Illinois is home to some of the greatest sports teams in America. As an Illinois native, longtime Chicagoan and avid sports enthusiast, I take great pride in our professional sports teams. The Chicago Bears, Blackhawks, Bulls, Cubs, White Sox and St. Louis Cardinals organizations each have a special place in the history of professional sports and the hearts of their loyal fans.

My office offers Professional Sports Teams License Plates for each of these organizations. As a former educator for 33 years, I am pleased that a purchase of these plates will contribute to the Professional Sports Teams Education Fund to benefit the Common School Fund, which supports schools throughout the state.

I encourage you to show your pride for your favorite professional sports team while supporting education in Illinois by displaying these plates on your vehicle.
