As someone who has spent his life working with children and families, nothing pains me more than to see the devastating effects violence has in our communities.

As Secretary of State, I am proud that my office is involved in anti-violence efforts by offering Prevent Violence License Plates. This is the first program in the United States to promote early intervention on behalf of endangered children and troubled families through a coordinated effort of public health and safety professionals, churches, schools, women's organizations and community groups.

Proceeds from the sale of these plates go to the Illinois Violence Prevention Authority to help fund innovative violence prevention efforts throughout Illinois. Purchasing a set of these plates provides a means of showing your support of this important cause.

I will continue my efforts toward positive change in the lives of Illinois families and children. You can help by using the attached form to order your Prevent Violence License Plates today.
