

Illinois teachers are key players in shaping the lives of our young people. Every day, men and women in schools across the state use their skills and knowledge to educate and enrich our children, and set them on a path of lifelong learning.

I am pleased to have the opportunity to help support teachers in Illinois by providing Education License Plates. Proceeds from the sale of these plates go to the Illinois Future Teacher Corps Scholarship Fund. This fund is used to provide scholarships to full-time undergraduate and graduate students pursuing their teacher certifications in Illinois. A portion of the funds also goes to the State Board of Education for grants to the Golden Apple Foundation, which annually recognizes outstanding teachers in the state.

I encourage you to show your support for Illinois teachers by displaying a set of these colorful Education plates on your vehicle. Children are the way of our future, and along with nurturing parents, committed teachers are their tickets to success.
