Title and Registration

- 1) **An Application for Vehicle Transaction(s)** (VSD 190) must be completed for any license plates or title transaction.
- 2) **Vehicle/ownership information** on the surrendered title must be the same as on the application. The buyer's name on the assignment area must be the same as on the application. The odometer reading must be certified on the Assignment of Title along with the date of sale. The vehicle identification number on the title must match the number on the dash or door of the vehicle.
- 3) **Tax must be paid** on all vehicle sales between individuals. The amount of tax is based on the model year of the vehicle if the selling price is less than \$15,000, or on the selling price if it is \$15,000 or more.

Submit the following along with your application to the Secretary of State:

- **Tax Form RUT-50** (available at most Secretary of State facilities)
- **Tax payment** (separate check, draft or money order payable to Illinois Department of Revenue)
- **Title and/or registration fees** (payable to Secretary of State)

Do not send tax payment to the Department of Revenue. See **Form RUT-50** for tax fees, or call the Department of Revenue at 800-732-8866 in Illinois or 217-782-3336.

If a recently purchased vehicle has not been titled or registered in this state, either RUT-25 (if purchased from an out-of-state dealer) or RUT-50 (if purchased from an individual) and any applicable tax (payable to Department of Revenue) must accompany the application.

Vehicles purchased from an Illinois dealer are subject to vehicle sales tax. The dealer must submit the **Sales Tax Transaction Return** (ST-556 Tax Form) to the Secretary of State, along with the tax check (payable to Department of Revenue), the **Application for Vehicle Transaction(s)**, the surrender document, and title and registration fees (payable to Secretary of State).

Transferring Plates

- 1) Make sure the **correct vehicle information** and **number** of the plates being transferred appear on the application in the proper area.
- 2) Check **Title and Transfer** if transferring current plates.
- 3) Enclose the **MOST RECENT vehicle registration identification** card for the license plates number being transferred.
- 4) If the new vehicle will be owned by one person but the last vehicle was registered in two or more names, the individuals whose names **will not** appear as owners on the new vehicle must **release their interest** in the license plates being transferred in writing and sign the statement.
- 5) License plates cannot be transferred from one person or business to another unless the transferring parties are the same person. A letter (on company letterhead if applicable) must be included with the application.
- 6) If a company incorporates, the firm is considered a separate, incorporated entity, and plates cannot be transferred from the original company.
