Section 1010.421 Issuance of Temporary Registration Permits by Persons or Entities Other Than the Secretary of State

- a) In addition to the issuance of Temporary Permits to specific applicants, the Secretary of State may supply, upon request, Temporary Permit plates to the following for issuance by them, provided they have the necessary computer hardware, software and communication devices for accessing the Secretary of State's Internet site for the registration of Temporary Permit plates:
 - 1) Licensed vehicle dealers registered and in good standing with the Secretary of State. Each dealer may issue Temporary Permits only to persons purchasing vehicles from that dealer and only after application for title and registration has been completed. All dealers receiving Temporary Permits shall maintain records reflecting the information required for completion of the receipt form for a Temporary Permit plate. Failure to do so may result in the denial, revocation, or suspension of a dealer's license under IVC Section 5-501.

- b) Issuers of Temporary Permits must be in compliance with the following:
 - 1) Within two business days after receipt of Temporary Permit plates from the Secretary of State the issuer shall access the Secretary of State's Internet site for the registration of Temporary Permit plates and acknowledge receipt of the plates. The issuer shall store the Temporary Permit plates in a secure location to prevent theft, loss or misuse of the plates. Temporary Permit plates shall be issued in numerical sequence as received from the Secretary of State. Temporary Permit plates shall be issued only in conjunction with applications for vehicle registration and all required information regarding the Temporary Permit plate shall be completed on the vehicle registration application form.
 - 2) Contemporaneous with the issuance of a Temporary Permit plate, the issuer shall access the Secretary of State's Internet site for the registration of Temporary Permit plates and enter all requested information with regard to the vehicle for which the Temporary Permit plate was issued and the individuals or entity to which the Temporary Permit plate was issued. When accessing the Secretary of State's Internet site and entering information, issuers shall comply with all protocols provided by the Secretary of State, including, but not limited to, user identification procedures and passwords.
 - 3) Prior to delivering a Temporary Permit plate to the applicant or attaching a Temporary Permit plate to a vehicle, the issuer shall lift the clear overlay covering the expiration date area, blacken in with a permanent black marker the month and year during which the Temporary Permit will expire, making certain to blacken in the entire box including the portion of the silver hologram strip running through the box designating the month, and remove the white backing from the overlay and apply the overlay securely over the expiration date area.
 - 4) Temporary Permit plates issued for motor driven cycles or motorcycles shall be of the reduced size designed for motor driven cycles or motorcycles.
 - 5) Temporary Permit plates shall be issued only by the dealer, remittance agent, or currency exchange that received the Temporary Permit from the Secretary of State.
 - 6) Temporary Permit plate receipt forms shall contain all of the information requested, where applicable. The original of the plate receipt form shall be given to the applicant and the copy shall be maintained by the issuer.
 - 7) Temporary Permit plate receipt forms shall bear the name of the issuing entity and the signature of the issuing employee.
 - 8) Issuers of Temporary Permits shall reimburse the Secretary of State \$50 per Temporary Permit for lost, missing, stolen, or destroyed Temporary Permits. The Secretary of State shall have the discretion to waive this fee upon satisfactory proof that the Temporary Permits were destroyed by fire or flood, or stolen in connection to a theft of the premises. In the decision to waive the fee, the Secretary of State shall consider whether an insurance claim or police report was filed, or other evidence suggesting that the issuer's loss is the result of fire, flood, or theft of the premises.

- 9) Issuers shall maintain copies of receipt forms for all Temporary Permit plates issued for a period of 3 years.
 - 10) When the issuer is no longer engaged in the business of issuing Temporary Permits, the issuer shall return all unissued Temporary Permit plates to the Secretary of State. Issuer shall bear risk of loss until all Temporary Permits are received by the Secretary of State.
- c) The Secretary of State shall have free access to the offices and places of business to examine fully all Temporary Permit books and other business records, documents, and files of the issuer to determine whether such issuer is complying with the provisions of this Section.
 - d) The issuer is responsible for acts or omissions of issuer's employees while engaged in the distribution of Temporary Permits.
 - e) Denial or Revocation of the Authority to Issue Temporary Permits
 - 1) The Secretary of State may refuse to issue Temporary Permits to any dealer, remittance agent or currency exchange that has committed any violation of IVC Chapter 3 or Chapter 5 or any administrative rule adopted pursuant to those statutes. The Secretary of State may demand the return of any unused Temporary Permits from any dealer, remittance agent or currency exchange for any violation of IVC Chapter 3 or Chapter 5 or any administrative rule adopted pursuant to those statutes, or for any other violation relating to the use or issuance of Temporary Permits.
 - 2) If the Secretary of State refuses to issue or revokes unused Temporary Permits, he or she shall so order in writing and notify the dealer, remittance agent or currency exchange by mail. A dealer, remittance agent or currency exchange may request an administrative hearing to review the order.
 - 3) If the Secretary of State revokes unused Temporary Permits, the affected dealer, remittance agent or currency exchange shall not be entitled to apply for or issue any Temporary Permits for a period of 90 days following receipt of the revocation order. A second or subsequent offense resulting in the revocation of Temporary Permits may result in the dealer, remittance agent or currency exchange being prohibited from receiving any Temporary Permits from the Secretary of State.
 - 4) Secretary of State personnel may initiate an action against a dealer, remittance agent or currency exchange by filing a complaint with the Secretary of State's Administrative Hearings Department. Thereafter, a notice of hearing shall be issued to the dealer, remittance agent or currency exchange specifying the alleged violation. The dealer, remittance agent or currency exchange shall be entitled to an administrative hearing pursuant to IVC Section 2-118 and regulations promulgated under that Section.
