reduce, or prevent threats to the health and safety of students and school personnel. "Non-curricular health and safety requirement" does not include any
course of study or specialized instructional requirement for which the State Board has established goals and learning standards or which is designed primarily to impart knowledge and skills for students to master and apply as an outcome of their education.

A charter school shall comply with all non-curricular health and safety requirements applicable to public schools under the laws of the State of Illinois. On or before September 1, 2015, the State Board shall promulgate and post on its Internet website a list of non-curricular health and safety requirements that a charter school must meet. The list shall be updated annually no later than September 1. Any charter contract between a charter school and its authorizer must contain a provision that requires the charter school to follow the list of all non-curricular health and safety requirements promulgated by the State Board and any non-curricular health and safety requirements added by the State Board to such list during the term of the charter. Nothing in this subsection (d) precludes an authorizer from including non-curricular health and safety requirements in a charter school contract that are not contained in the list promulgated by the State Board, including non-curricular health and safety requirements of the authorizing local school board.

(e) Except as otherwise provided in the School Code, a charter school shall not charge tuition; provided that a charter school may charge reasonable fees for textbooks, instructional materials, and student activities.

(f) A charter school shall be responsible for the management and operation of its fiscal affairs including, but not limited to, the preparation of its budget. An audit of each charter school's finances shall be conducted annually by an outside, independent contractor retained by the charter school. To ensure financial accountability for the use of public funds, on or before December 1 of every year of operation, each charter school shall submit to its authorizer and the State Board a copy of its audit and a copy of the Form 990 the charter school filed that year with the federal Internal Revenue Service. In addition, if deemed necessary for proper financial oversight of the charter school, an authorizer may require quarterly financial statements from each charter school.

(g) A charter school shall comply with all provisions of this Article, the Illinois Educational Labor Relations Act, all federal and State laws and rules applicable to public schools that pertain to special education and the instruction of English learners, and its charter. A charter school is exempt from all other State laws and regulations in this Code.
governing public schools and local school board policies; however, a charter school is not exempt from the following:

(1) Sections 10-21.9 and 34-18.5 of this Code regarding criminal history records checks and checks of the Statewide Sex Offender Database and Statewide Murderer and Violent Offender Against Youth Database of applicants for employment;

(2) Sections 10-20.14, 10-22.6, 24-24, 34-19, and 34-84a of this Code regarding discipline of students;

(3) the Local Governmental and Governmental Employees Tort Immunity Act;

(4) Section 108.75 of the General Not For Profit Corporation Act of 1986 regarding indemnification of officers, directors, employees, and agents;

(5) the Abused and Neglected Child Reporting Act;

(5.5) subsection (b) of Section 10-23.12 and subsection (b) of Section 34-18.6 of this Code;

(6) the Illinois School Student Records Act;

(7) Section 10-17a of this Code regarding school report cards;

(8) the P-20 Longitudinal Education Data System Act;

(9) Section 27-23.7 of this Code regarding bullying prevention;

(10) Section 2-3.162 of this Code regarding student discipline reporting;

(11) Sections 22-80 and 27-8.1 of this Code; and

(12) Sections 10-20.60 and 34-18.53 of this Code;

(13) Section 10-20.63 and 34-18.56 of this Code; and

(14) Section 26-18 of this Code.

The change made by Public Act 96-104 to this subsection (g) is declaratory of existing law.

(h) A charter school may negotiate and contract with a school district, the governing body of a State college or university or public community college, or any other public or for-profit or nonprofit private entity for: (i) the use of a school building and grounds or any other real property or facilities that the charter school desires to use or convert for use as a charter school site, (ii) the operation and maintenance thereof, and (iii) the provision of any service, activity, or undertaking that the charter school is required to perform in order to carry out the terms of its charter.

However, a charter school that is established on or after April 16, 2003 (the effective date of Public Act 93-3) and that operates in a city having a population exceeding 500,000 may not contract with a for-profit entity to manage or operate the school during the period that commences on April 16, 2003 (the effective date of Public Act 93-3) and concludes at the end of the 2004-2005 school year. Except as provided in subsection (i) of this Section, a school district may charge a charter school reasonable rent for the use of the district's buildings, grounds, and facilities. Any services for which a charter school contracts with a school district shall be provided by the district at cost. Any services for which a charter school contracts with a local school board or with the governing body of a State college or university or public community college shall be provided by the public entity at cost.

(i) In no event shall a charter school that is established by converting an existing school or attendance center to charter school status be required to pay rent for space that is deemed available, as negotiated and provided in the charter agreement, in school district facilities. However, all other costs for the operation and maintenance of school district facilities that are used by the charter school shall be subject to negotiation between the charter school and the local school board and shall be set forth in the charter.

(j) A charter school may limit student enrollment by age or grade level.

(k) If the charter school is approved by the Commission, then the Commission charter school is its own local education agency.

(105 ILCS 5/29-5) (from Ch. 122, par. 29-5)

Sec. 29-5. Reimbursement by State for transportation. Any school district, maintaining a school, transporting resident pupils to another school district's vocational program, offered through a joint agreement approved by the State Board of Education, as provided in Section 10-22.22 or transporting its resident pupils to a school which meets the standards for recognition as established by the State Board of Education which provides transportation meeting the standards of safety, comfort, convenience, efficiency and operation prescribed by the State Board of Education for resident pupils in kindergarten or any of grades 1 through 12 who: (a)

reside at least 1 1/2 miles as measured by the customary route of travel, from the school attended; or (b) reside in areas where conditions are such that walking constitutes a hazard to the safety of the child when determined under Section 29-3; and (c) are transported to the school attended from pick-up points at the beginning of the school day and back again at the close of the school day or transported to and from their assigned attendance centers during the school day, shall be reimbursed by the State as hereinafter provided in this Section.

The State will pay the cost of transporting eligible pupils less the prior year assessed valuation in a dual school district maintaining secondary grades 9 to 12 inclusive times a qualifying rate of .05%; in elementary school districts maintaining grades K to 8 times a qualifying rate of .06%; and in unit districts maintaining grades K to 12, including optional elementary unit districts and combined high school - unit districts, times a qualifying rate of .07%; provided that for optional elementary unit districts and combined high school - unit districts, prior year assessed valuation for high school purposes, as defined in Article 11E of this Code, must be used. To be eligible to receive reimbursement in excess of 4/5 of the cost to transport eligible pupils, a school district shall have a Transportation Fund tax rate of at least .12%. If a school district does not have a .12% Transportation Fund tax rate, the amount of its claim in excess of 4/5 of the cost to transport eligible pupils shall be reduced by the sum arrived at by subtracting the Transportation Fund tax rate from .12% and multiplying that amount by the district's prior year equalized or assessed valuation, provided, that in no case shall said reduction result in reimbursement of less than 4/5 of the cost to transport eligible pupils.

The minimum amount to be received by a district is $16 times the number of eligible pupils transported.

When calculating the reimbursement for transportation costs, the State Board of Education may not deduct the number of pupils enrolled in early education programs from the number of pupils eligible for reimbursement if the pupils enrolled in the early education programs are transported at the same time as other eligible pupils.

Any such district transporting resident pupils during the school day to an area vocational school or another school district's vocational program more than 1 1/2 miles from the school attended, as provided in Sections 10-22.20a and 10-22.22, shall be reimbursed by the State for 4/5 of the cost of transporting eligible pupils.

New matter indicated by italics - deletions by strikeout
School day means that period of time *during* which the pupil is required to be in attendance for instructional purposes.

If a pupil is at a location within the school district other than his residence for child care purposes at the time for transportation to school, that location may be considered for purposes of determining the 1 1/2 miles from the school attended.

Claims for reimbursement that include children who attend any school other than a public school shall show the number of such children transported.

Claims for reimbursement under this Section shall not be paid for the transportation of pupils for whom transportation costs are claimed for payment under other Sections of this Act.

The allowable direct cost of transporting pupils for regular, vocational, and special education pupil transportation shall be limited to the sum of the cost of physical examinations required for employment as a school bus driver; the salaries of full-time or part-time drivers and school bus maintenance personnel; employee benefits excluding Illinois municipal retirement payments, social security payments, unemployment insurance payments and workers' compensation insurance premiums; expenditures to independent carriers who operate school buses; payments to other school districts for pupil transportation services; pre-approved contractual expenditures for computerized bus scheduling; expenditures for housing assistance and homeless prevention under Sections 1-17 and 1-18 of the Education for Homeless Children Act that are not in excess of the school district's actual costs for providing transportation services and are not otherwise claimed in another State or federal grant that permits those costs to a parent, a legal guardian, any other person who enrolled a pupil, or a homeless assistance agency that is part of the federal McKinney-Vento Homeless Assistance Act's continuum of care for the area in which the district is located; the cost of gasoline, oil, tires, and other supplies necessary for the operation of school buses; the cost of converting buses' gasoline engines to more fuel efficient engines or to engines which use alternative energy sources; the cost of travel to meetings and workshops conducted by the regional superintendent or the State Superintendent of Education pursuant to the standards established by the Secretary of State under Section 6-106 of the Illinois Vehicle Code to improve the driving skills of school bus drivers; the cost of maintenance of school buses including parts and materials used; expenditures for leasing transportation vehicles, except interest and service charges; the cost of

insurance and licenses for transportation vehicles; expenditures for the rental of transportation equipment; plus a depreciation allowance of 20% for 5 years for school buses and vehicles approved for transporting pupils to and from school and a depreciation allowance of 10% for 10 years for other transportation equipment so used. Each school year, if a school district has made expenditures to the Regional Transportation Authority or any of its service boards, a mass transit district, or an urban transportation district under an intergovernmental agreement with the district to provide for the transportation of pupils and if the public transit carrier received direct payment for services or passes from a school district within its service area during the 2000-2001 school year, then the allowable direct cost of transporting pupils for regular, vocational, and special education pupil transportation shall also include the expenditures that the district has made to the public transit carrier. In addition to the above allowable costs school districts shall also claim all transportation supervisory salary costs, including Illinois municipal retirement payments, and all transportation related building and building maintenance costs without limitation.

Special education allowable costs shall also include expenditures for the salaries of attendants or aides for that portion of the time they assist special education pupils while in transit and expenditures for parents and public carriers for transporting special education pupils when pre-approved by the State Superintendent of Education.

Indirect costs shall be included in the reimbursement claim for districts which own and operate their own school buses. Such indirect costs shall include administrative costs, or any costs attributable to transporting pupils from their attendance centers to another school building for instructional purposes. No school district which owns and operates its own school buses may claim reimbursement for indirect costs which exceed 5% of the total allowable direct costs for pupil transportation.

The State Board of Education shall prescribe uniform regulations for determining the above standards and shall prescribe forms of cost accounting and standards of determining reasonable depreciation. Such depreciation shall include the cost of equipping school buses with the safety features required by law or by the rules, regulations and standards promulgated by the State Board of Education, and the Department of Transportation for the safety and construction of school buses provided, however, any equipment cost reimbursed by the Department of Transportation for equipping school buses with such safety equipment

shall be deducted from the allowable cost in the computation of reimbursement under this Section in the same percentage as the cost of the equipment is depreciated.

On or before August 15, annually, the chief school administrator for the district shall certify to the State Superintendent of Education the district's claim for reimbursement for the school year ending on June 30 next preceding. The State Superintendent of Education shall check and approve the claims and prepare the vouchers showing the amounts due for district reimbursement claims. Each fiscal year, the State Superintendent of Education shall prepare and transmit the first 3 vouchers to the Comptroller on the 30th day of September, December and March, respectively, and the final voucher, no later than June 20.

If the amount appropriated for transportation reimbursement is insufficient to fund total claims for any fiscal year, the State Board of Education shall reduce each school district's allowable costs and flat grant amount proportionately to make total adjusted claims equal the total amount appropriated.

For purposes of calculating claims for reimbursement under this Section for any school year beginning July 1, 1998, or thereafter, the equalized assessed valuation for a school district used to compute reimbursement shall be computed in the same manner as it is computed under paragraph (2) of subsection (G) of Section 18-8.05.

All reimbursements received from the State shall be deposited into the district's transportation fund or into the fund from which the allowable expenditures were made.

Notwithstanding any other provision of law, any school district receiving a payment under this Section or under Section 14-7.02, 14-7.02b, or 14-13.01 of this Code may classify all or a portion of the funds that it receives in a particular fiscal year or from general State aid pursuant to Section 18-8.05 of this Code as funds received in connection with any funding program for which it is entitled to receive funds from the State in that fiscal year (including, without limitation, any funding program referenced in this Section), regardless of the source or timing of the receipt. The district may not classify more funds as funds received in connection with the funding program than the district is entitled to receive in that fiscal year for that program. Any classification by a district must be made by a resolution of its board of education. The resolution must identify the amount of any payments or general State aid to be classified under this paragraph and must specify the funding program to which the

New matter indicated by italics - deletions by strikeout
funds are to be treated as received in connection therewith. This resolution is controlling as to the classification of funds referenced therein. A certified copy of the resolution must be sent to the State Superintendent of Education. The resolution shall still take effect even though a copy of the resolution has not been sent to the State Superintendent of Education in a timely manner. No classification under this paragraph by a district shall affect the total amount or timing of money the district is entitled to receive under this Code. No classification under this paragraph by a district shall in any way relieve the district from or affect any requirements that otherwise would apply with respect to that funding program, including any accounting of funds by source, reporting expenditures by original source and purpose, reporting requirements, or requirements of providing services.

Any school district with a population of not more than 500,000 must deposit all funds received under this Article into the transportation fund and use those funds for the provision of transportation services. (Source: P.A. 100-332, eff. 8-25-17; 100-465, eff. 8-31-17; revised 9-22-17.)

The governing body of any special charter district, when requested by the treasurer or custodian of the funds of the district, shall designate one or more banks or savings and loan associations in which the funds in the custody of the treasurer or custodian may be kept. A bank or savings and loan association designated as a depositary shall continue as such until 10 days have elapsed after a new depositary is designated and has qualified by furnishing the statements of resources and liabilities as is required by this Section. When a new depositary is designated, the board of education or other governing body shall notify the sureties of the treasurer or custodian of that fact, in writing, at least 5 days before the transfer of funds. The treasurer or custodian shall be discharged from responsibility for all funds which he deposits in a depositary so designated while such funds are so deposited.

No bank or savings and loan association shall receive public funds as permitted by this Section, unless it has complied with the requirements established pursuant to Section 6 of the Public Funds Investment Act “An Act relating to certain investments of public funds by public agencies”, approved July 23, 1943, as now or hereafter amended. The prohibition does not affect or limit the powers afforded law enforcement officers to perform their duties within schools as otherwise prescribed by law.

Sec. 155.57. Filing, approval, and withdrawal of forms.

(a) All policies, certificates of insurance, notices of proposed insurance, applications for insurance, endorsements, and riders delivered or issued for delivery in this State and the schedules of premium rates pertaining thereto shall be filed with the Director.

(b) The Director shall within a reasonable time after the filing of any such policies, certificates of insurance, notices of proposed insurance, applications for insurance, endorsements, and riders, disapprove any such form if the benefits provided therein are not reasonable in relation to the premium charge, or if it contains provisions which are unjust, unfair, inequitable, misleading, deceptive, or encourage misrepresentation of the coverage, or are contrary to any provision of this Insurance Code or of any rule or regulation promulgated thereunder.

(c) If the Director notifies the insurer that the form is disapproved, it is unlawful thereafter for such insurer to issue or use such form. In such notice, the Director shall specify the reason for his disapproval and state that a hearing will be granted within 20 days after request in writing by the insurer. No such policy, certificate of insurance, notice of proposed insurance, nor any application, endorsement of rider, shall be issued or used until after it has been so filed and the Director has given his prior written approval thereto.

(d) The Director may at any time, after giving not less than 20 days prior written notice to the insurer, withdraw his approval of any such form on any ground set forth in subsection (b) above. The written notice of withdrawal shall state the reason for the action. The insurer may request a hearing within 10 days after receipt of the notice of withdrawal by giving the Director written notice of such request, together with a statement of its objections. The Director must then conduct a hearing in accordance with

Sections 402 and 403. The withdrawal shall be stayed pending the issuance of the Director's orders following the hearing.

However, if it appears to the Director that the continued use of any such policy, certificate of insurance, notice of proposed insurance, application for insurance, endorsement, or rider by an insurer is hazardous to its policyholders or the public, the Director may take such action as is prescribed by Section 401.1.

(e) It is not lawful for the insurer to issue such forms or use them after the effective date of such withdrawal.

(f) If a group policy of credit life insurance or credit accident and health insurance has been or is delivered in another state before or after October 1, 1975 (the effective date of Public Act 79-930) this amendatory Act of 1975, the insurer shall be required to file only the group certificate and notice of proposed insurance delivered or issued for delivery in this State as specified in subsections (b) and (d) of Section 155.57 of this Article and such forms shall be approved by the Director if they conform with the requirements so specified in said subsections and if the schedules of premium rates applicable to the insurance evidenced by such certificate or notice are not in excess of the insurer's schedules of premium rates filed with the Director; provided, however, the premium rate in effect on existing group policies may be continued until the first policy anniversary date following October 1, 1975 (the effective date of Public Act 79-930) this amendatory Act of 1975.

(g) Any order or final determination of the Director under the provisions of this Section shall be subject to judicial review.

regulations to be published in the Federal Register or publishes a comment in the Federal Register or issues an opinion, guidance, or other action that would require the State, pursuant to any provision of the Patient Protection and Affordable Care Act (Public Law 111-148), including, but not limited to, 42 U.S.C. 18031(d)(3)(B) or any successor provision, to defray the cost of any coverage for pediatric autoimmune neuropsychiatric disorders associated with streptococcal infections and pediatric acute onset neuropsychiatric syndrome outlined in this Section, then the requirement that an insurer cover pediatric autoimmune neuropsychiatric disorders associated with streptococcal infections and pediatric acute onset neuropsychiatric syndrome is inoperative other than any such coverage authorized under Section 1902 of the Social Security Act, 42 U.S.C. 1396a, and the State shall not assume any obligation for the cost of coverage for pediatric autoimmune neuropsychiatric disorders associated with streptococcal infections and pediatric acute onset neuropsychiatric syndrome.

(c) When necessary to permit synchronization, the policy shall apply a prorated daily cost-sharing rate to any medication dispensed by a network pharmacy pursuant to this Section. No dispensing fees shall be prorated, and all dispensing fees shall be based on the number of prescriptions filled or refilled.

approved, or unless exempted from filing by such rules and regulations as may be promulgated by the Director.

(2) The Director shall within 90 days after the filing of such forms disapprove any such form if the benefits provided therein are not reasonable in relation to the premium charged, or if it contains provisions that are unjust, unfair, inequitable, misleading, deceptive, or encourage misrepresentation of the coverage, or are contrary to any provision of the Insurance Code, or any rule or regulation promulgated thereunder. The Director may, upon written notice within such waiting period to the company which made the filing, extend such waiting period for an additional 30 days. A filing shall be deemed to meet the requirements of this Section unless disapproved by the Director within the waiting period or the extension thereof.

(3) If the Director notifies the insurer that the form is disapproved, the insurer shall not issue or use such form. In such notice the Director shall specify the reason for his disapproval. The company may request a hearing on such disapproval within 30 days after receipt of such disapproval. The Director shall grant a hearing subsequent to the receipt of such request.

Sec. 429. Procedure as to unfair methods of competition and unfair or deceptive acts or practices which are not defined.

New matter indicated by italics - deletions by strikeout
(1) Whenever the Director shall have reason to believe (a) that any person engaged in the business of insurance is engaging in this State in any method of competition or in any act or practice in the conduct of such business which is not defined in Section 424, as an unfair method of competition or an unfair or deceptive act or practice, or that any person domiciled in or resident of this State engaged in the business of insurance is engaging in any other state, territory, province, possession, country, or district in which he or she is not licensed or otherwise authorized to transact business in any method of competition or in any act or practice in the conduct of such business which is not defined in Section 424, as an unfair method of competition or an unfair or deceptive act or practice, and (b) that such method of competition is unfair or that such act or practice is unfair or deceptive, or (c) that such unfair method of competition or such unfair or deceptive act or practice violates any of the provisions of this the Insurance Code or any other law of this State, or (d) that a proceeding by him or her in respect thereto would be to the interest of the public, he or she may issue and serve upon such person a statement of the charges in that respect and a notice of a hearing thereon to be held at a time and place fixed in the notice, which shall not be less than 10 days after the date of the service thereof. Each such hearing shall be conducted in the same manner as the hearings provided for in Section 426. The Director shall, after such hearing, make a report in writing in which he or she shall state his or her findings as to the facts, and he or she shall serve a copy thereof upon such person.

(2) If such report charges a violation of this Article and if such method of competition, act, or practice has not been discontinued, the Director may, through the Attorney General of this State, at any time after the service of such report cause a complaint to be filed in the Circuit Court of Sangamon County or in the Circuit Court of this State within the county wherein the person resides or has his principal place of business, to enjoin and restrain such person from engaging in such method, act, or practice. The court shall have jurisdiction of the proceeding and shall have power to make and enter appropriate orders in connection therewith and to enter such orders as are ancillary to its jurisdiction or are necessary in its judgment to prevent injury to the public pendente lite.

(3) A transcript of the proceedings before the Director including all evidence taken and the report and findings shall be filed with such complaint. If either party shall apply to the court for leave to adduce additional evidence and shall show, to the satisfaction of the court, that
such additional evidence is material and there were reasonable grounds for
the failure to adduce such evidence in the proceedings before the Director
the court may order such additional evidence to be taken before the
Director and to be adduced upon the hearing in such manner and upon
such terms and conditions as to the court may seem proper. The Director
may modify his or her findings of fact or make new findings by reason of
the additional evidence so taken, and he or she shall file such modified or
new findings with the return of such additional evidence.

(4) If the court finds (a) that the method of competition complained
of is unfair or that the act or practice complained of is unfair or deceptive,
or (b) that such unfair method of competition or such unfair or deceptive
act or practice is in violation of this the Insurance Code or any other law of
this State and (c) that the proceeding by the Director with respect thereto is
to the interest of public and (d) that the findings of the Director are
supported by the evidence, it shall enter an order enjoining and restraining
the continuance of such method of competition, act, or practice.

(a) to persons who, regardless of where they reside (except for non-resident certificate holders under group policies or contracts), are the beneficiaries, assignees or payees of the persons covered under paragraph (b) of this subsection subparagraph (1)(b), and

(b) to persons who are owners of or certificate holders under the policies or contracts (other than unallocated annuity contracts and structured settlement annuities) and in each case who:

(i) are residents; or
(ii) are not residents, but only under all of the following conditions:

(A) the insurer that issued the policies or contracts is domiciled in this State;
(B) the states in which the persons reside have associations similar to the Association created by this Article;
(C) the persons are not eligible for coverage by an association in any other state due to the fact that the insurer was not licensed in that state at the time specified in that state's guaranty association law.

(c) For unallocated annuity contracts specified in subsection (2), paragraphs (a) and (b) of this subsection (1) shall not apply and

this Article shall (except as provided in paragraphs (e) and (f) of this subsection) provide coverage to:

(ii) persons who are owners of unallocated annuity contracts issued to or in connection with government lotteries if the owners are residents.

(d) For structured settlement annuities specified in subsection (2), paragraphs (a) and (b) of this subsection (1) shall not apply and this Article shall (except as provided in paragraphs (e) and (f) of this subsection) provide coverage to a person who is a payee under a structured settlement annuity (or beneficiary of a payee if the payee is deceased), if the payee:

(f) This Article is intended to provide coverage to a person who is a resident of this State and, in special circumstances, to a nonresident. In order to avoid duplicate coverage, if a person who would otherwise receive coverage under this Article is provided coverage under the laws of any other state, then the person shall not be provided coverage under this Article. In determining the application of the provisions of this paragraph in situations where a person could be covered by the association of more than one state, whether as an owner, payee, beneficiary, or assignee, this Article shall be construed in conjunction with other state laws to result in coverage by only one association.

(2)(a) This Article shall provide coverage to the persons specified in subsection paragraph (1) of this Section for direct, (i) nongroup life, health, annuity and supplemental policies, or contracts, (ii) for certificates under direct group policies or contracts, (iii) for unallocated annuity contracts and (iv) for contracts to furnish health care services and subscription certificates for medical or health care services issued by persons licensed to transact insurance business in this State under this Illinois Insurance Code. If a policy's or contract's interest or changes in value are credited less frequently than annually, then for purposes of determining the values that have been credited and are not subject to forfeiture under this Section, the interest or change in value determined by using the procedures defined in the policy or contract will be credited as if the contractual date of crediting interest or changing values was the date of impairment or insolvency, whichever is earlier, and will not be subject to forfeiture; or

(xv) that portion or part of a variable life insurance or variable annuity contract not guaranteed by an insurer.

(3) The benefits for which the Association may become liable shall in no event exceed the lesser of:

(a) the contractual obligations for which the insurer is liable or would have been liable if it were not an impaired or insolvent insurer, or

(b)(i) with respect to any one life, regardless of the number of policies or contracts:

However, in the case where one or more unallocated annuity contracts are covered contracts under this Article and are owned by a trust or other entity for the benefit of 2 or more plan sponsors, coverage shall be afforded by the Association if the largest interest in the trust or entity owning the contract or contracts is held by a plan sponsor whose principal place of business is in this State. Instrument Consumer Protection Act, a speech-language pathologist, or a qualified State agency and to any subscriber which is an organization serving the needs of those persons with a hearing or speech disability as determined and specified by the Commission pursuant to subsection (d).

(b) The Commission shall design and implement a program, whereby each telecommunications carrier providing local exchange service shall provide a telecommunications relay system, using third party intervention to connect those persons having a hearing or speech disability with persons of normal hearing by way of intercommunications devices and the telephone system, making available reasonable access to all phases of public telephone service to persons who have a hearing or speech disability. In order to design a telecommunications relay system which will meet the requirements of those persons with a hearing or speech disability available at a reasonable cost, the Commission shall initiate an investigation and conduct public hearings to determine the most cost-effective method of providing telecommunications relay service to those persons who have a hearing or speech disability when using telecommunications devices and therein solicit the advice, counsel, and physical assistance of Statewide nonprofit consumer organizations that serve persons with hearing or speech disabilities in such hearings and during the development and implementation of the system. The Commission shall phase in this program, on a geographical basis, as soon as is practicable, but no later than June 30, 1990.

(c) The Commission shall establish a competitively neutral rate recovery mechanism that establishes charges in an amount to be determined by the Commission for each line of a subscriber to allow telecommunications carriers providing local exchange service to recover costs as they are incurred under this Section. Beginning no later than April 1, 2016, and on a yearly basis thereafter, the Commission shall initiate a proceeding to establish the competitively neutral amount to be charged or assessed to subscribers of telecommunications carriers and wireless carriers, Interconnected VoIP service providers, and consumers of prepaid wireless telecommunications service in a manner consistent with this subsection (c) and subsection (f) of this Section. The Commission shall issue its order establishing the competitively neutral amount to be charged or assessed to subscribers of telecommunications carriers and wireless carriers, Interconnected VoIP service providers, and purchasers of prepaid wireless telecommunications service on or prior to June 1 of each year, and such amount shall take effect June 1 of each year.

Telecommunications carriers, wireless carriers, Interconnected VoIP service providers, and sellers of prepaid wireless telecommunications service shall have 60 days from the date the Commission files its order to implement the new rate established by the order.

(d) The Commission shall determine and specify those organizations serving the needs of those persons having a hearing or speech disability that shall receive a telecommunications device and in which offices the equipment shall be installed in the case of an organization having more than one office. For the purposes of this Section, "organizations serving the needs of those persons with hearing or speech disabilities" means centers for independent living as described in Section 12a of the Rehabilitation of Persons with Disabilities Act and not-for-profit organizations whose primary purpose is serving the needs of those persons with hearing or speech disabilities. The Commission shall direct the telecommunications carriers subject to its jurisdiction and this Section to comply with its determinations and specifications in this regard.

(e) As used in this Section:

"Prepaid wireless telecommunications service" has the meaning given to that term under Section 10 of the Prepaid Wireless 9-1-1 Surcharge Act.

"Retail transaction" has the meaning given to that term under Section 10 of the Prepaid Wireless 9-1-1 Surcharge Act.

"Seller" has the meaning given to that term under Section 10 of the Prepaid Wireless 9-1-1 Surcharge Act.

"Telecommunications carrier providing local exchange service" includes, without otherwise limiting the meaning of the term, telecommunications carriers which are purely mutual concerns, having no rates or charges for services, but paying the operating expenses by assessment upon the members of such a company and no other person.

"Wireless carrier" has the meaning given to that term under Section 2 of the Emergency Telephone System Act.

(f) Interconnected VoIP service providers, sellers of prepaid wireless telecommunications service, and wireless carriers in Illinois shall collect and remit assessments determined in accordance with this Section in a competitively neutral manner in the same manner as a telecommunications carrier providing local exchange service. However, the assessment imposed on consumers of prepaid wireless telecommunications service shall be collected by the seller from the
consumer and imposed per retail transaction as a percentage of that retail transaction on all retail transactions occurring in this State. The assessment on subscribers of wireless carriers and consumers of prepaid wireless telecommunications service shall not be imposed or collected prior to June 1, 2016.

Sellers of prepaid wireless telecommunications service shall remit the assessments to the Department of Revenue on the same form and in the same manner which they remit the fee collected under the Prepaid Wireless 9-1-1 Surcharge Act. For the purposes of display on the consumers' receipts, the rates of the fee collected under the Prepaid Wireless 9-1-1 Surcharge Act and the assessment under this Section may be combined. In administration and enforcement of this Section, the provisions of Sections 15 and 20 of the Prepaid Wireless 9-1-1 Surcharge Act (except subsections (a), (a-5), (b-5), (e), and (e-5) of Section 15 and subsections (c) and (e) of Section 20 of the Prepaid Wireless 9-1-1 Surcharge Act and, from June 29, 2015 (the effective date of Public Act 99-6), the seller shall be permitted to deduct and retain 3% of the assessments that are collected by the seller from consumers and that are remitted and timely filed with the Department) that are not inconsistent with this Section, shall apply, as far as practicable, to the subject matter of this Section to the same extent as if those provisions were included in this Section. Beginning on January 1, 2018, the seller is allowed to deduct and retain 3% of the assessments that are collected by the seller from consumers and that are remitted timely and timely filed with the Department, but only if the return is filed electronically as provided in Section 3 of the Retailers' Occupation Tax Act. Sellers who demonstrate that they do not have access to the Internet or demonstrate hardship in filing electronically may petition the Department to waive the electronic filing requirement. The Department shall deposit all assessments and penalties collected under this Section into the Illinois Telecommunications Access Corporation Fund, a special fund created in the State treasury. On or before the 25th day of each calendar month, the Department shall prepare and certify to the Comptroller the amount available to the Commission for distribution out of the Illinois Telecommunications Access Corporation Fund. The amount certified shall be the amount (not including credit memoranda) collected during the second preceding calendar month by the Department, plus an amount the Department determines is necessary to offset any amounts which were erroneously paid to a different taxing body or fund. The amount paid to the Illinois

Telecommunications Access Corporation Fund shall not include any amount equal to the amount of refunds made during the second preceding calendar month by the Department to retailers under this Section or any amount that the Department determines is necessary to offset any amounts which were payable to a different taxing body or fund but were erroneously paid to the Illinois Telecommunications Access Corporation Fund. The Commission shall distribute all the funds to the Illinois Telecommunications Access Corporation and the funds may only be used in accordance with the provisions of this Section. The Department shall deduct 2% of all amounts deposited in the Illinois Telecommunications Access Corporation Fund during every year of remitted assessments. Of the 2% deducted by the Department, one-half shall be transferred into the Tax Compliance and Administration Fund to reimburse the Department for its direct costs of administering the collection and remittance of the assessment. The remaining one-half shall be transferred into the Public Utility Fund to reimburse the Commission for its costs of distributing to the Illinois Telecommunications Access Corporation the amount certified by the Department for distribution. The amount to be charged or assessed under subsections (c) and (f) is not imposed on a provider or the consumer for wireless Lifeline service where the consumer does not pay the provider for the service. Where the consumer purchases from the provider optional minutes, texts, or other services in addition to the federally funded Lifeline benefit, a consumer must pay the charge or assessment, and it must be collected by the seller according to this subsection (f).

Interconnected VoIP services shall not be considered an intrastate telecommunications service for the purposes of this Section in a manner inconsistent with federal law or Federal Communications Commission regulation.

(g) The provisions of this Section are severable under Section 1.31 of the Statute on Statutes.

(h) The Commission may adopt rules necessary to implement this Section.

Notwithstanding any other provision of this Code, reproductive health care that is otherwise legal in Illinois shall be covered under the medical assistance program for persons who are otherwise eligible for medical assistance under this Article.

Notwithstanding any other provision of this Code, the Illinois Department may not require, as a condition of payment for any laboratory test authorized under this Article, that a physician's handwritten signature appear on the laboratory test order form. The Illinois Department may, however, impose other appropriate requirements regarding laboratory test order documentation.

Upon receipt of federal approval of an amendment to the Illinois Title XIX State Plan for this purpose, the Department shall authorize the Chicago Public Schools (CPS) to procure a vendor or vendors to manufacture eyeglasses for individuals enrolled in a school within the CPS system. CPS shall ensure that its vendor or vendors are enrolled as providers in the medical assistance program and in any capitated Medicaid managed care entity (MCE) serving individuals enrolled in a school within the CPS system. Under any contract procured under this provision, the vendor or vendors must serve only individuals enrolled in a school within the CPS system. Claims for services provided by CPS's vendor or vendors to recipients of benefits in the medical assistance program under this Code, the Children's Health Insurance Program, or the Covering ALL KIDS Health Insurance Program shall be submitted to the Department or the MCE in which the individual is enrolled for payment and shall be reimbursed at the Department's or the MCE's established rates or rate methodologies for eyeglasses.

On and after July 1, 2012, the Department of Healthcare and Family Services may provide the following services to persons eligible for assistance under this Article who are participating in education, training or
employment programs operated by the Department of Human Services as successor to the Department of Public Aid:

(1) dental services provided by or under the supervision of a dentist; and

(2) eyeglasses prescribed by a physician skilled in the diseases of the eye, or by an optometrist, whichever the person may select.

Notwithstanding any other provision of this Code and subject to federal approval, the Department may adopt rules to allow a dentist who is volunteering his or her service at no cost to render dental services through an enrolled not-for-profit health clinic without the dentist personally enrolling as a participating provider in the medical assistance program. A not-for-profit health clinic shall include a public health clinic or Federally Qualified Health Center or other enrolled provider, as determined by the Department, through which dental services covered under this Section are performed. The Department shall establish a process for payment of claims for reimbursement for covered dental services rendered under this provision.

The Illinois Department, by rule, may distinguish and classify the medical services to be provided only in accordance with the classes of persons designated in Section 5-2.

The Department of Healthcare and Family Services must provide coverage and reimbursement for amino acid-based elemental formulas, regardless of delivery method, for the diagnosis and treatment of (i) eosinophilic disorders and (ii) short bowel syndrome when the prescribing physician has issued a written order stating that the amino acid-based elemental formula is medically necessary.

The Illinois Department shall authorize the provision of, and shall authorize payment for, screening by low-dose mammography for the presence of occult breast cancer for women 35 years of age or older who are eligible for medical assistance under this Article, as follows:

(B) An annual mammogram for women 40 years of age or older.

(C) A mammogram at the age and intervals considered medically necessary by the woman's health care provider for women under 40 years of age and having a family history of breast
cancer, prior personal history of breast cancer, positive genetic testing, or other risk factors.

(D) A comprehensive ultrasound screening and MRI of an entire breast or breasts if a mammogram demonstrates heterogeneous or dense breast tissue, when medically necessary as determined by a physician licensed to practice medicine in all of its branches.

(E) A screening MRI when medically necessary, as determined by a physician licensed to practice medicine in all of its branches.

All screenings shall include a physical breast exam, instruction on self-examination and information regarding the frequency of self-examination and its value as a preventative tool. For purposes of this Section, "low-dose mammography" means the x-ray examination of the breast using equipment dedicated specifically for mammography, including the x-ray tube, filter, compression device, and image receptor, with an average radiation exposure delivery of less than one rad per breast for 2 views of an average size breast. The term also includes digital mammography and includes breast tomosynthesis. As used in this Section, the term "breast tomosynthesis" means a radiologic procedure that involves the acquisition of projection images over the stationary breast to produce cross-sectional digital three-dimensional images of the breast. If, at any time, the Secretary of the United States Department of Health and Human Services, or its successor agency, promulgates rules or regulations to be published in the Federal Register or publishes a comment in the Federal Register or issues an opinion, guidance, or other action that would require the State, pursuant to any provision of the Patient Protection and Affordable Care Act (Public Law 111-148), including, but not limited to, 42 U.S.C. 18031(d)(3)(B) or any successor provision, to defray the cost of any coverage for breast tomosynthesis outlined in this paragraph, then the requirement that an insurer cover breast tomosynthesis is inoperative other than any such coverage authorized under Section 1902 of the Social Security Act, 42 U.S.C. 1396a, and the State shall not assume any obligation for the cost of coverage for breast tomosynthesis set forth in this paragraph.

On and after January 1, 2017, providers participating in a breast cancer treatment quality improvement program approved by the Department shall be reimbursed for breast cancer treatment at a rate that is no lower than 95% of the Medicare program's rates for the data elements included in the breast cancer treatment quality program.

The Department shall convene an expert panel, including representatives of hospitals, free standing breast cancer treatment centers, breast cancer quality organizations, and doctors, including breast surgeons, reconstructive breast surgeons, oncologists, and primary care providers to establish quality standards for breast cancer treatment.

Subject to federal approval, the Department shall establish a rate methodology for mammography at federally qualified health centers and other encounter-rate clinics. These clinics or centers may also collaborate with other hospital-based mammography facilities. By January 1, 2016, the Department shall report to the General Assembly on the status of the provision set forth in this paragraph.

The Department shall establish a methodology to remind women who are age-appropriate for screening mammography, but who have not received a mammogram within the previous 18 months, of the importance and benefit of screening mammography. The Department shall work with experts in breast cancer outreach and patient navigation to optimize these reminders and shall establish a methodology for evaluating their effectiveness and modifying the methodology based on the evaluation.

The Department shall establish a performance goal for primary care providers with respect to their female patients over age 40 receiving an annual mammogram. This performance goal shall be used to provide additional reimbursement in the form of a quality performance bonus to primary care providers who meet that goal.

The Department shall devise a means of case-managing or patient navigation for beneficiaries diagnosed with breast cancer. This program

shall initially operate as a pilot program in areas of the State with the highest incidence of mortality related to breast cancer. At least one pilot program site shall be in the metropolitan Chicago area and at least one site shall be outside the metropolitan Chicago area. On or after July 1, 2016, the pilot program shall be expanded to include one site in western Illinois, one site in southern Illinois, one site in central Illinois, and 4 sites within metropolitan Chicago. An evaluation of the pilot program shall be carried out measuring health outcomes and cost of care for those served by the pilot program compared to similarly situated patients who are not served by the pilot program.

The Department shall require all networks of care to develop a means either internally or by contract with experts in navigation and community outreach to navigate cancer patients to comprehensive care in a timely fashion. The Department shall require all networks of care to include access for patients diagnosed with cancer to at least one academic commission on cancer-accredited cancer program as an in-network covered benefit.

Any medical or health care provider shall immediately recommend, to any pregnant woman who is being provided prenatal services and is suspected of drug abuse or is addicted as defined in the Alcoholism and Other Drug Abuse and Dependency Act, referral to a local substance abuse treatment provider licensed by the Department of Human Services or to a licensed hospital which provides substance abuse treatment services. The Department of Healthcare and Family Services shall assure coverage for the cost of treatment of the drug abuse or addiction for pregnant recipients in accordance with the Illinois Medicaid Program in conjunction with the Department of Human Services.

All medical providers providing medical assistance to pregnant women under this Code shall receive information from the Department on the availability of services under the Drug Free Families with a Future or any comparable program providing case management services for addicted women, including information on appropriate referrals for other social services that may be needed by addicted women in addition to treatment for addiction.

The Illinois Department, in cooperation with the Departments of Human Services (as successor to the Department of Alcoholism and Substance Abuse) and Public Health, through a public awareness campaign, may provide information concerning treatment for alcoholism and drug abuse and addiction, prenatal health care, and other pertinent

programs directed at reducing the number of drug-affected infants born to recipients of medical assistance.

Neither the Department of Healthcare and Family Services nor the Department of Human Services shall sanction the recipient solely on the basis of her substance abuse.

The Illinois Department shall establish such regulations governing the dispensing of health services under this Article as it shall deem appropriate. The Department should seek the advice of formal professional advisory committees appointed by the Director of the Illinois Department for the purpose of providing regular advice on policy and administrative matters, information dissemination and educational activities for medical and health care providers, and consistency in procedures to the Illinois Department.

The Illinois Department may develop and contract with Partnerships of medical providers to arrange medical services for persons eligible under Section 5-2 of this Code. Implementation of this Section may be by demonstration projects in certain geographic areas. The Partnership shall be represented by a sponsor organization. The Department, by rule, shall develop qualifications for sponsors of Partnerships. Nothing in this Section shall be construed to require that the sponsor organization be a medical organization.

The sponsor must negotiate formal written contracts with medical providers for physician services, inpatient and outpatient hospital care, home health services, treatment for alcoholism and substance abuse, and other services determined necessary by the Illinois Department by rule for delivery by Partnerships. Physician services must include prenatal and obstetrical care. The Illinois Department shall reimburse medical services delivered by Partnership providers to clients in target areas according to provisions of this Article and the Illinois Health Finance Reform Act, except that:

1. Physicians participating in a Partnership and providing certain services, which shall be determined by the Illinois Department, to persons in areas covered by the Partnership may receive an additional surcharge for such services.
2. The Department may elect to consider and negotiate financial incentives to encourage the development of Partnerships and the efficient delivery of medical care.

(3) Persons receiving medical services through Partnerships may receive medical and case management services above the level usually offered through the medical assistance program.

Medical providers shall be required to meet certain qualifications to participate in Partnerships to ensure the delivery of high quality medical services. These qualifications shall be determined by rule of the Illinois Department and may be higher than qualifications for participation in the medical assistance program. Partnership sponsors may prescribe reasonable additional qualifications for participation by medical providers, only with the prior written approval of the Illinois Department.

Nothing in this Section shall limit the free choice of practitioners, hospitals, and other providers of medical services by clients. In order to ensure patient freedom of choice, the Illinois Department shall immediately promulgate all rules and take all other necessary actions so that provided services may be accessed from therapeutically certified optometrists to the full extent of the Illinois Optometric Practice Act of 1987 without discriminating between service providers.

The Department shall apply for a waiver from the United States Health Care Financing Administration to allow for the implementation of Partnerships under this Section.

The Illinois Department shall require health care providers to maintain records that document the medical care and services provided to recipients of Medical Assistance under this Article. Such records must be retained for a period of not less than 6 years from the date of service or as provided by applicable State law, whichever period is longer, except that if an audit is initiated within the required retention period then the records must be retained until the audit is completed and every exception is resolved. The Illinois Department shall require health care providers to make available, when authorized by the patient, in writing, the medical records in a timely fashion to other health care providers who are treating or serving persons eligible for Medical Assistance under this Article. All dispensers of medical services shall be required to maintain and retain business and professional records sufficient to fully and accurately document the nature, scope, details and receipt of the health care provided to persons eligible for medical assistance under this Code, in accordance with regulations promulgated by the Illinois Department. The rules and regulations shall require that proof of the receipt of prescription drugs, dentures, prosthetic devices and eyeglasses by eligible persons under this Section accompany each claim for reimbursement submitted by the

dispenser of such medical services. No such claims for reimbursement shall be approved for payment by the Illinois Department without such proof of receipt, unless the Illinois Department shall have put into effect and shall be operating a system of post-payment audit and review which shall, on a sampling basis, be deemed adequate by the Illinois Department to assure that such drugs, dentures, prosthetic devices and eyeglasses for which payment is being made are actually being received by eligible recipients. Within 90 days after September 16, 1984 (the effective date of Public Act 83-1439), the Illinois Department shall establish a current list of acquisition costs for all prosthetic devices and any other items recognized as medical equipment and supplies reimbursable under this Article and shall update such list on a quarterly basis, except that the acquisition costs of all prescription drugs shall be updated no less frequently than every 30 days as required by Section 5-5.12.

Notwithstanding any other law to the contrary, the Illinois Department shall, within 365 days after July 22, 2013 (the effective date of Public Act 98-104), establish procedures to permit skilled care facilities licensed under the Nursing Home Care Act to submit monthly billing claims for reimbursement purposes. Following development of these procedures, the Department shall, by July 1, 2016, test the viability of the new system and implement any necessary operational or structural changes to its information technology platforms in order to allow for the direct acceptance and payment of nursing home claims.

The Illinois Department may require that all dispensers of medical services desiring to participate in the medical assistance program established under this Article disclose, under such terms and conditions as the Illinois Department may by rule establish, all inquiries from clients and attorneys regarding medical bills paid by the Illinois Department, which inquiries could indicate potential existence of claims or liens for the Illinois Department.

Enrollment of a vendor shall be subject to a provisional period and shall be conditional for one year. During the period of conditional enrollment, the Department may terminate the vendor's eligibility to participate in, or may disenroll the vendor from, the medical assistance program without cause. Unless otherwise specified, such termination of eligibility or disenrollment is not subject to the Department's hearing process. However, a disenrolled vendor may reapply without penalty.

The Department has the discretion to limit the conditional enrollment period for vendors based upon category of risk of the vendor.

Prior to enrollment and during the conditional enrollment period in the medical assistance program, all vendors shall be subject to enhanced oversight, screening, and review based on the risk of fraud, waste, and abuse that is posed by the category of risk of the vendor. The Illinois Department shall establish the procedures for oversight, screening, and review, which may include, but need not be limited to: criminal and financial background checks; fingerprinting; license, certification, and authorization verifications; unscheduled or unannounced site visits; database checks; prepayment audit reviews; audits; payment caps; payment suspensions; and other screening as required by federal or State law.

The Department shall define or specify the following: (i) by provider notice, the "category of risk of the vendor" for each type of vendor, which shall take into account the level of screening applicable to a particular category of vendor under federal law and regulations; (ii) by rule or provider notice, the maximum length of the conditional enrollment period for each category of risk of the vendor; and (iii) by rule, the hearing rights, if any, afforded to a vendor in each category of risk of the vendor that is terminated or disenrolled during the conditional enrollment period.

(2) In the case of errors attributable to the Illinois Department or any of its claims processing intermediaries which result in an inability to receive, process, or adjudicate a claim, the 180-day period shall not begin until the provider has been notified of the error.

(3) In the case of a provider for whom the Illinois Department initiates the monthly billing process.

(4) In the case of a provider operated by a unit of local government with a population exceeding 3,000,000 when local government funds finance federal participation for claims payments.

For claims for services rendered during a period for which a recipient received retroactive eligibility, claims must be filed within 180 days after the Department determines the applicant is eligible. For claims for which the Illinois Department is not the primary payer, claims must be submitted to the Illinois Department within 180 days after the final adjudication by the primary payer.

In the case of long term care facilities, within 45 calendar days of receipt by the facility of required prescreening information, new admissions with associated admission documents shall be submitted through the Medical Electronic Data Interchange (MEDI) or the Recipient Eligibility Verification (REV) System or shall be submitted directly to the Department of Human Services using required admission forms. Effective September 1, 2014, admission documents, including all prescreening information, must be submitted through MEDI or REV. Confirmation numbers assigned to an accepted transaction shall be retained by a facility to verify timely submittal. Once an admission transaction has been completed, all resubmitted claims following prior rejection are subject to receipt no later than 180 days after the admission transaction has been completed.

Claims that are not submitted and received in compliance with the foregoing requirements shall not be eligible for payment under the medical assistance program, and the State shall have no liability for payment of those claims.

To the extent consistent with applicable information and privacy, security, and disclosure laws, State and federal agencies and departments shall provide the Illinois Department access to confidential and other information and data necessary to perform eligibility and payment verifications and other Illinois Department functions. This includes, but is not limited to: information pertaining to licensure; certification; earnings; immigration status; citizenship; wage reporting; unearned and earned income; pension income; employment; supplemental security income; social security numbers; National Provider Identifier (NPI) numbers; the National Practitioner Data Bank (NPDB); program and agency exclusions; taxpayer identification numbers; tax delinquency; corporate information; and death records.

The Illinois Department shall enter into agreements with State agencies and departments, and is authorized to enter into agreements with federal agencies and departments, under which such agencies and departments shall share data necessary for medical assistance program integrity functions and oversight. The Illinois Department shall develop, in cooperation with other State departments and agencies, and in compliance with applicable federal laws and regulations, appropriate and effective methods to share such data. Beginning in fiscal year 2013, the Illinois Department shall set forth a request for information to identify the benefits of a pre-payment, post-adjudication, and post-edit claims system with the goals of streamlining claims processing and provider reimbursement, reducing the number of pending or rejected claims, and helping to ensure a more transparent adjudication process through the utilization of: (i) provider data verification and provider screening technology; and (ii) clinical code editing; and (iii) pre-pay, pre- or post-adjudicated predictive modeling with an integrated case management system with link analysis. Such a

request for information shall not be considered as a request for proposal or as an obligation on the part of the Illinois Department to take any action or acquire any products or services.

The Illinois Department shall establish policies, procedures, standards and criteria by rule for the acquisition, repair and replacement of orthotic and prosthetic devices and durable medical equipment. Such rules shall provide, but not be limited to, the following services: (1) immediate repair or replacement of such devices by recipients; and (2) rental, lease, purchase or lease-purchase of durable medical equipment in a cost-effective manner, taking into consideration the recipient's medical prognosis, the extent of the recipient's needs, and the requirements and costs for maintaining such equipment. Subject to prior approval, such rules shall enable a recipient to temporarily acquire and use alternative or substitute devices or equipment pending repairs or replacements of any device or equipment previously authorized for such recipient by the Department. Notwithstanding any provision of Section 5-5f to the contrary, the Department may, by rule, exempt certain replacement wheelchair parts from prior approval and, for wheelchairs, wheelchair parts, wheelchair accessories, and related seating and positioning items, determine the wholesale price by methods other than actual acquisition costs.

The Department shall require, by rule, all providers of durable medical equipment to be accredited by an accreditation organization approved by the federal Centers for Medicare and Medicaid Services and recognized by the Department in order to bill the Department for providing durable medical equipment to recipients. No later than 15 months after the effective date of the rule adopted pursuant to this paragraph, all providers must meet the accreditation requirement.

(4) "non-residential gas service" means gas utility service which is not residential gas service.

(d) Within 30 days after the effective date of this amendatory Act of the 96th General Assembly, each public utility engaged in the delivery of electricity or the distribution of natural gas shall file with the Illinois Commerce Commission tariffs incorporating the Energy Assistance Charge in other charges stated in such tariffs, which shall become effective no later than the beginning of the first billing cycle following such filing.

(e) The Energy Assistance Charge assessed by electric and gas public utilities shall be considered a charge for public utility service.
(f) By the 20th day of the month following the month in which the charges imposed by the Section were collected, each public utility, municipal utility, and electric cooperative shall remit to the Department of Revenue all moneys received as payment of the Energy Assistance Charge on a return prescribed and furnished by the Department of Revenue showing such information as the Department of Revenue may reasonably require; provided, however, that a utility offering an Arrearage Reduction Program or Supplemental Arrearage Reduction Program pursuant to Section 18 of this Act shall be entitled to net those amounts necessary to fund and recover the costs of such Programs as authorized by that Section that is no more than the incremental change in such Energy Assistance Charge authorized by Public Act 96-33. If a customer makes a partial payment, a public utility, municipal utility, or electric cooperative may elect either: (i) to apply such partial payments first to amounts owed to the utility or cooperative for its services and then to payment for the Energy Assistance Charge or (ii) to apply such partial payments on a pro-rata basis between amounts owed to the utility or cooperative for its services and to payment for the Energy Assistance Charge.

(g) The Department of Revenue shall deposit into the Supplemental Low-Income Energy Assistance Fund all moneys remitted to it in accordance with subsection (f) of this Section; provided, however, that the amounts remitted by each utility shall be used to provide assistance to that utility's customers. The utilities shall coordinate with the Department to establish an equitable and practical methodology for implementing this subsection (g) beginning with the 2010 program year.

(h) On or before December 31, 2002, the Department shall prepare a report for the General Assembly on the expenditure of funds appropriated from the Low-Income Energy Assistance Block Grant Fund for the program authorized under Section 4 of this Act.

(i) The Department of Revenue may establish such rules as it deems necessary to implement this Section.

(j) The Department of Commerce and Economic Opportunity may establish such rules as it deems necessary to implement this Section.

(k) The charges imposed by this Section shall only apply to customers of municipal electric or gas utilities and electric or gas cooperatives if the municipal electric or gas utility or electric or gas cooperative makes an affirmative decision to impose the charge. If a municipal electric or gas utility or an electric cooperative makes an affirmative decision to impose the charge provided by this Section, the

municipal electric or gas utility or electric cooperative shall inform the Department of Revenue in writing of such decision when it begins to impose the charge. If a municipal electric or gas utility or electric or gas cooperative does not assess this charge, the Department may not use funds from the Supplemental Low-Income Energy Assistance Fund to provide benefits to its customers under the program authorized by Section 4 of this Act.

In its use of federal funds under this Act, the Department may not cause a disproportionate share of those federal funds to benefit customers of systems which do not assess the charge provided by this Section.

This Section is repealed on January 1, 2025 unless renewed by action of the General Assembly.

Sec. 19. Prior to making a sale or conveyance of any part of the real property within the area of a redevelopment project pursuant to any of the foregoing Sections of this Act, the Department shall prepare and approve a plan for the development or redevelopment of the project area and shall submit the same to the governing body of the municipality in which the real property is situated for their approval. The Department shall not make a sale or conveyance of any part of the real property in the project area until such time as the plan has been approved by the governing body of the municipality in which the real property is situated; provided, however, that any plan for the development or redevelopment of a project area heretofore prepared and approved by a land clearance commission pursuant to the "Blighted Areas Redevelopment Act of 1947," approved July 2, 1947, as amended, and heretofore approved by the State Housing Board and the governing body of the municipality shall be sufficient to authorize a sale pursuant to this Section. At the time of making any such sale or conveyance, the purchaser shall agree to reimburse any public utility as defined in the Public Utilities Act "An Act concerning public utilities", approved June 29, 1921, as amended, for the costs of relocation of the facilities of such public utility made necessary by the plan for the development or redevelopment of the project area, except and excluding, however, any such costs to the extent incurred for the relocation of such facilities located, prior to the development or

Section 460. The Abused and Neglected Child Reporting Act is amended by changing Sections 7.4 and 7.14 as follows:

(325 ILCS 5/7.4) (from Ch. 23, par. 2057.4)

Sec. 7.4. (a) The Department shall be capable of receiving reports of suspected child abuse or neglect 24 hours a day, 7 days a week. Whenever the Department receives a report alleging that a child is a truant as defined in Section 26-2a of the School Code, as now or hereafter amended, the Department shall notify the superintendent of the school district in which the child resides and the appropriate superintendent of the educational service region. The notification to the appropriate officials by the Department shall not be considered an allegation of abuse or neglect under this Act.

(a-5) The Department of Children and Family Services may implement a "differential response program" in accordance with criteria, standards, and procedures prescribed by rule. The program may provide that, upon receiving a report, the Department shall determine whether to conduct a family assessment or an investigation as appropriate to prevent or provide a remedy for child abuse or neglect.

For purposes of this subsection (a-5), "family assessment" means a comprehensive assessment of child safety, risk of subsequent child maltreatment, and family strengths and needs that is applied to a child maltreatment report that does not allege substantial child endangerment. "Family assessment" does not include a determination as to whether child maltreatment occurred but does determine the need for services to address the safety of family members and the risk of subsequent maltreatment.

For purposes of this subsection (a-5), "investigation" means fact-gathering related to the current safety of a child and the risk of subsequent abuse or neglect that determines whether a report of suspected child abuse or neglect should be indicated or unfounded and whether child protective services are needed.

Under the "differential response program" implemented under this subsection (a-5), the Department:

(1) Shall conduct an investigation on reports involving substantial child abuse or neglect.

(2) Shall begin an immediate investigation if, at any time when it is using a family assessment response, it determines that

New matter indicated by italics - deletions by strikeout
there is reason to believe that substantial child abuse or neglect or a serious threat to the child's safety exists.

(3) May conduct a family assessment for reports that do not allege substantial child endangerment. In determining that a family assessment is appropriate, the Department may consider issues, including, but not limited to, child safety, parental cooperation, and the need for an immediate response.

(4) Shall promulgate criteria, standards, and procedures that shall be applied in making this determination, taking into consideration the Child Endangerment Risk Assessment Protocol of the Department.

(5) May conduct a family assessment on a report that was initially screened and assigned for an investigation.

In determining that a complete investigation is not required, the Department must document the reason for terminating the investigation and notify the local law enforcement agency or the Department of State Police if the local law enforcement agency or Department of State Police is conducting a joint investigation.

Once it is determined that a "family assessment" will be implemented, the case shall not be reported to the central register of abuse and neglect reports.

During a family assessment, the Department shall collect any available and relevant information to determine child safety, risk of subsequent abuse or neglect, and family strengths.

Information collected includes, but is not limited to, when relevant: information with regard to the person reporting the alleged abuse or neglect, including the nature of the reporter's relationship to the child and to the alleged offender, and the basis of the reporter's knowledge for the report; the child allegedly being abused or neglected; the alleged offender; the child's caretaker; and other collateral sources having relevant information related to the alleged abuse or neglect. Information relevant to the assessment must be asked for, and may include:

(A) The child's sex and age, prior reports of abuse or neglect, information relating to developmental functioning, credibility of the child's statement, and whether the information provided under this paragraph (A) is consistent with other information collected during the course of the assessment or investigation.
(B) The alleged offender's age, a record check for prior reports of abuse or neglect, and criminal charges and convictions. The alleged offender may submit supporting documentation relevant to the assessment.

(C) Collateral source information regarding the alleged abuse or neglect and care of the child. Collateral information includes, when relevant: (i) a medical examination of the child; (ii) prior medical records relating to the alleged maltreatment or care of the child maintained by any facility, clinic, or health care professional, and an interview with the treating professionals; and (iii) interviews with the child's caretakers, including the child's parent, guardian, foster parent, child care provider, teachers, counselors, family members, relatives, and other persons who may have knowledge regarding the alleged maltreatment and the care of the child.

(D) Information on the existence of domestic abuse and violence in the home of the child, and substance abuse.

Nothing in this subsection (a-5) precludes the Department from collecting other relevant information necessary to conduct the assessment or investigation. Nothing in this subsection (a-5) shall be construed to allow the name or identity of a reporter to be disclosed in violation of the protections afforded under Section 7.19 of this Act.

After conducting the family assessment, the Department shall determine whether services are needed to address the safety of the child and other family members and the risk of subsequent abuse or neglect.

Upon completion of the family assessment, if the Department concludes that no services shall be offered, then the case shall be closed. If the Department concludes that services shall be offered, the Department shall develop a family preservation plan and offer or refer services to the family.

At any time during a family assessment, if the Department believes there is any reason to stop the assessment and conduct an investigation based on the information discovered, the Department shall do so.

The procedures available to the Department in conducting investigations under this Act shall be followed as appropriate during a family assessment.

If the Department implements a differential response program authorized under this subsection (a-5), the Department shall arrange for an independent evaluation of the program for at least the first 3 years of

New matter indicated by italics - deletions by strikeout
implementation to determine whether it is meeting the goals in accordance with Section 2 of this Act.

The Department may adopt administrative rules necessary for the execution of this Section, in accordance with Section 4 of the Children and Family Services Act.

The Department shall submit a report to the General Assembly by January 15, 2018 on the implementation progress and recommendations for additional needed legislative changes.

(b)(1) The following procedures shall be followed in the investigation of all reports of suspected abuse or neglect of a child, except as provided in subsection (c) of this Section.

(2) If, during a family assessment authorized by subsection (a-5) or an investigation, it appears that the immediate safety or well-being of a child is endangered, that the family may flee or the child disappear, or that the facts otherwise so warrant, the Child Protective Service Unit shall commence an investigation immediately, regardless of the time of day or night. All other investigations shall be commenced within 24 hours of receipt of the report. Upon receipt of a report, the Child Protective Service Unit shall conduct a family assessment authorized by subsection (a-5) or begin an initial investigation and make an initial determination whether the report is a good faith indication of alleged child abuse or neglect.

(3) Based on an initial investigation, if the Unit determines the report is a good faith indication of alleged child abuse or neglect, then a formal investigation shall commence and, pursuant to Section 7.12 of this Act, may or may not result in an indicated report. The formal investigation shall include: direct contact with the subject or subjects of the report as soon as possible after the report is received; an evaluation of the environment of the child named in the report and any other children in the same environment; a determination of the risk to such children if they continue to remain in the existing environments, as well as a determination of the nature, extent and cause of any condition enumerated in such report; the name, age and condition of other children in the environment; and an evaluation as to whether there would be an immediate and urgent necessity to remove the child from the environment if appropriate family preservation services were provided. After seeing to the safety of the child or children, the Department shall forthwith notify the subjects of the report in writing, of the existence of the report and their rights existing under this Act in regard to amendment or expungement. To fulfill the requirements of this Section, the Child Protective Service Unit shall have the capability

New matter indicated by italics - deletions by strikeout
of providing or arranging for comprehensive emergency services to children and families at all times of the day or night.

(4) If (i) at the conclusion of the Unit's initial investigation of a report, the Unit determines the report to be a good faith indication of alleged child abuse or neglect that warrants a formal investigation by the Unit, the Department, any law enforcement agency or any other responsible agency and (ii) the person who is alleged to have caused the abuse or neglect is employed or otherwise engaged in an activity resulting in frequent contact with children and the alleged abuse or neglect are in the course of such employment or activity, then the Department shall, except in investigations where the Director determines that such notification would be detrimental to the Department's investigation, inform the appropriate supervisor or administrator of that employment or activity that the Unit has commenced a formal investigation pursuant to this Act, which may or may not result in an indicated report. The Department shall also notify the person being investigated, unless the Director determines that such notification would be detrimental to the Department's investigation.

(c) In an investigation of a report of suspected abuse or neglect of a child by a school employee at a school or on school grounds, the Department shall make reasonable efforts to follow the following procedures:

(1) Investigations involving teachers shall not, to the extent possible, be conducted when the teacher is scheduled to conduct classes. Investigations involving other school employees shall be conducted so as to minimize disruption of the school day. The school employee accused of child abuse or neglect may have his superior, his association or union representative and his attorney present at any interview or meeting at which the teacher or administrator is present. The accused school employee shall be informed by a representative of the Department, at any interview or meeting, of the accused school employee's due process rights and of the steps in the investigation process. These due process rights shall also include the right of the school employee to present countervailing evidence regarding the accusations. In an investigation in which the alleged perpetrator of abuse or neglect is a school employee, including, but not limited to, a school teacher or administrator, and the recommendation is to determine the report to be indicated, in addition to other procedures as set forth and defined in Department rules and procedures, the employee's
due process rights shall also include: (i) the right to a copy of the investigation summary; (ii) the right to review the specific allegations which gave rise to the investigation; and (iii) the right to an administrator's teleconference which shall be convened to provide the school employee with the opportunity to present documentary evidence or other information that supports his or her position and to provide information before a final finding is entered.

(2) If a report of neglect or abuse of a child by a teacher or administrator does not involve allegations of sexual abuse or extreme physical abuse, the Child Protective Service Unit shall make reasonable efforts to conduct the initial investigation in coordination with the employee's supervisor.

If the Unit determines that the report is a good faith indication of potential child abuse or neglect, it shall then commence a formal investigation under paragraph (3) of subsection (b) of this Section.

(3) If a report of neglect or abuse of a child by a teacher or administrator involves an allegation of sexual abuse or extreme physical abuse, the Child Protective Unit shall commence an investigation under paragraph (2) of subsection (b) of this Section.

(c-5) In any instance in which a report is made or caused to made by a school district employee involving the conduct of a person employed by the school district, at the time the report was made, as required under Section 4 of this Act, the Child Protective Service Unit shall send a copy of its final finding report to the general superintendent of that school district.

(c-10) The Department may recommend that a school district remove a school employee who is the subject of an investigation from his or her employment position pending the outcome of the investigation; however, all employment decisions regarding school personnel shall be the sole responsibility of the school district or employer. The Department may not require a school district to remove a school employee from his or her employment position or limit the school employee's duties pending the outcome of an investigation.

(d) If the Department has contact with an employer, or with a religious institution or religious official having supervisory or hierarchical authority over a member of the clergy accused of the abuse of a child, in the course of its investigation, the Department shall notify the employer or

New matter indicated by italics - deletions by strikeout
the religious institution or religious official, in writing, when a report is unfounded so that any record of the investigation can be expunged from the employee's or member of the clergy's personnel or other records. The Department shall also notify the employee or the member of the clergy, in writing, that notification has been sent to the employer or to the appropriate religious institution or religious official informing the employer or religious institution or religious official that the Department's investigation has resulted in an unfounded report.

(e) Upon request by the Department, the Department of State Police and law enforcement agencies are authorized to provide criminal history record information as defined in the Illinois Uniform Conviction Information Act and information maintained in the adjudicatory and dispositional record system as defined in Section 2605-355 of the Department of State Police Law (20 ILCS 2605/2605-355) to properly designated employees of the Department of Children and Family Services if the Department determines the information is necessary to perform its duties under the Abused and Neglected Child Reporting Act, the Child Care Act of 1969, and the Children and Family Services Act. The request shall be in the form and manner required by the Department of State Police. Any information obtained by the Department of Children and Family Services under this Section is confidential and may not be transmitted outside the Department of Children and Family Services other than to a court of competent jurisdiction or unless otherwise authorized by law. Any employee of the Department of Children and Family Services who transmits confidential information in violation of this Section or causes the information to be transmitted in violation of this Section is guilty of a Class A misdemeanor unless the transmittal of the information is authorized by this Section or otherwise authorized by law.

(f) For purposes of this Section, "child abuse or neglect" includes abuse or neglect of an adult resident as defined in this Act.

Sec. 7.14. All reports in the central register shall be classified in one of three categories: "indicated", "unfounded" or "undetermined", as the case may be. intact family services case with the Department or is the subject of an action under Article II of the Juvenile Court Act of 1987. If the child is the subject of an action under Article V of the Juvenile Court Act of 1987 and is in the custody or guardianship of the Department or has an open intact family services case with the Department or is the subject of an action under Article II of the Juvenile Court Act of 1987 and the Department intends to classify the report as indicated, the Department shall, within 45 days of classification of the report, transmit a copy of the report to the attorney or guardian ad litem appointed for the child under Section 2-17 of the Juvenile Court Act of 1987 or to a guardian ad litem appointed under Section 5-610 of the Juvenile Court Act of 1987. If the child is the subject of an action under Article V of the Juvenile Court Act of 1987 and is in the custody or guardianship of the Department or has an open intact family services case with the Department or is the subject of an action under Article II of the Juvenile Court Act of 1987 and the Department intends to classify the report as unfounded, the Department shall, within 45 days of deciding its intent to classify the report as unfounded, transmit a copy of the report and written notice of the Department's intent to the attorney or guardian ad litem appointed for the child under Section 2-17 of the Juvenile Court Act of 1987, or to a guardian ad litem appointed under Section 5-610 of the Juvenile Court Act of 1987. The Department's obligation under this Section to provide reports to a guardian ad litem appointed under Section 5-610 of the Juvenile Court Act of 1987 for a minor with an open intact family services case applies only if the guardian ad litem notified the Department in writing of the representation. All information identifying the subjects of an unfounded report shall be expunged from the register forthwith, except as provided in Section 7.7. Unfounded reports may only be made available to the Child Protective Service Unit when investigating a subsequent report of suspected abuse or maltreatment involving a child named in the unfounded report; and to the subject of the report, provided the Department has not expunged the file in accordance with Section 7.7. The Child Protective Service Unit shall not indicate the subsequent report solely based upon the existence of the prior unfounded report or reports. Notwithstanding any other provision of law to the contrary, an unfounded report shall not be admissible in any judicial or administrative proceeding or action except for proceedings under Sections 2-10 and 2-21 of the Juvenile Court Act of 1987 involving a petition filed under Section 2-13 of the Juvenile Court Act of 1987 alleging abuse or neglect to the same child, a sibling of the

child, or the same perpetrator. Identifying information on all other records shall be removed from the register no later than 5 years after the report is indicated. However, if another report is received involving the same child, his sibling or offspring, or a child in the care of the persons responsible for the child's welfare, or involving the same alleged offender, the identifying information may be maintained in the register until 5 years after the subsequent case or report is closed.

Notwithstanding any other provision of this Section, identifying information in indicated reports involving serious physical injury to a child as defined by the Department in rules, may be retained longer than 5 years after the report is indicated or after the subsequent case or report is closed, and may not be removed from the register except as provided by the Department in rules. Identifying information in indicated reports involving sexual penetration of a child, sexual molestation of a child, sexual exploitation of a child, torture of a child, or the death of a child, as defined by the Department in rules, shall be retained for a period of not less than 50 years after the report is indicated or after the subsequent case or report is closed.

For purposes of this Section, "child" includes an adult resident as defined in this Act.

Section 465. The Advisory Council on Early Identification and Treatment of Mental Health Conditions Act is amended by changing Sections 5 and 10 as follows:

(405 ILCS 115/5)
Sec. 5. Findings. The General Assembly finds that:

(1) the medical science is clear that mental health treatment works to improve mental health conditions and manage symptoms but it can take, on average, 10 years for a child or young adult with a significant condition to receive the right diagnosis and treatment from the time the first symptoms began, and nearly two-thirds of children and adults never get treatment;

(2) long treatment lags can lead to debilitating conditions and permanent disability;

(3) suicide, often due to untreated depression, is the second leading cause of death in this State for children and young adults ranging in age from 10 to 34;

New matter indicated by italics - deletions by strikeout
(4) between 40% to 50% of heroin and other drug addiction begins to self-medicate an underlying, untreated mental health condition;

(5) important State reforms on improving access to mental health and substance use treatment are underway and others are pending, but more needs to be done to address this State's serious systemic challenges to early identification and treatment of mental health conditions;

(6) the medical and mental health treatment communities across this State are implementing many evidence-based best practices on early screening, identification and treatment of mental health conditions, including co-located and integrated care, despite limited resources and major access to care challenges across the State; and

(7) establishing an Advisory Council on Early Identification and Treatment of Mental Health Conditions to:

(A) report and share information on evidence-based best practices related to early identification and treatment being implemented across this State and other states;

(B) assist in advancing all providers to move toward implementation of evidence-based best practices, irrespective of payer such as Medicaid or private insurance;

(C) identify the barriers to statewide implementation of early identification and treatment across all providers; and

(D) reduce the stigma of mental health conditions by treating them like any other medical condition;

will outline the path to enabling thousands of children, youth, and young adults in this State living with mental health conditions, including those related to trauma, to get the early diagnosis and treatment they need to effectively manage their condition and avoid potentially life-long debilitating symptoms.

(e) In connection with any proceeding pursuant to subsection (b) or (d) of this Section, the Board may subpoena and compel the attendance of witnesses and the production of evidence reasonably necessary to resolution of the matter under consideration. The Board shall issue such subpoenas upon the request of any party to a proceeding under subsection (d) of this Section or upon its own motion.

Sec. 22.15. Solid Waste Management Fund; fees.

(a) There is hereby created within the State Treasury a special fund to be known as the "Solid Waste Management Fund", to be constituted from the fees collected by the State pursuant to this Section, from repayments of loans made from the Fund for solid waste projects, from registration fees collected pursuant to the Consumer Electronics Recycling Act, and from amounts transferred into the Fund pursuant to this amendatory Act of the 100th General Assembly. Moneys received by the Department of Commerce and Economic Opportunity in repayment of loans made pursuant to the Illinois Solid Waste Management Act shall be deposited into the General Revenue Fund.

(b) The Agency shall assess and collect a fee in the amount set forth herein from the owner or operator of each sanitary landfill permitted or required to be permitted by the Agency to dispose of solid waste if the sanitary landfill is located off the site where such waste was produced and if such sanitary landfill is owned, controlled, and operated by a person other than the generator of such waste. The Agency shall deposit all fees collected into the Solid Waste Management Fund. If a site is contiguous to one or more landfills owned or operated by the same person, the volumes permanently disposed of by each landfill shall be combined for purposes of determining the fee under this subsection.

(1) If more than 150,000 cubic yards of non-hazardous solid waste is permanently disposed of at a site in a calendar year, the owner or operator shall either pay a fee of 95 cents per cubic yard or, alternatively, the owner or operator may weigh the quantity of the solid waste permanently disposed of with a device for which certification has been obtained under the Weights and Measures Act and pay a fee of $2.00 per ton of solid waste permanently disposed of. In no case shall the fee collected or paid by the owner or operator under this paragraph exceed $1.55 per cubic yard or $3.27 per ton.

(2) If more than 100,000 cubic yards but not more than 150,000 cubic yards of non-hazardous waste is permanently disposed of at a site in a calendar year, the owner or operator shall pay a fee of $52,630.

(3) If more than 50,000 cubic yards but not more than 100,000 cubic yards of non-hazardous solid waste is permanently
disposed of at a site in a calendar year, the owner or operator shall pay a fee of $23,790.

(4) If more than 10,000 cubic yards but not more than 50,000 cubic yards of non-hazardous solid waste is permanently disposed of at a site in a calendar year, the owner or operator shall pay a fee of $7,260.

(5) If not more than 10,000 cubic yards of non-hazardous solid waste is permanently disposed of at a site in a calendar year, the owner or operator shall pay a fee of $1050.

(c) (Blank).

(d) The Agency shall establish rules relating to the collection of the fees authorized by this Section. Such rules shall include, but not be limited to:

(1) necessary records identifying the quantities of solid waste received or disposed;

(2) the form and submission of reports to accompany the payment of fees to the Agency;

(3) the time and manner of payment of fees to the Agency, which payments shall not be more often than quarterly; and

(4) procedures setting forth criteria establishing when an owner or operator may measure by weight or volume during any given quarter or other fee payment period.

(e) Pursuant to appropriation, all monies in the Solid Waste Management Fund shall be used by the Agency and the Department of Commerce and Economic Opportunity for the purposes set forth in this Section and in the Illinois Solid Waste Management Act, including for the costs of fee collection and administration, and for the administration of (1) the Consumer Electronics Recycling Act and (2) until January 1, 2020, the Electronic Products Recycling and Reuse Act.

(f) The Agency is authorized to enter into such agreements and to promulgate such rules as are necessary to carry out its duties under this Section and the Illinois Solid Waste Management Act.

(g) On the first day of January, April, July, and October of each year, beginning on July 1, 1996, the State Comptroller and Treasurer shall transfer $500,000 from the Solid Waste Management Fund to the Hazardous Waste Fund. Moneys transferred under this subsection (g) shall be used only for the purposes set forth in item (1) of subsection (d) of Section 22.2.
(h) The Agency is authorized to provide financial assistance to units of local government for the performance of inspecting, investigating and enforcement activities pursuant to Section 4(r) at nonhazardous solid waste disposal sites.

(i) The Agency is authorized to conduct household waste collection and disposal programs.

(j) A unit of local government, as defined in the Local Solid Waste Disposal Act, in which a solid waste disposal facility is located may establish a fee, tax, or surcharge with regard to the permanent disposal of solid waste. All fees, taxes, and surcharges collected under this subsection shall be utilized for solid waste management purposes, including long-term monitoring and maintenance of landfills, planning, implementation, inspection, enforcement and other activities consistent with the Solid Waste Management Act and the Local Solid Waste Disposal Act, or for any other environment-related purpose, including but not limited to an environment-related public works project, but not for the construction of a new pollution control facility other than a household hazardous waste facility. However, the total fee, tax or surcharge imposed by all units of local government under this subsection (j) upon the solid waste disposal facility shall not exceed:

1. $0.60 per cubic yard if more than 150,000 cubic yards of non-hazardous solid waste is permanently disposed of at the site in a calendar year, unless the owner or operator weighs the quantity of the solid waste received with a device for which certification has been obtained under the Weights and Measures Act, in which case the fee shall not exceed $1.27 per ton of solid waste permanently disposed of.

2. $33,350 if more than 100,000 cubic yards, but not more than 150,000 cubic yards, of non-hazardous waste is permanently disposed of at the site in a calendar year.

3. $15,500 if more than 50,000 cubic yards, but not more than 100,000 cubic yards, of non-hazardous solid waste is permanently disposed of at the site in a calendar year.

4. $4,650 if more than 10,000 cubic yards, but not more than 50,000 cubic yards, of non-hazardous solid waste is permanently disposed of at the site in a calendar year.

5. $650 if not more than 10,000 cubic yards of non-hazardous solid waste is permanently disposed of at the site in a calendar year.

The corporate authorities of the unit of local government may use proceeds from the fee, tax, or surcharge to reimburse a highway commissioner whose road district lies wholly or partially within the corporate limits of the unit of local government for expenses incurred in the removal of nonhazardous, nonfluid municipal waste that has been dumped on public property in violation of a State law or local ordinance.

A county or Municipal Joint Action Agency that imposes a fee, tax, or surcharge under this subsection may use the proceeds thereof to reimburse a municipality that lies wholly or partially within its boundaries for expenses incurred in the removal of nonhazardous, nonfluid municipal waste that has been dumped on public property in violation of a State law or local ordinance.

If the fees are to be used to conduct a local sanitary landfill inspection or enforcement program, the unit of local government must enter into a written delegation agreement with the Agency pursuant to subsection (r) of Section 4. The unit of local government and the Agency shall enter into such a written delegation agreement within 60 days after the establishment of such fees. At least annually, the Agency shall conduct an audit of the expenditures made by units of local government from the funds granted by the Agency to the units of local government for purposes of local sanitary landfill inspection and enforcement programs, to ensure that the funds have been expended for the prescribed purposes under the grant.

The fees, taxes or surcharges collected under this subsection (j) shall be placed by the unit of local government in a separate fund, and the interest received on the moneys in the fund shall be credited to the fund. The monies in the fund may be accumulated over a period of years to be expended in accordance with this subsection.

A unit of local government, as defined in the Local Solid Waste Disposal Act, shall prepare and distribute to the Agency, in April of each year, a report that details spending plans for monies collected in accordance with this subsection. The report will at a minimum include the following:

(5) A narrative detailing the general direction and scope of future expenditures for one, 2 and 3 years.

The exemptions granted under Sections 22.16 and 22.16a, and under subsection (k) of this Section, shall be applicable to any fee, tax or surcharge imposed under this subsection (j); except that the fee, tax or surcharge authorized to be imposed under this subsection (j) may be made applicable by a unit of local government to the permanent disposal of solid waste after December 31, 1986, under any contract lawfully executed before June 1, 1986 under which more than 150,000 cubic yards (or 50,000 tons) of solid waste is to be permanently disposed of, even though the waste is exempt from the fee imposed by the State under subsection (b) of this Section pursuant to an exemption granted under Section 22.16.

(k) In accordance with the findings and purposes of the Illinois Solid Waste Management Act, beginning January 1, 1989 the fee under subsection (b) and the fee, tax or surcharge under subsection (j) shall not apply to:

1. waste which is hazardous waste; or
2. waste which is pollution control waste; or
3. waste from recycling, reclamation or reuse processes which have been approved by the Agency as being designed to remove any contaminant from wastes so as to render such wastes reusable, provided that the process renders at least 50% of the waste reusable; or

(e) The State's Attorney of the county in which the violation occurred, or the Attorney General, may, at the request of the Agency or on his own motion, institute a civil action for an injunction, prohibitory or mandatory, to restrain violations of this Act, any rule or regulation adopted under this Act, any permit or term or condition of a permit, or any Board order, or to require such other actions as may be necessary to address violations of this Act, any rule or regulation adopted under this Act, any permit or term or condition of a permit, or any Board order.

(1) the duration and gravity of the violation;
(2) the presence or absence of due diligence on the part of the respondent in attempting to comply with requirements of this Act and regulations thereunder or to secure relief therefrom as provided by this Act;
(3) any economic benefits accrued by the respondent because of delay in compliance with requirements, in which case the economic benefits shall be determined by the lowest cost alternative for achieving compliance;
(4) the amount of monetary penalty which will serve to deter further violations by the respondent and to otherwise aid in enhancing voluntary compliance with this Act by the respondent and other persons similarly subject to the Act;
(5) the number, proximity in time, and gravity of previously adjudicated violations of this Act by the respondent;
(6) whether the respondent voluntarily self-disclosed, in accordance with subsection (i) of this Section, the non-compliance to the Agency;
(7) whether the respondent has agreed to undertake a "supplemental environmental project", which means an environmentally beneficial project that a respondent agrees to undertake in settlement of an enforcement action brought under this Act, but which the respondent is not otherwise legally required to perform; and
(8) whether the respondent has successfully completed a Compliance Commitment Agreement under subsection (a) of Section 31 of this Act to remedy the violations that are the subject of the complaint.

In determining the appropriate civil penalty to be imposed under subsection (a) or paragraph (1), (2), (3), (5), (6), or (7) of subsection (b) of this Section, the Board shall ensure, in all cases, that the penalty is at least as great as the economic benefits, if any, accrued by the respondent as a result of the violation, unless the Board finds that imposition of such penalty would result in an arbitrary or unreasonable financial hardship.

However, such civil penalty may be off-set in whole or in part pursuant to
a supplemental environmental project agreed to by the complainant and
the respondent.

(i) A person who voluntarily self-discloses non-compliance to the
Agency, of which the Agency had been unaware, is entitled to a 100% reduction in the portion of the penalty that is not based on the economic benefit of non-compliance if the person can establish the following:

(1) that either the regulated entity is a small entity or the non-compliance was discovered through an environmental audit or a compliance management system documented by the regulated entity as reflecting the regulated entity's due diligence in preventing, detecting, and correcting violations;

(2) that the non-compliance was disclosed in writing within 30 days of the date on which the person discovered it;

(3) that the non-compliance was discovered and disclosed prior to:

(i) the commencement of an Agency inspection, investigation, or request for information;

(ii) notice of a citizen suit;

(iii) the filing of a complaint by a citizen, the Illinois Attorney General, or the State's Attorney of the county in which the violation occurred;

(iv) the reporting of the non-compliance by an employee of the person without that person's knowledge; or

(v) imminent discovery of the non-compliance by the Agency;

(4) that the non-compliance is being corrected and any environmental harm is being remediated in a timely fashion;

(5) that the person agrees to prevent a recurrence of the non-compliance;

(6) that no related non-compliance events have occurred in the past 3 years at the same facility or in the past 5 years as part of a pattern at multiple facilities owned or operated by the person;

(7) that the non-compliance did not result in serious actual harm or present an imminent and substantial endangerment to human health or the environment or violate the specific terms of any judicial or administrative order or consent agreement;

(8) that the person cooperates as reasonably requested by the Agency after the disclosure; and

New matter indicated by italics - deletions by strikeout
(9) that the non-compliance was identified voluntarily and not through a monitoring, sampling, or auditing procedure that is required by statute, rule, permit, judicial or administrative order, or consent agreement.

If a person can establish all of the elements under this subsection except the element set forth in paragraph (1) of this subsection, the person is entitled to a 75% reduction in the portion of the penalty that is not based upon the economic benefit of non-compliance.

For the purposes of this subsection (i), "small entity” has the same meaning as in Section 221 of the federal Small Business Regulatory Enforcement Fairness Act of 1996 (5 U.S.C. 601).

(j) In addition to any other remedy or penalty that may apply, whether civil or criminal, any person who violates Section 22.52 of this Act shall be liable for an additional civil penalty of up to 3 times the gross amount of any pecuniary gain resulting from the violation.

(k) In addition to any other remedy or penalty that may apply, whether civil or criminal, any person who violates subdivision (a)(7.6) of Section 31 of this Act shall be liable for an additional civil penalty of $2,000.

(b-1) No person shall knowingly mix any used or waste tire, either whole or cut, with municipal waste, and no owner or operator of a sanitary landfill shall accept any used or waste tire for final disposal; except that used or waste tires, when separated from other waste, may be accepted if the sanitary landfill provides and maintains a means for shredding, slitting, or chopping whole tires and so treats whole tires and, if approved by the Agency in a permit issued under this Act, uses the used or waste tires for alternative uses, which may include on-site practices such as lining of roadways with tire scraps, alternative daily cover, or use in a leachate collection system. In the event the physical condition of a used or waste tire makes shredding, slitting, chopping, reuse, reprocessing, or other alternative use of the used or waste tire impractical or infeasible, then the sanitary landfill, after authorization by the Agency, may accept the used or waste tire for disposal.

(c) Any person who sells new or used tires at retail or operates a tire storage site or a tire disposal site which contains more than 50 used or waste tires shall give notice of such activity to the Agency. Injunctions to restrain a violation of this subsection (d-6) may include, but are not limited to, the required removal of all tires for which financial assurance is not maintained and a prohibition against the acceptance of tires in excess of the amount for which financial assurance is maintained.

Fees and taxes due under this Code for a registration year shall be appropriately reduced for such 6-month transitional registration period.

(h) The Secretary of State may, in order to accomplish an orderly transition for vehicles registered under Section 3-402.1 of this Code from a calendar year registration to a March 31st expiration, require applicants to pay fees and taxes due under this Code on a 15 month registration basis. (a) In addition to any other special license plate, the Secretary, upon receipt of all applicable fees and applications made in the form prescribed by the Secretary, may issue Universal special license plates to residents of Illinois on behalf of organizations that have been authorized by the General Assembly to issue decals for Universal special license plates. Appropriate documentation, as determined by the Secretary, shall accompany each application. Authorized organizations shall be designated by amendment to this Section. When applying for a Universal special license plate the applicant shall inform the Secretary of the name of the authorized organization from which the applicant will obtain a decal to place on the plate. The Secretary shall make a record of that organization and that organization shall remain affiliated with that plate until the plate is surrendered, revoked, or otherwise cancelled. The authorized organization may charge a fee to offset the cost of producing and distributing the decal, but that fee shall be retained by the authorized organization and shall be separate and distinct from any registration fees charged by the Secretary. No decal, sticker, or other material may be affixed to a Universal special license plate other than a decal authorized by the General Assembly in this Section or a registration renewal sticker. The special plates issued under this Section shall be affixed only to passenger vehicles of the first division, including motorcycles and autocycles, or motor vehicles of the second division weighing not more than 8,000 pounds. plates to be issued as vanity or personalized plates in accordance with Section 3-405.1 of this Code. The Secretary of State must make a version of the special registration plates authorized under this Section in a form appropriate for motorcycles and autocycles.

(c) When authorizing a Universal special license plate, the General Assembly shall set forth whether an additional fee is to be charged for the plate and, if a fee is to be charged, the amount of the fee and how the fee is to be distributed. When necessary, the authorizing language shall create a special fund in the State treasury into which fees may be deposited for an authorized Universal special license plate. Additional fees may only be charged if the fee is to be paid over to a State agency or to a charitable entity that is in compliance with the registration and reporting requirements of the Charitable Trust Act and the Solicitation for Charity Act. Any charitable entity receiving fees for the sale of Universal special license plates shall annually provide the Secretary of State a letter of compliance issued by the Attorney General verifying that the entity is in compliance with the Charitable Trust Act and the Solicitation for Charity Act.

(d) Upon original issuance and for each registration renewal period, in addition to the appropriate registration fee, if applicable, the Secretary shall collect any additional fees, if required, for issuance of Universal special license plates. The fees shall be collected on behalf of the organization designated by the applicant when applying for the plate. All fees collected shall be transferred to the State agency on whose behalf the fees were collected, or paid into the special fund designated in the law authorizing the organization to issue decals for Universal special license plates. All money in the designated fund shall be distributed by the Secretary subject to appropriation by the General Assembly.

However, such vehicle may be released by the arresting law enforcement agency prior to the end of the impoundment period if:

(2) the vehicle is owned by the person under arrest, and the person under arrest gives permission to another person to operate such vehicle, provided however, that the other person possesses a valid operator's license and would not, as determined by the arresting law enforcement agency, indicate a lack of ability to operate a motor vehicle in a safe manner or who would otherwise, by operating such motor vehicle, be in violation of this Code.

(e-5) Whenever a registered owner of a vehicle is taken into custody for operating the vehicle in violation of Section 11-501 of this Code or a similar provision of a local ordinance or Section 6-303 of this Code, a law enforcement officer may have the vehicle immediately impounded for a period not less than:

(2) 48 hours for a third violation of Section 11-501 of this Code or a similar provision of a local ordinance or Section 6-303 of this Code or a combination of these offenses.

The vehicle may be released sooner if the vehicle is owned by the person under arrest and the person under arrest gives permission to another person to operate the vehicle and that other person possesses a valid operator's license and would not, as determined by the arresting law enforcement agency, indicate a lack of ability to operate a motor vehicle in a safe manner or would otherwise, by operating the motor vehicle, be in violation of this Code.

(f) Except as provided in Chapter 18a of this Code, the owner or lessor of privately owned real property within this State, or any person authorized by such owner or lessor, or any law enforcement agency in the case of publicly owned real property may cause any motor vehicle abandoned or left unattended upon such property without permission to be removed by a towing service without liability for the costs of removal, transportation or storage or damage caused by such removal, transportation or storage. The towing or removal of any vehicle from private property without the consent of the registered owner or other legally authorized person in control of the vehicle is subject to compliance with the following conditions and restrictions:

1. Any towed or removed vehicle must be stored at the site of the towing service's place of business. The site must be open during business hours, and for the purpose of redemption of

vehicles, during the time that the person or firm towing such vehicle is open for towing purposes.

2. The towing service shall within 30 minutes of completion of such towing or removal, notify the law enforcement agency having jurisdiction of such towing or removal, and the make, model, color and license plate number of the vehicle, and shall obtain and record the name of the person at the law enforcement agency to whom such information was reported.

3. If the registered owner or legally authorized person entitled to possession of the vehicle shall arrive at the scene prior to actual removal or towing of the vehicle, the vehicle shall be disconnected from the tow truck and that person shall be allowed to remove the vehicle without interference, upon the payment of a reasonable service fee of not more than one half the posted rate of the towing service as provided in paragraph 6 of this subsection, for which a receipt shall be given.

4. The rebate or payment of money or any other valuable consideration from the towing service or its owners, managers or employees to the owners or operators of the premises from which the vehicles are towed or removed, for the privilege of removing or towing those vehicles, is prohibited. Any individual who violates this paragraph shall be guilty of a Class A misdemeanor.

5. Except for property appurtenant to and obviously a part of a single family residence, and except for instances where notice is personally given to the owner or other legally authorized person in control of the vehicle that the area in which that vehicle is parked is reserved or otherwise unavailable to unauthorized vehicles and they are subject to being removed at the owner or operator's expense, any property owner or lessor, prior to towing or removing any vehicle from private property without the consent of the owner or other legally authorized person in control of that vehicle, must post a notice meeting the following requirements:

   a. Except as otherwise provided in subparagraph a.1 of this subdivision (f)5, the notice must be prominently placed at each driveway access or curb cut allowing vehicular access to the property within 5 feet from the public right-of-way line. If there are no curbs or access barriers, the sign must be posted not less than one sign each 100 feet of lot frontage.

a.1. In a municipality with a population of less than 250,000, as an alternative to the requirement of subparagraph a of this subdivision (f), the notice for a parking lot contained within property used solely for a 2-family, 3-family, or 4-family residence may be prominently placed at the perimeter of the parking lot, in a position where the notice is visible to the occupants of vehicles entering the lot.

b. The notice must indicate clearly, in not less than 2 inch high light-reflective letters on a contrasting background, that unauthorized vehicles will be towed away at the owner's expense.

c. The notice must also provide the name and current telephone number of the towing service towing or removing the vehicle.

d. The sign structure containing the required notices must be permanently installed with the bottom of the sign not less than 4 feet above ground level, and must be continuously maintained on the property for not less than 24 hours prior to the towing or removing of any vehicle.

6. Any towing service that tows or removes vehicles and proposes to require the owner, operator, or person in control of the vehicle to pay the costs of towing and storage prior to redemption of the vehicle must file and keep on record with the local law enforcement agency a complete copy of the current rates to be charged for such services, and post at the storage site an identical rate schedule and any written contracts with property owners, lessors, or persons in control of property which authorize them to remove vehicles as provided in this Section. The towing and storage charges, however, shall not exceed the maximum allowed by the Illinois Commerce Commission under Section 18a-200.

7. No person shall engage in the removal of vehicles from private property as described in this Section without filing a notice of intent in each community where he intends to do such removal, and such notice shall be filed at least 7 days before commencing such towing.

8. No removal of a vehicle from private property shall be done except upon express written instructions of the owners or

persons in charge of the private property upon which the vehicle is said to be trespassing.

9. Vehicle entry for the purpose of removal shall be allowed with reasonable care on the part of the person or firm towing the vehicle. Such person or firm shall be liable for any damages occasioned to the vehicle if such entry is not in accordance with the standards of reasonable care.

9.5. Except as authorized by a law enforcement officer, no towing service shall engage in the removal of a commercial motor vehicle that requires a commercial driver's license to operate by operating the vehicle under its own power on a highway.

10. When a vehicle has been towed or removed pursuant to this Section, it must be released to its owner, custodian, agent, or lienholder within one half hour after requested, if such request is made during business hours. Any vehicle owner, custodian, agent, or lienholder shall have the right to inspect the vehicle before accepting its return, and no release or waiver of any kind which would release the towing service from liability for damages incurred during the towing and storage may be required from any vehicle owner or other legally authorized person as a condition of release of the vehicle. A detailed, signed receipt showing the legal name of the towing service must be given to the person paying towing or storage charges at the time of payment, whether requested or not.

This Section shall not apply to law enforcement, firefighting, rescue, ambulance, or other emergency vehicles which are marked as such or to property owned by any governmental entity.

When an authorized person improperly causes a motor vehicle to be removed, such person shall be liable to the owner or lessee of the vehicle for the cost or removal, transportation and storage, any damages resulting from the removal, transportation and storage, attorney's fee and court costs.

Any towing or storage charges accrued shall be payable in cash or by cashier's check, certified check, debit card, credit card, or wire transfer, at the option of the party taking possession of the vehicle.

11. Towing companies shall also provide insurance coverage for areas where vehicles towed under the provisions of

Any person who fails to comply with the conditions and restrictions of this subsection shall be guilty of a Class C misdemeanor and shall be fined not less than $100 nor more than $500.

(g)(1) When a vehicle is determined to be a hazardous dilapidated motor vehicle pursuant to Section 11-40-3.1 of the Illinois Municipal Code or Section 5-12002.1 of the Counties Code, its removal and impoundment by a towing service may be authorized by a law enforcement agency with appropriate jurisdiction.

(2) When a vehicle removal from either public or private property is authorized by a law enforcement agency, the owner of the vehicle shall be responsible for all towing and storage charges.

(3) Vehicles removed from public or private property and stored by a commercial vehicle replacer or any other towing service authorized by a law enforcement agency in compliance with this Section and Sections 4-201 and 4-202 of this Code, or at the request of the vehicle owner or operator, shall be subject to a possessor lien for services pursuant to the Labor and Storage Lien (Small Amount) Act. The provisions of Section 1 of that Act relating to notice and implied consent shall be deemed satisfied by compliance with Section 18a-302 and subsection (6) of Section 18a-300. In no event shall such lien be greater than the rate or rates established in accordance with subsection (6) of Section 18a-200 of this Code. In no event shall such lien be increased or altered to reflect any charge for services or materials rendered in addition to those authorized by this Code Act. Every such lien shall be payable in cash or by cashier's check, certified check, debit card, credit card, or wire transfer, at the option of the party taking possession of the vehicle.

(4) Any personal property belonging to the vehicle owner in a vehicle subject to a lien under this subsection (g) shall likewise be subject to that lien, excepting only: child restraint systems as defined in Section 4 of the Child Passenger Protection Act and other child booster seats; eyeglasses; food; medicine; perishable property; any operator's licenses; any cash, credit cards, or checks or checkbooks; any wallet, purse, or other property containing any operator's license or other identifying documents or materials; cash, credit cards, checks, or checkbooks; and any personal property belonging to a person other than the vehicle owner if that person provides adequate proof that the personal property belongs to that person. (5) This paragraph (5) applies only in the case of a vehicle that is towed as a result of being involved in an accident. In addition to the personal property excepted under paragraph (4), all other personal property in a vehicle subject to a lien under this subsection (g) is exempt from that lien and may be claimed by the vehicle owner if the vehicle owner provides the commercial vehicle relocator or towing service with proof that the vehicle owner has an insurance policy covering towing and storage fees. The spouse, child, mother, father, brother, or sister of the vehicle owner may claim personal property in a vehicle subject to a lien under this subsection (g) if the person claiming the personal property provides the commercial vehicle relocator or towing service with the authorization of the vehicle owner and proof that the vehicle owner has an insurance policy covering towing and storage fees. The regulation of liens on personal property and exceptions to those liens in the case of vehicles towed as a result of being involved in an accident are exclusive powers and functions of the State. A home rule unit may not regulate liens on personal property and exceptions to those liens in the case of vehicles towed as a result of being involved in an accident. This paragraph (5) is a denial and limitation of home rule powers and functions under subsection (h) of Section 6 of Article VII of the Illinois Constitution.

An impounding agency shall release a motor vehicle impounded under this subsection (h) to the registered owner of the vehicle under any of the following circumstances:

(1) If the vehicle is a stolen vehicle; or

(3) If the registered owner of the vehicle was neither the driver nor a passenger in the vehicle at the time of the violation or was unaware that the driver was using the vehicle to engage in street racing; or

(4) If the legal owner or registered owner of the vehicle is a rental car agency; or

(5) If, prior to the expiration of the impoundment period specified above, the citation is dismissed or the defendant is found not guilty of the offense.

(i) Except for vehicles exempted under subsection (b) of Section 7-601 of this Code, whenever a law enforcement officer issues a citation to a driver for a violation of Section 3-707 of this Code, and the driver has a prior conviction for a violation of Section 3-707 of this Code in the past 12 months, the arresting officer shall authorize the removal and impoundment of the vehicle by a towing service.

If the commercial vehicle relocator or other private towing service fails to comply with the notification requirements set forth in subsection (a) of this Section, storage fees shall not be assessed and collected and the lienholder shall be entitled to injunctive relief for possession of the vehicle without the payment of any storage fees.

(c) If the notification required under subsection (a) was not sent and a lienholder discovers its collateral is in the possession of a commercial vehicle relocator or other private towing service by means other than the notification required in subsection (a) of this Section, the lienholder is entitled to recover any storage fees paid to the commercial vehicle relocator or other private towing service to reclaim possession of its collateral.

(d) An action under this Section may be brought by the lienholder against the commercial vehicle locator or other private towing service in the circuit court.

(e) Notwithstanding any provision to the contrary in this Code or the Illinois Vehicle Code, a commercial vehicle relocator or other private towing service seeking to impose storage fees for a vehicle in its possession may not foreclose or otherwise enforce its claim for payment of storage services or any lien relating to the claim pursuant to this Code or other applicable law unless it first complies with the lienholder notification requirements set forth in subsection (a) of this Section.

Sec. 15-301. Permits for excess size and weight.

(a) The Department with respect to highways under its jurisdiction and local authorities with respect to highways under their jurisdiction may, in their discretion, upon application and good cause being shown therefor, issue a special permit authorizing the applicant to operate or move a vehicle or combination of vehicles of a size or weight of vehicle or load exceeding the maximum specified in this Act or otherwise not in conformity with this Act upon any highway under the jurisdiction of the party granting such permit and for the maintenance of which the party is responsible. Applications and permits other than those in written or printed form may only be accepted from and issued to the company or individual making the movement. Except for an application to move directly across a highway, it shall be the duty of the applicant to establish in the application that the load to be moved by such vehicle or combination cannot reasonably be dismantled or disassembled, the reasonableness of which shall be determined by the Secretary of the Department. For the purpose of over length movements, more than one object may be carried side by side as long as the height, width, and weight laws are not exceeded and the cause for the over length is not due to multiple objects. Any excess size or weight permit issued in violation of the provisions of this Section shall be void at issue and any movement made thereunder shall not be authorized under the terms of the void permit. In any prosecution for a violation of this Chapter when the authorization of an excess size or weight permit is at issue, it is the burden of the defendant to establish that the permit was valid because the load to be moved could not reasonably be dismantled or disassembled, or was otherwise nondivisible.

(b) The application for any such permit shall: (1) state whether such permit is requested for a single trip or for limited continuous operation; (2) state if the applicant is an authorized carrier under the Illinois Motor Carrier of Property Law, if so, his certificate, registration or permit number issued by the Illinois Commerce Commission; (3) specifically describe and identify the vehicle or vehicles and load to be operated or moved except that for vehicles or vehicle combinations registered by the Department as provided in Section 15-319 of this Chapter, only the Illinois Department of Transportation's (IDT) registration number or classification need be given; (4) state the routing requested including the points of origin and destination, and may identify and include a request for routing to the nearest certified scale in accordance with the Department's rules and regulations, provided the applicant has approval to travel on local roads; and (5) state if the vehicles or loads are being transported for hire. No permits for the movement of a vehicle or load for hire shall be issued to any applicant who is required under the Illinois Motor Carrier of Property Law to have a certificate, registration or permit and does not have such certificate, registration or permit.

(c) The Department or local authority when not inconsistent with traffic safety is authorized to issue or withhold such permit at its discretion; or, if such permit is issued at its discretion to prescribe the route or routes to be traveled, to limit the number of trips, to establish seasonal or other time limitations within which the vehicles described may be operated on the highways indicated, or otherwise to limit or prescribe conditions of operations of such vehicle or vehicles, when necessary to assure against undue damage to the road foundations, surfaces or structures, and may require such undertaking or other security as may be deemed necessary to compensate for any injury to any roadway or road structure. The Department shall maintain a daily record of each permit issued along with the fee and the stipulated dimensions, weights,
conditions and restrictions authorized and this record shall be presumed correct in any case of questions or dispute. The Department shall install an automatic device for recording applications received and permits issued by telephone. In making application by telephone, the Department and applicant waive all objections to the recording of the conversation.

(d) The Department shall, upon application in writing from any local authority, issue an annual permit authorizing the local authority to move oversize highway construction, transportation, utility and maintenance equipment over roads under the jurisdiction of the Department. The permit shall be applicable only to equipment and vehicles owned by or registered in the name of the local authority, and no fee shall be charged for the issuance of such permits.

(e) As an exception to subsection paragraph (a) of this Section, the Department and local authorities, with respect to highways under their respective jurisdictions, in their discretion and upon application in writing may issue a special permit for limited continuous operation, authorizing the applicant to move loads of agricultural commodities on a 2-axle single vehicle registered by the Secretary of State with axle loads not to exceed 35%, on a 3-axle or 4-axle vehicle registered by the Secretary of State with axle loads not to exceed 20%, and on a 5-axle vehicle registered by the Secretary of State not to exceed 10% above those provided in Section 15-111. All other restrictions that apply to permits issued under this Section shall apply during the declared time period and no fee shall be charged for the issuance of those permits. Permits issued by the Department under this subsection (e-1) are only valid on federal and State highways under the jurisdiction of the Department, except interstate highways. With respect to highways under the jurisdiction of local authorities, the local authorities may, at their discretion, waive special permit requirements during harvest season emergencies, and set a divisible load weight limit not to exceed 10% above a vehicle's registered gross weight, provided that the vehicle's axle weight and gross weight do not exceed 10% above the maximum limits specified in Section 15-111. Permits issued under this subsection (e-1) shall apply to all registered vehicles eligible to obtain permits under this Section, including vehicles used in private or for-hire movement of divisible load agricultural commodities during the declared time period.

(f) The form and content of the permit shall be determined by the Department with respect to highways under its jurisdiction and by local authorities with respect to highways under their jurisdiction. Every permit shall be in written form and carried in the vehicle or combination of vehicles to which it refers and shall be open to inspection by any police officer or authorized agent of any authority granting the permit and no person shall violate any of the terms or conditions of such special permit. Violation of the terms and conditions of the permit shall not be deemed a revocation of the permit; however, any vehicle and load found to be off the route prescribed in the permit shall be held to be operating without a permit. Any off route vehicle and load shall be required to obtain a new permit or permits, as necessary, to authorize the movement back onto the original permit routing. No rule or regulation, nor anything herein shall be construed to authorize any police officer, court, or authorized agent of any
authority granting the permit to remove the permit from the possession of
the permittee unless the permittee is charged with a fraudulent permit
violation as provided in subsection paragraph (i). However, upon arrest for
an offense of violation of permit, operating without a permit when the
vehicle is off route, or any size or weight offense under this Chapter when
the permittee plans to raise the issuance of the permit as a defense, the
permittee, or his agent, must produce the permit at any court hearing
concerning the alleged offense.

If the permit designates and includes a routing to a certified scale,
the permittee, while enroute to the designated scale, shall be deemed in
compliance with the weight provisions of the permit provided the axle or
gross weights do not exceed any of the permitted limits by more than the
following amounts:

limitations and conditions or provisions of operation upon highways under
its jurisdiction in addition to those contained in this Section for the

cannot reasonably be dismantled or disassembled, including manufactured
and modular home sections and portions thereof. All rules, limitations and

safety of the traveling public and the protection of the highway system and

Illinois Administrative Procedure Act. The requirements of the policy for
flagmen and escort vehicles shall be the same for all moves of comparable

(h) Violation of any rule, limitation or condition or provision of any permit issued in accordance with the provisions of this Section shall not render the entire permit null and void but the violator shall be deemed guilty of violation of permit and guilty of exceeding any size, weight or load limitations in excess of those authorized by the permit. The prescribed route or routes on the permit are not mere rules, limitations, conditions, or provisions of the permit, but are also the sole extent of the authorization granted by the permit. If a vehicle and load are found to be off the route or routes prescribed by any permit authorizing movement, the vehicle and load are operating without a permit. Any off-route movement shall be subject to the size and weight maximums, under the applicable provisions of this Chapter, as determined by the type or class highway upon which the vehicle and load are being operated.

Any person, firm, or corporation committing such violation shall be guilty of a Class 4 felony and the Department shall not issue permits to the person, firm or corporation convicted of such violation for a period of one year after the date of conviction. Penalties for violations of this Section shall be in addition to any penalties imposed for violation of other Sections of this Code Act.

Any person, firm or corporation convicted of such violation shall be guilty of a petty offense and shall be fined for the first offense, not less than $50 nor more than $200 and, for the second offense by the same person, firm or corporation within a period of one year, not less than $200 nor more than $300 and, for the third offense by the same person, firm or corporation within a period of one year after the date of the first offense, not less than $300 nor more than $500 and the Department shall not issue permits to the person, firm or corporation to whom such permit was granted, the driver of such vehicle, and any accessory, shall be guilty of fraud and either one or all persons may be prosecuted for such violation.

(k) Whenever any vehicle is operated on local roads under permits for excess width or length issued by local authorities, such vehicle may be moved upon a State highway for a distance not to exceed one-half mile without a permit for the purpose of crossing the State highway.

(l) Notwithstanding any other provision of this Section, the Department, with respect to highways under its jurisdiction, and local authorities, with respect to highways under their jurisdiction, may at their discretion authorize the movement of a vehicle in violation of any size or weight requirement, or both, that would not ordinarily be eligible for a permit, when there is a showing of extreme necessity that the vehicle and load should be moved without unnecessary delay.

For the purpose of this subsection, showing of extreme necessity shall be limited to the following: shipments of livestock, hazardous materials, liquid concrete being hauled in a mobile cement mixer, or hot asphalt.

(m) Penalties for violations of this Section shall be in addition to any penalties imposed for violating any other Section of this Code.

(n) The Department with respect to highways under its jurisdiction and local authorities with respect to highways under their jurisdiction, in their discretion and upon application in writing, may issue a special permit for continuous limited operation, authorizing the applicant to operate a tow truck that exceeds the weight limits provided for in subsection (a) of Section 15-111, provided:

(p) In determining whether a load may be reasonably dismantled or disassembled for the purpose of subsection paragraph (a), the Department shall consider whether there is a significant negative impact on the condition of the pavement and structures along the proposed route, whether the load or vehicle as proposed causes a safety hazard to the traveling public, whether dismantling or disassembling the load promotes or stifles economic development and whether the proposed route travels less than 5 miles. A load is not required to be dismantled or disassembled for the purposes of subsection paragraph (a) if the Secretary of the Department determines there will be no significant negative impact to pavement or structures along the proposed route, the proposed load or vehicle causes no safety hazard to the traveling public, dismantling or disassembling the load does not promote economic development and the proposed route travels less than 5 miles. The Department may promulgate rules for the purpose of establishing the divisibility of a load pursuant to subsection paragraph (a). Any load determined by the Secretary to be nondivisible shall otherwise comply with the existing size or weight maximums specified in this Chapter.

Any records obtained in violation of this subsection (C) shall not be admissible in any criminal or civil proceeding, or operate to disqualify a minor from subsequently holding public office or securing employment, or operate as a forfeiture of any public benefit, right, privilege, or right to receive any license granted by public authority.

(D) Nothing contained in subsection (C) of this Section shall prohibit the inspection or disclosure to victims and witnesses of photographs contained in the records of law enforcement agencies when the inspection and disclosure is conducted in the presence of a law enforcement officer for the purpose of the identification or apprehension of any person subject to the provisions of this Act or for the investigation or prosecution of any crime.

(E) Law enforcement officers, and personnel of an independent agency created by ordinance and charged by a unit of local government with the duty of investigating the conduct of law enforcement officers, may not disclose the identity of any minor in releasing information to the general public as to the arrest, investigation or disposition of any case involving a minor.

(F) Nothing contained in this Section shall prohibit law enforcement agencies from communicating with each other by letter, memorandum, teletype or intelligence alert bulletin or other means the identity or other relevant information pertaining to a person under 18 years of age if there are reasonable grounds to believe that the person poses a real and present danger to the safety of the public or law enforcement officers. The information provided under this subsection (F) shall remain confidential and shall not be publicly disclosed, except as otherwise allowed by law.

(G) Nothing in this Section shall prohibit the right of a Civil Service Commission or appointing authority of any state, county or municipality examining the character and fitness of an applicant for employment with a law enforcement agency, correctional institution, or fire department from obtaining and examining the records of any law

enforcement agency relating to any record of the applicant having been
arrested or taken into custody before the applicant's 18th birthday.

(H) The changes made to this Section by Public Act 98-61 apply to
law enforcement records of a minor who has been arrested or taken into
custody on or after January 1, 2014 (the effective date of Public Act 98-
61).

(I) Willful violation of this Section is a Class C misdemeanor and
each violation is subject to a fine of $1,000. This subsection (I) shall not
apply to the person who is the subject of the record.

(J) A person convicted of violating this Section is liable for
damages in the amount of $1,000 or actual damages, whichever is greater.

Sec. 2-10. Temporary custody hearing. At the appearance of the
minor before the court at the temporary custody hearing, all witnesses
present shall be examined before the court in relation to any matter
connected with the allegations made in the petition.

(1) If the court finds that there is not probable cause to believe that
the minor is abused, neglected or dependent it shall release the minor and
dismiss the petition.

(2) If the court finds that there is probable cause to believe that the
minor is abused, neglected or dependent, the court shall state in writing the
factual basis supporting its finding and the minor, his or her parent,
guardian, custodian and other persons able to give relevant testimony shall
be examined before the court. The Department of Children and Family
Services shall give testimony concerning indicated reports of abuse and
neglect, of which they are aware of through the central registry, involving
the minor's parent, guardian or custodian. After such testimony, the court
may, consistent with the health, safety and best interests of the minor,
enter an order that the minor shall be released upon the request of parent,
guardian or custodian if the parent, guardian or custodian appears to take
custody. If it is determined that a parent's, guardian's, or custodian's
compliance with critical services mitigates the necessity for removal of the
minor from his or her home, the court may enter an Order of Protection
setting forth reasonable conditions of behavior that a parent, guardian, or
custodian must observe for a specified period of time, not to exceed 12
months, without a violation; provided, however, that the 12-month period
shall begin anew after any violation. "Custodian" includes the Department
of Children and Family Services, if it has been given custody of the child,

or any other agency of the State which has been given custody or wardship of the child. If it is consistent with the health, safety and best interests of the minor, the court may also prescribe shelter care and order that the minor be kept in a suitable place designated by the court or in a shelter care facility designated by the Department of Children and Family Services or a licensed child welfare agency; however, on and after January 1, 2015 (the effective date of Public Act 98-803) and before January 1, 2017, a minor charged with a criminal offense under the Criminal Code of 1961 or the Criminal Code of 2012 or adjudicated delinquent shall not be placed in the custody of or committed to the Department of Children and Family Services by any court, except a minor less than 16 years of age and committed to the Department of Children and Family Services under Section 5-710 of this Act or a minor for whom an independent basis of abuse, neglect, or dependency exists; and on and after January 1, 2017, a minor charged with a criminal offense under the Criminal Code of 1961 or the Criminal Code of 2012 or adjudicated delinquent shall not be placed in the custody of or committed to the Department of Children and Family Services by any court, except a minor less than 15 years of age and committed to the Department of Children and Family Services under Section 5-710 of this Act or a minor for whom an independent basis of abuse, neglect, or dependency exists. An independent basis exists when the allegations or adjudication of abuse, neglect, or dependency do not arise from the same facts, incident, or circumstances which give rise to a charge or adjudication of delinquency.

In placing the minor, the Department or other agency shall, to the extent compatible with the court's order, comply with Section 7 of the Children and Family Services Act. In determining the health, safety and best interests of the minor to prescribe shelter care, the court must find that it is a matter of immediate and urgent necessity for the safety and protection of the minor or of the person or property of another that the minor be placed in a shelter care facility or that he or she is likely to flee the jurisdiction of the court, and must further find that reasonable efforts have been made or that, consistent with the health, safety and best interests of the minor, no efforts reasonably can be made to prevent or eliminate the necessity of removal of the minor from his or her home. The court shall require documentation from the Department of Children and Family Services as to the reasonable efforts that were made to prevent or eliminate the necessity of removal of the minor from his or her home or the reasons why no efforts reasonably could be made to prevent or eliminate the

necessity of removal. When a minor is placed in the home of a relative, the Department of Children and Family Services shall complete a preliminary background review of the members of the minor's custodian's household in accordance with Section 4.3 of the Child Care Act of 1969 within 90 days of that placement. If the minor is ordered placed in a shelter care facility of the Department of Children and Family Services or a licensed child welfare agency, the court shall, upon request of the appropriate Department or other agency, appoint the Department of Children and Family Services Guardianship Administrator or other appropriate agency executive temporary custodian of the minor and the court may enter such other orders related to the temporary custody as it deems fit and proper, including the provision of services to the minor or his family to ameliorate the causes contributing to the finding of probable cause or to the finding of the existence of immediate and urgent necessity.

Where the Department of Children and Family Services Guardianship Administrator is appointed as the executive temporary custodian, the Department of Children and Family Services shall file with the court and serve on the parties a parent-child visiting plan, within 10 days, excluding weekends and holidays, after the appointment. The parent-child visiting plan shall set out the time and place of visits, the frequency of visits, the length of visits, who shall be present at the visits, and where appropriate, the minor's opportunities to have telephone and mail communication with the parents.

Where the Department of Children and Family Services Guardianship Administrator is appointed as the executive temporary custodian, and when the child has siblings in care, the Department of Children and Family Services shall file with the court and serve on the parties a sibling placement and contact plan within 10 days, excluding weekends and holidays, after the appointment. The sibling placement and contact plan shall set forth whether the siblings are placed together, and if they are not placed together, what, if any, efforts are being made to place them together. If the Department has determined that it is not in a child's best interest to be placed with a sibling, the Department shall document in the sibling placement and contact plan the basis for its determination. For siblings placed separately, the sibling placement and contact plan shall set the time and place for visits, the frequency of the visits, the length of visits, who shall be present for the visits, and where appropriate, the child's opportunities to have contact with their siblings in addition to in person contact. If the Department determines it is not in the best interest of a

sibling to have contact with a sibling, the Department shall document in the sibling placement and contact plan the basis for its determination. The sibling placement and contact plan shall specify a date for development of the Sibling Contact Support Plan, under subsection (f) of Section 7.4 of the Children and Family Services Act, and shall remain in effect until the Sibling Contact Support Plan is developed.

For good cause, the court may waive the requirement to file the parent-child visiting plan or the sibling placement and contact plan, or extend the time for filing either plan. Any party may, by motion, request the court to review the parent-child visiting plan to determine whether it is reasonably calculated to expeditiously facilitate the achievement of the permanency goal. A party may, by motion, request the court to review the parent-child visiting plan or the sibling placement and contact plan to determine whether it is consistent with the minor's best interest. The court may refer the parties to mediation where available. The frequency, duration, and locations of visitation shall be measured by the needs of the child and family, and not by the convenience of Department personnel. Child development principles shall be considered by the court in its analysis of how frequent visitation should be, how long it should last, where it should take place, and who should be present. If upon motion of the party to review either plan and after receiving evidence, the court determines that the parent-child visiting plan is not reasonably calculated to expeditiously facilitate the achievement of the permanency goal or that the restrictions placed on parent-child contact or sibling placement or contact are contrary to the child's best interests, the court shall put in writing the factual basis supporting the determination and enter specific findings based on the evidence. The court shall enter an order for the Department to implement changes to the parent-child visiting plan or sibling placement or contact plan, consistent with the court's findings. At any stage of proceeding, any party may by motion request the court to enter any orders necessary to implement the parent-child visiting plan, sibling placement or contact plan or subsequently developed Sibling Contact Support Plan. Nothing under this subsection (2) shall restrict the court from granting discretionary authority to the Department to increase opportunities for additional parent-child contacts or sibling contacts, without further court orders. Nothing in this subsection (2) shall restrict the Department from immediately restricting or terminating parent-child contact or sibling contacts, without either amending the parent-child visiting plan or the sibling contact plan or obtaining a court order, where

New matter indicated by italics - deletions by strikeout
the Department or its assigns reasonably believe that continuation of the contact, as set out in the plan, would be contrary to the child's health, safety, and welfare. The Department shall file with the court and serve on the parties any amendments to the plan within 10 days, excluding weekends and holidays, of the change of the visitation.

Acceptance of services shall not be considered an admission of any allegation in a petition made pursuant to this Act, nor may a referral of services be considered as evidence in any proceeding pursuant to this Act, except where the issue is whether the Department has made reasonable efforts to reunite the family. In making its findings that it is consistent with the health, safety and best interests of the minor to prescribe shelter care, the court shall state in writing (i) the factual basis supporting its findings concerning the immediate and urgent necessity for the protection of the minor or of the person or property of another and (ii) the factual basis supporting its findings that reasonable efforts were made to prevent or eliminate the removal of the minor from his or her home or that no efforts reasonably could be made to prevent or eliminate the removal of the minor from his or her home. The parents, guardian, custodian, temporary custodian and minor shall each be furnished a copy of such written findings. The temporary custodian shall maintain a copy of the court order and written findings in the case record for the child. The order together with the court's findings of fact in support thereof shall be entered of record in the court.

Once the court finds that it is a matter of immediate and urgent necessity for the protection of the minor that the minor be placed in a shelter care facility, the minor shall not be returned to the parent, custodian or guardian until the court finds that such placement is no longer necessary for the protection of the minor.

If the child is placed in the temporary custody of the Department of Children and Family Services for his or her protection, the court shall admonish the parents, guardian, custodian or responsible relative that the parents must cooperate with the Department of Children and Family Services, comply with the terms of the service plans, and correct the conditions which require the child to be in care, or risk termination of their parental rights. The court shall ensure, by inquiring in open court of each parent, guardian, custodian or responsible relative, that the parent, guardian, custodian or responsible relative has had the opportunity to provide the Department with all known names, addresses, and telephone numbers of each of the minor's living maternal and paternal adult relatives,

New matter indicated by italics - deletions by strikeout
including, but not limited to, grandparents, aunts, uncles, and siblings. The court shall advise the parents, guardian, custodian or responsible relative to inform the Department if additional information regarding the minor's adult relatives becomes available.

(3) If prior to the shelter care hearing for a minor described in Sections 2-3, 2-4, 3-3 and 4-3 the moving party is unable to serve notice on the party respondent, the shelter care hearing may proceed ex parte. A shelter care order from an ex parte hearing shall be endorsed with the date and hour of issuance and shall be filed with the clerk's office and entered of record. The order shall expire after 10 days from the time it is issued unless before its expiration it is renewed, at a hearing upon appearance of the party respondent, or upon an affidavit of the moving party as to all diligent efforts to notify the party respondent by notice as herein prescribed. The notice prescribed shall be in writing and shall be personally delivered to the minor or the minor's attorney and to the last known address of the other person or persons entitled to notice. The notice shall also state the nature of the allegations, the nature of the order sought by the State, including whether temporary custody is sought, and the consequences of failure to appear and shall contain a notice that the parties will not be entitled to further written notices or publication notices of proceedings in this case, including the filing of an amended petition or a motion to terminate parental rights, except as required by Supreme Court Rule 11; and shall explain the right of the parties and the procedures to vacate or modify a shelter care order as provided in this Section. The notice for a shelter care hearing shall be substantially as follows:

At the Shelter Care Hearing, children have the following rights:

1. To have a guardian ad litem appointed.
2. To be declared competent as a witness and to present testimony concerning:
   a. Whether they are abused, neglected or dependent.
   b. Whether there is "immediate and urgent necessity" to be removed from home.
   c. Their best interests.
3. To cross examine witnesses for other parties.
4. To obtain an explanation of any proceedings and orders of the court.

(4) If the parent, guardian, legal custodian, responsible relative, minor age 8 or over, or counsel of the minor did not have actual notice of or was not present at the shelter care hearing, he or she may file an affidavit setting forth these facts, and the clerk shall set the matter for rehearing not later than 48 hours, excluding Sundays and legal holidays, after the filing of the affidavit. At the rehearing, the court shall proceed in the same manner as upon the original hearing.

(5) Only when there is reasonable cause to believe that the minor taken into custody is a person described in subsection (3) of Section 5-105 may the minor be kept or detained in a detention home or county or municipal jail. This Section shall in no way be construed to limit subsection (6).

(6) No minor under 16 years of age may be confined in a jail or place ordinarily used for the confinement of prisoners in a police station. Minors under 18 years of age must be kept separate from confined adults and may not at any time be kept in the same cell, room, or yard with adults confined pursuant to the criminal law.

(7) If the minor is not brought before a judicial officer within the time period as specified in Section 2-9, the minor must immediately be released from custody.

(8) If neither the parent, guardian or custodian appears within 24 hours to take custody of a minor released upon request pursuant to subsection (2) of this Section, then the clerk of the court shall set the matter for rehearing not later than 7 days after the original order and shall issue a summons directed to the parent, guardian or custodian to appear. At the same time the probation department shall prepare a report on the

minor. If a parent, guardian or custodian does not appear at such rehearing, the judge may enter an order prescribing that the minor be kept in a suitable place designated by the Department of Children and Family Services or a licensed child welfare agency.

(9) Notwithstanding any other provision of this Section any interested party, including the State, the temporary custodian, an agency providing services to the minor or family under a service plan pursuant to Section 8.2 of the Abused and Neglected Child Reporting Act, foster parent, or any of their representatives, on notice to all parties entitled to notice, may file a motion that it is in the best interests of the minor to modify or vacate a temporary custody order on any of the following grounds:

(a) It is no longer a matter of immediate and urgent necessity that the minor remain in shelter care; or
(b) There is a material change in the circumstances of the natural family from which the minor was removed and the child can be cared for at home without endangering the child's health or safety; or
(c) A person not a party to the alleged abuse, neglect or dependency, including a parent, relative or legal guardian, is capable of assuming temporary custody of the minor; or
(d) Services provided by the Department of Children and Family Services or a child welfare agency or other service provider have been successful in eliminating the need for temporary custody and the child can be cared for at home without endangering the child's health or safety.

In ruling on the motion, the court shall determine whether it is consistent with the health, safety and best interests of the minor to modify or vacate a temporary custody order.

The clerk shall set the matter for hearing not later than 14 days after such motion is filed. In the event that the court modifies or vacates a temporary custody order but does not vacate its finding of probable cause, the court may order that appropriate services be continued or initiated in behalf of the minor and his or her family.

(10) When the court finds or has found that there is probable cause to believe a minor is an abused minor as described in subsection (2) of Section 2-3 and that there is an immediate and urgent necessity for the abused minor to be placed in shelter care, immediate and urgent necessity
shall be presumed for any other minor residing in the same household as the abused minor provided:

(a) Such other minor is the subject of an abuse or neglect petition pending before the court; and

(b) A party to the petition is seeking shelter care for such other minor.

Once the presumption of immediate and urgent necessity has been raised, the burden of demonstrating the lack of immediate and urgent necessity shall be on any party that is opposing shelter care for the other minor.

(11) The changes made to this Section by Public Act 98-61 apply to a minor who has been arrested or taken into custody on or after January 1, 2014 (the effective date of Public Act 98-61).

(705 ILCS 405/2-28) (from Ch. 37, par. 802-28)
Sec. 2-28. Court review.

(1) The court may require any legal custodian or guardian of the person appointed under this Act to report periodically to the court or may cite him into court and require him or his agency, to make a full and accurate report of his or its doings in behalf of the minor. The custodian or guardian, within 10 days after such citation, or earlier if the court determines it to be necessary to protect the health, safety, or welfare of the minor, shall make the report, either in writing verified by affidavit or orally under oath in open court, or otherwise as the court directs. Upon the hearing of the report the court may remove the custodian or guardian and appoint another in his stead or restore the minor to the custody of his parents or former guardian or custodian. However, custody of the minor shall not be restored to any parent, guardian or legal custodian in any case in which the minor is found to be neglected or abused under Section 2-3 or dependent under Section 2-4 of this Act, unless the minor can be cared for at home without endangering the minor's health or safety and it is in the best interests of the minor, and if such neglect, abuse, or dependency is found by the court under paragraph (1) of Section 2-21 of this Act to have come about due to the acts or omissions or both of such parent, guardian or legal custodian, until such time as an investigation is made as provided in paragraph (5) and a hearing is held on the issue of the fitness of such parent, guardian or legal custodian to care for the minor and the court.

enters an order that such parent, guardian or legal custodian is fit to care for the minor.

(1.5) The public agency that is the custodian or guardian of the minor shall file a written report with the court no later than 15 days after a minor in the agency's care remains:

1. in a shelter placement beyond 30 days;
2. in a psychiatric hospital past the time when the minor is clinically ready for discharge or beyond medical necessity for the minor's health; or
3. in a detention center or Department of Juvenile Justice facility solely because the public agency cannot find an appropriate placement for the minor.

The report shall explain the steps the agency is taking to ensure the minor is placed appropriately, how the minor's needs are being met in the minor's shelter placement, and if a future placement has been identified by the Department, why the anticipated placement is appropriate for the needs of the minor and the anticipated placement date.

(2) The first permanency hearing shall be conducted by the judge. Subsequent permanency hearings may be heard by a judge or by hearing officers appointed or approved by the court in the manner set forth in Section 2-28.1 of this Act. The initial hearing shall be held (a) within 12 months from the date temporary custody was taken, regardless of whether an adjudication or dispositional hearing has been completed within that time frame, (b) if the parental rights of both parents have been terminated in accordance with the procedure described in subsection (5) of Section 2-21, within 30 days of the order for termination of parental rights and appointment of a guardian with power to consent to adoption, or (c) in accordance with subsection (2) of Section 2-13.1. Subsequent permanency hearings shall be held every 6 months or more frequently if necessary in the court's determination following the initial permanency hearing, in accordance with the standards set forth in this Section, until the court determines that the plan and goal have been achieved. Once the plan and goal have been achieved, if the minor remains in substitute care, the case shall be reviewed at least every 6 months thereafter, subject to the provisions of this Section, unless the minor is placed in the guardianship of a suitable relative or other person and the court determines that further monitoring by the court does not further the health, safety or best interest of the child and that this is a stable permanent placement. The permanency hearings must occur within the time frames set forth in this subsection and

New matter indicated by italics - deletions by strikeout
may not be delayed in anticipation of a report from any source or due to the agency's failure to timely file its written report (this written report means the one required under the next paragraph and does not mean the service plan also referred to in that paragraph).

The public agency that is the custodian or guardian of the minor, or another agency responsible for the minor's care, shall ensure that all parties to the permanency hearings are provided a copy of the most recent service plan prepared within the prior 6 months at least 14 days in advance of the hearing. If not contained in the agency's service plan, the agency shall also include a report setting forth (i) any special physical, psychological, educational, medical, emotional, or other needs of the minor or his or her family that are relevant to a permanency or placement determination and (ii) for any minor age 16 or over, a written description of the programs and services that will enable the minor to prepare for independent living. If not contained in the agency's service plan, the agency's report shall specify if a minor is placed in a licensed child care facility under a corrective plan by the Department due to concerns impacting the minor's safety and well-being. The report shall explain the steps the Department is taking to ensure the safety and well-being of the minor and that the minor's needs are met in the facility. The agency's written report must detail what progress or lack of progress the parent has made in correcting the conditions requiring the child to be in care; whether the child can be returned home without jeopardizing the child's health, safety, and welfare, and if not, what permanency goal is recommended to be in the best interests of the child, and why the other permanency goals are not appropriate. The caseworker must appear and testify at the permanency hearing. If a permanency hearing has not previously been scheduled by the court, the moving party shall move for the setting of a permanency hearing and the entry of an order within the time frames set forth in this subsection.

At the permanency hearing, the court shall determine the future status of the child. The court shall set one of the following permanency goals:

(A) The minor will be returned home by a specific date within 5 months.

(B) The minor will be in short-term care with a continued goal to return home within a period not to exceed one year, where the progress of the parent or parents is substantial giving particular consideration to the age and individual needs of the minor.

New matter indicated by italics - deletions by strikeout
(B-1) The minor will be in short-term care with a continued goal to return home pending a status hearing. When the court finds that a parent has not made reasonable efforts or reasonable progress to date, the court shall identify what actions the parent and the Department must take in order to justify a finding of reasonable efforts or reasonable progress and shall set a status hearing to be held not earlier than 9 months from the date of adjudication nor later than 11 months from the date of adjudication during which the parent's progress will again be reviewed.

(C) The minor will be in substitute care pending court determination on termination of parental rights.

(D) Adoption, provided that parental rights have been terminated or relinquished.

(E) The guardianship of the minor will be transferred to an individual or couple on a permanent basis provided that goals (A) through (D) have been ruled out.

(F) The minor over age 15 will be in substitute care pending independence.

(G) The minor will be in substitute care because he or she cannot be provided for in a home environment due to developmental disabilities or mental illness or because he or she is a danger to self or others, provided that goals (A) through (D) have been ruled out.

In selecting any permanency goal, the court shall indicate in writing the reasons the goal was selected and why the preceding goals were ruled out. Where the court has selected a permanency goal other than (A), (B), or (B-1), the Department of Children and Family Services shall not provide further reunification services, but shall provide services consistent with the goal selected.

(H) Notwithstanding any other provision in this Section, the court may select the goal of continuing foster care as a permanency goal if:

1. The Department of Children and Family Services has custody and guardianship of the minor;
2. The court has ruled out all other permanency goals based on the child's best interest;
3. The court has found compelling reasons, based on written documentation reviewed by the court, to place...
the minor in continuing foster care. Compelling reasons include:

(a) the child does not wish to be adopted or to be placed in the guardianship of his or her relative or foster care placement;
(b) the child exhibits an extreme level of need such that the removal of the child from his or her placement would be detrimental to the child; or
(c) the child who is the subject of the permanency hearing has existing close and strong bonds with a sibling, and achievement of another permanency goal would substantially interfere with the subject child's sibling relationship, taking into consideration the nature and extent of the relationship, and whether ongoing contact is in the subject child's best interest, including long-term emotional interest, as compared with the legal and emotional benefit of permanence;

(4) The child has lived with the relative or foster parent for at least one year; and
(5) The relative or foster parent currently caring for the child is willing and capable of providing the child with a stable and permanent environment.

The court shall set a permanency goal that is in the best interest of the child. In determining that goal, the court shall consult with the minor in an age-appropriate manner regarding the proposed permanency or transition plan for the minor. The court's determination shall include the following factors:

(1) Age of the child.
(2) Options available for permanence, including both out-of-State and in-State placement options.
(3) Current placement of the child and the intent of the family regarding adoption.
(4) Emotional, physical, and mental status or condition of the child.
(5) Types of services previously offered and whether or not the services were successful and, if not successful, the reasons the services failed.

New matter indicated by italics - deletions by strikeout
(6) Availability of services currently needed and whether the services exist.

The court shall consider (i) the permanency goal contained in the service plan, (ii) the appropriateness of the services contained in the plan and whether those services have been provided, (iii) whether reasonable efforts have been made by all the parties to the service plan to achieve the goal, and (iv) whether the plan and goal have been achieved. All evidence relevant to determining these questions, including oral and written reports, may be admitted and may be relied on to the extent of their probative value.

The court shall make findings as to whether, in violation of Section 8.2 of the Abused and Neglected Child Reporting Act, any portion of the service plan compels a child or parent to engage in any activity or refrain from any activity that is not reasonably related to remedying a condition or conditions that gave rise or which could give rise to any finding of child abuse or neglect. The services contained in the service plan shall include services reasonably related to remedy the conditions that gave rise to removal of the child from the home of his or her parents, guardian, or legal custodian or that the court has found must be remedied prior to returning the child home. Any tasks the court requires of the parents, guardian, or legal custodian or child prior to returning the child home, must be reasonably related to remedying a condition or conditions that gave rise to or which could give rise to any finding of child abuse or neglect.

If the permanency goal is to return home, the court shall make findings that identify any problems that are causing continued placement of the children away from the home and identify what outcomes would be considered a resolution to these problems. The court shall explain to the parents that these findings are based on the information that the court has at that time and may be revised, should additional evidence be presented to the court.

The court shall review the Sibling Contact Support Plan developed or modified under subsection (f) of Section 7.4 of the Children and Family Services Act, if applicable. If the Department has not convened a meeting to develop or modify a Sibling Contact Support Plan, or if the court finds that the existing Plan is not in the child's best interest, the court may enter an order requiring the Department to develop, modify or implement a Sibling Contact Support Plan, or order mediation.

If the goal has been achieved, the court shall enter orders that are necessary to conform the minor's legal custody and status to those findings.

If, after receiving evidence, the court determines that the services contained in the plan are not reasonably calculated to facilitate achievement of the permanency goal, the court shall put in writing the factual basis supporting the determination and enter specific findings based on the evidence. The court also shall enter an order for the Department to develop and implement a new service plan or to implement changes to the current service plan consistent with the court's findings. The new service plan shall be filed with the court and served on all parties within 45 days of the date of the order. The court shall continue the matter until the new service plan is filed. Except as authorized by subsection (2.5) of this Section and as otherwise specifically authorized by law, the court is not empowered under this Section to order specific placements, specific services, or specific service providers to be included in the service plan.

A guardian or custodian appointed by the court pursuant to this Act shall file updated case plans with the court every 6 months.

Rights of wards of the court under this Act are enforceable against any public agency by complaints for relief by mandamus filed in any proceedings brought under this Act.

(2.5) If, after reviewing the evidence, including evidence from the Department, the court determines that the minor's current or planned placement is not necessary or appropriate to facilitate achievement of the permanency goal, the court shall put in writing the factual basis supporting its determination and enter specific findings based on the evidence. If the court finds that the minor's current or planned placement is not necessary or appropriate, the court may enter an order directing the Department to implement a recommendation by the minor's treating clinician or a clinician contracted by the Department to evaluate the minor or a recommendation made by the Department. If the Department places a minor in a placement under an order entered under this subsection (2.5), the Department has the authority to remove the minor from that placement when a change in circumstances necessitates the removal to protect the minor's health, safety, and best interest. If the Department determines removal is necessary, the Department shall notify the parties of the planned placement change in writing no later than 10 days prior to the implementation of its determination unless remaining in the placement poses an imminent risk of harm to the minor, in which case the

Department shall notify the parties of the placement change in writing immediately following the implementation of its decision. The Department shall notify others of the decision to change the minor's placement as required by Department rule.

(3) Following the permanency hearing, the court shall enter a written order that includes the determinations required under subsection (2) of this Section and sets forth the following:

(a) The future status of the minor, including the permanency goal, and any order necessary to conform the minor's legal custody and status to such determination; or

(b) If the permanency goal of the minor cannot be achieved immediately, the specific reasons for continuing the minor in the care of the Department of Children and Family Services or other agency for short term placement, and the following determinations:
   (i) (Blank).
   (ii) Whether the services required by the court and by any service plan prepared within the prior 6 months have been provided and (A) if so, whether the services were reasonably calculated to facilitate the achievement of the permanency goal or (B) if not provided, why the services were not provided.
   (iii) Whether the minor's current or planned placement is necessary, and appropriate to the plan and goal, recognizing the right of minors to the least restrictive (most family-like) setting available and in close proximity to the parents' home consistent with the health, safety, best interest and special needs of the minor and, if the minor is placed out-of-State, whether the out-of-State placement continues to be appropriate and consistent with the health, safety, and best interest of the minor.
   (iv) (Blank).
   (v) (Blank).

(4) The minor or any person interested in the minor may apply to the court for a change in custody of the minor and the appointment of a new custodian or guardian of the person or for the restoration of the minor to the custody of his parents or former guardian or custodian.

When return home is not selected as the permanency goal:

(a) The Department, the minor, or the current foster parent or relative caregiver seeking private guardianship may file a
motion for private guardianship of the minor. Appointment of a guardian under this Section requires approval of the court.

(b) The State's Attorney may file a motion to terminate parental rights of any parent who has failed to make reasonable efforts to correct the conditions which led to the removal of the child or reasonable progress toward the return of the child, as defined in subdivision (D)(m) of Section 1 of the Adoption Act or for whom any other unfitness ground for terminating parental rights as defined in subdivision (D) of Section 1 of the Adoption Act exists.

When parental rights have been terminated for a minimum of 3 years and the child who is the subject of the permanency hearing is 13 years old or older and is not currently placed in a placement likely to achieve permanency, the Department of Children and Family Services shall make reasonable efforts to locate parents whose rights have been terminated, except when the Court determines that those efforts would be futile or inconsistent with the subject child's best interests. The Department of Children and Family Services shall assess the appropriateness of the parent whose rights have been terminated, and shall, as appropriate, foster and support connections between the parent whose rights have been terminated and the youth. The Department of Children and Family Services shall document its determinations and efforts to foster connections in the child's case plan.

Custody of the minor shall not be restored to any parent, guardian or legal custodian in any case in which the minor is found to be neglected or abused under Section 2-3 or dependent under Section 2-4 of this Act, unless the minor can be cared for at home without endangering his or her health or safety and it is in the best interest of the minor, and if such neglect, abuse, or dependency is found by the court under paragraph (1) of Section 2-21 of this Act to have come about due to the acts or omissions or both of such parent, guardian or legal custodian, until such time as an investigation is made as provided in paragraph (5) and a hearing is held on the issue of the health, safety and best interest of the minor and the fitness of such parent, guardian or legal custodian to care for the minor and the court enters an order that such parent, guardian or legal custodian is fit to care for the minor. In the event that the minor has attained 18 years of age and the guardian or custodian petitions the court for an order terminating his guardianship or custody, guardianship or custody shall terminate

automatically 30 days after the receipt of the petition unless the court orders otherwise. No legal custodian or guardian of the person may be removed without his consent until given notice and an opportunity to be heard by the court.

When the court orders a child restored to the custody of the parent or parents, the court shall order the parent or parents to cooperate with the Department of Children and Family Services and comply with the terms of an after-care plan, or risk the loss of custody of the child and possible termination of their parental rights. The court may also enter an order of protective supervision in accordance with Section 2-24.

(5) Whenever a parent, guardian, or legal custodian files a motion for restoration of custody of the minor, and the minor was adjudicated neglected, abused, or dependent as a result of physical abuse, the court shall cause to be made an investigation as to whether the movant has ever been charged with or convicted of any criminal offense which would indicate the likelihood of any further physical abuse to the minor. Evidence of such criminal convictions shall be taken into account in determining whether the minor can be cared for at home without endangering his or her health or safety and fitness of the parent, guardian, or legal custodian.

(a) Any agency of this State or any subdivision thereof shall co-operate with the agent of the court in providing any information sought in the investigation.

(b) The information derived from the investigation and any conclusions or recommendations derived from the information shall be provided to the parent, guardian, or legal custodian seeking restoration of custody prior to the hearing on fitness and the movant shall have an opportunity at the hearing to refute the information or contest its significance.

(c) All information obtained from any investigation shall be confidential as provided in Section 5-150 of this Act.

(0.05) For purposes of this Section:
"Dissemination" or "disseminate" means to publish, produce, print, manufacture, distribute, sell, lease, exhibit,
broadcast, display, transmit, or otherwise share information in any format so as to make the information accessible to others.

"Expunge" means to physically destroy the records and to obliterate the minor's name and juvenile court records from any official index, public record, or electronic database. No evidence of the juvenile court records may be retained by any law enforcement agency, the juvenile court, or by any municipal, county, or State agency or department. Nothing in this Act shall require the physical destruction of the internal office records, files, or databases maintained by a State's Attorney's Office or other prosecutor or by the Office of the Secretary of State.

"Juvenile court record" includes, but is not limited to:

(a) all documents filed in or maintained by the juvenile court pertaining to a specific incident, proceeding, or individual;

(b) all documents relating to a specific incident, proceeding, or individual made available to or maintained by probation officers;

(c) all documents, video or audio tapes, photographs, and exhibits admitted into evidence at juvenile court hearings; or

(d) all documents, transcripts, records, reports or other evidence prepared by, maintained by, or released by any municipal, county, or State agency or department, in any format, if indicating involvement with the juvenile court relating to a specific incident, proceeding, or individual.

"Law enforcement record" includes, but is not limited to, records of arrest, station adjustments, fingerprints, probation adjustments, the issuance of a notice to appear, or any other records or documents maintained by any law enforcement agency relating to a minor suspected of committing an offense or evidence of interaction with law enforcement.

(0.1) (a) The Department of State Police and all law enforcement agencies within the State shall automatically expunge, on or before January 1 of each year, all law enforcement records relating to events occurring before an individual's 18th birthday if:

(1) one year or more has elapsed since the date of the arrest or law enforcement interaction documented in the records;

(2) no petition for delinquency or criminal charges were filed with the clerk of the circuit court relating to the arrest or law enforcement interaction documented in the records; and

New matter indicated by italics - deletions by strikeout
(3) 6 months have elapsed without an additional subsequent arrest or filing of a petition for delinquency or criminal charges whether related or not to the arrest or law enforcement interaction documented in the records.

(b) If the law enforcement agency is unable to verify satisfaction of conditions (2) and (3) of this subsection (0.1), records that satisfy condition (1) of this subsection (0.1) shall be automatically expunged if the records relate to an offense that if committed by an adult would not be an offense classified as Class 2 felony or higher, an offense under Article 11 of the Criminal Code of 1961 or Criminal Code of 2012, or an offense under Section 12-13, 12-14, 12-14.1, 12-15, or 12-16 of the Criminal Code of 1961.

(0.2) (a) Upon dismissal of a petition alleging delinquency or upon a finding of not delinquent, the successful termination of an order of supervision, or an adjudication for an offense which would be a Class B misdemeanor, Class C misdemeanor, or a petty or business offense if committed by an adult, the court shall automatically order the expungement of the juvenile court and law enforcement records within 60 business days.

(b) If the chief law enforcement officer of the agency, or his or her designee, certifies in writing that certain information is needed for a pending investigation involving the commission of a felony, that information, and information identifying the juvenile, may be retained in an intelligence file until the investigation is terminated or for one additional year, whichever is sooner. Retention of a portion of a juvenile's law enforcement record does not disqualify the remainder of his or her record from immediate automatic expungement.

(0.3) (a) Upon an adjudication of delinquency based on any offense except a disqualified offense, the juvenile court shall automatically order the expungement of the juvenile records 2 years after the juvenile's case was closed if no delinquency or criminal proceeding is pending and the person has had no subsequent delinquency adjudication or criminal conviction. The court shall automatically order the expungement of the juvenile court and law enforcement records within 60 business days. For the purposes of this subsection (0.3), "disqualified offense" means any of the following offenses: Section 8-1.2, 9-1, 9-1.2, 9-2, 9-2.1, 9-3, 9-3.2, 10-1, 10-2, 10-3, 10-3.1, 10-4, 10-5, 10-9, 11-1.20, 11-1.30, 11-1.40, 11-1.50, 11-1.60, 11-6, 11-6.5, 12-2, 12-3.05, 12-3.3, 12-4.4a, 12-5.02, 12-6.2, 12-6.5, 12-7.1, 12-7.5, 12-20.5, 12-32, 12-33, 12-34, 12-34.5, 18-1, 18-2, 18-
3, 18-4, 18-6, 19-3, 19-6, 20-1, 20-1.1, 24-1.2, 24-1.2-5, 24-1.5, 24-3A, 24-3B, 24-3.2, 24-3.8, 24-3.9, 29D-14.9, 29D-20, 30-1, 31-1a, 32-4a, or 33A-2 of the Criminal Code of 2012, or subsection (b) of Section 8-1, paragraph (4) of subsection (a) of Section 11-14.4, subsection (a-5) of Section 12-3.1, paragraph (1), (2), or (3) of subsection (a) of Section 12-6, subsection (a-3) or (a-5) of Section 12-7.3, paragraph (1) or (2) of subsection (a) of Section 12-7.4, subparagraph (i) of paragraph (1) of subsection (a) of Section 12-9, subparagraph (H) of paragraph (3) of subsection (a) of Section 24-1.6, paragraph (1) of subsection (a) of Section 25-1, or subsection (a-7) of Section 31-1 of the Criminal Code of 2012.

(b) If the chief law enforcement officer of the agency, or his or her designee, certifies in writing that certain information is needed for a pending investigation involving the commission of a felony, that information, and information identifying the juvenile, may be retained in an intelligence file until the investigation is terminated or for one additional year, whichever is sooner. Retention of a portion of a juvenile's law enforcement record does not disqualify the remainder of his or her record from immediate automatic expungement.

(1) Nothing in this subsection (1) precludes an eligible minor from obtaining expungement under subsections (0.1), (0.2), or (0.3). Whenever a person has been arrested, charged, or adjudicated delinquent for an incident occurring before his or her 18th birthday that if committed by an adult would be an offense, and that person's records are not eligible for automatic expungement under subsections (0.1), (0.2), or (0.3), the person may petition the court at any time for expungement of law enforcement records and juvenile court records relating to the incident and, upon termination of all juvenile court proceedings relating to that incident, the court shall order the expungement of all records in the possession of the Department of State Police, the clerk of the circuit court, and law enforcement agencies relating to the incident, but only in any of the following circumstances:

(a) the minor was arrested and no petition for delinquency was filed with the clerk of the circuit court;

(a-5) the minor was charged with an offense and the petition or petitions were dismissed without a finding of delinquency;

(b) the minor was charged with an offense and was found not delinquent of that offense;

New matter indicated by italics - deletions by strikeout
(c) the minor was placed under supervision pursuant to Section 5-615, and the order of supervision has since been successfully terminated; or

(d) the minor was adjudicated for an offense which would be a Class B misdemeanor, Class C misdemeanor, or a petty or business offense if committed by an adult.

(1.5) January 1, 2015 (Public Act 98-637) The Department of State Police shall allow a person to use the Access and Review process, established in the Department of State Police, for verifying that his or her law enforcement records relating to incidents occurring before his or her 18th birthday eligible under this Act have been expunged.

(1.7) (Blank).

(1.8) (Blank).

(2) Any person whose delinquency adjudications are not eligible for automatic expungement under subsection (0.3) of this Section may petition the court to expunge all law enforcement records relating to any incidents occurring before his or her 18th birthday which did not result in proceedings in criminal court and all juvenile court records with respect to any adjudications except those based upon first degree murder or an offense under Article 11 of the Criminal Code of 2012 if the person is required to register under the Sex Offender Registration Act; provided that:

(a) (blank); or

(b) 2 years have elapsed since all juvenile court proceedings relating to him or her have been terminated and his or her commitment to the Department of Juvenile Justice under this Act has been terminated.

(2.5) If a minor is arrested and no petition for delinquency is filed with the clerk of the circuit court at the time the minor is released from custody, the youth officer, if applicable, or other designated person from the arresting agency, shall notify verbally and in writing to the minor or the minor's parents or guardians that the minor shall have an arrest record and shall provide the minor and the minor's parents or guardians with an expungement information packet, information regarding this State's expungement laws including a petition to expunge juvenile records obtained from the clerk of the circuit court.

New matter indicated by italics - deletions by strikeout
(2.6) If a minor is referred to court then at the time of sentencing or dismissal of the case, or successful completion of supervision, the judge shall inform the delinquent minor of his or her rights regarding expungement and the clerk of the circuit court shall provide an expungement information packet to the minor, written in plain language, including information regarding this State's expungement laws and a petition for expungement, a sample of a completed petition, expungement instructions that shall include information informing the minor that (i) once the case is expunged, it shall be treated as if it never occurred, (ii) he or she may apply to have petition fees waived, (iii) once he or she obtains an expungement, he or she may not be required to disclose that he or she had a juvenile record, and (iv) if petitioning he or she may file the petition on his or her own or with the assistance of an attorney. The failure of the judge to inform the delinquent minor of his or her right to petition for expungement as provided by law does not create a substantive right, nor is that failure grounds for: (i) a reversal of an adjudication of delinquency, (ii) a new trial; or (iii) an appeal.

(2.7) (Blank).

(2.8) The petition for expungement for subsection (1) and (2) may include multiple offenses on the same petition and shall be substantially in the following form:

(4)(a) Upon entry of an order expunging records or files, the offense, which the records or files concern shall be treated as if it never occurred. Law enforcement officers and other public offices and agencies shall properly reply on inquiry that no record or file exists with respect to the person. 

(a-5) Local law enforcement agencies shall send written notice to the minor of the expungement of any records within 60 days of automatic expungement or the date of service of an expungement order, whichever applies. If a minor's court file has been expunged, the clerk of the circuit court shall send written notice to the minor of the expungement of any records within 60 days of automatic expungement or the date of service of an expungement order, whichever applies. 

(b) Except with respect to authorized military personnel, an expunged juvenile record may not be considered by any private or public entity in employment matters, certification, licensing, revocation of certification or licensure, or registration. Applications for employment within the State must contain specific language that states that the applicant is not obligated to disclose expunged juvenile records of adjudication or arrest. Employers may not ask, in any format or context, if an applicant has had a juvenile record expunged. Information about an expunged record obtained by a potential employer, even inadvertently, from an employment application that does not contain specific language that states that the applicant is not obligated to disclose expunged juvenile records of adjudication or arrest, shall be treated as dissemination of an expunged record by the employer. 

(c) A person whose juvenile records have been expunged is not entitled to remission of any fines, costs, or other money paid as a consequence of expungement. 

(5) (Blank).; 

(5.5) Whether or not expunged, records eligible for automatic expungement under subdivision (0.1)(a), (0.2)(a), or (0.3)(a) may be treated as expunged by the individual subject to the records. 

New matter indicated by italics - deletions by strikeout
(6) Nothing in this Section shall be construed to prohibit the maintenance of information relating to an offense after records or files concerning the offense have been expunged if the information is kept in a manner that does not enable identification of the individual. This information may only be used for anonymous statistical and bona fide research purposes.

(6.5) The Department of State Police or any employee of the Department shall be immune from civil or criminal liability for failure to expunge any records of arrest that are subject to expungement under this Section because of inability to verify a record. Nothing in this Section shall create Department of State Police liability or responsibility for the expungement of law enforcement records it does not possess.

(7)(a) The State Appellate Defender shall establish, maintain, and carry out, by December 31, 2004, a juvenile expungement program to provide information and assistance to minors eligible to have their juvenile records expunged.

(b) The State Appellate Defender shall develop brochures, pamphlets, and other materials in printed form and through the agency's World Wide Web site. The pamphlets and other materials shall include at a minimum the following information:

(ii) The circumstances under which juvenile expungement may occur;

(iii) The juvenile offenses that may be expunged;

(iv) The steps necessary to initiate and complete the juvenile expungement process; and

(v) Directions on how to contact the State Appellate Defender.

(c) The State Appellate Defender shall establish and maintain a statewide toll-free telephone number that a person may use to receive information or assistance concerning the expungement of juvenile records. The State Appellate Defender shall advertise the toll-free telephone number statewide. The State Appellate Defender shall develop an expungement information packet that may be sent to eligible persons seeking expungement of their juvenile records, which may include, but is not limited to, a pre-printed expungement petition with instructions on
how to complete the petition and a pamphlet containing information that would assist individuals through the juvenile expungement process.

(d) The State Appellate Defender shall compile a statewide list of volunteer attorneys willing to assist eligible individuals through the juvenile expungement process.

(e) This Section shall be implemented from funds appropriated by the General Assembly to the State Appellate Defender for this purpose. The State Appellate Defender shall employ the necessary staff and adopt the necessary rules for implementation of this Section.

(7.5) (a) Willful dissemination of any information contained in an expunged record shall be treated as a Class C misdemeanor and punishable by a fine of $1,000 per violation.

(b) Willful dissemination for financial gain of any information contained in an expunged record shall be treated as a Class 4 felony. Dissemination for financial gain by an employee of any municipal, county, or State agency, including law enforcement, shall result in immediate termination.

(c) The person whose record was expunged has a right of action against any person who intentionally disseminates an expunged record. In the proceeding, punitive damages up to an amount of $1,000 may be sought in addition to any actual damages. The prevailing party shall be entitled to costs and reasonable attorney fees.

(d) The punishments for dissemination of an expunged record shall never apply to the person whose record was expunged.

(8)(a) An expunged juvenile record may not be considered by any private or public entity in employment matters, certification, licensing, revocation of certification or licensure, or registration. Applications for employment must contain specific language that states that the applicant is not obligated to disclose expunged juvenile records of adjudication, conviction, or arrest. Employers may not ask if an applicant has had a juvenile record expunged. Effective January 1, 2005, the Department of Labor shall develop a link on the Department's website to inform employers that employers may not ask if an applicant had a juvenile record expunged and that application for employment must contain specific language that states that the applicant is not obligated to disclose expunged juvenile records of adjudication, arrest, or conviction.

(c) Consideration of factors in Aggravation and Mitigation. The court shall consider, or shall instruct the jury to consider any aggravating and any mitigating factors which are relevant to the imposition of the death penalty. Aggravating factors may include but need not be limited to those factors set forth in subsection (b). Mitigating factors may include but need not be limited to the following:

(1) the defendant has no significant history of prior criminal activity;
(2) the murder was committed while the defendant was under the influence of extreme mental or emotional disturbance, although not such as to constitute a defense to prosecution;
(3) the murdered individual was a participant in the defendant's homicidal conduct or consented to the homicidal act;
(4) the defendant acted under the compulsion of threat or menace of the imminent infliction of death or great bodily harm;
(5) the defendant was not personally present during commission of the act or acts causing death;

New matter indicated by italics - deletions by strikeout
(6) the defendant's background includes a history of extreme emotional or physical abuse;

(7) the defendant suffers from a reduced mental capacity.

Provided, however, that an action that does not otherwise mitigate first degree murder cannot qualify as a mitigating factor for first degree murder because of the discovery, knowledge, or disclosure of the victim's sexual orientation as defined in Section 1-103 of the Illinois Human Rights Act.

(d) Separate sentencing hearing.

Where requested by the State, the court shall conduct a separate sentencing proceeding to determine the existence of factors set forth in subsection (b) and to consider any aggravating or mitigating factors as indicated in subsection (c). The proceeding shall be conducted:

(1) before the jury that determined the defendant's guilt; or

(2) before a jury impanelled for the purpose of the proceeding if:

A. the defendant was convicted upon a plea of guilty; or

B. the defendant was convicted after a trial before the court sitting without a jury; or

C. the court for good cause shown discharges the jury that determined the defendant's guilt; or

(3) before the court alone if the defendant waives a jury for the separate proceeding.

(e) Evidence and Argument.

During the proceeding any information relevant to any of the factors set forth in subsection (b) may be presented by either the State or the defendant under the rules governing the admission of evidence at criminal trials. Any information relevant to any additional aggravating factors or any mitigating factors indicated in subsection (c) may be presented by the State or defendant regardless of its admissibility under the rules governing the admission of evidence at criminal trials. The State and the defendant shall be given fair opportunity to rebut any information received at the hearing.

(f) Proof.

The burden of proof of establishing the existence of any of the factors set forth in subsection (b) is on the State and shall not be satisfied unless established beyond a reasonable doubt.

(g) Procedure - Jury.

New matter indicated by italics - deletions by strikeout
If at the separate sentencing proceeding the jury finds that none of the factors set forth in subsection (b) exists, the court shall sentence the defendant to a term of imprisonment under Chapter V of the Unified Code of Corrections. If there is a unanimous finding by the jury that one or more of the factors set forth in subsection (b) exist, the jury shall consider aggravating and mitigating factors as instructed by the court and shall determine whether the sentence of death shall be imposed. If the jury determines unanimously, after weighing the factors in aggravation and mitigation, that death is the appropriate sentence, the court shall sentence the defendant to death. If the court does not concur with the jury determination that death is the appropriate sentence, the court shall set forth reasons in writing including what facts or circumstances the court relied upon, along with any relevant documents, that compelled the court to non-concur with the sentence. This document and any attachments shall be part of the record for appellate review. The court shall be bound by the jury's sentencing determination.

If after weighing the factors in aggravation and mitigation, one or more jurors determines that death is not the appropriate sentence, the court shall sentence the defendant to a term of imprisonment under Chapter V of the Unified Code of Corrections.

(h) Procedure - No Jury.

In a proceeding before the court alone, if the court finds that none of the factors found in subsection (b) exists, the court shall sentence the defendant to a term of imprisonment under Chapter V of the Unified Code of Corrections.

If the Court determines that one or more of the factors set forth in subsection (b) exists, the Court shall consider any aggravating and mitigating factors as indicated in subsection (c). If the Court determines, after weighing the factors in aggravation and mitigation, that death is the appropriate sentence, the Court shall sentence the defendant to death.

If the court finds that death is not the appropriate sentence, the court shall sentence the defendant to a term of imprisonment under Chapter V of the Unified Code of Corrections.

(h-5) Decertification as a capital case.

In a case in which the defendant has been found guilty of first degree murder by a judge or jury, or a case on remand for resentencing, and the State seeks the death penalty as an appropriate sentence, on the court's own motion or the written motion of the defendant, the court may decertify the case as a death penalty case if the court finds that the only

evidence supporting the defendant's conviction is the uncorroborated testimony of an informant witness, as defined in Section 115-21 of the Code of Criminal Procedure of 1963, concerning the confession or admission of the defendant or that the sole evidence against the defendant is a single eyewitness or single accomplice without any other corroborating evidence. If the court decertifies the case as a capital case under either of the grounds set forth above, the court shall issue a written finding. The State may pursue its right to appeal the decertification pursuant to Supreme Court Rule 604(a)(1). If the court does not decertify the case as a capital case, the matter shall proceed to the eligibility phase of the sentencing hearing.

(i) Appellate Procedure.

The conviction and sentence of death shall be subject to automatic review by the Supreme Court. Such review shall be in accordance with rules promulgated by the Supreme Court. The Illinois Supreme Court may overturn the death sentence, and order the imposition of imprisonment under Chapter V of the Unified Code of Corrections if the court finds that the death sentence is fundamentally unjust as applied to the particular case. If the Illinois Supreme Court finds that the death sentence is fundamentally unjust as applied to the particular case, independent of any procedural grounds for relief, the Illinois Supreme Court shall issue a written opinion explaining this finding.

(j) Disposition of reversed death sentence.

In the event that the death penalty in this Act is held to be unconstitutional by the Supreme Court of the United States or of the State of Illinois, any person convicted of first degree murder shall be sentenced by the court to a term of imprisonment under Chapter V of the Unified Code of Corrections.

In the event that any death sentence pursuant to the sentencing provisions of this Section is declared unconstitutional by the Supreme Court of the United States or of the State of Illinois, the court having jurisdiction over a person previously sentenced to death shall cause the defendant to be brought before the court, and the court shall sentence the defendant to a term of imprisonment under Chapter V of the Unified Code of Corrections.

(k) Guidelines for seeking the death penalty.

The Attorney General and State's Attorneys Association shall consult on voluntary guidelines for procedures governing whether or not to
seek the death penalty. The guidelines do not have the force of law and are only advisory in nature.

Section 580. The Code of Criminal Procedure of 1963 is amended by changing Sections 110-6.4 and 112A-14 as follows:

(725 ILCS 5/110-6.4)

Sec. 110-6.4. Statewide risk-assessment tool. The Supreme Court may establish a statewide risk-assessment tool to be used in proceedings to assist the court in establishing bail for a defendant by assessing the defendant's likelihood of appearing at future court proceedings or determining if the defendant poses a real and present threat to the physical safety of any person or persons. The Supreme Court shall consider establishing a risk-assessment tool that does not discriminate on the basis of race, gender, educational level, socio-economic status, or neighborhood. If a risk-assessment tool is utilized within a circuit that does not require a personal interview to be completed, the Chief Judge of the circuit or the Director of the Pre-trial Services Agency may exempt the requirement under Section 9 and subsection (a) of Section 7 of the Pretrial Services Act.

For the purpose of this Section, "risk-assessment tool" means an empirically validated, evidence-based screening instrument that demonstrates reduced instances of a defendant's failure to appear for further court proceedings or prevents future criminal activity.

(725 ILCS 5/112A-14) (from Ch. 38, par. 112A-14)

Sec. 112A-14. Order of protection; remedies.
(a) (Blank).
(b) The court may order any of the remedies listed in this subsection. The remedies listed in this subsection shall be in addition to other civil or criminal remedies available to petitioner.

(1) Prohibition of abuse. Prohibit respondent's harassment, interference with personal liberty, intimidation of a dependent, physical abuse or willful deprivation, as defined in this Article, if such abuse has occurred or otherwise appears likely to occur if not prohibited.

(2) Grant of exclusive possession of residence. Prohibit respondent from entering or remaining in any residence, household, or premises of the petitioner, including one owned or leased by respondent, if petitioner has a right to occupancy thereof. The grant of exclusive possession of the residence, household, or premises shall not affect title to real property, nor shall the court be limited by the standard set forth in Section 701 of the Illinois Marriage and Dissolution of Marriage Act.

(A) Right to occupancy. A party has a right to occupancy of a residence or household if it is solely or jointly owned or leased by that party, that party's spouse, a person with a legal duty to support that party or a minor child in that party's care, or by any person or entity other than the opposing party that authorizes that party's occupancy (e.g., a domestic violence shelter). Standards set forth in subparagraph (B) shall not preclude equitable relief.

(B) Presumption of hardships. If petitioner and respondent each has the right to occupancy of a residence or household, the court shall balance (i) the hardships to respondent and any minor child or dependent adult in respondent's care resulting from entry of this remedy with (ii) the hardships to petitioner and any minor child or dependent adult in petitioner's care resulting from continued exposure to the risk of abuse (should petitioner remain at the residence or household) or from loss of possession of the residence or household (should petitioner leave to avoid the risk of abuse). When determining the balance of hardships, the court shall also take into account

New matter indicated by italics - deletions by strikeout
the accessibility of the residence or household. Hardships need not be balanced if respondent does not have a right to occupancy.

The balance of hardships is presumed to favor possession by petitioner unless the presumption is rebutted by a preponderance of the evidence, showing that the hardships to respondent substantially outweigh the hardships to petitioner and any minor child or dependent adult in petitioner's care. The court, on the request of petitioner or on its own motion, may order respondent to provide suitable, accessible, alternate housing for petitioner instead of excluding respondent from a mutual residence or household.

(3) Stay away order and additional prohibitions. Order respondent to stay away from petitioner or any other person protected by the order of protection, or prohibit respondent from entering or remaining present at petitioner's school, place of employment, or other specified places at times when petitioner is present, or both, if reasonable, given the balance of hardships. Hardships need not be balanced for the court to enter a stay away order or prohibit entry if respondent has no right to enter the premises.

(A) If an order of protection grants petitioner exclusive possession of the residence, or prohibits respondent from entering the residence, or orders respondent to stay away from petitioner or other protected persons, then the court may allow respondent access to the residence to remove items of clothing and personal adornment used exclusively by respondent, medications, and other items as the court directs. The right to access shall be exercised on only one occasion as the court directs and in the presence of an agreed-upon adult third party or law enforcement officer.

(B) When the petitioner and the respondent attend the same public, private, or non-public elementary, middle, or high school, the court when issuing an order of protection and providing relief shall consider the severity of the act, any continuing physical danger or emotional distress to the petitioner, the educational rights guaranteed

New matter indicated by italics - deletions by strikeout
to the petitioner and respondent under federal and State law, the availability of a transfer of the respondent to another school, a change of placement or a change of program of the respondent, the expense, difficulty, and educational disruption that would be caused by a transfer of the respondent to another school, and any other relevant facts of the case. The court may order that the respondent not attend the public, private, or non-public elementary, middle, or high school attended by the petitioner, order that the respondent accept a change of placement or change of program, as determined by the school district or private or non-public school, or place restrictions on the respondent's movements within the school attended by the petitioner. The respondent bears the burden of proving by a preponderance of the evidence that a transfer, change of placement, or change of program of the respondent is not available. The respondent also bears the burden of production with respect to the expense, difficulty, and educational disruption that would be caused by a transfer of the respondent to another school. A transfer, change of placement, or change of program is not unavailable to the respondent solely on the ground that the respondent does not agree with the school district's or private or non-public school's transfer, change of placement, or change of program or solely on the ground that the respondent fails or refuses to consent or otherwise does not take an action required to effectuate a transfer, change of placement, or change of program. When a court orders a respondent to stay away from the public, private, or non-public school attended by the petitioner and the respondent requests a transfer to another attendance center within the respondent's school district or private or non-public school, the school district or private or non-public school shall have sole discretion to determine the attendance center to which the respondent is transferred. If the court order results in a transfer of the minor respondent to another attendance center, a change in the respondent's placement, or a change of the respondent's program, the parents, guardian, or legal
custodian of the respondent is responsible for transportation and other costs associated with the transfer or change.

(C) The court may order the parents, guardian, or legal custodian of a minor respondent to take certain actions or to refrain from taking certain actions to ensure that the respondent complies with the order. If the court orders a transfer of the respondent to another school, the parents, guardian, or legal custodian of the respondent is responsible for transportation and other costs associated with the change of school by the respondent.

(4) Counseling. Require or recommend the respondent to undergo counseling for a specified duration with a social worker, psychologist, clinical psychologist, psychiatrist, family service agency, alcohol or substance abuse program, mental health center guidance counselor, agency providing services to elders, program designed for domestic violence abusers or any other guidance service the court deems appropriate. The court may order the respondent in any intimate partner relationship to report to an Illinois Department of Human Services protocol approved partner abuse intervention program for an assessment and to follow all recommended treatment.

(5) Physical care and possession of the minor child. In order to protect the minor child from abuse, neglect, or unwarranted separation from the person who has been the minor child's primary caretaker, or to otherwise protect the well-being of the minor child, the court may do either or both of the following: (i) grant petitioner physical care or possession of the minor child, or both, or (ii) order respondent to return a minor child to, or not remove a minor child from, the physical care of a parent or person in loco parentis.

If the respondent is charged with abuse (as defined in Section 112A-3) of a minor child, there shall be a rebuttable presumption that awarding physical care to respondent would not be in the minor child's best interest.

(6) Temporary legal custody. Award temporary legal custody to petitioner in accordance with this Section, the Illinois Marriage and Dissolution of Marriage Act, the Illinois Parentage Act of 2015, and this State's Uniform Child-Custody Jurisdiction and Enforcement Act.

If the respondent is charged with abuse (as defined in Section 112A-3) of a minor child, there shall be a rebuttable presumption that awarding temporary legal custody to respondent would not be in the child's best interest.

(7) Visitation. Determine the visitation rights, if any, of respondent in any case in which the court awards physical care or temporary legal custody of a minor child to petitioner. The court shall restrict or deny respondent's visitation with a minor child if the court finds that respondent has done or is likely to do any of the following: (i) abuse or endanger the minor child during visitation; (ii) use the visitation as an opportunity to abuse or harass petitioner or petitioner's family or household members; (iii) improperly conceal or detain the minor child; or (iv) otherwise act in a manner that is not in the best interests of the minor child. The court shall not be limited by the standards set forth in Section 607.1 of the Illinois Marriage and Dissolution of Marriage Act. If the court grants visitation, the order shall specify dates and times for the visitation to take place or other specific parameters or conditions that are appropriate. No order for visitation shall refer merely to the term "reasonable visitation".

Petitioner may deny respondent access to the minor child if, when respondent arrives for visitation, respondent is under the influence of drugs or alcohol and constitutes a threat to the safety and well-being of petitioner or petitioner's minor children or is behaving in a violent or abusive manner.

If necessary to protect any member of petitioner's family or household from future abuse, respondent shall be prohibited from coming to petitioner's residence to meet the minor child for visitation, and the parties shall submit to the court their recommendations for reasonable alternative arrangements for visitation. A person may be approved to supervise visitation only after filing an affidavit accepting that responsibility and acknowledging accountability to the court.

(8) Removal or concealment of minor child. Prohibit respondent from removing a minor child from the State or concealing the child within the State.

(9) Order to appear. Order the respondent to appear in court, alone or with a minor child, to prevent abuse, neglect, removal or concealment of the child, to return the child to the
custody or care of the petitioner or to permit any court-ordered interview or examination of the child or the respondent.

(10) Possession of personal property. Grant petitioner exclusive possession of personal property and, if respondent has possession or control, direct respondent to promptly make it available to petitioner, if:

(i) petitioner, but not respondent, owns the property;
or

(ii) the parties own the property jointly; sharing it would risk abuse of petitioner by respondent or is impracticable; and the balance of hardships favors temporary possession by petitioner.

If petitioner's sole claim to ownership of the property is that it is marital property, the court may award petitioner temporary possession thereof under the standards of subparagraph (ii) of this paragraph only if a proper proceeding has been filed under the Illinois Marriage and Dissolution of Marriage Act, as now or hereafter amended.

No order under this provision shall affect title to property.

(11) Protection of property. Forbid the respondent from taking, transferring, encumbering, concealing, damaging or otherwise disposing of any real or personal property, except as explicitly authorized by the court, if:

(i) petitioner, but not respondent, owns the property;
or

(ii) the parties own the property jointly, and the balance of hardships favors granting this remedy.

If petitioner's sole claim to ownership of the property is that it is marital property, the court may grant petitioner relief under subparagraph (ii) of this paragraph only if a proper proceeding has been filed under the Illinois Marriage and Dissolution of Marriage Act, as now or hereafter amended.

The court may further prohibit respondent from improperly using the financial or other resources of an aged member of the family or household for the profit or advantage of respondent or of any other person.

(11.5) Protection of animals. Grant the petitioner the exclusive care, custody, or control of any animal owned, possessed, leased, kept, or held by either the petitioner or the respondent or a
minor child residing in the residence or household of either the petitioner or the respondent and order the respondent to stay away from the animal and forbid the respondent from taking, transferring, encumbering, concealing, harming, or otherwise disposing of the animal.

(12) Order for payment of support. Order respondent to pay temporary support for the petitioner or any child in the petitioner's care or custody, when the respondent has a legal obligation to support that person, in accordance with the Illinois Marriage and Dissolution of Marriage Act, which shall govern, among other matters, the amount of support, payment through the clerk and withholding of income to secure payment. An order for child support may be granted to a petitioner with lawful physical care or custody of a child, or an order or agreement for physical care or custody, prior to entry of an order for legal custody. Such a support order shall expire upon entry of a valid order granting legal custody to another, unless otherwise provided in the custody order.

(13) Order for payment of losses. Order respondent to pay petitioner for losses suffered as a direct result of the abuse. Such losses shall include, but not be limited to, medical expenses, lost earnings or other support, repair or replacement of property damaged or taken, reasonable attorney's fees, court costs and moving or other travel expenses, including additional reasonable expenses for temporary shelter and restaurant meals.

(i) Losses affecting family needs. If a party is entitled to seek maintenance, child support or property distribution from the other party under the Illinois Marriage and Dissolution of Marriage Act, as now or hereafter amended, the court may order respondent to reimburse petitioner's actual losses, to the extent that such reimbursement would be "appropriate temporary relief", as authorized by subsection (a)(3) of Section 501 of that Act.

(ii) Recovery of expenses. In the case of an improper concealment or removal of a minor child, the court may order respondent to pay the reasonable expenses incurred or to be incurred in the search for and recovery of the minor child, including, but not limited to, legal fees, court costs, private investigator fees, and travel costs.

(14) Prohibition of entry. Prohibit the respondent from entering or remaining in the residence or household while the respondent is under the influence of alcohol or drugs and constitutes a threat to the safety and well-being of the petitioner or the petitioner's children.

(14.5) Prohibition of firearm possession.

(A) A person who is subject to an existing order of protection, issued under this Code may not lawfully possess weapons under Section 8.2 of the Firearm Owners Identification Card Act.

(B) Any firearms in the possession of the respondent, except as provided in subparagraph (C) of this paragraph (14.5), shall be ordered by the court to be turned over to a person with a valid Firearm Owner's Identification Card for safekeeping. The court shall issue an order that the respondent's Firearm Owner's Identification Card be turned over to the local law enforcement agency, which in turn shall immediately mail the card to the Department of State Police Firearm Owner's Identification Card Office for safekeeping. The period of safekeeping shall be for the duration of the order of protection. The firearm or firearms and Firearm Owner's Identification Card, if unexpired, shall at the respondent's request be returned to the respondent at expiration of the order of protection.

(C) If the respondent is a peace officer as defined in Section 2-13 of the Criminal Code of 2012, the court shall order that any firearms used by the respondent in the performance of his or her duties as a peace officer be surrendered to the chief law enforcement executive of the agency in which the respondent is employed, who shall retain the firearms for safekeeping for the duration of the order of protection.

(D) Upon expiration of the period of safekeeping, if the firearms or Firearm Owner's Identification Card cannot be returned to respondent because respondent cannot be located, fails to respond to requests to retrieve the firearms, or is not lawfully eligible to possess a firearm, upon petition from the local law enforcement agency, the court may order the local law enforcement agency to destroy the

firearms, use the firearms for training purposes, or for any other application as deemed appropriate by the local law enforcement agency; or that the firearms be turned over to a third party who is lawfully eligible to possess firearms, and who does not reside with respondent.

(15) Prohibition of access to records. If an order of protection prohibits respondent from having contact with the minor child, or if petitioner's address is omitted under subsection (b) of Section 112A-5, or if necessary to prevent abuse or wrongful removal or concealment of a minor child, the order shall deny respondent access to, and prohibit respondent from inspecting, obtaining, or attempting to inspect or obtain, school or any other records of the minor child who is in the care of petitioner.

(16) Order for payment of shelter services. Order respondent to reimburse a shelter providing temporary housing and counseling services to the petitioner for the cost of the services, as certified by the shelter and deemed reasonable by the court.

(17) Order for injunctive relief. Enter injunctive relief necessary or appropriate to prevent further abuse of a family or household member or to effectuate one of the granted remedies, if supported by the balance of hardships. If the harm to be prevented by the injunction is abuse or any other harm that one of the remedies listed in paragraphs (1) through (16) of this subsection is designed to prevent, no further evidence is necessary to establish that the harm is an irreparable injury.

(18) Telephone services.

(A) Unless a condition described in subparagraph (B) of this paragraph exists, the court may, upon request by the petitioner, order a wireless telephone service provider to transfer to the petitioner the right to continue to use a telephone number or numbers indicated by the petitioner and the financial responsibility associated with the number or numbers, as set forth in subparagraph (C) of this paragraph. For purposes of this paragraph (18), the term "wireless telephone service provider" means a provider of commercial mobile service as defined in 47 U.S.C. 332. The petitioner may request the transfer of each telephone number that the petitioner, or a minor child in his or her custody, uses. The clerk of the court shall serve the order on
the wireless telephone service provider's agent for service of process provided to the Illinois Commerce Commission. The order shall contain all of the following:

(i) The name and billing telephone number of the account holder including the name of the wireless telephone service provider that serves the account.

(ii) Each telephone number that will be transferred.

(iii) A statement that the provider transfers to the petitioner all financial responsibility for and right to the use of any telephone number transferred under this paragraph.

(B) A wireless telephone service provider shall terminate the respondent's use of, and shall transfer to the petitioner use of, the telephone number or numbers indicated in subparagraph (A) of this paragraph unless it notifies the petitioner, within 72 hours after it receives the order, that one of the following applies:

(i) The account holder named in the order has terminated the account.

(ii) A difference in network technology would prevent or impair the functionality of a device on a network if the transfer occurs.

(iii) The transfer would cause a geographic or other limitation on network or service provision to the petitioner.

(iv) Another technological or operational issue would prevent or impair the use of the telephone number if the transfer occurs.

(C) The petitioner assumes all financial responsibility for and right to the use of any telephone number transferred under this paragraph. In this paragraph, "financial responsibility" includes monthly service costs and costs associated with any mobile device associated with the number.

(D) A wireless telephone service provider may apply to the petitioner its routine and customary requirements for establishing an account or transferring a
number, including requiring the petitioner to provide proof of identification, financial information, and customer preferences.

(E) Except for willful or wanton misconduct, a wireless telephone service provider is immune from civil liability for its actions taken in compliance with a court order issued under this paragraph.

(F) All wireless service providers that provide services to residential customers shall provide to the Illinois Commerce Commission the name and address of an agent for service of orders entered under this paragraph (18). Any change in status of the registered agent must be reported to the Illinois Commerce Commission within 30 days of such change.

(G) The Illinois Commerce Commission shall maintain the list of registered agents for service for each wireless telephone service provider on the Commission's website. The Commission may consult with wireless telephone service providers and the Circuit Court Clerks on the manner in which this information is provided and displayed.

(c) Relevant factors; findings.

(1) In determining whether to grant a specific remedy, other than payment of support, the court shall consider relevant factors, including, but not limited to, the following:

   (i) the nature, frequency, severity, pattern and consequences of the respondent's past abuse of the petitioner or any family or household member, including the concealment of his or her location in order to evade service of process or notice, and the likelihood of danger of future abuse to petitioner or any member of petitioner's or respondent's family or household; and

   (ii) the danger that any minor child will be abused or neglected or improperly removed from the jurisdiction, improperly concealed within the State or improperly separated from the child's primary caretaker.

(2) In comparing relative hardships resulting to the parties from loss of possession of the family home, the court shall consider relevant factors, including, but not limited to, the following:

   New matter indicated by italics - deletions by strikeout
(i) availability, accessibility, cost, safety, adequacy, location and other characteristics of alternate housing for each party and any minor child or dependent adult in the party's care;
(ii) the effect on the party's employment; and
(iii) the effect on the relationship of the party, and any minor child or dependent adult in the party's care, to family, school, church and community.
(3) Subject to the exceptions set forth in paragraph (4) of this subsection, the court shall make its findings in an official record or in writing, and shall at a minimum set forth the following:
(i) That the court has considered the applicable relevant factors described in paragraphs (1) and (2) of this subsection.
(ii) Whether the conduct or actions of respondent, unless prohibited, will likely cause irreparable harm or continued abuse.
(iii) Whether it is necessary to grant the requested relief in order to protect petitioner or other alleged abused persons.
(4) (Blank).
(5) Never married parties. No rights or responsibilities for a minor child born outside of marriage attach to a putative father until a father and child relationship has been established under the Illinois Parentage Act of 1984 or under the Illinois Parentage Act of 2015 on and after the effective date of that Act. Absent such an adjudication, no putative father shall be granted temporary custody of the minor child, visitation with the minor child, or physical care and possession of the minor child, nor shall an order of payment for support of the minor child be entered.
(d) Balance of hardships; findings. If the court finds that the balance of hardships does not support the granting of a remedy governed by paragraph (2), (3), (10), (11), or (16) of subsection (b) of this Section, which may require such balancing, the court's findings shall so indicate and shall include a finding as to whether granting the remedy will result in hardship to respondent that would substantially outweigh the hardship to petitioner from denial of the remedy. The findings shall be an official record or in writing.

(e) Denial of remedies. Denial of any remedy shall not be based, in whole or in part, on evidence that:

1. Respondent has cause for any use of force, unless that cause satisfies the standards for justifiable use of force provided by Article 7 of the Criminal Code of 2012;
2. Respondent was voluntarily intoxicated;
3. Petitioner acted in self-defense or defense of another, provided that, if petitioner utilized force, such force was justifiable under Article 7 of the Criminal Code of 2012;
4. Petitioner did not act in self-defense or defense of another;
5. Petitioner left the residence or household to avoid further abuse by respondent;
6. Petitioner did not leave the residence or household to avoid further abuse by respondent;
7. Conduct by any family or household member excused the abuse by respondent, unless that same conduct would have excused such abuse if the parties had not been family or household members.

(b-1) To create and implement, on January 1, 2002, a pilot program to establish the effectiveness of pupillometer technology (the measurement of the pupil's reaction to light) as an alternative to a urine test for purposes of screening and evaluating persons committed to its custody who have alcohol or drug problems. The pilot program shall require the pupillometer technology to be used in at least one Department of Corrections facility. The Director may expand the pilot program to include an additional facility or facilities as he or she deems appropriate. A minimum of 4,000 tests shall be included in the pilot program. The lease specified in a bid shall be for a term of not less than the time needed to retire any revenue bonds used to finance the project, but not to exceed 40 years. The lease may grant to the State the option to purchase the structure outright.

Upon receipt of the bids, the Department may certify one or more of the bids and shall submit any such bids to the General Assembly for approval. Upon approval of a bid by a constitutional majority of both houses of the General Assembly, pursuant to joint resolution, the Department of Central Management Services may enter into an agreement with the county or municipality pursuant to such bid.

(c-5) To build and maintain regional juvenile detention centers and to charge a per diem to the counties as established by the Department to defray the costs of housing each minor in a center. irrevocable letter of credit or performance bond issued by a company whose bonds have an investment grade or higher rating by a bond rating organization.

(5) On and after the date 6 months after August 16, 2013 (the effective date of Public Act 98-488), as provided in the Executive Order 1 (2012) Implementation Act, all of the powers, duties, rights, and responsibilities related to State healthcare purchasing under this Code that were transferred from the Department of Corrections to the Department of Healthcare and Family Services by Executive Order 3 (2005) are transferred back to the Department of Corrections; however, powers, duties, rights, and responsibilities related to State healthcare purchasing under this Code that were exercised by the Department of Corrections before the effective date of Executive Order 3 (2005) but that pertain to individuals resident in facilities operated by the Department of Juvenile Justice are transferred to the Department of Juvenile Justice.

(730 ILCS 5/5-2-4) (from Ch. 38, par. 1005-2-4)
Sec. 5-2-4. Proceedings after acquittal by reason of insanity.

(a) After a finding or verdict of not guilty by reason of insanity under Sections 104-25, 115-3, or 115-4 of the Code of Criminal Procedure of 1963, the defendant shall be ordered to the Department of Human Services for an evaluation as to whether he is in need of mental health services. The order shall specify whether the evaluation shall be conducted on an inpatient or outpatient basis. If the evaluation is to be conducted on an inpatient basis, the defendant shall be placed in a secure setting. With the court order for evaluation shall be sent a copy of the arrest report, criminal charges, arrest record, jail record, any report prepared under Section 115-6 of the Code of Criminal Procedure of 1963, and any victim impact statement prepared under Section 6 of the Rights of Crime Victims and Witnesses Act. The clerk of the circuit court shall transmit this information to the Department within 5 days. If the court orders that the evaluation be done on an inpatient basis, the Department shall evaluate the defendant to determine to which secure facility the defendant shall be transported and, within 20 days of the transmittal by the clerk of the circuit court of the placement court order, notify the sheriff of the designated facility. Upon receipt of that notice, the sheriff shall promptly transport the

defendant to the designated facility. During the period of time required to determine the appropriate placement, the defendant shall remain in jail. If, within 20 days of the transmittal by the clerk of the circuit court of the placement court order, the Department fails to notify the sheriff of the identity of the facility to which the defendant shall be transported, the sheriff shall contact a designated person within the Department to inquire about when a placement will become available at the designated facility and bed availability at other facilities. If, within 20 days of the transmittal by the clerk of the circuit court of the placement court order, the Department fails to notify the sheriff of the identity of the facility to which the defendant shall be transported, the sheriff shall notify the Department of its intent to transfer the defendant to the nearest secure mental health facility operated by the Department and inquire as to the status of the placement evaluation and availability for admission to such facility operated by the Department by contacting a designated person within the Department. The Department shall respond to the sheriff within 2 business days of the notice and inquiry by the sheriff seeking the transfer and the Department shall provide the sheriff with the status of the placement evaluation, information on bed and placement availability, and an estimated date of admission for the defendant and any changes to that estimated date of admission. If the Department notifies the sheriff during the 2 business day period of a facility operated by the Department with placement availability, the sheriff shall promptly transport the defendant to that facility. Individualized placement evaluations by the Department of Human Services determine the most appropriate setting for forensic treatment based upon a number of factors including mental health diagnosis, proximity to surviving victims, security need, age, gender, and proximity to family.

The Department shall provide the Court with a report of its evaluation within 30 days of the date of this order. The Court shall hold a hearing as provided under the Mental Health and Developmental Disabilities Code to determine if the individual is: (a) in need of mental health services on an inpatient basis; (b) in need of mental health services on an outpatient basis; (c) a person not in need of mental health services. The Court shall enter its findings.

If the defendant is found to be in need of mental health services on an inpatient care basis, the Court shall order the defendant to the Department of Human Services. The defendant shall be placed in a secure setting. Such defendants placed in a secure setting shall not be permitted
outside the facility's housing unit unless escorted or accompanied by personnel of the Department of Human Services or with the prior approval of the Court for unsupervised on-grounds privileges as provided herein. Any defendant placed in a secure setting pursuant to this Section, transported to court hearings or other necessary appointments off facility grounds by personnel of the Department of Human Services, shall be placed in security devices or otherwise secured during the period of transportation to assure secure transport of the defendant and the safety of Department of Human Services personnel and others. These security measures shall not constitute restraint as defined in the Mental Health and Developmental Disabilities Code. If the defendant is found to be in need of mental health services, but not on an inpatient care basis, the Court shall conditionally release the defendant, under such conditions as set forth in this Section as will reasonably assure the defendant's satisfactory progress and participation in treatment or rehabilitation and the safety of the defendant and others. If the Court finds the person not in need of mental health services, then the Court shall order the defendant discharged from custody.

(a-1) Definitions. For the purposes of this Section:

(A) (Blank).

(B) "In need of mental health services on an inpatient basis" means: a defendant who has been found not guilty by reason of insanity but who, due to mental illness, is reasonably expected to inflict serious physical harm upon himself or another and who would benefit from inpatient care or is in need of inpatient care.

(C) "In need of mental health services on an outpatient basis" means: a defendant who has been found not guilty by reason of insanity who is not in need of mental health services on an inpatient basis, but is in need of outpatient care, drug and/or alcohol rehabilitation programs, community adjustment programs, individual, group, or family therapy, or chemotherapy.

(D) "Conditional Release" means: the release from either the custody of the Department of Human Services or the custody of the Court of a person who has been found not guilty by reason of insanity under such conditions as the Court may impose which reasonably assure the defendant's satisfactory progress in treatment or habilitation and the safety of the defendant and others. The Court shall consider such terms and conditions which may include, but need not be limited to, outpatient care, alcoholic and drug

New matter indicated by italics - deletions by strikeout
rehabilitation programs, community adjustment programs, individual, group, family, and chemotherapy, random testing to ensure the defendant's timely and continuous taking of any medicines prescribed to control or manage his or her conduct or mental state, and periodic checks with the legal authorities and/or the Department of Human Services. The Court may order as a condition of conditional release that the defendant not contact the victim of the offense that resulted in the finding or verdict of not guilty by reason of insanity or any other person. The Court may order the Department of Human Services to provide care to any person conditionally released under this Section. The Department may contract with any public or private agency in order to discharge any responsibilities imposed under this Section. The Department shall monitor the provision of services to persons conditionally released under this Section and provide periodic reports to the Court concerning the services and the condition of the defendant. Whenever a person is conditionally released pursuant to this Section, the State's Attorney for the county in which the hearing is held shall designate in writing the name, telephone number, and address of a person employed by him or her who shall be notified in the event that either the reporting agency or the Department decides that the conditional release of the defendant should be revoked or modified pursuant to subsection (i) of this Section. Such conditional release shall be for a period of five years. However, the defendant, the person or facility rendering the treatment, therapy, program or outpatient care, the Department, or the State's Attorney may petition the Court for an extension of the conditional release period for an additional 5 years. Upon receipt of such a petition, the Court shall hold a hearing consistent with the provisions of paragraph (a), this paragraph (a-1), and paragraph (f) of this Section, shall determine whether the defendant should continue to be subject to the terms of conditional release, and shall enter an order either extending the defendant's period of conditional release for an additional 5-year period or discharging the defendant. Additional 5-year periods of conditional release may be ordered following a hearing as provided in this Section. However, in no event shall the defendant's period of conditional release continue beyond the maximum period of commitment ordered by the Court pursuant to paragraph (b) of this
Section. These provisions for extension of conditional release shall only apply to defendants conditionally released on or after August 8, 2003. However, the extension provisions of Public Act 83-1449 apply only to defendants charged with a forcible felony.

(E) "Facility director" means the chief officer of a mental health or developmental disabilities facility or his or her designee or the supervisor of a program of treatment or habilitation or his or her designee. "Designee" may include a physician, clinical psychologist, social worker, nurse, or clinical professional counselor.

(b) If the Court finds the defendant in need of mental health services on an inpatient basis, the admission, detention, care, treatment or habilitation, treatment plans, review proceedings, including review of treatment and treatment plans, and discharge of the defendant after such order shall be under the Mental Health and Developmental Disabilities Code, except that the initial order for admission of a defendant acquitted of a felony by reason of insanity shall be for an indefinite period of time. Such period of commitment shall not exceed the maximum length of time that the defendant would have been required to serve, less credit for good behavior as provided in Section 5-4-1 of the Unified Code of Corrections, before becoming eligible for release had he been convicted of and received the maximum sentence for the most serious crime for which he has been acquitted by reason of insanity. The Court shall determine the maximum period of commitment by an appropriate order. During this period of time, the defendant shall not be permitted to be in the community in any manner, including, but not limited to, off-grounds privileges, with or without escort by personnel of the Department of Human Services, unsupervised on-grounds privileges, discharge or conditional or temporary release, except by a plan as provided in this Section. In no event shall a defendant's continued unauthorized absence be a basis for discharge. Not more than 30 days after admission and every 90 days thereafter so long as the initial order remains in effect, the facility director shall file a treatment plan report in writing with the court and forward a copy of the treatment plan report to the clerk of the court, the State's Attorney, and the defendant's attorney, if the defendant is represented by counsel, or to a person authorized by the defendant under the Mental Health and Developmental Disabilities Confidentiality Act to be sent a copy of the report. The report shall include an opinion as to whether the defendant is currently in need of mental health services on an inpatient basis or in need

New matter indicated by italics - deletions by strikeout
of mental health services on an outpatient basis. The report shall also summarize the basis for those findings and provide a current summary of the following items from the treatment plan: (1) an assessment of the defendant's treatment needs, (2) a description of the services recommended for treatment, (3) the goals of each type of element of service, (4) an anticipated timetable for the accomplishment of the goals, and (5) a designation of the qualified professional responsible for the implementation of the plan. The report may also include unsupervised on-grounds privileges, off-grounds privileges (with or without escort by personnel of the Department of Human Services), home visits and participation in work programs, but only where such privileges have been approved by specific court order, which order may include such conditions on the defendant as the Court may deem appropriate and necessary to reasonably assure the defendant's satisfactory progress in treatment and the safety of the defendant and others.

(c) Every defendant acquitted of a felony by reason of insanity and subsequently found to be in need of mental health services shall be represented by counsel in all proceedings under this Section and under the Mental Health and Developmental Disabilities Code.

(1) The Court shall appoint as counsel the public defender or an attorney licensed by this State.

(2) Upon filing with the Court of a verified statement of legal services rendered by the private attorney appointed pursuant to paragraph (1) of this subsection, the Court shall determine a reasonable fee for such services. If the defendant is unable to pay the fee, the Court shall enter an order upon the State to pay the entire fee or such amount as the defendant is unable to pay from funds appropriated by the General Assembly for that purpose.

(d) When the facility director determines that:

(1) the defendant is no longer in need of mental health services on an inpatient basis; and

(2) the defendant may be conditionally released because he or she is still in need of mental health services or that the defendant may be discharged as not in need of any mental health services; or

(3) (blank);

the facility director shall give written notice to the Court, State's Attorney and defense attorney. Such notice shall set forth in detail the basis for the recommendation of the facility director, and specify clearly the recommendations, if any, of the facility director, concerning conditional
release. Any recommendation for conditional release shall include an evaluation of the defendant's need for psychotropic medication, what provisions should be made, if any, to ensure that the defendant will continue to receive psychotropic medication following discharge, and what provisions should be made to assure the safety of the defendant and others in the event the defendant is no longer receiving psychotropic medication. Within 30 days of the notification by the facility director, the Court shall set a hearing and make a finding as to whether the defendant is:

(i) (blank); or

(ii) in need of mental health services in the form of inpatient care; or

(iii) in need of mental health services but not subject to inpatient care; or

(iv) no longer in need of mental health services; or

(v) (blank).

Upon finding by the Court, the Court shall enter its findings and such appropriate order as provided in subsections (a) and (a-1) of this Section.

(e) A defendant admitted pursuant to this Section, or any person on his behalf, may file a petition for treatment plan review or discharge or conditional release under the standards of this Section in the Court which rendered the verdict. Upon receipt of a petition for treatment plan review or discharge or conditional release, the Court shall set a hearing to be held within 120 days. Thereafter, no new petition may be filed for 180 days without leave of the Court.

(f) The Court shall direct that notice of the time and place of the hearing be served upon the defendant, the facility director, the State's Attorney, and the defendant's attorney. If requested by either the State or the defense or if the Court feels it is appropriate, an impartial examination of the defendant by a psychiatrist or clinical psychologist as defined in Section 1-103 of the Mental Health and Developmental Disabilities Code who is not in the employ of the Department of Human Services shall be ordered, and the report considered at the time of the hearing.

(g) The findings of the Court shall be established by clear and convincing evidence. The burden of proof and the burden of going forth with the evidence rest with the defendant or any person on the defendant's behalf when a hearing is held to review a petition filed by or on behalf of the defendant. The evidence shall be presented in open Court with the

right of confrontation and cross-examination. Such evidence may include, but is not limited to:

(1) whether the defendant appreciates the harm caused by the defendant to others and the community by his or her prior conduct that resulted in the finding of not guilty by reason of insanity;
(2) Whether the person appreciates the criminality of conduct similar to the conduct for which he or she was originally charged in this matter;
(3) the current state of the defendant's illness;
(4) what, if any, medications the defendant is taking to control his or her mental illness;
(5) what, if any, adverse physical side effects the medication has on the defendant;
(6) the length of time it would take for the defendant's mental health to deteriorate if the defendant stopped taking prescribed medication;
(7) the defendant's history or potential for alcohol and drug abuse;
(8) the defendant's past criminal history;
(9) any specialized physical or medical needs of the defendant;
(10) any family participation or involvement expected upon release and what is the willingness and ability of the family to participate or be involved;
(11) the defendant's potential to be a danger to himself, herself, or others; and
(12) any other factor or factors the Court deems appropriate.

(h) Before the court orders that the defendant be discharged or conditionally released, it shall order the facility director to establish a discharge plan that includes a plan for the defendant's shelter, support, and medication. If appropriate, the court shall order that the facility director establish a program to train the defendant in self-medication under standards established by the Department of Human Services. If the Court finds, consistent with the provisions of this Section, that the defendant is no longer in need of mental health services it shall order the facility director to discharge the defendant. If the Court finds, consistent with the provisions of this Section, that the defendant is in need of mental health

New matter indicated by italics - deletions by strikeout
services, and no longer in need of inpatient care, it shall order the facility director to release the defendant under such conditions as the Court deems appropriate and as provided by this Section. Such conditional release shall be imposed for a period of 5 years as provided in paragraph (D) of subsection (a-1) and shall be subject to later modification by the Court as provided by this Section. If the Court finds consistent with the provisions in this Section that the defendant is in need of mental health services on an inpatient basis, it shall order the facility director not to discharge or release the defendant in accordance with paragraph (b) of this Section.

(i) If within the period of the defendant's conditional release the State's Attorney determines that the defendant has not fulfilled the conditions of his or her release, the State's Attorney may petition the Court to revoke or modify the conditional release of the defendant. Upon the filing of such petition the defendant may be remanded to the custody of the Department, or to any other mental health facility designated by the Department, pending the resolution of the petition. Nothing in this Section shall prevent the emergency admission of a defendant pursuant to Article VI of Chapter III of the Mental Health and Developmental Disabilities Code or the voluntary admission of the defendant pursuant to Article IV of Chapter III of the Mental Health and Developmental Disabilities Code. If the Court determines, after hearing evidence, that the defendant has not fulfilled the conditions of release, the Court shall order a hearing to be held consistent with the provisions of paragraph (f) and (g) of this Section. At such hearing, if the Court finds that the defendant is in need of mental health services on an inpatient basis, it shall enter an order remanding him or her to the Department of Human Services or other facility. If the defendant is remanded to the Department of Human Services, he or she shall be placed in a secure setting unless the Court determines that there are compelling reasons that such placement is not necessary. If the Court finds that the defendant continues to be in need of mental health services but not on an inpatient basis, it may modify the conditions of the original release in order to reasonably assure the defendant's satisfactory progress in treatment and his or her safety and the safety of others in accordance with the standards established in paragraph (D) of subsection (a-1). Nothing in this Section shall limit a Court's contempt powers or any other powers of a Court.

(j) An order of admission under this Section does not affect the remedy of habeas corpus.
(k) In the event of a conflict between this Section and the Mental Health and Developmental Disabilities Code or the Mental Health and Developmental Disabilities Confidentiality Act, the provisions of this Section shall govern.

(l) Public Act 90-593 This amendatory Act shall apply to all persons who have been found not guilty by reason of insanity and who are presently committed to the Department of Mental Health and Developmental Disabilities (now the Department of Human Services).

(m) The Clerk of the Court shall transmit a certified copy of the order of discharge or conditional release to the Department of Human Services, to the sheriff of the county from which the defendant was admitted, to the Illinois Department of State Police, to the proper law enforcement agency for the municipality where the offense took place, and to the sheriff of the county into which the defendant is conditionally discharged. The Illinois Department of State Police shall maintain a centralized record of discharged or conditionally released defendants while they are under court supervision for access and use of appropriate law enforcement agencies.

The method of service of the decision shall be as provided in the Act governing the procedure before the administrative agency, but if no method is provided, a decision shall be deemed to have been served either when a copy of the decision is personally delivered or when a copy of the decision is deposited in the United States mail, in a sealed envelope or package, with postage prepaid, addressed to the party affected by the decision at his or her last known residence or place of business. Naming the director or agency head, in his or her official capacity, shall be deemed to include as defendant the administrative agency, board, committee, or government entity that the named defendants direct or head. No action for administrative review shall be dismissed for lack of jurisdiction based upon the failure to name an administrative agency, board, committee, or government entity, where the director or agency head, in his or her official capacity, has been named as a defendant as provided in this Section.

If, during the course of a review action, the court determines that an agency or a party of record to the administrative proceedings was not made a defendant as required by the preceding paragraph, then the court shall grant the plaintiff 35 days from the date of the determination in which to name and serve the unnamed agency or party as a defendant. The court shall permit the newly served defendant to participate in the proceedings to the extent the interests of justice may require.
