DUI & ALCOHOL/DRUG-RELATED OFFENSES

**Aggravated DUI** — Any DUI offense resulting in felony charges is classified as Aggravated DUI. Any mandatory term of imprisonment or community service is not subject to suspension or reduction. Alcohol must be in the original container with the seal unbroken. Cannabis must be in a tamper evident container and kept in an area that is not accessible to the medical cannabis card holder. If the offender is under age 21, there is a mandatory suspension of driving privileges for one year for a first offense and a mandatory revocation of driving privileges for a second offense.

Driving under the influence is a serious offense with serious consequences. DUI refers to driving under the influence of alcohol, cannabis or other drugs, including any legal or illegal substance that causes impairment. Illinois classifies DUI as a violent crime, and a conviction is never expunged from a driver’s record.

Regardless of age, driving is a privilege and one not to be taken lightly. I urge you to familiarize yourself with Illinois’ DUI laws and think twice before drinking and getting behind the wheel of a car. It’s not only against the law, it could kill you, your friends or family members, and innocent people who share the road with you.

Please, drive safe and sober.
