**Important**

- We will not refund or adjust your payment if you completed the request incorrectly or changed your choice or spacing once the plate has been ordered.

- We have the right to refuse or recall any combination of letters and/or letters and numbers that may carry offensive connotations to good taste and decency.

pickaplate

For more information about Pick-A-Plate, please visit [https://www.ilsos.gov/pickaplate](https://www.ilsos.gov/pickaplate).
The state of Illinois offers abundant opportunities for avid sportsmen and women. Our parks and wildlife areas are teeming with deer and upland game, and our waterways are home to a wide variety of waterfowl and gaming fish.

My office is proud to offer sporting enthusiasts the opportunity to display their affection for the outdoors and sporting activities through the purchase of Sporting Series License Plates. By purchasing these plates you will contribute to the Illinois Habitat Fund for the protection, maintenance and acquisition of quality wildlife habitats in Illinois. Sporting Series plates are available in six designs: Bass, Deer, Duck, Goose, Pheasant and Turkey.

I encourage you to show your allegiance to sporting activities in Illinois by purchasing a set of these unique plates, while supporting the preservation and maintenance of our state’s natural resources to ensure healthy animal and fish habitats for the enjoyment of generations to come.

For more information about Sporting Series License Plates, fees and availability, visit www.cyberdriveillinois.com or call 217-785-1697.
