The Waiting..

NATIONAL MINORITY

DONOR AWARENESS WEEK

Join Secretary of State Jesse White at the James R. Thompson Center Wednesday, August 3, 2016, from 10 a.m. to 2 p.m., in an effort to raise awareness about the importance of organ/tissue donation.

Thanks to countless organizations, volunteers and Illinoisans, Illinois has reached a milestone of 6 million people registered as organ/tissue donors. However, there is still a need for more donors, especially among minorities. In Illinois, minorities make up half of the 5,000 men, women and children currently awaiting a lifesaving transplant.
