## PREFACE

Following is a comprehensive listing of Illinois State Government publications deposited with the Illinois State Library from January through December 2008. Publications received in sufficient quantities for distribution are marked with an asterisk (\*) and are available at the Illinois Document Depository Libraries. Items marked with an “e” are ephemeral and need not be retained by all depositories. Items marked with a dollar sign (\$) supersede previous issues.

All publications listed are available for use or loan at the Illinois State Library. Publications needed for personal use or for another library’s collection should be requested directly from the issuing agency.

Publications are listed in alphabetical order according to the keyword of the issuing agency. “See” references and OCLC numbers have been added for your convenience. All electronic publications and items received on microfiche are listed in a separate section. State of Illinois electronic publications also may be accessed through the State Library’s Electronic Documents Depository at **ediillinois.org**.
